Sylvan Planners Conclude Hearing On Zoning Request

Request for Conditional Use Zoning Permit Brings Heated Discussion

Sylvan Township Planning Commission met Monday night, Oct. 4, for further hearing on the granting of a Conditional Use Permit for the Michigan Livestock Exchange to build and operate a livestock auction on S. M-52. Approximately 75 people attended the meeting, according to Harold Jones, chairman of the commission.

Additional petitions in opposition to the project were presented, and much discussion concerning adverse aspects of the Exchange was held. Jones estimates, however, that the discussion was about equally based, and that residents who approved of the project were also present at the meeting.

Among the reasons residents have for objecting to the proposed structure is the noise, and the traffic which such an exchange would create. There are also potential pollution problems.

The Exchange is, however, of great interest to the local farmers, as they will not have to transport their stock so far to market. Also, the businesses in the downtown area are likely to benefit financially.

As an outcome of Monday evening's meeting, the Board has closed the hearings and will take the issue under advisement. They will report their findings at a later, indefinite, date.

Arson, Grass, Chimney Fire Calls Reported

Arson, grass and chimney fires, and an over-active water heater kept Chelsea firemen busy this past week-end.

Thursday afternoon, Oct. 1, firemen were called to put out a grass fire along the railroad on Cavanaugh Lake Rd. One vehicle was dispatched, and the blaze was soon contained.

Friday afternoon, at about 1:30 p.m., a potentially dangerous situation, a chimney burning out, was quickly controlled by the firemen. Steve Polowski, a passer-by, noticed smoke pouring out of the Mason home at 2156 S. M-52, and notified the fire department. Three vehicles were dispatched. The fire was put out, with no reported damage to the home.

Later Friday afternoon, at 2:37 p.m., a call came in from Chelsea veterinarian Dr. Wilfred Lane. It seems his hot water heater had overheated, causing some concern. Two vehicles were dispatched. There was minor damage to the water heater, but no damage to the surrounding area.

Arson was the verdict at a fire that occurred late Friday evening, Oct. 2, at 991 Ridge Rd., home of Mr. and Mrs. David Pletcher. The Pletchers were on their way to Washington, D. C., to participate in the Victory March, when, forgetting a credit card, Pletcher reentered his previously locked home, and discovered fires in the attic and the basement of the building. A neighbor, Mrs. Sexton, called the fire department, and the blaze was put out, causing little damage to the home, mostly from the smoke. Washtenaw County Sheriff Department deputy, Robert Aeillo, of North Lake Rd., Chelsea, was called to the scene as arsonist.

Chelsea Social Service Elects Officer Slate

Board members of the Chelsea Social Service assembled for the annual meeting in the organization's headquarters in the Municipal Building at noon on Oct. 1. Reports from Harold Jones, treasurer, and from Mrs. Louis Ramp, director, revealed an increase in number of contacts over any previous year since the office was opened in November, 1956. Thirty-five new cases were opened this year, bringing the 14-year total to 484 families assisted.

Operating mainly on funds from the Community Chest, together with gifts from clubs, churches and public spirited individuals, the Chelsea Social Service was just able to meet all commitments for the year.

These included emergency payments to local families for food, clothing, fuel and medical aid, as well as necessary administrative expense. While food and clothing grants consumed the greater part of the agency funds, the Christmas giving also accounted for a large part of the spending. With generous amounts of packaged goods, cloth-

Spring Plant Constructing Warehouse

North American Rockwell, Mechanical Spring Plant, is expanding. A 6,000 square foot addition is being added on to the east side of their present building, Donald Baldwin, assistant plant manager, announced Friday. The addition will provide storage for raw material, which will free much production space that is needed within the plant.

The addition was started two weeks ago, and the management hopes that it will be completed within the next three weeks. Page Leasing & Storage, Inc., of Jackson, are the contractors handling the project.

Baldwin said that the building, which is a metal structure, has no beams. It comes in 26 gauge steel panels, and can be assembled on the site. Insulation for the building will be already attached to the panels. This kind of construction is very good, he added, for it provides total floor space, and can be erected efficiently.

Blood Bank Clinic Needs Volunteers

Plans are being made for the annual Chelsea Blood Bank. The Red Cross unit will be at the Congregational church on Wednesday, Oct. 28.

Mrs. George L. Palmer, co-ordinator of the drive this year in the absence of Mrs. Dudley Holmes, has announced the following chairmen: appointments, Mrs. George Frisinger; aides, Mrs. Keezer; luncheon, Mrs. Lawrence Dietle; canteen, Mrs. Warren Eisenbeiser.

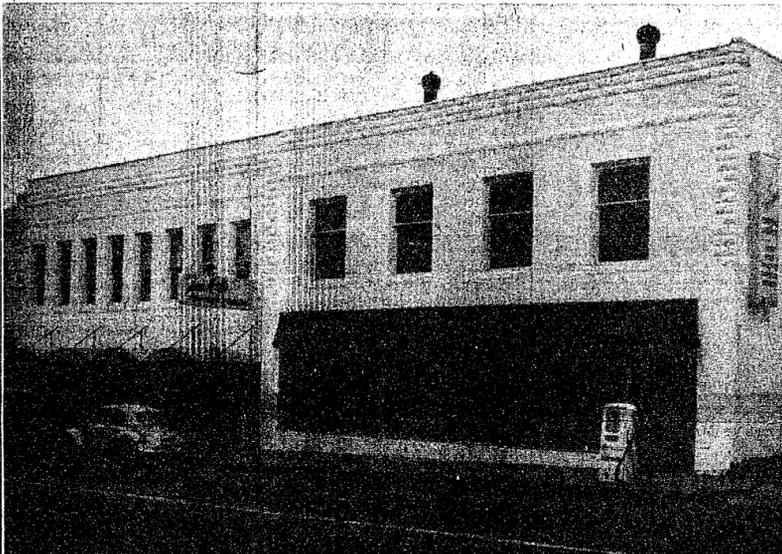

Mrs. Frisinger will be contacting businesses and factories within the next two weeks. Anyone wishing to make an appointment may do so by calling her. Persons wishing to volunteer their services or donate food are asked to contact any of the above chairmen or Mrs. Palmer.

Yarn Shop Opened By Mrs. Edwards

Hearth Side Yarn Shop, a new business operating in the basement of the Dare Edwards home, 5450 Conway Rd., opened its doors for business Monday morning, Oct. 5. The shop will be open from 9 a.m. until 9 p.m. every day except Sunday, according to Mrs. Edwards who is the owner of the business, and will be operating the store with the assistance of her daughter, Marianne Hoover.

COMMUNITY CHEST CAMPAIGN CHAI-MEN met Wednesday evening, Sept. 30, to discuss plans for this year's drive. They are, from left, Robert Thornton, rural chairman; David Rowe, commercial and business chairman; Mrs. Basil Greenleaf, residential chairman; James Hoffmeyer, teachers and administration chairman; and Wal-lace Wood, professional chairman. In the back row are Mrs. Donald Baldwin, publicity chairman, and Gary Albrecht, chairman for the entire 1970-71 drive. Missing from the photo are Calvin Summers, Jr., industry chairman, and Mrs. Jon Schaffner, organizations chairman.

IT LOOKS LIKE ONE STORE, but it used to be four. That is the real story behind Merkel Brothers Furniture & Carpet store at 209 S. Main. This building was formerly a tire shop, a pool hall, a movie theatre, and an ice-cream parlor. Among the box office favorites at the movie theatre was the movie: "Over the Hills to the Poor House." That is what many husbands probably think of as their wives drag them into the present structure today in their home improvement projects.

Merkel Bros. Join Downtown Improvement with Paint Job

Merkel Brothers Furniture & Carpet store has an interesting history. The attractive building which stands at 209 S. Main was once four separate stores, each of which has its own peculiar story. Extensive remodeling was done by Merks in 1959, and then again in 1965. This summer, in co-operation with the Downtown Improvement program, however, the exterior of the store was repainted, and the back of the store was fixed up. An attrac-

tive rear entrance was built, and a parking lot for customers was improved in the rear. The present structure is vastly changed, however, from the building F. W. Merkel moved into in 1924, when he established his business in Chelsea. He then occupied the far southern part of the four-building site, and operated a gasoline station, and tire shop. Expanding into hardware, it wasn't until 1965 that the company began to deal exclusively in furniture and carpets.

In 1940, three of the four buildings were occupied by the Merkel business, and in 1959, the final building was added. In 1924, when the first Merkel went into business, the store directly north of the tire shop was a pool hall. Built in 1906, many people still remember the pool hall front, as it wasn't changed until 1959.

Band Dedicates Grid Show to Paul Maurer

Chelsea High school band played for the first home game of the season, Friday night, Oct. 2. Their half-time show was dedicated to Paul D. Maurer, who had played in the band prior to this year.

The show, which was entitled: "A Chapter in the Life of Control's Number One Agent, Everybody's Favorite Spy, Maxwell Smash," was announced and narrated by Dwight Bolanowski. The cast included Steve Smith as Maxwell Smash, and Heather Brooks, as Sergeant Pepper. Doug Van Gorter was Cupid's Trigger Man, and Connie Wireman was Ninety-nine.

Dean Tangalakis was guest conductor. Conductor of the EMU band, Tangalakis worked with the brass section at band camp this past summer. Jon Schenk, props chairman, designed the equipment for the skit. Head majorette was Sue Blaess, head flag, Lisa Peffer. At this coming Friday's game against Milan, Oct. 9, the band will present another episode in (Continued on page six)

Bulldogs Hang On To Win Over Novi

Chelsea defeated Novi last Friday night, Oct. 2, by a score of 14 to 6. This was the first home game of the season for the Bulldogs.

The Bulldogs scored in the first period. After exchanging punts, Randy Seitz recovered a Novi fumble on their 24-yard line. Jim Wojcicki and Wayne Welton quarterbacked the move, and Larry Gorton and Tim Orbring did much of the running, as the team moved to the Novi 10-yard line, where Welton passed to end Howard Treado for the touchdown. Orbring kicked the extra point, bringing the score to Chelsea, 7, Novi, 0.

In the second quarter, Jim Wojcicki passed 24 yards, to end Tom Lukasiak for Chelsea's second and last touchdown of the game. Orbring again kicked the point after touchdown, making the score Chelsea 14, Novi, 0.

In the first half, each team had a score called back due to penalties. The Bulldogs had a rough time all night with penalties. They had 125 yards stepped off against them to 15 yards against Novi.

In the second half, Chelsea played defense, mixed with a little "give away," as Novi blocked an attempted punt, and recovered the ball in the end zone, bringing their only score in the game.

In the last quarter, Chelsea's defense stood up to the Novi Wildcats, holding the Wildcats scoreless in three separate drives. The last drive, a close one, had the Wildcats with a first down and goal to go on the six-yard line. The defensive team had Keith Pfeifle and Tom Lixey at end, Mike Powers and Randy Seitz at tackle, Mitchell Heard at middle guard, with Tom Harmon, Jeff

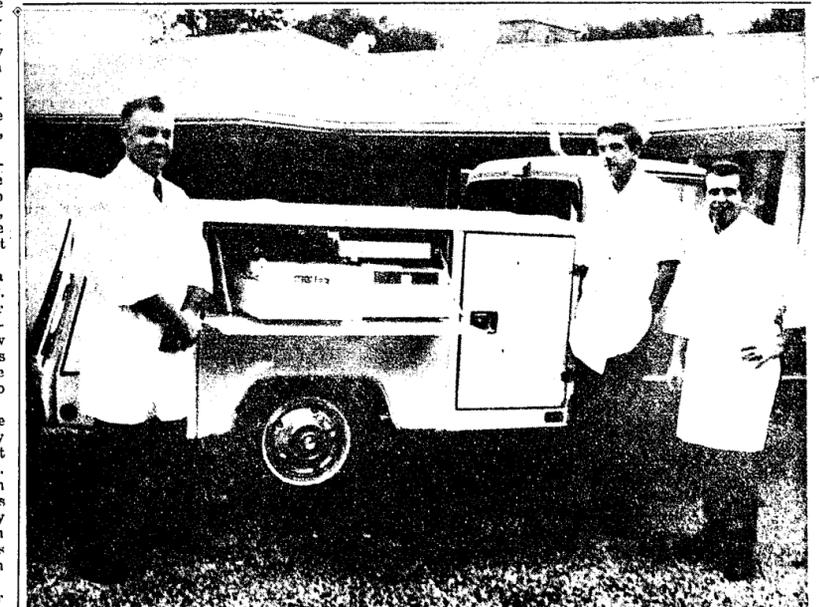

The rural area will be covered by Robert Thornton, and his 20 volunteers. Chelsea's Community Chest is a total volunteer effort, designed to help the people in this area on a person to person basis.

Charles Hale Dies Saturday In Auto Crash

Charles Edward Hale, 19200 Clark Lake Rd., was killed in an automobile accident Saturday afternoon, Oct. 3, at 1:25 p.m. The accident occurred on Huron River Dr., approximately one-half mile east of Pine View Dr., near Mast Rd.

Hale, who was driving a 1961 Chevrolet that belonged to Arthur Altwater, was eastbound at 55 mph when he came around a sharp curve, marked 35 mph, and lost control of his vehicle. The car went off the south shoulder of the road, and struck a tree.

Witnesses reported that a skid mark of 195 feet led to the tree. Hale was dead at the scene of the accident. He was the sole passenger in the car.

MOBILE MEDICAL UNIT: Drs. Lane, Tramp, and D. E. Clark (pictured above), of the Lane Animal Hospital, have a new "ambulatory mobile unit" for use in their large animal practice. The unit, which was delivered Saturday, Sept. 26, is made of fiberglass, and is mounted on the back of a Chevrolet pick-up truck. The mobile clinic comes equipped with a refrigerator, for keeping certain drugs cool, proper places for equipment and drugs, water supply, and a two-way radio, so that they may keep in constant contact with the office. The unit is designed by Astoria FibraSteel in Astoria, Ill., and has become a common sight in the Minnesota-Wisconsin areas, where veterinarians have been using them for some time in their large animal practices. Lane claims. This unit is the first of its kind in this area.

DEDICATION CEREMONIES of the Jerry Niehaus Field took place Friday night, Oct. 2, during half-time of the Chelsea-Nowi football game. Kiwanis Club Master of Ceremonies, William Rademacher (center) presents a plaque with a picture and dedication notation to his widow, Mrs. Ruth Niehaus. Also present at the ceremonies were George Palmer, immediate past president of the Kiwanis Club, Walter Zeeb, newly-installed president, the Rev. Warner H. Seibert, pastor of St. Paul United Church of Christ church, and family pastor for the Niehaus family, Rademacher, Donald Irwin, president of the Chelsea Board of Education, Mrs. Niehaus, and her son, Paul J. Niehaus.

Jerry Niehaus Field Dedicated

Dedication ceremonies were held Friday night, Oct. 2, of the newly-named, Jerry Niehaus Field at Chelsea High school. The ceremonies, which took place at half-time during the Chelsea-Nowi football game, were held under the lights provided by the Kiwanis Club of Chelsea in Jerry's memory. It was Niehaus who first, instigated the Kiwanis project of providing lights for the football field. That was when the former ath-

letic field on Washington St. first needed lights. Chelsea Kiwanians have continued to provide lights for the field as more have been needed over the years.

William Rademacher, master of ceremonies for the Kiwanis Club, presented a plaque with a picture and dedication notation to Mrs. Ruth Niehaus, Jerry's widow, and his son, Paul J. Niehaus. Chelsea Electric & Water Dept., and Earl Heller of Heller Electric,

spent many hours installing the new lights for the field. W. E. Farrell built and helped put up the sign over the scoreboard. Their efforts, and the effort of Chelsea Kiwanians, were considered a small token of the esteem which Niehaus earned over the many years that he lived and worked in Chelsea. His work with children of all ages was well known, as well as his many other contributions to the community.

Uncle Lew from Lima Says:

Dear Mister Editor:
 Clem Webster was walking hard on Republicans in general and the Nixon Administration particular Saturday night at the country store. He told the fellers that the more he sees in the papers about Nixon's crew the more he thinks of that French queen that told her people that begged for bread to eat cake. Clem said most of the solutions Nixon has come

up with so far is jest new words for the same problems.

Recent, went on Clem, he had saw where the Secretary of Transportation said the country faces a "total transportation crisis" and that people has got to learn to walk. What he was saying, allowed Clem, was that no transportation at all is the answer to our transportation crisis. That, claimed Clem, is the Republican way of keeping the country moving.

Bug Hookum sided with Clem on the transportation question, and Bug said Nixon's record for fixing up welfare ain't no better. The Administration's Family Assistance Plan, allowed Bug would finish the job of bankrupting the country. Bug said the Democrats was well along when they got turned out and they had done throwed out the welfare baby with the bath.

Clem said it don't help much for President Nixon to talk about cutting spending while his Secretary of the Interior is fixing up his office at a cost of \$40,000, including carpet that cost \$56 a square yard and a \$1,800 desk. Compared to over-all spending, Clem said, that means as much as LBJ cutting down by turning off the White House lights, but it does go to show they is a lot of talk and little results in Washington these days.

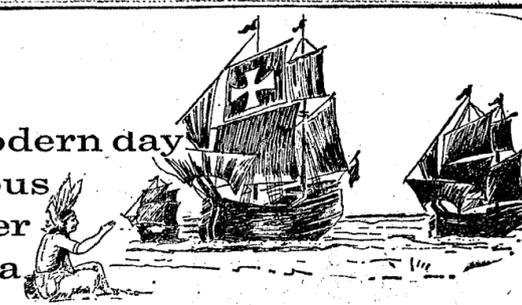

Ed Doolittle, that carries Abe Lincoln's picture in the back of his watch and is a Republican even when it ain't in style, admitted he ain't full happy about the way things is going, but he alived in 1970 all the problems Nixon has got the aped from the Democrats. Ed reminded Clem when not too long back Clem was crying about how Democrats was spending like a drunk trying to drink himself sober.

Ed said what do you do with a country that's got people that hires lawyers to make shore they don't have to take a job that would git them off welfare? What kind of action can you take, ask Ed, when you got 300 legal organizations trying to tear the country limb from limb and feed it to the communists, and ever one of them is hiding behind their rights as free Americans?

Personal, Mister Editor, I was agreed with Bug when he told the fellers that it looks like the hurrier this country goes the behinder it gits, no matter who's setting the pace.

Yours truly,
 Uncle Lew.

Taxes Do Rise
 If you have the feeling you paid more taxes than ever last year, you were right.

The "average" Michigan resident, including every man, woman and child, paid \$428 in state and local taxes alone during 1969, according to a report drawn up by Commerce Clearing House.

That represented an increase of \$61 per person over fiscal 1968, according to the survey.

And it ranked Michigan eighth in the nation in per capita taxation.

It may not help much to add this, but at least Michiganers weren't alone. The study shows the per capita taxation rose in every state of the union.

The average payment was only \$380, however, \$48 less than Michigan, and the average increase was \$42 per person, \$19 less than Michigan.

New York led all states with an average high of \$576 per state and local taxes for every resident, while Arkansas was low with \$221 per person.

Median state was Montana, with a total of \$351 per person.

State and local taxation has become such a big business now that 23 states passed the \$1 billion mark last year.

For the first time, in fact, the \$10 billion mark was passed as New York raked in \$10.5 billion and California fell just shy of that mark.

Illinois and Pennsylvania each took in more than \$4 billion while Michigan was one of three states collecting more than \$3 billion.

The per capita state and local tax burden has increased 52 percent, from \$250 per person, in the past five years alone.

Perhaps there is something else as sure as death and taxes—the fact that taxes will rise.

Michigan residents, by the way, can expect a hefty tax increase from state government in the coming year.

The legislature, nervously working to get through an election year, passed some stopgap measures to balance the budget earlier this year.

But capitol observers are agreed that come January, one of the first items of business will be an increase in the income tax, which now stands at 2.6 percent. Some pessimists say it could be as much as doubled.

But most officeholders are discouraging such talk until Nov. 3 has passed.

Laws Draw Attention
 Those two landmark anti-pollution bills passed by the legislature this year are drawing quite a bit of attention from outside the state.

The bills allow any private citizen to file suit against any firm or governmental unit he feels is polluting the environment. They also require industries in the state to file a report with the state listing any pollutants they are dumping into state waters.

As a result of this interest, the Governor's office has scheduled an all-day workshop on the laws for Oct. 19 on the University of Michigan campus.

"We intend to provide information on every possible aspect of the laws, from their origination to what we expect will be the eventual ramifications," explains Gov. William G. Milliken.

Invitations to the workshop have been sent to governors, senators, colleges and universities, federal

agencies, conservation groups and several law firms.

"We planned this workshop to allow an opportunity to fully examine the details and implications of these two major acts, as well as other new concepts in state government legislation," the Governor said.

The bill allowing any citizen or group to sue any polluter went into effect Oct. 1. The other measure won't go into effect until March.

Security Enhanced
 The legislature has taken a new step to insure the security of the capitol complex in Lansing.

The lawmakers appropriated \$613,000 for operation of a capitol security unit, which has now begun operation.

The first 36 guards graduated recently from the State Police Training school and they have joined a squad of 21 state policemen to provide around the clock protection to the buildings in the complex.

The unit was set up after complaints of purse snatching and attempted vandalism began to increase.

 Residents of Chelsea and its surrounding area will be asked to raise \$2,000 as their share of the \$16,000 quota of Washtenaw county in the drive for funds to finance the final operations of the United Service Organizations, county campaign chairman Kenneth Hallenbeck has announced. The drive will be held from Oct. 21 to Nov. 4. "We believed that last year would see the end of the activities of the USO," Hallenbeck said, "but the need is still with us and it is up to all of us to carry the load."

Patrons of the local bakery will be pleased to know that during the past week many improvements were started at the Lady Ann Pastry Shop all of which will add much to the quality and amount of baked goods produced. They will be interested to know also, that the baking is done in a modern, sanitary shop. The most important improvement is the installation of a new automatic thermostatically controlled gas oven. Warren Alexander, a Chelsea boy, son of the late Mr. and Mrs. Miles Alexander, has been manager of the bakery, formerly known as the Chelsea Bakery, since it was purchased by the Gauss Baking Co. Alvin Gross, mayor of Saline, will speak at the monthly meeting of the Chelsea Businessmen's Association, according to F. W. Merkel, president. Girls Track Team Stars Score Well

Bonnie Wengren placed seventh out of a field of 25 women Saturday, Oct. 3, at a cross country meet held in Ann Arbor. The course was a two mile distance. At the Taylor Township Cross Country meet held Sunday, Oct. 4, Bonnie placed second out of a field of 10 women.

Monday, Oct. 5, at a small track meet held at Chelsea, Bonnie ran the 440-yard run in 59.7 seconds, that was the fastest run of that distance in her career.

Janet Sibley took first place in the high jumping event at the meet. She set a new school record with her jump of 5 feet, 4 inches. It was also the highest jump of her career. That score, had she jumped it in the summer season, would have placed her in the list of the 10 best women jumpers of the summer. She has high hopes for next summer's competitions.

Mary Verchero finished third in the event for Chelsea.

Janet Sibley won the 220 in a time of :28.1. Pat Poertner placed second.

The 80-yard hurdles was won by Janet Sibley in a time of 12.7 seconds from a second school record of the day.

Roben Terns placed second in the 80-yard hurdles.

Peggy Kraai won the 90-yard hurdles in 7.8 seconds. Roben Terns placed second, and Sandy Notten placed third.

Peggy Kraai won the 100-yard dash in 12.4 seconds. Jill Peterson placed third.

Pat Poertner won the 50-yard dash in a time of 6.6 seconds. Sandy Notten placed second, and Jill Peterson placed third.

Bonnie Wengren will compete in Dayton, O., Saturday, Oct. 10, at the Kettering Invitational Cross Country meet.

PP&K Winners Are Named Saturday at J. Niehaus Field

The 10th annual Punt, Pass & Kick contest was held Saturday morning, Oct. 3, at the newly named Jerry Niehaus Field. The weather was cold, and grey, which affected the turnout, spokesmen for the event commented.

Palmer Motor Sales sponsored the event, furnishing the trophies. Chelsea Jaycees ran the competition.

Winners for this year's competition were as follows:

In the 8-year-old division, Doug

Bowen took first place, John Dunn, was second, and Danny McGill, third.

Among the 9-year-olds, Jim Leach was in first place, with David Stock coming in second. Bill Maynard placed third.

Ten-year-old Brian Lewis took first place in his division, Tommy Young was second, and Gregory Ringe was third.

Matt Heydlauff was first among the 11-year-olds. Brian McGibney placed second, and Don Morrison was third.

Ronald Joseph was first in the 12-year-old division, with Robert Joseph in second place. Robert Rosentreter was third.

Dave Leach, sole competitor in the 13-year-old division, was a sure winner in his division.

Winners from Saturday's contest will compete in the zone competition at Ryerson Stadium, at EMU, Saturday, Oct. 10 at 9 a.m. They will compete with other winners from the area.

Winners from that competition will travel to University of Detroit Stadium on Oct. 17 for the district competition.

Area competition will be Nov. 22 this year, with a visit to the Lions-San Francisco game at Tiger Stadium.

Punt, Pass & Kick is a national contest. The national competition is Jan. 17, in Miami, Fla., at the Super Bowl game.

The trail to Miami could start in Chelsea if a young boy has an educated toe, and a co-operating arm.

PROUD BUT CHILLY WINNERS in this year's Punt, Pass & Kick competition held Saturday, Oct. 3, show off their trophies. Letters to the Editor

To the Editor:

In answer to the letter by Mr. Wellnitz, concerning disrespect to the flag. As being the person the statements were directed at, an upside down flag does not mean disrespect for the flag. It is a sign of distress, and if he does not see any, he is blind and uninformed. Which was attributed by last week's comments.

I do not expect everyone to agree on my beliefs, but I have a right to my expressions and if he denies me, or any other person this right of self-belief, then there is but another reason for the topsyturvy flag. I feel disrespect and bias against other people and their cultures and views regardless of race or nationality, far more appalling than any material object, in any sense.

The object of his consternation was displayed so as any intelligent person could ask or reason with me at any time. Mr. Wellnitz need not act like a frustrated Nare. With S-S training, and put down my license number. Mr. Wellnitz seems to be as uninformed as Mr. Nixon on the new left, and their views. Both the aforementioned, and many others, should listen to the pulse of the country, not only with their right ear, but with their left ear as well.

George Clark.

JV Gridde Swarm Over Novi, 34-14

Dan Bertke scored on an eight-yard pass play from John Mann to bring the score to 18-6. Bruce Guster scored the extra point on a sweep, giving Chelsea the lead by 20-6.

Novi started the scoring in the fourth quarter on a pass play, bringing the score to 20-12. The extra point attempt was good. The score was then 20-14.

Bruce Guster scored for Chelsea on a 66-yard dive play, bringing the score to 26-14. The extra point from John Mann to Dan Bertke was good, raising Chelsea's lead to 28-14.

Bruce Guster came through for Chelsea again, on a 15-yard sweep, making the score 34-14. The extra point attempt was no good.

The next game for the Junior Varsity team is Thursday, Oct. 8, at 7 p.m., when the Bullpups meet Milan, at Milan.

10th ANNUAL P P & K WINNERS in the 11-, 12-, and 13-year-old competition display their spoils. They are, from left to right bottom row: Matt Heydlauff, Brian McGibney, Don Morrison, Robert Rosentreter, Robert Joseph, and Ronald Joseph. In the back are Glenn Weir, David Leach, and Lyle Christwell.

Monthly News

OCTOBER 1970

THIS IS TRY-A-LITTLE-HARDER MONTH!

Everyone should give themselves an extra push sometimes just to keep up with everything going on around them. This can be especially true when it comes to good health.

HAVE YOU PUT OFF THAT CHECK-UP?

This is a good time to schedule that physical exam; before the winter weather sets in. Odds are you are in good shape but your doctor may just be able to help you avoid extra trouble this season.

DO YOU FEEL THAT CAVITY?

We usually know it's there before the dentist finds it. Why not get it while it's still small and also make sure there are not a few cavities you don't know about. Even if there is nothing wrong a good cleaning by your dentist makes your mouth feel extra special.

ARE THOSE GLASSES STARTING TO SLIP?

When was the last time you had them checked? It might be time for new lenses and a new frame. You could even end up seeing a little better. It's worth it.

WE ARE TRYING HARDER ALSO!

We know that to keep our pharmacy healthy we have to stay on our toes. For our customers are discriminating. We promise to give you the best pharmacy service we possibly can.

The Cubs have had two Den meetings at the home of the Den Mother, Mrs. Atkinson, at Cavanaugh Lake. At the Sept. 29 meeting, the Cubs reviewed their summer Pack meetings and all the fun they had. At this same meeting, Brian Herrick was elected Denner, John Dreiman, Assistant Denner. Following a ball game outdoors, the meeting closed with a flag ceremony. TODAY'S THOUGHT By LOUIS BURGHARDT Some people say, "The church is always asking for money." Even if this was 100% true, the expression should be squelched because church people, places and purposes face a constantly growing need for money to carry on work that needs to be done. The world is topsy turvy enough as it is but stop and think how ghastly unlivable it would be without churches. This brings to mind the meaningful words of Peter Marshall, the revered former chaplain of the U. S. Senate— "Surely there is something wrong with our lives and standards of values, when we compare what we spend for amusements and what we give to the church. There are gifts made at a cost and some are willing to do without personal comforts in order to have a real part in the Kingdom of God. But there are others whose contributions are more casual and their gifts are more like tips; less than the annual dues in the club; less than the amount they spend on non-essentials." The thought may be worth thinking about... BURGHARDT FUNERAL HOME, 214 East Middle St., Chelsea, Mich. Phone GR 5-4141.

GAMBLES HEADQUARTERS FOR GUNS

Everything for HUNTING - but the game. Quality is the one characteristic, above all others, that Browning builds into a gun! BROWNING .22 Automatic Rifle. • Separates to a length of 19 inches in 3 seconds! • Weighs only 4 1/2 pounds! • Tough and rugged as they come!

FIRST BUCK REPORTED: William White, Sr., 234 Washington St., took an entire week to go deer hunting, since the bow and arrow deer season opened Oct. 1. On his first day out, White bagged his buck. The animal, which was killed near Fitchburg, was seen at approximately 6:30 p.m. Monday evening, Oct. 5. White, who has been hunting with a bow and arrow since 1951, explained that he preferred hunting with bow and arrow to hunting with a gun for two reasons. The first reason, he claims, is that it is more of a

challenge to get your animal with bow and arrow. Secondly, the countryside is prettier in October than it is in November, when gun season opens. This is the first time he had taken an entire week of vacation time to devote to deer hunting, claims the lucky hunter, and it is the first time he reached his limit in one day! Mrs. White, however, is delighted. For with no other vacation plans, her husband will now have to stay at home and work on the house!

Edwards Designs Oven That May Revolutionize Vinyl Siding Usage

Dare Edwards, 5450 Conway Rd., is a contractor. He works with vinyl siding, a material which he feels is superior to siding materials. Until recently, however, there was no way a contractor could do a complete vinyl siding job on a building, for the material comes in standard sizes that don't always match window sills, casings, or fascias.

About three years ago, Edwards, senior member of Edwards and Son, began working on an idea that materialized last March with a vinyl heating oven that may totally revolutionize the vinyl siding business. Trial and error produced an oven which will pre-heat vinyl sheets so that they may be sent and fabricated to fit the many intricate areas that make up a building. With this oven, Edwards can go around window sills and window casings. He can trim any area in vinyl, which previously had to be done in aluminum.

Patent has been applied for and is pending, Edwards announced. He is starting plans to mass-pro-

duce these ovens while certain vinyl siding firms have expressed an interest in his product. Edwards estimates that with his present equipment, he can produce close to 80 units a month.

Arson Suspected ... (Continued from page one) son was suspected. The smell of charcoal fluid was present in the areas of the house where the fire began.

Sgt. Kerr, fire inspector for the department, is still investigating the accident.

Frosh Grid Team Suffers First Defeat

Chelsea freshmen gridgers suffered their first loss of the season Tuesday night, Oct. 6, when they lost to Willow Run, 20 to 8. A spirited running attack and some key errors by the Frosh Bulldogs gave the young Flyers the first touchdown scored on Chelsea's frosh this year.

Willow Run's first touchdown came midway through the second quarter after a 50-yard run and a Chelsea fumble gave them the ball in Chelsea's six-yard line. They scored again before the half on an end sweep that marched through half the Chelsea team. The Flyers scored again early in the fourth quarter on a short run.

Chelsea's lone tally came with just 20 seconds remaining in the game. John Houle tossed a 30-yard TD pass to Dave Lauhon. Houle passed to Tim Treado to add the extra points.

There were a number of bright spots for the young Bulldogs. John Houle played another fine game at quarterback and John Tandy and Mary Guster showed some good running. Lauhon combined some good end play with some hard hitting from his defensive safety. John Beeman also played a good game at safety. The offensive line of Mike Murphy, Howard Haselschwardt, Keith Kargei, Bill Scott, and Jim Storey also showed improved pass blocking.

Coaches Bainton and Terpstra said that football games are won by hard hitting and few mistakes. Tuesday night Chelsea just was out hit, and made too many mistakes.

★ No One Second Best!

Football season is here, the pig-skin flies every week-end, taking off Friday and staying airborne until late Monday night. Throughout the five-month season, national concern will focus on who has the best team and the validity will come from complex rating systems in nation-wide polls.

Like football, but a team that plays a year-round season, is the "Agricultural Conference of America." And like football, agriculture does have its very own rating system. For instance, here are the recent yearly official statistical ratings of Michigan's "Top Ten" food product finishers and how they stacked up with all the 50 states in their field as released by the Michigan Department of Agriculture.

In the number one spot for the first time are blueberries along with dry edible beans (unchallenged for years), red tart cherries, eastern white winter wheat, cucumbers for pickles and hothouse rhubarb which is always an exciting contender.

On our 13 million acre Michigan field, the solid team effort coached by Michigan farmers, we can boast that no state crops finished second best.

In the third spot are apples, asparagus (fresh), carrots, celery, spearmint, strawberries and sweet cherries. Moving quickly now, corn (sweet of course), grapes and pears claimed fourth, while fifth went to cottage cheese, maple syrup and plums.

Michigan's 85,000 farms finish out the top 10 with sixth spot awarded to onions, peaches, peppermint and shiny red fresh tomatoes. In seventh place stands beet sugar, cauliflower, green peppers, ice cream, milk and snap beans (processing type.) in eighth is cantaloupe and processing tomatoes. Big number nine is lined up with cabbage, honey and ready to market fresh snap beans. Rounding out the big 10 is field corn and fresh slicer cucumbers.

Outside the elite 10 are head lettuce and potatoes in 11th, butter sliding into 12th position with American cheese close behind. Others are wheat in the 16th spot, followed by eggs and swine. Chicken claim the 18th position, one position after the eggs.

Brownie Troop Picks Up Litter On Roadside

On Wednesday, Sept. 30, Brownie Troop 247 had a pick-up picnic at Pierce Park. 21 brownies, two brothers, and a sister met at the park with large plastic garbage bags. They hiked along Old US-12, picking up litter along the road.

Katie Donkin found a pair of pants. Mrs. Villemure found a neck tie. Tracy Cattell found a shoe. Karen Blanchard found a shirt. Jamie Atkinson found a tire. Kelli Borton collected returnable bottles, and will put the money in the Brownie Gold Pot. There was much unsightly litter left from the floats in the Fair Parade.

While the picking-up was going on, Patti Hume and Lanie Meyer's mothers were roasting hot dogs for the hungry hikers. Alice Erke and Jeryl Herrick's mothers made salads. Kelli Borton and Susie Staffan served cupcakes for dessert.

Troop 247 meets at the Congregational church. Their leaders are Mrs. Tom Donkin, and Mrs. Matt Villemure. Troop Committee is Mrs. George Staffan, Mrs. Gerry Herrick, and Mrs. Fred Meyer. Mrs. David Atkinson is troop secretary.

Scout Council Appreciation Dinner Slated

Rolland Spaulding of 14210 Eisenber Dr., Chelsea, who serves as president of the Portage Trails Council, Boy Scouts of America, today announced that the council will hold its annual Appreciation Dinner at 6:30 p.m. on Oct. 24, at Bowen Field House, on the Eastern Michigan Campus.

Purpose of the yearly get-together of scouters is to recognize the achievement and dedication of the more than 2,000 unit leaders who serve the Washtenaw-Livingston county area. These leaders make it possible for more than 6,000 young men in the two-county area to enjoy the benefits of scouting. Each unit leader in attendance will receive a gift from Spaulding.

One of the highlights of the program will be the presentation of the Silver Beaver Award, scouting's highest adult award given for outstanding services to a local council award. Nominations for this award are being received by Eugene Calder, committee chairman.

This year's pot-luck dinner meeting is the farewell for the Council Scout Executive Clarence "Joe" Doud, who is retiring from scouting service after 36 years as a professional. Doud has been director of the local Council for the past seven years.

Hon. S. J. Elden, 15th District Judge, is general chairman of the Appreciation Dinner. He has announced the following committee: Col. In recognition of the importance of a sound curriculum for the Chelsea School System, the Master Agreement between the Chelsea Education Association and the Chelsea Board of Education provides for the establishment of a Curriculum Committee. This committee began functioning during the fall of 1969.
The Curriculum Committee's purpose is to study the desirability, feasibility, cost and alternate methods for implementing curriculum changes. Included in this are investigation of present practices, identification of needs and inadequacies, generation of new techniques and approaches and development of methods to evaluate innovations and findings.
The Curriculum Committee is comprised of 10 members. Six teachers are selected by the Chelsea Education Association. Two teachers and two principals are selected by the Board of Education. Current members of the committee are Don Young (chairman), Lois Moore (vice-chairman), Jim Bechtelheimer, Lyman Johnson, Charles Lane, Marian Rybo, Alice Steinbach, Lynn Williams, Sylvester Wojcicki and one member yet to be selected by the CEA.

Funds Sought To Aid Pickels With Hospital Bills

A few weeks ago a family from Pinckney suffered a great tragedy. The three-year-old and five-year-old sons of Mr. and Mrs. Jack Pickel were fatally burned while playing with matches in a tent. Three-year-old Mark (Buffy) died after one week, and five-year-old Danny died two weeks later.

Medical costs, incurred while the boys' lives were being fought for, are great. The cost of each child's hospital room, alone, was \$200 per day. Mrs. Pickel has required daily out-patient treatment of burns which she received while attempting to save her sons from the tent fire.

Theta Gamma Chapter of Beta Sigma Phi (an international service organization) is conducting a fund-raising drive for the Pickel family. The drive will run from Sept. 17 through Nov. 16. Any and all contributions—no matter what the size—will be gratefully accepted.

If your group, or any members of your group, would like to make a contribution, please send it to: Pickel Fund Drive, care of Ann Arbor Bank, Information Desk, 101 S. Main St., Ann Arbor.
