Bulldog Grid Machine Rolls Back Milan

The Chelsea Bulldogs turned back a tough Milan football team Friday evening by a score of 15 to 6.

Milan scored first when halfback Bill Patterson raced up the middle for a 50-yard touchdown run.

The try for extra point was blocked by Rick Wescott. Milan led 6-0 at the end of the quarter.

Chelsea's defense gave the Bulldogs their first break when middle guard Mitchell Heard broke through on the Milan quarterback.

Chelsea scored the only touchdown of the second half when they took over the ball on their own 43-yard line.

The Bulldog defense played a stand-out game, with Mitch Heard getting 14 tackles and Tom Harmon two pass interceptions.

At the zone competition of the Punt, Pass & Kick contest held Saturday, Oct. 10 at Ryerson Field in Ypsilanti, on the EMU campus.

Frosh Grid Team Posts Third Victory

Chelsea freshmen gridders traveled to Lincoln Tuesday, and came home with their third victory of the season.

Chelsea threatened early when Art Paul recovered a fumble on Lincoln's 30-yard line.

Lincoln fumbled after the kick-off and Chelsea had the ball again with less than two minutes remaining in the half.

Chelsea scored again in the fourth stanza after a sustained drive which featured strong running by Mike Nadeau, John Tandy, Dale Poertner, and Marv Guster.

Halloween Collection Set For UNICEF

The annual collection for the United Nations Children's Emergency Fund will take place from 3 to 4 p.m. Sunday, Oct. 25.

Chelsea children from the age of 6 to high school will come to local residents' homes to collect for the annual drive.

Containers will be distributed by the Chelsea churches on Sunday, Oct. 17. Anyone wishing to collect for UNICEF, but who is unable to obtain a container through a church, may also pick up a container at the McKune Memorial Library.

Last year, \$31,97 was collected which represented a 50 percent increase over the year before.

Mrs. Jerold Beaumont is the chairman of UNICEF in this area this year. Mrs. James Shadoan will be in charge of container distribution and publicity.

Young People Collecting Bottles For Glass Salvage

The Junior Pilgrim Fellowship of the First Congregational church will be collecting glass bottles on Monday, Oct. 19, to take to the glass collection center in Ann Arbor.

Mrs. Marvin Schiller, 314 Madison, is at University Hospital, Room 9 west, bed 41.

GIVE ENOUGH: Gary Albrecht, chairman of the 1970 United Fund campaign in Chelsea, stood in front of the empty red feather in front of the Post Office at the official start of the campaign and noted that 100% was where he expected the sign to be painted in before the drive closes.

JV Gridders Trample Over Milan, 26-20

Chelsea Junior Varsity gridders continued their 4-0 record Thursday night, Oct. 8, by defeating Milan by a score, 26-20.

The extra point was gained on a power play to Bruce Guster, making the score 8-0.

Chelsea started the second quarter with a score on a pass play from John Mann to Bruce Guster of eight yards, making the score 20-0.

Milan scored toward the end of the first half on an 11-yard fake pass play. Their try for extra point was not good, and the score at half-time was 20-6.

In the third quarter, Chelsea scored on the first play from scrimmage, as Bruce Guster went 75 yards on a dive play. The extra point attempt on a pass was not good and the score remained 26-6.

Milan rallied in the fourth quarter scoring again with 1 minute 20 seconds remaining in the game.

On the second play after Milan kicked-off, Chelsea fumbled and Milan picked up the ball and ran 50 yards for the final touchdown. The extra point attempt was not good, and the score was 26-20.

With only four seconds left on the clock, Milan tried an outside kicked 10 yards, and time ran out for them, bringing to a close an exciting final quarter.

For Chelsea, Bruce Guster had an outstanding game on offense. He gained 274 yards on the ground and 43 more on pass receptions for the game for a total of 317 yards.

Defensively the entire team did a fine job. Almost every member of the defensive unit had seven or more tackles.

Chelsea will return home after two weeks away with a game this Thursday, Oct. 15, against Lincoln High school at 7 p.m.

Novice Debate Team Wins First CHS Forensics Trophy

The first trophy ever won by a Chelsea debate team was taken home Saturday afternoon, Oct. 10, following an invitational meet at John F. Kennedy High school, in Taylor, at which 33 schools competed.

Twelve debaters from Chelsea, composing three teams, attended the event, according to the team's coach, William Coelius. This is the fourth season for Chelsea debaters, the first in which there are seniors on the team, Coelius commented.

On the winning team were Janice Schramm, Sue Stock, Marty Straub, and Mike Hergert. They competed against teams from Chelmsford, Taylor Center, Marshall, Royal Oak Kimble, Ann Arbor Huron High, and Waverly in Lansing.

Regional Meet For Teachers Slated at Beach

Teachers from Region Will Meet at Junior High Instead of Ann Arbor

In conjunction with a new policy in teacher conferences, Chelsea is hosting their own CEA teacher conference this year at Beach Junior High school, Wednesday, Oct. 21.

Until this year, regional meetings of teachers were held each year on MEA day, in Ann Arbor.

Last year, however, it was decided that schools should open their own schools for conferences and spend time on problems in education more immediate to a local teacher's needs.

Chelsea, in conjunction with this policy, will hold teacher conferences this year for CEA members, and any teachers from regional schools who wish to attend.

Spokesman for this year's event, Jim Thompson, Junior high school counselor, does not know how many teachers from surrounding area schools will attend Wednesday's convention.

Band Presents Show at Milan Football Game

The Chelsea High school band performed last Friday night, Oct. 9, at the half-time show for the Chelsea-Milan game. Their act was entitled "Another Chapter in the Life of Control's Number One Agent, Everybody's Favorite Spy, Maxwell Smath."

Steve Smith was Maxwell Smath, Connie Wireman played Eleanor Rigby, and Heather Brooks was 99. Dwight Bolanowski was the announcer.

Music featured in the show was the theme song from the popular movie "Goldfinger," and a variety of Beatle tunes which included "Eleanor Rigby," "Come Together," "When I'm 64," as well as the popular song "Ob-la-de Ob-la-da."

On Oct. 23, Homecoming, the band will do an extended pregame show featuring a dance to "Sweet Georgia Brown."

During half-time the queen candidates will be escorted onto the field, while the band will play selections in honor of the crowning of the new 1970-71 Chelsea Homecoming Queen.

lic schools, will address the teachers. She will speak on special activities in elementary levels in which a weekly activity period is established for children to study any skill, or subject that they wish.

At 10 a.m., Micheal Stillwagon, candidate for the House of Representatives from the second district, will address the teachers on his views on education. His opponent, Marvin Esch, has also been invited, but it will not be known until Friday, Oct. 16, if he can attend the session.

There will be a question period following the address for teachers. The remaining conference time will be spent on Department meetings, and rap sessions among the teachers.

Tentative plans have been made to hold the conference at Beach school, pending the situation with the boilers. Beach school has been promised heat by Oct. 19. If, however, there are delays, the teachers will convene elsewhere, most likely at Chelsea High school.

Aptitude Tests Set for College Bound Juniors

Preliminary Scholastic Aptitude Tests, or PSAT's as they are commonly known, will be administered at the Chelsea High school library, Tuesday morning, Oct. 20. The exam is for all college bound Juniors.

A PSAT is a very accurate measurement of a potential college student's behaviour. When administered in the junior year of high school, it not only indicates to a student how he can expect to perform on the SAT, or college board exams, but it gives the student exposure to the kind of test that he will be taking on the college boards. It also gives a student some indication of the kind of school he should consider, when considering his college choice.

Most colleges and universities require that a student take either the SAT or the ACT college board exam prior to admission. The PSAT, which is in effect, a mini-SAT, measures, like the SAT and ACT, a student's verbal and mathematical ability. The PSAT test (Continued on page six)

CHELSEA'S NOVICE DEBATERS, in competition for the first time, Saturday, Oct. 10, at John F. Kennedy High school in Taylor, walked off with the third-place trophy. Chelsea's valiant debaters are, from left, front row: Janice Schramm and Sue Stock; back row, Marty Straub, William Coelius, coach, and Mike Hergert.

Washington Report
by Congressman
MARVIN L. ESCH

Our national heritage of outstanding and beautiful national parks will be enhanced this year by the addition of the Sleeping Bear Dunes National Lakeshore in Michigan. After debate lasting 10 years, the House of Representatives has at last approved legislation adding this fantastic area of natural beauty and shoreline of Lake Michigan to the National Park System. The Senate is expected to take action on an identical proposal in the near future. A generation of interest in the environment, it is particularly important that we preserve this unique area for its ecological value. It contains over 60 miles of Lake Michigan shoreline. Lying on the great headlands of Lake Michigan, the ever-shifting winds have shaped a dynamic landscape of dunes. Also included in the park is the nation's largest northern white cedar virgin forest, and many other lovely quiet inland lakes, verdant meadows, and pine forests—all of which are of

inestimable value for future environmental study. Located near many of the nation's largest inland cities, this park is ideally suited to provide a place of relaxation and recreation for thousands of citizens. Under the unified planning and direction of the National Park Service, its heritage of beauty will be made available to all who come rather than the few who were fortunate enough to be able to buy property. At the same time, the unified planning of Park Service will provide full protection for the natural beauties of the area.

The proposal for a National Lakeshore at Sleeping Bear received the support of every Michigan Congressman and Senator in a rare showing of unanimity. This support was engendered not only serving this lovely area, but because of the importance of protection of the park, and unique protection which was built into the proposal for those who have made investments in the area. No previous bill creating a national park has been drawn so carefully to assure local property owners a fair deal and to provide full compensation for their investments. Through a close co-operation between the state government and federal officials, local communities will be protected from the loss of their tax base.

Dispute Continues

Legal hassles have a way of dragging over quite a few years. But the states of Michigan and Ohio may be settling a record of some sort with a dispute they are presenting to the United States Supreme Court. The dispute is 134 years old and involves 200 square miles of water and bottomlands of Lake Erie between Michigan and Ohio. Normally, the area wouldn't attract that much attention, but geologists say it is rich in deposits of gas and oil, and that has perked up interest in both states.

Voting Time

Despite the large influence which labor wields in Michigan, the state is one of a minority of states which have no legal requirement that workers be given time off to vote on election day. Many employers allow such time off and many contracts with unions call for it, but there is no legal requirement involved. This means Michigan is in a minority, since 30 of the 50 states require employers to give time off to vote. In 19 of those states, employers are barred from making a deduction from the worker's check for the time off, also. The polls will be open from 7 a.m. to 8 p.m. in Michigan as usual on election day. Those hours, as usual, will mean no liquor sales.

Roads Help

The State Highway Department says it deserves part of the credit for the drop in highway traffic

into Lake Erie to the Ontario border.

Michigan says, however, that the line follows the same direction out into the lake as it does between Ohio and Michigan until it hits the Ontario line.

A retired federal judge, Albert B. Maris of Philadelphia, has been appointed by the U. S. Supreme Court to hear arguments in the case and make a recommendation.

One of the programs involves

the removal of trees from along major routes. Cooper said a recent study by the department showed a one-year reduction in car-tree fatalities from 28 to eight in areas where roadside trees were removed.

Other programs aimed at

reducing highway accidents include: Placement of improved guard-rail or special median barriers in the center of divided highways to prevent cross-median accidents. Skid-proofing surface applications at locations of high accident percentage on wet pavements. Placement of safety devices in front of fixed objects near traffic lanes designed to collapse when struck and producing a softer impact and less damage.

He also said the department is

continually reducing the potential for rear-end collisions with the addition of passing lanes, turning lanes and provisions for left-turning vehicles at intersections.

Uncle Lew from Lima Says:

Dear Mister Editor:

Ed Doolittle got to talking afore all the fellers got settled at the country store Saturday night, and it was plain from the start that Ed was still worked up over Clem Webster's change the week afore that the republicans was making a bigger mess of everthing than the Democrats. Ed, that allus produces newspaper clippings for evidence to support all his issues that he thinks can stand supporting, waves a handful of evidence to show the plus side of the Republicans. Ed, fer a start, said the post office change had come about under Nixon, and he allowed if the corporation idee ain't better, it shore can't be worse. We got boys coming home from Vietnam, said Ed fer another instant, and it looks like Nixon was right about his Cambodie plan. Ed said he weren't prepared to debate inflation, cause in all his years of reading he never had come to understand overheated economies that cool too quick, or bears and bulls in the market, or why a feller that could get more credit than he could use one day can't borrow a dime the next. Furthermore, went on Ed, the differences between the two biggest political parties actual is our best hope. It might be like Bug Hookum said, that we got problems too big to handle, but it's fer shore, claimed Ed, that by keeping a sharp eye on one another, the two parties is giving the problems a look from all sides. This column writer said the

country is divided today as never afore, Ed reported, and even in the Civil War folks jest had to choose between two sides. Now we got so many angles to so many issues til the same feller might be your friend on one and your enemy on the next. Where can you find two Americans, ask Ed, that agree on how to get out of Vietnam, ways to fight inflation, what to do about student riots and dope pushers, birth control, air and water pollution? And if we ain't got enuff problems of our own, said Ed, the rest of the world drag us in on theirs. We got the Russians that say they will have enuff missiles by the end of the year to blow us up six times, and we worry cause we can kill all o' them only four times, allowed Ed. That bunch in the Middle East has been fighting before, during and since the good Lord walked around over there, went on Ed, but now the "U.S. imperialists" is sudden behind it all. Mister Editor, I'm shore I ain't put down much of what Ed covered during the session. The fellers never had any doubt, but they learned all over agin that when it comes filli-busting, Ed is the champ on offense and defense. He can pack a 30 minute talk into two hours anytime.

Yours truly, Uncle Lew.

Thursday, Oct. 20, 1966— Groundbreaking for the new Chelsea Medical Center is scheduled for Sunday, Oct. 23, at 4 p.m. Construction of the center, which is to be built on a 37-acre site in Chelsea adjacent to Pierce Park on South Main St., will begin immediately.

Phase one of the construction program includes three buildings—a pharmacy, a dental office building, and a medical office building. Completion date has been set for 270 days from the start of the construction.

Dedication of the new building of St. Paul United Church of Christ, 14600 E. US-12, is set for Sunday, Oct. 23. Two services and two guest speakers are scheduled for the event, which will also feature an open house for all the people of the community. The open house is scheduled to begin at 8:15 p.m.

Chelsea Community Chest kicked off its annual fund raising drive on Tuesday, Oct. 18, with the appearance of Chest officials at the Chamber of Commerce luncheon. Special emphasis will be placed on the industrial divisions of the drive this year. That division will be headed by Donald H. Neff, chairman, and Arden Musbach, co-chairman, of the drive.

Monday evening an ordinance was

passed "regulating the keeping, impounding, and disposal of dogs" and fixing the penalty for violation of the ordinance. The ordinance provides that dogs may not be permitted to run at large, that loud, frequent or habitual "barking, yelping, growling or howling" of dogs is prohibited, that dogs known to be of ugly disposition or dangerous to person or property may not be harbored, and that dogs must not be permitted to become a nuisance by trespassing on the property of others.

On Thursday, Nov. 1, the Chelsea Social Service, an incorporated non-profit organization, will open an office in the Village Council chambers in the Municipal Building with Mrs. Louis Ramp, a highly qualified social worker in charge. Chelsea Social Service is mainly supported by money from the Community Chest, gifts of new clothing from the Needlework Guild, and other gifts such as used garments, staple groceries, and money from individuals and clubs.

Chelsea Social Service has been developed over the past five years as a committee under the Woman's Club of Chelsea with volunteer help.

Thursday, Oct. 17, 1946— About 40 members of the Chelsea Businessmen's Association and several guests heard a discussion of the advantages resulting from a change from an incorporated village to a city form of government at a meeting held in the Municipal Building on Tuesday evening. Mayor Alvin Gross of Saline addressed the group and was enthusiastic in his endorsement of the city government under which Saline has operated for a number of years. Gross was a member of the village council at the time the change was made, and has served continuously since then as a member of the city council and now as mayor.

Thursday, Oct. 15, 1936— The United States Rubber Products Co., started to move tires into the Tower Building on N. Main St., last Friday, which they have leased for nine months from L. P. Vogel, and Conrad Lehman.

According to George Kendrick of Detroit, who has charge of the storage operations, the company expects to place from 75,000 to 100,000 tires in the building. The tires, which contain tubes, are made up for Chevrolet cars and will be kept in storage here until next spring when they will be shipped to Chevrolet branch factories. Shedd Products Co., which is said to be the largest independent dairy products concern of its kind in the state, is rushing plans for the opening of their milk receiving station on S. Main St., and expect to be taking milk at the location by the last of the week. New equipment is being installed in the building which was formerly used by the Wilson Dairy as a receiving station. Capacity of the receiving plant will be 75,000 pounds of milk a day.

Follow 7-Cent Rule In Buying Fresh Eggs

Follow the seven-cent rule when comparing prices between egg stores, says Maryann Meldrum, extension consumer marketing information agent in Kalamazoo. If a dozen is selling for less than seven cents over the next smaller size, the larger-sized eggs are the best value, Miss Meldrum explains. If the difference between the two sizes is more than seven cents, the smaller size is probably the best buy. Remember that eggs are graded either AA or A, she adds. Grade AA is top quality. Grade A is the next quality designation. When comparing prices, be sure also that you compare like grade—A against A, and AA against AA, Miss Meldrum cautions.

Beach Junior High Students Have Choice of 21 Clubs

On Tuesday, Oct. 6, the Beach Junior High school held its first activity period of the year. An activity period is a school period in which everyone in the school may go to a particular club. The period is a rotating period, never being held the same day, on the same hour. This year, the activity period will be a weekly affair, instead of bi-weekly, as it has been in the past.

There are 21 clubs at the Junior High school this year. They include the archery club, band, boys sports, chess club (advanced and beginning), conservation club, dramatics, French club, games club, girls sports, home economics club, horse lovers club, hunters safety club, industrial arts club, knitting club, journalism club, library club, poetry club, poster club, stillery, student council (by election), and yearbook staff (by selection).

Thursday, Oct. 8 was the day the students had their pictures taken. Every student's picture was taken for use in the yearbook. Those students who wished to keep their pictures had to pay for the pictures in advance, and those shots were taken in color.

Chelsea Products Credit Union Signs Group Auto Plan

An increasing number of Group Auto plans continue to make mass marketing news. Chelsea Products Employees Credit Union, located at 105 S. Main St., is the latest area organization to adopt a Group Auto plan through the facilities of Farm Bureau Insurance Group. The plan was initiated Sept. 24.

The 250 Chelsea Products Employees Credit Union members will receive auto plan benefits which are similar in concept to group health and group life programs. Increasing number and expense of auto accidents, coupled with a growing threat of collision with uninsured motorists have created a serious financial and social problem. Group Auto insurance which offers protection to all qualified drivers within an organization, is a big step toward eliminating financial crisis springing from auto accidents. Group rating and administration reduce individual insurance rates, including those for young drivers, while eliminating arbitrary cancellations by the insurer.

4-H Clubs

TERRIFIC TAILORS
 Terrific Tailors 4-H club met Oct. 3 at the home of Vicki and Tammy Downer. 4-H pledges were given. Each girl was asked to show her pattern and material. Then a program on zippers was given by leader Mrs. Donna Hughes.

A party for initiation purposes was planned, and a committee was set up to handle details.

The meeting was adjourned and refreshments were served by the hostess followed by recreation planned by the recreation committee.

The next meeting will be held at 1:30 p.m., Nov. 7 at the home of Janet Wackenhut.

TEACHER TOPICS

By James Hoffmeyer, Chairman Beach School Science Department

The eighth grade this year is using a new textbook, Making Health Decisions, as a basis for discussions for several weeks this fall. The subject matter falls into various categories which, in the hands of our eighth grade teachers, have been developed into a commendable series of weekly topics, complete with "specialists" in each area of study.

The students have already completed a study of communicable diseases with Miss Virginia Rust acting as "expert" in answering the students' questions. Miss Rust is the nurse for the Chelsea schools and was very well prepared to field sincere questions asked by the students. A movie on venereal disease was included in Miss Rust's program.

Another special week was on mental health. The mental health "experts" were Mrs. Susan Harding and James Thompson, Beach school counselors. Mrs. Harding is new to Chelsea this year, and Thompson is serving his second year counseling Chelsea's younger generation. These two people provided very good background knowledge in mental health. After the "experts" in each area had presented their programs to the students in large groups, the students had the opportunity to discuss these topics among themselves and with their classroom teachers during their normally scheduled science classes the following day or days. Some topics will probably continue for more than a week.

Another area of special concern in this year's plan concerns proper teen-age nutrition. The impetus for part of this discussion is being provided by Mrs. Joyce Siebert who is an instructor in the Weight Watchers Program.

The week following weight control emphasis, drugs will be the topic. I will be the "specialist" in this area, having attended in August, a two-week workshop on alcohol and narcotics education at Chautauque, N. Y. A movie will also be included entitled Narcotics: The Decision.

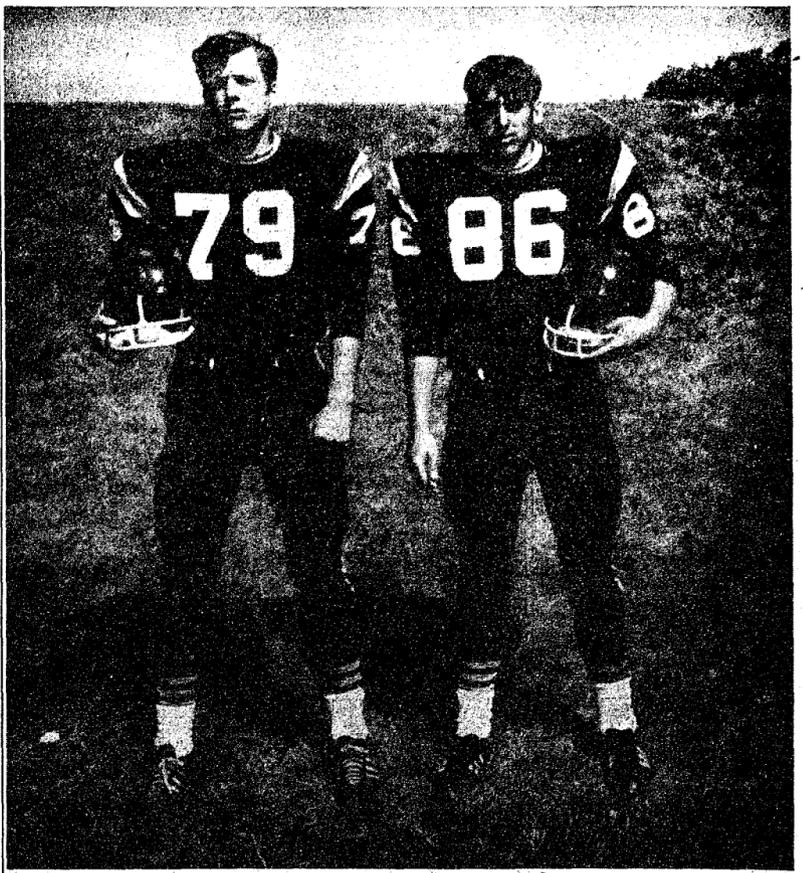

Dr. Michael Papo is helping to plan what will probably be the final week of this series. A field trip to the Chelsea Medicenter and Clinic is being planned, with each class being given a guided tour of the facility.

The eighth grade teachers who planned this series are Mrs. Carol Steiner, Mrs. Alice Steinbach and Pat Clarke. The curriculum will continue to include our established laboratory-centered approach for most of the remainder of the year.

On Oct. 9-10, three of our Beach school science staff attended the Great Lakes Regional Convention of the National Science Teacher Association at Grand Rapids. Purpose of such a meeting was to strengthen the teacher's knowledge and expertise in his subject. There were dozens of sectional meetings from which our teachers could choose. The conferences were considered so worthwhile, that our staff members decided in advance to stay on Saturday at their own expense, since they used up collectively on Friday our allowance of conference days. Those from our building who attended were Alice Steinbach, Carol Steiner, and Paul Simon. Lois Moore from South Elementary school also attended.

I would like to make the drug film (mentioned above) available for public viewing. There are many excellent films available on tobacco, alcohol, and finally in the past year or two, on other drugs. I have selected one which I feel will serve well in the eighth grade lessons, and which will serve equally well in informing adults about some of the problems of drugs. I have reserved the evening of Oct. 29 (Thursday) to show the film at the Beach School's Large Group Instruction Room at 8 p.m. If enough adults are interested in this, perhaps we can at that time begin to plan ahead for several weekly meetings devoted to a study of the "Drug Problem." If you think you would be interested, please mark the date, Oct. 29 on your calendar now!

Please send any correspondence to the CEA in care of P. O. Box 141, Chelsea.

MIKE GIFFIN, left, senior, is a newcomer to Chelsea, having moved here in the 10th grade from Ferndale. This is Mike's second year on the varsity team, although he played football in Ferndale. Mike is an offensive end, and defensive tackle for Chelsea. Other sports which Mike enjoys are water skiing, and water sports. His family has a summer cottage at Traverse City, where Mike spends most of the summer. He works most of his free time, when not at football practice or at school, at the Gallup-Silkworth Pump and Pantry as a gas station attendant. After high school, he would like to go to college, probably Washtenaw Community College, and then on to Michigan State. He plans to major in civil engineering. Mike lives at 19695 Old US-12 with his parents, Mr. and Mrs. Gerald Giffin, and his sisters, Chris,

HOWIE TREADO plays tight end and defensive end for Chelsea's team. A senior, he has played football for three years, this being the first year on the varsity team. An active sports enthusiast, Howie is co-captain of the basketball team, and is a member of the baseball team. He also belongs to the Varsity club, and the Ski club. After his education in Chelsea ends, Howie would like to go to college at either Central Michigan University, or Marquette University, where he will major in business administration. Howie lives at 129 South St., with his mother, Mrs. H. Treado, who is a librarian at the McKune Library, and his sisters, Reatha, Annie, and Kathleen, and one brother, Timmy.

Letters to the Editor

Dear Editor,

I would like to say a word in behalf of Homer and Margaret Kuhl who live on M-52 south of Chelsea and are threatened by the proposed installation of a livestock sales and auction yard by the Michigan Livestock Exchange.

Request has been made to the Sylvan Township Zoning Board for a conditional use permit in an A-1 Agricultural district. Most, if not all, of the houses in Sylvan Township located outside the Village of Chelsea are in a similar district zoning, therefore the matter is of concern to many.

It is unnecessary to mention the odors, noise, congestion and other undesirable consequences which will flow from this facility. People living in the vicinity of other Michigan Livestock facilities are practically unanimous in their indictment of the operation, as indicated by recordings, letters and pictures at the last Zoning Board meeting.

I am not a critic of progress and I am as appreciative as anyone of the desirability of improving the economic capability of the area. However, is the sacrifice of people inevitable? I think not and I refuse to believe that a better effort by the Michigan Livestock Exchange could not secure a site which would not be in the doorway (200 feet) of a well-kept home, but would remain in the Chelsea area. In any event I believe that Homer and Margaret Kuhl should be well compensated if they suffer damage.

Dollars are important but people are more important. Can't we have peaceful co-existence? Can't we preserve the quality of life? Can't we reaffirm the traditional American concept of individuality?

Let us save the Kuhls and perhaps we may, in the process, save ourselves.

Very truly yours,
 Donald Schoenberg.

To Mr. Clark,
 Thank you for providing us with information on why you wear the flag upside down. The sign of distress in your case is well taken, you do need help.

A Citizen.

CARD OF THANKS

We wish to extend our heartfelt thanks and appreciation for the many acts of kindness and messages of sympathy and beautiful flower arrangements from our kind friends and neighbors during the loss of our beloved husband and father. Especially thanks to the Rev. Clive Dickens, ladies of the Methodist church for the lovely meal after the funeral, Staffan Funeral Home, also doctors of the Chelsea Mediclinic. Mrs. John George Knoll Donald Knoll Janet Risner John, Jay, Robert and Ralph Talbot, Jr. 17

CARD OF THANKS

I would like to thank the Rev. Dickens, all my neighbors on Dewey Street, and all my friends for all the beautiful flowers, cards, and gifts during my recent stay in the hospital. Also for all the prayers that were said for me as I know these helped most of all. Words cannot say how much all everybody did for me means to me and my family. Thank you very much and may God bless you. Jean Wolfe. 17

IN MEMORIAM

In loving memory of my sister, Eva Withler, who passed away one year ago. A lonely heartache and a silent tear keeps her memory ever near. Sadly missed by Velma Wolfe. 17

THANK YOU

Glady Sharp would like to thank all her friends, relatives, for cards, flowers, and acts of kindness during her stay in the hospital with a recent heart attack. I want to thank all who visited me since I came home with flowers and gifts, and acts of kindness. 17

CARD OF THANKS

Thank you to our friends, neighbors, and relatives, for your prayers, sympathy, flowers, memorial fund, and all the help given us during the illness, and passing of our sister and aunt. Mr. and Mrs. William G. Eisemann Mr. and Mrs. Walter M. Zeeb and family. 17

Personal Notes

Mrs. Alvin Poor and Miss Flora Schieferstein were in Northville Sunday afternoon to attend an open house reception at the Presbyterian church honoring Dr. and Mrs. Wilbur Johnston on their 50th wedding anniversary. The Johnstons are the parents of Mrs. Poor's daughter-in-law, Mrs. Richard Poor of Flint. 17

Debaters...

(Continued from page one) Gaunt, Marty Straub, Anne McKernan, Bob Merster, Janice Schramm, and Mike Hergert, juniors. Lane, Pluck, Sawyer, Heydlauff, and McClain compose the varsity team.

Topic for this year's teams across the country is: Resolved that congress should establish, finance, and administer programs to control air and water pollution in the United States.

Four debaters from Chelsea attended summer institutes at local universities to prepare themselves for this topic. Chick Lane, Janice Schramm, and Patrick Pluck attended a summer institute conducted at EMU in Ypsilanti, while Cindy Sawyer attended an institute at the University of Toledo.

Chick Lane won a \$1,600 scholarship for his participation at EMU to count towards his tuition there, should he decide to attend that school following graduation.

The team has been busy preparing for this season since school started. Saturday, Sept. 19, they attended a clinic at Central Michigan University, Mt. Pleasant. On Sept. 25 they attended another clinic at Wayne State University, followed by a tournament. At that time, the varsity team went 2-2.

Chelsea will be debating in three leagues this year. The regular varsity state league will pit Chelsea debaters against Saline, Grosse Ile, Jefferson, Monroe Catholic Central, and Erie-Mason.

Southeastern Conference League, the league which Chelsea plays in athletic events, also has a debating league this year. It is open only to novice debaters, however, since it is new.

ABC League is a league for schools in the Jackson area. Chelsea will also participate in this league—open only to novice debaters.

Solicitors...

St. Paul Young People Seeking Jobs To Aid Spaulding For Children

Seventh graders from St. Paul United Church of Christ, members of the Junior Youth Fellowship, are offering their time and talents to do odd jobs with all proceeds going to Spaulding for Children.

The group's advisors, Mrs. Robert Koch and Miss Jean Walters, say that they have 16 eager youngsters who are looking for grass cutting, raking, snow shoveling, baby sitting, errands, or any odd job one may have.

Persons wishing the services of these young people are asked to call Mrs. Koch, 475-8780 or Miss Walters, 475-2880.

Sixth Grade Doings

Mrs. DeSmet's Classes In our Unified Studies classes we have been studying about environment. We have seen several movies about water, soil, climate and rainforests, and how different people live there.

We are also learning about maps. We know that a globe is better than a flat map because a flat map is not always very accurate. Latitude and longitude lines make it easy to look for places. We are finding places on maps that the Ann Arbor Federal Savings and Loan Association gave us. We are going to learn about map symbols and population maps. We are also going to make our own maps and use them.

Some days we go to the library. This is where we get books to read. Everyone likes to go because there are many good books. Mrs. Paulin, our librarian, helps us use the library.

Instead of recess this year we have a four-minute break. This is supposed to be time to change classes. We think of it as a kind of freedom when we can do different things. We can go see friends from other classes or get a drink or just simply walk around. But we have to get back to class before the bell rings. That isn't always so easy.

Another new thing this year is the P.A. PA means Public Address and is used to give announcements. Every morning Mr. Conklin tells us what is going to happen that day. This is very helpful. Our school is so big that the public address system makes it easier for the principal, teachers and students all to get the same announcements.

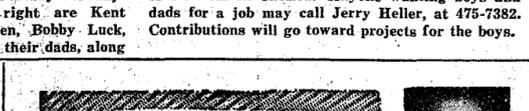

In our Unified Studies time we also have French. Our English and Geography teacher does not teach us French. We all go down to another class, Mrs. Cummings, our French teacher, lets us put on plays in French, and carry on conversations in front of the class. We have learned the names of the days of the week, the months of the year, the seasons and some colors. On Fridays we sing French songs and have puppet shows.

Last week we started having an activity period. The first Tuesday we could go to two clubs. There are a lot of clubs to pick from. We will learn to do new things and have lots of fun in our clubs.

Right now our school is very cold and very strange looking. It's all because the girls can wear slacks, but only until the boilers are fixed. For a couple of days last week it was warmer outside than in, but we didn't mind. The men are working very hard to get our boilers fixed before it gets colder.

The students at Beach school had their pictures taken last Thursday. All the students were dressed very nice. The pictures are for parents and for the year-book.

RENT-A-CUB-AND-DAD WEEK will run from Oct. 17 through Oct. 24. The event is sponsored by Pack 445, and they are ready for anything! Pictured from left to right are Kent Heller, Andy Pitzen, Mark Pitzen, Bobby Luck, and Kevin Heller. These boys and their dads, along with the boys from the rest of the Pack, will be "for rent" to do odd jobs around the house or farm or business in Chelsea. Anyone wanting boys and dads for a job may call Jerry Heller, at 475-7382. Contributions will go toward projects for the boys.

TODAY'S THOUGHT

By LOUIS BURGHARDT

Some people say love is blind. All of us often hear, "Good grief, what does he see in her?" Or, vice versa—

At an early age, a child is taught that God is love. As the child grows older, a mistaken understanding of the meaning of love takes place. During a confused adolescence, far-fetched wisecracks are sometimes heard that love is an itchy feeling you can't scratch. When the child matures to marriageable age, love is "found" — or so it is thought. The staggering divorce statistics reveal not only absence of love, the frightening figures reveal how little we know about love and what it is. Love need not, nor should it be undefinable or unfindable. Why? The answer is found in the same Book that has so many answers to so many other questions. Read it—

"Love is patient and kind; love is not jealous or boastful; it is not arrogant or rude. Love does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrong, but rejoices in the right. Love bears all things; believes all things, hopes all things, endures all things..." (I Corinthians 13:4-7) . . . BURGHARDT FUNERAL HOME, 214 East Middle St., Chelsea, Mich. Phone GR 5-4141.

DEATHS

Mrs. Floyd Allshouse Dies Sunday at Nursing Home After Brief Illness

Bertha A. Allshouse, 79, of 110 N. East St., died Sunday, Oct. 11 at Huron View Lodge, Ann Arbor. She had been ill for several months, and had entered the nursing home on Sept. 27.

Mrs. Allshouse was born Sept. 14, 1891 in Lenawee county, a daughter of Christian and Wilhelmina Tiede Berndt. She was married to Floyd Allshouse on Sept. 27, 1911. He preceded her in death on April 18, 1954. They came to the Chelsea area from Onsted in 1930.

Mrs. Allshouse was a member of the First Congregational Church of Chelsea, the Rebekah Lodge, Olive Chapter No. 108, Order of Eastern Star, Ladies Auxiliary of Rural Letter Carriers Association of Washtenaw county, and a life member of Pythian Sisters of Tipton.

Surviving are two sons, Robert Allshouse of Richmond, Ind., and Leo Allshouse of Grass Lake, two daughters, Mrs. Carl (Lillian) Sanderson of Chelsea and Mrs. Richard (Doris) Rymill of Detroit, 14 grandchildren and nine great-grandchildren. Also surviving is a brother, Fred Berndt of Adrian, several nieces and nephews. A son, George, preceded her in death in January of 1969.

Funeral services were held at 2 p.m. Wednesday, Oct. 14 at the Burghardt Funeral Home with the Rev. Daniel Kelin officiating. Burial followed in Oak Grove Cemetery. Memorial services by Chelsea Rebekah Lodge were held Tuesday at 7:30 p.m. at the funeral home.

Mrs. M. F. Armstrong Methodist Home Resident Dies Following Long Illness

Mrs. Matthew F. (Elizabeth D.) Armstrong, 81, a resident of the Chelsea Methodist Home since Feb. 12, 1960, died there Sunday, Oct. 11 after a long illness.

Mrs. Armstrong was born in Monticello, Fla., July 31, 1889, a daughter of John and Margaret Williams, Armstrong. She was married to Matthew Francis Armstrong Oct. 27, 1918. He preceded her in death in 1959.

Surviving is a son, Emmet D. Armstrong of Royal Oak, and a nephew, Sam F. Moore, Jr., of Columbus, Ga. Funeral services were held at 2 p.m. Tuesday, Oct. 13, in the Methodist Home Chapel with the Rev. Richard Clemens, chaplain of the home, officiating. Burial followed in Oak Grove Cemetery. Arrangements were made by the Burghardt Funeral Home.

Aptitude Tests Set for College Bound Juniors

(Continued from page one)

will encompass most of an entire morning, and is a fairly comprehensive exam. There is a charge for the exam of \$1.50. Students will receive their scores around Christmastime.

Chelsea High school will give this exam in the library. They have testing facilities for 100 students. All college bound juniors are urged to take this exam. Students may register for the exam at the main office desk at the high school, and at the same time, pick up their bulletin of information, which will give the student some idea of what kinds of questions he may expect on the test.

There is no alternate date for this test. Also, college bound seniors are urged to take the Michigan Competitive Scholarship exams, which is for any student who may anticipate financial difficulties when going to college.

This exam will be given only once this year in Chelsea. Testing date is set for Nov. 14. There is a registration fee of \$2 for this exam. Forms may be picked up in the counselor's office. There are many fine clauses—situations where a student may be eligible for financial assistance, which many students are unaware of, high school counselor George Bergman claims. He will receive any money, the student must take the exam first, as to a competitive scholarship.

Bergman also announced that Chelsea is once again a national testing center for the ACT, as well as the SAT exams, which will be administered to college-bound seniors. The next testing dates for these tests will be in December.

Cross Country Team Seeks Recognition

There is a new and exciting sport on the roster at Chelsea High school, despite the fact that it was left out when the school board passed out the money for athletic teams. Meeting as a club, with no hopes for "Varsity club" glory, the cross country team has diligently been practicing, and competing, in hopes of gaining status, and ultimately attaining "legitimate sport" level in the eyes of the school administration.

A grueling sport, cross country involves running over rough terrain, on different terrains at almost every meet. Unlike track, the sport involves one activity, one race. Everyone competes at the same time. Like track, winners are determined by the sum score of individual efforts. The first five men from each team are scored, their places added together, the team with the lowest number wins.

Chelsea's team this year, which is coached by volunteer Fred Elmore, history teacher at Chelsea High school, is composed of seven young men. They are George Cameron, senior, Dan Hoover, Jon Lantis, and Larry Jones, juniors and Chris Phinney and Tom Skittemhelm, sophomores.

In their four meets thus far this year, Chelsea has finished last three out of four times, and came in a close second in the most recent contest.

Running from the second week in school, Elmore admits is not the best preparation for long distance running, and hopes in future years to get the boys to work out earlier in the season.

Chelsea's most recent contest was Monday evening, Oct. 12, in a meet against Dexter at Dexter. Stockbridge also competed in that event.

Dexter, who had defeated Chelsea by one point the last time Chelsea ran against them, succeeded in defeating Chelsea once more—by one point.

Dave Buxton was in first place for Chelsea, finishing third in the race. George Cameron was second, placing fourth in the race. Dan Hoover, in seventh place was number three man for Chelsea, while Jon Lantis, in ninth place, finished fourth for Chelsea. Number five man, Chris Phinney, who made a great improvement, and really helped the Chelsea team in this contest, finished in 13th place in the race.

Final score for the day was Dexter 33, Chelsea 34, and Stockbridge 55.

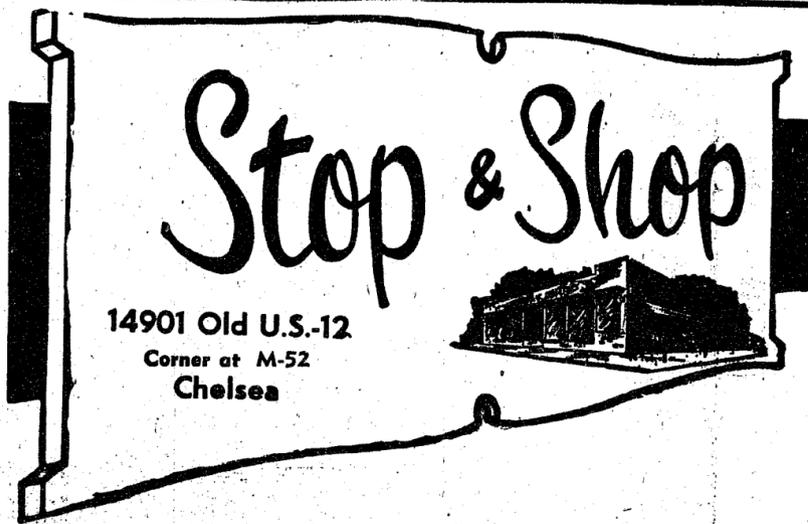

In earlier meets, Chelsea finished last every time. On Sept. 29, Chelsea, Stockbridge, and Dexter competed at Stockbridge, where Stockbridge came in first, Dexter second.

On Oct. 1, Chelsea traveled to Dexter to meet Dexter, Saline, and St. Thomas of Ann Arbor. St. Thomas won that meet by a wide margin, with Saline in second place. Dexter scraped by Chelsea by one point in that contest.

Saturday, Oct. 10, the team traveled to Albion to participate in the Albion Invitational track meet. Fifteen other teams were present for that event. Chelsea placed last.

The next meet for the harriers is Monday, Oct. 19, and it will be at Chelsea. Manchester and Dexter will compete in this event. This should be a very exciting meet, for Manchester defeated Dexter in their most recent competition by two points, while Dexter retains a narrow lead over Chelsea. The race starts at 4:30 in front of the pressbox on the football field. Chelsea residents are invited to come out and see the new team at the high school in what may be their first victory.

NORTH ELEMENTARY SCHOOL NOTES

THIRD GRADE—
Mrs. Edmonds, teacher
Our class is making a Halloween bulletin board. We are also making a pumpkin. Our room will look nice when we finish. In Social Studies we are learning about New York City. Different committees have been assigned to make a map of New York State. In science we are studying about the sun. Do you know the sun gives us two kinds of energy?

Carol brought a plant she started from seed. It was interesting to see how a plant starts from a seed. In our free time we have been writing rhymes and riddles. We hope you enjoy reading some of them:
1. I rhyme with brown, I am funny. Who am I? (Crown) David Morris.
2. I rhyme with kill. You slide on me. What am I? (Hill) Patty Hume.
3. I rhyme with hook. You read me. What am I? (Book) Linda Harat.

4. I rhyme with pop. You tell time with me. (Clock) Mary Beth.
5. I rhyme with punk. I'm black and white and smell. (I'm a skunk) Michael Benedict.
6. I rhyme with now. I give milk. (I'm a cow) Brad Knickerbocker.
7. I rhyme with jig. You wear me on your head. (I'm a wig) Paul Bradbury.

Miss Fawcett, teacher
Reporters: Kent Bollinger, Wally Soltysiak and Kent Keller
We have a library corner in our room. We made signs to help us remember how to behave in our library. There are shelves to keep our books on and we have a map of the World. We have a carpet to sit and read on when we have free time. A librarian is chosen every week and it's his job to keep our books in order. If anyone has any books that they do not use anymore we could sure use some more!

Mrs. Hire, teacher
Mrs. Hire's class wrote some riddles. Watch for the answers two weeks from now.
I rhyme with well, and I live in the water. What am I? by Janice Trachet.
I rhyme with soon, and I'm out of this world. What am I? by Dennis White.
I rhyme with dear, and I'm on your head. What am I? by Chris Check.
I rhyme with sing, and I'm a warbler. What am I? by Barbara Weator.
I rhyme with him, and people eat me. What am I? by Debby Cohnell.
I rhyme with Mike, and people ride me. What am I? by Bill Haworth.
I rhyme with can, and get it in the summer. What am I? by John Thornbury.

FOURTH GRADE—
Mrs. Hafer, teacher.
Scribes: Danny Grau and Janet Walz
Mrs. Hafer brought in a guinea pig and two gerbils. Mary Noah brought in her three rabbits, Chinchin, Happy and Collar.
David Cross, David Trinkle, Danny Grau, Jeff Eibler, Billy Moore and Steven Marriotti made a farm feed bulletin board.
Two of our reading groups made flags. Mr. Benedict and Mrs. Coltre judged. Janet Walz won first prize and Billy Moore was second. Honorable mentions: Mary Noah, Patty Faircloth and Darlene Payne.
Our class made a football ball on the bulletin board. The girls made cheerleaders and the boys made football players.
The beautification representatives are Danny Grau and Patty Faircloth. The alternate is Kelly Gaudet.
We had an unexpected fire drill today. No one rushed for the door.
We had our pictures taken last Monday, Oct. 5. We learned to play combs.
Janet Walz brought a cocoon and two caterpillars. We are looking for a luna caterpillar.
We have a new music teacher, Mrs. Veenkant. We are looking for signs of fall.

Mrs. Paplawsky, teacher
Reporter: Kelly Hill
Seven people are putting up a Halloween bulletin board. They are making trick-or-treaters and ghosts.
We have had two birthdays, Cathy Meyets and Cindy Bareis. Cindy brought in a treat.
We have a fall fashion table with a lot of pumpkins, gourds and plants. On our science table, we saw six caterpillars spin their cocoons. Cathy Meyer had a butterfly hatch.
We had our pictures taken Oct. 5. Everyone got a free comb and was scared to go.
In arithmetic we are learning our multiplication tables. Every day we drill and work problems. Six people can say their two's through nines. Everyone wants to learn how to say them all.
We are studying Alaska. The Indians and Eskimos lived alone for a long time. We saw a movie about Alaska. Eskimos make ice cream from whale blubber and blueberries.
We have a new boy in our room. His name is Mike Kroff and he came from Westland.
Mr. Schmunk, teacher
Reporters: Gayle Albrecht and Mary Ann Tompkins
We're learning about Alaska in our Social Studies, and we're learning about Eskimo's and their ways of living. But their favorite dish was blueberry ice cream, it was a mixture of snow blueberries and seal oil.
Kim Hopkins moved to Stockbridge last week.
We're studying the tables of threes and dividing in arithmetic. We had a fire drill Wednesday morning that we were not ready for.
What a commotion!

FIFTH GRADE—
Mrs. Crouch, teacher
Reporters: Gwen Cameron, Susie German and Jeanette Raney
In our classroom we have an aquarium. Some kids in our classroom brought some fish.

BOWLING NEWS

A GOOD CATCH, for a day's fishing! Al Gieske, 509 N. Main, Chelsea, and his son-in-law, Richard Neff, Dexter, display the Chinook Salmon they caught Saturday, Oct. 10, on the Muskegon River, three miles down river from Gorton Dam. The fish, which weighed well over 30 pounds total weight, ranged in size from about 35 to five pounds. From left to right, they are, 43" long, and 35 pounds, the next three averaged 36" long, and 25 pounds each, and the little fish were five to six pounds each. Gieske is the owner and operator of Gieske's radio shop in Chelsea. Neff, who is married to the former Sandy Gieske of Chelsea, has two children, and is employed by the Mallek's Service Station in Ann Arbor. The men have been fishing a number of times this past year, but this is the first big catch of the season for them.

Spiritual Crusade Starts Oct. 21 at Assembly of God

The Fall Spiritual Crusade at the First Assembly of God church, 14900 Old US-12, is scheduled for Oct. 21 to Nov. 1, except Monday and Saturday, according to the Rev. T. B. Thodeson, pastor.

Crusade evangelists are the Rev. and Mrs. Daniel DeKonty of Bellevue. Both are graduates of the church's denominational colleges and have pastored in the state.

The DeKontys are a young couple, so they have a considerable emphasis on youth. They have a musical program of vocal and instrumental music to co-ordinate their crusade messages.

The Rev. DeKonty will cover the basic topics: salvation, the Baptism in the Holy Spirit, Healing, and the Second Coming of Christ.

Services begin at 7 p.m. each evening. Services on Sunday begin with Sunday school at 9:45 a.m., morning worship at 11 a.m., and the evangelistic rally at 7 p.m.

TAXES AND PENSIONS

The Treasury Department has announced that elderly persons and others who receive taxable pensions or annuities will be able to arrange to have their Federal income taxes withheld beginning next year. The pension recipient will indicate, on the form, the amount he wishes withheld for taxes.

ENGAGED: Mr. and Mrs. Dean Hepburn of 717 W. Middle St., announce the engagement of their daughter, Carol Jean, to Jeffrey R. Boyd, son of Mr. and Mrs. Robert L. Boyd, of Durand. The bride-elect is a 1968 graduate of Chelsea High school. Her fiancé is a 1968 graduate of Owosso High school, and both are currently enrolled at Central Michigan University. A tentative August wedding is planned.

NEIL A. FRANK
Republican Candidate for Dexter Township Clerk

I believe that local government must be responsive to the needs of the people. As your Township Clerk I will establish regular scheduled office hours. I will maintain public records in such a manner that they will be available to the public, and will meet all aspects of the law.

To insure a better informed citizenry, I pledge that I will inform the residents of Dexter Township, through community newspapers, of the actions of your board.

As a member of the Township Board, in addition to the required administrative duties, I will bring my administrative experience, intelligence and dedicated concern to the solution of our problems.

For dedicated leadership with a proven record of successful achievement—

Phoebe Circle Hosts WSCS

The Women's Society of Christian Service met in the social center of the First United Methodist church on Oct. 7, with a luncheon hosted by the Phoebe Circle members. The tables were decorated with many interesting far-eastern articles provided by Mrs. Ben Donaldson as mementoes of her tour of these countries which she took this past summer.

During the business meeting, presided over by Mrs. Arthur Schunk, the following recommendations from the executive board of the Women's Society were read, discussed and approved by the members. They included revision of the Sunshine chairman rules, a continuance of the Circle Companion visitation program revamped by membership chairman Mrs. Ray Schaefer and her committee, and the updating of wedding reception procedures under the direction of Mrs. Robert Daniels.

Announcements were made by Mrs. James Hoffmeyer regarding the placing of orders for Christmas UNICEF cards. She also reported that Spaulding for Children have placed approximately 70 children since its inception.

Mrs. V. O. Johnson spoke on the progress of the newly-formed Tuesday prayer group currently studying "The Will of God" by Leslie Weatherhead. Anyone wishing to attend these meetings is welcome. Mrs. Johnson also advised the group that a proclamation by President Nixon has set aside the day of Oct. 21 as a National Day of Prayer. As most Methodist Churches will be meeting that day, it was suggested that remembrance of the proclamation be observed.

A senate hearing under the auspices of Senator Gilbert Bursley will be conducted Oct. 15 at the Rackham Memorial Building in Ann Arbor. Purpose of the hearing will be to receive testimony and reports on the ecology problems and on population control. All interested members are urged to attend this vital session.

Mrs. Ben Donaldson announced that World Community Day, sponsored by Church Women United, will be held this year in the First United Methodist church on Nov. 6, from 1 p.m. to 3 p.m. The Congregational church women will provide the program. Gift certificates for needy children, a project of this group, will be available from all circle chairmen.

The Christmas bazaar and luncheon to be held Nov. 5 at the church was announced. Hours for this event will be from 10 a.m. to 5 p.m., with a luncheon being served from 11 a.m. to 1 p.m. Many circles are holding work bees for this bazaar. Advance sale of tickets, will be necessary for the smorgasbord luncheon.

A pledge service program held in the narthex, entitled "Rising Resources," was given under the direction of Mrs. Gilford Johnson. A skit was performed by Mrs. James Hoffmeyer, Mrs. Calvin Summers, Mrs. V. O. Johnson, Mrs. Ed Lewis and Mrs. David Luick.

The Nov. 4 program will be led by Mrs. Thomas Slater and is called: "Reality of Scripture." Recognition of new members will be observed. A pot-luck luncheon will be served with Ruth Circle members as hostesses.

HEALTH CARE

Senator Edward M. Kennedy has introduced legislation to create a comprehensive national health insurance program, with benefits effective in mid-1973. The program would cover all citizens, without individual limit, over the entire range of health services except for certain nursing, home care, mental and dental treatment and some medicines and equipment.

District Court Proceedings

In the 14th District Court this past week, Sarah Duvall, Jackson, pled guilty to speeding 45 mph in a 25 mph zone. She paid \$30 fine and costs.

Elmo Potts, Jackson, was sentenced for possession of drugs. He paid \$100 fine and costs.

Wanda Mae Visal, Ann Arbor, pled guilty to failing to stop for school bus. She paid \$50 fine and costs.

Emerson Ehnis, Ann Arbor, pled guilty to making a u-turn. He paid \$15 fine and costs.

Edwin Egeler, Dexter, pled guilty to careless driving. He paid \$50 fine and costs.

Janet Burn, Dexter, faced examination of a charge of writing a no account check. She was bound over to Circuit Court. Trial was set for Nov. 6.

Fred Worden, Clinton, pled guilty to careless driving, and failure to report a property damage accident. He paid \$35 fine and costs for count one, and \$15 fine and costs on the second count.

Richard Lee Connolly, Birmingham, pled guilty to driving on a revoked license. He paid \$50 fine and costs, and must spend five days on the Dexter work program.

Patrick Riley, Orchard Lake, pled guilty to reckless driving. He paid \$75 fine and costs, or spend 5 days in jail.

David Kolodziej, Westland, was sentenced for assault and battery. He paid \$50 fine and costs, and is on six months probation.

Douglas Vandenburg, Westland, was sentenced for assault and battery. He paid \$50 fine and costs, and was placed on six months probation.

Michael Lucas, Saline, was arraigned on two counts. He pled guilty to speeding 60 mph in a 30 mph zone, and to unlawfully transporting a .22 rifle. He paid \$50 fine and costs for each count, or spend five days in jail, on each count.

Hugh Quinn, Westland, pled guilty to gun violation. He paid \$21 fine and costs.

METHODIST HOME VOLUNTEERS: Dr. J. V. Fisher at the Chelsea Methodist Home, Thursday, Oct. 8, where he addressed more than 20 volunteers at the first meeting of the volunteer program at the Home. His topic was "Understanding Older Adults".

Volunteers Hear Dr. Fisher Speak at Methodist Home

A number of persons from Chelsea and nearby communities attended the first volunteers meeting of the fall at Chelsea United Methodist Home last Thursday.

Dr. J. V. Fisher, one of the Home doctors for many years, spoke on "Understanding Older Adults." He commented on the wrong attitudes toward aging currently held in our society. He also listed some of the prevalent physical and mental problems facing many older persons.

Following the talk by Dr. Fisher, the Rev. R. L. Clemans and Mrs. V. O. Johnson led a discussion on needed services in which volunteers could assist and help add a needed dimension to the lives of people in the Home, especially those in the Health Care Center. Among these services are visitation, reading and writing letters with individual persons; taking patients on walks and wheel-chair rides; and assisting with group programs of crafts, recreation, music and singing.

Band Boosters Will Sell Candy Bars, Fruit Cakes

The annual fruit cake and candy bar sale will get underway this Friday, Oct. 16, by the Chelsea school bands. This will be the 15th consecutive year that the Chelsea bands have sold these products to the public as a money-making project.

Mothers of students of each grade will distribute candy bars, collect money from students, tabulate sales and follow up on distribution and collection of these two products. It is important that parents of all band students make certain that fruit cake orders are correctly filled out and that the amount of money due from these sales is the correct amount.

Students will be informed by the volunteer mothers when orders and money should be turned in. Chelsea Band Boosters club uses the money obtained from this sale for financing the various "extras" that the band undertakes each year. The major portion of the money goes to pay one-half the cost of each student, and the full cost of counselors, for the week the band spends at band camp every August. The Band Booster bill for band camp this past year was close to \$3,000.

There are approximately 450 members of the Chelsea bands in grades 6 through 12.

Barber shops in Washtenaw county, members of the Washtenaw County Barbers' Union, Local No. 589, are selling Trick or treat Candy again as a memorial to the late Melvin "Red" Lamb of Manchester. Proceeds from the candy will go to the Kidney Foundation of Michigan to provide life-saving drugs for kidney patients.

Lamb, a former member of the Union, had both kidneys removed in May, 1966, and underwent a kidney transplant in December of that year. During his long illness, he also made use of the artificial kidney machine, which removes waste products from the body when the kidneys fail. His illness dated back to childhood and became acute in late 1965. He was employed at Sam's Barber Shop in Chelsea prior to his illness, and died in May, 1969.

As a memorial to Lamb, barbers in the area will sell hand-puppets filled with candy for Halloween. Last year Local 689 sold more than one ton of candy and turned in a total of \$2,064.36. This donation supplied the drug needs of 20 nephrotic children or two transplant patients for the last year.

The Kidney Foundation of Michigan, a United Fund Agency, has its state headquarters at 3378 Washtenaw Ave., Ann Arbor.

SAFER SCHOOL BUSES
The National Transportation Safety Board reports inadequate construction of most school buses unnecessarily endangers children's lives. The board said the use of too few rivets, bolts screws and welds causes school-bus bodies to disintegrate in crashes, contributing to injuries and deaths. There were some 39,000 school bus accidents in 1969 that killed 30 children, according to a rough estimate.

Dana Corp. Board Declares Dividends
The Board of Directors of Dana Corp. on Oct. 8 declared a dividend of 3 1/4 cents per share on the common stock payable Dec. 15, 1970, to stockholders of record Dec. 1, 1970, and a quarterly dividend of 93 3/4 cents per share on the cumulative preference stock 3 3/4 percent Series A, payable Jan. 15, 1971, to stockholders of record Jan. 2, 1971.

THE LUV MACHINE

A GAS DRYER

GENTLY CARESSES PERMANENT PRESSES

It's love, pure and simple, the first time you use The Luv Machine, a Gas dryer. And why not? A Gas dryer is so good to clothes. Leaves them soft, fresh-smelling. In fact, a special setting gently caresses permanent press things so they don't need any ironing. And there's the way a Gas dryer saves money. Dries five loads of clothes for the price of one load in an electric dryer. Does a load up to 10 minutes faster, besides. Buy a Gas dryer at your appliance dealer's or Michigan Consolidated showrooms. You'll love everything about it.

Mrs. Richard G. Pinney

Joan Weinkauf, Richard Pinney Are Wed at St. Mary Church

Miss Joan J. Weinkauf, daughter of Mr. and Mrs. Earl C. Weinkauf, 321 South St., became the bride of Richard G. Pinney, of Saginaw, son of Dr. Lewis C. Pinney of Saginaw, and Mrs. Woodrow Fitzpatrick, West Branch, Saturday, Oct. 10, at St. Mary Catholic church. The Rev. Fr. Francis B. Wahowiak officiated at the nuptial mass.

The bride was given in marriage by her father, Earl C. Weinkauf. She wore a floor-length colonial style gown of white silk taffeta that was worn by her sister, Mrs. Oscar E. Baris, Jr., when she was married, and a finger-tip veil. She carried a handkerchief that belonged to her grandmother. Her bouquet of white flowers was a surprise from her future husband.

Mrs. Charles Oates, sister of the bride, was matron of honor. She was dressed in a royal blue velvet dress with small stand-up collar, and carried a bouquet of yellow pom-pom mums.

Mrs. Orland Hale, formerly Susan Lounsbury of Chelsea, assisted as bridesmaid. Her dress was royal blue velvet with round neckline. Her flowers were identical to those of the maid of honor's.

TIPS for your TOP from

TODDY and FRAN

If there's anything much more discouraging than getting your hair done and having it "blown to pieces" before you get to "use it" . . . well, maybe it's making an appointment and getting caught in traffic, parking blocks away, running in the wind and rain to get to the shop and finding you're so late, the next appointment is already at the shampoo table. At our salon you avoid all this. Drive in pleasant non-traffic-congested peace to the shop outside Ann Arbor, park with ease in our lot adjacent, and after you're "beautified," slip to your car even in wind and rain so quickly no harm is done. If you haven't found out how easy it is to patronize us, won't you take a chance and let us prove it?

The bride is the daughter of Mr. and Mrs. Wilmer Wesse of Wayland. The bridegroom is the son of Mr. and Mrs. Albert Genovese, 249 Park St.

Dan Eversole was soloist at the wedding. He sang "They'll Know We Are Christians By Our Love." Marlyns Cole was organist. She played "Trumpet Voluntary" by Clarke processional for the bride.

For her wedding, the bride wore a blouse of sheer luminare, covered by a jumper of ivory velvet that was floor length and gathered at the sides and back. Her veil, which was tulle, was edged with lace. It also was floor-length, and was attached to a

headpiece of white daisy mums, that matched her bouquet, a cascade of white daisy mums and yellow sweetheart roses.

Miss Georgia Richardson, Oklahoma City, Okla., was maid of honor. She was dressed in a blouse of sheer luminare, which was covered with a jumper of moss green velvet in the same style of the bride's. Her headpiece was moss green, with tulle. She carried a bouquet of yellow daisy mums with gold ribbon.

The bride's mother chose a pale blue shantung with short sleeves, and flowers appliqued down the left side. She wore a corsage of white mums and sweetheart roses.

The bridegroom's mother was attired in pale gold shantung with embroidered collar and neckline. Her corsage was white mums and yellow sweetheart roses.

Jay Hanke of Jerusalem Rd., was best man. George Katulla of Ypsilanti, brother-in-law of the bridegroom, and David Bowman of Ann Arbor, ushered.

A reception was held following the ceremony at the Chelsea Rod and Gun Club, assisted by friends of the couple.

The new Mr. and Mrs. Danforth will live in Ann Arbor.

The bride is a 1970 graduate of EMU. She has a BS degree in biology, and is a member of ADAHI, Senior Women's Honorary Society. She plans to return to EMU in the spring for graduate work.

The bridegroom is a 1970 EMU graduate in chemistry. He is employed by Genovese's Inc., and serves in the U.S. Army Reserve.

John M. Bryson, Belleville, 36, paid \$21 fine and costs for carrying a firearm without a hunting license.

Dale J. Heilmann, Saline, 22, pled guilty to late shooting of ducks. He paid \$21 for late shooting, and \$5 for the duck he killed after hours.

Hugh E. Quinn, 33, Westland, pled guilty to having a gun capable of holding more than three shells when hunting waterfowl. He paid \$21 fine and costs.

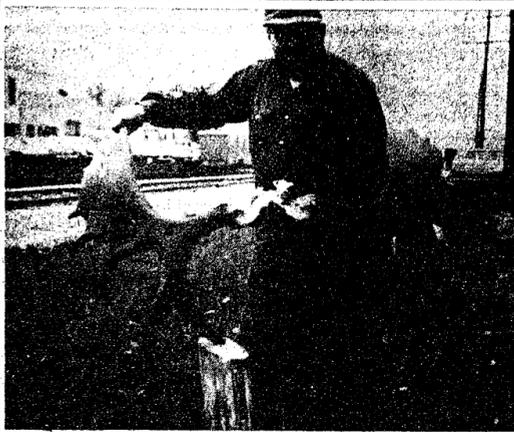

Charles Landers, 31, Whitmore Lake, paid \$15 fine and costs for operating a four-wheel drive ATV off roads in the Waterloo Recreation Area.

Michael A. Lucas, Orchard St., 22, pled guilty to having a loaded gun in his pick-up. He was also wanted on a speeding violation in 1969 which he failed to pay. His conservation violation dates from Sept. 16.

Lucas was arrested by Chelsea police officer Peebles at the Wolverine Bar early Saturday morning. He spent two days in jail for his violations.

EASTER LILY BLOOMS

Mrs. William Aldrich 221 E. Middle St., has a blooming Easter Lily! The plant, which was given to her at Easter, was placed out in her garden this summer. Her son, Donald, watered the "corn stalk" all summer, and was finally rewarded this week with blooms. Mrs. Aldrich claims to have done this in the past with plants given her at Eastertime. She says they generally don't bloom again.

OLIN SIEGRIST, 242 E. Middle St. displays the rack from the 1,100-pound bull moose he shot Saturday, Oct. 10 on a hunting trip into Canada. Siegrist, who was accompanied on the trip by three other hunters from Parma, Michigan Center and Ohio, flew into their camp, which was 75 miles north of Armstrong, Ontario. The moose was shot from a canoe on Lake Nipigon, one and one-half hours out of camp on Saturday morning, the first day of the season. The rack measured 50 1/2" when checked at the Canadian border. Siegrist and his companions left Oct. 3 for the trip, returning Monday evening, Oct. 12. This is his third trip hunting moose. Last year, he killed a cow moose.

Reports Record High in Sales

Record breaking sales and earnings for Dana Corp., for the fiscal year ended Aug. 31, have been announced by Chairman John E. Martin.

Sales totaled \$668,000,000 compared with \$659,000,000 for the previous year. This was the ninth consecutive year that Dana sales have set records.

The accounts of the Michigan Wheel Co., acquired by Dana during the year, are consolidated for the first time in this report.

Earnings from operations also reached an all-time high of \$35,100,000 or \$2.60 per share. This compares to the previous year's \$34,200,000 or \$2.50 per share.

Martin further stated that sales and earnings for Dana's first fiscal quarter ending Nov. 30, will be adversely affected by the General Motors strike.

The problem of any problem is to find the facts.
