Bulldog Gridders Win Third Consecutive League Championship

Preparing Now for Battle Against Arch-Rival Dexter

Chelsea Bulldogs downed a tough Hornet team Friday evening, Oct. 30, 20-6, to clinch the Southeastern Conference Championship for the third successive season. The ball game started out a defensive battle, with both teams hitting low and hard. Saline was the first team to break open, when they recovered a fumble on Chelsea's 40-yard line. Chelsea reciprocated when Mark Collins intercepted a Saline pass on Chelsea's 37-yard line. At that time, the offense started to roll. Larry Gorton, Tim Ortbring, and Mark Collins, took turns running for good yardage. The drive bogged down on the Saline 24-yard line. Wayne Walton dropped back and threw a touchdown pass to Tom Lukasiak for the first score of the night. The Bulldogs went for the two-point conversion, and failed. Chelsea then led by a score of 6-0. Saline came right back with a drive to attempt a score. They got to the Chelsea seven-yard line, with a first down and goal to go, when the Bulldogs dug in and held for three downs. They stopped Saline's fullback twice for no gain, and Saline's quarterback twice for a net three-yard gain. On the last down, Jack McClear and Tom Lukasiak made key tackles, tackling the quarterback to stop Saline's threat. Saline scored later and tied the game in the third quarter. Bulldogs came right back to drive 60 yards, with ball control offense. Larry Gorton ran a 13-yard key play on the third down with 10 to go. From that point, the Bulldogs bucked over with Gorton going the final one yard. Tim Ortbring kicked the extra point, and the score was Chelsea 13, Saline 6. Final touchdown was a carbon copy of the last one, as the Bulldogs covered 54 yards in 10 plays. Larry Gorton went the final yard,

and Ortbring kicked the extra point. Both offense and defense units played well. Blocking was by Tom McKernan, Duane Bycraft, Tom Harmon, and Howard Treado who led the offensive unit. Gorton gained a total of 115 yards, Ortbring, 40 yards, Mark Collins and Bob Salyer ran 40 and seven yards, respectively. Quarterback Wayne Walton completed three of five passes for a total of 57 yards. Defensively, Mitch Heard again had a good game, recovering a fumble and making eight tackles. Randy Seitz and Mike Powers each had seven tackles. Seitz also recovered a fumble. Defensive ends Jeff Hughes and Tom Lixey, along with linebacker Rick Westcott and Jeff Bust, contained Saline's track-style running backs. Safety Jack McClear and Halfback Tom Lukasiak did a fine job against Saline's passing game. Chelsea plays Dexter in its final league game at Chelsea Friday night, Nov. 6. Dexter sports a fine 4-2-1 record, and is generally considered a tough team.

Junior High Gridders Post Perfect Record

Chelsea Junior high football squad closed out their season Wednesday, Nov. 4, by defeating Lincoln, by a score of 27-0. This gives Chelsea a 5-0 record for the year, and marks the fifth year out of the last six that the junior high squads have gone undefeated. Over this period, the record has been 26 wins, and one loss. This year's game scores have been: Chelsea 20, Milan 8; Chelsea 22, Dundee 12; Chelsea 20, Dundee 11; Chelsea 6, Saline 0; Chelsea 27, Lincoln 0. This year, 100 boys reported. Annual World Community Day Set Friday

1970 has been designated by the United Nations as International Education year. In every country there are people who are still denied adequate education, and are thus forced out of the mainstream of modern life. Frustrated dreams and unfulfilled hopes become explosive. The past few years have seen disturbances at every level of education. Peace can never be realized until injustices are set right. Theme for this year's World Community Day is "A Key for Tomorrow: Education." Services for the day will be held at the United Methodist Church of Chelsea at 1 p.m. on Nov. 6. Women of the Congregational United Church of Christ will present the program. There will be a nursery provided, and a coffee hour will proceed directly following the service. Combined offerings of all the World Community Day services will be contributed to International Mission, part of which maintains a program of volunteers in adult basic education, Christian Causeways, and the program and presence of church women at the Church Center of the United Nations. This year, the goal has been enlarged to help with the continuing education of women in Kenya, by supporting a school for those who have never had an opportunity for education. Speaker at the church services in Chelsea will be a representative of the Washtenaw Intermediate School District, who will speak on the Head Start program in Chelsea. All church women of Chelsea are invited to participate in this service.

CONGRESSMAN MARVIN ESCH addressed America. He is shown, following the session, with Chelsea Kiwanians Monday evening. Esch spoke on Kiwanians William Rademacher, left, and program chairman Louis Burghardt.

Cong. Esch Addresses Kiwanians

Congressman Marvin Esch addressed Chelsea Kiwanians at their regular meeting Nov. 2, at the Congregational church. Esch related some of the accomplishments of the United States in its efforts to "Vietnamize" the war. Newspapers and television accounts are sadly lacking information, which the Congressman saw himself on his tour of the war area last spring. Examples which the Congressman related concerning letting the South Vietnamese help themselves involved economic backing for schools, projects, gifts to individual families, and other tangible evidences that Americans care. The Congressman emphasized that he has supported deescalation of the war, and gradual withdrawal of American troops, except for occupation forces, so that the South Vietnamese are not left to fend completely for themselves. The speaker also provided a question and answer period at the conclusion of his remarks, to enable the listeners to participate. These included questions about the recent confrontations of public figures by young people who want immediate solutions to problems facing the country. Louis Burghardt, program chairman and second vice-president of the club, introduced Esch.

Halloween Party Draws 800 Children

Rain, and a change in date did not detract from this year's Halloween festivities, Dr. Richard Borton, chairman of the Kiwanis-sponsored activities commented. More than 800 children attended the event which was held Thursday evening, Oct. 29. The activities started on time, with no unpleasant incidents, Borton reported. Those who were awarded prizes for costumes in the event were Chris, Nancy, and Susan Ford, who were in first place with the most original costumes. Debbie Gorman was in second place, and Susan Marie Cobb received third-place honors. Spookiest costume award was given to Jon Oesterle, while Kimberly Boyd and Mark McMullin were second and third, respectively. Cindy Pierce won the prize for the funniest costume, while Todd Weber and Joe Ewald won second place for their "team" costume. Cristie Centell was in third place. Carla Dawn was the over-all grand prize winner, while Becky Kraaj was runner-up. Judges of this year's event were Peter Flintoff, Louis Burghardt, and V. O. Johnson.

Chest Fund Nears Goal At 88 Percent

Chelsea's Community Fund drive, which officially ended Oct. 31, reports that 88 percent of the Chest goal has been reached to date. Approximately \$22,457 has been collected thus far, with the remaining monies still trickling in, Chest officials report. Breakdowns by the separate divisions are as follows: In the Chelsea schools, collections, which were headed by James Hoffmeyer, \$1,131 was collected. Industrial solicitations jumped to \$16,075, according to Chairman Calvin Summers, Jr. Robert Thornton, who was the head of the rural solicitations, reported \$500 collected. Among Chelsea's professionals, Wallace Wood, and his committee, collected \$1,200. Mrs. Jon Schaffner, chairman of the committee to contact local clubs and organizations, claims \$187 collected. Mrs. Basil Greenleaf, who headed the massive residential campaign reports that \$1,806 was donated. Residential area collected an amount which exceeds the totals of the past years. Mrs. Greenleaf and her solicitors, showed a substantial gain. Residents of Washington St. contributed the largest amount of any of the town areas this year. Contributions are still being accepted—to bring the 1971 drive to its goal. With 12 percent of the goal unmet at the end of the campaign, there is still work that must be done by Community Chest officials. Contributions may be sent to the Chelsea Community Chest, Box 176.

New Boutique Opening Here Next Monday

A new shop in town, a woman's specialty boutique, called the Tailfeather Boutique, will open its doors Nov. 9. The shop which is owned and operated by Patrice Dittmar, is located in the former Knights of Columbus Hall at 105 N. Main St. Grand opening celebration will be Saturday, Nov. 14, Mrs. Dittmar announced. Boutique, which comes from the French word for small shop, customarily refers to a small shop that deals in luxury and specialty goods. Mrs. Dittmar indicates that her business will deal in such articles as imported items, gourmet kitchenware, yarns, candles, including beeswax candles, and unusual wicker baskets. She will feature wine racks, wine cookbooks, and accessories for cooking with wine. She will also have such art items as hooked rugs, ceramics, and original art. Mrs. Dittmar, former home economist at the Chelsea Milling Co., is a Chelsea resident. She is originally from the Dexter area. Her husband, Thomas, is originally from Westland. He is employed by the Washtenaw County Road Commission. The Dittmars live at 206 North St.

Debate Team Scores First Shut-Out

Chelsea's Novice debate team had their first shut-out on record at Saturday's debate tournament held at Pioneer High in Ann Arbor. Mike Hergert, Sue Stock, Janice Schramm, Dan Gaunt, and Bob Mester attended the event, according to coach William Coetius, and defeated every team they met. The five-man team came up against teams from Parma Western, Pontiac Northern, Plymouth (previously undefeated), Fenton, Rochester, and Bay City. Chelsea didn't place first, however, as there were three other teams at the meet which were also undefeated. The final decision was made by tallying speaker points. Chelsea placed third at the conclusion of the tournament, out of a field of 35 schools. Coelius indicated that this first shut-out is a very good sign for Chelsea debaters. This week, the debate team begins their league meets. Nov. 3 is their first league meet in the ABC meet. On Nov. 5, Chelsea will compete for the first time in the state league. Those schools which Chelsea will meet in that league are Brighton, Adrian, Parma Western, Catholic Central (Monroe), Ann Arbor Greenhills, and Romulus.

Chelsea Police Nab 3 Youths For Coin Theft

Patrolman Peebles of the Chelsea Police Department, used fast judgment in an arrest involving three young men on Wednesday morning, Oct. 28. Peebles, who was on duty in the early morning hours, heard a car description over the radio of a vehicle that was suspect in a breaking and entering charge of a coin machine at the Car Wash in Dexter. When a car passed of the same description as that given over his radio, Peebles followed it, and eventually stopped it, and confronted the young men in the car. Peebles asked the young men to identify themselves, and summoned Dexter police officials. (Continued on page three)

Governor Race Still Undecided In Heavy Vote

Controversial Proposal C Wins Across Washtenaw County, State

With what officials term as one of the heaviest turn-outs in years, local voters cast their votes Tuesday, Nov. 3, for state, national, and county officials. Local townships also elected a complete slate of officers to serve their communities for the next four years. The governor's race is, at the time The Standard went to press, still undecided. With 86 percent of the Detroit vote uncounted, Milliken leads Levin by a margin of 126,000 votes. On the state and legislative races, however, unofficial reports indicate that most incumbents were being returned to office by good margins. Detroit, which has punch card computer voting, has as yet not reported their results because of a failure at some point along the way. Those may take quite some time to tabulate, but are not expected to change the issues. Proposals at the state level were soundly decided, with the defeat of Proposal A, the bonding issue for low income housing, the defeat of Proposal B, that amendment which would give the vote to 18-year-olds, and the adoption of Proposal C, which constitutionally forbids such laws as the present Parochial bill. Washtenaw Community County millage proposition was also adopted. Lima township's slate was unopposed. Edwin Coy, republican candidate for township supervisor, was elected with 401 votes. Lella C. Bauer, (R), had 415 votes to gain her position of township clerk. Hilda Pierce (R) received 432 votes for township treasurer, while Harold L. Gross, (D), received 213 votes for township trustee. Ralph J. Stoffer, (D), received 214 votes for constable. Sylvan township voters cast 936 votes for Democratic candidate Maurice Hoffman for supervisor. He was unopposed. Daniel Murphy, township clerk, was re-elected with 965 votes. He also is Democratic. Fred Pearsall, GOP candidate for township treasurer, received 915 votes, over his opponent, Barbara Dresch, (D) who had 585. Reuben Lesser, GOP candidate for trustee beat out Democrat Lyle Chriswell by a margin of 786-697. While John Pierson and Howard Walz, both Republican candidates for constable, were elected with 940 and 901 votes, respectively. Lyndon township incumbent supervisor George Bauer, republican, was re-elected over Democratic challenger Orson Beeman, Jr., by a wide margin of 146-19. Doris Fuhrmann, Democratic candidate for clerk, was elected with 189 votes. She was unopposed. Nancy White was elected treasurer with 147 votes, over Teresa Bott, Democratic candidate, who had 139 votes. Norman Kaiser, who was unopposed in his race for trustee, received 137 votes. He is a Republican, while Republicans Jay Hopkins, and Donald Beeman were elected constables with tallies of 155 and 158, respectively. Democratic candidate George Paxton received 143 votes. Sharon township's only contest

was between Allen Alber, (R), and Russell Fuller (D), for the position of township supervisor. Alber was the winner of that contest with 180 votes. Duane Haselschwardt, who was unopposed in his campaign for the position of township clerk, received 220 votes. He, and all of Sharon's newly-elected officials are Republican. Herbert Jacob won 222 votes for township clerk, while Max Roedel had 216 votes for township trustee. Walter Boike and Floyd Proctor were both elected to township constables with 212 and 217 votes, respectively. Freedom township, who re-elected their former officials running without opposition, cast 342 votes for John Miller for township supervisor, and 346 votes for Harold Eiseman, for clerk. Walter Heiber received 347 votes for the position of treasurer, while Luckhardt had 350 votes for township trustee. Candidates Nagel and McKeever were both re-elected constables of the township with 335 and 340 votes respectively. For County Commissioner from District 2, Neil Mast (R), polled 3,808 votes to Mrs. Dorothy Hunarwill's (D), 598. District 2 includes the townships of Webster, Dexter, Scio and Lodi. Jay Bradbury (R), incumbent District 1 commissioner, had no opposition and polled 2,476 votes from the District which includes Lyndon, Sylvan, Lima, Sharon, Freedom, Manchester and Bridgewater townships.

Blood Bank Gains 139 Pints For Local Use

In spite of a high incidence of colds, viruses, plant lay-offs due to the GM strike, and personnel directors' attention being divided between Community Chest, labor negotiations and the blood bank drive, the Chelsea Blood Bank registered 180 prospective donors last Wednesday. Of that number, 35 were rejected for medical reasons, six pints were delegated to other banks or to private individuals, and the Chelsea Blood Bank was credited with 139 pints of blood for use in the next year. "It was a pretty average turnout, though well under the response we had last January when 241 registered," commented Mrs. George Palmer, co-ordinator of the drive. "Any lay-off in the local plants hurts. The men in the factories are the backbone of our blood clinic. Of the 180 who registered, there were only seven businessmen, eight housewives, two teachers and two ministers. It would be wonderful if the rest of the community would take an hour off and come to the clinic. Two local housewives who donated for the first time gleefully exclaimed "There's nothing to it!" CHARLES BELSER, Chelsea High school senior, and trainer for the Championship Bulldogs, displays the "kits" that he has with him at all times, when traveling with a Chelsea team. Belser makes it a point to accompany each Chelsea football team when they are on the road. If he is unable to attend a game, he fixes up his "doctor's bag" and sends it along with the coaches. He is, according to Coach Phil Bareis, "a very dependable young man."

Bulldogs Have Faithful Trainer

Charles Belser, son of Mr. and Mrs. Frederick Belser, 216 Park St., has been a trainer and a manager of Chelsea High school football teams since 1967. Belser, who is a senior, was JV football trainer in 1969, and 1970. As a trainer, Belser is responsible for the up-keep of the training room, inventory of training supplies, and care of minor football injuries. Coach Phil Bareis indicated that Belser spends a minimum of three-quarters of an hour each day in the training room, taping wrists, fingers, and ankles, fixing blisters, and doing the necessary work that a busy football team requires. In addition, he travels with each Chelsea football team when they go on the road. This includes the JV and the freshman team. He takes with him supplies, and is on stand-by for any minor injury that may require looking into. He is, according to Coach Bareis, a very important member of the football team. Chuck, as he is called, has attended various clinics on training and care of football

injuries, while he has worked for the Chelsea teams. He attended the Cramer Athletic Training Course in 1969, and again this year. He also has attended the University of Michigan Athletic Clinic, and the Ferris State College Athletic Training School, both this year. This outstanding member of the Chelsea teams is an avid hunter, and fisherman. He intends to enter the profession of forestry following his graduation from school, although he hasn't yet decided which college he would like to attend for that purpose.

MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

Balance Better
 State government, which is looked to by many as a pacesetter in many areas, has been making significant strides in recent years in hiring members of minority groups.

A study released by the Michigan Civil Service Department shows that while 8.6 percent of the total state work force was non-white in 1964, that total has increased to 12 percent—a figure reflecting the general population of the state.

In fact, the report said, "It appears at the present time that non-white representation in the state service is slightly higher—1 percent—than that prevailing in the general state population."

The report noted the non-white work forces of major state departments ranged from highs of 54.4 percent in civil rights offices and 26.6 percent in labor to lows of 0.9 percent in the State Police and 0.4 percent in natural resources.

The report found most non-whites in such jobs as attendant nurse, typist-clerk, institution worker, general clerk, public welfare worker and janitor-watchman.

It also said the white civil service employee averages more than \$1,000 a year in salary above the average non-white worker.

The average for white employees is \$7,767 per year while the average for non-whites is \$6,718.

On the whole, however, the report said an examination of the record "indicates some rather substantial improvement in the direction of upward mobility. Non-whites are represented in greater numbers in the beginning professional and middle managerial classes."

The breakdown shows more than 88 percent of Michigan's non-white state employees work in six counties—Calhoun, Ingham, Kalamazoo, Oakland, Washtenaw and Wayne—which have high non-white populations.

Ten state agencies accounted for 77.4 percent of all non-white employees with the Department of Social Services employing the most—1,061. The Michigan Employment Security Commission was second highest with 991 and the Plymouth State Home was third with 531 non-white employees.

Other major agencies listed with low non-white employees were the State House of Correction with none, and the Department of Natural Resources, with 4 percent of its total staff non-white.

Uncle Lew from Lima Says:

Dear Mister Editor:

Saturday night at the country store the fellers pooled their ignorance and sorter took turns about commentating and predicting on the elections held across the country this week. I say sorter took turns cause Ed Doolittle was of a mind that it was his turn all the time, and Clem Webster took up more of the session hollering fer equal time than in discussing the issues.

Mr. Republican Ed got the floor first, and he allowed he was worried about this session of Congress coming up between elections and the seating of the winners in Congress in January.

Ed said he saw by the papers they is calling it a lame duck session, but he figgers it to be a cripple Democrat session. All them losers, Ed said, will be fast asleep, investigating all the fancy hotels in the South Seas at taxpayers expense, or busy trying to wreck everything to make the Administration look bad.

Clem butted in to say they ain't no chanct the Republicans will take over the Congress, so the Democrats is going to have their way one time or another. With everthing but the Vietnam war going from bad to worst under Nixon, Clem went on, the voters ain't about to give him a Congress that he can boss around.

But Clem was agreed they ain't much chanct of getting work out of the winners or losers during the holiday season. They put off all the tough stuff until after the election, Clem said, fer fear of losing a few votes, so it looks like the next Congress will have to do a lot of their work all over agin.

Bug Hookum said Congress has got to git moving on some things, dead ducks or not. Fer instant, he was of the mind that somepun ought to be done quick on welfare reform, afore the federal Government and the separate states is flat broke. The post office reform so fer is jest talk, Bug went on, and the only change he has saw in the past 10 year is turning the horse around on them mailmen sholder patches so the pony express ain't riding backwards. They is talk now of replacing the horse with a jet plane, allowed Bug, but that's too much progress to hope fer in one generation. The only advances we can be shore of, Bug said, is in postal rates, with first class to go to eight cent by spring and probable a dime afore the end of next year.

Some time pritty soon, Clem said, Nixon is going to come out and tell us what we already know, that his budget this fiscal year is going to be \$10 billion in the red, and that in spite of all his talk he can out-spend the Democrats without trying.

Final, Mister Editor, it were Zeke Grubb that allowed he ain't worried about lame ducks voting too much spending cause shortly they will be out here helping us pay fer it.

Yours truly,
 Uncle Lew.

Hart Hits Autos
 Despite the fact he is from Michigan—the car supplier of the nation—Sen. Phillip A. Hart plunged full speed ahead recently when he held hearings on rising auto insurance rates, and began receiving testimony that auto manufacturers bear much of the blame for rising insurance rates. Most car owners must applaud.

Testimony before Hart's Senate Antitrust and Monopoly Subcommittee showed the cost of repairing cars involved in low-speed accidents is skyrocketing because the cars just can't take it.

Among the main causes of the high damages is the fragility of auto bumpers, according to the testimony.

For example, four medium priced 1969 standard cars, when driven into a concrete barrier covered with plywood, received average damage of \$200 at only 5 mph.

When the speed was increased to 10 mph, a rate of less than many collisions which occur between humans without injury on a football field, the average cost rose to \$652 per car.

When backed into the barrier, the damages in a 5 mph. collision averaged \$214.

For 1970 models, the same tests showed an average \$215 damage at 5 mph. forward, \$514 at 10 mph. and \$218 when backed into the barrier at 5 mph.

campaign to get the manufacturer costs, as mentioned previously, is higher insurance rates.

The insurance companies, obviously feeling the squeeze between disgruntled stockholders noting lower profits and disgruntled policyholders noting higher rates, are beginning a campaign to get the manufacturers to stiffen the bumpers on their cars and make the cars more injury resistant.

And State Farm, the country's largest insurer, has been circulating copies of full testimony before Hart's committee around the nation in hopes of raising some public support for more crash-proof cars.

Items Taken from the Files of The Chelsea Standard

4 Years Ago . . .
 Thursday, Nov. 10, 1966—
 Chelsea Community Chest, in its fourth week of the drive, reports that 80 percent of its total goal has been reached. The Chelsea drive hopes to be able to exceed its goal this year, and thus be able to pay all participating agencies extra monies. This is the final week of the drive.

James M. Breakey, Jr., was unopposed in his bid for Judge of Circuit Court. Marvin L. Esch defeated Congressman Weston E. Vivian by an unofficial margin of 2,672 votes.

Former Governor G. Mennen Williams was defeated in his bid for the U. S. Senate seat, as Robert P. Griffin won that contest.

A surprise storm dumped 8.9 inches of snow, ice and sleet on Chelsea Wednesday and Thursday of last week, leaving area residents in what the U.S. Weather Bureau described as the earliest heavy snow in southern Michigan since they began keeping records in 1899.

The final football game of the season, a non-conference encounter between Chelsea and Blissfield, was postponed from 8 p.m. Friday evening until 6 p.m. Monday evening. By Monday, much of the snow had melted, leaving large puddles of water throughout the countryside.

The Rev. James Craig has been elected president of the Chelsea Ministers Association. The Rev. Robert A. J. Livingston was elected secretary and the Rev. Warner Siebert is new treasurer of the group. The election of officers took place Nov. 8.

24 Years Ago . . .
 Thursday, Nov. 7, 1946—
 A new grocery store, with all new modern equipment and featuring either self-service or service by a clerk as preferred by the customer, will be opened at 111 S. Main St. on Saturday, Nov. 9, by Waldo Kusterer and his son, Luther, who was honorably discharged some time ago after 27 months in the service, 18 of which were spent overseas.

The fire department was called out about 5 p.m. last Wednesday when neighbors noticed that Mrs. Rosa LaBarge's house on Taylor St. was afire, while she was visiting at the home of her son in Grayling. Neighbors succeeded in keeping the fire from spreading to the rest of the house until the firemen arrived, the damage being confined mostly to the kitchen where the walls and ceiling were burned through. Investigation showed that the fire was started when something went wrong with the electric refrigerator, which is about 10 years old, but the exact cause has not yet been determined. Mrs. LaBarge returned about an hour after the fire.

Teachers of Washtenaw county held their first meeting of the year at Milan on Wednesday, when a combined dinner, business and lecture meeting occupied their attention.

34 Years Ago . . .
 Thursday, Nov. 5, 1936—
 Tuesday's election, results of which re-elected President Roosevelt by an overwhelming majority over his opponent, Gov. Alfred M. Landon of Kansas, also carried the Democratic ticket in Michigan to victory, according to avail-

able information on Wednesday. Frank Murphy was leading Gov. Frank D. Fitzgerald by a majority amounting to several thousand votes, and Prentiss M. Brown has a big lead over Wilber M. Brucker in the senate race.

At the regular meeting of the common council on Monday evening, bids were opened which will be used for the construction of a sewage treatment works in Chelsea. It was voted to accept the bid of Stranahan, Harris & Co., of Toledo, O., whose bid was at an interest rate of 2 1/4 percent, with accrued interest, and a premium of \$189.24. The bond issue is for \$29,000.

Hundreds of Chelsea citizens and friends from many other Michigan and out-state cities were present at funeral services held Sunday afternoon to pay their respects to Howard S. Holmes, who was instantly killed in a fall at the Chelsea Milling Co. last Thursday forenoon. Holmes was president of the Chelsea Milling Co. and the Michigan Millers Association. He was director of the Chelsea State Bank and a former member of the board of education. He was also joint owner of the Chelsea Lumber, Grain & Coal Co. He was a member of the Masonic orders of Chelsea, Knights Templar, the Mystic Shrine and the Barton Hills Country Club of Ann Arbor, and the Chelsea K. of C. Lodge. He was also a member of the First Congregational church and of the board of trustees.

Many Clubs Available to CHS Students

Club news at Chelsea high school is the main feature on the horizon this week. To continue with last week's outline of the various clubs offered to high school students, the first club to consider this week, in the light of Chelsea High's varsity championship football team, is the Varsity Club. Varsity Club, which is sponsored by Coaches Bareis, and Kelly, is for all men in Chelsea athletics who have won a letter.

GAA, or Girls Athletic Association, is for women students who are sports minded. It is sponsored by Miss Schriener.

Health Careers, a club which deals with different careers available to both men and women in the world of health, public health, disease control, drugs and drug research, and medicine, is sponsored by George Bergman.

Golf Club, sponsored by Patrick Wade, is for all students who play golf, or who would like to learn.

Student Council, an elected position, attracts those students who are interested in changing the way things are at the school, voicing opinions, and learning the art of power politics. Its advisors for this year are Miss L'Roy, Mrs. Collin, and Mr. Bergman.

Key Club, sponsored by the Kiwanis Club, is for young men. Emphasis of the club is better citizenship.

Cathy Crouch and
Doris Beeman,
High School reporters.

Gridders of the Week

DALE ROBBINS, senior (left) is a guard on offense, and defensive linebacker. Following an injury during Chelsea's game against South Lyon, Dale was hospitalized, and had surgery on his knee. He is consequently out of action for the balance of the season. An avid athlete, he has played football for Chelsea for six years. This is his second year on the varsity team, even though a similar injury to his other knee occurred two years ago. Dale has wrestled, and is on the track team. He is a member of the Key club, Varsity club, Senior Trip club, and the Student Council. He is in National Honor Society, band, and the Methodist church youth group. Following high school, Dale would like to go to Albion College, specializing in pre-medical studies. He would ultimately like to be an M.D. His major interest is in family medicine. Dale

lives at home with his parents, Mr. and Mrs. Robert Robbins, two sisters, Darlene, and Denise, and one brother, Duane.

JACK McCLEAR, (No. 12) also a senior, plays safety on defense, and offensive halfback. He has played on Chelsea teams for five years. This is his second year on the varsity team. Jack also enjoys sports, and is on the baseball and basketball teams. He golfs, swims, and hunts. Following high school, he would like to attend Michigan State University, where he is considering majoring in biology. He would ultimately like to teach biology. Jack has worked both this past summer, and the year before for John Eisenbeiser, laying sod. He lives at home with his parents, Mr. and Mrs. Thomas McClear, at 705 Howard Rd. His older brother, Mike, is married and lives in Chelsea.

Jayvees Win Again for 7-0 Season Record

Chelsea Junior Varsity gridder did it again! The JV team romped over Saline Thursday evening, Oct. 29, by a score 20-6, to bring their season's record to 7-0.

In the first quarter, Saline scored first on a three-yard run, bringing the score to 0-6. The try for extra point was not good, and the score remained the same.

Bruce Guster scored on a 15-yard dive, making the score 6-6. Tim Lancaster wrapped up the two-point conversion on a power play, to increase Chelsea's lead to 8-6.

In the second quarter, John Mann scored on a quarterback sneak, to give Chelsea a lead of 14-6. The extra point pass was incomplete, and the score remained the same.

Tim Lancaster scored again in the fourth quarter on a one-yard dive. That made the score 20-6, giving Chelsea our final points in the game, as the extra point attempted pass was incomplete.

Also in the fourth quarter, Don Berke intercepted a Saline pass. Defensively, Chelsea was led by Jeff Marshall who had 12 tackles, followed by Don Houle and Tim Lancaster, with 10 each. Jeff Van Riper and Mark Grambeau had nine, and seven tackles, respectively.

Victory was a great team effort, as everyone did a fine job. Saline was a good football team, and the game was played under very wet and sloppy conditions, as it rained during the entire game. Wet conditions have a tendency to equalize the difference between two teams, but Chelsea still managed to dominate the statistics. They out-gained Saline by 227 yards to 87.

Boy Scout Troop Plans Paper Drive

Boy Scout Troop 476 will be having a paper drive on Nov. 14. Those who have papers may call Merle Leach, 475-7329; Charles Stoner, 475-2800; Willis Heydlauff, 479-7191; or Charles Hafner, 475-8491.

It takes a wise man to be satisfied with what he deserves.

Why is it that tomorrow is so full of good working hours?

Youths Arrested

(Continued from page 1)

Following a search of the young men's persons, and the vehicle, enough evidence was found to arrest the young men, and take them to Dexter.

Arrested were Charles Dennis Scully, 23, 9810 McGregor Rd., Pinckney, Lee Schultz, Central St., Dexter, and John Allen Ledwidge, 17, 5760 Joy Rd., Dexter.

Scully admitted that the youths had broken into the coin machine, and that he had broken into the same machine on Oct. 25.

Snow, which is pretty in November, soon loses its charm.

The best way to get along with people is to smile, be friendly, and seldom say what you think.

Frosh Grid Team Stopped

Chelsea freshmen ended their football season on a low note Tuesday night, dropping a hotly contested game to the Saline Hornets, 22-20.

Saline drew first blood in the first half with a short TD pass. A run netted the extra point. Both teams moved the ball well, but mistakes kept Chelsea from scoring before intermission.

Saline scored again with a 55-yard run on the third play of the second half. Again the conversion was good, and Saline led, 16-0. Chelsea tallied in the third on a short dive by John Tandy, and the period ended, 16-6, Saline.

Chelsea threatened early, and often in the fourth stanza, but couldn't put the ball in. Keith Kargel finally broke the ice, by tackling a Saline player in the end zone, after Chelsea had been stopped inside the one-yard line. This made the score 16-8. Chelsea took the kick and drove deep again, but again were held.

Saline scored again on a long run which has hurt Chelsea all year, but they missed the extra point attempt. Chelsea scored on a short pass from John Houle to Mike Nadeau.

Chelsea took the ball again deep in their territory with less than a minute to play. On the third down, John Houle threw an 85-yard touchdown pass to Mike Na-

deau. A pass for the extra point was just tipped away from the intended receiver. With 20 seconds left, the score stood 22-20. Chelsea attempted an onside kick, but Saline got the ball, and killed the final seconds, handing Chelsea a heartbreaking defeat.

The young Bullpups finished the season with a 4-3 record.

We know a man who finds it hard to work. His office is too hot in the summer and too cold in the winter.

Start Teacher Aid Program At South School

One of the more important aspects of the newly-formed South School Association, is the prospective Teacher Aid program which it is sponsoring.

Teacher Aid is the name of a committee, chaired by Mrs. Francis Lorenz, and assisted by Linda Ames, which is trying to recruit parents, mothers in particular, of school-age children, to volunteer to come on a regular basis into the schools to assist teachers and students with the learning process.

People, not necessarily parents, are needed to give an hour or two a week to do such tasks as helping out in an art course, tutoring a child with a special learning problem, story telling, or such office duties as helping with bulletin boards, displays, and so forth.

Teacher Aid is a very rewarding job. There is no requirement for experience, education, or knowledge of schools, as there is a job for almost anyone.

At the Nov. 12 meeting of the South School Association, parents will be asked to volunteer their services. Notes from school will be sent home to parents, asking for help.

All Chelsea residents who enjoy young people and have a bit of spare time are encouraged to contact Mrs. Lorenz, or attend the meeting at South School on Nov. 12 for more information.

IN MEMORIAM

The family of John Hartmann wishes to extend our thanks and appreciation to our neighbors, friends, and relatives for their many acts of kindness, and messages of sympathy during the recent illness and death of our father and grandfather. We especially thank the Rev. Robert Townley for his visits and prayers in our time of need.

Helen and Merle Sibley and children. Mariann and Chuck Winkle and children. Elmer and Elsie Hartmann and children.

THANK YOU

As newly-elected clerk of Lima township, I wish to thank the township residents for this opportunity. I shall serve the township to the best of my ability and personally invite all residents to contact me if I can be of any assistance.

Respectfully, Lella C. Bauer.

CARD OF THANKS

I wish to thank my neighbors, friends, and church folks who called, sent cards, and flowers, while I was in the hospital. It was much appreciated.

Adrian Craven.

Junior High Gridders Post Perfect Record

(Continued from page one)

for the eighth and ninth grade squads. There are still more than 85 boys on those squads at the season's end. This is the first year that there have been two complete schedules, one for the eighth grade team, and one for the seventh grade. Both games were played on the same day, with the seventh grade games following the eighth.

Unfortunately, the seventh grade team has not fared as well as the eighth, and has a record of wins and losses, ties. However, several key seventh graders have been used on the eighth grade team, and this has taken away some of their offensive punch.

Players who have seen considerable action on the eighth grade team include the offensive unit of Paul Wood, and Roger Stewart at end, Ismael Picklesiemer, and Ron Kiel at tackle, Daryll West, and Jack Hackworth at guard, John Coley at center, seventh grader Randy Guenther at quarterback, Karl Gauss a tailback, Don Bollinger at fullback and Ron Collins, Tim Eder, and Don Pieroni, alternating at wingback.

On defense, Terry Ellenwood is in at end, Mike Grambeau at guard, Todd Orbring is linebacker, and Curt Winans and David Keizer are defensive halfbacks.

Appearing on specialty teams have been Randy Musbach and Howard Schenk.

Other members of the team are Tom Ball, Dennis Barker, James Barnes, Ron Boham, Steve Cantrell, William Clark, A. J. Hale, Mark Pennington, Mike Pratt, Jim Powers, David Proctor, Chris Rabbitt, Randy Romine, Terry Satterthwaite, Bob Sawyer, Victor Steinback, Rick Sweeney, John Wagner, Jeff Weber, Gary Wellnitz, Dan White, and Dan Williams.

This year's eighth grade squad has the best over-all size we have ever had, and also good team speed. They have been an aggressive group who on times have displayed some excellent football.

If they have one weakness it has been consistency, but with time and a responsibility for staying with the sport, they should develop into another good group of football players to further the winning tradition developed at Chelsea. Coach Kruse said of his team.

Coaches for this year have been Bert Kruse, in his ninth year at the junior high. He is eighth grade coach. Coaching the seventh grade has been Randy Johnson, who is in his first year of coaching junior high.

CHS Band Plans Half-Time Show For Dexter Game

Chelsea High school band traveled to Saline for the Friday night, Oct. 30 game against the Hornets.

The band performed a pre-game show, with Saline, and then each band did a half-time show during the half.

A reception was held for Chelsea band members during the fourth quarter. The party was sponsored by the members of the Saline band.

This week, at Friday night's game against Dexter, the band will perform a half-time show featuring their favorite character, Maxwell Smart. Topic for the evening is "Maxwell Smart Encounters Pollution." Tunes featured in the show will be "Mountain Greenery," "Everything Is Beautiful," "Bridge Over Troubled Waters," and "Those Were the Days."

Cub Scouts

DEN 3, PACK 455 - Cub Scout Den 3 of Pack 455 met at the home of Den Mother, Mrs. Vernon Otto, Oct. 27. Meeting opened with the flag ceremony. Flags were carried by Steve Kvarnberg, and Stratton Rademacher.

Cubs bobbed for apples and had a balloon race. There was also a Halloween picture drawing contest which was won by Todd Otto.

Five new Cubs were welcomed into the den. They are Paul Hoffmeyer, Lucas Lovely, Steve Kvarnberg, Chris Umstead, and Stratton Rademacher.

Lucas Lovely was elected new denner; Mark Foster, assistant denner. Treats were furnished by Lucas Lovely. Meeting closed with the wolf howl. Steve Kvarnberg, scribe.

DEN 5, PACK 415 - Cub Scout Den 5, Pack 415 met Tuesday, Nov. 3 at the home of Mrs. Richard Seyfried of Waterloo Rd. We opened the meeting with the living circle. We talked about election day and our right to vote. We held election of officers. Bobby Aldrich, denner; Tom Gilbreath, assistant denner; scribe, Randy Ellis. We then made get-well cards for Brian Herrick who is in the hospital. We played "My Little Bear" game. We closed with the den yell. Treats were furnished by Eric Case. Randy Ellis, scribe.

DEN 1, PACK 415 - Den 1, Pack 415, met at the home of Den Mother Alice Atkinson, Nov. 3. Brian Herrick is in the hospital. Don Hewlett was absent. Elections were discussed. The Cubs voted "yes" for the 18-year-old vote. Thomas Slocum, scribe.

CARD OF THANKS

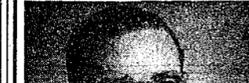

We wish to express our deep appreciation for the many acts of kindness and expressions of sympathy and condolences extended to us by our many friends and neighbors in the recent loss of our beloved one.

Business Manager Mills reported that the new boilers are installed and operating in the Beach school.

Motion by Powers, supported by Koenn, to pay the overtime differential to the W. A. Brown Corp. of \$176.09 for installation of the Beach school boilers.

The bus parking area at the high school is graded and buses will be moved as soon as lighting is completed.

Business Manager Mills reported that one of five new buses has been received and put into service.

The board authorized the business manager to sell bus number six to the best interest of the school district.

Blacktopping at the high school is nearly completed.

Trustee Hopkins reported on the Drug Education meeting held at the Beach school. A discussion was held regarding the desirability of a similar meeting at the high school. Supt. Cameron will investigate the possibility of a meaningful meeting.

School Board Briefs

At the board of education meeting Monday evening, Nov. 2, present were President Irwin, members Smith, Koenn, Hopkins, Haselschwardt, Storey, Powers, Supt. Cameron, Business Manager Mills, and Principal Benedict. Guests were Edward Lewis, and Mr. Scripp.

Budget hearing was called to order by President Irwin at 7:45 p.m. Copies of the budget were made available to those in attendance and discussed.

Motion by Storey, supported by Powers, to adjourn the Budget Hearing at 8 p.m.

Regular board meeting called to order by President Irwin at 8:20 p.m. Motion by Haselschwardt, supported by Storey to approve the minutes of the Oct. 19 meeting as read. All ayes.

Motion by Haselschwardt, supported by Hopkins to adopt the agenda as amended. All ayes.

Motion by Powers, supported by Smith to pay general fund bills of \$42,437.57.

Financial report reads as follows; balance as of Nov. 2: General fund, \$287,913.37; 1956 Debt Retirement fund, \$5,095.09; 1965 Debt Retirement, \$316.67; Building and Sites, \$247.

Motion by Koenn, supported by Haselschwardt, to adopt the operating budget of \$2,020,947 for 1970-71 as recommended by the Finance Committee. All ayes.

Trustee Storey reported that the Curriculum Committee will meet at 3:30 p.m. on Wednesday, Nov. 11.

Motion by Powers, supported by Smith, to sign the contract of Miss Kathleen Jacobson as a Beach school math teacher. All ayes.

Letters from two fifth grade classes at North school regarding sidewalks were read. President Irwin instructed the building and grounds committee to investigate and answer the letter.

Enrollment figures for the last six years were presented. The enrollment has grown approximately 20 percent over the last five years. 1970-71 enrollment is: high school, 761; Beach school, 621; North school, 442; South school, 590. Total enrollment is 2,414.

A wrestling mat has been ordered with no funding from the general fund. The Varsity Club and other interested groups and individuals are underwriting the purchase.

Business Manager Mills reported that the new boilers are installed and operating in the Beach school.

Motion by Powers, supported by Koenn, to pay the overtime differential to the W. A. Brown Corp. of \$176.09 for installation of the Beach school boilers.

The bus parking area at the high school is graded and buses will be moved as soon as lighting is completed.

Park Proposal To Be Studied

David O. Laidlaw, director of Huron-Clinton Metropolitan Authority, and Robert Bryan, Park Authority Chief Planner, will make a public presentation of the Authority's proposal for a new major metropolitan park on Mill Creek, Thursday evening, Nov. 12 at 8 p.m. at the Lima Community Hall.

Washtenaw County's delegate to Huron-Clinton, James Chaffers, is also expected to attend.

Others expected are members of the Washtenaw County Recreation Advisory Committee, Miss Genevieve Gillette and Douglas Fulton; Ray Koch and Donald Wier from the Washtenaw County Road Commission; members of the County Planning Commission and the Board of Commissioners. These two latter governmental bodies have already requested that the Park Authority locate a major metropolitan park in this county.

It has been learned that consideration of Arms Creek, north of Dexter, has been dropped and that the Mill Creek basin has been given much study.

Everyone interested is welcome to come to the park proposal presentation and question period. It is hoped by the Mill Creek Research Council that local citizens will take advantage of this excellent opportunity to hear more about the park plans.

TODAY'S THOUGHT

By LOUIS BURGHARDT

Veteran's Day . . . November 11 . . . A day to review the inexorable march of history . . . A day for ALL of us to realistically control our minds and imagination . . . A day to commemorate thoughts of the past and prayers for the future . . . A day to concern ourselves how and why nations appear more interested in flexing their missiles instead of muscles . . . A day to honor those who, on battle-torn fields, faced difficult combat and crisis conditions . . . A day on which to recall brilliant and fabulous victories; also a day to retain memories of dismal defeat . . . A day to honor those who, in dreadful moments, faced a date with death in far away, remote parts of the world . . . A day to dignify the memory of all who fought and endured the hazards of war so that our nation might endure . . . A day on which we should make sure we do NOT lose respect for our uniformed men and the symbols they represent . . . A day to disavow those who disdain our American heritage . . . A day to scorn those who scorn our symbols . . . A day to disclaim the cynics, rebuke and repudiate their flippancies . . . A day on which all of us should rightfully be proud to say - "I am an American" . . . BURGHARDT FUNERAL HOME, 214 East Middle Chelsea, Mich. Phone GR 5-4141.

DEATHS

Lynn A. Main
Former Chelsea Resident Dies Monday in Jackson

Lynn A. Main, 819 James R. St., Jackson, died Monday afternoon, at Northlawn Hospital, Jackson, at the age of 76. Born July 31, 1894, he was the son of Dewitt Main, and Nettie Hildebrand Main.

Surviving are his widow, Emma M., one son, Gerald (George) Main, of Jackson, three grandchildren, Terry Main, and Douglass Main, both of Jackson; and Virginia Main, of Chicago. Also surviving are two great-grandsons, and one sister, Mrs. Emily Kinart, Horton.

He was a member of the Citizen Patriot Golden Wedding Club. Mr. Main lived in Chelsea from 1942-1966.

Friends may call at the Weatherly Chapel, 402 Wildwood Ave., Jackson, where services will be held, Thursday, 1 p.m., the Rev. Lyle J. Weible officiating. Interment will be at the Woodland Cemetery, Jackson.

Blood Bank Nets 139 Pints For Local Use

(Continued from page one)

It's great! And it is. It is truly a time when more blessed—and easier—to give than to receive.

The Red Cross Mobile Blood Unit commented that they were told how fortunate they were to be going to Chelsea. One of the nurses explained: "When you do this five days a week, week in, week out, it becomes as boring and monotonous as any job. A volunteer unit can make or break us. The Chelsea volunteer group is just about the best one we've ever worked with. And the luncheon was terrific. We really enjoyed it and hope we can come back."

Volunteer professional people on duty were Dr. Gary Maynard of Ann Arbor, Dr. Jerry Waldyke of the Chelsea Medical Center, Miss Gertrude Young, R.N., Mrs. James (Phyllis) Daniels, R.N., and Mrs. John (Julie) Thornbury, R.N.

Volunteer registrars and staff aides were Mrs. Al Penhallgren, Mrs. Robert Crawford, Mrs. Thomas Slater, Mrs. Olive Dickins, Mrs. William Rademacher, Mrs. Chester Keezer, Mrs. Warner Siebert, Mrs. Jess Meininger, Mrs. Donald Eder, Mrs. Toivo Riihimaki, Mrs. Gerald Linebaugh, Mrs. Erwin Haist, and Mrs. Norman Hinderer.

Helping Mrs. Warren Eisenbeiser in the canteen were Mrs. Roland Spaulding, Mrs. Thomas McClear, Mrs. Richard Ringe, Mrs. William Eisenbeiser, Mrs. Les Eisenbeiser and Mrs. Lawrence Waeker.

Mrs. Lawrence Dietle was in charge of the luncheon served to the entire staff. She was aided by Mrs. Paul F. Neihaus, Mrs. Robert Taylor, Mrs. Robert Daniels, Mrs. Jack Merkel, Mrs. George Knickerbocker, Mrs. Paul Belsler, Mrs. Richard Kern, Mrs. Margaret Dietle, Mrs. L. G. Palmer and Mrs. Floyd Doyle.

Commendation Is Received By Richard H. Miller

Airman Richard H. Miller, son of Mr. and Mrs. Henry Miller, graduated from Air Force Technical School at Chanute AFB, Ill., in August. He is presently stationed at Phu Cat Vietnam, where he received honors and a certificate from the commander in Vietnam on Sept. 29.

Airman Miller is stationed in Vietnam with the 12th Combat Support Group, a unit of the Pacific Air Forces. PACAF is headquarters for air operations in southeast Asia, the Far East, and Pacific area.

Miller is a 1968 graduate of Chelsea High school. His address is presently A-1-c Richard H. Miller, 38563352, 12th Transportation Sq., PSC Box 608, APO San Francisco, Calif. 96368.

Harris, Menlo Park, Calif. The Donkins have three other children, Thomas, Jr., Catherine and Antonio.

Halloween Vandalism Reported Very Minor

Chelsea Police chief George Meranuck reported that there was very little vandalism in Chelsea during the "three day holiday" this past week-end. The police chief indicated that the presence of the Chelsea Jaycees on every street corner did much to cut down the vandalism in town, which he said was less than last year's.

Donald E. Baldwin Named to Board of Spring Manufacturers

Donald E. Baldwin, assistant plant manager of the Mechanical Spring Operation of North American Rockwell Corp., has been elected to the board of directors of the Michigan Association of Spring Manufacturers.

This association is affiliated with the Spring Manufacturers Institute, a national association of spring manufacturers, with a membership in excess of 200 spring plants. In Michigan, there are 26 separate member plants.

Baldwin's term of office will be two years, expiring Nov. 1, 1972. Michigan Association of Spring Manufacturers meets quarterly, at various places within the state.

William M. Marsh, general manager of the Mechanical Spring Operations of North American Rockwell, is a former member of the board of directors of this organization, and a past president.

HOSPITALIZED

Eugene Martin, 17603 Old US-12, is in room 290, bed 1, of St. Joseph Mercy Hospital, where he is recuperating from surgery.

Marty Straub Solos at 16

Marty Straub, son of Mr. and Mrs. Jerry Straub, 6969 Madden Rd., performed his first solo airplane flight at the Willow Run Airport Sunday afternoon, Nov. 1. The occasion was the youth's 16th birthday. It is forbidden to fly alone in the state of Michigan, without a student's license, at least. To obtain such a license, one must be 16 years old. Straub, who has been taking flight lessons all summer, just could not wait to take over the controls himself.

Marty's interest in flying stems in part from his father's interest. The elder Straub has a pilot's license, and has been flying for several years. In late August, the family purchased a small private airplane. The plane, a Luscombe 8-A, is kept at the Ann Arbor Airport. Marty plans to spend many hours in the air, now that he is of age, learning the many things one must know to be a good pilot. He intends to achieve his pilot's license, at the least, and will probably go on for further training, to achieve his instrument classification.

The young man has no particular career plans at the time concerning a career in flying. He just enjoys it thoroughly. He cannot receive a pilot's license until he is a year older, and he can't take a passenger with him until that time, so family vacations to exotic places are ruled out for the time being.

Straub, who is a junior at Chelsea High school, and who is active in FFA, band, and debate, is planning to spend the next months "logging up the hours in what air people call "cross country" flights, which is one way of saying, flying from one place to another.

★ 'Hay There!'

The next time some fellow says, "Now that's a lot of hay," you should hold him up a minute and ask just what he really means. At least that's one school of thought which pushes the principal, "Say what you mean, and mean what you say."

It is the double meanings that get you into a jam. A "lot of hay" could be many things—a lot of money, a lot of good luck, and a lot of—"Uh... 'hay' there's" for the misplaced names file. At any rate it can be agreed that it is a lot of something. If we take the statement at dollar value, a lot of hay is not a lot of money. A pound of hay, if you haven't caught it on special lately, is running for around a cent and a quarter a pound. But since, who wants a pound of hay, USDA figures say farmers will get about \$25 a ton for it. It might just be worth more if the farmer just kept it for around the farm. A farm wouldn't be a genuine farm without a hay-loft, without kids rollicking in it, or without hay folks could never lose their needles. And the hay-rides during the current harvest moons in the chilled nights of the fall, if missing, would steal away some glamour from the countryside. You know really there's a lot to be said for hay.

And collectively speaking, there is "a lot of hay," in talking about hay. How many folks know hay is the nation's second biggest crop? It is valued at about \$3 billion for the current harvest year. That's second only to the corn crop. And a lot of this hay never gets off the farm—reports of the USDA say, only 15 to 20 percent ever leaves. The rest is used for several things but, primarily as feed for livestock.

Michigan does its share of hay production. Every county in the state gets into the act. Even Detroit dominated Wayne county raises about 3,000 acres. However, the big producing county in the UP is Menominee, and in the lower peninsula county leaders are Sanilac, Lapeer, Huron, Washtenaw and Isabella, to name a few.

And when it comes to pitching hay in Michigan, we raise a million and a half acres of the crop—3,207,000 tons! Nationally, we raise 125 million acres. And brother that's a lotta hay!

Kris J. Brier

Promoted in Vietnam

Phouc Vinh, Vietnam—Kris J. Brier, son of Mr. and Mrs. Ralph W. Brier, 111 Watt Rd., Gregory, Mich., recently was promoted to army specialist five while serving with the 1st Cavalry Division (airmobile) near Phouc Vinh, Vietnam.

Specialist Brier is assigned as a mechanic with Battery B, 2d Battalion of the Division's 20th Artillery.

He entered the army in April 1968, completed basic training at Ft. Leonard Wood, Mo., and was last stationed at Ft. Gordon, Ga.

The 23-year-old soldier is a 1965 graduate of Ann Arbor High school.

SOUTH ELEMENTARY SCHOOL NOTES

THIRD GRADE
Room 16
Teacher: Mrs. Hainis
Reporters: Julie Botaford and Carol Watson

Mrs. Hainis brought her gerbils to school. Their names are Sugar and Spice. They had babies. We haven't been able to see them yet.

Judy Schaeffer brought 31 pumpkins to school. Our class decorated them for Halloween. They surely looked cute.

We have a book club on Fridays. We can make pictures, dioramas, movies, or write stories for each book we read.

Pollution is everyone's problem, and we have learned what causes air, water, and land pollution, and how some people are trying to make cars that cause less air and noise pollution.

A large number of people visited us during Open House. We taped the following stories: "Where's Mary?" and "Mystic Night," a Halloween choral reading. We then played them for our parents.

We are writing stories using synonyms and descriptive words. In science we finished a unit about sound and ears. Did you know that a cricket's ears are in his legs?

Our spider kept the insects from bothering us, but he died. We don't know if the hornet in his web killed him, but they became part of our Halloween decorations.

We have 16 woolly bears (Isabella Tiger Moth caterpillars). They drink out of a baby food jar lid, and eat leaves we brought in. They are free to go where they want.

David Baldwin brought in a cocoon, and Lisa Weber a male Monarch Butterfly.

Vanessa Ames brought in a pumpkin and carved it. Elizabeth Herrst counted 420 seeds! Just think how many pumpkins would come from all those seeds!

We are proud of ourselves because we have written a play about pollution. We are busy practicing our parts and making scenery.

We enjoy learning about our country. Right now we are reading about the Revolutionary War. Our birthday children have been: Jackie Stepp, David Hall, Todd Miller, Dawn Fowler, Pamela Stephens, Pat Marzec, and Craig Machnik.

We would like to thank our room mothers for the lovely Halloween party. They are Mrs. Sawyer, Mrs. Rademacher, Mrs. Shepherd, Mrs. Woodward, Mrs. Daulton, and Mrs. Troyer.

Our class started the unit of Japan on Oct. 22. Nancy Tison brought in a kimono, and Debbie Campbell brought in a Japanese parasol. Other children in our class brought in things of Japan too.

Our class made parasols, mats, lanterns, and fans which we hung on the wall for Open House. Japan is the fourth land we studied about. The three others are Hawaii, Alaska, and New Zealand.

We have done our multiplication tables up to the fives. We sing our multiplication tables with the tune of Yankee Doodle. When our teacher, Mrs. Meadows, calls on us we have to say the tables as fast as we can.

"I Win." We have studied fractions in our math book and started on division. Now we're going to go into harder multiplication tables like the sixes and sevens.

Reporter: Leslie Siebert
For Halloween we made a haunted house. John Whitaker brought a refrigerator box which we used for the house. We covered the box with black paper, and cut windows out. We made shutters and put spiders and skeletons hanging in it.

We cut a tree and fence out of construction paper and put them on the wall. We made a moon, too. Michael Waldyke brought in a red flashing flashlight for the house, and Debbie Campbell brought in a laughing bag. The first and second graders came in to see it. We also played a haunted house game. Everyone thought it was great.

Every Friday at 2:30 we have hobby time. Some of the hobbies are: knitting, model cars, ceramics, and marble work. Some of the teachers are: knitting, Nancy Tison; model cars, Tim Bareis, ceramics, Debbie DeSmyther; Marble work, Caroline Taylor. Hobbies are fun. If you do not know what a hobby is — well, I will tell you something about it. A hobby is something that you like to do. You do it every day sometimes. My hobby is collecting hot wheels.

day afternoon we made white ghosts with orange and funny orange pumpkins. We painted Halloween collages. There was a lower elementary parade which we watched. The children were dressed in costumes. We had a party with a big pumpkin on the teacher's desk. We had cider, doughnuts and candy.

The three fifth grade classes are going to the University of Michigan museum in Ann Arbor. Mrs. Fulks arranged it for us, and we are very thankful to her. We know we'll learn a lot. Our teacher has told us about some of the things we will see in the museum. It will cost each of us ten cents admission.

Reporter: Todd Headrick
On day for art we all had to go outside and get some dry weeds. We took the weeds and arranged them on paper. We used Elmer's glue, framed and hung them.

Mrs. Hightower showed us how to write our name in shorthand. Then we drew a picture around it. Some of us in Mrs. Senne's room had fun decorating pumpkins. We placed them in the showcase in the hall.

Reporters: Nancy Knott and Brian Lewis
On Tuesday, Oct. 27, we had a wonderful Open House. Our rooms were packed with parents and former students. Everyone looked happy and like they were having a good time. Many signed our guest book.

Reporter: Don Watson
We are trying to make 5th graders realize that they should have a regular study time (30-45 min.). It is best to do your work away from TV and in a quiet place if possible. If you have no homework, reading for fun or information is good.

Also, we are finding some very tired children in our room.

Cub Scout Pack 435 Awards Given

Cub Pack 435's monthly meeting was held Oct. 22 at North school. Flag was presented and retired by Den 15. Den 13 presented a Halloween skit, and Den 15 had a magic show.

Following awards were presented by Cubmaster Richard Kalmbach. Kris Steinauw won 13 arrow points, Alfred Schmidt received a one-year pin, while Mark Bucholz and Bill Kloubacher each received two-year pins.

New boys receiving Bobcat pins were Mark Lesser, Kurt Walworth, William Haworth, Andy Weir and Barry Scott.

Bill Kloubacher and Mark Bucholz were presented with the Webelos colors. Jeff Kiel was given his Boy Scout handbook.

Webelos leader, Ray Knickerbocker, passed out the following activity badges. Jeff Kiel, David Schrotenboer, Tim Knickerbocker, Alan Roskowski, Ken Mshar, Mark Bucholz, and Alfred Schmidt received their citizen badge. Kirk Steinauw, David Schrotenboer, and Tim Knickerbocker received aquanaut badges, while Kirk Steinauw and David Schrotenboer received their outdoorsman badge. Brad Myers received his naturalist badge, and Jeff Kiel received his athlete badge.

Sunday, Oct. 18, the pack and their families took a five-mile hike on the Potawatomi Trail. The hike was led by Joe Marentette, and he presented the hikers with their patches.

Next committee meeting will be Nov. 12 at the home of Mr. and Mrs. Les Kelemen. Next Pack meeting will be Nov. 19, at North school.

Car Plate Sales Begin Nov. 16

Lansing-License plates for passenger cars and motorcycles go on sale throughout Michigan Nov. 16.

The new plates . . . white on dark red . . . are the same colors as the 1969 plates. They will again be three letters and three numbers. For the first time, they will be reletterized.

ON ONE BIBLE

Vatican City—A committee of 10 Protestants and 12 Roman Catholic biblical scholars has begun a study of translation requirements needed for a common Bible for all Christians. It was urged that there be a sharing of information and coordination of studies.

MSU Museum Studies Mexican Animals

East Lansing—Several hundred rodents, reptiles and fish captured in the Mexican state of Zacatecas this summer have been returned to the Michigan State University Museum for biological studies.

Included among the specimens is one of the world's few poisonous lizards and a type of mountain rat never before captured alive.

Rita M. Jacob, Robert Burkhardt Married at Manchester Church

Mrs. Robert Eugene Burkhardt

Miss Rita Marie Jacob, daughter of Mr. and Mrs. Herbert Jacob, 15864 Below Rd., Grass Lake, and Robert Eugene Burkhardt, son of Mr. and Mrs. Lorenze Burkhardt, 14481 Pleasant Lake Rd., were married Saturday, Oct. 24, at the Emmanuel United Church of Christ, Manchester, before associate pastor, Don Gibson.

Roger Morrison of Manchester was organist at the wedding. Miss Jacob chose a floor-length white satin gown with Victorian styled tulle train. Her finger-tip veil was edged with lace, and she carried a Bible covered with lace, phalaenopsis orchids and stephanotis.

Mrs. Salvatore Vitale, of Auburn, N.Y., sister of the bride, was matron of honor. Her floor-length gown was blue lace. She carried a bouquet of blue tipped carnations, and white fluff.

Bridesmaids included Mrs. Kenneth Robards, sister of the bride, from Chelsea, and Mrs. Glen Mann and Mrs. Gary Mitchell, sisters of the bridegroom, both of Manchester. They were attired in blue lace floor-length dresses, and carried blue tipped miniature carnations with white fluff.

Mrs. Jacob, mother of the bride, chose a blue dress trimmed with lace for her daughter's wedding. Mrs. Burkhardt was attired in a blue two-piece suit which was trimmed with white.

Lisa Vitale, Auburn, N.Y., niece of the bride, was flower girl. Glen Mann, Manchester, brother-in-law of the bridegroom, was best man. Gerald Jacob of Grass Lake, cousin of the bride, Gary Mitchell, brother-in-law of the bridegroom, also of Manchester, and William Carothers, of Clinton, ushered.

Immediately following the ceremony, a reception was held in the church hall, after which the party moved to the Manchester Sportsman's Club. Mrs. Anita Jacob poured coffee, while Miss Linda Hoefft served the wedding cake. Mrs. Brenda Hickey of Ann Arbor, cut the wedding cake. Miss Marlene Lefler, Ypsilanti, attended the guest book, Miss Susan Jacob, Manchester, poured punch.

Following a short trip to the southern states, the newlyweds will reside at 505 Ann Arbor Rd., Manchester.

The bride is a graduate of Manchester High school. She has an associate degree from Washtenaw Community College as a radio-logic technologist.

The bridegroom is a graduate of Manchester High school. He is an auto repairman in Burk's Body Shop, Clinton.

Past Noble Grands Marks Halloween At Wolfe Home

Past Noble Grands Club of Chelsea Rebekah Lodge met at the home of Mrs. Clifford Wolfe on Francisco Rd., Oct. 27. Mrs. John Dyvork acted as co-chairman of the Halloween party.

Guests included Mrs. Odema Moeckle and Mildred Cogswell, both of Home City Lodge in Jackson.

Ghosts and goblins sat down to a dessert luncheon from a table decorated with the holiday theme and beautiful fall flowers from the hostesses' garvans.

Best costume prize was awarded to Mildred Cogswell. The door prize was won by Mrs. Luther Hale.

Games were the evening's diversion, with prizes going to the winners.

Plans were made to assist the lodge with the celebration pertaining to 50 years of membership for Mrs. Wilbur Breitenwischer, and Mrs. Alfred Hinz. Mrs. Breitenwischer was the first president of the Past Grands club. It was announced that there will not be a meeting in November. December meeting will be at the home of Mrs. Geno Colbre. Mrs. Hale will be co-hostess. Date for that meeting has yet to be announced.

Altar Society Plans Christmas Party

Regular meeting of St. Mary Altar Society was held Monday evening, Nov. 2, in the school gym, with 82 members present.

The Rev. Fr. F. Wahowiak opened the meeting with a prayer. Serving on the November altar committee are Mrs. Leo Hellner, and Mrs. Charles Williams.

Contact Lady, Mrs. Wayne Harvey, announced that this year was the 50th anniversary of the National Council of Catholic Women. Mrs. Harvey proposed that a \$5 gift be sent to the NCCW as an anniversary token from St. Mary's Parish. The suggestion was heartily approved by the members.

Mrs. L. D. Guinan, Good Samaritan Committee, reported that 50 pounds of clothing was taken to Ann Arbor for the needy.

Refreshment chairman for December is Mrs. James Gaken. Mrs. George Brettschneider reminded the ladies of the Christmas bazaar and bake sale, scheduled for Dec. 12, at the town hall.

The Rev. Fr. Wahowiak announced that the Bishop's Relief Clothing Drive will take place Thanksgiving week. The used clothing will be sorted and packed Friday evening, Nov. 27, in the school hall. Volunteers are needed to help with the work.

Members decided to hold a Christmas party in the school hall, Monday, Dec. 7. Program chairman will contact the Rev. Fr. Umberto of the St. Louis school regarding the Christmas program. Each person attending the party is requested to bring a home-made gift for the gift exchange. Also, home-made cookies or candy, brought by the members will be given to the boys from the St. Louis school for their efforts.

The Rev. Fr. Wahowiak closed the meeting with a prayer.

Miss Connie Orlowski, from the Chelsea High school speech department, explained mental telepathy, ESP, re-incarnation and related incidents of each. She also told about experiences that famous people had involving these phenomena.

Refreshments were served by Mrs. August Dorer and her committee.

Mrs. George Young Visits Son in California

Mrs. George Young, Waterloo, has just returned from San Jose, Calif., where she visited her son, Richard Young, and his family, for one week.

While in California, Mrs. Young visited Santa Cruz, the home of a former high school classmate, and the Redwood forest. She also visited San Francisco.

Mrs. Young left Tuesday, Oct. 20, returning Oct. 27.

Her son, Richard, is married, and has three children living in San Jose, where he is an electrical engineer.

A thought to remember: He who lives at high tension usually blows a fuse.

It is a known fact that hamburger is served at our dinner table more than any other meat. Do you sometimes run out of different ways to serve it? Try this clever recipe, really very simple, but looks fancy. It's a nice way of serving bread and meat in one dish.

- MEAT ROLL (6 servings)
1 1/2 lb. hamburger
1 medium onion, thinly sliced
1 teaspoon salt
1/2 teaspoon pepper
2 cups "JIFFY" Baking Mix
1/2 cup milk

- 1. Heat oven to 400°. Grease baking sheet.
2. In large skillet brown hamburger. Add onion, salt and pepper. Cook until onion is tender; drain any excess fat.
3. Blend Baking Mix and milk to soft dough.
4. Turn onto lightly floured surface and roll into rectangle 9x12". Cover with meat mixture. Roll as for jelly roll.
5. Place on prepared baking sheet, seam-side down. Slash top several times.
6. Bake 20 to 25 minutes. Serve with gravy, tomato or mushroom sauce.

ROGERS CORNERS STUDY GROUP

Rogers Corners Study Group met Tuesday, Oct. 20, at the home of Alvina Englebert. Lorena Wenk was co-hostess. Sixteen members, and two guests, Mrs. Ray Niles, Sr., and Mrs. Donna Bradbury, attended the meeting.

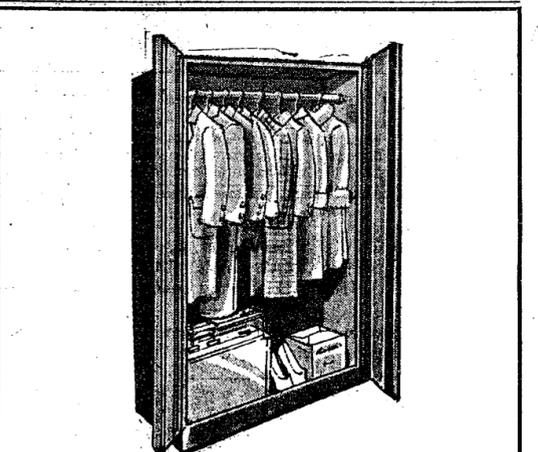

Meeting was called to order by the chairman, Marian Bristle, and the Women's Creed, was read. The secretary's and treasurer's reports were given.

Helen Wolfgang, Marian Bristle and Mildred Huchl, shared the Fall County Tour with the rest of the club. Members presented Christmas Open House ideas, and projects were chosen for display. Mary Ann Cranerolo, and Judi Sattysiak are to set up the display Monday morning, and Helen Wolfgang and Edna Wenk are to dismantle the display Tuesday evening.

It was decided that members not answering the roll call topic must put a nickel in the Sunshine Fund.

Mrs. Donna Bradbury, senior council member, was a guest and discussed the spring meeting. She also discussed the possibility of a country tour guide, and lessons for 1972 with the club. Meeting was adjourned, and refreshments were served.

TIPS for your TOP from TODDY and FRAN Looking forward to winter, got you down? There's no blues-chaser like self-improvement. It's fun, of course, to perk up your appearance with an expensive new dress, but not always practical. Something you can more easily afford that will do the same trick is a new hairdo. While it won't last as long as the dress, you can get it anew every week or two — while the dress would be growing older. You keep repeating the pick-me-up until, hopefully, it will become a part of life: the routine of good professional grooming. Magic Mirror Beauty Salon Phone 665-0816 5585 Jackson Rd., Ann Arbor

Monthly News NOVEMBER 1970 WHAT IS DIABETES? Normally the foods we eat are converted to a form of sugar called glucose. With the aid of an important substance produced in the pancreas—insulin—the blood stream distributes the glucose to the body cells where it is converted to energy or stored for future use. When the body does not produce enough insulin the sugar-glucose accumulates in the blood. WHAT ARE DIABETES WARNING SIGNALS? These are related to the increased amount of sugar in the blood (which can also spill over into the urine). This draws water out of body tissues and results in frequent urination. To replace this loss of water there is excessive thirst. Since sugar from food is not turned into energy there is weakness, fatigue and hunger. Sometimes diabetes is found without any symptoms during a regular physical examination by testing small samples of the blood and urine for sugar. HOW IS DIABETES CONTROLLED? Life can go on about the same provided the advice of the physician is followed faithfully as to proper diet, sufficient exercise and, if necessary, insulin injections or oral medication. We of course stock a complete supply of all products that are necessary for a diabetic to have. WHO MAY GET DIABETES? Anyone! But those most likely to have diabetes are blood relatives of diabetics, overweight people, middle-aged people, mothers of large babies (over 9 pounds). However, diabetes is not catching. HAVE YOUR FAMILY TESTED Most doctors now do this routinely, especially when there is a family history. But there are millions of people who have it and do not yet know they have it. Gridders of the Week

MARK SCHULZE, left, No. 60, is a senior member of the Chelsea football team. He plays guard on offense, and tackle and middle guard on the defensive unit. Mark, who has lived in Chelsea most of his life, has played on Chelsea teams for the past three years. This is his first year on the varsity team. Other activities include participation in the local Junior Achievement program. Mark is corporate vice-president of this year's WPA company located at the Chrysler Proving Grounds, Demaco. Following high school, Mark plans to stay in the area, and make his home here. He is contemplating joining the Navy, indicating that the educational facilities provided in the service appeal to him. Also, he enjoys flying. He lives at home with his parents, Mr. and Mrs. Richard Schulze, at 20086 Brown Dr. He has two brothers, Dan, who is on the JV football team, and Robert, in the second grade, and one sister, Susan, who is a junior.

TOM HARMON, No. 40, is also a senior. This is his sixth year on one of Chelsea's teams, the second year on the varsity. Tom suffered an injury in one of last year's games, a broken knee, which kept him from playing the rest of the season. His positions are middle linebacker, corner linebacker, and tackle. He enjoys football, and has played many positions since he started six years ago, including center, and center guard. He swims, and enjoys deer hunting. Following graduation from Chelsea, Tom would like to go to college, EMU preferably, or into one of the services. Ultimately he would like to teach special education classes, and coach. Tom lives with his parents, Mr. and Mrs. Addison Harmon, 13205 Old US-12, and one of his brothers, Donny. His other brother, John, is married and living in Chelsea. He has a sister, Pauli, also.

Robert Foye Family Transferred to Texas

Robert P. Foye, and family, Manager for Chrysler Import Division of Chelsea, have been transferred to Houston, Texas, recovering from injuries received where Foye is Part Operations when struck by a car in May.

CHS STUDENTS VOTE:

Democrats Sweep Most Offices in Mock Election

Juniors and seniors at Chelsea High school cast their votes, Thursday morning, Oct. 29, at Sylvan Town Hall, in what is the school's second mock election. Purpose of the election which is sponsored by the government classes, is to educate Chelsea students in both current events, and the very practical use of the voting machine. The practice began in the fall of 1968, when Chelsea High school juniors and seniors voted for their favorites in the local and national elections of the time.

James Bechtelheimer, who is responsible for this venture, indicated that the students have been discussing the political issues, and the campaign, all fall, and that they had been versed in the mechanics of the voting machine prior to their actual encounter with it. Students cast their votes in the following ways:

On the proposals to amend the state constitution, the Chelsea students cast 113 "yes" votes out of 270 on Proposal A, the proposed amendment to issue bonds to provide low-income housing. 83 "no" votes were cast for that amendment.

Proposal B, the amendment to lower the voting age to 18, was favored by Chelsea students, 162-35.

On the Parochial issue, the controversial Proposal C, Chelsea students cast 134 "yes" votes, to op-

porting the millage increase for Washtenaw Community College. 76 young people were in favor of the measure, while 108 opposed it.

In the race for governor, Chelsea students favored Sander Levitt to Milliken by 143-102. Austin Pose Parochial, to 44 "no" votes. For attorney general, Chelsea students favored Kelley over Farr, 175-99. Senator Hart was the decisive winner in his contest with LeRoy Romney, as the students voted 194-68 in his favor.

In the Congressional race from the second district, Congressman Marvin Esch was re-elected by the youths over candidate Stillwagon by a margin of 141-106.

Bursley narrowly slid by his opponent, Sallade, in his race for the state senate by a close vote of 121-120.

There were no democratic candidates for state representative from the 51st district, to oppose Thomas Sharpe, who won his seat with a vote of 147.

In the contest for the state board of education, Republicans Geake and Robinson received votes of 147 and 93, respectively, while Democrats Brennan and Miller received tallies of 146 and 129.

For the board of regents of the University of Michigan, Democrats Brown with 142 votes, and Wat-

kins with 138, were sure winners over Goebel with 86 and Schuler, 87.

In the race for the board of trustees of Michigan State University, Democrats Carrigan and Stevens, with tallies of 131, and 128 respectively, beat out Republi-

cans Dehl, with 94 votes, and Ernst, 106.

Wayne State Board of Governors race saw Democrats Atchison, with 127 votes, and Pincus, with 120 votes; the victors over Republicans Hayes, with 95 votes, and Kennedy, who had 110.

As there was no Democratic candidate for county commissioner, Jay Bradbury, Republican, received 123 votes, to clinch his reelection.

In the Sylvan township elections, as there were no candidates from the GOP for township supervisor, or township clerk, Chelsea voters cast 175 votes for Hoffman, Democratic candidate for supervisor, and 178 votes for township clerk Mur-

phy.

Democratic candidate Barbara Dreach was the victor over Republican Pearsall for township treasurer, by a margin of 138-102.

For township trustee, Lyle Christwell received 132 votes, while his Republican opponent, Reuben Lester had 102.

Since there were no Democratic candidates for township constable, Republicans Pierson, who received 128 votes, and Walz, with 129 were both elected.

Teachers Sam Vogel, government and Fred Elmore, American History, assisted in the mock election. Bechtelheimer indicated that Dan Murphy, township clerk, made arrangements for use of the hall.
