QUOTE

"Labor to keep alive in your breast that little spark of celestial fire—conscience."
—George Washington, 1732-1799.

Wrestlers Place Third In Conference Tourney

Chelsea wrestlers traveled to Dundee Saturday for the South-eastern Conference meet, placing third in the meet after Dexter and Saline. Final scores revealed that Dexter placed first in the tourney with 91 points, followed by Saline, who tallied 78. Chelsea was in third with 62 points, while Dundee and Milan followed with 52, and 41 points, respectively.

Named 'Good Citizen'

JANE MANN

Talent Show Set By Civitans

Audition dates for the Amateur Talent Show, sponsored by the Chelsea Civitan Club, will be announced shortly. Norman O'Connor, chairman of this year's program, announced this week. Chelsea residents are encouraged to sharpen up their talents and prepare an act for the show which will be held Saturday evening, April 17, at 8 p.m. in the Chelsea High school auditorium.

O'Connor stated that there will be additional prizes to be given this year for the best acts. There will be two auditions, in late February or early in March.

Jane Mann, daughter of Mr. and Mrs. Paul Mann, 637 Flanders, has been chosen to receive the Ann Arbor, Sarah Caswell Angell Chapter of the Daughters of the American Revolution "Good Citizen" award.

This award is given to nine senior high school girls in Washtenaw county each year—one girl from each of nine selected high schools.

Recipients of the awards are chosen by their classmates and teachers and are decided on the basis of personal qualities of dependability, including truthfulness, loyalty, punctuality, service, co-operation and consideration of others, leadership, self-control, the ability to assume responsibility, and patriotism in the unselfish interest in family, school, community and nation.

Jane, a senior at Chelsea High school, is very active in school and community activities. She is treasurer of the student council, and a member of the National Honor Society. She participates in the Forensics Club, and the Senior Trip Club. A member of the First Congregational church, she has done volunteer work at University Hospital for the past two summers. She was Chelsea's Community Fair Queen in 1969, and is a center on the girls basketball team. She has served as a class officer in her freshman and sophomore years, serving as treasurer and vice-president, respectively.

Academically, Jane is a good student, holding a 10.1 average on Chelsea's 12 point scale. She is seventh in her class of 190 students. Her career goals include (Continued on page five)

while Mike Spence at 112, placed second. Other place winners for Chelsea were Gary Montagne, at 132, and Bill Kushmaul, 145. While the over-all results were not too pleasing to him, Coach Richard Bareis, expressed satisfaction with his squad's efforts. He points to the return to the squad of three out of four finalists. At 105 pounds, Dale Poertner tied Danielson in regulation time before losing in over-time in a real close match.

Jon Schenk scored a pin win and then lost to the eventual second-place finisher, 1-0, in a tight match.

Bareis indicated that Gary Montagne was denied a third place finish by a very serious officiating error. Taking all of these into consideration, added to the fact that the Chelsea squad is a young wrestling squad, the team made what the coach felt was a "respectable" performance.

This week Chelsea travels to Parma Western on Saturday for the District tournament. Wrestling starts at 12 noon.

Leo A. Guinan 'Critical' After Auto Crash

Snow-covered roads were partially to blame in an accident that occurred Friday afternoon, Feb. 12, at 3:43 p.m., on Waterloo Rd., one-tenth of a mile southeast of Roe Rd.

Leo Andrew Guinan, 80, of 1478 Sugar Loaf Lake Dr., was headed north, when he attempted to make a left turn into 16920 Waterloo Rd., and struck a truck, almost head-on, which was heading south. Driver of the pick-up truck was Philip Douglas Klink, 17, of 9121 Waterloo-Munith Rd., Grass Lake. He was headed south on a downhill grade at 40 mph when Guinan's car crossed directly in front of him. He was unable to stop, and the two vehicles collided head-on. Guinan's vehicle was in Klink's lane at the time of the impact, according to police records.

Klink's injuries were listed as (Continued on page three)

VOCATIONAL RESIDENTIAL CENTER
GIFT: Mrs. Marcia MacMullen, left, representative of the Chelsea Community Chest, presented a check for \$1,000 to Mrs. Donald Baldwin, treasurer of the Chelsea Community Chest for the conversion of the former juvenile detention center on 2260 Platt Rd. to the new Vocational Residential Center. The new center will train and educate juvenile delinquents who are wards of the court. There were 11 juvenile wards of the court from Chelsea in 1970, court officials claim.

mer juvenile detention center on 2260 Platt Rd. to the new Vocational Residential Center. The new center will train and educate juvenile delinquents who are wards of the court. There were 11 juvenile wards of the court from Chelsea in 1970, court officials claim.

Chest Fund Gives \$1,000 to Vocational Training Center

A donation of \$1,000 from the Chelsea Community Chest to the Vocational Residential Center, located at 2260 Platt Rd., Ann Arbor, has boosted to 90 percent completion the fund-raising campaign for the new juvenile facility there.

According to Mrs. Donald Baldwin, treasurer of the 1971 Chelsea Community Chest, the board voted to give their "overage" money received from the 1969 campaign toward this project. Mrs. Baldwin noted that it wasn't until mid-December that it was determined that there would be so much money coming in extra, and Chest officials immediately looked around for a "worthy cause" to which they might give the overage money. Judge Francis L. O'Brien appeared at the annual meeting on Jan. 27, at which time the decision was made, and explained that in the past year 11 juveniles from Chelsea were wards of the Court and worked

with the Court programs. Chest officials felt, therefore, Mrs. Baldwin indicated, that the Chest officials felt this new facility, which is designed to educate and discourage potential future problem causes, would indirectly benefit Chelsea. It was the unanimous decision of Chest officials to give the money to the Vocational Residential Center.

The Vocational Residential Center is a multi-purpose facility which will provide pre-vocational training and education to juvenile court wards living in Washtenaw county. Site of the center is the former juvenile detention home at 2260 Platt Rd., built in 1954 and used as a secure custody quarters for 12 juveniles. Conversion of the former detention home into a vocational training center is the basis for a Federal law enforcement grant of approximately \$200,000, which will finance the Center's staff and program for two years.

Market value cost of remodeling the facility, estimated at \$37,000 by architect Donald MacMullen, is being raised from funds donated by many civic organizations and individuals throughout Washtenaw county. A condition of the federal grant requires that the community finance the remodeling of the building.

Two separate programs will be offered at the new juvenile center. The resident program will provide housing, education, and job training to a maximum of 12 girls, aged 15½ to 17, at any one time, or an estimated average of 30 girls per year.

In addition, a day-school program will provide tutorial assistance and pre-vocational training to boys and girls under Juvenile Court jurisdiction. The Court estimates that 192 children per year could receive training through the Center's day program.

The Center will open when the County Board of Commissioners formally accepts the converted facility. The board is scheduled to inspect the Center on Feb. 25.

Cagers Lose to Lincoln, But Victorious Over South Lyon

Chelsea's basketball team traveled through the snowstorm last Friday night to play the Ypsilanti Lincoln Railsplitters. It was a long trip down there, and an even longer trip home, Coach Kelly commented, as the Railsplitters downed the Bulldogs, 72-62. After their hard-earned victory against Milan the week before, the team just couldn't put things together, as the Lincoln team dominated the pressure-packed game.

The first quarter of the game was evenly played as Ron Sweeney and Jim Wojcik led the Bulldog scoring with seven and five points, respectively. But Lincoln countered with Ken Wright and Vern Porter as they also scored seven and five points, respectively.

Going into the second quarter, Lincoln led, 16-12, and they quickly took charge. The Chelsea team missed three shots in succession and the Railsplitters countered with two baskets to increase their lead to eight points. Then the roof fell in on the Bulldogs, Coach (Continued on page two)

After falling out of the first place tie on Friday night, the Chelsea Bulldogs rebounded to a 70-56 win over the South Lyon Lions, Saturday.

Chelsea started out with a fine offensive effort as Jim Wojcik canned three long shots in succession. South Lyon kept pace as they hit from the outside also, continuing to trade baskets with Chelsea throughout the first quarter. The first period came to an end with each team counting 16 points.

Chelsea began to show their dominance in the second quarter as six Bulldogs broke into the scoring column with Ron Sweeney and Jeff Hughes leading the way with six and five points, respectively. Jim McIntosh of the Lions kept his team in the game by scoring 10 of his 15 points. The first half ended with Chelsea leading, 35-30.

In the second half, the Bulldog defense tightened up and held the Lions to 12, and 14 points, (Continued on page two)

State Jaycee Basketball Tournament Coming to Chelsea

Chelsea Jaycees will host the State Jaycees Basketball tournament Saturday, Feb. 27. Thirty teams will participate in the elimination tournament.

Basketball games will start at 7 a.m. Saturday in the Chelsea High, Beach, North, and St. Louis school gymnasiums. No admission fees will be charged until the final games are scheduled to start at 5 p.m. At that time a 75 cent admission fee will be charged for adults, and 50 cents for students.

Co-chairman of this event are Dave Clark and Tom Steele. Their committee consists of St. Hopkins, Glen Weir, Ed Greenleaf, and Art Steinaway. The Chelsea Jaycee Auxiliary will be assisting with the day's events. Jaycee officials commented that this is the first time that Chelsea has ever held a state-wide event. Dave Clark estimated 600 persons from all over the state will be on hand this week-end to participate in the activities.

Fire Loss Hits \$410,575 Total For Past Year

Fire Chief Jim Gaken's annual fire loss report for 1970 has been completed and handed in to Village Council officials. The chief indicated that a total number of 113 calls were received for assistance from his department. This is more than 50 calls less than the record high 169 calls received in 1969.

Of those requests for fire help, 59 referred to grass fires, 13 of which started along the railroad tracks. Twelve dwelling fires were noted, and 14 cars and trucks caught fire. One fire occurred in a bulk gas plant, along with one fire in a restaurant. Six fires occurred in mercantile plants, while four fires were reported in manufacturing plants. All other fires totaled 13, while the firemen had one aircraft fire to extinguish. One call for the use of the department's resuscitator, and one false alarm were received.

Fire loss on dwellings was estimated at \$29,900 for the year, while fire loss on buildings other than dwellings totaled \$189,200, an unofficial record. Fire loss to the contents of dwellings came to \$8,460, while the fire loss to contents of buildings other than dwellings was \$176,700. This last figure, and the other "unofficial record" total for buildings other than dwellings were the result of the disastrous fire which consumed the Frigid Products building on N. Main St., Aug. 7.

Other fire losses totaled \$6,315, which brought the total fire loss for the year to \$410,575. The total loss exceeds last year's figure by \$208,400 the chief indicated, which again was the result of the Frigid Products fire.

Total man hours for the department this year was 1,577½, which composed about 40 percent of the total fire department's "bill" for the year. Once again the chief cited the Frigid Products fire as the reason for this figure.

Other big fires of the year included a fire in the building which is now the Pizzaria located on Old US-12. It was formerly the

office and apartment building of Charles Slocum, at the time of the fire, which was Feb. 19. Also in February, the barn and its contents belonging to Jack H. Van Gorder of Detroit was destroyed.

A serious fire in the residence of the Headricks, on W. Summit St. occurred March 28, followed by a serious fire at the George Navin residence on 406 Wilkinson St.

Aug. 18, a house and house trailer located on Heim Rd., owned by John E. Simpson, 221 Washington St., burned. No one was living in the buildings at the time of the fire.

Aug. 24, the barn and garage at the Elwyn Beach residence, 151 Summit St., burned badly.

David Pletcher's home at 991 Ridge Rd., had a fire in the attic on Oct. 2, while the Grant Withey residence at Half Moon Lake burned to the ground on the night of Oct. 28.

Independents Name Slate At Caucus

Independent Party members in the Village of Chelsea caucused Monday evening, Feb. 15, to name candidates for the coming March 8 Village elections.

A small turn-out met to choose candidates to run, uncontested, for the positions of village trustees, assessor, clerk, and library board trustees. Selected to run for the two-year terms of trustee were Eldon Gorton, incumbent; Arden Musbach, incumbent; and Dr. Richard Borton.

Incumbent Thomas Smith was chosen to run for the one-year term of village assessor, while Richard Harvey was nominated to seek re-election for the position of village clerk.

Catherine Wagner and Robert (Continued on page five)

March of Dimes Drive Collects \$1,700 Total

The 1971 Chelsea "March of Dimes" campaign is officially over and the results show a good return for this year's efforts. A total of \$1,700 was collected during the drive which lasted the entire month of January, and the first week or so into February.

Unofficial totals show that the canisters and dime board revenues totaled \$400. Mrs. Ed Greenleaf was chairman of this project, assisted by Mrs. Mitchell Zink and Mrs. Dan Eder. The

committee had canisters circulated prior to Jan. 1, and collected them on Feb. 8.

Returns from the Mother's March, Peanut Sales and Bowling tournament sponsored by the drive completed the returns. Mothers March collected \$760 this year, which is \$80 more than last year's return. Mrs. Richard Loring was the chairman of the program, which canvassed local neighborhoods Sunday afternoon, Jan. 31. (Continued on page five)

COOKIE SALESGIRLS: Girl Scouts Carolyn Schardein, left, and Gayle Hume (right) of Troop 82, try out their sales techniques on Mrs. James Schardein, 46 Butternut Ct., as they prepare for their annual Girl Scout Cookie Sale. This year's sale will get underway on Friday, Feb. 19 for all

It's Girl Scout Cookie Time

Girl Scout cookie time has come again! Two Junior Girl Scout Troops, and one Cadette Troop in Chelsea will handle this year's cookie sales in this area.

Chelsea's Girl Scouts are a part of the Huron Valley Scouts, who will all be selling the cookies from Feb. 19 through March 6. Scouts hope to reach a goal of 320,000 boxes for this year's sale. This goal will bring a \$64,000 profit for the council to use in expanding the camping program, and providing camping opportunities

for needy Scouts. It will also mean a profit of \$16,000 for the individual troops to use for service projects, camp-outs, trips, and buying trip equipment.

Last year, more than 6,000 boxes of cookies were sold in Chelsea, with profits totaling more than \$300 for the Chelsea troops.

Troop cookie chairmen for this year's sale are Mrs. Keith (Marlene) Schuelke, Troop 82, Mrs. Jerry (Marqueta) Satterthwaite, Troop 58, and Mrs. Doris Knott, Troop 98.

The cookies sell for 50 cents a box, and there are five kinds to choose from: Frosties, Sandwich Cremes, Thin Mints, Sugared Short bread, and Peanut Butter Patties. Cookies ordered now will be delivered by the Girl Scouts from April 13 to 26.

Those wishing to order cookies, who are not contacted by a Girl Scout, may order from any of the three chairmen, Mrs. Schuelke, 475-5766, Mrs. Satterthwaite, 475-5481, or Mrs. Knott, 475-8247.

DISTRICT CHAMPS: Future Farmers who competed in the District Parliamentary Procedure contest held Thursday, Feb. 11, in Dexter, included, front row, from left, Mike Brislé, Marty Straub, chairman; and Dan Gaunt, acting vice-chairman. In the second row are Ted Hinderer, John Stinehelfer, and Neil Bollinger, secretary. Mike Merkel is also a member of the team, although he was unable to attend the contest on Feb. 11. Chelsea's FFA group took first place in this competition, and received a gold rating for their efforts. They will represent the District in the Regional competition which will be held Thursday, Feb. 25 in Litchfield. Sponsor of the FFA program this year is Douglas Davidson, vocational agriculture teacher at the high school. (See related story on page eight.)

Chelsea District Court Has 4,895 New Cases

District Court Judge Patrick J. Conlin reviewed a total of 4,894 new cases in the third court in the 14th district this past year. According to a report issued recently by Henry D. Arkinson, presiding judge during 1970 of the 14th District Court, the sum total of new cases reviewed in all three courts was 23,791.

Ed Beissels Host Valentine Party for Boys at St. Louis

Mr. and Mrs. Ed Beissel, hosted their annual Valentine's Party for the boys at St. Louis school Wednesday evening, Feb. 17. Those present for the occasion were the boys and staff. Games were played and the boys played records.

On behalf of Fr. Louis Frangi, director of the school, the boys presented Mrs. Beissel, the sisters, teachers, and Mrs. Robbins, with a special box of candy each.

The band played a special song for Mrs. Beissel, "Let Me Call You Sweetheart."

Chocolate cake, especially decorated for the occasion, with ice cream and candy were served as refreshments.

Of those cases were "closed." Of the cases where justice was dealt with, 220 were civil claims, while 129 were small claims. Landlord summary accounted for 39 cases, while traffic statute violations accounted for the largest hunk, 2,530. Non-traffic statute violations came to 248 in number, while traffic ordinance violations were 1,412. Non-traffic ordinance violations totaled 113.

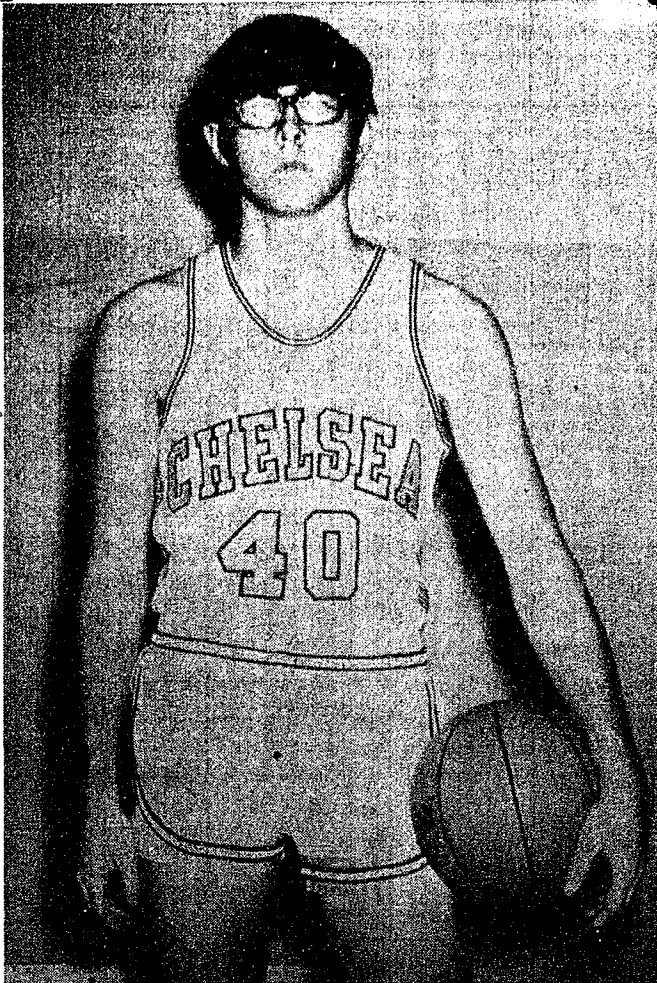

A total of \$96,664.47 was collected in fines and costs in the Chelsea Court, which contributed the least amount of court monies to the \$20,366.30 District Court 1970 coffers. Of that sum, \$2,025.87 is due to be paid back into the Village of Chelsea.

Inverness Golf Course Superintendent at Turfgrass Conference

Fritz McMullen, golf superintendent of the Inverness Country Club, is in Denver, Colo., this week attending the 42nd International Turfgrass Conference and Show. This year's show is being held at the Curragh Hall Convention Complex, Denver, Colo.

Sponsored by the Golf Course Superintendents Association of America, the conference is the most important and outstanding annual forum of the turfgrass industry.

Cager of the Week

JEFF HUGHES, junior, is a forward on the Bulldog cage team this year. Hughes is now in his second year on the team and into his third year playing on Chelsea roundball teams. Jeff moved to Chelsea in his freshman year, from Saline. This bouncy roundballer enjoys hunting, and is a member of both the football and track teams. His career interests include a tour of duty with the Air Force, "to serve my time." Jeff lives at home with his parents, Mr. and Mrs. Cebert Hughes, 6651 Werkner Rd. His brother, Mike, who attends Washtenaw Community College, lives with them, although Jeff's older sister, Mrs. William (Carol) Young, is married and lives in Ann Arbor.

'Hidden Jewels,' American Travelogue Slated Saturday

"Hidden Jewels, An American Mosaic," will be the topic of a travelogue presented Saturday evening, Feb. 20, at Chelsea High school. Sponsored by the Kiwanis Club of Chelsea, "Hidden Jewels," has been filmed and presented by Joe Adair, one of the youngest travelogue lecturers in America.

Adair's film will explore little known but interesting parts of America which he has taken on his many trips across country.

A native of Iowa, Joe Adair holds a master's degree based on sociology and economics, but his education has scarcely been limited to the campus. He has followed the midnight sun across Iceland and thrived on raw fish and octopus in Japan. He has been made to feel equally at home living with the Moslems in Kuwait, Hindus in India, and Kikuyus in Kenya. He lived for two years in Haile Selassie's mountainous realm of Ethiopia while serving with the Peace Corps, and has traced and retraced East Africa's grasslands to photograph her game at home.

Adair has learned to fly and holds his pilot's license, which helped him to hop about the American continent to take the pictures for this most unusual travelogue, "Hidden Jewels." Presented in the Chelsea High school auditorium, the action starts at 8 p.m.

Michigan ranks first in 19 manufacturing categories, including motor vehicles and cereals.

JOE ADAIR

Guinan Injured...

(Continued from page one) minor, and he refused medical treatment. Guinan was taken to St. Joseph Mercy Hospital, where he is listed in critical condition.

Chelsea Police Officer Sgt. David McCormick was dispatched to the scene, after which the case was handed over to the Washtenaw County Sheriff's Department.

The first auto traffic tunnel built between two nations was the mile-long Detroit-Windsor tunnel.

Parli-Pro Team Wins District

Chelsea's FFA Parliamentary Procedure demonstration team traveled to Dexter Thursday afternoon, Feb. 11, and received a gold rating, and took the first place award in the District Parliamentary Procedure competition. The field of participating chapters was pared down, as three of the six schools slated to appear on that day were forced to cancel.

Chelsea's win entitles them to represent the District in the Regional competition, which will be held Thursday, Feb. 25, at Litchfield. Team members for the FFA group included Marty Straub, chairman Neil Bollinger, secretary Dan Gaunt, vice-chairman Mike Bristle, Ted Hinderer, John Stinehelfer, and Mike Merkel.

All teams were judged on their ability to solve a problem while displaying the proper procedure for presenting the following abilities: receiving a motion to suspend the rules; receiving a motion of business and receiving a motion to adjourn; rising to a point of order; receiving and disposing of a motion and its amendment; and leaving the chairman's station and returning to this station.

4-H Clubs

FREER ACRES

Freer Acres 4-H club met at the home of their leader, Mrs. Robert Daniels, Tuesday evening, Feb. 16. The girls brought their garments and worked on them during the meeting.

Mrs. Gerry Giffin, Mrs. Gloria Greenleaf, Mrs. Mary Powers, and Mrs. Robert Robbins were there to help Mrs. Daniels with the girls' questions.

Announcements were made, and the girls were dismissed.

Diane Robbins, scribe.

Teams from Manchester and Dexter both received a silver rating at this contest, Douglas Davidson, agriculture teacher at the high school, and sponsor of the FFA, commented.

In the Demonstration contest, both Manchester and Dexter received gold ratings. The Manchester team will compete in the Regional contests.

Manchester also took honors in the Farm Forum contest, and received a gold rating. Dexter received a silver rating.

Dale Lesser of Dexter won the Public Speaking contest, and received a silver rating. The speaker from Manchester also received a silver rating.

All winners at the Regional level will compete in the State competition to be held in East Lansing. These contests are held during the State FFA convention, which coincides with Farmers' Week at MSU, Davidson stated.

Owen D. Cavender Receives Army Good Conduct Medal

Ft. Riley, Kan.—Army Specialist Four Owen D. Cavender, 21, whose parents, Mr. and Mrs. Owen F. Cavender, and wife, Nina, live at 517 Wilkinson St., Chelsea, Mich., recently received the good conduct medal at Ft. Riley, Kan. The medal, established in 1941, is awarded on a selective basis for those who distinguish themselves from among their fellow military personnel through exemplary conduct, efficiency and fidelity during their active military service.

Spec. Cavender received the award while assigned as a cannoneer in Battery C, 8th Battalion of the 1st Infantry Division's 6th Artillery.

He entered the army in January 1969, completed basic training at Ft. Knox, Ky., and was last stationed in Vietnam. He is a 1967 graduate of Chelsea High school.

CARD OF THANKS

I take this way of expressing my sincere thanks to the doctors and nurses and all other helpers in the Chelsea Medisenter who helped in caring for my sister, Ida A. Emmons. Also for plants, cards and letters which were sent to her. I wish to thank the Caskey Funeral Home for their fine service, the Rev. Altha Barnes for her comforting words, and my relatives, neighbors and friends for the beautiful flowers, the sympathy cards and their many acts of kindness.
Daniel Emmons.

Keep It Charged

It's important to keep your car or truck on the go by operating it enough to keep the battery charged, especially during cold winter months. It takes your car at least three miles of driving to recharge the battery after starting on a cold morning.

Michigan's name is derived from the Indian words "Michi-Gamma" meaning Large Lake.

CHS Wrestlers Lose to Strong Dexter Squad

In what Coach Richard Barajas termed a "very tough match," Chelsea's grapplers fell to a more experienced Dexter wrestling squad on Thursday evening, Feb. 11. Chelsea could only come up with two wins and three draws, although most of the evening's matches were hard fought. There were only four pins the entire evening.

Mark Montagne started Chelsea out right, with a pin over Jack Starzec. Dale Poertner, at 105, then lost a tough match, 3-2, with Dexter, getting a take-down with less than a minute to go in the match.

Mike Spence at 119, lost, 2-1, to Stan Starzec in a tight match. At 119, Jim Wencel pinned Tim Blank-

maker at 130. Larry Jones then came up with an 8-8 draw on a hard fought match. At 182, Gary Montagne put up a good effort, but lost, 14-1, to Mike Kerper.

Tim Lancaster came through with a last second point to earn a 2-2 draw with Dave Gibbs. At this point, Dexter started taking over, as Dale Klapperich pinned Bill Kushmaul at 145. At 155, Jon Schenk lost, 18-0. Doug McDonald salvaged a 2-2 draw against O'Doherty at 167.

At 185, Randy Seitz lost, 14-3, and at heavyweight, Rod Branham was pinned.

In the JV action, Chelsea showed promise as they bombed the Dreadnaughts, 23-3.

Jon Marzec registered an 11-2 win at 98, and Steve Siebert, wrestling at 112, lost a 4-0 decision. At 119, Glen Musolf pinned his man at 5:15, while Mike Robins, at 126, pinned his man at 1:21. Larry Hopkins then pinned his opponent at 4:20 at 138, and at 155 pounds, Rob Craft, wrestling up one weight, won a 4-3 decision.

Chelsea Police were called in to investigate a break-in of a pop machine at the Wash & St. Laundromat, 114 W. Middle St., Wednesday morning, Feb. 10. The incident occurred late the evening of Feb. 10, or in the early morning hours of Feb. 11.

Mrs. Doris Abdon, 3215 N. Lima Center Rd., clean-up woman at the laundromat, discovered the break-in when she reported to work at 7:15 a.m.

An unknown amount of money was taken, and no pop was missing, officials reported.

Owner of the laundromat is Robert Towner, 2921 Dayton St., Ann Arbor. Robert Oesterle, a bartender at Seitz's Tavern, had locked up the building at 1:15 a.m., the morning of Feb. 11.

Post Office Halts Window Service On Saturdays

Postmaster Richard Schauler announced today that public finance windows, at the Chelsea Post Office, will be closed on Saturdays, starting Feb. 20.

Public lobbies will be open as usual on Saturdays, for the convenience of lock box customers. However, manned windows, providing stamps, money orders, registry, parcel post, information, and other services, will be closed. Stamps may be purchased from the self service vending machines.

This change in service is part of a recognition of the change in mailing habits of many postal customers, and is being observed by other post offices in this area.

On EMU Honor List

Heidi Sprague, daughter of Mr. and Mrs. James F. Sprague, 8490, Clear Lake Rd., had a 3.5 average for her first semester at EMU, out of a 4-point system. Heidi is a freshman at EMU majoring in languages, and minoring in music.

JULIUS BLAESS, Representative

TODAY'S THOUGHT

By LOUIS BURGHARDT

Law and order has been a harassing problem in recent years. A basic cause for our internal insecurity has been the perversion of constitutional law. Obviously, if more people would obey the law, enforcement would be a lesser problem. Washington's Farewell Address includes a caution, cause and cure for the problem. Read it—

"Respect for government authority, compliance with its laws, acquiescence in its measures, are duties enjoined by the fundamental maxims of true liberty. The basis of our political systems is the right of the people to make and to alter their constitutions of government. But the constitution which at any time exists, till changed by explicit and authentic act of the whole people, is sacredly obligatory upon all. The very idea of the power and the right of the people to establish government presupposes the duty of every individual to obey the established government. All obstructions to the execution of the laws, all combinations and associations, under whatever plausible character, with the real design to direct, control, counteract, or awe the regular deliberation and action of the constituted authorities, are destructive of this fundamental principle and of fatal tendency." . . . BURGHARDT FUNERAL HOME, 214 East Middle St., Chelsea, Mich. Phone GR 54141.

School Board Briefs

At the Board of Education meeting held Monday evening, Feb. 15, present were President Irwin, members, Smith, Koenn, Hopkins, Haselschwardt, Powers, Storey, Superintendent Cameron, Principals Lane, Conklin, and Assistant Principal Fauble.

Several guests also attended the meeting. Meeting was called to order by President Irwin at 8 p.m.

Motion by Powers, supported by Haselschwardt, to approve the minutes of the Feb. 1 meeting as presented. All ayes.

Motion by Haselschwardt, supported by Hopkins, to adopt the agenda as amended. All ayes.

Motion by Koenn, supported by Smith, to pay general fund bills of \$10,991.14. All ayes.

Robert Daniels presented the board with a statement of the legal position of the board for the use of school facilities by the recreation council.

Motion by Powers supported by Haselschwardt, to sign the release on the Beach school boilers, as presented by Peter C. Flintoft. All ayes.

Motion by Koenn, supported by Hopkins, to go into executive session at 9:15 p.m. All ayes. Meeting called back to order at 10:55 p.m.

A discussion was held regard-

ing the meeting on Feb. 4, with Senator Gil Bursley and Rep. Roy Smith.

Additional lights will be installed at the high school as soon as the weather is warm enough.

It was announced that the transportation committee will meet in the near future.

It was also announced that the new tractor is to be delivered this week.

A discussion was held regarding the Co-Op program at the high school.

Principal Alan Conklin requested permission for a camping program for the sixth graders to be held the week of May 10. The board directed Principal Conklin to proceed with the planning.

Superintendent Cameron reported on the letter sent to John Porter, Superintendent of Public Instruction, regarding the achievement tests for the fourth and seventh graders. No action was taken by the board.

An application for a sabbatical leave for the first semester of the 1971-72 school year was received from Bert Kurse. The Board must notify the applicant of its decision by June 15.

A brief discussion of negotiations of a new Master Contract was held. Meeting adjourned at 12:35 a.m.

SHARON TOWNSHIP BOARD OF REVIEW

Notice is hereby given to all persons liable to assessment for taxes in the

TOWNSHIP OF SHARON

County of Washtenaw, State of Michigan

That the Assessment Roll of said Township as prepared by the undersigned will be reviewed by the Board at

SHARON TOWNSHIP HALL

Appeals and Conferences with Taxpayers

will be heard on

TUESDAY, MARCH 9, 1971

at which time the Board of Review will be in session from 9 a.m. to 3 p.m. of said day, at which time upon request of any person who is assessed on said tax roll or of his or her agent and upon sufficient cause being shown, said Board of Review will correct the assessment as to such property in such manner as will in their judgment make the valuation relatively just and equal.

Such assessment tax roll as reviewed and approved by said Board of Review will be the assessment roll of said Township of Sharon for the year 1971.

LEADERSHIP OF THE MICHIGAN SENATE was set Wednesday with Sen. Gilbert E. Bursley (R-Ann Arbor) front, from right, assuming his new position as assistant majority leader. Republican leaders included, seated, from left, Sen. Jack Toepf, majority floor leader; Sen. Robt. VanderLaan, majority leader; and standing, from left, Sen. Charles Zollar, caucus chairman; Sen. Robt. Davis, majority whip; Sen. Anthony Stamm, assistant president pro tem; and Sen. Milton Zaagman, president pro tem.

Girl Scouts Seek Resource Persons

Area Girl Scouts are attempting to establish a resource file for leaders, and are seeking assistance from local residents, it was announced this week.

The file is to assist the Girl Scout leaders as they plan activities and projects for their girls, by alleviating the need to "scout the area" for demonstrators or places to tour. A leader would be able to telephone a "resource director," and obtain information on people to contact in any specific area of interest.

People willing to share their talents or skills in a specific craft area, who would be willing to demonstrate them to individual troops upon request are desperately needed.

Areas in which assistance is sought include needlecraft, sewing, camp crafts, fire building, knot tying, first aid, music, dancing, photography, homemaking, interior decorating, cooking, household repairs, nature, child care, dramatics, personal health, and good grooming. Several residents have already offered their services in this area, but Scout officials claim these skills are in urgent need!

Those who would like to give some time to help Chelsea Girl Scouting build young women are urged to contact Mrs. Robert Updegraff, 475-7481, the Chelsea area Girl Scout Resource Director.

All-Out Drive Started To Collect Coupons for Kidney Machines

An all-out campaign to collect and redeem all available Betty Crocker coupons for lifesaving kidney machines by a cut-off date of May 31 was announced today by the Kidney Foundation of Michigan and the Michigan Jaycee Auxiliary.

Kidney Foundation President William J. Oliver, M.D., spokesman for the project that already has acquired 10 artificial kidney machines, asked that all coupons be turned in by April 30. General Mills announced on Dec. 18 that the coupons would not be redeemed for lifesaving devices after May 31.

"We need a month to count, package and ship the coupons so that General Mills will receive them by May 30," Dr. Oliver said.

Coupons from General Mills food products such as cereals, snacks and cake mixes may be mailed to the Kidney Foundation of Michigan, 3378 Washtenaw, Ann Arbor 48104.

The coupon collection project has been operated jointly by the Kidney Foundation and the Jaycee Auxiliary since February, 1969. In addition to the 10 machines already placed in Michigan homes, the project has accumulated enough additional unshipped coupons to obtain three more machines. Thousands of Michigan

residents, including the patients themselves, school children and members of churches, clubs and civic groups have helped with the project.

The machines are distributed through the loan closet of the Kidney Foundation, a Torch Drive and United Fund service. A machine can be made available immediately when a patient must have one for survival but has no way to obtain the expensive device.

In recent years, more than 125 Michigan victims of kidney failure have been trained to operate kidney machines installed in their homes.

For every 600,000 Betty Crocker coupons shipped to General Mills, the firm has provided \$3,000, the approximate cost of an artificial kidney machine.

A spokesman for General Mills said redemptions for lifesaving devices were discontinued because of accusations that the firm was trading on human misery.

"The Kidney Foundation is extremely grateful to General Mills for all they have accomplished for victims of kidney failure," said Dr. Oliver.

He praised the thousands of Michigan Jaycee Auxiliary members who have collected, counted, bundled and shipped millions of coupons.

SYLVAN TOWNSHIP BOARD OF REVIEW

Notice is hereby given to all persons liable to assessment for taxes in the

TOWNSHIP OF SYLVAN

County of Washtenaw, State of Michigan

That the Assessment Roll of said Township as prepared by the undersigned will be reviewed by the Board at

JV Cagers Win Over Lincoln 69-60

Chelsea's Junior Varsity cage team recorded their second victory of the season over the Lincoln Railsplitters by defeating them, 69-60, Friday night at Lincoln.

The Bullpups shot off to a 38-32 half-time score on the strength of a 15-point effort in the first period and a 23-point explosion in the second quarter.

Mark Policht hit for 17 points in the first two stanzas, while Bruce Guster tallied seven counters in the same amount of time.

Lincoln decided to give the Bullpups a run for their money, in the second half, and while the opposition was scoring 19 points, the Chelsea cagers were held to only six points. The results were seen in Lincoln's 31-44 third period lead.

The Railsplitters couldn't handle Chelsea's press, however, and lost their cool, the lead and the game in the fourth stanza. The Chelsea team tallied 25 points in the final stanza, holding their opponents to nine points.

Policht topped the team in scoring, hitting on 10 of 12 free throw attempts, and eight field goals for 26 points, while stealing four Lincoln passes. Bruce Guster also hit in double figures, as he collected 17 points. Dan Bertke and John Mann each tallied seven points, while Tim Van Slambrouck, Tim Treado, and Chris Phinney each scored four.

Bertke topped the rebound effort, grabbing 13 rebounds, while Guster climbed the boards for nine caroms and Van Slambrouck grabbed eight. Guster and Mann each chipped in four steals to aid the Chelsea press.

Flint Woman Arrested As Disorderly, Sent to Hospital By Ambulance

Mary Louis Forst, 29, of Flint, was arrested by Chelsea police on a charge of disorderly person, Friday, Feb. 12, at about 6:45 a.m.

Patrolman McDougall and Auxiliary police officer Dettling were called to the driveway of Smith's Mobil Oil Station located on south M-52, when Miss Forst began rolling and yelling in the driveway.

Friends who had been with her claimed that she had been drinking all evening with them, and that she had taken some medication.

Superior Ambulance was dispatched to take her to the University of Michigan Hospital.

Farmer Banquet, Tour Scheduled Next Week

Annual Washtenaw Livestock Banquet will be held at 7:30 p.m. Saturday evening, Feb. 27, at Chelsea High school. Mark Hornor, sales manager for Honegger's and Co., will speak on the topic, "Challenge of Change." Dinner tickets may be obtained from any member of the Livestock Council.

The Washtenaw County Livestock tour will be held Tuesday, Feb. 23, according to Joseph W. (Bill) Ames, extension agricultural agent. This year's tour will be somewhat different from those in the past, Ames indicated.

Groups will tour two farms in the morning, convening at Pittsfield Grange Hall for lunch. Blaque Knirk will then show slides of the Great Mark-Western feedlot and processing plant in the afternoon, while Dr. Bob Madex, agriculture engineer at MSU, will show slides and discuss different building systems and their effects on pollution.

Among the farms the tour will visit is the Leonard McCalla farm at 481 S. Steinbach Rd. His swine facility is not yet finished, and will provide an opportunity to see how the new swine confinement facilities are constructed. McCalla's operation will be a farrowing facility, which may be used to farrow up to 40 sows at a time.

The second farm is that of Louis Boone, 9110 Scio Church Rd. This farm, which is farmed by Bud and Nelson Strieter, is a beef operation. The beef unit consists of a totally enclosed warm confinement building, 50' by 100' with a 20' by 68' feed room. Feed is distributed through a mechanical feed system.

For built-in ranges and ovens, hood fans are popular. The most efficient ones carry odors, heat, and gases directly outside through ducts. Hood fans also protect cabinets from heat and spattering grease.

FREEDOM TOWNSHIP BOARD OF REVIEW

Notice is hereby given to all persons liable to assessment for taxes in the

TOWNSHIP OF FREEDOM

County of Washtenaw, State of Michigan

That the Assessment Roll of said Township as prepared by the undersigned will be reviewed by the Board at

ROCKET DERBY WINNERS: Rocketeers who placed in Thursday evening's Rocket Derby held at South school for Pack 445, with their rockets, and awards, were, front row, from left, David Hall, who took third place in the contest; Leon Wheeler, "Best of Show;" Steve Blaess, first-place winner; and Chris Umstead, second place. In the second row

Cub Pack 445 Enjoys Blue, Gold Banquet

Approximately 225 people, attended the Blue and Gold banquet for Pack 445, held Saturday evening, Feb. 13, at Chelsea High school.

Ecology was the theme for the dinner. David Jurnis, representing St. Paul United Church of Christ, and the Federal Bureau of Outdoor Recreation, gave the invocation.

Guest speaker for the evening was Tom Hodgson, of the Department of Natural Resources. Hodgson is assigned to the "Waterloo Recreation Area." He spoke on the "Nature of Things," showing slides to illustrate his talk.

Miss Diana L. Roy provided the group with some songs on the guitar, and conducted a sing-along with the Cubs and families.

Post 4070 of the VFW Auxiliary presented each den with an American flag. The presentation was made by Mrs. Mae Packard, with other Chelsea Auxiliary members. Receiving the flags were Kevin Heller, for the Webelos; John

Whitaker, Den 9; Eric Pickdik, Den 8; Mark Pitzén, Den 7; and Kenneth Lindstrom, Den 6.

The mothers did a fine job of preparing the pot-luck dinner. Centerpieces for the tables were made by the boys out of split logs, with dried flowers and weeds.

Various projects the Cubs have recently completed were on display. Bird feeders, decoupage on natural wood, print blocks, clay sculptures, wood plaques, rock collections, mobiles, and place mats were all arranged for the parents to view.

This year's banquet was organized by a committee including Mrs. Walter (Sandy) Brown, Mrs. Merle (Kathy) Leach, and Mrs. Nell Wright. Mrs. Thomas (Jeanne) Stock was chairman.

Games were played and winners were Mrs. Lucille Aistaeater and Mrs. Gilson.

History of the Odd Fellows lodges in Washtenaw county was read by Mrs. Keezer, which was found in an old book pertaining to Washtenaw county. The book dates back to 1876.

Cards were signed by all the members to be sent to Mrs. Lulu Sweeney and Mrs. Flossie Lake in Florida.

March 9 will be the next meeting of the club, at the home of Mrs. Packard, with Mrs. Marge Burnett as co-hostess.

Announcements made included the family pot-luck supper, at 6:30 p.m. to be held Feb. 23, and the meeting of the lodge to be Feb. 16 at 8 p.m.

Next meeting of Modern Mothers will be held Tuesday, Feb. 23, at the home of Mrs. Robert Reimenschneider. Bryce Fauble, assistant principal, Chelsea High school, will speak on the topic, "Students into Citizens."

Club and Social Activities

MODERN MOTHERS

Modern Mothers hosted the annual Chelsea Child Study Groups which was held Tuesday, Feb. 9, at the Chelsea Medical Center. Mrs. Paul Weber, chairman, introduced Dr. Jeffrey Life, from the University of Michigan, Toxicology Department. He spoke on the topic "Water Pollution," citing what the members, as citizens, could do to help. Approximately 75 women from Kinder Klub, Child Study, Modern Mothers, and North Lake Child Study Clubs attended this event.

Next meeting of Modern Mothers will be held Tuesday, Feb. 23, at the home of Mrs. Robert Reimenschneider. Bryce Fauble, assistant principal, Chelsea High school, will speak on the topic, "Students into Citizens."

LYNDON FARM BUREAU

Lyndon Farm Bureau met at the Lyndon Town Hall at 7 p.m. Saturday evening, Feb. 13, for a pot-luck supper. Ten members and one guest were present.

Discussion was held on the coming Farm Bureau convention and the convention election.

Malcolm Reinhardt reported on the coming farm activities.

Following the business meeting, a social hour of cards was held. Next meeting will be held Saturday evening, March 13.

PAST NOBLE GRANDS

Past Noble Grand's Club of the Chelsea Rebekah Lodge met at the home of Mrs. Loyadell Keezer, Tuesday, Feb. 9, for a dessert luncheon. Co-hostess was Mrs. Dorothy Keezer.

Business included the decision to give a lap robe made by the club, to one of the members. Other lap robes will be taken to the IOOF and Rebekah Home in Jackson. Material for more robes will be needed and members are asked to bring shears to the next meeting. Mrs. Gilson was appointed to purchase material needed for backing.

Games were played and winners were Mrs. Lucille Aistaeater and Mrs. Gilson.

History of the Odd Fellows lodges in Washtenaw county was read by Mrs. Keezer, which was found in an old book pertaining to Washtenaw county. The book dates back to 1876.

Cards were signed by all the members to be sent to Mrs. Lulu Sweeney and Mrs. Flossie Lake in Florida.

Jaycee Auxiliary Reviews Projects

Chelsea Jaycee Auxiliary held their Feb. 16 membership meeting at the home of Mrs. Joe Verway. Meeting was called to order and minutes from the last meeting were read.

President, Mrs. Bob Updegraff reported on the Presidents Meeting she attended. Secretary, Mrs. Mike Eubanks, read the several thank-you notes the Auxiliary received from the women who attended the Executive Board meeting, hosted by the Chelsea Auxiliary.

January "Girl-of-the-Month" award went to Mrs. Ed. Greenleaf. Mrs. Dan Eder reported on the District Bowling Tournament, held Jan. 16. This was a Jaycee assistance project. The Auxiliary prepared and served the food, for the tournament which was at the Chelsea-Lanes. At least one team from each chapter in the district bowed.

Mrs. Mike Eubanks reported on the State Basketball tournament. She asked for 100 percent participation from the Auxiliary on this all-day assistance project. The tournament will be held at all Chelsea schools on Feb. 27.

Final reports were also given on the Executive Board meeting. STEP, March of Dimes, Bosses Night, Stockbridge Extension, and Husbands' Night.

Under new business, Mrs. Updegraff, asked each Auxiliary member to consider running for an office on the board, and to report to her if one chooses to run. The April meeting is election night.

April 24, District judging for the Outstanding Jaycee of the Year will be held in Chelsea at the home of Mrs. Art Steinaway.

Jaycees asked the Auxiliary to serve their meal for Fathers Night on March 2. Mrs. Mitchell Zink took chairmanship of this project, with Mrs. Ed. Greenleaf, Mrs. Dan Eder, and Mrs. Dick Kail working with her.

Mrs. Judy Reynolds chairing the April 10th Easter Egg project has Mrs. Doug Robeson, Mrs. Walt Brown, and Mrs. Mitchell Zink for her committee.

Next Auxiliary meeting will be held March 18 at the home of Mrs. Mike Eubanks. Paul and Sally Higgins will put on a wig show for the Auxiliary.

CUB SCOUT NEWS

DEN 7, PACK 445—

Den 7, Pack 445 had two meetings, Monday, Feb. 8, and Friday, Feb. 12. On one day the boys made centerpieces of Blue and Gold flowers for the tables for the Blue and Gold Banquet.

At the next meeting the boys made mobiles with different sizes of hearts. They also decorated placemats with hearts.

Jeff Parnell, scribe.

DEN 15, PACK 435—

Den 15, Pack 435 met Tuesday evening, Feb. 16 at the home of Mrs. J. Marentette. Billy Hayworth led the opening.

Gary Keleman furnished treats. The boys worked on their nut cups and place cards for the Blue and Gold Banquet. Don Schrotenboer led the closing ceremonies with the living circle.

Joe Marentette, scribe.

DEN 2, PACK 455—

Den 2, Pack 455 met Thursday, Feb. 4, at the home of Mrs. Summer Osterle. Doug Nutt carried the American flag and Pat Murphy carried the den flag in the opening ceremony. They were assisted by Mike and David Waldyke.

Refreshments were brought by Pat Murphy. An extra treat was brought by Doug Nutt to celebrate his birthday.

The Cubs started making their name cards for the Blue and Gold banquet, and the Valentine boxes they made were judged. Perry Fletcher's box won.

Den 2's February 10 meeting was opened with Pat Murphy carrying the American flag, and David Waldyke carrying the den flag in the opening ceremony. Mike Waldyke and Jeff Boyer assisted them.

The boys completed their place cards for the Blue and Gold banquet, and then had a Valentine party. Refreshments were furnished by Dean Schneider.

Ping Pong Blow was played and the meeting closed with the living circle.

Den 1, Pack 455—

Den 1 of Cub Scout Pack 455 met Feb. 11. Meeting opened with the flag ceremony. Daniel Kelin carried the American flag, and Billy Burgess carried the Den flag.

Work was completed on the favors for the Blue and Gold banquet. The boys played "Hit the Planet," again this week, and Daniel Kelin was the winner.

Billy Burgess brought the refreshments. Meeting closed with the living circle.

David Hall, scribe.

Senior Citizens Eligible for Some Tax Exemptions

Lima township senior citizens and veterans are eligible for certain township property tax exemptions, according to Lima township supervisor, Edwin Coy. Anyone who is over 65 years old, or who is a veteran, either disabled, or on a pension, should contact Coy, 426-8235, to arrange for an appointment to fill out the necessary application forms. Application must be made no later than March 1.

Michigan's rivers and streams would reach one and a half times around the world.

District Court Proceedings

In the 14th District Court this past week, Thomas Flook pled guilty to malicious destruction of property. He paid \$20 fine and costs.

Marilyn Hedding, Saline, pled guilty to violation of the basic speed law. She paid \$20 fine and costs.

Hollie L. Knickerbocker, Manchester, pled guilty to speeding 65 mph in a 55 mph zone. He paid \$21 fine and costs.

Robert J. Pardee, Clinton, pled guilty to speeding 40 mph in a 25 mph zone. He paid \$21 fine and costs.

Durwood Powell, Westland, pled guilty to disobeying a stop sign. He paid \$16 fine and costs.

Paul T. Sell, Saline, was found guilty of a violation of the basic speed law. He paid \$21 fine and costs.

Andrew Killin, New Buffalo, was found guilty of malicious destruction of property. He paid \$40 fine and costs for that count. He also was found guilty of a charge of assault and battery. He paid \$25 fine and costs for the charge.

Louis E. Christensen, Saline, pled guilty to speeding 45 mph in a 35 mph zone. He paid \$21 fine and costs.

William Henry Lawrence, 13843 Riker Rd., Chelsea, pled guilty to leaving the scene of a property damage accident. He was to pay

\$100 fine and costs, or spend 60 days in jail.

Leon A. Magnus, 518 Congdon St., Chelsea, pled guilty to careless driving. He was to pay \$35 fine and costs, on penalty of spending 10 days in jail.

Charles Gadberty, Stockbridge, was sentenced for permitting the use of a trailer without permission. He was to pay \$30 fine and costs, or spend five days in jail.

Manith Armstrong, Manchester, was examined on a charge of breaking and entering. He was bound over to Circuit Court.

Conrad Cawton, pled guilty to a charge of driving on a suspended license. He was fined \$100 fine and costs, and must spend three days on the work program.

Dale Johnson, Onsted, was found guilty of speeding 45 mph in a 25 mph zone. He paid \$25 fine and costs.

Dennis McAvay, Saline, pled guilty to not stopping for a stop sign. He paid \$16 fine and costs.

David Rose, Whitmore Lake, pled guilty to a charge of assault and battery. Charges were dropped with payment of \$25 fine and costs.

So great is the variety of Michigan foods that Michigan comes closer to setting the family table completely—breakfast, lunch and dinner—than any other state.

Bonnie Wengren Scores High in Ohio Track Meet

Bonnie Wengren, running against some of the better runners from Michigan and Ohio, won her heat of the 60-yard dash in 7.3 seconds, at the Ohio Olympic Development Track meet held Friday, Feb. 12 in Columbus, O. The youthful runner then came back in the finals to run a 7.2 second heat, placing third over-all in the division. Bonnie's score was just behind the winning time of 7.1 seconds.

Bonnie won her section of the 440-yard run in 60.7 seconds, placing second over-all in the event. Winning time was 59.7 seconds, which her coach, John Bauer, claims she might have bettered, had she run in the same section with the winner. "She looked stronger at the finish than the girl that won," Bauer claimed.

Her next competition is in Columbus, O., on Feb. 19, when she will run against the defending U.S. champion in the 220, and against the same girl in the 60-yard dash. According to Bauer, "Bonnie has a chance to upset this girl in the 60, because of the continued, rapid improvement she has made."

DEATHS

Thomas H. Moore Had Worked in Tool Room At Dana for Past 18 Years

Thomas H. Moore, 223 Madison St., died at home Feb. 15. Born Feb. 23, 1909, at Honor, he was the son of John and Lottie Shields Moore. He married Margaret Lynn in 1927. She died several years ago. He married Alice Foster in March 1938. She survives. The couple lived in Ann Arbor until 1942, when they came to Chelsea.

Mr. Moore worked for University of Michigan Hospital from 1931 until 1941. He has worked for Federal Screw Works in Chelsea, the Chelsea Spring Co., and for the past 18 years, he has been employed in the tool room of Dana Corp.

He was a member of the Chelsea Methodist church.

He is survived by his widow, Alice, two sons, Russell, of Chelsea, and Robert of Lansing; and five daughters, Mrs. Leonard (Colleen) Starr of Lansing, Mrs. Arthur (Anne) Steinway of Chelsea, Mrs. Donna Branham of Salline, Mrs. Robert (Jane) Parker, Jr., of Chelsea, and Mrs. Larric (Joette) Carpenter of Chelsea. He is also survived by five brothers, and seven sisters, 14 grandchildren, and two great-grandchildren.

Funeral services will be Thursday, Feb. 18 (today) at 2 p.m. at the Staffan Funeral Home, with the Rev. Clive Dickens officiating. Burial will be in Vermont Cemetery. Contributions may be made to the Heart Fund.

Lima Township Board Votes To Oppose Park

A resolution of opposition to oppose the proposed Mill Creek Metropolitan Park was voted unanimously by the Lima Township Board at their meeting of Feb. 9. The park, a project of the Huron Clinton Metropolitan Authority, would turn one-fourth of the township into parkland, and would extend into the neighboring Freedom township.

In passing a resolution of opposition, the board said that Lima has some of the best farm land in the county and part of this would be lost if the 4,000-acre park is developed. Board members also said the proposed 660-acre lake might have a detrimental effect on farm land throughout the Mill Creek area.

The Lima Township Planning Commission met Wednesday evening, Feb. 17 to consider a possible resolution on the same order as that of the township board.

Final Census Gives Chelsea 3,858 Count

Final 1970 census counts for all communities in Livingston, Macomb, Monroe, Oakland, St. Clair, Washtenaw and Wayne counties are now available, according to James Giegerich, chief of Planning Services of the Southeast Michigan Council of Governments, SEMCOG.

According to the report, of the seven-county region which comprises "SEMCOG territory," Livingston county showed the largest percentage of population change, over the past 10 years, followed by Macomb county. Livingston's total population climbed from 38,233 to 58,937, for a 54.2 percent change, while Macomb county's population changed by 54.1 percent, rising from 405,804 to 628,309 people.

Wayne county showed the smallest population growth, over the same period of time, slowly climbing in numbers from 2,668,297 to 2,667,711.

Washtenaw county showed significant growth during this time, climbing in population figures from 172,440 in 1960 to 234,103 in 1970, for a 35.8 percent change.

BIRTHS

A son, David Elliott, Feb. 7, to Mr. and Mrs. David Adams. Paternal grandparents are Mrs. Eidean J. Eisele and the late William J. Adams of Chelsea. Maternal grandparents are Mr. and Mrs. George Elliott of Ypsilanti.

A daughter, Heather Lynn, Feb. 10, to Mr. and Mrs. Albert P. Schauer.

A son, Steven Paul, Feb. 10, to Petty Officer and Mrs. William L. Brewer, of San Juan, Puerto Rico. Mrs. Brewer is the former Judy Bollinger. Maternal grandparents are Mr. and Mrs. Lee Bollinger of Chelsea. Paternal grandparents are Mr. and Mrs. Clarence Brewer of North Adams.

A son, Matthew John Duncan, Sunday, Feb. 7, to Mr. and Mrs. Arthur John Weid of 5323 W. M. 36, Pinckney. Mrs. Weid, formerly Carol Duncan, is the daughter of Lyle C. Duncan of 4769 Dexter, Pinckney Rd., and the late Mrs. Duncan. The paternal grandparents are Mr. and Mrs. Walter J. Weid of Chelsea.

A daughter, Lea Anne, Feb. 16, to Mr. and Mrs. Alexander Geist, Ann Arbor. Mrs. Geist is the former Glenda Packard. Maternal grandparents are Mr. and Mrs. Mac Packard, Chelsea. Paternal grandparents are Mr. and Mrs. Carlyle Geist of Belleville.

1970, for a 35.8 percent change. This was the third highest population growth figure.

Oakland county followed with a 31.6 percent rate of growth, rising in numbers from 690,259 to 907,871, while Monroe and St. Clair counties both showed slight rates of change of 17.2 percent and 12.1 percent, respectively. Monroe's population grew from 101,120 people in 1960 to 118,478 in 1970, while the population of St. Clair county climbed from 107,201 to 120,175.

Within Washtenaw county, the city of Saline registered the highest population growth, climbing from a population of 2,334 in 1960 to 4,811 in 1970, for a 106.1 percent rate of growth. Ann Arbor swelled from 172,440 people in 1960 to 234,103 in 1970, for a substantial 48.2 percent of growth.

Lima township grew from 1,400 people in 1960 to accommodate 1,635 in 1970, for 21.1 percent of change. That part of Chelsea that lies within Lima township grew only slightly, climbing from a population of 405 to a grand total of 414 people, for a 2.2 percent change. That part of Chelsea which lies within Sylvan township fared better, rising in numbers from 2,950 to 3,444, for a 16.7 percent change.

Sylvan township grew from 4,401 people to 5,086, registering a 15.6 percent growth.

Village of Dexter also registered a slow growth rate, changing upwards in size from 1,702 to 1,729, for a 1.6 percent change. Scio township, however, showed a 17.4 growth rate, climbing from 6,156 people in 1960 to 7,230 in 1970, while Webster township grew at a 54 percent rate, multiplying from 1,286 people 10 years ago, to a figure of 1,981 in 1970. Dexter and Freedom townships grew at consistent rates, climbing by percentages of 31.8 and 19, respectively. Dexter township counted 1,698 people 10 years ago, and 2,288 in 1970. Freedom jumped in population from 1,065 to 1,267 during that time.

Lyndon township grew by a substantial percentage figure, of 32.4, with a change in population from 1,037 in 1960 to 1,373. Sharon township grew by a smaller percentage, of 9.3, totalling 831 people in 1970 as opposed to their 760 count in 1960.

Village of Manchester's population climbed slightly, rising from 1,568 in 1969 to 1,650 in 1970, for a total of 5.2 percentage increase.

DRAG CLUB OFFICERS: Administrators of the Palmer Drag Club, elected at the Feb. 10 meeting of the organization include, from left, Ron Bush, treasurer; Richard Bollinger, vice-president and activities chairman; Tom Dunlap, (kneeling), president; Ken Callison, publicity chairman; and Tom Taylor, secretary and employee at Palmer Ford.

Drag Club Elects Officers

Palmer Ford Drag Club met Wednesday, Feb. 10 to elect officers for the coming year. Tom Dunlap was re-elected to his second term as president, while Richard Bollinger was unanimously returned as vice-president and activities chairman. Tom Taylor, who works at Palmer Ford, was elected secretary, while Ron Bush was returned to his position as treasurer for a second term. A

new position for publicity chairman was won by Ken Callison. A movie was shown of a race held this summer at Milan Dragway which was sponsored by the Ford Drag Club. Jack Wirth of Chelsea, presented a talk on the art of painting and lettering race cars.

Cliff Riley, owner of the Milan Dragway will be guest speaker at next month's meeting. He will

discuss the new NHRA rules, and how they pertain to the Milan Raceway. Everyone is welcome to come to the Palmer Ford Drag Club, for that meeting, which will be held March 10, at 7:30 p.m.

CHELSEA, MICHIGAN, THURSDAY, FEBRUARY 18, 1971

JON SCHENK, left, wrestles at 158 pounds for Chelsea. A junior, this is Jon's first year on the varsity team, and in addition to earning his letter, for the season, he has marked up a 5-4 record for himself. Jon is a member of the high school band, and of the FFA. His aim in life is to be a cartoonist—and he cited Al Capp's "L'il Abner" as his "ideal." Other hobbies of his include drawing, some serious, others cartoons, and music. He plays trumpet, and recently was a member of a sextet which took first division ratings at the Solo and Ensemble Festival in Livonia. Jon lives at home with his parents, Mr. and Mrs. Winston Schenk, 1715 Rank Rd., Grass Lake. He has one sister, Janice, who attends Chelsea High school, and two brothers, also at home, Bob and Dick. Another brother, Howard, lives in Ypsilanti, where he is a livestock buyer.

DOUG McDONALD, right, is Chelsea's 155-pounder. Doug is a junior, and is now into his second year on the varsity team. His wrestling record for this year is 9-10-2. Doug is a guard on the Bulldog football team, and enjoys other sports also, horseback riding, and hill climbing on motorcycles among them. He loves to hunt and trap shoot, and works on cars a lot, too. He is a member of the FFA, and the Steer Club, since his parents, Mr. and Mrs. Harold McDonald, 16621 Kilmer Rd., own and operate a 60-acre farm. When asked about his future plans, Doug responded that he would like to go to Washtenaw Community College, and study law enforcement. He ultimately wants to be a police officer. He has one brother, Jim, who attends Michigan Tech in Houghton.

Ladies Bowling Marathon Held Late Saturday

A Ladies Bowling Marathon was held by the Chelsea Bowling Lanes Saturday evening, Feb. 13. Beginning at 10 p.m., a total of 50 women from the Chelsea-Dexter area bowled 10 games across the lanes. "Marathon bowling" ended at about 5:30 a.m. Sunday morning, when sleepy Mrs. Jack (Norene) Collins walked away with the top prizes for her first place performance. Her 10 games averaged a score of 188 per game, which is higher than her 153 average for this year. High game for the evening for her 245.

Mrs. Collins comes honestly by her interest in bowling, having started when she was 12 years old. At that time she bowled at the old lanes under the Sylvan Hotel. Her grandmother managed the hotel and her parents managed the lanes that year. Mrs. Collins, her mother and sister would act as pin-setters for each other when the lanes were empty. Her grandfather is Delbert Packard of Ann Arbor. He is 80 years old and bowls in three leagues! He is secretary of the Old Timers League, and organized the Senior Citizens Bowling

League of Michigan. Her father, Mac Packard, is past president of the Ann Arbor Bowling Association, and has bowled with Foster's team for more than 20 years. Four generations of male bowlers from her family hold ABC sanction cards, and bowl at Chelsea Lanes, her grandfather, father, brother Gary, who also bowls on Foster's league, and his son, Gary, Jr., who bowls Saturday morning on the Peanut League. Other winners included Sue Mahaney, Dolly Verway, Sandy Bee, Luretha Hoag, Sue Walton, and Janet Buku.

Sunday, Feb. 21—
10:00 a.m.—Sunday school.
11:00 a.m.—Worship service.

SUNDAY'S SERMON

★ Excuses

One of the popular comedy lines of the day: "That old devil made me do it." The line usually ends a skit when one of the participants is asked why he did something that was foolish or contrary to the general patterns of behavior.

Children often use the same excuse to explain action that was wrong or careless. Adults in real life don't use the expression. They consider it childish. They use a more modern term, "After all, nobody's perfect."

We are not perfect, of course. Yet it would be just as realistic to charge our transgressions to the urging of the devil as to excuse them away by saying we do not have the moral courage of a saint.

God does not expect us to be perfect. We are human, as the expression goes. We make mistakes, through carelessness and through lack of knowledge. What God does expect, if we profess to be Christians, is an honest effort to do right.

Scholarship Offered By Michigan Seamless Tube

Michigan Seamless Tube Co., whose central headquarters are in South Lyon, has announced the establishment of the William A. McHattie Merit Scholarship, an undergraduate scholarship program which will be directed by the National Merit Scholarship Corp. Eligibility in the program extends to those who are children of the company's employees, or are students living in a community where the company operates a subsidiary.

Fortune Industries in Chelsea is a subsidiary of Michigan Seamless Tube, and thus Chelsea high school students are eligible to compete for this scholarship. Scholarship winners will be chosen by the National Merit Scholarship Corp., on the basis of two sets of test scores, academic records, leadership, significant extra-curricular accomplishments and other standard procedures established by the NMSC. In no instance will any officer or employee of the company play any part in the selection of the William A. McHattie Merit Scholars.

Cub Scout Pack 415 Holds Blue & Gold Banquet Sunday

Webelos of Cub Scout Pack 415 opened their annual Blue and Gold Banquet Sunday, Feb. 14, with the flag ceremony. Richard Seyfried introduced the new Cubmaster, Blaine Lyle, who in turn introduced the pack's guests for the day. Guests included Mr. and Mrs. Cecil Clouse, Carmer Slocum, and the Rev. and Mrs. George Stanford. The Rev. Stanford gave the

Farmer Social Security Rules Told in Leaflet

The deadline for farmers to file their 1970 Federal income tax return is now less than a month away. Since farmers' pay their Social Security tax along with their income tax, the Social Security Office in Ann Arbor is announcing a special leaflet entitled "Self-Employed Farmers: Are You Getting Your Social Security Credit?" which they have made available in the farm communities throughout the county. The leaflet explains the use of the Schedule F and Schedule SE, important supplements to the Form 1040, which are completed to claim Social Security credit. It explains in easily understood terms the special optional method of reporting income, which is available only to farmers, if there is a net loss or a profit of less than \$400.

All farmers on the mailing list of the Washtenaw county ASOS office have already received one of these leaflets in the mail. They are also available at the Social Security Office, the Farm Bureau Office, and at the Chelsea State Bank.

Evangelist To Appear At Assembly of God

The Rev. J. E. Allen, of Charlotte, will present a series of five services at the First Assembly of God church, 14900 Old US-12, Feb. 24 through 28, according to pastor of the church, the Rev. T. B. Thodeson. The Rev. Allen is presenting the "Old Fashioned Gospel in Deeper Life" by both song and sermon. He is an evangelist, and is serving as chaplain at the Eaton County Jail. A member of the staff at the Detroit Teen Challenge, an inner city spiritual outreach, he has served as pastor in several churches. Services begin at 7 p.m. Wednesday, Thursday, and Friday nights, and one Sunday at 11 a.m. and 7 p.m.

Michigan was the first state to guarantee every child the right to tax-paid high school education.

ship will be based upon the individual winner's financial need in order to attend the college of his or her choice. A minimum amount of \$500 will be given to those whose parents' financial condition merits little or no assistance, although as much as \$1,500 per year will be given to those who need it.

Amount of the scholarship will be determined by the NMSC and will be determined by a confidential financial information report, which takes into account all aspects of the family's situation, other children, special responsibilities, summer earnings of the student, and so on. The scholarship may be renewed each year for a student's four-year undergraduate study. A student must not maintain honor marks during that time, although Merit Scholarship holders have a responsibility to do scholarship level college work.

Other high schools participating in this program are South Lyon High school, South Lyon; Lamar Consolidated High school, Richmond-Rosenberg, Tex.; Shelby High school, Shelby, O.; Hill-

crest High school, Sumter, S.C.; Sumter High school, Sumter, S.C.; St. Jude's Catholic school, Sumter, S.C.

First scholarships to be awarded will be announced in April 1972, for the 1972 high school graduates.

Prospective candidates and parents who have questions concerning the scholarship program may direct their questions to James W. Hoose, Scholarship Program Director, Michigan Seamless Tube Co., 400 N. William N. McHattie St., South Lyon.

William A. McHattie, after whom this educational program is named, is Chairman of the Board of the company, and has served as its president since 1941.

Milan Man Heads County Michigan Week

James D. Cullip, assistant cashier of the National Bank & Trust Co. of Ann Arbor and a resident of Milan, has been appointed Washtenaw county chairman for the 1971 observance of Michigan Week.

His appointment was announced by John F. Egan, marketing and personnel officer of the Huron Valley National Bank of Ann Arbor, who is chairman of Michigan Week's Region 16 made up of Lenawee, Livingston, Monroe and Washtenaw counties.

Michigan Week is designed to give Michigan citizens greater knowledge and appreciation of their state, to expound the state's assets and resources, and to foster a spirit of co-operation throughout the state.

As county chairman, Cullip will organize the celebration of Michigan Week in Washtenaw county from May 15 to 22. There will be eight special days: Saturday, May 15, Community Pride Day; Sunday, May 16, Spiritual Foundations Day; Monday, May 17, Our Government Day; Tuesday, May 18, Our Heritage Day; Wednesday, May 19, Our Livelihood Day; Thursday, May 20, Education Day; Friday, May 21, Hospitality Day; and Saturday, May 22, Our Youth Day.

The champagne flowed after the Detroit Pistons' recent victory over Seattle. It was the 500th career coaching victory for the Pistons' Bill van Breda Kolff. He chalked up 307 while coaching at Hofstra, Lafayette and Princeton in the college ranks before coming into the National Basketball Association four years ago with Los Angeles. He switched to the Pistons in 1969-70.

CHELSEA VILLAGE COUNCIL PROCEEDINGS

February 16, 1971
Council Room
Regular Session.
This meeting was called to order by Presidents Fulks at 8:00 p.m. Present: President Fulks, Clerk Harvey, Administrator Weber, Trustees Gorton, Musbach, Boylan and Chandler. Absent: Trustees Miller and Dimoch.
Others present for the meeting were Police Chief Meranuck, Civil Defense Director Beach, Fire Chief Gaken, Charles Ritter, Dick Hoover and Don Haws.
Further discussion was held regarding the contract agreement between the Village and the Chelsea School District for the operation of a recreation council. Mr. Charles Ritter discussed with the Council his concern whether the recreation programs would be properly controlled and administered.
Mr. Lionel Vickers resubmitted his request to rezone a parcel of land on Washington St. from "A" Agricultural to "R1" Residential.
Motion by Chandler, supported by Boylan, to refer the request of Lionel Vickers to rezone property to the Planning Commission for a recommendation. Roll call: Yeas all. Motion carried.
A discussion was held with Dick Hoover and Don Haws of Troup Electronics regarding the further updating of the Village communication system.
Motion by Musbach, supported by Chandler, to request a price for necessary radio equipment to complete the Village Communication system. Roll call: Yeas all. Motion carried.
Motion by Chandler, supported by Boylan, to authorize and direct the Clerk to issue checks in payment of General Fund bills in the amount of \$4,446.94. Roll call: Yeas all. Motion carried.
Motion by Boylan, supported by Gorton, to adjourn. Roll call: Yeas all. Motion carried. Meeting adjourned.
Richard Harvey, Village Clerk.

ROCKET PLANE
The X-15 rocket plane is the newest addition to the Alabama Space and Rocket Center at Huntsville. Designated X-15A-2, the craft was piloted by several pilots including the first man to walk on the moon, Astronaut Neil Armstrong. The ship was designed to fly at speeds of up to 4,000 m.p.h. and altitudes of 50 miles. The only other X-15 rocket plane is on display at the Smithsonian Institute.

DEADLINE DRAWS NEAR: Marion E. Ryan (left), head of Edison's electric living division and Dorothy Downer, the company's local electric living advisor, remind working women in this area of the approaching March 1 deadline in the 10th Annual Queen of the Kitchen contest. Sponsored by Detroit Edison, the contest is open to women who are employed full-time outside of their homes and who live within the boundaries of the company's

Southeastern Michigan service area. All are invited to submit a recipe for a one-dish meal that can be cooked in an hour or less. Professional home economists and cooks, and employees of Detroit Edison or their families are not eligible. Miss Downer says that entries must include name, address, place of employment and telephone number, and should be sent to Edison's Electric Living Division, 2000 Second Ave., Detroit 48226.

MCRC Statistics Given Metro Authority Board

Four members of the Mill Creek Research Council traveled to Detroit Thursday afternoon, Feb. 18, to attend the monthly meeting of the Huron Clinton Metropolitan Authority Board of Commissioners. They brought with them the recently completed, multi-page "Agricultural Statistical Summary of Proposed Mill Creek Park Project," to present to the Commissioners. The area group was not listed on the HCMA agenda for the day, but they were allowed to present this study to the members, although there was no discussion of the report at the meeting.

Members stayed to listen to the topics under consideration at the meeting. The Commissioners discussed the proposed Mill Creek Park, and decided to allocate \$4,000 to conduct a drainage study on the area involved.

Much discussion was centered on the decision to conduct a title search, a necessary pre-requisite before land acquisition can begin. It was decided to forego this search for another month, pending communication from the Washtenaw County Board of Commissioners, and the Washtenaw County Planning Commission. This title search would cost the HCMA a sum of \$3,000.

Those attending the meeting were Dave Bacon, president of the MCRC, Ben Buehler, Sylvester Weber, and Donald Laier.

Mrs. Harold Sias, spokesman for the MCRC, indicated that a similar study to the Agricultural Statistical Summary of the proposed park lands, will be conducted on those lands above the affected by activity in that area, proposed park, which might be

New Sewing Courses Will Start in Dexter Continuing Education Series

A new course called Knit-Know-How will be offered by the Dexter Community Continuing Education Program beginning the week of March 1.

A daytime class will be held at St. Joseph's school, Dexter, beginning Thursday, March 4 from 1 to 3 p.m.

The evening class begins that same date at Dexter High school, room 206, from 7:30 to 9:30 p.m. Classes will run for five weeks and will include instruction and demonstration in advanced preparation of fabric, proper cutting methods and the construction of pantsuits, shells, various tops, and many finishing techniques.

A second five-week session will begin immediately after the first featuring lingerie, sweaters, more advanced tailoring techniques and bathing suits. Emphasis will be placed on producing a well-made, wearable garment.

No previous training, other than knowing how to operate a sewing machine, and having a sewing machine available at home, is needed for the first course. The second course is recommended for more experienced sewers and

those who have "completed course one." Experienced sewers are also welcome in course one however, since sewing with knits is a fairly new concept.

An effort will be made to include instruction in making knit garments for men, women, and children.

Mrs. James (Ellen) Farr of Ann Arbor will be the teacher. Mrs. Farr is a graduate home-economist, experienced teacher, and has taught in the Bishop program, in both Ann Arbor and Dexter. She is presently teaching Bishop II in the Dexter program.

Registration for the course may be completed by sending a check for \$8.50 to Dexter Community Continuing Education, Box 641, Dexter. Please include name, address, phone and class designation.

Registrations must be received by Monday, March 1. If sufficient enrollment warrants, other sections of this same program will be offered. Ten students are needed to make the class self-supporting.

If anyone has further questions or suggestions, call Mrs. Vail at 426-8232 between 8:30 a.m. - 12:30 p.m., Monday thru Friday.

Highway Dept. Cites Retiring Eugene Shehan

Lansing—The name of a long time employee of the Department of State Highways will be affixed to a roadside park west of Flint, the State Highway Commission announced today.

The five-acre park at the intersection of M-21 and M13, north of the community of Lennon, will continue to be known as Lennon Roadside Park, but also will honor Eugene L. Shehan. He retired Nov. 7 after 41 years of service.

For the last 28 years Shehan has headed the concrete mix design unit at the Department's Testing Laboratory in Ann Arbor. He joined the Department as a seasonal employee in April, 1927 at the age of 18.

Prior to joining the Testing and Research Division in 1942, Shehan served in various highway construction roles in many areas of the state.

A native of Pinckney where he graduated from Pinckney High School in 1925, Shehan attended the Detroit Business Institute. Now 62, he resides at 124 N. Third St., Brighton, with his wife, Elizabeth Mary.

"I am in excellent health and I have enjoyed every minute of my 40 years with the Highway Department," Shehan commented.

In naming the roadside park in Shehan's honor, the Highway Commission said:

"Mr. Shehan's faithful and conscientious service has earned him the respect of many persons within the Department and among the highway industry. He is the type of employee whose contributions should be recognized."

Shehan said he expected to devote much of his retirement time to managing the annual 800-team tournament of the Michigan Knights of Columbus Bowling League, which he serves as secretary.

"After that will come golfing and fishing—and travel, I want to see all of this country."

Shehan has two daughters, Mary Kay, a former reporter for The Chelsea Standard, in California; and Mrs. Kenneth (Joanne) Aicher, Ann Arbor.

Not Columbus Although Columbus is credited with discovering rubber, the Arawak and Mayan Indians of Central and South America were using rubber about 500 years before Columbus landed.

The Alabama Space and Rocket Center, at Huntsville, is the world's largest space exhibit. Some 200,000 visitors were attracted during the first 10 months of operation, including visitors from all 50 states and 45 foreign countries.

Don't Be Carried Away With Fancy Seed Catalogs

Tantalizing seed and nursery catalogs will arrive soon. But before your dreams get too big, consider several things.

First, how's "arguing" is your thumb and how much do you enjoy using it?

"Select fruit crops for home plantings according to your desire to perform the recommended cultural practices," says Jerome Hull, Michigan State University horticulturist.

"Cultural practices for tree fruits are more numerous and demanding than for most other fruit crops," notes Hull. "Pruning and insect and disease control must be performed with precision for satisfactory fruit production."

When selecting fruit crops for home plantings, consider that strawberries require the least space to yield enough fruit for a family, suggests Hull. Raspberries and grapes require more area than strawberries, and tree fruits require more space than other fruit crops.

Also, consider how much land is available, amount of shade and time for care of the plantings, says Hull.

Plant fruit crops in areas receiving full sunlight, not in the shade of buildings or other trees, he adds.

Contact the county Co-operative Extension Service office for bulletins and detailed information on fruit production.

Overheated Oil Burner Causes Minor Damage To Converted Garage

Fire broke out Thursday evening, Feb. 11, in a garage at the home of Fred Machnik, 195 Freer Rd. The blaze started about 6:03 p.m. in the two-car garage which Machnik had converted to a wood-working shop, when the pipe leading from the oil burner to the outside overheated, setting fire to the wooden siding of the building.

Four trucks were sent to the scene, although the blaze was put out within 20 minutes. Minor damage resulted to the building and its contents.

For And About Teenagers

THE WEEK'S LETTER:

"I am 15 years old, a boy, and in high school, and I have a problem — parents. Oh, they're great parents except for one problem which seems to be common among most adults—they're a little 'square.' They seem to think that long hair, 'reasonably long hair,' is wrong, looks terrible, and is only for women. I keep telling them that long hair is in style, and that all my friends have long hair. They say they don't care, and tell me to go to those 'butchers' the establishment calls barbers and get a haircut. I have no say in this to defend myself and this is where the generation gap widens. Do you have any suggestions on any way I can save my hair and lessen this generation gap?"

OUR ANSWER: This is something you have to contend with

Pacemaker Questions Answered in Booklet Issued By Heart Assoc.

"Facts About Your Pacemaker," a 12-page booklet, answering common questions about implantable pacemakers, has been printed by the Michigan Heart Association and is available free on request at any of the Association's 16 offices and Heart Information Centers.

Dr. Harold E. DePree, Kalamazoo, president of the Association, a Michigan United Fund Agency, said the booklet was written by one of the state's most knowledgeable experts, Dr. Richard D. Judge, head of cardiology at St. Joseph Mercy Hospital, Ann Arbor, and a clinical professor, Post Graduate Medicine, University of Michigan Medical Center. The booklet contains five diagrams and explanations of heartbeat and heartblocks.

Save \$3 Penalty On Dog Licenses Before March 1

Beware dog owners! So warns Sylvester Leonard, Washtenaw county treasurer. Leonard warns that now is the time to purchase 1971 dog licenses. They are available at the county treasurer's office in Ann Arbor, and at the local township treasurer's office in the various townships, he claims.

The regular fee is \$4, regardless of sex. As of March 1 a penalty of \$3 is added. Fee must be accompanied by a rabies certificate that does not expire before Dec. 31.

Leonard pointed out that those who purchase their licenses now will avoid the long lines that occur during the last two weeks in February.
