'South Pacific' Cast Prepares Big Production

Hit Musical Will Be Presented March 18-19-20 By CHS Students

Chelsea High school will present the Rodgers & Hammerstein hit musical "South Pacific," March 18, 19 and 20. The cast, which is smaller than ever before, has been working diligently since the beginning of January to make this production the "best ever."

Despite its size, this year's cast has much experience. Laurie Lancaster, who portrays the high-spirited, and charming Nellie Forbush, has had experience in four previous CHS musicals. Her roles have ranged from Annie Oakley, the kid sister, to confused and lonely Louise Bigelow, in last year's production of "Carousel."

Keith Pfeifle, who is portraying the gallant French planter, Emile de Becque, is also an experienced actor. He was a school board member, and first tenor in the Barbershop Quartet in "The Music Man." Last year he played the supporting role as Enoch Snow in "Carousel."

The vivacious and shrew Bloody Mary is being played by Jeanne Haselschwardt, who portrayed Nettie Fowler in last year's production.

Sue Blaess is portraying Liat in her fourth CHS musical, while Dave Hess, playing Lt. Joe Cable, and Ed Koenig, who portrays Seabee Luther Billis, have both had experience in one CHS musical.

Miss DiAnn L'Roy is director of this year's play. She has four other Chelsea musicals under her belt, "Carousel," "The Music Man,"

Fair Board OK's Building New Kitchen

Approximately 20 stockholders, and Fair Board members met Tuesday evening, Feb. 23, at the Sylvan Town Hall to discuss future Fair improvements.

Principal topic on the docket was the discussion concerning a proposal to buy more land. This land would be used to increase the parking area at the Fair. In a 7-4 vote, (President Broesamle declined to vote unless to break a tie) the 11 members of the board opposed the land acquisition at this time.

Rather, the Fair Board favored the building of new kitchen facilities on the fair site. Plans for the new building are being drawn up by architect Arthur Lindauer for the proposed new kitchen. These plans were supposed to be completed by Jan. 1, but are still not ready, Fair Board officials indicated.

Arrangements for the building project will be made as soon as a committee is established to look into the details, Allen Broesamle, fair board president, indicated.

Area Post Offices Gain Reprieve on Saturday Hours

Area post offices received a reprieve this week from announced Saturday closing plans.

The post office department had announced last week that all area offices would be closed all day Saturdays, beginning Feb. 20.

This past week, however, post office officials received a memorandum from the regional director in Chicago, which stated:

"No action is to be taken by any office that contemplated an adjustment in window service Saturday, Feb. 20, 27, or March 6. Saturday window service must remain unchanged, pending further instructions when received from regional headquarters."

MADRIGAL SINGERS who received a rating of I in Saturday's District Vocal Solo and Ensemble Festival held at Schoolcraft Community College in Livonia included, front row, from left, Alfretha Harrison, Jill Flintoft, Sharon Heydluff, Pat Knickerbocker, Jackie McClain, Carole Dietle, and Tina Orthing. In the second row are Mark Wright, Tim Orthing, Dave Hess, Randy Seitz, Keith Pfeifle, Sue Stock, Ed Wade, and Joan Yocum. Missing in the photo are Sue Blaess, and Judy

Blaess. The group, which is determined by auditions each fall, is in its third year of existence. Miss DiAnn L'Roy is director. It is an extra-curricular singing group which carries no academic credit. For their performance at Schoolcraft the youngsters sang two contrasting pieces, "Since All is Passing," by Hindemith, and "Allen-a-dale," by Pearsall. The first is a modern piece, while the second dates back to Renaissance times.

SPELLING CHAMPS: Class winners, and runners-up in the Detroit News sponsored Spelling Bee were decided this week, following the final rounds of classroom bees at the Junior High school. Shown in the above photo are, front row, from left, John Bradbury, first place in the North school fifth grades, and runner-up, Jerald Benjamin, and Jeff Powell, runner-up in the South school fifth grades, followed by Don Aldrich, winner. In the second row are, from left, Sue Hafer, first place in the Beach school eighth grades, and Jennifer Bradbury (John's older sister), runner-up, Pam Seibert, seventh-grade winner, and runner-up, Mark Wolter, and Barbara Hinderer, sixth grade winner, and runner-up, Carol Linebaugh. School spell-offs will be held this week at all three schools, to determine school winners. At Beach school, the top 10 spellers from each grade will participate in this bee, while the top 20 from each fifth grade at each of the elementary schools will participate. Each grade winner will receive a dictionary, pen, a medal and certificate for his winnings—as well as a crack at the all-school championship. School winners will compete at the District Bee—which will be held some time within the next month. Winning words included "mighty," and "harm" at North school, and "bibliography," at South school. At Beach school, winning word in the sixth grade was "abstinence," while the seventh grade title was won with the word "chlorine." Winning word at the eighth grade level was "epitaph."

Wrestlers Win District

Following an impressive performance in the semi-finals, Chelsea scored a total of 66 points at the District 5 wrestling tournament at Parma Western on Saturday, to gain a District trophy. Final scores placed Chelsea in first place with 76, followed by Michigan Center, 60; Tecumseh, 59; Western, 49; Northwest, 49; Columbia Central, 42; Hillsdale, 29; and Luman Christi, 21.

Six Chelsea wrestlers qualified to advance to the regional tournament which will be held at Comstock on Saturday. Mark Montange, 98, Dale Poertner, 105, Mike Spence, 112, Jim Wencel, Gary Montange, 132, and Tim Lancaster will all compete at Comstock.

Mark Montange pinned both Mike Walsh of Hillsdale and Pat Connor of Tecumseh, before suffering his first defeat of the season in the finals, and finished second. Mark's record is now 25-1.

At 105, Dale Poertner had a

first round bye, and then pinned Doug Watts of Western, before losing in the finals and finishing second also.

Mike Spence, at 112, had a first round bye, and then defeated Freshcorn of Tecumseh, 2-1, before losing to the number one seeded wrestler, 2-1, and finishing second. Captain Jim Wencel, after a first round bye, defeated the second seeded wrestler, 2-1, in a tough match. Jim injured his shoulder in that match and had to default his final match. He finished second.

At 126 pounds, Larry Jones won his first match, 7-0, over Northwest, before losing to Bailey of Tecumseh, 6-1. Larry then came back in consolation final and defeated Ginsberg of Western, 4-2, to take a third place.

At 132 pounds, Gary Montange, captain, "put it all together" as he defeated the number four seeded wrestler, 2-0, the number one seeded wrestler, 10-0, and in the finals, defeated the number two

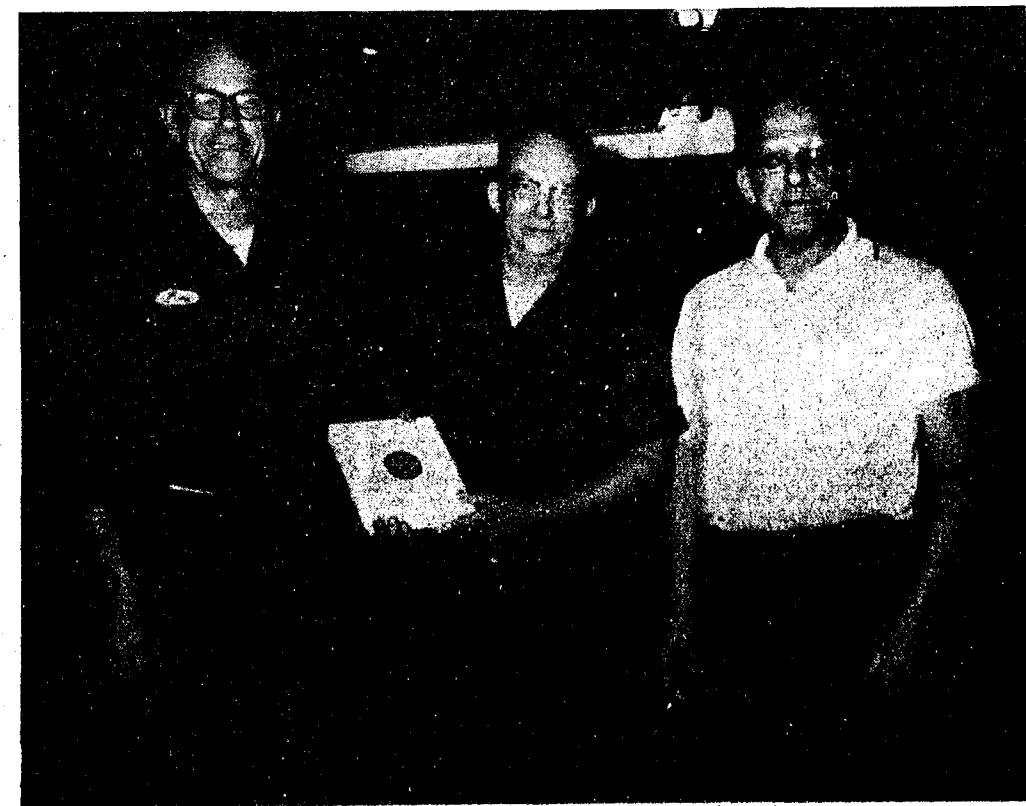

seeded wrestler, 6-4, for the first place medal.

Sophomore Tim Lancaster at 138 pounds, followed with his own championship efforts. Tim defeated Hillsdale, 7-0, and then went up against the number one seeded wrestler. With less than 30 seconds to go, and behind, Tim came through with a reversal, and a near fall, to score a 6-2 win. In the finals against Michigan Center, he came through with four points with less than 20 seconds remaining in the match to win a first place, 7-5.

At 155 pounds, Doug McDonald went into overtime to defeat the number four seeded wrestler, 5-4. Doug then lost to the number one seeded wrestler, 10-1, but came back in consolation to score a pin victory, and a 4-0 decision win over Tecumseh to finish third.

In the heavyweight division, Ron Branham lost to the number one seeded wrestler, but came back in consolation to score a

(Continued on page three)

RETIRING: Armin Zinke, center, is retiring at the end of this month from Federal Screw Works. Zinke has worked for the company for 42 years, starting in January of 1929 at the Chelsea plant. He has worked in his present position, tooling for independent jobs, in the used tool crib, for a number of years, but he has also worked in secondary operations. With Armin in this photo are Kenneth McManis, left, chairman of Union

Local 437, who presented Zinke with a Bible in honor of his retirement, and Lewis Bernath, Zinke's foreman, in the automatic screw machine area. When asked what he plans to do in his retirement, he indicated that first on his list of activities is a trip in April to Phoenix, Ariz., to visit his grandchildren. From that point, he claims he'll simply "play it by ear."

Cagers Down Saline, 59-56 To Keep Title Hopes Alive

Bulldog cagers traveled to Saline Friday night, Feb. 19, to take on the upset minded Hornets of Saline, defeating them by a score of 59-56. The Bulldogs left behind Wayne Welton, their "hottest shooter" of late, who became ill late in the week. Making the trip were three other members of the team who were also ill, as Todd Sprague and Tom Lixey were still recovering from bouts of the flu.

Chelsea quickly jumped ahead in the opening minutes, as Ron Sweeney pumped in five quick baskets to lead the Bulldogs scoring to a 16-9 first quarter lead. Jeff Hughes added two fast break baskets, and Jim Wojcicki hit a long shot to aid the cause.

The Hornets bounced back in the second period as Pete Slepisky hit for eight points, and 6'6" sophomore, Dave Ziegler added seven more. Jim Wojcicki and Howie Treado led the Bulldogs scoring eight and six points respectively.

The third period was almost disastrous for Chelsea, as George Cameron and Jim Wojcicki, Chelsea's only healthy guards, both went to the bench with four fouls. Jim Hercules, a forward, and Ron Sweeney, a center, were forced to share a guard position as Chelsea, tried to keep pace. But the Hornets were off and running by this time as the "hot" Slepisky added seven more points in leading his team to a convincing 52-40 third quarter lead.

Late in the period Chelsea had scored only three points, but a free throw by Sprague and a basket by Sweeney finally got the team rolling to cut the 50-35 lead to 12 points.

The early part of the fourth period found Saline's Dave Ziegler joining Jim Wojcicki on the bench after fouling out. This gave Chelsea a chance to fight

back, closing the lead ever so slowly. With three minutes to play, Chelsea still trailed by eight points when Howie Treado ignited the final drive to catch up by stealing the ball to get a basket.

Ron Sweeney followed with two free throws. Treado then hit two free throws of his own, and Jim Hercules stole the ball and made one of his two free throws.

With Saline leading, 56-55, the Bulldogs again stole the ball. Chelsea worked the ball carefully, and finally Todd Sprague hit on a 20-footer to put Chelsea ahead with only 12 seconds remaining.

Saline called time out and set up a play, but Ron Sweeney rebounded the missed shot, and calmly sank two free throws after being fouled with only one second left in the game.

The win keeps the Bulldogs' hopes of first-place honors in the league alive, as they will entertain league-leading Dexter on Friday night. A win by the Bulldogs, coupled with a Dundee victory over Milan would put Chelsea in a four-way tie for the league championship with Dexter, Milan, and Ypsilanti Lincoln.

Schardein will serve in his position for the remainder of the term. He is replacing Ken McDowell, who was formerly on the Board.

James Schardein Named to Vacancy On Library Board

McKune Memorial Library Board has announced that a vacancy on the Library Board, has been filled with the appointment of James L. Schardein, 46 Butter-nut Ct.

Schardein will serve in his position for the remainder of the term. He is replacing Ken McDowell, who was formerly on the Board.

Other league action on Friday night found Dexter upsetting

(Continued on page six)

Jaycee State Cage Tourney Here Saturday

More Than 600 Persons from 30 Towns Will Be Using 4 School Gyms

Chelsea Jaycees will host the State Jaycee Basketball tournament Saturday, Feb. 27. Thirty teams, with cheering fans, and cheerleaders will attend this all-day event, which will start at 7 a.m. in the gymnasiums of the high school, junior high, North school, and St. Louis school. No admission fees will be charged until the final games are scheduled to start at 5 p.m.

Chelsea Jaycees claim that the proceeds from this nominal charge will go towards a "worthy cause."

Much work and preparation has gone into this one-day marathon, which will include two meals for hungry roundballers, and guests.

Jayceettes will serve the luncheon for the roundballers, which will be held at the Beach school cafeteria, and a catered awards dinner will be held following the last round of play. This will be a roast beef dinner.

Auxiliary police will be on hand to help out with any problems that arise, and "protect the school buildings," although no problems are anticipated, and the K. of C. hall will be open from 9 a.m. until 5 p.m. for a "Pit Stop" or rest break area.

All games will be refereed by the Jackson Referee Association, Jaycee officials claim.

For those teams which have to come a great distance, arrangements have been made to house them Friday night in Ann Arbor, so they will be rested for the opening games.

Teams will arrive from Wayne, Redford, Waterford, Grandville, Jenison, Fairgrove, Chesaning, Fowler, Otisville, Millington, Roseville, Maple Valley, Lawton, Buena Vista, Rockwood, Clawson, Waverly, Jackson, Northville, Albion, Flushing, Ann Arbor, Stockbridge, Detroit, Farmington, Fenton, Livonia, Clarkston and Sebewaing.

Chelsea roundballers play their first game at 7 a.m. in the high school gymnasium. They will meet Rockwood. If the Chelsea team wins, their next game is at 11 a.m. against the winner from the Lawton-Buena Vista game. That will be played in the high school also. If Chelsea loses, the next game will be in the "Losers Bracket," which will be scheduled for 10 a.m. at North school, against the loser from the Chesaning-Fowler game.

District Cage Tourney Starts Next Monday

District basketball tournament competition will be held this coming week, March 1-6, at Dexter, to determine area champs who will compete the following week in the Regionals at Bedford High school, in Temperance.

Next week's schedule puts Dexter against Brighton in opening competition, Monday evening, at 7:30 p.m. Tuesday night, Pinckney will play South Lyon, also at 7:30.

After an evening's respite, Chelsea will then tackle the winner of the Dexter-Brighton game, on Thursday evening, for a winner who will then play the winner of the Pinckney-South Lyon game on Saturday, for the District championship.

Chelsea's Coach Kelly commented that standard tournament rules will be in effect, along with a few "extras" added by Dexter for the duration of the games. No

pep bands will be allowed to play during the games, he indicated, nor will there be allowed any stomping on the bleachers or the bringing of any "noisemakers" into the gymnasium.

Dexter High has asked that no one leave the school building during the games. For those who do so, and who wish to return to the games, a second admission price will be charged.

Concessions will be sold only at half-time, and before and after the game, as the school officials at Dexter wish to discourage people from leaving and entering the gymnasium during tournament play.

Kelly indicated that standard game procedure, and good sportsmanship should cause no problems for fans or officials.

Bulldog cagers are looking for-

(Continued on page three)

Fluoride Program Sign-Up Cards Ready

Letters and appointment cards concerning Chelsea's fluoride program have been distributed to children in the following grades: kindergarten, second, fifth and eighth grade.

It is stressed that those children in the fifth and eighth grades, particularly, should be included in the program regardless of how long they have been drinking fluoridated water. After eight years of age, fluoride absorption into the system slows down appreciably and that is why it is recommended by the Dental Division of the Michigan Board of Health, that topical applications of Sodium Fluoride be included as

an added safeguard. Because of the low percentage of fluoride used, there is no danger of an overdose.

Parents of pre-schoolers (three years and over) may pick up extra copies of letters and appointment cards at Foster's Men's Wear on Main St. A check or money order made out to: Chelsea Fluoride Program and the signed appointment card may be sent to Mrs. Gary A. Albrecht, 13589 Waterloo Rd., or returned to the schools no later than March 3.

If there are any questions concerning the program, parents may call Mrs. Albrecht at 475-7465.

School Board Holds Two Special Sessions

Chelsea's Board of Education met in special session Thursday evening, Feb. 18, and again Saturday morning, Feb. 20. Purpose of the meetings was to discuss personnel problems, according to usually reliable sources. All discussions took place in executive sessions, closed to the public and press representatives.

Peter Flintoft, attorney for the board, indicated that a decision was reached at the Saturday session, although he declined to state the nature of the decision, nor the problem which instigated it.

Donald Irwin, president of the board, and trustee Howard Haselschwardt were unavailable for comment at time of printing as they left for Atlantic City shortly after the Saturday morning session. They are attending a conference there, along with Business Manager Fred Mills, and Superintendent of Schools Charles Cameron. They will not be back until sometime today (Thursday).

School board members Koenn and Powers were absent when the decision was reached, and all other board members declined to comment on the nature of the meetings.

Flintoft indicated that the decision will be given public hearing when it is read in the Board of Education minutes at the next meeting which will be Monday evening, March 1.

Washington Report

by Congressman
MARVIN L. ESCH

A key issue before Congress is the perplexing riddle of rising medical care costs. National figures show doctors fees up 33 percent in the past five years. The average hospital room and board charge is near \$70 a day. Seventy-eight percent of our people have health insurance, but 20 percent have no hospital care coverage and 24 percent lack surgical insurance. Traditionally, this has been an area where there was no need for federal involvement, but the very real possibility that when and if major illness strikes even a financially well-off family it can mean financial disaster and even bankruptcy is, of itself, a strong enough argument for the federal government sharing the cost of catastrophic illness.

Various proposals have already been suggested and they will be fully explored in the months ahead.

One that has received widespread publicity is the so-called Kennedy-Griffiths Bill. Backed by the AFL-CIO it would provide comprehensive health care for every citizen by 1973. However, the price tag, estimated at \$40 to \$50 billion annually makes this a laudable goal rather than a realistic proposal.

The Administration's tentative plan brings under coverage all those on public assistance and persons with the ability to pay would be required to do so with a sliding scale established in ratio to their income. After the first \$2,000, or 30 or 60 days, this proposal would reportedly pay 80 percent of the cost of a catastrophic illness.

The Javits bill would extend Medicare to every individual but those who prefer have the option of private insurance.

Medicaid, introduced by Senator Fannin, has considerable merit. It would give free insurance to the poor, and tax credits to persons who want to purchase private insurance.

Catastrophic illness has become a major concern of persons of all ages. Last year and again this year, I have supported

national health legislation to protect our families against catastrophic medical expenses.

In the 92nd Congress health legislation ranks high on the list of legislative priorities. No one knows what kind of proposal we will be voting upon; most Members of Congress, including myself, are willing to study all approaches carefully, with an open mind before making final commitments and decisions.

Congress has the responsibility to be analytical. Congress has another equally important role—that is to make certain that we have action and not just a lot of talk.

Tree, Shrub Planting Stock Being Offered

Stephen Bristle, chairman of the Washtenaw County Soil Conservation District Board of Directors, has announced that tree and shrub planting stock will again be offered by the district this spring and orders are now being accepted. All planting stock is available in both large and small quantities.

Spring is just around the corner and now is the time to decide where plantings might be made. Undecided about what type of trees and shrubs to plant? What you want them to do for you will be one factor in selecting a species.

Trees may be planted for timber, wildlife cover, windbreaks, erosion control, Christmas trees and natural beauty. Tree species available this year are: Blue Spruce, White Spruce, Red Pine, White Pine and Scotch Pine; Black Locust seedlings and Black Walnut seeds are also being offered.

Wildlife shrubs are a good way of making conditions more attractive to all wild animals, including song birds. Shrubs available from the district include: Autumn Olive and Multiflora Rose, Wild Grape is also being offered. A special wildlife packet consisting of 400 assorted shrubs and 100 evergreen trees is also available.

Order forms and a complete price list may be obtained by contacting the Washtenaw County Soil Conservation District, 6101 Jackson Rd., Ann Arbor.

About 16.6 percent of the consumer's take-home pay was spent for food in 1970 compared to 16.7 percent in 1969.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

I got to thinking the other day how my life is pretty well divided into two scientific projects. I thought it up one side and down the other and I'm of a mind that the scientists has drawn a folding hand on both deals.

During my younger years, Mister Editor, you could see regular in the papers where somebody was researching where man come from. But since we dropped that first atom bomb, all we been interested in is where man is going. The only time you hear about Darwin and the monkeys is in law books about the big trial. Nobody takes it serious from a scientific view nowadays.

Actual, I used to be mighty worried about how man got here, but I never got no satisfaction at all from all that research. Now all the scientists is working on how man is going to wind up, and, personal, I ain't getting no more comfort out of it than I was not knowing. It could be cause I'm getting along in years, but lately my thoughts has turned entire from the start to the finish.

They has been a lot said and done in the last 10 year or so for the folks called senior citizens. I recollect Bug Hookum allowed at the country store one Saturday night that he had rather be cussed than called a senior citizen when the fact is that some of us has jest lived longer than others.

But I got to thinking about all the fellers that has growed old together at the country store the other day when I saw some reports from the census took last year. I hadn't thought that half the 206 million people in this country is under 25 years old. That means, fer instance, that fer most folks Pearl Harbor is dead history and not living memory. It is hard to realize that I can recall so sharp that event 30 year ago.

One of the column writers, James Kilpatrick, was talking about World War II wage and price controls, and that is another subject that is dead history fer most folks alive in this country today. He reminded us that the price of everything from food and housing to a shoeshine was fixed, and it took 65,000 extra people in Washington alone to shuffle the papers fer this project.

With more and more folks out of work, the Administration is looking fer ways to get the country rolling, but I hope they don't turn to control of wages and prices. I see retail spending is going up and a real jump is expected by spring, so at least folks that got a job still got money to spend.

Practical speaking, Mister Editor, it looks like the higher a feller's pay and the more education he's got the more likely he is to be out of work. With the bumps on welfare and the top notch wage earner laid off and drawing unemployment, you know it's the same old dogface is holding the country together.

MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

Debt Grows

Half a billion dollars further in debt during the past year! That's the combined deficits of Michigan's many local governments.

Various local units ended fiscal 1970 in debt, a total of \$4.5 billion.

As usual, most of the red ink came from school districts. Some of these had issued general obligation bonds worth \$2 billion which were still outstanding at the end of the fiscal period. General obligation bonds still are the favorite means of going into debt, and more than \$2.9 billion of the money owed was in the form of such bonds.

Some \$786 million in bonds and notes were issued by various units of government during the year, and \$278 million worth were redeemed.

All local bonding issues and other types of governmental indebtedness must be approved by the Municipal Finance Commission in Lansing before they can be issued to the public.

Bounty Ben Backed

Two Republican members of the Michigan Senate are trying to shoot down the state's coyote bounty system during the current legislative session.

The two—Gilbert Bursley of Ann Arbor and William S. Ballenger of Ovid—both introduced bills which would do away with the system just as the bounties on fox and bobcat were abolished in 1965.

"In 1970, the Department of Natural Resources paid \$68,000 in bounties on 3,634 coyotes, with money taken from the hunting and fishing license fund," Bursley says. "There is little or no justification for such unnecessary expenditures when we are struggling to balance the budget."

The two men also are a little suspicious of where some of those 3,634 coyotes the state paid for came from.

Ballenger said a large number of the coyote carcasses were paid for in Upper Peninsula counties bordering on Wisconsin.

"This indicates that many carcasses are being transported in from outside of Michigan," he said.

Hepatitis Detection Improved

The Michigan Public Health Department is distributing a new blood test to Michigan blood banks which should reduce the taking of donor blood from persons suffering from hepatitis.

Post-transfusion hepatitis has always been a major problem in medicine because, until now, there has been no way to detect blood donors who were carriers of the disease.

In Michigan in 1970 there were 37 known transfusion-associated cases of serum hepatitis which resulted in five deaths.

The new blood test makes use of a substance found only in the blood of hemophiliacs—persons whose blood possesses either little or no clotting ability.

The substance is tested against a sample of blood and if a reaction takes place, it is a sign of the possible presence of serum hepatitis virus. If the reaction takes place, the blood won't be used for transfusions.

Officials say the new test is effective only part of the time but that it should reduce such cases of hepatitis by at least 25 percent. The substance used in the test is being offered free of charge to all Michigan blood banks until it becomes available commercially.

Live up to the reputation your ancestors built—not on it.

Diet? Bread.

Diet conscious consumers have been given a word of caution from a Michigan State University food marketing agent.

Maryann Meldrum says some brands of so-called diet bread are simply regular bread cut into thinner slices.

"There is no need to pay more for this kind of diet bread unless you really want to," she says. "You can do the same thing by buying the unsliced variety and shaving it as thin as you like."

Douglas Fraser Will Speak on Four Day Week

Is the four-day work week going to be applied to all jobs? How would it be applied to overtime pay? Would the four-day work week benefit women workers?

These and many other questions will probably be asked at the first Labor Issues Forum program on "The Four-Day Work Week: Prospects and Problems" to be held at UAW Local 893, 8975 Textile Rd., Ypsilanti, on Tuesday, March 2 at 8 p.m.

Speaker for the evening, Douglas Fraser, UAW vice-president is also director of the Chrysler Department which recently negotiated an agreement to set up a joint management-union committee to study the feasibility of instituting a four-day 40-hour work week for certain plants and for certain workers.

There has been much discussion about the four-day work week since the study was negotiated as part of the Chrysler union agreement. Fraser will discuss the various problems and prospects involved in this possible innovation in working hours.

There is no charge for admission to this talk which is being sponsored by the Institute of Labor and Industrial Relations, the University of Michigan-Wayne State University, in cooperation with the Washtenaw Area Labor Education Board. The Forum is open to all union members in the Washtenaw county area, as well as the general public.

Live up to the reputation your ancestors built—not on it.

JUST REMINISCING

Items Taken from the Files of The Chelsea Standard

4 Years Ago...

Thursday, March 2, 1967—

The hot-shooting, fast moving Chelsea Jaycees team captured the 1967 state Jaycees basketball tournament last Saturday at Clawson. They claim there isn't a sore muscle in the crowd, but the team played five games Saturday to clinch the championship. Of course, they had a chance to get in condition Feb. 18, when they took the District 26 tournament trophy on the Chelsea High court. Members of the state championship team are Terry Pokela, forward; Don Joseph, guard, and team captain; Bob Pursel, center; Jack Patrick, forward; Fred Mills, guard; Don Neff, forward; Jim Myers, guard; George Staffan, guard; and Don Proctor, guard.

General Dwight E. Beach, commander in chief of the U.S. 8th Army, is one of the 84 persons cited as distinguished alumni of the University of Michigan who will receive the Sesquicentennial Award in ceremonies during the alumni celebration this week. The Sesquicentennial Award, in celebration of the University's 150th anniversary, is presented to alumni and others whose lives have exemplified the Sesquicentennial theme of "Knowledge, Wisdom, and the Courage to Serve."

Named the outstanding district local board of Michigan Animal Breeders Co-Op for the past year was the Washtenaw-Chelsea group. Members of the group included Robert Breuninger of Dexter; Walter Wolfgang of Chelsea; Raymond Schairer, Dexter; Wesley Amdahl, secretary, of Dexter; Harold Gross, Dexter; Herman Koehn, president, of Chelsea; and Robert Mast, vice-president, of Dexter. Koehn has also been named president of the MABC District IV organization.

14 Years Ago...

Thursday, Feb. 28, 1957—

The Jaycees sponsored Youth Center on the third floor of the Municipal Building held open house Saturday afternoon and a dedication dance Saturday evening as the formal opening of the Center. The Center has been in use several weeks. Among those at the afternoon open house reception were the Rev. P. H. Grabowski, pastor of St. Paul Evangelical and Reformed church, Jill Barkley, Mrs. George Winchester, Jr., Mrs. Merle Leach, Mrs. Charles Popovich, Jr., and the Rev. Thomas Toy, pastor of the Congregational church.

Barbara Jean Collins, daughter of Mr. and Mrs. William J. Collins, of 555 Chandler St., has been chosen as this year's recipient of the DAR "Good Citizen" award at Chelsea High school.

Miss Collins is editor of the Senior annual and served on the editorial staff last year. She has been active in the Journalism Club during her four years in high school, was on the Student Council during her junior year, is a

member of the Future Nurses Club, serving as its vice-president while in the junior class, played basketball in her junior year, was a member of the Girls Athletic Association two years and served one year as its treasurer, and was class president during her sophomore year.

Mrs. William Dehn, who maintains a feeding station for birds at her home at North Lake, and often sees a robin or two throughout the winter, was surprised Tuesday morning when 16 robins leisurously made their way along the driveway to the feeding station. Mrs. Dehn said the robins she saw during the winter are some that stayed in the area all winter, but the flock she saw Tuesday, had evidently just arrived from the south, along with the exceptionally mild weather.

24 Years Ago...

Thursday, Feb. 27, 1947—

Mr. and Mrs. A. E. Johnson, well-known residents of this community for many years will quietly celebrate their golden wedding anniversary at their home, 303 W. Middle St., on Friday, Feb. 28. Mr. Johnson was born on the farm three miles north of Chelsea where he and Mrs. Johnson lived for five years, following their marriage in Stockbridge on Feb. 28, 1897.

Six members of the local VFW Auxiliary went to Ann Arbor Sunday afternoon, to attend a patriotic celebration of the Graf-O'Hara VFW Auxiliary, which was held at the Jones school. Clara Hutzel, Ethel Reed, Florence Walker, Myrtle Price, Mary Kniss, and Magdalene Weber were among those attending.

Mr. and Mrs. Chris Fitzsimmons of North Lake very pleasantly surprised Mr. and Mrs. Bob Fitzsimmons last Thursday evening in honor of their first wedding anniversary. A chicken dinner was served and cards furnished the diversion of the evening. Guests included Mrs. and Mrs. Bob Fitzsimmons, and Fred Hudson of North Lake, Mr. and Mrs. Robert Adams and daughter, and Mr. Mrs. Burton French and daughters of Chelsea.

34 Years Ago...

Thursday, Feb. 25, 1937—

Wilbert Trinkle of Lima township started suit in circuit court last week in which he seeks \$500 from the Village of Chelsea for expenses he claims resulted when his horses became ill with "Swamp Fever," from drinking water in Mill Creek. He claims the village unlawfully empties its sewage into this creek.

James Munro, village clerk, received a check for \$14,453.75 from the Federal Government on Saturday for the first installment of the portion the government will pay on the local sewage treatment works. The total amount the government construction work will be \$26,016.75. It is expected that the influent and outflow sewer will be completed next week, and excavation work for the control building will be started within a few days.

Bill Would Remove State Sales Tax from School Book Purchases

Student purchases of school books would be exempted from the State Sales Tax, according to a bill introduced today by Senator Gilbert E. Bursley (R-Ann Arbor). The bill provides that the seller obtain a signed statement, in a form approved by the Treasury Department, stating that he (or she) is an enrolled student at an institution and that the books being purchased are part of a course of study at the school or institution.

"Presently no sales tax is paid at college-owned bookstores," Senator Bursley explained. "But students are asked to pay sales tax when buying textbooks from a privately-owned bookstore. This is inequitable and discriminating and should be corrected. The cost of books has become a very appreciable figure for the average student and any reduction in financial burden would be desirable."

Today's the only one of its kind—live it constructively.

Truck Weight Restrictions

The Washtenaw County Road Commission deems it necessary to preserve the roads under the jurisdiction of this board and by virtue of the applicable sections of the Michigan Vehicle Code being Act 300, Public Acts of 1949 as amended, we impose springtime axle load restrictions effective at 6 a.m. Saturday, February 20, 1971.

The allowable truck loadings are as follows:

MAXIMUM ALLOWABLE GROSS AXLE LOADINGS		
Spacing Between Axles	Concrete	Black-Top & Gravel
9 feet or over	13,500 pounds	11,700 pounds
More than 3 1/2 feet, but less than 9 feet	9,750 pounds	8,450 pounds
When less than 3 1/2 feet the combined weight shall not exceed	13,500 pounds	11,700 pounds
Maximum load on any wheel shall not exceed:		
(pounds per inch of tire width)	525 pounds	450 pounds

MAXIMUM TRUCK SPEED

No truck tractor or tractor with trailer, nor any combination of such vehicles with a gross weight loaded or unloaded in excess of 5,000 pounds shall exceed a speed of 50 miles per hour which shall be reduced to 35 miles per hour during the period when reduced loadings are being enforced.

World Day of Prayer Scheduled March 15

Church Women United in Chelsea will celebrate World Day of Prayer on Friday, March 5, at St. Barnabas church, at 1 p.m. On this day, church women in 25,000 communities in the USA will unite their prayers with women in 155 countries on six continents.

Theme for the day in "New Life Awaits!" The CWU will also prepare for the Ecumenical Assembly which will be held in Wichita, Kans., from April 22-25. The Assembly is being called to consider the meaning of God's breakthrough in history in relation to the tremendous potential for both good and ill that social and technological breakthroughs open up for the future.

1971 is the 84th year of the ever-widening celebration of the World Day of Prayer. On this day, the first Friday in March, women of many denominations, Protestant, Catholic, and Orthodox, and of many races and languages, seek to make visible their unity, and to share in an offering that will bring hope and aid to thousands around the globe.

World Day of Prayer provides an occasion for participation in a nation-wide offering committed to helping others through Intercontinental Mission on six continents. Some of the people who will be touched by these continuing programs this year are: people on vacation and older people employed in national parks through year-around ministry by early-retired ministers; Christian educational institutions overseas; women leaders abroad who can help bridge international gaps through special training programs and internships; women in cities engaged in experimental ministries in education, community organizations, technology, and ecology; rural Christian women overseas who will study nutrition, home-making, and related subjects.

Further use of the World Day of Prayer will be to enable migrant farm workers to send representatives to policy-making meetings and aid in crises and emergencies; to aid American Indians and Spanish speaking people to achieve new dignity through community action in both urban and rural situations; to help Mexican women in border cities, without adequate means to support themselves and live with dignity, to start an industry; to support a

woman worker to provide public health and family service for women and children in Freedom City, Miss.

Church Women United will celebrate the creative stewardship of the offerings in continuous commitment to families in Dominica and the Windward Islands, for the building of new dwellings through self-help projects; theological students and Christian teachers attending an interdenominational seminar in Djakarta and in need of new women's dormitory furnishings; children in Africa and Asia who desperately need reading material and the motivation to keep learning; and from this year's offerings will continue to help print "80 miles of children's books" and subsidize children's and women's magazines in Korea, Argentina, Mexico, and India.

Chairman for this year's World Day of Prayer is Mrs. Thomas Slater. She will be assisted by the members of the executive committee of the Church Women United.

A children's chorus will perform at this function.

All women in the community are invited to attend this ecumenical worship service.

Wrestlers Win...

(Continued from page one)

pin victory before losing in the finals to finish fourth.

Coach Richard Bareis was pleased with the team's effort, pointing out that nine of the 11 wrestlers scored points in the tournament. Chelsea was able to boast of the fact that no other team was able to put six wrestlers in the finals.

A high point of the day, according to the coach, was the "back-to-back" championships which were won by Gary Montague, and Tim Lancaster. He indicated that all the Chelsea wrestlers put in good performances.

Cage Tourney...

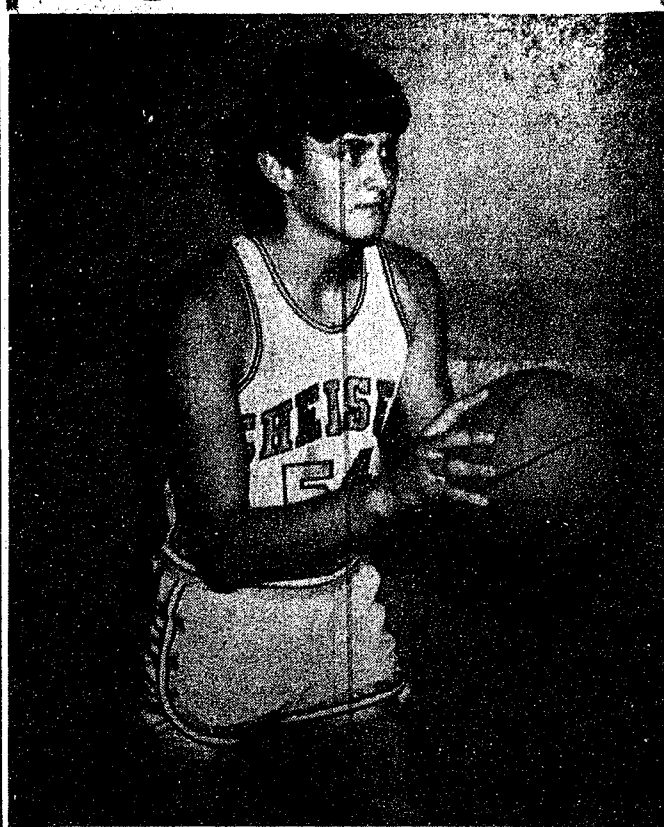

(Continued from page one)

ward to this very important series of games, especially since they will have the chance to come up against their arch-rivals, Dexter, possibly twice in the next week.

It is possible that a "Booster Bus" will take Chelsea fans to the game on Thursday night, and then again if the Bulldogs play on Saturday night. Kelly indicated that Bryce Fauble, or Principal at the High School should be contacted to inquire about the possibility of such.

Modern feeding methods put 2.7 pounds of weight on a steer every day. This makes it now possible for calves, purchased to be fattened for a market, to grow to correct weight in as few as five months. Back in 1930, two and one-half years were needed to produce a market-ready steer.

Cager of the Week

SOPHOMORE JEFF SCHMIDT, a center, is into his first year on the Bulldog varsity team. The only sophomore on the team, Schmidt has played on Chelsea teams since the seventh grade. A sports fan, Schmidt's activities outside of the classroom or basketball court include hockey, and golf. He is a member of the golf team, and enjoys other unstructured sports such as water-skiing, swimming, and hunting. He is a member of the choir at St. Paul United Church of Christ, and his career goals include attending either the Naval Academy, or Coast Guard Academy. The youngest Bulldog lives at home with his parents, Mr. and Mrs. Richard Schmidt, 1456 Eisenbeiser Dr., and his sister, Joan, who is a senior at Chelsea High school.

Watershed Council Plans Conference

The Huron River Watershed Council, in co-operation with the Michigan Jaycees, the Michigan United Conservation Clubs, the Mackinac Chapter of the Sierra Club, and the United Auto Workers, will sponsor a one-day conference on "Water Management Needs in Michigan, 1971." The conference will be held in the Michigan League, 227 S. Ingalls, Ann Arbor, on Saturday Feb. 27, beginning at 10 a.m.

Focus of the program will be problems which are of immediate concern to the Huron River Watershed area and the Southeastern Michigan region in general, although conference participants will be addressing themselves to statewide issues.

Moderator of the program will be State Senator Gilbert E. Bursley, of the 18th District. Topics that will be considered are floodplain and shoreland management, water pollution control, water planning services, public access, and fisheries and fish habitat management.

The conference is open to the public without charge.

Whooping Crane Now Making Slow Comeback

Washington—Thirty years ago, the whooping crane was a vanishing species. Less than 20 were left in the world. Today there are 55 (at last count) and they are increasing at a rate of about five a year.

The story of this turn-around in the future of the whooping crane is told in the latest issue of Petroleum Today, the magazine of the American Petroleum Institute. The article is written by Keith Hay, veteran of nearly 15 years in conservation work, and wildlife director of APL.

According to Hay, the whoopers had never been a really populous bird, and by the late 1930's hunters and diminished nesting habitat had greatly reduced their number. The last remaining flock of whooping cranes nested in the Aransas National Wildlife Refuge along the Texas Gulf Coast during the winter and spent their summers in Canada.

After World War II the research director of the National Audubon Society, Robert Allen, started to study the whoopers. For 17 years, until his death in 1963, he dedicated himself to saving the whooping crane.

One hazard was eliminated when oilmen operating in the Aransas area offered to suspend all drilling, road-building and pipeline-laying operations during the October-April period when the whoopers are in residence.

For its efforts on behalf of the whooping crane, a petroleum company operating in Aransas received the National Audubon Society's Citation of Merit, the first time any corporation had received the honor. As one company official explained, "Finding oil is important. But so are whooping cranes. Whatever we can do to encourage their survival, we're going to do. It's just that simple."

It will probably be years before the whooper can be taken off the endangered species list, however. Scientists at Aransas—and Patuxent Wildlife Research Center in Maryland, where whooper eggs removed from the birds' nests are being hatched—still have an enormous amount of hard work cut out for them. But their commitment to preserve this rare, lovely bird is strong.

JV Cagers Chalk Up 8th Victory

Chelsea's Junior Varsity basketball team chalked up their eighth victory of the season by defeating Saline, 83-49. This was the second victory over Saline, as Chelsea edged past the Little Hornets, 58-53, earlier this season.

Chelsea jumped out to a 22-10 first quarter lead, and stretched this edge to a 40-19 half-time advantage. Leading the first half assault were John Mann and Mark Policht, with 9 points, and Bruce Guster with eight.

In the second half the Bullpups continued to play good basketball with Jeff Sprague and Chris Phinney playing key roles.

Leading scorers for the entire game were John Mann with 22, and Mark Policht with 18, Bruce Guster, 10, and Chris Phinney with 9. Can Bertke had the largest number of rebounds, 13, while John Mann followed with 12. Tim Van-Slambroek had 10 caroms.

Over-all the Bullpups had the advantage on shooting, hitting 38 for 88, for a 43 percent average, compared to Saline's eight for 50 attempts, for 36 percent.

Chelsea also led in rebounds; 52, to Saline's 34.

Tomorrow night (Friday), the Chelsea JV's will close their season as they meet Dexter. The Bullpups will be out to avenge an earlier 54-44 defeat at the hands of the Little Dreadnaughts.

Line score:
Chelsea 22 18 14 29-83
Saline 20 9 13 17-49

TOP JA SALESMEN: At a meeting sponsored by Washtenaw Sales Marketing Executives, Monday evening, Feb. 15, at Weber's, Barbara Ann Shea (at left in photo above), of Dexter High, and Debbie Compton of Ypsilanti High, were named the runner-up and top salesman, after judges from the SME observed a demonstration of their sales pitches. Shown with the girls, each of whom received a trophy recognizing their skills, is Del Rigby, president of both the Sales Marketing Executives of Washtenaw county and Washtenaw Structural Steel. Rigby presented the award trophies, and also recognized three additional superior salesmen, Sue Cobb of Chelsea, Debbie Barton of Ann Arbor, and Richard Bittle of Ypsilanti.

State Income Tax Forms Also Available At Extension Office

Don't wait for the mailman to bring your state income forms, warns Don Johnson, Washtenaw county extension director.

As an economy measure, state income tax forms are not being mailed to individuals, but must be picked up at distribution points. Forms may be picked up there anytime between 8 a.m. and 5 p.m.

CARD OF THANKS

I want to thank all my friends, neighbors, and relatives for cards, flowers, and food that was brought to the house while I was in the hospital. I especially want to thank the Rev. Seibert for his calls and prayers. All was greatly appreciated.

Mrs. Walter Rothfuss.

CARD OF THANKS

We wish to thank all our friends, relatives, and neighbors, for the food, flowers, and sympathy extended to us during the time of loss of our mother, Ruth Gullett. It was greatly appreciated.

The family of Ruth Gullett.

THANK YOU

Words seem so small when trying to express gratitude for kindnesses shown me and my family, during my trip to the hospital and after returning home. The flowers and cards were lovely and the calls and visits were very much appreciated. Thanks to the Rev. Clive Dickens for his presence, and to Barbara Dresch and Jean Storey, for last-minute tasks. Also, a very special thanks to Jean and Mike Sweet. Thanks again, dear friends.

(Mrs. Kellie Allen.

THANK YOU

Sincere thanks to all who remembered me with lovely cards, flowers, gifts, and prayers during my recent hospitalization. A special thanks to Fr. Wahowiak, St. Mary's Altar Society, and the VFW Auxiliary, and my neighbors.

Mrs. Frank Warywoda.

School Assessment Program Findings Stir Up Controversy

Highlights of the Education Profiles, which were administered in 1969-70 have been released by George Bergman of Chelsea High School. Bergman noted in his report that the Michigan Assessment Program was a very large and complex undertaking. It gathered a great deal of data from 320,000 students in approximately 4,000 schools in more than 600 school districts across the state.

The results are, therefore, of necessity complicated. He outlined briefly some of the findings of the report as well as the process by which these findings were reached.

Among the findings were the following. The school districts which were classified as being in metropolitan core cities, particularly those in Wayne, Oakland, and Macomb counties, scored on the average, below the state median on three assessment measures, attitude toward school, vocabulary, and composite achievement. On the other hand, these districts were, on the average, well above the median on two measures indicative of the amount of school resources expended per pupil for grades kindergarten through 12.

A second finding reported that in the categories of vocabulary and composite achievement levels between metropolitan core districts, and certain other districts, the differences are particularly noteworthy. For example, school districts classified as being in the urban fringe, and in cities, particularly those in Wayne, Oakland, and Macomb counties, scored on the average, above or around the median on vocabulary and composite achievement. On the average, districts in metropolitan core communities were at or below the 25th percentile level on vocabulary and composite achievement.

Furthermore, the report noted that school districts that are classified as being in rural areas scored lower, on the average, on measures indicative of the amount of school resources expended relative to the other community types. Additionally, these districts were at or below the State median on vocabulary and composite achievement, except in the Upper Peninsula, where they were above the state median.

Schools in the Upper Peninsula scored highest on vocabulary and composite achievement, and districts in Southern Michigan scored lowest.

Measures by which these facts, and others, were gathered were listed and defined by Bergman in his report. According to Bergman, one of the most important factors was socio-economic status, SES of the students. The assessment battery which was given to the students included 18 questions which were designed to gather information regarding students' socio-economic background. These responses were compiled for each district which participated in the Assessment Program. The SES measure is assumed to be indicative of students' perceptions of such things as the educational level of parents and their general economic level.

A second category tested was a student's attitude toward school. The assessment battery also included several questions which were designed to gather information regarding students' attitudes toward their schools. These responses were also compiled for each district and developed into a measure assumed to be indicative of students' attitudes toward school.

The percent of teachers in each district who had completed a master's degree was also measured for the study. These figures were computed from records held in the Michigan Department of Education.

The instructional expense per pupil in grades kindergarten through 12 was also computed.

INITIATIVE

Be alert and aggressive—stumbling blocks for one man are stepping stones for another.

At least two more regular-season Detroit Pistons games will be telecast on Channel 2. The game with Milwaukee at Madison Wis., on Sunday, Jan. 31, will be carried starting at 9 p.m. The next game will be on Saturday, Feb. 20, when the Pistons play at New York, beginning at 8 p.m.

The paradise people look for is not a locality—it's merely a state of mind.

CARD OF THANKS

I want to thank all my friends, neighbors, and relatives for their acts of kindness, cards and flowers sent me while I was in the hospital and since my return home. A special thank-you to my mother-in-law for taking care of my family for me while I was hospitalized.

God Bless You All, Mrs. Lavern Hafner.

WANTED

FOR LEASE

Building in Chelsea, Mich.

Building can be in the downtown area, shopping center, or a free-standing location. Must be suitable for a retail business and have 3,000 square feet on one floor.

Send details to:

R. C. Hutchings

WESTERN AUTO SUPPLY COMPANY

Box 990

Port Wayne, Ind. 46801

Dated: Feb. 16, 1971.

ed. This was done by adding up the scores of all the districts in the region and dividing the total by the number of districts in the region. By this procedure, each district, regardless of its enrollment, was given equal weight.

The average score of districts within each community type of each region was computed. This was done by adding up the score of all the districts in a community type within a region and dividing by the total number of districts. Again, each district was given equal weight, regardless of its enrollment.

These average scores computed were then plotted onto the percentile distribution built at the beginning.

A total of \$17.5 million in state money was allocated to elementary schools in this school year (1970-71), according to criteria of social deprivation and pupil performance, which was derived from the 1969-70 educational assessment.

Schools with concentrations of low-achieving and low socio-economic status children, as determined by the 1969-70 educational assessment, were provided with compensatory money to improve their instructional programs.

Bergman stated that the SES portion of the assessment has aroused much concern and spirited challenges, as to its validity and reliability for determining distribution of moneys to some local school districts.

At a regular Chelsea Board of Education meeting, Monday, Jan. 18, the board unanimously supported the motion not to administer the 1970-71 Pupil Background Assessment Program.

Detroit's Region One school board has suspended the use of the same controversial portion which asks, they claim, "offensive" personal questions, until the matter can be discussed by the city-wide school board.

A number of parents, statewide, appear to have instructed their children not to supply answers to questions of "personal" nature. A number of children apparently have chosen to reply "I don't know" to these questions, although they appear to be in possession of "more correct" knowledge, Bergman concluded.

Thomas N. Taylor

Completes Ford Parts Management Course

Thomas N. Taylor of Palmer Motor Sales, Chelsea, has been certified as a graduate of the parts management course conducted by Ford Motor Company's Detroit Marketing Institute.

Certification of course completion was announced by D. B. Andrew, director of the Ford Institute.

The course is one of a number offered dealers, their personnel and Ford Motor Co. employees. Classes are conducted by a staff of professional, full-time instructors.

Subjects range from management and merchandising courses for dealers and their department managers to salesmanship and specialized workshops for staff members. In addition, the school of automotive business administration conducts training programs for selected Ford Motor Co. personnel.

Courses are developed from methods used by successful dealerships. Group participation in simulated selling or management situations is a primary part of each course.

Federal Corn Crop Insurance Limited Because of Blight

Limitations on 1971 corn insurance liability were announced today by Earl Wilson (Indiana-Michigan), state director of the Federal Crop Insurance Corp.

"Because of present uncertainty as to the effect the corn blight may have on 1971 corn yields," Wilson said, "we are limiting the amount of new insurance we will write on corn crop investments for the 1971 crop year."

Liability limit has been set at no more than a 50 percent increase over the 1970 crop year liability in each county where federal crop insurance on corn is available.

For the 576 counties where FCIC writes insurance on corn, total coverage in 1971 can't exceed \$225 million, up from last year's \$150 million.

"Current Federal crop insurance policyholders will not be affected by the limitation," Wilson said, "but 1970 policyholders who have cancelled their policies for the 1971 crop year should reinstate at once."

After we reach our liability limit, we will not be able to accept reinstatement from former policyholders."

In most counties where federal crop insurance is available on corn, protection is also available on soybeans and wheat. There will be no limitations on the amount of insurance for these crops.

Interested farmers are asked to contact the district office at 1105 W. Chicago Rd., RR No. 5, Coldwater 49036.

THROUGH THE NOSE

Men have to put up with a good deal in life—they also have to put up for a good deal more.

An ultrasonic scanner can test livestock to determine if their meat will be lean or fatty. The instrument measures thickness of fat and lean within a tenth of an inch, and assists in development of genetic programs for proper breeding.

Similar reasoning can apply, in a way, to religion. People put God in the wrong place. It may sound peculiar, but we can put God in the right place. It can even be said we can put God in His place, if we want to. And this is said without smart alecky semantics.

We know God is in Heaven. But He is elsewhere too. Instead of placing Him in that uncharted area "way up there," why don't we put Him where we can find Him all the time? We go to HIS house of worship on Sunday and then return to OUR home. Why not bring Him along home with us? When we put Him in our home, where most of us need Him most, we always know where He is. . . . BURGHARDT FUNERAL HOME, 214 East Middle St., Chelsea, Mich. Phone GR 5-4141.

Chelsea Schools Closed Because of Icy Roads

Chelsea schools were closed Wednesday, Feb. 17, and Tuesday, Feb. 23. Reason for both closings was icy roads. Business Manager Fred Mills indicated that this winter has been one of the worst winters in many years for icy road conditions.

Basketball Race . . .

(Continued from page one)

Dundee by a 70-59 margin, while Lincoln trounced Novi, 80-64. Milan romped over South Lyon, 93-50. This secured a first-place tie for Dexter and Milan, who both have league records of 10-3, while Chelsea and Lincoln remained in second place with 9-4 records. Dundee is in third place with an 8-5 record.

Out of the shady past many a bright future has been created.

DEATHS

John W. Rosentreter Dies Friday at Hospital Following Extended Illness

John W. Rosentreter, 68, of 553 W. Middle St., died Friday, Feb. 19 at the Chelsea Community Hospital. He had been ill for the past five years, and had entered the hospital nine days before his death. Mr. Rosentreter had retired from the King-Seely Corp. six years ago.

Born Nov. 29, 1902 in Webster township, he was a son of Gustave and Augusta Donner Rosentreter. He was married to Iria Scripser in 1950. She survives.

Also surviving are four sons, John, Daniel, Robert and William, all at home, five brothers, Julius, Herman and William, all of Dexter, Otto of Ann Arbor, and Albert of Chelsea; four sisters, Mrs. Otto (Anna) Scherdt of Dexter, Mrs. Herman (Hilda) Bauer, and Mrs. William (Emma) Wenger, both of Ann Arbor, and Mrs. Alfred (Minnie) Wenger of Detroit, several nieces and nephews.

Funeral services were held Monday, Feb. 22 at 2 p.m. at the Burghardt Funeral Home with the Rev. Clive Dickens officiating. Burial followed in Oak Grove Cemetery.

Richardson Infants

Twin Sons Die Shortly After Birth at Hospital

Gary Arnold, Jr., and John Joseph Richardson, twin infant sons of Gary and Christine Marriotti Richardson, died shortly after birth Feb. 17, at St. Joseph Mercy Hospital, Ann Arbor. The family home is at 14440 Trist Rd. near Chelsea.

Surviving are the parents, the maternal grandparents, Mr. and Mrs. Earl Marriotti of Chelsea, the paternal grandparents, Mr. and Mrs. Gilbert Richardson of Keene, N. H., one sister, Carrie Ann, and one brother, Keith Ray, both at home.

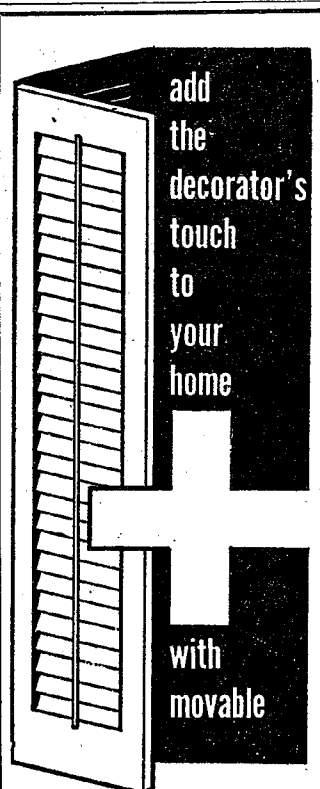

Burial took place Feb. 19 at Oak Grove Cemetery. Arrangements were made by Burghardt Funeral Home.

Pfc. Jeffrey Flintoft Being Assigned to Duty in Germany

Pfc. Jeffrey H. Flintoft, son of Mr. and Mrs. Howard Flintoft, 610 S. Main St., is home on leave prior to leaving for Germany, where he will be stationed with the U. S. Army for the coming year. Flintoft is a 1964 graduate of Chelsea High school, and a 1969 graduate of Ohio State University. He was drafted into the service on May 18, 1970.

Prior to this station, the Chelsea soldier was stationed at Fort Lewis, Wash.

Pork is a major source of the B vitamins—thiamin, riboflavin, niacin, B6 and B12. It is the top source of thiamin, considered essential for healthy nerves.

CHELSEA LUMBER
"The Helpful One"

High School Youths Start Hockey Team

Chelsea Independent hockey team played their first game Saturday, Feb. 20 against Dexter High school. The Chelsea team won, 5-1. Scoring for Chelsea were Rick Wescott, who made two goals, and Joe Aspiranti, who also tallied two goals, while Todd Sprague added one.

Assists were made by Rudy Hertlein, two by Randy Briar, and one by Ralph Stewart. Playing goalie for the first two periods was Danny Whitesall, while Dale Robbins played the third period.

Chelsea's team is made up of Chelsea High school boys who are interested in playing hockey. Practices are held at the home of Mrs. Larry Oswald, the high school special education teacher, at Joslin Lake. Larry Oswald, her husband, coaches the team. The couple are natives of Detroit, although both played hockey in college.

The team hopes to play on a more regular basis next season.

Playing defense for the Bulldogs are Rudy Hertlein, Keith Hume, and Mike Nadeau. Forwards are Rick Wescott, Randy Briar, and Todd Sprague, who compose one line, while Ralph Stewart, Joe Aspiranti, and Rick Stewart compose another. Goalties are Danny Whitesall, and Dale Robbins.

Chelsea will play Dexter again this Saturday night, Feb. 27, at Veterans Park in Ann Arbor, on Jackson Rd., across from K-Mart. Game time is 10 p.m.

According to Mrs. Oswald, the team jelled when Dexter High school challenged Chelsea to a hockey game. The boys on the team had been coming out to their

home on Joslin Lake, and the challenge from Dexter provided the perfect opportunity to band together to play hockey. The team looks for encouragement and support from the local residents, who are urged to come to Veterans Park next Saturday night to watch the Chelsea Pucksters in action.

Improvements In Electrical System Told

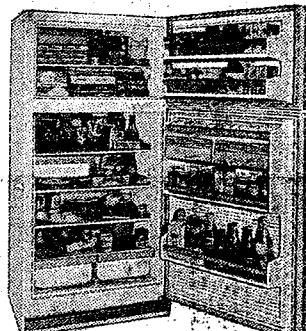

More than \$1 million will be spent in the next year on improvements to the Consumers Power Washtenaw substation, which supplies power to the Chelsea area, it was announced this week. This will be spent in conjunction with a record \$253 million expansion and improvement program Consumers Power plans to follow this year. The 1971 construction budget is the largest in the company's history, officials claim.

Other improvements seen in the electrical scene in Chelsea include the purchase of the property on Garfield St., which was formerly owned by Consumers Power. This 99' by 150' parcel will be the site of a substation for the village's electrical distribution system. The proposed new substation will convert the village's electrical distribution system from 2,400 volts to 4,160 volts.

New Seeing Eye Dog Assisting Jim Versailles

Jim Versailles, 532 Chandler St., has a new seeing-eye dog, bringing to six the number of highly trained animals he has had to help him find his way about town. Versailles, who is blind, has used these dogs for many years. His last dog, which died Jan. 1, had been with him for 12 years.

Versailles' new dog, Heidi, is a young German Shepherd. She came to Chelsea on Feb. 11, and is still learning her way about town. She is still being trained by Versailles, and is somewhat shy. Versailles obtained her through the Seeing Eye Foundation in Morristown, N. Y. Area residents are urged to "keep an eye out for the 'eye about town,'" in the event that she should become lost or confused, as she learns her way around her new master's town.

A share of the proceeds from the Detroit Pistons-Baltimore Bullets game at Cobo Arena on Feb. 16 will be turned over to the United Negro College fund. Tickets are being sold by all Negro college alumni groups in the Greater Detroit area.

Youth Conference To Study Violence

A series of five programs sponsored by the Youth Fellowship of St. Paul United Church of Christ will consider the phenomenon of violence. These programs will be held at the church Sunday evening Feb. 28, and March 7, 14, 21 and 28. The five two-hour sessions, which will begin at 7:30 p.m. will cost \$1.50, which will cover the entire program.

Dr. A. Lee Schomer will serve as program co-ordinator for the programs. He will organize the sessions so that the youth will teach themselves by using their own experiences. He brings to the group a great deal of experience in working with violence on the interpersonal and small group level.

Dr. Schomer is presently pastor of Webster United Church of Christ near Dexter, and is training consultant to several denominations, local churches, and schools in the area of continuing education and leadership development. He holds a PhD degree in Adult Education and Small Group Development from the University of

Michigan and a BD degree from Yale University, as well as a BA from Oklahoma State University. He has worked with young people of the Ann Arbor-Jackson Association UCC, and churches in the Ann Arbor area several times in the past few years.

He sees his role as program consultant as "to mobilize and release the tremendous wealth of knowledge which young people already possess about violence. I will try to do this so that every one discovers the reality of violence in an exciting, educational and involving way."

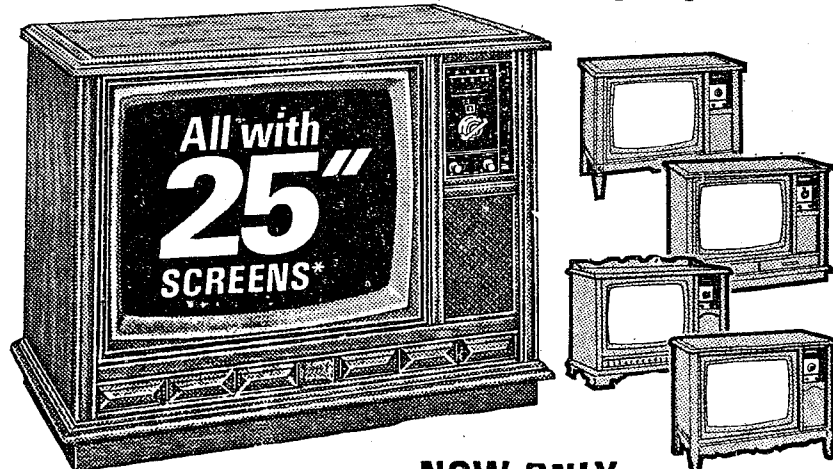

According to Warner Seibert, pastor of St. Paul's church, the three goals of the programs will center on the development of a more clear understanding of violence, and the increasing of one's ability to cope with violent behavior, as well as the discovering of the relationship of Christian values, and violent activity.

The FBI has more than 199 million sets of fingerprints on file.

Sue Cobb Finalist in JA Best Salesman Competition

Sue Cobb, Chelsea's Junior Achiever, was among the finalists named at the JA Best Salesman Contest held Monday evening, Feb. 15, at Weber's Inn, Ann Arbor.

A group of Ann Arbor businessmen, who call themselves the Sales Marketing Executives, or SME, sponsored the contest, and acted as judges for the JA teens, selecting the winners on the basis of the effectiveness of their sales presentations.

Debbie Compton, a junior at Ypsilanti High School, was listed as Best Salesman, while Barbara Ann Shea, sophomore at Dexter High, was listed as runner-up.

Only one contestant from each business center was allowed to participate in this year's contest, according to Phil Boham, Chelsea JA advisor.

Boham also indicated that the group is entering their last nine weeks of the season. They have issued a new product, a key chain

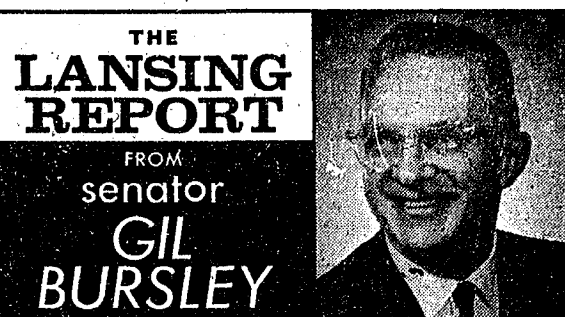

with "Chelsea Bulldogs" embossed on it. Morale is still running high in the group, he indicated, and this year's program will be a success. "Everyone will have learned something," he says.

Stock Issue OK'd For Detroit Edison

Lansing — The Public Service Commission (PSC) of the Michigan Department of Commerce has authorized Detroit Edison Co. to raise \$50 million by selling up to 500,000 shares of its preferred stock.

Detroit Edison said it will use the proceeds from sale of the \$100 par value stock to repay short-term indebtedness and replace working capital used to acquire property for new electric generating facilities.

Crossbows were first used as weapons in the 10th century.

THE LANSING REPORT FROM senator GIL BURSLEY

The 1971 legislature is now running in high gear and a constantly more intensive workday will be the rule between now and the end of June.

Republicans and Democrats had been tied, 19-19, in the Senate but with the Lieutenant Governor's tie-breaking vote Republicans were able to organize that body.

Five member committees are headed by a Republican chairman and are split 3-2 on a party basis. This same situation had prevailed in the Illinois Senate where there had been a 29-29 tie with a Democratic Lt. Gov. Michigan Republicans followed the precedent set by Illinois Democrats.

In any event bi-partisan support will be needed to pass a bill. The House being 57-52, Democratic, continued its organizational pattern with a Democratic Speaker who appointed committees controlled by his own party.

Bills are now being introduced at an increasingly rapid rate and some have already received committee and floor action. By the time you read this column, there will be close to 200 bills in the "hopper" in the Senate and many more in the 110-member House.

Apart from a few emergency measures to meet the state's fiscal needs it is not probable that many bills will become law before late April or May. They must take their turns going through the

committee process and floor action in both houses.

My own role will be as Assistant Majority Leader in the Senate. My major responsibility will be as chairman of the Senate Education Committee and also as chairman of the Commission on Intergovernmental Co-operation. I will continue on the Corporations and Economic Development Committee as vice-chairman and as a member of the Senate Business Committee.

Please write me your legislative concerns and inquiries at the State Capitol, Lansing, zip code 48902.

GIRL SCOUTS

TROOP 145—

Brownie Troop 145 opened their meeting with the flag ceremony on Thursday afternoon, Feb. 18. They invested Renee Houle, who was absent at investiture night. They collected dues.

Dawn Connell passed out cookies. Two new girls joined the troop, Jayne Lantis, who transferred from troop 84, and Mary Beth Blanchard.

The girls then discussed being a ready-helper, and started growing sweet potatoes. They worked some on their window displays and closed the meeting with taps and the squeegee.

Karen Liebeck, scribe.

TROOP 82—

Junior Girl Scout Troop 82 met Thursday afternoon, Feb. 18. This week the Scouts were given their cookie order forms, for their sale of Girl Scout Cookies. This year there are two more different kinds of cookies, and the girls sampled them at the meeting.

The girls were also given their badges.

Linda Brown, scribe.

Traffic Death Toll for January Shows Reduction

The State Police traffic division reported today that Michigan's provisional January traffic death toll was 118, or 49 or almost 30 percent less than 197 in the same month a year ago.

It was the 12th month in succession to show a reduction in deaths compares with corresponding month tolls a year earlier. The January count also was 24 fewer than the average of 142 for that month in the five years 1966-70.

Meanwhile, delayed death reports, have raised Michigan's traffic toll for all of 1970 to a still provisional figure of 2,174. This is 313 less than the all-time high of 2,487 set in 1969.

The provisional total for last year is the fifth worst annual mark on record and only one less than the fourth highest count of 2,175 set in 1937. Other higher annual tolls were 2,392 in 1968 and 1,298 in 1966.

DEN 8, PACK 445—

Den 8, Pack 445 met Friday. They discussed the theme for the month, which is "Cowboys and Indians."

Cowboys lived in the west, and some Indians lived in Michigan. Some of the Indians were the Chippewa, Shawnee, and the Huron. The Chippewa lived near Battle Creek and Kalamazoo, then they made canoes and floated down the Huron River. They lived near the Huron River. Some Indians were very, very poor.

Today, the Cubs made Indian drums out of coffee cans, and a tube, and string. They also made "Indian Language," and put that on the side of the coffee can.

Bobby Luck, scribe.

DEN 7, PACK 445—

Den 7, Pack 445 met Friday, Feb. 19, at the home of Mrs. Riemenschneider. The boys painted sticks to be used as an Indian game. After they finished making the sticks, they played the game. The meeting ended with the living circle.

Jeff Parnell, scribe.

HEAVY WINDOWS

Glass windows in the underwater theatre at Florida's Weeki Wachee through which the audience views an underwater mermaid show are built to withstand many times the water pressure to which they are subjected. Each of the 19 panes is four feet wide, five feet high, and weighs 1,100 pounds. They are made of three layers of laminated safety glass with a thickness of 2 1/2 inches. Through precision manufacture and installation, distortion has been held to a negligible minimum.

SYLVAN TOWNSHIP BOARD OF REVIEW

Notice is hereby given to all persons liable to assessment for taxes in the

TOWNSHIP OF SYLVAN

County of Washtenaw, State of Michigan

That the Assessment Roll of said Township as prepared by the undersigned will be reviewed by the Board at

SYLVAN TOWNSHIP HALL

West Middle Street, Chelsea, Michigan, on

Tuesday and Wednesday, March 2-3, 1971 from 9 a.m. to 12 Noon and 1 p.m. to 4 p.m.

Appeals and Conferences with Taxpayers will be heard on

Monday and Tuesday, March 8-9, 1971

at which time the Board of Review will be in session from 9 a.m. to 12 Noon and from 1 p.m. to 4 p.m. of said days. Upon request of any person who is assessed on said tax roll or of his or her agent and upon sufficient cause being shown, said Board of Review will correct the assessment as to such property in such manner as will in their judgment make the valuation relatively just and equal.

Such assessment tax roll as reviewed and approved by said Board of Review will be the assessment roll of said Township of Sylvan for the year 1971.

BLIND ALLEY
It's a single track mind, with no way to side-track prejudices that produces intolerance.

"Imitation" hams contain more than 10 percent water added after the curing process. Hams containing 10 percent or less added water after curing must be labeled "ham-water added."

OUT OF STEP
When you think the world is going wrong, stop and consider if you are going right.

Although wool fiber repels liquid water, it is capable of absorbing large quantities of moisture vapor, up to 30 percent of its weight, without feeling wet or clammy.

Roy Holliday Completes Air Force Basic Course

San Antonio—Airman Roy N. Holliday, son of Mr. and Mrs. Clarence Holliday of 19438 Ivey Rd., Chelsea, Mich., has completed basic training at Lackland AFB, Tex. He is remaining at Lackland for training as a security policeman. Airman Holliday, a 1968 graduate of Chelsea High School, attended Northwest 34, Michigan College.

ROY N. HOLLIDAY

MODERN LIVING

The average man spends nine-tenths of his time trying to earn enough money to enable him to enjoy the other tenth.

ADVICE ONLY

Many folks can tell us so much about the future, yet they do so little—past or present.

Quarterback Fran Tarkenton, of the Giants, completed 219 of 389 pass attempts for 2,777 yards and 19 touchdowns during 1970.

Next Moon Flight By 3 U-M Alumni

Ann Arbor—All three astronauts scheduled for America's next moon mission are University of Michigan alumni.

The trio, expected to begin their Apollo 15 flight on July 25, includes Col. David R. Scott, Maj. Alfred M. Worden and Lt. Col. James B. Irwin.

Worden and Irwin hold master's degrees from the U-M. Scott, the Apollo 14 spacecraft commander, spent his freshman year (1949-50) at the U-M before going to the U.S. Military Academy at West Point.

Worden received his U-M degrees in astronautical-aeronautical engineering and instrumentation engineering in 1963. He will be the Apollo 15 command module pilot.

Irwin, the lunar module pilot, earned master of science degrees in astronautical engineering and instrumentation engineering at the U-M in 1967.

Worden and Irwin will be making their first trip into space. Scott has logged 21 hours in space during earlier Apollo and Gemini flights.

While Worden circles the moon, Scott and Irwin will fly their lunar module to an area between the Sea of Rains and Sea of Serenity, about 700 miles northeast of the landing site of Apollo 14.

The two astronauts will spend 66 hours on the moon, twice as long as the Apollo 14 explorers. Scott and Irwin will use a battery-powered lunar vehicle to take them up to five miles from their spacecraft. They are expected to explore mountain ranges, craters and a canyon 600 feet deep.

CONCENTRATION CAMP
Modern homes come equipped with dens so the menfolk won't growl all over the house.

Spike Holsteins Receive Food Production Credits

A report of milk production levels attained by dairy cows in the area has been received from Holstein-Friesian Association of America. The actual food production output, recorded in the DHIR program, by these local Registered Holsteins is:

Green-Acre Sensational Minda, 8808427, a four-year-old, produced 20,020 lbs. of milk and 795 lbs. of butterfat in 305 days. Green-Acre Graphic Dana, 7001574, a three-year-old, had 17,610 lbs. of milk and 662 lbs. of butterfat in 305 days. Green-Acre Graphic Mona, 6991073, a three-year-old, had 19,930 lbs. of milk and 652 lbs. of butterfat in 325 days. Don-Hue Chris Schripps, 6276001, a four-year-old, had 16,510 lbs. of milk and 656 lbs. of butterfat in 337 days. All are included in the herd tested for Lowell Spike, Manchester.

These new production figures may be compared to the estimated annual output of 8,821 obs. (4,103 quarts of milk and 325 lbs. of butterfat by the average U.S. dairy cow, notes the National Holstein Association.

Production testing is made available through the co-operative efforts of the state and local testing associations and Holstein Friesian Association of America. Dairymen enrolled in the program pay for the service.

SCENIC LUXURY
The Mexican National Tourist Council says a new train, especially built for the breath-taking 408-mile run over and through (via 73 tunnels and 27 bridges), the northern Sierra Madre mountains from inland Chihuahua down to Los Mochis on the Pacific Coast, will go into operation during 1971. Expected to attract 15,000 passengers annually, the train features luxury sleeping accommodation, a bar, a restaurant and a dome car for viewing the spectacular canyon scenery.

6:00 p.m.—Worship service.
Every Wednesday—
7:30 p.m.—Bible Study.

SUNDAY'S SERMON

It is true, as some experts contend, that we are losing our individual identity in a computerized society? Think about the question for a moment. While it is true that the "numbers" game is important, that we have a social security number, a draft registration number, a credit card number, etc., is it not true as well that we live in a time when individual voices around the world are raised in some form of protest?

Numbers are but part of a record-keeping system. Supposedly, numbers end confusion when there is a duplication of names, which often happens. We do not lose our personal identity when someone assigns a number to our name.

We can lose our personal identity only when we cease to use our God-given ability to think and to act. We lose our identity when we fail to meet our responsibilities—to ourselves, to others, to the world with the tide because it is the easiest thing to do. We lose our identity when we no longer care, when we cease to try, when we are content with being a nobody.

The Huron-Clinton Metropolitan Authority had its beginnings in the 1930's, when a group of civic-minded residents had foreseen the need of building and maintaining "metropolitan parks" to serve the growing Detroit Metropolitan Area, including the counties of Livingston, Macomb, Oakland, Washtenaw and Wayne.

ST. MARY CATHOLIC CHURCH
The Rev. F. Francis Wahowiak
Saturday, Feb. 27—
7:30 p.m.—Mass.

A Diploma For You
NEVER TOO LATE!
WASHTENAW COMMUNITY COLLEGE

Letters to the Editor

Dear Editor:
I have sincere sympathy for those who have loved ones thought to be prisoners in Vietnam. However, it grieves me to see this issue draining off energy and funds from efforts to end the war. That is the only way to bring home the POW's—and all the other men there (who are truly also prisoners of war)!

Malinda Warner
19720 Waterloo Rd.

Maple Syrup Pamphlet Is Now Available

East Lansing—If you like maple syrup and want something to do in your spare time, a new pamphlet produced by Michigan State University may be just what you're looking for.
"Home-made Maple Syrup" is co-authored by Melvin R. Koelling, MSU extension specialist in forestry, and James E. Neal, district extension leader in resource development. The publication deals with the "how to" aspects of making maple syrup and covers such topics as necessary equipment, tapping the tree, and collecting and boiling sap.

Single copies of the new pamphlet may be obtained free at your local County Extension Service office or by writing for Extension Bulletin E-703 at the MSU Bulletin Office, P. O. Box 231, East Lansing, 48823.

dy, Roben Terns, Polly VanSlambrouck, Mary Verchereau, Robert Weir.

LIMA TOWNSHIP BOARD OF REVIEW

Notice is hereby given to all persons liable to assessment for taxes in the

TOWNSHIP OF LIMA

County of Washtenaw, State of Michigan

That the Assessment Roll of said Township as prepared by the undersigned will be reviewed by the Board at
LIMA COMMUNITY HALL

Jackson Road

Appeals and Conferences with Taxpayers
will be heard on

MONDAY and TUESDAY

MARCH 8-9, 1971

at which time the Board of Review will be in session from 9 a.m. to 4 p.m. of said days, at which time upon request of any person who is assessed on said tax roll or of his or her agent and upon sufficient cause being shown, said Board of Review will correct the assessment as to such property in such manner as will in their judgment make the valuation relatively just and equal.

Such assessment tax roll as reviewed and approved by said Board of Review will be the assessment roll of said Township of Lima for the year 1971.

EDWIN J. GOY, Supervisor

MARK TONTANGE, left, is the smallest on the Chelsea wrestling team. A sophomore, Mark wrestles at the 101-lb. level. He is Chelsea's only undefeated wrestler thus far, and was a SEC league champion at the conference meet, on Saturday, Feb. 13. Mark enjoys horseback riding and swimming, and has attended wrestling camp in the summers. He has hunted for several seasons, and killed his deer this year. Future plans for this wirey sophomore are at present undecided, although he would like to go to college. He lives with his parents, Mr. and Mrs. Stanley Montange, 19640 Ivey Rd. He has two brothers, Gary, and Ron, at home, and one sister, Kathy, who lives and works in Ann Arbor.

DALE POERTNER is a first-year wrestler for the Chelsea team. A freshman, Dale wrestles at 108 pounds. He has a 5-8 record for this season. A member of this year's freshman football team, Dale also enjoys swimming, baseball, and bowling. He enjoys building models of any kind—but his favorite are aircraft. He would ultimately like to become a physical education teacher. Dale lives at home with his parents, Mr. and Mrs. Maynard Poertner, 420 Chandler St. He has two brothers, Larry, a student at EMU, and Jim, a freshman at college in Indiana, and two sisters, Pat, at home, and a second, Mrs. Richard (Karen) Steinaway, living in Virginia.

Phoebe Circle Hears Talk on Delta Ministry

Phoebe Circle of the United Methodist Church of Chelsea met at the home of Mrs. Robert Harris on Feb. 18 instead of Feb. 17, because of inclement weather.

Fifteen members and the group's guest speaker, Mrs. James Gaunt, were present for the 1 p.m. dessert-luncheon served by Mrs. Harris and her co-hostess, Mrs. Floyd Roderich.

Mrs. Ben Donaldson, chairman, greeted all members and guests. Several women brought babies' clothing and blankets to be sent to the Circle project "Heart and Hand House" in Philippi, W. Va. Other members wishing to give baby things may bring them to the next meeting in March.

Members were asked to contact the Circle Companions whenever possible.

Mrs. Raymond Schairer introduced Mrs. James Gaunt, who presented a talk on "Delta Ministry." She stated that the delta is located at the outlet of the Mississippi River in the state of Mississippi. It is the result of the ice age, when the ice melted on its way south. This area is rich in cotton producing land. The large, single problem that faces the area, however, is the black population, who have an average yearly income of about \$456 per family.

In September 1964 the Delta Staff, under the auspices of the National Council of Churches was formed. Headquarters were located in Greenville, Miss., where 42 percent of the population is black. A lack of sufficient funds has impaired the work of the organization.

Mrs. Gaunt stated that Church Women United were the first to help with the Delta Ministry. She spoke also of Freedom City, which is located on the outskirts of Greenville. It comprises 400 acres, and conducts various projects to help the blacks.

Mrs. Bertha Reimenschneider will be hostess to the Circle on March 17 in the Educational Center. Mrs. R. Little and Mrs. Lyman Adams will assist.

Mrs. George Stanford will be in charge of devotions and the program.

SCHOOL LUNCH MENU

Week of March 1-5

Monday, March 1—Open face sandwich, mashed potatoes, with gravy, pineapple tidbits, bar cookie, and milk.

Tuesday, March 2—Shepherd's pie, head lettuce, bread, butter, chocolate eclairs, and milk.

Wednesday, March 3—Hot dogs on buns, trimmings, vegetable soup, and crackers, hot apple goodies, and milk.

Thursday, March 4—Chop suey over rice, buttered green beans, bread, butter, fruit cup, and milk.

Friday, March 5—Creamed turkey over egg noodles, sweet peas, bread, butter, cake and milk.

4-H Clubs

WATERLOO

The February meeting of the Waterloo 4-H club was opened with a new gavel. The gavel was awarded as a prize for perfect attendance of the officers at a county officers training session held recently.

Plans for achievement were discussed. Achievement will be held March 27. It was announced that the Waterloo club will have the job of clean-up in the past.

Mrs. Lewis informed the club about the Youth Exploration Days which will be held June 29 through July 1. The club will be sending four members.

Dawn Menge provided refreshments after the meeting.

Julie Tite, reporter.

Club, Social Activities

SENIOR CITIZENS PARTY

Birthday pot-luck supper of the Chelsea Senior Citizens was held Thursday evening, Feb. 18 for members with birthdays in February. Twenty-seven members were present for the occasion which featured a "birthday table," decorated in hearts, red candles, and a birthday cake. Norman Eisemann and Irma Mayer were the evening's "honored guests."

ESTHER CHAPTER

Ester Chapter of the Congregational church met at the home of Mrs. Vernon Parks, Feb. 17. Mrs. Clarence Vogel, president, called on Mrs. Richard Smith for devotions, which were taken from the book, "Fellowship of Prayer for Lent."

The women were reminded of the Ash Wednesday morning breakfast to be held at the church, to which the ladies of St. Paul's church have been invited to join.

Plans were made and tickets were given out for the salad luncheon to be held March 24.

Mrs. Daniel Kellin presented a talk on a trip she made to the House by the Side of the Road in Ann Arbor. A program for collecting clothes in Chelsea, at a central point, to be mended and ironed before transportation to the House by the Side of the Road was formulated. Chelsea Social Service representatives from this community will have a chance to select some things to be used for their work, before the rest are sent to the House. More information will be distributed when the plans are completed.

Mrs. Parks served dessert and coffee to the group following the meeting.

It was announced that there will not be a March meeting, due to the luncheon. Next meeting, April 15, at the home of Mrs. Dan Kellin.

CHILD STUDY CLUB

At the Feb. 23 meeting of the Chelsea Child Study Club, members and guests were treated to a presentation entitled "Come to My Party." Four club members, Mrs. Charles Thomas, Mrs. Robert Barlow, Mrs. Fred Mills, and Mrs. Richard Borton discussed preparation, themes, decorations, and foods at parties for children, teen-agers, brides, and adults, respectively.

Hostess Mrs. James Shadon and co-hostess Mrs. J. R. Seitz welcomed 24 members and guests, Mrs. Merle Barr, Mrs. Thomas Dmoch, Mrs. Bryce Fauble, Mrs. Mrs. George Heydlauff, Mrs. Arden Musbach, and Mrs. Bruce Stubbs.

WOMAN'S CLUB

Chelsea Woman's Club met Tuesday evening, Feb. 23. Nineteen members and three guests were present. Program was given by Mrs. Robert German. She spoke on "Africa, land of turmoil, conflict, and division."

After the program, two of the guests, Mrs. Jack Dettling, and her mother, Mrs. Eder, showed paintings which Mrs. Eder's daughter, Elaine Eder, had sent from Africa, as well as ebony carvings. Elaine is in the Peace Corps in Uganda, teaching school.

A new member joined last night, Mrs. Stanton Glazier. Hostesses for the evening were Mrs. Sylvester Wojcicki, and Mrs. Ray Pelfers.

Next meeting will be March 9.

OLDER ADULT GROUP

Older Adult Group of the Methodist church met for their regular pot-luck dinner Feb. 20, with 20 members and two guests present. Mr. and Mrs. R. H. Benedict, from Beulah, were guests.

Opening prayer was given by the Rev. Clive Dickens, and the program was given by Mrs. Lucille Altstaeter, and Miss Dorothy Hadley. Topic for the evening was "Peace."

Birthday cake was made by Mrs. George Stanford. Dinner committee was Mrs. Florence Ives, Miss Dorothy Hadley, and Mrs. Lucille Altstaeter.

Next meeting is March 20, and will be given by the Action Group of the Methodist church, who will entertain the group with a pot-luck dinner. Dinner will be at 12:30, and members are asked to bring table service.

RUTH CIRCLE

Ruth Circle of the Chelsea Methodist church met in the Church Social Center Feb. 17, at 1 p.m.

Mrs. Stanley Bond and her committee served dessert to the 14 members and one guest present.

Meeting opened with a prayer by the chairman, Mrs. Calvin Summers. Tow new members were welcomed to the Circle.

Plans were made to serve a wedding reception Feb. 20 in the Church Social Center.

Used Christmas Cards were brought to the meeting by the members and later taken to the Chelsea Methodist Home at the request of Mrs. Winifred Jordan.

Mrs. Ralph McCalla presented an interesting program on "Retirement, Boon or Bore." A group discussion followed the program.

It was announced that the Rev. and Mrs. Frederick Matland will be speaking at the church on March 3 at 7:30 p.m. All members and husbands are invited to attend. His topic will be "Reflection on Brazil."

Next circle meeting will be March 17 at 1 p.m. in the Social Center.

Meeting was closed with a prayer circle.

Tax Deadline Date Near for Farmers Who Didn't File Estimate

Detroit-Michigan farmers and fishermen who did not file a declaration of estimated federal income tax by Jan. 15 may have a tax deadline by March 1.

Thomas A. Cardozo, District Director of Internal Revenue for Michigan, said today that if you earned at least two-thirds of your 1970 gross income from farming or fishing but did not file an estimate by Jan. 15, you must file your 1970 Federal income tax return and pay any tax due by Monday, March 1, to avoid penalty for underpayment of estimated tax.

Into each life some rain must fall, and usually it happens when the raincoat is at home in the closet.

Deadline Date Extended on Coupons for Kidney Machines

Deadline for obtaining lifesaving artificial kidneys through the collection of Betty Crocker coupons has been extended from May 31 to Dec. 31, 1971.

The extension was granted in February to enable the Kidney Foundation of Michigan and Michigan Jaycee Auxiliaries to obtain additional kidney machines through the joint project begun in February, 1969.

In announcing the extension on Feb. 4, Peggy Adams of General Mills' Betty Crocker Club Plan said that Dec. 31, 1971 is the deadline for all lifesaving equipment projects. She added that groups authorized under the plan may continue to collect coupons for other projects.

Her statement was in a letter replying to an appeal from Gary B. O'Donnell, executive director of the Kidney Foundation of Michigan.

To date, the state-wide campaign to collect the coupons from food products has obtained 12 kidney machines, each valued at \$8,000 or more. The machines have been given to Michigan victims of kidney failure through the loan closet of the Kidney Foundation, a Torch Drive and United Fund service.

When a patient must have a kidney machine for survival, but has no means for obtaining one, the loan closet provides the device immediately, at no cost to the patient.

Coupons may be mailed to the Kidney Foundation of Michigan, 3878 Washtenaw, Ann Arbor 48104. To allow time for packaging and shipping, all coupons should be turned in by Nov. 30.

For every 600,000 coupons shipped to them by the Kidney Foundation and Jaycee Auxiliaries, General Mills returns \$3,000 for the purchase of a kidney machine.

In December, the food firm announced a deadline of May 31 for accepting coupons for all lifesaving devices such as artificial kidneys and heart pumps. At that time, General Mills said the decision to cut off the program was made because of accusations that the firm was trading on human misery.

Accepted for College At Freed-Hardeman

Karen Lynne Reynolds, daughter of Mr. and Mrs. Carl Reynolds, 506 Arthur St., has been accepted for admission to Freed-Hardeman College, Henderson, Tenn., for the summer session beginning June 7.

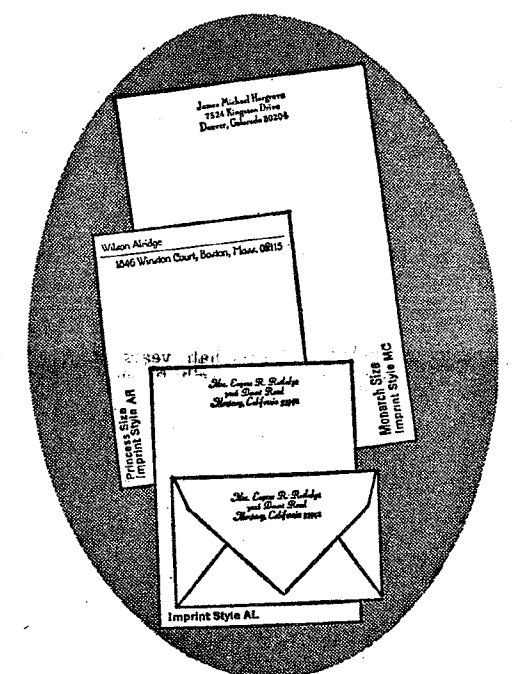

Miss Reynolds, a senior at Chelsea High school, plans to major in Physical Education, while at Freed-Hardeman. She is a member of the Chelsea Church of Christ.

new REGULATIONS ALLOW more favorable HOME MORTGAGES

Newest regulations have broadened lending policies permitting us to offer more favorable home mortgage terms. Interest rates have apparently passed their peak and we feel that now is a good time to go ahead with plans to build or purchase a home. Housing costs, including labor and materials are increasing at a rate of about 8 percent a year.

A HOME IS ONE OF THE BEST BUYS. The mortgage interest rate is much lower than the cost of borrowing money to buy a car or a color TV set. Bargains are available today, particularly in the existing home market and builders are trying to satisfy the demand for basic values with new models that are long on square footage and short on frills.

WE HAVE MORTGAGE MONEY AVAILABLE. More than any other financial institution in the area, because the primary investment of our monies goes into home loans. We offer conventional, HUD (FHA) and VA mortgages. We're interested in helping you to buy or build now under the most favorable mortgage terms available.

Brenda Clemans, R. Reinecke, Jr., Wed in Methodist Home Chapel

Mrs. Ralph J. Reinecke, Jr.

Miss Brenda Catherine Clemans, daughter of the Rev. and Mrs. Richard L. Clemans, 801 W. Middle St., became the bride of Ralph James Reinecke, Jr., Saturday afternoon, Feb. 20, at the chapel of the Chelsea Methodist Home. The bride's father performed the ceremony, before a gathering of approximately 200 guests.

The bridegroom is the son of Mr. and Mrs. Ralph James Reinecke, of Boyertown, Pa.

Miss Betsy G. Owen, of Westport, Conn., presented the vocal solo, "The Lord's Prayer," for the occasion.

The bride's gown was white, lace covered satin, princess style, and featured a floor-length veil of bridal illusion fastened to a tiara. She carried three white roses.

Sister of the bride, Miss Laura Jane Clemans, attended as maid of honor. She was attired in a pastel flowered gown of cotton, which featured a yellow chiffon floor-length overskirt. Yellow ribbons at the empire waist, and a yellow bow with streamers in her hair completed the outfit. She carried three yellow roses.

Bridesmaids included: Miss Lois Dohner, of Pontiac; Miss Rebecca Clemans, sister of the bride, and Miss Barbara Martens, of Muskegon. They were attired in dresses that matched that of the maid of honor's with chiffon overskirts of blue, pink, and rose, respectively, and they carried three pink roses, each.

Mrs. Clemans, mother of the bride, chose a mauve double knit dress, which was accented with a mauve and gold scarf and hat. Mother of the bridegroom, Mrs. Reinecke, was attired in a powder blue double knit princess style dress, with royal blue accessories. Douglass Funsett, Shaker Heights, O., was best man, while David McGibney, Chelsea, Lawrence Shattis, of Eastland, and William Reinecke, of Boyertown, brother of the bridegroom, ushered.

A reception followed the wedding in the recreation room of the M-building at the Methodist Home, hosted by the bride's parents. Mrs. Sybil Johnson, Mrs. Gertrude Kraus, both of Chelsea, assisted, while Mrs. Karen Mueller, Albion, attended the guest book.

Following a wedding trip of five days to visit western Michigan, the newlyweds will reside at 1648 A Spartan Village, Michigan State University, at East Lansing. The bride has finished two and one-half years at Albion College, and will finish her BA degree at Michigan State University. The bridegroom is a graduate of Penn State University, and is presently employed at the Michigan State University Data Processing Department.

99th BIRTHDAY
Approximately 20 of his children, grandchildren and great-grandchildren gathered at the home of Frank Adon, 447 Railroad St., Sunday afternoon, to celebrate his 99th birthday, which will be this Friday, Feb. 28. A decorated birthday cake was the main attraction, and he received many cards, and gifts.

Adon was born in Greenup, Ky.

Club and Social Activities

MODERN MOTHERS

Modern Mothers Child Study Club met Tuesday evening, at the home of Mrs. Charles Matloff. Co-hostess for the evening was Mrs. Warren Porath.

A work-see was held on the syllabus that Modern Mothers is presenting to the Michigan Child Study Club Association. Another work-see will be held Thursday morning at the home of Mrs. Paul Weber to finish the syllabus.

Next meeting will be Tuesday evening, March 9, at the home of Mrs. Richard Cook. Guest speaker will be Assistant Principal Bryce Fauble.

NEVER REST FARM BUREAU

Never Rest Farm Bureau met at the home of Mr. and Mrs. Edward Keizer, Feb. 19, with 12 members present.

Discussion topic of the month was on postal service. Chairman Wolfgang attended a meeting in Jackson, and presented a report on Farm Bureau Co-Op.

After the meeting, a few games of cards were played, and refreshments were served.

CHELSEA COMMUNITY FARM BUREAU GROUP

Chelsea Community Farm Bureau held their meeting at Sylvan Township Hall, Thursday evening, Feb. 11. Mr. and Mrs. John Cook, and Mr. and Mrs. George Brettschneider were hosts. Nineteen members enjoyed a pot-luck supper at 7 p.m.

After the meeting, cards were played, with prizes being awarded to Mrs. Leon Sanderson, Mrs. Marjorie LaRose, John Brooks, Allen Broesemle, and Reuben Lesser.

The March meeting will be hosted by Allen Broesemle and Mr. and Mrs. Roy Kalmbach.

SENIOR CITIZENS

Eight members were present at Tuesday evening's Senior Citizens meeting, Feb. 23. March 4 will be the next social meeting. Committee is Mrs. Wilbert Breitenwischer, and Mrs. Charles Bycraft.

All special activities of the group will be discontinued during Lent. Fun night on Friday night will continue.

SARAH CIRCLE

Sarah Circle of the First United Methodist WSCS held its Feb. 17 meeting at the home of Mrs. William Storey, with Mrs. Gerald Giffin as co-hostess. Thirteen members were present.

Mrs. Ed Lewis conducted the business meeting. Plans were made for the March 3 WSCS desert. Program will be hosted by Sarah Circle.

Mrs. Gifford Johnson read the story of Mary and Martha from the Bible, after which Mrs. V. O. Johnson presented her program "The Most Important Hour of My Life," or "Am I a Mary or a Martha?"

The meeting closed by listening to a recording of Gings Beverly Shea singing "How Great Thou Art," and a prayer chain.

Later in the afternoon, a birthday cake, and flowers were delivered to Mrs. Chandler Rogers at her home. The surprise birthday party in her honor was not held because of the inability of the guest of honor to get in to town, due to the icy roads. Mrs. Rogers was 85 years old on Feb. 20.

Marilyn Miller, Kenneth Hopkins Speak Vows at Methodist Church

Marilyn Miller, daughter of Mr. and Mrs. John A. Miller, 17376 Cassidy Rd., and Kenneth Hopkins, son of Mr. and Mrs. William C. Hopkins, 8789 Muehleisen, Dundee, were married Saturday afternoon, Feb. 20, at the First United Methodist church in Chelsea. The Rev. Clive Dickinson officiated at the ceremony, before approximately 200 guests.

Miss Julie Pingel, of Mt. Clemens, sang the vocal solo, "One Hand, One Heart."

For her wedding, the bride chose a gown of nylon lace, with a high neckline, and long full sleeves. Her gown featured a fitted bodice and a full skirt, with four tiers of ruffled lace, which was complimented in the back with a chapel train. A short bouffant veil attached to a crown of pearls completed the outfit and she carried a colonial bouquet of white miniature carnations and daisies, accented with yellow sweetheart roses.

Ann Hawley of Chatham, was maid of honor. She wore a princess line gown in romance blue, which featured a high neck, and bishop sleeves, and multi-colored lace at the waistline, cuffs and the neck. A forest green velvet ribbon completed the waistline trim, and she wore a blue veil attached to a matching forest green velvet bow, trimmed with multi-colored lace.

Mrs. James (Linda) Fairchild, sister of the bridegroom from Maybee, and Debbie Packard, niece of the bride, of Chelsea, attended as bridesmaid, and junior bridesmaid.

Mrs. Fairchild's gown matched that of the matron of honor's, while the junior bridesmaid wore a gown of the same style in light blue.

Mrs. Miller, mother of the bride, wore a pink shift dress with a lace overcoat and sheer long sleeves. She wore a corsage of white roses.

Mrs. Hopkins, mother of the bridegroom, chose a dress of yellow, with long sleeves, and a waist-length jacket. A red rose corsage completed the ensemble.

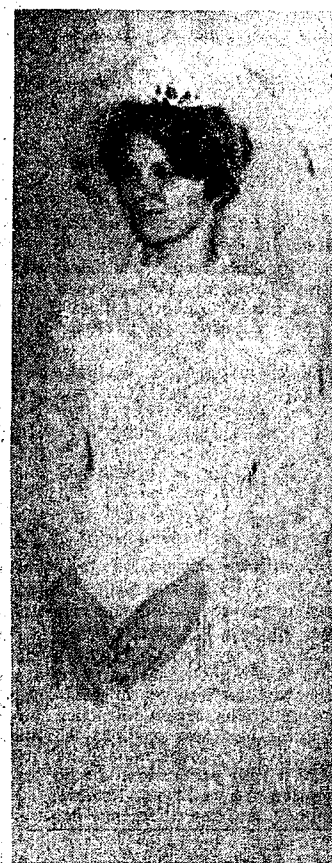

John Packard, nephew of the bride, of Chelsea, was ringbearer. Best man was Paul Fairchild, of Dundee. Ushers included Russell Henning, Dundee; James Vandaele, of Maybee, and Phil Radant, brother-in-law of the bride from Plymouth.

Following the wedding, a reception was held at the church social center, given by the bride's parents. Robin Doezeema, of Lowell, attended the guest book, while Debbie Merryfield, cousin of the bridegroom, from Dundee, poured punch. Mrs. Charles (Sue) Laraway, cousin of the bride, from Plymouth, poured coffee, while Mrs. Gary (Bernice) Packard, sister of the bride of Chelsea, cut the cake.

Mrs. Ernest Cameron, sister of the bride, from Cassidy Rd., and Miss Diane Solem, cousin of the bride from Birmingham, attended the gift table.

A family reception followed at the home of the bride's parents. Following a wedding trip of five days to the Upper Peninsula, the couple will reside at 4440 E. Cedar Lake Rd., Greenbush. For her traveling costume, the bride chose a moss green velvet gown, with empire waist and short puffy sleeves.

The bride is a senior at Eastern Michigan University, and the bridegroom is a sergeant in the U.S. Air Force, stationed at Wurtsmith AFB, Oscoda.

Mrs. Kenneth Hopkins

LYNDON TOWNSHIP

Marjo, Beverly, Jennie and Lucy Bott spent last Wednesday with their cousins, at the home of Gerald Gauthier in Rives.

Delancy Cooper and Mr. and Mrs. George Schonele, from Millville, attended Saturday's Trailer Camper Show in Detroit.

Delancy Cooper spent Sunday with his daughter and family, Mr. and Mrs. Frank Lyons at Eaton Rapids.

Don and Allen Roderick have the chicken pox this week.

Mrs. Mary Clark entertained 10 ladies and children Thursday morning in honor of Mrs. John Steigewald and Elizabeth Ann.

INTEREST BUILDS

The installment plan may have its faults, but religion is one thing that people should practice as they go along the way.

W. W. Werners Are Honored on 25th Anniversary

A silver wedding anniversary was celebrated Saturday evening, Feb. 20, in honor of Mr. and Mrs. W. W. Werner. The party, which was held at the couple's home, at 2-413 Wilkinson St., was hosted by the couple's three daughters, and families, Miss Laurie Werner, Mr. and Mrs. Gary (Jill) Seitz, and Mr. and Mrs. Douglas (Cheryl) Hamilton, all of Chelsea. Also assisting at the party was Mrs. Werner's sister, Mrs. Art Garrison, of Detroit, and one aunt, Mrs. Ronald Thomas, of Lansing.

A total of 65 guests attended from Ishpeming, Negaunee, Detroit, Dearborn, Romulus, Lansing, Jackson, Manchester, Grass Lake, and Chelsea. Guests included most of the wedding party, with the exception of one, who was snowbound in the Upper Peninsula.

A decorated cake was featured at the party, and a money tree, sprayed silver, with 50-cent pieces hanging from the branches, was given by the couple's daughters. Mr. and Mrs. Werner were married Jan. 26, 1946 in Negaunee.

A bank survey shows 40 percent of wives today decide where money is saved which leads us to speculate that 99 percent of them also decide where it is to be spent.

Expert on Brazil Will Address WSCS Group at Methodist Church

A program entitled "Reflections on Brazil," will be presented at the March 3 meeting of the Women's Society of Christian Service of the First Methodist church. The program will be presented by Fred B. Maitland, and will commence at 7:30 p.m.

Maitland is a native of Detroit. He received his formal education at Albion College, Asbury theological Seminary, Vanderbilt, and the University of Michigan. He entered the Christian ministry after 10 years of working for the Detroit Free Press. He served in the Detroit Conference at Millington.

Over the years from 1950 until 1960, Maitland has served in a variety of capacities as pastor, evangelist, chaplain and seminary director. He has studied much, and is

very knowledgeable on the country of Brazil.

He is married to Lois Olney Maitland, formerly of Minneapolis, Minn., and the couple has three children. He is presently on leave from the Methodist Mission Board, serving on the staff of the First United Methodist church in Ann Arbor.

Special guests at this presentation, which is open to everyone, will be the Wesleyan Service Guild. Hospitality will be provided by the Sarah Circle with Mrs. Russell Bernath as chairman.

DISPLAYING THEIR WARES, posters made in conjunction with a 7th grade science project, are Lynn Olson, and Matt Stapish. The two are members of James Hoffmeyer's seventh grade classes, and drew these posters to discourage their fellow students, and others, from participating in the evils of smoking, drugs, and alcohol. Lynn is the daughter of Mr. and Mrs. Don Olson, while Matt is the son of Mr. and Mrs. Charles Stapish.

TEACHER TOPICS

By Jim Hoffmeyer
7th Grade Science Teacher
Our present "chemical society" is involved in a shifting of emphasis from the hard narcotics and the hallucinogens to the widely spreading use of marijuana. Parents and teachers are all involved, whether or not they wish to be. They are involved because they show by example and by the spoken word how they feel about the "milder" forms of drug abuse: the use of alcohol and the use of marijuana.

In light of the present consideration by the Ann Arbor City Council of a proposed reduction in the seriousness of the crime and the resultant penalty associated with the use of marijuana, it might be interesting to the citizens of Chelsea how some of our 7th graders reacted to an assignment on "pot" and alcohol.

To solicit their opinions and reactions, they were assigned to pose as Ann Landers and answer a letter sent to her by a teen-ager whose parents drank heavily, accusing Ann Landers of being unfair in her blanket condemnation of pot, and alleging that she had ignored the problems of alcohol.

In the paragraphs which follow are some of the quotes from these letters by the students.

In selecting these, I tried to show both types of reactions (for and against alcohol), and have intentionally selected some which show the influence upon the student of a recent "study" of drugs in grade 7, and some which did not reflect this influence.

One girl said "... the reason I didn't say anything about alcohol is because most people drink alcohol sensibly. ... Another girl pointed out that in using pot, 'your body will build up a great tolerance then you will be smoking more and more ...'

One girl may have reflected past fears at home when she said, concerning the parents referred to in the letter, 'They might come home and kill one of the kids when they drank.'

One boy will probably avoid the use of both of these drugs if he remembers what he said: 'They both make you very sick or you can die from alcohol and pot if you take an overdose.'

A girl, speaking as Ann Landers, labelled the drug user as follows: 'So if you abuse drugs you're an even bigger cop-out than the drugs themselves.'

Another girl shows some knowledge of what alcoholism is, by writing 'The person could become like an addict to drugs because they never stop drinking it (and) they become an alcoholic.'

A boy writes, 'The Drunks and Pot users should be treated the same in court and be dealt the same penalty.' I am sure another boy intended the obvious play on words when he wrote "... alcohol is bad for you and anybody you run into on the street." More insight is also shown by a girl's

remark: 'Alcohol can cause bad judgment, which is especially bad when driving.' Probably reflecting attitudes shown among friends and relatives, a girl says, 'Beer, wine, and other drinks are all right if you don't get too much.'

Defending Ann Landers' alleged unfairness, another student said, 'Alcohol is an old drink but people know what alcohol does to you. But nobody really knows what pot does to your body.' Another says, 'I personally think if pot makes you feel better and makes you feel you can do things better you should use it if you feel you need something to bring your spirits up.' Another defense for Ann Landers is found in: "... it would be almost impossible to stop people from using alcohol. Since pot is new they might have a chance to stop it before it becomes like alcohol.'

'I'm sure you will be happier, healthier, and better young men in years to come if you refrain from the use of liquor or dope of any kind,' is a quote from another seventh grader, which seems to reflect a "healthy" attitude. Another reiterates the theme that "... alcohol is old as time itself but drugs are new. I was trying to help other young and old people from starting on drugs.' An admonition to avoid pot includes "... pot has different effects on different people.'

I felt I had succeeded in educating at least one girl, when I read: 'Alcohol also is a very serious problem as it affects our brain and our thinking. Alcohol is also bad for our heart and in time it destroys the liver. A person who had to depend on alcohol is a sick person and just as miserable as one on dope.' One boy said in his letter, 'I also think that if your mother and father get drunk every week they are insane to do so.'

My own feelings on the matter can be summed up by relating the entire letter written by one of the 7th grade girls: 'I agree that the alcohol "cop-out" is a serious one but what about marijuana? It is a growing problem with youth around the world. Yes, youth. I find that worrying about the "establishment" is useless because they are rather set in their ways. Youth is where our future lies. Not only the future of our own country but the future of the world. I am not giving you any old fuddy-duddy advice. The future is in your hands and I beg you, please use it wisely by not ruining your life like so many kids are today.'

North School Boosters Seek Playground Items

North School Boosters met Feb. 18 at North school. Robert Benedict informed the group that it was time to re-evaluate the new report cards. A committee of Mrs. Elmer Bristle, and Mrs. Robert Koch will work with Benedict and the teachers on this project.

Mrs. Pat Coelius and Mrs. Bernice Packard, kindergarten and first grade teachers, talked to the group about ways parents could assist.

New playground equipment is needed and a list of items were presented that would help. The children need something to develop their large muscles which in turn affects their co-ordination and their ability to read.

Since this is the purpose of the Boosters, the next meeting March 18, will be designated to decide what can be done to help. Parents are urged to attend this meeting and support the project.

Mrs. Mary Ann Williams, remedial reading teacher, presented a program on helping a child learn to read. She broke down her procedures into two portions, helping with audio perception, and helping with visual perception. Audio perception involves listening to sounds, and the difference between

hearing and listening, while visual perception deals with letter discrimination and being able to distinguish letters.

Meeting was adjourned after the program.

St. Louis Cagers Place Second in Ann Arbor Playoff

Basketball team at St. Louis school traveled to Ann Arbor this past week to play in a competition with the Catholic schools. The Roosters played St. Francis school Saturday afternoon, coming from an 11-point trail in the third quarter to win the game, 57-47.

This put St. Louis in the running with St. Thomas on Sunday afternoon. The Roosters got off to a bad start in the first quarter, as they were handicapped with two injured players. They never were able to catch up, although they put in what a reliable fan called a "great performance," and took second-place honors.

Refreshments were served Saturday evening to celebrate the victory. A specially decorated cake with ice cream helped the gaiety of the occasion, and the Rev. Fr. Louis Frangi, director of the school, treated the boys to their favorite soft drink.

Sunday afternoon Mr. and Mrs. Ed Beissel brought a surprise treat for all the boys following the game.

On Honors List

Douglas Schrader, son of Mr. and Mrs. Don Schrader, 12470 Trinkle Rd., has a 3.8 average at Washenaw Community College for this past fall semester.

ST. LOUIS SCHOOL'S ROOSTERS display the second-place trophy which they won this past week-end in tournament competition with St. Thomas school and St. Francis school in Ann Arbor. Rooster cagers include, front row, from left, Jeff Mack, John Martin, Martin Cook and Wayne Kennedy. In the back are Ronnie Rhoades, Ron Lawrence, Kevin Mach, the Rev. Fr. Umberto, coach, and Patrick Cosgro. Missing from the photo is Gary Ponta.

Lawrence Asquith Will Participate in Intercollegiate Rodeo

Lawrence Asquith, 3019 N. M-52, Stoughton, will participate in the Intercollegiate Rodeo at Michigan State University to be held Feb. 26, 27, and 28. This second annual rodeo will be held at the Livestock Pavilion on Campus.

Asquith will be one of the pick-up men at the college rodeo, and

he has also served as the calf roping coach for this year's MSU team. He is employed at North American Rockwell Corp., in Chelsea, when not training horses.

Performances will be held at 8 p.m. Friday, 4 p.m. and 8 p.m. on Saturday, and at 2 p.m. Sunday. Tickets are available at the
