OFFICIAL OPENING: The 1971 Chelsea Community Fair officially began as 1970 Fair Queen Lori Lancaster cut the ribbon at the fairground gates at 5 p.m. Tuesday afternoon. Assisting Lori

at the ceremony were Chelsea Village President A. E. Fulks (left) and Fair Board President Allen Broesamle.

Tractor Pulls, Parade Top Final 3 Days

The Chelsea Community Fair opened Tuesday with all the excitement and high spirits fairgoers have had for every community fair.

Despite the failure of the carnival rides to open until 4 p.m., the unruliness of some of the steers to be shown in the Fat Stock sale, and skies that threatened but didn't produce rain, the opening Day—Children's Day—was a huge success.

Following the ribbon cutting which officially opened the fair, hundreds of children gathered for the Children's Parade in the Municipal Parking Lot, which was packed with noisy, colorful people.

Parade watcher saw a witch in a tall black hat, a cowboy made fat by a pillow stuffed under his shirt, riding a "horse" with a white banana seat, the butcher, baker and candle-stick maker all at sea in their tub, Raggedy Ann and Andy, as well as many other well-known and not-so-well-known characters.

Crowds at the fairgrounds were larger than those of last year, Fair President Allen Broesamle reported, and the fair office said that gate attendance figures were "well over 2,000," a remarkable crowd for the first day of the fair.

Tuesday evening, fairgoers packed the grandstand to see Cathy Clark, 17, senior class candidate, crowned Queen of the 1971 Fair. Janice Bauer, junior class candidate, was runner-up.

Ann Arbor firemen drenched both Chelsea and Dexter fire-fighters in the annual water-ball contest. Dexter firemen drew a bye for the first round, watching as Ann Arbor defeated Chelsea 14 to 13. When their turn came, the Dexter firemen went down to a splashing 23-3 defeat.

Ann Arbor firemen added something new to the water-ball contest this year—a glittering brass trophy complete with brass fire-hose nozzle.

The trophy will be passed from winner to winner of the contest, and the only hitch is that the department possessing the trophy must keep all that brass shining. The Senior Girls defeated the Junior Girls, 10 to 7, in the last water-ball contest of the night.

On Wednesday, fairgoers saw the inauguration of the first announcer's stand built for the fairgrounds. The much-needed stand was built by Leonard Reith, who donated all the material, a week of his time, and much of the labor needed.

Approximately 8 feet by 12 feet, the bi-level stand is 12 feet high, and, the fair office said, may be used by anyone at the fair needing to make an announcement.

Ingalls Amusement Co. operated all children's rides at reduced prices from 1 to 4 p.m. Wednesday, and will continue to offer four rides for \$1 from 1 to 4 p.m. today and Friday.

Cathy, who does a lot of sewing and cooking, says, "I'm a real home body," but still looks forward to a secretarial career. Runner-up in the contest was Janice Bauer, junior class candidate. Judges were Larry Schramm, Grass Lake village president, Fran Cox of Dexter, and Victor Whipple of Mason.

Stolen Cars Recovered Here Monday

Chelsea Police arrested two men on two separate charges of possession of stolen autos Monday, Aug. 23.

Steven Michael Steed, 18, of Battle Creek, was arrested at 12:35 p.m. by Patrolmen Bruce Sibert and David Peebles following a high-speed chase down Main St. which began when Sibert and Peebles attempted to stop Steed after he ran a red light at the corner of Main and Middle Sts.

Fleeing, Steed tried to pass a car at the Old US-12-M52 intersection while driving approximately 100 mph. He lost control of the car, which left the highway and rolled into a pond just south of the Stop & Shop.

Steed was uninjured, but the car, which had to be towed from the pond, was heavily damaged.

Police discovered the 1966 Ford had been stolen from Royal Oak during a check following Steed's arrest. Steed was charged with fleeing a police officer and with possession of a stolen auto.

Earlier that day, at 12:40 p.m., Clifton E. Cox, 41, of Centerville, Ala., was arrested by Patrolman L. F. Schneider, Jr., also for possession of a stolen auto.

Chelsea Police had received word that the stolen car, a 1962 Ford, was in the area. It was later spotted in the parking lot of the Wolverine Bar, where Schneider made the arrest.

Chelsea Police learned that Cox was wanted for auto theft in

Fluoride Tooth Program Serves 185 Children

The Chelsea Fluoride Program, which provides topical application of fluoride to the teeth of pre-school and school aged children, served 185 out of 425 eligible children this summer.

Children eligible for the annual program, held in the high school cafeteria, are pre-schoolers between 3 and 5, kindergartners, and 3rd and 5th graders and all other children who have not been drinking city fluoridated water for the last four years. The program is also open to all 8th graders regardless of the length of time they have been drinking fluoridated water.

All 8th graders are eligible for the program, sponsored by the Chelsea Kiwanis Club, since the city stops assimilating fluoride at approximately 14 years of age.

Mrs. Gary Albrecht, co-chairman of the program said, "we feel that it has been quite successful." Due to the generosity of a dentist who donated the necessary equipment, Mrs. Albrecht said, the Chelsea program is one of the best in the area.

The program costs \$4, and includes professional cleaning of the teeth and four applications of fluoride. The \$4 fee, Mrs. Albrecht added, made the program almost entirely self sufficient. The charge covered cost of the supplies, and the salary of a dental hygienist and an assistant.

Next year's program will get underway this winter, beginning with a poster contest for eighth graders. To participate in the contest, Mrs. Albrecht said, 8th grad-

Saginaw Man Arrested Saturday On DUIL Charge

Patrick H. Dixon, 25, of Saginaw, was arrested by Chelsea police at 12:25 a.m. Saturday, Aug. 21 on a charge of driving under the influence of liquor.

Patrolmen Leonard McDougall and Gerald Ringe noticed Dixon behaving in an unsteady manner while they were making a routine check at Smith's Mobil station, and followed him when he left.

After observing the car cross not only the centerline, but also go off the right shoulder of the road, McDougall and Ringe stopped him as he turned left on Old US-12.

He was arrested and taken to the Washtenaw County Jail.

Dixon pled guilty to the charges Monday, Aug. 23 and will be sentenced Oct. 2.

Glenn Schiller has returned to St. Joseph Mercy Hospital in Ann Arbor and is in room 458 bed. 1. Cards and visits from friends would be welcome.

Persons must register in the fluoride program by February. Prizes for the best posters are awarded by the Kiwanis Club.

All other eligible children must register by March, 1972 to be included in the program which will begin next June.

The program is under the control of the Michigan Board of Health's Dental Division, and is under the direction of Dr. Louis Szwed.

The program is open to all children, Mrs. Albrecht stressed, adding that one of the top priorities for the next year will be the inclusion of more Head Start children.

MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

"Reapportionment Underway"

An eight-member commission, split equally between Democrats and Republicans, is working on the laborious task of reapportioning Michigan into 38 new Senate districts and 110 new House districts. This is a result of the 1970 census which shows newer population trends.

They won't finish before late this year or early next year because of the delay in receiving block by block population totals for the state's urban areas. It's already apparent most of their problems will have come from the exodus from the state's urban centers into the suburbs, particularly in the Detroit area.

Wayne county presents the toughest problem for the Democrats on the commission, since they are going to have to feel several of their party's members in the legislature that they can't come back for another term. The best estimates of those involved is that Wayne county will lose four or five seats in the House and at least one seat in the Senate.

Since all of the Wayne county members of the legislature are Democrats, it's their problem. Nearly all of the population which left Detroit and took those

seats with them went to either Oakland or Macomb counties. That is where the gains will be made. As a result, when all the work is done, that tri-county area should have about the same total representation in numbers as it does now.

The census figures used in drawing up the present districts, which were collected in 1960, showed 48.1 percent of the state's population in the tri-county area. The 1970 census shows 47.3 percent of the population there, a drop of only one House seat at the most.

The U. S. Supreme Court's "one-man-one-vote" ruling means the commission draws up districts on the basis of only one criterion—population. If perfectly even districts were drawn up, each House district would have 80,663 inhabitants and each Senate district would have 233,555 residents.

All-Dressage Horse Show Slated Sunday

The first horse show devoted exclusively to dressage riding to be held in Washtenaw county is scheduled for Sunday, Aug. 29, beginning at 8:30 a.m. at Majestic Farm, 1800 W. Joy Rd., Ann Arbor.

Majestic Farm owner, John O'Brien, has announced that the Dressage Schooling Show will be open to all interested riders and that schooling and boarding facilities will be available.

Among the events slated are American Horse Show Association dressage tests, dressage equitation classes in which the course is prescribed by the judge, and Prix Caprioli classes, which include jumps of up to three feet.

Persons interested in entering the show may contact either chairman Frances Hinchcliffe, at Majestic Farm, 665,9813.

Donna Brand Enjoys Three-Week Visit, Tour of California

Donna Brand, daughter of Mr. and Mrs. Floyd Brand, 3145 Sylvan Rd., returned Sunday, Aug. 22 from a three-week trip to California where she visited her sister and brother-in-law, Mr. and Mrs. Jeff Brunson, of San Diego.

Some of the highlights of her visit were trips to Universal City Studios, Disneyland, the San Diego Zoo, Sea World, San Juan Capistrano—to which the swallows return every March 19—and another Spanish mission, and the Del Mar Race Track where her brother-in-law is employed.

U-M Hospital Administrator Discusses Life in South America

Thirty-seven members of the Chelsea Kiwanis Club heard Mrs. Arlene Howe, Assistant Director of Hospital Administration at the University of Michigan Medical Center, speak of her experiences as advisor to the Pan-American Division of the World Health Organization at their weekly dinner meeting Monday night.

Accompanying Mrs. Howe, and also speaking at the meeting, was Sr. Jorge Pena, advisor for the implementation of the continuing phases of the Progressive Patient Care project. Until recently Sr. Pena was the sub-director of the Jose Juan Aguirre Hospital in Santiago, Chile.

Mrs. Howe was aided in setting up management plans for hospitals in Maracaibo, Venezuela, Bogota, Colombia, Lima, Peru, Santiago, Chile, Montevideo, Uruguay, and Belo Horizonte Brazil.

Sr. Pena discussed medical care in Chile, and incidentally spoke about the differences in American and Chilean life.

Pena said that the Chile government provides medical care of 85 percent of the population. The main medical difficulties Chile faces are the shortage of doctors, nurses and equipment.

Life has a slower pace in Chile, he remarked, with things like cars remaining somewhat rare and valuable commodities. It was not unusual for people there to drive 20- and 30-year-old cars. Pena said, since the cost of a new Volkswagen was approximately \$4,000 to \$6,000 and a new Chevrolet \$10,000 to \$14,000.

ODD-LOOKING \$20 BILLS

Morgan City, La.—Grocer Leo Streya had trouble getting rid of 150 \$20 bills he had obtained from a local bank because they looked a little different from his other twenties. The bank agreed to exchange the bills when bank officials realized the bills were 1928 gold certificates, worth four times their face value.

Pre-packaged frozen retail meat cuts account for less than one percent of fresh meat sales.

ON NATIONAL GUARDS
Despite severe defense spending curbs, top Pentagon officials are seeking a 10 to 15 percent boost in funds to strengthen and modernize the National Guard and reserve under next year's budget. This is based on the administration's plan to field, by mid 1973, a relatively small all-volunteer force.

Summer Reading Program Ends at McKune Library

The summer reading program at the McKune Memorial library will end Aug. 31 with a party for all those who participated. Refreshments will be served from 1 to 3 p.m. This year, 96 children of elementary school age participated in the program. A star was awarded to each child for every 10 books read. The program was non-competitive, and designed to encourage children to read.

TODAY'S THOUGHT

By LOUIS BURGHARDT

You have heard reckless rhetoric in recent years that all men are created equal. It is sad fallacy, a silly claim. Men are NOT created equal. Never have been. Never will be.

Some babies are born in wealth. Some in poverty. Some have strong, healthy bodies. Some do not. Even their weight differs. Obvious inequalities are seen in physical and mental endowments. Heredity supplies superior, mediocre and inferior cultures.

No one can dispute the human race has many plus and minus advantages. Radical thinking is ridiculous when it is claimed society can benefit by tumbling the plus to the level of the minus. We can however have a better world for all if those in the plus support through humaneness and kindness, the effort of the minus to advance themselves with a good purpose to attain the plus levels of security and happiness. . . . Carol and Al Peterson, Ruth and Al Mshar, Vi and Whitey Guest, Janette and Marty Tobin and boys, Grace and Bill Hitchingham, Margaret and Don Olson and family, and Marge and Russ Sawdy, members of Chapter 89, and their guests, Kay and Paul Maynard and family and Mr. and Mrs. Elmer Sawdy, all made the trip.

The group toured Our Own Bakeries, the Lake Shore Engine Works, and Pioneer Mine, and the Marquette Ore Docks.

Jaycees Attend State Board Meet in U.P.

Three Chelsea Jaycees and their wives attended the summer board meeting of the Michigan Jaycees held at Marquette, Aug. 20-21.

David and Joanne Rowe, Art and Anne Steinaway, and Bob and Barb Updegraff were among the 1,100 Jaycees and their wives present at the meeting.

During the conference, state board members voted to back the drive for a unicameral legislature spearheaded by Rep. Joseph P. Swallow (R-Alpena).

In addition to introducing a state constitutional amendment, Swallow is launching a petition drive to place the question of reorganizing the legislature into a single body with 76 members before the people in the 1972 election. To place the question on the '72 ballot, Swallow and his supporters must collect 30,000 signatures by July 1, 1972.

The Chelsea Jaycees will vote for or against the ratification of the state board action at their Sept. 7 meeting.

Also during the conference, presidents of the local chapters unanimously decided to place the question of lowering the Jaycee membership age to 18 on the November board meeting agenda.

The lowering of the age requirement, which is expected to pass, would be effective Jan. 1, 1972, at the same time 18-year-olds receive adult status in the state.

If the measure does pass, it will make Michigan the second state to allow 18-year-old members.

The State Jaycees also turned over a check to Dr. Jim Turpin, head of "Project Concern" for \$4,200. The money represents half the proceeds from Jaycee participation in the 1970 "Walk for Mankind." "Project Concern" is a privately sponsored people-to-people program which, among other things, provides job training and medical care for needy people.

David Rowe, president of the Chelsea Jaycees, said that 75 percent of next year's "Walk for Mankind" proceeds would go to "Project Concern."

Participants in the walk find sponsors who will donate a certain sum of money for each mile walked. Last year 19 of the 250 Michigan Jaycee Chapters participated in the walk.

A GREAT PLACE TO LIVE: That's what the five Hosler children, Scott, Troy, Carol, Darren, and Valarie, find Chelsea to be. Their entry in the miscellaneous category of the Children's Parade entitled "Chelsea Is A Great Place for Kids To Live," won that category's first prize.

Children Learn While Playing

Children need playthings that stimulate creativity and imagination, says Mrs. Helen Fairman, extension home economist for Washtenaw county.

Wind-up toys are cute, but children get more fun out of working with such things as crayons, paper, glue and blocks. Mrs. Fairman calls these "make do" toys and notes that they are not only fun, but important in teaching habits that will carry over into adulthood.

"Encourage your child to enjoy make-believe," Mrs. Fairman says. "He'll develop his imagination, something he'll need all his life. Accept him in the part he's playing. When he's playing mailman, invite him to lunch as the mailman, rather than say, 'Let's quit pretending and eat our lunch.'"

Mrs. Fairman also suggests keeping a few ideas up your sleeve for when your child does run out of ideas. For instance, mix starch and water and furnish a brush to paint the fence. The rain will wash it off. Or give him a hat, a badge and the garden hose. He can pretend the flowers are on fire, and he's the fireman. Or give him some string to wrap around the legs of an overturned card table. With a couple of stuffed animals, he'll have a "zoo"—cage and all.

"If you want to develop your child's creative ability, avoid showing him how to draw or paint," Mrs. Fairman says. "Instead, help him to notice things around him for himself. Encourage him to put on paper his experiences of going to the store, or circus. This sort of thing helps him to ease his frustrations."

If you think of your child's play as being important, Mrs. Fairman says, you'll be able to give many opportunities for learning, and you'll have more fun watching him grow and develop.

Methodist Home Picks Queen, King

Ira ("Tina") and Albe Salmonson were elected Queen and King of the Chelsea Methodist Home, and will ride on the Home's float in the Community Fair Parade next Saturday.

This is the first time the Home has had a float entered in the parade, and also the first time they have elected a King and Queen.

Mr. and Mrs. Salmonson were chosen from a field of 33 candidates in balloting held Monday and Tuesday of last week.

The idea of having a parade entry was first proposed by the staff of the Home about three weeks ago. At first the residents were "not too excited about it," Cathy Glynn, Director of Resident Services at the Home said.

But since the nominations for king and queen began "the residents have been very enthusiastic," Miss Glynn added.

Although some of the heavy construction work on the float is being done by the staff, the residents are building the float themselves.

Mr. and Mrs. Salmonson have been residents of the Home since April, 1968. "Tina," 76, is active in the WSCS of the Chelsea Methodist church, and is also the Methodist Home chapel organist.

Albe, 82, spends much of his time gardening. Both are very active socially, and, as Miss Glynn said, "everybody just loves them."

ALBION COLLEGE FRESHMEN

Dale Robbins, son of Mr. and Mrs. Robert Robbins, Laurel Lancaster, daughter of Mr. and Mrs. Charles Lancaster, and Jack McClear, son of Mr. and Mrs. Thomas McClear are leaving for Albion College Wednesday, Aug. 26. All are 1971 graduates of Chelsea High school.

Lost Week-End Chalked Up By Howell Man

Neri Back, 42, of Howell was arrested twice Saturday, Aug. 21, on charges of being drunk and disorderly. He pled guilty to the charges Monday, Aug. 23, and was ordered to pay \$50 fine and costs or spend five days in jail for each offense.

Prior to his first arrest at 12:35 a.m., Back had been found wandering, in an obviously intoxicated state, on Freer Rd. Chelsea Police Department officers took him to the Sylvan Motel to sleep it off.

When Patrolmen Gerald Ringe and Lenard McDougall found Back back on the street at 12:35 he was arrested and taken to the county jail.

At 9:35 p.m. that night, following his release from jail, Back was found drunk and incoherent in the Wash & Dry Laundromat by Patrolman Bruce Sibert. Back was arrested again, and again taken to the county jail.

Be careful about making promises; some of them can be collected in court.

TO HONOR DRIVERS

Washington—Sen. Strom Thurmond, R-S.C. has suggested that the Defense Department name an air base and a nuclear ship for the late Rep. L. Mendel Rivers, D-S.C. He also wrote Secretary of Defense Melvin Laird suggesting that the department consider renaming the Charleston Air Force Base for the late chairman of the House Armed Services Committee.

The idea that the world is evil explains much of what we read and hear.

It will be refunded.

Buy now and Chrysler Corporation will pass on to you any refund of the Federal Excise Tax on cars if, as proposed by President Nixon, it's repealed by Congress. So don't wait.

If you've been holding off on that new car because you're not sure how the proposed repeal of the excise tax affects you, we've got great news.

We have been informed that if Congress repeals the tax, retail purchasers who have taken delivery of new cars between the effective date of retroactivity (President Nixon proposed August 16, 1971) and the date on which the tax is repealed will receive refunds from the Government through Chrysler Corporation of the amount of any excise tax included in the price of the new cars they purchased.

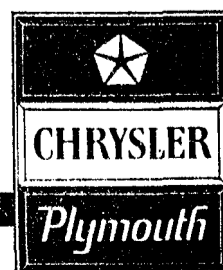

The refund will be made automatically and won't require a claim on your part.

It is estimated that refunds will average approximately \$200. This, of course, is only an average, with actual amounts depending on the model you select.

Don't wait. We've got a big selection in stock right now. So hurry in now and save on that new car you've been putting off.

Why go anywhere else?

Close out prices mean big savings.
