Cagers Open Season Friday Against Dexter

Chelsea's Bulldogs will open their 1971-72 basketball season in Dexter Friday night, and according to coach Chuck Kelly, he has a versatile team with size, speed and depth that should be ready for the competition.

According to Coach Kelly, the team performed well in the pre-season scrimmage against Clinton and Tecumseh last Saturday. In the scrimmage, which is played by quarters, Chelsea lost only the first two quarters they played (and Kelly notes that the other teams had been playing and were warmed up when Chelsea took the floor) and won the remaining six or eight.

Kelly said that his nucleus of lettersmen — Wayne Welton, Todd Sprague, Jeff Daniels, Chick Lane, Ron Sweeney and Jeff Schmitt — play well together, and that Tim Van Slambrouck, John Mann, Dan Bertke and Steve Flint also showed a lot of promise. Kelly took a look at Dexter and Stockbridge, Chelsea's first two opponents, during their game played Tuesday in Dexter.

Both teams looked good, despite Dexter's shooting difficulties, Kelly said. Winner Stockbridge played without their 6'9" all-state center Jesse Campbell, Tuesday, but Kelly said Campbell will be back in the line-up next Tuesday when Chelsea and Stockbridge meet in Stockbridge.

"We're pretty quick, and we can shoot both outside and inside,"

Coach Kelly said, "but I guess we'll just have to wait to see how tough we are."

The Bulldog five will play their first home game against Saline on Dec. 10.

Christmas Decorations Add Gay Spirit

"It's Beginning To Look a Lot Like Christmas," one old seasonal song says, and with only 20 shopping days left until Dec. 25, why shouldn't it?

Chelsea's Light & Water Department workers have done their part this week, installing the village's Christmas decorations along Main St. on Monday and Tuesday.

There were no new decorations this year but there may be next year, village administrator Fritz Weber said.

When decorations are purchased, they are used both to augment and replace the existing decorations.

Used to be that the village and the Chelsea Chamber of Commerce both bought decorations, but since the chamber's demise, the burden has fallen entirely on the village.

Since the decorations are an ex-

Light Vote Okays Mental Service Center

Only 12,800 voters turned out across the county, an unusually light showing even for a special school election, but they gave overwhelming approval to the .18 mill levy sought for the proposed Mental Retardation Service Center, the only issue on the ballot.

Only 374 of Chelsea's registered voters participated in the election. They approved the facility by a 92 vote margin — 232 yes to 140 no votes (two ballots were spoiled).

Of the 12,845 people in the county voting on the issue, 9,368 voted yes, 3,477 voted no.

The passage of the bonding issue insures the building of a \$2.7 million center designed to serve the severely and moderately retarded and multiply handicapped children in Washtenaw county.

The center, which will be built and administered by the Washtenaw County Intermediate School district, will be constructed on land owned by the WCISD on Ann Arbor's near west side.

The facility, which hopefully will be open for the 1973-74 school year, would initially serve approximately 150 retarded and handicapped children, and would have the capacity to serve the 200 retarded and handicapped children expected in the county by 1980.

The facility would include special training areas for nursery, primary and secondary students, and would allow the sharing of materials, and human and physical resources not now available to the county's three programs for severely and moderately retarded and multiply handicapped children. One of the key units planned for the center is a vocational education facility.

According to Charles Foster, director of the proposed center, if the bond issue had not been approved, a severe crisis in the county's programs for retarded and handicapped children would have ensued.

Fun Night Adds Total of \$124 to Scholarship Fund

Last Friday night's Fun Night, held in the high school gym, and sponsored by the National Honor Society and the Chelsea Scholarship Committee — the most successful Fun Night ever — added \$124 to the scholarship fund.

According to George Borgman, high school counselor, more than 400 students, ranging in stature from middle elementary to high school, participated in the Fun Night activities.

All proceeds from the event, which featured trampolines, movies, basketball and other games, are used to help provide scholarships for Chelsea students.

MUMBLES THE CLOWN AND GINO the stiltwalker, played by Ed Koenigter (left) and Dale Heydlauff, rehearse a scene from The Clown, the first musical play attempted by the Chelsea High school choir. The play will be presented Thursday, Dec. 2 with two matinees for elementary school children, and an evening performance for the public at 7:30 p.m. Mumbles, in love with the ballerina Doria (played by Karen Johnson), is accused of theft by the jealous circus owner, Dr. Tutto. What happens? It's all revealed this afternoon and tonight at the high school auditorium.

CHS Choir Presenting Children's Musical Tonight

The High school Choir will present "The Clown," a children's musical, in the high school auditorium for all elementary schools during the afternoon of Dec. 2.

"The purpose of the production is two-fold," choir director DiAnn L'Roy explained. "It will produce the elementary students with a chance to see a dramatic production and will also give interested high school students a chance to do another play."

"The Clown" tell the story of a shy clown, Mumbles, who is in love with the star of the circus, the ballerina Doria. The money box disappears and Mumbles is accused of being a thief by the jealous owner, Doctor Tutto, and has to leave the circus. In the end everything comes out for the best, however.

An evening performance will be given for the community at 7:30 p.m. Thursday. Tickets may be purchased from any choir member.

13 Varsity Lettermen Return To Bolster Wrestlers Hopes

There are 13 returning lettermen a total of 42 grapplers, and that makes for a lot of optimism about the 1971-72 wrestling season at Chelsea High school, which will open tonight with a meet in Tecumseh.

Chelsea finished in third place in the Southeastern Conference last year, and both coach Richard Bareis and assistant coach Sam Vogel have high hopes about bettering that record this year.

Bareis said the biggest problem now facing Chelsea is getting prepared for a strong Saline team which the matmen will face Dec. 9. Bareis said that Chelsea's hopes will depend on the development of more consistent winners to go along with a good nucleus consisting of Mark Montange, Larry Jones, Mike Spence and Tim Lancaster.

Montange, Jones and Spence are all league champs, and Lancaster won a district title last season.

Randy Seitz and Tom McKernan, injured last season, will return this year, and coach Bareis said, "In addition to the lettermen, there are, coach Bareis said, many fine prospects among last year's JV wrestlers who are trying to break into the starting lineup. The include John Beeman, Steve Straub, Steve Siebert, Keith Hume, Ken Keiser, Tim Haas, Mark Baze, Paul Brown, Rick Foytik, Mike Merkel and Carmen Slocum.

In addition to the upperclassmen out for wrestling, there are also 14 freshmen working out. Dave Keiser, Sam Trachet, Daryl West, Howard Schenk, Bob Sawyer, Dave Proctor, Mark Pennington, Mike Agopian, Dennis Barker, Robin Boyer, Terry Ellenwood, Steve Hanson, Leonard Koch

and Greg McClain are all wrestling this fall. Both are being counted on heavily. Other returning lettermen are seniors Dohg McDonald, Jon Schenk, Rod Branham, Larry Hopkins, Tom Hubert and Bob Craft; juniors Jon Marzee and Steve Worden, and sophomores Dale Poetner and Keith Kargel.

No School Next Tuesday Afternoon

An in-service training program for Chelsea school district teachers will be held on the afternoon of Tuesday, Dec. 7.

Keynote speaker for the day will be Dr. Richard Stuart of the University of Michigan's School of Social Work. His topic will be "Behavioral Management in Schools."

Stuart was one of the U. of M. researchers who designed the study dealing with comparative patterns of drug use in four area secondary schools which was administered in Chelsea last spring.

Following Dr. Stuart's speech, teachers will be able to choose from a variety of programs for the second session of the afternoon.

One will be a slide-tape presentation by Steven Daniels, curriculum director for the Ann Arbor Public Schools and author of the book "How 2 Gerbils, 20 Goldfish, 200 Games, 2,000 Books and I Taught Them How To Read."

School will be dismissed at the beginning of the lunch hour, and teachers will meet at the high school cafeteria for a pre-program luncheon.

On Wednesday, Dec. 8, a program for all area teachers involving with student activities—sports, debate, journalism, etc.—will be held at Saline High school.

The evening will begin with a 6:30 p.m. banquet, and then teachers will break up into idea sharing work groups. All Southeastern Conference teachers are eligible to attend.

Fair Board Proposes New By-Laws

All Note Holders, Members Eligible To Vote at Tuesday's Annual Meet

Members of the Chelsea Community Fair Association will vote on new by-laws at the annual Fair meeting which will be held at 8 p.m. Tuesday, Dec. 7 at the Fairgrounds.

The annual meeting, originally scheduled in early October, was postponed to allow the completion and circulation of the proposed by-laws which have been in the planning stage for nearly a year and which represent the first by-laws change since the fair was incorporated.

All note holders and annual members are eligible to vote at the meeting.

The new by-laws would retain the 17-member board, but would change several aspects of its composition.

Under the old by-laws, nine members and eight officers constituted the Fair Board, and officers were elected on an annual basis.

The new by-laws propose electing 12 directors and five officers to the board. The officers—president, vice-president, executive vice-president, recording secretary and treasurer—would be elected to three-year terms, and would be prohibited from succeeding themselves in office without the prior recommendation of the board.

Methodist Choir Plans Advent Cantata

The Chancel Choir of the First United Methodist church will present a special Advent cantata, "Rejoice, Beloved Christians," by Dietrich Buxtehude on Sunday, Dec. 5 at 7:30 p.m.

Instrumentalists accompanying the choir will be violinists Pam Peeters and Caralee Hoffmeyer, cellist Alice Greminger, and trumpeter Michael Bowman.

Miss Peeters, Miss Greminger and Bowman are students at the University of Michigan, while Mrs. Hoffmeyer is a regular member of the Chancel Choir.

Miss Peeters will also play a Mozart sonata as part of the service. Organist will be Linda McClesse. June Warren is the choir director, and the Rev. Clive Dickins will conduct the service.

Every Sunday in Advent at the twilight hour, Buxtehude, who lived from 1637 to 1707, presented a choral cantata of his own composition in St. Mary's church, Lubbeck, Germany. The fame of his (Continued on page six)

The 12 board members would be elected to staggered three-year terms. Each year, four—or however many necessary to fill the board—candidates, three from Chelsea, and one from Dexter, would be elected by Fair Association members from their own ranks.

According to John Wellnitz, treasurer of the organization, the above changes were the most important made in the by-laws which were "worked over thoroughly," before reaching their final form.

The proposed by-laws, unlike those presently used, spell out the duties of the officers, but do not change the purpose or general structure of the organization.

A new slate of officers and board members will be presented by the nominating committee at the meeting, Wellnitz said.

Santa's Arriving Saturday

Who wears a red and white suit, has a long white beard, laughs Ho Ho Ho, and is known to make a nocturnal flight across the sky every Dec. 24 in a sleigh pulled by reindeer?

Give Up? It's Santa Claus, and he'll be making his first visit to Chelsea this winter, Saturday, Dec. 4 between 1 and 3 p.m.

He'll park his sleigh and pasture his reindeer north of town, and make his entrance on a big, red fire engine which will take him to the post office parking lot.

Santa and his special Chelsea helpers, the local Jaycees, will make sure that children will get a chance to tell him all their Christmas wishes, and Santa will give each visitor a special treat.

One of Santa's helpers said that this is a good time for all children to bring their letters to Santa. He can take the letters back to his North Pole home and read them in the three weeks before Christmas actually comes.

Santa will make another appearance in Chelsea yet this month, on Dec. 11, but this Saturday will be the only time he will be in one place for a while to visit with children.

BULLDOG CO-CAPTAINS for the 1971-72 varsity basketball team are Ron Sweeney (left) and Todd Sprague (right) shown here with coach Chuck Kelly. The two seniors lead a team which combines speed, versatility, and size. With a starting nucleus of six returning lettermen, Coach Kelly

is optimistic about the team's chances this year. Last year, Kelly's first at Chelsea, the Bulldogs finished third in the Southeastern Conference. The season opens this Friday in Dexter. First home game will be played against Saline, Dec. 10.

Methodists Holding Soup, Sandwich Supper

The Methodist church will be having their annual Soup and Sandwich Supper Thursday, Dec. 9.

Home-made soups and sandwiches will be offered to persons shoppers and members of all churches at reasonable prices.

Co-chairmen for the supper are Mrs. William Eisenbeiser and Mrs. James Lorenz.

SENIOR MEMBERS of the Chelsea High school varsity basketball team pose before the opening of the 1971-72 basketball season with coach Chuck Kelly. Seniors on the team are (left to right) front: Steve Flint, Wayne Welton and Todd Sprague; second row: Coach Kelly, Ron Sweeney, Chick Lane and Tim Van Slambrouck. Chelsea

opens its schedule tomorrow night with an away game against Dexter. Following another away game against Stockbridge next Tuesday, the Bulldogs will return for their home opener against Saline, Friday, Dec. 10. JV games beginning at 6:30 p.m. precede the varsity games at approximately 7:30 p.m.

MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

Registrations Low
Despite well publicized successes of campaigns to utilize the youth vote as in the recent election in East Lansing, a survey shows young voters aren't breaking down the doors to register to exercise their newly won right to vote.

A survey conducted by the Michigan Democratic Party in 16 of the state's industrial counties found that fewer than one in five young adults has registered to vote.

In the 16 counties there was a potential young voter enrollment of some 650,000. Of that total, only 65,998 had registered to vote.

The survey was conducted by Ed Bruley and Joyce Hightower, both officers-at-large for the Democratic party, who are heading the party's young adult registration drive.

"In East Lansing, where a determined effort was made to involve young people in the city elections and where registration programs were carried through, the impact of the 'youth' vote was decisive," Bruley said.

He further said it is necessary that other counties "cut bureaucratic red tape to make registrations easily available to all eligible young voters."

Ingham county had the largest percentage of its potential young voters registered with 31.5 percent. The lowest of the counties checked

country, like them movie actors do to Switzerland.

Actual, declared Ed Doolittle, we might do better re-adding them boys to the union. He said he is again the idea in principle, but he is fer it as a practical matter. Ed said they allus is the chant that these draft dodgers that ain't got a country will start one. And that said Ed, could mean real big trouble for us.

Natural, we would have to use some foreign aid that Congress buried and dug up and try to buy this new country off afore Russia got to em. And if this new country was to locate, say, on that strip of no-man's-land between Georgia and North Carolina that the surveyers are talking about, we'd be real worried about Russian missile bases and honest elections. It cost a heap of money to have one and not to have the other, Ed said. And since the draft dodgers won't like us, we'll have to spend harder, Ed allowed.

General speaking, Mister Editor, it seems citizenship is like fire insurance, you don't appreciate it til you need it and ain't got it.

Yours truly,
Uncle Lew.

About 87 percent of all U. S. families are husband-wife families.

was Monroe county, where 8.4 percent had registered.

Rise Predicted
Among those predicting an upswing in Michigan's economy next year is Richard E. Whitmer, State Commerce Director.

Whitmer says the state's "gross state product" may soar over the \$50 billion mark next year.

"Preliminary figures indicate this year's gross state product will be slightly more than \$46 billion, up about 9 percent compared to last year," he says. "It should increase by about 12 percent next year to an estimated \$52 billion." If the projection holds up, it will mean the gross state product has doubled in eight years. It stood at \$25 billion in 1963.

Tighter Drunk Law
The Michigan legislature took a big step toward reducing the number of traffic accidents in the state by getting tougher with drunk drivers. At least, that is the hope.

It passed a bill lowering the amount of alcohol which needs to be in the bloodstream for a presumption of intoxication from 15 percent to 10 percent. Since half of all traffic fatalities are attributed to drunk drivers, the bill's proponents had strong ammunition.

Part of I-94 Missing Link Opens Monday

Lansing—Michigan officials joined Indiana Governor Edgar D. Whitcomb at the state line near New Buffalo Monday, Nov. 29 to open Michigan's final mile of Interstate 94 as well as an 11-mile section of I-94 south of the border, the State Highway Commission has announced.

Michigan's 1.3-mile section and Indiana's 11-mile section extend I-94 to US-20 near La Porte, Ind. The 12.3-mile section is part of the so-called "missing link" of I-94. The remainder of the "missing link" from US-20 to where it will tie into existing I-94 at Gary is all under construction and will open in December of next year.

Construction of Michigan's final link of I-94 to the Indiana border has long been held in abeyance, until work on the Indiana section was under way.

Michigan's 274-mile share of I-94 extends from the state line near New Buffalo to the international boundary at Port Huron. Nationally, I-94 extends a total of 1,607 miles from Port Huron to Billings, Mont.

The annual Kiwanis football banquet was held at the Municipal Building Monday evening with members of the Chelsea High school football team and the cheerleaders as guests of the Kiwanians. Charles Cameron and Douglas Newkirk, head coach and line coach respectively, praised the team for its fine spirit. Cameron presented the awards for 1947, and announced Dave ("Popeye") Slane as 1948 captain.

Miss Agnes Forner, a Chelsea High school senior, has been chosen recipient of the DAR Good Citizenship award by the faculty and her classmates. The award is given for dependability, service, patriotism and leadership.

The outlook for Chelsea's 1947-48 basketball season—a 12-game schedule to be played between Dec. 9 and Feb. 27—isn't as bright as it might be. Coach Doug Newkirk will have only two returning lettermen, Doug Vogel and Jim Miller, in the line-up this year. Newkirk plans to use a fast-break offense when possible, and a conventional 2-1-2 zone with a few variations on defense.

Two area couples observed their 50th wedding anniversaries this past week. Mr. and Mrs. John Kalmbach, Chelsea residents for 36 years, celebrated their golden anniversary with a Thanksgiving dinner at the Westwood Inn in Jackson. Mr. Kalmbach was a representative in the State Legislature in 1911, and is a director of the Chelsea State Bank. Mr. and Mrs. William J. Beach, lifelong residents of Lima township, celebrated their golden anniversary Sunday, Nov. 28. All but one of Mrs. Beach's wedding attendants attended the anniversary reception given at the home of Mrs. Hugh Bradbury by Mrs. Bradbury and Mrs. Claude DeVine, daughters of the Beaches.

John P. Keusch, local attorney, who formerly practiced in Chelsea following his graduation from the University of Michigan Law School in 1933, has opened a law office in the Epler building. During the past three years, Keusch has been employed by the federal government.

Insulation. It's like a sweater for your home.

Just like a sweater keeps you warm, insulation keeps heat in your home. And saves you Gas and money.

Many homes today still don't have the proper amount of insulation for maximum comfort and economy. But chances are you can install adequate insulation in your attic, yourself, at moderate cost. And your attic is where the greatest escape of heated air takes place.

This is just one of many Gas and money-saving ideas you'll find in Michigan Consolidated Gas Company's free booklet, "The Great Escape." By checking and correcting the ways heat escapes from your home, you can make Gas (already one of today's big bargains) an even bigger bargain. Fill out the coupon, and learn more ways to foil the great escape—and save Gas and money, too. Or pick up a copy of "The Great Escape" at any of our offices. It's free.

Michael E. Brann Completes Course at Signalman School

Newport, R.I. — Navy Seaman Apprentice Michael E. Brann, son of Mr. and Mrs. Finas Brann of Route 2, Gregory, Mich., has graduated from Signalman School at the Fleet Training Center, Newport, R.I.

Prior to attending Signalman School he graduated from Quartermaster School, also at Newport.

He has been designated a Coast Guard Quartermaster, and his duties aboard a Coast Guard Cutter will include maintenance of log-books and charts, navigation, and communication with other vessels or units by flashing light, flag hoist and semaphore flags.

Richard H. Miller Returns from Vietnam To Nevada Air Base

Las Vegas, Nev.—Airman First Class Richard H. Miller, son of Mr. and Mrs. Henry C. Miller, 9821 Lakeview Dr., Pinckney, Mich., has arrived for duty at Nellis AFB, Nev.

Airman Miller, a vehicle repairman is assigned to a unit of the Tactical Air Command which provides combat units for air support of U.S. ground forces. He previously served at Phu Cat AB, Vietnam.

The airman is a 1968 graduate of Chelsea, Mich., High school.

DAN BERTKE (89), a 6'0" junior end, has been out for both football and basketball since 7th grade, and has also been sporadically involved in track. He is a member of the Ski Club and St. Paul's Youth Fellowship, and works part time at The Chelsea Standard. Dan likes to hunt and fish, and is also a rock music fan. He plans to go to Northern Michigan University to major in business administration. He is the son of Mr. and Mrs. Robert Bertke, 1311 Freer Rd. He has one sister and one brother.

PAUL MILLER (82), a 6'0" junior end, is playing his second year of football, his first year of varsity ball this fall. He currently plays no other school sports, but is thinking about adding track this spring. An Eagle Scout, Paul hopes to attend the U. S. Naval Academy following his graduation from high school. Paul is interested in skiing, golfing, mechanical drawing, and flying. He is the son of Mr. and Mrs. Herbert Miller, 515 Glazier Rd.

BOB ELLIOTT (40), a junior halfback, is playing his fourth year of football this fall, his first season on the varsity. Bob is also a basketball player, a junior class Student Council representative, a member of the concert band, and a member of the Salem Grove Methodist Youth Fellowship. Bob is an auto racing fan, and has been building model cars for six years. He's also involved with auto mechanics, and likes to work on old cars. He works on a farm part-time during the school year, and full-time during the summer. He has three brothers and one sister. He is the son of Mr. and Mrs. John Elliott, Hoppe Rd.

For And About Teenagers

THE WEEK'S LETTER:

I have a problem with my parents. The first day of school, I skipped school and got caught, along with some girls and boys.

I only did it because they do not let me go out. I am 14 years of age and old enough to go out.

Now, they don't trust me. They treat me differently than my sister. What should I do?

TUR REPLY: We can see why your parents do not let you go out. Trust and respect is something you have to earn. Skipping school was not the answer.

Now you have a chance to solve your problem. First of all, discuss this problem logically and in a mature manner with your parents. Apologize for your past mistakes, and ask them to permit you a trial period for going out. However, you must agree to their standards. Besides agreeing with their standards, you must live up to them. Make sure that you are home on time and that your parents know where you are. If you approach this problem as a mature young adult, instead of a misbehaving child, your problem will be solved.

More tests and a special program are on the agenda for Chelsea High school students during the first two weeks in December.

Pre-registered students will be traveling to Ann Arbor Pioneer High school Saturday, Dec. 4 for the December administration of the College Board examinations. Students should be at the high school at 8 a.m. or before.

On Saturday, Dec. 11, the ACT (American College Testing) examination will be administered to pre-registered students at Chelsea High school. Testing will begin at 8 a.m. and will last all morning. More than 100 area students are expected to take the test in Chelsea.

Sophomores will be taking Differential Aptitude Tests on Wednesday, Dec. 15. The test battery, administered to students when they are in the 8th grade, and again in the 10th grade, will take one day to complete.

On Tuesday, Dec. 14, a representative of Western Michigan University's Paper Science and Engineering department, one of the few centers in the country specializing in the field, will present a special program for advanced math, chemistry and physics students interested in the possibilities of paper science. It is expected that the head of the department, Prof. Raymond Jones, will present the film and lecture. The program will be repeated during three class hours.

There has been a decrease of 17 percent in the age group 0 to 4 years in Michigan during the past decade, the largest decrease in any of the age categories.

Lima Township Considering Land Use Plan

The matter of hiring professional planners for a long range land use plan is being considered by the Lima Township Board. This action has been recommended by the Township Planning Commission.

A grant of \$8,000 from the Huron Clinton Metropolitan Authority has been offered Lima township.

The board will act on this matter at the Dec. 6 township board meeting. The meeting will begin at 8 p.m. at Lima Community Hall.

pensive item (the last time the village bought Christmas stuff, three or four years ago, it spent around \$500 just adding to the decorations it already had) they are included only periodically in the village budget. "We like to use them for five or six years," Weber said.

Next on the list of decorative items? Maybe, said Weber, something special—a municipal Christmas tree or a big Santa to be put in Pierce Park.

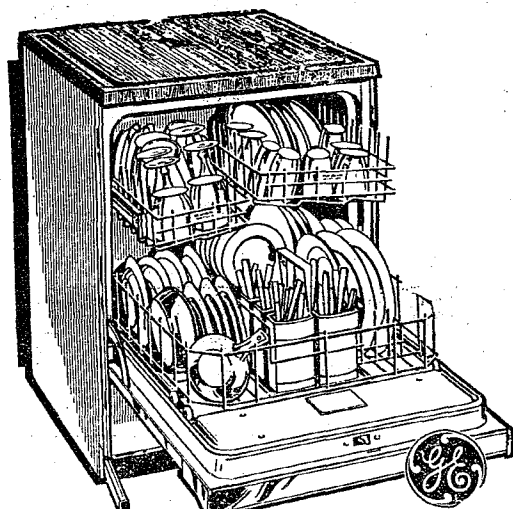

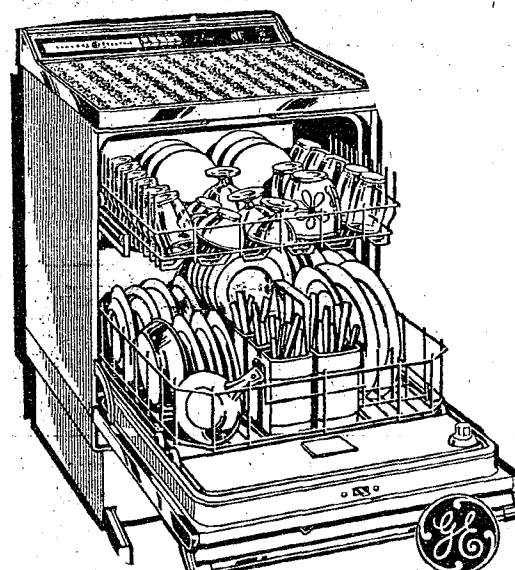

Fifty five of the 83 Michigan counties have 20 percent or more of their households with annual cash incomes under \$3,000.

DAVE TUCKER (78), a 6 foot, 205-lb. tackle, has the distinction of being the only sophomore on the varsity team this year. A transfer student from Columbus, O., Dave arrived in Chelsea two days before school began. He's played two years of basketball and four years of baseball, and intends to go out for both sports again this year, but finds football is his favorite. Dave is a comic book maker and the originator of "Mooseman" and "Dear Crabby," a take-off, naturally, on Dear Abby. He plans to audition for the band, and also swims, fishes, and collects footballs. Dave has one sister. He is the son of Mr. and Mrs. Robert Tucker, 10 Hickory Dr.

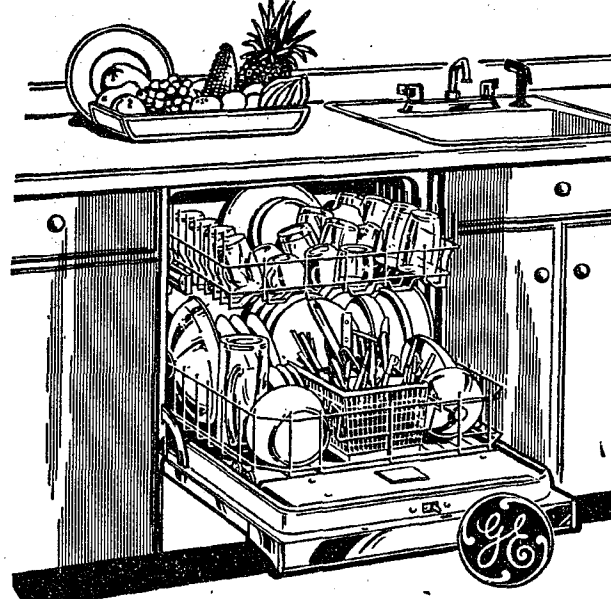

MARK GRAMBAU (70), a 6 foot, 190-lb. tackle, has been playing football since seventh grade, and is playing his first season of varsity ball this fall. He played baseball last year, but if he can find a part-time job he won't play again this spring. Mark is one of the original members of the snowmobile club formed earlier this fall. A camper, he has traveled throughout the United States with his family. He's also a squirrel hunter and a hard rock fan. He plans to attend college following his graduation and is thinking about a physical education major. He has one brother, Mike, and is the son of Mr. and Mrs. Max Grambau, 11761 Boyce Rd.

RESOLUTION

BE IT RESOLVED AND IT IS HEREBY RESOLVED, that the Village Council of Chelsea, Michigan commend the Chelsea Bulldogs and the Coaching Staff of Chelsea High School for their achievements in capturing the state "Class B" title for the 1971 football season, and;

BE IT FURTHER RESOLVED that a copy of this resolution be presented to the Chelsea Bulldogs.

I, Richard E. Harvey, Clerk of the Village of Chelsea do hereby certify that the foregoing is a true copy of a resolution of the Chelsea Village Council adopted at its regular session held November 16, 1971.

Richard E. Harvey, Clerk

Just think of it. You'll never have to get down on your hands and knees to scrape and scrub the dirty, greasy insides of your oven again. Because today's modern Gas ranges have self-cleaning ovens. Forget about baked-on splatters. And rock-like spills.

With a self-cleaning oven all you have to do is turn a knob and the messiest job in your home (oven cleaning) takes care of itself. Giving you time to take care of the more pleasant things in your life.

But a self-cleaning oven is just one good feature in today's modern Gas range.

With Gas you have the advantage of smokeless closed door broiling. Infinite heat control. And best of all, total economy. Because a modern Gas range uses less Gas to do the same job. And a Gas range costs about one-fourth as much to operate as an electric one.

So before the holidays, stop by your dealer or any Michigan Consolidated Gas Company showroom, and buy a new Gas range with a full range of features.

A new Gas range will save you Gas and money too. And remember—oven cleaning is no job for a lady.

SOUTH ELEMENTARY SCHOOL NOTES

THIRD GRADE—

Room 11
Teacher: Mrs. Richardson
Friday, Nov. 19, we started to work with clay. We are making large torn-paper turkey for Thanksgiving. In social studies we have just finished studying about Miami. In science we're beginning a unit on the Solar System. We wrote Halloween and Fall poems for Open House. We're making dioramas of our favorite book so far this year. The class wishes congratulations to Mrs. Luck, (Pat's mother), that has a new baby brother.

FOURTH GRADE—

Room 22
Teacher: Mrs. Meadows
Reporters: Kelly Stetelton, Bonnie Anderson, Denise Geddes
We would like to thank you for all your newspapers. We had all the newspapers we needed and more! It was a success, and we had fun doing it. We had 10,900 pounds. We were working hard. I sell you 10,900 pounds of news-paper can be a lot.
Our room mothers, Mrs. Anderson and Mrs. Geddes, had a nice Halloween party for us. We had a surprise, too. Mrs. Botsford and Mrs. Bonten came into our room during our party. They played the guitar and sang You Are My Sunshine. We really enjoyed everything.
We have had several guest speakers in our room. Mrs. Chapman gave an interesting talk on Hawaii while showing us slides she had taken there. Also, students from the High School Advanced Speech class have given speeches on Life in the City, History of Railroads, and Television Techniques. We have enjoyed all of our speakers and learned many interesting things from them.
In art we made papier mache masks. Now we are learning how to use oil pastels. We made 3-D

fruit pictures for Thanksgiving. We like art.
In Music we are getting ready for our Christmas program. This year we have learned many popular songs. Our whole class looks forward to all our music and art classes. We like them.

Room 20
Teacher: Mrs. Moore
Reporter: Jimmy Fultz

Our class has been studying languages around the world. We learned some Spanish words while watching a movie and will learn some French later. Last year Mrs. Fink taught us to count to six in Spanish, so we said the words after Mrs. Moore pronounced the numbers in Latin. We noticed how similar they are. We talked about interpreters, especially those needed in the United Nations and for our government officials when they travel to foreign countries. Mr. and Mrs. Donkin presented China. Mrs. Donkin was born in Vietnam which used to be Indo-China. They served us rice and bean sprouts to eat with chopsticks. They also served tea and almond cookies. Many pictures and items were shown and described. The Donkins, their children, and Mrs. Moore wore Chinese clothing. We wish to thank them for their kindness.

Some students in Mr. Coelius' speech class have given speeches to our class. The subjects were about: Special Effects, Trains, Small Towns and Cities. We all enjoyed having these high school students visit us.
In science we are studying plants and their environments. We will visit the Botanical Gardens in Ann Arbor in the near future.

FIFTH GRADE—

Room 19
Teacher: Mrs. Fulk
Reporter: Dale Sine
We have been writing essays.

Mrs. Fulk and some of her students saw the George Perrott Show which was about the dragons of Komodo Island. She had the class write essays on dragons. Before we wrote our articles we did research in the library.

Room 17
Teacher: Mrs. Hightower
Reporters: Karen Beuerle, Becky Bollinger, Michael Waidyke and Larry Woodward

The fifth graders have been selling School Days Books. We sold them by the kindergarten room and in the gym at Open House. The books are for school souvenirs and memories. So far this year we have sold 438 books. The profits from the sale (plus the profits from the sales last year) will go to buy a bicycle rack for our school.

Last year in Mrs. Meadows' 4th grade class we collected coupons for a kidney machine. There was a contest to see what class collected the most coupons. We collected over 2000 coupons! Just a few days ago, we received a letter from Mr. Goad and Mr. McClurg. They sent us a \$5 prize. We will donate it to a children's orphanage for Christmas presents.

KINDERGARTEN—

Mrs. Packard, teacher
We are very excited with our new playground equipment. Some of it is hard for us and we have to work at some of the balancing and climbing. Everyone has a place to play and be busy.

We have Indian things all over our room. We've made teepees and totem poles for the board. Indian drums, salt box Indians, headbands with a real feather and Indian jackets are some of our other projects. Jeff Daniels and Tom Skattenhelm did an interesting program about the American Indian. We were made members of an Indian tribe. The morning kindergarten belongs to the North Tribe and the afternoon is the Eagle Tribe. We learned how to say hello, how and goodbye. . . . muck-tuck. We also learned and did an Indian war dance with them. The children have brought many things for our Indian table. We've talked about how the Indians lived and how they helped the pilgrims.

Applesauce was cooked by us in our room. It surely smelled good! We saved it to eat with our cornbread (which we will also make) for our Thanksgiving feast. We will be dressed as pilgrims and Indians.

Mrs. Winkle brought her live tom turkey to school. He was tied up outside and everyone got to touch him. He is big! He didn't gobble for us.
November birthdays are Tony, Bobby, Betsy, Amy Foster, Ronald Ferry, Tammy and Linda.

FIRST GRADE—

Teachers, Mrs. Peebles.
Mrs. Stein and Mrs. White
Our November birthdays are: Kim Allen, Dean DeVoe, Robbie Fletcher, Michael Galbraith, Robert Kolander, Steve Ramsey and Mark Stanley.

As part of a Thanksgiving unit, the first graders participated in an Indian celebration. They learned some Indian customs and had fun at the same time.

In Mrs. Stein's room the children made Indian headbands, decorated them, and put feathers in them. In Mrs. White's room the children made macaroni necklaces, which represented Indian beads. After the necklaces were made, the children made butter. A few shakes by each child turned the cream in a container to butter. The butter was used on the popcorn that the children popped in Mrs. Peebles' room. While the corn was popping, the children decorated paper cones in which they put the popcorn.

The children rotated from room to room until each child had participated in all three rooms' activities.

The celebration made us think a little more about how the Indians shared their customs and knowledge with the Pilgrims, and how we can share ideas with each other.

The children wore their Indian headbands to lunch one day. On the Wednesday before Thanksgiving they made Pilgrim hats and collars and the first graders enjoyed playing Pilgrims on that day.

We hope you had a nice Thanksgiving!

SECOND GRADE—

Mrs. Hakala, teacher
Kevin Allen, Jeff Cox, Christine Harr, Mathew Jones and Mark Machesky had November birthdays.

We have been studying about Indians, Pilgrims and Thanksgiving. Jeff Daniels and Tom Skattenhelm came from the High school and told us about Indians. Paul Haydock told us about his visit to Plymouth, Mass., and his tour of the Mayflower II and the Pilgrim Village exhibit. Mrs.

Winkle brought her pet turkey. We had a chance to watch him and touch his feathers. We wrote about the things we are most thankful for this Thanksgiving. I am thankful for:

... churches because I like to find out about God—Corina Romine . . . my red bike. It is a good one. It goes fast when I go down hill—Leon Walynoth.

... for animals because they are nice—Melinda Miller.
... love, because it makes my family cheerful—Traci Fletcher.

... Thanksgiving, because we can have fun—Jane Verway.

... the Mayflower because it helped about 100 Pilgrims come to America—Renee Satterthwaite.

... the homes we have, because they keep us warm—Billy Hadley.

... TV, because you can watch it—Bobby Britchard.

... food, because it helps you grow—Jeff Cox.

... food, because I am hungry

when I get home from school—Laura Hines.

... my family, because I love them—Steve Grau.

... my teachers, because they help us—Curtis Copin.

... school, because we have fun—Paula Payne.

... teeth, because you need them to chew your food—Melissa Arnett.

... beds, because what else would we sleep on—Karyn Pierce.
... doctors, because they save lives—Paul Haydock.

Mrs. Walton, teacher

We hope everyone had a nice Thanksgiving. Brian brought in a model of the Mayflower and some Indian corn. We made colorful turkeys in our room. Our teacher read a story about the first Mayflower. II. Cheryl and Caroline wrote some Thanksgiving stories for us to read.

Eddie brought some handcuffs for others to try on.

We are keeping track of our Spelling Stars and Math Stars on big charts.

The highest rate of growth in nonwhite population in the 10 urbanized areas of Michigan, during the period since the 1960 census occurred in Lansing with 105.1 percent increase.

QUEEN OF QUEENS: Nine are high school homecoming queens, including Chelsea's own Karin Hume (second from right) are competitors in the Huron Valley Queen of Queens contest sponsored by Youth for Christ. The winner will be crowned during a Youth For Christ rally to be held at Ann Arbor Pioneer High school Saturday, Dec. 4 at 7:30 p.m. Pictured here with Judi Ford (center), Miss America 1969, are Karen Beaubien of

Brighton, Cheryl Patterson of Lincoln High school; Ellen Pullen of Ann Arbor Huron High school; Karen Kastames of Manchester; Miss Ford; Melody Green of Ann Arbor Pioneer High; Kathy Lau of South Lyon; Karin Hume, and Karen Weiss of Ypsilanti. Missing from the picture is Karen Wanty of Milan.

Queens Competing in 'Queen of Queens' Contest

The Huron Valley Queen of Queens will be crowned, and two local groups and a folk soloist will be featured at the Youth for

Christ "Adult Look-Out" rally to be held Saturday, Dec. 4 at 7:30 p.m. at Ann Arbor Pioneer High school.

Nine area high school homecoming queens, including Chelsea's Karin Hume, are in competition for the Queen of Queens title.

The queen, selected by penny votes cast in canisters in the queens' home towns, will receive a \$200 gift certificate. Her cam-

paign manager, will receive a \$100 gift certificate, and the other eight candidates will each receive \$10 gift certificates.

A unique part of the rally is the fact that no one over 21 will be allowed entrance unless accompanied by a teen-ager.

Performing at the rally will be folk soloist Lonnie Hull, The Blackwood Singers and the Young and Free. The Blackwood singers, a group of eight, hails from Nashville, Tenn. The Young and Free, headquartered in Chicago, have traveled extensively in the U.S. and Canada.

There is an admission charge.

PROOP 88
The meeting began at 7:03. Gifts were collected. Some of our girls decided to play their instruments because we are going to the Methodist Home. We also worked on Christmas cards.

PROOP 82
Our meetings are held at the congregational church now. Mrs. Bucher had surgery on her leg and was unable to attend. Our assistant leader took over. We worked on Christmas gifts for mothers, then we cleaned up, refreshments, and closed our meeting with the song and hand squeeze.

PROOP 169
Troop 169 met last Monday to make Christmas presents for our mothers. Mrs. Johnson helped us. We enjoyed having the Catholic Scouts teach us games.

PROOP 58
We had a badge sign-off today. Many girls showed things that they made to earn badges. The "Tape Measure" patrol modeled the skirts they made to complete their sewing badge. We talked about Christmas par- plans. We invited our sister Janine Troop 169.

Linda Kay Hale, R. D. Westcott Wed Friday

The marriage of Linda Kay Hale and Richard D. Westcott took place Friday, Nov. 26 at St. Mary Catholic church in Chelsea with the Rev. Fr. Francis Wahowiak officiating.

The bride is the daughter of Mr. and Mrs. A. J. Hale of Chelsea. Parents of the bridegroom are Mr. and Mrs. Richard Westcott of Half Moon Lake.

Miss Debra Ann Spikeberg of Flint, a cousin of the bride, was matron of honor. Art Grisson of Chelsea served as best man.

Seating the guests were Danny Whitesall of Half Moon Lake and Jeff Reynolds also of Half Moon Lake, a brother-in-law of the bridegroom.

Following the ceremony, a reception was held at the Chelsea Rod & Gun club. Assisting at the reception were Norma Popovich, an aunt of the bride, who served the bride's cake, and Cathy Reynolds who served the bridegroom's cake. Dianna Hale, a sister of the bride, served punch and June Spikeberg of Flint, a cousin of the bride, attended the guest book.

Linda and Richard are both graduates of Chelsea High school. They will make their home at Half Moon Lake.

Pearce - Rowe Vows Exchanged at Methodist Church

Ruth Ann Pearce and Donald E. Rowe were married Sunday, Nov. 21 at 4:30 p.m. in the First United Methodist church.

The double-ring ceremony was performed by the Rev. Clive Dickins. The bride is the daughter of Mr. and Mrs. Ralph Fish of Battle Creek. The bridegroom is the son of Mrs. Wesley Ellenwood of 201 Buchanan.

Matron of honor and the best man were Mr. and Mrs. Ronald Gene Borders.

A reception followed the ceremony at the Chelsea Rod & Gun Club.

The Rows now make their home at Wampers Lake.

ENGAGED: Mr. and Mrs. F. T. Doyle, of Milford, announce the engagement of Mrs. Doyle's daughter, Cynthia Ann Hercules, to Robert B. Adams, son of Dr. and Mrs. F. M. Adams, of Birmingham. Miss Hercules is also the daughter of Neil Hercules of San Mateo, Calif. The prospective bride and her fiancé are graduates of Allston College where she was a member of Kappa Alpha Theta sorority, and he was affiliated with Delta Tau Delta fraternity. Miss Hercules is presently teaching in Three Rivers High school. Her fiancé is attending graduate school at Michigan State University. A June wedding is planned.

The former Elaine Bristle, Mrs. Ronald Falcone, and her husband are now at home at 3190 Toolumpe Dr., Apt. 34, Sacramento, Calif. The couple was married Tuesday, Nov. 16 in Steel-ton, Pa.

CUB SCOUT NEWS
PACK 415
 Dens 1 and 5 opened the Nov. 23 meeting with the flag ceremony.

Michael Bice, Larry Cameron and Tony Klobuchar were all welcomed to 415 as new Cub Scouts and received their Bobcat pin and wolf books.

The following scouts received pins and awards.

Ted Sine received his wolf patch, gold and silver arrows, and his two-year star.

Randy Ellis received his athletic award in Webelos.

Eric Case and John Dreiman received athletic and sportsman awards.

Bryan Herrick received aquanaut, artist, naturalist and outdoorman awards.

Kevin Lyle received a travel award.

Dale Sine received artist, athletic and naturalist awards and his two-year star.

David Seyfried and Ricky Sine received Webelos books and colors, and Ricky was also awarded a two-year star and a bear patch.

Dens 1 and 5 gave Thanksgiving skits.

Cubmaster Blaine Lyle announced that the next committee meeting will be held Dec. 2 at his home.

The annual Christmas party will be Dec. 12, 2 to 4 p.m. at the Knights of Columbus hall.

Dens 1 and 5 retired the flag to close the meeting.

DEN 5, PACK 415—

Den 5 met Wednesday, Nov. 24 at the home of den mother, Mrs. Richard Seyfried. We opened the meeting with the flag ceremony.

We elected the denner, assistant denner and scribe. Denner is Ted Sine. Assistant denner is Steve Adkins, and scribe is Mike Brainerd.

We worked on our Christmas presents for dad. We played a game and closed the meeting with the living circle.

DEN 1, PACK 415—

Den 1 met each week of November at the home of their den mother, Mrs. George Atkinson of Cavanaugh Lake. Everyone reported having a good time at the Oct. 24 Halloween party which was shared with the boys at St. Louis school. All enjoyed the football game in Ann Arbor on Nov. 6.

Our den mother told us about the Cub Scout pow-wow held Saturday, Nov. 13 in Ann Arbor. She was a staff member. We made saucer candle holders and other things like the early colonists used, and planned and put on a skit for the November pack meeting.

This was fun. Daniel Cobb, former member of Den 1, now a Boy Scout in Troop 476, visited us on Nov. 18. We had different opening and closing ceremonies—living circle, flag ceremony, Cub Scout promise and grand howl.

A couple of times we played outdoor games. Andy Ahrens, Kenneth Cobb, Billy Freeman, Barry Hinz, Gerald Ratzlaff, and Todd Sprague were present at every meeting. Mike Bice was absent once.

ANTI-ZOO

In 1892 a Congressman objected to appropriating funds for the new zoo in Washington, D.C., saying taxes should not be used "to afford shelter and erect homes for snakes, raccoons, and opossums."

But now thousands of visitors from the 50 states and almost all foreign countries visit the National Zoological Park every year.

BIG TAB?

At today's prices, raising a boy to the age of 18, would run up a food bill of \$8,700.

Love increases with time to those who avoid the date of selfishness.

Letters to the Editor

DEAR BOOSTER CLUB:

On behalf of the 1971 Chelsea Varsity Football Team we would like to thank you for the extreme loyalty that you displayed during the past season. We would also like to thank you for the wonderful gifts you gave us at the fall sports banquet. These gifts will be reflections of this wonderful year that will remain with each coach and member of team for the rest of their lives. The honor of being tanked the No. 1 Class B team in the State of Michigan would not have been possible without the sportsmanship and spirit that you gave this team.

Thanks again,

Wayne Welton
 Tom McKernan, co-captains
 and the
 1971 Chelsea Varsity Football Team.

Special Events at St. Louis School For Thanksgiving

The week preceding Thanksgiving was a special week for boys and staff of the St. Louis school.

On Sunday, Nov. 21, the Pilgrim Fellowship of the First Congregational church had a Thanksgiving party at the school for the boys. There were records, dancing and basketball games with both the boys and girls of the fellowship. The group, advised by Mr. and Mrs. Dan Robbins, served punch and cookies.

On Tuesday, Nov. 23 the Potters Clay, a nine-member musical group which performs religious songs, visited the school. In the morning the group did a two-hour show for the boys, then joined them for their Thanksgiving dinner served that noon.

The group also gave copies of their records to the school. Their visit was arranged by Scott Randall of Tenkonsha.

Following their return from the Thanksgiving vacation, the boys will begin preparing for the Christmas season, and the annual Christmas Play, which will be presented Dec. 19 this year.

U.N. EXTREMES

The largest member of the United Nations is the Soviet Union, with an area of 22,402,200 square miles and a population of 240,414,000, although this includes Byelorussia and Ukraine, which have separate votes. Maldives, the smallest U.N. member, has an area of 115 square miles and 106,000 people.

BIG WASTE?

Farm animals in the United States create some two billion tons of waste a year.

Secret Poll of Congressmen Has U-M Wolverines as No. 1

Congressman Marvin L. Esch today announced the results of a secret poll conducted of all House Members to determine which team should be rated Number One in the country. The results were overwhelmingly in favor of the University of Michigan. Esch claimed that his poll, conducted by secret ballot, emphasizes once and for all who should be rated Number One. It was in direct conflict with weekly UPI and AP polls. "It is obvious in their wisdom that the Representatives throughout the country have chosen wisely and without regard to special interest," said Esch.

Esch indicated that Congressman Edmondson of Oklahoma, Congressman Thorne of Nebraska and Congressman Flowers of Alabama had raised serious objections to the methods through which the poll was conducted and asked to examine the ballots. Esch denied there was any fraud involved and indicated that his Special Assistant, George Stevens, and staff had counted the ballots and they were destroyed upon completion of the counting. Esch further denied that a prominent mayor of a large midwestern city

50th ANNIVERSARY: An open house for family and friends will mark the 50th wedding anniversary of Mr. and Mrs. Clarence L. Embury, 11272 Joslyn Lake Rd., Gregory. The open house, which will be held at the Chelsea Community Fair Services Center from 2 to 6 p.m. Sunday, Dec. 12, will be given by the Embury's daughter, Mrs. Peter Jaskot and her husband, and Mr. and Mrs. John M. Reilly of Mason, Mr. and Mrs. James L. Reilly of Stockbridge, and Steven Jaskot. The Emburys are life-long area residents.

Leftovers, when assigned a specific place in the refrigerator, are more likely to be used. Place them in glass containers or plastic bags as visual reminders of good food to be used.

Ever wondered how much feed it takes to produce a 10-ounce steak? Here's the answer: approximately 17 pounds of corn, 4 pounds of hay, and 2 pounds of protein supplement.
