Matmen Back In Title Race With Two Wins

Bulldog matmen piled on two more league victories over the week-end, trotting South Lyon, 28-21, on Saturday and out-scoring Dexter, 28-20, last Thursday.

The combined wins, according to Coach Dick Bareis, insure for Chelsea, at least a second-place finish in the conference race.

The Dexter meet was a tense one, with victory only secured in the final, heavyweight bout.

The evening began with 97-pound Sam Trachet being pinned by one of Dexter's big guns, Jack Starzec. But Chelsea roared back in the second match with Jon Marzec at 105 piling it on his Dexter opponent, 16-3.

The Bulldogs stayed on strong for three more matches, with Mark Montagne, moved up a slot and now wrestling at 115, Keith Kargel at 119 and Larry Jones at 129, all victorious.

The sixth match was a heart-breaker, 135-pound Tim Lancaster losing a close one to Dexter's Mike Divine. Tom McKernan then turned in a good job with a 3-0 victory, and Darrel West gained what Coach Bareis called a "moral victory" by fighting to a 4-4 draw against a tough opponent.

In the next three matches, Doug McDonald at 155 and Randy Seitz at 185 were defeated, while Jon Schenk eked out a 2-1 decision.

With the score hanging at 22-20, Chelsea, it was all up to heavyweight Steve Worden to

clinch victory with a 9-3 decision over Dexter's Dan Trapp.

According to Coach Bareis, the win was a potential turning point. "Anytime Chelsea defeats Dexter it's important," he summed up. "We're hoping we can go on from this and break Dexter's stranglehold on the division."

The Bulldog winning margin was wider Saturday in their 28-21 triumph over South Lyon. Mark Montagne, back down to 105, pulled in the first Chelsea victory, closely followed by Keith Kargel at 119. In the big upset of the afternoon, Dale Poertner came through for Chelsea with a stunning 10-7 decision.

Randy Seitz and Larry Jones then pinned their opponents for another pair of tallies, Doug McDonald and Jon Schenk adding two more by decision.

A sour note marred the afternoon when Darrel West, ahead 7-0, when officials called time, was forced to take a default due to what Bareis called the "questionable" injury of his opponent, Sam Trachet, Jon Marzec, Tim Lancaster, and Steve Worden also fought for Chelsea.

The twin wins leave the Bulldogs tied with Dexter for second in the league. All now hinges on the league tournament, to be held at noon this Saturday in Milan. Tournament results will be tallied together with league standings, with a final champion emerging this week-end.

School Board Briefs

Monday evening's regular Board of Education meeting started off with Chelsea High school counselor George Bengman and Student Council President Dave Lukasiak presenting a report on the organization, purposes, and future plans of the Council.

In other business, board members discussed and voted unanimously to implement the Pilot Science Program for Beach school next year. The program will involve using a new set of textbooks emphasizing high interest material and a more individualized approach in selected classes in both 7th and 8th grades.

The board agreed to sign a contract with Louise Patrick.

Regarding future sessions, the board set Feb. 21 for a working session with the CEA regarding negotiations on the master contract and arranged for a meeting on May 1 with Student Council members in an effort to open the lines of communication between the board and students.

Cub Scouts Are Preparing For Banquets

This week has been Boy Scout week, and area Cub Scout dens are all busily preparing for their upcoming Blue and Gold Banquets.

The banquets are annual affairs in which each pack gives out awards and presents various types of entertainment.

This year's first banquet is that of Pack 445, scheduled for Saturday, Feb. 12, at 6:30 p.m. at the new Fair Service Center.

According to banquet chairman Nancy Richlik, highlight of the evening will be an Indian Dance presented by Order of the Arrow boys from Manchester, Dexter, and other near-by towns.

In addition, a Walt Disney film on Johnny Appleseed will be presented in conjunction with the over-all theme of "American Heritage." There will be a pot-luck supper, and awards will be given (Continued on page five)

Wrestlers Tune Up for Tourney With Another Win

In their last dual meet of the season Tuesday night, Chelsea matmen walloped Brighton, 34-15, bringing their season total to 12-2.

Although not a league meet, the Brighton contest was good practice for the conference tournament coming up this Saturday.

Bulldog wrestlers pinning their opponents were Mark Montagne at 105 pounds, Larry Jones at 132, and Randy Seitz at 185.

Other wins were turned in by Jon Beeman, Tim Lancaster, Darrel West, Tom McKernan, and Jon Schenk.

Next on the docket is the league meet in Milan this Saturday. "It should be a real good meet," wrestling coach Richard Bareis predicted. "And we should do really well."

HITTING THE ICE: With encouragement and advice from coach Mike Massey, players from the Chelsea Medical Center team have a trial run prior to their third game of the season. Thanks to the efforts of the Chelsea District Hockey Association and the Winter Recreation Program, Chelsea now boasts three hockey teams.

CHELSEA'S YOUNGEST HOCKEY TEAM is made up of boys from 8 through 13 years of age. Front row, from left are Joe Marintette, Greg Hastings, Steve Blaess, Toby Boyd, Russ Stofflett; middle row: Kevin Huhn, Mike Kroph, Steve Dresch, Mike Hastings, Steve Robbins, Gary Kelemen, Dennis White; back row (coaches): Phil Boham, Les Kelemen; Terry Finch, Rod Huhl. Missing: Brian Bruels.

Hockey Fever Hits Boys

Ice hockey is catching on as the newest and one of the most exciting sports in Chelsea.

Located at the Chelsea Fairgrounds, the ice rink is proving to be the center of action of the winter recreation program.

The three teams of the Chelsea District Hockey Association have just finished their first regular season games.

Chelsea's Pee Wee team, sponsored by Chelsea Medical Clinic, has lost two games, to Bimbo's 4-0, and to Rammy Chevrolet, 4-1.

The lone Chelsea score was an unassisted goal by Mike Hastings.

The middleteam, sponsored jointly by Chelsea Lumber and Gateway Sports Centre, has also recorded a pair of defeats. They

were defeated, 4-1, by Ann Arbor Bank and 2-1 by Bulr Machine. Jerry Fraker gets credit for both Chelsea goals.

The senior team, sponsored by Ann Arbor Federal Savings, has similarly lost twice, 7-1 to Ypsilanti Moving and Storage and 3-0 to Jackson.

Despite the losses, CHDA president Jerry Ringe is not pessimistic. "Although the teams came out the losers, they have certainly shown great improvement since they started their first practice," he said.

"These kids are really something to see," Ringe added. "So if you're looking for an exciting hour or two after dinner, bring the family out and enjoy the fast action of hockey in Chelsea."

Medical Career Information Offered High School Students

On Feb. 17 at 7:30 p.m. the Chelsea Medical Center will host high school students from Chelsea, Dexter, and Manchester who are interested in careers in medicine.

Dr. William Hawks, sponsor, announced that representatives from the University of Michigan Medical School and School of Nursing, as well as the Mercy School of Nursing, will be available for one-to-one discussion with students. Physicians from the local area and some U. of M. medical students will also be there to talk informally with interested students.

Also present will be nurses from many areas of nursing such as clinical, research, surgery, pediatrics, administration, recovery, intensive care, and clinical practice.

Dr. Hawks describes himself as an advisor-coordinator to an informal group of high school students who have indicated an interest in the health profession. In an effort to bring the profession to them, he has designed a three

step program, starting with Thursday's meeting.

Hawks dubs the coming event "MD-RN" night. In the future he is planning similar programs involving veterinarians, dentists, pharmacists, physical therapists, biochemists, and other health practitioners. In each meeting, Hawks emphasizes, "the idea is for the kids to break up and talk to the people on a one-to-one basis."

Phase two, according to Hawks, is a series of small group tours of the U. of M. Medical Center. Students will be able to sign up for the tours at the meeting Thursday.

Also, plans are being made for a couple of students at a time to observe emergency room procedures at St. Joseph Mercy Hospital or perhaps at the Chelsea Clinic.

The most important part of the scheme, Dr. Hawks stressed, was phase three: putting each student in touch with a professional in his or her field of interest.

Thursday's "MD-RN" meeting is open to all students interested in possible careers in medicine.

Spaulding Adoption Agency Re-elects Directors, Officers

Adoptive parents and children should openly discuss the children's biological parents, it was argued Tuesday at a "Discovery Workshop" sponsored by Spaulding for Children, an adoption agency in Chelsea for hard-to-place children.

The workshop featured a panel of adoptive parents and adults who had been adopted as children. Panelists made two recommendations. First, parents should help their adopted children understand

their biological heritage and aid them if they wish to seek out their biological families. Equally important, it was argued, there should be legal means for children, upon reaching a certain age such as 18, to get information regarding their biological families.

"Older children, especially, are curious and have memories," said Spaulding executive director Kay Donley. "They often do not articulate concerns they have about (Continued on page five)"

Bulldog Cagers Down Lincoln In Last Second

Storm Back from 10-Point Deficit In Last 3 Minutes To Stay in Race

In a showdown for second place, the Chelsea Bulldogs met the Ypsilanti Lincoln Railsplitters Friday night and came away with a thrilling 61-59 win. The game was a nip-and-tuck affair with neither team being able to dominate the game and with the winning basket sunk just as the final buzzer was sounding.

Lincoln jumped to a quick lead with two early baskets by Vern Porter and two baskets and three free throws by Ken Wright. But Chelsea fought back to go ahead, 18-15, by the end of the first quarter on the strength of Jeff Schmidt, Ron Sweeney and John Mann. Schmidt and Sweeney each counted five points, Mann contributing four.

The second stanza found the Bulldogs pulling away to a seven-point lead, only to see it evaporate as the Railsplitters narrowed the gap to 28-25 by half-time. Ron Sweeney and Todd Sprague accounted for all the Bulldogs points in the quarter, Sweeney scoring six and Sprague tallying four.

Shortly after half-time Sweeney and Schmidt found themselves on the bench, each with four fouls, and the Chelsea offense stalled. A

Chick Lane free throw accounted for Chelsea's lone point, for the rest of the period as Lincoln forged ahead, 39-35, with one quarter yet to play.

In the final period Chelsea looked doomed as Ken Wright led a Railsplitter surge that took them to an eight-point lead midway through the period. Then Todd Sprague took over and hit on a tough baseline drive and then countered with a 20-foot jumper. The rest of the team came to life, but the Bulldogs still trailed, 55-45, with three minutes left to play.

Sweeney then hit a basket, Tim Van Slambroek intercepted a Lincoln pass that led to Wayne Welton's basket, and the Railsplitter lead was out to six points. Ken Wright countered with a bank shot but Sprague came back with another basket and then stole the inbound pass, setting up another score.

Finally, with 46 seconds left to play, Ron Sweeney calmly sank two free throws to tie the game, 59-59. After a missed free throw by Lincoln, Chelsea chose to go for one shot. With only seven seconds to go Welton barely missed on a long jumper, but Jeff Schmidt was there to rebound and put the ball in the basket just as the buzzer sounded, giving the Bulldogs a hard-fought win.

It was the first time the Bulldogs had defeated Lincoln in several years on the hardwood. The triumph put Chelsea back in the race for the title, as they now stand one game behind Saline, who lost to South Lyon, and tied with Lincoln.

This week the Bulldogs host Novi tomorrow and travel to Dearborn on Tuesday. The following week they host South Lyon on Friday and travel to Milan on Feb. 2 for the season's finale.

Props Needed For Student Production

With Chelsea High school's performance of "Guys and Dolls" slated for the middle of March, the props committee is busy searching for the chairs, tables, and other items needed for scenery and costumes.

Most of the smaller props have been found, but many of the larger pieces are still needed. The committee is seeking the help of the community in locating these items.

Props still needed are: one baby buggy, one upholstered chair, one wire trash basket (street type), one shoulder holster, two wicker tables, four wicker chairs and 13 matching chairs (to be used in the nightclub scene), all in good condition. Everything but the baby buggy and the upholstered chair will be returned.

Anyone having information about any of the above items should contact Marijo Bott, 475-7748, Monday or Tuesday between 4:30 and 6, or Marcia Johnson, 475-2682, Monday through Friday, 4:30 to 6 p.m.

Wishing to contribute to the music for 1940-style dresses. Anyone local is asked to contact Janet Schenk, 475-7668. The dresses probably will not be returned.

Junior High Music Contest Set Saturday

Approximately 75 junior high school band members will travel to Dearborn this week-end to compete in the district Solo and Ensemble Festival.

Two buses will leave Beach school early on the morning of Saturday, Feb. 12, taking the contestants to Ford Community College, Dearborn. The contest lasts all day.

According to Band Director Warren Mayer, high school band members will be participating in a similar contest the following week.

Fire Dept. Reports 50% Jump in Calls

Chelsea, Fire Department in 1971 answered 172 calls, an increase of more than 50 percent over the preceding year, Fire Chief Jim Gaken announced in his year-end report.

Damage due to fire was down significantly, however, from \$410,575 in 1970 to \$177,075 in 1971. The huge difference, Gaken stated, is mainly accounted for by the costly Frigid Products fire in 1970.

Gaken attributed the increase in number of calls mainly to three types of fires: automobile fires, up from 14 to 26 calls; dwelling fires, up from 12 to 20; and grass and brush fires, increased from 59 to 95. Fires in other type buildings did not increase significantly.

Gaken gave the following figures for damage due to fire; loss on dwellings, \$34,500; loss on other buildings, \$66,560; loss on contents of dwellings, \$10,800; loss on contents in other buildings, \$24,000; other fire losses, \$40,225.

Winter Vacation

All Chelsea students have a four-day week-end coming up starting tomorrow. Classes will not be in session Friday, Feb. 11, and Monday, Feb. 14 for a winter vacation.

Barry Larson was recently named to the Dean's List at Western Michigan University.

Adult Supervisors Needed To Help At Skating Rink

The weather's right and the ice is free. So come out and enjoy an evening of skating at the new CIDHA skating rink.

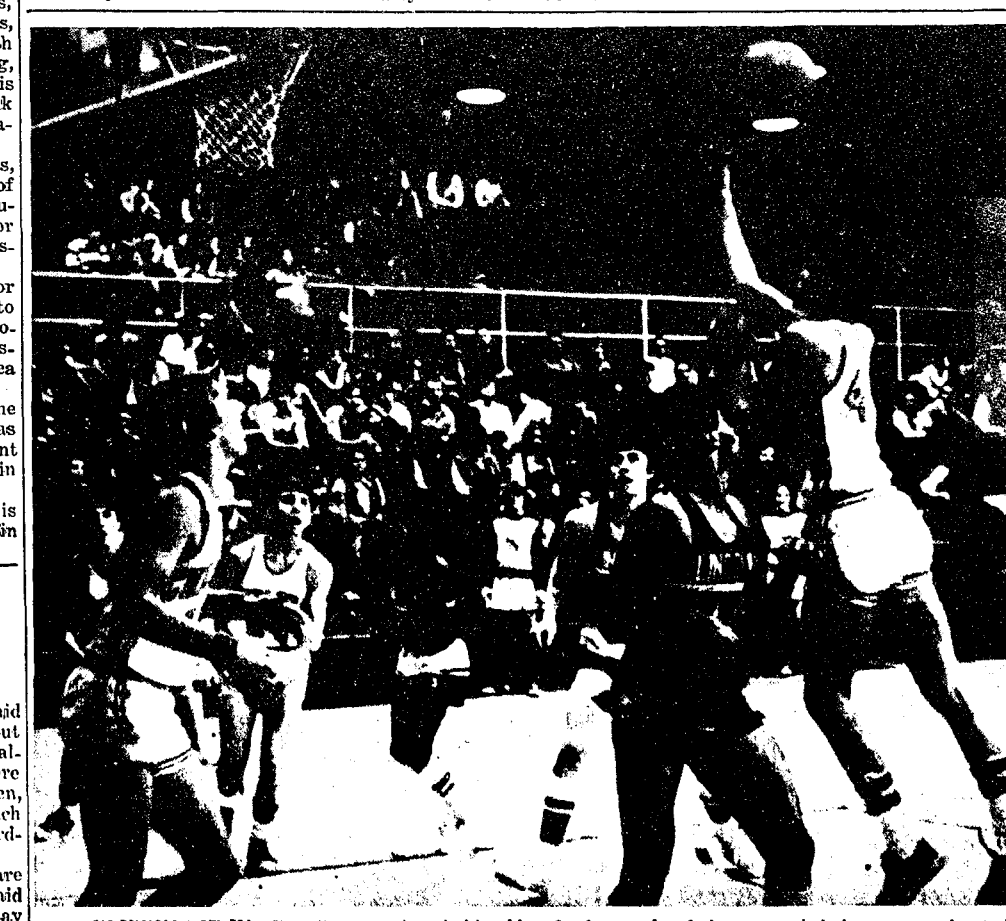

All has been going fine, rink sponsors report, which one exception: more adult supervisors are urgently needed.

The rink is looking for adults to volunteer for a little as an hour per week for any open skating period. If volunteers cannot be found, a fee will have to be charged skaters in order to pay for rink guards.

All interested are to contact Bob Schaeffer, rink manager, at 475-8906.

TYING HIS SHOE? Keith Kargel wraps himself around a disgruntled South Lyon opponent in last Saturday's dual meet. The Bulldogs went on to win, bringing their season total to 12-2.

FLIPPING IT IN: Ron Sweeney gives it his old soft touch, sinking another in the Ypsilanti Lincoln game last Friday. Sweeney's two free throws in the final seconds of the game tied the score and set the scene for the Bulldog victory.

Washington Report by Congressman MARVIN L. ESCH

The bicycle has re-emerged as a sought after mode of transportation for the American people.

For the first time since 1897, forecasts indicate that more bicycles will be sold in America than cars (approximately 10 million), emphasizing that Americans are turning to bicycling as a new way of life.

Throughout the country bicycle enthusiasts are getting together and working constructively to increase the nation's transportation system.

This is not a fad, it is a sincere desire on the part of nearly 80 million Americans to combat pollution, clear the air, and come up with a new form of transportation that can take its place in a balanced transportation system. This is a worthy endeavor that ought to merit the attention of state, local, and national officials who in my opinion should support this movement in every possible way.

Cycling is healthful, fun, and it gives one the opportunity to enjoy quietness and clean air. Yet there are scant numbers of bikeways for those who want to enjoy this form of exercise, recreation, and transportation. Recently I did some investigating on whether or not it would be possible to support with federal funding the creation of a series of bicycle paths throughout the second congressional district. As it stands now and the way present

legislation is written, only a local unit of government can apply for funding to establish biking routes. This is done through the state and eventually does pass through the federal government.

It seems to me that with the growing army of cyclists and their keen interest in the sport there ought to be more attention by communities and states throughout America to this emerging national need. As Secretary of Transportation John Volpe recently said "As far as I am concerned, bicycles have equal rights with automobiles on our cities' streets."

Bikology days were held last May in 45 cities throughout the country and a national bikology week is being considered for the first week in May of this year. I believe we should all lend support to such a movement and that we ought to begin to focus more public attention on the individual and community benefits that can be gained from bicycling. The place to start is with the creation of paved roads, more bike-ways, and safe lanes where cyclists can ride safely.

Last year I introduced a bill which would permit the use of certain monies from the highway trust fund to accomplish the construction of more bicycle lanes. I have written the chairman of the committee to which this bill was referred when I proposed it last year, calling for hearings and expeditious action on this proposal.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

After all that campaigning Ed Doolittle done last week in behalf of Nixon in particular and Republicans in general, Clem Webster got the floor early Saturday night at the country store and took a few backhanded swines at what he called the "hole digging habits and hound dog politics" of the Nixon Administration.

Clem said now that the football season final is over, he hopes the President will send some plays in for his economic team.

Clem was agreed that with all the Democrats in the running you can't see the issues for the candidates, and they are making more noise than sense right now. All these fellows is going in more for viewing with alarm than offering remedies, was Clem's words. Trouble is, he went on, if they don't kill each other off they're gonna run out of ammunition before they even get in range of the voters.

But what got Clem riled was two items he saw in the papers. One told how the Nixon Administration says the debt ceiling must be raised, and the other reported where the Federal Government has got more than \$230 million left over from last year in funds to feed school youngsters. They is somethin' out of line, allowed Clem, when that kind of money ain't spent at the same time Nixon says 80,000 more HEW people is needed to run giveaway programs that grew 27 per cent in the past year.

Somewhere, declared Clem, we are digging big holes to fill up little holes, and we're forgetting where we dug em. And for a fellow that claims to be stingy with the public dollar, Clem went on, Mr. Nixon shore is turning out to be the last in a long line of big spenders. Last year, Congress had to boost the debt limit by a record \$85 billion to go in debt enough to keep up with all the "aid," Clem said, and now we got to push the \$430 billion limit higher.

What this is, allowed Clem, is bound dog planning. Clem said town folks may not know why a hound will keep on barking all night, but there's a reason. A fellow's dog think he hears somethin, so he starts barking. All the other dogs in the neighborhood hears him and finger they got to help him out. Soon or late the dog that started the barking finds out he don't hear nothing no more and he's ready to stop barking, but now he feels like he's got to help his buddies. So round and round it goes for a couple hours.

In politics this is called pork barrel legislation, Clem said. A fellow in one state thinks a airport or a post office will help him stay in office, and his buddies take up the cry for dams and farm ponds and no-rent housing.

With their pork barrel rolling and the folks on welfare voting themselves more everything free.

AUGUST, 1863 LETTER

★ MICHIGAN MIRROR ★

By Elmer E. White, Secretary, Michigan Press Association

Model Prison Planned

A great hurdle facing officials of the state correctional system has always been lack of all the tools they really need to "correct" the people put in their custody. The public was never convinced the cost was justified.

Even under the best of conditions, helping a person in jail is a tough job. By the time he winds up in the state prison system, he's demonstrated to other people that he can't make it on the outside. For some reason or other he can't live in harmony with his fellow man.

Most of the inmates lack even the equivalent of a high school education and have no training for work of any kind.

To "correct" them, then, prison officials must educate them both to work at a job and to live peacefully with other people.

Now, in Michigan, steps are being taken to construct what prison officials say will be a "true correctional institution" in Muskegon. When it's done, the medium security facility will have room for 600 prisoners, who will be divided up into five 120-man groups.

"I don't think there will be anything like it," says State Corrections Director Gus Harrison. "It will be an extremely progressive program—what we feel should be done in a correctional institution."

Boating Classes Being Offered By Coast Guard Unit

The Coast Guard Auxiliary is offering two classes in boating. One class is in Basic Seamanship, for the new boat owner or those interested in boating and the other is the State Course for 12- to 16-year-olds.

Flotilla 12-19 will start both courses Tuesday, Feb. 15 at 7:30 p.m. at the American Red Cross on Packard Rd., Ann Arbor. Registration will be the night of the first class or by calling 971-5300.

The eight-lesson course in Basic Seamanship is two hours per lesson and will cover rules of the road, aids to navigation, piloting, charts, compass reading, knots and splices, legal requirements, nautical terms and boat handling. Those who satisfactorily complete the course will receive a certificate. There is a small charge for the textbooks and material in this class. Instruction is free.

The State Course, also two hours per lesson for three weeks covers the requirements for all 12- through 16-year-olds so they may operate a motorboat of more than 5 h.p. alone. Upon satisfactory completion of this course they will receive their state registration card and certificate. There is no charge for this class.

Mister Editor, it ain't long til the well runs dry and we got to float another loan.

Yours truly,
Uncle Lew.

Present plans call for the inmates assigned to the unit to be between the ages of 17 and 24 with IQ's in the 80 to 100 range. In addition, they will be men whose behavior is not so assaultive or disruptive as to require the maximum security placement of the reformatory.

"Most of these men have underlying problems in very basic areas of behavior and performance," Harrison says. "They lack motivation and impulse control, and have attitudes that are ultimately self-destructive as well as dangerous to others."

To change this, a counseling program will be set up and plans specify: "counseling is being increasingly recognized as essential to any effective total treatment program."

Most unique part of the new prison, perhaps, is a self-analysis system built right into its operations.

"We will build in at the outset the capability to research what we are doing," says Harrison. "This has been one of the weaknesses of the past—we haven't been able to reevaluate our own programs as they are initiated."

The new prison will attempt to work on every aspect of the inmate's profile in hopes of turning him into a useful citizen.

It is this total approach which Harrison favors.

"So many people think all you have to do is change one thing and corrections can be an automatic thing," he says. "But that just isn't the way it is and anybody who's worked in the field knows that. You're dealing with a hard core of people by the time you get to the penitentiary and there are no easy answers."

He and his staff are hoping, however, that the Muskegon prison may provide some of the not so easy answers.

VD Fight Aided
State health officials say they have been given a new weapon in the fight to detect and eradicate the most prevalent of the illnesses lumped under the classification "venereal disease"—gonorrhea.

Traffic Death Toll For January Up From Last Year

Michigan started its traffic record for the year by showing seven more deaths in January with a total of 144, compared with 137, in the same month of 1971, according to State Police traffic division provisional figures.

January's average for the past five years, 1967-71, was 140. All-time high for the month was 189 in 1937 while the low was 59 in wartime 1943.

The state's traffic toll for all of 1971 has been reported by the division to be 2,152, which was 25 less than 2,177 reported for 1970, about a one percent reduction.

Reports of delayed deaths will raise somewhat the provisional figure for January.

The state Bureau of Laboratories now is handling a new method which allows the swabbing of live bacteria from a patient and the sending of the bacteria in a carbon dioxide filled jar to the state laboratory.

Previously, only examination of smears for dead bacteria could be done as a practical procedure and this failed to detect many women carrying the disease.

Communicable Disease Control Chief Dr. Donald Cookson sees the new method as a breakthrough in the fight against VD.

"When you realize that gonorrhea is the most commonly reported communicable disease in Michigan and the nation, and that an estimated 90 percent of the infected females don't even realize they have the disease, you can see how significant this new diagnostic tool is," he said.

Parole Violator Arrested By Police

Colet Crayton, currently residing in Chelsea, was arrested Monday, Jan. 31, for violating parole by being under the influence of intoxicating liquor.

He was jailed for a week at the Washtenaw County Jail.

Crayton's violation was reported first by his mother, with whom he lives, to the Parole and Probation Department secretary who in turn called the police.

Police Chief George Meranuck and Patrolman Leonard McDougall then went to the Crayton home to make the arrest.

According to Chief Meranuck, this is the third time in six months that Crayton has been arrested. The other two arrests were on charges of drunken driving.

JUST REMINISCING

Items Taken from the Files of The Chelsea Standard

4 Years Ago...

Thursday, Feb. 15, 1968—

Chelsea residents are urged to cast ballots in the first primary election ever to be held in Chelsea, scheduled for Feb. 19. The main competition is for three trustee spots, for which four Republicans, George Doe, Eldon Gorton, Harold Pennington, and Frederick Weber are contending.

Troop 476 held an Eagle Court of Honor for William Stahl, Chelsea's newest Eagle Scout. Stahl has been a scout for six years, has put in 99 days and nights of camping, and has attended Order of the Arrow conferences in Indiana and Nebraska. Scoutmaster Robert Reed and troop chairman Bud Hafner chaired the program.

Chelsea State Bank is making preparations for moving into a new "home" at Orchard and S. Main on Feb. 19. The new building features drive-in windows, on-site parking for 35 cars, a modern safe-deposit vault, a night depository, and a large fire-proof storage space.

REGISTRATION NOTICE

FOR

VILLAGE ELECTION Monday, March 13, 1972

TO THE QUALIFIED ELECTORS OF THE

Village of Chelsea

COUNTY OF WASHTENAW, STATE OF MICHIGAN

Notice is hereby given that in conformity with the 'Michigan Election Law,' I, the undersigned Clerk, will upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration.

NOTICE IS HEREBY GIVEN
THAT I WILL BE AT MY OFFICE

Feb. 11, 1972 - Last Day

From 8 o'clock a.m. until 8 o'clock p.m.

THE FIFTH FRIDAY PRECEDING SAID ELECTION

As provided by Section 493, Act No. 116,
Public Acts of 1954 As Amended,
at Municipal Building, 104 E. Middle St.

For the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Elector Unable To Make Personal Application, Procedure

SEC. 504. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

Unregistered Persons Not Entitled To Vote

SEC. 491. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the Township, Ward or Precinct in which he offers to vote. (As provided under Act 116, P. A. 1954.)

Transfer of Registration, Application, Time

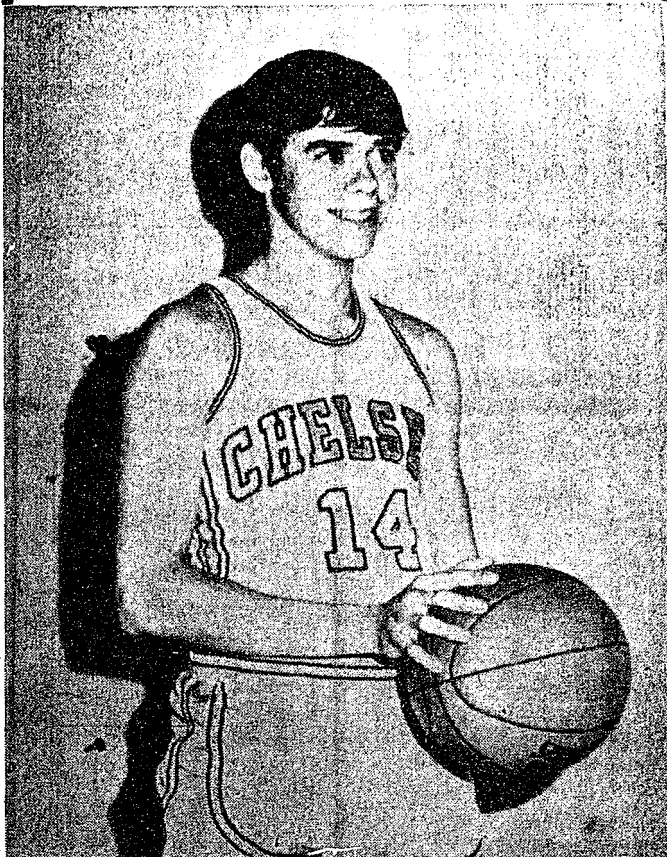

SEC. 506. Any registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved therefrom, and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in proper precinct file. Such transfers shall not be made after the Fifth Friday next preceding any regular or special election or primary election, (unless such Fifth Friday shall fall on a legal holiday in which event registration transfers shall be accepted during the following day.)

Transfer of Registration On Election Day

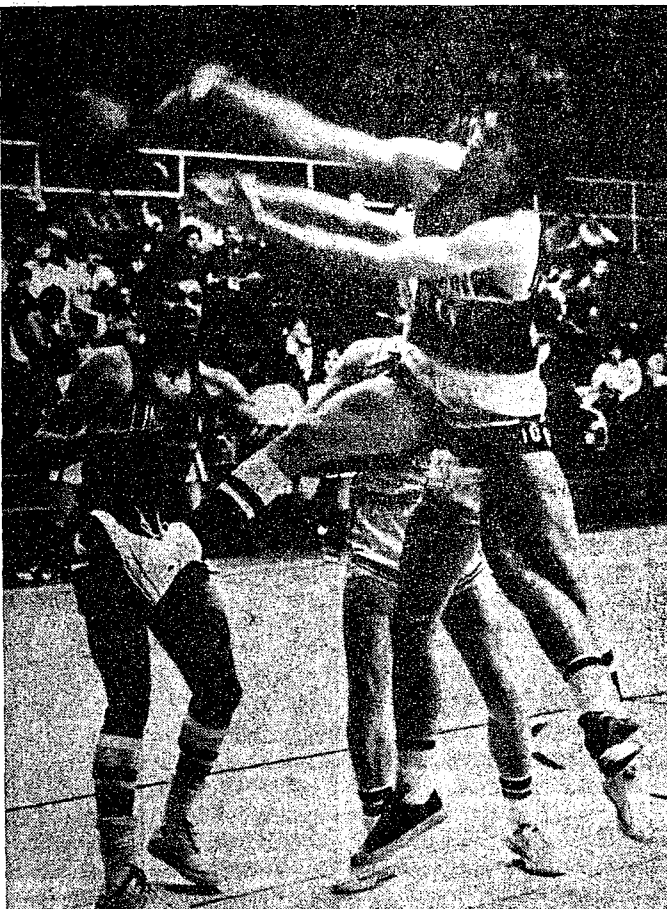

SEC. 507. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village and has not recorded such removal with the local Clerk shall execute a transfer of registration request, listing the new residence address thereon over his signature, with the election board in the precinct in which he is registered at the next ensuing primary or election. The inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and, if the signatures correspond, then the inspector shall certify such fact by affixing his initials upon said request. The applicant for transfer, after having signed an application to vote as provided in Section 523 of this act, shall then be permitted to vote in such precinct for that primary or election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in a Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of street in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote.

Cager of the Week

TIM VANSLAMBROUCH, a senior, plays forward for the Bulldogs. In addition to basketball, he enjoys skiing and baseball, where he either pitches or plays infield. Next year he intends to attend Central Michigan University, majoring in economics or political science. Tim is the son of Mr. and Mrs. William Van-Slambrouch, 13939 Bramble Brae, North Lake. He has two younger sisters, Holly and Jill.

STRANGE TACTICS: A Chelsea cager wraps himself around Lincoln's Mike Massey in a rebound attempt as Railsplitter Vern Porter looks on. Chelsea went on to win, the first victory over Lincoln in a number of years. With four games to go, the Bulldogs are tied for second in the league.

College Representatives Will Visit with Seniors

Representatives from the following colleges will be visiting Chelsea High school shortly:
Feb. 16 — Sierra Heights College, Adrian, second period.
Feb. 18 — Lake Superior State College, Sault Ste. Marie, second period.
Feb. 22 — Capital University, Columbus, O.

Spaulding Adoption Agency Re-elects Directors, Officers

(Continued from page one)

their past for fear of hurting or embarrassing their parents. Almost 100 people, mainly adoptive parents and professionals concerned with adoption, attended the workshop.

Afterwards, Spaulding held its annual board meeting. Special guests were the director and a case worker from the new Spaulding Agency recently opened in New Jersey. The New Jersey Agency operates similarly to Chelsea's, but financial arrangements are separate, Mrs. Donley explained.

The main business of the meeting was the election of directors and officers. Directors re-elected to three-year terms include Robert Daniels of Chelsea, the Rev. John Roschen of Dexter, Elvira Vogel of Manchester, and Dr. Harold Lockett and Albert Samboff of Ann Arbor. The agency's officers were also re-elected and include the Rev. Warner Siebert of Chelsea, president; Ronald Edmonds of Lansing, vice-president; Dorotha Plemeier of Chelsea, secretary; and Robert Daniels, treasurer.

In a sum-up report, Mrs. Donley noted that since its founding in 1968 Spaulding has found homes for 196 hard-to-place children, that is, handicapped and older children. Thirty were placed last year, 60 percent of them handicapped and 30 percent over the age of 11.

"The baby market is down," she added. "There are no longer pre-school black or white children readily available for adoption. Now it's parents who are waiting in line."

More people are necessarily become interested in adopting older or handicapped children, then, and many adoption agencies, not used to working with hard-to-place children, are turning to Spaulding for advice.

Mrs. Donley mentioned that Spaulding representatives have been invited to speak and lead training sessions in many areas outside of Michigan including Minnesota, Missouri, and Canada. At any one time, there are

about two dozen children Spaulding is trying to place. Mrs. Donley emphasized that Spaulding is an adoption agency, not a home. "There are no children on the Spaulding farm," she added. "It is an administrative office, not an orphanage."

"Children do not need institutions," Mrs. Donley stressed, "they need families."

Cub Scouts Are Preparing For Banquets

(Continued from page one)

to two boys graduating into boy scouting and to other cub Scouts.

Preparation for the banquet has been a major part of den meetings for the past few weeks. Mrs. Pichlik reported. Boys prepared centrepieces for the tables and made name tags for members of their families. One den is preparing a flag ceremony presentation.

In addition, each den devoted some time to the American Heritage theme. One, for example, has been studying American folklore.

Other packs' banquets are farther away, and entertainment has not yet been settled upon. Pack 416's banquet will be held Sunday, Feb. 20, at the high school; Pack 455, Thursday, Feb. 24, at the Methodist church; Pack 435, Sunday, Feb. 27 at the new Fair Service Center.

Cubs, their parents, and brothers and sisters are invited to each of the banquets. Each will feature entertainment, awards, and most important, food.

TODAY'S THOUGHT
By LOUIS BURGHARDT

The life story of Abraham Lincoln sounds like a novel; a myth, instead of fact. No other man in American history has been biographed in such detail. From his boyhood days and jaw-boned backwoods life, as a prairie lawyer, politician and eventual President, all details have been documented.

He was a humble man and mistaken at Gettysburg when he said, "The world will little note nor long remember what we say here!" Nearly everything he ever said has been inscribed in history. It seems appropriate in these troubled times to quote from one of his early speeches given in Springfield, Illinois on Jan. 27, 1838. He deplored instances of violence; pleaded for reason and reverence for law. His words seem to shout from his silent grave — "If destruction be our lot, we must ourselves be its author and finisher." . . . Can anyone dispute the need to heed that realization today? . . . And now a word about H&R Block's competition.

Because we think our competition represents more of a threat to you than it does to us, we're going to help you sort them out.

Your Family
The greatest people in the world. Most of the time. Unfortunately, most of the time doesn't include income tax time. Because the last thing you need when you're doing your taxes is an aunt who took an accounting course just before she dropped out of college. Or a father who thinks how much money you make and what you do with it is something the rest of the family should know about.

Your Neighbors
You know the type. The mild-mannered shoe salesman next door who suddenly turns into a mathematical genius just about the time income tax is due. He knows all the angles. Some of which even the Internal Revenue Service doesn't know about yet. And he's willing to share them with you, "Just to be neighborly."

You
Your own worst enemy. All year long you can't balance your check book, but that doesn't stop you. Armed with your W-2's, a few reams of paper and a couple of gallons of coffee you bravely attack that stack of forms. You may be taking deductions you're not entitled to, and entitled to deductions you're not taking. So, should you be doing your own taxes?

JV Cagers Lose to Lincoln At Foul Line

Poor foul shooting lost last week's junior varsity basketball games, as Ypsilanti Lincoln squeezed past the Bulldogs, 68-60.

Chelsea got off to a good start, pulling up a 22-8 lead by the end of the first quarter. Although outscored by Lincoln in the second quarter, they still held a 36-24 lead at the half.

By the third stanza, however, the tide had definitely turned, as the Bulldogs were outscored, 59-24, in the last half, ending up with a three-point deficit.

Chelsea was hampered by four men fouling out and by poor foul shooting (41 percent). Although they outscored Lincoln by 14 points from the floor, they lost the game at the foul line, 32-16.

Standouts for the Bulldogs were Tim Treado with 23 points, Ron Kiel with 14 and Jeff Sprague with 12. Kiel topped the team in rebounds with 17, Tim Treado following with 12.

The defeat left Chelsea with a 7-5 record.

Warrant Issued for T. Burnett on Drunk, Disorderly Charge

A Grass Lake man was arrested for drunkenness and disorderly conduct in a public place last week and was released on \$50 bond. The accused, Thomas James Burnett, of 14400 Leeke Rd., failed to appear in court, and a warrant has been issued.

The trouble began as a bartender in the Pub Bar, 113 S. Main, notified the police that a man was intoxicated and creating a disturbance in the bar. Patrolmen Bruce Sibert and Lenard McDougall were sent to the scene.

In the presence of the two officers, the bartender ordered Burnett to leave the bar. When he refused to go, he was placed under arrest. He put up a struggle and was handcuffed. Patrolmen took him to the Washtenaw County Jail, where he was released on bond later that night.

Burnett was to appear at the Chelsea Court on Feb. 7 both for this case and on a previous charge of drunken driving. When he failed to appear, the judge issued a bench warrant.

Baby-sitters and exterminators have the same problem—pest control.

While, pled guilty to drunkenness and disorderliness. He was sentenced to \$50 fine or 10 days.

Stephen Sjöström of Ann Arbor, waived examination and was bound over to Circuit Court for receiving stolen property over \$100.

Alayus Knieper of Greenbush, pled guilty to possession of a firearm while under the influence of alcohol. He was sentenced to \$100 fine or 20 days in prison.

Altar Society Told About Activities of Hospital Volunteers

The regular monthly meeting of St. Mary's Altar Society was held Monday evening, Feb. 7, in the school hall, with 19 members present.

Father Wahowiak led the members in an opening prayer.

Serving on the February Altar Committee are Mrs. Hal Pennington and Mrs. Paul Hankerd.

Mrs. Arthur Paul, Remembrance Committee, reported on the gifts sent to shut-ins at Christmas.

A bake sale will be held Saturday, Feb. 12, at the Sylvan Town Hall.

Father Wahowiak announced that Lenten services of the Mass would be conducted on Wednesdays and Fridays during Lent.

On March 6, Palm Sunday, the Most Reverend Bishop Lawrence Gerner will celebrate Confirmation at St. Mary Church. All the boys and girls from the 6th through the 8th grades will receive this Sacrament then.

It was decided not to have a March meeting. The next meeting will be held on Monday, April 3, at 8 p.m.

Mrs. Lawton Steger, a volunteer aide at the Chelsea Community Hospital, spoke to the members about the various activities of the volunteers. Mrs. Steger mentioned various articles which are needed by the patients. At the present time there is a need for walker aprons, which some of the members volunteered to make.

Refreshments were served by Mrs. Del Erickson. The meeting was closed with a prayer.

Theft of \$83 Taken From Laundromat

About \$83 in coins and small bills was stolen from the Wash & Dry Laundromat, 114 W. Middle St., sometime during the night of Sunday, Jan. 30.

Police reported that the door of a soft drink vending machine had been forced open and about \$80 in change taken. After breaking into the machine, it appears that the thief made his way into a back room, where he made off with \$83 in small bills.

Police report there are no suspects in the case.

SOUTH ELEMENTARY SCHOOL NOTES

KINDERGARTEN—

Rooms 1, 3, 6

Teachers:

Mrs. Bower, Mrs. Michelson, Mrs. Van Blaricum

Our school nurse, Mrs. Witte-

kind, told us about ways to stay

healthy. We have seen many

films. One was about a boy who

went to the grocery store but

couldn't remember what to buy.

He had to go up and down every

aisle at the supermarket before

he could remember hot dogs. Most

of us know what are fruit or veg-

etables; what grows under the

ground, on vines, on shrubs and

on trees. Everyone promises to

try new foods.

The Valentine party will be

fun. The homeroom mothers are

planning it already. It will be

Thursday, Feb. 10, because we

don't have school Friday or Mon-

day.

Good friends help each other.

One of our TV programs was

about that. We are hoping we re-

member to be considerate of

others at all times, especially

when we are playing in the snow

or riding on the bus.

Happy Valentine day!

Room 4

Teacher: Mrs. Stewart

We've had some busy days since

Christmas. We were so busy we

forgot the news last month: Jan-

uary went by quickly, and we en-

joyed the snowy weather. All of

us have finally learned to bring

mitten, hats, boots and scarves

for recess! We made snowmen and

used tissue paper for scarves! They

look pretty on our windows. We

also learned to make six-

pointed snowflakes.

February's here, and we're

learning about dinosaurs. Their

names are fun to learn and say.

We have dinosaur models and

books to look at. They're scary,

but neat.

Last Friday we went to the li-

brary and signed out our own

books. We got to take them home

on Saturday and Sunday. They go

back in three weeks. Now we

trade them for fun. We've been

able to read other stories besides

our readers. That's fun to do.

We're excited about our new

month—Valentine's day is fun to

get ready for. We learned about

Abraham Lincoln and his life. Al-

so, we will get a picture of all

the presidents to keep. They are

fun to look at. Our Valentine par-

ty is Thursday, Feb. 10. We all

hope we will be here. Dee Dee

Hampel is having an operation on

her eye that day and will miss the

party. We'll miss her too.

No birthdays this month. Happy

Valentine's day!

February birthdays: Lisa Bee-

man, Tracy Borton, Cindy Bowen

and Russell Harris.

What a busy time we've had

so far this year! We've learned

so many things in reading and

arithmetic, enjoyed making art

projects and music class.

Our dinosaur mural is really

big. Each one of us helped make

the background and then made

our favorite dinosaur to put on

it.

So many of us have brought in

such exciting and interesting

books to share with the other chil-

dren.

We like the big map of North

America that we got from the li-

brary. It has mountains on it.

We really had fun making a

snow fort. Rodney and Mrs.

Thornton rolled the biggest snow-

ball when we were making it. The

first graders started making it

and the second graders helped to

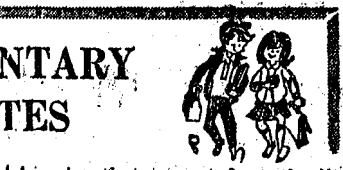

add more to it. We were really

proud of our work.

Our room is decorated for our

Valentine party this Thursday.

We have been studying fossils

and dinosaurs. Our favorite din-

osaur is Tyrannosaurus Rex. He

was the king of these terrible li-

zards and a fierce meat eater.

We are having a Valentine par-

ty on Feb. 10. We are making a

book of valentines for our mother.

Since no one in our class has a

birthday in February we put

Abraham Lincoln and George

Washington on our birthday train.

We are counting by fives and

by twos to 100. We are learning

to tell time.

SECOND GRADE—

Room 8

Teacher: Mrs. Nance

Reporter: Carrie Jo Bruck

We are studying about the

planets, stars and astronomers. In

art we made finger puppets. Then

we did some plays with the pup-

pets. Since we have studies clocks,

we are better at telling time.

Room 7

Teacher: Mrs. Lopez

We had fun making a winter

scene mural for the bulletin board.

Each made a figure to put in the

scene.

We are learning about the plan-

ets and the stars in science. Kathy

Walshyke made a large drawing of

the sun. Connie Dault made a

drawing of the moon and put in

the important areas. Jeff Shep-

herd made a chart of all the

planets. Leon Dungan made a

drawing of Saturn.

The snow was perfect to build

a fort, and we have helped make

a large one on the playground.

We are looking forward to our

Valentine party. We have made

folders, so that we can mail our

cards. We do thank our room

mothers, Mrs. Hafner and Mrs.

Kalmbach, for planning parties on

the special holidays.

St. Louis School Notes

It has been a busy week for the boys at St. Louis.

Last Wednesday the students in Miss Lennox and Mrs. Wilkinson's classes visited the Ann Arbor fire station. Lt. Camet gave them a complete tour of the fire engines, firemen's rooms, and various types of machinery.

On Saturday the boys had a basketball scrimmage with the Forsyth Junior High boys from Ann Arbor. After the scrimmage the Ann Arbor group gave a basketball exhibition. The game was particularly interesting be-

cause Forsyth's star player is a former St. Louis boy.

Yesterday the boys all went to Detroit for the Shrine Circus. Joe Vitale sponsored the trip, and tickets were furnished by the Detroit police department. Refreshments were donated by the St. Louis School Society of Friends.

This week-end the boys return home for a three-day break.

The living veteran population reached the 28.5 million mark in October, according to the Veterans Administration.

10 Seniors Nominated for Scholarships

Ten Chelsea High school seniors have been nominated by the school to compete for scholarships offered by the Society of Outstanding American High School Students.

The Society, headquartered in Birmingham, Ala., has approximately \$500,000 in funds to distribute as scholarships and tuition grants. Because the awards will in part be based on financial need, it is uncertain how many awards will be made.

Because of the size of its graduating class, Chelsea was allowed to nominate up to 10 students. Chosen were the 10 seniors with the highest academic standing, calculated on the basis of grades through the junior year.

Students nominated were Debbie Banker, Mel Buss, Susan Dirlam, Danny Gault, Jeanne Haselschwardt, Mike Hengert, Chick Lane, Karen Schaefer, Katherine Schaefer, and Marty Straub.

To compete, each student must fill out a long form dealing with such things as offices held, clubs and activities, rank in class, honors and awards, future plans, college board test scores, and financial need.

The forms will be used by the Society to select a number of semi-finalists. As this is the first year Chelsea has participated in the program, counselors at the school are not certain what the next step will be.

10th Graders Take Aptitude Tests Today

Classes end early for Chelsea High school 10th graders today. Instead, however, they'll spend the afternoon taking the Differential Aptitude Tests (DAT).

The first three parts of the DAT's were given before Christmas, and it is hoped that the remaining sections can all be finished up today.

Areas tested today include mechanical reasoning, space relations, and language usage (spelling and grammar). Students have already completed the sections dealing with verbal reasoning, mathematical reasoning, and abstract reasoning.

(The test is expected to take the entire afternoon.)

Another examination, the Armed Forces Vocational Aptitude Test, will be given on the morning of Monday, Feb. 21, in the high school auditorium. The test is voluntary and is open to all seniors. Mechanical, administrative, electronics and general ability are tested, and although the examination is sponsored by the Department of Defense, the results are useful in indicating aptitude for various civilian as well as military jobs, according to Counselor George Bergman.

Other tests coming up in the near future are the American College Test, given Saturday, Feb. 26, in Chelsea, and the College Boards, scheduled for March 4 in Ann Arbor. Students have already pre-registered for these examinations.
