Chelsea Police Marksmen 4th in Tri-State Competition

The Chelsea Police Department achieved a marksmen fourth class rating at a tri-state shooting competition held in Wyandotte, Saturday and Sunday, April 15 and 16.

The team of Patrolmen Lenard E. McDougall, Robert Browning, and David Peebles competed against some of the "best marksmen in the world" from police departments of all sizes in Michigan, Illinois, and Ohio. They competed in both individual and team competition with Officers Peebles and McDougall pairing up for the fourth-place finish in team shooting.

firing at a silhouette figure of a man. The silhouette is marked by four concentric rings which are valued from 10 points down. According to the Lewis system of scoring for this competition, each member of a team fires 60 rounds with a possible 10 points per round or a total perfect team score of 1,200 points.

The official results are still being tabulated, however, the Chelsea contingent scored "somewhere in

the 900's" to achieve their fourth-place finish.

The squad was particularly pleased with their performance in this open competition because of tough opposition from large city police departments from such cities as Detroit and Cleveland. There were more than 250 entrants in the field this year.

Last September, the Chelsea squad took a first place in the Governor's competition which was strictly bullseye target shooting. However, the win came in the E class which denotes a department size of five men or below and therefore they shot against only 20 other departments.

Tag Day Nets \$235 for CHS Scholarships

The Chelsea High school chapter of the National Honor Society collected \$235 on behalf of the Scholarship Fund during its annual Tag Day held last Friday and Saturday, April 21 and 22. This raises their total fund to more than \$2,000 for this year's scholarship awards.

Though not disappointed with the \$235 raised last week, the committee believes that it could have collected even more had the weather not been so cold. Contributions by individuals or business concerns would still be greatly appreciated.

The committee announces that any students wishing to apply for a scholarship must register an application by May 1.

Softball Teams Will Organize Next Wednesday

Chelsea Recreation Council announces an organizational meeting of all managers and team captains on Wednesday, May 3, 7:30 p.m. in the high school cafeteria. All teams interested in playing softball this summer should contact Oren Wireman before May 2 to insure a place in the league.

Fees this year will be \$135 for Chelsea teams and \$185 for new teams outside the Chelsea area. Fees must be turned in by the May 3 meeting.

The league is in need of umpires, scorekeepers, and a grounds keeper. Anyone interested should contact Wireman at 475-2924.

Track Team Rolls Over Brighton, 91-32

In a non-league track meet Monday, April 24, Chelsea officially initiated Brighton into the ways of the world in SEC competition by soundly defeating them, 91-32. Brighton is now playing as an independent but will join the SEC for the 1973-74 season to replace Dundee which is withdrawing from the league.

Though they had a few outstanding athletes, Brighton lacked the depth to compete with last year's champions and were generally weak in the field events.

Randy Seitz again set the pace in the shot put with a heave of 47'10 3/4" while Craig Coltre was a triple winner by the end of the day. He took the long jump with an 18' 3 3/4" effort and swept the hurdles with times in the 120 yard highs and 180 yard lows of :17.1 and :21.8, respectively.

In other field events Roger Fitch won the high jump with a 5'8" leap and Tim Lancaster took the pole vault with 11'.

Chelsea predictably dominated the running events as well, with victories coming from Carl Gauss in the 220, :25.4; Marty Cashdollar in the 100, :10.7; Jeff Marshall in the 880, 2:14.2; and Dave Buxton in the mile, 4:43.8.

The relays belonged to the Bulldogs as they swept all three events. The 440-yard relay team of Cashdollar, Ishmael Picklesimer, Dale Poertner, and Lancaster won in a time of 4:8.7 with the 880-yard team of Gauss, Cashdollar, Bertke, and Ferguson winning in :40.1. The mile relay team of Marshall, Tom McKernan, VanRiper, and Buxton completed the sweep with a winning time of 3:53.

Following the Novi meet Wednesday, the Bulldogs will compete in the Albion Relays, Saturday, April 29.

Brighton Joins Conference as Dundee Exits

Beginning with the 1973-74 athletic season, Brighton High school will be competing in the South-eastern Conference in all sports categories. Dundee will withdraw from competition at the end of the spring 1973 season to join a newly-formed league in southern Michigan. The new conference will be comprised of two Ohio teams and local schools in the border area. It is believed the combination of extensive traveling and tough competition caused Dundee to withdraw from SEC.

Upon notification from Dundee that they planned to leave the league, the athletic directors of SEC schools began to look for a replacement to round out the conference. Brighton and Willow Run were the only schools that applied for membership. The directors agreed upon Brighton for numerous reasons; one of which is that the city recently passed a bond issue which will enable them to build new facilities in a few years. It was also felt that because Willow Run is not closely affiliated with any village or town it would not be able to generate the traditional rivalries among neighboring communities that are such a large part of SEC competition.

Brighton has a growing student enrollment of 1,100 compared to Chelsea's 750, however, it has recently been suffering through several unsuccessful athletic seasons. Before becoming independent several years ago it was a member of the Wayne-Oakland Conference and obviously should be able to

"MICRONESIA, THE VANISHING PARADISE," was the topic of guest lecturer Dave Jervis' presentation at the Kiwanis Club meeting Monday night, April 24. Jervis, who spent three years on the islands of Micronesia in the south Pacific, showed slides and native artifacts to augment his lecture to the great interest of members and the Police Auxiliary who were honored at the meeting. Discussing the evening's program are (left to right) Louis Burghard, first vice-president, Dave Jervis, Charles Cox, second vice-president, and Jack Fowler, secretary.

AUXILIARY POLICE were honored by the Kiwanis Club Monday, April 24 with a dinner and program featuring a lecture and films of the south-east Pacific territory of Micronesia. There are 17 members of the Auxiliary who work tirelessly in the non-paying capacity of aiding full-time Chelsea policemen. Front row, left to right, are Sgt. Charles Winans, treasurer; Britton Graham, Lt. Roy Guenther, Capt. Calvin Summers, Sgt. Don Knoll. Back row, from left, secretary Richard Harvey, Philip Boham, Brice Graham, Robert Robbins, and James Krichbaum. Not pictured are Leonard French, Sgt. Robert Bauer, Norman Bauer, Hugh Hosier, William Detting, David Bable, and Gregory Kuhl.

Kiwanis Club Hosts Police Dept., Auxiliary Police Force

Members of the Chelsea Police Department and Auxiliary Police were honored guests at the Kiwanis Club dinner Monday night, April 24. Kiwanians sponsor this annual affair as a means of thanking this dedicated group of men who donate their time in helping the community.

There are 17 members in Chelsea's Auxiliary Police force who spend a great deal of time supplementing the work of the village's full-time police force. Though the village is listed as having five full-time police officers, in actuality there are only three full-time and several part-time, so the Auxiliary's help is greatly appreciated.

These men have accrued time at various accredited Police Training Centers and are used to augment the office staff and help full-time officers cruise in patrol cars.

The meeting featured Dave Jervis speaking on the topic: "Micronesia—The Vanishing Paradise." Jervis moved to the Chelsea area in 1969 after spending three years in the Coast Guard, stationed on the chain of islands in the south Pacific east of the Philippines known as Micronesia. Presenting slides and native art work, Jervis discussed the history, economy, and importance of this little known corner of the world.

Micronesia is a trust territory of the United States, much like Puerto Rico, with representation in Washington but with no voting privileges. It was originally governed by Spain but was ceded to the U.S. as partial settlement in the Spanish-American War. Spain later reclaimed the islands and sold them to Germany from which the U.S. again received the territory as a result of a post WW I settlement.

Micronesian society has become so dependent on the United States that it is now able to exist only as a "cargo economy." This means that all its life sustaining necessities must be flown in by the U.S. government on B-52, cargo planes.

This string of islands is militarily very strategic to the U.S. It has been termed the "back door to Asia" and is used as the point of debarkation for many of the bombing sorties in Vietnam.

With the use of maps, Jervis explained that the islands are really the tops of extinct volcanoes that have sprung up from the ocean floor and long since been covered with vegetation.

Jervis is not a professional lecturer but has a keen personal interest in Micronesia. He is employed by the Bureau of Outdoor Recreation in Ann Arbor.

Chelsea Area Church Choir Festival Set

A musical evening is in store for residents of the Chelsea area on Sunday, May 7 when the choirs of several churches combine their talents in song in a festival sponsored by the Chelsea Ministerial Association.

Planned under the direction of Bruce Galbraith, director of music at St. Paul United Church of Christ, the event will feature the adult choirs of First Methodist, Mrs. Clare Warren, director; Zion Lutheran of Rogers Corners, Mrs. John Morris, director; and St. Paul United Church of Christ, Bruce Galbraith, director.

Each choir will sing two anthems individually and then join together for two massed numbers. Participating directors will conduct the combined choir. Children from the churches will accompany and also furnish an organ accompaniment.

A free-will offering will be taken. Individual area singers are welcome to join in the performance of the massed choir and may do so by contacting Galbraith at 475-8024.

School Millage Election Set Monday, May 8

Operating Funds, Building & Site Fund, Capital Outlay All Included

Dwight E. Beach school will be the site of the special election to be held Monday, May 8 from 7 a.m. to 8 p.m. at the request of the Chelsea Board of Education, according to Chelsea school Superintendent Charles Cameron. Three issues will be presented: (1) the renewal of the 10.98 mills' operation for two years; (2) one mill for capital outlay for two years; and (3) one mill for three years for a building and site fund.

"A special election was requested by the board to enable the Board of Education to make plans for the future of the district," Cameron explained.

"The board is not asking for an increase in the 10.98 mills authorized by the electors Jan. 28, 1970 for the past two years. However, the board levied only 9.98 mills for this year. The increase in one mill

Cameron also pointed to the costliness of millage elections in time and money. This could be avoided, he noted, by the renewal of the operation millage for two years; the capital outlay millage for two years; and the building and site millage for three years. He urged the electorate to support all three millages.

The one mill requested for two years includes the following items and the estimated cost:

Paving high school lot	\$10,000
Paving elementary lots	11,240
Outside lighting (all schools)	4,000
Bleachers	10,000
Fence (high school athletic field)	15,000
Drapes	10,000
Band instruments	6,000
Chorus risers	2,000
Audio-visual equipment	3,000
Typewriters	4,000
Mower	4,500
Physical education equipment—secondary	3,000
elementary	2,000
Furniture (elementary rooms)	3,000
Acoustical work, Beach Vocal Music and Band Rooms	2,000

Total\$89,740

This will be an increase for next year. However, the total millage requested, including this mill and the mill for building and site, will be less than the millage levied in 1969-70.

Public Meeting Slated Tuesday on Millage Election

An informational meeting will be held in the high school auditorium Tuesday, May 2 at 8 p.m. The millage requests to be decided at the special election May 8 will be explained by the Board of Education and questions regarding these issues will be answered by them.

for operation is offset by action of the board to levy one less mill for the debt retirement funds," Cameron continued.

"It is beneficial for us to plan as early as possible for the future of the district," added Cameron. "Now is the most appropriate time for interviewing teachers in order to hire the most capable and qualified teachers. These as well as the present staff, want to know the program for the district, salary schedules, and whether or not the present program will be continued."

"Another area affected by the election is teacher contract negotiations currently being held. These sessions would be facilitated by the negotiators having a knowledge of the total income of the district," Cameron noted. "The negotiators could then do their best to settle the issues early."

Karate Klass Kanceled

Due to a decline in attendance below minimum class size, the karate class sponsored by the Chelsea Recreation Council has been canceled. Members interested in continuing their instruction may participate in classes held at Huron High School, Ann Arbor. If sufficient interest is shown in the fall, classes may be resumed.

The mill for the building and site fund is requested because the Board of Education is faced with a building program. Facilities to house the students must be built in the near future. The estimated increase in enrollment for next year is 130 students. Approximately 100 will transfer from the St. Mary school when it closes in June. All rooms in all the schools will be filled next year and increased enrollments are anticipated for the following years.

A mill levy for each of the next three years will provide the Board of Education with approximately \$200,000 for the purpose of acquiring land for schools and for the construction of facilities.

A building and site fund replaces a bonding program for the same amount of money. However, the electors would save approximately \$41,000 in bond interest by establishing this building and site fund. Beach school is located at 445 Mayer Dr.

Any person may vote who is a registered voter and resides in the Chelsea School District. If he is eligible to vote in a national, state, county or local election, he is eligible to vote on all issues in the school district millage election.

Absentee ballots may be obtained from either the superintendent's or the business manager's office.

THE NEW SOCIAL-EDUCATIONAL BUILDING of the North Lake United Methodist church is nearing completion. The basement is already being used for weekly Sunday school classes and the main floor study and dining room will hopefully

be completed by October when dedication ceremonies are planned. The edifice is being built largely through the volunteer efforts of church and community members.

North Lake Church Members Building Educational Unit

A combined church and community project is nearing completion as the new social and educational building of the North Lake United Methodist church begins to take shape.

Ground-breaking ceremony for the new building was last July 1, however, when it is completed, hopefully in October, it will represent the fulfillment of a long-standing dream for the church members.

Several years ago the church established a building fund under the direction of Warren Eisenbeiser,

chairman of the committee, which has been accepting pledges and contributions and attempting to raise the funds needed to undertake construction of the project. A loan was arranged through the Chelsea State Bank which finally allowed construction to begin. However, a great deal of the expense of the building will be donated, not only by members of the congregation, but by members of the community at large who have offered their time and efforts to the project.

A conservative estimate of the cost of the 60' by 40' structure is \$40,000 but, largely through the

efforts of the volunteer workers, the building committee hopes to spend less than half that amount.

The basement of the building has already been completed. It is being used for Sunday school classrooms and discussion rooms. When completed, the main floor will consist of a dining room and a minister's study. The women of the church plan to help pay off the mortgage on the building by holding fund-raising dinners in the new dining room.

If all goes well, the new building and an 1886 marker commemorating the founding of the church will be dedicated in October.

WINNERS of the anti-pollution poster contest sponsored by the Rod & Gun Club pose with their prize-winning efforts and chairman of the competition, George Padgham. Left to right are Padgham, Jo LaFontaine, 9th grade, 2nd place and tie

for 3rd, Gregg Haller, 9th grade, 1st place, and Joe Keezer, 8th grade, tie for 3rd. If these winning posters are selected in the upcoming District competition, they will go on to compete in a statewide contest.

School Board Briefs

At a regular Board of Education meeting Monday, April 24, present were Irwin, Schafer, Storey, Hasel-schwardt, Straub, Smith, Superintendent Cameron, and Principals Lane and Benedict.

Outgoing Mail Going Direct to Area Center

The Chelsea post office will become part of Area Mail Processing, one of the newest innovations of the U.S. Postal Service on May 1, it was announced by Postmaster Richard Schaules.

"The program is intended to speed the ultimate delivery of the mail and to gain maximum efficiency through full utilization of Central Mail Processing Centers," Schaules said.

The Ann Arbor post office, Schaules pointed out, is a facility serving 16 associate post offices in Michigan.

Area Mail Processing is a plan whereby all mail originating at the 16 offices will be consolidated at Ann Arbor for complete preparation and processing for out-going dispatch.

All mail deposited in street letter boxes designated for the deposit of mail for local delivery only, and all mail deposited in a receptacle in the local post office which is designated for the deposit of mail for "Local Delivery Only," will be postmarked with the postmark of the local post office. The mail for local delivery will be processed in that office.

All mail deposited into Chelsea street letter boxes, which have not been designated for local delivery, or into the "Out-of-Town" letter drops will be transferred to Ann Arbor for processing, and will bear the postmark designated for the Southwest portion of the Detroit Metropolitan Area.

The Area Mail Processing postmark will read, "U.S. Postal Service, MI 481" along with the date and AM-PM designation. The city postmark of Chelsea and each individual office will not be changed.

Postmaster Richard Schaules urged that customers should no longer use the word "City" on mail addressed for local delivery, but spell out the name and add the zip code.

"False Savings"
Government seems capable of devising ever new ways to bug the average citizen.

One of the latest examples of this is the decision by the state treasurer's office the past two years not to mail state income tax returns to individual income taxpayers. In both 1971 and this year, it was decided to "save" \$100,000 and make the 3.3 million people who pay income taxes walk or drive to a local bank or state office to pick up a return form. To force him to do this is a little like sending a child for a stick to be used for a whipping. Since tax forms are not readily available, several trips were sometimes required. If we compute the extra trouble in time, parking meter money and inconvenience at 50 cents each, the collective cost exceeds a million and a half dollars.

Surely taxpayers would rather be charged an extra 25 cents and have the forms sent to their homes.

It's ironic, though, that while the state was "saving" postage on tax forms last year, members of the legislature had just finished spending several times that much on postage during 1970.

Even more ironically, more than half of the legislators' postage bills came in the months before elections.

It does seem the state could afford a few postage stamps to make the paying of taxes a little easier, or at least arrange to enclose political campaign material with the tax notices, thus economizing for the taxpayer's convenience.

Taxes Jump

While on the subject of taxes, state and local tax collections jumped over the \$100 billion mark in this country for the first time last year.

When Dec. 31 arrived, tabulations now show, the 50 states and their cities, counties, school districts and other subdivisions had

collected a total of \$100.7 billion from their residents. It marked a \$9.1 billion leap over calendar 1970. Of this total, states collected \$54.1 billion, a rise of \$4.9 billion from 1970. Local taxes were up \$4.2 billion to \$46.6 billion.

A breakdown shows property taxes are still by far the biggest revenue producers for local units. Last year they raised \$41.3 billion dollars, or 10.1 per cent more.

Sales taxes remain the second biggest revenue raiser at the state and local level as they raised \$19 billion in 1971, a rise of \$2 billion from the previous year.

The biggest percentage-wise gain was posted by state income taxes on individuals, which produced 14 percent more revenue than in the previous year, a total of \$12.7 billion.

Proposal Clear

Members of the State Board of Canvassers are hoping the public won't feel any confusion over the issue of daylight savings time this November. They think the wording they have adopted for the ballot proposal should keep it clear.

The board came in for some flack in 1968 after DST lost by less than 500 votes. Backers of DST claimed the board had confused the people with the way they worded the proposal.

It is the board's responsibility to devise the description of every ballot proposal and put that description on the ballot rather than the actual proposal.

When voters look at the DST portion of their ballot in November, this is what they will see:

PROPOSAL A
PROPOSAL TO CHANCE MICHIGAN TO DAYLIGHT SAVINGS TIME

The proposed law would change Michigan to Daylight Savings Time from the last Sunday in April until the last Sunday in October of each year. Should this proposed law be approved?

Yes _____
No _____

Even the simplest things can get bogged down when they get into the legislature.

For instance, there is the resolution passed by the House recently declaring the week of March 26-April 1 as "Week of Concern for Prisoners of War and Missing in Action."

The House approved it April 12.

Last year

Thursday, May 2, 1968—

The French III class of Chelsea High school traveled to Montreal, Canada, April 16-21, boarding a train Tuesday morning and arriving in Montreal that night. Wednesday morning the students took a walking tour of old Montreal and visited an authentic French restaurant for lunch. That evening they split into smaller groups to see various movies in French, including "The Sound of Music" and "Dr. Zhivago."

Mr. and Mrs. Wilbur Beeman celebrated their silver wedding anniversary with an open house at their home in Waterloo, Sunday, April 21.

Plans for Chelsea's observance of Michigan Week, May 19-25, are nearing completion, under the direction of general chairman, Arden Musbach. Conrad Hafner is publicity chairman of the week.

Chelsea's three-day school bus dispute ended Saturday afternoon during a two and one-half hour session between three members of the Board of Education and five representatives, both veteran and new, of the Chelsea School District bus drivers. The school buses idled since Wednesday, April 24, were back on their regular routes by Monday under terms of the agreement reached Saturday.

Primary issue in the walk-out by the school district's 26 bus drivers was the rate of pay. Veteran drivers had been receiving \$2.70 per hour, while newer drivers were earning \$2.40 per hour. Effective April 29, all drivers receive an hourly rate of \$2.70, including any new drivers hired this semester.

Chelsea's three-day school bus dispute ended Saturday afternoon during a two and one-half hour session between three members of the Board of Education and five representatives, both veteran and new, of the Chelsea School District bus drivers. The school buses idled since Wednesday, April 24, were back on their regular routes by Monday under terms of the agreement reached Saturday.

Primary issue in the walk-out by the school district's 26 bus drivers was the rate of pay. Veteran drivers had been receiving \$2.70 per hour, while newer drivers were earning \$2.40 per hour. Effective April 29, all drivers receive an hourly rate of \$2.70, including any new drivers hired this semester.

HI, FOLKS . . .

Please excuse the dirt, noise and confusion. Just doing a little changing to make this a better place to serve you. Since I came out to this shack a year ago, there have been many changes in the food and gas business around Chelsea. Now, the Chelsea area residents are getting many breaks in merchandise and prices that are available to you. On the other hand, you people have been good to us. As long as you support this store, I will always be "your man." I'll be the competition you need to keep prices down within reason. Thank you.

TODAY'S THOUGHT

By LOUIS BURGHARDT

Confrontations of conflict in loyalty are common these days. Claims and counter claims can confuse us in the varied demands for devotion to causes, programs and people. Decisions can be difficult. A disciplined conscience is needed.

Loyalty requires love and respect willingly given—without obligation—for worthy, honest relationships. Loyalty does NOT require undivided allegiance to unworthy, dishonest causes or people. It certainly does not mean blind obedience to others. Difference between right and wrong and then doing what a clear and truth. A rejection of causes or people does not necessarily indicate disloyalty or betrayal.

Loyalty is a virtue when your own self respect is incorruptible; a vice when self respect is lost. Would you not say then that loyalty is actually a test of ethics and intellect? Knowing the difference between right and wrong and then doing what a clear conscience tells you to do? . . . BURGHARDT FUNERAL HOME, 214 East Middle St., Chelsea, Mich. Phone 475-4141.

CARD OF THANKS

We wish to express our appreciation for those who remembered us while we were in the hospital. Special thanks to the congregation of St. Paul church, pastor Siebert, for his visits and prayers, and the fathers and sisters of St. Louis school.

Boyd, Myrtle and Bill Robbins

Surveys indicate that it is not always the best lean beef that makes the best burgers. Both ground beef and ground chuck are especially good for "hamburgers" or beef patties.

Two Debaters Win Honors at District Meet

Two members of the Chelsea High School Debate and Forensic Club won district honors in a competition held at Greenhills High school, Ann Arbor on Friday, April 15. Dan Gaunt placed first in the men's extemporaneous speaking competition and Marwin Guster finished second in the declamation category.
 These two will now go on to compete in the regional competition which will be held in two or three weeks at a yet unannounced site. The Chelsea squad faced tough opposition as Ann Arbor Pioneer and Huron schools, along with Saline, Ypsilanti, and Greenhills were all vying for top district honors in the various categories.
 Chosen as substitutes for the regional competition were Marty Straub in radio newscasting, and Chelsea's multiple reading group which placed third with its reading of a selection from the book "Old Men Adams and His Challinors."

BIG HIT

Texas was struck by 2,068 tornadoes from 1953 through 1971, while Rhode Island and the District of Columbia recorded none.

"IT'S AN ATOMIC WORLD." Dave Lukasik must be thinking as John Ross, representative from the Atomic Energy Commission, makes his hair stand on end to demonstrate the effects of static electricity. Phil Klink and Todd Sprague are content to watch the demonstration from a safe distance. The presentation entitled "This Atomic World" was given by the AEC in conjunction with MSU Monday, April 24 in the high school auditorium.

Golf Team Off to Fast Start With 2 Wins

Chelsea High school golf team got off to a beautiful start on its 1972 schedule Monday, April 24 with a double victory over Dundee and Lincoln. The final tally of cards showed Chelsea 168, Dundee 171, and Lincoln 190.
 The veteran Chelsea team was led by fine rounds of 40 by Mark Policht, 41 by Glen Musolf, 42 by Captain Dave Powers, 45 by Ken Kusterer, 47's by Don Conklin and Jeff Schmidt, 44 by Craig Alter, and 46 by Chick Lane.
 Dundee proved to be strong opposition and, along with Saline, is expected to be the toughest com-

petition Chelsea will face in defense of its league crown this season.

The Bulldogs are a good bet to repeat as league champions this year as they are anchored by seven returning lettermen: seniors Dave Powers, Glen Musolf, and Ken Kusterer; and juniors Mark Policht, Don Conklin, Jeff Schmidt, and Craig Alter. The squad is rounded out by a dedicated group of newcomers: senior Chick Lane, junior Doug Hansen, and freshmen Glen Alter, Jim Powers, Chris Rabbitt, Victor Steinbach, Keith Cockerline, and Joe Muldoon.

In addition to Monday's victory, the Chelsea contingent has defeated Jackson and Lincoln in practice matches held Wednesday and Friday of last week. They hope to squeeze another practice match into their heavy schedule Thursday, April 27 against Jackson again. Their home course is the Inverness Country Club.

More than 1,751,200 persons have visited Delhi, Dexter-Huron and Hudson Mills Metropolitan Parks near Dexter during the years 1969-70-71. These are three of nine Huron-Clinton Metropolitan Authority parks.

Symphony Band Enters State Festival

Chelsea High school symphony band, under the leadership of band director Warren Mayer, will travel to Flint Northwestern High school, Saturday, April 29 where it will participate in the State Band Festival. Chelsea earned the privilege to play in the state program by earning straight first division ratings in the District Festival at Monroe, March 11.

The band is scheduled to perform at 4 p.m. and will play the march from Holst's 1st suite in E-Flat, followed by a compulsory number, Giovanni's Choral and Capriccio, concluding with the first two movements of the entire First Suite in E-Flat.

Following the concert performance, the band will be judged in sight reading. Each band is given seven minutes to study a new march and concert number and then must perform it on sight with no practicing allowed.

Buses will load in the high school parking lot at 12:45 with departure for Flint planned for 1 p.m. The upcoming Band-A-Rama program scheduled for Thursday evening, May 11 in the high school auditorium will feature all of the Chelsea bands, including the concert, symphony, stage, and several smaller bands.

Baseball Team Regains Form, Downs Dundee

Good baserunning and steady hitting proved to be enough as the Chelsea High school baseballers defeated Dundee, 8-1, Tuesday, April 25 in a well-played game.

Ron Sweeney controlled the out-classed Dundee squad by allowing only six scattered hits and striking out eight men at the plate.

A well-balanced hitting attack by the Bulldogs helped Sweeney's performance on the mound. They collected 11 hits with Randy Brier hitting the day's only extra bagger, a double, and going 2-4 with 2 RBIs. Wayne Welton was 3-4 for the afternoon.

By defeating Dundee, which is bowing out of the SEC after next year's season, Chelsea remained in first place with a 5-1 record.

Following Wednesday's night game with Michigan Center, the Bulldogs will travel to South Lyon, Friday, April 28.

Baseball Team Falters, Loses To Novi, 4-2

Lady Luck was on vacation as the Chelsea High school baseball team went down to its first defeat of the season Friday, April 21 at the hands of Novi, 4-2. It had appeared as if the 1972 SEC baseball season would be a cake-walk for the powerful Bulldogs, but this first loss tightens up the race with second place Milan trailing by only a one-half game.

Senior Wayne Welton, who has had an outstanding season thus far, was touched for seven hits and had to be relieved in the fifth when he got into trouble with a walk, a double, and a triple. Ron Sweeney came in to put out the fire but the damage had been done as the two runs scored to break the 2-2 deadlock and Novi never relinquished the lead.

The Bulldogs actually had a good day at the plate, scattering eight hits and putting men on base in all but one inning. Wayne Welton and Randy Brier were three for four at the plate, but when they needed some luck in the top of the seventh, the squad couldn't buy a run.

Chelsea had loaded the bases with one out when Ralph Stewart lined a shot back to the pitcher. In self-defense the pitcher threw up his glove and speared the liner, relaying to third to double off Tod Sprague who had broken for the plate on what he thought would be a sure hit. The double-play

ended the inning and the game for Chelsea.

"A few inches either way and there would have been no chance," moaned Coach Genske about the play, but then, occasionally, even Lady Luck takes a holiday.

Brighton Joins SEC...

compete in years to come with established SEC members.

Coaches for the various Chelsea teams hope to schedule Brighton in as many non-league encounters as possible next year in order to give themselves as well as Brighton the chance to see the opposition before the beginning of league competition in the fall of 1973.

F. RICHARD SCHNEIDER
Chief of Social Services, Bethel, Alaska

Richard Schneider Cited for Service to Alaskan Natives

F. Richard Schneider has been cited by the Department of Interior, Bureau of Indian Affairs for outstanding performance and incentive as Chief of Social Services in Bethel, Alaska. The award ceremony was conducted by Richard P. Birchell, superintendent of the Bureau of Indian Affairs. Ruth Ann, Schneider's wife, and five children looked on as the presentation plaque and substantial check were presented.

The citation states in part: You have repeatedly demonstrated a high degree of commitment to the Bureau's programs and to the native clientele. Your integrity, professional capabilities, creative program planning, and leadership within the Bureau and community can only be termed as outstanding. It has been your leadership and strong commitment to the Bureau and to the profession of social work

that have enabled you and your staff to mold the social services program into one that is a pacesetter for all Alaska and indeed for the entire Bureau.

Schneider is the son of Evelyn Bernice Schneider of 219 Railroad St., and the late Mr. Schneider. He went to the remote region of Alaska in December 1968. His division has been cited for innovative programs and exceptional service every year since he became chief. The Project Seed program for the diagnostic evaluation of children is called the most significant single piece of social work in Alaska by Gerald Ousterhout, area social worker in Juneau for the Bureau of Indian Affairs.

JC Auxiliary Book Drive Will Continue

Approximately 1,000 books and periodicals including "Reader's Digest," "Reader's Digest" condensed books, "National Geographic," "Popular Mechanics," "Workbench," many hardcover books and paperbacks have been collected to date in the Jaycee Auxiliary Book Drive. These were delivered Saturday, April 15 by Walt Brown, husband of Auxiliary president Sandy Brown and current candidate for Region J. National Director.

Southern Michigan Prison Jaycees were very happy to receive these needed additions to their library and are looking forward to the next delivery in June.

The drive will continue until May 31 when it will be discontinued for the summer months. It has been decided to resume the drive in the fall because of the enthusiastic response of the SMP Jaycees and their constant need of replenishing their library.

The drop box is still located in Dancer's window for the convenience of contributors.

For pick-up or more information contact Sandy Brown, 475-7634, or Barb Updegraff, chairman, 475-7481.

While farm prices have moved up 7.8 percent over the last 20 years, the cost of items farmers must purchase to grow food for the nation has jumped 52 percent. Collectively the nation's farmers and ranchers annually spend \$42 billion in producing livestock and crops, as well as \$13 billion for the same goods and services nonfarm consumers buy, plus \$5 billion in taxes.

Priebe will speak to the Senior High young people during the Sunday school hour and then will be preaching in the 11 a.m. service. He will be showing colored pictures of their ministry in the evening service at 7 p.m. and presenting a missionary challenge.

The Immanuel Bible church helps to support the Priebe's in their radio ministry in the Caribbean.

JV Baseball Team Wins 3, Loses to Adrian

Chelsea High school junior varsity baseball team opened its 1972 season last week with three victories against only one defeat. They have 10 games remaining on this year's schedule.

This year's club has 26 members comprised of 15 sophomores and 12 freshmen. Sophomore team members are: Ron Clark, Mark Griffin, Howard Haselschwardt, Mark Heylau, John Houle, Ron Landwehr, Craig Johnson, Bill Kalmbach, Ken Kaiser, Dennis Kipfmiller, Dave Lauson, Mike Murphy, Steve

Schanz, Doug Schrotenboer, Dave Tucker, and Jeff Sprague. Freshman members are: Tom Ball, John, Bill Clark, Brad Glaz, Francis Grohner, Perry Johnson, Randy Musbach, Todd Orbring, Paul Wood, Dave Leach, A. J. Hale, and Mark Pennington.

This year's managers are Don Morrison, Don Nadeau, and Mike Bareis.

In the opener, Chelsea jumped on Milan with 10 hits which coupled with six innings of near-perfect pitching by Howard Haselschwardt.

schwardt led them to a lopsided 16 to 3 victory. Haselschwardt recorded eight strikeouts while giving up only two hits for his first victory of the year. Ron Clark smacked a home run and a double to lead Chelsea's power hitters.

In another well-pitched game, Perry Johnson led the JV squad to a 16-4 win over Tecumseh later in the week. Tecumseh scored six unearned runs as Johnson struck out nine and gave up only six hits. He also provided hitting punch by going four for four at the plate. Bill Kalmbach, playing in his first game of the young season, collected three hits while Mike Nadeau had a triple and a double. Jeff Sprague and Mike Murphy also had two hits for the winners.

Perry Johnson collected the only hit Wednesday, April 19 in a tight pitcher's duel which saw Chelsea defeat Novi, 4-3.

Heads-up base running proved to be the edge as John Houle's game from third to tie the game, followed by Dave Lauson and Howard Haselschwardt's double steal to score the winning run.

Behind the solid defense of Clark, Houle and Lauson, Haselschwardt collected his second victory of the year, pitching four and two-thirds innings and giving up only one hit.

Perry Johnson again had the only hit as Chelsea went down to its first defeat against Adrian, 9-2. The squad spluttered in the field as well as at the plate, throwing the ball away five times which proved their undoing.

Bell & Howell Rep Will Meet With CHS Seniors

A presentation from Bell & Howell, postponed from a previous date in April, will be given Wednesday, May 3, at 10 a.m. in the high school auditorium.

The combined film and lecture program presented by a representative of the company is designed to inform interested students of the opportunities offered to high school graduates in electronics training by Bell & Howell. The company has several technological institutes around the country which provide training in electronics through the bachelor's degree.

SARAH CIRCLE

Sarah Circle of the First Methodist church met April 19 at the home of Rena Walworth, with Donna Palmer assisting. After the opening with roll call, 16 members and three guests responded, business followed with many church projects being discussed and upcoming events were announced, one of interest, a sidewalk food sale on May 13. Chairmen were chosen for these projects.

For the program, Alice Schmunk talked on the flowers of the Holy Land in contrast to our flowers of today and those of Bible times.

A tourist recently visited the Holy Land and gave Mrs. Schmunk pictures of the flowers there and these were shown to the group with a description of each, together with relating passages from the Bible where references could be found. A prayer chain closed the meeting.

In May the group will meet with Ellen Kalmbach, Elaine Miller as co-hostess.

RUTH CIRCLE

Ruth Circle of the United Methodist church held its monthly meeting Wednesday, April 19 in the social center, Mrs. Gale Gilson and Mrs. Mac Packard were hostesses for the dessert luncheon.

Mrs. Douglass Hoppe convened the short business meeting after which two new members, Mrs. Gertrude Rohrer, Elaine McCalla's mother, and Mrs. Halema Schweitzer from the Methodist Home, were welcomed into the group.

Mrs. C. B. Pearson, co-ordinator of the afternoon's program, read a Henry Van Dyke poem and then introduced Miss Marjorie North who presented a book review of "Susanna, Mother of the Wesleys" by Rebecca Harman.

Susanna was the mother of two famous sons: John, the founder of Methodism and Charles one of the greatest songwriters of all times. The book relates the life story of this famous family of Epworth Parsonage, England.

The next meeting is scheduled for Wednesday, May 17 in the social center.

25th WEDDING ANNIVERSARY

Mrs. and Mrs. Robert D. Elsiele will celebrate their 25th wedding anniversary April 28. There will be an open house at Inverness Country Club from 7:30 to 11 p.m. A buffet will be served. The open house will be given by her daughters, Sandra and Patricia. Mr. and Mrs. Elsiele were married at the North Lake Methodist church May 3, 1947.

LYNDON STUDY GROUP

Lyndon Extension Study Group held its monthly meeting Thursday, April 20 at Lyndon Town Hall with Mrs. Wirt Boyce and Mrs. Clar Hudson acting as co-hostesses for the dessert luncheon.

A short business meeting was held before a lesson on soul food was given by Mrs. Charles Furman.

The next meeting will be an all-day sewing session beginning at 10 a.m., Thursday, May 18.

ROGERS CORNERS EXTENSION

Rogers Corners Extension Study Group met Thursday evening, April 18 at the home of Mrs. LeRoy Buss with Mrs. Walter Loeffler acting as co-hostess.

14 members attended the meeting, responding to proposed restaurants for the main meeting. After the business meeting the group held a silent auction.

The group is to meet May 17, 8:30 p.m. at the corner of Fletcher and Waters Rds. to go to a restaurant for the evening out.

At the conclusion of the evening refreshments were served by the hostess.

SENIOR CITIZENS

Chelsea Senior Citizens met Thursday, April 20 for the monthly birthday party pot-luck dinner. 31 members and five guests gathered at the Korner House to help celebrate the April birthdays of Katherine Kusterer and Bertha Wallace. A birthday cake served as the centerpiece on the table.

The committee for the dinner was comprised of Margaret Dietle, Alma Bainmiller and Bernice Schneider.

The May social party is scheduled for May 4, 7:30 p.m. at the Korner House.

REBEKAH LODGE

Chelsea Rebekah Lodge No. 130 held a meeting at their hall Tuesday, April 18.

Business conducted at the meeting included voting to send two boys to the IOOF and Rebekah Camp at Big Star Lake near Baldwin for a week this summer. Donald Joseph and Mark Blyer were the lucky boys chosen for this vacation. Kathryn Sebestyn was entered in the District No. 12 drawing for a week's stay at the camp, to be paid for by the district.

The lodge voted to provide the meat and beverage for the Mother's Day family pot-luck supper planned for May 9.

The lodge also voted to change the time of their meetings from 8 p.m. to 7:30 p.m., effective the first meeting in September.

The report given by the committee recognizing the rummage sale as a success was accepted by the members.

A birthday song was sung for all those celebrating their birthdays in April and it was noted that Mrs. Veva Munro and Mrs. Anne Stofor are in the Medcenter.

The next regular meeting will be May 2 with Mrs. Gale Gilson and Mrs. Luther Hale acting as the committee for the evening.

The group was reminded that May 16 will be officer's visitation and all members were urged to attend.

KINDER KLUB

Kinder Klub met April 11 at the home of Mrs. Justice Marshall. A "come as you are" fun night was enjoyed by 11 members and one newcomer, Mrs. Ron Walter.

An election of new officers was held with the following results: Laura Downer, president; Veretta Whitaker, first vice-president; Nancy Keizer, secretary; Gail Bauer, treasurer; Carol Hoffman, auditor; parliamentarian; Nadine Koch, historian.

The next meeting is scheduled for May 9 at the home of Mrs. Jan Proctor.

May Fellowship Day Gathering Will Hear Famed WSU Professor

Theme of this year's May Fellowship Day, Saturday, May 5 at Zion Lutheran church, is "Behold the Woman." Purpose of this program is to examine, in a Christian way, how women can fully participate in the development of our society by deepening their comprehension of their faith as Christians and increasing their understanding of themselves as women.

The observance of May Fellowship Day will begin at noon with a pot-luck dinner. Women are asked to bring their own table service and a dish to pass. Hostesses for the five tables will be Mrs. Charles Fuhrmann, Mrs. Judson Goltz, Mrs. Thomas Smith, Mrs. Robert Thornton, and Mrs. Harold Davis.

At 1 p.m. a discussion panel will consider the role of today's woman in the home, church, and community and how this role has changed over the years.

The panel is to be comprised of Mrs. John Koepke, Mrs. LeRoy Buss, Miss Joyce Eiseaman, Mrs. R. W. Niles, Mrs. Walter Wolfgang, and Mrs. Alvin Hostler.

Dr. Marion Edman, professor emeritus of Wayne State University, will address the assembly at 2 p.m. on the day's general theme: "Behold the Woman."

Dr. Edman first came to Wayne State University in 1938. During five years of absence since then, she has been with the Bureau for Intercultural Education in 1944-45, working on the development of programs in intergroup understanding and co-operation; the Office of Military Government in Bavaria, in 1946-50, working on re-orientation programs; the International Co-operation Administration of the Department of State of the Federal Government in 1955-57, serving as a consultant in teacher education in Lebanon and Vietnam; and as a Fulbright Research Scholar in Korea, 1961-62, was consultant to the Central Education Research Institute.

Or sabbatical leave in 1970, she served as Consultant to Literacy House in India.

During the summer of 1958 and 1961 Dr. Edman visited many schools and cultural institutions

in the USSR and was a contributor to a study published by the Comparative Education Society: "The Changing Soviet School."

The summer of 1960 was spent lecturing at numerous teacher education workshops for the Royal Board of Education in Sweden, returning the following summer to conduct seminars for American teachers in the four Scandinavian countries.

She has recently served as a consultant in education for programs of literacy and family planning.

Dr. Edman has contributed to a number of English and education journals in addition to writing two books dealing with education.

She retired from Wayne State University after 50 years of teaching (33 at WSU) in June 1971.

The day's activities will close with a short worship service led by Mrs. John Morris.

The planning committee for May Fellowship Day is Mrs. Ben Donaldson, Mrs. Harold Eiseaman, Miss Joyce Eiseaman, and Mrs. LeRoy Buss. There will be a nursery available.

Stir-frying, a centuries-old Oriental cooking technique, is rapidly gaining popularity in this country. More and more houseware departments and stores are featuring this wok, a pan shaped like a shallow bowl with handles, which is used by the Chinese for this method of cooking.

Joy is discovering that the great tradition of Valiant value lives on in Plymouth Duster.

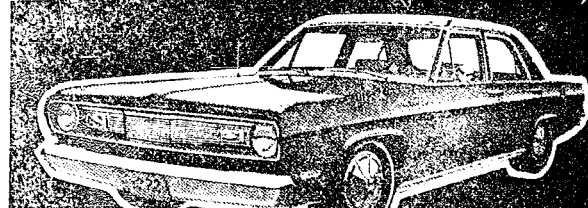

A couple of years ago we introduced a sporty version of the Plymouth Valiant, called Duster. Duster has quickly become one of the hottest-selling small cars in America. It figures, Duster is just big enough, just small enough to be just right. So is the price. And so is our deal.

Joy is a comforting fact, like Chrysler is the roomiest car in America.

Chrysler Newport Royal is every inch a big car — the roomiest production car in America, according to Automotive Industries. But another comforting fact is that Royal is priced around a comparably equipped Ford LTD, Brougham and Chevy Caprice. That's what we mean by Joy.

Joy is an economy car that keeps going strong. (While Corvair and Falcon have given up, Plymouth Valiant lives on.)

Valiant's success over the years proves that an economy car isn't just a cheap car. It's a well-built car that saves you money when you buy, saves while you drive, and brings you a fair return at resale time. That's Valiant.

We're trying to put more Joy into your car buying and driving.

When you buy maraschino cherries, you probably visualize the bright red color that sometimes puts a finishing touch to Desserts. The bright red may be no more. There has been controversy over the red dye used in maraschino cherries. If you find bright yellow cherries, instead of red, you'll know it's the natural color. The cherries will taste the same; only the color will be different.

LANE-SCHNAIDT: Mr. and Mrs. Paul E. Lane of Rochester, N.Y., have announced the engagement of their daughter, Brenda Jean, to Michael T. Schnaidt, the son of Mr. and Mrs. James N. Confirmation was held at the school Monday, April 24 with Archbishop Lawrence L. Graner of Notre Dame administering the sacraments of the confirmation. Archbishop Graner was filling in for Bishop Alexander Zaleski of Lansing who was unable to attend the ceremony. The Archbishop was assisted in the service by Fr. Eugene Delter of Notre Dame, Fr. Wahowiak of St. Mary, Chelsea, Fr. Bozanski of St. Joseph, Dexter, and the Rev. Frs. Louis, Gerardo, Umberio, and Fortunato of the St. Louis school.

23 boys and Mrs. Venita Dickerson, head of CAP, Inc., Jackson Rd., were confirmed.

Archbishop Graner was formerly a missionary in Dacca, Bangladesh. He returned from the stricken nation, formerly East Pakistan, in 1968 and is now retired. When he was living in Dacca, the Archbishop was an outspoken opponent of the often cruel West Pakistan rule of the eastern state, especially in regards to their suppression of the church. He was greatly heartened by the December 1971 war and has high hopes for the new nation of Bangladesh. Though retired, the Archbishop

spends a great deal of time traveling throughout the area helping with confirmations and lecturing. A great number of parents and friends attended the confirmation services and stayed for the coffee hour following the service.

Most meats for roasting are placed on a rack in an open shallow pan. The single exception may be a beef standing rib roast, since the bones usually form a natural rack for this meat cut. Since these roasts are becoming more compact, that is, shorter, they may roast more easily when supported on a rack.

Junior High Track Team Blasts Pinckney, Stockbridge

Trailing by nine points after the field events, the Chelsea Junior High track team came on strong to win a triangular meet against Stockbridge and Pinckney Wednesday, April 19.

Taking three of the top four positions in the 880-yard run clinched the victory for Chelsea which finished the day with an 80-point total to Pinckney's 65 and 13 for out-classed Stockbridge.

The deciding 880 event was paced by Dave Frame who broke his own school record in a time of 2:29.9. He was followed across the line by teammate, Dean Thompson in 2:35.5 with John Elliott finishing fourth in 2:39 flat.

Though it was not good enough to win, another school record was set as Mark Scott finished second in the mile with a time of 5:33.3.

Dave Murphy and Howard Salyer were double winners for the day. Murphy won the 100-yard dash with a time of :11.05 and the 75-yard dash in :8.6. Brian Wissner placed third in the shorter event with a :9.1 time. Salyer won both hurdle events, taking the 60-yard highs in :9.2 and the 100-yard lows in a time of :13.2. Anthony Houle took a second in the high hurdles with a time of :10.1 and a third in the lows in :14.1.

The 60-yard dash was taken by Dan Hagen who turned in a :7.2 performance with Dennis Bauer and Fred Pearsall tying for third in identical times of :7.4. Pearsall went on to place second in the 220-yard run in a time of :27.5.

The 440-yard run was won by Roger Howard who posted a time of :59.1, and the 880-yard relay team of Houle, Wissner, Hagen, and Bauer took the event in a time of 1:49.1.

In a scrimmage held Saturday, April 22 against Dexter, an 880-yard relay team of Salyer, Bauer, Hagen, and Murphy broke the six-year-old standing record for the event by a full second. The old record set in 1966 was 1:46.7.

In the field events Wednesday, Gary Marriott took a third in the shot put with a toss of 34'11" while Dan Hagen placed second in the long jump with a 17'13 1/2" effort.

Randy Sweeney won the high jump with an even 5' leap and Anthony Houle finished third, jumping 4'10".

Following the Wednesday meet against South Lyon, the boys will meet Tecumseh at home on May 3, wrapping up the season in the Tecumseh Relays on May 12.

Track Team Squeaks Past Lincoln, 62-61

Chelsea High school track team eked out a 62-61 victory over Lincoln, Thursday, April 20, calling on the final two relay events to clinch the victory. Though the final score indicates a close contest, it might have been a wider margin of victory for the Bulldogs had the judges not disqualified a first-place finish in the two-mile event.

Howard Schenk led the field but was disqualified when the judges ruled that he had cut in too soon, interfering with another runner. Keith Kargel finished third, but the first-place points were lost to team.

Dave Buxton finished in his customary spot, winning the mile run in a time of 5:04.9 and Jeff Marshall took a first in the 880 with a time of 2:16.7. Second-place finishes were recorded by Lee Ferguson in the 220 and Dan Hoover in the 440 with times of :24.5 and :57.3, respectively. Marty Cashdollar won the 100-yard dash with a time of :11.3 and Craig Coltre placed second in the 180-yard low hurdles in :23.6 with Tim Lancaster finishing third.

Lancaster, Randy Seitz, and Roger Fitch all took firsts in the field events. Lancaster pole vaulted 11'6", Seitz threw the shot 48'7 1/2", and Fitch high jumped 5'6". Bill Tite finished second in the high jump with a 5'4" effort while Craig Coltre placed second in the long jump with 18'5".

Chelsea needed victories in the final two events of the day to edge out Lincoln, and the mile and 440-yard relay teams rose to the occasion, winning both events. The mile team of Buxton, Hoover, Jeff Van Riper, and Marshall turned in a time of 3:54.1 and the 440 team of Cashdollar, Lancaster, Ferguson, and Ishmael Picklesimer won in :49.5.

The cost of food represents a declining percentage of the average American's disposable income, falling from 22.2 percent in 1950 to 16.6 percent in 1970. During the same period, disposable income per person increased an average of 146 percent. Retail value of beef consumed as percentage of disposable income during the period decreased from 2.7 percent to 2.5 percent. Pork was even more impressive, declining from 2.5 percent to 1.4 percent.

BEFORE THEIR DEPARTURE, Michigan's International Farm Youth Exchange delegates discuss their travel plans with Miss Mary Woodward, State 4-H Program Leader. (Left to right) Miss Mary Woodward; Miss Charlene Powers, Chelsea; Miss Linda VanDyke, Almont; Miss Mary Jane Robb, Fowlerville; Joel Thiebaut, Manton.

Charlene Powers Leaving In June for Visit to Greece

Charlene J. Powers, 21, of 12830 Scio Church Rd., will leave in June for a six-month stay in Greece as part of the International Farm Youth Exchange Program.

A 4-H Club member for 10 years, Miss Powers was selected to represent Michigan in the IFYE program because of her farm and 4-H background and her interest in international affairs.

The program, which is sponsored through private donations to county, state, and national 4-H programs, is designed to bring young people throughout the world together to promote understanding.

Based in Athens, Miss Powers will live and work with six farm families throughout Greece. Acting as a goodwill ambassador, she will exchange ideas on agriculture as well as other areas of interest with students and members of her foster families.

In addition to keeping her sponsors informed of her progress while in Greece, upon returning, she will present a travelogue with slides and impressions of her trip.

Miss Powers is a 1968 graduate of Chelsea High school and will graduate from Michigan State University with a degree in agricultural communications just prior to her departure for Greece on June 14.

She will be given 10 travel days at the conclusion of her program and, since she has never been overseas before, she hopes to spend them touring Italy or

you need 2

savings accounts

4 1/2% passbook savings / 5 1/4 5 3/4 or 6% passbook certificate

You should have two savings accounts; one for your short term needs and one for your long term needs and goals.

For short term needs you should have a 4 1/2% Passbook Savings Account. This account pays high interest on regular, insured passbook savings and your money is always readily available. You are paid interest from the day of deposit to the day of withdrawal at the rate of 4 1/2% per year, effective annual rate 4.58%. So with this account you can accumulate money for taxes, travel, medical, education, the emergencies and the fun things and withdraw any amount at any time without losing interest.

You also need a higher interest paying Passbook Certificate

Account for the long term needs such as retirement, investment, and security reserve. You can choose a certificate that pays an annual rate of 5 1/4% on amounts of \$1000 or more with one year maturity, a 5 3/4% certificate in amounts of \$5000 or more with two year maturity, or a 6% certificate with 3, 4, or 5 year maturity in amounts of \$5000 or more. These you put away and watch grow. You won't want to withdraw the funds before maturity because you forfeit interest.

We highly recommend a two account savings program and will be happy to discuss the various options available to you.
