Final Hearing Set Nov. 7 for Fact Finder

Resolution of the differences between Chelsea School District representatives and the Chelsea Education Association (CEA) is unlikely unless an expedient of Christmas intervenes. The latest episode in the three-day imbroglio, a session with impartial fact finder, Thursday, Oct. 26, has opened the way for another month to six-week for a decision.

During the all-day public session, the fact finder, an appointee of the Michigan Employment Relations Commission, heard the two sides' views on issues which are blocking the path to a new contract for the '72-'73 school year.

The fact finder, John Coyle, is a Detroit area resident and current teaching courses in arbitration labor law at Macomb Community College and Lawrence Institute of Technology. He heard arguments from Leonard Solomon, chief negotiator for the CEA, Charles Cameron, superintendent of schools and chief negotiator for the school board.

Other school administrators, Charles Lane, Richard Laponow and Alan Conklin attended to present the school board but no members were present. The board was represented by the president of DiAnn L'Roy, their president, and Miss Mary Weber and Terpstra, negotiators for the association.

The contending sides were able to simplify matters for the fact finder by dismissing parts of the tentative contract that were already agreed upon. Issues concerning curriculum committee, the department chairman, the school calendar, and professional days were dropped off the table.

Similarly, the request by the teachers for the right to written notice in cases of reprimand or disciplinary action was bypassed because the sides have agreed on the issue.

The day was spent, then, on the remaining areas of disagreement: job jeopardy, maternity leave, and general leave.

The CEA explained that they did not want to be in a position where staff is in question. Their job jeopardy clause requires that a teacher appear on the evaluation sheet when the evaluator has observed inadequate performance.

The CEA's maternity leave proposal requests a policy which they feel is consistent with recent court rulings, which consider it discriminatory to dismiss a woman from a job just because she is pregnant.

There is also debate as to whether a woman should be reinstated in her original position with same seniority after she returns from maternity leave. Her additions of general leave were also discussed.

Coyle conducted his investigation by asking questions and listening to each side reply to the position of the other.

Two large areas remain to be examined at the next meeting, Nov. 7. At the Tuesday session, again an open meeting in the Board Room at the high school, the questions of salary and compensation will be put on the table for Coyle's benefit.

At the conclusion of this final fact-finding session, each side will have the opportunity to submit a written brief. Upon receipt of these, Coyle has three weeks to draw his conclusion, which may be returned to Chelsea in the form of compromise suggestions. His suggestions are not legally binding but the CEA, which requested the fact finding, will not doubt accept them, according to Solomon.

Solomon assumes Coyle's recommendations will arrive just before Christmas. The holiday recess will hold up action, so he concludes. He Jan. 15 is the earliest possible date for a signing of this year's contract. By that time it will be about time to start negotiations on next year's.

Open House Slated Monday At High School

Chelsea High school makes no bones about teaching old dogs new tricks, they just want their parents to come back for one evening.

The back to school night, Monday, Nov. 6, will give the parents an opportunity to walk through the schedule their children follow every day. In each of the 10-minute classes, the teacher will briefly explain the content of the course, and his ideas on grading.

Parents may make appointments to speak with teachers at a later date if they wish. If the hectic school life wears them out, parents may refresh themselves with coffee and see the art exhibit in the cafeteria.

Parents should watch for the schedules their high schoolers are bringing home today.

Senior Citizens May Vote By Absentee Ballot

An additional number of senior citizens will be able to vote with absentee ballots Nov. 7, because of a change in the voting procedures.

Daniel Murphy, Sylvan township clerk, announced that persons 65 years of age or older may vote with absentee ballots if they fill out and return the application form by 2 p.m. Saturday, Nov. 4.

PAST, PRESENT, AND FUTURE blended for a moment last Sunday when the members of North Lake United Methodist church consecrated their newly completed educational-fellowship building. While blessing the new, they thought of the old, and dedicated this historical marker supplied by the Michigan Historical Commission. Here: Leon Shutes, left, and Charles McDaniels, who both gave considerable time and effort to the realization of the church's dreams, admire the reminder of the past.

Historical Spot Marker Dedicated at North Lake

After more than 137 years of worshipping God, the members of North Lake United Methodist church embarked on the large undertaking of constructing a new fellowship-education hall. That hall, which was begun July 1, 1971, is now a reality. It was consecrated Sunday.

Its completion is the fruit of hundreds of hours of volunteer labor, contributed willingly by members of the congregation under the direction of the Building Committee.

The new building offers a pleasing contrast to the older wooden church, which was begun in 1846. At that time, John and Charles Glenn, two of the church's original "pioneers of faith," built at their own expense, the one story, 20 by 26 feet building to house both the church and school activities.

It was 137 years ago, one year before Michigan was admitted to the Union, that the Methodist Episcopal Society was organized at North Lake. The members of today's North Lake congregation paid tribute to the founders "with gratitude akin to reverence" when they dedicated a historical marker, Sunday, as part of their consecration ceremony. The marker stands beside the two church buildings, the new and old.

Gen. Beach Suffers Setback In Utility Company Battle

"We've only won the first round." These prophetic words were uttered last May by General Dwight Beach, who last week was set back in the most recent bout.

The retired Army general and the Detroit Edison Co. have been at odds since May 1970, when the company began clearing the way for its Monroe-Majestic Transmission Line.

The General's brief, shining hour occurred when a three-member commission, appointed by the Probate Court, ruled that the company had demonstrated necessity of passage in some cases, but not in others. The General's farm was among those included in nine parcels of land freed from condemnation. The commission approved condemnation of 29 other parcels, affirming the company's right of eminent domain.

Beach was notified Oct. 14 of the commission's reversal of that opinion, thus giving Edison the go-ahead. "That commission is like a jury, except juries can't change their minds like this after a decision," Beach observed.

Political Pot Boiling As Tuesday, Nov. 7 Election Day Nears

Sylvan Starts Work on Land Use Plan

It has become apparent that growth and development of various types will come into Sylvan township. To insure that this growth is properly planned and guided the Sylvan Township Board has directed the Sylvan Township Planning Commission to prepare a land use development plan ensuring the protection of the township against undesirable elements of future growth.

Unless each community is prepared to cope with growth and/or change, the results could very well be chaotic, inefficient, and uneconomical as well as socially and physically undesirable. The need to assure that the township assets are preserved and problems are solved within the context of anticipated growth and change in and around the township is the underlying need for planning Sylvan township.

In order for citizens to have an active role in participating within the planning process the public is invited to a special meeting of the Chelsea Area Regional Planning Committee, Nov. 2 (today), at 7:30 p.m. at the Sylvan Township Hall where problems affecting the entire region will be discussed followed by a synchronized slide presentation of Washtenaw county.

The first formal meeting dealing directly with the Sylvan Township Planning Program will be held Nov. 20, at 7:30 p.m. in the Sylvan Township Hall. The public is also invited to participate at this meeting where discussion will center around inventory and analysis of Sylvan township.

Polls Open From 7 a.m. to 8 p.m. Tuesday

Election day this year falls on Tuesday, Nov. 7. Polling places across the state will open at 7 a.m. and close at 8 p.m. People waiting in line at 8 p.m. will be allowed to vote.

Voting may be done by absentee ballot if you are over 65, in ill health, expect to be out of town on election day, or if your religion prohibits you from going to the polls in person on election day.

Absentee ballots may be obtained from the city or township clerk in person or by mail before 2 p.m. Saturday, Nov. 4. Applicants must state their reason for needing an absentee ballot.

Bulldog Grid Team Downs S. Lyon, 28-6

As the Chelsea Bulldogs tore up South Lyon, 28-6, last Friday, 22 seniors played their last game at Niehaus Field. Chelsea made points in every quarter while South Lyon was able to rally only in the second period.

Chelsea wasted no time. They grabbed the opening kick off and plowed down the field for 65 yards and over the goal line. Bruce Guster whipped across the final three yards for the touchdown. Ishmael Picklesimer followed with a successful boot, racking up the first of his four extra points.

Although South Lyon was able to make a touchdown in the second quarter on a 24-yard run by quarterback Tony Kern, Chelsea kept the lead when the extra point kick went wide.

The prowess of the defense team was responsible for the next Chelsea score. Linebacker Mike Merkel picked off a South Lyon pass on their 33 and returned it to the 18. Bruce Guster took it from there to the one. John Mann sneaked across the final yard for a touchdown.

State Proposals Cover Daylight Saving Time, Abortion Reform Issues

The blanket of a ballot, which will be used Tuesday when Michigan citizens vote in the general election, could cover a child. In fact, it covers proposals and candidates that will shape the future.

It is bordered at the top with eight varied proposals, ranging from the controversial abortion Proposal B, to an issue of relatively less life and death urgency, the proposal to save daylight next summer.

Proposal A, if passed, would change Michigan to Daylight Saving Time from the last Sunday in April until the last Sunday in October of each year.

Proposal B would allow licensed medical or osteopathic physicians to perform an abortion at the request of the patient, if (1) the period of gestation has not exceeded 20 weeks, and (2) if the procedure is performed in a licensed hospital or other facility approved by the Department of Public Health.

Proposal C would limit property tax for support of school, county and township purposes and would provide that the legislature shall establish a state tax program for support of schools. The proposed amendment would:

1. ban a property tax for general school operation purposes;
2. limit the property tax to allocated amounts for specified county, township, and school purposes, the total not to exceed 26 mills; and
3. require the legislature to establish a tax program for raising and distributing funds for public, elementary and secondary schools; and

Proposal D would remove the constitutional ban against a graduated income tax. The proposed amendment would enable the legislature to impose a flat rate of graduated state income tax, and to enact laws to permit local units to levy a flat rate or graduated income tax.

Proposal E would allow the state to borrow \$266,000,000 for tuition payments and bonuses to Vietnam and other veterans. The state would issue general obligation bonds of the state to secure the said amount and would pledge the full faith and credit of the state for the payment of principal and interest, if the proposal is passed. The method of repayment would be from the general fund of the state.

County Proposal I is called County Correctional Facilities Bonding Proposition. It asks, "Shall the County of Washtenaw, State of Michigan, borrow the sum of not to exceed \$8,000,000 and issue general obligation bonds therefor, for the purpose of paying the costs of planning, designing, developing, acquiring, construction, furnishing, and equipping County Correctional Facilities and the necessary appurtenances thereto and acquiring, improving, and developing sites therefor?"

County Subcenter Facility Bonding Proposition, II, reads, "Shall the County of Washtenaw, State of Michigan, borrow the sum of not to exceed \$1,900,000 and issue its general obligation bonds therefor, for the purpose of planning, acquiring, constructing, equipping, and furnishing a County Subcenter and Court Building to house branch offices of County government departments, boards, and Courts, and to acquire, improve, and develop a site therefor?"

The final proposal, III, is called Washtenaw County Human Resources Center (Old County Medical Care Facility) Remodeling Bonding Proposition. It asks, "Shall the County of Washtenaw, State of Michigan, borrow the sum of not to exceed \$600,000 and issue its general obligation bonds therefor, for the purpose of providing office space, laboratory and health care facility space by making additions and improvements to and remodeling of the existing Washtenaw County Human Resources Center (the Old Washtenaw County Medical Care Facility) for the use by county departments and boards?"

The voter may cast one vote for president, and vice-president. The Democrats, George McGovern and Sargent Shriver top the list. Republican Richard M. Nixon and Spiro T. Agnew hold the next place. Those wishing to vote with the American Independent party will vote for John G. Schmitt and Thomas J. Anderson.

The Socialist Labor party is offering the choice of Louis Fisher for president, and Genevieve Gunderson for vice-president.

The Human Rights party do not nominate presidential or vice-presidential candidates. Socialist Workers party has put up Linda Jennes and Andrew Pulley for president and vice-president, respectively. Gus Hall and Jarvis Tyner are the Communist party candidates. There are no presidential and vice-presidential candidates from the Conservative Party of Michigan.

SPOOKIEST FIENDS IN TOWN: With great fear and trepidation, the Judges Mac Fuls, Elton Horton, Mary Hafner, and Barbara Wahl, chose grizzly specimens as the spookiest in the parade. They needed something to get their spirits up, so they also looked to the funniest. In this mixed bag of winners, the funniest all the front row. From left are: Tom Donkin as a monkey, Lee Scott Redding as a scarecrow, and Anita Carr as a clown. Little Sharon Monahan, a vampire ghost, peaks from behind the clown. The back row contains the spookiest spooks in town: Ann Schabbe and Beth Flannagan as the Headless Horseman, Lori Gardner as a witch, and Mary Boylan as an indescribable ghoul.

PLOWING THROUGH: Halfback Doug Hillman (24) and John Houle (11) pave the way for ballcarrying Dale Poertner in the Friday night battle with South Lyon.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

My old lady reports that the ladies at the church had their annual social the other night and like usual, it was a humdinger. I have to say my heart goes out to the women that wasn't able to be there, cause that bunch of females at the church can jump on a absent sister's reputation faster than a hog can grab a ear of corn.

They've been holding these gits-togethers for two or three generations now, and from what my old lady reported they still can come about. For instant, they voted n. aninuous this time to write to the Federal Communication Commission and ask for a television channel for housewives on Saturday and Sunday cause all they git now is football games.

Mister Editor, I got to thinking about all the reports the old lady said was presented during the social, and I was reminded that the only thing fer sure in this world is change. One of the reser-lutions passed by the church women was fer clean air. I was thinking how few years it has been since everybody was bragging about all the factories that was bringing all the jobs, and nobody was thinking about messing up the air with all the smokestacks.

And I see by the papers where a heap of depots is being closed by the railroads. I expect the women and a lot of other folks in the towns will be agin that, cause towns that grew up around the railroad feels the same way about their depots as country com-

munities do about their churches. They may not be doing much good, but we want to keep em fer sentimental reasons.

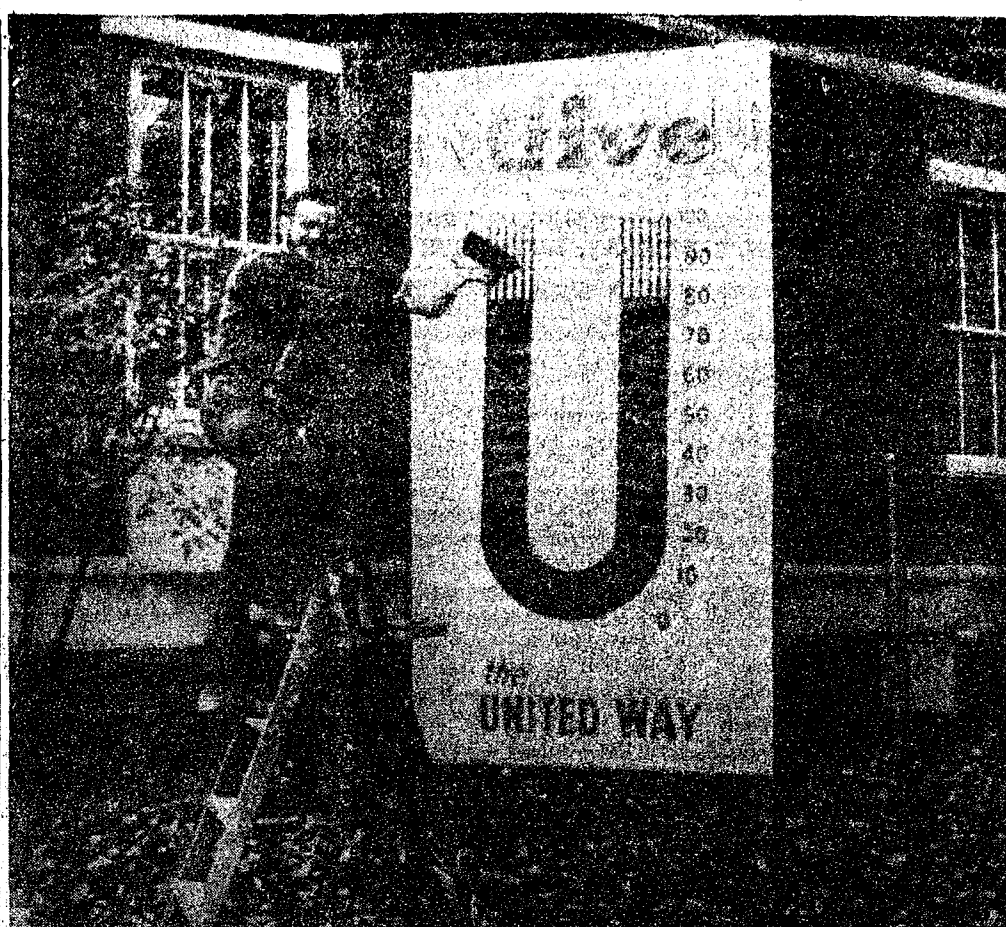

Actual, some towns is turning their depots into mussels and fixing them up to remind the folks of their history, and this sounds like a pritty good idea. Fer all the talking the wimmae folks do-I figger they are behind a heap of changes fer the better, like fixing up the depot instead of tearing it down.

I saw this piece in the paper the other day about a feller in Florida that had been blind for six year and a operation give him some sight back. He was talking about how the world looked so new and beautiful, and I got to thinkin' how the world is changing so fast it's new just about ever day. I remember when the younguns could watch the ball games through knotholes in the fence. Now you can't find no wood like that cause it's all going into \$40,000 houses.

On the other hand, Mister Editor, some ideas stay the same. I saw where this outfit that calls itself the Doomites is calling for the end of the world, and they have gone underground to wait for the all-clear so they can come out and start a new civilization. It seems like ever few years somebody gits the word that the end is here.

Fer my money, civilization is changing fast enuff without the Doomites.

Yours truly,
Uncle Lew.

GETTING UP THERE: Here James Hoffmeyer, publicity chairman for the Community Chest, prepares to paint up the latest totals in the United Fund Drive. As of Wednesday, the drive had successfully solicited 87 percent of the goal. Pat Whitesall, chairman of the drive, said, "I can see 95 percent by the end of the week. I'm hopeful we will get 100 percent." She explained that al-

though the drive had come to an official close at the end of October, they were still waiting for final results in some areas. "The industrial section, for example, will probably bring in \$2,900 more. It's a matter of getting there on the right day," she explained. Campaigning in rural and commercial districts is also continuing.

MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

Lottery Looms
Michigan is on the threshold of a new and very different way of raising revenue to keep the state from going broke.

Instead of levying a new tax on some form of human endeavor such as earning a living or buying something, the state is going to make some money from "one of man's most basic urges—the desire to get something for nothing."

In this case the "something" in the form of large numbers of dollars is not for "nothing." Before a person can win anything, he must buy at least one 50-cent ticket. Among the prizes being dangled before him to entice him to buy that ticket are a \$1 million prize, prizes of \$200,000, \$50,000, \$10,000, and even a lot of \$5 prizes.

As anyone who's been around the state can figure by now, we're talking about Michigan's new state lottery, which will begin selling tickets Nov. 13.

Several eastern states already have instituted lotteries and based upon this experience, authorities here are conservatively estimating Michigan will clear \$50 million a year, or roughly \$1 million a week, from the lottery here.

The lottery idea was approved last May 16 by Michigan voters after the legislature put it on the ballot in hopes of coming up with a painless way to raise state revenues in this election year. The theory, presumably a correct one, is that people don't mind nearly as much paying taxes if they have a chance of getting a dramatic return on their "investment."

And when all the verbiage is stripped away, the lottery is just another tax if you consider any money collected by a government for insurance purposes is Nov. 5. Any crops that are reported after this date and suffered previous damage could result in no insurance coverage, explains Earl Wilson, director of the Contract Service Center, Springfield, Ill.

Final Wheat Reporting Date Set for Nov. 5
Area farmers who are Federal Crop Insurance Corp. policyholders are reminded that the final date for reporting their acres of wheat for insurance purposes is Nov. 5. Any crops that are reported after this date and suffered previous damage could result in no insurance coverage, explains Earl Wilson, director of the Contract Service Center, Springfield, Ill.

Lottery Commissioner Gus Har-

ison devised a system under which every one million tickets sold will result in 4,000 winners of \$2.5 prizes. In addition, two out of each one million ticket buyers will win "super prizes" of \$10,000 to \$200,000.

The "super prizes" will be drawn for each week in which at least 2.5 million tickets have been sold since the last "super prizes" drawing. That means a minimum of five "super winners" will be involved with a grand prize of \$200,000 a consolation prize of \$50,000 and three other consolation prizes of \$10,000.

In addition, for every 30 million tickets sold, there will be a "super duper" instant millionaire drawing in which the winner will take home a cool \$1 million.

Exactly 886,000 persons will lose 50 cents every time there are 4,000 winners of \$2.5. That's how the state earns revenue from the lottery. And it shouldn't be forgotten the real reason for the lottery is to earn more money without raising the income tax or some other equally odious tax.

There are some people who feel any form of gambling is wrong and that the state shouldn't be in the lottery business. But the lottery is only half a sin at worst. It is really "gambling" in the sense that most of the taxpayers won't get their money back. It's a sure thing for the state. The odds are set up that way.

And with taxes spiralling ever higher, "what's wrong with putting a little suspense into paying taxes?" Buying a lottery ticket with hopes of hitting the jackpot surely beats frantically figuring out your income tax in early April and finding out that the state tax rate has gone up another point or two just so the state won't go broke. At least, that is the argument of the majority who favor the lottery plan.

Time Off
It's rather ironic in view of the strong influence labor has had on the drafting of laws in Michigan, but Michigan is one of 20 states where there is no legal requirement for employers to give their workers time off to vote on Election Day.

The list of states with such laws includes such supposedly "non-

be manufactured and designated especially for the use of the Post members. The new license plates will be numbered 31 Vv1 to 31 Vv75. This is a favor being granted by the Secretary of State's office to the local Legion Post. The 31 preceding the Vv denotes the charter number of the Post.

Officers of next year's Kiwanis Club were chosen at the meeting Monday. James Hendley will be president. Henry C. Schneider will be vice-president and secretary and treasurer will be Jerry Niehaus.

In connection with the general election to be held next Tuesday, the Village of Chelsea and Sylvan township will hold a special election, at which time the annexation of several parcels of property located on Elm St. will be approved or rejected. Faulty descriptions have been discovered which show that the parcels in question have never been a part of the village, although the owners, having believed their property was within the village, have always paid taxes and have, of course, received village services.

Margaret Harper, Betty Winter, Eunice Schweinfurth, Grace Riemenschneider and Carolyn Kalmbach in the 10th grade are on the honor role with 4 A's.

Gridders of the Week

JEFF SCHMIDT (79) hopes to tackle a football scholarship with his gridiron skills, so that he can continue to play ball and get an education. Of the education, he says, "You have to have it." This realist is also a basketball and golf enthusiast. He first shot his way around the links four years ago, and now he has been a member of the Chelsea team three years. But he is more than just an athlete. His versatility is evident in his membership in St. Paul United Church of Christ Youth Fellowship, and in the church choir. Jeff also hopes to add his voice to the Oliver production this year. On the week-ends, and during the summer, Jeff has picked up extra cash by working for Lane Animal Hospital as a kennel boy. Jeff's idea of a nice place to live is "where people aren't." This love of wilderness may lead him into a career in forestry, or his more worldly side may win out. In that case he'll pursue a degree in business administration.

RON ADAMS (68), who is usually a sturdy element in both the football and wrestling teams, will be out of the action, at least sports-wise, for the rest of his senior year. He is hobbled by a torn ligament which snapped during a midseason practice. It's not easy to be confined with a cast, which will burden him four more weeks, especially when one is a skilful and tennis player. "I like any kind of outdoor activity," says Ron. He has been busy enough inside to earn a membership in the National Honor Society, and he is also a member of the trip club. Ron's plans for next year are set since he has been accepted by Albion College, where he will study the pre-med curriculum. This will not only prepare the way to medical school but supply him with lots of science courses, which he enjoys. Ron's one sister also has interest in the medical field. She will soon graduate from John Hopkins' course in nursing. Ron has lived in Chelsea for three years after moving from Clarence, N.Y. He spent a fairly lucrative summer last summer working for Gelman Instrument, in Ann Arbor.

Shirley Burgoyne for Circuit Court Committee

MONICA HOPP, TREASURER
3676 TEXTILE ROAD, YPSILANTI, MICHIGAN 48197

Dear Voter,

On November 7, Washtenaw County voters will have the opportunity to select two judges in the non-partisan Circuit Court race. Recognizing the increasing need for the Circuit Court to deal sensitively with critical human problems, we women of diverse political and philosophical persuasion are publicly joining hands for the first time behind the candidacy of Shirley Burgoyne for Circuit Judge.

Shirley Burgoyne's considerable trial experience during her sixteen years as an attorney has been devoted to divorce, criminal, and civil cases—the very kinds of legal matters adjudicated by the Circuit Court. She has competently handled cases ranging from small misdemeanors to forcible rape and murder, and she thoroughly understands the workings of the bench she wishes to attain. We believe that Shirley Burgoyne has the attributes needed to administer criminal justice equitably—fairness, compassion, firmness, and untiring energy.

One long overdue judicial reform which would be implemented immediately upon her election would be a night court for domestic relations cases. This would save time and money for working people who find it costly to take off a day of work to appear in court.

Shirley Burgoyne will be at home in the Circuit Court. She can win this election. She deserves to win this election. But to win, she needs your vote and your support—and, if possible, your financial contribution to help offset the enormous expenses incurred in this lengthy campaign. Won't you join us now in helping to elect this most worthy candidate?

Sincerely,

Vanell Williams

TODAY'S THOUGHT

By LOUIS BURGHARDT.

Election Day is almost here. As in every pre-election period claims and counter-claims have been heard . . . Half truths and exaggerations . . . Allegations, accusations and denials . . . Loud mouths, clenched and shaking fists . . . Intuendoes and insults . . .

An almost 200 year old unique document - the Constitution of the United States - permits this. More importantly, it permits all of us to believe or disbelieve what we want. And still more important yet, it permits us the privilege and power to vote as we wish. There is no such thing as a controlled vote in our country. No one, absolutely no one but yourself can control your vote. Controlled votes are NOT permissible or possible.

On Election Day you accept or reject the pleas and pressures. You have a freedom of choice. No one can impair your freedom to vote as you wish. Go to the polls. Vote. No one was ever elected, no issue was ever decided by STAY-AT-HOME PEOPLE!

(Continued from page one)

Each voter has two votes to cast for members of the State Board of Education. The candidates are: Charles E. Morton and Gurnee Salas (D), William A. Sederburg (R), Edmund F. Vandette (R), Mary G. Calder and Fredrick S. Kline from the American Independent party, Thomas E. Girard and Edgar Thomas from the Socialist Labor party, and Edward L. Jones from the Human Rights party.

Two votes may also be cast in the contest for the Board of Regents of University of Michigan. Contenders are: Marjorie Lansing (D), Thomas A. Roach (D), Deane Baker (R), Lawrence

B. Lindemer (R), and Vito J. DeLisi and Joseph Toth of the Socialist Labor party.

Voters may choose two from these candidates for the Board of Trustees of Michigan State University: Tom Downs (D), Donna O'Donnell (D), Aubrey Radcliffe (R), Jack M. Stack (R), James Horvath and Frank Troha from Socialist Labor party, and David W. Brinn of the Human Rights party.

Running for the Board of Governors of Wayne State University are Michael A. Einheuser (D), Kathleen Strauss (D), Wilber M. Brucker, Jr. (R), Kurt R. Kydel (R), Terry Lindsay and Lowell Miller of the Socialist Labor party, Peggy Goldman of the Communist party, and Peter E. Mo-

Alpine of the Conservative Party of Michigan.

The voters will choose either George Wahr Sallade (D) or William F. Delhey (I) for prosecuting attorney. For the position of Sheriff, Frederick J. Postill (D), Harold J. Owings (R), and Douglas J. Harvey (Independent), are running.

The choice is between Duke L. Armstrong (D), Robert M. Harrison (R), and Stuart R. Norman (American Independent) for County Clerk. Hilary E. L. Goddard (D) and Sylvester A. Leonard (R) are running for County Treasurer. Alvin A. Kushner (D) and Patricia Newkirk Hardy (R) are competing for the Register of Deeds position.

Jerome K. Fulton (D) and Richard Wanty (R) are running for Drain Commissioner. Jay L. Bradbury is running unopposed for County Commissioner.

In Sylvan township, voters must choose between Maurice J. Hoffman (D) and Fred J. Schaft for supervisor. Sylvan township clerk will be either Daniel J. Murphy (D) or Michael R. Erskine (R). James F. Hoffmeyer (D) and Fred W. Pearsall (R) are running for Sylvan township treasurer. George A. Merkel is running unopposed for township trustee position.

In Lyndon township, Republican candidate Reinhardt will run against Democrat Lewis for the office of supervisor. Republican candidate White will run unopposed for the township treasurer position. Democrat Thomas Lewis will be elected to the trusteeship, since he has no opposition.

The ballot also gives voters the opportunity to vote for Justices of the State Supreme Court. The voter may cast votes for two of the following: Democratic candidates, Charles L. Levin, William A. Ortman, and James S. Thorburn; Republican candidate, William J. Beer; Vincent J. Brennan and Mary Coleman; and American Independent Party candidates, Robert L. Evans, Zolton Ferency and Horace W. Gilmore.

T. John Lesinski is running unopposed for the non-partisan Court of Appeals judgeship in the First District.

Choices for the 23rd Circuit Court judgeship are Democrats W. J. Elden and Shirley J. Burgoyne, and Republicans Patrick J. Conlin and Edward D. Deake. The voter can vote for two.

Francis L. O'Brien is running unopposed for the non-partisan Probate Court judgeship.

Voters may cast one vote for Robert L. Shankland (D) or Henry D. Afkison (D) who are running for judge of the 14th District Court.

Voters may choose three of the following candidates for Community College District Trusteeships: Sally Buxton (D), Richard C. Real (D), Ann Cleary Heck (D), Robert C. Ressler (R), and Frank L. Sampson (R).

The polls open from 7 a.m. to 8 p.m. Tuesday at the township halls.

Polls Open at 7

If sudden sickness, disability, or death in the family prevents one from going to the polls on Nov. 7, he may apply for an absentee ballot until 4 p.m. on election day.

AGRI. ENTREPRENEURS
Mr. and Mrs. Arthur Schairer were hosts to the members of the Agricultural Entrepreneurs at their home recently.

Keith Bradbury, chairman, called the meeting to order with the pledge to the flag and Farm Bureau Creed.

The secretary's minutes were read and approved with 12 families answering to the roll call. Reports were given by the Minute-man and package reporter, followed by a discussion on "Farm Platform." A tape was heard giving both sides. Discussion followed. Meeting adjourned.

The next meeting will be held Thursday, Nov. 16, with Mr. and Mrs. Raymond Schairer as hosts.

touchdown. The board showed Chelsea 14, South Lyon 6, at half-time.

The Bulldogs blasted through the second half, scoring twice with runs of 30 and three yards by Guster and Lancaster, respectively. The ferocious Bulldog pack kept the Lions at bay.

Linebacker Tim Lancaster led the defense with his 10 tackles. Jeff Van Riper and Jeff Marshall each stopped seven opponents. Chuck Foytik trapped six Lions, while Dan Houle brought down five.

The Bulldogs were quick to capitalize on South Lyon weaknesses. Jeff Marshall recovered a Lion fumble, while Mike Merkel and Bruce Guster each intercepted a pass.

Dave Tucker, Jeff Schmidt, John Tandy, Dan Houle, Randy Young, Mike Nadeau and Jeff Van Riper built the powerful Chelsea offensive wall.

This most recent victory leaves Chelsea with a season record of 5-2. Friday the Bulldogs travel to Milan for their last Southeastern Conference contest of the season. Chelsea's standing in the league rides on this game since the two clubs are now tied for third place.

The new Milan field is located by Milan's middle school. Take the Carpenter Rd. exit off of US-23, and turn right on Dexter St. A right at the four-way stop at the intersection of Dexter and County St. will eventually lead into Main St. Follow Main St. west until it intersects with Platt Rd. at the Sunoco station. Turn left on Platt, go over the bridge, and watch for the middle school.

Jo Ann Barnett, Fernando Palacios Wed at Assembly of God Church

The First Assembly of God of Chelsea was the setting Saturday, Oct. 28, for the wedding of Jo Ann Barnett and Fernando Palacios. The pastor of the church, the Rev. Thode B. Thodeson, officiated at the ceremony.

The bride is the daughter of the

late Mr. and Mrs. Robert Barnett. The bridegroom's parents are Mr. and Mrs. Jose G. Palacios.

A reception followed the ceremony in the church service center where two solos were sung by Mrs. Mildred Gurney. Miss Kathy Bilotta played the organ accompaniment.

Matron of honor was Dianne Palacios. Joseph Palacios, brother of the bridegroom, served as best man. Tim Johnson and David Stutzman acted as groomsmen.

The newlyweds have returned from their honeymoon in northern Michigan. They will reside on W. Middle St., Chelsea.

Named to Fortune Industries Board

Kenneth E. Stone, 46, has been elected a member of the Board of Directors of Fortune Industries, Chelsea, at a meeting of the Board of Directors on Oct. 24.

Prior to joining Michigan Seamless Tube Co. as treasurer in 1970, Stone was affiliated with a public accounting firm, the White Motor Co., and Lear Jet Corp.

Following his attendance at Western Reserve University, he served five years in the United States Navy in Finance Center.

Nut Gathering Time Is Here

Now's the time to hunt for Michigan black walnuts, butternuts, hickory nuts and papaws, says Dr. J. Lee Taylor, Michigan State University horticulturist and member of the Michigan Nut Growers Association.

Native nuts and minor fruits, which grow primarily in southern Michigan, may be gathered through October and early November.

Members of the Michigan Nut Growers Association and other domestic nut growers are also harvesting Chinese chestnuts, Persian walnuts and heartnuts. They also grow filberts, black walnuts, butternuts, hickory nuts and minor fruits such as papaws, persimmons and mulberries.

Before gathering the fruits of a wild nut tree, crack a few to make sure the kernels are full, Dr. Taylor advises.

For hulling and drying methods, obtain a free single copy of Extension Bulletin E-689, "Growing Nuts and Minor Fruits in Michigan" from your county extension office or the MSU Bulletin Office, P. O. Box 231, East Lansing 48823.

Store nuts in mesh bags in a cool place until ready to use. If black walnuts or butternuts become too dry, soak overnight in water. This softens the shell and makes kernels swell, so cracking is easier.

After cracking, refrigerate nut kernels in a tightly closed container to preserve flavor and keep oils from turning rancid. Nut kernels may also be frozen in airtight jars.

Papaws, called Michigan bananas because of their flavor, are now in peak season, but few are available this year. The green tree fruit, which is three to six inches in length and looks like a small cucumber, should be picked just as it begins to soften. If refrigerated in a single layer, papaws keep for two to three weeks. They may also be frozen but should be eaten at once when thawed.

For information about the Michigan Nut Growers Association, write Mrs. Robert Turner, 709 High Street, Charlotte 48813.

Bartlett Pears Now in Season

Bake, broil, glaze or fry fresh Michigan pears for a special treat, suggests Michigan State University Consumer Marketing Specialist Sharon Van Dyne.

Michigan Bartletts are in peak season through November, so now is the time to try new serving ideas, the specialist says.

When you buy pears, refrigerate ripe ones and leave others at room temperature to ripen. Pears are harvested green because they ripen better off the tree, the specialist explains. Tree-ripened pears have a coarse, gritty texture and less flavor.

Check ripening pears daily as they mature at different rates. Pears are ripe when they give slightly to pressure. If you plan to wait awhile before using pears, refrigerate green and ripen later.

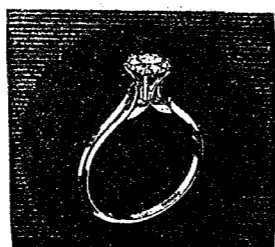

One bushel or about 50 pounds of pears yields 20-25 quarts canned. There are about 3-4 medium pears in a pound.

Don't be misled by scars or surface blemish, the specialist advises. Many good pears have a highly russeted skin.

Federated Women's Clubs Plan Girls Town In-Gathering Saturday

The Michigan State Federation of Women's Clubs will hold its annual In-Gathering at Girls' Town, 330 Liberty St., Bellaire, Saturday, Nov. 4, from 1 p.m. to 4 p.m.

The Girls' Town Board of Directors invites all members of the Washtenaw county, the District, and State Federations of Women's Clubs to attend. The interested public is invited as well.

Mr. and Mrs. Joseph T. Merkel

Observing 50th Anniversary

After 50 years of married life, Joseph T. and Florence Merkel will be feted by their children at an open house Sunday, Nov. 5, at the Wolverine Bar.

The celebration will commemorate that election day, Nov. 7, 1922, when they were married at old St. Mary church in Chelsea.

The ceremony was conducted by the Rev. Father Henry Van Dyke. The couple was attended by Miss Blanche Werkner, now Mrs. Sylvester Weber, and Norbert Merkel, cousins of the bride and bridegroom.

The Merkel children are Mrs. George (Monica) Gagliardi of Huntington Beach, Calif.; Joseph, Jr., and Thomas of Owosso, and George of Chelsea.

The couple has 25 grandchildren and seven great-grandchildren. Merkel is retired after many

years of farming in Sylvan township. He now operates the Sylvan Hotel. He has earned the third and fourth degrees in the Knights of Columbus. He is also a member of the Chelsea Fair Board, and the Sylvan Township Planning Commission.

Mrs. Merkel is a member of St. Mary's Altar Society, the Legion of Foreign Wars Auxiliary and the American Legion Auxiliary.

YOUNG HOMEMAKERS

Young Homemakers took part in a plastics party Thursday, Oct. 28, at the Lima Community Hall. There were 30 members attending. Refreshments were served by hostesses, Elsie Heller, Shirley Trinkle, Diane Horning, and Pat Flinn.

The next meeting, Nov. 16 at Arlene Bareis' home, will feature a candle-making demonstration.

Co-Op Nursery Council Reveals Fall Festival Plans

Every year around this time, the Huron Valley Council of Co-operative Nurseries offers ideas to mothers who may be at the end of their rope when it comes to new ideas with which to entertain their children.

This year, at Zion Lutheran church, Ann Arbor, on Nov. 11, curious persons may attend the fall festival which suggests "things to do for kids, and ways to live with them."

There will be workshops on Christmas crafts for children, on cooking with children, and on story-telling techniques. There will also be classes on puppetry and music for pre-schoolers, plus ideas on child management, and dealing with childhood problems.

The festival, itself will begin at 8:45 p.m., Nov. 11 at the church at 1501 W. Liberty St., Ann Arbor, but the registration deadline is this Saturday. For information and registration forms call 434-0448.

Apple Supply Good For Most Varieties

If the old adage holds true, it'll cost you about a nickel a day to keep the doctor away this fall, according to Michigan State University Marketing Specialist Maryann Beckman.

You'll pay four to seven cents each for Michigan apples this year, depending on the variety, the specialist reports.

Prices range from 49 to 79 cents per four-pound bag, depending on variety. Delicious will cost the most, with supplies down 25 percent from a year ago. Jonathan are down 5 percent, while Northern Spy supplies are up 5 percent. There are 12 percent more McIntosh this year.

About three average-sized apples make a pound, so there are about a dozen apples per four-pound bag.

Some of Judge Sandy Elden's most courageous decisions have come back to his doorstep.

Recently, vandals defaced Judge Sandy Elden's home. The nature of the defacement — stenciled designs of the marijuana leaf painted on his house, sidewalks and driveway — is proof enough that this destruction of private property is in protest to Judge Elden's recent decision concerning Ann Arbor's marijuana ordinance. He declared the bizarre and highly permissive ordinance unconstitutional...because it was in direct conflict with state statutes.

His decision took courage.

Sandy Elden has been threatened before...and he knows full well the volatile nature of radical factions in our society. Yet he made his decision confidently...and he stands by it...even in the face of unreasonable pressure.

You can keep Judge Elden's brand of courage...and his ability to chart a strong course for justice...working for you. Join in supporting Judge Sandy Elden for Circuit Court.

Elect Judge Sandy Elden to the Circuit Court on November 7.

Judge Elden faces tough decisions...by making them. —

DEATHS

Mrs. J. V. Burg Dies Friday at Hospital Following Short Illness

Mrs. J. Vincent (Mary A.) Burg of 315 Wilkinson St., died Oct. 27, at Chelsea Community Hospital after a short illness.

May 13, 1890, she was born in Chelsea, the daughter of J. and Appalonia Zang Spinnagle. She married J. Vincent Burg Sept. 16, 1913, in Chelsea where they lived throughout their married lives.

Burg operated Burg's Corner Drug store from 1924 to 1948. He died Oct. 25, 1964.

Mrs. Burg was a member of St. Mary Catholic church, and the Altar Society there. She was also a member of the Veteran's of Foreign Wars Auxiliary, and the American Legion Auxiliary. She also participated in Farm Bureau and Senior Citizen activities.

She is survived by one son, J. V. (Vince) Burg of Chelsea, and six daughters. Surviving daughters in Chelsea are: Mrs. Dudley (Angeline) Foster, Mrs. Duane (Virginia) Rowe, Mrs. Rolland (Gretchen) Spaulding, and Mrs. Henry (Pat) Orthling. Other surviving daughters are Mrs. L. C. (Mary Jane) Lanning of Ft. Meyers, Fla., and Mrs. Tom (Lou) Guirey of Berkeley.

Mrs. Burg leaves 35 grandchildren and 41 great-grandchildren. Funeral services were held Monday, Oct. 30, at St. Mary Catholic church. Burial in Mt. Olivet Cemetery followed. The rosary was recited Sunday at Staffan Funeral Home.

Memorial contributions may be made to St. Mary's Rectory Fund.

Mrs. Amos Curtis

Life-Long Sharon Resident Dies at Area Rest Home

Minnie Belle Curtis died suddenly at Cedar Knoll Home Wednesday, Oct. 25, at the age of 77. She leaves eight children in the area.

The daughter of Henry and Mittie Door O'Neil, she was born Jan. 25, 1895, on the family homestead on Sharon Hollow Rd., where she lived her entire life. She had four brothers and two sisters, all of whom preceded her in death.

She was married to Amos March 25, 1913. He farmed the homestead in Sharon township until his death last March 16.

Mrs. Curtis leaves six sons: Charles of Chelsea, Norman of Manchester, Alton of Grass Lake, Robert of Willington, O., William of Jackson, and David of Manchester. Her surviving daughters are Mrs. Harold (Margaret) Wahl of Grass Lake and Mrs. Mary Bratigam of Jackson.

Also surviving are 20 grandchildren and six great-grandchildren, two nephews and a niece.

Funeral services were conducted by the Rev. William Enslin of the North Sharon Bible church Saturday, Oct. 28, at the Jenter Funeral Home in Manchester. Burial followed in Sharon Center Cemetery.

Gen. Beach Loses Round in Powerline Fight

(Continued from page one)

The General has two routes of resistance to follow. He will begin damage hearings next month, in hopes of gaining some retribution for the damage he thinks the line will cause as it cuts its way through his farm.

He will also appeal this latest opinion of the Probate Court to the State Circuit Court.

Although these court cases may take years, the General knows they will not keep the bulldozers from his door. "They'll get a court order so they can start work," he speculates. Then, if the General wins his case, the power company would have to undo what it had constructed. The general can think of nothing he would like better.

Beach is fighting the line, not only because of its effect on his land, but because "that line will pollute our area, without doing us any good." He objects to the tearing up of area lands, the uprooting of trees, the construction of powerlines, all for the benefit

of people in an entirely different area of the state. "I'm not against electricity," he explains, "but we've had three power lines go through this area since

1968, and I think they could plan it better." If he General were from Navy stock he could say, "We have only just begun to fight."

Home Meal Service Needs More Drivers

It is quite a feat, in this day and age, to get a hot meal delivered to your door for the reasonable price of \$1.15. But thanks to the thoughtfulness of Chelsea residents, it is being done.

The Home Meal Service of Chelsea, which is sponsored by the Jaycee Auxiliary and Church Women United, has been serving an average of 13 disabled or elderly persons per day for that cost. The meals, which are prepared at the Chelsea Methodist Home, packed in disposable, insulated containers, mean the difference between a nutritious meal, and catch - as - catch - can snack for those who can not easily shop and cook.

No one disputes the value of the service, but the existence of an expanded program is dependent upon the generosity of an even larger number of volunteers than is now involved in the program. The volunteers, who are so instrumental in keeping the cost low, are needed to deliver the hot meals.

Presently, deliverers are distributed over three routes, so that no driver is overburdened. The time needed to cover a route is approximately 45 minutes.

More drivers are needed so the program may serve more people. A driver may volunteer for one day a week, or act as a substitute driver. He may work alone, or in pairs. No person is assigned to a route until he has worked with a trained driver.

Those interested in giving their time and driving skills may call Mrs. James Hoffmeyer at 475-8014, or Mrs. Arthur Steinaway, at 475-2929.

Parent-Teacher Conferences Set Next Thursday

Chelsea parents of Beach Middle school students will have an opportunity to speak with their child's teacher Nov. 9.

Parents may make appointments for the five-minute conferences scheduled Thursday between 12 noon and 6 p.m. by calling the Beach school office at 475-8601. The office will be taking appointments between 9 a.m. and 3:45 p.m. on Nov. 6, 7, and 8. Appointment times will be assigned on a first-come, first-serve basis.

Students will be dismissed at 11 a.m. on Thursday, Nov. 9, and buses will run shortly thereafter to take them home.

Beach school will treat parents to a "capsule schedule" during which parents may follow their youngster's class routine, at a later date. The school hopes to give parents clearer understanding of the school's curriculum with this future program.

FOR COOKING TOO

Put your family's favorite beverage to work as a dependable kitchen helper. Cook with milk and taste the difference for yourself! Cooked foods are more flavorful than ever before. Use milk when you bake . . . in puddings and custards . . . in soups, gravies, sauces, creamed vegetables. Milk makes them all taste just scrumptious . . . adds extra nutrition, too.

OPEN LETTER TO THE Voters of Washtenaw County

Dear Voter,

We, the people of Washtenaw County, face one of the biggest crises in our County's history. We now have a deficit of over \$500,000 in our General Fund.

We have county officials bickering, hurling charges, and pointing fingers at one another like a bunch of children.

Our taxes go up yearly just as if nothing mattered. I don't mind paying my fair share of taxes, but I want responsible officials in exchange.

I urge you, the voter, to meet the crisis on Tuesday, November 7, 1972 and put an end to the war in the county building.

Thank you,
DUKE L. ARMSTRONG
Democratic Candidate for County Clerk

New Pastor Begins Duties With St. John's at Rogers Corners

The Rev. Richard Campbell, the new pastor of St. John's Evangelical and Reformed church at Rogers Corners, left his last post to return to the University of Michigan, where he is studying a phenomena most people experience, old age.

His doctoral course in Educational Gerontology, Campbell says, is part of a newly developing field in a day when the elderly are finally finding a voice. Still there is much to be done. Campbell calls the American attitude toward old age "loss-oriented."

This attitude, dubbed "decremental" in the gerontology text books, is distinguished by the assumption that aging brings on loss of friends, health, and happiness. Campbell advocates a more positive view of ageing, and would like to be instrumental in expanding experience in the later years of life.

Campbell would ideally like to merge his knowledge of gerontology with the skill he acquired with his master's from the U. of M. in radio and television. He considers cable television a potent resource that could be trapped to the benefit of the aged.

"I have noticed on my pastoral calls that the television is often the only sight and sound that fills what might be the quiet and loneliness of many older people, and yet there are few programs written and directed for the elderly audience," he says.

"The television is always on, whether they watch it or not." His suggestion is to offer more than bland sight and sound. His programs would speak to the elderly person's experience and interests.

Campbell's interest is more than just academic, it's philosophical in its desire to change America's concept of old age. It is also highly personal. "After all, we're all going to get there."

The new pastor and St. John's congregation came together two Sundays ago because Campbell wanted to maintain a preaching position even though he is going to school full-time. So far, the move has been a very satisfying one.

VOTE DEMOCRATIC

SYLVAN TOWNSHIP - NOV. 7, 1972

RE-ELECT MAURICE J. HOFFMAN SUPERVISOR

MAURICE J. HOFFMAN, Supervisor, is married, has a family and is now completing his 9th 2-year term as Sylvan Township Supervisor. Maurice is a life-long resident of Chelsea, is a graduate of St. Mary's High School, and attended Eastern Michigan University. He is a member of St. Mary's Church and K. of C. Maurice is one of approximately six township supervisors out of 20 in Washtenaw County who is a Certified Assessor — a real savings to Sylvan Township taxpayers as the other townships have to pay an outside assessor to evaluate their property.

RE-ELECT DANIEL J. MURPHY CLERK

DANIEL J. MURPHY, Clerk, is married and is the father of five children: Dana, Patrick, Ross, Casey, and Brady. Danny is a graduate of St. Mary's Grade School, Chelsea High School and Ferris State College. He is a member of St. Mary's Church and K. of C. Dan is presently a partner in Chelsea Drug Store, Chief Pharmacist at Mercywood Hospital in Ann Arbor, Consultant Pharmacist at the United Methodist Home in Chelsea, and is a past campaign chairman of the Chelsea Community Chest. He pledges convenient and impartial registration of voters at his downtown location.

JAMES F. HOFFMEYER TREASURER

JAMES F. HOFFMEYER, science teacher at Beach School, is married and has three children, Merry, Holly, and Paul. He has lived and taught in Chelsea for 13 years and has been active in the Methodist Church. He was Campaign Chairman for Chelsea Community Chest last year and is Publicity Chairman this year. He graduated from Albion College, and has advanced degrees from University of Michigan and from Oregon State. Jim pledges representative government on all significant issues, and offers the addition of evening hours for services one block from downtown.

WE PLEDGE:

- 1) Continued Good Government.
- 2) Publication of items of interest to the public.
- 3) Evening hours for payment of taxes, in addition to daytime hours.
- 4) Improved co-operation between the Village of Chelsea and surrounding townships regarding development of the area.

Mr. and Mrs. Mark F. Amsdill

Jerilynn Dorow, Mark Amsdill Wed Friday in Candlelight Service

The marriage of Jerilynn Dorow of Ann Arbor, to Mark Franklin Amsdill was solemnized at a candlelight service in the Dexter United Methodist church Friday, Oct. 27. The Rev. James Hynes officiated at the double-ring ceremony at 7:30 p.m.

The bride is the daughter of Mrs. Charles Krause of 8845 Jackson Rd., and the late Gerald A. Dorow. Mr. and Mrs. Wesley Amsdill of 7861 Gregory Rd., are the bridegroom's parents.

Vocalist for the wedding was Mrs. Waldron Vaughan who sang, "What Are You Doing the Rest of Your Life," while Mrs. John North, organist, played for the procession, "Trumpet Voluntary," and the "Wedding March" for the recessional.

Wearing a floor-length white long sleeved knit gown, the bride was given in marriage by her father. Pearls and lace trimmed the V-neckline and the empire waist. A pearl and lace Juliet headpiece held the cathedral-length veil.

Miss Lynn Chapman of Ann Arbor, maid of honor, was dressed in a floor-length long-sleeved burgundy knit gown trimmed in pink and her burgundy Juliet headpiece was trimmed with pearls. She carried a bouquet of burgundy baby carnations, red sweetheart roses and baby breath.

The bridesmaids, Susan Amsdill, the bridegroom's sister, Miss Danielle Rutkowski and Miss Tracey Carpenter, all of Dexter, wore gowns identical to that of the maid of honor. Their pink Juliet headpieces were trimmed in pearls and they carried bouquets of pink baby carnations, red sweetheart roses and baby's breath.

For her daughter's wedding, Mrs. Krause chose a floor-length two-tone pink chiffon gown with long sleeves and matching accessories and corsage of pink roses.

Mrs. Amsdill wore a floor-length dark green knit gown with matching jacket and accessories and a corsage of pink roses.

The flower-girl was Anne Marie Cross of Huntington, Ind., cousin of the bride, and Andrew Cross, also cousin of the bride of the above address, was the ringbearer.

Serving as best man was Joseph Egan, Jr., of Dexter, and seating the guests was David Amsdill, brother of the bridegroom, Edward Bouillon, both of Dexter and Timothy Snyder of Ann Arbor.

A reception followed the wedding at Hunter's Hall at Pinckney with 200 guests attending. Patricia Ann Rutkowski had charge of the guest

book. Miss Katherine Herst of Dexter and Miss Lori Kay Cross of Huntington, Ind., both cousins of the bride, passed out rice packets to the guests prior to the ceremony.

The couple will reside at Mt. Clemens near Selridge Air Force Base where the bridegroom is stationed, when they return from a trip to Cozumel, Mexico.

For traveling, the bride wore a rose and green pantsuit with a pink rose corsage.

The new Mrs. Amsdill, a 1972 graduate of Dexter High school, was a dental assistant for Dr. Robert Turk in Dexter prior to her marriage.

The bridegroom graduated from Dexter High school in 1968, and attended MSU. He is presently serving with the Air Force.

Boyd Robbinses Observe 50th Anniversary

Mr. and Mrs. Boyd Robbins celebrated their golden wedding anniversary last Sunday, at an open house arranged by their children.

The party was held at the home of their son, Robert. Mrs. Betty Russo, the Robbins' daughter, had flown in from New York to join her brothers, Bill, Donald, and Robert, all of Chelsea, in honoring their parents. Mr. Robbins' brother, and his wife, Mr. and Mrs. Darst Robbins from Ohio, also came in for the occasion.

Out-of-town guests at the open house were Mr. and Mrs. John Letters and son, Dennis, of Detroit, and Mr. and Mrs. Stan Stettler from Ypsilanti.

The Rev. and Mrs. Warner Siebert and the priests and nuns of St. Louis School were also present at the open house.

The family attended Sunday service and went out to eat at Schumm's Restaurant before greeting 60 guests, and sharing a tiered cake at the reception.

The couple, who were married in Ohio, Nov. 1, 1922, were also honored with a special mass at St. Louis school, Tuesday morning. A breakfast with the staff and students followed.

The Robbinses, who have lived in Chelsea for more than 25 years, have 12 grandchildren and three great-grandchildren.

Mr. Robbins has worked for Pittsfield Products for many years.

PROPOSALS C & D: QUESTIONS and ANSWERS

On Nov. 7 citizens will face a long and involved ballot, listing candidates for local, state and national office, local issues, and statewide issues, including Proposals C and D, the tax reform proposals.

Those two proposals are designed to shift the bulk of school support, a major part of taxation, to a system that is based on a taxpayer's ability to pay, thereby easing the burden on many hard-pressed taxpayers and providing better support for public education.

Despite extensive efforts to explain, much confusion apparently still surrounds Proposals C and D. In dissipating that confusion, the Chelsea Education Political Action Council offers the following questions and answers in their support of tax reform:

1) SIMPLY STATED, HOW DO PROPOSALS C AND D REFORM THE SCHOOL TAX STRUCTURE?

Proposal C reduces the constitutional limitation on property taxes from 50 to 26 mills. In effect, all property taxes for schools would be eliminated except for an optional 6 mills which can be levied only after voter approval. Proposal D allows for a graduated income tax to make up for the lost property tax revenue. A graduated income tax is currently prohibited by the Michigan Constitution (Article IX, Section 7).

The only additional power these proposals would give to the Legislature that they do not have is the power to enact a graduated income tax.

2) HOW WILL THESE AMENDMENTS PRODUCE BETTER EDUCATION FOR MY CHILDREN?

They will free children from the almost constant threat of having their favorite programs reduced or eliminated for lack of funds. They will restore or maintain important parts of the education program such as guidance, physical education, music, and art. There are Michigan school districts today where there's no music, art, and physical education and where children have only a half day of school because of financial problems.

3) WHAT HAPPENS TO LOCAL CONTROL IF THE PROPOSALS PASS?

Local control is retained in its present form. Communities will still exercise their right to operate their schools as before. For the first time in our history, they would be free to concentrate on planning, administering and perfecting the program their community wants.

The basic decision-making structure will remain unchanged. Citizens will elect their boards of education which in turn hire staff, prepare and present budgets and administer programs.

4) WHY IS AN INCOME TAX BETTER THAN A PROPERTY TAX FOR FINANCING SCHOOLS?

The income tax is more progressive, that is, it is based on ability to pay. While a property tax is stable and its revenue is constant, the ownership of property bears little relationship to real wealth. The income tax varies somewhat with the economy, but in the long run it has a much better growth potential, and the increased revenue from growth is realized in the same year in which growth occurs. It also has an almost direct relationship with school operating costs.

Any proposal dealing with huge appropriations and methods of taxation are bound to have partisan aspects. The CEA Political Action Council, in following the leadership of the Michigan Education Association, is making every attempt to keep these proposals at least bipartisan. We believe our position is based on educational need rather than allying ourselves with either political party (both parties want tax reduction!)

Citizens desiring to reform their tax structure must find Proposals C and D on the ballot and vote "yes" on them.
This Advertisement Paid for by C.E.A.P.A.C.

5) DO PROPOSALS C AND D NECESSARILY GO TOGETHER?

Yes, in that they will permit Michigan to go all the way in adopting a tax based on ability to pay. Proposal C will remove the property tax as the major source of taxation for school operation. Any homemaker who has experienced a drop in income because of retirement, lay-off, personal illness, loss or quitting of job by working spouse, or income loss for any other reason realizes full well that the property tax does not respond to a loss in income—his ability to pay the tax. It goes right on. A flat-rate income tax does respond to a taxpayer's ability to pay in relation to his fellow taxpayers. If he occupies a lower income bracket, he will carry a heavier tax burden. If he occupies a higher income bracket, he will carry a lighter tax burden.

A graduated income tax is designed not only to respond to taxpayer's ability to pay as income varies from year to year but also to be adjustable to his ability to pay in relation to his fellow taxpayers.

6) WHAT BENEFITS WILL RETIRED PEOPLE RECEIVE?

The greatest benefit to retired persons will be property tax relief. In most instances those persons living on pensions will have a much smaller total tax bill. They will obtain a reduction in taxes on their homes and will also likely pay less income tax.

7) WHAT HAPPENS IF PROPERTY TAX ISSUE PASSES (C) AND THE GRADUATED INCOME TAX (D) FAILS, OR VICE-VERSA?

If the property tax proposal passes and the GIT fails, the result will be property tax relief and greater equity of resources among local school districts based upon increased state funding. Increased state funding will be based upon an increase in the flat-rate income tax, a value-added tax, or a combination of both. The system of taxation for support of public schools will become more progressive and equitable because a flat-rate income tax, while less progressive than a graduated income tax, is still more progressive than a property tax.

If the Graduated Income Tax is approved and the property tax proposal rejected, local school districts will continue to be funded essentially as in the past. However, the state income tax will become progressive, a widely supported goal of long standing.

In either case, progress will have been made and efforts to complete the program will presumably continue.

8) IS THIS A RUSE TO GET MORE MONEY FOR TEACHERS?

These proposals are not a "ruse" to accomplish anything. They are a sincere, honest effort to provide a tax base that will improve equality of educational opportunity, bring programs of quality education to all children in the state, and to eliminate the unfair situation where a school district's ability to offer quality programs is determined by the taxable real estate within its boundaries.

Auto License Plates Sale Will Begin Nov. 15

Wallace Wood, Chelsea branch manager of the Secretary of State, says that vehicle owners seem to be anxious to buy their new blue and white plates this year. Many have come into his office as soon as they received their prepared registrations only to be told that the passenger and motorcycle plates will not be on sale until Nov. 15.

The first passenger plate number issued will be FZF 000.

Plates will have a designated space to stick on a tag for 1974 and 1975. The 1973 plates must be on the passenger cars and motorcycles by March 31, 1973.

Commercial plates, including pickups, and trailer plates are on sale now. This type of plates must be on the vehicles by the usual Feb. 28, 1973 deadline.

The branch is still located at 103 S. Main St., Chelsea. Hours are from 9 a.m. to 5 p.m., weekdays and 9 a.m. to noon, on Saturdays.

Try-Out Dates Set for Musical Production

If, in the next months, you come across scruffy bands of cockney street thieves, have no fears; they are merely budding thespians in Chelsea High's production of "Oliver!"

The tryouts for the cast of this musical will be held Dec. 11, 12, and 13, as the posters in the high school halls have proclaimed. Dennis Huel and their crew will illuminate props by Donna Clark. The actors will be made up by Jeanne Thornton and Debbie Norcia.

Although the cast has not been chosen, chairmen are organizing their essential behind-the-scenes committees. Bonnie Powers will be the student director. Barb Hardy will supervise the set design while Jeff Daniels and Steve Bergman are in charge of its construction.

Margaret Lancaster and Betsy Belser will have responsibility for the tickets, and Barb Boylan will see to the programs. Judi Blaess is publicity chairman. Lighting, by Craig Johnson and Dennis Huel and their crew will illuminate props by Donna Clark. The actors will be made up by Jeanne Thornton and Debbie Norcia.

Scripts may be obtained before tryouts. High school students may check them out before 9:10 every morning. Beach school students may get theirs at Beach Library and elementary students may get theirs from Miss L'Roy. There are lots of parts for children. In fact the lead, Oliver, must be a young male with an unchanged voice. Try out!

JV Gridders Bow to 'Good' S. Lyon Team

Chelsea JV's were forced to bow to a dominant South Lyon pack, 46-20, last Thursday. This loss left the young Bulldogs with a 4-3 record for the season. They have their last game today with Milan.

The Chelsea team rebounded in the second half, determined to overcome the M-0 lead. South Lyon had piled on in the first period. On the first play, Doug Reed tore across 80 yards for a touchdown. After the futile extra point attempt, the score came up 14-0. South Lyon wasn't content to leave it that way, and soon scored again.

Chelsea countered once again, after a 50-yard drive. Doug Reed was the ball carrier for both the touchdown and the conversion, making all 14 of the Chelsea points scored. Another Reed display of power on a screen pass from Randy Guenther on the 54-yard line pumped the score up to 20, nearly reaching South Lyon's 21.

It took South Lyon only two plays to cover 91 yards and widen their lead once again, 27-20, with six seconds left in the half.

They drove their point and Chelsea into the ground in the second half, scoring 19 points, and rarely relinquishing the ball.

Chelsea's defense was led by Dennis Bauer with his 14 tackles and a pass interception. Steve Figg downed eight men this week, and Paul Wood and Jack Hackworth tackled seven each.

The JV's may find some consolation in Coach Jon Schaffner's evaluation, "We were defeated by a good team."

Personal Notes

Week-end guests at the home of Mr. and Mrs. Floyd E. Gentner, 316 Jackson St., were Mr. and Mrs. Ronald Gentner and daughter, Tracy, of Ypsilanti, and Mr. and Mrs. Duane Gentner and daughter, Lisa, of Hanover Park, Ill. They all attended the wedding of their niece and cousin Mary Kay Gaken and John Perry, on Friday evening.

Billie Miller and Eulah O'Brien were enjoyably entertained recently by singer Engelbert Humperdinck when he was performing in Windsor at the Elmwood Casino.

Frosh Gridder Team Upended By South Lyon

The undefeated South Lyon freshman team maintained its enviable record by trouncing Chelsea's freshmen 43-6, Oct. 25.

Chelsea dominated the early action with its hard hitting defense and some good offensive aggression. The first serious threat to either goal line came early in the second period when a fine quick kick by Jim Marshall put South Lyon on their own five-yard line. Chelsea balked; however, in the face of a determined South Lyon defense, and came to a complete halt when what appeared to be a successful fourth down run was ruled short.

South Lyon scored late in the period after stealing the ball and completing a 45-yard pass to Chelsea's five yard line. The Lions led, 6-0, at half-time.

South Lyon was untouchable in the second half. With four minutes to go, they had piled up 27 points, and Chelsea was still getting organized.

The Bulldogs finally got into the action when Tim Reed returned a kick-off 40 yards, and then caught two passes from Kevin Kelly, moving the ball to the five. Two plays later, he went over from the one-yard line.

After Chelsea's on-side kick-off failed, South Lyon scored again, and then added the final points with an interception return. The clock ran out on the 43-6 tally.

Tim Reed, playing a fine first game since breaking his arm, stood out in the offensive line, along with Kevin Kelly, quarterback. Safety Mark Dalton and end Greg Guenther also deserve recognition for several excellent plays. Joel Sprague furthered the cause with an interception.

Past Noble Grands Hold Halloween Party

A Halloween theme was carried throughout the Past Noble Grand meeting at Mrs. Evelyn Hale's home, Oct. 24. Mrs. Alice Gilson assisted as co-hostess.

A few goblins arrived dressed for the occasion. Mrs. Gladys Winters was a guest. Pumpkin pie was the desert.

The members adopted the motion to remember 12 ladies from Ypsilanti State Hospital at Christmas time with gifts. Mrs. Lucille Altstaetter heads that committee.

The members also decided to invite the Past Noble Grands from Harmony Lodge, Dexter, to be

guests at their Nov. 28 pot-luck supper at 6:30 p.m. Each member is to bring an item worth 50 cents. Mrs. Elsie Hinz and Mrs. Eulah Packard are co-chairman for the November meeting.

Winners of the games played were Mrs. Dorothy Keezer, Mrs. Altstaetter, and Noble Grand Nadine Packard. Also winning were Mrs. Eulah Packard, Mary Ann Coltre, and Nina Lehmann. Mrs. Altstaetter won the door prize.

The group decided to limit their Christmas gifts to a cost of \$2.

Expanded Phone Service Available

Chelsea area residents living south of I-94 will enjoy a wider range of telephone service by the end of the year. Michigan Bell is in the process of laying cable south of town along M-52, which will bring single party service to homes which before had only double or several party lines.

The telephone company has initiated this expanded service not only to satisfy the "hold orders," residents who wanted private lines, but to offer more adequate service

to Chelsea's Chrysler Proving Grounds. Although the cables should be in place by the end of the month, there will remain the laborious task of splicing the lines. This should be completed by January, unless a bad storm calls the splicing machines from their post to repair downed wires elsewhere.

St. Louis School Notes

St. Louis school boys were home with their parents last week-end. Students and parents alike returned Sunday to an open house. After a short business meeting concerning the bus, the parents saw the classrooms and spoke with the teachers.

Monday, the boys and staff went to the Detroit Metropolitan Airport where they were given a tour by Leslie Marvicsin, who has entertained the boys in this way before. He and his wife, parents of a St. Louis school boy, have sponsored this trip annually. As usual, they hosted the entire school to a delicious lunch in their home in Romulus on the way back to school. Mrs. Frang Darley and Mrs. Kenneth Van Valkenberg were there to help.

Mr. and Mrs. Boyd Robbins who recently celebrated their 50th wedding anniversary, attended a mass in their honor at the school Tuesday morning. Father Fortunato celebrated the mass which was attended by the school and staff. Mrs. Paul Koch was also present. Everyone enjoyed a special breakfast after the service.

Tuesday night was party night, and a spook parade wound its way to the gym where the boys bobbed for apples and refreshed with cider and donuts. Mr. and Mrs. William Pierce of Detroit judged the costumes.

Lottery Local Sales Agents Gain Approval

Want to take a chance? It's only 50 cents. And if you're lucky, you'll come up with a winner that will make you a millionaire!

That kind of "logic" is hard to resist, and it will be even harder to ignore when the Michigan State Lottery tickets go on sale Nov. 13. The first drawing is Nov. 24.

Several business establishments in town have learned that their applications for a license to sell the tickets have been approved by the State Lottery Commission.

Matt Hintzen, proprietor of the Inverness Inn, was one of the first in the area to be notified. "Some fellow from the commission came out in person to give me my approval," he said.

Chelsea Card and Gift Shop was notified through the mail Tuesday. Chelsea Lanes, Kusterer's Grocery, Rick's Market, and Thompson's Pizza have also been notified as official lottery agents. Jiffy Market also has applied for a license.

The application procedures required several forms to be completed. The applicants also had to be notarized and fingerprinted.

Hintzen said, "To be eligible, you need to be a commercial business, with a high volume of traffic." Only a limited number of agencies are approved in each area. Individual cannot sell tickets. They are supposed to do the buying, and hopefully, the winning.

Motorcyclist Breaks Leg in Friday Accident

Douglas Keith Pickell of 621 N. Main St., suffered a broken leg Friday, when he was involved in an accident at the intersection of Buchanan and N. Main Sts.

Pickell, who was riding a motorcycle, failed to notice that the car which Betty Fay Allen of Stockbridge was driving, had stopped at the intersection.

At the last moment before impact, 16-year-old Pickell turned the bike sharply, throwing himself and his passenger, 18-year-old Michael Cubberly, to the ground. Cubberly was not hurt. The accident happened at 12:30 p.m.

Judge Elden Faces Tough Decisions...

By Making Them. ELECT HIM TO CIRCUIT COURT

The very least you should know about Senator Bob Griffin.

You should know who he is.

Robert P. Griffin is one of your two United States Senators. He has been for 6 years. He's running for re-election this fall.

You should know he's got muscle.

In just one term, Bob Griffin has made himself (in Newsweek's words) "... a force to be reckoned with" in the Senate. His colleagues elected him to be the Minority Whip, one of the top 4 leadership posts in the Senate. It's a position from which he can — and often does — influence Presidents.

You should know some of the things he's done for Michigan.

Bob Griffin convinced the President that the auto excise tax should be repealed. That meant thousands of jobs for Michigan.

Senator Griffin re-instated a supplemental food program for undernourished infants and pregnant mothers in Detroit's ghetto.

He blew the whistle on forced school busing, and introduced a Constitutional amendment to prohibit transportation of pupils on the basis of race, color or creed.

He's a consistent and persistent battler against pollution. ("Watchdog of the Great Lakes," he's been called.)

You should know some of the things he's done for the country.

Bob Griffin co-authored the Landrum-Griffin Act, the "bill of rights" for rank and file union members.

He's helped millions of students attend college with low-interest education loans, through his National Student Loan Program.

He's the Senator who stood up to two Presidents, to rebuild and defend the integrity of the U. S. Supreme Court.

He's fighting now for bills to protect the pensions of workers, and to provide a cost-of-living escalator clause for social security benefits.

You should know what people say about him:

"...an independent Republican with a conscience but no political price tag," says the Detroit News.

"... he's proving himself a successful and tenacious David in a city of Goliaths," says the Washington Daily News.

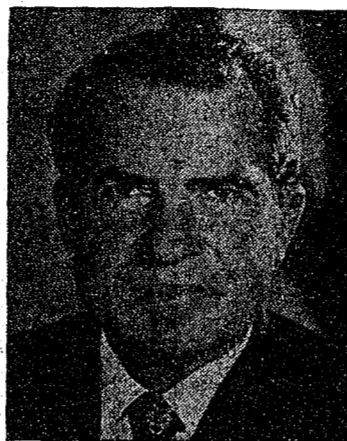

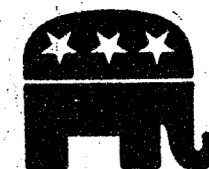

"... he's a political moderate with a reputation for going against the establishment," says Newsday.

"... he's one of the most effective Senators in Michigan's history," says the Detroit Free Press.

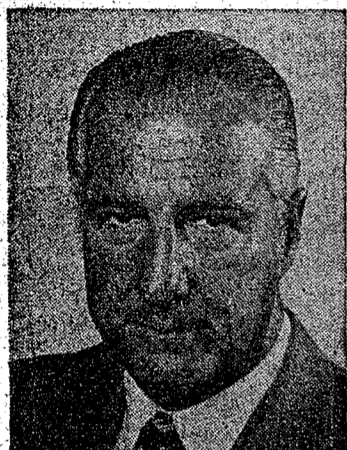

Paid for by Citizens for Griffin Committee, James Umphrey, Treasurer.

VOTE YES PROPOSAL C PROPERTY TAX REFORM

Paid for by THE COMMITTEE FOR PROPERTY TAX REFORM.

Know Your United States Congressman

Congressman Charles E. Chamberlain has only one slogan... "Your Man in Washington..." and he lives it! He has a solid record of performance. That record tells more about him than anything else. Review the facts for yourself. See why there's good reason to keep Chuck Chamberlain in Washington.

Chuck Chamberlain went to Washington to do a job. He's done it... and done it well. During all his years of work in Congress, Chuck Chamberlain's cumulative voting record has been over 94%.

He is on the job at his Committee Meetings too. A member of the powerful House Ways and Means Committee, Chuck Chamberlain has an attendance record that is "as good as, or better than, any other member of the Committee"... to quote Wilbur Mills, Democratic Chairman of the Committee. Chairman Mills specifically praises Chuck Chamberlain's diligence and service to the Ways and Means Committee.

While Chuck Chamberlain has been in Congress, he's done more than answer the roll. During his first month in Congress, he introduced a bill, keeping his first campaign pledge, to repeal the Automobile Excise Tax. He never gave up... but kept at it in spite of strong opposition. Last year he finally won. Everyone knows what

this has meant for the Sixth District... for Michigan, and for the nation's economy. Chuck Chamberlain works where it counts... for the country... for jobs... for the economy... and for the consumer.

Congressman Chamberlain has also been in the thick of the fight for Tax Reform. He helped write the Tax Reform Act of 1969, which cut individual income taxes by 19 billion dollars, increased corporation taxes by 5 billion dollars, and eliminated entirely or greatly reduced the tax burden for 12 million low-income Americans. He thinks more needs to be done, particularly to provide much needed property tax relief. While the recently enacted Revenue Sharing legislation will help, Chuck Chamberlain wants to bring an unequal tax burden back in balance. In the next Congress he will be working for you on his Committee in such vital legislative areas as pension reform, broader health care coverage, trade, welfare reform... yes, and to bring greater equity to our whole income tax structure.

Of course, Chuck Chamberlain is deeply concerned with the quality of life. That's why he's supported every major piece of environmental legislation that has passed the Congress. Long before Earth Day 1970, he had voted for Federal Water Control, Clean

Air Act Amendments, the Clean Water Restoration Act and the Air Quality Act. Since then he's voted for the Water Quality Improvement Act, the Environmental Quality Education Act, Environmental Protection Act... which organized and co-ordinated environmental efforts... the Clean Air Act, Resource Recovery Act, Water Pollution Control Act, the Noise Control Act, and for tough auto emission controls. In fact, he even voted to override the President's veto of the Water Quality Bill.

All this is on the record... along with Congressman Chamberlain's successful efforts to secure Federal funds for environmental research at MSU... on effective sewage water treatment... alternatives to hard pesticides... and his cooperation with local officials to solve township sewerage projects. These facts speak for themselves. Chuck Chamberlain cares about... and works for... a better environment.

Chuck Chamberlain knows our District. He voted for the 18-year-old vote. He voted against forced busing. He voted for civil rights legislation to provide the goal of equality we all must share. He worked for Revenue Sharing... Welfare Reform... for Improvements in Social Security benefits... and yes, even for reform of the Seniority System... to make representative Government work better. It's all on the record.

Your Man in Washington... Congressman Charles E.

Chamberlain

WHATEVER HAPPENED TO OUR AMERICAN SENSE OF FAIR PLAY?

We've always liked to see the underdog win out. The over-matched ball club pulled an upset. The ninety-pound weakling put down the bully.

It's been the American way. Give the little guy a break.

But today, we have a number of people — full sized adults — who would gang up on fellow humans too small to whip a mouse.

Maybe nobody cares any more. Maybe the old values are shot and it just doesn't seem important to save a human life. Those who feel that way have already quit reading this ad. If you're still with us, maybe you're just square.

But isn't it about time for the squares that are left to sound off about abortion? We have until November 7th to say we don't want it legalized in Michigan.

Is it enough for you simply to believe abortion is wrong?

Or must you do more to protect the right to life of unborn infants who cannot speak for themselves?

YOU MUST SPEAK FOR THEM. You must protect their lives by speaking with your vote. And by speaking to other voters, by convincing them how wrong abortion is.

To do this, you must understand the proposed legislation — and how people feel about abortion.

Many Michigan voters say they will not oppose abortion because (1) they would like to reduce the number of "unwanted" children, (2) they believe in women's rights, (3) they are reluctant to impose their moral or religious beliefs on the rest of society. Let's look at the facts.

Second, although many women's rights proposals say a woman has a right to do what she wants with her own body, does this include the right to destroy the body and the life of the human being (perhaps another tiny woman) within her womb?

THE PROPOSED LAW WILL READ:

PROPOSAL TO ALLOW ABORTIONS UNDER CERTAIN CONDITIONS.

The proposed law would allow a licensed medical or osteopathic physician to perform an abortion at the request of the patient if:

- (1) The period of gestation has not exceeded 20 weeks; and
- (2) The procedure is performed in a licensed hospital or other facility approved by the Department of Public Health.

Should this proposed law be approved?

Yes ☐
No ☒

Do you realize this is a full 5 months growth?

You must make them understand that killing by abortion should be opposed as vigorously as any other destruction of human life.

Finally, let's take the question of imposed morality. The morality—or lack of it—in a society is set by the people within that society. Pro-abortionists say "It's being done illegally anyhow." So are other forms of homicide. What kind of a society do we want in our state?

WILL YOU SPEAK FOR THE UNBORN CHILD? Will you speak with your own vote — by voting No on the proposed legislation? And through the votes of others to whom you have spoken of the right to life and the wrongness of abortion?

WILL YOU SPEAK?

VOTE FOR LIFE. VOTE NO ON PROPOSAL B NOVEMBER 7.

Give the little guy a break.

Paid for by the Washtenaw County Right To Life Committee.

World Community Day Slated Friday By Church Women

Women United in Chelsea will celebrate World Community Day tomorrow, as they join young and not-so-young women of other communities in a "Coming of Age" celebration.

Women have chosen that topic because millions of 18- to 20-year-olds will be participating in the election process for the first time. The women consider it applicable to the older women, too, because they bear the burden of citizenship in the constant process of "Coming of Age."

Women of the local churches will meet together at a potluck luncheon at the St. Paul United Methodist Church at 12 noon. Participants are asked to bring a dish of international flavor, but good American food is also acceptable. A panel of international women will speak on their impressions of America.

World Community Day is more than one day of special events for church women. Each unit of CWU is involved all

year long in corporate action for peace and justice. Citizen Action Task Forces work on local, national and international problems. They work in response to awareness of needs, which is sometimes sparked by the Citizen Action Plan of CWU. The three areas that are spotlighted are the needs for shaping new social structures, opening opportunities for women in transition, and for peace-building.

Through offerings received on World Community Day and World Day of Prayer, which go into a fund called "Intercontinental Mission," Church Women United across the nation participate in a ministry all over the world.

This year, of particular concern in relation to World Community Day, are programs to train women to cope with the rapid changes in our society and to help shape new social structures. For example, the Intercontinental Mission budget includes funds enabling the participation of minority women in a variety of decision-making conferences, major assistance to establish a program of social and economic development among women in the Caribbean, grants for self-development projects among American Indians, and Spanish-speaking women, budget assistance for a Christian women's world conference on peace-building, and funds for training sessions for church women who volunteer to serve disadvantaged persons as tutors in adult basic education programs and as assistants in health care systems.

Other international aspects of the celebration that are not forgotten during the rest of the year are the Clothing Appeal of Church World Services, local CROP committees (CROP is the Community Hunger Appeal of CWS), and the sale of gift certificates, which purchase material aid in large amounts, tools for self-help projects, and immediate assistance in disasters. The gift certificates cost \$3 and may be designated to dress an overseas child, provide books and materials for leadership and vocational training to American Indians, provide blankets for refugee and disaster situations, or as emergency funds to be used "where needed most." Response to these appeals finds its climax on World Community Day, a good time to remember that as members of our world community, we have a responsibility to share.

Baptist Church Plans Released Time Classes

Beginning on Friday, Nov. 3, and continuing on the first Friday of each month through April, the Chelsea Baptist church will be sponsoring Released Time Classes. These classes will be for the elementary pupils of North and South schools only. All pupils who wish to attend these classes must obtain a permission slip from their principal. These slips are available at the principal's office now and must be signed by parents and returned to the school where they will be kept on file. No pupil will be released without a signed permission slip on file at their school.

"Uncle Don" Koehn from the Rural Bible Mission will be the teacher. For the past several years "Uncle Don" has been conducting Vacation Bible Schools in this area in the summer. Boys and Girls love "Uncle Don" and the Bible stories he tells with three-dimensional visual aids in full color. Bible stories come alive for kids when they hear "Uncle Don." Rural Bible Mission has been involved in ministry to the schools of Michigan for more than 40 years. They are presently conducting Released Time Classes in the schools of Ann Arbor, Brighton, Pinckney, Gregory, and other towns. RBM is a non-denominational mission board.

"Uncle Don" will be here the first Friday of November, December, January, February, March, and April. A bus will pick up the children who have been released by the principals at 2 p.m. on these days. They will be taken to the Baptist church for 40 minutes of Bible stories and then taken back to the school by 3 p.m. to catch the bus home with all the other children.

The children will be learning Bible stories from the Old and New Testaments, singing choruses and enjoying a wholesome time together.

Parents may call Pastor James Stacey for further information at 475-8323.

Canadian Evangelist Will Be Appearing At Assembly of God

The First Assembly of God of Chelsea will be the site this week of a series of meetings led by Ella Giles, a Canadian teacher, pastor, and evangelist.

Evangelist Giles of Leamington, Ontario, has conducted series of meetings in "Deeper Life" and "Charismatic Renewal" for many years. Her series here will begin Sunday, Nov. 5, at 11 a.m., and continue through Nov. 10. These meetings, all evening services, will commence at 7 p.m. each night.

Conlin 1st choice of Washtenaw County voters

Patrick J. Conlin received more votes than any other candidate in the August primary election for the Circuit Court. Here are some reasons why:

He's a man of ideas and integrity who speaks out on the issues

Accountability "I'm always ready to discuss with anyone, the positions I take as judge. The way I see it, a judge is simply one human being who must make decisions affecting other human beings."

Expansion of Public Defender's Office "The county Defender's Office must be expanded to meet the needs of the growing number of defendants who prove they can't afford a private attorney. The county court system would have ample funds for this."

Administrative Reorganization "We've outgrown the administrative structure, resulting in crowded dockets, unreasonable delays, lengthy adjournments—and the court records system is outdated. We need a computerized record keeping system, and a professional Court Administrator. The court system would have funds to finance these reforms without additional cost to taxpayers."

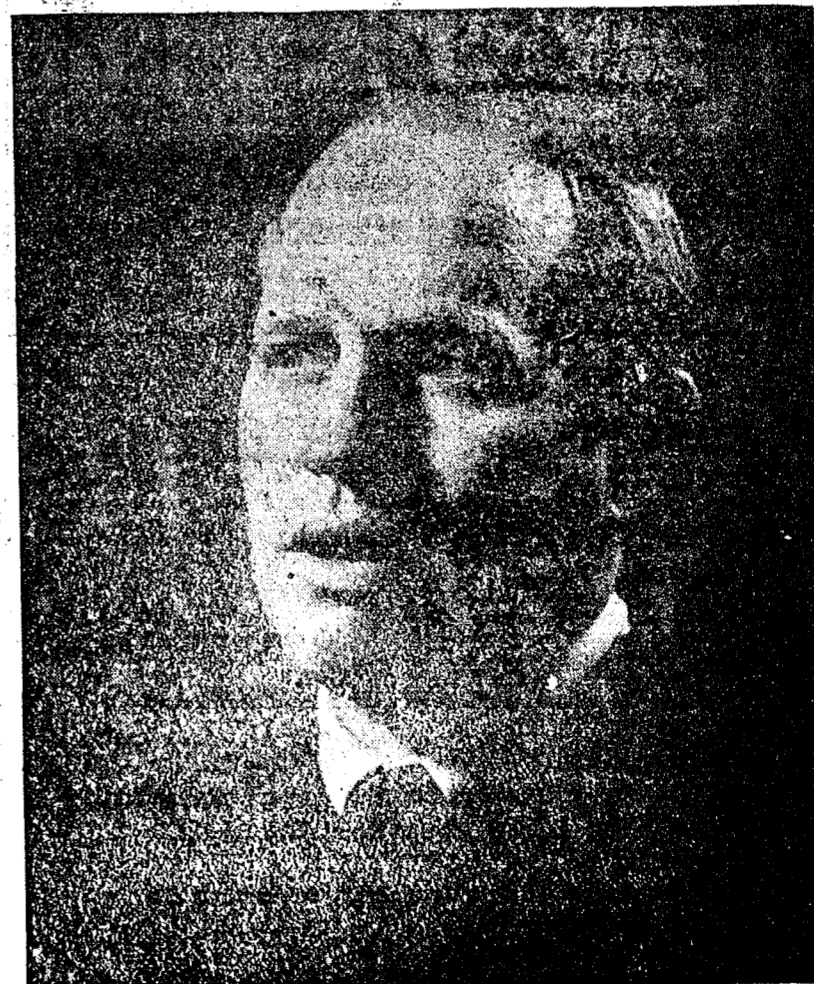

Fair and Firm Handling of Each Case "A judge must treat each case on its merits. Defendants' rights are vitally important, yet rights and duties of prosecution and police are no less important. Accountability is the key. If a judge has not maintained a humane attitude—or if he has bent over backward to favor either side—he should expect to be publicly challenged."

He's a man of ability and judicial experience

■ A lifetime Washtenaw County resident and U-M law school graduate

■ A trial lawyer 1961-68, with more trial experience than any other candidate for Circuit Court

■ 14th District Judge since 1969—youngest person ever elected judge in Washtenaw County

Circuit Judge John W. Conlin Dies at Ann Arbor Hospital

Judge John W. Conlin, father of Chelsea's District Court judge, Patrick J. Conlin, died Thursday, Oct. 26, at St. Joseph Mercy Hospital. He had entered Monday, caught in a losing battle with cancer.

Conlin was born in Ann Arbor, Oct. 2, 1904, to William J. and Katherine Crotty Conlin, and never wandered far away. The judge retired four months ago in Ann Arbor after a long career which began in 1927 when he graduated from the University of Michigan Law school. He practiced with a private firm until 1956 when he was appointed the Probate and Juvenile Court bench. He won election to the Circuit Court in 1966.

Conlin married the former Catherine Moriarty, Aug. 10, 1930.

Conlin's death occurred shortly after a retirement dinner sponsored by the Washtenaw County Bar Association came to a conclusion.

Unadilla Fire Chief Is Fatal Hit-Run Victim

Laurmer J. Barbour, 62, of Gregory, walked across the street from his home to visit with a neighbor who was burning leaves Thursday evening. A few minutes later he was dead, struck down by a hit-and-run driver. The car, traveling at a high rate of speed, raced away from the scene without stopping.

Livingston County Sheriff, Charles R. Hards, reported that the car, believed to be the one that killed Barbour, has been located but that no arrests have been made. He said the investigation into the identity of the driver is continuing.

Barbour had been a resident of Gregory for 30 years and was employed by Howlett Brothers Hardware for the past 25 years. He was fire chief of Unadilla township at the time of his death. Barbour was an active member of the Gregory Baptist church, having served as a member of the board for the past 20 years.

He is survived by his widow, Ruth, and six children: Steve, Jack, June, Pat and twin daughters, Kathy and Karen.

ARMS FUND

The Senate passed a \$76-billion defense appropriations bill. However, they rejected a proposal to cut off funds for further bombing of Indochina. The measure is the largest appropriations bill since World War II.

Medical Careers Rally Saturday At Huron High

If you aspire to a career in any aspect of medicine, what you need is a doctor's bag full of information to get you on the right track. That is what area students will find at the Medical Careers Rally this Saturday morning.

Huron High school, Ann Arbor, is readying its cafeteria to accommodate students from all area high schools who will gather there between 9 a.m. and noon, Nov. 4.

Information concerning careers in professional nursing, practical nursing, medical technology, medicine, dietetics, dentistry, optometry, pharmacy, physical therapy, occupational therapy, veterinary medicine, and related fields, will be available, either through panels or small sessions.

Chelsea students who are interested in pursuing these areas are urged to attend the free conference.

What kind of man is Bob Carr?

Bob Carr is a fighter.

He fought for revenue sharing and better health care as a legislative aide to U.S. Senator Gaylord Nelson.

He fought for clean air and clean water as an Assistant Attorney General here in Michigan.

Bob Carr is concerned.

He is concerned about high taxes and wasteful government spending.

He is concerned about tax loopholes that rob our Treasury of billions of dollars each year.

He is concerned about wage controls while big corporations are earning the highest profits in years.

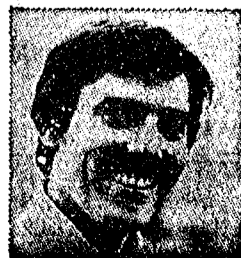

Bob Carr is capable.

And that's why he is endorsed by the National Committee for an Effective Congress, one of the most important and oldest non-partisan watchdog committees.

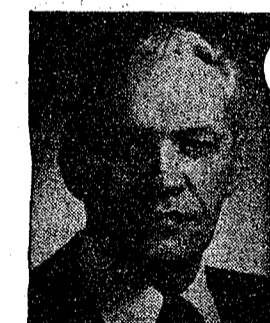

You know, the more you know Bob Carr, the more you'll like him.

Paid for by a growing number of Republicans and Democrats who want Bob Carr elected to Congress.

Robert Mitchell, Chairman.

Carr for Congress

RE-ELECT WILLIAM F. DELHEY
PROSECUTING ATTORNEY

William F. Delhey has been Prosecuting Attorney since January 1, 1964, and has been a member of the Prosecutor's staff since 1957. A graduate of U-M and the U-D Law School, he has been recognized for ability and leadership in law enforcement at local, state and national levels. Delhey — who consistently gives over 50 hours a week to his office — is immediate past president of the Prosecuting Attorneys Association of Michigan.

RE-ELECT ROBERT M. HARRISON
COUNTY CLERK

As former Assessor and Treasurer of the City of Saline, and as Saline's Representative on the County Board (Chairman in 1968) and as the incumbent County Clerk, Robert M. Harrison has served the people of Washtenaw County for the past twelve years. He is a life-long resident of Washtenaw County.

ELECT HAROLD J. OWINGS
SHERIFF

With over 15 years experience, Harold Owings has held every rank in the Washtenaw County Sheriff Department including Deputy, Detective, Sgt. and Lt. Uniformed Captain and Undersheriff. His unmatched qualifications also include over 1100 hours of specialized training in the areas of law, supervision and administration.

RE-ELECT PATRICIA NEWKIRK HARDY
REGISTER OF DEEDS

Pat Hardy has been a capable, conscientious innovator in her 18 years as Register of Deeds. The vital property records of Washtenaw County have been in good hands, thanks to her 26 years experience in the field. Vote to continue Pat Hardy's excellent service to the county.

RE-ELECT SYLVESTER A. LEONARD
COUNTY TREASURER

Yet Leonard has served the citizens of Washtenaw well in ten years as County Treasurer, and before that as a ten-year member of the Board of Supervisors. He has operated the County Treasurer's office with efficiency and courtesy, and promises to continue to do so for four more years.

ELECT RICHARD A. WANTY
DRAIN COMMISSIONER

As a third generation resident of Washtenaw County, Richard Wanty is concerned with the future of our natural and physical resources. He will insist on cooperation between his office as Drain Commissioner and the County and Local Planning Commissions. Elect Richard A. Wanty Drain Commissioner to assure responsible representation.
