Track Team Ties for First in Albion Relays

Chelsea trackmen made the opposition sit up and take notice, Saturday, at Albion Relays. The Bulldogs carved out a share of Section III by tying for the title with Mason. Both teams had 38 points.

They were followed by Hillsdale with 29, Saline with 23 and Jackson Lumen Christi with 21. Out of the seven other teams competing, two were scoreless.

"We really hadn't expected to do this well," said Coach Bert Kruse, "but an over-all good performance by the team and several very good individual performances helped in the win over some traditionally very good track teams."

Once again depth in the field events made the difference. Tim Lancaster continued to soar toward success in the pole vault. His best effort, measuring 13 feet over the top, set a new school record and placed Lancaster in second place in Saturday's field of strong vaulters. Don Pierson cleared 12 feet to earn a fifth place for the Bulldogs.

Bruce Guster with a jump of 20'10" and Craig Coltre with 20'4" took second and fourth places in the long jump. That showing was good for six points.

Rick Sweeney and Bill Tite both cleared 5'10" in the high jump but Sweeney, who had fewer misses

than his teammate, took second place while Tite was in fifth.

Karl Gauss paced the point earners among the runners by getting a third in the 100-yard dash in 10.9, and by winning the 220-yard dash in 23.9. Both races were slowed by a stiff wind.

Gauss was also in good form on the 880 relay team that took third with a 1:36.3 time. He was joined by Howard Salyer, Craig Coltre and Bruce Guster.

Guster was seen leading the pack in the 440-yard dash in a time of :52.7, another good time considering the wind conditions.

Craig Coltre picked up a third in the 180-yard low hurdles, while Bill Tite was fourth in the 120 high hurdles.

The surprise of the day was the 440-yard relay in which Ishmael Picklesimer, Salyer, Curt Winans, and Coltre picked up the point that tied the title with a fifth-place finish.

Today (Thursday) Chelsea meets South Lyon on the home track in an important conference meet. The action starts at 4 p.m.

Saturday features the Cardinal Relays at Michigan Center where competition starts at 3:30. Afternoon events of three man relays, in addition to the three best jumps and throws, will determine the best teams in that area. The running events, all relays, will be held in the evening, starting at 7.

Again the chief adversary will be Mason, although Holt, Lumen Christi and Northville could also make their presence felt.

Tuesday, May 8, the Bulldogs travel to Milan for the final dual meet of the year.

Kindergarten Registration Dates Set

Registration for all children who will enter school for the first time in September, 1973, will be May 14, at the Kindergarten Center at 400 Congdon St. Parents who live in the rural parts of Chelsea School District are to come between 9 a.m. and 11 a.m. while town parents should come from 1 to 3 p.m.

There will be a short period for comments from administrators, kindergarten teachers, the speech correctionist and the school nurse. Since there are other opportunities for future kindergartners to visit, there are no activities planned for them at this meeting. Therefore, parents are asked not to bring their children.

Before school opens in September, or on opening day, school authorities will need a statement from a doctor verifying that each child entering kindergarten has been immunized against diphtheria, tet-

Attempted Breakin Found At Meabon's

Leon Meabon discovered Monday morning that someone had tried to break into his TV, appliance and furniture store the night before. Evidence reveals that a crowbar had been used to try to pry open the two glass doors at the east side of the store. The doors had been forced approximately an inch apart but the lock held.

The attempted break-in left the lock jammed so that Meabon could not open the doors.

Detective Cook from the Washtenaw County Sheriff's Department came to take impressions of the pry marks at the request of police Chief George Meranuck.

The police have clues concerning one suspect.

Baseball Team Loses Twice, Rained Out

Chelsea's baseball nine had a dismal week. They were defeated twice and rained out once.

The Dexter-Chelsea game, April 25, was one of the best the Bulldogs have played, but it still ended in defeat, 6-5. With Doug Reed on the mound, Dexter labored through three runless innings. But they slipped in two runs in the fourth and three more came in the fifth when Perry Johnson took over the pitching duties. John Tandy became pitcher in the sixth.

The winning run came in the sixth when the old rivals were tied. The Dreadnaughts were given that.

(Continued on page three)

Tennis Team Gaining Poise With Victory

Chelsea netters began acquiring experience and confidence this week. Although Stockbridge defeated Chelsea Thursday, April 26, the match was a close one. Now, the only other league school to have varsity tennis, fell to Chelsea, 5-2, Tuesday.

The Stockbridge match ended in the host's favor, 4-3. Playing singles for the Bulldogs were Jim Storey, who was downed by Bill Zick, 6-8, 6-4, 6-1; Bill Schafer, who defeated Gary Green, 6-0, 6-0; Jane Belser, who won over Dan Dancer, 3-6, 6-4, 6-2; and Debbie Bertke who lost to Nat Lehman, 6-4, 0-6, 7-5.

Doubles players Steve Siebert and Mark Heydlauff lost 6-1, 6-0, while Dan Hagen and Andy Quakenbush won their game, 3-7, 6-3, 7-5. Paul Marshall and Mary Verchereau were downed, 6-3, 6-2.

After a breather, Monday, when the Howell match was rained out and re-scheduled for May 16, the 5-2 win over Novi came with wins by Bill Schafer, Jane Belser and Debbie Bertke in the singles competitions.

In doubles, Siebert and Heydlauff, Marshall and Verchereau came up victorious.

Today (Thursday), the tennis players travel to Ann Arbor for a match with Ann Arbor Huron.

(Continued on page six)

MESSIN' IN THE MUCK was a lucrative pastime for members of the Junior High Youth Fellowship of St. Paul United Church of Christ last Saturday. The Trashathon, held in conjunction with "Keep America Beautiful Week," proved a tremendous success. Chelsea's roadsides were picked clean of everything from abandoned television sets to dead animals. Shown here, gathered around the laden scales that told how much collectors were due, are Tom Spencer, Marilyn Egeler, Mary Spencer, Cheryl Koch, Sharon Donovan and John Yelsik, official weighmaster.

Young People's Trashathon Nets 3,308 Lbs. of Litter

Everything from dead animals to junk metal to every kind of waste paper was combed out of the country side, last Saturday, by a zealous group of rubbish hunters. They were members of St. Paul's Junior High Youth Fellowship earning money for a children's charity while observing Keep America Beautiful Day.

The four-hour cleaning bee along Old US-12, M-52, Cavanaugh Lake Rd. and Chelsea-Dexter Rd. netted 3,308 pounds of garbage, all carefully weighed and then carted off to the landfill.

The concern for the weight of the haul came from the fact that

the youngsters had been promised by sponsors in the community to be paid per pound of rubbish collected.

The weighty success of the group was overwhelming to some of the sponsors who had pledged as much as 50 cents a pound. The youngsters are not requiring that those generous pledges be kept to the letter. Instead, they are merely asking for a donation.

If everyone pays what they originally pledged, the group would earn \$1,431.01. The money will go either to UNICEF or Spaulding for Children.

Besides being lucrative, the

activity was fun and a lesson in the varieties of trash. The 35 participating youngsters even found abandoned television sets along their way. One good-sized raccoon was worth 16 pounds of garbage credit before it was buried.

Another lesson in littering was learned by a group working around Polly's. When the manager came out with a bag of candy bars to reward the workers, they forgot themselves and dropped the wrappers. Embarrassed, they noticed what they had done. The 3,308 pounds collected is only a beginning.

Also contributing to the success of the event were the adults who accompanied the trashathon teams, Dr. and Mrs. Spencer, Jerry Heller, Mary Erke, Alice Boyce, John Yelsik and Bob Pratt. Gene Shoemaker donated the hundreds of garbage bags used to consolidate the loot, and Don Keizer loaned the use of his truck.

Tobie Butcher, Jan Pratt and Beverly Yelsik were stationed at the church to keep track of the garbage as it was brought in, while Ruth Schanz and Janice Guenther prepared lunch for the kids at noon.

Although the church's senior youth fellowship sponsored a pick-up day before, this was the first time anyone had tried using the rubbish collection as a way of earning money for a charity.

It was apparently well-received in the community. One girl alone was sponsored by 23 individuals. Another boy received approximately \$35 from one sponsor (his father) who made good on a 50 cents per pound pledge. The trashathon was declared a sweeping success.

Lima Development Plan Adopted

Both the Lima Township Planning Commission and the Township Board have unanimously adopted the Lima Township Development Plan prepared by planning consultants Johnson, Johnson & Roy.

The document will be used as a guideline during the next year as the township draws up a new zoning ordinance. The ordinance will put meat on the bones of the planner's conception because it carries the weight of law. The plan, which will also be used as a guideline when the Planning Commission considers building permits, states the goals the citizens of Lima have agreed will enrich and preserve the amenities of country life in Lima. It also suggests ways of bringing those goals about.

In addition to new township zoning ordinance, new state and federal agriculture and open space legislation is required, says a township spokesman, before the plan can be fully executed. "Nevertheless, we are proud of our efforts to date and look forward to the next steps with confidence," said township authorities in a release that accompanied their resolution. The resolution to accept the general development plan reads as follows.

It is hereby resolved that the Lima Township Planning Commission and the Lima Township Board of Trustees adopt the Lima Township General Development Plan of 1972 in concept with its expressed goals and objectives, subject to the following:

1. That first priority for residen-

tial development be given to those areas nearest Dexter and Chelsea which are suitable to development.

2. That the zoning ordinance to follow reflects the desires of the township to protect and enhance agriculture.

3. That all legal instruments for protection and implementation shall be pursued including easements, purchase and leaseback, transfer or sale of development rights within the private or public sector.

4. That tax reform in the form of use-value assessment and other programs be actively sought from the state legislature.

5. That specific guidelines be sought with reference to commercial development in the I-94 Jackson Rd. corridor.

6. That the already appointed advisory committee participate in development of the new zoning ordinance and that all other interested citizens be encouraged to participate in that development.

Beach Track Team Swarms Over Pinckney

Chelsea's Junior High track team dumped another opponent, Pinckney, April 25, in the second of what coach Pat Clark predicts will be a string of victories.

"I told my kids that the two pre-season meets would be the toughest. Now I can't see anyone in the conference who will give us a run."

He admits, "I knew we'd win last Wednesday, but I didn't know we'd walk over them as easily as we did." Pinckney got trampled, 81½ to 45½.

This glowing confidence can be shared in part by Anthony Houle, Beach's double winner, Wednesday. He took the 60-yard high hurdles in :9.5 and the 100-yard low hurdles in :13.2.

Chelsea's other outstanding performer at that meet was seventh grader David Dawson who broke the school record in the big half-mile event. Crossing the finish line in the first place with a time of 2:21.3, he snapped Dave Fram's 2:23.4 record set last year when Dave was an eighth grader.

Todd Weber, who came in third

(Continued on page six)

Tag Days Set To Help With Scholarships

Village President A. E. Fulks has proclaimed both May 4 and 5 Tag Day, days to contribute to the scholarship fund for Chelsea High school students.

The Scholarship Committee wishes to take this occasion to introduce the community to Chelsea's honor students, the members of the National Honor Society. These students have agreed to support

the Scholarship Committee's efforts by manning the corners of Chelsea's business district collecting donations.

They will be stationed on all downtown corners, at the back corner and at Polly's from 3 to 5:30 p.m. on Friday, and from 9 a.m. until noon on Saturday.

When citizens approach these students to contribute they will be given a tag. The funds will go toward the further education and training of Chelsea's youth.

Mrs. June Winans, counselor for the National Honor Society will supervise the Tag Day activities. Bill Schaeffer, NHS president, is Tag Day captain.

Judge Rules Against Unfair Labor Charge

The judge who heard Chelsea Teacher Association charges, last fall, that the Board of Education had engaged in unfair labor practices, has recommended that the charges be dismissed.

If no exceptions to this recommendation are filed with the Michigan Employment Relations Commission within 20 days, the commission will accept it and the case, which began Sept. 15, will be closed.

The administrative law judge Bert H. Wicking stated, in his recommendation dated April 5, that he found no evidence that the board had attempted to by-pass the collective bargaining procedure and coerce the teachers into accepting the board's contract proposal.

The CEA had charged that the board was wrong to distribute its final bargaining offer in written form directly to the teachers on Orientation Day, Sept. 5.

The CEA also charged that publication in The Standard of the board's deadline for the final offer, Sept. 13, constituted an attempt to coerce the teachers into accepting their terms.

In moving to dismiss the charges, Wicking referred to the precedent set in the case of the Grand Haven Teacher Association versus the Grand Haven School Board. In that case, the teacher union charged that unfair labor practices were committed when the board president sent a letter, outlining the board's offer, to all teachers. Those charges were dismissed by the Michigan Employment Relations Commission.

"In the Grand Haven case, as in the present case," wrote Wicking, "the Education Association argued that the letter to the teachers discouraged and discredited the bargaining representative in the eyes of the teachers and sought to persuade the teachers to exert pressure on the Union to submit to the will of the Board of Education."

Wicking's judgment, however, is that "the written communication of the School Board's last offer was a true and accurate presentation of the School Board's position; there is no language in the communication which could be construed as a threat, promise, coercion or bribery."

(Continued on page six)

Five Churches Join in Key 73 Workshops

Five area congregations will conduct a four-week workshop on sharing the Christian faith, beginning at 8 p.m. on Thursday, May 10. The workshop will be held at Bethel United Church of Christ, 10425 Bethel Church Rd., in Freedom township. It is part of the Key 73 study-fellowship program organized by the five congregations.

The congregations taking part in the Key 73 activities are Sharon United Methodist Church in Sharon township; Bethel United Church of Christ, St. Thomas and Zion Lutheran churches in Freedom township; and St. John's Lutheran church in Bridgewater.

Featured speaker for the workshop will be Pastor Paul Foust, director of stewardship and evangelism for Lutheran Church - Missouri Synod congregations in Michigan. Pastor Foust has devoted considerable time over the past few years to developing and teaching an effective method of talking about the Christian faith which can be used by any Christian. The method emphasizes that the Christian faith is something to be shared and not something to be aggressively sold to or argued with another person.

All area residents are invited to take part in the program.

In a recent meeting held to discuss the workshop, Pastor John Morris from Zion Lutheran Church said, "We feel a workshop like this one will fill a real need in our community. Many people would like to say something to their friends and relatives about what they believe, but so often they don't know exactly what to say. This kind of program will help us to learn what to say and how to say it."

"In addition," said Pastor Daniel Mattson from St. Thomas Lutheran church, "the emphasis that any Christian can share his faith is a good one." Pastor Michael Peterlin from Sharon Methodist

(Continued on page six)

THE PRESIDENT WOULD BE PROUD to see so many of South school's 4th and 5th graders do so well on the physical fitness test devised by his Council on Physical Fitness. These eight students, (three more than made the mark at North school) scored in the 80th percentile in all seven categories of the test. They were awarded a certificate and a shoulder patch for their prowess in the softball

throw, standing broad jump, 600-yard walk and run, 50-yard dash, chin-ups and shuttle run. They are, kneeling from left, Dana Wright, Douglas Bower and Vincent Yost, a 4th grader; in the back, Linda Vandervoort, Julie Botsford, Teresa Hoffman, Kristine Shepard, also a 4th grader, and Diane Gaiser. All but Vincent and Kristine are 5th graders.

Golf Team Making Run For Title

The high school golf team got off to a good start in its race for the conference crown last week by winning two out of three matches against tough opponents.

Chelsea traveled to Dexter April 23, and dropped its opener by one stroke, 188 to 189. Mike Fouty took medalist honors for the Bulldogs with a 42.

Last Friday, the Linksman hosted two strong teams, Saline and Dundee, in a double dual match and came away victorious. The

(Continued on page six)

PLANTING IN THE RAIN: For once, rain didn't interfere with an outdoor activity. In fact, those members of Beach school's Nature Club were glad to see the spring shower Tuesday, as it made the ground more receptive to their gifts, a variety of trees for the Nature Center. The 25 trees, blue and white spruce and white pines, were donated by Mrs. Carla Linkner, a science teacher at Beach. The club, composed of 6th, 7th and 8th graders, keeps up the plants and trails in the Nature

Center. Members of the club, which is under the direction of Mrs. Alice Steinbach, an 8th grade science teacher, are David Baldwin, Renee Poisson, Gail Wooster, Karen Simon, Brenda Salyer, Annette Gaken, Becky Bollinger, Then Picklesimer, Cindy Klobuchar, Donna Bauer, Mary Northrop, Nikki Cordin, Jody Farrell, Jill VanSlaambronck, Debbie Gaiser, Lou Ann Van Riper, Karen Milliken and Mike McDowell.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

They ain't no end to the valuable information you pick up from reading the papers. I read em, but I can't hold a light to Ed Doolittle. He reads like he's doing research on the world, and he keeps a file of clippings ready to whip out and use as evidence for the defense of whatever case he's making at the time.

Saturday night at the country store, for instance, Ed was talking about how America, allus seems to pull herself out of the holes she digs herself into. Ed said this is because the country looks for someone different and a new way to do everything, and he said this goes back to afore she was a country. He had this clipping where a Samuel Morison had said America was discovered accidentally by a sailor that was full of curiosity and was looking for someone else.

Actual, Ed said, America got in the way of Columbus's plans, and after he run into it explorers for the next 50 years kept trying to get through it or around it to get somewhere else. Course, allowed Ed, history is full of stories about how great discoveries is made while folks was looking for someone else, but he said, it seemed to him that more than other countries America ain't satisfied with nine ways of skinning a cat, she is looking for another better way.

Clem Webster was full agreed with Ed, which is unusual. Clem does his homework afore he comes to the sessions at the store, and he brings a report where some wimmen had invented the Nixon-burger. Clem said that is a meat-

less sandwich, and they he's a contest to see who could come up with the best concoction. Another report Clem had was where a butcher was making hamburger and soybean paste about half and half and selling it as fast as he could get it. Clem whipped up. And don't tell that feller he can't figure a new way to skin a cat, allowed Clem, or you'll find fur in yore next order of soyburgers.

Another item come from Bug Hookum, who said he had saw where another poor devil had been found on one of them Pacific Islands after hiding from the Japs for the past 31 year. Bug told the fellers that native ain't going to find things all that different. The Japs was running the war when he went in the jungle in 1942 and now they is running the peace. And the United States still is tangled up all over the world, said Bug, and as quick as we git our foot out of the Vietnam mud we git stuck in Louse.

Personal, I saw one item in the paper about one feller in this world that ain't confused. This man was in court in Florida for speeding. He told the judge he was hurrying home to take his man-in-law to a movie. The judge got the wheat and chaff separated quick. He fined the feller \$10 for speeding and \$30 for lying.

Yours truly,
Uncle Lew.

Farm Council Auction Slated Friday, May 11

What's so fascinating about participating in an auction sale? Maybe it's listening to the cry of the auctioneers, each with his unique rhythmic lingo; the buyers trying to outguess the other; or maybe it's that opportunity to make a good buy.

Washtenaw Farm Council will provide an opportunity for everyone to be a part of Auction Action May 11 at the Farm Council Center located on Saline-Ann Arbor Rd.

The public can participate in two ways, first by donating merchandise to the sale and secondly by attending as potential buyers. Donations may be brought to the Council grounds Saturday, May 5, 9 a.m. to 3 p.m.; Sunday, May 6, 1 p.m. to 4 p.m.; Wednesday, May 9, 6 p.m. to 9:30 p.m. and Thursday, May 10, 6 p.m. to 9:30 p.m.

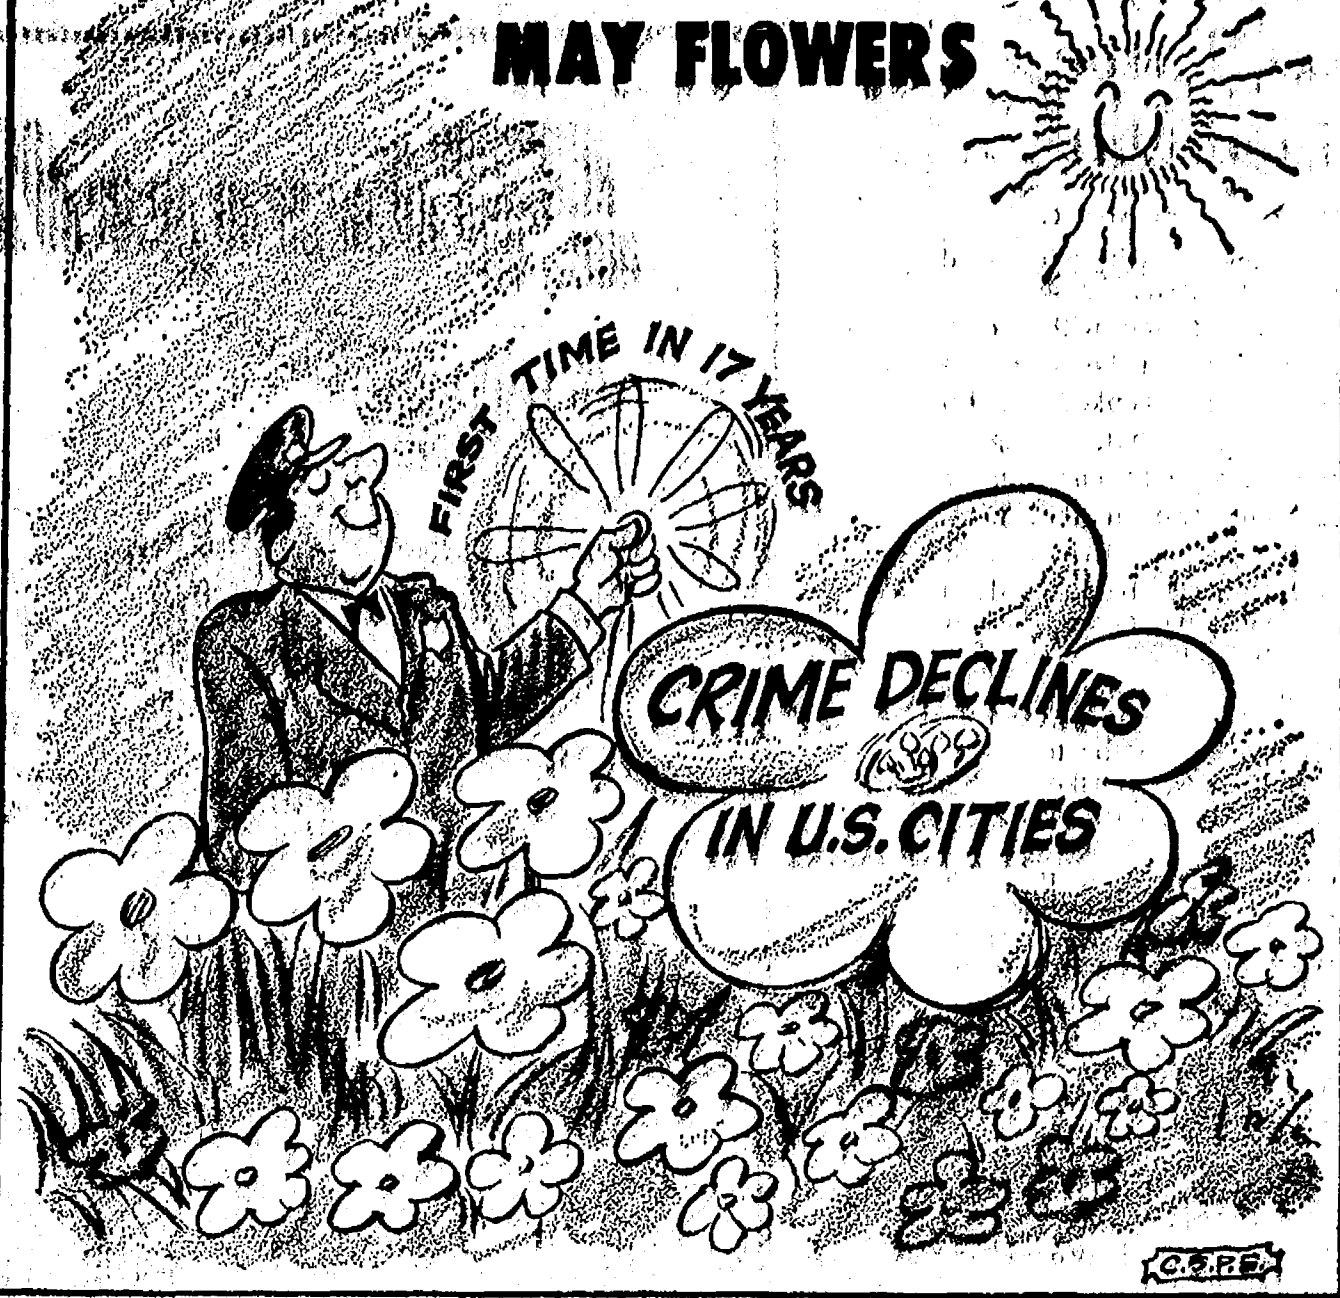

Donations of older items are especially needed. These may include such things as lamps, horse collars, singletrees, neck yokes, jugs, milk cans, brass beds, or barrels. Items of recent vintage should be in working order or require minimal repairs.

The sale will begin at 7 p.m. and continue through the evening until all items are sold. The proceeds of the sale will be used for debt retirement on 20 additional acres of land purchased by Farm Council.

Township chairmen for the auction will be: Bill Baldus, Dean Fisher, Webster; Dale Lesser and Albert Ruhlig, Dexter; Jay Hopkins Lyndon; Lloyd Grau, Sylvan; Archie Bradbury, Bob Heller, Lima; and Ray Schairer, Scio.

For further information contact Leonard Burmeister, Farm Council president, Saline, phone 429-7187; Lloyd Braun, auctioneer, phone 665-9646; or Co-operative Extension Service, phone 663-7511, ext. 227.

The Vietnam veteran is ahead of both the World War II and Korean Conflict veteran in school and college participation. Nearly 40 percent of eligible Vietnam Era veterans have enrolled.

MICHIGAN MIRROR

by Elmer E. White, Secretary, Michigan Press Association

Million Dollar Dream
More dramatic happiness results from state lottery operations than from any other department under Capitol control. And Michigan's lottery has established a glowing record when compared with similar operations in the nation.

According to "The Lottery Guide," a new trade publication, Michigan's lottery is considered to be the most successful in the country.

More than five million tickets are sold each week. At the end of March the lottery had taken in \$46.3 million and allocated 45 percent of this, or \$20.8 million, for prizes.

More than \$20 million in profits have been delivered to the state's general fund. This means about \$2 million each week is rolling from the lottery to the treasury. It does seem that the sum is large enough so that the lottery operation actually reduces the need for the state to look to other methods for taxable income.

The lottery might be viewed as sort of a voluntary tax which carries with it the long range chance that the taxpayer might become a millionaire.

"World's worst losers," said Gus Harrison, the lottery director, must be among the winners for smaller prizes. "Smaller" can mean between \$10,000 to \$50,000.

Those who attend weekly drawings where the winner gets \$200,000 watch a plan where winners selected first from a group of 10 get smaller amounts. The last named winner is the one who gets the \$200,000. It is a little comical to see the winner of a "smaller" check register deep disappointment at the news he just won a \$10,000—which means he did not win the \$200,000. In fact, it is believed that some of the four letter words uttered at these dramatic moments would be responsible for a policy of not broadcasting live the drawing procedures, even if FCC permitted such broadcasts.

An important environmental interest to all is land use management.

The realization finally dawned on a significant portion of our population that there is only so much land in this country and that if we misuse it, there will be nothing else to take its place. This understanding comes hard to a country which for more than a century could always "head west" if the land played out.

In recent years new efforts have been made to control the diversion of farm land, forest land and recreation land with the understanding that Michigan needs all three in abundance if it is to leave a decent legacy for the future.

Now comes word from the national and state Departments of Agriculture that they have for the first time systematically classified all of the "prime" farm land, forests and recreation land in the state.

The classification is made on a county by county basis by people from within each county. Lands designated as prime are considered "so good for their designated use that first priority should be given to keeping and developing them for these uses," according to the officials who released the results.

On a state-wide basis, a total of nearly 4.5 million acres was classified as prime agriculture land, more than 4.7 million acres was classified as prime forestry land, and more than 5.2 million acres, including shoreline water, was classified as prime recreation land.

That leaves more than 20 million acres unclassified, even though much of the unclassified land is currently devoted to one of the three areas mentioned in the classification.

The project is particularly important, according to state conservationist Arthur H. Cratty, because some 125,000 acres of Michigan land are being used each year to build houses, roads, shopping areas and other commercial purposes. And once land has been "developed" for such purposes, it is nearly impossible to turn it back to one of the three basic uses.

"These identified prime land areas should be maintained as they are too vital to the over-all welfare of the people of Michigan and the nation to be lost," Cratty says.

Anyone wanting to know how his country's lands have been classified may contact county soil conservation district offices.

Scholarships Offered Teachers Attending Conservation School

By Martha Ladd, District Aide
This summer the Washtenaw County Soil Conservation District will again sponsor several local county teachers to the Ralph A. MacMullan Conservation School.

Several five-day sessions will be offered at the school, located at Higgins Lake.

Resource persons from universities around the state, the Michigan Department of Natural Resources, industry and other state agencies comprise the staff. They will discuss such issues as urban blight, air and water pollution, erosion of natural areas, and an exploding population.

Resource people, materials, lectures, field trips and discussions are all focused on providing teachers with understanding on critical issues dealing with the relationship between man and his environment. Teaching techniques will be discussed by teachers who have put them into practice.

The Washtenaw County SCD feels the school offers an excellent opportunity for teachers to gain a better understanding of conservation issues. The teachers can then relate their new knowledge to their own students and spread the conservation word.

Scholarships covering most of the cost are being offered to teachers who apply and are approved by the Board of Directors of the Washtenaw County Soil Conservation District. Applications must be in by May 10. Please contact the District at 761-6721 for additional information.

Some of the state's heavily traveled freeways where motorists will see "orange" and experience some inconvenience due to construction and maintenance work are Interstate 94 from Detroit to Ypsilanti, I-75 from Detroit to the Ohio state line and I-75 between Flint and Saginaw. Major widening or reconstruction projects are under way on those freeways.

JUST REMINISCING

History Taken from the Pages of The Chelsea Standard

4 Years Ago...

Thursday, May 1, 1968—Yellow ribbon winner at the 1968 Portage Trails Council's Scout-O-Rama held last week-end at Yost Field House, Ann Arbor, was Pack 455 from Chelsea. Their display was of Cub Scout projects and crafts. Most of the booth was done at the den meetings. The background was based on the 1968 Scout-O-Rama theme, Boypower-Manpower. The booth was set up Saturday by Charles Burgess, Vern Otto and Cubmaster Duane Hall. Spokesman for the booth Saturday were Steven Blass, Bob Burgess, Mr. and Mrs. Burgess, Mrs. David Elkins, Robert Annabel and Jeff Elkins. That evening the Webelos had their turn and those who participated were Donald Osserle, Steve Lyler, Jay Dellinger, and Dellinger, Webelos leader. Participating Sunday were James Owens, James Alexander, Donald Hall, Mrs. J. Owens, James Alexander, Donald Hall, Mr. and Mrs. Hall.

Two large items in the proposed Chelsea School District budget for 1969-70 are the demolition of the former junior high building and application of a second coat of blacktop to Mayer Dr. Chelsea School District has spent approximately \$35,000 on Mayer Dr., and Chelsea schools Business Manager Fred Mills estimated that an additional \$10,000 would be required for the second inch of blacktop that must be applied before it will be acceptable as a village street.

Alvin Foor, 63, a native of Chelsea and businessman, died Tuesday, April 29, at St. Joseph Mercy Hospital after an illness of several months. He had lived at 548 Chandler St. for the past 11 years.

Scott Otto and Jeff Elkins were winners in the 455 Pinewood Derby, April 24, at South school. The cubs made the cars from a pine wood block, axes and instructions from their fathers.

14 Years Ago...

Thursday, April 30, 1954—Mrs. Ray Franklin, president, and Mrs. Fred Klink, Jr., commu-

ity service chairman of the Ladies Auxiliary to the Veterans of Foreign Wars Post No. 4076, on behalf of their organization, presented to the Chelsea Public Library a series of historical recordings especially appropriate for use in schools and for programs at club and organization meetings. Miss Mabel Fox, president of the library board accepted on behalf of the library.

Chelsea Brothers of the Brush carried Ray Zor, a six-foot model of a razor made of wood and stove pipes, to his final resting place last week-end. Razors have been declared of no use until after July 18, the date for the final program of Chelsea's 125th Anniversary Celebration. Ray Zor's funeral was conducted on McKune Memorial Library lawn.

Mrs. Thomas Harris, president of the Chelsea Band Boosters, announced yesterday that the organization is awarding scholarships to the camp for baton twirling and drum majors at Syracuse, Ind. Recipients are Lynne Fahrner, Lynn Slusser and Judy Wooley, baton twirlers, and John Harris, drum major. Peter Flintoft has been designated as an alternate for the drum major scholarship. Mrs. Harris said.

Carol Cameron who won a first division rating at the District Solo and Ensemble Festival, played a bass clarinet solo, "Rocked in the Cradle of the Deep," with the Senior Band at the Chelsea Public School Band's spring concert, Tuesday evening.

24 Years Ago...

Thursday, May 5, 1944—Mr. and Mrs. Ernest Guenther, their son, Ralph, and daughter, Ruth, all received injuries about one o'clock Saturday afternoon, when their car collided with another on US-23 near Packard Rd. east of Ann Arbor.

Ned Stuits, an outstanding athlete in the western part of the state during his college years, will be head football coach at Chelsea High school next fall, according to an announcement made this week by Superintendent Albert C. Johnson. Stuits will assist John Magiera who continues in his position

school. He will have been coaching for 10 years. He will coach one of the spring sports, also.

Grading operations, started Saturday afternoon in the Pierce Memorial Park, provided the necessary evidence to convince all that the local park committee is proceeding as rapidly as possible with the work. John Devorak manipulated Klumpff Brothers' bulldozer as the work got underway.

Dale McIntyre, whose "Know Your America" radio program is a daily feature of Station WJR Detroit, has been secured as the principal speaker for the dinner to be given next Thursday, in honor of Howard Brooks, recently retired chief of Chelsea Fire Department.

34 Years Ago...

Thursday, May 4, 1930—Jacob Schneider of Rogers Corners was injured last Wednesday. It is not known just how the accident occurred, but Schneider was found by a member of the family in the barn and it is thought he was trampled by a horse. Mr. Schneider was taken to St. Joseph's Mercy Hospital where he was treated for a broken upper right arm, a cut on the head and severe bruises.

Jack Merkel, nine-year-old son of Mr. and Mrs. F. W. Merkel, was slightly injured Saturday morning while attempting to cross the street on his bicycle at South Main, near Park St. As he wheeled sharply over the curb, an automobile bumped the front wheel of his bicycle, throwing him to the ground. He escaped with slight bruises.

Eunice Hart and David Eaton, who won first prize respectively among the girls and the boys in the Fildac Essay contest sponsored by the American Legion Auxiliary, have been notified that they each won second place in the state contest. Each will receive a check from the state Fildac chairman for \$7.50. The local post feels very proud of the contestants and of the fact that a Chelsea girl and boy received two of the six prizes awarded by the state organization.

At the annual Honors Convocation in Hill Auditorium in Ann Arbor, Frederick P. Strieter was one of 865 University students recognized for academic achievements.

REAL ESTATE ONE

CALL US FIRST... BECAUSE WE ARE

NEW LISTINGS:

A rare opportunity to get the good things in life. Trout fishing in three of your own ponds with ten artesian wells for ponds; a three-bedroom, custom-built, brick ranch with a walk-out basement, in the Chelsea School District; and 3.07 acres for that little piece of privacy. A fisherman's paradise at only \$46,900. Evenings call Ed Coy at 426-8235 or Bob Parker at (517) 764-2015.

The sun will shine just a little bit brighter for you and your family when you own this older brick-frame farmhouse on ten acres. It's a one story, three-bedroom home surrounded by all the majesty of mature trees, a large old barn, and a nice yard. The perfect setting for family fun. \$32,000, terms. Evenings call Don Slazinski at 971-5022 or Bob Myrmel at 663-0122.

Five parcels near Tecumseh wait to welcome those who plan to build their own home. Three five-acre parcels await those who want a retreat but do not want to be too alone. \$7,500 each. Two ten-acre parcels for the man who wants privacy and room to sit back and contemplate. One parcel is going for \$15,000 and one for \$10,000. Terms available. Evenings call Bob Parker at (517) 764-2015 or Gary Lillie at 769-1634.

We also have two ten-acre parcels near Saline, with more land and a barn available to the man interested in expansion. Intriguing property in an excellent area. Perfect for the family with ideas of building their own home in the country. Evenings call Bob Myrmel at 663-0122 or Don Slazinski at 971-5022.

EIGHT YEARS OF SERVICE warrants recognition and Roger Schroetenboer received his at Pack 435's April 26 meeting. Here, Art Steinway, right, presents the distinguished service plaque and eight-year service pin.

PROCLAMATION

WHEREAS, The National Honor Society, in conjunction with the Scholarship Committee, recognizes the need of deserving Chelsea High seniors, and

WHEREAS, The National Honor Society, in concurrence with the Scholarship Committee, is aware of the rising costs of college attendance, and

WHEREAS, The National Honor Society and the Scholarship Committee wish to aid their graduating seniors in their first year of college education,

NOW, THEREFORE, BE IT RESOLVED, we declare Tag Day in Chelsea this coming Friday, May 4, and Saturday, May 5, and urge all citizens to help us in providing scholarships for our deserving seniors.

A. E. Fuls, President
Village of Chelsea

Tell People You Read It in The Standard!

Baseball Team Loses Twice, Rained Out

(Continued from page one)

run on a walk, a wild pitch and an error by Chelsea's catcher.

Chelsea had started with promise, running wot men home in the first inning. They knocked out for three innings after that, managing a slight revival with one run in the fifth, and two in the sixth.

Dexter had six runs, five hits and two errors. Chelsea balanced their five runs with five errors. They had nine hits.

Dave Tucker contributed three runs during his four times at bat. John Houle was two for four.

The coach, Carl Genske, was satisfied that the team was in better form than Wednesday, but was saddened to see the machine bog down in the fifth. "We had the bases loaded after scoring three runs," he recalled, "but we were unable to do anything with it."

Friday's game against South Lyon was more painful. Lions pitcher John Burton nearly had a no-hitter. He had gone six and two thirds innings without a run when Craig Alter made contact, a single that pushed two men home.

John Tandy started as pitcher for the Bulldogs. Doug Reed took over in the sixth. Mike Nadeau was installed in his regular position.

Big guns for South Lyon were Bob Pfliffer with three for four, and Chuck Browning with three for five, including a triple.

Chelsea's eight errors helped the opponents rack up their nine runs. South Lyon was guilty of only one error while allowing Chelsea only three hits.

The scheduled game, Tuesday, at Milan was rained out and re-scheduled for May 10. Wednesday's game at Stockbridge was also threatened with rain.

The National Office of Consumer Affairs estimates that only 35 percent of the young women and one percent of the men receive consumer information that would help them make a wise buying decision.

Cub Scouts...

PACK 435

Cub Scout Pack 435 took time at its April 26 meeting to acknowledge service and achievements. Both a senior and a junior Schroetenboer were honored during the proceedings.

Roger Schroetenboer was presented with an eight-year service pin and a distinguished service plaque by Art Steinway. Donald Schroetenboer earned sportsman, outdoorsman and scientist badges.

Jeff Routy received his Webelos book and colors, in addition to a Bear Patch, one gold and two silver arrows. Ronald Lorenzen took home a Wolf Patch, a Bear Book and one gold arrow.

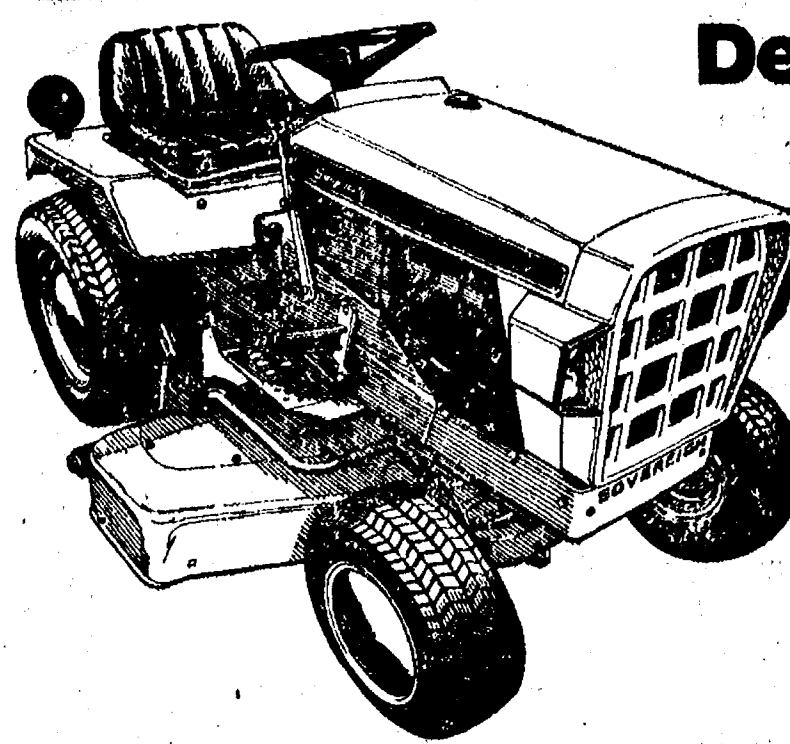

Eddie Stanley was also recognized with a Bear Book, and Wolf Patch, one gold and one silver arrow.

Scouts are now selling tickets to Scout-o-rama which will be held Saturday, May 12 at the U. M. Stadium.

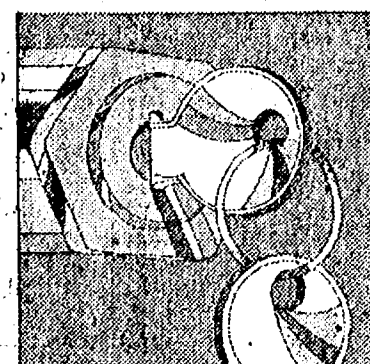

An eye glass case with a snap closure is perfect for keeping croch needles of different sizes, small sewing scissors and large-eyed needles together.

Simplicity

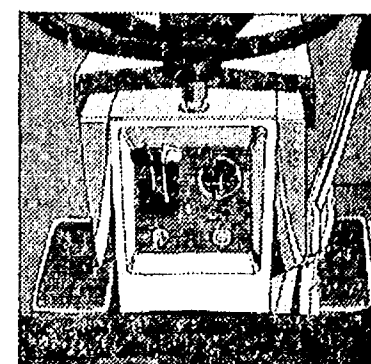

Designed for safety
from start
to stop

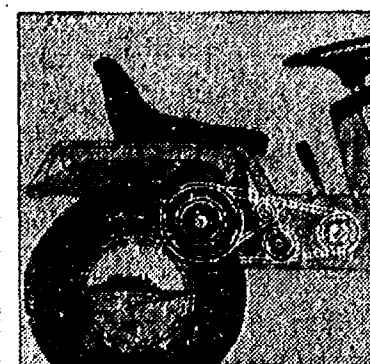

New 16 hp. with added engine power... 42" or 48" mower. The 10 hp. tractor that cuts a 42" swath. Deluxe 8 hp. designed for deluxe performance with a 36" mower. And our standard Simplicity 8 hp. that mows 32" at a pass. Tractors that are simple, reliable, easy to care for, Simplicity.

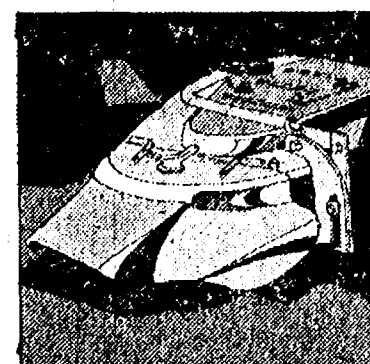

Start your tractor like you start your car... and just as safely. Key ignition switch with neutral interlock prevents starting in gear or when power takeoff is engaged. When you leave the tractor you remove key to protect the children.

Controls are located within easy reach... right from where you sit. And they're marked to tell how to use them. Clutch and brake are on one pedal. You simply push pedal in to disengage clutch... and continue pushing toward floor to apply brake.

Belts, drives... all moving parts are covered and guarded for safety from the time you start your tractor to the time you get off. Muffler is up front... with the engine fan, to blow heat away from operator. Covered for even more protection.

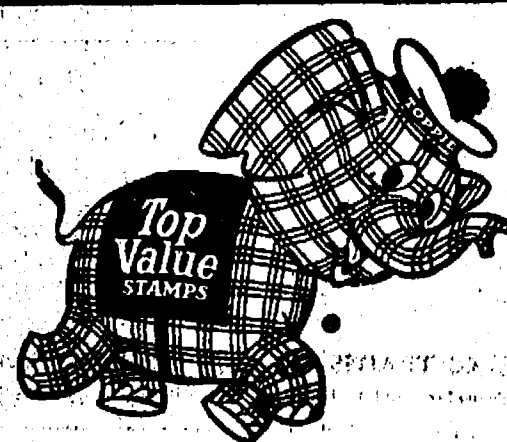

New improved mower has an extra long discharge chute... longer than ever before. A new stone guard for better protection from objects picked up and thrown. And a new drive brake stops blade faster than ever before after you shut the tractor off.

Your life
is complicated enough.

If you love horses, you'll love Pine Ridge Country Estates
Florida's newest
Mackle-planned community

Now you can saddle up and hit the trail from your own little "ranch" in the heart of Florida's lush, beautiful country. Where? At new Pine Ridge Country Estates, a totally planned community, created by The Deltone Corporation. The Mackle brothers, renowned Florida builders, have masterplanned the community for shops, recreational center, golf course and country club (for horse lovers area, stables, tack room, show ring, 28 miles of equestrian trails). Homesites are generous in size — from one (1) to five and one half (5 1/2) acres. There's nothing like Pine Ridge Country Estates in all Florida. Get full information now — just phone or fill out coupon below.

How Big Is
BIG MONEY?

To some people it is making \$1,000 a month. To others \$5,000 a month, right in their own hometown. — We have both kind.

So it's Opportunity if you qualify for the STROUT Team. Not everybody does. But ask yourself if you are ready for your real estate license to start bringing you Important Money. Ask too, do you really Like People? And do you have Common Sense?

If yes, then ask for information on the "People-Business." It's mailed without obligation. Could be the start to Something Big... with the World's Largest.

STROUT REALTY

Beach Track Team Swarms Over Pinckney

(Continued from page one)

In Wednesday's race, tied the old record.

The contest between Pinckney and Chelsea began with exceptionally close rivalry. Chelsea took a second place in the shot put with Mark Smyth's 43'5 1/2" toss. He was just one-fourth inch off the winning mark.

Chelsea rated a second place in the pole vault, too, with Matt Heydlauff twisting over 8'6". The Sweeney boys did well in the high jump. Randy took first with a 5'4" leap. Rod was third with his 4'8" effort.

Chelsea men took both first and second places in the long jump. Barry Hagen covered 15'5 1/2" and Anthony Houle was able to reach 14'11".

In the 60-yard dash, Mike Check pulled in behind the winner with a time of 7.4. Dan Henrick made it home one second later.

The turning point of the meet was during the 75-yard dash when Dan Cobb snatched first place for an upset. He broke the tape at 9 seconds flat. Mark Smyth earned second-place honors by coming across a fraction of a second later.

Tony Robards crossed the line first in the 440-yard dash with a time of 1:11. One second later Chris Smyth, a seventh grader, took second place.

Chelsea racked up another first in the 120-yard dash in which John Toon was the leader. He was hotly pursued. His 11.7 earned first but Mark Smith's 11.8 rated only a third.

George Menge broke the school record but came in second in the mile run. His 5:23.5 now stands on the Beach books. In that same event, Rick Haller took home a third place for the best time of his life, 5:31.

Mark Houle led the pack in the 220-yard dash recording a 27.4 finish. Bill Edwards was third with 29.1.

Chelsea wrapped up both the 880- and 440-yard relays. Jerry Armstrong, Richard King, Matt Heydlauff, and Barry Hagen carried the baton the fastest in the longer of the two contests. Mike Check, Dave Hendrick, Dan Cobb, and John Toon took first in the 440 with a time of 52.4.

The team faced Dexter at Chelsea's track, yesterday (Wednesday) without much trepidation. The visitors had been defeated by Pinckney, 97-20, in an earlier confrontation so Chelsea felt confident they had nothing to fear.

Monday offers a scrimmage at Saline and then Friday the trackmen will face some real competition at Tecumseh relays. Among the 12 teams competing, four will be from class A schools. "That will bring us down to earth," said the coach.

THANK YOU

Thank you to the 33 people out of a community of over 4,000 who showed up to the Cancer Luncheon. Without you, our luncheon would have been a complete flop. Thanks to everyone who helped furnish and who worked at the luncheon.

Mrs. Richard Keizer, Chelsea Area Cancer Drive Chairman.

Michigan ranks fifth or higher in products of more than 20 major food crops, although ranking only 22nd in land area.

EMU MODEL: Mrs. John M. (Janis) Miller, 3747 McKinley Rd., a graduate student at Eastern Michigan University, is a home economics major in clothing and textiles. She is shown wearing a dress she recently completed in a pattern design course.

Golf Team...

(Continued from page one)

Bulldog squad scored 163, Saline 173, and Dundee a 189.

Captain Mark Policht, a four-letter winner, was Chelsea's Medalist with a fine 39 effort; freshman Mike Fouty scored a 41 as did sophomore Chris Rabbitt. Senior Jeff Schmidt completed the scoring with a strong 42 performance.

This Spring Chelsea is led by three veteran seniors, Captain Mark Policht, Don Konkin, and Jeff Schmidt.

Other members of the team are Jim Barnes, Ron Adams, Jeff Barnes, Chris Rabbitt, Victor Steinbach, Jim Powers, Keith Cockerline, Mike Fouty, Dan Shirilla, Roger Policht and Rob Wenk.

Everyone has been working hard to improve. The team goal is to work together to bring the conference championship back to Chelsea. Saline won it last spring.

The new professional at Inverness, Carl Hegenauer, has a real interest in promoting the youth program and is making some very helpful suggestions to the young players.

Five Churches Join in Key 73 Workshops

(Continued from page one)

Church agreed and added, "We have to get away from the idea that only ministers are qualified to say anything about the Christian faith."

Pastor Roman Reinick of Bethel United Church of Christ placed the workshop against its larger Key 73 background. "Our congregations have experienced great benefits from the Key 73 program. We've learned of the many advantages which come from working together," he said.

"Furthermore," commented Pastor Dennis Falk from St. John's Lutheran church, "the tremendous response which we had to our study-fellowship meetings in February shows that large numbers of people are looking for opportunities to grow in their Christian faith and for opportunities to share that faith."

All meetings of this session of the Key 73 study-fellowship will be held at Bethel United Church of Christ. The meetings will begin at 8 p.m. the last four Thursdays in May.

Judge Rules Against Unfair Labor Charge

(Continued from page one)

cion, or the like. It was a communication of the School Board's position as in the Grand Haven case, and is not an unfair labor practice."

As to the publication of a deadline, the judge said, "Either side in negotiations may offer a withdrawal offers, and it would appear that to limit either party's right to deadline an offer would be a serious hindrance to the bargaining process."

He continued, "The teachers had the choice of accepting the offer, rejecting it, or letting it lapse. They rejected the offer before the deadline, and it does not appear as though the deadline affected this decision one way or another."

"It does not appear as though the deadline was motivated to (sic) disparage the Union," concludes the judge, "or otherwise to discriminate against teachers or their representative."

Now that the 1972-73, 1973-74 teacher contract has been ratified and is in effect, say several sources, it is not likely the CEA will want to resurrect this old dispute, regardless of their feelings about the judge's ruling.

What's Cooking In Michigan

By Larrestine Trimm
Michigan Dept. of Agriculture
Marketing Information Specialist

Asparagus, Michigan's earliest spring vegetable crop, will soon be on the market. The straight green spears are emerging through the sandy loam soils, primarily in Berrien, Van Buren, Oceana and Allegan counties.

Michigan ranks third nationally in asparagus production. Last year, 10,900 tons of the crisp tender vegetable, grown on 14,500 acres of farmland, were worth nearly \$8 million, according to the Michigan Department of Agriculture.

Most of Michigan's asparagus is sold to processors for canning and freezing; only about six percent is sold fresh. Much of the crop is harvested by hand but extensive efforts are being made to mechanize. Harvesting generally ends by the last of June.

When buying fresh asparagus, look for closed, compact tips and smooth green spears. Wash the vegetable thoroughly. The stalks may be scrubbed gently with a vegetable brush.

To cook whole fresh asparagus, tie the stalks into a bundle with a band of foil and stand upright in about one inch of boiling salted water in a deep pan. Cover the pan and cook until the stalks are just tender when pierced with a fork. Cooking time is usually about 10 to 20 minutes.

There are many tempting ways to serve this vegetable. Try pouring a lemon-butter sauce or a hollandaise sauce over hot asparagus. Or, add diced hardcooked eggs to a medium white sauce and serve over the vegetable. Hot, buttered asparagus garnished with bits of crisp bacon or toasted almonds makes an attractive tasty dish. And chilled cooked asparagus is a delicious salad when topped with Italian dressing and chopped parsley.

TATTOOING HISTORY

Before the invention of the electric needle, tattooing was done with pointed sticks and wooden mallets, much as sculptors work with hammer and chisel. The process could take days.

LOSE UGLY FAT OR PAY NOTHING

anus, whopping cough, smallpox, polio, measles, rubella and has had a TB test. A form for this purpose will be available at the registration.

Parents who will be unable to attend this meeting are urged to call 475-8774 before May 14, or shortly thereafter, to register their child by phone. Do not call to register your child on May 14, however, because that will be a busy day at the Kindergarten Center.

All kindergarten children must be registered prior to the opening of school so they may be placed in a classroom by the first day of school in September. Tell your neighbor about the importance of registration.

If your child will be five years of age on or before Dec. 1, 1973, subscribe today to The Standard!

be sure to join the group May 14. Please bring your child's birth certificate which must be seen by school authorities by the first day of school, according to state requirements. The state prefers a county clerk's certificate to a hospital certificate.

Michigan epileptics receive psychological, psychiatric and social services through the Epilepsy Center of Michigan. The Center, a member service of the United Way of Michigan, also measures epileptic's brain waves on an electroencephalograph and does laboratory testing and X-rays. With the funding provided by 150 local United Way campaigns, ECM also promotes the employment of epileptics.

Mrs. Robert Loren Koengeter

Diane Steele, Robert L. Koengeter Speak Vows at St. Mary Church

Robert Loren Koengeter, son of Mr. and Mrs. Loren Koengeter of 3015 Fletcher Rd., took Diane Steele as his wife, Friday, at a 7 p.m. ceremony at St. Mary Catholic church.

The Rev. Fr. Philip Dupuis and the Rev. John Morris conducted the ceremony. Chris Alber played the guitar and sang, "One Hand, One Heart," and "The Wedding Song." Ann Merkel was organist.

The bride, escorted down the aisle by her father, John W. Steele of 6800 Portage Lake Rd., Munith, wore a gown of ivory satin and organza. Pearled, chantilly lace adorned the band neck, bodice and A-line skirt. Long sleeves and an attached wattle back also added to the charm of the gown.

Her dark hair was crowned with a short bouffant veil attached to a headpiece of chantilly lace. She held a cascading bouquet of white roses, stephanotis, and ivory streamers.

Mrs. Jerry Picklesimer, sister of the bride, was matron of honor. Her green dotted swiss, floor-length dress had an empire waist line with white lace trim. She carried a bouquet of rainbow-colored daisies.

Attending as bridesmaids were Mrs. Thomas M. Steele, sister-in-law of the bride, and Miss Marcy Ann Orlovski, both of Chelsea. Mrs. Steele was dressed in yellow dotted swiss while Miss Orlovski, in a similar dress of the same material, was in blue. They carried rainbow-colored flowers.

The bride's mothers, Mrs. John Steele, wore a turquoise dress with gold and silver trim and carried a nosegay of pink, carnations and pink baby's breath. Mrs. Koengeter wore a blue princess style dress with pearl trim and her carnations were tipped in blue.

Miss Shelly Smith, of Midland, was flower girl, wearing a long dress like the bridesmaids' in pink. Todd Hopkins, nephew of the bridegroom was ringbearer.

The bridegroom's brother, Donald Koengeter, was best man while Christopher Steele, brother of the bride, and Richard Bollinger, of Chelsea, were ushers.

The bride's parents hosted a reception at the Rod and Gun Club after the ceremony. The cousin of the bride, Miss Mary Wood, poured the punch while Kathy Hopkins took charge of the guest book. Nancy Mshar, cousin of the bride, cut the cake. About 250 guests attended.

The bride, dressed in a strawberry pink dress with a corsage of white roses, left with her new husband for a wedding trip through the southern states after the reception. She is a 1970 graduate of Chelsea High and is presently employed at Federal Screw Works.

The bridegroom is also a 1970 Chelsea High graduate who works at Huron Farm Supply in Dexter. They will make their home at 12351 Waters Rd., Chelsea.

YOUNG HOMEMAKERS

Young Homemakers Study Group met Thursday, April 28, at Chelsea Lanes where members enjoyed three games of bowling. Gifts were presented afterwards for high and low games. A short business meeting followed.

Next meeting of the group will be held at the home of Mrs. Robert Heller.

BEST SELLER

"The Living Bible," a paraphrase of the Bible in modern English, was the country's best-selling book in 1972.

Mother-Daughter Dinner Held

American Legion Auxiliary Mother-Daughter Dinner was held Tuesday, May 1, with a pot-luck dinner and 25 members and guests. After a short program, gifts were given as follows: oldest grandmother, Mrs. Joe (Florence) Merkel; mother with the most daughters present, Mrs. Fritz (Sandy) Weber; youngest mother, Mrs. Darrell (Gay) Bolanowski; latest mother to arrive for dinner, Mrs. Robert (Virginia) Geer; youngest daughter, Karen Weber.

The regular meeting at 8 p.m. was attended by 15 members. Poppy Day is May 18, a day to honor our heroic dead and aid the living who have been disabled by war. The success of Poppy Day depends upon each member. Helpers are needed. Contact Delphine Bolanowski.

It was suggested that letters be sent by all members to the tronaut Office, Houston, Tex., 77058, regarding Madeline O'Hare's request that astronauts refrain from making references to God or the Bible. Mrs. O'Hare is an atheist who was instrumental in the suspension of prayer in schools. Veterans Administration Hospital in Ann Arbor will have a Recognition Night for volunteers May 9.

The next meeting of the Auxiliary will be June 5, Tuesday, at 6:30 p.m., at the Legion Home with the annual Dues Luncheon. The regular meeting will start at 8 p.m.

Rogers Corners Study Group Elects Officers

Rogers Corners Extension Study Group met Tuesday evening, April 24, at the home of Mrs. John Koepele, with Miss Elsie Hinderer as co-hostess.

The 15 members present responded to the roll call topic "suggestion of where they would like to go for their night out" which will be May 15. During the business meeting, plans were made for the Spring District party to be held May 7, at the Freedom Township Hall.

Officers for the coming year were elected. They are chairman, Mrs. Walter Wolfgang, vice-chairman, Mrs. John Koepele; secretary-treasurer, Mrs. Erwin Wenk; recreation leader, Mrs. Leroy Buss; community chairman, Mrs. Mildred Huehl; sunshine chairman, Miss Elsie Hinderer.

The remainder of the evening was spent making tray favors. Refreshments were served by the hostesses at the conclusion of the evening.

Mrs. Floyd Gentner Enjoys Tour of Europe

Mrs. Floyd E. Gentner of 30 Jackson St. returned home Friday from a vacation in Europe. She had accompanied her son, Duane, and his family of Hanover Park, Ill.

They visited Amsterdam, Netherlands, Zurich, Basel and Luzern, Switzerland, and Fussen, Lindau and Freiburg, Germany. They also stopped in Strasbourg, France. "It was a dream come true," says Mrs. Gentner.

To remove rubber heel marks from floors, wipe the spots with kerosene, turpentine, mineral spirits or floor oil.

Mrs. Dennis Michael Brinkman

Sharon E. Sutter, Dennis Brinkman Wed at Cogregational Church

A 2 p.m. ceremony at the First Congregational church was the setting for the marriage of Sharon Elizabeth Sutter and Dennis Michael Brinkman on Saturday, April 28. The Rev. Carl W. Schwarm performed the ceremony.

Parents of the newlyweds are Dr. and Mrs. Edwin J. Sutter, of

Chelsea, and Mrs. Evelyn Brinkman of Celina, O., and Mrs. Walter Brinkman of Phoenix, Ariz.

For the double-ring ceremony, the bride selected a floor-length gown of white silk and organza with an empire bodice appliqued with stripings and flowers of Venice lace. The full blown sleeves and circlet neckline were petaled with white silk and organza.

Her elbow-length veil had three tiers of French silk illusion, attached to a tiara-style headpiece made of Venice lace and trimmed with a wide pink satin bow and streamers. She carried a cascade bouquet of pink sweetheart roses and baby's breath.

Mrs. James R. Mongiovi was matron of honor for her sister. She wore a gown of pink chiffon with an empire waist, tucked bodice and wide Venice lace trim with a pull-through ribbon and Bishop sleeves. She carried a cascade bouquet of pink carnations and red roses.

The mother of the bride wore a floor-length lavender crepe dress with a v-neckline and puff-shouldered, long sleeves bordered by wide ruffles, and a gathered full skirt. The bridegroom's mother also wore a floor-length gown of pale blue crepe with chiffon sleeves and rhinestone trim.

Ronald Silver of Arcanum, O., served as best man. Seating guests were Charles Schweiss and Robert Myers, both of Belleville.

The reception was held in the church hall immediately following the ceremony. The couple will reside in Belleville.

SCHOOL LUNCH MENU

Week of May 7-11

Monday, May 7—Hero - burgers, hot dog buns, cold pork and beans, pineapple, caramel coffee cake, butter, milk.

Tuesday, May 8—Italian spaghetti, tossed salad, french bread, butter, apple-crisp, milk.

Two rings in one... Inner stone-set band can be worn attractively without guard ring.

Winans Jewelry

Deborah J. Burko, Joseph Singer Wed Sunday at Pinckney Church

Deborah Jean Burko, daughter of Mr. Edwin L. Burko of 13720 Ridgmont, Gregory, became the bride of Joseph Paul Singer, Sunday, at an afternoon service. St. Mary's Parish in Pinckney was the scene of the wedding.

The ceremony, in which Deborah Jean married the son of Mr. and Mrs. Morgan F. Singer of Grand Rapids, was conducted by the Rev. Fr. Conklin. Vincent Young, the bridegroom's uncle, sang "Ave Maria," and "The Lord's Prayer."

The bride and Mrs. Morgan Singer designed and made the wedding gown of white satin covered with a white organza pinfore. A train was attached to the empire style dress.

In addition to carnations, daisies, and baby's breath, the bride carried a satin prayer book which belonged to the bridegroom's grandmother. Her head was capped with a shoulder-length veil.

Mrs. Gary Ellison of Monroe, the bride's cousin, was dressed in a gown of pink crepe as she served as matron of honor. She carried a single tinted carnation surrounded by baby's breath that mirrored the blue flowers in her dress. She wore a white picture hat.

The bridesmaids, Joylyn Burko, sister of the bride, Nancy Singer, sister of the bridegroom, and Mrs. Steven Sowers, cousin of the bridegroom, wore gowns of light blue crepe ornamented with pink flowers. Blue satin ribbons accented their hats.

The mother of the bride, Mrs. Marlene O'Connor of Flat Rock, wore a long, light pink dress with white lace trim. The bridegroom's mother was also dressed in a long gown.

The bridegroom's brother, Frederick Singer, was best man. Patrick Singer, another brother, Steven Sowers, and Robert Keiser, cousin of the bridegroom, ushered.

Chelsea Fair Service Center housed the reception, which 200 guests attended, following the ceremony. Miss Betty Singer, sister of the bridegroom, was in charge of the guest book during the festivities.

The couple took a two-day wedding trip to Toronto, Canada, before returning to their home in Westview Apartments, Ypsilanti. They will reside on campus at Eastern Michigan University where the bridegroom is studying English literature. He will work as a park ranger for the Pinckney Recreation Area during the summer.

The new Mrs. Burko is a 1973 graduate of Cleary College and a 1969 graduate of Schafer High school, Southgate.

Homemaking Hints

To protect knits from snagging during cleaning, turn garments inside out before washing or dry-cleaning.

DIGIUSTO - WHITESALL: An August wedding is being planned by Denise DiGiusto of Taylor and Daniel Whitesall, son of Mr. and Mrs. Robert Whitesall of Chelsea. The bride-to-be, the daughter of Gino DiGiusto, will graduate from John F. Kennedy High school in Taylor this June. Daniel is an apprentice brick layer in Ann Arbor. The couple plans to make their home in Chelsea.

Girl Scouts

TROOP 689—

Our sister Brownie troop came to our meeting. We collected dues. Then we had our flag ceremony. We went outside to play games with the brownies. First we played Strut, Miss Lucy. Then we played Red Rover. Mrs. Bear and Mrs. Hoffman were captains. Mrs. Hoffman's team won.

Larrie Flinn brought treats. We closed with the taps.

Larrie Flinn, scribe

TROOP 169—

We learned to make flowers from Kleenex and also made some rhythm instruments with paper plates. We worked on the Mother's Day program that we're going to surprise our mothers with at the Mother's Day picnic.

Sandy Frame, scribe.

A special medical unit for stroke patients has been opened at the Veterans Administration's West Haven, Conn., hospital.

Senior Band Members Are Dinner Guests

On Thursday evening, April 26, thirteen senior band members were treated to a dinner of their choice at the Campus Inn in Ann Arbor, as guests of the Band Boosters Organization. Each year senior band members are honored at a spring dinner.

This year's group included Stephanie Aldrich, Heather Brooks, Mary Detling, Bill Harrison, Dennis Huehl, Dianne Klemmer, Margaret Lancaster, Yvonne Leonard, Bonnie Powers, Bill Schaffer, Steve Worden, Gena Cotterman and Bob Elliott.

Those seniors unable to attend were Lee Ferguson, Robert Schneider, Dennis Cosgrove, Leslie Dietle and Lee Hafner.

Accompanying the students were Mr. and Mrs. Warren Mayer, Mr. and Mrs. Ronald Harris and Mr. and Mrs. James Sprague. Warren Mayer and Ronald Harris are the band directors and James Sprague is Band Booster president.

Two Larcenies Reported to Chelsea Police

Two petty larcenies were reported to Chelsea Police Department this week. The stolen property in a third has been recovered.

William Kushmaul of 321 Grant was the victim, Saturday night, of a thief who took an electric lawn mower from Kushmaul's unlocked garage. The red Sunbeam machine, complete with a 50-foot cord, is worth \$70.

David Kirk Haas was reportedly robbed of his Homelite automatic chain saw, Friday night. Haas reported leaving the saw on the front seat of his vehicle which was parked in front of his house at 163 Summit. It was gone the next morning.

The year-old saw is worth \$40. The vehicle was not locked.

A third piece of private property, a lawn chair owned by Gerald Durgan, was taken from his front porch at 158 Orchard, Saturday night. Durgan found the chair the next day down the street from his home, attached to a telephone pole guideline with a padlock. Heavy wire cutters were needed to free the chair.

every Saturday. Live music, mixers and refreshments. For more information call 663-6068.

Hot meal service brought to home of elderly or disabled. Available seven days a week to people living in the Village of Chelsea. For more information call 475-2923 or 475-8014.

Inquiries regarding the Chelsea blood bank may be directed to Harold Jones in the event that Mrs. Dudley Holmes is unavailable, or to Mrs. Pauline McKenna, American Red Cross in Ann Arbor, 971-5300.

DEATHS

H. Douglas Lange

Memorial Service Held Here for Retired Engineer

H. Douglas Lange, who retired four years ago from Ford Motor Co., died April 26, in Jackson, Wyo. While a resident of Chelsea, he had been active in scouting and church work.

Mr. Lange was born Dec. 22, 1901, in Kronenberg, Germany, to Ernst and Louise Grabbe Lange. He was baptized into the Christian faith in the Congregational church of Hartford, Conn. He married Helen MacKercher Oct. 27, in Hillsdale. The couple had one son, Roy Douglas Lange.

He is survived by one sister, Erika Powell of San Diego, Calif., and one niece, Betty Freudenheim of Paris, France. One brother, M. E. Lange, and one sister, Louise Ege, preceded him in death.

While living in Chelsea, Lange served as a deacon of the First Congregational church and taught Sunday school. He was also a leader of Youth Fellowship in that church and served as Commissioner of the Boy Scouts of the Chelsea area.

When Lange, an automotive engineer for the Ford Motor Co., retired, he pursued his interest in the art of oil painting.

A memorial service will be held at the First Congregational United Church of Christ, Friday, May 4, at 2 p.m. Memorial contributions may be made to the Cancer Fund.

Mrs. Lyle S. Winkle

Dies Tuesday at Hospital Following Brief Illness

Mrs. Lyle S. (Mariann L.) Winkle, 39, of 4391 Clear Lake Rd., Grass Lake township, died Tuesday, May 1, in St. Joseph Mercy Hospital, Ann Arbor, after a brief illness.

Mrs. Winkle was born June 4, 1933 in Ann Arbor, a daughter of John and Elizabeth Wilkie Hartmann. On March 10, 1951 she was married to Lyle S. Winkle. He survives.

Mrs. Winkle was a member of St. John United Church of Christ of Franciscan and the Women's Fellowship of the church.

Other survivors, in addition to her husband, are a son, Darrin Lee Winkle, and a daughter, Deborah Jean Winkle, both at home, a sister, Mrs. Merle (Helen) Sibley and a brother, Elmer R. Hartmann, both of Chelsea, several nieces and nephews.

Funeral services will be held at 10 a.m. Friday, May 4, at the Burghardt Funeral Home with the Rev. Robert Townley officiating. Burial will follow in Washtenaw Memorial Park, Ann Arbor. Those desiring to do so may make contributions in Mrs. Winkle's memory to St. John United Church of Christ Memorial Fund. Friends may call at the funeral home.

Shoes and handbags made from ultrasuede, a fake leather, are prevalent in retail stores this spring.

Adolph P. Duerr

Former Local Businessman, Meat Cutter, Dies Sunday

Adolph P. Duerr, who came from Germany to Chelsea with his wife in 1923, died Sunday at the age of 78. He had been ill for several years.

Duerr, who lived at 204 East St., leaves a daughter-in-law, Mrs. Adolph (Lina) Duerr, Jr., two granddaughters, Barbara and Christine and two cousins, Alfred and Oscar Lindayer, all of Chelsea.

His wife, the former Louise Hoelzer, died March 6, 1959, and his son, Adolph, Jr., died April 1, 1963. Duerr was born Jan. 24, 1894, in Lorch, Germany, the son of Johann and Marie Lindauer Duerr. He married Louise in Lorch, April 26, 1919. They arrived in Chelsea four years later.

He worked for Klingler Meat Market and later took over the ownership and operation of the establishment until illness forced him to retire. He worked for Federal Screw Works during the second World War and after the war he farmed and owned and operated a slaughter house.

Duerr also worked for Steeb's Market and the Stop & Shop as a meat cutter. He was a member of the Fraternal Order of the Eagles No. 612 of Jackson.

Funeral services were Tuesday, May 1, at 1 p.m. at Staffan Funeral Home. The Rev. Warner Siebert officiated. Burial followed at Oak Grove Cemetery.

Contributions may be made to the Cancer Fund in care of Dr. Nixon at St. Joseph Mercy Hospital.

Tara Lynn Clark

Infant Daughter Dies At U. of M. Hospital

The second daughter of Mr. and Mrs. Kim Clark of 232 South St., Tara Lynn, died May 1, at the University of Michigan Women's Hospital. She was four days old. Kim had been born at home, April 27.

She is survived by her parents; her maternal grandparents, Mr. and Mrs. David Winans of Chelsea; paternal grandparents, Mr. and Mrs. Glen Clark of Daly, Calif.; maternal great-grandparents, Mr. and Mrs. Elmer Winans of Chelsea; and one sister, Karri, at home.

Graveside services were Wednesday, May 2, at 2 p.m. at Oak Grove Cemetery with the Rev. Carl Schwarm officiating. Arrangements were by Staffan Funeral Home.

Roy Lewis

Area Man's Father Dies Here Saturday Morning

Roy Lewis of Grand Blanc died Saturday morning, April 28, at the home of his son, Thomas Lewis, in Grass Lake. Mr. Lewis, who was 78, had spent most of the winter months there.

He is survived by his widow, two sons, Thomas and Evan of Centralia, Wash., and 10 grandchildren.

Rollie Collinsworth

Area Residents' Father Dies in Kentucky at Age 79

Rollie Collinsworth, father of several area residents, died at the age of 79 on Easter Sunday. He had lived his entire life in Magoffin County, Ky., except for a brief period during World War II. At that time he served with the United States Army. He was a member of the Church of Christ.

Mr. Collinsworth was the father of Thomas, Clifford and Luke Collinsworth, Mrs. Eldean Elise, Mrs. Elita Borders, and Ben Roark, all of Chelsea. He is also survived by his other children, Mrs. Norman Allen of Stockbridge, Mrs. Robert Smith of Ypsilanti, Mrs. Robert Castle of Warsaw, Ind., Guy Roark of Kenova, West Va., and Harold Collinsworth at home.

He also leaves Ellen, his wife of 10 years; a brother, Roy, of Valparaiso, Ind.; a sister, Pearl Greer of Jackson, O.; and several grandchildren and one great-grandchild.

PORTRAIT OF THE ARTIST as a young child: Self expression was written large all over the halls outside Miss Suzanne DeVries' first grade classroom last week when life-sized self-portraits of her students were displayed. The painting was done under

the trained eye of art teacher Mrs. Barbara Wahl with tempera paint on butcher's paper. Kneeling in front of themselves, from left, are Brenda Hoelzer, Jane Wood, Daniel Klemmer, Susie Oesterle, Lisa Nix, and Kevin Feldkamp.

WYCINANKI is an art as delicate and decorative as its name. The Polish custom of cutting folded paper into intricate designs to decorate newly whitewashed kitchen walls for Easter was partly revived by Mrs. Catherine Hightower's 5th grade

students in Mrs. Barbara Wahl's art class this spring. Only the kitchen walls were missing. The cutouts looked nearly as nice on the classroom walls. Standing in front of their creations are Susan Fults, Julie Botsford and Kelli Borton.

Larry Jones Listed in Outstanding Wrestlers

Larry Jones, son of Mr. and Mrs. Errol Jones of 6051 Sibley Rd., was recently chosen to be included in the "Outstanding Freshman and Sophomore List in the Nation." The list includes wrestlers from across the country who have shown ability in their sport.

Softball League Meeting Set for May 10

Softball league meetings will be May 10 at the high school cafeteria. The fast pitch meeting will be at 7:30 followed by the slow pitch meeting at 8:30. League entry fee money must be paid at that meeting.

Spiritual Happening At Assembly of God

First Assembly of God, at 14900 Old US-12, will be the scene of a spiritual happening, May 26. During that time Gail and Larry Riley will be with the congregation to sing and preach about their "miracle working savior." Services will be at 7 p.m.

Committee Chairmen Named For Area Girl Scout Council

The appointment of Mrs. James L. Barden as program chairman of the Huron Valley Girl Scout Council was announced yesterday, May 2, by Mrs. Louis Galati of Dexter, president of the Council.

Mrs. Barden of 1181 Shady Oaks Dr., will be responsible for the activities of Girl Scouts in troops and camps. A former Brownie leader, Mrs. Barden has also served as a neighborhood chairman, Day Camp director, and a Council committee member.

Five other appointments to various leadership positions in the organization were also announced yesterday. Guiding the organization, which serves 12,000 Girl Scouts and 3,000 adults in Washtenaw, Livingston, northern Monroe and western Wayne counties, will be: John Swisher of Ann Arbor, finance; Wendell R. Lyons of Ann Arbor, public relations; Mrs. George Simons of Belleville, personnel; Mrs. Derek Perkins of Ann Arbor, wider opportunities; and Mrs. Joseph Chicky of Westland, nominating.

As finance chairman, Swisher will co-ordinate fiscal planning for the area's nearly 600 Girl Scout troops, as well as three Girl Scout camps. Swisher, who is head of Swisher Realty Co., served on the Huron Valley Council's finance committee for the past two years, and in 1971 and 1972 was chairman of the council properties committee. He is a former member of the Ann Arbor City Planning Commission and Board of Review and served as chairman of both groups. He is past president of the Ann Arbor Board of Realtors.

Lyons heads the 11-member public relations committee charged with helping the Council respond to community needs. Lyons is serving his second year in this post. He is director of University of Michigan Development Council. He is past chairman of the Washtenaw United Fund and past president of the Ann Arbor Rotary. Currently he serves as a member of Michigan United Fund as well as a board member of the First United Methodist church.

Mrs. Simons heads the personnel committee which is responsible for recruiting and training adult leadership for troops and Council activities. Mrs. Simons has served in this capacity for one year. She has been Southern Wayne Area Association chairman, a troop leader, neighborhood chairman, and a trainer for the Council. She is also a member of the Northside Community church and the Child Study Club of Belleville.

Mrs. Perkins will direct the Council program of acquainting local Girl Scouts and adults with opportunities beyond the troop experience for travel and conferences in other parts of the United States and abroad, offered by Girl Scouts of the U. S. A. Mrs. Perkins has been a Cadette troop leader and a Girl Scout day camp director and currently assists with the Council-wide organization, Huron Valley Hikers.

Mrs. Chicky will direct the work

of the Council nominating committee to propose people for leadership roles in the Council. Mrs. Chicky currently is leader of Cadette Troop 430 in Westland. And in the past has been a volunteer troop services director, a Brownie and Junior troop leader and a member of the nominating committee. She is past president of Church Women United of Westland.

Chairmanships of these major policy-making committees will be for 1973-74.

Society Seeks Timber Wolf Preservation

Jethro and Clem, two timber wolves, may be seen roaming from school to school the next few weeks, but there is no cause for alarm. They are billed as "good will ambassadors" for their fellow animals and have been invited to those schools during the last week in April.

Accompanying them will be their guardian, John Harris, president of the North American Association for the Preservation of Predatory Animals.

The wolves will come closest to Chelsea when they appear, May 2, at Grass Lake High school. This assembly will not be opened to the public, but the April 29 appearance, in Ann Arbor, will be. Chelsea residents may meet the ambassadors at Pioneer High Auditorium at 2 p.m. Tickets are available at Ann Arbor Pet Supply, Collectors House of Art, and Wicker World of Ann Arbor, Melencamp in Ypsilanti and at the door.

Those who come to meet Clem and Jethro at this program, sponsored by the Fund for Animals and the Washtenaw Audubon Society, will also see "Death of a Legend," which focuses on the need for ecological balance.

Animal Waste Control Systems Prevent Pollution

One hundred and ten animal waste management systems were built by landowners in the state with assistance from soil conservation districts according to Arthur H. Cratty, State Conservationist, USDA, Soil Conservation Service, East Lansing.

These systems were planned and built to collect polluted runoff from animal feedlots and divert this contaminated water to storage ponds. This kept polluted water from entering lakes and streams. Later, this polluted water will be pumped through irrigation systems and will be spread back on the land.

Some systems used channels and diversions to keep clean runoff water from passing through an animal feedlot. Large concrete tanks were built under barns or feedlot floors to collect animal wastes in liquid form. Some tanks had slatted tops to eliminate the labor of scraping manure daily into openings in the top of the tanks.

Each system was planned, said Cratty, to solve a pollution problem at the farmstead or feedlot. The result was cleaner water in Michigan's lakes and streams. He stated, farmers are doing their share in improving the quality of our water.

In Washtenaw county, four systems were built last year according to Clark Eacker, District Conservationist, so that pollution from animal wastes was controlled. Next spring or summer, the liquid manure may be spread safely on the land and additional nutrients will not be in Michigan's beautiful lakes and streams.

4-H Softball Teams Will Be Organized

"There will be a coaches meeting for all Washtenaw 4-H clubs planning to participate in the softball program on May 9, 7:30 p.m. in the 4-H office at the County Building in Ann Arbor," according to Duncan E. Sanford, Extension 4-H Youth Agent.

All clubs planning to enter a team must have a coach or representative in attendance at the meeting. State rules will be reviewed and county rules will be adopted. Game schedules will also be worked out at the meeting. Clubs may enter teams in the young division and/or the older division. Both boys and girls may participate. Both fast and slow pitch teams may be entered.

Latter Day Saints Plan Fellowship Meeting May 12

Chelsea Branch of the Church of Jesus Christ of Latter Day Saints will be holding its May Fellowship meeting, May 12, at 7 p.m. All those attending are asked to meet at the Donald Pierson home; 20324 Jerusalem Rd. The fellowship will take place at Frisinger's Pond.

The list of activities includes songs, skits and a marshmallow roast around the campfire. Highlight of the evening will be a talk given by Dr. Warner Woodworth, Professor of Psychology at the University of Michigan.

It promises to be a stimulating evening for all, with plenty of fun and fellowship. Everyone is welcome to attend. For more information, please call 475-8125 or 475-2708.

Free Booklet Describes Shade Tree for Homes

With warm weather on the way you may be thinking about doing some landscaping around your home.

If you are planning on putting in some shade trees this year, the U. S. Department of Agriculture can help with a booklet entitled "Shade Trees for the Home." Copies are available for 75 cents from Consumer Product Information, Pueblo, Colo. 81009.

This booklet has suggestions on what kinds of trees are appropriate for particular areas of the country and tells how to plant and care for them.

Before you buy a tree, think about where it is to be planted. Will there be any problem in using that space?

—Is it near the street? Then a pollution resistant tree is preferable.

—Near a sidewalk? Trees with shallow roots can break sidewalks.

—Close to a sewer or drain? Elms, willows, poplars and maples can clog drains.

—Near other trees in your yard or the next yard? Trees should be spaced as far apart as their mature limb spread, and most should be planted at least 30 feet from the house.

Once you have decided where to plant, "Shade Trees for the Home" can help you choose the tree best suited for your yard.

The book describes more than 200 shade trees, indicating the coldest zone in which they will grow.

"Shade Trees for the Home" is one of more than 200 Federal publications of consumer interest listed in the Spring 1973 edition of the Consumer Product Information Index.

The Index is published by the General Services Administration's Consumer Product Information Center. Copies of the Index are available free from Consumer Product Information, Pueblo, Colo. 81009. Multiple copies are available to educators and consumer groups.

VANDALISM UP
Vandales and souvenir hunters in Rome are attacking so many ancient statues throughout the Italian capital that the city's Antiquities Office now maintains a complete collection of molds of every statue's nose to ensure accurate restoration.

"The Place To Go for Brands You Know"

Demand for Engineers Is Increasing

East Lansing—Demand for engineering graduates is picking up and will soon outpace the decline in student enrollments. Federal government manpower forecasters anticipate an average annual national need for 43,000 engineering graduates between now and 1980.

Analysis of new shifts in the job outlook was made by George Van Dusen, assistant dean of engineering at Michigan State University; Joe Easley, associate dean of engineering at the University of Michigan; and Kenneth Meade, assistant to the dean of engineering at Oakland University on behalf of the Michigan Engineering-Community College Liaison Committee.

While the prospects of demand are so encouraging, student enrollment in engineering has declined. The reduction in student ranks has been attributed to a number of causes including the lowering of draft quotas and inflationary pressures on the general economy.

Federal Legislation Urged for Bargaining By Public Employees

East Lansing — Labor, government and university officials from the Great Lakes states have recommended that federal legislation be enacted to "insure all public employees the rights that are now provided in states with collective bargaining laws."

The labor specialists, meeting at Michigan State University's Kellogg Center for Continuing Education, also went on record in opposition to "a blanket prohibition" against strikes in public employment.

The group included about 75 persons who gathered for the Great Lakes Assembly on Collective Bargaining in State and Local Government.

Cancer Fund Still Seeks Contributions

Although Cancer Drive month is over, the Washtenaw County effort will continue through September, says Mrs. Richard Keezer, Chelsea Cancer Drive chairman. "It's not too late to send in your donations," she says.

The Chelsea committee did not have enough envelopes to see that every member of the community was solicited through the mail. Nevertheless, they hope everyone will give to the worthy cause. Mrs. Keezer suggests that those who were not contacted send their contributions to her at 1315 Preet Rd.

BRIDAL SHOWER

A bridal shower for Miss Elaine Hall was held at the home of her grandparents, Mr. and Mrs. Reuben Lesser, Sr., last Saturday evening. Thirty relatives and friends attended the miscellaneous shower as guests of hostesses Mrs. Reuben Lesser, Jr., Mrs. Peter Rusche, and Mrs. Robert Brammer. The bride-to-be, who was honored with gifts, refreshments and games, will marry Richard Smith in June. She is the daughter of the former Virginia Lesser, now of Oscoda.

BOY SCOUT NEWS

TROOP 475—

Boy Scout Troop 475 of Chelsea under the guidance of Bob Blank, senior patrol leader, brought home another blue ribbon from the Ironquills Spring Camporee. Approximately 400 boys from 37 troops were the participating.

Troop 476 took two patrols and two adults. Those present were Bob Blank; Jimmy Stahl, patrol leader; Mike Stoner, patrol leader; Robert Burgess, quartermaster; Don Oesterle, scribe; Joe Vallin-court, Doug Wetzel, Doug Eisele, Doug Kalmbach, David Wetzel, David Stahl, David Hall, Mark Kern and Don Hall.

Don Hall was selected by his fellow scouts to go in the Order of Arrow.

The adults that went along were Otis Titus and Charles Stoner, scout master. The theme of the Camporee was Personal Fitness.

TROOP 455—

We had Mr. Boyer come to our meeting to show us some things on and about guns. We had about some 20 guns on hand. He stressed that guns are always loaded. On April 23, we opened with the pledge of allegiance. Mr. Branim was absent so Mr. Leach led us. We discussed our camp out. We were also told about the Order of the Arrow.

David Baldwin, scribe.

CUB SCOUT NEWS

DEN 1, PACK 415—

On Saturday, April 28, the Cub Scouts of Den 1, Pack 415 observed "Keep America Beautiful Day" by picking up a large amount of trash from the shoulders of Glazier Way.

With the help of den mother Mrs. George E. Atkinson and Mr. Atkinson, cub mothers Mrs. Spencer and Mrs. Harrison, and a friendly helper, Debbie Harrison, cubs Chuck Spencer, David Harrison, Leroy Dreiman, Glenn Miller, and Jerry Ratzloff and John Greene collected four large garbage bags of broken bottles, rusty tin cans and aluminum beer cans from the roadside in the Waterloo Recreation area.

After all their work, the boys felt a awful dumb to throw trash along the road but they made \$29 for the treasury on returnable bottles.

John Greene, scribe.

DEN 13, PACK 435—

Our den made Indian signs on paper and learned what they meant. The Scout-O-Rama is May 12. It is a one day show at the University Stadium. The cub scouts sell the tickets for \$1, so get yours while they last. Remember, it is a very good show.

Tobin Boyd, scribe.

Foster Homes Needed For Leader Dog Puppies

"We are in urgent need of two youth and their families to take two Labrador Retriever puppies and raise to approximately one year of age," according to Mrs. Virginia Schlemmer, president of the Washtenaw Leader Dogs for the Blind.

We now have several dogs in homes. These families don't have to be expert dog trainers. Quite the contrary, the dogs need only to be house broken and socialized to everyday life situations. The Rochester Leader Dog School for the Blind will do the obedience training.

"The people who benefit most,

of course, are the blind who receive the dogs. These dogs provide the eyes to help these people lead a normal life. This is the real payoff for a family's efforts," Mrs. Schlemmer adds.

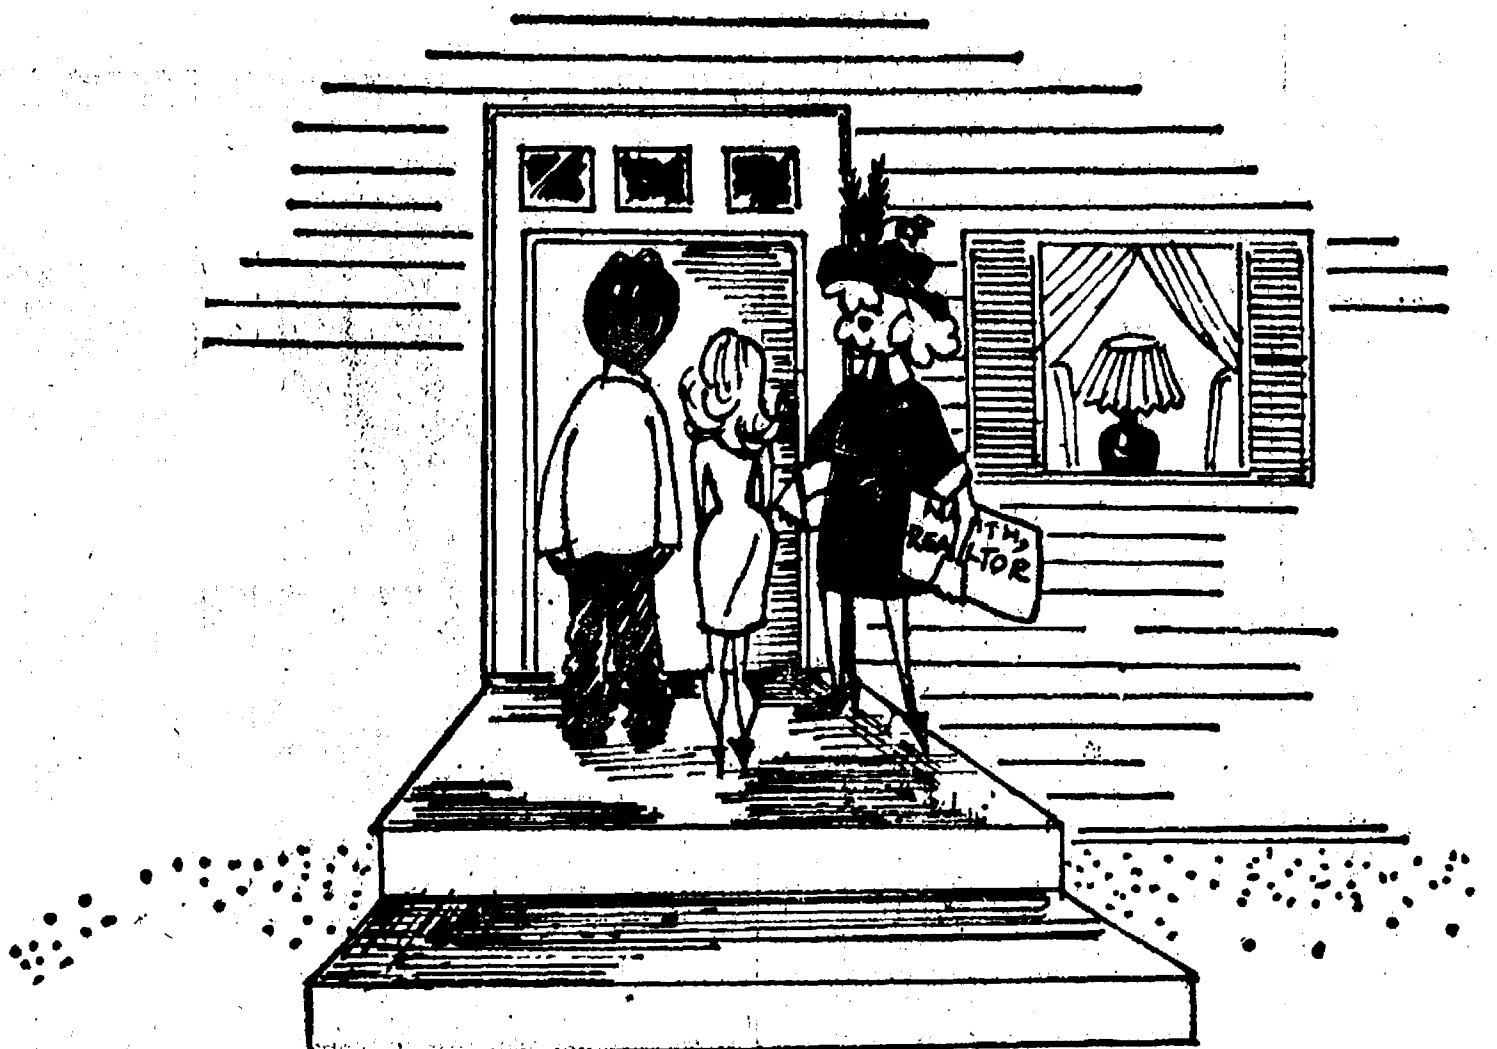

Interested persons are invited to contact Mrs. Schlemmer at 423-8301, Mrs. Greta Staebler, 683-2118, David Hess at 429-8040, or call the 4-H office at 683-7511, ext. 227. A monthly meeting of the families and their puppies is held the last Wednesday of each month at 7:30 p.m. at the Rural Activities Center on Ann Arbor-Saline Rd.

Tell People You Read It in The Standard!

A Mother's Day salute to women Realtors.

Since long before Women's Lib was fashionable, women have been a vital part of the Ann Arbor Board of Realtors. (There have been women on the Board for over 30 years.)

Our lady members exemplify a quality common to all Realtors: they are concerned with making Ann Arbor and Washtenaw County a good place to live.

As women, they are wives, mothers, and homemakers who take an active role in community affairs. As Realtors, they offer their knowledge of the market and their expertise in buying and selling houses, to provide a real service to you, the home owner.

We think our feminine colleagues are something special and that you'll find them nice people to know. Ladies, we salute you.

See a Realtor.

Recognition Dinner Set for Scout Leaders

Only those who have spent long hours as a Girl Scout leader know just how much work it can entail. For this reason there is no more appreciative audience than that at the Western Washtenaw Area Association of Girl Scouting Leadership Recognition Dinner.

Troop Committee members have planned the May 7 event in tribute to the tremendous personal effort put forth by area adult Girl Scouts. The dinner will be held at Beach Middle school at 6:30 p.m.

Local scouts to be honored are Mrs. Charles Schmunk, troop services director; Miss Carolyn Lyons, Miss Linda Walker, Troop 84; Mrs. James Stirling, Mrs. Stephen Haydock, Troop 145; Mrs. William Eisbeiser, Mrs. Norman Wilson, Troop 169; and Mrs. Cas Case and Mrs. Ellsworth Petsch of Troop 247.

Mrs. William Miller from Troop 58 and Mr. and Mrs. Allan Erke of Troop 82 will also be honored in addition to Mrs. Kenneth McDowell and Miss Ronna Trachet of Troop 442.

Other local leaders, Mrs. Fred Hoffman, Mrs. Thomas Bear of Troop 689, and Mrs. Robert Pockette and Mrs. Tom Klobucher of Troop 98 will also be recognized for their service.

Dale Koch Earns State Award in Industrial Arts

Chelsea High school junior Dale Koch was one of six award recipients in electronics at the 45th annual convention of the Michigan Education Society in Grand Rapids last week-end. Dale participated in the industrial arts competition there as a result of the recognition he received at the Michigan Industrial Awards Fair in Saline last ago.

Dale's transistorized power supply, which won second prize at the Saline regionals, March 31, was awarded the fifth place ribbon at the three-day, state-wide competition.

Said Dale's industrial arts teacher, Orville Thompkins, "The competition at the state level is pretty rugged. I feel pleased that one of our boys placed at all." Only six awards are given in each industrial arts category.

Pat Gilbert Posts All-A Record at Western Michigan

Pat Gilbert, the daughter of Mr. and Mrs. Jack Gilbert of North Lake, has distinguished herself in her junior year at Western Michigan University by achieving a straight A average.

Miss Gilbert, a Chelsea High graduate, is a major in communication arts.

Musicale Being Planned At St. Paul's

"All musicians had better start tuning up to get ready for the Spring Musicale," says a spokesman for St. Paul United Church of Christ, sponsor of the event that will produce the sound of music, May 27.

The musicale isn't as much a musical production as an opportunity for the community to get involved in the many ways of making music.

This "Spring Fling" will take place at 8 p.m. in the sanctuary and lower halls of St. Paul's church.

The first half of the event will fill the sanctuary, where groups that wish to perform sacred music may have the floor. Downstairs, the groups will be informal clusters of kitchen bands playing folk, rock or "just plain fun stuff."

Any groups or individuals interested in performing at the free-for-all should call Betty Rasmussen or Bruce Galbraith. They will provide the needed information.

Come see or join in the Spring Musicale, May 27. Everyone is invited.

86th Birthday Honored

Mrs. Belle LaRoe, better known as Grandma LaRoe, was feted for her 86th birthday, Saturday, at the F&M Restaurant. Bessie Sharp and the girls gave the party for their old friend with all the festive trimmings. In addition to supper, they presented her with ice cream, cake, cards and presents. Grandma was 86 Sunday.

Mrs. LaRoe has lived in Chelsea for many years. She may be seen peeling potatoes at the Chelsea Community Fair each year.

Young People Attend Conference On Birth Defects

Five hundred Washtenaw county youths attended the Youth Conference on Birth Defects yesterday, May 2, in Ann Arbor. The conference is sponsored by the Washtenaw County March of Dimes to educate future parents.

The conference offered a tour of Mott Children's Hospital at the University Medical Center. Dr. Roy Schmickel discussed "Importance of Genetic Counseling." Dr. Bruce Work discussed "Why Prenatal Care," and Dr. Arthur Bloom discussed "How drugs, nutrition and environment relate to Birth Defects." Henry Sturza spoke about "Rehabilitation in Relation to Birth Defects." Time was allotted for questions.

Mrs. M. E. Griffin was conference chairman.

TAP THE WIND?

Windmills could produce twice the electricity now obtained from hydroelectric power.

Village Refuse Service Charge Increased

Observant Village residents will notice a slight change in their monthly utility bill which is to arrive in the next few days. The monthly charge for refuse has been increased from \$1.25 to \$1.50, as a result of Village Council action, April 17.

The increase is necessitated by the rising cost of maintaining the village land fill operation, according to a village spokesman. The charge had not been increased since 1968.

Mini-Course Offered In Liturgical Drama

"Do Sermons Seem Routine?" is the question DIANN L'Roy is asking in the mini-course she is offering at St. Paul United Church of Christ, starting Sunday, The 9 a.m. course, which will meet every Sunday through May, will offer "a practical alternative" to routine services with the study of liturgical drama.

Miss L'Roy's course is open without charge to any interested persons.

TEACHER TOPICS

NEW LOOK AT CHELSEA HIGH

When September of '73 rolls around we will find several new and challenging courses offered at Chelsea High school for the first time. We will offer Spanish and German (in addition to our present French courses) if enough students sign up for them. We are adding Geography and Anthropology, 20th Century History and Psychology in the social studies area.

Heretofore, all students interested in Industrial Arts have had to have a year of mechanical drawing. This requirement has been broadened to permit two new one-semester courses, blueprint reading and industrial processes, that will also serve as pre-requisites in the Industrial Arts curriculum.

Chelsea High is also attempting to have interested students build a house next year. This course will be called "building trades" and will involve a competent teacher with two shifts of students who will start with the foundation and continue until the house is completed.

The house will then be sold to the public. In conjunction with this, will be a Home Planning Course, which will enable students to study traffic patterns, furniture arrangements, and kitchen planning.

The work study program will involve students who wish to work under a trained co-ordinator and receive credit hours for their efforts. Hopefully, our vocationally-minded students will find in these three programs the challenge they have been seeking in the school situation.

—Chelsea Education Association.

"Disability ends with ability" at the Kenny-Michigan Rehabilitation Foundation, a member service of the United Way of Michigan. The Foundation receives its funds from 150 local United Way campaigns in Michigan and conducts extensive rehabilitation services in Pontiac and Detroit; research at the University of Michigan and professional training in a number of hospitals throughout the state.

Before you GIVE TO MARCH OF DIMES

Read this first

Little Winifred, the granddaughter of Mr. and Mrs. Joseph Gardella of Stockton, California, after more than two years of treatment under the direction of the National Foundation for Infantile Paralysis, had received a life sentence to wear to the end of her years crutches and braces—she had been declared a hopeless paraplegic.

Now, the irony of all this is that it was the best that orthodox polio treatment could do for Winifred in return for two years of "service" by her as a cover girl in March of Dimes campaigns.

Large reproductions of a picture of her in a hospital crib were used by March of Dimes in 1952 and 1953 and carried the following caption:

"WILL WALK AGAIN . . . Little Winifred, lying on her stomach reading a comic book, doesn't appear to have a care in the world. A victim of polio, her chances of complete recovery have been enhanced by March of Dimes. Hundreds like Winifred are dependent for future care on March of Dimes Campaign."

So, you and I have gladly given of our dimes but we have never been told in similar headlines how many of these hundreds of dimes are to help have, in the end, received, as Winifred did, the same life sentence to crutches and braces with the designation—"hopeless paraplegic." You and I are going to continue to give of our dimes to help polio victims, and other unfortunate, and for those of us who wonder whether there is a more successful and effective way to use the dimes, that go to these unfortunate children, let's get the rest of the story.

The date is a little more than six months later, November, 1954, and Winifred is striding along with her doctor of Chiropractic, Lewis Robertson, of Santa Cruz, Calif. With the concern, determination and pride of grandparents, Mr. and Mrs. Gardella maintained a faith beyond that of the polio foundation medical doctors who pronounced the sentence of "hopeless" upon their granddaughter. They turned to Chiropractic.

Small wonder that after a "no hope" verdict following that of more than two years of medical treatment, the Gardellas consider they were repaid beyond all expectations as Chiropractic brought results so quickly.

The Gardellas and their friends often use such words as "miracle," "unbelievable," and "overwhelming" to describe the effects of Chiropractic Adjustments upon their granddaughter but others know that such results have been the customary conclusion in many a similar case.

In the more advanced cases, prompt attention whereby nerve forces are stimulated and the body is enabled to rid itself of the damaging poisons generated by polio, prevents those poisons from affecting nerves and muscles as they usually do when the polio disorder runs its course.

In the actual cause of dis-ease, Chiropractic is pre-eminent. Crutches, braces and casts have no part in the Chiropractic approach. In fact, they are considered a detriment, and in many documented instances have led, as at the beginning of Winifred's case, to the dread prognosis: "hopeless paraplegic."

And in addition to the results, Chiropractic gets in acute cases are the outstanding accomplishments in chronic cases in which a depletion of nerve energy has led to wasted muscles and flesh, giving rise to bodily distortions and varying degrees of crippling. Thus, in the field of Chiropractic, the case of Winifred Gardella is no miracle, no publicized exception; it is the rule when Chiropractic skill and knowledge are applied. And certainly it has no equal in the rehabilitation of those victims of the "Great Crippler" who were denied effective Chiropractic care in the acute stages which would have, in most instances, prevented any after-effects whatsoever.

"It is not true to say—'We are doing everything possible' unless Chiropractic is included."

SOUTH ELEMENTARY SCHOOL NOTES

FIRST GRADE—

Room 4
Teacher: Miss DeVries
Reporters: Vickie Smith
and Tami MacDonald

Miss DeVries' class wove Easter baskets and colored eggs for their mothers. They went on a jelly bean hunt inside the class. For art this week they made a picture of a lion for the art show. The children have new health books about themselves, which are very interesting and colorful.

They are all working very hard during reading time, so that the best group receives a prize. There is one birthday on May 23, Todi MacDonald.

Room 1
Teacher: Mrs. Schiller
Reporters: Mike Wood
and Dana Wright

Mrs. Schiller's class has a new girl whose name is Penny Pelfrey. There were two unfortunate people in this class. One was Wendy Wolfgang who received 15 stitches in her hand, and Jimmy Weber who hurt his back in Flint.

The class is studying birds in science, such as: the Gold Finch, Robin, Blue Jay, Cardinal and Bluebird. They made daisies and put April poems on them.

Room 3
Teacher: Mrs. Thodeson
Reporters: Dawn Fowler
and Gloria Pearson

The children had fun at Easter. Besides candy and gifts, Jodi Rowe got four live rabbits. Mark White, Sherry Cook, Dan Pennington, and Eric Green went out of town to grandmother's. Many of the children went to the Easter Egg Hunt. Sherry Cook and Richie Cattell won prizes.

The class is learning about birds and making a bird book. Jodi Rowe's father has a stuffed bird collection which he is bringing to school. The class has invited Mrs. Schiller's class to join them to see the collection.

The Red Sox Reading Group has started reading "More Fun With Our Friends." In numbers they are learning about hundreds, tens and ones. The class likes to play with the parachute in gym. Duso is teaching us what to do when we make mistakes and how we learn from our mistakes.

We are glad Eric Green is back in school. He had the mumps.

Room 2
Teacher: Mrs. Thornton
Reporters: Sarah Haselschwardt
and Denise Geddes

In Mrs. Thornton's room they are doing second grade work. Mrs. Thornton is pleased and proud they are doing so well. The children have been having free time, during which they do math games that are quite hard.

In art class they made bunny pencil holders and other Easter things. The class has been trying to decide what they want to be.

There is a big bulletin board on occupations. They've been doing some rearranging. They got to sit by their best friends. The only April Birthday is Steve Stauch.

SECOND GRADE—

Room 8
Teacher: Mrs. Hamilton
Reporters: Pam Stephens
and Venita Scott

In science Mrs. Hamilton's class has been studying plants and planted seeds in milk cartons.

They have been studying transportation of the past, present, and future in social studies. They drew pictures of these and wrote stories on the subject.

The class wrote a book at the beginning of the year called, "All About Me." They have done this again to see if the attitudes have changed.

They made a chart with the number of birthdays in a month on it. August has the most birthdays in their class. De Anne Colvia has the only April birthday.

Reading groups one and two have almost finished their second reader for the second grade. Mrs. Hamilton has been reading, "Charlotte's Web." Next she will read "101 Dalmatians."

Everyone had a nice Easter. Three children saw the Easter Bunny.

Room 5
Teacher: Mrs. Lopez
Reporters: Dawn Fowler
and Gloria Pearson

The children made butterflies with tissue paper wings, so that light could go through them. They made Easter cards, bunny pictures, and plastic egg carton flowers for gifts. The room is decorated with extra flowers they made.

Jeff Keopole drew a colored chalk bunny with a basket and eggs on the chalkboard for an Easter decoration.

One of the reading groups is constructing dream houses out of shoe boxes. Jeff Keopole and Bill Merkel have completed theirs, and they are really unique.

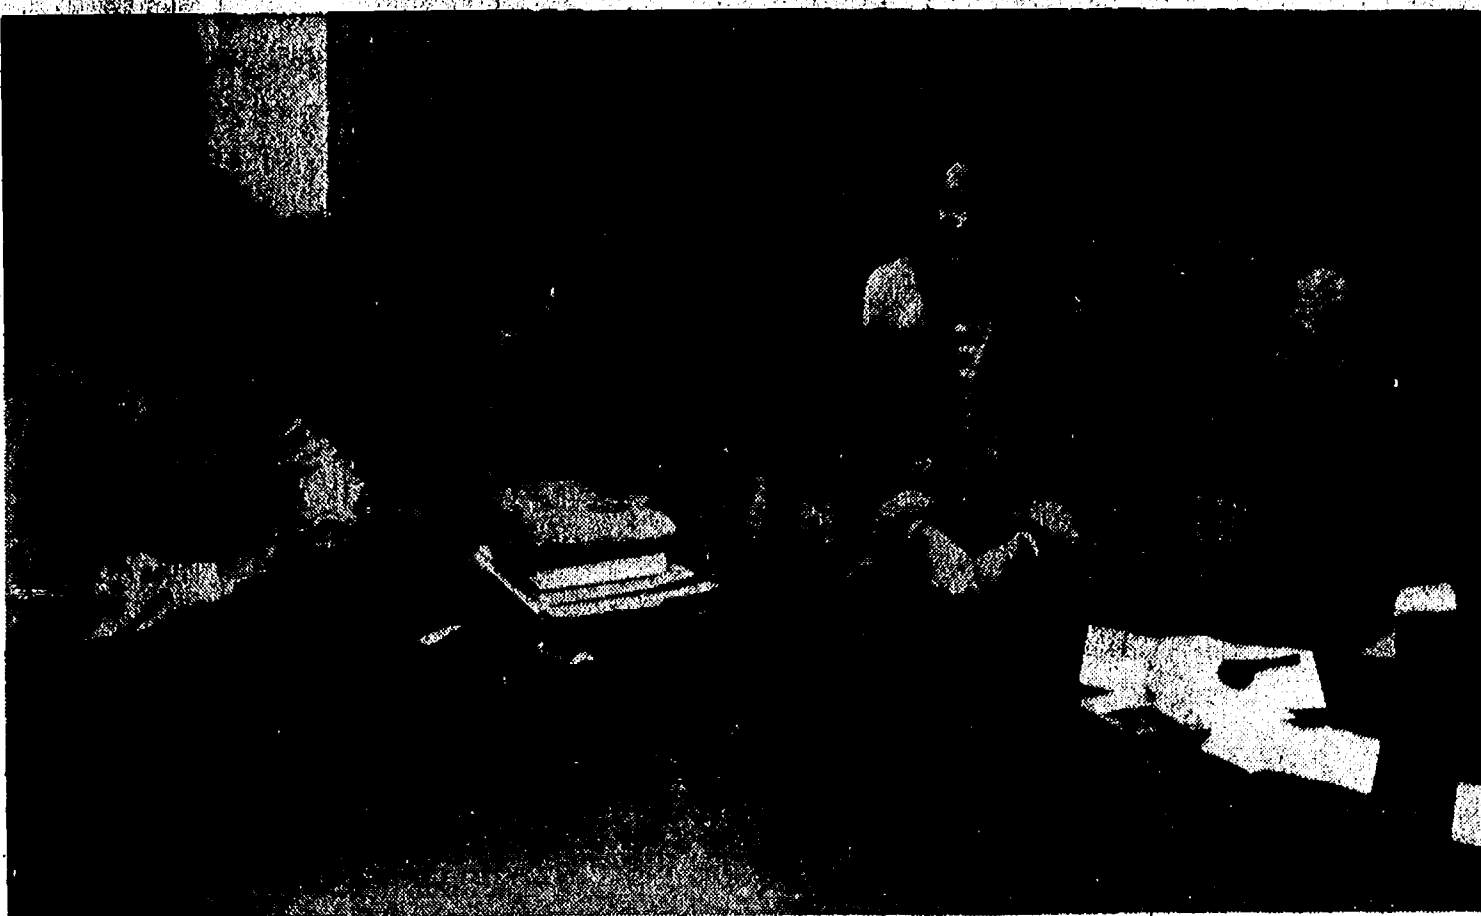

Room 10
Teacher: Mrs. Grinnell
Reporters: Dan McGill
and Dana Wright

The class is seeing if they can line up first or second at recess. If they do, at the end of the week, they get to pop popcorn. The people who got five stars for responsibility went to the Dairy Queen last week.

The class is making giant spring time flowers. They are also studying plants. They are making safety rules for the playground.

The class had an Easter bulletin board. They are making a Snoopy bulletin board.

They have superstar book reports. In spelling they are hanging 100 percent papers on the wall.

TELLING IT LIKE IT IS: Central Michigan University provided a day of "rap" sessions for high school principals and counselors to get together with their former students. Freshmen had a chance to relate their experiences and offer suggestions to be passed on to high school students in their home towns who plan to attend CMU. Participating in the informal discussion from Chelsea High school were, from left to right, Kathy Hopkins, Cathy Clark, Debbie Barker and Charles Lane, Chelsea High school principal. The High School Principal-Counselor Day with freshman students is an annual event planned by CMU's Admission Department.

THIRD GRADE—

Room 15
Teacher: Mr. Dykstra
Mr. Dykstra's class is starting a class zoo. They have a salamander, gerbils, fish, a snake and a rabbit.

In social studies they are writing letters to 27 different states. Every time a student talks out of turn they get a pacifier in their mouth!

Room 11
Teacher: Mrs. Richardson
Reporters: Mike Lewis
and David Dyson

Mrs. Richardson's class is studying the human body. They have to make one page reports on all different kinds of animals. They are listening to records and making up stories to go with them. The children are bringing in different kinds of rocks. They made a map of the states.

One boy brought in a salamander. Nancy Hastings went to Florida over Easter vacation. The class will be going to Jiffy Mix. Jim Lewis got some ducks for Easter.

The birthdays for April are: Brad Barr, Amy Eisenbeiser, and Nancy Hastings.

Room 7
Teacher: Mrs. Schmidt
Reporters: Teresa Hoffman
and Sabrina Woodward

In science each child is to report on one of these five subjects: amphibians, birds, mammals, reptiles, or fish. In reading they are reporting on make believe stories.

Colleen Hatt has a birthday on May 2. Hope you all had a Happy Easter!

ART—

Teacher: Mrs. Wahl
Reporters: Mike Minick
and Kenneth Geer

We hope you enjoyed our art show. First grade painted pictures of themselves. Third grade made flowers and butterfly projects. They also did tissue projects and colored Easter eggs. Fourth grade did fish kites and yarn projects. Fifth grade did colored eggs, tissue paper projects and pastel pictures. Wycinanki (Polish paper

designs), large and small, were displayed by fifth grades. Second grade did paper sculpture and paper cup animals.

MUSIC—

Teacher: Mrs. Dye
Reporters: Cathy Roy
and Carmen Scriber

Mrs. Vander, our student teacher, brought in her African instruments. Some of the fourth and fifth graders saw and heard them. She played the ndongo and sang some songs in Ugandan.

★ Meat Boycott Timeliness?

Why was the boycott set-up during Lent? This question has not been answered.

Americans eat according to seasons, traditions and religious beliefs. We just naturally figure that turkey should be eaten on Thanksgiving, ham goes with Easter and steak is for a banquet. We eat less hot dishes in the summertime or we refrain from eating meat on a certain day of the week or specific religious seasons.

It seems to me that it would be normal to experience some decline in the demand of red meat during the Lenten season. A boycott set-up at that same season perhaps could look better than it would at any other time of the year.

Any change in the eating habits of consumers, natural or instituted, affect farmers.

The production of red meat is not something that can be turned on or off like a water spigot. Farmers must plan their production goals one, two or even three years in advance.

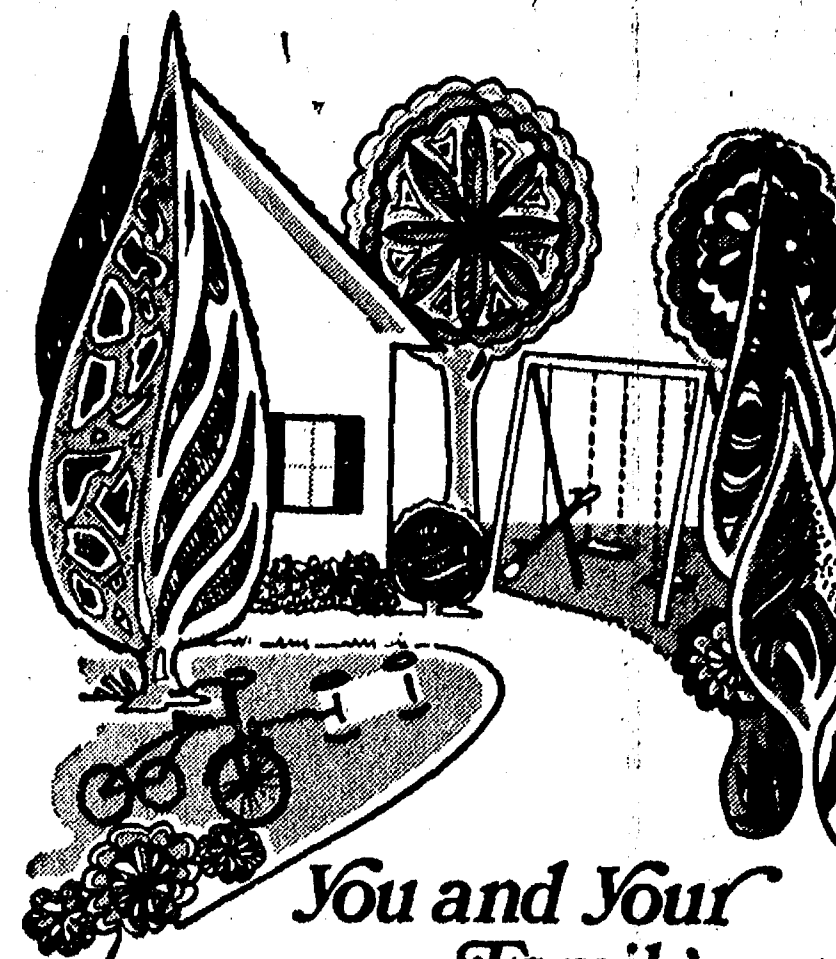

Presently, farmers are concerned about the effects of a boycott on meat. Not only on the agricultural industry, but also on the consumer who may want to eat steak in the future.

An emotional attack on farmers, such as the meat boycott, may discourage them from increasing production or even make it impossible for them to continue producing meat at all.

Farmers have been caught in an inflation cost-price squeeze for many years. They can no longer afford to produce animals for market unless they can be assured a reasonable profit.

Consumers would do better to call for curtailed government spending, which would go a long way towards correcting the real problem—inflation, than to stage a meat boycott.

This golf lesson
could save you
thousands

You know, you can holler "Fore!" for dear life, but still be liable if you hit somebody on the links this weekend! In fact, any accident while hunting, boating, fishing, skiing, or any other sports, could put you in court and cost you thousands of dollars! You may not be able to avoid a golf accident... or a lawsuit... but you sure can avoid paying all that money in court. You can protect yourself and members of your family before the first tee with "altogether" personal liability coverage which is available in many Auto-Owners policies.

it's better

Thomson Brothers Help Kalamazoo To Tennis Title

The Thomson boys, Tom and Steve, made news again last week when Kalamazoo College tennis team won its third consecutive GLCA title with a near sweep over eight rival schools.

Winning all but one of the competition's nine matches, the Thomson netters scored 35 points, nearly doubling the 18-point total of runner-up Wabash.

Kalamazoo's singles winners were Tom Thomson, Alex Dalrymple, Gary Gudelsky, Rick Moore, and Steve Thomson. The doubles teams of Willard Washburn and Steve Thomson, Gudelsky and Tom Thomson, and Dalrymple and Moore also emerged with victories.

Denison and Kenyon tied for third in the tournament with 12 points, followed by Ohio Wesleyan with 10, Albion with 9, Earlham, 5, DePauw, 3, and Hope, 0.

Spring Rubbish Pick-up Slated Monday, Tuesday

The annual spring rubbish pick-up will be Monday and Tuesday, May 7 and 8 this year at which time rakings and other items that are not covered by regular garbage pick-up will be collected by Chelsea's Public Works Department.

The department urges village residents to have rubbish out early Monday morning. "Anything you can carry to the curb, we will pick up," is the slogan for the pick-up.

Law Day Observed At High School May 1

Judge Henry Arkison from 14th District Court, Chief George Meranck of Chelsea Police Department and Lynwood Noah, a prosecutor, were special guests at a high school assembly, Tuesday afternoon. Their visit was planned to coincide with Law Day, May 1.

Track Team Runs Away With Dundee

Favorable winds swept Chelsea runners across finish lines with exceptional times, Tuesday, May 1, as the Bulldogs swirled past Dundee, 80-43. It was the Bulldogs' fourth consecutive conference dual meet victory.

Karl Gauss once again emerged with double victories. He was joined by Craig Coltre who was unsurpassed in the long jump and low hurdles. In addition to running with Coltre on the winning 880 relay team, Gauss broke the tie in both the 100- and 220-yard dashes.

Rick Sweeney also came close to making history by clearing 6'3" in the high jump. The school record at present is 6'1".

Although Dundee boasts two talented individuals, Mike Karner in sprints and the long jump, and Rick Goetle in the hurdles and high jump, the hosts could offer little to counter Chelsea's broad-based expertise. Chelsea snatched first in every event except the two-mile run and the 440 relay, and took the first two places in five.

The first and third places in the shot put were Chelsea's when Ishmael Picklesimer threw for 44'11 1/2" and Steve Worden marked at 39'3".

Coltre's winning long jump stretched 19'10" while Bruce Guster was second with 19'6 1/2". First and second in the high jump went to Rick Sweeney with 6'4" and Bill Tite with 5'10 1/2".

Both Tim Lancaster and Don Pierson made it over 12" in the pole vault to take the first two places. Tim's minimum of misses gave him first seat.

Howard Salyer, Craig Coltre, Curt Winans, and Karl Gauss won the 880 relay with a time of 1:39.2. The same 880-yards were covered individually by Jeff Marshall in 2:12.8 and Jeff Van Riper in 2:14.1 for first and second place showings in the run.

Bill Tite was the only Bulldog to place in the 120 high hurdles. He was first, coming home 16.2 seconds after the gun.

John Beeman won the mile with a time of 5:03.3 while Tim Haas came in third with 5:16. Another first-third combination was seen in the 100-yard dash which Gauss won. Picklesimer was third with a time of :10.85.

Bruce Guster again claimed the 440 as his event with a time of :53.1. First in the 180 low hurdles went to Coltre at :20.3. Curt Winans was third at :22.6.

Chelsea was represented in third place in the two-mile run by John Storey. He covered the long distance in 11:18.5. Karl Gauss took the blue in the 220 dash with a :22.6 finish.

The mile relay was Chelsea's. Howard Salyer, Don Pierson, Jeff Van Riper and Jeff Marshall covered the distance in 3:55.3. Chelsea took second place in the 440 relay with a time of 47 seconds.

J. Beaumont Will Be Ordained as Deacon

Jerrold F. Beaumont of 335 Washington St. will be ordained Deacon at St. Barnabas Episcopal church, May 12. The 10:30 a.m. ceremony will be conducted by the Right Reverend Richard S. Emrich.

Mr. Beaumont has been attending classes at the Diocese of Michigan School of Theology and at Sacred Heart Seminary for the past five years. His first assignment will be at St. Barnabas.

In land and water area combined, Michigan is the largest state east of the Mississippi and ranks tenth in the nation. Its area includes 57,022 square miles of land area and 38,769 square miles of water surface.

The Safety Value

Question: Now that bicycle weather is here again, my neighborhood club is planning some night trips around the area. We've all got lights of one sort or the other, but we're wondering if we need special lights. T. K. R. Nashville.

Answer: You and your night riders must have your bikes equipped with a front light that is white (as opposed to red or some other color) and that may be seen from a distance of at least 500 feet. You didn't mention reflectors and this is a must, too. Have one on the rear of your bike that will reflect the upper beam of a car's lights from 50 to 300 feet. Don't stop here though... wear reflective clothing if possible and stay alert!

Question: I guess I know what "Yielding the Right of Way" means after 20 years as a licensed driver, but I'm still confused when I come up to one of those four-way stop intersections. Who goes first? R. S., Flint.

Answer: Abbott & Gostello notwithstanding, it doesn't make any difference "who's on first." It's still a matter of the left yielding to the right. Take it two roads at a time—when two vehicles enter this sort of intersection from different roadways at approximately the same time, the driver of the vehicle on the left yields to the driver on the right. Don't ever

insists on the right of way, however—you might end up dead right.

Question: This really bugs me! I'm in a car pool and about three times a week our whole gang is held up at a certain railroad crossing while a lumbering freight blocks the roadway. How long can these (Beep!) trains block the road? P. A. H., Okemos.

Answer: When they're that big—as long as they want. Seriously, though, the law says it's unlawful for the railroad company to allow its trains to obstruct traffic on public streets and highways for longer than five minutes at a time. If they do they can be fined, but for all that's involved the companies many times accept the fines as small penalty for doing it the way they see fit. Not much satisfaction, but true.

Police Officers Attend Seminar on Weapons

Chelsea Police Officers Lehard McDougal, David Peebles, and auxiliary officer William Detling attended a seminar, Tuesday, at Williams Gun Sight, the largest supplier of police guns and equipment in the state. The officers traveled to Davison for instruction in the use of guns and other weapons.

Reservations Not Available In State Parks

Jim Andrus, manager of Waterloo Recreation Area, reports that confusion about whether Michigan State Parks are requiring reservations this summer is causing prospective campers undue worry.

"There is no reservation system this year," says Andrus. Nevertheless, Michigan park authorities have been swamped with requests for reservations from campers who fear all the places will be reserved when it comes time for their vacation.

Camp sites in state parks will go at a first come, first serve basis this year, as in the past.

By 1974, however, reservation system should be in effect in all Michigan's major parks. Says Andrus, "After investigating the reservation systems in Florida and California, we discovered that they are more involved than we'd thought. We need time to work out the logistics."

The system must be well-planned, according to Andrus, because it's handling "thousands and thousands" of reservations.

The confusion arises from some discussion that just a few "pilot parks" would require reservation this year. Because the state has decided to put all its parks on the reservation system, more time is needed to standardize policy before it is put into effect.

District Court Proceedings

Week of April 24-30

In 14th District Court during the week of April 24-30, Arcolas Allen was sentenced to a \$200 fine and a year's probation for her third offense of impaired driving. She was also sentenced to five days in jail.

Frank Gillette pled guilty to going 85 mph in a 50 mph speed zone. He was fined \$61 fines and costs.

William Schorger pled guilty to speeding at 70 mph in a 35 mph zone. He was sentenced to \$61 fines and costs.
