## Scholarship Fund Need Grows Yearly

For many Chelsea High school seniors, the strain of career planning in one respect is over. They have decided upon a field and applied to the appropriate training school or college. Even the suspense of waiting has been put aside now that acceptances have been received.

But the problem of financing further education sullies the excitement of acceptance for some seniors. The Chelsea Scholarship Committee realizes this and seeks to make those career plans possible. Its purpose is to collect contributions from the community to distribute among the seniors who most need the extra boost to further their education.

The Chelsea Scholarship Fund started as a yearly scholarship established by the Chelsea Teachers Club in the late 50's to encourage a student to pursue a teaching career. That future teacher's grant was broadened to the Mabel Fox Memorial Loan Fund after the tragic death of the excellent Chelsea teacher.

This fund, still supported solely by voluntary teacher contributions, was earmarked for students who had ability to succeed in further education but who were not receiving help from other scholarship sources.

Through 1966, the fund was supported by the teachers alone, but during 1967-68 school year, the community was drawn into the project.

Since then, more Chelsea individuals and businesses have invested more dollars in the fund each year.

"This is encouraging," says

the Chelsea Scholarship Committee, "because it shows contributors are aware that tax dollars and parent contributions are not enough. Voluntary support has been and is the hidden strength, the secret of the Chelsea way of doing things."

In 1969-70, the Chelsea High School National Honor Society was asked for the first time to participate in the scholarship drive. Their contributions this year have included proceeds from Fun Nights held at the high school gym and the recent Tag Day.

But as the base of the fund has grown, so has the need. Not only are more students seeking the aid because of the need for further education to compete in the job market, but costs are skyrocketing.

More than 60 percent of the graduating class, if the trends of the last few years continue, will want to attend colleges, universities, community colleges, business institutes, nursing schools and technical and trade schools. Others will take advantage of apprenticeships and on-the-job training programs.

Yet the cost of such training and education is prohibitive for some. A community college, while the students live at home, will cost at least \$2,000. A state university requires an outlay of \$3,000 while a private university must request as much as \$4,000 from each undergraduate.

As a result of the ever-increasing costs, the scholarship monies do not go as far as they did even five years ago. In 1968, 16

DOLLARS FOR SCHOLARS: The National Honor Society members from Chelsea High school were lucky this year. Pleasant weather smiled on their Tag Days, Friday afternoon and Saturday morning, so did Chelsea citizens. Here, high school advisor and counselor George Bergman (rear) encourages the collectors. They are, from left, Kate Vaas, a Norwegian exchange student, Bill Schafer and Stephanie Aldrich, Mrs. David Miles, making a contribution to the fund, Dave Klemmer and Steve Siebert.

## Art Open House Slated Tuesday At North School

Mrs. Barbara Wahl's art students at North school have been busy with a variety of art projects, all of which will be exhibited next week on May 15.

The Art Open House at North school will be Tuesday evening from 6:30 to 8 p.m. The works will be shown in the classrooms. Each child should have at least one project to "show off" to the parents who attend.

## Tag Day Collection Adds \$440 to Scholarship Fund

Members of Chelsea High's National Honor Society out did themselves last week-end by collecting a record-breaking \$440 for the Chelsea Scholarship Fund. These Tag Day proceeds are practically twice as much as was collected for the same purpose on a cold week-end a year ago.

The money collected Friday afternoon and Saturday morning on Chelsea business district corners even tops the nice haul made two years ago when \$418.36 was taken in.

The collection will be added to the donation given by individual businesses and organizations in the community who have contributed to the fund. It is hoped

the total will be more than \$3,000. The scholarship money will be awarded to a select group of promising 1973 graduates who have received no help in financing their planned post-high school training or education.

The collection will be added to the donation given by individual businesses and organizations in the community who have contributed to the fund. It is hoped

## Track Team in 3-Way Tie for League Crown

Ignoring the stiff competition as well as stiff winds and 40 degree temperatures, Chelsea trounced South Lyon, last Thursday, 70-53, on the home oval. The win over the Lions, who had been undefeated in both conference and non-conference action, boosted the Bulldogs to the first-place position. They share that position with South Lyon and Saline.

The triumvirate will be dismantled at the conference meet at South Lyon's stadium May 16, when the final outcome of the conference competition will be determined. Field events will start at 3 p.m. with preliminaries in hurdles and dashes commencing at 4:30 p.m. The final running events in this conference meet will begin at 7 p.m.

Chelsea's victory over the South Lyon team was foreshadowed early when one-two finishes in the shot put, high jump and long jump and a first in the pole vault gave Chelsea a 29-7 lead going into the running events. Some key upsets in the dashes helped sustain the early euphoria.

Karl Gauss was again a hero with a double victory in the 100- and 220-yard dashes. He wound up the 110-yard event neatly with a good time of 10.4. Although a small dispute blemished the 220 finish, Chelsea kept the credit.

A victory in the mile relay was the clincher in the Bulldog battle for victory, and an unexpected victory in the last event, the 440-yard relay, was the icing on the cake.

"The field events came through even better than expected," said Coach Bert Kruse, "and we got some clutch performances from most of the runners. We were mentally ready for this meet." He adds, "I hope we can get up for the big meet coming up."

Before the showdown at South Lyon, the Bulldogs will face a broad range of competitors at the regionals, May 12. The Saturday meet will be at Michigan Center. Preliminary field events will start at 10 a.m. and finals will begin at 1:30 p.m.

"Once again," says Kruse, "Mason looks like the team to beat. If we can come up with some key performances, we will have a good shot at the title."

Other strong contenders, according to Kruse, will be Monroe Catholic Central, Obamas, Charlotte, Holt and Tecumseh.

Chelsea's showing in the South Lyon meet was as follows. Shot put: Ishmael Picklesimer, 45'8"; in second place, Rex Miles, 39'4"; High jump: tie for first place between Bill Tite and Rick Sweeney, both with 5'10".

Long jump: winner, Bruce Guster with 20'9"; in second place, Craig Coltre, with 20'4". Pole vault: winner, Tim Lancaster with a 12' clearance.

880-yard relay: won by Chelsea's team of Howard Salyer, Ishmael Picklesimer, Karl Gauss, Bruce Guster in 1:38.4. 880-yard run:

In second place, Jeff Marshall, with 2:11.4; in third, Jeff Van Riper with 2:14.2. 120-yard high hurdles: in third, Bill Tite with 16.7.

Mile run: in second place, John Beeman with 5:06. 100-yard dash: winner, Karl Gauss with 10.4; in third, Ishmael Picklesimer with 10.8. 440-yard dash: in second, Bruce Guster with 53.1. 180-yard low hurdles: in second place, Craig Coltre, with 22.2.

Two-mile run: in third, John Storey, with 11:14. 220-yard dash: winner, Karl Gauss with 24.4. Mile relay: Chelsea first with Howard Salyer, Craig Coltre, Jeff Marshall, and Bruce Guster in 3:44.5. 440 relay: Chelsea first with Ishmael Picklesimer, Don Pierson, Bill Tite and Tim Lancaster with a time of 48.2.

## Thinclads Put Milan Away For 6-1 Record

Chelsea High school track team finished the dual meet season Tuesday, May 8, by mowing down Milan, 78-45. The meet, held on Milan's track, was run under extremely wet conditions. A downpour drenched that track just prior to the first gun.

This latest victory gives the Bulldogs an over-all dual meet record of seven wins, one loss and a 6-1 record in the conference.

Bruce Guster was a double winner for the pack, Tuesday, winning the long jump and the 440. Bill Tite was also in good form, taking the high hurdles, tying for first in the low hurdles and leaping to a second place in the high jump.

"Milan threw a bit of a scare into us early in the meet," says Coach Bert Kruse, "but one-two finishes in the high hurdles, and the 440 and a sweep of the low hurdles put the meet away."

Ishmael Picklesimer began the meet competition in his usual style, propelling the shot 45'8" into first place. Steve Worden represented Chelsea in third place with a toss of 38'7 1/2".

Rick Sweeney perpetuated the Chelsea lead by taking first in the high jump flying over 5'10" without a touch. Bill Tite took a second place in that event with a 5'8" showing.

Again Chelsea was first in the pole vault with Tim Lancaster making 12'. Don Pierson was third with a height of 11'. First and third places went to the Bulldogs in the long jump, too. Bruce Guster covered 19'6" and Craig Coltre landed 18'6 1/2" away from the starting line.

In the 880-yard run, after Milan took the 880 relay, Jeff Marshall crossed the finish line first with a time of 2:11.8. Chris Phinney was third with a time of 2:15.9.

## Flouride Program Takes Place in July

Chelsea's fluoride program, now in its fourth year of operation, will take place from July 8-18, in the high school cafeteria. Appointment cards have been mailed out and any parent, whose child has been registered in the program but has not received a card, is to call Mrs. Gary Albrecht at 475-7465.

There are some vacancies available and any pre-schooler, kindergarten, second, fifth, or eighth grader who does not drink fluoridated water may apply by contacting Mrs. Albrecht.

Mrs. Deborah King, dental hygienist, will clean the children's teeth and apply the fluoride solution. Mrs. Philip Hume of 25 Chestnut Dr., will assist her.

In addition to the clinic in Chelsea, about 50,000 children will be receiving fluoride applications this

summer in 300 similar clinics throughout the state. Michigan, which leads the nation in the number of community fluoride programs, has been providing this service since 1949.

According to the Michigan Department of Public Health dentists who assisted in the development of the program and who will supervise Mrs. King, the topical fluoride should not be considered a substitute for regular care of the teeth either at home or by the dentist.

Although fluoride applications can help prevent cavities, it is still necessary for children to brush their teeth thoroughly, particularly after meals, avoid between-meal sweet snacks, and visit their dentist regularly for professional care.

## Area Girl Scout Leaders Honored Monday Evening

The first annual meeting of the Western Areas Association of the Huron Valley Girl Scout Council was held Monday, May 7, at Dwight E. Beach school in Chelsea under the chairmanship of Mrs. Hans Skjaerlund.

The dinner meeting was held to honor troop leaders and other Girl Scout adults. Featured speaker was Joseph Chicky of Westland, adviser for Senior Girl Scout Troop 306. Saline Cadette Troop 440 presented a skit titled, "What Is

A Leader?" and Dexter Senior Troop 170 offered grace. Those attending also heard a report of the Council annual meeting by delegate Mrs. Charles Schmunk of Chelsea.

Members of the dinner committee were: arrangements, Mrs. Herbert Hinz of Chelsea; serving, Mrs. Dennis Hellrich, Manchester; hostesses, Mrs. L. L. Davis of Saline; grace, flag ceremony and singing arrangements, Mrs. Edmund Gunther of Dexter; and program designer, Miss Linda Brooks of Dexter.

Girl Scout adults honored at the meeting included Mrs. Jerry Satterthwaite of Chelsea, who received a 20-year pin, Mrs. James Stewart-Robinson of Saline, Mrs. Lilah Detting of Dexter, and Mrs. Haskel Worden, Jr., of Chelsea, who received 15-year pins.

Earning 10-year pins were Mrs. Donald Langworthy and Mrs. Rob-

ert Seifert of Saline, Mrs. Jack Snellgrove of Dexter, and Chelsea residents Mrs. Fred Hoffman, Mrs. Thomas Bear, Mrs. Harry Lyons and Mrs. Jerry Boyd.

Five-year pins went to Mrs. Joan Rinehart of Manchester, Mrs. David Piper, Mrs. John Brigham, Jr., and Mrs. John Milligan, all of Dexter.

Chelsea residents receiving five-year pins were Mrs. Hersel Desbrough, Mrs. William Moore, Mrs. Dallas Hargett, Mrs. Michael Crosse, Mrs. Richard Swan, Miss Paula Haarer, Mrs. David Traver, Mrs. Calvin Harsh, Mrs. Jerry Losee, Mrs. Kenneth Burmeister, Mrs. Robert Briggson, and Mrs. James Fleischer.

The honored guests represent some 3,000 adult members of the Huron Valley Girl Scout Council who are troop leaders, resource people who teach skills, crafts and content areas to troops at special meetings, troop committee members who assist troops in various ways, sponsoring group representatives, members of the Council board of directors and special standing committees.

## Beach School Carnival Set For May 18

It's carnival time, a time to recognize the huckster and gypsy in all of us.

The Beach School Student Council and the 8th grade French classes hope to humor these tendencies by sponsoring this year's Beach School Carnival, May 18. Booths and refreshment stands will flourish between 5 and 9 p.m. at the school.

The evening will be climaxed with a raffle for a dozen large stuffed animals at 9 p.m. in the school's cafeteria.

The carnival will incorporate old as well as new booths. The old favorite that long-time carnival goers will recognize are the fish pond, the spook house, the fortune-telling booth, the cake walk, the basketball booth and the flower booth. New attractions will be the circus show, the marionette show and the lollipop booth.

While taking in the fun and games, those attending are also invited to share a hot dog dinner, browse through a book fair and inspect the work done in the home economics classes. The dinner, also sponsored by the French classes and the Student Council, will provide hot dogs and the usual accompaniments for less than a dollar.

Money earned at the carnival will be used by the sponsoring organizations and by the school to buy needed audio-visual equipment.

## Spring Sing Sponsored By Girls Glee Club

May 15 is the perfect time for a "Spring Sing," according to the 60 members of the Chelsea High School Girls' Glee Club, and they are determined to demonstrate how perfect it can be.

"We think it's going to be the best concert we've ever done," said a spokesman for the songsters. Her enthusiasm is supported by a program that includes such favorites as "Good Morning Star Shine," "We've Only Just Begun," "Don't It Just Make You Want To Go Home," and "Leaving on a Jet Plane."

The singers will be accompanied by the usual piano plus a new complement, a rhythm guitarist and drummer.

The Tuesday night concert will be held at the high school auditorium at 7:30.

TENNIS ANYONE? The Chelsea Area Recreation Council is one step closer to realizing its dream of constructing tennis courts at North school, now that the Chelsea Child Study Club has fattened the council's fund with a handsome gift. The money, which was raised through the study club's "Holiday Homes" tour last Christmas

time and a spring fashion show, was turned over to the council Tuesday evening. Mrs. Jack Catfrom (right) as she presents Ken Larson, recreation tell, representing the club, is shown here (second director, with the check. Looking on are Ann Schaffner, vice-president of the council, and Bruce Galbraith, president.

## Tennis Courts Receive Boost

The Chelsea Child Study Club has made a gift of \$660 to the Chelsea Area Recreation Council's 1973 tennis court construction fund. This constitutes a considerable boost to the council's attempt to see courts at North school before the year's end. The courts would be for the use of all area residents.

Specifically, it was the study

club's finance committee composed of Mrs. Gene Miller, chairman, and members Mrs. Fred Mills, Mrs. Lynwood Noah, Mrs. Arden Musbach and Mrs. Robert Merkel that signed over the money raised through the club's "Holiday Homes" Christmas house tour and the recent fashion show. The check was presented to the council Tuesday evening by Mrs. Jack Cattell.

The drive to build the tennis courts is only one of the council's many concerns. It meets monthly to help plan a varied program ranging from the Korner House for senior citizens to T-ball for seven-year-old boys and girls. The council must continue to seek funds from various sources in order to complete the tennis courts project this year. Additional contributions would be welcomed.

COMMUNITY CHEST GIFT: Jack H. Reed (left), Dana plan manager, had the pleasant task of presenting James Liebeck, vice-president of Chelsea Community Chest, with a check worth \$1,500 Friday. The check represents Dana Corporation's 1972-73 Community Chest donation. The ceremony took place at the Sibley Rd. plant.

# Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Military bases we don't need is a terrible waste in somebody else's district. Military bases in my district is necessary for the strength of the local economy. That allus has been the line of thinking for congressmen, so it's easy to see how some of em come up on the short end of the stick. Not all them 200 and some bases ordered closed was somewhere else.

The fellers at the country store Saturday night was mulling over this development, and it was general felt that for no more squawk than's been heard from congressmen, you'd think them buses ought to be shut down 20 years ago. Any congressman worth his free mailing permit can keep a project on its feet that long after it's dead, was Clem Webster's word Clem recollected a few years back when a Marine base in North Carolina wanted to lay off 2,000 civilian workers that were repairing equipment that had been declared obsolete. The district's congressman got on the stick and kept them folks at work, said Clem, figuring that 2,000 votes is a powerful weapon in war and peace.

General speaking, Mister Editor, the fellers agreed with Clem that it ain't allus easy to see reasoning behind things. For instant, Ed Doolittle was talking about what all the government agencies is calling the energy crisis. Ed said he allus thought that was when you're lazy to work, but this is special concerned about running out of gasoline this summer. Ed said he wondered how this worked on natural gas. He

had saw this item where we're buying natural gas and hauling it in a liquid all the way from Algeria. Ed said that's another way to skin a cat like the fellers was talking about the other week, but he was wondering if it really means its costing us too much here to find gas and get it to market.

Actual, broke in Bug Hookum, what he was worried about was how the gas cutback will hurt farmers and ranchers. If trains and trucks can't get fuel, and if farmers can't get gas to run their grain dryers and tractors, the whole country will grind to a halt in short order, was Bug's words. Its a pity, allowed Bug, them Washington column writers don't cover our sessions. They'd get more horse sense in one Saturday night than they git from a hole session of Congress.

That comment got the fellers debating what makes a man go into politics anyhow. Ed Doolittle said he'd been studying em up one side and down the other for 50 year and he had figured out when a feller talks to loud to be a barber, talks to soft to be a salesman, walks to fast to plover and to slow to carry the mail, when he is to light fer heavy work and to heavy fer light work, he allus ends up in politics.

The fellers didn't consider what line of work Ed is suited fer. Yours truly, Uncle Lew.

## Walkathon Raises \$23,000 For Foundation

The Washtenaw County Chapter of the National Foundation of the March of Dimes reports that 700 walkers participated, Sunday, April 29, in the first annual Walkathon, with a sponsorship of \$23,000. Surprisingly, more than 90 percent of the walkers finished the 16-mile route around the city.

Money collected by walkers from their sponsors must be received by National Bank & Trust Co., 125 S. Main St., Ann Arbor, by Saturday, May 12, to be eligible for prizes which will be drawn at a branch of the bank Wednesday, May 16.

In addition to the five prizes, there will be three prizes to those who brought in the most money, and three to walkers with the most sponsorships. Prizes have been donated by local merchants.

Lost articles such as shoes and sweaters may be found at 971-9770.

### Remap Reform Required

The politically sticky subject of reapportionment last year is but a dim memory in Lansing this year. The controversial redrawing of legislative district lines slid into the background and it will probably be 1981 before the subject is raised again.

But there are some people who hope changes can be wrought before then so that the deadlock which occurred last year can be avoided the next time. Sound, honest reapportionment must be more than just a game to see which party can draw more advantageous district lines.

One of those working for change is State Sen. William S. Ballenger. This law maker is a man to watch. He is bright, young, handsome, progressive, financially secure and hardworking. If he is also ambitious, he has everything it takes to attract voters of all ages, party persuasion and both sexes.

The Republican introduced two measures dealing with both the reapportionment of the legislature and of county boards of commissioners.

Ballenger would like to see the reapportionment commission cut from its currently mandated membership of eight persons down to five.

Instead of having four people from each political party, a formula which seems to insure deadlock, Ballenger would have one member from each party. The other three members would be the state directors of elections, a churchman, and a specialist in vital statistics. The churchman and the vital statistics specialist would be appointed by the governor.

If the commission still could not reach agreement on a map, the matter would go to the state court of appeals, rather than the Supreme Court, on the theory the court of appeals is less politically oriented than the high court, whose members are nominated at state political conventions.

The problem in any change lies in the fact neither political party wants to give the other an edge. The power to draw the map is probably more important in determining the outcome of elections than any other single factor.

If you don't believe that, take a look at last November's results when Republicans swept all state

## Ten Positions To Be Filled on 4-H Council

Four persons from the Chelsea-Dexter 4-H District have been nominated for positions on the Washtenaw county 4-H Council. Ten positions on the council will be filled at the council election during the annual meeting of the Washtenaw Association of 4-H Clubs May 31.

Doug-Lesser of Dexter is the only teen nominee from the Chelsea-Dexter District. One teen and one adult will be elected from each district, as well as two teens at large. Adult nominees from the district are: Mrs. David Balduz, Dexter; Mrs. Gwen Bourn, Ann Arbor; and Mrs. D. L. Hinerman, Ann Arbor.

Nominees from other 4-H districts are: Ann Arbor-Whitmore Lake-South Lyon-Roger Judson and Peggy Konarske, teens; Mrs. Donald Bove, Mrs. Robert Wagner, Ray Ticknor, adults; Lincoln-Ypsilanti - Milan-Carolyn Gerganoff, Pat Staskievitz, teens; Robert Samuels, Harold Elston, adults; Saline-Manchester-Beth Feldkamp, teen Mrs. Simon Girbach, Mrs. Robert Guenther, adults.

Teen-age at-large candidates are Mary Guregian of Plymouth and Tom Stapleton of Ann Arbor. The annual meeting will begin at 7:30 p.m. at the Rural Activities Center on Saline-Ann Arbor Rd., May 31.

wide races and took 12 of the 19 Congressional races. But they could manage only 50 of the 110 House of Representative seats, actually falling further behind. That happened under a plan drawn up by the Democrats and adopted by the supreme court.

Neither party admits love for the current plan. But the situation is a little like having a tiger by the tail: they don't like where they are, but letting go could be a lot worse.

This is why Ballenger wants to call on people like the state elections director, a non-partisan civil service position; a churchman, who presumably would be above partisan politics; and a statistician, who presumably would worry only about numbers, not about politics.

The odds are probably against any new plan getting through the legislature, because both parties have to agree if it is to receive the necessary two-thirds vote. But that doesn't mean a try shouldn't be made and Ballenger would appear to be on the right track if agreement is possible.

And with the current setup, all but assuring a deadlock, this change or many others would probably be an improvement.

### MSU Likes Women

Everyone knows Michigan State University is big, but not many are sure how big. A survey just completed by the National Association of State Universities and Land-Grant Colleges shows MSU to be the second largest campus in the country.

Only Ohio State, with 45,963 students on its Columbus campus, is bigger than Michigan State which enrolled 43,418 students this year.

Women's lib supporters can take note too: MSU has more women enrolled than any other university in the country.

The 19,745 women on the East Lansing campus outnumber the female enrollment of any other campus in the world.

Chelsea Nature Center signs across from Beach Junior High school represent the effort of a number of individuals. The redwood signs were designed by Pat Gilbert. Materials were donated by the Chelsea Conservation Club and Finkbeiner Lumber Co. Richard Bareis, industrial arts teacher, constructed them and Lawrence Lonsway, vocational agriculture instructor at Chelsea High school and his students installed them.

The center is suffering from the same problems that Waterloo Recreation Area and other local nature centers complain of—motorized vehicles driven overland. Snowmobiles during the winter, and motorcycles during the summer disturb nesting birds and flatten or uproot vegetation.

It wasn't Dog Patch, but Daisy Mae and L'il Abner were everywhere, as "Everyone" reportedly participated in the last day of Sadie Hawkins Week at Chelsea High school, Friday. Bare Feet, pipes and pig tails were the order of the day.

Doug Weatherwax earned a first place and set a new mile record at the Albion Relays. Doug's time of 4:38.9 broke the old school record of 4:40.5 set by Scott Smith in 1965.

Chelsea School District voters overwhelmingly defeated a school millage proposal that would have increased school taxes by 3.33 mills for the 1969-70 school year. Final figures showed 44 yes votes, 724 no votes and 10 spoiled ballots.

On Sunday, May 4, beautiful Camp Linden was introduced to some pretty distinguished people, 51st Scout dads. Nature, frivolous lady that she is, was on her best behavior. The pines never smelled better.

### 14 Years Ago...

Thursday, May 7, 1959—

No one is too old or too young to be a member of the Chelsea Belles for Chelsea's 125th anniversary celebration. Mrs. Mathilda Klink, 76 years old wearing one of the sashonnets which are the official badge of the Chelsea Belles, was seen with her first grand-daughter, Lauralyn Marie, two-weeks-old daughter of Mr. and Mrs. Fred Klink, Jr.

Women "stormed" the Chelsea Anniversary Headquarters, Saturday afternoon, to demand their "rights," an active part in the anniversary activities. The demonstration was a prelude to a meeting held in the cafeteria at Chelsea High school, Tuesday evening, attended by 400 women who formally organized the "Chelsea Belles."

The Jaycee Chapter of the Brothers of the Brush who last week announced a tug-of-war to be held at Veterans Memorial Park, Sunday, at 3 p.m., have received a challenge from the Castro Rebels Brothers of the Brush chapter headed by Louis Birch. Dan Maroney, chairman of the project, has announced that he already has another chapter ready to challenge the winner of Sunday's contest.

Assistant librarians from the junior and senior high schools attended a meeting of the Student Librarians Assistants Association of Michigan at the Rackham building in Ann Arbor last Thursday with some dressed in costumes in keeping with Chelsea's 125th Anniversary observance. The two boys were Jerry Bristle and Roger Pritchard and girls were Marjorie Hepburn, Marjorie Ferris, Ken Carty, and Marilyn Pajot who was designated as "Sweetheart of Chelsea's 125th Anniversary Celebration."

Brothers of the Brush are going to Detroit to a baseball game tomorrow. Or would it be better to say they will invade Detroit? They will board the buses at the parking lot by the headquarters building. There will be six buses going.

Part of the current repair and improvement work being performed on village streets is the gravel surfacing of Wilkinson St. on the western edge of the village. At the time Wilkinson St. was graded and curbing put in last year, a light gravel covering was applied. Now a heavy application is being laid to form a permanent base for the street.

Robert Hall, who conducted a grocery here the past two years, has sold his stock to Carl Beutler who took possession on Monday. Beutler will continue in the same location at the Central Market, corner of South Main and Park Sts.

Mrs. George McClure had the misfortune to get her right hand caught in the wringer of her electric washer on Monday morning. Her hand was badly cut and nearly 20 stitches were needed to close the wounds on the inside and back of her hand.

Saturday, May 20, is the date set for the big Play Day which is sponsored by the Recreation Committee. All local boys and girls ages eight to 15 are invited to participate. This event will take place at the high school athletic field at 2 p.m.

Permission has been granted the Ann Arbor district of the Michigan Consolidated Gas Co. by the Michigan Public Service Commission to supply the city with natural gas from the Texas Panhandle section. The order was issued on Friday after an informal conference with representatives of the city of Ann Arbor.

With a community park for the use of all local residents as the goal and the summer picnic season rapidly approaching, a total of 18 civic-minded persons went to work with a vengeance, last Thursday afternoon, at the site being developed as the Pierce Memorial Park. Equipped with a power band saw, shovels, hatchets and brush hook, a considerable amount of work was accomplished by the small group. These clean-up bees will be held each Thursday afternoon throughout the spring season and everyone is urged to contribute as much time as possible. Walter Harper, chairman of the park committee, will be glad to arrange other more suitable hours for any group of persons who may find Thursday afternoons inconvenient.

Paul Niehaus, Chelsea chairman of the Easter Seal campaign, of the Michigan Crippled Children Society, reported this week that the total amount raised this year in the community is \$312.62.

Chelsea Independents blanked Grass Lake nine in the season's preview on the home grounds Sunday, 4-0. The regular season will open Sunday, May 22, at Grass Lake.

### 34 Years Ago...

Thursday, May 11, 1939—

An order was signed Tuesday afternoon by Judge George W. Sample requiring County Clerk Emmet M. Gibb to show cause why he should not be removed from office for using welfare funds handled in his office.

Mrs. Homer Boyd died at the home of Mrs. Eugene Smith of Sylvan Center on Wednesday afternoon.

Robert Hall, who conducted a grocery here the past two years, has sold his stock to Carl Beutler who took possession on Monday. Beutler will continue in the same location at the Central Market, corner of South Main and Park Sts.

Mrs. George McClure had the misfortune to get her right hand caught in the wringer of her electric washer on Monday morning. Her hand was badly cut and nearly 20 stitches were needed to close the wounds on the inside and back of her hand.

## School Board Briefs

Six Board of Education members, Storey, Haselschwardt, Straub, Hopkins, Schafer and Irwin attended Monday evening's meeting in addition to Superintendent Cameron, Business Manager Mills, Principals Lane, Conklin, Wojcik, and Benedict, and Assistant Principal Lapanowski. Attorney Flintoft and several guests also attended the meeting.

Both the monthly financial statement as presented by Mills and the physical education evaluation report were accepted.

The proposal that representatives from Cassidy Lake Jaycees come to the high school to give a talk was approved.

The board accepted the resignations of Carl Genske, Carol Steiner and Karla Linkner while granting a leave of absence of one year to Catherine Hightower. Edward Lauson's one year leave of absence was extended by the board for another year.

The board took action on extra-curricular assignments for all schools for the coming year and called for a special board meeting May 14, at 8 p.m. to consider the extra-curricular assignments of tennis and basketball. Administrator contracts and a grievance will also be considered at the Monday night meeting next week.

The request for admission of a non-resident pupil was denied in accord with school policy.

Computer-aided instruction for the high school science and mathematics courses was discussed and referred to the curriculum committee.

The board accepted the low bid of \$6,315 each for six bus chassis as submitted by Palmer Ford Motor Sales, Inc. Each bus will have 66 passenger seating capacity. They will replace four older buses currently used and add two additional buses to the fleet.

Superintendent Cameron was authorized to sign checks on the Chelsea School District Professional Dues Escrow Fund.

The board appointed the following election inspectors to supervise the June 11 Annual Election: Frances Manzel, Ethel Haist, Lorena Wenk, Dorothy Koenig, Cecil Bernath, Virginia Visel, Margorie Plumb and Irene Claire. There will be two members elected for four-year terms and one for a one-year term.

## Village Planners Study Zoning on Old School Site

A special Chelsea Village Planning Commission meeting has been scheduled for tonight (Thursday) to consider the opinions expressed at Tuesday evening's public hearing.

Approximately 20 people attended the Tuesday night hearing to express their opinions about William C. Weber's request to have the old junior high school property rezoned. He wishes to construct a multi-family dwelling on the site.

## Three Youths Charged With Liquor Theft

The theft of a case of whiskey that occurred on the grounds of Fairbrother's store, May 1, was all but wrapped up by Chelsea Police within 24-hours of its occurrence. Most of the stolen property was discovered by Chelsea Patrolman David Peebles the next morning in the trunk of Donnie Stanley's car.

On the basis of Peebles' investigation, Sergeant Clarence Waite and Detective Steve Seckler of the Jackson County Sheriff's Department arrested Ray Collinsworth, Bill Osinski and Alan Machnik, May 2, on charges of larceny from an auto.

They are believed to be the three youths involved in the theft from a truck being unloaded at Fairbrother's store. One youth was seen about 2:30 p.m. taking the case out of the truck and placing it in the car of one of his companions. The three were then seen driving away toward Chelsea.

Fifteen bottles from the 24-pint case were found by Peebles, May 2 at 6:28 a.m. while on a routine patrol of the village. He spotted Donnie Stanley's car parked in the lot across from Pierce Park. A closer inspection revealed that Stanley, Alan Machnik, three juveniles, 15 unopened bottles and two half-empty bottles were in the car. The youths were taken to Chelsea police station for questioning. No arrests were made at that time.

The three robbery suspects will appear in court for an examination May 23. They have each been released on \$200 bond.

Alan Machnik is also out on bond from another case. He has been charged with the theft of Jerrald Shaw's car last March.

## Students Visit Veterinary Clinic at MSU

Fourty potential veterinary scientists from Beach school got an eye-full, last Saturday, of what their careers could entail. The occasion was VETAVIST, Michigan State University's annual Veterinary Clinic held in conjunction with MSU's Health Professions Day, April 14.

The students, most of whom are interested in some type of veterinary science as a career, were escorted to the all-day affair by Mrs. Susan Harding and James Thompson, Beach school counselor and Mrs. Judy Ward, sponsor of Horse Lovers Club and a 7th grade English teacher.

In addition to the teachers and students, five parents who graciously volunteered their time and transportation services attended. "Without their help we would not have been able to go," said one of the planners.

Not only did the students who attended learn what Michigan State has to offer as a school for veterinarians, they were exposed to many areas of veterinary medicine that were new to them. These areas include microbiology, animal breeding, public health, and research. A movie they attended while there explored all facets of veterinary medicine.

The trip was not purely academic. There was plenty of action. The group watched a doctor setting the broken leg bone of an anesthetized dog and observed a research scientist feed baby mice who were totally enclosed in a sterile environment.

They also had the opportunity of holding a basketball-sized hair ball which had been removed from the stomach of a cow deprived of roughage, and watched a scientist do an EEG (brain wave test) on a dog. An even more complicated operation, the sterilization of a dog, was also watched by the group via closed circuit TV.

The students also received instruction in the caring and shoeing of a horse. "Trips such as this one to Veta-visit, 1973 are extremely important," says a spokesman for the counselors. "They provide experiences that are impossible to offer in the regular classroom, make more clear the relationship between what the student learns in school and the world outside, and allow the counseling department to enhance its career counseling program by providing a more realistic view of specific jobs."

As a breakfast bonus and for variety, add 'chopped' cooked meat such as bacon, sausage, ham, chicken meat, frankfurters or chipped beef to scrambled eggs as they begin to thicken.

Michigan ranks fifth or higher in products of more than 20 major food crops, although ranking only 22nd in land area.

A REALISTIC VIEW: Beach school students interested in pursuing a career in veterinary medicine got a close-up look at the mechanics of the trade, Saturday, at Michigan State University's VETAVIST. They watched this young doctor set the broken leg of an anesthetized dog.

## Save By Buying from Plentiful Foods List

Reduce your food costs each month by purchasing products listed on the U.S. Department of Agriculture's monthly Plentiful Foods List, reminds Michigan State University Consumer Marketing Specialist Maryann Beckman. Abundant quantities of the foods listed

usually mean lower prices, the specialist explains. Included on the list for May are dry beans, split peas, cranberry juice cocktail, cranberry sauce, eggs, peanuts and peanut products, oranges and orange juice, corn meal and corn (hominy) grits.

Beach Track  
Team Defeats  
Dexter, 101-26

Pat Clarke's prediction that his Beach school track team would have little to fear from Dexter was well founded. Chelsea won the May 2nd meet, 101-26. Dexter won only two events, the 880-yard relay and the 100-yard dash.

Anthony Houle was Chelsea's big winner with firsts in the long jump, the 60-yard high hurdles and the 100-yard low hurdles.

Mark Smyth started the Beach team on its winning streak by earning a first in the shot put. His throw went 41'6". Randy Sweeny brought in the next first with a height of 3'6" in the pole vault. That event was sewed up by Matt Heydlauff in second place with an 8' arch, and Jeff Sweet who's 7' effort earned third.

Anthony Houle's first win of the day was in the long jump in which he spanned 16'3". He followed up that feat with a time of :9.6 in the high hurdles to take a first. Rod Sweeny was third in that event with a time of :10.7.

The 60-yard dash was another event that went exclusively Chelsea's way. Mark Houle took first with a time of :7.6. Mike Check shadowed him in a flash. Dave Henrick was third with a time of :7.9.

First and second places went of Chelsea in the 75-yard dash in which Mark Smyth was first over the line at :9.4. Next came Dan Cobb with a :9.6 on the clock.

Coming one, two, three in the 440 were Tony Robards with the best single showing of the day, :60.3; Chris Smyth with :62.1; and Jeff Peterson with :62.4.

Dave Dawson was first in the 880 with 2:25. A second later Todd Weber took second and four seconds later Dean Thompson snatched the final place for the Beach squad.

Another sweep occurred in the 100-yard low hurdles in which Anthony Houle was first at :13.4. Randy Sweeny was second with :14 flat and Jeff Sweet came in third at :14.2.

With Dexter taking the first place in the 100-yard dash, Chelsea had no choice but to take the two remaining slots. John Toon was second with a time of :12.5 and Mark Smyth was third at :12.6.

The mile run was Chelsea's in the first two places. George Menger won the event with a time of 5:27.5. Rick Haller was next at 5:29.8.

One of Chelsea's female runners, Leigh Hater took third in the 220-yard dash with a time of :31 flat. She followed Bill Edwards at :30.3 and winner Mark Houle at :27.5. Chelsea's winning 440-yard relay team was Mike Check, Dave Henricks, Dan Cobb and John Toon. They covered the distance in :52.

## Scholarships...

(Continued from page one)

seniors were awarded scholarships, while in 1971 only nine received the help.

Last year the \$3,000 collected by the committee was distributed among nine recipients. Thirty-eight students had applied for the help.

The committee makes its difficult choice from applicants in the upper one-third of the class. Student need is the primary factor in the decision.

Says the committee, "If we each give what we can afford, we will be participating in making student scholarships available to deserving, talented and able young people." The Chelsea Scholarship Committee has also been asked over the last few years to decide the recipient of the local UAW scholarship. Offspring of members of the two UAW locals are eligible whether or not they go to Chelsea High.

Applications for scholarships must be submitted to the high school counselors by May 15. The scholarship winners will be announced on Class Night.

Local Doctor  
Elected to AAFB  
Membership

Marguerite R. Shearer, M. D., of Chelsea, has been elected to active membership in the American Academy of Family Physicians, a national association of more than 31,000 family doctors. The Academy formerly was called the American Academy of General Practice.

As a member of AAFP, Dr. Marguerite Shearer will be required to complete 150 hours of continuing medical study every three years. The program, unique among national medical associations, is designed to help member physicians keep abreast of the latest scientific developments in medicine.

Deadline Set for  
4-H Expo Days

Registrations with a \$2 deposit for 4-H Exploration Days are due in the 4-H Office on May 18, according to Duncan Sanford, Extension 4-H Youth Agent.

Exploration Days is an action learning event which will be attended by more than 5,000 Michigan youths. 150 Washtenaw 4-H'ers are expected to attend.

More than 100 learning options are available to 4-H'ers, ranging from radio broadcasting, cartooning for fun and profit, to archery, horse breeding, learning what is under the hide of a steer, and learning how to veneer wood.

Catalogue listing options are available from the 4-H Youth Office, Room 1 County Building, Ann Arbor 48108, phone 663-7511, Ext. 227.

The National Office of Consumer Affairs estimates that only 35 percent of the young women and one percent of the men receive consumer information that would help them make a wise buying decision.

Thinclads Put  
Milan Away  
For 6-1 Record

(Continued from page one)

one-two finishes came in the 120 high hurdles with Bill Tite's :16.4 and Craig Coltre's :17.1 doing the job.

John Beeman was first in the mile run at 5:05 and Karl Gauss was third in the 100-yard dash at :10.5. Bruce Guster won the 440 with a time of :53.3 while Howard Salyer came next at :55.8.

The sharpest competition of the meet was seen in the 180 low hurdles when Bill Tite and Craig Coltre tied for first at :21.6. Curt Winans was third at :22.4.

Although Milan took the first place in the two-mile run, John Storey and Dave Frame sewed up the other two positions. John's time was 11:32.5 and Dave's was 12:32.

Karl Gauss was back in the winner's circle in the 220-yard dash with Kevin Kelly taking third. Their times were :23.4 and :26.5, respectively.

Chelsea's only winning relay team was composed of Don Piereson, Jeff Van Riper, Curt Winans and Jeff Marshall. They took the mile relay event in 3:52.8.

## Modern Mothers Child Study Club Elects New Officers

Modern Mothers Child Study Club met May 8 at the home of Mrs. Basil Greenleaf with Mrs. Edwin Vaught and Mrs. Leo Wroubel as co-hostesses. Guests for the evening were Mrs. Michael Feeney, Mrs. John Eisenbeiser and Mrs. Fred Miller.

Election of officers for the coming year was held. The president is Mrs. Max Plant; first vice-president, Mrs. Warren Porath, Jr.; second vice-president, Mrs. Robert Riemenschneider; secretary, Mrs. Russell Pichlik; treasurer, Mrs. Leo Wroubel; finance chairman, Mrs. Edwin Vaught; parliamentarian, Mrs. William Coelius; hospitality hostess, Mrs. Norman Wilson. They will be installed at the next meeting, May 22.

Members and husbands will meet at Bill Cones in Jackson for dinner on May 19.

## Child Study Club Hears About Help for Learning Difficulties

The Chelsea Child Study Club met Tuesday evening at the home of Mrs. Art Steinaway. Guests were Mrs. Duane Branch and Mrs. Wilson Sanborn.

Speaker for the evening was Mrs. Alice Warsaw of the Association for Children with Social and Learning Difficulties. She spoke of their organization and how they assist children in Washtenaw county with tutoring services, family counseling, and recreational activities.

During the business meeting, Mrs. Paul Schaible was selected to receive an honorary membership in recognition of her interest and service in the club.

The next meeting will be the annual spring dinner on May 22, at 6:30 p.m., at the home of Mrs. Thomas Eisele.

Refreshments were served by co-hostesses, Mrs. Thomas Donkin and Mrs. Larry Chapman.

SCHNEIDT-VISEL, Mr. and Mrs. Kenneth Schneidt of Reed City have announced the engagement of their daughter, Nancy, to Barry Visel, son of Mr. and Mrs. Edward Visel of Chelsea. A September wedding is being planned.

## Eder - Murphy Vows Exchanged

Betty Eder and David Murphy exchanged marriage vows at the First Congregational church, April 27. The Rev. Carl Schwarm conducted the ceremony.

Parents of the newlyweds are Mr. and Mrs. J. Clifford Barbary of Dexter and Mr. and Mrs. Weston Murphy of Tecumseh. Attendees during the ceremony were Mr. and Mrs. Michael Sweet.

Rick Eder, son of the bride, as acolyte, lit the candles at the opening of the service. Mike Murphy, son of the bridegroom, and Tim Eder, son of the bride, were ushers while Dave Murphy, Jr., and Jeff Eder, also sons of the couple, were greeters.

The bridegroom's daughter Jackie poured punch and cut the cake at a small reception at the bride's home following the ceremony. She was assisted by Mrs. Stephen Walsh, sister of the bridegroom.

Mr. and Mrs. Murphy took a wedding trip through the south before returning to Chelsea.

Improved mental health care for veterans is resulting from an innovative program on Long Island, N. Y., where seven American Legion posts are co-operating with Veterans Administration's satellite mental health clinics.

## Altar Society Mother-Daughter Banquet Held

The Altar Society of St. Mary church held its annual Mother-Daughter pot-luck supper at 6:30 p.m., Monday, May 7. Approximately 150 mothers, daughters, and grandmothers listened as Ann Merkel played a hymn on the piano to begin the festivities.

Agnes Boylan gave a toast to daughters, and her daughter, Mary Francis Boylan, followed with a toast to mothers. Father DuPuis gave a short talk on the responsibilities, criticisms, and joys of motherhood in today's world.

Then Mrs. Britten Graham, program chairman, announced the prizes. The oldest mother attending turned out to be Father DuPuis's mother. The youngest mother was Mrs. Leslie Kopka, who also had the youngest child. The mother coming the longest distance was Mrs. Jane Scott Callison, from Manchester. Mrs. Nancy Merkel and Mrs. Jeanette Sweet tied for the most daughters, each having five. Mrs. Tom Kramer had the most sons with four. Each of the winners was presented with a potted geranium.

Gratitude was expressed by all present to the committee, Mrs. Grace Hitchingham, Mrs. August Doerr, and Mrs. Angela Jacobinski, who planned and prepared the dinner, as well as to the husbands of Altar Society women, who poured coffee and milk.

## Kinder Klub Installs Officers

Kinder Klub met Tuesday, May 8, at the home of Mrs. Duane Downer. Mrs. Ron Walter was co-hostess for the evening.

A business meeting was held with officers reading their annual reports. Mrs. Dan Ewald installed all new officers for the '73-'74 club year. They are as follows: president, Mrs. Edson Whitaker; first vice-president, Mrs. Raymond Ziegler; second vice-president, Mrs. Larry Koch; secretary, Mrs. Justice Marshall; treasurer, Mrs. Don Messner; auditor-parliamentarian, Mrs. Duane Downer; historian, Mr. LaVerne Hafner.

A hobo breakfast was discussed and is to be held June 19 for all members and their children at 9:30 a.m. at Pierce Park.

Spring Dinner is to be held May 22, at Tom's Grill in Jackson. All members are to meet at the home of Mrs. Edson Whitaker at 6:30 p.m.

## Ann Travis Initiated Into Olivet Honorary

Ann Travis, daughter of Mr. and Mrs. William B. Travis of 16 Sycamore, was recently initiated into the newly formed honor society for women, ARTE at Olivet College.

The Society recognizes women on campus for their scholarship, leadership, and service to Olivet College. It was founded by faculty members and is intended to be a progenitor of Motor board, the National Women's Honor Society.

## Ann Arbor Woman's Club Schedules Annual Antique Show, Sale

The Ann Arbor Women's City Club will present its fifth annual Antique Show and Sale on May 17, 18, and 19, at the clubhouse, 1830 Washtenaw Ave., Ann Arbor. Leonard Berry, noted antique dealer from Highland Park, will manage the show, with the assistance of club members.

Twenty-five dealers have been especially chosen from Michigan, Ohio, Indiana, New York and New Hampshire to display throughout the three floors of the clubhouse their quality American and English furniture, jewelry, china, pottery, tinware, prints and books. A special booth will feature antique items offered for sale by club members.

Show times are from noon to 10 p.m. Thursday and Friday, May 17-18, and from noon to 6 p.m. Saturday, May 19. The Women's City Club dining room will serve buffet lunches on May 17, 18, and 19. Dinner will be served on May 17 and 18. Reservations are not necessary.

Wednesday evening, May 16, a gala semi-formal champagne preview party will be held at 7 p.m. The party is open to the public and reservations may be obtained through the Women's City Club office.

Tickets will be available at the Women's City Club, Goodyear's, Mary Dibble Shop, Artisan's, John Leidy and Mary Lee Yarn Shop.

Reservations to the Champagne Preview Party, tickets and general information are available by calling or writing the Women's City Club, 1830 Washtenaw Ave., Ann Arbor 48104. Parking is available at the clubhouse or at the church lot across the street.

## Scout-O-Rama Set Saturday at U-M Stadium

Dexter area packs and troops will be well-represented at the annual Scout-O-Rama May 12. The event is Wolverine Council's exposition of scouting skills and activities and will be presented in the round at University of Michigan stadium.

Pack 428, led by Ray Mayra, will have an exhibit on physical fitness. Pack 448, led by Ron Meyer, is planning to display a model pinewood derby. Pack 477, led by Tom Stevens and Frank Clisnam, will also have an exhibit.

Local troops will also participate. Troop 448 will give an exhibition of flycasting. Bill Steptoe is the troop's leader. Troop 477 will have two displays. The first will be on auto mechanics and the second will be a monkey bridge made out of rope. Persons visiting the bridge exhibit will be able to try to go 100 feet along the single rope. Troop 475, led by Walt Mosley, will also have a display.

Troop 428 is doing something a bit different this year. Instead of a booth, the troop has volunteered to help set up the Scout-O-Rama. Boys and parents will take poles, banners, curtains, and other equipment from Camp Newkirk to the stadium and help set it up. The troop, led by Jim Klapperich, is replacing Ranger Cy Welch, who usually sets up the Scout-O-Rama. Welch is in the hospital.

Don Lund, associate athletic director at the U. of M. and general chairman of this year's show, promises that the program will offer something for everyone. The "Scout-O-Rama" will be held on two levels under the grandstands of the world-famous stadium, as well as having several camping and pioneering displays set up around the perimeter of the structure. Participating will be Cub Scout Packs, Scout Troops and Exploring Posts, each with ample opportunity to "do their own thing" for the public's viewing pleasure.

On display will be everything from handicrafts to rustic structures such as towers and a "Paul Bunyan" fire-making device. Or, you might want to take in a display on drug-abuse and what scouting is doing to combat it. For those who appreciate authentic "Americana," there will be Indian dancing as practiced by the original woodland inhabitants of this area. These are just a few of the many displays and events that will be part of the all-day program.

It is probably one of the most inexpensive activities that a family can take part in. Cost for a ticket to admit an entire household is only \$1. With this new and lower price it is hoped that thousands will turn out to see for themselves that "Scouting today's a lot more than you think!"

Buttons and barbs are available for purchase. The third Millionaire Drawing will be held at the L. C. Walker Arena in Muskegon at 6:45 p.m. on May 10.

TED G. GLOWICKI, a member of Golden Rule No. 159 in Ann Arbor, received the 32nd Degree in Scottish Rite of Freemasonry, May 8, at the Masonic Temple in Detroit. Glowicki of 14277 North Territorial Rd. was among a class of 520 Masons from the 11 counties of southeastern Michigan which make up the Detroit jurisdiction of Scottish Rite.

## Area Residents In Millionaire Drawing Finals

Lansing-Washtenaw county residents have so far won more than \$249,825 in lottery prizes and three of them have a chance at the top lottery prize of \$1,000,000 in the May 10 Millionaire Drawing at Muskegon.

George W. Black of Pinckney, Joseph W. Young of Gregory and Sylvia A. Nabb of Pinckney are among the 120 millionaire semifinalists determined in last week's elimination drawing. Each semifinalist is guaranteed at least \$1,000 and could win more. Seven will win \$5,000 each, one will win \$50,000, one will win \$100,000 and one will win the big one—the top lottery prize—\$1,000,000.

Three persons from Washtenaw county have advanced to previous Millionaire Drawings, collecting \$1,000 each. Four county residents have appeared in weekly Super Drawings, collecting a total of \$80,000. In addition, there have been 6,673 weekly \$25 winners from the county. They have collected a total of \$166,825, to bring the county's lottery "take" so far to \$249,825.

The third Millionaire Drawing will be held at the L. C. Walker Arena in Muskegon at 6:45 p.m. on May 10.

## Waterloo 4-H Club Members Score Well

Waterloo 4-H club competed with three other Jackson county 4-H clubs, April 28, in a Spring Achievement Show. Sewing, crocheting, drawing and painting, leathercraft and horse books, all created by the 10- to 17-year-olds, were displayed and judged.

Under the direction of Mrs. Cindy Hammerschmit and Mrs. Barbara Rodrick, Sharon Kropf, Terry Cameron, Terry Gilbreath and two Gaudet sisters earned blue ribbons for sewing. Terry Gilbreath also earned a dress revue pin for her performance while modeling her creations.

Teen leader Bev Bott saw her girls do well in crocheting. Leslie Gilbreath took a blue and a purple ribbon while Suzanne Bassett earned a blue. Gail Gilbreath took home a dress pin, a blue and a sweepstakes purple ribbon for her knitting.

Mrs. Vera Bassett and teen leader Karen Bassett had several blue ribbon winners among their drawing and painting competitors. Winning blues were Cindy Snyder, Tim Bassett, Sharon Kropf, Suzanne Bassett, Jennie Bott and Margaret Bassett. Cindy also earned a purple and Tim Bassett received honorable mention.

Sharon Kropf took a blue and a sweepstakes ribbon for the horsebook she compiled. The other members of this group under Mrs. Linda Kropf's and Bill Tite's direction, earned red ribbons. They are Jennie Bott, Margaret Bassett, Lucy Bott, Terry Cameron, Cindy Snyder, Bob Fischer and Tony Fischer.

Taking blues in leathercraft were Julie Tite, Leah Gaudet, Tim Bassett, Sue Tompkins, Ricky Beeman, Karen Bassett, Tom Gilbreath, Katie Lewis and Margaret Bassett. Their teenleaders are Julie Tite and Jerry Gilbreath.

The teen leaders had their time to compete in interviews with a representative from the 4-H office. Terry Bassett, Julie Tite, Terry Gilbreath, Karen Bassett, Bev Bott and Tim Bassett all earned blues.

## Piano Students Appear in Recital

Thirteen young pianists participated in the second annual Spring Piano Recital at Mrs. Lavonne Harris' home, Sunday, in front of an audience of 42. The 13 are elementary pupils of Mrs. Harris, a certified Michigan music teacher. The first performer was Mike Bareis who played one selection, "Scottie," by Hans Barth. The final two pieces were played by Sarah Haselschwardt.

In the interim, playing two pieces each, were Christy Fahrner, Russell Harris, Marleen Williams, Rebecca Burns, Christopher Tobin, Sabrina Woodward, Scott Dalton, Chris Check, Shawn Pierson, Cinda Thornton and Lee Anne Owings.

## St. Louis School Notes

Last Wednesday, May 2, the St. Louis boys went to Pioneer High where a song and dance group from Brigham Young University presented "Sounds of Freedom." The boys were guests of Mrs. J. Bonner Ritchie of Ann Arbor. They shared their extra tickets with their sister school, Our Lady of Providence in Northville.

Frank Sweeney drove the bus for the boys since Father Germano is sick. He is recovering at home now and getting better all the time.

Birthday boys for this week were Andy Holmes of Kalamazoo and Ricky Seguin of Novi. The usual celebration with ice cream and cake, along with music by the band was enjoyed by all.

Fresh rhubarb pie has been the treat of the week thanks to the donation of fresh rhubarb by Tobias Nadeau.

St. Louis boys, 42 strong, competed in the 1973 Monro-Washtenaw County Special Olympics at Milan Saturday. Their tries at swimming, softball throw, the standing long jump and other track events netted 79 ribbons. Lunch was provided at the games by the Milan Jaycees and Jayettes. The remaining food was donated to the school.

Norm Colvia drove the bus to that event.

Saturday night was movie night with Father Germano rolling the

reels and providing pop corn for all.

This week the boys will be treated to a visit from girls from St. Mary's school in Chicago. They too have a band and the boys are anxious to see if they are as good as the St. Louis school band.

The special guests at school, Tuesday, were Mrs. Marsha DeCoster and Michael Simms from WKHM radio station in Jackson. They came to visit with the boys and to do some recording.

The boys are due to go home, Friday.

## Try-Out Dates Set for Parts In Musical

Can you imagine yourself as a bright star dazzling stunned audiences across the footlights? No? How about a little candle flickering in the back row of the chorus?

No matter what your talent is, there is a place for you in this summer's musical, "Fiddler on the Roof." With a minimum cast of 26 men and 22 women, there is room for all aspiring thespians. No previous dramatic experience is necessary, but persons should be prepared to read lines and sing designated songs. Take heart, not all parts are singing parts.

Try-outs will be Sunday, May 20, from 2 to 6 p.m., and Monday and Tuesday, May 21 and 22, from 6 to 10 each night. Scores, scripts, and other try-out information may be checked out from Di-Ann L'Roy at the high school in the mornings.

Miss L'Roy reminds everyone, "This production is open to any and all interested persons."

In addition to acting, a musical requires much technical work. Anyone interested in helping with publicity, programs, lighting, scenery, costumes, make-up, props, or orchestra should contact Miss L'Roy at 475-1377 in the mornings.

In addition to the usual instruments composing the pit orchestra, an accordion part, and a mandolin part are included in the production.

## CHS Student Pleads Guilty to Marijuana Charge

Thomas Libero Torrice was charged with being a disorderly person, May 3, after admitting that he had smoked marijuana before coming to school.

As he requested a late slip at Chelsea High school he reportedly acted in an intoxicated manner. Richard Lapanowski, assistant principal, called Police Chief George Meranuck who then came to the scene. A bag of marijuana and a pipe were found in Torrice's jacket.

Torrice was booked in accordance with the ordinance that defines a disorderly person as one under the influence of intoxicating beverages or narcotics.

Torrice was turned over to the custody of his father later that morning. He pled guilty, Monday, in 14th District Court. He will be sentenced June 26.

Singles Club dance for single adults 25 years and over, held at the YM-YWCA, 350 S. Fifth Ave., Ann Arbor, 9 p.m. to midnight, every Saturday. Live music, mixers and refreshments. For more information call 663-6068.

Spring Dinner for Kinder Klub Members, May 22, at Tom's Grill in Jackson. Meet at Mrs. Edson Whitaker's at 6:30 p.m. sharp.

Pap tests are free for all area women, Tuesday mornings, at St. Joseph Mercy Hospital, Ann Arbor. Call American Cancer Society office, 668-8857, for appointment.

Lima Township Board meeting the first Monday of the month, 8 p.m. at the town hall.

Hot meal service brought to home of elderly or disabled. Available seven days a week to people living in the Village of Chelsea. For more information call 475-2923 or 475-8014.

Inquiries regarding the Chelsea blood bank may be directed to Harold Jones in the event that Mrs. Dudley Holmes is unavailable, or to Mrs. Pauline McKenna, American Red Cross in Ann Arbor, 971-5300.

## DEATHS

John H. Pielemeier Was Building Contractor in Ann Arbor for Past 20 Years

John H. Pielemeier, 82, of 116 McKinley St., died May 7 at Chelsea Community Hospital after a brief illness. He had made his home with a sister and brother at the McKinley St. address for the past year.

Born Feb. 16, 1891, in Freelandville, Ind., he was a son of William and Alvina Ritterskamp Pielemeier. He was a graduate of the University of Michigan School of Architecture in 1916, and had been a building contractor in Ann Arbor for 20 years, with the firm of Pielemeier & Hilbert.

He was married to Pauline Hummerich Dec. 15, 1917. She died in 1938. He then married May Steward in 1945, who survives. Also surviving is a son, John W. Pielemeier of St. Joseph, two daughters, Mrs. Arno (Helen) Heyn of Newton, Mass., and Mrs. R. C. (Rosalie) Eggleton of Indianapolis, Ind., as well as a stepson, Francis Steward of Chelsea, 12 grandchildren and several nieces and nephews.

Mr. Pielemeier had been a member of Bethel United Church of Christ of Freelandville, Ind., where he was baptized, confirmed and married. In Ann Arbor he was a member of Bethlehem United Church of Christ and had taught Sunday school for many years. Since moving to Chelsea he belonged to St. Paul United Church of Christ.

Funeral services are being held at 1 p.m. Thursday (today) at the Burghardt Funeral Home with the Rev. Warner H. Siebert officiating. Burial will follow in Oak Grove Cemetery. The family suggests that those desiring to do so may make memorial contributions to Spaulding for Children.

Louis F. Schneider, Sr.

Chelsea Man's Father Dies at U-M Medical Center

Louis F. Schneider, Sr., of 7445 Weber Rd., Saline, died May 2 in the University Medical Center after a short illness.

Mr. Schneider was born Nov. 18, 1906, in Ann Arbor to Frederick and Mary Clark Schneider. May 9, 1929 he married Erma A. Keller in Detroit.

He was a member of St. Andrew's Roman Catholic church, Saline, and a life member of K. of C. Council 587. He was a past member of the BPOE 325, Ann Arbor.

He is survived by his widow; two sons, Louis F., Jr., of Gregory, and Niel of Ann Arbor; two daughters, Mrs. Richard (Mildred) Brewer of Fowlerville and Mrs. Herman (Mary) Engel of Whitmore Lake; 12 grandchildren; three brothers, Nicholas of Sturgis, Lester of Ann Arbor, and Floyd of Manchester; a sister, Mrs. Cedric (Margaret) Saylor of Saline, and several nieces and nephews.

Services were held Saturday morning at 10 at St. Andrew's church. The Rev. Fr. Joseph Noelke officiated. Interment was in Fairview Cemetery. Funeral arrangements were by the Fontana Funeral Home.

## Principal Visits With Freshmen On MSU Campus

Charles H. Lane traveled to Michigan State University's annual Principal - Counselor - Freshmen Follow-up Conference last week to confer with his former students attending the university.

More than 300 principals and counselors from more than 200 Michigan high schools met with 2,000 freshmen in order to get "feed back" on the college preparation they had offered.

Goals of the conference were to provide administrators with information relative to preparing students for college, and to evaluate the progress and adjustment of present freshmen from their communities.

## Kindergarten Round-Up Set For Monday

This is a last reminder that this year's kindergarten round-up is to be at the Kindergarten Center, 400 Congdon St., May 14, with parents of rural children coming from 9 to 11 a.m. and with parents of village children coming from 1 to 3 p.m.

If your child is five years old on or before Dec. 1, 1973, you are invited to attend this registration to enroll your child. It is important to bring a birth certificate when you register.

Please do not bring your child to Kindergarten Round-Up. There will be no activities planned for them.

Parents who wish to have their future kindergarteners visit have been bringing them to visit school briefly between 8:30 and 9:30 on regular school days and this procedure will be continued through May 18. Parents are requested to remain with their children, since teachers will be continuing with regular program.

There will be no regular kindergarten classes May 14.

## Pleads Guilty To DUI Charge In District Court

Roger Graves and Robert Brown-ing, Chelsea police officers, arrested Larry Robert Sweet of 512 Arthur St., a week ago, May 3, on a charge of driving under the influence of liquor.

Sweet pled guilty in 14th District Court, May 7, and will be sentenced June 18.

The patrolmen observed the car Sweet was driving as it pulled into the street from the lot across from Pierce Park at 10:40 p.m. without its headlights on. The policemen followed the car and reportedly watched it swerve across the middle line twice before pulling Sweet over.

The police officers reported noting signs of intoxication in Sweet's conduct and bearing. He was placed under arrest and transported to Washtenaw County Jail where \$100 bail was posted for him the following morning.

## May Is for Play in Michigan

Lansing—The days of May in Michigan are scented with blossoms, alive with activity, customized and costumed by our ethnic heritage, according to the Michigan Tourist Council.

The month begins with Blossomtime, through May 5, at Benton Harbor and St. Joseph. More than half a century old, the festival celebrates the beginning of Michigan's growing season and is one of the largest events of its kind in the nation. A variety of events are designed for family enjoyment climaxed with the Grand Floral Parade. Many of the blossom-decked floats in the two and one-half hour extravaganza are believed by many to rival the beauty of those in the famous Rose Parade.

May 17, seven 20th century voyagers will embark from St. Ignace to retrace the canoe journey of Louis Joliet and Father Jacques Marquette 300 years ago.

Perhaps one of the most rewarding highlights of spring in Michigan is the seeking and finding of the elusive Morels mushrooms. That's what the National Mushroom Festival, May 12-13, at Boyne City is all about. Hunters with the sharpest eyes not only reap a harvest of delicious morsels, but also cash prizes.

Tulip Time in Holland could well be described as a national tradition. Since 1929, the festival has attracted visitors from all parts of the country. The "Klomp" (wooden shoe) dancers are one of the main, and most popular attractions. Other unique attractions include the wooden shoe factories, Dutch Village, the Netherlands Museum, Baker Furniture Museum, the authentic Dutch windmill "DeZwaan" and acres a acre and acres of tulips in brilliant bloom. Tulip Time '73 is May 16-19 and if you plan to attend it's wise to make overnight reservations well in advance.

Guaranteed to be a treat for the entire family is the Country Fair of Yesteryear, May 17-19, at Greenfield Village, Dearborn. The fair is a recreation of rural fairs of a century and more ago, complete with marching bands, farm animals, a children's midway with games and prizes and a gala "Cavalcade of Transportation" parade each day. Visitors will see early crafts such as cider pressing, sheep shearing, butter churning and others demonstrated by Village craftsmen. In short, it's a delightful visit to yesterday.

Michigan Week is a state-wide celebration, May 19-26 this year, with various and sundry activities and events scheduled in almost every city and community. The week's "kick-off" city is Sturgis. Detroit's Ethnic Festival program opens May 25-28 with the Greek Festival at the Civic Center. Greek art, music, dances and food will be among the highlights. The program will feature a different Ethnic Festival every weekend through September 23.

Being "one of a kind" carries a certain degree of distinction and that's what sets the annual Off-Road Rally apart. It's the only event of its kind in the Midwest for dune buggies and four-wheel drive vehicles. The rally will be held May 25-28 at Rose City and will include hill climb and obstacle races, a 100-mile cross country endurance and poker run with trophies for the winners. A guided safari "over the hills and through the woods" is planned for the drivers and their families. The rally is open to the public and sanctioned by the Michigan Sport Buggy Association.

The excitement, enthusiasm and Scottish pageantry of the Highland Festival and Games at Alma have made it one of the most popular events in North America. Tartan-dressed lads and lassies, kilts, pipers and spectators of Scottish and non-Scottish descent will gather for this year's festivities, May 26-27. The program includes piping and drumming competition, pipe band and highland dancing competition and athletic contests enjoyed by Scots for centuries. Strawn lads will display their strength in tossing the caber, putting the stone, throwing the hammer and numerous other track and field events. And, thrilling sights and sounds and happy smiles will be enjoyed by all.

The Fort Michilimackinac Pageant, another favorite annual Michigan event, will be held May 26-28 at Mackinaw City. Highlight of the affair is the re-enactment of the famous attack on Fort Michilimackinac by Chief Pontiac that drove the British from the northern Great Lakes for more than a year in the 1700's.

Some of the other events scheduled for the fifth month of '73 include a Black Artists Exhibit at the Community Art Gallery in Lansing, May 1-27; Mushroom Days, May 12-13 at Lake City.

Greenwich Village Days Sidwalk Art Show, May 18-19 in East Lansing; the Bear River Canoe Race, from Walloon Lake to Petoskey, May 19-20; the Eastern U.P. Canoe Races at McMillan, May 27-28 and numerous other events to suit almost every interest.

For a complete listing of events for May and the summer months in Michigan, write for a free copy of the Calendar of Travel Events to the Michigan Tourist Council, Lansing 48926.

## The Safety Valve

Editor's Note: Answers your questions about every day traffic-related problems. Write Michigan Traffic Safety Information Council, 170 Michigan State Safety Commission, Department of State Police, East Lansing 48824. "Safety Valve" will try to answer all inquiries. However, not all will be printed.

**Question:** What is the advantage of a roof rack on top of a car to pack all the vacation luggage and trappings when we travel? D. M., Livonia.

**Answer:** It helps to spread the weight of the load more evenly on all four tires. When all your gear is stowed in the rear trunk—and the back seat is loaded with passengers, too, the extra weight lowers the back of the car and the decreased weight in front reduces the friction of the front tires on the roadway. This in turn has a deterrent effect on the steerability of the car and can also, produce hydroplaning conditions at lower speeds than normal.

This can be partly compensated for by putting more air in the rear tires than in the front ones to help level off the car.

**Question:** With all the push for a mandatory seat belt use law, state-wide and nation-wide, is any consideration being given to those people for whom their use might prove harmful? M. M., Saginaw.

**Answer:** You bet. The Michigan State Safety Commission members are giving extensive consideration to all the variables that a mandatory law might have to include.

Nationally, the National Committee on Uniform Traffic Laws and Ordinances, in their comments on the proposed mandatory law, are taking many exceptions under advisement: such as, persons being transported in a prone position; persons who are very young or very short; or even persons in seating positions that do not have belts, to name a few.

**Question:** Those fellows at road construction and repair sites on highways wearing checkered black and orange vests have

**Answer:** Flagmen on road construction and repair jobs seldom have any formal training sessions on the etiquette of a flagman; however, state men do receive limited instructions. It doesn't take too long to figure out the best way to move traffic safely through the work area because of the need for self preservation.

## Vietnamese Art Exhibition Slated At Michigan Union

There will be an exhibition of Vietnamese artwork beginning Wednesday, May 9 and continuing through Tuesday, May 15, at the Union Gallery in the University of Michigan Union, Ann Arbor. Sponsored by Ann Arbor Medical Aid for Indochina, this is the first show of its kind in the United States, and is an attempt to expose Americans to the culture of Vietnam and to raise funds for medical relief.

The art includes traditional woodcuts, prints, ink drawings, carved and inlaid pieces. There will be an auction of selected pieces at the opening reception held Wednesday evening, May 9, at 7:30 in the gallery.

There are programs scheduled throughout the week on Vietnamese culture and history, including a recital of Vietnamese music, at 7:30 Friday, May 11 at the Union Gallery, and a multi-media presentation of a Vietnamese epic poem Thursday, May 10, at 7:30, in the Faculty Lounge of the Union.

Medical Aid for Indochina is a private organization which raises funds to purchase medical supplies and equipment for the peoples of north and south Vietnam, Cambodia and Laos. Among its current projects is an effort to rebuild Bach Mai, north Vietnam's largest hospital, destroyed by the Christmas bombings of 1972.

## Manchester Boat Race Slated Sunday

The 7th annual Boat Race, held by the Manchester Chamber of Commerce, will be held Sunday, May 20.

For an entry fee of \$1.50 per person, couples may have a taste of old-time river racing. Seven different classes of entry encompass ladies, gentlemen, fathers and sons, as well as a choice of boats or canoes.

Began during the Manchester Centennial in 1967 with approximately 20 entries, the yearly competition has increased to more than 60 entries each year. Beginning at Fellow's Bridge in Sharon township, the four-mile course runs through fallen trees and narrowly twisting turns to end at the bridge on Main St. in Manchester village.

Entry blanks may be obtained at Beal's Ace Hardware on Main St., Manchester.

## Thought For Food

One reason ham is a favorite of the economy-minded woman is because it goes a long, long way. After making its first grand table appearance, its budget-stretching leftovers mean more meals that otherwise would have to come from a new meat purchase. Next time you have ham leftover from dinner, couple it in a casserole with lima beans and cream-style corn and crown with corn muffin batter before baking. This southern-style one-dish meal rates high in appeal.

## 4-H Horse Club Members Score

Twenty-four Washtenaw county 4-H horse club members recently participated in the 4-H Horse Jamboree at Michigan State University.

Grace Mooneyham, Manchester, Sharon Valley Club, placed third in the horse topics public speaking contest.

The Junior Horse Judging Team composed of Mike Fisk of Manchester, Cheryl Hawks of Ypsilanti, Cathy Tobias of Grass Lake and Rita Drouare of Grass Lake, was the sixth highest scoring team in the state. Miss Drouare scored as the 14th highest individual. Bev Ludwick of Manchester, and Sandy Wilson of Grass Lake served as alternates. Coaches were Clinton Fisk of Manchester and Dick Wright of Willis.

The Senior Horse Judging Team, composed of Flory Lewis of Milan, Lori Smith of Milan, Anna Tobias of Grass Lake, and Chuck Schmidt of Ypsilanti, placed 8th in Senior competition. Flory Lewis placed 11th highest in the state. Senior alternates are Kathy Hartman of Milan and Bill Olinmann of Ypsilanti. Fisk and Wright also coached the seniors.

The 4-H Horse Bowl was a new activity added this year. Two teams from Washtenaw county participated in this activity. Junior team members are Kathy Weiss of Ypsilanti, Lisa Huston of Ann Arbor, Robin Underwood of Ypsilanti, and Vicki Neff of Ann Arbor. Senior team members are Wendy Johnston, Ypsilanti, Julie Loeve of Ann Arbor, Brian Gomer of Milan, and Maureen O'Connor of Ann Arbor. Mary Ann Steffen of Ypsilanti served as coach.

## Air Travelers Rights Listed in Free Booklet

Whether it's a short business trip or the vacation you've been planning for months, whenever you travel by air you want to have a pleasant flight—and find your luggage when you land.

But what should you do if your baggage has been damaged or lost? "Air Travelers' Fly-Rights" by the Civil Aeronautics Board has the answer to this question. The booklet also contains information on charter flights, flight delays and cancellations, and denied boarding compensation. Single copies of "Air Travelers' Fly-Rights" are available free from Consumer Product Information, Pueblo, Colo. 81009.

While the total percentage of baggage damaged or lost by the airlines is small, this fact is of little consolation if it's your luggage. To help the airlines help you, "Air Travelers' Fly-Rights" offers these suggestions:

—In packing, don't overstuff your luggage. The airlines do not pay for damage to overpacked bags that come apart.

—Do not pack glass or other fragile items. Airlines do not pay for breakage.

—If possible, do not pack jewels or other valuables. Usually, the maximum airlines will pay for damage or loss on domestic flights is \$500. Liability on international flights is based on baggage weight, not value. You could be reimbursed much less than \$500, based on the airline's assessment of your loss. If you must pack valuables, declare their excess value and pay for additional coverage.

—Be sure your name, address and telephone number are on the outside and inside of your luggage. —Lock your luggage and remove all baggage claim checks from previous trips. Extra tags increase the possibility that the luggage will be sent to the wrong place.

—If you cannot find your luggage after your flight, notify airline personnel immediately. Your luggage could still be aboard the plane.

—If the baggage isn't found, have airline personnel fill out a report. You'll be asked to describe your bags and their contents. Do not exaggerate. All claims are investigated.

—Don't surrender your baggage claim check until your luggage has been found. If it hasn't been located in three days, the airline will evaluate your claim and probably settle it within a month.

—If your baggage was damaged, report the fact immediately. Airline personnel will fill out a report and ask you to describe the bag and the damage of it.

"Air Travelers' Fly-Rights" is one of approximately 200 publications listed in the Winter 1973 edition of the Consumer Product Information Index. Published by the General Services Administration, the index is available free from Consumer Product Information, Pueblo, Colo. 81009.

All of the Veterans Administration's 168 hospitals are now affiliated with colleges and other schools to help train medical and allied health personnel.

## Tom Taylor Cited As Parts Manager For Palmer Ford

Tom Taylor, parts manager, at Palmer Motor Sales, Inc., 224 S. Main St., will receive a Silver Medallion plaque presented by the Ford Parts and Ford Customer Service divisions of Ford Motor Co.

The award is part of a program to honor parts and service managers at Ford and Lincoln-Mercury dealerships across the country.

The award is presented annually to those managers who are judged outstanding in customer service, sales and management ability.

He will receive his plaque and pin at a special Medallion Awards banquet. Later, he will be given an all-expense paid week-end vacation for two at a well-known resort.

## 4-H Clubs

**TERRIFIC TAILORS—**The meeting of the Terrific Tailors 4-H club was held May 5, at Lima Township Hall. The meeting was called to order by president Diane Lutch. Eight members, two leaders and one guest were present.

The minutes were read by the secretary and the treasurer's report was given. The club reviewed Spring Achievement and talked about the county show.

After that, the club chose delegates for the 4-H convention. Our delegates are Nancy Heller and Beth Bush. The club also discussed "Share the Fun" and 4-H Exploration Days.

A motion was made to adjourn. A game was played and refreshments were served by Gail Wackenhut.

Sue Heller, secretary.

**STILL SICK?**

How many times have you read this ad and said to yourself, "... no one knows it like I do ...", and so you read our weekly articles, but that is about as far as it goes. You think, "... well, it sounds good, but I don't know—" WELL I'M TELLING YOU that if you're still sick, and you're sick and tired of being sick and tired ... MAKE THE SWITCH ... TO CHIROPRACTIC!!!

How many times have you been told that it is "normal" to have a headache ... or cramps ... or to be constipated ... or to have arthritis in ONE leg or arm because 'you're getting old'??? How many pills and shots are you going to take before you look around and see that not everyone is sick or constipated or has a headache or asthma or arthritis, etc. Not everyone needs to eat special foods or have special exercises. How many times are you going to put that heating pad on, or soak your feet, before you ask yourself "What's causing the pain?"

## WAKE UP AMERICA!!

For every effect (condition, disease) there is a CAUSE. There is a reason, a logical and clear reason for everything and everyone — sickness doesn't just happen — YOU have to work at it.

Because of our medically oriented society, we think in terms of Death and Disease instead of Life and Health. Instead of working to maintain our Life and Health we wait until Disease and even Death come before we do anything. We are taught to cover up our constipation with a laxative, our headaches with an aspirin, our stomach upset with a "tums for the tummy," our asthma with Bronchaid, our menstrual cramps with Darvon, our excited children with amphetamines (speed), our itchy feet with foot powder — Never asking WHY is it there??? We'll cut out our lung, our tonsils, our female organs, our appendix, our gall bladder, our kidney — NEVER ASKING WHY — Don't you think there is a reason for an organ not to function properly? We know that the nervous system controls all body functions.

We know that if the nervous system is disturbed or interfered, body functions are abnormal.

We know that the ONLY place in the body that nerves can be disturbed is in the spine — because the nerves extend through bones and these bones "pinch off the nerve supply, or Life Force."

We know that if this interference is CORRECTED (not treated) body function will be restored if intelligence of body deems it a necessary function.

We know that only a Chiropractor is trained to detect nerve interference.

If you come to us REGULARLY and cooperate with your body, you will have better health.

If you are one of the people who are suffering and ignore these articles because you are uncertain — PICK UP THE PHONE and call 475-7633 RIGHT NOW!!! You will find that in this office we are sincere and interested only in your health —

**WE ACCEPT ALL CASES REGARDLESS OF CONDITION OR FINANCIAL ABILITY TO PAY**

In this town we have seen men and women and children walking or hobbling the streets as if this town was the victim of a great war. We know these people can have better health through Chiropractic — no matter what they've been told — It isn't TRUE to say you 'have tried everything' unless regular Chiropractic care was included.

Don't put off your health any longer — we are waiting for YOU. If you think Chiropractic is just for cricks and strains — you're MISTAKEN!! See for yourself — good health doesn't cost — it pays.

It doesn't make sense to suffer needlessly — does it?? Call 475-7633.

If you have covered up your symptom for so long, instead of getting to the cause, that you cannot possibly get to our office by your own means — THEN WE WILL PICK YOU UP.

We want this to be the healthiest community in Michigan ...

... give us an inch of your effort and we'll go the extra mile for you.

SEE YOU SOON!

## NORTH ELEMENTARY SCHOOL NOTES

### FIFTH GRADE—

Teacher: Mrs. Winkle  
Reporter: Joyce LeAnn Milkey

We are working in our diagnostic test books to find out what we forgot in math.

We are studying about the Developing South in social studies. The Developing South is called the Old South because the Old South depended on just cotton and now it depends on more than just cotton.

In English, we are studying how to use correct form and usage of verbs. In science, we found out when we were studying about one cell it develops into many cells. We found out that a chicken starts out with one cell and in 21 days it is a chick with many cells.

In our Health Book, we are studying about foods and what they are made of and what they do for us.

In spelling, we are studying about homonyms.

Teacher: Mrs. Mortensen  
Reporters: Cathy French and Tina Cross

On May 14, we are going to have a Spring Concert at the high school. Wednesday, we did finger print designs and pictures. We are doing state reports. Each person has a different state. Kurt Walworth has gone on vacation and Doug Pichlik went to Florida and has just returned. Clifford Scholz has gone to Montreal. This week we have had student teachers. The student plans his or her subject and then shows it to the teacher and she will okay it and tell them when they can start. We have had a human skeleton in our room since Wednesday.

Lots of kids are playing instruments in band. Mr. Harris and Mr. Mayer come every Wednesday and Friday to teach us how to play.

On Wednesday before Easter, we painted Ukrainian eggs. We used beeswax and a stylus to put the design on the egg before dipping it in a special dye. Mrs. Mortensen showed us how to do it and some of our mothers came in to help us: Mrs. Dickins, Mrs. Roberts and Mrs. Benedict.

We have five groups doing special reports on the regions of the United States—Corn and Wheat region, the Southern states, Manufacturing regions, Pacific Coast, Forestry, Dairy and Range Regions.

The safety boys and service girls attended the Tiger baseball game on April 28. The Tigers lost, but we had lots of fun anyway.

In science we studied the weather and we made a tornado machine and a weather chart. We also made a smoking machine which showed us what smoking does to our lungs. Ugh!

May birthdays are Judy Norris on the 5th, Karl Albrecht on the 14th, and Tim Sweeney on the 22nd.

We had two teams in class called the Tigers and Devils. We played several math games and the Tigers won, so the Devils gave them a party.

## Michigan's April Traffic Toll Less Than Last Year

Traffic accidents in Michigan during April claimed 127 lives, which was 23 or about 15 percent less than 150 for the same month last year, according to provisional figures of the State Police traffic division.

The toll was 24 less than the average of 151 for April in the five years, 1968-72. Recorded high for April was 109 in 1969 while the low was 44 in the wartime year of 1943.

The April deaths brought the accumulated toll for the year to 641, which was 23 or nearly four percent more than 618 in the same period of 1972.

Reports of delayed deaths will increase somewhat the counts for April and the accumulated period.

**AERIAL ACT:** In spite of the ruling that any advertising at their place of business on M-52 must be flush with the building, Real Estate One pled with the Village Council to OK their sign plans for safety's sake. The realtors argued that the sign must be placed to allow prospective customers ample time to brake and turn into the establishment without causing a traffic hazard. The council agreed and the results were hoisted Friday. In order to complete the installation, Michigan Signs Co. lifted one of their men 22 feet in the air to fasten the sign to the pole base. That's Gary Bourgeois of Grass Lake doing the aerial act while Randy Ramon of Ypsilanti operated the crane.

## What's Cooking In Michigan

By Larrestine Trimm  
Michigan Dept. of Agriculture  
Marketing Information Specialist

Consumers are buying beans to balance their deflated food budgets and preparing them to an epicurean's delight. Navy beans have been on the plentiful foods list for the last three months and 99 percent of all navy beans grown in the United States come from Michigan, according to Michigan Department of Agriculture officials.

Beans are less expensive than most foods in the protein group. Nutritionists say when beans are served in combination with a small amount of meat, cheese, egg or grain, they can nutritionally replace animal protein.

For elegant bean dishes, you start out with tender boiled beans. Of course, dried beans are the least expensive but for busy cooks who don't have the time to start this way, there are pre-cooked and canned beans on the market. Some canned beans are plain, others are cooked in sauces, seasoned or combined with meat or sausage. Most come in sizes of suit your family needs.

Need a delicious side dish vegetable to accompany that roast? Sauté boiled navy beans in butter and season with nutmeg. When beans are slightly browned, add enough Michigan dairy sour cream

to coat them and sprinkle with crisp pieces of fried celery. Or, simmer boiled navy beans in a root-vegetable stock with a generous amount of butter, a mixture of aromatic herbs and an onion stuck with cloves. About 15 minutes, remove the onion and cloves. Add a little Michigan red wine, salt and pepper to taste. Garnish with tiny glazed onions before serving.

Try a spicy Mexican-style recipe for fried or chili beans. Or add a bit of soul to your menu with baked beans and spareribs simmered in molasses and mustard sauce.

Michigan epileptics receive psychological, psychiatric and social services through the Epilepsy Center of Michigan. The Center, a member service of the United Way of Michigan, also measures epileptic's brain waves on an electroencephalograph and does laboratory testing and X-rays. With the funding provided by 150 local United Way campaigns, ECM also promotes the employment of epileptics.

## Beach Girls Track Team 3rd in Tourney

It was a skimpy squad of nine none-too-experienced athletes that started out for the Girls' Warrior Invitational meet last week - end. Even though Chelsea was no match for winning Pinckney that came 99 team members strong, the Beach beauties came close to second in a field of 20.

As it was, they took third because of a literal upset in the 440-yard relay.

Pinckney's legion ponderously packed away 68 points in overkill. Grass Lake took a moderate second with just half that number of points. Chelsea's third place standing was earned with 28 points.

Chelsea's fierce females included the five regulars on Beach's track team, Sue Frisbie, Kathy Treado, Carol Schardein, Kim Lyle and Leigh Hafer plus four others who were snatched out of Beach gym classes to form a respectable 880-yard relay team.

The girls' two firsts were earned by Sue Frisbie in the 50-yard dash and Kathy Treado in the 50-yard hurdles. Frisbie not only broke the meet record, she broke it three times, in the prelims, in the semifinals, and in the finals when she won with a time of :6.6.

Sue was near the front again in the long jump in which she placed second with a leap of 13'4". Kathy followed in sixth place with a 12'7 1/2" leap.

Kim Lyle placed fourth in the 440-yard dash with a time of :11.8. Another fourth place was secured by Leigh Hafer in the 220. Her time was :30 flat.

Carol Schardein placed sixth in her event, the 100-yard dash. Another sixth place was picked up by the 440-yard relay team even though during the first exchange, the first runner ploughed into the second. The girls fell, dropping the baton.

The 880-yard relay team performed with more decorum and took a fifth with a time of 2:14. These runners were Shelly Warren, Diana Fletcher, Paula Bauer, and Kim Lyle.

"With just nine girls we did well," said coach Pat Clarke. "After all, Pinckney had 99 participants and they were 9th graders too."

## SUNDAY'S SERMON

### ★ What's Right?

Today there are many excuses offered by various people to tell us the old values are dead, or that they don't matter any more. This is far from the truth.

They believe "doing your own thing" is right if you think it is right or if you would like it to be right. But the truth is many things that we do are wrong and evil. We sin constantly against our God who has been so wonderful toward us. And yet we continue on with our own values and pay little attention to His.

Many things are changing, and this is good. But many things are still the same. Good and evil, right and wrong have always existed and probably will be with us for a long time to come. God has given us a guide to live by, a guide that lets us know what He considers right and wrong. God has given us much progress and wealth in this great land, but He has also given us a code we must live by. The Word of God is here to help us. Why not consult it today?

Secretary, Board of Education.

"What I hope to accomplish  
overseas," says Russell Lee Bee-  
man, "is my goal in life: to  
learn about and help other peo-  
ple."

The 22-year-old son of Mr. and  
Mrs. Donald J. Beeman of 16610  
Waterloo Rd., will be doing this  
for 14 months as a participant  
in the National 4-H Youth Dev-  
elopment Program in British Hon-  
duras. He is one of two Michi-  
gan young people to be embark-  
ing on this program June 22.

Russell will be assisting pro-  
fessional youth leaders conduct  
educational programs, recruit and  
train 4-H leaders, organize clubs  
and administer the 4-H program  
there.

He explains that he'll be specifi-  
cally in charge of maintaining  
the projects his two predecessors  
initiated in swine and poultry  
raising. He would also like to  
start a project of his own—hor-  
ticulture is his field—but he'll  
push gardening, landscaping and  
community beautification only if  
his charges express an interest.  
Their needs come first.

"It's our job to help the peo-  
ple make better use of what  
they have," Russell says. "By  
helping the kids to help them-  
selves, we'll be cutting down on  
foreign aid."

However, Russell speaks of his  
role in the National 4-H Youth  
Development Program as some-  
thing more than just organizing  
and teaching. "He'll be a kind  
of ambassador," says his mother,  
and Russell agrees. "If I'm asked  
questions about the United  
States, I must speak for the  
entire country." He gets this  
idea, a task few would feel cap-  
able of undertaking, from talking  
with other youths who have been  
on similar missions.

He does not take the respon-  
sibility lightly. While assessing  
how the country stands on a var-  
iety of issues, he is collecting  
pictures of the nation's leaders,  
according to his mother. "He's  
even taking a Michigan flag,"  
she says.

At the same time, Russell and  
the other Michigan participants,  
Constance Swiontonowski, a 20-  
year-old junior at Michigan State  
University, are learning all they  
can about their future home.

British Honduras will be called  
Belize by the time they arrive.  
The name change, which is effec-  
tive as of June 1, is the first  
step on the road to independence  
for the British province.

The province won't be com-  
pletely independent, says Russell,  
until England and Guatemala  
come to an understanding. Guate-  
mal, it seems, still claims the  
land and is merely waiting for  
the British lion to be gone.

While Constance will spend her  
time in the cities, Russell will be  
assigned to the rural areas and  
will work in the few, Spanish-  
speaking pockets of the English-  
speaking country. He has never  
studied Spanish.

The young people will have  
three days of state department  
orientation in Washington, D. C.,  
before heading south. Another  
three-day session in Central Am-  
erican training in Costa Rica  
preceded their arrival in the  
capital of Belize, June 20.

While the success of the expe-  
rience rests primarily on Russell,  
he is dependent on his hometown  
for one aspect. In order to re-  
turn with a written and pictorial  
record of his stay so that he  
may share it with groups at  
home, he needs \$600. "The 4-H  
is paying my transportation, he  
says, "but I need at least \$355  
for film. The rest of the mon-  
ey is needed for mailings."

He is asking that local groups  
support his trip by donating

FRANK WAYMAN, Navy Sea-  
man Recruit, son of Mr. and  
Mrs. Howard Wayman of 11899

uated from recruit training at

Great Lakes, Ill., recently. He  
is a graduate of Stockbridge  
High School, Stockbridge.

## Band Battle Finals Slated Saturday

A capacity crowd is expected  
Saturday night to watch the fi-  
nals of the Saline Jaycee's Band  
Battle '73. The top five bands  
from last Saturday night prelimi-  
naries will join with the five best  
from the April 21 contest to com-  
pete for prizes valued at nearly  
\$2,000 in the Band Battle finals.

Advancing over the April 28  
competition were "Revue" from  
Adrian, "Steel River" from Brigh-  
ton, and "Noah Blindsides," "Big  
Guy Boner Band" and "Apple  
Jam" from Ann Arbor.

Going against them in the fi-  
nals will be the first week's win-  
ners: "Asylum" from Belleville,  
"Newport West" from Dexter,  
"Alexis" from East Lansing,  
"Squeeze" from Ypsilanti, and  
"Baker Street Gang" from Ann  
Arbor.

In last Saturday's contest, nearly  
1,000 rock fans saw what was  
reported to be some of the closest  
competition in the seven-year his-  
tory of Band Battle. The panel  
of three professional musicians who  
judged the event had an extremely  
difficult time in narrowing the  
field to just five finalists.

A shift of just one or two  
points out of the possible 100  
which could be awarded by each  
judge under the scoring system  
could have meant a completely  
different field for the finals.

"The quality of the bands this  
year is perhaps the best, over-all,  
we've ever had," said a Jaycee  
spokesman.

If the past two years are any  
indication, a turn-away crowd will  
pack Band Battle this week to see  
who emerges as the top amateur  
rock group in Southeastern Michi-  
gan. The competition starts at  
8 p.m. at the Farm Council Build-  
ing on Saline-Ann Arbor Rd.

The secret to successful bacon  
cooking is low heat. Place the  
meat in a cold skillet and sepa-  
rate the slices as they begin to  
cook so that each slice is flat in  
the pan. Continue cooking over  
low heat, turning the slices often,  
until they are browned evenly on  
both sides. Remove the slices to  
drain on absorbent paper.

money to cover the cost of film  
and expenses. He needs the  
donations by May 15.

Russell, a graduate of Eastern  
Michigan, will be working as a  
4-H assistant in the county build-  
ing in Ann Arbor until shortly  
before his departure, June 11.

This will not be his first 4-H  
trip. As a 4-H club member he  
won a State Fair award for a  
horticulture display and flew to  
Atlanta for competition there.

## JV, Freshmen Baseball Nines Are in Action

With coaching from Phil Bareis,  
Chelsea 9th and 10th graders have  
stepped into the action in two  
separate baseball leagues this year.  
Participation in a JV and a fresh-  
man league offers an opportunity  
for more of the boys to play, ex-  
plains the coach.

The JV team, composed mostly  
of sophomores, has played four  
games with an outcome of 3-1. The  
freshman have fared less well,  
loosing both games they have en-  
tered. Tecumseh cut the young-  
sters off, 6-3, in the first game.  
They did half as well again when  
Jackson Northwest downed them,  
4-2.

The JVs won their first encoun-  
ter, 7-4, when Ann Arbor St. Thom-  
as tried to challenge them, but  
they dropped their next game. 0-3.  
Adrian's JVs stomped them, 20-3.  
To make up for that catastrophe,  
the Bullpups ran down Willow  
Run, 16-3, and dumped Dexter,  
9-1.

In that latter game, Chelsea's  
sophomore pitcher Bill Clark toss-  
ed a no-hitter. Chelsea's fire-  
brands at the bat were freshman  
Randy Guenther with three hits,  
and Dave Kaiser and Todd Or-  
bring, each with two.

Sophomores out for the sport  
are: Tom Ball, Dan Barnes, Bill  
Clark, Steve Figg, Brad Glazier,  
Francis Grohner, Dave Keiser,  
Steve Kincer, Dave Leach, Don  
Murray, Randy Musbach, Todd Or-  
bring, Mark Pennington, Bob Saw-  
ver, Rick Robbins, and Dan Wil-  
liams.

The freshman are: Jim Boyer,  
Randy Guenther, Mike Boyer,  
Mark Dalton, David Clouse, Mike  
Hastings, Mike Kozominski, Jim  
Marshall, Jerry Milliken, Dale  
Schoenberg, Joel Sprague, Tim  
Reed, Glen Risner, Rick Robbins,  
Mike Tobin, Kelly Webb, and Don  
Harmon.

## Special Services Slated at Immanuel Church

Spokesmen for Immanuel Bible  
church have announced that spe-  
cial services will be held at the  
church, May 22-27. The congrega-  
tion will gather at 7:30 each night  
during that time.

Leading the services will be the  
Rev. Charles Gray, who is describ-  
ed as a gifted Bible teacher and  
youth speaker as well as a coun-  
selor. He will be offering prac-  
tical solutions to the problems of  
living life to its fullest in today's  
world of confusion.

His wife, Mrs. Gray, is a solo-  
ist as well as an organist. She  
will sing and play instruments in-  
cluding the vibra-harp and c o w  
bells.

The Rev. Gray is founder and  
director of "Gospel Time Youth  
Camp" in Dennison, O. Everyone  
is invited to attend.

## Number of Businesses Decreases in Chelsea

The number of businesses listed  
by Dun & Bradstreet in Chelsea  
is .3 percent down compared to  
figures released at the same time  
last year. According to A. L. Mey-  
er, district manager for the busi-  
ness information company in De-  
troit, there are 88 concerns in D  
& B's Reference Book compared  
with the 91 reported 12 months

# Methodist Home Resident Helping Grade School Pupils in Problem Areas

Our Mrs. Smith is absolutely the "best" thing to happen to South school first graders, so says one of the teachers since Mrs. Mildred Smith started a daily assistance program at South Elementary school last fall.

She had moved into the Chelsea United Methodist Home only a brief time earlier, June 6, returning to Michigan from Indiana where she had lived with her husband until his death. Previously, the couple had taught for 31 years in the Ypsilanti area until retirement.

Says Mrs. Smith, "I wanted to come to Chelsea while I could still enjoy all the activities here, and I knew I would be well taken care of."

Among the activities Milly enjoys is her volunteer work with the elementary children. Primarily, she works in the hall with any children sent to her—sometimes one—sometimes 10. Concentrating on the child's improvement in writing, alphabet recognition and sounds, pre-primer vocabulary or reading, she has brought about amazing results in the interest, enthusiasm and progress of the child needing special help. Sometimes she does "make-up" work with children who have been absent.

At her own expense, Mrs. Smith has obtained more than 200 reading books and has spent numerous hours "rewriting" the stories using the words the children are learning. "The time she has taken, aside from her half days at school, to make up booklets, word cards (full of 'nifty' clues) is overwhelming," said one of the teachers.

She has a unique method of transforming interesting but difficult books into easy readers," said another.

All those she has worked with have benefitted from the reinforcement she has given them, but some special achievements stand out, according to the teachers.

"One especially disturbed boy who finds working with a group very difficult has really been turned on to reading and is making good progress," reports Dorothy Thodeson.

"Another boy has learned much despite his resistance to school work. Without Mrs. Smith's extra time (which amounts to 35-40 minutes daily) plus my time, he could not possibly have come so far," said Denise Schiller.

"Mrs. Smith has two of my boys," said Susanne DeVries. "They desperately need individual attention which she has been able to give them beautifully. As a result they are both reading very nicely and comprehending what they read."

Jo Ann Thornton adds her testimony in these words: "Her many efforts of reaching and

meeting the needs of every child and helping him to achieve success at his level has been of most value to me in the classroom. Wish there were more like her!"

Teachers also report that those who do not need extra attention are almost jealous. They want to go out with Mrs. Smith, too. Denise Schiller sums up the attitude of all the teachers, Principal Sylvester Wojcicki, the children and their parents, when she says: "It is the general feeling around here . . . we all love her!"

But Milly Smith contends she is the recipient of the greatest blessing. She says "The teachers are a pleasure to work with and its fun knowing the children of Chelsea. I really feel at home here."

She often hears a pleasant greeting in a store or other public place as a child recognizes her there, and several children have brought their parents to call on her at the United Methodist Home.

She has met others while taking her daily walks to and from school so that she hardly feels like a stranger any more.

Mrs. Smith's enthusiasm about volunteer work is contagious. Dorothy Shippy, an acquaintance of Mrs. Smith's at St. Barnabas church, is now helping in the second grade at South school, thanks to Milly's encouragement.

Mrs. Smith says that children have not changed much over the years. "They are interesting little people," she says. That much remains constant. She does admit, however, that the vocabulary has changed a bit.

Recently one of her small charges asked, at the end of the lesson, "Can I split now?" "That was a new one to me," said the teacher.

## Paperback Book Fair Will Be Held At Beach Carnival

One of the principal attractions of this year's Beach School Carnival is the Paperback Book Fair held in the school library, the Instructional Materials Center.

While the carnival is in progress, an array of books ranging from the elementary to adult reading level will be displayed. While some may be purchased on the spot, many will have to be ordered.

The same books will be on display in the showcase at the school during the week of the fair.

Proceeds from the paperback sales will be used to buy additional paperbacks for the library.

"TEACHING FIRST GRADERS TO READ is my favorite activity," says Mrs. Mildred Smith, a volunteer at South school. In her 31 years of teaching in Ypsilanti she preferred to teach first graders because, "you don't pick up other teachers' mistakes that way." Here Mrs. Smith is shown with some of the word cards she has made to make learning easier. Mrs. Smith walks to and from South school every day except in the worst of weather conditions. She enjoys the walks for the exercise and the opportunity to meet people.

INTRODUCTIONS: Mrs. Mildred Smith is continually receiving new pupils as her class, a cluster of chairs in the hall outside the four regular first grade classrooms, varies from one to 10 pupils at a time. Here she is introduced to Jack by first grade teacher JoAnn Thornton. Pupils come to Mrs. Smith's session for special help in reading or to catch up on missed assignments.

DEEP INTO THE WORLD OF WORDS: Eddie and Thomas appear to be engrossed in the books prepared by Mrs. Smith. Eddie is one of the children who has brought his parents to the Chelsea United Methodist Home to visit his friend.

MRS. MILDRED SMITH is a favorite even with the children who don't need help with their school work. Here Tracy and Maria come only to borrow the special books Mrs. Smith has made to make reading interesting.

## Track Team 3rd in Relays at Mich. Center

Holt, Mason and Chelsea trackmen were at it again, Saturday, leaving another five teams behind, as they competed in the Cardinal Relays at Michigan Center.

Going into the final event, the outcome of the meet was unclear. Chelsea at that point clutched a slight advantage with 28 points over Holt's 27½ and Mason's 25. That advantage was left in the dust in the mile relay.

Mason won that final event; Holt came in second and Chelsea did not place which resulted in the final tally of Holt, 30½, Mason 30, and Chelsea 28. Lumen Christi in fourth place, and Northville, Jackson Northwest, Pinckney and St. John's lagged far behind.

Chelsea amassed an early, if not permanent, lead by winning three of the four field event relays. In each of these, except the pole vault three men competed and added their best showing to that of their teammates for the final score. Two men competed from each school in the pole vault.

In the high jump relay, Bill Tite, Bruce Guster, and Rick Sweeney each cleared 5'8" for a winning total of 17'. Twenty-four feet was the winning total in the pole vault. Tim Lancaster and Don Pierson each contributed a vault of 12' for that win.

Bruce Guster, Craig Coltre and Lee Ferguson combined for a winning total of 58'1" in the long jump.

The shuttle hurdle relay team of Howard Salyer, Tim Lancaster, Bill Tite, and Craig Coltre was second in 62.4. Another second team was taken by the 440-yard relay team of Ishmael Picklesimer, Howard Salyer, Karl Gauss and Tim Lancaster. The 880 relay team of Howard Salyer, Craig Coltre, Tim Lancaster, and Karl Gauss was also second with a time of 1:35.9.

The sprint medley relay team of Jeff Marshall, Craig Coltre, Karl Gauss and Bruce Guster took the final second place in 2:34.7. A third-place standing was Chelsea's due in the intermediate relay event with Jeff Van Riper, Don Pierson, Curt Winans and John Beeman running in 6:21.8.

"We ran and placed almost exactly like we had hoped we would, and placed in eight out of 12 of the relays," said Coach Bert Kruse. But Holt placed in 10 out of 12 and Mason won five relays, mustering enough points to move ahead of us."

PACK 415—Saturday afternoon May 5, Cubs of Pack 415 with their den mothers, one den dad, and three other adults attended the O. A. Indian Dance Show at Camp Munhake, at Bruin Lake Scout Camp Grounds.

Several O. A. groups from the surrounding areas took part. All wore authentic Indian costumes they had made themselves. They performed authentic Indian dances to the beat of the tom tom. It was a spectacular sight, enjoyed by all.

## Scout Leaders Recognition Dinner Held

Chelsea's Don Pierson was one of the active adult scouters in the Troquois District to be honored last night, May 9, at a Boy Scout Leaders Recognition Dinner. The event, attended by 179 adults, took place at Saline Middle school.

For his work leading scouts in troop meeting activities and in the field, Pierson received both the Scouter's Training Award and the Scouter's Key. These awards are a by-product of Pierson's three years of work in the local council's training program.

Chelsea den mothers Norma Seyfried, Maryann Burgess and Ann Steinaway also received credit for their work with local Boy Scouts. They were recipients of the Den Leader Coaches Award.

## J. C. Bradbury Named to Lima Planning Body

James C. Bradbury was approved as a new member of the Lima Township Planning Commission at the Lima Township Board meeting, Monday night. Bradbury will fill the seat vacated when Bill Van years of service. Van Riper first joined the commission in 1961.

The township board also agreed to expand the size of the commission from six to seven members. The expanded membership will involve more people in the township planning while lessening the workload of each individual member. The duties of the commission will be especially demanding as the new township development plan is implemented.

The seventh member has yet to be appointed.

In other township business, the board approved the rezoning of a small parcel of land on Jackson Rd. near Parker Rd. where the Weak's Grocery stands. The change was made so that the zoning ordinance would reflect the long-term commercial use of the parcel.

The resolution to join SEMCOG was passed and the dues paid. Supervisor Ed Coy was elected to be the township's delegate at SEMCOG meetings. Virginia Denham will be the alternate.

## Waterloo Area Historical Society Reviews Early American Music

MRS. WILLIAM CASKEY is shown with the polyphone she demonstrated Wednesday evening at the meeting of the Waterloo Area Historical Society.

### Students Named to Kalamazoo Honor List

Jill Kipfmiller and Mark Thomson have been named on the Kalamazoo College winter quarter Dean's List. They are among the 106 students to maintain a grade point average of at least 3.5.

Jill, the daughter of Mrs. Joan E. Kipfmiller of 11960 Jackson Rd., kept her grades between 3.75 and a 4.0 average. Mark, a former resident of Chelsea and son of Mr.

and Mrs. John R. Thomson of Grosse Pointe, was part of the 3.5-3.75 group.

New equipment developed by VA enables veterans paralyzed from the neck down to guide their wheelchairs, turn on TV, and play games.

What is music? Is it the sound Leonard Bernstein produces with the aid of a great orchestra at the Lincoln Center? Is it the sound of a long-forgotten tribal drum? Or is it the song of the cardinal, or a small spring-peeper trilling away in a marsh?

It is all of those things and more. Mr. Webster says of music, "Sounds having rhythm and melody." Members of the Waterloo Area Historical Society say, "Music is as much a part of our American heritage as corn-pone and apple pie."

Primitive man probably first made music by clapping his hands, stamping his feet and slapping his thighs. Then he started rubbing sticks together, hitting a stone and one day accidentally hit a tightly stretched dried skin which produced another sound and was the first drum, or banger. Instruments may be classified as bangers, blowers, pickers and scrapers.

The Pilgrims spent the night before they set sail for their new land singing psalms. After they reached these shores, they continued the singing of psalms they had known in England. They brought with them a copy of the Ainsworth Psalter which contained 39 psalms. In 1640, they printed a psalm book of their own, the Bay Psalm Book, the second book to be printed in this country.

By the beginning of the 18th century when the rigors of settlement were over, interest in music increased. Each ethnic group brought its favorite songs to the new land. These musical classics combined with hymns taught by traveling music masters sent a new kind of singing across the country. The rhythm and harmony brought from Africa by the Negro contributed to our American music.

"Yankee Doodle" is the oldest known truly American song. From that starting point came many other songs—happy songs, sad songs, work songs, lullabies, spinning songs, dancing songs and of course marching songs.

Wednesday, May 9, the Waterloo Area Historical Society presented a program concerning our early American music. There was a display of early musical instruments, a solo on the auto-harp, the Virginia Reel performed by a group of Smith elementary sixth graders, selections on a "scraper" commonly known as a violin, king of the instruments, and demonstrations of a polyphone.

The meeting was held at Smith Elementary school in Stockbridge at 7:30 p.m.

## Off Duty Police Officer Spots Stolen Auto

Even while off duty, Robert Browning's police officer instincts are at work. Those instincts helped Michigan State Police apprehend two suspected car thieves and recover a stolen Cadillac last week.

Browning was driving back to Chelsea from Jackson with his family, May 3, when he saw a 1970 Cadillac smash into the concrete divider separating the east and west bound lanes of traffic.

After the accident, he reportedly observed two men climb out of the car and run in front of his eastbound car as they fled the scene. "I bet that car is stolen," he reported saying to his wife.

Browning turned off the freeway at the next exit in order to call the police from a nearby gas station. As he was notifying the police of the incident, Browning says he saw the two men walking toward the station.

When the police arrived, the Chelsea officer was able to point out the men and positively identify them as the two that had fled from the car. The car was found to have been stolen.

Peggy Walz pled guilty to speeding. She was fined \$31 fines and costs.

## Golfers Post 4-1 Record

Chelsea golfers' five laps around the links last week gave the team four wins and one loss. Milan was the only team to edge out the Bulldogs with a 178-178 match May 1.

The team traveled to Tecumseh April 30 and defeated their hosts, 176-199. Chelsea salvaged the loss to Milan the next day at the double dual league meet there by taking South Lyon, 178-189. Mark Policht was medalist for Chelsea with a 42 while Mike Fouty had a 44. Don Conklin stroked a 45 and Jeff Schmidt turned in a 47.

On Friday, May 4, the linksmen hosted Lincoln and Novi in another double dual league match and came away with victories over both. Chelsea had a 181, Novi 195, Lincoln 201.

Chris Rabbit was medalist for the meet with a 42. Mark Policht recorded a 44, Don Conklin a 46, and Dan Shirilla a 49.

The league has completed the first round and will now begin its second half. After seven matches, Dexter and Saline are tied for first place with only one loss each. Chelsea follows with two losses.

"The second half of the schedule should prove interesting with plenty of balance being displayed by Chelsea; Saline, Dexter and Milan," says Coach Pat Wade.

The G. I. Bill has helped train 3.7 million veterans of the Post-Korean and Vietnam period and four million will have trained by the end of 1973.

**SUKIYAKI**

2 lb. boneless sirloin steak  
sliced 1/4 inch thin  
2 small onions  
2 bunches green onions  
12 to 16 fresh mushrooms  
1 can bamboo shoots, drained  
1/2 head cabbage  
1/2 lb. fresh spinach  
3/4 cup soy sauce  
2 beer-boullion cubes, dissolved  
in 1 1/2 cups boiling water  
2 tablespoons sugar  
1/4 cup shortening  
Cooked White Rice

- 1) Slice beef into 2 inch strips.
- 2) Wash vegetables. Slice onions very thin. Slice green onions and tops diagonally into small pieces. Slice mushrooms 1/4 inch thick. Cut spinach in 1-inch strips. Chop cabbage.
- 3) Arrange vegetables on a large platter.
- 4) Combine in a small sauce pan; soy sauce, dissolved bouillon, sugar, and salt. Stir over a low heat so sugar is dissolved.
- 5) Pre-heat electric skillet to 350F. Fry shortening in skillet to coat sides and remove.
- 6) Add onions and green onion slices, saute, until golden. Add remaining vegetables.
- 7) Place beef strips on vegetables. Pour sauce over beef and vegetables; simmer uncovered, 10 minutes.
- 8) Turn meat and simmer about 5 minutes longer.
- 9) Serve at once with rice or over rice.
