Baseball Team Rallies To Win Over Novi, 7-5

Chelsea knocked off defending league champion Novi Tuesday afternoon, 7-5, in high school baseball action, to raise the Bulldogs record to 4-3.

Coach Phil Bareis rated pitcher Todd Orbring as the star of the contest, as he not only pitched three innings of hitless and scoreless ball to earn the win, but also provided a key base hit that aided the Bulldogs' late-inning scoring rally.

The game saw between the two squads in the late innings until Chelsea's rally. Novi led, 3-0, and kept a 3-1 lead until the Bulldogs rallied for three runs in the top of the fifth inning to take the lead, 4-3, on hits by Joel Sprague and Tim Reed.

Novi came back in the bottom of the fifth with a pair of runs to make it 5-4.

In their half of the seventh, however, Chelsea came alive once again, when Steve Schanz was safe on an error and Jeff Sprague

reached first on a walk. Doug Reed then sacrificed to move the runners forward a base and set the stage for Orbring, who singled to left, driving in two runs to give Chelsea a 6-5 lead.

Mike Nadeau was then safe on an error and Orbring scored on the play for an insurance run.

Nine Loses to Saline, Pounds Willow Run

A report on Chelsea's game last Wednesday against Saline, called it "baseball at its wildest."

Although that one may have been the wildest, Saturday's doubleheader against Willow Run was certainly more fulfilling from the Chelsea point of view.

That "wildest" tag came in the Bulldogs' 11-8 loss to Saline's Hornets, a loss that included, on both sides, a total of 10 errors, 15 hits, and six pitchers—not one of your polished mid-season efforts, to be sure.

Chelsea led the Hornets going into the seventh inning, only to see that lead frittered away by a series of "unearned" — five walks, three errors, and but one base hit—that gave the Hornets six runs after two men had been retired.

Losing pitcher was Perry Johnson.

Girls Softball Teams Have 33 Competing

A large turnout of 33 players for the first year of Chelsea High school girls interscholastic softball competition has prompted Coach Ann Schaffner to form both varsity and junior varsity squads, with the JV being coached by Jon Schaffner.

Coach Schaffner hesitates to make any pre-season predictions for her team, although she states that "Our success will depend to a large degree upon our ability to play consistently good ball in the field and to develop competent pitchers."

The varsity will open its season Tuesday with a game at Manchester; the junior varsity will en-

Girls Track Season Starts Wednesday

With few pre-season predictions of the team's final output, but a feeling of accomplishment with the fact that Chelsea High school even has a girls interscholastic track team, Coach DiAnn L'Roy and her 16-member team will begin competition next Wednesday, April 24, with a meet at home against Jackson Northwest.

"This area has always had girls who just went out and competed—and won—on their own," Coach L'Roy says. "The most important thing this season is the fact that we do have local competition for these girls. I can't say that we're going into this with a win-at-any-cost outlook, but, of course, we do want to win."

Although the turnout for the team is not large, Coach L'Roy noted, a similar girls track program in the middle school boasts some 25 competitors. "So you see, we're really establishing a basis for competition here."

Team members are Colleen Collins, Monica Hannah, Sue Frisbie,

Eager Youngsters Swarm Over Field in JC Easter Egg Hunt

There are many stories of Easter long past when the Bunny's arrival for his very own Easter Egg Hunt, and all the assorted circumstances that surround it, weren't quite as well-executed as this year's.

Sometimes there are unforeseeable circumstances. Remember, the Easter Bunny traditionally arrives atop a fire truck, and a fire truck's major purpose is generally not transportation. At least once, the Bunny's arrival was delayed by, of all things, a fire, although it would seem the appearance of the Easter Bunny at a fire would be viewed as a good omen by those involved.

Easter weather, too, is an unpredictable variable. A child who is bundled up in scarves, hat, mittens, sweaters, and coats suitable for Macy's Christmas parade can hardly be expected to get overly enthusiastic about groveling for

eggs in a snow storm, although

Jaycee members tend to mention the esthetics of the situation at times like these, recalling "how beautiful the eggs looked hidden in the snow on the football field."

All possible hindrances considered, then, last Saturday's Jaycee Egg Hunt on the Chelsea high school football field suffered amazingly few inconveniences or upsets.

The Easter Bunny arrived via firetruck right on schedule, as did sufficient children and parents to make the high school parking lot resemble a Friday night football crowd (a modest one, but still, a lot of cars).

The weather was warm and sunny, though windy, and the grass sporting the 1,800 colored eggs was only the slightest bit damp—not even rubber boots weather.

Certainly a few personal traumas

arose, like the youngster who, not seeing much in the pre-school section that suited his fancy, decided to trot down the hill to join the older kids where the grass looked greener and the eggs more plentiful.

There was the frustrated mother trying to convince her son that the object was to collect Easter eggs in this sort of hide-and-seek, and not to find brothers and sisters who were searching in other areas of the field.

A statement about her priorities in the event came from a young girl whose mother had some ideas about what she should do. "I found 13 eggs!" she exclaimed. "I don't want to see the Easter Bunny."

Track Team Swamps Saline In First Meet

Have 3-0 Record With Wins Over Tecumseh, Pinckney

Bulldog track men raised their record to 3-0 by taking a double dual victory over Tecumseh and Pinckney Tuesday afternoon.

Chelsea topped Tecumseh, 63-60, and Pinckney, 68½-54½; Pinckney defeated Tecumseh in the third part of the double dual, 67-56.

Run in ideal early-season weather, the meet featured some excitingly good early-season times, heights, and distances.

The meets, run simultaneously, progressed about according to predictions against Tecumseh, with a dropped baton by a leading Chelsea 440-yard relay team making it closer than it might have been.

Pinckney proved to be the surprise of the meet, winning both hurdles and showing depth in the sprints and relays. Pinckney's defeat of Tecumseh was totally unexpected.

Coach Bert Kruse rated Rick Sweeney's school record-setting high jump of 6 ft. 2 in. as "the outstanding performance of the meet."

Craig Coltre was top point-getter for Chelsea, taking three firsts against Tecumseh and a first and two seconds against Pinckney. Karl Gauss again swept both 100- and 220-yard dashes and anchored the winning 880-yard relay team. Howard Salyer had good performances, winning the 440-yard dash and running on two winning relays.

Chelsea winners and placers are as follows:

Shot put: 1st against both Pinckney and Tecumseh, 46 ft., 10½ in., 2nd against Pinckney, Rex Miles 41 ft., 11 in.

High jump: 1st, Rick Sweeney, 6 ft. 2 in., 2nd, P. 6 ft., 2 in.

(Continued on page six)

Two weeks ago Coach Bert Kruse predicted that the strength of his Bulldog track team would come in "over all balance and depth in most events."

Chelsea made him sound like a regular soothsayer last Thursday, downing Saline in the dual meet and conference opener, 86½-36½.

As anticipated, Bulldogs came out of the field events with a big 29½-6½ lead, but they didn't stop there. Chelsea runners took eight out of 11 running events, including a sweep of the three relays, and one-two finishes in the 180 low hurdles and 220-yard dash.

"Craig Coltre led the way," Coach Kruse reported happily. Coltre captured both hurdle races and the long jump, and then ran in the winning 440-yard relay team.

Junior Karl Gauss, expected to be a leader in a Bulldog stronghold, the sprints, won both the 100 and 220-yard dashes, plus anchoring the winning 880-yard relay team.

"The wind hindered some of the performances," Coach Kruse noted, "but Rick Sweeney's six foot jump, John Tandy's 4:50.1 in the mile run, Karl Gauss' 23.8 in the 220 and the time of 4.0 in the 440-yard relay were all good early-season efforts."

Winners and placers in the meet were as follows:

Shot put: 1st, Ishmael Picklesimer, 45 ft. 11½ in.; 2nd, Rex Miles, 42 ft., 11½ in.; 3rd, Mark Smyth, 39 ft., 4¾ in.

Long jump: 1st, Craig Coltre, 18 ft., 8½ in.; 3rd, Howard Salyer, 16 ft., 8½ in.

High jump: 1st, Rick Sweeney, 6 ft. 2 in.

Reduced Millage Set For May 15 Election

Monday night Chelsea Board of Education set a reduced millage request of 13.5 mills for a two-year period for the May 15 operational millage election.

Current operational millage is 22.2 mills, 10.98 of which has been voted for the past five years, but which expires after the present school year. The new request represents an increase of 2.52 mills in the operational levy; however, the board plans to reduce the debt retirement levy for the 1974-75 school year by 1.52 mills, making the net tax increase one mill more than the previous voted millage.

In light of the overwhelming defeat of its initial millage request on March 26, the board has re-evaluated both its spending this current year and its proposed budget for the coming year.

This study has resulted in tighter economic controls of the current budget, making possible a carry-over of funds, as well as the restricting of spending in the next school year. The 1973-74 budget will be kept under the \$2,546,000 mark,

while the 1974-75 budget has been projected at \$2,808,000, an increase of approximately 10 percent.

For the 1973-74 school year, the tax levy was 22.2 mills operational, plus three mills debt retirement, a total of 25.2 mills. The requested millage for the 1974-75 school year would be 24.72 mills operational, plus 4.48 mills debt retirement, or a total of 29.2 mills.

With the passage of the bond issue in December of last year, the debt retirement levy was expected to total six mills, but with the increase in assessed valuation in the school district, this can be reduced by the 1.52 mills to a 4.48 total.

Determining the total tax levy for the 1975-76 school year (the second year of the 13.5 operational request, is impossible at this time, the board says. One event which may have an effect on that levy was the introduction by Sen. Gilbert Bursley on April 10 of a bill in the Michigan Senate. Bursley's bill proposes to reduce property

A GIANT BUNNY who gives out hard-boiled eggs is incomprehensible to this youngster, who remains unresponsive and tear-stained despite the Easter Bunny's friendly advances. Most other children, however, seemed to have a brighter time of it at the Jaycees' annual egg hunt Saturday morning at Chelsea High school football field.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Clem Webster got to speaking in parables again at the country store Saturday night, and afore the fellers could get him calmed down they had give thru the U. S. Department of Agriculture a solid vote of no confidence. They was tell agreed that Secretary Butz has got the right name, cause afore he's thru his export program is going to make the hole country the but of a bad joke about the more food you grow the hungrier you get.

Clem's parable was took from the Book of Want. He said President Hoover was riding thru the country one day, and he spied a boy perched on a rail fence having a lunch of cold biscuits and spring water. The President pulled his driver over, walked over to the boy and interlarded himself.

"Son," Mr. Hoover said, "you have no idee how I yearn for the simple life of youth. How I wish I had you appetite."

"Wal, sir, I reckon you might as well take it," the boy said, "you've took everything else and I ain't got much use fer a appetite nohow."

Democrat Clem said he first thought we now have moved out of a time of want into the Golden Age of Government by Crook and Cris, but from the way the USDA is acting it looks like food shortages is official policy. Clem had saw a report where we are sending more food overseas now than any time since World War II. The wheat sale to Russia was just a test case for this new policy, Clem allowed. In the past year we exported \$20 billion worth of farm products, Clem reported, and the year afore was only \$8 billion.

Natural, Republican Ed Doolittle demanded equal time. Ed told the fellers that farmers and ranchers in this country grow more than three times what folks can eat, and it makes good business to sell what we don't need to other countries to help our balance of payments. And Ed had saw where one recent month, for the first time in recent history, we sold more than we bought overseas. Furthermore, allowed Ed, we could blackmail the world with food, like the Arabs did us with oil, but we're too good hearted to do it.

General speaking, the fellers sided with Clem. It were Zeke Grubb that allowed he was agreed with the politician he heard say that if a economy weren't working at the gas pump and the grocery store, it weren't working. As far as balance of payments, Zeke said he didn't know, the world market price of nothing, but by the time he pays his light bill ever month it takes the balance of what he's got to keep somepon on the table. Clem said it must be that the Administration wants a national balance where what a feller gets paid is balanced by what he pays to eat.

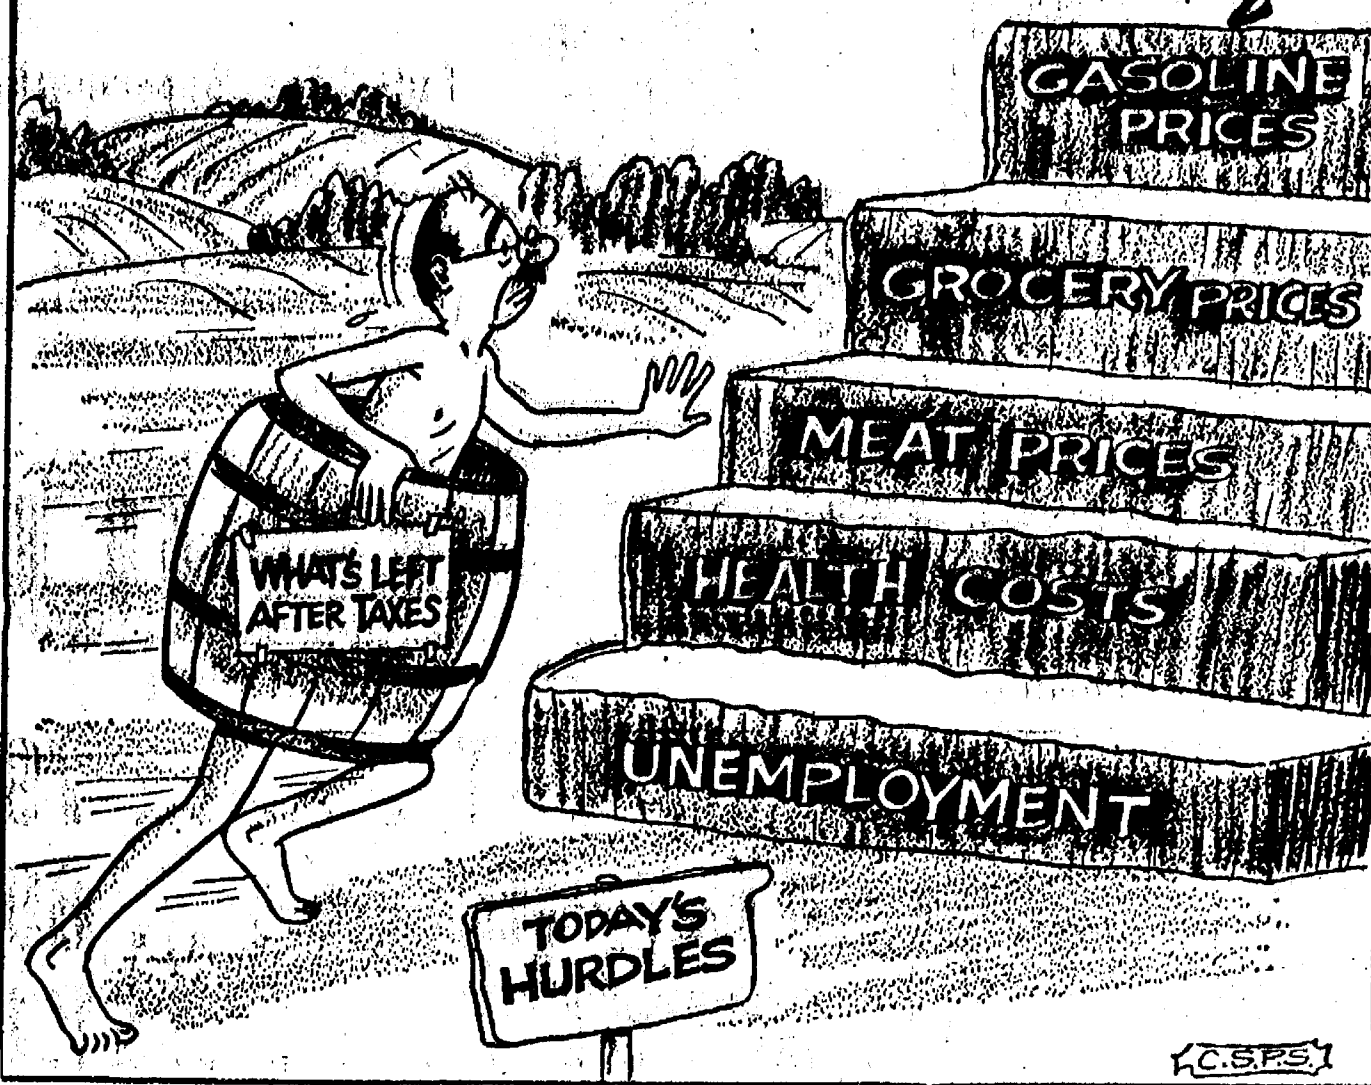

Personal, Mister Editor, after hearing the fellers I'm convinced that a army ain't the only thing that runs on their stomach. The belly issue is tops with voters.

Yours truly,
Uncle Lew.

Smoking Seminar Slated in Ann Arbor By Christmas Seal Group

The Washtenaw Tuberculosis and Health Association will sponsor a "Smoking Seminar" to be held at the association offices located at 3360 Washtenaw Ave., Ann Arbor. Police Get TIPS

Phones ring an average of 165 times a week at the TIP offices in the Michigan State Police Headquarters at East Lansing.

And although there have been no convictions yet—it's too early for anyone to have been processed through the courts—and no money has yet been paid out, State Police Director John R. Plant says the TIPS (TIP) program appears to be a success.

"Frankly we went into this with a bit of apprehension," Plant said in a recent interview. "There's a lot of money involved, maybe \$150,000 to \$200,000. And we weren't sure it would be worth it."

"But look at what's happened in the past three months—it shows it's a good program."

To obtain a copy by mail, write to Huron-Clinton Metropark Guide, 600 Woodward Ave., 11th Floor, Detroit, 48228, or phone 961-5865 (Detroit), with processing and mailing expected to take 2 to 3 weeks after receipt of requests.

Cong. Chamberlain Participating in Balkan Conference

Congressman Charles E. Chamberlain (R-Mich) departed from Washington April 11 with the U.S. Congressional Delegation to the Interparliamentary Union to participate in a Balkan conference on co-operation and security meeting in Bucharest, Romania, from April 15-20.

The 10-member United States delegation, headed by Senator John Sparkman, will attend the conference, along with representatives from all European countries, Malta, Cyprus, Iceland, and Canada.

Congressman Chamberlain has been designated to serve as the United States representative on the Subcommittee on Economic and Social Affairs, which will embrace the complex problems of the energy crisis and conferences of the world population explosion. Other items to be discussed at the conference include political questions, international security and disarmament, education of youth, with a view to international understanding, co-operation and peace, and the problems of torture in the world.

SUN POWER
In a single year the sun's energy reaching the earth's surface is equal to the energy from burning 100 trillion tons of coal—about 100 times more than the world's annual coal production.

March 23, some 1,645 calls were made to the TIP toll-free phones at 1-800-282-2277.

—In that same period, police made 98 TIP-related arrests: 43 for delivery of heroin; 10 for delivery of cocaine; two each for delivery of LSD, amphetamines and PCP (a "horse tranquilizer"); 18 for delivery of marijuana; five for possession of various narcotics; and 16 in "other categories." (That could include such things as possession of an unregistered handgun.)

—As evidence in some cases, and through TIPS about drug caches, police have collected: 10,000 hits of LSD; 27,000 units of amphetamines; 700 grams of cocaine; 938 grams of heroin (some more pure than the 3-3 1/2 percent "street grade"); and 34 pounds of marijuana.

A couple of those arrests, Plant says, were "people we'd been looking for for a long time."

He says police may have had information about persons trafficking in narcotics, but not enough court admissible evidence to gain a conviction. Through tipsters, they've been able to make arrests.

The TIP program, patterned somewhat after similar programs in Tampa, Fla., and New York state, works like this:

You have information about narcotics pushing activities. You call the TIP number with that information, either identifying yourself or not. If you want to remain anonymous, an identifying number system will be worked out.

If the data you provide gives the police "substantial assistance in procuring court admissible evidence," Plant says you're likely to get a reward—up to \$30,000, depending on the situation.

The information police want might include such things as how the pusher moves, how he or she disposes of the narcotics, operation routes, customers—"anything that will give us a key," Plant says.

He says too that you're likely to get some reward if you provide information about "significant caches" of narcotics.

Plants works with two four-member panels of distinguished officials (unidentified to prevent hassles) to decide who gets how much reward money. And he says he expects

the first of the TIP rewards will be paid out within a month.

Contributions High

An "all-time high" is the way United Way officials describe the contributions for their recent campaign.

Campaigns across the state, 125 in all, raised well over \$61 million, making last year the first time contributions had passed the \$60 million mark.

The record came despite an attempt by the Sportsman's Alliance of Michigan—SAM for short—to disregard the United Way campaign. SAM declared a moratorium on United Fund giving because of a national YWCA resolution supporting restrictive federal gun legislation. (The "Y" nationally does not receive any UF contributions.)

The United Way of Michigan, a state-wide federation of 25 health and social service agencies, provides financial support as well as communications, budgeting and campaign services for its member groups.

Plants Leaving?

Don't look for Col. John R. Plants, Michigan's State Police Director, to be sailing off for a new law enforcement job in New Zealand, as some reports have suggested.

Plants told Michigan Mirror recently, however, that he is considering a couple of offers to change jobs. He's not saying yet what he will do about them, but it sounds like Michigan will be looking for a new state police director in the not too distant future.

Ding Dong

Wedding bells will be ringing for one of Michigan's 38 state senators.

Democratic Sen. Patrick McCollough of Dearborn plans to marry a young lady who formerly worked for Senate Democratic Leader George Fitzgerald, as well as being as being active in the 1970 gubernatorial campaign of Sander Levin, also a Democrat.

The bride-to-be is Sylvia Chappell, who now works in Detroit. She is the daughter of Mr. and Mrs. Clifton Chappell of Lansing. No wedding date has been set.

"I REMEMBER"

BY THE OLD TIMER

From Gloria Boyd, Tulsa Okla.: I'm really not an oldtimer, but I remember when we had an outdoor toilet and kept a sloop jar in the house at night.

We had no running hot water and when we took a bath we heated water and used a No. 2 tub.

We girls wore dresses that were made from pretty printed flour sacks that mom had cut out without a pattern and sewed on the riceless sewing machine she had bought from a door-to-door salesman.

I remember when every Sunday we bought a half-gallon of ice cream for dessert—for 50 cents, which was a lot of money then.

We got two pairs of shoes a year, one black for winter and one white for summer.

I am not really too old, but those were days to remember—and I am sure that I will never forget them.

From Mrs. Carl W. Strömmler, Leesburg, Fla.: I remember school days, walking on roller skates. Coming home, mother was always there to greet me, as was my dog, Duke, a Boston terrier.

I remember meeting my father at the railroad station on nice evenings, to walk home with him. I remember helping my mother with the weekly mangle—she would iron and I would fold the garments—what a time to get any problems out in the open.

Class of Seven Is Confirmed At Congregational Church

Confirmation instruction begun last October came to an end with a crowning experience on Maundy Thursday, April 11, when the confirmands of the First Congregational church took their first communion during a candlelight service of worship and Holy Communion.

The group, whose members are Stuart Blacklaw, Leigh Ann Hafer, Gregory Ringe, Carolyn Schardin, Rodney Sweeney, William D. Van Riper, and Lori Werner, presented themselves to the congregation in a service of worship on Sunday, March 17. The group planned and conducted their entire service, which centered around a theme of "The Gospel Message."

Another Theft Reported at High School

For the second time within a month, a locked area at Chelsea High school has been entered and equipment stolen.

High school teacher DiAnn L'Roy Saturday told Chelsea Police Officer Peebles that a Sawyer brand slide projector had been removed from her office sometime between Thursday and Saturday.

The projector, dark blue metal built in a carrying case, had attached remote control but no slide tray. The projector is valued at \$85.

Miss L'Roy told Officer Peebles that apparently someone has a pass key to her office, which is near the high school music room. There were no signs of forced entry to either the school or her office.

Last month, a six-inch Shure brand microphone and its 15-foot cord, valued totally at \$93, were removed from a locked cabinet in the high school band room. That theft was also discovered by Miss L'Roy.

On Sunday, March 24, these young people became members of the church through the rite of confirmation. Sylvester Wojcik, representing the Board of Deacons, the spiritual leader of the congregation, assisted the Rev. Carl Schwarm in the confirming service. The confirmands gave the altar flowers and worship bulletin covers for that Sunday in celebration of their confirmation.

Missing Tail Light Leads to Arrest on Marijuana Charge

An Ann Arbor man has only a tiny light—and a warrant—to blame for his arrest.

Chelsea Police Officers Peebles and Browning stopped a 1969 Ford on Main St. early Friday morning for the simple lack of a license plate light. Upon running a license check on the driver, Ronald Strahm, 19, 1021 Island Drive Court, Ann Arbor, the officers found that he was wanted on a warrant from the Ann Arbor Police Department for possession of marijuana.

Strahm was arrested and turned over to the Ann Arbor Police Department.

taxes in districts like the Chelsea School District in that year by as much as seven mills.

Should the bill be passed into law, it will increase the money the district receives in the form of state aid to education, and will reduce the property taxes by a corresponding amount.

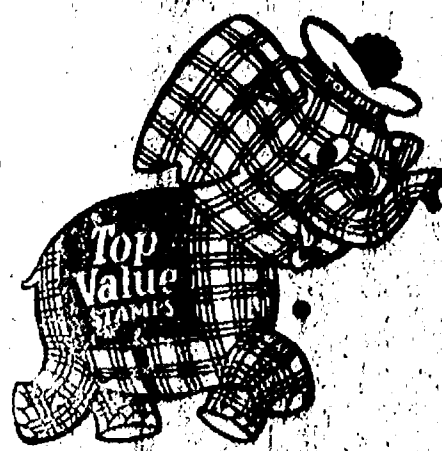

Regardless of the result of the bill, however, the requested 13.5 operational mills will provide sufficient funds for the 1975-76 school year, the board says.

School Board Briefs

Present at the Chelsea Board of Education meeting Monday, April 15, were President Haselschwardt, Trustees Hodgson, Daniels, Schafer, Irwin, Stirling, and Koenig, Superintendent Cameron, Business Manager Mills, and Principals Lane and Conklin.

Guests were William Coelius, Miss Lynn Williams, Miss Laure Prinzing, Keith Cockerline, Steve Bennett, and Kurt Allhouse.

The meeting was called to order at 8:05 p.m. Minutes of the April 1 meeting were approved as corrected.

An extended discussion with the guests present was held regarding the credit allowed for participation in debate at Chelsea High school. Miss Williams reported that the English Department staff is in agreement with the present procedure and the recommendation of William Coelius to allow one semester credit for debate toward the six semesters of English required for graduation. The board took no action to change the present procedure.

The board discussed the proposed curriculum changes in other areas, with no action taken.

The board accepted the proposal of Construction Co-ordinators, Inc., to reduce their construction supervision fees in line with the new construction estimates.

The board adopted a resolution for the annual school election to be held on June 10, in the large group instruction room of Beach.

Girl Scout Council Burns Mortgage on Camp Linden

More than 200 adult and teenage Girl Scouts burned the mortgage of Camp Linden, the 430-acre resident camp in Livingston county last Wednesday. The ceremony highlighted the annual meeting of the Huron Valley Girl Scout Council held at St. Paul's United Church of Christ in Chelsea.

Putting matches to the mortgage were Mrs. Lawrence Dunham of 2045 Barron Rd., Howell, chairman of the 1983 Site Committee which found the land and negotiated its purchase, and two Senior Girl Scouts who have sold Girl Scout cookies for eight years to fund the camp. The Scouts were Barbara Guzik of 36634 Gilchrist, Westland, who currently heads a team of Senior Scouts assisting users of the camp, and board member Vicki Frazier of 617 Spring St., Ann Arbor. Total cost for Camp Linden was \$108,000 plus interest.

"We thought the cost almost prohibitive at the time," Mrs. Dunham said. "But the land had everything, a lake, large stream, beautiful rolling terrain and woods. We were afraid we could never pay off the mortgage, but we put up everything the Huron Valley Council owned as collateral, and gambled."

Mrs. Dunham was also awarded the Best Friend of Girl Scouting plaque which annually goes to the person who has done most to promote the aims of the Huron Valley Council. The award was made by Senior Scout, Linda Burch of Howell, and Mrs. Louis Galan, president.

In other business, the 117 delegates authorized by substantial majority votes, the Huron Valley directors to present two issues to the national board seeking consideration in 1975. The proposals are to liberalize national policy to make co-ed membership an established option for Girl Scout troops and to set limits on the national board's authority to change membership standards.

"In Girl Scouts, the girls decide what they want their scouting to be," Mrs. Galan said in commenting on the first proposal. "While no one is suggesting that the organization become a all co-ed or merge with any boys organization, we do believe that older girls should be able to include boys in their troops if they want to."

Featured speaker at the meeting was Thomas Workman, principal of the Elma Allen Elementary school, Plymouth, whose topic was "Three R's Plus G. S. Make a Difference."

Other awards presented included two Thanks badges recognizing out-

standing service. They went to Mrs. Lawrence Krohn of 805 Robin Rd., Ann Arbor, for her success as leader of a Cadette troop of junior high school girls, and to Mrs. Joyce Smith of 2810 Byington Blvd., Ann Arbor, for her work as a volunteer supervisor of Girl Scout leaders in northwest Ann Arbor.

A Certificate of Appreciation went to Mrs. Dale Burch of Howell for her work in a variety of jobs, including director of Livingston county Girl Scout Day Camp for several years.

Awards also went to individuals and troops who have promoted Council goals during the past year. The fund raising award went to Mrs. Robert McNaughton of 1725 Waltham, Ann Arbor, chairman of the 1974 Cookie Sale which raised the most money in history for the Huron Valley Council, \$144,000. The imaginative program award went to Plymouth Senior Association, a city-wide organization of high school scouts with 44 members. The award was accepted by Lynn Hughes of Plymouth.

The award for developing skilled leaders went to Mrs. Larry Nitzel of Wayne, volunteer supervisor for troops at Roosevelt and Vandenberg schools. Two public relations awards were made, one to the Eastern Washtenaw Area Association, which each year brings more than 400 Girl Scouts together to honor leaders. The second went to Cadette Troop 484 of Ann Arbor for outstanding community service receiving press attention. The troop began restoring an abandoned house in Ann Arbor, which acted as home to newly arrived immigrants over 100 years ago. The troop was also appointed as the state's first Girl Scout troop to act as the Governor's honor guard at Fort Mackinac. Accepting this award was Julie Renkin of Ann Arbor.

Officers re-elected to second terms at the meeting were Mrs. Jane Bradbury of Ann Arbor, second vice-president in charge of

program, and Mrs. Rodney R. De-vo of Westland, board secretary. Board members elected were Mrs. Joseph Chicky of Westland, Robert E. Helm of Ypsilanti, Mrs. Jon Leves of Ypsilanti, Mrs. Robert Merchant of Saline, Mrs. Paul Neeb of Ann Arbor, Mrs. Virginia Blomer Nordby of Ann Arbor, Lorraine Perry of Ann Arbor, Mrs. James Young of Howell, John Robert Touse of Belleville and Mrs. James Barden of Ann Arbor.

Nominating Committee members elected include Mrs. Herbert Hinz of Chelsea, and Mrs. Scott Westerman of Ann Arbor.

Retiring board members honored were Mrs. H. M. Crooks of Ann Arbor and Mrs. Roscoe Stuber of Howell, John Swisher of Ann Arbor, David Weston of Ann Arbor, and Mrs. L. W. Helmreich, Jr., of Ann Arbor.

SUNDAY'S SERMON

★ Silence Is Golden?

There are times in life when silence can be considered the greatest virtue of all. These are times when silence is a very positive thing, a tower of strength.

Whenever the urge to criticize begins to come to the surface, or when envy or greed bring unkind words to mind, silence is the best solution.

Silence can also be a strong form of protest, letting others know you don't go along with the crowd just because something is popular or socially acceptable in the modern times in which we live.

But silence can also be dangerous—when it hampers us from speaking up for what we believe in. When you have nothing constructive or good to say, remain silent, but when you are moved by your conscience to say what you believe is right—that is the time to speak out and let your views be heard. Silence is a tool that works in certain situations and a poor crutch in other situations.

BOY SCOUT TROOP 465 attended the April meeting of the Chelsea Rod and Gun Club and Scouts were presented with awards. Troop members are, front row, from left, assistant scoutmaster George Sweeney, Bill Haworth, and scoutmaster Lloyd Hafner. Second row, from left, are

Jeff Rabbitt, Louis Jahnke, Mike Lyons, and Scott Robertson. In back, from left, are Mike Sweeney, Kris Steinaway, Jim Brown, Brian Lewis, Chip Stafford, Steve Hegadorn, and Kirk Steinaway, senior patrol leader.

Troop 465 Awards Presented

Service and merit badges were awarded to Boy Scouts of Troop 465 in a ceremony at the recent April meeting of the Chelsea Rod and Gun Club, where the charter was awarded to Paul Bauer, president of the club.

Presenting awards to the Scouts was Kirk Steinaway, senior patrol leader. Receiving scout awards were Jim Brown, Louis Jahnke, Mike Lyons, Tim Sweeney, Bill Haworth, Brian Lewis, and Scott Robertson.

Honored with service stars, which are awarded for the number of active years in scouting, were Jeff Rabbitt, one year pin; Chip Stafford, two-year pin; Tim Sweeney, three-year pin; Kris Steinaway, four-year pin; Steve Hegadorn, five year pin; and Kirk Steinaway and Mike Sweeney, six-year pin.

Adults who received awards were Herb Hegadorn, Troop 465's institutional representative, for his four years of service; George Sweeney, five years; Art Steinaway, six years; and Lloyd Hafner, 12 years. Special merit awards went to Kris Steinaway, who earned both a fireman's merit badge and a cooking skill award; Bill Haworth, who earned a cooking skill award; and Brian Lewis, who also earned a fireman's merit badge and a cooking skill award.

RECEIVING THE CHARTER for Boy Scout Troop 465 is Paul Bauer, right, president of the Chelsea Rod and Gun Club, where the Scouts held their award ceremony. Presenting the charter are Herb Hegadorn, the troop's institutional representative, (back to camera), and Art Steinaway.

ASK THE GOVERNOR

by William G. Milliken

Question: I read the other day that unemployment in Michigan is now more than ten percent. What are you doing to improve that situation?

Governor: There are a number of things which I have proposed which can have a positive impact both in the long- and the short-run to improve the unemployment situation.

I believe that we must move immediately to help those who are or will be affected by the economic slowdown. I have already contacted President Nixon requesting a special program of unemployment compensation for workers who are laid off as a result of the energy office.

Additionally, there are several steps which I have recommended to improve our system of providing unemployment benefits at the state level. One of those steps—legislation to eliminate the one-week waiting period for unemployment benefits—has already been adopted.

We now need the adoption of legislation which will raise maximum unemployment benefits from the range of \$56-\$92 per week to \$67-\$106, and which will extend benefits an additional 13 weeks, giving workers nine months of compensation instead of the present six months.

Beyond these short term steps, we must also make certain that Michigan is a good place to do business, because the business climate is directly related to jobs and the problem of unemployment.

In addition to the several programs now being operated by the state's Department of Commerce to attract new business and industry to our state, we need the adoption by the legislature of several new programs to improve Michigan's climate for economic growth, expansion, and new jobs. The steps I have recommended include a 1/2 mill reduction in the corporate franchise tax, a freeze on industrial property tax assessments in cities with heavy property tax burdens and the creation of a Michigan Job Development Authority.

A comprehensive program of the type I have outlined—including measures to help those who are unemployed and to improve our

business climate—can go a long way toward improving our job situation.

Question: My husband and I bought a mobile home six months ago, and it's falling apart on us. The roof leaks, the doors won't close, and the wind blows right through the windows and walls. When we call the company that we bought it from, they just say that it's not their responsibility. Something should be done to make somebody responsible in these situations.

Governor: In the last decade, mobile home living has become one of the most important segments of our housing industry. Nearly a quarter-million Michigan citizens now reside in mobile homes, and the number is growing rapidly.

I firmly believe that we need to move, ahead forcefully—now—to provide adequate protection for our citizens who live in mobile homes. In order to accomplish that goal, I proposed a five-bill "Mobile Home Package" in my Special Message on Consumer Protection.

One of these bills—House bill 5395—could prevent the kinds of problems you are experiencing by requiring a one-year warranty on all mobile homes sold in the state. Other bills I have recommended would:

—Permit counties and local units of government to adopt ordinances tougher than those of the state;

—Limit the interest rate charged to mobile home buyers to 13 percent;

—Prohibit the practice of charging entry fees to tenants' guests;

—Prohibit "tie-in" arrangements wherein a condition of residence in a park is a requirement that a mobile home or its accessories be purchased from a park owner or his agent.

I urge citizens who are inter-

Science Fair At High School Next Thursday

Science exhibits from biology and earth science students at the high school will be displayed at a science fair next Thursday, April 25, from 7 to 9 p.m. in the Chelsea High school library.

Exhibits will deal with subjects including plants, plant hormones, light, animal behavior, dissection, physiology, muscle contractions, genetics, blood types, behavior, and bacteriology.

Teachers June Winans, Judy Scott, and Barbara Wenk invite the public to the fair, particularly parents of students.

ested in this issue to contact their State Senator or Representative and urge support for these measures.

Question: I am writing to you about some forgotten people—the men who are still listed as Missing in Action in Southeast Asia. It seems like once our country's involvement there ended, everybody just forgot about those men and their families.

Governor: On March 19, I signed one of my priority pieces of legislation in the area of Veterans Affairs. That bill extends free college tuition benefits to the children of armed forces personnel still listed as missing in action. Under the previous law, those kinds of benefits were available only to the children of armed forces members who were killed or permanently disabled in action during a war or war condition.

While many people would like to erase the tragic mistakes of Vietnam from their minds, I firmly believe that we should not forget the families of the young men and women who sacrificed so much at the call of their country.

BB Gun Shots Damage Home Windows

Damage from BB gun shots has again been reported to Chelsea Police, this time to both a storm door and a sliding glass window.

Gerald Duffey, 23 Chestnut Dr., returned home Sunday afternoon to find apparent BB shots through one 24 in. x 36 in. storm door glass valued at \$10, and one 36 in. x 46 in. Thermopane sliding glass window, valued at \$60. He told investigating officer Dettling that he had been absent from his home since 11 a.m. Saturday.

Several BB shots were found on the porch near the damaged door and window. Police have no suspects in the case.

A village ordinance prohibits the use of BB guns, slingshots, fire-arms, and bows and arrows within the village limits.

Nine Pounds Willow Run...

(Continued from page one)

Haselschwardt also saw service in the contest.

Recording the win for Saline was Scott Fosdick.

Dave Tucker and John Houle each were good for two Bulldog hits, while Mike Nadeau punched a two-run homer.

If Wednesday's game was wild, then Saturday's double bill was simply and completely a romp (or two romps, to be exact).

In the first, Coach Phil Bareis' charges started slowly, gradually, but effectively stretching their lead over Willow Run until erupting in the sixth with 12 runs.

So effectively, in fact, that the game was called at the end of six innings, as a result of the Bulldogs' accumulation of more than 10 runs in that inning.

Final score was an overwhelming 23-1. Willow Run was held scoreless after the first inning by winning pitcher Bill Clark, who allowed only three hits.

Big hitter for the local squad was Doug Reed, who pounded out three triples and a single. Joel Sprague recorded a triple and a pair of singles, and Mike Nadeau and Tres MacCollum were each good for four hits.

In the second half of the twin bill, Chelsea again charged to an early lead that stretched to 18-6 in the fifth, but with a never-say-die spirit about him the Willow Run coach refused to allow the game to be called, despite Chelsea's more-than-10-run lead.

His decision only prolonged and deepened the beating, as the final score showed the Bulldogs on top, 23-13.

Recording the Chelsea win was Howard Haselschwardt, who was

relieved by Todd Ortbring and Key-relieved by Todd Ortbring. Willow Run was held to a meager five hits in the run-laden contest.

Topping hitters was Todd Ortbring, who hit safely four times. Perry Johnson was good for a single and a triple; Mark Pennington recorded a double and a single; and Kevin Webb pounded out a triple.

Chelsea's record now stands even at 3-3. Friday the Bulldogs will entertain Brighton and then will travel to the Tecumseh Tournament starts Saturday for two games.

Woman's Club Program Given By Astrology Teacher

Woman's Club of Chelsea met Tuesday, April 9. Following the regular business meeting, the club heard a program sponsored by Mrs. David Strieter.

Mrs. Strieter introduced Mrs. Robert Paul from Jackson, who is an astrologer. She is affiliated with Jackson Community College, where she teaches a course in astrology.

For her presentation, Mrs. Paul explained all of the signs of the zodiac and described the general characteristics of people whose birthdays fall under each sign. She then read several horoscopes which she had researched and prepared in advance of the meeting. Her subjects were members of the club.

Hostesses for the evening were Mrs. Anthony Raduazo and Mrs. Winston Schenk.

Next meeting will be April 23, which is the annual meeting. Officers and committee chairmen will present annual reports.

CURRIE-PICKLESIMER: Mr. and Mrs. Kenneth M. Currie of Southgate announce the engagement of their daughter, Janet Ann, to Mitchell Picklesimer, Jr., son of Mr. and Mrs. Mitchell Picklesimer, Sr., of Chelsea. The prospective bride is entering her senior year at Eastern Michigan University, majoring in occupational therapy; her fiancé is head of the science department at Grace Bible Christian Academy in Ann Arbor, and is a graduate of the University of Michigan. No wedding date has been set.

TROOP 442—

Troop 442 is making clay animals for the Chelsea Community Fair this summer. We told jokes. Our leaders are Mrs. Janes and Mrs. Connor. Chris Kvarnberg furnished treats.

Patty Luck, scribe

TROOP 689—

Girl Scout Troop 689 opened its meeting with the flag ceremony. Next we worked on badges. Some of the badges included were: writer, music, books, collector, home health and safety, and health aid.

The girls showed pictures, paintings, and spoons.

Danny Bohl played a song on the guitar. The troop chose three new officers: patrol leader, Sabrina Woodward; treasurer, Michele Umstead; scribe, Teresa Hoffman.

Next week we'll complete the first aid course. Tracey Fletcher brought treats.

* Teresa Hoffman, scribe.

SENIOR TROOP 47—

The meeting of Senior Troop 47 was called to order by Linda. We discussed our encampment, to see who is planning to go. We were invited to go to a pot-luck in Saline. We discussed what we're going to do in Girl Scouts. Meeting was over at 8:30.

Connie Pearson, scribe.

TROOP 58—

On Thursday, Troop 58 made centerpiece for the Methodist Home. We had treats and said the closing.

Lisa Dickson, scribe.

BROWNIE TROOP 145—

Today Brownie Troop 145 made plans to invite our parents for a tea. It is Thursday, March 18. We made invitations to take home. Some of our mothers were asked to bring cookies. We had two visitors today: Sally Vaught and Margaret Stirling.

Kristal Salyer, scribe.

Modern Mothers Hear Gateways to Family Expansion

"Gateways to Family Expansion" was the program for Chelsea's Modern Mothers Child Study Club meeting, Tuesday, March 26 at the home of Carol Flintoft.

Guest speakers for the evening were Mrs. Mary Bouillon from Dexter and Mrs. Eilana Papadakis from Catholic Social Service in Ann Arbor. Mrs. Bouillon is both a foster parent and an adoptive parent. During the past several years she has had many foster children in her home. She stated that the children's ages ranged from small babies to the age of eight. The children stayed in her home anywhere from four days to four years.

Mrs. Papadakis explained that foster care is just a temporary home for children and that all of these children are not adoptable. In fact, in most cases they are not. Information concerning adoption was also given to the group. Mrs. Papadakis said calls and applications are now being accepted for adoption.

Once a home study is completed, prospective parents' names are then added to a waiting list. However, there is a four-year waiting list if a couple wishes to adopt a newborn, healthy, white baby. If a child is older than toddler age the waiting time can be considerably less.

Both speakers answered numerous questions from club members and guests. There were 24 members present with Joanne Weber and Janet Griener as guests. Refreshments were served by the co-hostesses, Gloria Greenleaf and Carol Kvarnberg.

Easter Egg Hunt

(Continued from page one)

Apparently the Bunny could provide her with nothing she didn't already have.

For those unable to collect any eggs on their own, the yellow-clad Easter Bunny presented a few from his own personal cache, although some were less receptive to the gifts than others.

The actual hunt lasted only a matter of minutes. Winners in the various age groups were Bret Walton and Michael Gornakins, preschool; Valerie Hosler and Kirk Eubanks, kindergarten; Phillip Sweet and Amy Wolter, 1st grade; and Tom Moore and Kim Smith, 2nd grade. Tim Moore is actually in kindergarten, but collected his eggs in the 2nd grade section, so for statistical purposes, he is regarded as a 2nd grader.

Behind the scene work that was cited for thank-yous by the Jaycees was the assistance of the Chelsea Fire Department, in providing the fire truck, Chelsea High school for the use of the football field, and Chelsea United Methodist Home, for the use of its facilities to cook and color the eggs. And, of course, the weatherman received a hearty thank you.

MERKEL-SALYER: Mr. and Mrs. George Merkel announce the engagement of their daughter, Ann, to Rodney Salyer, son of Mrs. Roma Salyer. The prospective bride will graduate from Chelsea High school in June; her fiancé is a 1973 graduate of Chelsea High school who is employed at Federal Screw Works.

Letters to the Editor

To the Editor:

Fur coats luxurious? Of course they were on the once alive, sensitive, beautiful animals whom they adorned in the beginning. Killing an animal for its coat destroys the beauty of owning one; it should for anyone who has half his feelings where they belong. Why do women need real fur coats—those of endangered species, no less—with all the man-made furs around that look just as real? Is it the torture of the steel jaws of a trap, the sharp, killing pang of a bullet, or the crushing, bloody blow of a club that makes the fur more genuine?

It's genuine insanity and inhumanity, and it's happening right now on the part of the money-hungry, thoughtless jerks who kill and market the real furs, and the "elegant" ladies who are really murderers in disguise. Well, who cares about a jaguar in South America, or a seal in Alaska?

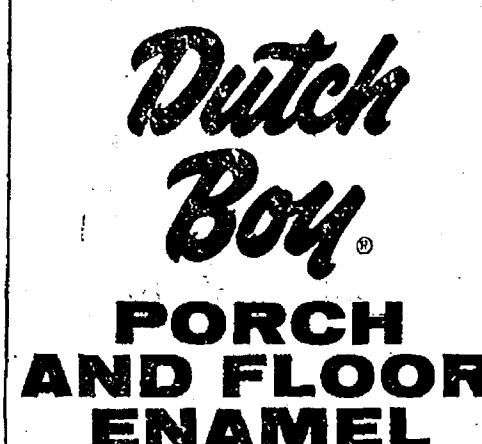

But when some guy thinks about raising dogs or cats, women blurted out their horror at the idea of such a cruel thing. The idea came to an abrupt halt before one dog was killed. What difference does it make what kind of life is questioned or taken, so long as it is a life?

Yes, women are the real ones to blame. They have their right and their vote is the deciding one.

Kathy Schmitke.

DRIED BEEF BOUNTY

Dried beef which comes in both jars and packages can appear in the menu in many ways. Shred it and use it in cream cheese with horseradish as a dip, for example. Shredded, it can go into a cream sauce to be served over baked, boiled or mashed potatoes, dumplings or biscuits.

Extension Service Broadens Service Through New Educational Programs

What is the extension service? That's not a question answerable in a few sentences. This year's special interest lessons will cover effective parenting, estate planning, an air tour over Washtenaw county, men's wear sewing, and a food consumer panel.

—Improve the quality of family and individual decisions.

—provide the competencies needed to carry out those decisions.

—help individuals increase their ability to interact effectively with others.

—develop the potential that exists for better individual, family, and community living.

Extension home economics is a part of the Co-operative Extension Service, established by an act of Congress in 1914 to help the people of the United States improve their homes, farms, and communities. The U.S. Department of Agriculture, state and local governments, and land-grant colleges and universities share in financing and supporting this national out-of-school education program for adults and youth in cities, small towns, and rural areas.

Cultural arts committee of the Washtenaw County Extension is one of the Services' newer committees. Recent tours have been to Meadowbrook Hall, Detroit Flower and Builders Show, Toledo Museum where Irish masterpieces were viewed, and Detroit Institute of Arts, where the Medici exhibit, was displayed. A number of other tours are planned for the future.

Annual segments of each year's program included a food and people lesson, which will deal this year with Australia, college day and week, Christmas open house,

and a number of special interest lessons.

This year's special interest lessons will cover effective parenting, estate planning, an air tour over Washtenaw county, men's wear sewing, and a food consumer panel.

Special topics for the coming year are scheduled to be: how to avoid heart attack, coping with stress, self-help weight control, women's rights under the law, no-fault insurance, the metric system, putting together your interior housing repairs, eating lower on the food chain, and labels at the supermarket.

To provide area families with educational programs, Extension home economists not only provide information through the mass media, newsletters, and publications, discussion groups, homemaker groups co-operative teaching efforts with other agencies and organizations, and volunteers trained by Extension to teach others. In addition, Extension program aides are employed to teach low-income families on an individual and small group basis.

For further information on Extension services, call Helen Weiss at 663-9160.

DEATHS

Mrs. Harry Coffron Dies Sunday at Methodist Home After Extended Illness

Mrs. Harry F. (Winifred W.) Coffron, 84, a resident of the Chelsea Methodist Home since 1970, died at the Home on Sunday, April 14 after an illness of several months.

Born Jan. 27, 1890 in Buffalo, N.Y., she was a daughter of Walter and Alice Barrett Wiseman. She married Harry F. Coffron in 1916. He preceded her in death in 1917.

Mrs. Coffron had been employed as an assistant buyer at the D. J. Healy Co. in Detroit for 22 years before coming to Chelsea. She was a member of the First United Methodist Church of Chelsea, the WSCS of the church and Phoebe Circle. She also belonged to the Chelsea Rebekah Lodge, Olive Chapter No. 108, Order of Eastern Star, and was a past president of the Woman's Relief Corps.

Surviving is one sister, Mrs. W. A. (Alice) Eaton of Valatie, N.Y.; as well as several nieces and nephews. She was preceded in death by four sisters and two brothers.

Funeral services were held at 11 a.m. Wednesday, April 17 at the Burghardt Funeral Home with the Rev. Clive H. Dickens officiating. Burial followed in Grand Lawn Cemetery. An Eastern Star memorial service was held at the funeral home at 8 p.m. Tuesday, conducted by Olive Chapter No. 108, OES. The family suggests that those desiring to do so may make memorial contributions to Mrs. Coffron's name to the Chelsea Methodist Church Memorial Fund.

Mrs. Frederick Lacey Former Detroit Resident Dies at Methodist Home

Mrs. Frederick (Charlotte) Lacey, 97 died Thursday, April 11, at the Chelsea United Methodist Home.

Born Nov. 10, 1876, in Clinton, Canada, she was the daughter of Thomas and Charlotte Potts.

She married Frederick Lacey Oct. 8, 1914. He died in 1945. She came to the Chelsea United Methodist Home Dec. 12, 1962, from Detroit.

She is survived by two nieces, Mrs. Robert Kingston of Detroit and Miss Elizabeth Potts of Detroit.

Funeral services were conducted Monday, April 15, at 11 a.m. at the Chelsea United Methodist Home Chapel by the Rev. Richard L. Clemans. Burial followed in Grand Lawn Cemetery, Detroit.

Arrangements were by Staffan Funeral Home.

Aaron M. Williams Chelsea Couple's Grandson Dies April 8 in Illinois

Aaron M. Williams, aged 3, died Monday, April 8 at Northwest Community Hospital, Arlington Heights, Ill., after an extended illness.

Born in Elgin, Ill., Sept. 17, 1970, he was the son of Charles W. Williams Jr., and Christine E. Tarasow Williams.

Surviving are his parents; paternal grandparents, Charles W. Sr., and Dorothy J. Williams of South Haven; and maternal grand-

13 EGGS were gathered up by little Cathy Hoffman, right, in a short span of minutes during the Jaycee egg hunt. Admiring her finds are her mother, Mrs. Fredrick Hoffman, left, and older sister Teresa. Cathy reportedly had no desire to meet the Easter Bunny after providing eggs so well for herself.

Carnival Scheduled at Beach Middle School

A lot of bargains will be found at Beach Middle school's carnival next Friday, and that isn't even the purpose of a carnival.

For starters, those with the hungries can indulge themselves in a less-than-\$1 dinner in the Beach cafeteria, which will be serving a complete dinner of hot dogs, potato chips, pop, milk, etc., throughout the evening.

A drawing for a dozen large stuffed animals will be held at 9 p.m., with tickets going for 10 cents each. Compared with the 50-cent lottery ticket price, this is dirt cheap, considering it's a well-known fact that something to hug is decidedly more significant than mere money. It's not necessary to be present to win in the drawing, and each ticket is worth one chance.

Tickets may be purchased from carnival club or student council members prior to the carnival, or at the carnival itself.

Featured at the carnival will be a number of new booths as well as the old favorites. New booths will include a casino booth, a toy walk booth, money-in-the-water booth, basketball booth, football throw booth, golf (not miniature) booth, astrology booth, guess-the-number-of-marbles booth, a Junior Achievement booth, and a home economics booth. Most of the booths will have 10-cent admission prices.

Old favorite booths returning for another year are two spook houses, a fortune-telling booth, a flower booth, a bean bag booth, a ring-toss booth, a white elephant booth, a balloon booth, a fish pond, and marionette shows.

Donations are still being accepted for the "white elephant" booth. Contributions may be made by calling Mrs. Gaiser at 475-2217, Mrs. Myers at 475-7228, or Mrs. Bareis at 475-2202.

Sponsoring the carnival are the Carnival Club, under the direction of Jane Cummings and Dave Knisely, and Beach School Student Council, under the direction of Susan Harding and Jack Hyatt.

Money earned at the carnival will be used by individual organizations who have sponsored the various booths and also by the school to buy a video tape recorder.

There is no admission charge. Time is 5 to 9:30 p.m. next Friday, April 26.

Kenneth Piatt Named VFW Commander

At the regular business meeting of VFW Post No. 4076, on Wednesday, April 10, election of officers was held.

Elected and appointed for the coming year were Kenneth Piatt, commander; Gary Kent, senior vice-commander; David Myers, junior vice-commander; Laurence Boyer, quartermaster; William Rademacher, post advocate; Kenneth Sharp, chaplain; Don O'Dell, surgeon; Frank White, three-year trustee; Laurence Boyer, service officer; and Mac Packard, adjutant.

Elected to the Washtenaw County Council were Laurence Boyer, Fremont Boyer and Kelly Carpenter. Alternates are Mac Packard, Gary Kent, and David Myers. Appointed to head the new bingo committee were Gary Kent and Fremont Boyer, with members from the Ladies' Auxiliary.

Pat Merkel, commander of the Legion, was a guest at this meeting. Laurence Boyer, the commander of county council, announced that the group meeting would be held this month in Manchester. Installation of the new officers will be conducted in May, on a date to be announced later.

Tennis Team Enters Varsity Competition

"An expanded schedule and experienced players are encouraging signs for this year," reports Chelsea High school varsity tennis coach Sam Vogel.

Another encouraging sign is the fact that North Elementary school's tennis courts will be completed this season, which will enable the local squad to host its first home match. Until then, all matches will be away, as in previous years.

As the team begins its third year of varsity competition, Coach Vogel boasts two three-year players of his group of nine returning letter-winners—Jane Belser and Debbie Bertke.

Other returning varsity players are Dan Hagen, Curt Umstead, Duane Luick, Mark Heydlauff,

Andy Quackenbush, Paul Marshall and Mary Verchereau.

First-year seniors expected to compete are Tom Boylan, Emmett Harker, and Per Gellstrom, exchange student from Sweden. A total of 25 young men and women are competing for spots on this year's team.

Chess Tournament Starts Next Tuesday

Chelsea Recreation Council will sponsor a chess tournament, beginning Tuesday, April 23 at 7:30 p.m. in the home economics building at Chelsea High school.

The tournament will continue on successive Tuesdays for four weeks.

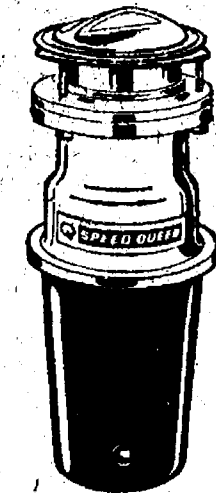

Those interested should contact Dave Evison at 475-1192.

Card of Thanks

IN MEMORIAM

In loving memory of my dear
husband, Dewey Salyer, who pas-
sed away one year ago, April 5,
1973. Sadly missed by wife Anna
and family.

CARD OF THANKS

I would like to thank all of my
friends, the Ruth Circle the Rev.
and Mrs. Clive Dickins, and my
family for their prayers, cards,
flowers, and help at home during
my stay in the hospital and since
my return home. It was appreci-
ated so very much.

Thank you,
Elaine McCalla.

CARD OF THANKS

I wish to thank all my friends,
neighbors and relatives, and the
Waterloo Village Ladies Aid, who
sent cards and flowers, both for
me and my family. Thanks also
Special thanks to my neighbor,
Betty. God bless you all.
for washing done while I was ill.

SOUTH ELEMENTARY
SCHOOL NOTES

KINDERGARTEN—

Room 3
Teacher: Mrs. Bower

We are all very glad to come
to school in the daylight. It cer-
tainly is fun to enjoy our better
weather.

Jennifer Cattell's mother came
to school one afternoon. It was
so nice to hear about her inter-
esting nursing job. She brought
many bandages, a stethoscope and
books to show us how to under-
stand more about doctors and hos-
pitals.

Mr. La Vigne is a policeman.
He brought pictures to school
about safety. We heard much
about his job, and he even read
us a story before he left.

Mr. Muncer is a pilot. His job
is very exciting. He let us all see
what he has in his flight bag,
from maps to sun glasses.

With Easter we were busy mak-
ing bunnies and chicks. A trip to
a farm is coming soon. We are
all looking forward to seeing an-
imals.

We all want to thank the mothers
for our many cookies and treats
this year. It has certainly helped
a lot.

Room 1

Teacher: Mrs. Van Blaricum
Bunnies, chicks and colored eggs
helped us welcome spring. We
have planted some seeds, and
most are sprouting now. We are
watching trees and bushes for more
signs of spring.

Our afternoon classes will be
meeting some of next year's kin-
dergartners when they come to
visit. The kindergartners them-
selves will be visiting the 1st
grades to see what to expect next
year.

We wish to thank the parents
who came in to tell us about their
jobs: Mr. La Vigne, Mr. Muncer,
Mrs. Cattell, and Mr. Bethner. We
really learned from this enjoyable
experience.

During April and May we will
be talking about animals both wild
and domestic. As part of this we
hope to have two or three pet
days when parents will bring in
our cats, dogs and other pets. We
also hope to visit a farm one day
to see farm animals, the barns
and equipment found there.

Our birthday people for April
are: Kevin Wengren, Shawn Mol-
loy, Ted Bush, and Carol Cordell.

FIRST GRADE—

Room 4

Teacher: Miss DeVries
For Easter we worked hard
making strong Easter baskets for
our goodies. The Easter bunny
made a surprise visit just before
school ended April 11. What a
shock!

We are thinking spring. Are
you? Someone isn't. This is what
spring means to the class: Rex,
flying kites; Richie, flowers; Paula,
picking leaves; Brian, trees; Mi-
chael, green leaves; Stephanie F.,
birds singing; Debbie, squirrels;
Pam, swimming; Bobby, green
grass; Julie, swimming; Richard,
swimming; Scott, birds come back;
Bill, animals come out; Tammy,
swans at the park; Kelly, flowers
blooming; Mark, catching frogs;
Michelle, butterflies; Patti P., rab-
bits; Ricky, riding horses; Steph-
anie R., playing at the park;
Thomas, riding horses; Matt,
climbing trees; Wendy, ducks;

Let's all concentrate on Spring!

Rooms 17 and 19
Teachers: Mrs. Thodeson
and Mrs. Schiller

Spring vacation was fun but a
little too cold and rainy. Many
of us visited friends and relatives.
Brad, Brent and Eric went to
Kentucky. Ann and Tony P. visit-
ed Florida. Ann brought back a
shell collection to share. Mrs.
Schiller's class enjoyed getting a
card from Tony and wished they
were fishing too!

To celebrate spring we planted
seeds. We are counting the days
until we see the first signs of
green. Whose plant will we see
first?

We are all working very hard to
be ready for 2nd grade. Just think
—only two more months.

In science we are studying birds.
Come in and visit our bulletin
board to see all the different
kinds.

We have an Easter tree with
painted eggs on it. After the eggs
are picked maybe the tree will
blossom. Our jelly bean and pea-
nut hunt was great. Some of the
hiding places were easy, some
were hard.

Mrs. Schiller's room has a new
boy whose name is Jamie. He is
Tonya's cousin. Jill moved last
week to Belleville.

Ronnie has a new pet. It's a
goat. Can you believe that? We
wonder what he will eat. He might
even eat Ronnie!

Happy Birthday to Melinda, Ann,
Matt and David S.

Room 2

Teacher: Mrs. Thornton
Reporters: All the class
We have finished our unit on
occupations and have decided what
we are going to be:

Tami Heim secretary; Chuck
Bollinger, sailor; Pat Rowe, in-
surance agent; Pam Mullaly, li-
brarian; Jason Pierson, fireman or
archaeologist; Bill Geddes and
Mark Bentley, coal miners; Ste-
phanie C. a reporter, stewardess;
Danny Cook and Mark Stibelton,
pilots; Tim Eerskin, Indian; Nicki
Haller, a good cook; Jodi Reed,
Fawn Waters and Missy Young,
nurses; Anne Weber, mother, an-
imal doctor and teacher; Danny
Hafmel, farmer; Bonnie Scott,
ballerina; Tonya Yost, queen or
telephone operator; Anita Welch,
bus driver; Kevin Koch, football
player; Phoebe Strong, a mom;
Amy Wolter, mother, nurse and
teacher; Scott Mills, lawyer; Mary
Griffa and Yvonne Gakin, teach-
ers.

April birthdays are: Jodi Reed
and Mark Stibelton.

SECOND GRADE—
Room 10
Teacher: Mrs. Grinnell

Springtime has really sprung in
our classroom. We each made a
huge, colorful flower to hang on
our garden wall. We also filled
an Easter basket with paper eggs
and surrounded it with flowers,
birds and butterflies.

Before vacation our class studied
animals of all sorts. We each
wrote a report on an animal that
was interesting to us, and then
read it to the class. Glenn Prin-
zing even brought in his pet rabbit
for us to see. We took a trip into
the Ann Arbor Museum to learn
even more about animals, din-
osaurs, rocks and minerals. It sure-
ly was exciting!

This week our students are cel-
ebrating Earth Week. We made
posters to remind the children in
school what we can do to help
stop pollution of all kinds. We
went on a Pollution Walk on the
playground and in the neighbor-
hood. We surely did pick up a
lot of junk.

In our language center, we have
been writing stories galore. We
share our stories with each other
by hanging them on our Authors
board. For the next few weeks
we will be writing stories of our
own to enter in a school-wide
Young Authors Contest. Maybe
someone from our room will win;
we hope so.

In our math we have been study-
ing money and clocks. We also
have learned how to carry and
regroup. This is much more in-
teresting to us now than just plain
adding and subtracting.

Room 8

Teacher: Mrs. Hamilton
Spring has sprung in Mrs. Ham-
ilton's room. The main attraction
is the bulletin board entitled
Signs of Spring. All the boys and
girls have cut out and colored their

CHELSEA VILLAGE COUNCIL PROCEEDINGS

Regular Session April 16, 1974

This meeting was called to order
at 7:30 p.m. by President Pen-
nington. Present: President Pen-
nington, Administrator Weber,
Clerk Keezer. Trustees present:
Wood, Galbraith, Dmoch, Johnson,
Gorton. Absent: Borton.

Others Present: Sergeant Lenard
McDougall, Shirley Chapman, Loy-
adell Keezer, Duwana Bertke, Mr.
and Mrs. Roy Greenleaf, A. W.
Vandervort, Joe Balogh, Mr. and
Mrs. Daniel Snyder, Mrs. Ruth
Leach, Mr. and Mrs. Donald Bald-
win, Max Plank, Richard Keezer,
Merle Leach, John Merkel, Norm
Colby, Jim Grau, and Sherri
Plank.

The minutes of the previous
meeting were read and approved.
A public hearing was held to con-
sider objections to the construction
of curb and gutter on the west side
of Freer Road from Washington
Street north to the railroad cross-
ing, and sidewalk on the west side
of Freer Road from Washington
Street north to a point sixty-six
(66) feet south of the south line of
the cemetery, one-half of the cost
thereof to be defrayed by special
assessment pro-rated according to
abutting frontage. Basil Greenleaf
presented Council a petition signed

ideas of spring, and we find every-
thing from a bee's hive to some
real pussy willows on the bulletin
board.

In math we have been working
with fractions and learning how
to tell time.

In science we have been investi-
gating light; how it travels, how
shadows are made, and soon we'll
be learning how the colors of the
rainbow are made from a white
light.

The peanuts reading group whose
members are Tanya Matloff, David
Kuttlung, Brenda Lewis, Becky
Schlupe, Laurie Heller, Kraig
Leach, Mary Vaughn, Kevin Wahr
and Kevin Colombo should all be
congratulated for completing the
second part of the 2nd grade read-
er. They are now reading library
books and making book reports.

The boys and girls have been
writing stories for a contest in
which all the 2nd grades are partic-
ipating. Two of the winners
will go to Dexter May 18 for a
young Authors conference.

Room 5

Teacher: Mrs. Lopez

We all enjoyed our trip to the
U. of M. Museum. Our guide told
us many interesting facts about
the animals we saw. We were
especially interested in the din-
osaurs and the big wolf. We want
to thank Mrs. Feldkamp, Mrs.
Settle, and Mrs. Sabo for their help
on the trip.

Susan Peterson celebrated her
birthday on April 9 with a room
party.

We have all had fun making
paper bag puppets. These were
made to look like a character in
the books we read.

April birthdays are: Jodi Reed
and Mark Stibelton.

ly was exciting!

This week our students are cel-
ebrating Earth Week. We made
posters to remind the children in
school what we can do to help
stop pollution of all kinds. We
went on a Pollution Walk on the
playground and in the neighbor-
hood. We surely did pick up a
lot of junk.

In our language center, we have
been writing stories galore. We
share our stories with each other
by hanging them on our Authors
board. For the next few weeks
we will be writing stories of our
own to enter in a school-wide
Young Authors Contest. Maybe
someone from our room will win;
we hope so.

In our math we have been study-
ing money and clocks. We also
have learned how to carry and
regroup. This is much more in-
teresting to us now than just plain
adding and subtracting.

Humane Society

Opposed to All Leghold Trapping

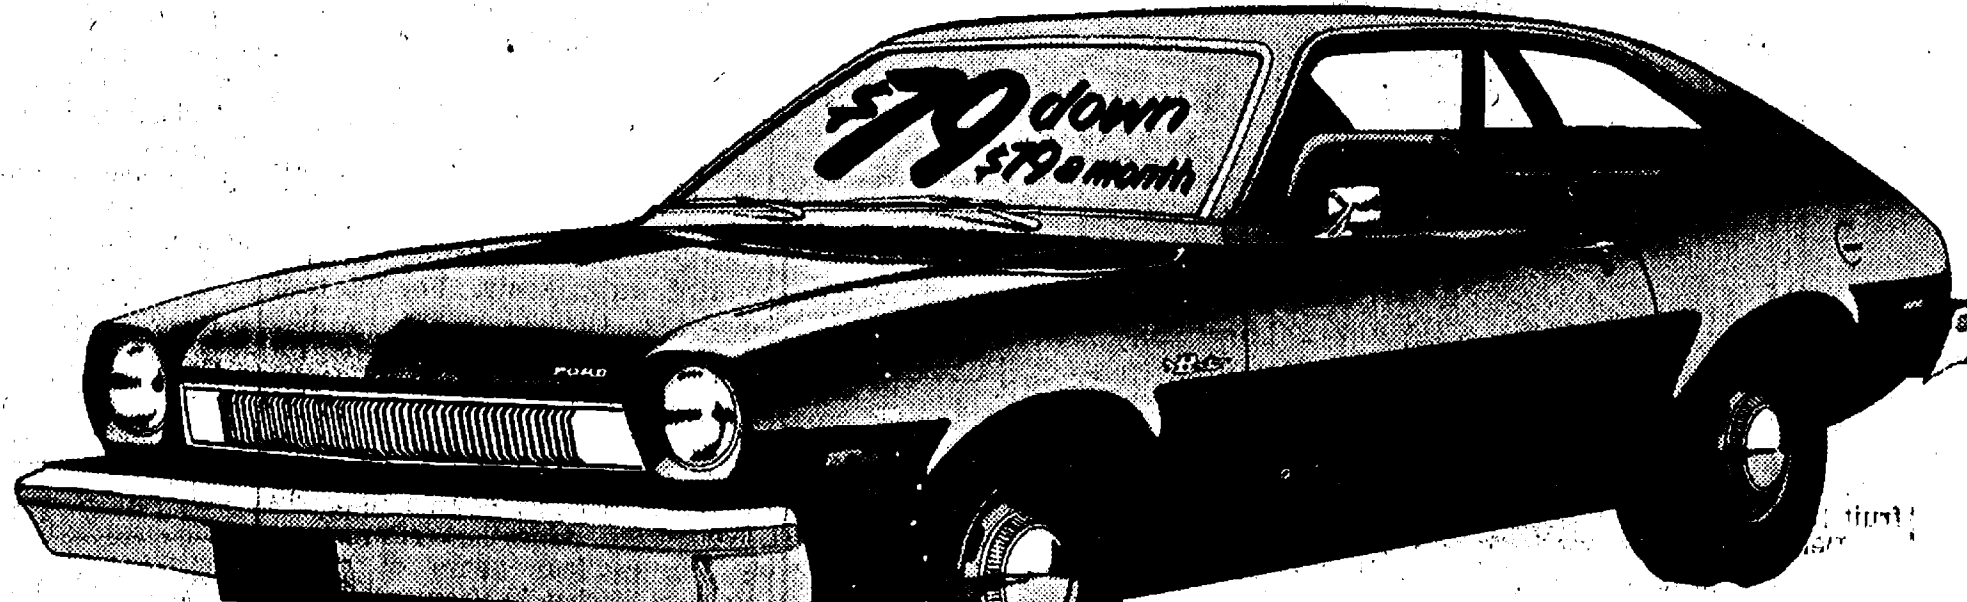

At its April board meeting, the Humane Society of Huron Valley unanimously passed a resolution to support abolishment of the leg-hold trap.

The Society wishes to go on record with an open letter and plea to act upon current Michigan H.B. 5462 as well as Federal proposals S. 1837 and H. R. 8065 to prohibit cruel trapping. It supports the strongest possible steps to do away with inhumane trapping, and urges citizen action.

Any man or woman without faith in the way or anyone gives evidence against themselves.

Applications Ready For '74 Scholarships

As June commencement and the world outside of Chelsea High school looms nearer than ever for the 1974 graduating class, high school counselor George Bergman reminds students intending to continue their schooling that applications are available in the counseling office for the scholarships awarded annually by the Chelsea Scholarship Fund.

Counselors also have a few applications for the United Auto Workers scholarship, which is awarded annually to children of UAW parents. Local UAW stewards will also issue applications to qualified students.

Meetings scheduled for the Scholarship Fund Committee in early May are expected to begin the screening processes for applicants for the scholarships.

A recent follow-up series conducted by the Scholarship Committee in the six 1969 recipients of Chelsea scholarships yielded information about the recipients' present status and a comment from Committee members: "It is always gratifying to know that the money contributed to an organization is producing the desired results."

That year's scholarship winners were Judy Sanderson, Lynn Visel, Douglas Weatherwax, Paul Prinzing, Nancy Parker, and Gary Ellenwood.

Judy Sanderson's scholarship aided her in the pursuit of a two-year program associates degree in secretarial administration at Ferris State College. After finishing her education, she was employed temporarily at Veteran's Administration Hospital in Ann Arbor, and for the past two years has worked as a secretary at the University of Michigan's School of Business Administration. The scholarship school, she said, "got me on my way when I needed it."

Lynn Visel, who also used her scholarship at Ferris State College, graduated with a Bachelor of Science degree in accounting for her four years. Presently she is zone accountant for the Sehrte Financial Co., in Chicago, Ill.

Douglas Weatherwax, who also began his college career at Ferris State College, left that school after a year and attended Eastern Michigan University for several months before enlisting in the United States Army. For the past one and one-half years he has been stationed in Germany. He is married to Shirley J. Hollister.

Paul Prinzing used his scholarship at Western Michigan University, from which he received a Bachelor of Arts degree in early elementary education after completion of four years of study. He now teaches in Fremont, and is married to Marjo Nelson of Muskegon, also a WMU graduate, who

is a year-round Project Headstart teacher in Muskegon.

At Washenaw Community College, Nancy Parker Montagne used her scholarship to aid in a two-year medical secretary course. She is employed now in secretarial work at Straub Clinic and Hospital in Hawaii. She is married to Ron Montagne of Chelsea, who attends the University of Hawaii and works as a design consultant at Hale Building Corp.

Gary Ellenwood attended Northwestern Michigan College at Traverse City for two years and then transferred to Michigan State University for one term. Now married, he lives in the Chelsea area and works in Waterloo for the Department of Natural Resources.

Scholarship Committee members and counselors at the high school indicate that support for this year's scholarship fund is more necessary than ever, not only from businesses in the community, but from individuals as well.

DAYTIME TV

Could Daytime Television be the reason why "a woman's work is never done?"

FIRST GRADERS in Mrs. Thodeson's class at South Elementary school took time out from more pressing academic pursuits to greet the Easter Bunny who visited them, last Thursday, armed with treats for all.

SOUTH ELEMENTARY SCHOOL was also a stop on the Easter Bunny's itinerary for the season. In the spirit of things, youngsters of Miss DeVries' class gathered around their Easter Bunny bulletin board and received treats handed out by the busy Bunny.
