School Millage Request Back On June Ballot

Chelsea School District's Board of Education has unanimously decided to return to the voters on June 10 with an operational millage request of 13.5 mills for two years.

Howard Haselschwardt explained that "School Board members and administrators will not only outline the entire financial picture, but will be available for questions and discussion at these meetings."

The request for 13.5 mills is composed mainly of a renewal of existing taxes, which stand at the 10.98 mill level.

According to Chelsea School District Superintendent Charles S. Cameron, the millage request reflects a budget that has been tightly trimmed to provide the best educational programs with the funds available.

"Asking only one additional mill produces tight restrictions on our programs during these times of spiraling costs for materials, utilities, and all aspects of our operations," Cameron said at Monday night's board meeting.

At last week's Board of Education meeting to certify the election results, the board decided to issue notices of termination immediately to all teaching and administrative personnel, effective with the end of their 1973-74 contracts.

To emphasize its concern that Chelsea voters be made aware of the school's financial picture, the board has scheduled two public meetings prior to the June 10 election: the first, for parents of high school and middle school students, will be at Beach Middle school, Tuesday, May 28; the second, for parents of elementary school chil-

Rec. Softball Program Starts Tuesday

Chelsea Recreation Council's softball program will open for both slow and fast-pitch teams this Tuesday, May 28, ushering in expanded leagues and an expanded schedule.

Recreation Director Tom Ballistrere, predicting an "excellent year" for Chelsea's softball program, has announced that three new fast-pitch teams and four new slow-pitch squads will see action this year.

Fast-pitch teams will be divided into two leagues: The National League, including Don Luthsen, Westgate, Auto, Jiffy Mix, Dunlavy Farms, 3-D Sales & Service, and the Independents; and the American League, including St. Paul's Sweepsters, Chelsea Milling, Thompson's Pizza, and Chelsea Merchants.

Teams in the single slow-pitch league are Fortune Industries, Mark IV Lounge, Wolverine Bar, Rulea Farms, Chelsea Independents, Chrysler, Walt's Barber Shop, McCalla Feeds, Village Motor Sales, TPSCO, Chelsea Methodist church, and the Eagles.

Fast-pitch games will be played on the South Elementary school field for the first two weeks of the season; after that they are scheduled for the high school field.

WIXOM VISITORS and Chelsea hosts join for a group picture during Mayor Exchange Day observances Monday. Above, front row, from left, are Frederick Weber, Mrs. Don Wood, Gilbert Willis, mayor of Wixom, Mrs. Willis, Mrs. Sylvia Vangieson, and

Exchange Mayor Tours Chelsea

Mayor Exchange Day in Michigan is not meant to be a day when a lot of hard-core concrete work is done—it is more of a time to relax and talk about getting work done, and bragging about what "our" city has done.

In Coldwater, for example, Detroit Mayor Coleman Young received a pair of white shoes from fashion-conscious Coldwaterites.

Nobody visiting Chelsea Monday from Wixom got white shoes, but they did, apparently have a good time with their host village and its residents and officials.

Spending the day in the village were Gilbert C. Willis, mayor of Wixom, and his wife, Pearl, and Dr. Val Vangieson, council member and mayor pro-tem, and his wife, Sylvia.

Arriving in the morning, the group toured the Chelsea United Methodist Home, then adjourned to the Chelsea Community Hospital for a tour that included the new surgical facility.

No parallel to the Chelsea Medical Center exists in Wixom, the visitors said, as patients must visit surrounding areas like Livonia or Ann Arbor for treatment, which should serve to make Chelseaites very proud.

Wixom is approximately the same size in population as Chelsea, but has tripled in population in the past few years, primarily due to the location there of a Ford Motor Co. assembly plant, for a time the largest in the country, and a recently-completed sewer system that has facilitated growth.

Mayor Willis, noting that he had inspected Chelsea's 125th anniversary booklet from the celebration in 1959, said that his city "probably has the age," but not much of its actual heritage is intact, which any resident who participated in the Chelsea celebration would probably rate Wixom's loss.

The visitors and members of Chelsea's village government finished their Michigan Week opener with dinner and a lot of village-related talk in Jackson.

Tennis Team 7th in Regional Competition

Chelsea finished seventh in regional tennis action last Friday and Saturday, with Debbie Bertke in singles and the doubles team of Dan Hagen and Duane Luick earning points for the Bulldog netters.

Results in the regionals were: Randy Rottenbiller, Albion, defeated Jane Belsler, 6-7, 6-1, 6-2.

Ken Albrecht, Marshall, defeated Paul Marshall, 6-0, 6-0.

Debbie Bertke, Chelsea defeated Dave Loader, Hillsdale, 6-3, 6-2, in first round.

David DeLuhery, Pennfield, defeated Debbie Bertke, 6-1, 6-1, second round.

Shultz and Rabbit, Harbor Creek, defeated Quackenbush and Heydlauff, 6-1, 6-0.

Owen and Flander, Harbor Creek defeated Verchereau and Umstead, 7-6, 7-6.

Craig Coltre Qualifies for State Meet

Only one Chelsea trackman, Craig Coltre, was able to qualify for the state track meet in last Saturday's regional meet at Michigan Center High school.

"We just didn't have a good overall performance," admitted Coach Bert Kruse. "We were able to score only 11 1/2 points. In some cases we performed well; others were something of a let-down. In any case, we simply didn't score anywhere near what we thought we could."

Alblon paced the regional meet with 30 points, followed by Marshall with 24 1/2.

Topping Chelsea performances was Coltre's second place in 180-yard low hurdles with a time of :21.5.

Other Chelsea placers in the meet included a fourth in the shot put by Ishmael Picklesimer, with a put of 47 ft., 10 1/2 in., his best of the season.

Karl Gauss placed fifth in both 100- and 220-yard dashes, with times of :10.6 and :23.7, respectively.

Bulldog 880 and 440 relay teams also finished fifth, with the 880 relay team (Howard Salyer, Dale Poertner, Dennis Bauer and Karl Gauss) recording a 1:35, season's best for them.

Howard Salyer also recorded his best time, :52.5 in the 440-yard dash, but could only manage a fifth for his efforts.

Rick Sweeney's fifth place tie in the high jump earned the final 1/2 point.

Bulldogs came back Monday afternoon, however, with a 73-40 defeat of Willow Run that ran their season dual meet record to 8-1.

Coach Kruse explains that "basically this was a situation where Chelsea didn't run a number of men and Willow Run, with only a small squad, was allowed to use some of their athletes in more events than is normally allowed. We lined up this meet so that we could allow some of our runners to score and also allow some of our runners to try some different events. We were satisfied with the results."

Leading Chelsea trackman was Howard Salyer, who won long jump, 880-yard run, and 180-yard low hurdles, and placed third in high jump. Rick Sweeney took high jump and high hurdles.

Golfers Second In Conference Final Standings

Chelsea golfers managed only a fourth place in Monday's conference meet at Salem Hills Golf Course in South Lyon, thereby placing second in the conference behind Brighton. Brighton tied with South Lyon for the lead in the conference meet.

Scores in the conference meet were Brighton and South Lyon, 359; Saline, 363; and Chelsea, 365. Mike Fouty shot an 89, and Chris Rabbitt, Dan Shirilla, Roger Policht and Jeff Policht all shot 92s for the Bulldogs.

Chelsea completed its successful dual meet season last Friday, downing Novi, 177-180. Mike Fouty was medalist in that meet with a 42, while Dan Shirilla shot 47 and Chris Rabbitt and Vic Steinbach each recorded 44s. Junior varsity golfers also won their match, 201-230.

Baseball Team Evens Record For Season

Chelsea's baseball squad evens up their league record at 6-6 Tuesday night with an 8-3 defeat of Milan.

Big hitters for the Bulldogs were Perry Johnson, who clouted a three-run homer, and shortstop John Houle, who pounded out a pair of doubles and three RBIs.

Jeff Sprague, Tres McCollum, Todd Ortring, Ron Clark, and Bill Clark each provided the local squad with one hit.

Bill Clark was winning pitcher. Chelsea played South Lyon Wednesday night in a game that occurred after press-time. Friday they will meet Dexter at 4:15, and then go against Dexter again Saturday at 1 p.m. in the qualifying game of the district tournament.

Girls Track Team Places In Regional

Chelsea girls track squad edged out Saline Tuesday afternoon, 50-41, grabbing themselves a league title of sorts, much to their delight.

Chelsea and Saline are the only schools in Southeastern Conference who field girls track squads; whoever takes their meet thus takes the conference.

The meet was a tight one until the end, however, when a first place in the 440 relay was turned in by a team of Annette Gaken, (Continued on page four)

Memorial Day Services Set For Monday

Plans have been formalized for the annual Memorial Day parade, Monday, May 29. Donald O'Dell will be acting parade marshal, with Jerry Piatt serving as officer of the day.

The parade is scheduled to form at 9:30 a.m. in the municipal parking lot and will step off at 10 a.m. to follow the usual route through the village.

The parade will be led by color units from the American Legion and Veterans of Foreign Wars, followed by a firing squad and local veterans. Chelsea High school band will provide the marching music for Boy Scouts, Girl Scouts, Cub Scouts and Brownies who will follow the cars in which the various speakers will ride.

Middle school's band will be next in line, followed by children walking or riding decorated bicycles. The parade will end at Oak Grove Cemetery, where a commemorative ceremony will be held to honor America's war dead.

The Memorial Day observance will continue with a selection from the high school band under the direction of Warren Mayer, and an address by Steve Bennett, a member of Chelsea High school's debate team.

The service will conclude with a salute from the firing squad, taps, and "The Star-Spangled Banner" played by the bands. A benediction from the Rev. Stacey will end the ceremony.

The parade will then re-form to march back to the parking lot. An open house at the American Legion Home will follow the observances. A pot luck supper is also planned.

School Board Briefs

Present at the meeting of the Board of Education of the Chelsea School District on May 20 were President Haselschwardt, Trustees Hodgson, Daniels, Irwin, Koenn, Schaffer, and Stirling, Superintendent Cameron, Business Manager Mills, and Principals Lane, Conklin Wojcicki, and Benedict.

Guests at the meeting were Arthur Schiller, Robert Allhouse, Gary Wright, Mrs. Gary Wright, and Ed Brown.

The meeting was called to order by President Haselschwardt at 8:15 p.m.

The board accepted the minutes of the May 15 meeting as presented.

Superintendent Cameron presented the board with a copy of a letter from DIAnn L'Roy regarding 5th grade classes at Beach school. Joe Rossi was at the meeting representing the Chelsea Education Association. The present housing of the 5th grade pupils and the nine-period day at the high school will have to be continued for the 1974-75 school year.

Superintendent Cameron presented a letter from Leonard Solomon indicating that the CEA is requesting arbitration on Grievance 2-M, regarding agency shop.

The board held a discussion of the millage request for the June 10 annual election.

Beach Orchestra Will Present Its Premier Concert

Beach Middle school's 5th and 6th grade orchestra will present its premier performance next Thursday, May 30 at 7:30 p.m. at Beach.

The orchestra will combine with the 6th grade band to present, among other selections, Haydn's "Surprise Symphony," while the orchestra alone will play several folk dance selections.

Conducting will be handled by Warren Mayer, Ronald Harris, and Truoke Amegh.

YOUNG AUTHORS from South school who attended last Saturday's Young Authors Conference. From left, Ted Merkel, 2nd grade; David Wojcicki, 3rd grade; Bill Merkel, 3rd grade; Michelle Hellner, 4th grade; Diane Barais, 4th grade, and Tanya Matloff, 2nd grade.

Enthusiasm High at 12-School Conference for Young Authors

Bill Merkel has written a surprisingly moralistic tale entitled, "The Hare and the Turtle." Michelle Hellner's latest work, "Jimmy Cricket, Substitute Teacher," is a delicate and pointed bit of whimsy.

Karen Kiel uses village pride as the source of one of her poems; a frisky puppy named Sam for another; and a talking, but lonely, apple tree as the basis for a short story.

Although the publication of these works thus far is limited to the home-made booklets that were transported to their Young Authors Conference in Dexter last week-end, these three and seven other young Chelsea writers—Cathy Doll, Laura Hines,

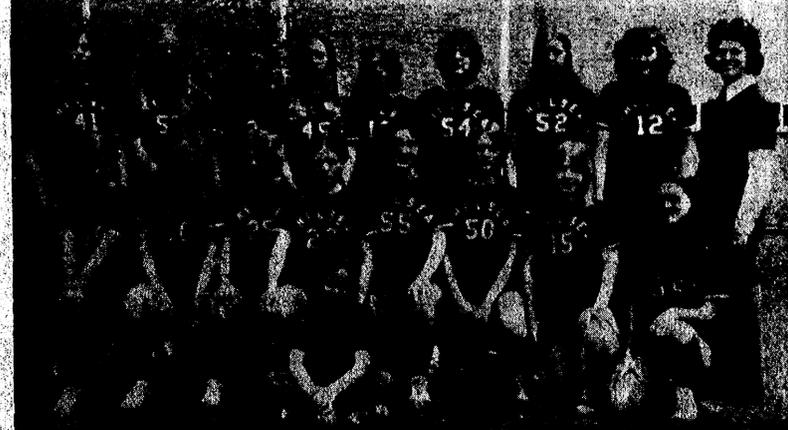

Chris Martin, David Wojcicki, Ted Merkel, Diane Barais, and Tanya Matloff—received more than adequate encouragement to continue from some of those who know best—professional authors.

Peg Yerlan, a successful author of children's books and a Dexter resident, told a group of the young authors at the conference, "I could show you a drawerful of rejection slips from publishers saying 'thank you, I liked your story, but it isn't right for us just now...'"

Already the 2nd, 3rd, and 4th graders are armed with some degree of reader acceptance, however, since their entries to the conference were judged by their fellow students, rather than

teachers. "In that way, we felt our young authors gained a real sense of writing for an audience, rather than doing a school assignment," explained Georgine Donroe, 2nd grade teacher at Dexter's Bates school, who was one of the staff participants in the conference.

If audience appeal is a factor in writing—as of course it must be—the Chelsea students' entries displayed a remarkable attentiveness to their peers' fantasy and real-life favorites. David Wojcicki, a 3rd grader at South school, presents a futuristic tale of pre-historic monsters with names like Godzilla and Rodan and Baby Mothara (and one (Continued on page four)

Girls Capture Softball Crown

Chelsea's girls track squad showed more than adequate spunk in last Friday's A-B Regional track meet at New Boston Huron, placing in three events, 100-yard dash, 220-yard dash, and 440 relay.

The team's performance in the meet, which was dominated by Chelsea, was particularly impressive in the 220-yard dash, with a time of :28.1. She ran a total of seven races, including two preliminaries and a final.

petition with teams representing both Class A and Class B schools.

Sue Frisbie, who has turned in a number of fine performances in competition this season, placed fourth in 100-yard dash with a 12.2. Frisbie's time was only one-tenth of a second off the first place runner's time. She also earned a fifth in the 220-yard dash, with a time of :28.1.

Judy Powers, while not placing, ran her best time in the 880, 2:43.2, which was eighth best time in that event.

anchored the winning 440-relay team.

Chelsea's 440-relay team, which "started the season running :58s," according to Coach DIAnn L'Roy, edged out champion Lincoln Park for fifth with a time of :54.3, its best of the season. Team members are Nancy Wonders, Kathy Treado, Annette Gaken, and Sue Frisbie.

Judy Powers, while not placing, ran her best time in the 880, 2:43.2, which was eighth best time in that event.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Zeke Grubb proved to the fellows at the country store Saturday night that even a blind hog finds a acorn once in a while. Zeke drew on his wide experiences in life and his years of reading newspapers and farm journals to figger out that if everbody in this country worked for the Government, they wouldn't be anybody left to support the Government.

What got Zeke into research on this discovery was a piece he saw where the number of folks on a Government payroll is growing twice as fast as the United States population. The item said six out of ever 10 new jobs are in some level of Government from the courthouse to the White House. Zeke said 14 million people now are on public payrolls, and by 1980 almost 17 million Americans will be paid out of the taxes paid by the rest of us.

Zeke said he was reminded of a estimate out of Russia some years back where they figgered out over there that at the rate they were going the hole adult population soon would be doing Government planning, and nobody would be left to carry out the plans. We've got jest about the same situation here, allowed Zeke, as more people demand more Government services that demand more wages than demand more revenues that come from the folks demanding the services.

Ed Doolittle said the strain is being felt everywhere. He said he had saw where by June 30 the national debt will be up to \$490 billion, a jump of 34 per cent in five year. We have to pay \$39

billion a year on interest on the money we owe, Ed said, and this is twice what it was in 1969. Ever man, woman and child in this country that is enjoying all the services by all them Government workers owes \$2,302 of that debt, Ed declared.

What we're going to have to do, broke in Clem Webster, is work out a system like them nuclear breeders that make more atomic fuel than they use to generate electricity. That'll be like the old deal when these fellers was going into the cat skin business. They were starting with a million cats that would eat four million rats that would eat the remains of the skinned cats, and the cats and rats would multiply happily ever after.

Actual, went on Clem, he had saw where this feller in a factory got 25 cent from 1,000 workers to buy a gift for the boss that was getting married. He bought 1,000 packs of cigarettes with the \$250, removed the coupons from the smokes and traded them for a silver service for the boss and then he give each worker a pack of cigarettes, and got himself a fishing rod when he traded in the stamps he was give when he bought the cigarettes.

Folks set up nights thinking, Mister Editor, I saw where last year Congressmen sent back home more than 16,000 flags that had flew over the Capitol. Stuck with just 365 days a year, they got a special flagpole hid where 90 flags a day is run up and right down.

Yours truly,
Uncle Lew.

Senator Ballenger Addresses Farm Bureau Groups

State Senator William S. Ballenger cautioned six Farm Bureau groups Friday evening, May 10, that they should carefully review the provisions of the newly enacted Green Belt Bill (H.B. 4244) before deciding whether to enter into its provisions.

Speaking to the Iron Creek, Kossel, Pleasant Plains, Fre-Lo, Happy-Go-Lucky, and Friendly Farmers Farm Bureau Community Groups in Manchester, Bridge-water, Lodi, and Scio townships, Ballenger said that, "Whether or not Michigan turns into a giant slab of concrete and high-rise apartments will depend upon the farmer."

Noting the erosion over the past quarter century of prime farm land to ever-increasing urban development, Ballenger said the farmer was being forced out of business by "confiscatory property tax rates."

"The Green Belt Bill, however, will ease this pressure, since it calls for the taxation of agricultural land on the basis of its use for farming, rather than its potential or market value. The farmer who wishes to remain a farmer can now do so," declared Ballenger.

Senator Ballenger, candidate for the Sixth Congressional seat being vacated by incumbent Charles E. Chamberlain, has been chairman of the Senate Agriculture and Consumer Affairs Committee since 1971.

Other than the Green Belt Bill, which he helped to write in House-Senate conference, Ballenger's accomplishments in the agricultural field have included passage of Michigan's first-in-the-nation Agricultural Marketing and Bargaining Act and winning the 1972 Distinguished Service to Agriculture Award presented by the Michigan Agricultural Conference. He also recently introduced a new bill to prevent catastrophic loss incurred by dairy farmers by hiking indemnity values for animals lost through tuberculosis, brucellosis, or Bang's Disease.

Memorial Day - May 27

MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

Long Time Coming

A tax break for farmers, aimed at halting creeping urbanization of Michigan agricultural land, is in the offing—after a years-long struggle by rural interests.

Sponsor of the bill, Rep. Dale Warner, R-Eaton Rapids, says its major purpose is to "stop careless destruction of good farmlands in areas near developing cities." The legislature gave final approval to the bill earlier this month and there is expected to be no problem in gaining Gov. William Milliken's signature.

Under the measure, farmers would contract with the state to limit use of their agricultural land for 10 years.

If the contract were approved by the state and by a local governing unit, the farmer would qualify for a credit against his state income tax. That credit would equal the amount by which his property taxes "exceed seven percent of the household income." (For owners of incorporated farms, the figure would be seven percent of taxable income.)

If a farmer backed out of the agreement before the 10 years elapsed, he'd be penalized the amount of the tax credit he'd collected, plus six percent annual interest.

Backers figure the bill will cost the state \$6 million to \$10 million a year.

Elton Smith, president of the Michigan Farm Bureau—which for years fought for tax relief for farmers—called the legislation "a positive step to assure a healthy and viable agriculture in Michigan."

"Farmers have been concerned about the availability of land, the

one irreplaceable resource needed to produce food," Smith said. "We have been alarmed by the thousands of acres of prime farmland lost each year from agricultural production because of an unfair taxing system."

"This legislation will help slow down the sacrifice of productive farmland to factories, shopping centers and urbanization, and also help insure that Michigan agriculture will have adequate land to produce the food our citizens need."

Youth Moves Ahead

An 18-year-old governor? Could be, if a measure pending in the Senate is passed and approved by voters this fall.

The legislation would lower the age requirements for governor and lieutenant governor from 30 and for legislators from 21 years. The House already has approved the proposal, which was reported from the Senate Judiciary Committee recently.

Rep. Jackie Vaughn, III, sponsor of the measure, says he sees no major problems in getting Senate approval. Vaughn, a Detroit Democrat, may find some opposition to the lower age requirement for the state's top offices, however.

There appears to be some concern over whether 18-year-olds would be too young to run the state as governor and lieutenant governor.

Watch the Horses

Mosquito season is at hand, and with it, the danger of disease for Michigan horses.

The Agriculture Department warns horse owners that they

should have their animals vaccinated for equine encephalomyelitis—a form of sleeping sickness that Director B. Dale Ball says can only be avoided by preventive action.

The Eastern and Western versions of the disease (EEE and WEE) are mosquito-carried viruses that attack horses, certain birds—and even humans in some cases. But Dr. John Quinn, chief of the department's animal health division notes that humans are rarely infected.

"Last year several confirmed cases of EEE (in horses) were discovered in Michigan through laboratory analysis," Quinn says, "and we certainly don't want a similar outbreak this year."

The department says effective vaccines are available and, when given early in the season, will not affect training programs and will provide protection for one year.

A Candidate Again?

Zoltan Ferency, the colorful former Michigan Democratic Party chairman who ran unsuccessfully against George Romney for the governor's chair in 1966, is considering another gubernatorial race. This time he'd be a Human Rights Party candidate.

Ferency, who gained a bit of fame when the late President Johnson mispronounced his last name, left the Democratic Party more than three years ago. He's now an associate professor at Michigan State University.

Tornado Safety Measures

To protect you and your family from tornadoes, take immediate safety actions, says Leslie Mack, safety specialist at Michigan State University.

"A tornado resembles a whirlpool of air. It is the most violent of all wind storms and occurs most often during warm, humid weather usually in connection with severe thunder storms," the specialist explains. "A tornado funnel is extremely destructive—it can completely demolish solid buildings."

A "tornado watch" means that weather conditions may develop into a tornado. You don't need to interrupt normal activities, but listen for further weather advisory reports and watch for the development of storms in your area.

A "tornado warning," Mack points out, is issued only when a tornado has been sighted. If the storm is close, take shelter immediately.

"If you don't have a designated shelter, a root cellar provides excellent protection," he states. "To make a shelter, locate it near your home but not so close that falling walls or debris could block the entrance. Before digging, make sure your shelter won't be near the house drain, cesspool, sewer or gas pipes.

Include emergency supplies in your shelter-planning, the specialist advises. A portable radio with spare batteries will keep you informed of the weather conditions. A supply of first-aid items, such as bandages, antiseptics, special medicines, blankets and a first aid handbook, will take care of any minor injuries.

For emergency repairs, you may want to add a hammer, nails, screw drivers, crowbars, ropes, wire, saw, boards and plywood to your supplies.

"If a tornado strikes your home, stay out until you are told it is safe to enter," Mack cautions. "Falling debris, damaged wires or gas leakage may pose hidden dangers."

Stay clear of disaster areas, the specialist urges. Sightseeing is dangerous and hampers rescue measures.

ROCK GROUPS

There are so many rock groups around today making hit records But have you ever noticed that so many of the groups come in lots of four? I wonder if that's for harmony or protection?

Men of wealth usually think they are inclined to genius, even if they inherited the cash.

Girl Drives Away Auto Given to Jaycee Rummage Sale

There seems to be a greater or at least more dramatic demand for some items scheduled for the Jaycee Rummage Sale this year than in the past.

A 1962 turquoise Chevrolet Impala donated to the Jaycees for sale in their rummage auction scheduled for next month by Wilhelmina Zink, was stolen from Harper Sales & Service at 113 W. Middle last Tuesday night and ended up in Findlay, O., in the possession of Joyce Ann Cubberly, 13 of 142 Manchester Rd., and a 13-year-old boy. Reportedly they were bound for Florida when stopped by Ohio State Police.

Chelsea police officers had a brief encounter with the vehicle and its passengers earlier in the evening when they pulled it over to investigate its commercial plates. Three citations were issued to Miss Cubberly but were not given to her, as the officers had to leave the scene to respond to an emergency. A wrecker was called for the car, but the car and passengers had left the scene by the time it arrived.

Acting on a tip that reported that the pair had left for Florida, the car was placed on LEIN for the state of Michigan, as well as Ohio. At 4:15 a.m., Patrolman Foust of the Ohio State Police notified the Chelsea Police Department that the vehicle had been recovered in Findlay, O.

The 13-year-old was retrieved from Ohio by his father; Miss Cubberly

was picked up from the county jail by officers McDougall, Peeble, and matron Debbie Orlovski.

Miss Cubberly pled not guilty Monday in 14th District Court to unlawfully driving away an auto. Preliminary examination on the charge is set for Friday, May 24, at 9:30 a.m. She was released from custody on personal recognizance.

Wife Rescues Husband When Boat Flips

A Chelsea man who spent some two hours in waist-deep muck in Jartig Lake in the Waterloo Recreation Area Sunday was saved from drowning by his quick-thinking and swimming wife, State Police report.

Mr. and Mrs. Charles Risner, 204 South St., were attempting to change seats in their 12-foot boat when the craft overturned, throwing both into the water and its mucky bottom.

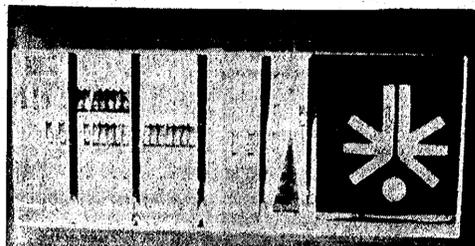

Mrs. Risner managed to disengage herself and swam to shore, where she obtained another boat and a two-foot piece of wood and paddled back to where her husband held onto a life preserver.

Troopers said Mrs. Risner held her husband's head above water until a rescue party from the shore arrived and pulled him to safety.

Risner was confined to Footle Hospital in Jackson for several hours for treatment for shock, Mrs. Risner said Tuesday, but has since been released. Mrs. Risner was not injured.

She noted that she "thanked God that my father and my brother threw me into the water when I was 10 years old and told me 'swim or drown.'"

YOU FIGURE IT!
A woman had a second-hand car for sale out in front of her home. The sign on the car read: "387.31." A prospective buyer asked, "Why do you have such an odd figure?" The woman was shocked an answered: "Because I eat between meals."

SPECIAL OLYMPICS RIBBONS: Overloaded with 83 ribbons won in the regional special olympics at Milan two weeks ago is this bulletin board at St. Louis school. A total of 15 of the boys qualified to compete in the state special olympics at Mt. Pleasant this week-end, and the rest of the boys will be transported by bus to Mt. Pleasant on Saturday to watch their fellow students.

Motor Vehicle Tax Receipts For March Show Increase

Gallons of taxed gasoline down, but income from gas and weight taxes up: that's the latest report from the State Highway Commission on January-through-March receipts of Michigan's Motor Vehicle Highway Fund in comparison with the same period of 1973.

Net receipts for the first three months of 1974 totaled \$169,849,674, an increase of 6.8 percent over the \$159,108,023 net in the same quarter of last year. All state gasoline and diesel fuel taxes, as well as license plate fees, go to the Motor Vehicle Highway fund.

Proceeds in the Motor Vehicle Fund are distributed at three levels of government after deductions of collection costs, the General Transportation Fund's one-eighth share of gas taxes, and the General Transportation Fund's one-eighth share of the gas tax for public transportation. The formula provides for 44.5 percent to go to the Department of State Highways and Transportation, 35.7 percent to the state's 83 counties, and 19.8 percent to the 530 incorporated municipalities.

Washtenaw County's share of the proceeds was up to \$1,310,897 from \$1,136,368 in 1973. Chelsea's amount of that was \$21,202 (from \$20,199 in 1973) and Dexter's was \$10,422 (from \$10,178 in 1973).

David Evison Tops Competition In Chess Tourney

Winners in Chelsea Recreation Council's first chess tournament, completed last Tuesday, are David Evison in the senior division and Mark Barnes in junior division.

Second placers were Marlis Williams in senior division and Douglas Pichlik in junior division.

The tournament, under the direction of David Evison, consisted of four games played over a period of four consecutive Tuesdays.

Other participants in the competition were John Bailey, Fred Davis, James Hoffmeyer, Daniel Shirilla, James Van Sleete, Daniel Williams, Paul Hoffmeyer, Eric Pichlik, and Michael Ward.

Gun Stolen from Sheriff Deputy Recovered

A gun stolen from the Chelsea home of a Washtenaw County Sheriff's Department sergeant has been recovered by Wayne County sheriffs in the arrest of a pair of subjects near Wayne County General Hospital.

The gun, removed from the home of Sgt. Arthur Haapla, 263 Harrison St., on Dec. 24, 1973, has been listed on LEIN with the police department since its theft.

The arrested men have been charged with carrying a concealed weapon and possession of stolen property.

The Flag Goes By

Hats Off!
Along the street there comes a blare of bugles, a ruffle of drums,
A flash of colour beneath the sky; Hats off!
The flag is passing by!
Blue and crimson and white it shines
over the steel tipped ordered lines.
Hats Off!
The colours before us fly;
But more than the flag is passing by.
Sea fights and land fights, grim and great,
Fought to make and save the state;
Wearry marchers and sinking ships;
cheers of victory on dying lips;
Days of plenty and years of peace;
March of a strong lands swift increase;
Equal justice, right and law,
stately honour and reverend awe;
Sign of a nation, great and strong,
To ward her people from foreign wrong;
Pride and glory and honor—all live the colours to
stand or fall
Hats Off!
Along the streets there comes a blare of bugles
a ruffle of drums;
And loyal hearts are beating high:
Hats Off!
The flag is passing by!

LATEST ADDITION to the Jaycee Rummage auction scheduled for next month is a 1962 Chevrolet Impala, here donated to Jaycee representative Mitch Zink by Mrs. Wilhelmina Zink. The car seems to have quite a life of adventure behind it, as it was stolen last Tuesday from Harper Sales & Service, shortly after Mrs. Zink donated it to Jaycees, and transported to Ohio. Saturday, June 29, however, it will be out on the auction block (figuratively speaking) at Chelsea Fair Services Center.

St. Louis School Notes

Fifteen boys from the school will compete in the Special Olympics this week-end at Mt. Pleasant, accompanied by Fr. Louis and Fr. Umberto. On Saturday, Fr. Germano and Fr. Fortunato will drive a bus of boys from the school to Mt. Pleasant to watch the competition.

Last Monday, the American Legion sponsored the boys' trip to a circus in Saline.

Sunday the Alhambra Club cooked dinner for all at the school and brought the Bird Lady and Indian

Golfers Second In Conference Final Standings

(Continued from page one)
Final conference standings are determined by a combination of dual meet records and placing in the conference meet.

Coach Pat Wade called the season "a successful year for this young team," and although admitting that his golfers were disappointed in their performance at the conference meet, said that the team "over-all, is quite proud of the season."

TRUSTED CAMERA in hand, Don Turner and his familiar Dodge van prepare to depart for the great north country once again. Turner's journeys to Canada and Alaska have become something of history-in-the-making to readers of The Standard.

Don Turner Off Again to Alaska

Chelsea's wandering photographer-naturalist, Don Turner, is off once again into the wilds of the north country. Turner, who claims that "my feet have been itching to get started ever since the geese went north," is aimed ultimately for Alaska, with a myriad of stops between to visit friends made in the past and attend Kiwanis meetings along the way.

Eight years ago, Turner spent his first summer in Alaska, joined for a few weeks by Ralph Guenther, for hunting and fishing in the back woods. Together, they bagged two sheep, a bear, and a wolf.

His first trip was such a success that two years later, Turner returned and again spent the summer in Alaska, visiting many of the places he had missed before.

In May of 1970, the wanderlust returned and Turner once again set off to visit favorite areas and explore some new ones.

Always his reports sent back to The Standard for "the folks back home," have teemed with the local color of an area that most of us have no chance of ever visiting beyond Don Turner's eyes—a picture of him holding a one-day-old antelope fawn while in Alaska is one such experience. Or there are the local history stories he garners while in old gold rush towns—like one about the source of Diamond Tooth Gertie's rather interesting name, as well as the type of employment in which she was engaged.

And, since maybe we can't quite visualize the wonders he writes about, he sends back photos to The Standard—and much later, after winters of editing and splicing, comes a Don Turner travelogue.

This journey's route, once again by Dodge van, will be via Sault Ste. Marie, up the Trans-Canada Highway to Banff and Jasper National Park.

"The fishing pole and reel are all oiled up and I am looking forward to doing some fishing in my favorite lake in Canada," Turner says. "I have written about Too Bally Lake in previous trips, where the moose, trumpeter swans, and loons are your only neighbors and the stillness of the wilds fills one's soul with peace. I will let you know how they are biting there."

Always one to seek new adventures, Turner says that he plans to "travel some new roads that have been built in the past two years, and see how the fishing is there."

His itinerary will include parts of Alaska and northern British Columbia, the Yukon, and, if "all goes well," he intends to visit relatives in California before returning some time in September. He hopes to include stops at Grand

Teton National Park in Wyoming and Yellowstone National Park. In addition, Turner notes, he is taking along his gold pan and shovel and expects to do some prospecting along the way in remote areas.

"Who knows, maybe I will make a strike yet," he speculates. "But even if I don't, it's a lot of fun trying, so I'll keep everyone informed."

Conference meet action is on tap for next Wednesday, May 29, at South Lyon. Field events will begin at 3:30 p.m., running preliminaries at 4:45, and final running events at 7:30 p.m.

Several athletes in individual events and two relay teams have also qualified to run in the first annual Washtenaw County meet, to be held at Saturday, May 25, starting at 2 p.m. at the Ypsilanti High school track, Radford Field.

This meet includes the eight fastest teams and distances in each event, and will find athletes from the Ann Arbor, and Ypsilanti Class A schools as well as all the outlying class B, C, D schools.

CONSUMERS' CORNER

FANCY BED SHEETS

If the beds in your house are wearing striped or flowered sheets, they are in fashion.

For fancy sheets have become the big sellers in stores across the country.

On an industry-wide basis, fancy sheets account for about 60 percent of the total sales.

Solid colors are slipping, accounting for no more than 11 to 12 percent of total sales. But white sheets are still around—capturing about one-fourth of the total market.

Muslins have been gaining in sales at the expense of percales. Last year, percales accounted for 55 percent of all sheet sales; muslin had the other 45 percent.

This year the market will probably split 50-50 between muslin and percale.

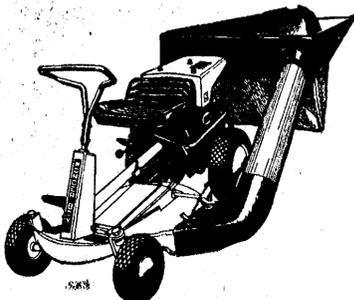

Popular designs feature checks and plaids, as well as colorful floral prints.

Lacking visible symptoms, hearing problems often develop unnoticed over a long period of time, hearing specialists report. This, in part, accounts for health and government estimates that over 14 1/2 million Americans—including three million school age children—suffer from an undetected hearing loss, they add.

NORTH SCHOOL'S REPRESENTATIVES to the Young Authors Conference in Dexter last week-end were these four students, shown with their proud teachers. In front, from left, are Laura Hines, 4th grade, Chris Martin, 3rd grade, Cathy Doll, 3rd grade, and Karen Kiel, 4th grade. In back are teachers Mrs. Pietila, Mrs. Peet, Miss Sanders, and Mrs. Hafer.

Young Authors in Conference...

(Continued from page one)

who doesn't fit the category, Baby Dumbhead), all of whom display decidedly humanistic qualities—decidedly humanistic, except that they are emerging from the ground and flying over New York, while "people were screaming to death."

The crew digs a hole to China and the story ends—a bit temporarily to be sure, but the excitement factor is no doubt high for anyone familiar with King Kong or Godzilla movie afternoons.

Bill Merkel's reworking of the old-favorite tortoise and the hare fable in his "The Hare and the Turtle," is rampant with scandalous, unfair acts by the braggart hare, but nonetheless the sounder cruises unchallenged across the finish line, an hour ahead of the turtle.

His victory is only momentary, young Merkel immediately points out, with an apparently deep belief in justice: "The judges had something to say. The hare had lost the race for cheating so the turtle won the race."

Michelle Hellmer, a student in Mrs. Huebner's class at South Chelsea, deals with one of the every-day delights of elementary school children, substitute teachers.

This particular substitute teacher turns out to be none other than Walt Disney's Jimmy Cricket, in the flesh, who proceeds to lead the apparently exhausted 4th graders through a debauched week of plays, singing, joke times, fun time, and other trivia, until Mrs. Huebner returns to teach "the usual stuff."

"A little Jimmy Cricket goes a long way!" writes Michelle, a line that should restore some parents' confidence in their children's educational aspirations.

Karen Kiel's limerick creation entitled "End of a Dream" is not a somewhere-over-the-rain-bow world, but rather the basic stuff: a boy from Saline who doesn't realize the superior mettle of Chelsea residents:

There was a big boy from Saline
Who thought he could whip
Chelsea clean.
He gave it a try,
Got socked in the eye,
And that was the end of his dream.

He swam as fast as he could. Then he grabbed his walkie-talkie and radioed for help and in one day the helicopter came to pick them up."

Only Laura Hines' entry fails to deal with fantastic creatures, adventures, talking animals, or the like. Her poetry is more in the vein of writing that people create when no one else will see.

A short poem, "A Dime" seems a basic statement on Laura's values:

For a dime
You can buy a lime.
A lime is green like a lawn.
A lawn is like a fawn—
Warm and delicate.

"One of the children told us the conference was the biggest thing that had ever happened to him," noted Miss Donroe, the Bates 2nd grade teacher.

Maybe that wasn't the case with all the young authors, but it is certain they heard some enjoyable literature.

CHS Senior Joins Ferris Band for Commencement

Chelsea High school senior Phyllis Jedele, who plays trumpet in the high school band, was a participant in the 17th annual Honors Band Clinic at Ferris State College, in conjunction with the school's commencement exercises this past week-end.

Phyllis, who will enter Ferris next fall, was the only Chelsea High school band member chosen for this honor, which provides high school band members who will enroll at Ferris the opportunity to rehearse and perform in the school's concert band for the commencement exercises.

Guest conductor for the honors clinic was Leonard B. Smith, conductor of the Detroit Concert Band, a professional organization that presents six concerts each week during the summer months at Detroit's Belle Isle.

Phyllis is the daughter of Mr. and Mrs. Alvin Jedele, 13175 North Territorial Rd., Gregory.

Because children learn and mature through verbal communication, it is vitally important to protect their God-given ability to hear. For this reason, winter earaches and ear infections must be provided the proper medical attention to prevent a permanent hearing complication, hearing specialists warn.

NORTH ELEMENTARY SCHOOL NOTES

KINDERGARTEN—

Everyone reports Teacher: Mrs. Michelson The Senior Citizens had lots of cookies and Kool-Aid for all of the kindergarten children when they sang there last week. Mrs. Dye was there too. We had a wonderful time. Mr. Wehrwein helped us across the railroad tracks when we walked to town. We rode back on the bus, and Ralph Brier helped us sing "The People on the Bus." It was fun.

The art show was beautiful. Did you see our fish kites made out of old newspaper? Then there were big panels of our other papers—one orange and green one right by the door. Mrs. Coulam, the art teacher, said we could send our work too. "She really worked hard," said one of our six-year-olds.

Isn't it more fun to learn letters if you think of G for gum, and C for candy and I for ice cream? We think so. S can be for "some-mores" which we baked the other day.

Our mothers are the best. They help us whenever we need them—they bake, they come to school, they do a lot of calling.

After Memorial Day vacation on Monday, May 27, we are going to visit Inbody's farm—all of us. Do you know what? We are going for a train ride before our picnics. Monday, June 3 the morning children will go and Tuesday, June 4 the afternoon children will go. Mrs. Hawks, Mrs. Porath, Mrs. Schaffner and Mrs. Mull are getting everything ready for all the activities going on. If we had to make a list of all the mothers who are helping, it would be too long. We, the children and Mrs. Michelson thank you for a good year. Have a happy day!

P.S.—Don't forget our Pet Shows on the 28, 29 and 31st of May.

FIRST GRADE—

Teachers: Mrs. Packard Mrs. Feebles, and Mrs. Stein. Our May birthdays are: Calvin Carlson, Christine Hegadorn, Sol Merkel, Brett Knickerbocker, Shane Brown, Michelle Romine, Debbie Burton, Jeff Chandler, and Beth Fabey.

Summer birthdays are: Michael Ball, Gayla Bauer, John Duhamel, Michael Brosham, Joanne Brown, Allison Hepburn, LeAnn Carpenter, Sarah Welsh, Peter Hanna, Julianne Pratt, Bonnie Bentley, Liz Kincer, Joe McDougall, Lorri Paxton, and Colleen Stubbs.

Our school breakfast was a great success it judged by the amount of food the children ate that morning. We hope they remember some of the values of what makes a good breakfast and why we need breakfast.

We were pleased to see so many families at our program. Mrs. Dye has the children twice a week for music this year, and you could see how the children benefited. It meant a great deal to the children to have so many people come.

The children made their musical instruments and program covers during art class with Mrs. Coulam. She also made our May Pole.

The First Grade Field Day will be held the last day of school, June 5.

We are planning a walk to McKune Library the last week of school. We will be sending home information on using the library this summer.

Have you tried making and eating turtles yet? The children enjoyed making these for our program. Aren't they delicious?

SECOND GRADE—

Teacher: Mrs. Walton Summer vacation is so near that it is hard to keep from counting the days. We do have some important work ahead of us though. We will be taking tests and finishing books.

We are also planning our trip to the Waterloo Farm Museum. We have been hearing stories about the colonial life and how they made

their own soap, candles, furniture etc.

Our field day and picnic are going to be our send-off into summer.

We also have three more birthday days to celebrate before school is out. Scott Cheever, Hallie Schmidt and Scott Richardson will all be eight years old.

Have a happy summer.

Memorial Day Parade Closes Out Band Year

As band members go into "retirement" with the end of the school year following the Memorial Day parade, the work is just beginning for a few hard-working band mothers.

On Tuesday, Wednesday, and Thursday mornings, May 28, 29, and 30, band members are asked to return their band uniforms. Since "dis-assembling" all those band uniforms and crediting their return to the students is a chore in itself, band directors have asked that each student, prior to returning his uniform, do the following:

- remove citation cords.
- remove plume from hat.
- remove buckles from belt.
- launder belt and snap-in collar lining.
- clean spats.

In other band-related news, band members are reminded that band camp applications and fees are to be handed in Wednesday, May 29, and Thursday, May 30. Band calendar order forms and money should also be turned in promptly.

Assembly for the Memorial Day parade for junior and senior high band members is scheduled for 9:30 a.m. at the municipal parking lot. Senior band members should wear white shorts, white shirt, band uniform overlay, white socks, and shoes. Junior high school band members are to wear white shirt and dark shorts.

Thomson Brothers Help Kalamazoo To Another Title

Among Kalamazoo College tennis players winning singles championships in Michigan Intercollegiate Athletic Association play were three brothers, Steve, Mike and Mark Thomson, formerly of Chelsea.

They are the sons of Mr. and Mrs. John R. Thomson of 1318 Three Mile Rd., Grosse Pointe.

Steve Thomson was also chosen a member of this year's all-conference squad.

Kalamazoo captured its 36th consecutive MIAA tennis championship, earning first places in eight of nine events during last weekend's action at Calvin College.

PACK 435, DEN, 15—

At our May 8 meeting, Den 15 of Pack 435 met at Tom Spencer's house after school. We made notes about safety from alphabet macaroni. At our May 15 meeting, we went for a long walk and looked for wild things we could eat. We found some wild onions. Wayne Smith, scribe.

THOMAS S. ROBERTS

Area Resident Seeks County Cmsr. Post

Thomas S. Roberts, 11485 Pleasant Shore Dr., Manchester, has announced his candidacy for the Republican nomination for District 2 county commissioner. District 2 includes Dexter, Freedom, Lima, Lyndon, Manchester, Sylvan and Sharon townships.

Formerly director, Programs Division, of the University of Michigan's Bureau of Industrial Relations, he is now president of Mastertec Press which publishes and distributes books nationally. He is also active as a management consultant specializing in assisting smaller businesses. Roberts holds a BS degree from Syracuse University and a Master of Business Administration from Michigan. A member of the American Society for Training & Development, he serves on its National Exhibitor's committee.

Long active in area politics, Roberts formerly served on the County Republican Committee, sits on its issues committee and has been elected Republican delegate from Freedom Township for a number of years.

Youth Pleads Guilty to Charge of Furnishing Liquor

An 18-year-old Dexter youth who purchased four pints of orange-flavored vodka for himself and three companions has been fined \$50 and placed on six months probation for furnishing alcohol to minors.

Pleading guilty Monday in 14th District Court in the case was Mark Watton, 1280 Lima Center Rd., Dexter. A 17-year-old Chelsea girl who passed out after drinking with Watton and two other companions and had to be revived at Chelsea Medical Center signed a warrant against him. The other girl in the group, an 18-year-old, also testified against Watton.

According to Chelsea High school assistant principal Richard Lapanowski, the unconscious girl was brought into the school at 2:30 p.m., Thursday, May 9, in "an acute state of intoxication." After transporting her to the medical center, police officers learned that she and the other girls, and Watton and another minor boy had decided to "skip school and go drinking." Watton purchased two pints of orange flavored vodka; then later returned for two more, which were consumed at Green Lake Campground.

School Board Briefs

(Continued from page one)

It was decided to set the operational millage request for the June 10 election at 13.5 mills for two years, 1974 and 1975, and to place the following names on the ballot or two four-year terms: Robert L. Daniels and Thomas R. Hodgson and for the one one-year term, Eino S. Michelson and Martin H. Tobin.

Appointed election inspectors were Frances Manzel, Ethel Halst, Loren Wenk, Dorothy Koengeter, Mary Ann Coltre, Marjorie Plumb, Virginia Visel, Irene Claire, and Cecile Jernath.

President Haselschwardt called a special Board of Education meeting for Monday, June 10 at 8:45 p.m. in the instructional material center of Beach Middle school to certify the results of the election and take up any other business that comes before the board.

The board decided that all past members of the Board of Education with children in the graduating class be invited to present the diplomas to their children.

Principal Lane discussed the 1974-75 agriculture program with the board. Principal Lane reported that the interviews of prospective candidates for the agriculture teaching position will begin this week.

Meeting was adjourned at 11:55 p.m.

Present at the special Board of Education meeting of the Chelsea School District on May 15 were Trustees Schafer, Stirling, Hodgson, Daniels, Koehn, and Irwin, Superintendent Cameron, Business Manager Mills, and Principals Lane, Conklin, Wojcicki, and Benedict.

In the absence of President Haselschwardt, secretary Schafer took over as temporary president.

Meeting was called to order by Secretary Schafer at 9 p.m.

The board certified the results of the May 15 operational millage election as: 476 yes; 695 no; and 12 spoiled ballots.

The board unanimously accepted the petitions of the Board of Education candidates for the June 10 annual election, as certified by Secretary Schafer: for the two four-year terms, Robert L. Daniels and Thomas R. Hodgson, and for the one one-year term, Eino S. Michelson and Martin H. Tobin.

The board unanimously decided to pay the fees of \$60 for the Special Education Olympics qualifiers.

Howard Haselschwardt, Donald Irwin, and Herman Koenn will award the diplomas at graduation.

The board unanimously supported a motion to place a millage issue proposal on the ballot on June 10. An extended discussion of the alternatives of the board, in light of the second operational millage defeat, was held. The board decided that because of the financial conditions of the school district, the number of teachers and administrators for the 1974-75 school year should be reduced; and therefore notices of termination will be immediately issued to all teaching and administrative personnel, to become effective with the termination of their 1973-74 contracts.

The board instructed Business Manager Fred Mills to freeze all spending of 1974-75 fiscal funds other than necessary emergency maintenance and operational expenses. Until a 1974-75 operational millage is approved, the Business Manager is to submit individual expenditure requests to the board for approval.

The board set the annual election on June 10, with polls in the large group instruction room of Dwight E. Beach school. Polls will be open from 7 a.m. to 8 p.m. Serving as election inspectors will be Frances Manzel, Ethel Halst, Loren Wenk, Dorothy Koengeter, Mary Ann Coltre, Marjorie Plumb, Virginia Visel, Irene Claire, and Cecile Bernath.

The meeting was adjourned at 11:30 p.m.

Queen Kick-off Meeting Set For Tuesday

Queen kick-off at last is the good news for women of the Dexter area.

Bruce Waggoner, general chairman of the Dexter Area Sesquicentennial Committee, has announced that the queen's kick-off meeting will be held Tuesday, May 28 at 8 p.m. at the all-purpose room of Dexter High school.

At that time, rules for the contest will be presented and the contest will officially begin. The winner will be crowned at the Coronation Ball on opening night of the celebration, June 22, and she will reign the entire week of the celebration.

Gifts and prizes for the queen and her court will be on display at Sesquicentennial Headquarters.

Holloway Competent To Stand Trial

Roy F. Holloway, a Dexter man currently accused of armed robbery and assault with intent to murder in last December's shoot-out with Dexter Police officer Hugh Vaughn, has been declared mentally competent to stand trial in Circuit Court.

Judge Edward D. Deake declared Holloway competent based on a report from the Center for Forensic Psychiatry at Ypsilanti State Hospital, where Holloway has been undergoing treatment since February, when Deake declared him incompetent to stand trial.

Holloway, 20, has been remanded to Washtenaw County Jail under a \$100,000 bond and is scheduled for a pre-trial hearing May 30.

The charges stem from an attempt by Officer Vaughn to question Holloway and his 18-year-old companion about a bar fight in the morning of Dec. 4. After disarming Vaughn, the pair began to force him into his patrol car in an apparent abduction attempt. Vaughn, however, pulled a pistol from his pocket and began to shoot, striking Holloway's leg.

The pair escaped in the patrol car, which was later recovered. Holloway surrendered to his probation officer some 12 hours after the incident. He was then on probation for breaking and entering.

CAN'T DROWN? Despite legends that you can't drown in the Okefenokee Swamp because an alligator will swallow you first, a gator actually will more likely turn tail and run than attack a human.

DNR Public Hearing Slated May 30

A public hearing will be held May 30 by the Department of Natural Resources to present proposed rules for the control of watercraft on the Huron River, Dexter and Webster townships.

Mr. and Mrs. Boyd L. Pitts

Faber - Pitts Vows Spoken Saturday

Kathy E. Faber became the bride of Boyd L. Pitts Saturday, May 18, in a ceremony at Chelsea Baptist church conducted by the Rev. James A. Stacey.

The bride is the daughter of Mr. and Mrs. Arthur W. Faber of Chelsea; the bridegroom is the son of Edna Hiller and the late Ted Pitts of Fenton.

Honor attendants were Mrs. Eddie Parsons, a niece of the bride, of Grayson, Ky., and Patrick Milliken of Chelsea.

Acting as a bridesmaid was Miss Debora L. Steinaway, of Chelsea, a niece of the bride.

Acting as ushers were Waldo B. Steinaway, III, of Chelsea, a nephew of the bride, and Charles Miller, of Jackson, a nephew of the bride.

A reception followed the ceremony at UAW Hall in Chelsea. The couple are now at home in Hamburg after a wedding trip to Mackinac City and Mackinac Island.

Girls Softball Team Wins Two More

Chelsea cruised into a league championship in girls softball action Tuesday afternoon, defeating Dexter, 12-6, to finish an undefeated season.

Leading the triumphant local squad to victory were Loraine Clark who was good for three hits in the contest, and Brenda Salyer, who provided two. Salyer also pitched a complete game for the win. Alice Juergens, hard-working catcher for the squad, completed the winning battery.

Coach Ann Schaffner rated the game "one of our best-played games" as the team committed only four errors.

"I'm really proud of this team, since this is their first season," Coach Schaffner noted in excitement after the game. "We have a really young team—we started four freshmen and a sophomore this year—and we have a lot to look forward to."

FFA Chapter Elects Officers

New officers for the 1974-75 year elected last Friday for Chelsea Future Farmers of America are: president, Dave Frame; vice-president, Nelson Bollinger; secretary, Jerry Huehl; treasurer, Doug Welshans; reporter, Tom Clemons; and sentinel, Eric Prinzing.

FFA's annual awards banquet is scheduled for tomorrow, Friday, May 24, at the Fair Service Center at 7:30 p.m. Chapter farmer degrees, contest awards, and proficiency awards will be presented.

Hearing Tests Urged

Chelsea United Way notes that a hearing loss can result from many causes; infection, the use of some prescription drugs, disease aging, exposure to intense noise even frequent colds. And, very often, people who suffer a hearing loss are not aware of it. That's why the Michigan Association for Better Hearing and Speech, a United Way service, urges everyone to have hearing tests.

Beach Track Team Finally Loses Contest

Beach Middle school's track squad fell to Pinckney last week, 70-53, their first defeat in recent memory. Highlighting the meet, however, was a winning performance by the 800 relay team, which recorded a time of 1:48.6, its best of the year.

Other winners and places in the meet were:

Shot put: 1st, Leon Brown, 43 ft., 11 in.; 2nd, Tim Welshans, 43 ft., 7 in.

High jump: 3rd, Randy Harris, 4 ft., 8 in.

800 relay: 1st, Beach (Brian Lewis, Randy Harris, Pat Stevenson, Chris Smyth), 1:48.6.

800 run: 2nd, Todd Weber, 2:16.5.

60-yard high hurdles: 2nd, Matt Fisher, :09.7; 4th, John Daniels, :09.9 (his best time of the year).

1 mile run: 1st, David Dawson, 5:10.

100-yard dash: 2nd, Scott Stafford, :11.2.

400-yard-dash: 1st, Chris Smyth, :02.2.

100-yard low hurdles: 2nd, Matt Fisher, :13.8; 3rd, Greg Reed, :13.4.

60-yard dash: 1st, Brian Lewis, :07.5; 3rd, tie, Angie Merkel and Leon Brown, :07.8.

75-yard dash: 2nd, Scott Stafford, :08.9; 3rd, Tim Welshans, :09.2.

220-yard dash: 3rd, Pat Stevenson, :28.1.

1 mile relay: 1st, Beach (Scott Beyer, Jeff Smith, Steve Pennington, David Dawson), 4:15.

In the Tecumseh Relays, which took place two weeks ago, Beach's boys team placed fifth in a field of 12, while girls stood third.

Leading the placing for the girls' squad was Ida, with 36 points, followed by Blissfield with 27, and Chelsea and Saline, tied for third with 18 points.

Chelsea winners and placers included the 800 relay team, which placed first with a time of 1:56.8. Team members are Angie Merkel, Penny Collinsworth, Shelley Warren, and Carolyn Schardein.

Shuttle hurdle relay team placed fourth and the 400 relay team, fifth.

Only five events were offered for girls.

Highlighting the boys team's performance was Beach's time of 9:24.5 in the second Tecumseh distance relay, which broke the meet record. Team members are Chris Smyth, Pat Stevenson, Todd Weber, and David Dawson.

Beach also earned a second place in the shot put relay, with a combined distance of 85 ft.

HAM A LA KING

Meat left over from a baked ham dinner can be converted into an economical yet distinguished dish that merits a place on the company luncheon table. Ham a la King is a pleasing example. Simply add cubes of cooked ham, canned mushrooms (stems and pieces), chopped pimiento, sliced ripe olives and chopped hard cooked egg to a medium white sauce and heat through. Serve the mixture on toast triangles. It's a smooth and easy recipe that will delight guests. Makes fine family fare too!

CAROL SPENCER

DEBRA ANN ROSSBACH

Carol Spencer Chosen for Girls State Session in June

Chelsea High school junior Carol Marie Spencer has been selected this year's representative to the annual Girls State session by Herbert J. McKune Post No. 31, American Legion Auxiliary.

Carol, a member of the Chelsea chapter of the National Honor Society, has taken an active part in school fund-raising projects and enjoys all forms of sports, both as a spectator and as a participant, but swimming and sailing rank as favorites. She plays viola and hopes eventually to enter the field of medicine. She is a member of the First United Methodist church. She is the daughter of Dr. and Mrs. Herbert H. Spencer.

Scheduled for Olivet College in Olivet, June 16 through 23, this 34th annual American Legion Auxiliary Girls State includes seven full days devoted to government, education, recreation, and enjoyment.

Girls State members will play the roles of junior politicians and build a unit of government, electing from their own representatives city, county and state officials for a model state. Each participant will be assigned to a city, petition for offices, form party platforms and caucus her way through a whirlwind seven days of self-government.

At the close of the session, two girls will be selected to represent Michigan at Girls Nation, held in Washington, D.C.

Girls State is designed to provide citizenship training for girls of high school age, to give them an opportunity to live together as self-governing citizens; to inform them about the duties, privileges, rights and responsibilities of American citizenship; and to help them grasp the meaning of some of the responsibilities which they must assume when they become adults.

Established by the American Legion Auxiliary in 1941, Girls State participants are generally selected from a list obtained from high schools of eligible girls in their junior year. Selection is based on each individual's character and potential abilities, rather than on a single achievement such as excellence in scholarship or any other specific field.

Alternate delegate to Girls State is Debra Ann Rossbach. A member of the National Honor Society and the Junior Trip Club, she is proficient at painting and enjoys hobbies including biking, tennis, swimming, and cooking. She intends to pursue a career in science. She is a member of St. Mary Catholic church in Chelsea.

We've got the Happy Medium.

Plymouth Satellite

Sure doesn't look in the middle. Know what I mean?

It's more than a compact. Priced less than a full-size car.

We call our Plymouth Satellite the Happy Medium because it's sized big enough for comfort, but small enough for economy. Satellite seats as many people as most bigger cars, and gives you plenty of trunk space. But it features mid-size parking, a great shape, and runs on regular gas. Maybe that's why, in just the past three years, over a quarter million people have switched to Satellite from other makes of cars. And we're still going strong. Stop in, and check out the '74 Satellite, now.

PHOEBE CIRCLE
Phoebe Circle of the First United Methodist church met Wednesday May 15, at 1 p.m. in the Methodist Home.

A dessert luncheon was served by Mrs. Pearl Engelbrecht, who acted as hostess.

A program was presented based on a story entitled "The Prayer Rug," which was written and read by Mrs. Winifred Jordan. The story was illustrated by Mrs. Annabelle Closson, with many hand-drawn pictures of various church signs and symbols.

Funds were collected for the Heart and Hand House in Phillips, W. Va.

Next meeting will be held on June 28 at 12 noon, with pot-luck luncheon at the home of Mrs. Annabelle Closson.

BIRTHDAY GATHERING

Mrs. May Jedele of Chandler St. was pleasantly surprised for her birthday last Sunday, May 19, by a number of relatives and friends. Guests were her daughter and son-in-law, Mr. and Mrs. Ray Bemis of Otsego; two grandsons and their wives, Mr. and Mrs. Bernard Bemis and son of Allegan, and Mr. and Mrs. Dale Bemis of Otsego; also Mr. and Mrs. Louis Wolfe of Saranac; Mr. and Mrs. James Carraher of Garden City; Mr. and Mrs. William Osterman; Mr. and Mrs. Carl Viviano and family, from Detroit; and Mrs. Josephine Bennett and daughter Jody, of Chelsea.

OLDER ADULT GROUP

Older Adult Group of the First United Methodist church met Saturday, May 18 with 21 members present. Lyman Adams gave grace, followed by a pot-luck dinner.

Miss Florence Ives furnished a birthday cake, while Gary Robinson played "Happy Birthday" for Helen Lindeman, Mildred Brown and Freda Bommer.

Mrs. Herbert Paul gave the reading, "Grandmothers, What They Used to Be," and "Sure Signs of Spring." Mrs. Rae Lillie read verses from Ecclesiastes with the poem, "Tranquility."

Mrs. Lyman Adams also gave a reading of "One Solitary Life" and "God is the Answer," which is Romans 12:14 to 21 verse.

"How to Cure a Cold," and "Old Time Church on Sunday," were read by Mrs. Paul.

A short business meeting followed. The group plans a pot-luck picnic for June 15.

All signed a get-well card for Herbert Dreher, who is at St. Joseph Mercy Hospital.

Get-well wishes from all of the group go to Mrs. Bert Pearson, who is confined to Chelsea Medical Center for a month.

CHILD STUDY CLUB
Chelsea Child Study Club's annual spring dinner was held May 14 at the home of Mrs. Richard Borton, with dessert and installation of officers following at the home of Mrs. Gerald Giffin.

Honorary members attending were Mrs. Charles Lancaster, Mrs. Richard Kern, Mrs. Paul Schaible, and Mrs. Raymond Seitz. Mrs. Thomas Bust was welcomed as a new honorary member.

Mrs. Martin Steinbach, second president of the club, was the installing officer. A short skit called "All in the Club" was the entertainment, presented by Mrs. Richard Borton, Mrs. Charles Thomas, Mrs. Bruce Galbraith, Mrs. James Gray, Mrs. Joseph Marzec, and Mrs. Thomas Donkin.

After a summer vacation, meetings will resume the second Tuesday in September.

Mr. and Mrs. Reuben Lesser

Reuben Lessers Will Be Honored At June 2 Open House Event

An open house at the Chelsea Fair Service Center is planned to celebrate the 50th wedding anniversary of Mr. and Mrs. Reuben Lesser of Chelsea on Sunday, June 2, from 2 to 5 p.m.

The event will be hosted by the couple's children, Mr. and Mrs. Reuben Lesser, Jr., of Chelsea, and Mr. and Mrs. James W. Hall of Oscoda, and their grandchildren, Mark Lesser of Chelsea, Mr. and Mrs. Robert Brammer of Belleville, Ill., and Mr. and Mrs. Rick Smith of Shaw-ARB, S.C.

The Lessers were married Wednesday, June 4, 1924, (Mr. Lesser's birthday) at 3 p.m. at Zion Lutheran church, Rogers Corners.

Several Area Students On Dean's Honor List At Kalamazoo College

Several area residents and former residents were recently announced as placing on the dean's list at Kalamazoo College for the spring quarter. Those designated "high honors" earned better than a 3.75 average for the term.

Appearing on the dean's list were: Stephen Siebert, son of the Rev. and Mrs. Warner H. Siebert of 1005 Church St., N. Canton, O.; Michael Thomson, son of Mr. and Mrs. John R. Thomson of 1318 Three Mile Rd., Grosse Pointe; Steve Thomson, son of Mr. and Mrs. John R. Thomson of 1318 Three Mile Rd., Grosse Pointe; Michael Hergert, son of Mr. and Mrs. Harvey Hergert of 4998 S. Lake Rd., Grass Lake, high honors; and Jill Kipfmiller, daughter of Mrs. Joan E. Kipfmiller of 11969 Jackson Rd., Dexter, high honors.

What's Cooking In Michigan

By Larrestine Trimm
Michigan Dept. of Agriculture Marketing Information Specialist
Feast on Michigan foods as part of your Michigan week activities. Michigan farmers received a record \$1.4 billion for their products in 1973, according to Marketing Officials of the Michigan Department of Agriculture. With the addition of transportation, processing and marketing, the value of Michigan agricultural industry is nearly \$1 billion, making it the state's second largest source of income.

You'll have no problem finding Michigan foods in area supermarkets because almost 50 food products are grown commercially in Michigan. If you're watching your budget closely, MDA marketing officials say, prices are generally more economical when foods are in moderate to abundant supply.

Bring the freshness of spring to your table with a succulent beef sirloin tip or rump roast and all the trimmings. Boneless cuts are easy to prepare and leftovers make great lunchbox sandwiches.

Often boneless cuts, even though priced a bit more, are better buys because they have little waste. With sirloin tip or rump roast, you get three servings per pound. To determine cost per serving, divide servings per pound by price per pound.

Beef goes well with most vegetables. Michigan potatoes are a natural accompaniment, whether baked, boiled, mashed or prepared in a special dish. It's the season for fresh Michigan asparagus. Try serving it with a savory cream sauce as a beef accompaniment. Another delightful side dish is made with fresh mushrooms sautéed in butter and mixed with early spring peas.

Select a Michigan wine to accompany your roast beef dinner. Michigan is fourth nationally in wine production. Wine experts recommend a red table wine like burgundy or beaujolais with roast beef.

Ladies Day Golf Event Rained Out Thursday at Inverness

About 20 ladies braved the overcast weather on Thursday, May 16, for Inverness Country Club's Ladies' Day. Only one team completed nine holes of golf before the rains came and all adjourned to the clubhouse for rolls and coffee.

Prizes were awarded to Elizabeth Frisinger for low putts, and to Ruth Cook for low gross.

Hostesses for the day were Yvonne Carignan and Jeanette Smith.

The Aztec Emperor Montezuma drank 50 jars of chocolate a day.

GOLDEN ANNIVERSARY: Mr. and Mrs. Herbert Paul will be honored by their 50th wedding anniversary at an open house planned for June 2 at St. Paul United Church of Christ on Old US-12 from 2 to 5 p.m. Hosting the celebration are their children, Mr. and Mrs. Arthur Paul of Chelsea, and Mrs. Richard Note of Jackson. The Pauls were married June 3, 1924 at United Bethel church in Freelandville, Ind. They have lived their entire 50 years of married life in the same home at 152 E. Summit St. The Pauls are members of St. Paul United Church of Christ. Mr. Paul has been a plumber and well-driller in the area for 52 years, while Mrs. Paul is known as "Grandma" to many children with whom she has babysat throughout the years. The Pauls have 12 grandchildren and three great-grandchildren.

Ruth Circle Meets At Methodist Home

Ruth Circle of the First United Methodist church met at the Crippen Memorial Building Wednesday, May 15, at 1 p.m.

Refreshments were served by Mrs. Cora Dolan and Miss Marjorie North. The tea pot used is a treasured possession of Miss North. It is a replica of a tea pot which belonged to John Wesley, given to him by Mr. Wedgwood. It is beautifully decorated with wreaths and garlands of flowers, each with a special meaning. There are blessings on two sides of the tea pot. Miss North related the history of the original tea pot, which had a capacity of one gallon. It is now in a museum. The napkins used at the tea had a picture of the John Wesley tea pot on them. One of the blessings was read as the table grace.

Miss North read the 23rd Psalm followed by a prayer in the Devotional Period.

Mrs. Eulahlee Packard presided at the business meeting in the absence of the chairman.

Thank-you notes were read from Mrs. Minnie Lesser and Mrs. Mabel Snider. Mrs. Helen Pearson is still a patient at Chelsea Community Hospital.

Mrs. Packard read a poem "Giving Thanks" at the close of the business meeting. Miss North then presented a program, "Women of the Bible," portrayed by Mrs. Mary Lou Haas, Miss Martha Earles, Mrs. Helena Switzer, Mrs. Cora Dolan, and Mrs. Hazel Summers in the costumes of Biblical days.

There were 23 members and two guests present. Ruth Circle will meet June 19 at 12:30 p.m. for a pot-luck dinner at the Crippen Building.

Little League Registration Set Saturday

It's only a matter of time until summer, now that Chelsea Recreation Council news is coming in thick and fast.

Registration for T-Ball and Little League baseball for boys eight to 12 years, is scheduled for Saturday, June 1 from 1 to 3 p.m. in Chelsea High school gym. Jim Ticknor, director of these two leagues, will be on hand at registration to welcome registrants and their parents. Parents are asked to accompany their boys to registration.

Director Ticknor is currently in need of managers and coaches for Little League and T-Ball teams. Anyone interested in managing or coaching should contact either Recreation Council Director Tom Balistrere at 475-8511, or Ticknor at 475-7197.

Ticknor notes that the two groups are in dire need of coaches and would appreciate calls from interested people as soon as possible.

POWER FOR THE 1980's

Visiting Mayor Tours Hospital's New Outpatient Surgical Center

The nearly completed outpatient Surgical Center of Chelsea Community Hospital was a featured stop Monday for official visitors to Chelsea during Mayors' Exchange Day.

Hosted by Hospital Administrator Richard Hinds and led on a tour of the facilities by Dr. James Shadoan, were two couples from Wixom, Mayor and Mrs. Gilbert Willis and Dr. and Mrs. Val Vangieson, a Wixom councilman.

They toured the Chelsea Medical Center grounds, had lunch with Chelsea Village officials and viewed the Surgical Center which is due to open June 3.

Designed expressly for the new concept of outpatient surgery, the Center is the only one of its type in Michigan, according to Hinds, and also represents a first in providing this type of medical service in a rural area.

The Center will save on hospital costs for patients by allowing doctors to schedule one-day surgery for non-major operations. The patient enters and leaves the hospital the same day, recovering under medical supervision at home. Experience at other outpatient surgical centers has shown that they promote rapid recovery at home. Hinds noted, and the patient loses less time from job and family. This is a particular advantage for young families in which either the parents or children need surgery, he added.

The Wixom visitors also toured the new six-bed coronary and intensive care unit, radiology suite, emergency suite and physicians' offices which are contained in the Center.

have begun play on the high school field. Slow-pitch games are scheduled for Monday, Tuesday, and Thursday.

Once the high school field is available for use (which means after the conclusion of the High School Regional Tournament, held in Chelsea this year), each league will play two games each night.

This week's schedule for fast-pitch will see Thompson's Pizza vs. Sweepsters, Tuesday, May 28, South school, 6:30 p.m.; and Chelsea Milling vs. St. Paul's, Thursday, May 30, South school, 6:30 p.m.

Slow-pitch games will open Tuesday, with Rulea Farms taking on the Independents at the new grass field at the high school at 6:30 p.m. Other games this week include Fortune Industries vs. Eagles, Wednesday, May 29, new grass field at the high school, 6:30 p.m. and IPSCO vs. Mark IV Lounge, Thursday, May 30, new grass field at the high school, 6:30 p.m.

Tournament action for slow-pitch teams will begin the week of July 22; while fast-pitch tournament play will follow the week of July 29.

Questions about the program for this year should be directed to Charles Waller, director for both slow and fast-pitch leagues, at 475-8816.

DESERT CONDOMINIUMS

Sidewalk Festival Will Include Greatly Enlarged Street Art Fair

Chelsea's second annual sidewalk festival is aimed primarily toward three types of people: first, artists and craftsmen; second, people who wish they could "create," but can't, and want to learn; and third, people who just want to buy, buy, buy.

For the information of all three if these interested parties, Chelsea merchants will again expand the annual sidewalk sale, scheduled this year for Friday, Aug. 9 and Saturday, Aug. 10, to include a sidewalk art fair.

The show, which has artists and craftsmen in booths along Main St. where merchants are not displaying merchandise and also along some of the side streets feeding into Main, has space for a total of 100 booths. Last year some 40 booths were used.

"We're expecting probably 80 artists and craftsmen this year," says Pat Dittmar of Tailfeather Creations, who is general chairman of the art fair. "I'm hoping for 100, but everyone says that's ridiculous."

The show is juried, Mrs. Dittmar explains, which should enable it to maintain relatively high-quality wares as it grows. "We really don't want this to be just a bazaar," she says. As more people enter the fair, she explains, the jury process will weed out some

of the less "quality" items and upgrade the fair in general.

Last year's sidewalk festival included booths of ceramics, leather goods, oil and watercolor painting, pottery, photographs, "ecology boxes," jewelry-making, batik-dyeing, glass-blowing, and weaving, among others.

According to a pamphlet available to potential displayers, "artists are encouraged to be present whenever possible to discuss and demonstrate their crafts."

Specific regulations regarding the sidewalk festival include:

—entry fee is \$10 for two days (artist is required to exhibit both days).

—each entry receives a 10-foot space.

—to receive acceptance by the jury, contact Robert Merkel at Merkel Brothers Home Furnishings, 209 S. Main St., with either a picture or original form of the work. Only hand-made items will be accepted.

—payment may be made to Robert Merkel or by mailing a check to Chelsea Sidewalk Festival, 121 Main St., Chelsea 48118.

—deadline for reservations is July 27. Cancellations in writing will be accepted no later than Aug. 3. No entry fees will be refunded after that date.

In addition, it is suggested that each artist include a table and easels to display his work, and that each artist display work of no more than three media. Artists should provide their own preparations for possible rain.

For further information, contact Pat Dittmar at 475-2512, or obtain a copy of Sidewalk Festival guidelines at Tailfeather Creations or other local business establishments.

Spaghetti Dinner Funds Will Benefit Home Meal Service

St. Barnabas Episcopal church has planned a spaghetti dinner for Saturday, June 1, with proceeds to be donated to Home Meal Service of Chelsea and to defray costs of physicals for area handicapped children who participated in the recent special Olympics at Milan.

The dinner is planned for 5 to 7 p.m. For ticket information, contact Joan Waller at 475-8816.

TODAY'S THOUGHT

By LOUIS BURGHARDT

A monument in Arlington National Cemetery is inscribed: "Not for fame or reward, not for place or rank, not lured by ambition or goaded by necessity, but in simple obedience to duty as they saw it, these men suffered all, sacrificed all, dared all, and died."

The words can apply to all men who died in war. From the first to the last. The thought is nearly always the theme for Memorial Day services as we eulogize our heroic dead. Yet, tragically, our acreage in graves has multiplied greatly since the early days. Row upon row of men who died in military service are visited and honored on Memorial Day. Ironically, all those who rest in these rows died in what they hoped would be the last war. Their hopes failed. The intervals between wars have grown shorter. Optimism over everlasting peace has almost vanished. . . Will the day ever come when nations will finally see the utter futility and horror of war—and universally agree to war no more? . . . BURGHARDT FUNERAL HOME, 214 East Middle St., Chelsea, Mich. Phone 475-1551.

THANK YOU I wish to thank my friends and neighbors for the flowers and cards during my stay in the hospital. A special thanks to Carolyn Brightwell and Betty Hayden for the care of my children. Judy Ferry.

CARD OF THANKS I wish to thank my friends, neighbors, and relatives for their cards, visits, and telephone calls. Also, the nurses at Chelsea Community Hospital. A special thanks to the Rev. Morris for his many visits and prayers while I was in the Chelsea and St. Joseph Mercy Hospital. Everything was very much appreciated. William Walker.

CARD OF THANKS I wish to thank all my friends, relatives and neighbors for their cards, gifts, flowers, and prayers while I was in the hospital and since my return home. Thanks also to all the doctors and nurses for their fine care of me. Mrs. Charles P. Shine.

CARD OF THANKS A big thank you to the people of Chelsea for donating so freely in the American Legion Poppy Drive and to the senior citizens for use of their Korner House. Also, thanks to the 20 women and nine men for time spent in offering the poppies to you. There were many inquiries as to the use of this money. All of it is used for veterans and their families. Our rehabilitation covers veterans in hospitals and other institutions, where we try to bring some home life in the form of parties with home-made refreshments. Some of our members sew scarves for the men. These are in great demand. At holiday time, cards and gifts are available at our gift shop, where veterans can choose gifts for their families, have them gift-wrapped and mailed free, thanks to your poppy donations. Volunteers from the Auxiliary do the work. Some money goes toward wheelchairs, some to our cigarette fund, and some to scholarships. These are a few of the many services your dollars are used for. When the poppy funds are all used, we dip into our general fund. Some of us have been offering poppies to the public for more than 30 years, and we are getting no younger. We need and would welcome some more young members. Our dues luncheon will be Tuesday, June 4. Wouldn't you like to join us? Mrs. Lucile Barr, American Legion President.

CARD OF THANKS We would like to express our sincere appreciation to all those individuals and groups who assisted us during the recent Mayor Exchange Day activities. Our guests were extremely complimentary to our village and to the people they met during their visit. These Mayor Exchanges provide an excellent opportunity for village officials to compare and discuss the problems and possible solutions to common concerns which face all communities the size of Chelsea. We are grateful to all those people who have shown their interest and support. Tom Dmoch, Sam Johnson, Trustees, Chelsea Village Council.

MORTGAGE SALE: Default has been made in the conditions of a mortgage made by CLAUDE WILLIAMS and SANDRA A. HERRING, his wife, to CORBY MORTGAGE CORPORATION, a Michigan corporation, Mortgagee, dated August 28, 1972, and recorded on page 876, Washnetaw County Records, Michigan, on which mortgage there is claimed to be due at the date hereof the sum of TWENTY ONE THOUSAND THREE HUNDRED AND NO/100 (\$21,300.00) Dollars, including interest at 7% per annum.

Under the power of sale contained in said mortgage and the statute in such case made and provided, notice is hereby given that said mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at public venue at the West entrance to the County Building in Ann Arbor, Michigan, at 10:00 o'clock a.m., on Thursday, June 27, 1974.

Said premises are situated in the Township of Ypsilanti, Washtenaw County, Michigan, and are described as: Lot 307, WESTWILLOW UNIT ONE, a subdivision of part of the East 1/2 of Section 26, Township 3 N., Range 2 E., and Section 26, Township 3 N., Range 2 E., Ypsilanti Township, Washtenaw County, Michigan, according to the plat thereof as recorded in Liber 10 of Plats, Page 87, of the Public Acts of 1963 as amended.

The length of the period of redemption from such sale will be six months. Dated: May 23, 1974. JAMES T. BARNES MORTGAGE COMPANY, a Michigan Corporation, Mortgagee.

THE LANSING REPORT senator GIL BURSLEY

Three bills which I recently introduced have not received much public attention. Yet each has merit and a strong rationale can be made for favorable consideration. Income tax refunds. A most 3,000,000 refunds are due from the state to citizens on their 1973 income taxes. Reports are that "computer" processing these refunds has broken down and it may fall before they are effected. My bill calls for the state paying interest at the rate of 6 percent per annum on the refund due beginning 30 days after the tax return is filed. If a citizen is late in paying his tax he gets charged

TODAY'S HOUSEWIFE - VALUABLE COMMODITY Today, even the word "housewife" is in dispute. The term has recently come in for lively discussion among its practitioners, their husbands, and other interested parties. While suggested alternate terms have ranged from "house engineer" to "domestic economists," in a nutshell a housewife will say it's not the terminology so much as its interpretation that's at stake. An ongoing study under a grant from the U.S. Department of Agriculture gives a measure of what it would cost to replace the work at home with hired services. Here are some findings:

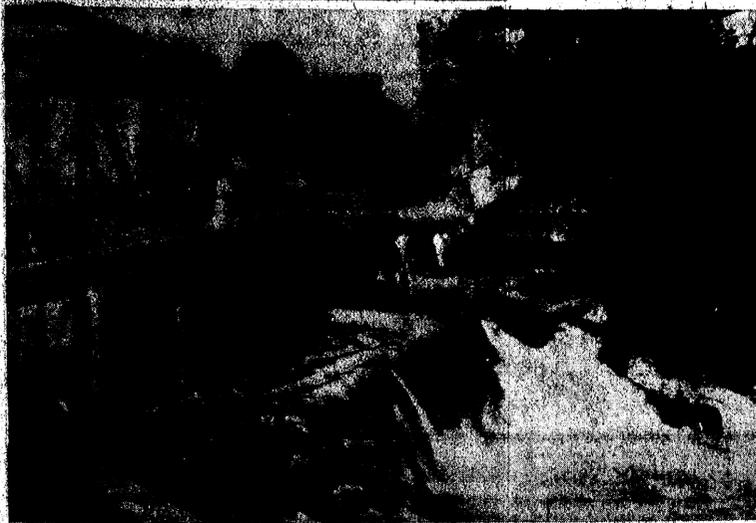

In an average family with two children, one a 5-year-old, the other an infant, the mother puts in 70 hours a week. The dollar value of her labor amounts to \$146 on a weekly basis. A woman with three older children between the ages of 6 and 11 would be performing services worth \$108 a week. If there are four children between the ages of 6 and 11, the value of the wife's labor would amount to \$117 a week.

8 percent, so what is good for the goose is good for the gander. Maybe this will speed up refunds and get the computer repaired more promptly. Automobile repair. Faulty auto repairs and unreasonable bills for same are an increasingly frequent consumer complaint. I have been working on this problem for two years and now have a bill calling for the registration of repair facilities and certification of mechanics. We have consulted with the auto manufacturers, the chamber of commerce, consumer groups and mechanics and mechanic instructors. I think we are on the right track and have a reasonable bill upon which agreement can be reached. Kidnappings. Recently kidnappings, such as the Hearst case, have called for involvement of food outlets, government and charitable agencies and individuals not associated in any way with the kidnap victims. I have introduced a bill making it illegal for any agency or individual (under certain circumstances) to comply with kidnap demands. This is a very difficult legal area in which to get involved but I have gotten some lawyer-legislators to co-sponsor my bill. The object is to make it illegal to comply with kidnap demands to the extent possible. This may have preventive value.

'Honest' Thief Admits to Gas Theft

A relatively straightforward thief, no doubt an uncommon thing in the world of crime, showed up in Chelsea early last Friday morning.

While on routine patrol of Chelsea High school parking lot, Officers Peebles and Browning spotted a man running between buses and hopping into his car. Officers, approaching his car to question him, noted three one-gallon containers, full of gas, another three empty containers, one gas funnel, and a plastic hose. Asking the obvious question—exactly what was he doing—the suspect replied that he was stealing gas.

At that point officers informed the man, Larry J. Alexander, 26, of Detroit, of his Miranda rights. According to the officers' report, however, he still wanted to tell us that he had stolen the gas. Alexander was placed under arrest and taken to Washtenaw County Jail, where he was booked on a charge of larceny with value less than \$100.

He appeared in 14th District Court Friday and was fined \$50 and placed on six months probation. The gasoline was turned over to Chelsea School District Bus Supervisor Ralph Brier.

MRS. THOMAS ROBERTS Area Resident Named to Huron Watershed Council

Mrs. Catherine Roberts of Freedom Township has been appointed alternate to the Huron River Watershed Council. Her appointment fills a long-standing vacancy. Former County Treasurer Sylvester Leonard was also nominated. Mrs. Roberts is secretary, board member and a founder of the Washtenaw County Lake & Streams Association and a board member of the Pleasant Lake Property Owners Association.

A medical technologist employed by the Chelsea Medical Center, she also serves on the Board of Christian Education of Bethel church and formerly served on the Manchester Co-op Nursery Board. Other activities have included March of Dimes and Red Cross work. She is also active in the Pleasant Lake School volunteer program.

Mrs. Roberts lives with her husband, area businessman Thomas S. Roberts, and their daughter, Jessica at 11485 Pleasant Shore Dr.

4-H Looking for Bike Leaders

"Almost every kid has a bike, and about only 1 percent has a cow. Therefore, 4-H is putting added emphasis this spring on the bike as a vehicle to youth development," according to Duncan E. Sanford, Extension 4-H Youth Agent.

As all bike enthusiasts know, bicycling has tremendous potential for positive personal development, exercise, fresh air, conservation of energy, anti-pollution, socializing, repair and maintenance, etc.

4-H would like to establish several 4-H youth bicycle clubs in Washtenaw county this spring and summer. Volunteers are needed to help form bike clubs. A person should be able to spend a couple of hours a week helping 10-12 kids learn bike repair, safety and to have fun on rides.

Bicycling in 4-H is great family fun. The entire family may want to join. 4-H has basic guide materials

and will co-ordinate with various group leaders to plan and conduct rides and county events for all bike clubs.

For further information contact Duncan Sanford at 663-7511, ext. 227.

THE SEA LAMPREY?

The sea lamprey, an eel-like fish that sucks the blood of its victims, sometimes will fasten on swimmers. Unlike leeches, however, lampreys apparently are repelled by warm-blooded animals and invariably let go. There is no record of a lamprey harming a human.

While everyone should have their hearing tested annually to prevent an undetected hearing loss, persons working in noisy environments should have their hearing tested at more frequent intervals to be certain a hearing loss does not go undetected, hearing specialists urge.

Sharon School Decides on Name, Grades

A name has been selected for the school to open at North Sharon Bible church this September. It will be named "North Sharon Christian School" and will enroll grades kindergarten through nine this year, with plans to expand to a full program of kindergarten through 12 next year. The school motto will be "In the Heart of the Country, With the Country at Heart."
"This will not be just a secular school with Bible reading or religious instruction added on," Pastor Bill Enslin emphasized. "Every subject will be taught from a Christian point of view, with entirely Christian teachers and curriculum, yet it will not be a 'hot-house' to protect young people from the world, but a training center to prepare them for usefulness and effective leadership in the world." Pastor Enslin says he has already received 85 indications of interest from parents.

CENTER AUTHORIZED
The VA has announced plans to establish a cardiovascular diagnostic and training center at its Allen Park hospital near Detroit. The Allen Park center will serve as a mechanism for coordination of patient care, teaching and research programs in cardiovascular medicine at the hospital and in the Wayne State University Department of Medicine. The center will serve as a training unit for house staff and fellows in cardiovascular medicine and will permit development of an effective post graduate training center for physicians in neighboring communities. Estimated cost of the new center is \$479,000. Completion of construction is expected during the summer of 1975.

EVANGELIST BILL RICE, III, will be conducting revival services May 27 to June 2 at North Sharon Bible church, Sylvan and Washburne Rds. The meetings, which will begin nightly at 7 p.m., will be interpreted for the deaf by Rice's wife, Mary. The Rices spend their summers at the Bill Rice Ranch in Murfreesboro, Tenn., which is responsible for training interpreters in sign language and for helping churches across the country launch a ministry to the deaf.

Sharon Church Plans Balloon Ascension

If you think you see the air full of round objects on May 26, don't worry. It's not an invasion from outer space. In honor of Ascension Sunday, the young people of North Sharon Bible church will release 600 helium filled balloons. As they watch the balloons ascend, they will recall how Jesus ascended into Heaven, with the promise that He would come again.
Each balloon will be accompanied by a Gospel message and the name of the sender, requesting anyone who finds it to write. In previous years, North Sharon balloons have been picked up in Ohio and New York. One was retrieved by a fishing boat in Lake Erie.

Michigan has the world's highest artificial ski jump at Pine Mountain Lodge in Iron Mountain, and the only ski flying hill in the western hemisphere, Copper Peak, in Ironwood.

AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU

★ More Than They Bargained for . . .

In 301 A.D., Rome was confronted with the problem of high prices, so an edict fixing prices and wages was issued to "correct" the condition. The penalty of death was prescribed for anyone who disposed of his wares at a higher figure than the maximum fixed prices. The failure of this law is recorded in history: "There was much blood shed upon very slight and trifling accounts; and the people brought provisions no more to markets, since they could not get a reasonable price for them. At last—after many had died by it—the law itself was laid aside."

We do not always learn by past mistakes, however, and history goes on recording, throughout the centuries, failure after failure of governments' bungling price-fixing legislation and the far-reaching, long-range effects it had upon the economies of various countries. The dismal failure of the United States' most recent efforts to control prices has not kept some consumer groups from undertaking such projects as "Operation Food Price Rollback." Angry, picketing women, making up in aggressive actions what they lack in numbers, vent their frustrations mainly on urban supermarkets. In Houston, Tex., for example, a group stormed into a supermarket and, as if it were their own personal property, marked "25 percent off" on as many items as they could.

The 25 percent rollback on food prices is number one on their list of "demands." A glaring inconsistency in the campaign is another demand that food chain workers be paid the highest union wage—one of the major factors in the cost of food.
"The law of supply and demand cannot be repealed; when supply is down and demand is up, prices are higher. When supply exceeds demand, prices go down. It's that simple. We learned (or should have) last year that food price controls are counter-productive—instead of more food, we get less food produced and higher prices. If the food industry met the demands of the consumer group for 25 percent rollback on food prices, plus the highest union wages to labor, the women would get more than they bargained for—empty supermarket shelves. . . . and the people brought provisions no more to markets."

Many Foods Provide Protein

Does the high price of meat have you watching your protein? Don't forget to include the many other food items you eat throughout the day.

"People often overlook the fact that many foods other than meat offer the same quality protein to your daily diet," says Dr. Dana Cederquist, professor of food science and human nutrition at Michigan State University.

The average daily protein need for males, 18 to 55 years of age, is 60 to 65 grams. Women, 18 to 55 years of age, have a protein need of 50 to 55 grams per day.

Three ounces of cooked lean meat, fish or poultry, she explains contains 21 grams of protein. So does that half-cup of cottage cheese you often serve as a side dish or in a salad. The quality of the protein in each is the same, and your body doesn't care which food gives it.

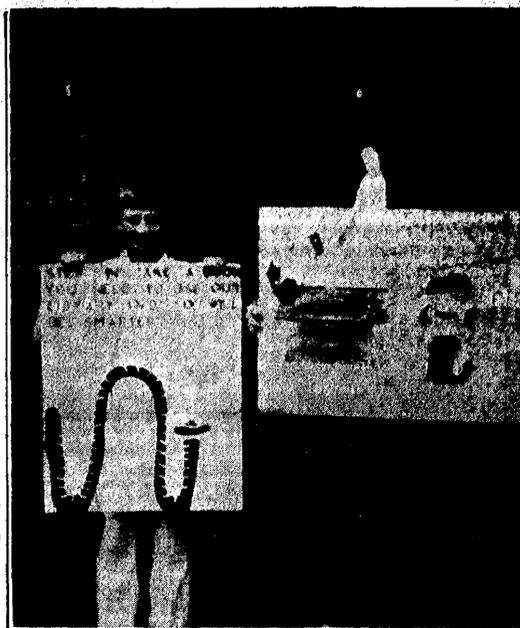

Consider the following protein values which you may be able to add to your daily protein count:

- One tablespoon of peanut butter4 grams
- One cup of dried peas or beans (cooked)15 grams
- Eight ounces of milk-whole, dry9 grams
- One-eighth of a 14-inch cheese pizza7 grams
- One ounce of cheese . . .7 grams
- Average serving of a cake muffin4 grams
- One-half cup of gelatin 2 grams
- One serving of bread . .2 grams
- One-half cup of roasted peanuts18 grams

"How often do you serve these various foods without being conscious of the good quality protein you are deriving from them?" Dr. Cederquist asks. Many of these items are eaten in between meals and forgotten when considering your total day's nutrient intake.

"If you're thinking about calories," Dr. Cederquist says, "let's again look at the total picture." When serving meat, you usually serve side dishes, such as vegetables, salads, breads and relishes. These side dishes add good protein but also calories. A serving of macaroni and cheese, combination salads with tuna fish, eggs or cottage cheese, chili or any of the many casserole dishes you can prepare offer the same nutrients and often without additional side dishes and calories.

You can also help your grocery bill by combining meat with other less expensive protein foods, Dr. Cederquist adds, and still meet your family's daily nutrient needs.

Milan Art Fair Scheduled June 2

The fifth annual Milan Art Fair will take place this year on Sunday, June 2, from 12 noon to 6 p.m. at Wilson Park in Milan. The fair, in its natural park setting, continues to attract artists and craftsmen from all over Michigan and Ohio. This year's fair is expected to attract between 100 and 150 artists.

As in past years, the fair maintains a good balance of two- and three-dimensional art in all categories. Some of the various exhibits already entered this year include: oil, acrylic, and watercolor paintings, prints, etchings, batik, macrame, weaving, stained glass, jewelry, and leathercraft. In addition, a great many of these crafts are also demonstrated at the fair.

Prize ribbons will be awarded in three categories. The art division will be judged by Michael Church, director for Cultural Activities at the University of Michigan Extension Service. Church is also a well-known artist and photographer. The crafts division will be judged by Mr. and Mrs. Hal Watson. Watson is a commercial artist and Mrs. Watson is an art teacher for the

Wayne schools. There will also be ribbons given for a children's art exhibit.

Refreshments will be available at the fair from the Kiwanis Club and a local scout troop. In case of rain, the fair will be held at the Milan Middle school. Further information may be obtained from Mrs. Beverly McMullen, 128 Marvin St., Milan 48160, phone 439-7112.

Will Minister To the Deaf

With Sharon Bible church, Sylvan and Washburn Rds., is planning to launch a ministry to the deaf. Three young adults from the church, Paula Howard, Nancy McAtee and Mark Heard, will attend the School of Deaf Interpretation held at the Bill Rice Ranch in Tennessee, May 19-24, to learn sign language. The three have already mastered the alphabet and numbers through individual study.

Immediately after the school, Bill Rice, III, will be conducting a week of evangelistic services at the church, 7 p.m. nightly, May 27 to June 2. His wife will interpret all of these meetings for the deaf. During the summer, the Rice minister at the Bill Rice Ranch, the world's first and largest ministry to the deaf.

"We want to interpret all the main services of the church for the deaf because," Pastor Bill Rice explained, "the Gospel is for everyone." As soon as there is enough interest, we will add one or more Sunday school classes taught in sign language.

Letters to the Editor

To the Editor:

This letter is directed to Chelsea Band Booster members and friends.

For those new to the community or for those who have never been informed, all parents who have a child in band (from grade 5 through 12) are automatically members of the Chelsea Band Boosters. This is one club that requires no dues and has no waiting list to get in.

The Band Boosters' main functions are to run a few money-making projects (such as the candy sale, calendar sale, and the snow cone booth at the fair) to help support the band; to be chaperones when the band goes to out-of-town concerts and to Band Camp, and to help at the school with the distribution of uniforms in the fall and collecting them at the end of the year.

As parents of band children, we have attended some of the meetings over the past two years and have found the turnout to be very poor. We were lucky to get 10 people out. There was one exception to this, and this was the April meeting which was well attended because it was advertised as an open meeting for questions, comments, complaints, etc. There was much lively discussion for about two hours concerning many matters, and a lot of things were brought out in the open, which we believe is good. The point we would like to make is that if we can spend a couple of hours complaining about the band program, the directors or the kids, we ought to be able to spend a couple of hours sometime doing something to help the band program out.

Right now, the Band Boosters are trying to secure chaperones for the Band Camp in August. The Band Camp is sponsored by the Band Boosters and to date, we only have one couple to chaperone. We know that a few sacrifices have to be made if a couple is to volunteer one week in August to serve as chaperones, but we believe that the rewards will be far greater than one might expect.

If any parents are interested—or for that matter you need not have a child in band to volunteer—or if anyone has any questions, please contact the band directors, Warren Mayer or Ronald Harris. Maybe some small problem is holding you back from volunteering, and they may be able to help work it out, or ask any of the parents who have done it in the past.

Please, band parents, give the Band Boosters some thought. Help is needed from all of us, and it is our children who will benefit.

Mike & Jan Sweet

SUNDAY'S SERMON

★ Pattern for Living

Have you ever heard someone say something like this: "Very few people that I meet try to practice what they preach, or what others preach, so why should I?" They tell you times have changed and many of the things once thought of as wrong aren't considered wrong or evil by the people of the present age.

Unfortunately for some, morality and truth do not change from one generation to another. Many times we wish these rules and truths didn't exist, but the fact is they do and it is up to each of us to try to live by them. Just because "everyone" else is doing something that is wrong, doesn't make it right in God's eyes. And the day will come when we will all have to answer for the way we lived our lives.

God has given us a pattern and a way of living that brings us closer to Him. Many, however,

turn from God and go their own separate ways doing whatever they feel like doing. But one of the great things about God is His love and mercy for us—no matter how badly we have messed up our lives, God is willing to take us back.

Selected for MSU Women's Honorary

Barbara Boylan, a 1973 graduate of Chelsea High school, was among 91 freshman and junior women "tapped" for distinguished women's honoraries Tower Guard and Mortar Board at Michigan State University on May 1.

Barbara, the daughter of Mr. and Mrs. Keith L. Boylan, 245 Park St., is a freshman majoring in nursing.

New members for both national women's honoraries must be recommended by a faculty member and are chosen on the basis of scholarship, leadership, and potential service.

After an early morning ceremony that included serenading by MSU's Men's Glee Club, the 98 freshmen were offered membership in Tower Guard, the sophomore service organization, and 33 juniors were offered membership in Mortar Board, the senior organization.

STATE SEN. WILLIAM S. BALLENGER, center, addressed Chelsea Kiwanis Club Monday night on school taxes, both state-wide and related to the Chelsea School District. Shown with Sen. Ballenger are Julius Blass, Kiwanis vice-president; Charles Cox, Kiwanis president; Herman Koenn, Kiwanis program chairman; and Gerald Straub, Washtenaw County chairman of Ballenger for Congress Committee. Ballenger is currently seeking the Republican nomination in the 6th Congressional District.

Sen. Ballenger Discusses School Financing at Kiwanis Club Meet

State Senator William S. Ballenger told Chelsea Kiwanis Club Monday evening that, far from driving taxes up, the average tax increase per Michigan school district this year was the smallest of recent years. Outside Detroit, the state average tax rate rose from 25.98 to 26.2 operating mills—a rise of .22 mills or just 0.8 percent, he said.

In fact, when the rebates given under the "circuit breaker" for school taxes are figured in, school property taxes may be considered actually to have dropped by .21 mills this year, Ballenger observed.

He added that the amount of state aid per K-12 pupil has increased fully 59 percent in the last five years. As a result, in 1973-74, for the first time in decades, the state is now paying more than half (50.9 percent) of the total system cost of K-12 public education in Michigan.

The 33-year-old lawmaker, who is a candidate for the Republican nomination in the 6th Congressional District, pointed out that the Chelsea School District has a \$27,506 per pupil SEV for '73-74, somewhat above the state average of \$22,000. It levies 22.2 operating mills, somewhat below the state average of 25.58 (26.2 outside of Detroit).

The Rev. John Fall Returning To Direct Retirement Homes

The Rev. John M. Fall, who served as administrator of the Chelsea United Methodist Home from 1906 to 1969, was appointed last Friday to the executive directorship of the Retirement Homes of the Detroit Annual Conference of the United Methodist Church, Inc.

Retirement Homes of the Detroit Annual Conference of the United Methodist Church, an agency of the United Methodist Church, is charged with the administration and operation of the denomination's retirement programs in the Detroit Annual Conference, which includes the Chelsea center as well as Boulevard Temple in Detroit.

The Rev. Fall's appointment to the position was announced Friday at the annual meeting of the board of trustees of the Retirement Homes organization. The current executive director, Edward H. Terry, will remain in his position until Aug. 31, with the Rev. Fall serving as associate.

Since leaving his administrative post at Chelsea United Methodist Home, the Rev. Fall has served in a similar capacity at the Franklin, Ind., United Methodist Home.

He is a graduate of Wayne State University and Oberlin Graduate School of Theology. He has served in numerous professional and religious organizations, including Michigan Association of Non-Profit Homes, Michigan Society of Gerontology, and American Association of Homes for the Aging. He has also served as a guest lecturer at the University of Michigan Institute of Gerontology Residential Institute on Retirement Housing Management.

Executive offices of the Retirement Homes of the Detroit Annual Conference are at 407 N. Main St., Ann Arbor. The Rev. Fall and his wife, Joanne, and sons, Mark and John, will make their home in Chelsea.

JV Girls Softball Team Defeats Dexter in Finale

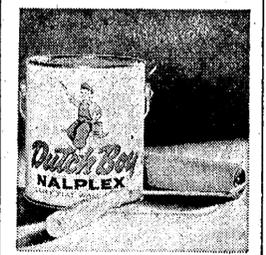

No, it isn't basketball season again, but Chelsea junior varsity girls did defeat Dexter Tuesday night, 37-29. In softball, Karen Tobin led the Chelsea attack with six big hits, while Sue Schultze contributed four, including a home run and a triple. Karen Keiser added a home run and two doubles.

Pounding two hits for the local squad were Lesley Clark, Kyle Parker, Edie Houk, Laurie Klink, Apache Huttling, and Diana Fletcher. Adding one hit each were Penny Kincer, Kim Dresch, Karen Milliken and Dawn Bucholz.

The JV ended the season with a fine 5-2 record.

Summer Volunteers Sought At Chelsea Methodist Home

An anonymous person once wrote, "Leisure is a beautiful garment, but it will not do for constant wear."

Chelsea United Methodist Home offers the residents of surrounding communities the opportunity to mix a bit of service with the pleasure of summertime by volunteering to give a few hours each week, or month, to add extra cheer and "brighten the day" for residents at the Home.

Someone who cares enough to take time to visit and listen, or offer to walk with those of uncertain step, is greatly appreciated.

The smile of one who has a friend to take them for a wheelchair ride, to enjoy the beauty of the outdoors, is a reward to be long remembered.

An auto ride is a thrill for those who find it difficult to walk but a short distance.

A visit to the home of "their friend," or a shopping trip, or a

Girls Softball Team Wins Twice To Remain Undefeated

Chelsea rallied for one victory and put another away in the early innings in girls softball action this week. Chelsea girls remain undefeated at 7-0.

After being down, 10-2 at the end of two innings last Wednesday, Chelsea girls rallied to defeat Saline 17-13.

Big blow for Chelsea was a grand slam home run by Lori Fritz in the third inning. Teresa Breza, Brenda Salyer and Fritz each were good for a pair of hits.

Pitcher of record was Brenda Salyer, who pitched the complete game, and struck out six Hornet batters.

In a non-league game Monday at Stockbridge, Chelsea came home the winner by a top-sided score of 24-6.

Every player saw at least three innings of action and all turned

in creditable jobs, according to Coach Ann Schaffner.

Leading hitters were Kathy Schmit, Teresa Breza, Brenda Salyer, Char Steinaway, and Kathy Kuhl, all with three hits each.

Providing two hits each were Marilyn King, Pam Boyer, and Alice Juergens.

In junior varsity action, Saline downed Chelsea last Wednesday, 25-14. Ten Chelsea errors aided the Saline squad in their efforts.

Facing Chelsea hitters in the losing cause was Lesley Clark, who pounded out four hits, followed by Karen Kieser, Diana Fletcher, Teri Lutovsky, and Sue Schultze, who were each good for two.

Dana Clifton and Karen Milliken each had one.
