## Bulldogs Turn Back Lincoln, Ready for Novi

Chelsea's Bulldogs take an improved passing attack and solid defense, both demonstrated in last Friday's 20-0 shutout of Lincoln, into their contest tomorrow evening (Friday) against defending league champion Novi.

Novi, currently tied with Milan for first place in the Southeastern Conference, will roar into Chelsea riding the crest of a 2-0 league record and last week's 47-12 romp over Dexter.

Bulldogs are currently lodged in a four-way tie for second place with Saline, Brighton, and South Lyon at 1-1.

In the defeat of the Railsplitters, Chelsea began the scoring in the first quarter when quarterback Todd Ortring passed to Tim Reed for 11 yards, then tossed to Paul Wood for 25 to put the Bulldogs at the Lincoln three-yard line. Ortring then sneaked into the end zone for the touchdown. Total scoring drive consumed 53 yards.

Ishmael Picklesimer kicked the extra point to put the score at 7-0.

Defense returned in the second quarter to set up a pair of touchdowns.

For the first scoring, Roger Stewart recovered a Lincoln fumble on the Railsplitter 39. Quarterback Randy Guenther then passed to Jim Boyer, who raced in to the Lincoln two-yard line.

Doug Reed then dove in to complete the job. Picklesimer again booted the extra point to make it 14-0.

Defensive halfback Howard Salyer then intercepted a Lincoln pass on the Railsplitter 45-yard line, and charged down the east sidelines to Lincoln's four.

Fullback Ron Kiel then dove the final four yards for Chelsea's final scoring play, to make the tally 20-0 at half-time.

Although Chelsea managed some

scoring chances in the second half, penalties repeatedly halted any offensive out-pull. Bulldogs suffered a total of 145 yards in penalties.

Coach Phil Bareis noted that "Chelsea defense again played a good solid game," and cited interceptions by Tim Reed and Howard Salyer, and fumble recoveries by Steve Kincer and Rodger Stewart.

Lincoln's quarterback was held to one completion, good for four yards, in 11 attempts, and the Railsplitter rushing attack was limited to 133 yards. Lincoln's only scoring threats were two unsuccessful 30-plus yard field goal attempts.

Bulldog passing attack was rated "improved" by Coach Bareis, with seven passes good of 15 attempts, totalling 133 yards. Todd Ortring completed four of nine for 83 yards, and ran for 35 to lead Chelsea's offense. Six different receivers caught passes, while Paul Wood grabbed a pair for 63 yards.

Chelsea's kicking game also received the coach's praise, as he noted that the kick-off team stopped Lincoln three times inside their own 30-yard line.

Bulldogs will entertain Novi tomorrow night at 7:30 p.m.

## Total School Enrollment Declines By 32

Enrollment has dropped at all four schools in the Chelsea School District as the total number of students dropped to 2,666 from last year's 2,698.

"I don't know where they all went," said District Business Manager Fred Mills. "This is the first time there's been a drop since I can remember."

## Debaters 10th In 32-Team Tournament

Once again in competition with Class A schools, Chelsea High school's debaters turned in a fine 10th place finish in a field of 32 teams at last Saturday's Taylor Truman High school tournament. Debating two rounds of affirmative and two of negative, varsity squad members Brad Blazier and Brenda Shadoan earned a 3-1 record, defeating Detroit Catholic Central, Jackson Parkside, and Lansing Waverly, but losing to Southfield.

Junior varsity debaters who debated in the tournament were Shelley Porath, Paul Dowhal, Dave Frame, and a pair of novice squad members, Erin Headrick and Barb Hinderer. JV managed only a single win, over Ann Arbor Huron High School.

Saturday debaters will compete for the first time as a full squad, fielding two swing-side varsity teams, one junior varsity team, and two novice teams.

## Registration Still Open for PP&K Contest

A total of 18 trophies—three in each age group—will be up for grabs Monday night when area youngsters gather at Chelsea High school's football field for the local version of Punt, Pass & Kick competition.

First, second, and third-place winners in local competition in each of the six age groups, 8 through 13 years, will receive a trophy, and the winner in each category will advance to the zone matches. Additional trophies will be awarded to the first-place winner in zone, district, area, divisional, and national finals.

PP&K finals will be held at the National Football League championship game Dec. 29. Finalists will appear on national television, with winners in each age group receiving their trophies from NFL Commissioner Pete Rozelle. Final winners in each group will also be enshrined in the Pro Football Hall of Fame at Canton, O. (Continued on page eight)

A HOME AWAY FROM HOME is exactly what Lottie Bentham, Colombian foreign exchange student, has found here in Chelsea. Above, from left are Lottie and her American "sister," Jill Steward.

## YFU Exchange Student from Colombia Likes Farm Life

Lottie Bentham came extraordinarily close to having a very short stay in the United States as a foreign exchange student.

Not because Lottie, a native of Colombia, didn't like Chelsea, or her Chelsea family, Francis and Mary Steward and daughter, Jill—"I love them!" she exclaims emphatically—not because of any of the kinds of adjustment problems that confront youth for understanding students.

Lottie, while on vacation in the southwestern United States with her Chelsea family, came within a customs inspection of being deported from the United States.

The travelers had decided to take Lottie to Mexico as part of the trip, but checked her credentials prior to entering just as a precaution. What they found made them wince at their own, and their new houseguest's close call.

Lottie had entered the country earlier than most of her fellow YFU students, she explains, in order to travel with the Stewards. She had obtained a temporary visa, and had applied for a student one, but had not received it by the time she left her home in Barianquilla, Colombia. The fact that she stayed in this country on a temporary visa invalidated her passport, a none-too-appealing predicament for travelers anywhere.

Mrs. Steward recalls the Mexican border guard with whom they discussed Lottie's situation. "He said that if she attempted to enter Mexico with that passport, she could be put in a detention home until the judge arrived there—anywhere from 10 days to three weeks. And she would never have been able to enter the United States again."

"We would have felt terrible if anything like that had happened to Lottie," Mrs. Steward adds, frowning.

All is well now in Lottie's passport situation, the family reports, since Lottie has applied for a student visa and has a

receipt to prove it to any official with passport questions.

The passport adventure, luckily, however, was only one stop on the Stewards' five-week vacation trip that gave Lottie a more extensive view of the United States than many citizens see in a lifetime.

They visited 22 states, including such highlights as Glacier National Park, Mount Rainier, the Dakota Badlands, and Death Valley, the last of which did not meet particularly with the Colombian student's approval. "In Colombia it is hot—we are very near the equator—but Death Valley was too hot," she recalls. "And no water."

The vacation also proved an excellent opportunity for the Stewards and Lottie to become a family together. "Lottie has adjusted extremely well to this country—she has no trouble at all with language, and we think she fits right into our family," Mr. Steward notes.

"It's just like Lottie had been with us all the time," Mrs. Steward adds. "The only bad thing about having her is that she'll have to leave."

Lottie, besides her obvious affection for her Chelsea parents and sister Jill, a senior at Chelsea High school, also has firm fondness for her new home on Scio Church Rd. "I like it here," she declares. "In Colombia, we live in the city. We have a farm, but we can only go there on the week-ends. I like living in the country very much."

She likes the new-found informality of Chelsea High school, too, she says, quite a change from the atmosphere of the Catholic schools she has attended, where until a few years ago students bowed to their teacher upon encountering them.

Her Colombian school, however, left her well-prepared for her visit to the United States, with her nine years' study of English that has provided her with an extraordinary proficiency for her 15 years.

"I asked her if she carries a

dictionary around in her pocket, Jill laughs. "She comes up with words that I don't even know—she told me the other day that I was a masochist."

She explains her English by the fact that the nuns in the school she attended spoke English and English was spoken in classes and written in assignments. She also studied Portuguese and French as well as Spanish; the language of Colombia.

Lottie also has been checking into other languages since arriving in Chelsea, she reports: "I was looking up all the dirty words in Kristina's (Kristina Toivanen, Finnish foreign exchange student) dictionary."

A self-described "active person," she and Jill frequently ride bicycles and have attended Chelsea football games although, "I don't like American football—soccer! Soccer is great!" She also admits to "loving" a great American high school after-game tradition, McDonald's.

She misses her family, she says, even though "I have my family here" but "my dog! I think I miss my dog most of all!"

She hopes to return to the United States when she finishes high school, she says, to go to New York to fashion design school. Three sisters currently live in New York, she notes, and a brother in New Jersey.

"My sister in New York," she exclaims, "told me before I came here—'It's cold, it's cold! It is cold from August to May—you will freeze to death!'"

Undaunted by the warnings, Lottie seems to be coping with the temperature changes—and all the other changes, too—quite well.

## JV Gridders Hold Lincoln To 20 Yards

Junior Bulldogs held Lincoln's varsity to an incredible total of 20 yards for the game in their 16-0 victory last week.

Junior Bulldogs scored all their points in the second quarter, when Tony Robards ran 12 yards for a extra points. Anthony Houle then ran 11 yards on a keeper for a touchdown and Robards again added the extra points.

Although Bulldogs moved the ball well all night, they stopped themselves every time, losing the ball three times on fumbles and suffering three interceptions.

"The defense was absolutely super," Coach Jon Schaffner reported after the contest. "The front five of Bruce Stubbs, Rick Davis, Dale Headick, John Push, and Joe Branham played as a fine defensive game as I've seen a JV team play."

Defensively, Dale Headrick and Rick Davis each rolled up nine tackles, Tony Robards and Bruce Stubbs, six each; George Menge, five; Joe Branham and Leon Brow four each; and Bruce Stubbs recovered a fumble.

Tonight (Thursday) at 7 p.m., Junior Bulldogs will travel to Novi to tangle with the Junior Wildcats. Both squads are currently 2-0 in league play.

PROGRAM PLANS for Chelsea's Senior Citizens Nutrition Program, which will begin serving daily lunches for senior citizens Oct. 14 at St. Mary's school, are discussed by, from left, William LaRoe, Mrs. Walter Zeeb, Mrs. Ellen Parminter, coordinator of the nutrition program, and Tom Sullivan of the Manchester area, who is assisting in starting the program.

## Nutrition Program Started For Area Senior Citizens

Several weeks ago, testimony before a federal legislative committee revealed that elderly people, faced with high costs and inadequate pensions, were at times forced to eat dog food. The revolting thought that senior citizens might well be indulging in meals of Alpo, or nutritionally unbalanced ones solely of cottage cheese and fruit, is the motivation behind "Food, Fun, and Fellowship," a daily hot-lunch and fellowship program that will begin at St. Mary school Oct. 14.

"So many people on pensions just can't cope with high costs," says Mrs. Ellen Parminter, coordinator of Washtenaw County Senior Citizens Nutrition Program, which has initiated the Chelsea program. The office is a function of the Office of Economic Opportunity.

This fact of life for senior

citizens has sparked the organization of hundreds of senior nutrition programs across the country like the one to begin in Chelsea, Mrs. Parminter says. Chelsea's nutrition program will be the fourth in Washtenaw county. Existing programs are operated in Ann Arbor, Ypsilanti, and Willow Run.

Under the direction of a site supervisor, as yet to be hired for the Chelsea program, the St. Mary's school site will provide up to 30 hot lunches daily for people 60 years and older, and lunches for under-60 spouses for 25 cents per meal. Food stamps will also be honored, Mrs. Parminter noted. Meals will be cooked at the Chelsea United Methodist Home.

In addition to the site supervisor, the program will be staffed by a driver, who will provide

transportation to and from St. Mary's, and a community relations worker. Those interested in applying for any of these part-time jobs should call Mrs. Parminter at 761-5354, before 9 a.m., or leave a message at the Office of Economic Opportunity in Ann Arbor (662-3172) with her secretary, Ertis Hannon.

Volunteers will round out the program's staff, and the senior citizens themselves will assist in operation and planning. "We want to involve all the seniors as much as we can," Mrs. Parminter says. "We want them to feel that this is their program."

In addition to providing noon meals, the program, which will operate from 10 a.m. to 2 p.m. week-days, will offer recreation, arts and crafts, games, and handicrafts to "deal with the isolation."

## School Finance Plan Will Be Reviewed

A public meeting will be held at 7:30 p.m., on Thursday, Oct. 3, (tonight), in the cafeteria of the Dwight Beach Middle school in Chelsea for a discussion of the present status and future prospects of school finance in Michigan.

Senator Gilbert E. Bursley (R-Ann Arbor), Chairman of the Education Committee of the Michigan Senate, will present his proposal for a "roll back" of property taxes with a shift in school support to the state income tax.

Associate Superintendent, Robert McKerr, of the State Department of Education, Dr. James Phelps of the Governor's office, and Senate Caesar, will be present to discuss technical aspects of school finance and respond to questions.

A sizeable representation of administrators and board members

from area school districts is expected to attend. The meeting will be open to the public and all citizens are invited to participate.

## Snowmobile Classes Start

Young snowmobile-ers yearning for the first snowfall should first make certain they're legal, says Ralph Brier in announcing a snowmobile class for ages 12 to 16.

All young people in this age group need a state certificate in order to legally operate a snowmobile, Brier says. Instruction classes will begin next Thursday, Oct. 10, and continue for the next five Thursdays, excluding Thanksgiving. (Continued on page seven)

LIGHTING THE TORCH to spark United Way contributions to another goal-reaching campaign are these Chelsea organizers. From left, Mrs. Wilma Musolf, rural chairman; Mrs. Pat Borders, general campaign chairman; Mrs. Crystal Hanson, rural chairman; Jeff Flintoft, commercial chairman; Mrs. Joanne Weber, residential chairman; and Mrs. Marilyn Chasteen, rural chairman.

## Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Clem Webster was speaking in parables again Saturday night at the country store. He opened the meeting by telling the fellows about the time his Ma and Pa rode their buggy for two days to visit his Pa's old friend that he hadn't seen since afore either one got married.

As Clem's Pa told the story, the two buddies got to talking about the times they had and the gals they courted. Clem's Ma was used to hearing them tales, but the other feller's old lady wasn't and she got hot under the collar. "So when bedtime come, she give her guests a quilt apiece and told em

they could sleep on the floor by the fire, cause they didn't have any extra beds.

That was a mighty thin quilt, Clem's Pa would say, and Ma fell to grumbling about the sleeping arrangements. Final, Pa told his old lady to dry up, cause "anybody can sleep in hell one night." The next morning early, Clem's Pa and Ma got in their buggy and drove two days back home. The moral of the story, Clem said, is that anybody can make a big mistake and git hisself in a fix, but it's getting out of the fix that separates the men from the boys.

The parable of the quilts, as Zeke Grubb called it, set off a long discussion. Zeke said Clem's Pa was telling it like it was, but not like it is. They ain't no limit to what people in this country will put up with this day and time, Zeke declared, and they don't seem to be no end to the jams we keep getting in. Ever time you hear a politician say so and so ain't going to happen "cause the country won't stand fer it," it happens and the folks swaller it and hope fer the best, was Zeke's words.

General speaking, Mister Editor, the fellows agreed that the country has fell on hard times, and some of the facts is hard to face. But Ed Doolittle was of a mind that this democracy is put together like a self-cleaning oven, the hotter it gets the better it cleans. Ed said he wasn't ready yet to give judgment on President Ford's move to pardon Mr. Nixon in advance fer everything he might be accused of, but Ed said he is convinced that the events that made Ford President come about cause the country had stood fer all it would. And Ed reminded the fellows that no other nation in the world could go through such an upstir and come through in as good a shape as we have.

It was Bug Hookum that come up with the idea of the evening. Bug said he had saw where some big companies now is hiring actors to come in and work in offices

### Picking for Fun

Plucking a bushel of crisp red apples from heavily-laden trees can be a fun, inexpensive—even money-saving—way to spend a Sunday afternoon.

The pick-your-own pastime that's collected more and more fans in recent years appears headed for even greater popularity this season—especially if the Department of Agriculture and Michigan Tourist Council have anything to say about it.

They've put together a booklet called "Country Carousels" that lists seven "tours" of Michigan as well as countless places that offer folks a chance to collect their own apples and other fruits.

Classified ads in local newspapers also tell you where to pick.

What's so great about picking your own?

It's fun, that's what. At some orchards, you'll be strapped into a "lug," the canvas shoulder bag

and pretend to steal. The boss is on the act, so he "catches" the "thief," gives him a blessing out and fires him in front of everybody. This is supposed to scare the workers into honesty.

Bug said wouldn't it be somefun if we got politician actors that is seeing how much the country will stand fer.

Yours truly,  
Uncle Lew

There's also the price. Figure four apples to a pound, selling for 29 cents a pound. If you get 124 apples a bushel—Michigan State University's Cooperative Extension Service says there are 125-150 in a bushel—for \$4.75 (the going price at one Lansing area orchard), that's quite a savings. Those 124 apples could cost well over \$7 on a per pound basis.

**Save Those Feathers**  
Believe it or not, hunters, there's a market of sorts for the bills and feathers of your legally-taken game birds.

A Missoula, Mont. woman wants them donated for use in North American Indian religious ceremonies. So reports the Department of Natural Resources.

The appeal for bills and feathers comes through the DNR from Ms. Sapphire Concern of Missoula.

"She will see to it that game bird feathers and bills sent to her by sportsmen are distributed to spiritual leaders of tribes in North America on an 'as-needed basis,'" the department says.

Along with the appeal comes the explanation that, while feathers and bird bills are commonly used in North American Indian religious ceremonies, "they are reportedly in short supply among these tribes because it is illegal to buy or sell such items from many non-game bird species in the U.S."

If you want to help, send feathers and bills of harvested game birds to Ms. Concern at 821 Hazel, Missoula, Mont. 59801.

### Banning Butts

No smoking in the board room will be the policy henceforth for the Michigan State Board of Education.

A recently adopted Board resolution notes reports of the hazards of smoking and problems of those allergic to smoke.

The resolution stops short of actually prohibiting smoking during official Board meetings. But it says the Board will "encourage" individuals to refrain from smoking during Board sessions.

It's also suggested that smoking breaks be granted for those who can't make it through a meeting without lighting up.

## Nutrition Program for Seniors

(Continued from page one)  
tion problem that our people feel," Mrs. Parmenter explains. Also to be offered are speakers dealing with senior citizen's concerns about Medicaid, health, food, taxes, and shopping. Mrs. Parmenter also hopes to offer counseling to handle family, health, housing, and other problems of seniors.

Other projected services will include a "Fun with Food" program that will feature picnics and other special meal-oriented events; an escort service to bring the handicapped to and from their daily meal; and transporta-

tion to shopping areas as well as to the St. Mary's meal site. In Willow Run, a monthly shopping trip to Meijer's Thrifty Acres, organized through the "Meals on Wheels" program, with the help of local Jaycees, has seen participation rise from 13 original shoppers to 30, and Mrs. Parmenter says the hope this month is for 40 senior shoppers, which would take participation to the capacity of the bus the program uses. She hopes a program of this nature could be possible in Chelsea.

In cases of emergency, glasses, canes, dental work, and other medical and health necessities can also be provided by the program, through its association with the OEO, Mrs. Parmenter reports. "We have a lot of people who can't afford anything that's an emergency," she adds. "If there is a need, there is a possibility that we can provide things of this nature for our people."

Mrs. Parmenter believes that the new nutrition program, which will provide food for people in a "congregate setting" can co-exist quite easily with Chelsea Home Meal Service Program. "I

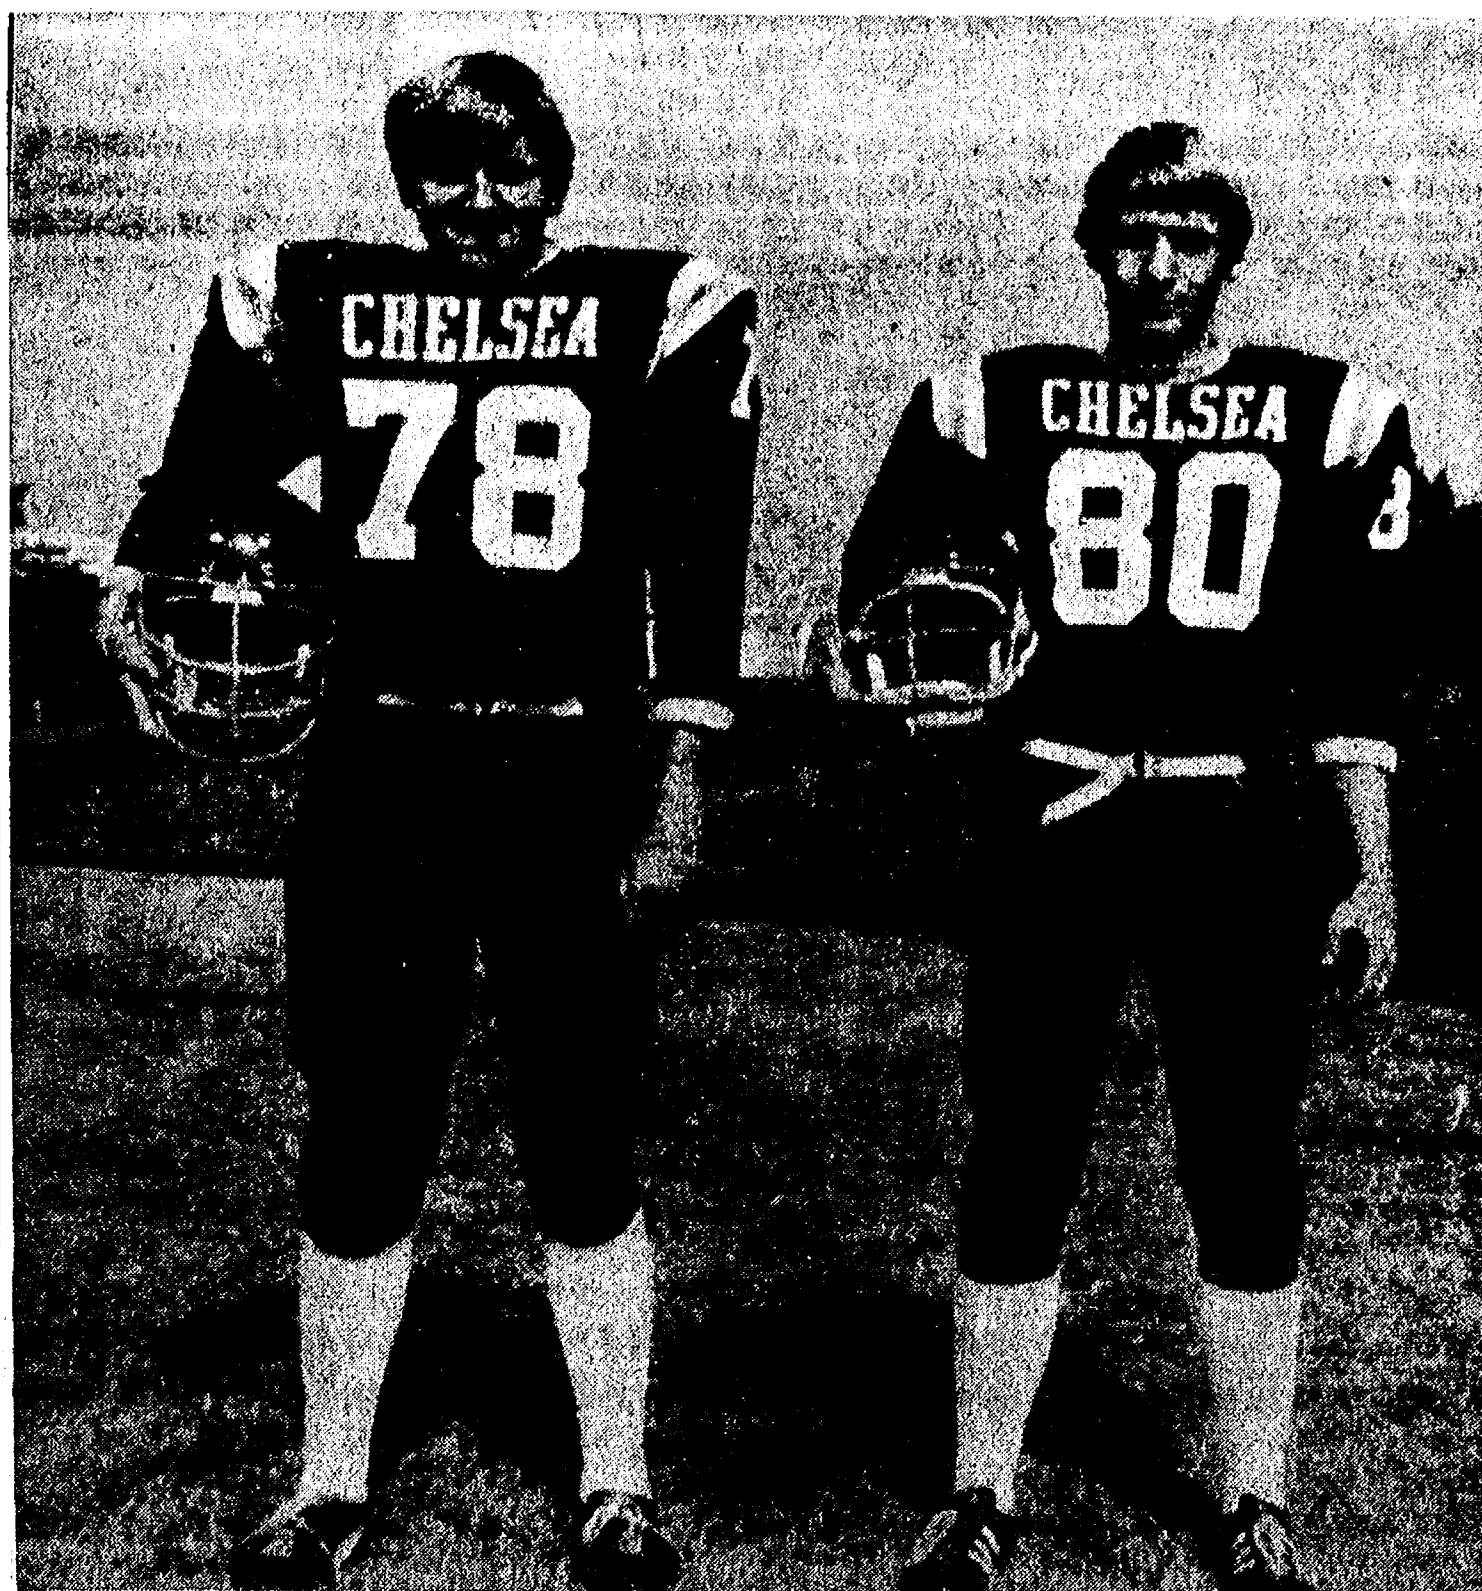

thought possibly that the meal service might feel threatened by our program," Mrs. Parmenter says, "but Mrs. Hoffmeyer (Mrs. James Hoffmeyer, of Home Meal Service) has assured me that we can work together, possibly referring people to each other's programs." Home Meal Service transports meals to invalid or shut-in senior citizens.

Potential participants in the nutrition program are currently being contacted by telephone and through meetings with local people from Home Meal Service and other organizations.

"People—especially elderly people—are suspicious of anything that sounds good, that sounds like someone's trying to do something for them," Mrs. Parmenter concludes. "But eventually, they'll come out for something like this, as they came for the shopping trips in Willow Run."

Although OEO funds in numerous areas have been cut recently, Mrs. Parmenter reports that the nutrition program is funded for a year and probably more—certainly time enough for the folks to overcome their suspicion.

## Gridders of the Week

JIM MARSHALL (78) is a 5'10", 175-lb. junior tackle who graduated to the varsity squad this year after seeing junior varsity grid action last year. Last year he was also a member of the junior varsity baseball and basketball squads. Outside of school, he enjoys hunting and "doing a lot of nothing." His future plans include college, although deciding a possible major is still a long way away. He believes that Chelsea has "a good chance" to knock off league-leading defending champion Novi in tomorrow's game. He is the son of Emerson and Phyllis Marshall, and has one brother, Jeff, now in college.

JOEL SPRAGUE (80) a wiry, 5'8", 150-lb. junior and, has returned to the Bulldog grid scene after a year's absence. Although he did not play junior varsity football last year, he was active as a member of the varsity baseball and junior varsity basketball teams. Plans for college are "still up in the air," as far as his field of study is concerned. He, too, has high hopes for this year's Bulldog gridgers, expecting that "we won't lose any more games." He is the son of Mr. and Mrs. James Sprague, and has one older sister, Heidi, two older brothers, Todd and Jeff, and two younger brothers, Drew and Todd.

Mulligan Stew, the acclaimed 4-H television series on nutrition, has enrolled nearly 4.5 million boys and girls to date across the country, reports the National 4-H Service Committee.

Some 1,600 delegates are expected to attend the 53rd National 4-H Congress, Dec. 1-5, in Chicago. The delegates represent all 50 states, Puerto Rico and the District of Columbia.

## Letters to the Editor

Dear Sir,  
Last week I attended a 7th grade intramural football practice and was very upset to hear one of the coaches swear at one of the opposing team's boys.  
I always thought the coach was to set an example on good sportsmanship to me. If one of the boys swore he would immediately be kicked off the team.  
One rule of every coach is always "no swearing!" Well, how long is a boy going to stick to the rules if his coach doesn't?  
I hope these three intramural coaches read this. The guilty one will know who he is and maybe some good will come out of it!  
An unhappy fan!

To the Editor:  
There are approximately 400,000 Michigan veterans and beneficiaries eligible for the bonuses.  
The states, in the past, granted cash bonuses to Michigan veterans of World War I, World War II, and the Korean War, in recognition of their service.  
Let's give recognition to the Vietnam veterans.  
The bonuses would also provide some compensation for the difficulty many returning veterans have faced in securing employment upon reentry in the civilian economy.  
I, for one, a veteran of Korea, plan to pay my debt to the veterans of the Vietnam war.  
You, too, can help by voting for the Vietnam Bonus.  
Don O'Dell.

To the Editor:  
The Vietnam veteran earned a bonus and is entitled to the same consideration as his former compatriots received for their services when called to the colors by their government. The Vietnam serviceman fought a war that was unpopular.

From whatever viewpoint one may look at the long years of the Vietnam war, the young men of the United States were taxed by our system of draft and our young manhood responded because of their belief in law and order. Perhaps, responding with doubt and uncertainty of the wisdom and right of our fighting in Vietnam; but, nevertheless, he served. He took all the risks. Many were killed, wounded or discharged into a world situation already rapidly on the plus side of inflation.

Some 410,000 men from Michigan served during the Vietnam conflict. It was an uphill fight to get a foothold when separated from service. To finish school was the desire of many but the limited funds granted for this purpose were already eaten up by inflation. The Vietnam veteran tried to use his army training and eke out a living for himself or his wife and child. During this time, the great State of Michigan, which had in the past awarded a bonus to her servicemen, argued over a bonus for her gallant servicemen.

The Vietnam veteran deserves a bonus because it is an obligation of the people of Michigan owing to the faithful Michigan soldier, who rather than flee to a foreign country stood steadfast to the oath that the State of Michigan took when they became a part of these United States.  
James E. Knott.

Who pays for living expenses (elsewhere) while they repair your home?

Most policies provide the coverages you expect—fire, lightning, storms, riots, vandalism and the like. They cover the cost of repairs due to these losses. But have you thought about the cost of living elsewhere if your home has to be repaired or rebuilt? It could run into hundreds of dollars. Or, it could be covered in black and white in our Homeowners Policy, so we would pay those extra living expenses! Give us a call. We'll put your home insurance all together in one policy for convenience and saving's sake.

## SOUTH ELEMENTARY SCHOOL NOTES

### PRINCIPAL—S. Wojcieki

South School is participating in the Campbell Soup Co. program. The company is sponsoring a label collection whereby our school can turn in Campbell soup labels and receive audio-visual equipment. The contest will run until Dec. 31.

Our students are saving their labels and would appreciate it if friends of the school would do the same. If you would like you may drop the labels off at the South school office or send them in with a student. Any help will be greatly appreciated.

### ART—M. Coulam

Our kindergarten will be coming to art class this year. We began the year with a self-portrait, coloring our clothes just the way they really looked. We have also learned the colors can be light, medium, or dark and still be called by the same name. We cut and pasted a picture with all kinds of green.

In 1st grade, we have made beautiful chalk prints by chalking a design on one half of our paper and magically having it jump to the other side. We have also learned that a pattern is a design that repeats itself and we cut our own patterns. We have done water color paintings, too.

Second graders have constructed flying insects from colored paper, complete with antennas, spots, also experimented with mixing colors from red, yellow, blue and white. (The white makes our colors into tints.) Several of our paintings are now hanging in the school hallway.

### KINDERGARTEN—Room 3

Teacher: Mrs. Bower  
The kindergarten children are all busy doing and learning many new things. Our new friends help us share our toys and our time. When we look with our eyes and listen with our ears, we learn many things.

Our room is number 3. Our teacher is Mrs. Bower, and our principal is Mr. Wojcieki.

Show and tell is every Monday and Friday. Our own show and tell should always come in a bag with our name on the bag.

Every other week we do special work for Mrs. Coulam in the art room. Every week Mr. Wehrwein teaches us a new fun game or exercise. Mrs. Dye, our music teacher, sings with us songs that we know and many new ones.

So far we have learned almost all of our colors, and we are taking good care of our new crayons.

Every time you cross the street remember "red means stop, green means go and that is all you have to know."

### Room 1

Teacher: Mrs. Van Blaricum  
We have spent our first month together and now have many new friends. We are adjusting to the large group situation and are learning the rules of the room and the school.

The special teachers have met with all the children. This year besides music and physical education, we are going to the art room.

Colors are of major interest right now. We have talked about red, green, blue, yellow, brown, black, orange and purple. We will continue to work with colors and begin to do some shapes.

Show and tell is on Monday and Friday this year. We have seen some very interesting things so far and hope everyone will have something to share with us.

Our September birthday people are: Wendy Cavadas, Douglas Poley, Tina Kuhl, Randy Marshall and Valerie Stoker.

### FIRST GRADE—Room 4

Teacher: Miss DeVries  
Hello! Miss DeVries' class is off to a great start this year. We are working hard learning to read. Plus, we are learning all the sounds that go with the alphabet.

In math, we can now match sets with their numeral. We have fun with the super neat pictures in our math books.

Happy Birthdays for September go to Michael Merkel and Stephen Slocum.

Room 4 is busy, but we still manage to find time to make rhythm and march with our rhythm band. We also get to study insects with Mrs. Thornton. Aren't we lucky!

We get to learn something special too. We can count to 20 in German. Auf Wiedersehen!

### Room 19

Teacher: Mrs. Schiller  
Mrs. Schiller asked us what we like best about 1st grade, and this is what we told her.

David D. likes everything and Stevie likes everything, too. Rost, Fred and Chrissy D. like arithmetic. David M. and Jennifer like everything but handwriting; while Kelly and Kevin like it! Marcie likes our guinea pig, Oatmeal. Chrissy S. likes making things and David H. enjoys cutting shapes. Angie thinks everything is fun, especially the letter B. Matt likes going out on the playground and doing worksheets. Todd agrees recess is fun, but he also likes the wonder ball game. Kristian, Dan and Brett like reading best. Jack likes catching insects and learning about them. Chandy likes art. Denny likes sharpening his pencils and just everything else. Andy enjoys picking up litter to help keep our playground clean AND Mrs. Schiller likes ALL her new 1st graders.

### Room 17

Teacher: Mrs. Thodeson  
In science we have been learning about insects. We have been as "busy as bees" learning our alphabet, counting, recognizing numbers and reading in our new books.

Mrs. Friedemann, the school nurse, visited our room and talked about the foods our body needs. We have discovered the importance of eating a good breakfast to give us energy for our long morning of work.

We have had some birthday celebrations. Shauna's mother taught us a new song and a new game. It was a fun party. Happy September birthday to Tammie Evans, Tim Klink, Brian Robeson and Shauna Williams.

### Room 2

Teacher: Mrs. Thornton  
Reporters:  
Van Wright, udra McClear, Rod Marshall and Judy Coppemoll

September birthdays: Kirk Eubanks and Jimmy Schutte.

Room 2 has 24 children this year. There are 13 boys and 11 girls. We have one new boy whose name is Jimmy Schulte. We have a student teacher. His name is Mrs. Morin. She brought her big insect collection to school for us to see. We like it because there are lots of butterflies and moths in it.

We are busy learning the alphabet and the sounds the letters make. We like the treat that goes with each new sound we learn. We like the big letter charts that we have. The letters are hidden in the pictures, and you have to find them. They are really neat.

Christi had a summer birthday treat for us. Danny and John helped put the flag up one morning.

We like going to special classes and are learning lots of new songs and games. We do different art projects every week.

Some of us are starting a new reading book. Sally is always doing something silly! Do anna

### SECOND GRADE—Room 8

Teacher: Mrs. Hamilton  
September has been a busy month for the boys and girls in Mrs. Hamilton's room. Everyone has worked hard getting back into the swing of things.

In science, the boys and girls have been introduced to molecules. They have enjoyed doing experiments which have made them aware of the tiny invisible size of molecules and the movement of molecules when a substance is heated.

In reading, for a review of the vowels and the vowel sounds, they have made books with the vowel sounds represented with words and illustrations.

Some of the reading groups have written stories together using names of boys and girls from their groups.

Adding and subtracting with sets have kept the boys and girls busy in math. They have also been finding the missing addends.

The boys and girls are learning that good work and neat papers are worth the effort, because Smilie Faces are given for excellent work and neat papers. After 10 Smilie Faces have been given, prizes are awarded.

This month the following people were awarded 10 Smilie Faces: Rodney Satterthwaite, Tammy Mully, Bobby Kelly, Richie Catell and Debby Cox. Birthdays this month were Kelly Murphy and Tammy Mully.

### Room 10

Teachers: Mrs. White and Mrs. Schluppe  
First Impressions of 2nd grade: In the first month of school we have been busy getting used to each other and our two teachers.

Mrs. White teaches us in the morning and Mrs. Schluppe is our afternoon teacher.

Some of the things we've enjoyed most have been:  
1. Boiling water during science. (We're learning about molecules.)  
2. Making butterflies in art.  
3. Taking books out of the library.  
4. Playing soccer during gym class.  
5. Learning Sesame Street songs.  
6. Making short vowel books.  
7. Having our own spelling books, and of course—going out for recess!

### Room 5

Teacher: Mrs. Lopex  
We have completed a bulletin board on Bicycle Safety, and we learned our safety rules.

Mrs. Peterson has made two games, which we love to play. Both are word games, so they help us learn words.

We have had many reports on special topics. Some who have given reports are: Debbie Thelen, Joann Tobin, Crissy Wilson, Laura Koeple and Glenda Hayes.

Mrs. Leisinger comes each week to help some of us by listening to us read, and we enjoy that.

## SEC ROUND-UP:

# Novi, Milan Remain As Only Undefeated Teams in Conference

Novi went wild on Dexter, 47-12, and surprising Milan slipped past Brighton, 10-0, as Novi and Milan continue as the SEC's sole undefeated squads.

**Milan 10, Brighton 0—**  
Milan's tough defense held the Brighton Bulldogs to a tiny 80 yards of offense while offense add-

ed a nifty TD on a punt return, and put the victory away with a fourth quarter field goal.

Scoring the touchdown was Mike Love, who took a hand-off from Kevin Keefe on a punt return and ran 72 yards for the score. Adding the extra point was Greg Keilman, who also booted the final tally, a 22-yard field goal.

## Novi 47, Dexter 12—

Dexter put up a tough fight in the first half, shutting out 1973 SEC champ Wildcats in the first quarter, and allowing only two touchdowns by the half, but Novi erupted for four TDs in the third to put the victory away.

Winless Dreadnaughts chalked up their scoring late in the contest on a pair of long runs by Mark Cunningham and Bill Bernard.

## South Lyon 12, Saline 6—

"Upset" was the word over at South Lyon, as the Lions scrambled to a surprising victory over SEC favorite Saline.

Lions opened the contest with a roar, as Ray Foley launched a 85 yard touchdown pass to Dan Cheresko on the first play from scrimmage for the first scoring. Second TD came in the form of a 73-yard run with a fake punt by Foley.

Only in the final minutes of the game did Saline show any signs of life, when they scored on Doug Peck's one-yard dive.

## Chelsea 20, Lincoln 0—

First half was all the Bulldogs needed to derail the Railsplitters, as they rolled up their winning margin all before half-time.

A 53-yard first quarter drive was culminated by Todd Ortringer who brought in the points via a quarter-back sneak.

Ortringer assisted in the next Chelsea scoring, as his 35-yard pass to Jim Boyer set the stage for Doug Reed's plunge for the TD from the Lincoln four-yard line.

Adding other Chelsea scoring were Howard Salyer, who intercepted a Railsplitter pass and brought it back 41 yards to the Lincoln four-yard line, where Ron Kiel took it for the TD. Ishmael Picklesimer also added two extra points in the first half.

Lincoln was held to a total of four yards in the air.

## BUM JOKE

Stories about hoboes aren't the only bum joke floating around these days.

# Radio, Tape Deck Stolen From Truck

An AM-FM stereo radio and eight-track factory model tape player was stolen last week from a Dodge pick-up parked at Village Motor Sales for repairs.

Tom Stock, owner of Village Motors, reported the theft to Chelsea Police, and place the time of the theft some time between Friday, Sept. 27 at 5 p.m. and Saturday at 9 a.m. The tape player and radio were valued at approximately \$200.

A blunt instrument was used to break out of the left vent window of the pick-up, officers reported. The unknown subject then opened the locked door and remove the radio combination and pulled part of the dashboard apart.

Officers said that they were unable to obtain fingerprints from the vehicle, which was owned by a Pinckney man.

# Frosh Grid Team Dumps Lincoln, 36-0

Little Bulldogs rebounded in fine form from their loss last week to Saline, dumping Ypsilanti Lincoln, 36-0, Tuesday afternoon.

Although the two squads spent the early minutes of the quarter testing each other's lines, Chelsea got on the board late in the period, when Chris Smyth punted to the Lincoln five-yard line. The Railsplitters couldn't move and attempted to punt on the fourth down, but Don Harris and Vic Verchereau blocked the attempt.

On the first play, Matt Fisher covered the three yards to the end zone, and Mike Young added the extra points to make the score 8-0. From there on the game belonged to Chelsea. Scoring was rolled up by Chuck Broderick, who made a one-hand grab of a short pass from John Daniels and turned it into a 40-yard touchdown, with Steve Pennington adding extra points.

Then, after an exchange of fumbles, Mike Young made several fine runs and scored on a two-yard dive. John Daniels was good for the points after on this play, to give the Little Bulldogs a 24-0 half-time edge.

Young continued his running into the second half, when he scored a 39-yard spring. Steve Pennington finished the touchdown parade in the closing minutes of the game with a three-yard scamper.

"It's hard to single out players in a fine team effort like this," said Coach Bill Bainton of his squad's performance. "But I thought John Daniels was much improved at quarterback, and I'm pleased with the fine running we've been getting."

"And any time you get a shut-out your defense is doing a good job," he added.

Leading that defense were tackles Vic Verchereau and Bill Van Riper, and safety Jeff Powell. Jason Lindauer, Tim Welshans, and Todd Weber also stood out defensively.

Freshmen return home to meet Brighton, a team that also has defeated Lincoln, on Tuesday, Oct. 8.

## Hoist Theft Reported From Village Lot

Two new strap hoists, aluminum with red handles and green straps, were stolen from a bucket truck parked in the village garage, Chelsea Police report.

Foreman Lyle Slagel reported the theft, which occurred between Thursday, Sept. 26, at 5 p.m. and Monday, Sept. 30 at 7 a.m. The hoists were valued at \$50 and were engraved on the side with "Michigan Electric."

**JAPANESE EXPORTS RISE**  
Tokyo—Japan's exports in July totaled a record \$5.7 billion, up 69.8 percent from July, 1973, the Ministry of International Trade and Industry said in a preliminary report.

## A CROSS COUNTRY INVITATIONAL:

# 16 Minutes to Success, Or...

In cross country one of the most exciting experiences is the Invitational which is usually a modest affair involving some 20 teams in each class.

Invitationals are run on Saturday mornings and usually last about 18 minutes, but in those 18 minutes fortunes of both teams and runners are lost and won.

It all starts about 8 a.m. Saturday with seven lonely figures straggling into the high school locker room. Ten minutes later they scurry out into the morning air and board the bus for the first step in their journey.

About 9:30 the bus arrives at the invitational site.

Numerous runners dressed in brightly colored sweatsuits now are seen jogging the roads and trails surrounding the invitational course. Once off the bus the team nervously awaits the coach who is seeking out their competition numbers and a map of the course.

Once the numbers are pinned on, the seven figures disappear from sight to discover the tricks of the course. It is now about 9:50 a.m.

Shortly after 10 a.m. the team returns to begin the warm-up for the race. Anxiously they stretch and stretch, eyeing the other teams with their school names on their backs; Catholic Central, West Catholic, Sturgis, Harper Creek and numerous others.

As the hour of destiny approaches, the tension thickens in the silent morning sun.

Finally, the call comes "All Class B teams report to the starting line." Slowly the team jogs over to the start.

At the start the long line of 140 runners nervously listens to their final instructions. Finally the starter is in his position and a silent hush falls over the crowd.

The starter calls out "runners ready," he hesitates a few seconds and then fires his gun.

With the shot still ringing in their ears, the group is off for their three-mile, 16-minute, trip to rendezvous with success—or failure.

## Firemen's Ball Funds Will Also Help U-M Burn Center

Profits from this year's Firemen's Ball will provide funds not only for Chelsea's July 4 fireworks but will also assist the Burn Center in Ann Arbor in recognition of Burns awareness, says Fire Chief Jim Gaken.

The annual event is scheduled for Saturday, Oct. 5, with dancing from 9:30 to 11:30 p.m. at the Fair Service Center. Mixes and lunches will be furnished.

Tickets are available from any Chelsea fireman or by calling Chief Gaken.

Subscribe today to The Standard!

EYEBING THE OPPOSITION: Chelsea cross country captain John Storey awaits the call to the starting line.

THEY'RE OFF: Seconds after the starter's gun, the jostling pack of runners at the invitational moves out along their jaunt around the three-mile course.

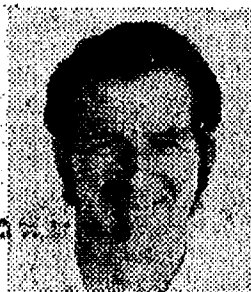

AFTER TWO MILES, the competitors, representing assorted Class B schools, are stretched into a long, snaking line over the course.

FINISH LINE IN SIGHT, Rick Haller sprints toward the end of the race—the end of a long three miles.

## Brownies Now Will Accept 6-Year-Olds

For the first time in Girl Scout history, six-year-old girls are now being admitted to membership in Brownie troops. It was announced today by Mrs. Louis (Jean) Galan, president of the Huron Valley Girl Scout Council.

By recent action of the national board of directors of Girl Scouts of the U.S.A., the 30-year traditional age span of Girl Scouting from 7 to 17 has been expanded to include six-year-olds and first graders.

"Thanks in part to their exposure to television and other media, the six-year-old girl is a far more mature young lady than her counterpart 30 years ago," Mrs. Galan said. "Today most, if not all, six-year-olds are ready to participate in group activities such as Girl Scouts."

Currently there are openings in many area Brownie troops for first graders. Persons interested in enrolling or placing their daughters' names on troop waiting lists are invited to call their local elementary school or the Huron Valley Girl Scout Council for names of nearby troop leaders. Huron Valley Brownies engage in a Girl Scout program which invites girls to try new things, to learn the beginning steps in making friends, and to discover their capacity to help others.

Currently there are 255 Brownie troops and 4,156 Brownies in the Huron Valley Council area which covers Washtenaw, Livingston, western Wayne and northern Monroe counties.

## Status of Women Hearing Slated at County Building

"A woman's place" should be an individual choice. She must strive to be an in-and-out image of her full development, without artificial barriers being placed in her way. This is what the Washtenaw County Advisory Committee on the Status of Women (WCCW) is all about.

In 1972 the County Board of Commissioners passed an enabling resolution to establish the WCCW. Purposes of the committee are to strengthen home life by directing attention to critical problems confronting women as wives, mothers, homemakers, and workers; and to recommend methods of overcoming discrimination against women in public and private employment and civil and political rights.

The women on the Advisory Committee see this Committee as a vital organ of stimulation and encouragement for all women throughout the county.

On Oct. 22 at 7:30 p.m. in the County Building in Ann Arbor, WCCW will hold a public hearing on the particular problems and barriers that working women, or women who would like to be employed, encounter. Women are encouraged to come and also to speak out on their personal experiences of the inadequate child care for working women (including lack of school lunch programs); discrimination in hiring; discrimination against pregnant women; lack of part-time employment; transportation and safety problems specific to women, and any other related testimony women feel an asset to the public hearing. The public hearing deals with

## Extension Service Plans Classes on Nutrition Labeling

Classes are offered to you, the food consumer to get "evidence" and cross examine "Nutritional Labeling" and "Eat Well for Less."

Open sessions sponsored by the Co-operative Extension Service are planned for Oct. 3 and Oct. 8 at the Pittsfield Grange Hall from 1 to 3 p.m. and at Holmes Elementary School from 7:30 to 9:30 p.m.

The Oct. 3 lesson investigates the "Nutritional Labeling" printed on food packages. You will "witness" the nutrients and why they are important, find "evidence" of information on labels, "cross examine" various products to make a menu plan.

Bring three samples of packages with nutritional labeling and price.

The question "Can We Eat Well for Less?" is scheduled for deliberation on Oct. 8.

Points to ponder for each person are: What are my food likes? How much food do I need? Am I spending more than I need? What are ways to pinch pennies, not nutrition? How can I plan low-cost economical menus?

Both classes are free and open to all interested persons. For more details call Helen Fairman, Extension Home Economist at 663-7511, Ext. 227.

## MarcyAnn Orlowski, R. Bollinger Wed Friday at St. Mary Church

MarcyAnn Orlowski and Richard Bollinger were married Friday evening in St. Mary Catholic Church in a double ring ceremony performed by the Rev. Francis B. Wahowiak.

Parents of the couple are Mr. and Mrs. Edward Orlowski and Mr. and Mrs. Paul L. Bollinger. For the ceremony, the bride wore her mother's gown of slipper satin, fashioned with a wide, tucked V-shaped collar trimmed with beading and skirt with front pleat that extended into a cathedral-length train. Brussels and alençon laces scattered with pearls formed the mantilla style veil and train worn with the gown. She carried a cascade of Fuji mums, roses, stephanotis, and ivy.

The bride chose her sister, Constance Tryand, to act as her matron of honor. She wore a sepi-fitted, slightly flared halter dress with an empire waistline, made of crepe-backed satin in green with white polka dots. A short lace-trimmed jacket with long puffed sleeves in solid green satin completed the gown. Forming her headpiece was a halo of fresh roses and daisies, and she carried a basket of Fuji mums, roses, and daisies.

Acting as bridesmaids were Deborah Orlowski and Roxanne Orlowski, both sisters of the bride, and Diane Koenig, who appeared in gowns and carried flowers.

Americans are giving the Europeans stiff competition as cheese lovers. Recent USDA reports indicate American cheese production in May broke all records, according to Marketing officials of the Michigan Department of Agriculture. Cheese imports increased 330 percent from last year during the first quarter, with 100 million pounds of cheddar imported.

Strong consumer demand for cheese caused many U.S. plants to increase their production capacity and with greater foreign cheese imports, the results were declining cheese prices for consumers.

MDA Marketing officials say Michigan has 15 cheese plants scattered throughout the state. A variety of cheeses are made in commercial quantities, with greatest production in Arenac, Clare, Wenominee and Wexford counties.

Just what are Americans doing with all that cheese? Cheese and wine-tasting parties are the curricular and cheeses make an attractive appetizer tray. Cheeses with apples, pears, grapes or other fruits make delicious dessert trays.

Nutritionally, cheese is a high protein food. It's great for snacks and sandwiches. Shop on the way to the park or football stadium for a variety of cheeses, breads, beverages. Presto, you have the makings of an instant picnic.

Need some tips to assist you in buying cheeses? MDA Marketing officials say natural cheese is made directly from milk. Process cheese is a blend of natural cheeses which have been shredded, mixed, and heated. This cheese may contain pimentos, fruits, vegetables, or meats.

If the labels say "process cheese food," other ingredients such as non-fat dry milk have been mixed into the product. Process cheese spread has a higher moisture content and lower milk fat content than process cheese and cheese food. It's more spreadable.

## National 4-H Week Being Observed By Local Clubs

All 4-H club members in the Dexter area are celebrating National 4-H Week from Oct. 6 to 12.

4-H is a step in the right direction, and there are so many directions offered in 4-H. If you like cooking, sewing, leathercraft, woodcraft, arts, insect collecting, rock collecting, rocketry, and animals, to name a few, and if you like field trips, or getting to meet new people, or a chance to show off something you've made, or just happy to learn a new craft—then there is a place for you in 4-H.

There are two achievements, where the members show their completed projects to be judged. One is held in the spring and the other is held in the summer.

Also, there are two Exploration Days. One is held at Eastern Michigan University and the other at Michigan State University. Exploration Days offer the members a chance to learn more about the projects they are interested in.

These are only a few of the things offered to a 4-H member. 4-H can make it happen for you. Leaders urge prospective members to join a 4-H club today and be-

come a creative and productive citizen. More information may be obtained by calling Mrs. Shirley Schenck, 428-4164, or call the County 4-H Office at 663-7511, extension 227, and ask for Marty or Wendy.

## JC Chicken Barbecue Set for Oct. 13

Chicken and leaves? Although the combination sounds none too appetizing, the fact remains that Chelsea Jaycees have been combining the two in their fall chicken barbecue and color tours for 13 years, and this year's edition, scheduled for Sunday, Oct. 13, projected will again prove the success of their recipe.

Without a colonel in sight, a total of 1,500 finger-licking good chicken dinners will be served up by master chefs Hank Orbring, Jim Gaken, and Joe Deering at the barbecue site at M-52 and Old U.S. 12.

Dinners, priced at \$2.25 each, will include dinner rolls, potato chips, cole slaw, and table service, and will be served boxed, to enable potential color-tourers to take their food along while touring.

Jaycees will distribute maps and poster routes of the Pinckney Recreation Areas that highlight local autumn colors. Chairmen of the events, Dick Cail and Mitch Zink, also note that the maps may be saved until the colors are at their peak.

For those not up for adventuring off into nature's autumn show, Jaycees will set up chairs and tables near the 75-foot concrete block pit where the chickens will cook to crispy goodness.

This barbecue is the local Jaycees' largest money-making event, and supports many of the community service projects that the chapter conducts.

In the event that any chickens are left over, Jaycees will donate them to St. Louis School, as they have in the past.

**Michael Lehmann Earns WMU Degree**

Michael Lehmann of Chelsea recently received his bachelor of science degree from Western Michigan University in summer commencement ceremonies at Waldo Stadium on the campus.

## Help Sought For Victims Of Hurricane

Spanish classes at Chelsea High school and Beach Middle school are attempting to bring the horrors of Hurricane Fifi within reach of helping hands from Chelsea by organizing a community-wide assistance drive.

Local residents may donate needed items of canned foods, lightweight clothing, shoes, and bedding at North and South Elementary schools, Beach Middle school, and Chelsea High school on Friday, Oct. 4, between 8 a.m. and 3 p.m., or at Gambles Store or the Fire Department Hall Saturday, Oct. 5, from 9 a.m. to 3 p.m. Monetary

contributions will be accepted on Sunday, Oct. 6, at local churches until 1 p.m.

Prompted by interest in Latin America, Spanish students and their teachers, Mrs. Nancy Gilbreath and Mrs. Rosalie Wotila, have organized this drive in conjunction with the Honduran Relief Mission.

Goods collected will be taken to the VFW Home, 314 E. Liberty, Ann Arbor, by Chelsea High School students. Eastern Airlines will ship the provisions to Miami, and Honduran Airlines will then transport them to Honduras.

Hurricane Fifi is considered the third worst disaster in modern history, having left more than 7,000 dead and 50,000 homeless in Honduras. The Honduran banana crop, on which the entire economy of the country depends, was destroyed.

## 'Pioneer Day' Slated Sunday At Waterloo Farm Museum

Pioneer Day at the Waterloo Farm Museum this year may not seem quite so foreign to today's household, in light of the trend of returning to canning, preserving, and freezing, as it might have to households only a few years ago. Visitors at this year's Pioneer Day at the Farm Museum sponsored by the Waterloo Historical Society, will be treated to demonstrations of combing and spinning wool, weaving cloth on a loom, baking bread and molasses cookies, making butter, and even making soap.

PIONEER DAY at the Waterloo Farm Museum is scheduled for Sunday, Oct. 13, from 1 to 5 p.m. Visitors will be treated to the pioneer way of doing things through a series of demonstrations available all day. Above is a view of the pantry, where food was prepared before taking it out to be baked in the bake-house. Pioneer Day is sponsored by the Waterloo Historical Society.

Practically all of the old crafts popular in great-grandmother's time, including rug-hooking, chair caning and rushing, wood carving, quilt making, and broom making will also be demonstrated. For the more mechanically-minded, the Farm Museum boasts a small engine display, as well as a great grandfather's work shop, where he kept his tools and had a forge, to keep his tools in good repair and his horses well-shod at all times. Also to be featured at the Farm Museum for the Pioneer Day will be the ever-popular wagon rides provided by Bill Landis of Gregory and his pair of matched Belgian horses. To be sold are dried flowers for fall arrangements, farm produce, gift items from the Farm Museum shop, and cider and donuts. The Farm Museum, located at 9998 Waterloo-Munith Rd., will be open Sunday, Oct. 13, from 1 to 5 p.m.

I REMEMBER THE GOOD OLD DAYS

From John Belcher, Honolulu, Hawaii: I remember the Presidential campaign of 1936. All the new dealers were sure they couldn't do business with Big Business. The campaign was fought over the New Deal concept of government.

The Democrats renominated President FDR and Vice-President Garner. In Cleveland the Republicans nominated Al Landon from Kansas. His running-mate was Frank Knox of Illinois.

New Deal policies were working against economic recovery—or so the Republicans claimed. They were putting government too much into private business. The dollar was being devalued too much, labor unions represented "creeping socialism," and the thirty billion dollar national debt—were other issues raised by Landon and Knox.

At the end of a really bitter campaign the President called his opponents "economic royalists." Landon fooled by admitting that New Deal labor policies had some merit. The Democrats carried every state but Maine and Vermont. Thus, Roosevelt stayed in power.

## Girls Cage Team Loses To Tecumseh

Chelsea's varsity girls basketball squad has absorbed a pair of defeat in the past two weeks, one quite a bit more excruciating than the other.

Last Thursday, the team was devastated by Tecumseh, 81-8, in a game that saw three opposition players score in double figures—J. Murphy (11), S. Brown (12), and J. Anderson (11).

"I have never seen such an outstanding high school basketball team," Coach Cheryl Turner said after the game. They are extremely skilled and well-disciplined in all aspects of the game.

On Chelsea's side, Coach Turner noted that several players put out "excellent efforts, but were unable to stop Tecumseh's powerhouse."

Wendy Osinski led Chelsea scoring with three points. Single baskets were also scored by Kathy Kuhl and Mollen King.

In Sept. 18's loss to Manchester, Chelsea women had trouble putting together a successful offense and were plagued by costly violations and poor passing. Final score was Manchester 43, Chelsea 20.

First-quarter Chelsea baskets were hard to come by, but Coach Turner noted that the team's scoring improved as the game progressed.

Kathy Kuhl led Chelsea scorers with nine points, followed by Sue Schulz, Teri Lutovsky, Karen Bassett, and Karen Roskowski with two each.

Prior to Tuesday night's encounter with Saline, the squad's first league game, the varsity record stood at 1-2.

## Terrarium Instruction Offered at Hospital

A demonstration of method of making terrariums will be conducted next Tuesday at 8 p.m. at Chelsea Community Hospital dining room by Tom Thompson of The Petal Shop in Ann Arbor.

Patients will make their own terrariums under Thompson's instruction and supervision. The community is welcome to attend and observe.

AREA MUSICIANS included among the members of the Eastern Michigan University Marching Impola, daughter of Mrs. Eva Elkins of 519 Huron Band are Lee Ferguson, son of Lee Ferguson, and Crystal Howard, Chelsea.

## Windy Weather Again Hampers Trap Shooters

Sunday's Chelsea Rod and Gun trap shoot was once again hampered by very windy weather that prompted only seven shooters to venture out to the trap.

High scorers for the afternoon were Jess Marshall and Mel Stephens, who both recorded 22 out of a possible 25.

The windy weather also hampered the hunter safety students, who did not shoot this Sunday afternoon.

For next Sunday's trap shoot, the club will begin offering prizes for winners, including thermos bottles, gun cleaning kits, flashlights with batteries, and gun racks. Time for the trap shoot is 9 a.m. to 1 p.m. Sundays.

## CHELSEA VILLAGE COUNCIL PROCEEDINGS

Regular Session.

October 1, 1974  
Present: President Pennington, Clerk Neumeyer, Administrator Weber.

Trustees: Borton, Gorton, Johnson, Dmoch, Galbraith and Wood. Others Present: Judson Goltra, Police Chief Meranuck, Richard Harvey, Fremont Boyer, Jim Finch, Clark Bushnell, Planning Commission Representative, Bill Coltre, Mac Packard, Don Thompson, Jim Grau, and Marion Longworth.

The minutes of the Zoning Board of Appeals meeting of September 17, 1974 were read and approved. The minutes of the regular session of September 17, 1974 were read and approved.

Chief Meranuck reported on the request of Borton to check into the traffic on Jackson Street around the railroad depot. He suggested a yield sign on one side and a clearance sign for the building's overhang. He will look into it further and make a firm recommendation.

Chief Meranuck submitted a work summary report of the Chelsea Police Department for the month of September, 1974.

A letter from Mr. and Mrs. Richard Slater was read by Dmoch, commending Officer Jerry Ringe for his actions surrounding an accident in which his son was involved.

Don Thompson requested a letter of recommendation on behalf of his business. The Police Department will be responsible for this letter.

Motion by Wood, supported by Borton, to approve a request from the Department of Commerce from Greenleaf Recreational Enterprises, Inc., for the transfer of ownership of 1974 Class C and SDM Licensed Business located at 1108 M-52, Chelsea Lanes, Inc., and for a new dance permit. Approval forwarded to Liquor Control Commission. Roll call: Yeas all. Motion carried.

Discussion by Administrator Weber and Washtenaw County Veterans Council concerning the Veterans Day Parade scheduled for 7:00 p.m. November 11, 1974. Motion by Johnson, supported by Gorton, to have Veterans Day Parade proceed as scheduled. Roll call: Yeas—Borton, Johnson, Gorton, Dmoch, and Galbraith. Nays—Wood. Motion carried.

Jim Grau reported that the sewer trunkline is in use up to Bushnell Apartments. He also reported that the Backwash Water Lagoon is proceeding well and is almost complete.

Motion by Gorton, supported by Johnson, to approve payment No. 9 to Mayo Company in the amount of \$4,401.00 from the Sewer Trunk Expansion Fund for work done on Section A, Trunk Sanitary Sewers during the month of September, 1974. This reflects a \$1.00 per foot payment withheld from previous months for testing. Roll call: Yeas all. Motion carried.

Motion by Galbraith, supported by Wood, to approve payment No. 1 to D. W. Spangler Excavating in the amount of \$3,842.63 for work done on the Backwash Water Lagoon during the month of September, 1974. Roll call: Yeas all. Motion carried.

Motion by Johnson, supported by Borton, to approve payment No. 1 to Ann Arbor Construction Company in the amount of \$18,323.77 from the Local Street Fund and \$7,124.17 from the Major Street and Trunkline Fund for work done on the 1974 Street Construction Program during the month of September, 1974. Roll call: Yeas all. Motion carried.

A letter was received from the Department of State Highways regarding the request for a traffic light at the intersection of Old U. S. 12 and M-52. There is not a sufficient amount of traffic to warrant a signal light. The Department made some suggestions for the reconstruction of that intersection which would have to be completed before a traffic light was installed anyway. Administrator Weber was instructed to correspond with them and pursue the matter.

Borton reported regarding the new electric rate structure and proposed rates. Discussion followed and tentative approval was given. Formal consideration will be given at the next scheduled meeting.

Johnson reported that the Recreation Council elected new officers at the last scheduled meeting. They are as follows: president, Harold Dresch; vice-president, Dave Lukasiak; secretary, Jerry Ringe; and treasurer, Ann Schaffner.

Gorton reported on the new State Building Code. Discussion followed between Administrator Weber and Richard Harvey and the Council. Passage of an ordinance to comply would create some licensing and inspection problems. The committee will have a final resolution for consideration by the Council at the next regular session.

Motion by Dmoch, supported by Wood, to move \$2,000.00 from the Contingency Fund to the Planning Fund. Roll call: Yeas all. Motion carried.

Motion by Borton, supported by Dmoch, to authorize payment of bills as submitted. Roll call: Yeas all. Motion carried.

Motion by Gorton, supported by Galbraith, to adjourn. Roll call: Yeas all. Motion carried. Meeting adjourned.

Thomas Neumeyer, Clerk.

## JV Girls Cage Team Loses Two

Chelsea's junior varsity girls basketball squad dropped a pair of tough contests in the past two weeks, to Manchester, 38-32, and Tecumseh, 43-19.

In last Thursday's Tecumseh contest, JV was host to a well-disciplined squad who controlled the ball very well for a junior varsity and effectively stopped Chelsea players from scoring inside.

Theresa Breza's outside shooting gave Chelsea six points for the high scoring effort.

"In spite of trailing the entire game," Coach Cindy Bradbury said, "the girls played hard, and feel they played a better game than in Manchester."

Against Manchester, despite recording a pair of scoring records, Chelsea found themselves against a taller and faster team who committed fewer errors and edged them out by a tight six points.

JV players set a team scoring record with their 32 points, and Penny Collinsworth set a new Chelsea individual scoring record with her game total of 14 points.

"I am pleased with their improved scoring," Coach Bradbury said, "and they discovered that offense is only half of the game."

Chelsea's girls JV posted a 1-2 season record prior to their conference opener Tuesday night with Saline.
