

# Richard Green Family Held as Hostages By Bank Robbers

In an incident that holds a gripping reality for local residents valuing their safety and distance from crime-ridden cities, a Grass Lake family of four was held captive overnight last Wednesday in their Sylvan Rd. home until morning, when the husband was forced to rob his

own bank of an estimated \$35,000 to ransom his wife and children.

Four masked gunmen forced their way into the home of Richard Green, 33, at 9 p.m. Wednesday evening, and bound him, his wife, Bernadette (Bunny) and their two children, Eric, 7,

and Annette, 9, and held them in the basement of the home at 4104 Sylvan Rd.

During their evening in the Green home, the four men thoroughly ransacked the residence, breaking several articles of furniture and spreading clothing and assorted identification

cards belonging to Green throughout the household.

Early Thursday morning, a pair of the men drove Green to the Ypsilanti Savings Bank branch at Huron and Michigan, which he manages, instructing him to remove money from the bank vault and drop it under

a tree in the yard of the L. C. Perry Elementary school, some two miles away. Mrs. Green and the two children, meanwhile, were driven to a Howard Johnson Motel at Carpenter and Washtenaw Rds., east of Ann Arbor.

At the bank, Green instructed

the first teller who arrived to empty the vault, deposited the money at the school yard, and returned and called bank president Clarence Utley, who in turn, called police.

Mrs. Green and the children were released unharmed, and the family has since left the area for a vacation.

Police continue to seek suspects in the case and have reportedly questioned a number of people, although initial reports from law enforcement agencies seem to indicate a good deal of internal strife surrounding the case.

Washtenaw County Sheriff Fred

Postill said shortly after reports of the case emerged that "all I know is what I read in the Ypsilanti Press," and The Michigan Daily carried reports Saturday of a rift between the FBI and the Sheriff's Department, which felt that it had been intentionally "kept in the dark."

## Bulldog Offense Scores 27 To Down Brighton

Chelsea displayed an improved offensive attack and fell victim to fewer yards in penalties than previous contests—only 40 total—in a resounding defeat of Brighton's Bulldogs, 27-0.

The victory launched the local Bulldogs into a three-way tie for third place behind Novi and South Lyon with an all-even 2-2 record.

Chelsea opened the game by taking the kick-off and moving to a pair of first downs before punting to Brighton to their own eight-yard line.

Brighton attempted to pass on the first play, but a good rush by Ron Kiel and Dennis Bauer forced a quick pass, which Paul Wood picked off and raced into the end zone for a TD. Ishmael Picklesimer kicked his first of three extra points.

Chelsea's next offensive outburst, after holding Brighton, came when Ron Kiel scored from two yards but after a 49-yard drive in 11 plays that featured Tim Reed, Doug Reed, and Todd Orbring running the ball behind the blocking of Jack Hackworth, Terry Ellenwood, Mark Pennington, Dennis Bauer, and Don Sullivan.

Both teams settled down to defensive games in the second quarter, until Randy Guenther arched a 29-yard TD pass to junior Joel Sprague with less than one minute remaining before the half. The Guenther toss capped a 79-yard drive that put Chelsea ahead, 20-0, at half-time.

Rex Miles kicked off for Chelsea to open the second half, booting deep into Brighton territory, where Chelsea's defensemen halted the other Bulldogs on their own 11-yard line.

Two plays later, Mark Pennington tackled Brighton's quarterback, causing a fumble, and Ron Kiel fell on the ball. Randy Guenther then faded back to pass, found a big hole and ran in himself from the 10-yard line for the fourth Chelsea TD.

Chelsea's 27-0 lead held up through the rest of the third and fourth quarters, when Coach Phil Bareis substituted his reserves to gain game experience.

Good defensive play was cited by Jack Hackworth, Mark Pennington, Jim Boyer, Howard Salyer, Mark Burnett, Jim Marshall, Roger Stewart, and Jerry Milliken.

Chelsea rushed for 197 yards from 11 different ball carriers. Doug Reed topped carriers with 46 yards in eight attempts.

Chelsea passing was four for eight, for 50 yards and one touchdown.

Tomorrow (Friday) Bulldogs will entertain second-place South Lyon in their homecoming game.

## United Way Campaign Going Well

With Chelsea's United Way drive in full swing, campaign chairman Mrs. Pat Borders reports that "Things look pretty good—the funds are starting to come in, and everyone is working really hard."

Collected thus far, says Mrs. Borders, is a total of approximately: \$3,300. Professional workers have turned in \$725; residential, \$140; rural workers under Mrs. Beulah Kleis, \$119; rural workers under Mrs. Robert Musolf, \$169; rural workers under Mrs. Marilyn Chasteen, \$95; rural workers under Mrs. Donald Hanson, \$323; commercial \$1,315; and schools, \$112. Mrs. Borders has also received \$80 in the mail from area people who were not contacted in person but received mail-in envelopes for the drive.

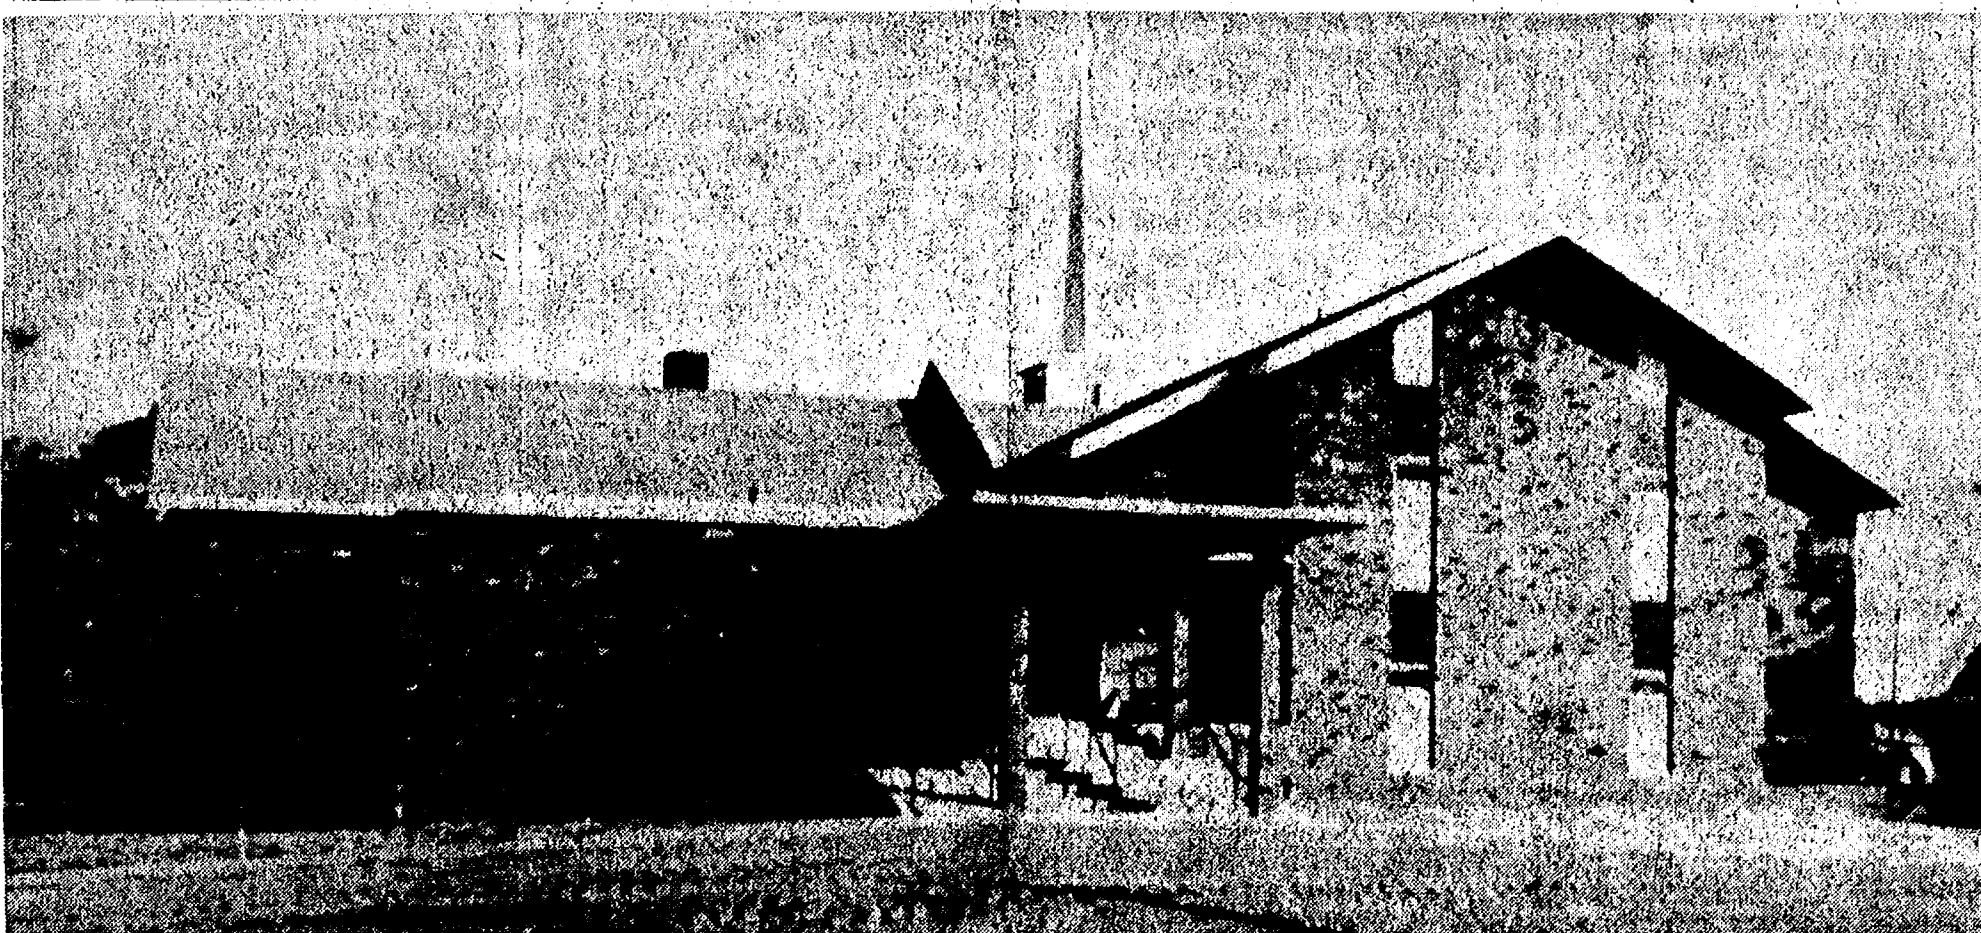

Local goal for United Way this year is \$29,994.

## Girls Cage Teams Both Defeat Dexter

FRONT ENTRANCE of the new Zion Lutheran church building will be the scene of dedication ceremonies Sunday, conducted by Pastor John Morris of the church and various other church notables. Designed by Hahn & Hayes, Architects and Engineers

of Toledo, O., the new building will contain approximately 7,000 square feet of space to provide for the functions of the church including Sunday school, worship services, meetings, fellowship, and community center.

BACK VIEW of the newly-completed church building at Zion Lutheran church, facing Fletcher Rd., shows the former parish hall at right, which has been joined to the new building. Dedication ceremonies for the new church, which replaces the 107-year-old structure where the Zion congregation has worshipped all their lives, will be conducted Sunday.

tion ceremonies for the new church, which replaces the 107-year-old structure where the Zion congregation has worshipped all their lives, will be conducted Sunday.

## Zion Lutheran Will Dedicate New Church

Sunday morning at Zion Lutheran church, a 107-year-old tradition will end—and a new one will begin.

Sunday is Dedication Day for Zion Lutheran's new church building, which has already been the center of attention for one ceremony, the cornerstone-laying in mid-June of this year.

Dedication activities will begin at 10:15 a.m. with a final festival Worship Service in the old church building by the Rev. Theodore Brueckner, Assistant to the Bishop, North Pacific District of the American Lutheran Church. Fittingly, the Rev. Brueckner is a son of the Zion congregation, whose father, Pastor M. W. Brueckner, served the congregation from 1926 through 1954. Pastor John R. Morris will serve as liturgist at this service.

At 3 p.m. Sunday afternoon, Pastor Morris will conduct a dedicatory rite at the door of the new church. Preaching will be Dr. Robert L. Wietelman, Bishop of the Michigan District of the American Lutheran Church, with the Rev. Robert C. Kaiser, pastor of Epiphany Lutheran church in Toledo, O., a former pastor of Zion, as lector. Pastor Morris will again serve as liturgist.

Following dedication ceremonies, the congregation has planned a special open house in the new church building, which will allow all to view the new church and educational unit, which boast a nave that seats 280 and a total area of approximately 7,000 square feet. A special service of praise and thanksgiving will be conducted at 7:30 p.m. by Pastor Morris, with the Rev. Donald C. Baacke as liturgist.

Designed by Hahn & Hayes, Architects and Engineers of Toledo, O., the new building will serve the numerous functions of the church, including Sunday school, worship services, meetings, fellowship, and community center.

The existing parish hall has been altered to conform to the design of the new church, and its interior large room has been altered to provide for eight class rooms and some mechanical areas.

Building committee for the church is headed by Alton Horning, chairman, John Savage, vice-chairman, and Barbara J. Wenk, secretary. Members include Phil Bareis, Arlene Grau, Earl Heller, Steve Pawlowski, Georg Prinzling, Norman Wenk, and Don Schoenberg.

## JV Gridders Down Brighton To Top League

In a major JV offensive battle, between the two league leaders, Chelsea's Bulldogs and Brighton's Bulldogs, Chelsea could not stop Brighton's passing, but Brighton, in turn, could not stop Chelsea rushing. Chelsea's triumphed in the end, 36-26, to remain undefeated at the top of the Southeastern Conference.

Brighton opened the contest looking tough, as they passed their way down the field from the opening kick-off and eventually scored to put the tally at 6-0.

Chelsea returned in similar form, taking the kick-off and driving 75 yards in 11 plays, with Tony Robards going over for the TD, then adding the extra points.

Brighton again passed their way into touchdown territory, but once again without the extra points, to close the first quarter on top at 12-8.

Local Bulldogs opened the second period by driving 65 yards in 12 plays, culminated by Anthony Houle's 20-yard TD run. Tony Robards again added the extra points to boost Chelsea to 16-12.

Anthony Houle then halted a Brighton drive, with a pass interception in the end zone, but Chelsea was similarly stopped in its own drive by a 15-yard penalty. Brighton then completed a 30-yard

## Prizes Offered In Halloween Poster Contest

Kindergarten through eighth graders are once again eligible to enter this year's version of Chelsea Recreation Council's Halloween poster and picture contest, says Recreation Director Tom Ballistrere.

Prizes for the top picture by both a boy and a girl in each age group will be \$5, Ballistrere said. Entries should deal with a Halloween theme and may be submitted to art teachers in all schools.

## Homecoming Festivities Include Queen Contest, Spirit Week Stunts

A change from decorating halls to decorating themselves is the main alteration in this year's Spirit Week festivities that precede Chelsea's homecoming game Friday against second-place South Lyon.

Daytime dressing-up activities have thus far included Crazy Day, Tuesday, when anything mismatched went together; Dress Down Day, Wednesday, when the absolutely sloppiest was the order

of the day; Fabulous Fifties Day, Thursday, Chelsea High school's version of white-sox-and-saddle-shoes nostalgia fixation, and all that goes with it; and Blue and Gold Day, Friday, when students and teachers, hopefully, are expected to flaunt the school colors in all their glory.

Night-time activities have ranged in foolishness from Volkswagen stuffing to tricycle racing to the all-important powderpuff football games.

Tuesday night classes turned out to try their hands at the time-honored sport of stuffing each other into VWs. Class that earns the right to say it "stuffed" the most will earn points for ranking during Spirit Week.

Wednesday night, classes reverted to their undoubtedly expert talents at tricycle riding in races. Winners also garnered points for their classes in this event.

Also Wednesday, powderpuff football preliminaries were scheduled—pitting seniors against freshmen and juniors against sophomores.

All week, high school students have been voting for the most worthwhile pair of legs by depositing money in canisters that bear pictures of the legs entered in the contest, all of which belong to men students. Money collected from the "leg contest" will be added to the \$80 prize that goes to the class rolling up the most points during Spirit Week.

Again tomorrow morning (Friday), an all-school pep rally is planned, with each class responsible for a skit to be presented at the rally. Homecoming queen candidates will be introduced and introduced.

(Continued on page six)

## Cross Country Competition Has Improved

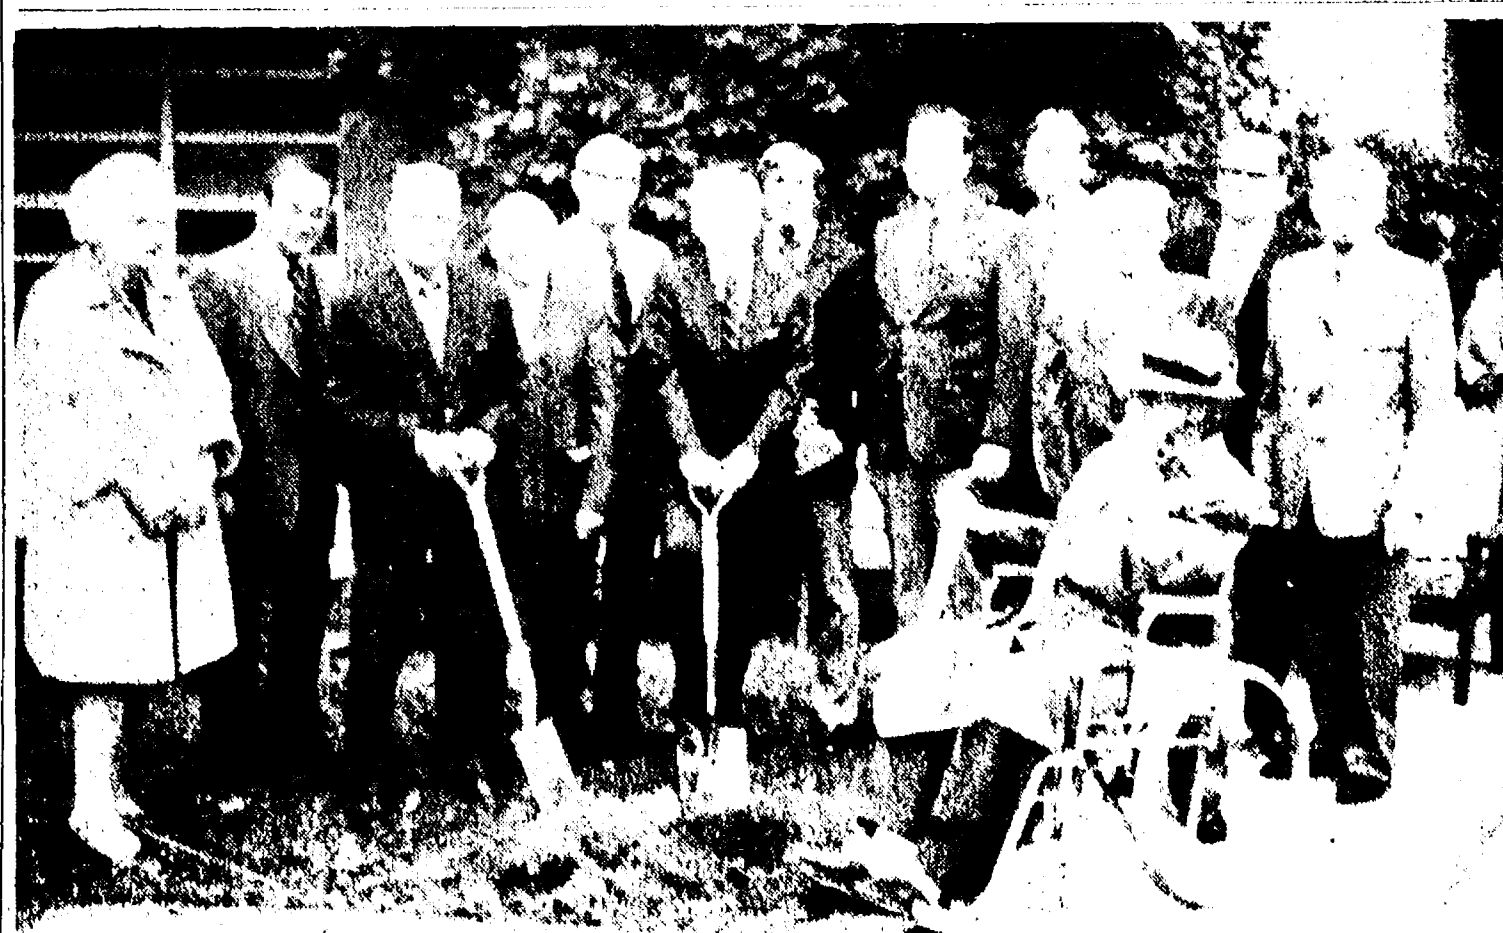

Although Chelsea harriers continue to set course and personal records weekly, opponents continue to field "just super individuals," according to Coach Pat Clarke.

"If this team we have now ran against the team we had last year (1973 Southeastern Conference champions), this team would win," Clarke said. "We're definitely stronger than last year."

## Uncle Lew from Lima Says:

The fellers was general agreed after the discussion at the country store Saturday night that they know a lot about wimmen, but they don't know nothing fer shore. Wimmen, allowed Bug Hookum, is as changeable as HEW guidelines.

What got em on the subject was Bug's report that wimmen in this country seem to be getting powerful trigger happy. Bug said it looked to him like more wimmen than ever is doing in their menfolk. He said he read one piece where a wife up in Maine shot her husband and told the judge she did it to help him out of his financial troubles. Another wife in Florida explained she shot her old man in the leg cause she loved him so much. He was lucky she didn't

love him enough to aim between the eyes, was Bug's words.

And they ain't no way fer a man to turn down all this help and acts of love. Zeke Grubb said, he saw by the paper where this feller was in court fer assailing his wife. He told the judge he never give her a spanking unless she needed it. The judge ruled that no wife ought to be spanked that much, and he put the husband away fer three months.

A feller can't please his old lady, said Clem Webster, and furthermore she can't satisfy herself. She'll make up her mind and her face four times a day, and she don't want to be confused with facts. She don't understand that she is overdrawed at the bank, the way she sees it her husband is underdeposited. And she's got the law on her side, Clem said. He said he saw where this 21-year-old gal in New York City was training to be a prize fighter, and she's already got the rules fixed so when she boxes they can't be no punches below the belt or between the belt and the neck. And what man would try to hit a woman in the nose, Clem asked.

Practical speaking, Ed Doolittle said, he allus had heard that a feller that can keep up a car, a flashlight and a cigaret lighter probable is in a high enough income bracket to keep up a wife, if he gets rid of his car, his flashlight and his cigaret lighter. But he ain't likely to support her in the manner she had expected, Ed said, so she goes out and gets a job and he eats cold beans fer supper that he could of eat without her. And if he complains about that arrangement, she shoots him to help his financial affairs.

Actual, declared Ed, a man dealing with wimmen is up against a stacked deck. He expects to lose cause he don't know the rules and he loses. He's like the feller that quit smoking and took up chewing toothpicks. He got to feeling poorly and went fer a checkup. The doctor told him to go back to cigars cause the toothpicks had give him dutch elm disease. Men usual find that their solution to wimmen problems is worst than the problems.

Personal, Mister Editor, I know the fellers ain't talking serious when they give wimmen a bad mouth. They jest let off steam now and agin when they're well out of earshot of their old ladies.

Yours truly,  
 Uncle Lew.

### Interest for Renters

Renters want to get back your security deposit, and interest too when you move.

That's just what a recently proposed bill would offer.

A law already on the books protects tenants from unscrupulous landlords, and vice versa.

But Sen. William Faust, D-Westland, wants to take that one step more.

"Because of today's high interest rates, landlords have been reaping large profits from the interest earned by their tenants' deposits," says Faust.

"Our laws must insure that those profits are returned to their rightful owners, the consumers."

He suggests that interest be paid annually to the tenant, paid with the return of the tenant's security deposit, or credited toward payment of rent.

### Bond Briefings Stated

If you're curious about what the proposed \$1.1 billion transportation bond program would mean to you and your area of the state, the Highway Commission may be able to help.

"Proposals B," which will appear on the November ballot, will be the topic of several public information briefings throughout Michigan.

Briefings are scheduled for: Saginaw, City Hall, 1:30 p.m., Oct. 4; Battle Creek Chamber of Commerce Hall, 3 p.m., Oct. 21; Muskegon County Building, 7:30 p.m., Oct. 23; Ann Arbor City Hall, 9:30 a.m., and Jackson City Hall, 2:30 p.m., Oct. 24; Detroit

City-County Building, Common Council Chambers, 10:30 a.m., Oct. 25; Lansing, State Highway Building, 10 a.m., Oct. 29; and Mount Clemens Activity Center, 10:30 a.m., Oct. 30.

They've already been held in Marquette, Iron Mountain, Traverse City, Cadillac, Grand Rapids, Benton Harbor and Kalamazoo. (Last two Oct. 10, Benton Harbor Ramada Inn, 9:30 a.m. and Kalamazoo Holiday Inn, 2 p.m.)

The bond program, touted during the current political campaign by Gov. William Milliken, could, according to backers, secure a \$6.25 billion total program with federal and local funds.

Supporters say also that approval of the bond program could create some 10,000 jobs over the proposed 15-year construction phase.

### Another "Super Idea"

A sort of "super protection agency" is being proposed for Michigan.

Republican Rep. Michael Dively of Traverse City wants the state police and corrections departments combined with agencies dealing with law enforcement to form a Department of Public Protection.

"Such a department would be responsible for the protection of Michigan's citizens and their property from crimes, as well as consumer protection and highway and traffic safety protection," Dively suggests.

This concept, he says, already is at work in Illinois, California,

Florida, Maryland, Massachusetts and Kentucky.

Dively leaves the legislature at the end of the year after deciding not to attempt a re-election bid. And he says he doesn't expect his bill to win approval during the current year.

But, he says, introduction of the bill at this time will give lawmakers a chance to think about the idea, and he's confident the bill will gain enough support so that it will be reintroduced during the next legislative session.

## SEC ROUND-UP:

# Novi Dashes Saline Title Hopes As South Lyon Dumps Milan

League-leading Novi retained its undefeated SEC record Friday with a 12-7 edging of title-hopeful Saline, while South Lyon dumped Milan to move into sole possession of second place behind the Wildcats.

### Novi 12, Saline 7—

Although Novi trailed Saline, 7-6, at one point in the first half, Wildcat Bill Barr came back before half-time with his second touchdown run of the night to put the league-leaders ahead to stay, 12-7.

Although docile in the third quarter, Hornets returned with renewed vigor in the final period launching a series of scoring attempts that fell just short of TD material:

—a 78-yard punt return to the interception of a Hornet pass in the end zone.

—after a 22-yard fourth- and-12 run to Novi's five-yard line, Wildcat defense held firm, halting Saline finally at the one.

—a final Hornet charge deep into Wildcat territory was halted by another interception.

### South Lyon 27, Milan 10—

South Lyon's Lions moved into sole control of second place in the SEC, as they downed sometime-contender Milan in a contest that featured the Lion offensive line as the game attraction.

Scoring for South Lyon were Ken Givens, who recorded a pair of touchdowns on runs of eight and two yards and three points after; Steve Gurney, who hit paydirt on a 19-yard scramble; and Dan Gelse, who went in from the four.

### Chelsea 27, Brighton 0—

Chelsea defense held firm against the other set of Bulldogs to keep them in a three-way tie for third place, while Brighton fell into a tie for last with Dexter and Lincoln.

Scoring for Chelsea were Paul Wood, who returned 17 yards for a TD on an interception; Ron Kiel, who went into the end zone on a two-yard dive; Joel Sprague, who grabbed a 29-yard Randy Guenther pass to score shortly before half-time; Guenther, who ran in 10 yards on his own in the third quarter; and Ishmael Picklesimer, who kicked three extra points.

### Lincoln 49, Dexter 12—

Dreadnaughts had big plans for their homecoming, after recording their first victory in more than two years last week, but Lincoln failed to comply, rolling up some exciting play of their own.

Going into Dexter with a perfect 0-3 record, Railsplitters were led by Brian Polzin, who launched touchdown passes of three and 16 yards and ran a 12-yard number himself.

Other Railsplitters who rolled up points were Chris Amis, Al Wesley, Jim Smith, and Earl Cannon, who all went in for TDs. Tim Hess, who kicked five extra points, and Don Guenther, who scored a two-pointer on a pass from George Czinski.

## Historical Society Being Organized

Some 20 local people turned out for a "pre-organizational" meeting Monday night of the Chelsea Historical Society, reports temporary chairman Diane Borton.

Next meeting of the club, on Monday, Nov. 11, will be a significant one that all interested should attend, Mrs. Borton, says. The group will decide on a statement of purpose, constitution and by-laws and a slate of officers will be presented.

Future meetings will be held the second Monday of each month at 8 p.m. in the Woman's Club room at McKune Memorial Library.

For information or inclusion on the mailing list, contact Mrs. Borton.

## President's Son Answers Request For Interview

Local writer Lorella Rouser, who wrote to Michael Ford, the President's son, requesting an interview, has received a lengthy reply.

"When I heard about his mother's illness, I felt my chance of obtaining an interview plummet from little to zero. I never expected a reply!"

Mrs. Rouser reported that young Ford listed his primary responsibilities at present as "building a Christian home with my new bride, closely supporting my family in their new and demanding role, pursuing a theological education, contributing as an active member of my local church family, and maintaining and cultivating those personal relationships to which God has called me."

The letter added, "I appreciate your Christian witness in the area of Christian journalism and I pray God's rich blessings on your work," and was signed, "Faithfully in Christ, Mike Ford."

## Jehovah's Witnesses Prepare for Visit By Circuit Overseer

Walter Rice, presiding minister of the Chelsea Congregation of Jehovah's Witnesses, announced the semi-annual visit of the circuit overseer, Darrell Holman, during the week of Oct. 22-27.

On Wednesday through Sunday part of each day will be devoted to field missionary service. Holman will join ministers from the local congregation in making calls on residents in the community. This is part of the regular door-to-door ministry and training program of Jehovah's Witnesses.

The Saturday evening program begins at 7:30 p.m. with a Bible question period "New Things Learned," which consists of audience participation. A 30-minute discourse by Holman dealing with counsel for improving one's personal ministry concludes the session.

Highlight of the week comes Sunday at 9:30 a.m. when Holman gives the public talk, "Into the New Order Under Christ's Leadership." A congregation Bible study using the Watchtower magazine as an aid, and final remarks by Holman, brings the week's activity to a close.

All meetings will be held at the Kingdom Hall, 13699 Old US-12.

## Governor Signs Bill To Finance Proposed Bonus

Governor William G. Milliken urged Michigan voters to approve a Vietnam veterans bonus as he signed a bill to put the question on the November ballot.

"Their sacrifice was no less real because they were obliged to fight in an unpopular war," Milliken said as he signed Senate Bill 175 into law.

The bill authorizes the state to borrow \$205 million through issuance of general obligation bonds to pay a veterans' bonus—it approved by the voters in the November election.

The bonus applies to those who served honorably in the Armed Forces for at least 180 days between Jan. 1, 1961 and Sept. 1, 1973.

A veteran eligible to wear the Vietnam Service Medal or Armed Forces Expeditionary Medal would be paid a service bonus of \$800. All other veterans would receive a bonus of \$15 per month for each month of service—up to \$540.

Milliken praised the legislature for its bipartisan and inter-house cooperation in agreeing on one bill and passing it on votes of 79-0 in the House and 35-0 in the Senate.

As Governor Milliken urged Michigan voters to approve the Vietnam veterans bonus, saying: "There is more than just a cash bonus involved here. I suggest that it is equally important that we let our Vietnam veterans know that they are not second-class veterans or second-class citizens."

"We approved a state bonus for World War I veterans, World War II veterans and Korean War veterans. I can't think of a better way of showing our Vietnam veterans that we respect them than by approving the bonus proposition by an overwhelming majority."

Michigan's Congressionally chartered veterans organizations, namely the American Legion, AMVETS, Disabled American Veterans, Marine Corps League, Military Order of the Purple Heart, United Spanish War Veterans, Veterans of Foreign Wars and Veterans of World War I of the U.S.A., wholeheartedly supported the legislature in its move to set up a bonus proposal and are actively engaged in supporting Governor Milliken's stand to pay a Vietnam veterans bonus.

The program is designed to expose the health care financial manager to current technical aspects of the accounting profession, advanced management techniques, the art of managing human resources and the behavioral aspects of working as part of a team.

## SOUTH ELEMENTARY SCHOOL NOTES

**From the Principal, Mr. Wojcik:**  
Pictures are being taken of all students on Tuesday, Nov. 5. This year parents will have an option on the package they purchase. One package will cost \$3, and the second package, which includes more photos, will cost \$5.

Our Campbell label collection is up to 1,700 now. Please continue saving the labels for South School.

**MUSIC—**  
Teacher: Mrs. Dye  
I hope to see many of you at open house this year. The music room will be open from 6:30 to 7:15 this year; the other time I will be at North School. See you soon!

**READING—**  
Teacher: Mrs. Matland  
There are 37 children enrolled in the reading program at South School. Each has his own individual folder and phonics workbook. Each folder contains 10 colored folders with graphs in each for different jobs to be done.

The Bookworm Club is really progressing. Many have earned a Bozo face which indicates that five books were read in October. Invitations will soon be on their way for the fall parents' Dunkin' Doughnut get-together. The big day is Oct. 21. Parents will have an opportunity to meet other special teachers and the school nurse. The children's folders and the reading room program will be discussed. Those who attend will not be expected to come in for a conference in November. Circle Oct. 21 on your calendar!

**THIRD GRADE—**  
Room 15  
Teacher: Mrs. Holfka  
In our room we are just finishing a social studies unit on New York. We made posters showing the types of transportation used in New York City.

We have three woolly bear caterpillars that we're hoping will turn into moths this spring. We've been doing a lot of writing. We're learning to write in cursive; it's difficult, but fun! We each wrote a story and made book covers for them. You'll be able to read each one at our open house. Our poets, Kurt Eisenbeiser, Laurie Heller, Tanya Mattoff and Ted Merkel, will also have their poems displayed for you.

This week we wrote about Christopher Columbus, and Friday, Oct. 11, we made ships just like the one he sailed.

In art class we made puppets and are creating our own puppet shows. Mrs. Coulam made a nice stage for us to use.

We have a Punt, Pass, and Kick champion in our room! Ted Merkel won a trophy for placing second in the competition.

**Birthdays:** September — Dan Pennington, Greg Schafer, Shari Haab, and Mark White; October — Glenn Prinzing.

**Room 7**  
Teacher: Mrs. Verrelli  
Reporters: Brenda Hoelzer and Carol Warren  
Our class is learning about New York City. We have groups that are studying different parts about the city. One group is studying

the Empire State Building, another group is learning about the Statue of Liberty, another group is reading about travel, another is writing a letter to the tourist bureau in the city and the last group is working on a map of New York.

At gym we play lots of fun games. We have running and jumping races. We like to see who can jump the farthest.

**Room 13**  
Teacher: Mrs. Yager  
Reporters: All the children  
We are studying Christopher Columbus. We are writing reports about him and putting them in covers shaped like globes. In 1492 Columbus sailed the ocean blue. We made puppets in art. Now we are writing plays for them. Some of us will do our plays for the 1st and 2nd graders. We start our day by being in our seats with a book to read by 8:30. When we finish our books we can sign up for a conference with Mrs. Yager. We get a star and another part of the bookworm goes up for every book we read.

Our October birthdays are Dave Detling, Chris Graff, Jimmy Toon, Tim Loucks, Sherry Salyer and Sana Burke. Happy Birthday!

**FOURTH GRADE—**  
Room 22  
Teacher: Mr. Ticknor  
There is an air of excitement in our room. On Tuesday, Oct. 15 the 4th graders went to Greenfield Village. It was a fun and educational experience for teachers and students.

This 4th grade is into the full swing of school. All subjects are being studied with enthusiasm. In math the students are having a chance to work independently. When problems arise there is always an abundance of help.

In social studies our class is studying one of our newest states, Alaska. The students are learning about how the Eskimos live and survive in the state that is the farthest north.

In science sound is being listened to and analyzed by all of us. Sound is a common thing that is usually overlooked. We are trying to become more aware of all kinds of sounds, those that are familiar and those that aren't so familiar.

## Cross Country Competition Has Improved

(Continued from page one)

Last Thursday against title-favored South Lyon, despite a strong showing by junior captain John Storey and fine performances by assorted team members, Lion runner John Stanford, returning league champion, set a new course record at Inverness Country Club of 16:26, eight seconds below the existing record, to lead South Lyon to a 25-31 victory.

Storey, meanwhile in second place, turned in a 16:36, a time that trimmed eight seconds off the previous varsity course record for Inverness, which he established only weeks ago.

Others recording their best home times were Phil Frame, in eighth place with 17:38; Morris Johnson, ninth, with 17:40; Dean Thompson, 10th, with 17:49; Dan Shirilla, 13th, with 18:33; Randy Harris, 16th, with 18:54; and Mark Bucholz, 20th, with 19:19. Bill Rademacher, who has been plagued by injuries this season, recorded his best time anywhere, 18:18, good for 12th place.

Other Chelsea placers were Dave Dawson, who took fifth with a 17:22; Rick Haller, who earned seventh with 17:35; Matt Heydlauff, who took 17th with 19:07; and Jeff Sweet, who landed 18th place with a time of 19:11.

Saturday Chelsea runners will complete in the Manchester Invitational, which traditionally boasts such entrants as Saline, Brighton, and Columbia Central.

Next Wednesday, Oct. 23, the league meet is scheduled at Cass Benton Park in Northville.

## Recreation Classes Still Have Openings

Old and new Chelsea Recreation Council classes are entering their final week of pre-registration prior to opening classes next week, says Recreation Director Tom Ballstrene.

Among the new items local residents may choose to round out their education and entertainment are ones dealing with bridge, Tae Kwon Do, and volleyball.

Proven favorites returning for another year among the citizenry will be Ladies Night Out, Ceramics, and Christmas Crafts.

Ladies Night Out, taught by Chelsea High School physical education teacher Terry Schreiner, will begin meeting Monday, Oct. 21, from 8 to 10 p.m. at the high school gymnasium. Designed to deal with the basic recreational skills of community women, the course will include sports and conditioning. Gymnasium, universal weight machines, gymnastic equipment, and trampolines will be available for participants. Further information may be obtained from Terry Schreiner at 475-2536. Fee for the course is \$5.

Charles Waller will instruct Introduction to Bridge Playing which will begin meeting Tuesday, Oct. 22, from 7 to 9:30 p.m. in Chelsea High Schools home economics room. Course will include detailed session regarding opening bids, responses to opening bids and in no trump; jump bidding; slam bidding; leading and finesse; playing no-trump hands; and mechanics of playing suit contracts and no-trump contracts. Course will conclude with a duplicate tournament. Fee is \$10.

Instructed by two qualified black belts, Dr. Dennis Burke and Dwight Derow, Korean Tae Kwon Do will emphasize the teaching of fundamental skills essential to self-defense. New members as well as returnees are welcome to the program, which is a carry-over from the summer. Course will begin Tuesday, Oct. 22, from 7 to 9 p.m. in the school gymnasium. Fee is \$15.

Christmas Crafts, which begins Wednesday, Oct. 23, will again deal with decorating the home. Emphasis will be placed on making calico wreaths, cornhusk dolls, door decorations, Christmas wall hangings, and interior Christmas ornaments. Taught by Mrs. Gloria Greenleaf, the class will meet from 7 to 9 p.m. in the high school economics room. Fee is \$5. Registration may only be made by phone to the instructor prior to the first meeting.

## Band Boosters Stress Care Of Uniforms

October meeting of Chelsea Band Boosters was begun with a lengthy discussion of the proper care—or lack of it—of band uniforms. It has been noted that many uniforms are in need of pressing. Students and their parents must see to it that these uniforms are in top-notch condition prior to each public appearance.

On Oct. 22, the band will take part in the Marching Band Festival at Belleville. Booster members noted that uniforms should be "in shape" for this meeting—meaning clean and pressed, with black shoes imperative.

Beach Middle school band will be marching in the Halloween parade and the high school band is scheduled to march in the Veterans Day parade Nov. 11. In addition to special events, the high school band also marches in all home football game half-time shows.

Candy is being sold by all band members and soon orders for fruit cakes will be taken.

Charles Burgess gave a report on the successful week spent at Camp Maplehurst this summer. Following his report and recommendations for future camping, films taken at band camp were presented.

A constitutional amendment was read concerning the filling of an executive office vacancy. The amendment will be read at the November meeting and voted upon.

Junior varsity edged out Dexter's JV by a score of 20-18 in what Coach Cindy Bradbury called "our best game so far." High scorer was Penny Collinsworth with nine points.

## JV Gridders Down Brighton To Top League

(Continued from page one) penalty. Brighton then completed a 30-yard pass for the TD and added extra points to go up again 20-16.

Houle opened the second half with a bang, returning the kickoff a big 90 yards for a Chelsea TD. Robards again ran in with the extra points to make it 24-20.

John Toon then recovered a Brighton fumble and Chelsea drove 23 yards, with Tony Robards again going in for the six points to push Chelsea's lead to 30-20. Extra point attempt was not good.

Brighton opened the fourth quarter with its final touchdown of the evening, to make the score 30-26.

Just for good measure, Tony Robards again came across with a touchdown, to complete the Chelsea scoring, at a final tally of 36-26. The two squads then exchanged pass interceptions to put the game in the win column for Chelsea.

Leading Coach Jon Schaffner's defensive attack were George Menge, with 15 tackles; John Toos with 11; Mike Check, nine; Dale Headrick with eight; Bruce Stubbs, Scott Owings, and Rick Davis with seven; Mark Smyth, Anthony Houle, and Joe Branham with six; Pete Feeny with five; John Adams with four; and Leon Brown with three.

Chelsea's strong running game was good for 345 yards, while Brighton's tough passing netted them 213 yards.

Chelsea, undefeated JV league leader, will meet South Lyon tonight (Thursday) at the Lions' home field at 7 p.m.

Chelsea's Marching band will kick off the evening's activities at the game at Jerry Niehaus field with South Lyon, when they open their pre-game show with a rendition of the Lion school song and an "SL" formation at mid-field.

The grid meeting between Chelsea and South Lyon is a crucial one, as the Bulldogs are currently lodged in a third-place tie with a 2-2 record while South Lyon is single-handedly holding down second place with a 3-1 standing.

Band, queen candidates, and Spirit Week winner, will combine to make the half-time program an exciting one. The band will open the show with the fanfare and a lively rendition of "Give My Re-

## Charged With Possession of Marijuana

Two local men were arrested Saturday evening in the parking lot of a local bar when officers observed a push-button knife with a 3-1/2 inch blade on the vehicle's console and smelled what they believe to have been marijuana, police reports say.

Upon investigation, officers discovered a total of four plastic bags of the suspected marijuana in the car, they said.

Arrested on charges of possession of marijuana and possession of a mechanically opening knife was Mark Balze 9221 Werkner Rd. Also arrested, on a charge of possession of marijuana, was Thomas R. Stock, 4000 Musbach Rd.

Both posted \$100 cash bond and were scheduled to appear on the charges Wednesday in 14th District Court.

Master of Ceremonies Randy Musbach will then introduce the candidates, including Liz Foster and Kim Slocum, freshmen; Michele MacCollum and Linda Shaw, sophomores; Lisa MacCollum and Mary Hume, juniors; and Elaine Musolf and Linda Fultcher, seniors. Crowning of the queen will follow.

A special percussion number that features majorettes and flags, "Carica," which Band Director Warren Mayer calls a "nostalgia number" will then precede the announcement of the class chosen winner of Spirit Week. Following the band's performance of the school song, it'll be back to football.

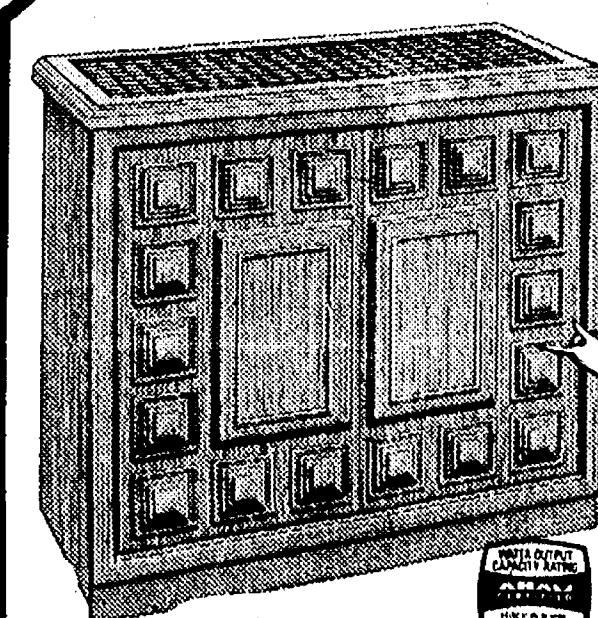

After the game, Skyhook will provide the music at the Student Council-sponsored dance in Chelsea High school gym. Entry to the dance is open only to Chelsea High school students, or those who have obtained a guest pass from the high school office. Admission is \$2 per couple or \$1.50 single.

## Host Families Being Sought for Brazilian Students

Youth for Understanding is currently seeking families with which to place Brazilian foreign exchange students, who begin arriving in January and remain in the United States until July.

Local residents interested in hosting a Brazilian student, or wishing information about Youth for Understanding programs in general, should contact Judy Eubanks at 475-2382.

## Perfect Score Eludes Everyone In Trap Shoot

Sunday, Oct. 13 was a better day weather-wise than recent ones for trap shooters at Chelsea Rod and Gun Club, but a perfect score of 25 still managed to elude participants.

High scorers for the day were Gary Moore and Doug Williams, who recorded 23 out of 25. Other top scores were recorded by Doug Williams and Mel Stephens, with 22s, and Ron Satterthwaite and Jess Marshall, with 21s.

With two weeks remaining of the fall trap shoot at the club, only one shooter has recorded the perfect score. Trap shoot is scheduled this Sunday again from 9 a.m. to 1 p.m.

And then there was the cat named Ben—until he had kittens. Then it was renamed—Ben Hurl!

## UNICEF Drive Helps Prevent Starvation

Starvation of children—an everyday, year-round disaster that has been called "the quiet emergency" is the prime concern this year of the annual United Nations International Children's Emergency Fund (UNICEF) Halloween fund drive.

Sponsored by Church Women United, the drive will include local children from ages six through high school who have been invited to participate in the door-to-door canvassing on Sunday, Oct. 27, from 2 to 3 p.m.

Chelsea chairman, Mary Ann Merkel, and co-chairman Gloria Greenleaf say that UNICEF has reported that currently some 10 million children are facing starvation, a fact usually "not dramatic enough" to receive considerable TV, radio, or newspaper coverage.

This emergency, UNICEF notes, was not caused by one big catastrophe—rather it has been an all-day, everyday experience that has affected children in assorted places all over the world for many years.

For the past 27 years, since UNICEF was created, it has worked to provide children with more food and with better food. It has learned the things that can be done to give immediate help and those that provide long-term assistance to aid underdeveloped nations in dealing with this most serious of problems.

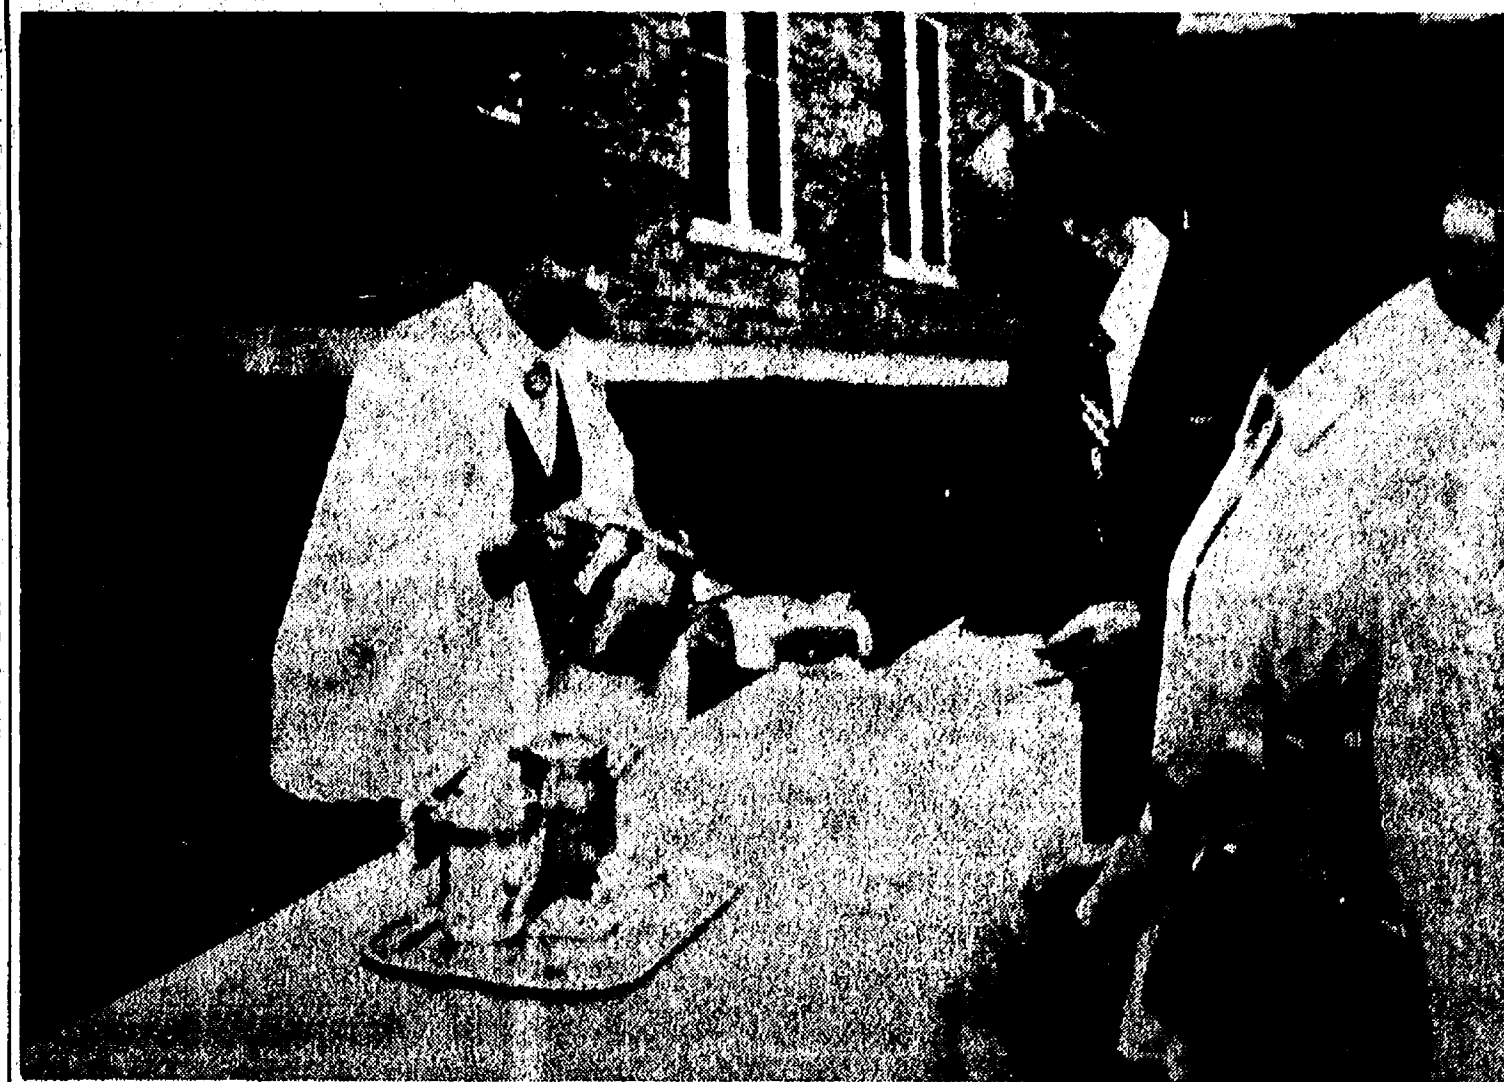

When rosy-cheeked and well-fed Chelsea children knock on doors in the neighborhood—think of the ones not nearly so well off.

## Firemen Battle Peat Marsh Fire

Chelsea Fire Department responded to a call last Monday to a peat marsh fire behind St. Paul United Church of Christ.

Firemen battled for between two and three hours to extinguish the blaze, Fire Chief Jim Gaken reported, using three trucks and pumping some 16,000 gallons of water underneath the surface of the marsh.

SPECIAL MUSIC for groundbreaking ceremonies was provided by Mr. and Mrs. Arthur Walker, members of Newburg church, Livonia. Mr. Walker sang "Bless This House," while Mrs. Walker accompanied him on the harp.

## Several Area Residents Earn Advanced Degrees at EMU

Receiving degrees from Chelsea were David Lixey, 710 S. Main, Master of Arts; the Rev. Fr. Umberto Joseph Mellare, 16195 Old US-12, Specialist in Arts; Dennis Pink, 13900 Island Lake Rd., Specialist in Arts; and Carey Riemenschneider, 415 Washington, Master of Arts.

## CHELSEA VILLAGE COUNCIL PROCEEDINGS

Regular Session, October 15, 1974

This meeting was called to order at 7:30 p.m. by President Pennington.

Present: President Pennington, Clerk Neumeyer, Administrator Weber.

Trustees Present: Borton, Johnson, Dmoch, Galbraith, and Wood. Others Present: Jim Grau, Richard Harvey, Judson Goltra, and Mrs. Jaskot.

The minutes of the regular session of Oct. 1, 1974 were read and approved.

A delegation of residents from Maple Court discussed with the Council the possibility of not having sidewalks put in on their court. They were advised to discuss the matter further with the developer.

Motion by Dmoch, supported by Galbraith, to adopt the new electric rate structure and rate schedule as proposed and as advertised in the October 10, 1974 Chelsea Standard, effective October 25, 1974. Roll call: Yeas all. Motion carried.

Motion by Wood, supported by Johnson, to adopt a resolution adopting Ordinance No. 72-A, "An Ordinance to Prohibit Open Liquor Containers in Vehicles upon Highways and to Amend Chelsea Village Ordinance No. 72 (Uniform Traffic Code for Michigan Cities, Townships, and Villages)." Roll call: Yeas all. Motion carried.

Jim Grau reported testing on the Sewer Trunk Expansion Program will begin next week on the section from Bushnell Apartments to Old US-12. Surface cleanup has begun on this project, but much remains. He also reported that the work on the Backwash Water Lagoon was essentially complete except for the fence and that the job was well done.

Mrs. Jaskot requested that the Village hook up a sewer line to the new trunkline in order to service that section of Old US-12. Administrator Weber was instructed to proceed with the preliminary considerations so that this may proceed as quickly as possible.

Administrator Weber reported on conversations he has had with the Washtenaw County Road Commission regarding the condition of Old Manchester Road. Suggestions were made, and Administrator Weber was instructed to obtain firm proposals from the Washtenaw County Road Commission in this matter.

Motion by Galbraith, supported by Dmoch, to approve payment No. 5 to F. C. Belser in the amount of \$12,103.00 from the General Fund for work done on the Fire Hall Addition during the months of August and September, 1974.

Trustee Johnson reported that the Recreation Council had discussed the fall program and heard a report from DiAnn L'Roy regarding the past year's performing arts program. He also reported that the Recreation Council's budget report will be submitted at the November 19, 1974 Village Council meeting for action.

The Michigan Small Cities Association meeting to be held in Cadillac on November 10, 1974 will be attended by President Pennington and Trustees Dmoch and Wood.

Trustee Galbraith reported a concern over the traffic problem on M-52 north of the Village. The state has inadvertently created a four-lane highway. The street

lights that were turned off last winter due to the energy crisis, will be turned back on as an added safety measure. Administrator Weber was instructed to communicate with the State Highway Department concerning this matter. A formal resolution regarding the lowering of the speed limit on this section of M-52 for presentation to the State Highway Department will be presented at the next regularly scheduled meeting.

Motion by Wood, supported by Johnson, to approve a resolution regarding the Michigan Construction Code; making Washtenaw County responsible for its administration and enforcement. Roll call: Yeas all. Motion carried.

A letter was received from the Department of Natural Resources regarding the lift station at Beach Middle School. Administrator Weber was instructed to review this and contact the Chelsea School Board.

A letter was received from the Department of State Highways regarding new village limit signs which will be erected at State Highway expense.

Letters were received from Chelsea Community Hospital regarding upkeep of access roads and a well for use as a secondary water supply necessary for licensing. More information will be forthcoming.

Motion by Wood, supported by Johnson, to authorize payment of bills as submitted. Roll call: Yeas all. Motion carried.

A letter was received from Finkbeiner, Pettis and Strout, Ltd., regarding Chelsea Wastewater Treatment Plant Improvements-Facilities Plan. Action will be taken on this at a special meeting.

Mike Conlin, candidate for State Representative, was introduced and spoke to the Council.

Motion by Borton, supported by Johnson, to adjourn. Roll call: Yeas all. Motion carried. Meeting adjourned.

Thomas Neumeyer, Clerk.

Motion by Wood, supported by Johnson, to forward the above request to the Chelsea Planning Commission. Roll call: Yeas all. Motion carried.

## Frosh Hand Brighton Their First Loss

Brighton's freshman football team came to Chelsea last Tuesday night for a home game, but that had all changed by the time they boarded the buses for the return trip to Brighton. Chelsea routed the other set of Little Bulldogs, 28-6.

Neither squad provided much action in the first quarter, as Chelsea was stopped by penalties and Brighton was thwarted by a tough defensive charge led by Steve Check, Tim Welshans, and Brad Smith.

Local Bulldogs launched their attack on the first play of the second quarter, when Jeff Powell hit Chris Smyth with a 19-yard touchdown pass. Then midway in the quarter, Matt Fisher scored on a one-yard plunge and Powell passed to Chuck Broderick for the conversion.

Brighton narrowed Chelsea's edge to 14-6 on a 53-yard pass play before half-time.

Brighton opened the second half by breaking loose with a 40-yard run that was halted by a tough-down-saving tackle by Matt Fisher on the 18.

Mike Young then provided further Chelsea fireworks a few minutes later by dashing 63 yards for a TD. Near the end of the period, Chelsea had a heart-stopping moment when punter Chris Smyth bobbled a snap in his own end zone, but picked it up and ran for a first down.

What Coach Bill Bainton called "the best football of the night" came in the final quarter, when the Little Bulldogs mounted a time-consuming drive, running five and six yards on a play and eating up about eight minutes. Steve Pennington capped the drive with an eight-yard burst with 3:03 remaining, that made the score 28-6.

Coach Bainton, pleased with the victory over a strong team, cited team spirit, especially on the part of players who aren't starters, as an important contributing factor.

### Letters to the Editor

I am a veteran ashamed. I received a state bonus following World War II. I received the maximum of \$500, which was based on \$15 for each month overseas and \$10 for each month in the States—not to exceed \$500. And you know how much more \$500 was worth in 1947 than it's worth today. There was no distinction between combat veteran and non-combat veteran.

I received the bonus, thanks to the generosity of the people of Michigan who approved paying a state bonus not only to veterans of World War II, but also to World War I and Korean veterans.

I am ashamed because I dread the possibility that the voters may, as they did two years ago, again turn down the state bonus for Michigan's Vietnam veterans when they vote on the proposal in November.

I don't know why, but every time I talk with a Vietnam veteran, or see them at some meeting, I feel uncomfortable when the discussion turns to state bonuses.

If you are one of the 153,839 World War I veterans, or one of the 618,232 World War II veterans, or one of the 209,234 Korean war veterans who received a Michigan state bonus—you don't know how the Vietnam veteran feels.

You don't know what it's like to return home from the most frustrating and unpopular war in our history and have your fellow-citizens and neighbors deny you and your comrades the same respect and the same recognition they enthusiastically granted the veterans of World War I, World War II and Korea.

If you think it's just the money we're talking about—God help you.

The 50,000 who died in Vietnam, the thousands who came ill or disabled, and the thousands who just came home—are just as dead, just as ill and disabled, and just as "just came home" as were their comrades of those previous wars.

I am a veteran ashamed... ashamed that the Vietnam veteran has to be voted on like a bonding issue at a school election... if the people say "no"—well—let's wait two years until the next general election—and give it another try—maybe if we "eliminate the swimming pool" (cut out the educational provisions of the bonus proposal), or maybe if we omit the new gym (pay the maximum bonus only to Vietnam combat veterans)—the voters might buy it—if not, let's give it another whirl two years later at the next general election—maybe if we just pay it to those who were casualties or prisoners-of-war? or missing in action?

In the meantime fellas if there's anything I can do, let me know because I know how you feel.

The hell you do.

Herman A. Reed.

## Survey Taken Of All CHS '74 Graduates

Chelsea High School has mailed survey forms to 1974 graduates in the second and annual follow-up study of graduating classes.

A requirement of the Michigan Department of Education, the survey is designed to determine the effectiveness of vocational programs. Chelsea again has elected to survey all graduates, both vocational and non-vocational, so that the entire school program may be reviewed.

William Chandler of Chelsea High School stresses that the survey must reach each student and be returned as soon as possible. Parents are asked to forward the forms to their 1974 graduate if necessary. In order to be counted, forms must be returned by Nov. 15.

Ignoring sound conservation practices can spell disaster—in the form of shifting home foundations, flooding of cities and soil erosion. ### VACCINATION

Smallpox was the first disease to be curbed and finally almost eradicated via vaccination—the deliberate introduction of antibodies into the bloodstream.

100th ANNIVERSARY: Sharon United Methodist Church, located at the corner of Pleasant Lake Rd. and Manchester-Chelsea Rd., will celebrate its 100th anniversary on Oct. 18 and 20. Originally, the location of the old church was called Row's Corners, as early pioneers Henry, Conrad, and Gilbert Row had settled in the area.

## Sharon United Methodist Church Will Observe 100th Anniversary

Sharon United Methodist church will celebrate its 100th anniversary on Oct. 18 and 20. The church is located at the corner of the Pleasant Lake Rd. and the Manchester-Chelsea Rd., three miles north of Manchester. For many years it was known as Row's Corners; Henry, Conrad and Gilbert Row, early pioneers in Michigan, had settled in this area.

The Rev. Edwin Weiss, who was pastor of a circuit in Freedom and Lima townships at the time, organized a class of 15 members who met for the first time on March 22, 1874, in a schoolhouse two miles east of the church. Early in 1876, the congregation decided to build at Row's Corners. The building committee was William Schulte, Henry Huesman, and Henry Uphaus. The brick structure, complete with bell tower, by church young people, was dedicated Nov. 12, 1876, by Bishop Rudolph Dubs.

Charter members of the Salem Evangelical Association (as it was then called) were: William Schulte, Adelheid Schulte, Adelheid Schulte (their daughter), Lambert Gieske, Adelheid Gieske, Heinrich Huesman, Adelheid Huesman, Bernard Kuhl, Adelheid List, John List, Catherine List, Christina Hartbeke, Herman Gieske, Anna Gieske, and Herman Gieske, Jr.

Members were to furnish and put everything on the building site and the carpenter to do all the work. Joe Kramer got the job, being the lowest bidder, for \$290. A team of horses owned by J.T. Feldkamp pulled the bell into the tower. The bricklayer was Jacob Jhanz.

An itemized bill found in the books for the year 1896 listed: oil, \$1.44; janitor, \$27; stove glass and rope, \$1; communion wine, 60 cents; lamp wicks, 30 cents; and fire insurance, \$4.

During 1923, Lima Center was detached from the circuit by conference action. And in 1925, the Freedom congregation united with the Sharon congregation.

Some of the improvements are as follows:

Somewhere between 1900-1910—Plain glass windows replaced by art glass.

1919—Bakery was built.

1928—New pews.

1928—Sunday school addition was built.

1942—Austin pipe organ installed.

1946—Full basement constructed with oil burning heating system.

1950—Sanctuary remodeled.

1951—Addition built for bath-rooms.

1961—Steeple and front of church floodlights.

1964—New chancel furniture.

In 1919, a parsonage was purchased at 302 Ann Arbor St., in Manchester. The pastor had been living in a parsonage on Ellsworth Rd. In 1967 the present parsonage at 348 Schaffer Court was purchased.

In 1946 the Evangelical Association of churches united with the United Brethren churches so it became the Sharon Evangelical United Brethren church. In 1968 the EUB's united with the Methodist churches, hence the church is now the Sharon United Methodist church.

Pastors who have served this church are: E. Weiss, 1874-75; A. Nicolai, 1875-76; F. Zoller, 1876-79; J. Young, 1879-80; E. Weiss, 1880-82; D.E. Schaefer, 1882-84; J. Orth, 1884-86; S. Cooper and John C. Huhtala, 1969-70; Michael L. Peterlin, 1970 to the present.

Present church membership totals 134.

The church extends a welcome to all to share in their centennial activities. Earlier this year the Mother and Daughter Banquet had a centennial air with many wearing long dresses and all being provided with a bonnet to wear. The annual Sunday school and church picnic was highlighted by taking a turn cranking ice cream freezers for some home-made ice cream. On Rally Day in September, helium-filled balloons were sent skyward telling about the centennial year and asking for prayer for

the finder and offering prayer for the finder. "Already one has been found at Amherstburg, Ontario. Other activities will be carried on in the months ahead, like an old-fashioned box social and old-fashioned Christmas.

High-point of the activities, however, will be a banquet on Oct. 18, with the guest speaker being the great-grandson of the founder of the church, the Rev. James D. Weiss who is pastor at the Lincoln Park United Methodist church. On Sunday morning, Oct. 20, the Rev. Robert Ward, district superintendent, will be the guest speaker and Mrs. A.A. Weinert will be the guest organist. Mrs. Weinert and her husband served at Sharon church for 14 years.

Following the 11 o'clock service will be a co-operative fellowship dinner, and then in the afternoon at 1:30 will be a more informal service of history and reminiscing. Giving the history will be Clyde Gieske, son of one of the charter members.

Following the afternoon program the church will hold "open house" until 6 p.m. Reservations for the banquet should be given to Mrs. Willis Uphaus or Mrs. Laurence Bowers by Oct. 10.

The Centennial Committee planning the events is Mrs. Lynn Voegeding, chairman (great-granddaughter of the chairman of the original building committee), Mrs. Willis Uphaus, Mrs. Laurence Bowers, Mrs. Robert Pratt, Susan and Virginia Bowers.

Friends and past members are invited to join in the celebrations.

## Child Study Club Plans Christmas Bazaar Workshops

Chelsea Child Study Club met Tuesday, Oct. 8 at the home of Sherri Owings with 28 members present.

Second vice-president Joan Elsie read correspondence from Chelsea United Fund and the Advisory Committee on the Status of Women.

Finance chairman Camie Noah reported on the remaining Make and Bake Christmas Bazaar workshops, Oct. 17 at 7 p.m. at the home of Bonnie Jones for mushroom plaques; and Nov. 6 at 9 a.m. at the home of Nita Mills for corn-husk dolls.

Study Club's Make and Bake Christmas Bazaar will be Saturday, Dec. 7 from 9 a.m. to 5 p.m. at Sylvan Town Hall.

Following the business meeting, members made silver angels for the Christmas Bazaar.

Co-hostesses for the evening were Nancy Grau and Mary Jo Miller. Karen Galbraith announced the Oct. 22 meeting will be held at 9 p.m. in the community room at Briarwood Mall. Speaker will be Fred Nielsen of Nielsen's Flowers. Guests are welcome at this meeting.

## Jaycee Auxiliary Gets Final Report on Baby-Sitting Clinic

Chelsea Jaycee Auxiliary met for their regular meeting Tuesday night, which was preceded by a mini-progressive dinner at the homes of Joanne Rowe and Judy Eubanks.

Final report was given on the baby-sitting clinic, making certain that all members had lists to inform the public of baby-sitters.

A total of 230 7-Up bottle caps were sent to the muscular dystrophy campaign.

Members decided to send \$100 to the Michigan Association of Emotionally Disturbed Children, a project of Michigan Jaycee Auxiliary.

A new project, "Bowling for Burns," was adopted by the Auxiliary, with Sandy Brown as chairman. Profits will go to the Institute of Burns Medicine.

A committee will investigate the possibility of doing Bucket Brigade as a local project.

Jean Jones received the award for her outstanding work for September.

After the regular meeting, Ann Steinaway presented an orientation for mini-progressive.

Guests for the evening were Ginnie Wheaton, Jeannie Messing, Louise Ponte, and Sue Craig.

Pennsylvania Dutch cooks are particularly fond of a very heavy brown sauce which they utilize quite often—and it's called a spider!

ABOUT  
FOOD**

F. A. KENNEDY.

Let's take a look today at what is apparently getting to be one of America's favorite indoor sport . . . shoplifting.

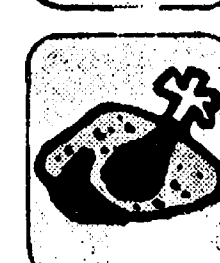

Some of the methods used by shoplifters are most ingenious . . . but most costly. You can better understand this when you consider that a grocer operating on a 1% profit margin must gross \$50 to offset the theft of one fifty cent item.

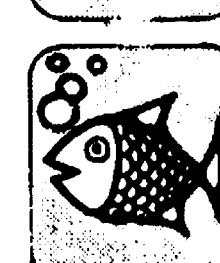

Most methods, of course, are all too obvious. One shoplifter may transfer some Grade A eggs into a lower-priced carton. Another may slip butter into a margarine container, hide toothpaste in a roll of toilet tissue, or switch bleach bottle caps or meat labels or the plastic lids on shortening or coffee containers. Yet another may simply eat a snack while touring the store.

Curiously, the biggest threat is the "shoplifter" who tries to get caught. This clever operator will slip some pork chops, say, into her purse so conspicuously she is sure to be seen. As she leaves the store, she is confronted and accused by the manager. After protesting loudly enough to attract witnesses, she opens her purse, revealing nothing but car keys and cosmetics. (Somewhere along the way, she had surreptitiously ditched the pork chops.) Naturally, she is terribly upset by the manager's false and humiliating accusation, and she intends to sue. But, of course, she will be reasonable and settle out of court . . . if the price is right.

Different stores use different methods to discourage shoplifting. But we at Polly's think we have the best method of all. We simply price our items so low that it really doesn't pay to shoplift. Come see!
