

Corn Harvest Lags Because Ears Refuse To Dry Properly

Last year almost everyone connected with the corn crop was in a jubilant, talkative mood around harvest time. Farmers raved about their yields of up to 100 bushels per acre. Elevator operators mentioned full dryers, high quality, low moisture levels, and prices twice that of the preceding year. And everyone credited excellent weather for what was called "an exceptionally good" harvest. This year, however, the pro-

ductive, one-syllable reticence that characterizes agriculture in bad times has once again taken hold. Corn, quite simply, is not a good business to be in right now. Where most of the crop in this area had been harvested at this time last year, many fields remain standing now, primarily due to the high moisture level in the ears and not in the fields themselves, says County Extension Director Don Johnson.

"Generally in few areas of the county are the fields actually wet," Johnson says. "The corn itself is wet. An early frost, such as we have had, causes moisture, and in immature corn, the ears just don't dry down. A mature ear will dry after a frost very well, but there's so much immature corn around here . . . and it just stays very, very, wet." Immaturity of this year's corn crop at this late date in the

season is due almost entirely to the summer drought that threatened crops across the nation. "Spring was fine weather for planting, and the weather now wouldn't be too bad for harvesting," notes Marcella McDaniel of the grain department at Honegger's on Dexter-Chelsea Rd., "but the summer drought just kept the corn from maturing right." Johnson agrees that current weather would be "ideal"

weather for drying—it's just a matter of time." But, he notes, few growers have their own drying facilities, and storing moist corn cribbed or shelled results only in producing molds, while at the same time allowing the crop to stand results in greater field losses. Although Marcella McDaniel reports that most of the corn Honegger's has seen is of reasonably good quality, she estimates that the yield-per-acre

figure this year is probably anywhere from 30 to 50 bushels, where last year's was up to 100. Honegger's, she reports, is handling probably around 5,000 bushels per day in its dryers, where last year the facilities were running 24 hours a day handling a capacity level of 10,000. Quality varies across the county, however, according to Johnson: "Some of it is excellent; some of it is zero—absolutely not worth picking." But Johnson agrees that the yield-per-acre level of this year's crop is down "drastically" from last year, although he puts it at around 50-65 percent of 1973. An article reporting on last year's corn harvest in The Standard pointed out that "the main problem last year (i.e., two years ago) can be pretty easily traced to one source: rain." That year, 1972, there was too much rain—everywhere, in every season—rain that hindered

planting, soaked the corn in its growing stages, and hampered harvesting. Last year, those intimately involved with that "exceptional corn harvest" were wearing ear-to-ear grins over the going price, \$2.24 a bushel, twice the price of 1972. This year, although the price has edged up to around \$3.35 per bushel at Honegger's, no one's grinning. Once again, the problem is rain. But this time, there wasn't enough of it.

Halloween Pranksters Go Too Far

A pair of 16-year-old Chelsea High school juniors—actually really nice girls," according to Chief of Police George Meranuck—have been referred to the Police Support Unit of the Washtenaw County Sheriff's Department for their parts in "Devil's Night" damage to two local residences. At the Warren Mayer home, 213 W. Middle St., the two admitted to police after investigation that they were responsible for damage to Mayer's 1974 Chevelle, garage, garbage cans, and home. Officers said that red spray paint was used on the west side and front of the house, where words like "death," "blood," "agony," and an obscenity were written in foot-high letters. Baby blue paint and black shoe polish were also found all over the roof and truck section of the Mayer car, and mushroom soup and rotten apples were stuffed in the gas tank. A garbage can and the garage of the home were also sprayed with red paint. Less extensive damage, also traced to the two girls, was done to the Raymond Canine home at 541 North St., where obscenities were written on the porch area in red spray paint. Restitution will be made in the two cases, Chief Meranuck said. In another pre-Halloween incident, the Sycamore Dr. home of Pat Turcott was also marred by red spray paint in the form of an 18-inch high number followed by

the word "quick". Tomatoes were also thrown at the house. Police traced the number to a Chelsea High school football player whose uniform number corresponded to the one appearing on the house. Although the player did not admit to the damage, his parents have already met with the Turcotts and have had the damaged area of the home repainted. Other Halloween-related incidents involved mostly waxing of windows and egg-throwing—"we had a lot of eggs this year," reported Chief Meranuck.

Girls Varsity Cagers Down Saline, 41-27

Chelsea varsity girls basketball squad trounced Saline, doormats of the girls league, by a score of 41-27 Tuesday night. Coach Cheryl Turner declared that the high score showed "the improvement that we've managed in the past few weeks. When we first played Saline (on Oct. 1), we only beat them 14-13. This time there was no problem." High scorer for Chelsea was Char Steinaway, who hit for 13. Other scorers were Kathy Kuhl with eight; Debbie Berke and Karen Tobin with four; Julie As-

FIFTH PLACE SPEAKER TROPHY was earned by varsity debaters Saturday at the Southfield Lathrup tournament, their best performance ever at that tournament. With their prize are front row, Brenda Shadoan and Keith Cockerline; back row, Brad Glazier, Kurt Allshouse, and Coach William Coelius.

Varsity Debaters 5th in Tourney

Chelsea debaters earned a fifth at Southfield Lathrup high school in their best performance ever at that tournament. "We're coming right along," reports Coach William Coelius. "We've ended pretty high up in each of our last three tournaments." The local debate squad will host the initial meeting of the State League next Thursday, Nov. 14. Varsity debaters Brenda Shadoan and Keith Cockerline, affirmative, and Kurt Allshouse and Brad Glazier, negative, earned a 4-2 record in the preliminary round, and then were eliminated in the quarter finals. In the preliminary round, Chelsea defeated Taylor Truman High school; Essexville Garber High school; Muskegon High school; and Brother Rice High school. They fell to Ferndale High school and University of Detroit High school. U-D High was the eventual winner of the tournament. Also entered in the tournament were a junior varsity squad and two novice squads from Chelsea. Junior varsity, including Paul Marshall and Shelly Porath, affirmative, and Dave Frame and Paul Dowhal, negative, earned a 2-4 record. A novice team of Dave Pletcher and Rob Wenk, affirmative, and Erin Headrick and Kim Brown, negative, posted a 3-3 record, while another novice team of Julia Chapman and Liam Colvin, affirmative, and Steve La-Barbara and Barbara Hinderer, negative, chalked up a 2-4 showing. Republicans Hold on Locally as Democrats Score Gains Nationally

Washtenaw county voters, 37,918 to 29,044, Wednesday morning reports indicated a defeat at the state level. County voters rejected a proposed move to establish a county manager, with a vote of 21,907 in favor and 36,364 opposed. Renewal of Washtenaw Community College's operational millage was approved by voters, however, 40,654 to 23,183. Running without opposition for two six-year trusteeships of the Washtenaw Community College Board of Trustees were William Mays, Jr., and Anthony J. Proccassini, both Republicans. Elected to a four-year trusteeship was Republican Richard Bailey, who defeated Democrat Eugene H. Mengel, 21,235 to 16,006. Republican incumbent Albert Bredernitz appears to have edged out Democratic challenger Hubert Beach in the race for 3rd District County Commissioner by a 720-vote margin. Tally was Bredernitz, 2,989, Beach, 2,269. Incumbent Jay Bradbury was unopposed in his attempt to return for another term as 2nd District county commissioner. In 22nd circuit court, Judge Ross W. Campbell ran unopposed for another term as judge, as did Robert V. Fink, for another term as 14th District Court judge. District Court Judge Thomas F. Shea was unopposed in his candi-

dacy for a vacancy on the 14th District Court. Kenneth Bronson appears to have defeated Lynwood Noah in the race for the newly-created judgeship of the 14th District Court, by a margin of 13,444 to 9,093. Five of nine local townships—Lima, Lyndon, Freedom, Sharon, and Manchester—featured unopposed candidates seeking mandates from voters. In Scio township, Republican Robert Jones defeated Charles Griffiths in the race for supervisor, 1,274 to 560. A write-in campaign for George Smith for supervisor received 492 votes. All other Scio township offices were uncontested. Webster township voters have elected Republican Donald Zeeb supervisor by a vote of 480 to 242 for Democrat James Dunlavy. All other offices in Webster township were also uncontested. The only race in Sylvan township was between incumbent Republican treasurer Fred Pearsall and Democrat Barbara Dresch. Pearsall soundly defeated Dresch, 937 to 585. All other incumbent officials ran unopposed for another term. Dexter township clerk William Eisenbeiser held onto his office for another term against an unsuccessful challenge by Republican Nicholas Holly. All other Dexter township offices were uncontested.

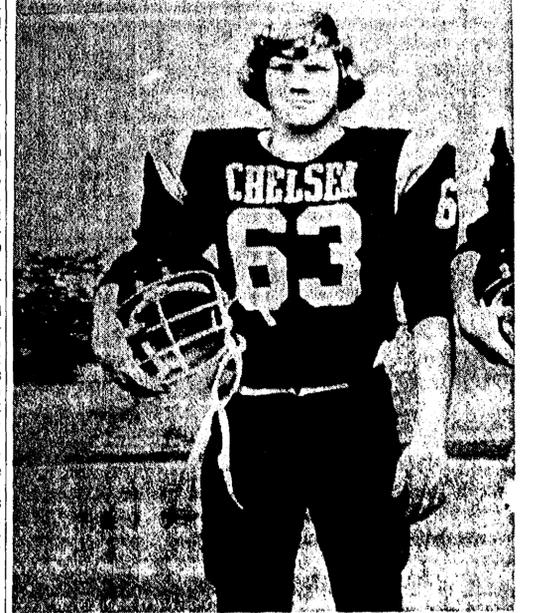

JANIS HOPKINS, daughter of Mr. and Mrs. E. Jay Hopkins of 16975 M-32, was crowned 1974 Washtenaw County Farm Bureau Queen Oct. 9 at the Farm Council Grounds on Saline-Ann Arbor Rd. As queen, the Chelsea High school senior will appear at local fairs representing the Farm Bureau, and also has earned an opportunity to enter the competition for Michigan Farm Bureau Queen, scheduled for December in Grand Rapids.

Bulldogs Chill Dexter, 44-8, in Scoring Spree

Chelsea's Bulldogs put a satisfactory ending on their 1974 Southeastern Conference season Friday night, dumping traditional rival Dexter, 44-8. Chelsea's victory, in addition to setting by far the team's scoring record for the season, allowed the Bulldogs to retain their one-third share of second place with a 5-2 SEC mark. Bulldog's touchdown parade began in the first quarter, when Randy Guenther culminated a seven-play drive that consumed 53 yards by running the final yard for the TD on a quarterback sneak. Ishmael Picklesimer added the extra point boot, and the Chelseaites were on their way. Without allowing the Dreadnaughts more than what seemed an instant to rest, Rex Miles blocked a Dexter punt, which was grabbed by Jim Boyer on the 18-yard line. Boyer raced in for the TD and Picklesimer's kick was again good to boost the tally to 14-0. Capping a 50-yard drive that consumed nine plays to open the second quarter's scoring, Dave Keiser went into the end zone on a four-yard run for another TD. Picklesimer again added a successful extra point kick, then roared back with another display of his kicking abilities by booting a 34-yard field goal. To close up the scoring before half-time, Howard Salyer returned a punt 62 yards for another touchdown and Picklesimer added his fourth extra point kick of the con-

Lawnmowers Stolen from Depot Storage

Four "Toro" 21-inch self-propelled lawn mowers, certainly not an easy haul, were stolen from the Gambles storage area at Chelsea's railroad depot sometime over the week-end, Sam Johnson of Gambles has reported to Chelsea police. The mowers, costing \$159.95 each and still in their original cartons, were stolen by burglars who forced a window at the north side of the depot that led into the Penn Central office, then exited by forcing a pair of large double doors, also on the north side, which were nailed shut from the inside of the building. A door leading to an enclosed Penn Central storage area, and having no outlet to the Gambles area, was also forced open. That entry has been reported to Penn Central.

Dennis Bauer Earns Top League Honors

Junior Dennis Bauer earned Southeastern Conference all-conference honors for both the first offensive and defensive squads, it was announced Tuesday by the league's coaches. Bauer was the only Chelsea player to earn a first-team position. Earning second team defensive honors were end Tim Reed, a junior, and tackle Jack Hackworth and defensive back Dave Keiser, both seniors. Chelsea's only other representative on the offensive honorary squad was senior end Paul Wood, who earned a spot on the second team. First defensive team was dominated almost totally by Novi, 1974 conference champion, and Saline, which tied for second with Chelsea and South Lyon. Defensive first team members are Doug Maier, Ron Buck, (a unanimous choice), Mike Collins, and Brian Schingek, all of Novi; Larry Lindemann, Joe Corona, Jim Haeussler, David Fosdick, and Rick Stemm, Saline; Larry Thomas Milan; and Bauer. Second team honors for defense were accorded to Leonard Allison and Greg Keitman, Milan; Chris Amis and Mike Curcio, Lincoln; (Continued on page three)

JV Gridders Wrap Up Title On 7-0 Record

Junior Bulldogs wound up a perfect league season this week, shutting out Dexter, 19-0, to finish as undisputed Southeastern Conference champs at the junior varsity level with a 7-0 record. The two squads opened the contest all even, holding each other to a scoreless tie through the first quarter. Tony Robards began the scoring in the second period, running a single yard for the six points. He also attempted an unsuccessful run for extra points. Anthony Houle added a one-yard run of his own only moments later to boost the Chelsea lead to 12-0. The extra point run again was not good. Dexter attempted to rally in the second quarter, but John Adams intercepted a pass on the Chelsea five-yard line to halt the Dreadnaught drive. Things were quiet in the end (Continued on page three)

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Them folks in the Bible didn't leave nothing on us when it comes to speaking in tongues. We got a tongue fer ever trade and you newspaper folks are caught square in the middle of all of em. I saw by the paper where some school people had a series of "articulation seminars," and I read the piece through without finding out what went on. The best I could come up with was they was trying to figger out what each other was saying.

You see where folks "identify" with this kind of car or "relate" to that kind of weather, and it all runs together and you don't know what anybody means. Nowadays, a feller that gets sick is "hospitalized," and if he can't git there by hisself he is "ambulanced." It won't surprise me to read where some poor devil is ambulated and hospitalized on Sunday and funeralized on Wednesday.

The fellers touched on this matter Saturday night at the country store. It was Clem Webster that

was talking about the off-year elections, and he said they must be called that cause when politicians don't have a national ticket with a coalition to grab they jump in their campaign saddles and gallop off in all directions. Politicians, declared Clem, is the master of the feedback. He allus is ready to say what he thinks folks want to hear. And if he ain't sure he just speaks politician and nobody can tell if he's fer or agin anything.

Speaking of the elections around the country, Mister Editor, the fellers come up with a reserlution that I wish you would give some thought to. They are fer passing a law saying that the winner in ever-race has to go around and take down all the posters that both sides put up. Clem said that ought to give the public servant a feeling of doing someun fer the public right off the bat. They already is laws agin sticking them "Vote Fer Me" signs everwhere, but nobody pays any attention. Clem said when the President starts campaigning at the World Series on television like he did last month they ain't nothing sacred to politicians. You might of noticed that they don't even refer to one another as "my honorable opponent" any more, but they all can promise the Rotary Club at supper to cut federal spending, and the next morning at breakfast they can guarantee the Farmers Home Administration they'll vote fer more housing and water systems fer everbody.

Personal, Mister Editor, I git everything backwards. I see where newsprint is going up \$25 more a ton cause one company went up and all the rest had to follow to keep from losing business. I know a doctor that use to charge \$15 fer an exam, and he got one ever now and then. He went up to \$75 fer the same physical, and he's got more than he can do. To keep up with competition today, you got to git your prices up there ahead of everbody.

Yours truly,
 Uncle Lew.

Come the Snow

Despite some early predictions to the contrary, it's been a good year for Michigan's "Water Wonderland" tourism efforts. And there's no sign of a turnaround—even with swirling snowstorms nearly upon us.

State tourist groups expect a strong fall season, and "if present trends continue, a good winter," report Gov. William Milliken.

"A large percentage of the resorts in West Michigan reported that their business was up—as much as 30 percent over last summer," he says.

A slow start, blamed at least in part on gasoline shortages, marred tourist activity in the Upper Peninsula and southeast Michigan, but that also has changed.

Tourist area folks now are preparing for an onslaught of Michigan and out-of-state travelers who'll be taking advantage of the cold weather to ski, toboggan, snowmobile and just wander through snowy forests.

The West Michigan Tourist Association, for instance, now offers "Carefree Days," which provides information about 35 ski and toboggan centers, more than 150 snowmobile trails and places to stay and eat in their area.

Will this optimism about Michigan's third largest industry last? Seems so, if what Commerce Director Richard Helmbrecht said recently holds true. Helmbrecht told the Upper Peninsula Travel and Recreation Association to prepare for a 1980 tourist travel growth rate at least double that of 1972.

He cited a recreation study conducted by the Upper Great Lakes Regional Commission.

"Among other things, the study indicates that there will be a growth in tourist visits of between 45 percent and 72 percent to the 45 northern Michigan counties—including all of the Upper Peninsula—and the northernmost portions

of Wisconsin and Minnesota," Helmbrecht said.

"And the forecast is for travel to be closer to the higher figure."

Pedal Away!

It's open—the first bicycle path ever constructed by Michigan's Department of State Highways and Transportation.

The five-mile path, said to be the first of many the Department plans throughout the state, runs from Hillsdale to Jonesville, providing an eight-foot-wide paved surface for non-motorized traffic.

"They do look at license plates, so this might help."

Speakers Arrested

It's not clear whether more people are speeding, or whether more are being caught. What's certain is the arrest data.

State Police report that in the first eight months of this year, some 117,192 speeding arrests were made in Michigan. That's 20,150 more than during the same period last year.

In April, the first full month of a mandatory 55-mile limit, more than 8,000 arrests were made, nearly twice as many as in April 1973.

Gridders of the Week

DAVE WATSON (11) is a junior halfback playing his first year of varsity football, after playing junior varsity last year in his first year in the area after moving here from Richmond Ind. He enjoys all sports, and last year played junior varsity basketball, and intends to try out for the Chelsea squad again. College is in his future after graduation, he says, although as a junior he is allowed his uncertainty about where he'll go and what he'll major in. The son of Mr. and Mrs. Jack Watson, he has three sisters, Bonnie, Jackie, and Becky, and two brothers, Mark and Kirk.

MARK DALTON (20) is a 5'8", 129-pound junior halfback who last week assisted in the Chelsea rout of Dexter's Dreadnaughts by scoring one of the Bulldogs' multitude of touchdowns. A football player for Chelsea since 7th grade, he also played shortstop for the junior varsity baseball squad last year. He hopes to go to college, probably North Dakota State, but is uncertain of his possible major. The son of Mr. and Mrs. William Dalton, he has three brothers, Alan, Scott, and Eric.

zones until the final period, when Tony Robards again trotted a single yard to score the Junior Bulldogs' final TD. John Toon kicked the extra point to yield the winning margin.
Junior Dreadnaughts again attempted a comeback, but Chelsea defense rose up and stopped the Dexterites inside the Chelsea five-yard line.
Leading Chelsea's defensive efforts were John Toon, who recorded 12 tackles, Rick Davis, Mark Smyth, and Mike Check, nine; Leon Brown, eight; Scott Owings, seven; Dale Headrick, six; Howard Bush, five; John Adams, four; Joe Branham, three; and Bruce Stubbs, two.
John Adams, Joe Branham, Scott Owings, and Bruce Stubbs also each recovered a fumble.
JV Bulldogs will close out the season tonight (Thursday) when they travel to Jackson Northwest for a game at 7 p.m.

Girls Varsity Cagers Down Saline, 41-27

mussen and Micki Bridges, three; and Shawn Spaulding, Alice Juergens, and Sue Schultz with two.
Chelsea women remain tied with Brighton for first place in the league.
Chelsea's junior varsity squad, now tied for second place with Dexter, fell to Saline, 30-19.
"We had some trouble hitting," said Coach Cindy Bradbury, "but our major problem was with their fast break. They scored 19 points on that alone."
High scorers for Chelsea were Teresa Breza with 10; Penny Collinsworth, six; Sue Heydlauff, two; and Carolyn Schardein, one.
Thursday both squads will entertain Lincoln on the Chelsea court, beginning at 6:30 p.m.

All-Conference Football Team Selections...

Dave LewAllen and Mark Darney, Brighton; Karl Stander, Dexter; Gary Ford, Novi; and Reed, Hackworth, and Keiser.
Saline and Novi also held the edge in number of players picked for the first offensive team. Chosen were Tim Slepisky, Joe Corona (a unanimous choice), and Larry Lindemann, Saline; Bill Barr, Ron Buck (a unanimous choice); and Paul Bosco, Novi; Don Geise and Dan Cheresko, South Lyon; Gary Girard, and Tim Hess, Lincoln; and Bauer.
Second team offensive honors went to Gary Ford, Brian Schingeck, and Mike Collins, Novi; Doug Peck, Saline; Jim Wallace and Ben Inman, South Lyon; Fred Peterson and Jim Engle, Milan; Randy Kinsey, Lincoln; John Bitten, Brighton; and Wood.

Personal Notes

Newcomers to Chelsea are the Richard and Ethel Pfeifer family, who have moved from Rochester to 14490 E. Old US-12, the former home of Alvin Pommerening, who has moved to 1200 Earhart Rd., Ann Arbor. Pfeifer was recently transferred from Rochester to be assistant chief engineer in charge of truck testing development at Chrysler Proving Grounds. The Pfeifers have three children, Sherry, 15; Tom, 16; and Sandra, 18.
The Environmental Protection Agency reports that 1975 automobiles would get about 13.5 percent better gasoline mileage, on the average, than 1974 models.

Frosh Gridders Close Out Most Successful Year Since '68

Chelsea freshmen gridders ended a fine season last Wednesday night by tagging previously-undefeated Napoleon with its first loss, 28-20.
Little Bulldogs struck hard and early when Jeff Powell threw to Chuck Broderick for a 55-yard touchdown on the second play of the game. Mike Young added the conversion.
Next time Chelsea gained possession of the ball, Young topped a 60-yard drive by going the final five yards for a TD.
Little Pirates weren't dead, however, and proved it by coming up with a pair of six-pointers, both on four-yard passes.
Little Bulldogs came back with less than a minute remaining in

the half when Brandy Rinehart drove one yard for his first touchdown of the season, then added the conversion.
Matt McClear then made his third consecutive kick-off tackle, and Chelsea held on to a 22-14 half-time lead.
Third quarter began as a defensive period, with Don Wälz, Tim Bassett, Bill Van Ripper, and Steve Check halting Napoleon's running game and Brad Smith and Todd Weber keeping the quarterback on the run.
Little Pirates broke the ice late in the period with a short run, but missed the conversion. Although they tried desperately to score again, key tackles by John

Daniels, Dave Schrottenboer, and Jerald Benjamin, and interceptions by Jeff Powell and Matt Fisher thwarted their efforts.
Steve Pennington then stopped a fake punt with time running out, and Matt Fisher capped a short drive by running a single yard behind Dave Schrottenboer and Jason Lindauer. Powell's kick was good, but there was a penalty on the play, and his second try was wide.
Napoleon worked a reverse on the kick-off, but it was called back by a penalty. A Little Bulldog interception sealed the defeat.
This final victory boosted the freshman record to 5-2, the best record or a freshman team since 1968.

THE LANSING REPORT
Senator GIL BURSLEY

Where Are Lottery Funds Spent?
The recent campaign has often centered on questions of government revenues and expenditures. Throughout the campaign I have been asked how the monies from the lottery are spent. I think it is critical that the people of this state have a thorough explanation to this question as is possible. Earlier this year I replied to several constituent inquiries concerning the lottery monies. I would like once more to bring this breakdown to the attention of the people in my district and in the state.

The profits from the lottery go to the state's general fund where it comes along with other general fund monies and is appropriated in lump sums to various state agencies and services. It is possible, through percentages, to get a general idea of what the money is being used for.

Because the lottery went into operation after the last fiscal year began, July 1, of 1972, the first 12-month period extends over parts of two fiscal years—another factor which makes it difficult to be specific about services provided by the lottery revenue.

The following summary gives a good picture of how the monies are spent today.

Net Revenues to General Fund, 1972-73, 37 million (partial year); 1973-74, \$65 million; 1974-75, \$23 million (partial year).

Total Net Revenue to date, \$125,000,000.

The breakdown by percentages for General Fund expenditures comparable to "how lottery revenues are used" are as follows: Education, 44 percent; Human Services, 39 percent; Other programs, 17 percent.

The state colleges and universities, mental health and capital outlay receive sizeable revenues from the lottery. Other agencies profiting to the tune of 1 million or more include corrections, natural resources, general government, safety and defense, regulatory and the department of education.

Michigan residents—in addition to some from several other states—have been purchasing approximately 5.2 million lottery tickets each week. Under the law, people who support the lottery by purchasing tickets get back about 45 percent of the gross, which was approximately \$150 million for the first 12 months of operation.

NORTH ELEMENTARY SCHOOL NOTES

KINDERGARTEN
Mrs. Vivian Michelson, teacher
So many exciting things have happened to us. For instance, one night we brought our parents to Open House and they saw what we have been doing in our rooms. They met our teachers. Our room looked "real scary and pretty." Halloween! We had a party. We were all dressed up and paraded around school in rooms where some of us have brothers and sisters. Mr. Benedict talked to us about safety on Halloween. Greg Brown and Kathryn Morgan won first prizes for their Halloween posters.

Did you know that fire needs air? We saw it with our jack-o-lanterns. We know about good things air does for us.

We had one of the best things happen. Mrs. Amegh came from the Beach School with her string instrument class. We marched with them. We even played their violins, violas and cellos. Amy said "Now I know how to play the viola."

People from Mr. Coelius class came to tell us stories once a week. Mrs. Coelius is going to show us how to make dolls (with corn husks we brought back from the Frisinger farm). Carla Brightwell loaned us a corn cob doll. Perhaps we will try to make that kind. Some of our mothers said they would help us.

Mr. and Mrs. Thibault gave us a refrigerator (Mrs. Ellenwood made the arrangements). We are glad we have a refrigerator.

Mrs. Rossi helped us paint a spooky Halloween picture—A mural. She teaches in our room with Mrs. Michelson. Dawn Bucholz comes from the high school to help in the morning.

We saw an ant hill at Edie Harook's house. Soon, Randy Ferry's mother will show us how to make donuts.

Getting ready for winter! That is important because people have to get ready and so do animals. We talk about "a long time ago" and how people used to live.

Lisa Weber gave us Butter-scotch, our new guinea pig. We have so much to be thankful for.

Exploration Days Enjoyed By 240 4-H'ers

Eastern Michigan University was the recent host of the second 4-H Exploration Days to be held on its campus, Nov. 1 and 2. Approximately 240 4-H members, leaders and parents converged on the campus for the Washtenaw county event. Most participants were from the Washtenaw county area with some delegates coming in from neighboring counties.

Forty 4-H'ers over the age of 12 arrived Friday evening for an overnight stay in Hoyt dormitory. In addition to getting a taste of dorm life, they participated in an evening option plus other recreation.

Exploration Days was conducted by EMU faculty and students to help 4-H'ers learn more about their favorite interest areas. Thirty-five class options were conducted ranging from candle making, to archery, to Fun in the Greenhouse, to Norwegian Christmas Baskets, to gymnastics and skeet shooting. Classes were the "learning by doing" type. More than 130 4-H'ers attended the football game, EMU vs. Central Michigan as their afternoon option.

Who pays for living expenses (elsewhere) while they repair your home?

Most policies provide the coverages you expect—fire, lightning, storms, riots, vandalism and the like. They cover the cost of repairs due to these losses. But have you thought about the cost of living elsewhere if your home has to be repaired or rebuilt? It could run into hundreds of dollars. Or, it could be covered in black and white in our Homeowners Policy, so we would pay those extra living expenses! Give us a call. We'll put your home insurance all together in one policy for convenience and saving's sake.

SUCCESSFUL DEER HUNTERS who take their deer, or head of deer, to the local Wildlife Division of the Michigan Department of Natural Resources checking station at the Washtenaw County SCS-ASCS Office, 6101 Jackson Rd., Ann Arbor, will receive this colorful patch.

Wildlife Division Will Operate Local Deer Checking Station

Wildlife Division of the Michigan Department of Natural Resources will once again make it easy for deer hunters to be boastful by distributing a "Successful Deer Hunter, 1974" patch to hunters who bring their deer, or head of their deer, to the local checking station.

The station, located at the Washtenaw County SCS-ASCS Office, 6101 Jackson Rd., Ann Arbor, will be open Saturday, Nov. 23 and Saturday, Nov. 30, both days from 9 a.m. to 12 noon.

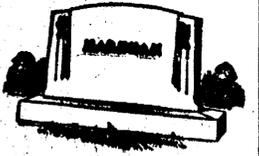

At the station, a wildlife division representative will obtain a variety of biological information on each deer, such as age, sex, township bagged, and other data which will assist in management of the animals.

Dr. P. J. Brownson Named to Academy Of Family Physicians

Paul J. Brownson, M.D., of the Chelsea area, was among some 3,000 members of the American Academy of Family Physicians to be named a "fellow" of the Academy at the AAFP's annual convention and scientific assembly in Los Angeles, Calif., Oct. 15.

AAFP, representing more than 36,000 family doctors, pioneered among national medical groups requiring members to take continuing study, a minimum of 150 accredited hours every three years.

The degree of fellowship is attained by successful completion of 600 or more hours of accredited continuing medical study, or by passing a certifying examination administered by the American Board of Family Practice, showing specialty in family medicine.

School Board Briefs

Present at the Board of Education meeting Monday, Nov. 4, were President Haselschwardt, Trustees Tobin, Daniels, Stirling, Hodgson, and Irwin; Superintendent Cameron, Business Manager Mills, Principals Lane and Conklin and Assistant Principal Lapanowski; and several guests.

Meeting was called to order at 8:10 p.m. by President Haselschwardt. Minutes of the Oct. 21 meeting were approved as corrected.

Extended discussion was held with guests regarding a busing problem.

Maternity leave was granted to Mrs. Terry Kamler and Mrs. Elizabeth Raduazo for the second semester of the 1974-75 term.

The board approved a request of Spanish teacher Mrs. Rosemary Wotila for a student trip to Mexico during spring vacation.

Purchase of materials for the building trades house was discussed in detail. Bids on the materials have been received from Fingert Lumber Co. (\$7,270.76, plus delivery charges) and Chelsea Lumber (\$7,047.76, with no charge for delivery).

Motion by Stirling, supported by Irwin, to accept the low bid of \$7,047.76 as submitted by Chelsea Lumber for materials for the building trades house, including delivery of the materials to the site as needed. Ayes: Haselschwardt, Tobin, Hodgson, Irwin, and Stirling. Nays: None. Abstention: Daniels.

Superintendent Cameron discussed accountability in light of the possibility of implementation by the State Department of Education in the future. Goals for the school district will be developed by the Board of Education, administration, staff, and community involvement for a better education program.

The board approved building and site bills totaling \$85,634.21.

Bids on interest to be paid on \$200,000 tax anticipation notes were received: Community Bank of Bad Axe, 7.25 percent; and Ann Arbor Bank and Trust Co., 6.75 percent. The board accepted the business manager's recommendation to accept the low bid of Ann Arbor Bank and Trust of 6.75 percent.

Superintendent Cameron reported that the district will participate in a Department of Education

paperback library program for the second semester of 1974-75.

Superintendent Cameron discussed the unemployment compensation act, which will go into effect Jan. 1, 1975.

The board granted tenure to Mrs. Susan Craig, effective immediately.

Meeting was adjourned at 12:15 a.m.

CHS Bandorama Scheduled Nov. 14
Band Director Warren Mayer has announced that this year's Bandorama, which is an indoor performance of Chelsea High school's big marching band numbers of the 1974 football season, is scheduled for Thursday, Nov. 14 at 7:30 p.m. in the high school gym.

Also additions began for the symphony band this week and are continuing Monday through Friday, Mayer noted.

From Roger C. Hackett, Raleigh, N.C.: It was 1903 and I was four years old, on a hot summer day, the place was Livermore, Kentucky. On this day the inhabitants were more excited than they had been at any time since the Civil War. The cause was the first automobile ever seen there. It had been driven from Owensboro which was about 20 miles away. It had taken the driver and his buddy most of the morning to make the trip over the winding, dusty and rutted country roads.

The car was a two-seater, no top—with a high clearance. It sure made a lot of noise and there was plenty of exhaust as well. Although autos had been in the developmental stage for ten years at that time (there were supposed to be about 10,000 cars in the U.S. in 1900—one for every 7,600 people), it is safe to say that in 1903 the country's population had never seen one. In the rural and small towns probably no more than one in a hundred had seen a car. Thus the whole town turned out that day in Livermore—I remember.

RESOLUTION

RESOLUTION: stating the concern of American Citizens and particularly the concern of the membership of the Washtenaw County Council of Veterans, and American Legion Post 31, VFW Post No. 4076, of the status of the Missing in Action (MIA) issue. It is desired that necessary support be given to Senator J. William Fulbright, chairman of the Foreign Relations Committee, in his decision to go to Hanoi on behalf of our MIA's. We trust that our Congress will give its support to the Gurney Amendment, now pending in the Senate Finance Committee. The Washtenaw County Council of Veterans and VFW Post No. 4076 and American Legion Post No. 31 are committed to concern for all those who served our country well and to take the necessary action to see that all is done to solve the needs of our fellow comrades. We care and wish to be counted in this most urgent need... to get our American men home!

WHEREAS: there is evidence that twelve hundred, sixty-five men, American combat soldiers in the Vietnam conflict, that remain in southeast Asia unaccounted for, listed as MIA's and

WHEREAS: at the time the United States signed the Paris Peace Conference Agreement on January 27, 1973, all Prisoners of War, Armed Forces and Civilians, were to be repatriated. Our Government has information and evidence that North Vietnam has not honored this Agreement; and

WHEREAS: it is the duty and responsibility of every elected member to the Congress and our President to denounce this detention of our fellow Americans and total disregard of the Paris Peace Agreement and the Geneva Convention. It is our duty, the duty of every American citizen, to do all in our power to exert pressure until North Vietnam releases our men and accounts for those who died in captivity; and

WHEREAS: Senator Gurney has introduced an Amendment (the Gurney Amendment) in our United States Senate that will exert economic pressure on Foreign countries to force North Vietnam to fulfill her agreements; and

WHEREAS: Senator William Fulbright, Chairman of the Committee on Foreign Relations, is considering a trip to Hanoi on behalf of our MIA's. All effort should be made to support Senator Fulbright, and a group of representative veterans in this effort, both financially and otherwise. No other National issue should be given a higher priority than the release of our MIA's; now, therefore be it

RESOLVED: by the Washtenaw County Council of Veterans and American Legion Post No. 31, VFW Post No. 4076 that we support and demand every endeavor, possible, to assure the return of American soldiers held prisoner of war in Southeast Asia and that an accounting be made of those who died in captivity. We would implore every American Veteran to unite in our demonstration of outrage. Our President and our Congress shall know our hearts and hear our voices when we shout "GET OUR MEN HOME." This Veteran's Day, November 11, we shall remember our honored dead, but also, we shall remember our living who are not dead, but who want to come home.

Adopted October 23, 1974.

Respectfully submitted,

Pins Found In Candy for Halloween

A little bit of the ugliness associated with big cities crept into Chelsea with Halloween spirit last week, as two local residents have reported finding straight pins in their children's candy.

Mrs. Betty Watson, 12 Sycamore Dr., reported that she found a pin in a small Brachs caramel while sampling her son's candy. The candy was described as approximately three-inches long, and was wrapped in orange and red striped paper.

Mrs. Watson said that her son, Mark, six years old, had been taken trick-or-treating by a neighbor parent and had gone to approximately 25 homes, all in Lane-wood on Sycamore and Chestnut Sts.

"We're able to figure out what he got from about 19 or 20 houses," she said. "So we've narrowed it down to about five houses." Police are continuing their investigation of the incident.

A woman living in the 600 block of Taylor St. told police Thursday that she had found a straight pin in a Butterfingers candy bar. She was sorting through her child's candy, she told officers, and found a bar whose wrapping paper had been tampered with. She cut the candy into slices and found the pin. Her child had trick-or-treated on Taylor, Lincoln, Grant, and Pierce Sts., she said. Police are also continuing their investigation of this incident.

Band Uniforms Damaged at High School

A number of band uniforms were damaged sometime over the past week-end by vandals who entered Chelsea High school's band room and poured snow cone syrup over them, Chelsea police say.

A school employee who opened the school at 6 a.m. Monday initially reported the damage to police, who found that three locks on cabinets containing the uniforms had been broken off, the door pried open, and the uniforms removed. A 24-inch crowbar and a screwdriver, believed to have been used in the entry, were found in the uniform room.

Investigating officers Peebles and McDougall believe that entry to the locked high school was gained by climbing onto the roof and entering through a skylight.

Officers also found that an auditorium door had been pried off and twine strung among the seats in the auditorium.

At the time of the initial report of the incident Monday, school officials and police had no estimate regarding the amount of damage done to the uniforms, although Chelsea Sgt. Leonard McDougall estimated that it would be "well over \$100."

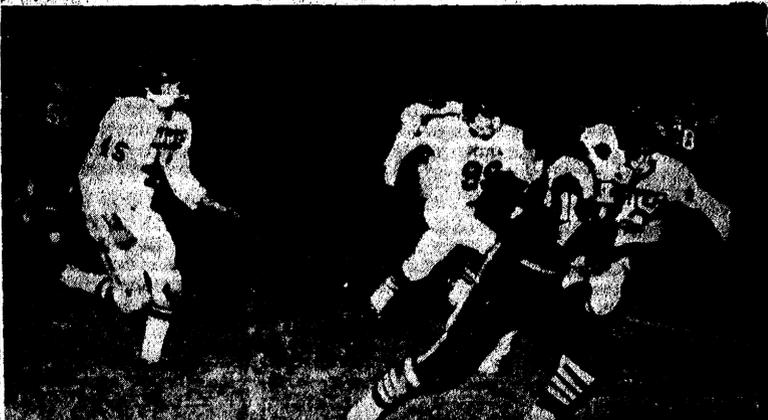

Police are continuing their investigation.

U-M Representative To Meet With Seniors

A representative from the admissions office of the University of Michigan will be available at Chelsea High school on Tuesday, Nov. 12, at approximately 11 a.m. to confer with students, particularly seniors, interested in learning more about U-M.

Last week representatives of Hope College and Kalamazoo College met with local high school students.

DREADNAUGHTS SURROUND John Collins (12) as he scores Chelsea's final touchdown in Friday night's contest between the pair of traditional rivals. Chelsea triumphed, 44-8, rolling up a touchdown parade that included six-pointers by six different players. Dexter's only scoring came on a touchdown by Bill Bernard and a two-point run by Bob Toth.

CHELSEA QUARTERBACK RANDY GUENTHER zips toward the end zone on his way to scoring Chelsea's first touchdown last Friday in their 44-8 dumping of Dexter.

Windows Shot Out in Home

Windows in a home in the Lane-wood subdivision were shot out by a pellet gun on two successive nights, Chelsea police reports say.

One 4-foot by 3-foot thermopane glass window, valued at \$65, was shot out of the south side of the Gerald Duffy residence at 23 Chestnut St., at approximately 9 p.m. last Wednesday.

Duffy told police that he heard noise from the breaking window and ran outside, there spotting a car traveling away from the vicinity of his home at a high rate of speed. Duffy said he attempted to pursue the car, but could not apprehend the apparent vandals.

Thursday Duffy reported to officers that another window, this a 22-inch by 44-inch one valued at \$55, had been shot out.

Officers have been provided with a description of a suspect car following the first night's damage and are continuing their investigation.

Veterans Day Parade Slated Here Monday

Washtenaw County Council of Veterans annual Veterans Day parade is scheduled for next Monday, Nov. 11, in Chelsea, only the second time in the history of the parade that it has not been held in Ann Arbor.

Local parade chairman Jim Knott, a member of American Legion Post No. 31, says that the county Council of Veterans decided recently to attempt to rotate the parade among surrounding communities. Last year the parade was held in Ypsilanti.

Set to appear in the parade are a large number of color guards, floats, and vehicles representing assorted local, county, and state organizations.

Included in the parade will be representatives of the Chelsea Police Department, Washtenaw County Sheriff's Department, the U. S. Army Recruiting station of Ann Arbor, Fontana Ambulance Service, Veterans Administration Hospital in Ann Arbor, Co. D., 158th Sig. Bat. of the Michigan National Guard, U. S. Post Office in Ann Arbor, Ann Arbor Police Department, World War I Barracks No. 2150, Graf OHara VFW Post No. 423, Ladies Auxiliary of World War I No. 2150, Blissfield American Legion, with color guard; Grottoes, with clowns; DAV No. 13, with color guard; Dexter Fire Department, with Model T fire engine; VFW Post No. 4076 of Chelsea, with color guard, float, and the Ladies Auxiliary to Post No. 4076; VFW Post No. 2408 of Ypsilanti; Dexter American Legion with color guard; Ann Arbor Army Re-

serves with their recruiting van; Michigan Paralyzed Veterans Association; American Legion Post No. 31 of Chelsea, Chelsea Fire Department, Washtenaw County Chapter of 40-and-8 with their box car; and the Beach Middle school and Chelsea High school bands and assorted local Girls Scouts and Boy Scouts.

Parade marshal for the event will be Mac Packard, a member of both Chelsea VFW Post No. 4076 and American Legion Post No. 31.

The parade will form on Middle St., and beginning at 7 p.m. will proceed south on Main St., to the Chelsea Fairground. A reception will follow in the Fair Service Center for participants.

Parade chairman Knott noted all participating organizations are hoping for a good public turnout to honor the nations veterans, and also to show support for the Council of Veterans attempts to rotate the parade.

Although nationally, Veterans Day is celebrated Oct. 28, as one of a group of holidays altered to provide government employees with three-day week-ends, Michigan is one of a number of states which has returned its observance to the "traditional" Veterans Day, Nov. 11.

THE CHELSEA STANDARD, THURSDAY, NOVEMBER 7, 1974

COMPLETE WITH CAULDRON AND BROOM
Susie and David Oesterle were judged to be costumed in the most typically Halloween manner as a witch and her cat. Some straw in strategic locations, flannel shirts, and patched-up jeans formed the costumes of Shelley Weber and Tracy Borton, second-place winners with their likenesses of scarecrows. Looking particularly ominous on this evening of ghosts and goblins is Michael Stubbleton, third-place winner.

RATED MOST ORIGINAL out of this cast of thousands was the Stirling youngsters' entry, amese twins, to place second in the judging, while Mark Steinaway, touting himself as "Mark the Great," earned third place. Lisa Cattell and Sherry Hankerd also came in a pair, as Si-

Halloween Costume Winners

With unseasonably warm weather undoubtedly contributing to lively Halloween spirits, costumed holiday youngsters turned out in force last Thursday for the Kiwanis-sponsored Halloween parade and cider-and-donuts festivities that followed trick-or-treating.

As if gathering all the goodies were not sufficient reward for an evening of Halloween-ing, nine local youngsters also received cash prizes from Kiwanis Club for their outstanding costumes.

High on the horrifying list were Dick Pfeiffer, Steve Whitesell, and Paul Burkhouse, who took first, second, and third places, respectively, in the "spookiest" category, earning themselves prize money of \$3, \$2, and \$1.

Judge to be most bewitching in the "most typical of Halloween" category were Susie and David Oesterle, who captured first place with their costumes depicting a witch and her ever-present cat. Taking the farm vote were Shelly Weber and Tracy Borton, whose outfit as a pair of scarecrows took second place. In third place in the most typical category was Michael Stubbleton.

At the most comical level, Mike Galbraith took an uncivilized delight in dressing up as an out-house, a costume that was good enough to earn him first place. Sue Gardner, leaning toward the canine viewpoint, earned second place by turning up as an orange dog. Landing in third place with his likeness of a hag was Roger Graves.

Costumes in the "most original" category ranged from fairy tales to wishful thinking. The Stirling youngsters captured first place with their true-to-life version of Pinocchio and his puppeteer.

Joined forever as the second-place winners in the most original category were Lisa Cattell and Sherry Hankerd, who dressed as Siamese twins. Mark Steinaway indulged his ego to the hilt by appearing as "Mark the Great," good enough for third place.

Band Boosters Seeking New Site for Summer Band Camp

At the Band Boosters regular monthly meeting on Nov. 14, a committee will be appointed to make inquiries about a new site for the 1975 Band Camp. This is urgent as camp contracts have to be signed soon.

SEC ROUND-UP:

Novi Wins Third Consecutive League Title By Edging Milan

After a good deal of close calls and stretching and straining Novi's Wildcats finally wrapped up a sole possession of the Southeastern Conference title, their third in three years, by downing Milan, 16-7.

As has been the Wildcat story in the final games of this season however, this contest was at times touch-and-go. The encounter was not put away into the Novi win column until, in the fourth quarter with a minute remaining to play, Wildcat Ron Buck tackled the Milan quarterback in the end zone for a safety that put Novi in the lead to stay.

Novi's scoring came on a 55-yard Pat-McAllen-to-Randy Wroten pass in the second quarter, followed by a Bill Barr point-after.

What was eventually the winning touchdown came in the final period, when McAllen ran 24 yards for the six points, with Barr adding another extra point.

Milan's only scoring came in the opening quarter, when Mike Love recovered a Novi fumble and raced 87 yards for a touchdown.

Greg Keilaman kicked the extra point for the Big Reds.

Meanwhile, Novi, on the last leg of its trek to a championship for 1974, had three touchdowns called back by penalties.

Chelsea 44, Dexter 8-

Bulldogs held Dexter to an incredible 12 yards total rushing and 14 yards passing, while simultaneously rolling up their largest point total of the year.

Randy Guenther began the Chelsea rampage when he edged past the Dexter defense for a touchdown, in a rapid-fire play, Rex Miles blocked a Dexter punt, which was then grabbed by Jim Boyer, who ran 18 yards to score.

Further scoring came from Dave Keiser, who ran four yards for six points; Howard Salyer, who charged 62 yards on a punt return for a touchdown; and Ishmael Picklesimer, who booted a 34-yard field goal, in addition to his four extra point kicks, to make the Chelsea lead 31-0 at half-time.

Later scoring came from a three-yard run by Mark Dalton and a

nine-yard number from John Collins. Rex Miles added an extra point kick.

Dreadnaughts' only scoring came in the third quarter, when Bill Bernard ran two yards for a TD and Rob Toth scored a two-point conversion.

Saline 23, Lincoln 0-

Saline retained its hold on a three-way tie for second place by downing Lincoln Friday, holding the hapless Raisplitters to 114 yards total offense and dooming them to a 2-5 SC record.

Hornet scoring came by the pair from Al Kaufman, who tallied touchdowns on runs of one and 10 yards, and Bucky Skinner, who kicked two extra points to give Saline a quick jump on Lincoln, 14-0. A Tim Slepysky-to-Ed Charlton pass, good for a 39-yard touchdown, provided the Hornets with a big 20-0 lead going into intermission.

A 25-yard field goal from Skinner in the second half capped the Hornet scoring.

Defensively, Saline was led by middle guard Jim Haussler, who recorded seven solo tackles and assisted on 11 more. Grabbing a pair of interceptions each were Dave Fosdick and Steve Monty.

South Lyon 21, Brighton 14-

South Lyon came from behind Friday to remain tied for second place in the SEC with Saline and Chelsea, but just by the skin of their teeth.

Brighton jumped to a quick 14-7 halftime lead, but quarterback Ray Foley led South Lyon up the comeback trail after the intermission, when he lofted a 13-yard TD pass to Mitch Vibber, then scored himself on a two-yard touchdown sneak. Two extra points were kicked by Ken Givens to provide the Lions with their winning margin.

Early Bulldog scoring came on a 24-yard pass from Dave Lew Alen to Paul Armoshi and a two-point run from Tim Calley.

Although the Lions returned with a seven-yard TD run from Don Guise and a Ken Givens kick, Calley dove for a TD in the second period to provide Brighton with its half-time lead.

Letters to the Editor

To the Editor: I would like to congratulate MARP and other interested citizens for the nice job they are doing on the depot. It is certainly a big plus to the area.

However, in the matter of safe crossings, gates, lights, and bells may be all right in some areas, but the Chelsea crossings are no, afforded much protection by these devices. Very often these gates go up and down but nothing goes along the tracks. Motorists pay little or no attention to the signals.

There is, however, a very simple solution to this crossing situation. Continue Jackson St. from where it terminates at Madison, on through to the Chelsea-Dexter Rd. I understand that we already have a fire lane that runs along the south side of the track so that it should be clear sailing. A road along here should eliminate most, and possibly all, of the dangerous crossings, including Freer Rd. and private driveways.

Edward Blacklaw.

To the Editor: Sorry to bother you again, but I feel obligated to apologize to my friends and neighbors who are involved in the depot project for the offensive manner in which Mr. DeLora presumed to restate my position in his letter to the editor. His inflammatory rhetoric totally misrepresents my attitude; his perception completely misses the point of priorities; and his reference to personalities is a cheap shot that non-residents can afford.

The fact that Mr. Deora nowhere offers a direct quote to substantiate the positions and attitudes he ascribes to me is tacit admission that those inferences are not there in my letter to be quoted. He has taken extreme liberty in ascribing to me thoughts have not entertained. I suggest that Mr. Deora and any of my friends misled by his rhetoric reread the letter submitted on Oct. 24, particularly noting that which escaped Mr. DeLora's perception, to wit: that nowhere have I criticized personalities or impugned their motivation; that I expressed some appreciation for improved appearance of the depot; that I acknowledged Penn Central's bankruptcy; and that the issue to which I addressed myself or one of priorities for community concern, which includes both the crossing at Freer Rd. and the depot. By that latter I stand.

Mr. DeLora's response contains a misconception, a misrepresentation and a contradiction that can only serve to confuse the people of Chelsea. It is a misconception to say

that "crossing signals can't be installed at this time." I have been informed by a Penn Central maintenance official that crossing signals could be installed as soon as funds are made available. There is no restriction on who may provide the funds although Penn Central work crews must make the installation.

It is a misrepresentation to generalize that the attitude of Penn Central is "extremely cooperative, helpful, and civic minded," going out of their way to help cities and villages. Attorney General Frank Kelley, on behalf of the people of the State of Michigan, is prosecuting Penn Central for failure to act on 27 PSC orders for crossing signals that Penn Central won't (not can't) implement. Our local police have issued dozens of traffic violations that Penn Central ignores. When our daughter was killed at the Freer Rd. crossing last year, I learned from the superintendent of schools that the district has tried for years to get Penn Central to install signals at that unguarded school. Within the last year there have been two hearings and a PSC order for signals at Freer Rd., all of which have been resisted and objected to by civic-minded Penn Central.

It is a contradiction to say, "Mr. Dickins must realize that Penn Central is presently losing \$55,000 per day. It cannot begin to afford the installation of signals at thousands of crossings" . . . and then extol MARP's recommendation for the replacement of crossings with bridges and viaducts involving every crossing over which passenger trains run. Can Penn Central better afford bridges and viaducts? A package of bills before the Michigan legislature require future grade crossings to be separated by bridges and viaducts. Present crossings are not affected. The same package of bills is languishing in committee where the railroad lobby hopes they can be kept.

According to the Detroit Free Press, "Michigan motorists are being killed at the rate of one a week at railroad crossings." Mr. DeLora's heart may bleed over the continuing loss of life and the memory of two little girls killed at Freer Rd. for lack of a crossing signal that neither ranks highly in community priorities nor Penn Central's concern. If Mr. DeLora is serious in his concern over Freer Rd., perhaps he should enlist the influence of MARP on the side of the people

DREADNAUGHT QUARTERBACK Mark Cunningham is grabbed by Chelsea's John Collins (12), while Dave Watson (11) stands ready to lend a hand. Dexter's loss to Chelsea, 44-8, left the Dreadnaughts with a 1-6 record in the Southeastern Conference.

Pamphlet Helps In Understanding Teen-Ager Moods

If your teen-ager's moods and behavior are driving you up the wall, maybe it's because you've forgotten how it was to be an adolescent.

In a booklet, the National Institute of Mental Health discusses

in PSC case RR-4246, instead of defending nay-saying Penn Central. Clive Dickins.

Dear Editor:

We have lived in Chelsea for four years and found it congenial and friendly, and the town to me still is this way, except for one demented person. On Thursday, Oct. 31, Halloween night, my son, Mark Watson, who is 8 years old was trick-or-treating in Lanewood with his friends and their mother, Mrs. Janis Kidd.

He received a stick of Brach's caramel candy with a straight pin inserted in it. Luckily his mother found the pin before he could consume the candy.

I cannot comprehend what type of injuries this could cause, but I am sure they would not be minor had he swallowed the pin or had it lodged in his throat.

I am sorry for my son because he will never again go from door to door on Halloween like did, because in this day it seems you no longer can even trust your neighbors.

I want to thank Officer Graves of the Chelsea Police Department for his prompt investigation of this. I hope sincerely for all of the children in this town that the person or persons responsible for this are prosecuted to the fullest extent of the law.

William F. Watson.

some of the problems of adolescence and suggests ways that parents and other family members can help the young person. Copies of Facts about Adolescence are available for 30 cents from Consumer Information, Pueblo, Colo. 81009.

According to the booklet, adolescence—that period between the beginning of full sexual development and adulthood—is a difficult time for many young people. Making the transition from childhood to maturity is not easy today in our complex society. Besides contending with his or her own changing physical and emotional characteristics, the present-day adolescent has to deal with more rapid social changes than have faced any other generation.

During this difficult growing-up period, the adolescent needs the capacity to accept as well as to give affection, the feelings of being understood as well as wanted, freedom from domination or undue interference, and firm but flexible discipline.

Here are some specific ways you can help your teenager:

—Take his or her problems seriously. In discussing problems, don't argue, but compare points of view to help the adolescent make independent decisions.

—Discuss what kind of behavior you prefer, and why. —When the adolescent's behavior is unacceptable, tell him (or her) so, but with assurances of continued interest and affection.

FACTS ABOUT ADOLESCENCE (30 cents) is one of 250 selected Federal publications listed in the current edition of the Consumer Information Index.

Business Sorority Hears Panel on 'Women Alone'

A special meeting of Xi Gamma Mu, businesswomen's sorority, was held Monday, Nov. 4 in the McKune Memorial Library meeting room with a panel discussion on "Women Alone."

Women on the panel, Christine Harris of Detroit, and Kay Gilley and Elma Roth of Dearborn, discussed the problems of rearing children alone, and adjusting to the problems of divorce and widowhood.

Hostesses for the evening were Louise Reibold, Lavonda Hayes, Joan Maier, Gail Cordell, Loree Stafford, Shirley Trinkle, and Ruth Blecha.

Prize winners for the evening were Karen Koch, who won a ham; Donna Feldkamp, who won a rod and reel; and Lois Taksony, who won an antique sofa.

Next meeting is scheduled for July 18 at the home of Judy Barkley.

Kitchen Stove Safety Involves Simple Rules

If your clothes ever catch fire, DON'T RUN! Drop immediately to the floor or ground and ROLL to smother the flames. Teach children how to do this.

But, while you should know how to protect yourself in the event of a fire, there are things you can do to prevent the emergency from happening.

Most home fires start in the kitchen and relate to the kitchen stove. In a fact sheet called Kitchen Stove Safety, the Consumer Product Safety Commission points out some of the dangers and gives purchase, use, and maintenance tips to prevent accidents. Single copies of the fact sheet are available free from Consumer Information, Pueblo, Colo. 81009.

When you're buying a stove:—Choose one with knobs difficult for children to turn on.

—Check for controls you can reach without having to stretch over burners.

—If you buy an electric stove, make sure it has signal lights to warn when burners are on. Make sure a gas stove has pilot lights for the burners and the oven.

When you are using the stove:—Wear tight-fitting clothes. Loose sleeves are the cause of most clothing fires which start at the stove.

—Use potholders, not towels, to move pots. Towels could brush across a burner and catch fire.

—Don't hang curtains or dish-towels close to the stove. —If the oven has no pilot light, don't turn on the gas until you have lighted a match. Otherwise gas could accumulate and cause an explosion.

—Never use flammable liquids near a gas stove. The pilot light can easily ignite the vapors, causing an explosion.

—Never use a small pan on a large burner. The exposed part of the burner could ignite your clothing, and the overheated pot handle could cause a bad burn.

—Have the gas company check any suspected gas leak immediately.

—Keep pilot lights lit. —Check controls on electric stoves to be sure they are off. A burner can still be on even though it is not red.

—And with children around, don't store cookies or other foods attractive to them over the stove. Otherwise, they might climb on the stove and be severely burned. Kitchen Stove Safety (free) is one of almost 250 federal publications of consumer interest listed in the Consumer Information Index. Published quarterly by the Consumer Information Center of the General Services Administration, the Index is available free from Consumer Information, Pueblo, Colo. 81009 and from Federal Information Centers throughout the country.

Watershed Council Plans Information Meeting Nov. 14

Huron River Watershed Council will hold a general informational meeting, open to the public, Thursday, Nov. 14 at 7:30 p.m. in the U. of M. Matthea Botanical Gardens, located at 1800 N. Dixboro Rd., east of Ann Arbor.

Topic for the informational program will be Michigan's Soil Erosion and Sedimentation Control Act: An Act to provide for the control of soil erosion and to protect the waters of the state from sedimentation. Speakers on the program will include Mark Hargitt, Bureau of Water Management, Michigan Department of Natural Resources; Michael Craine, Livingston County Planning Department; and Clarence Hanselman, Washtenaw County Building Inspection.

In announcing the meeting Council Executive Secretary Owen Jansson noted that sediment, while often less discernible than other forms of pollution, constitutes America's largest water pollutant by volume, contributing some one billion tons of material to our rivers and streams annually.

Since the Administrative rules for Michigan's soil erosion law take effect in January, this meeting should be of interest to local builders, developers, and contractors who will be governed by local implementation of the Act, as well as to concerned citizens of the Huron River basin.

For further information contact Owen C. Jansson, Huron River Watershed Council, at 665-0614.

An American Council on Education study placed 12 Michigan State University departments in its highest national ranking of their faculty and the effectiveness of their doctoral programs.

Class Series Designed To Help Parents Starts Monday

The Washington Co-operative Extension Service is offering a series of four learning sessions designed to help parents improve their communication and parenting skills. The series planned as a kind of "in-service training" will increase participants' skills in listening, communicating feelings and constructive conflict resolution. Sessions are scheduled for Mondays, from 7 to 9 p.m. beginning on Nov. 11, at the Pittsfield Grange Hall, 3337 Saline-Arbor Rd.

We are saying, "Give this a try and see if it's helpful." Mrs. Yeckel will conduct the sessions. There is a charge of \$1 for supplies. Couples are requested to attend all four sessions.

and to purchase or borrow the book, Parent Effectiveness Training, by Thomas Gordon. Registration will be on a first come, first served basis. Register by phoning 994-2457.

Novice Debaters Scoring Well in League Competition

Junior varsity and novice debaters Tuesday came away from the season's first competition in the ABC League, which is designed solely for junior and novice debaters, with what Coach William Coelius called "exciting" performances.

One-quarter of the way through their season of eight debates, JV debaters are ranked third in their division with a 2-2 record. Debating for the junior Chelsea squad were Sue Dowhal and Shelley Porath, affirmative, and Dave Framc and Paul Dowhal, negative.

Novice debaters were divided into "X" and "Y" divisions simply because there were so many novice entries, Coelius said. Praising a 4-0 record to lead the "X" novice league were debaters Julie Chapman and Liam Colvin, affirmative, and Doug Foreman and Barb Hinderer, negative.

Tying with Napoleon with a 3-1 record to lead the "Y" league were novice debaters Mike Haskings and Rick Haller, affirmative; and Kim Brown and Erin Headrick, negative.

Coelius noted that he expects to have a difficult time in choosing a single novice squad to accompany the varsity and junior varsity to tournaments. "I have a large number of good novice debaters; it'll be a tough choice," he said.

Next ABC league meet is scheduled for next Tuesday.

Electric Service Truck Damaged in Parking Lot

A Turner Electric truck parked in the Dana Corp. parking lot on Sibley Rd., suffered an estimated \$103 worth of damage sometime over the week-end, Chelsea police report.

Damaged were the driver's side door glass, passenger side door glass, and rear glass. The truck was parked in the lot from 4:30 p.m. Friday until 8 a.m. Monday, when the damage was discovered.

Investigating officers could find no significant tracks in the area, as they had been washed away by rain.

A cement mixer had also been turned over in the lot, police said. There are no suspects in the case.

Crocks for Flowers Stolen from Porch

A five-gallon crock-type jug, brown in color, that held flowers on the porch of the Donald Schrader home, 168 E. Summit, was reported stolen last Friday, Chelsea police say.

The jug was chipped at the top and glued together, and had the name "E a s t m a n Developer" printed near the bottom. Schrader estimated its value at \$25.

Officers have no suspects in the theft.

GM Equipment Presented to Cassidy Lake

General Motors Corp. presented some of the latest automotive components to Cassidy Lake Technical School it was announced today. The equipment included a 1973 Opel Kadette two-door sedan. The donation reflects General Motors continuing interest in education and is one of many such contributions which have been made to schools.

In 1973, GM made donations of automotive and appliance components and other equipment to some 1,049 junior and senior high schools, technical institutions and colleges, valued at more than \$1.3 million.

In addition to these parts and tools, GM granted allowances totaling \$15.5 million to GM dealers for 40,969 new cars and light duty

trucks which were loaned to high school driver education programs during the 1972-73 school year. This amounted to 63.7 percent of all vehicles loaned to high schools for driver training during the year.
