Accused Mother Transferred to Mental Hospital

Mrs. Helen Schnaidt's jail stay, which her husband sadly characterized last week as "the way the law works" ended Friday when Circuit Court Judge William F. Ager, Jr., signed an order to have her transferred from the county jail, where she had been held without bond since Nov. 8, to the Center for Forensic Psychiatry at Ypsilanti State Hospital.

Mrs. Schnaidt, 23, is facing two counts of first-degree (pre-meditated) murder in the strangulation deaths of her two young daughters Jean Marie, three, and Arlene, two, two weeks ago in the Schnaidt home at 219 Railroad St.

At her arraignment Friday, Mrs. Schnaidt stood mute to the two charges and Judge Ager entered not guilty pleas on her behalf. She will appear Dec. 13 in Circuit Court for a competency hearing

to determine whether she is mentally able to stand trial in Washtenaw County Circuit Court.

Mrs. Schnaidt, who spent 45 days this summer and fall in Mercywood Hospital after admitting herself early in August, was under a psychiatrist's care at the time of the deaths of her two daughters. Mrs. Schnaidt telephoned her psychiatrist, Dr. Arcadio Ramirez, following the strangling of the two girls; Ramirez then notified Chelsea police of the situation.

Mrs. Schnaidt has declined to make a statement to police, telling them, "I'm taking the Fifth (Amendment)."

She appeared in 14th District Court in Chelsea last Wednesday with her attorney, David McLaughlin, who requested and received a waiver of preliminary examination in district court.

'Spoon River Anthology' In Rehearsal

Revelations in a cemetery that divulge the secrets of a small town named Spoon River are the subject of Edgar Lee Master's "Spoon River Anthology" which will be presented by Chelsea High school's drama class Dec. 10 and 11.

"Spoon River Anthology," set in a graveyard at the turn of the century, allows the souls of those who have lived in the town and now rest there eternally to have "one final chance to speak their piece." Through their words, audiences gain a better understanding of the life they led.

Girl Cagers In District Tournament

Chelsea's girls varsity basketballers move into tonight's opening game of the State District Tournament at Dexter on the wave of a fine 7-3 season record that was good for second place in the league.

Tuesday night Chelsea dumped Brighton, 39-31, in a game that Coach Cheryl Turner said was "very close, until we took over in the fourth quarter." The game was tied at the half, and Chelsea was trailing Brighton by five points going into the final quarter.

High scorers for the local team were Char Steinaway and Kathy Kuhl, with 12 points; Alice Juergens with eight; Julie Asmussen with four; Debbie Berke with two; and Karen Roskowski with one.

Last Friday the girls squad lost a close one to Dexter, 34-30. Leading scorer in that contest was Kathy Kuhl with 17 points; Char Steinaway with eight; Debbie Berke with two, and Julie Asmussen, Mollen King, and Karen Bassett with one.

Winner of tonight's Dexter-Chelsea contest in Dexter's gym will face Saline Saturday, also on Dexter's court.

Three Chelsea Gridder Earn News Honors

Further recognition was accorded to three Chelsea High school football players Thursday when the Ann Arbor News listed its group of "top area gridgers," that included Paul Wood, Tim Reed, and Dennis Bauer.

Placing on the News' top list was co-captain Paul Wood, who averaged four catches a game in the second half of the season.

Wood also earned a spot on the offensive squad for the Southeastern Conference all-conference second team.

Tim Reed received recognition among defensive linemen, as the News cited his "usual outstanding performance at anchor end on defense" and noted that he also performed as a running back on offense. Reed earned second team defensive honors on the SEC all-conference squad.

Among linebackers and middle guards, Chelsea's only representative on the first team of the SEC's all-conference squad—and both offense and defense squads at that—Dennis Bauer, also received recognition from the News. Bauer also earned all-league honors last year at his former position, defensive end.

MONITORING EQUIPMENT forms the core of the nurse's station in Chelsea Community Hospital's newly-opened Critical Care Facility. Allowing nurses Carol Davis, Karen Barbour, and Judy Carlson to keep an eye on their patients at all times are electronic heart rhythm and heart rate monitors.

Diane Stoffer Sentenced in Drug Case

Diane Lynn Stoffer, 23, who in June, 1973, sold 34,000 capsules of LSD to an undercover police officer, has been sentenced to a year in Washtenaw County Jail on four counts of delivery of the drug.

The Chelsea woman pled guilty to four of six charges of delivery of the hallucinogen before Circuit Court Judge Edward D. Deake. The remaining two charges were dismissed.

Miss Stoffer was arrested in the parking lot of the Maple Village Shopping Center in Ann Arbor on June 5 of last year while in the company of her husband, Gregory S. Small, 24, of Lyndon Township, who has been convicted of possession of LSD and sentenced to prison.

Agents of the Washtenaw Area Narcotics Team (WANT) said that Miss Stoffer was preparing to remove 30,000 LSD tabs from the trunk of Small's car for delivery to a WANT undercover officer, who had already that day purchased 20,000 tabs.

Investigating officers found plastic bags containing a total of some 50,000 tabs of LSD in the trunk of the Small car. Sales that led to the arrest of the two took place over a three-month period in the spring of 1973. Agents had been investigating Small and Stoffer for 10 weeks in connection with LSD traffic in the Ann Arbor area.

Miss Stoffer was sentenced to one year in jail on each of the four charges, but the sentences will run concurrently. She was given credit for 15 days already spent in jail by Judge Deake.

Tower Shell Looted By Three Youths

Two alert Chelsea patrolmen who rounded up one suspect and assisted in the capture of two others only moments after a breaking and entering at Chelsea's Tower Shell have apparently put a damper on a wide-spread burglary ring, Chelsea Chief of Police George Meranuck reports.

While on routine patrol near the area of M-52 and I-94, Patrolmen David Peebles and John Detling observed two men running from the Tower Shell station across M-52 toward Glenn's Mobil. Simultaneously as they gave chase to the pair, they saw a yellow 1973 Maverick leave the area of Tower Shell and head south on M-52, across I-94 bridge.

Officers decided to pursue the fleeing men and alerted Washtenaw County Sheriff's Department to be on the lookout for a vehicle fitting their description.

Police overtook one of the men, identified as Tony W. Watson, 17, of Westland. Moments later they were notified that Sheriff's deputies had stopped the suspect car at Baker Rd. and I-94, driven by Terry L. Weis, 17, of Ronulus. A 16-year-old juvenile was also in the vehicle at the time.

Found in the vehicle when deputies pulled it over were five chain saws, which officers later said were believed to have been stolen from a hardware store near I-96 in the Brighton area, and a quantity of motor oil. Weis was kept in custody, and the juvenile was later released to the custody of his mother.

Police later were informed that a 1971 Ford Econoline van used in (Continued on page three)

Special Awards Given at Fall Sports Banquet

Chelsea High school's fall sports banquet, which was once a football-only affair, sprouted this year to new heights, including not only football and cross country, but also girls varsity and junior varsity basketball in Monday's awards program.

Receiving special recognition among Coach Phil Barais' varsity gridgers were Jack Hackworth, voted most valuable lineman; Jerry Milliken, voted most improved lineman; Doug Reed, rated most valuable back; and Dave Keiser, rated most improved back. Captains for next year's team have not yet been chosen.

Earning top honors for the Bulldog cross country squad, coached by Pat Clarke, were junior captain John Storey, who was voted most valuable player, and Dan Shirilla and Dean Thompson, voted most improved players. Chosen captain for the 1975 harrier team was Bill Rademacher.

Rated most valuable player on Coach Cheryl Turner's girls varsity basketball team was Char Steinaway. Earning most improved player honors were Karen Tobin and Mickey Bridges.

At the junior varsity football level, under Coach Jon Schaffner, John Toon and Tony Robards shared recognition for most valuable back. Voted most valuable defensive linemen were Dale Headrick and Rick Davis; most valuable defensive lineman was George Menge; and most valuable defensive back, John Adams. Earning honors as the most improved JV player was George Menge.

Among freshman footballers, coached by Bill Bainton, quarterback Jeff Powell was voted outstanding defensive player and most valuable player. Rated most improved by their teammates were Steve Pennington and Dave Schrotenboer, while Chuck Broderick and Jason Lindauer were recognized as the team's best linemen. Mike Young, the team's leading scorer with a season total of 42 points, was rated outstanding back. Vic Verchereau was named most enthusiastic player by his teammates.

Coach Cindy Bradbury's junior varsity girls basketball squad voted Penny Collinsworth and Teresa Breza the squad's most valuable players, while Sharon Donovan earned mention as the most improved player.

Also awarded were general awards for participation on the various teams. Earning a third-year varsity football award was Ishmael Picklesimer, and earning second-year varsity football awards were Todd Orthing, Steve Kincer, Doug Reed, Rodger Stewart, Ron Kiel, Mark Pennington, Ed Vassas, Terry Ellenwood, Les Sharp, Paul Wood, Jack Hackworth, Randy Genthner, Rex Miles, and Dennis Milliken.

First-year varsity grid awards went to Tres MacCollum, Don Murray, Steve Jones, Dave Schallie, Dave Plotcher, Jim Marshall, Dan Sullivan, Joel Sprague, Jim Boyer, Mark Burnett, Dave Watson, John Collins, Mark Dalton, Howard Salyer, Eric Prinzing, Tim Reed, Dave Keiser, and Jerry Milliken.

Manager awards for varsity football went to Kurt Umstead, Todd Sprague, Chan Lane, and Mike Barais; trainer awards went to

Hospital Opens New Critical Care Facility

Chelsea Community Hospital today announced the opening of its new six-bed Critical Care Facility for heart attack patients and other seriously ill persons.

Located in the new surgical wing of the 110-bed hospital the Critical Care Unit is designed, equipped and staffed to handle the medical crises of a community hospital.

The new unit has both architectural and equipment innovations which improve medical and rehabilitative care, according to unit directors, Drs. Michael Papo and Frederick van Reesema.

To combat the "unreal" atmosphere of isolated patient rooms of some coronary units, the Chelsea Hospital unit has individual, glass-walled patient care modules. From their beds, patients can see both in-to the monitoring and nursing desk in the center of the unit—and out-to the landscaped, wooded grounds of the one-story hospital building.

Curtains provide any necessary privacy and nurses can "keep an eye" on their patients at all times when this is required. Electronic heart rhythm and heart rate monitors also maintain a 24-hour electronic watch over patients.

A 12-second memory loop in the monitors, activated during a medical emergency, provides a permanent record of the previous heart activity for analysis later. Medical utilities also include an ultra-safe electrical power system, bed-side oxygen, pressure and suction.

After an average five-day stay, most patients will leave the intensive care unit, however, new equipment will continue to monitor their heart rhythms by portable telemetry devices carried by the patients.

This is one of the most important innovations of the Chelsea unit, according to Dr. van Reesema.

"It allows us to get a really accurate look at how the heart behaves when the patient starts to exert himself, to move around more naturally in the hospital," he said.

Doctors then are able to better estimate to what degree the patient's heart muscle has recovered and how much normal activity

may be resumed when he leaves the hospital.

Another innovation, now in the developmental stages, is a project with University of Michigan hospital cardiologists.

Equipment is being devised, under a joint grant to Chelsea Hospital and University Hospital, which allows the U-M cardiologists, 20 miles away, to monitor Chelsea heart patients' electrocardiograms by telephone line. By this means, U-M cardiologists can provide quick consultations to Chelsea physicians on heart rhythm problems which are difficult to diagnose.

The grant project will seek to establish the feasibility of the "long distance" consultative service for heart patients in other community hospitals.

The Chelsea Hospital Critical Care Unit is located next to the new Emergency Suite in the wing housing the Surgery Center and Ambulatory Care Unit.

Detailed planning for the CCU has been under way for the past several months, Dr. van Reesema said. Medical care is provided by physicians on hand 24-hours each day and a nursing staff which underwent extensive training in the weeks prior to the opening of the unit.

Debaters Start Final Round Of Competition

Moving into the final round of ABC League debate competition, scheduled for next Monday, Chelsea's three entries in the league presently boast one first-place and two third-place records in their respective divisions.

In the junior varsity division, for experienced debaters, the team of Sue Dowhal and Shelley Porath, affirmative, and Dave Frame and Paul Dowhal, negative, are currently lodged in a third-place tie with Jackson Parkside B with a 7-5 record.

Scrimmage Opens Basketball Season

Bulldog basketball will bounce onto the Chelsea High school sports scene Saturday when all three squads open the 1974-75 season with scrimmages against Tecumseh.

Returning to lead the varsity squad for Coach Tom Balistrere are co-captains Dave Alber, all-league forward, and Rick Sweeney 6'4" center.

Also returning as starters are Ron Kiel, 6'3" forward, and Gary Wonders, a 5'8" senior guard who will handle one of the starting guard positions. Randy Mushbach, another guard, is vying for a starting position.

Senior newcomers to this year's varsity are Randy Davis and Rick Robbins. Filling out the varsity are Juniors Steve Lyerla, Tom Hafer, Bill Rademacher, Dave Watson, and Rand Sweeney, the only sophomore on the team.

Saturday's scrimmage with Tecumseh will begin at 9 a.m. at Chelsea High school for the varsity squad, while JVs will also begin at 9 a.m., at Beach Middle school. Freshman squad will meet Tecumseh at 11 a.m. at Chelsea High school.

The scrimmages are open without charge to the public. (Continued on page three)

Many Deer Hunters Reporting Success

Although Michigan's Department of Natural Resources is running its own deer-checking station this weekend and next, the first check-in place for local hunters early Friday morning (opening day) seemed to be The Chelsea Standard office.

Entering through this newspaper's hallowed portals in rapid succession Friday, still clad in their red hunter-uniformity, and rushed with victory at their kill were four local men anticipating being the "first successful deer hunter" of the season, and therefore, having their pictures taken.

First deer bagged in the area, according to The Standard's unofficial records, was a six-point, 150-pound buck downed by Marvin Hoover, a former Chelsea resident who recently moved to Westland. Hoover killed his deer at approximately 7:15 a.m. near Sager Rd., behind the Gerald Hooper property.

Coming in close behind Hoover in the "first deer" sweepstakes was Fred Klink, who downed an eight-point behind his barn at 7:20 a.m., and John Palmer, who killed another eight-point at 7:45 a.m. near Meister Rd.

An oddity of nature that might prove interesting to folks at the deer-checking station was an eight-point buck downed by Jack Eubanks that sported what he called "mushroom antlers."

"That's the only way to describe it," Eubanks declared. "The antlers have little knobs on them—like mushrooms."

Last year local conservation officers complained that it seemed that by noon, all the hunters had "gone home to watch the football games or something."

This season, reports Ralph Anderson, DNR's district wildlife biologist, "Conditions are excellent for the hunters. For starters, the first three days we had snow, and good cool weather, so the hunters could track the deer. Last year, the problem primarily was that rain drove the hunters out on the first couple days and they never came back."

Although the rush of "first deer" hunters Friday morning seems to indicate a large kill this year for the area, Anderson reports that although conditions are fair to area, conditions improve from mid-Washtenaw county and westward.

"The herd, although excellent in the entire seven-county area covered by this district of the DNR, gets much better in the western half of Washtenaw county and into Jackson and Calhoun counties," Anderson reports. "In those areas, there's an excellent habitat this year, including marshland, brush, as well as farm land."

Anderson noted that because of the excellent habitat and herd, there seemed to be "a very good attitude among the hunters. Even if the hunters didn't get deer, they were seeing tracks in the snow, and generally most were pretty optimistic."

Anderson added that of the seven-county area covered by his district, including Washtenaw, Jackson, Calhoun, Branch, Hillsdale, Lenawee, and Monroe counties, two non-fatal accidents had been reported to the DNR.

For all successful hunters who would like a tangible reminder of this year's kill, and at the same time aid wildlife biologists at the DNR, Anderson suggests that hunters bring their deer, or head of deer, to the Washtenaw County SCS-ASCS office at 6101 Jackson Rd., Ann Arbor, either this Saturday, Nov. 23, or next Saturday, Nov. 30, from 9 a.m. to 12 noon. Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

The fellers got to talking about the good old days Saturday night at the country store, and we was busy most of the session trying to figure out when the good old days was. It was general agreed that when they were depends on where you were and what you were.

For instant, Ed Doolittle said his daughter that lives in the city come home last week and bring a friend to visit. The girl that come with her, Ed said, was raised in the big city, and she thought milk comes in plastic cartons and eggs come from aside milk in the grocery store. Ed said when

his old lady come in from the barn with the milk and offered the girl a glass fresh from the cow that she about fainted. The girl said her Ma had allus told her that milk that ain't been pasteurized is full of deadly germs, and she wanted to know if our cow had been pasteurized.

The good old days, Ed allowed, was when Ma would come in with the bucket of warm milk, strain it through cheesecloth to take out the bits of hay and other foreign matter that might of dropped in the bucket when old Bessie switched her tail, and pour the young-uns a glass afore she set the rest up for the cream to rise. The good old days was when you got up mornings and went out and got your breakfast egg from under the hen, Ed said, instead of waiting til they was boxed and called Large Grade A.

For Zeke Grubb, the good old days was when calico was a nickle a yard, when all the stores had a cracker barrel and free cheese, when dippers was made of flour sacks, and work shirts sold for 50 cents apiece. He recalled when the wimmen knitted all the family socks and when nails was used for buttons on your pants and coats. He was talking about the days when a few drops of kerosene on a spoonful of sugar was given for a cough, and castor oil was feller body. When the doctor come to the house to deliver the baby and he wouldn't expect his \$10 fee til he come back to deliver the next one.

Mister Editor, the fellers went young and round on when and how the good old days was good, but I got the feeling that they was a heap better to look back on than live in. My own recollection is that when you was lucky enough to find a job that didn't pay off in potatoes or fresh meat. Wishing back on them days reminds me of the letter I saw in one of the papers the other day where this feller was asking where he could buy some Army C rations. Only a man that ain't never had none would want some.

Actual, in them days problems was simpler, but the solutions was just as tough. When I was a boy, we use to have big fusses at the church over who got to set in the amen corner and which family got their names on the winders nearest the front. Now they just quarrel about money.

Yours truly,
Uncle Lew.

On to the Next Campaign

The ballots are all counted for two years, but there's still much talk in Lansing about campaign reform.

Common Cause, the citizen's lobby, is launching an initiative petition drive aimed at reforming Michigan laws on campaign financing, lobbyists' disclosure and conflict of interest.

Along with that, a state lawmaker is urging incorporation of language dealing with a fair campaign practices commission. State Sen. William Ballenger, R-Lansing, who is leaving the Senate Jan. 1, says the current fair campaign practices commission is "hopelessly ill-equipped to do its job, and in fact, technically defunct" because membership has not been reappointed since the group was reactivated for the 1970 election.

Ballenger says the current commission has "a single harassed cleric handing out secret, hastily-conceived curbstone opinions without consulting other commission members or all other parties involved."

"If we are going to have a fair campaign practices commission, I believe that we should have it must be a legitimate agency, operating legally, with full funding and with the authority to enforce its rulings," says Ballenger, who was a prime force for campaign reform legislation in the Senate.

Lansing—The State Board of Education today authorized Washtenaw Community College of Ann Arbor to establish a Licensed Practical Nursing program starting Jan. 1.

The LPN program at Washtenaw will replace one that has been conducted by the Ann Arbor Public Schools since 1949. The Ann Arbor Public Schools have decided to end their program next September because St. Joseph Mercy Hospital has withdrawn its financial support of the program.

State Superintendent of Public Instruction John W. Porter said tuition for Washtenaw's LPN program will be approximately \$350 per year compared to an estimated \$900 if the Ann Arbor Public Schools were to continue the program.

Nutty Season

You too can gather wild hickory nuts.

Michigan's Agriculture Department notes that this is nut season in the state, and points out that residents may find black walnuts, butternuts, beechnuts, hickory nuts and hazelnuts.

"If you're a real nut on roughing it, take the family out to gather wild nuts," the department suggests.

Slow Mail Service

Inconsistent to say the least—that's how some of Michigan's farm organizations find rural mail movement.

In some cases, for instance, letters addressed to different people in a small area and mailed on the same day arrive as much as four days apart.

Gov. William Milliken took that information into consideration in a recent letter to Congressman William V. Alexander, chairman of the House Subcommittee on Family Farms and Rural Development.

"Milliken voiced concern over the slowness and inefficiencies of rural mail throughout the 15-state mid-west region."

He said the "unique needs" of rural areas must be taken into account since they are often populated by larger numbers of older citizens and the very young than are other areas.

"This population finds it more difficult to travel the additional distance to a post office than the general population as a whole."

Habla Arabic?

With the help of folks at three Michigan colleges, the Secretary of State's Department is going multi-lingual.

Secretary Richard H. Austin says Michigan residents may now take driver license tests in Arabic, Finnish, French, German, Italian, Japanese, Korean, Polish, Portuguese, Serbo-Croatian and Spanish.

Translations of the driver test "are another step in helping eliminate needless barriers to getting and renewing driver licenses for persons who are otherwise qualified," Austin says.

Help with the translations came from Michigan State University, General Motors Institute in Flint and Suomi College of Hancock, in the northern Upper Peninsula.

Drink Much?

November is "Know Your Limits" month.

Promoted by the National Licensed Beverage Association, the

month-long program is aimed at encouraging folks to eat—and drink—in moderation.

"This program is founded on the concept that every individual should know his or her own personal limits and practice moderation in the use or consumption of beverage alcohol," says Stanley Thayer, chairman of the Michigan Liquor Control Commission, which is supporting the program.

Thayer says the idea is "in the public interest," and urges all Michigan licensees to support it also.

Kindness has never yet done any one serious harm.

Security for your investment dollars is more important than ever. A 7 1/2% Certificate Account is the smartest way to protect your dollars from inflation and a falling market. \$10,000.00 invested in a 7 1/2% Certificate Account will grow to \$13,461.14 in just four years, with interest compounded. The same \$10,000.00 invested in the stock market in the last two years would have shrunk one third or one half or more. Bonds fluctuate. Gold and silver fluctuates. The best hedge against inflation is a non-fluctuating AAFS certificate. Of the investments mentioned it is the only one insured by an agency of the Federal Government. The 7 1/2% per annum Certificate is a solid investment that actually provides an effective annual rate of 7.71%. It is available in amounts of \$1000 or more for four years. There are lots of new ways to invest today, but one of the best ways to safeguard your capital and guarantee income is a Certificate Account at Ann Arbor Federal Savings. Federal regulations require a substantial interest penalty for early withdrawal from certificate savings accounts.

Gridders of the Week

REX MILES (52) is a 6'1", 210-pound junior halfback who has just completed his second year as a tackle for Coach Phil Barels' squad. Miles, a football player locally since 8th grade, has also been active as a member of other Bulldog sports, including wrestling and track. He lives with his mother, Mrs. David Miles, and a sister, Laurie.

LES SHARP (77), a 6'2", 210-pound senior tackle, has also just completed his second year of service with the Bulldog varsity gridders. In addition to playing football for Chelsea since his freshman year, Sharp is also anticipating his second season on Chelsea's wrestling squad. After graduation, he hopes to attend college and play football, although he is currently uncertain of the school. The son of Kermit and Bessie Sharp, he has three sisters, Alice, Joyce, and Sandy.

Tower Shell Looted By Three Youths

(Continued from page one)

the breaking and entering of Tower Shell was parked at the Abbey Motel, at Meridian Rd. and I-94, and that other subjects in the burglary were registered in a room there.

Wayne County Sheriff's deputies then proceeded to the motel on the information and arrested three suspects found in the room number given Chelsea police, Bruce Burdwood, Kevin Lopata and Kevin Dunn.

In the van parked in the motel parking lot, they found the Ford van loaded with tires, batteries, Winchester Model 90 22-caliber rifle, a Craig Pioneer FM pile-lined jackets, and a large coin collection.

Reports show that Lopata then made a statement to police indicating that he and the other four suspects were involved in the breaking and entering of Tower Shell, of a home near John Glenn High school, and of a hardware store in Brighton.

Chief Meranuck said Monday, however, that is unlikely that the suspects will ever be charged with the break-in. "Due to the number of agencies involved in this case," he said, "Procedures not allowed in court would undoubtedly jeopardize any agency's case in court."

"However, we have no doubt that this was definitely a breaking and entering ring that preyed upon businesses and homes along the expressway and not far off the exits," Chief Meranuck stated. "And I can't say enough about the fine patrol work of Patrolmen Dettling and Peebles, whose vigilance thwarted the breaking and entering of Tower Shell."

Friday Chief Meranuck had said that he believed that Michigan State Police would prosecute the suspects on the theft of the chain saws. However, Monday he said that Detective Sgt. Robert L. Piziali of the Michigan State Police was attempting to correlate the information to enable at least one of the enforcement agencies to proceed with their case, but such a result seemed unlikely.

Reported stolen from Tower Shell by manager Curt Alden were a tool box and assorted tools, valued at \$1,500; 25 to 30 12-volt auto batteries, valued at \$1,250; 30 to 35 Shell brand tires of assorted sizes, valued at from \$1,500 to \$2,000; one battery booster; one new impact wrench, valued at \$100; and potato chips and pistachio nuts, valued at from \$3 to \$5.

All-Cartoon Show Offered Kiddies By Rec. Council

A show that features all cartoons and includes a chance at winning silver dollars can only be all good.

That must be the thinking of Chelsea Recreation Council, which is sponsoring an all-cartoon show next Saturday, Nov. 30, from 1 to 3 p.m. in the high school auditorium.

Not only will youngsters be admitted to enjoy the afternoon of non-stop cartoons for 25 cents, they will also, by their admission tickets, earn a chance to win silver dollars in a drawing of tickets. \$20. worth of silver dollars will be awarded.

Adults will be admitted free to the cartoon show.

Ski Conditions Available By Phone

If you want to know how the skiing is in Southeast Michigan this winter, a simple phone call will get you the answer.

Dial 962-9010 starting the first week in December. That's the "sno-line" of the Southeast Michigan Travel and Tourist Association.

The number, a daily reporting service of the Association in co-operation with the resorts of Mt. Holly, Mt. Brighton, and Alpine Valley, will impart up-to-the-minute information on ski and weather conditions at the three resorts. Information also will include special winter events.

"These major resorts have worked with us closely over the past few years to accurately report the actual conditions at their slopes," SMTTA Association President Sid Baker said, "and we expect that again this year skiers will discover that excellent skiing exists close-to-home. All of these resorts offer the finest in skiing instruction, equipment and service."

Baker noted that a new winter travel guide entitled *Winter in Southeast Michigan*, is available free from Association headquarters at 1200 Sixth Ave. (Executive Plaza), Detroit 48226.

"This new 32-page book, in four-color, carries a complete description of the things to see and do in the Southeast Michigan region, including fine dining," Baker said, "and a free copy may be secured simply by contacting our office."

Debaters Start Final Round Of Competition

(Continued from page one)

Hastings and Rick Haller, affirmative, and Kim Brown and Erin Headrick, negative, retain a first place tie with Napoleon with an 8-4 record.

Novice X league debaters, Julie Chapman and Liam Colvin, affirmative, and Doug Foreman and Barb Hinderer, negative, dropped to second place with a 7-5 record.

Final round of ABC League competition next Monday will feature teams with best records in debate with teams with similar records, which Coach William Coelius expects will "shake up these standings quite a bit."

FFA Chapter Reviews Busy Fall Schedule

This year's participation and involvement of the Chelsea FFA chapter has not only included its members, but also the community. Officers of the chapter have set up a busy schedule for its members. This year's officers are: president, Dave Frame; vice-pres-

ident, Neil Bollinger; secretary, Jerry Hugel; treasurer, Doug Welshans; reporter, Tom Clemens; sentinel, Eric Prinz.

First activity planned was a safe corn harvest project. Members met at the high school and decided what a safe corn harvest must consist of, and then set out to tell local farmers how to take precautions and have a safe harvest. This project went over very well; it was a real success.

The following week, on Sept. 30, the Greenhand formal initiation took place. All parents were to be present. Officers demonstrated how the monthly meeting ran when using Roberts Rules of Order. FFA goals were read by the officers and the greenhands read the FFA oath. This gathering ran very smoothly with an exceptional turnout of parents.

Now that these new members were officially joined, each member began to circulate petitions for the junior office to which they wished to be elected. After the candidate's speech was read, at the monthly meeting, the members voted for the candidate of their choice. Junior officers are: president, Tim Welshans; vice-president, Victor Verchereau; secretary, Susan Dowhal; reporter, Steve Robins; sentinel, James Dowhal. These officers will learn the responsibilities of the office and will work with the officers. In the future a meeting will be run by the junior officers.

This week the chapter participated in a Pest Hunt. Tuesday night the members congregated at the high school and then set out to hunt for pests at local

farms. The member who has destroyed the most pests during the week of Nov. 17-22 will be rewarded.

One of this year's goals is to earn \$1,000 to send six members to the national convention. We have planned several fund raising projects, some are already under way.

(1) A candy sale is planned for early spring.

(2) During the last five days we have sold seagull pins and pendants.

(3) We will invest money in our own swine chain.

(4) Citrus fruit orders will be taken during pre-Easter season.

(5) We have started raising 100 chicks. In the next 6 to 8 weeks they will be butchered and prepared for freezing. All chickens will be sold to the public.

During the four home football games we sold 50 gallons of cider. The project will be repeated again next year.

Waterloo Village Church Planning Party for Dec. 3

Waterloo Village United Methodist church Ladies Aid met Wednesday, Nov. 13 at the home of Isabelle Coulter for a pot-luck dinner at 12:30 p.m. A total of 12 members and five guests were present.

A birthday cake was baked in honor of Helen Beeman, who celebrated her 88th birthday Nov. 10.

A party was planned for the group on Dec. 3 at the church school house.

President Bessie Barber called the meeting to order; the prayer was given by the Rev. Altha Barnes. Barbara Beeman read two passages from the scriptures. A tape recording on Bible prophecy, entitled "Are We Living in our Last Day?" was heard.

Thank-you note was received from the Harr families. A thank offering was taken to be sent to the McCurdy schools in the United States.

Meeting closed with the benediction.

50TH ANNIVERSARY: Lawrence and Catherine Guinan, 1571 Sugar Loaf Lake, will be honored at a 50th wedding anniversary celebration open house Sunday, Nov. 24, from 1 to 4 p.m. at the Veterans Hall, Coon Hill Rd., Munith. The Guinans were married Nov. 28, 1924. Mr. Guinan was born Feb. 18, 1901 and attended Cathedral Latin High school in Cleveland, O.; Mrs. Guinan was born Nov. 2, 1902, and attended Ursuline Academy in Cleveland, O. Also observing their 25th wedding anniversary at the same time will be John and Genevieve Parks. Mrs. Parks is the Guinans' daughter. The open house is being hosted by the Guinans' children, Mrs. Parks and Terry Guinan.

Eight Chelsea Residents Win Tour of Nashville

Eight local residents were among 38 listeners of radio station WNRS who last week-end participated in the station's first trip to Nashville, Tenn.

Highlights of the week-end for the group were tours of the stars' homes, the Country Music Hall of Fame, Columbia Recording Studio, and the Ryman Auditorium.

The group visited Printer's Alley the famed nightclub area of Nashville, and attended the Saturday evening show of the Grand Old Opry, at its new home in Opryland.

Local residents attending were Mrs. Gerald Riley and her nephew, Danny Darrow, and Karen and Carmen Milliken, of Chelsea; and Mrs. Melvina Braun, Mr. and Mrs. Walter Koch, and Hazel Cobb of Dexter.

GIRL SCOUT NEWS

BROWNIE TROOP 145

Last week, Nov. 6, Troop 145 planned to help Chelsea Social Service by bringing canned goods for Thanksgiving. We spatter-painted leaves. The game we played was "Pass the shoe." Chrissy Schlup was a visitor.

Next week we will continue to bring in canned goods for the social service. We will take them up town. We made pilgrim men and women out of nut cups—they turned out real cute. We played "pass the ring around on a string." We will not have a meeting the day before Thanksgiving.

Peggy Seyfried and Krystal Salyer, scribes.

CALENDAR SALE

Girl Scout calendar sales begin Friday, Nov. 22 and continue to Monday, Dec. 9. Calendars are available from all junior, cadette, and senior Girl Scouts.

TROOP 82

At Troop 82's meeting Monday night, we had treats. We made Christmas ornaments out of milkweed pods, cornhusk dolls, and also made candles out of Pringle's cans. We all helped clean up because glitter from the Christmas ornaments was all over the floor. Susan Herrst, scribe.

TROOP 688

At the Nov. 12 meeting of Troop 688, we started the meeting with a flag ceremony. Then we had our treats. Then we worked on our Christmas project for the rest of the meeting. We ended the meeting with taps. Dani Bohl, scribe.

'Spoon River Anthology' In Rehearsal

(Continued from page one)

Directed by Mrs. Martha Hahn, high school drama teacher, with technical and musical direction by DIANN L'ROY, the play will include among its cast a majority of the high school drama class and "seriously interested" high school students. "Spoon River Anthology" is the first school-wide drama class production of a serious play in 40 years.

Music for the play will consist primarily of guitar and chorus accompaniment to the spoken words of characters. Most members of the cast will have more than one character to portray and will have to change character by voice, gesture, and props.

Cast members of the production are Dennis Bauer, Lynn Castle, Matt Diedrich, James Dowhal, Paul Dowhal, Kathy Foreman, Dawn Freysinger, Janette Harris, Nancy Hepburn, Steven Scott Hovater, Annette Hutting, Karen Kern, Penny Kincer, Sue Leach, Brenda Lovely, Bernice Pearson, Dennis Petsch, Brock Rasmussen, Renee Schneider, Brenda Shadoan, Barbara Strachan, Anne Treado, and Kathy Treado.

Tickets for the play are available at Chelsea High school during lunch hours, and will be available at Chelsea Drug beginning Dec. 1. General admission is \$1.

St. Louis Boys Lose Their 'Special' Dog

A very special dog who belongs to 30 mentally and emotionally retarded boys at St. Louis School for Exceptional Boys disappeared last Friday, and it is feared that some one may have thought the animal a stray and taken him away from the area.

"Kookie," a one and one-half year old English sheepdog, white and brownish-black, that looks like the typical "shaggy dog" was reported missing Friday afternoon when he disappeared from the grounds around the school. He is worth no tags.

Whoever took him wants a dog. We'll find him a dog. Just bring this one back. The boys are extremely worried about their pet," one woman reported.

The dog reportedly very friendly, will come to almost anyone, the woman said. Anyone with information about the dog should contact the school at 475-8430. No questions will be asked if the dog is returned.

Youngsters Gather \$200 for UNICEF

Chelsea's Hallway boys and girls, UNICEF, who canvassed local residential areas Sunday, Nov. 27, to raise funds for the United Nations fund that provides for children across the world, raised a total of \$200, reports Mrs. Mary Ann Merkel, co-chairman of the drive.

This year's figure is down some \$80 from last year's contributions. Mrs. Merkel said, noting also that more children have participated in the UNICEF drive in previous years. The \$200 figure included \$14 raised in canisters placed in village business establishments.

After hitting the streets for UNICEF, the youngsters retired, with their collective social science intact, to refreshments provided at the educational unit of First United Methodist church.

First-year cheerleading awards were presented to varsity cheerleader Michelle Blanchard; junior varsity members Diane Luick, Sue German, Laurie Campbell, Beth Collins, and Julie Barnes; and freshmen cheerleaders Beth Flanagan, Kathy Slater, Theresa Ahrens, Kim Slocum, Julieanne Tucker, and Anne Schabbe.

FEWER PENSIONERS

The number of military careerists receiving extra retirement benefits for alleged ailments has dropped. The Secretary of Defense has ruled that servicemen who are fit for duty are ineligible for disability pensions.

AIR MAIL DOES THIS TO US?

Postmaster E. T. Klassen said that he probably would ask soon that the air-mail classification be eliminated because it has become relatively meaningless. Much first-class mail is now moved by air.

Letter to the Editor

To the Editor: The Chelsea High school boys have formed a Hockey Club. These boys are working hard and hoping for a good year. These boys and coach are doing it all on their own. I think it is terrible when a school refuses to help a group of boys out for a sport. There is not one other sport the school does not support. The school will not even furnish transportation for these boys unless they (the boys) want to pay 80 cents a mile. What a ridiculous price. No other sport has to pay for the use of a bus. I believe my tax dollar is as good as any other sports parent.

My question is, why can't the school even furnish these boys with a bus? They bus everybody else where they want to go. If we can't support all sports, then let's not support any. I feel all sports should be treated equally.

Good luck hockey boys.

Nancy White.

THE HUMAN TOUCH is still a necessity in Chelsea Community Hospital's new Critical Care Facility, despite the abundance of futuristic-looking devices that surround each patient's bed. After nurse Judy Carlson finishes the necessary checking

of her patient, he will, from his individual, glass-walled patient care module, be able to take in the scenery outside, of the landscaped grounds of the hospital, or, by pulling back his curtain, watch the nurses in action at the nurse's station.

Luke's Sports Store Opening Saturday

A new business might not exactly seem the place to be right now, what with those higher-ups finally admitting that there's a recession going on, but Dave Lukasiak thinks that his new business may be one area where bad times won't hit really badly.

"Nobody's going to give up their recreation, no matter what happens," Lukasiak says, and with those sentiments in mind, he and his father-in-law, John Check, have embarked on a new business venture in Chelsea, Luke's Sporting Goods, set to open this Saturday, Nov. 23.

Despite Lukasiak's optimism, however, he admits that economic factors have already placed him behind in his opening schedule, which was originally slated for Nov. 16, last Saturday.

"All the sporting goods suppliers are back-ordering about 75 percent of their orders; they keep stuff in the warehouses until they get

a large amount and then they ship it out," he reports. "So, in the case of our hockey equipment, we were promised delivery for the 16th, but their promises turned out not to be that great."

Among the name brands to be carried at Luke's Sporting Goods will be Wilson, Spalding, Rawlings, WinnWell, Koho, Converse, Pro Keds, and other assorted big names in sports.

Luke's will offer a lettering service that will work for fabrics from cotton to nylon, using a process of adjusting the lettering in place, adjusting the pressure, and heating the item. Process will take 17 seconds and "setting" some two to three minutes. Lukasiak adds that "any special design you want may be obtained, or you can make your own."

Luke's Sporting Goods will also carry a line of men's and women's uniforms for softball season.

Youngsters' sports is one area

where Lukasiak feels Luke's can provide a large service for the community. "You only have to look at the kids' programs started by (Recreation Director) Tom Balistriere to see that kids are getting more and more involved in recreation—and let's face it, Chelsea's not getting any smaller."

Lukasiak says that he hopes, in youngsters' equipment, to "solve that high price problem for the little guy and girl in Chelsea." He notes that while "bigger stores are interested only in making a big profit—and of course I want to make some, too—it's not that important to me to have a big mark-up." He hopes, he says, to provide "a good and safe piece of equipment for a good price."

Delays in equipment orders and his odd opening-date smack in the middle of fall, Lukasiak says, will keep his store from stocking a full line of merchandise for a while.

"Skis, for example, have to be ordered eight to 10 weeks ahead—obviously, we couldn't have those for our opening," Lukasiak says. "Hunting equipment also takes that long, and there's the added problem that we'll have to get a firearms license. Snowmobiling equipment is also something that has to be ordered months in advance."

"But we do plan on stocking all these items," Lukasiak promises. "It's just a matter of us 'getting our feet wet' in the business."

For Saturday's opening, Lukasiak planned as of Monday to have a quantity of good-quality Spalding basketballs marked down, and also to have University of Michigan basketball captain C. J. Kupec appear to autograph basketballs for the fans.

Luke's is located at 137 Park St., in a newly-remodeled building that was the former site of Rowe Plumbing.

Festive Christmas Decorations Adorn Streets

If it seems that Christmas decorations on Main St. have emerged particularly soon after Halloween this year, in fact, within three weeks of it, that's not an illusion.

Although it is not quite the season to be jolly, there is, indeed, a valid reason why Chelsea has taken to the holiday spirit so soon. And that reason is not to over-compensate for last year's lack, in the face of the great 1973

energy crisis, of lighted streets in Chelsea.

Village Administrator Fritz Weber explains that "While we traditionally put the lights up after Thanksgiving, Thanksgiving is late this year . . . so if we waited, it would mean we wouldn't have them up 'til the first week of December."

"And next week, we have to read meters, and that takes a couple of days, so if we had one

bad work day next week, it would mean that we still couldn't get them up until December," Weber continued. "The merchants' association asked that we put them up this week instead, so we did."

Tuesday Weber said that he was uncertain whether the lights, which have been turned on since Monday night, would continue to be lighted. "I'll bring it up at the Council meeting whether or not the lights

Health Career Information To Be Given

Chelsea High school students seriously interested in health-related fields will have two programs of possible interest provided for them this week that will include a broad range of information about possible careers.

A health careers panel is planned for Tuesday, Nov. 26, from 8:30 a.m. to 11:30 a.m. at Chelsea Medical Center cafeteria for seniors interested in health careers.

Schedule for the morning will include a talk by Diane Warren, dental hygienist, at 8:30 a.m.; Jeanette Benson, home health aid, coordinator and public health nurse, at 8:45 a.m.; Dan Murphy, registered pharmacist, at 9:30 a.m.; Clint Melvin, director of maintenance and housekeeping at Chelsea United Methodist Home at 10 a.m.; Jackie McCalla, laboratory technician, at 10:30 a.m.; and Doug Eberhard, x-ray technician, at 11 a.m.

A similar program was held several weeks ago, discussing the various aspects of nursing.

A Huron High school program providing information on "the whole gamut of health careers" is planned for Saturday, Nov. 23, from 9 to 11:30 a.m. in the cafeteria at Huron High school, Ann Arbor, according to Lou Crippie, health nurse at the school.

Students from all area schools interested in health-related careers are invited to the Huron program. Chelsea High school counselor George Bergman notes that a college and career night, planned primarily for juniors, is also in the planning stages for area high schools.

Projected, that program, to be held at Washtenaw Community College representative s from colleges, assorted and civil service.

should be turned on all the time," he said. "That's actually Council's decision."

For the time being, Chelsea's Main St. area is in all its holiday splendor—and maybe, energy-consciousness considered, will remain so for a while.

TROOP 465 honored scoutmaster Art Steinaway (left) at its court of honor Sunday, Nov. 3, at Chelsea Fair Service Center. Above, advancement chairman John Bulick (right) presents Scoutmaster Steinaway with a plaque inscribed "in appreciation for your total scout involvement."

Boy Scout Troop 465 Holds Court of Honor Ceremony

Boy Scout Troop 465 held a court of honor Sunday, Nov. 3, to present various scout awards and name troop officers.

Receiving scout awards were Andy Bulick, Mark Bulick, John Bulick, Keith Hegadorn, Mark Steinaway, Mike Ward, Mark Fall, and Jim Brown.

Earning tenderfoot scout rank were Louis Jahnke and Brian Lewis.

Receiving scout skill awards were Louis Jahnke, swimming and citizenship; Brian Lewis, citizenship and cooking; Keith Hegadorn, citizenship; Steve Hegadorn, citizenship; and Mike Lyons, cooking.

Scouts who rated scout merit badges were Louis Jahnke, swimming; Brian Lewis, sports and citizenship in community; Mike Sweeney, swimming; Kirk Steinaway, shooting; Kris Steinaway, firemanship; Chip Stafford, swimming, wilderness survival, pioneering, and life saving; Doug Clark, swimming; and Allen Clark, wilderness survival and orienteering.

HIPPIE CHRISTMAS

Christmas is getting to be quite a thing with all the hippies. They figure Santa Claus is one of them. He doesn't shave and only works one day a year.

NORTH ELEMENTARY SCHOOL NOTES

THIRD GRADE—

Teachers: Mrs. Lawver, Miss Sanders, Mr. Smith
Mrs. Lawver's class acquired a new friend. It is a "little guinea pig" called Carmel. Carmel likes lots of attention. We have many birthdays during the month of November: Ron Ferry, Bob Hughes, Tim Osestoski, Linda Halner and Tony Bentley.

All of the 3rd grade classes have been studying American Indians. In Miss Sanders class, Mrs. Cherry brought in a delicious treat of popcorn and apple cider, since the Indians were the first people to make these two popular goodies. We are finding out that our natural resources are very important and we had better start conserving them or we may run out of some of them. Tammy Ferry had a birthday last week, so we had a treat of candy bars and suckers.

In Mr. Smith's 3rd grade class, we just acquired a nice microscope with which we have been looking at different soils such as sand, garden soil and humus. We have been able to look at many things with this new microscope that we would not normally see, because they would be too small. It is there for us to explore and discover things in our free time.

FOURTH GRADE—

Teacher: Mrs. Hafer
Reporters: Amy Hume, Tamra Whitaker

When we were studying Hawaii, some of us got to write reports. Mrs. Hafer has a volcano and we got to fire it off. Then when we were studying Alaska, Mr. and Mrs. Heydlauff came in and showed slides of their Alaskan trip. David and his parents were in Alaska in 1969.

We are getting ready for Thanksgiving and making centerpiece for our Thanksgiving tables.

Mrs. Chandler and Mrs. Whitaker came in for our Halloween party. We had a real good time. Susan Ford brought in a catanaran, that is a Hawaiian boat and also a live pineapple plant. We have been doing many experiments in science. In math we are working on multiplication and division and we know our tables through the 5's.

They have started the new part of our school. There is a mess and we have lots of noise.

Teacher: Mrs. Pietila
Reporter: Julie Burkhouse
This month we had two birthdays: Robbie Friday and Eric Eeles.

Melanie Lee brought in sugar pine cones and pictures of California to show us. David Kies showed us a paper Wasp nest, and Claudette Bucholz brought in a hummingbird's nest. We have made paper models of teeth in science. We are going to make pine cone turkeys for Thanksgiving.

In art we are making yarn designs on burlap.

Kelly O'Neil is going to show us a mussel shell, and Norman Brown wants to show us some cow horns.

Teacher: Mrs. Schmidt
Reporter: Shelley Tirt
We are having fun at school. We had a Halloween party and

Mrs. Haydock and Mrs. Myers had games and refreshments for us.

On election day, Nov. 5, we voted on a ballot from the newspaper. Mr. Levin won in our room. They are building on our school, so the 5th graders can come back with plenty of room. The construction machinery is noisy but interesting to watch.

Only 26 pupils are left in our class because Vickie Stepp moved to Stockbridge.

Now we are memorizing our multiplication tables, zero through ten.

Our room is being decorated for Thanksgiving with Pilgrims and Indians, the Mayflower, and turkeys.

Mrs. Pratt gave our class a guinea pig. She is brown and white. We voted on names and decided to call it Buttons. Everyone helps to take care of her. Happy Thanksgiving to everyone.

From Jim Ritchie, San Fran-
cisco, Calif.: I remember when
Harry Truman became President.
Not many people thought he could
handle the job. But he sure proved
to be up to the task—and in a
hurry. He didn't fool around even
though FDR had left him in the
dark on a lot of important issues.
Old Harry soon made important
appointments in the cabinet and
in embassies throughout the world.
He made some key judicial ap-
pointments, too. He had a lot of
problems to deal with.
For instance the war was just
over with and he had demobiliza-
tion to contend with. "Send the
boys home," was heard through-
out the land. The army's plans
were too slow to suit the voters.
And as a result of a lot of pres-
sures our ground forces were
quickly dismantled. We looked
weak to the communists but our
economy held fast. Veterans re-
ceived top priority for jobs and
especially in schools. And then
Dewey came along and everybody
thought Truman would get beat
—except Harry himself. He
"Poured it on," though, and "Gave
it to 'em," and was elected in a
big surprise.

Canadian Couple To Tell Story of Recovery From Cancer Attack

Mr. and Mrs. Harold McPhee
of Windsor, Ontario, will be guest
speakers of the First Assembly of
God, 14900 Old US-12 E., Sunday,
Nov. 24 at the 11 a.m. service.
Pastor T. B. Thodeson says that
Mrs. McPhee will give her testi-
mony of how in answer to prayer
she was raised up from her death-
bed to good health.

She has the medical records of
her experience with advanced can-
cer and of her present excellent
health.

The public is invited to meet
the McPhees and hear their story.

**Wayne
Dari-Blen
Rations...**
"New Concept"
Feeds of the 70's
When a Wayne Dari-Blen ration starts
working in the rumen, it keeps right on
working... hours and hours longer than
ordinary dairy feeds with only a single
source of protein. Dari-Blen offer
multiple-source protein and other key
milk-producing ingredients which work
together to increase the level of Volatile
Fatty Acids in the rumen. This is the
"secret" of Dari-Blen... the secret of
top milk production.
Many dairymen want to "cash in" on the
economy of non-protein nitrogen. If this
is you... if you feed a medium level of
milk nitrogen, ask us about Wayne 42
Dari-Blen. It's 22 percent natural protein
and 20 percent non-protein nitrogen.
It's one of Wayne's NEW CONCEPT
feeds of the 70's.

If your "big scenes" are turning
into mob scenes you're ready to
keep things personal with a new
Trimline® Touch-Tone® Extension.
They're convenient. Extra Trimline
phones save you time, steps,
missed calls. And the Touch-Tone
feature makes every call faster,
easier, too.
They're versatile. Use new
Trimline Touch-Tone extensions for
sharing calls (carrying on 3- or
4-way confabs with family and
friends, for instance). Or as your
own personal phone for private
conversations.
They're attractive. High-fashion
Trimline phones in table or wall
models come in these handsome
decorator colors: beige, blue, green,
ivory, red, white, yellow and basic
black. They can match or com-
plement the decor in every room,
basement to attic.
They're handy. Trimline phones
nest neatly in one hand, have
illuminated touchbuttons for any-
time-anywhere use. Available in
desk or wall models.
They're inexpensive. Additional
phones cost just pennies a day.
Just call your local Michigan Bell
business office and say you want a
new Trimline Touch-Tone
Extension. Do it now!
You can have rotary dial Trimline
phones in areas where Touch-Tone
service is not yet available.

SUCCESSFUL DEER HUNTER: Fred Kilnk's deer hunting season ended almost as soon as it began, at 7:20 a.m. on opening day, when he bagged this eight-point buck behind his barn. Kilnk's deer, the second reported to The Standard on opening day last Friday, weighed 147 pounds dressed.

Girls JV Cage Team Sure of Third Place

Chelsea's junior varsity girls basketball squad split a pair of games in the past week to finish the season at 6-4, which gave them a certain hold on third place and a possible second place in their league.

Tuesday against Brighton, it took an overtime and Sharon Donovan's basket for Chelsea women to record the win, 20-18.

High scorers in the contest were Teresa Breza, Carolyn Schardin, and Sharon Donovan with four points; and Penny Collinsworth, Cindy Figg, Karen Kelsner, and Sue Heydlauff with two.

Coach Cindy Bradbury noted that the key to victory was probably the team's strong defensive effort in the final quarter, which held Brighton to a single point.

In last Friday's contest with Dexter, the team ran into foul trouble, as three players fouled out, and that, coupled with a poor foul-shooting percentage, lost the game for Chelsea, 25-19.

High scorers for the game were Penny Collinsworth with six; Sue Heydlauff and Nancy Knott with four; Karen Kelsner and Sharon Donovan with two; and Teresa Breza with one.

Brian Smith Scores in Math Competition

Chelsea High school senior Brian Smith was the only local student to qualify for the second part of the 18th annual Michigan Mathematics Prize Competition scheduled for Wednesday, Dec. 5.

Brian, son of LaVerne and Fay Smith, 318 McKinley St., finished in the top four percent among participants on Part I of the test. Only 1,000 Michigan students are eligible to compete in Part II.

After the final examination, 100 winners of the competition will be honored at an awards program sponsored by Michigan Bell Telephone and scheduled at Western Michigan University Feb. 22. Approximately \$7,000 in college scholarships will be presented at that time to 40 of the winners.

The competition is sponsored by the Michigan Section of the Mathematical Association of America. Jon Schaffner, Chelsea High school math department chairman, served as supervisor for Chelsea students competing in the examination.

Window Screens Damaged Saturday At Methodist Church

Eight one-foot by two-foot screens at the First United Methodist church, 128 Park St., were apparently kicked in sometime during the day Saturday when windows were left open, Chelsea police reports say.

Police have no suspects in the case and are continuing their investigation.

Nutrition Program Underway

Chelsea's "Food, Fun, and Fellowship" program, which serves hot lunches daily to area senior citizens at St. Mary's school, still has room for more interested people over 60 years, organizers report.

Mrs. Ellen Parminter, co-ordinator of Washtenaw County Senior Citizens Nutrition Program, a function of the Office of Economic Opportunity which is sponsoring the Chelsea program, says that daily attendance at the meals is averaging 15 to 20 people, while the program can handle 30.

"I think that a lot of people are just hearing about our meal program," Mrs. Parminter notes. "We want to let them know that there's still room for them."

In addition to providing free meals for over-60 participants, the program also offers lunches for under-60 spouses at 25 cents per meal. Meals are prepared at the Chelsea United Methodist Home.

Programs are also periodically planned by the site co-ordinator, Betty Koch, that will be both interesting and informative to senior citizens. In the near future, programs will be presented by Michigan Consolidated Gas Co., a visiting nurse, and the Michigan Heart Association.

Food, Fun, and Fellowship program operates daily at St. Mary's school from 10 a.m. to 2 p.m.

G. Riethmiller Continues on State Bd. of Education

Gov. William G. Milliken last Tuesday announced the appointment of Dr. Gorton Riethmiller, 8088 Beeman Rd., Chelsea, to the State Board of Education for a term expiring Jan. 1, 1977.

Riethmiller, who chose not to run for re-election and serve a full eight-year term, succeeds Dr. Michael J. Deeb, who resigned. Riethmiller, 67, was appointed in December, 1969, to fill an unexpired term created by the death of Dr. Leroy Augenstein, and that term expires Jan. 1.

Milliken said, "I am pleased to be able to draw on Dr. Riethmiller's proven ability and experience for at least two more years."

Confirmation of the appointment is not required.

TOUGH BUSINESS
American businessmen have it rough. They invent something new and the Russians claim it's theirs while the Japanese figure out a way to make it cheaper.

ALL ABOUT FOOD

F. A. KENNEDY.

After the first corn crop had been gathered, the original Plymouth Thanksgiving was held November 26, 1621. The Pilgrim Fathers and Governor Bradford decided to have a feast, a day of Thanksgiving.

They invited the friendly Indians to join them. Chief Massasoit and his 90 braves, came with wild turkeys and venison.

There were 55 English-speaking people present. Of the 55, only four were women. It is reported that these women, with the help of the young girls and one servant, prepared the feast for this large gathering. It was held outdoors because there was no room large enough to hold this number.

That first Thanksgiving Day was long before football monopolized our holiday activities. Back then, the Pilgrims lifted the lids on kettles loaded with early American foods. Things like corn, beans, tomatoes, potatoes, puddings, corn-bread, maple syrup, pears, clam chowder and wild turkeys, geese, ducks and venison hung on poles and roasted over open beds of coals.

And that was the menu because it really was a feast. It started out as a breakfast and with the preaching, feasting, talking and games, the activities lasted three days. I am sure today's Thanksgiving Day menu is just as well planned and prepared, but is it as well received?

In many "quarters," Thanksgiving Day dinner is briefly enjoyed during the "half-time" ceremonies. This, of course, is by far the worst "penalty" you can hand out to your cook or host. Also, eating dinner that quickly may throw your tummy for a "loss." Fellows, this Thanksgiving, spend more time at the table and I am sure you will earn more "extra points" for the "home team!"

In closing, all of us here at Polly's wish you and yours a happy and safe Thanksgiving holiday.
