Accused Mother In Court Today on Charge of Murder

Mrs. Helen Schnaidt will appear for preliminary examination on two charges of first-degree (premeditated) murder in 14th district court in Saline today (Thursday), in connection with the Nov. 8 strangulation deaths of her two daughters.

Mrs. Schnaidt, 23, is accused of strangling her two daughters, Jean Marie, 3, and Arlene, 2, in the Schnaidt home at 219 Railroad St. She has been held in Washtenaw County Jail without bond since the slayings.

A previous preliminary examination scheduled Nov. 13 in the case was waived by Mrs. Schnaidt's attorneys, Rademacher & McLaughlin, and she was bound over to circuit court, where a competency examination was ordered by Judge William F. Ager, Jr., after the Chelsea woman stood mute to charges and a not guilty plea was entered.

Judge Ager ruled Dec. 19, on the basis of the report from the Center for Forensic Psychiatry at Ypsilanti State Hospital, where Mrs. Schnaidt was examined by a team of two psychiatrists and one psychologist, that she is competent to stand trial on the charges.

On Jan. 30, Mrs. Schnaidt's attorneys were granted a petition that she be remanded back to 14th District Court, Prosecutor Lynwood Noah said Tuesday, which, despite its seeming complexity, he said, "is not an unusual move."

William Rademacher, of Rademacher & McLaughlin, explained Tuesday that the original waiver of the preliminary examination in district court was requested to obtain the competency hearing,

which, he noted, cannot be done in district court.

Establishment of competency, Rademacher says, is simply a matter of determining whether the defendant is able to comprehend the charges he is facing, and whether he is anticipated to be able to assist in his own defense. The competency examination is not intended, and does not attempt, to establish the culpability of the defendant; that is, whether the defendant can legitimately be blamed for the crime.

Rademacher noted that "we are not unhappy that she was found to be competent to stand trial. We wanted to establish that at the beginning, however, which is why we waived the original examination."

The preliminary examination to be conducted today is to determine basically whether a crime has been committed, and if it is possible that the defendant committed it. It is expected that the case will then be bound over to circuit court once the examination is concluded.

The decision by Judge Ager that Mrs. Schnaidt is "competent to stand trial" does not rule out a plea of insanity, which Rademacher confirmed will be the defense's course of action.

Mrs. Schnaidt, who had committed herself to Mercywood Hospital last summer for 45 days of treatment that included electric shock, allegedly used a jump rope and an electrical cord to kill her two daughters. According to reports, she had attempted to telephone her psychiatrist prior to the murders.

Debaters Set For Saturday's State Tourney

Chelsea High school debaters will be among 60 Michigan high schools competing in this year's State Championship Debate Tournament this Friday and Saturday, Feb. 14, and 15, at Eastern Michigan University.

Local debaters, who captured the State League championship for the first time since 1971, rolled up a 9-3 record for the season, which included a record-setting performance by Brad Glazier, who totaled 167 points during the season from a possible 180.

Climax of the tournament will come Saturday at 2:30 p.m., when top teams in Classes A, B, and C debate in rooms 201, 204, and 213 of the Pray-Harold Building on the EMU campus.

Teams from each school will debate the same topic, which was assigned in advance by the Michigan High School Forensics Association and concerns changes in the selection process of the president and vice-president of the United States. Debaters must be prepared to argue both the affirmative and negative sides of the topic, since the team's position is decided shortly before each round by "the flip of a coin."

Individual debaters turning in outstanding performances will be chosen to compete further at a later date for scholarship awards given by the Detroit Free Press, which sponsors the tournament.

NEW KIWANIS inducted into Chelsea Kiwanis Club Monday night by inducting officer respective sponsors, Paul Frisinger and Paul Charles Cameron, far left, were Jim Collins and Mann.

'Once Upon A Mattress' in Rehearsal for March Musical

"Some people are superstitious—they think that the number 13 is unlucky. But for me, number 13 has always been lucky," says DiAnn L'Roy, again director-producer of this year's Chelsea High school musical, "Once Upon A Mattress." This is the 13th musical that Miss L'Roy has directed in Chelsea, and she feels that it will be "Lucky 13."

The cast, now beginning its sixth week of rehearsals, last week completed the first act, and has started work on the second. Later, they will put both acts together, add music, lights, costumes, and on March 20, 21, and 22, perform for the community. Tickets will go on sale March 1.

"Once Upon A Mattress" is a satire based on the fairy tale of the "Princess and the Pea," the story takes place in 1428, in Flanders or Luxembourg.

Sets for the production will be much different than those used in previous plays; there will be no front curtain; all of the set changes will be done in blackout. There will be a tower on either side of the stage; there will be a moat, and all the other things that usually come with castles. The audience will be looking directly into the castle.

Costumes will be rented from Hollywood Costumes, and are expected to be luxurious and authentic, from the King's velvet robe to the Lords' doublets. The Wizard's costume, probably the most elaborate, is insured to approximately \$5,000.

A few technical problems have emerged thus far, including how to construct a bed frame that will hold 20 mattresses, and how to build a bird cage that can be suspended from the ceiling, and yet strong enough to hold an actress.

Musical accompaniment to "Once Upon A Mattress" will be in the form of a small brass and woodwind group of some 11 musicians, more of a combo than an orchestra, with a "jazzy" sound. The combo will be made up of local people, as well as others, who have played locally before.

Unlike some previous CHS plays, which have had two or three lead characters who have "made" the entire play, "Once Upon A Mattress" has nine leads requiring over-all depth of character at all times, and ability in acting and singing.

Everyone involved with the play is working hard to make "Once Upon A Mattress" the best one to date. Maybe it will be "Lucky 13."

Games in this week's (Wednesday night) semi-final action were to feature Overpeck (4-0) against Young (2-3), and Bareis (3-2) against Burg (3-1).

Girls action featured a good deal of excitement in first elimination play, as Nanette Push set a single game scoring record for girls by dropping in 16 points to lead Welshans to a 26-2 victory over Lamb. Cindy Welshans added eight points for the winners.

In the surprise of the week, Satterthwaite upset Arnett, 19-11. The defeat leaves Arnett's record at 3-2, while Satterthwaite nudged its standing up to 3-2. Veronica Satterthwaite led her team in scoring output with 11 points.

Mrs. Jay Hopkins, general chairman for townships surrounding the Chelsea area, reports the following figures from the area: Lima township, \$648.30, with an increase over last year of \$125; Lyndon township, \$192.80; Dexter township, \$554.85; Sylvan township, \$323.74. Grand total is \$1,719.69.

Mrs. Hopkins expressed her thanks to the four township chairmen, Mrs. Bernard Besso, Lima township; Mrs. Wilbur Schleicher, Lyndon township; Mrs. Al Cordell, Dexter township; Mrs. Eugene Duhamel, Sylvan township, and to all the marchers for giving of their time so generously to support the March of Dimes.

Cagers Roll Over Brighton, Ready for Milan

Chelsea cagers provided a Parents' Night crowd with some fine entertainment Friday night by downing the other set of Southeastern Conference Bulldogs, from Brighton, 68-50.

The victory, Chelsea's 14th straight home victory and seventh consecutive win anywhere, allowed the Bulldogs to maintain an 8-2 record, good for a second place tie with Saline.

Tomorrow (Friday) Chelsea will host Milan's Big Reds, currently on top of the SEC with a 10-0 record. "I'm sure we'll definitely play better here (in Chelsea) than we did there last month (the Bulldogs were swamped by Milan Jan. 10, 84-41)," Coach Tom Balistrere promised.

In Friday's contest, Ron Kiel, who apparently goes into ecstasies at the sight of a Brighton uniform, again went wild on this particular set of opposition. Leading the Bulldogs to a 15-9 first quarter lead, Kiel paced the offensive

output with five points. In the second quarter, he hit four-for-four from the foul line, to help boost the Bulldogs lead to 32-21.

In this season's previous Brighton game, Kiel roared to a personal season-high total of 28 points.

Chelsea outscored Brighton in the third quarter, "our big quarter," according to Coach Balistrere, by a two-to-one score of 20-10. Dave Alber and Gary Wonders led in point output in that quarter, with eight and six, respectively. Rick Sweeney added four.

In the final period, Bulldogs edged Brighton 19-16 in the scoring column, finishing the contest with a 68-50 score.

Senior guard Gary Wonders received scoring honors in the game, recording 20 points and a 100 percent night from the foul line. Coach Balistrere reported that Wonders "played well for us," (Continued on page three)

Wrestlers Tune Up For League Meet

One lazy win and one too close for comfort came the way of Chelsea wrestlers this week, and both ended a head of steam onto the Bulldog grapplers' march into the league meet this Saturday at South Lyon.

Last Tuesday at Holt, Bulldog matmen came away from the meet, thinking they'd managed only a 25-25 tie performance but learned later that an extra point for a superior decision had gone unawarded during the game's officiating, which gave Chelsea the victory margin, 26-25.

Coach Richard Bareis called the match "a totally confusing evening, in that the officiating was questionable. Chelsea was penalized one team point for a 'misconduct' and the match was scored inaccurately, as everyone left thinking it had ended in a tie."

Winners for Chelsea amidst all the confusion were Jim Stahl, who took an 8-0 decision at 115 pounds; Mike Agopian, who recorded a pin at 5:44 in the 129-pound category; Doug Reed, who earned a 17-0 superior decision in his 135 weight class; Darryl West, who likewise took a superior decision by a 12-1 score at 148 pounds; Tim Reed, who brought home an 11-1 superior decision at 158 pounds; and

Dennis Bauer, who jumped to a 59-second pin at 170 pounds.

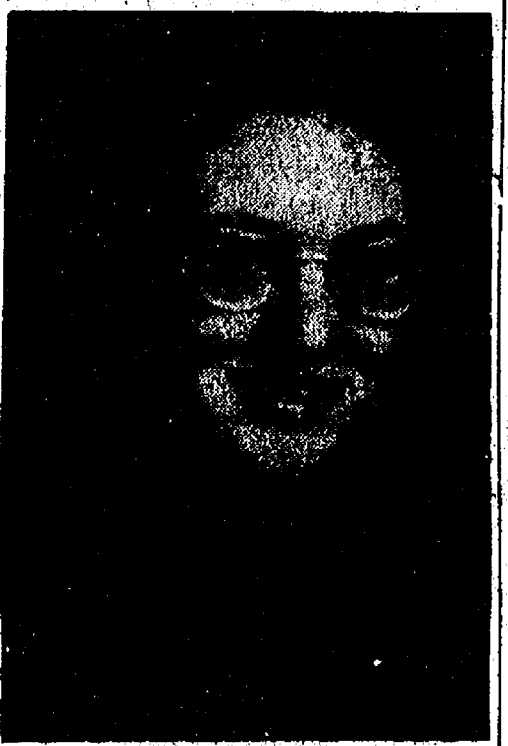

Bulldog losers were Dave Stahl, who was topped 14-0 at 101 pounds; Kevin Kelly, who was defeated 12-3 at 122 pounds; Bob Swanberg, who was pinned at 141 pounds; Jeff Branham, who suffered an 8-4 loss at 188 pounds; and Kermit Sharp, who was edged out 5-4 at heavyweight.

Thursday's defeat of Lincoln was a good deal easier for all concerned to figure out, however, as Chelsea walked away with a 56-6 victory.

"For once this year," Coach Bareis noted, "we were able to dominate the lower weights, and with the aid of two forfeits, it was no match."

Winners for the Bulldogs were Dave Stahl, who recorded a pin at 1:00 at 101 pounds; Jim Stahl, who pinned his opponent at 3:42 at 103 pounds; Kevin Kelly and Ricky Beeman, who received forfeits at 115 and 122 pounds; Mike Agopian, who took a 1:42 pin in the 129-pound class; Doug Reed, who earned a 9-2 win over his Rallsplitter at 135 pounds; Dave Keiser, who took a 4-3 decision in the 141-pound class; Darryl West, who recorded a whopping 36-0 superior decision in the 158-pound

ELLEN M. BONUS

Ellen Bonus Is Family Leader Of Tomorrow

Someone on the General Mills staff apparently isn't quite as efficient as all good homemakers ought to be, since Ellen Bonus discovered that she'd been chosen Chelsea High school's Family Leader of Tomorrow only Monday from a Standard reporter.

"From among some 15 Chelsea High school seniors who took the test, Ellen will represent the local school in judging to determine Michigan's State Family Leader of Tomorrow, on the basis of test performance. The state winner will receive a \$1,500 college scholarship, while the runner-up in state judging is awarded a \$500 scholarship. Encyclopedia Britannica Education Corp. will present "The Annals of America," a 20-volume reference work, to the state winner's school.

Concerned Group Adopts New Name

A group of "concerned citizens" who have grown to despise that overused term took a step toward differentiation between themselves and those otherwise concerned Saturday when they adopted a name for themselves: GROW.

Adoption of the name GROW (an acronym for "growing, responsibility, opportunity, and warmth"), along with another decision to allow both young people and adults to participate as students in seminars planned by the group, were the highlights of Saturday's meeting, an open house which was attended by a familiar group of eight people.

Although the open meetings of the group were prompted by a series of letters in The Standard which pointed out vandalism in the community by youth and others that highlighted a feeling of "nothing to do" for young people in the community, members decided to open seminars to all ages. "Although it's doubtful that we'll get a lot of adults wanting to take our seminars, we don't think we should exclude anyone," a participant Cheryl Spector, pointed out.

Currently one seminar is meeting Saturdays in the OEO office at 140 Park St., providing instruction for playing guitar and drums, and others dealing with varying topics will be initiated later according to interest.

A statement of the philosophy of the group, prepared by Washtenaw County Sheriff's Department Police Support Unit staffer Chuck Altman, was presented to participants and stressed basically that the group exists for "supervision and support" of a community program in which "people can learn and grow together."

Copies of the statement are currently being sent to some 150 area residents, including ministers, social agency representatives, and other possibly interested parties, along with an invitation to attend another open meeting of the group, scheduled for Saturday, Feb. 22 in First United Methodist church.

Purpose of that meeting, according to participants in Saturday's session, will be to arouse interest in those affected by such a group as GROW, and also to solicit support and suggestions for potential programs.

Biddy Basketball Play Is Underway

League standings at this point in Chelsea Recreation Council's biddy basketball leagues are quite simply a matter of first and last places—since each team in the three leagues has played only a single game, last Saturday at Beach Middle school.

On top in the World Basketball Association, the league designed for seven- and eight-year-olds, are the Knicks, Capitols, Suns, and Rockets, while sharing the cellar and hoping for good things this Saturday are the Lakers, Kings, Bullets, and Hawks.

Setting the pace for the American Basketball Association, composed of eight-, nine-, and 10-year-olds, are the Colonels, Warriors, and Braves, followed by the Squires, Pacers, and Nets.

In the 10- to 12-year-old league, the National Basketball Association Pistons and the Bulls share the top spot, while Celtics and the Bucks are momentarily, at least, trailing behind with a loss each.

Games are scheduled in the leagues on successive Saturdays at Beach school until March 22, which will be Trophy Day for all three leagues. For Trophy Day, participants will be divided into five age groups and will compete in categories of speed dribbling, timed bounce passing, five foul shots, and a timed 30 seconds of shooting from the floor. Top five players in each category of each age group will receive ribbons in this competition, and the over-all top three boys will receive trophies.

For the opening four weeks of the biddy basketball program, participants were given individual instruction in offensive and defensive drills, shooting, dribbling, and assorted other skills necessary to the game.

This Thursday a special portion of the program will be featured at the freshman basketball game, when the Hawks will meet the Suns and the Capitols will tangle with the Rockets during half-time. Freshman basketball begins at 7 p.m.

Friday during half-time of the junior varsity basketball game, the Nets will encounter the Pacers and the Warriors will play the Braves. Game time for the JV contest is 6:30 p.m. (Continued on page eight)

Cagers Down South Lyon Tuesday Night

Chelsea cagers ran their overall record to 15-2 Tuesday night by trouncing South Lyon, 77-58 in their 14th consecutive home victory.

The home victory string will come up for serious challenge Friday night when Milan's Big Reds, 10-0 in the Southeastern Conference, troop into town for a meeting with the second-place Bulldogs.

Coach Tom Balistrere called Tuesday's effort "an outstanding team game" and noted happily that he managed to allow all his players to see action.

"We're playing well, and we're having fun," Balistrere said. "And everybody is contributing. From (Continued on page three)

Beach Intramural Tourney Underway

Unhindered by falling roofs or other disasters, Beach Middle school intramurals managed to make it through the first round of tournament play last Wednesday, for both girls and boys basketball teams.

In boys action, Bareis team, led by Joe Verwey's 18 points, topped the Sabo squad, 22-20. Brad Knickerbocker hit for 14 points for the losers.

Young trounced Leach, 19-9, in a game that saw Young's Dave Bowham hit for more points than the entire Leach squad, a total of 11.

Games in this week's (Wednesday night) semi-final action were to feature Overpeck (4-0) against Young (2-3), and Bareis (3-2) against Burg (3-1).

Girls action featured a good deal of excitement in first elimination play, as Nanette Push set a single game scoring record for girls by dropping in 16 points to lead Welshans to a 26-2 victory over Lamb. Cindy Welshans added eight points for the winners.

In the surprise of the week, Satterthwaite upset Arnett, 19-11. The defeat leaves Arnett's record at 3-2, while Satterthwaite nudged its standing up to 3-2. Veronica Satterthwaite led her team in scoring output with 11 points.

Schultz Residence Damaged By Fire

A Boyce Rd. family managed to avoid injury in a fire early Monday morning when flames burned through a wire holding a picture on a wall, and the family was awakened by the noise of the falling picture.

Fire at the Gerald Schultz home, 11152 Boyce Rd., was confined to a wall over the fireplace. Fire Chief Jim Gaken said. Damage in the blaze was minimal, the chief reported.

ALL PRIMED for a winning season are members of W.B.A.'s Nicks squad, who with other biddy basketball teams ended instruction and began competition last Saturday. In front, from left, are Eddie Brosnar, Randy Sabo, Craig Leach, Tim Erskine, and Mark Rosentretter. In back are Darin Hosler, Scott Mills, Coach Paul Buntin, Paul Buntin, Richie Conner, and Vaughn Mills.

COLONELS are one of six teams entered in biddy basketball A.B.A. competition. In front, from Steve Cattell, Troy Schiller, Coach Gary Cattell, left, are Rus Harris, Rick Cattell, Eric Eeles, Neil Quigg, and Jeff Koepke.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Clem Webster was wound up tight as a \$3 watch when he got to the country store Saturday night. He told the fellows he had been reading about where politicians go when they're put out of office. Clem said he had studied the situation up one side and down the other and he had decided that politics has got turned clean around, like everything else in this country.

Fer instant, allowed Clem, Josers in elections now is the winners. It's allus been that a fellow with his head in the public trough had a good chanct to keep it there, said Clem, but now we got more places than ever afore to put ex office holders that don't want to go back home and go to work. Clem said he had saw a run-down on what happened to some of them Congressmen that lost in November, and he was of a mind they was playing Brer Rabbit to the voter's Brer Fox when they was running for reelection.

General speaking, declared Clem, they come out better gitting appointed than elected. In North Carolina, Earl Ruth got beat, so he got a vacation in the South Seas as governor of a island out there at higher pay than he got in Congress. A lot of the rabbits that voters throwed in the briarpatch went on to become third assistant undersecretaries in some Government department. Clem reported where they can live happy ever after and never have to face the homefolks about the kind of job they're doing that lets them live in the manner to which they had become accustomed.

Ed Doolittle final got Clem slowed down enuff to remind him that back scratching in politics is the name of the game. Ever now and then, Ed said, somebody will start a investigation into what they call the "Integrity of Government," and folks back home wait in hopes they find some of it. When Democrat Senator Jackson said Republican President Ford's plans to save energy and git the stalled economy started was like arranging a deck chairs on the Titanic he was just doing what all politicians do. They blame the other party. All of em is to busy pointing at the other fellow to work on the problem. Ed said, and most of em wouldn't know integrity if it fell on their heads.

Zeke Grubb said he wasn't to worked up over them ex Congressmen gitting good jobs. After all, Zeke said, Governments at all levels is spending \$17 billion this year on makework jobs, so Congress must figger that charity begins at home. What bothers him, Zeke said, is that while the appointees and appointees play musical chairs, the Government is left to run itself.

Personal, Mister Editor, I'm with Zeke. I recall the two drunks in court fer wrecking a car. When the judge ask one of em who was driving at the time of the accident.

Where to Find What
You're out of a job—for the first time ever—and need some help from somewhere. How do you get details on buying foot stamps?

Gov. William Milliken says it would be most helpful to have a state government "hot-line" telephone system that would allow you to pick up the phone, dial a toll-free number and get the answer to that question and any others dealing with government services and agencies.

He's proposed such a phone system in his State of the State address.

Frequently, citizens are not aware of necessary services which the state provides," he said in that message. "Often, if they are aware, they are unfamiliar with the mechanisms necessary to initiate action on a given problem."

For that reason, he says, he's recommending the hot-line system. Milliken says that in the past, particularly during the energy crisis and problems with land sales, hot lines to individual offices or departments have been very successful.

He figures too that his own "people's press conferences"—conducted during his re-election campaign last fall—"were not only educational experiences for the participants and viewers, but also for me."

So, he says, he'll continue this practice, of conducting "press conferences" with members of the general public acting as questioners, from time to time around Michigan.

Taxes and More Taxes
Michigan taxpayers may wonder why the state considers hiking its income tax rate just as the federal government discusses rebates and

lowered income taxes. Detroit House Speaker Bobby Clinch is the answer:

"The federal government can deficit spend," he says, "while Michigan cannot." That means basically that the U.S. government can spend more than it has, but Michigan's constitution prohibits such an approach, declaring that state spending must be cut when it looks like income won't meet outgo.

Putting in Public

Non-smokers mobilizing against public puffing are carrying their fight to Lansing these days.

At least one bill, aimed at banning smoking in many public areas, already has been introduced in the House by Rep. Charles Harrison, D-Pontiac.

Gov. Milliken and other top government officials are backing curbs on smoking, and another lawmaker, Rep. Michael Collins, R-Jackson, says he's laying the groundwork for a "non-smokers bill of rights."

And in the face of all this activity comes a report from the Michigan Health Council which doesn't look healthy.

The recession has not hurt the sale of cigarettes in Michigan or the United States," says Council Executive Vice President John A. Doherty.

The council says Michigan's treasury reaped nearly \$140 million in cigarette taxes during the past fiscal year—compared to more than \$133 million in 1973 and just over \$130 million in 1972.

Additional taxes on cigarettes (now 11 cents a pack in Michigan) may be imposed this year, Doherty suggests, and that may not be all bad.

Besides raising millions of dollars in taxes, such an increase could help a few smokers. Doherty says

that when cigarette taxes go up some smokers quit or cut down substantially on their tobacco use.

Watch It, Turkeys
It's time for would-be turkey hunters to apply for their gobble-hunting permits.

The Department of Natural Resources reminds hunters that Feb. 28 is the permit application deadline for this spring's turkey season in the Allegan (April 23-27, April 30-May 4) and Mio and Baldwin (April 30-May 4, May 5-9, May 14-18) areas.

A hunter may request a permit for only one hunt in only one of the three specified areas.

Hunters age 12 and over who have 1974 Michigan small game or sportsman's licenses may apply individually or through a "buddy system" approach.

One hunter's name and address should be printed on the postage side of a government postcard, the department says. On the other side should be the hunter's name and address, hunting area of his choice, season dates he'd like, the number of his 1974 license and his signature. If the buddy system is used, one hunter's name and address goes on the postage side, and data about both hunters

Reduce Your Current Taxes...

TAX SHELTERED RETIREMENT PLANS

If you derive all or part of your income from self-employment, you can start building for future financial security and at the same time get tax benefits now.

Each year you can deposit 15% of your annual earned income or \$7500, whichever is less, in a retirement savings account at Ann Arbor Federal Savings. Your deposits earn high interest each year and the interest earned is tax deferred. You can deduct the full amount of your annual deposit from your present income now, while you are in a higher tax bracket. You then pay at a much lower tax rate as you draw from the account after retirement.

FOR EXAMPLE:

Let's use a self-employed married man who is 45 years old, earns \$25,000 a year and is in the 25% bracket. He puts \$2,500 a year in his retirement account. With the Keogh Plan, the full amount is tax deductible and his tax saving is \$625. If he retires at age 65, his life-time tax saving would be \$12,500. And at age 65 he would have total cash, with interest figured at the current rate of 5%, of \$85,782.35.

If he doesn't use the Keogh plan, he has to pay income tax of \$625 on \$2500 leaving \$1875 for investing in his retirement plan. At age 65 he would have accumulated only \$65,648.76.

In addition, Ann Arbor Federal Savings also offers the new Individual Retirement Account for those who now are employed by a company that does not offer a pension plan. Maximum tax deferred yearly deposit allowed is \$1500. IRA pension plans can be arranged for an individual or for an entire corporation.

HOWARD SALYER, until recently an entry on the injured list for Chelsea cagers, reports that his injured knee is now "at 100 percent." The 5'11" junior guard, who has played junior varsity and freshman basketball for the Bulldogs, has also participated in track and football. Salyer will perform in another capacity March 20-22, when Chelsea High school presents "Once Upon a Mat-tress," in which he plays Dauntless. Of Salyer's basketball prowess, Coach Tom Balistrere reports that "Howard is one of the quickest defensive players I've seen for a while. He's cool under pressure and always handles himself well." The son of Mrs. Roma Salyer, he has one sister at home, Brenda, a married sister, Wanda Koenigter, and two brothers, Rodney and Bob.

RANDY GUENTHER is a 6' junior guard playing his first year of varsity basketball for Chelsea. Also a veteran of Chelsea baseball and football squads, Guenther predicts for the Bulldogs "an 18-2 season; and we should do pretty well in the tournaments." Coach Tom Balistrere notes that "Randy has done an outstanding job for us, both as a starter and as a substitute. He's an excellent defensive player with good hustle, and he possesses a fine knowledge of the game." The son of Elton and Ruth Guenther, he has two sisters, Sue and Jan.

Bulldog Cagers Shout 'Now Bring on Milan!'

(Continued from page one) season we're having." In Tuesday's contest with the still-winless Lions, Chelsea led by only a single point at the end of the first quarter, 17-16, with Gary

Wonders turning in 10 points in that period.

Bulldogs ran their lead to eight points by half-time to allow themselves a free-and-easy intermission, 34-26, with Jack Hackworth leading the attack with a six-point output.

Dave Alber showed his stuff in the third quarter, pumping in 10 of his game total of 20 points to push Chelsea to a 56-42 lead; then aided by Ron Kiel's high of five points in the final period, Bulldogs ran their margin to 77-58.

Four players hit in double figures in the "fine team effort." Dave Alber, good for 20 points and 10 rebounds; Ron Kiel, in an "excellent game," in the coach's words, recording 15 points, and leading the squad with 12 rebounds; Gary Wonders, scoring 18 points and totaling seven assists; and Jack Hackworth, hitting for 10 points.

Rick Sweeney provided "an exceptional defensive job" for Chelsea, holding his man to eight points and scoring five of his own while pulling down seven rebounds.

Randy Guenther "did a fine job for us by getting things rolling in the third quarter," according to Coach Balistrere, putting in four points of his own and accounting for several steals and assists.

Randy Davis and Steve Lyerla, early substitutes in the contest, helped maintain the lead through "fine rebounding" and "good defensive work."

Randy Musbach spelled Jack Hackworth at various points in the game and "did another good job for us," according to Balistrere.

Howard Salyer, who the coach said "is pretty much at full capacity for us," played a fine game and earned three points.

Tom Hafer also contributed a point to the Bulldog cause, and Bill Rademacher, Rick Robbins, and Dave Watson "all gave us fine performances in this game," Balistrere said.

The victory was the eighth consecutive win for Chelsea, now 9-2 in the SEC.

The trouble with getting ahead in life is staying ahead.

Cagers Down South Lyon Tuesday Night

(Continued from page one) and also that he led the team in assists and managed four steals in a "real fine game."

Dave Alber, high scorer for several consecutive games, fell a little off his own offensive pace, which is still a fine performance for anyone. Alber turned in 19 points, pulled down 10 rebounds, and further helped out with five steals and four assists.

As Brighton's number one Chelsea nemesis, Ron Kiel managed 12 rebounds to lead the team and also added 10 points for the Bulldog cause. "I don't know exactly what it is but Ron always has an outstanding game against Brighton," Coach Balistrere noted.

Rick Sweeney earned mention from the coach for his "outstanding defensive game." Rick held their leading scorer (Dave Lew-Allen) to just 16 points while he was guarding him. This is the kind of performance we've been getting from Rick all year—we put him on their best offensive player and he shoots 'em down." Sweeney grabbed 10 rebounds and scored six points.

Jack Hackworth, hampered until recently by a football injury, has earned a starting berth for the Bulldogs and "gave us his good, steady game," Jack did a nice job defensively," Coach Balistrere said.

Supplementing his starting five were fine performances by Randy Musbach, who was good for four points and "a good defensive game" according to Coach Balistrere; Randy Davis and Randy Guenther, who each played "fine defensive games" in the coach's estimation; Howard Salyer, who had a 100 percent night from the foul line; Steve Lyerla, who pulled down four rebounds and hit for three points; and good hustle and team play from Bill Rademacher, Tom Hafer, Dave Watson, and Rick Robbins.

"I was really pleased that we were able to play so well in front of the folks," Coach Balistrere said of the Parents' Night contest, "and, particularly pleased that everyone got to play."

"We were really sharp in this game," he continued. "Both defense and offense were executed very well. This was definitely one of our better games as a team—teamwork was extremely good." He again cited hustle and teamwork as the two factors that have led the team to its current 14-2 record.

Volleyball Teams Divide With Dexter

Chelsea girls volleyball teams scrimmaged Dexter Tuesday night, earning a victory at the varsity level but failing to the Dreadnaught JV squad.

Varsity took care of Dexter in two games, 15-6 and 15-8, while the junior volleyballers lost in three games, 10-15, 15-11, and 7-15.

Dexter does not have an official team entered in league volleyball competition.

FLANNING ON INSULATING this winter? When buying insulation remember to compare quality as well as price. Insulation's effectiveness is in its resistance to heat flow which is measured in "R" value. Cellulose or wood fiber insulation has an "R" value of 4.17 per inch. Compare this to the "R" value of various synthetic, solid fiber materials which tend to conduct heat. For more information call Heller Electric after 6 p.m. at 475-7378.

Mr. and Mrs. Clarence Trinkle

Trinkles Observing 50th Anniversary

Mr. and Mrs. Clarence Trinkle of 320 S. East St. will be honored at an open house this Sunday, Feb. 16, at Chelsea Fair Service Center from 2 to 5 p.m. In celebration of their 50th wedding anniversary.

Hosting the event, to which all friends, neighbors, and relatives are invited, will be the couple's six children and their families: Mrs. Ellis (Doris) Pratt of Manchester; Mrs. Donald (Leila) Bauer; Mrs. Emerson (Eva) Wheeler; Mrs. Joseph (Ruth Ann) Steele; and Robert and Ralph Trinkle, all of Chelsea.

The Trinkles were married on Mr. Trinkle's birthday, Feb. 19, 1925, in Lodi township. Attendees at their wedding were Mr. Trinkle's brother, Alton, of Springfield, O., and Mrs. Trinkle's sister, Mrs. David (Alma) Wahl of Saline.

The Trinkles are life-long residents of the Chelsea area. Mr. Trinkle, a retired farmer, has also operated a cider mill and gravel business on Scio Church Rd. He now enjoys gardening and selling produce at Ann Arbor's Farmers Market. Mrs. Trinkle enjoys rug weaving and making fancy work. Methodist Home Plans Special Activities During Quarantine

Late in January, Chelsea United Methodist Home closed its doors for the duration of the influenza epidemic. Several programs had to be canceled, or re-scheduled, that were to have been given by church choirs and other groups from neighboring cities.

To offset the complete quarantine and to allay the disappointment of the residents, the Home has arranged many types of entertainment. There have been round-trip bus rides, bingo parties, song fests, and many hall parties, and also programs given by several of the Home residents. Dr. Hope Lowry recently entertained a large group of residents, giving a slide-talk program on her trip to England and France.

Area Youth Pleads Guilty to Driving Under Influence of Liquor

A 17-year-old Chelsea youth pled guilty Monday to driving under the influence of liquor in connection with an automobile accident last Saturday near Main St. and Old US-12.

According to witnesses, Raymond W. Niles, III, 2221 Fletcher Rd., made a left turn onto north bound M-52 from eastbound Old US-12, struck the east curb of M-52, and then continued north, crossing the center line and finally striking a southbound vehicle driven by Donald Proctor, 121 W. Summit. Also in the vehicle was Proctor's wife, Sally.

After the collision, Niles' 1962 Buick spun around and struck two trees before finally coming to a stop. According to witnesses, police reports said, Niles walked around the scene of the accident, cursing and staggering, until police officers arrived and put him in a squad car, after which he yelled out the window.
Niles' case has been referred to the probation and alcohol safety departments of the court, and he will be sentenced on the charge March 24.

Also identified as a participant in the robbery of more than \$3,000 in which a phony bomb was used to extort money from the bank's manager, is Elvin "Sonny" Kings who was taken into custody by FBI agents within hours of the incident.

Ellen Bonus Is Family Leader Of Tomorrow

(Continued from page one)

Chelsea High school reports that the test, called by General Mills "a written knowledge and attitude examination" dealt primarily with "common sense sort of things—like buying a home or managing a budget . . . and some things that were sort of weird, like what you'd do if you found a rabid bat in the attic."

Ellen, who is active in 4-H and enjoys sewing and playing the piano, intends to enroll at either Central Michigan University or Michigan State University following high school graduation, to major tentatively in communications. She is the daughter of Mr. and Mrs. Thaddeus Bonus, 2000 South Lake Rd.

If she progresses past the state level of judging, Ellen and the nation's 50 other top winners will gather in Washington, D. C. in April for an expense-paid educational tour of the nation's capital and Williamsburg, Va. During that trip, personal observations and interviews are conducted to select the All-American Family Leader of Tomorrow, who receives a \$5,000 college scholarship. Second, third, and fourth-place national winners receive scholarships increased to \$4,000, \$3,000 and \$2,000, respectively.

Team members are Paul Dowhal, chairman; Doug Welshans, vice-chairman; Tom Clemons, secretary; and David Frame, Jerry Huehl, and Nelson Bollinger.

Robards paced rebounders with 18, assisted by Sweeny with 14 and Don Morrison with 10.

SEC ROUND-UP:

Milan Clobbers South Lyon To Retain League Leadership

Only two non-league contests were scheduled for Southeastern Conference teams last Tuesday, and both ended in SEC victories.

Chelsea 67, New Boston Huron 65— It took two overtimes, but Chelsea pulled ahead of New Boston Huron when it counted with only seconds left to play—to record a victory, 67-65.

Scoring the all-important final basket, and tying basket in regulation time as well, was senior forward Dave Alber, who was good for 35 points in the contest. The victory left Chelsea at 13-2 for the season.

Saline 84, Flat Rock 78—

Saline's Hornets revived their shooting style Tuesday night, after allowing it to dwindle to the zero level in their 47-45 loss to Milan the previous Friday, and managed to down Flat Rock to move their season record to 13-2.

Leading scorer for the winners was Dan Scotton with 30 points aided by Tim Slepisky's 29. For Flat Rock's losing cause, Charlie Irwin and John Davis shared scoring honors with 22.

Milan 86, South Lyon 46—

Milan's shooting, stone-cold in their 47-45 defeat of Saline last week, warmed up considerably

Friday night, when they outdid the lowly South Lyon Lions by 40 points.

Big news on the Big Red side was Scott Joplin's 27-point performance, which raised his career total to 1,327 points, a record in Monroe county.

Aiding Joplin in the squad's scoring output were Bill Kordupel with 14 points, Jay Cummings with 11, and Kurt Dingman with 10.

Greg Stephens paced South Lyon with 12 points.

Saline 99, Novi 52—

Four players scored in double figures for the Hornets in this rout which dispelled any delusions the league might have been under regarding Saline's scoring touch.

Hitting for Saline were Tim Slepisky, who led the way with 20 points, Tom Mitchell with 15, Dan Scotton with 14, and Charlie Irwin with 13.

Dexter 62, Lincoln 61—

Dexter evened its SEC record at 5-5 Friday with a basket at the buzzer that made all the difference. The victory moved the Dreadnaughts into sole possession of third place.

Deciding basket came with no time remaining on the clock, when Mark Mast's jumper from the lane dropped through.

Keith Parks led scorers with 21 points. Dexter's Dave Sing paced the winners with 21 rebounds.

Chelsea 68, Brighton 50—

Chelsea kept pace with Saline and Milan Friday night by dumping Brighton, now boasting a distressing 2-8 record.

Chelsea, now priming itself for its Friday night meeting with league-leading Milan, was paced by Gary Wonders with 20 points, Dave Alber with 19, and Ron Kiel with 10.

Chelsea State Bank moved over the .500 mark by presenting D & D Lanes with their fourth loss 35-45. For the winning team, W. Welton earned 19 points, while L. Kotzma added 15 and S. Flinn was good for 10. The losers from D & D were paced by C. Collin with 13 points, R. Owen with 12 and A. Johns with 10.

Monday night's match-ups saw Independents edged out by Chelsea State Bank, 60-53, to fall to a 5-2 record. Chelsea State Bank was paced by 22 points from T. Ballstrere, 14 from W. Welton, and 12 from T. Leonard. Pacing the defeated Independents were E. Douglas, 11 points, and B. Bishop and B. Budd, each with 10.

Dexter Rabble made it two wins in a row by downing Dunlavy Farms 52-45, for the losers' sixth straight loss. Klumpp's 23 points paced Dexter Rabble, and Speche added 14. Leading Dunlavy's point output were Snyder with 11 points and Devlin with 10.

3-D Sales & Service too, was hit with its sixth consecutive loss Monday night, by losing to Rockwell International, 41-33. T. Ker paced the winners with 15 points assisted by D. McLaughlin with nine, while Parsons led 3-D's output, with 14 points.

Ann Arbor Man Arrested Monday On D & D Charge

An Ann Arbor man was arrested for drunk and disorderly early Monday morning when he belligerently asked Chelsea police why they didn't just take him to jail, reports say.

Phillip Darrel Carpenter was arrested in front of the Municipal Building after Officers David Peebles and John Dettling received a call to meet Carpenter and a woman friend in front of the Police Station. Officers also received information that Carpenter had spun his car sideways across E. Middle St., nearly hitting a tree, and had left his friend in the car. Unknown residents of the street contacted police when they heard the woman screaming from the car, reports said.

Upon meeting the officers, Carpenter reportedly asked why they were picking on him and accusing him of driving a car that belonged to his girl friend. After his question about why officers didn't take him to jail, Peebles and Dettling needed no further suggestion and arrested him. He was transported to Washtenaw County Jail, and was later released on bond.

He is scheduled for arraignment on the drunk and disorderly charge Friday in 14th District Court.

Letters to the Editor

To the Editor,
Congratulations to Mrs. Eva Carpenter for having been given Chelsea's Jaycee's Distinguished Service Award, and special thanks to Chelsea Jaycees for having selected this most deserving citizen.

It is especially pleasing because Mrs. Carpenter is one of a group of volunteers who are unique. They are the county's senior citizens and all are over 60 years of age. 348 such volunteers are enrolled in the Retired Senior Volunteer Program and as RSVP members are engaged in numerous volunteer activities with agencies throughout Washtenaw county. The local agency with whom Mrs. Carpenter does her RSVP volunteering is Chelsea Social Services under the direction of Mrs. Linda Ormsby.

On behalf of all the RSVP volunteers, I wish to express gratitude to the Chelsea community for recognizing the valuable service performed by this fine lady!

Jean Lawrence,
Washtenaw County
RSVP Director.

Ruth Stewart Retires From Gas Co. Post

Ruth A. Stewart, Michigan Consolidated Gas Company's Director of Consumer Services, has announced her retirement after a 23-year career in which she gained state-wide recognition for her efforts in initiating basic nutritional programs for low income groups and senior citizens.

Mrs. Stewart, a native of Chelsea who attended Chelsea High School and earned her Bachelor of Science degree from Michigan State University, began her career with Michigan Consolidated in 1950 in Ann Arbor as a Home Service Demonstrator. Two years later she became Home Service director of the company's Ann Arbor district, which included Ypsilanti, Dexter, Chelsea, and Milford, where she worked and consulted with homemakers and church, school, and women's groups until 1959, when illness in her family forced her to resign.

In 1961, she rejoined the company's Detroit district and then, in 1965, returned to the Ann Arbor office as Home Service Director.

In March, 1971, Mrs. Stewart was appointed to direct and coordinate the state-wide Consumer Services Program for the company, which provides educational

program for low and fixed-income consumers to stress the importance of basic nutrition and show how those with limited incomes can stretch food dollars. Under her direction, the program stressed basic nutrition for all age groups, energy conservation, wise food shopping, and the wise use of budget foods.

Her program, which now provides these education programs to all age groups, from pre-schoolers to senior citizens, was one of five recognized nationally for its value to the community by the American Gas Association.

Fred H. McIntire, vice-president for Market Services of Michigan Consolidated, notes that, "Mrs. Stewart has done an outstanding job in creating and introducing programs designed to assist today's homemaker, particularly those in the lower-income bracket, in living better on a limited budget. She will be sorely missed in the community."

Mrs. Stewart, who lives in Dearborn with her husband, Eric, daughter Lynne, her mother, Mrs. Florence Boyce, and her husband's mother, Mrs. Stewart, is a member of both American and Michigan Home Economics Association.

Deaths during fiscal year 1974 of 355,000 veterans—206,000 with World War II service—have prompted the Veterans Administration to urge 28 million veterans to make certain their dependents are aware of death benefits to which they may be entitled.

NORTH ELEMENTARY SCHOOL NOTES

KINDERGARTEN—
North School kindergarten classes have been busy setting up a store with empty food boxes and cans from home. While working in the store the children have learned about coins and telephones. When students learn their phone number they call home to talk to mom.

One week the students learned about foods and had a vegetable tasting day, a fruit tasting day, a bread making day and the bread was eaten the following day. In the morning, Mrs. Hitting and Mrs. Brightwell helped students make the bread, and Mrs. Lane and Mrs. Duhamel assisted in the afternoon. Turnip and pineapple tops are the new plants growing in a container, of water.

Several cultures are growing in the room so students may see how germs spread through coughs, dirty hands, dirty hair, and blowing.

Snowy days found the children outside playing Fox and Geese and sliding down the hills on their roll-up sleds.

Valentine decorations were made by the classes for the party. It is fun to receive cards from our friends.

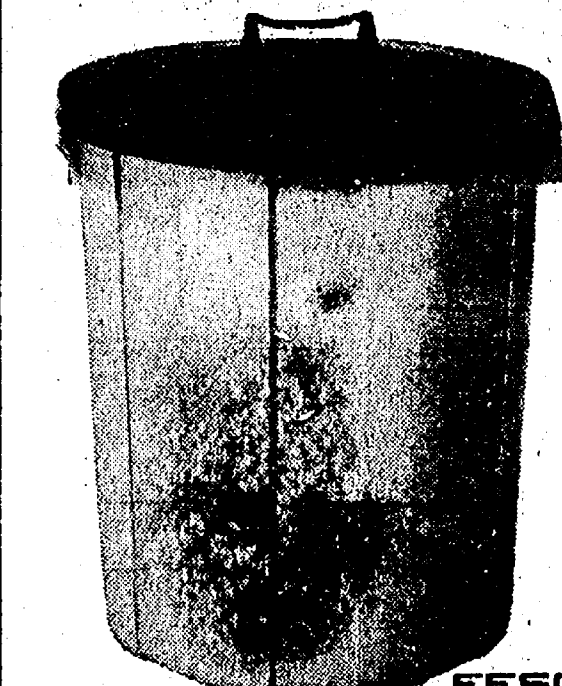

FIRST GRADE—
Teachers: Mrs. Stein, Mrs. Peebles, Mrs. Packard (Mrs. Fall)

Our Happy Birthday wishes for February go to: Chris Herter, Michelle Koebler, Eric Owens, Tim Pratt, Tina Carpenter, Sean Cook, Matt Koenn, Kevin Marshall, Mark Mull, Dianna Parker, Steven Blough, Robert Gimmey.

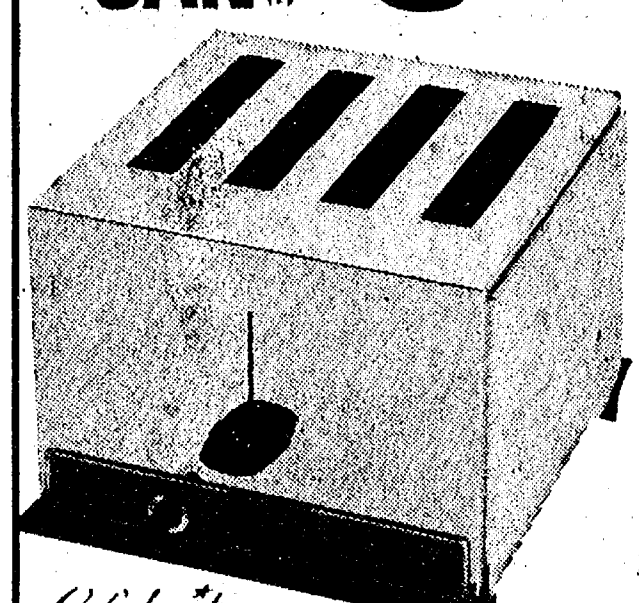

We are lucky to have a new student teacher, Mrs. Porter, with us until Mrs. Michelson comes back, then she will finish the year in kindergarten. She is getting her degree from Eastern, but lives in Chelsea. Mrs. Fall is the substitute teacher for Mrs. Packard who is recovering from surgery.

We are studying presidents with Lincoln and Washington birthdays this month. Valentine parties are the big excitement of this month and a nice time to tell our friends we like them.
