Matmen Share League Title With Dexter

Chelsea grapplers fell six points behind Dexter in final standings in Saturday's Southeastern Conference league meet, which left them holding a share of the SEC wrestling title with the Dreadnaughts.

When the final league dust had cleared, standings showed Dexter on top in the league meet, with 97 points, followed by Chelsea with 91; Saline, 74; South Lyon, 66; Milan, 57½; Novi, 49½; Brighton, 9; and Lincoln, 5.

Chelsea gained four league championships, from Mike Agopian at 129, Darryl West at 148, Dennis Bauer at 170, and Kermit Sharp at heavyweight, along with three second-places and one third-place finish. Dexter took five championships, two thirds, and a fourth.

"Dexter beat us the only way they could," Coach Richard Bareis pointed out, "by completely dominating the light weights." Indeed, Dexter's championships came in the 101-, 108-, 115-, 122-, and 135-pound categories.

"That one thing that has hurt us all year, weakness in the light weights, was the big reason again," Coach Bareis said. "Plus having to forfeit at 185 pounds really hurt."

Coach Bareis called himself "extremely pleased with Chelsea's performance." He noted that Chelsea has eight wrestlers who are consistent winners, and all did extremely well.

Mike Agopian turned in an 8-2 victory to remain undefeated in his 129-pound class. Darryl West, third in the state last year, provided some large-scale excitement at 148 pounds, when he went into overtime with Marc Kohler of Saline who finished fifth in the state last year, and eventually won it, 3-1.

Dennis Bauer, at 170 pounds, took on previously-undefeated Don Trinkle of Dexter, and hung a 16-6 loss on his Dreadnaught foe.

In a well-matched battle between Kermit Sharp and Tim Tobias of Saline at heavyweight, Sharp was awarded a referee's decision in over-time for his two-point reversal, as opposed to a pair of one-point escapes by Tobias.

Earning second places for the Bulldog mat team were Doug Reed, who lost to Larry Uphaus of Dexter, 7-3, at 135 pounds. Reed wrestled to a fine win over Steven Rangel in the semi-finals and recorded a "fine day of wrestling" according to Coach Bareis.

At 141 pounds, Dave Keiser wrestled very strongly, picking up a pair of victories before losing to Don Geise of South Lyon in the finals.

At 155 pounds, Tim Reed earned two victories before losing a 5-1 decision to Randy Cevora of South Lyon.

Jim Stahl gained a third place finish at 108 pounds by producing

CHAMPS! Chelsea's champion grapplers from Saturday's Southeastern Conference League Meet at South Lyon are, from left, Dennis Bauer, who took care of previously-undefeated Don Trinkle at 170 pounds in a 16-6 win; Mike Agopian, who remained undefeated in the 129-pound class by winning 8-2; Darryl West, who settled an old rivalry with Marc Kohler with a 3-1 overtime win at 148 pounds; and Kermit Sharp, who earned a referee's decision in overtime from Tim Tobias of Saline at heavyweight.

A CHECK FOR $450 is presented to McKune Memorial Library board treasurer, Mrs. E. W. All-League Honors Won By 4 Bulldogs

Chelsea's senior co-captain Dave Alber was one of three unanimous choices to the Southeastern Conference All-League Basketball first team for 1974-75, it was announced Monday.

Alber, who has consistently been one of Chelsea's scoring leaders throughout this season, ranked with Milan's Stan Joplin and Saline's Jim Slepsky as unanimous choices by SEC coaches for the all-league [illegible] team.

Chelsea cagers also earning mention in the league voting were senior guard Gary Wonders, Chelsea's playmaker, who received a spot on the second team, and Rick Sweeny and Ron Kiel, who each were accorded honorable mention in the voting.

Coach Tom Balistrere said, "I'm really pleased with the selections, particularly for Dave Alber, who's been just outstanding, and for Gary Wonders, our playmaker. They deserved these honors."

Christmas Sale Profits Presented To Spaulding Agency, Library

McKune Memorial Library and Spaulding for Children were presented Tuesday with funds raised for their benefits by Chelsea Child Study Club in the group's annual Make and Bake Christmas Sale.

A total of $450 was given to McKune Memorial Library, of which $200 will be used to purchase children's records and children's biographies currently needed, while the other $250 will be set aside to establish a new fund, to be used eventually to expand the children's room at the library.

Spaulding for Children received a check for $570, which will be used partially for the purchase of much-needed office equipment, with the balance planned to be set aside for funds needed in the future for placing children for adoption.

Chelsea Child Study Club's finance committee, including Mrs. Lynwood Noah, chairman; Mrs. Frederick Weber, Mrs. Ralph Owings, Mrs. Jerry Waldyke, and Mrs. Charles Cox, expressed pleasure with this year's effort and again expressed their gratitude to the community for its support of the Make and Bake Sale.

Independents Name Slate At Caucus

Chelsea's single even moderately warm political body, the Independent Party, met Monday night for its village caucus and placed candidates in nomination for offices of village clerk, three trustees, and two library board trustees for the village election March 10.

Receiving their party's nomination for two-year village trusteeships were Sam Johnson and Richard Borton, both incumbents, and Dave Rowe.

Thomas Neumeyer, who was appointed village clerk five months ago after the resignation of Loren Keezer, is the party's candidate for clerk.

Nominated for three-year terms as library board trustees were Anne Belser and Shirley Schaible.

Both Johnson and Borton are currently completing their first two-year terms as trustees. Johnson, co-owner of Gambles store, is currently Kiwanis Club presi-

H. Schnaidt Murder Examination Begins In 14th District Court

Briefs from both prosecution and defense attorneys in the Helen Schnaidt murder case were ordered Thursday by Judge Henry Arkison in the preliminary examination of the case in 14th District Court in Saline.

Mrs. Schnadt, 23, allegedly strangled her two daughters, Jean Marie, 3, and Arlene Helen, 2, last Nov. 8 in the family home at 219 Railroad St. Since that date, except for brief stay at the Center for Forensic Psychiatry at Ypsilanti State Hospital, she has been held without bond at Washtenaw County Jail, facing two charges of first-degree (premeditated) murder.

At the close of Thursday's lengthy court session, Washtenaw County Assistant Prosecutor Lynwood Noah recommended binding Mrs. Schnaidt over to Circuit Court for arraignment on charges of first degree murder. Judge Arkison stated, however, that although "it is apparent that these children died as a result of some action by the defendant," he wished to consult cases cited by both Prosecutor Noah and defense attorney William Rademacher.

Noah will file a brief with the judge by tomorrow (Friday); Rademacher will file a brief in response 10 days later. Judge Arkison said that he would summon the case to court "within a few days," after reviewing the briefs.

Primary contention of the defense in the case, as summarized following testimony by witnesses, appears to center around a statement that "a crime can be committed when a person has he capability to commit it." It is not enough, Rademacher stated, to have two dead bodies and be able to connect them with the defendant: for a charge of first-degree murder, he said, it is necessary for there to be a competent defendant and a defendant who acted with malice.

Noah, however, contended that "the nature of the killing establishes first-degree murder . . . this type of destruction of the body shows malice aforethought." As one of the bases for his argument, he cited the case of the People vs. John Norman Collins, which resulted in the conviction of Collins in one of the co-ed murders around the Ann Arbor-Ypsilanti area in the late 1960s,

Testifying at the preliminary examination were three witnesses called by the prosecution: Dr. Ronald H. Nishiyama, M.D., a professor of pathology at the University of Michigan who performed the autopsies on the two Schnaidt children; Mrs. Adelaide Schnaidt, mother-in-law of the accused woman; and Patrolman Roger Graves of the Chelsea Police Department.

Dr. Nishiyama testified that both girls' necks showed deep grooves and both showed evidence of pulmonary edema, which is accumulation of fluid in the lungs, yielding an opinion of death from strangulation. Dr. Nishiyama said that his opinion would be that a "rope-like structure" was used to strangle each child.

In answer to questions from the defense, Nishiyama said that neither girl showed any evidence of malnutrition or of any other form of mistreatment prior to her death.

Adelaide Schnaidt, mother-in-law of the accused, appeared briefly on the stand to identify people's exhibits 1 and 2, pictures of Jean Marie Schnaidt and Arlene Helen Schnaidt, taken at the Schnaidt home after their deaths.

Patrolman Roger Graves of the Chelsea Police Department, who, along with Chief of Police George Meranuck, answered the initial call to the Schnaidt home reporting the deaths of the two girls, provided the court with an account of the Department's investigation into the crime.

Defense attorney Rademacher took exception to Graves' testimony at several points, the first coming early in his remarks when Rademacher objected, in his words, "prior to what this witness is about to say."

(Newspaper reports of the Chelsea officers' entry into the Schnaidt home had Mrs. Schnaidt greeting them at the door with a statement of "I did it; they're in the bedrooms.")

Rademacher based his objection he said, upon his contention that the report of the crime that the Chelsea Police Deparment had received "gave them more than the normal expectation that a crime had been committed," and that, upon entering the Schnaidt home, the officers were obliged to inform Mrs. Schnaidt of her rights, including the right to remain silent.

At this point, however, Judge Arkison allowed Officer Graves to continue with his report of the investigation, stating that "I don't know what he's about to say."

Officer Graves then reported Mrs. Schnaidt's words upon the policemen's entering of the home: "I did it, they're in there."

Rademacher again objected, reiterating that the police had "high expectation hat a serious situation had occurred." Judge Arkison ruled that the police had no such evidence, according to testimony presented, and Graves was allowed to proceed with his account of the Department's investigation.

Graves later met with challenge when a photograph he had earlier identified as a "true and accurate" representation of Jean Marie Schnaidt was admitted to have "minor variations" from what he had actually seen. Graves said that the photo did not show discoloration in the face of the dead child, which he blamed on "the quality of the photograph."

Although Judge Arkison eventually refused to admit that particular photo as evidence, Rademacher objected to the admission of any of the photographs (four total) as evidence, calling the photos "surplusage." Best evidence of the state of the children when officers arrived, Rademacher stated, is the testimony of the officer involved, and not the photos, which he, said, have no purpose but to "eventually incite a jury."

Mrs. Schnaidt appeared last Nov. 13 in 14th District Court in Chelsea and waived preliminary examination on the charges and was bound over to circuit court, where a competency examination was requested by her attorneys. She was found to be competent to stand trial by a team of two psychologists and one psychiatrist from the Center for Forensic Psychiatry at Ypsilanti State Hospital, and her case was remanded back to district court for preliminary examination.

Cagers Fall to 3rd in SEC With Loss to Milan

There were things to be happy with in Chelsea's 68-53 loss to Milan Friday night, but unfortunately there were also the more obvious disappointments, like falling to third place, with a 9-3 record, and ruining a lengthy home winning streak.

Less obvious to ardent Bulldog fans was the fact that Chelsea managed to execute its game plan a good deal more effectively than occurred in the last Milan-Chelsea meeting Jan. 10. The plan, in January as Friday, was to work the ball in, and take advantage of the easy shots, says Coach Tom Balistrere.

In the January Milan game, the Chelseaites were completely blown off the court with that plan, but this time they did, indeed, work the ball in, position themselves for the easy shots—but fail to hit.

That failure, coupled with Milan's tough press, put the Bulldogs behind, 16-4, at the end of the first quarter. Although Chelsea battled to nearly-equal scoring in the second and third quarters and outscored the Big Reds 25-20 in the final period, the damage had been done.

Leading the Bulldog scoring attack in this contest were Rick Sweeny and Ron Kiel, each with 12 points. Randy Guenther, who Coach Balistrere said "has been playing exceptionally well for us," added 10 points to be rated with Sweeny and Kiel as "the only three who had really good nights for us," according to the coach.

Sweeny paced rebounders with 10, followed by Dave Alber with seven and Ron Kiel with six. Alber, meanwhile, was limited to but five shots and two points in the game.

Gary Wonders, who was good for six points, led the team in assists once again, with six.

Also earning the coach's praise for their performances were Steve Lyerla, who went four-for-six from the foul line for a total of four points and "played well for us," according to Balistrere; and Randy Musbach, Jack Hackworth, and Randy Davis, who each added two points to the Bulldog cause.

Chelsea's squad of Brad Glazier and Kurt Allshouse, negative, and Keith Cockerline and Brenda Shadoan, affirmative, recorded a 3-3 record in the qualifying round—three wins by the negative debaters and three losses by the affirmatives. A record of 4-2 was needed to advance further in the competition.

The team's eighth-place finish was one place in the standings higher than the squad finished last year, Coach William Coelius pointed out, and was the conclusion of "a fine season for our de-

A DIRECT QUOTE FROM THE NILES WEEKLY REGISTER 145 YEARS AGO

1830. BALTIMORE—The bridge over Gwynn's Falls on the Baltimore and Ohio *rail-road* was completed by the laying of the last stone on the eastern extremity of the south parapet. Carroll of Carrollton, our venerated fellow citizen, *the last living signer of the Declaration of Independence*, presided at the ceremony, and the bridge, in pursuance of a resolution of the Board of Managers, was named after him, "The Carrollton Viaduct."

Two of Winan's cars built by Mr. Imlay, one of them furnished with great taste and elegance, reached the grounds; the largest being occupied by thirty-seven passengers, was drawn with the greatest facility by one horse. Two dogs attached to a car trotted off with a load of six persons. Many distinguished strangers were present to watch these interesting experiments.

We salute progress through comparison and pay tribute to those who toiled for it in the past.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

The fellers spent most of the session at the country store Saturday night looking at the linings of some of the dark clouds hanging over this country. They started discussing the bright side of American life in 1975 after Clem Webster reported he had saw where there is a movement gitting started called People fer Positive Thinking. Clem said maybe if everbody worked hard at it the idee might even spread to Republicans.

Ed Doolittle called Clem's hand quick. Ed said the problems in this country go beyond politics, and the first positive step would be to relize that our domestic policy fer the past several administrations has been run on the tweedledee-tweedledum plan, with the dum j gitting the best of it. As a general thing, allowed Ed, the two-party system is the best form of free Guvernment, but sometime they pull in different directions until nobody knows which way the country ought to be going. It would be a good idee, went on Ed, to collect all the oddballs from the two parties into a third one, then the Democrats and Republicans could git down to running the country.

Actual, allowed Bug Hookum, trying to find silver in some of our clouds is like the pilot that tol dthe folks on the plane he had some good news and some bad news. The bad news was that he was lost, but the good news was they had a strong tailwind and was making real good time. Wherever we're going, declared Bug, we seem to be in a big hurry to git there.

Zeke Grubb said he had saw by the papers where they ain't any pore houses in this country today. At first when he read that, Zeke said he felt bad, cause he had been keeping his old lady in line fer years by telling her they'd wind up in the pore house if she didn't cut back on her spending. But Zeke said he got to feeling better when he reminded hisself that he didn't need no control over that situation, cause he wasn't bringing in anything to spend.

General speaking, the fellers were trying to go along with positive thinking. Bug said it was mighty comforting to know that the new Congress was at work holding up its record of being the biggest giveaway program on earth. Bug said the Lord helps those that help theirself, but that Congress will help anybody. We already got low-rent public housing fer folks that would be in them pore houses we done away with, Bug said, and now we're talking about hard cash to replace the food stamps and other bothersome forms of welfare.

There's good news on the foreign aid front, according to Ed. He said he saw where 161 countries owe the United States more than $33 billion and 100 of them are behind in their payments. With interest rates what they are, Ed said, we might have to call in some of the notes. One of the country's in debt to us is Iran, that owes $36 million.

Maybe we took a mortgage on some of Iran's oil wells, and we can foreclose, was Ed's words.

Yours truly,
Uncle Lew.

Freedom is too often taken for granted by most Americans.

What Price Security?

Locking burglars out may make you feel secure. But there's a chance that that security might cost you more than a television set or stereo.

The Michigan Fire Fighters Training Council has issued a warning about "double cylinder" locks and "key-operated dead bolts"—the kinds of locks that usually require a key to open from the inside as well as the outside.

These locks "prevent the rapid and uninterrupted escape from buildings in case of fire," says a resolution adopted by the Council earlier this year. The resolution urges anyone who advocates use of the locks to stop doing so.

The problem, explains Council Executive Secretary Phillip K. Alber, comes with fire and the possibility that those inside a burning building won't be able to find —or have the strength to use— the key to get out.

Alber says the Council has linked use of a lock requiring a key from the inside to the deaths of four persons in an Avon township fire last year.

Thus, he says, using such locks "isn't worth the risk." Instead, Alber recommends a lock that would allow a person to open his door from the inside with just one motion of one hand.

Veterans May Apply

"A relatively simple procedure," applying for that Vietnam Era Veterans Bonus authorized by voters last November.

That's the word from the Department of Military Affairs, which, in co-operation with the Secretary of State branch offices, is working to make bonus applications available to all those who qualify for the payments.

The branch offices are pick-up points for application packets which include two forms for veterans to fill out. One is the application form and the other a claim control card.

In addition to those forms, the veterans must supply a good reproduced copy of his Report of Discharge.

Before sending the package to Lansing (Vietnam Veteran Era Bonus Section, P.O. Box 1500, Lansing 48904), the veteran must have the application notarized.

To be eligible, a veteran must have been a Michigan resident for at least six months before entering active military service, and have been on duty 190 days or more during the period from Jan. 1, 1961 to Sept. 1, 1973.

Combat veterans, those entitled to wear the Vietnam Service Medal or the Armed Forces Expeditionary Medal, may receive $600. Eligible non-combat veterans can get $15 monthly, up to a maximum of $450.

It's a Rumor

Contrary to what you may have heard, you CANNOT pick up lottery winnings at Secretary of State branch offices.

Richard Austin notes that although some branches do work with the Lottery Bureau, they are not authorized to pay out any money.

"These offices are only authorized to accept, certify and forward to Lansing winning tickets for prizes less than $50," Austin says.

He explained that, somehow, the story about getting lottery cash from the branch offices had been circulating and was even carried by a radio station in southern Michigan. "This is not the case," he says.

More for Moving

Despite all the attempts to boost car sales in Michigan, there seems to be a return to public transportation—and a demand for better services—that Gov. William Milliken says is "greater than at any time since the late 1940's."

Thus, he's asking the legislature for more than $22 million in 1975-76 for Dial-A-Ride, Amtrak and other transportation projects. The money would come from the General Transportation Fund.

That money, the executive office says, would generate some $31 million in federal funds for new and expanded local bus, train, Dial-A-Ride and intercity bus services.

"This operating assistance is the first step of a program whose eventual goal is to offer portal-to-portal public transportation throughout Michigan," the governor says.

In addition, Milliken is recommending up to $175 million in revenue bonding to meet "immediate public transportation capital needs."

"This two-part financing package, involving the gas tax revenue and the revenue bonding, will allow us to begin programs that cannot be postponed any longer while we develop a long-term general obligation bonding program of greater magnitude," Milliken contends.

What's Cooking In Michigan

By Larrestine Trimm

It's no wonder frozen red tart cherries are in adequate supply. Michigan's tart cherry crop was near normal last year at 98,000 tons, compared to only 58,000 tons in 1973 when freezing temperatures severely damaged production.

Marketing officials of the Michigan Department of Agriculture say Michigan leads the nation in tart cherries, producing nearly 77 percent of the total U. S. crop.

Celebrate national cherry month in February by preparing several tasty cherry treats. A Michigan cherry grower's wife suggests "Cherry Blossoms" for a delightful reminder of spring. Vanilla pudding, with a dash of brandy flavoring added, is nested into individual tart shells. On top goes a piquant red tart cherry sauce and dollops of luscious whipped cream.

Rekindle an old romance with "Cherries Jubilee." Heap hot cooked red tart cherries and juice in a flame-proof dish. Add ½ cup of slightly heated cognac and ignite. Spoon flaming cherries over vanilla ice cream.

An elegant way to serve poached cherries is in individual glass dishes with whipped cream, sour cream or custard sauce. They're also delicious spooned over pound cake, peach or pear halves, waffles and French toast.

Basic cherry sauce is always nifty to have on hand. Aside from desserts, you can use it to add new flavor and color to baked ham, meatballs or meatloaf. Make a batch yourself with frozen red tart cherries and use it to create still more sparkling cherry dishes.

Cagers of the Week

TOM HAFER is a 5'10" junior forward appearing for his first year in a varsity Bulldog uniform, after playing last year for Chelsea's junior varsity. Hafer, who enjoys skiing in addition to his athletic interest in basketball, predicts that the Bulldogs will finish in second place this season. Coach Tom Balistrere recalls that "Tom gave us a really good game against Novi, when he came off the bench and scored seven points, and played very well. He has a lot of hustle and a fine attitude." The son of John and Mary Alice Hafer, he has two sisters, Sue and Lee Ann.

STEVE LYERLA, a 6'3" junior center, in Coach Balistrere's words has "improved steadily all season for us. Steve has the size, ability and potential to be a good high school basketball player, and we think he'll help us next year; he's helped us a lot already this year." Lyerla, whose athletic activities also include bowling, feels certain the Bulldogs will finish at 17-3 this season. The son of Clifford and Beth Lyerla, he has two brothers, Jim and Tom.

Errors Lead to Defeat for JVs

Poor shooting from the floor and ball control errors added up to defeat Friday night for Chelsea's junior varsity Bulldog cagers, 63-54, at the hands of Milan's JV.

Leading scorers for the Junior Bulldogs were Anthony Houle with 15 points, followed by Don Morrison with 14, Dean Thompson with 10, and Randy Sweeny with eight.

Rebounders were paced by Tony Robards, who hauled down 20. Anthony Houle handled 14 rebounds and Don Morrison, 10.

Loss to Milan...

(Continued from page one)

The defeat left Chelsea's overall record at 15-3, with only Friday's contest with Saline remaining. District tournament action will begin next Monday when Columbia Central faces Jackson Northwest at Columbia Central High school in Brooklyn. Chelsea, with a bye in the first round, will face the winner of that contest Wednesday night.

three wins and a loss for his afternoon's work. Dave Stahl added two points to the team total by picking up a consolation pin victory.

"We produced just about all the points that we could," Coach Bareis said. "What really hurt our chances was the lacking of league balance. I was very pleased with the team's performance. The championship is what we were after and we gained a share of it."

Chelsea and Dexter, SEC co-champions, will head for the state Class B district meet at Charlotte this Saturday, Feb. 22, with wrestling beginning at 1 p.m.

Top four wrestlers in each weight class will advance to the regional level the following Saturday, in Sturgis. Top four wrestlers in each class at the regionals will advance to the state Class B finals, which are scheduled for March 7 and 8.

During the next snowfall make this simple test: Compare the blanket of snow on your roof with that on the other homes in the neighborhood. If the snow is melting off your roof you are losing precious, expensive heat. Insulate now, save heat and keep cooler this summer. PLANNING ON INSULATING this winter? When buying insulation remember to compare quality as well as price. Insulation's effectiveness is in its resistance to heat flow which is measured in "R"'s. Cellulose or wood fiber insulation has an "R" value of 4.17 per inch. Compare this to the "R" value of various synthetic, solid fiber materials which tend to conduct heat. TODAY'S THOUGHT

By LOUIS BURGHARDT

We all live by the clock and calendar. The "right time" is a way of life for a society caught in the throes of technological advancement. Working hours and business appointments are established. On the lighter side, many lives are regulated by TV soap operas, game shows, special programs and sports events.

Surprisingly, some people find themselves in a state of boredom for want of something to do. This is regrettable because there is always something one can do to expand one's mind, or to help some one else. Wasted time is the rejection of the gift of time. Wasted time irretrievably passes on into an unyielding, unrecoverable past.

Speaking of time, the right time to discuss or plan "pre-arrangements" is AHEAD of time. It saves a worrisome, confusing and sorrowful situation for others at a difficult time. That is why "our time is your time" — any time you wish for such discussion. Even now — today. No obligation, naturally . . . **BURGHARDT FUNERAL HOME, 214 East Middle St., Chelsea, Mich. AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU

★ *Nobel Thinking*

(Guest Editorial by James L. Phillips)

Consider this bit of thinking by some of our so-called great minds. A group known as the Democratic Socialist Organizing Committee (DSOC) has published a statement signed by six Nobel prize winners urging that "exploration of alternatives to the Western economic systems be placed on the agenda at once." The statement says, in part: "The threat of hunger in the world is not so much the result of natural limitations upon Western (meaning American) agricultural resources but derives rather from political limitations serving the interests of agri-business." The signers of this bit of reasoning include a physicist, and three economists.

Incredible!

Presumably, these men and the DSOC searched the world over to find a solution to the current world food shortage. If so, they've seen agriculture in the Soviet Union where 40 years of collectivization has resulted in Russia being a food importer with 45 percent of its people still on the land rather than the food exporter she is capable of being.

They've seen The People's Republic of China, with its state controlled farming, importing four million tons of wheat this year, while if it approached the productivity of archenemy, Taiwan, they too might have an export surplus.

They've seen India, with its rich but untapped agricultural potential (the proportion of arable land to population in India is not much different from what it is in France) still barely able to feed itself as it struggles under a socialist-like system of central planning.

They've seen Argentina, which should be the Canada of South America (and once was) on its way to poverty and perhaps famine as it struggles under a statist system close to fascism.

They've seen Burma, once a major rice exporter, now barely able to feed itself as it operates under a controlled economy.

They've also seen the United States, with its free and independent farmers operating under a market system with the profit motive, exporting 67 percent of its wheat crop and more than half its soybeans.

They've seen America as the world's leading exporter of agricultural products.

In sum, they've seen that agriculture is most productive when individual incentives prevail and the free market for agricultural products predominates.

Yet, they have determined that it is the Western economic system which needs to be replaced by some statist-socialist system in order to avoid the threat of world hunger.

Perhaps the Nobel laureates did not really see. Certainly, they did not think.

The ability to hear different sounds varies widely between different animals, according to hearing specialists. For example, an alligator can hear frequencies only up to 4,000 cycles per second, while most humans can hear up to 20,000 cycles per second. And bats can hear sounds as high as 98,000 cycles per second.

New Police Sergeant

Mrs. Joyce Grames has been promoted to the rank of sergeant on the Detroit Police Department, effective Feb. 12. She has been a police officer for 19 years, assigned to the Women's Division.

Sgt. Grames, the daughter of Dr. and Mrs. Harmond J. Webb of North Lake, graduated from the University of Michigan's School of Nursing with her Bachelor of Science degree, and her new assignment as sergeant will be with the Medical Division of the Detroit Police Department.

As the first Registered Nurse Sergeant at the Medical Division, Sgt. Grames will assist five police physicians, along with her commanding officer, Lt. Aubrey Greene, in treating any police officers who are sick or injured, and handle medical examinations of all new police applicants, in addition to handling medical administrative grievances, pension requests, and other related problems.

For the ceremony, the bride wore an ivory satin-faced organza gown with a smocked bodice in pink, full bishop sleeves fashioned with a smocked cuff and edged in venise lace, and a full skirt with chapel train. Her head-piece was designed and made by her mother to match her gown. She carried a nosegay of white roses.

Members made 11 Valentines for shut-ins.

The Rev. and Mrs. Richard Church, Cherokee Indians, have been invited to speak at the March 14 meeting.

SOUTH ELEMENTARY SCHOOL NOTES

READING—
Teacher: Mrs. Maitland

Parents, circle Feb. 28. Our mid-year review of the children's work will be held at 2 p.m. in the reading room. It will be a sharing time for all.

Out of the 37 children we started out with in September we have 24 left. Four moved, ten are now in the classroom, and one was added.

Renee Schmell won the big blue bird for having read 38 books in January. Jimmy Toon took the big blue bookworm home for reading 20 books.

Chris Dean, a 3rd grader from Mrs. Holefka's room, and Pam Hadley from Mrs. Hamilton's second grade, are now leaving our reading room. They are completing their workbooks in the classroom.

A big thank you to Beth Tobin and Wanda Boyer from the reading room children and teacher. We are already missing these two high school tutors who helped us the first semester.

THIRD GRADE—
Room 15
Teacher: Mrs. Holefka

We enjoyed our Valentine's Day celebration which we had on Feb. 13 because of no school on Feb. 14 and 17. It was a nice break after the long month of January. Kurt Eisenbeiser made one of the best Valentine cards - a pop-up, three dimensional one made from construction paper and a lace doily.

We've just finished a unit in our health book about taking care of our teeth to celebrate Dental Health Week. We've put what we've learned into our Happy Tooth booklets.

We're busy working on some social studies reports about some major cities and states around our country. By using the mileage scale, we've found out how far some of these places are from Chelsea.

A dinosaur unit is giving us an opportunity to look back in time and to do some crettive writing and drawing about some of these prehistoric creatures. We've decided Keith Crawford is the artist of our class; his drawings have truly made the dinosaurs come alive.

Our first field trip this year took us to the U of M Museum and Planetarium. We had a great time but it ended much too quickly.

January birthdays: Eric Inglis, Ted Merkel, David Settle.

February birthdays: Wendy Wolfgang, John Hoffman, Maria Stapish, Kay Bauer.

The last few weeks have been very exciting for us. On Feb. 3 our class went to the U of M Museum and Planetarium. We had been studying the planets and the planetarium was really interesting to us.

We decorated our room for Valentine's Day and had a party. Our class made special surprises for our mothers for Valentine's Day.

We have been studying all about our teeth in connection with Dental Week. We will be getting new tooth brushes and toothpaste to try and keep our teeth healthy. We have also learned about molars, cuspids and incisors.

Room 11
Teacher: Mrs. Richardson
Reporters: Randy Sabo and James Weber

Mrs. Richardson's class wrote a story about Abraham Lincoln, and some people drew pictures. Mrs. Richardson brought in some pictures of him.

On Thursday, Feb. 13, all he classes had a Valentine party. Three people had birthdays: Alan Roderick, Joyleen Guenther and Jodi Klink.

The first of this month our class went to the planetarium after studying the solar system.

We're doing individual activities on Dental Health. We're listening and working with reading tapes. We made very large heart animals.

FOURTH GRADE—
Room 24
Teacher: Mrs. Clark

We have a display table of different shells that Tom Donkin brought from Florida. Mrs. Donkin is coming in to show us how to use chop sticks and eat some oriental foods. Mrs. Louis Burghardt is coming to show us slides from her trip to Japan.

Beta Sigma Phi

At the Feb. 3 meeting of Beta Sigma Phi at Joan Maier's home, a program, "The Very Great," was presented by Louise Rieboldt.

The group decided to attend the Chelsea High school play, "Once Upon A Mattress" as a social activity.

Feb. 17 meeting was canceled due to poor road conditions. Next meeting is scheduled for March 3 at the home of Mary Drifka.

bate teams—eighth in the state for the varsity and sixth in the state for the novice squad. Any time you place both squads in the top 10, you're doing all right," Coelius reported proudly Monday.

In addition to the fine team showing, Coelius and his debaters learned Saturday that two members of the squad, Brad Glazier and Keith Cockerline, have been guaranteed admission to Eastern Michigan University and will receive full scholarships regardless of whether or not they decide to participate in that school's debate program.

Winning the Class B title was Marshall High school, with that school's winning debaters, Rick Uselton and Merrie Phillips.

Students in the competition debated the topic: "Resolved: That the United States should significantly change the method of selecting presidential and vice-presidential candidates."

Cagers Defeat Dexter Tuesday

Chelsea cagers moved back onto the winning track Tuesday night by downing traditional rival Dexter, 75-63, to boost their season record to 17-3.

Bulldogs jumped to a quick 10-0 lead over the Dreadnaughts in the opening minutes of the first quarter, and led by 17-11 at the end of the first frame.

Setting the pace for the local offensive attack in the opening period were Dave Alber, who hit for six points, Rick Sweeny, who scored five, and two points each added by Randy Guenther, Jack Hackworth, and Gary Wonders.

Bulldogs broke the game open in the second quarter and established a commanding 41-28 halftime lead, primarily on the scoring effort of Randy Guenther, who was good for seven points, Alber, again hitting for six, five from Sweeny and four from Randy Musbach.

Dexter came back in the third quarter, however, to narrow the Chelsea lead to 54-50, but the Bulldogs returned in the final quarter to outscore the Dexterites by a 21-13 count to yield another Chelsea victory.

Big scorers in the final quarter were Alber and Guenther with six points each, Gary Wonders with four, Rick Sweeny with three, and Ron Kiel with two.

Coach Tom Balistrere called Randy Guenther's fine performance the key to the win, as the junior guard came off the bench to score 17 points and hauled in nine rebounds. The coach noted that "Randy did an excellent job defensively for us in this game."

Dave Alber again provided the Bulldogs with his usual brand of steady basketball, hitting for 18 points total and pulling down nine rebounds.

Sweeny led the squad in rebounds with 15, added 14 points, and accounted for "two outstanding blocked shots," according to the pleased Balistrere.

Gary Wonders, who was also good for 14 points in the contest, engineered "several good drives," the coach reported.

Ron Kiel, who hauled down six rebounds and scored two points, also provided a fine blocked shot for Chelsea, Coach Balistrere noted.

Also recording fine games were Randy Musbach, who hit for six points (three-for-four for 75 percent from the floor), and pulled in three rebounds; and Jack Hackworth, who scored four points for the winners.

Also seeing action in the game were Howard Salyer and Steve Lyerla. Coach Balistrere also praised Bill Rademacher for his "outstanding team spirit and unselfishness, which has been so prevalent throughout this year in helping our Bulldogs. This type of unselfishness is also evident in Tom Hafer, Rick Robbins, Dave Watson (currently on the injured list), and Randy Davis."

Bulldogs will close out the regular season Friday night with a contest with Saline on the home court. Saline is currently boasting a 10-2 record in the Southeastern Conference, and are lodged a game ahead of the Bulldogs in second place. A Chelsea victory Friday night will give the Bulldogs a share of second place in SEC final standings.

Biddy Basketball Leagues Still Have Several Undefeated Teams

Standings remain somewhat jammed at both the tops and bottoms of Chelsea Recreation Council's three biddy basketball leagues this week following the second Saturday of actual game play among teams.

On top in the WBA are the Rockets, Capitols, and Suns, all retaining perfect 2-0 records thus far. Capitols downed the Nicks, now 1-1, by a 16-5 score, while Rockets shut out the Kings, 6-0 and Suns eased over the Lakers, 16-10. Bullets, sporting a 1-1 record, trounced the winless Hawks, 20-12, in the league's other contest.

Still undefeated to lead the ABA are Colonels and Warriors. Colonels bested the Pacers, now 0-2, in a 20-12 decision, while the Warriors edged out the Braves (1-1), 20-18. Nets topped the Squires, 16-14 in overtime to gain their first victory.

Bulls and Celtics made it two consecutive wins to maintain their first-place standings in the NBA. Celtics topped the Bucks in a close one, 8-6, while the Bulls went wild on the Pistons, 40-24.

In the Matter of the Complaint of Allison Green, State Treasurer of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

ORDER FOR HEARING NO. 74-9463 CZ

On reading and filing the complaint of the State Treasurer of the State of Michigan praying for a judgment in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said complaint will be brought on for hearing and judgment at the March term of this Court, to be held at Ann Arbor in the County of Washtenaw, State of Michigan, on the 3rd day of March A.D. 1975, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a judgment will be taken and entered as prayed for in said complaint. And it is further ordered that in pursuance of said judgment the lands described in said complaint, for which a judgment of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such judgment, on the first Tuesday in May thereafter, beginning at 10 o'clock a.m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the county of Washtenaw, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the judgment shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

STATE OF MICHIGAN
IN THE CIRCUIT COURT FOR THE COUNTY OF WASHTENAW.

In the Matter of the Complaint of Allison Green, State Treasurer of the State of Michigan, for and behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Washtenaw

ALLISON GREEN, State Treasurer of the State of Michigan, respectfully shows unto the Court:

1. That he is the State Treasurer of the State of Michigan and makes and files this complaint under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 380 of P.A. 1965, as amended.

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent; the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent.

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) $3.00 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your plaintiff prays:

a. That within the time provided by law this court may determine and adjudge that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final judgment in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said judgment provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount adjudged against the same, shall severally be sold as the law provides;

d. That your plaintiff may have such other and further relief in the premises as to this court may seem just and equitable.

And your plaintiff will ever pray, etc.

Dated: January 9, 1975.

ALLISON GREEN, State Treasurer of the State of Michigan for and in behalf of said State.

WHIPPED CREAM

For greatest volume when whipping cream, the cream, bowl and beaters should all be cold.

The Veterans Administration operates 171 hospitals, all accredited by the Joint Commission on Accreditation of Hospitals, and more than 200 out-patient clinics.

ACE ICE FISHERMEN in American Legion Post No. 31's second annual fishing derby at Cavanaugh Lake two week-ends ago were Phil McDaniels, left, who took first place in the panfish division, with a 9¾-in. sunfish; and Doug Helek, who hauled in the largest perch, a 10⅝-in. catch. Both display the Coleman lanterns they earned for their efforts in the two-day derby. Participation in the tournament was up by 50 percent this year, according to Legionnaire Pat Merkel, although one category of fish, pike, was conspicuously absent.

February 4, 1975
Regular Session.

This meeting was called to order by President Pennington at 7:30 p.m.

Present: President Pennington, Administrator Weber, Clerk Neumeyer. Trustees Present: Wood, Galbraith, Dmoch, Gorton, Johnson and Borton.

American Independent Party of Michigan Meets in Battle Creek

On Saturday, Feb. 8, Norman and Mary Brehob, American Independent Party members from Chelsea, attended the annual state convention of the American Party of Michigan at Battle Creek.

At this meeting, a new state chairman, Vern Morse of Battle Creek, was elected, along with a first vice-chairman, Josephine Chapman, of Belleville; a second vice-chairman, William Eberbach of Comstock Park; and a third vice-chairman, Ronald L. Graham of Ann Arbor.

Robert Huber, former congressman from the Michigan 18th District, was guest speaker at the convention.

Several resolutions were passed at the convention, among which was one advocating the sale of arms only to friendly nations which support the United States internationally; one urging the prohibition against a foreign-born citizen becoming a member of the U.S. presidential cabinet; and another urging a nation-wide petition drive to reaffirm the Declaration of Independence to our leaders in Washington.

Arrest on Bench Warrant

Charles Eugene LaRoe was arrested Saturday afternoon at Chelsea Medical Center on a bench warrant for failure to appear in court in October, after Chelsea police were alerted to the fact that he was causing a disturbance around the hospital area.

LaRoe was transported to Washtenaw County Jail to be arraigned Tuesday on the original charge of being a disorderly person.

Who pays for living expenses (elsewhere) while they repair your home?
Most policies provide the coverages you expect—fire, lightning, storms, riots, vandalism and the like. They cover the cost of repairs due to these losses. But have you thought about the cost of living elsewhere if your home has to be repaired or rebuilt? It could run into hundreds of dollars. Or, it could be covered in black and white in our Homeowners Policy, so *we* would pay those extra living expenses! Give us a call. We'll put your home insurance all together in one policy for convenience *and* saving's sake.

SEC ROUND-UP:

Milan Wraps Up Share of SEC Crown With Win Over Chelsea

Milan 68, Chelsea 53—

Milan clinched its hold on first place in the Southeastern Conference Friday night by roaring ahead of Chelsea, 16-4, in the opening quarter, and firmly holding on from there.

Cold shooting on the Bulldogs' part and an effective Big Red press did the job in the first frame. Later recovery by the Chelseaites didn't quite measure up to enough for victory, however.

Leading Milan's attack was Stan Joplin, who was good for 24 points. Jim Dutton added 16 counters and Jay Cummings, 12. Rick Sweeny and Ron Kiel paced Chelsea's offensive output with 12 points each.

The victory by Milan, ranked number two in the state, lifted their season record to 16-1, while the Bulldogs fell to 15-3.

South Lyon 47, Dexter 46—

South Lyon moved into the ranks of the winners for the first time Friday night, downing Dexter by a single point to earn their first SEC victory.

The Lions, however, made it tense until the end when, with five seconds remaining in the contest, Kevin Baize hit for two points on a 15-foot jumper. A Bruce Vail shot for Dexter at the buzzer missed its target and South Lyon had a victory.

Baize earned scoring honors for the Lions, hitting for 20 points. Greg Stephens added 12 for the winners. Leading Dreadnaught scorer was Jeff Montibeller with 14, aided by Dave Sing with 11.

Dexter's loss dropped them back into a fourth-place tie with Lincoln at 5-7.

Saline 79, Brighton 62—

Saline regained sole possession of second place in the SEC through very little effort of their own Friday night, as they exerted themselves only in the fourth quarter to dump Brighton, now 3-9 in the league.

The Hornets' high-scoring center, Dan Scotton, however, was sidelined with an injury until late in the first half, which undoubtedly hindered the Saline attack. Scotton, however, finished the contest as the winner's leading scorer, with 22 points. Tim Slepsky added 17 for Saline.

Pacing Brighton's offensive output were Dave LewAllen and Scott Bandkau, each with 17 points.

Lincoln 85, Novi 78—

It was another case of a fast start getting the ball game in the Lincoln-Novi tilt, as the Railsplitters leaped to a first quarer 27-15 lead that proved to be insurmountable.

Although Wildcats returned in the final period with a big 33 points, the last-minute spurt just couldn't do the job.

Pacing the Railsplitters, who moved into a fourth-place tie with Dexter at 5-7, was Keith Parks, who hit for a personal high o 31 points. George Czinski added 17 and Scott Hubbard hit for 14.

Bill Barr paced the Wildcats with 14 points, followed by Bill Giorgio and Scott Parsons with 13 each.

Tuesday's Southeastern Conference action proved to be only a very dull prelude to some of the more fascinating action Friday night, as the three top teams—Milan, Chelsea, and Saline, all recorded relatively ho-hum triumphs.

Milan 69, Lincoln 46—

Milan looked into its closetful of championship tricks and pulled out a long-time favorite, defense, to bounce over the Railsplitters.

The Big Reds made their big move in the first quarter by strangling the Lincoln offense holding them to only 10 points to Milan's 34, which eventually held the key to the entire game.

Leading the title-bound Big Reds were Stan Joplin and Jay Cummings, who were each good for 17 points. Lincoln's leading scorer, George Czinski, could manage only 10 points.

Chelsea 77, South Lyon 58—

Like every other Southeastern Conference team, the Bulldogs took raucous advantage of the hapless South Lyon Lions to retain their hold on a second-place tie with Saline.

Leading the Chelsea attack were Dave Alber with 20 points and Gary Wonders with 18.

Ed Hock pumped in 15 for the Lions to rank as their scoring leader.

Saline 87, Dexter 66—

The Hornets buzzed Dexter, led by Tim Slepsky with a team high of 33 points, and three other players in double figures, Tom Mitchell with 16 points, Dan Scotton with 13, and Scott Fosdick with 10.

Leading Dexter's output was Jeff Montibeller with 21 points.

Brighton 61, Novi 44—

In a battle at the lower depths of the league, Brighton downed Novi to join the Wildcats in a sixth place tie in the SEC.

Leading Brighton scorer in the win was Scott Bandkau, who hit for 17 and was backed up by Dave Lawson with 12 points. Mark Seger handled the rebounds more than adequately, hauling down 16 for the winners.

Bill Barr led Novi's scoring output with 18 points.

COOKIE LADY FOR CHELSEA once again this year is Mrs. Markeita Satterthwaite, who will perform as Girl Scout Cookie Sale chairman for the eighth consecutive year. Scouts of Western Washtenaw Area Association are pushing for a $26,455 sales goal.

Girl Scout Cookie Sales Quota Upped

All those Girl Scout goodies that folks start salivating for around March will be sold again by local scouts, at — miraculously — the same price as last year.

Sales goal for the western Washtenaw county area, which includes Chelsea, is the highest in history, $26,455—a goal made necessary by Huron Valley Girl Scout Council's decision to try to sell more cookies to raise a profit comparable to previous year's rather than raise the cookies' prices. Wholesale price of the cookies has been increased considerably for the Girl Scouts.

Mrs. Markeita Satterthwaite has again established herself as Chelsea's version of the cookie lady, by accepting for the eighth consecutive year chairmanship of the local Girl Scout Cookie Sale. Orders will be taken from Feb. 21 through March 9, with delivery scheduled for April 4 through 22.

Mrs. Satterthwaite should know the cookie repertoire pretty well by now, since she's in her 22nd year of Girl Scouting, which has included service in virtually every area of the program, from troop leader to Area Association chairman for western Washtenaw county. Her daughter, Renee, 10, is a junior Girl Scout, and daughter Veronica is a member of an experimental co-ed Scout troop of junior high school students.

Assisting Mrs. Satterthwaite in her organizing are willing workers from each of the seven participating troops (Chelsea Brownies do not sell cookies), including Mrs. Bernard Herrst, representing Troop 82; Mrs. Don Kvarnberg, Troop 442; Mrs. Jack VanGorder, Troop 47; Mrs. Joyce Liebeck, Troop 58; Mrs. William Chandler, Troop 719; and Miss Sally Ellenwood, Troop 98. No representative has yet been named for Troop 689.

Profits from cookies are divided between participating troops and the Huron Valley Girl Scout Council, with 15 cents of the profit from each box going to the troop, and 34 cents going to the general operating and camping program for the Council.

Two new items on the sale menu this year are Sesame Crisp Crackers, which are thin crackers sprinkled with sesame seeds, and Girl Scout Teas, an authentic English Breakfast blend of teas from the Keemun district of China, imported by John Wagner & Sons of Philadelphia.

Old favorites returning for another year are Lemon Cremes (vanilla cookies with lemon creme centers), Oxfird Cremes (an assortment of vanilla and chocolate cookies, with vanilla creme centers), Scot-Teas (sugar-topped shortbread), Mint (chocolate wafers with mint coating), and Savannahs (peanut butter cookies and filling). All cookies are $1 per item.

Letters are sent by the Veterans Administration to each man and woman as they leave military service, urging them to take advantage of veterans' benefits. A second letter is sent six months after the person's separation date.

Rockwell International upset Chelsea State Bank, led by Jack Patrick's 21 points, by a final score of 53-42. Wayne Welton hit for 22 points for the bank.

Southern Boy Take-Out's record fell to an uninspiring 3-5 with their Monday night loss to Chelsea Lumber, 44-30. B. Murphy paced Chelsea Lumber with 20 points, while Whitaker topped Southern Boy's point output with 11.

School Board Briefs

Present at the Board of Education meeting Monday, Feb. 17, were President Haselschwardt, Trustees Tobin, Hodgson, Schafer, and Daniels, Superintendent Cameron, Business Manager Mills, and Principals Lane, Conklin, Wojcicki, and Benedict.

Meeting was called to order at 8 p.m. by President Haselschwardt. Minutes of the Feb. 3 meeting were approved as read.

The board approved and authorized payment of 1974 building and site bills totaling $215,591.82.

Business Manager Mills presented financial statements and reported that state aid for 1974-75 had been reduced by $19,059.86 by the governor's executive order issued in January.

Discussions were held regarding site acquisition and negotiation of the teachers' contracts.

Meeting was adjourned at 12:30 a.m.

Since the first of the three GI Bills became effective in 1944, some 15 million veterans have taken training under some Veterans Administration program. Six million persons have trained at the college level.

Propaganda is often hard to define or identify.
