Track Team Depth Shows in Downing Novi

After three hard run meets, the Chelsea varsity track team finally had an easier time of it last Thursday, April 24, when they defeated Novi, 90-33.

'Novi, who has always had difficulty in competition with other Southeastern Conference track teams, managed four first places, but were the victims of seven first and second finishes by Chelsea in other events,' Coach Kruse reported.

The meet, run under the usual early season conditions cold and damp, was used by the team to give some of our younger runners a chance to score and gain some experience," Kruse said.

He added that the Bulldogs are coming to a point in their track schedule where they will have to make some decisions as to where to run key people. "A meet like this, gives us a chance to move personnel around to see what they can do."

One of the highlights of the meet was the setting of a new school high jump record of 6'3" by Rick Sweeney. Sweeney broke his former record of 6'2". He also won the high hurdle event and finished second in the low hurdles.

Rick Haller ran his first mile run and finished with a good early season time of 4:52.8, to place first.

Howard Salyer, as Sweeney, was also a double winner, taking the 100-yard dash and the 180-yard low hurdles.

Winners and Chelsea placers for the meet are as follows:

Shot put: 1st, Ishmael Picklesimer, 46'2"; 2nd, Mark Smyth, 41'2"; 3rd, Rex Miles, 40'10"

High Jump: 1st Rick Sweeney, 6'3"; 2nd, Randy Sweeney 5'10"; 3rd, Dennis Bauer, 17'4"

Long Jump: 1st, Riddant (Novi), 18'11"; 2nd Kevin Kelly, 17'5"; 3rd, Dennis Bauer, 17'4"

Pole Vault: Tie for first, Mark Burnett and Randy Sweeney, 11'8"

880 Yard Run: 1st, McComas (Novi); 2nd, Morris Johnson, 2:13; 3rd, Todd Weber 2:13

100-Yard Dash: 1st, Howard Salyer, 10.7; 2nd, Kevin Kelly 10.8; 3rd, Curt Winans 10.8

440-Yard Dash: 1st, Morris (Novi); 2nd, Burnett; 58.1

180-Yard Low Hurdles: 1st, Howard Salyer; 21.9; 2nd, Rick Sweeney; 22.4; 3rd Curt Winans 22.0

Two-Mile Run: 1st John Storey, 10:45.9; 2nd, Phil Frame, 10:58.3; 3rd, Dennis Bauer, 11:25.1

220-Yard Dash: 1st, Dennis Bauer, 25.1

Clinton Collyer Installed By Knights Templar

Among officers installed Saturday evening, April 26 for Ann Arbor Commandery No. 13 Knights Templar at the Ypsilanti Masonic Temple was Chelsea resident Clinton Collyer. Collyer was installed as Eminent Commander at the 8 p.m. ceremonies.

The installation began promptly with Ernest K. Vehrenkamp, P.C., leading the Escort, first the installing officers ladies into the assembly, and then the officers and their ladies.

Duane, Luick, a senior at Chelsea High school, called the assembly to order.

Following a welcome by Thomas Jameson, eminent commander, the installing staff was escorted into the assembly.

Collyer was the first officer to be installed.

After proclamation, a special solo was sung for the officers, their wives, and family.

Letters of congratulation were read from the sons, wife, and family of Collyer, as they were able to attend his installation.

The son, Douglas, is stationed with the U.S. Army in Germany; the daughter, George, is in Denver, Colo.

Following the conclusion of the ceremonies, officers, their families, and guests retired to the dining room for refreshments and a social gathering.

HIGH SCHOOL TEACHERS are preparing questionnaires for mailing to parents. From left the questionnaires are urged to complete them and return them to the high school as soon as possible.

Kindergarten Pupils Should Enroll Early

Reporting that last week's Kindergarten Round-Up was very successful, the principal of North school, Robert Benedict, urges those parents who did not have the opportunity to register their children for the 1975-76 school year to do so as soon as possible.

Benedict said that it is essential for the schools have a good idea of how many children will attend kindergarten classes in the fall, so that the teachers may begin to plan for class size.

Parents of children who will be five years of age, on or before Dec. 1, 1975, and who reside in the Chelsea School District, may register their children by calling either North or South schools. The phone number for North is 475-2577; South, 475-2913.

Because of the construction going on at both schools, and the problem with access to entrances, Benedict said that this year it will be impossible to schedule spring visitation for kindergarten classes. "We never know what will happen from week to week, and we just cannot advise parents and children of a visitation date."

Petitions Now Available for School Election

The annual election of the Chelsea School District will be Monday, June 9. The election will be held in the large group instruction room of Dwight W. Beach Middle school on Mayer Dr.

The term of Martin Tobin expires in June. Tobin has filed his petition seeking re-election.

John T. Gaughan has also filed a petition for the four-year seat on the Board.

Petitions are available at the superintendent's office at the high school for those who wish to seek the position. Signed petitions must be returned to the superintendent's office no later than 4 p.m. Monday, May 12.

School electors must be registered with their respective township clerks in order to vote in the annual election. Registration with the township clerk automatically registers a resident in the school district. Those persons not registered may do so through 5 p.m., May 12. Voters need not be property owners in order to vote in this election.

Adult Softball Leagues Form For Summer

Organizational meetings for the Recreation Council's adult softball program were held last week at the home of the league director, Charles Waller.

Approximately 25 representatives were present for the Thursday night meeting. The group represented 16 teams. Following a long discussion, it was decided that the teams should divide into two leagues; each meeting a different need of the community.

The American League is to be made up of eight teams, those considered to be the tops. The National League will be composed of the remaining eight teams.

The council feels that this should create two leagues that will be very competitive.

High School Staff Begins Self Evaluation Study

Last Thursday afternoon the Chelsea high school staff began working on a self evaluation which will take about one year to complete.

This is the North Central Association's high school evaluation which must be done every seven years by high schools in the association.

For Thursday's work session the entire faculty was divided into two committees; one to gather data about the school and community, the other to review the school's philosophy and objectives.

The School and Community Committee prepared two questionnaires which were mailed to one half of the parents with students in the high school. This committee urges each parent who receives these questionnaires to take the time to complete them and return them to the chairman, Jon Schaffner, in order that up-to-date data may be tabulated concerning community feelings about what is important for the high school to stress as well as parent's views of how well the school is preparing their children.

This data, plus student questionnaires, faculty and administrator surveys, and census data, will help the committee complete its report on the school and community.

The information will be used by the Philosophy and Objectives Committee now and later individual department committees as they go through their separate self examinations next fall and winter.

Sometime next spring the school will be visited by a team of educators from North Central Association. This team will critically look at the self-appraisal and report to the association and back to Chelsea School District on how well they think the school and faculty are the goals and objectives set for themselves and how faculty are the goals and ob-

jectives are for this school in this community.

The Philosophy and Objectives Committee chaired by Judith Scott, spent the afternoon reviewing the previous philosophy and objectives and preparing to make a preliminary revised report. After they have received the data from the School and Community Committee, they will write their final report.

This North Central evaluation is really a self-evaluation in which the school looks at its community, student body, faculty, class offering physical plant; in short every thing trying to see its strengths and weaknesses.

Hopefully they will spend the next seven years improving their strong points and working to eliminate their weaknesses.

Baseball Team Splits 2 With Stockbridge

In a double-header played against Stockbridge last Saturday afternoon on the home diamond, the Chelsea Bulldogs lost the first game to Stockbridge, 9-5, but came back strong in the second game to defeat their opponents, 7-3.

The Chelsea record now stands at 4-5.

Kurt Owings pitched six innings in the first game against Stockbridge. In the seventh, he was relieved by Randy Guenther. Don Nadeau caught for the entire game.

Stockbridge took the lead in the fifth inning of play, marking up three runs to top Chelsea, 7-5. Two more runs by the Stockbridge

JV Baseball Team Now 1-3 For Season

Chelsea High school's junior varsity baseball team opened its home season last week with a 12-10 come-from-behind victory over Willow Run.

In the home opener against Willow Run, the Bulldogs were led by Ernie Hadley's three-hit attack. His two triples and one double drove in five runs. After watching a 6-1 lead disappear to Willow Run who took the lead, 10-9 the Bulldogs fought back to

Brad Glazier 4th in State Forensics

Chelsea High school forensics team sent three people to the state competition last Saturday in Ann Arbor. One of the three returned home with a fourth place.

Brad Glazier, placed fourth in the Men's Extemporaneous event following competition in two preliminary rounds and one final round. Compiling 21 points to place fourth, Brad marked up a school record for forensics at Chelsea High.

According to Coach William Coelius, the best performance in state competition was given in 1971 when Daniel Gaunt took fifth place in the Men's Extemporaneous event.

Brad spoke on "The Scientific Method of Reproduction Known as Cloning."

This was Brad's third and final year with the Chelsea High school forensics team. He has held a fine record as a debater and speaker while a member of the team.

"Brad will be hard to replace," reported Coach Coelius.

Last year Brad qualified for state competition, but was knocked out in the preliminary rounds.

"The state tournament," said Coelius, "capped off a record year for us. In district competition we took 17 of 20 events, and in the regionals, the toughest in the state," he reiterated, "we placed three speakers. It is the farthest a forensics team has gone in its history at Chelsea High school. It will be a tough act for future forensics teams to follow.

Coelius reported that Brad plans to continue in forensics competition at Eastern Michigan University where he will be a freshman in the fall.

Eastern has awarded him with a four-year scholarship for tuition. According to Coelius the EMU Forensics team is "one of the strongest in the nation."

Brad plans to pursue a career in communications... obviously he is good at it!

Golfers Open Season With Win at Tecumseh

The 1975 Chelsea varsity golf team opened their season in non-league play against Tecumseh at the Tecumseh Country Club Monday evening.

The Bulldogs were able to defeat their opponents, carrying a two-point lead. Chelsea turned in a score of 170 for the nine holes, while Tecumseh players hit a 172.

Coach Pat Wade reported he

was very pleased with this "warm-up" play.

Mike Fouty confirmed Wade's prediction, that his play in practice rounds displayed good control of the ball. He turned in a good game of golf scoring a 39, three over par for the nine holes on the Tecumseh course. Fouty was medalist for the meet.

Three other Chelsea players turned in good rounds of golf, assisting in the effort to take the meet. Dan Barnes hit a 42, Vic Steinbach followed him with a 43, and Roger Policht shot a 46.

Six players on each team shot four rounds of golf, the top four scores were taken to determine the winning team.

The Bulldogs faced their first league challenge Tuesday evening with a meet against Saline on the opponent's course.

Tennis Team Gets Season's First Victory

Chelsea's varsity tennis team captured its first victory of the season Tuesday, defeating Stockbridge, 5-2. The match score was:

1st Singles: Bill Zick (S) defeated Curt Umstead (C) 7-5, 5-7, 6-3.

2nd Singles: Debbie Bertke (C) defeated Dan Dancer (S) 6-4, 6-3.

3rd Singles: Steve Zick (S) defeated Paul Marshall (C) 6-4, 6-3.

4th Singles: Andy Quackenbush (C) defeated Dan Ward (S) 6-1, 6-0.

1st Doubles: Dan Hagen and Duane Luick (C) defeated Matt McKune and Ken Bailey (C) 7-5, 3-6, 8-6.

2nd Doubles: Doug Beaumont and Dave Pletcher (C) defeated Dave Camp and Lee Holbrook (S) 6-2, 6-3.

3rd Doubles: Keith Cockerline and John Wagner (C) defeated Mark Gladstone and Steve Barry (S) 4-6, 6-4, 6-3.

Chelsea's varsity tennis team now stands at one and three for the season.

The next match will be today (Thursday) on the home courts, when the team will meet William-

Girls Track Team Sets Two School Marks

Despite the fact that the Chelsea girls track team lost to Brighton, 50-55, last Friday, April 25, the girls broke two school records and took seven out of 13 firsts in the meet.

Coach DiAnn L'Roy attributes the loss to the number of second places Brighton was able to come up with (seven) to Chelsea's three. That "seems to have been the deciding factor," she said.

Marking up a new school record for Chelsea in the long jump was Kathy Treado, whose leap of 14' earned her a first place as well.

Another school record was broken by sprinter Susan Frisbie, whose first place of :12.0 in the 100-yard dash set a new record for the girls track team.

DEAR MISTER EDITOR: Ed Doolittle told the fellers at the country store Saturday night that it's a bald face shame the misery some folks have to go through in this land that is flowing with milk and honey. The way some reports in the papers put it, Ed allowed, the only Americans half way well off is them that's getting food stamps, cause as late as last week Ed said he hadn't read of a cutback in stamps.

Drugs and Drinks
Michiganers slurped up more than 28 gallons of beer, wine and distilled spirits apiece during the 1973-74 fiscal year, according to statistics from the Liquor Control Commission.
Each person didn't drink that much, of course. The figures represent an average, based on the amount of alcoholic beverages sold in the state during that time, and the number of residents.
Who did the drinking?
A scientific survey conducted through the Office of Substance Abuse Services indicates that use

of alcohol in the past year was greatest in the 18-34 age range, and that the proportion of men consuming alcohol on a regular basis last year was twice that of women.
In addition, the study shows that:
—Use of alcohol increases with income and educational level.
—The proportion of whites using alcohol is greater than that of non-whites.
—More than 7.5 percent of Michigan people drink alcohol every day, and 25 percent of these have five or more drinks per day.

Adult Softball Leagues Form For Summer

(Continued from page one)
Waller said he hopes an All-Star game can be arranged between the two leagues at the end of the summer season.

Each league will play a separate 14-game schedule and take part in a Week-end Double Elimination Tournament. Team names and league divisions will be reported later, once a final schedule has been decided upon.

The following evening, Fast-Pitch representatives held their meeting. A league of eight teams will play a 14-game schedule and part in a Week-end Double Elimination Tournament.

Waller reported that there is "also a possibility of an All-Star team playing the league championships should the state tournaments permit it. Team names and their sponsors have not been set at this time.

In both Fast-Pitch and Slow-Pitch Leagues, changes in sponsors and team organization make it difficult to determine how many new teams will take part in the summer program. However, in total, there are more than 400 men involved in the summer softball program.

The Women's League which as of yet has not been officially formed, is still in need of teams and sponsors, Waller said. "The team fee is small, as we are making an attempt to give the ladies of the community a new summer activity." He continued, "However, if we do not meet the requirement of four teams or people to make up four teams, the program will be postponed until next year when we will try again."

Electricity a Problem

The No. 1 energy problem still facing Michigan these days is the availability of electric power.

That's the contention of Gov. William Milliken in his first annual energy report sent recently to members of the legislature.

"With respect to electricity, it is apparent that the short-term outlook is quite negative," Milliken says. "And solutions must be devised which deal with this immediate reality as well as with the longer-term implications."

The governor is asking a special advisory commission on electric power alternatives to examine trends in demand for electrical energy and assess the ability of existing utilities to provide enough electric generating capacity.

Toy Licenses Required

Mechanical toys may be dangerous to young folks. The same goes for those with electrical or thermal characteristics.
So the State of Michigan now is requiring manufacturers, distrib-

Be Kind to Animals Week Will Be Observed

"Kindness is contagious," is the motto that Lee Kvarnberg, manager of the Huron Valley Humane Society and his staff live by throughout the year. "We practice kindness to animals every day throughout the year," Kvarnberg said, "and we try to infect others with our feeling every day."

One of the oldest national weeks in history will be recognized Sunday, May 4 through Saturday, May 10: "Be Kind to Animals Week."

And being kind to animals in more ways than just caring for stray dogs and cats is what the Huron Valley Humane Society is all about.

For those of us who hold an overwhelming negative reaction to the two words, "humane society," facts such as 13,000 animals of a total of 18,000 cared for by the Huron Valley Humane Society last year were euthanized tends to reinforce that negative feeling.

But to talk with Lee Kvarnberg, one is forced to take a closer look at some other realistic, hard-hitting facts, that shed light on the real problem; humane treatment and care of animals, not the humane society.

Among these: there are more than 83 million dogs and cats born each year, horses are found for approximately 30 million of them. In other words, overpopulation of animals has run rampant; there are more animals than people.

Many people take pets without any real feeling of responsibility, once they become a nuisance, they get rid of them, and where? The humane society, of course.

It would be impossible for the facility, located at 3100 Cherry Hill Rd., Ann Arbor, to care for and provide good homes for all the animals whose care is entrusted with Kvarnberg, his staff, and volunteers. Therefore, some must be put to sleep. Animals are kept for five days, and then as long as there is cage space to house them.

The Humane Society and its 12-member Board of Directors are working hard to provide effective care for animals, to be kind to them.

They are involved in supporting legislation to protect endangered species; in the development of an anti-cruelty code protecting animals and their owners in Washtenaw county; in lobbying against dog racing and dog-fighting in the state; lobbying against leg-hold traps, a method of trapping that cannot help but inflict torture on innocent animals, and campaigning for low-cost sterilization clinics for cats and dogs.

David L. Buxton Granted Paper Tech Scholarship at WMU

Kalamazoo—Scholarships with a total dollar value of \$29,594 have been awarded to 69 Western Michigan University paper science and engineering department students for the terminating winter semester.

One such scholarship was awarded to Chelseaite David L. Buxton, son of Mr. and Mrs. Charles E. Buxton of 3840 S. Fletcher Rd., Chelsea.

Stipends range in value up to \$1,026 but more than half are in the \$300-\$400 level with 11 valued at more than \$500.

The scholarships, administered by the Paper Technology Foundation, Inc., at WMU, are renewable for a total of eight semesters if a student maintains satisfactory classroom performance.

The Paper Technology Foundation has a membership of about 80 corporations and more than 200 alumni and individuals who contribute funds to it, most of which is directed into scholarships for paper science and engineering students at WMU.

Sixty-nine students are currently on scholarship. About 15 more than is usual for a winter semester at WMU.

Vega Wagon Driven Away From Dealer Lot

A 1974 Vega station wagon was reported missing Wednesday April 23 at 8 a.m. from Lloyd Bridges Chevrolet. One and one-half hours later, village police recovered the vehicle on Lindly Rd. The wagon had incurred damages estimated at \$350, and an AM-FM 8-track stereo, Motorola brand, valued at \$120 had been removed from the car.

Fred Klink of Bridges Chevrolet reported to village police, he believed the bronze two-door wagon, parked in the lot on the corner of North and Main Sts., had been taken sometime between 6:30 p.m., April 22, and 8 a.m. the following morning.

Police entered a LEIN check on the vehicle, only to cancel it one hour later upon recovery on Lindly Rd.

Apparently the wagon had been hot wired, and not started with a key, as Klink originally suspected.

The case remains open. Chief Meranuck reported that suspects are now under investigation.

Girls JV Softball Team Trounces Saline, 16-2

In their first league game of the season, played on the home diamond, last Friday, April 25, the girls JV softball team wiped out Saline, 16-2.

Sue Heydlauff was the winning pitcher, completing the five-inning game, and striking out five batters.

The girls had a triple play, two doubles, and a home run hit by Edie Houk. Each girl had at least one hit.

Coach Cindy Bradbury reported that "the girls played much better than I had expected for early season."

In their first game of the season, played April 22 against Manchester, the girls lost to the Flying Dutchmen, 14-6.

Kensington Metropark near Milford, the first "Metropark," covering 4,300 acres, opened on May 30, 1948. No formal opening was held, but the enlarged Kent Lake proved to be a major attraction for area residents.

JV Baseball Team Now 1-3

score three runs in the bottom of the sixth inning. John Adams retired the Flyers in the top of the seventh to mark up a victory for Chelsea.

Jeff Powell started the game and pitched well until he ran into trouble in the fifth inning.

Following the home game with Willow Run the Bulldogs played Manchester, dropping a 10-7 decision to their opponents.

Trailing 8-0, the JVs scored seven runs in the last four innings to pull within three. Tim McAllister led the attack with a three-for-four performance while receiving support from Scott Owings who contributed a two-for-two effort. Don Morrison started and absorbed his second defeat against no victories. Doug Craft relieved him in the sixth inning and turned in two perfect innings of pitching.

The JV squad, composed of John Adams, Gerald Benjamin, Chuck Broderick, Mike Check, Doug Craft, Rick Davis, Ernie

Hadley, Dale Hedrick, Matt Heydlauff, Tim McAllister, Scott Owings, Jeff Powell, Tony Roberts, Mike Schanz and Bruce Stubbs played their first game of the season at Stockbridge. The Stockbridge Panthers held the Bulldogs to just one hit. They lost 5-2. After a shaky first inning in which he gave up three runs, starter Don Morrison turned in a strong performance, striking out seven and walking four.

WARM SOIL WITH PLASTIC
To get a head start on this year's garden, use black plastic to warm the garden soil before you seed or transplant, advise Michigan State University extension horticulturists.

Warming the soil makes seeds germinate faster and transplants get established earlier, the experts explain. That can mean plants that start producing days earlier.

STATE SENATOR GILBERT BURSLEY (R-Ann Arbor) was honored April 22 by the Michigan Future Farmers of America (FFA) in an award ceremony held in Lansing. The award was presented to Senator Bursley by the officers of the Michigan Association of FFA. Senator Bursley received the honorary degree for his continuing support and interest in activities of the organization. Pictured, from left, are state president Ron Carlisle, Cassopolis; Greg Buning, Falmouth; Kim Heister, Olivet; Kendall Nash, Pittsford; Senator Bursley; Charlie Green, Elsie; and Anita Stuever, Capac.

New Driver Ed Program Starts This Summer

Driver education at Chelsea High school will be a completely new program this year because the state requires that classroom and driving instruction take place concurrently. Because of the high cost of teaching driver education during the regular school year, the board has approved the establishment of the three-phased range program that has become popular throughout the state.

The high school parking lot will become the range where each student will log five hours of behind the wheel experience. Five cars will be used on our range, with one instructor giving instructions through the regular AM radio.

Over the years Chelsea has been very fortunate to receive the cooperation of local auto dealers in furnishing the cars needed for our

program. Local dealers, Bridges Chevrolet, Harper Pontiac, Palmer Ford, Sprague Buick-Olds, Village Motor Sales, are making the program possible by furnishing 1975 model automobiles. The new program necessitates eight cars (which are available) to be used all day, every day. It is hoped a pick-up truck may be secured which would give a spare vehicle and also experience with a standard transmission.

Students will take this course in either of two 20-day sessions. The first session begins June 23 and runs through July 18. Classes will be held on Saturday, July 12 to substitute for July 4. The second session begins on July 21 and ends Aug. 15. Individual students will be scheduled from 7 to 10 or 10:30 to 1:30 each day. Each student

will receive an hour and a half of classroom instruction as well as behind-the-wheel experience each day.

Any person under 18 years (in or out of school) is eligible for this program. It is planned to schedule the older students in the first session unless they have other summer commitments (camp, vacation trips, etc.) that will conflict with the schedule. Basic rules will be passed out to each student on which the parents may make a written request for date changes. Band camp will cause many to request the early session.

On the last day of the course each student will be tested by the local secretary of state's office. Students who pass the course, and this test, are then asked to drive with a parent for 30 days before receiving their first license.

Janet Currie, M. Picklesimer, Jr., Are Wed at Grace Bible Church

Janet Currie and Mitchell Picklesimer, Jr., exchanged wedding vows Saturday, April 26 in Grace Bible church, Ann Arbor.

Dr. Raymond H. Saxe officiated the 3 p.m. ceremony uniting the daughter of Mr. and Mrs. Kenneth M. Currie of Southgate with the son of Mr. and Mrs. Mitchell Picklesimer, Sr., of S. Main St.

The bride was dressed in a gown of ivory organza over taffeta, with a circular skirt and attached chapel train. Lace formed a bib on the bodice and deep cuff on the full bishop sleeve. Matching lace bordered the hem of the skirt. The cap of the chapel-length veil was of matching lace over taffeta and decorated with seed pearls. She carried a bouquet of white roses, stephanotis, and ivy.

Her maid of honor, Miss Carol R. Kuperus, the bride's college roommate, of Grand Rapids, was gowned in apricot polyester crepe styled along colonial lines, with a u-shaped ruffled neckline trimmed in ivory lace, as were the short puffed sleeves. The gown gathered slightly at the waist and tied in a soft bow in back. Her flowers were a mixed bouquet of roses, daisies and baby's breath.

Other honor attendants to the bride were, Mrs. John Currie, the bride's sister-in-law, of Buffalo, N.Y.; Miss April Picklesimer, the bridegroom's sister, and Miss Marlene Hage of Grand Rapids.

The bridesmaids wore gowns styled identically to that of the maid of honor in colors of light green, blue, and yellow.

For her daughter's wedding, Mrs. Currie chose a powder blue floor-length gown with a lace bodice and crepe skirt, long sleeves and a stand-up collar. A lavender orchid was pinned to her gown.

Mrs. Picklesimer chose a lavender floor-length gown with long sleeves. She too pinned a lavender orchid to her gown.

Anna Reitz of Southgate, and Jon Gibson of Ann Arbor, served the couple as flower girl and ring bearer.

Ushers were the bride's brother John Currie of Buffalo, N.Y.; Glen Currie, the bride's cousin of Southgate, Rob Currie, the bride's brother, also of Southgate, Stephen Saxe, and Bill Behnke, both of Ann Arbor.

A reception for 300 guests followed in the Fellowship Hall of Grace Bible church.

The bride attended Taylor University in Upland, Ind., and graduated from Eastern Michigan University with a Bachelor of Science Degree in occupational therapy. She will serve a three-month internship at Henry Ford Hospital in Detroit, and another at Ypsilanti State Hospital.

The bridegroom attended Washenaw Community College for two years and then graduated from the University of Michigan in May 1973. He majored in history and social studies. He is presently teaching Junior and Senior high school students at Grace Bible Christian Academy.

Following a short vacation, the couple will make their home in Ann Arbor.

Mr. and Mrs. Timothy Gross

Nancy Wolf, Timothy Gross Wed Saturday in Ann Arbor Church

Nancy Wolf became the bride of Timothy Gross in a marriage ceremony on Saturday, April 26 in the Bethlehem United Church of Christ, Ann Arbor. The Rev. Orval L. E. Willmann officiated.

The bride is the daughter of Mr. and Mrs. Werner Wolf of Walsh Rd., Whitmore Lake and the bridegroom's parents are Mr. and Mrs. Harold Gross of N. Parker Rd.

The white crepe bridal gown was styled with Queen Anne sleeves, a high, open neckline and an attached chapel train. Venice lace accented the neckline and bodice and trimmed the bridal veil which was held in place with a Juliet cap. The bride carried a bouffant bouquet of white roses and miniature lavender carnations.

Mims Van Aken of Dexter served as maid of honor. Brides-

maids were Sue Macaulay and Deb Gross of Dexter, Trudy Sanderson of Chelsea and Kim Wolf, the bride's sister. They wore orchid-colored, knit jersey, sleeveless gowns with floor-length capes. They carried bouquets of lavender orchids.

Brian Whitley of Dexter carried out best man duties. Ushers were Danny Baldus, Bob Ralford, Kevin Bradbury and Lawton Gross, all from Dexter.

A reception for 300 guests was held at the Chelsea Fairgrounds. Cindy Knickerbocker of Dexter assisted with the guest book.

For her daughter's wedding Mrs. Wolf wore a mint green knit dress and the bridegroom's mother chose an ivory gown with golden appliques.

Carrie Gross and Daniel Tomshany served as flower girl and ring-bearer.

The young couple will live in Dexter.

Police Nab Local Man Wanted on Bench Warrant

A local man wanted on a bench warrant for failure to pay fines and costs on a traffic charge was apprehended by village police Sunday evening, April 27.

Terry Brown Akers of 18601 M-52 was observed by officers heading west on Lincoln St. in a yellow Duster. The officers had direct knowledge that Akers was wanted on a bench warrant. Officers stopped Akers and advised him to report to the station, as the department had a warrant out for his arrest.

Akers appeared at the station, was transported to the county jail, and then to court where the judge ordered him to pay a fine of \$16 for failure to pay fines and costs related to charges of driving with an obscured driver's license.

Housewives May Become Coeds At College Week for Women

East Lansing—All women are invited to a four-day adventure as a Michigan State University coed during College Week for Women at MSU, June 16-19.

The theme for this year's event is "Change and Choices for Families." Through classes and assemblies, College Week participants learn more about themselves, their families and society.

The Week offers a wide range of classes such as "Do You Want More for Your Food Dollar," "Coping With Life's Changes," "Riding the Economic Escalator," "Weight Control," "Estate Planning," "Consumer Understanding," "Women—Potential and Perspectives," and many more.

Major changes affecting families is the topic of assemblies. State Representative H. Lynn Jondahl will discuss legislation affecting families. Cory Ser Vass, coeditor and publisher of "The Saturday Evening Post," will interpret media's affect on families.

Changing values, roles and lifestyles will be discussed by Dr. Beatrice Paolucci, professor in the Department of Family Ecology at MSU; and Dr. Lawrence Boger, dean of MSU's College of Agriculture and Natural Resources will speak on the economy.

There will be plenty of social activities in the evening—including planetarium shows, campus tours, swimming, theater, shopping, sing-alongs and girl talk.

Total cost is only \$50, which includes three nights lodging in an MSU residence hall, 10 meals and all assemblies and classes.

Commuters pay a \$12 fee that includes classes and assemblies, but no meals or lodging. And, one-day participants pay \$6 for that day's classes and lunch.

College Week for Women is an annual event, sponsored by the Family Living Education Program of the Co-operative Extension Service. For further information

and registration cards, contact your local county Co-operative Extension home economist.

What's Cooking In Michigan

By Larrestine Trimm

Wildflowers, morels and wild asparagus are glorious signs of spring in Michigan during the month of May. With colorful wildflowers, make it a rule to look, sniff the delicate fragrance if you so desire, but don't pick. Some species have become scarce, especially in the heavily populated southern part of the state, and for this reason many are protected by Michigan law which is enforced by the Michigan Department of Agriculture.

MDA Plant Industry officials say state law does not permit you to cut, remove or transport any of the following native plants without a bill of sale from the landowner. They are trailing arbutus, bird's foot violet, climbing bitternut, club mosses, flowering dogwood, all Michigan holly, North American lotus, pipsissewa, and all native orchids, trilliums and gentians.

While wildflowers are there to be admired, morels and wild asparagus are there to be picked if you can find them. Delectable wild mushrooms are a gourmet's treat and that's why so many Americans flock to the countryside this time of year to participate in the sport of morel hunting.

Experts say morels aren't easily found because they don't grow in clusters, and they blend with natural backgrounds of dead grass, leaves and tree roots. But if you find one, several are likely to be nearby. MDA advises you to exercise caution. Of 2,000 kinds of wild mushrooms grown in the state, the half dozen species of morels are safest to eat.

You can often find wild asparagus quite close to home. Seeds from planted crops are blown afar by the wind and the result is a crop of the tasty fresh vegetable in fields, near streams and along Michigan highways. If you can't locate the wild kind, you can always buy it fresh. It's one of Michigan's leading commercial crops.

Mrs. David Baran

Carol Wojcicki, David Baran Speak Vows Saturday Afternoon

Following a wedding trip to Aruba, newlyweds Mr. and Mrs. David Baran will make their home at 39 Hamilton Ave., Auburn, N.Y.

The couple was married, Saturday, April 26 at a 4 p.m. ceremony in the First Congregational church of Chelsea. The Rev. Carl Schwarm officiated.

The bride is the former Carol Ann Wojcicki, daughter of Mr. and Mrs. Sylvester Wojcicki of 716 Taylor St.

The bridegroom is the son of Mrs. Stephan Baran of Auburn, N.Y., and the late Mr. Baran.

For the late afternoon wedding Miss Wojcicki chose a white jersey dress with a lace overlay. Her veil was edged in white lace, and held in place by a Juliet cap. She carried a bouquet of white sweetheart roses, baby's breath, and ivy.

Her maid of honor, Mary Ann LaRose of Ann Arbor, was dressed in a pink empire-waist A-line gown, complemented by a floral jacket. She carried a bouquet of Fuji mums. Other honor attendants dressed in blue gowns similar to the maid of honor's and complemented by blue floral jackets were the cousin of the bride, Miss Pamela Figg, of Mt. Pleasant, and Mrs. Walter Bazarnik of Lewiston, N.Y.

Miss Ellen Wagner of Ann Arbor, dressed in pink, also attended the bride.

The bridegroom's niece, Shani Baran, served as flower girl.

Attending the bridegroom as best man, was his brother, Robert, of Springfield, Vt.

Ushers were Stephan Baran, of Weedsport, N.Y., Michael Clark, of Knoxville, Tenn., Walter Bazarnik of Lewiston, N.Y., and the

bride's two brothers, Robert and David.

For her daughter's wedding, Mrs. Wojcicki chose a green knit gown, and wore a corsage of white sweetheart roses.

The bridegroom's mother pinned an identical corsage to her sleeveless gown with an abstract print motif.

Vocalist Mrs. Micheal Clark sang "If," "Colour My World," and "Follow Me."

A reception for 150 guests followed at the Inverness Country Club.

AUGUSTINE - GORDENIER:

Announcing the engagement of their daughter, Bonnie Jean to Jerry Allen Gordenier, are Mr. and Mrs. Paul E. Augustine of 14001 Jerusalem Rd. Jerry is the son of Mr. and Mrs. Donald Gordenier of Dexter. Bonnie is a senior at Chelsea High school. Her fiancé is employed at Holiday Inn East in Ann Arbor. The couple plan an August wedding.

Noah Webster published his American Dictionary of the English Language in April, 1828. A man of many talents, he also worked aggressively for educational reforms, postal inspections, unemployment insurance, census taking and education for women. Webster completed his dictionary in the study of his New Haven, Conn. home. The house now stands at Greenfield Village in Dearborn, one of nearly 100 historic buildings which trace America's past.

On May 10, 1781, the British abandoned Camden, their main interior post in South Carolina.

Once in a lifetime

Cub Scout Pack 455 Holds Pinewood Derby

The Pinewood Derby for Cub Scout Pack 455 was held Friday April 25 at South school. Many varied and interesting car designs were featured in the show. The boys put forth many hours of hard work in attempts to win places for their cars in this year's derby.

Winners are John Hoffman first; Danny Waldyke, second; Jeff Haist, third; and the Best of the Show went to Jay Davis.

Supervising the Derby were Paul Closson and Orville Tompkins.

The boys enjoyed refreshments following the Derby.

Plans Made for Bicentennial Committee

"It is time to think of the coming Bicentennial and begin planning as a community for the celebration that will be held in Chelsea during the coming year," said Frank White, chairman of the Bicentennial Project for the Bicentennial celebration.

White announced that an early meeting will be held at 8 p.m., May 9, in the VFW Hall 105-B N. Main St., "so we can begin planning."

Local organizations that plan to participate in Bicentennial celebrations should send two representatives or volunteers to the May 9 meeting.

Purpose of the meeting is to form a Bicentennial Committee to help plan and co-ordinate dates, organizations.

White reports that many organizations have been contacted and that the VFW Post will let all organizations use their meeting place for planning committees.

"White continued, 'cities and communities all over the United States have begun to make plans to celebrate our 200th birthday. We must too.'"

Boy Scout Troop Will Be Selling Safety Lightsticks

Troop 465 will be selling a safety lightstick, known as the unique, effective, cold liquid light, Cyalume, this Friday, May 2 from 7 to 9 p.m. The Scouts intend to make themselves quite visible Friday evening, as they and their light sticks will be dispersed around the streets in Chelsea.

"They will be all around town," said their scoutmaster, Art Steina-way.

Cyalume is a compact, completely self-contained, liquid lighting device. This chemical light is discernable for long distances. It is safe, and gives up to three hours of useful working light. Its uses are limitless. Good for the home, car, camping and boating.

Proceeds from the sale will go to the scouts to help defray expenses incurred from their camps this year.

Registration Fee Of \$3 Required for Babe Ruth Players

A \$3 fee will be requested from boys interested in registering for Chelsea Babe Ruth ball teams this summer.

Registration for the 1975 season will be held Saturday, May 3 at the high school athletic field, 5:30 p.m.

"Payment of the \$3 fee will be enforced," says Coach Dave Lukasiak, "before a boy will be allowed to participate in the program."

Following registration, a short practice for all newcomers to the program will be held. This will enable the coaches to determine who is capable of playing on what team.

Questions may be directed to Lukasiak, director of the Babe Ruth program, Saturday.

Bicentennial Belts Authorized for Soldiers

Selected officers and enlisted men at Fort Lee, Va., will be issued a special belt as part of the observance of America's Bicentennial, Sgt. Jones, local Army representative, said.

The belt is of black leather, two inches wide with an eagle face design on the belt plate. The belt was authorized for all soldiers in the 1850s but was dropped as an item of enlisted equipment in 1881.

It was retained for officers' dress blue uniforms until 1941.

The belts are to be worn as a tribute to the nation's leaders who have served during the Army's 200 years of growth and achievement, said Sgt. Jones.

Baseball Team Loses Out in 10th to Saline

In their first league game of the season against Saline, Chelsea lost in the 10th inning by one point. Final score for the game was Saline 9, Chelsea 8.

Called a "heartbreak loss," by Coach Phil Bareis, the Bulldogs held a 7-7 score with Saline through four innings of play with

neither team scoring. In the 10th and final inning, the tie was broken when Tim Reed hit a triple. However, Saline came back, scoring two runs to win the game.

Reed also had three other hits. Randy Guenther and Todd Orbring each had two hits, while Paul Wood had a three-run home run in the second inning.

(Continued from page one) players in the seventh, gave them the game.

Chelsea had five hits, with Anthony Houle getting a triple and single. Steve Figg drove in three runs with a first inning double.

Tres MacCollum and Todd Orbring collected the other two hits.

In the second game of play, Chelsea led all the way. The score was 0-0 until the second inning, when the Bulldogs hit for three runs. Following two innings without scoring, Chelsea picked up one run in the fifth and three in the sixth to win the game.

Winning pitcher was Todd Orbring, who pitched a full seven innings; walking three, striking out three, and allowing four hits.

Don Nadeau and Paul Wood shared catching duties. Nadeau caught for the first five innings, when teammate Wood relieved him.

Nine different players hit for Chelsea. Jim Marshall hit a double in the sixth inning, driving in two runs. John Toon, Dale Schoenberg, Randy Guenther, Joel Sprague, Don Nadeau, Randy Mulsbach, Tres MacCollum and Paul Wood each had a hit.

The next game scheduled for the Bulldogs is Friday, May 2 against Lincoln on the home diamond.

JV Track Team Posts Two Early Victories

With two winning meets under their belts, the Chelsea High school JV track team is off to a fine start for the '75 track season.

However, Coach Pat Clarke reports the toughest meets are yet to come. In the next two weeks, the Bulldogs will meet Saline and Tecumseh, both who hold undefeated records so far. Saline is especially noted to be a tough contender.

In their first meet of the season, held Tuesday, April 21, Chelsea took Dexter, 90-42.

While Chelsea split 18 first places evenly with Dexter, it was 14 seconds that gave them the points to win against their opponents.

Coach Clarke was especially pleased with the relay team of Jeff Smith, Bob Ball, John Whitaker, and Alan Augustine who took the 880-yard relay with a time of 1:49.1.

Gregg Reed gave an exceptional individual performance, taking three firsts in the high jump, pole vault and 100-yard low hurdles.

Chelsea Placers:

1-Mile Relay: 2nd, Chelsea (team of Beyer, Moore, Scott, and Minick), 4:34.

440-Yard Relay: 1st, Chelsea (team of Scrippler, Young Whitaker, and Augustine), :52.9.

Greg Reed continued his fine performance last Friday in a meet against Novi, as once again he took firsts in the high jump, pole vault, and 100-yard low hurdles. Chelsea defeated Novi, 97-37.

This second meet found Chelsea reversing itself from the scoring in their first season meet against Dexter; the Bulldogs took 12 firsts and evenly divided the second places with their contenders.

THE CATHEDRALS, a quartet of Christian gospel singers, will perform at Chelsea High school Tuesday evening, May 6, at 7:30 p.m. Pictured from left to right are members of the quartet, Haskell Cooley, pianist; Roy Tremble, tenor; George Amon Webster, baritone and bass guitarist; and George Younce, bass singer and master of ceremonies for the group.

Gospel Singers Appearing at CHS

A quartet of Gospel singers, known as the Cathedrals will perform at Chelsea High school May 6 at 7:30 p.m. The Cathedrals are from Stow, O. This quartet of talented Christians is one of the most popular in America today. They take their style of Gospel music to churches and auditoriums in personal appearances each week. Their recordings are said to be some of the best on the Gospel recording scene. Members of the Cathedrals are Haskell Cooley, pianist; Roy Tremble, tenor; George Amon Webster, baritone and bass guitarist; and George Younce, bass singer and master of ceremonies for the group. The Cathedrals board a bus each week traveling around the country to sing about the Christian life. Tickets for the 7:30 p.m. performance may be bought in advance or at the door. For advance tickets, call 475-8529 or 475-8398.

Letters to the Editor

To the Editor:
There is a problem in the Chelsea area that drives me crazy when I drive down the Waterloo Rd. area. The road is cluttered with cans and bottles and debris. Chelsea puts up signs that Chelsea is a progressive community, which I doubt very much. The Waterloo Rd. is a disgrace to every person living in this area. I have lived around here all of my life and it gets worse every year. The people of Michigan are a disgrace to the nation. My husband and I traveled all through the west to the coast last summer up through Canada and never did we see any area looking like this state. I want to commend a handful of men and boys that I saw trying to clean up the sides of the roads. I cannot believe that people can be such hogs, but when one looks at the sides of the roads the facts are there. I wonder if anybody else feels the way my family does.
An unhappy citizen.

Golf Teams Both Lose to Saline

In their first conference outing to Saline, the Chelsea High school varsity golf team lost to their opponents on the Brookside course, 159-161.

Compiling the 161 score for Chelsea, was Mike Fouty who shot a 38, another 38 shot by Roger Policht, Jeff Policht shot a 42 and Vic Steinbach a 43.

Chelsea will play Lincoln Friday on the home Inverness course.

In junior varsity golf action the Saline team defeated Chelsea in an amatch with final scores of 177-186.

Girls Varsity Softball Team Loses in First Conference Game

Chelsea girls varsity softball team was wiped out in their first Southeastern Conference game of the season played last Friday on the Chelsea field against Saline. The Salinians took their opponents, 15-4.

Chelsea was limited to just four hits by Saline's pitcher, Cindy Wright, who struck out seven Chelsea batters.

Chelsea scored all four of their runs in the fourth inning on singles by Diane Pletcher, Sue Skittenshelm, Kim Moore and Char Steinaway; and a walk to Sue Schulze. Coach Ann Schaffner attributed the loss to "the numerous number of errors committed by Chelsea."

Chelsea will play Lincoln Friday on the opponents' field.

Girls Softball Team Defeats Stockbridge

In a game played on their home diamond Tuesday, the Chelsea girls softball team defeated Stockbridge, 12-2.

Brenda Salyer was the winning pitcher, going the entire game and allowing only five hits by the Stockbridge girls. The Chelsea team had a total of 16 hits. Teresa Breza and Kim Moore had three hits each. Kathy Schmitke had two singles, and Debbie Schleicher had a triple.

Coach Ann Schaffner reported that field play was much improved in this non-league game. Friday, May 1 the girls will play their second league game of the season at Lincoln.

Army Phasing Out Two-Year Enlistments

As of this July, the minimum term of enlistment in the Army will be three years. Until then the Army is accepting enlistments for two years, only from those volunteering for Combat Arms, says local Army representative Sgt. Jones.

With a minimum enlistment of three years, the Army will minimize personnel turnover, reduce training costs, and increase experience levels, Sgt. Jones said.

Photo Depot Opened By Otto, Jennings

Their business card features an old-time locomotive, burning off smoke which forms a ring around bold letters. "Photo Depot 107 1/2 S. Main St."

Just what is a Photo Depot? A place to drop off film? A processing lab? "No," protest its owners Vern Otto and Dick Jennings. "It's a photography studio."

Located above Vogel's Store in a neat, newly-decorated nitch, Vern and Dick told of their new business enterprise and how they came together. . . and just how they decided to call their studio "Photo Depot."

"We thought it was a catchy sound," said Otto. "Jennings and Otto sounded more like a Vaudeville act than a photography studio," added Dick, "so we decided on this, since we are near the railroad station."

Their "depot," as they call it, carries out a railroad theme; from the minute one walks up the yellow-orange carpeted stairway, to the antiqued gold-green door. Beside the door, a small locomotive rests on the wall, a handy holder for the pair's business cards.

Upon entering their business, one is met with mirrored replicas of old-time trains, freshly white-washed walls and old wood paneling that takes on a semblance to railroad ties. Dick said they had hoped to do more, "but we simply ran out of money."

While the two are partners and share the same facilities, each has his own equipment and each handles separate accounts. "We assist each other if the need comes up and we are not busy with our own projects," Dick said. However, most of what they do, they do separately.

Otto and Dick met in 1973 during the Chelsea Sidewalk Art Fair. Dick was displaying his photos on the street for sale, and Otto, a long-time photographer, (in the business for more than 16 years), happened by.

The two exchanged greetings and the acquaintanceship developed from there.

Dick went to work for Otto doing school photographs in the Detroit Metropolitan area.

As their friendship and admiration for each other's work developed, they decided to set up shop in Chelsea. Earlier this month they opened up for business.

At their work is done by appointment, although they will do something on the spur of the moment if nothing else is planned. Dick believes their one advancement is on page nine)

Today's Thought By LOUIS BURGHARDT

Serious and perplexing problems face nearly all of us today. People are asking, "What is wrong; what went wrong?" Most of us wonder what can be done. One thing is certain. No matter what the problem, we should not and must not throw up our hands in despair.

People have faced problems since time began. It is a part of life. It really started with Adam and Eve. Cain and Abel surely posed problems for their parents. Later on, the Dark Ages wiped out the slowly attained progress that occurred through the years. The six centuries from the fall of Rome to the eleventh century saw communications lost, roads blocked, cities sacked and burned, churches looted. Gangsterism prevailed. It was disheartening - and tragic. Language became a jumble of strange dialects; literacy plummeted.

It would be helpful to realize that though we have problems today, as in the past, NO age in history offered the splendid opportunities we have before us. Is it not time to ask what challenge would there be in a world of perfection, with no family, social, political or personal problems to solve? County-Wide Walk-A-Thon Set To Benefit Local March of Dimes

"Help Prevent Birth Defects," by walking or sponsoring a walker in the third annual Washtenaw County Chapter of the March of Dimes Walk-A-Thon to be held this Sunday, May 4.

Walkers will meet at Huron High school in Ann Arbor at 9 a.m. Sunday and walk a 16-mile course.

What is a walk-a-thon? It is a course, in this case, 16 miles, with checkpoints. Each walker is sponsored by a family or group.

The 16-mile route will cover the who agrees to pay him or her a monetary rate per mile walked.

Sponsors may be parents, friends, neighbors, relatives, small businesses or any individual or group who cares to contribute in the fight against birth defects.

Walkers will pass through checkpoints along the route and have his or her route card stamped. When the walk is completed, the walker will show his card to his sponsor, who will then contribute money earned to the March of Dimes.

The walk is open to all interested persons. However, children under 12 years of age must be accompanied by an adult; those under 18 must have prior permission from a parent or guardian.

Sponsor sheets may be picked up from the following places: National Bank & Trust Co. of Ann Arbor, A. & W. Root Beer stands, Richardson's Pharmacy, National Bank & Trust of Ypsilanti, the Ann Arbor "Y" and the Junior and Senior high in Ann Arbor.

Ypsilanti and outlying schools. Huron High school in Ann Arbor, north on Huron Parkway, Hubbard to Broadway via Beakes to Main, down Miller to West Park for the first checkpoint.

Continue down Miller to Bruce over to Dexter Rd., via Sunrise and Westwood down Grandview, over to Jackson for the second checkpoint. Continue on South down Liberty to Dartmouth, to Stadium via Ivywood, Lydvale, and Arbdale, down Stadium to Alhambra to Cic Church via Sue Parkway, Runnymede, Barrington, Dunmore and Winsted and on to Pioneer for the third checkpoint.

The walk then moves along Wells to Washtenaw via Fredon Oak Lane, and Ashshire to the Root Bridge, then across the Huron River via Heatherway and Geddes, and finally back to Huron High.

Celebrities marching in the Walk-A-Thon are Don Gannan, University of Michigan athletic department director; John Orr, head basketball coach; Jim Dutcher, Bill Freider, Rick Gar-

County Drains Cleared To Improve Rain Run-off

Water run-off is faster this year thanks to work crews clearing Washtenaw county drains.

Funded by CETA money through the County Drain Office, four seven-man crews are now clearing trees and brush with chainsaws and clippers from overgrown drains.

"Large trees, deadfalls and vines have slowed run-off along many of the natural and man-made drains for years," observes Washtenaw County Drain Commissioner Jerome K. Fulton.

"When CETA funds became available, we recognized a unique opportunity to restore the county's superior drainage by hiring crews to clear out the debris," Fulton says.

Crews may be spotted throughout the county working to clear the drains. The yellow safety helmeted men and women have waded into hip-deep, clogged streams to hack away at clinging brush and vines. Trees are cut down, sawed up and hauled out.

"When they finish, the water flow is dropped by as much as six inches," Fulton says. "We are clearing the drains as residents petition us to do so, or as township governments request the work," Fulton explains. Drain restoration is currently being completed in Augusta and Lodi townships.

CETA is an acronym for Comprehensive Employment and Training Act a federally funded program for hiring county resi-

College Student Grants, Loans Hit \$31.5 Million

Lansing—Michigan college students received \$31.5 million in financial assistance during the 1973-74 school year under state-sponsored loan and grant programs, the State Board of Education announced recently.

Grants totaling \$16 million were made under State Scholarship and Tuition Grant programs while state-guaranteed loans totaling \$15.5 million were approved during the year, the State Board said.

CHelsea VILLAGE COUNCIL PROCEEDINGS

Regular Session. April 15, 1976

This meeting was called to order by President Pro-Tem Dmoch at 7:30 p.m.

Officials present: Clerk Neumeyer and Administrator Weber. Trustees present: Wood, Rowe, Johnson, Dmoch and Rortan. Absent: President Pennington and Trustee Galbraith.

Others present: Police Chief Meranuck, Zoning Inspector Galtra, Civil Defense Director Wade, Planning Commission representative Clark Bushnell, Richard Barelis and Darryl West.

The minutes of the regular session of April 1, 1976 were read and approved.

Darryl West, State Wrestling Champion at 145 lbs., from Chelsea, was congratulated on a fine season and career and presented with a plaque containing a proclamation commending his performance.

A discussion was held regarding the recommendation by Police Chief Meranuck to change the parking regulations on Book Street. No action was taken at this time.

A discussion was held regarding the possibility of limited parking on Lincoln Street. Administrator Weber was instructed to discuss the matter with Federal Screw Works.

Police Chief Meranuck recommended that there be no change in traffic regulation signs at the intersection of Grant and Lincoln Streets. No action was taken at this time.

Motion by Wood, supported by Johnson, to approve the Planning Commission's request to have Fred Barkely, Planning Consultant, review the site plans of W. C. Weber for the Old Junior High Property. Roll call: Yeas all. Motion carried.

Motion by Rowe, supported by Johnson, to grant the Planning Commission request to hold a public hearing on the proposed amendments to the Zoning Ordinance to be held at the Planning Commission meeting on May 13, 1976. Roll call: Yeas all. Motion carried.

Motion by Johnson, supported by Wood, to instruct the Chelsea Planning Commission to send written recommendation on the rezoning of the Medical Center to the Sylvan Township Planning Commission and the Washtenaw County Planning Commission. Roll call: Yeas all. Motion carried.

Bids were requested and received from area automobile dealers for a new 1976 1/2 ton pickup as follows:

State Motor Vehicle Highway Fund Collections Decline Again

A decline by more than \$3 million from motor fuel taxes collected in Michigan, in the October-through-December 1974 quarter, coupled with a \$3 million increase in license plate revenue for this quarter, resulted in a net decline of six-tenths of one percent for the Michigan Motor Vehicle Highway Fund, the second consecutive quarterly decline.

John P. Woodford, director of State Highways and Transportation, said the October-December net receipts—the amount to be shared by the states, counties, and municipalities after deductions—amounted to \$116,086,270, compared to \$116,800,421 for the same quarter a year ago.

The \$116,086,270 to be shared by the state, counties, and municipalities is the quarterly balance following deductions for the Waterways Commission (1.25 percent), one-eighth for the General Transportation Fund (public transit) and administration and collection costs.

According to a formula established by the legislature, 44.5 percent goes to the Department of State Highways and Transportation; 35.7 percent to the state's 83 counties; and 19.8 percent to the state's 531 incorporated municipalities.

Under this system, Chelsea will receive \$14,465, compared to \$14,602 for the same period last year. Dexter will receive \$7,115, compared to \$7,178 for the same period last year. Total Washtenaw county allocation for this year will be \$800,272, compared to \$863,125 last year.

Free Boating Safety Course Starts May 5

The Washtenaw County Sheriff's Department will offer a free pleasure boating course on the evenings of May 5 and 7.

The course, to be held at the Training Center, 4133 Washtenaw Ave., Ann Arbor, has been designed to instruct 12 to 15 year olds in Michigan State laws pertaining to boating safety, life saving, and basic boating knowledge.

State law requires that persons between the ages of 12 and 15 must possess a certificate stating that they have taken this course, in order to operate a motorboat with more than a six horsepower engine.

However, a representative from the Sheriff's Department suggested that the course is valuable to boaters of any age, and that all interested persons are invited to attend.

The course will be held in two 2 1/2 hour sessions, from 7 to 9:30 p.m.

The second and last session will feature a short exam on boating basics.

Those who pass will receive a certificate attesting to the fact that they have completed the pleasure boating course.

Registration is by phone: 971-8400, ext. 77.

On May 15, 1976, the Virginia Convention instructed its delegates to the Continental Congress to propose independence.

This golf lesson could save you thousands

You know, you can holler "Fore!" for dear life, but still be liable if you hit somebody on the links this weekend! In fact, any accident while hunting, boating, fishing, skiing, or any other sports, could put you in court and cost you thousands of dollars! You may not be able to avoid a golf accident... or a lawsuit... but you sure can avoid paying all that money in court. You can protect yourself and members of your family before the first tee with "altogether" personal liability coverage which is available in many Auto-Owners policies.

NORTH ELEMENTARY SCHOOL NOTES

3rd GRADE—
Teacher: Miss Sanders
 In Miss Sanders' class we have been making our own class newspaper. We chose two editors, Betsy Galbraith and Steve Fleishmann, and the rest of us became reporters. Some of the sections in our newspaper include interviews with Mr. Benedict about the popcorn sale, sports, weather, recipes, problems, and more. Miss Sanders will type the paper this week-end and we will all get a copy of it next week.

Yesterday we spent some time sharing hobbies. We found that we have several rock collections, a stamp collector, a bone china collector among others. It was interesting and fun to look at everyone's collections.

We've celebrated two birthdays since last time, Corine Brown and Will Fetters have both turned nine and had birthday parties in the classroom.

Teacher: Mrs. Lauver
 In Mrs. Lauver's class, Jamie Cameron and Steve Kopolka celebrated their birthdays this month. Congratulations go out to Carla Sears for two reasons. She was one of the third grade winners for the Young Authors Conference and she was also, star sales person of North's third grade in selling popcorn. Carla sold over \$30 worth. Congratulations Carla.

The class has been learning how to give speeches. Their first attempts were tape recorded. Some of the children had never heard their voices recorded before.

Teacher: Mr. Smith
 Mr. Smith's class had a pleasant surprise on Monday of this week. We found three baby gerbils in our gerbil cage. The new pups are about two weeks old because they have fur all over, but their eyes aren't open yet. They hid themselves so well that no one knew they were born. We've had fun observing the habits of the whole family and found some books in the library so we could do some research on their behavior.

Our class did very well with our popcorn sale. David Gipsen sold 41 boxes for the highest sale of the class. Others who sold over 20 boxes were Sandy Young, Lavonne Kruse, Jack Schwerin, Shiela Briggs, and Mike Gilligan. As a whole our class did very well and earned a lot of money for our school to buy supplies. I'm very proud of the job they did.

One of the girls in our class was a winner for the Young Authors' Conference. Jenette Rouse was one of two third grade winners. Her story was called "The Dog and the Frog and the Big City." Jenette had Blake Alder help her illustrate the story and they made a nice book which she took with her when she attended the Young Author's Conference on Saturday, at Bates Elementary school in Dexter.

ART—
 Everyone plan to set aside Tuesday evening, May 13, from 6:30 to 8 for an evening of art enjoyment. Artwork by North and South school students, grades K-4, will be on display at the South school building. There will be a wide variety of projects from paintings to clay sculpture to portrait drawing. We hope to see you there.

4th GRADE—
Reporter: Kathy Haydock
 Our class was talking about our future community of Chelsea and these are some things we would like to have: movies, good restaurant, frozen food lockers, recreation hall, drinking fountains, wider streets, more playgrounds, and an ice rink.

People who have birthdays this month are Wayne Smith and Mark Smith.

We planted flower seeds and most of them here came up. They are doing very well.

We are studying about South America in social studies.

In gym class people won the 50-yard dash. They are: Mike Brown and Kim Boyd. In the 60-yard dash these people won, Joy Albrecht and Brent Martin.

Kathy Haydock won the Young Authors' Conference for her poem. The name is "My Dog."

Alumni Day St. Louis School Is Observed at

The boys of St. Louis school welcomed back 50 former school chums and their parents, Sunday afternoon, April 27, at the school's annual alumni day.

This day, set aside each spring for a reunion of the old and new boys of St. Louis, is a day to exchange stories, see new changes in the school, and those in the boys as well.

One week prior to the celebration, the boys anxiously prepared to greet their old friends. Mrs. Robbins, housemother to the boys, reported that Friday classes were canceled for some of the boys in order that preparations for Sunday's celebration could begin. The boys spent the day polishing windows, picking up the grounds, and putting things in order in the new dorm.

At 2:30 p.m. Sunday all was ready, and the 60 boys of St. Louis school awaited the arrival of their alumni friends.

Festivities began with greetings from the fathers and brothers, followed by a floor hockey game in the gymnasium. Brother Natal led one team of boys; the other headed by Father Germano.

Following the play, the alumni toured the new wing. Photos were taken capturing their delight at the new facility.

A 4:15 mass said by Father Germano preceded dinner.

The dining room had been decorated for the occasion by Father Louis' streamers, balloons, and memoirs filled the room for the 5 p.m. pot-luck dinner.

Father Umberto introduced the alumni to those boys who were not acquainted with the former students.

Girls from Ann Arbor, Chelsea, and Dexter joined the boys later in the evening for dancing in the gymnasium. Refreshments were served at 8 p.m.

Mrs. Robbins reported that many of the boys who return have made remarkable progress since their days at St. Louis. Many of them drive, and some have purchased their own cars. They hold jobs, some are continuing their education, and a few are married and have produced healthy families.

She added that they seem to have adjusted well socially to the world outside of St. Louis.

The oldest boy from the school is now 28 years old.

Area Resident Named to State UW Committee

Sharon D. Hodgson has been appointed to the Budget Committee of the United Way of Michigan.

Donald J. Pizzimenti, of Detroit, committee chairman, said that Mrs. Hodgson would be assigned to panels at UWM's annual budget conference to be held April 29-30 at Kellogg Center, Michigan State University.

Each panel reviewed budget presentations of two or more UWM member agencies and then made recommendations for the funding of the agencies during 1976.

UWM has 23 health and social service agencies as members. It helps plan programs and provides budgeting services and financial support for them.

Funds for UWM come from 140 local United Way campaigns conducted throughout Michigan. The Chelsea United Way is providing \$4,690 for UWM's member services during 1975.

Mrs. Hodgson lives at 16030 Cavanaugh Lake Rd. She is the Budget Committee chairman of the Chelsea United Way.

On May 29, 1780, a Loyalist group near Winnsboro, S. C., was defeated by Patriot irregulars, marking the beginning of effective Patriot resurgence in the Carolinas.

OLD ACQUAINTANCES MAYBE FORGOTTEN are some of the young faces found in this photo, believed to be of the fifth grade class of 1926 or 1927. In front, from left, are Dorwin Bearbower, Glenwood Novess, Ruth Faist, Paul Ryan, Donald Oesterle, Paul Rogers, Matthew McGalligan, Tom Walworth, and Ethel Benison. Second row, from left, are Paul Nicolaj, Doris Boone, Dora Scripser, Emily Petrolit, Gertrude Jensen, Andros Gulde, Willis Bullard, Doris Bearbower,

Jennie Wagner, and Russell Berry. In back, from left, are Mary Combs, Dorothy Swarthout, Christina Schueller, Blanche Barry, Annie Gelsman, teacher Mrs. Gates, Roger Hinderer, Jim Panarites, and Francis Hoff. The picture was loaned to The Standard by Mrs. Harold Lantis of Stockbridge from a collection of old photos belonging to her late father, James McMannis, who operated a photography studio in Chelsea for many years.

Sixth Graders Enjoy Week of Outdoor Camp

The 6th grade class of Dwight E. Beach Middle school has recently returned from a week of outdoor education at Mill Lake Camp on Bush Rd. The class was divided in half, each half spending two and one-half days and two nights at camp learning about various aspects of the environment from teachers and parents assistants. For the duration of camp the students were divided into small groups and named after Indian tribes that were once in this area.

Included in the program was a three-mile hike to and from a bog and a brief history of that area; and a visit to a very old cemetery to discover more local history. Students learned about texture in nature by taking rubbings from trees, leaves and stones, and how to use compasses by following a pre-marked course. Games from other lands and games using mathematical knowledge were among other activities enjoyed by the 6th graders.

Recreational activities were also planned for the evenings. The first night the "tribes" were involved in a game of "capture the flag" until dark, when they were served punch and home-made cookies as an evening snack. The second night consisted of skits by each tribe and group singing, accompanied by guitar and banjo.

This is the third year Chelsea has been involved in the 6th grade outdoor education program, the first year being the 1970-71 school year. Camp and staff scheduling problems have prevented participation two years prior to this year.

New Income Tax Withholding Tables Distributed

Detroit—The Internal Revenue Service today announced that new withholding tables are now being printed, and are scheduled to be distributed to all employers during this week. The new tables, effective for wages paid after April 30, reflect the reduced amount of income tax to be withheld from employee's wages as a result of the Tax Reduction Act of 1975, which was enacted March 29.

Because of the short time available to put the new withholding tables into effect, the IRS said that employers who make a good faith effort to accomplish the changes as soon as practicable will be deemed to be in compliance.

Soil Conservation Service in 40th Year

The Soil Conservation Service celebrates its 40th birthday on April 27, according to Bill Fishback, chairman of the Washtenaw county Soil Conservation Service, an agency of the USDA, provides technical assistance to landowners through Michigan's 85 Soil Conservation Districts.

In reviewing the history of government agencies, it becomes apparent that they are created out of a need, an emergency, or a crisis situation. The Soil Conservation Service is no exception.

The agency was created on April 27, 1935, by Congress as a permanent agency for soil erosion control. It was established under Public Act 46 of the 74th Con-

Young Authors Attend Dexter Conference

Six students from South school attended the Young Authors Conference in Dexter on April 19. These boys and girls were chosen by their classmates. All stories were read and then judged by the students in their own grade level.

Attending from 2nd grade were Amy Wolter and Ann Stock; 3rd grade, Ted Merkel and Susan Riemschneider; 4th grade, Brenda Barber and Jeff Koeple. Two students from each grade level 2nd through 5th were allowed to attend. More than 100 students from surrounding school districts attended the conference.

The day was divided into two parts. In the morning the students discussed their stories with the other young authors. Some of the titles from South school were: "The Haunted House," Ann Stock; "The Magic Carpet Ride," Amy Wolter; "Kei, the Wise Tiger," Ted Merkel; "The Mysterious Castle," Susan Riemschneider; "Mary's Surprise," Brenda Barber; "The Balloon," Jeff Koeple.

During the afternoon each student attended two of five work shops offered. In these workshops the students experimented with Mime puppet making illustrating and writing lyrics.

Highlight of the day was the presentation put on by Gussie Dickie an assistant principal with the Detroit Public Schools. Several of the South school students received Mrs. Dickie's autograph, climaxing their day.

MCRC Reviews New Park Developments

mill creek research council review New oppositional developments in the battle against the proposed Huron-Clinton Metro Park in Lima and Freedom townships were discussed at the Mill Creek Research Council monthly meeting held last week.

Among these are Michigan legislative and U.S. Department of Interior activities, recent Washtenaw county Planning Commission concerns over park impact and water quality, SEMCOG's official withdrawal and support for the park and current Macomb county legal proceedings against the Huron-Clinton Metropolitan Park Authority.

These developments will be presented on May 7 at the Ways and Means committee meeting of the Washtenaw county Board of Commissioners for consideration in the

possible decision for future withdrawal of support for the proposed park.

The MCRC board also voted to send a financial contribution to the Raye township (Macomb county) Citizens for a Realistic Priority 26r use in their court battle against the HCMA North Branch proposed metro park.

This group has recently succeeded in getting a court injunction stopping the Metro Park Authority's buying action until further study has been done on the constitutionality of HCMA, deprivation of human rights, decreasing land values and the Authority's representational structure.

Mill Creek Research Council's next board meeting will be May 21. Members may be contacted for further information concerning the proposed metro park. They are David Bacon, Robert Wirtz, William Chandler, Margaret Sias, Donald Plumb, Walter Fusilier, Lynda Koch, Arthur Kuhl, Gerald Meyers, Sylvester Weber, David Wolfgang and Arlys Wisemen.

Hearing Slated On Bill To Curb State Taxation

Residents of Michigan, starting today, will have a bigger slice of their earnings taken in state taxes as the state's income tax jumps from 3.9 percent to 4.6 percent.

At least some of their elected representatives in Lansing are not happy about the continuing climb in state taxes and the spending that has necessitated it. They are pushing for consideration of a ballot proposal to put a ceiling on how much the legislature can tax and spend.

Resolutions introduced in the Senate by Senator John Welborn (R-Kalamazoo) and Senator John T. Bowman (D-Roseville) and in the House by Representative Thomas G. Sharpe (R-Howell) will do just that—place a limit on how much in total state taxes may be levied by the legislature and thereby limit how much money they can spend.

State Representative Lou Cramton (R-Midland) has arranged for a jointly sponsored public hearing on taxation limitation in general and the Bowman-Sharpe sponsored resolutions in particular to be held in the House Chambers in the Capitol in Lansing, Time: Monday, May 5, at 2 p.m.

Cramton expects an overflow crowd Monday. "How the world got out I'm not sure but a lot of people have said they intend to be there to sound off," Cramton said.

Individuals or organizations who wish to testify at the hearing would be well advised to notify the office of Senator Bowman (State Senate, Lansing 48902, phone 517-373-8360).

HEIFERS REPLY HANDSOMELY—Grow 'Em Right!

At Wayne Research Farm twin 3-day-old heifers went on test.

One was fed Wayne Calnup medicated non-cereal milk replacer followed by Wayne Calf Krunch. The other: whole milk, hay, grain, soybean meal.

Wayne-fed heifer was ready for breeding earlier, calved earlier, produced milk 3 months earlier. And 2½ years later, showed a profit difference over twin sister of \$164.25!

Better stop in.
