Baccalaureate Service Slated Sunday Evening

A traditional Baccalaureate Service for the 1975 graduating class of Chelsea High school will be held Sunday, June 8 at 7:30 p.m. in the Chelsea High school auditorium.

Participating in the service will be the Rev. John Morris of Zion Lutheran church. The Rev. Morris will deliver the inspirational Bible message to the group, speaking on "There Is Joy in Commitment," based on Bible Psalm 37, verse 5.

The Rev. James Stacey of the Chelsea Baptist church and the Rev. Thode B. Thodeson of the First Assembly of God will serve as Liturgists for the service.

Organist will be James Jones of the First Congregational church. Members of the Chelsea Ministerial Fellowship in response to a number of written requests are sponsoring the traditional baccalaureate and "hope that all seniors will attend." The public is invited.

Man Beaten, Robbed on Way Home from Work

A local man was beaten and robbed on his home property early Wednesday morning, May 28. John Langowski, 235 Buchanan St., suffered small contusions to the head and face and was badly bruised following a beating he received from what police and Langowski believe to be "three white males in their teens or early twenties."

The suspects also robbed Langowski of his wallet containing identification cards and \$65 in cash.

Langowski told Chelsea police that he had left work at approximately 12:03 a.m. He began walking home from Central Fibre Products Co., where he is employed, on the corner of Buchanan St. and N. Main, by way of North St., cutting through the Jiffy Mix parking lot onto Buchanan St. to his driveway.

Langowski said that as he started into the driveway on the east side of the house, he heard a noise and turned toward the street to see what it was. The next thing he knew, someone hit him over the head with a hard object, he fell to the ground in a daze and "saw stars." At this point he told police that two others came from behind a bush near the back door and all three jumped on him and beat him up.

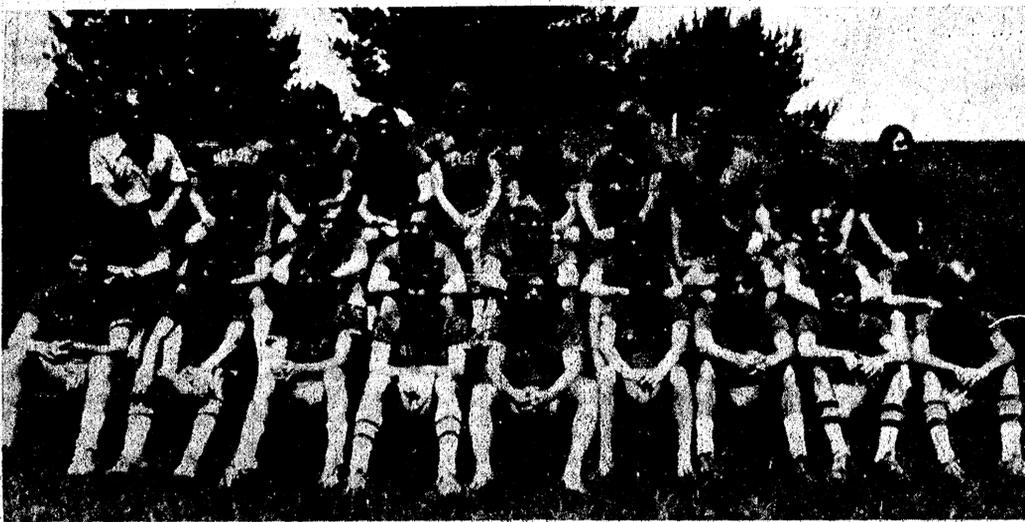

Langowski's only defense was to bite one of them on what he believed to be the leg.

He heard one suspect yell "Did you get his wallet?" Another answered, "Yes." "Let's get out of here," was the reply.

Following the incident, police were called to the Langowski home where Officers Dettling and Peebles found the victim, his wife and neighbors in the yard. Police reported that Langowski was bleeding from the head and face area upon their arrival.

He was later transported to the Chelsea Medical Center where he

CHELSEA'S 1975 VARSITY TRACK TEAM took time out last Wednesday for photos before traveling to Milan for the Southeastern Conference meet. The Bulldogs held a fine 7-0 season record and placed third to South Lyon and Lincoln in SEC league competition. Pictured, from left to right, in the front, are Eric Prinzing, Pat Stevenson, Rick Haller, Scott Stafford, John Collins, Kevin Kelly,

Curt Winans, Steve Pennington and Morris Johnson; second row, Todd Weber, Matt Fisher, Mark Smyth, Bill Esch, Dennis Bauer, Howard Salyer, Tim Welshans, and John Storey; third row, Coach Bert Kruse, Ishmael Picklesimer, Mark Burnett, Russ Weiner, Bill Rademacher, Rick Robbins, Randy Sweeney, Rick Miles, Rick Sweeney and Assistant Coach Bill Bainton.

Track Team Third in League

Chelsea High 1975 varsity track team closed out its season last Wednesday, May 28, finishing third in a frustrating and disappointing Southeastern Conference meet held in Milan. The third-place finish for the thin clad couplets in the dual meet schedule gave the trackmen an over-all second-place finish in the SEC for the fourth consecutive year.

South Lyon took the conference title with 63 points. Lincoln placed second with 46½ points. Chelsea finished third with 45 points and Milan fourth with 31½ points. Brighton, Saline, Dexter and Novi finished fifth, sixth, seventh and eighth, respectively.

South Lyon set the track meet record, marking up four new league records. Pole vaulter and hurdler, Chris Steele was involved in the setting of three of the records. One other record was set by Brighton miler Tim Proulx who won in 4:29.9.

Coach Bert Kruse said, "We knew that South Lyon would be tough to beat since they were almost assured of a certain number of points because of a clean-cut superiority in a number of events. All we had to do was come in second and we would have shared the conference title with them because of a better record in league dual meets."

Kruse believes that the most significant factor in Lincoln's finish was a muscle pull suffered by Chelsea hurdler, Curt Winans. Winans had qualified for the finals in both the high and low hurdles but was not able to run, allowing Lincoln to pick up additional points and cutting the Bulldogs out of five or six points. Kruse added, that Chelsea still had a chance to finish ahead of Lincoln if they could have won the 440-yard relay. Despite the fact

that the team of Howard Salyer, John Collins, Kevin Kelly and Dennis Bauer, ran their best time this season, they were nipped by six inches from Saline who Kruse had guessed would finish third.

Predictions, however, do not always ring true and as Kruse noted "all kinds of things happen in league meets and the events don't always go as predicted."

In spite of the loss of one man and some low finishes in the relays Kruse added "we performed quite well, as we had seven or eight performances that were personal season bests. Included in these were a 50'2" in the shot by Ishmael Picklesimer giving him the shot put title for the third straight year. Phil Frame brought his two-mile record down to 10:20.4, but could only manage to fourth place. Howard Salyer had a personal best of 52.3 in the 440-yard dash and finished second. John Storey had a personal best of 4:40 in the mile for a third-place finish. Kevin Kelly's time of 23.5 was his personal best in the 220-yard dash, giving him a fourth-place finish. Pole vaulter Mark Burnett and Randy Sweeney who jumped 12', their bests, placed a third for Bennett because of fewer misses. Several other personal bests were recorded but did not place.

Other placers for Chelsea included a first finish in the high jump by Rick Sweeney. His winning jump was 6'1". Sweeney also placed second in the high hurdles in 16.1 and fourth in the low hurdles with a time of 21.8. His twelve points was the high for the team.

The 880-yard relay team of Howard Salyer, Dennis Bauer, Russ Weiner and Kevin Kelly placed fourth in 1:35.8. Rex Miles was fourth in the shot put at 44'8" and a final point was gained by

a fifth-place finish in the two mile by Rick Haller, whose time for the event was 10:29.3.

Last Saturday, seven of Chelsea's Bulldogs competed in the State Meet held in East Lansing. The seven were unable to score in what is always "a tough state competition," according to Kruse.

The best performance was by the 440-yard relay team as they ran a season best of 4:56, yet still were some distance from

JOHN C. PIERSON ROBERT W. RIEMENSCHNEIDER

Two Chelsea Men Form New Real Estate Firm

John C. Pierson and Robert W. Riemenschneider have joined forces in a new real estate firm here all their own. The firm of Pierson-Riemenschneider opened officially here Tuesday, May 27.

Located in a newly completed home addressed as 13955 Old US-12, the two agents lease space from Dale Cook who shares the building for his Country-side Builders contracting firm.

Pierson has been in Chelsea area for the past 27 years. Twenty-two of those years were spent in the construction business; the last five he was associated with Thornton Real Estate. Pierson is a real estate broker and a member of the Ann Arbor Board of Realtors. He is a graduate of the Real Estate Institute of Michigan (GRI) and holds his certificate in Real Estate from the University of Michigan.

His colleague, Riemenschneider has been a life-long resident of Chelsea. He graduated from Albion college with a bachelor's degree in business administration

Two Seeking Election to School Board

Voters will find the names of two men on their ballots next Monday, June 9 when they go to the polls to choose who shall be seated for a four-year term on the Chelsea School Board. Running for office are Martin Tobin, an incumbent who has served one year with the board, and Jack Gaughan.

Martin Tobin has resided for 31 years in Chelsea. He, his wife and their three sons live at 176 E. Summit St. Tobin is employed by the University of Michigan in Research Administration.

Tobin who has served on the board for one year feels that it was a time of orientation for him. While he has had experience with various boards at St. Mary's school before it closed down, the candidate emphasized that much of the past year was a real learning experience. He had attended board meetings and been involved in a number of Chelsea organizations such as the Chelsea Recreation Council, but he stated "I was amazed at how much it takes to run the schools."

When questioned about issues, Tobin said there were not any, but added "I kind of wish there were so that there would be a good voting turn-out and we would know just how the people felt."

He feels he is a solid contributor to the board. "The people on the board work well together. We can discuss our opposing views civilly and accept and air each other's views."

If finances were available, Tobin said there are a number of innovations he would like to see introduced. But for now he is working toward improved communication with the community, the students, parents and teacher. "We are working hard to encourage dialogue between the administration and open communication with the community."

Tobin's opposition comes in the form of a relative newcomer to Chelsea, Jack Gaughan. He and his wife moved to the area three years ago from Ann Arbor and

the crack at the school board for Gaughan is "an attempt to become involved in Chelsea."

As of yet Gaughan's only involvement has been as ringmaster for the Chelsea horse show.

Because of his educational background, Gaughan feels he is a viable candidate. Presently both he and his wife teach at Washtenaw Community College, where Gaughan teaches English. He has been with WCC for six years. Prior to that he taught at the high school level for a number of years, teaching both English and speech. He was also principal of the Holy Ghost Seminary school in Ann Arbor, now the County Service Center.

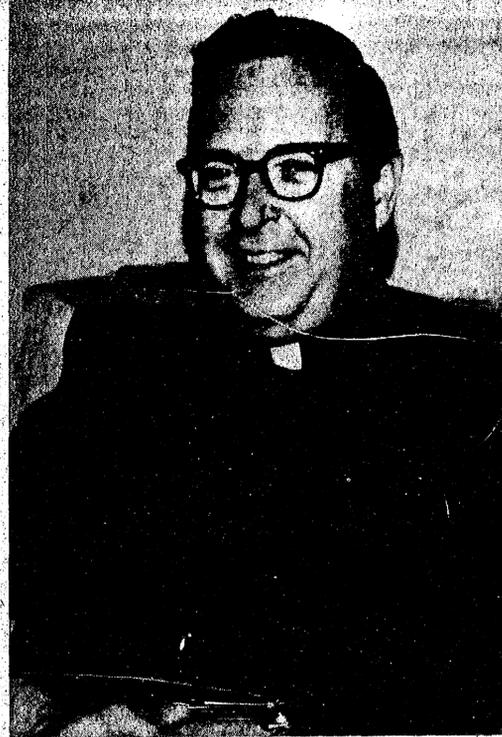

Gaughan holds a BA in English and Philosophy from St. Mary's in Norwalk, Conn. He holds a master's in English and education from Eastern Michigan University and completed a number of graduate courses at the University of Michigan in school administration. At WCC he has served as a past member of the curriculum committee.

Gaughan too is concerned about dialogue.

"Since I believe that students need to develop skill in decision making, I would consider seriously what students think, want and need, not always agreeing with them, but by no means shutting them off without dialogue."

As a school board member, Gaughan said, "I would consider myself to be a public agent who would be expected to show people what is happening to their children and their money. My primary interest would be to upgrade teaching and learning activities in order to provide the finest education within a realistic budget, especially in such basic areas as reading, communication and math."

Polls will open at 7 a.m. in the large group instruction room of the Beach Middle school. Polls will be open until 8 p.m. Absentee ballots may be picked up at the office of Superintendent Charles Cameron.

TO BECOME PRIEST: The Rev. Jerrold F. Beaumont, now vicar of St. Barnabas Episcopal church here, will become an ordained priest at 10:30 a.m. Saturday morning at the church. Officiating will be the Rt. Rev. H. Coleman McGehee, Jr.

Ordination Service Scheduled Saturday

The Rev. Jerrold F. Beaumont, vicar of St. Barnabas Episcopal church here will be ordained priest by the Rt. Rev. H. Coleman McGehee, Jr., at 10:30 a.m. this Saturday, June 7.

Fr. Beaumont is a member of the Brethren of St. Paul (the Tentmakers), taken from St. Paul's secular occupation) which is a combined Anglican (Episcopalian) and Roman Catholic body composed of worker priests and deacons.

His secular occupation is that of vice-president of operations for General Vehicle, Inc., manufacturer of the Bricklin Safety Sports car.

In preparation for his ordination, Rev. Beaumont studied at the Sacred Heart Seminary and the School of Theology of the Diocese

of Michigan from which he will graduate on June 23.

Following his ordination to the Diaconate two years ago, Fr. Beaumont served as assistant at St. Barnabas, later being assigned to St. Stephan's in Hamburg. He was reassigned to St. Barnabas last December as vicar and will continue serving the parish following his ordination as priest.

Beaumont, a native of the Detroit area, has lived with his family in Chelsea for the past 14 years. The Beaumonts presently reside on Washington St., with their daughter, Susan, and son, Douglas. Their oldest son, Gordon, is married and lives with his wife in Kalamazoo.

The public is invited to attend the ordination services Saturday at St. Barnabas.

LAURIE MANN JOHN SCHAFER

Two CHS Seniors Named U. of M. Regents Scholars

Laurie Ann Mann and John B. Schaffer are among a total of 1,024 Michigan High school graduates who will enter the University of Michigan this year as Regents-Alumni Scholars.

Laurie is the daughter of Mr. and Mrs. Paul E. Mann of 537 Flanders St. John is the son of Mr. and Mrs. Robert N. Schaffer of 1575 Pierce Rd.

Each year the U-M selects Regents-Alumni Scholars for their superior academic achievement and their potential contribution to the scholarly community of the University of Michigan.

This year there were more than 1,700 candidates, from 371 Michigan high schools, for the honor, according to Ivan W. Parker, (Continued on page six)

and economics. He spent 10 years in sales and marketing with numerous firms and for the past three years he has been associated with Thornton Real Estate. As Pierson, he too has a certificate in Real Estate from the University of Michigan.

The pair will be joined by Riemenschneider's wife, Jeannene and Pat Merkel who will work on an associate basis in the firm.

They will specialize in residential farms, land and commercial sales. "We hope to cover all facets of local real estate yet maintain a very personal and efficient real estate office," said Riemenschneider.

'Charlie Brown' Appeals To People of All Ages

It took a graduate of Princeton University to turn the universally famous Charles M. Schulz comic strip "Peanuts" into the equally successful hit musical "You're A Good Man, Charlie Brown," that captivated New York audiences for four years and is being presented at Chelsea High School for three performances beginning June 19.

Clark Gesner, a 1960 Princeton graduate, launched one of the most successful empires in theatrical history when he enlarged the comic strip into a more visual medium, suitable for the stage.

While an undergraduate, Gesner was an active member of the Triangle Club, which presents an annual show for students that goes on extended tours at Christmas vacation time. He supplied songs for the Triangle shows, which are still being used in some annual productions. He then went on to write for the television programs "That Was the Week That Was" and "Captain Kangaroo." Gesner has written magazine-articles and composed recordings and special material for chic night-club and stage revues in New York.

Gesner first expanded the Schulz comic strip with an experimental record-album, transforming the numbers. "Peanuts" had been an idea of his for quite a while. Before he was given the rights for a stage production, Gesner completed the record album without even having Schulz's permission.

The recording was shipped to Schulz, creator of the five-year-old world of Charlie Brown and United Features, who syndicate the comic strip. Both parties (Continued on page three)

Softball Tourney Scheduled Here Saturday, Sunday

Saturday and Sunday, June 7 and June 8 the American League of the slow-pitch softball program will play a Double Elimination Tournament on the two ball diamonds behind the high school. Eight games will be played Saturday beginning at 9 a.m. continuing through 4 p.m. in the afternoon. The tournament will be completed on Sunday beginning at 1 p.m., with the championship game scheduled for 5:30 p.m.

Mark IV Lounge will begin play at 9 a.m. against Ganji Oil Co. on the lighted field, while Ruler Farms will take on the Eagles on an unlit field. These two games (Continued on page six)

Shore Up System
 Imagine stacks of sealed grand jury evidence tucked away in the attic of Michigan's white-domed Capitol.

"A tremendous waste—the kind criminals like to see," says Gov. Milliken, who's pushing for creation of a Commission on Investigations to help shore up the grand jury system and maybe eliminate that attic storehouse.

Michigan's current grand jury law provides that when the one-year term of a one-man or citizens' grand jury is up, all evidence from its investigations must be sealed and stored.

That's what the governor considers a waste.

A Commission on Investigations, Milliken says, would be empowered to use that information from past and future grand juries.

In addition, the commission could:

- subpoena witnesses as well as records.
- grant immunity to those it compels to testify.
- petition the state courts for contempt citations against those who refuse to honor commission subpoenas.
- No state law enforcement agency—including the office of Atty. Gen. Frank Kelley—now may use what Milliken calls "these most essential investigatory tools."
- "And," he says, "as an earlier study commission asserted, 'Michigan's ability to deal with (organized crime) has been seriously impaired by the adequacy of its investigative resources and a lack of sufficient public exposure.'"
- Milliken's proposal would provide such exposure by requiring publication of comprehensive reports of completed commission investigations.

That requirement, the governor says, would "generate both light and heat on and in areas of corruption."

Indians Exempt?
 Nearly 140 years ago, a federal treaty granted Chippewa Indians unrestricted rights to fish in Michigan. Or did it?

And, if it did, do those rights still stand? Or did the subsequent Treaty of 1855 release Michigan from the earlier pact?

Those sticky questions are the topic of a case currently awaiting hearing before Michigan's Supreme Court.

B. LaBlanc, a Bay Mills Chippewa, brought the questions to light about three years ago, when he was arrested and charged with commercially fishing with a gill net—and no license.

Lower courts convicted, and upheld that conviction, but the Michigan Court of Appeals reversed the decision, saying the Treaty of 1830 allowed the Chippewas to fish commercially without sticking to laws governing commercial fishing.

The state appealed that decision, and the matter is expected to come before the state's highest court later this year.

"The fishery of the Great Lakes is a public resource," says Roger Wenk of Byron, president of the Michigan United Conservation Clubs, which sides with the state on the question.

Wenk says this fishing resource "has to be managed to be maintained, and the regulations ought to be fair and not discriminatory."

Chelsea JCs Sponsoring Horse Show

Chelsea Jaycees will hold a Youth Horse Show Sunday, June 15 at the Chelsea Fairgrounds. The show will begin at 9 a.m. and feature both Western, English and jumping classes.

Classes will be divided into junior and senior groups. Juniors are those young people 13 years of age and under. Seniors range in age from 14-18. The show is open to all individuals, and one need not be affiliated with 4-H. A class trophy and six ribbons will be awarded to winners and placers in each event.

A small entry fee will be charged; however, spectators will be admitted without charge.

Jaycees stress that the purpose of the show "is to foster good horsemanship."

A free clinic for show assistance will be held one day before the show, Saturday, June 14, at the fairgrounds. The clinic will begin at 9 a.m.

For more information contact Jean Botsford, 475-2539 or Judy Ward, 475-1149.

Uncle Lew from Lima Says:

I see by the papers that reports of the death of the family is greatly exaggerated. It looks like from all the upcoming weddings that a heap of young folks still figger the state of matrimony is a wonderful fix to be in. I've heard it said that a batchler is a feller that has never made the same mistake onct, but I allus note that them saying it usual is a victim of that mistake and wouldn't want to be in any other condition.

Mister Editor, I worry a lot about the way the country is going, and I bring up these matters pritty regular in these pieces. In the light of all the trial and tribulation in the world, it is easy to lose sight of what's going right. For myself, it is good news that all these young folks are planning their June weddings, and they are proud to tell everybody about it. I allus have believed if we got a solid family, we got the makings of a solid community, a solid state and a country with the best yet to be.

I mentioned this to my old lady the other night after supper, and she jumped at the chance to remind me what she has said many times, that a person going through this life by hisself is like the sound of one hand clapping. He can't go through all the motions, she allows, but unless he gets both hands working together he ain't going to git much done.

Actual, I know wimmen has a stronger nesting instink than men, and I think they are more sure of their place in the marriage partnership than we are, but I had to agree that what my old lady said has made sense to a heap of folks for a long time. It really don't matter how many different ways young folks discover fer themselves the secrets of life, they allus come back to the bedrock of the same arrangement we started with.

General speaking, the same old idee of news holds true fer weddings as it does fer everthing else. The star of stage and screen that is bragging about having a baby but no husband gits her picture in the paper, but behind ever one of them items is hundreds of couples that is staying married, or is gitting married fer the first and last time with the full intent of raising kids, going to work and to PTA and to doing all the things their folks done. Like I said, Mister Editor, the more you think on the natural order of life and how we swing this way and that but come back to center ever time, it kind of cuts down on the worry about the little things like whuber this country likes that country's trade policy.

That said about the social section of the paper, I'll have to go on and complain about what's passing as wimmen news in our big daily papers. Most of em look like they regard wimmen as living in another world. A wedding ain't much without a man, but how much do you read about the male side of matrimony? If we got to have "fer and about wimmen," we need to admjt men do more than fish and go to ball games, is my feeling.

Yours truly,
 Uncle Lew.

Athletic Awards Presented at Spring Sports Banquet Friday

Chelsea High school's spring athletes gathered together last Friday evening in the high school cafeteria for their annual Spring Sports Banquet to recognize, honor and award outstanding contributors to the tennis, track, baseball, softball, and golf teams.

Following a 6:30 p.m. dinner, the group adjourned to the high school auditorium where the awards and certificates were presented.

In varsity track, Coach Bert Kruse recognized Russ Weiner as being the team's choice for most improved trackman. Rick Sweeney was selected as having been the most valuable trackman.

Freshmen receiving first-year letter awards were Matt Fisher, Steve Pennington, Scott Stafford, Pat Stevenson, Todd Weber and Tim Welshans. A junior receiving his first-year award was Russ Weiner along with senior Rick Robbins.

Second-year awards went to sophomores Phil Frame, Rick Halter, Morris Johnson, Mark Smyth, and Randy Sweeney. Mark Burpitt and Bill Rademacher, both juniors, also received second-year awards.

Dennis Bauer, John Collins, Kevin Kelly, Rex Miles, Howard Salyer and John Storey, all juniors, received their third-year awards. Senior Curt Winans was also a third-year recipient.

Two graduating seniors, Imael Picklesimer and Rick Sweeney received fourth-year awards.

In JV track, awards were given to freshman Mike Young, sophomore Bill Esch, and junior Mike Pring.

Coach Ann Schaffner presented her two-year veterans of the girls varsity softball team with a pin. Receiving pins were senior Char Steinway, junior Alice Juergens and sophomores Teresa Breza, Brenda Salyer and Kathy Schmitke.

First-year letter winners were juniors Cindy Armstrong, Carrie Goins, Teri Lutovsky, Sue Schulze,

Sue Skittenhelm, Karen Tobin and sophomores Karen Keiser, Karen Milliken, Kim Moore, Diane Pletcher and Debbie Schleicher. Voted most valuable player was Char Steinway. Most improved player went to Cindy Armstrong, and the player with the most team spirit went to Sue Schulze.

In JV softball, Coach Cindy Bradbury's entire team received their first-year letters. They are Edie Houk, Joan Lutovsky, Beth Flanigan, Laurie Klink, Gail Erke, Dawn Bucholz, Jane Barnes, Theresa Ahrens, Tracy Hawker, Terry Miller, Chris Vanderwaard, Sherry Miller, Liz Schwarz, Kyle Parker, Cindy Figg, Jody Bennett, Sue Heydlauff, Nancy Knott and Connie Connelly.

Voted Most Valuable Player was Sue Heydlauff. Laurie Klink was voted by her teammates as Most Improved Player.

Chelsea's girls track team and SEC champs received their awards from Coach DIAnn L'Roy. First-year varsity letters went to Emily Bonus, Penny Collinsworth, Kim Dunn, Leigh Ann Hafer, Pam Hinz, Angie Merkel, Tammy Puglisi, Anne Schaible, Carolyn Schardin and Shelly Warren. Receiving second-year varsity pins were Colleen Collins, Susan Frisbie, Annette Gaken, Lou Ann Hancker, Monica Hanna, Connie Pearson, Judy Powers and Kathy Treado.

Voted most valuable teammate by her colleagues was Susan Frisbie. Colleen Collins was the girls' choice for the most improved trackwoman.

Pat Wade, golf coach, presented awards to his 1974-75 golf team.

Wade reported that he will lose three seniors, two of whom were four-year players on the team. Chris Rabbit was presented his fourth-year award as was Victor Steinbach. Steinbach was the only player to ever score a hole in one during competition matches for Chelsea. Another senior, Dan Barnes, received his two-year award.

Junior Mike Fouty was voted most valuable player. Fouty a three-year player, received his three-year award. Roger Policht, number two man on the golf team, has played with the team for three years and has received two varsity awards. Dan Schirilla is a third-year award recipient and Dan Harmon was recognized with a varsity award for one year of play.

Sophomore Jeff Policht was voted as the most consistent player. He received his second-year varsity award.

Freshmen golfers received numerous awards. They went to Gregge Ringe, Brian Lewis, Joe Ewald, Bruce Rabbitt, Dan Schradler, Brian Nadeau, Don Aldrich, Stew Blacklaw and Jim Stirling.

Sophomores who were recognized were Charles Morgan, Howard Bush, Matt Tobin, Mark Warren and Jeff Eder. Juniors recognized were Bob Wenk and Mike Hastings. Senior Glen Alier was also recognized.

Phil Bareis, Bulldog baseball coach, handed out awards to all his players. Receiving second-year awards were seniors Bill Clark, Tres MacCollum, Todd Ortring, Mark Pennington and Paul Wood. Juniors who were second-year award winners are: Randy Guenther, Tim Reed, Dale Schoenberg and Joel Sprague.

Boys who received varsity letters recognizing their first year of play were sophomores Anthony Houle, Don Morrison and Don Nadeau. Junior Jim Marshall received a first-year letter as did freshman, Kurt Owings. Seniors receiving first-year letters were Steve Figg, Randy Musbach, Don Murray and Dan Williams.

Voted most valuable player was Todd Ortring, and chosen most improved player was Don Nadeau.

Tennis coach Sam Vogel presented his team with their honors. Receiving a fourth-year award for four years on the varsity tennis team was senior Debbie Bertke.

Third-year awards went to senior Duane Luick, juniors Curt Umstead, Paul Marshall, Andy Quackenbush and Dan Hagen. A second-year award went to Doug Beaumont.

First-year awards went to Karen Waggoner, Keith Cockerline, Lisa and Michelle McCollum and Dave Pletcher.

Receiving junior varsity letters were Tim Stubbs, Matt McClear, Peter Feeny, Mike Hagen, Anthony William, Jerry Doll, Dave Steinbach, and Jerry Bilick.

'Charlie Brown' Appeals To People of All Ages

(Continued from page one)

thought it was great, capturing the spirit of the two-dimensional characters, and granted the rights for further use of the strip for a stage production.

On the recording Orson Bean portrayed Charlie Brown and Gesner was heard as Linus, admitted by his favorite character. A New York stage-producer, Arthur White-law, heard the recording and convinced Gesner to go ahead with his plans for expanding his audio accomplishment to a full staged production, to adapt the strip and the record as well as to provide expanded music and lyrics.

Whitelaw, along with co-producer Gene Persson, presented the show in New York in March of 1967, and it became a phenomenal sell-out hit for four years, with 13 companies playing it simultaneously throughout the United States, Canada and Europe.

Although the official program of "John Gordon," Gesner modestly hiding behind a pseudonym, he wrote the entire show from start to finish.

It takes but a few moments after the curtain rises before confirmed devotees of Schulz's cartoon, as well as those unfamiliar with it, get the flavor of ingenious, disarming antics of Charlie's circle. A cast of six adults plays five children and a dog—making no attempt to look like Schulz's characters, merely to be like them in portraying the by-ways of the wise little world of children.

Even Jeff Daniels, who plays Snoopy, will not be costumed as a dog, wearing merely a turtle-neck sweater and slacks, but even if spectators don't instantly recognize his usual position atop the doghouse, his canine status is soon clear as he mourns "Today I am a dog, yesterday I was a dog, tomorrow I'll be a dog; there's just so little hope for advancement," uttering little discontented growls as he goes along. His tongue-in-cheek song about the joys of his evening bowl of food, called "Supper-time," is one of the highlights of the show.

Howard Salyer will appear as Charlie Brown who, observes wistfully as he loses his 99th game in a row, "The game of baseball and the game of life are very similar." Can the little fellow hope ever to be anything but a sad sack? (The answer is yes, he triumphs in this show!)

Michele McClear is appearing as tbrnagent Lucy, putting Charlie even further down with her constant sharp cracks. Keith Pfeifle will be seen as Schroeder the fanatic about piano-playing, Rob Wenk as Linus, the moppet con-

vinced that there's no security like the blanket he drags about with him everywhere, and Joan Yocum as the sweetly uncomplicated Patty, devoted to her jump-ropes.

The success of dozens of productions of "You're A Good Man, Charlie Brown," all played by adults, has proved that child-actors are not required to play children. Both long-time admirers of the "Peanuts" characters, and those who have never followed the strip, have been charmed by "Charlie Brown," and adults and children show, but for different reasons.

An instance of diverging attitudes according to age is when Linus, the blanket-clutcher, says "I like a newspaper because you don't have to dial it." Adults laugh at that, children do not, seeming to find it a simple truth.

One of the funniest sketches of the musical, according to Henry Howes of The "Saturday Review," is the one in which four of the kids sing a song about a horrendous piece of school home-work: writing a 100-word book report on "Peter Rabbit."

"The devices," wrote Howes, "that each uses to circumvent really doing the assignment are all the funnier because they are so painfully true. Not just true to what our children do, or to what we did as children, but to habits that have in some form persisted into our adult lives."

"And perhaps this is why 'Peanuts' is so popular with audiences of all ages," he continued. "Irrational fears, pre-acceptance of frustrated hopes, flights of imagination that get us into trouble, and reasoning by association rather than by logic are all childish things. As we grow up, most of us conquer these foolishnesses only to a degree."

Tickets are now on sale for all three performances at Chelsea High school, Chelsea Drug, Pump and Pantry and at the door.

Jiffy Mixes Sweep Spring Tournament

Sunday night the Jiffy Mixes began ball play as they finished last season when they walked away with the Chelsea Recreation spring fast-pitch tournament. With-out effort the Jiffy Mixes wrapped up the tournament and collected another trophy as they swept through the winners bracket to win the tournament in only four games. The tournament, which was created to allow the fast-pitch teams a chance to warm-up before the regular season, was troubled continuously by rain Friday and Saturday night. Tom Ballstriere and Jon Schaffner deserve thanks, according to league director Charles Waller, for the many hours of extra work they put in to make the fields playable.

Schaffner, who is in charge of field maintenance this year, and Ballstriere, recreation director, spent the early hours Saturday and Sunday making rain soaked fields useable.

Jiffy Mixes' finished the final game of the tournament with a 5 to 1 victory over Bennet Installation. Bennet Installation seemed the only team to be in position to defeat the powerful Jiffy team after the rain-outs on Saturday night. However, continued fine fielding of Matt Murphy at short-stop throughout the tournament and the power hitting of Craig Houle and Leonard Kozma was just too much for the young Bennet Installation team.

Richard McCalla and Justice Marshall divided the pitching chores evenly between them and both looked impressive with the strong well balanced Jiffy team behind them. McCalla pitched the final game over Bennet and was in control of the game even though Jiffy failed to score as many runs as in the earlier encounter. While Jiffy Mixes still

seem to be the power of the tournament appeared to have im-league, all of the teams in the proved over last year.

VOTE JUNE 9

Dear Chelsea School District Member:

I am running for election to a full term on the Chelsea BOARD OF EDUCATION for the general reasons I stated last year, interest in QUALITY EDUCATION, EXPERIENCE in school administration, community responsibility, ACTIVE residency in the community for over 30 years. However, after serving one year on the BOARD more specific considerations should be given.

In the past year I have represented the Board on the Chelsea RECREATION council and the Washtenaw County School Officers Association. I contributed to and SUPPORTED: an expansion of the VOCATIONAL Education program; renewed efforts to establish meaningful COMMUNICATION between members of the administration, board, students, and the school district; requested assistance from these participants in a REVIEW of many of the Board's policies and procedures, including DISCIPLINE, expulsion and suspension, requested a complete review and PRIORITY ranking of all courses offered; INITIATION of a MULTI-AGE class in the elementary school; and many matters relative to budget priorities, the building program, and contract negotiation.

The experience gained over the past year has been extremely valuable and can serve to the best ADVANTAGE of the school district. Your vote at the polls will enable me to continue my efforts for a full term and indicate that you too are interested in QUALITY education.

Sincerely,
MARTIN H. TOBIN

Harding Makes First Presidential Radio Talk
Warren G. Harding became the first President to broadcast by radio on June 14, 1922. The occasion was the dedication of the Francis Scott Key Memorial in Baltimore, Md. His words were carried to perhaps only a few hundred local listeners over radio station WEAR. Today, the President's words reach the eyes and ears of millions of Americans by both radio and TV. At Henry Ford Museum, an extensive collection of early radio and television broadcasting and receiving equipment illustrates the progress we've made in communication from the 29th President to the 38th.

Girls Summer Softball League Organizing

Recreation Director Tom Ballistrere announces that registration for girls interested in summer softball play will be held this Saturday, June 7. Registration will be held in the Chelsea High school gymnasium from 10-11:30 a.m. Only girls in the 5th through 9th grades may register. Uniforms will be issued to registrants at this time. Ballistrere added that the Recreation Council is in need of women coaches to work with the softball teams, and that interested women should be present Saturday morning during registration. Women or girls who cannot be present for the registration, but who are interested in either coaching or playing, may call Ballistrere at 475-8511.

According to Ballistrere, games will be played weekdays in the afternoon, from June 23 through Aug. 1. Directing the girls softball program this year will be Pat Clarke.

Fashionable Soldiers

Soldiers in training may not realize it but they are in the latest fashion, according to Sgt. Jones, local Army representative. And they're getting a bargain to boot. Some leading designers are showing fatigue clothing for men and women in their new lines, including bush jackets and bulky pocketed trousers. One big difference from the Army version: many of the outfits are in the \$200 price-range.

Heartworm Disease - The Newest Dog Killer

By Virginia L. Albrecht
When you come close to losing a faithful pet through your own negligence, there isn't much room for comforting excuses. The kids are praying for the life of their little friend. And I think God in His understanding does not consider it profane that they pray for a dog. I wring my hands and hope for the best.
Scamp is under treatment for Heartworm Disease.
The prognosis is guarded for he's fairly old by canine standards. We figure about 10. Treatment for heartworms, in older dogs, is more serious, even fatal. We're not too sure about Scamp's age because he was already full grown when he came to us. . . a badly abused nondescript mongrel who had been dumped by a previous owner. However, for a meal a day and a bed he has repayed us with love, loyalty and protection beyond measure.

I don't know why I waited so long to have the simple blood test taken. I suppose I rationalized that living in the country, more or less, isolated our pet from the mosquito carrier. Then too, giving pills on an extended day-to-day basis is a nuisance, particularly during vacation time.
The disease is caused by thread-like worms approximately 10 inches long which live in the dog's heart. They vary in number depending on how long the dog has been infected. (One dissected heart I observed, contained at least 50 worms which had tunneled through the organ, puncturing it like a sieve.) The worms permeate the arteries of the heart and lungs. Signs of the disease are vague . . . lack of energy, shortness of breath, perhaps a little cough. One thing is certain though. The animal is being killed.
After locating in the heart, the adult worms produce microfilaria, their microscopic offspring. These microfilaria circulate throughout the dog's bloodstream.
Heartworms are transmitted by a mosquito which has bitten an infected dog. The disease, if not treated, is fatal. The dog may live for a few years with increasing

discomfort before collapsing and dying. In the interim, he is a carrier. Literally, hundreds of dogs can become infected with heartworms from this one host.
The treatment is severe and dangerous. The animal must be carefully monitored. Kidney and liver tests are made prior to therapy. The drug, an arsenic compound, is administered intravenously. The adult worms are killed first and then the microfilaria. The results of the treatment are usually good, especially if the dog has not had the disease for long. A dog with permanent heart and lung damage may not survive. Approximately 10 percent of the dogs treated will die.
Immunity to heartworms is obtained through the use of diethyl carbamazine, and related compounds, which is given in pill form. This is a fairly harmless chemical which normally produces no side effects. It is used, on occasion, to treat human parasites. A blood sample must be taken first to make certain the dog is not carrying the microfilaria in

Man Beaten, Robbed on Way Home

was treated and released. He was advised to rest in bed at least one week and given pills for the pain.
Chelsea police are working on a lead based on evidence found at the scene.
his system. This should be done each spring. If the test is negative, the veterinarian will supply the tablets which must be given daily throughout the mosquito season. The dog will then be protected from heartworms.
Scamp has survived the first phase, in which a cyanide preparation will be administered, to kill the microfilaria in his blood.
If you have not already done so, contact your veterinarian for your pet's sake and yours. There are no boundaries limiting heartworm. It has become very prevalent both in the city and country.

DEN 7 PACK 445—
Cub Scout Den 7, Pack 445 started out in the September meetings learning all about Akela, our promise, the Law of the Pack, the sign, the salute, the code, the motto, and the handshake. We also learned a den yell, which is "Den 7 is heaven." Our first rank earned was the Bobcat badge. Then we started right in earning our wolf badge.

In October we made Halloween masks. We celebrated Brian Ackley's and Jim Toon's birthdays. November was collection month. We all had a collection but some of us mounted them and made ways to display them. Ricky Boham celebrated his birthday.

For our Christmas project and gift to us moms, we made tree ornaments.

In January we celebrated Andy Koszege's and our den leader, Mrs. Weber's birthday. We started preparing things to put in Dancer's window for Scout Week.

In February we helped sell balloons and peanuts for the March of Dimes. We also had our Blue & Gold dinner. Everyone earned their wolf badge except Andy Koszege and Jim Toon. They were new members and they earned their Bobcat badge. Jimmy Weber received his one-year pin. Akela handed our awards out.

In March we took a tour through the McDonald's Restaurant. They gave us a hamburger, french fries and Coke. It was very interesting. We blew out eggs and decorated them with old jewelry and yarn. They were supposed to look like each of us when we got through.

In April we went bowling. We think we had better go more often. We also started working on our gold arrow.

In May we had our last meeting with a big party. We celebrated Krug Leach's and John Laraway's birthdays. In July will be Randy Saba's birthday.

DEN 15, PACK 435—

On Memorial Day, Den 15, Pack 435 marched in the parade. On May 29 we had our last meeting. We raced our boats made of construction paper. The two winners were Brent Martin and Chris Gallas. We also played prisoner's base. On June 1 we went on our canoe trip.

Chris Martin, scribe.

**International Week-end Being
Planned for Foreign Students**

An International week-end is now in the planning by Chelsea Church Women United and the First Methodist church for the July 4th week-end.

The week-end visit in local homes is part of a program of the Ecumenical Campus Center at the University of Michigan to give foreign students and scholars an opportunity to understand and experience American family living. "A first-hand chance to know us as real people." And as the women stress, an opportunity for us to learn about the student's culture and country first-hand. An exchange time for language and ideas.

The Center is supported by Church Women United and many churches at the local and state levels, in addition to interested individuals.

Women are hoping that members of the Chelsea Community will open their homes to 38 students and scholars for this three-day week-end. The group are among many foreigners who spend eight weeks at the English Language Institute at the University of Michigan. Many of them will continue their studies following this program, while others will return to their professions or employment in their native lands.

The holiday week-end will be kicked off with a pot-luck supper at the United Methodist church on Thursday, July 3 at 6:30 p.m. Following the supper, each family will take their student home. Sunday afternoon the students will return to the church at 4 p.m. where a bus will take them to the U. of M. campus.

Chelsea Church Women United question residents. "Wouldn't you like to participate in this week-end to make Chelsea a 'Hometown' for a foreign student?"

For further information, or to make a reservation, contact Annabelle Closson, or any of the key women of Church Women United: Mrs. Harold Rudy, Mrs. Merle Leach, Mrs. Tom Balistrere, Mrs. Daniel Ramsey, Mrs. Norman Hinderer, Mrs. Tom Eisele or Mrs. Robert Thornton. The women must be contacted no later than June 29 in order that final arrangements may be made.

Girls Softball Team Loses in District

The Chelsea girls softball team wound up their 1975 season far from meeting pre-season expectations. In their second year of play the girls lost a number of games due to poor fielding and lost their chance at the coveted conference title, which they won in 1974.

In a pre-district game played against Whitmore Lake, Coach Ann Schaffner reported that she was pleased with the girls' play. They took the game, 10-7. According to Schaffner, Whitmore Lake held a 12-2 record; she thought they would be a good team to play before the district tournament played last Saturday in Tecumseh.

The 10-7 win was taken on two hits by Char Steinaway and singles by Cindy Armstrong, Kim Moore, Sue Heydlauff, Alicia Juergens and Sue Skittenhelm.

Field errors which have prevented insurmountable problems

for the girls all season long were apparently not the case in the Whitmore Lake game, for the Chelsea girls completed the seven inning game having made only three errors in the field.

Two days later, the team traveled to Tecumseh to meet their district defeat at the hands of their opponents. The 16-4 game was lost in the fifth inning for the girls, as they play on rules based on a 10-run lead.

Chelsea's four runs were earned in the fifth inning on hits by Cindy Armstrong, Karen Keiser, Brenda Salyer and Sue Skittenhelm and four walks.

Coach Ann Schaffner attributes the loss to the Tecumseh pitcher, who just would not let anything get past her.

In JV softball, Coach Cindy Bradbury reported that they lost their final game to Dexter, mak-

ing their final league standing 3-2 and their over-all standing 3-4.

Regent Scholars

chairman of the U-M Regents-Alumni Scholar Program.

U-M alumni play an active part in the selection procedure. Finalists, chosen from all applicants for freshman admission, are referred to local U-M alumni for interviews and recommendations. Nearly 260 alumni participated this year.

A certificate for each Regents-Alumni Scholar has been sent to the scholar's high school. All scholars will receive a \$50 honorarium when they enroll in the U-M in September. Financial need is not a consideration in the selection of Regents-Alumni Scholars.

VFW Post, Auxiliary Hold Joint Installation

A joint installation of the VFW Post 476 and the Ladies Auxiliary was held Wednesday evening, May 23, at the Post Home.

Officers for the Post are as follows: commander, Gary A. Kent; senior vice-commander, Byron K. Smith; junior vice-commander, James K. Barnes; quartermaster, Laurence Boyer; adjutant, Mac Packard; post-advocate, William Rademacher; chaplain, Kermit L. Sharp; surgeon, James K. Finch; trustees, Mac Packard, Frank and White and Kenneth Platt; guard, Thomas Collingsworth.

Post officers of the Ladies Auxiliary were installed by Augusta White, a past department president from Ann Arbor. New officers are: president, Jaon Barnes; senior vice-president, E. Berniece Schneider; junior vice-president, Norma Seyfried; treasurer, Mary Kniss; chaplain, Gertrude O'Dell; conductress, Elsie O'Dell; guard, Nina Matthews; three-year trustee, Lucy Platt; flag-bearer, Jeannene White; banner bearer, Elizabeth Smith; patriotic instructor, Ruby Bauer; color bearers, number one, Lucy Platt, number two, Bessie Sharp, number three, Eulahlee Packard, number four, Geraldine Link and secretary historian, Dorothy Lentz.

A citation for bravery was presented to Duane Abdon for rescuing a 19-month-old child from drowning last summer. Duane is the son of Mr. and Mrs. Wayne Abdon of Manchester. The presentation was made by Mrs. Eulah

lee Packard, Auxiliary citation chairman. The outgoing commander was presented with a life membership from the Auxiliary. Jeannene White made the presentation.

Guests present for the ceremony were from Lansing, Ann Arbor, Dexter, and Manchester.

Refreshments were served following the installation and awards. Lucy Platt headed the committee.

Boating Safety Course Offered By Sheriff's Dept.

Washtenaw County Sheriff's Department is offering a free pleasure boating course to be held at the Training Center, 4133 Washtenaw Ave., Ann Arbor, June 10 and 11 from 7 to 9:30 p.m.

Twelve to 15-year-olds will receive boating safety certificates on successful completion of the course.

Registrations by phone are being taken at 971-8400, ext. 77.

While the course is open to any interested pleasure boaters, it is geared to the 12- to 15-year-old age group who must receive state approved boating safety certificates in order to operate a power boat over six horsepower alone. According to law, with the certificate, this age group may operate any power boat over six horsepower.

CAMPING OUT: Members of Girl Scout Troop 442 joined other Junior Girl Scout troops last Saturday for a day of fun-filled activities. Pictured cleaning up after lunch are, standing, left to right, Dawn Owens, Chris Kvarnberg, troop leader Mrs. Norman Wilson, and her assistant, Janet Reinhart, Tammy Schutze and Chris Johnson. Sitting are Linda Wilson, Kim Boyd and Dee Dee Hammel.

MERRY HOFFMEYER

M. Hoffmeyer Awarded UPS Scholarship

Merry Hoffmeyer, daughter of Mr. and Mrs. James Hoffmeyer, 146 Orchard St., has been awarded a four-year merit scholarship to the University of Puget Sound in Tacoma, Wash. The scholarship, renewable yearly depending on the student's academic performance, will cover partial tuition costs.

Merry who will graduate from Chelsea High school next week, plans to spend six weeks in Europe this summer before leaving for the University where she will study foreign languages (her specialty) as a part of the curriculum for which UPS has received special recognition.

This summer, Merry will spend two weeks with the Dr. Paul Gerigk family now of Kiel, Germany formerly of Chelsea, she will then travel to Italy for a two-week cruise winding up her tour in Switzerland where she will stay with the Heinrich Enggists of Thun, the family with whom Merry spent last summer as a YFU exchangee.

Edwin Coy Accepts Legislative Aide Post

Edwin Coy, supervisor of Lima township, has accepted the position of legislative aide to the Michigan Township Association in Lansing.

JOHN M. HAMILTON

Evangelist Joins Church of Christ

Evangelist John M. Hamilton and family, have moved to Chelsea, to work with the Church of Christ on Old US-12.

Hamilton moved to this area from Massillon, O., after serving the Church of Christ in that city for four years. He is a graduate of Freed-Hardeman College, Henderson, Tenn.; Abilene Christian College, Abilene, Tex.; and Eastern New Mexico University, Portales, N.M.

Evangelist Hamilton has preached for churches of Christ in Bloomington, Ill., Martinsville, Ind., Woodsfield, O., Ann Arbor and Massillon, O. He engages in evangelistic work regularly and has preached in 17 states.

The Hamiltons have a daughter, Nancy Joella, who will graduate with a degree in nursing, from Kent State University, June 15.

Old-Time Crafts Classes Scheduled By Historical Society

Old-time crafts, candle-holder making, board art, woodburning, and gravestone rubbings will be offered each Wednesday morning now throughout the summer by the Chelsea Historical Society. However, according to Ann Feeney, publicity chairman, there may be an occasional change in the scheduling in order to accommodate interested persons.

Those interested in participating in these workshops, may call Gwen Schrader at 475-1646. The workshops are not exclusively for Historical Society members, and one need not be a member to attend.

Girl Scouts Enjoy Week-End Camping Despite Heavy Rain

Chelsea Girl Scouts packed up last Friday for a week-end of camping fun at Camp Munhake, located at Bruin Lake and owned by the Wolverine Boy Scout Council.

The week-end encampment was attended by approximately 75 girls from Junior Troops 58, 82, 442, and 719, Cadette Troop 98, and Senior Troop 47. Also attending as Chelsea's guests were Junior Troops 653 and 654 from Manches-

ter. Activities were planned by an inter-troop council of two girls from each participating troop under the leadership of volunteer Camp Director Laurel Prinzing. Miss Prinzing will graduate this summer from Western Michigan University and has been doing work in recreation. A camp patch for the week-end was designed by Michelle Clark of Troop 719 and will be distributed to those who attended.

The week-end started out with a bang as Friday night's thunderstorm took its toll in wet girls and gear. Wet and cold were soon forgotten, however, as the troops gathered in the camp's dining hall for a roaring fire provided by some friendly Boy Scouts. The girls dried out as they entertained each other with favorite songs.

Saturday's activities were guaranteed to make everyone forget about rain. The troops spent the early morning getting their camps

back in order and cooking breakfast. Arts and crafts activities followed. Creativity abounded as the girls set about doing candle dipping, tie-dye, macrame, soap sculpture, papier mache puppets, egg shell art, lacing, and decoupage. Lunch was shared with sister Brownie Troops who came to visit the camp for the day.

Saturday afternoon's activities included baseball, jarts, frisbee, horseshoes, a balloon fight, tug of

Brownies Join Big Sisters

Chelsea's six Brownie Girl Scout troops joined some of the fun Saturday when they went out to visit their "big sisters" (the Juniors, Cadettes, and Seniors) at their Bruin Lake Week-end Encampment.

The 70 Brownies arrived at Camp Munhake at 9:30 a.m. for registration and an opening ceremony by Troop 169. The girls were then split into groups by colored name tags and played games planned and set up by Troops 676 and 145.

Each Brownie Troop had lunch with their sister Junior Troop and got a chance to see some of the things they will be doing when they become Junior Girl Scouts. After some free time for a hike or some games, the troops gathered at the large campfire arena.

war, and relays. Some of the troops tried their hand at a taffy pull. Lights out came early as rain again hampered the evening's activities.

Sunday brought the sun as the troops gathered together for an informal worship service. Tents and gear dried out while they prepared lunch and packed up camp. Closing was held at 2 p.m. and the girls headed home to a warm bath and soft bed!

Legion Post Installing New Officers Tonight

New officers of Herbert J. McKune Post 31, American Legion will be installed Thursday, June 5 (tonight), at 8 p.m. at the American Legion Home.

The installation team from the Department of Michigan American Legions will conduct the ceremonies.

All members and veterans are invited to attend.

TODAY'S THOUGHT
By LOUIS BURGHARDT

Do you ever feel an emptiness or unfulfilled desire in your life? If so, have you ever considered your view is perhaps nearsighted, instead of farsighted enough to vision your capabilities? The plain fact is that every one possesses certain energies and resources that are often unused or wasted.
Very few people of course can be a Benjamin Franklin, a printer by trade, but who also became a scientist, inventor, philosopher, diplomat, educator, politician and public servant. He is an excellent example of a self made man. He was the 15th child born to a poor couple. His father was a soap and candle maker. Franklin only had two years of formal education. He refused to limit his energies, resources and abilities. While we may not be able to duplicate his feats, we surely can strive for his idealism, his thinking, and his step by step progress in a way of life. When depressed by our own limitations, a reminder of a man such as Franklin, a man undaunted by difficult problems can be a sobering and helpful experience.

Ordinance No. 80

An ordinance relative to the determination by resolution of the Village Council that the whole or a part of the expense of a local public improvement or special shall be defrayed by special assessments upon the property specially benefited, the complete special assessment procedure to be used, including the time when special assessments may be levied, the kinds of local public improvements for which a hearing is required on the resolution levying the special assessments, the preparing of plans and specifications, estimated costs, the preparation, hearing and correction of the special assessment roll, the collection of special assessments, the assessment of single lots or parcels, additional assessments, if prior assessments prove insufficient to pay for the improvements or is determined to be invalid, in whole or in part, the refund of excess assessments, the placement of excess less than 5 percent of total cost in the general fund of the village, and any other matters concerning the making of improvements by the special assessment method, pursuant to Public Act No. 4 of 1974.

THE VILLAGE OF CHELSEA ORDINANCE

SECTION 1. DEFINITIONS
(1) The term "cost" as used in this Ordinance, when referring to the cost of any local public improvement shall include the cost of services, plans, condemnation, spreading of rolls, notices, advertising, financing, construction and legal fees and all other costs incident to the making of such improvement, the special assessments therefor and the financing thereof.

(2) The term "local public improvement" as used in this Ordinance shall mean any public improvements which is of such a nature as to benefit especially any real property or properties within a district in the vicinity of such improvement.

(3) The term "Village" shall mean the Village of Chelsea.

(4) The term "Council" shall mean the Village Council of the Village of Chelsea.

(5) The term "Clerk" shall mean the Village Clerk.

(6) The term "Administrator" shall mean Village Administrator of the Village of Chelsea and the persons under his direction and control.

(7) The term "Assessor" shall mean the Village Assessor of the Village of Chelsea.

(8) The term "Treasurer" shall mean the Village Treasurer of the Village of Chelsea.

(9) The term "Resolution" shall mean a resolution adopted by a two-thirds (2/3) vote of the members elect of the Council.

Section 2. AUTHORITY TO ASSESS.
The whole cost or any part thereof of any local public improvement may be defrayed by special assessment upon the lands specially benefited by the improvement in the manner herein after provided.

Section 3. TO INITIATE SPECIAL ASSESSMENT PROJECTS.
Proceedings for the making of local public improvements with the Village, the tentative necessity thereof, and the determination that the whole or any part of the expense thereof shall be defrayed by special assessment upon the property especially benefited, provided that all special assessments levied shall be in proportion to the benefits derived from the improvements, may be commenced by resolution of the Council, with or without a petition.

Section 4. INITIATION BY PETITION.
Local public improvements may be initiated by petition signed by property owners whose aggregate property in the proposed district

was assessed for not less than sixty per cent (60%) of the total assessed value of the privately-owned real property located therein, as shown by the last preceding general tax records of the Village. Such petition shall contain a brief description of the property owned by the respective signatories thereof and if it shall appear that the petition is signed by at least sixty per cent (60%) as aforesaid the Clerk shall certify same to the Council. The petition shall be addressed to the Council and filed with the Clerk and shall in no event be considered directory but is advisory only.

Section 5. SURVEY AND REPORT.
Before the Council shall consider the making of any local public improvement, the same shall be referred by resolution to the Administrator directing him to cause to be prepared a report which shall include necessary plans, profiles, specifications and detailed estimates of cost, an estimate of the life of the improvements, a description of the assessment district or districts, and such other pertinent information as will permit the Council to decide the cost, extent and necessity of the improvement proposed and what part or proportion thereof should be paid by special assessments upon the property especially benefited and what part, if any, should be paid by the Village at large. The Council shall not finally determine to proceed with the making of any local public improvement until such report of the Administrator has been filed, nor until after a public hearing has been held by the Council for the purpose of hearing objections to the making of such improvement.

Section 6. DETERMINATION ON THE PROJECT, NOTICE.
After the Administrator has presented the report required in Section 5 for making any local public improvement as requested in the resolution of the Council, and the Council has reviewed said report, a resolution may be passed tentatively determining the necessity of the improvement, setting forth the nature thereof, prescribing what part or proportion of the cost of such improvement shall be paid by special assessment upon the property especially benefited, determining of benefits received by affected properties, and what part, if any, shall be paid by the Village at large; designating the limits of the special assessment district to be affected, designating whether to be assessed according to frontage or other benefits, placing the complete information on file in the office of the Clerk, where the same may be found for examination; and directing the Clerk to give notice of public hearing on the proposed improvement, at which time and place opportunity will be given interested persons to be heard. Such notice shall be given by one publication in a newspaper published or circulated within the Village and by first class mail addressed to each owner of or person in interest in property to be assessed as shown by the last general tax assessment roll of the Village, said publication and mailing to be made at least ten (10) full days prior to the date of said hearing. The hearing required by this section may be held at any regular, adjourned, or special meeting of the Council.

Section 7. HEARING ON NECESSITY.
At the public hearing on the proposed improvement, all persons interested shall be given an opportunity to be heard, after which the Council may modify the scope of the local public improvement in such a manner as they shall deem to be in the best interest of the Village as a whole; provided that if the amount of work is increased or additions are made to the district, then another hearing shall be held pursuant to notice prescribed in Section 6. If the determination of the Council shall be to proceed with the improvement, a resolution shall be passed approving the necessary profiles, plans, specifications, assessment district and detailed estimates of cost, and directing the Assessor to prepare a special assessment roll in accordance with the Council's determination and report the same to the Council for confirmation.

Section 8. DEVIATION FROM PLANS AND SPECIFICATIONS.
No deviation from original plans or specifications as adopted shall be permitted by any officer or employee of the Village without authority of the Council by resolution.

Section 9. LIMITATIONS ON PRELIMINARY EXPENSES.
The Council shall specify the provisions and procedures for financing a local public improvement. No contract or expenditure, except for the cost of preparing necessary profiles, plans, specifications and estimates of cost, shall be made for the improvement, nor shall any improvement be commenced until the special assessment roll to defray the costs of the same shall have been made and confirmed.

Section 10. SPECIAL ASSESSMENT ROLL.
The Assessor shall make a special assessment roll of all lots and parcels of land within the designated district benefited by the proposed improvement and assess to each lot or parcel of land the proportionate amount benefited thereby. The amount spread in each case shall be based upon the detailed estimate of the Administrator as approved by the Council.

Section 11. ASSESSOR TO FILE ASSESSMENT ROLL.
When the Assessor shall have completed such assessment roll he shall file the same with the Clerk for presentation to the Council for review and certification by it.

Section 12. MEETING TO REVIEW SPECIAL ASSESSMENT ROLL - OBJECTIONS IN WRITING.
Upon receipt of such special assessment roll, the Council, by resolution, shall accept such assessment roll and order it to be filed in the office of the Clerk for public examination, shall fix the time and place the Council will meet to review such special assessment roll and direct the Clerk to give notice of a public hearing for the purpose of affording an opportunity for interested persons to be heard. Such notice shall be given by one publication in a newspaper published or circulated within the Village and by first class mail addressed to each owner of or person in interest in property to be assessed as shown by the last general tax assessment roll of the Village, said publication and mailing to be made at least ten (10) full days prior to the date of said hearing. The hearing required by this section may be held at any regular, adjourned or special meeting of the Council. At this meeting, all interested persons or parties shall present in writing their objections, if any, to the assessments against them. The Assessor shall be present at every meeting of the Council at which a special assessment is to be reviewed.

Section 13. CHANGES AND CORRECTIONS IN ASSESSMENT ROLL.
The Council shall meet at the time and place designated for the review of such special assessment roll, and at such meeting, or a proper adjournment thereof, shall consider all objections thereto submitted in writing. The Council may correct said roll as to any special assessment or description of any lot or parcel of land or other errors appearing therein; or it may, by resolution, annul such assessment roll and direct that new proceedings be instituted. The same proceedings shall be followed in making a new roll as in the making of the original roll. If, after hearing all objections and making a record of such changes as the Council deems justified, the Council determines that it is satisfied with said special assessment roll and that assessments are in proportion to benefits received, it shall thereupon pass a resolution reciting such determinations, confirming such roll, placing it on file in the office of the Clerk and directing the Clerk to attach his warrant to a certified copy thereof within ten (10) days, therein commanding the Assessor to spread and the Treasurer to collect the various sums and amounts appearing thereon as directed by the Council. Such roll shall have the date of confirmation endorsed thereon and shall from that date be final and conclusive for the purpose of the improvement to which it applies, subject only to adjustment to conform to the actual cost of the improvement, as provided in Section 18.

Section 14. SPECIAL ASSESSMENT - WHEN DUE.
All special assessments, except such installments thereof as the Council shall make payable at a future time as provided in this Ordinance, shall be due and payable upon confirmation of the special assessment roll.

Section 15. PARTIAL PAYMENTS WHEN DUE.
The Council may provide for the payment of special assessments in annual installments. Such annual installments shall not exceed thirty (30) in number, the first installment being due upon confirmation of the roll or on such date as the Council may determine and deferred installments being due annually thereafter, in the discretion of the Council, in each case shall be based upon the detailed estimate of the Administrator as approved by the Council.

Section 16. ASSESSOR TO FILE ASSESSMENT ROLL.
When the Assessor shall have completed such assessment roll he shall file the same with the Clerk for presentation to the Council for review and certification by it.

Section 17. MEETING TO REVIEW SPECIAL ASSESSMENT ROLL - OBJECTIONS IN WRITING.
Upon receipt of such special assessment roll, the Council, by resolution, shall accept such assessment roll and order it to be filed in the office of the Clerk for public examination, shall fix the time and place the Council will meet to review such special assessment roll and direct the Clerk to give notice of a public hearing for the purpose of affording an opportunity for interested persons to be heard. Such notice shall be given by one publication in a newspaper published or circulated within the Village and by first class mail addressed to each owner of or person in interest in property to be assessed as shown by the last general tax assessment roll of the Village, said publication and mailing to be made at least ten (10) full days prior to the date of said hearing. The hearing required by this section may be held at any regular, adjourned, or special meeting of the Council. At this meeting, all interested persons or parties shall present in writing their objections, if any, to the assessments against them. The Assessor shall be present at every meeting of the Council at which a special assessment is to be reviewed.

Section 18. CHANGES AND CORRECTIONS IN ASSESSMENT ROLL.
The Council shall meet at the time and place designated for the review of such special assessment roll, and at such meeting, or a proper adjournment thereof, shall consider all objections thereto submitted in writing. The Council may correct said roll as to any special assessment or description of any lot or parcel of land or other errors appearing therein; or it may, by resolution, annul such assessment roll and direct that new proceedings be instituted. The same proceedings shall be followed in making a new roll as in the making of the original roll. If, after hearing all objections and making a record of such changes as the Council deems justified, the Council determines that it is satisfied with said special assessment roll and that assessments are in proportion to benefits received, it shall thereupon pass a resolution reciting such determinations, confirming such roll, placing it on file in the office of the Clerk and directing the Clerk to attach his warrant to a certified copy thereof within ten (10) days, therein commanding the Assessor to spread and the Treasurer to collect the various sums and amounts appearing thereon as directed by the Council. Such roll shall have the date of confirmation endorsed thereon and shall from that date be final and conclusive for the purpose of the improvement to which it applies, subject only to adjustment to conform to the actual cost of the improvement, as provided in Section 18.

Section 19. SPECIAL ASSESSMENT - WHEN DUE.
All special assessments, except such installments thereof as the Council shall make payable at a future time as provided in this Ordinance, shall be due and payable upon confirmation of the special assessment roll.

Section 20. PARTIAL PAYMENTS WHEN DUE.
The Council may provide for the payment of special assessments in annual installments. Such annual installments shall not exceed thirty (30) in number, the first installment being due upon confirmation of the roll or on such date as the Council may determine and deferred installments being due annually thereafter, in the discretion of the Council, in each case shall be based upon the detailed estimate of the Administrator as approved by the Council.

Section 21. ASSESSOR TO FILE ASSESSMENT ROLL.
When the Assessor shall have completed such assessment roll he shall file the same with the Clerk for presentation to the Council for review and certification by it.

Section 22. MEETING TO REVIEW SPECIAL ASSESSMENT ROLL - OBJECTIONS IN WRITING.
Upon receipt of such special assessment roll, the Council, by resolution, shall accept such assessment roll and order it to be filed in the office of the Clerk for public examination, shall fix the time and place the Council will meet to review such special assessment roll and direct the Clerk to give notice of a public hearing for the purpose of affording an opportunity for interested persons to be heard. Such notice shall be given by one publication in a newspaper published or circulated within the Village and by first class mail addressed to each owner of or person in interest in property to be assessed as shown by the last general tax assessment roll of the Village, said publication and mailing to be made at least ten (10) full days prior to the date of said hearing. The hearing required by this section may be held at any regular, adjourned, or special meeting of the Council. At this meeting, all interested persons or parties shall present in writing their objections, if any, to the assessments against them. The Assessor shall be present at every meeting of the Council at which a special assessment is to be reviewed.

tion. A copy of the resolution authorizing such changes or deviation shall be certified by the Clerk and attached to the original plans and specifications on file in his office.
Section 9. LIMITATIONS ON PRELIMINARY EXPENSES.
The Council shall specify the provisions and procedures for financing a local public improvement. No contract or expenditure, except for the cost of preparing necessary profiles, plans, specifications and estimates of cost, shall be made for the improvement, nor shall any improvement be commenced until the special assessment roll to defray the costs of the same shall have been made and confirmed.
Section 10. SPECIAL ASSESSMENT ROLL.
The Assessor shall make a special assessment roll of all lots and parcels of land within the designated district benefited by the proposed improvement and assess to each lot or parcel of land the proportionate amount benefited thereby. The amount spread in each case shall be based upon the detailed estimate of the Administrator as approved by the Council.
Section 11. ASSESSOR TO FILE ASSESSMENT ROLL.
When the Assessor shall have completed such assessment roll he shall file the same with the Clerk for presentation to the Council for review and certification by it.
Section 12. MEETING TO REVIEW SPECIAL ASSESSMENT ROLL - OBJECTIONS IN WRITING.
Upon receipt of such special assessment roll, the Council, by resolution, shall accept such assessment roll and order it to be filed in the office of the Clerk for public examination, shall fix the time and place the Council will meet to review such special assessment roll and direct the Clerk to give notice of a public hearing for the purpose of affording an opportunity for interested persons to be heard. Such notice shall be given by one publication in a newspaper published or circulated within the Village and by first class mail addressed to each owner of or person in interest in property to be assessed as shown by the last general tax assessment roll of the Village, said publication and mailing to be made at least ten (10) full days prior to the date of said hearing. The hearing required by this section may be held at any regular, adjourned or special meeting of the Council. At this meeting, all interested persons or parties shall present in writing their objections, if any, to the assessments against them. The Assessor shall be present at every meeting of the Council at which a special assessment is to be reviewed.
Section 13. CHANGES AND CORRECTIONS IN ASSESSMENT ROLL.
The Council shall meet at the time and place designated for the review of such special assessment roll, and at such meeting, or a proper adjournment thereof, shall consider all objections thereto submitted in writing. The Council may correct said roll as to any special assessment or description of any lot or parcel of land or other errors appearing therein; or it may, by resolution, annul such assessment roll and direct that new proceedings be instituted. The same proceedings shall be followed in making a new roll as in the making of the original roll. SOUTH ELEMENTARY SCHOOL NOTES

READING—
The children in reading classes have enjoyed showing their folders, with all the work they did this year, to their mothers. Everyone made good improvement. Those who studied word cards and read library books at home made the most. They also returned the greatest number of calendars. Parents who were able to help in the program were pleased with the children's progress. During the conferences the children enjoyed cold drinks and cookies with their mothers.
All the colored snails that were prizes for May library reading have disappeared. We hope that everyone will get a library card and read, read, read all summer. Then we won't forget the words we learned during the year and will have a head start in September.

Room 3
Our May Birthdays were: Jimmy Williams, Michael Park, Randy Hafner, Marty Poljan and Rob McDowell.
Many thanks to Mrs. Halst and their farms. We had a beautiful day and saw cows, horses, goats, rabbits, sheep and two baby raccoons.
Norman Weber's dad came and told us about his job as a fireman. He brought all of his firefighting equipment and showed us what he did each day on duty. We all enjoyed Norman's dad's interesting presentation.
During Michigan Week we made a map of Michigan and found directions—north, south, east and west, and our town of Chelsea. Our state of Michigan is a very special and interesting place to live.

We are all interested in the many bugs, turtles and butterflies we see each day. The world has come alive, and there is so much to learn and think about.
We can't begin to thank the many mothers and fathers that have helped us this year. We couldn't make half of our trips and plans without the help of moms and dads.
Room 1
Teacher: Mrs. Van Blaricum
We are caught up in the end-of-the-year rush and have many ends to tie together. Our thanks to the parents who helped us during testing. It was great to have some fathers involved.
The farm trip proved very exciting this year. By visiting two farms across the road from each other, we saw many kinds of animals. Our thanks to the Van Rippers and the Halsts who opened up their farms to us. Thanks also to the bus drivers and especially our parents who helped us.
Our picnic is all planned and to Pierce Park and even get a treat at the DQ. Word has it that we will have a great time!
Birthday people for May are: Jeff Roe and Ronnie Lanagan; for June: Scott Kelly, Richie Heilmann, Brenda Kenney and Jimmy Smith; July: Eric Zink, Tana Hermosillo and Pam Schauer; August: Nancy Stierle and Tammy Erskine.
Have a happy summer. We will see you in first grade in September.

June Birthdays: Peter Kattula, Christie Fayers, Brenda Rush, July Birthdays: Becky Kargel, Tim Weir, Danny Cook and Shelley Boham. August birthday: Audra Mc Clear.
We have had a busy, exciting month. We had our play, got all our testing done, had a summer birthday party treat, and studied about Michigan. We took walking field trips and visited some places where our parents worked.
Kirk Eubank's mother took us through The Chelsea Standard. What a busy place it was! There were lots of big machines. Newspapers are important to all of us. We need to find out what's happening in our country.
Next, Darrel Elkin's dad took us on a tour of the lumber yard. We saw all different kinds and sizes of wood. We found out that Michigan was once a lumbering state. Most of the wood that we saw was shipped from out west. We all got a new pencil to use. John Jedele's mother had us stop for lemonade break on the way back. He blew the siren. It was great fun!
Mr. Hafner took us through the fire station. We got to climb on the fire truck, ring the bell, and squirt a hose. Fire departments are necessary and helpful to all of us. The following week Mr. Hafner took us for a ride on a fire truck. He blew the siren. It was great fun!

We have been learning a lot about American History and the Revolutionary War. We all know the first 13 colonies and many other facts we never even thought about before. We're glad it's America's 200th birthday!
Speaking of birthdays—Happy Birthday in June for Laura Nix, Robbie Riemenschneider, Sonya Steele, and Patrick LaMay. In August, a happy birthday goes to Paula Colombo, Robert England, Mari Haapala and Laurel Inliss. Our class has also been learning about our fine state—Michigan.

Teacher: Miss D Vries
We have been learning a lot about American History and the Revolutionary War. We all know the first 13 colonies and many other facts we never even thought about before. We're glad it's America's 200th birthday!
Speaking of birthdays—Happy Birthday in June for Laura Nix, Robbie Riemenschneider, Sonya Steele, and Patrick LaMay. In August, a happy birthday goes to Paula Colombo, Robert England, Mari Haapala and Laurel Inliss. Our class has also been learning about our fine state—Michigan.

Interchange at I-94 Closed for Summer
Closing of the Ann Arbor-Saline Rd. interchange with Interstate 94 Freeway for four months beginning June 2, has been announced by the Department of State Highways and Transportation.
Traffic normally exiting at the interchange for the Ann Arbor-Saline area will be routed to the State Rd. interchange and the I-94 Business Loop (Jackson Rd.) interchange in the Ann Arbor area.
To facilitate construction of a new bridge over I-94, Saline Rd. will be closed between Ellsworth Rd. and the Scio Church Rd., and Eisenhour Rd. will be closed off at Main St.
During construction, Saline Rd. traffic will be detoured over Wagner and Scio Church Rds.
Although unaffected by the detour, I-94 through traffic will experience some inconvenience during demolition of the Saline Rd. bridge scheduled for the last three weeks in June.
The entire interchange is expected to be open by early fall, when all area traffic will return to normal.

truck. He blew the siren. It was great fun!
We had lunch at Pierce Park and all agreed that every town needs a park for relaxing and having fun.
We want to thank Christopher Tarasow's mother for bringing in some old things—a butter churn, a hand-cranking ice cream churn and a beautiful bowl and pitcher that people used to use when they washed. Kirk Eubanks brought an old cookbook in for us to see and Van Wright brought a potato masher.
We had three chicks hatch. We named them Freddie, Butterball and Charlie Brown. Our favorite one is Leap-frog Freddie. He likes to run and jump. They are fun to watch.
We want to thank all our parents for making this such a great first grade year. We appreciate all the help and your coming in to visit when we are doing exciting things. Do have a nice summer!

SECOND GRADE—
Room 5
Teacher: Mrs. Lopez
We are looking forward to our picnic on June 5 and Field Day on June 11, and hope our parents can attend both events.
We want to thank our mothers who helped us have many nice parties this year, with special thanks to our Room Mothers.
We have had fun using our reading stories for plays and puppet shows. Chrissy Wilson, Laura Koepele, Joann Tobin, Ann Stock, and Shawn Monaghan have also done puppet shows using the book "A Dozen Little Plays."
Jennifer Messman brought her two rabbits to show the class. This was for Science, as we are now learning about animals.
David Hammel, Joey Simon, and Jeri Kraus have all celebrated birthdays.

Garden City Man Drowns May 24 At Bruin Lake

A Garden City man drowned over Memorial Day week-end while water skiing on Bruin Lake. Dead is James Allen Yanish, 24, of 31135 Rosslyn, Garden City.
 Yanish was water skiing at 8:50 p.m. on the evening of May 24 when the mishap occurred. According to witnesses, the victim was skiing toward the shore when he dropped the tow rope, dove out of the ski, flipped a number of times, went under, came up, and went under.
 The boat was being driven by its owner, David Leonard Dejack of Westland, at the time of the drowning.
 Drivers from the Washtenaw County Sheriff's Department recovered the body from the bottom of Bruin Lake five days later, May 29, following numerous draggings and diversions.

double double your money

with compound interest

the one sure way to build a fortune

One of the most important, but overlooked, features of savings, is the magical effect of compound interest. If money is deposited

and the interest it earns never withdrawn, the money grows at an amazing rate. Money in most Ann Arbor Federal Savings certificates doubles every 10 years.
 Thus, if a person 40 years old with \$25,000 (in savings, coins, cash value insurance, etc.) puts it into a certificate account at Ann Arbor Federal Savings it will grow to \$50,000 by age 50. By age 60 it will have grown to \$100,000 without adding a penny of his paycheck.
 For the person in his mid-fifties, with retirement coming

up in ten years, compounding has even greater significance. Say he has actual assets of \$100,000. If he converts these into cash, he can have \$200,000 in ten years and realize an interest income for life of \$10,000 to \$15,000 thereafter.
 But what about the person starting out, the twenty five year old. By putting \$50 a month in a 5 1/2% passbook savings account each month and leaving the interest to accumulate and compound, he will have \$21,190 by age 45. Then if he transfers the money to a certificate account

(and never adds another penny) the money will grow to \$87,380 by age 65.
 On the other hand if one continues to add to his savings account regularly, it is well within the realm of possibility to accumulate \$300,000 or \$400,000 or more.
 At Ann Arbor Federal Savings your dollars are not subject to market fluctuations, so you are sure when you reach the age at which you want to start using some of your money or earnings it will be there.

the magic of compounding

Deposit	... in 10 years you'll have	... in 20 years you'll have	... in 30 years you'll have
\$ 5,000	\$ 10,511.74	\$ 22,099.34	\$ 46,460.51
\$ 10,000	\$ 21,023.48	\$ 44,198.68	\$ 92,921.02

Above figures based on an annual interest rate of 7 1/2% compounded quarterly, available in amounts of \$1000 or more, 48 month term. Federal regulations require a substantial interest penalty for early withdrawals.
