250 Children Join in Main St. USA Clean-Up

Friday, July 11 began with a meeting at the home of Recreation Director Tom Balistiere at 8 a.m. for Earn, Learn, and Play staffers in preparation for the biggest "special day" of the program, "Main Street USA." When 9 o'clock arrived, so did five busses and 250 children. Each child was given a numbered, color-coded tag and loaded on the busses after safety procedures for the day were explained.

The first destination? The village parking lot in downtown Chelsea. Work crew leaders and mother helpers led the children up and down the business section streets, armed with litter bags from Polly's and brooms. They started cleaning at the railroad tracks and finished at the Pump & Pantry where Don Alber treated everyone to a popsicle for a job well done. Those children judged to be the best workers received an additional treat for their special effort.

The next stop was Half Moon Lake for an all-day picnic. Using the buddy system and color-coded swim ropes, a very safe and fun day at the beach began. Children were given a numbered, color-coded tag and assigned a buddy. Upon arrival each child found his place on the appropriate rope and walked together down to the beach. Life guards for the day of swimming were Nancy Porath, Becky Nichols, Vic Steinbach, Holly Porter, and Tim Ortring.

Clarke, Barbara Wenk, Jim Winters, Brian Arnett and Sharon Heydlauff were in charge of the three safety ropes. Numerous times throughout the day three whistles were heard and all children reported to the red, white, and blue ropes for a safety check. Swimming made everyone especially hungry. Lunch was prepared by Char Balistiere and her crew of volunteer helpers, Mrs. Box, Mrs. Baker, Mrs. Mattoff, Mrs. Cattell, Mrs. Duhamell, Mrs. Dmoch, Mrs. Whitesall, Mrs. Mul-lay, Mrs. Lorenz, Mrs. Hinz, Jim Ticknor, Kathy Buck, Patty Brady, Leona Stewart, and Kathy Young. They prepared and served 600 hot dogs, and buns, 500 packages of mustard and catsup, 400 bags of potato chips, and 400 bottles of orange and grape soft drinks. All were consumed!

While lunch was being digested, work crew leaders assembled their crews and paid them for a week of work. This resulted in keeping the concession stand very busy with green cotton candy being the most popular treat of the afternoon. After more swimming, the final safety check was made and the five busses loaded for the final time, returning to Chelsea at 3 p.m.

The Earn, Learn, and Play program continues for two more weeks at Chelsea High school. Next week Junior Olympics will be held on Friday. The last week will be climaxed with a Bike Rodeo on July 25.

BABE RUTH TEAM NO. 2, coached by Ralph Machesky, got off to a good start in early season play, however, they lost Tuesday evening to Murphy's team in a close game. Final score: 5-4. Pictured with his players is Machesky (standing far right). Warming the bench between innings, from left to right: Craig Kalishek,

Mike Eisele, Greg Reed, Steve Check, Mike Machesky, Alan Augustine, and Skeeter Cook. Standing from left to right, Kenny Cobb, Dan McGill, Brian Kalishek, Gerald Benjamen, Pat Stevenson and Gary Dils.

MURPHY'S TEAM: Coached by Dan Murphy, members of his Babe Ruth team had just struck out their opponents when they ran in for a photo. Pictured sitting from left to right, are Chuck

Moore, Steve Dresch, Dave Burg, Steve Stoddard, and Joe Ewald. Standing, from left to right, are Dave Dawson, Dave Schrotenboer, Victor Verschoreau, Mike Wood, Ray Stoddard, and Coach Murphy.

Man Uninjured As Long Train Runs Over Him

Robert Oesterle, of 118 E. Middle, escaped injury and possibly death Tuesday evening, when he threw himself between railroad tracks in the vicinity of the Jiffy Mix silos to prevent being run over by an oncoming westbound train.

The accident, termed "near fatal" by village police, occurred when Oesterle's foot became lodged between the rails of a switch while crossing the tracks to deposit clothing in the Salvation Army collection box.

According to Oesterle, he was able to dislodge his foot from the switch; however, he did not have time to get off the tracks. A 64-car Penn Central freight train passed over him. Oesterle was reportedly shook-up, but there were no signs of injury. He refused treatment.

According to reports, Officers Graves and Meranuck were dispatched to the Penn Central tracks west of Main St. on a report that a man had been run over by a train in the vicinity of the Jiffy Mix silos.

Fair Seeking Baby Animals for Display

This year Chelsea Community Fair intends to have a Baby Animal Display. Do you have any Baby Animals to show? Dave Nicewicz, Chelsea High school Ag teacher, is in charge of this display and would like to have a mare and colt, burro and colt, a sow and a litter, calves, dairy calves for the children to bottle feed, lambs, ducks, chicks, rabbits, racoon or any other type of baby animal for the children to enjoy.

Anyone having baby animals available may call Dave at 475-1789. Only a limited number can be accepted. Premiums will be given for animals shown so call him soon. You may be one of the prize winners.

Also needed is a Fair Kitchen manager. Applications are now being taken. This is one of the few paid positions at the fair. If you are interested please call

Richard Haist, 475-2415 from 7 to 10 p.m., or Earl Heller, 475-7978 after 7 p.m.

Are you planning to have a booth in the Merchants Building? Now is the time to contact either Charles Stapish at 475-1475 or Dick Poljan at 475-2921. They will gladly take your reservations.

Bicycle Safety Day Scheduled

Chelsea Jaycees will hold Bicycle Safety Day Saturday, July 26 from 12 to 4 p.m. at the Beach Middle school parking lot.

Jaycees will register bicycles and also be available to do some minor repairs. There will be a 50-cent registration fee per bike. And all bikes must be registered (Continued on page three)

Witnesses Tell of Boasts In Motorcycle Deaths

Stanton—A 17-year-old youth was to appear in Circuit Court here today on a second-degree murder charge after witnesses told of his boasting over the deaths of a Grass Lake couple killed in a motorcycle crash.

Bert H. Hunt was bound over to the higher-court following testimony Monday in Judge Benjamin Franklin's 64th District courtroom. Hunt is being held under \$5,000 bond in Montcalm County Jail in the June 24 death of Lloyd A. Walz, 28, who was driving the motorcycle. Although Mrs. Walz also died in the crash, Hunt is being charged only with one death.

Testimony from two of Hunt's acquaintances gave this account of what happened, according to Edward L. Skinner, assistant prosecutor.

Hunt and a 17-year-old companion were hitchhiking the evening of June 24 along M-46 east of Edmore. The companion, Jeffrey Newville, said Hunt picked up a chunk of pavement and threw it at the couple as they passed by on the motorcycle.

Newville said he immediately heard the motorcycle slow down and saw it head for a tree. It crashed.

According to Skinner, Newville testified that Hunt then laughed and said he hoped he had killed the motorcyclists so no one would find out what he had done.

Newville began to clear up the mystery of why the couple had crashed when he approached Ithaca State Police several days later. He said his conscience was bothering him and he needed to tell what he had seen.

In other testimony, a teen-age girl told the court that she had spoken with Hunt later about the crash.

Skinner said she quoted Hunt as bragging that "Indians do those sort of things." Hunt is an Indian, Skinner said.

Old US-12 Road Resurfaced From M-52 to Fletcher Rd.

Two and one-half miles of Old US-12 from the junction at M-52 to Fletcher Rd. has been resurfaced to the tune of \$103,606.25. Cost for the resurfacing of the road has been borne by the Washtenaw County Road Commission, Motor Vehicle Highway Funds Act 51, under the weight and gas tax.

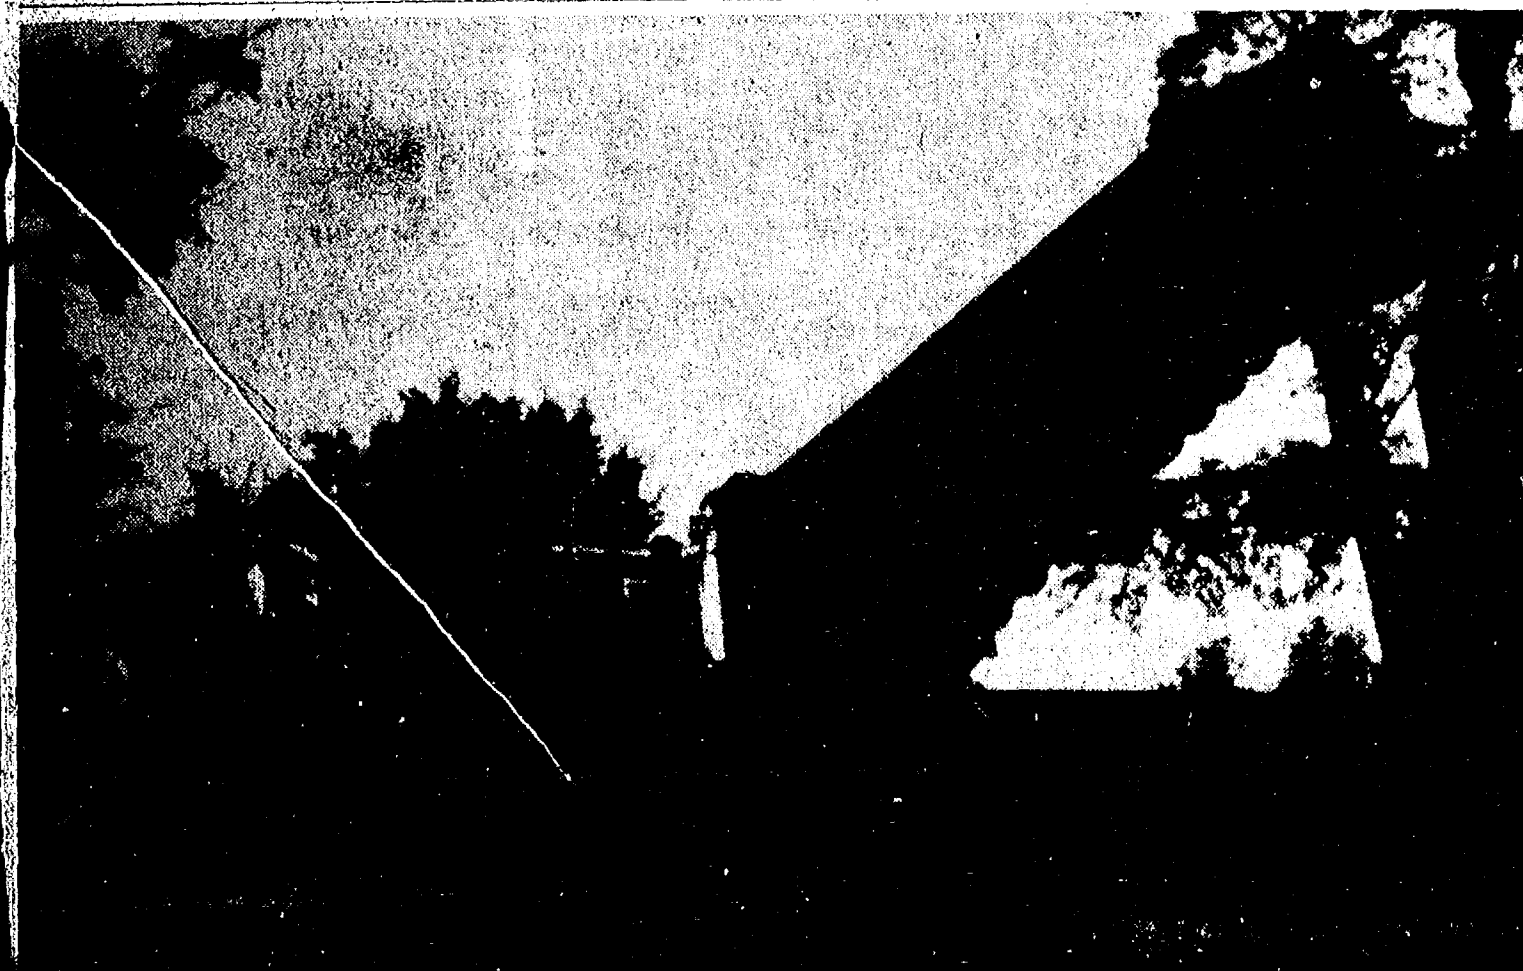

The contract for construction was awarded earlier this year to Ann Arbor Construction Co. who submitted the lowest bid for the job.

The project which began Tuesday, July 8 and is expected to

be complete this week, has widened the former 20-22 foot US-12 to 24 feet in conjunction with modern design standards.

According to Howard Russel of the Washtenaw County Road Commission, an average of three inches of high grade bituminous aggregate has been laid on the road. Between the base for widening and the resurfacing, 8,400 tons of the material were used.

Russel said that the price for the project based on current materials costs, was a "real good" one.

Pictured here are members of the Ann Arbor Construction Co. who won the contract laying some of bituminous aggregate.

Racquet Club Construction Postponed

Plans to develop a racquet club in Chelsea have been tabled until 1976.

According to Dr. Richard Dijkman, one of the principal members of the group who would like to build the Chelsea Racquet Club, construction has been postponed.

On the assumption that arrangements can be completed early next year, Dr. Dijkman said he is hopeful that construction of the facility can begin at the end of March.

Included in the proposal is the construction of four indoor and outdoor courts, two paddleball courts, a sauna and gymnasium on approximately 12 acres of land adjacent to the Chelsea Medical Center.

Jim Miller Still Working At Baseball As Tiger Scout

A number of weeks ago, The Standard got a lead on a former Chelsea resident, turned Tiger baseball scout. An attempt to fill in the blanks on Jim Miller led us to his California address.

A letter sent. A letter returned. Jim Miller is one of six Tiger scouts. He's been with the Detroit based team for almost one year. However, his career in scouting began way back in 1963. "Although I was always interested in playing," he writes, "I never considered scouting until '63 when a friend of mine, who was a western U. S. scout for the Twins, asked me to do some scouting for him in the Phoenix area while I was attending graduate school that year, at Arizona State."

Following a year in graduate school, Jim and his family, wife Kathy "Dinah" and his two young daughters Patti and Dale, now 13 and 12, moved to California where Jim continued to scout part-time. A vacancy for a full-time job opened and Jim says, "I've been scouting ever since." He was a scout for the Twins for four years; then he went with the Angels for a three-year stint. Going with the Tigers was "an extra thrill for me (Jim) as a long-time Tiger fan."

Jim's interest in baseball probably started like that of most youngsters, with T-Ball, Pony League and Little League. We do know, however, that Jim was a ball player at Chelsea High school. After his graduation from CHS Jim attended the University of Michigan majoring in sociology and economics for which he received a BA in 1955.

At Michigan, Jim's chance for a ball career with the Wolverines was curtailed; he had played some pro ball in the lower minor leagues as a center fielder and as a pitcher, making him ineligible to play with the U's team. His career with the lower minor leagues was a short one. As Jim puts it, "I was long on desire but short on talent."

JIM MILLER

According to Jim, most scouts are former players; although some outstanding scouts have never played pro ball. Apparently there is very little turnover in the field, and when openings do occur they are generally filled by retiring Major League players, or managers or coaches in the professional organization. Or, as in Jim's case, by an experienced part-time scout in the area where the opening occurs. These part-time scouts generally get their start by recommending players to the full-time scout in the area. If their judgment turns out to be good, or lucky, it sometimes leads to a part-time and eventually a full-time job.

Jim's scouting area with the exception of two years spent in southern California, San Diego area, includes northern California, Washington, Oregon, Idaho, Montana, Nevada and Utah. He adds, "most of the population and thus the percentage of better players are in California, so I spend at least half my time scouting in California."

During his 12-year scouting career Jim has signed a number of players for the major leagues.

As for the Tigers he writes, "So far we've only signed three players for Detroit and they are at the bottom of the ladder like most first-year players."

When with the Twins, Jim signed Jim Nettles, who played the last half of last year with the Tigers. Nettles is now retired, however, Jim writes that in one game "he hit a three-run homer off Catfish Hunter to help the Tigers beat the A's, 5-3, last season."

As an Angel scout he signed first baseman, Bruce Bochte, who is now with the Los Angeles Angels.

Jim's life and career sounds exciting, he is in a field he loves, not as a player, but as most baseball fans, whether they play or not, they love the games and as a scout one can be sure Jim gets his fill of ball games, and good seats too.

Jim closed his letter adding, "We're looking forward to visiting Michigan soon when the Tigers play in the World Series!" We'll see you then, Jim.

Old-Time Threshing Party Slated

An old-time threshing party will be held this Saturday, June 19 at the home of Don Irwin, 16380 Grass Lake Rd., three miles west of M-52. The party is an annual one for Irwin and he invites anyone interested in attending the afternoon affair to arrive at his home at 1 p.m. or after.

Irwin says there will be two steam engines to do the threshing of the wheat; one a later steel model and another an ancient wood thrasher donated for the day by Paul Bollinger.

Of course as all threshers know, field etiquette is a straw hat and pitch fork.

DONALD RENZ

Organist To Perform At Zion Lutheran

Donald Renz will present a recital of organ music on the recent Moller installation in Zion Lutheran church on Sunday, July 20, at 7:30 p.m.

The recital, in memory of Edna Burkhardt, will feature works for trumpet and organ, and Renz will be assisted by David Klockner, a trumpeter from Northville, who is now a student at Wayne State University in Detroit.

Works include: "Aria" (Sonata for trumpet and piano), Opus 51, Puters; "Carillon," Sawerby; and "Toccata" (from Symphony No. 5), Opus 42, Widor; and more.

Renz, a native of Ann Arbor,

received the Bachelor of Music and Master of Music degrees from the University of Michigan in 1971 and 1972, respectively.

He has studied organ with Mary McCall Stubbs, Robert Glasgow, and Dr. Donald W. Williams. He has served as assistant accompanist for the University of Michigan's Chamber Choir, and has toured with that group throughout Italy, Germany, and Russia. He has also toured Europe and South America as an accompanist for the Youth for Understanding Choral and String Ensemble.

The recital is free, and the public is invited. The church is located on Fletcher Rd. at Waters Rd.

MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

Row, Row, Row...
 Everything from cabin cruisers to canoes and kayaks are crowding Michigan waterways these days.

Record numbers of watercraft are expected this season, according to Secretary of State Richard H. Austin.

Austin, whose department handles boat registrations, says the number of motor-powered boats in Michigan zoomed up about 50,000 between 1971 and 1974, with a year-end total of more than 554,000. Another 75,000 or more non-motorized boats were in use last year.

Thus the "water wonderland" can expect more than 600,000 watercraft on its lakes and streams during many weekends this summer. And that's not counting the new boats that people are buying.

Along with the numbers then, comes the reminder from Austin to watch it when boating. "Too often we find boat operators who either do not know or do not understand the importance of basic rules for safe boating," he says. "The result can mean severe injury—or death to a

swimmer, water skier, skindiver or boat occupant."

The Department of Natural Resources, meanwhile, is offering to inspect marine vessels at selected state parks this summer.

The Department's Mobile Marine Safety Program will be established at Wilderness State Park July 18-20; at Hayes State Park July 22-24; at Waterloo Recreation Area July 25-27; at South Higgins Lake State Park Aug. 12-13; and at Interlochen State Park Aug. 15-17. Program workers also will offer pleasure boating instruction sessions aimed at helping young people obtain the boating safety certificates required for operating certain small craft.

Not So Fast

Those four-year driver licenses mentioned in a recent column won't be in your wallets quite as quickly as was reported earlier. Secretary of State Austin says renewal licenses will be shifted from the present three-year basis to a four-year cycle on a staggered basis during the next three years. That means most drivers pro-

bably won't get a four-year license when they renew within the next 12 months.

Each year, the percentage of four-year renewals will grow larger, Austin says, until eventually all drivers—except those with unsatisfactory driving records—will be on the new longer renewal cycle.

Problem drivers will be required to renew their licenses every two years, which provides the state with a more frequent evaluation and reexamination of the driver's status.

The four-year license will cost \$8, or \$1.50 a year. That's the same yearly cost as the present \$4.50 three-year license.

Folks required to obtain new licenses every two years will have to pay a bit more, \$3.75 for their permits.

Plans to Farmers

Don't mow by the roadside unless it's absolutely necessary.

That's the request to farmers from the Department of Natural Resources. If you can, put off roadside mowing until after the end of July, the department urges.

Why? It's nesting season, and pheasants and some other wildlife build their nests on the ground. Vic Janson, wildlife division biologist, says that where mowing can't be postponed, farmers should elevate their cutting bars at least six inches off the ground to avoid killing or maiming the hen pheasants.

The problem is especially acute in the Thumb area, Janson says, where there are indications of an upswing in the breeding population in several counties.

Bookmobiles Away!

Bookmobiles brimming with English and Spanish language study materials for young people will visit spots like Reese, Eau Claire, Bangor and Stockbridge this summer.

The aim: help children of migrant farm workers keep up with their studies.

John Porter, state superintendent of public instruction, notes that some migrant children aren't able to finish a full year of school in one place. The bookmobiles, from the Michigan State Library, are designed to fill gaps in their K-8 education.

When something is "smooth as glass," it's 300 times smoother than satin and 476 times smoother than silk.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

I reckon everybody that ever worked on one of them big city papers has stopped at one time or another and thought about how nice it would be to put out a little weekly paper where ever there runs along easy and nobody's in a hurry to get the news out. Ever time I see the President on one of his play acting TV press conferences I get the feeling if you ain't in a hurry you can't amount to much. Have you ever noticed how when it's time to start the President comes in the room at a half-rot? Probable, he's been setting in a back room having a cup of coffee and fumbling with his notes for 15 minutes, but when the cameras come on he takes off like a spooked rabbit.

The idea is that a feller in a hurry is doing somepon. Fer my money, that ain't the case. If he's keeping up with his job I don't see no need to act like he's so far behind he's got to run to catch up. But a busy man with never enough time is the kind of image ever politician wants, and keeping up the image is what keeps em in office, not keeping up their jobs. Personal, I rather see the President take his time to get to all them microphones. When he's in a hurry the image I get is one of somepon terrible about to happen. If he walked slow and stopped to pass the time along the way, I'd figger everything was running smooth.

But, like the fellers was talking at the country store Saturday night, you can't beat this image business. We got people setting up nights figgering new images fer folks that didn't even know they had one or needed one. It was Bug Hookum that got on the subject, and he wondered why they call em images, cause what they come up with usual is a far cry from what they are.

Speaking of images, Zeke Grubb said they work in some cases. Zeke said he use to belong to a lodge where you had to wear a coat and necktie to git in the dances they had once a month. The thinking was that if you dress a feller up he's more likely to think of himself as a gentleman. He may be the same drunk under the coat and tie, allowed Zeke, but he's apt to behave himself if he's wearing his Sunday best. Zeke said the same line of thinking works at church. A feller dressed

to the top notch in the front pew gets the idee he's high class, and you don't find the mentalks standing around in bunches telling jokes at church. What they're doing, Zeke allowed, is living up to their image.

Gitting back to your case, Mister Editor, a heap of our image making is the old game of thinking the other feller's grazing is greener. If you lived up to your image in the eyes of them on the big papers, you wouldn't ever git a paper out. You'd jest set around smoking your pipe with your thumbs hooked under your gallsus.

General speaking, I figger we're better off living up to our image of ourselves than one that somebody cooks up fer us.

Yours truly,
 Uncle Lew.

Street Art Fair Opens In Ann Arbor

The Ann Arbor Street Art Fair will happen again this year beginning on Wednesday, July 16 and running until Saturday, July 19 on S. and E. University in Ann Arbor. Hours are 9 a.m. to 10 p.m. Wednesday through Friday, and 9 a.m. to 5 p.m. on Saturday.

The 16th annual Ann Arbor Street Art Fair will feature the work of more than 300 invited artists and craftsmen from Michigan and around the country. Virtually every bonafide art medium may be seen at the Fair, as well as demonstrations of glass blowing, wood carving, weaving, ceramics, welding, jewelry, enameling, painting, and acrylics. The demonstrators are a highlight of the fair each year, particularly for children who watch transfixed as the artists create their works.

The Art Fair takes place on S. University and E. University, a busy business district bordering on the University of Michigan campus. Planning and co-ordination for the Art Fair has become a year round job, which is the work of the Fair Committee made up of members of various sponsoring organizations such as the Chamber of Commerce, the Ann Arbor Art Association, and the University of Michigan and the S. University Merchants Association.

Washtenaw County Recreation Guides Still Available

Washtenaw County Parks and Recreation Commission still has some County Recreation Guides available for free distribution.

The updated brochure designates the location of all public and private recreational facilities and areas in the county.

Four colors are coded to indicate which areas are free for public use, restricted by permission or membership, and open for public use by fee.

An enlarged map of the Ann Arbor-Ypsilanti area provides a convenient and simple reference for locating parks and recreation facilities in the two cities.

Several important recreation telephone numbers are listed in the brochure's Information Guide as well as sources to contact for additional maps and information on state-wide parks.

To receive the 1975 County Recreation Guide, please enclose a 10-cent stamp with your request to Washtenaw County Parks and Recreation Commission, P. O. Box 645, Ann Arbor 48107, phone 994-2575.

Cut your peak winter heating bills as much as 45%.

Join our 12-Month Budget Payment Plan now.

Our 12-Month Budget Payment Plan has never made more sense than it does now.

We know it's tough to budget for monthly Gas bills that can be as much as six times higher in the cold winter months than in these hot summer ones. The 12-Month Budget Payment Plan lets you even out your Gas bills for the year ahead with 12 monthly installments.

Here's how the Plan works. First, we determine how much Gas you used last year and calculate its total cost at today's rates. Then we divide that total cost by 12 to give you the budget amount you can expect each month from August of this year through July of next year, no matter how cold it might get during the winter.

Results? Your mid-winter budget bills can be as much as 45% below what your normal peak heating payments would otherwise have been.

Of course, if you saved Gas last year by installing ceiling insulation, storm doors and windows or permanently dialed down your thermostat, your monthly budget bills will be even lower than if you hadn't taken these energy conservation measures.

If any adjustments need to be made to your budget payment amount during the year, we'll notify you. Or, if you overpay or underpay a bit for the budget year, we'll make the necessary adjustment on your August 1976 bill.

To enroll, just return the postage paid card we're sending you. Or if you've misplaced it, call us, and we'll sign you up over the phone.

Our Gas is still your lowest cost fuel. And our 12-Month Budget Payment Plan will make it a lot more convenient to pay for. Enroll today.

T-Ball

Indians on the Warpath

On Tuesday, July 8, the Indians, coached by Ken Larson, defeated their T-Ball opponents, the Athletics in a game by a score of 28-14. Getting three hits for the Indians were Steve Fleischmann, Jimmy Toon, Jennifer Cattell, Marc Porath and Mike Ball. Jeff Larson, Andy Loszegi, Charlie Koenig, Matt Koenn, David Thompson, Kirk Eubanks and Robbie Abdon each had two hits.

Hitting three for the Athletics were Brian Farley, Bobbie Kelly and Scott Kelly. J. Merkel and M. Bentley each had two hits.

The following day, the Indians chalked up another victory, this time defeating the Pirates, 27-24. Getting hits for the Indians were Steve Fleischmann and Jeff Larson. Top hitters were Jimmy Toon, Greg Schallner, Marc Porath, Mike Ball (who hit two home runs), Charlie Koenig, Matt Koenn, Kirk Eubanks, Jennifer Cattell, and Robbie Abdon.

Pirate Power

The Pirates T-Ball team was led by the home run hitting of Rick Bohman, Brent Bauer, and Kelly Rog. Bill Ball, Greg Markle, Tony Rush and Kevin Koch had three hits each in their last game which contributed to the 24 runs scored.

Dave Barais, Chris Harter, Dan Degener, Craig Lapanowski, and Chuck Bollinger have had two or more hits per game to help the Pirates team in its hitting attack.

The last three games played by the Pirates have been very exciting with the games being decided by one run in the bottom of the fifth inning.

Outstanding defensive plays have helped keep the games close. Rick Bohman, Brent Bauer, and Kelly Rog have made many put-outs per game. Kelly Fletcher, Jeff Rog, Dave Dresselhouse and Brett Lapanowski have played consistent T-Ball.

Braves Improving

At the beginning of last week the Braves, coached by John Baker, had a record of one win and three losses; however, one week later they had improved to four wins and four losses.

The Braves are a hard-working team which tries its very best even when things look bad.

Dave Steinhauer, first baseman, is the team's home run hitter, closely followed by Matt Grau, whose strong arm takes care of left field. Jeff Morgan on the pitcher's mound, has thrown out many of the opposition, as has Garland DeYoe at shortstop.

Chris Baker and Scott Mills are the two who share the hard work of protecting right field, while David Cox and Richie Conner take turns defending center field. The busy catcher's work around home plate is alternately handled by Phil Sweet and Chris Tarassow.

Shanga Parker, Mark Bentley, and Ricky Proctor are very adaptable, having given good service at third base, shortstop and second base as needed. Paul "Blit" Buntzen usually plays second base while Todd Wenk and Joe McDougall complete the roster playing the outfield.

Yankees Slug It Out

During the third week of T-Ball competition the Yankees, coached by Dennis Mull, put together a powerful hitting assault and three super fielding performances to defeat all three challengers.

In the first contest, the Yankees downed the Cards by a score of 36 to 7 on the strength of perfect five-for-five batting performances by veterans Chris Gallas, Bobby Mock, Jeff Salyer and Tom Schaff, and rookie Mark Muhl.

In the second contest, veteran Brian Ackley led the hitting with a perfect night at the plate with a single, double, triple, and a pair of home runs; rookie Michael Coffman joined the five-for-five club with five straight singles; Chris Gallas hit a pair of homers, and Keith Neibauer slammed a three-run homer.

Shortstop Eric Green sparked the defense by making one unassisted double-play and making the first out of the second double-play of the game.

In the final game of the week, the defense weakened slightly but the offense continued to overpower the opponents and the Yankees took the lead in the fourth inning on a grand slam home run by Tom Schaff, and the surprise hitting of rookies Shannon Darow (2-for-3) and Andy Martin (3-for-4), helped assure the victory. The Braves made a strong comeback in the bottom of the fifth inning but a spectacular save by first baseman Chris Gallas of an overthrown ball saved the day for the Yankees and the final score of the see-saw battle was Yankees 31, Braves 25. The Yankees' record is now five wins and two losses.

Pony League

Record Misleading

Manager Bob Koch of the Koch Pony League team, states his team is a better team than the record shows. Over-all the team has had five losses and one win, and is pleased with improved playing of K. Wilber in outfield, pitching of left-hander N. Koch, also the playing and hitting of the two Roe brothers, Brad and Art, and the catching of Stevenson. Most improved hitter is S. Haas.

Schmitke Now 2-3

The big hits for Schmitke's team in Pony League play last week came from Scott Prohaska when he got hits off two men, a home run and three singles.

Mike Wade also contributed to the strong offense by hitting four singles and receiving a walk. Keith Schmitke sacrificed twice, scoring two runs, and hit a double and two singles.

Mike O'Quinn also kept the team alive with three singles and a walk.

Tough pitching by Craig Thams, Vincent Salver and Keith Schmitke gave the opposing teams 15 strikeouts.

Bauers Win 2

Wednesday, July 9, Bauer's Pony League team, coached by Ken Bauer, won over Schmitke's team, coached by Kevin Schmitke. The score was 11-10.

On Thursday, the team played Koch's team. Mark Bauer walked three times. Kenny Bauer got a couple of base hits and Mike Killea came home with the help of Jeff Diles' home run in the fourth inning on Randy Luick's second hit. Luick's hit also brought home Tom Gaunt, Ross Murphy and Eric Brown. Brian Conner made a good play on second base and Robert Bentley made a good play in the outfield. Greg Ackley got a base hit. Assisting with the overall win, score 8-5 was Troy Schiller, Monty Wireman and Jeff Jones.

Fortner Ready To Move

Team No. 6 in the Pony League, coached by Ted Fortner and Claude Gipson, lost three more games this past week. However, they are starting to play much better ball. According to their coach, the team is getting good hitting from John Rowe, Mike Gipson, Ross Stofflett, and Dick Pfeifer, plus consistent fielding from Jeff Klink, Tom Vandervoort and Don Schrotenboer. Add all of this to the fine pitching of Joe Krichbaum, John Preston and Tom Vandervoort, and there is a lot of potential.

Rademacher Wins 2

Pony League Team No. 2, coached by Bill Rademacher, runs its season record to 5 wins and 1 loss with a 9-4 win over Team No. 5. Strat Rademacher and Dave Parks had home runs while Rademacher added a double to drive in four runs.

Defensively, Todd Sprague made a sparkling shoe-top catch of a line drive by Schmitke and completed a double play with his throw to first baseman Dan Alber. Drew Sprague picked up the victory with a one-hit performance during his time on the mound. Dave Cooley did an effective job completing the game on the mound.

Todd Borton and Dave Heydlauff each started his first game and second runs in the first inning as Team No. 2 got off to a five-run start.

On July 14, Pony League Team No. 2 played a previously rained-out game and picked up a 6-2 win over Team No. 5. With the score tied at 2-2 going into the bottom of the fifth inning, Drew Sprague reached first on an error, Dan Alber claimed first on a fielder's choice, Dave Parks doubled to drive in two runs, then Carl Simpson cleared the bases with a home run. It was Simpson's third home run in six games and he now has a .526 average with Dave Parks pressing him at an even .500.

Bob McAllister and Dan Alber shared the pitching chores and limited the opposition to just one hit.

Drew Sprague played his usual fine game with two hits, one a perfectly placed bunt in a two-run second inning.

Little League

Brewers 2-1 This Week

This week the Brewers, coached by Dan Ramsey, played three games. They won two and lost one.

In the first game Will Morley had a grand slam home run that boosted them to victory. In the second game Mike Galbraith had three hits. Dave Lane pitched well for the team and John Hoffman played well in the field.

Indian War Whoops

The Little League Indians team, coached by Tim Whitesall, have had a good season with the pitching from Randy Krichbaum and Mike Stahl.

David Weber leads the team in batting with a grand slam home run. Mike Stahl had a home run with two men on base. Other strong hitters for the team have been Randy Krichbaum, Tim Greenleaf, Darin Pierson, Chris Seitz, and Tim Whitesall, Jr.

Rich Slater has had a "hot glove" at second base. Chris Seitz has been a "hot" shortstop, and Tim Whitesall has been "dug in" at home plate.

Chris Dean, Kipp Bertke, Mark Stoll, Pat Killilea, Dave Kiel, Mark White, Gary Bollinger, and Dick Merkel have turned in fine performances for the Indians, assisting in the outfield and the infield.

Cardinals Win First

Little League Cardinals, coached by Jim Herter, managed to split back-to-back games with the Brewers and came up with their first victory of the season last Friday, 9-3.

In the series, Steinhauer and Herter each hit home runs with mates aboard.

Other Indians collecting hits during the past week were Elliot, Gaul, Sabo, Mark, Closson, and Brown. Later, Walter, Walter, Reynolds, and Muck went hitless but continue to swing the bat well.

Hinz completed the first unassisted double play for the Indians while playing third base.

Yankees Lose First

The Yankees, coached by Sylvestor Wojcicki, defeated the Indians, 12-5, July 8. Bill Merkel led the winners with four hits, two triples and two singles. Pitching for the winners were Doug Pagliarini, Bill Merkel and Dave Wojcicki.

On July 9 the Yankees suffered their first defeat by the Giants, 9-5. The Giants scored four runs in the last inning to break up the tie and win the hard-played game.

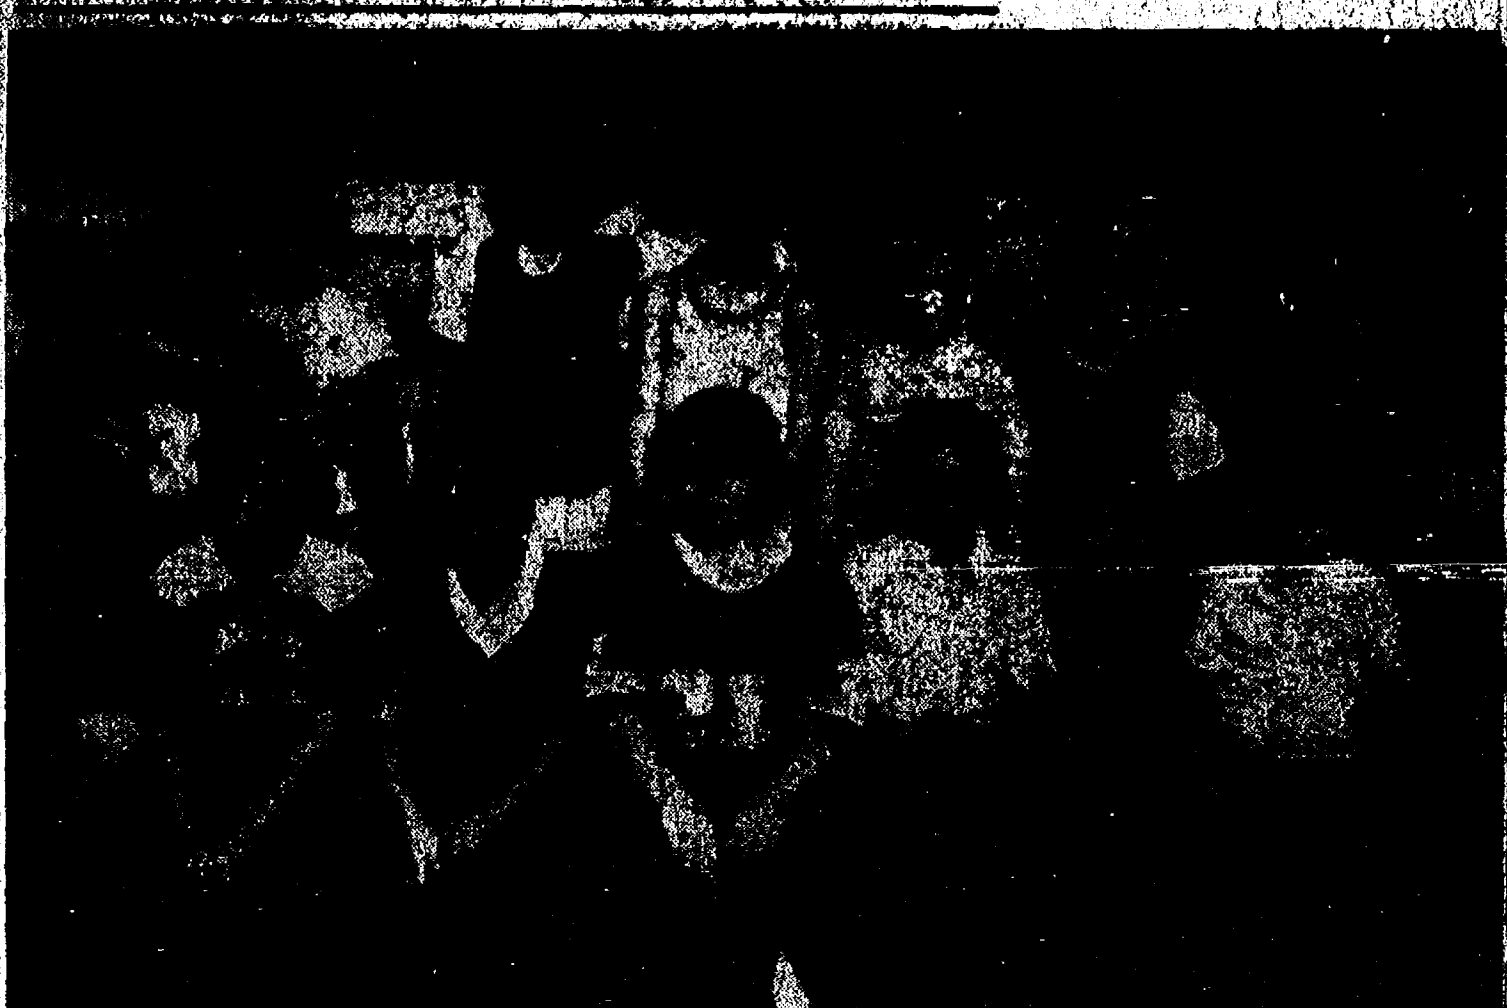

The July 11 game found the Yankees making a comeback to defeat the Giants, 23-2. Leading the hitting attack for the Yankees was Tim Pennington with four hits. Also, Dave Wojcicki hit a bases-loaded home run, along with a triple and a single. Fielding star was second baseman Jon Bentley with two great plays.

According to Coach Wojcicki, the team played a great game with all members doing a good job.

Hint to all husbands of summer brides: Your wife will always be right, or so nearly so that you may as well waive the technicality.

PONY LEAGUE TEAM NO. 1 coached by Tom Stock (right) and his co-coach, Fred Schwarze, is pictured here between innings of play Tuesday evening. Sitting on the bench from left to right are: Tobin Boyd, Carl Schwarze, Chan Lane, Duane Robbins, Mike Marshall and Jane Verwey. Standing from left to right, Steve Grau, Jim Stock, Jon Riemenschneider, Jeff Fouty, Tony Emmons, John Welton and Ray Ziegler. Team members not present for the photo are: Shawn Pierson, Herbert Pearson, Tom Golins and Troy Mosler.

The best that can be said for the current political and campaign reform legislation being considered in Lansing is that it is well intentioned. The worst that can be said is that nobody, including those who wrote it, really understands everything it does.

H.B. 5250 is a result of the public outrage over the excesses and abuses of the Watergate scandal as much as it is a product of the reform efforts of groups such as Common Cause.

As originally written, the bill would include all elected and appointed public officials in the State of Michigan from local village and township officials to the Governor, from school board and planning commission members to legislators. This 71-page bill establishes an Independent Political Ethics Commission.

This bill will also strengthen current regulations on lobbyists and defines conflict of interest areas for public officials. It sets contribution and spending limits for political campaigns. It requires detailed disclosures of personal and family income, assets and liabilities for all candidates for public office. It provides for taxpayer funding for some state

wide elections, such as for governor.

These are a few of the more obvious things the bill does. Groups such as the American Civil Liberties Union have vowed to test the constitutionality of many of these provisions in the courts. I doubt that all of them will survive such a test. The truly frightening prospect, however, is all of the provisions of the bill whose implications may not be so obvious.

You will have to be both an attorney and a CPA to fully understand and comply with the new law if HB 5250 passes as presently written. With public confidence in many of our present political leaders at a low point, it would be tragic if the net effect of HB 5250 were to discourage new faces from entering the political arena.

VFW Auxiliary Hostessing Party At VA Hospital

A regular business meeting of the Ladies Auxiliary of the VFW Post 4076 was held July 14. Twelve members were present.

Plans were made for a hospital party to be held at Ann Arbor's VA Hospital on July 23 at 10 a.m. Gertrude O'Dell is head of this party for the auxiliary.

Reports of the 43rd annual State Convention were given by the delegates who attended. Eulalie Packard, Lucy Platt, Betty Smith, and Jeanene White all spoke on the convention.

The local Auxiliary received two awards: one from the National Home went to Elsie O'Dell, National Home chairman, and the other for the Auxiliary's participation in all programs.

The following group attended the National Home Carnival Sunday July 13: Mary Kniss, Mr. and Mrs. Gary Kent and son, E. Bernice Schneider, Mr. and Mrs. Mac Packard, Mr. and Mrs. Frank White and children, Mr. and Mrs. James Barnes and family, Mr. and Mrs. Ken Platt, Mr. and Mrs. Byron Smith, Bill Pierce, Tom Collingsworth, Fremont Boyer, Dianne Reed and daughter, Norene Collins and children, Jack and Deanne.

Mary Kniss gave a report to the assembly on the Veterans Park project. The Auxiliary voted to purchase two tables, one in memory of all deceased members and the other one in memory of all past Presidents.

A planning committee was set up by the president Joan Barnes for Aug. 4 at 7 p.m. in the VFW Hall.

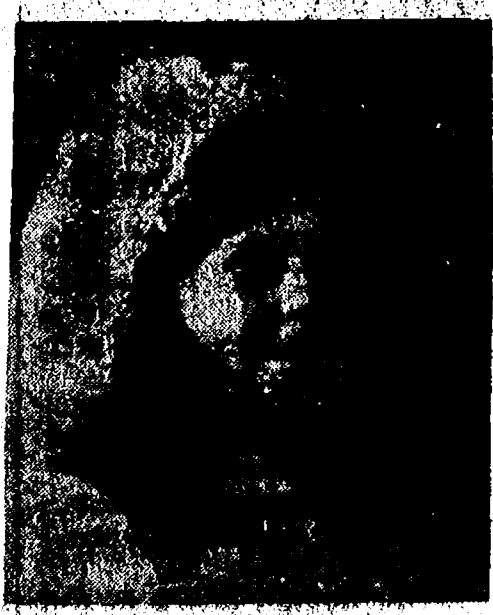

The Auxiliary will have the VFW hall open during the Sidewalk Sales to serve the community as a comfort station. Cold drinks will also be available at that time.

The post members issued an invitation to all Auxiliary members and their families to join them in a pot-luck supper at 7 p.m. July 23 at the Post home.

The next regular meeting will be held Aug. 11 at 8 p.m. in the VFW Hall.

Don't bother too much about your son or daughter—just be sure their parents set an example worth following.

Jaycee Auxiliary Picnics at Lake

Chelsea Jaycee Auxiliary met Tuesday evening for their regular monthly meeting at Half Moon Lake. Members shared barbecued chicken in the pleasant atmosphere of the lake.

Guests at the meeting were Sharon McGill and Sandy King, District 27 vice-president and treasurer, respectively.

Baptismal

Rashelle Sarah, born June 23 at University Women's Hospital in Ann Arbor to Mr. and Mrs. Kevin Kargel of Grass Lake received the sacrament of Holy Baptism on Sunday, July 13 at St. Mary Catholic church. The baptismal rites were performed by the Rev. Fr. Philip Dupuis.

Godparents of the baby are Karlene Kargel of Willow Springs, Mo. and Stanly Ristow of Hutchinson, Minn.

The Kargels have three other children, Rebecca, Ryan and Russell.

Maternal grandparents are Mr. and Mrs. August Ristow of Young America, Minn. Paternal grandparents are Mr. and Mrs. Clarence Kargel of Willow Springs, Mo., formerly of Chelsea.

The trouble with interviews is that a person rarely says what he really thinks.

Jane Marie Tanner and Thomas Glen Larmee were joined in marriage Saturday, July 12 at a 7 p.m. ceremony held at the Bethlehem Church of Christ in Ann Arbor. The Rev. William officiated at the ceremony attended by 200 guests.

The bride is the daughter of Mr. and Mrs. Floyd Tanner, Sr., of 13085 Joslin Lake Rd. The bridegroom is the son of Mr. and Mrs. and Mrs. Wayne Larmee of Ann Arbor.

For her wedding to Mr. Larmee the former Miss Tanner chose a white nylon and silk gown trimmed in lace and satin ribbon. The A-line styled gown was ruffled at the bottom. A cathedral-length veil trimmed in embroidered lace was held in place by a Juliet crown. She carried a bouquet of white roses, baby's breath, and blue daisies with a cascade of sweet-heart roses.

Serving as maid of honor for her sister was Miss Norma Tanner. Miss Tanner was dressed in a baby-blue floor-length gown trimmed in flowers and lace. A ruffle accented the neckline of her gown. She carried a bouquet of blue roses and baby's breath. A wide-brimmed hat in blue completed her costume.

Other honor attendants to the bride were Mrs. Peggy Henry of Grass Lake, a mutual friend of the couple, Miss Vickie Hamilton of Pinckney, also a friend of the couple and Miss Debbie Berg, cousin to the bride. The honor attendants were dressed in gowns of pale green and light pink. They carried bouquets of roses. Wide brimmed hats complementing either the pale green or pink gowns completed their costume.

Cherie Alexander of Chelsea, dressed in a yellow gown, served as flower girl, and the bride's cousin, Todd Smay, was the ring bearer.

For her daughter's evening wedding, Mrs. Tanner chose a floor-length gown in mint green trimmed with sheer lace. She wore a corsage of green flowers.

Mrs. Larmee, mother of the bridegroom wore a floor-length A-line styled gown in pink. A pink corsage pinned to her gown completed her costume.

Steve Larmee, brother of the bridegroom served as best man. Ushers were Floyd Tanner Jr., brother of the bride, and Keith Barber. Junior ushers were the bride's two younger brothers, Kevin and Wayne Tanner.

A reception followed the ceremony at the UAW Hall in Chelsea. The bride's sister-in-law, Debbie Stephens, and Margie Stephens, all friends of the couple, served at the reception.

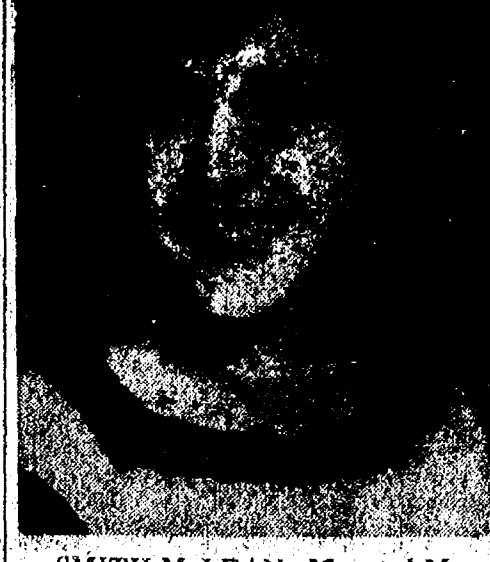

The former Miss Tanner attended Chelsea schools. Her husband is a graduate of Pioneer High school in Ann Arbor and is currently employed at the University of Michigan as a machinist.

The couple will make their home in Ann Arbor at Chatham Village Apartments on Pauline Blvd.

SMITH-McLEAN: Mr. and Mrs. Robert T. Smith of 13735 Riker Rd., have announced the engagement of their daughter, Julie Lee, to Rick McLean, son of Mr. and Mrs. Daniel McLean of Saline. Miss Smith is employed in Ann Arbor with the National Bank & Trust Co. Her fiancé is with Syco, Inc., in Ann Arbor. The couple plan an August wedding.

SMITH-LAGOW: Mrs. Patricia G. Smith has announced the engagement and approaching marriage of her daughter, Beth Ann, to David E. Lagow. Both of the young people reside in Jackson. Beth is the granddaughter of Everett and Grace Van Riper of Chelsea. The couple plan a Sept. 20 wedding at St. Barnabas Episcopal church of Chelsea by the Church of Jesus Christ of Latter Day Saints.

Ypsilanti Man Drowns Friday in Four Mile Lake

Another non-swimmer has drowned in Washtenaw county, making this the year's 12th drowning, compared with a total of four drownings in the county for 1974.

According to sheriff's police, 50-year-old Elsie Johnson of Ypsilanti was fishing from a boat on Four Mile Lake, located off Lima Center Rd. east of here.

Apparently Johnson lost his balance, falling out of the fishing boat.

The drowning occurred sometime Friday morning. A witness told officials he saw the man in a rented rowboat on the lake at 9:30 a.m. Later when he looked over, he was gone.

Divers recovered Johnson's body in eight feet of water.

Radio, Tape Deck Stolen from Auto On Dealer's Lot

Goods with an estimated value of \$376 were stolen last week from a 1975 Ford Granada parked in the rear of 603 S. Main, Lloyd Bridges Traveland. The vehicle, belonging to George Scrimger of North Branch, had been parked on the lot behind Bridges at 5 p.m. July 8. Two days later at 8 a.m., when Scrimger returned to his car, he found the items missing. Entry to the vehicle was made by breaking the window on the driver's side. Among the stolen items was a Ford AM-FM radio and tape deck.

The case remains open pending further investigation.

Two Chelsea Students On Dean's Honor List At Western Michigan

Phyllis H. Buss, an all-A student and Christine D. Duerr were among 1,738 undergraduate students named to the second semester Dean's List at Western Michigan University in Kalamazoo.

To be named to the list, a student must have compiled a grade point average of at least 3.5 while enrolled in 14 graded hours of class work. Straight A is 4.0.

Among the Dean's List scholars, were 426 students who earned all-A grades.

Phyllis is the daughter of Mr. and Mrs. Henry Buss of 119 Clardale Ct. Christine is the daughter of Mrs. Lina Duerr of 503 East St.

Police Warn Motorcyclists

Village Police Chief Meranuck has reported that numerous tickets have been issued to motorcyclists as a result of complaints received by village police.

According to Meranuck, cyclists are creating unnecessary noise when starting their vehicles, and some of them are operating the vehicles carelessly.

Because of complaints received and concern about unsafe operation of the two-wheel vehicles, the police will issue tickets to cyclists who are operating their vehicles carelessly or with excessive noise.

Meranuck also added that the operation of mini-bikes must be confined to private property. Operation of the bikes within the Village of Chelsea is illegal and tickets will be issued to those who do so.

CHS Class of '77 Will Plan Float For Chelsea Fair

The Chelsea High school Class of 1977 will hold a meeting Monday July 21 at Pierce Park to discuss plans for the float and the junior stand. The meeting will begin at 2 p.m.

Anyone interested in working at the junior stand should contact Linda Shaw.

The juniors are also in need of a garage, in which to construct the float and a wagon on which to build it. Persons interested in letting the class use their wagon or garage, should contact Brenda Salyer at 475-1790.

Jill Kipfmiller Earns Degree at Kalamazoo College

Receiving her Bachelor of Arts degree Saturday, June 14 during graduation ceremonies at Kalamazoo College was Jill Marie Kipfmiller, daughter of Mrs. Joan E. Kipfmiller of 11960 Jackson Rd.

Jill graduated from the college with a major in economics. An honors student at Kalamazoo, she was initiated into the Phi Beta Kappa Society, elected to Alpha Lambda Delta, the women's freshman honor society and a Senior Fellow in the economics department.

For her senior individualized project, Kipfmiller did a marketing analysis of Gates Rubber Co. while working as a dealer salesperson for southeast Michigan.

She was a participant in intramural sports and a student coordinator for the Small Business Center in Kalamazoo for three months of her junior year.

She plans to attend the University of Michigan's Law school this fall.

Seniors and their families heard Commencement speaker Daniel L. Schorr, CBS News correspondent, speak on "American Social Policy." Schorr, General Motors President Elliott M. Estes, and former President of the Episcopal Church John E. Hines received honorary doctoral degrees from the College.

CORRECTION

The July 10 issue of The Chelsea Standard printed an obituary on the late Mrs. Thomas Masterson of Melbourne Beach, Fla. The story omitted the name of one of Mrs. Masterson's two surviving daughters. The Standard regrets the omission of Lucille H. Rich of Indianapolis, Ind.

School Board Briefs

An organizational meeting of the Chelsea Board of Education was held Monday, July 14.

Present were Trustees Hasek, Daniels, Stirling, Hodgson, Tobin, Business Manager Mills, Principal Lane, and Attorney Flintoft.

Guests present were Keith Boyce, Ed Hurst, Paul Dreuger and Ken Tillman.

The meeting was called to order by Trustee Hasek at 8:15 p.m. The minutes of the meeting of July 7 were approved as read.

Business Manager Mills conducted the meeting for the election of officers for 1975-76. Officers are: president, Howard Hasek; vice-president, Robert Daniels; secretary, Robert Schafer; treasurer, Donald Irwin.

The board accepted the bid of Classrooms, Inc., of \$53,800 for furniture for the three instructional materials centers in the building additions.

The board awarded contracts for classroom equipment for the new additions to the following contractors: Classrooms, Inc., \$12,561; Dew-EI Corp., \$5,557.36; Michigan School Service, \$9,727.10.

Series of Tennis Class Sessions To Be Repeated

Chelsea Recreation Council is offering a second session of tennis classes for children beginning the week of July 14 and ending July 31.

All classes will be held Monday, Wednesday and Thursday. The 5 to 7-year-olds will meet at 2:30 p.m. The 8 to 10-year-olds will meet at 3:30 p.m. and the 11 and 12-year-olds at 4:30 p.m.

While classes have begun, interested youngsters who wish to take tennis lessons may still register for the courses by showing up at the appropriate class times for their age groups.

Cost for the nine lessons is \$3. For further information, contact Theresa Schreiner at 475-2536.

Construction Program Will Shorten EL&P Program One Week

A special note to parents of Earn, Learn, and Play participants. Because of construction problems at the high school and south school, the Earn, Learn, and Play Program will end July 25, one week earlier than anticipated. Swimming lessons at 10 a.m. with Mrs. Porath will continue through Aug. 1.

Mark Watson on Ball State Honors List

Mark S. Watson is one of 872 Ball State University students (located in Muncie, Ind.) named to the registrar's Roll of Honor for the spring quarter at Ball State.

According to Joseph W. Espey, registrar, a student must have earned a grade ratio of 4.0 or straight "A's" for the quarter with for credit.

Watson, a senior, is the son of Mr. and Mrs. J. G. Watson, 42 Butternut Lane.

Senior Citizen Birthday Party Date Changed

Senior Citizens dues for the 1975 are now payable to the treasurer, Gladys Klump or Katherine Kusterer. The birthday pot-luck which is usually held on the third Thursday of the month (July 17) will be held instead on July 24. Several members will attend the Chesaning Show Boat.

Senior Citizens will hold a business meeting July 29 at 7:30 p.m.

Swim Lessons Continue

The third session of swim lessons will begin July 21. Swimmers are to meet at the high school tennis court at 9:50 each morning, with Nancy Porath.

Items Stolen from Locked Car Parked at Medical Center Lot

Diane Spray of Pinckney reported to village police that items valued at \$150 had been stolen from her locked car while parked in a lot at the Chelsea Medical Center. According to police reports, Spray parked her '73 Chevy Nova next to the pharmacy at the Chelsea Medical Center at 3:30 p.m. the day of the theft. Upon returning to her car at 11:30 p.m. following her shift at the hospital she discovered the articles missing.

There were no signs of forced entry and the case remains open pending further investigation.

Walt's Barber Shop Begins To Look Like Champions Again

AMERICAN LEAGUE CLASS A SLOW-PITCH

Walt's Barber Shop is once again beginning to look like the class team of the Slow-Pitch League this year. They are beginning to open a gap in the standings between themselves and the rest of the league. Two important wins this week would seem to give them the inside track over their closest rival, Village Motors, who also won twice this week to stay in contention. However, nothing remains stable in Slow-Pitch until the last out has been recorded, and Walt's still has four tough games to play, with Village Motors, Rulea Farms, IPSCO, and McCalla's Feeds.

Tuesday, Village Motors began the week's action by defeating Mark IV Lounge, followed by Rulea's victory over McCalla's Feeds. The night's action ended as Walt's once again defeated arch rival, the Ann Arbor Eagles.

Thursday began again with a Village Motors victory, this time over winless Ganjal Oil, then IPSCO defeated Rulea Farms and McCalla's Feeds defeated Mark IV Lounge to end the evening's activities.

On Friday two make-up games were scheduled. In a well played game Walt's defeated Rulea Farms in the first game, and then the when Mark IV Lounge upset the Ann Arbor Eagles by one run.

NATIONAL LEAGUE CLASS B SLOW-PITCH

Bollinger Sanitation continues to lead the Class B Slow-Pitch League, however, the Federal Screw Works team is not far behind. While the Bollinger team is still a game ahead, they still must play the Federal Screw team

twice before the end of the season and they were beaten by the Federal Screw team in their only earlier regular season encounter.

Norm's Body Shop and 3-D Sales, each with four losses, would seem to be out of contention, should Federal Screw Works beat Bollinger Sanitation then it could become a cat and dog fight for first place.

Last week's action saw Bollinger Sanitation defeat Norm's Body Shop on Monday and 3-D Sales on Thursday while Federal Screw Works defeated the Wolverine Bar on Monday and Norm's Body Shop on Wednesday. 3-D Sales, meanwhile, defeated Fortune Industries on Wednesday and the Wolverine Bar also defeated Fortune, but had to come from behind as Fortune led until the last inning.

MILLING UPSETS 3-D SALES IN FAST PITCH LEAGUE

Jiffy Mixes received some unexpected help this week after being knocked out of first place by 3-D Sales on Monday. The game was the natural showdown for first place as each team had only been defeated once, and Jiffy was in first only by virtue of having played one more game than 3-D Sales. Yet, in a close game all the way after nine innings, 3-D came away with the victory.

However, it was not all roses for the 3-D team as on Friday in the first game they were upset by Jiffy's cousins, Chelsea Milling, giving first place back to Jiffy by virtue of that one unplayed game. This also opened the door for the Ann Arbor Centerless team, which has only two defeats, and counting only the loss column puts the league into a three-way tie. It would seem that almost any-

thing is still possible in the Fast-Pitch League.

A very good example of this is that Zlop Lutheran, a team which has managed to win only one game this season, lost to Jiffy on Friday by a 3-2 score, almost upsetting the giants for the second time.

Other games played last week included Thompson's Pizza win over Zion Lutheran on Monday and then Thompson lost to Stivers in a make-up game on Tuesday. Ann Arbor Centerless in their only game of the week defeated Bennett Installation and following that game Stivers won their second game of the week by defeating the Chelsea Milling team, 5-0.

This week-end the Chelsea Recreation Double Elimination Tournament is scheduled to be played. The tournament will include all of the teams in the regular Fast-Pitch League and is designed to get the teams ready for the forthcoming state tournaments.

The local tournament games will be played at the high school. Zion begin at 10 a.m. on both sides of Lutheran will play 3-D Sales on field No. 1 (lighted field), while Ann Arbor Centerless takes on Thompson's Pizza on field No. 2 (unlighted field). These games will be followed by Jimmy Mixes meeting Stivers on field No. 2 at 11:30 a.m. and Bennett Installation facing Chelsea Milling at the same time on field No. 1.

The winners and losers will play at 3 p.m. and 1:30 p.m. respectively. The tournament will be completed on Sunday beginning at 1 p.m., with the championship game to begin at either 7 p.m. or at 9 p.m., depending on whether or not the champion loses any games.

Sitting on the bench from left to right are Ken Nadeau, Dale Petsch, Ernie Bristle, Scott Dault and Michael Neibauer. Standing are Matt Lorenz, Jim McInnes, Kraig Leach and Bob Trevino. Not present for the photo, Doug Henson, Marleen Williams, Rod Robeson, Thad Bell, Andy Fletcher and Robbie Friday.

Mets, Tigers Win To Retain Lead in Girls Softball League

In girls softball play, last Thursday, the Athletics defeated the Reds by a one-point lead, taking the game, 23-22. Penny Wood had four hits to lead the Athletics.

Reds players Veronica Satterthwaite and Becky Robards played hard to keep their opponents from winning. Satterthwaite hit two homers for her team while teammate Robards had a solo blast.

In a Mets vs. Dodgers game, the Mets were led by Becky Bentley and Lori Miles, both who hit home runs, giving the Mets the game, 21-10.

The Tigers tromped the Twins, but just barely. The 23-21 score was helped along by Tiger player, Candy Schirmacher who had seven hits for her team, including a home run. Jackie Lamb also had a homer. Playing for the Twins and hitting three hits each were Amand Schwarze and Jenny Ringe.

so had five hits for the Dodgers. Reds players, Michele Clark and Shelly Weber had three hits for their team.

The Twins, previously defeated by the Tigers, also made a strong comeback, defeating the Athletics, 36-13. Ginn Van Riper and Molly Elsele had five hits each for the victors. Teammate Patty Hume hit two homers.

In the final game of Tuesday's play, a tight seven innings of ball resulted in a one-point victory for the Mets, who defeated the Tigers, 29-28. The Mets moved into a league tie with the Tigers as the result of this game, led by four hits each by Becky Dawson and Sara Schwarze.

Games scheduled for today at 1 p.m. on the Chelsea High school diamond are: Dodgers vs. Tigers; Athletics vs. Mets; Twins vs. Reds. Scheduled games for Tuesday, July 22 are: Reds vs. Mets; Twins vs. Dodgers and Athletics vs. Tigers.

EDUCATIONAL FORUM FOR ARTHRITIS: show. The program is one of many given by Duff. Dr. Ivan Duff, a doctor from the University of Michigan Medical Center specializing in arthritis, gave a brief talk on arthritis and showed a slide-tape June 26.

Arthritis Screening Program Begins With Educational Forum

The Arthritis Screening Program held the first full day of screening activities at St. Mary's school here on July 16. Ten residents of Chelsea who have arthritis, rheumatism or other joint problems were given appointments at the University of Michigan Medical Center. People with less severe problems are scheduled for special arthritis education classes (held at St. Mary's), or visited in their homes by health workers specializing in arthritis.

This Arthritis Screening Program was introduced to Chelsea and Dexter at a special "Educational Forum" which was held on June 26 at St. Paul United Church of Christ. More than 100 people from Chelsea and Dexter attended the event. The Forum began with special "thank you's" being given to the many people and groups in Chelsea and Dexter who had given their time to publicize the program, and arrange for meeting sites and transportation. Then Dr. Ivan Duff, the program director who is a doctor from University of Michigan Medical Center, specializing in arthritis, gave a brief talk. He pointed out that money for the program had come from the regional medical program.

Dr. Duff then explained what arthritis is, and showed a slide-tape show titled "Living With Osteoarthritis." This slide-tape explained arthritis and showed the things that could be done about it. Dr. Duff then answered people's questions about arthritis and rheumatism.

Following this discussion, Anne Jones, outreach worker from the Washtenaw County Council on Aging, and Jan Neukom, program co-ordinator, explained the screening program and activities. The meeting was then adjourned, and

those who were interested signed up for screening appointments. Arthritis screening by appointment only will be held at St. Mary's school, 400 Congdon St., Chelsea, each Wednesday from now until the end of August. The program will move to St. Andrew's church in Dexter sometime this fall. For an appointment or information about screening, call 763-4427.

The first all-talking motion picture, "The Lights of New York," was previewed at the Strand Theater in New York City on July 6, 1928. Starring Cullen Landis and Helene Costello and produced by Warner Bros., this film was a follow-up to the studio's introduction of sound in the "Jazz Singer" a year earlier. It was instrumental in creating public demand for sound movies and the resulting demise of the silent film by 1930. Motion picture equipment dating from the beginning of this typically American industry is on display in the communications section of the Henry Ford Museum, Dearborn.

Who pays for living expenses (elsewhere) while they repair your home?

Most policies provide the coverages you expect—fire, lightning, storms, riots, vandalism and the like. They cover the cost of repairs due to these losses. But have you thought about the cost of living elsewhere if your home has to be repaired or rebuilt? It could run into hundreds of dollars. Or, it could be covered in black and white in our Homeowners Policy, so we would pay those extra living expenses! Give us a call. We'll put your home insurance all together in one policy for convenience and saving's sake.

Stephen Foster, America's first great composer of popular music, was born July 4, 1826 in Lawrenceville, Pa. Best remembered for his songs about the South, Foster made only one short trip below the Mason-Dixon line. In his brief 37-year life, he composed 189 songs including such favorites as "Old Folks at Home" and "Oh! Susanna." The house in which Stephen Foster was born now stands on the hill overlooking a lagoon where the steamboat "Suswanee" carries visitors on nostalgic trips into yesterday at Greenfield Village in Dearborn.

Huron River Plans Will Be Discussed

The following items have been suggested for inclusion in the Natural River Plan for the Huron River from Kent Lake Dam in Livingston county to Tubbs Rd. in Washtenaw county, and its tributaries, implemented by local zoning:

- new industrial uses will not be permitted within 400 feet of the river.
- generally, new commercial uses will not be permitted within 400 feet of the river.
- New mineral operations will not be permitted within 300 feet of the river.
- New utility transmission lines not permitted within 400 feet of the river, except on existing right-of-ways.
- Service lines to dwellings shall originate from the landward side.
- Agricultural practices will be permitted unless damaging to the streams.
- New buildings will not be allowed within feet of the river and designated tributaries (this section's subcommittee will present its recommendations at the meeting).
- Signs along the river must be: (1) related to permitted uses, (2) not larger than one square foot in area for residential uses and not more than four square feet for other uses, (3) not illuminated, and (4) not attached to any tree or shrub.
- New on-site waste disposal systems must be located not less than 100 feet from the water's edge, nor in a floodplain, whichever distance is greater.

These proposals will be discussed at a meeting of the Huron River Planning Group, a citizen-governmental advisory group, on Thursday, July 17. The meeting will be held at the Hamburg Township Fire Hall and will begin at 7:30 p.m. The public is invited to attend and assist the group in planning for the protection of the Huron River.

CHEESE LOVERS

More Americans are turning into cheese lovers. The average American today eats about 14 pounds of cheese a year. That's two and one-half times what he ate 35 years ago. Still, it's only half of what a Frenchman or Italian eats.

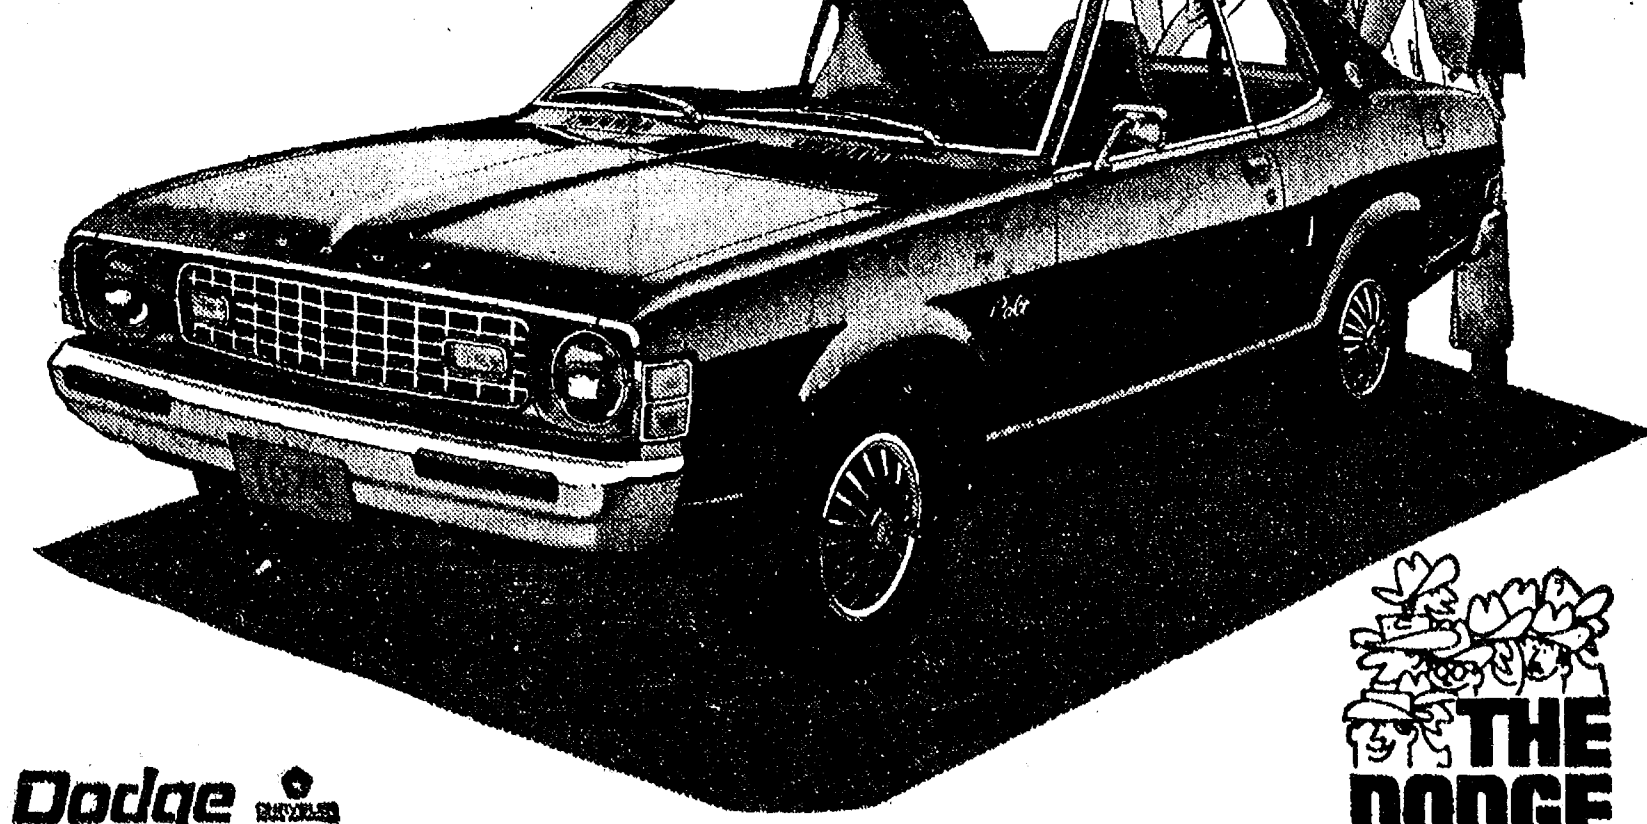

If anybody tells you there's no way to buy a good new car for only \$2,945...

TELL'EM TO GO TO DODGE!

The Dodge Boys will sell you a Colt coupe that gets 30 mpg for only \$2,945*.

How did Dodge Colt put so much in such a little car? And give it such great gas mileage? Colt's standard 1600 cc engine got 30 mpg in the highway cycle and 20 mpg in the city cycle in recent EPA tests. And Colt's got: Fully synchronized manual transmission • Tinted glass • Reclining bucket seats • Carpeting • Locking gas cap • Adjustable steering column • Flow-through ventilation • Bumper guards—front and rear • Front disc brakes. And don't forget "the Clincher"—the new 1975 passenger car warranty. So if anybody tells you there's no way to buy a good new car for only \$2,945...tell 'em to go to Dodge and see the '75 Colt coupe.

*MSRP for a '75 Dodge Colt coupe. Not included are state and local taxes, license and title fees, destination charge, and Dealer prep, if any.

National Farm Safety Week Starts July 25

President Ford has proclaimed the week beginning July 25, as National Farm Safety Week. As pointed out in the proclamation,

the hard-working men and women on America's farms are entrusted with the immense responsibility of producing our nation's food and fiber, and helping to nourish millions in other countries.

The important human resource represented by our farmers and ranchers must work in an environment of safety and well-being to produce these materials needed by America and the world.

Each year, too many farm workers are killed or seriously injured in preventable accidents. Planning in advance for a safe farm environment can help save the lives and health of these workers.

In keeping with the President's concern for the safety of rural people, and to help prevent the human suffering and material losses caused by farm accidents, the Department of Agriculture is renewing its year-round program of education and information on farm and home safety.

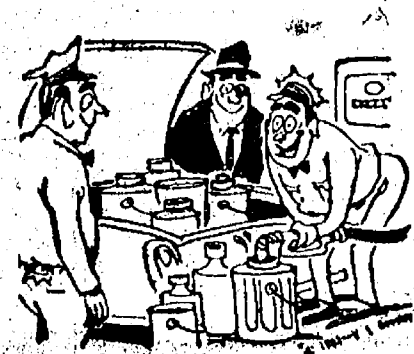

Farm Safety Week this year gives us an excellent opportunity to point out ways of eliminating safety hazards by pre-planning for safer practices on each individual farm. It is important that all those who work with American agriculture assist in this effort.

LEFT-HANDED?

Most cats are left-pawed. Dogs, mice, chipmunks, and chimpanzees are about evenly divided. Even some climbing plants have a tendency to twine to the left instead of the right.
