Walk-A-Thon Sunday Helps UNICEF Fund

For young people who like to use their legs, Sunday's 12-mile Walk-A-Thon around the Village of Chelsea to benefit UNICEF is just the thing.

The Walk-A-Thon is a first in Chelsea this year and according to Mrs. Paul Closson who chairs the event for the UNICEF sponsors, Church Women United, the response has been fantastic. As of Tuesday afternoon 150 young people between the ages of 13 and 21 had signed up to walk in the marathon.

The group will congregate in the high school parking lot Sunday at 12:45 where they will register themselves and their sponsors and receive a mile card that will be marked at each mile point on the route certifying the number of miles each walker has walked.

At 1 p.m. the group will step off. Some four hours later, at 5 p.m. they are expected to return.

Mrs. Closson pointed out regulations governing the walk, that must be followed.

1. Stop at each mile marked to receive colored slip of paper from the adult with the sign of your church or Junior or Senior High representative.

2. Stop every 3 miles for water break if needed.

3. Walk in an orderly manner—no more than 3 abreast. Walk on sidewalks where available. Do not walk on lawns or leave the walk-a-thon for any reason.

4. If you get a blister and wish first aid, signal the middle car to stop.

5. If you are tired and wish to ride awhile, wait for the end van and get a ride to the next mile point, before beginning again, or ride to the end of the Walk-a-thon if you feel you cannot continue.

6. After returning to the high school, complete the bus circle and then follow the lead van around the parking lot perimeter to the finish line.

7. Get your sponsor stub book from the person designated with your church sign or Junior or Senior High School representative.

8. Have them staple your colored strips of paper to your sponsor book.

9. Take your sponsor book to the refreshment table to get your refreshments.

10. Compute the amount on each sponsor stub and collect the money from your sponsors if they are present.

11. Hand in completed sponsor books and money to your designated church, Junior or Senior High representative.

12. If your sponsors are not present, collect the money during the next week and return it to the high school parking lot on Saturday, Nov. 1, from 1 to 3 p.m. or at any time during the week between 11 and noon or at the Junior High between 12:15 and 1 p.m. at the office in each building or at her home, 803 W. Middle St.

Girls Varsity Cagers Take League Win

The girls' varsity basketball team earned their first league victory of the season with a 36-25 decision over Brighton.

The girls played a tight defensive game allowing few Brighton shots from within the key and controlled the rebounding. The offense moved the ball well and shot their highest percentage of the season. The scoring was well distributed among the 16 girls on the team.

High scorer was Penny Collinsworth with six points, followed closely by Mickey Bridges with five points. Teresa Breza, Sharon Donovan, Sue Schulze and Kyle Parker each put the ball in the hoop twice for four points each. Shelly Warren, Kim Moore and Teri Lutovsky share the honor of two points each, followed by Karen Keiser, Sue Heydlauff and Karen Tobin who each contributed one. A fine game was played by all and several had their best performances of the season.

This game makes the girls 1-2 in the league and 2-4 over-all for the season.

JV Gridders Roll Over Milan, 34-8

Running close behind their varsity colleagues, Chelsea's J V football team defeated Milan, 34-8, last week to run their record to 4-1 in the league and 4-2 over-all.

The Bulldogs held the Big Reds scoreless until the third quarter when Milan ran two yards for their first and only touchdown in the game.

In the first quarter of play Jeff Powell passed to Chuck Broderick for 30 yards and a TD. Mike Young marked up the second TD on a four-yard run in the second quarter giving the J V team a 12-0 lead.

Young tried his second quarter play in the opening of the third quarter only to find it worked well for him, and once again on a four-yard run he marked up another six points for the team.

Later in the quarter Steve Pennington ran extra points and marked up his own TD on a three-yard run.

A seven-yard run by Randy Harris and extra points gained by Pennington on a quarterback sneak in the fourth quarter, ran up all the points the Bulldogs needed for their 34-8 victory.

Defensively, Todd Weber and Mike Sweeney recovered fumbles. Matt McClear led in tackles with 13; Todd Weber, 9; Vic Verchereau, 9; Jeff Powell, 8; Todd Headrick, 7; Steve Pennington, 7; Jason Lindauer, 4; Jamie Bollinger, 3; Dave Schrotenboer, Steve Dresch and Rick Risner, 2 each; Randy Rinehart, Matt Fisher, Rick Beeman, Gary Packard and Mike Young, one each.

Coach John Schaffner reported that "It took the offense a half to get squared around."

Mike Young had a total of 142 yards, and Steve Pennington had 91, all on rushing.

Jeff Powell passed for 120 yards and rushed for another 54 and Chuck Broderick caught passes for 95 yards.

Schaffner said that the defense did a good job. "Milan's only score came against the second string of J V players."

This week the JV team will meet Dexter's Dreadnaughts.

UNICEF WALK-A-THON: Mrs. Paul Closson, Weber. Standing, from left, are Brad Smith, Brenda Shadon, Dave Classon, Brad Flanagan, Rhonda Nugent and Denise Geddes. The Walk-A-Thon is open to all Chelsea youth between the ages of 13 to 21.

Girls Varsity Cagers Lose to Lumen Christi

The Chelsea High girls' varsity basketball dropped another close hard-fought game, 31-41, to Jackson Lumen Christi this week.

The turning point of the game was in the second quarter when the Chelsea girls were out-rebounded, as well as out-shot by the Titans.

The Bulldogs came back in the second half to control the boards but could not make up the point deficit.

High scorer for the Bulldogs was Mickey Bridges with eight points with a strong following with Kim Moore's seven and Teresa Breza's six points. Penny Collinsworth and Shelly Warren each had four points and Karen Tobin scored two.

"M" night will be held at Chelsea Lanes at 7:30 p.m. with two separate informal meetings given by the Jaycees and the Auxiliary and special guests representing the Jaycee organization.

Following the meeting and a question and answer session, the Jaycees and the Auxiliary will host and hostess a cocktail hour and light snacks.

Persons interested in attending the evening are asked to contact Jaycee president, Mitch Zink at 475-7912, or Robert Pratt at 475-1851.

All persons between the ages of 18 and 36 are welcome to attend.

Mrs. H. Schnaidt Not Guilty By Reason of Insanity

"The place for this girl is a room in a mental institution and not a jail cell. I couldn't be more delighted with the judge's decision," said Chelsea attorney William Rademacher when speaking of the acquittal of former Chelsea resident Helen Schnaidt who has been in custody since Nov. 8, 1974 when the bodies of her two daughters were found strangled in the Schnaidt home at 219 Railroad St.

The 24-year-old woman was found not guilty by reason of insanity Monday with a verdict handed down by Circuit Court Judge William F. Ager, Jr.

Mrs. Schnaidt admitted to strangling her daughters Jean, 3, and Arlene, 2, with an electrical cord and a child's jump rope. Investigating officers reported arriving at the Schnaidt home after being alerted by Mrs. Schnaidt's Ann Arbor psychiatrist, Dr. Arcadio Ramirez who had been treating Mrs. Schnaidt. They found her in the living room.

According to Chelsea police chief George Meranuck she said, "I did it. They're in the bedrooms." Police found the girls on beds in separate bedrooms. One had been strangled with a child's jump rope and the other with an electrical cord.

Mrs. Schnaidt was placed under arrest and police contacted Washenaw County Assistant Prosecutor Lynwood Noah. She faced two counts of first degree (pre-meditated) murder.

In December Mrs. Schnaidt was ruled to be mentally competent to stand trial on the basis of a report from the Center for Forensic Psychiatry at Ypsilanti State Hospital where she had been examined.

Announcing his verdict Monday, after four days of trial, beginning Oct. 8, Judge Ager said he would have acquitted Mrs. Schnaidt whether or not psychiatrists had testified.

According to Chelsea attorney, William Rademacher, four psychiatrists were called by Prosecutor Noah and himself. The four provided major testimony in the non-jury trial. Mrs. Schnaidt did not testify in her behalf.

Noah called Dr. Dean P. Carron who practices at the Mercywood Sanitarium and Dr. Ames Robey, former director of the Forensic Center at Ypsilanti State Hospital.

Testifying for the defense was Mrs. Schnaidt's psychiatrist, Dr. Arcadio Ramirez, whom she called immediately after the killings, and Dr. Elissa Benedek, a psychiatrist at the Forensic Center who examined Mrs. Schnaidt.

Tracing the defendant's life-long history of mental illness, which Rademacher said began at the age of 12, he stressed that his client was ill, is ill and may be ill for a long time.

The prosecution was based on Mrs. Schnaidt's knowledge of right from wrong together with testimony that both murders were pre-meditated.

Under the statute for the mental health code, Mrs. Schnaidt will spend the next 60 days at the Ypsilanti State Hospital under evaluation. Rademacher said he expects that after the 60-day period is up, Mrs. Schnaidt will undergo further treatment. She has been hospitalized several times for mental illness, including two stays at Mercywood.

Bulldogs Get Homecoming Milan Victory

All Alone at Top of SEC, Preparing To Meet Rival Dexter Friday Night

They did it again. And local football fans are mighty proud of Chelsea High school's varsity squad as they rallied together despite the wind and cold last Friday evening to mark-up a Homecoming victory over Milan's Big Reds, 21-13. The game kept the Bulldogs on top in the SEC and dropped Milan to third.

Coach George Genyk of the Milan High school football team reportedly said that his team, now 3-2 in the SEC, had nothing to lose when they played Chelsea Friday night.

Coach Genyk meant nothing to lose but the game. However, to come to the Big Red's defense, they fought hard against the Bulldogs and the chilling wind, which ironically aided them in the second quarter when it was to their backs.

The Bulldogs were able to build up a 14-0 lead after only 10 minutes into the first quarter. The first TD and extra point came when Tony Robards gained possession of the ball on the 48-yard line, bulldozing his way down the field for nine yards before teammate Howard Salyer dashed the remaining 39 for the score. Rex Miles kicked the extra point and the Bulldogs began to set-up for their second TD of the evening.

Salyer put it together with an interception. Five plays later Tim Reed gained 15 yards and six points for the Bulldogs on the 35-yard drive.

With the wind at their backs, the Big Reds were able to turn the game around in their favor. After a punt by Milan's Jim Marshall from his end zone which was stopped cold by the wind on the Chelsea 18, Al Tellas scored on the first play from scrimmage. The kick by Bob Stevens marked up a 14-7 half-time score.

In the third quarter Randy Guenther gained the touchdown on a quarterback sneak, ending the Bulldogs' scoring for the evening and giving them all the points they needed for a decisive victory.

However, Milan's Big Reds attempted to regain the lead late in the game. A 71-yard, nine-play march, highlighted by a 35-yard

pass from Tellas to Bob Gruen assisted Larry Thomas who got the score on an 11-yard run.

Milan rushed for 186 yards net and had net passing yardage of 56. They were four of 10 on pass-over Milan's Big Reds, 21-13. The game kept the Bulldogs on top in the SEC and dropped Milan to third.

The Bulldogs played fine football Friday evening, dashing any hopes Milan had of an SEC title. With Dexter and Saline yet to play, coach Bareis does not want to see his team let down.

Frosh Grid Team Crushes Napoleon, 52-8

Eight players had a hand in the scoring as the freshmen rolled past Napoleon, 52-8.

The Bulldogs started fast as Greg Reed ran 58 yards on the second play of the game. Jess Colburn passed to Jeff Eibler for the conversion.

Scott Powers scored the second TD by falling on a Napoleon fumble in the end zone.

Reed got his second touchdown late in the first quarter as he burst off tackle for 27 yards behind blocks from Dan Trinkle and Gary Thornton. Joe Verway converted on this one.

Doug Clark opened the second period with his first touchdown of the season on a three-yard run, with Tom Bareis adding extra points.

The Pirates averted a shut-out when they marched down the field to score on a 22-yard run with four minutes to go in the half. The conversion attempt was good, so the half ended, 30-8.

Napoleon's troubles continued in the third quarter as Tom Bareis and Jeff Eibler tackled the punter (Continued on page three)

Cross Country Team Wins Two in Past Week

With only two more meets to go, Chelsea's 1975 Cross Country season is coming to an end.

The Bulldogs have not done too badly and their coach Pat Clarke says he is very pleased with their performances considering some of the stiff competition and difficult courses they were up against.

The Bulldogs are now ranked at 3-2 in the SEC, behind South Lyon, 4-1, and Brighton who remains undefeated. Saline holds a 2-3 ranking in the Conference with Novi trailing, 4-0.

In a double dual meet last Thursday on the Inverness course the Bulldogs just barely defeated their opponents from Saline, 23-30, but whalloped Willow Run, 18-40.

According to Coach Clarke the wide margin between the Bulldogs and Willow Run can be attributed to their relatively young team. Clarke said it was only their second year in cross country.

Saline, however, had no trouble presenting some stiff competition for Chelsea runners.

Taking third place in the meet with his best time for the home course was Phil Frame who ran the course in 16:43. Rick Haller came in fifth with a time of 17:11.

Other Chelsea placers and their times as are as follows: 6th, Morris Johnson, 17:25 his best time for the home course; 7th, John Storey, 17:28; 8th, Bill Rademacher, 17:33 also his best time for the Inverness course; 9th, Scott Beyer, 17:49 and his best time for the home course and 10th, Dean Thompson with a time of 17:56.

Clarke remarked that Thompson's 10th place was the deciding point that gave the Bulldogs the victory over Saline. Thompson also deserves recognition for the race as he had just returned after recuperating from a lung infection.

Finishing 14th in the Saline meet was Mark Bucholz who has shown great improvement this season. Bucholz brought his time down by 30 seconds over all previous times marked up this year. He ran the course in 18:18.

Against Willow Run, the Bulldogs were able to mark up some higher places. Phil Frame, 1st; Rick Haller, 2nd; Morris Johnson, 4th; John Storey, 5th and Bill Rademacher, 6th.

Saturday the team traveled to Manchester where they congregated with 11 other teams for the Manchester Invitational. Despite the cold, wind and drizzle, Coach Clarke and five members of his team showed up to run in the invitational, returning to Chelsea with three medals.

In the Junior division Phil Frame placed 8th with a time of 16:43. Rick Haller placed 10th with a time of 16:50. In the Freshmen division, Scott Beyer placed 7th with a time of 17:50.

Wednesday, the Bulldogs met with Ann Arbor Pioneer (too late for this week's edition).

Boost from the Beetle?
Steel makers of Germany's "Beetles" set up show alongside the American car manufacturers who've made Michigan the automotive capital that it is?

Yes, is the response from some top-level folks.

Despite the financial problems American car makers have experienced of late, these officials—

from industry, labor, academic and government—believe a Volkswagen plant in Michigan could help spur the state's economy.

Latest advocates of wooing VW to the "water wonderland" are Democratic legislative leaders, House Speaker Bobby Crim of Davison and Senate Majority Leader William Fitzgerald of Detroit.

They say they'll push for a Michigan team to sell Volkswagen on locating its talked-about U.S. plant in this state.

"We need jobs from wherever we can get them," Crim says.

The plot follows a recommendation set forth earlier this fall by a "blue ribbon" Economic Action Council charged with making suggestions for boosting Michigan's economy.

In the first of two reports—the second is to come next year, and will deal with long-range economic goals—the council noted that "large American manufacturers have for years shown little reluctance to establish manufacturing plants abroad to compete effectively in expanding world-wide markets."

Now, the council said, foreign car makers may be taking the same tack—and Michigan should make every effort to win them as investors.

"Depending on the extent of the operations established here, (VW's) investment could exceed \$1 billion and would certainly create thousands of jobs in the community and state where it locates."

"Bargain" That Isn't
Boaters and duck hunters who buy life jackets or vests labeled "factory seconds" may be taking the first step toward danger.

Michigan's Department of Natural Resources recently issued a warning about such products now on sale in some sporting goods stores.

"They just aren't safe," says James R. Walker, DNR recreation safety officer. "Life jackets being advertised as reconditioned devices, which may appear to have been damaged in some way, will not aid in saving your life," he says.

Experts figure someone collected a batch of factory rejects and reconditioned them for resale without proper U. S. Coast Guard inspection and tagging.

But Walker warns that they just might not do the job if a duck hunter or boater gets into trouble in the water.

"It amounts to one's values—of his life or a couple of bucks savings on a 'bargain,'" Walker says.

The law requires one life jacket for each occupant of a boat, and

those jackets must bear the Coast Guard label of approval.

Bonus Popular
"Free money" going unclaimed?

The situation may not be quite that drastic, but figures cited earlier this month by the Department of Military Affairs indicate some 62,000 Michigan Vietnam era veterans still have not filed claims for the state-paid bonuses due them.

"We hope they will apply while we still have a full staff operating to process the forms," says Captain Michael J. Rice, director of the department's bonus section.

Some 348,000 of the estimated 410,000 men and women eligible for the bonus already have applied. And about 257,000 have received their shares of the \$125 million in bonus money paid out since Feb. 26.

In order to qualify for a bonus, a veteran must have been a resident of Michigan for at least six months before entering the military and must have been on active duty at least 180 days. Eligibility period extends from Jan. 1, 1961, through Sept. 1, 1973.

Who Should Pay?
Hasstes over who should foot the bill for police and fire protection of state-owned property and buildings—the state or the community where the property is located—keep being renewed.

A proposal by Republican Roy Smith of Ann Arbor is the latest to surface in Lansing. He says the state should pay an amount equal to 25 percent of the sum that would be due in taxes if the land were not state-owned. Under Smith's proposal, recreational lands and facilities would be exempt from the payment requirement.

UNICEF Treating Homecoming Win

(Continued from page one)

Mrs. Paul Closson who chairs the drive, sponsored by Church Women United, encourages all Chelsea youngsters between the ages of five through the 8th grade to participate, costumed or not.

Mrs. Closson said that the children will be going door-to-door Saturday afternoon with small orange boxes in which residents may put their donations for UNICEF. Proceeds from the drive go to the children's emergency relief fund.

Mrs. Closson added that this year is a special one for UNICEF. "It's their 25th anniversary."

Following the Trick or Treat for UNICEF, all participating children are invited to the Chelsea United Methodist church on Park St. for cookies and Kool-Aid.

More than 33 million 4-H alumni continue to live the 4-H motto: To Make the Best Better.

PASSBOOK CERTIFICATE

TERM 72 MONTHS
8.03% EFFECTIVE ANNUAL RATE

What other investments pay you 7% per annum AND insure you against loss up to \$40,000? AAFS Passbook Certificates do pay you 7% per annum, are insured to \$40,000 and are available to small as well as large investors. They can be had in amounts as small as \$1000 with term of six years. This is the kind of investment you can put away and forget, yet be pleasantly reminded of every three months with a handsome interest check. You don't have to worry if the Dow is up or down, whether there is a shoveler or head on the charts or Uranus has just been invaded. Remember, too, you can leave the interest to accumulate with monthly compounding and you will double your money in nine years. Interest accumulations can be withdrawn anytime without penalty.

Use these 7% Passbook Certificates to provide money for college, accumulate large sums for retirement, or provide worry-free income during retirement. Early withdrawals from certificate accounts earn 5% less 90 days interest.

N. Smith Opens Travel Series

(Continued from page one)

es, the spectacular Monkey dance and the unusual Trance dance. Viewers will marvel when the queenly women of Bali parade to the temple with offerings of fruit that sometimes weigh as much as 150 pounds.

Smith whose hometown is Burlingame, Calif., offered his first film-lecture in 1936 and to date, he has produced 15 travelogues.

Col. Smith began his adventurous career at the age of 17 when he paddled the entire length of the Danube River in a canoe. There followed, interrupted in the early years by the educational process, adventures in the South Seas, and the Guianas, exploration of the remote interior of the island of Hainan, six months in the Devil's Island Penal Colony and he was the first to photograph the world's highest waterfalls, Angel Falls, from its base. Among other "firsts" he made the first round trip over the fabulous Burma Road in the interior of China—during the rainy season!

Perhaps his most unusual adventure was his caravan journey across Western Tibet to Lake Pangong, the first of the great salt lakes of Central Asia, and the Hidden Valley of Himis, believed to be the fictional setting for "Lost Horizon," the famous book by James Hilton.

During World War II Colonel Smith was a secret agent for the OSS in Vichy, France and in Thailand, and in this effort he had many exciting adventures.

With such a background it would be expected that he would go into the travelogue field. While many of his exciting experiences could not be recorded on film, so many of them have been that, he has produced an astounding variety of travel and adventure films—all over the globe. He has a genuine interest in the people of the countries he films, which is evident not only in the pictures—but in his fascinating and amusing narration.

Aside from his contribution to the field with personal appearances, Smith has appeared on television and has received the "I Search for Adventure Award" and the "Golden Galleon Achievement Award" for his outstanding contributions to the "Golden Voyage" television programs during 1955, '56 and '57. Four of his films have appeared on "Bold Journey."

He has written numerous books and his magazine articles have appeared in such publications as "National Geographic Magazine" and "Cosmopolitan Magazine."

He is a member of the Adventurer's Club, Chicago; Explorer's Club, New York; Fellow Royal Geographic Society and the Royal Central Asian Society, London.

Tickets for Saturday evening's travel adventure may be purchased from Kiwanis club members at the door, barring a sell-out of the program.

Frosh Grid Team Crushes Napoleon, 52-8

in the end zone for a safety on a bad snap.

Joe Verway opened the final period with a four-yard touchdown run. Al Augustine converted. Then Chuck Young scored on a 10-yard dash, and Reed got the final points on an 18-yard quarterback keep for his third TD of the night.

The defensive effort was led by Tom Barais who had nine tackles and the safety, Bob Ostrander who recovered a fumble and made several nice tackles, and Scott Powers who scored on a fumble recovery. "The offensive line of Baries, Powers, Eibler, Gary Thornton, Scott Price, Joe Keiser, Steve Marriott, and Dan Trinkle deserve credit for ripping big holes in the Napoleon defense enabling the Bulldogs to total nearly 400 yards," said freshman coach Bill Bainton. It was a great victory for the freshmen team raising their record to 3-2 with games left at Tecumseh, Oct. 22, and Saline, Oct. 28.

Reading Council Opens Fall Series Next Monday

The Washtenaw Reading Council will begin its 1975-76 series of programs Monday, Oct. 27 at Haisley school, 825 Duncan, Ann Arbor from 4:30 to 8:30 p.m.

The first in the series begins with "A Cluster of Interesting People," featuring such individuals as Ross Ellis, principal of the academic division of Jackson State Prison who will speak on "I Don't Want Your Kids at My School." Ellis will present a view of the effects of reading disability seldom discussed and will make practical suggestions for the teacher. Also speaking will be Patricia Skinner from Okemos Public Schools. She will offer a special session for secondary teachers entitled "Questioning a La Herber." The talk will deal with some applications for questioning techniques as suggested by Harold Herber.

The third speaker of interest is Dorsey Hammond who will discuss "Strategies for Critical Reading." According to Wanda Montibeller of the Washtenaw County Reading Council, "This session is guaranteed to send teachers back to the classroom with new ideas to teach comprehension for the next day."

Non members of the Reading Council may purchase a ticket at the door for \$2. Dinner will be served from 6-7 p.m. with advance reservations required.

For further information call Reading Services, Washtenaw Intermediate School District, 769-6522, ext. 238.

Earle Pettibones Observe 65th Wedding Anniversary Sunday

Mr. and Mrs. Earle W. Pettibone of 2220 N. Dancer Rd., were honored Sunday by their daughters and son-in-law and some 100 friends and relatives on the occasion of their 65th wedding anniversary. The couple were married Oct. 19, 1910 in Ypsilanti.

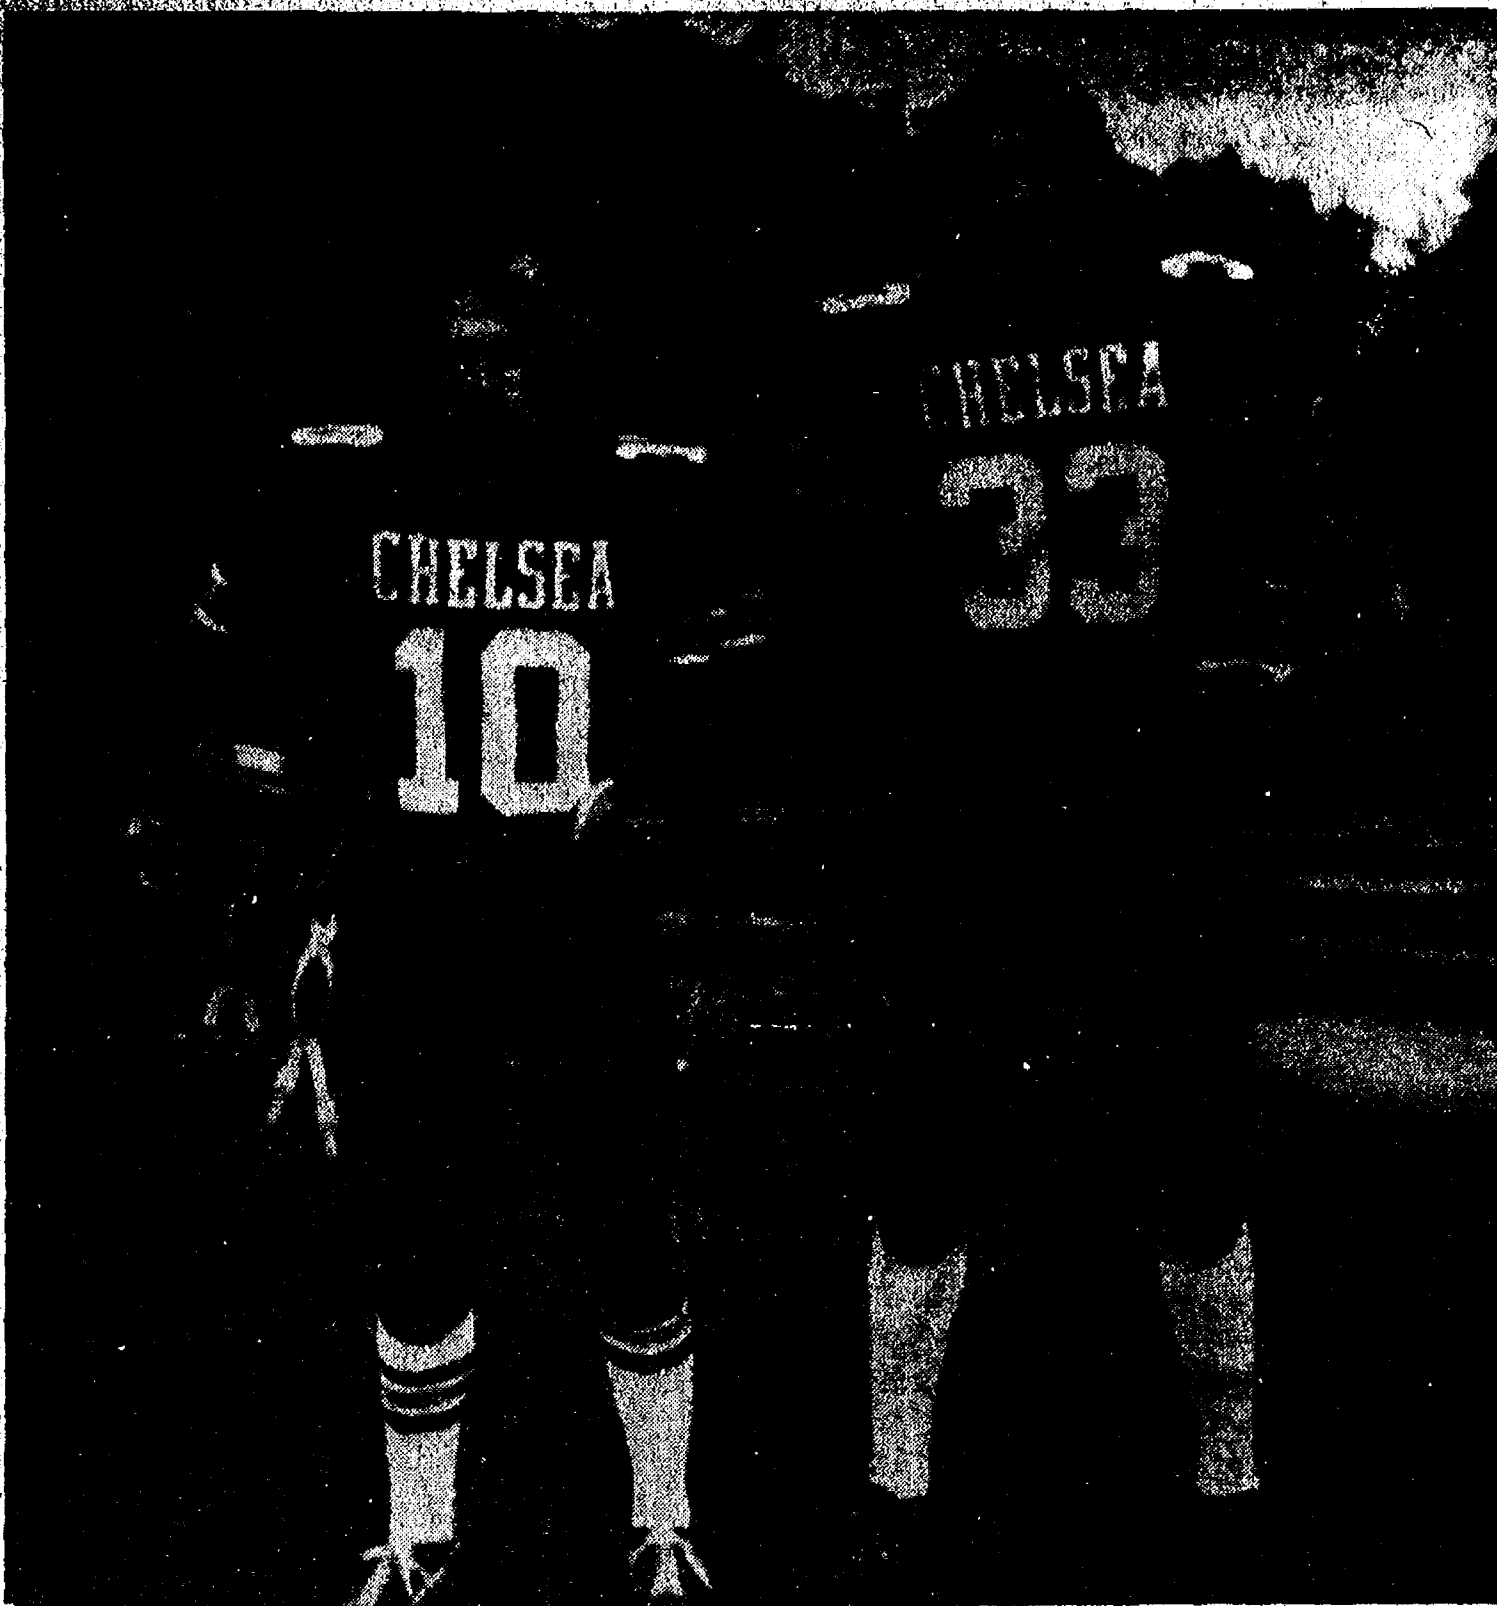

Giving the Sunday afternoon open house for their parents were Mr. and Mrs. Floyd Fowler of Dexter and Mr. and Mrs. Richard Fowler. Guests from Midland, Alma, Adrian, Jackson, Chelsea, Dexter, Ann Arbor, Dearborn, Farmington and Detroit attended. Following their marriage in 1910, the Pettibones lived on a farm in Superior township until 1926 when they moved to 2350 N. Dancer Rd. In 1957, the couple built their present home. Mr. Pettibone is a retired farmer.

JOHN TOON (10): Smiling with the spark of the hunt in his eye, junior halfback John Toon arrived at Chelsea High Monday afternoon following his first afternoon of pheasant season. "I intend to go right out there again after practice," he said. "Did you get anything?" "One pheasant."

"And you intend to eat it?" "Yeah." Aside from an avid interest in hunting, John Toon has an avid interest in the Bulldogs and a conference title. What was formerly a feared contest with Saline (the Hornets now have a 3-2 season) Toon is not worried about an Oct. 31 victory for the Bulldogs. "It's Lincoln we've got to beat. Then even if Saline were to defeat us, which they won't, we would still take the title." In the spring John will wind up for a season on the varsity baseball team. The son of Mr. and Mrs. John Toon of 135 E. Middle, John has a brother, Jimmy, 9, and two sisters, Karen, 16, and Bobbi, 15.

TONY ROBARDS (33): For a junior on the CHS varsity football team, for any player for that matter, Tony Robards has the power of a bulldozer. He takes the field and seems to merely push his opponents out of his way. The 6'1" 185-pound fullback appeared to possess a certain amount of modesty considering he is one of a few juniors to play first string from the opening of the '75 season. Following a fine season of football, Tony will start right in on basketball and then he says his plans are to "relax." The son of Mr. and Mrs. Jim Robards of 13204 Luick Dr., Tony has no one to follow in his footsteps, he has four sisters.

Gayle L. Robbins, Daniel Swinford Exchange Vows in California

Gayle Lynn Robbins and Daniel Wayne Swinford exchanged wedding vows in the First United Methodist church, Imperial Beach, Calif., on Saturday, Oct. 11, before the Rev. Stuart Elson, their friends and family. Gayle was given in marriage by her parents, Mr. and Mrs. Ross Robbins, of 14001 1/2th Rd., Grass Lake. The bride's brother, Scott, served as ringbearer and her brother, Richard, acted as best man. Parents of the bride were Mr. and Mrs. Ross Robbins of Grass Lake, and Mrs. Dora Swinford of Cheltenham, S. C.

The former Miss Robbins was dressed in a floor-length, natural, multi-strapped gown with laced bodice accented by full-length embroidered floral motif panels. The long sleeves were trimmed with lace, and a full full skirt with a full train framed her bouquet of roses, carnations and baby's breath. Her wide-brimmed hat was trimmed with a long, flowing veil.

Mrs. Robbins, the bride's mother, chose a blouse of ivory tulle with a train of ivory tulle and a long, flowing veil. A reception after the ceremony was held in the Spanish-style courtyard of the couple's apartment.

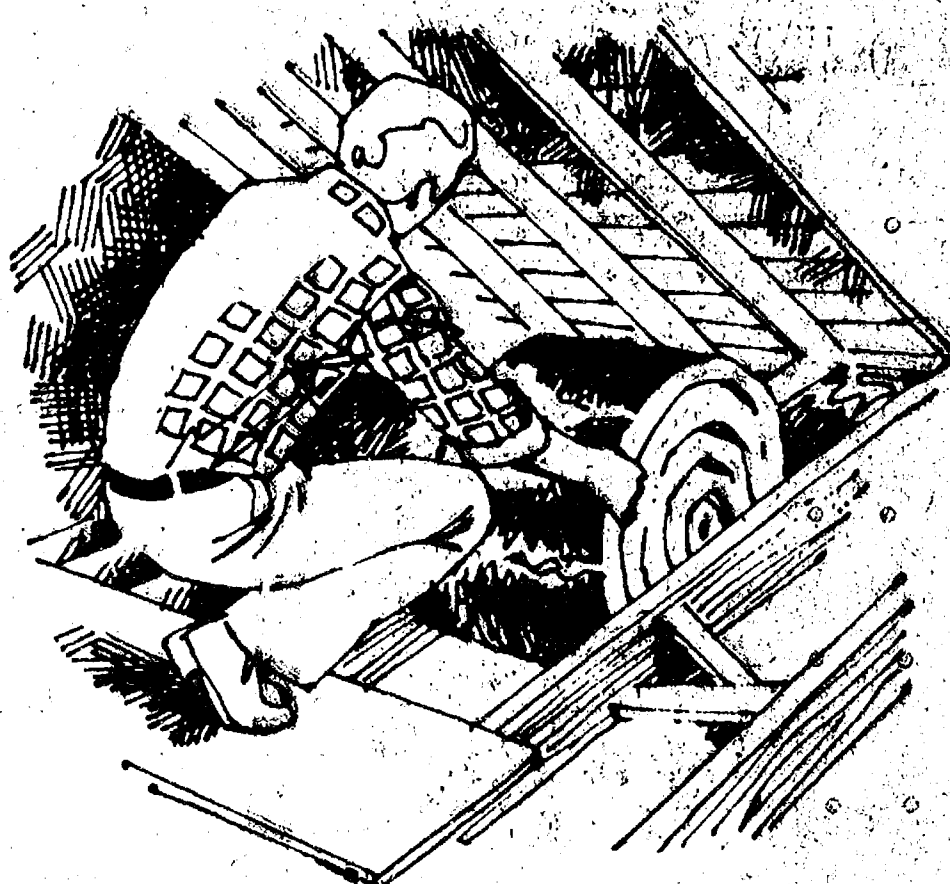

The couple will reside at 1011 First St., Apt. D, Imperial Beach, Calif. They are both members of the United States Navy. Gayle is a Petty Officer and Class and Dan is an Aviation Electronics Technician with service on the USS Independence aircraft carrier. Gayle attended schools in Ann Arbor and graduated from Chelsea High School in 1971. She also at-

Save money in your attic this winter.

Insulate!

At the direction of the Michigan Public Service Commission, Michigan Consolidated is again offering a low-cost home ceiling insulation program designed to conserve Natural Gas and hold down heating costs.

Last year, nearly 42,400 Michigan Consolidated customers installed ceiling insulation, saving over one billion cubic feet of Natural Gas, and cut their home heating costs by up to 17%.

These results were gratifying indeed. Enough Natural Gas was conserved to heat over 7,600 additional homes this winter.

If you still haven't taken advantage of this easy, low-cost program, now's the time to act. Many homeowners can install insulation themselves for about \$125. Our free handbook

tells you how. Get your copy at any Michigan Consolidated Business Office, most building supply outlets or write or call us.

Or, we can have the job done for you by one of our participating subcontractors and add the cost to your monthly gas bills. The cost? About \$250 for homes with less than 1,000 sq. ft. of ceiling area. You can pay cash. Or, you can pay over an extended period at an interest rate of 1% monthly on the unpaid balance. (ANNUAL PERCENTAGE RATE OF 12%.)

So why not save money in your attic this winter with our low-cost ceiling insulation program? You'll be cutting your heating costs up to 17% and helping our country conserve its Natural Gas supplies, too.

Dear Editor,
An open invitation to Fair superintendents, activity chairpeople and Fair supporters:

The Chelsea Fair Board would like to share an evening of fun and fine food in appreciation of your support of the 1975 Chelsea Community Fair. The supper will be in the Fair Service Center on Thursday, Oct. 30 at 7 p.m. Please bring a side dish to pass and your own table service. Meat is furnished by the Fair Board.

This get-together is our only chance to thank many of you in person for the splendid contributions made to the Fair. We sincerely hope you all know how valuable your help is and will be able to attend. We must have a number so please call and let us know you're coming. RSVP: 475-7878 or 475-8415.

Sincerely,
Earl Heller, president
Community Fair Board

To the Editor:

We wish to support the efforts of your Chelsea Fire Department, and the vital effort of all firemen in their efforts to reduce fire losses during Fire Prevention Week. We also wish to lend our support to the Insurance Underwriters in this same campaign.

Since the start of our fiscal year July 1, 1975 we have served 38 families to recover from one family fires. Disasters of this type are at a new high for our agency this year and we have already expended over half the amount budgeted for the entire remainder of our fiscal year ending June 30, 1976.

Our Disaster Action Committee is continuously alerted to the fact that individual families need to be made more aware of fire hazards in their apartments, homes and businesses. We support Fire Prevention Week, but more importantly we want to remind everyone to practice fire prevention every week in the year.

To the School Board,

We thought it appropriate to bring up this question this week while you're celebrating National School Lunch Week, "When are our children at North and South schools going to receive hot lunches?"

Girls JV Cagers Lose Twice in Past Week

The Chelsea J.V. girls' basketball team suffered two defeats last week.

On Tuesday they lost a close contest to Brighton by a score of 21-16. They were down, 19-8, at the end of the game in the fourth quarter. "Unfortunately the six-minute quarter ran out before we could pull it out," said coach Cindy Bradbury.

High scorer for the game was freshman Cindy Welshans with six points. Adding points were Joan Lutovsky, Jackie Lamb, Linda Breza, Tracy Hawker, Nancy Knott and Sheryl Kiel.

On Thursday the girls traveled to Jackson Lumen Christi where they played almost an identical game except this time they lost by only three points. At the end of the third quarter they were trailing, 19-11. "Again we took control in the fourth quarter and again the clock ran out with the score 23-20," said Bradbury.

Leading scorer for this game was Nancy Knott with seven points. Also scoring were Lori Miles, Jackie Lamb, Linda Breza, Sue Heydlauff, and Cindy Welshans.

"We have played five games since our three top scorers were promoted to the varsity team. In those five games we have cut our margin of defeat from 40 points to three. If the trend holds our first victory is in the near future and I am very confident that once we win that first one we will continue to win. In three of those five games, freshmen have been among the top scorers and we are looking forward to a much more successful second half of the season," concluded Bradbury. The girls are 2-5 over-all and 0-3 in the league.

Entered in Nat'l Hole-in-One Sweepstakes

Phillip Boham of 122 S. East St., is eligible to win a free trip to Scotland and \$1,000 as a result of scoring a hole-in-one at the Inverness Country Club last summer.

In a phone interview Boham had no trouble remembering the date of the lucky day. . . it was Aug. 3 on the fifth hole with an eight iron. "This is my second one," he remarked. The first was seven years ago on the Huron Municipal course in Ann Arbor, again on the fifth hole. Five seems to be a lucky number for Boham; he just hopes it will help him to win the trip and cash.

According to Boham, persons all over the United States who have shot a hole-in-one can qualify for the 15th annual Rusty Nail Hole-in-One Sweepstakes if their club pro enters them. The competition is a national one sponsored by the Drambule Co. of Edinburgh, Scotland.

The winner will be announced early next year.

United Way Still Falling Short of Goal

Chelsea United Way Industrial chairman Jerry Heller wants to make a public plea to area industries and workers to donate a little extra to the United Way campaign.

According to Heller, industrial pledges have fallen some \$5,000 short of their projected goal. When asked why, he said he believed contributions may have dropped because of United Way advertising that appeared on local stations during the airing of the CBS program "Guns of Autumn." Heller believes people may be boycotting the drive because of the program and the recent furor over gun control. However, he said that with the economy down, "some people do not have the extra bucks to kick back in right

now, even though they may depend on United Way services."

Heller attributed the misunderstanding to the sponsor who was to have advertised for the program on local stations backing out at the last minute. Apparently the United Way was given the air time. "People have the idea that the United Way sponsored the program and that is just not so," he said.

He believes that almost every family in Chelsea has benefited at one time or another from United Way monies and encourages those who can afford to do so to give a little extra this year, a little extra to help Chelsea meet the '76 goal.

Checks may be made out to the United Way, in care of P. O. Box 176, Chelsea.

National School Lunch Program Observed Here

Chelsea High school students and those at Beach Middle school were among students all over the nation who enjoyed an "All American Lunch" last Wednesday. Purpose of the universal menu was to help celebrate National School Lunch Week. According to Mrs. Elsie Weiss, every child in schools throughout the nation that participated in the school lunch program were eating the same thing.

At Chelsea High school, the staff decorated the cafeteria and dressed in red and white uniforms. Free lunches were given to one student in each line that had the lucky plate. Free lunch winners are Beach Middle school; Amy Eisenbeiser, 6th grade; Sandy Keiser, 7th grade; Jamie Foster, 8th grade; and Becky Foster, 5th grade. At the high school Don Sullivan, Kathy Pierce and Don Joseph enjoyed free lunches.

Mrs. Weiss said that this is the 30th year for the school lunch program. "We must encourage our children to participate in the program. One of our main reasons for the lunch program is to maintain and improve the health and education of our children, to try

new foods and to learn about nutrition."

Mrs. Weiss continued, "Students should learn why we have only type A lunch in Chelsea schools, why we put vegetables on their plates, etc."

She added that participation is good among students in Chelsea schools but that she would like to see every child in the system eating in the cafeteria.

The National School Lunch Association was formed in 1946.

Band Students Begin Annual Fruit Cake Sale

Chelsea High school band students and Beach Middle school band students will begin their annual fruit cake sale Friday, Oct. 24, taking door-to-door orders from area residents, according to Mrs. David Classon, chairman of the committee.

Mrs. Classon remarked that the sale of the fruit cakes and the success of the project is important to both schools. Proceeds are used for various band improvements, such as uniform replacement and upkeep, band camp, instrument purchases and other equipment.

"Those who have ordered the cakes in the past have known the quality to be excellent," she said, and advised placing orders early.

Those persons who are not contacted by either Beach or high school band members, may order fruit cakes by phoning Mrs. Jerry Durgin at 475-1285.

SEC. ROUND-UP:

Chelsea All Alone on Top As Brighton Defeats Saline, 8-6

What's the buzz? In Chelsea this week, it's the Bulldogs victory over Milan's Big Reds. A Homecoming win that will keep Phil Bareis, his team and local football fans smiling until Halloween when the Bulldogs will match their wits against those of the Saline Hornets, whose sting this season has not been as sharp as everyone thought it would be.

Chelsea 21, Milan 13—

The Bulldogs did it again, making it five wins and no losses. Despite the cold and wind, a large standing-room only crowd turned out Friday evening to watch the Bulldogs defeat the Big Reds, 21-13.

Whether it was the rooting of the crowd or the cold that kept them going, the Bulldogs' first score came when Tony Robards gained the ball on the 48-yard line, barreling down the field for nine yards before teammate Howard Salyer took over the effort, going the remaining 39 yards. Rex Miles kicked the first of three extra points.

Salyer set up Chelsea's second score with an interception. Five plays later, Tim Reed marked up another six points when he ran to the weak side for 15 yards.

The Big Reds with the wind at their backs were able to light the scoreboard to make it 14-7 at half-time.

Randy Guenther gained the touch down on a quarterback sneak seven minutes into the third quarter. Milan attempted a comeback in the fourth quarter, scoring a touchdown and threatening another before Mark Dalton made an interception which curbed the attempt.

Brighton 8, Saline 6—

The Hornets suffered their second loss of the 1975 season at the hands of the Brighton Bulldogs.

After a scoreless first half, the Bulldogs scored following a Hornet fumble and made the two-point conversion that proved to be all the margin the Brighton team needed for their victory. Scoring the six was Tom Babineau. Dean Clark ran for the two-point conversion from the three-yard line. The Hornets who had entertained hopes of a possible tie for the SEC title lost them Friday evening.

Lincoln 19, Novi 14—

Despite the fact that the Railsplitters kicked off their season on the wrong foot, losing their first two games, they seem to have been able to separate the right from the left and are now billed as "one of the hottest teams in the Washtenaw county area." What's more they may tie for the Southeastern Conference title.

In their game with Novi played last Friday night, the Railsplitters

were able to boost their SEC record to 4-1 on a 19-14 score over Novi. The Railsplitters saw the lights glitter on the scoreboard in the opening quarter when Dean Amrhein tallied on a three-yard run. Novi then tied the score, 7-7, in the second quarter on an eight-yard run by Randy Rowlen.

Regaining the lead early in the fourth quarter on a one-yard run by George Czinski, the Railsplitters met with a hard pressed Novi team who brought the score to 14-13. With 1:10 left in the game Czinski found Tim Smith with a seven-yard touchdown pass and the victory.

South Lyon 20, Dexter 14—

It must have been an enthusiastic Homecoming crowd that got the Lions off their tails and into the arena last Friday night. With a season of losses behind them the Lions took their homecoming

CIVIL ACTION
No. 75-15604 DO of No. none
Judge Edward D. Deake
ORDER TO ANSWER
At a session of said Court held at the County Building on Sept. 29, 1975 in Ann Arbor, Michigan.
Present: Honorable Edward D. Deake, Circuit Judge.

It is Hereby Ordered that the defendant,

Former Chelsea Girl on MSU Livestock Judging Team

Jo Nevill, formerly of Chelsea, has joined the Michigan State University livestock judging team which is competing against other university teams from around the country.

This fall, students will stage a mock session with Ohio State University and then go to Virginia, Kentucky and Tennessee. Dr. David Hawkins, associate professor of animal husbandry and coach for the team, said that students learn to evaluate beef cattle, sheep, swine and horses. They attend classes to learn about livestock and tour farms in Michigan and the Midwest.

For example, in one class, students judge Suffolk breeding ewes by examining the fatness of the ewe, the length of the loin, the depth of the loin, the length of the rump, the plumpness of the leg and the Suffolk breed character. A 1971 graduate of Chelsea High school, Miss Nevill is the daughter of Mr. and Mrs. Richard Nevill, who are now residents of Hollywood Fla. She is an MSU senior majoring in animal husbandry and is a member of the MSU Block and Bridle Club and the Little International Spring Roundup.

Students evaluate the animals and though they may take notes during each session at the contests, they may not use them while presenting the reasons for their choices. Winners are determined by how well their evaluations correlate both individually and as a team to government grading. "Students learn to verbalize their decisions and organize themselves," Hawkins said.

With a background in animal husbandry, students may work as livestock buyers, as 4-H agents, as herdsmen, pursue graduate study in animal husbandry or go to veterinary school. The Block and Bridle Club and the Department of Animal Husbandry pay for MSU students' travel expenses.

St. Louis School Notes

The boys at St. Louis school returned from their second week-end home with their families this year laden with costumes for Halloween. Fr. Umberto Mellare reported that for the boys October means only one thing, the Halloween celebration. And celebrate they will, beginning Oct. 21, when the Civitan

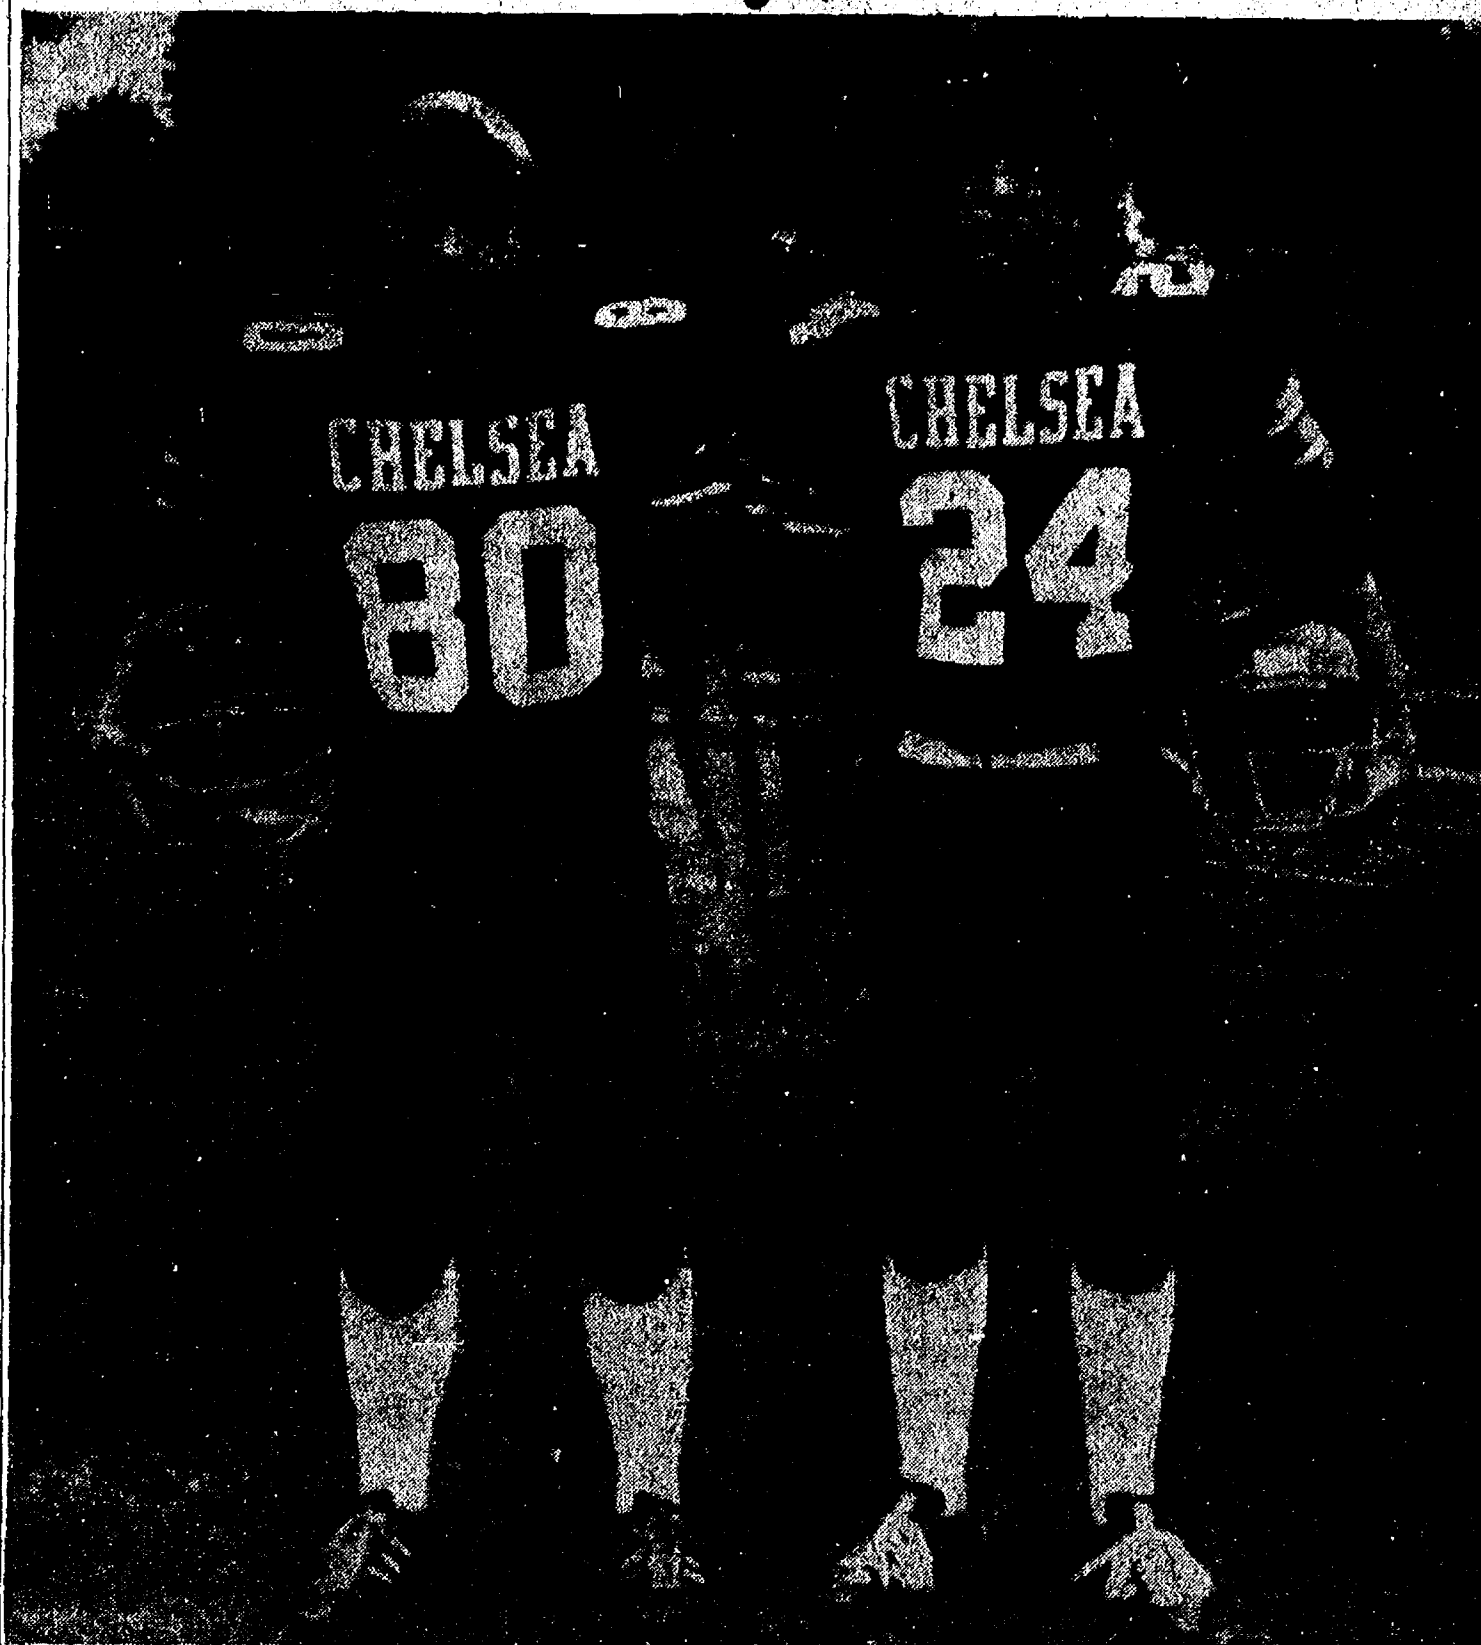

Club will arrive at the school with pumpkins for carving. On the 28th of this month students from the U. of M. will give the boys a Halloween party, followed by the school's own party on the 29th. Fr. Umberto remarked that by then they should be "Halloweened out."

Prior to Halloween festivities at the school, the boys, staff and Priests of St. Louis school will honor the founder of the Service of Charity, Louis Guarella, with a feast Oct. 24. The feast day will begin with a morning mass followed by a banquet, a trip to the Dairy Queen, and a field trip in the Chelsea area.

Keeping up with the St. Louis school football team, the boys played their second game of the season last Friday taking a 21-14 overtime victory against Coldwater Evergreen.

While the boys were visiting families last week-end, the priests of St. Louis school spent the week-end in Philadelphia with their Superior General. Purpose of the meeting was to discuss the school's educational program, financial status, potential improvements and to share experiences in working with mentally and emotionally impaired children.

Gridders of the Week

JOEL SPRAGUE (80): Senior end both offense and defense for the Bulldogs, Joel Sprague is quite candid when he says that "baseball is my main sport." Why? He thinks he is better at it. Though he cannot help the grin that spreads across his face when someone mentions the Bulldogs' winning football season. He's glad to be a member of the team. Aside from sports interests Joel is a member of the Key Club. He is the son of Mr. and Mrs. James F. Sprague of Clear Lake and has one sister and four brothers.

RANDY GUENTHER (24): With three sports occupying most of the time on his calendar, varsity football, basketball and baseball, senior quarter-

back Randy Guenther really does not have much time left for extra-curricular activities. This is his third year and his "best season" with CHS varsity football team. Attributing the winning season to "seniors who really care," Randy said that the club is mostly comprised of senior players. As a junior he played a lot and saw a lot of action but as with most varsity sports it is the seniors who spend most of the time on the field. Randy plans to continue his education when he graduates from CHS in the spring and says in college he will "play something." Though he has not made a commitment as to whether that something will be football. The son of Mr. and Mrs. Elton Guenther of 601 Grant St., Randy has two sisters.

victory, 20-14. Sophomore Jeff Bridson led the way by gaining 107 yards and catching three passes for 68 yards. He was able to accomplish it all behind the blocking of halfback Jim Stevens.

At the half Dexter took the lead, 14-12. After a scoreless third quarter, South Lyon marked up the winning points when Dave Sheldon scored on a one-yard run and pitched a two-point conversion pass to Mike Kozara.

TROOP 145—

Brownie Troop 145 held their meeting at the home of Audrie Robertson on Old US-12. We walked to a nearby orchard to hold our investiture to officiate the new brownies in our troop. After our investiture, we barbecued our hot dogs and hamburgers and ate out of doors. Mrs. Westphal came to help. We ended our meeting with taps and all went home full.

Audrie Robertson, scribe.

TROOPS 82, 442—

Troop 82 and 442 made some plans for a troop Halloween party and worked on making our own looms for weaving. Later we played some games. Dawn Murphy brought treats. We chose Kim Boyd and Amy Eisenbeiser to be our troop scribes. Bonnie Faircloth will be our Intertroop Council representative and Sharon Buckenburger will be the substitute.

Amy Eisenbeiser, scribe.

TROOP 169—

ALL ABOUT FOOD

F.A. KENNEDY

Today I have some advice for any young lady who has more than one suitor...and is interested in picking the right one for matrimony.

However, I feel it only fair to tell you that this advice is over four hundred years old, and that it was given by an English writer named, so help me, Barnabe Googe.

Anyway, Barnabe recommends that you write the names of your boyfriends on a bunch of onions, and set the onions on a shelf. Then just wait and watch. The onion bearing the name of your husband-to-be will be the first to sprout!

Well, as you've no doubt figured out by now, today's subject is onions. And as long as I'm passing out free advice on matters romantic, I might as well share some with the men. However, this advice is even older, having come from the pen of a Greek writer named Xenophon about 390 B.C.

His suggestion was that a husband could prove his faithfulness to his wife by eating onions every day, which was proof that he had no intention of embracing another woman!

Well, I don't have any more advice for lovers, but I can wrap this up with a few more valuable tips.

For example, if you want to keep your windshield from frosting in winter weather, rub the cut side of an onion over it. If you want to keep your eyes from watering when you slice an onion, slice it from the top rather than from the root end, and do it under running water. And if you want to take home the finest food bargains in town, shop Polly's. That won't make your eyes water, either!
