Bulldog Grid Team Sinks Dexter, 40-12

Chelsea's Bulldogs marked up one more victory Friday evening when they trampled Dexter's Dreadnaughts, 40-12, to make their season record stand at a fine 6-0.

The Bulldogs got off on the right foot when senior halfback Howard Salyer scored two touchdowns in the first quarter. Salyer's spirit and skill was contaminating to his teammates, encouraging more touchdowns until the score mounted to 40, assuring the Bulldogs a decisive victory.

Salyer's first touchdown was scored on a 4-yard punt return. He later ran 11 yards to put the Bulldogs at a 13-0 lead in the fourth quarter.

A 20-6 half-time score lead was put together when Tony Robards gained 169 yards in 15 carries, scoring on a one-yard run.

Came when quarterback Darrel Varrelmann hit Mark Ianni with a 20-yard scoring loss.

The Bulldogs marked up three more touchdowns in the second half of the game. Randy Guenther and John Collins were able to put the ball over the line via the rushing route. Guenther ran 51 yards in eight plays, finishing off the effort with a three-yard run for the TD.

The Bulldogs will clinch the SEC title provided they defeat Saline Friday evening and provided that Lincoln's Railsplitters do not mark up another victory.

DON NADEAU (44): Junior tight end Don Nadeau has spent much of this year playing behind two seniors and says he is going to work hard at gaining a first string position on the varsity football club in '76. However, Nadeau has not been tied to the bench all season, he has seen action in the Tecumseh, South Lyon and Dexter games. In the winter Don can be found hockey stick in hand on Cedar Lake and in the spring running around ball diamonds. He'll mark up his second year in varsity baseball this spring. The son of Mr. and Mrs. Douglas Nadeau of 19850 Old US-12, he has three brothers and one sister.

JOHN ADAMS (22): Junior safety and fullback John Adams has learned a lot about football from the sidelines. Like most juniors on the varsity team, John has seen action only when the Bulldogs have marked up a wide margin between themselves and their opponents. "It's frustrating," he admits, but quickly adds that he did play in both the South Lyon and Dexter contests. An avid skater John, hopes to see the western slopes during the CHS four-day break this February before beginning training for his first season in varsity baseball. John has one brother and is the son of Mr. and Mrs. Eldean Eisele of 616 Flanders.

Girls JV Cagers Nearly Upend Lincoln Team

Chelsea Girls' JV basketball team hosted Lincoln last Wednesday and came up on the losing end of a 29-27 score. "We were never behind by more than six points and the score was tied several times," said coach Cindy Bradbury. She continued, "The girls

played their best game of the year so far and it was really a team effort with nine girls putting points on the board."

The season has been an uphill climb and if the trend once again holds true, the girls are now within one point of a victory.

High scorer for this game was a first-year player, Tracy Hawker, with seven points. Adding four points each were Jackie Lamb and Sheryl Kiel. Other scorers were Joan Lutovsky, Gail Hume, Lori Miles, Sue Heydlauff, Cindy Welshans and Veronica Satterthwaite.

HOSTING FOREIGN GUESTS: Late last summer, the John Hafers of 8912 Werkner Rd. hosted two Japanese college students who were touring the United States for 60 days through the Youth Exchange Services, International, a division of People to People. Purpose of the 60-day tour was to brush up on the English they were studying in their homeland universities and to see the American culture first-hand. Mrs. Hafer reported that the family thoroughly enjoyed their guests of five days and that they hope to participate in the program again next summer. Pictured with the girls, Keiko Mori (center) and Yoriko Chito (left) is the Hafer's daughter, Suzanne, who is now a freshman in pre-medical studies at the University of Toledo. Angered by the stamp tax levied to defray the cost of British troops, delegates from nine American colonies met in New York for the Stamp Act Congress on Oct. 7, 1765. Out of the Congress came a Declaration of Rights protesting taxation without representation and a list of other grievances which were dispatched to the king and both houses of Parliament. The Stamp Act was repealed in March of the following year. A rare example of the infamous stamp which prompted the action is on display in Henry Ford Museum.

Baby Squirrel Bites the Hand That Feeds Him

When Mrs. Sally Gall of 221 Jefferson St. took in a baby squirrel with the purpose of raising it, it probably did not occur to her that the animal might bite her. Mrs. Gall reported to Chelsea police last Saturday the squirrel she had been raising bit her while she was feeding it and died the next day. Mrs. Gall was treated locally and the squirrel was turned into the police station to be sent to Lansing where it would be examined for rabies. In another animal biting incident, Derek Thiery of 1414 S. Main reported to Chelsea police that a stray cat he had taken in bit him. Apparently Thiery didn't think the animal became sick. The cat was taken to Lane Animal Hospital and found to be very sick. It was destroyed and sent to Lansing for rabies examination. Thiery was treated for possible rabies infection.

Mrs. Danny Alan Norris

Jacqueline Spade, Danny Norris Exchange Vows at Bluffton, Ind.

Miss Jacqueline Kay Spade pledged wedding vows Sunday afternoon Oct. 12 at 2:30 p.m. to Danny Alan Norris in the First United Church of Christ, Bluffton, Ind. The Rev. Calvin Ley, pastor of the church and the Rev. Ken Utery, brother-in-law of the bride officiated the ceremony.

The bride is the daughter of Mr. and Mrs. William Spade of Chelsea. Mr. Norris is the son of Mr. and Mrs. Eugene Norris of Bluffton.

Organ bridal airs were presented by the bride's uncle, Loren Schwartz of Uniondale, Ind. For her wedding the bride chose a gown of white polyester crepe designed by her mother. Venetian lace highlighted the square neckline, slightly raised waist cuffs of the long full sleeves and hemline of the A-line robe skirt which terminated in a chapel train.

Matching venetian lace outlined her elbow nylon tulle veil which fell from a camelot cap. She wore a pearl choker. Blue velvet ribbon secured her cascade bridal bouquet of snowflake chrysanthemums, blue carnations and spiral eucalyptus foliage.

The bride's cousin, Miss Barbara Fair of Bluffton, served as maid

of honor in a miniature floral print of blue, tangerine and white on a brown background of polyester crepe. Featuring a V-neckline and long full sleeves gathered at the wrists, the raised waistline was sashed by the same material and the skirt fell into soft folds. She carried a crescent arrangement of blue carnations and baby's breath accented with brown eucalyptus and bronze pompons from which fell blue velvet streamers. A repeat of her hand bouquet formed her miniature floral headress.

Bridesmaids attired identically to the honor attendant were Mrs. Ken Utery of Bluffton, and Mrs. Craig Mounsey of Huntington, both sisters of the bride, and Miss Vicky Neff of Bluffton.

Attended by his brother, David Norris of Huntington, the bridegroom selected Greg Bushee of Markle, Gary Mounsey of Liberty Center and David Day of Huntington to serve as ushers.

After greeting guests at a reception in the church fellowship hall, the newly-weds left for a wedding trip to southern Indiana and upon their return will reside in Huntington.

Hostesses for the reception were Mrs. Dave Spade of Muncie, sister-in-law of the bride; Miss Karen Scherrer of Fort Wayne, cousin of the bridegroom; Miss Deb Mowsey of Huntington, Mrs. Gary Mounsey of Liberty Center, Mrs. Rick Sills of Bluffton and Miss Barbara Maynard of Bluffton.

The bride is a 1974 graduate of Chelsea High school and is employed in the office of Wells Community Hospital. Mr. Norris is a 1974 graduate of Norwell High school and employed by Baker & Schultz Construction Co. in Decatur, Ind.

World Community Day Scheduled for Nov. 7

Church Women United here will celebrate World Community Day on Friday, Nov. 7 at St. Paul United Church of Christ. On this day thousands of church women will gather in their local communities to commit themselves to work toward a global society in which all persons have the opportunity to realize their aspirations in "One Community Under God."

A year ago, women from every state and many nations came together in the triennial Ecumenical Assembly of Church Women United to consider the enormous problems of today's world, to identify the barriers which prevent a majority of the earth's people from living freely and fully, and to rededicate themselves, as a body, to work for a global society based on human values instead of economic ambition. They realized that today's human society is inseparably interwoven and that the massive problems of the world—hunger, poverty, war, the depletion and misuse of natural resources and sources of energy, the destruction of the environment, and the deprivation of human rights—can best be approached as problems confronting the entire global village.

The dream of one community is not new for Church Women United. The goal of building a world community which lives in peace was one of the cornerstones of this movement when it began. In 1941, during the week of Pearl Harbor, when the constituting convention of the United Council of Church Women met in Atlantic City, one of its first acts was to inaugurate a day of peace. Every year since then, church women have celebrated World Community Day on the first Friday in November to emphasize corporate action for justice and peace.

World Community Day is more than just one day of special emphasis for Church Women United. In anticipation of the 1975 celebration, task forces will be formed in local units to work on action programs focusing on concrete world problems such as hunger. In the context of international implications, personal and material commitments will be advocated to bring about a more equitable distribution of food to the whole human family.

Special guest speaker for the day is the Rev. James Craig, a former pastor of Chelsea's United Methodist church, who now serves as program consultant for the Detroit Conference staff. A noon pot-luck luncheon will be served. Women who attend are asked to bring a salad, vegetable or dessert and their own table service. The luncheon by the annual meeting of Church Women United. The program will begin at 1 p.m. and last until 2:30 p.m.

Nation-wide offerings received on World Community Day go into an Intercontinental Mission fund which enables Church Women United to express commitment to be caring and sharing members of the one community under God which they envision. Some of the current programs receiving grants which will help build a better tomorrow for children are: assistance in the day-to-day operations of a health center in Guyana; a creative arts and recreation program for children and youth in a family center in Chicago; a day care center on the Blackfeet Indian Reservation in Montana; a nursery which provides a half-way house for adoption of Vietnamese orphan temporary shelters to serve as school-rooms for children in a squatter area on the outskirts of an Asian city.

Through the purchase of \$3 Gift Certificates church women respond with material aid to human beings who are in need of immediate relief from the ravages of war, famine, poverty, and natural disasters. They also assist in rehabilitation and reconciliation programs in war-torn areas, provide seed money and training for self-help projects and give timely help "where most needed" in response to emerging opportunities.

Chelsea Continues Title March With Win Over Dreadnaughts

Chelsea Bulldogs have all but clinched the title spot for the Southeastern Conference. Only a loss to Saline this Friday, Oct. 31 and a win by the Lincoln Rail-splitters would spoil the Bulldogs' holding the top position alone. The Bulldogs are now 6-0 in the conference after their 40-12 victory over Dexter. Lincoln's Rail-splitters are close behind with a 5-1 standing.

A touchdown in the second quarter and a successful second point was the saving for the Railsplitters Friday evening as they edged a victory over Saline, 7-6.

While the Railsplitters were unable to score another touchdown in the game, they controlled the ball, making it impossible for the Hornets to score. According to the Railsplitters' coach, Tom LaFrance, it is the fourth quarter of the game during which the Railsplitters insure their victory.

Christmas Mail Deadlines Noted

It's getting to be that time again and even before local merchants have decked their windows in red and green, the U. S. Postal Service is reminding us of mailing deadlines for Christmas. For those persons who plan to send parcels overseas and Christmas cards by the bundle, they had better start shopping, buying, boxing and wrapping before mailing deadlines sneak-up before you can say "Santa Claus."

Surface mail should allow anywhere from two to six weeks for delivery. Air parcels and greeting cards can be mailed anytime up until the second week in December. In the United States, Nov. 30 is a safe date for packages and Dec. 20 for cards to Alaska and Hawaii. For the other 48 states Dec. 10 is a safe date for surface parcels and Dec. 15 for letters. Air mail packages and letters should be sent no later than Dec. 21.

MARK DALTON (20): At 5'9" 145 pounds senior halfback Mark Dalton expressed some concern about the Bulldogs' chances to get into the state play-offs in a telephone interview Wednesday morning. However, Dalton, like the rest of the varsity football squad, has focused in on Friday's game with Saline. "If we play well we should beat them by 14 points." When asked how he came up with the 14-point margin, Dalton replied, "If we play like we have all season and get our stuff together, no one can come close to beating us." Aside from his interests in football, Dalton said he played baseball for two years, but will forego the sport this spring to work at paying off a new car. The son of Mr. and Mrs. William Dalton of 17996 N. Territorial, Mark has three brothers.

JOHN COLLINS (35): Senior halfback John Collins and a four-year track man says that of the two sports he finds, "football more competitive on a team basis." He is anxious for Friday night's contest between the Hornets and the Bulldogs saying, "Saline always gets up for a game with Chelsea and they could be tough. Right now any team would like to beat us." However, Collins has confidence in a Bulldog victory. "We'll beat them." John has three sisters and five step-brothers. He is the son of Mr. and Mrs. Jack Collins of 315 W. Middle.

Two Escapees From Cassidy Lake Nabbed

Two escapees from the Cassidy Lake Technical school were apprehended by Chelsea police Saturday evening when an unknown motorist tipped them off, saying he had just dropped two suspicious acting hitchhikers at the Mobil Station on M-52 near the entry ramp to I-94.

Apprehended were Joseph E. Dennison and John H. Singleton. Officer Roger Graves went to the Mobil station and was advised by the attendant that he had seen the pair cross an open field toward the expressway. Graves proceeded to head eastbound toward the entrance where he observed the subjects hitchhiking.

Approaching the two young men, one attempted to flee jumping the guard rail. Graves stopped them and asked for their identification. They had none and were taken to the police station to ascertain their identities.

Chelsea police made calls to Camp Waterloo and Cassidy Lake where they spoke to Corrections Command Officer Lt. George Bally, who told police they had discovered the pair missing at the 5 p.m. count.

Later that evening the two were turned over to Corrections Officer Clint Abrams and taken to Jackson prison.

Often painless, the growing numbers of hearing loss handicaps is taking a grim toll among Americans of all age groups, hearing specialists report. Today one out of every 15 Americans suffers from a hearing loss problem, they add.

CHS 1975 CROSS COUNTRY TEAM: With an SEC record of 3-2, Cross Country varsity coach Pat Clarke reports he is pleased with the performances his runners have shown this year. According to Clarke, the teams and some of the courses were tough and his boys fared well. Kneeling, from left, are Jeff Sweet, Rick Haller, Morris Johnson, Bill Rademacher, John Storey, Dean Thompson, Phil Frame and Carl Cherry. Standing, from left, Coach Clarke, Chris Minick, Mark Bucholz, Scott Beyer, Brian Herrick and Joe Marentette.

Cross Country Closes Season At Regional

Chelsea cross country runners ran their last three miles of the season Saturday in Battle Creek during regional competition. The Bulldogs placed 15th out of 19.

"Disappointing," said their coach Pat Clarke. Phil Frame led the team, taking 45th place and marking up his best time for regional competition at 17:24. Rick Haller placed 55th with a time of 17:41. Other Chelsea placers were Morris Johnson, 78; Bill Rademacher, 86 and Dean Thompson, 93.

On Wednesday, Oct. 22 the Bulldogs ran on the Ann Arbor Pioneer course for the league meet. They placed fourth behind Brighton with 34 points, South Lyon, 36, Saline 82 and their own 94 points. Dexter and Novi tied for fifth place with a score of 145. However, overall the Bulldogs tied for the third in the league.

Phil Frame placed 13th with a time of 17:35; John Storey, 18, 17:55; Rick Haller, 20, 18:04; Morris Johnson, 21, 18:13 and Bill Rademacher, 22, 18:26.

In JV competition Mark Bucholz placed sixth with a time of 19:05 and Chris Minick, placed 8th with 19:30.

With the end of the season the individual best times stand at: Phil Frame, 16:07; John Storey, 16:15; Morris Johnson, 16:40; Rick Haller, 16:46; Bill Rademacher, 17:11; Scott Beyer, 17:20; Dean

Thompson, 17:29; Chris Minick, 17:55; Mark Bucholz, 17:56; Jeff Sweet, 18:04 and Brian Herrick, 20:33.

Coach Clarke reported that the Bulldogs will lose two men this year. The team's captain, Bill Rademacher, "will be sorely missed," said Clarke. "He did well and was a fine team captain." John Storey, also a senior, will not return.

**ALL
ABOUT
FOOD**

F.A. KENNEDY

Today, let us consider two questions. What is a pumpkin? And what is a pumpkin for?

The first question is easy. A pumpkin is a plant belonging to the same family as the squash. But it is not technically a squash. All the same, some varieties of winter squash, weighing as much as eighty pounds, are commonly called pumpkins, even though true pumpkins rarely weigh more than twenty pounds.

The second question is harder to pin down. Food lovers agree that the real value of a pumpkin is in a delicious pie. But any child can tell you that pumpkins exist primarily to be made into jack-o'-lanterns.

What else can you do with a pumpkin? Well, what can't you do? Ginderella went to the royal ball in one, with a little help from her fairy godmother. Peter, Peter, pumpkin eater, kept his wife in one. Back in colonial days, when "Blue Laws" required every man to have his hair cut off round, pumpkin shells were used for the purpose... which is why, to this day a New Englander will answer proudly to the name "pumpkin head".

And one pumpkin, stuffed with microfilm, played a bizarre role in fairly recent American history, as you very well know if you remember the celebrated Whittaker Chambers, Alger Hiss spy case back around 1950.

Oh yes, one other curious use. It was our early settlers who first turned a pumpkin into a pie. But in those flour-less days, they had to use the pumpkin shells for crust!

Which just leaves me room to answer a third question. What's the finest food store in Jackson? Why, Polly's, of course. Come See!
