

ELEMENTARY SCHOOL PARADE: Kindergartners, through the third grade and even some fifth and sixth grade classes at South

Elementary school costumed themselves last Friday afternoon for their second annual school parade. The classes and their disguised

teachers stepped off on Pierce St. parading to Grant, to Lincoln and then back to Pierce, much to the delight of area residents and

mothers looking on from the sidewalks. It was a little difficult for us to tell whether the children or the teachers were having the most fun.

Bulldogs Trample Saline for Claim to SEC Championship

"We're proud of it," remarked CHS varsity football coach Phil Bareis when he spoke of his 1975 Bulldogs Conference champs. The Bulldogs are chanting, and why shouldn't they be. With a season of one victory after another behind them, a shut-out over Saline (opponents the Bulldogs have been hard put to defeat for the past three seasons), the conference title and a chance at the state play-offs. Who wouldn't chant?

In their last SEC game of the season, the Bulldogs met Saline's Hornets on Jerry Niehaus field Friday evening. The Bulldogs, while confident of a victory, did not expect to shut out the Hornets as easily as they did, chalking up a 30-0 score for Friday night's game.

Coach Bareis remarked that the Hornets' fought, driving pass after pass. "It was our good defense," he said. "We were able to intercept four passes."

One of Chelsea's star TD makers, Howard Salyer marked up Chelsea's first score in the first quarter of play on a 19-yard run. The

climax of an 11-play, 81-yard march. Rex Miles kicked the extra point. Junior Tony Robards marked up another six points on a one-yard dive after Salyer intercepted a pass and ran it to the 28-yard line. It took the Bulldogs five plays to get in from there.

Miles, who kicked all the extra points for the Bulldogs, booted a field goal 28 yards from the 18 to add points to an already apparent Bulldog victory in the second quarter.

Late in the third quarter the Bulldogs punched out eight plays for 67 yards and an eight-yard touchdown pass from Randy Guenther to Dave Pletcher. One of the Bulldogs' interceptions set up their final score for the game. In the fourth quarter, the second unit offense moved the ball well showing just what they could do. John Toon belted into the end zone on a 17-yard run, thanks to a pass interception by Mike Check which gave Chelsea the ball.

The Hornets were only able to gain a net rushing yardage of 46 and net passing of 40, while the Bulldogs marked up 245 rushing yards and 98 passing.

Saline got only seven first downs, and completed three of 16 passes. What made this game especially nice for the Bulldogs was that every member of the team had some time on the field.

10-Year-Old Girl Dies in Farm Accident

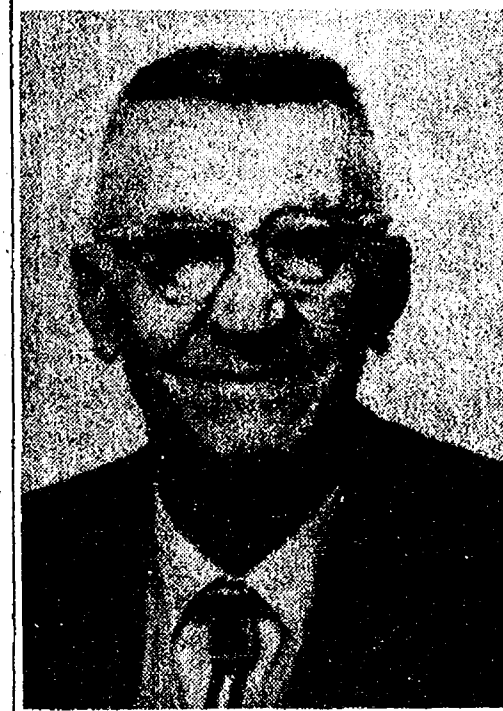

A 10-year-old girl was suffocated Monday, Nov. 3 in a tragic grain elevator accident.

Margery Louise Trinkle, 10, daughter of Mr. and Mrs. Ralph Trinkle, 12240 Scio-Church Rd., was found by her brother, Daniel, wedged into the slide door at the opening of the grain elevator about 5 p.m.

The reports at the Washtenaw County Sheriff's Police, Dexter station, indicates that the girl was sitting on the edge of a gravity box filled with shucked, loose corn which was emptying into an elevator. The victim apparently lost her balance and fell into the box, bringing loose corn down on top of her. Her brother found her wedged in the slide door at the bottom of the box.

Chelsea police and the Sheriff's Department responded to the call. The victim was taken to Chelsea Medical Center where she was pronounced dead from suffocation.

Funeral arrangements were made by Burghardt Funeral Home, Chelsea.

United Way Recognition Dinner Slated

Chelsea United Way will hold a Recognition pot-luck dinner Thursday evening, Nov. 20 for United Way solicitors and chairmen as well as area residents who would like to attend. Mrs. Marje Robbins, this year's campaign chairman, said "Even though this year's goal of \$30,817 was not reached, people worked too hard not to be recognized."

Co-chairing the dinner is the entire campaign committee with Mickey Quackenbush and Jerry Ringe in charge. Following the dinner which will begin at 6:30 p.m. in the Fair Service building, a short meeting will be held to discuss ways in which to better the '77 campaign.

Bulldogs Face Northwest Champs Friday Evening

Planning to attend the Bulldog's final football game of the '75 season? If not, you might well reconsider on the advice of varsity football coach Phil Bareis who reports that the Bulldogs will meet Jackson Northwest, (a team which took their own Cascade Conference title) Friday evening on the opponents' field.

Neighborhood Watch Asked To Help Police

Village Police Chief George Meranuck has asked that area residents be on the look-out for suspicious activities in their neighborhoods. Meranuck said that police have received numerous complaints in the past weeks concerning breaking and enterings in private homes and places of business. "We want to stop these," said Meranuck, "but often we get reports after the fact when it is too late to do a lot about it."

It seems that some of the break-ins and enterings are occurring in daylight hours and that persons in the vicinity aware of the activity do not believe anything is wrong.

Meranuck suggests that neighbors look out for neighbors and businesses in their area. If for any reason they have doubt as to the validity of activity in their area, they should notify police immediately.

Better to be safe than sorry.

Fall Awards Night Slated Wednesday

Chelsea High school Fall Awards night is slated to be held next Wednesday evening in the Chelsea High school auditorium beginning at 6 p.m. with a break for dessert at 7 p.m.

According to CHS athletic director Phil Bareis, this new format should prove to be much better for parents and athletes who prefer not to sit through numerous awards that do not pertain to them.

The schedule for the awards night is as follows. From 6-7 p.m. awards will be given in girl's basketball, cross country and golf. (Continued on page six)

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

The discussion at the country store Saturday night got started on President Ford's safety and sort of took off ever which way. It was Clem Webster that allowed me to see some changes in this country, when the President is safer in the same room with the emperor of Japan and the chancellor of Germany than he is walking or riding on the streets America.

Clem said it's awful when our own people try to shoot the President, but when we can't even get the poor man across a intersection, that's dumb. The Secret Service has gone from 400 men to 1,200 in the past eight years, declared Clem, and all 1,200 of em weren't a big of good to him when his limousine run a red light the other week and got smacked by a young feller that had the right or way. Clem said it looks to him like Mr. Ford had ought to stick close

Brighter Students?
 Looks great on paper. Michigan students scoring better than the national average on Scholastic Aptitude Tests. But what does it all mean?

That's the question state education officials are pondering in light of those reports that scores Michigan's college-bound students who took the SAT haven't zipped downward as far as others did on the national level.

"We frankly don't know why it happened that way," says one spokesman. "But we are going to look deeply into the subject." The Department of Education has asked for all the SAT data in hopes of coming up with some sort of answer.

The numbers—which some caution against emphasizing too strongly—show that the average math score of Michigan high school graduates who took the SAT this year were only one point lower than the scores of Michigan students who took the tests five years ago. Nationally, the average math scores plummeted 16 points.

Average verbal scores of Michigan students this year was down 12 points from the 1970 average. On the national level, average verbal scores zoomed 21 points downward during the same period.

Flu May Be Mild
 No solid predictions yet, but there are indications that the flu bug won't be biting awfully hard this winter in Michigan.

Public Health Director Maurice Reizen says that in the southern hemisphere, where winter already is over, there's been a generally mild influenza, with no signs of any new virus strains.

Most cases, he says, were of a type for which there is plenty of vaccine. "This is encouraging," Reizen reports. "Because about 40 percent of the general population have already developed immunity to this disease." (Type A, Port Chalmers influenza).

Lima Township Prepares Land Use Policy

Lima Township Planning Commission is in the final stages of developing a Land Use Policy, an updated Zoning Ordinance with Zoning Map. Completion is expected within the next three to six months.

The Ann Arbor landscape architects of Schmitt and Barkley are putting finishing touches on a final draft of the Zoning Ordinance for the Commission. The firm has assisted a number of Washtenaw county townships in developing their zoning ordinances in recent years.

The Commission has also hired the County Planning Commission to assist in developing and finalizing the Land Use Goals and Policy Statement and the General Development Plan and Plan Map. Presently the statistics of the township have been collected together, ready for use. Various soil and cover maps, along with aerial photographs of the township, have been prepared for use in developing the Plan and Zoning Map. At the same time, the Township Commission members are working on the statement of policy and goals.

WCC Starts Hunt For New Trustee

Washtenaw Community College has initiated a search for a new trustee to fill the position vacated by William Mays who resigned effective Tuesday, Oct. 28.

Anthony J. Procassini, chairman of the board of trustees, announced that the board will welcome applications for the trustee position from anyone who is qualified to vote in WCC's taxing district, which includes all of Washtenaw county except portions of Northfield and Salem townships.

Applicants should contact Procassini or the office of the president at WCC, 4800 E. Huron River Dr., Ann Arbor, by 5 p.m. Nov. 21. Applicants are asked to include a brief personal history with their applications.

The new trustee will be appointed under provisions of State Law and will serve in the unpaid position through 1976. If he or she desires to serve through Mays' entire term which runs through 1980, approval from county voters will be required during the November, 1976 elections.

Mays was elected to a six-year term on the board of trustees last November. He left his Ann Arbor Public Schools position in the spring to head the Michigan Association of Elementary School Principals in Lansing. He was able to continue to serve on the WCC board through the September meeting.

Grade School Principals Cite Sen. G. Bursley

It was announced today that Senator Gilbert E. Bursley (R-Ann Arbor) is again being recognized for his outstanding leadership and contributions in the field of education.

Senator Bursley is to be the recipient of the "Outstanding Leadership Award" made by the Michigan Association of Elementary School Principals at their 50th annual meeting in Grand Rapids.

This award is presented annually to someone outside the principalship for effectively promoting the goals of education.

It is the feeling of the association that Senator Bursley, in his active leadership in the Michigan Senate in all fields of education, is most deserving of this award.

In receiving the award Senator Bursley commented, "This award is one of the most meaningful I have received because it comes from the people who are on the firing line in our public schools."

"Certainly the success or failure of all that I attempt to accomplish in the legislature is not won merely by the passage of legislation, but in a very large measure through the implementation of the laws that are passed."

Michigan Sugar Crop

If you think of the Old South when you think of sugar, think again. While cane sugar is grown down below the Mason-Dixon line, up here in Michigan we grow sugar beets—1,369,000 tons of them in 1974. We have enormous sugar beet fields in Bay, Huron, Saginaw and Tuscola counties which are located in the Saginaw Valley-Thumb area of Michigan. There you can see 80,500 acres of sugar beet fields. Our 1974 crop was valued at more than \$40 million. Michigan ranks eighth among the 50 states for sugar beet production.

Girls JV Cagers Down South Lyon, Face Novi Tonight

Chelsea JV girls basketball team won its second game in succession by defeating South Lyon, 23-23.

Although South Lyon is in its first year of high school basketball and will join the league next year, they have already defeated two teams in the league and even gave Novi a scare.

We shut them out in the first quarter and played a consistently good game. "I was especially pleased that we managed to outscore them in the fourth quarter even though they were employing a full-court press on us.

It shows that we are overcoming our initial lack of experience and that we can play ball under pressure," coach Cindy Bradbury remarked.

High scorer for Chelsea was Sue Heydlauff with seven points. Adding points were Tracy Hawker, Veronica Satterthwaite, Joan Lutovsky, Jackie Lamb, Lori Miles, Nancy Knott and Sheryl Kiel.

Tonight, Thursday, the girls host Novi at 6:30. In the three years they have played they have never defeated the Novi JV team.

"We hope a lot of fans will be on hand to see us try to get them this time. We're ready," the coach concluded.

There are 8,300 physicians and 23,600 nurses attending patients in 171 Veterans Administration hospitals.

Drama Class Preparing Humorous Comedy

Reserved tickets will go on sale Monday, Nov. 10 for the Chelsea High school Drama Class' production of John Van Druten's warmly human and humorous comedy drama, "I Remember Mama," with performances Friday and Saturday, Nov. 21 and 22, at 8 p.m. in the Chelsea High school auditorium.

Tickets will be sold in the high school during all three lunch hours and may be ordered by phone through the high school office.

"I Remember Mama" has had a continuing popularity on stages across the U.S. and Canada ever since its triumphant Broadway run of 713 performances in 1944. It is the play that provided a starring vehicle for Irene Dunne when it

was made into a film, and was then the basis of the TV serial "Mama" which starred Peggy Wood.

Telling a story of the struggles to make ends meet of a pair of Norwegian immigrants in San Francisco, and their children, in the early years of this century, "I Remember Mama" is an endearing recollection by one of the children—a sensitive daughter—of the kind griefs and gratifications experienced by many an average American family.

"I Remember Mama" by John Van Druten, adapted from Kathryn Forbes' book "Mama's Bank Account," will be presented by the entire CHS drama class and directed in a team effort by Martha Hahn and Diana L'Roy.

JV Gridders Win Real Thriller from Saline

In one of their most exciting games in a number of years, the junior varsity Bulldogs defeated the Saline Hornets, 22-21, scoring the winning points after the clock had run out.

In the first quarter of play Saline took a commanding lead as they marched down the field twice to score and ending the quarter, 0-13.

Kicking off a second quarter, neither team was able to move the ball well, especially the Bulldogs. However, they did manage to mark up a TD and an extra point. Chelsea got the ball with 31 seconds to go in the half and the ball 53 yards away from the goal line. Jeff Powell passed to Chuck Brodrick for 32 yards. On the next play Powell again hit Brodrick in the corner of the end zone where he was able to make a tremendous diving catch. Coach Jon Schaffner remarked, "It was the finest catch I have ever seen by a high school player. Tim Welshans kicked the extra point."

After the half, Chelsea's defense came to life and held Saline to 16 yards in the third quarter. The offense moved but couldn't score until with one minute to go in the quarter Chelsea got the ball 72 yards away from the goal line. On the third play Mike Young swept on the right end and behind blocking from Jason Lindauer, Tim Welshans, Steve Pennington, Todd

Weber, Vic Vercheran, Dave Schrotenboer, Chuck Brodrick, Don Harris and Todd Hendrick, then a sudden 16-yard pass to the Hornets moving later, another 16-yarder kept them alive and they moved in to score, passing for the two points to tie up at 14-21. Coach Schaffner said, "I looked bad when Saline intercepted a pass with about two minutes to go in the game. But the defense held for two plays then Saline went back to pass on third and eight."

A rush out of Todd Hendrick, Vic Vercheran, Jason Lindauer, Dave Schrotenboer and Todd Weber sacked the quarterback and Weber recovered the fumble. Chelsea ran their first play at mid-field with 48 seconds left at the clock. After an incomplete pass, one completed pass and a pass interference, the Bulldogs were still 33 yards from the goal line with 11 seconds to go. Powell passed to Weber for 38 yards to the three-yard line. With six seconds to go Powell swept to the left into the end zone as the clock ran out.

Without any time remaining in the game, the Bulldogs were trailing 20-21 but had the opportunity to gain extra points. A decision to risk the victory rather than tie with a kick was made. Powell swept to the left for two points and the Chelsea victory.

Leading tacklers were Vic Vercheran and Matt McClellan 15 each, Jeff Powell and Todd Weber, 11 each, Jamie Bollinger, 8, Chuck Brodrick, 7, Rick Bauman, Steve Pennington and Rick Risner, 6 each, Jason Lindauer, 5, Steve Check and Todd Hendrick, 4 each, Dave Schrotenboer, 3, Mike Young

Assistance Request System Introduced To Help Women

Area women have a new place to look for help.

The Washtenaw County Advisory Committee on the Status of Women has introduced an assistance request system. According to Beverly Holsington, committee chairwoman, "action request forms" are now available through the County Board of Commissioners Office in the County Building in Ann Arbor.

"We want to learn of the problems women face in Washtenaw county," she said.

Holsington said the committee may be able to help women in the following ways:

—Hold hearings on issues related to women in Washtenaw county.

—Sponsor conferences or workshops.

—Serve as co-ordinator or convener for multi-group projects.

—Make recommendations to the Board of Commissioners on issues related to women in Washtenaw county.

—Communicate with directors and/or governing boards of public and private organizations, with individuals, and with the media.

—Assist persons in formulating

or seeking funding for studies related to women.

"Two of the most important services we can offer," Holsington said, "are our ability to facilitate the progress of groups concerned with research toward the fruition of their goals and to add a supportive voice in behalf of women's interests in the community."

Margery L. Trinkle Fifth Grade Student Dies Monday in Farm Accident

Margery L. Trinkle, 10, of 12240 Scio Church Rd., Lima township died suddenly Monday afternoon Nov. 3 at her home as a result of a farm accident.

Margery was a 5th grade student at North Elementary school and was a member of St. John United Church of Christ on Waters Rd., where she attended Sunday school.

Born on Aug. 4, 1965 in Ann Arbor, she was a daughter of Ralph and Shirley Parker Trinkle. She is survived by her parents, of the Scio Church Rd. address, a brother, Daniel Trinkle and a sister, Debra Trinkle, both at home. Also surviving is her maternal grandmother, Mrs. Homer Parker of Ann Arbor, and her paternal grandparents, Mr. and Mrs. Clarence Trinkle of Chelsea, several aunts, uncles and cousins.

Funeral services are being held at 2 p.m. Thursday (today) Nov. 6 at St. John United Church of Christ with the Rev. Carl Asher officiating. Burial will follow in Mt. Hope Cemetery, Freedom township. Memorial gifts may be made in Margery's memory to St. John Church Memorial Fund. Arrangements were made by Burghardt Funeral Home.

Mrs. Leon D. Fox Dies Monday Morning at Chelsea Community Hospital

Mrs. Leon D. (Florence L.) Fox, 77, of 237 E. Middle St., died Nov. 3, at the Chelsea Community Hospital. Although she had entered the hospital just a few days prior to her death, she had been in poor health for several years.

Born Feb. 14, 1898 in Milan, she was a daughter of William and Nellie King Whaley. She married Leon D. Fox in Detroit on Oct. 28, 1928. They came to Chelsea in 1937. He preceded her in death on Jan. 21, 1974.

Mrs. Fox was a member of the First Congregational church of Chelsea and of the Esther Chapter and the Women's Fellowship of the church. She had been a past president of the American Legion Auxiliary of Chelsea and was a member of Olive Chapter No. 108, Order of Eastern Star. She had been employed by Palmer Motay Sales here for 19 years, retiring in 1962.

Surviving is a daughter, Mrs. Merle (Ruth) Leach of Chelsea and three grandsons, David Leach of Traverse City, James and Craig Leach, at home; a niece, Mrs. Albert (Florence) Belleville of Plymouth; and a nephew, Robert Kramer of Dearborn. She was preceded in death by two sisters and two brothers.

Funeral services were held at 1 p.m. on Wednesday, Nov. 5 at the First Congregational church with the Rev. Carl W. Schwarm officiating. Burial followed in Oak Grove Cemetery. The family suggests that those desiring to do so may make contributions in Mrs. Fox's memory to either the Congregational Church Memorial Fund or the American Cancer Society. Arrangements were made by Burghardt Funeral Home.

Legion Pancake Dinner To Benefit Cancer Society

Cancer is a dreaded disease that strikes one out of every four Americans and affects two out of three families in our nation. With this thought in mind, the American Legion Post 31 will host a Pancake Dinner, Wednesday, Nov. 12 from 5-8 p.m. at the Chelsea Fair Service Center.

According to Legion Commander Jim Knott, a select crew of chefs have been chosen for this event. George Heydlauff will be in charge of the custom mixing of both plain and blueberry pancakes. Flipping the jacks will be Legonaires Paul Mann, John Pierson and Bill Rademacher.

Price for four of the home-cooked hotcakes and three sausages plus all the coffee you can drink is \$1.75 for adults and \$1.25 for children under 12. A special inflation buster offered by Post 31: all the hotcakes you can eat for \$2. Other beverages will be available at additional cost.

All proceeds from the dinner will be donated to the American Cancer Society.

Knott remarked, "The goal of Post 31 and the American Legion nationally is to 'wipe out cancer in our lifetime.' The proceeds from this event will be only a fraction of what is needed for research, but every penny will help."

Briers was graduate assistant Denby Thedford for his three years of assistance to the team. And Edwin "Bud" Abbott, former Ypsilanti Recreation Director, who recently retired after 20 years of service to the city, received a special award of appreciation from the Huron Dugout Booster Club.

Novice Debate Team Enters Ypsi Tourney

Novice debaters from Chelsea High school attended the Ypsilanti Novice Tournament last Saturday in Ypsilanti. According to the group's coach, William Coelius, some 80 teams participated in the debates.

Chelsea debaters came home "with some good news and some bad news."

The good news Coach Coelius had to report was the 6-2 record marked up by the squad of affirmative debaters Lesley Clark and Shelly Warren and negative debaters Tammy Puglisi and Lisa Walworth. "I was really pleased with their efforts," remarked Coelius.

The bad news? The other squad marked up an opposite score of 2-6. However, Coelius said that their (the novice debaters) work was just beginning and he felt both squads were off to a good start. Debating affirmative on this squad were Pat Salyer and Julie Prohaska. Negative debaters were Mike McKenzie, Rick Brandel and Kathy Burns.

Each squad went through four rounds of debates and made "some impressive victories over Class A schools."

This Saturday Coelius, his varsity debaters and his top novice squad will travel to Royal Oak Kumbal for an elimination series debate.

Science Show Coming to Beach School

Local students will get a peek at the future when General Motors national assembly programs, Previews of Progress appears at Beach Middle school at 2 p.m., Nov. 12.

The non-commercial show, according to General Motors President Elliott M. Estes, "seeks to inspire more student interest in science, engineering, and related technical and vocational careers to provide the trained talent America needs to keep pace with the promise of the future."

Previews of Progress demonstrations depict work being done today in America's research laboratories and point out the contributions of research to modern living. A two-man team narrates the live show in non-technical language.

Featured in the show is explanation and demonstration of a catalytic converter, a device used to reduce automobile related exhaust pollutants.

Another demonstration uses a laser beam to translate the sounds we hear into visual patterns of light.

In all, students will see nine live examples of research-in-action.

SPEEDSTER JOHN TOON (10) fakes out Saline defenders and then simply outruns them on a 17-yard dash for Chelsea's final touchdown against Saline in their final conference game of the '75 season last Friday evening on the home field. The Bulldogs had very little trouble in wiping out Saline, 30-0, the first Chelsea victory over the Hornets in three years.

TONY HOULE puts the move on Hornet player 23 to pick up some yardage for the Bulldogs last Friday evening in their final SEC game of the season. The team now stands alone at the top of the SEC with a league standing of 7-0. This Friday the Bulldogs will meet the Cascade Conference Champs, Jackson Northwest, on the opponents' territory.

CHELSEA HALFBACK JOHN COLLINS (35) opponents from Saline, scoring 30-0 for their final breaks loose of Saline defense to carry the ball. league victory of the season and the Southeastern Conference title.

SEC ROUND-UP:

Bulldogs Shut Out Saline, 30-0 To Claim Conference Crown

Chelsea's Bulldogs claimed the Southeastern Conference title outright last Friday evening, defeating Saline, a first in three years; 30-0. There was no doubt to the Bulldogs' claim to fame as they are the only undefeated team in the conference with a league season of 7-0 marked on the charts. Chelsea 30, Saline 0.

The Bulldogs were confident of marking up a victory over their opponents from Saline, but nobody, including the team's top players expected to shut-out the Hornets nonetheless hold them to outside Chelsea's 30-yard line.

Bulldog scores came on touchdowns by Howard Salyer, Tony Robards, Dave Fletcher and John Toon. Extra points were added by Rex Miles who made all the extra point kicks and booted a 30-yard field goal.

To see how the other leaguers withstood their final conference matches of the season, read on.

Milan 14, Dexter 13—

It was an extra PAT kick that won the game Friday evening for Milan's Big Reds, a game that looked as if the Dreadnaughts might move up one notch in the SEC standings. To their dismay,

the Big Reds came back in the second half turning their game into a running one for the one-point victory.

Scoring for the Dreadnaughts was Bill Bernard who scored from the one-yard line and kicked the extra point on a touchdown set up by a Milan fumble. Bernard scored again in the second quarter on a 46-yard intercepted pass return ... unfortunately the kick was not good.

Fred Peterson scored both TDs for the Big Reds, each time on a four-yard run, in the third and fourth quarters, respectively. Bob Stevens kicked the extra winning points.

Novi 14, South Lyon 0—

South Lyon lost another game Friday evening when they were shut out by Novi's Wildcats who dropped the Lions to 1-6 in the

SEC Conference. Novi is 3-4 in the standings.

Andy McComis scored on a two-yard run just before the half and Tom Morris ran in from 33 yards out for the second and final touchdown to put Novi in the victor's seat.

Lincoln 7, Brighton 6—

Another tight game and a one point victory resulted in Southeastern Conference play last Friday evening when the Railsplitters marked up their victory unknowingly in the first quarter on a quarterback sneak. George Czinski did the work on the play and Tom Hess added the crucial extra point.

Brighton's Bulldogs scored in the second quarter when Bob Schmidt ran for a 45-yard touchdown. The conversion missed, and the Bulldogs tried again with five minutes (Continued on page 14)

BRING YOUR DEER TO DUNBAR'S DEXTER LOCKER FOR PROCESSING

Includes Skinning, Cutting,
Wrapping, Quick Freezing

HELPFUL HINTS FOR HUNTERS

1. CAUTION—This may sound silly—but make sure your deer is dead! Many a hunter has been injured or lost his deer thinking it was dead, when it was just wounded.
2. TAGGING—Follow State laws regarding tagging and reporting your kill. Be sure your deer is tagged before you load it into your car.
3. BLEEDING—It is not necessary to bleed your deer unless it's been shot in the head—but if you do bleed it, don't ruin the head by slashing the neck. Insert the blade of your hunting knife several inches in front of the point of the breast. Small (4 1/2-5 1/2 inch) blades are better than the long ones.
4. FIELD DRESSING—Take along a 6 to 8 foot section of clothesline to tie the deer's leg to a tree to give yourself working space. Make a small incision, only from the pelvic to the brisket bone. Do not open breast. Remove intestinal tract. There is no need for washing unless it's a gut shot. We will do that.
5. TRANSPORTING—Keep the front legs extended forward—makes for easier skinning. A good way to get your deer out of the timber is to tie the front legs to its head and drag it head first. Keep it as cool as possible. Remember to protect your deer from warm rain.
6. DO NOT SKIN YOUR DEER. LEAVE THAT TO US. The hide protects it from spoiling and makes a good cover.

Regular Session
This meeting was called to order at 7:30 p.m. by President Pennington.

Present: President Pennington, Administrator Weber and Clerk Neumeyer.

Trustees Present: Borton, Johnson, Rowe, Dmoch, Galbraith, and Wood.

Others Present: Planning Commission Representative Williams, Civil Defense Director Wade, Zoning Inspector Goltra, Police Chief Meranuck, Donald Eder, Leon Koch, James Kalishhek, Bill Harvey, Don Doll, Maynard Poertner, Keith Boylan, and Henry Hauenstein.

Police Chief Meranuck explained, upon request, the procedure for answering fire calls. Only vague and unintelligible calls are checked out first.

Henry Hauenstein, from Finkbeiner, Pettis and Strout, presented a sewer rate study, requested by the Council. This study was discussed and will be discussed further at a later date.

There was discussion of the "Errors and Omissions" insurance policy. The village attorney recommended purchasing such a policy. Motion by Borton, to purchase an "Errors and Omissions" insurance policy at a cost of \$1,010.00 per annum. Roll call: Yeas all. Motion carried.

Motion by Wood, supported by Johnson, to approve payment No. 1 to Douglas Higgins, Inc. in the amount of \$23,692.95 from the Sewer Trunk Expansion Fund for work done on contract No. 74-1215 as ninety-percent (90%) payment for work completed during the month of October, 1975. Roll call: Yeas all. Motion carried.

joint venture in the construction of power plants.

Administrator Weber reported that the sewer project will soon be complete and is progressing well.

Motion by Wood, supported by Borton, to authorize payment of bills as submitted. Roll call: Yeas all. Motion carried.

Motion by Rowe, supported by Johnson, to adjourn. Roll call: Yeas all. Motion carried. Meeting adjourned.

ZONING BOARD OF APPEALS

Minutes

November 4, 1975

This meeting was called to order by President Pennington.

This was a public hearing on the petition filed by the Knights of Columbus for a variance from the requirements of Section 5.3 of Ordinance No. 79 (Zoning Ordinance) to allow construction of an addition onto their existing structure at 20750 Old US-12 without adding additional parking facilities. Administrator Weber reported that notices were sent to property owners as required by statute.

A letter was received from Chelker Oil Company opposing the granting of this variance.

The Chelsea Planning Commission recommended that a substitute variance be granted to allow for the expansion of the south-east part of the building to provide for minimal storage and rest rooms, with the condition that said expansion doesn't increase the rated capacity of the overall building, (the rated capacity to be established by the State Fire Marshal and the Village of Chelsea). Reasons for granting the variance are that this expansion would not alter the rated capacity of the building or parking requirements as they now exist.

Motion by Wood, supported by Rowe, to grant a substitute variance as outlined by the Planning Commission and for the reasons stated. Roll call: Yeas all. Motion carried.

Motion by Wood, supported by Dmoch, to adjourn. Roll call: Yeas all. Motion carried. Meeting adjourned.

Thomas Neumeyer, Village Clerk.

Proposal Turned Down At Girl Scout Convention

By a majority vote, the 1,800 delegates to the 40th convention of the Girl Scouts of the U.S.A. in Washington, D. C., defeated a motion proposed by the Huron Valley Girl Scout Council.

The proposal would have placed the responsibility for establishment of membership standards in Girl Scouting on the triennial convention instead of the national board of directors. It was presented by Mrs. Jean Galan of Dexter, president of the Huron Valley Council, and was supported by 21 other Girl Scout Councils from all parts of the country.

Commenting on the outcome, Mrs. Galan said, "Naturally we are disappointed, but we feel that the floor discussion alerted the national board of directors to the

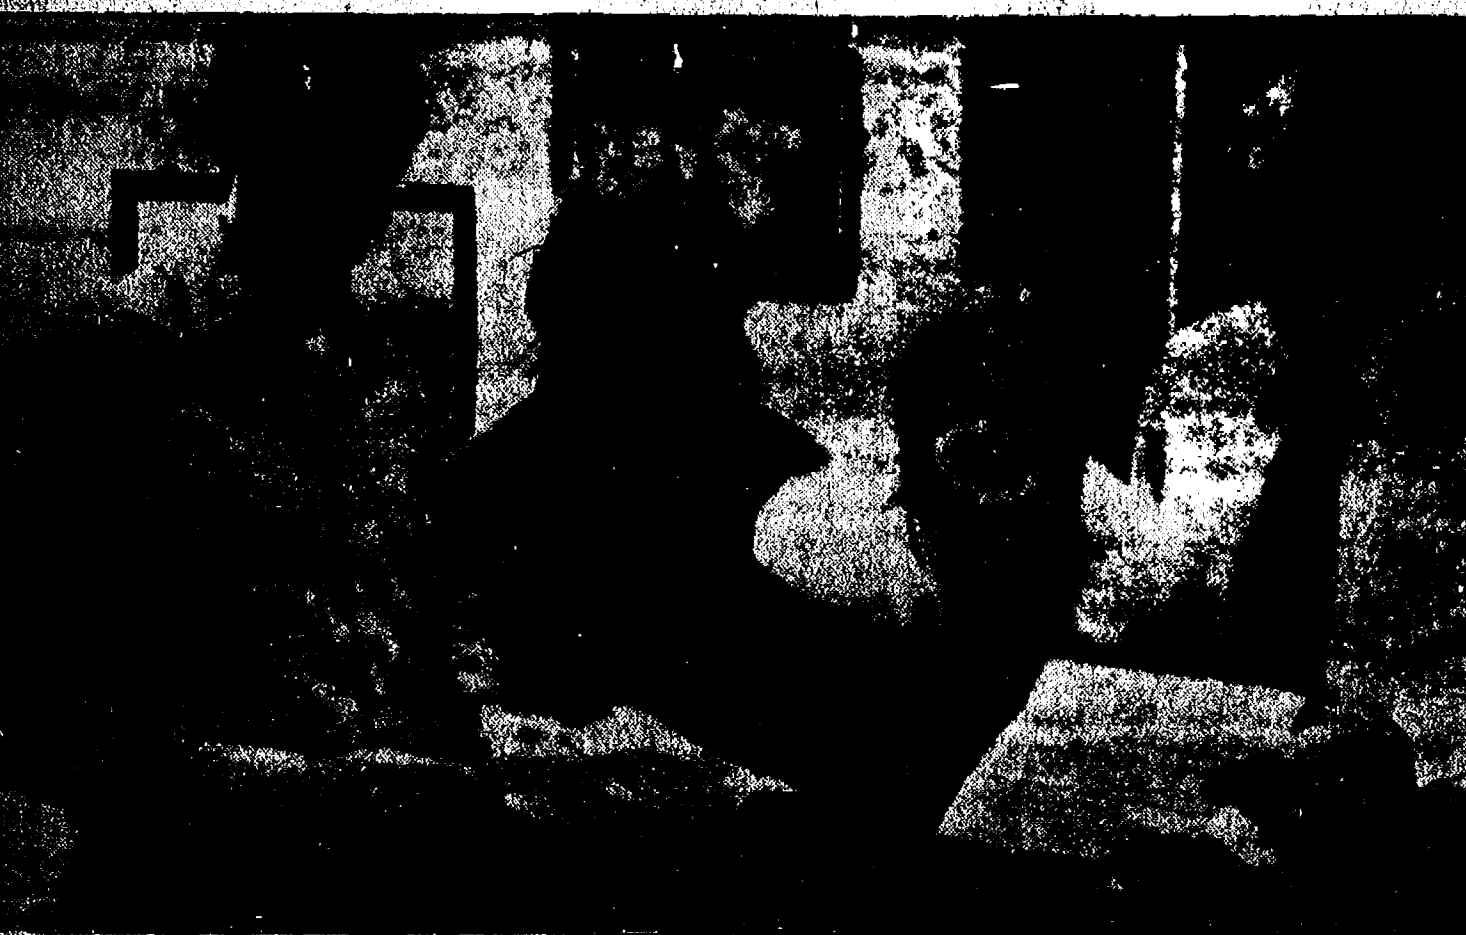

convention, representing 362 Girl Scout Councils and two and a half million Girl Scouts in the country.

SOUTH ELEMENTARY SCHOOL NOTES

READING—

Teacher: Mrs. Maitland

The Reading Room parents' Halloween get-together was held Oct. 22. Fourteen parents received orientation as to their child's program. Apple cider and doughnuts were served to the invited guests and to the faculty after school. Mr. Wojcicki, the principal, Mrs. Adams, the speech teacher, and Mrs. Marshall, the librarian, were introduced and spoke briefly about their work. Mrs. Bross and Mrs. Yost offered to serve as room mothers this year. One more volunteer is needed.

Paula Dean moved last week. With her went our October owl, as she had read 18 books, more than anyone in our reading groups. Twenty children have joined the Beetles and have taken home a bug to pin up. They all read five books or more in October.

Many of the children have enjoyed our Talking Page during their free period. Others have had a chance to browse among the books for room use only. A free period is earned by completing all of the tasks on their goal sheet. It usually takes a month.

Parents are asked to help their children scan magazines and newspapers for pictures and stories interesting to them. They paste them in their news folder.

All October calendars are now due. They are kept in the child's folder until June. They are counted in order to see how many parents are working with their child. The goal this year is for more parents to be involved. Records are kept for the state. November calendars have been sent home. Extra copies are available if needed.

Remember: Children learn to like to read by reading.

THIRD GRADE—

Room 13

Teacher: Mrs. Knight

The 28 third graders in Mrs. Knight's class had an exciting month of October. The highlight was our trip to Lansing, where we had an opportunity to visit our State Capitol. We also were treated to an interesting show at the Lansing Community College Planetarium. There, we added to our knowledge of the planets and constellations. We topped off our day with a picnic at Pottery Park. Now, back in the classroom, we are making Planet Books to help us remember all we learned at the planetarium. The mothers that helped supervise were: Arlene Barels, Gail Finch, Lois Garmah, Sandra Neff, Mary Pieron, and Jean Satterthwaite.

Our room was also invaded by pumpkins on Oct. 29. Each child designed and created his own pumpkin's face. For Halloween they have invented some recipes that sound just yummy? (That is if you like bats and spiders!)

We have begun our cursive writing and are becoming quite good at it. We have to practice hard, so we can have nice writing when we write to our pen pals from Macosta. Also, we will want to write to Ron Miller after he gets settled in Georgia. His last day was Oct. 31.

Other news: Chuck Bollinger has read and reported on the most books so far this year. Lisa McCaig and Kathy Norris are our

tutors that are coming over from the high school to help us.

September birthdays were: Rhonda Bentley and Amy Smith. October birthdays were: Pam Hadley, Bonnie Fouty, and Ron Miller. We have saved over 200 soup labels.

Room 11

Teacher: Mrs. Verrelli

Reporters: Tony Hammerschmidt, Matt Smith and Mark Stebbins. Since the beginning of school we have done many exciting things. We've had two birthday parties, Patricia Hoffman and Tony Hammerschmidt. We've seen a marionette show and gone on a field trip to Lansing.

In Lansing we visited the planetarium and the capitol building. At the planetarium the man talked with us and showed us pictures. We saw the stars on the star machine. We saw the Big Dipper, the Little Dipper and the planets. Then we went to the Capitol. There we saw where the laws are made. The capitol building is about 100 years old, and has a glass floor where you walk in.

We made scarecrows out of Italian corn. We are showing them in the display case in the front of the school. We also made ghosts out of Slow Pokes which are hanging from the ceiling.

Room 15

Teacher: Mrs. Holefka

October has been an exciting month for us! We're getting adjusted to our busy schedule and our new reading books which have lots of fun stories to read. We our class; Angela Kent.

We went on our first field trip Oct. 24 to the Planetarium at Lansing Community College and to the Capitol Building. It was a long trip, but it was worth every minute of our bus ride. Mr. Mattson did a terrific job of showing us how a planetarium works and of explaining the solar system to us. We felt as if we were actually moving while he showed us how the stars change position in the sky.

Huge steps led us to the entrance of the Capitol. We loved seeing the flags that were actually used in our past wars. We also enjoyed seeing the rooms where the Senators and Representatives meet and learning how our government works. It was scary looking down the flights of stairs as we left to go to Pottery Park to eat our lunch. It was a beautiful day that was filled with learning and enjoyment.

To celebrate Halloween, we've carved pumpkins and made apple-head witches. They were hard but it was fun!

October birthdays: Laura Anderson, Jimmy Toon, Patty Wilber, and Tonya Yost.

Room 16

Teacher: Mr. Ticknor

Multiplication is a very big and important part of 4th grade. All of us have been working very, very hard on learning the basic multiplication facts. To help us learn these facts we occasionally play Facto. Facto is a game like Bingo where we are shown the fact and we must find the answer to the fact on our Facto sheet. Winners receive stars and

after winning 10 stars we receive a reward.

Another game we play to help learn the facts is called Fact Baseball. If you get the answer correct to a fact shown to you it is a hit. If the fact is missed, it is an out. Our class practiced against two other 4th grades. After awhile Mr. Ticknor decided to challenge one of the 5th grade classes in a game. Mr. Ticknor was very impressed with the results, as our class won the game. Mr. Ticknor says he is very pleased with the effort the students have put out to learn the facts.

FIFTH GRADE—

Teacher: Mrs. Fulks

Reporter: Margaret Merkel

Our class went to the Henry Ford Museum on Tuesday, Nov. 4. In art class we drew the house on the corner of Taylor St. In social studies we are studying about the people who discovered America.

Mrs. Fulks has been gone for a month and a half. She came back on the 23rd of October. We had our Halloween party and parade on Friday, Oct. 31.

Room 17

Teacher: Mrs. Nance

In literature and social studies we are studying the American Colonial period and the Revolutionary War. We have been reading Johnny Tremain and have been consulting three texts.

We have begun to anticipate the big spelling bee in February. Susan Messner won our first practice bee, and Jeff Koepele was runner-up.

Pat Leonard, who is a high school senior, comes to our room for the first hour in the morning to help us with English or Math.

For Halloween, we invited ourselves to the 1st grades and sang a song and gave a little skit.

Traditionally, the 5th grades visit Ford Museum in Dearborn. This trip took place on Nov. 4.

There are several September and October birthday youngsters in Room 17. They are: Robert DeVoe, Donna Popovich, Kris Johnson, Kristin Thomas, and Steve Cattell.

Room 24

Teacher: Mrs. Moore

Reporters: Micky Bennett, Don Crawford, Andy Fletcher

We are making our room into a Hansel and Gretel house. It is coming along fine and looks just like a house now.

We had a Halloween party and parade around the block on Oct. 31. It was a lot of fun. (Hope Great Pumpkin was good to you.)

On Tuesday, Nov. 4, we went to the Henry Ford Museum in Greenfield Village. Not only did we have fun, but we saw many things from our country's past. For example, there are old washing machines, automobiles and a big train powered by steam. We bought souvenirs and ate a picnic lunch.

In our class we are doing lots of subjects. Mrs. Moore is teaching us lots about chemicals, elements, compounds, bases, acids, salts, and litmus paper. We learned that dry ice is frozen carbon dioxide, and that it can burn us.

Happy birthday to those born in September: Ken Nadeau, and those in November: Jana Knickerbocker, Lisa Bentley, Shawn Ball and Mrs. Moore.

MULTI-AGE CLASSROOM—

Teachers: Miss DeVries and Mrs. Richardson

Reporters: Joyleen Guenther, Cindy Kvarnberg and Ann Stock

There are 54 students in our classroom. This is an experimental class. There are two teachers. Their names are Mrs. Richardson and Miss DeVries. We have centers. I can name two of them—Mighty Magnet and the Big Bite. We are learning about the inside of our bodies. It is very interesting. Jay Marshall's mother manages our store. We have three rooms. There is the library, the annex (project) room, and the room we work in. We work hard and have a lot of fun.

We will have an Open House Nov. 11-14 during school and Thursday night, Nov. 13. We hope anyone who is interested will come and visit! See you then!

Happy birthdays go to—September: Kelly Murphy, Audrie Robertson, Gretchen Vogel; October: Michael Coffman, Kim Collins, Pammy Mullaly, Tanya Mullaly, Missy Young.

Village Official Attends Workshop

Dick Harvey, office manager, Village of Chelsea, recently participated in a workshop sponsored by Michigan State University's Co-operative Extension Service's Public Policy program aimed at exploring the adaptation by local units of government of electronic data processing systems.

According to Lynn Harvey, District Extension Agent, Public Policy and workshop co-ordinator, the workshop's purpose was to expose public officials to the various capabilities and limitation of data processing systems and equipment. Units of government which already utilize electronic data processing systems, such as the Village of Chelsea, shared their experiences with other public officials who attended the workshop from the surrounding five counties.

The workshop discussed the various options open to local units of government for securing electronic data processing services such as purchasing, leasing, contracting from a service bureau or a neighboring unit of government.

Participants who attended the workshop "Local Government and Computers" also got a first hand look at Jackson County's data processing facilities located in the National Tower Building in Jackson.

Workshop resource personnel in addition to Harvey included Bob Berry and Betty Fowler, both program analysts for data processing departments in Livingston and Jackson county, respectively.

CHS Students Attending Government Day Event

Twenty-one government students from Chelsea High school will attend the Washtenaw County Youth Government Day Program which began this morning (Thursday) at 9 a.m. at the County Building, where the students in rotating groups visit the different offices and will be explained the function and responsibilities of the various county government echelons.

According to James Bechtelheim, and Sam Vogel, who will accompany the students, each student will represent a specific county office in order that he or

she may absorb one aspect of government well and pass it on to fellow students.

Washtenaw County Youth Government Day is sponsored by the Association of American Legion Posts of Washtenaw County in conjunction with the 22nd Judicial Court of Michigan and assisted by other elected and appointed officials of Washtenaw County.

In past years more than 8,000 students have participated, with approximately 300 students representing some 10 public school districts and private schools of the county attending each year.

Following a noon tour, the students will be lunch guests of the American Legion Post Auxiliaries of the county at the American Legion Memorial Home in Ann Arbor. Featured speaker at the luncheon will be James Brickley, president of Eastern Michigan University and former Lt. Governor of the state. Also present will be Mr. Donald Huntley, state commander of the American Legion.

After lunch all participants will proceed to Ann Arbor Pioneer High school auditorium, where Circuit Court Judge William F. Agar, Jr., will conduct an actual court case, which includes the defendant, drawing of the jury, prosecutor and defense attorney, etc.

In charge of the program this year for the American Legion is Dan Dahmen, Washtenaw County American Legion commander and for the county, Judge William F. Agar, Jr.

Guests present were Susan Dye, Jerry Cullimore, Gene Lewendowski and Frank Clampt.

The meeting was called to order by President Haselschwardt at 8 p.m. The building program was discussed with Jerry Cullimore and Gene Lewendowski of Construction Co-ordinators, Inc., and Frank Clampt of General Concrete Corp. The board adopted a resolution diverting General Concrete to complete their work as per the contract.

Frosh Grid Team Bombed By Saline

The 1975 freshman football season ended on a sour note as Saline defeated the young Bulldog gridders 28-14.

Saline started off fast when they scored on the opening series just two minutes into the game. The points came on a 45-yard pass play right through the center of the Bulldog defensive secondary.

The Hornets tallied again on the opening series of the second period, this time on a two-yard option play. This touchdown was set up by several good runs on the option and a pass.

The Bulldog defense stiffened, and the offense began to move the ball in the second period. Battling the clock, they pushed the ball to the Saline 25 with one minute left, but the drive stalled as a broken play lost a yard, and a fourth down pass fell incomplete. Saline then snuffed Chelsea on the last play of the half with a 63-yard pass and the extra points. This play seemed to demoralize the Bulldogs as they suddenly found themselves down 20-0 at the half-time.

The defense toughened in the third period, but the offense could not put together any kind of drive. Saline scored with three minutes left in the period on a 24-yard run that seemed to go over or through half the Bulldog team.

More mistakes continued to plague the Bulldogs until midway through the final period. The defense forced Saline to give up the ball, then a key run by Al Augustine, a 28-yard pass from Greg Reed to Jess Colburn, set up a 28-yard bootleg for a touchdown by Greg Reed. The conversion was blocked. Chelsea gained possession again with a minute left and Greg Reed ran 80 yards for another TD on a quarterback draw. Reed, who was a one-man show the last five minutes, ran for the extra points to make the final 28-14.

Tom Bareis and Scott Powers played outstanding games on defense for Chelsea, each making 13 tackles. Several of these were sacks of the quarterback late in the game. Gary Thornton added an interception, his second of the season, but for the second week in succession, passing destroyed the Bulldogs. "We knew they would do it, we worked on it, and we had our best people back there," said Coach Bainton about the pass defense. "They had a fine receiver, and I guess our backs just weren't concentrating on their passing game," he continued.

The loss was particularly disappointing because it dropped the freshmen's season record to 3-4. "The team deserved better, they improved a lot, especially some of the relatively inexperienced players like Bart Bauer, Gary Thornton and Dan Trinkle. However, we ran into some good football teams this year," remarked Bainton of the final record.

Gridders of the Week

BRUCE STUBBS (40), junior defensive end, has done a lot of tackling in his first season on the CHS varsity football squad. "I've played in every game." But more than playing Bruce said, "I'm just proud to be a member of a championship team and I feel that the people of Chelsea can be proud of the team they will have next year." After the football season, Bruce plans to stick to skiing. He has spent some time on the slopes of Colorado and Utah and said he would like to try his legs on the Swiss pistes. The son of Dr. and Mrs. Bruce Stubbs, Bruce has two brothers and one sister.

ANTHONY HOULE (12), junior quarterback, plays quarterback behind Randy Guenther. "I've played some," he remarked. But Anthony sees sitting on the bench as part of making a winning team. "We fire the guys up and help them emotionally." Of course Anthony does not go so far as to deny the strong desire to play. He'd like to be in Guenther's position next year and hopes to get another chance to play before the season closes. A well-rounded athlete, Tony said he hopes to see his name on both the varsity basketball and baseball rosters. The son of Mr. and Mrs. Robert Houle of 315 Taylor Lane, he has five brothers.

Letters to the Editor

Dear Editor:
On behalf of this community I would like to thank everyone that sacrificed their valuable time, efforts and money to help us try to reach our goal of \$30,817.00. I'm sorry we're going to be around \$4,000 short—but Mr. Inflation took over. People remember January, February and March, I'm sure.

Everyone did work very hard and this community has a lot to be thankful for—dedicated people. Let's make next year twice as good!

A pot-luck dinner is planned for Nov. 20 at 6:30 p.m. at the Fair Service Center to say in some small way "thank you" to those who have worked for our campaign or are interested in the United Way. Circle your Nov. 20 today.

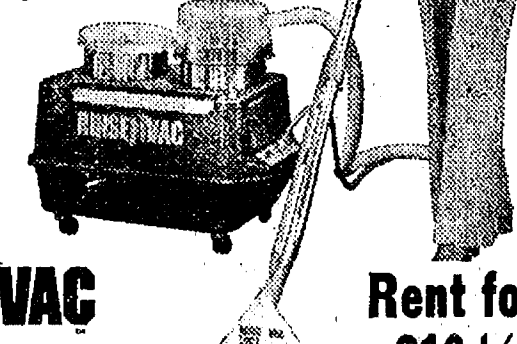

Thank you all so much again. I really appreciate everyone of you!

Marjorie Robbins, Campaign Chairman.

ALL ABOUT FOOD

F.A. KENNEDY

What do you ordinarily expect to find in a food ad? A mouth-watering picture, no doubt. Some fine phrases like "nutritious and delicious." And maybe a money-saving coupon.

But sometimes you find the unexpected...and it's usually humorous.

Lkie, for example, the bakery that advertised "If our donuts were any fresher, they'd be insulting!" Or the food chain that headlined an ad "If our fish were any fresher, they'd still be swimming!" This was followed by copy that said "When we catch a fish, we clean it and freeze it before its friends even notice it's missing!" That says freshness, doesn't it?

Chickens must seem funny to some people. One producer of packaged chicken had a billboard showing a chicken skeleton pointing to the package and saying "That's my meat!" And another said "You can't beat our drums!" Which is a little like the butcher who puts up a sign saying "You can't lick our chops!"

Speaking of skeletons, one meat producer ran a Halloween ad on hot dogs in which he had a skeleton saying "They're skinnies!" And on Thanksgiving the same advertiser ran a full-page picture of a frightened turkey looking out at you and pleading "This Thanksgiving, let's have ham!"

Sometimes a smaller advertiser will have a little fun with a bigger one. For instance, one famous brewery advertises "the beer that made Milwaukee famous"...so another promoted its product as "the beer that made Milwaukee famous!" And one well-known company advertises milk "from contented cows." A smaller dairy replied "Our cows are not contented. They're trying to do better!"

And that's my cue to remind you that all of us here at Polly's are always trying to do better. So check our ads for fun and savings.
