'Very Good' Corn Harvest Filling Storage

Area farmers have good reason to boast about their corn crop this year. According to Marcella McDaniel, grain clerk at Honegger's on Dexter-Chelsea Rd., it is very good. "The damage is down, the foreign material is not bad and there is a lot of it (corn)."

This year farmers are finding a one-acre field to yield anywhere from 75 to 100 bushels of corn. And that is quite a jump from the 30-50 bushels yield per acre as reported in the 1974 issue of The Standard. The yields are in fact so good that Honegger's reports a long line of truckloads waiting at their elevators sometimes until late evening and early morning hours. Ms. McDaniel said that in some places farmers arrive at the elevators only to dis-

cover that they must call ahead for an appointment.

Financial return on the farmer's investment is at an average of \$2.20 a bushel, down four cents from last year. When questioned about the drop in price, Ms. McDaniel said, "Last year the price was high because the crop was poor and the supply of good corn that could be marketed was limited."

Unlike last year, when untimely rainfalls hindered the corn production, the rain in 1975 has fallen at all the right times, allowing farmers to plant, the corn to grow and then to harvest without concerning themselves with wet fields and wet corn. Even the heavy rainfalls reported in August did not adversely effect the crop.

Basketball Scrimmage Scheduled

The 1975-76 Chelsea varsity basketball season bounces into full swing this week with the Bulldog cagers engaging in a tri-scrimmage with Hudson Tigers and the Tecumseh Indians. The scrimmage will be held at Tecumseh at 9 a.m. on Saturday, Nov. 22.

This year's varsity club will be captained by seniors Randy Guenther and Howard Salyer. Both of these returning letterman are slated for starting roles for Coach Balistrere's Bulldogs. "I'm looking for a lot of leadership from my captains," Balistrere stated. Tom Hafer and Dave Watson are the other two remaining lettermen off last year's 16-5 club. "We lost a lot to graduation," Balistrere stated, "but we are hopeful and enthusiastic about the oncoming year."

A senior newcomer to this year's club is 6'8" center Mike Tobin. "Mike has an exceptionally Varsity games are scheduled to begin on the courts at approximately outside shot for a big man and ironically enough, plays better outside than in under the basket. Mike could definitely be a big help to us this year," Balistrere continued.

Junior Tony Robards is another possible starter. "He is very aggressive and strong underneath the basket and he drives extremely well," said Coach Balistrere. Randy Sweeney is slated for another forward position. Randy is also aggressive and a good rebounder.

This year's club boasts of a host of junior guards: Pete Feeney, Anthony Houle, Don Morrison, Jeff Sweet, and Dean Thompson. "All the guards are quick and play good defense. They will be competing for 2 spots both as guards and forwards," said Balistrere. Jerad Benjamin is a 6'2", 175 lb. sophomore who should see a lot of action this year. "I'm looking for good things from Jerry," Coach Balistrere stated.

Assisting Coach Balistrere in the coaching effort this year is Jim Winter. Serving as the team manager will be freshman Jeff Rabbitt and Mike Bareis. Statisticians are Bill Rademacher and John Storey. Steve Dresch and Jim Marshall will be snapping action shots of the team.

The first home basketball game will be played Friday evening, Nov. 28 with Jackson Northwest, mately 8 p.m.

Hockey Team Plays to Tie in League Opener

The Chelsea high schoolers hockey team played Napoleon to an exciting 2-2 tie in their league opener Sunday, Nov. 16.

Greg Hastings scored both goals with assists from Harold Vandervoort. Outstanding play came from the Chelsea defense and the back checking of the forwards.

The goal tending was handled by Mike Check who did a great job despite Chelsea penalties.

Chelsea will play Tecumseh Sunday, Nov. 23 at 3 p.m. at the Jackson Ice Arena.

NEW OFFICERS: Friends of the McKune Memorial Library met last Thursday evening to install new officers for 1975-76. Newly installed officers are, from left, Mrs. Raymond Seitz, secretary-treasurer; Mrs. Stephen Haydock, vice-president; and Mrs. James Sprague, president. Outgoing officers are Mrs. Earl Klemer, past president and Mrs. James Schardein, past secretary-treasurer. The Friends of the Library work with the library board on improvements for the building and also assist in raising monies for financing those improvements.

Library Friends Elect Officers

Friends of the McKune Memorial Library met Thursday evening, Nov. 13 to discuss recommendations to the Library Board on furnishing needs for the second floor Historical Room.

Donations from the Friends Membership drive held last spring will go towards the improvements. There are now 86 paid memberships, including one life membership. Five hundred dollars of the \$708 collected will be presented to the Library Board at their next meeting.

Officers for the 1975-76 year were also installed. They are, Mrs. James Sprague, president; Mrs. Stephen Haydock, vice-president; Mrs. Raymond Seitz, secretary and treasurer. Outgoing officers of the Mrs. Earl Klemer, president, and Mrs. James Schardein, secretary-treasurer.

The Friends of the Library was formed 26 years ago in October of 1949 for the purpose, according to the by-laws of "enlisting citizens as active friends of Chelsea to help support it and to further all

projects that naturally integrate with the library, its facilities and its educational aims."

The group met in the Municipal Building until July of 1959 when it moved to its present meeting location at the McKune Memorial Library.

The group was dormant for several years until 1972 when the organization became active again.

Past projects of the organization have been carpeting of the library and the landscaping of grounds and refurbishing of the club room on the second floor.

Biddy Basketball Registration Scheduled for Saturday, Dec. 6

Instruction, competition, and recognition—the big three of Chelsea Recreation Council's biddy basketball program—are back on the sport scene again this year.

Biddy basketball is designed for youngsters 7 through 12 years of age. Participants will generally be divided by age in all segments of the program.

The first three weeks of biddy basketball are spent with personalized and individualized instruction for each player in all aspects of basketball, including offensive drills, defensive drills, shooting, dribbling, etc.

After the first three weeks, the young cagers will be divided into three leagues: the National Basketball Association, consisting basically of 11-, 12- and some 10-year-olds; the American Basketball Association, composed primarily of 10-, 9-, and some 8-year-olds; and the World Basketball Association, designed basically for 7- and 8-year-olds.

Program director, Jon Schaffner, notes, however, that the players are divided more on ability than on age, in order that they play against others of comparable ability.

After division into leagues, each league will be divided into equal teams. Each team will run drills for 45 minutes prior to their regularly-scheduled Saturday game. All players must play a full two quarters, a complete half, in each game.

An extra event on the final Saturday of the program is a trophy day, in which participants will be divided into five age groups, 7-, 8-, 9-, 10-, and a combined 11- and 12-year-olds group to compete in four categories: speed dribbling, timed bounce passing into a square on the wall, five foul shots, and a timed 30 seconds in which each player makes as many

baskets as possible. The top five players in each category of each age group will receive ribbons.

Girls Varsity Cagers Drop Two Contests

Brighton defeated the Chelsea girls varsity basketball team in one of the closest battles of the season, 42-38.

Both teams were within six points of each other the entire game, with the lead switching several times.

Fowls took their toll on the Chelsea team with four girls out of the game in the fourth quarter. The Chelsea girls shot their highest shooting percentage from the floor but could not maintain the lead.

High scorer for Chelsea was Shelly Warren with 13 points. Penny Collinsworth and Kim Moore each had eight. Sue Schuler scored four, Karen Tobin three and Alice Juergens contributed two points.

Chelsea drew Pinckney for their first game of the District Tournament. The game will be played tonight (Nov. 20) at 8 p.m. at Brighton High School. Novi, Brighton, South Lyon and Dexter are also in the district tournament. Novi will face Brighton tonight in the 6:30 p.m. game. The winner will play South Lyon on Nov. 22 at 6:30 p.m.

The winner of the Chelsea, Pinckney game will face Dexter on Saturday, Nov. 22 at 8 p.m. The finals will be played Nov. 24 at 7 p.m.

All games will be played at Brighton High school.

Chelsea High's girls basketball team was defeated by Dexter's team 34-22. Dexter is tied for first place in the league with Lincoln.

The Chelsea girls had a slow first half and were outscored 8-22 by half-time. Chelsea then came

Early Copy Needed for Next Week's Edition

Because of the Thanksgiving holiday next Thursday, Nov. 27, next week's issue of The Standard will be mailed Wednesday morning. The abbreviated production schedule will make it necessary for us to have display advertising by Saturday morning, classified advertising by 1 p.m. Monday and news items as soon as possible after the event.

Deer Hunters Report Quick Success in Area

While the Michigan Department of Natural Resources has established an office for the purpose of deer hunters who wish to report their kill at the SCS-ASCS, 6101 Jackson Rd., it was no less than five minutes after we arrived in our offices Saturday morning before hunters began jamming the telephone lines and the driveway to be the first to report their kill on opening day of the 1975 firearms season.

First to reach The Standard office by phone was 19-year-old Richard Clark of 7953 Clear Lake Rd., who reported that he shot a five-point buck weighing 180 pounds at 7:30 a.m. Clark made the kill on M-52 near the intersection of Clark Lake Rd.

Unfortunately, Clark cannot take the honor for shooting the first buck on opening day. The Standard took reports from two hunters who reported 7 a.m. killings. Walt Cozzens arrived at The Standard office late Saturday morning with a four-point buck he managed to shoot off Roe Rd. He estimated the weight to be about 185 pounds while Ted Cheever reported killing a 140-pound eight-point buck.

Other early hunters who took time off to boast about their prizes are John Marzec of Island Lake Rd. who shot a six-point buck at 7:15 a.m.; Bob Liston of Livonia who was happy with a kill made on land belonging to Gene Shoemaker. He arrived at our offices with his 11-point 180-pound deer and remarked that this is the first year he has hunted in the Chelsea area. In past years he has headed north for the season, however, a wedding in Livonia prevented him from repeating the trip . . . lucky for him.

The heaviest buck reported and certainly the one with the most prized rack of 14 points was reported by Rick Miller of 4648 Dexter-Pinckney Rd. Miller reported that he shot the 220-pound animal with a 12 gauge buck shot at a distance of 40 yards. The time: 8 a.m.

An unusual buck was taken by Lawrence Salyer at 8:30 a.m. Saturday. Salyer with the help of friend, Carl Foster, brought in his seven-point three-legged buck to show to The Standard reporter.

Looking in past issues of The Chelsea Standard, one sees photos of hunters and their deer have been taken against a background of snow. However, this year hunters may have some trouble tracking deer because of the unseasonably warm weather.

Tom Hodgson of the Waterloo Recreation Area, a naturalist, said the state has not received reports of a good number of deer killed on state land and added that the lack of snow may make the hunt all that more difficult for hunters who have depended on footprints in the past.

Community Thanksgiving Service Slated

Members of the Chelsea community are invited to worship together Wednesday evening, Nov. 26 at the annual Community Thanksgiving Service sponsored by the Chelsea Ministerial Fellowship. This year the service will be held at 7:30 p.m. in Zion Lutheran church.

According to Zion's pastor, John Morris, this community service is being planned as part of the Bicentennial observance and is to reflect laymen's witness with thanks to God.

Pastor Morris said that a chosen family from participating churches will share their own personal Thanksgiving message. Clergymen will also be present to assist with the Thanksgiving service.

A combined choir will sing anthems of praise and Chelsea Kiwanis Club members will serve as ushers. Other anthems will be provided by Zion's Junior and Senior choirs and a special children's lesson will also be featured.

Pastor Morris noted that this year's offering will go toward local and world hunger relief.

The service will begin at 7:30 p.m. and Pastor Morris, together with all the participating churches, extends a sincere invitation to area residents, their family and friends to attend the worship service.

"I Remember Mama" opens tomorrow night (Friday, Nov. 21) at Chelsea High school auditorium starting at 8 p.m.

Telling a tenderly human and humorous story of a couple who have come from Norway to San Francisco to raise their family, this play by John Van Druten which channeled up an impressive 713-performance run in New York in 1944, will have a second performance Saturday, Nov. 22.

"I Remember Mama" is being presented by the Chelsea High School Drama Class and is under the direction of Martha Hahn and DiAnn L'Roy.

Who Wrote Chelsea High Fight Song?

The Chelsea High school fight song. Most Chelsea High school graduates know it, but it seems nobody knows who wrote it or when. In an effort to discover the origins of the verse and the tune, The Standard is publishing a copy of the lyrics hoping they will recall the name of the composer to Chelseaites who might have been around when the song was written. It goes as follows:

Oh Chelsea High, Oh Chelsea High We're off to cheer for you. No matter if we face defeat We'll stay and see you through. In every game, we list our aim, V-I-C-T-O-R-Y.

So give a cheer that all will hear For dear ole' Chelsea High. Fight!

Anyone having any knowledge about the origins of the Chelsea High school fight song is requested to contact The Standard.

Rep. M. Conlin Meets With Local People

Approximately 40 area residents greeted State Representative Mike Conlin last Wednesday evening when he appeared at Sylvan Town Hall for some 2½ hours of discussion with his constituents.

Much of the evening was taken up with discussion concerning the liquidation of the State Trust Fund for Veterans (an attempt "to pare fat from the budget") which according to American Legion Commander Jim Knott amounts to \$50 million. Representatives of both the Legion and the VFW and Ladies Auxiliary were present to voice their objections to the liquidation.

Fremont Boyer, of the VFW remarked that if the state should abolish the fund which is "for the benefit of the public, the public will pay for it later."

Established in 1946, the fund was set up expressly to assist veterans who need financial assistance above and beyond the call of disability pensions, state and federal aid. According to figures presented at the meeting, 28,000 veterans in the state of Michigan used it

Foster's Report Break-in

\$105 in small change was taken from Foster's Men's Wear, 109 S. Main St., sometime between 5:30 p.m. Nov. 8 and early Monday morning, Nov. 10.

According to Chelsea police reports, the missing cash was discovered by the store owner, Robert Foster, when he opened his store for business Monday morning.

Police reported that entrance to the business was gained by pushing open two boards that covered a broken window located on the east side of the building. Once inside the storage shed the rear doors to the store were pushed open. Police report no suspects and the case remains open pending further investigation.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR: My old lady has quit taking stuff to the fair. One year recent she and some of her church wimmen decided to make a patch quilt to show, and the project about broke up that old gang of hers. That bunch of hens squabbled about everything from whose time it was to set up the quilting frames to how big their initials was to be on the inside of one of the corner squares where nobody could see em. What they wound up with looked like Joseph's coat of many colors, and the only reason they got a ribbon was they had three ribbons to give away and three quilts.

So when me and the old lady talk about the fair now she says how much fun they used to be, and I think of that feller that sets on the stool over the water in the cage and dares folks to spend 50 cent for three chances

to dunk him. What he would do, Mister Editor, was git folks so mad at him they would buy them balls to throw at the target, but they'd be so riled up they never could hit it. That feller in the cage was smart, he knew the madder they got the better off he was. I figger that's about the way them wimmen making the quilt were doing, and that's behind a heap of strange goings on in this country. We got to be frustrated before we need to work our frustrations off on someone, is the way I see it.

For instant, I recall the postman that allus bought his shoes two sizes to little. He said he was so tired of walking the same route day after day that he had to have someone to look forward to, and taking off his shoes at night was the biggest excitement in his day. What thought me of that postman was that piece in the Sunday paper the other week where wimmen in New York City are paying \$50 a pair for blue jeans that are so tight they got to lay down and git help to zip em up. The only reason I can see fer wearing someone like that is the fun of taking it off.

I mentioned this frustration business to Josh Clodhopper at the country store Saturday night, and he said everything is built on that idea. You got to be unhappy to know what happy is, Josh allowed, and you got to feel pain to know how good it feels not to feel it. Even the preachers tell us we got to feel guilty before we can feel what a relief it is not to feel guilty," was Josh's words.

That was pretty heavy going fer Josh and me, Mister Editor, so we listened to the fellers talk about this Bo and Peep that has talked 20 other folks into going to heaven with em. Zeke Grubb said he'd been follering them in the papers and Denver was the closest they'd got to heaven so fer. Zeke said your first thought on a deal like this was to figger it was a joke, like the time that feller started the campaign to clothes all the naked animals. But when you realize that feller was right about fooling some of the people all the time you understand why we got \$15 makeup kits fer men and wimmen that say working at men's jobs is liberation.

Yours truly, Uncle Lew.

Drinking was a problem years ago, too, but then, the horses had some common sense.

Prison Full The spectre of men sleeping on cots in the halls of Michigan prisons seems outrageous—but it's no beyond the realm of possibility, according to state corrections director Perry Johnson.

Johnson reports also that the late October count was 1,860 higher than in January and more than 2,000 higher than one year ago. "We don't think that the population will continue to increase at this extremely high level indefinitely," he says, "but we also don't believe we will get substantial relief because of the present high felony conviction rate."

Worst of all, Johnson says, "there doesn't seem to be any immediate relief in sight." Michigan reports more confined felons under the jurisdiction of the Corrections Department in late October than at any other time in the state's history.

Some 10,612 offenders were under the care of the department in the state's seven institutions, 12 camps and 63 community treatment units at that time. That tops the previous record, of June 1958, by 38 persons.

ROBERTA LAWRENCE

Washtenaw Horticultural Agent Named Don't be surprised if there's something familiar about Washtenaw county's new horticultural agent. She's Washtenaw county's own program assistant in horticulture, Roberta ("Bobby") Lawrence. Ms. Lawrence assumes her new position Dec. 1. With it comes a widening of her range of responsibilities. As program assistant since September 1973, she worked extensively with homeowners, answering questions and conducting educational programs and workshops on houseplants, flower gardening, vegetable growing, insects, and soils and fertilizers. She was also involved in community gardening projects and worked to some extent with part-time farmers and commercial floriculture and landscaping concerns.

Ms. Lawrence will expand her work with producers and providers of horticultural goods and services, while continuing her involvement with homeowners; answering questions and solving problems, identifying plants and insects, assisting with soil testing and conducting workshops and other how-to programs.

The position of county horticultural agent is a new one created and funded by the Washtenaw County Board of Commissioners. It will not take Ms. Lawrence out of the Co-operative Extension Service office, however. She will continue to be housed there, with no change in mailing address—County Building, Ann Arbor—or phone (313) 994-2457.

JUST REMINISCING Items Taken from the files of The Chelsea Standard

4 Years Ago... Thursday, Nov. 18, 1971 Members of the Chelsea Kiwanis Club were treated to films of the Jackson Northwest game at their Monday night dinner meeting this week. Experts in hand to explain the plays that gave the Bulldogs their 21-7 win over Northwest were Richard Bareis, Sam Vogel, Jeff Hughes, Tom McKernan, Jim Tallman and Head Coach Phil Bareis.

Repairs necessitated by last Monday's furnace explosion at the high school will hopefully be completed by the first of next week, Business Manager Fred Mills said Tuesday. Damage from the blast is estimated at \$10,394.

Among the first area hunters to report their kill on opening day was The Chelsea Standard's own Mitchell Zink. Mitch was hunting with his father-in-law, Bill Vogel, and friend, Walt Brown, near his North Lake home when he shot the four-point.

Three Chelsea area 4-H'ers were among approximately 35 state project champs this year, winning trips to the National 4-H Congress to be held in Chicago, Nov. 28 through Dec. 2. They are Jean Feldkamp, Bonnie Powers and Valerie Voegel.

Chelsea High school debaters are entering the Michigan High School Debate contest sponsored jointly by the University of Michigan Bureau of School Services and the Detroit Free Press. Chelsea's debate team is composed of Barbara Speer and Jean Schweinfurth on the affirmative side and David Bertke and Sandra Baldwin, negative.

A panel discussion on new school curriculum will be a feature of the High School PTA meeting next Monday, Nov. 26, at the school. Leaders will be Mrs. Clinton Collier, Mrs. Lawrence Fowler, Mrs. Kenneth Proctor and Charles Cameron, high school principal.

34 Years Ago... Thursday, Nov. 20, 1941—Merkel Brothers in addition, issuing more than 100 deer licenses, have issued 495 small game hunting licenses this season.

Bob Foster will lead the West Side business men against Jerry Nelhaus' West Siders in the annual donkey basketball game to be held at the Chelsea high school gym on Nov. 25.

Members of the Women's Guild of St. Paul's church held a social Thursday evening in connection with their regular meeting. During the business session Mrs. Elmer Pierce was elected vice-president with Mrs. Albert Ashfal as treasurer for 1942. Mrs. Norman Schmidt will continue in office as president and Mrs. Leroy Satterthwaite as secretary for the ensuing year.

SOUTH ELEMENTARY SCHOOL NOTES

FROM MR. WOJCIK-

The building at South school is nearly completed now. We plan to have an Open House when the Media Center is completed, which should be in January. Our collection of Campbell Soup labels has reached 4,000. We need help in reaching our goal of 12,000 labels. If you could save the labels for us we would appreciate it greatly. The drive will last to Jan. 10.

READING-

Thanksgiving poems and stories are being enjoyed during November. We hope that all the children will earn an Indian boy or girl for reading five books in November. Some are finding good stories at home for their folders from the bulletin board articles. The amaryllis is being measured by the second graders. It grows about an inch a day. By Christmas it should have big red flowers. A big blue turkey and a book-worm dressed like a Pilgrim go to the ones who read the most library books in November. Remember: A good book is like a friend!

KINDERGARTEN-

Teacher: Mrs. Bower
An Indian Wears a Buck Skin Suit. Tum, Tum, Tum! Our room is filled with Indian tents, canoes, drums and pictures. The Indians have given us many stories, songs and dances. Our Thanksgiving feast will be on Nov. 26. And we will have applesauce, corn bread and homemade butter. We hope the Indians and Pilgrims will join us for our celebration. Many thanks to Dr. and Mrs. Borton for our tour of their dental office at the clinic. We all learned and saw many interesting things about our important teeth. Many thanks to our room mothers for the great Halloween party and parade. We had beautiful weather and a fine time. Some of our birthday people for October were: Beth Kenny, Howie Merkel and John Cattell.

Room 1

Teacher: Mrs. Van Blaricum
The winter wind which blew in November and frightened Jackie

Jack Frost didn't frighten us at all. We have been busy talking about Indians, Pilgrims, turkeys and apples. We did stop one day, so we could walk to the Medical Center to have a tour of the dentist's office. Dr. Borton and his wife showed us around. We had lots of fun and again say thank you to the Bortons.

We will be preparing our own Thanksgiving feast. Each child will be bringing an apple. We will cut them up to cook and make applesauce. Using Jiffy mixes we will be making cornbread. We will also make some butter to make it taste even better. We have most of our costumes done, so we are ready to come dressed as Indians or Pilgrims for the feast. Our parents will be helping us with all this. We really appreciate their help.

Our birthday people for November are: Jamie Clucky, Jerrod Fletcher, David Steele, Anna Muncer, Jennifer Salyer and Janie Harat.

FIRST GRADE-

Teacher: Mrs. Schiller
Thanksgiving is a time to be thankful. Here are some of the things our first graders are grateful for. Jiffy Stacey is thankful for his family; Kristie Centilli is glad for her baby brother; Sean Machnik is happy the Indians helped the Pilgrims; Susie Keizer loves her dog; Heather Seabury is glad to have her chicken; Spotty; Catherine Coffman loves her grandma and grandpa; Lynn Schaefer, Tina Chene, Danielle Osborne, Brenda Kenney, Curtis Heard, Norman Weber, Russell Doyle and Andy Box are grateful for food, water, bushes, trees and the sun; Bobby Salts is glad for his truck, so he can drive somewhere with his Dad; Todd Nagel is grateful for his dog, Remus, and for Thanksgiving; Laurie Fults and Kathy Barber are happy we have clothes and stores; Mark Mellish is glad he has money in his bank; Paul Lemaster is grateful for God; Tammy Erskine is thankful for each morning; Alison Chasteen is glad to have her puppies; Rusty Brown and John Geis are happy for breakfast and sugar; Melissa Bullard and Margie Myers were sick, but we know

they would be thankful for all these things; Mrs. Schiller is thankful for such good first graders! We wish everyone a happy and grateful Thanksgiving.

Teacher: Mrs. Thodeson

Thanksgiving will soon be here. We are having fun learning about Indians and Pilgrims. We will be busy practicing songs, poems and Indian dances for our Thanksgiving program. We hope our parents will come to our celebration.

We made paper sac puppets of the wolf and the three little pigs. We had a puppet play.

We enjoy eating lunch in our new cafeteria. The art and music rooms are super.

Each of us planted a tulip bulb outside, beside our class windows. We hope to have beautiful blooms next spring.

With Mrs. Schiller's room we want to thank Mrs. Stacey for bringing in slides and artifacts of Brazil.

Fall birthdays have been celebrated by Tim Alexander, Derek Blough, Robby Burg, Kim Clutter, Shari Erskine, Ron Grifka, Robby Hubbell, Tina Kuhl, Nanette Morales, Bryan Robinette and Tammy Yost.

Teacher: Mrs. Thornton

Reporters: Eric Bell, Melaine Dils, Geoff Lansky and Akiie Ryan
We have a new girl whose name is Brigit Soltysiak. November birthdays: Cherie Alexander.

All of us enjoyed the puppet show we had last month. It seemed so real and scary. We liked the bear and the fish. We are learning about living and non living things. We've looked at some interesting rocks that some of us brought to school.

Thanksgiving is coming fast, and we are busy getting ready for it. We are working with Mrs. Hamilton's room. It is fun to work and learn with second graders.

David Ringe has been sick. We hope he hurries back to school, as we miss him.

Many of us are taking books home to read to our parents. Hope they enjoy them as much as we do!

Our guinea pig had two babies. They are so soft and cute. We are going to name them.

SECOND GRADE-

Room 8
Teacher: Mrs. Hamilton

The month of November brings thoughts of Pilgrims and Indians in our room. We are working on special Thanksgiving projects with Mrs. Thornton's first graders. Before starting many of our

projects, we talked about the Pilgrim's reasons for leaving England. We traced their journeys on maps and discussed the hardships they experienced.

Presently, we are working on a play which will help to pull together the facts we have learned. Our play begins with Columbus discovering America and ends with the Pilgrims and Indians Thanksgiving Feast. A time line has been helpful in showing how our country progressed from year to year.

Some of the special projects that we will be working on will include: making a covering for a tepee by sticking yarn in burlap, Indian drums, wapum, necklaces, an Indian village and making Indian and Pilgrim books. Our final project will be our Thanksgiving feast which we will prepare ourselves.

In doing our special activities the skills of reading, writing and math have not been forgotten. Much reading and writing is required in our Pilgrim and Indian books. Measuring is required in the sewing of our tepee and preparing our Thanksgiving feast.

We want to welcome all our parents to come in and visit us. We will be sending home invitations as to the date and time.

Birthdays this month: Rex Bongo, Martha Koerke and David Dresselhouse.

Room 5

Teacher: Mrs. Lopez
We have been learning about sound. Many children brought instruments to show. Louise Hoover brought a guitar; Jim Schutte a flute; Clayton Caudill and Carrie Collinsworth brought harmonicas. Carrie played a song for us on her harmonica.

Our Halloween party was lots of fun. Clarence Sparks brought an 80-lb. pumpkin, which was decorated with cartoon characters. We had lots of treats, and do thank our room mothers and all who contributed.

We learned many interesting facts about animals on our trip to the U-M Museum. Many thanks to Mrs. Tarasow, Mrs. Downey, Mrs. Inbody, and Mrs. Hoover for making the trip a success.

November birthdays are being celebrated by Frankie Morales and David Thompson.

Conlin's Visit ...

(Continued from page one)
 last year. The fund is also handled by veterans and these same people believe that if the state were to take it over, it would be mismanaged and result in more red tape for the veteran in need of the monies. The veterans added they would be willing to lend funds to the state as they have in the past.

Conlin listened to the veterans, remarking that up until then he had not had any feedback on the situation.

Other issues briefly covered during the meeting were state education programs, the graduated income tax, the Huron Clinton Metropolitan Authority, lobbyists, the DNR and the possible abolishment of the Michigan Youth Conservation Corps.

For constituents who wish to write Conlin they may do so by sending correspondence to Michael Conlin, State Capital Building, Lansing.

 the family who wants to become a doctor; Judy Powers (Katrin) as the eldest daughter, who is the narrator and center of the story; poignant through her adolescent longing for a fancy dresser set like the ones owned by her more affluent schoolmates.

"Penny Kincaid and Jenny Bott will portray two younger daughters (Christine and Dagmar), and Dennis Patsch (Uncle Chris) a ferocious-seeming uncle of these youngsters, of whom it is whispered out of earshot of the youngsters; that he is "living with a woman."

Other key roles in "I Remember Mama" are being played by Sue Frisbie, Kathleen Treado, Sue Leach, Doug Beaumont, and Steve Hovater (Aunts Jenny, Sigrid, and Trina; Mr. Thorkelson and Mr. Ryde).

CARD OF THANKS

"I would like to thank all of my relatives, friends and neighbors for their kindnesses, cards, gifts and visits. Everything was appreciated.

Henry Buss.

IN MEMORIAM

In loving memory of my dear husband and our father, Mr. Frank L. Reed, who passed away four years ago the 23rd of November, 1971. Your gentle face and patient smile with sadness we recall. You had a kindly word for each and died beloved by all. The voice is mute and still the heart that loved us well and true. All bitter was the trial to part, from one so good as you. You are not forgotten, loved one, nor will you ever be. As long as life and memory last we will remember thee. We miss you now our hearts are sore, as time goes by we miss you more and more. Your loving smile your gentle face no one can fill your vacant place.

Sadly missed by his wife, children and grandchildren.

CARD OF THANKS

The family of Margery Louise Trinkle wishes to express their deep appreciation for the love and sympathy extended to us by friends, neighbors and relatives; God Bless you all.

Mr. and Mrs. Ralph Trinkle, and Daniel and Debbie.

Connie Wireman, Robert Salyer Wed at Methodist Church

Mrs. Robert A. Salyer

Connie Lynn Wireman and Robert Alan Salyer spoke their wedding vows Saturday, Nov. 1 before 230 guests at the Chelsea United Methodist church. The Rev. Ira Wood of the Chelsea Methodist Home presided over the ceremony uniting the daughter of Mrs. Grace Wireman of 20100 Brown Dr. and Mr. Seidon Wireman of Chelsea and the son of Mrs. Roma Salyer of 131 E. Middle St. in marriage. The bridegroom's brother Howard, and Kathy Treado sang "Colour My World" and "The Wedding Song" during the ceremony.

For her wedding to Mr. Salyer, the former Miss Wireman chose a gown of white taffeta with sheer bishop sleeves and lace appliques adorning the tucked bodice, sleeves and cuffs. An elbow-length illusion veil with lace trim was held in place by a matching lace Camot cap. The bride carried a bouquet of white carnations, apricot roses and baby's breath.

Serving as maid of honor was Miss Angie Eder of 555 Taylor Lane. She was dressed in an apricot colored gown with brown velvet lapels. She carried one long-stem rose.

Bridesmaids were Mrs. Pat Wieneke, the bride's sister of Boston, Mass.; Miss Kimberly Wireman, sister of the bride of Chelsea, Miss Darlene Davis, the bride's cousin of Chelsea and Miss Mary Davis, also a cousin of the bride of Kentucky. They were dressed in long apricot gowns with brown velvet jackets. As the maid of honor, each bridesmaid carried one long-stem rose.

For her daughter's wedding, Mrs. Wireman chose a long turquoise colored gown and pinned a corsage of white roses to her gown. Mrs. Salyer was dressed in a long black and white dress. She pinned an identical corsage to her shoulder.

Also attending the couple were the bridegroom's niece, Miss Amy Lynn Koengeter of Chelsea, and the bride's nephew, Christopher Wieneke of Boston.

The bridegroom's uncle, Gerald Wenk of Chelsea served him as best-man. Ushers were the bride's brother, Steven Wireman, Howard and Rodney Salyer, brothers of the bridegroom, of Chelsea, Randy Davis and John Brown, cousins of the bride.

A reception immediately following the ceremony was held at the UAW Hall.

The couple honeymooned in Toronto and are now at home at 131 E. Middle St.

Girls JV Cagers Win Over Dexter

The Chelsea girls JV basketball team won their last home game last Tuesday, by defeating Dexter, 30-29. "It was a good team effort with nearly everyone playing. We scored consistently throughout the game and made a fair percentage of our free throws. We also successfully pressed Dexter and made them rush their game. Our season has been less than successful but we all feel this victory made up for some of our close defeats," remarked coach Cindy Bradbury.

High scorer with 10 points was freshman Lori Miles. Tracy Hawker led the team with 16 rebounds. Also scoring for Chelsea were Jackie Lamb, Tracy Hawker, Sue Heydlauff, Cindy Welshans and Nancy Knott.

The girls traveled to Brighton last Friday night where they suffered yet another close defeat by a score of 35-32. "I was really pleased with our performance even if we did lose," said Bradbury. The girls were down 16-5 at the end of the first quarter and they just kept working until we were leading at the end of the third quarter," she said. As happens in many sports they lost momentum in the fourth quarter and failed to make baskets and free throws. Chelsea played a fine game to come from behind and got 32 points. "We just didn't get the breaks when we needed them," she concluded.

High scorer was Sue Heydlauff with 12 points. Leading rebounder was Sheryl Kiel with 12. Adding points were Lori Miles, Joan Lutovsky, Tracy Hawker, Veronica Satterthwaite, Sheryl Kiel and Nancy Knott.

JV Cagers Working on Fast Break

Chelsea's Junior Varsity Basketball team is hard at work preparing themselves for their first game of the season to be played Friday, Nov. 28 with Jackson Northwest.

According to their coach, Paul L. Terpstra, the 13-man sophomore team is working "hard on man to man pressure defense." We believe that good defense is the first step to winning the game," Terpstra remarked.

Composing this year's team are John Daniels, Joe Ewald, Mark Feeny, Matt Fisher, Randy Harris, Brian Lewis, Matt McClear, Kurt Owings, Bruce Rabbitt, Jeff Rudd, Dave Schrotenboer, Chris Smyth, and Chip Stafford. Tom Rudd will serve as manager and Greg Ringe will keep the statistics.

Terpstra noted that much of this year's offense will be based on four players over six feet in height. "We plan on using this height to trigger our fast break offense," he said.

A long-standing Chelsea opponent and one of the favorites for the JV race this year is the Saline Hornets, however, Terpstra is optimistic saying that "with continued hard work and improvement we feel we can challenge the Hornets for the title."

Prior to their first game on the 28th, the JV Bulldogs will scrimmage against Tecumseh and Hudson this Saturday at 8 a.m. in CHS gymnasium.

The public is invited to watch the pre-season game.

By LOUIS BURGHARDT
With no reminder or prodding needed, every one has reason and should be glad to give thanks on the special day of Thanksgiving. Some people at times are inclined to measure appreciation of and for visible possessions, unmindful of intangibles for which thanks should be given. Actually, no matter what individual circumstances may be, no one can truthfully say he or she has no reason to be thankful.

It is our custom to associate food with Thanksgiving Day. Fine. But a Divine Providence has bestowed countless other blessings upon us for which all of us should be thankful. For example, no matter what the state of health, there should be gratitude for life itself. Whatever basic senses one has; sight, hearing, etc., including the capability for fun and laughter are further reasons for thankfulness. As Americans all of us can be thankful for our freedoms guaranteed and protected by our Bill of Rights. Next week we will submit a thought about the changing times concept of Thanksgiving Day. Watch for it. You will find it interesting. **BURGHARDT FUNERAL HOME**, 214 East Middle St., Chelsea, Mich. Phone 475-1551.

Missionary Christmas

Slated Sunday at Immanuel Church

The annual missionary Christmas will be held at Immanuel Baptist Church Sunday, Nov. 23 at 8 p.m.

Following the singing of Christmas carols there will be a showing of an outstanding missionary film "The Harvesters." This film is a dramatic presentation of medical missions in action. In a remarkable way, God deals with an elderly blind man in West Pakistan through the dedicated life of the physician who directs the mission hospital.

"The Harvesters" was filmed of location in a picturesque and colorful setting at the edge of the Himalayan Mountains near the Afghanistan border of Pakistan.

A special missionary offering will be taken and the monies divided among the missionaries Immanuel Bible church has a part in supporting.

The Ladies Fellowship is also making clothes for the Crumbaugh family who are missionaries serving among the Canadian Indians of Manitoba.

After the service there will be a time of fellowship and refreshment. The community is invited to attend.

BICENTENNIAL BY-PATHS

On Nov. 1, 1775, the Continental Congress banned export of produce and livestock except horses, from the United Colonies unless proceeds of such shipments were used to purchase military stores. Another resolution asked that rice no longer be exported to England, Ireland or the European portions of the British Dominion.

Gridders of the Week

HOWARD BUSH (90): "You bet!" is Howard Bush's reply when asked if he plans to be a member of the 1976 CHS varsity football team. "I hope we have a championship team again next year," and added, "we'll need a good offensive line." The junior griddler played tight and defensive end for the Bulldogs, playing in approximately five games and wishing he could have played more. Football is Howard's main sport, "I like the hard hitting in the game." While he plans to take some time off to hunt and relax, Howard says he may go out for baseball in the spring. The son of Mr. and Mrs. Donald Bush of Lima Center Rd., Howard has one brother and one sister.

BOB BURGESS (68): Playing football for Bob Burgess gives him an opportunity "to release his frustrations and aggressions," he says. As a linebacker on the team, Bob gets to hit people. He says he likes that aspect of the sport. Not wanting to sound brutal, Bob adds "One thing about football, it is a real team sport." And working with a team seems to be much to his satisfaction. While Bob says he has played in four or five games this season, he would have liked to play in more. However, he realizes that there were others in their last year on the team who were capable of doing a better job than he could have. And he holds no grudges. Outside of school, he hunts, catches and camps. With the foot of the recreation areas at his doorstep, Bob is in luck. The son of Mr. and Mrs. Charles Burgess of 717 Taylor St. Bob has one brother and one sister.

FIVE POINTER: 19-year-old Richard Clark bagged this five point 170 pound buck at 7:30 a.m. Saturday morning, only minutes after the 1975 firearm season had begun. Clark reported that he is especially proud of this one; taken on M-52 and Clark Lake Rd. It's the first deer he has ever bagged.

St. Louis School Notes

The boys at St. Louis school, with the help of their art teacher, Mrs. Falkenstein, will create Christmas cards of their own design this year to sell to their parents and friends at the cost of 10 cents each. Fr. Umberto Mellare remarked that the boys are especially pleased with this project. Persons who might wish to purchase cards from the school may contact the father to place orders.

A new medium in education has been purchased for the boys at St. Louis school. A combination of radio and TV, "System 80" works on instructing the boys on matching words and numbers and on spelling. "It makes their learning all that more enjoyable," the father remarked.

While the boys were on a weekend home, the staff and priests

at St. Louis school enjoyed hearing a performance of the Vienna Boys Choir in Detroit. Tickets for the performance were compliments of Mr. Rudy of Ann Arbor.

Over the past week-end the sisters of St. Louis school were the guests of Mrs. Robbins at St. Paul's United Church of Christ for a bell concert.

The basketball team is practicing for their season which will open tonight with a game against the 7th graders in the Dexter public schools. Fr. Umberto remarked that basketball is a favorite sport for the boys. According to the father, prior to the development of an interschool sports league this fall, basketball was the only sport in which the boys had an opportunity to compete in with other schools.

NORTH ELEMENTARY SCHOOL NOTES

FROM MR. BENEDICT—

The popcorn sale has gone well and is now over. Teachers are now considering audio-visual purchases they can make with the profits.

We are saving Campbell labels this year. Schools may turn these labels in for audio-visual equipment, P.E. equipment, or some kinds of teaching aids. It takes a lot of Campbell labels to get this equipment, so all the help you can give on this will be appreciated. Labels to save are from Campbell's soups No. 1 can, 28-oz. can, 50-oz. can, chunky soups and Campbell beans (6 kinds). Later on, we may ask for some volunteers to help count the labels.

SPEECH LANGUAGE SERVICES

Speech and Language Services during the 1975-76 school year will be provided on a block time schedule. The therapist, Mrs. Geni Adams, will spend alternate quarters between North and South, beginning at South and closing the year at North. Students enrolled in the program at Beach school will be seen during the second and fourth quarters. The Chelsea High students on her case load will be seen during the entire year.

Purpose of block time scheduling is to provide more extensive services. It allows for more intensive work with students, thus increasing and encouraging carry over of skills taught and students' progress. This scheduling also permits more time for evaluation of students' needs, consultation with classroom teachers and parents, and planning time for students' programs.

Students will be seen for 1/2 hour to 45 minutes from two to five times a week depending on the severity of the children's needs.

KINDERGARTEN—

Reporters: All the children
Teachers: Mrs. Michelson,
and Mrs. White

So much going on! We've moved and we think our new rooms are beautiful. Come and see for yourself!

Last Thursday, the bus took us to the Medical Center. Doctor Barton showed us the dental office and his equipment. We learned how important it is to take care of teeth.

We walked to the fire station. Mr. Adams, Mr. Steele and Mr. Hafner told us about fire fighting and answered our questions. We squirted the hose and climbed through the biggest truck. Mr. Spiegleberg was in the office. He has been a volunteer fireman for 62 years. Oh, did you know we saw eight fire hydrants on the way to the station?

The Frisingers and Kirk Lawton's mother were waiting for us at the farm. Mr. Frisinger gave us a hayride to the oak grove. We walked back along the paths through the woods and along the fields of corn. Then we had cider and the donuts we had made the day before. It was a beautiful day. We learned a lot about nature (through our walks near school and from objects and plants and animals we bring to school also). We ironed leaves for mobiles or window decorations. Occasionally, Mr. Coelius' students come in to tell us stories. Overheard from one of the children "They are pretty good story tellers."

Halloween was exciting because of the parade, the party and the surprises. Mothers who helped got dressed up too, and paraded

through the other grades with us. We did an experiment with our two jack-o-lanterns and a candle, and roasted the pumpkin seeds. They were delicious. In the morning, Mrs. Jarvis played her accordion and we sang. Mr. Mayer brought the pep band over in the afternoon. The music was great. They showed us the instruments and how they sounded alone. Everyone had a turn to beat the drum. It would be special if they could visit the morning kindergarten, also.

Most of us can read our own names, know our colors, shapes and something about numbers.

The people who help us keep in contact with parents are Mrs. Lavigne, Garen, Sheffield, Monroe, Kruse, Lawton, Schwerin, Kyle, Lewis and Kuzon.

Mr. Brier is a big help with anything that concerns the buses. Ray Stoddard and Dawn Bucholz are student tutors from the high school.

FIRST GRADES—

Teachers: Mrs. Packard,
Mrs. Feebles and Mrs. Stein

Our North school first grades were the lucky ones this year in that our rooms were untouched by the extensive construction on our schools. We could get settled and start right in. However, the parents of Mrs. Packard's children are aware that her class moved across to the previous kindergarten room when it became available last month. There will be a later open house when the parents can see the entire school. We are sure that you will be impressed with our additions as we are.

Late birthday greetings to our September birthday children go to: Kirsten Erickson, Jon Lane, Phillip Patterson. Our October birthday children who are a whole year older now are: Chris Ruth, Chris Zangara, Shane Huttling, Krista Snigh. Sharing the month of November are the birthday children: Michael Ellenwood, Bryan Kidd, Annette Duhamel, Debby DeVoe, Chris French, Timothy Schultz, Scott Wolak, Randy Ferry, Robin Mock.

SECOND GRADE—

Teacher: Mrs. Walton

We are working hard on our new reading books. We are finding out how important it is to lis-

ten to or read the directions.

We have to learn to spell eight new words each week in our spelling book. We have a test every Friday on our new words. We are enjoying Magic Circle again this year. We can talk

about behavior and feelings.

Darin brought in some very interesting fossils for us to look at. We want to thank Brad's mother, Mrs. Bauer for the nice Halloween party. The relay races were fun. We lost one girl when Lorie

Coley moved to Danville; but we have a new girl, Laura Hoeter now.

Anne and Ronald had birthdays in October, and Beverly and Pam will have their birthdays in November.

ALL ABOUT FOOD

A very proper Bostonian once observed that he would never permit a pig in his living room. "The pig's place," he explained, "is in the kitchen and the dining room!"

He was, of course, referring to pork in its many delightful forms. But a man named Escoffier, the master chef, was more specific. Pork, he said, may deserve to be praised, "but it could never have been included among the preparations of first-class cookery had it not been for the culinary value of hams." All the other cuts, he said, were worthy fare for the peasant's table. But a fine ham is a dish to be set before a king.

Technically, a ham is that section of a hog's hind leg that extends from the knee to the hip. And actually, hams are commonly sold by pieces; the butt end, which is very meaty and excellent for baking...the center, which may be baked but is also excellent sliced and pan-broiled...and the shank, which has more bone and used often for flavoring soups, beans or cabbages.

Esthetically, however, a ham is that marvelous wonderment you set out on your Easter table, gloriously glazed, bejeweled with cloves, bedecked with pineapple. As you see, it is easy to get poetic just thinking about a baked ham.

Best of all, we Americans are able to enjoy the hams that are best of all. For the fact is that a fine ham, like a fine wine, can be identified by the area it came from...different curing and smoking methods...and it is widely agreed that among the finest specimens on earth are our own Virginia hams. That, to coin a phrase, is ham what am!

And for values that are Polly's is the best place to come. And that's the truth, no matter how you slice it!
