Jolly St. Nick Slated To Visit Here Saturday

"You better watch out, you better not pout, you better not cry, I'm telling you why, Santa Claus is coming to town."

Yes, Santa Claus is coming to Chelsea. He will arrive in town this Saturday, Nov. 29, appearing at Longworth Plating on N. Main St. from 1 to 3 p.m.

Area youngsters are encouraged to stop by and greet Santa and to let him in on just what they hope he will bring them for Christmas. Santa will also be handing

out small gifts of candy and books to those who come to see him. While everyone knows that Santa Claus is kept very busy during the last weeks that remain before Christmas, he has promised the Chelsea Merchants Association who bring him to town, that he will be here again on Saturday, Dec. 6 and 13 at Longworth Plating to visit with Chelsea children.

Assisting their jolly man with the onslaught of anxious youngsters who wish to sit on his lap will be the Chelsea Jaycees.

Basketball Coach Has Woes, Too

With their non-league game of the 1975-76 season only a few days away, Bulldog Varsity Cager Coach Tom Balistrere is finding optimism a tough thing to muster.

Illness, injuries and a senior captain who has recently quit the team are causing a good deal of concern for Balistrere and his healthy players. "I just hope things go well and we get back to normal soon," he remarked.

One of the toughest obstacles in Balistrere's way and the one that prevents any pre-game predictions is the fact that the entire team has not been together for a single practice. A factor that could cause a loss to Jackson Northwest if the Bulldogs cannot get back on their feet before Friday.

Balistrere reported that senior captain Randy Guenther is recovering from the flu along with top players Randy Sweeny and Dave Watson. Center Mike Tobin who stands 6'8" has been out of practice for a week and a half with a back problem.

And to add to all this, one of Balistrere's best players and team captain with Guenther, Howard Salyer, has left the team for personal reasons.

Working against odds such as these, the Bulldogs are going to need help from loyal sports fans. The Northwest game will bounce off in the Chelsea High school gymnasium at approximately 8 p.m. Friday evening.

NEW PASTOR: The Rev. Marvin H. McCallum (seated center) and his family from left, Mary 13, wife Marilyn, Mark 15 and Matthew 10 are new to Chelsea coming from Manistique in the Upper Peninsula of the state. The Rev. McCallum is the new pastor for the Chelsea United Methodist Church.

New Pastor Begins Duties At Chelsea Methodist Church

New to Chelsea and the Chelsea United Methodist church where he will serve as pastor to a congregation that numbers just over 600 is the Rev. Marvin H. McCallum.

The Rev. McCallum and his wife, Marilyn and their children, Mark 15, Mary 13 and Matthew 10, came to Chelsea from Manistique in the Upper Peninsula where he has served since 1971.

While the pastor is new to Chelsea, he remarked that he is not new to the rural atmosphere here. Born 15 miles north of Port Huron and raised on a fruit

and dairy farm, the pastor said he is "rural oriented" and "wanted to be in this kind of town."

Prior to serving Methodists in Manistique the Rev. McCallum pastored churches in Pigeon and Oxford.

He was ordained at Adrian College in 1961 and graduated from Greenville College in Illinois. The Rev. McCallum also attended Wesley Seminary in Washington, D.C.

As a member of the Methodist Conference program staff for the Upper Peninsula, the Rev. Mc-

CHS Wrestling Team Begins Season Dec. 2

According to their coach Richard Bareis, Chelsea varsity wrestlers will open their 1975-76 season Tuesday evening, Dec. 2 "with a lot of question marks."

Bareis said the grapplers will open with a double dual at Howell, followed by a dual in New Boston, Thursday, Dec. 4 and the Dexter tournament Dec. 6. "They (the tournaments) should provide some quick answers to my concerns in many of the weight classes," Bareis remarked.

The Bulldogs are going to attempt to mark up their fourth consecutive Southeastern Conference title.

Chelsea wrestlers will be led by co-captains Dennis Bauer at 185 pounds and Tim Reed at 155 pounds. Further experience will be provided by Dale Schoenberg at 126 pounds, Jim Stahl at 119 pounds and Nick Keiser at 138 or 145 pounds.

Last year Bauer was the Southeastern Conference champ and Regional champ at 167 pounds while posting a 29-4 record.

Reed, who has finished second in the league for two years, had a 22-4 record last year.

Schoenberg, who was not a member of the 1974-75 wrestling team, brings two years of previous successful varsity competition to the mats.

Stahl posted a fine 21-8 record in '74-'75, finishing third in the league.

Nick Keiser who has wrestled for three years and was the 105-pound league champ as a sophomore, also brings some solid experience to the team line-up.

Other lettermen, not now available because of injury and other circumstances are John Bulick and Rick Beaman.

While Bareis is still not certain of his wrestlers with respect to their weight classes, contenders that now rank on the team roster are at 98 pounds, Mark Bucholz, Chuck Young and John Bulick; at 105 pounds, Don Aldrich and Joe Keiser; at 119 pounds, Jim Stahl and Joe Marentette; at 126 pounds, Dale Schoenberg; at 132 pounds, Mike Young; at 138 pounds, Bob Swanberg, Nick Keiser, Dan Hagen and Rocky Brandel; at 145 pounds, Nick Keiser, Kelly Alder and Greg Reed; at 155 pounds, Tim Reed; at 167 pounds, Bruce Bennett, Victor Verchereau and Todd Headrick, and at 185 pounds Dennis Bauer.

However, Bareis is concerned about two weight classes where the team presently does not have the personnel; the 112-pound class and the heavyweight. Bareis says he hopes to develop wrestlers to fill those classes.

Coach Bareis, with the assistance of Sam Vogel, has been working with a squad of 40 wrestlers; six seniors, six juniors; 11 sophomores and 17 freshmen.

"We have a fine group of young wrestlers. If they develop quickly, we will be a contender in the league," Bareis remarked.

Coach Bareis noted that a Jan. 17 tournament in Mason has been added to their schedule.

TED M. BONUS

Ted Bonus Named V-P By Indiana U.

Indiana University President John W. Ryan has named Thaddeus (Ted) M. Bonus vice-president for University Relations.

The announcement followed Board of Trustees approval of the appointment by telephone communication with Dr. Ryan.

The appointment becomes effective January 1976 with the specific date subject to the assumption of the position by Bonus.

Bonus, has served as director of State and Community relations at the University of Michigan since 1970.

President Ryan said, "I want to express deep appreciation to all those who helped with the search for our new vice-president for university relations. The hard work of the advisory committee and the interest of many friends and associates of Indiana University

have culminated in a superb selection. Ted Bonus' outstanding career in the field of communications and community relations both in business and higher education enables him to bring to Indiana University the broad experience and leadership this important position demands.

Michael Radock, vice-president for University Relations and Development at the U-M said, "We are both sorry and pleased that Ted Bonus is moving on to Indiana. While I am sorry we are losing one of our top university relations directors, Ted joins the ranks of others from this unit who have been named to vice-presidencies and other major positions at various universities. That is a source of pride to us and to the University."

Youth Admits Breaking into Gambles Store

A 15-year-old Chelsea youth has been released into the custody of his parents after admitting to breaking into the Gambles Store at 110 N. Main St. last Saturday evening and earlier this year in September.

According to police reports the youth took a number of hunting knives, small items and \$40.05 in change from the store. An unsuccessful attempt was made to pry open the safe.

Police said they were advised of the break-in by a family member who said she observed the youth sneaking into his bedroom. She told police she thought perhaps her son had broken into Gambles Store.

Chelsea officers Graves and Yager went to the home where they talked to the youth and learned that he had indeed broken into Gambles after 9:30 p.m. Nov. 22. He told police he gained entry to the building by breaking a second story window with a brick.

Upon further questioning police learned that the same youth was responsible for a breaking and entering of Gambles in mid-September of this year, during which he stole \$43.92 worth of goods.

The case remains open pending court action.

Social Service Plans Christmas for Needy

The spirit of Christmas. The spirit of giving. To give is better than to receive. A philosophy; and one that Chelsea residents, clubs and organizations are invited to partake in this year, the 18th year that the Chelsea Social Service will co-ordinate a Christmas for the needy who live in the Chelsea school district.

If you have knowledge of persons who are alone, the aged and low income or single parent families who may need help in celebrating the Christmas holidays, contact Mrs. Linda Ormsby of the Chelsea Social Services Thursdays from 10 a.m. to 4 p.m. at 475-1581 and evenings after 5 p.m. at 475-1012.

"We want to encourage anyone who needs help or who knows of someone who might to telephone us."

Mrs. Ormsby will be working with individuals, groups, organizations, clubs and anyone who would like to help make Christmas special for those persons who cannot do so themselves.

Mrs. Ormsby said that those things most needed are food, clothing, new toys, money, bedding and warm clothing for adults.

Persons who wish to donate food for Christmas baskets may contact Mrs. Ormsby or Nadine Koch at 475-7319 of the Chelsea Firemen's Ladies Auxiliary who will be responsible for the collection and distribution of food baskets this year. Baskets will be distributed Dec. 19.

Mrs. Ormsby also said that if groups and individuals care to help a specific family they may contact her and she will make suggestions as to what they need for the holidays.

Chocolate Dipping Session Slated

Have you ever had the urge to create your own centers for chocolate dipped candy. Covering such things as nuts, raisins, dried fruit, cherries, cream and hard centers?

The Chelsea Recreation Council and Dorothy Hafner are offering a chocolate dipping workshop to area residents Tuesday evening, Dec. 2 at 8 p.m. in the Home Economics Room at the High School.

As Holly Porter, director of the Council remarked, "a fun way to get ready for the holidays."

Mrs. Hafner, who reportedly is a pro at dipping everything in chocolate from fresh to dried fruit to creamy centers, will demonstrate just how this is achieved, and give her audience a chance to try their skill, too.

Mrs. Hafner said that special equipment is not necessary in learning to dip chocolate. While special chocolate must be purchased to dip with, Mrs. Hafner will have it on hand for those who wish to purchase it.

Biddy Basketball Still Needs Coaches

Starting Dec. 6 all the aspiring young basketball players looking to turn into star Bulldogs will begin instruction and competition in Chelsea Recreation Council's biddy basketball program.

Designed for participants who are seven years old through those 12 years old, the program will consist of 10 weeks of instruction, including six games during that 10-week period and a trophy day. In addition, each player will receive a game jersey to keep and will play at half-time of one of the junior varsity home games on a Friday night.

Registration for biddy basketball will be conducted Saturday, Dec. 6 at the high school gym from 9 to 10 a.m. Fee for the program is \$5.

After the first several weeks of intensified instruction in all phases of the game, participants will be divided primarily by age, but more importantly into three leagues of comparable ability, and placed on one of several teams in each league.

In actual competition between teams, each player must play at least one full half of every game. The two younger leagues will use the regulation biddy baskets, which are 8 ft. 6 in. high and smaller biddy basketballs, while the oldest league will use the standard 10 ft. baskets and regulation balls.

Jon Schaffner, director, notes that the program is still in need of coaches for the program. "If you're interested in spending a very enjoyable two hours for 10 Saturday mornings, please contact me at 475-8802." Interested coaches may also attend the Dec. 6 registration.

Following registration, practice on drills will be conducted from 10:15 a.m. to 12:15. For the remaining nine Saturdays of the program biddy basketball will be scheduled from 10:15 to 12:15.

Any one interested in registering for the program who expects to be out of town on Dec. 6 should contact Schaffner before the registration date.

Action Ahead?
Wondering on out-of-the-way shelves forever—that's the fate of many reports of special blue-ribbon commissions and councils.

But a different future appears to be in store for the recent report of the Michigan Economic Action Council, a top-level body asked to figure out ways to help boost the state's financial status.

Gov. William Milliken has named Dr. Kenneth J. Shoaf, president of Lake Superior State College, to serve as "implementation executive" for the council report.

"Considering the difficult and uncertain economic period that our state faces, the immediate implementation of the Council's short-range recommendations rates among the state's highest priorities," Milliken says.

"With the appointment of Dr. Shoaf, we now can start to effectively carry out the council's action plan."

Shoaf, Lake Superior State president since 1966, has been a major influence in the economic revival of the Sault Ste. Marie area," the executive office says.

Among council recommendations are:

- Work toward a federal moratorium, until 1980, on auto emission standards to help hike car sales.
- Improve an information system to help state agencies and local units of government obtain more federal money for public works projects.
- Try to entice Volkswagen to locate a plant in Michigan.
- Work to ensure that Michigan has an adequate supply of natural gas for industrial and agricultural development.

Pushed Plant Over
Folks who finger drug dealers won't be getting any more rewards from the state of Michigan—at least for a while.

The "Turn in a Pusher" (TIP) program conducted by the Michigan State Police has fallen victim to the state's budget crunch.

The program, instituted nearly two years ago, offered cash awards to tipsters providing information that resulted in arrests or drug confiscations. Nearly \$620,000 was awarded to 185 tipsters since January 1974.

But the award program has been curtailed because of money problems.

Even so, Capt. Lewis Smith, State Police intelligence division commander, holds out hope for its reinstatement.

"The productiveness of TIP in the fight against illegal drug traffic gives some reason for expecting it may be reinstituted again when funds are available," he says.

Wish relatives and friends a happy holiday this season with gourmet gift foods from your kitchen. Michigan's crop production gives you a wide range of quality food products from which to choose in preparing these tasty delights.

Marketing officials of the Michigan Department of Agriculture say Michigan ranked fifth or higher among the 50 states in production of 25 food crops in 1974, and led the nation in six: Leading Michigan crops are red tart cherries, dry beans, pickling cucumbers, fine Eastern white winter wheat, rhubarb and blueberries.

Home-made food gifts are sincere expressions of warmth and creativity. Persons of all ages will cherish that tin of real butter cookies, fruit cake aged in rum or cognac, or luscious fruit pie. Loaves of freshly baked pumpkin, raisin or rye breads, or coffee cakes topped with sugar icing, candied cherries and nuts, are ideal for senior citizens living alone to enjoy with hot beverages. Bring a smile to the face of a working mother with crocks of chutney baked beans, or spicy bean or cheese spread for instant party hors d'oeuvres. Make old-fashioned mincemeat with lean chopped beef, red tart cherries, chopped apples and sweet cider for a sure hit with grandparents or that favorite aunt and uncle.

Delicious pates made from Michigan Grade No. 1 sausages and economical variety meats will please the swinging singles set. They can be served with a variety of crisp crackers and wafers, fruit and cheese trays, and relish dishes for an elegant holiday menu.

More gourmet gift suggestions include flavorful home-made jellies, spiced or brandied fruits, preserves laced with ginger and bits of crystallized lemon peel, cheeses, plum pudding and mellow Michigan wines.

Gridders of the Week

BRUCE BENNETT (60): Junior middleguard and strong side guard, Bruce Bennett has found attending Chelsea High school "pretty hard." For Bruce and two of his sisters have commuted daily to Chelsea schools from Willow Run . . . a 50-mile roundtrip drive. This week-end it will be all over when the Harold Bennett family moves into their new home on Lima Center Rd. Despite the commuting, playing on the Chelsea High school football team has been quite a thrill for Bruce. "I've played quite a bit but not as much as I wanted to." Still Bruce acknowledges that his first year at CHS and his first year on the football team, has started out well. This winter he plans to join the wrestling team. "I think I'm a little better at wrestling than I am at football."

BILL ESCH (82): Junior end and linebacker, Bill Esch has been playing on Chelsea football teams ever since the 8th grade, and says he may continue in the sport next year. Aside from an interest in football, Bill has been a member of both track and wrestling teams, however, he plans to give both up this year in lieu of getting a job. He is the son of Mr. and Mrs. Eugene Esch of Grass Lake Rd. . . . and no relation to Marvin.

MARK BRENNAN (85): This six-foot, 140-pound junior played end both ways for the Bulldogs this year, his first on the varsity team. However, Mark notes that he has played football every year since the 7th grade. Football is all-consuming for Mark, when not playing it, he's watching, either live or on TV. He is the son of Mr. and Mrs. David L. Brennan of 217 Adams.

Debaters Place Third In Cereal Bowl Tourney

Chelsea High school debaters attended "The Cereal Bowl" debate tournament in Battle Creek last Saturday, returning home with a 5-3 record for the tournament and a third-place trophy in the hands of senior debater Brenda Shadoan.

Miss Shadoan, who debates on the affirmative side of the Chelsea's varsity team, was rated as the third best varsity speaker out of 44 varsity speakers attending the Saturday tournament.

This tournament, the last before the team goes into league tournaments Dec. 1, showed Coach William Coelius that his team is "beginning to jell." The varsity team did really well," he said. "They are getting their arguments together and we are really looking forward to the season ahead."

Debating on the affirmative side with Miss Shadoan was Kim Brown. Barbara Hinderer and Doug Foreman debated the negative side. The team dealt defeats to Portage Northern twice, Gull Lake, Grand Rapids and Jackson County Western. They were dealt losses by Jackson Parkside, Kalamazoo Central and Three Rivers.

While the varsity debaters gave their competition a scare, the novice debaters were not able to pull anything more than a 1-7 record for the day. However, Coelius remarked that this team was put together to give the participants some experience. Affirmative speakers were Shelley War-

ren and Lesley Clark. Negative debaters were Mike McKenzie and Lisa Walworth.

Pre-season tournaments have done a lot for the team in getting them ready for SEC conference debates to begin Dec. 1 with Saline.

Messiah Sing slated Dec. 14 In Ann Arbor

Continuing in the tradition of the past few years, an unrehearsed reading of Handel's "Messiah" will be performed Sunday afternoon, Dec. 14, at 2:30 p.m., in the auditorium of the Unitarian church, 1917 Washtenaw Ave., Ann Arbor.

All interested performers, singers and instrumentalists, are welcome. The "sing" last year attracted 45 orchestra players and more than 100 singers. Professionals and amateurs, young and old, are invited, and it is hoped that many family groups will come and enjoy the afternoon together. Professor Tom Taylor, of the U-M School of Music, will again serve as musical director and conductor. Vocal and instrumental scores will be furnished but orchestra players are asked to bring their own music stands.

A midpoint intermission will be held for rest and refreshments. Cider, donated by the Ann Arbor Bank and Trust Co., will be furnished, and participants are asked to bring cookies or other treats to share.

This year, Dr. Taylor would like to have the orchestra members assemble at 1:45 p.m., to permit placement, tune-up, and a short warm-up session to review the order of the music, tempos, etc.

Also, beginning with this year, to assist in the planning of this event, all performers, especially the orchestra, are asked to pre-register with the manager as soon as possible. Contact Emerson Hoyt, 1410 Las Vegas Dr., Ann Arbor 48103, or phone 761-6099.

Ford Tri-Motor Used in First South Pole Flight

Admiral Richard E. Byrd became the first man to fly over the South Pole on Nov. 29, 1929. The plane he used, a Ford Tri-Motor, was named for Floyd Bennett, the pilot who had flown Byrd over the North Pole three years earlier. Following the flight over the South Pole, the "Floyd Bennett" remained in the ice of Byrd's Antarctic camp for five years before being returned to the United States. Today, that plane is a part of the aircraft collection at Henry Ford Museum in Dearborn.

The first printing press was brought to the U. S. in 1636 and is now in a museum in Vermont.

What's Cooking In Michigan

By Larrestine Trimm
Michigan Dept. of Agriculture
Marketing Information Specialist

Cooking with wines is a joy this time of year. With the last of autumn's agricultural bounty harvested for winter storage and the hunting of wild game in full-swing, wines seem to add that special touch to make most any dish a gastronomic experience.

Michigan wines are plentiful and becoming increasingly popular among wine connoisseurs across the nation. Marketing officials of the Michigan Department of Agriculture say over one million gallons of both still and sparkling wines were made last year to place the state fourth nationally in total wine production.

Southwestern Michigan is wine country. Six of the state's seven wineries are located there. St. Julian Wines, Warner Vineyards and Frontenac Wines are in the heart of the small community of Paw Paw. Tabor Hill Vineyards is at Buchanan, Lakeside Vineyards, formerly Molly Pitcher, at Harbert, Bronco Champagne and Wines at Keeler, and Milan wines, the lone exception, in Detroit.

American and French-hybrid grape varieties used for the state's outstanding wines are grown on 15,600 acres of farmland. Much of the quality is attributed to superb soil and climatic conditions along the Lake Michigan shoreline.

Here are some cooking hints you may want to try when your "man of the house" brings home his prize catch. Add dry white Michigan wine or sherry to that sauce for wild pheasant, or use to baste a holiday turkey. Marinate venison steaks or chops in dry red Michigan wine and freshly ground pepper before cooking, then serve with a seasoned wine sauce.

A bicentennial consumer tip: Early American cooks marinated venison roast in a mixture of dry red wine, cider, bay leaf and peppercorns before cooking. The piquant roast was served with a savory gravy prepared from pan drippings, with wine and sour cream added.

Happy Thanksgiving...

NORTH ELEMENTARY SCHOOL NOTES

THIRD GRADE—

Teacher: Mrs. Dykstra

In Mrs. Dykstra's room, we are studying about Indians. Julianne Pratt wrote this report about Indians:

The Indians

The Old Indians came to Manhattan in New York City before the white people came. They called it Manhattan which means heavenly land. One day in 1609 the Indians saw a ship. It was called the Half Moon. Henry Hudson was the captain of the ship. The ship was from Holland. Hudson and his men visited the Indians and traded for things and then sailed back to Holland. Now the river is named after Henry Hudson and is called the Hudson River. End.

We made Indian pictures in art. They are soft and look like a bear skin. They look like we put yarn through the holes.

We traced our feet and wrote a story about what happened to our feet.

We made pictures of things that we are thankful for for Thanksgiving. We are all looking forward to having Thanksgiving vacation.

In reading, we were studying stories about things and people in the water. So we made a mural which is a big picture. The mural has whales, sharks, octopus and eels on it.

We also made a diorama. Our diorama is a box with blue paper inside for the ocean. We hung sharks and octopus to make it look like an ocean. On the bottom of the "ocean", we put real sand and shells.

Teacher: Mrs. Schlupe

Reporters: Scott Sheever, Shane Brown

Welcome to North school, fifth graders. Our construction work seems to be almost finished. Mrs. Schlupe's class really likes the new art and music rooms. We have used the new special projects room to see movies about energy for science and about Indians for social studies.

Our classroom has a big turkey on a bulletin board. The turkey's feathers have all the things we are thankful for written on them. We have been reading about Indians and have talked a lot about the first Thanksgiving. We made our own Indian beads out of clay-dough.

In science, we made a stick of butter into a candle. It showed us that food is fuel. We also made an electromagnet which picked up paper clips.

Mrs. Schlupe's class wishes everyone a very nice Thanksgiving.

Teacher: Mr. Smith

Hello Again! Well, we had four birthdays this month in our room. Bill Geddes' mother brought in some fine cupcakes for us. They had our names on them and different coins inside each one. Marie Bullick found a Bicentennial half dollar inside hers. Mr. Smith got a dime.

Joey Gallas's mom brought cider and cookies on his birthday and we had a lot of fun. Others

FOURTH GRADE—

Teacher: Mrs. Schmidt

Reporter: Tom Mull

Our class is making Thanksgiving centerpieces. Mrs. Hafer came over to our room to help us with them. They look like Pilgrim boys, and we are also going to make pilgrim girls.

Another project we just finished was planting red and yellow tulips in the court outside our room, and maybe they will bloom in the spring. Most of us hope so.

In social studies we were studying New Zealand and Antarctica. Australia is a continent near New Zealand. To-day, Mr. Galbraith came and showed us some slides of Australia. He also demonstrated to us a real boomerang. We had lots of fun.

We are learning our multiplication tables and are up in our sixes. Tim Osestoski and Linda Hafner had November birthdays. The 5th graders are back and sharing Safety duties with us.

Save on Your Food Budget

Americans ate about 176 pounds of red meat per person in 1973, 31 pounds more than in 1950. The amount of beef eaten by consumers has increased while the amount of pork has shown little change. Veal and lamb have both declined in importance on the dinner table.

According to Helen Fairman, extension home economist, consumers fighting to stay within the budget might consider reducing the amount of meat served. Cornell University nutritionists estimate that Americans eat 50 to 80 percent more protein than they need. Since meat is a major source of protein and a more expensive food, consumers can cut meat bills by watching serving sizes.

Three ounces of cooked lean meat supply adequate protein for a standard serving, even though

many Americans eat far more than that amount at a meal.

The following are USDA estimates of the number of three-ounce servings of cooked and boneless meat per pound:

—Two servings: rib roast, bone-in chuck roast, T-bone or club steaks, whole chicken, rib lamb chops, pork loin roast or rib chops.

—Three servings: boneless beef brisket, round steak or rump roast, tongue, chicken breasts, lamb shoulder roast, boneless fresh ham.

—Four servings: beef liver, cubed steaks, ground beef, boneless cured ham, boneless veal cutlet.

The practice of tipping costs the American public some \$850,000,000 per year—and lots of dirty looks.

The first streetcar made its appearance on the streets of New York City on Nov. 14, 1832. New Yorkers referred to the new conveyance as a "horse car" because it was drawn by two horses along tracks laid on Fourth Ave. between Prince and 14th Sts. Each car had three compartments accommodating a total of 30 people. The fare was 12½ cents. Examples of early streetcars as well as other historic horse-drawn vehicles are now a part of the transportation collections at Henry Ford Museum in Dearborn.

Police Join In High Speed Through Area

Chelsea police joined Ann Arbor police and Michigan State police early Wednesday morning (Nov. 19) on a wild chase that led to the arrest of two Detroit men on charges of felonious assault and unlawful driving away of an automobile approximately one mile west of Grass Lake.

Arrested following the chase during which all four cars were traveling at speeds of more than 100 miles per hour were Neil Thompson and Claudelle Smith, both of Detroit.

According to Chelsea police reports, patrolman Larry Peebles received a dispatch from the Washtenaw County Sheriff's Department at 4:42 a.m. Wednesday alerting him to a high speed chase involving two subjects driving a 1975 Ford silver Thunderbird and Ann Arbor police heading toward Chelsea on Jackson Rd.

Peebles proceeded to Jackson Ave., near Lima Center Rd., to await the vehicles, where he gave chase after both cars passed over the 1-94 bridge turning onto Old US-12.

The chase continued through Chelsea and into Sylvan Township where the cars were met by a double unit of the Michigan State Police.

Peebles said the subjects driving the Thunderbird headed directly for State Patrol vehicle, forcing them to take the shoulder to avoid a head-on collision.

Peebles was advised to open fire on the car in order to bring the vehicle to a halt. After six rounds of fire, he was unable to slow them down and he allowed the State Police to take over as they neared Grass Lake.

Shortly after the four cars left Grass Lake, Michigan State police were able to stop the vehicle after firing shots and forcing it into a swampy ditch area off the road.

Police approached the vehicle, arrested, searched and handcuffed the subjects. They were transported to Foote Hospital, although no serious injuries were sustained.

Police said that the automobile had been stolen from the Ben Capp Leasing Co., in Detroit and was reported. Police also said they had knowledge that the pair had committed a felonious assault with the vehicle which allowed them to open fire.

PACK 435—

Cub Scout Pack 435 held their meeting for November at North school. The Webelos Den presented the flag and everyone recited the pledge of allegiance to the flag. Mrs. Martin made some announcements and Mark Porath was elected our new Denner. Mr. Martin, our Cubmaster, led us in some Cub cheers. We then presented our Thanksgiving performance to our families. The Webelos and the Cubs played relay games. The Webelos won one game and the Cubs won another game. We signed up with our parents to sell Christmas trees in Meabon's parking lot starting the first week in December. We had treats of cookies and lemonade. The meeting closed with the Webelos retiring the colors.

THE GOOD OLD DAYS!

Thomas Jefferson's first inauguration was the first to be held in Washington, D.C. (1801). Then, a mile of swamp separated the White House (then unfinished) from the Capitol (only one wing finished), Pennsylvania Ave. was a sea of mud, and a rail fence surrounded the White House to keep the cows out (and in). Anybody want to go back to those good old days?

Motor Vehicle Funds Continue To Decline

Receipts in Michigan's Motor Vehicle Highway Fund are continuing to decline, the State Highway Commission reported this week.

However, gas tax revenues registered a slight increase in the July-September quarter compared to the same period of 1974, the Commission said.

In Washtenaw County, the third quarter distribution amounts compared to the same period of 1974 decreased slightly from \$87,564 in the third quarter of 1974 to \$767,948 for the third quarter of this year.

The third quarter distribution amounts to cities and villages compared to the same period of 1974 are as follows. In Chelsea the third quarter revenues for this year are \$12,696 compared to \$12,942 in 1974. Dexter received \$6,244 for this year and \$6,366 in 1974. Grass Lake received \$4,955 in 1974 compared to \$4,858 for this year. Manchester received \$7,089 for this year in comparison with \$7,229 for 1974 third quarter distribution amounts. Pinckney received \$4,159 for this year and \$4,241 in 1974. Monies received in Stockbridge totaled \$3,974 for the third quarter of this year compared to \$4,051 for 1974.

All state motor fuel taxes and license plate fees go to the Motor Vehicle Highway fund. Gross receipts for the quarter totaled \$113,254,345, a decline of \$393,329, or four-tenths of one percent, from the third quarter of 1974 and a drop of \$3,319,876 from the third quarter of 1973.

It was the fifth consecutive quarter of reduced income in comparison to the same three-month period of the previous year.

The nine-cent-a-gallon gas tax produced \$100,930,080 in the July-September quarter, an increase of \$204,307 from the like period of 1974. Diesel fuel revenue dropped from \$4,930,013 to \$4,478,993, and liquid petroleum receipts from \$49,985 to \$45,894, for a net decline in fuel taxes of \$250,814.

Revenues from weight taxes and other sources fell off from \$7,941,903 to \$7,799,387, for a decline of \$142,515.

Money in the Motor Vehicle Highway Fund is divided among the counties, municipalities and Department of State Highways and Transportation after deduction of collection costs and the Waterways Commission's share (1.25 percent) and General Transportation Fund's share (1/18) of gas taxes. They totaled \$12,808,807.

Net receipts available for distribution totaled \$100,445,738, a decrease of \$1,862,931, or 1.8 percent, compared to the same period last year.

JV Cagers Scrimmage Strong Tecumseh Team

Chelsea's JV basketball team scrimmaged with an "extremely strong" Tecumseh team last Saturday morning in the high school gymnasium.

The team's coach, Paul Terpstra, remarked that the scores were not as good as the team would have liked to see, but added that there were some bright spots for the Bulldogs.

According to Terpstra players Kurt Owings and Randy Harris showed good driving ability on offense. Defensive players Dave Schrotenboer and Matt McClear performed well, along with good board play by Chris Smyth. Terpstra remarked that John Daniels was the best shooter for the day making some outstanding shots from the foul line.

Terpstra said that the scrimmage helped the team pinpoint those areas in which they will need work before their game with Jackson Northwest to be played this Friday.

Terpstra added that the team is looking forward to a tough game against the Mounties as Northwest's sophomore class has shown to be athletically strong.

The JV game will be played at 6:30 p.m. in the gymnasium at Jackson Northwest.

She is a 1974 graduate of Chelsea High School.

JV Girls Cage Team Drops Final Game

The Chelsea junior varsity girls basketball team lost its final game of the year to Saline by a score of 28-22. "We had a generally poor first half but the deciding factor of the game was the fact that we shot only three free throws successfully, and we had many opportunities," remarked the girls coach, Cindy Bradbury.

High scorer for the game was Sue Heydlauff with six points. Also contributing points were Joan Lutovsky, Lori Miles, Lisa Weber, Tracy Hawker, Cindy Welshans and Tammy Collinsworth.

The girls record for the season was 2-8 in the league and 5-10 over-all. "Although our record isn't impressive I would like to note that six of the losses were by five points or less and we are looking forward to making up that deficit next year," Bradbury concluded.

Mel Buss Involved In Many Oakland Student Organizations

An Oakland University student from Chelsea has established a strong record as a member of the university's student organizations.

The student, a recipient of a special Student Life Scholarship at Oakland University is Mel Buss son of Mr. and Mrs. Henry W. Buss of 119 Clardale Ct.

Cub Scouts Start Christmas Tree Sale Next Monday

Cub Scout Packs 415, 435, 445 and 455 will again host the annual sale of Christmas trees beginning Monday, Dec. 1 in the parking lot of Meabon's TV on S. Main St.

The scouts will staff their sale of scotch pines and long-needed spruce Monday through Friday from 5 to 9 p.m., Saturday from 9 to 5, and Sunday will be 1 to 5 p.m.

Today's Thought

By LOUIS BURGHARDT

The historic purpose of Thanksgiving Day seems to have changed for many people. You see this in the scene of hundreds of thousands of football enthusiasts flocking to stadiums while countless thousands of other people watch the games on TV with deep interest or nervous apprehension. Temporarily at least, minds are removed from the turbulence of personal problems of money, worries, inflationary times, family turmoil, varied discontent, and/or dissatisfaction, etc.

There is nothing basically wrong in this scene of changing times — IF — minds are ALSO mindful that Thanksgiving Day is a sacred occasion of religious culture. In fact, when you think of it, can not this evidence of changing times ALSO be a cause to express appreciation to a benevolent and gracious God on Thanksgiving Day? . . . Cross-Country Ski Program Planned

Washtenaw County Parks and Recreation Commission (WPCARC) is sponsoring its third annual Cross-Country Ski Program for interested residents beginning Tuesday, Dec. 9, snow permitting.

Two local retailers, The Bivouac and Raupp Campfires will provide equipment, free of charge, to participants. Round River Adventures, Inc., will take the skis to the instruction site each program evening.

The clinic sessions are scheduled for Tuesday and Wednesday evenings alternating between lighted instruction areas at Fuller Recreation Area in Ann Arbor, Saline High School grounds, and West Middle School in Ypsilanti.

Dec. 9, 10, 16, and 17, Jan. 20 and 21; and Feb. 3 and 4 are scheduled for Fuller Park, Jan. 6 and 7 in Saline, and Jan. 13, 14, 27, and 28 in Ypsilanti. An early and a late session, 6:30 p.m. and 8:30 p.m., respectively, will be held on each of these evenings.

Interested skiers must register in advance through the WPCARC office. A \$2 fee covers instruction costs for the 1 1/2 hour on-snow lesson.

A special telephone line will be used for last-minute confirmation or cancellation of instruction sessions. In the event that certain clinics must be postponed due to inclement weather, scheduled participants can be informed of the change early in the day by calling the reserved number. WPCARC is planning to re-schedule sessions which must be cancelled.

This season's program also includes a Cross-Country Ski Directory available from the WPCARC.

Paul Marshall High in Math Competition

Paul Marshall, a senior at Chelsea High school, finished in the top four percent on Part I of the 19th annual Michigan Mathematical Prize Competition and is among 1,000 Michigan students to compete in the final examination on Wednesday, Dec. 3.

This competition is sponsored by the Michigan Section of the Mathematical Association of America and is designed to foster a wider interest in mathematics, to focus attention on the necessity for mathematical training in most professions and trades, and to identify and provide scholarships for capable mathematics students in the State of Michigan.

The 100 winners of the competition will be honored at the Awards Program, sponsored by Michigan Bell Telephone to be held at Western Michigan University on Feb. 21, with 40 of the winners receiving a total of approximately \$7,000 in college scholarships. Contributions to the scholarship fund include Burroughs Corp., Kuhlman Corp., and the Michigan Council of Teachers of Mathematics.

Jon Schaffner, chairman of the math department at Chelsea High school, served as the supervisor for the CHS students competing in the examination.

Paul is the son of Mr. and Mrs. George Marshall of 750 Flanders St.

Some Waterloo Land Closed to Snowmobilers

Park manager for the Waterloo Recreation Area, Ike Lundberg, wishes to inform area residents that the block of land which includes the two outdoor centers and the Interpretive Center will be closed to snowmobiling.

Assisting with the work-study incentive program of St. Louis school was the K-Mart operation of Ypsilanti and its manager Mr. Le Rous. Mr. Umberto reported that the store donated \$50 worth of model cars for the program. "It makes the boys work all the better," the Fr. said.

This area is bordered on the south by Cavanaugh Lake Rd., on the east by Pierce Rd., on the north by Bush and McClure Rds., and on the west by Lowery, Spring Lake and Glazier Rds.

Lundberg said he regrets that this action is necessary, but noted it has been done because of the delicate natural features found in this block. He asks for the co-operation and help of residents living on the borders of this area to report violations to the park officer or park manager.

Snowmobile maps are available at the Area Headquarters, 16345 McClure Rd.
