Wrestlers Pin Tecumseh for Decisive Win

Chelsea wrestlers marked up another victory Tuesday evening when they met Tecumseh, routing the team, 36-11. It was "quite a surprise," remarked Bulldog grappler coach Richard Bareis. Tecumseh reportedly was a tough team. They had just come in second in a tournament held last Saturday. We didn't expect to dominate them," Bareis said.

However, Chelsea's young wrestlers held to the mats, with three boys winning their first varsity matches for the season.

At 105 pounds, John Bulick had a superior 16-4 decision; his first win this season. Jim Stahl at 119 had a 2-2 draw while Dale Schoenberg at 128 pounds had a reversal late in the match winning it, 6-5.

Another victory came from Bob Swanberg at 138 pounds who dealt a 9-6 decision to his opponent.

Young Rick Beeman at 145 pounds marked up his first win, 4-1. Scoring a pin with 5:46 seconds in to the match was 167 pounder Bruce Bennett. Seasoned wrestler, Dennis Bauer at 185 scored a 5-0 decision in his favor. In the heavyweights Tom Bareis scored his first win; a fall victory with 2:24 into the match.

In the junior varsity matches, four wrestlers returned to Chelsea with victories. At 98 pounds Pat Murphy had an 8-4 decision in his favor while Joe Marentette, a 119 pounder had a 4-4 draw. John Whitaker at 132 pounds won his match 4-1. Todd Headrick won with 2-1 in the 167-pound class.

Coach Bareis remarked that one JV wrestler, John Push had an extremely fine showing in the heavyweight class despite his 2-1 loss to his Tecumseh opponent.

Bulldog Cagers Hit Pinckney For First Win

Chelsea High school's varsity basketball game team gave themselves an early but welcome Christmas present Tuesday evening when they had picked it up to lead, 48-48 tie at the end of the fourth quarter forced them into overtime play. The three-minute period was crucial for the Bulldogs. Randy Guenther led the overtime with a bucket to put the team up two points. It was Pete Feeney's good free throw shooting that iced it for the team as they walked off with a 55-54 victory over Pinckney.

"They were happy," remarked coach Tom Balistore. "They really showed improvement in this game," he continued.

Four of Chelsea's players scored in the double figures. Junior guard Pete Feeney had 10 points, he was eight out of nine from the foul line and in the second half of play, he did not miss a single foul shot.

"They were happy," remarked coach Tom Balistore. "They really showed improvement in this game," he continued.

Four of Chelsea's players scored in the double figures. Junior guard Pete Feeney had 10 points, he was eight out of nine from the foul line and in the second half of play, he did not miss a single foul shot.

The team's youngest player, sophomore Jerry Benjamin did a good job on the boards, tallying 10 points for the game. Dean Thompson had 11 and the team captain Randy Guenther led all the scorers with 14 points. Guenther also had eight rebounds.

One of the team's taller players, junior Randy Sweeney came off the bench and scored six points for the team. He also was the high rebound man with 12. Other points were added by Anthony Houle and Dave Watson who had two each.

This game began with the Bulldogs down, 15-10 in the first quarter; however, by half-time they had picked it up to lead, 30-22. Benjamin, Guenther and Feeney each tallied four points in the third quarter. Yet in fourth quarter play, the Bulldogs only managed to score six points—all they needed for the tie and chance for an overtime victory. Luck and a good defense together with a solid team spirit, were on the Bulldogs' side. Statistically the team showed improvement; shooting 40 percent from the floor in this game (22 for 50) and 50 percent from the foul line (11 for 22).

After winning their two week-end games, Chelsea's JV players were not quite so lucky. Tuesday evening, Pinckney toppled the Bulldogs, 51-31. Team coach, Paul Terpstra attributes the loss to poor field goal shooting and a high number of turnovers.

High scorers for the game were Dave Schrotenboer who hit in the double figures with 11, and Chris Smyth who tallied six points. Schrotenboer also had the high number of rebounds with 15.

The JVs are now 2-4 for the season.

Friday evening, both teams will travel to South Lyon for their last game until early January.

Fall Recreation Classes Enjoy Increased Adult Participation

If numbers of participants were the best judge of the Chelsea Recreation Council's fall program, it would seem that the desire to stay in shape was imminent in the minds of the 23 ladies who signed up for the Council's "Ladies Night Out."

The evening exercise program under the supervision of Terry Shreiner led the list with the highest number of participants. Numbers, however, are not everything, and according to Holly Porter, council director, "Ladies Night Out" was just one among many of the Council's fall programs that enjoyed success.

Furniture refinishing and caning, new to the Council's program were very popular courses. In this day with all the garage sales, people are finding that they would like to do their "own thing" to tired

and worn pieces of furniture. Beginning and advanced upholstery also assisted participants in gaining knowledge needed to give that understuffed sofa or chair a new lease on life. Mrs. Porter added that the furniture refinishing and caning, both offered for the first time in the afternoon worked very well.

Cakes in the homes of 17 residents will now have a professional

look to them, thanks to the expertise Mrs. Dorothy Hafner offered her students in Cake Decorating. Mrs. Hafner also just recently gave a class in chocolate dipping for the Council.

Patchwork and applique, taught by Mary Kumpf, enabled eight students to develop the tedious and eye straining art of sewing tiny even stitches and cutting perfect pieces of favorite materials which should join together like a puzzle.

Christmas crafts, now an annual fall class offered by the council, is always a favorite with area residents. Some 37 residents participated in the classes of Lenore Matloff and Gloria Greenleaf. Their homes are now decked with home-made items.

Among Chelsea youth, the cheerleading class taught Saturdays by six CHS cheerleaders found 40 young people bouncing up and down with the Bulldog spirit. Mrs. Porter said that the novice cheerleaders passed on the spirit at home football games; "the program went so well, we hope to offer the same class in the winter for basketball," she added.

Also offered to Chelsea youth were classes in puppetry and sculpture. Readers may remember that because of construction at the school, a number of youth classes offered in past years were unable to meet this year. Hopefully this situation will be remedied

Home Meal Service Needs Cash, Drivers

The Home Meal Service of Chelsea invites the community to become participants in the program by responding to some of its needs.

According to Mrs. Mary Ann Merkel, the Home Meal Service is desperately in need of cash donations, to help supplement the cost of the program and of drivers to transport the meals.

The service, which delivers one hot meal a day to the elderly in the Chelsea area presently now feeds 16 persons daily. Some of the program's clients are not able to pay the \$1.50 a meal and are subsidized from the program funds

Cost of this service is \$100 per month.

Home Meal Service funds are derived from the Chelsea United Way, local organizations and individual donations. "In order for this program to serve all those in need, the support of the community is necessary," Mrs. Merkel remarked.

Groups or individuals wishing to make a donation to the service may make checks payable to Home Meal Service of Chelsea. All contributions should be mailed to Mrs. Helen Pearson, 725 W. Middle St. Transporting the meals, requires

Blood Bank Clinic Slated Saturday

Early Saturday morning, Dec. 20, Red Cross personnel will busy themselves setting up equipment for the Chelsea Jaycees annual Holiday Blood Drive at the Fair Service Center.

According to Robert Ponte who is co-chairing this year's drive with Howard O'Dell and Robert Meyer, approximately 100 persons have made appointments to contribute blood Saturday. "That number," Ponte said, "almost assures us of reaching last year's goal, a total of 96 pints, and perhaps exceeding that goal this year." Jaycees hinted that they would like to see the number of pints top over the 100 mark.

"We hope no one will have to wait too long," Ponte added. Assisting the Red Cross workers will be the Jaycees and the Jaycee Auxiliary who will provide donors with refreshments prior to and after the giving of blood. Donuts, coffee, soft drinks and juices were provided by area merchants. The Auxiliary will also provide a mid-day meal for the registered nurses and Red Cross team.

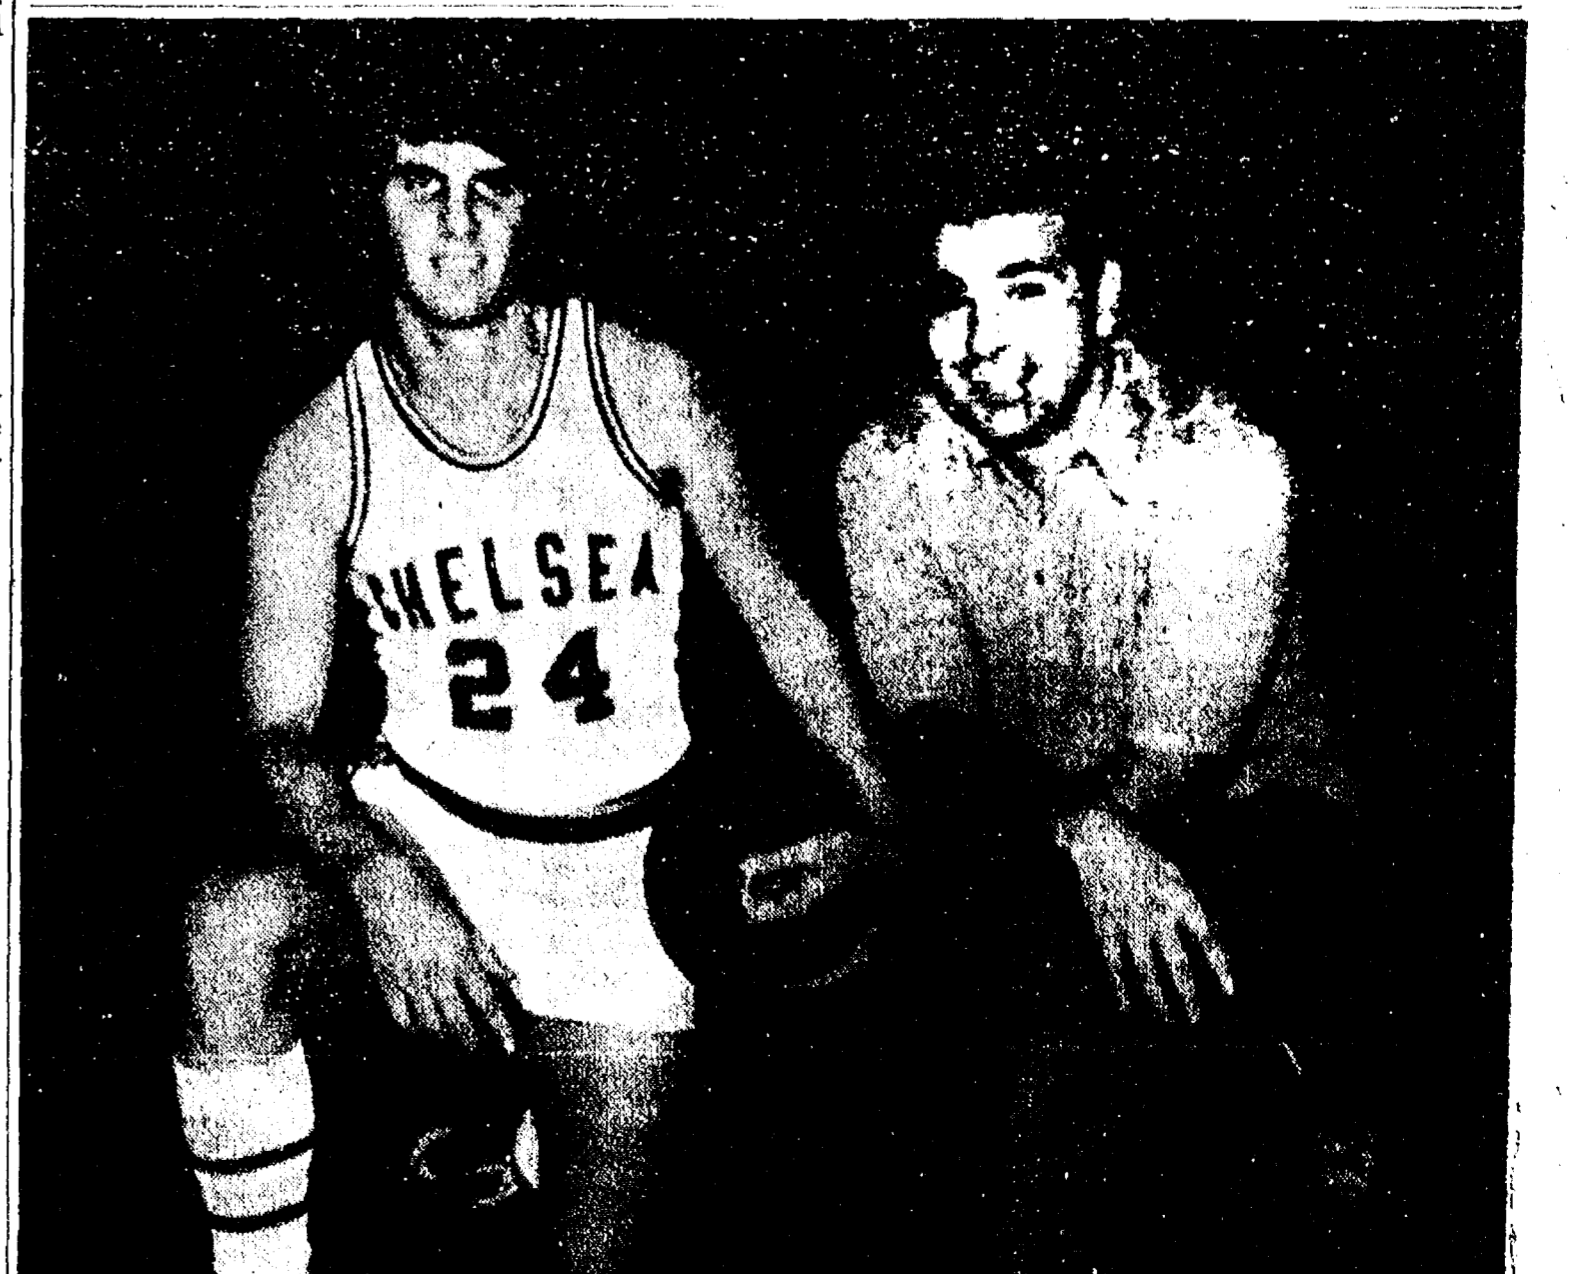

Persons interested in setting up an appointment for Saturday's blood drive may do so by calling Sandy Brown at 475-7634; or simply arrive at the Fair Service Center. Ponte said that the Jaycees hope to have everything set-up by 8:30 a.m. so that persons on their way to work or who are unable to give blood during other hours may drop in and do so.

The blood drive which will be held at the Fair Service Center from 9 to 3 p.m. is primarily by appointment, however, Jaycees stress that those without appointments are welcome to just "show up." "The appointments were made to avoid standing in line," remarked Meyer.

The process of drawing one pint of blood is a fairly speedy one. Jaycees said they can process eight persons every 15 minutes.

School Christmas Vacation Starts Friday

Chelsea schools will close Friday, Dec. 19 following regularly scheduled classes for Christmas vacation. Schools will re-open Monday, Dec. 22 at the usual times.

CHRISTMAS CAME EARLY for Coach Tom Balistore and Captain Randy Guenther as the Bulldog cagers pulled off an overtime win Tuesday evening over Pinckney, 55-54. After five consecutive losses it's little wonder these fellows find it just a little easier to smile again. The team is confident now that they're "going to do better" during the balance of the season.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

The fellow was talking about their wants during the session at the country store Saturday night, and it was Ed Doolittle that led off with the claim that what our towns and counties want is for Uncle Sam to keep on playing Santa Claus. Ed declared that ever time he picked up a paper he saw where more boards had passed resolutions and more delegations had gone to Washington to beg for more Federal revenue sharing. From the way they all are crying, Ed allowed, there ain't no way they can make it without bigger shares of that share-the-Federal-doll money.

The plant of sending some of the money we send to Washington back to us, after the toll is took out, of course, started two year ago and is supposed to end next year. But Ed said all the local Governments has used their money to start so many "vital programs" till they can't quit. Sort of like getting hooked on booze, allowed Ed, where you feel like you got to have a shot first thing in the morning to keep from worrying how bad it would be if you didn't have one. How the cities and counties managed to survive all their years without their shot of Federal revenue is a wonder, Ed said.

General speaking, broke in Clem Webster, what they're worrying about surviving is the next election. Practical all the Governments has used their Federal gifts to hold down their local taxes, they got to start paying their own way again, they're going to have to put the bee on their own taxpayers, and they all know that higher taxes make voters ornery, and cutting back on "vital programs" ain't going to make any sense. Clem said he didn't have no trouble at all seeing how their delegations was going to Washington in a panic in the public interest.

Zeke Grubb said he figures what truckers want this year is as fast as they can go. Zeke had this report where truckers are complaining about the 55 mile speed limit. They say they're losing money and tearing up their equipment that was made to go faster. They got to go hard down hill to get up hill, and the whole trip will work out about a 55 average.

Zeke reported. The fellow general felt that trucks ought to hold to the same speed as cars. Bug Hookum allowed they got wider and heavier ever year, and he couldn't see the logic in letting em go faster. Having all them buses running without the slightest regard for speed limits to make up time between stops is bad enuff, was Bug's words.

The Social Security Administration is wanting to get in on that magic money that local Governments are begging for. Ed had this clipping where Social Security went in the red for the first time this year, making handing out more than they took in unanimous amongst Federal services. The folks in charge of the only retirement a lot of folks got said the system will go broke in 10 year. A spokesman said they take in \$70 billion now, and they average paying out five per cent more than that.

Yours truly,
Uncle Lew.

"Tis the Season . . .
It's almost time to trek off for a Christmas tree.

And whether you cut your own or pick the prettiest from your local sales lot, keep in mind these helpful hints from the Michigan and U.S. Department of Agriculture.

First, make sure the tree you pick is fresh. Bend the needles. They should spring back into position. Turn the base on the ground. The needles should stay in place, not fall off. Feel the bottom of the stump to make sure it's sappy and moist, not dry.

When you've chosen your tree and lugged it home, it's best to store it outside, in a spot sheltered from the sun and wind. Stand it in a pail of water to help keep the tree moist.

Before bringing the tree inside, cut an inch or so off the bottom, then position it in your stand. Add lukewarm water to the stand. That warmth allows the tree to absorb the water faster than if it were cold.

Don't forget to water the tree regularly from the base. Experts say a tree will absorb from a pint to a quart of water a day, depending on the type of tree and the dryness of your home.

Why a Christmas tree at all?

Legends abound, but two in particular are noted in a publication especially for Christmas tree farmers.

One legend traces the origin of the Christmas tree to St. Boniface in the 8th Century. He supposedly declared that a young fir tree, "a child of the forest," should be the holy tree.

Another legend attributes the Christmas tree custom to Martin Luther, who was so impressed by the twinkling of frost particles on a tree's branches that he brought a small fir into the house and decorated it with lighted candles.

Folks who feel the need for a soothing sedative would need a doctor's prescription for tablets they now can purchase over the counter, if a Democratic state senator has his way.

Sen. Kerry Kammer of Pontiac has introduced a bill restricting the sale of non-prescription tranquilizers.

Kammer's proposal would require prescriptions for all "calmative, sedative and tranquilizing drugs and stimulants" currently sold over the counter.

"Adults who feel that they need some form of medication to relieve nervous tension or anxiety should seek the help of a physician who is qualified to prescribe a safe and effective drug that will help each individual's problem," Kammer says.

He also notes that the U.S. Senate Small Business Committee has been holding hearings on the safety and effectiveness of over-the-counter sedatives.

"The testimony received so far indicates that such chemicals are ineffective when taken in the dosages recommended on the package," Kammer says. "Yet, if the level is increased, it can be extremely dangerous."

and the 30 state forest campgrounds managed by the Department of Natural Resources. They are open year-around for the benefit of outdoor enthusiasts who are reluctant to stow away their tents and cookstoves until next spring.

Of course, hot water and warm restroom facilities are "limited," but what does that matter to hearty souls intent on having fun under the winter sun?

Hunters too need not worry about putting away their gear just because the 1975 firearm deer season ended Nov. 30.

Several hunting options remain, including:

—A deer season open to archers through the end of December.

—A deer season for those with muzzle-loading weapons, Dec. 5-14.

—resumption of ruffed grouse hunting through the end of this month in the Lower Peninsula.

—a rabbit season through March 1 in Lower Michigan and through March 31 in the Upper Peninsula.

—The final five weeks of the put-take pheasant season, through Jan. 4, at 17 southern Michigan state game and recreation areas.

Michigan raises practically all the fine Eastern soft white winter wheat in the U.S. Its chief use is for cookies, crackers and blends for other flours by commercial bakers.

It is also used extensively by frozen food makers for pie crusts and pastries. With other wheat varieties, Michigan's 1974 total wheat production was 37,600,000 bushels, grown on 940,000 acres, for a total value of \$150,400,000. Our main wheat counties are Huron, Lenawee, Saginaw, Tuscola, Sanilac, Clinton and Gratiot.

SIX-YEAR-OLD KYLIE PERCKETT waits for her turn with Santa while little Dawn Risner enjoys her few moments on the jolly man's knee. The girls were among a large group of children entertained last Saturday by the Dana Corp. at their annual Christmas party for employees' children. Kylie is the daughter of Mr. and Mrs. Don Perckett of Dansville. Dawn is the daughter of Mr. and Mrs. Lewis Risner of Stockbridge.

PACK 415—
Cub Scouts and Webelos Scouts of Pack 415 and their families gathered at the high school cafeteria, Saturday afternoon, Dec. 13 for a combined pack meeting and Christmas party.

Opening ceremony was a presentation of colors and pledge of allegiance to the flag. Den 6 was in charge.

Announcements were made and awards given out by the Cubmaster, Kevin Colombo graduated into the Webelos den and received his Webelos book and colors.

An evergreen tree, with nothing on it, became a thing of beauty when the scouts put on ornaments they had made for this special tree. A chair with soft padding was placed near it for Santa to sit in. Gifts were piled under the tree and a table with a Christmas tablecloth had trays of cookies, an urn of coffee and one of Kool-Aid ready for refreshments.

The wait for Santa was spent enjoying skits, put on by each den, listening to one little miss sing "Rudolph the Red Nosed Reindeer" and another wee lady lead all in singing "Jingle Bells."

At last Santa arrived and received a hearty welcome. He passed out gifts from under the tree. Then from nowhere, produced a red bag with sacks of goodies, one for each child. Santa's disappearance was as sudden as his arrival.

Refreshments were enjoyed by all and wishes for happy holidays passing back and forth was the closing for the meeting.

Charitable project this holiday season was toys and canned goods, gathered by Cub Scouts of Pack 415 and Boy Scouts of Troop 420 and given to Chelsea Social Services to distribute to the needy.

DEN 4, PACK 455—
We met at Mrs. Pierson's house and finished our presents for our parents. Ken Lindow brought treats. We strung popcorn for the tree.

Ken Lindow, scribe.

DEN 15, PACK 435—
We opened our Cub Scout meeting with the pledge of allegiance and the Cub Scout promise. After that we finished our mom's presents and ornaments. Chris Galas got two red beads and Mark Porath got one. Martin Fletcher brought Christmas cookies for treats.

Eric Stofflet, scribe.

The Michigan Heart Association (MHA) has some advice on how you can reduce your risk of heart attack. The Association, a member service of the United Way of Michigan, says: Don't smoke cigarettes; eat food low in cholesterol and animal and saturated fats; keep fit with medically approved exercise and weight control; and get a regular check-up.

Crime Prevention Bureau Lists Tips For Shoppers

One of the main tasks of the Crime Prevention Bureau in Washtenaw county is to offer its citizens various guides dealing in crime prevention.

At this holiday season, the bureau wants to inform citizens of the hazards particularly relevant to the holiday shopping period. Statistics are shown that during this time larceny, auto theft and breaking and entering crimes increase.

The following suggestions are from the county's public education officer of the crime prevention bureau, Brian M. Sapsford.

1. Do not leave ignition keys in your car.
2. Remember where you park your car.
3. Do not leave packages in the back seat. Place them in the trunk. If you do not have a trunk, cover them in the back seat out of sight.
4. Park in well lit areas.
5. Do not carry large amounts of cash on your person while shopping.
6. Keep a close watch on purses and wallets.
7. Do not flash money while shopping.
8. Take care of your packages while shopping. Do not leave them to find them missing when you return.
9. Keep track of your credit cards.
10. When carrying purses, keep the latch or flap towards your body and under your arm. Do not let someone reach in or grab it.
11. Studies show that 80 percent of all sales have a clerk error in written up and check your receipts.
12. Be an operation Identification participant. Safeguard your home against burglary.

If you keep your mouth shut long enough, someday, someone may think that you have more than your share of common sense.

A person's joy over the cheapness of an article often depends on how long he has used it.

MARRIED 67 YEARS: Mr. and Mrs. Jerome Sherman, residents of the Chelsea Methodist Home celebrated 67 years of marriage late last month. The Shermans who were married by the Rev. John Youngs in his parsonage Nov. 25, 1908, have two children, Elizabeth Jean of Rochester, and Phillip of Mason, O. The couple spent most of their married life in Shiawassee county where Mr. Sherman was a farmer for 33 years. He later was employed with Bendix Aviation and Redman's factory before retiring. The Shermans were honored on the occasion of their anniversary with a red boutonniere for him and a bud vase for her. Cards and good wishes were also given to the couple.

St. Louis School Notes

St. Louis school will host the families and friends of their boys and members of the Chelsea community and surrounding areas, Sunday, Dec. 21 at 2 p.m. for their annual Christmas program.

The theme "Joy" will be carried out in four different skits performed by each class of boys at the school. The band will play and the choral group has chosen to sing "O Bambino," "The Little Drummer Boy," and "O Holy Night." Fr. Umberto Mellare will treat guests to a solo, "Mama." He will be accompanied on the piano by Steve Michael.

The program will conclude with the nativity scene with the set designed, constructed and painted by the school's director, Fr. Gerardo. Refreshments will be served immediately following the program.

That afternoon, prior to the boy's departure for their homes, Santa Claus will arrive at the school to give gifts to the boys.

Fr. Umberto stressed that everyone in the Chelsea community is invited to attend the afternoon program. "Our gymnasium is always full," he said, but added, "we welcome anyone and everyone to attend."

In sports news, a basketball game played with the Manchester 8th graders resulted in another victory for the St. Louis boys. The boys, who maintained a one or two point advantage over their Manchester opponents, dealt at 68-52 defeat to them in the fourth quarter of play.

Maybe it's a good thing that men don't understand women. Women, do, and don't like 'em.

Another dangerous thing about drinking—it makes some men brave enough to rage with their wife.

He prefers the front row at a ball game, but come Sunday morning, it's the back row at church.

What's Cooking in Michigan

By Larrestine Trimm
Michigan Dept. of Agriculture Marketing Information Specialist
Bring the true spirit of Christmas into your home with the stateliness of a natural evergreen tree. Its brightness will enliven the appearance of any room and fill the air with a fresh, balmy fragrance.

Marketing officials of the Michigan Department of Agriculture say Michigan leads the nation in production of plantation-grown Christmas trees. Shipping of trees starts about mid-November for those going to distant places like California, Florida and Texas. Then, in December, trees are trucked to neighborhood sales lots throughout Michigan.

You may choose from several varieties when selecting your tree. Among leading ones are Scotch pine, white spruce, Douglas fir and balsam fir. Scotch pine is apt to be most plentiful. It's a fast grower and has excellent needle retention. Pines have long needles, while spruce and fir needles are short.

If you're ecology-minded, a natural tree is your best bet. It can be recycled as firewood, compost or mulch, and it is a renewable crop grown on the land. Artificial trees, on the other hand, use up non-renewable resources such as petroleum for plastics, and metal. Some dealers offer live

trees, which come with roots and soil attached, ready to beautify your landscaping after Christmas. These should not be kept indoors for long.

Michigan growers will harvest about five million trees this season. Most of them will be shipped to other states, even as far as Hawaii. It's a \$25 million industry in our state, and after trees are harvested, the next crop is started in the spring.

It takes six to 12 years to produce a plantation Christmas tree in Michigan, and a lot of tender loving care by growers who shear for symmetry, fertilize and protect from fires and insects. Millions of replacement seedlings are now ready in the Christmas tree nurseries. In early spring, they'll be planted afield to start another crop. Then, for many years before harvest, the developing trees will provide green cover on the land a home for wildlife, and jobs for those who culture them for harvest.

The brothers practiced their early aerodynamic experiments and made many of the parts for that historic airplane in their bicycle shop in Dayton, O. That shop now stands at Greenfield Village. Next door is their house, also from Dayton, where the Wright Brothers lived at the time of their first flight.

Tax Help Offered By Washtenaw Council on Aging

A program to assist home owners or renters over 65 is offered by the Washtenaw County Council on Aging, W. de St. Aubin, project director, announced today. This free service to county residents covers Michigan Homestead Property Tax Relief which must be filed to obtain credit or refund.

All volunteer counselors have received special training by the Michigan Department of the Treasury which is co-operating in this aid project, St. Aubin said. He pointed out that the counselors are now available to address groups, and acquaint them with the benefits available to the elderly and guide them on the requirements of filing. Counselors may also be scheduled for specific locations such as a senior center, church, etc. on a given day of the week. For persons confined to their homes, individual help is offered.

For more information, or to obtain a speaker, date, or place of open meetings, call the Retired Senior Volunteer Program 971-7780 during the daytime. For additional

SOUTH ELEMENTARY SCHOOL NOTES

FROM THE PRINCIPAL—
What Shall We Give The Children?
What shall we give the children?
Christmas is almost here.

Toys, and games, and playthings,
As we do every year?
Yes, for the magic of toylard
Is part of the Yuletide lore
To gladden the heart of childhood
But I shall give something more.
I shall give them more patience,
A more sympathetic ear,
A little more time for laughter,
Or tenderly dry a tear.
I shall take time to teach them
The joy of doing some task.
I'll try to find time to answer
More of the questions they ask.
Time to read books together,
And take long walks in the sun;
Time for a bedtime story
After the day is done.
I shall give these to my children
Weaving a closer tie,
Knitting our lives together
With gifts that money can't buy.

By an unknown author
We hope the above poem will
be an inspiration to you.
We wish you and your family a
Merry Christmas and a Happy New
Year!

The year end report on our
Campbell Soup Label collection
stands at 7,000 labels. Our col-
lection drive will end Jan. 9. For
people who might be able to help
us save labels, we have placed
boxes for collection in the Chelsea
Drug Store, Kusterer's Grocery and
the Pump and Pantry.
We are trying to earn audio-
visual equipment.

READING—
Teacher: Mrs. Matland
The Reading Room children are
having fun writing letters to Santa
on a Christmas stocking, stories
of their Christmas tree on a tree
they can decorate, and two word
poems on candles they can color.
Again we wait to thank Mike
Beuerle for a number of
books he donated to our Reading
Room Library. We inscribe each
book given with the donor's name.
Each child who reads a library
book in December can choose a
toy soldier on which he writes his
name. The prize is his when he
has crossed out five numbers on
the name tag for five books he
has read.
Craig MacIag has made the
Library Honor Roll twice. In
October he was second, and in
November he read the most books.
Plastic bags keep books and
holders clean and dry!

KINDERGARTEN—

Room 3
Teacher: Mrs. Bower
You will see many symbols of
Christmas when you come to Room
3. We all have made stars,
Christmas trees, angels, Poinsettias
and our favorite reindeer, Rudolph.
Thanks to Mrs. Borton for com-
ing over to explain and show her
old kitchen utensils to the after-
noon class.
Everyone enjoyed our Christmas
visit to the McKune Memorial
Library. Mrs. German was very
kind to arrange our trip. All of
the kindergarten children from
North and South got together for
Christmas stories.

We are all looking forward to
our Christmas sing at the Metho-
dist Home. It is always fun to
make others happy.
What fun to have a new girl in
our morning class. Her name is
Kristine Lisznyi.
Our birthday people are Valerie
Kuhl and Scott Westphal.

Room 1
Teacher: Mrs. Van Blaricum
Merry Christmas! We are busy
preparing for the big day; making
Santas, Stars, Angels, Christmas
Trees, Rudolph and other symbols
of the Season has kept us busy.
Dec. 9 we walked up town to the
Library and heard Christmas stor-
ies. It was nice having the other
kindergarten teachers read to us.
The walk was fun too, and we
got to see some of the decorations
up town. Thanks to the mothers
who helped.
Our Christmas party was Wed-
nesday Dec. 17. The mothers
planned the goodies, and we made
our own pinata. What it broke
there were little surprises for all!
We even had a surprise visit from
Santa. Thanks to all our mothers
who baked and worked to make it
a great party.
Thursday, Dec. 18 in the morning
we went to the Methodist Home
to sing. Although it's Christmas
time we sang many of the songs
we learned this year. Everyone
seems to get much joy from this.
Our birthday people for Decem-
ber are: Tim Anderson, Teresa
Reed, Jodi Settle, Kenny Beau-
champ, who is now home following
an appendectomy, and Fifi Farley.
Merry Christmas and happy New
Year.

FIRST GRADE—
Teachers: Mrs. Thodeson
and Mrs. Schiller
"Ho, ho, ho, Merry Christmas!"
This has certainly been a merry,
busy time in school for us. We
have an art center in the middle
of our big room where we have
made Santa's stockings, lanterns,
Christmas trees, and wreaths. We
are making a special secret gift
for our moms and dads. It was
lots of fun shaping Christmas or-
naments from colored dough we
made. Our teachers took them
home and baked them so we can
hang them on our trees at home.
We are all making a Night Before
Christmas book. We know you'll
like our handwriting and pictures
and the way most of us can read
our books.
It's been hard work learning
about tens and ones. Most of us
know our number facts through
five, and we've learned something
about telling time. We can now
read o'clock and half past on our
clocks.
In reading we are working hard
at sounding out new words. We
are just beginning to work with
the vowel sounds.
Last week Kathy Barber brought
in Micky, Tuffy and Cavey. They
are gerbils which were fun to
watch. They loved most to shred
paper and burrow under it.
Happy Birthdays past have gone
to Norman Weber, Lynn Schaefer
and Melissa Bullard. December
birthday wishes go to Susie Keezer,
Heather Seabury and Ronnie Hat-
ley.
Thanks room mothers for all the
help you've given us.
Have a Happy and Safe Holiday!
See you next year.

SECOND GRADE—
Room 5
Teacher: Mrs. Lopez
We are all looking forward to
our Christmas party on Dec. 9.
We are busy decorating our room
for the holiday, and our room
mothers are planning a special
treat for this party.
We have written stories about
the Loch Ness monster and have
made pictures to go with these
stories. We also have made book
covers with a book report included,
which are on one bulletin board.
We write a story at least once
a week and do a short book report
weekly.
In social studies we have learned
about some of our community
helpers, and how necessary their
services are.
Baja Trimble and Frankie
Morales have made instruments
to show the class. Baja made a
instrument using rubber bands and
wood. Frankie made a telephone
from tin cans.
Van Wright is celebrating his
birthday this month.
We want to wish everyone a
very happy holiday.
It takes some 65,000 gallons of
water to make 1 ton of steel; 5,000
gallons to grow a bushel of corn,
and 75 to 100 million gallons daily
for irrigation of our southwestern
arid areas.

NORTH ELEMENTARY SCHOOL NOTES

KINDERGARTEN—

Teachers: Mrs. Vivian Michelson,
Mrs. Mary White
Arrangements were made thru
Mr. Johnson's office with the help
of Mrs. Bruebecker, to have the
kindergarten children tour the
Chelsea Hospital. The tour was
not only enlightening to the chil-
dren but also to those of us who
accompanied them. The emergen-
cy room, the x-ray unit, x-rays of
organs and bones, the beautiful
dining room decorated for Christ-
mas, the crafts room, the physical
therapy room, a patient's room
where we saw how patients are
examined, the elevator and supply
rooms were especially interesting to
us. So many people were involved
in arranging this field trip that
we can't possibly list all their
names here, but we certainly ap-
preciate their help.
We made corn husk dolls with
the corn husks we gather at Fris-
inger's farm. Although in early
times children played with these
dolls, we now use them for de-
corations.
The string orchestra from the
Junior High gave us a wonderful
performance in our new library.
We learned how the size of the
instrument determines the sound.
We enjoyed all the songs.
Our Christmas parties will be
the week before school is out.
The morning children will be vis-
iting the Methodist Chapel, Dec. 18
where they will sing for the resi-
dents.
All the kindergarten children vis-
ited the McKune Library where
they heard Christmas stories and
became acquainted with the fac-
ilities.
We wish you all a happy, heal-
thy and safe Christmas.

FIRST GRADE—
For a small group of children
entering first grade each year,
there is a need for Math rein-
forcement for basic math concepts.
This year we have a group of
mothers (Mrs. Galbraith, Mrs.
Halst, Mrs. Johnston, Mrs. Lee,
Mrs. Thorne and Mrs. Zink) who
have volunteered their time to do
enrichment activities in math with
these children for a short time
four days a week.
There are high school students
coming to our school this year on
several different programs. One
program is the advanced speech
class. These students come on dif-
ferent days to tell stories to our
children.
Another group of high school
students (Dawn Bucholz, Colleen
Collins, Chris Vandeward, Vicki
Downer, Ray Stoddard) are com-
ing for about a half hour each
day to help in our rooms in what
ever area is needing help at that
time.
Busy November: Indians are our
November topic of study, also
Pilgrims, early settlers and their
homes and style of clothes, blend-
ing with the bi-centennial theme
of our country. We'll bake corn
bread, shake butter and make ap-
plesauce for a room feast.
May we close with a proud
statement from a child during an
Indian discussion. Quote, "My
mother is part Indian—and the
other part is Mother."

SECOND GRADE—
Teacher: Mrs. Hakala
We enjoyed our Thanksgiving va-
cation. Most of us spent Thanks-
giving with relatives. Chris Her-
ter's grandmother traveled the far-
thest as she came from Califor-
nia.
Our room is getting ready for
Christmas. We have some Christ-
mas decorations up and are plan-
ning more.
Orange and red markers have
finished their first reading books
in the new series. We are learn-
ing about live segments and mea-
suring in inches and feet in math.
Teacher: Mrs. Walton
In November we worked hard
on our skit for the Thanksgiving
program. It was called "Turkeys
are Tricky." Matt, David and Ty
were Indians; and Diana, Jill,
Karen K., Eric and Karen H.
were animals. Frances and Jeff
helped with our props. It was fun
to do, so we did the skit again
for the afternoon kindergarten.
We have been working at solv-
ing crossword puzzles and search-
a-words. They are fun but some-
times they are hard.
In math, we are doing some
measuring in inches and in cent-
imeters. We also made clocks, so
we can learn to tell time better.
Our room is starting to look
like Christmas, but we have a lot
of projects to do. We are prac-
ticing our Christmas songs so we
will be ready for the program on
Dec. 17. We hope our mothers
and fathers can come to our pro-
gram.
Doug is out only December
birthday.

Reduce Your Current Taxes... TAX SHELTERED RETIREMENT PLANS

If you derive all or part of your income from self-employment, you can start building for future financial security and at the same time get tax benefits now.

Each year you can deposit 15% of your annual earned income or \$7500, whichever is less, in a retirement savings account at Ann Arbor Federal Savings. Your deposits earn high interest each year and the interest earned is tax deferred. You can deduct the full amount of your annual deposit from your present income now, while you are in a higher tax bracket. You then pay at a much lower tax rate as you draw from the account after retirement.

FOR EXAMPLE:

Let's use a self-employed married man who is 45 years old, earns \$25,000 a year and is in the 25% bracket. He puts \$2,500 a year in his retirement account. With the Keogh Plan, the full amount is tax deductible and his tax saving is \$625. If he retires at age 65, his life-time tax saving would be \$12,500. And at age 65 he would have total cash, with interest figured at the current rate of 5%, of \$85,782.35.

If he doesn't use the Keogh plan, he has to pay income tax of \$625 or \$2500 leaving \$1875 for investing in his retirement plan. At age 65 he would have accumulated only \$65,649.76.

In addition, Ann Arbor Federal Savings also offers the new Individual Retirement Account for those who now are employed by a company that does not offer a pension plan. Maximum tax deferred yearly deposit allowed is \$1500. IRA pension plans can be arranged for an individual or for an entire corporation.

CHECK YOUR POTENTIAL TAX SAVINGS

YOUR TAXABLE INCOME	Your Tax Bracket	You Put In Your Retirement Fund Account Each Year	\$2,500	\$2,000	\$1,500	\$1,000
			Your Yearly Tax Savings Would Be

44-52,000	50	1,250		420	260	120

Both of our plans, Keogh and IRA, are 100% vested and individual accounts insured to \$40,000 with an agency of the federal government.

Methodist Retirement Homes Start Development Campaign

The United Methodist Retirement Homes were recently honored by the acceptance of Dorothy Kresge to become chairman of their upcoming campaign to raise \$3 million for construction and renovation at Boulevard Temple in Detroit and Chelsea retirement homes.

Mrs. Kresge has devoted most of her life to church work. She is

a woman who inspires deep faith among those with whom she comes in contact, always finding time to join in various projects sponsored by the church. One of these activities involves a workshop composed of members over 70 years of age who meet regularly to sew medical dressings.

An active participant in educational and community affairs, Dorothy Kresge received a distinguished Service Award from Albion College in 1973. A girls' test-dence at Asbury College, (Ky.) bears her name in recognition of her personal concern for the school. A member of the Detroit Metropolitan United Methodist church for 63 years, Mrs. Kresge serves on the boards of directors of the homes, the Boulevard Temple Agency Committee, the World Medical Relief (Detroit), and the Michigan Mothers Committee.

In May 1975, the Board of Trustees of the United Methodist Retirement Homes approved a \$3 million capital campaign to raise the necessary monies for Phase

I developments at Boulevard Temple and Chelsea. Phase I projects entail expansion and renovation of dining and kitchen facilities and construction of a nursing care wing at Chelsea, as well as construction and renovation at Boulevard Temple resulting in a 49 percent increase over current occupancy.

JV Cagers Record Their First 2 Wins

(Continued from page one)

Guard Brian Lewis sank a free throw with nine seconds left in regulation play to send the game into overtime with the score 45-45.

Neither team was able to put in points during the first overtime. However, during the second period, Lewis made a short jump shot to give Chelsea a 47-45 lead, enabling the Bulldogs to clinch the victory.

Leading the scoring were Randy Harris with 16 and Mark Feeney with 11 (including 9 for 11 from the foul line). Chris Smyth led the rebounds with 11, followed by Dave Schrotenboer and Harris with six each. Smyth led the team with nine steals; Feeney had seven. "Although we didn't shoot well from the floor (23 percent), we played good defense and shot 65 percent from the foul line," remarked Coach Terpstra.

Saturday night the JV's defeated Brighton, 62-53. The Chelsea Bulldogs sputted to a 16-6 first quarter lead and maintained a 10-point spread at the half, 30-20. In the third quarter Brighton narrowed the gap to 38-34, but Chelsea increased it by nine points at the end of the game with a 62-53 score.

Dave Schrotenboer played an outstanding game with 17 points, 16 rebounds and three steals. Randy Harris contributed 13 points, Chris Smyth, eight, Matt McCleary seven, Brian Lewis and John Daniels, six, and Mark Feeney, five. Smyth also snagged nine rebounds. Friday evening the JV Bulldogs will travel to South Lyon.

For those interested in the statistics of the program, a total of 554 area residents participated in one or more recreation programs this fall. Of those, 104 were from Sylvan township and 43 from Lima township. 87 persons enrolled in recreation programs were from the village proper. Other townships in the area were also represented in the programs.

Classes and plans for a winter recreation program are now underway. Once definite arrangements have been made, a complete schedule of offerings will be listed in The Standard.

Amana introduced microwave cooking into the home. The Radarange microwave oven ushered in a whole new era in cooking. And along with it, a lot of competition.

But the competition has nothing like the Amana Radarange microwave oven, and they never will. Because Amana holds exclusive patents on the Radarange oven. So, as much as the others would like to have the features that Amana has, they never will.

Is it any wonder more Radarange microwave ovens are sold than all other makes combined? We don't think so. Come in and see for yourself why the Amana Radarange is the best microwave oven you can buy.

Dreadnaughts Split Games as Bulldogs Creep Close to Win

The Bulldogs remain the underdogs in Southeastern Conference basketball play following a week-end of two losses to SEC opponents. However, all is not bleak for the varsity cagers; they have narrowed their opponents' victory margin to four and two points, and while Randy Guenther and Mike Tobin put in their first double figure scores for the season. On top in the league with a record of 3-0, Lincoln High and Saline, 2-0, remain the only undefeated teams in the league.

Friday Night's Games

Saline 64, Milan 42—

It seems remarkable that either team was able to mark up a victory Friday evening in a game where the number of turnovers nearly equaled the number of points. Both teams played mistake-filled games, with all reports indicating that Saline simply made less mistakes. Early in the fourth quarter, after quarters where Milan and Saline each held the lead, the Hornets completed two three-point plays tallying up their score in the last eight minutes of play. Saline was led by Craig Kivi with 18 points, followed by Tom Mitches 11 and Dave Slagenwhite with 16 and 10, respectively. For Milan, Kurt Dingman was the only player who scored in the double figures with 14.

Dexter 67, Brighton 51—

Rebounding was the key to victory Friday evening for the Dreadnaughts. They were able to grab 37 to Brighton's 21. While the Dreadnaughts were able to hold on to a victory score for most of the evening, the decisive points came in the fourth quarter when they put together a 10-point lead. Mark Mast was high scorer for Dexter with 15. Fellow player Mark Ianni had 14, followed by Bruce Vail with 12 and Doug Gross and Bill Mussio with 10 each.

Lincoln 83, South Lyon 59—

Johann Barbour led his teammates Friday evening with 26 points for a Lincoln victory. The Railsplitters rolled together the victory to make it their third since the season opened. Also leading Lincoln's offense were Mike Williams with 17 points, Linard Wesley with 15 and Darryl Sizemore with 13. The contest was close at half-time when South Lyon held the lead, 34-31, but a 14 consecutive point effort in the third quarter

er fired up the Railsplitters for the victory.

Novi 41, Chelsea 37—

Victory was too close for comfort Friday evening for Chelsea's Bulldogs. Try as they might they couldn't hit their mark and lost their fourth game of the season to the Wildcats. With the score 39-37 and less than one minute of play remaining in the game, the Bulldogs had a good chance to at least knot the score. However, a missed lay-up and three missed shots forced the Bulldogs to hand over the game to their opponents. High scorer for Chelsea was captain Randy Guenther with 19 points. Novi's Scott Parsons scored 22.

SATURDAY'S GAMES

Saline 75, Novi 69—

Saline's Hornets added another victory to their roster Saturday evening as they hit the target to mark up a six-point victory margin in their names over the Wildcats. The teams battled it out with Saline taking a 14-point lead in the last quarter, only to find the Wildcats trim it back. Saline's Dave Fosdick led his team with 18 points while Cragi Kivi had 14. Novi's high scorer was John Pisha with 16 and Bill Giorgio with 15.

Lincoln 58, Dexter 52—

Dexter was outscored by their Railsplitting opponents Saturday evening, 58-52, drowning their hopes of going for an undefeated season. While the Dreadnaughts held the lead at half-time by five points, they were unable to stop the Railsplitters as they began to roll in the third quarter; not stopping until they had the victory well in hand. Johann Barbour provided the most points and rebounds for Lincoln, with 16 points and 17 rebounds. Mike Williams put in 10 points while Darryl Sizemore had 12, eight of those in the third quarter.

Milan 90, South Lyon 64—

The Lions didn't know what attacked them Saturday evening as Milan's Big Reds romped around them to post a 90-64 victory in their name. Milan's only problem came in the start of the game, when they were charged with two technical fouls.

High man for Milan was Kurt Dingman with 18 points while Jim Dutton and Al Tallas each put in

15 points. Other high scorers for the Reds were Eric Wuster and Don Tomford with 10 points. South Lyon's Kevin Base took honors with his 25-point effort.

Brighton 62, Chelsea 60—

It seemed the Bulldogs couldn't get any closer to victory than one point Saturday evening as they attempted to edge Brighton out of the win column. Despite their loss, the Bulldogs went neck and neck with their opponents as Randy Guenther led all the scorers with 22 points. Six-foot-eight Mike Tobin put in 12. The win was Brighton's first this year in the SEC.

Hockey Team Loses Tough Contest, 5-3

Chelsea High Schoolers lost a tough hockey game to Hanover-Horton Sunday by a 5-3 margin. In a hard checking, but clean hitting game, Chelsea made a great effort to overcome a 4-1 lead in the third period.

Down 4-1, Don White scored a pair of goals, but Chelsea couldn't overcome Hanover's tough defense. A late goal by Hanover put the game out of reach.

The first Chelsea goal was scored by Greg Hastings, Chelsea's leading scorer.

A pair of non-league games will be played this week-end, Friday evening at 10:30 against Lenawee at Jackson, and Sunday, at 6:30 p.m. against Lansing at Dunn Arena on the MSU campus.

The Chelsea Boosters Club and players will hold a club dinner Saturday evening, Dec. 20 at the Robert Houle residence.

Men's Recreation Basketball Teams Will Organize

An important organizational meeting for representatives of men's basketball teams interested in participating in the Chelsea Recreation Council's Men's Basketball League this winter will be held Monday evening, Dec. 22 at 8 p.m. in the Village Council Chambers.

Holly Porter, Council director said that this meeting is of utmost importance as teams will be choosing representatives to the Board of Directors which will govern play this season. "We also want to complete the schedule and collect fees," she added.

For further information Mrs. Porter may be contacted at 475-9315.

TWO LUCKY YOUNGSTERS were winners of shiny new bikes at the Dana Corporation's Christmas party over the week-end. Pictured with their early gifts from Dana are Ron Lewis (left) son of Mr. and Mrs. Ron Lewis of Stockbridge, and Pam Simons, daughter of Mr. and Mrs. Vaughn Simons of Munith. Wrestlers Win Easy Victory Over Lincoln

Chelsea grapplers chalked up their second dual victory with an easy win over an inexperienced Lincoln squad last week. Chelsea's young wrestlers were up against even competition and many responded with wins.

Mark Bucholz, at 98 pounds was able to ride his man out the last period and save a close 3-2 win. Chuck Young, at 105 pounds, came up with a first period pin at 1:36. Joe Keiser came back in the third period and gained his first varsity win with a 8-4 decision. At 119 pounds, Jim Stahl rolled to 19-2 decision. Dale Schoenberg scored a first period pin at 1:26 pounds and Mike Young scored a 13-2 decision win at 138 pounds.

One of two Chelsea losses was at 138 pounds where Bob Swanberg lost by a pin. Kelly Alder, in his first varsity match, was well in control of the match when his opponent had to default a victory to Kelly. Tim Reed continued to look impressive as he scored a fall victory at 3:30. Dennis Bauer scored a quick first period pin.

In the heavyweight division, Tom Bareis put a lot of effort in his match with a much heavier opponent. He was defeated in the third period by a pin.

In all, the Chelsea wrestlers looked good. However, they will

face an even tougher test tonight (Thursday) when they go against Novi on their opponent's mats.

Chelsea wrestlers who are starting to build records are Tim Reed, 7-0; Dennis Bauer, Mike Young and Dale Schoenberg, 6-0 and Jim Stahl, 5-2.

In JV action only four matches took place. Joe Marentette and Rocky Brandell both scored 50-second pins. Steve Marriott came through with a last second pin in the third period and John Push was pinned in a heavyweight match.

Lincoln 83, South Lyon 59—

Johann Barbour led his teammates Friday evening with 26 points for a Lincoln victory. The Railsplitters rolled together the victory to make it their third since the season opened. Also leading Lincoln's offense were Mike Williams with 17 points, Linard Wesley with 15 and Darryl Sizemore with 13. The contest was close at half-time when South Lyon held the lead, 34-31, but a 14 consecutive point effort in the third quarter
