Cagers Nearly Get Season's Biggest Upset

Chelsea's varsity basketball players had every opportunity to win their first conference game this season against Lincoln last Friday night . . . however, the Bulldogs did not capitalize on foul line shooting (for which they were seven for 19) nor the crucial three one-and-one's that would have assured them of at least a tie with the Southeastern Conference's top team.

But this at least must be said for them . . . they sure gave Lincoln a good scare and proved to themselves and the fans that they can execute the game plan well, play some good defense and show a lot of hustle. Despite the disappointing 50-49 loss to the Rail-splitters, they deserve accolades.

The Bulldogs were ahead in the game until the last 40 seconds of play Friday evening on the home courts, when Lincoln began to close the gap on the score. The Bulldogs made a number of "dumb" mistakes, costing them the tie or victory.

Attempting to mask his disappointment, Coach Tom Balistrere (Continued on page six)

COACH OF THE YEAR: Phil Bareis, varsity football coach and athletic director at Chelsea High School was recently named by the Michigan High School Football Coaches Association as one of four, Class B schools Region II Coaches of the Year. Bareis is pictured here with the framed document recognizing him for being an outstanding high school football coach.

Phil Bareis Named 'Coach of the Year'

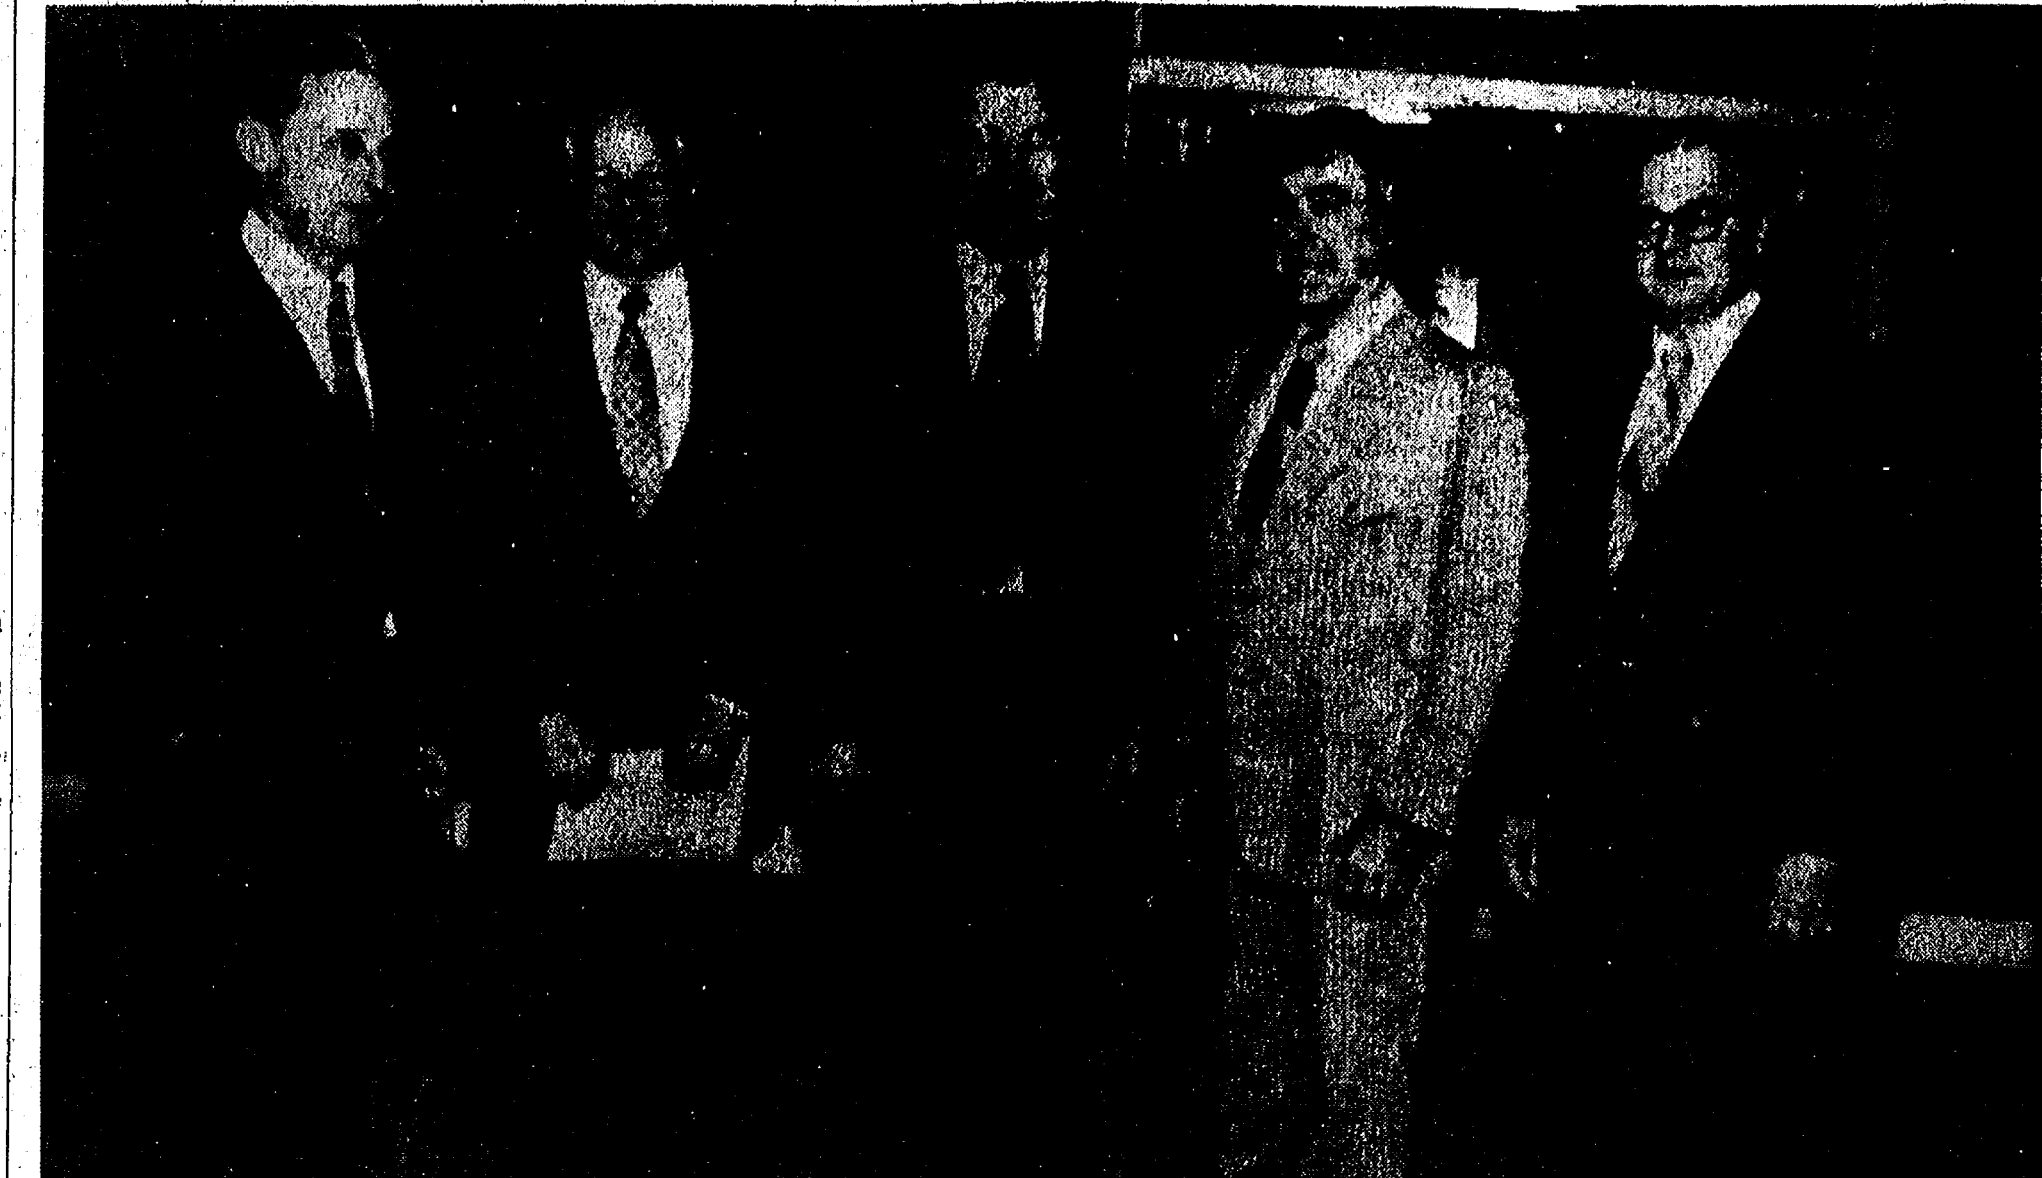

Chelsea High school varsity football coach and athletic director, Phil Bareis was selected early last December by the Michigan High School Football Coaches Association (MHSFCA) as one of the Class B Region II "Coaches of the Year."

Honors were given to four coaches in each class for all four regions in the state of Michigan. A "State Coach of the Year" for each class was then selected from the list of regional coaches. Richard LaPointe of Dearborn's Dickinson School was chosen as the "State Coach of the Year" for Class B schools.

Bareis, who has been coaching at Chelsea High school since 1966 and prior to that was Clinton High school football coach for six years, remarked that selections are made on the basis of the team's record.

"You are classified as a good coach if you come out winning," he said. His 1975 football team clinched the Southeastern Conference title with an undefeated, 9-0 record for the season. Bareis' teams have also had perfect seasons in 1971 and 1969; both years the Bulldogs were conference champions. And in 1971 they were rated as the number one team in the state together with Kalamazoo Hackett by the Associated Press. This past season, the Detroit Free Press recognized the team for the first time.

In 1971 Bareis was recognized by the Michigan Jackson Area High School Football Coaches Association as the Class A and B Coach of the Year. MJAHSFCA became MHSFCA about three years ago when an interest in such an organization grew, Bareis said.

KIWANIS FARMERS NIGHT: Chelsea Kiwanians honored some 140 area farmers Monday evening with dinner, and a slide program given by Dr. Sylvan H. Wittwer, director and assistant dean of the College of Agriculture and Natural Resources at Michigan State University. Pictured from left, Dr. Wittwer, Howard Holmes, Herman Koenig, chairman of the evening, John Comstock, Washtenaw County Co-operative Extension Service Director, and Julius Blaess, president of the Chelsea Kiwanis Club.

Kiwanis Club Hosts Area Farmers

Chelsea Kiwanians honored some 140 area farmers Monday evening at their annual Chelsea Kiwanis Farmers Night. Chairman for the evening's dinner and program was Herman Koenig.

Following dinner, farmers, Kiwanians and guests watched and listened to a slide show and speech given by Dr. Sylvan H. Wittwer, Director and Assistant Dean of the College of Agriculture and Natural Resources at Michigan State University. Dr. Wittwer spoke on the scientific achievements in agriculture and on the contributions of research in the area of agriculture food and nutrition. His speech and slide presentation related to the domestic U.S. as well as to world agriculture production.

Notable guests for the evening were Rep. Michael Conlin and John Comstock, director, Co-operative Extension Service for Washtenaw county.

Legion Sponsoring Big Winter Festival

With snow covering the countryside and a chill in the air, what would be more appropriate than a Winter Festival? This week-end Saturday, Jan. 31 and Sunday, Feb. 1 American Legion Post 31 will host such an event at their Cavanaugh Lake Rd. address, 1700 Ridge Rd.

Two major activities will highlight the week-end. The third annual "Ice Fishing Derby" will break open the week-end at 6 a.m. Saturday. This two-day event will end Sunday at 5 p.m. Participants will be judged on their catch according to three categories: pike, pan fish and perch. Prizes have been donated by the Post, Chelsea Hardware and Cavanaugh Lake Store for those with the lucky catches. Incidentally, for those worried about thin ice, chairman of the festival, Pat Merkel, assures that it is 12 inches thick.

Saturday evening, the fishermen and anyone else interested are invited to try their luck in the Winter Fest's second annual Eucure Tournament. Beginning at 7 p.m. participants will put their skills on the line for prizes to be awarded by Post 31.

The post will also offer entertainment, refreshments and snowmobiling for all to enjoy.

"With the high cost of entertainment these days," said Post 31 Commander Jim Knott, "the Winter Festival is an economical way for families to enjoy entertainment and recreation."

Debate Team Upset in District Meet

Chelsea High school's varsity debate team was "upset" last Friday when they competed in district competition held at Lansing-Waverly high school in Lansing. The debaters, Brenda Shadoan, Barb Hinderer, Kim Brown and Doug Foreman, came away with a 3-3 record for the day; just one win short of qualifying them for state competition.

Paul Closson Quits As Administrator At Methodist Home

Paul S. Closson has resigned as administrator to the Chelsea Methodist Home. His resignation was effective Jan. 14. Closson, who has been with the Chelsea Home since October of 1973, cited personal reasons for leaving.

Prior to coming to Chelsea, he served as administrator at the Boulevard Temple United Methodist Home in Detroit for four and one-half years.

Bert Hoskings, executive director of the United Methodist Homes of the Detroit Annual Conference and acting administrator of the Chelsea Home said in a telephone interview last Friday, "We at the home thank him for his many years of service and wish him well in whatever pursuit he follows."

A new administrator will not be named for three or four months.

Bicentennial Week Set at High School

Feb. 9-19 has been designated as the official Bicentennial Week at Chelsea High school according to celebration chairman, Laurie LeZebnik. Festivities will begin Monday morning with the exhibition of the Michigan covered wagon, a replica of the prairie schooner used by Westward bound pioneers. The wagon is currently touring Michigan until May when it leaves to join a national train of state wagons headed for Valley Forge.

Students may rededicate themselves to our United States Constitution by signing scrolls for this purpose which will be carried to Pennsylvania on the wagon micro-filmed, and buried in a time capsule to be opened in 2076.

A schedule is being made to enable the entire student body to see the slide shows and pictorial displays, also transported on the wagons. Michigan Indians, American History, Michigan Underground Railroads, and famous speeches are among the topics in the displays. The official Michigan exhibit is being brought to the Chelsea schools by the Chelsea Jaycees. It will be shown at Beach school Monday afternoon; at North school on the morning of Feb. 10 and at South school in the afternoon.

Tuesday of Bicentennial Week at the high school will be "Old Fashioned Dress" day. Students and teachers alike are encouraged to wear something from their favorite period of history.

Ethnic Day is Wednesday's theme and prizes will be awarded for the costume that best represents the country of their family origin. A panel of student judges will select faculty winners for each dress-up day while students winners will be chosen by teachers.

Booths, exhibits and demonstrations depicting American heritage, now being planned by various departments, will be on display Thursday afternoon in the main building. Student and teacher skills are scheduled for the final school assembly set for seventh hour Thursday. Prizes for costumes and other student awards will be announced at this time.

Wrestlers Pin Both Milan, South Lyon

Chelsea Wrestlers posted an important win last week over previously undefeated Milan. The 35-7 score reflected "a fine team effort by the whole team," commented Chelsea wrestling coach Richard Bareis.

Chelsea's John Bulick started the evening on the right foot with a 5-2 decision at 100 pounds. Chuck Young wrestled to a 2-2 draw at 107 pounds. Jim Stahl, down one weight class at 112 pounds, came through with a 5-2 decision. At 128 pounds, Bart Bauer lost his first varsity match by a fall. Rick Beeman lost, 7-3, at 132 pounds, while Rocky Brandel at 135 pounds lost an 8-2 decision.

With the score tied, 14-14, Nick Keiser, at 147 pounds, put Chelsea up by six points with a fall win. Tim Reed then added another six points with a fall at 157 pounds. At 169 pounds, Bruce Bennett lost a 6-1 decision. Dennis Bauer then won, 4-0, at 185 pounds, and Tom Bareis received a forfeit at heavyweight.

Coach Bareis said that the wins were important, but stressed of equal importance was the fact that (Continued on page six)

Chelsea wrestlers defeated South Lyon Tuesday evening, 29-24, on the home mats. This makes the Bulldog grapplers 7-1 over-all and 4-1 in the league, tied for first with Milan, Novi and Saline.

Winners for the Bulldogs at 107 pounds, Chuck Young had a fall decision. At 121 pounds, Jim Stahl was awarded a 1-0 decision. At 128 pounds Dale Schoenberg had a 14-6 superior decision. Rick Beeman at 134 pounds was awarded a 5-0 decision. Nick Keiser, at 147 pounds won, 8-0, another superior decision.

The big match of the evening at 155 pounds; Tim Reed and Randy Cevora had a 1-1 draw. Cevora defeated Reed last year when the Bulldogs met South Lyon. At 185 pounds Dennis Bauer had a pin victory.

Bruce Bennett lost to a tough wrestler, 4-2. Coach Richard Bareis reported that he wrestled very well. Putting out a superb effort was Rocky Brandel, despite the losing cause.

"When we win like this it depends on a team effort," Bareis said. It was a good team effort. That's what keeps us in the race and that is what it's all about."

Dundee Wrestlers Take Chelsea Tourney Title

Chelsea's Invitational wrestling tournament held last Saturday in the CHS gymnasium was so tough, reported CHS coach Richard Bareis that the Bulldogs could not manage to claim a single individual title. "It was enjoyable to watch, but hard on our wrestlers," Bareis said.

Chelsea tied for last place with Jackson Northwest. Each team totaled 45 1/2 points.

Final standings for the tournament were Dundee on top with 129 1/2 points, Lake Fenton with 82 points, Belleville with 78 1/2 points, Howell with 77 1/2 points, Albion 73 1/2 points and Tecumseh with 52 points.

Earning second-place awards for Chelsea were Dale Schoenberg, at 119 pounds and Tim Reed at 155 pounds. Third-place finishers were Jim Stahl at 112 pounds and Dennis Bauer at 185 pounds.

Chelsea's only other wrestlers to win a match were Chuck Young at 105 pounds and Nick Keiser at 145 pounds.

Coach Bareis commented that this tournament was probably the finest the Bulldogs have been in this year. All the teams were of about the same caliber with respect to skill. "We certainly didn't duck good competition in this tournament," he concluded.

Schools Closed Jan. 22 Because of Ice, Snow

Because of icy patches and snow on the roads, Chelsea schools were closed last Thursday, Jan. 22. The school district has had a total of three snow days this year.

CANCER CRUSADE COMMITTEE: Meeting last Friday to discuss plans for this year's Cancer Crusade in Chelsea were from left, co-chairmen, Mrs. Robert Daniels and Mrs. John Dunn; special events chairmen, Mrs. George Palmer and Mrs. Weldon Harbaugh; and publicity chairmen Mrs. S. Charles Matloff and Mrs. Richard McCalla. Recently joining the committee, but not present for the picture is Mrs. Keith Boylan. The ladies have planned a Kick-Off Brunch for Feb. 25. April has been officially designated as Cancer Crusade month.

Numerous Projects Planned To Provide Cancer Crusade Funds

Although April is the month officially designated by the American Cancer Society for the Cancer Crusade, Chelsea women are already busy themselves preparing for a Kick-Off Brunch to be held late in February and a Quilt-ing Bee and a Fashion Show and Luncheon for the first two weeks in March.

Co-chairing this year's campaign is once again the successful team of Mrs. Robert (Marje) Daniels and Mrs. John B. (Nancy) Dunn. Together with the help of many other area women, the pair more than surpassed their 1975 goal last year raising some \$2,691. Readers may remember the "Kaledioscope of Brides" fashion show, the Quilt-ing for Cancer party, the small ethnic dinners. This year, with the addition of five women who compose the Chelsea Crusade Committee, Marje and Nancy hope to capitalize on last year's successes and devise some new and different ways to raise dollars for cancer this year.

Mrs. Charles (Lenore) Matloff and Mrs. Richard (Grace) McCalla have pooled their talents this year in the realm of publicity. Co-chairing special events for the Crusade are Mrs. George (Continued on page five)

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Ed Doolittle come to the session at the country store Saturday night with his usual pocket full of clippings and one said "The cost of getting sick skyrockets." Ed read that headline to the fellers, and he allowed that he studied the situation up one side and down the other, and he figured out that it ain't the price of getting sick that's getting out of hand, it's the cost of getting well. Sick allus has been free, but the cost of the cure is enough to make us sick.

What makes it worst, Ed went on, is that folks hit hardest is old ones that have fixed incomes, if

they got any, and they ate the ones that git sick the most and stay sick the longest. Ed said he had brought up this matter before and he wasn't looking for much more support this time, but what we ought to work out is a deal where we pay the doctors to keep us well, and they pay us if they fall down on the job and we git sick. Ed said he had no idee what an arrangement like that would do fer a doctor's malpractice insurance that is helping to run up prices, but more folks are well than sick at any given time, so he ought to come out ahead.

Zeke Grubb said another reason for high doctor bills is his cost of getting in and thru medical school. Zeke has saw where most schools in the country have as many as 50 well-qualified applicants fer every one seat in their classes, and that one young feller spent from \$25 to \$50 each on applicants to 47 medical schools, and they all turned him down. We think gitting to see a doctor is tough, Zeke said, but gitting to be one is even harder.

Speaking of prices, Bug Hookum said the way meat prices is bouncing around he has worked up a system. If a feller splits up his operation between hogs and cows he can't lose, Bug said. When pork is high, sell the hogs and buy cows. When beef is up, sell and buy hogs. If you play the market right, Ed said, you can pick up enough between buying and selling to build fences and put in pasture, Course, admitted Bug, if somebody figgers out why beef and hog prices work like a seesaw that might be a bigger help fer farmers and ranchers.

Actual, broke in Isaac Cornifodder, beef and pork may be a glut on the market if this woman he saw a piece about has her way. Isaac don't say much at our meetings, so the fellers figgered he was worked up over somepup. He was. He told where this girl has been eating bugs fer months, and she has found she gits all the protein she needs. Termites is her favorite, he declared, and she also is partial to ants and grasshoppers. She give some of her insect recipes in the paper, Isaac said.

The fellers thanked Isaac fer his report, but they was full agreed they would steer clear of a bumbebee casserole even at church covered dish suppers where they usual eat everything. Bug summed up the feeling of th group when he said he didn't want to see the day when, if he found a fly in his soup, it was supposed to be there.

Yours truly,
Uncle Lew

Drinking, Driving Costly
Expensive Business—drinking and driving.

There's the risk of car accidents, fatal and otherwise, and the prospect of loss of driving privileges. Most people are familiar with those potential results of maneuvering drink glass and vehicle.

But a less-frequently discussed problem—increased cost for car insurance—is brought to our attention by the Michigan Council on Alcohol Problems, the Michigan Office of Highway Safety Planning and the National Highway Traffic Safety Administration.

Consider the DWI conviction which for our purposes includes driving under the influence of liquor (DUIL), driving while impaired or refusing to take a sobriety test under the implied sent law.

Such a conviction can change a person's insurance status from "preferred" or "acceptable" risk to "questionable" or "unacceptable."

It also could result in loss of certain benefits or cancellation of an insurance policy altogether. If that happens, the driver might have a tough time finding, and much higher premiums for, another policy.

One example brings home the possible consequences for a drinking driver's wallet.

Take the case of a 24-year-old single male driver whose car, amount of driving and coverage cost \$292 in Lansing.

ADWI conviction could hike his insurance premium by \$343, to \$635 a year, a solid jolt.

Hockey Team Wins 6th Straight Game

Chelsea High schoolers hockey team surprised number one ranked Hanover-Horton Sunday, Jan. 25, 4-2.

Without totally abandoning their usual hard body check game, Chelsea

kept Hanover-Horton completely off balance, stopping their rushes with a fierce poke checking defense.

This strategy enabled Chelsea to control the game and give coaches Jerry Ringe and Bob Fisher the team victory they had prepared for all season.

Chelsea never trailed in the game getting two goals from Greg Hastings and one each from Dave Dawson and Steve Check.

Sunday, Feb. 1, Chelsea will play Napoleon at the Jackson Arena at 7:30 p.m.

Cager of the Week

RANDY SWEENEY (44): "I'm not doing too hot this year," remarked junior forward Randy Sweeney when questioned about his individual performance with Chelsea High school's varsity basketball team. Randy continued, "I used to average 14 points a game. I'm getting it together now. I just hope it isn't too late." Randy, who is playing his first full season with the varsity cagers, may be remembered for his performances on the CHS track team in the events of pole vault, high jump and hurdles. This spring he expects to see his name on that varsity roster. Back to basketball, Randy thinks the Bulldogs will defeat Novi the second time around when they play them this Friday evening. "You have to think you are going to win," Randy said. The son of Mr. and Mrs. Frank Sweeney, Randy is one of five boys.

Debate Team...

(Continued from page one)

However, their coach, William Coelius, said there is a chance his team might go on to the state finals in February. Coelius said each year a state committee grants at-large bids to schools with exceptional debate teams enabling them to continue in competition at the state level. Coelius remarked: "This team is one of the best we've had and I think these kids deserve to go on." He will be notified of an at-large bid by Jan. 31 if it is granted.

Friday's victories were marked up over Hartland, Albion, and Ionia. The Bulldog debaters succumbed to Saline, Jackson County Western and Lansing-Waverly.

The Country Pulpit:

WHAT DO YOU THINK!

You may be able to load the bases every inning—But if you
 don't cross home plate you don't score a run: THAT'S WHAT
 COUNTS!

You may have the best car and win all the trial heats—But
 if your motor fails in the big race, you don't get the checkered
 flag. THAT'S WHAT COUNTS!

You may make twice as many first downs as your opponent—
 But if you can't cross the goal line you don't get the touchdown.
 THAT'S WHAT COUNTS!

You may have an excellent education—you may have a
 host of friends—you may have a top paying job—you may have
 a good reputation—you may give much to charity—you may
 have perfect health . . . BUT . . .

If you haven't settled your account with God—if you haven't
 accepted Jesus Christ as your Saviour—if you haven't been born
 again; you won't win the prize! You won't have real peace!
 You won't go to Heaven! AND THAT'S WHAT COUNTS!!

For God so loved the world, that He gave His only be-
 gotten Son, that whosoever believeth in Him should not perish,
 but have everlasting life. John 3:16.

Miss Earles opened with a devotion by reading a prayer, by Peter Marshall.

Our guest speaker was the Rev. McCallum. Reading from Matthew 25 Chapter verses 25 through 45 was his topic. Caring first and loving our own group. Second, caring for needs of other parts of the world.

A short business meeting was led by Miss Marjorie North, our chairman, giving a reading of a song "A New World Tomorrow" by the Rev. Julian Bush.

Mrs. Nina Dudgeon, a new member, was introduced, also visitors Mrs. Katherine Innis and Mrs. James Stirling.

The secretary's report and treasurer's reports were read and accepted. Also the sunshine chairman's report.

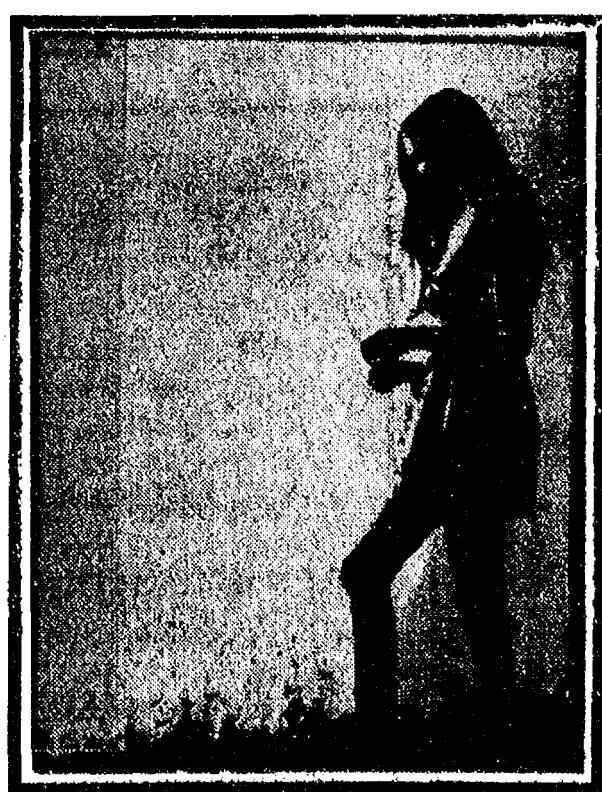

The meeting was adjourned with the Prayer Circle led by Mrs. Marian Harper.

Our next meeting will be held at the Crippen Building Feb. 18 at 1 p.m. We ask each to bring a home-made valentine. Mrs. Marian Harper and Mrs. Viola Knoll will be hostesses.

(Donna) Palmer and Mrs. Weldon (Ruth) Harbaugh. Both these ladies were actively involved in putting last year's "Kaleidoscope of Brides" show together. Recently joining the Cancer Crusade Committee is Mrs. Keith (Agnes) Boylan.

On Feb. 25 Marje Daniels and Nancy Dunn will host a Kick-Off Brunch. Purpose of the brunch is to acquaint those invited with the various fund-raising possibilities such as luncheons, teas, card parties, wine-tasting parties and quilting bees. Women interested in hosting an event are asked to contact Mrs. Dunn or Mrs. Daniels who are in charge of coordinating activities.

Just about one week later Mrs. Fred Mills, Mrs. Basil Greenleaf and Mrs. Mattoff will host a "Quilting Bee." Invited guests will make colorful squares at home all to be joined together at the bee whereupon the completed quilt will be given away in a chance drawing. All donations for the drawing will go to the American Cancer Society.

Saturday, March 13 marks the date of the "Fashion Show and Luncheon" at Schumm's of Chelsea. Mrs. George Palmer and Mrs. Weldon Harbaugh will describe an array of fashions from Vogue's of Chelsea. Price for the luncheon and fashion show which includes a donation for cancer is \$7.50.

These are just a few of the samplings our women have in mind to promote the Cancer Crusade in Chelsea this year. More are to come!

Girls Volleyball Team Wins Over Lincoln

The Chelsea varsity volleyball team defeated Lincoln in their match last Friday. The girls won both of the first two games; therefore a third game is not played. The first game was won, 15-7; the second, 15-8.

JV Volleyball Team Still Undefeated

The Chelsea High junior varsity volleyball team has extended their undefeated season to 3-0 over-all, 2-0 in the league.

SEC ROUND-UP:

Bulldogs Scare Top-Ranked Railsplitters With Near Upset

Top-ranked Lincoln got a good scare from bottom-ranked Chelsea last Friday evening, as the Bulldogs edged within one point of either a win or a tie with the Railsplitters. In other SEC play Friday evening, Saline held on to their second place in the conference as they stung South Lyon.

Lincoln - 50, Chelsea 49—

The last 30 seconds of play Friday evening were crucial for Chelsea's Bulldogs as they had a chance to at least tie if not topple the current number one team in the Southeastern Conference. However, they were not able to capitalize on three one-and-ones and the Railsplitters let out a sigh of relief to make up their eighth victory in the conference this year.

The Bulldogs jumped for the ball in the first quarter and took it through the third leading on the scoreboard.

High scorer for the Bulldogs was team captain Randy Guenther with 18 points. Tony Roberts had 11 and Randy Sweeney had 10. Taking the lead for Lincoln was Dan Waltz who came off the bench to put in 17 points.

Saline 101, South Lyon 39—

What a score! Yet in spite of it the Saline Hornets have done better. Their defeat of South Lyon Friday evening did not break the school scoring record. The Hornets played a near perfect game, hitting 43 of 72 field goals with a total of 32 assists awarded. Steve Monty shot for 20 points to lead the scoring effort. Dave Slagen-

white, Dave Fosdic, Mike McGuire and Jay Jahnke all shot in the double figures to contribute to the total. Putting in what they could for South Lyon were Bob Jorae and Scott Herold each with 10 points.

Milan 71, Brighton 47—

It was a close game until the third quarter when Milan's Big Reds broke it open to outscore their opponents, 25-10 and later to take the victory. Hitting 12 of 13 shots in the fourth quarter put the game in the bag. Leading Milan with 18-point games were Kurt Dingman and Al Tallas. High scorer for Brighton was Dean Clark who put in 18 points.

Novi 72, Dexter 68—

It was foul line shooting in the second half that made the difference in this game Friday evening. The Wildcats were able to capitalize on 19 of 21 free

throws while the Dreadnaughts hit below 50 percent. Scott Parsons led the victors with 21 while Bill Giorgio and John Pisha put in 18 and 10, respectively. Dreadnaught player Mark Mast led his team with 16 points, followed by scoring efforts of Bruce Vail and Bill Mussio who each had 12.

Parents Increase Input In Special Ed Program

In 1971, when Special Education became mandatory for all school districts, the state also designed a plan for insuring parental voice in the development and monitoring of school programs. Each local district Board of Education was asked to appoint a parent to represent that district on a County Special Education Parent Advisory Council. This procedure allowed parents with a handicapped child to have a representative, someone to voice their concerns, their child's needs and most importantly, to help them insure that the special needs of their child would be met. What parent doesn't desire a voice in his or her child's education?

This year, to increase this representation, a second member has been appointed for each district. Two parents from Chelsea who plan to work to improve programs for all Chelsea students and specifically those with Special Education

needs. George Winans and Mrs. Nancy DeVoe have been appointed by the Chelsea Board of Education to the County Advisory Council.

Only through active parent participation can the council hope to most fully know the priorities and goals held by communities for the education of all children. The council is proud of this representation.

IT'S REALLY TRUE:

Indoor Horseshoe
Pitching Court Built

Two indoor horseshoe pitching courts (pits as they used to be called) have been built in Chelsea, housed in a most unlikely spot — the basement of Foster's Men's Wear at 109 S. Main.

If you find yourself throwing your head back for a good laugh, you are not alone. Upon learning of this venture, we too couldn't help but smirk and question the truth of the tale. Unlikely as it may be, it is true.

The venture is that of Fred Petsch and Jim Daniels, both avid horseshoe players and fans of the sport. You may remember the pair. They organized and ran the first horseshoe pitching tournament at the Chelsea Fair last summer. And quite a success it was.

Well, the story goes that as the

days became shorter and the nights longer the air nippler and the wind stronger, Fred and Jim began to question just where they would be able to practice their pitching for next year's tournament. Concerned about getting rusty, they decided to seek out a place where they might build a couple of courts.

God only knows where they came up with the idea of Foster's Men's Wear basement. But they did. And thanks to the generosity of Bob Foster (who also smirked upon learning what they wanted to do with his basement, Fred and Jim went to work. Beneath the wood plank floor, was some solid dirt ground. After two to three weeks of leveling it, getting it in shape and lighting the courts, they were ready to play.

Not wanting to be selfish about the whole thing, the two have decided to open the courts to anyone interested in playing or spectating. For those with claustrophobia, the basement ceiling is nine and one-half feet high. And we are assured that is more than adequate space in which to play.

The courts in the basement of 109 S. Main will be open most Sunday afternoons. Entry is through a door (a former window) at the back of the store, just off the Village parking lot. Anyone, in the words of Jim Daniels, is welcome to "look-in."

Happy pitching guys!

Now is the time to mail Christmas packages to distant relatives if you want to make sure they will arrive before the holiday.

Wrestler of the Week

FOR SENIOR WRESTLER NICK KEISER, wrestling with the team has always been a family affair. In all of his four years with the varsity grapplers, Nick has had a brother on the team. As a young wrestler, his older brothers, Ken and Dave, served as models and now that Nick is a senior, brother Joe, a freshman, has followed in all three brothers' footsteps. This year Nick's season record is posted at 9-8. Quite a difference from the 15-1 season he posted as a sophomore when he was named South-eastern Conference Champion at 105 pounds. Nick says that this year "everything is pretty close in the league," in terms of wrestler's ability. "It makes it tough," he added. Commenting on the Bulldogs' chance at a Conference title, Nick said, "It depends on their match with Saline, billed as the team's 'toughest.'" The 145-pound wrestler is the son of Mr. and Mrs. Robert Keiser.

JV Cagers
Post Big Win
Over Lincoln

Wishing made it come true for Chelsea's junior varsity Bulldogs basketball players last Friday evening, as they hit the courts hoping to avenge an earlier loss to Lincoln this year. The junior Bulldogs defeated their opponents, 48-43, on the home courts. Previously the Railsplitters had taken a win over the host team, 48-37.

The Bulldogs led the way at the half, 23-12, and held onto the lead for the remainder of the game. The Railsplitters rallied late in the game trying to force their way into the winner's circle, however Chelsea's John Daniels put in two foul shots to clinch the score for the Bulldogs.

Coach for the team Paul Terraptra, said his boys out-rebounded the tall Lincoln players 37-35. "We played a good defense too," he added.

High scorers for the Bulldogs were John Daniels, Rod Sweeney and Chris Smyth, who each put in 11 points. Dave Schrotenboer had eight points while teammate Mark Feeney racked up seven points. High rebounder was Sweeney with 11. Mark Feeney snagged 10 while Schrotenboer and Smyth had eight and seven, respectively.

The previous Friday, Jan. 16, the JV Bulldogs met defeat at the hands of the Saline Hornets, 56-33. Poor shooting, seven for 29, and a high number of turnovers, 25, turned the win over to the Hornets.

High scorers for Chelsea were Mark Feeney who hit in the double figures with 13 points, Joe Ewald had 6, Chris Smyth 5, Dave Schrotenboer 4, Rod Sweeney and
