CHS Forensics Team Chosen For District

One hundred-eighty candidates for the Chelsea High school forensics team were narrowed to 20 official team members Tuesday after two months of competition. Judging Tuesday's all-school finals for the official CHS district team was head coach of the forensics team at Eastern Michigan University, Dennis Beagen. The all-day event was held in the Chelsea High school auditorium.

David Frame and Doug Foreman were named first and second places, respectively, in Men's Oration. In Women's Oration, Diane Burg and Colleen Coomes are first- and second- place team members.

Dennis Petsch will speak in the Men's Extemporaneous Division. Representing Chelsea in Women's Extemporaneous Division are Brenda Shadoan and Kim Brown,

first and second place, respectively. Beth Flanigan and Sue Germain will speak in the Informative category, while Liz Schwarze and Connie Connelly will speak in Serious Reading.

Radio Newscasting will be handled by Jim Botsford, first place and Mark McCallum, second place. Gail Gilbreath, first place, and Kim Slocum, second place, will speak in the Humorous Reading category. Terri Knickerbocker is the first-place team member in Storytelling. Bruce Stubbs took second place.

Excerpts from the play "No Exit" will be spoken by the Multiple Speaking group of Mike Beedenbender, Denise Robbins and Judy James. "Inherit the Wind" is the title of the multiple reading which will be given by Dave Schauble, Tom Hafer, Jim Marshall, Al Clark, Rob Wenk and Suzanne Morrison.

'Carnival' Opening Tonight

"Carnival," directed by DiAnn L'Roy, opens tonight, Thursday, March 18, at 8 p.m. in the high school auditorium. Performances will also be given March 19 and 20 at 8 p.m.

Tickets for "Carnival," a musical with music and lyrics by Bob Merrill and the book by Michael Stewart, are still available and may be purchased at the door all three performance nights.

Garden Plots Offered to Area Residents

Enjoy fresh garden vegetables, but have no place to grow your own? The Chelsea Recreation Council, with the assistance of the Washtenaw County Parks and Recreation office, would like to make land available to Chelsea area residents for small garden plots this summer.

According to Ann Schaffner, council member, the Council encourages those persons who would like a garden and without land to contact the council so arrangements for the plots may be made. Mrs. Schaffner said a few persons have inquired about the program, but not a substantial number to make it worthwhile. She added that the Council and WPCR will also assist the gardener in gardening techniques from planting through canning.

For information about a plot and/or more information about gardening, phone 475-8065.

BRIGHTON TOURNAMENT CHAMPIONS: Chelsea High school's forensics team, coached by William Coelius (far right) claimed the championship title for the fourth consecutive year last Saturday at the Brighton Invitational. Five of the forensics team members were awarded trophies for their individual performances. They are pic-

tured, from left, Brenda Shadoan, 1st place Women's Extemporaneous; Connie Connelly, 3rd place Serious Interpretation; Laurie Campbell, 2nd place Humorous Interpretation; Julie Chapman, 3rd place Storytelling, and Beth Flanigan, 3rd place Informative Speaking.

Athletes Honored At Sports Banquet

Last Thursday's Winter Sports Banquet held at Chelsea High school closed out the basketball, wrestling, volleyball, drill team and cheerleading seasons. For at least the wrestlers, the 1975-76 season was termed a "fine" one.

According to CHS Athletic Director Phil Bareis, approximately 400 persons enjoyed a buffet style dinner in the high school cafeteria before adjourning for the presentation of awards and letters.

Chelsea's varsity grapplers ended their season with a 9-2 record for dual matches, a second-place finish in the conference, a win at the Howell Invitational, a second-place finish in the Regionals and 10th place in the State Finals.

Eighteen varsity letters were issued by the coaches. Freshmen receiving their first varsity awards were heavyweight Tom Bareis; 112-pound Joe Keiser; 112-pound

Doug Wetzel and 98-pound Chuck Young.

Sophomores winning their first awards for varsity work were 98-pound Mark Bucholz, 132-pound Mike Young, 167-pound Todd Headrick, 138-pound Rocky Brandel, and heavyweight James Bollinger.

Bruce Bennett was the sole junior winning his first-year varsity award.

Winning second-year varsity awards were sophomore Rick Beeman at 132 pounds and John Bulick at 98 pounds.

Earning third-year varsity awards were junior Jim Stahl at 112 pounds; senior Eric Prinzling at 185 pounds; senior Dale Schoenberg at 119 pounds and senior co-captain Tim Reed at 155 pounds.

Fourth year awards went to senior Nick Keiser at 145 pounds and senior co-captain Dennis Bauer at 185 pounds.

In the area of special awards, the Most Improved Wrestler award was shared by Rick Beeman, Bruce Bennett and Chuck Young. The Most Valuable Wrestler went to Dennis Bauer.

Elected captain for the 1976-77 season was Jim Stahl.

Junior varsity awards were awarded to freshman Tim Bareis, Bart Bauer, Steve Heydlauff, Steve Marriott, Joe Marentette, Bill Moore, Pat Murphy, Bob Ostrand, John Push, Greg Reed, Ray Sabo, Victor Verchereau, John Whitaker and Tony Wisniewski.

Recognized for their contribution as managers were Eric Headrick, John Preston, Steve Grau and Mike Foster.

Coach Richard Bareis commented that Chelsea's team this year was led by five outstanding wrestlers, four of whom will graduate. "With all of these underclassmen who won letters and if some of the JV come through, next year could be exciting," Bareis remarked.

Forensics Team Wins Tourney

The Chelsea High school Forensics team ran off with the championship title for the fourth consecutive year Saturday when the team attended the Brighton Invitational Tournament. The Forensics team posted 122 points to

gain the title. Fifty-five CHS students attended the tournament, five of whom were awarded individual trophies.

According to Forensics coach William Coelius, some 20 schools participated in the Saturday forensics action. Final standings were Chelsea 122, Plymouth 106; Brighton, 84; Plymouth-Canton, 82 and Holt, 81.

Firemen Called for Barn, Home Fires

After months of relative inactivity, the Chelsea Volunteer Fire Department has fought one barn fire, one home fire and a number of grass fires in the past week.

A barn on the property addressed 2001 Sylvan Rd., owned by Allen C. Pardon of Ann Arbor, was saved Monday evening, when Chelsea firefighters with the assistance of the Manchester volunteer firefighters, spent three hours dousing flames. According to Chief Jim Gaken, the fire is believed to have started when a car inside the barn was ignited, spreading flames to hay in the area. Gaken said that his department has not received a final report from the Sheriff's Department, as to the cause of the fire and to whom the vehicle inside the barn belongs.

Scorched walls and extensive smoke damage at the home of the Richard Bruck family of 1775 Old US-12 was the result of a fire which started in the

utility room or the home last Wednesday.

According to Mrs. Bruck clothing on top of the dryer caught fire spreading throughout the room. Mrs. Bruck said she had only discovered the flames. She says she is not sure if the dryer was running at the time of her departure.

Mrs. Bruck said she and a neighbor wet the area down with pails of water before Chelsea firefighters arrived to put out the remaining flames.

While numerous small grass fires have kept Chelsea firefighters busy in the past week, the spring fires have not caused any damage to the area. However, Chief Jim Gaken wants to take special care when burning trash. "Even though the land seems wet," Gaken said, "grass can easily ignite, spreading flames quickly at this time of year." Persons living within the village limits are reminded not to burn trash or refuse.

Taking trophies for individual performances were senior Brenda Shadoan who took first place for her work in Women's Extemporaneous; Lori Campbell, 2nd place Humorous Interpretation; Julie Chapman, 3rd place Storytelling; Connie Connelly, 3rd place Serious Interpretation; and Beth Flanigan, 3rd place Informative Speaking. The team was highly praised by their coach.

Hockey Team Moves Close to Championship

Chelsea's Highschooler hockey team took a big step toward the Toland Division Championship finals Sunday by eliminating Jackson Western, 4-2.

Chelsea held a four-goal lead until mid-way in the third period when Western finally managed their two goals. Chelsea's goals were split between Bob Fisher and Harold Vanderwoort with two each.

A two-game, total goal series between Chelsea and number one Hanover-Horton will be played the next two Sundays at the Jackson Sports Arena.

The team that scores the most goals in the two games will be (Continued on page three)

Elderly Resident Robbed of \$1,203 Sunday Night

Chelsea police are investigating an unarmed robbery which occurred Sunday night, March 14 at the home of an elderly resident.

According to police reports, \$1,203 was taken in cash from the Joe Policht home at 421 North St. Police said that two assailants forced their way into the home at approximately 8:30 p.m. Sunday evening, tying up the owner and rummaging through the kitchen, living room and dining el.

The victim told police that after the pair left he was able to free himself and drive to the station where he registered the complaint. Evidence to be used in the case had been sent to the State Police Crime lab for processing.

Jewelry Party Will Benefit Cancer Society

"Jewelry for Cancer" will be the theme for the open house given by Norma Smith, local distributor of Sarah Coventry jewelry. On March 25, from 7 to 9 p.m. at 109 Wilkinson, jewelry will be sold to all interested parties, with 15 percent of sales donated to the American Cancer Society.

"In addition," adds Mrs. Smith, an extra \$1 will be donated for every subsequent party booked that evening." For more information, contact Mrs. Smith at 475-8984, evenings.

Tape Player Stolen from Locked Van

A Craig AM-FM tape radio and four speakers valued at approximately \$30 were reported missing to Chelsea police last Friday evening from a 1976 Chevy custom van parked at Lloyd Bridges Traveland, 1603 S. M-52.

According to police reports, entry to the locked van was gained by forcing the handle on the sliding door. Once inside, the thieves removed the radio and speakers and in doing so damaged the dash- the vehicle.

PTO Votes Support For Millage Election

The Chelsea Parent-Teachers Organization, after listening to guest speaker Robert Daniels, vice-president of the School Board, explain the reasons and objectives of the millage renewal, voted unanimously to support it. Members of the organization also volunteered to help with a telephone campaign on the day of the election.

The Chelsea PTO held its regular monthly meeting on March 11 at Beach school. Chairman Cox called the meeting to order at 7:45 p.m.

Guests in attendance and introduced by Cox were Martin Tobin, member of the School Board; Charles Cameron, Superintendent of Schools; and Alan Conklin, principal of Beach school.

Minutes of last month's meeting were read by Secretary Nancy Erickson, and approved by the membership.

The Steering Committee reported that formation of the by-laws is progressing smoothly. The first draft should be ready before the May meeting.

Chairwoman Pat Zangara presented the Safety Committee's findings concerning safety in schools. A lengthy discussion followed. Cox then asked the committee to come up with possible solutions to these problems and present them at the next meeting. If approved, they will be presented to the proper school officials for consideration. Copies of the committee's report will be available to interested persons at next month's meeting.

The Program Committee reported guest speakers for the April meeting will be Mrs. Lindy Burch, PREP teacher and Robert Goyer, psychologist. Mrs. Burch's program will be on the Parent Readiness Education Program. Goyer's presentation will be Special Education in the Chelsea schools and the services available. They further stated Dr. William Hawks, ophthalmologist, will be guest speaker at the May meeting. His program will be on detection and treatment of visual problems in school-age children.

Cox presented a request from Sylvester Wojcicki, principal of South school for the PTO to serve coffee and cookies at the South school Open House on April 8. After a short discussion, the membership approved the request. Four of the mothers volunteered to bake cookies, but additional volunteers are needed. If you are interested, please call Mrs. Mary Cox at 475-7547.

The next regular meeting will be on April 8, 7:30 p.m. at South school.

Named to Honors List

Chelsea area residents David P. Klomer and Carol A. Fairbrother and Dexter resident John B. Hicks were named to the Dean's Honor List for studies completed in the fall term at the University of Michigan's College of Engineering.

All three students are undergraduates in the Engineering College.

Schools Ask Renewal on 13.5 Millage

Chelsea voters will go to the polls Monday, March 22 to determine whether or not to renew the expired 13.5 mills for a five-year period for school operating expense.

Electors approved 13.5 mills for the 1974-75 and 1975-76 school years. The following is an open letter to residents of the Chelsea School District from the Board of Education president, Howard Haselschwardt.

To Residents of Chelsea School District:

I would like to discuss briefly with you the upcoming operational millage election on March 22. The Board of Education has unanimously decided to ask for a renewal of 13.5 mills for a period of five years.

First, why are we asking for a renewal of 13.5 mills?

The 13.5 mills represents the same amount levied for the past two years. After much study and consideration, I feel that we can offer a good educational program in the Chelsea schools for next year if the state aid is paid according to the present formula. Even with the new buildings and career education offerings, I believe with good sound management, it can be done.

Next, why is the board asking for millage for five years?

I believe it is much better for long-range planning if the board has a set millage to work with. Better judgments can be made as to teacher contracts, curriculum planning, bus purchases and other maintenance expenses. It is very frustrating to lose half of our operating monies every year or so and wonder what one has to work with next year.

However, I would like to make one thing clear. If the state aid formula should change, it may be necessary to ask for some additional millage sometime in the future. At such time, I am sure the board would make it very clear why this might be necessary.

I would like to see every registered voter at the polls on Monday, March 22. Let's all exercise our franchise to vote; it is a real privilege.

Sincerely,
Howard Haselschwardt,
President,
Board of Education.

Voting will be at the Beach Middle school Monday in the large group instruction room from 7 a.m. to 8 p.m. Absentee ballots are available at the Administration Building at the high school.

Eighth Grade Band Rated Tops in District

On Saturday, March 13, the Beach school 8th grade band made a successful and rewarding trip to District 12 Junior High Band and Orchestra Festival at Whitefield High school in Ottawa Lake.

The band earned a First Division rating, receiving comments from the judges as "Very mature musical concepts for such young people." "The most sensitive and inspired young group I've heard in a long time." "A real privilege to hear the group play." "Very fine

training." "Congratulations on an excellent performance." Other compliments and helpful suggestions were also made.

The band is now eligible to participate in the State Junior High Festival to be held May 8.

Assisting the band were Dr. Richard Borton who transported the large instruments in his van, and Mrs. Dolores Alber, Mrs. David Atkinson, Mrs. Marion Bentley, Mrs. Charles Blanchard, Mrs. Stephan Hasting and Mrs. John Morris who served as chaperones.

TERRITORIAL MEDICAL CENTER: Under construction at 9477 North Territorial Rd., this building will be known as the Territorial Family Medical Center. Funded by three area physicians,

Doctors Jerry Wadyke, Marguerite Shearer and Michael Smith, the entire structure is expected to be complete in July. However, the doctors hope to occupy the lower level as early as next month.

New Territorial Medical Center Facilities Nearing Completion

Three Chelsea area family physicians will soon occupy a new clinic housed at 9477 N. Territorial Rd., west of Dexter-Pinckney Rd.

The three, Doctors Jerry Wadyke, M.D., Marguerite Shearer, M.D., and Michael Smith, M.D., have set an April 1 target date for occupation of the Territorial Family Medical Center.

The two-story facility, still under

construction, will house four of offices, 16 examining rooms, including minor surgery and x-ray facilities in the upper level. The lower level will have a dental suite, a medical suite with one office, five examining rooms, two ophthalmology rooms and a laboratory.

The lower level will be complete in April. This level will be used as temporary offices for the physicians until July 1976 when the entire building is expected to be completed.

All three physicians will continue to work with the Chelsea Community Hospital.

Citing their reasons for the move Dr. Wadyke said each felt the Chelsea Clinic had become too big. "We wanted a smaller operation," Construction of the facility is being funded by the physicians,

MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

Primary in Trouble? Committed this year—but watch out after May 18. That's how the vice-chairman of the House Appropriations Committee, Republican Rep. Mel DeStigter of Allendale, views Michigan and the presidential primary.

"There is gathering support around the Capitol to make the May 18 primary the last one in Michigan," he says. A bill to repeal this year's primary currently is in the Legislature. Supporters say local units of government shouldn't have to pay out the \$3 million it will cost. The state paid for the last primary, but financial problems appear to make that unfeasible this time around.

"Too many people feel that we're committed to a presidential primary this year" to pass the repeal measure now, DeStigter says. But he predicts the move for abolition will pick up steam after May 18. Michigan's 1972 presidential primary was the first since 1928.

when Herbert Hoover won Republican support and Al Smith was picked by Democrats. Three years later, DeStigter notes, the legislature threw out the primary law after a study commission found it "ineffective and of considerable expense to the state."

Do "junk food" vending machines in school corridors jeopardize lessons about proper eating habits? Could be, says Rep. Raymond Hood, D-Detroit, the chairman of the House Committee on Public Health.

"The educational environment is vitally important to the learning process," Hood says. "And it has to be pretty hard to teach students about the benefits of good nutrition when they can walk out of the classroom and pick up a candy bar on their way to lunch."

Thus lawmakers may soon be debating the merits of such vending machines. Hood plans to work

for implementation of a 10-bill nutrition health package that would include a ban on "junk food" vending machines in schools. Among other recommended measures are those to: create a state office of nutrition; improve nutrition standards in day care, nursing homes and homes for the aged; and require health maintenance organizations to include nutrition education and counseling as a part of the primary care services.

"People must be educated about the serious implications of poor nutrition and how to correct them," Hood says. "Providing the resources necessary to secure an adequate amount of food is important, but will do little in the long run without the knowledge of how to use it properly."

Rent-A-Plot The "pick your own" passion moves one step further. Now it's "grow your own."

Scores of Michigan farmers have discovered they can turn a profit and at the same time provide fun and fresh fruit and vegetables for folks who have no land of their own. What they're doing is renting garden plots.

Some offer only the space and soil, and amateur farmers take it from there. Others may rent pre-planted plots that give non-farmers a chance to dig into the soil themselves.

Michigan's Department of Agriculture offers further information on the rent-a-plot idea. Just send a stamped, self-addressed business sized envelope to "Garden Plots", Michigan Department of Agriculture, Lewis Cass Building, Lansing 48913.

Out with Baby Cigars One man's poison is another's opportunity! A young doctor in a southern state who abhors the thought of tobacco gave out grapefruit to celebrate the birth of the family's first baby. A suitable message was written on the rind.

This opens the door to enterprising groups, the Michigan Apple Commission for example, which could promote the use of apples instead of cigars when there is a new member in the family. Birth announcement information could be printed on a wrapper for the apple, and the same wrappers could be used for friends for whom a simple announcement is appropriate.

Perhaps the state's cancer, heart or lung societies could push the idea too. Michigan State University leads the Big Ten and all other public universities in the number of Rhodes Scholars named in the past five years.

Nearly half of the total U.S. population is presently or potentially entitled to benefits and services provided by the Veterans Administration.

Mike Whorf To Speak At Farmers' Week

WJR radio personality, Mike Whorf, will be a featured speaker during Michigan State University's Farmers' Week, March 22-24. Whorf will present "America on Parade" during the MSU agricultural engineering banquet in the Big Ten Room of the Kellogg Center for Continuing Education, Wednesday (March 24).

Whorf has been a broadcaster more than 20 years, with experience in the armed forces radio, and with stations in Pennsylvania, Massachusetts and Michigan. He joined WJR in 1964 and has since become well known for his Kaleidoscope presentation, heard daily.

Tickets for the banquet cost \$7 and may be obtained from Room 225 Agricultural Engineering Building, MSU, East Lansing 48824. The banquet is only a part of the agricultural engineering program which features a farm machinery display in excess of \$2 million.

"Most of the major manufacturers of farm equipment will have some sort of display during the week, and visitors will see everything from a chain saw to \$70,000 tractors," said Robert L. Maddex, MSU Extension agricultural engineer.

Shortline equipment will be shown in the MSU stadium concourse, Wells Hall, the Livestock Pavilion, and the dairy barns. Buildings, tractors and tillage equipment will be in the Agricultural Engineering Building and in the nearby parking lot.

"This is the largest showing of farm equipment we've ever had during Farmers' Week. One manufacturer is going to show its complete line of new tractors for 1976. Another representative will erect a nearly complete storage building for display. Exhibits will be set up by 4 p.m. on Monday, March 22 and will not be taken down until Friday morning, March 26," says Maddex. Exhibits will be staffed from 9 a.m. to 5 p.m. on Tuesday, Wednesday and Thursday.

"These displays are strictly for educational purposes. No sales are allowed. We want farmers, or anyone else who is interested, to see what advances have been made in the past year," he adds. "This is an excellent opportunity for non-farmers to see what kinds of equipment are needed for farm production. Some people don't realize that when a farmer tills his field, his operating rig may cost more than \$100,000," Maddex says.

Agricultural engineering's traditional Hall of Magic includes cutaway models of machinery, computer models, research displays and an old-fashioned, steam-operated popcorn maker from which free samples will be distributed. A special hearing check for farmers is being conducted by MSU agricultural engineering and audiology specialists. Safety specialist Howard J. Doss in charge of the project, says that many Michigan farmers may be

4-H Spring Achievement Show Slated

going deaf because of the high noise level of equipment they operate.

The hearing screening will be offered in Room 121 Agricultural Engineering, Tuesday, March 23, through Thursday, March 25, from 9 a.m. to 4 p.m. The tests will be offered to everyone, especially those who operate farm tractors. Survey results will be used for hearing conservation programs.

As part of the small and part-time farming program, a new addition to Farmers' Week, agricultural engineering specialists offer a special session on farm equipment.

Pointers for maximizing effective selection, use, servicing and financing of machines and equipment will be discussed. The program starts at 1:30 p.m. in 116 Agricultural Engineering. During the annual agricultural engineering banquet in Kellogg Center on Wednesday, March 24, awards will be given to the outstanding equipment exhibitors for Farmers' Week. The Distinguished Service Award will be given to the person contributing the most to agricultural engineering programs during the past year.

Five hundred 4-H youth and their projects will be on display for the public's enjoyment during the 1976 Spring Achievement. The annual event will be held this year at Willow Run High school on March 23-27.

Spring Achievement is highlighted by two fashion revues beginning both nights at 7:30 p.m. The Saturday revue features young models, ages 7 to 12. Saturday evening's program will include the Junior and Senior 4-H members plus 30 young models chosen to return from the Friday preliminary revue. "We've come a long way" is this year's theme with just a touch of Bicentennial flavor.

Leathercraft, photography, and woodworking will also be on display during this event. Evaluation of these project areas will begin at 2:30 p.m. Saturday. Outstanding projects will be honored during the Saturday Fashion Revue. The Washtenaw County 4-H Youth Program welcomes the public. The doors open at 3:30 p.m., Friday, March 26 and again at 2:30 p.m., Saturday, March 27. There is no admission charge.

CHS Athletes Honored Thursday At Winter Sports Banquet

(Continued on page three)
Chelsea High school's basketball team was plagued by a number of ills this season other than poor shooting.

Those players who stayed on in spite of the odds against them, receiving first-year varsity letters were Tony Robards, Pete Feeney, Anthony Houle, Randy Sweeney, Dean Thompson, Jeff Sweet, Don Morrison and Jerry Benjamin. Captain Randy Guenther received a second-year varsity award as well as being voted the team's Most Valuable Player. Most Improved player was Tony Robards. Jeff Rabbit and Mike Bareis were recognized for being managers.

JV basketball players John Dafield, Joe Walsh, Marc Feeney, Brian Lewis, Matt McClear, Bruce Rabbit, Jeff Rudd, Dave Schrottenboer, Chris Smyth, Chip Stafford and Rod Sweeney were recognized for their work this season as was their manager, Tom Rudd. Joe Ewald was voted the Most Improved Player. Marc Feeney accepted the Most Valuable Player award.

In freshman basketball, Gary Dis was voted the Most Valuable Player while Scott Price and Ben Kincer shared the title of Most Improved Player. Other members of the team who were honored last Thursday evening were Jesse Coburn, Mike Eisele, Dennis Thompson, Dave Stock, Dave Boham, Brian Herrick, Matt Feeney, Kris Steinaway, Tom Severen, Charlie Bridges, Tim Manley, Mike Machesky and Jim Brown.

Both girls' volleyball teams were coached this year by Cheryl Turner.

Receiving second-year varsity awards were Brenda Augustine, Marie Fahrner, Karen Ottoman, Sue Schulze, Sue Skittenhelm and Karen Tobin. First-year varsity awards went to Leslie Clark, Jolande Koole and Kim Moore. Brenda Augustine was voted the Most Valuable Player. Taking the Most Improved Player award was Karen Ottoman.

In JV volleyball Colleen Collins was voted Most Valuable player while Denise Robbins was voted Most Improved Player. Also recognized for their work on the JV team were Bonnie Boyer, Dawn Bucholz, Lori Inbody, Dawn Kilpatrick, Alison Hovater, Diane Ottoman, B. J. Parks, Julie Pennington, Thea Picklosimer and Debbie Schantz. Bill Kilpatrick was recognized as manager.

Awarded for their performances as members of the Drill team were Jenny Bott, Karen Keiser, Debbie Haworth, Colleen Collins, Lori Werner, Debbie Wilson, Margaret Lewis, Suzy Lewis, Mary Beth McGinn, Teri Ahrens, Jodi Koszogl and Annie Umstead.

Senior Sandy Crouch was the single varsity basketball cheerleader to receive a fourth-year award. Senior Suzanne Morrison received a third-year award as did junior Suzanne Barlow. Sophomores receiving second-year awards were Kathy Slater, Laurie Campbell and Beth Collins. Sophomore Sandy Nugent received a first-year award.

Sophomore junior varsity cheerleaders Sue German and Juliene Tucker received awards as did freshmen Cindy Bareis, Debbie Campbell, Anna Crawford, Carrie Lane and Cathy Villemure.

Freshmen cheerleaders Karen Dresch, Caroline Enderle, Sue Pawlowski, Meg Pennington, Lori Van Riper and Cathy Voita were also recognized.

Letters to the Editor

Dear Editor,
Just a note from my class and me expressing our sincere gratitude to Mr. Richard Ringe for the two 4" x 4" x 12" beams that he gave to us. His generosity is greatly appreciated. Our class will certainly use them for our Special Olympics practice.

We also want to thank Mr. and Mrs. Carroll Buck for donating the materials for a beam. This community has always been very kind to us and can be counted on to help the special children that are among us.

We also wish to thank Sue Skittenhelm for her beautiful lettering job on the beams. She spent many hours painting "Chelsea Special Olympics" on the sides. Again, a special thanks to these people.

Chelsea Youths Granted WMU Scholarships

Scholarships with a total value of \$25,343 have been awarded to 39 Western Michigan University paper science and engineering students this semester by the Paper Technology Foundation, Inc., at W MU.

Among the scholarship recipients are four Chelsea residents. Freshmen at Western, Steven D. Bennett of 3215 Beeman Rd., Keith Cookerline of 63 Cedar Lake, and Brian Smith of 318 McKinley St. all received scholarships as did David L. Buxton of 3849 S. Fletcher Rd., a senior.

The stipends range from \$175.50 to \$1,053 for the current winter term. They are renewable for a total of eight semesters if a student maintains satisfactory classroom performance.

Foundation membership dues from some 80 corporations and nearly 200 alumni and individuals as well as specific scholarship funds help to finance the awards.

What's Cooking In Michigan

By Larrestine Trimm
Michigan Dept. of Agriculture Marketing Information Specialist

Cheese is a highly nutritious food and can be used often to add balance to your menus. Since it's made from "concentrated" milk, cheese is an excellent source of protein as well as calcium, and contains most of the amino acids essential to human health.

Dairy officials of the Michigan Department of Agriculture say it takes about ten pounds of milk to make a pound of cheese. Ounce for ounce, cheese has the same protein value as meat, poultry, fish or eggs. Calcium content for about one and one-half ounces of Cheddar cheese is approximately the same as in a cup of milk.

Natural cheeses are cured from 30 days to a year and prices are normally based on the degree of curing given the cheese. Generally speaking, you can save money by using a milder cheese where flavor is not as important, as in some casseroles and soups.

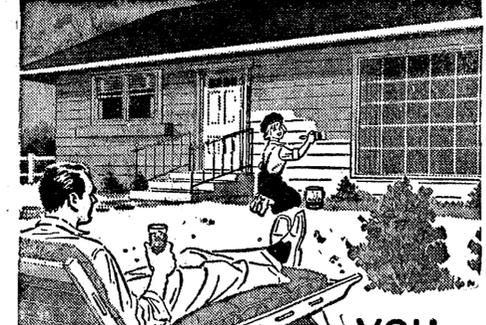

Whether your taste is for sharp or mild flavor, you'll find many of the main cheese varieties produced in Michigan. Greatest commercial production areas are Arenac, Clare, Menominee, and Chippewa counties, with Colby-type cheese leading in production and popularity.

Here are some cheesy tips you may want to try: Perk up vegetables with cheese butter. Beat together a half cup of softened butter and a dash of black pepper until light and fluffy, then blend in a cup of shredded cheddar cheese and a teaspoon of lemon juice. Serve over cauliflower, broccoli, green beans or baked potatoes.

Fold cheese cubes into soup just before serving. Prepare scalloped potatoes with shredded Swiss cheese, a hint of basil and chopped green onions for a flavor variation. Top hot sandwiches with shredded cheese. Add cheese cubes to corn bread or muffin mix. Or make loaves of tasty home-made cheese-bread to accompany most any dish.

The officers pulled him over and when it became apparent that he was not fit to be driving they arrested him on the DUI charge. Erskine was taken to Washtenaw County Jail where he was detained until his arraignment Monday.

MONDAY NIGHT'S basketball game in Marquette between the Northern Michigan University Wildcats and the Lakers of Grand Valley State College provided the setting for a reunion of seven brothers of the storied Villemure family of Newberry. The Lakers are coached by Tom Villemure (kneeling), former All-Stater from Newberry High school who also starred for Sault Tech (now Lake Superior State College), and the University of Detroit. His brothers also starred in basketball and football for Newberry. From left they are: Phillip, of Manistique; Matt of Chelsea; Charles, a member of the undefeated Barber Trophy-winning football team of 1951, Newberry; Bob, retired FBI agent now living in Munising; Peter, Newberry, and Joseph Jr., who also starred as quarterback of two undefeated Newberry football teams in 1949 and 1950. An eighth brother, Evar of Newberry, was unable to attend. Monday night's game was won by the Wildcats, 71-66.

Jackson Man Arrested Here on DUI Charge

Ricky Reuben Erskine of Jackson was arraigned and entered a plea of not guilty Monday morning in 14th District Court on charges of driving while under the influence of liquor.

Erskine's arrest came late last Saturday evening when Chelsea officers Yager and Graves observed the 1973 Ford pick-up he was driving crossing the centerline of traffic while going south on M-52. The officers followed the vehicle westbound onto I-94 where Erskine forced another car off onto the shoulder as the driver was attempting to pass in the left-lane of traffic.

The child with a Learning Disability usually has average or above average intelligence, but often remains significantly behind his peers, academically.

The child may speak fluently and with comprehension, while performing poorly in assignments that require adequate hand writing skills. Or he may reverse letters and/or numbers. Common examples of letters often reversed are b, d, p, q, g, u, n, and h. Many exactly alike except except for the position on the page. (Look at them upside down or from the side.) Examples of numbers often reversed are 5, 3, 9, and 6. Reverse order of words and/or numbers are also common, such as Was-saw (no-on) (26-62) (36-63) etc.

A child with these perceptual problems will often avoid the printed page, whenever possible. (Reversals are common in all children to age 6.)

Other students may understand what they see, but have difficulty understanding what they hear. Phonic skills which all children significantly in obtaining reading and spelling skills are diminished or denied these children. This child's limited to sight word vocabulary, which relies heavily on memory.

Perhaps the most important task for educators, including par-

ents (the most significant teacher in the child's life) is to help the child continue to feel good about himself. If during the time when learning difficulties occur, the child receives messages "that he is dumb," he is not likely to gain sufficient self-confidence, even after the learning problems have ceased to exist.

Local school districts vary in Learning Disability program design, depending on that districts needs.

The most common approaches include:

(1) Learning Resource Room—Children leave the regular class room for approximately one hour or more per day, to visit the Learning Disabilities teacher for remedial exercises designed to fulfill specific educational needs. This combined effort of building staff creates a total individualized program.

(2) Learning Disabilities Consultant Program—The Learning Disabilities Consultant prepares specific educational diagnostic assignments which are administered by the classroom teacher.

(3) The last and least used approach is the self-contained Learning Disabilities Classroom, where approximately 10 students stay with the Learning Disabilities teacher for the entire day. Here too, each child is taught according to a diagnostic individualized plan.

Through careful evaluation and observation, the school staff, as a team, working with the parents strive to offer a program where children learn in an environment which includes success combined with challenge, based on each child's unique learning style.

Georgia Planners Cite Former Chelsea Girl

A former Chelsea resident was named to receive the first annual associate award from the North Georgia Area Planning and Development Commission headquartered in Athens, Ga.

Bonnie Riechert, the former Bonnie Parnell, was presented the appreciation plaque at the commission's recent annual meeting at the University of Georgia Center for Continuing Education.

Clint Lane, executive director of the NEGAPDC, said the award was established to recognize a person in the local news media for communications in Northeast Georgia.

Mrs. Riechert, state news editor at The Daily News in Athens since September 1974, was a 1939 honor graduate at Chelsea High school where she served as editor of the school newspaper and literary art magazine. She is the daughter of Mr. and Mrs. R. D. Parnell of Cherokee, Ala., formerly of Chelsea.

She attended Freed-Hardeman College in 1989 and served as news editor of The Eufaula Tribune in Eufaula, Ala., in 1972 and 1973. She also attended the University of Georgia School of Journalism in 1974 and was a 1974 recipient of the Georgia Press Association Educational Foundation Scholarship.

Mrs. Riechert is a member of Sigma Delta Chi, the national society for professional journalists, and is married to Arthur M. Riechert, Jr., of Atlanta, a senior majoring in animal science at the University of Georgia.

CRIME AND DELINQUENCY

The United States, with the highest crime rate in the world, has the harshest laws and the longest sentences, according to the National Council on Crime and Delinquency (NCCD), a member service of the United Way of Michigan. NCCD also says that 56 percent of the people in jail are awaiting trial and that 200,000 children are in jail for offenses for which an adult would not be incarcerated.

Who pays for living expenses (elsewhere) while they repair your home?

Most policies provide the coverages you expect—fire, lightning, storms, riots, vandalism and the like. They cover the cost of repairs due to these losses. But have you thought about the cost of living elsewhere if your home has to be repaired or rebuilt? It could run into hundreds of dollars. Or, it could be covered in black and white in our Homeowners Policy, so we would pay those extra living expenses! Give us a call. We'll put your home insurance all together in one policy for convenience and saving's sake.

Modern Mothers Receive Lessons In Arts, Crafts

For their meeting of March 9, Modern Mothers Child Study Club met in small groups to learn an art or craft. Demonstrating the art of quilting was Gloria Greenleaf. Her group met at the home of Sandie Mayer, with Virginia Meyer as co-hostess, and made memory boxes. These were made from a small wooden box which was stained and then decorated with quilting, straw flowers, moss and a cornhusk doll.

Marilyn Chasteen was hostess and Sue Kait co-hostess for a lesson in basic drawing. Mary Koulam, who is the art teacher at the elementary schools in Chelsea, taught techniques in simple line drawings. Each of the group then made a still life drawing in charcoal emphasizing the texture and shading skills demonstrated by Mary.

Cake decorating is Judy Radant's specialty and her demonstration was at the home of Pat Coglius, with Jan Grenier as co-hostess. Judy had each of her group practice and experiment with the different decorating tips and then put their new skills to use in decorating their own cakes.

On March 10 a group met at the home of Barbara Brown for a gourmet meal prepared by Loren Hall and her assistants, John and Ellen Hall. Mrs. Hall is an instructor at Eastern Michigan University and gourmet cooking is her hobby. Her group enjoyed a five-course dinner along with conversation and gourmet cooking tips with the Hall family.

The next meeting will be March 23 at Lane Animal Hospital. If you've recently made a major purchase, like a car or a boat, you know what a severe dent it can make in your budget. But, if you itemize deductions for income tax, you might be able to get some of that cost back, notes Consumer News, the news letter from the Office of Consumer Affairs. You can deduct the sales tax that you paid on this purchase as well as the sales tax specified in the tax table. To find out more, call the Internal Revenue Service at 769-9850.

Waterloo Ladies Aid Society Meets March 10 at Methodist Home

Waterloo Village United Methodist church Ladies Aid Society met March 10 at the Chelsea Methodist Home for a noon potluck dinner. Eight members and four guests, Mrs. Florence Young and the Rev. and Mrs. George Stanford and Bryan were present. The meeting was opened with prayer by President Elsie Schultz. Roll call was everyone reading a verse from the first book, Genesis in the Bible.

A solo was sung by Florence Stanford, accompanied by Mary Ann Walz. The title, "How Great Thou Art." Devotions were given by the Rev. Stanford, reading from the 19th chapter of Luke. He then spoke on the book "Is Jesus Here?" Cards were sent to the nine shut-ins. The group bought two dozen oven mitts. \$25 was voted to send to earthquake victims in Guatemala.

\$25 was donated toward payment of Paul West's funeral. \$10 was added by the Rev. and Mrs. Stanford. The next meeting will be held April 10 with Bessie Barber. The group closed with the benediction.

ST. LOUIS SCHOOL FOR BOYS was awarded a grant of \$2,000 for furniture and equipment by the Telethon for the Retarded last Thursday. Lima Center Extension Group Receives Lesson On Food, Fact, Fiction

Lima Center Extension Group met March 10 at the Lima Township Hall with Mrs. Raymond Schaefer and Mrs. Harold Sias as hostesses.

The lesson, "Food, Fact and Fiction," was presented by Mrs. LeRoy Feldkamp in the morning. Mrs. Ted Spence opened the meeting in the afternoon with the 20 ladies present repeating the Women's Creed. A letter from W. St. Aubin was read explaining the important developments at Spaulding for Children and thanking the club for its support.

The women again sent their donation to the Washtenaw County Medical Care Auxiliary. Mrs. Paul Tomshany and Mrs. Robert Burby were appointed to the nominating committee. Mrs. Clarence Reddeman and Mrs. Mary Haselswerdt distributed the materials to the ladies who will help make the wall hanging for the township hall depicting the history and development of Lima township to 1976.

The program planning meeting will take place at 10 a.m., March 18 at Briarwood. Women are urged to attend and give their ideas of the type of program they would like for the coming year.

Investigation of School Thefts, Vandalism Urged By Bursley

Today Senator Gilbert E. Bursley introduced a resolution calling for a joint legislative committee to investigate fully vandalism in Michigan's public schools and to make recommendations for corrective action.

Senator Bursley stated, "The increasing intensity of vandalism in the schools threatens serious disruption of the educational process and the safety of teachers and students. The increased violent abuse of property also poses an enormous financial burden on local school systems."

Bursley noted, "It is far from even just a state problem, vandalism as a serious crisis has been recognized by the Congress, the Education Commission of the States and the National Congress of Parents and Teachers."

Bursley indicated that an estimated \$600 million is lost annually through vandalism, arson and theft in schools. "These funds are desperately needed to fund educational programs."

"In Detroit alone in a one-year period over \$1,000,000 was lost due to destruction and theft of school equipment. In Grand Rapids the cost was \$110,000."

Legislators, school administrators, teachers, parents and students must actively participate if an effective program is to be developed to cut the violence and vandalism in the schools."

Home Companion Service Offered

Are you sharing your home with an elderly person and need time to shop, run errands, be alone, go to church, see a movie? Child and Family Service of Washtenaw County has developed the Home Companion Service as a way of helping families who have a 24-hour responsibility for an elderly person whom they are unable to leave alone. The service is primarily designed to provide a companion for short periods, typically a few hours up to a day. Payments will be arranged between the family and the companion. If you have a need for the service or would like to be a companion arrangements can be made by calling Child and Family Service of Washtenaw County on Tuesday and Thursday between noon and 4 p.m. Call 971-6320 and ask for the Companionship Coordinator.

Wrestler of the Week

WRESTLING HEAVYWEIGHT for Chelsea High school's varsity grapplers is Tom Bareis. Tom, a freshman on the team weighs in at 205 pounds and stands six feet tall. For a young wrestler with no previous experience Tom's posted record of 18-5 is excellent. Asked how he achieved such a fine record, Tom's brief comment, "with hard practice." And with a little insight into the weights of most of his opponents, which hover around 250, Tom's record is astounding. In the fall he was a member of the football team, a sport he says he prefers over wrestling. He likes the "hard hitting" and the fact that "you don't have to rely on yourself so much," as you do in wrestling. Next year Tom plans to go out for both sports. The son of Mr. and Mrs. Oscar Bareis, Tom has a twin brother, Tim, and a sister, Susan, who is 10 years old.

Dexter, Chelsea Faculty Cage Teams Play Friday

Chelsea and Dexter school faculties have put together basketball teams for an all-out demonstration of expert ball handling in a game beginning at 7 p.m., before the Dexter Jaycee-Texas Cowgirls tilt, on Friday, March 19. The games will be held in the Dexter High school gym with the Cowgirl game following the Dexter-Chelsea game.

Because of the expense of bringing in the Cowgirls, the Jaycees must sell at least 700 tickets prior to the game, notes a spokesman. These tickets, at lower prices, may be obtained at McLeod's Pharmacy in Dexter, Dexter High school, Wylie Middle school and from any Dexter Jaycee. Tickets will also be sold at the door. All proceeds from the game will go to the National Institute of Burn Medicine at the University of Michigan.

Chelsea faculty members playing in the pre-game tilt are Paul Terpstra, Bert Kruse, Randy Johnson, Bill Wescott, Scott Foster, Jim Winters, Rick Headlee, Chuck Kelly, Ken Larson, Dennis Andarjese, Jim Tallman, Sam Vogel, Dave Nicewicz and Charles Walker.

Dexter's cagers will be Greg Briggs, Russ Lennemann, Dave Millar, Lee Knapp, Duane Clark, Frank Fredericks, Al Ritt, Paul Cousins, Gerald Woolfolk, Jim McCormack, Dave Lowe, Ed Arbour and Harry Parks.

Ortbring, Johnson Add Zip to WCC Baseball Team

The names of freshman Todd Ortbring and Perry Johnson head the list of newcomers on the Washtenaw Community College Warriors.

The Warriors, WCC's baseball team, will open their 80-game schedule on March 19 when they play Chattanooga State Community College in a double-header. The Warriors have scheduled 16 games on their southern trip.

Ortbring, of 705 W. Middle will play in both pitcher and outfield positions. Johnson, of 550 Howard Rd., will hold down first base as well as pitcher. Both newcomers should see a lot of action on the mound.

All home games will be played for the first time at the new Warrior field located on the Huron River Dr. Campus.

The last veteran of the Indian Wars died in 1973, according to records of the Veterans Administration.

Thank You Received for Gift of Funds from Thanksgiving Service

A letter addressed to the Christian people of the Chelsea community in care of the Rev. John Morris recently arrived here to thank the community for \$59.15 designated for relief from world hunger. The money was half of the collection from the Community Thanksgiving service held last fall.

Betty R. Nute, secretary for special gifts, Lutheran World Relief, said in her letter to the community, "We accept with joy the gift from your community Thanksgiving offering. As we think of our nation's first Thanksgiving, we gave thanks for having survived the terrible hardships of their first year, for the chance to work, to care for their families and to till the soil."

Spring Recreation Classes All Start Week of March 29

With spring comes a new slate of adult and children's classes offered through the Chelsea Recreation Council. According to Council Director Holly Porter, the number of courses has been kept low because of past experiences which determined that area residents prefer to spend the warmer months out of doors.

New among the spring 1976 courses will be a course in Tae-Kwon-Do, (Korean Karate) and another in framing.

Classes will begin the week of March 29 and continue for seven or eight weeks depending on the course. Mrs. Porter noted that classes will be suspended for the week of spring break, April 17-23, but will resume following the vacation time slated for Chelsea schools.

The following is a complete listing of the courses, instructors, time, place, fees and course description.

St. Louis Roosters Win State Basketball Title

Congratulations to the St. Louis School basketball team for performance in basketball that led to their winning the 1976 State Championship in the Junior Division. The tournament, a part of the Special Olympics program was held last week-end in Lansing at Holt Junior and Senior High school.

According to Fr. Umberto Mellare, coach of the team, the boys won all three games in tournament play to claim the championship

title. "We are very pleased," Fr. remarked. The group who was accompanied by Run-Dribble and Mr. and Mrs. Pierce, spent the week-end in the Hilton, where they enjoyed swimming in the pool before hitting the courts. Following tournament play a victory banquet was held at the Holt school where gold, silver and bronze medals were awarded. Three boys from St. Louis school were presented with medals for their individual performances in the Run-Dribble-Shoot event. Terry Hinz returned with a gold medal while Ryan Sweeney of Chelsea and Kevin Darley each returned with silver medals. "We had a great time," the Fr. concluded. Lost Cat Reunited With Okemos Family

A healthy looking grey cat named "Sherman" has been returned to the Hopper family of Okemos after being on the stray since Thanksgiving of last year.

According to Carolee Hoffmeyer who called in to report on Sherman's story, the Hopper family lost Sherman while camping over Thanksgiving week-end at Portage Lake. Mrs. Hoffmeyer told that her son, Paul, found the cat Monday afternoon on the family's Orchard St. front porch. Having never seen the animal in the area before, Paul went after him. Catching him he discovered by the cat's collar that he belonged to the Hoppers of Okemos.

Mrs. Hoffmeyer said the family was hesitant to call the Okemos number only because they thought Sherman and the Hoppers might be new to Chelsea or perhaps visiting friends in the area. However, a decision was finally made to call the Hoppers to inquire about Sherman.

A gasp was heard on the other end of the phone when Mrs. Hoffmeyer reached the Hoppers late Monday afternoon. The family said they felt badly about leaving their pet, but after the week-end search for the family pet they had no choice but to return home.

Monday evening Sherman was reunited with his family and Paul Hoffmeyer received a nice reward.

"The moral of the story," Mrs. Hoffmeyer said "is to tag your animals."

How Sherman got to Chelsea from Portage Lake no one will ever know.

In Michigan, persons with epilepsy receive psychological, psychiatric and social services through the Epilepsy Center of Michigan (ECM). The Center, a member service of the United Way of Michigan, also measures their brain waves on an electroencephalograph and does laboratory testing and x-rays. ECM also promotes the employment of persons with epilepsy.

In reading the children in Level 10 read a biography and are going to try and write one about a friend.

The children who have just started in Level 9 are doing quite well. They enjoyed reading a story about an Indian boy who wanted a special name. The children had fun finding hidden animals in one of the pictures from the story.

In Level 8 the children just finished the story about Bert's Berries and would like to put on a short play.

The children reading in Level 7 are making good progress and are just about ready to start in Level 8. They just finished reading a story about a little boy who tried to trap a monster. They especially liked the house that he had built for his monster.

For science the children have been discussing the different fuels. They each discovered how their own homes are heated. They also discussed the energy which a burning fuel release. Presently, the children are studying light energy as a result of electricity.

Birthdays this month: Dan Degener and Bill Ryan.

Teacher: Mrs. Lopez

In science class we are learning about the Universe. We have read, done reports and drawings of the moon, sun, and earth. All the children learned much from the slides and displays by the National Bicentennial Project. We have a special Bicentennial Bulletin Board in our classroom, and have had filmstrips telling us about our flag and nation.

In health class we are learning the proper way to care for our teeth. We have also learned that the rest is important if we are to keep healthy during the winter months.

A special thanks to our room mothers and all who helped make our Valentine party lots of fun. Happy Birthday to: Judy Coppertoni who is our February Birthday Girl!

Wind Power May Help Produce Electrical Power

Michigan State University researchers have learned that cities like Hart, located on Michigan's west shoreline, have great potential for utilizing wind power for the generation of electricity.

After the first year of the research project, the MSU engineers see Hart, with a population of 2,500, as a useful laboratory for further wind energy conversion research, with findings especially applicable to other communities with small municipal power systems in areas with high wind energy.

Supported by a National Science Foundation grant, the MSU researchers studied wind data, checked environmental impact, and did a preliminary analysis of the economic and technical feasibility of interfacing the wind power with the existing electric system.

Converting wind energy to electrical power is a complex technology, the MSU researchers caution. Cost-effective utilization of wind energy for producing electricity on an economic scale holds many challenges for engineers and scientists, they say.

Q. Who makes the biggest van?
A. Dodge. The Dodge Tradesman Maxivan is the biggest van in the business. It gives you 18 extra inches of overall load length to work with.

Q. Which van got the best gas mileage?
A. Dodge. 26 MPG on the highway. 18 in the city. Estimated EPA mileage for a '76 Dodge Tradesman Van (225/6 cyl. engine, manual transmission). Actual mileage depends on driving you do, driving habits, truck's condition, optional equipment.

Q. Which van carries the most?
A. Dodge. The Dodge Tradesman Van weighs less and can carry more than any other van. On comparable models, it weighs 524 pounds less than Ford. And 140 pounds less than Chevy. A lot less weight that can add up to a lot more cargo.

Cooking the Key to Tasty Beef

All cuts or grades of beef available may be made tender, juicy and delicious. The key to success, according to Dick Posthumus of the Michigan Beef Industry Commission, is proper cooking procedures.

Tender steaks, one inch or more in thickness, including rib eye (Delmonico), T-bone, Porterhouse, Sirloin and filet mignon (Tenderloin) should be broiled at moderate temperature to desired doneness. If they are less than one inch thick or come from young beef, you may want to pan-broil or pan-fry these cuts instead.

Less tender cuts, including chuck, round, and rump are best braised as pot-roasts or steaks. They also may be cooked in liquid as may other less tender cuts such as shank, brisket and stew meat.

Large cuts of rib, rump, sirloin tip or round may be roasted at the traditional 300 degrees to 325 degrees F until meat thermometer registers proper doneness.

If it is allowed to set for about 10 to 15 minutes it will continue to cook. So allow for about 5 degrees on the meat thermometer if you wish to wait for it to cool slightly before carving.

We know today that beef cooked long and slow will enhance the tenderness. This is largely the theory behind today's "crock-pots." You may also take advantage of this low-temperature cookery with your beef roasts by turning the oven down to around 225 degrees F. (It is not a good idea to go below 200 degrees F, or spoilage could develop.) You will want to have a meat thermometer so you know how done your roast is, especially if this cooking method is new to you. A rough guide for 3 to 8 lb. roasts would be about one hour for the first pound and about 40 minutes for each additional pound.

For solid beef roasts low temperature cooking can do a lot to enhance beef tenderness. For beef loafs and other pre-conditioned beef it is not recommended. Let's take a look at the procedures to follow in various cooking methods.

TO ROAST
Season as desired; place meat fat side up on a rack in open roasting pan; insert meat thermometer; do not add water; do not baste; do not cover. Roast in slow oven to desired doneness.

To Broil
Set oven regulator for broiling; broil meat 2 to 5 inches from heat until top is brown; season and turn meat to cook until done. Serve at once.

To Pan-Broil
Place meat in heavy frying pan; do not add water; do not baste; do not cover. Cook slowly, turning occasionally; pour fat from pan as it accumulates. Season and serve at once.

To Pan-Fry
Brown meat on both sides in small amount of fat. Season, but do not cover. Cook at moderate temperature, turning occasionally until done.

To Braise
Brown meat on all sides in fat in heavy utensil on the range top. Season and add small amount of liquid. Cover tightly and cook at low temperature until tender.

To Cook in Liquid
Brown meat on all sides in own fat in a kettle on range top. Season as desired. Cover with liquid, cover kettle and cook below boiling point until tender. Add vegetables just long enough before serving to be cooked.

CHELSEA VILLAGE COUNCIL PROCEEDINGS

February 17, 1976
 Regular Session.
 This meeting was called to order at 7:30 by President Pennington. Present: President Pennington, Administrator Weber and Clerk Neumeyer.
 Trustees Present: Borton, Dmoch, Galbraith, Johnson, Rowe and Wood.
 Others Present: Police Chief Meranuck, Planning Commission Representative Belsor, Walter Brown, JoAnn Oesterle and Doug Oesterle.
 Parking on East Summit Street was discussed. Police Chief Meranuck recommended to leave the parking on East Summit Street as it is. No action was taken on this matter.
 Trustee Dmoch reported a complaint of citizens of Butternut Court about an illegally parked car. Chief Meranuck will look into this matter.
 Motion by Rowe, supported by Wood, to approve a petition of Donald Thompson for adding Denise Thompson as a partner in his application for transfer of classification of his 1976 Tavern License to a Class C license to be held in conjunction with the existing S.D.M. license. Roll call: Yeas all. Motion carried.
 Administrator Weber gave a preliminary report on a State Uniform Criteria for Major Streets Report. Administrator Weber read a report from the Michigan Department of State Highways and Transportation regarding an inspection held on February 3, at the Penn Central Crossing at Freer Road. This report gave a summary of action so far and delayed action until more research has been completed in the summer.
 Treasurer Wallace Wood recommended that the tax bill for Jackson Ice Company be removed as there is no such property located now in the village.
 Motion by Dmoch, supported by Rowe, to remove the personal property tax bill for Jackson Ice Company as per the treasurer's recommendation. Roll call: Yeas all. Motion carried.
 Clerk Neumeyer reported that Mrs. Betty Bust, Mrs. Louise Kusterer and Lee Ferguson have been appointed to serve as election inspectors for the village election scheduled for March 8, 1976.
 Trustee Johnson reported on the joint meeting with the Planning Commission held on February 10, 1976.
 Trustee Rowe reported that the fire truck is due to be delivered in August 1976.

Trustee Dmoch gave a legislative report.
 Trustee Galbraith reported that the Recreation Council has filed for a Federal Grant for a Community School Director.
 A letter was received from the County Tax Allocation Board reporting that \$197.30 was remitted by them to Bushnell Apartments for a tax over-payment and requested reimbursement.
 Motion by Borton, supported by Rowe to reimburse the County as per their request. Roll call: Yeas all. Motion carried.
 Administrator Weber reported that Sylvan Township has approved the proposed Sewer Study Plan Area and also has approved the sum of \$500.00 to help defray the cost.
 Motion by Galbraith, supported by Wood, to authorize payment of bills as submitted. Roll call: Yeas all. Motion carried.
 Motion by Dmoch, supported by Rowe, to adjourn. Roll call: Yeas all. Motion carried. Meeting adjourned.
 Thomas Neumeyer, Village Clerk.

Freedom, Dexter, and Lyndon Townships in Washtenaw County; and Waterloo Township in Jackson Co. were discussed.
 A tentative budget for the fiscal period ending February 28, 1977 was discussed.
 Motion by Wood, supported by Johnson, to continue spending for the fiscal period ending February 28, 1977 not to exceed the present rate of expenditure. Roll call: Yeas all. Motion carried.
 Motion by Galbraith, supported by Rowe, to adopt a resolution designating Frederick A. Weber, as Street Administrator for the Village of Chelsea in all transactions with the Michigan Department of Highways and Transportation, pursuant to Section 13E of Act 51, P.A. of 1951. Roll call: Yeas all. Resolution adopted.
 A letter was received from the County Road Commission stating that the contractor will be responsible for repairing Old Manchester Road.
 A letter was received from the Chelsea School District opposing the proposed sewer rate increase.
 A letter was received from the Chelsea Recreation Council thanking the council's representatives, Trustees Galbraith and Dmoch, for their efforts while part of the Recreation Council.
 Administrator Weber reported on a meeting he attended with a DNR representative and the Lima Township Board. Lima Township refuses to approve the sewer study area as it is presently proposed by the DNR. Approval by Lima Township is necessary for the Step 1 Sewer Grant.
 There was discussion of the Recreation Grant Application.
 Motion by Galbraith, supported by Wood, to appropriate \$10,900 as matching funds for development of the proposed Outdoor Recreation Center which is to be located west of the Chelsea Fairgrounds on Old U S-12. Roll call: Yeas all. Motion carried.
 Motion by Rowe, supported by Galbraith, to pay bills as submitted. Roll call: Yeas all. Motion carried.

Whitmore Lake Youth Charged as Disorderly
 A Whitmore Lake youth was arrested by Chelsea police last Friday evening on disorderly person charges in front of the Pub Bar on Main St. The arrest came after officers had observed him in a scuffle inside the bar. Officer Roger Graves said the youth was charged after police requested he calm down and return to the station with them to discuss the incident. When the youth strongly resisted he was arrested.
 He was taken to the Chelsea police station where he was released into the custody of his mother.
 The case remains open pending a petition from juvenile court.

NORTH ELEMENTARY SCHOOL NOTES

We began a new unit in Health and are studying the different parts of the body and their functions.

FIFTH GRADE—
Teacher: Mrs. Clark
Reporters: Amy Hurst, Mike Galbraith

This week, Claudette's Mother, Mrs. Kenneth Bucholtz, is coming in to teach us how to do macramé. She is doing this as a Bicentennial project. We would like to thank Abby's Hobby House for donating the jute and rings.

We have a new girl. Her name is Susan Leschinski.

Mrs. Clark brought in her gerbils and they are very interesting.

We have a Science, plant, and recording center.

Teacher: Mrs. Crouch
Reporters: Jeff Haist, Wayne Smith

This year we sent a "Happy Birthday America" card to President Ford, and he sent a letter back to us.

Mrs. Stoll is our new student teacher. Mrs. Crouch had a birthday this month. We have class meetings every Monday.

Our class is doing pictures out of stichery. All three fifth grades are learning to square dance.

We have been studying newspapers and making scrapbooks.

In health, we are studying the human body. Our music teacher is having a music program Feb. 12.

The library has just opened in our school.

Brent Martin made a bird feeder for outside our school window. So far no birds have visited.

Teacher: Mrs. Mortenson
Reporters: Melanie Lee, Ernest Bristle

On Wednesday, Jan. 28, we all got report cards. In art we are using primary colors. In gym, we are practicing basketball so we can challenge South school. In music we are practicing songs for Valentine's program and Bicentennial year.

Every Wednesday 9 to 10, we have square dancing.

Our class alone is doing a hot lunch program to find out how much food is being wasted by counting it. David Kies is our counter and Melanie Lee puts the count on a chart.

We hope you have a good year and lots of fun.

Teacher: Mrs. Stuermer

We have had three birthdays in our class this month. Kevin Marshall, Mark Mull and Steve Blough. We enjoyed Bicentennial activities Feb. 10. We are looking forward to an assembly on Thursday, Feb. 12, and also our valentine party.

We are excited about beginning the transition to cursive writing. We have been learning more about the value of sets of coins.

The Veterans Administration forecasts the nation's veterans population will peak at 29.7 million in fiscal year 1979.

At a regular meeting of the Chelsea Board of Education held Monday, March 15, present were day, March 15, present were President Daniels, Trustees Irwin, Scharfer, Tobin, Hodgson, Stirling, Superintendent Cameron and Business Manager Mills. Guests present were William Chandler, Charles Kelly, Ken Tillman, Gary Roderick, Mr. and Mrs. Tom Snyder, Joe Rossi, Mr. and Mrs. J. Harmon and Donald Harmon, and George Palmer.

The meeting was called to order at 8:40 p.m. by President Hasel-schwardt following the public meeting to discuss the millage request.

The minutes of the meeting of March 1 were approved as presented.

William Chandler presented the Student Council proposal for a smoking area at the high school. After considerable discussion, the board rejected the proposal.

George Palmer discussed Career Education with the board. Palmer is the Chelsea lay representative on the Washtenaw County Career Education Advisory Council. Ken Handwerker, Washtenaw Intermediate School District consultant on Career Education will be invited to attend the April 5 meeting to discuss Career Education with the board.

The board accepted, with regret, the resignation-retirement of Mrs. Evelyn Haab, effective at the end of the school year.

Supt. Cameron reported on the results of the Band Festival competition. (See story elsewhere in the Standard.)

The board went into executive session at 10:15 p.m. The meeting was called back to order at 11:20 p.m.

Payment of 1974 Building and Site bills totaling \$150,202.08 were approved.

The board voted to retain the firm of Curtis, Bailey, Exelby & Sposito, CPA's to conduct the annual audit of 1975-76.

Meeting adjourned at 11:40 p.m.

Women's Basketball Team Looking for Next Year Sponsor

The women's basketball team of "The Spirit of '76" won a big victory, 20 to 19, over Leo Ping Tuesday night in Ann Arbor.

The game was tough but the girls kept their cool all through the game. At the half the score was 13 to 7 in favor of Leo Ping.

The third quarter was the team's best with a total of eight points scored. Leading to victory was Char Steinaway with seven points, Joann Alber four points, Kathy Phinney four points, Nancy Porath two points, Cherie Strozler two points and Marcie McGibney one point.

Other members of the team are Brenda McGibney, Alfretha Harrison, and Marlene Rainey.

"The Spirit of '76" remains undefeated and has a 5 and 0 record. The team is looking for a sponsor next year for volleyball and basketball. If interested, phone 475-1963 and ask for Kathy.

Girl Scout Cookie Sale Profits Hit All-Time High

The highest profits in Girl Scout Cookie Sale history have been recorded by Chelsea Girl Scouts this year according to Mrs. Jerry Satterthwaite, 1976 cookie chairman.

Profits totaled \$221,190 for the entire Council, up 21 percent over those of last year's \$182,500. Of this total, Council board of directors has allocated \$1,322.40 to Chelsea Girl Scout Troops for their own projects such as community service work and other troop activities. The balance will fund council camping scholarships and maintenance of camp facilities and office and general operations of the organization.

"Every girl in Chelsea has worked very hard to give her troop extra profit this year," Mrs. Satterthwaite said. "Those extra dollars mean that more Girl Scout activities will be seen in the community this year."

More than 7,000 Junior Cadette and Senior Girl Scouts in Washtenaw, Livingston, western Wayne, and northern Monroe counties took part in the council-wide sale. Brownie Girl Scouts do not participate in the product sale.

"We are pleased to record an increase in profits," Mrs. Satterthwaite told in announcing sale results. "However, total sales were not as high as we had hoped. Due largely to the price increase of 25 cents per item, total sales were down from 8,592 items sold last year to 6,612 items this year. But of course, this same price rise boosted the amount of profits staying with the Chelsea troops."

New Nursing Program Being Started at MSU

Michigan State University's School of Nursing will develop a graduate program for family nurse clinicians under a \$428,700 grant from the W. K. Kellogg Foundation.

The first of its kind in the state, the new program will focus on the nurse clinician's role as a health care provider.

Delays Possible Sunday on I-94 at US-23 Intersection

Motorists on eastbound Interstate 94 just east of US-23 near Ypsilanti will encounter delays of up to one-half hour next Sunday, March 21, the Department of State Highways and Transportation announced today.

The delay will be caused by erection of steel over the I-94 Freeway at the US-12 interchange, now under construction. Work will begin at 7 a.m. and cease at 3 p.m., leaving the freeway clear after working hours. The westbound I-94 lanes will not be affected.

All motorists with scheduled airline departures at the Detroit Metropolitan Airport are advised to seek alternate routes or make allowances in their road travel time to the airport for the possible delays.

SPECIAL SCHOOL ELECTION

Notice of Special Election of the Qualified Electors of Chelsea School District

Washtenaw and Jackson Counties, Michigan

to be held

MARCH 22, 1976

To the Qualified Electors of Said School District:

Please Take Notice that a special election of the qualified electors of Chelsea School District, Washtenaw and Jackson Counties, Michigan, will be held in the Large Group Instruction Room of the Dwight E. Beach School on Monday, March 22, 1976.

THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK, A.M., AND CLOSE AT 8:00 O'CLOCK, P.M.

The following proposition will be submitted to the vote of the electors qualified to vote thereon at said special election:

MILLAGE RENEWAL PROPOSITION

Shall the limitation on the amount of taxes which may be assessed against all property in Chelsea School District, Washtenaw and Jackson Counties, Michigan, be increased by 13.5 mills (\$13.50 on each \$1,000 of state equalized valuation) for a period of 5 years, 1976 to 1980, inclusive, for the purpose of providing additional funds for operating purposes (this being a renewal of 13.5 mills for operating purposes which expired with the 1975 tax levy)?

All school electors who are registered with the city or township clerk of the city or township in which they reside are eligible to vote at this election.

I, Hillary E. L. Goddard, Treasurer of Washtenaw County, Michigan, hereby certify that, as of February 6, 1976, the records of this Office indicate that the total of all voted increases over and above the tax limitation established by the Constitution of Michigan, in any local units of government affecting the taxable property located in Chelsea School District, Washtenaw and Jackson Counties, Michigan, is as follows:
