North School Additions Seen At Open House

North Elementary school used the opportunity of the Spring Art Fair, Monday, April 12 to show off their newly completed construction and the renovated classrooms.

Eighteen classrooms, six special classrooms, one Media Center, and the cafeteria were on display. Of these, nine classrooms, three special rooms, the Instructional Media Center, the cafeteria and several hallways were added to complete the building, bringing everything under one roof.

Programs presently offered at North school in these facilities, in addition to kindergarten through 5th grade, include art, music, physical education, remedial reading, learning disabilities, pre-school reading education, and a tutorial program by parents called the Bucket Brigade.

On exhibition was art work of all children from kindergarten through 5th grade. This included

charcoal drawings, landscapes, design motifs, tempera painting, string painting, print making, crayon resist, wildlife sketches, weaving, mobiles and engravings. Class work of the children was on display in the classrooms and hallways, and included written work, dioramas and charts on various subjects. One of the more popular subjects this year is the Bicentennial and there were many projects recalling the 200th anniversary of our country's founding.

North school has an enrollment of 480 pupils. Eighty percent or more of the children were represented by their families at the Open House. All teachers were on hand to greet the parents.

Coffee, punch and cookies were furnished by the room mothers in the new cafeteria. Mrs. Barbara Branch was in charge of the refreshments and was ably helped by many of the room mothers.

Easter Egg Hunt Set For Saturday

One hundred dozen eggs have been colored and will be planted in the grass at the Chelsea High school football field this Saturday, as the Chelsea Jaycees host their annual Easter Egg Hunt.

Area youngsters, pre-schoolers through second grades are invited to participate in the hunt which will begin promptly at 10:30 a.m. at the high school.

Parents are asked to make sure that each child has a basket or bag in which to collect the eggs. Prizes will be awarded for "special" eggs collected by children in each age group. However, the Jaycees are not letting on which eggs are "special." That will be a surprise, according to Jaycee president, Mitchell Zink. Presenting the prizes to the children will be none other than the Easter Bunny himself, who makes a special appearance in Chelsea every spring.

Chairing this year's hunt are Mike Winkler and Bob Meyers.

Marijuana, Cash Taken In Robbery

Chelsea police are investigating an armed robbery which occurred in the Village last Thursday afternoon, April 8, at the home of Ralph Gordon Heim of 513 S. Main St.

According to Heim the robbers got away with \$392 in cash and 13 one ounce bags of marijuana.

Heim told police that he and two friends were in the living room of his home when two men were admitted to the house to purchase marijuana. Heim said he did not know the pair, but they were referred to him as customers by a friend.

Conversation ensued and one of the subjects asked where the bathroom was. Heim told him it was upstairs. Momentarily, he returned and pulled out a pistol saying to

Richard Harvey Named To Head Chelsea Bicentennial Celebration

Richard Harvey, office manager for the village, has assumed the position of general chairman, Chelsea Area Bicentennial Celebration. The position was formerly held by Wallace Wood who will continue to serve as president of the Chelsea Area Bicentennial Celebration Corporation.

Harvey said that he was very pleased to be asked to assume the general chairman job. A life-long resident of Chelsea, he deeply believes that this Bicentennial celebration should be "one we are going to remember for the rest of our lives. We have a heritage to be proud of here; we'll try to look to the future and at the same time thank God for the blessings he has bestowed on our community and its people in the past."

Until named to the general chairmanship, Harvey held the position of corporate treasurer for the celebration. He has been involved together with Weldon Harbaugh, Betty Koch, Paul Mann and Rolly Spaulding in the organization and planning of Chelsea's Bicentennial celebration since its inception last August.

Barbara Fredette has been appointed as the new treasurer for the corporation. Mrs. Fredette has assisted Harvey in the treasurer's position now for many months.

Wally Wood remarked that he is pleased to see Harvey assume the position. "I have worked very closely (with him) on all aspects of the celebration and I am very pleased that Dick has accepted the job as our celebration chairman. He is very knowledgeable about our upcoming festivities."

Wood, who has been working hundreds of hours since last August in his dual role of corporation president and general chairman, has

completed the difficult and tedious part of the celebration, organizing and planning that goes on behind the scene before the community is really aware of what actually is taking place. "We owe Wally a large note of thanks for his work," commented Harvey. He continued, "It is not an easy task to complete the corporations requirements, secure chairpersons for 63 committees, locate headquarters and office persons."

Chairmen of Chelset's celebration are working closely with the neighboring communities of Dexter, Manchester and Saline through the affiliation with the Western Washington County Bicentennial Commission. The Commission was created as a consolidated effort involving 17 townships which compose the western part of the county.

The WWCBS was incorporated last July and organized under the co-chairmanship of Dexter attorney

Leonard Kitchen and Chelsea area resident, Rolly Spaulding. Spaulding is probably best remembered by area residents for his general chairmanship of the 125th Anniversary held here in 1959.

Each of the above mentioned communities together with the Commission, have contracted the services of the John B. Rogers Co. of Fostoria, O. Representative Bob Rockwell, who in his years with the Rogers Co. has managed celebrations for the entire state of Montana, has moved to the area to work with area residents through the conclusion of the celebration in August.

Commenting on the in-progress events, Harvey enthusiastically said "Our Bicentennial Celebration is ready to go. Let's make it outstanding. You do your part and I assure you that Wally Wood, the more than 100 people currently involved and I will do ours."

Churches Plan Special Easter Week Services

Most area merchants will close their businesses this Friday from noon to 3 p.m. while area residents observe Good Friday attending worship services at the church of their choice.

"Personalities Around the Cross" is the theme for the community Good Friday worship service to be held from 1 to 2:30 p.m. in the sanctuary of the First United Methodist church. According to the pastor, the Rev. Marvin H. McCallum, six different messages will be explored. The Rev. McCallum said that each church formally participating in the community worship is responsible for part of the service.

Participating will be the Rev. Ralph Ratcliff of St. Paul United Church of Christ, the Rev. McCallum of First United Methodist, the Rev. T. R. Thodeson, formerly of the First Assembly of God, the Rev. Carl Schwarm of First Congregational, the Rev. Ira Wood of the United Methodist Home, and the Rev. James Stacey of the Chelsea Baptist church. Assisting with the service will be the Rev. Richard Courty of the First Assembly of God and the Rev. Carl Asher of St. John's United Church of Christ of Rogers Corners.

The Rev. McCallum said that the different personalities around the cross will be carried out in song, prayer, scripture, music and speech.

Among area churches holding their own Good Friday worship are Zion Lutheran, 1:30 p.m.; Holy Communion and worship; Our Savior Lutheran, 7:45 p.m.; service of worship and Tenebrae, and St. Thomas Lutheran with a 1 p.m. Good Friday worship service.

Easter religious services for many area residents begin with Maundy Thursday celebrations and Holy Communion. St. John's United Church of Christ of Francisco will offer a 7:30 p.m. Communion service for its parishioners. Also holding Maundy Thursday services are the First United Methodist with a 6 p.m. meal followed by a program at 7:45 p.m.; Our Savior Lutheran, Passover supper at 7:45 p.m., followed by Holy Communion; St. Thomas Lutheran, 7:30 p.m. meal; First Congregational, 7:30 p.m. Communion and worship; and St. Paul United Church of Christ service of Tenebrae and Holy Communion at 7:30 p.m.

Easter services begin with Good Friday at Immanuel Bible church. The service will be held at 7:30 p.m. with a choral presentation of which the narration was compiled by Pat Stebbelton. Marjorie Rowe will be at the organ and Shirley Schneider at the piano. The choir will include such numbers as "How Great Thou Art," "I'll Never Be Lonely Again," and "He Belongs to Me." The public is invited to attend.

Easter morning at Immanuel Bible church begins with a breakfast at 8:30 a.m., followed by Family Sunday school at 9:45 a.m., as the entire family will meet together with Neil and Rosemary Whitehead from Jackson who will present a special Easter message with puppets.

Morning worship service will begin at 11 a.m. Robert Schneider will be singing with a ladies trio comprised of Billie, Robin and Shirley Schneider. A special number with bells will be played by Marjorie Rowe with Shirley Schneider at the piano.

The evening service begins at 7 p.m. with the singing of "old favorites" and will be followed by an inspirational film on the Holy Land entitled "Where It All Began." An invitation is extended to all to come and enjoy this fellowship.

Easter Sunday may not be more than just a day for eating chocolate eggs, rabbits and jelly beans for some area children. For the religious minded, however, Easter will be greeted with Sunrise services and Easter breakfasts at many area churches.

First United Methodist will begin with a 7:15 a.m. Easter Sunrise service, followed by an 8 a.m. breakfast. The Rev. McCallum notes that reservations are a must for the breakfast. At 10 a.m. a second Easter worship service will be held.

Breakfast at St. John's United Church of Christ, Francisco, will be served at 9 a.m. Worship with Holy Communion will follow at 10:30 a.m.

Zion Lutheran parishioners will have an early rising Sunday morning if they hope to join in the Sunrise worship at 7 a.m., with breakfast following. A Festival worship with Holy Communion will be held at 10:15 a.m. The entire congregation is invited to view the film "Journey to Faith" at 9 a.m.

Our Savior Lutheran will offer a 6:30 a.m. Sunrise service, followed by a 7:30 a.m. Easter breakfast. Sunday school and Bible classes will meet at 9 a.m. The worship service with Holy Communion will be held at 10:30 a.m.

Sunrise service at St. Thomas Lutheran is set for 7 a.m. Easter breakfast will be served from 8:30 (Continued on page six)

Merchants Association Elects Officers

Members of the Chelsea Merchant's Association elected officers at their Wednesday night meeting, April 7. Elected president was Karen Johnson; secretary, Gino Werdehoff and treasurer, Jeff Fintoft.

Mrs. Johnson, owner of Karen's Boutique, said that as president she hopes to make the Merchant's Association more viable. "I want us to become active in the community."

She remarked that the Merchant Association could begin to use their funds for renovations. "We will meet more than just twice a year. Things need to be done." At the Wednesday night meeting, the group also discussed some of the coming events, merchants will be involved in such as sidewalk sales.

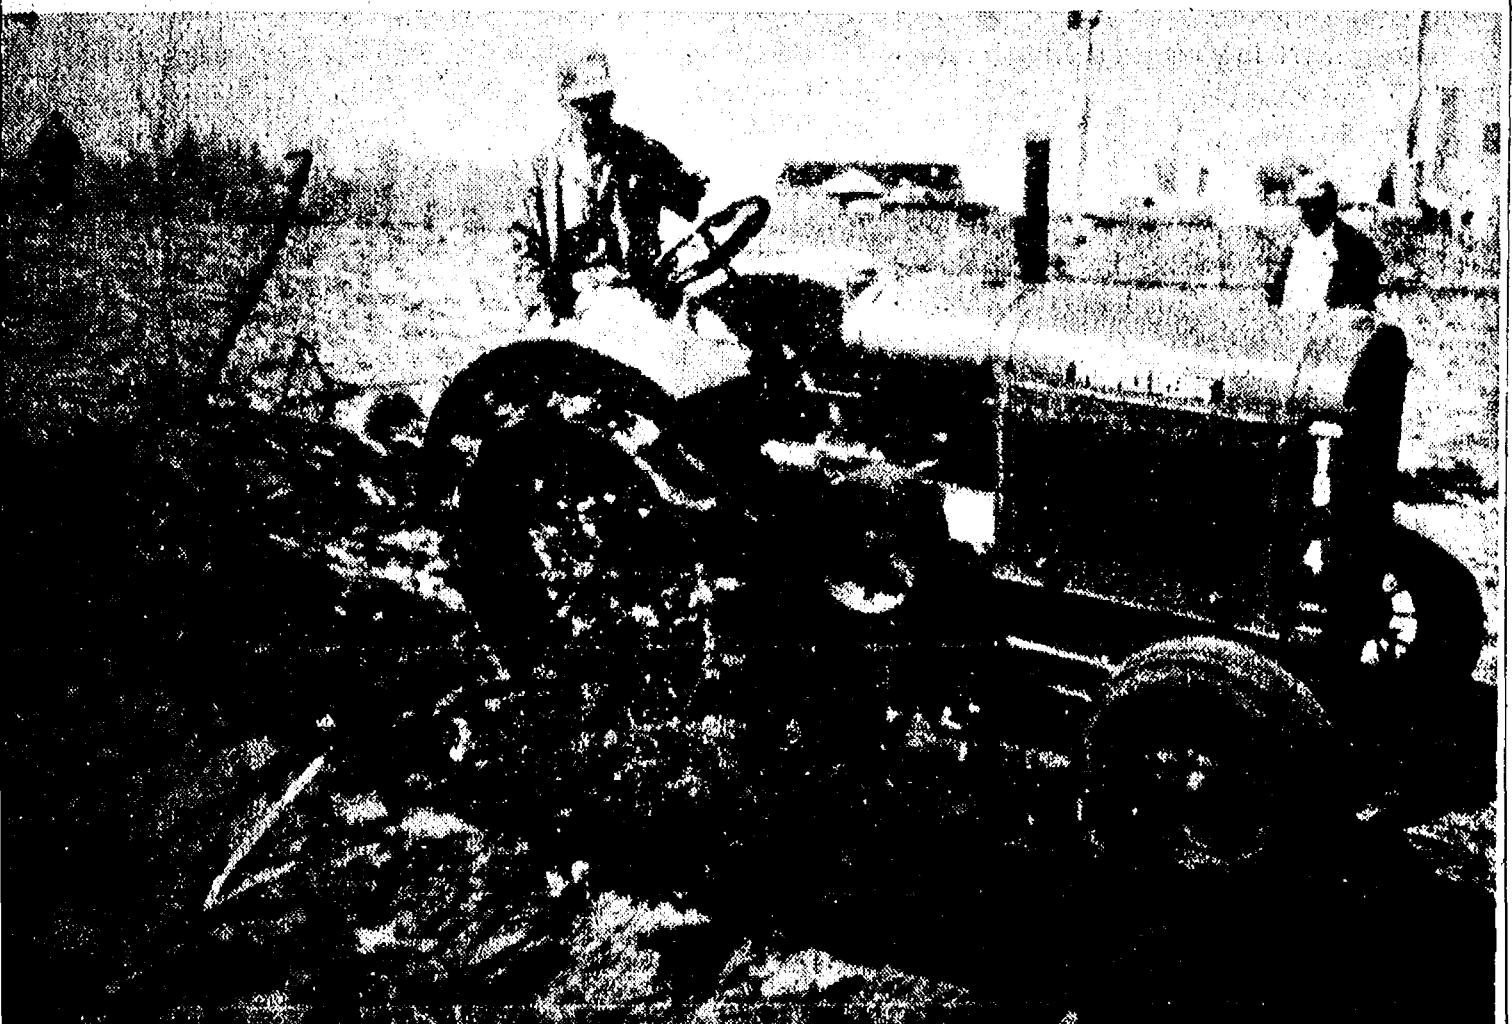

Open House Slated April 28 at CHS

Chelsea High school will host an open house on Wednesday, April 28, for all parents and other interested school district residents.

A general meeting will be held in the auditorium at 6:30 p.m. where maps and schedules may be picked up. The schedule will be your child's report card. Parents will run through a mini-schedule with first hour starting at 7 p.m. Each class period will last 10 minutes with five minutes passing time between classes.

The open house is intended as an opportunity to meet the teachers, see the facilities, and get an idea of the rigors of a teen-ager's day at school. Teachers will explain what is being done and let guests know how and when to contact them if they have questions concerning their child or the students.

Coffee will be available in the (Continued on page three)

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

They say even a blind hog finds a corn on a hill, and I think Bug Hoking dug one up Saturday night during the discussion at the country store. Bug stumbled on a cure for this country's troubles. What we got to do, he said, is go back to eating breakfast.

Bug started with Secretary Kissinger and worked back. When Kissinger was single he had, the world by the tail, Bug allowed. He could calm troubled waters anywhere quicker than Superman could change clothes, and his skill at getting people and nations to

find grounds for agreement was saw as little short of a natural resource.

Back then, declared Bug, he had people to get him up mornings and fix him a working man's breakfast. After he got married, he started grabbing a piece of toast and waiting for Nancy to get dressed to go with him to whatever corner of the world he was scheduled to save that day. And when she started talking to him about all them banquets settling around his middle, you think he cut out barbeques? No sir, he cut out the piece of toast and tried to get by all morning on black coffee. That, said Bug, ain't no way for a man that runs the world to start the day, and the country now is paying for the mistake. Detant is forgot.

So, Mister Editor, if you keep a chart on all the column writers say is wrong with Washington, you'll see they have left out the root of our troubles. Bug said it don't matter if you're going to the office to race rats, to the pasture to fix fence or to Israel to head off a war, you can't do it right on an empty stomach. Fer onct, the fellers was unanimous agreed. It was Ed Doolittle that said if our history has showed us anything, it is that we are what we eat.

With all the bicentennial attention right now, went on Ed, you'd think folks would get the point. The first sign of a man's values, even before you looked at his mules and horses, was the kind of table he set. Whatever we did, from fighting for our freedom to taming the west, we eat first, was Ed's words. What pioneer would of thought of sloshing down his coffee, nibbling a piece of dry bread, kissing his old lady on the run and finishing dressing after he got the saddle on his horse and he was galloping off to build a nation, was what Ed wanted to know.

Furthermore, broke in Bug, it didn't matter what section of the country you were building, breakfast was where you started. We've come around now to pills and powder you pour in milk, and by the middle of the morning we've run out of steam and ambition. A glass of make-believe orange juice, even if it went to the moon, can't make up the loss, was Bug's words.

I see some hope, Mister Editor. I read where on one recent trip, Mrs. Kissinger shopped for a shaving brush for her husband while he was busy giving away jet fighters to keep the peace. At least he don't shave out of a squirt can.

Yours truly,
Uncle Lew.Telephone Your Club News

Application Unique
Inmates at the State Correctional Facility in Muskegon want to help celebrate the Bicentennial along with everyone else.

So they've filed a formal application for "Bicentennial Community" status. The application has been forwarded to the administration of the American Revolution Bicentennial Administration in Washington.

Michigan already has some 260 governmental units and 15 educational institutions with the official designation.

Prison residents involved in the project say they hope to put together a slide program dealing with recent trends in community

corrections involvement as part of their 200th birthday celebration activities.

In addition, they plan a puppet production for area schools and construction of a bicentennial float to enter in Muskegon area parades.

The special bicentennial designation generally is limited to governmental units, colleges and universities and military installations. But Lt. Gov. James Damman, chairman of Michigan's Bicentennial Commission, says the prison application should receive special consideration.

"It is assuredly an indication that these men have a commitment to the bicentennial obser-

vance and want very much to take part in it," he told the national bicentennial administrator.

Chain Warning

Money chains. Whiskey chains. Post card chains. They've all been tried in the past, with little gain for most participants.

The latest type of chain letter-type scheme to come to the attention of Michigan's Department of Commerce involves U. S. Savings Bonds.

Apparently works this way: People are asked to pay for a list of names, then buy two bonds and sell the list to others. There is, of course, the promise of a big pay-off for those who get involved.

The catch: It's illegal. Anyone caught participating in the scheme risks up to seven years in jail and a \$10,000 fine.

"The unfortunate thing is that those who are caught and face the penalties are usually not the perpetrators of those schemes," says Hugh Maken, director of the department's corporation and securities bureau.

"They are really victims, while the culprits have long since taken a handsome profit and disappeared," Maken points out, nonetheless, that anyone who sells or offers one of these chain lists is liable for the full penalty of the law.

"For their own protection, persons who are contacted about taking part in a 'chain bond' scheme should contact us," Maken says. If you're contacted, write: Corporation and Securities Bureau, Enforcement Section, Lansing 48913.

Another Lake Open

"Water Wonderland" adds a new lake—the 11,038th—later this spring with the formal dedication of a 214-acre body of water at the newest Michigan state park.

Lake Ovid, at Sleepy Hollow State Park near Lansing, will be "official" May 20, when the park is opened for public use for the first time. The lake is an impoundment of the Little Maple River, and is only 18 feet at its deepest point.

Day use only, and quiet day use at that, is on tap at the park this year.

Officials say power boats will have to go elsewhere. Only electric motors with less than three horsepower will be allowed.

And, while the lake has been stocked with adult-size bass, northern pike, bluegills and channel catfish, no fishing will be allowed until sometime next year, according to Jon Roethel of the Department of Natural Resources Parks Division.

One other bonus: Folks won't need a motor vehicle permit to enter Sleepy Hollow this year.

Money Disagreement
A numbers battle may be on tap between the Michigan State Chamber of Commerce and those who want to roll back the state

Your 1976 Tax Break

Save up to \$7500 each year, defer the taxes until you retire.

If you derive all or part of your income from self-employment, you can start saving for your retirement and at the same time reduce your yearly income taxes.

All deposits to your plan, up to 15% of your earned income (maximum of \$7500 annually), are fully deductible for income tax purposes. Interest earned is also tax deferred. You do not start paying income tax on your fund until retirement at which time your tax rate will be lower. Your account is 100% vested and individual accounts are insured to \$40,000 with an agency of the federal government.

Make a lump sum deposit or as many as you like - up to \$7500 annually.

You can start your account with a small amount, make additional deposits as often as you like throughout the year and earn 5 1/2% per annum every day your money is on deposit. When your savings reach \$1000 or more you can convert them to a 6 year certificate earning an annual interest rate of 7 1/2% which is an effective annual rate of 8.03%. Or if you make an annual lump sum deposit of \$1000 or more you

can immediately earn our 7 1/2% annual rate and accumulate even more in your tax sheltered retirement account.

The tax shelter can increase your retirement fund substantially.

Funds in a tax sheltered account grow much faster than funds in a non-sheltered savings account.

The chart below provides an example of this difference assuming that you deposit \$7500 on the last day of each year. The second column shows how your interest accumulates with the help of our tax sheltered plan. The third shows how your interest accumulates without the help of a tax sheltered plan and the fourth shows the difference.

AT THE END OF	WITH TAX SHELTER	WITHOUT TAX SHELTER	YOUR GAIN WITH TAX SHELTER
10 Years	\$117,196	\$79,985	\$37,211
20 Years	\$369,703	\$236,083	\$133,620
30 Years	\$913,748	\$556,171	\$357,577

The figures in the above chart assume that the total contribution of \$7500 is made on the final business day of each year, and that the taxpayer is in the 26% tax bracket. The current annual interest rate used is 7 1/2%.

You can start making withdrawals at age 59 1/2. Earlier withdrawals, unless you are permanently disabled, are subject to penalties. Withdrawals must begin the year in which you reach age 70 1/2. Deposits in excess of \$7500 are also subject to penalty.

You can open your retirement account at any Ann Arbor Federal Savings Office.

School Board Briefs

At a regular session of the Chelsea Board of Education Monday evening, present were Haselschwardt, Hodgson, Schaefer, Daniels, Tobin, Irwin, Superintendent Cameron, Business Manager Mills, Principals Lane, Conklin, Wojcik and Benedict.

Guests present were George Palmer, Ken Handweiger, Joe Rossi, Craig Demlow, William Chandler, Barbara Wenk, Linda Hiatt, Lindy Buch, Mr. and Mrs. Gary Roderick, Dr. Virginia Rezmierski, Barbara Clark, Don Umstead and Mrs. Ann Klobucher.

Meeting called to order at 8:35 p.m. by President Haselschwardt. Ken Handweiger of the Washtenaw Intermediate School District spoke to the board previous to the meeting regarding Career Education.

The minutes of March 15, and March 22 were approved as read.

Dr. Reymierski, Linda Hiatt and Lindy Buch spoke to the board about the PREP program recently started in the district. This is a pre-school program for children four years of age, in preparation for kindergarten.

Barbara Wenk and Craig Demlow presented the Science Dept. proposal for the addition of Outdoor Science and Health Education courses to the high school curriculum for 1976-77. Both are to be one semester courses. The board approved the addition of these courses providing there will be no increase in staff members to implement the programs.

Supt. Cameron was appointed as Title IX co-ordinator for the district.

The board adopted the following policy and grievance procedure relative to Title IX.

"The Chelsea Board of Education wholeheartedly supports equal rights for women. The board shall

direct all administrators to insure equal opportunities for women students and employees."

Title IX Guidelines specify that anyone with a complaint against the district in respect to sex discrimination should direct their concern in writing to the building principal or designee. Within 10 days of receipt of this concern, a conference or a written reply will be provided to the person filing the complaint. If a conference is held, a written response will follow within five days explaining the school's position.

The party with the grievance may have five days to appeal their concern in writing to the superintendent's office. The superintendent, or designee, must hold a conference within 10 days of the receipt of the appeal and respond in writing within five days after the conference.

Parties still unsatisfied with the superintendent's disposition of the matter may request a hearing at the next regularly scheduled Board of Education meeting. It shall be the president's right to place the matter on the regular agenda or set another meeting within 30 days for the purpose of hearing the complaint. A final written board response will be provided within five days of the board meeting.

The resignations of Laurie Sanders and Judy Scott effective with the end of the 1975-76 school year were accepted.

The board adopted a resolution that due to the financial condition of the school districts in Special Education Region V (Chelsea, Dexter, Manchester and Whitmore Lake), the number of teachers to be employed for the 1976-77 school year shall be reduced and that notice of termination be tendered to Dr. Virginia Rezmierski, Robert Goyer and Jo Anne Sharpe.

The board adopted the resolution relative to the annual election to be held on June 14 with the polls open from 7 a.m. to 8 p.m.

Two board members are to be elected to four-year terms. Last day to file petitions is May 17, at 4 p.m.

A resolution commending the staff, parents and students of the Beach school who participated in the 6th grade camp program at Mill Lake was adopted.

Bulldog Sluggers of the Week

JIM MARSHALL, senior third baseman for the varsity Bulldogs, says his is a "relatively easy job" on the team. Though he adds, "it can get pretty hot down there." In his two years with the varsity team Marshall has established a batting average as of Tuesday of .333, which he feels is good. He also predicts the Bulldogs will be "up there in the battle" for the '76 conference championship. Jim was a member of the CHS champion football team in the fall and most recently competed with the CHS Forensics team. Plans for the summer include getting a job (any offers?) and playing on a Men's Recreational Baseball team. In the fall Jim will enter the halls of Michigan State University where he intends to study history and perhaps teach at the high school level upon graduation. The son of Mr. and Mrs. Emerson Marshall of 19595 Old US-12, Jim has one brother, Jeff, a sophomore at Central Michigan University.

TIM REED, left-fielder for the varsity Bulldogs, said he has room for lots of improvement not only in the field but at bat. Declining to discuss his early batting average for this season, Tim agreed that he "had not established a strong average as of early season. No doubt I hope to improve." After graduation from CHS this June Tim will accompany his family to their new home in Richmond, Ind. In the fall he will return to attend Michigan State University where he will study engineering. A member of the '75 football team and the '75-'76 wrestling team, Tim's only plans for college sports are to participate intramurally. Tim is the son of Mr. and Mrs. John Reed of 13850 North Territorial Rd.

CHECK IT OUT

Don't be a victim of the cancer quack whose unproven methods, "cures" and "remedies" have spread untold misery and death. The American Cancer Society says don't delay seeing your doctor about cancer.

Status of Women Advisory Committee Seeks Memberships in Chelsea Area

The Washtenaw County Advisory Committee for the Status of Women would like to extend membership to the outlying areas of the county, Chelsea, Dexter, etc. In doing so the WCACSW is asking area women interested in joining the non-profit organization to submit applications.

The Status of Women Committee was formed in 1972 by the County Commissioners to study the needs of women in Washtenaw county and to make suggestions concerning response to those needs.

Since that period the group has held numerous hearings, organized women's groups in the county to participate in the International Women's Year Celebration and has formed task forces on such issues as employment and health care for women.

Alice Mailhot, community liaison for the Status of Women, said that

the group "wants more representation from women outside the Ann Arbor and Ypsilanti areas."

Interested women are invited to attend the group's next meeting Monday, April 19 at 7:30 p.m., room 117-A of the County Building. Entry is by way of the loading dock door.

Status of Women meet the first and third Mondays of each month in the County Building.

Applicants may get further information by calling 994-2400. Applications may also be acquired when the group meets.

GOOD ADVICE

A periodic health checkup including cancer tests may save your life. The American Cancer Society says that early detection and prompt treatment is the key to helping control cancer.

SIMPLE MATH: PROM =/= \$\$\$

At Tice's Men's Shops, we know the cost of going formal to a prom can put a big dent in a fellow's wallet. And, as Ann Arbor's most experienced tuxedo rental service, we don't believe it should be that way.

So we've taken a special group of stylish After Six and Palm Beach tuxedos, 22 different styles and colors, and priced them at only \$24 for prom-goers. To sweeten the deal, two local flower shops will include a corsage and boutonniere free with each tux rental.

We don't think you can rent a good-looking tux for less. So before you spend too much somewhere else, stop by either Tice's Tux Shop locations and see what you can still get for \$24.

He's only 30 and he just bought a \$50,000 life policy.
Sure, a \$50,000 life policy could cost a lot of money...but it doesn't when it's "altogether"! When we say "altogether" we mean Perma-Term—permanent and term insurance combined to avoid those big premiums, but still deliver the big protection young family men need. It means you could have a \$50,000 policy which lets you build up a retirement income at the same time! Yes, Perma-Term's easier on the budget, but please remember that costs go up as you grow older. So give us a call now—before another birthday gets past you altogether!

Mr. and Mrs. Basil Ciaramitaro

Janice Guenther, B. Ciaramitaro Wed Saturday at St. Paul Church

Janice E. Guenther and Basil J. Ciaramitaro exchanged wedding vows Saturday evening, April 10 at St. Paul United Church of Christ. Two hundred guests witnessed the marriage of the daughter of Mr. and Mrs. Elton F. Guenther of 601 Grant St., to the son of Mr. and Mrs. Basil D. Ciaramitaro of Midland. The Rev. Ralph Ratzlaff officiated over the 6:30 p.m. ceremony.

For her wedding to Mr. Ciaramitaro, the bride chose a gown of ivory satin organza. The sheer yoke appliqued bodice was accented with Brussels embroidery at the slightly ruffled high neckline. More Brussels embroidery accented the panel front of her sweetheart empire a-line gown, the sheer lantern sleeves and flounced hem. She carried a bouquet of roses, stephanotis and baby's breath.

The bride's sister, Mrs. Susie A. Ryan of Westmont, Ill., served as the matron of honor. Dressed in a gown of yellow polyester, her costume featured a v-neckline and shirred bodice. The sleeveless sweetheart empire styled gown was complemented with a chiffon capelet.

Bridesmaids were Miss Joan Yocum and Miss Theda Allen, both of Chelsea. They were dressed identically to the matron of honor; however, Miss Yocum's gown was peach in color.

Mrs. Guenther chose a fitted evening length gown of peach, pink, green and white paisley printed guana for her daughter's wedding. Mrs. Ciaramitaro was dressed in a mint green sleeveless gown with a sheer floral jacket.

Michael Ciaramitaro, brother of the bridegroom, was the best man. Ushers were the bride's brother, Randy Guenther, and Casey Engsign. Donald Currie and Jeff Messer served as groomsmen.

The couple greeted 225 guests at a reception immediately following the ceremony held at the Chelsea Rod and Gun Club. Paula Ciaramitaro attended the guest book. Mrs. Dean Guenther and Mrs. Roy

Guenther, aunts of the bride, cut the cake.

Following a wedding trip to Columbus, O., the couple will make their home in Midland.

The former Miss Guenther is a graduate of Chelsea High school where she was a member of the National Honor Society. Her husband graduated from Midland High school.

Planned Parenthood Clinic Services Cut Back By Loss of Funds

As a result of severe federal cutbacks in family planning funds, the Washtenaw County League for Planned Parenthood regretfully announced this week its decision to limit contraceptive clinic services to its Ann Arbor and Ypsilanti facilities.

In the past, contraceptive services had been provided each month to women in Chelsea and Whitmore Lake through funds provided through the County Health Dept. Family Planning Project. With a loss amounting to some \$54,000, patients served at these clinics who wish to continue their care will be transported to the two existing Planned Parenthood locations or referred to private physicians in their communities.

Efforts are underway to contact all patients involved to inform them of the change.

Anyone wishing further information may call Planned Parenthood during business hours at 769-8530 or 482-1644.

She pointed out the fact that a home-like atmosphere prevails making it easier for a child to adjust to the hospital stay. Regular clothes are worn by the children. Volunteers also wear regular clothes. Nurses and doctors wear white slacks and colorful tops to alleviate the children's fear of doctors and nurses. Classroom work, as well as culinary and craft projects are a part of the child's therapy. She stressed the need for stuffed animals, table and tray favors, tray place mats (paper), crayons and laprobes which are used for children to sit or lay on.

Beach Students' Posters Go to National Contest

Four posters submitted by Beach Elementary school students have been sent to California to compete in the national Baskin Robbins 31st Birthday Poster contest. The celebrated ice cream company had its 31st birthday in March and to advertise the occasion a poster contest was held with the theme, "Ice Cream is A Birthday Fantasy."

Seventy-five art students of the Beach school, grades six and seven participated in the contest. The posters were distributed to six Baskin Robbins stores in Ann Arbor, Ypsilanti and Jackson.

Posters selected for national competition are those of Cheryl Dorr, Nancy Ford, Steve Wilson and Rob Schulz. The four received 31 free ice cream cones from the Baskin Robbins store where their poster was selected as a winner.

Another poster worthy of mention for its ingenious design is that of Ralph Machesky.

In the opinion of the students' art teacher, Wendy Wygant, the posters showed a delightful variety of colors, thoughts and design. "It's amazing what clever ideas explode from their (the students') minds," Miss Wygant said.

The Chelsea community can look forward to viewing the art works of other students as the May 25 Art Show at Beach Middle school.

Three Bikes Stolen During Past Week

Three bicycles belonging to Chelsea residents have been reported stolen to village police in the past week. According to Police Chief George Meranuck, spring is the season when many youngsters, anxious to ride their bikes, are negligent about where and how they leave them parked. The result is many a stolen two-wheeled vehicle—and many an unhappy child. Meranuck added that even those who take care to lock their bicycles often find the locks have been cut and the bicycle taken.

Brian Knickerbocker of 226 E. North St., told Chelsea police that his brown Varsity Schwinn 10-speed valued at \$90 had been stolen from the front yard of his home. According to police reports, the youth left his bike in the yard of his home at approximately 9:30 a.m. April 7 and at 3 p.m. that day it was missing.

In another incident last week, Lance Fletcher reported that his Crystal Mark IV 10-speed was taken from the backyard of the family home at 116 Grant St. Fletcher told police the red bicycle was valued at \$190.

A boys gold and yellow Huffy 10-speed belonging to Sharon Donovan of 503 Arthur St., was reported missing to police, one week after its owner said it had been stolen. Miss Donovan told police that the bike, valued at \$60, was parked at the side of Thompson's Pizza Tuesday evening, March 30 while she was inside at work. At 11 p.m. she told police she discovered the bike was missing.

In all three incidents police have no suspects. The cases will remain open pending recovery of the stolen goods.

Advising extreme caution to area residents, Police Chief Meranuck said that all two-wheeled vehicles should be registered with the police. Bicycle owners are encouraged to take caution to lock their bikes when not in use.

Train Blocks All Crossings Nearly 1 Hour

Motorists traveling on Main St. and M-52 Tuesday morning between 10:15 and 11 a.m. were probably fussing and fuming as they sat waiting for more than 45 minutes for the Con-Rail train on the tracks to get moving.

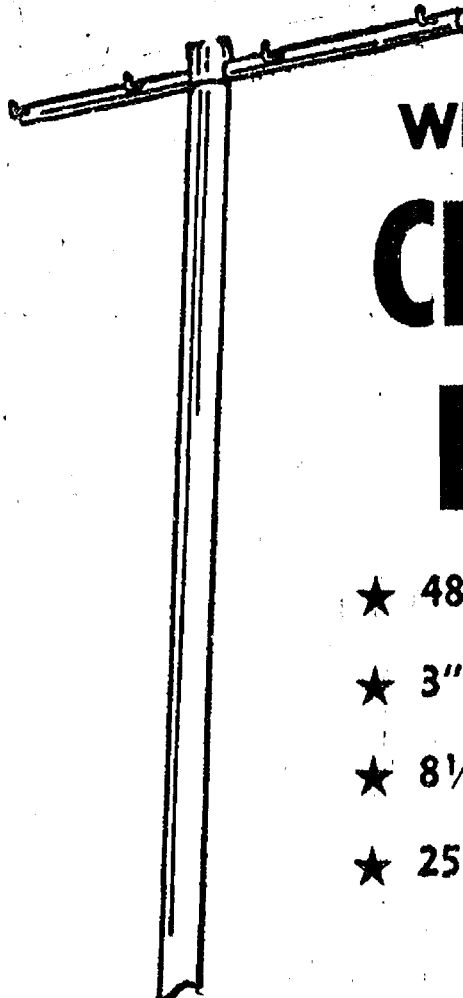

Even those with the bright idea of trying alternate routes such as the Freer Rd., Hayes or Methodist Home crossings found the train an obstacle when they discovered the long train blocking all three crossings.

According to Police Chief George Meranuck who received numerous calls Tuesday morning to ticket the train for blocking crossings for more than five minutes, the cause of the extended stop was a fire in the wheel bearings of both the 54th and sixth car from the rear.

Meranuck said Con-Rail called him at 10:35 a.m. to apologize for the blockage explaining they would be moving once they were able to detach the two cars.

JV Baseball Team Opens Season Against Lincoln

Chelsea High school's 1976 edition of the junior varsity baseball team made its debut Tuesday at home in a league game with Lincoln. This season features 21 games, including two doubleheaders.

Sharing the pitching chores this season are four southpaws. Fresh Gary Dills, with sophomores Jeff Powell, John Daniels and transfer Ken Jenkins, show a great deal of promise for the future.

Don Aldrich displays a great deal of hustle and a fine throwing arm at the backstop. He is sharing the catching duties with sophomore Phil Steinhauer. Steinhauer will also lend depth to the corps of flycatchers.

The infield also shows experience and depth. First base is taken care of by Dave Schrotenboer and Marc Feeney. Steve Check and Chip Stafford hold down second base, while Mike Sweeney and Pete Hutton share duties at short. Steve Dresch and Don Harris are competing for the third base job.

In addition to Dills, Jenkins, Powell and Daniels, the outfield will be patrolled by Victor Verchereau, Jeff Harook, Mark Shippy, and Jim Owens.

Following the April 13 game with Lincoln, the Junior Bulldogs will travel to Novi Thursday for a conference game with the Wildcats. Until daylight savings time, all weekday games will start at 4 p.m. After the time change, games start at 4:30.

Coaching the JV team is Dennis Andariese.

Village Council Meeting Changed to April 21

The next regular session of the Village Council has been rescheduled for Wednesday, April 21 instead of Tuesday, April 20.

The meeting will be held in the Village Council Chambers.

CATS Officers Elected At First Official Meeting

Louis Burghardt was elected president Thursday evening at the first official meeting for CATS, Chelsea Area Transportation System. Elected vice-president was Sam Johnson secretary, Betty Koch and treasurer, Dale Schumann.

CATS is a separate non-profit corporation which will provide point-to-point transportation within a 54 square mile radius of Chelsea for elderly and adult handicapped with limited means of transportation.

At Thursday night's meeting the By-Laws were presented and ratified. Discussion also took place concerning the status of the CATS bus which is to arrive in Chelsea late this month. The bus is in Brown City nearing the end of construction. According to Sam Johnson, once the final signatures are put to it, the bus will be on its way.

Mrs. Koch stressed that CATS is still accepting applications for drivers. This position could be full-time for males and females interested in working with elderly and handicapped adults and who have solid knowledge of the Chelsea area. Anyone interested may submit a resume to CATS, P. O. Box 272, Chelsea.

Present for Thursday's meeting were representatives from the Methodist Home, Chelsea Kiwanis Club, Village of Chelsea, the United Way, Chelsea Jaycees, a senior citizen and from the CSA Nutrition program for Chelsea.

"Because this system is designed expressly for our seniors," commented Mrs. Koch, "we would like to see them become involved with CATS." Mrs. Koch welcomed all seniors to attend future CATS meetings and to feel free to express their needs and ideas to any member on the CATS board.

Meetings for the transit system will be held quarterly, on the first Monday of every quarter; December, March, June and September.

Fair Plans Progressing...

(Continued from page one)

Season and exhibitor passes may be secured for \$4 while high school students with I.D. cards may obtain a season pass for \$2. Thirteen- and 14-year-olds can say "thank-you" to members of the Fair Board this year as they have been included in the children 14 and under group who may enter for free. In previous years, complimentary entry to the fair was limited to those 12 years and younger.

This year the Fair Parade (and the Fair Board is putting in a good word for sunshine) will be larger and more extensive as it will be a combined Fair and Bicentennial Parade.

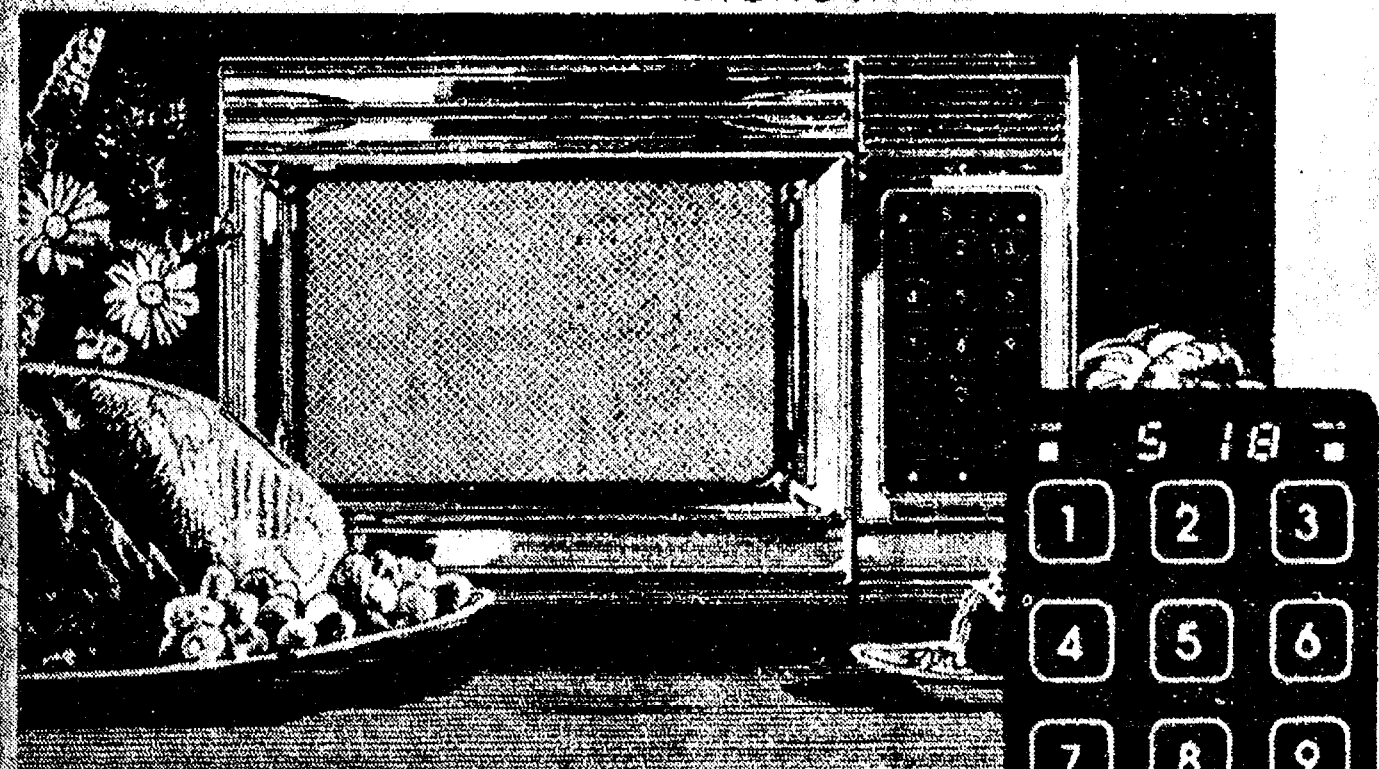

And adding to the pulling events... another first in Chelsea, the Pony Pull.

Area residents are invited to attend tonight's Fair Board meeting. According to Mrs. Leach, the board which is composed of president, Paul Frisinger; vice-president, Lloyd Grau; secretary, Ed Keezer; and treasurer, John Wellnitz, will be meeting often in the next few months to discuss and plan the '76 fair.

No sensible adult makes fun of young people; chances are today that they more have more sense than their elders.

Easter Gift Suggestion from AMANA

The new revolutionary Amana Touchmatic Radarange MICROWAVE OVEN

...is here.

- It's the first microwave oven with a memory. Makes microwave cooking simple as 1-2-3!
- Now you can program defrost and slow-cook... or defrost and cook... in combination.
- Clean-up is quick, too, because you cook on serving plates, or paper plates!
- Only the food gets hot. So you and the kitchen stay cool.
- Stainless steel oven interior wipes clean in a jiffy, because splatters don't bake on.
- Big enough to roast a 20 pound turkey.
- Digital clock on the control panel displays the time in big bright numbers. When cooking, it's a split second timer that shows remaining cooking time. Then when cooking's done—it "remembers" and displays the time of day automatically.
- The Radarange oven saves energy. Uses 50 to 75% less electricity than a conventional range!

If it doesn't say Amana—it's not a Radarange.

Come in for a demonstration. And ask about our fabulous trade-in deals.

Track Team Second In Season Opener

The Chelsea High school track team opened their outdoor season last Friday with a triangular meet against Tecumseh and Jackson Northwest.

Tecumseh showing expected strength in the hurdles and unexpected strength in the high and long jumps swept the meet with 78 points. The Bulldogs followed for second with 57 points while Jackson Northwest trailed with 34 points.

According to Bulldog coach Bert Kruse, it was the 38 points scored by Tecumseh in the above four events that made the difference. "Had Chelsea been able to cut into

the scoring in these events, it might have been a closer meet," he remarked. "However, superb performances and the switching of several performers to other events because of injuries prevented this from happening," Kruse added.

In spite of it, Kruse said the early season meet was "good" for the CHS team. "The weather cooperated quite nicely for us," he remarked.

The Bulldogs counted on Jackson Northwest to furnish more opposition, but injuries to their strong distance running corps and lack of sprinters hurt their performance severely.

Good early season performances were turned in by Howard Salzer who won both the 100- and 220-yard dashes and ran on the winning 440-yard relay team. Rick Haller's 4:43 mile win, Mark Burnett's 12' vault and Mark Smyth's throw of 128'2" in the discus throw contributed to some smiles on the faces of the Bulldogs.

The discus event is being conducted for the first time in the state this year among high school track teams.

Another win was posted by the 880-yard relay team of Dennis Bauer, Matt Fisher, Greg Reed and Russ Weiner. The win was somewhat unexpected as the group was both young and hadn't had much time to work together, according to Kruse.

This week his team is "out of the frying pan and into the fire" as they travel to Lincoln to face the strongest team the Railsplitters have ever assembled.

Kruse said that Lincoln is exceptionally strong in the hurdles and middle distances, and the team has high hopes that this will finally be their year. Kruse's discontent with this impending meet stems partially from the fact that Lincoln's dirt track has only four lanes, "otherwise we might see some exceptional times and performances."

The meet starts at 4 p.m. today, (Thursday).

Chelsea winners and placers in the triangular are as follows:

Shot Put: 4th, Smyth, 45'1". High Jump: 4th, Sweeny, 5'6". Discus: 1st, Smyth, 128'2 1/2"; 3rd, Sullivan, 102'4"; 4th, Weishans, 99'9".

Pole Vault: 1st, Burnett, 12'; 2nd, Heydlauff, 11'; 3rd, Sweeny, 11'.

880-yd. Relay: 1st, Chelsea, 1:38.6.

1-mile Run: 4th, Johnson, 2:10.2.

1-mile Run: 1st, Haller, 4:43.8.

Baseball Team Wins DH from Manchester

Chelsea's varsity baseball team opened their season Saturday with two wins against Manchester, 8-7 and 3-2.

The Bulldogs started with a

rush in the first game. John Toon and Anthony Houle both reached base by walks. Then shortstop Randy Guenther unloaded a long three-run home run

to give Chelsea an early 3-0 lead.

The Bulldogs added another run in the opening inning on singles by Joel Sprague and Mike Check, sandwiched around a walk to Jim Marshall.

Randy Guenther slugged another home run in the fifth inning. The Bulldogs added two more runs in the same inning on a double by Marshall, a single by Check, and walks to Sprague and Don Nadeau.

Don Morrison pitched the first four innings, striking out four and walking three. Kurt Owings worked the last three innings, striking out five and walking two.

Manchester scored their seven runs on only four hits, using a long triple by Curt Fielder to knock in three runners who reached first on walks and errors in the fifth inning.

Chelsea held a seemingly comfortable 8-5 lead with two outs and no one on base in the top of the seventh. Then the Dutchmen struck for two quick runs on two hits and a walk. Only a diving catch by centerfielder John Toon prevented the Dutch from tying the game. The win-

ning pitcher was Don Morrison, while Kurt Owings picked up a save.

In the second game, the Bulldogs jumped off to a 1-0 lead in the first inning on walks to Houle and Guenther and scored on a Manchester error. However, the Bulldogs could do nothing more offensively against Manchester until the seventh inning.

Meanwhile, the Dutch scored single runs in the fourth and fifth innings to take a 2-1 lead into the bottom of the seventh. The Bulldogs tied the game on a clutch single by Sprague.

In the eighth inning Jim Marshall started the rally with a walk, moved to second on a sacrifice by Check, then when Marshall attempted to steal third, the Manchester catcher threw the ball into left field, enabling Marshall to scamper home with the winning run.

John Adams started pitching for Chelsea and pitched seven impressive innings. He walked only one and struck out eight and gave up no earned runs. Joel Sprague came in and pitched the eighth, gaining credit for this victory.

Bulldog Sluggers Slip Past Lincoln in 7th

Scoring their only run in the seventh inning of play, captured the game for the Chelsea Bulldogs Tuesday evening as they met Lincoln on the opponents' diamond for their first conference game of the '76 season.

According to varsity baseball coach Paul Terpstra, the winning run came on a bunt by John Toon. Toon stole second, went to third on an error and scored the run on an infield single by Mike Check.

Don Morrison pitched the entire

game for the Bulldogs, walking only one, striking out eight and giving up a mere three hits.

"Lincoln," according to Terpstra "is one of the better teams in the league this year," which makes the Bulldog victory even sweeter.

Today (Thursday) at 4 p.m., the Bulldogs will meet Novi on the home diamond. Seventy-six degree weather has been forecast and fans are encouraged to come out and see the Bulldogs in action.

PTO Members Hear Talk on PREP Program

The Chelsea Parent Teachers Organization held its monthly meeting April 8 at South school following the Open House and Art Fair.

Chairman John Cox called the meeting to order at 7:45 p.m. The minutes of the last meeting were presented by secretary Nancy Erickson and werea dopted. Carol Gallis then presented the By-Law Committee's progress report. The proposed by-laws and constitution will be ready by the May 13 meeting.

The Program Committee confirmed that Dr. William Hawks will be the speaker at the next meeting. His subject will be "Detection and Treatment of Visual Problems in School Age Children."

The first speaker of the evening was Mrs. Lindy Buch. She explained the objectives and operation of the "P.R.E.P. Program." A

question and answer period followed.

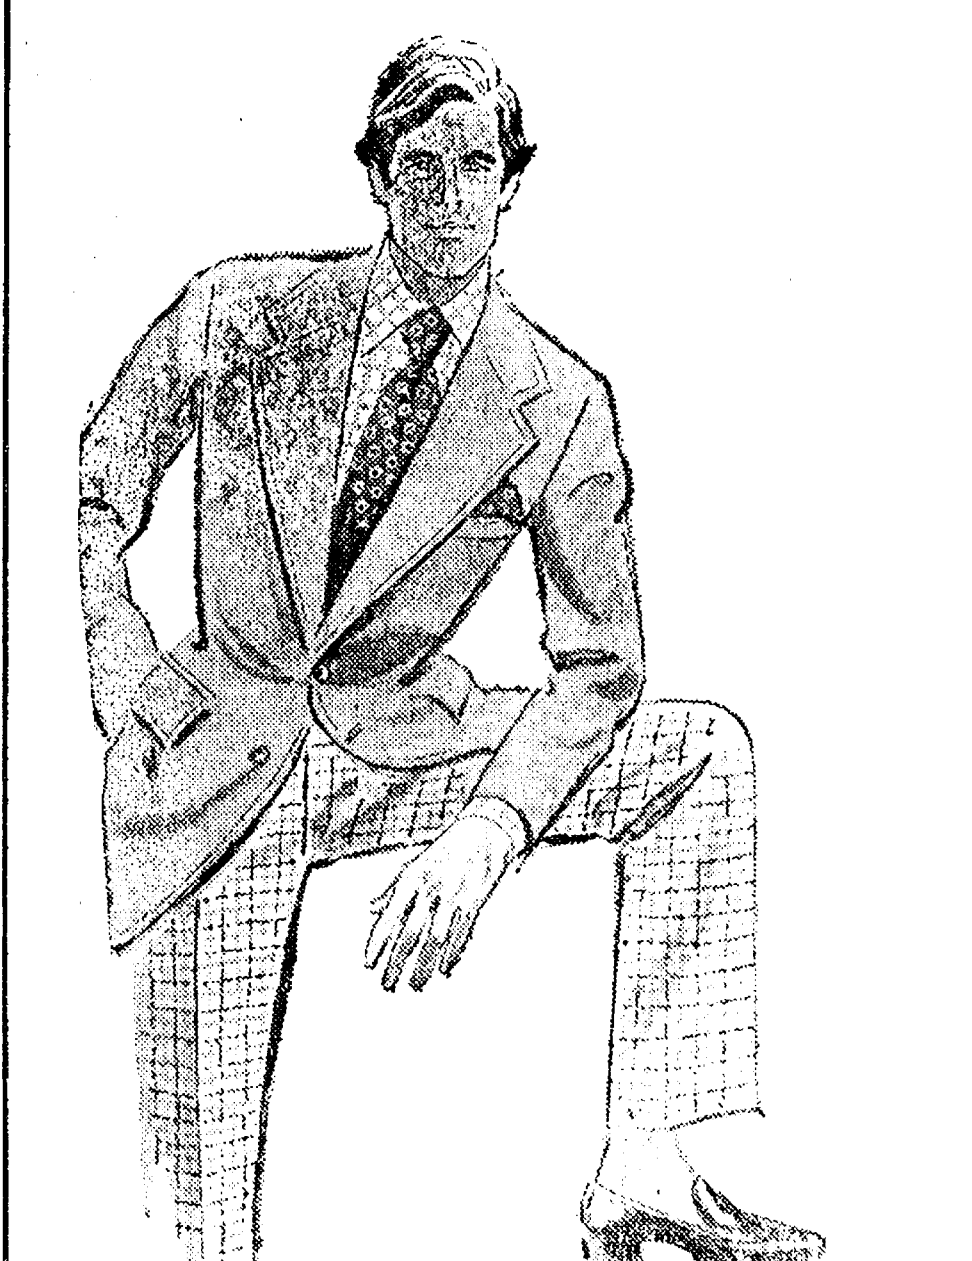

Second speaker was Robert Goyer, school psychologist for Region V which includes Chelsea schools. Goyer explained the structure of his department, its future and the procedures set in determining if a child has emotional problems. A question and answer period followed. Chairman Cox had to cut off the questions because of the time. After the meeting, Cox extended an invitation to Goyer to return at a future date for additional discussion on this subject. Goyer stated he would be happy to return.

Cox stated the next meeting will be at the high school on May 13.

Beach Track Teams Post Close Wins Over Dexter

Beach Middle school's boys and girls track teams, composed of close to 120 participants, arrived at the high school track Tuesday evening to run-off a meet with Dexter. The junior tracksters marked up victories in both the boys and girls meets. The boys, "fought hard and close," according to Coach Pat Clarke, to come up with the 69-63 score.

The girls managed their victory on a very slim two-point margin, 58-56, over a "very tough group of Dexter girls," Clarke said. He added, "they did a real nice job, marking up a number of new school records."

Bob Ball won three events to lead the way for the boys' victory. Ball took first in the shot put with a 44'3" heave, first in the 100-yard dash on a time of :11.2, and first in the 220-yard dash with :26.5.

Adding to Chelsea winners were Sam Picklesimer and Blaine Sullivan who each won two firsts in single events. Picklesimer took first in the long jump with 10'6" and first in the 100-yard low hurdles in 13.3 seconds. Sullivan had a first in the 75-yard dash with a time of :9.4 and another first in the pole vault with 7'6".

Glory also goes to the girls mile and 440 relay teams, each of which achieved first places. The mile relay team of P. Drew, M. Stirling, N. Heller and T. Merkel marked up a record time of 5:02.2 for a new school record. The 440 team of C. Johnson, D. Thompson, L. Davis and C. Anderson ran the event in 58.7 seconds.

New school records were placed by Pris Drew in the mile run with 6:14.6; Theresa Hoffman in the 440-yard dash on :58.2, and Gloria Pearson in the 100-yard low hurdles completed in :14.6.

Following is a list of Chelsea winners and placers.

Girl Scout Association Names New Officers

Mrs. Sandy Schmunk was awarded a Certificate of Appreciation for her outstanding performance as troop services director in Chelsea at the annual meeting of the Huron Valley Girl Scout Council held in Wayne.

Officers were elected including a new president who presented awards to community leaders and volunteers. Three-year goals for the Council were also adopted at the meeting.

The 101 adult delegates and 20 girl delegates elected Mrs. Frances S. Bauer of Plymouth as the organization's president for the next three years. Mrs. Bauer served as the Council's third vice-president from 1968 to 1975 and as chairman of the Plymouth-Northville Area Association of Girl Scout adults from 1962 to 1968. She was also leader of a Girl Scout troop for seven years. Mrs. Bauer has been president of the Woman's Club of Plymouth and chairman of the Plymouth Family Service Commission there.

Commenting on her hopes for her term of office, Mrs. Bauer said, "Caring about others and the world, developing satisfying skills and learning to accept responsibility for one's actions are basic to the Girl Scout program. I want our council to make it possible for every thing."

Other officers elected were Benjamin Koerber, president of the National Bank of Ypsilanti as treasurer; Mrs. Susan Sayre, former mayor of Ypsilanti and Girl Scout troop leader, as first vice-president; and Mrs. Pat Leves of Ypsilanti as third vice-president.

What's Cooking In Michigan

By Larrestine Trimm
Michigan Dept. of Agriculture
Marketing Information Specialist

Turkey is available all year round but remains the number one favorite at Thanksgiving. Total U. S. production for the year is down six percent from 1974 but Michigan turkey supplies should prove adequate to meet consumer needs. Contrary to U. S. production, Marketing officials of the Michigan Department of Agriculture say Michigan's turkey crop for 1975 increased nearly 25 percent. Total production is 1,367,000 birds, compared to only 968,000 in 1974.

You'll find a variety of turkeys to choose from at most retail stores. There are plain ones and the fancier self-basting ones, injected with butter or other ingredients to make them more tender and flavorful. Conveniently stuffed frozen turkeys are ready to pop into the oven. There's a range of turkey sizes to accommodate any family, and if you're single or living alone, you can select from turkey parts like drumsticks, breasts or quarter turkey.

Prefer white meat to dark? Select from choice turkey rolls, boneless roasts or steaks made to suit individual preferences.

However, if you're trying to save money when buying your holiday turkey, bear in mind that plain ones cost less than fancier ones and the bigger the bird, the more meat in proportion to bone. Thus a whole turkey weighing less than 10-14 pounds is one-half waste but cost may be greater than half the per-pound cost of a 20-pound bird.

For turkeys under 10-14 pounds, the standard serving allowance per person is three-fourths pound. For larger turkeys, one-half pound per serving is ample. While these figures are a general guide to selecting your turkey, if your family loves leftovers, it would be wise to consider buying extra pounds.

Never neglect ear infections or similar maladies say hearing specialists. Ear infections demand the immediate attention of your family doctor.

Jan Koengeter Has Role In Saline Production

Jan Koengeter, a familiar face to Chelsea's summer theatregoers, will be performing the role of Kate in the Saline Area Players' production of "Never Too Late" at 8 p.m. on April 22, 23, 24, in the Saline High School Auditorium.

Jan's most recent appearance with the Chelsea Players was as Aunt Eller in last summer's "Oklahoma." She may also be remembered as Mrs. Paroo in "Music Man"; Hucklebee in "The Fantasticks"; and Yente, the Matchmaker in "Fiddler on the Roof."

"Never Too Late," a comedy by Sumner Arthur Long, concerns a middle-aged woman (Edith) who becomes pregnant much to the surprise and distress of her husband (Harry), daughter (Kate), and son-in-law (Charlie).

Advance tickets may be obtained at the Citizens Bank of Saline or at the door on performance nights.

The director of the play, David P. Curtis, may also be familiar to Chelsea residents as he "summers" in a cottage on Cavanaugh Lake.

Other cast members include Don Shelton as Harry; Kathryn Hartmann as Edith; Bob James as Charlie; Larry Wimple as Mayor Crane; Mabel Cook as Grace; Fred Fitzpatrick as Dr. Kimbrough; Jim Williams as Mr. Foley; and Muriel Gyde and Ken Feldkamp as police officers.

Jan proved instrumental in the recent decision of the Chelsea Players and the Saline Area Players to use each other as pools of resource.

Neither group has much storage space to keep handy a large amount of props or costumes; but when they can't actually loan something to each other, they may at least be able to suggest a likely place to look for it. The two groups already have some orchestra members in common, among whom are Ron Harris, Dave Wolter, and Dana Wiegand. In a world where many groups consider each other only as competition, it is a welcome change to see two theatre organizations interested in a little creative co-operation.

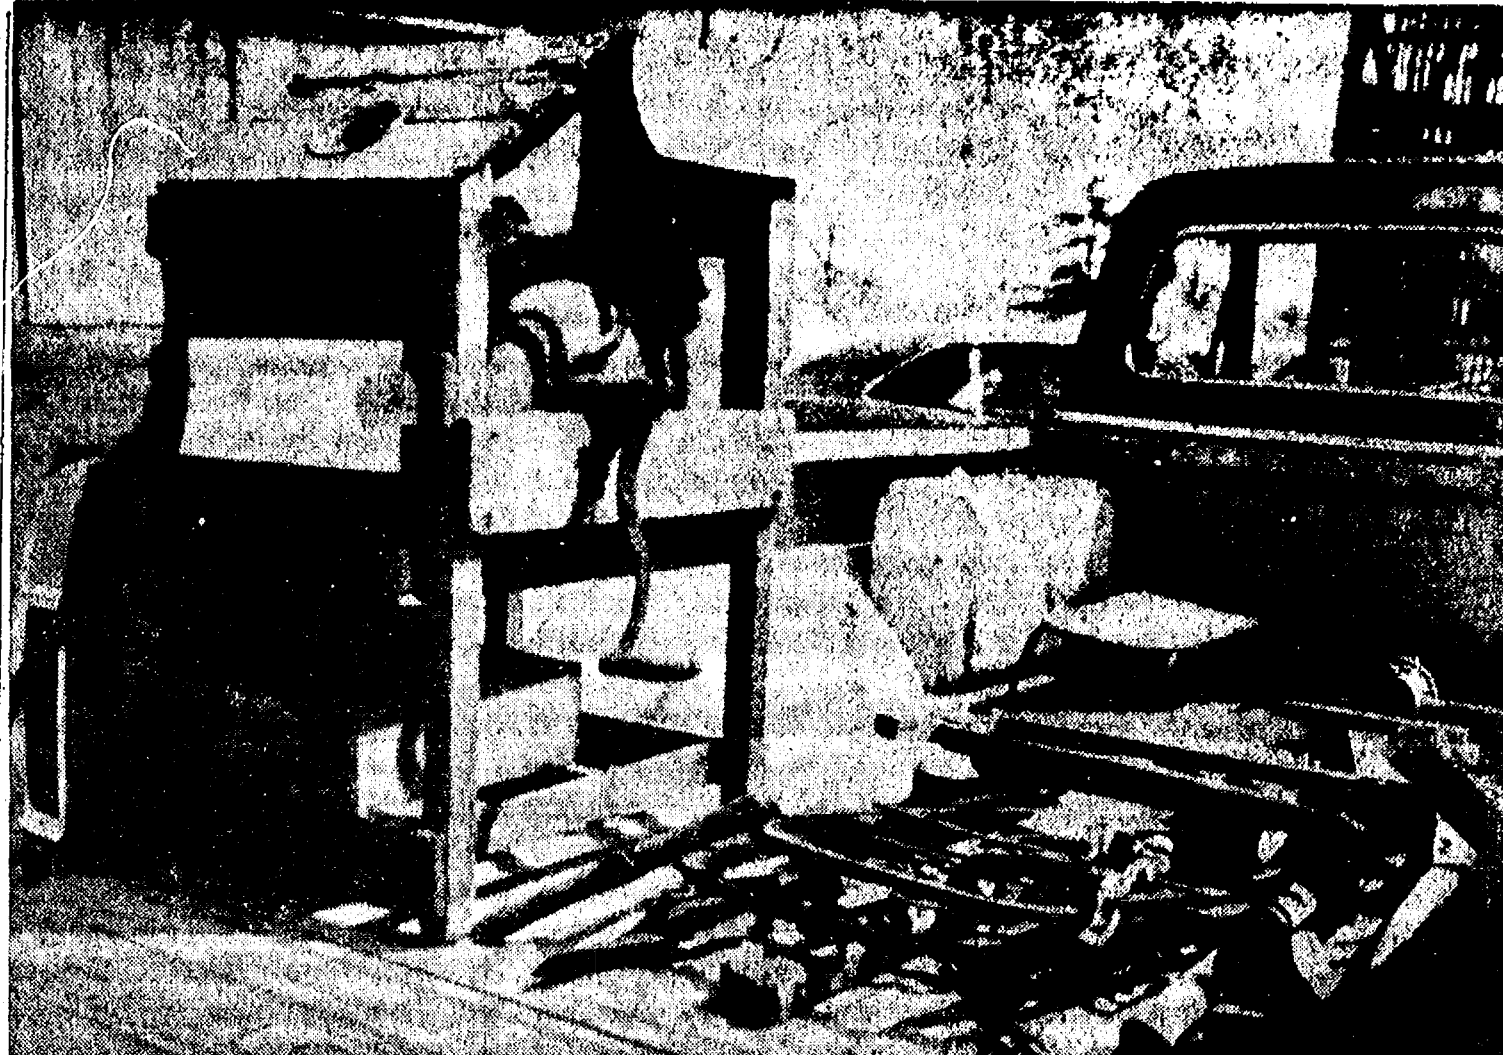

Jan also appeared in Saline's production of "Pajama Game" last November, as a "dumb-blonde" named Poopsie. "So far with the Saline Players," said Jan, "I've played characters near my own age. Although I've greatly enjoyed the 'old lady' roles I've played on Chelsea's stage, it has sure been a nice change, not to have to draw lines on my face or streak gray in my hair. I'm looking forward to the Chelsea Players' upcoming production of 'Hello Dolly.' I hope more of Chelsea's community members try-out this summer. The Players is an organization for everyone—not just high school students and recent alumni. I really enjoyed working last year with people like Bill Coelius, Jim Stirling, Jr. and Sr., Jan Hutzel, Lenore Matloff, Daphne Hodder, Ginny Dietle, Janette Tobin, Frank Warywoda, Dennis Stoffer and Rhonda Solomonan.

WHAT IS IT? How old is it? Is the sign posted on this wooden box which appeared Saturday as area farmers flocked with their vintage farm equipment to the Papo property behind Polly's to plow and seed a field of oats. "See Farming (as it was) 200 Years Ago" brought many onlookers and many collectors of the old equipment. Pic-

tured here is a hand operated corn sheller, known to be more than 100 years old. The sheller belongs to Howard Miller, who says that while he is not a collector he will pick up things if he happens by them. Miller also brought an old cow poke, four waded point plow, and wooden yokes with him to the exhibition.

Sylvan Refers House Project To Planners

A request for building 280 multiple units in Sylvan township has been referred to the Township Planning Commission.

The commission is to arrange a meeting between the County and Township Planning Commission, the township board and the Chelsea Village Council. The meeting is expected to be held within the next two weeks.

The township board decided to refer the matter to the planning commission this week because of the closeness of the proposed development to the village. Daniel Murphy, township clerk, said the development may eventually end up in the village.

Dr. Michael Papo, local physician and others are petitioning to rezone 27.28 acres from a recreation and conservation use to a multiple-family residential use. The land is bounded on the north by the Chelsea Medical Center, on the east by the Lima township line, on the south by Old US-12 and on the west by the Chelsea Village limits.

The plan calls for 240 apartment units and 40 row houses or townhouses. Both the Township and County Planning Commissions have recommended denial of the petition.

Instrumental String Clinician Visits Schools

With the help of Chelsea School District, the Band and Orchestra Boosters, and MSBOA, the instrumental string program had the pleasure of a visit from Jacquelyn Dillon on March 29-31. Mrs. Dillon is a string clinician who travels all over the United States to help string programs, especially new ones. She was raised in Kansas, taught in Oklahoma to build an outstanding string program and now lives in Virginia.

On Monday and Tuesday Mrs. Dillon visited each of the 5th grade classes at both North and South Elementary schools. She also gave a mass 4th grade demonstration at each school. Both grades learned the history and structure of the string family (violin, viola and cello), ending the session with a five-minute violin and cello "Pops Concert" played by Mrs. Dillon and Miss Anna Alimpich, director of strings at Beach Middle school. If time permitted some of the students, with the help of Mrs. Dillon, played a short tune on the instrument of their choice.

The 5th grade students had an additional recruiting session since these students will begin string classes at the end of this year. "The main purpose of the workshop is for the teacher to learn by playing as the students do, learning routines that are most successful with a heterogeneous string class. The principles presented may apply to all levels of teaching techniques and have been found to be most practical in building technique. They will learn how to establish a self-

Two Showings Slated For Don Cooper Film

Don Cooper's "Trails of the Mountain West," the final travelogue in the Kiwanis Travel and Adventure Series will be presented Saturday, May 1. Because of the popularity of Cooper's travelogues, the Kiwanis Club will offer two showings, at 6 and 8:30 p.m. Saturday evening. Tickets for either showing may be purchased at the door to the Chelsea High school auditorium that evening.

With Cooper, viewers will follow Coronado's trail as he came north into New Mexico searching for the "Seven Cities of Gold" and retrace the historic mountain trails used by the men who first conquered and others who later explored and settled the Mountain West.

Cooper's theatre is the entire Continental Divide from New Mexico to Alaska. National parks, Indian cliff dwellings, an all-girl rodeo, forest fires, wildlife, Mt. McKinley and tales from the past are all part of the fun, excitement and natural beauty of "Trails of the Mountain West."

Being literally born and raised in lumber camps, Cooper set out at an early age to learn the logging business. His father was the late George R. Cooper, state senator of Montana, and from him, "Coop" inherited considerable ability as a public speaker. Being a natural humorist of the "Will Rogers" type, he has become known from coast-to-coast for his delightfully humorous and uninhibited narration.

In the same informal manner he learned how to operate a 16-mm. motion picture camera, and his work has brought him to the top of the best artists in this field. As he spent considerable time in the logging camps of Montana, Alaska and other parts of this hemisphere, his films concern the most unusual events and sights to be found there. One of Cooper's trademarks is his adventuresome nature, with all of his film-journeys taking the audiences off the beaten path to find extraordinary scenery and thrilling experiences.

He has produced many high-adventure films. He entered the travelogue field in 1959 and has presented hundreds of performances, and many of these have been repeats and to sold-out houses. He has presented portions of his films on national television network programs. He began his TV career in the fall of 1958, appearing several times on "Bold Journey." Cooper has turned down attractive offers from Hollywood TV stations and others, preferring to remain in the travelogue field. This visit is one of Cooper's many to Chelsea in the past few years.

More than 800 men and women discharged from the armed forces with medical military occupation specialties have been hired by the VA hospitals and clinics within the past year and a half. Most are working as nursing assistants, licensed practical nurses, registered nurses and medical technicians. nursing home in Florence, Colo., received its first patients this month. The VA provided 65 percent of the funding for the \$1.4 million project. The balance was comprised of state, public and private donations. Head of the facility, Marie R. What you'll see is a lot of beans growing, all over, with very little competition. Not even from velvetleaf and cocklebur.

Easter subjects naturally dominate our column this week. So here are a few facts which I hope you will find interesting.

As you know, lamb is one of our traditional Easter foods, as well as cakes and cookies shaped like lambs. Incidentally, it was in 1519, when the soldiers of Cortez first introduced sheep to...A NEW AMERICA.

A NEW LIFE...is represented by the Easter egg. Coloring and presenting eggs dates back to the Egyptians. By the way, we Americans now eat 63 billion eggs a year...which of course includes Easter eggs.

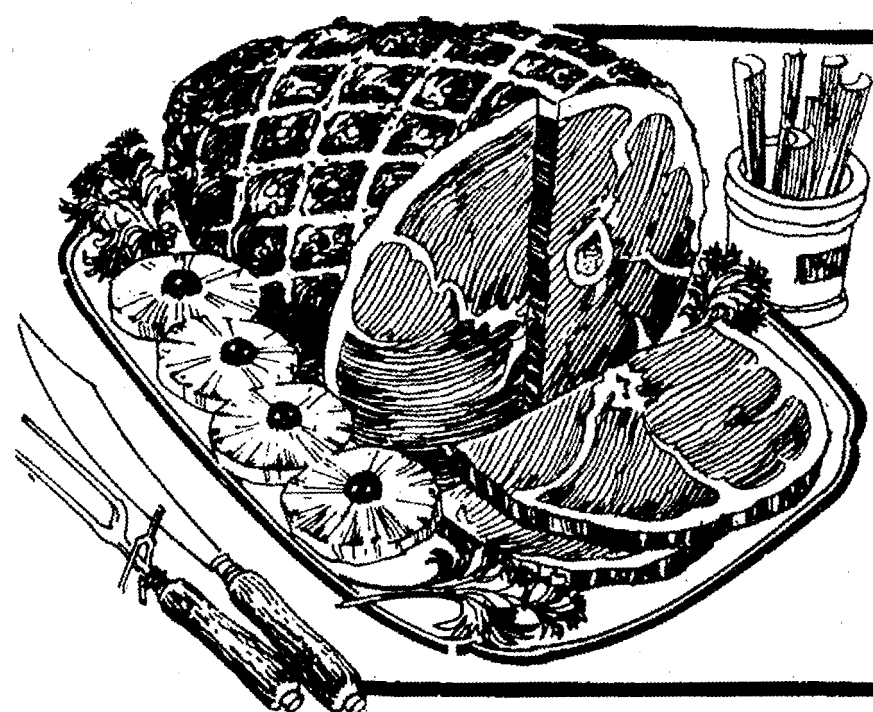

Rabbits are reported to bring the eggs, so here is a tip to you rabbits. If you hard-boil an egg in the shell too long or at too high a temperature, you may find that there is a dark layer between the yolk and the white when the egg is shelled.

As you know, the lily is our Easter flower. Beautiful as it may be however, the lily is in the family of the onion and asparagus.

Well, these are just a few of our Easter symbols and how they relate to food. Now, all of us here at Polly's wish you and your family a Happy Easter! And remember, you still have time to check our "Easter Parade" of values.
