Summer Swim Pool Program Starts June 21

Plans for the use of the community pool, housed on the grounds of Beach Middle School, have been completed by the Chelsea Recreation Department, and Jim Tallman, swim director for the Recreation Council.

The summer program is scheduled to begin Monday, June 21 and will run for an eight-week period to the middle of August.

The program will be composed of three general types of activities: lessons, recreational swimming and special group recreational swims.

Swimming lessons will be divided into four, two-week sessions, June 21 through July 2; July 5 through July 16; July 19 through July 30 and Aug. 2 through Aug. 13. Lessons which will be offered to swimmers of all abilities will consist of 10 lessons, 30 minutes each. Parents may sign up their children for as many sessions as they wish; however, enrollment will be limited to a first-come first-serve basis as it will be necessary to put a cap on the number of registrants.

Registration for the first session will be held Monday, June 21 at the pool from 8 a.m. to noon. Registration for the second, third and fourth sessions will be announced at a later date.

Cost for 10 lessons is \$5, payable at the date of registration. Students should bring their suits and towels with them to registration on the 21st as lessons will begin that same morning.

Recreational swimming is also scheduled to begin June 21. Two sessions are scheduled every afternoon, including Saturday and Sunday, from 1-3 and 3-5. Swimmers will be charged 50 cents for each swimming session. There will not be any registration for the recreational swims.

Evening hours for the pool have been reserved for the special group swims, such as family night, senior citizens night, teen night, handicapped night and adults only night. Each group will have a chance to use the pool regularly. Tallman said that plans about this phase of the program are still being worked on and will be announced at a later date.

Baseball Team In Tournament Play Saturday

Chelsea's varsity baseball team will launch its tournament season with a pre-district game this Saturday. The Bulldogs will host the Tecumseh Indians for a game on the home diamond beginning at 11:30 a.m.

According to home team coach, Paul Terpstra, this game "figures to be a tough one for us as Tecumseh spots a fine season record in the competitive Huron league."

Terpstra said the winner of this game will play the winner of the Pinckney-Saline contest in the District tournament to be held Saturday, June 5 at Brooklyn Columbia Central.

LISTENING INTENTLY: Members of the Chelsea High School track team listened intently during a meeting of the track coaches Tuesday evening prior to the Bicentennial '500' where chairman of the event, Phil Boham, filled the men in on all the rules and regulations for the '500' races. The event was attended by a good crowd Friday evening on the Chelsea High school track.

'Hello Dolly' Tryouts Set May 28-29

Tryouts for "Hello Dolly" will be held at the high school auditorium starting Friday afternoon at 4 p.m. The final session will be on Saturday, May 29 from 1 to 6 p.m.

Due to the fact that the rental agent of the musical in New York did not have scripts available, scripts will not be available before auditions. Persons wishing to try-out for a chorus part should be able to sing a chorus of "Hello Dolly." Other routines will be taught at auditions. Persons trying out for a major role should plan to attend the Saturday afternoon session.

People wishing to help with scenery, which will be quite elaborate, should meet at the high school stage at 11 a.m. Saturday, June 12. Rehearsals will begin on June 14 with the play being presented on July 15-17. Tickets will go on sale June 28.

LARRY REED

Pool Director Hired By School Board

At a recent meeting of the Chelsea School Board of Education the appointment of Larry Reed as pool director in Chelsea was approved. Reed will begin his duties Monday, June 21, which is also the date tentatively set for the opening of the pool housed in the Beach Middle school.

A graduate of Eastern Michigan University with a master's degree in Education Administration, 1975, and a BA in Physical Education, 1970, Reed for the past six years has been on the staff of the Milan Public Schools as assistant pool director. He has also served as the middle school swim coach, the assistant high school swim coach, Milan Aquatic Club coach, AAU coach and Junior Olympic coach.

As the pool director in Chelsea, Reed will be responsible for the school instructional program, as well as administering the community aquatic program, which will be conducted during the summer, evenings and week-ends during the school year.

Although officially beginning his duties June 21, he has already met several times with Jim Tallman, director of the Community Recreation Department's Summer Recreation Program, to develop plans for the community use of the pool this summer.

Need Early Copy For Next Week

Because of the Memorial Day holiday, The Standard offices will be closed Monday, May 31 and copy deadlines for the June 3 issue of the paper have been moved up.

Display advertising must be submitted no later than 4 p.m. Friday, May 28.

News copy is to be in the office as of 5 p.m. Saturday; only a limited number of news items will be accepted Tuesday, such as Monday's events.

K. of C. Elects Officers for New Year

The Knights of Columbus held their annual election of officers at their regular meeting Wednesday, May 19.

Heading the list as Grand Knight for the coming year is Alexander L. McKinnon. Other officers include Michael Neibauer, deputy grand knight; Gerald Gondek, chancellor; Charles Smith, recorder; Maynard Poertner, treasurer; Gerald Hammerschmidt, advocate; George Atkinson, warden; Leo Hellner, inside guard; William Harvey, outside guard; Walter Bolanowski, trustee; Donald Doll, trustee; Vincent Hafner, trustee.

It was announced by chairman Hammerschmidt that the April 11 Tootsie Roll drive netted 1,860, a high percentage of which will be donated to the mentally retarded. The wives of the members were present. A social hour of cards and refreshments followed the election.

Successful Poppy Day Sale Reported

Poppy Day 1976 in Chelsea was greeted with sunshine and blue skies and many area residents who contributed to the poppy effort by purchasing poppies from members of the American Legion and VFW Auxiliaries.

According to Lucille Barr, president of the American Legion Auxiliary, three Legion ladies spent all day selling poppies, nine volunteered one to two hours of their time and two others for a short time.

April and May of this year were busy months using funds from Poppy sales. A party for veteran patients at Ypsilanti Hospital featured bingo games with prizes and refreshments of coffee and donuts. Another party, at Ann Arbor's VA Hospital featured a dance with orchestra and singers.

"These are only two projects which are made possible by Poppy monies," said Mrs. Barr, who heartily thanked the community for their support.

A FACEFULL: Brigade chapter members who participated in the pie-eating contest Friday evening between Bicentennial '500' events on the Chelsea High school athletic field got more than just a mouthful of pie Friday evening... they got a facefull. Pictured from left, with their faces deep in cream and fruit fillings are Jeff Emmert, Billy Kushmaul and Dan Ellenwood. Kushmaul was the winner in the event consuming more than 15 ounces of the home-made fruit-filled and cream-topped pie.

M. Heydlauff Qualifies for State Meet

The Chelsea high school track team found the Regional at Harper Creek a tough one, as they were only able to muster 10 points and qualify one man for the State meet to be held at the same site on June 5.

The lone qualifier was Matt Heydlauff who took a third place in the pole vault with a jump of 12'10". Mark Burnett also cleared the same height but took fourth on more misses. Unfortunately, only the top three placers qualify in each event.

John Collins also picked up a fourth in the long jump with a jump of 18'1/2".

The 440 relay team of Scott Stafford, John Collins, Howard Salyer and Dennis Bauer also picked up a fourth place with a time of 45.7.

The final point was earned by Howard Salyer who took a fifth in the 100-yard dash.

Rocking Chair Marathon Set

At 5 p.m. June 18 in the Circle Drive of Chelsea High school, all Rocking Chair Marathon contestants will draw their position numbers and be ready to rock their own rocking chairs in an attempt to win the \$300 first prize. In addition to this incentive there will be a 2nd prize of \$150, 3rd prize of \$75, 4th prize of \$50 and 5th prize of \$25.

Wanda Schiller, activities chairman, has invited all area businesses to sponsor contestants in the Rocking Chair Marathon in exchange for advertising opportunities. These contestants may be anyone living in the Chelsea School District "between the ages of 5 and 105, and breathing." They must sign an "Agreement of release and indemnity" to release the Western Washtenaw County Bicentennial Association from any liability in connection with their participation in the marathon.

There is an entry form on page eight, and you may call Wanda Schiller at 475-1890 for further information. Wanda wants to re-

There is a \$15 entrance fee which may be paid by an individual even without a sponsor.

The plans call for the Rocking Chair Marathon to begin at 6 p.m., June 18 and last until no one is left rocking. The rules provide a seven-minute break every two hours so entrants may use the restrooms, exercise or receive a massage each two hours during which one other person may, without interfering with the contest, provide his entrant with food and drink. Alcoholic beverages, drugs or illegal stimulants are not allowed, and use of any will constitute grounds for disqualification.

There is an entry form on page eight, and you may call Wanda Schiller at 475-1890 for further information. Wanda wants to re-

(Continued on page six)

Memorial Day Services Set For Monday

Chelsea's annual Memorial Day parade and festivities will be held Monday, May 31 when veterans, school bands, officials and residents join together to parade through the village to Oak Grove Cemetery where ceremonies honoring deceased veterans will be held.

Plans are complete for the morning activities which will begin at 9:30 a.m. in the municipal parking lot, where parade participants are asked to line-up for the 10 a.m. step off.

Officer of the Day will be Bill Pierce; Pat Merkel will serve as the parade marshal.

The parade, which will follow Main St. to Park, Park to East, East to Middle and Middle to Oak Grove Cemetery, will be led by color guards of the American Legion and Veterans of Foreign Wars, followed by a firing squad and Chelsea's veterans. Chelsea High school band under the direction of Myles Mazur will provide the marching music for Boy Scouts, Girl Scouts, Cub Scouts and Brownies who will follow the cars in which the various speakers will ride.

Beach Middle school band will be next in line, followed by children waking and riding decorated bicycles.

At Oak Grove Cemetery where the parade ends, a ceremony to honor America's War dead will be held. Ray Lutovsky, master of ceremonies, will open the service, followed by the invocation led by the Rev. T. B. Thodeson. The American Legion will then place a wreath in memory of those who died in American and Foreign wars.

The Memorial Day observance will continue with a selection from the high school band and an address by Ann Arbor attorney Peter J. Moyer. Moyer, a former first lieutenant in the U. S. Army, is president of the Young Lawyers Section of the Washtenaw County Bar Association and legal advisor for the Washtenaw County March of Dimes. He is a 1973 graduate of the University of Detroit where he was awarded a law degree.

The service will conclude with a salute from the firing squad, taps, and "The Star Spangled Banner" played by the bands. A benediction from the Rev. Thodeson will end the ceremony.

The parade will then re-form to march back to the parking lot. An open house at the American Legion Home, Cavanaugh Lake, will follow the observances at 1 p.m.

Cantrell Memorial Bike-A-Thon Slated

What was once the Steve Cantrell Memorial Walk-A-Thon scheduled for Sunday, May 30, has now evolved into the Steve Cantrell Memorial Bike-A-Thon, scheduled for Sunday, June 20, according to one of the chairpersons for the event, Mrs. George Palmer.

According to Mrs. Palmer, an interesting and challenging 20-mile course has been chosen for the event and final details are in the process of being completed.

The Bike-A-Thon is being sponsored by the Chelsea Cancer Crusade in the name of the Cantrell boy who died of cancer in the

fall of 1974. Proceeds from the event will benefit the American Cancer Society.

The Bike-A-Thon is open to all able and willing biking enthusiasts ages 15-21; however, Mrs. Palmer said adults will not be turned down. She also added that the Cancer Committee would like to see some of Steve's former classmates, 1974 CHS graduates, become involved in the event.

Persons interested in participating are asked to contact Mrs. Palmer at 475-8531, or Ruth Harbaugh at 475-1477 so they may

(Continued on page six)

Track Team Defeats S. Lyon in Final Meet

Chelsea High school's varsity track team closed out its dual meet season this past Monday, May 24 by defeating South Lyon, 74-58.

The meet, run at South Lyon, was a make-up meet which was originally scheduled for May 6 but was rained out. The win was the seventh dual victory in succession and ran the season record to 8-2 and the conference record to 6-1. The final dual meet standings are as follows.

	W	L	T
Lincoln	7	0	
Chelsea	6	1	
Brighton	4	2	1
Saline	4	3	
South Lyon	3	4	
Milan	2	4	1
Novi	1	6	
Dexter	0	7	

The dual meets determine half of the final standings with the league meet final placings determining the other half.

Again the field event men played a key role in the victory as they have all year, by building up a 31-14 lead and then the runners picked up enough points to put it away.

The victory was paced by the 1-2-3 finish in the pole vault. Matt Heydlauff cleared 13', Randy Sweeney 12'6" and Mark Burnett 12'.

Howard Salyer was the only

double victor, taking the 100-yard dash and the 180-yard low hurdles, plus a third in the high jump.

Big points were also furnished by the one-two finishes of Mark Smyth and Tim Welshans in the shot put. Both had distances of 47'9" and 47'.

Dave Dawson and Rick Haller finished one-two in the mile with good times of 4:44.1 and 4:44, respectively.

"This was a meet we worried about because of its proximity to the Regional and Conference meet. But our athletes performed well and we were glad to get by with the win," commented Coach Bert Kruse. "In closing out the dual meet season we feel we have had another good year, being a strong dual meet team but one that has had problems in the relay meets and other big meets because we lacked the super athletes who pick up points in these type of meets. Basically, we were well satisfied with our over-all performance, but as always, felt we could have done a bit better," he concluded.

Winners and Chelsea placings, Chelsea-South Lyon meet. Shot Put: 1st, Mark Smyth, 47'9"; 2nd, Tim Welshans, 47'.

Discus: 1st, Kehler (SL) 106'2"; 2nd, Tim Welshans, 103'9"; 3rd, Don Sullivan, 101'5".

(Continued on page eight)

CROSSING THE FINISH LINE: Frank Sweeney, a member of the Chelsea Canoeers Association chapter of the Brothers of the Brigade, is just about to cross the finish line on his chapter's home-made three-wheeled vehicle during one of the "500" races Friday evening on the CHS track. Looking on are just a handful of the estimated more than 1,500 persons who were present to either witness or participate in the "500" and pie-eating contest. According to all reports everyone had a great time!

Bicentennial '500,' Pie-Eating Contest Attract More Than 1500

Last Friday evening, an estimated more than 1,500 persons gathered in the grandstands on the Chelsea High school athletic field and along the track to witness the Bicentennial "500", pie-eating contest and tricycle auction.

The "500", chaired by Phil Boham consisted of three separate tricycle races around segments of the high school track. Participants were members of chapters of the Brothers of the Brigade; tricycles were of the chapters' own making, later to be auctioned off with the money going to charity.

Race winners who managed to

cross the finish line in first place on their home-made three-wheeled vehicles are as follows:

Youth 50-Yard Dash, Ray Sabo, Jr., of the First Aid Brigade; Men's 50-Yard Dash, Pete Brown; Men's 50-Yard Modified, Frank Sweeney of the Chelsea Canoeers Association; Men's 440-Yard Relay, the Anonymous Whisker Liskers, lead driver, Stan Schiller; Youth 440-Yard Relay, Chelsea Canoeers Association, lead driver R and y Sweeney; Youth Bicentennial "500", Bruce Donovan; Men's Bicentennial "500", Frank Sweeney of the Chelsea Canoeers Association.

Between the tricycle races, each Brigade chapter was invited to enter a participant in the pie

rating contests. Participants were judged on the number of ounces they were able to consume of pies made with at least an inch thick fruit filling and an inch of whipped cream. Winners of this contest in the youth division were Stan Garnett, 1st, Eric Gaken, 2nd; in the men's contest Billy Kushmaul was first and Dave Bolsen ate his way to second place.

With aching muscles and bulging tummys, the men still managed to auction off four tricycles donated by different Brigade chapters. Proceeds from the auction were donated to St. Louis School for Boys, Chelsea Recreation Council, the Special Olympics and the American Cancer Society.

Varsity Baseball Team Clinches Share of Title

Chelsea's varsity baseball team clinched at least a tie for the Southeastern Conference title Tuesday evening as they defeated Dexter, 4-2. According to Bulldog coach Paul Terpstra, the win put the team at 11-2 in league play, one win ahead of Brighton with whom the Bulldogs are tied for the championship.

Today, Chelsea will host Saline on the home diamond for their

last conference game. Terpstra and his team are hoping for an outright win that would give them sole rights to the SEC title.

In Tuesday night's play, pitcher Kurt Owings went all the way for his third win of the season. Owings walked only one and struck out three batters. Offensively, the Bulldogs played well, spreading their hits among Jim Marshall

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

The feller that runs the store was catching up on his book work Saturday night and he let the session run longer than usual. He got the fellers discussing ways of paying and the talk took off in all directions from there.

The store feller carries some families by the week, some by the month, a few by the year and a few he has learned from sad experience not to carry at all. Each family has their own little book, and when setting up time comes around he just adds up everything on the book since the last pay time. That's about the extent of his bookkeeping, and usual he takes in enough to pay his bills with a little left over for his labors. Since he knows practical everybody he gives credit to, he ain't concerned about what they pay him with, but he told the fellers that he has been reading in some of his trade journals where they're trying to replace checks that replaced cash.

The trouble is, the store feller said, there's too much paper involved in doing business. Banks want to cut down on the mountains of checks they process ever month, so now they've come up with someun called interior fund transfers. This means bank computers will take your money and give it to somebody else, all you got to do is tell it to. All your regular payments can be handled with transfers, cutting down on your checks. The feller that runs the store said we've gone from cash to checks to credit cards to computers and where we'll go from here is anybody's guess. For his money, he said he could make do with anything he could use to balance his family books, and he wouldn't feel at all bad about taking fresh-made money as pay for coffee as long as he could make interior transfers like the bank computers. He'll just use goods instead of figgers.

The paying with numbers reminded Ed Doolittle of the piece he saw about the way the comptroller of the currency spends old fashion money. The comptroller, James Smith, spent 124 days at meetings last year, and he spent \$54,000 traveling to em. He stayed in \$200-a-day hotel rooms and he shelled out \$1,200 for a three-day board bill in Houston. Ed

said this feller must figger the way to control currency is to keep it moving so fast it can't get in trouble. And the tax money he spent was helped by the trips on airplanes and in hotels owned by banks his office checks up on.

Speaking of numbers, Clem Webster said he's looking for the day when a man's name will be numbers. Right now, he said, your name is nothing without your driver's license number, your Social Security number and your telephone number. We might as well shake em. all together and come up with one number and forget word names, was Clem's idee.

Personal, Mister Editor, I'm fer cutting back numbers and keeping names. I've writ to my Congressman, giving him all my numbers, and I'll let you know which way he dodges on this one. Probable, he'll make a interior transfer.

Yours truly,
Uncle Lew.

You May Be Wanted By FBI

"Wanted by the FBI to work at Washington, D.C.—clerks, typists, stenographers and fingerprint clerks."

That notice has been issued by Wilburn K. De Bruler, Special Agent in charge of the FBI in Michigan, who said candidates are being sought to fill those positions which are immediately available with the FBI in Washington, D.C.

Candidates, regardless of race, color, creed, or sex, must be at least 16 years of age, United States citizens, and high school graduates. All candidates will undergo a background and character investigation. No previous experience is required.

New employees are re-imburshed for travel expenses after arriving in Washington, D.C., and are provided with any information necessary for relocation and suitable housing in the Washington, D.C. area before beginning their new career.

An application and other information concerning these positions may be obtained by calling the area Resident Agency of the FBI, Ann Arbor, telephone 662-2597.

Even before they had a clear notion of Great Lakes geography, the French and English realized that whoever commanded the narrow passages connecting the Great Lakes commanded the entire Northwest. Of the four passages, three are in Michigan—Detroit, Mackinac and Sault Ste. Marie. The fourth is at Niagara Falls between New York and Canada.

MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

Death An Answer?

Steve Simmons died on the gallows for murder in 1930—the last man executed by the State of Michigan.

Sixteen years later, Michigan became the first government in the English-speaking world to outlaw capital punishment. The ban was written into the state constitution in 1963, and approved by voters.

From time to time—and now is one of those times—the question of reinstituting the death penalty crops up in the state.

A Michigan State Chamber of Commerce publication, Michigan Challenge, recently printed a strongly worded editorial which said in part:

"The sooner we start executing cold-blooded criminals, the sooner Michigan citizens can see a significant reduction in crime. . . . A Chamber spokesman says the editorial does not represent an official position of the group's board of directors."

Calling for a focus of "serious attention on the problem of crime in Michigan," the publication said the legislature should legalize the

death penalty for persons convicted of:

- Crimes involving use of handguns.
- Murder in the first degree, regardless of weapon used.
- Kidnapping not involving family members.

Fees of capital punishment commitment studies show there is no correlation between the increase and decrease of violent crime and homicide on one hand and the existence of the death penalty on the other.

A recent national poll, meanwhile, indicates increasing support for the death penalty for those convicted of murder.

Lots of Smoke

If all Michigan folks were smokers, it's figured they would have puffed away nearly 137 packs apiece during 1975. That's down two packs a person from the record state high in 1974.

Nationally, the per capita consumption of cigarettes dropped seven packs per person from 1974 to 1975—141.7 packs compared to 134.6.

That's still a lot of smoke, es-

pecially in light of increasing demand for nonsmokers' rights.

The Michigan legislature this session has approved measures to regulate smoking in hospitals, supermarkets, restaurants and public meetings.

News of the Purse

The Great Wallet of the State of Michigan—more formally known as the state of the budget—seems to be in pretty bad shape these days.

But do the people who pay the bills, the taxpayers, really realize how bad?

Dr. Jack Stack of Alma says he and a newly formed organization called Michigan Citizens for Fiscal Integrity to take the tale of the budget crunch to the people.

A second priority for the organization is convincing the governor and the legislature "of the need and the urgency for an increase in revenues to provide adequate funding for present state services and programs."

Stack, a member of the Michigan State University Board of Trustees, says his group includes representatives from public schools, mental health, higher education, social services and health care providers.

Tougher Law Sought

A person buying a burial vault from a privately owned cemetery fully expects that vault will be there when he needs it. Most times, it is, of course.

And an added assurance that it will be available when the time comes is a 1972 state law requiring cemeteries regulated by the to set up merchandise trust funds. Other regulations seek to assure

that cemeteries will be maintained properly and that planned facilities that are sold before they're completed, will indeed be completed.

Problems occur, according to Commerce Director Richard Holmbrecht, because current laws aren't strong enough to give the Cemetery Commission the ability to assure the special funds are kept up.

Holmbrecht, whose department includes the Cemetery Commission, called for stronger laws after an audit showed a more than \$709,000 deficit in various funds which are supposed to be maintained by 16 different cemeteries.

The commission has jurisdiction over 128 privately operated cemeteries in Michigan, but does not regulate church-operated or municipal cemeteries.

Dial-A-Garden

Topics Listed

Dial-A-Garden, the system of pre-recorded daily gardening tips is sponsored by the Washtenaw County Co-operative Extension Service. The system is in operation 24 hours per day, 7 days per week. Interested persons are invited to call 971-1122 at their convenience and receive timely, up to date gardening information.

Next week's Dial-A-Garden topics are:

- Monday, May 28 and long weekend—"Mulching the Vegetable Garden."
- Tuesday, June 1—"Control of Moss in Lawns."
- Wednesday, June 2—"Rose Tips."
- Thursday, June 3—"Pinching Perennials."

Mixed, \$1.75 to \$2.00

AGRICULTURE IN ACTION

By Michigan Farm Bureau Staff Writer

★ Next: The Perils of Toilet Tissue?

Remember the "Perils of Pauline"—the Saturday afternoon machine serial that kept us coming back to the theatre every week to see how the heroine would be snatched from the brink of disaster? Nobody went out for popcorn while the brave hero was in the process of saving Pauline from the evil clutches of a determined villain.

Today U. S. citizens find themselves in a real-life serial in which an ever-present protector saves them from all manner of so-called dangers. Our great protector is the Federal Government and the dangers it saves us from include our traditional American breakfast.

Not too long ago came the implication of our savior in Washington, D. C., that bacon causes cancer (it might if you ate 46,000 pounds a day for the rest of your life). When eggs were cast in the role of villain in this situation comedy, a newspaper editor from Rochester, Minn., penned his objections to further "salvation" by government.

"The Federal Trade Commission (FTC) has now launched another crusade—this time to save every body from the perils of chicken

eggs. Chicken eggs have been around for a long time—a lot longer than the FTC. And people have been eating eggs since before the time of Moses. But the FTC apparently feels that it has a mandate to save Americans from eggs and from people like farmers who go around saying that it's OK to eat eggs. The farmers who produce and sell eggs advertise them as healthful to eat. But the FTC says that's false advertising and it wants the farmers to stop it.

"The Federal Government hasn't yet banned the egg, but considering the way Washington operates, it wouldn't surprise us a bit if that happens. And then, after banning the egg, the FTC no doubt would ban chickens and go running around raiding the chicken coops.

"We find it hard to believe that eggs aren't healthful. After all, the egg yolk contains all the nutrients to sustain new life, and the egg is one of nature's most versatile foods. Government, it seems, would be a lot better off if it used a little more common sense in its efforts to protect people from themselves.

"We can hardly wait for the next of the never-ending government sagas to save people from the perils of something else. What will it be? The perils of toilet tissue?"

Art Show, Sale Funds Aid Medical Scholarship

The Chelseaand Painters under the direction of their instructor, Mrs. Betty Maxwell, will present their third annual Art Show and Sale, Saturday and Sunday, June 5 and 6 on the grounds of the Chelsea Medical Center. The show will last from 10 a.m. to 5 p.m. both days.

Original works by local and area artists will be on view and may be purchased from \$5. Twenty-five percent of the sales will be given for a medical scholarship for a deserving Chelsea youth who is interested in pursuing the profession.

Among some of the artists who work will be represented are Madeline Papo, watercolor, acrylic and

ink; Elaine Stahl, watercolor; Sherie Stofflet, acrylic, watercolor, oil, barnboard; Mary Sue Compton, collage and watercolor, and Dorothy Miller, acrylic. A total of 19 artists will have works in the show.

The Chelseaand painters are all students of Mrs. Betty Maxwell of Ann Arbor. While many of the artists claim Chelsea as their home some of them are from the surrounding areas of Saline, Dexter and Manchester.

Music will be played during the two-day show and refreshments will be available on the grounds of the Medical Center.

There is no admission charge and the public is encouraged to attend.

County Advisory Committee on Status of Women Elects Slate

The Washtenaw County Advisory Committee on the Status of Women elected new officers Jan. 5.

Marilyn Kolton, PhD, is the committee's new chairwoman. She is president of the organization for Applied Science in Society, an Ann Arbor consulting firm. She was the committee's vice-chairwoman last year.

Marion Sama, the new vice-chairwoman, is superintendent of nurses at Octagon House, a substance abuse center in Ann Arbor. Mary Speers, a teacher at Clague Intermediate school in Ann Arbor, is recorder. Lynn Minkoff of Ypsilanti, a teacher presently on sabbatical leave, will be the committee liaison with the Michigan Women's Commission.

Linda Harrison of Ann Arbor is treasurer. Alice Mailhot of Ypsilanti is communications liaison. The committee was created by the Board of Commissioners in 1972 to represent women of all ages, origins, and social conditions from all parts of the county.

Women interested in appointment to this committee may obtain applications from the County Board of Commissioners Office in Ann Arbor, 894-2400.

County women may also request the committee's assistance by using "action request" forms available from the County Board of Commissioners Office.

Actions the committee may take are as follows:

Hold hearings in issues related to women in Washtenaw county. Sponsor conferences or workshops.

Serve as co-ordinator or convener for multi-group projects.

Make recommendations to the Board of Commissioners on issues related to women in Washtenaw county.

Communicate with directors and/or governing boards of public and private organizations, with individuals, and with the media.

Assist persons in formulating or seeking funding for studies related to women.

The committee's regular meetings are open to the public. They are held the first and third Mondays of each month at 7:30 p.m. in Room 117A of the County Building in Ann Arbor.

Dexter Drivers Score Well At Manchester

Manchester Motor Speedway, located on Schleweis Rd., Manchester, opened its racing season Sunday, May 23 at 8 p.m. After the dust had cleared, Sportsman Modified driver Carl Jones in No. 43 finished first in the heat race, followed by Jim Whitley in No. 71. Third place went to Larry LaRoe in No. 97 and Tom Stevens finished fourth in No. 73. All are Dexter drivers.

In the Sportsman Pursuit race, top honors went to Whitley, followed by Carl Jones No. 43, then LaRoe, and next was Stevens.

"Along Came Jones" to finish first in the Sportsman feature race in No. 43, once again followed by Whitley in No. 71, Larry LaRoe in No. 97 and Tom Stevens in No. 73.

In the Street Stock division, Dexter had one participant. Dave Sindlinger drove his '78 to finish second in the heat race, fourth in the pursuit race and third in the feature race.

Next races scheduled for Manchester Speedway will be Friday, May 28. Time trials are at 6 p.m. with racing at 8.

In 1776, Detroit had only a little over 1,300 people, not including soldiers stationed at the fort. Michilimackinac was only a small settlement of about 400.

G. Grohnert Inducted Into U. of D. 50-Year Club

Dexter attorney, Gerald D. Grohnert, was among many University of Detroit graduates honored Saturday, May 22 as a member of the Fifty Year Club. The club is composed of U. of D. alumni who graduated from the University 50 or more years ago.

Senior federal judge Thomas P. Thornton and George E. Parker, Jr., retired chairman of the board

of the National Bank of Detroit and George S. Fitzgerald, prominent Detroit attorney were among the others honored.

An 11 a.m. golden anniversary Mass was said at St. Peter and Paul Jesuit church. Cocktails and luncheon followed in the new student lounge of Dowling Hall. Members of the club were also shown the new Kresge Law Library.

Speech Therapists Help In Variety of Difficulties

Although it is one of the lesser known services provided to public school children in Michigan, Speech and Language therapy (or Speech Correction, as it is commonly known) has been in the schools for more than 20 years.

The public school speech therapist serves a percentage of the school population who, for various reasons, have difficulty communicating. These difficulties may be divided into four main categories. The number of children falling into each category and the type of treatment program needed varies from one to another.

The two smallest categories are voice and rhythm disorder. Voice disorders result from misuse of the voice box either because of physical or emotional factors. This produces various types of vocal patterns resembling laryngitis. Habitual misuse of the voice in this way may lead to severe difficulties and combined treatment of a doctor and speech therapist is often needed.

Rhythm disorders are known as stuttering or stammering, and cluttering. No single cause has yet been determined for those impairments, although it is known that emotional factors play a large role particularly in stuttering. Working with a speech therapist may be of help to both the child with

this problem as well as his parents and teachers.

The largest number of children seen by the average speech therapist are those with articulation disorders or omissions of the various sounds we have in our language (such as saying wed for red or thoap for soap). Having these difficulties may be a painful experience for a child. With the aid of the speech clinician these problems are usually easily rectified.

The last category is one which has received much attention recently. The area of language disorders if one in which clinicians are discovering much more needs to be done. Many children having difficulty in academic areas are those whose basic problems lie in the area of language development. As more is learned about this area we will be able to do much more to help these children whose educational progress may be affected by these difficulties.

The speech and language therapist is an asset to the educational team. This person brings a unique training to bear to help plan a well rounded educational program for our children, particularly those for whom some type of speech disorder is causing social, emotional or educational difficulties.

American Documents Listed

Many of us tend to take our national history for granted. However, the activity generated by the Bicentennial seems to make us more aware of the events we studied as school kids and then tucked away in a memory drawer.

Documents from America's Past, designed to jog your sense of history, is a descriptive listing of historical documents in the National Archives, and printed facsimiles which are available for purchase at low cost. The booklet was published by the National Archives and Records Service of the General Services Administration. A free copy of the 24-page booklet, Documents from America's Past, may be obtained by writing to Consumer Information, Pueblo, Colo. 81009.

One of the booklets listed is *Charters of Freedom*, which includes reproductions of the three documents that laid the political foundations of the United States—the Declaration of Independence, the Bill of Rights, and the Constitution of the United States. Also included in the booklet are brief historical notes and pictures of the National Archives Building and the murals in the Exhibition Hall. Posters of the Charters are also available. The Constitution is reduced to about half the size of the original to permit all four pages on one sheet. The other two documents, the Bill of Rights and the Declaration of Independence, are exact, full-size facsimiles of the texts of the original parchments. They are suitable for framing.

The *Formation of the Union* tells the story of the Continental Congress, with documents and pages reproduced from the journals of the Congress to illustrate the steps toward independence. Other documents show the work of the Constitutional convention, the process

Milan Art Fair Scheduled June 7

The Milan Art Fair is set for Sunday, June 6. The invitational exhibit will be the 7th outdoor fair to be sponsored by the Milan Arts and Crafts Club. The event is held from 12 noon till 6 p.m. in Wilson Park, Milan. The show will be juried by Michael Church of the University of Michigan Extension Service, Cultural Center.

Featured in this year's exhibit will be more than 100 artists from all areas of Michigan and northern Ohio and Indiana. Entries include a balance of traditional two-dimensional art and a variety of popular three-dimensional crafts. Many craftsmen will be demonstrating at the fair, including metalsmiths, woodcarvers, glass artists, sculptors, potters, and jewelers of all kinds.

A bicentennial quilt hand-made by the Arts and Crafts Club members will be given away that day. Tickets for the quilt will be sold at the fair, where the quilt with its red, white and blue variable stars and bicentennial symbols is displayed.

of election that made George Washington our first President, and the protest against the Constitution that led to the adoption of the Bill of Rights.

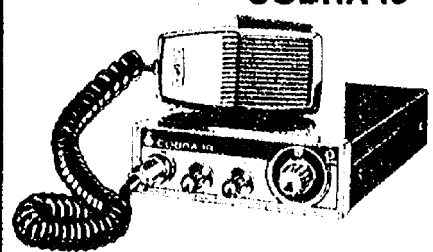

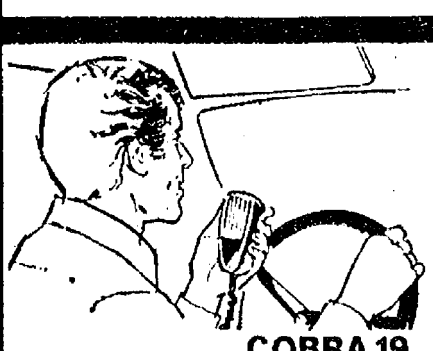

Included also is George Washington's Inaugural Address of 1789. The publication features an exact facsimile of the text from which the President read, written in his own clear hand. The accompanying five-page historical note describes the first election and discusses the authorship of the text of the address.

In addition to documents relating to the Bicentennial, the booklet lists other historical documents including the Emancipation Proclamation, The End of World War II, and Into the New Realm, a documentary history of America's venture into space.

Documents from America's Past is one of almost 250 selected Federal consumer publications listed in the Spring edition of the *Consumer Information Index*. Published quarterly by the Consumer Information Center of the General Services Administration, the Index is available free by writing to Consumer Information, Pueblo, Colo. 81009, or may be obtained from Federal Information Center throughout the country.

Temporary Agreement Reached in Lake Issue

After a long session in the courtroom of Judge Paul R. McHale, Livingston County Circuit Court, on Monday, May 24, a temporary agreement was reached regarding the number of sailboats on the lake, according to the Livingston County Yacht Club on Portage Lake this summer.

A law suit was filed against the sailing club and the state by the Portage and Base Lake Property Owners Association which opposed the number of sailboats being planned this summer. A mutual agreement was worked out by the two parties at the hearing, according to Judge McHale's office.

The temporary agreement will cover June 15 to Sept. 7 and will allow one sailboat per weekend on alternating Saturday and Sunday afternoons between 1 and 6 p.m. and will be 1 1/2 to 2 hour duration with a 60-foot maximum.

A DNR permit issued to the Yacht Club this year allows, in part, sailboats on two weekend days with 80-foot maximum. The permit is still under contention and was referred to an administrative judge who will hear testimony from both sides and decide whether or not the permit is valid. A ruling is expected within 90 days, according to a spokesman for the PBLA.

After the administrative judge rules, either side may then appeal that decision.

The controversy came about when some residents of Portage

Lake complained that the number of sailboats races this summer will restrict access to the lake for other types of water recreation. The PBLA brought suit in the Livingston County court.

MICHIGAN'S ASPARAGUS CROP

Michigan's asparagus production went down 23 percent from 1974 but still has the state's largest acreage among fresh market crops. Harvested from about April 25 to June 30, this succulent crop takes three years to grow before its first harvest. In spite of lowered production, our commercial asparagus growers harvested 9,800 tons, valued at \$4.8 million, from 17,900 acres. Heaviest producing counties are Van Buren, Berrien, Cass and Oceana. Most of the crop goes to canneries.

It was a fine year for Michigan apples in 1975 with a 7 percent increase over 1974. Total 1975 apple production was 720 million pounds, valued at \$31,900,000. In volume, Northern Spies and Jonathans, Michigan stands first in the nation, but in total varieties we rank third. Jonathans, McIntosh, Red Delicious and Spies accounted for 72 percent of Michigan's 1975 crop, grown chiefly in Berrien, Van Buren and Kent counties. From the previous year, Northern Spies jumped 33 percent, Red Delicious 19 percent, and Jonathans 12 percent. In apple processing—such as canned and frozen apple products—we rank near the top among apple producing states.

Letters to the Editor

Dear Editor:

Recent Chelsea Standard headlines regarding the George Berrian "case" might have read "CHS Pot Calls Kettle Black." The benign ineptness of George Berrian is never really hurt a child. His accuser, however, in addition to being ineffective in his position as a high school principal for many years. He's a cancer in that school in fact.

And what about the rest of the high school personnel? Doing their jobs better than George is? Exerting positive kindly influences? Being professional, steady, consistent?

Why was he singled out? He's only one person in that beautiful plant where the job just isn't being done. The counselor's office isn't the only bad one there.

The problems are widespread, longstanding, serious, probably start at the very top, go on down, and really should be stopped. Destroying George won't stop them.

Bea Giovanni.

Dear Editor:

The goals of the National Honor Society are to have students participate because of scholarship achievements, character, leadership, and civic activities. In the Chelsea chapter all that has ever been stressed is scholastic ability.

The 76 chapter decided to make the other three qualities, character, leadership and civic activities, have a little more importance. The application, when filled out, would show whether the people possessed the other three qualities.

We realized that the juniors had not known about the application before this year; we wanted to institute it this year and then let it become a basic requirement for the ensuing years.

Unfortunately, the juniors didn't realize the importance of the application. Some just filled in the bare minimum details, with no explanations. A small committee of teachers and a poor representation of NHS members (only three students) went through the applications and decided whether the students should be initiated. The decision was made without the name of the applicant known.

Personally, I think that the seven students not admitted into the chapter should receive an apology from the National Honor Society. The application was not publicized enough and students didn't know the consequences.

Sincerely,
Heldi Enderle,
Secretary, NHS.

To the Editor:

There is so much talk in the news about giving our children a good education. Actually, what is a good education? Bishop Fulton Sheen said in his book "Life Is Worth Living" that education should teach a child the purpose of his existence—where we came from, why we are here, what we

must do on this earth, plus where are we going. Does it do that? Then again with all our education what has been done about preserving peace in the world? With all the knowledge they have accumulated where is the world really? Oh, the brink of World War III or the end of the world. Why, with all this education you would surely think that we could have peace and prevent World War III. You, we sure are an educated society.

Florence Phinney.

Open Letter to

CHS Class of '66

I was disappointed to be notified that there is little interest in our class reunion. Perhaps long distance travel or financial reasons prohibit some of you from coming. But what about those of you who refuse to come, even though each of us harbors some anxiety about the past? The thought of high school brings back memories of those awkward teen-age years. But the standards we used to judge each other by in adolescence no longer exist. Who cares if so-and-so wouldn't sit next to you in study hall, or you walked by yourself from class to class? We were kids; the way we acted and the cliques we formed were typical of our age.

Ten years have passed, and we are adults. If you have gained 10 years maturity, you will view your classmates in an entirely different light. In the past 10 years, each of us has faced problems and concerns of the adult world. Whether you have dealt with unemployment, death in the family, problems of child rearing, divorce, or money hardships—you are not alone. Others share those same situations. But during those 10 years you have also been enriched by the beautiful things in life; perhaps a better relationship with your parents, the love of a child, or husband or wife, the ability to cope in job situations that you never dreamed you'd achieve.

Class reunions do not have to be solely nostalgia sessions of the past, or brag sessions about the present. Think of them in terms of the future—especially in this Bicentennial year when the emphasis is on humanity; people meeting people. A successful reunion would be one in which classmates greet old friends, and make new ones. Take the opportunity to meet someone you never had a chance to know. If you think you have nothing to contribute—you're wrong. You have the ability to extend a hand in friendship, and that's the only measure of success that has permanent value.

I hope that you will change your mind about coming. If not, I'm sorry. We will miss you.

Sincerely,
Judy Wiseman Tefft,
1171 Austin Rd., Brooklyn.
Telephone Your Club News to 426-3877.

Henry T. Conlin Seeking New Circuit Court Post

Henry T. Conlin, Ann Arbor attorney and long-time Ann Arbor community leader, has announced his candidacy for the new 22nd Circuit Court judgeship just created for Washtenaw County.

Conlin has been recognized by fellow attorneys as one of the outstanding trial attorneys in Washtenaw County. "My many years of experience as a trial attorney will be a valuable addition to the 22nd Circuit Court bench," Conlin said. "The Supreme Court Administrator's Office recommended another circuit judge for Washtenaw County because the caseload per judge is one of the highest in the state. I know that I could be of great assistance in bringing our court dockets up to date as well as helping to improve the administration of the legal court system."

"Washtenaw County has been good to me, and now I would like the opportunity to give something in return. I am looking forward to new and exciting challenges on the bench. I am offering my years of legal experience and knowledge of the community, because I feel I can make a real and substantial contribution as a circuit judge for Washtenaw County."

Conlin was born in Ann Arbor, July 16, 1914 and attended St. Thomas Catholic school, graduating in 1932; he attended the University of Michigan, obtaining a B.A. degree; he attended Detroit College of Law, graduating in 1940 and was admitted to the bar by the late George W. Sample, then circuit judge.

He is a member of the Washtenaw County Bar Association, the State of Michigan Bar Association, the American Bar Association, and a member of the American Juridical Society.

He has been admitted to practice before the Michigan Supreme Court and the federal courts; he has served as a member of various State Bar committees and has continued to participate in the continuing legal education offered by the Practising Law Institute.

He was elected to the Ann Arbor City Council in April of 1941 and entered into federal military service in June of 1941.

After the war, Conlin returned to the practice of law in Ann Arbor and was again elected to the City Council in April of 1948. After serving two terms, he was then elected to serve on the Charter Commission which wrote the present City Charter. He has served in various capacities with the Community Chest and was appointed to the Board of Appeals for the City of Ann Arbor.

The Conlin family came to Washtenaw County in the early 1830's, taking up land in Webster and Northfield townships. An uncle, also Henry Conlin, was admitted to practice law in Washtenaw County in 1893. Two of his brothers, Edward F. Conlin and Judge John W. Conlin, both practiced law in Washtenaw County prior to their deaths. Conlin's father, William J. Conlin, was a well-known Ann Arbor merchant for many years.

He was married to Dorothy Marie Love of Detroit in August of 1942; they have eight children.

He has been an active practicing attorney involved in numerous trials before all of the courts of the county. He has had wide experience in trials involving criminal, civil and domestic relations matters.

He has served as township attorney for several townships in the county, including Ypsilanti and Augusta townships.

His practice has included all phases of the law.

In the late 1940's he served as secretary of the Democratic Washtenaw County Committee and chaired the County Convention on several occasions during the 1950's.

He was sent as a delegate to the Democratic National Convention in Philadelphia in 1948.

On the evening of April 14, 1865, President Abraham Lincoln was mortally wounded while watching a performance of "Our American Cousin" at Ford's Theater in Washington. The President died the next morning in a house across from the theater. At Greenfield Village in Dearborn, you and your family can visit the courthouse where Mr. Lincoln practiced law before he got into politics. This building now contains an outstanding collection of Lincoln memorabilia including the Victorian rocking chair in which Mr. Lincoln was seated on this fateful April night at Ford's Theater as well as a playbill from that evening's performance.

Senior Citizens Petition Drive Forces HEW Rules Change

Representative Mike Conlin (R-23rd District) said today he is pleased with the results of a statewide petition drive to help senior citizens participating in state and federally funded services programs. "The state-wide drive netted more than 6,500 signatures from senior citizens all around the state," said Conlin. "The petition urged revision of the Department of Health, Education and Welfare regulations regarding eligibility of some senior citizens for social services programs."

These services programs, provided under Title XX of the Social Security Act, help senior citizens remain independent. They offer opportunities for socialization, transportation, group day care and other services. State and federal funds are used to provide Title XX services programs.

Regulations handed down by HEW last fall required every senior citizen applying for services under Title XX to fill out a complicated three-page application. The regulations also would have done away with group eligibility determinations, which said if an elderly person lived in low income housing or in a model cities neighborhood he automatically qualified for services.

"Many people feared that having to fill out a complicated form would tend to discourage our elderly citizens from taking advantage of the services offered," Conlin said. "That was the reason for the petition drive."

Republican legislators spearheaded the drive by asking senior citizen groups in their district to circulate petitions. Conlin said, "The bill providing these funds (H.B. 6155) has passed both houses of the legislature and is on its way to the Governor for his signature, which is expected immediately."

Based on the strength of passage in both houses, the Department of Management and Budget approved making the payments before the Governor signed the bill, the money went in the mail last Thursday (May 20).

"Payments were delayed for more than a week because of a delay with the bill in the Senate," he added.

The bill is a supplemental appropriation to the Department of Social Services to provide money to carry it through the end of June. Payment to child foster care, day care, and Medicaid providers was also delayed, but should be received any day now also.

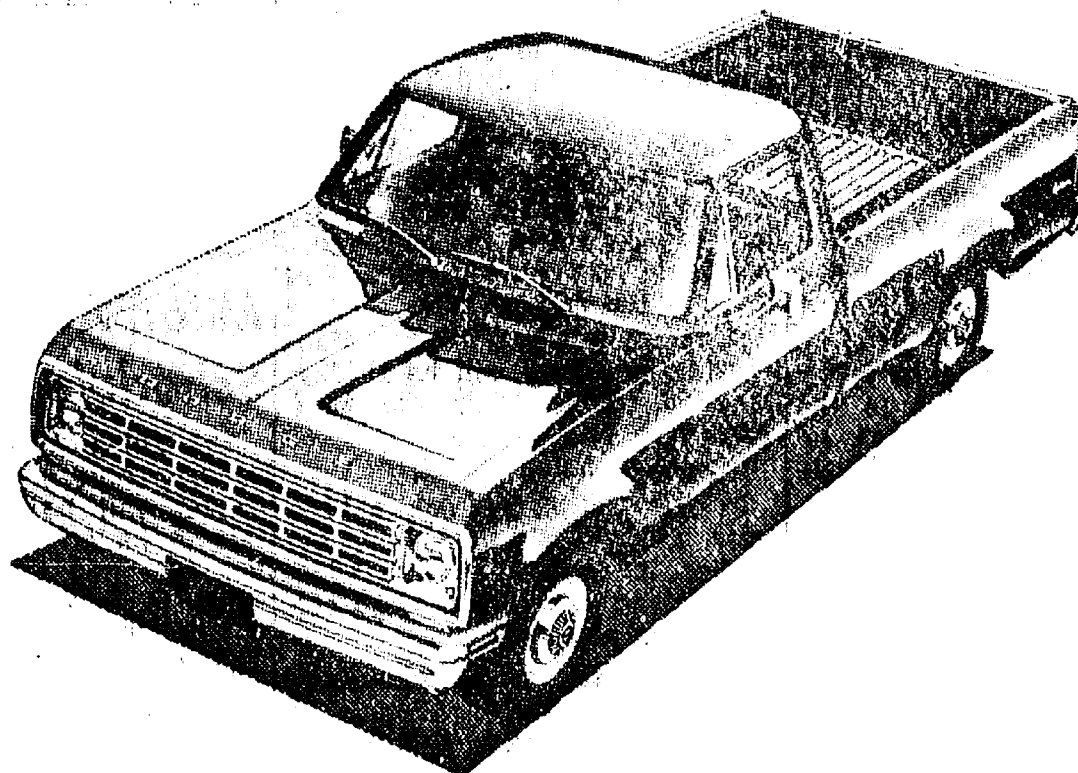

MICHIGAN'S CABBAGE CROP

Michigan has 4,500 acres of commercial cabbage fields. Among our counties, prime areas are Monroe, St. Clair, Kent, Bay and Saginaw. At a value of \$2,939,000, Michigan's 1975 cabbage crop totaled 74.4 million pounds, down about nine percent from 1974 when we produced 82.2 million pounds. Michigan ranked ninth among the states in cabbage.

Size of the average Michigan farm continues to increase, with the 1975 average of 155 acres. There are 80,000 farms in Michigan.

Counting on the biggest payload, the best gas mileage, and the lowest price of any pickup made in America?

THEN COUNT ON A DODGE PICKUP

1. LOWEST PRICE.

The manufacturer's suggested retail price for a Dodge D100 conventional cab is only \$3,677, excluding taxes, optional equipment, destination charges, and license and title fees.

2. BEST GAS MILEAGE.

According to EPA estimates, a Dodge D100 with a 225 six-cylinder engine with a

manual transmission got 25 miles per gallon on the highway and 18 in the city. Your actual mileage may differ depending on the type of driving you do, your truck's condition and its optional equipment.

3. BIGGEST PAYLOAD.

Dodge has a payload that can make small work of the biggest jobs. Without beefing it up one bit, you can haul up to 1,505 pounds.

Varied Recreational Activities Are Found at Methodist Home

There is a wide variety of recreational activities to be found at the Chelsea United Methodist Retirement Community. Residents of all levels of living may take advantage of a number of different types of activities, both in private or small group recreational times, active games and equipment activities, as well as large group parties and get togethers.

One may involve himself or herself in recreational activities in the private room as he or she desires. Letter writing, reading, watching television, assembling picture puzzles are some of the private recreational activities as well as handicrafts that are done in one's own chair. One of the residents takes pride in putting together one jig saw puzzle a week to display for the other residents to see.

Very frequently one sees small groups of residents gathered in putting together jig saw puzzles, table games, Scrabble, or cards. Most of these are unscheduled although some groups have a regular weekly or daily time for their get togethers. Most of the halls have monthly meetings and some meet weekly for sharing and enjoying a pleasant time together in their own lounge.

Among the active activities and large group events are shuffleboard, times on the shuffleboard courts which may be spontaneous or regularly established periods. Croquette, bingo, nights, and game nights are opportunities to get together to play table games usually with popcorn or some other treat. Sing-alongs, as well as special parties such as the annual Halloween party, are other social events. One very special event each year is the Christmas morning breakfast at which time Santa Claus usually comes to distribute the bags of gifts that have been given to the residents of the Home.

Arts and Crafts

Arts and Crafts Studio is a very popular room, teeming with ac-

tivity during the morning hours, five days out of each week.

Under the guidance of volunteer Mrs. Eleanor Meininger, articles of every size and description are produced. There are Christmas trees and night lights; vases and dishes of many kinds; and animals, large and small.

This work attracts many persons who are physically limited in their activities. There are those whose hearing is badly impaired, and those who are confined to their wheelchairs, entirely unable to walk. While producing a beautiful article with their hands, these residents are enjoying happy visits with their companions at work and they are also earning the little discount from the sale of their productions.

This work provides a medium for self expression and stimulates a feeling of renewed ability.

Hobbies and Talents

Many life-long hobbies and talents are continued in the residents' own rooms. Many of such articles are placed in the show case and are for sale, the income from their handiwork entirely their own. Among such articles are crocheted infants' kimono jackets and tiny booties, adults' caps and slippers, afghans, lace-trimmed handkerchiefs, hot pads, oven mitts and aprons of many different styles.

Some residents do tatting, others knitting, and much very beautiful stationery is designed and produced.

One resident specializes in the making of stuffed dolls, such as clowns and other favorite characters loved by children. These dolls are in constant demand.

Several hobby shows have been held. Since many unusual handicraft articles have been brought out, these shows have created much interest. Youth volunteers who were serving at the time the last hobby show was announced brought hooked rugs, paintings, and doll furniture made out of

popstick sticks. The residents brought beautiful quilts and paintings, delicate glass work, also aprons, rugs and ceramics.

Under the direction of special instructors some new skills have been introduced, such as weaving and board art. The weaving has been only recently introduced and already a beautifully woven pillow is being exhibited.

The annual Bazaar will be held Oct. 26, at which time hand-made articles in abundance will be exhibited and placed for sale.

Sewing Room Activities

Sewing room activity is under the direction of Mrs. Cora Dolan, a volunteer worker and a resident of the Garden Apartments. Mrs. Dolan spends much of her time in mending for the Health Center and in other activities she has several valuable assistants.

Quilt tops are made by some of the residents, then brought to the sewing room to be assembled, tied, finished and ready for sale.

Large, beautiful pillows are made, also for sale. Walker bags are made for residents' use, hot pads for the kitchen, and bibs and lap robes for use in wheelchairs and on hospital beds.

A few of the residents piece quilt tops in their own rooms. A short time ago a blind lady made several tops in her room; her neighbor then cut the blocks and sorted the dark and the light squares into separate piles. Remembering the two types, the blind resident pieced the quilt tops, spending many enjoyable hours, happy to be usefully employed.

Religious Life

The religious life of Chelsea Home is promoted in various ways. Of most importance is the lovely chapel, where services are held every Sunday morning at 8:45, and where fine Sunday afternoon programs are often provided for the pleasure of the residents. Church choirs and other large

ARTS AND CRAFTS FACILITIES at the Chelsea United Methodist Home allow Home members to pursue their creative talents. Here Llewellyn Appling pours into a mold in the work shop.

or small groups sometimes come long distances to present their inspiring programs. Such programs are well attended by the residents of the Home.

Special noon-time programs are arranged by the chaplain at special seasons of the year as the Advent season and the Lenten period. At all times the spirit of Christian living is promoted and maintained.

Enough money can buy almost anything except peace of mind and a clear conscience.

Tasting Spree Will Feature Best Cooks

As part of the Western Washtenaw County Bicentennial activities, an area-wide Tasting Spree is set for the three communities of Dexter, Manchester and Chelsea.

Purpose of the event is for better known cooks and homemakers of each area to prepare their specialties for a select number of the public and include the recipe for their specialty.

Dexter's Tasting Spree will take place on July 8, Manchester on July 22 and Chelsea the week of Aug. 15.

Calling on some of the finest cooks in the area to offer their favorite and more specialized culinary offerings, the special cookbooks that are being offered at the Bicentennial Tasting Spree will truly become a prize collector's item in years to come.

In the three major areas of Western Washtenaw county, Dexter, Manchester and Chelsea, the Tasting Spree will be offered as one of the outstanding attractions of the Bicentennial.

Only a limited number of tickets will be sold for the Tasting Spree and only capacity will be sold. The purchaser of the admission ticket will be given a small taste of every type of food offered in each area's locale and a cookbook telling how each specialty dish is made.

Only the specialty foods of each area will be presented at the individual community Tasting Spree. However, the recipes for each area will be contained in the special Tasting Spree Cookbook. Only those attending the Tasting Spree will receive the specially printed recipe books.

DHS Alumni Banquet Set

The Dexter High School Alumni Association invites all alumni to the annual banquet set for June 12 at Wylie Middle School. The reception begins at 5:30 p.m. with the choice of ham or beef dinner at 6:30 p.m. for just \$5 per person.

Highlights of the evening will be the awarding of two scholarships to a graduating girl and boy. Also the Class of 1920 and the Class of 1951 will be honored this year.

Officers working on the banquet include Lee Ormsby, 51, president; Pat McLeod, 31, first vice-president; Ann Shoop, 73, second vice-president; Edwin Coy, 56, treasurer; Margaret Marz, 45, corresponding secretary; and Janet Karvel, 38, recording secretary.

AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU

★ Don't Ask Uncle Sam To Do It for You

Our system of free enterprise is being strangled in red tape and regulations as we rely more and more on government making decisions for us. The attitude seems to be, "let Uncle Sam take care of it; let the government decide, after all that's why we have people in Washington."

How often have we heard that the government should "do something." Little do we realize how much the government has already done.

The federal government or one of its multitude of agencies decides how consumer goods should be labeled, what should be shown on prime time television and if the design of certain machines presents safety hazards.

In a recent speech, Secretary of Agriculture Earl L. Butz pointed out that each time we ask government to take over more of our personal responsibilities, we have lost that much more freedom of choice as individuals.

Not only are we giving up individual responsibility, but we are also adversely affecting our economic system of free enterprise when we allow government to make our decisions for us.

"Over-regulation is strangling our ability to produce," Butz says. Restriction on free enterprise hurts the small businessman more than the giant corporation.

It's Farmer Jones, Mom and Pop's Grocery or Smalltown Manufacturing who decide to fold up their business because of the pressures of government regulation. J. C. Penney and General Motors can hire a crew of lawyers to figure out how to operate within the restrictions.

The best way to guarantee that big business serves its customers efficiently is to assure freedom of entrance into every type of business venture. If a single proprietor thinks he can out-compete the big guy in a particular line of business in a particular location—more power to him. Don't discourage him by burying him in paperwork or stifling him with regulations. Let the buying public determine the success of a business.

Since the Revolution, Americans have held that they are responsible for their own lives, their own choices, their own economic activities and their own destinies. If we are to retain this individual integrity, it's time to call a halt to "letting Uncle Sam do it."

Letters to the Editor

To the Editor:
Some of the charges said against Mr. George Bergman Chelsea High school counselor, were just disgusting.

There are 930 students at Chelsea High that two counselors handle. Now, that's quite a work load on two people.

Mr. Bergman has been a devoted person to all of the young people in Chelsea and I would say let them be the judge of what Mr. Bergman's counseling means to them. Right, all of you people who know him?

Florence Phinney.

ASK THE GOVERNOR

by William G. Millham

Question: This PBB business is getting out of hand; there are dead cattle on farms, boot-dragging on claim settlements and too many unanswered health questions. What are you doing?

Governor: I have met with farmers whose herds have been affected and I know how frustrating it is that nearly 30 months have elapsed since PBB contamination was discovered—while so many claims remain unsettled.

This has proven to be a problem of unprecedented complexity and the usual methods of resolution that state government has available to it to solve similar problems—such as contamination from mercury, DDT and PCB—have not been able to solve this problem.

The principals in the problem are private parties: Farm Bureau Services, Inc., the Michigan Chemical Corp., their insurers and attorneys.

These parties have spent the past 30 months doing all they can to present the arguments most favorable to their own interests because the resolution of ultimate legal responsibility involves a great deal of money—millions, in fact. State government has intervened only to force the responsible parties to meet their obligations and to prod action on the legal issues.

Furthermore, the state has a role to protect the public health and welfare and to lend assistance to private citizens in the protection of the public health and welfare.

I have taken these steps to deal with the problem:

—Creation of an Oversight Committee to monitor claims settlements and to report on the speed with which they are being settled;

—The creation of a scientific advisory panel to study the human health aspects of PBB contamination;

—A program to bury some 450 carcasses still on Michigan farms as of March 5 and a search for a disposal site for voluntary disposal of dead animals.

Question: I am a little puzzled as to why the auto mechanics licensing bill was passed. I don't see how it protects the consumer; and I think the prices of a car mechanic will skyrocket. Do you believe it will help?

Governor: Yes, I believe it will help the consumer. One development that we have seen over the last several years is a widespread concern on the part of consumers that they are paying too much for

repairs on automobiles, and this legislation has really come about in response to that understood concern by the legislature. I think the net effect will be one of protecting individuals and car owners who are consumers. The bill certainly will be tried for a period of time. I am hopeful it will be effective. It will be altered and amended if it is found to be inequitable in some aspects, but I am convinced enough that it will result in protection of consumers to have signed the bill. We should live with the new law awhile to determine whether in fact it will accomplish that.

Question: Is it true that motorists can now make a right turn in a red light?

Governor: Beginning March 31, motorists in Michigan will be able to turn right on a red light—that is after coming to a full stop and after other vehicular and pedestrian traffic has cleared. The only instances where such turns will not be allowed is when there is a posted sign indicating that the turn is not permitted.

In addition to right turns on red, the new law permits left turns on red onto one-way streets—again, after a stop and when traffic has cleared. Right turns on red are now permitted in many states in the interests of saving time, conserving fuel and reducing traffic congestion at intersections.

All motorists and pedestrians are urged to use extra caution at signalized intersections, especially during the first weeks in April after the law becomes effective.

Isle Royale is U. S. Territory and part of Michigan by mistake. Guided by inaccurate English maps which showed the island much farther south than it really is, negotiators at the Revolution's end agreed that the island belonged with the Upper Peninsula.

4-H Teens Complete Leadership Series

Eleven Washtenaw county 4-H teens have completed an eight-week Youth Leadership Series. The course which was sponsored and conducted by the Huron Valley Toastmasters, 1909, began on March 30, and was completed with "graduation" on Tuesday, May 18 at the Saline High school.

The 11 county youth who received completion certifications were: Lynn Kennedy, Ypsilanti; Karen Baldus, Dexter; Sharon Dible, Ann Arbor; Debbie Neal, Willis; Daryl Singleton, Saline; George McCalla, Ann Arbor; Don Pittmann, Ypsilanti; Jane Sias, Chelsea; Robin Knepper, Ann Arbor; Sue Payeur, Ann Arbor, and Ellen Sutherland, Ann Arbor.

Co-ordinating the program from the Huron Valley Toastmasters were Jim Evans, the president of the group, and Jean McCalla with assistance from Joanne Knepper as a 4-H Leader.

Objectives of the Youth Leadership Program are:

1. To learn the importance of effective oral communication; to realize the importance of good speech at all times; to develop the desire to improve; to become more effective in person-to-person contacts.
2. To develop more effective personalities; to acquire increased self-confidence and poise.
3. To become aware of method in speaking; to learn techniques of organizing and delivering

Additional information is available from high school chairmen Rob Winans, Howard Salyer and Bill Rademacher.

More than 12 million Michigan acres are in farms today, compared to 20 million farm acres 50 years ago. Of the 12 million acres today, only six and one-half million is in cropland.

GIRL SCOUT NEWS

TROOP 689—Girl Scout Troop 689 met last Wednesday, May 19, at St. Mary's school. We went over our ceremony for next Wednesday with the Brownies for our fly-up ceremony which will be held on May 28 at St. Mary's gym.

Beth Heller, Scribe.

Former Chelseaites Is Delegate to Dem Convention

Mrs. William (Ava) Frisinger of Issaquah, Wash., formerly of Chelsea has been named a delegate to the Democratic National Convention from King County, Wash.

Mrs. Frisinger, the daughter of Mr. and Mrs. Jeremiah MacDougall of Half Moon Lake, and the daughter-in-law of Mr. and Mrs. Max Frisinger of North Lake and Ft. Lauderdale, Fla., is a 1902 graduate of Chelsea High school. She attended Michigan State University, graduating from the University of Michigan in 1966. In 1967 she was awarded a master's degree from the University of Washington.

The Democratic Convention will be held in New York City this summer.

Jill Steward Granted Scholarship at Southern Utah State College

Jill Steward, a 1975 graduate of Chelsea High school, presently completing her freshman year at Southern Utah State College, was awarded a Scholarship Award, May 8, at a banquet given by the college.

Miss Steward, the daughter of Mr. and Mrs. Francis T. Steward of 11301 Scio Church Rd., had a 4.0 average for studies completed during the winter term.

This summer she will be living in Fillmore, U., where she will be employed as a Ranger's Aid at Fisk Lake National Forest. She is majoring in forestry at Southern Utah State.

Although the American colonies won independence and title to the Michigan area in 1783, the British refused to evacuate their posts until 1796. Thus, British flags flew over Detroit and Michilimackinac for 13 years after the war's end.

McKune Library Has Several New Books

McKune Memorial Library has acquired a number of new books, many of which the new head librarian, Debbie Leabu, feels will be of interest to the community.

Among them: "The Russians" by Hedrick Smith, New York Times Correspondent in the Soviet Union for three years. Smith details daily life in Russia, exposing a more class conscious society than the United States. Most important are the special privileges accorded a chosen sector of the population, such as: chauffeured limousines, private country retreats, a few days' wait to buy a new car rather than a year or two, and permission to shop in special stores where hard-to-get items are always available at lower prices.

For the younger set, or adults who enjoy fantasy, the library is starting to collect C. S. Lewis' seven "Chronicles of Narnia"—excursions into a realm alive with the traditions of Welsh mythology. In the same line of fantasy, the 1976 Newbery Award Winner, "The Grey King" by Susan Cooper. The library has another new arrival in Gore Vidal's bestseller, "1876."

Two new books about the Lindberghs, Anne Morrow Lindbergh's "The Flower and the Nettle," and "Lindbergh," Biography, by Leonard Mosely.

The book most commented on as "exciting" is a war novel about Dunkirk, Harris' "Ride Out The Storm."

An older book has been added to the McKune collection, "I Heard The Owl Call My Name," by M. Craven, which is a very sensitive story exploring life and death through a young missionary's experiences with the Kwakiutl Indians of British Columbia. Many residents may have seen it enacted on TV more than a year ago.

Mrs. Leabu would also like to remind residents of the library's hours. During the day the library is open from 10 a.m. to 5 p.m. Monday and Tuesday and from noon to 5 p.m. Wednesday, Friday and Saturday. In the evening the library offers three two-hour periods from 7 to 9 p.m. Monday, Wednesday and Friday.

Library cards will be issued to anyone six years of age and older. For non-residents, a card to the McKune Library may be obtained for a small fee. And according to Mrs. Leabu, "anything" except those things in the second

floor historical room may be checked out.

Also offered at the library, is an 1881 reproduction of a map of Chelsea... which would make an excellent Bicentennial memento in a simple wooden frame or by itself.

Beta Sigma Phi

Xi Gamma Mu chapter of Beta Sigma Phi enjoyed a tour of the Waterloo Farm Museum May 4. A business meeting and a meal provided by some of the members followed at the home of Ruth Blecha.

On May 19, the meeting was held at the home of Judy Barkley where the new president Ruth Blecha took over after the old business was concluded. Plans were finalized for the group's pretzel making project. They plan to make and sell pretzels during Chelsea Bicentennial celebration day set aside as "Ethnic Day."

The final ritual was held for pledge, Carol Blewett.

Donna Brand re-announced her engagement by passing around a box of chocolates, which is a Beta Sigma Phi tradition.

The previous year's yardstick was filled out to summarize achievement for the International Office in Kansas City.

Lyndon Extension

Lyndon Extension Club met at the Lyndon Town Hall, May 20 with 16 members present. A delicious noon pot-luck dinner was served. Tables were decorated in keeping with the Bicentennial. Bouquets of lilacs served as centerpieces.

Vice-president Irene Hogan called the meeting to order with the Women's Creed. A gift was given to Dorothy Riegar who will move the end of this month to Redford.

The next meeting will be held June 17 at the home of Wilma Kaiser with a noon dinner.

Rocker Marathon

(Continued from page one)

mind all prospective contestants that this is meant to be a fun event and it will be the responsibility of the individual to see that he or she does nothing detrimental to his or her person or to others. The committee is looking forward to a large turnout both in contestants and audience.

Telephone Your Club News To 475-1371.

Ruth Circle

Ruth Circle of First United Methodist church met May 19 at 1 p.m. at the Crippen Memorial Building. Mrs. Louise Gaunt and Mrs. Rennie Buxton served tea, coffee and cookies to 19 members and one guest. Lilacs decorated the tables. The guest, Mrs. Florence Simons, was introduced by Miss Marjorie North and invited to become a member. Everyone present joined in singing "happy birthday" to Mrs. Gaunt who celebrated her birthday May 7.

Miss Marjorie North presided at the business meeting. The United Methodist Women's news sheet was read and discussed. The purpose and function of United Methodist Women was read by Mrs. Elaine McCalla and its importance stressed.

It was reported that Ruth Circle had contributed \$26 towards the Week of Prayer and Self Denial fund.

New membership directories have been compiled and were distributed to those present.

Mrs. Alice Vahue is a patient at St. Joseph Mercy Hospital in Ann Arbor and Mrs. Minnie Lesser is at Chelsea Hospital.

The program chairman, Miss Martha Earles, turned the meeting over to Miss Marjorie North, devotion and program leader for the day.

The devotions were centered around "Spring, not only a season but an attitude." The Bible readings were "The Song of Solomon" and the 100th Psalm, "Daffodils."

"My Neighbor's Garden," "Gardening" and "Making a Garden"

Miss North chose for her program, a theme in keeping with our Bicentennial celebration, concerning the forgotten women of the Revolution. An article written by Ora Dodd relating the histories of seven of the hundreds of valiant devotions, followed by a prayer. were poems used to complete the women who served their country during this period was read by Miss North. She closed the program with a reading of a letter, "Abigail Adams Speaks."

The next meeting of the Ruth Circle will be a pot-luck luncheon June 16 at 12:30 p.m. at the Crippen Building. Members are asked to bring their table service and a dish to pass.

ATTENDS WITNESSES MEETING AT CRISLER ARENA

Robert McInnis, an elder from the Chelsea congregation of Jehovah's witnesses attended a special meeting of the Witnesses at Crisler Arena in Ann Arbor last week-end. More than 14,000 persons were present to hear Timothy Galfas from world headquarters of Jehovah's Witnesses in Brooklyn, N. Y., speak on "Our Faith a Witness to All the World" and "What Does It Mean To Be Separate from the World."

Church Women United Begin Gathering Food for Migrants

At the final Executive Board meeting of Church Women United held last Thursday, it was announced that the state collection for Water Without Walking exceeded the anticipated goal by reaching \$16,000. Chelsea residents helped in achieving this amount by collecting a total of \$161.77.

Wells will be drilled in areas of South Dakota and the U. S. southwest as well as in India, Africa and Bangladesh.

Many persons living in these areas have to walk miles to acquire water. Some Chelsea women contributed a penny to the "Well" fund each time they turned on a water faucet at home; realizing how convenient it is to have water at our fingertips.

The next project for Church Women United is a collection of foods and other essentials for the Migrant Ministry in Michigan.

Church groups will gather all donated items during the coming month. The week of June 28, all collections from churches in the community will be taken to the Methodist church office, where they will be picked for distribution to migrant families.

Individuals wishing to help in this collection, may bring items to the Methodist church office on Park St. week-day mornings June 28-July 2. Items that are especially desirable are flour, rice, oatmeal, coffee, sugar, bathsoaps, salt, canned soup, baking powder, cooking oil, corn meal, peanut butter, canned meats, dried cereal, detergents, blankets, powdered milk, canned juice, canned milk, dried pinto beans, toilet tissue and canned fruits and vegetables. Cash donations are also welcome. Items which cannot be accepted are clothing, home-made canned goods, perishable foods, and beets and wax beans.

The next meeting of the executive board of Church Women United will be held Sept. 16 at the Methodist church. All interested church women are welcome to attend.

Phoebe Circle

On May 19 at 12:30 p.m. Phoebe Circle of the First United Methodist church met at the home of Annabelle Closson. A pot-luck luncheon was enjoyed by 11 members.

Chairperson Darrel Harris presided at the meeting. Minutes of the April meeting were read and approved. Items in the May Communique were read and discussed. An offering was taken for the Heart and Hand House in Philadelphia, Pa.

Lillie Merrell led in a devotional meditation, which was based on Corinthians I, Chapter I, verses 12 to 20 and verse 27. She also read several beautiful friendship poems and a gift was presented to Annabelle in appreciation of her many acts of friendship and help.

We are proud to announce that we are now handling

Mr. and Mrs. Jack F. Dunn

Sunday Brunch Will Honor Jack Dunns on 50th Anniversary

Mr. and Mrs. Jack F. Dunn, Sr. will be honored this Sunday at the home of their son and his wife, Mr. and Mrs. Jack Dunn, Jr., of 555 Washington St. The Dunns have planned a brunch for 80 people to celebrate the senior Dunns' 50th wedding anniversary year. The couple was married Aug. 25, 1926 in Big Rapids.

Mr. Dunn, a 1914 graduate of Chelsea High school, lived with his family in Chelsea for six years before they moved to Ann Arbor. He is probably best known as

Methodist Home Volunteers Honored at Ice Cream Social

The Chelsea United Methodist Retirement Home honored the volunteers from the community at a strawberry ice cream social on Wednesday afternoon, May 26 at 2 p.m.

Volunteers were awarded certificates in recognition of their commitment of time, energy and concern during the past year. They have provided for the residents: craft and exercise programs, driven shopping and doctor trips, checked weight and blood pressure of all residents each month, helped to get out the monthly newspaper and done shopping for those unable to get out.

In the nursing area, volunteers have assisted nurses to distribute mail and water, led exercise and sing-a-long programs, taken notices cart to shut-ins, and provided group social activities and outings. In addition, many volunteers have done friendly visiting on a regular basis. These contacts with the community are of tremendous importance to seniors who need to still feel a part of the world outside.

These programs have greatly enriched the lives of all the people in the Home; the cheery yellow tops and the smiles of the volunteers wearing them have brought sunshine all through the long winter.

The Home has received outside recognition for the excellence of the activities, as the Institute of Gerontology has been video-taping our "Fun with Fitness" program led by Dr. Betty Pease. This will be used as an education tool to motivate other seniors to participate in similar programs, and to train leaders. The residents and volunteers will have an opportunity to see themselves and their friends as TV stars when parts of the video tapes are shown Wednesday.

After the brief program, everyone enjoyed strawberry ice cream

GET RID OF KILLER FAT!

Nobody really wants to be fat — and some people need help. Here's a simple way to lose weight. MONADEX helps curb your appetite. You eat less — You weigh less! Start your MONADEX reducing plan today — you've a new way of life ahead. If you don't lose that ugly fat — we'll refund your money — no questions asked. Also try AQUATABS — a water pill that works gently to help you lose water weight.

Chelsea Co-Op Nursery School Holds Open House

Chelsea Co-Op Nursery School opened its doors on Sunday, May 23, with an Open House for the public and the already enrolled new families of the school.

The children played in many of the special areas in the school and in the fenced in play yard, while the parents talked with the teacher and some veteran nursery members.

Refreshments were enjoyed while wide eyes watched with excitement as magicians, Jeff Boyer and Jim Fitzsimmons, presented a great show, using some of the children to assist them.

Anyone interested in fall enrollment for their three- or four-year-olds please contact Lisell Bowers, 475-1401.

Cancer Golf Outing Winners Announced

Judy Myers and Marian Sprague were co-hostesses for a "Golf for Cancer" outing at the Waterloogolf Course on Thursday morning, May 20.

The many ladies in attendance, in addition to Chelsea Cancer Crusade co-chairperson, Marj Daniels, enjoyed nine holes of golf and refreshments with the following winners announced: Low gross winner was Ruth Dils of Chelsea, with a score of 50. Low putts was Marilyn Sturgill of Grass Lake with 16.

WISNIEWSKI-VASAS: Mr. and Mrs. Anthony Wisniewski of Waterloo Rd., have announced the engagement of the daughter, Deborah Ann, to Edward Vasas, son of Mr. and Mrs. Elmer Vasas of Waterloo Rd. Mr. Vasas is a 1975 graduate of Chelsea High. Miss Wisniewski will graduate in June. A wedding date has not been set.

Many a thing, said in haste and quickly forgotten by the speaker, remains in the heart of the listener for years.

Individual who spend most of their time talking about other people seldom amount to anything.

Modern Mothers Install Officers For Next Year

Modern Mothers Child Study Club installed new officers for the coming year Tuesday, May 25. Barbara Brown is the new president; Sharon Hodgson, vice-president; Pat Coelius, recording secretary; Kay Heller, corresponding secretary; Sandie Mayer, treasurer; Janet Rossi, finance chairperson; and Carol Kvarnberg, program chairperson.

The outgoing officers were each honored with a rose, and outgoing president, Jeanne Riemenschneider, was honored with a gift for a job well done. Hostess for the final meeting of the season was Sue Kett with Pat Coelius, Jan Grenier and Sherri Plank as co-hostesses.

Summer activities include finishing work on the craft book which should be ready for sale about fall, the annual summer picnic for members and children on July 25, and a trip to Eastern Market in late summer.

Chelsea Child Study Club Holds Annual Spring Dinner

Chelsea Child Study Club held their annual spring dinner at Weber's Inn in Ann Arbor, Tuesday evening, May 25.

Honorary member Betty Bust installed new officers for the 1976-77 club year. They are, president, Joan Eisele; vice-president, Nancy Grau; secretary, Camie Noah; treasurer, Betty Cox; auditor, parliamentarian, historian, Sharon Owings.

Other honorary members who joined members and associates for a fun-filled evening were Virginia Dietle, Norma Kern, Shirley Schable and Helen Lancaster.

Each member received a live "mum plant to enjoy in their gardens all summer long.

Chelsea Student Earns Degree at Olivet College

Kathryn Hazel Schafer, daughter of Mr. and Mrs. Robert N. Schafer, 1545 Pierce Rd., a 1976 Chemistry major from Olivet College, received her Bachelor of Arts Degree at May Commencement exercises.

Speech Class Adopts Lizzard At Detroit Zoo

Chelsea High school's second-hour speech class has adopted a large skink lizzard whose home is the Detroit Zoo in Royal Oak.

The adoption came about when the class studying Parliamentary Procedure began a club to practice it and later fund-raising projects. After raising \$40 through a bake sale and class auction, the group desired to adopt the skink lizzard for one year.

Adoptive parents are Mike Beedenbender, Gwen Cameron, Linda Dorr, Duana Evison, Bruce Fairbanks, Leslie Gilbreath, treasurer, Tracie Goins, Becky Harbaugh, Judy Jones, Bryan Kallish, Dawn Klobuchar, Suzy Lewis, Angie Merkel, Carolyn Meyer, Colleen Nusca, Trese Orbring, Cindy Pierce, Kurt Ratzlaff, Joanne Rickelman, Denise Robbins, Mike Rowe, Greg Slocum, Kathy Stepp, Karl Stonebraker and Mary Willan.

Beach Track Teams Close Good Season

Beach Middle school's boys and girls track teams wound up their 1976 season last week without the benefit of their coach, Pat Clarke, who had ruptured an eardrum earlier in a track accident.

Clark who is recovering from surgery to his left ear, said that he is very proud of the season records both teams were able to post.

The boys completed the season with eight wins and two losses, which Pat and his team had earlier agreed upon as a realistic goal. The girls team did equally as well, winning four of their five meets.

In their last week on the track, both teams traveled to Brighton, Wednesday, May 19 where they matched up with Brighton's two middle-schools, Main St. and Maltby, defeating them in a total of four contests.

The boys, in their final dual meet of the season, dealt a 72-57 defeat to Main St. Middle and a 72-26 defeat to Maltby Middle. Clarke, who was not present

for the contest, said he felt the boys did exceptionally well, adding that their quarter and a half mile were not present.

In their own contest the girls defeated the two schools 73-33 and 75-27.

On Friday both teams participated in the Tecumseh Relays. Eleven area teams ran events on the Tecumseh track; Beach Middle school boys placed fourth in the event with 36 points; the girls team was not able to score. Home-team Tecumseh won the relays.

Highlights of the meet for the boys included the marking of a meet record for the shot put relay posted by Chelsea's Bob Ball and John LaBabara who together put 93'7". The long jump relay team of Sam Picklesimer and Carl Simpson came in second, while Chelsea's pole vault relay team of Blaine Suliman and Shaun Murphy took third. A first place was awarded to the 880 relay team of Suliman, Mike Higgins, Sam Picklesimer and Ball.

Starting Pistol Ruptures Track Coach's Eardrum

Teacher and track coach at the Beach Middle school, Pat Clarke, returned to work Monday morning following a track accident which ruptured his left eardrum, necessitating surgery on the ear last Thursday at the University of Michigan Hospital.

According to Clarke, who said he will not know the full damage done to his ear for a week to ten days, the gun he was holding to start an event between the Chelsea varsity and Saline track teams slipped off his finger and fired as he was bringing it down after a false start.

Clarke said he was treated at the Chelsea Medical Clinic Wednesday and referred to the U. of M. Hospital where doctors performed surgery Thursday.

Clarke said the hearing in his right ear was not affected; however, his left ear continues to ring. He also said he was fortunate that the rupture did not send skin into the inner ear, which could have caused him difficulty in balance.

Randy Johnson took over coaching duties for Clarke during his absence.

Village Street Clean-Up Scheduled for June 4-5

"If you can't push a broom, you can hold a garbage can,"

Track Team Wins

(Continued from page one)

Pole Vault: 1st, Matt Haydauff, 13'; 2nd, Randy Sweeney, 12'6"; 3rd, Mark Burnett, 12'.

FOSTER'S MEN'S WEAR
Ph. 475-1606 Chelsea, Mich.

OLD GLORY AFGHAN: Betty Koch, a member of Chelsea's Chapter of Beta Sigma Phi, crocheted an Old Glory afghan to honor the Bicentennial and her sorority with a money-making project. The afghan is composed of a total of 253 daisies. On the left side, a blue field holds 50 smaller white daisies each representing one state. The afghan may be seen at Tailfeather Creations.

Men's Softball Season Begins Next Tuesday

Chelsea's adult summer softball program gets under way on Tuesday, June 1. This year 23 teams will compete in both slow and fast pitch leagues.

Fast pitch games will be played on Mondays, Wednesdays and Fridays at the lighted field.

The A League slow pitch games will be played on Tuesdays and Thursdays at the lighted field; B League slow pitch games will be played on Mondays, Wednesdays and Thursdays at the unlighted field at the high school.

Opening the season on June 1 will be McCalla Feeds vs. Huron Valley Poured Walls at 6:30 p.m. Following that game at 8 p.m., Walt's will play Norm's Body Shop. The last game of the night at 9:15 p.m. is IPSCO vs. Eagles. Playing their opening game on Thursday night at 6:45 p.m. will be Village Motors vs. P & R Pallets.

Fast Pitch league opens on June 2. The first game at 6:45 p.m. sees Hackney & Bennett Installation playing Thompson's Pizza. The late game at 8:30 p.m. is Jiffy Mix and Dunlavy-Krull Construction. On Friday, June 4 the early game will be Ann Arbor Centerless vs. Zion Lutheran. The late game that day is Chelsea Merchants versus

Waterloo Lilies Boot Bell Bottom Belles

The Waterloo Lilies belled the Bell Bottom Belles in their softball game Saturday, 18-16. It was a good, close game, with the lead see-sawing between the two teams all the way.

Many fine plays were made in the game, with a lot of batters hitting 1,000. About the best play in the game came when Debbie Klink made the final out of the game with a fine running catch.

Better luck in your next game, Belles.

Telephone Your Club News To 475-1371.

FFA Awards Made Friday at Banquet

The 1976 Chelsea FFA Banquet was held last Friday at the Fair Service Center. FFA members, parents, and special guests attended.

The banquet started off with opening ceremonies performed by the 1975-76 officers. The invocations were given by master of ceremonies Douglas Welshans. Welshans spoke of his reflections of his past four years as an FFA member. Slides were shown of the chapter's activities for the past year.

Receiving the Chapter Farmer Initiation degree were James Billinger, Tim Welshans, Bill Van Riper, Tom Sanderson, Edie Houk, and Victor Verchereau. Receiving Honorary Chapter Farmer Award were Bill Van Riper, Bill Chandler and Rod Powers. This award was given to the adults who have helped the FFA in various ways. The three received a token of membership.

Bill Kasefang, speaker, spoke on what the FFA meant to him. Kasefang lives on a 600-acre dairy ranch in Blissfield.

Chapter Awards were given to the top seed salesman, Scott

Powers; Mike Stapish for job interview; demonstration, Shelley Hatt and Debra Harrison; public speaking, Sue Dowhal; parley pro, Nelson Bollinger; Jerry Huehl; Doug Welshans, Dave Frame, Tom Clemons; forestry, Bill Klobuchar; dairy showmanship, Dawn Roderick; poultry judging, Shelly Hatt, Debbie Harrison; dairy judging, Dan Grau, Dan Trinkle, Tim Welshans; poultry chairman, John Whitaker, Dennis Thompson.

Proficiency Awards were awarded to Tom Clemons for A placement; Douglas Welshans for swine production; Jerry Huehl for sheep production; Villy Van Riper for crop proficiency; Don Welshans for beef production; Welshans also received an award for scholarship and leadership.

The top three awards went to Scott Powers as star greenhand; Tim Welshans as star chapter farmer; and Doug Welshans received the DeKalb award for being the outstanding senior.

Michigan, as the chief arena for the collection and transport of furs, was of significant importance in the Revolutionary War.

Girls Track Team 3rd in Regional Meet

The Chelsea girls track team had a good day at the Class B Regional held at Harper Creek last Saturday. The team finished third behind Holt and Albion with a total of 23 points. Three relay teams and three individuals qualified for the state meet to be held June 5 at Comstock High school, as well as setting three new school records.

The 880 relay team of Marie Fahrner, Colleen Collins, Angie Merkel and Susan Frisbie scored the first points by placing third behind Holt (last year's state champions in this event) and Albion with a new school record time of 1:47.2.

Shelley Warren placed second and qualified for the state meet in the 880-yard run with her best time this year, 2:29.5. Carolyn Schardein placed fifth in the event with a time of 2:34.6.

Marie Fahrner qualified for state by finishing second in the 100-yard dash in the closest girls' race of the day. First-place winner, Karen Harris of Albion, and Marie crossed the finish line together with identical times of 11.4, a new school record.

Angie Merkel placed fifth in the 440 with a time of 1:03.1. Susan Frisbie, running her third 220 of the day, placed third in the 220 with a time of 26.4. Frisbie ran a 26.0 split in the 880 relay, which does not count as a record because it was in a relay. She will compete at State in this event.

The mile relay team, running without a regular member, Penny Collinsworth, came through with a third place finish in a time of 4:19.4. This qualifies them for the state meet. "Monica Hanna did a good job of filling in," commented DiAnn L'Roy. Schardein, Warren, and Merkel are the other team members.

The 440 relay team of Fahrner, Kathy Treado, Collins, and Frisbie set a new school record of 51.6 to finish second behind Albion, last year's state champions in this event. "I am really pleased with the team's performances in a very competitive regional. Holt and Albion have outstanding teams. Holt should be one of the favorites for the state championship," concluded Coach L'Roy.

Girls Defeat South Lyon In Last Dual Track Meet

Chelsea girls track team closed their dual season by defeating South Lyon, 84-30. The girls go into the Conference Meet with an over-all record of 8-1.

First-place winners and Chelsea placers in the South Lyon meet are as follows.

Shot Put: 1st, Annette Gaken, 28'; 3rd, Dana Waite, 25'5".

Discus: (SL), 1st, Diane Colbert, 103'9"; 3rd, Dana Waite, 84'3".

Long Jump: 1st, Diane Colbert, (SL), 14'3"; 2nd, Colleen Collins, 14'2"; 3rd, Kathy Treado, 13'8".

High Jump: 1st, Shelley Warren, 4'8"; 2nd, Kathy Treado, 4'8"; 3rd, Dana Waite, 4'8".

880 Relay: 1st, Chelsea, 1:51.1 (Fahrner, Collins, Merkel Frisbie.)

880 Run: 1st, Shelley Warren, 2:36.1; 2nd, Carolyn Schardein, 2:37.2; 3rd, Monica Hanna, 2:46.4.

110 hurdles: 1st, Laura Kootsilas (SL), 16.5; 2nd, Annette Gaken, 16.7; 3rd, Kathy Treado, 17.2.

1 Mile: 1st, Judy Powers, 6:14; 2nd, Penny Collinsworth, 6:15.3.

100-yard Dash: 1st, Marie Fahrner, 11.5; 2nd, Connie Pearson, 11.5.

12.1; 3rd, Sue Heller, 12.7.

440-Yd. Dash: 1st, Angie Merkel, 1:02.6; 2nd, Carolyn Schardein, 1:04.4.

2 Mile: 1st, Donna Bauer, 14:42.

220-Yd. Dash: 1st, Sue Frisbie, 27.3; 3rd, Colleen Collins, 29.6.

Mile Relay: Chelsea, 4:40.2 (Waite, Pierce, Schwarze, Powers).

440 Relay: Chelsea, 53.1 (Pearson, Treado, Collins, Fahrner).

Girls Softball Team Loses DH to S. Lyon

The Chelsea girls varsity softball team hosted South Lyon last Tuesday and lost both games of the double-header. A five-run fifth inning sewed up the first game for South Lyon and they went on to win, 17-11.

South Lyon is the best-hitting team in the league and in this game they got eight hits, including a home run.

Chelsea also got eight hits with Kathy Schmitke, Kim Moore, Cindy Armstrong, Teresa Breza and Karen Keiser all contributing. Cindy Broderick hit a double that turned into a grand-slam homer on errors and she also batted in five runs during the game. Sue Heydlauff and Brenda Salyer shared pitching duties.

In the second game, a poor first inning put Chelsea down, 6-1, and "we never caught up," said coach Cindy Bradbury, losing, 17-10. South Lyon again out-hit the girls, 10-3 and added another home run. Getting hits in this game were Kim Moore, Teresa Breza and Sue Heydlauff.

On Friday, the girls played Leslie at home. "It was our second meeting and our second win at their expense," commented Bradbury. "We agreed to play a 10-run inning rule whereby once a side scores 10 runs, they stop batting regardless of outs. In the fifth inning, 10 runs were scored and Chelsea retired to the field with no outs. The team went on to win, 25-7. Leslie had us down 6-3 after two innings, but we came back to allow only one more run in the fifth and held ourselves to five errors."

Getting hits for Chelsea were Kathy Schmitke with two singles, and four RBI's, Cindy Broderick, Jane Barnes with two hits and two RBI's, Sue Heydlauff with three hits and three RBI's, Teresa Breza and Cindy Welshans with two hits and two RBI's. Sue Heydlauff also pitched the entire game and struck out five batters. Saturday the girls will meet Okemos on the home diamond at 11 a.m. for tournament play.

Mac Packard Chosen to VFW District Office

At the Veterans of Foreign Wars District VI meeting in Lansing May 16, Mac Packard was elected Junior Vice-Commander of the District. Twenty-nine posts compose this district.

Also elected from Chelsea were Ken Platt, membership chairman and Fremont Boyer as a three-year trustee.

Eight post members and six auxiliary members attended this joint meeting.

TOP DANA BOWLERS: Dana Chelsea plant is fortunate to have two winning bowling teams for 1976. The Dana's Top Five (Senior House, Chelsea Lanes) team captain Jesse Fortner (right), presents plant manager Ron Bollet with the first-place trophy while Robert Bray, team captain for the Kings and Queens presents Bollet with the first-place trophy won at the Michigan Recreation Center in Jackson.

Fitness Class Offered By Rec. Council

Those who are concerned about fitting into a bathing suit this summer, or would like to whip themselves into shape for the rigors of summer should consider a new program being offered by the Chelsea Recreation Council.

The new offering, an adult fitness program, will consist of progressive exercises to improve muscular and circulatory fitness, including running and calisthenics. The program will start at a very low level and progress slowly each week.

If enough interest is expressed, classes will begin Monday, June 14, at 7:30 a.m. and meet on Mondays, Wednesdays, and Fridays for six weeks. Those interested should contact Dale Schumann at 475-2648 or Jim Winter at 475-9346.

Afternoon Shift Supervisor Named At Hospital

Mary Elizabeth Loso, RN, has accepted the position of afternoon shift supervisor at Chelsea Community Hospital, it was announced today by Willard H. Johnson, administrator.

Her role is to co-ordinate and supervise the functions of the Nursing Department throughout the hospital on the afternoon shift, including in-patient units, intensive coronary care units and the emergency room.

Mary is a graduate of Mercy School of Nursing in Detroit and has been an intermittent employee of the hospital since 1970. She has spent the last two years as afternoon charge nurse at Chelsea Community Hospital. Her previous nursing experience includes St. Joseph Mercy Hospital, Ann Arbor; Sacred Heart Hospital, Eau Claire, Wis.; Little Taverse Hospital, Petoskey; and Las Vegas Hospital, Las Vegas, Nev.

Mary has traditionally spent her summers at her cottage on Bass Lake, and her winters in traveling and working in more summer-like climates. She now intends to be located in this area year-round.

VFW Post, Auxiliary Hold Joint Installation

A joint installation of new officers for VFW Post 4076 and its Auxiliary was held Wednesday, May 19 at the VFW Hall. Byron and Betty Smith chose Mr. and Mrs. Bill Goodwin, past District 6 commander as their installing officers. The couple was accompanied by Mr. and Mrs. Jerry Gerard and Mr. and Mrs. Floyd Melsner of Post 6132, Lansing and John Dodson.

As president of the Auxiliary, Mrs. Smith will have senior vice-president, Norma Seyfried; junior vice-president, Bessie Sharp; treasurer, Mary Kniss; chaplain, Gertrude O'Dell; secretary, Dorothy Lenz; conductress, Joan Barnes; guard, Nina Matthews; trustees, Elsie O'Dell, Lucy Platt, and Sandi Ellenwood; musician, Marion Rutledge; historian, Dorothy Lenz; banner bearer, Jeannette White; flag bearer, Bernice Schneider; patriotic instructor, Eleanor Farley; color bearers, Lucy Platt, Marie Adon, Eulalie Packard and Geraldine Klink as her work force and officers.

Working with Mrs. Smith will be junior vice-commander, Kermit Sharp; quartermaster, Laurence Boyer; adjutant, Warren Wadhams; post advocate, Mac Packard; chaplain, Bill Pierce; guard, Tom Collinsworth; post historian, Fremont Boyer; trustees, Gary Kent, Ken Platt and Frank White.

This is the second time in the 31-year history of the organization that a husband and wife have held top honors in the Post and Auxiliary. The first time was in 1972 when Mr. and Mrs. Frank White served as post commander and president of the auxiliary, respectively.

Hole-in-One Hit By Tom Stepp

A number five wood sank a hole-in-one Saturday for Gregory resident Tom Stepp on the number five hole (180 yards) of the Willow Creek Golf course in Stockbridge. Stepp recorded a total score of 36 for the nine-hole course, just one stroke above par. Playing with him were Jim Fetterman of Gregory and Paul Mosher of Grass Lake.

Other guests from the District included the commander, Marvin Smith and his wife, Lucille, from Erie. Mrs. Smith will be the new junior vice-president of the district; and incoming senior vice-commander, John Rothenberger and wife from Carleton, and John Pappas; Mr. and Mrs. Ron Ward of Wyandotte, a nd grand junior vice of Michigan Order of Cooties and Mrs. Aletha Barnes from Chipewake Lake.

Outgoing Commander Kent and President Barnes were presented with Certificates of Life Membership in the VFW National Home in Eaton Rapids and their past-officer pins. Kent was given an American Flag cloth set by the Americanism chairman Mac Packard.

Mac Packard was presented with his past adjutant's pin for more than 18 years of service.

A lunch and social hour followed the installation. Mr. and Mrs. Smith will take over their respective chairs following the State of Michigan Convention being held in Sault Ste. Marie the third week in June.

MRS. PATRICIA PARR, daughter of Mr. and Mrs. D.R. Young of Chelsea will graduate from Mercy School of Nursing, Detroit Sunday, May 30. Mrs. Parr is a 1971 graduate of Chelsea High school. She attended the University of Michigan before pursuing a nursing career at Mercy. She is the daughter-in-law of Mr. and Mrs. Floyd Parr of Manchester.

REAL ESTATE

ALWAYS DREAMED of that little place "up North" to get away from it all? Here it is, a small cabin in the Chippewa Forest in Mecosta County with access to Diamond Lake. Only \$6,000 with \$2,000 down on 7 1/2% land contract. Less for cash.

THIS NEWLY BUILT, and nearing completion, 3-bedroom house is waiting for its new owners to put their personal touch on it with the selection of carpet colors and kitchen cabinets. You'll be pleased with the livability of this well-planned home, and enjoy the extra space in the full walkout basement and double garage on 4 acres only 15 minutes to Chelsea. \$45,000.

THINK SUMMER and how you will enjoy this 3-bedroom lake-front home with tall shade trees, good beach. You'll enjoy the winters too with the cozy fieldstone fireplace and pretty carpeting throughout, excepting the enclosed porch which overlooks Big Portage Lake (Jackson County) on leased land for only \$20,000!

THIS LITTLE STARTER, or retirement home in Village of Munith might be just what you're looking for. It has a kitchen, dining room, living room, one bedroom, bath and two enclosed porches, oil forced-air heat, and the yard is not too much to take care of, but has a garden spot and shade trees, for only \$12,500. Land contract possible with \$3,500 down.

THIS OLDER but very well built home on the edge of Grass Lake Village is as neat as a pin and planned for a large family to enjoy. It has 4 1/2 very large bedrooms, 1 1/2 new baths, new wiring, plumbing and storms and screens, old-fashioned oak wood trim including a large slide-away door at the foot of the open staircase. The excellent dome-roof barn would be a perfect location for a veterinarian, an antique business, etc., on 3 useable acres for \$49,900.

A PRETTY spring-fed pond with weeping willows and visited by wild geese and ducks is a pretty site to behold from the dining area of this gracious colonial-style home. Mom and Dad can relax assuredly in the family-recreation room with the children's playroom in full view. The whole family will enjoy the step-saving intercom system especially when they are in one of the 4 very large bedrooms upstairs, and Dad may find the quiet study perfect for a home office. The 2 1/2 sparkling ceramic baths ease the morning rush and are decorated beautifully. Come and see this home that has all this and much more to offer on 7 acres, in the Dexter Area. \$97,000.

THIS 1.6 ACRE building site is ideally located between Chelsea and Dexter on a good road and is surveyed with 215 ft. of frontage. The drainfield is installed and approved by the Washtenaw County Health Dept. The owners have lowered the price to \$11,500.

15 WOODED ACRES in Waterloo township, situated with a lot of road frontage and may be split into 3 parcels. 1/4 mile off State highway. \$22,500, land contract terms possible.

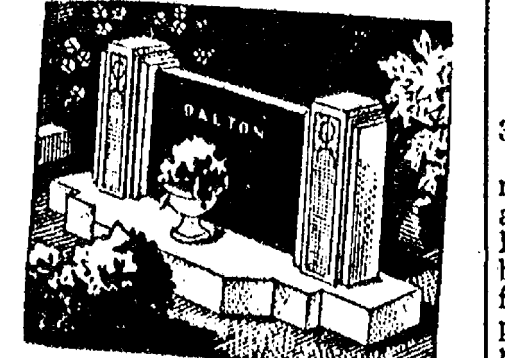

40 ACRES - Mostly tillable, with older home needing extensive repair. Frontage on two roads. Waterloo township, \$34,500.

WE HAVE other building sites in parcels of 1 to 100 acres, some rolling, some almost level, others have woods and marsh.

TODAY'S THOUGHT

By LOUIS BURGHARDT

Time does NOT heal all things. It does not, for example, heal the miseries of those who at one time were of sound mind and body but today are confined in Veteran Hospitals. The legless, the armless, the blind and ailing others, both in and out of hospitals have war time afflictions that can never be healed.

While time can not heal all things, time can easily cause forgetfulness. But not always. The war time disabled, and especially those of sound mind, can never forget their bodies were sacrificed to the war time hysteria and mad demands of despots who cause wars.

In solemn rituals on Memorial Day we honor those who died while serving their flag and country. And properly so. It is a day of remembrance. And properly so. Would it not be proper too to include a remembrance of and for those who offered their bodies in days of martial madness and are now stricken with an incurable ache of the thought of what they "might have been"?

BURGHARDT FUNERAL HOME, 214 East Middle St., Chelsea, Mich. Phone 475-1551.

ABOUT ALCOHOLISM

By DENNIS CONLIN
Executive Director
National Council on Alcoholism
Michigan Division

In this column, we are going to talk about teen-age drinking. We are not going to sermonize to the kids, nor to the parents. We are going to give some facts and thoughts that hopefully will help. Here's the first question:

Do teen-agers drink as much as we have heard?

The answer to that question is regrettably yes. Drinking has a long and, in some areas of society, honored tradition. It's very tough for a child of 13 or so to resist experimenting with alcohol especially when the parents view drinking as a pleasant way to deal with problems. A child has problems also, and when he sees his parents drink to help solve their problems, then why not do the same? There is a lot of peer, or group, pressure put on kids. There are social situations where the child is encouraged to drink by his friends. The reasons are many; some think drinking is a sign of maturity, or a sign of physical strength (how many times have people been overheard to talk about drinking a buddy under the table?). Drinking is viewed as a good thing to do, especially among one's friends.

There is another reason why drinking among teen-agers is increasing in Michigan. The 18-year-old is now legally allowed to buy alcoholic beverages. In an effort to be a "nice guy," those able to buy, buy for their underage friends. The mass media and marketing techniques used today are partially responsible for the upswing in teen-age drinking. Soda-pop wines and pre-mixed drinks with clever names all contrive to influence the immature drinker into buying.

A recent survey at the University of Michigan showed alcohol to be the number one drug used on campus. In interviews, most parents who drink state they would rather have their kids use alcohol than any other drug, even though alcohol can kill as surely as heroin, speed, or any of the other hard drugs, and alcohol can do more damage than marijuana, or the rest of the so-called soft drugs. So it's quite a problem, and one that requires a lot of thought and effort to solve.

Is alcoholism growing in teen-agers?

Again, the answer to that question is a regrettable yes. We talked with John Crane of the Flint office of the National Council on Alcoholism and he tells us there are half a million alcoholics in Michigan and more than a handful are kids. Last year, only about 8,000 alcoholics in our state received treatment. That means there are a lot of undiscovered and untreated teen-age alcoholics out there.

As little as 10 years ago the approximate cut-off age for alcoholics seemed to be around 20 years old. It wasn't thought there could be very many teen-age alcoholics because of the unavailability of alcohol, and from pressures within the family not to use alcohol. Now we are finding that is changing almost faster than we can tell.

John Crane also says today it isn't surprising to find alcoholics who are 12 or 13 years old. These kids show the same symptoms as their adult counterparts, and are in every way just as ill. They go through the same kinds of pressures and misunderstandings as grown-ups who have the disease alcoholism. In some parts of so-

ciety they are treated much like moral degenerates, when all they need is treatment for a disease, just as a child afflicted with any other disease deserves.

Is there help for the teen-age alcoholic?

This time it is fortunate I can answer yes to that question. One of the most effective organizations dealing with the teen-age alcoholic is Alcoholics Anonymous. There is no disgrace to attending AA meetings and the person's name and disease is kept confidential. Just as there is a lot of pressure on the teen-ager to drink, there is also a lot of pressure on the teen-ager not to become involved in such activities as AA. It may be viewed as a sign of weakness (he can't hold his liquor), or it may not be the "thing to do."

It is that type of thinking that must be corrected for the teen-age alcoholic to get any meaningful help, and it should start in the home. The parents have a responsibility to help their child. If the child is ill with any of the normally accepted diseases (if a disease can be accepted as normal) the parents should do what they can to see to his comfort and cure; the same should apply to the disease alcoholism.

Share the Fun Act Winners Are Named

We salute the Salute '76 Share-the-Fun winners. After an evening of talent music and fun several 4-H'ers walked away with honors in the talent festival held in Dexter.

Washtaw county will be represented by five fine acts at the State Contest during Exploration Days on the campus of Michigan State University.

Those acts chosen are:

—America's Own Dance" (Jazz), Beth Woodward; Doshoro Do It Alls 4-H Club, Ann Arbor.

—"Space Generation" (Dance), Lynda VanBoven, Annette Campbell, Tammy Linden, Chris Colaneri; Dixboro Do It Alls 4-H Club, Ann Arbor.

—"Bicentennial Medley" (Musical), Ricky Phillips, Bronc Busters 4-H Club, Ypsilanti.

—"Snodgrass's Beautiful Symphony" (Dramatic Novelty), Terri Stengel, Beth Meade, Carol Schallman and Mary Stierle, Kathy Westfall, Katie Miller, Ann Mazurek, Suzann Wheller, Charollette and Collette Rickelmann; Freedom Gang 4-H Club, Ann Arbor and Saline area.

—"Boogie Woodie Bugle Boy," (Dance), Kathy Fagan, Kari Colaneri; Dixboro Do It Alls 4-H Club, Ann Arbor.

Other acts receiving honors, and acting as alternates are:

—"The Skaters" (Dance), Francine Moore, Christine Hurrellbrink; Dixboro Do It Alls 4-H Club, Ann Arbor.

—"High Flutin' Flute (Instrumental), Petra Moessner; Sharon Valley 4-H Club, Manchester.

—"Do Re Me" (Vocal), Diane Cummings, Linda DeWolf, Cindy Hultquist, Kris Koch, Kathy Milne, Kelly and Shawn O'Leary, Marilee Snedeker, Daria and Laura Szywnelski; Needles and Pins 4-H Club, Ann Arbor.

—"Dance" Mary Tyson; Range Riders 4-H Club, Ypsilanti.

—"Are you my Mother" (Puppet Show), Freedom Gang 4-H Club, Ann Arbor and Saline area.

More than 20 acts were entered in the contest.

★ District Court Proceedings ★

George Lovely was found guilty of being drunk and disorderly. Fines and costs, \$50, six months probation and three days on the Chelsea Police Department Work program.

Jimmy Carpenter pled guilty to charges of speeding. Fines and costs, \$75.

Safety Tips For Trailering Your Boat

"If you trailer your boat, boating safety begins in the driveway—not at the dock," states Aram S. Walker, Courtesy Examiner for Ann Arbor's Flotilla 12-19 of the U. S. Coast Guard Auxiliary. "Check your trailer before you begin your next voyage. Lights should be tested, bearings should be properly lubricated now, and at specified intervals throughout the summer. Tires should be inflated to the recommended pressure."

"The winch should be taut, locked and all tie-downs secured. Extra gear stowed inside the boat should be properly trimmed (balanced). Make certain your safety chains are criss-crossed under the tongue of the trailer to prevent loss."

All required safety equipment and Coast Guard Auxiliary recommended safety gear should be aboard such as owner papers, anchor, running lights, fire extinguisher, horn or whistle, proper amount of Coast Guard approved personal flotation devices (life-jackets), paddle or oar, pump or bailer, flares, anchor line and proper fuel container, emergency food and charts are a must.

"The proper place to launch your boat is on the water not the highway. Remember, that little wheel under your trailer is doing double time—watch your car speed, save fuel, save lives."

If you would like a free courtesy motorboat examination, call Walker at 434-0050 after 7 p.m.

Too much of the sun can be dangerous and painful, the American Cancer Society warns. Use hats, beach umbrellas and lotions to safeguard against skin cancer.

BOARD OF COMMISSIONERS

Record of Proceedings

Evening Session

An adjourned session of the Washtenaw County Board of Commissioners was held at the Court House in the City of Ann Arbor, Michigan, on Wednesday, May 5, 1976.

The meeting was called to order by Chair Murray at 7:02 p.m.

The Board stood in a moment of silence.

Roll call found Comms. Ellis and Nielsen absent.

Comm. McClary supported by Comm. Taylor moved that the minutes of the Board of Commissioners meetings held on April 13th, April 21st, April 28th and April 29th be approved with the following correction being made on page 101 of the April 28th minutes: motion was changed to read as follows: "Comm. Walter supported by Comm. Stumbo moved that the Board of Commissioners put a hold on the vacant position in the Clerk's Office, Deputy Clerk II Trainee, until further information is received from the Clerk. Carried." Minutes were approved with the above correction.

Special Order of Business:

Thomas Fegan, Planning Director spoke to the Board re: Overall Economic Development Program Plan Update. Two memos were submitted, one dated May 3rd and the other May 5th. Four years ago Washtenaw County had a high enough unemployment to qualify for certification if we went through a planning process to fall under the Overall Economic Development Program, which potentially meant that either business or local government or others might qualify for certain grants that would be for public works or possibly small business loans. The County did proceed to create a committee and they did develop a plan. It was certified in 1974. Nothing has been done since that time for the County or any local business to receive funds for improvements, but we were certified to be able to do so. I was asked to attend a meeting in Lansing on April 8th that related to the possibility of updating the County's OED plan to continue federal certification of Washtenaw County so that grant funding for job related projects through the EDA will be possible during 1976-77. It was my suggestion that we proceed as a County to update the plan. It will take 1-1/2 to 3 months to carry out the work. This does not mean a full time person, but a person who could work a good month on the program. If you do decide not to carry it out you should so indicate by a motion. If you do continue to want to try to update the program, you should table the matter and possibly send it back to Physical Plant for further study.

R-6264 Comm. Walter supported by Comm. Kuebler moved to refer the matter to Physical Plant for further study.

Comm. Shultz suggested that we have CETA staff work with IDC in updating this plan since they have a lot of information on it.

Comm. Hansen supported by Comm. Shultz moved to amend the motion in that the matter goes to the CETA Committee first. Motion to amend carried. Motion to refer the matter to first the CETA Committee and then the Physical Plant Committee carried.

R-6194 Comm. Fojtik supported by Comm. Shultz moved that the resolution affirming the development of, and endorsing a Tentative Plan 2, Improved Tertiary Treatment for the Ann Arbor and Ypsilanti Communities, as approved facilities plan for wastewater management for the Washtenaw study area, be adopted and a copy sent to the Department of Natural Resources, Water Resources Commission. Roll call vote: YEAS: 13. NAYS: none. ABSENT: 2. Motion carried.

Communications:

Comm. McClary supported by Comm. Shultz moved to deal with the communications as recommended. Carried. Communications are as follows:

R-6228 An ARBD (Bicentennial) Pamphlet, 56 Fighter Group (Wing) WW II. (This pamphlet is on file in the County Clerk's Office and consists of thirty pages). (receive and file and refer to Ways & Means Committee)

R-6229 Memo from Richard Carlisle, Drain Commissioner, dated April 20, 1976 and addressed to Catherine McClary, Ways & Means, re: extension of the Full Faith and Credit of the County of Washtenaw to the Ellsworth Road Drain Drainage District. (receive and file and refer to Board of Commissioners)

R-6230 Memo from the Comprehensive Health Planning Council of Southeastern Michigan, dated April 15, 1976, re: cancelling the originally scheduled meeting for April 22, 1976 and setting the next meeting for Thursday, May 20, 1976. (receive and file and refer to Human Resources Committee)

R-6231 Letter from State Representative, Michael Conlin, dated April 16, 1976 and addressed to Meri Lou Murray, thanking her for the copy of the letter to Governor Milliken protesting the recent cuts in the Medicaid Pro-

gram. (receive and file and refer to Human Resources Committee)

R-6232 Public Notice from the Department of Natural Resources, dated April 20, 1976, Process No. 76-13-56, a permit to dredge channel fronting on unnamed lake in Salem Township. (receive and file and refer to Physical Plant Committee)

R-6233 Certified copy of a resolution adopted by the Genesee County Board of Commissioners urging passage of House Bill 4750 with the suggested amendment. (receive and file and refer to Physical Plant Committee)

R-6234 Certified copy of a resolution adopted by the Genesee County Board of Commissioners urging Michigan Legislature to amend Act No. 198 of the Public Acts of 1974 in a manner that provides financial relief similar to that relief afforded school districts when adversely affected by implementation of the Act. (receive and file and refer to Budget Committee)

R-6235 Certified copy of a resolution adopted by the Genesee County Board of Commissioners requesting State Legislature to recognize the adverse impact that compulsory binding arbitration has had on the financial integrity of local government and the resultant reduction in services necessary to fund these awards. Fulton, for the period beginning September 1, 1974 and ending August 31, 1975. (receive and file and refer to Physical Plant Committee)

Citizen Participation:

Katie Nixon, Coordinator, Welfare Coalition spoke to the Board. She submitted a resolution requesting that emergency funds be allocated by the County Commissioners for Medicaid recipients. Recent state cutbacks in the Medicaid program resulted in discontinuing a number of medical services costing the state approximately \$36,000 per month per county. A letter from the Department of Social Services dated May 3rd was attached to the resolution stating that the Social Services Board at their May 3rd meeting officially endorsed this resolution. On the bottom of the letter there were 21 names of people and other organizations also endorsing the resolution. They requested that the County Board of Commissioners investigate the scope of the ongoing need in this County which are a direct result of the State's GA policy, which redefines the term "emergency" in a restrictive, stringent and punitive manner, with a view to setting up a GA contingency fund until such time as these services are restored. They also urged the Commissioners to follow the precedent set by the Kent County Commissioners in discovering and allocating sufficient funds, approximately a \$36,000 contingency fund, for emergency health care, until such time as the State restores in full the Medicaid benefits.

Rev. Emmett Green, Chairman, Social Services Board spoke to the Board. He was here on behalf of the Department of Social Services to support the above resolution. We feel that the resolution reflects the general situation of the need and hardship in this County.

Debbie Weiss, Director of the Interfaith Center for Human Needs, A community Social Services Agency serving the economically disadvantaged of Washtenaw County. They urge the Commissioners to allocate the requested amount in the above resolution, \$36,000, to an appropriate agency or organization which could administer an emergency health care assistance program effectively.

Kathy Fischer, Chairman of Human Resources of the League of Women Voters of Ann Arbor. They would like to express their concern and dismay that a number of medical services costing approximately \$36,000 per county have been cut from the State of Michigan's Medicaid Program. They urged the Commissioners to review this situation thoroughly and if possible, provide supplemental monies from the emergency relief fund.

Clark Pardon, Executive Director of Dawn Farms, Inc. spoke to the Board. We are a Substance Abuse Treatment Facility here in the County. We have been located here approximately three years. This is our first trip to the Commissioners. We have always been self supporting and due to the energy crunch we have had to take different measures. A packet was submitted with five letters on the top and then an outline of their program, goals and objectives. We are not here to speak on Medicaid or the previous arguments given. We are here to tell you that we have been advised by the Department of Social Services that where we were previously receiving \$250.00 a month per resident, that has been reduced to \$115.00 a month. It's impossible for us to support the indigent residents of this County and feed them on such an amount of money. We understand that the Department of Social Services has requested a determination on this from Lansing some thirty days ago. We have had no funds forthcoming from the Department of Social Services; certain applications for an excess of sixty days and we're here to ask for help. We would require approximately \$15,000 to carry us over.

Comm. Taylor stated he had been informed by Judge Ager orally, they did not have time to write a communication along with the rest of the communications, but that the 22nd Circuit Court does strongly support the Dawn program.

Jack DiGiuseppe spoke to the Board on behalf of the Washtenaw County Citizens Committee for Social Services. The Citizens Committee supports the resolution requesting an emergency fund for Medicaid recipients. Please find some way to provide the requested funds.

R-6265 Comm. Stumbo supported by Comm. Kuebler moved that the request of the Medicaid recipients and the matter of \$35,317.00 be referred to Budget Committee.

Comm. Fojtik moved a friendly amendment to ask that a letter be sent to the State Department of Social Services, Jack Dempsey, Director, exact, correct, accurate data, on the number of residents in Washtenaw County who have been receiving these services and are currently terminated or cut back and in their estimation what the cost would be to the County to pick up these services. Also ask the question that Comm. Israel spoke on re: that if the County came up with the money, could we in any way get it matched with federal funds. Comm. Stumbo accepted Comm. Fojtik's friendly amendment. Roll call vote:

YEAS: 13. NAYS: none. ABSENT: 2. Motion carried.

R-6266 Comm. Taylor supported by Comm. Stumbo moved to refer the request from Dawn Farms, Inc. to the Budget Committee and the Human Resources Committee. Carried.

Report of the Chair of the Board of Commissioners:

Comm. Bradbury presented the report of the meeting was to nominate two persons to serve on the Board of Directors of Octagon House, Inc. Committee recommended to the Board of Commissioners that Comm. Floyd Taylor and E. Angelina Waites, Ph.D., be reappointed to the Board of Directors of Octagon House, Inc.

Comm. Bradbury supported by Comm. Hansen moved to nominate Comm. Floyd Taylor and E. Angelina Waites, Ph.D., as members of the Board of Directors of the Octagon House.

Comm. Bradernitz supported by Comm. McClary moved that the nominations be closed. Carried.

R-6195 Roll call vote: twelve (12) votes cast for Waites; ten (10) votes cast for Taylor; two (2) votes cast for Israel and two (2) Comms. absent. Chair Murray declared Comm. Taylor and E. Angelina Waites, so elected as members of the Board of Directors of the Octagon House, Inc.

R-6196 Comm. Murray supported by Comm. Fojtik moved that Board of Commissioners go on record congratulating Eastern Michigan University Forensics Speaking Team, Director Dennis Beagan, which won the National Championship about a week ago and it's the first university or college in the State of Michigan ever to do so. Motion carried.

R-6197 Comm. Fojtik supported by Comm. Israel moved to commend Eastern Michigan University for offering athletic scholarships to women. Carried.

Comm. Walterhouse supported by Comm. Hansen moved that the Physical Plant Committee Report dated April 22, 1976, be accepted. Carried. Moved to request Safety Committee to review the proposals submitted by the four firms on a alarm system for the County Building, make a comparison breakdown and then a recommendation to the Physical Plant Committee. Moved to assign portable radios J469, J21597, J4471 and J02981 and a new mobile radio to be delivered to the Health Department; and authorizing the use of frequency 158.70 for their transmission and stating the intent that in time of emergency these radios will be available for Civil Defense use. Moved to rescind the August 20, 1975 resolution which authorized the purchase of the Harold Gregg property and to authorize the Chair of the Board to sign the purchase agreement for purchasing only one lot and right-of-way over two lots. Moved to deny the request for a permanently assigned security officer for the County Building. Moved that the item regarding preparing signs for evacuation routes be tabled until more information is received. Moved to adopt the Washtenaw County Equipment Control Procedures. Moved to authorize the disposition of vehicle No. 5, by Central Purchasing. Moved to send letter to Mr. Oettle asking the employees at the Stadium office not to park in the parking lot until it has been resurfaced. Moved to refer matter of reactivating the Public Address System in Court No. 2 to Budget Committee to find monies to cover this expenditure. Moved to refer memo from County Clerk re: space requirements to the Planning staff. Moved to receive the Washtenaw County Historic District Commission Annual Report. Committee suggested that the cafeteria at the Service Center be assigned to Cooperative Extension and they be asked to maintain it. Moved to refer the matter of remaining eligible for participation in the Overall Economic Development Program to the Board and ask the Planning staff to bring in the necessary information that is needed. Moved to have Mr. Fegan contact Ms. Petershagen and inform her that the County is not interested in selling any of the County Farm at this time. Moved to proceed with drawings and specifications and to advertise for bids on replacement of the County Building roof. R-6173 Letter from Southeast Michigan Travel & Tourist Association referred to Accommodation Ordinance Commission. R-6199 Letter from Attorney General referred to Corporation Counsel. R-5683 Letter from Historic District Commission re: twelve portraits - tabled. The following referrals were received and filed: R-6151 Memo from Huron River Watershed Council; R-6159 Copy of letter from Ann Arbor Bicentennial Commission; R-6161 Letter from Almon Durkee; R-6164 Copy of letter from Sam Curdman; R-6165, R-6207, R-6208 and R-6225 all Public Notices from Department of Natural Resources; R-6166 Notice of Public Hearing; R-6169 Letter from D. L. Warner; R-6170 Letter from Lawrence Stewart; R-6172 Notice of Hearing from Michigan Public Service Commission; R-6181 Copy of letter from Robert Seelye; R-6194 Copy of letter from Cecil Ursprung; R-6195 Letter from Senator Griffin; R-6204 Memo from NACO; R-6205, Letter from SEMCOG; R-6214 Copy of letter from Mayor Wheeler; R-6215 Letter from Ms. Petershagen and R-6217 Letter from Guy C. Larcom. Complete report is on file in the County Clerk's Office.

R-6198 Comm. Walterhouse supported by Comm. Stumbo moved that the resolution assigning portable radios number J469, J21597, J4471, and J02981 and a new mobile radio from the Civil Defense County Health Department and authorizing the Health Department to use frequency 158.70 for transmission, be adopted. Roll call vote: YEAS: 13. NAYS: none. ABSENT: 2. Motion carried.

R-6200 Comm. Walterhouse supported by Comm. Shultz moved that the resolution adopting the Washtenaw County Equipment Control Procedures, be adopted. Roll call vote: YEAS: 13. NAYS: none. ABSENT: 2. Motion carried.

R-6201 Comm. Walterhouse supported by Comm. Stumbo moved that the resolution receiving the Historic District Commission Annual Report for the period November, 1974 to December, 1975, be adopted. Roll call vote: YEAS: 13. NAYS: none. ABSENT: 2. Motion carried.

Comm. Stumbo supported by Comm. Kuebler moved that the Budget Committee Report dated April 23, 1976, be accepted. Carried. (Moved to authorize the Chair to sign the grant revision entitled Supplemental Nutrition Support Project-Emergency Food and Medical Services. Moved to sign the grant revision entitled Fuel Economy Project I. Moved that \$25,632.93 be transferred from the Appropriation to CSA to the unmarked reserve fund representing the difference between the County cash carryover for 1975 and the project deficit for 1976. Moved to transfer \$8,058 from the Appropriation for the Detention Home to the unmarked reserve fund and to recommend that the administration at the Detention Home investigate the possibility of raising the per diem rate charged for housing out-of-county youths. Moved to refer the Ways & Means without recommendation the request of the Friend of the Court to reclassify four positions. Moved to adopt the 1976 Annual Budget. Moved to approve the 1975 Financial Statements. Moved to establish a committee of the Controller, Corporation Counsel, two members of this committee and Judge Deake or his representative and to charge the committee with the responsibility of eliminating or consolidating some of the subscriptions so that the sum spent on the Law Library would not exceed \$3,000 per year. Moved to authorize various transfers totalling \$25,392 from departmental employee salary accounts to the unmarked reserve fund and a transfer of \$5,181 from the unmarked reserve fund to various other departmental employee salary accounts. Moved to transfer \$22,000 from the unmarked reserve fund to the line item tax refund overpayments. Moved that the Clerk II trainee position in the County Clerk's office be eliminated. Moved to receive and file the County Employment Report as of April 20, 1976. Moved to receive and file the Word Processing Report. Moved to approve request of Circuit Court No. 2 for \$285 from the unmarked reserve fund to the Machinery and Equipment Account in the budget of Circuit Court No. 2 to reactivate the Public Address System in said court. Complete report is on file in the County Clerk's Office.)

Comm. McClary supported by Comm. Kuebler moved to amend the Budget Committee Report dated April 9, 1976 that was presented at the April 21st meeting of the Board of Commissioners as follows: page 16, motion on bottom of page. Motion by Nielsen - should read "Motion by McClary." Page 19, roll call vote on authorizing an increase in revenue for Planning, show Comm. McClary as voting YES and then change the total voting yes to read 4. Motion to amend the minutes carried.

Comm. McClary supported by Comm. Taylor moved that the Ways & Means Committee Report dated April 28, 1976 be accepted with the following correction on page 25: second line at top of page where it says Commissioners freeze the Clerk II Trainee position, should read: "Commissioners hold open the Clerk II Trainee position. Stumbo moved that the resolution authorizing the expenditure of \$285 from the Central Equipment Account for the purpose of reactivating the Public Address System in Circuit Court No. 2, be adopted. Roll call vote: YEAS: 11. NAYS: 2. ABSENT: 2. Motion carried.

Comm. McClary supported by Comm. Stumbo moved that the resolution endorsing the development of a Capital Improvements Program for Washtenaw County and authorizing the Planning Department to proceed with various specified projects in the Capital Improvements Program (1976-1983), be adopted.

Comm. Shultz moved to amend the resolution by including No. 6 on the Capital Improvements Program Report that was submitted to Physical Plant Committee which reads as follows: 6. Proceed with Ann Arbor City-County Joint Building Feasibility Study, 1976-77 and also add No. 7 which reads: 7. Construct General Office Building or Circuit Probate Courts Building in Conjunction with or Independent of Ann Arbor City. No support.

Comm. Fojtik supported by Comm. Shultz moved to add a friendly amendment to proceed with Ann Arbor City-County Joint Building Feasibility Study.

Comm. Stumbo moved a friendly amendment that we seek a study of the entire area regarding a County Building. Not only a feasibility study of the City County Building but other areas to be included. This was not accepted as a friendly amendment.

Discussion. Question was called. Carried. Roll call vote on Comm. Fojtik's amendment: YEAS: 5. NAYS: 8. ABSENT: 2. Motion to amend failed.

R-6214 Roll call vote on adopting the original resolution: YEAS: 13. NAYS: none. ABSENT: 2. Motion carried.

Comm. McClary supported by Comm. Walter moved that the resolution concurring with the findings of Ypsilanti Township regarding the approval of Industrial Facilities Exemption Application Number 76-010 of Cellasto Corporation, authorizing the Chair of the Board to sign the Statement of Concurrence and submit said statement to the State Tax Commission, be adopted.

Comm. Shultz supported by Comm. Taylor moved to refer the resolution to the CETA Committee. Discussion. Comm. Taylor withdrew his support. Chair Murray supported the motion. Pat Bamberg, Director of CETA Program to the Board and suggested that we add the following paragraph to the resolution: "Be it further resolved that the Washtenaw County Board of Commissioners encourage the Cellasto Corporation to cooperate with the CETA Program in terms of hiring people who are unemployed and coming through that program."

Chair Murray stated the motion was withdrawn.

Comm. Murray moved that we add the

permitted to Laurence Nolan, Friends of the Court's Office to attend the 1976 Eastern Regional URESA Conference in Orlando, Florida April 25-30 at an estimated cost of \$300. Complete report is on file in the County Clerk's Office.

Reports of Special Committees:

Comm. McClary supported by Comm. Hansen moved that the following reports be received: Advisory Committee on the Status of Women dated April 19th; minutes of the Washtenaw County Board of Health meeting dated March 25th; Washtenaw County Board of Commissioners Road Committee Report for March 1976 and Washtenaw County Board of Road Commissioners minutes dated April 13, 1976. Carried.

Comm. Taylor supported by Comm. Stumbo moved that the Memo from the County Treasurer dated May 3, 1976 re: State of Receipts and Fund Balances, M.S.A. 5.329, be received. Roll call vote: YEAS: 12. NAYS: 1. ABSENT: 2. Motion carried.

TO: Board of Commissioner
FROM: County Treasurer
DATE: May 3, 1976

SUBJECT: State of Receipts and Fund Balances, M.S.A. 5.329

I, Hilary E. L. Goddard, Washtenaw County Treasurer, hereby certify that the following is a full statement of the accounts in the various accounts on the last settlement and that all said accounts are current as of the dates contained therein.

Fund	Cash Balance	Receipts	Disbursements	Cash Balance

76-0216 Comm. Stumbo supported by Comm. Kuebler moved that the resolution authorizing payment of claims commencing with the last previously approved claim and continuing through the date of April 23, 1976, be adopted.

Comm. McClary asked a question about the claims. "Why does the Cooperative Extension Office rent rooms at Briarwood?" Discussion ensued.

R-8294 Comm. McClary supported by Comm. Taylor moved to refer to Human Resource Committee the question of why the Cooperative Extension Office rents rooms at Briarwood. Question was called. Carried.

Roll call vote on adopting the resolution authorizing payment of claims: YEAS: 13. NAYS: none. ABSENT: 2. Motion carried.

TO: Board of Commissioner
FROM: Robert M. Harrison, Clerk
DATE: May 5, 1976

SUBJECT: Presentation of Claims M.S.A. 5.331 Paragraph 17

Attached hereto is a true copy of the record of claims commencing with the last previously approved claim and continuing through the date of April 23, 1976 inclusive as received by and filed with this office. Said claims are hereby presented for action by the Board of Commissioners.

The claims are in the order in which they were received; wherein no claim received is withheld or rejected and the list shows the name of the claimant, the amount of the claim and the date presented.

This certification does not extend to verification that all claims were incurred subject to prior authorization by the Board of Commissioners.

Robert M. Harrison
Washtenaw County Clerk

Michigan Rivers Offer Interesting Canoe Trips

Three rivers flowing through south-central Michigan offer the canoeist an opportunity to view campus life, trace the path of French explorers and view patchwork farmlands, according to Automobile Club of Michigan.

The Grand, Red Cedar and Looking Glass rivers offer trips for both novice and expert canoeists ranging from a few hours to day-long excursions.

To explore the more than 200-year-old route of Indians and fur traders, canoe the Grand River which today is lined by farms and small towns.

In the 1830s, Congress authorized construction of Grand River Rd., from Detroit all the way to the river's mouth at Grand Haven on Lake Michigan. However, the road does not closely follow the river, which rambles 185 miles along a crooked path through seven counties.

Since there are no riverside campgrounds along the 100 miles between Jackson and Portland, that section of the Grand River is best divided into short half-day and day-long trips.

A good place to start is two miles north of Jackson at Parnall Rd. Bridge. To reach either of two parks at Eaton Rapids takes nine hours. For those who want a shorter trip, Baldwin Park at Onondaga is two hours closer.

The only canoe livery between Jackson and Lansing is Grande Pointe Marina on Cretz Rd. in Dimondale.

Canoeing through the city of Lansing is for experts because of the many dams requiring portages. Less experienced canoeists should arrange ground transportation for the 4 1/2 miles from Mores Park to Tecumseh Park in Lansing.

If possible, visit the State Capitol and Michigan Historical Museum, a replica of a colonial home. The 12 miles between Lansing and Grand Ledge are noted for the scenery, especially the rock outcroppings for which Grand Ledge is named. Around the turn of the century, Grand Ledge was a popular resort area and tourists arrived by steamboat. As a Bicentennial project, a new gazebo band shell on Grand Ledge Island will house community activities and concerts.

A scenic trip for beginning canoeists starts at Delta Mills Park west of Lansing and passes by Grand Ledge to nearby Fitzgerald Park. Anyone preferring hiking to canoeing may take the 4 1/2-mile foot path trail from the island near downtown to Fitzgerald Park.

Canoeists traveling between Grand Ledge and Portland will be able to see the Chief Okemos Burial Grounds. The Ottawa warrior was believed to be over 100 when he died in 1853.

Canoeing on the Red Cedar, which flows through the Michigan State University campus in East Lansing, has long been popular among college students, but any-

SOUTH ELEMENTARY SCHOOL NOTES

FROM THE PRINCIPAL—

The boys from Mr. Bullock's room are the softball champions for the 5th grade boys' tournament. Mrs. Moore's boys were the runners-up. Most of the boys had fun and played with great effort.

We appreciate receiving the Bennington Flag from the local VFW. It makes a nice addition to our school.

who helped with events this year. Special thanks go to Mrs. McClear, Mrs. Tatarow, and Mrs. Downey. We have a trip and a picnic planned for the end of the year.

Bicentennial Notes

Royal Rural Rooster Roosters Challenge Waterloo Belles to Softball Game

Belles of the Royal Rural Roosters were in attendance at the line softball game last Saturday between the Waterloo Belles and the Royal Rural Roosters. Having witnessed abundant athletic prowess and such a close battle of the bats, we the Royal Rural Roosters, do hereby challenge the Waterloo Belles to a game on the pond and play softball.

We Roosters are still hunting around the old coop for our mites but as soon as you recover from the last game and answer this challenge in the paper, we will contact you about details.

Belles of Bearded Lawmen Challenge Flaming Belles to Pig Calling Contest

We, the Belles of the Bearded Lawmen, are challenging the Flaming Belles to a pig-calling contest Saturday, June 5, 8 p.m. at the airgrounds arena. If the Flaming Belles decide to accept this challenge by way of the press, do so within a week.

Signed,
Belles of the Bearded Lawmen.

Babbling Bauer Belles Accept Softball Challenge

As the Wild Woolly Lambs are willing to risk their "sheepskins" to the Babbling Bauer Belles in a softball game, and;

We, the Babblers are ready and able to acknowledge this request, providing the date be extended from June 2 to June 16 at 7 p.m. at Rierce Park and the game be played in a fashion agreeable to both chapters;

We, Bauer's do hereby accept your challenge with intent of a "shearing" victory.

Signed,
The Babbling Bauer Belles.

Judges Wanted for Rocking Chair Marathon

Judges and floorwalkers are wanted for the Chelsea Rocking Chair Marathon to be held here June 18, 19, 20 and perhaps longer at the Chelsea High school circle drive beginning at 6 p.m. June 18.

Judges will have a six-hour working period, will keep score and call the breaks. Floorwalkers will watch the rockers and work a four-hour shift.

Persons interested in volunteering their time for either period should contact Wanda Schiller at 475-1880.

FARMING IS BIG BUSINESS

In 1975, Michigan farmers received \$1.7 billion for products they sold. This was down 4 percent from 1974's record year. With added costs of processing, transportation and marketing, Michigan's agricultural industry was worth approximately \$5 billion dollars.

CHELSEA VILLAGE COUNCIL PROCEEDINGS

May 18, 1976

REGULAR Session.

Meeting called to order at 7:30 p.m. by President Wood.

Present: President Wood, Administrator Weber, Clerk Neumeyer.

Trustees Present: Borton, Brown, Johnson, Schaeffer, Schardein.

Absent: Rowe.

Others Present: Police Chief Meranuck, Zoning Inspector Goltz, Civil Defense Director Wade, Planning Commission Rep. Phil Hume, Richard Harvey, A. N. Schaffner, Bob Rockhold.

President Wood called for the Public Hearing on the General Fund Budget for the period ending February 28, 1977. Discussion of the General Fund Budget followed.

Motion by Johnson supported by Brown to adopt a resolution adopting the General Fund Budget for the period ending February 28, 1977. Roll call: Yeas: Borton, Brown, Johnson, Schaeffer, Schardein; Nays: None. Motion carried. Resolution adopted.

Motion by Brown, supported by Borton, acknowledging the assessment valuation as presented by the Village Assessor and setting the millage rate for 1976 for the General Fund at 7.80 mills, the Debt Service Fund at 8.00 mills, the Sewage Disposal District and Premium Fund at 35 mills and the Library at 40 mills against the adjusted State Equalized Value of all real and personal property in the village. Roll call: Yeas: Brown, Borton, Johnson, Schaeffer, Schardein. Nays: none. Motion carried.

Motion by Borton, supported by Schaeffer, to adopt a resolution accepting the Municipal maintenance Contract between the Michigan State Highway Commission and the Village of Chelsea for the period of July 1, 1976 to June 30, 1977; designation Frederick Weber as Maintenance Superintendent; and authorizing the Village President to sign the contract in behalf of the village. Roll call: Yeas all. Resolution adopted.

Richard Harvey and Police Chief Meranuck discussed the schedule of events for the Bicentennial celebration for the months of May through August. Areas for these celebrations were discussed.

Motion by Schaeffer, supported by Brown, to adopt a resolution authorizing the village to enter into an Easement Agreement with Mobil Oil Corporation. Roll call: Yeas all. Motion carried. Resolution adopted.

Motion by Schaeffer, to adopt a resolution setting new sewer user rates at 55 cents per 1000 gallons of metered water for all users of the village's wastewater treatment facilities with a minimum charge of \$4.40 per quarter effective at the beginning of the third billing period of 1976. Roll call: Yeas all. Motion carried.

Motion by Johnson, supported by Schardein, to set June 15, 1976 7:30 p.m. for the public hearing for amending the Zoning Map per request of J. Pearson and R. Riemenschneider. Roll call: Yeas all. Motion carried.

Trustee Johnson reported that the Planning Commission requests a joint meeting with the Village Council on June 22, 1976, to discuss the Comprehensive Development Plan.

Administrator Weber was instructed to send a letter to the Chelsea School District regarding a payment schedule for the sewer tap in.

A letter from Daniel Murphy was read regarding the formulation of a Chelsea Chamber of Commerce. A meeting for such a purpose is to be held at the Chelsea Fairgrounds May 26, 1976 at 7:30 p.m.

Motion by Johnson, supported by Borton, to allow the sale of poppies by the VFW on May 21, 1976. Roll call: Yeas all. Motion carried.

Motion by Brown, supported by Schardein, to disaffiliate the Village Council from the Huron River Watershed Council and to so notify them by letter and to further offer the Village Council's cooperation with the H.R.W.C. Roll call: Yeas all. Motion carried.

Motion by Schaeffer, supported by Schardein, to pay bills as submitted. Roll call: Yeas all. Motion carried.

Motion by Johnson, supported by Schaeffer, to adjourn. Roll call: Yeas all. Meeting adjourned.

Thomas Neumeyer,
Village Clerk.

Lyndon Township Board Proceedings

Minutes of the regular Township Board Meeting held May 20, 1976, 7:00 p.m. at the Lyndon Township. All members present plus zoning inspector. Minutes of the previous meeting read and accepted as read.

Old Business:

1. Charles Baum-kennel Case to appear in court, Monday 5-24-76.
2. Insurance. Report on added premiums and the Errors & Omissions insurance.
3. Discussion on the Linley Road up-grading.
4. Zoning permit forms-tabled.
5. Report of the County Chapter M.T.A. meeting by Thomas Lancaster.
6. County Parks and Recreation—Mr. Lancaster reported on a conversation he had with Mr. R. Gamble re: Park Lyndon.
7. Land Use Bill was discussed.
8. D.N.R. Survey regarding pur Township's recreation input.

New Business:

1. Discussion followed on rent of the townhall.
2. Planning Commission minutes were read and discussed.
3. Federal Revenue Sharing Planned Use Report was discussed and the amount of \$2,674.00 was dedicated to use on the roads in Lyndon Township.
4. A resolution was made to exempt all elected and appointed officials from PA No. 227, Funding Campaign.
5. Library cards, reimbursement thereof: The matter was reviewed since there seems to be some misunderstanding of what position the Township has taken. The township at their annual meeting agreed to reimburse one-half the cost of a family per family. The library receipt should be sent to the Lyndon Township Clerk and payment will be made at the next Board meeting.
6. Request for rent of the townhall for 15 weeks by the Stockbridge Squares.
7. Treasurer's Report. Mr. Hogan does not plan to run again for Treasurer.
8. Bills—General Fund \$2,815.47 and Fed. Rev. Shar. \$130.00.
9. Resolution made to place a local proposition on the August ballot concerning millage for use on local roads in the township.
10. Motion to adjourn. Time 12:30 a.m.

LUNCK LINDY

Charles A. Lindbergh climbed into his monoplane "The Spirit of St. Louis" in New York on May 20, 1927 and took off for Paris in an attempt to win a \$25,000 prize offered for the first solo nonstop flight across the Atlantic. Lindbergh's plane was stocked with 451 gallons of gasoline and 20 gallons of oil, but had no lights, heat, radio, automatic pilot or de-icing equipment. Thirty-three and a half hours later, "Lucky Lindy" landed in Paris and was greeted by a cheering crowd of 100,000 persons.

Bulldog Sluggers of the Week

DALE HEADRICK: For junior Dale Headrick, being in the outfield of the Chelsea High school varsity baseball team means he is less liable to make errors . . . and does a lot of running. As far as batting, his comment was, "I try, but my batting average is not that good." Dale who has most of his high school credits fulfilled, plans to take a full course load next year at CHS and also plans to be a member of the football team. Of college, he said he would like to pursue something along the technical or agricultural lines. This summer, as in past summers, he will be employed at the Gulf Station, helping those who do not care to pump their own gas, selling goods and running the car wash. Dale is the son of Mrs. Don Proctor and Robert Headrick of Cavanaugh Lake.

JOE EWALD: Sophomore shortstop Joe Ewald is winding up his first season with the CHS varsity baseball team. While Joe has not played in all of the games, (senior shortstop Randy Guenther plays most of the time) he hopes to see more action in the '77 season. Aside from baseball, Joe

enjoys playing golf, snowskiing and playing basketball. The son of Mr. and Mrs. Dan Ewald of 802 Flanders St., Don has one brother and three sisters. As far as predicting a season conference title for his team, Joe will only go so far as to say, "We will do well if we play well."

CHUCK BRODERICK: Sophomore slugger Chuck Broderick is one of five children of Mr. and Mrs. Charles Broderick, 12005 Scio Church Rd. As the oldest in a family of four younger sisters, Chuck probably won't have too much of an opportunity to introduce the girls to his two favorite sports, football and baseball. This spring, his first on the varsity baseball team, finds Chuck on third base. Speaking of baseball, Chuck said "It's a lot of fun, it keeps me in shape and I enjoy learning from the older guys." Looking ahead Chuck said he would even like to pursue baseball at the college level. Other interests in the sophomore's life include winter snowmobiling and engine repair work, which he is picking up from his father.

Baseball Sluggers Dump Milan, 11-8

The CHS varsity baseball team scored another come-from-behind victory last Friday with an 11-8 triumph over the Milan Bulldogs.

The Bulldogs jumped off to a quick lead in the opening inning on a walk to John Toon, a double by Joel Sprague and a single by Don Nadeau. Milan bounced back with three unearned runs, using a Chelsea error to start the rally with two outs.

In fourth inning play, the Bulldogs took back the lead, 4-3, with two runs on hits by Tim Reed, Jim Marshall, Toon and a walk to designated hitter Chuck Broderick. The Big Reds scored to take command of the game in the fifth inning with three runs to lead, 6-4. However, in the top of the sixth inning, the Bulldogs knotted the score at six on a walk to Reed and a long home run by senior third baseman Jim Marshall.

Milan shortstop Don Tomford led off the bottom of the sixth with a triple, his fourth hit of the game. Joel Sprague then replaced starter John Adams and induced the Milan hitter to hit a grounder, but the Chelsea defense bobbled the ball and Milan led, 7-6. The Bulldogs fell behind, 8-6, as they committed another error and Milan stroked another hit.

However, Chelsea fought back in their last at-bats. Nadeau led off with a walk but was forced at second. Marshall then walked, putting runners on first and second with one out. The next hitter struck out, leaving two on and two out. Pinch hitter Don Morrison then stroked a double to left center, scoring two runs and tying the game. Toon reached base on an error and Mike Check was hit by a pitch, loading the bases. Randy Guenther then ripped a triple to left, knocking in three runs and sending the Bulldogs into an 11-8 lead.

Despite two more errors by the Chelsea team in the bottom of the seventh, the Bulldogs held on

for the hard-earned 11-8 victory. Sprague picked up his fourth victory of the year. Offensively, the Bulldogs were led by Marshall's three for three, Reed's two for three and Guenther's two for three. Guenther led with three RBI's, with Marshall and Morrison each driving in two runs.

Saturday, the Bulldogs hosted the Mounties of Jackson Northwest in a non-conference contest. The Mounties hopped on senior righthander Joel Sprague for five runs in the first and four more in the fourth inning to lead, 9-0. Chelsea scored three runs in the third to cut the lead to 9-3 but this was the only offensive threat the Bulldogs could get up. Jim Marshall continued his hitting resurgence with two more hits including a double. Randy Guenther and John Toon also contributed two hits each.

The week-end action left the home team with 14-4 over-all record and a 11-2 league record versus a 9-3 record posted by contender for the title, Brighton, which followed Saline's 5-3 victory over the Brighton Bulldogs.

Today the Bulldogs will close out league play with a game at Saline.

Area Students Earn Degrees From LSSC

Two area residents were candidates for graduation at Lake Superior State College commencement exercises Saturday afternoon, May 22, in Pullar Stadium. They are Robert Wojcicki and Bruce G. Clark.

Wojcicki is the son of Mr. and Mrs. Sylvester Wojcicki of Chelsea, and received a bachelor of science degree. Majoring in medical technology, he is a 1972 graduate of Chelsea High School.

During the past year, Wojcicki has been serving internship in his field at Munson Medical Center, in Traverse City. He will complete his training in August.

He was listed in Who's Who Among Students in American Colleges and Universities, and has frequently been on LSSC's dean's list. He graduated cum laude.

Clark, son of Mr. and Mrs. Stephen Clark of Gregory, was granted a bachelor of arts degree and secondary education certification at Lake Superior State. A history major, he is a 1971 graduate of CHS.

He was a member of the Alpha Chi Honor Society, and is presently employed on a part-time basis by the Sault Ste. Marie public schools as a teacher in the adult education program.

Following graduation he plans to seek employment as a secondary teacher. He would also like to attend Northern Michigan University to continue studying at a graduate level.

More than 400 were candidates for 440 certificates or diplomas for one-, two- and four-year programs; some receiving more than one degree.

Judd Arnett, Ohio and Michigan journalist; received the 1976 Distinguished Citizen Award, and Robert H. Armstrong, general manager for sales international with Ingersoll-Rand Co., the 1976 Outstanding Alumnus Award.

SCHOOL LUNCH MENU

Week of June 1-4
Tuesday—Ravioli, buttered corn, corn bread, butter, gingerbread with topping and milk.
Wednesday—Toasted cheese, sandwich, tomato soup, crackers, carrot strips, chocolate eclairs and milk.
Thursday—Barbecue, buns, green beans, french fries, catsup, dills, fudge bar and milk.
Friday—Pizza slice, peanut butter sandwich, buttered peas, juice, pineapple cake and milk.

Mike Thomson Helps Kalamazoo To Division Title

A former Chelsea resident, Mike Thomson, was the number two singles and doubles player on the Kalamazoo College tennis team last week-end when the team traveled to Jackson, Miss., where they took first place in the NCAA Division III tennis championships.

The Kalamazoo team seeded number three going into matches dealt an 18-15 defeat to Claremont State College of California. According to Ruth Brown of Kalamazoo College Sport information, this is the first time a Michigan school has won the Division III championship.

Thomson, a senior at Kalamazoo college is the son of Mr. and Mrs. John R. Thomson of Grosse Pointe, formerly of Chelsea.

Dozing Driver Downs Meter, Fire Hydrant

A driver who told Chelsea police he must have fallen asleep at the wheel, lost control of his car early Saturday morning, May 22, swiping a fire hydrant and knocking down a parking meter at the corner of Main and Park Sts. in the village.

The driver, 24-year-old John Leroy Stickney, Jr., of Hazel Park, was heading south on Main, and had entered the northbound lane when the accident occurred. Stickney struck a fire hydrant near the entrance of Merkel's Furniture. Neither Stickney nor the two passengers in the car were injured in the accident.

Noted Lecturer Coming to Ann Arbor

James Likoudis, noted speaker, will talk on "Morals Values Clarification" at St. Francis of Assisi auditorium, 2250 E. Stadium Blvd., Ann Arbor, on June 6 beginning at 3 p.m.

A well-qualified speaker, Likoudis explains that the topic is the trendy approach to morality, which lets the student give equal weight

to every opinion about what's right and wrong, subjective morality. The talk is sponsored by Catholics United for the Faith.

Michigan ranked fifth or higher among the 50 states in production of 22 food crops in 1975 and led in nation in five.

WHAT WE'VE ALREADY GOT

Medical science already has the know-how to save 100,000 more lives from cancer each year if folks got the American Cancer Society's message about the importance of having a periodic checkup, early diagnosis and prompt treatment of cancer.

SPECIAL OFFER NEW OLYMPIAN THERM-O-WARE

PERFECT FOR ANY OCCASION ALL YEAR LONG.

THIS WEEK
9 OZ. CUP
35¢ 3 \$1
OR 3 FOR \$1
with every \$3.00 purchase
start your set today!

Keep this handy "Piece-A-Week" Schedule

Week	"Piece-A-Week"	Price with every \$3 purchase
1	9 oz. Cup	35¢ or 3 for \$1
2	12 oz. Tumbler	35¢ or 3 for \$1
3	14 oz. Bowl	35¢ or 3 for \$1

This schedule will be repeated three more times.

**Durable, insulated serving ware
keeps beverages and food
piping hot or frosty cold.**

- Start your set with the 9 oz. Cup. Buy one at our special price with each \$3.00 purchase, buy two with a \$6.00 purchase, etc. Then follow the schedule. No Coupon! No Limit!
- Practical as it is beautiful... polyethylene construction... top rack dishwasher safe... break resistant. Build a complete set at remarkable savings with our "Piece-A-Week" plan.
- Choose your "Piece-A-Week" from two designer Colors—Bright Green or Sun Yellow.
- Companion pieces are also available in Bright Green and Sun Yellow.
