

ROCKING CHAIR MARATHON: Cameras surveyed the general scene at the Bicentennial Rocking Chair Marathon which began at 6 p.m. Friday, June 18, at Chelsea High school after contestants had been rocking for almost 42 hours. Exhausted, but nevertheless looking quite relaxed under their umbrellas, the rockers chose to while away the time reading, eating, knitting or simply meditating. The names of each contestant were printed on the backs of their chairs while sponsors took the opportunity to spread a little advertising. Lending moral support to the rockers were friends, relatives, and countless Chelsea-Dexter residents. The Kiwanis Kitchen was on hand to serve refreshments. Twenty-eight contestants entered the marathon vying for the \$300 first prize, in what can best be described as Chelsea's endurance event of the year.

17-Year-Old Youth Dies in Auto Accident

A two-car collision Monday evening, June 21, on Trinkle Rd., just east of Lima Center Rd., claimed the life of Steven Vito LaBarbara, 17, of 1497 Trinkle Rd., driver of one of the vehicles. His passenger, David Michael Watson, 18, of 42 Butternut Ct., suffered minor injuries.

Driver of the second vehicle, Duane Carl Trinkle, 17, of 9632 Trinkle Rd., also received minor injuries. He carried no passengers.

According to Washtenaw County Sheriff's reports, the two cars were traveling in opposite directions on the gravel road. As both drivers approached a hillcrest, the eastbound vehicle driven by LaBarbara, collided, head-on with the westbound Trinkle car as Trinkle came over the hill.

The victims were all taken to Chelsea Medical Center. Watson and Trinkle were treated and released. LaBarbara was pronounced dead on arrival.

A memorial service was held at 7:30 p.m. Wednesday at the Burghardt Funeral Home in Chelsea. Burial will be in Denver, Colo., the LaBarbara family's home until they moved to this area three years ago.

United Way Board Vacancies Filled

The June meeting of Chelsea United Way was held Wednesday evening, June 16. Three vacancies on the Board of Directors were filled by the nominating committee. The new board members are Art Stoll and Connie Schwarm replacing Mary Bauer and Don Pier for three-year terms, and Larry Shively replacing Nancy Merkel for a two-year term. The board will recess for the month of July.

Bike-A-Thon Raises \$1,525 For Cancer

The Steve Cantrell Memorial Bike-a-thon collected \$1,475 in pledges as 24 riders on 23 bicycles rode a total of 480 miles Sunday afternoon, June 20.

After a leisurely 30-minute ride from the Municipal Parking Lot to the Chrysler Proving Grounds, riders headed off on a 13-mile course over sections of the test track. It was the first time the public was allowed on the track.

The first rider, Dave Marchello of South Lyon, completed the course in 40 minutes. The oldest rider was former Chelsea village president Maxwell G. Sweet of Detroit and Cavanaugh Lake. Max completed the five-mile limit placed on him by his bridge club, on his trusty, antique, one-speed, fat-tired Schwinn.

Youngest rider was Greg Greenleaf, who spent the Sunday Father's Day biking with his dad, Ed Greenleaf. At one point, Ed was seen pumping away with difficulty on Greg's youth bike while Greg breezed along on his father's bicycle.

Two riders, Kim Dresch and Susie Palmer, completed the course on a "bicycle built for two," riding in memory of Steve Cantrell and Carl Thurkow. Carl (Continued on page eight)

TAMI BURNETT'S thumbs-up signal gives us some insight into the spirit that carried her to victory in the Rocking Chair Marathon. With an attitude like that, she couldn't help but win. And win she did, with a time of 81 hours, 53 minutes of continuous rocking. She was sponsored by House of Orient.

RUNNER-UP PEGGY KING takes some time to eat dinner Monday evening, June 21, as she entered what was to be the home-stretch in the Bicentennial Rocking Chair Marathon. Peggy handed the victory to Tami Burnett when she deserted her chair after rocking for a total of 81 hours, 50 minutes. Peggy's sponsor in the event was Gambles.

Rocking Chair Champ Rocks Nearly 82 Hrs.

Tami Burnett of Chelsea was declared the official winner of the Bicentennial Rocking Chair Marathon Tuesday at 3:50 a.m. after rocking for a total of 81 hours, 53 minutes. The event began at 6 p.m. Friday, June 18. Tami's sponsor was the House of Orient.

Runner-up Peggy King, sponsored by Gambles, lasted for 81 hours 50 minutes before finally deserting her chair. The field had narrowed down to the two finalists late Monday afternoon.

Placing third, fourth, and fifth were Steve Eresten (Dancer's), Art Farley (Farley Construction), and Colleen Collins (Village Bakery).

Receiving special awards were Ruth Ann Henes of Dexter for "Best Decorated Rocking Chair," Norma Jean Smith for "Oldest Rocker," and Tracy Gardner, Frank Cianciola, and Charlie Bridges for "Youngest Rockers."

Prizes will be presented to the winners at the Dexter Promenade Friday, June 25.

Not everyone competed successfully as they had planned. Tammy Greenleaf was disqualified by judges when their careful eyes spotted her chair momentarily stop rocking as she reached over to catch a frisbee. Another contestant was disqualified when she interrupted her rocking to grab an umbrella that began to fall above her.

Twenty-eight contestants participated in the marathon, a joint Chelsea-Dexter bicentennial event.

Beach School Teacher Wins Conservation Education Award

Mrs. Alice Steinbach, 8th grade science teacher in the Chelsea School District since 1965, was selected to receive the Conservation Educator of the Year award by the Michigan United Conservation Clubs. The award will be presented by Gov. William G. Milliken during MUCC's 39th annual convention June 26 at the Hyatt Regency Hotel in Dearborn.

Among her many accomplishments, Mrs. Steinbach designed and implemented a nature study program for the Michigan Camp for Hemophilic Children, chaired a school site development committee for the Chelsea Nature Center and developed a conservation education curriculum for the 8th grade.

"You can relate environmental education to anything. Ideally, that's what we should be doing," stated Mrs. Steinbach. Her goal is to interest all age levels, from pre-school children to adults, in environmental matters. She has developed a course for Washtenaw Community College in environmental science and is working to promote an in-service program with teachers throughout the Chelsea school district.

In the past, Mrs. Steinbach led many outdoor tours, including one of the Waterloo Waste Development Plant, to give the participants an on-the-spot view of current methods for dealing with our environmental problems. In the same line, she also chaired a school camp program for Beach School 6th graders.

"Environmental education doesn't have to cost anything," Mrs. Steinbach explained. She feels it can be inserted as an added dimension to many programs already in existence.

Mrs. Steinbach is presently studying environmental education at the University of Michigan. (Continued on page eight)

CONSERVATION EDUCATOR: Pictured in her element is Alice Steinbach, chosen to receive the 1976 Conservation Educator of the Year Award from Michigan United Conservation Clubs. Gov. William G. Milliken will present the award in ceremonies to be held Saturday, June 26 at the Hyatt Regency Hotel in Dearborn.

Extra Hours Added to Pool Swim Schedule

Because of the tremendous response to the Chelsea Recreation Department's Summer swimming program, extra hours have been added to extend into the afternoon hours.

The new, daily afternoon schedule issued by the Recreation Department is as follows:

Monday through Friday—
12-12:30 p.m.—Diving class.
12:30-1 p.m.—Diving class.
1-1:30 p.m.—5, 6, and 7-year-olds swimming class.
1:30-2 p.m.—8, 9, and 10-year-olds swimming class.
2-2:30 p.m.—11-year-olds and over swimming class.
2:30-3 p.m.—Aqua-tots swimming class.
3-5 p.m.—Recreational open swimming.

The Aqua-tots swimming class is for children from infants to school age. The size of the class is limited to 30 students. A mother or adult must accompany the child in the water. Classes will run in two-week sessions, the same as all other programs.

The four, two-week sessions which complete the summer swimming program are as follows: June 28 to July 9; July 12 to July 23; July 26 to Aug. 6; Aug. 9 to Aug. 20.

Registration for swimming lessons must be made in person or by phone. The recreation department would like to take this opportunity to remind parents that the pre-registration forms their children brought home from school did not register any child. The return on these forms merely provided the recreation department with an idea of how widespread community interest was in the new program. Thus, if you did not register your child on Monday, June 21, you must call 475-9315 to enroll your child in the first swimming session (June 28 to July 9).

If you are interested in the second, third, or fourth session you may register at the pool during class hours.

Deadline Near for Bicentennial First Lady Candidates

Every show must have a star, and the star of Chelsea's Bicentennial Celebration will be the Bicentennial First Lady. In addition to reigning over all the bicentennial events from Aug. 23 to Aug. 29, she and her Court of Honor will make a majestic appearance each evening in the huge Spectacular as well as receiving thousands of dollars worth of valuable awards. The grand prize is a trip for two to Alabama.

It's neither a beauty contest nor a talent contest. It's an opportunity to better the Chelsea community. Each contestant will manage the advance ticket sales to the Spectacular with your organization supporting her campaign. The one who returns the most sales will become First Lady. Part of the money received from the ticket sales will be returned to the community. You are invited to select contestants who are most representative of your organization—a member, employee, mother, wife, daughter or sweetheart.

Here is a terrific way for you, church, business, club, association or school to support the success of the big birthday celebration. All contestants will be invited to a reception on July 12 and details will be discussed.

Qualifications for a nominee require that she be between the ages of 18 and 180. She may be single or married, and must live, work, or attend school in the Chelsea School District. Anyone may enter, whether or not they have the support of an organization.

The lady and her court will be announced at the Queen's Ball on Aug. 14.

In addition to a trip to Alabama, the First Lady will receive an Instamatic camera, a beautiful brocade travel bag, a blow-dryer, a \$20 gift certificate and more.

First runner-up will receive a bicentennial portable television, dinner for two at Stivers, a \$25 make-up kit, two bottles of imported wine, and a \$10 meat certificate from Schneider's. (Continued on page three)

Chelsea Bus Moves Closer to Delivery

The Department of State Highways and Transportation Bureau has stamped their approval on the final contract granting operational authority to the Chelsea Area Transportation System's (CATS) proposed senior citizens' and handicapped adult's van.

Credit for the realization of the \$16,000 to \$18,000 project, outlined last May, is mainly shared by the Chelsea Kiwanis Club, the Chelsea Jaycees, and the administrative staff of Sylvan township.

It is now believed the bus should be delivered the second week in July.

The van will operate on a dial-a-ride basis with central dispatch headquarters to be located in the Methodist Home. It will be equipped with a wheel chair lift to accommodate the handicapped and will be available for anything from trips to the grocery store to transporting residents to medical appointments.

Currently under discussion is a co-operative plan involving the Ann Arbor Transportation Authority and CATS which would provide shuttle service for riders between Chelsea and Ann Arbor. The Chelsea van would meet at a (Continued on page three)

SCHOLARSHIP FUNDS: Mrs. Betty Maxwell (left) presents Dr. William Hawks (right) with a check for \$475 from the Chelsea Painters. The contribution will help finance the annual A. A. Palmer Medical Scholarship Fund. The gift was a share of the proceeds from the second annual Chelsea Painters Art Show and Sale held June 5 and 6 on Chelsea Medical Center grounds.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

A man is judged these days on how much he owes, not how much he's worth. The first thing you want to know about a feller you might do business with is what kind of credit rating he's got. The more he can borrow the bigger shot he is. You walk into a bank and tell the girl in the cage you want to borrow \$300, she's likely to look at you like you ain't there. But you say you want \$300,000, and you'll have vice-presidents waiting on you hand and foot.

So farming is booming in this country. According to a survey by the American Bankers Association, farmers and ranchers borrowed nearly \$25 billion last year, a 10 percent increase over 1974. The survey didn't go into paying all that money back, it just said there's real money in agriculture these days. That's shore the truth, but it's the bankers money and the farmers debt. Most of the loans went for fertilizer, feed and livestock.

Mister Editor, I've heard it said that a church without a big debt was a dead church, that what a church needs to really get folks active is a building program or some other big obligation. If that line of thinking works with farming, we got some real live farmers growing our food and fiber. With \$25 billion on top of what they already owed staring em in the face ever morning, it ain't no wonder our farmers and ranchers put in longer, harder days than anybody. They got a reputation to keep up as the biggest wheelers and dealers around.

The thing about that debt, though, is that it's the same through good weather and bad, in times of high prices and low. Farming ain't I see where we got a glut of gasoline right now, but we still got a crisis in price. You can bet the glut is the oil companies and the price crisis is the customers. But when the corn glut hits, the farmers got the glut and the crisis. He can't starve folks into paying \$10 a pound for bacon because he can't control his own market. He's got to depend on the fellers up the line to keep his market moving, and he tries not to worry to much about the weather cause he shore ain't going to do much

about it. The farmer and rancher, Mister Editor, don't ever know what he's going to get next. But I got a pretty good idea, and that's one reason I never done no more farming than I had to.

Speaking of financing, I see where stores have started giving discounts to folks that pay cash. Jest when we worked up a "cashless society" it looks like plain old money is popular agin. Not to long back the miller took his toll from the wheat. Then we started paying the miller bill in cash. From there we went to checks, and then along come the magic plastic card that took care of everything. But it turned out the card was costing the seller extra for the card company to stand behind it, so now we're going back to money that don't need no witnesses, character references or drivers license numbers.

Yours truly,
Uncle Lew.

MICHIGAN MIRROR

By Elmer E. White, Secretary, Michigan Press Association

Count the Cash
Seems Michigan's money problems are looking less drastic these days.

One report says, for instance, that the latest estimates suggest the improving economy will bring additional resources for 1976-77 to at least \$75 million (along with known additional expenses of more than \$80 million).

But with these estimates comes a warning. Just because we're not as broke as we thought we were,

that's no excuse to start spending "slowly but surely" we're recovering from our economic doldrums," says Rep. Mel Desjardis, vice-chairman of the House Appropriations Committee.

But, says the West Olive Republican, "there's one pitfall we must watch out for. Whenever we begin to bring ourselves out of an economic downturn, we face a great temptation to increase our spending as the picture brightens."

Desjardis says this is "exactly what our economy can't stand at this time and we must resist that temptation if we are to meet some of the mandatory spending increases in our budget."

Care must also be taken to avoid the impression that a little bit of the budget doesn't make any difference.

Some House leaders still fall in terms of the legislative budget being only one-half of one percent of the entire state budget. The "only" still bothers those who are conscious of all the state budget coming from the pockets of the taxpayers. And "only" a little bit still hurt when it came from someone's hard-earned cash.

Thursday, June 23, 1972—

Chelsea police rescued an unsuspecting motorist and prevented further damage to Earl's Mobil station on W-32 at 1st when they extinguished a car fire Sunday, June 18 at 10 a.m.

Officer Reables and Shaw reported that while on routine patrol they noticed a car coming across the bridge over the expressway into the Mobil station.

The entire bottom of the vehicle was in flames.

The unsuspecting driver, Thomas Paul Cicaleo of Warren, pulled up to the gas pumps, where he was ordered away by the officers, who feared an explosion.

The station's fire extinguisher was used to put out the fire on the 1966 Mercury station wagon.

It is believed that a wheel bearing on the car was the cause of the fire, however, the exact cause is uncertain.

The congregation of St. Paul's Evangelical and Reformed church at a meeting held Sunday, voted to purchase a site on Old US-12 just east of the old Pierce home-stead for the eventual construction of a new church building. This site, about five and three-quarters acres in size, was selected on recommendation of a building and site committee of which Paul G. Schable, Jr. is chairman.

Part of the original Pierce farm the land is being sold to the congregation by the present owner, A. H. Pommeroyne. It has 400 feet of frontage on Old US-12.

Thursday, June 28, 1952—

The Burns Lodge Group Camp building on Loveland Rd. at Sugar Lake, was a busy place the last week-end when 25 members of the Huron Valley Amateur Radio Association took part in a 24-hour nationwide contest, object of which was to contact as many stations as possible.

When the contest ended at 4 o'clock Sunday afternoon, the station operated by Marion Longworth, local member of the asso-

ciation, had contacted 185 stations in widely scattered sections of the United States and Canada. Almost every state in the United States was contacted.

Longworth's contacts included California, Washington, Florida, Quebec, Ontario and points along the east coast of Canada. His equipment was operating on a 40-meter wave length, while others operated on 80, 75, 20, 10, and 5-meter wave lengths.

The equipment for the seven stations was operated on power generated by a large generator set up behind the lodge, away from the house. The generator is the one which is to be used on the retired Detroit Street railway bus recently acquired by the association for its mobile power equipment. This generator and bus is the unit which used to be used in civilian defense maneuvers. The stations are all operated independently of commercial power sources.

34 Years Ago...

Thursday, June 23, 1942—

Fire which started about 8:00 Monday night from an overheated potato fryer caused the destruction of the Tower Cafe equipment and the building is almost a complete loss. Charles Mundhenk, owner of the cafe, stated that his loss would exceed \$3,000, and A. H. Clark, owner of the building, would exceed that amount. The loss to both men is fully covered by insurance.

According to Mundhenk, he turned off the electric switch which controlled the heating unit under the potato-frying grease but the unit kept heating until the grease became so hot it ignited. As the flames shot upward he called the fire department and reported the fire.

Mundhenk states it was several minutes before the fire siren sounded, but in the meantime some of the Chelsea volunteer firemen had heard of the fire and proceeded to get the fire trucks. However, Palmer's Garage, where the trucks are stored, was locked and none of the firemen had a key to the garage. It was necessary for them to break the door in order to get the trucks out.

BICENTENNIAL NOTES:

200 Years Ago This Month

By Professor Robert E. Brown

Department of History
Michigan State University

On Friday, June 7, Richard Henry Lee of Virginia introduced resolutions into the Continental Congress for independence, foreign alliances and a confederation. Congress debated the resolutions on Saturday, then adopted the following on Monday, June 10:

Resolved: That these United Colonies are, and of right ought to be, free and independent states; that they are absolved from all allegiance to the British Crown; and that all political connection between them and the State of Great Britain is and ought to be totally dissolved.

Then followed the appointment of committees to prepare a declaration of independence, a constitution and treaties with foreign nations. On the committee for the declaration of independence were Thomas Jefferson of Virginia, Benjamin Franklin of Pennsylvania, John Adams of Massachusetts, Roger Sherman of Connecticut and Robert R. Livingston of New York.

Reconciliationists were able to postpone final consideration of the Declaration for three weeks, but all signs pointed to the inevitability of a final break. News that Britain had hired 20,000 German mercenaries to subdue Americans only added fuel to the fire. New Hampshire, New Jersey, Virginia

and South Carolina all broke the tie by adopting constitutions that did not acknowledge British authority.

A Tory plot in New York to assassinate General Washington and his officers did little to aid the British cause, especially when Governor Tryon and the Tory mayor of New York were implicated in the plot.

Public sentiment, as well as it could be tested, strongly favored a break. Massachusetts town voted heavily in favor, while four battalions of soldiers in Philadelphia, comprising about 2,000 officers and men, registered only four officers and twenty-five men opposed to independence. And one of our ships they take, she says Providence is on their side, and it is only fighting against the wind to continue the contest. I am on the opposite side, and we have many interesting trials or civil wars about it.

His wife taunted him on every occasion, and even contrived situations that antagonized him, so that he referred to her as "my enemy." After one such contrivance, he declared in disgust, "well, I know the design of this but I'll throw down my pipe with a vengeance, and secured a retreat, being fully sensible I could not, like the brave Sir Peter Parker, silence her battery."

Thus the British-American conflict not only fostered American liberation, but also demonstrated the need for men's liberation.

and South Carolina all broke the tie by adopting constitutions that did not acknowledge British authority.

He introduced legislation that would prohibit banks from charging any fees for credit cards other than interest on unpaid balances. Specifically, the proposal would ban any fees on the issuance, use or non-use of credit cards, other than permitted interest rates on those unpaid balances.

This concept does not consider expenses which must be borne by the credit card office in supplying its service without charge to the person who pays no interest. When these users are not charged, such costs must be taxed against those who already pay interest when they take longer periods to pay their debts.

"The people who took out and use bank credit cards did so in good faith, with the understanding that they would pay no service fee and no interest if they paid their statements promptly," Stopczynski said. He apparently feels that there should not be allowance for changes as circumstances change.

"Now there are banks that plan to or may violate this consumer trust," Citibank of New York announced plans to charge a monthly service fee of its Master Charge customers, even if they pay their bills immediately.

More Than 500 Attend Benefit Barn Dance at C. Trinkle Farm

More than 500 people attended the third annual Old-Fashioned Barn Dance Saturday evening, June 19 at the Charles Trinkle farm. Providing a steady beat throughout the night was the Luke Schaible Band. All proceeds from the annual event go to special education classes in the Dexter-Chelsea Area, funding projects like the Special Olympics, visual readers, and athletic equipment.

The barn dance was sponsored by Lima Liberty Belles and Lima Brush-Kateers who organized three years ago in Dexter. They are break-off groups from Dexter's Sesquicentennial. Praising the turnout, Mrs. Pat Trinkle stated, "The only way this event attains success is by people coming."

Katie Chapman acted as photographer for Farm Wife News, a monthly magazine. The next issue will feature the event.

Lloyd Heydlauff donated a freezer for storing ice that evening and Hans' Sausage Wagon from Stockbridge was on hand to provide refreshments. Beer, set-ups, and popcorn were also plentiful.

The fourth annual Old-Fashioned Barn Dance has already been planned for next year and is slated to take place the third Saturday in June.

She could even have the last word with an echo.

High Point Seeks Summer Volunteer Help

Are you interested in a volunteer job for the summer? If so, High Point, located on S. Wagner Rd., near Ann Arbor, has a variety of opportunities for you.

If you are at least 16 years old—

If you are interested in helping children and young adults and intermediate aged persons who are mentally retarded—

If you want to help the professional staff help in the areas of recreational activities, play-ground activities, swimming pool activities, physical development, creative arts, celebrations and special events, community orientation such as field trips—you can help.

Besides being at least 16 years old, the volunteer must be able to arrange for his or her own transportation to and from High Point and must be able to obtain a negative tuberculosis test. This test can be obtained at free clinics in Ann Arbor or Ypsilanti if the volunteer wishes.

It is not necessary to have previous experience or training in order to be helpful at High Point.

All orientation and training, as well as continuing guidance on the job, is given by the professional staff while the volunteer is helping.

During the past school terms, High Point has enrolled more than 100 volunteers during one term.

If you phone now for information and indicate your interest, you will be most likely to get a volunteer placement at High Point which is best suited to your own interests.

Act now and have the best chance to choose the age group and also the kinds of activity which you yourself prefer.

As little as one school day per week or as many as five school days per week can be arranged for volunteer helpers.

The mentally retarded children and young adults appreciate your interest and helpful concern. High Point is a beautiful place and you will find yourself doing something worthwhile.

Revolutionary Dissenters Faced Harsh Penalties

Dissenters in the days of the American Revolution lived through frightening times, although few were severely mistreated.

Threats were stronger than disciplinary action against the Loyalists of Pennsylvania, according to Dr. Anne M. Ousterhout, Michigan State University assistant professor of American Thought and Language and history.

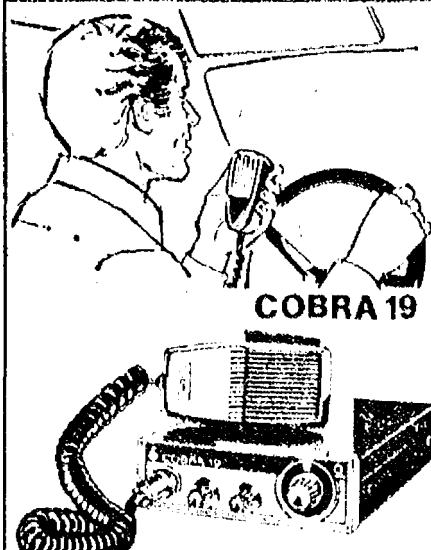

In her study of the American revolutionary period in Pennsylvania, she found that Patriots passed laws to prevent unwanted behavior, not to punish it once it happened.

"Harshness of the laws, particularly the extreme penalty for treason," Ousterhout said, "tended to operate against their enforcement. There is evidence that juries were reluctant to convict on a treason charge because it meant mandatory execution."

At the start of a campaign, he comes out shooting from the lip.

ABOUT ALCOHOLISM

By
DENNIS CONLIN
Executive Director

National
Council on
Alcoholism
Michigan Division

Earlier this month almost 80 women attended a workshop sponsored by the Michigan Forum on Women and Alcohol, Inc. The workshop was the first of its kind held in Michigan, and that is what we are going to talk about today. Here's the first question:

Why Was the Workshop Held?

The Michigan Forum on Women and Alcohol has produced a series of video tape cassettes showing women in alcoholic situations. This is one of the few tangible attempts at raising the awareness of women to alcoholism. We introduced the video tapes at the workshop along with a plan to make them available around Michigan.

Another part of the workshop was devoted to recruiting volunteers from all segments of Michigan to help in presenting these tapes. Because NCA-Michigan, Inc. is a volunteer oriented organization, we felt this was the way we wanted to go in getting these tapes to the people... through volunteers.

Also, the Michigan Forum on Women and Alcohol presented the rough outline of a directory of services for the female alcoholic. These directories will be available through the volunteer "presenters" at the showings of the video tapes around our state.

What Are the Topics of the Video Tapes?

We produced three tapes this time around, with the hope of doing more as funding becomes available. The first three tapes deal with those topics to which most women can relate. In the first tape, entitled the "Helpers," a woman with a drinking problem is encouraged to ignore her problem by the people in her life... her best friend, her doctor, a policeman, a clergyman, even her husband. All of these people are not willing to confront her with her own potential alcoholism, but are unintentionally driving her deeper into an alcoholic state of mind.

In the second tape, "Loneliness," the everyday inconveniences and distractions of a housewife are shown as possibly contributing to her potential alcoholism. The third tape deals with the potential female alcoholic in a work situation. It highlights the trap people may fall into on the job.

What Will These Tapes Do for an Audience?

Firstly, they are not designed to give answers, but rather, we tried to structure them to provoke ques-

tions from the audience. Some of the little known aspects of alcoholism are shown. One of these is dual addiction, which seems more prevalent in women than in men. The potential woman alcoholic is encouraged by some segments of society to cope with her life by the accepted "pill-box" method. She begins taking tranquilizers, and the potential alcoholic often mixes them with alcohol. Another aspect shown in the tapes is the ivory towers in which some women find themselves. The people in her life do not want to say she has such a "dirty" disease, so they avoid it, and soon begin avoiding her, which leads to more loneliness, and it becomes a cyclical thing... she is lonely, she drinks more, people don't like her drinking so they avoid her, and she becomes lonelier.

When Will the Tapes Be Ready For Showing Around the State?

Now, that is the most difficult question. We are attempting to build an organization of volunteers from all parts of Michigan right now, and to establish a distribution system in Lansing. It will be easier to get ready for distribution that to recruit the volunteers needed. However, we hope to be ready within 90 days.

If you want to learn more about the Michigan Forum on Women and Alcohol, or the National Council on Alcoholism-Michigan, Inc., write us at the address given below.

When we are actually ready to start showing the video tapes around the state (church groups, civic clubs, etc.) we will let you know. If you want to see them, send us a request.

No experiment can be more interesting than that we are now trying, and which we trust will end in establishing the fact, that man may be governed by reason and truth. Our first object should therefore be, to leave open to him all the avenues of truth. The most effectual hitherto found is the freedom of the press. It is, therefore, the first, shut up by those who fear the investigation of their actions.

KIWANIS CLUB KIDS PARTY: Children of Chelsea were treated to their own special happening Monday evening, June 21, at the Kiwanis Club Kid's Party. One of the events was an egg relay race. Note the concentration on the young fellow's face (top photo) as he gingerly starts off with an egg in his spoon. His teammates cheer him on in the background, and at least two of them bite their nails in anticipation. In the lower photo, we find our erstwhile competitor completing the course without a spill, but he must be very careful not to drop the egg as he transfers the spoon and its contents to his teammate.

Metro Park Board Elects New Officers

The Board of Commissioners of the Huron-Clinton Metropolitan (Park) Authority has elected new officers for 1976-77. They are:

Chairman—Jesse A. Rutherford, who has represented Washtenaw county on the HCMA Board since Oct. 12, 1971. He is a past president of the Michigan Recreation and Park Association and a member of the Board of Trustees of the National Recreation and Park Association. He was with the Department of Recreation, City of Ypsilanti for 30 years and retired as Director of Recreation on Feb. 1, 1974. Rutherford, the first Black to be named HCMA Chairman, succeeded William E. Kreger, of Wayne county (HCMA chairman since June 12, 1974). He resides in Ypsilanti.

Vice-Chairman—Clifton W. Heller, who has represented Livingston county on HCMA Board since 1973. He owns Heller's Flowers in Howell and was Mayor of the City of Howell for six terms. He has served as vice-president of the Michigan State Florist Association.

Treasurer—Thomas S. Welsh, who represents Macomb county, has served on the HCMA Board since March 26, 1931. He has represented Macomb county since December of 1964 and previously served as a Governor Appointee representing the five-county park district-at-large. Welsh is Macomb county Public Works Commissioner, who was elected to this post for a fourth term in 1973. He served 13 consecutive years as a St. Clair Shores official, four as councilman and nine as mayor. Welsh succeeded Clifton W. Heller, of Livingston county (HCMA treasurer since June 12, 1974). He resides in Macomb county.

These HCMA officers are elected for a one-year term ending in June of 1977. The governing body of the Huron-Clinton system of 10 Metroparks is a seven-member Board of Commissioners, including: Governor Appointees—Eugene J. Ellison, of St. Clair Shores and Kurt R. Keydel, of Detroit; plus county representatives—Wayne, Clifton W. Heller; Macomb, Thomas S. Welsh; Oakland, Charles R. Schafer; and Washtenaw, Jesse A. Rutherford.

The largest Metroparks include Metro Beach near Mt. Clemens, Stony Creek near Utica, Kensington near Milford, Hudson Mills near Dexter, Lower Huron near Belleville, Willow near New Boston and Oakwoods near Flat Rock.

Ruth Circle

Ruth Circle of the Chelsea United Methodist church met Wednesday, June 16 at 12:30 p.m. at the Crippen building with 14 members present. Marjorie North and Clara Kalmbach were hostesses for a pot-luck dinner and social hour.

Marjorie North, chairperson, opened the meeting with a prayer written by a friend from home church in Adrian. Clara Kalmbach, the Sunshine chairperson, read a thank-you note from Alice Yahu, a member who is very ill in the Methodist Home hospital. Elaine McCalla, treasurer, gave a report on pledges and floral money. Marjorie North announced upcoming Arts and Crafts events for members if they are interested. The News sheet was read and discussed.

Martha Earles reported on the needs of the migrant workers which include food and household supplies. Vesta Hoppe, Clara Kalmbach and Enahnee Packard will serve on the nominating committee for new officers, with Vesta as chairperson. Hazel Sumner and Iva Barton will host a "ookie" luncheon at the next meeting, Sept. 15. Marjorie North turned the program over to Martha Earles and the meeting closed with a chain prayer.

Laura Rademacher Named to Legislative Post at Girls State

Laura Rademacher of 200 Freer Rd., was elected to the House of Representatives on the Nationalist party ticket at the 36th annual American Legion Auxiliary Girls State, June 12-20 at Olivet College.

She was among 500 high school juniors from throughout Michigan taking part in the program designed to give high school girls experience in the practical exercise of politics.

During the week-long program delegates elected city and county officers, state officials and state legislators. They heard advice on the various aspects of politics from Rep. Gary Brown, (R-3rd Dist.), Frederick Brydges, Mayor of Battle Creek and F. Robert Edwards (R-79th Dist.).

Michigan State University's Kellogg Center for Continuing Education, the first of its type, was constructed in 1951 with a gift from the W. K. Kellogg Foundation. It gave impetus both locally and nationally to the movement of lifelong learning.

Ben Donaldsons Observe 60th Anniversary

Approximately 100 friends and relatives from far and near came to the Cavanaugh Lake home of Mr. and Mrs. Ben Donaldson to join them in a celebration of their 60th wedding anniversary Sunday, June 20. Mr. and Mrs. Donaldson were married June 15, 1916 in Eaton county on Mrs. Donaldson's parents' farm just west of Lansing.

Guests enjoyed coffee, cake, and cheese at the Sunday afternoon open house. Mrs. James Gaunt played the organ.

Mr. and Mrs. Donaldson moved to Cavanaugh Lake permanently, 15 years ago following Mr. Donaldson's retirement from Ford Motor Co. in 1938. He had been advertising director at Ford's for 40 years prior to his retirement. The couple made their home in Dearborn during that time.

Mr. Donaldson is widely known for his rare and unusual Bible collection. He owns about 800 different Bibles, collected over the past 50 years. Many of the Bibles currently in his possession can be found elsewhere only in museums or libraries. His Manuscript Bibles were handwritten before 1456 when the first Bibles were printed, while the oldest Bible he owns dates back to 1225.

Mr. Donaldson was listed in Who's Who in America. Mrs. Donaldson has held a number of state and national offices in various women's organizations and has also been listed in United Methodist church of Chelsea's Who's Who of American Women.

350 Guests Attend Graduation Party, Open House Event

Six cousins were feted at a combined Graduation Party and Open House at the Chelsea Rod and Gun Club on Sunday, June 13.

Five of the honored guests graduated from Chelsea High School on June 11. They had all attended Chelsea schools together since they first started kindergarten.

They are John, son of Mr. and Mrs. Jack Collins; Debbie, daughter of Mr. and Mrs. Gary Packard; James, son of Winston Boyer and Mrs. Eileen Brooks; and Lois, daughter of Mr. and Mrs. Robert Butler.

The sixth cousin, Tammy Boyer, daughter of Mr. and Mrs. Keith Boyer, graduated from high school in Montgomery City, Mo., on May 21. She came to Chelsea on June 11 to join the festivities.

Mr. and Mrs. Rodney Boyer and their son, Robyn, also came to Chelsea to participate in the event. They stayed at the home of Robyn's aunt and uncle, Mr. and Mrs. Mac Packard until June 14.

About 350 guests were present for the open house. Mac Packard entertained young and old alike with his antique fire truck.

Tammy extended her visit to Chelsea for two weeks. The Gary Packard family will take her back to Missouri at the end of that time.

Ruth Circle Hears Account of German Mission Project

Martha Earles addressed Ruth Circle of the Chelsea United Methodist church Wednesday, June 13 with an historical account of a mission project organized shortly after World War II while she was still director of Junior Church at Adrian Methodist church.

The format of the project involved mutual correspondence between the Junior Church children and two families living in the Russian-occupied zone of Germany. Food and clothing were mailed overseas to the families at that time.

In her address, Miss Earles attributed the strong determination of the German people to build a new church to replace the one destroyed during the war, despite great personal privation and sacrifice, as proof of their resounding faith in God and their desire for peace and brotherhood.

Her years of correspondence held both happy and sad memories. When the teen-age daughter of one family was asked to name the gift she most desired from her American friends, she answered, "A German-English Bible."

Miss Earles continues to maintain correspondence with one of the families. In addition to her verbal presentation, she displayed many hand-made articles sent by German families to the church as tokens of appreciation for the friendship and help of the Junior Church children.

Jaycee Auxiliary Installs Five New Members

Chelsea Jaycee Auxiliary met Tuesday evening, June 15, at the home of Mrs. Jeanne Messing. Present were eight members, four guests, and five new members.

Installation ceremonies were held for the new members. They are: Sue Sheffield, Sandy Meyer, Carol Smith, Gay Estey, and Darlene Winkler. Program plans and budget plans for the coming year were approved.

Results of "Anything Goes" and the Jaycee Rummage Sale were discussed, and plans for the upcoming sidewalk sales project were confirmed.

Lou Tudor received the Girl of the Month award for her Jaycee work in the month of May.

Inverness Ladies Golf Club Hosts Chemung Group

Ladies of Inverness Golf Club hosted 40 women for golf and lunch on Thursday, June 17. Special guests were members of the Chemung Country Club of Howell.

After nine holes of golf, a salad luncheon was served in the clubhouse by the North Lake Methodist church women.

Chemung winners were, low gross, Gertrude Kish, 50, Emille Holkins, 51, and Eppie Garland, 51. Low putts, Gertrude Kish and Laura Judy with 15. Eppie Garland had longest drive on No. 4 and Shirley Janides had the shortest drive on No. 1.

Inverness winners were, low gross, Yolaine Carignan, 46, and Peg Hamilton, 47. Low putts, Betty Farrell, Eileen Brown, Eleanor Douglas and Jeannette Smith, all had 15. Longest drive, Lois Voita, and shortest drive, Hattie Schleede.

VFW Post, Auxiliary Provide Party for VA Hospital Patients

On Monday evening, June 14, VFW Post 4076 and the Ladies Auxiliary gave a party for 91 patients of the Ann Arbor Veterans Administration Hospital. After the games, pie and ice cream, coffee, tea and milk were served.

The party lasted from 7 p.m. to 9 p.m. and was held in the hospital auditorium. Pies were prepared by Mrs. Bessie Sharp of the Ladies Auxiliary.

Attending from the Post were Gary Kent, Byron Smith, Mac Packard, Kermit Sharp and hospital chairman Bill Pierce. Attending from the Ladies Auxiliary were Betty Smith, Bessie Sharp, Judy Kent, Eulalie Packard, Bernice Schneider, Norma Seyfried and Gertrude O'Dell, hospital chairman.

Kermit Sharp called bingo and Byron Smith worked the board lights. Betty Smith, Norma Seyfried, Gary Kent, Mac Packard and Bill Pierce worked the floor. Bessie Sharp, Eulalie Packard, Judy Kent, Bernice Schneider and Gertrude O'Dell worked in the kitchen and helped to serve the refreshments.

July Picnic Planned For Nutrition Group

A picnic has been slated for July by the CSA Chelsea Nutrition group for the Elderly to be followed by a trip to Frankenmuth in the fall.

On Tuesday, Aug. 17, the group will sponsor a booth for Frontier Days. The Kitchen Band will perform Thursday, Aug. 19, at the Chelsea Bicentennial Celebration.

Two members, Mr. and Mrs. Munro, were lost recently due to death. They shall be greatly missed.

Any senior citizen needing chore services of any type is urged to contact 475-8582 between 10 a.m. and 1 p.m. and ask for Betty or Donna.

Daniel Murphy from Chelsea Drug has contributed a much needed first aid kit to the group.

Mr. and Mrs. Frederick J. Zemke

Debra Lehto, Frederick J. Zemke Making Their Home in Ann Arbor

Debra Ann Lehto, daughter of Mr. and Mrs. Donald E. Lehto of Scotts, and Frederick John Zemke, son of Mr. and Mrs. Frederick A. Zemke of Algonac Ave, Ann Arbor, were married Saturday afternoon, May 22 in the First United Methodist church, Kalamazoo. The 2 p.m. ceremony was performed by Dr. Hoover Rupert, pastor of the minister of the First United Methodist church of Ann Arbor.

The bride, who was given in marriage by her parents, chose a gown of white satin with full-length train. Alencon lace applied with seed pearls on white silk organza accented the bodice, stand-up v-shaped neckline, lantern sleeves and deep flounce around the edge of the full skirt. Her formal-length veil of silk tulle was held in place with a headpiece of the re-embroidered lace adorned with seed pearls. She carried a bouquet of white roses, stephanotis and baby's breath.

Maid of honor was Mercedes Vela of East Lansing and bridesmaids were Vickie Lehto of Scotts, sister of the bride, Pamela Heath of Climax, Elizabeth M. Leonard and Helen Kay Leonard of Ann Arbor, cousins of the bridegroom. They were dressed identically in floor-length gowns of white organza with all-over blue floral design. White embroidery accented the empire waistline and the wrist-length sleeves. They wore white large-brimmed hats trimmed with headbands of blue floral design. Each carried blue and white carnations and baby's breath.

Jaime Lehto of Scotts, sister of the bride, was flower girl and cousin of the bride, Mathew Herrick of Kalamazoo, was ringbearer.

The blue and white color theme was carried out with the bridegroom in an all-white tuxedo and the groomsmen in light blue tuxedos. The bridegroom's brother, Thomas W. Zemke of Ann Arbor, served as best man. Other groomsmen were Lansing Pritchard, Michael Hicks, Gary Miano and Todd E. Lewis, all of Ann Arbor.

Mrs. Lehto, mother of the bride, wore a floor-length full skirt gown of pale blue nylon. Mrs. Zemke, the bridegroom's mother, was dressed in an aqua-blue long-sleeved empire style floor-length gown with matching accessories.

Immediately following the ceremony, a reception was held at Holiday Inn, East, Kalamazoo. Many guests who attended were from Ann Arbor, Dexter, Chelsea, Ypsilanti, Whitmore Lake and Lake Orion.

Susan Lehto of Scotts, sister of the bride, was in charge of the guest book. The former Miss Lehto is a graduate of Climax-Scotts High school and attended Michigan State University. She is employed in Ypsilanti. Mr. Zemke is a graduate of Ann Arbor Pioneer High school, and received a degree in Business Administration from Western Michigan University, Kalamazoo.

The couple honeymooned in Estes Park, Colo., and Anaheim, Calif., and now reside in Ann Arbor.

Henry Ford, on May 25, 1927, announced that he was discontinuing the manufacture of his famous Model T Fords. Mr. Ford replaced the popular "Tin Lizzie" with his new Model A car. You can take a ride in an original Model T Ford any week-end at Greenfield Village in Dearborn.

He's going through life with his horn stuck.

Do you remember hearing your grandparents talk about the fun they used to have at Taffy Pulls? How all their friends would gather at someone's home and they would cook a big pot of taffy and when it had cooled down somewhat, pull and pull on it until it turned white and smooth. Did they describe to you how great it tasted afterwards and how much fun it was to eat? If you have ever talked to your grandparents about Taffy Pulls or just read about them, you must be curious to try pulling Taffy yourself. Well now is your chance, we will have taffy for all the kids to try pulling at our booth. Not only do they get a chance to pull the taffy, they also get to eat it. There will be taffy ready to eat for those who just want to taste it and also other home made candies. Come by and see what Taffy Pulling is all about.

MICHIGAN FARM BUREAU

★ The Right to Food

A "right to food" resolution has been recommended to Congress by several well-meaning, sincere individuals. The resolution declares that each person anywhere in the world has the right to a nutritionally adequate diet.

It has been estimated that some 400 million people suffer from malnutrition. Nutrition problems exist at all income levels in every country.

Just because a problem is there, it does not mean that all prospective solutions are feasible or proper.

There simply cannot be a universal right to food. Food is man-produced. Consequently, there is a direct relationship between incentives for food producers and food production. Countries experiencing the most problems with hunger often ignore that relationship. Even in Socialistic Russia, one-fourth of that nation's food production comes from small plots worked by farmers in their spare time. With profit as the great motivator, the collective farm peasants labor diligently on their tiny private plots, and the result is thriving production.

Any right to food manifests itself in the problems of income distribution and priority of spending. Dividing income differently than now exists affects the output of food and, in turn, the amount of income to divide. The more equal the income distribution, the less enthusiasm there is for individuals to involve themselves in productive activities.

Legislatively granting a specified level of food to an individual has to be at the expense of someone else. Any right for one person that imposes an unchosen obligation on another is neither economically feasible nor morally correct.

We cannot allow good intentions to get in the way of finding the root of basic problems. In the long run, hunger problems can be corrected better by increasing the output of the people involved. And economic incentives in the production of food have a proven track record of doing just that.

Applications for New Farm Wheat Allotments Due

A new farm wheat allotment may be established for the 1977 crop of wheat acreage for farms that did not have a 1976 allotment, if they meet eligibility requirements. Raymond Girbach of the Washtenaw County ASC Committee announced today.

A 1977 wheat allotment will be established automatically for most farms that had a wheat allotment in 1976.

To be eligible for a new farm allotment, the operator must expect to receive more than 50 percent of his income from farming. Neither the owner nor an operator may have an interest in any other farm which has a 1977 wheat allotment, and the person making application must have had at least one year production experience in a prior year.

Applications for a new farm allotment must be filed in the county ASCS office on or before July 1. Any interested producer who can meet these requirements should contact the county office before the final date for filing an application.

Truck total reached 2.7 million in 1975 with 82 percent being operated by private owners.

FFA LEADERSHIP CAMP: Chelsea participants in the recent FFA week-end leadership training activities at Camp Palmer in Ohio were, standing left to right, Dan Grau, Scott Powers, Debbie Harrison, Victor Verchereau, Shelly Hatt, and Dave Nicewicz, advisor. Missing from the photo, but attending the event nevertheless, were Tim and Doug Welshans.

FFA Chapter Members Attend Ohio Leadership Training Camp

FFA members from the Chelsea Chapter recently attended a week-end of leadership training activities at Camp Palmer, Fayette, O.

Officers in the local FFA Chapter who attended camp were: Tim Welshans, president; Scott Powers, vice-president; Debbie Harrison, secretary; Victor Verchereau, treasurer; Shelly Hatt, reporter; Dan Grau, sentinel; and Region II vice-president, Doug Welshans.

Law Enforcement Career Camp at Patterson Lake

The second of two, week-long Kiwanis Club-Michigan law enforcement career camps is being held June 20-26 at a University of Michigan camp near Pinckney, according to camp staff members. Sergeants Lee McDowell, Lansing, and John Kopacz, Jackson, of the State Police.

Approximately 50 boys and girls of high school age levels are attending the camp under sponsorship of the local Kiwanis Club.

Site of the first session was Wesley Woods Camp near the intersection of Lacy and Banfield Rds., north of Battle Creek.

The second camp will be held at the University of Michigan fresh air camp at Patterson Lake south of Pinckney.

The sessions begin with registrations on Sunday evening and continue through to the following Saturday noon.

Officers from the State Police, sheriff departments and municipal police comprise the camp staffs. Guest instructors will include representatives from federal, state or other agencies and organizations.

Number 14, usually worn by DAPCO pitcher Ethel Lambert, and two men's shirts, each lettered COACH on the left front, are listed as missing.

If any of you from the world of softball should spot these white spangly material shirts, with royal blue and orange stripe knit trim at the neckline and short sleeve edging, identified with DAPCO lettering, or traces of lettering (since these were lettered at the factory, the glue will continue to show the outline, even if the letters themselves are removed from the shirts), please beg the wearer to return same to the team; as they represent a considerable investment by the team sponsor. No questions of the return!

It may be impossible to replace them this season, although "we're sure trying." League rules require all players to wear matching shirts.

WASHINGTON REMEMBERED

Practically every American knows that George Washington was born in February, but not many know of two other unique accomplishments of his that occurred in two other Februarys, in 1799 and 1793. In those two years the electoral college voted unanimously for Washington for President of the United States - the only two times that the vote of that august body has been unanimous. At Henry Ford Museum in Dearborn, visitors may see a number of items belonging to the "father of our country," including a camp bed and campaign chest used by Washington during field campaigns.

REGISTRATION NOTICE

FOR

GENERAL

PRIMARY ELECTION TUESDAY, AUGUST 3, 1976

To the Qualified Electors of the TOWNSHIP OF LYNDON

(PRECINCT NO. 1)

COUNTY OF WASHTENAW, STATE OF MICHIGAN

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration.

Notice is hereby given that I will accept registrations at my home at 5005 South Lake off Roopke Rd., any day from 8 a.m. to 5 p.m. Call 475-2315 for appointment, and on

Tuesday, July 6, 1976 - Last Day

From 8 o'clock a.m. until 8 o'clock p.m.

THE 30th DAY PRECEDING SAID ELECTION

And on Saturday, July 3, 1976 - 8 a.m. to 5 p.m.

As provided by Section 498, Act No. 116, Public Acts of 1954
As Amended.

For the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Elector Unable To Make Personal Application, Procedure

SEC. 504. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The elector shall then appear before the registration officer and sign his name on the line for the signature of the registration officer and designate his title.

Unregistered Persons Not Entitled To Vote

SEC. 491. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the Township, Ward or Precinct in which he offers to vote.

Transfer of Registration, Application, Time

SEC. 506. Any registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved thereto, and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in proper precinct file. Such transfers shall not be made within the 30 days next preceding any election or primary election, unless such 30th day shall fall on a Saturday, Sunday, or legal holiday in which event registration shall be accepted during the next full working day, provided that no such transfer shall permit any person to vote in any Township, City or Village in which he had not resided 30 days next preceding any election or primary election.

Transfer of Registration on Election Day

SEC. 507. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village shall have the right to make application to have his registration transferred on any election or primary election day by executing a request over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond then the inspector shall certify such fact upon said request and the applicant for transfer shall then be permitted to vote in such precinct for that election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in a Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of street in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote.

Wayne Dari-Blen Rations...

"New Concept" Feeds of the 70's

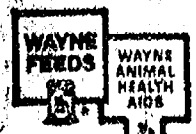

When a Wayne Dari-Blen ration starts working in the rumen, it keeps right on working... hours and hours longer than ordinary dairy feeds with only a single source of protein. Dari-Blens offer multiple-source protein and other key milk-producing ingredients which work together to increase the level of Volatile Fatty Acids in the rumen. This is the "secret" of Dari-Blens... the secret of top milk production.

Many dairymen want to "cash in" on the economy of non-protein nitrogen. If this is you... if you feed a medium level of milking ration, ask us about Wayne 42 Dari-Blen. It's 22 percent natural protein and 20 percent non-protein nitrogen. It's one of Wayne's NEW CONCEPT feeds of the 70's.

DEATHS

Steven V. LaBarbara

Dies Monday Evening from Injuries in Auto Accident

Steven V. LaBarbara, 17, of 11487 Trinkle Rd., Lima township, died Monday evening, June 2, from injuries suffered in an auto accident near his home.

Born on Sept. 7, 1959 in Denver, Colo., he was a son of Vito T. and Ruth Edgett LaBarbara. Steven had recently graduated from Chelsea High school with honors. He had been employed at Bill Knapp's Restaurant in Ann Arbor for the past two years. The family had moved here from Colorado in 1973.

Surviving are his parents, Mr. and Mrs. Vito T. LaBarbara of the Trinkle Rd. address, a brother, John LaBarbara, at home, his paternal grandparents, Mr. and Mrs. Thomas LaBarbara and his maternal grandparents, the Rev. and Mrs. Lester Edgett, all of Denver, Colo., several aunts and uncles.

Memorial services were held at the Burghardt Funeral Home on Wednesday, June 23 at 7:30 p.m. Graveside services and burial will be made later at Mt. Olivet Cemetery, Denver. The family suggests that those wishing to do so may make contributions in Steven's memory to the Chelsea High School Scholarship Fund.

Elmer Wenk

Former Chelsea Resident Dies at Ann Arbor Home

Elmer Wenk of 504 S. Seventh St., Ann Arbor, died Saturday, June 19 at his home. He was 66. The son of Martin and Martha (Grieb) Wenk, Mr. Wenk was born July 22, 1909, in Freedom township. He worked for Ford Motor Co. for more than 20 years, retiring due to illness.

Mr. Wenk served in the U. S. Army during WW II. He was a member of Herbert McKune American Legion Post No. 31 of Chelsea, and a member of Zion Lutheran church of Rogers Corners.

Mr. Wenk is survived by three brothers, Erwin Wenk of Lima township, Ernest Wenk of Freedom township, and Norman Wenk of Freedom township, and a sister, Mrs. Walter (Rubina) Leofler of Freedom township. A sister, Mrs. Edna Carlton Burkhardt, died Dec. 6, 1974.

Funeral services for Mr. Wenk were held Tuesday, June 22, at 2 p.m. at Zion Lutheran church of Rogers Corners. The Rev. John R. Morris officiated. Burial followed in the Zion Lutheran church cemetery. Memorial contributions may be made to the Zion Lutheran building fund. Arrangements were by Staffan Funeral Home.

Ross Munro

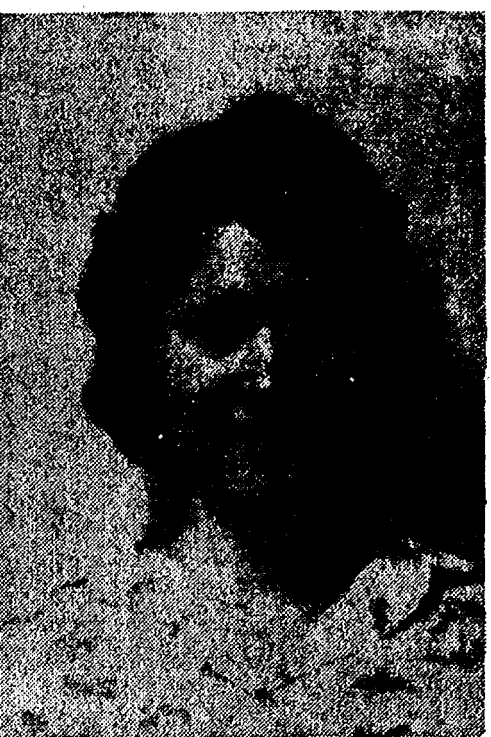

Dies Sunday, Nine Days Following Death of His Wife

Ross Munro of 233 Washington St. died Sunday, June 20 at Chelsea Community Hospital at the age of 75. He was born Nov. 21, 1899 in Chelsea to Claude J. and Lovina (Conaty) Munro. He had lived his entire life in Chelsea.

He was employed by Federal Screw Works until his retirement in 1967 after 45 years of service. Mr. Munro married Veva Myers Oct. 10, 1922. She preceded him in death on June 11, 1976.

He is survived by one brother, James Munro of Ann Arbor, one son, Loren Munro of Peoria, Ill., one daughter, Mrs. John (Karen) Vournakis of Fayetteville, N. Y., five grandchildren, and several nieces and nephews.

Funeral services were held Wednesday, June 23, 11 a.m. at Staffan Funeral Home, with the Rev. Carl W. Schwarm officiating. Burial followed in Oak Grove Cemetery.

Among her experiences in the recreational field, Diane has worked for the State Special Olympics for the past two years.

Canoers Brigade Wins Race Down Letts Creek

Chelsea Canoers Association Brigade challenged the Madison Street Fire Brigade to a canoe race down Letts Creek Friday evening, June 18. The Street Brigade accepted the challenge but lost the race.

Entering the creek at the Cavanaugh Lake Bridge were Frank Sweeney, Andy Blackwell, Duane Landwehr, and Bud Harker for the Chelsea Canoers Association Brigade. Representing the Madison Street Fire Brigade were Frank Blackwell, Jim Eder, Don O'Dell, and Jim Brannan.

Pronouncing sentence on the losers was Village President Don Wood. The losers walked the plank into Letts Creek.

Following the race, an egg-eating contest was held. Only one contestant was courageous enough to enter. Don Marshall ate 14

hard boiled eggs in six minutes. In a watermelon eating contest, Jim Brannan outperformed George Sweeney. Again the loser had to walk the plank.

About 125 spectators enjoyed the Bicentennial Race.

Bike-A-Thon...

(Continued from page one)

died of leukemia in 1974, two days before his eighth birthday.

Upon completion of the Chrysler course, riders and volunteers were treated to a ride on parts of the track not included in the bike-a-thon. Lemonade was served by Mr. and Mrs. Cantrell.

When they returned to the Municipal Parking Lot, all bikers' sponsor sheets were verified, and cyclists went out to gather their pledges. With the donations of riders over 21, and there were six including Dr. Clare Warren, the Rev. William Keller, North school principal Robert Benedict, and John Marchello and sons Dave and Don from South Lyon, the bike-a-thon expects to net more than \$1,525.

Sponsors are asked to turn their pledges in to the riders as soon as possible for final credit and accounting. Riders may turn their money in to: Agnes Boylan at the District Court office, or to Susie Palmer at Palmer Motor Sales.

Scio Township Terminates Sheriff Patrol

In a 3-2 vote the Scio township board decided not to renew the contract with the Washtenaw County Sheriff's Police for a full-time officer assigned to patrol Scio township.

Trustee Frank Lovejoy and Trustee Paul H. Johnson voted for renewal. Supervisor Robert Jones, Clerk Gay Korschuk and Treasurer Evelyn Navarre voted against.

Supervisor Jones noted that "we felt we hadn't gotten our money's worth in Scio township." The township paid \$13,600 toward the \$19,000-plus cost of the officer.

In other business the board approved a conditional use application and the preliminary site plan for the Dexter Knights of Columbus for their new meeting hall on Dexter-Chelsea Rd. The K-C's are now seeking a building permit. Their old hall on Main St. is being purchased by Paul Dunbar of Dunbar Meats.

Also reappointed to the seven-member planning commission to serve three year terms were three Dexter men, Paul Armbruster of Marshall Rd.; Lyle Engle of Huron St.; and John Trustdort of W. Huron Dr.

A zoning change from agricultural to wholesale warehouse was approved for land owned by J. L. Fendt which he plans to use to store small items. The land is located on the south side of Liberty Rd. west of Feeley Rd.

LUNCK LINDY

Charles A. Lindbergh climbed into his monoplane "The Spirit of St. Louis" in New York on May 20, 1927 and took off for Paris in an attempt to win a \$25,000 prize offered for the first solo nonstop flight across the Atlantic. Lindbergh's plane was stocked with 481 gallons of gasoline and 20 gallons of oil, but had no lights, heat, radio, automatic pilot or de-icing equipment. Thirty-three and a half hours later, "Lucky Lindy" landed in Paris and was greeted by a cheering crowd of 100,000 persons.

Funds Drive for Summer Theatre Nears Deadline

July 1 is the deadline for contributions to Friends of the Chelsea Players, fund raisers for Chelsea's annual summer theatre production series.

For the past three years, state grants subsidized the community theatre program. However, this year the grants expire. The state money is awarded only to fledgling theatre groups to help get them established. After three years, community interest is expected to pick up the costs of the community's theatre program.

Friends of the Chelsea Players are thus conducting a drive to collect theatre patrons. For \$10 or more, any person may become a patron. All patrons will be listed on the summer production program of "Hello Dolly."

This summer, in addition to sponsoring "Hello Dolly," the Friends of the Chelsea Players provided operating costs to run the Children's Theatre Workshop, responsible for introducing many of the area's youth to theatrical arts. The \$10 registration fee which was charged to parents, covered only 15 percent of the total cost of the program.

If you would like to see Chelsea retain this new cultural dimension, stop by the Chelsea State Bank with your donation. Friends of the Chelsea Players are registered and incorporated as a non-profit organization. All donations are tax deductible.

It is impossible for women to become as great as men—they have no wives to advise them.

Wins Prized Photography Scholarship

Ray Steinbach of Chelsea was one of 20 photography instructors from across the United States to be chosen as a recipient of a full tuition scholarship to Brooks Institute in Santa Barbara, Calif., for the 1976 annual four-week intensive summer photography class offered by the institute.

Brooks Institute is one of the most highly acclaimed photography schools in the country.

The four-week session which began Monday, June 21, is conducted from 9 a.m. to 9 p.m. daily and focuses on all aspects of photography, including lab work. Six hours of graduate credit are awarded to students completing the course.

Ray is head instructor of photography at Washtenaw Community College. For the past two summers he attended photography schools in Indiana. This year, his destination was California when he left Chelsea Wednesday, June 16.

Ray is the husband of Alice Steinbach, recipient of the 1976 Michigan Conservation Educator of the Year Award.

Area Students Graduate at Kalamazoo

Two hundred eighty-six seniors received their Bachelor of Arts degrees from Kalamazoo College during the 1976 Commencement ceremony at 3 p.m. on Saturday, June 12.

Graduating Phi Beta Kappa, with a degree in economics was Michael L. Hergert of Grass Lake. Two other students from Grosse Pointe, formerly of Chelsea, were also among those honored. They are Mark J. Thomson and Michael H. Thomson. The latter graduated Cum Laude with a degree in economics.

Seniors and their families heard commencement speaker Dr. Linus Pauling, director and fellow of the Linus Pauling Institute of Science and Medicine, address the topic, "Science and Human Values." Dr. Pauling received an honorary degree along with special commencement guest Stanley S. Kresge, former chairman of the board of the S. S. Kresge Corp.

Chelsea Students Named to CMU Honors List

Senior Debra J. Barker, junior Jeffrey N. Marshall, and sophomore Gary A. Wellnitz, all from Chelsea, were named to the academic honors list at Central Michigan University for the winter semester of 1976.

In addition, senior John S. Ruhlig of Dexter was honored by Central for achieving a straight "A" average for the semester.

To be eligible for the academic honors list, a student must have a cumulative grade average of "B" or better for his or her entire college career.

The straight "A" is based upon winter semester grades without regard to cumulative averages.

Larry Morse Granted Degree at Mich. Tech.

Michigan Technological University in Houghton awarded 900 degrees at Spring Commencement May 29. Dr. Ivar Glaever, 1977 Nobel Prize winner in physics, delivered the commencement address.

Receiving his bachelor of science degree in metallurgical engineering was Larry J. Morse of Oakridge Dr., Chelsea.

Since 1861, the first year in which Michigan State University granted degrees, through 1975, MSU has awarded 187,845 degrees.

CHELSEA, MICHIGAN, THURSDAY, JUNE 24, 1976

Katie Chapman Retires from Co-Op Extension Office Post

After 25 years of public service, Mrs. Kathleen Chapman, better known as Katie, is retiring from her duties at the Washtenaw County Co-operative Extension Service office, July 2.

Raised on a farm in Sylvan township, Katie started working in the Extension Office in February 1950, following the untimely death of her husband. The office was then located in the basement of the old County Courthouse.

She brought not only the business skills she had acquired at Cleary College to her new job, but also the first-hand knowledge of agriculture and home economics.

She was first hired to do Soil Testing in the newly established lab and to work part-time for the newly established Washtenaw County Soil Conservation District. D. Dale Ball, now director of the Michigan Department of Agriculture, was at that time the full-time Conservation Director. She also worked as 4-H secretary, accountant, home economics secretary, and finally as agriculture secretary and office manager, all under the directorship of the late Donald R. Johnson.

She has witnessed the growth and expansion of office personnel and the extension program as a whole.

Her varied experiences cannot possibly be enumerated, they remain so vast. The one that thrilled her the most was when a gentleman called and asked her if she could give him some information on plucking a chicken. At the conclusion of their conversation, she discovered he represented The Detroit News. A few days later he called back for information on making soup from chicken feet. After providing him with the instructions, he told her the story would appear in The Detroit News.

Last year Katie was nominated for the Governor's Award. Although she was not chosen for the award, she was honored with a letter of congratulations from the Governor himself. In addition to that nomination, she was also presented with an outstanding 4-H Service Award at the 4-H Achievement Night held at Dexter High school last November.

Outside her duties at the Extension office, Katie is well known in the community. She was an active member in the Sylvan Farm Bureau, serving as secretary and treasurer. She attends St. Mary's Catholic church in Chelsea, and is a council member and secretary of the Altar Guild. She is vice-president of the Chelsea Church Women United. She also is serving a two-year term as president of Washtenaw County Deany and is a member of the Don Johnson Memorial Scholarship award committee.

When asked about her plans for the future, Katie smiled and replied, "I'll find something to do in my community."

An open house is being planned for June 27, Sunday, at Pittsfield Township Hall from 3-5 to honor Katie. The public is invited to attend.

Veterinary medicine was included as one of the subjects to be taught when the legislature established "The Agricultural College of the State of Michigan" in 1855. However, the College of Veterinary Medicine was not formally established at Michigan State University until 1910.

'Hello Dolly' Cast Rehearsing Daily

"Call on Dolly, she's the one the spinners recommend." Call on Dolly, if your eldest daughter needs a friend. The echoes of this song reverberated off the walls of the empty Chelsea High school auditorium as 22 members of the chorus line for the upcoming Chelsea Players' production, "Hello Dolly," rehearsed their steps, trying to match the words of the tune with the proper shuffle.

"Be stylish," commanded director Di'Ann L'Roy, "this is not what you would call a blood and guts, realistic type show!"

Members of the cast have been rehearsing on Saturdays and every evening throughout the week for the last two weeks as the July 15 opening draws near. While the actors and actresses practice their lines, set designers are busy behind the scenes, constructing and painting the complex flats and props essential to the visual success of the extravaganza. The set design features a promenade that extends from the present edge of the proscenium stage over the orchestra pit. A trap door will also be erected in "Vanderghelder's Feedstore."

Auditions for the cast yielded an all-star billing. Playing leading roles are Chris Alber as Irene Malloy; Bill Coleus as Horace Vandergelder; Jody Daniels as Ermengarde; Jan Koenigster as Ernestina; Robert Wenk as Ambrose Kemper; Jeff Daniels as Cornelius Hackl; Joan Kokum as Minnie Fay and Howard Salyer as Barnaby Tucker. Completing the line-up,

Abandoned House Destroyed By Fire

A pre-dawn blaze early Sunday morning, June 12, completely destroyed an abandoned house on Linna Center Rd. Twelve firemen from the Chelsea Fire Department responded to the alarm.

No injuries were reported and the cause of the fire remains undetermined.

It was a busy week for firefighters who were called out again Tuesday afternoon, June 15. This time their services were required to help put out a series of minor grass fires which had started as a result of the dry weather.

Michigan State University's newest college, the College of Urban Development, was opened in 1973 to train individuals to identify and solve urban and ethnic problems.

READY FOR THE GRIND: Standing by, ready to begin the ride along the hot dusty trail, are participants in the Steve Cantrell Memorial Bike-A-Thon. The bikers collected \$1,475 in pledges, riding a total of 480 miles along the special Chrysler Proving Grounds bicycle course.

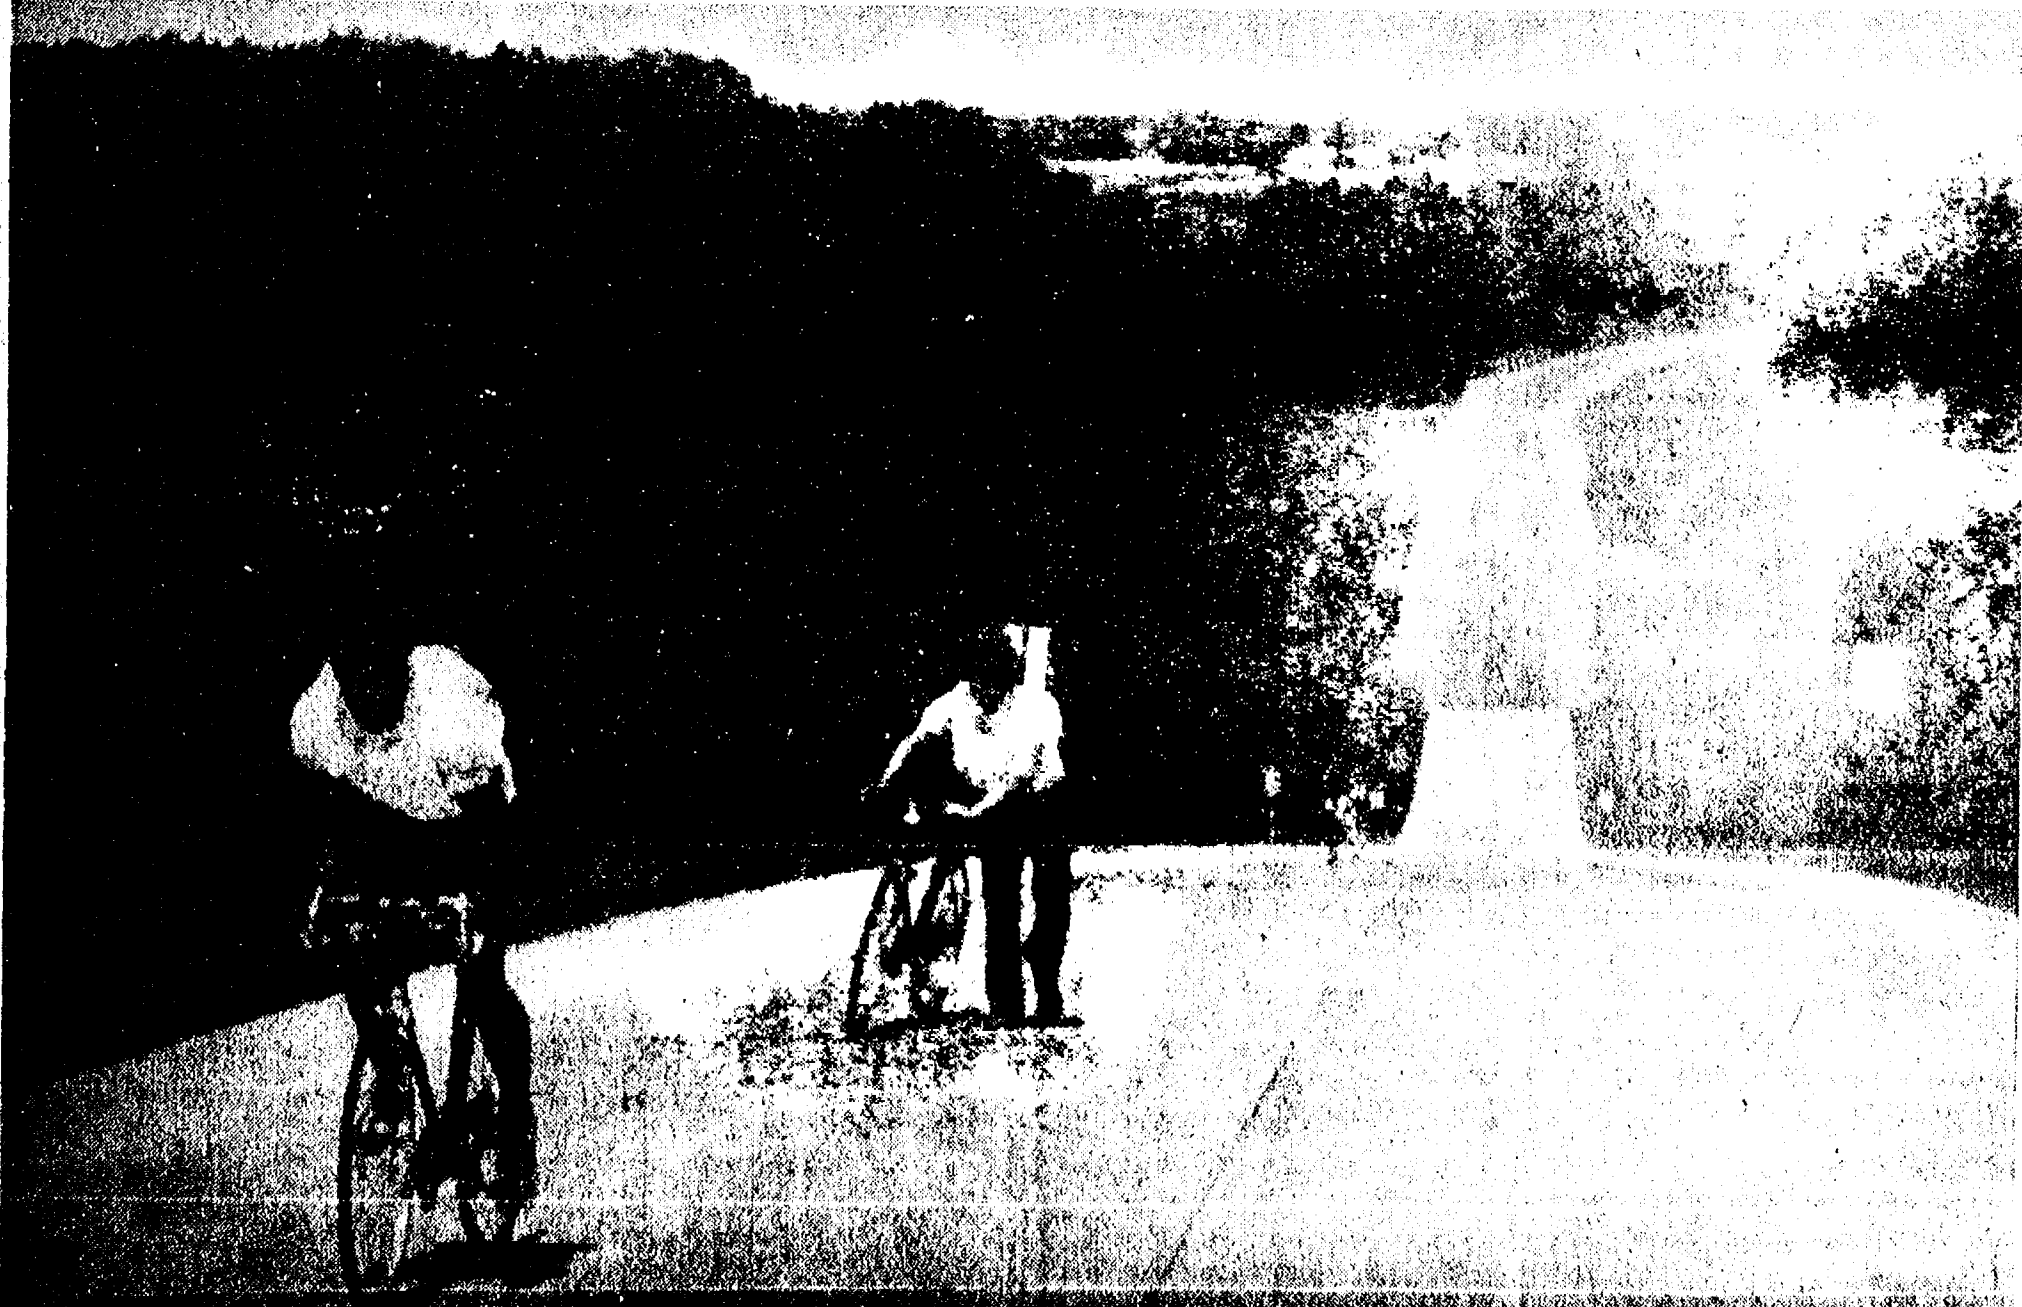

PARTICIPANTS TAKE TO THE ROAD as they begin their 13-mile ride. Escorting the bikers across the starting line is a Michigan State Police patrol car. The determination and commitment of all those involved helped to bring the bike-a-thon to a successful conclusion. The bike-a-thon marked the first time the public was allowed on Chrysler Proving Ground roads.

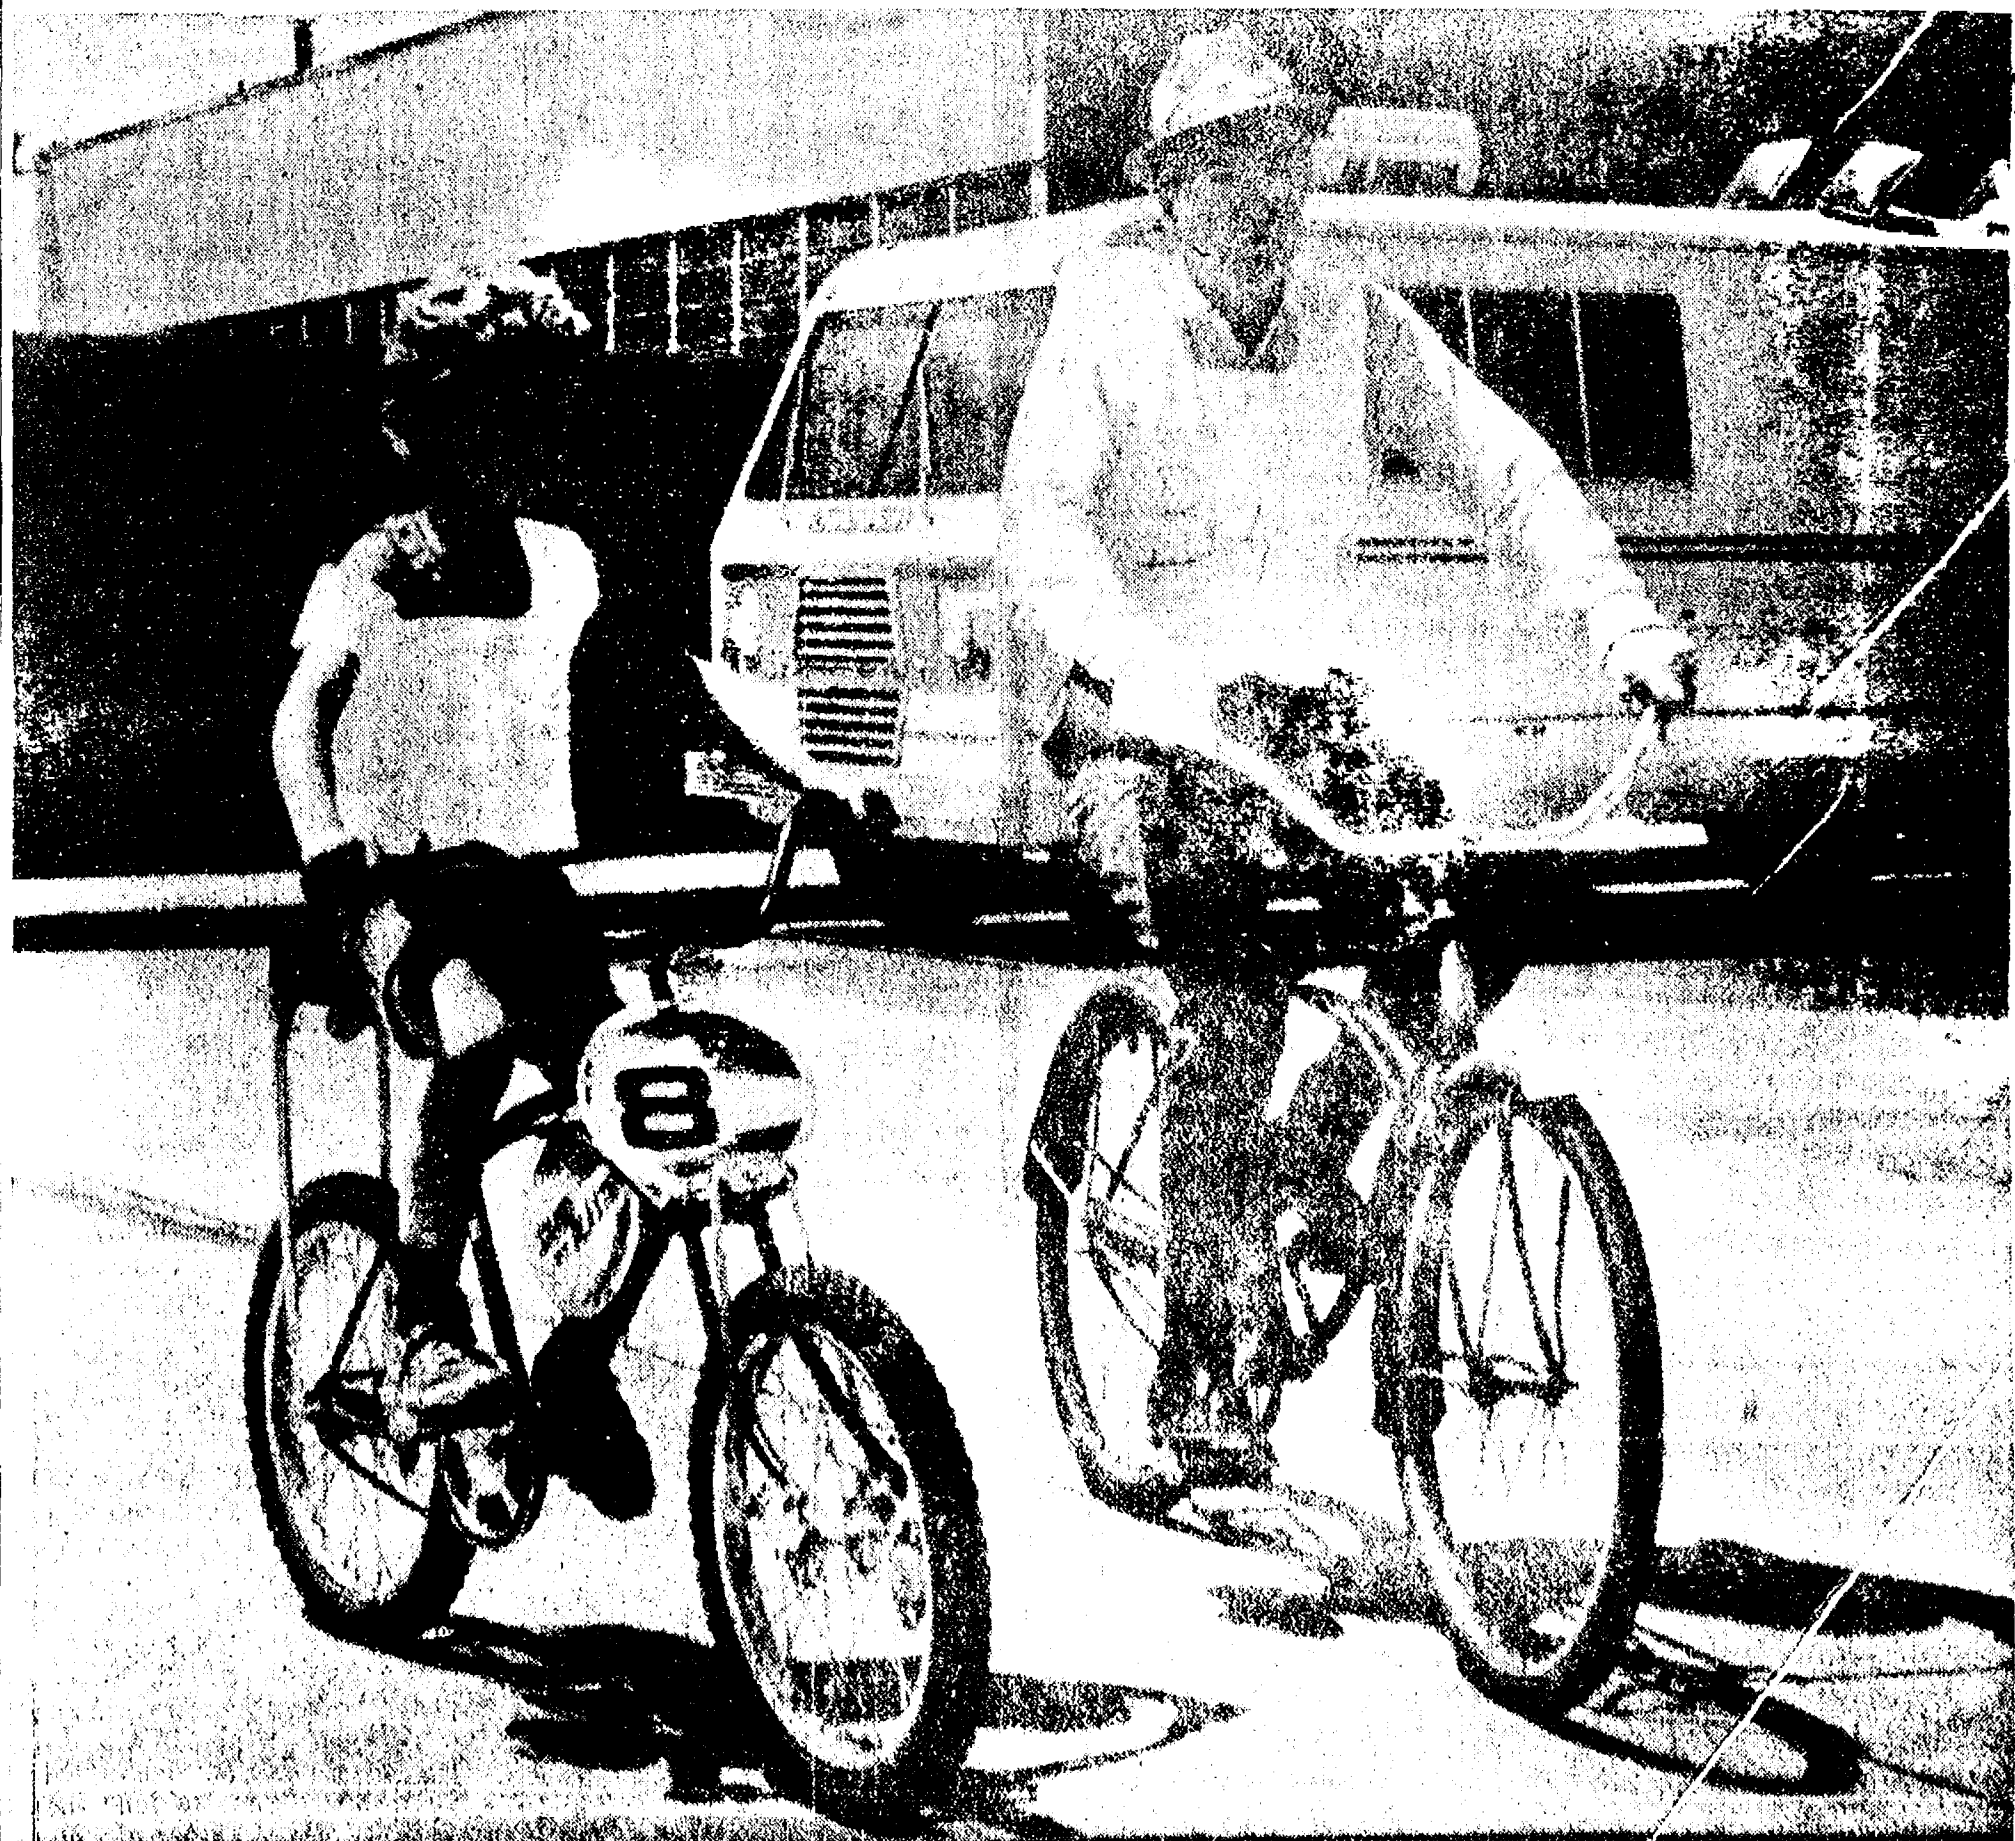

FATHER-SON DUO: Greg GreenLeaf and his father, Edwin, riding as a father and son team to celebrate Father's Day in the Sunday Bike-A-Thon, have their credentials checked by Chrysler Proving Grounds patrolman LaVerne Smith at the finish line.

KEY FIGURES in the behind-the-scenes organization of Sunday's Bike-A-Thon are, standing, left to right, Mr. and Mrs. George Cantrell and their daughter, Sheryl, Mrs. Donna Palmer and Mrs. Ruth Harbaugh, co-chairmen of the event, and B. J. Ludwig, Chief Engineer - Vehicle Evaluation, Chelsea Proving Grounds of Chrysler Corp.

HOLY COW! The face-to-face confrontation with a 15 percent grade in the Bike-A-Thon route causes some riders to dismount from their vehicles and push rather than pump. Twenty-four riders completed the 13-mile course.

GREG GREENLEAF, 10, son of Mr. and Mrs. Edwin GreenLeaf, Chelsea, and former Chelsea village president, Max Sweet, 68, represented opposite ends of the age spectrum in the field of participants at the cancer Bike-A-Thon held on Chrysler Proving Grounds Sunday, June 20.

BOARD OF COMMISSIONERS

Wednesday, June 2, 1976

Record of Proceedings

EVENING SESSION

The regular session of the Washtenaw County Board of Commissioners was held at the Court House in the City of Ann Arbor, Michigan, on Wednesday, June 2, 1976.

The meeting was called to order by Chair Murray at 7:02 p.m. The Board stood in a moment of silence.

Roll call found Commissioner Ellen absent.

Comm. Ellis supported by Comm. Taylor moved that the minutes of the May 19th Board of Commissioners meeting be approved. Carried.

Special Order of Business: Patricia A. Bamberg, Coordinator, Washtenaw County Comprehensive Employment Program spoke to the board. A resolution with an attached Summary of Grant Application was distributed.

76-0245 Comm. Taylor supported by Comm. Kuebler moved that the resolution authorizing the Chair of the Board to sign the Grant Application package for \$8,755 of Summer Youth Recreation Program funding from the Community Services Administration for utilization by the Washtenaw County CETA office in conjunction with the 1976 Summer Program for Economically Disadvantaged Youth be adopted. Roll call vote: YEAS: 12. NAYS: none. ABSENT: 3. Motion carried.

Communications: Comm. McClary supported by Comm. Taylor moved that the communications be dealt with as recommended. Comm. McClary asked a Controller about R-6312. Motion carried. Communications are as follows:

R-6311 Resolution adopted by the Washtenaw County Board of Commissioners on May 12, 1976, re: supporting the Executive Board of the Washtenaw County Office of Veterans Affairs and all other State and local veterans groups in their goal of obtaining a national cemetery located in the State of Michigan. Receive and file and refer to Human Resources Committee and Veterans Affairs.

R-6312 Letter from Allison Green, State Treasurer, dated May 13, 1976, re: they have changed their audit scheduling policy so that all audits which they conduct for the year 1975 will be completed on or before September 1, 1976 and released to the County by October 1, 1976. Receive and file and refer to Ways & Means Committee and Controller.

R-6313 Letter from Congressman Marvin L. Esch, dated May 11, 1976, addressed to Robert M. Harrison, Clerk, re: thanking the Clerk for sending him information on the action of Commissioners' action on R-11193, the gun control bill. Receive and file and refer to Human Resources Committee.

Citizen Participation: none. Report of the Chair of the Board of Commissioners:

Would like to announce or remind you that tomorrow night at 7:30 p.m. at Washtenaw Community College Science Building, there will be a UATS public hearing on the Huron River Corridor Study.

Since we are going to have a fifth Circuit Court Judge and there are people running for it and someone will be elected and come next January there will be a Judge and we are going to have to come to some conclusion on how we're going to handle that person and I would like to set up a committee to go together with the Controller, Corporation Counsel and Planning to discuss the alternatives and then report to Ways & Means. If there is no objection I would like to appoint the following:

76-0246 Comms. Walter, Walterhouse, McClary, Taylor and Murray to be on this committee. Is there any problem with that? The committee was appointed with Comm. Murray designated as Chair of the committee.

The reason for the committee is to set down with a smaller group and discuss the various alternatives that we will present to Ways & Means about what we are going to do with a fifth Judge. What personnel is absolutely necessary, where it will be and that sort of thing.

Chair Murray went to the MAC Legislative meeting yesterday and she talked with a former State Legislator who suggested that a route, the County might go in beginning to get partial funding. We could begin to get the State to take over a little at a time some support of the Courts. A resolution was presented to the Board.

76-0247 Comm. Murray supported by Comm. McClary moved that the resolution requesting the State Legislature to immediately design legislation which would allow reimbursement to counties for space utilized by the Circuit Courts and their staffs and directing that copies of this resolution be sent to State Representatives Bullard, Owen, Smith and Conlin and to all Chairs of Boards of Commissioners in the other 82 counties and that a copy be sent to the Michigan Association of Counties, be adopted. Resolution was amended in that copies also be sent to Governor Milliken and State Senators Faust, Bursley and DeSana. Roll call vote: YEAS: 14. NAYS: none. ABSENT: 1. Motion carried.

Reports of Standing Committees: Comm. Walterhouse supported by Comm. Shultz moved that the Physical Plant Committee Report dated May 20, 1976, be approved as presented. Carried. (Moved to approve Alarm System No. 1, with \$2,418.95 to come from the unearmarked reserve. Moved to authorize a solid door to be installed in Probation near Word Processing, without a lock, which will swing into Word Processing. Moved to have the report concerning Building Operations staff forwarded to Personnel for interpretation and investigation. Moved to refer the parking structure issue to the Planning staff for study and investigation of alternatives. Moved that the bids be received for the County Building roof and referred to the next Ways & Means meeting for recommendation and approval. Moved to table the heating and cooling system issue at the Service Center pending additional information. It was the consensus of the committee to have Mr. Weiss repair the plaster and lighting problems at the Chelsea Court building. It was the consensus of the committee to open a lunchroom in the basement and then prepare a cost estimate for remodeling. Controller spoke to Board referrals R-6255 and R-6299, which pertain to space for the Department of Social Services. Moved to approve the Housing Rehabilitation Program document. Mr. Fegan noted that Planning would be hiring a Rehabilitation Specialist to work on a contractual basis for the Housing Rehabilitation Program. Moved to accept the suggested changes on the Special Projects Activities list and to tell Mr. Fegan to operate with these as his guidelines. Progress on Capital Improvements Program was discussed. Moved to go on record as favoring the 208 Lake Study. Moved to approve the remodeling of the Ypsilanti Health Office Building and to take \$5,175 from the Building Fund for this project. Moved to inform the Budget Committee that there is a forthcoming project at the Social Services Center for heating and cooling which will cost \$40,000 and the possibility of a \$20,000 expenditure for repair of the Chelsea Court cornice. Moved to refer the letter from George Bayliss to Ways & Means for full Board member approval. Moved to donate the five portraits in the County Clerk's Office to the Washtenaw County Historic District Commission. Moved to forward the Drain Commissioners 1975 Annual Report and Financial Statement 9-4-74 to 8-31-75 to the Board to be received. Bicentennial Notes

The Crafty Ladies Belles Chapter is sponsoring a Junior High Track and Field Day at the High School track on July 2. All junior high students are invited to participate. There will be running and jumping events, and some "silly games." For more information, contact Karen Steina-way, 475-1943.

The Wild Woolley Lambs conceded to the Babbling Bauer Belles in a softball game Wednesday, June 16 at Pierce Park. The score was 19-6. After the ladies' game the gentlemen took the field. The game was a "tie" as both teams thought each had won.

Reminder from Bell Bottom Belles: Don't forget about "Fun-n-y-Bowling," this Saturday, June 26 at 3 p.m. at Chelsea Lanes. Cost will be \$1.

Prizes, donated by area merchants, will be awarded to the winners of various categories. All Belles are invited.

Please contact Lynne Boham at 475-7441 or Brenda Larson at 475-2650.

We, the Haystack Cuties of the Miss Liberty Belles challenge the Smoothies of the Junior Fire Brigade to a softball game June 29 at the high school, 7 p.m. Everyone is invited.

We, the Crafty Lakies, have set up some of our challenges for the summer and would like the following chapters to answer our challenges. On July 24 we challenge the Royal Rural Rooster Rooters to a tug of war across Left's Creek. On July 30, we challenge the Belles of the Nozzle to an

egg-tossing contest. On July 30, we challenge the Wild Woolley Lambs to the pie-throwing contest. On Aug. 1, we challenge the Royal Rural Rooster Rooters to a game of softball. And on Aug. 6, we challenge the Roarin' Ruffles to the "No Hands Strip."

We are ready for all these challenges and hope you are. To accept, please call Karen Steina-way at 475-7610 during the day or 475-1943 in the evening.

People of Chelsea, who have talent of any kind of craft, please come forward and join us in the Bicentennial celebration. We have offers from outside craftsmen. They are welcome, but this is Chelsea's celebration and we want good response from Chelsea's craftpersons. Crocheting to broom-making whatever your thing may be. Also people of all origins to cook your favorite dish and make extra income for yourself, group or club.

Frontier Day, Aug. 17.
International Day, Aug. 19.
Contact Virginia Sabo, 165 E. Middle St., or call 475-1227.

ROGERS CORNERS HERDSMEN
Rogers Corners Herdsmen met at the home of MaryKay, Rick, and Amy Poljan Wednesday, June 23. The group washed gates for County Show and discussed the hay ride slated for July 14 at the Van Riper home. The meeting was then adjourned and refreshments were served.

CHILDRENS THEATRE WORKSHOP: Chelsea youths test their talents in the summer Children's Theatre Workshop currently being held as part of the Chelsea Players summer theatre program.

SMILING VICTORIOUSLY for the camera, the Babbling Bauer Belles pulled the wool over the eyes of the Wild Woolley Lambs at Pierce Park on June 16 as they babbled them "out to pasture" with a win of 19-6 in only six innings. The Babbling Bauer Belles would like to express special thanks and appreciation to Coach Jim Bauer, who chose to ignore the "baas" of his own chapter and tolerate the "babbling" of his relativest Better luck next time Lambs.

Double, Triple Coupon Redemption Value May Lead to Higher Prices

Redemding manufacturers' coupons for double or triple their value at the grocery store may seem like a shopper's bonanza, but in the long run it could mean higher prices, says a Michigan State University professor.

Dr. John W. Allen, MSU professor of marketing and agricultural economics, says that "when great numbers of grocery stores start employing their tills to reach more volume, they are jeopardizing their future ability to raise capital to improve productivity."

Increased productivity, says Allen, means making improvements, such as the implementation of Universal Product Code and further mechanization of food warehouses, to maintain lower over-all prices for the future.

Allen adds that many consumers are interested in the lowest prices in town. Shoppers choose particular stores for many reasons, such as baggers who carry groceries to the car or a wide assortment of products.
