Swim Pool Summer Season Successful

Larry Reed, swimming pool director, presented his end-of-season report to the Board of Education, recently. The board applauded the success of a \$1,200 surplus in the pool account and also applauded the news of its having served more than 9,500 persons in various activities this past summer.

Reed assured the board that programs scheduled after school hours will continue as self-supporting activities. Competitive swimming teams for both girls and boys will be established under a club concept. The varsity team is forming

and Reed feels that each season's surplus will cover the minimal required costs of team competition, including officials and uniform swimwear.

Under the auspices of various school swim clubs, swimmers may compete with other similar groups and may also be charged a fee as a pre-requisite to membership in these clubs.

The fall swimming schedule provides programs for all groups that used the pool over the summer. The hours immediately after school will be reserved for club swimming.

T. Balistrere Named As Athletic Director

Tom Balistrere was named new athletic director for Chelsea High School by the Chelsea School Board, effective Friday, Sept. 10. Balistrere replaces former director Phil Bareis who submitted his resignation to the board at their regular meeting Sept. 7.

Balistrere has been employed by the Chelsea School District for five years. During that time he served as recreation director for three years, beginning in 1973, was head basketball coach at CHS, and coached various JV sports, including freshman football.

Born in Pennsylvania, Balistrere earned an associate of science degree from York College, York, Pa., a BA degree from Albion College, and an MS degree from Eastern Michigan University. His major is in health, recreation, and physical education.

As new athletic director, Balistrere cited "organizational changes from within the athletic department" as his long-term goal. Another possibility under consideration, he stated, is "the addition of more athletic programs."

Ten New Teachers Join CHS Faculty

Ten new teachers and a new assistant principal have been hired by the Chelsea School District for the 1976-77 school year.

The new assistant principal, Nancy Schave, has forged a new landmark in the history of the school system by becoming the first woman to be hired for her post since the position was first instituted by the Board of Education about 10 years ago.

Miss Schave earned her bachelor's degree from Western Michigan University, her master's from Eastern Michigan University, and is currently a doctoral candidate at the University of Michigan. She served as counselor in the Lake Fenton School District for seven years before accepting her present job.

John Groesser, who earned his bachelor's degree from Central Michigan University, described himself as a "beginning teacher." Originally from Traverse City, his interests range across the spectrum of recreational activities, from tennis to bowling.

Groesser is married to Sarah, and resides in the area.

Jonathan Andrews, from Jackson, is a graduate of Vandercook Lake High School, and holds a bachelor's degree from Michigan State University. He taught for a year in the Columbia Central School District.

Listing travel, bicycling and backpacking as her interests, Miss Schave has traveled around the world, with periods of study in both India and the Philippines. She resides at Cavanaugh Lake.

The only new teacher at Beach Middle school this year is Mrs. Deborah Solowczuk. She is a 1976 graduate of Eastern Michigan University, and is teaching typing at both Beach school and Chelsea High school. Her major is in business education.

Mrs. Solowczuk replaces Mrs. Karen Larue, who is on a one-year leave of absence. She did her student teaching at Saline High school, and presently resides in Saline with her husband, Stephen.

At Chelsea High school five of the nine new teachers are English instructors this fall.

Andrews is also part owner and an executive officer of Econo-Therm Insulation, Inc.

Gail Quinn, who did her student teaching at Chelsea High school, is from White Plains, N.Y. She was awarded both a bachelor's and master's degree from the University of Michigan in English, and begins her first year of regular teaching this fall.

Miss Quinn has formerly been employed as a camp counselor, lifeguard, and swimming instructor. In addition to swimming, she is also interested in writing.

Teaching French and Spanish along with English is Judy Fleming. Raised in St. Clair Shores, Miss Fleming received her bachelor's degree from Wayne State University.

JV Girls Basketball Opens Tonight

Warming up the court tonight, Sept. 16, for the CHS girls varsity basketball team, will be the girls junior varsity basketball players who will begin their program to snuff out Stockbridge at 6:30 p.m. in the high school gym.

Four returning sophomores will form the core of the team, Tammy Collinsworth, Sherry Kiel, Veronica Satterthwaite, and Cindy Welshans. Another sophomore, Theresa A. Thompson, will begin her first year. Seven freshmen, rounding out the squad, are Connie Anderson, Mary Bort, Debbie Connell, Jerri Herrick, Lee Ann Owings, Gloria Pearson, and Carmen Scripser.

The team began practice in August, concentrating most heavily on fundamentals and a new offense, according to coach Cindy Bradbury. "Although she refused to make predictions on the season, Coach Bradbury did comment on her team's potential. "I will say we have a great deal of height, and this is the hardest working team I've coached in four seasons. They are dedicated to winning, and that is our primary goal."

Girls Open Basketball Season Tonight

The Chelsea High school girls varsity basketball team will play their season opener tonight, Sept. 16, in a home game against Stockbridge.

Anticipating improved results over last season, this year's netters will be powered by five returning letter winners, seniors Teresa Breza, Karen Keizer, and Kim Moore, and juniors Shelley Warren and Penny Collinsworth. Filling out the varsity squad are juniors Sue Heydault and Tracy Nawker, sophomore Lori Miles, and freshman Nanette Push. All JV games begin at 6:30 unless otherwise announced, with varsity games to follow.

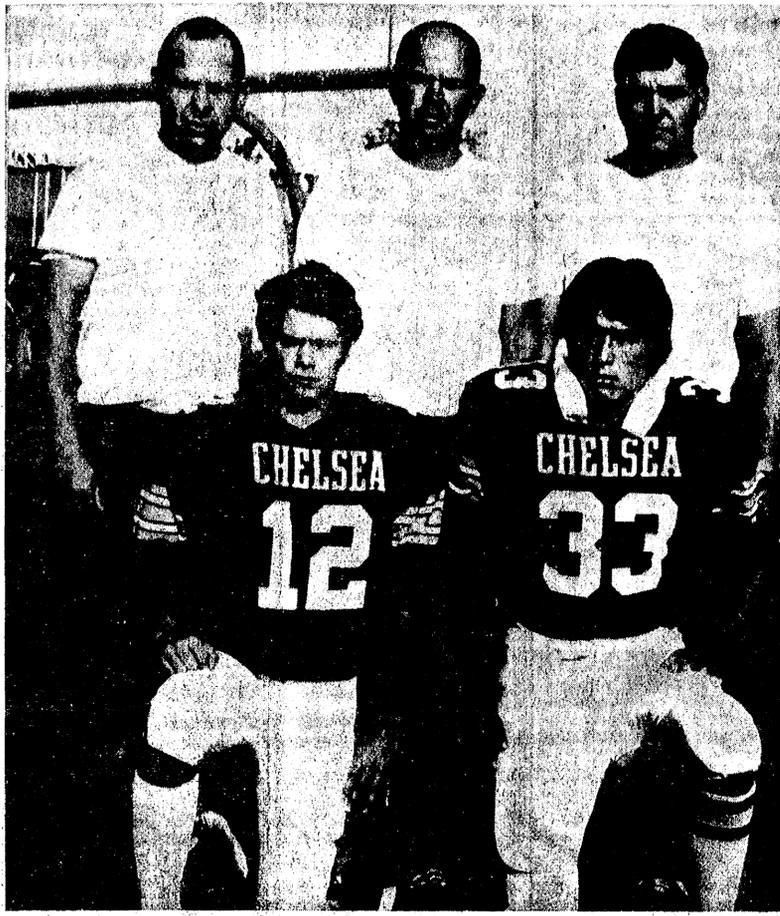

Registrations Still Taken For PP&K

There are only four day remaining for youngsters in Chelsea to register for the local Punt, Pass & Kick competition.

Palmer Motor Sales, Ford dealer sponsoring the popular youth activity in this area, has said that registration would be taken thru 5 p.m. Monday, Sept. 20. The Chelsea PP&K Competition is scheduled for 7 p.m. Monday, Sept. 20 at Jerry Niehaus Field, Chelsea High School.

"Although time is growing short, any youngster 8 through 13 years of age may still compete, said Palmer. "All a contestant need do is come into our showroom, accompanied by a parent or guardian, and fill out the PP&K registration form. There's no entry fee or charge of any kind, and that goes for all six levels of competition, up to and including the National Finals."

The Ford dealer pointed out that registrations will be taken thru 5 p.m. Monday, Sept. 20 at Jerry Niehaus Field, Chelsea High School.

KEY MEN, shouldering much of the responsibility for the performance of the 1976 CHS varsity football team are the iron-clad men pictured above. Front row, from left, are co-captains Anthony Houle and Tony Robards. Behind them, from the left, are assistant coach Rich Bareis, head coach Phil Bareis, and assistant coach Jim Tallman. With only five returning starters, the Bulldogs still have a good shot at the top spot in the Southeastern Conference.

Gridders Open Season Friday At Tecumseh

With their pre-season scrimmages stored away for experience, the 1976 Chelsea High school varsity football team is beginning to taste the confidence which could carry them to a championship year.

The scrimmages have delivered opportunities to shore up the gaps in team strategy. Sizing up his team's potential, Coach Phil Bareis commented, "It's quite obvious our offense and defense are green, and we've a long way to go, but we're encouraged by our performance. No one team overshadowed the others in any of the games."

Although only five players from last year's opening line-up are returning this fall, Bareis shrugged off any undercurrents of thought that his team might be under-seasoned. "We have a good nucleus to work with," he stated, "we're rebuilding, and we only need to get accustomed to one another."

Returning starters are co-captain, senior Tony Robards, No. 33, FB; senior Mary Smyth, No. 69, G; senior Dale Headrick, No. 54, C; senior Bruce Stubbs, No. 40, HB; and junior Leon Brown, No. 52, T. This puts three regulars in offense play and two in defense.

Of the 42 Bulldogs to be on the roster this season, 18 were on the team last year. In addition to the five starters, they are co-captain Anthony Houle, No. 12, QB; John Toon, No. 10, HB; John Adams, No. 22, HB; Mike Check, No. 24, HB; Al Dalton, No. 32, HB; Bruce Bennett, No. 60, G; George Menge, No. 64, G; Bob Burgess, No. 68, G; John Push, No. 72, TE; Don Nadeau, No. 80, E; Mark Brennan, No. 89, E; Scott Owings, No. 88, E; and Howard Bush, No. 90, E. All are seniors.

Houle, serving as basic quarterback, will be helped out by junior Jeff Powell, No. 11. Powell, Bareis said, "has done a good job" in practice thus far.

Rounding out the 1976 CHS varsity football team roster are junior Gary Packard, No. 19, G; junior Mike Young, No. 20, HB; junior Todd Weber, No. 25, E; junior Rocky Brandel, No. 30, FB; junior Matt Fisher, No. 35, FB; junior Steve Pennington, No. 42, HB; junior Rick Beaman, No. 44, C; junior Chris Smyth, No. 45, E; junior Don Harris, No. 50, C; junior Victor Verchereau, No. 55, G; junior Bob Gottfried, No. 62, G; junior Todd Headrick, No. 63, G; junior James Bollinger, No. 65, T; junior Brad Reinhardt, No. 66, G; junior Jason Lindauer, No. 70, G; junior Matt McClear, No. 74, T; senior David Classon, No. 75, T; sophomore Tom Bareis, No. 77, T; junior Phil Steinhauer, No. 78, T; senior Rick Davis, No. 79, C; junior Dave Schrotenboer, No. 82, E; senior Jeff

Sweet, No. 86, E; and junior Chuck Broderick, No. 89, E.

Coach Bareis refused to outline his league projections for the season, but did mention "the league's really balanced, so no team will be coming out to blow everyone out of the field."

In stating his own team's goal Bareis confided, "I've been telling my players we want to go into the eighth game for a championship, that's the game. If that happens, then we've had a great season."

"We're basically a good running team," Bareis continued. "We do have a few pass catchers, Natal, Broderick, and Sweet." High hopes are shared for Davis, who will be returning this fall after waiting out last season with a twisted knee, Mark Smyth, and Owings, described by Bareis as "in position."

Running well in scrimmage play, "they stood out" according to Bareis, were backfield men Check, Fisher, Adams, and Robards.

Hot on defensive play are Menge, Brown, Stubbs, Dalton, Bush, and Verchereau.

The gridgers have been practicing every night since the middle of August, from about 3:30 p.m. to 6 p.m. Prior to Aug. 31, they had been practicing in morning sessions, cut short when the school year began early. About five practices were lost.

The 1976 varsity team is led by head coach Bareis. On his staff are assistant varsity coaches Rich Bareis and Jim Tallman. Other football coaches are, junior varsity, Jon Schaffner; assistant junior varsity, Tom Neumeyer; and freshmen, Bill Bainton. Tom Balistrere is athletic director.

This year's trainers are Jeff Keil and Rick Brandel, while team managers are David Bareis, David Lane, and Steve Cattell.

The Bulldogs will sport their blue and gold colors in their opening game Friday, Sept. 17 at Tecumseh. Their first home game will be Friday, Sept. 24 against Lincoln.

Chelsea's Bulldog harriers defeated Tecumseh by a score of 18-14, but lost to Jackson Lumen Christi, 37-18, in their dual meet season opener in Jackson, Sept. 14.

Placing first for the Bulldogs in their tryst with Tecumseh was Phil Frame, who completed the three-mile course with a time of 16:50. Other top finishers on the

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Ed Doolittle alludes to mention the woman that had two sons, one went to sea, the other became vice president, and neither one was ever heard from again. For most of our history this has been the case, but twice in the past few years we've been reminded that we got a vice president. Right now, except when he says he don't want to be vice president, we don't hear much from our vice president.

But Zeke Grubb told the fellers at the country store Saturday night that Rockefeller is still around Zeke had saw a piece where the vice president was talking about the national debt, and what he said stuck with him. Rockefeller said flat out that this country is going to run out of money. Zeke said the country going broke would be as likely as a broke Rockefeller, since one prints it and the other makes it, but what the vice president said was about the hopeless job of cutting back on spending.

Right now, this country is so use to turning to the federal government for everything we have come to believe we can keep going to the well forever and drawing out what we need. Rockefeller said the interest on what this country owes is \$130 million a day. The debt is right at \$800 billion, and ever time Congress raises the limit so we need a borrow some more. And when Washington announced it was thinking of cutting out the revenue sharing program, leaders of all lower governments began wailing and running to explain to Congress how they couldn't get along without their share. Mister Editor, when you realize that if ever one of the 70 million taxpayers in this country not a extra dollar toward paying the national debt, it couldn't pay one day's interest, it comes home what the vice president meant.

After hearing Zeke's state of the debt report, the fellows got to discussing how come of the money is spent. Clem Webster said the federal government has gone from a \$100 billion budget to a \$400 billion in 15 years, and the bigger it gets the more reckless it gets. For instant, Clem said he had saw where we need \$500,000 to study why monkeys clench their fists and it ought to be clear they do

'cause people are watching them clench their fists. Another \$37,000 was invested in taking 79 different body measurements of airline stewardesses, which was a good job for you got it, but not much for the taxpayer. And ever time it comes out, Clem said, the U. S. Government Manual listing service and agencies gets bigger. Furthermore, broke in Zeke, he had saw recent where the Navy took bids on putting up clothes-line at a military housing project and found lines and poles outside would cost as much as an electric dryer inside. The idea, the Navy said, was to cut costs and save energy, but when five strands of two-foot wire with a pole at each end is bid in at \$130, there ain't many places to cut corners, was Zeke's words, unless you're a bidder.

Yours truly, Uncle Lew.

Harriers Second

(Continued from page one)

varsity squad were second, Rich Haller, fourth, Dean Thompson; fifth, Dave Dawson; and sixth, Morris Johnson.

According to Coach Pat Clarke, his team is starting the season with better times than last year, even though their pre-season period of practice had been substantially cut. The implication is the runners can expect a much improved record over the 1976 fall season.

In their meet against Jackson Lumen Christi, placing for the Bulldogs were fourth, Phil Frame; sixth, Rich Haller; eighth, Dean Thompson; ninth, Dave Dawson; and tenth, Morris Johnson. Robert Renteria, a junior, at Jackson Lumen Christi, won the three-mile run with a time of 18:09. Renteria was a top contender in the regionals last year.

Jackson Lumen Christi was described by Clarke as "a power, extremely strong," and a team which has tended to "dominate dual meets" in the past.

In JV action, Chelsea's junior harriers were also defeated by Jackson Lumen Christi's JV squad, 26-29. However, Chelsea's Mike Beedenbender took first place, winning the three-mile distance race with a time of 18:30.

The next cross-country meet for the Bulldogs is scheduled for Saturday, Sept. 18. The harriers will be competing in the New Boston Huron Invitational.

MICHIGAN MIRROR

By Warren M. Hoyt, Secretary, Michigan Press Association

Unpretty Party One of the least lovely things in politics is apparent in the ward-heeling treatment given Chief Justice of the Supreme Court Thomas G. Kavanagh by the Democratic party. Leaders of the party and the recent state convention of the Democratic party refused to nominate him for reelection to a term on the bench.

Honest announcement by Kavanagh that he would not campaign for other candidates for the Supreme Court for party reasons,

plus the worry that future decisions he made might not be along lines ordered by Democratic party leaders is agreed upon as the reason for this refusal to support him.

Instead they advanced the name of Roman Gribbs, former Wayne County sheriff and former mayor of Detroit, for this important post. There was, apparently, little consideration of Gribbs' background for fairness. Democrat leaders are more interested in a Justice of the Supreme Court who seems easy to control.

A test of public reaction can now take place. Since Justice Kavanagh will run as an independent and without Democratic party support, the voters can decide whether they prefer a man in office who presents a record that he will not be controlled by pressure groups

or if party discipline is strong enough to elect instead a man who indicates "he'll go along" with wishes and dictates of leaders of a strong political party.

Senseless and Illogical - that's Michigan's system of picking state supreme court justices. So says a justice, one who was appointed to his post and is just now going through that system.

It is a system which defies both common horse sense and sophisticated logic," says Justice Lawrence Lindemer, who was named by Gov. William Milliken to the high court vacancy created by the death of Justice Thomas M. Kavanagh.

Justice Lindemer particularly notes the fact that incumbent justices can nominate themselves, but those challenging them must be nominated at a political party convention.

Costs, Inflation Double Bongling school bells may signal problems for parents' wallets, particularly if their offspring are headed onto the college campus.

But pay heed to this word from Michigan's Board of Education: The apparent cost of attending college in the state more than doubled between 1966-67 and 1976-77. However, it is still considered a bargain.

Here's an explanation of the mathematics that make the statement possible. Dr. John Porter, State Superintendent of public instruction, notes that during the 10-year period under consideration, the average charge for tuition and fees at Michigan's community colleges, colleges and universities zoomed from \$210 to \$740 annually.

In the same vein, average room and board costs climbed from \$338 to \$1,378 a year.

But those figures disregard inflation which has been pegged at about 10 percent for higher education during the past decade.

Michigan Taxpayers support 13 colleges and universities, and the state boasts 29 community and junior colleges.

College enrollment increased nearly eight percent last year, and more than \$5.3 million in state scholarships and tuition grants were awarded to Michigan students in the same period.

Watch For Flags Carlton Finkbeiner of the firm of Finkbeiner, Rettis & Strout, Toledo, O., who was construction engineer on the local sewage disposal system, was here Monday to advise and assist in correcting the defects in the system.

Dr. A. A. Palmer, who served as surgeon and medical officer in World War I, and since then as a Reserve Officer, left Saturday for Headquarters Sixth Service Command in Chicago.

As the 35th anniversary of the laying of the Chelsea Methodist Home's cornerstone approaches plans are being made for the dedication of the fourth building, known as Kresge Hall. The formal dedication program will be in the charge of the Rev. Benjamin F. Holmes, president of the board. Dr. Leroy I. Lord is currently superintendent of the Methodist Home.

Darwin Downer is president of the Fair Board for the Chelsea Community Fair which will be held this year on Oct. 2 and 3.

Drinking Involved in 11 of 21 Fatal Labor Day Accidents

State Police analysis of Labor Day week-end holiday traffic data in Michigan showed drinking to be involved to some degree in 11 of the 21 fatal accidents, which killed 25 persons, Col. George J. Halverson, department director, has reported.

The analysis by the traffic division further noted, he said, that seven of the accidents in which drinking was a factor the driver were in the 16 to 25 age bracket. The death total equaled the count of 25 claimed in Labor Day week-end traffic mishaps in Michigan last year. Delayed deaths charged to this year's holiday accidents could change the comparison base somewhat.

Breakdown of data on this year's accidents included: Eleven accidents were of the two-vehicle head-on and broad-side collision type. Of these, six were on country roads, four on trunklines, and one on a city street.

TURKISH TULIP The word "tulip" comes from a Turkish word for turban. The spring flower was introduced to Holland, by way of Austria, in the latter part of the 16th century.

CREPE OCCASION Crepes—those small, thin pancakes—were once regarded as an art for only the most experienced cook. Today, everybody's giving them a try. For an adult woman, one serving of three crepes supplies 12 percent of her daily protein requirement. They also add calcium, iron, Vitamin A, and the B Vitamins—niacin, thiamine and riboflavin.

Apparently had years of boating experience, claimed he never saw a diver's flag before," says Frank Opolka, recreational safety supervisor for the Department of Natural Resources.

"But that doesn't help the diver any. He was injured."

One bicycle-involved accident occurred on a city street. No drinking involved in this one. Another accident caused a pedestrian death on a county road in Genesee county and the driver had been drinking.

Multiple death accidents included a double fatality in the city of Detroit and one in Isabella county and a triple fatality in Montcalm county. Two involved vehicles running off the roadway and striking fixed objects, and the third was a two-vehicle collision.

Mrs. Charles L. Walz

Cynthia Ann Bauer, Charles Walz Speak Marriage Vows Saturday

Cynthia Ann Bauer, daughter of Mr. and Mrs. Richard Bauer of 17985 Waterloo Rd., exchanged marriage vows with Charles L. Walz, son of Mr. and Mrs. Duane Walz of Munith, in First Assembly of God church, Chelsea, on Saturday, Sept. 11. The Rev. Richard Coury performed the 5 p.m. ceremony which was witnessed by 200 guests.

Organist Mrs. Dale Hudson accompanied the Rev. Coury as he sang "One Day At A Time" and "Whither Thou Goest" to highlight the nuptials. For her wedding, the bride chose a white satin, V-necked, flared gown trimmed with pearls and lace. She carried an arrangement of red roses and white carnations.

Mrs. Lesley Leggett served as matron of honor. She wore an apricot colored, empire waisted, floor-length dress with ruffled sleeves, and held a bouquet of daisies and carnations dyed to match her gown. Bridesmaids for the occasion were Mrs. Marcia Brier of Stockbridge; Wendy Walz of Munith, sister of the bridegroom; and Linda Arnett of Chelsea, cousin of the bride.

Their dresses were identical in style to that worn by the matron of honor, but were differentiated in colors of blue, pink, and orchid. Their carnation bouquets also matched their dresses. For her daughter's wedding, Mrs. Bauer was attired in a blue, floor-length gown, with a corsage of white roses on her shoulder. The flowers were held together with a silver ribbon.

Mrs. Walz wore a green, floor-length gown. Her corsage of white roses was accented with a green ribbon. The bride's niece, Tina Leggett, and the bride's cousin, Laura Jedele, attended as flower girls, while John Jedele, another of the bride's cousins served as ring bearer.

Best man was Mike Walz, brother of the bridegroom. He was assisted by ushers Doug Walz and Dennis Walz, also brothers of the bridegroom, and Richard Bauer, brother of the bride. Following the wedding, a reception was held in the American Legion Hall, Stockbridge. Refreshments were served by Mrs. Gordon Whitaker of Waterloo, the bridegroom's aunt; Mrs. Gene Wahl of Grass Lake, another of the bridegroom's aunts; Mrs. Phoebe Phillips of Chelsea, the bride's aunt; and Janet Carpenter of Chelsea, the bride's cousin.

Amy and Rusty Walz, brother and sister of the bridegroom, were in charge of the guest book. Upon their return from a one-week honeymoon to northern Michigan, the newlyweds will reside in Waterloo Village.

The former Miss Bauer is a 1973 graduate of Chelsea High school, currently employed by Allen Bradley of Ann Arbor. Mr. Walz graduated from Stockbridge High school in 1974 and is employed by Tom Kett Builders.

Still Time To Register for PP&K

(Continued from page one) trophies will be awarded for 1st, 2nd, and 3rd place in the local competition in each of the six age groups. Increasing the youngster's chances of winning one of the 18 trophies is the fact that each contestant competes only against others of the same age. And since there is no body contact, an entrant's size is not as important as his ability to punt, pass and place-kick or distance with accuracy. "Winners can continue on up through the Zone, District, Area and Division contests to the National Finals," Palmer said. "It's possible that one or more of our Local winners could wind up in the finals."

When contestants register, each entrant gets a free PP&K Tips Book. It contains helpful pointers from the pros on punting, passing and kicking. In the 1976 edition are suggestions from NFL stars Ray Guy, Ken Anderson, and Tom Fritsch. Complete PP&K rules and suggested conditioning exercises for contestants are also included. This is the 16th anniversary year for PP&K. From its inception, the youth activity has been sponsored by the Ford Dealers of America in conjunction with the National Football League. In that time more than 12 million youngsters have taken part in PP&K, making it one of the largest and fastest growing activities of its kind in America.

Ten New Teachers Join CHS Faculty

(Continued from page one)

Her experiences include studying for a semester as a guest student at the Alliance Francaise, Paris, France. She has worked as a life-guard and swimming instructor in an effort to further enhance her academic experiences.

While enrolled at Wayne, Miss Fleming's name appeared in "Who's Who in American Colleges."

Compared to her peers, Rosalie Wotila may appear almost a veteran in her field, having taught at Chelsea High school for four years prior to the current semester. A language teacher from 1973-75 at CHS, Miss Wotila is returning to the school after a year's interruption.

Raised in Lansing, she earned her bachelor's degree from Hope College, and her master's degree from the University of Michigan.

Along with teaching Spanish and English, Miss Wotila still finds time for her interests, which are tennis, jogging, and sewing.

Other new teachers, hired to fill vacancies in a variety of departments at Chelsea High school, are Dale Johns, Chris Dimanin, Sharon Parks, and Steve Bergmann.

Dale Johns, who holds a bachelor's degree from Michigan State University, is a beginning teacher equipped with 20 years of experience in industry. He is teaching graphic arts, photography, and power mechanics.

From Coruhna, he boasts of a varied, interesting, and successful background which should add greatly to his classes. During his business career, he won the "Henry Volk" award for brochure design, and has been published in national magazines.

Married to Margaret, and the father of two children, Johns lists sailing, swimming, and flying as his interests.

Chris Dimanin is from Detroit where he was a teacher for five years in Dearborn Heights. He also coached football and baseball.

Educated at Eastern Michigan University, he received his bachelor's degree in biology, and his master's in counseling.

Among his prior achievements, he was presented with the Dearborn Press Award for "superior academic, community, and leadership performance," and was a member of Michigan Indians, a semi-professional football team.

He is teaching biology and physical science at CHS, and will also be co-teaching part-time. He is married to Diane.

Sharon Parks has joined the school staff as a teacher in the Nurse's Aide Program. She brings 15 years of nursing experience to her new position.

Mrs. Parks received her RN degree from the Saginaw General Hospital School of Nursing.

From Marlette, she is married and the mother of two boys. Her interests include reading and church activities.

Steve Bergmann's place is among the brass, wind pipes, and strings which form the high school and middle school bands. As new band director, he will be sharing a wealth of experience and accomplishment with his students.

Educated in the Charlevoix-Petoskey area, Bergmann attended Northern Michigan University where he earned his bachelor's degree in music. He completed post-graduate courses at Central Michigan University, Cal Lutheran College in California, and Michigan State University.

With eight years of experience in teaching band on all levels, Bergmann has faced and conquered just about any problem which could arise from trying to organize the diverse groups.

He has taught such classes as music history, choir, and educational television.

He has also coached numerous high school sports and has co-ordinated major musical productions. While teaching in Nevada, he was elected vice-president in 1971, and president in 1972, of the Southern Nevada Music Educators.

In 1974, he was nominated to receive the Outstanding Young Educator Award, and received an Outstanding Citizen Award in 1976. During his tenure as band director for Rogers City Schools, his 1976 Rogers City Band represented Michigan in the Washington, D.C. and Philadelphia Bicentennial Parades.

Bergmann will reside in the Chelsea area.

The township will pay about \$7,000 for the service, nearly \$1,200 more than last year. The new contract also includes payments towards an \$8,000 fire truck sinking fund to purchase another fire truck.

In other business, Clerk Leila Rauer was certified to act as honorary public to handle township business.

James Robards was appointed township zoning inspector. Robards has served on the zoning board and has been active in planning the township's zoning ordinance and other zoning matters.

Methodist Home Volunteer Coffee Hour Postponed

A Volunteer Orientation, coffee hour for the Chelsea United Methodist Retirement Home scheduled for Thursday, Sept. 16, has been postponed to Friday, Sept. 24. The meeting will be held in the Crippen Building at 1 p.m. Elmer Benson, Home administrator, will speak briefly on the importance of the Volunteer program. Jane Schairer, volunteer co-ordinator and Patti Lawson, assistant administrator, will lead a discussion of present and proposed volunteer programs.

Some of the areas in which volunteers are particularly needed are: friendly visiting, assistance in nursing, leadership of crafts, exercise, sing-a-longs, card party and social programs, painting, yard work, driving and escort services. It is hoped that those attending will find ways in which their individual talents and interest will enrich the lives of seniors living at the Chelsea Home and receive in return the rich reward of friendship and appreciation.

Anyone in the community with time and love to spare is urged to come. A tour of the Home will follow the program.

Windows Broken By Vandals

Recorded complaints filed with the Chelsea Police Department indicate a rash of window breakings in the Chelsea area. Over the last week, three incidents of vandalism were reported.

Residents of a home on W. Summit suffered a broken plate glass window, while owners of a home on Taylor St. reported a broken storm window. Also shattered was a car window of a vehicle parked in the downtown residential area.

The victims stated they heard a loud crash and upon investigation, found their window destroyed and a rapidly moving vehicle disappearing down the street.

The identity of the vehicle could not be ascertained.

SHISH KEBAB

Ancient Norsemen described the meat they cooked on a stick as "steik"—today we call it Shish kebab.

Mrs. Henry Huelsberg

Dies Friday in Ann Arbor Following Lengthy Illness

Mrs. Henry J. (Enid Louise) Huelsberg, 65, of Ann Arbor died Friday, Sept. 10, in the Lutheran Retirement Center, Ann Arbor, following a lengthy illness. The former Chelsea resident was a noted teacher, nurse, reading consultant and author.

Born Feb. 18, 1911, in Milwaukee, Wis. to James B. and Louise A. Hamilton, she married Henry J. Huelsberg of Chelsea on Dec. 31, 1939. He survives.

Mrs. Huelsberg was a 1939 graduate of Wayne State University. She received her master's degree in 1956, and special education certificate in 1968 from the University of Michigan. Prior to her recent illness, she was a U-M doctoral candidate.

An original member of the neurology service nursing staff at University Hospital, Ann Arbor, Mrs. Huelsberg was also the first woman with children of her own to work in the University Hospital pediatrics unit.

In addition to serving as a consultant on reading to the Ann Arbor Public Schools since 1972, she was a reading specialist for the Manchester Public Schools from 1959-62, and had taught at Pleasant Lake Elementary school near Manchester from 1965-69.

Mrs. Huelsberg was the author or co-author of articles and books in her field, and was cited by the Daughters of the American Revolution for her work.

She was a member of Phi Kappa Phi, Pi Lambda Theta, the Southwestern Michigan Reading Association, and Youth for Understanding.

Mrs. Huelsberg and her husband lived in Chelsea for about 10 years before moving away in 1967. She had served as chairman of the Chelsea Board of Canvassers.

In addition to her husband, survivors include four children, Henry J. Huelsberg, Jr., of Norfolk, Va.; Mrs. Carole L. Snodgrass, Nancy E. Huelsberg, and Richard D. Huelsberg, all of Ann Arbor; five grandchildren; and two sisters, Mrs. Ruth Williams of Kirtland, O., and Mrs. Bea Dorn of Downey, Calif.

Funeral services were held 7:30 p.m. Tuesday, Sept. 14, in the First Unitarian Church, Ann Arbor. The body has been donated to science.

Memorial contributions may be made to the Center for Reading and Learning Skills in care of Rowena Wilhelm, 1610 Washtenaw Ave., Ann Arbor.

Local Children Get Pledges For M-D Fund

Greg and Tracy Harook, children of Mr. and Mrs. John Harook of Sugar Loaf Lake, and David DeSmyther, son of Mr. and Mrs. Gale DeSmyther, also of Sugar Loaf Lake, collected \$50 for the Jerry Lewis Muscular Dystrophy Telethon in a neighborhood drive on Labor Day, Sept. 6.

Greg, 17, Tracy, 8, and David, 5, spent three hours collecting the funds, which were pledged by phone to national telethon headquarters.

Locally, the annual drive netted \$79,000 in pledges from Washtenaw county residents. The national goal for 1976, set at \$20 million, was surpassed by more than \$1 million for a grand total of more than \$21 million in pledge contributions, according to the Washtenaw County Muscular Dystrophy Association.

The Veterans Administration is the second largest federal agency in the number of employees, exceeded only by the Department of Defense.

Gridders of the Week

TOM BAREIS (77), tackle, is the only sophomore to win a place on the CHS varsity football team this season. To some extent, he owes his strength to a year of wrestling in 1975. In wrestling his team finished second in the State Meet. Tom has been playing football since he was a freshman. When asked what he liked most about the sport, he answered, "I like the hard hitting." He also mentioned he felt really comfortable in a game, when playing with Phil Steinhauer, inside tackle. Contemplating his football experiences over-all, Tom has found his greatest satisfaction is in working as a team with the other players. He has one brother, Tim, who plays JV football for Chelsea, and a sister, Susan, enrolled in Beach Middle school. Tom resides with his parents, Mr. and Mrs. Oscar Bareis, at 306 Grant St.

PHIL STEINHAUER (78), tackle, is new on the varsity team this year, but brings a year's experience as tackle on the Bulldog JV football team with him. He is comparatively new to Chelsea, having lived here only a little more than a year. He moved to the area from Wayne. Optimistic about his team's chances this season, Phil said, "I think we can win the title, we just have to get our offense linemen popping more off the ball." When asked what strategy he found most effective to defeat an opponent, Phil remarked, "I just take anybody I can get." The thing he enjoys most about football is the aggressiveness, and the fact that something is always happening. The biggest lesson he has learned playing football is that "you do your job, or the play isn't going to work." Phil, who played right field for the CHS baseball team last year, has one sister, Kristen, and three brothers, Marty, David, and Matt. Kristen attends Beach Middle school, while the boys are all students at North Elementary. He lives with his parents in Chelsea at 1100 Sugar Loaf Lake Rd.

JAMES BOLLINGER (65), tackle, played on the JV football team before moving up to the varsity squad this year. The CHS junior missed playing football his freshman year because of a broken collar bone. During his JV career, Jim had been named High Tackler of the Week several times. His outlook on the team this season is that most of the gridgers are trailing in experience but will do well if they "hopefully put it all together." Jim's single word answer to the query of what he liked most about football was "defense." Then he expanded his reply to say he also enjoyed playing as a team, being together, and participating in team sport. His other high school activities include membership in Future Farmers of America, the Key Club, and competing on the CHS wrestling team for his third consecutive year. A sister, Sharon, and two brothers, Richard and Donnie, have already graduated from CHS. Richard, a 1970 graduate, also played football while in school. Jim lives at 19430 Bush Rd., with his parents, Mr. and Mrs. Paul Bollinger.

Young People Collect \$32 for M-D Fund

Dan Kleis, 12, Kim Kleis, 10, and Dave Calus, 13, collected \$32 for the Muscular Dystrophy Association during the 24-hour national Jerry Lewis Muscular Dystrophy Telethon, Sept. 6.

This year's annual telethon netted over \$21 million for use in combating the disease.

Dan, Kim, and Dave rode their bicycles around the country area near their homes on Ivey Rd., soliciting the money, which they collected in about two hours: "Everyone donated," they said, "including a lady who didn't even open her door last year."

Following the neighborhood collection, the children were driven into Ann Arbor by their parents to turn the funds over to a WPAG remote trailer parked near Ann Arbor's City Hall. As a public service, WPAG was aiding in the national drive. There they were interviewed by the radio station in a live broadcast.

This was the second consecutive year the three youngsters have conducted a neighborhood drive on behalf of the Muscular Dystrophy Association. Their goal, which was to collect more than last year's total of \$26, was successfully met.

Dan and Kim are the son and daughter of Mr. and Mrs. Don Kleis of 1970 Ivey Rd. Dave is the son of Mr. and Mrs. Don Calus, also of Ivey Rd.

Harriers Ready for 'Really Good' Season

With six veteran runners returning this season, the 1976 CHS cross-country team boasts both the experience and skill "to run with anyone this year if they run up to their potential," according to coach Pat Clarke.

Leading the veteran squad this fall is Phil Frame, a senior co-captain entering his fourth cross-country season. Frame holds the majority of distance records at CHS and has stated his intention to close out the 1976 season without dropping a single one.

Morris Johnson is the other senior co-captain, also joining the CHS Bulldog harriers for his fourth season. This year, Johnson would like to see the Bulldogs "win big." Finally learning to relax in his

running, is fourth season senior harrier Rick Haller who should emerge from this year's competition with a fine record of performance. His running mate, Dean Thompson, rounds off the line-up of senior class team members. In previewing Thompson's abilities this season, Coach Clarke stated Thompson "is ready to really come into his own as a premiere runner in cross-country."

The lone junior on the varsity squad this fall is David Dawson, who made the All League team as a freshman. He is returning to cross-country after a year's lay-off. In outlining Dawson's possibilities this season, Coach Clarke predicted, "Dave appears to be ready to work towards his ultimate potential, which as a runner is almost limitless."

Two sophomores complete the varsity team. The duo, Scott Beyer and Chris Minick, are the key to the Bulldog's success this season, according to Clarke. He believes they must keep up the improvement they have shown thus far, if the Bulldogs are to succeed in their bid to unseat league power Brighton.

Other runners who could help out by the end of the season are senior Mike Beedenbender, junior Mark Shippy, sophomore Brian Herrick, and freshmen Steve Kvarnberg, Cliff Scholz, Randy Bohl, Jim Fitzsimmons, and Mark Beyer.

The league outlook for 1976 points to Brighton as the heavy favorite to repeat as league and regional champions. Brighton is returning all of their top runners, making it difficult for any other team to successfully challenge them for the number one spot.

Saline will also return a strong veteran senior team, and Dexter, with a few fine runners, should deliver some tough competition. Novi should be much improved over last year, and the performance forecast for South Lyon and Milan should not be understated.

Summing up his expectations for the coming season, harrier Coach Clarke said, "My runners seem to be hungry for competition this year, and I only hope they stay hungry!" The opening meet for the 1976 cross-country season is scheduled for Sept. 14.

TODAY'S THOUGHT
By LOUIS BURGHARDT
It is known some people are more impulsive than others. Some people think twice before doing something; some people don't. We all know doing things on the spur of the moment can be fun - sometimes. But, quite often a quick, impulsive action taken without a preconceived idea of what, where, when and how - can have disastrous results. . . . A quick marriage, a job change, an investment, an unwise purchase, and other numerous decisions made on the spur of the moment can cause unhappiness as many people have found out to their sorrow.
What is the basic cause for impulsiveness? Is it not a lack of self-denial? Is it not a disregard of caution and principles? And perhaps most important of all, is it not an indication of just plain selfishness? Are not these factors, in part at least, a cause for much of the discontent, sorrow and unhappiness seen so often? . . . Your views and comment are welcome as always - and will be appreciated. . . . BURGHARDT FUNERAL HOME, 214 East Middle St., Chelsea, Mich. Phone 475-1551.

Frank Duryea drove America's first successful gasoline-propelled motor vehicle through the streets of Springfield, Mass., on Sept. 21, 1893. Just three years later, the Duryea Motor Wagon Company became the country's first automobile manufacturer. In 1896, when others were still building experimental cars, Frank and his brother Charles were already manufacturing, advertising and selling the practical and rather sophisticated vehicle that bore their name. One of the Duryeas' 1896 mass production cars is among the 200 automobiles that trace America's motoring history at Henry Ford Museum.

Cyclist Escapes Injury in Flip

Dennis Simons, 27, of Chelsea, was uninjured on Sept. 7 when he lost control of his motorcycle on Huron River Dr.

Sheriff's reports indicate the road was oily from construction work being done on the Mast Rd. bridge. Simons lost control, causing the bike to fall on its side and slide along the road.

In another accident on Sept. 12, Cindy Jean Martin, 18, and her occupant, William Sovoda, 20, were uninjured when the driver, Miss Martin, apparently fell asleep at

the wheel, ran off Baker Rd. near Shields Rd. and then ran across a lawn, striking a stone wall in a driveway.

During the past week the Dexter branch, Washtenaw Sheriff's Police, also had a report of a stolen mailbox on N. Dancer Rd., and recovered a stolen auto.

On Sept. 13 items valued at \$50 were stolen from a home on 4th St.

Veterans Administration health-care facilities are located in 193 cities.

Rommel is serving a 1 1/2- to 5-year sentence in the facility on charges of illegally entering without breaking in. His two companions remain at large.

Still reported missing are Carl Brent Miller, 20, 6'0", 180 lbs., with blond hair and brown eyes, and Robert Ditto, 20, 6'5", 190 lbs., with black hair and brown eyes. They were last seen together with Rommel.

Both Miller and Ditto are still believed to be in the area, and traveling on foot.

Golf Team Loses League Opening Match

Chelsea High school players dropped their conference golf opener to hot shooting Dexter at Inverness Golf Club on Tuesday, Sept. 14.

The home course advantage did not help the usually consistent play of the Chelsea team as they fell by an 11 point margin, 163-174.

Dexter also took medalist honors when Darryl Clemons shot a 38. Britt Adair had 42, Steve Haskell, 39, and Steve Brown, 44.

Scores for Chelsea were Jeff Policht, 40, Brian Lewis, 43, Charlie Bridges, 43, and Joe Ewald, 47.

In a non-league double dual on Friday, Sept. 10, the home team golfers split the match with Grass Lake and St. Thomas at Waterloo Golf Course.

Grass Lake won by shooting a 187, Chelsea scored a 174, and St. Thomas completed the tourney with a 184.

Scoring for Chelsea were, Brian Lewis, 41, Jeff Policht, 43, Charlie Bridges, 43, and Joe Ewald, 47.

Commenting on the matches, coach Pat Wade expressed enthusiasm over his team's performance in Friday's season preview, and noted Dexter just seemed to have a lively day when they managed to quash Chelsea at Inverness.

FISH STORY: While most "fish stories" suffer from a lack of authentication, Kevin Wengren, a third grader at South Elementary school, covered his bases when he managed to preserve his catch on film. During summer vacation, Kevin went fishing with his grandfather, Laurance Boyer of Chelsea, in the Waterloo Recreation Area, and caught the 21-inch largemouth bass he displays above. Kevin is the son of Mr. and Mrs. Edward Wengren of 12780 US-12 Service Dr.

NOT MUCH

The Federal Energy Administration estimates that the energy derived from new technologies, including synthetic fuels, geothermal, and solar, will supply not more than five percent of the nation's total energy needs by 1990.

Hear about the employee who prayed for a raise? The boss heard about it and fired the poor guy for going over his head.

The number of farms in the U.S. totaled 2,808,480 during 1975, one per cent fewer than in 1974. The average farm size has increased 47 acres during the past decade. The 1975 average of 387 acres is 3 acres larger than 1974.

Housekeeping Firm Named By Chelsea Hospital

Willard H. Johnson, administrator of Chelsea Community Hospital, has announced the appointment of the firm of ServiceMaster Corp. to manage the hospital's housekeeping department.

ServiceMaster Corp. provides management services to more than 500 health care institutions in the areas of housekeeping, laundry, plan operations and maintenance and materials management.

The ServiceMaster employee chosen for Chelsea Community Hospital's management team is Robert Wojtowicz, who attended Silesian High school. After graduation, he entered the novitiate of St. Francis de Sales in Battle Creek, studying education.

He became involved in the health care field at Mt. Carmel Mercy Hospital in Detroit, and was soon promoted to housekeeping supervisor. He was also responsible for the housekeeping department at Northwest Care Center in Detroit.

Wojtowicz is single and presently lives in Belleville, but plans to relocate to this area. His hobbies include horticulture and art. He is also a gourmet cook.

COCOA DUST

Chocolate cakes taste richer and have a better appearance if the greased pans are dusted with dry cocoa before pouring in the batter.

Baby Chosen Keeper of Bicentennial Capsule Key

Jayma Ayn Spears, born Aug. 24 at 2:47 p.m. to Mr. and Mrs. Michael Spears of 2820 Lima Center Rd., has been named keeper of the key to Chelsea's Bicentennial Time Capsule by nature of her timely birth.

As the first baby born in the Chelsea area, closest to the date of the capsule's scheduled burial, Jayma, or her descendants, will have the honor of presiding at the opening of the time capsule 50 years from now, on July 4, 2026.

Because of the delay in obtaining the services of a technician to withdraw all the air from the capsule and refill it with an inert gas to preserve the contents, a few more days remain for those still wishing to buy a \$1.50 special family envelope for inclusion in the historic cylinder.

Samples of data which many area families have already committed to the capsule for receipt by their future generations are family records, newspapers, newspaper ads, souvenirs, voice tapes, and letters.

The large plastic capsule, custom made for the Chelsea Bicentennial, will be buried in the lawn of McKune Memorial Library in the immediate future. For further information, call 475-1502.

Telephone Your Club News To 475-1371.

RAINBOW CAUSE

A rainbow is caused by sunlight playing on water, usually rain, though mist from a waterfall or a garden sprinkler can create the same effect. The sun's rays are refracted, or bent, as they enter the water drops. The light is broken up into the colors of the solar spectrum. The rainbow actually forms a complete circle, but the bottom half is cut off by the horizon.
