Youth Centers Offer Activities For Young Set

Two new youth recreation centers in the Chelsea area soon hope to eliminate the widely voiced complaint of local adolescents, that "there's nothing to do in Chelsea."

One of these, now open, is Allen's Recreation Center at 2416 W. Old US-12. Operated by Garland Allen, the center offers a variety of games and a lounging area to entertain local youths. Service hours are from 10 a.m. to 10 p.m., Mondays through Saturdays, and 12 noon to 10 p.m. on Sundays.

Utrog's Fun World, which expects to open shortly on Park St., will operate under the direction of owners Karen Johnson and her husband. Chelsea Village Council recently invoked a temporary halt to the facility's initial scheduled opening in January, under force to review a request for a zoning variance which would accommodate the center.

Although the site of Utrog's is currently zoned commercial, a village ordinance states all new commercial businesses must provide one parking space for every 100 sq. ft., to be used in the establishment's operations. Sufficient parking space, as defined by yet another village ordinance, currently does not exist at the commercial site.

Pending the council's decision, Mrs. Johnson expects the center to open in February. The proposed

hours of operation will be 3 p.m. to 9 p.m. daily.

"Utrog's will be a place for the kids to come into from out of the cold, where they may play pool, or try their skills on our pinball machines," Mrs. Johnson explained. Also on the premises will be a jukebox and snack bar.

The facility will be governed by rules which will be strictly enforced, according to Mrs. Johnson. The rules are designed to assure the safety of everyone who will patronize the establishment.

In addition to rules, adult supervision will be provided at all times.

"We need everyone's co-operation to make this a successful, well-run amusement center for our youth," Mrs. Johnson stated. "We are not opening a breeding place for trouble, as some people think. Kids need a place they can go for small talk and fun."

All ages will be welcome at Utrog's. Sisters, brothers, mothers, and fathers are all invited to participate in the center's activities.

For habitual game players, weekly and monthly prizes will be awarded for the highest game scores.

When asked what prompted her venture into the youth recreation center area, Mrs. Johnson replied, "We're betting this is just what our Chelsea youths need and want, and we're willing to take a chance for them. We're thinking of our youths. Let's hope everyone else is too."

Swim Club Edged By Ranked Okemos

Chelsea Aquatic Club swam against Okemos Swim Club in a Michigan Team Swim League meet Saturday, Jan. 15, and lost by a score of 478-503.

"Okemos has a fine swim program as shown by their high school team finishing second in last year's state meet," said Larry Reed, director of the local club.

"The CAC coaching staff was pleased with the club's ability to keep the final score close," he added.

The swimmers will host their next meet Saturday, Jan. 22 at 9 a.m. in the Beach pool.

Finishing first for Chelsea were Ted Merkel, Marty Steinhauer, Richard Slater, John Hoffman, Sean Oxner, Dave Mason, Dave Nicola, John Robbins, Kathy Brown, Patti Hume, Nancy Heller, Teresa Tudor, Sandy Shadoan, Sue Inglis, Shelly Springer, Mary Stoll, Margie Rawson, Paula Beaudoin,

Shannon Springer, Anne Schaible, Jennifer Cattel, Amy Hume, Colleen Stubbs, Melanie Lee, Paul Woods, Craig Wirtz, Mark Brosnan, Kirk Hawks, Annette Kuhl, Sara Borders, Michelle Clark, Dawn McDowell, Jerry and Tony Hammerschmidt, Melanie Gunn, Cheissy Favors.

Others who placed for Chelsea were Wayne Smith, Julie Koch, Mary and Missy Lazarz, Paul and John Robbins, Susan Gunn, Trisha, Kris and Tanya Matloff, Stirling Vorus, Sue Heller, Betsy Klander, Christie Fahrner, Lisa Smith, Kathy Degener, Patti Schumann, Ken Roskowski, Mary Eisele, Mike and Dave Mason, Kathy Slater, Laurie Heller, Carol Palmer, Pete and Rob Beaudoin, Ann and Pete Eisele, Don Buckenberger.

BLOOD DONORS: Just last month, the Chelsea Jaycees conducted their annual Blood Drive in the local UAW Hall. Some 80 pints were collected to aid in saving lives throughout the community.

WINNING WRESTLERS: Led by Mike Young's title winning performance, these Bulldog matmen grabbed their way into a third-place tie with state-ranked Okemos while competing in the Mason Invitational Tournament last Saturday, Jan. 15. Kneeling in the front row, from left, are Bruce Bennett, 2nd place, 187 lbs.; Joe Branham, 4th place, 155 lbs.; titlist Mike Young, 132 lbs.; and Bryan Van Reesema, 4th place, 180 lbs. Standing in the back row, from left, are Coach Richard Bareis, Rick Beeman, 4th place, 145 lbs.; Leon Brown, 2nd place, heavyweight; Todd Headrick, 2nd place, 193 lbs.; and Coach Sam Vogel. A mixed class of teams from eight Michigan schools competed in the tournament.

Jaycee Week Observed Here

Jaycee Week, Jan. 16-22, is nearing its end today, but there is no end to the good deeds and civic commitment which have characterized this group locally since its initial date of charter many years ago.

Appropriate with the passing of Jaycee Week is a recollection of the organization's past year of achievements in Chelsea. At the forefront of the list was the Jaycee campaign in support of Proposal A, banning non-returnable beverage containers, which won heavily in the Nov. 2 election.

The Jaycees were responsible for organizing the distribution of 1,500 pro-Proposal A circulars door-to-door and person-to-person in Chelsea.

Other memorable projects this past year included the Jaycee Chicken Barbecue, which sold out 1,500 chicken dinners, along with fall color tour maps of the Chelsea area.

Some 150 community residents

attended the pre-election "Candidates Night" of lively debate between Washtenaw county sheriff-elect Tom Minick and the then incumbent Sheriff Frederick Postill.

Hundreds upon hundreds of local youngsters shivered through chilling experiences at the Jaycee Haunted House on Park St. this Halloween.

Earlier last year Jaycees sponsored "Everything Goes" competition in which Chelsea ignominiously dumped the best contestants Dexter had to offer.

The Jaycee-Red Cross blood drive for holiday accident victims secured 89 pints of blood at the time of year they are most sorely needed.

Jaycee projects also included efforts seldom recognized by anyone beyond those immediately affected. Such were the Christmas Trees for Fatherless Boys project, and the Needy Kids Christmas Shopping, co-ordinated through Linda Ormsby, director of Chelsea Social Services.

Jaycee projects often have a role in developing the leadership abilities of young Chelsea men between the ages of 18 and 36. Chairing these projects fosters management and organizational skills. Jaycees also conduct internal seminars specifically directed toward these goals.

Beyond their dedication to service, the Jaycees are also a social organization, with general membership meetings the first Tuesday of every month at the meeting room in Chelsea Lanes. Jaycee household family picnics in summer, and dinner meetings in winter, attended by wives. The Jaycee wives Auxiliary is a separate, related organization which conducts countless community-help projects, whether alone or together with the Jaycees.

Altogether, the Jaycees provide many community services, large and small, which are too numerous to list.

And, if the past is any indication of the future, 1977 promises to fill many more pages in the story of this active community organization.

Matmen Place 3rd In Mason Tourney

An outstanding performance by Bulldog Mike Young paced a fine performance by Chelsea High's varsity wrestling squad in the high-powered Mason Invitational Tournament last Saturday, Jan. 15. By the end of the day, the Bulldogs had grabbed their way to a third-place tie with state-ranked Class B Okemos.

In addition to Chelsea and Okemos, other schools competing in the event included two strong Class A teams from Lansing-Everett and Holt; two more state-ranked Class B teams from Mason and Ovid-Elsie; and two highly visible Class B contenders from Marshall and St. John.

Final tournament standings were Lansing-Everett, 133; Mason, 118; Chelsea and Okemos, 97 each; Marshall, 86; Holt, 81; Ovid-Elsie, 77; and St. John, 72.

Mike Young provided Chelsea's only title winning effort. According to Coach Richard Bareis, Young's display of talent on the mats "was a fine thing to watch as he scored a 10-3 landslide decision over St. John, a 4-1 decision win over Mason, and then tore up a fine Lansing-Everett wrestler, 11-1, in the finals."

Taking second-place honors for Chelsea were Bruce Bennett, 167 lbs.; Todd Headrick, 193 lbs.; and Leon Brown, heavyweight. They

were followed by fourth-place medalists Rick Beeman at 145 lbs., Joe Branham at 155 lbs., and Brian Van Reesema at 180 lbs.

Other Chelsea wrestlers who gained single victories in the tournament were Dan Wilson at 190 lbs., a pin; Jim Stahl at 128 lbs., a pin; and Chuck Young, who won with a 10-2 decision.

"Over-all, the wrestling competition was strong and in most cases, our wrestlers did as much as could be expected," said Coach Bareis. "We are gaining valuable experience. Our heavier weights are starting to show more poise even though they have been unable to win in the finals, and we are still very young in the light weight divisions although we hope to see those fellows improve by league meet time."

Cagers Lose To Saline in Final Seconds

Battling hard to break a three-game losing streak which has marked their return to the courts following a short holiday recess, Chelsea High's varsity cagers once again engaged in a neck-to-neck contest, this time with league leading Saline last Friday, Jan. 14. The upshot of the showdown was yet another anti-climactic sting for the Bulldogs, 47-53.

"While I was disappointed we lost, I have nothing but praise for the team's fine hustle and determination," said Coach Tom Balistrere following the contest. "Our club doesn't quit, and I'm very proud of them, all of them," he added.

The game was close the whole way, with neither team managing more than a seven-point lead. At the end of the first period, the score was tied, 10-10. Highlighting first period action for Chelsea were Randy Sweeney with six points, and Dean Thompson with four.

In the second quarter, Saling outscored the Bulldogs, 20-13, for a 30-23 half-time lead. Leading Chelsea's attack on the Hornet's nest that period were Pete Feeney, Randy Sweeney, Don Morrison, Jerry Benjamin, and Dean Thompson.

A half-time recharge brought the Bulldogs fighting back in the third quarter to outscore Saline, 24-23. Don Morrison collected seven points, Randy Sweeney had five and Dean Thompson, Anthony Houle, and Jerry Benjamin were close behind with four points each.

Tensions mounted as visions of an upset came into perspective in the bottom of the fourth period. With only 1 minute, 40 seconds remaining in the game, the Bulldogs were at the foul line for a 1 and 1.

The 1 and 1 attempt was made, Chelsea missed, and Saline came down to score on a three-point play, tying the game. Several crucial turnovers ensued which gave Saline the ball. The Hornets capitalized on the situation, scored two baskets, and took a four-point lead, 51-47. A Bulldog press to regain control of the ball resulted in a foul, which Saline promptly changed into two more points.

"Saline was extremely hot from the line, making 11 of 14," Coach Balistrere explained.

At the wire, with only a few seconds left on the clock, Chelsea

was fouled, but failed to sink the free throws. Adding insult to injury, a big-man tip-play at the end of the game missed, leaving Saline on top in the final score, 53-47.

"I felt the boys did an excellent job with our game plan, and played well enough to win," Coach Balistrere observed. "We were a little shaky in the beginning against the Saline press, but we adjusted fairly well."

In singling out his players, Coach Balistrere stated Randy Sweeney had a particularly fine game. "He kept us in there on the boards and did a fine job scoring. He led the team both at the basket and in the air, sinking 15 points and grabbing 20 rebounds, 50 percent of the team's total."

After Pete Feeney was dismissed from play in the third quarter, having drawn his fourth foul, Coach Balistrere inserted Anthony Houle in Feeney's place. "Anthony did a fine job, coming in and settling us down," the coach said. "He also hit for some key baskets and made several fine assists. In that area, he was the team leader, recording a total of five."

Summarizing his team's performance thus far, Coach Balistrere reiterated many of his former comments. "We have been strong contenders in every game so far this year. To come so close without a victory is very frustrating. But again, the boys are hustling, playing with enthusiasm and drive. We'll simply have to work harder, and just hang in there."

In addition to Randy Sweeney's 15 points in Friday's game, other high scoring Bulldogs were Dean Thompson and Don Morrison with 9 points each; Jerry Benjamin, 6; and Anthony Houle and Pete Feeney, 4 each. Chelsea had a final tally of 40 rebounds, and 8 assists. Houle's 5 assists were nearly matched by 3 from Dean Thompson.

Statistically, Chelsea shot 18 of 48 from the floor for a 37 percent average, and 11 of 19 from the foul line for a 57 percent average. Not surprisingly, the crux of their problems turned out to be turnovers. The Bulldogs finished the game with 22.

Following a week of rest, the Bulldogs will resume play next Tuesday, Jan. 25, at Manchester.

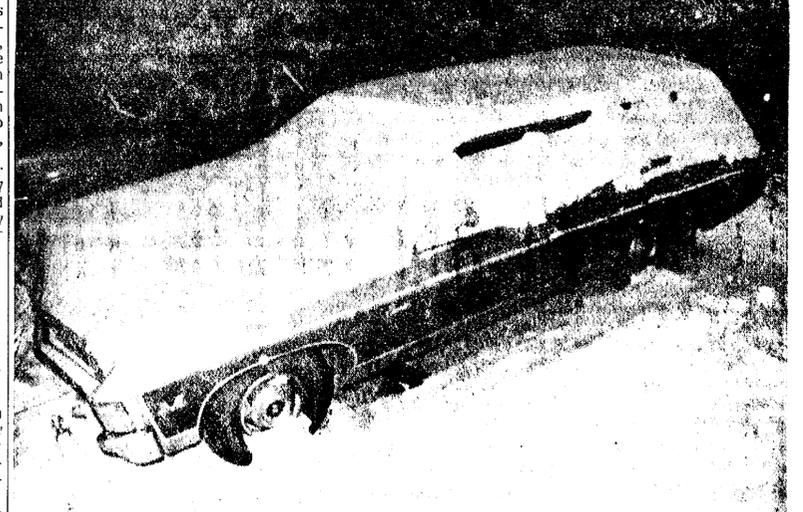

Safety Patrol Girl Attacked By Three Men

An assault and battery complaint was filed with Chelsea police on behalf of an 11-year-old safety patrol girl who was attacked by three men while guarding a corner crossing at Dewey and McKinley Sts., Wednesday afternoon, Jan. 5. Although she was badly frightened, the youngster escaped the incident unharmed.

According to police reports, the girl was at her post at approximately 12:30 a.m. when a yellow Dodge pick-up, carrying the three men, came to a halt nearby.

A man seated in the center, described by police in his 30's, wearing a red and blue plaid shirt, a yellow hardhat, dark complected, dark haired, with medium length sideburns, and starting to grow a moustache, called to the youngster.

SOME SAY IT'S WINTER: Cars, buried in snow like the one above, were an often too familiar sight to area auto owners this past week as a winter storm, which lashed Chelsea Jan. 10, left behind a low pressure area which continued to ravage the area. Intermittent snowfalls, coupled with below-zero temperatures, brought about an electric power shortage in Washtenaw county Monday, Jan. 12. To avoid blackouts, several heavy users of electricity cut back on their consumption. Elsewhere on Monday, Consumers Power Co. reduced voltage on their co-ordinated system five percent for the second time in less than a week, and Michigan Consolidated Gas Co. shut off natural gas service to interruptible customers Sunday, under provisions of state energy conservation rules. A broken water main at Chelsea High school Monday, forced a cancellation of classes for that day. By late evening, repairs were complete, and the school resumed operations Tuesday morning. A temperature drop to -9 degrees Monday established a record low for the area, and was reportedly lower than temperatures in Alaska that day, according to one weathercaster. Some respite is in sight, however, as meteorologists are predicting a warming trend scheduled to begin tomorrow.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR: Always with the start of a year the papers have a run on round-ups. It is a time for closing books and starting new accounts. It is a time when some of us have to face the sad fact that football is not going to be on television forever without end, amen, so we feel like we can't stand to miss one minute of one game until the two month break between the last live one and the first of the reruns and specials reviewing last season's highlights. This is the time we learn that life goes on without football.

Mister Editor, there is just so many ways one bunch can run into another bunch, so I'm ready for football to go long before it does. There must be a few other folks that agree with me, cause I saw that creating the NFL didn't even make the top 20 stories in America's history.

The year that's now history called for special roundups, and one I saw put together the biggest news in the last 200 year. Newspaper editors was ask to name the No. 1 story in this country's history, and nearly all of you said the Revolution that started it all. To top that off, you put the writing of the Constitution in second place, and the coming of television was down at No. 12. Gitting to the moon ranked fifth, three places ahead of all the problems we have come to group under the name Watergate. I think the order of the list shows a solid understanding of what has gone into the making of this country, and the list makes a feller try to imagine what the next 200 year will bring.

I mentioned the top stories round-up during the session at the country store Saturday night, and the fellers commented on some that made the list and some that didn't. They were full agreed that, taking the long view, one thing America never has been is dull. Somepun is allus going on, Zeke Grubb said, and if you don't like it you don't have long to wait for a chance. Where else in the world, Zeke wanted to know, can you go from stories of men on death row trying to git off to three months of headlines about one killer trying to git

the state to keep its promise to kill him? It takes all kinds of folks to make up this country, Mister Editor. In the same paper last month, I saw where a postman that makes \$16,000 a year has been giving practical ever cent to needy people for the last several years, and I read about how schools in some cities have closed because folks won't vote enuff taxes on themselves to keep em going. I saw where a feller in Michigan talked a bank teller into trading him \$99,700 for a 100,000 German mark bill that ain't worth the paper it's printed on, and how a woman in North Carolina stole a pickup load of old newspapers from a civic club paper drive and told police she did it so she could cut out all the discount coupons in the papers. Just like in America's history, truth is stranger than fiction.

Yours truly, Uncle Lew.

Help for the Unemployed

The Out County Mental Health Program, in cooperation with local community groups is looking for people interested in a job search project. This project will have two parts: 1) a survey studying ways people job hunt and the consequences and impact of unemployment, and 2) a job-finding club, giving training and support to persons seeking employment. Some participants will be involved in one part, others in both.

"Check Off" \$3.4 Million Again this year, Michigan taxpayers will notice that they can check a box on their state income tax forms that will put \$2 of state tax revenues into a special fund for financing gubernatorial election campaigns.

The same checkoff was on 1976's tax forms. But the 1975 law that provided for partial public funding of the campaigns was struck down as unconstitutional on a technicality by the State Supreme Court. So the tax money stayed in the state treasury.

Late in its 1976 session, the legislature approved a new political reform law that supporters promise will meet any legal challenges.

Besides tightening requirements on candidates for reporting campaign contributions, the new law resurrects the tax checkoff system. Officials estimate that taxpayers will "check off" as much as \$3.4 million a year in state tax revenues to finance gubernatorial campaigns, the next one coming up in 1978.

Under the law, candidates will be eligible for the "public" funds under a formula that requires them to collect many small private contributions as well.

The system is the first in the country to provide any public money for state-wide candidates. It was patterned after the plan that gave federal tax dollars to presidential candidates this year for the first time.

Politicians of both parties say Michigan's law is one of the best in the country for making campaigns more ethical and open.

PSST May Be Zapped Many aerosol sprays may get zapped from Michigan store shelves if a ban on fluorocarbon-propelled sprays is enacted under a law signed by Gov. William Milliken last week.

The law, hotly debated for over a year, would authorize a ban on the aerosols beginning in 1978. But state health officials would first have to decide that the fluorocarbon-propellants, often known as Freon, are indeed dangerous to human health.

The invisible gases are believed to damage the earth's ozone layer. Harmful ultraviolet radiation from the sun can then penetrate the atmospheric layer and reach the earth, causing skin cancer and other problems.

"Dad, why do people take drugs?"

To most people who have used drugs all of their lives, it seems like it has a simple answer. But to a 4-year-old boy who has never seen the inside of a hospital or a medical doctor, or had as much as a half an aspirin or a teaspoon of cough syrup, the answer takes on a definite change of meaning.

"People take drugs, because they don't know about Chiropractic... no one tells them so they think they have to take poison. We have to tell them," I said.

"... and when I get big I'm going to tell people that they should get adjustments and then they won't need drugs," he said.

As strange as Chiropractic may seem to many people... medicine seems just as strange to our kids and our patients' kids. They see our patients and their friends getting well under Chiropractic and can't understand why everyone doesn't try it. We can't understand it either.

This morning, Jason, our 4-year-old, got dressed and asked me if he could talk to the patients about Chiropractic! So if you see him... he'll talk your ear off on why you and your family should be under Chiropractic care if you are not already.

Maybe some day, if enough Jasons tell enough people... your grandchildren or great-grandchildren may say to you... "grandma, why did people used to take drugs?"

SPECIAL
Reduced Interest Rates on Home Improvement Loans for Energy Conservation
The cost of heating a home has gone up an average of 76.3% in the last five years, and it is predicted to go up an additional 21.1% in the next ten years. This means the average monthly \$30.00 heating bill you were paying five years ago is now \$52.89. If these dire predictions are true, by 1987 you could be paying as much as \$164.65 per month for the same amount of heat.
What can you do about it? For one thing, you can insulate your house. It is a lot cheaper than gas, electricity or oil.
To help conserve energy, Ann Arbor Federal Savings is now offering a special reduced rate on Home Improvement Loans, through March 31, 1977, for any approved home energy conserving program. Maximum loan \$5,000, up to 60 months to repay.
This low rate would put energy conserving within your budget. For example: a \$500 loan with term of 24 months would cost \$23.33 per month an annual percentage rate of 11.13%, and with term of 36 months \$16.38 per month, an annual percentage rate of 11.08%.

Biddy Basketball Teams All in Action

More biddy basketball was played last Saturday, Jan. 15, with members in all three leagues once again testing their shooting ability and ball handling skills.

In the WBA, the Superpersonals grounded the Hawks, 20-14; the Trailblazers kicked the Spurs, 20-16; the Rockets sailed past the Celtics, 14-8; and the Knicks dumped the Generals, 14-10.

Beginning at 9:05 a.m. this Saturday, Jan. 22, more WBA game action is scheduled as the Rockets prepare to launch an attack on the Generals, and the Superpersonals face the Knicks. At 9:47 a.m., the Spurs will play the Hawks, and the Celtics will challenge the Trailblazers.

Final scores in the ABA last week put five teams in the winner's circle. The Bujlets whizzed by the Capitols, 32-24; Jazz syn-

chronized to defeat the Warriors, 26-18; the Pistons blasted the Nuggets, 26-8; the Lakers drowned the Cavaliers, 22-14; and the Suns sat on the Bulls, 20-18.

The ABA will also resume play Saturday, Jan. 22, with the Bulls to play Jazz, and the Lakers preparing to storm the Capitols, at 10:30 a.m. Commencing at 11:12, the Suns will take on the Nuggets, and the Cavaliers will duel with the Warriors, followed by the Pistons steered for action against the Bujlets.

In the NBA series last Saturday, the Nets tangled with the Pacers to win, 24-22, and the 76ers massacred the Braves, 27-15. All four NBA teams will be back on the courts this Saturday as the Braves battle the Nets at 11:45 a.m., and the 76ers meet the Pacers at 12:52 p.m.

JV Cagers Pull Upset Over Saline

Chelsea High's JV basketball squad gave Saline their first taste of defeat this season as they upset the league leading Hornets, 60-57, last Friday, Jan. 14.

"It was our best game of the year," said Coach Paul Terpstra. "We bounced back in style after our heavy loss to Jackson Northwest on Jan. 11."

Chelsea dominated the scoring throughout most of the game, leading, 32-21, at half-time, and 46-32 at the end of the third period. A Hornet rally in the fourth gave Saline a meager one-point advantage which was quickly toppled by a series of key foul shots by the Bulldogs.

First to score from the line was Don Schrottenboer, who put one through the hoop to move Chelsea ahead once again, 57-56. He was followed by Jesse Coburn, Gary Dils, and Matt Feeney, who each tossed in yet another point to oust Saline from their undefeated spot with a stunning Bulldog victory.

Chelsea out-rebounded Saline, 41 to 26, and charted their best shooting night from the floor this season with a powerful 44 percent average.

In Friday's action, leading scorers for the Bulldogs were Gary Dils with 23 points; Jesse Coburn, 13; Don Schrottenboer, 9; Charlie Bridges, 7; Matt Feeney, 5; and Al Augustine, 3.

Outstanding rebounders in the game were Bridges and Augustine with 10 each, and Schrottenboer with 8.

Chelsea's triumph over Saline raises the Bulldogs' season record to 4-6.

Soil Conservation District Receives Newsletter Award

The Washtenaw County Soil Conservation District has been selected second-place national winner in the 1976 Newsletter Contest sponsored jointly by National Association of Conservation Districts and the Farm and Industrial Equipment

Institute. The contest is open to the 3,000 plus soil and water conservation districts throughout the nation.

A representative of the district has been invited to attend the NACD's 31st Annual Convention on

Feb. 7, in Atlanta, Ga., to be recognized for the district's efforts in communicating the soil and water conservation message in Washtenaw county.

Each district that publishes a Conservation Newsletter is judged on readability, regularity, subject matter and circulation. It not only matters what the Newsletter says; it is equally important that it reaches a broad cross-section of our citizens.

The Washtenaw County SCD is continually striving to better inform our readers of soil and water conservation activities in Washtenaw county. If you are interested in learning about the activities of the WCSD and would like to receive their monthly Conservation Newsletter, contact the district office at 6101 Jackson Rd., Ann Arbor 48103, phone 761-6721.

Unlike people who wear eyeglasses to compensate for their vital handicaps, hearing loss victims often refuse to seek the help available to improve their ability to hear. As a result, only one out of six Americans who could be helped by wearing a hearing aid has one, hearing specialists report.

Silence is an undisputed virtue.

4th, 7th Graders Score High in Assessment Tests

As a group, Chelsea students in the 4th and 7th grades who took the Michigan Educational Assessment (MEA) test last September, achieved a record high district scoring average, and performed well above the state-wide average when compared with students in other Michigan school districts.

These results were confirmed by a report sent to the local district by the state which evaluated each student's individual performance, and summarized classroom, school, district, and state-level achievement.

In both the 4th and 7th grades, Chelsea had a much higher percentage of students at the 75 to 100 percentile, and a much lower percentage of students scoring below 50 percent than other state school districts. This gave Chelsea a 15 percent to 20 percent higher average than other schools.

"It is commendable that we have no scores lower than the average for the state, and that our scores are so much higher in most areas," said Susan Harding, Chelsea's MEA test co-ordinator.

Furthermore, a look at the state's over-all scoring median in areas judged most important by Michigan educators, revealed that Chelsea students once again were above that average.

MEA test results have a broad range of applications. On the 7th

grade level, junior high school principal Alan Conklin reviews the results to determine if there are any seriously deficient performance areas. Should any appear, he then develops a program to generate improvement.

Teachers receive a report of each student's test scores, and a summary of the general performance of each class. From these reports, teachers are informed of their students' weakest areas, and can then proceed to emphasize these areas in their classrooms, or help individual students who scored low in specific areas.

In both Chelsea elementary schools, principals Robert Benedict and Sylvester Wojcicki analyze test results with their teachers. They pinpoint problem areas, re-examine test questions, and refer their findings to 1st, 2nd, and 3rd grade teachers, as well as the North school reading teacher. The teachers then attempt to eliminate weak areas, should there be any.

Over the past four years, both 4th and 7th graders in Chelsea schools have progressively improved their test scores in all areas.

"It's extremely encouraging to see the excellent results of our students' tests, which are reflective of our community and our fine educational system," Miss Harding concluded.

DEATHS

J. Oscar Lindauer

Lima Township Resident Dies at Saline Hospital

J. Oscar Lindauer, 84, of 11111 Jerusalem Rd., Lima township, died Sunday, Jan. 16 at Saline Community Hospital after a brief illness. He had been in poor health for some time. Mr. Lindauer had retired to the above address on Jerusalem Rd. five years ago, after farming at 10725 Jerusalem Rd. for the previous 43 years.

Born in Lima township on Feb. 6, 1892, he was a son of George and Rosina Klein Lindauer. On Sept. 28, 1923 he was married to Milda Faust. She survives. Also surviving is a daughter, Mrs. Veryl (Kathryn) Steinaway of Ann Arbor; four grandchildren, Gary, Keith, Karen and Jeanine Steinaway, all of Ann Arbor; a brother, Alfred Lindauer of Chelsea; a niece, Mrs. Don (Loretta) Eder, and a nephew, Arthur Lindauer, both of Chelsea, as well as several cousins.

Mr. Lindauer was a member of St. Paul United Church of Christ, a life member of Olive Lodge No. 156, F&AM, Olive Chapter No. 108, OES, as well as of the Royal Arch Masons, Chapter No. 140.

Funeral services were held at 1:30 p.m. on Wednesday, Jan. 19 at the Burghardt Funeral Home with the Rev. Ralph J. Ratzlaff officiating. Burial followed in Oak Grove Cemetery.

Louis C. Ramp

Had Operated Mink Ranch In Waterloo Until Retiring

Louis C. Ramp, 72, of 8051 Washington St., Waterloo township, Jackson county, died Monday, Jan. 17 at Chelsea Community Hospital. He had been a resident of the area since 1937, owning and operating a mink ranch in Waterloo until his retirement in 1960.

Mr. Ramp was born in Pennsylvania on March 2, 1904, a son of Augustus and Rose Paternoster Ramp. He spent his early life in Lead, S. D.

On June 6, 1931 he was married to Jessie Hitchcock. They had lived in South Dakota and in Illinois before coming to Michigan in 1937. Mrs. Ramp preceded him in death on Aug. 2, 1976. He was a member of St. Barnabas Episcopal church of Chelsea and was a director of the Sparcraft Corp. of Jackson.

Surviving are two brothers, Wallace Ramp of Jackson and Adolph Ramp of Antioch, Calif.; two sisters, Mrs. James (Mary) Foster of Rapid City, S. D., and Mrs. Lena Garry of Yankton, S. D., as well as several nieces and nephews. Two brothers preceded him in death, August in 1968 and Henry in 1966.

Funeral services will be held at 2 p.m. on Friday, Jan. 21 at St. Barnabas Episcopal church with the Rev. Jerold Beaumont officiating. Burial will follow in Mt. Hope Cemetery, Waterloo.

Contributions in Mr. Ramp's memory may be made to St. Barnabas Church Memorial Fund or the Michigan Heart Association. Envelopes are available at the Burghardt Funeral Home, where friends may call until 11 a.m. on Friday, and from noon until time of service at the church.

Carl Loeffler

Tops Cribbage Tournament

Although the atmosphere was lighthearted as the annual Jaycee Auxiliary Cribbage Tournament got underway Monday, Jan. 17, there were contestants who played with brows furrowed in concentration, and those who played with the poker face of a professional.

By the end of the night, Carl O. Loeffler was the confirmed leader of the four-game series opener. He sported a nearly perfect 9-1 record, and a total of 108 points. Trailing behind him were 13 other tournament contenders.

Their results are as follows: Gary Radke, 6-4, 433 points; Ginny Wheaton, 6-4, 430 points; Carl Loeffler, Jr., 6-4, 418 points; Sus Walton, 6-4, 417 points; Rheta Collins, 6-4, 401 points; Fred Brede, 5-5, 561 points; Tom Penhallegon, 5-5, 500 points; Art Jarve, 4-6, 647 points; Anne Steinaway, 4-6, 607 points; Rodney Houle, 4-6, 545 points; Dan Shirilla, 3-7, 728 points; Skip Schluppe, 3-7, 724 points; and Richard Glasson, 3-7, 723 points.

More cribbage play is scheduled for Monday, Jan. 24, 7:30 p.m. at Chelsea Lanes as the contestants return to challenge Loeffler's lead in the second game of the series.

Koernke of South Lyon. The future bride is a 1975 graduate of Chelsea High school. Her fiancé is a 1975 graduate of Pioneer High school, Ann Arbor. A February wedding is planned.

SALYER-RAINEY: Mrs. Verglenda Salyer of 18504 M-52 has announced the engagement of her daughter, Karen Denise, to Charles Ray Rainey, Jr., son of Mr. and Mrs. Charles Rainey of Britton. The future bride is currently a senior at Chelsea High school and is employed part-time by Weber's Inn, Ann Arbor. Her fiancé is a graduate of Britton High school and is employed by Raycon Corp., Ann Arbor. A September wedding is planned.

Train Ticketed For Blocking Crossing

Numerous vocal complaints from both pedestrians and irate motorists bombarded the Chelsea Police Department Friday, Jan. 14, as an eastbound Con-Rail freight train blocked traffic for nearly an hour at the Main St. railroad crossing.

According to railroad representatives, the incident was caused by a brake failure aboard the passing train. Con-Rail officials told police they were aware of the train's defective brakes prior to the failure and were in the process of scheduling a repair.

In the past, the railroad company has been cited for malfunctioning train warning obstacles several times. Once again on Friday, Con-Rail received a ticket for blocking traffic in excess of five minutes.

Later that evening, at 2:30 a.m. on Saturday, Jan. 15, Con-Rail was again ticketed, this time for blocking the Main St. railroad crossing for 25 minutes.

Psychology Award

The final recipient of the Psychology Student of the Fortnight award is fourth-hour psychology student, Liz Schwarze.

She was nominated for the honor by her classmates, who based their decision on class participation, attentiveness in class, and the ability to question and understand the principles of psychology. Miss Schwarze has also achieved high academic standards in the class, maintaining an A-average throughout the semester.

According to Miss Schwarze, she is very interested in psychology, and plans to continue her studies in the field at either Kalamazoo College or Duke University following graduation.

A Chelsea High senior, Miss Schwarze is the daughter of Mr. and Mrs. Fred Schwarze of 14300 Jerusalem Rd.

Fuslier Named County Delegate To SEMCOG

Wallace Fuslier, Lima township trustee and former township supervisor, was recently elected as a delegate to the executive committee of the Southeast Michigan Council of Governments (SEMCOG) by Washtenaw county townships.

SEMCOG is a water quality management planning body formed by Michigan Gov. William Milliken.

SEMCOG basically functions as a watchdog on community development. The agency has decisive powers over such issues as the Mill Creek Park proposal and sewage treatment plant expansion.

Fuslier, who has been active in local township government for the past two years, will serve a one-year term. He resides at 9200 Dexter-Chelsea Rd.

Waterloo Methodist Women Get Together

On Jan. 12, the Waterloo Village United Methodist Women met at the home of Zella LaVan for a put-luck dinner at noon. Attending the event were nine members and two guests.

The meeting was opened with a prayer recited by president Eloise Schultz. Bessie Barber read a letter from the Youth Haven near Rives Junction, and the group voted to give them a gift.

Following the business session, a program was presented entitled "I'm Talking to Myself." It was read by Shirley Case, Ruth Kjellberg, and Eloise Schultz.

Two thank-you notes, recently received by the club, were read to the group and the meeting closed with a benediction.

Next meeting will be Feb. 9 at the home of Mary Clark. The study for next month is Amos.

Memorial Contribution Made to Athletic Fund

The family and friends of the late John Simpson Collins and Mark Dalton recently donated a generous sum of money to the Chelsea High School Athletic Fund in memory of the two youths who were both very active in Chelsea school athletic programs.

The contribution will be used to subsidize both boys' and girls' athletics.

Collins and Dalton were fatally injured in a tragic automobile accident Dec. 29, which also claimed the life of their close friend, Melissa Turner.

Sonny Eliot Judges Scout Joke Contest

"What do you get when you cross King Kong with a Girl Scout cookie? A vanilla gorilla!"

This joke and others were cited by Detroit television personality Sonny Eliot as he announced winners of the Huron Valley Girl Scout Council Joke Contest at a luncheon for 100 volunteers Wednesday, Jan. 12 at Win Schuler's restaurant in Ann Arbor.

Eliot judged 78 entries written by Girl Scouts from throughout Washtenaw, Livingston, western Wayne and northern Monroe counties.

The contest was held to acquaint girl members with council financing prior to the 1977 Girl Scout Cookie Sale which will be held Feb. 1-14 under the chairmanship of Mrs. Jean Spence of Ann Arbor.

The sale annually provides about one-third of the operating budget of the Huron Valley Council which serves more than 17,000 girls each year. Sale profits also fund capital improvements of the Council's three camps, Camp Linden in Livingston county, Camp Hilltop near Ann Arbor and Camp Crawford in eastern Washtenaw county.

Profits from last year's sale totaled \$221,190, an increase of 21 percent over the previous year.

Attending the luncheon were newly-appointed area cookie sale chairmen and troop leaders who will direct the efforts of Girl Scouts ages 10 through 17 in some 300 troops in taking cookie orders. Brownies do not participate in the sale.

Eliot is widely known as the entertaining weathercaster of WWJ-TV's "News-4" and a host of Channel 4's "At the Zoo" series. He has long been active in promoting

Fire Destroys New Home in Scio Township

A \$75,000 home, its entire household furnishings, the garage and two cars were completely destroyed in an early morning fire Monday Jan. 17, in Scio township.

The home of Leonard Young, an Ann Arbor attorney, at 5118 Green Knoll Lane, was gutted by the blaze which apparently started in the family room, according to Dexter Fire Chief Keith Hoatlin. The Dexter Fire Department responded to the call at 2:34 a.m.

Young and his wife were asleep in their bedroom when he awoke to the sound of breaking glass, according to the fire chief. When Young looked out of the bedroom door, the entire family room area was engulfed in smoke. Mr. and Mrs. Young escaped through a glass sliding door in their bedroom and are staying with their daughter nearby.

Hoatlin said there had been a fire in the fireplace during the evening and the Youngs retired about 1:10 a.m.

The blaze had already reached the roof of the home by the time the fire trucks arrived. Called to the scene to assist were the Chelsea and the Ann Arbor township fire departments.

Firemen worked on the blaze for 8 1/2 hours in 14 below zero weather. Hoatlin estimates 11,000 gallons of water were poured on the flames before the fire was completely extinguished. He said frozen valves on the fire trucks and water from the hoses which froze unless it was directly on the flames hampered the work of the firemen.

Safety Patrol Girl Escapes Muggers

(Continued from page one)

As she approached the truck, he asked her "Where town was."

At this time, a man described by police as having curly blond hair and a large build, grabbed the girl around the neck and attempted to hit her head against the side of the truck.

She was resisting her assailant when she heard one of the men shout that the mailman was coming. Upon hearing the warning, the blond-haired man released the girl and the truck sped off, turning left off Deway St. onto McKinley St., where it continued in a northbound direction.

No description of the driver could be obtained, nor was the license number of the vehicle recorded. Chelsea police later searched the area with negative results.

As of this date, no suspects have been named in the case. Anyone with information relating to the incident is asked to contact the Chelsea Police Department.

Girl Scout Association Winter Meet Scheduled

Western Washtenaw Area Association of Huron Valley Girl Scouts will hold its winter meeting at Klager Middle school, 405 Ann Arbor St., Manchester, on Thursday, Jan. 27, at 7:30 p.m.

Carpools will leave Wylie Middle school in Dexter at 6:45 p.m. In Chelsea area, those needing a ride should call Nadine Koch, 475-Senior Scouts, Julie Koch, and Jill Piper, Dexter, will share their 1976 Wider-Opportunity trip with the group. Julie went to New York New Jersey, and Pennsylvania: "Spinning Wheels to Other Big Deals in New York." Jill attended "Try it Now" at Buckeye Trails Council in Dayton, O.

Vicky Hicks, Saline, will discuss the revision of the association by-laws. Joan Gunther, Dexter, will tell the group about the up-coming cookie-sale.

Hockey Team Slugs Win Over Tecumseh

Chelsea's Bulldog hockey team had a slugfest last Sunday with Tecumseh, but came out on top of a 4-3 score.

Tecumseh scored first at 1:23 of the first period when Dave Perry took the first shot on goal and scored. Chelsea fought back and at 2:35 Greg Hastings took a beautiful pass from Harold Vandervoort and put the puck into the net for Chelsea. Along with Vandervoort, Bob Fischer got an assist on that goal.

Joe Marentette took a rebound from a shot by Pete Huston and slapped it into the net to end the first period with the score 2-1, Chelsea.

The second period saw only one scoring play. At 13:53 Steve Check scored a powerplay goal for Chelsea when he picked up the rebound from Greg Hastings' shot and punched it into the net.

Coach Jerry Ringe lifted goalie Mike Check in the third period and put Dave Baldwin in the nets for Chelsea. Jerry McFadden welcomed Dave to the game when he slapped a shot from just in front of the goal and beat Dave for the score. At 10:47 of the period Jason Lindauer saw Steve Check break into the open and passed the puck to him. Steve took the puck in all alone and easily beat the Tecumseh goalie for his second goal of the game and made the score 4-3, Chelsea.

An unfortunate thing happened in the third period. At 14:40, with just 20 seconds left in the game, Joe Marentette got into a fight with a Tecumseh player. The referees just broke up that fight when Steve Check got into the action and started exchanging blows with

another Tecumseh player. The referees quickly calmed things down and all four players went off the ice with double minor penalties.

With just seconds left on the clock now, the puck was faced off, but Mark Stevenson started a pushing contest with a Tecumseh player. Referee Darrel Clute came over and pushed Mark out of the action, but Mark took offense at Clute's action and he took a swing at him. Before it was over both referees and Coach Phil Boham had to subdue Mark and take him off the ice. Mark got a 5-minute penalty for slashing and a 10-minute misconduct and a one game suspension.

Next week Chelsea is scheduled to play an exhibition game against Grand Ledge at 6 p.m. in Jackson.

Even though hearing loss victims are suffering from a very real physical disability, they seldom are shown the concern extended to individuals with other types of handicaps, point out hearing specialists. This is because there are no visible impairments connected with a hearing loss.

Man's first powered flight

was made by the Wright Brothers at Kitty Hawk, N. C., on Dec. 17, 1903. Orville Wright was the first to soar over the sand dunes on that morning, managing to stay aloft for 12 seconds. Later that day, his brother Wilbur kept the new flying machine in the air for 59 seconds. The brothers practiced their early aerodynamic experiments and made many of the parts for that historic airplane in their bicycle shop in Dayton, O. That shop now stands in Greenfield Village, Dearborn. Next door is the house, also from Dayton, where the Wright Brothers lived at the time of their first flight.

It takes courage to admit that someone else is smarter than you are—even in just some little insignificant thing.

Ask Project COPE

Question: I have a 3½-year-old child who stutters. He seems to be talking faster than he is thinking, so I have told him to slow down when he is talking to me. This hasn't helped much, is there anything else I can do?

ANSWER: It is common for young children to repeat sounds and words when talking. It's very possible your child is progressing normally through his speech development and isn't really stuttering at all.

There are some things you can do that will help any pre-school (or school age) child who is having trouble "getting his words out." When your child is excited and seems to be having trouble saying words do not tell him to slow down or calm down; instead change the excited conversation to a calm conversation by changing your own speech to be very calm and relaxes. It is also important to focus on what your child is trying to tell you and not how he is saying it. Drawing attention to his manner of speaking by either interrupting him or instructing him to take a deep breath and start over, may cause him to be self-conscious about his speech. This could increase his difficulty in talking.

When a child is showing signs of being non-fluent, it is best to direct your full attention to him when he is talking; provide a calm, relaxed environment; eliminate any stress or strain which seems to increase non-fluent speech; and work toward increasing his self-confidence. If your pre-school child seems to become more non-fluent, begins to struggle when he speaks, or seems upset

about his speech, the special education office should be contacted so that the speech therapist in your school district can advise you. If the problem is still present when he begins school, you should definitely contact the speech therapist so that you - as a team - can take appropriate action.

(Project COPE is a federally funded program which is being operated during the current school year by Special Education Region V for Chelsea, Manchester, and Whitmore Lake School Districts. Its aim is to inform the community about the special problems and needs of pre-school children. Those who have questions, concerns, or who wish to refer a child for diagnostic services can contact Ellen Eagan, Project COPE Director, at 475-9131, ext. 50 or Dr. DeYoung at ext. 48.)

President Ford Proclaims National Blood Donor Month

President Gerald Ford has proclaimed January as National Blood Donor Month. The official announcement reads:

"Blood Donor Month gives all Americans an annual opportunity to honor the fellow citizens who have voluntarily given blood so that others might live. Their gift is easy and painless. Yet it represents one of the supreme acts of human compassion and generosity. It has earned them the thanks of many grateful recipients and of a nation whose well-being they have served."

"I urge every American to join in building an all-voluntary system of blood donation. It is in the finest American tradition of humanitarian concern for those in need."

Area residents may donate at the Red Cross chapter at 2729 Packard Rd., Ann Arbor, on Jan. 14, from 1 to 7 p.m. or on Jan. 21, from 10 to 4 p.m.

Genealogical Society Will Meet Sunday

January meeting of the Genealogical Section of the Washtenaw County Historical Society will be held Sunday, Jan. 23 at the home of Mr. and Mrs. Leigh Anderson, 1120 Lincoln Ave., Ann Arbor, beginning at 2:30 p.m. Anyone who has problems or wishes to use library books, should come between 1 p.m. and 2:30 p.m.

Speaker of the day will be James W. Craven who is the book curator for the University of Michigan. His topic will be "How To Preserve Materials." Coffee will be served.

School Board Briefs

At a regular meeting of the Chelsea Board of Education Monday, Jan. 17, present were Haselchwardt, Hodgson, Feeney, Daniels, Tobin, Stirling, Superintendent C. Cameron; Business Manager Mills; Principals Benedict, Conklin, Wojcik and Smith; Assistant Principal Schave. Guests present were Sue Harding, Charles Kelly and Pat Clarke.

Meeting called to order at 7:15 p.m. by President Haselchwardt. The minutes of the meeting of Jan. 3, were approved as read.

Sue Harding, counselor, reported to the board on the 4th and 7th grade State Assessment Tests in math and reading. The district scored well above the state averages in both areas. An article regarding the results is published elsewhere in The Standard.

Mrs. Charles Murphy was appointed to serve on the Washtenaw County Parent Advisory Committee on Special Education.

The board met with the Ad Hoc Citizens Advisory Committee from

8:30 to 9:30 p.m. The next meeting is scheduled for Jan. 31.

The board approved the early graduation of Rene Papp, Harold Vandervoort and Mark Warren as provided by board policy.

Principal Smith and Assistant Principal Schave discussed the attendance of some students at the high school who will not be receiving credit in one or more classes because they have not been in attendance the 75 days required.

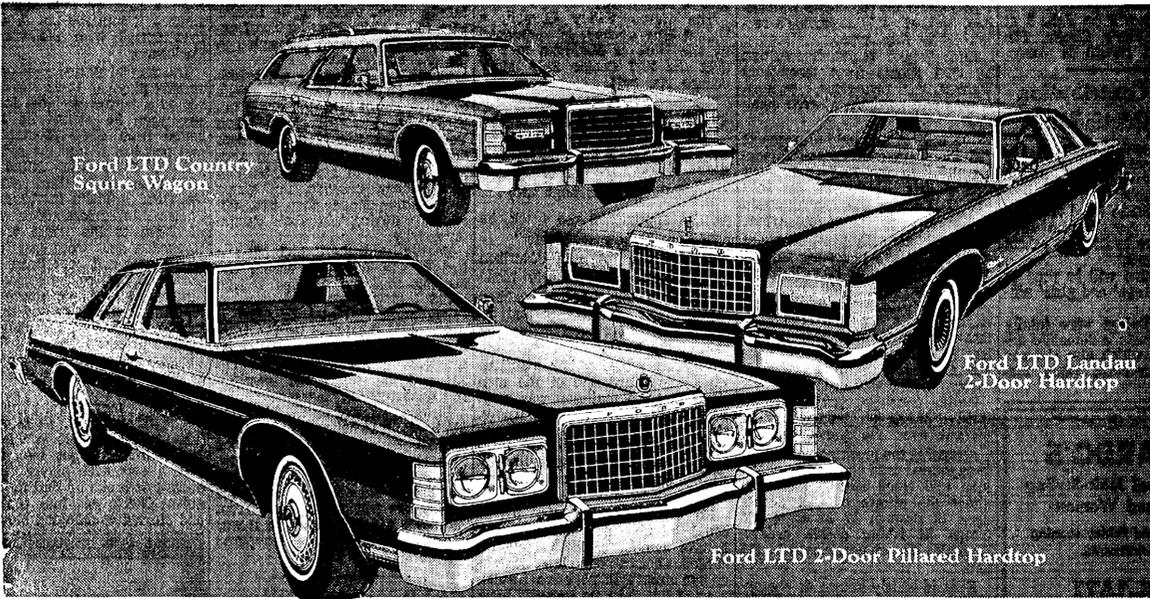

The Master Contract with the CEA was signed.

The application of the Dana Corp. and LithoCrafters, Inc., to the Village of Chelsea to establish a Plant Rehabilitation District and an Industrial Development District for their Buchanan St. property, under Act 198, Michigan Public Acts of 1974, was discussed.

Meeting adjourned at 11:45 p.m.

Hospital Volunteers Hold Annual Meeting

On Tuesday, Jan. 11, the annual luncheon and meeting for Chelsea Community Hospital volunteers was held in the hospital dining area. Approximately 30 women were present to hear the remarks and words of appreciation from Mrs. Gene Jordan, volunteer president; Willard Johnson, administrator; and Alice Tite, director of volunteer activities.

New board officers and members for 1977 elected are Mrs. Gene Jordan, president; Mrs. Dwight Barstow, vice-president; Mrs. Pat Turcott, treasurer; Mrs. George Staffan, record secretary; Mrs. Paul Schaible, corresponding secretary; Mrs. Charles Sing, Mrs. Albert Doll and Dorothy Eiseaman.

Newer volunteers who received pins for 40 hours of service were Mrs. William Briston, Mrs. Dale Claire, Mrs. Charles North, Peggy Osborne, Mrs. Louis Schneider,

Mrs. Arthur Schleede and Mrs. David Streiter.

Mrs. Katherine Kusterer received a five-year pin for continuous service and those receiving an award pin for 500 or more hours of accumulated service were Mrs. Dwight Barstow, Mrs. Jerry Beaumont, Mrs. Gene Jordan, Mrs. Dorothy Miller, Mrs. Bea Read, Mrs. Paul Schaible, Mrs. Lawton Steger, Mrs. Pat Turcott and Mrs. Wallace Wood.

The CCH volunteers are on duty six days a week and some of their duties include visiting with patients, providing cart service for books and small sundries and snacks, delivering mail and flowers, assisting patients to different areas of the hospital, providing movies, bingo games, music programs and a twice-monthly newsheet, picking up and assisting with menus, helping in arts and crafts and decorating for various seasons.

Historical Society Seeks Members

Chelsea Area Historical Society launched its 1977 membership drive recently under the direction of Katie Chapman, campaign chairman.

All currently active members are asked to complete and return the membership application form which they will be receiving shortly. Anyone else interested in joining the group may obtain a membership application form from Mrs. Chapman at 629 N. Main, or by calling 475-7558.

According to Mrs. Frederick Petsch and her board members, who comprise the Historical Society program planning committee, inclement weather forced the cancellation of their scheduled board meeting to approve an agenda for the coming year. However, the committee expects to finalize the program before the next Historical Society meeting in February.

Among the varied and informative activities under consideration is a review of the early history of the Chelsea area which will be taped in interviews with long-time area residents. The review will be used at future meetings.

COOKIE SALE CHAIRMEN: Chelseaites Barbara Seabury (center) receives an affectionate pat on the cheek from glib-tongued WWJ-TV "News-4" weathercaster, Sonny Eliot (left). Eliot was at Win Schuler's, Ann Arbor, on Jan. 12 to judge the 1977 Huron Valley Girl Scout Council Joke Contest. The contest served to kick-off this year's annual Girl Scout Cookie Sale. Mrs. Seabury, along with Barbara Wolfgang (right), also of Chelsea, will head cookie sale efforts locally.

Intramural Basketball Teams Meet Wednesdays

Some 140 players, representing 14 teams in Chelsea's girls and boys intramural basketball leagues, opened their season Jan. 5, and returned to the courts again on Jan. 12 to jockey for position in league standings.

On Wednesday, Jan. 12, eight teams in the girls league began their climb for title honors. In the ensuing contests, Van Riper shut out Bush, 24-0; Feeney overpowered Haist, 18-8; Eisele brushed past Apilado, 10-8 in an overtime thriller; and Ringe blazed by Villemure, 11-2.

Leading scorers in that series were Gina Van Riper with 15 points; Mary Boylan, 15; Mardy Stirling, 8; and Ann Eisele, 8.

The teams will meet again Wednesday, Jan. 19, with Ringe scheduled to play Apilado; Eisele matched against Villemure; Haist to take on Bush; and Van Riper pitted against Feeney.

In the boys league, three close games characterized Wednesday's action. Lazarz defeated Powers, 45-32; Schwarze edged by Steinaway, 25-22; and Price knocked off Headrick, 32-20.

Over-all leading scorers were Jeff Fouty with 18 points; Mike Lazarz, 17; Phil Powers, 12; Jeff Price, 12; and Mike Bareis, 9.

The teams will play again on Wednesday, Jan. 19, with Lazarz to challenge Steinaway; Schwarze

against Price; and Powers to battle with Headrick.

Lee Thornbury Wins State Championship

Lee Thornbury, daughter of Dr. and Mrs. John Thornbury of Trinkle Rd., won the 1976 Hunter-Jumper Association of Michigan championship for limit equitation on the flat with her horse, High-Time. In honor of the achievement, she was presented with an award last Saturday, Jan. 15, at the Association's annual banquet in Farmington.

Championships are earned by the accumulation of points during show season. Miss Thornbury, who was also ranked fourth in the state in limit equitation over fences, shares the championship with Karen Kluge of Ann Arbor. Both girls are trained by Cindy Carlson at Everett Stables in Ann Arbor.

R. V. Worden Promoted With Corrections Dept.

On Jan. 8, R. V. Worden, 57, of 718 Taylor St., was promoted from sergeant to lieutenant in the Department of Corrections at Cassidy Lake Technical School, deputy superintendent, Bruce Cummings announced last week.

Worden was cited for having an outstanding record of service, for responding well to inmate's needs, and for knowing his job well.

Worden first began working as a corrections officer at Cassidy Lake in September, 1964. As lieutenant, his new duties will include responsibility for supervising the entire staff and facility during the afternoon shift.

A graduate of Grass Lake High school, Worden served as a technical sergeant in the U.S. Army during WW II. He and his wife, Doris, have two sons.

Don't waste hot water—heating it accounts for 15 percent of all the energy we use in our homes. The Federal Energy Administration recommends that household cleaning be done—as much as possible—with cold water. FEA also suggests that cold water be used to operate food disposers and that all leaky hot water faucets be repaired promptly.

Local Girl Scout Cookie Sale Chairmen Named

Mrs. Barbara Wolfgang of 2340 S. Fletcher Rd., and Mrs. Barbara Seabury of 2150 S. Fletcher Rd., have been appointed local chairmen for the 1977 Girl Scout Cookie Sale, slated to get underway shortly.

Mrs. Wolfgang and Mrs. Seabury will direct the sale efforts of 165 girls in six troops from the Chelsea school area.

"What do you get when you cross King Kong with a Girl Scout cookie? A vanilla gorilla!"

This joke and others were cited by Detroit television personality Sonny Eliot as he announced winners of the Huron Valley Girl Scout Council Joke Contest at a luncheon for 100 volunteers Wednesday at Win Schuler's restaurant in Ann Arbor.

Eliot judged 78 entries written by Girl Scouts from throughout Washtenaw, Livingston, western Wayne and northern Monroe counties.

The contest was held to acquaint girl members with Council financing prior to the 1977 Girl Scout Cookie Sale which will be held Feb. 1-14 under the chairmanship of Mrs. Jean Spence of Ann Arbor.

The sale annually provides about one-third of the operating budget of the Huron Valley Council which serves more than 17,000 girls each year. Sale profits also fund capital improvements of the Council's three camps, Camp Linden in Livingston county, Camp Hilltop near Ann Arbor and Camp Crawford in eastern Washtenaw county.

Profits from last year's sale totaled \$221,390, an increase of 21 percent over the previous year.

Attending the luncheon were newly-appointed area cookie sale chairmen and troop leaders who will direct the efforts of Girl Scouts ages 10 through 17 in some 300 troops in taking cookie orders. Brownies do not participate in the sale.

Eliot is widely known as the

Swim Lessons Still Available

Registration is still open to anyone interested in enrolling in children's Saturday swimming lessons, 2 to 4 p.m. Classes will include swimming and diving instruction for age groups from infants on up.

Also still accepting registrations are Thursday night Ladies Swim and Trim classes. Two sessions are currently being offered, 7:30 p.m. to 9 p.m., and 8:15 p.m. to 9:45 p.m.

Enrollment for both children's swimming lessons and Ladies Swim and Trim will be taken by phone at 475-1425. Aside from Ladies Swim and Trim, adult classes have been cancelled because of a lack of interest.

Cards of Thanks

CARD OF THANKS

The family and godparents (Mr. and Mrs. James M. Branham) of Melissa Lynn Turner wish to acknowledge with deep appreciation the many acts of kindness and sympathy shown at the time of our greatest sorrow, the loss of our beloved Melissa. We will be forever grateful to the Burghardt Funeral Home, the Rev. McCallum for his spiritual consolation, the VFW and Auxiliary in preparing a most welcome meal for the family and friends of John and Melissa. The many gifts of flowers, money and food and the many cards of comfort and love.

CARD OF THANKS

I would like to thank all those who responded with sympathy cards and flowers following the recent death of my mother. Your acts of compassion were deeply appreciated. John Pierson.

CARD OF THANKS

A thank you to all who visited me at the hospital, to those who remembered me in their prayers, and to those who sent cards, gifts, and flowers. These lovely things will never be forgotten! Louise Gaunt.

CARD OF THANKS

We wish to thank all our neighbors and friends for their help and support during our recent bereavement. Special thanks to the Rev. Fr. C. Walton Fitch and Mr. Louis Burghardt. The family of Francis T. Wojciechowski.

Letters to the Editor

To the Residents of the Chelsea School District:

On Monday, Jan. 24, you will be asked to vote on a millage request from the Washtenaw Intermediate School District. This board, of which I am a member, is seeking approval of a 1.5 mill increase for Special Education in our county. This special education is by the state for children with special needs, including the deaf and hard of hearing, the orthopedically handicapped, the mentally and/or emotionally impaired, and those persons with learning disabilities.

The State of Michigan requires that the Intermediate District help the local districts to provide these programs from birth through 25 years of age. It is a fact that there were 11,367 persons served between September 1975 and June, 1976, here in Washtenaw county.

In addition to programs provided locally or jointly by two or more districts, there are 162 persons who are bused to High Point, our facility on Wagner Rd. Because of the nature and severity of the difficulties, this building was designed to meet these many special needs. You are welcome to stop by and visit this facility.

The purpose of this increase is to reimburse the local school district at a higher rate than is now possible, and to meet the increased costs of these services that are provided to all the districts from the Intermediate District staff.

The majority of us in the county felt that Special Education was important in 1969 when the millage was originally approved, and again in 1969 when a small increase was voted. The numbers of persons receiving the services and the costs of them have increased substantially. I urge your approval of this millage request.

Sincerely,
Elvira Vogel,
Pleasant Lake Rd.

Michael Giffin Earns Masters at Purdue

Michael G. Giffin, son of Mr. and Mrs. Gerald Giffin of 19895 Old US-12, recently completed graduate work at Purdue University, West Lafayette, Ind., and was awarded a Master of Science and Civil Engineering Degree.

Upon receiving his degree, Giffin accepted a position with Daniel International Corp., Charleston, S. C. He and his wife, Janet, will be residing in Muskogee, Okla., for the next year, where Giffin has been sent by his employer to work as schedule co-ordinator in construction of a paper recycling plant for The Fort Howard Paper Co.

A 1971 graduate of Chelsea High school, Giffin is a member of The Engineering Society of Detroit, American Concrete Institute, American Institute of Architects, and Sigma Pi fraternity.

To the Editor:

The voters in Lima township are in turmoil and unrest and rightly so. Never before has this writer witnessed such unnecessary and crude management of a sensitive yet not complicated issue.

When the polls opened on Nov. 2, the machines were set with names of nominees who had been properly selected by the voters through the primary process in August 1976. On the Nov. 2 election, day the greater percentage of voters were not aware that a fine gentleman, Walter Wolfgang, whose name appeared uncontested on the ballot had died some 36 hours earlier. 586 people voted for Mr. Wolfgang; some because they believed he could serve and they wanted him to, others voted for him that day out of respect for his memory and yet others continued to vote for him as a fellow Republican whose term could be filled by the democratic process following the general election.

There were a minority who, evidently out of their ambition to have office or in an effort to control the Lima government, felt they needed to grab this opportunity to win and they did. On the morning following the election we awoke to learn that a legal election had ended with a man, whom all respected, having obtained 586 votes and yet that election was won by Mr. Fusiller with 22 votes. This was because Mr. Fusiller and a small group knew the system and we, the majority, were naive—had respect and faith in the democratic process—and were not so anxious about Mr. Wolfgang's position that we could not wait until after his funeral to take up the matter.

If Mr. Fusiller wants to be a Lima township board member after displaying this kind of "manners" and "ability to work the system" then let the people acclaim that for him by a real election. Then let's go back to good, fair and clean government in Lima.

VILLAGE OF CHELSEA ELECTRIC & WATER DEPT. DEPOSIT POLICY

All new electric customers, after this date, will be required to pay a deposit of \$50.00 for residential service and \$100.00 for commercial service, unless the Chelsea Electric and Water Department has had one (1) year of previous satisfactory credit experience with the proposed new customer. (This policy applies whether or not the proposed customer is a home owner or a renter.) Said deposit will be refunded upon completion of one (1) year of satisfactory credit experience. (Satisfactory credit shall be defined as follows: The monthly bill must be paid by the last business day of the month in which it is received.) A refund will also be automatic if a customer terminates residency within the service area and pays his final bill in full.

Any non-deposit customer whose credit experience with the Electric and Water Department becomes unsatisfactory, will be required, at the discretion of the Office Supervisor and/or the Superintendent of the Department, to pay the required deposit to the Electric and Water office and meet the one (1) year satisfactory credit requirement before a refund is granted.

If a customer fails to meet the deposit requirement, a letter will be sent notifying him of his neglect. If there is still no response from the customer, another letter will be forwarded to him stating that his service will be terminated unless he pays the necessary deposit fee.

Adopted by Village Council: January 4, 1977

Notice of Time and Place of Meetings of the Chelsea Planning Commission

NOTICE is hereby given that for the calendar year 1977, the regular Chelsea Planning Commission meetings will be held on the 2nd Tuesday of each month at 7:30 o'clock p.m. in the Council Room on the second floor of the Municipal Building, 104 East Middle Street, Chelsea, Michigan.
Dated: January 11, 1977.

CHELSEA

PLANNING COMMISSION

Louise Ponte, Secretary

ADVERTISEMENT FOR BIDS

1. SEALED BIDS for the furnishing of the necessary materials and construction of

SEWERAGE IMPROVEMENTS SECTION B - TRUNK SANITARY SEWERS FOR THE VILLAGE OF CHELSEA, MICHIGAN

will be received by the Village of Chelsea, Michigan at the office of the Village Clerk in the Village Hall, Chelsea, Michigan until

12:00 O'CLOCK, NOON,
EASTERN STANDARD TIME
THURSDAY, FEBRUARY 10, 1977

and at that time and place will be publicly opened and read aloud.

2. The proposed work consists of the construction of approximately 3,688 lineal feet of sewers ranging from 6-inches to 42-inches in diameter together with manholes and all appurtenances.

3. The contract documents, including plans and specifications, are on file at the office of the Village Clerk in the Village Hall, Chelsea, Michigan and at the office of Finkbeiner, Pettis & Strout, Limited, Consulting Engineers and Planners, 4405 Talmadge Road, Toledo, Ohio 43623. A set may be obtained by depositing \$15.00 with said Consulting Engineers. Checks shall be made payable to the Village of Chelsea, Michigan.

The full amount of the deposit for the first set of documents obtained will be refunded to each bona fide bidder or vendor who returns the complete documents in good condition within 10 days after the opening of bids. The full amount of the deposit will be returned to each non bidder who returns the documents in good condition prior to the bidding date.

Additional copies (in excess of one) of the contract documents may be purchased at \$15.00 per set. No refund will be allowed for the return of said additional copies.

4. All bids shall be signed and submitted on the blanks which are bound in the specifications and shall be secured from the Consulting Engineers. Bid blanks shall not be removed from the specifications. Bids shall state the lump sums or unit prices and item totals on the blanks provided therefor; shall be enclosed in a sealed envelope marked "Bid for Sewerage Improvements, Section B - Trunk Sanitary Sewers," and addressed to said Village Clerk, Chelsea, Michigan.

5. Each bid shall contain the name of every person, firm or corporation interested in the same, and must be accompanied by either a bid bond to the satisfaction of said Village or a certified check on a solvent bank, in the sum of 5% of the amount of the bid, made payable to the Village of Chelsea, Michigan, as a guaranty that if the bid is accepted, a contract will be entered into and its performance properly secured.

6. The Village of Chelsea, Michigan reserves the right to reject any or all bids and to waive any irregularities in bidding.

7. No bidder may withdraw his bid for a period of 60 days after the scheduled closing time for the receipt of bids.

By Order of the Council of the Village of Chelsea, Michigan
Tom Neumeier, Clerk

GIRL SCOUTS

TROOP 247—
At our last meeting, Brownie Troop 247 played two games and had Oreo cookies for a snack. We also sang songs and we plan to go swimming at Beach Middle school.
Beth Paddock, scribe.

TROOP 729—
On Jan. 6, the Brownies of Troop 729 started making aprons which we finished at our Jan. 13 meeting. On Jan. 20, we will have a Crazy Socks Day. We will also be going ice-skating.
Tracy Harook, scribe.

TROOP 82—
Girl Scout Troop 82 studied about Mexico, and sampled some Girl Scout cookies. We also played a game called "Fruit Basket."
Linda Wiedmayer, scribe.

TROOP 145—
This week Brownie Troop 145 went sliding at the Columbo house. We had two visitors who came with us. They were Mrs. Coffman and Mrs. Wolfgang. After sliding, we enjoyed our treats brought by Annette Duhamel. We plan to make macramé next week.
Michelle Kuhl, scribe.

VILLAGE OF CHELSEA Electric & Water Department Discontinuance of Service Policy

Electric bills shall be considered delinquent if full payment is not submitted by the last business day of the month in which they are received and shall be handled in the following manner:

- 1) The 15th day of the month, in which bills become delinquent, a discontinuance notice will be mailed to the customer.
- 2) The customer is allowed five (5) business days to pay the outstanding bill in full.
- 3) If the bill remains unpaid following the allotted five (5) day period, and if there has been no attempt on the part of the customer to contact the Office Supervisor of the Electric and Water Department, an effort will be made by the utility office personnel to reach the customer by phone.
- 4) If no contact is made by phone, the Superintendent of the Electric and Water Department will make a field call to the customer's home.
- 5) If, at the time of the field call, the Superintendent is unable to find anyone at home, he will then leave NOTICE in a conspicuous place notifying the customer of our repeated attempts to reach him.
- 6) The customer will be granted two (2) business days to issue payment in full of the delinquent utility bill.
- 7) If, following the two (2) day period, no effort is made by the said customer to clear his delinquency, a second field call will be made by the Superintendent. At that time, even if no one is at home, the Superintendent will discontinue the electric service. He will also leave another NOTICE in a conspicuous place stating that a shut-off has occurred and also the name, address and phone number of the electric office.
- 8) Following payment of the delinquent bill, in order to reinstate the service, a \$20.00 reconnection fee must be paid to the Electric and Water Department.

The Electric and Water Department will not discontinue service on a day preceding a day in which the office is not open for business.

The electric service may also be disconnected if a new customer fails to pay the required \$50.00 deposit for residential service or the \$100.00 deposit for commercial service. A letter will be sent prior to such discontinuance notifying the customer of his neglect and also as to the date the shut-off will occur.

Adopted by Village Council: January 4, 1977.

What's cooking in Michigan

by Carl B. ... Michigan Dept. of Agriculture

Think everybody talks about the weather but nobody bores anything about it? I'm not going to get rid of the cold through weather modification but with a good Michigan Cheese and Potato Soup that can make you warm from the inside out.

It's from a "midwestern farm recipe" published in "The Mother Earth News Almanac" and is for "one moderately congealed people (or one suffering from an absolutely frightening case of the Cold Rubies)".

Peel and boil two or three medium potatoes. Drain the potatoes when they're done, saving the liquid in which they were boiled. Mash them well, add the water you've saved and add a little more water if necessary. It should have a thick soup consistency.

Now brown 2 1/2 tablespoons of flour in 2 1/2 tablespoons of butter. Stir the flour and butter constantly and it turns golden without burning. Add this mixture to the potatoes and water and stir, boiling for two to three minutes.

At this point, cut a fairly good hunk of Michigan cheddar cheese into small pieces. There should be enough for two big soup bowls one-third full each. Cover the cheese with the thick potato-butter-flour "ambrosia," dice a quarter slice of onion on top of each serving and sprinkle a few drops of vinegar over all.

Break out the soup spoons and crackers and eat it hot!

The recipe is said to be from a midwestern farm. Looking at the cheese, potatoes, onions and vinegar, I swear it's got to be from Michigan. After all, where else would people know how to change the weather from the inside out?

Asks Alert for Vandalism

Officials at Michigan Consolidated Gas Co. are alerting customers to the possibility of vandalism during the current strike of service employees in Washtenaw county.

If you actually observe someone in the act of shutting your gas off, immediately contact your local law enforcement agency and then Michigan Consolidated.

Members of Local 80, Service Employees International Union, AFL-CIO, have been striking Michigan Consolidated since Dec. 21.

Affred R. Glancy, III, vice-president, customer and market services, says that recently the company has experienced a number of instances where customers' gas service has been shut off by vandals. Because of the increase in shut-offs, he urges customers to be alert to suspicious people who may be loitering near the gas shut-off valve.

If you should encounter such individuals, he urges that you make a note of their description and, if possible, their license number for future reference.

Cager of the Week

RANDY SWEENEY (44), now serving his second year on the varsity squad, has been playing basketball since 7th grade. The 6'2½" senior forward comes from a family laced with cagers as all of his four brothers have spent time on the courts. Currently Sweeny's younger brother, Rod, also plays for Chelsea's varsity team as a forward. The familial ties do not overlap into competition, according to Sweeny, who claims he regards his brother "as just another player." "We've been out there together a lot though," the cager added. In his junior varsity year of play, Sweeny was voted Most Valuable Player for his skill in basketball. This year, he has continued to substantiate that recognition as one of Chelsea's leading scorers. While the Bulldogs have failed to win most of their games this season, "because we haven't been concentrating on the floor," Sweeny explained, the team expects a reversal in the trend when they resume play in January. A sample of their capabilities was demonstrated in their recent game with Brighton. Although Chelsea lost by one point "it was a close game and we played better than we have in any game this season," Sweeny said. Chelsea came within reach of the victory following a tremendous rally in the second half. "It was one of those last second jobs," Sweeny reported. In addition to basketball, Sweeny is a member of Chelsea High's track team. He is the son of Mr. and Mrs. Franklin D. Sweeny of Jerusalem Rd.

If you have a store, take just a minute for two questions:

Is your commercial insurance specially rated by zone, to give you a price break because you are not in a big city or urbanized area?

Have you reviewed your coverage and your potential loss exposure with a commercial insurance specialist in the past year?

If "no" or "not sure" on either question, please call me at 475-8065

Ask the Governor...

Question: Governor Milliken, this is the time of year you usually issue your State of the State Message and list priorities for the next year. Before you even tell me your new plans, I want to know whether there will be a tax increase to pay for them?

Governor: I am very pleased to report that the budget I will submit for 1977-78 fulfills my commitment of nearly a year ago for program improvements and meets the objective of providing an adequate level of general fund programs within available resources. I will not be asking for a general income tax increase and will not support such a proposal.

In a few weeks, I will detail my plans for a comprehensive state-wide transportation program. But any new funding sources to help pay for such a plan will be related to transportation users.

The new budget, which is also due soon, will represent the first good opportunity for program improvements in three years. But I remain convinced that any general tax increase would retard Michigan's economic recovery.

Question: How does a senior citizen or a person with a low income find housing when moving into Michigan? I am moving into the state and have no idea how to go about locating senior citizen housing for my parents. Can you give me some direction?

Governor: The State of Michigan's Office of Services to the Aging does not compile a list of available senior citizen and low-income housing. However, some of the area Offices of Services to the Aging may have such a list or could direct you to the proper source for information. Often, the local unit of government, City Housing Authority has a list of senior citizen and low-income housing. These units of government do not, as a rule, maintain a listing of private senior citizen housing. A local realtor could put you in contact with private senior citizen housing. Good luck and welcome to Michigan.

Question: My husband and I are thinking of purchasing life insurance. There seem to be so many different types, companies and kinds, how can we be sure we will get a policy that meets our needs?

Governor: The Insurance Bureau, under the Department of Commerce, publishes a booklet entitled "Consumer Guide to Life Insurance in Michigan." It explains the difference between whole life and term insurance, participating and non-participating policies, double indemnity and waiver of premiums. The booklet offers guidelines on how much and what type of insurance you might need to fit your specific situation. Once you have decided what kind of insurance you should buy and what amount you need, the booklet ranks the policies written by various companies. These rankings should help you determine which company to buy the policy from. I think this booklet will provide most of the information needed before choosing a life insurance company.

You may obtain a free copy by contacting: Insurance Bureau, P. O. Box 30220, Lansing 48909. Phone 373-0220.

Question: I want to take my family on a winter vacation in Michigan. Can you tell me about skiing and snowmobiling in Michigan?

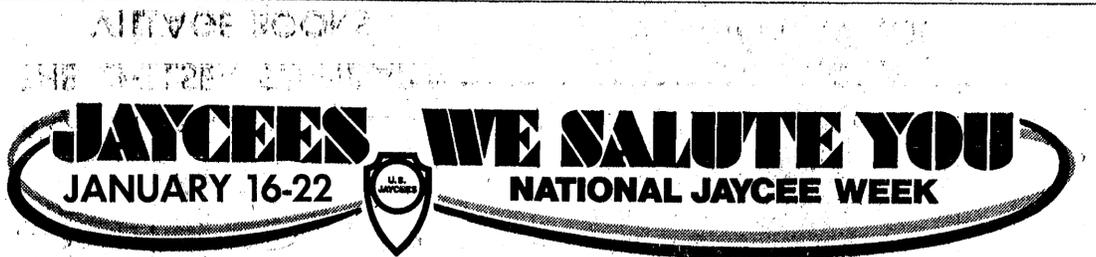

Governor: The Michigan Travel Commission distributes, in co-operation with Michigan's four regional tourist associations, a Michigan Winter Sports Guide. It lists the various ski areas, their facilities, locations, hours of operation and phone numbers. The map is arranged into the four regional areas of Michigan. The guide gives the address and phone number of the regional tourist association, which you can write for further information on lodging facilities and special events in a specific area.

On the other side of the map, snowmobile facilities are described with information concerning the length and type of trails available.

For a copy of the guide contact: Michigan Travel Commission, 300 S. Capitol, Lansing. Phone: (517) 373-1185.

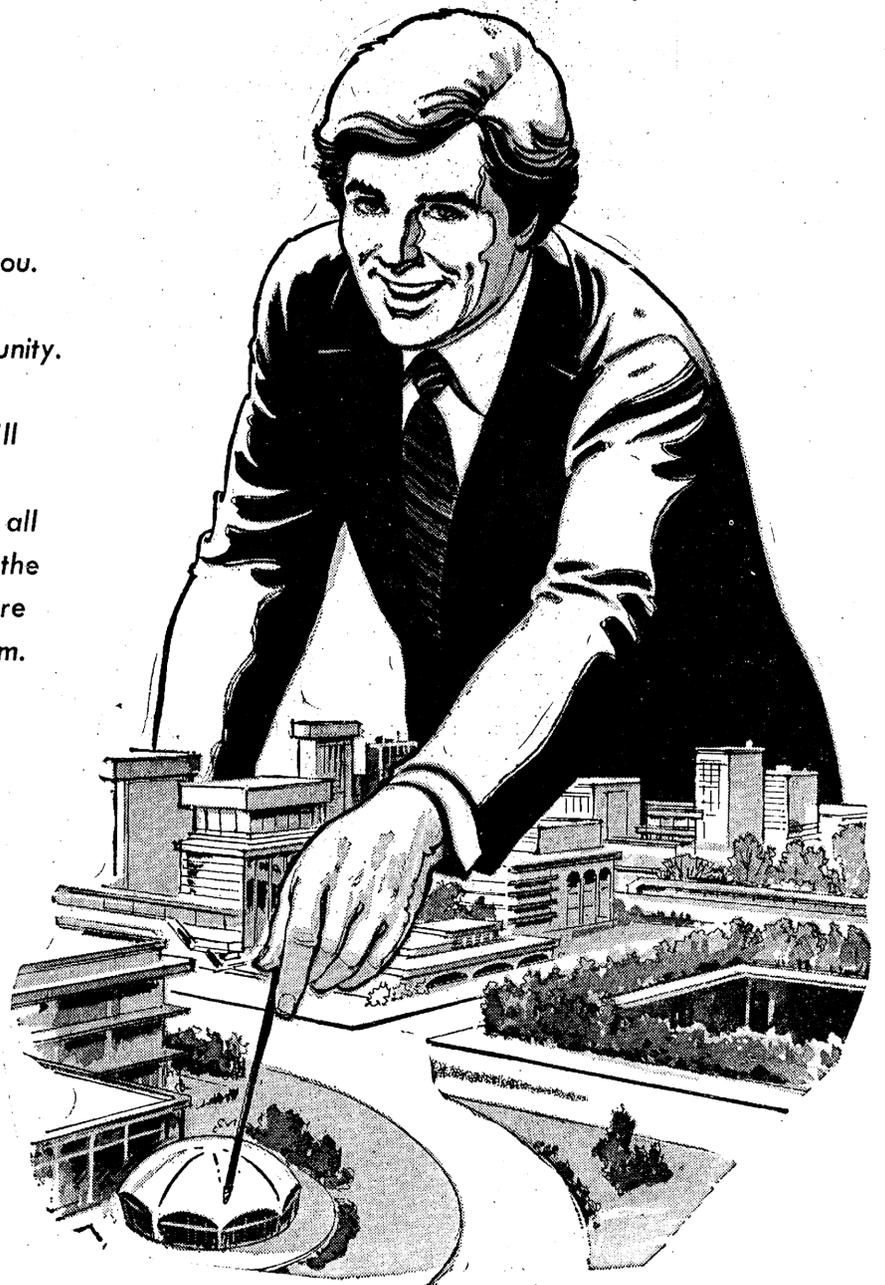

Anytime you need information concerning the snow conditions, you may call toll free: Instate: 800-292-2520; Outstate: 800-248-5456.
