## 7th Grade Band Rated Tops in State Festival

One short week after Chelsea High's Symphony Band earned a Division I rating in the State High School Band Festival, Chelsea's 7th grade band matched that honor with a Division I rating in the State Junior High Band Festival at Plymouth last Saturday.

The musicians scored three 1's in concert performance, and a II in sight reading to receive an over-all top-I rating. Of the 18 Michigan schools represented in the event, only five others joined Chelsea in achieving the Division I rank.

A critique of Chelsea's performance by one festival judge con-

tained the following statement, "A fine ensemble sound and musical approach to playing, which shows fine potential, good instruction and attention to details."

Included in the 7th grade band's repertoire were King's "Custer's Cavalry," a warm-up march; Erickson's "Norwegian Folk Song Suite," required music; and Isaac's "Russian Chorale and Overture."

Of his group's performance, 7th grade band director Steve Bergmann said, "I'm extremely pleased with their accomplishment, and with the progress the 7th graders have made this year. Since the students were all 6th graders last year, this is only their first year as a band."

**MAY FELLOWSHIP DAY:** In the foreground of the assembly of church women attending last Friday's May Fellowship Day at St. Paul United Church of Christ are members of the panel which presided over discussions meant to stimulate community involvement in areas of local concern. May Fellowship Day was held to pinpoint problems in the Chelsea area and to produce solutions to these problems which could be implemented by individuals

throughout the community for the betterment of all. During the course of the program, a special tribute was given to several distinguished church women. From left, panelists are moderator and pastor of Chelsea Baptist church, the Rev. James Stacey; community leader, Sam Johnson; Social Services director, Linda Ormsby; and mental health specialist, Joan Braun.

## 8-Yr.-Old Dies, Victim of Hit, Run Driver

Shauna Lee Williams, 8, was killed Sunday when the bicycle she was riding was struck by a hit and run driver in Sylvan township. The daughter of Mr. and Mrs. J. Marlin Williams, Shauna was a third-grade student at South Elementary school.

According to Washtenaw County Sheriff's reports, the accident occurred at approximately 12:40 p.m. on Sylvan Rd., one mile south of Old US-12. Shauna and her older sister, Marleen, who was riding a mini-bike, behind Shauna, were northbound on Sylvan Rd., when a red 1974 Ford pickup, driven by Thomas Quigley, 54, of 116 W. Summit St., hit the 8-year-old.

SHAUNA LEE WILLIAMS

Shauna's sister summoned help and the girl was taken to Chelsea Community Hospital for emergency treatment. She was then transferred to U-M Hospital, Ann Arbor, where she died at 5:50 p.m.

Quigley was arrested at 10 p.m. by Washtenaw County Sheriff's deputies after an investigation of the accident led them to believe the truck registered in his name was the one which hit the girl. Pieces of a broken headlight found at the scene of the accident matched the broken headlight of the truck when it was investigated, police said.

Credit for the tip which led to Quigley's arrest was given to an off-duty Ann Arbor policeman, Officer Tom Kemp. Kemp and his wife were aware of the accident while returning from church. Kemp spotted a truck in Chelsea which had a damaged right front, took down the truck's license number, and reported it to the sheriff's department.

Quigley was arraigned in 14th

District Court Monday, on charges of failing to stop at the scene of a personal injury accident. Preliminary examination has been set for May 20.

Funeral services for Shauna were held Wednesday, 2:30 p.m. at Church of Jesus Christ of Latter Day Saints, Ann Arbor Ward, with Bishop M. Scott Fischer officiating. Burial followed in Oak Grove Cemetery. Arrangements were by Muehl Funeral Home, Ann Arbor.

## Screw Works, Union Hope for Agreement

"Very quiet" was the way a personnel department employee at Chelsea's Federal Screw Works described the eight-day strike which began at the plant Tuesday, May 3, when some 153 members of UAW Local 437 walked off their jobs. The strike was the first ever to hit the local screw machine parts manufacturing firm.

Although both management and union officials were hesitant to predict when the strike would end, both sides met Wednesday morning in an attempt to iron out issues in the dispute. Following the meeting, Mike Bauer, vice-chairman of the Local 437 bargaining committee, said a new contract offer would be presented to union members this morning.

"We're kind of talking," admitted Vincent Dorer, Federal Screw Works general manager.

Federal Screw Works executive vice-president, Robert Taylor, expanded on that statement. "We attended a meeting this morning (Wednesday) in an attempt to reach an agreement on some of

the issues, and we made some modest adjustments in our contract offer."

"It is our understanding another ratification opportunity will be conducted by the union Friday," he continued. "We hope our employees will take a serious look at the contract and reconsider it carefully. We believe it's a good settlement with good benefits, and too much to be lost if it isn't examined carefully."

Taylor added that union leadership had agreed to recommend the new contract to its membership. He praised union leaders, saying, "all union people were very responsible and did a fine job for their membership." Taylor concluded his statement with an appeal for a speedy settlement "so everyone can get back to normal."

UAW bargaining vice-chairman Bauer confirmed Taylor's acknowledgment of changes in the contract offer, stating "Major changes had been made." However, he refused to specify the issues (Continued on page two)

## Baseball Team Edges Novi, 4-3, Tuesday

Riding the crest of a three game winning streak, Chelsea High's varsity baseball team edged Novi, 4-3, in their second match with the Wildcats this season on Tuesday. That victory raised the Bulldog varsity record to 3-4 in the SEC, and 6-4 overall.

"We're playing better ball overall," said Chelsea Coach Paul Terpstra as he watched Don Nadeau, a leading hitter in the game, collect a double, triple and two RBIs.

Joining Nadeau with good batting performances were Anthony Houle, who slammed a triple and received an RBI; Mike Check, with a hit; and Mike Sweeney, also with a hit.

The Bulldogs scored first in the opening inning to make the

## Ways To Help Others Discussed By May Fellowship Day Panel

A group of more than 60 local residents launched Church Women United May Fellowship Day last Friday with a special tribute to some very distinguished women of Chelsea area churches. Following a panel presentation on how churches and organizations could aid all Chelsea citizens, the panel opened the floor to a discussion of several proposed solutions.

Panel members included the Rev. James Stacey, president of Chelsea Ministerial Fellowship, and minister of Chelsea Baptist church, who acted as moderator for the program. Also on the panel were Joan Braun, psychiatric specialist; Sam Johnson, past president of the Chelsea Kiwanis Club and an active community service leader; and Linda Ormsby, director of Chelsea Social Services.

Each panel member outlined various areas where citizen action would greatly benefit the community. Then, those attending May Fellowship Day voiced their

areas of concern and hopes for a better life for all Chelsea people. With these concerns now public, various church and community organizations are encouraged to direct their support and future service projects toward these areas.

Much of Friday's discussion focused on the desire for Senior Citizens to have a place where they could meet and be active in community projects such as a recycling toy center, a foster grandparent program, and the application of Senior Citizen talents to teach youth skills such as knitting or mechanics.

Another area of concern was providing adequate help for all age groups in the field of mental help. Members of the audience pointed out that educating all age levels of the community on how to cope with depression, anxiety, substance abuse and alcoholism would be extremely helpful.

Getting adequate care and facilities for adolescents and adults with mental health problems was discussed, with the suggestion made to expand Chelsea's current telephone reassurance program.

A proposal to establish a recycling center for glass, aluminum, and tin followed. Response to the proposal was that a recycling center plan had been submitted to the Chelsea Village Council, but action by the council was still pending.

The program ended with many other positive suggestions, including one requesting more citizen involvement in special Christmas projects.

The central theme which emerged from May Fellowship Day was that with the help of church groups residents could find even more ways to help one another.

Anyone interested in further information on Friday's proceedings and results of those proceedings is asked to contact Pat Stirling, 475-1112.

## Sunday Bike-A-Thon Benefits Cancer Fund

If the rush for pledge forms this past week is any indication of the number of riders who will pedal their way through Chelsea's second annual "Ride for Research" cancer bike-a-thon, the event should be a huge success when it gets underway this Sunday.

Co-ordinating the bike-a-thon are Donna Plamer of the American Cancer Society, Chelsea Chapter, and Elmer Kiel of Chrysler Proving Grounds, site of the 25-mile biking trail.

Some 300 pledge forms have been distributed to Mrs. Keith Boylan at Chelsea's 14th District Court; Mrs. Robert Stoffer, 850 N. Main and the Washtenaw County Cancer Society office in Ann Arbor.

"The 100 I had are just about gone," Mrs. Boylan stated Wednesday. "The way the forms have been picked up, I can't help but believe the bike-a-thon will be a great success."

Riders of all ages have responded to the cancer benefit project. "The most enthusiastic have been kids, especially junior high students, which is really a nice reflection on them," Mrs. Boylan added. She said one woman had come in for a pledge form, stating her intention to ride in the bike-a-thon with both her husband and her infant daughter.

In a slight variation from last year, bike-a-thon participants will be able to ride anytime between 12 noon, when the "Ride for Research" begins, and 5 p.m., when it is scheduled to conclude. Age requirements have been altered to allow children under 12

Concert soloists will be Lawrence Van Slambrook, Cora Van Slambrook, Judith McArthur, Warren McArthur and Nancy Van Blaricum. Featured on percussion will be Joseph Chasteen.

Dexter Choir director is Anne Lee, while June Warren directs the Chelsea Chancel Choir. The community is invited to attend both concerts at no charge.

## Senior Citizen Mugged By Youth Free on Bail

A 17-year-old Chelsea youth, who was out of jail on bond awaiting sentencing on three felony charges, was apprehended on a fourth offense Tuesday, when he snatched the purse of a 73-year-old apartment resident of Chelsea

United Methodist Retirement Home.

In police custody is Jeffrey Scripser of 227 Buchanan St. He is accused of grabbing a purse belonging to Mrs. Bernice B. Shannon and knocking her to the ground, while she was walking west on W. Middle St. towards her home shortly before noon.

Mrs. Shannon escaped injury in the incident.

According to police reports, Mrs. Shannon was passing by 523 W. Middle, carrying her purse in her right hand, when Scripser ran up behind her, stole the purse and pushed her down. He then ran north across Middle St. to Hayes St. and disappeared.

A neighbor in the area observed Mrs. Shannon on her hands and knees on the sidewalk, and saw a youth matching Scripser's description running off. The neighbor came to assist Mrs. Shannon, determined what had happened, and summoned Chelsea police.

While officers were responding to the call, local Conservation Officers John Caroffino and John Watson were driving by the scene of the crime and observed Mrs. Shannon getting up off the sidewalk. They, too, offered help to Mrs. Shannon, were advised of the incident, and proceeded to a swampy and brushy area behind Village Garage on North

## Memorial Fund Set for Accident Victim's Family

In a compassionate response to the personal grief now suffered by the family of Shauna Lee Williams, following her tragic death in a bicycle accident last Sunday, friends of the family have organized a Shauna Williams Memorial Fund at Chelsea State Bank.

Because of the family's insufficient insurance coverage, and the costs which they face in providing for their five other children still at home, friends of the family hope to collect a total of \$2,500 to offset funeral expenses for the 8-year-old accident victim.

All Chelsea residents are urged to donate to the fund, in any amount an individual can afford, to reduce the financial consequences of the tragedy which conceivably strikes close to every Chelsea family with small children.

"As you go to the bank to put in your money, put in a little

## Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

The fellows at the country store Saturday night was going about their usual serious business. They were all dressed in their best, and they were all looking at the floor to see if they could find a piece of lint. I was the only one who was looking at the ceiling. I was looking at the ceiling because I was thinking of the United Nations. The thinking of

the two-party colition led by Ed Doolittle and Clem Webster was that all them other countries would be use to seeing Butz walking around with his foot in his mouth, so everybody wouldn't stay nervous over what he might say next.

But there was some debate on what to do with Andrew Young that Ed said seems to be a nice enuff young fellow when he's asleep. Bug Hookum wanted to put Young in the CIA in charge of overthrowing other governments. Bug said if we could sneak Young into Cuba and pass him off as a farmer unhappy with Castro over the price of sugar cane he would have the island voting a straight Democratic ticket inside of six months. Zeke Grubb favored putting Young on the National Labor Relations Board and let him deal with George Meany that understands his sense of humor.

But all these high level debates had to take a back seat to a young woman that come in the store wearing a dress. Josh Clodhopper, that allus does more looking and listening than talking at our sessions, got so excited he pushed himself up from his potter crate with his cane and ask the pritty young thing for the next dance. Josh come to h4s senses sudden, and got all red faced. Ed tried to come to his rescue by telling the girl that Josh didn't mean no harm, it was jest that us fellers weren't use to seeing our kind of girl. This didn't help much until Clem explained that what Ed meant was that we thought all young wimmen these days wore was blue jeans.

"It tuffed out, Mister Editor, that the young woman lived not far from Josh. She had been away at school and he hadn't seen her fer a couple of years. After everybody settled down, she said she was wearing this 'awful thing,' meaning the dress, because she brung her 'regular clothes' home from school and her ma was washing them.

On the subject of wimmen, Zeke had saw where a national telephone call survey was unfair to wimmen by leaving em out. The study showed the average call was four minutes and 40 seconds and Zeke allowed they can tik th short time on the catch up on his reading.

When her husband is trying to catch up on his reading. And the girl in the dress reminded Bug that a study in New York shows that under their clothes girls still are girls and

## MICHIGAN MIRROR

By Warren M. Hoyt, Secretary, Michigan Press Association

**Presidential Primary Fading**  
Michigan's presidential primary, which has cost the state nearly \$4.5 million since 1972, is a step closer to extinction.  
The state House approved ending that election with almost no debate and the Senate, which votes next on the idea, has no savours in sight.  
Lawmakers have objected to the primaries, held in 1972 and 1976 in recent times, for a variety of political reasons in addition to the cost. But it's the cost—nearly \$2.4 million in 1976—that most opponents have pointed to.

It's not certain if the presidential primary actually will be repealed. Any bill to do so would need the signature of Gov. William Milliken, who's remained quiet on the question so far.  
It was with Milliken's push that the primary was resumed in Michigan in 1972 after a long absence.  
Some lawmakers, like Rep. Perry Bullard, D-Ann Arbor, say they'll try to win approval for legislation that would give the

state a presidential primary, but on the same day as the state primary to save money.  
That's when lawmakers' real motives will emerge.

**Prison Sites Selection**  
Gov. William Milliken was to select sites for new state prison facilities Wednesday, April 27, confronted with the spectre of both a burgeoning inmate population and local opposition to nearby prisons.  
Michigan prisons now house 13,000 inmates, nearly 2,000 more than the system was built to hold. Another 1,000 prisoners probably will be put behind bars by the end of the year.

So Milliken aides were thinking about more than one site to expand the system's capacity. These were the four sites given the heaviest consideration:  
—Kincheloe Air Force Base at Sault Ste. Marie, which could hold 400 inmates and restore some jobs to the severely depressed Upper Peninsula area. There's been little public opposition, but inmates' families would likely have to travel long distances to visit them.

—St. Augustine Seminary in Allegan County would provide 400 beds, but thousands of area residents have written to Milliken to protest the idea.  
The former Wayne County Child Development Center near Plymouth also could hold 400 prisoners. Local residents in Plymouth and Northville are upset, however, because the area already has prisons and mental hospitals.

—The J. L. Hudson Co. warehouse in downtown Detroit would take two years of work to become a prison. It was being considered as only a long-range possibility.

Each of the sites, however, needs work. Corrections officials already are looking for smaller sites that could be used for a few months to house inmates while modifications are made to other major sites.  
**Update**  
A federal scientist has been unable to conclude that PBB is causing severe health problems among 19 farm families he interviewed. Dr. Clark Heath of the Center for Disease Control says that the families' health problems—mainly a lack of energy, strength or stamina to do once-routine farm work—are real. But they may be related to health problems that existed before PBB, Health said.

## Mugger Charged...

St. There they were met by Chelsea Patrolman Roger Graves and Sgt. Robert Aello of the Washtenaw County Sheriff's Department.

In a search of the area, the officers observed a youth matching the description of the assailant, walking in a northern direction.

He was apprehended, identified as Scripser, and taken to police headquarters for questioning. At police headquarters, the youth was identified by witnesses. He then advised officers where he had discarded the purse.

The purse was promptly recovered, along with Mrs. Shannon's empty wallet which had contained \$12.07. The money was also later recovered.

A warrant charging larceny from a person was issued for Scripser's arrest by the Washtenaw County Prosecutor's Office. Maximum penalty on the charge is 10 years in jail.

Scripser was arraigned Wednesday in Chelsea's 14th District where bond was set at \$10,000 by District Court Judge Henry D. Arkinson. Scripser is currently in jail awaiting preliminary examination on the latest charge. The examination will be conducted May 23.

Chelsea police stated the co-operation of the assisting officers made possible the speedy arrest of the assailant. "This case is an example of the co-operation that exists between law enforcement agencies in Washtenaw County," they added.

Under negotiation is a new three-year local contract. The union's old contract expired April 30. Members of the local voted 81-54 in favor of the strike May 3, and have been picketing continuously since that time.

Jobs affected by the strike include automatic screw machine operations, grinding, inspection and secondary operations. Federal Screw Works manufactures screw machine parts for the automotive industry, along with piston parts for several smaller business firms.

In a frank statement from management, Taylor revealed, "We didn't anticipate the strike. We felt we had reached agreement with the union bargaining committee early last week, and were therefore surprised by the walk-out."

**FRESH PAINT:** Sue Walton paints her way down the ladder of a slide at the North Elementary school playground, while her daughter, Laura, hugs a pole supporting the slide. The pole had yet to be painted. Mrs. Walton, Bernice Packard, Vivian Michaelson and Berta Stein are co-ordinators of the North school playground clean-up project. The slide was painted last Saturday, the second day in a series of cleaning bees scheduled to last through the summer.

## New Equipment Being Installed At North School Playground

For the past two weeks, on Saturday mornings, beginning 9 a.m., more than 24 parents, North school teachers, and concerned area residents have been busy sprucing up the North school playground.

Along with a general clean-up of the playground area, the group has installed several pieces of innovative playground equipment, made from wood posts and recycled materials, which were designed by a California firm to develop balance and co-ordination in youngsters using the equipment.

Speakeading the playground clean-up committee are Berta Stein, Sue Walton, Bernice Packard and Vivian Michaelson. All are either teachers at North school, or parents of North school children.

"Our first week, we made a very good start, completely finishing four projects," Mrs. Stein, a second-grade teacher at North school, reported. "We had a semi-truck out here and a tractor with a post-hole digger."

Among the projects completed by the group are a tire tree, a tepee-shaped climber, a log roller and a wooden horse.

Several more projects are scheduled to be made and should be completed during upcoming work bees later in the summer.

The playground committee is still seeking more posts and other materials to be used in the construction of the playground equipment. Anyone interested in donating these materials may contact Mrs. Stein, 475-9357.

## Varsity Track Team Swamps South Lyon

Chelsea High school's boys varsity track team won its second league dual meet last Thursday when they streaked past South Lyon, 100½-56½. The victory gave the Bulldogs a 5-2 overall record and a 2-1 in the league.

"South Lyon is very young this year," said Chelsea Coach Bert Kruse. "After several years of good success, they are having their problems this season. We had some good performances in the field events but the longer runs were not too impressive because of the high temperature and humidity."

In leading performances for Chelsea Bob Ball set a new school record in the discus with a toss of 128'4".

He crowned that feat by winning in the shot put.

Another Bulldog, Matt Heydlauff, set a new field record in the pole vault as he soared 13'6". The old CHS record was 12'9".

Double winners in Thursday's meet included Pat Stevenson who won the 440-yd. dash and the 220-yd. dash, and Randy Sweeney, who won both the high jump and 120-yd. high hurdles.

"Even though we won by a large margin, we are still having problems with our sprint relays," Coach Kruse revealed. "Unless we can come up with a winning combination, or cut our times down, we will have some difficulties in upcoming meets."

These include a dual meet today with Dexter, which will be Chelsea's last home meet. It will be run simultaneously with the Chelsea-Dexter girls dual meet.

Then on Saturday the team will travel to Michigan Center to take part in the Cardinal Relays. Joining Chelsea in Section I will be exceptionally strong teams from Holt, Jackson, Lumen Christi, Northville, Mason and Jackson Northwest. Starting time is 1 p.m.

Next Tuesday, May 17, Chelsea travels to Saline for a very important dual meet. The team which loses this meet will drop out of the conference title picture, unless something unusual happens, according to Coach Kruse.

Did you know there is a disease which kills 100 people a day in this country, yet has no symptoms? That disease is high blood pressure, and it can lead to heart attack and stroke. The only way to find out if you have it is to have a blood pressure test. It's a simple test and only takes a minute. **YOUNG AUTHORS:** Last Saturday, the seven young writers from North Elementary school pictured above, attended a Young Authors Conference in Milan where they submitted entries of prose and poetry to a judging panel of school teachers. Then they discussed books with a group of Washtenaw county authors. Along with Chelsea's 3rd, 4th and 5th graders, other students in these age groups also attending the conference were from Milan, Dexter, Whitmore Lake, Lincoln and Manchester schools. In the front row, from left, are Jennifer Lindsay, 3rd grade; Scott Salyer, 3rd grade; Scott Poquette, 5th grade; Brian Ackley, 4th grade; and Andy Martin, 4th grade. In the back row, from left, are Robert Benedict, North school principal; Tom Mull, 5th grade; Davy Walter, 4th grade; and Mrs. Arlene Clark, North school 5th grade teacher. ## Methodists To Honor Church Workers

On May 23, at 6:30 p.m., the congregation of Chelsea's First United Methodist church will salute its 62 hard-working Sunday school teachers and assistants with a pot-luck dinner and program. Chairing the event is Donna Palmer.

The program is entitled "Methodists, We Have A Church and It's Mighty Fine," which sounds mighty serious but should actually prove to be wonderfully light-hearted.

Three popular and talented members of the congregation will make their singing debut. Many others will be singing familiar tunes with unfamiliar words.

In other program happenings, each teacher and assistant will receive a token gift of appreciation as well as a personal "thank you" from all those attending.

Dinner is at 6:30 p.m. with the program to follow at 7:30 p.m., precluding an early finish so children get to bed on time.

## JV Softball Wins Last Six Games

Chelsea's JV softball team raised its record to 6-1 last week after opening day jitters cost the Bulldogs their first game. They lost that game to Brighton, 17-4.

However, since that defeat Chelsea has run off six consecutive victories, defeating Milan, 12-8; Dexter, 24-9; South Lyon, 19-12; Saline, 10-7; Novi, 24-8; and Ann Arbor Forsythe in a scrimmage, 32-22.

Kim Wood and Penny Bortles have brought outstanding talent to the batting line-up. Chelsea's pitching staff, Wood is now 4-0, and Bortles, 2-0.

Has been scoring on the power hitting of Lisa Weber, Cathy French and Jenny Clark, while leading the Bulldog defense are Cindy Bareis, Karen Dresch, Amanda Schwarze and Tammy Collinsworth.

Chelsea JV softball coach is Charles Waller.

## Sentenced for Bombing

Michael A. Seyfried, 18, of Chelsea, who was arrested by Chelsea police for the March 14 bombing of a piano at Chelsea High, was arraigned before Circuit Court Judge Edward D. Deake last week.

Seyfried pled guilty to charges of malicious destruction of property. He was sentenced to pay fines and costs of \$340, to pay restitution costs of \$750, and to two years probation.

## JV Baseball Team Loses Two, Wins One

On Tuesday, May 3, the Chelsea JV baseball team met an undefeated Saline club. The junior Hornets scored five runs in the sixth inning to turn the tide in their favor. Although the Bulldogs scored three in the bottom of the seventh, the final tally left Saline on top, 10-6.

Al Augustine hit a double, a single, and drove in two runs. Also getting hits, all singles, were Dan Gerstler, Gary Dils, Dan Wilson and Matt Feeney.

Thursday, May 5, brought Novi to Chelsea for another league contest. Wildcat pitchers had trouble in the first inning, giving up eight walks and three hits. The first inning score was Chelsea 12, Novi 1. Novi came back to score in the next four innings and tightened the gap within three runs of Chelsea before the Bulldogs met the challenge with their own scoring streak. Final results were Chelsea 21, Novi, 12.

Al Augustine and Gary Dils got three hits each, while Dan Gerstler and John Koepele also banged out singles.

Saturday's game with Jackson Northwest was much closer than the previous game. It took 10 innings, some very fine defensive play, and an error by the Mounties for the Bulldogs to scrape by to a 2-1 victory.

Chelsea was held back to only four hits, singles by Gary Dils, Roger Moore, Al Augustine and Matt Feeney, but made the most of their opportunities. The Bulldogs scored a run in the second inning on a walk and two stolen bases by Al Augustine, and a sacrifice fly by Scott Price.

The winning run was scored in the 10th inning on a single and stolen base by Matt Feeney, and an error by the Mountie shortstop. Bulldog catcher Scott Price put the tag on two runners at home in the ninth inning on an excellent throw by outfielder Roger Moore, and a punt fielded by pitcher Gary Dils.

Tuesday, May 10, Chelsea had a return match with Novi, but the outcome was considerably different from Chelsea's first battle with their opponents. Novi took revenge by winning, 4-2.

All the offense Novi could muster was two hits and four walks, but they all came in the same

## CHS Students High In State Forensics

Doug Foreman, a Chelsea High senior, made his way into the annals of history at Chelsea High last Saturday, when he placed fifth in the humorous reading division of the State Forensics Tournament Finals held at the University of Michigan's Frieze Building, Ann Arbor.

Foreman became the fifth person in all of Chelsea High's history to rank among Michigan's top six finishers in the annual forensics competition.

The talented senior collected that distinction by reading selections from "The Bickersons" and Monty Python's "The Pet Store." Some 70 schools from both the

upper and lower peninsulas of Michigan were represented in the tournament. No separations were made between Class A, B, C and D schools entered in the event.

Also competing in the day-long tournament was CHS senior Julie Prohaska. She finished 14th in the state in the women's oration division.

Expressing pride in the performance of both students was CHS forensics coach William Coelius.

### TAKEOVER NOT AUTOMATIC

When buying an existing home, taking over a mortgage can be practical and profitable. But be cautious. Don't take for granted that assigning the mortgage to another is automatic.

The lender has a stake in who's going to repay him. Many mortgages are written which specifically prohibit this practice without the consent of the mortgage lender. The teeth will be found in an inserted acceleration clause which makes the whole balance due and payable upon sale.

The bank can activate or waive this clause depending on the credit rating of the buyer, maintenance of the property or spread between original and

current interest rates. If the interest spread is great—don't count on a takeover mortgage.

Before you advertise "low int. mort. takeover," and set yourself up for a letdown, why not have us check your mortgage and advise you.

## Visiting Mayor Will Highlight Michigan Week

Chelsea will kick-off its observance of Michigan Week, May 14, with participation in Michigan's 24th annual Mayor Exchange Day, Monday, May 16.

On that day, Chelsea Village President Don Wood, Administrator Fred Weber, Clerk Thomas Neumeier and their respective wives, will journey to Reed City for a day in office, while Reed City Mayor Donald Collison, Councilwoman Pat Ivkovich and their spouses will arrive in Chelsea for a taste of local village politics.

Chelsea's village officials will tour various public facilities in Reed City, and will attend a banquet.

Goal of the experience is to exchange ideas on governing pro-

cedures and become acquainted with other municipal officials outside the local area, according to Chelsea Administrator Weber.

Chelsea Village Council member Diane Borton has organized a similar program to welcome Reed City's public officials to Chelsea. Included on the agenda are a tour of Jiffy Mix in the morning, a luncheon at Chelsea Community Hospital followed by a tour of hospital facilities and the Surgical Building at 1 p.m., and then a tour of Chrysler Proving Grounds in the afternoon.

The day will conclude with a late afternoon reception at the home of Lyle Christwell, another Chelsea Village Council member, and dinner at Gilbert's Steak House, Jackson, which will be attended by all Chelsea Village Department heads.

"In the past, all visiting municipal officers have been genuinely interested in our community," Mrs. Borton said. "Through the exchange, public officials from Chelsea and those visiting our village get acquainted with each other's problems and progress, and promote good relations between the two communities."

"Lots of times we share the same problems," Mrs. Borton continued. "When public officials from Northville came here several years ago, we learned how they had organized an historical district. At the time, Chelsea had also been considering such a project." As a result of the Northville visit, Chelsea received a tree from that city which will be planted in a community park to commemorate the event.

According to 1970 census figures, Reed City has a population of 2,286, as opposed to Chelsea's population of 3,858.

Surprisingly, Reed City is an incorporated city while Chelsea is still officially a village.

Inspiration for Mayor Exchange Day, along with Michigan Week, came in 1953, when leaders of business, industry, education, government and labor got together to dispel an ominous black cloud which was at that time creeping over the financial future of the state.

ANN WILLIAMS, an Eastern Michigan University freshman, applies a final stroke to a garage door mural she painted last week while on Spring Break from the university. The 8'x10' creation features a covered bridge over a placid stream, surrounded by a wealth of greenery. The garage belongs to her parents, Mr. and Mrs. Charles C. Williams of 12190 Jerusalem Rd. According to Ann, neighbors in the area have all had a favorable reaction to the new neighborhood sight. When asked what inspired her to proceed with the mural, Ann replied, "My mom wanted me to

paint the garage, so I decided to paint a picture on the door just to be different." Done in a combination of black, gray and white, the mural took nearly 20 hours to complete, stretched over a period of three or four days, the budding artist explained. Ann is majoring in bio-chemistry at EMU, "because I felt there was too much competition in the art field," she said. Nevertheless, she still made room for an art history class, this semester, and now has more or less made art history of her own. Ann is a 1976 graduate of Chelsea High school.

## School Taxes... A Bargain or Burden?

In an attempt to clarify any misconceptions Chelsea School District voters may have concerning the school millage election, May 16, School Board President Howard Haselschwardt offered the following response to the question "School Taxes, A Bargain or a Burden?"

"During my eight years as a Chelsea School Board member, I have been involved in many difficult and controversial decisions. None have been more so than those dealing with requests for additional millage.

"On election day, voters can think of a multitude of reasons

why they can't support additional millage. One woman told me she voted no 'on millage' because 'school is nothing but a glorified baby-sitting service.' Her comment angered me at first, as I felt it was a cheap shot at a school system that is basically a very good one.

"After getting out my scratch pad and doing a little figuring, I found she was right about one thing. Baby-sitting and school do have something in common, the cost. Hiring a baby-sitter at seventy-five cents an hour to sit with a child for the same number of hours he or she spends in school each year would cost about \$950.

"A district resident whose property is assessed at \$25,000, which is about average for the district, would be paying about \$850 to support the Chelsea Public Schools this year. This includes the 4.4 additional mills currently being requested for operation.

That is less than the cost of a baby-sitter!

"What is this 'baby-sitting money' doing for the children and the community?"

"1. It provides the Chelsea School District with \$10 million worth of school buildings and the funds to maintain and operate them.

"2. It hires 132 trained teachers, seven administrators and 97 supporting personnel.

"3. It supports the basic curriculum of reading, writing, and arithmetic.

"4. It also provides such programs as the sciences, history, government, social studies, language, art, music, physical education, and special education.

"5. It gives students the opportunity to explore many career and vocational areas which may also provide them with saleable skills that will enable them to find their place in the world of work.

"6. It makes possible the extra-curricular activities that add a touch of excitement to the school year for both the students and the community. Sports, debate, band, and musicals are all rewarding experiences that may also develop into lifetime interests.

"7. It provides a home and a meeting place for such community interests as adult education, community recreation, the summer plays, senior citizen groups, Cub Scouts, Brownies, Girl Scouts, Boy Scouts, CHS F.F.A. and others.

"The school programs and facilities provided by tax dollars have the potential of touching not just the lives of its students, but of every member of the district as well. All for the price of a baby-sitter. That's a bargain!"

Howard Haselschwardt, Chelsea School Board President.

## Kindergarten Round-Up Has Fewer Pupils

A crowd of nearly 100 parents participated in Kindergarten Round-Up at North school last Thursday to bring kindergarten registration for the 1977-78 school year to a total of 105 students. At the same time last year, kindergarten registration had reached the 130 mark.

"Unless there are a lot of children who are not yet registered, kindergarten classes will be smaller than usual this year," said North school principal Robert Benedict. "If this year's low enrollment is simply a result of many parents having failed to register their children, I strongly urge the parents to act now."

"We need to know how many kindergartners to expect in the fall because of its effect on classes," Benedict continued. "We must plan immediately for the coming year."

Parents with kindergarten-age children, who were unable to attend Thursday's round-up, should register their children at either North Elementary or South Elementary schools as soon as possible.

To qualify for kindergarten, a child must be five years old by Dec. 1. State law requires parents to present school registrars with a copy of their child's birth certificate from the county clerk's office of the county of their child's birth at the time of registration.

The Veterans Administration has more employees than any of the cabinet-level agencies, except the Defense Department.

In another outstanding performance for the Bulldogs, Tim Blough sprinted through the 75-yd. dash in 8.9 seconds to break the tape for first-place honors.

## Sluggers of the Week

**CHUCK BRODERICK**, a second-year member of Chelsea's varsity baseball squad, started out as a shortstop when he first began to play baseball competitively. After two years in that position, he transferred to third base, where he remains today.

The 5'11", 165-lb. junior enjoys playing in the critical third-base spot because "it's in the thick of action, other players often throw to you, and there's a lot of base stealing in that part of the field."

In general, he plays baseball for its sense of competition, and the opportunity to travel to other schools and play other teams. The Bulldog's most memorable game occurred last Saturday when Chelsea was matched against South Lyon. In the game, Broderick hit two home runs to drive in five runs for his team. "It feels so good knowing you can contribute to the team that way," he said. "I never expected to do it. Last week-end, I just connected."

When asked what he thought Chelsea's chances for a league title were this season, Broderick replied, "I think we can give it a shot, we're bouncing back now after a slow start. We have lots of spirit, good defense, and our offense is coming around quite well."

Summing up his analysis of Chelsea's ability to perform, Broderick concluded, "We have great team unity, people help each other out, and if you have that, everything else comes together."

The right-handed batter and thrower credits playing behind Jimmy Marshall last season as a major source of his excellent baseball experience. "I picked up many good skills from him as well as others on my own," Broderick revealed. Along with baseball, the slugger plays football for Chelsea High. He has four younger sisters, and is the son of Mr. and Mrs. Charles Broderick of 12005 Scio Church Rd.

**PHIL STEINHAEUER**, a baseball player since 7th grade and a first-year member of the varsity squad, has always played left field. Instead of feeling limited by always playing the same position, the 6'0", 210-lb. junior stated, "I like outfield better because I have difficulty handling ground balls—fly balls are more fun to catch."

"Also," he continued, "the teams we play have mostly right-handed hitters who usually hit to left field, so I get a lot of action." Talents which must be developed by a fielder, according to Steinhauer, are he must know how to shade out sun when looking skyward for the ball, and he must have some speed to efficiently cover the territory he is guarding.

Steinhauer's most memorable game was against Novi last year, when he was a member of Chelsea's JV team. "I went 4 for 4 that day," he said, "and drove in our tying run in the sixth inning even though we eventually lost the game." Of the present season, the slugger anticipates a good showing by Chelsea, if not a league title. "I'm optimistic," he revealed, "I think we'll be pretty good. At the beginning of the season I thought we would win the title for sure. Our big hurt was when we lost to Milan. We just had a breakdown that day, but now we should be picking up."

Chelsea's greatest asset at the present time, according to Steinhauer, is the team's good fielding. "But we need a little work on our hitting," he concluded. A right-handed batter and thrower, Steinhauer predicted his batting would ultimately contribute to the team "even though it hasn't shown yet."

In addition to baseball, he also plays football for Chelsea. Steinhauer has three brothers, one sister, and is the son of Mr. and Mrs. Jerry Steinhauer of 1100 Sugar Leaf Lake.

## Junior High Girls Set Four School Records

Chelsea's junior high girls track team wiped out Dexter, 72-42, on the Chelsea track Monday, setting four new school records.

"Along with the fine performances of the record setters, there were many junior high girls who attained their own best times of the season, though they didn't place," said Bulldog Coach Ann Schaffner.

Scoring for Chelsea was Mary Boylan, who again broke her own school record as she tossed the shot 35'5" to win first-place in the event. She also placed third in the 220-yd. dash.

Pris Drew accomplished a similar feat as she again broke her own school record in the mile run with a time of 6:06.3 to place first. She returned to win the long jump with a leap of 13'7 1/2", and anchored Chelsea's winning mile relay team which also included Nancy Heller, Nancy Hastings and Diane Thompson. The relay team set a new school record, finishing the four-lap course in 4:40.2.

A double winner for Chelsea was Chris Johnson who took the 100-yd. dash in 11.9 for a new school record, and won the 75-yd. dash with a time of 9.2 to tie the school record.

In other Bulldog performances, Nancy Hastings won the 880-yd. run, was a member of the winning mile relay team, and placed third in the long jump. Nancy Heller won the 440-yd. run and was a winner of the winning mile relay team.

### Michigan Week ...

(Continued from page seven)

Michigan, that first Michigan Week with its Mayor Exchange Day observance, was such a resounding success, that its originators decided to hold on to a good thing.

Thus was born the Greater Michigan Foundation, a charitable, educational, non-governmental organization whose sole responsibility was to see that no one forgot to observe either occasion.

Since its inception, Michigan Week goals have been to give Michigan citizens a greater knowledge and appreciation of the state in which they live; to expound the state's assets and resources for business, industry education and recreation; to display Michigan's advantages to the world; and to foster a spirit of co-operation among all the communities so that all of Michigan will work together to make the state even better.

## Track Team Second In Lake Orion Relays

Last Saturday, the CHS varsity track team took part in the Lake Orion Relays, finishing second to Troy for the runner-up trophy. The relays were divided into two sections, with 15 Class A schools and 7 Class B schools represented in the meet.

Medal places were given on the basis of the five best performances in each event for all classes. Points were awarded on a sectional basis. In the over-all medal performance, Chelsea's pole vault relay team of Matt Heydlauf, Randy Sweeney and Jeff Sweet placed third, and finished first in the Class B section. They had a combined height of 35'.

Chelsea's high jump team tied for third over-all, and also finished in a tie for first in the Class B section. Members of the high jump relay team were Randy Sweeney, Pat Stevenson and Randy Harris. Their combined height was 17'.

In running events, the Bulldog distance medley team finished fourth over-all and second in Class B. Their time was 11:17.3.

The shot put relay team of Bob Ball, Mark Smyth and Tim Welshans took a fifth over-all and second in Class B with a combined total of 128'8", while the discus team of Ball, Welshans and Bob Ostrander was second in the B section with a combined total of 328'3".

Chelsea's two-mile relay team consisting of Morris Johnson, Phil Frame, Scott Beyer and Dean Thompson finished second in the Class B section with a time of 8:49.7.

In individual results, Rick Haller took a second in the individual mile run with a time of 4:43.5; Matt Fisher took a third in the individual 100-yard dash in 10:17; Phil Frame captured fifth in the two-mile run in 10:47; and a final point was gathered by the 440-yard relay team of Blaine Suliman, Scott Stafford, Pat Stevenson and Matt Fisher. Their time was 47.1.

Class B team totals were Troy, 48; Chelsea, 39½; Lapeer East, 39; Lapeer West, 37½; Oxford, 27; Madison, 26; and Orchard Lake St. Mary, 19.

## Baseball Team Wins Two Out of Three

Chelsea High's varsity baseball team recovered from 6-15 thrashing at the hands of Saline Tuesday, May 3, to demolish Novi, 8-4, the following Thursday, and to edge Jackson Northwest, 3-2, last Saturday. The week's action left Bulldog Coach Paul Terpstra with a 5-4 record over-all.

In the Saline game, the Hornets exploded for seven runs in the first inning, and added two in the second, four in the third, and two in the fourth, to blaze their way to victory.

Chelsea stole the spotlight for only a few brief moments when the Bulldogs collected two hits well and Mike Sweeney. Other positive action for the home team came with the strong relief pitching of Mike Machesky, who recently moved up to the varsity squad from JV ranks. He gave up only one earned run in three innings of work.

On Thursday, the Bulldogs opened the scoring with five runs in the first inning and two in the second, to take a 7-0 lead over the Wildcats. Batting stars for Chelsea were Don Nadeau with three hits and three RBIs; Chuck Broderick with two hits and two RBIs; and Mike Check with two hits.

Altogether, the Bulldogs slammed out 10 hits, including triples by Nadeau and Check.

According to Coach Terpstra, junior John Daniels pitched a strong game, and could have closed with a shut-out, had the Bulldog defense been better in the

seventh inning. Nevertheless, Daniels chalked up his second victory of the season as he tamed the Wildcats by giving up only six hits, six walks, and striking out eight.

Chelsea defeated a tough Jackson Northwest team Saturday as Kurt Owings and Mike Machesky combined talent on the mound for the win. Owings pitched the first three innings and gave up a two-run homer to the Mounties. Machesky then stepped in to pitch the final four innings and earned his first varsity victory.

In Bulldog achievements from the batter's box, junior Don Alfrich drove home two runs in the second inning to tie the score at two runs each for Chelsea and Jackson. Chuck Broderick sent home the winning run in the fifth inning with a sacrifice fly.

Tomorrow, May 13, the Bulldogs will host Brighton for a single game, beginning at 4 p.m., followed by a double header against Ann Arbor St. Thomas, Saturday, on the Chelsea field, beginning at 11 a.m.

## Wayne Dari-Blen Rations...

### "New Concept" Feeds of the 70's

When a Wayne Dari-Blen ration starts working in the rumen, it keeps right on working... hours and hours longer than ordinary dairy feeds with only a single source of protein. Dari-Blen offers multiple-source protein and other key milk-producing ingredients which work together to increase the level of Volatile Fatty Acids in the rumen. This is the "secret" of Dari-Blen... the secret of top milk production.

Many dairymen want to "cash in" on the economy of non-protein nitrogen. If this is you... if you feed a medium level of milking ration, ask us about Wayne 42 Dari-Blen. It's 22 percent natural protein and 20 percent non-protein nitrogen. It's one of Wayne's NEW CONCEPT feeds of the 70's.

## Robards Quits Lima Planning Commission

Jim Robards, Lima Township Zoning Inspector and a member of the six-member Lima Township Planning Commission, resigned from the commission Friday, May 6. His resignation was the second to hit the planning commission in as many months. Another commission member, Donald Bauer, resigned March 31.

In his resignation, which was submitted to Lima Township Supervisor Robert Musolf, Robards cited the possibility of a conflict of interest as the reason for his action.

To become official, the resignation must be approved by the Lima Township Board at their next meeting, June 6.

According to Robards, a question concerning the legality of serving concurrently as zoning inspector and as a member of the planning commission, arose during the last Township Board meeting, May 2.

Upon consulting with township attorney Peter Flintoft, he was

advised there was a question in Flintoft's mind as to whether or not any determination Robards were to make in either official position could stand unchallenged. According to Flintoft, the potential for challenge existed dependent upon interpretation of township law.

"I submitted my resignation not because of an inability to work with any of the commission members or board members, but because by doing so, I would be assured of full authority as zoning inspector," Robards said.

Due to Robards' resignation, Supervisor Musolf cancelled the Lima Township Planning Commission meeting scheduled for May 17, stating that township by-laws required a minimum of five members to be present to appoint a commission chairman and secretary, two positions now vacant. Both positions must be filled before the commission can take action.

## Blood Bank Clinic Nets 82-Pint Total

In their second annual blood drive last Saturday, Chelsea's VFW Post and Auxiliary No. 4078 collected 82 pints of blood. It surpasses last year's count by some 15 pints. Of those who responded to the drive, only 11 were deferred for various medical reasons.

The VFW Post and Auxiliary sponsored the blood drive on behalf of the American Red Cross, and will continue to make the blood drive an annual event in May of each forthcoming year.

Ron Moore, 1977 VFW blood drive chairman stated he hoped future blood drives would be even more successful. Moore emphasized that the VFW project is a drive which benefits the community as a whole, and not any specific group or organization.

Moore continued, "Sponsoring agencies such as the VFW or Jaycees, are merely the workers behind these helpful community projects. As sponsors, they are the ones who bear the expenses and put in all the necessary hours to conduct these drives."

"For instance, in the most recent blood drive, 27 men and women of the Post and Auxiliary donated more than 250 hours of their time to put on the drive. Of these 27 people, 18 donated, or attempted to donate blood."

Also assisting with the VFW blood drive were Chelsea High school seniors. Senior Tammy Lorenz and senior Denis Wirtz helped register blood donors for more than two hours, then registered themselves and donated a pint of their blood. Other seniors who donated blood were Julie Pennington and Gerald Doll.

In Saturday's VFW blood drive, Karl A. Luckhardt of Chelsea received a two-gallon donor pin, and Mrs. Kathryn Sprawka of Gregory received a one-gallon donor pin.

## High School Tutors Join PREP Work

The Parent Readiness Education Project known as (PREP) at Chelsea North school has added a new and exciting dimension to its program this semester. Six seniors, who receive one half credit for the semester are tutoring twice a week in the PREP classroom. They each have been assigned four children with whom they are directly involved. Activities such as helping them to learn and play with others, following directions or just being a "big brother or sister friend" are some of the goals of the program. Reading assignments about child development, parenting, children with special problems are some topics discussed with the students and PREP teachers every other Friday.

When the students are not in PREP they are tutoring in different classrooms throughout Chelsea North school.

Evaluation of the high school students and this program will be conducted at the end of the school year by the school staff.

Seniors participating in the program are Scott Owings, Vicky Downer, Chris Coffman, Sande Lingerfelt, Becky Russell and Michelle Ziegler.

UNITED WAY BUDGET HEARING: Seated in the round at the Chelsea United Way budget hearing Wednesday, May 4, are representatives of Huron Valley Child Guidance Clinic, Joan Gunther and Robert Sloan, with backs to the camera; and the CUV group, clockwise from left, Marj Robbins, Kathy Frisinger, Linda Mayer, Pat Borders, Marge Nusca, Gerry Dresselhouse, Ari Stoll and Louise Ponte.

## United Way Board Receives Budget Requests of 13 Agencies

In eight hours of evening hearings on May 4 and 5, the budget committee of Chelsea United Way listened to activity reports and received budget requests for 1978 from 13 social service agencies.

Members of the Chelsea committee are Marj Robbins, Kathy Frisinger, Linda Mayer, Pat Borders, Connie Schwarm, Marge Nusca, Ari Stoll and Louise Ponte. Also attending the meetings were Gerry Dresselhouse, president of CUV, and Will Connelly, public information chairman.

The thirteen agencies came to the United Way hearings at the UAW Union Hall in Chelsea to make budget requests totalling \$38,335. That amount is down \$3,310 from requests made a year ago and reflects the fact that Chelsea has undergone a series of fund-raising drives during 1977, including the Chelsea Boosters campaign and the capital funds program for the Chelsea Community Hospital.

Agencies, and their representatives, seeking United Way assistance for 1978 at the Wednesday

and Thursday night hearings were Chelsea Recreation Council, Pat Whitesall and Carol Slater; Washtenaw Chapter, Cystic Fibrosis Foundation, Kenneth R. Brock; Huron Valley Child Guidance Clinic, Joan Gunther and Robert Sloan; Boy Scouts, James Holland and Charles Burgess; Child and Family Services of Washtenaw County, Mary Munson; Girl Scouts, Jeanette Gray and Jo Stevens; Chelsea Home Meal Service, Carolee Hoffmeyer and Barbara Branch; American Red Cross, Washtenaw Chapter, B. J. Albrecht and Donald T.

Peake; Chelsea Social Service, Linda Ormsby and Edith Hoffman; Washtenaw Association for Retarded Citizens, Norman Quackenbush; Salvation Army Captain Paul Wilson; Catholic Social Services, Jack Scherzer and John M. Hayes; Chelsea Bands, Steve Bergmann.

The United Way budget committee will meet again this week to review the budget requests of the agencies. The committee's recommendations will then be submitted for approval at the May meeting of the board of directors.

## Orientation-Open House Slated at Beach School

Parents of all fifth graders in the Chelsea School District are expected to gather in the Beach Middle School Cafeteria next Thursday, May 19, 7:30 p.m., for an Orientation-Open House which

will explain the sixth-grade programs available to their youngsters when the students enter Beach school in the fall.

Following the explanation of sixth-grade programs by members of the Beach staff, parents may participate in a question and answer period. At the conclusion of this presentation, parents will be taken on tours of the building to areas where the sixth-grade programs are conducted.

All parents of prospective band students will go to the band room for a special presentation of the band program.

The evening is designed for parents only. Fifth-grade students will experience a similar program during the regular school day later in May.

Any questions regarding the Orientation-Open House may be directed to Alan R. Conklin, Beach Middle school principal.

### Letters to the Editor

Dear Editor,

Because I am a citizen in this fine Chelsea community made up of many various businesses, I often wonder why our school system ventures to do business out of town. The kind of business which I am referring to is that of senior portraits, band and stringed instruments, printing of graduation invitations, and class rings. This business involves our students and their parents in purchasing whatever the school recommends.

Do we not have the option to choose without having problems? I am not able to have the excellent picture of my graduating son in the yearbook because it was taken by a local photographer. The one taken by the out-of-town unprofessional business will be in the book instead. I also encountered a hassle from the school in trying to find out the time on June 10th that the graduation would take place so I could have a local printer print my invitations. My other son's band instrument is also in question, as I paid less for it in Chelsea than I would have under the school's recommendation. I am well aware of what is going on and I think its about time other parents and students also become aware of this. Is this not a democracy?

Our Chelsea businesses are helping to support our schools, yet they recommend that we do our business with out-of-town concerns. This is senseless and ridiculous. There are a number of local businesses that would be happy to work with parents and students, and also give good prices. We have three printing concerns which could very well fill our printing needs, a music store which handles many fine band and stringed instruments, two photographic studios which can do quality senior portraits, and also a jewelry store where we could purchase class rings. All of these businesses can serve us well and even give us better quality at a competitive price. What I like is the personalized service we get here. They really care about us.

Since I have a high school senior and have had one in band, I have seen that what the school recommends is not to our best interest but to theirs. I do not like doing this type of business out of town as it is inconvenient, more expensive, and the quality is not always the best. As long as my needs can be fulfilled in Chelsea, I will not go out of town. I would certainly say that our schools are biting the hands that feed them. To fulfill their own needs, our schools are being selfish with our tax-paying businesses and citizens.

I am not condoning our school system completely and I do plan on voting yes in the millage election as it is badly needed. However, I am merely trying to point out that co-operation and unity is what is really needed in this community. This is certainly the wisest prescription for all concerned.

A Concerned Parent.

To The Editor:

A copy of the April 18 Report of the 1977 Citizen's Advisory Committee for Better Schools has recently been brought to my attention, and I wish to recommend it to anyone who cares at all about Chelsea and her schools.

My work takes me to at least 30 Michigan schools every year, some of which are better than Chelsea—many of which are not. And as a former teacher and administrator in Chelsea, I always compare them to our school system. In all of the good ones I find one or more of the following to be exceptional: Citizen support, Board of Education concern, Administrative skill, Teaching ability, Positive student involvement.

I see the Chelsea schools approaching several important crossroads in their progress, and as residents of the school district it is our right and responsibility to work toward excellence in these things. (The order is not accidental.) The near future has potential for change in all five of these areas, and there is no more time for a "don't confuse me with facts" posture.

Please read the citizen's report, compiled by a committee of taxpayers (The Standard carried notices inviting us all to join in the project) and make up your own mind on the questions to come before us in the next few days, months and years. I did, and I'll be a YES voter—for better schools in all of the areas mentioned above.

Bruce W. Galbraith.

Dear Mr. Editor,

A "Big" hooray! for Vicky L. Meyer. It's about time that the town of Chelsea and the Chelsea Standard was put in its place! An "unhappy" reader!
