Track Team Places Third In Conference

Chelsea High's boys varsity track team closed out the conference season Wednesday, May 25, by finishing third behind Brighton and Saline in an all-league meet at Brighton. Point results were Brighton, 109½; Saline, 74½; Chelsea, 63; Milan, 49; Dexter, 35; Novi, 22; and South Lyon, 17.

Chelsea's third-place finish assured the Bulldogs of an over-all third-place finish in the SEC, and gave the team the dubious distinction of not placing first or second in the league for the first time in 11 years.

As expected, Brighton won by a large margin, according to Chelsea Coach Bert Kruse. "Time and time again, they played two or three men in many of the events underway," he said. "Four new records were established Wednesday to highlight the meet. Among the record setters was Bulldog Matt Heydlauff, who cleared 14' in the pole vault to break the old SEC record of 13' 6".

Other new records were introduced by Novi's Andy Raddent with a 2'11½" leap in the long jump; by Bob Belmore of Milan, who ran a :39.5 in the 330-yd. low hurdles; and by Milan's 440-yd. relay team, which shaved the old record of :45.4 down to :45.0.

"Over-all, Chelsea performed much better in the conference meet than in many of its former meets," Coach Kruse commented. "Many of our athletes recorded their personal bests. In particular, our relay team performed more like we had hoped and projected it would all year."

All three Chelsea relay teams

ran their season best times. These included the 880-yd. relay team of Blaine Suliman, Matt Fisher, Randy Harris and Pat Stevenson, which ran 1:34.9 to finish third and knock more than three seconds off its previous season best; the 440-yd. relay team of Scott Stafford, Pete Huston, Matt Heydlauff and Matt Fisher, which ran :46.0 to better its previous season best by .5 of a second; and the mile relay team of Steve Pennington, Dean Thompson, Jeff Sweet and Pat Stevenson, which ran 3:36.4 to finish third and also better its previous best by more than six seconds.

Another outstanding effort was turned in by Rich Haller, who ran 4:33 in the mile to set a new school record. Although his effort was .8 seconds off the old record, it was good only for third place.

Winners for Chelsea were Bob Ball, who threw 130'2" in the discus to take first; and Randy Sweeney, who won the 120-yd. high hurdles in :16.0. Sweeney was also second in the high jump at 6', and placed sixth in the pole vault at 12'.

In other Bulldog action, Mark Smyth and Bob Ball were second and third in the shot put with tosses of 46'7½" and 45'7", respectively, while Matt Fisher picked up a fourth place in the 220-yd. dash as he sprinted to a :23.8 finish.

Fifth places were gathered in by Steve Pennington, who ran :41.2 in the 330-yd. low hurdles; and Rich Haller, who ran 2:04.8 in the 880-yd. run. In the sixth-

Police Report Quiet Holiday At Local Level

Chelsea police eased their way through a relatively quiet and crime-free nine-day period which began May 23 and ended May 31. No accidents were reported to the local department during the Memorial Day week-end, although 15 other minor complaints were filed with police in the past week, according to Police Chief George Meranuck.

Local police responded to four traffic accidents prior to the Memorial Day week-end. Minor damages were sustained by all vehicles involved, but personal injuries were reported in only one incident, when the driver of one vehicle hit a post adjacent to Central Fibre Products, Chelsea. The driver was treated and released at Chelsea Community Hospital.

Four juvenile runaways were also reported to police in the past week. Of the four, two have returned home. The remaining two are still at large and have previous runaway records, according to Chief Meranuck.

Other miscellaneous/complaints included two arrests on traffic warrants, two violations policed by the Washtenaw County Sheriff's Department, one dog bite report, a report filed for a lost diamond ring and another for a lost wallet.

CHS Building Trades House Ready for Sale

Twenty-six students in Chelsea High school's building trades class and their instructor, Curtis Farley, are nearly ready to schedule an Open House at 4501 Kalmbach Rd. to show off their completed project to the community.

"Now in its finishing stages, this fourth home built by students since the project was first conceived four years ago, is awaiting the installation of floor coverings before the project can be termed complete. Completion has been scheduled for next week.

Construction of the house, which sits on 2.2 acres, began last fall. The 1,600 sq. ft. home contains three bedrooms, two baths, a kitchen, living room, dining room and full basement. It also features a two-car garage. Covering the exterior is texture 3 plywood, or fir.

The house will be appraised by three separate real estate brokers before a decision is made on the final market price. However, estimates now place the value of the house in the area of \$60,000.

MEMORIAL DAY: While Chelsea residents and parade participants stood solemnly at attention upon reaching the monument to soldiers in Oak Grove Cemetery Monday, Mrs. Merle Barr, Sr., left, and Mrs. Walter Bolanowski placed a wreath on the monument in memory of those who died fighting in American and Foreign Wars. This symbolic act was the crowning point of Chelsea's Memorial Day celebration.

CHELSEA EXPLORERS Mike Newcome, left, and Steve Jaskot, right, receive instruction on dispatching patrol units from their advisor, Patrolman Roger Graves of the Chelsea Police Department. The youngsters will graduate from the Southeast Regional Criminal Justice Law Enforcement Explorer Training Academy in Ann Arbor on June 9. The Academy was designed for youths who have exhibited a desire to become professional police officers.

Four Chelsea Youths Completing Law Enforcement Training Course

Four Chelsea High school students will join 50 other Washtenaw area youths at graduation ceremonies of the Southeast Regional Criminal Justice Law Enforcement Explorer Training Academy in Ann Arbor on June 9. The four have been attending the academy since last September.

Designed for youths who have exhibited a desire to become police officers, the academy offers basic instruction on law enforcement as a career. The class of 1977 is the third graduating class since the academy's inception in 1974.

Chelsea Explorer Post is headquartered at the Chelsea Police Department and consists of post president, Steve Jaskot; vice-president, Mike Newcome; Todd Headrick and Robin Quigley. Their advisor is officer Roger Graves, a member of the Chelsea Police Department.

In addition to the Chelsea post, the academy consists of posts sponsored by the Washtenaw County Sheriff's Department, Ann Arbor Police Department, Saline Police Department, Manchester Police Department, and Milan Police Department.

Explorers meet Thursday evenings, three times a month, at the different participating agencies on a rotation basis.

Academy members may complete 54 hours of law enforcement training that is similar to the training police recruits receive. This training is geared down from the 280 hours of mandatory training assigned to prospective Michigan law enforcement officers.

Classes at the academy include criminal law, fire arms safety and marksmanship, criminal investigation, and traffic enforcement, for a total of 10 different law enforcement topics. There is a total of 27 two-hour class sessions, taught by instructors who are all qualified law enforcement personnel, or members of the county prosecutor's office, including Prosecutor William Delhey, and Judge S. J. Elden of the 15th District Court.

Upon graduation, the Explorers receive a one-half high school credit and a Certificate of Training, for their participation in the program.

Along with attending the academy three nights a month, the Chelsea Explorers have been active in the local police department, going out on patrol once a month. The Explorers act as observers, and ride with Officer Graves, who gives them first-hand experience at being a police officer. Graves says it is much easier for the Explorers to comprehend what they learn in the classroom when they can see it being applied in person.

On these same evenings the Explorers help out by checking business doors in the downtown area, making sure that a store owner has not forgotten to lock his doors or close a window. This summer the Explorers will also be spending some time in the Chelsea police station, issuing bike licenses, learning radio dispatching procedures, filing reports, and answering phones.

On an area-wide basis, the Wolverine Council of Explorers has been called upon several times in

recent months to help out in the community. When a scout was lost in the Brighton area last April, the Explorers, including Steve Jaskot, helped in the search for the lost youth. And just this month, area Explorers helped the police with

Baccalaureate Service Slated Next Sunday

The annual Baccalaureate Service for the graduating class of Chelsea High school will be held Sunday evening, June 5, 7 p.m., in the High School Auditorium.

The Rev. James Stacey of Chelsea Baptist church will address the theme, "Challenge for a Changing World", and the Rev.

John Morris of Zion Lutheran church will preside as liturgist. During the program, a combined choir from area churches will sing a hymn arrangement dedicated to the graduates.

All graduates, parents, family, friends, and community members are encouraged to attend in support of the graduating class.

Hospital Fund Pledges Pass \$1 Million Mark

"The 'Care Campaign' for Chelsea Community Hospital has topped the \$1,000,000 mark," reported Jim Daniels, general campaign chairman, "with \$1,007,500."

The final assault on our \$1.2 million objective has begun, as the Campaign enters the final phase of its seven month program to purchase the Surgical Center Building which the hospital currently leases, and to make needed renovations in the hospital's physical plant.

"To all those who have contributed so much in time and money, we are most appreciative. You have established the means which will permit the hospital to make meaningful plans for better

health care services. You have also established a community "first" in securing over one million dollars," said Paul Mann, president of the hospital's Board of Governors.

"Our task is not yet complete," cautioned Daniels, "for we still have to secure \$200,000 to reach our minimum objective of \$1.2 million. There are still many individual and corporate prospects which have not made a decision. We must count on them for their full measure of support, as we have counted on others to take us this far, if we are to reach our minimum objective of \$1.2 million," concluded Daniels.

Girls Track Team Second in Conference

On May 25 at Brighton, Chelsea's high school girls track team scored 62 points to finish second in the SEC Conference Meet and second overall.

"Our seniors came through in the clutch," said Coach Diana L'Roy. "We had to finish ahead of Saline to win second place, and they were 20 points ahead coming out of the field events."

Senior Susan Frisbie finished her career at Chelsea High school with an outstanding performance. "I believe she is the only athlete this year to win three first-place medals," Coach L'Roy added. Frisbie won the 100 (:11.9) and set a new SEC record in the 220 with a winning time of :26.6. She capped those efforts by running a tremendous anchor leg to secure a victory for Chelsea in the 880 relay.

Senior Colleen Collins also had an outstanding night according to Coach L'Roy. Collins took second in the 220, timed in :26.9, which tied Chelsea's old school record and clinched second place for the Bulldogs. "Her lead-off leg in the 880 relay gave us the lead from the start which was a

key to the win," Coach L'Roy stated. Collins also led off the 440 relay which finished third.

"Senior Annette Gaken has to be the Cinderella story of the meet," the coach continued. "Up to three weeks ago Annette's best time was :17.1 in the hurdles but since then she has broken the school record of :16.5 three times, won first in the regional to qualify for state, and won first in the conference with a new school record of :15.8." Gaken also placed fifth in the discus and ran a leg on the 440 relay.

Senior Kathy Treado took sixth in the high jump and ran a leg on the 440 relay team.

In other fine performances, junior Shelley Warren broke the old SEC 880 record to finish first with a time of 2:25.0, also a new school record. She will be running in the state meet on Saturday.

Warren followed that success by winning a tremendous leg on the mile relay team. "We were in fourth place when she received the baton; she moved

Baseball Team Stops Saline in Final Game

Chelsea's varsity baseball squad limaxed its regular season by upending the Saline Hornets, 5-4, last Thursday. The Bulldog victory denied Saline a share of the league championship as the decision sent the SEC title to Dexter.

Chelsea opened the scoring by collecting one run in the first inning, two in the second, and one in the fourth for a commanding 4-0 lead.

The runs were scored as Mike Heck walked to first base in the first inning, stole second, and then scored on a single by Jeff Powell.

In the second inning, the Bulldogs used two hits by Chuck Frederick and Steve Check and capitalized on three Hornet errors to score two more runs.

As the bottom of the fourth inning got underway, Don Aldrich reached second on an error and scored on a single by Powell.

Saline rallied with four runs in the sixth inning with five hits, one walk and one error.

The 4-4 deadlock remained until the bottom of the seventh when Mike Check led off with a walk. Then Powell came to bat and laid down a perfect sacrifice bunt to push Check to second. Anthony Houle stepped in to work the Hornet pitcher for a walk, and the Bulldog strategy was complete when senior catcher Don Nadeau slashed a single to left field to score Check with the winning run.

Sophomore Mike Machesky came in on relief of starting pitcher John Daniels in the sixth inning. Machesky retired the four men he faced to record his third win against one loss on the pitcher's mound.

Thursday's upset victory gave Chelsea a 10-9 season record and 4-8 in SEC competition.

MEMORIAL DAY SPEAKER: Before a backdrop of American flags, Lt. Col. Ralph Cowan, retired, U.S. Army infantry officer and veteran of World War II, the Korean War, and the Vietnam entanglement, delivers a few inspiring words which reflect upon the contributions made by those who gave up their lives fighting for their country. Lt. Col. Cowan was the keynote speaker for Chelsea's Memorial Day celebration Monday which culminated on the grounds of Oak Grove Cemetery.

COLOR GUARDS of Chelsea's American Legion and Veterans of Foreign Wars are followed by a firing squad and Chelsea's war veterans as they lead off Monday's Memorial Day Parade. The parade left the municipal parking lot at 10 a.m. for a march to Oak Grove Cemetery where ceremonies honoring deceased war veterans were held.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR: We're having powerful funny weather around the country, Mister Editor. Not ha ha funny, strange funny. Reports of winter's death was greatly exaggerated, for one thing, and there was reports of snowstorms up in the middle of May in places we're supposed to have spring rains. And where we ought to get rain and cool we've had hot and dry. The fellers studied this situation up one side and down the other at the country store Saturday night, and the vote was split on shifting glaciers, China atom bomb test, the Democrat Administration and nature's 20-year plan.

never of knowed it. That feller took the country for a ride, Democrat Clem said, and the money he's making off TV talks and memories he plans to publish just makes the ride rougher. It was Bug Hookum that broke in to say it must be spring 'cause the car racing season was in full swing. Bug said usual he follows baseball this time of year, but with the teams in Canada, and the covered stadiums here that sport don't know no season. As far as he knows, Bug said, they ain't been able to get car racing indoors yet. Actual, cars ain't his sport, Bug said; the only reason he noticed it recent was on account of Liz Taylor. The paper said she was the grand marshal or someone at a 600 miles car race in Charlotte, North Carolina, and it went on to say she was living in Virginia with her fifth or tenth husband and she had took up farming and politicking. Bug said he was glad her interests were turning more in that direction, and away from husbands. Actual, declared Zeke Grubb, car racing is about the best sport a family man can get involved in as a spectator. He said he went to one onct, and he saw whole families behind a barb wire fence in the middle of the circle track. They had come in trucks, campers and ever kind of way the night before and they all stood holding to the wire during the race and looking fer the world like them pictures of displaced persons camps right after the big war. It may not be much fun behind the wire, Zeke said, but fer sure a family that goes to races together stays together cause they can't get out all the cars stop. Fer sure, golf is hazardous to matrimony, Zeke said, with all the "golf widows" around. Zeke reported where singer Buck Owens got hitched recent and tried to call it off after three days cause he was missing his daily golf game. Yours truly, Uncle Lew.

MICHIGAN MIRROR By Warren M. Hoyt, Secretary, Michigan Press Association

Energy Agency Proposed Gov. William Milliken wants the legislature to create a new state Department of Energy that would bring all current energy programs under one umbrella. Milliken's proposal came a day after state energy director Michael Dively announced his resignation and questioned the commitment of Milliken and the legislature to solving Michigan's energy problems. Now, the state's energy policy is set by a variety of agencies in various departments, including the state Public Service Commission that regulates utilities and sets their rates and the Department of Natural Resources that keeps an eye on gas and oil wells. Most legislative leaders agree with Milliken that all the pieces must be brought together, but they're not sure a new department is needed. Besides, the state by law is only allowed 20 departments and 19 already exist. Some lawmakers wonder if the last department should be sacrificed in an attempt to solve an energy crisis which some don't believe exists. Nuclear Dumping Plans Hit Whether or not anyone will listen, Gov. Milliken has told the federal government to look someplace else for a spot to dump nuclear wastes. The governor said in a letter to federal officials that the state would suffer economically if radioactive wastes were dumped here. The U. S. Energy Research and Development Administration (ERDA) is eyeing salt deposits in Alpena, Presque Isle and Montmorency counties as possible burial sites. But what effect Milliken's letter will have is as unclear as the effect his so-called "veto" of Project Seafarer had. In both cases, Milliken was assured of the last word on whether the projects were located in Michigan. Yet the Navy continued with plans for Seafarer, a massive underground grid to communicate with submarines, even after Milliken said he objected. ERDA has said it would decide on nuclear dump sites soon. Laetrile Legalization Sought It's only apricot and peach pits and bitter almonds, but some cancer victims swear by it. It's Laetrile, and they say it's helped them overcome near-fatal cancer cases. Now, as the controversy over the drug's powers rages across the country, a bill has been introduced in Michigan to legalize it as a prescription drug. Legislatures in Alaska, Florida and Indiana already have approved the drug which most medical organizations and the Food and Drug Administration say is ineffective in treating cancer. Sponsor of the Michigan bill is state Sen. Jack Walborn, R-Kalamazoo. He says it should be available to people who want to use it and can afford it. The FDA and cancer organizations, however, say victims might turn to the drug instead of seeking what they call better and more effective treatment. Bilingual List Sought A 1974 state law required many Michigan school districts to provide bilingual education for students not fluent in English. But in September, 1975, no districts offered such a program. Now, Gov. William Milliken is asking the state department of Education for a list of the districts still in violation of the law, and department officials say that could be dozens. This year, 57 of the state's 530 districts have bilingual programs of some sort. But another 217 districts report high populations of Spanish, Indian or Asian students. Those districts claim, however, that not enough have trouble with English to warrant bilingual programs. State officials say they plan to check those claims, however. Slave Auction... Described as "a real muscle car" by CHS debate coach William Coelius, a 1969 Mach I Mustang will be among the items to be auctioned off Saturday when the debate club hosts a sale that will benefit both buyers and sellers. The debaters hope to raise enough money to pay for a debate clinic this summer. 24 Years Ago... Thursday, June 4, 1953 - The Rev. P. H. Grabowski, in his Baccalaureate sermon to members of the class of 1953 of Chelsea High, told them that high scholastic achievement and perfect physical fitness are meaningless unless the individual who attains them considers it of equal or greater importance to develop his spiritual life as well. Citizenship awards were made at Monday night's Kiwanis Club meeting to 12 students of Chelsea's Junior and Senior High schools. The awards were presented on behalf of the club by Paul R. Niehaus. The Chelsea Chamber of Commerce announced Chelsea stores will remain open Friday evenings until 9 p.m. for the convenience of patrons. Their decision follows a trend currently being set throughout the county, which allows for longer week-ends for shoppers. An estimated \$20,000 damage resulted when fire of undetermined origin nearly destroyed the Walter Lutz farm home on Scio Church Rd. Tuesday afternoon. Some furniture was saved by volunteers who carried it out of the burning house, but most of the furnishings, as well as the building, are a total loss. 34 Years Ago... Thursday, June 3, 1943 - In answer to the urgent appeal for emergency farm labor, Central Fibre Products Co. has organized an emergency volunteer corps among its workers, subject to call if application is made by farmers through the county agricultural agent. Graduation for 31 Chelsea High seniors will be held June 10 at the high school auditorium. Commencement speaker will be the Rev. Marshall Reed on the topic, "The Sunday of Failure." On Sunday, June 6, the children of St. Mary's school will present their annual program of entertainment. Our Babies will present "The Vitamin Parade," advice as to what foods will give you all your necessary vitamins. Dudley K. Holmes was commissioned an Ensign in the U. S. Naval Reserve, and has been ordered to report for indoctrination and training school at Harvard University, Boston, Mass., on July 5. He is secretary-treasurer of Chelsea Milling Co. Since 1960 more than 3,000 American medical personnel have served with Project HOPE, training over 8,500 physicians, dentists, nurses and allied health personnel. Dr. Paul H. Greek Festival Opens Today in Ann Arbor Postill Trial Starts June 6 in Circuit Court

Echoes of the word "Ya'ssoo" may be heard in downtown Ann Arbor today as the fifth annual Greek Festival gets underway. Baklava, galatouriko, spanakopita and various other Greek delicacies will be available to tempt palates, while Greek folk dances and traditional Greek music will be in plentiful supply to tantalize one's other senses. Sponsored by members of Saint Nicholas Greek Orthodox church, the festival will be held on the church grounds at 414 N. Main St., Ann Arbor June 2-4. Along with the walnut diamond pastries, filled pastries and spinach pie mentioned above, daily luncheons and dinners will contribute to the gastronomic high points of the celebration. Non-Greeks are invited to indulge in teropita (cheese triangles), souvlakia (Greek-style shish-kabob), stefathio (beef and onion stew) or theles (honey curls), to name only a few of the homemade delights that will be available. Greek food will be served daily, 11 a.m. to midnight, and a pastry sale will be conducted daily, 10 a.m. to midnight. Entertainment will be staged nightly, 5 p.m. to 8 p.m. A Grecian boutique, daily prizes, a taverna and a live bouzouki band should keep flagging spirits lively throughout the evening hours. Rain will not slow activities, according to Greek Festival organizers. The entire festival area will be covered with an 80 x 220' weatherproof canopy. A 20' x 20' elevated stage for entertainers will allow an unobstructed view for the audience. Featured events at the festival will include performances by the St. George Hellenic Dance Group from Detroit at 10 p.m. June 3 and 4; and instruction in Greek dance will be given at 7 p.m. June 2 and 3. Greek folk dances will be presented by a group from St. Nicholas church, 5 p.m. to 7 p.m. daily. An admission fee will be charged after 6:30 p.m. each day with children under 12 admitted free when accompanied by an adult. Five chefs will keep the fires burning, and food in plentiful supply this year. The five, Nick Michos, Louis Roumanis, Angelo Mallis, Thano Masters and Emmanuel Koutsogiannis, are all natives of Greece and have had years of Greek cooking experience. In 1976, more than 20,000 people attended the festival which dates back to 1972. Today's celebration began as a bake sale, became a "small" festival in 1972, and has now expanded to what is expected to be the largest festival yet, according to Helen Garris, publicity chairman for the event. Pastor of Saint Nicholas Greek Orthodox church is the Rev. Fr. John Paul. He, along with 1977 Parish Council President Louis J. Chiatlasi, will direct this year's festivities. The trial of former Washtenaw County Sheriff Frederick J. Postill, charged with felonious assault, will begin June 6 in Circuit Court, Ann Arbor. Circuit Judge Patrick J. Conlin denied a motion last Thursday by Postill's attorney to delay the trial. The attorney, Neal Bush, asked for the delay because Postill's primary defense counsel, Laurence C. Burgess, is involved in the trial of the Veterans Administration murder case in Detroit. In denying the motion, Conlin said the trial date had been set a long time ago and that Postill can be represented by an attorney other than Burgess. The charges against Postill stem from an incident involving Postill's Deputy Basil O. Baysinger in which the former sheriff allegedly choked him with a pair of handcuffs at a wedding reception for another deputy at the Chelsea Fairgrounds last summer.

Mr. and Mrs. Robert F. Spink

Arllys Wiseman, Robert F. Spink Wed at Congregational Church

Arllys Elaine Wiseman, daughter of Mr. and Mrs. Glen Wiseman of 1230 Guenther Rd., exchanged marriage vows with Robert F. Spink, son of Dr. and Mrs. Spink of Waterloo, Ont., Canada, May 21, in First Congregational church, Chelsea. The 8 p.m. ceremony was conducted by the Rev. Carl Schwarm before a gathering of 150 guests.

Soloist for the occasion was Mrs. Heidi Kennel on flute. She performed "Wedding Song" ("There is Love"), and "Bless the Beasts and the Children."

As the bride approached the altar, she was wearing the same gown that had been worn by her mother for her wedding 40 years ago. The mid-length imported chiffon dress featured lace insets, deep blue buttons and belt, butterfly sleeves and a flared skirt. Flowers were worn in her hair to complete her attire.

Matron of honor was Mrs. Velma Wheeler of Dexter, sister of the bride. She appeared in a mid-length, deep blue cocktail dress of quana nylon, and also wore flowers in her hair.

Legion Auxiliary Begins Annual Membership Drive

Herbert J. McKune Unit No. 31, American Legion Auxiliary, has launched its annual membership drive, stressing that membership is the most important quality required by the organization to achieve its goals.

"Membership is the foundation upon which the American Legion Auxiliary is built," said Mrs. Ruth Chriswell, spokeswoman for the Auxiliary. "With the start of each new year, we build that foundation even before we plan our many other programs."

Woman's Club Awards Marathon Bridge Prizes

Woman's Club of Chelsea held its Marathon Bridge Pot-Luck May 28, at Inverness Country Club with 48 bridge players in attendance.

Awarded first prize were Audrey Knickerbocker, Lindy Edler, Ruth Cook, and Roberta Barstow. Second-place winners were Char Eisenbeiser, Jean Schmidt, Joan Waller and Sherri Plank.

Prizes were also awarded to Carol Flintoft, Barbara Brown, Janet Fulks and Mary Kay Weber.

Proceeds from the Bridge Marathon will be donated to several Chelsea community projects.

Anyone interested in joining next year's Marathon is directed to call Kay Glazier, 475-8358, or Edith Hoffman, 475-7457.

Personal Notes

Last Thursday, May 26, Mary Clark and co-hostesses Jean French, Cindy Bradley and Marge Coburn entertained guests at a breakfast brunch in honor of Carolyn Brightwell, who will soon be moving to Arkansas. Guests attending the gathering were Henry Warren and her daughter, Tamara; Carla Cherry, Kim Ryan, Shirley Lancaster, Carolyn Schulz, Donna Clark and her daughter, Deanna, and Toby Bradley.

Mr. and Mrs. Donald C. Trinkle

Sheryl L. Cantrell, Donald Trinkle Wed at Dexter Gospel Church

Sheryl Lynn Cantrell, daughter of Mr. and Mrs. George Cantrell of 13910 Trinkle Rd., married Donald Charles Trinkle, son of Mr. and Mrs. Charles W. Trinkle of Dexter on May 14 in Dexter Gospel church. The 7:30 p.m. ceremony was performed by the Rev. John M. O'Dell before a gathering of 350 guests.

While an organist played the "Wedding March," the bride approached the altar wearing a white crepe gown styled with a full skirt trimmed in embroidered lace daisies and seed pearls. Her finger-tip length veil was also trimmed in lace daisies to match the lace of the gown. In her hand, she carried a bouquet of white daisies surrounded by sweetheart roses, baby's breath and ivy.

Serving as maid of honor was Denise Salyer of Ann Arbor. She appeared in a yellow A-line crepe dress trimmed with daisies and styled with a matching three-quarter inch cape. A white woven floppy brimmed hat, accented with a yellow ribbon, completed her attire. She held a bouquet of white daisies, yellow roses and pink miniature carnations.

Bridesmaids for the occasion were Cathy Cantrell of Georgia, sister-in-law of the bride; Faye Bollinger of Gregory; and Julie

Skittenhelm of Chelsea. Their gowns matched that of the maid of honor, but were styled in a shade of turquoise. They carried bouquets of white daisies and pink miniature carnations.

For her daughter's wedding, Mrs. Cantrell appeared in a light blue, A-line, floor-length gown with a matching chiffon coat.

Mrs. Trinkle, mother of the bridegroom, wore a turquoise A-line gown with a matching flower print, floor-length chiffon coat.

Best man was Brian Whitley of Dexter. He was assisted by groomsmen Robert Cantrell of Georgia, brother of the bride; Don Bollinger of Gregory; and Charles Steers of Dexter, while ushers were Rex Miles of Dexter and Darrell Rudd of Stockbridge.

Michael R. Spears of Dexter attended the ceremony as ring-bearer.

Following the wedding, a reception was held at Chelsea Fairgrounds. Cheryl Pidd, sister of the bridegroom, tended to the guest book, as Dell Hepburn and Willie Miles, both aunts of the bride and bridegroom, cut the wedding cake. Serving punch was Lucy Estep, another aunt of the bride.

Episcopal Church Women Plan Coming Events

St. Barnabas Episcopal Church women held their May meeting at the home of Mrs. Jerrold Beaumont on Thursday, May 26. The meeting combined the closing of a garage sale with the regular monthly meeting. Ordinarily, meetings are held on the third Thursday from September through June.

Newly elected officers presided over Thursday's assembly. They are Mable Brown, president; Jané Ramsey, vice-president; Marion Huston, secretary; and Edith MacDougall, treasurer.

Plans were discussed for the upcoming celebration of St. Barnabas Day, the 23rd anniversary of the founding of the Chelsea church. This year the affair will be a two-fold event, celebrating the church's Patron Saint and the burning of papers of indebtedness.

The celebration will begin Saturday, June 11, 8 p.m., in the church basement with a social gathering of many old and new friends. Many old friends who have moved from the Chelsea area will return for the occasion.

On Sunday, June 12, 10 a.m., there will be a celebration of Holy Eucharist followed by a planned pot-luck dinner which will be held outside on the lawn, weather permitting.

Invitation committee chairperson, Marjorie Beaumont, has received many r.s.v.p. notes and will appreciate the prompt return of any that may still be outstanding. This will aid greatly in the planning of the social evening on Saturday, as well as the dinner on Sunday.

The meeting was adjourned and refreshments were served by hostess Mable Brown.

LUTOVSKY-SHILLS: Mr. and Mrs. Ray E. Lutovsky of 414 Dale St., have announced the engagement of their daughter, Teri Patrice, to Douglas Allen Shills, son of Mr. and Mrs. James Shills of Britton. The bride-elect is a 1976 graduate of Chelsea High school, and is studying medical technology at Ferris State College, Big Rapids. Her fiancé is a 1975 graduate of Britton-Macon High school and will be attending Ferris State College in the fall. A wedding date has not been set.

Beach Girls Track Team Nips Brighton

Chelsea's junior high girls track team capped its season with a second consecutive triangular meet championship Tuesday, May 24, when the junior Bulldogs trampled over Brighton Main and Brighton Maltby for the crown. Final results were, Chelsea, 63; Brighton Main, 58; and Brighton Maltby, 24. The victory gave Chelsea a 6-2 final season record.

"The outcome of the meet had depended upon the relay teams and each won, running their best times of the season," said Coach Ann Schaffner.

Chelsea's 880 relay team of Chris Johnson, Beth Bush, Mary Boylan and Lorrie Vandegrift finished in 2:00.6, and the 440 relay team of Shelly Weber, Anita Powell, Kathy Brown and Lisa Cora raced to a :57.5 finish. The Bulldogs mile relay team shaved five seconds off their own school record as Nancy Heller, Nancy Hastings, Diane Thompson and Pris Drew ran a 4:35.6.

Chelsea miler Pris Drew suffered her first upset of the season when she dropped to second-place from her consistent place at the front of the mile line, but she still broke her own record by eight seconds with a time of 5:58.0.

Nancy Heller continued to cur down her time in the 440. Running her best race of the year, she finished in :67.2 to capture first-place. Lorrie Vandegrift added to the momentum with a :29.5 sprint in the 220, her best time in that event.

Beach Track Team Swamps Brighton

Chelsea's junior high boys track team demolished Brighton Main and Brighton Maltby Middle schools Tuesday, May 24, finishing nearly 30 points ahead of Brighton Main, the Bulldogs' closest contender, and a whopping 95 points ahead of Brighton Maltby in the triangular meet. Final results were Chelsea, 100; Brighton Main, 72; and Brighton Maltby, 5.

With the victory, the young Bulldogs closed the season at 5-3 over-all.

"Balance was the key as the junior tracksters produced eight individual winning efforts," said Coach Pat Clarke.

Jon Reimenschneider was selected outstanding 8th grade trackman for the season while Tim Blough took the same honor in the 7th grade. Mark Steinaway was chosen most improved runner on the junior high boys team.

POLICE TRAINING: Explorers Steve Jaskot, partially seated, and Mike Newcome, with his hand on the patrol car door, prepare to go on patrol as observers with the Chelsea Police Department as part of their training program with the Explorer Academy. The Academy sponsors an annual program for youths interested in pursuing a career as a police officer.

CHIEF HALE of the Milan Police Department instructs southeast Michigan Explorers on patrol techniques during one of the Explorer training sessions. Classes are held at the Southeast Regional Criminal Justice Law Enforcement Explorer Academy in Ann Arbor, and are taught by qualified law enforcement personnel, or members of the county prosecutor's office including Washtenaw County Prosecutor William Delhey and Judge S. J. Elden of the 15th District Court.

their traffic problems when St. Joseph Mercy Hospital moved all of their patients to their new facility. The Explorers are always on call to help out where, and when, they are needed.

The Wolverine Council Explorers all wear police-type uniforms, but each post has its own distinct style. Chelsea members wear dark blue shirts and pants with matching police caps. They have patches which signify they are Explorers from the Chelsea Community.

After graduation, the Explorers may remain members of the post, and they may return to the academy next fall if they wish. The academy is unique, because it is

one of only a half dozen in the nation. The oldest and largest was formed about 10 years ago in Los Angeles, Calif. The Wolverine Council Academy is modeled after the Los Angeles academy, but on a much smaller scale.

Academy chairman Leon Case of the Washtenaw County Sheriff's Department, announced recently that County Sheriff Thomas Minick has assigned an old retired police van for use by the Explorers. The van will be repainted, and will carry the logos of the participating agencies. This van will be available for any post in the county that has a need for it.

The Chelsea Law Enforcement Post program is open to any youth who is between the ages of 14 and 21 who has been recommended by his or her school counselor.

Next session of the academy will begin in September, and the council is looking forward to a bigger and better class in 1978.

Manchester Man Escapes Injury As Auto Rolls Over

No enforcement action was taken following an accident in which a Manchester man lost control of his vehicle and rolled over down a five-foot embankment on Dexter-Townhall Rd. early on the morning of Wednesday, May 25, it was reported by the Washtenaw County Sheriff's Dept.

According to a report at the Dexter substation, Thomas Nelson Wood, 9680 Schellenberger, Manchester, was southbound on Dexter-Townhall Rd. at 12:15 a.m. when his automobile failed to negotiate a curve, left the roadway, and tumbled down a five-foot embankment. Although a tree and a fence sustained some damage, Wood emerged from the accident without serious injury.

Post Office Up To Arm Pits in Bathroom Tissue

The wheels of government have been known to turn slowly, but there is the added danger that once they begin to turn, it is sometimes almost impossible to get them to stop.

That's what John Vrable, acting postmaster at the Whitmore Lake post office, learned recently when he ordered two boxes of bathroom tissue through the main post office in Detroit.

According to Vrable, two boxes normally hold 100 rolls of bathroom tissue, enough to keep the small post office supplied for a considerable period. Unfortunately, however, the computer which took the order recorded the number of boxes requested as 20. On Monday, May 23, two semi-trucks pulled up behind the office and unloaded 1,000 rolls of bathroom tissue through the back entrance.

"My employees will never use that much before the building crumbles," laughed Vrable, who has gotten in touch with the Detroit office in an effort to return the surplus. Asked what he is doing in the meantime, the postmaster replied: "I've asked the employees to go to the bathroom as frequently as possible."

Sluggers of the Week

DAVE SCHROTENBOER, a left-handed batter and thrower, joined the varsity baseball ranks for the first time this season. Throughout his baseball career, the 6'3", 180-lb. junior has covered first base. Because of his extensive experience in that position, he was placed at that interim stop on the diamond again this season. As a first baseman, Schrottenboer feels it is important "to stop infield throws that are bad, concentrate, and know what's going on at all times on the other bases." Described by his teammates as "a pretty good first baseman," Schrottenboer's skills came through exceptionally well in Chelsea's second game against Dexter this season. "I played the entire game and didn't let anything get by," the slugger affirmed. According to Schrottenboer, this year's varsity squad generated "good team unity," but the team ran into difficulties when "the pitching didn't always combine with the fielding." However, he predicts the Bulldogs should do well in the districts, which are scheduled to be played this week. In addition to baseball, Schrottenboer plays football and basketball for Chelsea High. He has two brothers, and is the son of Mr. and Mrs. Roger Schrottenboer of 7949 Werkner Rd.

MIKE SWEENEY, a right-handed batter and thrower, also moved up to the varsity baseball squad this season after only three years of baseball experience on Chelsea teams. Although the 6'0", 190-lb. junior began his career as a pitcher his freshman year, he was transferred to shortstop for the duration of the 1977 season. A well-rounded player, Sweeney has also guarded the outfield upon occasion. Sweeney described his new-found role as shortstop "interesting, because you're always in the middle of the action." He added the position "challenges your mind a lot because you must look on every pitch and must know where to go if the ball is hit." "Playing shortstop improves your concentration," the slugger concluded. Sweeney has had a string of successes since he began playing baseball. The first time he started a game as a pitcher was in his JV year when Chelsea was pitted against Manchester. "Up until that time I had been a reliever," he explained. "Then, I was selected to start in that game, and I pitched a two-hitter." Sweeney's most memorable game this season was a Bulldog match with South Lyon. "In the South Lyon game, I hit a home run to put the team ahead; but then we lost the game in the last few innings," he explained. Sweeney predicts Chelsea "has the potential to do really well" in upcoming district play. "We've got good raw talent, we just have to blend it together to act as a team." Sweeney cited "lack of mental preparation" as the team's greatest drawback in the past few months. "We either won or stayed real close when we were mentally prepared for a game," he said. "We could have been league champs had we been more consistent." Sweeney acknowledged he has been getting a lot of playing time this season, and has been watching the seniors on the team play. Consequently, he expects to enlarge his contribution of experience to the team next season. Strictly a baseball man, he has one younger brother, and is the son of Mr. and Mrs. George Sweeney of 138 Owen Ct.

Two Deer Killed Last Week By Autos on Dexter-Pinckney Rd.

Wild deer were the victims in two separate automobile accidents investigated by deputies of the Dexter substation of the Washtenaw County Sheriff's Dept. on Monday and Thursday, May 23 and 26.

Tammy Marie Barber of 403 Pond St., Pinckney, was eastbound on Dexter-Pinckney Rd. at 6:50 a.m. on Monday, May 23 when she struck a deer crossing the road in front of her, killing it instantly.

On Thursday, May 26, another deer was struck and killed at 6:41 a.m. when it crossed the road in front of Robert Michael Randall of Ann Arbor.

METHODIST HOME TEA: Mrs. Adeline Irick, left, president of the Resident Council at Chelsea United Methodist Retirement Home, presents a gold monogrammed pen and pencil set to Mrs. Eleanor Meininger, who has been director of the Ceramics Shop at the Home for the past 6 1/2 years. Mrs. Meininger and her husband will be moving to Wisconsin shortly. Mrs. Meininger will leave behind a wealth of fond memories with residents who have been the beneficiaries of her outstanding devotion and inspiration.

Volunteer Workers Cited At Methodist Home Tea

Their names and faces may not be familiar to the general public. Nevertheless, volunteer workers at Chelsea United Methodist Home are well known and highly valued by all whose lives revolve around the Methodist Home and its activities.

As a token of appreciation to all volunteers for the more than 4,000 work hours they have donated to the Home since last September, Methodist Home staff and residents honored the volunteers during an afternoon tea on Thursday, May 19.

Work contributed by the volunteers includes assisting with monthly weight and blood pressure checks, dispatching the CATS bus, sponsoring coffee hours in nursing quarters, shopping for residents, typing, organizing a notions cart, distributing water and mail in nursing quarters, leading craft, ceramics, exercise, activity and grooming groups, escorting and driving residents to various destinations and friendly visiting throughout the Home.

At the conclusion of Thursday's tea, each volunteer was presented with a red carnation and a personal note of thanks for her special contribution.

An additional presentation of a gold monogrammed pen and pencil set was made by Mrs. Adeline Irick, president of the Methodist Home Resident Council, to Mrs. Eleanor Meininger, who has been director of the Ceramics Shop for the past 6 1/2 years. "Eleanor and her husband are

Washtenaw Lung Assoc. Collects 105 Percent of Goal

Washtenaw county gave \$51,917 to the Michigan Lung Association this year toward the prevention and control of lung diseases. This represents 105 percent of the county goal of \$49,600.

The total includes Christmas Seal contributions plus special event dollars from Lung-a-thons (walk-a-thons, bowling events, etc.) and from other sources such as memorial gifts and bequests, said Fay VanEngelenburg, president of Michigan Lung Association's Huron Valley Regional Board.

"We thank the citizens of Washtenaw county for their concern about lung disease and their confidence in our educational and community service efforts to combat it," she said.

The total for the Huron Valley Region of which Washtenaw County is a part reached the sum of \$121,753.

The new fiscal and program year for the Association began April 1.

Class of '72 Needs Some Addresses

Plans for the Chelsea High Class of 1972 reunion are rapidly coming to a close. The reunion is planned for July 30 at Cascades Club House, Jackson.

Although plans are going smoothly the reunion committee is having trouble locating a few fellow classmates. Anyone having an address for the following people, should call Dana Lukasiuk, 475-9380—Tim VanSlamrouck, Keith Barbour, Thomas Tubert, Dave Buxton, Mark Wright, Sheri McClain, Kathy Murray, Joe O'Neill, Roger Fitch, James Fish, Teri Blacklaw, Rudy Fertlein, Dave Hess, Bob Rutherford, Gene Wonders.

Fair Board News Notes

A special meeting of the Chelsea Community Fair Board was called to order Thursday, May 18, by president L. Grau. Present were president, L. Grau; treasurer, K. Poljan; fair secretary, R. Leach; vice-president, J. Heydlauff; manager, E. Heller; and directors C. Staphis, J. Merkel, III, J. Herrick, R. Poljan, R. McCalla, R. Lesser, Jr., and H. Trinkle.

Others present included R. Georgia, a circus representative; F. Weber, D. Wood, L. Chriswell, representing the Village of Chelsea; M. Sibley, horse show representative; and J. Wellnitz.

Absent were board secretary E. Keezer, P. Merkel, K. Bradbury, H. Gross, R. Haist, J. Klunk, C. Koenn, A. Steinaway and F. Sweeney.

Board members made a decision in regard to expansion of the horse barn. Residents are reminded to watch the fairgrounds for signs of change.

In other business, members toured the fairgrounds to assess the extent of damages wrecked by vandals. Repairs were then scheduled in preparation for the Chelsea Community Fair, Aug. 23-27.

STEVE PENNINGTON flashes a "V" for victory after crossing the 330-yd. low hurdles finish line in :41.2 to set a new school record. Though the effort was good only for fifth place in the SEC Meet May 25, it set a new standard for rising track stars at Chelsea High. In the Conference Meet, Pennington also led off Chelsea's mile relay team which finished the race in 3:36.4 to place third and better its previous best by more than six seconds. WHICH CLOSING COSTS DEDUCTIBLE?

Expenses connected with the sale of real estate over and above the selling price are known as closing costs. Some of these are deductible from your income tax - others are not.

Property taxes are usually pro-rated so that both the buyer and seller each pay the taxes for the portion of the year that each owned the property. Each may deduct this amount - and only this amount - even though one or the other pays the entire amount.

Another deductible item that appears in closing costs, is interest charged to you on the mortgage up to the date of closing. Also deductible as interest is the amount charged as points - provided they are charged as a premium for the loan of the money - not when charged for services.

Non-deductible closing expenses are fire insurance, FHA mortgage insurance, and charges for rent for occupancy before closing.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

Bulldogs Eliminated in Pre-District Contest

Chelsea High's varsity baseball team sealed the lid on any chance for further glory this season when they were eliminated from district competition by Dexter Tuesday, on a 3-2 decision in an eight-inning pre-district game. Results of that game left Chelsea with an even 10-10 record for the season.

Kurt Owings pitched the distance for the Bulldogs and performed well, according to Coach Paul Terpstra. He gave up three runs, seven hits and struck out five before finally accepting the loss.

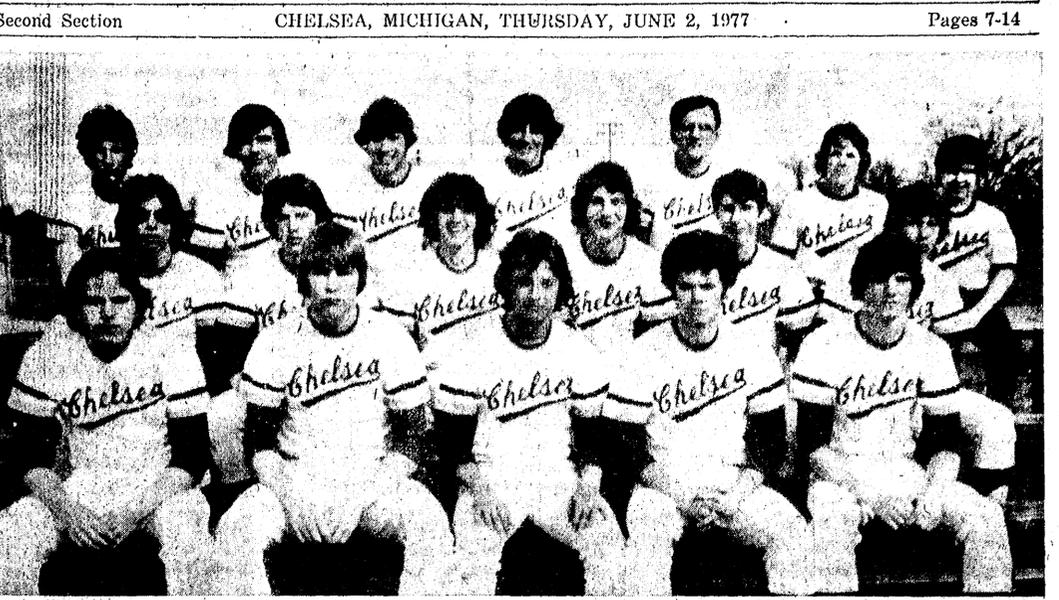

Chelsea countered that Dreadnaught action with two runs, four hits and one error.

Connecting for Chelsea were Mike Check with two hits, Don Morrison with one, and Don Nadeau with a triple. Morrison and Nadeau each received credit for a run batted in.

In the game, Chelsea opened the scoring in the first inning on a single by Check and a triple by Nadeau. The Bulldogs climbed to a 2-0 lead in the third inning on a walk to Don Aldrich, who proceeded to steal second, and then scored on a single by Morrison.

Dexter returned to tie up the game in the third inning. The decision remained in suspension until the eighth when the Dreadnaughts broke the stalemate to score on a triple and an infield grounder.

Selections were made for the all-league team following the game Tuesday evening, but the results were unavailable for today's publication.

VARSITY BASEBALL TEAM: Ending the season on an evenly split 10-10 record, these members of Chelsea High's varsity baseball team had the satisfaction of crushing Saline's hopes for a league title last Thursday when they upset the Hornets with a 5-4 decision. As a result of that game, Dexter was awarded the SEC championship. Though the team suffered a setback through an early season slump, by the end of the year the Bulldogs had managed to create a strong defensive strategy, a tight infield web, and

a quick, but devastating, offensive attack. First row, from left, are Kurt Owings, co-captain Don Nadeau, co-captain Mike Check, Anthony Houle and Don Morrison. Second row, from left, are Steve Check, John Daniels, Don Aldrich, Dave Schrottenboer, Ken Jenkins and Joe Ewald. Third row, from left, are Jeff Powell, Mike Sweeny, Chuck Broderick, Phil Steinhauer, Coach Paul Terpstra, manager Steve Myers and manager Mike Galbraith.

Faculty, Students Plan SOS Campaign

Chelsea High school students and faculty have organized a campaign entitled "Save Our Schools" (SOS) to renew a feeling of pride in the school and its grounds. Carried with the campaign goal is the hope that any new-found pride will continue to grow in the years to come.

A project is planned for this week-end, June 4-5, to launch the campaign. Small groups will work on improvements around the school grounds. Students and teachers will pool their time and talents on work details which will begin at 10 a.m. Saturday and culminate in a picnic in the late afternoon Sunday.

An open air concert is also a suggested possibility toward achievement of the SOS goal. Parents and interested adults in the community are welcome to contribute their special talents. Interested individuals should call the high school at 475-9131 to join in.

Another project already underway is the placement of decorated litter barrels around Chelsea school areas. Art students have volunteered their talents for this project while a private donor furnished the barrels.

The Veterans Administration employs five percent of all physicians in the United States.

Chelsea Man Enters Giant Balloon Rally

A Chelsea man and two Ann Arbor residents will participate in the second annual Wisconsin Dells Great Midwest Balloon Rally June 3-5.

They are David Schaefer of Chelsea, current world champion; Bruce Comstock of Ann Arbor, current U.S. national champion; and Jeff Van Alstine of Ann Arbor, who will attempt a world altitude record later this year.

The three are among some 40 hot-air balloonists from all over the country who will compete in the rally, billed as the largest non-championship balloon event in the U.S. this year.

Entrants will compete for points in the Balloon Federation of America (BFA) national ranking system. Rally points will range from 950 for the top-scorer to about 50 for the low. The 101 top BFA ranking balloonists are eligible to enter the U.S. National Championships to be held in Iowa this August.

Schafer will fly his home-built balloon, "Father William," and Comstock will fly his "Daisy" in the three competition events of the Rally which are scheduled for 7 a.m. and 5 p.m., Saturday, and 7 a.m., Sunday.

A rally attraction, aside from the competitions, will be the exhibition of the 96,000 cubic foot hot-air airship, "Yellowstone," designed and built by Don Cameron, Great Britain's leading balloonist and winner of the 1977 Harmon International Aviation Trophy.

Michigan forests still produce valuable commodities, not the least of which is the attractiveness of woods and waters to urban people of the State and the Nation. The vacation land of the north is not only a "water wonderland" but also a wooded wonderland. Its use for recreational purposes could well have produced more income to the State than did the timber harvest of last century.

CONFERENCE MEDAL WINNERS: Members of both the girls and boys varsity track teams at Chelsea High performed at their peak in the SEC Conference meet at Brighton May 25. Chelsea's male triathletes finished third behind Brighton and Saline, while their female counterparts went a step further to finish the season as runner-ups in the SEC title race. Several Chelsea medal winners stayed through the end of Wednesday's meet and were consequently photographed with their award collections. In the boys' pyramid at left, from the bottom, left to right, are Assistant Coach Bill Bainton, Steve Pennington, Coach Bert Kruse, Rich Haller, Bob Ball, Jeff Sweet, Mark Smyth, Pat Stevenson, Dean Thompson and Blaine Sullivan. In the girls' pyramid at right, from the bottom, left to right, are Debbie Honbaum, Angie Merkel, Carolyn Schardein, Penny Collinsworth, Sue Frisbie, Shelly Warren and Kathy Treado.

Waterloo Plans Memorial Day Service for June 5

Although the parades and picnics which characterize Memorial Day celebrations throughout the nation are now only memories for most, Waterloo Village will conduct its 85th Memorial Day observance this Sunday, June 5, 2 p.m. at Waterloo Village United Methodist church.

Dr. Donald L. Katz of Ann Arbor will be keynote speaker for the occasion, and will deliver an address entitled, "Our Heritage from Early Settlers." The Burgess family of Holt will provide special music for the program.

Following activities at the church, the Dexter Post of the American Legion will hold a memorial service at Mt. Hope Cemetery.

There are more than 3.2 million veterans receiving monthly compensation or pension checks from the Veterans Administration.

Ask Project COPE

Question: Recently a friend of mine gave birth to a child who has a cleft palate. Even though their pediatrician is helping them with the medical aspects of the problem, they are feeling pretty overwhelmed right now. What can you tell me about this disorder? Is there a place that they could go to get more help?

Answer: Cleft palate, a split or opening in the roof of the mouth, and cleft lip, the failure of two sides of the upper lip to grow together properly before birth, are sometimes found together in the same baby, although both of these conditions can occur separately. Approximately one baby in every 100, or more than 250,000 people in this country, are born with cleft defects. More boys than girls are affected.

The baby with a cleft lip and/or palate urgently needs many kinds of specialized care and treatment. Many hospitals have established specialized clinics to deal with this problem. The University of Michigan Cleft Palate Center, located at University Hospital, is one such place. There the necessary skills of pediatrician, oral surgeon, plastic surgeon, anesthesiologist, audiologist, orthodontist, otolaryngologist, and speech therapist can be coordinated to provide appropriate treatment at the best time in the child's development.

The most immediate problem that must be faced soon after birth is how to feed the baby, since clefts hinder normal sucking; also the child cannot close off the mouth from the nose, as occurs in normal swallowing so that the milk often runs out of the infant's nose.

When an infant is only a few days old, a prosthetic device to fit over the hole in the palate can sometimes be inserted to provide an adequate roof for the mouth and prevent further distortion of the mouth by the rapid growth that will take place before surgery can be completed.

At 3-6 weeks of age, lip closure operations are usually performed. Immediately a child's appearance improves. Closure of the cleft palate generally occurs between 12 and 24 months of age.

Hearing problems are frequent in children with cleft problems; therefore infants should have a thorough ear examination at 4-6 weeks of age and monthly thereafter. Speech and language skills often lag; therefore, many children need speech therapy after surgery before they can produce intelligible speech. Orthodontic problems are prevalent; most children will need their teeth straightened. Dentures are often needed, too.

The Ann Arbor Cleft Palate Association is a new group of parents of cleft palate children. Purpose of the organization is to provide

Region V for Chelsea, Manchester, and Whitmore Lake School Districts.

Information and support. It is recognized by the University of Michigan Cleft Palate Center but it is an autonomous group. The organization may be reached by contacting Melissa Thun (669-6068), Judy Stead (973-8867) or Nancy Erickson (475-9086).

(Project COPE is a federally funded program which is being operated during the current school year by Special Education

its aim is to inform the community about the special problems and needs of pre-school children. Those who have questions, concerns, or who wish to refer a child for diagnostic services can contact Ellen Eagan, Project COPE Co-ordinator at 475-9131, ext. 50 or Dr. DeYoung at ext. 48.)

TODAY'S THOUGHT

"America, America, God shed His grace on thee - and crown thy good with brotherhood, from sea to shining sea" . . . The words are beautiful . . . We continually proclaim the goodness of brotherhood in song and speech, but in national analysis, can it truthfully be said we practice it? . . . Even the most compassionate optimist would have to say "No" to the question . . .

Cain's cynical question, "Am I my brother's keeper?" is reflected daily in today's life style. Self interest comes first. Rivalry is rampant. Crime, hate and despair are seen in too many segments of our society. Man made laws to create brotherhood have proved to be useless no matter what decisions our Supreme Court dictates. Man made laws can not and never will generate brotherhood . . . Is it not obvious that brotherhood can only come about when men replace hate with love; replace doubt with faith; . . . and show respect instead of disrespect for a fellow man? . . .

What's Cooking In Michigan

During June, remember the lowly cow (no pun intended), standing in Michigan fields contentedly chewing her cud. Could she, perhaps, be aware that it's National Dairy Month?

Cows and I have never had a conversation. I did moo at a few and they came to the fence to see who that strange creature was speaking with such a terrible accent. But there was no real dialogue.

They couldn't tell me how nutritious their product was: how full of high quality protein, calcium, phosphorus, thiamin and niacin. One thing they didn't have to tell me, though, was how important milk is to Michigan's agriculture. Latest figures show Michigan cows produced almost 4.5 billion pounds of milk in 1975 valued at over \$376 million. Friends, that is a lot of milk from 420,000 cows. In fact, it averaged out at 10,557 pounds per cow.

Those cows have certainly done their share. Now it's time for you to do yours. Use dairy products.

One way my wife and I use dairy products is in making what we call "Our Favorite Coffee Cake." It's a Sunday morning treat.

Mix together two cups of brown sugar and two cups flour. Cut in 1/2 cup butter (here's another dairy product) until the mixture is like fine crumbs. Then stir in 1/2 cup chopped walnuts and spread half of this in the bottom of a 9 inch square pan.

Now mix one beaten egg, one cup sour cream (dairy, right?) one teaspoon soda and 1/2 teaspoon nutmeg. Stir in the remainder of the crumb mixture and pour this into the pan. Sprinkle all with cinnamon and bake at 350 degrees for 40 minutes. It can be served warm or cold but I prefer it warm.

Cut into squares, it makes eight servings. This is just about right for the two of us.

The Veterans Administration has more employees than any of the cabinet-level agencies, except the Defense Department.

Barn Dance Tickets Are Still Available

"Swing your partner and promenade!"

Soon hundreds will answer that call as the fourth annual Old-Fashioned Barn Dance gets underway at the Charles Trinkle Farm, 9631 Trinkle Rd.

As in the past, Luke Schaible and his band will provide the music for the hand-clapping and foot-stamping event to be held June 18, 9 p.m. to 2 a.m.

The barn dance traditionally draws a crowd from both local and nearby areas. All proceeds from the event will be divided between Special Education in the Dexter and Chelsea schools and High Point.

Wear your Bicentennial costumes or come as you are—and plan to enjoy yourselves as you meet all your friends and neighbors.

Refreshments and set-ups will be available for those who wish to purchase them; and the Dexter Kiwanis Sausage Wagon will be on the grounds, full of good German sausage.

Sponsored by the Lima Liberty Belles and the Lima Brushka-teers, the annual dance is always a sell-out, so plan to get your tickets early. Tickets are available at High Point or Magic Mirror on Jackson Rd., in the Ann Arbor area; at McLeod's Drug Store, Bouillion's, and Doletzky's Barber Shop in the Dexter area; at Heydlauff's, Vogel's, Pump & Pantry and Ralph McCalla Feeds in the Chelsea area; at Howlett's

Manchester Area Youth Enters Air Force on Delayed Enlistment

Robert Griffith, 21, 17999 Washburn, Grass Lake, has entered the U. S. Air Force's Delayed Enlistment Program (DEP).

According to Master Sergeant Ralph Shufeldt, the Air Force recruiter in Ann Arbor, Griffith's entry into the DEP serves two purposes. First, it allows the Air Force to schedule an opening for him to attend basic training and be assigned to a job or skill area. Second, the DEP enables Griffith, a 1973 graduate of Manchester High school, Manchester, to wrap up his personal affairs before leaving home.

Griffith will enter the Regular Air Force on June 14. Following graduation from the six-week basic training course at Lackland Air Force Base, Tex., he will receive technical training in the general aptitude area and be assigned to an Air Force duty station.

Project HOPE was the first U.S. health organization to initiate a formal education program in Egypt. Since February 1975, HOPE and the Government of Egypt have been conducting a five-year medical teaching and training program.

BOARD OF COMMISSIONERS
Wednesday, May 4, 1977
Record of Proceedings
EVENING SESSION

An adjourned session of the Washtenaw County Board of Commissioners was held at the Court House in the City of Ann Arbor, Michigan, on Wednesday, May 4, 1977.

The meeting was called to order by Chair Kuebler at 7:01 p.m. The Board stood in a moment of silence.

Roll call found Commissioners McClary and Nielsen absent. Comm. Ellis supported by Comm. Taylor moved that the minutes of the April 20th and 27th meetings of the Board of Commissioners, be approved. Carried.

Special Order of Business: William G. Bonnewell, Property Manager, Southeast Region, State of Michigan, Department of Management and Budget spoke to the Board. The Department of Social Services do have quarters. Social Services received a letter from Thomas Fegan requesting that they move from the NSF Building by June 1st. They do have one problem and Mr. Bonnewell is here tonight to request that possibly the Board of Commissioners could work along with him. The building they have secured has a rental agreement written and signed and in the hands of the contractor to construct 7,000 square feet immediately and give them possession to that as quickly as he possibly can. He says that the earliest that he would possibly give us would be August 1st. Therefore it's two months after the date you have requested that we move. Following this rental agreement we do have a lease for the total building which will supersede the rental agreement as soon as it's completed and through the process of the Building Committee and the Administering Board. I guarantee that August 1st we will be out of your building and in the new building. Would say about October 1st we should be totally moved out including the Wedemeyer Building.

Chair Kuebler stated that evidently we'll have to go along with you until August 1st. Elmore Fowler from Planning stated that the August 1st date will present some problems for the County moves.

77-0232 Comm. Taylor supported by Comm. Taylor moved that the resolution authorizing the Chair of the Board to sign the Contract entitled Washtenaw County-Huron-Clinton Metropolitan Authority Police Protection Services Contract, be adopted. Roll call vote: YEAS: 12. NAYS: none. ABSENT: 3. Motion carried.

77-0233 Comm. Taylor supported by Comm. Israel moved that the resolution authorizing the Chair of the Board to sign the Contract and Slaters Corporation, a subsidiary of ARA Food Service Company, to provide meals and supplemental food items for children at the Washtenaw County Community Services Agency Day Care Center, be adopted. Roll call vote: YEAS: 13. NAYS: none. ABSENT: 2. Motion carried.

Communications: Comm. Shoultz supported by Comm. Taylor moved that the communications be dealt with as recommended. Carried. Communications are as follows:

Comm. O'Connor stated that Mr. Kostishak has requested some direction on the equalization process for 1978 and since this process will be starting almost immediately, Comm. O'Connor moved that a resolution be prepared for the next meeting indicating that we wish to follow the guidelines set forth by the State Tax Commission. Motion was supported by Comm. Shultz.

Comm. Murray supported by Comm. Israel moved to table this until the appropriate time which would be when we get the guidelines. Motion to table carried with two nay votes recorded.

77-0255 Comm. Murray supported by Comm. Walter moved to congratulate Eastern Michigan University for winning the National Debate Title the second or third year in a row and they had more points than they have ever had in the history of the whole tournament. Motion carried.

Citizen Participation: none.
Comm. Taylor supported by Comm. Merkel moved to adjourn until Wednesday, May 18, 1977 at 7:00 p.m. in Circuit Court Room No. 4. Motion carried.

Meeting adjourned at 8:20 p.m.

DAV INSTALLATION: Kermit Sharp, left, newly installed commander of DAV Chapter 13, shares a joke with Wilmont Schlaff, commander, Department of Michigan Disabled American Veterans, shortly after installation ceremonies at American Legion Post No. 46, Ann Arbor. The ceremonies were held May 18.

Kermit Sharp Installed As DAV Commander

Wednesday evening, May 18, a joint installation of newly elected officers of the Disabled American Veterans, Chapter 13 and Ladies Auxiliary, Washtenaw county, was held at Ann Arbor American Legion Post No. 46.

Installing officer for the Ladies Auxiliary was commander Dorothy Clark, Department of Michigan, Disabled American Veterans Auxiliary. Installed for the 1977-1978 year were commander Charlotte Apple, senior vice-commander Bessie Sharp, junior vice-commander Sandra Rogers; chaplain Virginia Busch; treasurer Marion Knight; and adjutant Margaret Bailey.

Installing officer for the chapter was commander Wilmont Schlaff, Department of Michigan, Disabled American Veterans. Installed for the 1977-1978 year were commander Kermit Sharp, senior vice-commander David Foerster; junior vice-commander Albert Genovese; treasurer Richard Kaisen; chaplain Ed Simon; adjutant Lawrence Hooper; sergeant-at-arms Herbert Busch; and officer of the day William Pierce.

Distinguished guests, along with the installing officers, were Chester Clute, master of ceremonies and Past Department Commander, DAV; Vivian Eisele, past department commander, DAV, and her husband; Herman and Doris Reed, hospital chairman and VAVS representatives, DAV; Arnold Moush, director of the Ann Arbor VA Hospital and his wife; Joseph Zupko, chief, Voluntary Services, Ann Arbor VA Hospital and his wife; E. I. Wood Brown, assistant chief, voluntary services; Harvey Thiede, past national commander, Military Order of the Purple Heart; Jean Thiede, past national president, Military Order of the Purple Heart Auxiliary; commander Bloyd Bary, World War I Barracks 2150, Ann Arbor; president Ruth Otto, VFW Post 423, Auxiliary, Ann Arbor and her husband; commander Byron Smith, Chelsea VFW Post 4076 and president Betty Smith, Chelsea VFW Post 4076 Auxiliary.

After the installation and speeches which followed, a fine dinner was served, prepared by the Ladies Auxiliary of DAV Chapter 13.

Traditional Glass of Water May Disappear

A couple went to a restaurant for lunch, ordered and waited for their glass of water. Then they noticed a placard which said, "We are serving water upon your request only... because we care about your future." The placard went on to explain the new policy was started because "Water conservation starts at home... yours and ours."

At first it was difficult for the couple to accept; it was traditional for the waitress to bring a glass of water. But, as they thought about it, each began to realize that the 200 years of abundance just might be drawing to an end. It was an uncomfortable moment because it represented a threat, a warning of things to come if something isn't done now about conserving the natural resources of our land.

On the back of the placard it was noted that every 8-ounce glass of water served requires another 16 ounces to rinse a and wash it, making a total of three glasses full of water for every glass served. In addition, every 100 racks of glasses through the restaurant's dishwasher equals 13 kilowatt hours of electricity. It was also pointed out that 13.2 therms of gas or 326 kilowatt hours of electricity is required to raise every 1,000 gallons of water 100 degrees in temperature, to a level necessary for sanitation.

Frightening? You bet! Multiply these figures millions of times and you quickly realize it doesn't take a mathematical wizard to see how much energy is consumed every day in our nation just for a glass of water for each diner. Then consider the expenditures of energy and other resources and the frightening future looms on the horizon.

Unless, of course, the resources are replaced and protected. But, this isn't happening very quickly. Government and industry are moving to protect our fuels, water, environment and the rest, but it takes everyone's participation.

What do you propose to do to assure that the glass of water you request is available? Out in the Pacific Northwest bumper stickers are making the rounds with a message that's appropriate for water conservation—and June Dairy Month—or a nifty time of the year. It reads: "Make a Farmer Happy... Save Water... Drink Milk."

That's not the full answer, of course, but it does make people stop and think that our natural resources can't be taken for granted any longer.

'Tony' Bowen Initiated into MSU Honorary

M. A. "Tony" Bowen of 126 South St., was among 448 new members initiated recently into the Michigan State University chapter of Phi Kappa Phi in East Lansing. Bowen is scheduled to receive his master's degree in business administration from MSU in June.

Phi Kappa Phi is a national honor society which rewards and encourages superior scholarship in all fields of study. Only seniors in the top 10 percent of their class, and juniors in the top five percent, are considered for membership.

A limited number of graduate students and faculty members may also be selected.

Founded at the University of Maine at Orono in 1897, Phi Kappa Phi now has a membership of more than 300,000. The MSU chapter was founded in 1927.

In addition to membership in Phi Kappa Phi, Bowen was also initiated recently into the MSU chapter of Beta Gamma Sigma, an honorary business fraternity.

DANA SERVICE AWARD: In a twist of the familiar, Ron Bollet, left, plant manager of Chelsea's Dana Corporation, receives a Bulova Accutron watch upon completion of 25 years of service with Dana. Bollet, who usually presents the award to co-workers who reach the landmark year of service, accepts a role reversal and his watch from Henry Dehr, vice-president of operations for Dana's Service Parts group.

Wendy Bradbury Graduates at Elmhurst With Highest Honors

Wendy Bradbury, daughter of James and Ardis Bradbury, 58 S. Steinbach Rd., graduated Sunday, May 29 with highest honors from Elmhurst College, Elmhurst, Ill. Wendy is a psychology major.

With the exception of a B earned in a physical education class, Wendy maintained a straight A average throughout her entire four years at Elmhurst.

Wendy will live and work at Elmhurst College this summer. She plans to live in the Chicago area.

Youth Pushes Cycle into Path of Auto

Jeffery Newman Bedolla, 14, of 4410 Dexter-Pinckney Rd., was injured slightly when he pushed his motorcycle into an automobile on Dexter-Pinckney Rd., Thursday, May 26.

According to a report at the Dexter substation of the Washtenaw County Sheriff's Dept., Bedolla was seated upon his 1974 Kawasaki and pushing it along with his feet when he crossed the road, and ran into a car being driven by Robert Alvin Rosenson of Ann Arbor. Bedolla was knocked off the motorcycle and skinned up, but managed to push the vehicle home.

The units will find service in the light truck market in vehicles up to 10,000 lbs. gross vehicle weight. Both overdrive and underdrive ratios are available to provide either fuel economy or load-pulling improvements. The new unit is intended as an aftermarket item and will be available through Spicer distributors nationwide. Pictured above with the new transmission unit are, from left, Glen Weir, assembler; Richard Cook, design engineer; Bob Bray, cost estimator; Junior Baisden, assembler.

David Soule Granted Toastmaster Award

David H. Soule of Bladensburg, Md., and formerly of Madison St., Chelsea, was awarded the honor of "Distinguished Toastmaster" on May 25 by Robert W. Blakeley, DTM, president of Toastmasters International.

The DTM is the highest member recognition of Toastmasters. In announcing the award, President Blakeley noted that in the 50 years of Toastmasters history, less than 550 individuals have received this award.

To receive the DTM, a Toastmaster must have held a leadership position within his club and fulfilled the requirements of holding a district office, must have participated in community activities, and completed the Toastmasters educational programs.

Soule is a member of Federal Club 1037-36 and has served the group as president, administrative and educational vice-presidents, and secretary. He has also served in the capacity of Division Lt. Governor for the 1975-76 term. Soule is employed by the U.S. Department of Transportation as a pupil transportation specialist.

With more than 63,000 members in the United States, Canada and more than 40 countries throughout the world, Toastmasters provides its membership with opportunities to improve communication and leadership abilities, to conduct meetings and to help develop executive leadership potential.

While a resident of Chelsea, Soule was employed by Eastern Michigan University as department chief of the University's driver education and safety program. He is the son of Mr. and Mrs. Byron A. Soule, 268 Shore View Dr.

Completes Navy Recruit Training

Navy Seaman Recruit Kurt J. Cantwell, son of Donn J. Trimble of 7500 Waterloo Rd., Chelsea, has completed recruit training at the Naval Training Center, Great Lakes, Ill.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in his studies were seamanship, close-order drill, Naval history and first aid. He joined the Navy in February 1977.

Impressive Memorial Day Service Held at Methodist Home

Chelsea United Methodist Retirement Home was the scene of a very beautiful and impressive Memorial Day Service, May 30. The occasion was the presentation and raising of a flag that was given to the Home by Mr. and Mrs. Robert Hollowell, residents of the Home, in honor of their late son, Robert C. Hollowell, who died in January, 1977, after having given 22 years of his life in service to his country.

Bob was buried with full military honors and the flag that covered his casket was presented to his widow, Mrs. Linda Hollowell. She, in turn, presented the flag to Bob's father. Because of Bob's great love for older people

and Linda's desire to have her husband's flag fly over Chelsea Home for older people, as he too had wished, Hollowell presented it to the Home at the flag-raising ceremony on the Home grounds.

As the flag was being raised, inch by inch, by Bob's father, widow Linda and sister Ruth assisting, every member of the watching audience felt the sacredness of the occasion.

To close the service all joined in repeating the Pledge of Allegiance to the flag of the United States of America.

Letters to the Editor

Dear Editor:
After hearing the results of the recent millage election and having many mixed emotions I feel I have to express my feelings on the entire situation.

You might say my faith in the human race has been depleted and more important my faith in the people of Chelsea as a CARING community has all but diminished.

During the fund-raising when the millage failed the last time, I was very happy to be a small part of those who worked for many hours and many days to reach their goal successfully. All this was an amazement to me. I had never seen anything like it before, how a community worked so hard together. But now I realize it wasn't the community, it was a few who cared and worked for it.

My family and I moved here last year from Ann Arbor, as many other families have. This was my husband's hometown and he was very proud of it. I was new to the community but I was most anxious to be a part of all the good things I had heard and knew about Chelsea. I was pleased for my children because I felt they were in for a good experience with the Chelsea School District. A smaller community with a good reputation, less competition in extracurricular activities, and most important, a school program that came with good recommendations, not only in general areas but in the area of special education — all of these mean a great deal to me and to my children, but what will happen to all of this now?

Are the better quality teachers going to come here if they can earn more elsewhere? Who is going to keep all the idle teen-agers off the street and find things to keep them occupied? Who is going to protect our schools and other public and private places from vandalism? The students who keep their grades up and work harder so they can participate in sports will need something to give them encouragement — who or what will do that? Do the people of Chelsea think that this can only happen somewhere else like Lincoln and Whitmore Lake but not to us? If they do, I feel there are more dreamers here than realists.

Special Education for the learning disabled and for the educable mentally impaired is required by state law, but what a particular child needs depends on the say-so of the school. If the school feels that its program is sufficient for a child but the child doesn't improve, who is going to fight for what these children deserve and by law have a right to receive?

Quality education and good school programs are not obtained with discount prices and the extra price people would pay is a small drop in the bucket for the goods received. Taxpayers need to be educated on how the millage works and in order to do this they have to care. They have to care enough to read what is printed explaining it. They have to care enough to ask questions, and as far as I can see, not enough people care. I'm deeply disappointed in the number of people who don't care enough to vote yes and I'm equally disappointed in the number of people who SAY they care BUT CAN'T BE BOTHERED to exercise their privilege to go to the polls and vote.

Marge Wilson

To the Editor:
This letter is specifically for the citizens of Chelsea from the students of the high school, the junior high and the elementary school.

Since the millage failed on May 23, there are going to be many changes in the Chelsea area starting this summer. Perhaps you are not aware of all of them so allow me to enumerate: The tennis courts will no longer be opened at night. (Lights are too expensive to maintain.) Thursday and Monday night bingo games also will go. The football games that so many of us enjoy will be cancelled. No basketball games. Not to mention swimming and track meets, baseball and volleyball games. However, the high school students aren't the only ones who will suffer. The junior and elementary school students will also have their extra-curricular activities cut. There will be no summer baseball programs or any other form of sports. Field trips, an adventure that is not only fun but educational will be completely eliminated. Without any of these activities what will the kids do in their spare time?

I plead with you that you allow us to have the same opportunities that you had when you were our age. As it was once said, "The three things that most influence an adolescent's life are the home, the church and the school." And, without any form of recreational activities, school can be pretty dull.

I spoke to many other students before writing this letter and everyone, including those who were not involved in sports, was upset about the millage failure. As one student put it, "We owe it to our school and community to keep up the Chelsea spirit." And so we plead with our parents and the community: Please get out and vote "yes" on June 13. It's your last chance and ours.

Sincerely,
Gayle Albrecht.
