## IPSCO Plant Hit By Strike

After voting for union representation last December, some 102 workers at Industrial Plastic Specialties Co. (IPSCO), 570 Cleveland St., put their new union to a test this week. The workers, all members of UAW Local 985, walked off their jobs at 7 a.m. Monday, after a lingering wage dispute held up what would be the workers' first contract agreement.

Stanley Gomez, manager of the local automotive trim works plant, confirmed Wednesday that economic issues are at the center of the

workers' protest. He added that the strike has "shut us down pretty good," but that management is hoping for a settlement when talks begin in Detroit on Monday, June 20. Striking workers have maintained around the clock picketing since the strike began four days ago. Although the situation remains relatively quiet, Gomez acknowledged that the picket lines "have been a nuisance, blocking traffic and pedestrian walkways."

UAW Local 985 leadership was unavailable for comment.

## State Funding OK'd For Gifted Students

Dr. Henry DeYoung, director of Special Education in Chelsea, announced that Chelsea is one of six school districts in Michigan approved by the state to conduct an educational program for gifted and talented students.

Chelsea's program, along with five others, was chosen from a local special education and elementary staff were active in the development of Chelsea's proposal. The new program will be centered in the two local elementary schools, and includes a provision for a resource room teacher to be used at each school.

The resource room teacher will work with classroom teachers to identify gifted and talented students; to plan for the student's special needs; and to provide materials and assistance in implementing these plans.

The program will initially run for one year, but may be extended for two additional years if sufficient progress and positive effects are realized.

Complete information regarding the program, including its goals and objectives, will be presented to the Chelsea Board of Education and to the community in August.

## Volunteers Forming At Methodist Home

The 1977 Youth Volunteer program at Chelsea's United Methodist Retirement Home is scheduled to get underway shortly, according to the program's new director, Genise Currie.

A round-up and orientation for prospective volunteers between the ages of 12 and 15 has been scheduled for tomorrow, June 17, 5:30 p.m. in the courtyard at the Methodist Home. In addition to a wiener roast, the orientation will include an explanation of this summer's Youth Volunteer program.

This year, a slight increase in youth volunteers at the Home is needed over the number of youngsters involved in last year's program. Some 25 will be required to help plan and carry out monthly birthday parties at the Home; to organize a special July party; to plan a treasure hunt for Methodist Home residents; and to produce an indoor circus or residents.

Prospective youth volunteers must be available from July 20 to Aug. 12. The appeal of the program lies in exercising one's ability to give, according to Miss Currie. "It's rewarding to give love to other people," she said, "and the result is you get a lot of love back."

She also stressed that the youth volunteer program was educational and helped youngsters appreciate.

## Contributions Still Accepted for Memorial Fund

Donations to the Shauna Lee Williams Memorial Fund at Chelsea State Bank have nearly reached the \$200 mark, according to reports received by The Standard office Monday. The fund was established one month ago by friends of the Williams family.

## Swim Pool Is Closed For Summer

As a result of the failure of the millage request in Monday's election, the Chelsea Pool is no longer available to the Chelsea Aquatic Club on a rental basis. As a result, the club staff has made a rental agreement with the Ann Arbor Public Schools and will be renting the Ann Arbor Pioneer High School Pool, Monday through Friday from 9 to 12 each morning. This will begin on June 20 and will last until July 27.

The club is involved in a summer country club league that has its first of five meets on June 25 at the Dolphin Swim Club pool in Ypsilanti. Practice sessions will be divided into 1½-hour periods. Those 12 and up will practice from 9 to 10:30, and 11 and under will practice from 10:30 to noon. Diving lessons and competition will also be available to interested persons. The fee will be \$10 per participant for swimming, diving, or both.

Any further questions can be answered by Larry Reed, 475-9433. If there are transportation problems call Reed and he may be able to help.

## Jeff Scriptor Sentenced on Two Charges

Jeffrey D. Scriptor, 17, of 227 Buchanan St. was sentenced on two of three charges against him Friday, June 10, by Circuit Court Judge William F. Ager in Ann Arbor.

Scriptor received a 1½ to 14-year prison term for uttering and publishing, and a 1½ to 15-year prison term for breaking and entering.

His trial on charges of purse snatching, an incident which occurred locally and involved an apartment resident from the Chelsea United Methodist Retirement Home, is still pending.

## Girls Summer Softball Offers New League

The Chelsea Recreation Department's girls summer softball program will grind into gear this week as play begins in two of the three girls softball league divisions.

Three separate leagues were introduced this season in an attempt to provide broader levels of competition and better instruction for all girls in the program. The three areas of competition are High School Girls Fast-Pitch, Middle School Fast-Pitch and Elementary Slow-Pitch.

While games in the high school and middle school leagues have already been scheduled, registration for the elementary league is not yet complete. Any interested fourth or fifth graders may still join the summer elementary softball program by calling League Director Charles Waller, 475-8816 by June 20.

Any adult interested in coaching elementary players is also directed to contact Waller for more information.

PREVENTIVE DENTAL CARE was in the spotlight Tuesday as the Chelsea Jaycee Auxiliary's Fluoride Clinic launched its 10-day operations in the Longworth Plating Co. building on Main St. In the patient's chair above is 11-year-old Julie Dunlap, a 5th grader at North Elementary school. After having her teeth cleaned by Jill Quackenbush, left, the clinic's dental technician, a layer of fluoride will be applied to her teeth. Assisting with clinic operations is Mrs. Phillip Hume, right. By the end

of the clinic on June 23, 139 participants will have completed four visits to the clinic. In addition to the first visit where a child's teeth are cleaned and a layer of fluoride applied, three more visits for a fluoride application are needed for optimum results from the fluoride program. According to Mrs. Carol Smith, Auxiliary chair of the fluoride treatment project, the treatments have been found to reduce cavities by 40 percent.

## Barn Dance Saturday at Trinkle Farm

In just two days, hundreds will promenade to the sounds of the Luke Schable Band at the fourth annual Old Fashioned Barn Dance to be held Saturday, June 18, at the Charles Trinkle Farm, 9631 Trinkle Rd.

Sponsored by the Lima Liberty Belles and Brushkateers, the gala event will begin at 9 p.m. and last through 2 a.m. All proceeds from the dance will be used to benefit Dexter-Chelsea Special Education and High Point in Ann Arbor.

A few tickets are still available and may be purchased at High Point or The Magic Mirror on Jackson Rd., in Ann Arbor; McLeod's Drug Store, Boulton's or Doletzky Barber Shop in Dexter; Heydlauff's, Vogel's, Pump & Pantry or Ralph McCalla Feeds in Chelsea; Howlett's in Gregory; and from Darrell Pidd, 851-7440, in Stockbridge.

## Flea, Craft Market Set For Saturday

This Saturday, June 18, the corner of S. Main St. and Old US-12 W. will turn into a flurry of activity as the Chelsea Jaycee Auxiliary conducts its second Flea and Craft Market.

The scene will be one of bartering and trading, with townspeople and area clubs marketing their wares and talents. The community is invited to come and browse from 10 a.m. to 6 p.m.

A few spaces are still available at a nominal fee to any interested parties. For more information, call Lou Tudor, 473-9362, or Sandy Meyer, 475-1277.

## Child Dies In Auto Crash

A three-year-old boy from Richmond in St. Clair county was killed in a traffic accident Saturday, June 11, in Sharon township when the northbound car he was riding in collided with a car registered to a Manchester man on M-52, just south of Waldo Rd.

Dead is William Russell Maurer. Two occupants in the striking car remain unidentified by Washtenaw County sheriff's deputies who are still investigating the case as an apparent negligent homicide. Their names will be released pending the filing of formal charges.

Sheriff's reports say the car driven by the boy's father, Russell Maurer, 28, also from Richmond, was hit side-on by the Manchester car when the striking car swerved going around a curve at a high rate of speed.

The child was reported dead at the scene at 11:35 p.m. The boy's father was treated and released from St. Joseph's Mercy Hospital, Ann Arbor.

## Ten Tennis Leagues Forming for Summer

Anyone wishing to play tennis at least once a week during the summer may now do so by joining one or more of the 10 tennis leagues formed in Chelsea through a tennis program sponsored by the Chelsea Recreation Department.

The league divisions are Men's A Singles, Men's A Doubles, Men's B Singles, Men's B Doubles, Women's A Singles, Women's A Doubles, Women's B Singles, Women's B Doubles, Mixed A Singles and Mixed B Doubles.

At least eight entries are required in each league before play begins in that league.

A registration fee of \$3 per person, per league must be paid at 800 Book St., before June 23

to participate in the tennis program. Fees will be accepted during daytime or evening hours. Mail registrations will also be accepted, but persons who register by mail must enclose their registration fee.

High school tennis players, including those on Chelsea High's tennis team, may register to play in one or more of the 10 aforementioned leagues since insufficient interest has been shown in forming a Junior League.

A membership list for each league will be compiled and sent out June 23, so interested participants are urged to register and pay their league fees immediately. Checks or money orders should be made payable to the Chelsea Recreation Department.

## Friends of Library Seeking Members

The 1977 membership drive of the Friends of McKune Memorial Library is now in progress. Contributions received from this annual campaign are used for improving and beautifying the local library.

Part of last year's contributions, which totaled \$800, purchased a new front door and a book drop, and the remainder will be used to help replace several chimneys.

This year, according to Nancy Erickson, president of the Friends' Association, the library needs a new furnace as well as insulation in the fiction room.

Any individual or business wishing to help the library may send a contribution to Friends of McKune Library, 221 S. Main, Chelsea.

## Lima Planning Comm. Post Still Vacant

After meeting for 45 minutes Monday, June 13, Lima Township Supervisor Robert Musolf and members of the Lima Township Board were again unable to reach agreement on a new appointee to the Lima Township Planning Commission. The first attempt to fill the one-member vacancy was made June 6 at a regular meeting of the Board.

Supervisor Musolf refused to consider two of the five candidates for the vacancy, David Bacon and Wallace Fusiller, stating the appointment of either would be too controversial to the people of Lima. Apparently other members of the board disagreed, as they refused to approve the supervisor's suggested appointment of Fred Schwarze, Miriam Klemmer or Paul Filsinger, the three remaining candidates.

## Two Cyclists Injured In Separate Accidents

Only moments after a 13-year-old Chelsea boy rammed into the rear of a car in front of the Grove Dime Store Wednesday morning, a 40-year-old Chelsea woman collided with a motorcycle just yards away, to give Chelsea police an unexpected mid-week workout.

The first accident occurred when Steven Haas of 47 Chestnut Dr., was riding his bicycle northbound on Main St. He failed to notice that a car driven by Merle Sibley, 54, of Bush Rd., had stopped and was backing into a parking space in front of the Dime store. The youngster ran his bicycle into the back of the car and was injured, causing witnesses to summon police.

While kneeling over the injured boy, Chelsea police heard a loud crash and looked up to see the results of a second accident at the intersection of Main and Middle Sts.

Upon investigation of that incident, they discovered that Minnie Meyers, 40, of Cavanaugh Lake, had been making an improper left turn when she struck a motorcycle, driven by Ron Landwehr, 20, of 1800 Cavanaugh Lake Rd., as he was proceeding through the intersection.

## School Millage Defeated Again By 23 Votes

An unprecedented turnout of 2,831 voters in the Chelsea School District failed to salvage program cuts resulting from last month's school millage failure as they again turned down the Board of Education's proposal for a 4.4 mill school tax increase in Monday's election.

Only 23 votes separated the local School Board from its goal as 1,409 electors cast "no" ballots in opposition to 1,386 who voted "yes."

Some 36 ballots were declared spoiled, but their count would not have influenced the outcome of the vote as the spoiled ballots were evenly divided on the millage issue. The most common error responsible for the spoiled ballots was marking the ballot with a check-mark instead of an "X."

Chelsea School District Business Manager Fred Mills revealed Tuesday that the School Board had not yet scheduled another millage election to continue its push for a 4.4 mill tax hike. He added that another millage vote was still under debate by members of the board.

Immediate effects of the latest millage failure include a moratorium on all summer programs us-

ing school facilities which cost the Chelsea School District money, including the summer Driver's Training program which costs the school district \$6,500 and is therefore not feasible with the current budget deficit.

Also, all Chelsea High School students will have to pick up their report cards at the high school office Friday, June 17, beginning at 8:30 a.m., since the district cannot afford to mail the report cards to each student's home.

In other election results Monday, Earl Heller won a seat on the Board of Education for a four-year term with a total of 1,736 votes, followed by incumbent James Stirling, who was re-elected for another four-year term with 1,293 votes.

Defeated in the School Board race were Barbara Seabury with 1,063 votes and Russell Pichlik with 828 votes. Although a ½-mill tax increase for handicapped children was soundly accepted by voters in Washtenaw county, Chelsea voters disagreed with the county consensus, voting 1,538 to 1,254 against the proposal. A total of 39 ballots were spoiled in the vote on that issue.

## Summer Play Production Still Planned

Despite the school millage failure Monday, Friends of the Chelsea Players will proceed with their plans for a summer theatrical production.

Although the high school auditorium will not be available, arrangements are being made for a facility in which to stage the play, July 28-30. Final auditions will be held this Friday, June 17, at the Martin Tobin home, 176 E. Summit, between 6 and 10 p.m. All interested people are urged to attend.

For further information call Gina Dascenzo, director, at 1-485-8159 or Jeanette Tobin at 475-7201.

MORTGAGE BURNING: A monumental moment in the history of Chelsea's St. Barnabas Episcopal church takes place above as the Rev. Fr. Jerrold F. Beaumont, BSP, (left), vicar of the church, prepares to burn the church's mortgage during the St. Barnabas Day celebration at the church last Sunday. A bowl to contain the flames

is held by Thomas Donkin, treasurer of the St. Barnabas congregation. The church's debt was retired primarily through the generous contributions of the late Louis and Jessie Ramp. In addition to the burning of the mortgage, church members celebrated the 23rd anniversary of the founding of St. Barnabas last week-end.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR: They didn't call President Coolidge "Silent Cal" without cause. He was a feller that kept his mouth shut and his ears open, which I figger is a mighty sensible way to operate. Coolidge said he learned early in life that a feller never has to explain or take back someone he never said. That's good advice for all of us, especial for politicians. The next best plan is, if you're going to say it, don't let the wimmen hear it. The last rule is the one the fellers at the country store go by. Saturday night, fer instants, Clem Webster brung up June as "marrying month." He said the way things is going, we ought to set aside July and August as "divorser months," but he allowed there is a heap more advertising in marriage than in divorce. He said he had saw another "June Bride" edition in the Sunday paper he gets by mail, and it was chock full of wonderful and exciting things for the bride and groom to buy and do to git them started on the right foot toward happy ever after. Clem was of a mind that the "divorser ceremony" some preacher come up with a few months back is

going to suffer fer commercial support. The best idee along these lines, Clem said, is no-fault divorce where, if folks can't live together, they can live apart without having to go to court and call one another a dirty so-and-so. The fellers was general agreed that marriage is here to stay, if fer no other reason than you can't git a divorce without one. Bug Hookum sided with Clem on no-fault divorce. He said people ain't more unhappy with one another these days, it's just that they want the better but not the worst, where in the old ways we tried to make the best of the worst. Bug said he was listening to a radio talk show on marriage the other day and this feller was ask if he would marry the same person he's lived with 15 year if he had to do it over. He answered by saying he'd try not let the same snake bite him twice, which gives you some idee the reception he got at home that night. Another feller was ask if his old lady nagged, and he said she didn't. He allowed he could stay out all night and she wouldn't say nothing. Sometime, he said, she wouldn't say nothing fer a month after. Fer all their talk, the fellers take being married as natural as breathing. Somebody ask Jos h Clodhopper Saturday night if he was happier married than he was single. He give it some thought and said he'd have to check with his old lady. The fellers was full agreed with Ed Doolittle, though. Ed said trying to figger wimmen is trying to fathom the unfathomable and scrut the unscrutable. Actual, Mister Editor, I did pick up two points from the seminar. One was Bug's report on sleep, and the other was a cold cure Ed had saw. Bug said a sychologist in Florida said the sleep a person needs is aired, like a bald head or weak eyes. All these years my old lady has called it laziness. The cold cure is to put your hat on the bedpost and drink wine til you see two hats. If it works fer a head cold, it'll ease a argument. Yours truly, Uncle Lew.

MICHIGAN MIRROR By Warren M. Hoyt, Secretary, Michigan Press Association

Ford's Pitch Half-Heard Former President Gerald Ford had no more success seeking money from Michigan's legislature than do state bureaucrats. He got only some of what he asked for. Ford was in town trying to persuade lawmakers to appropriate \$3 million to help build a museum in his honor in Grand Rapids, his home town. But the legislature, controlled by Democrats, was skeptical. Why should it approve money for a guy who might later run for office against Democrats? What had Ford done for Michigan while he was President? Why isn't he now living in his home state if it's so important to him? In his pitch to legislative leaders, Ford all but ruled himself out of the 1980 presidential race and said he wasn't interested in the U.S. Senate either. He carefully sidestepped the other questions. In the end, lawmakers decided to appropriate \$50,000 to the city of Grand Rapids to start the museum. And they pledged an identical amount for the following five years to bring the total to \$3 million—but slowly. The appropriations bill has passed the House and still needs Senate approval. But lawmakers, no matter what party, are not expected to leave the state's only President empty-handed. Edison Gives and Takes Away On Monday, Detroit Edison was ordered to refund \$1 million to its customers, money the utility had collected but should not have. The following Friday, Edison was told it could raise rates to collect an extra \$65.3 million annually from customers. Monday's decision means June bills will be 18 cents smaller for average residential customers. But Friday's decision means they'll be an average 31 cents bigger. When you do the calculations, together the decisions mean bills will be bigger, by about 13 cents in June and even more thereafter. The rate decisions were made by the state Public Service Commission, which also set up a reward-punishment system for Edison that will mean more rate hikes for the company whenever it operates its generating plants more efficiently than it is now. Rates would drop, however, if the plants were broken down or shut down for repairs too often. Edison serves about 1.7 million customers, most in the Detroit metropolitan area or in the Thumb. Fifty Cents Too Much for Drugs? Since Feb. 15, Michigan's Medicaid recipients have had to pay 50 cents on every drug prescription they have filled. State welfare officials thought it would

4 Years Ago ... Thursday, June 21, 1973—

Some 70 youngsters, 18 years old and younger, spent Father's Day competing in the Jaycee sponsored Youth Horse Show last Sunday at Chelsea Fairgrounds. Debbie Henrickson earned the outstanding sportsmanship award for accumulating the greatest number of points. Sharon Kropp, age 10, was the most outstanding junior rider. Dave Martin organized the event. Aroused from her late-night reading by voices, perhaps those of arsonists, Mrs. Daniel Murphy discovered a fire in the converted barn at the rear of the family property at 116 East St., Tuesday morning. Firemen responded within three minutes of Mrs. Murphy's call, but a portion of the barn interior was still gutted by the blaze. Bob Blank, who is hoping to achieve the rank of Eagle Scout by filling the requirements of 21 merit badges and a community service project, has arranged a Bloodmobile visit in Chelsea this summer in answer to the service project challenge. Robert D. Huffman, whose arrest Jan. 29, climaxed a night of terror for the Dave Pastor family, pled guilty last week to charges of entering Edwards Jewellers with the intent to commit larceny and attempted malicious destruction of personal property valued under \$100. Huffman had held the Pastor family at gunpoint for three hours.

for 60 cents, 75 cents and \$1 per quarter will now cost 90 cents, \$1.10, and \$1.50, respectively. At their regular Monday meeting, Chelsea Village Council voted 4 to 2, to have parking meters installed in the business district. The action was taken on the recommendation of Chelsea Chamber of Commerce committee members Walter Harper, Fred Merkel and Reuben Lesser. Three inmates of Cassidy Lake Technical School who were missing over the week-end, gave themselves up to Dexter Village Marshal John W. Palmer Monday morning. They reportedly walked into the Dexter marshal's office and identified themselves as the three escapees.

34 Years Ago ... Thursday, June 17, 1943—

The foundry plant of the Peninsular Furnace and Foundry Co., was destroyed by fire which was discovered about 7 p.m. Friday. W. H. Loft is president and William A. Fersch, Jr., is vice-president of the company, which employed about 30 men engaged in war production. Arrangements are being made by the village council for a drain connection which will lower the water in the peat marsh. This drain will be a continuation of the 18-inch creek sewer which runs from Mill Creek south and follows Grant St., to the old DUR right-of-way, then east to Congdon St. A very inspiring Commencement Address entitled "How To Fail Successfully" was given to the 1943 graduating class of the public schools last Thursday night by the Rev. Marshall Reed of the Nardin Park Methodist church, Detroit. Diplomas were presented to the 31 graduates by Henry C. Schneider, president of the Board of Education, and Superintendent A. C. Johnsen.

When it comes to hamburgers, I sometimes get tired of the same old grind. I don't mean the way the butcher chops it up, I mean the way it's cooked and served. If you find yourself in the same boat, why not really surprise the family with your next batch of hamburgers. Mix 1 1/2 teaspoons salt, a pinch of pepper, two tablespoons of grated onion, two tablespoons of chili sauce and 1 1/2 teaspoons of Worcestershire sauce into 1 1/2 pounds of ground beef. Shape into 12 patties a little thinner than usual. Cut six slices of good Michigan cheddar cheese into circles to fit on each patty. On the cheese, place either a tablespoon of finely chopped green pepper or fresh Michigan mushrooms. Cover this with another patty of ground beef and pinch the edges to seal. Grill these five to six minutes per side, or to desired doneness, and serve on a toasted hamburger bun with the usual condiments. It's great. Incidentally, if you're a wise shopper, you'll know the difference between "hamburger" and "ground beef." If the package says "hamburger," under Michigan Department of Agriculture administered laws it must be at least 70 percent lean beef with no more than 30 percent fat. If the package says "ground beef," the ratio is 80 to 20. No other names mean anything under the laws. If the grocer says it's ground chuck or ground round, it must still be labeled hamburger or ground beef and comply with the 70-30 or 80-20 percentages. Knowing the fat content differences can sometimes influence your buying and save money in the family food budget. The big thing is being aware as you get "out of the old grind."

What's Cooking In Michigan Dexter Township Ordinance Regulates Watercraft Speeds

At its regular June meeting, the Dexter Township Board adopted an ordinance to regulate watercraft speeds on the Huron River. The regulations adopted were those of the Department of Natural Resources. In other action, the board approved plans for a private road to be constructed off Dancer Rd. and to be named Arnold Dr. Work on the new road is expected to begin this month. The board has been considering a proposal to increase the Zoning Board of Appeals from three members to five members in order to establish a more representative board. The decision was made to delay a change in membership until prospective members were identified. Any Dexter township resident interested in serving on the Zoning Board of Appeals should contact Dexter Township Supervisor John Pandy. Next meeting of the Dexter Township Board will be June 21, 7:30 p.m. at Dexter Township Hall. Telephone Your Club News To 475-1371.

**TANDY-SZAMECKI:** Mr. and Mrs. John Tandy of Hanker Rd., North Lake, have announced the engagement of their daughter, Jennifer, to James Michael Szamecki, son of Mr. and Mrs. Frank J. Szamecki of South Bend, Ind. The bride-elect is a graduate of Chelsea High school and is a senior attending Michigan State University, East Lansing. Her fiancé is a graduate of Western Michigan University and is owner of Schumm's Restaurant, Chelsea. Prior to moving to the Ann Arbor area, Szamecki was employed as the Detroit-Chicago district sales manager for a computer firm. A December wedding is planned.

**Legion Auxiliary Elects Officers For Coming Year**

The regular meeting of Herbert J. McKune Unit No. 31, American Legion Auxiliary, was held Tuesday, June 7, at the Legion Home. Attending the annual dues pot-luck were 12 members and one guest.

Evelyn Hale, legislative chairman, urged Auxiliary members to continue writing their Congressmen to voice their opinions on bills concerning the veteran.

Loretta Doll, Gold Star chairman, reported that all local Auxiliary Gold Star members had been remembered on Mother's Day. Following her report, Lucille Barr, poppy chairman, presented a report on the outcome of the Auxiliary's recent poppy sale and thanked all who helped with the event.

Ruth Chriswell was elected delegate to the department convention to be held in Lansing, July 14-17. Election of officers for the 1977-78 year was then conducted. Results of the election were Ruth Chriswell, president; Gay Bolanowski, senior vice-president; Don-Eleanor Hall, treasurer; Florence Merkel, historian; Delephine Bolanowski, chaplain; Ethel Beuhler, sergeant-at-arms; Alice Miller, color bearer; and Alma Eisele, Loretta Doll, Evelyn Hale, executive committee. Junior past president is Lucille Barr.

Installation of the newly elected officers will be Sept. 6 at the Legion Home.

**Chelsea Teacher Anna Alimpich Weds in Kalamazoo Ceremony**

Anna Alimpich of 213 W. Middle, daughter of Mr. and Mrs. George Alimpich of Canton, exchanged marriage vows with Second Lieutenant Chris Edward Johnson of Georgia, son of Mr. and Mrs. William Johnson of Kalamazoo, Saturday, June 11, in First Presbyterian church, Kalamazoo. The 4 p.m. ceremony was performed by Dr. David McShane before a gathering of 130 guests.

Special music for the occasion was provided by organist Mary Olney, and violinists Audrey Lipsey and Nicholas Waskowsky. They performed selections composed during the 16th and 17th centuries.

As she approached the altar, the bride was wearing a princess-style gown of ivory velour crepe, with a scooped neck bodice and butterfly sleeves. An ivory lace overlay covered the bodice. A blue satin ribbon encircled the gown's empire waist, and a finger-tip length veil, which fell from a Juliet cap trimmed in seed pearls completed her attire. She carried a bouquet of yellow roses, blue daisies, stephanotis and baby's breath accented with a blue ribbon.

Maid of honor was Rita Urbanjak of Westland. Her dress was similar in style to that worn by the bride, though a cape was added to cover the attendant's shoulders. Her ivory crepe gown was printed with clusters of pink wild roses. She held a bouquet of pink roses, blue daisies and baby's breath.

Serving as bridesmaids were Claudia Alimpich of Canton, sister of the bride, and Alexandria Alimpich, also of Canton and a sister of the bride. Both their gowns matched that of the maid of honor.

For her daughter's wedding, Mrs. Alimpich appeared in a blue knit A-line gown with a long-sleeved lace jacket in a matching shade. Mrs. Johnson, mother of the bridegroom, wore a blue sleeveless gown with long sleeves and a jacket styled from the same fabric. Her ensemble was trimmed with pearl beads.

Best man was John McCleary of Anchorage, Alaska. He was assisted by ushers Gary Johnson of Kalamazoo, brother of the bridegroom, and Steven Johnson, also of Kalamazoo and a brother of the bridegroom.

Following the wedding ceremony, a cake and punch reception was held in the church parlor.

The former Miss Alimpich is a 1975 graduate of Western Michigan University and has taught stringed instruments in Chelsea Public Schools for the past two years. Her husband is also a 1975 graduate of Western Michigan University and is stationed with the U.S. Army at Ft. Benning, Ga.

The newlyweds currently reside in Columbus, Ga.

**Altar Society Members Join in Craft Program**

Seventeen members attended the June meeting of St. Mary's Altar Society to discuss old and new business and participate in a program on crafts.

During the business portion of the meeting, Kathleen Chapman reported on the Diocesan Day Convention in Jackson, held in April. Sandy Weber represented St. Mary's in the Nomination for the Woman of the Year Award at the convention, and received a certificate of recognition from Bishop Povish of the Diocese.

It was announced that the Washerau Deanery meeting has been slated for June 15 at St. Thomas Catholic church, Ann Arbor.

Following a demonstration on simple and easy-to-make crafts by Phyllis Nye and Bonnie Janes of Country Craftique, members of the group were given materials and tried their own skills at constructing the crafts.

The meeting closed following refreshments served by Monica Hanna and Ruth Zeeb.

Next meeting will be in September.

**Phoebe Circle**

On June 7, at 1 p.m., Phoebe Circle of United Methodist church met at the home of Darrel Harris. A dessert luncheon was enjoyed by the nine members and three guests in attendance.

The meeting was called to order by the hostess, who also acted as chairperson.

The group was mindful of a dear member, Florence Stanford, who died recently. A meaningful commemoration was given by Martha Earles, prior to the presentation of devotions and the succeeding inspirational program on friendship.

Minutes of the last meeting were read and approved. Then, plans for a pot-luck picnic, to be held July 6, 12:30 p.m. at the Methodist Home, were discussed.

Next meeting of the group was scheduled for Aug. 17, 12:30 p.m., at the home of Jane Schairer. A pot-luck luncheon will be served.

A prayer circle was formed, and the meeting was adjourned.

**TREADO-TWEEDIE:** Mr. and Mrs. Robert Hodder of 129 South St. have announced the engagement of their daughter, Reatha Marie Treado, to Mark Drake Tweedie, son of Mr. and Mrs. Donald D. Tweedie of Troy. The bride-elect is a senior at Northern Michigan University, Marquette. Her fiancé is a graduate of Northern Michigan University and is employed by Michigan Mutual Insurance Co., Marquette. A January wedding is planned.

**ASCS Requires Acreage Report Before Harvest**

Anticipating changes in farm legislation, the Agricultural Stabilization and Conservation Service (ASCS) will soon require Washtenaw county farmers to report their wheat, corn, barley, and grain sorghum acreage before harvest.

Farmers who fail to report planted acreage will be considered to have no planted acreage and may be ineligible for program benefits in 1978, Mrs. Howard said.

ASCS employees will make spot checks of farms to assure that acreage reports are accurate according to Mrs. Howard.

The county ASCS office started accepting acreage reports June 1.

barley acreage must be reported prior to harvest.

Foods bake faster in glass ovenware than in shiny metal pans because the glass collects and holds the heat instead of reflecting it. When baking in glass, reduce oven temperature at least 25 degrees Fahrenheit unless the recipe states it was written for glass ovenware.

**VFW Auxiliary Names Delegates to Nat'l Convention**

A regular meeting of Chelsea VFW Auxiliary No. 4076 was conducted Monday, June 13, with 12 members in attendance. Reports of the sixth district convention in Carleton, May 22, were given by Lucy Platt, Mary Kniss and Eulahlee Packard as the meeting got underway.

The local Auxiliary won a trophy for paid-up membership at the convention, and other prizes were awarded to various Auxiliary membership chairmen.

In financial business, \$25 was allocated to the library in the VFW National Home, Eaton Rapids, in the name of Byron and Betty Smith, outgoing commander of Chelsea's VFW Post and outgoing Auxiliary president. Another \$10 was earmarked for use by Ypsilanti State Hospital in the purchase of porch furniture.

Delegates elected to the VFW National Convention to be held in Minneapolis, Minn., Aug. 20-26, are Sandi and Sally Ellenwood, while Lucy Platt and Bessie Sharp were elected alternate delegates.

Eulahlee Packard reported on the monthly pot-luck supper held last Saturday, June 11. Another pot-luck supper has been scheduled for July 9, to be hosted by Kermit and Bessie Sharp. The Sharps have arranged to have children from the National Home present for the occasion. The children will be returning from a circus sponsored by the Forty and Eight Club.

Lucy Platt submitted a report on the outcome of the Auxiliary's Poppy Sale, stating she was well-pleased with the success of the project.

The following Auxiliary members will be attending the State Convention, June 23-26, in Grand Rapids: Elizabeth Smith, president; Lucy Platt, Bessie Sharp and Eulahlee Packard, elected delegates. The group was then reminded of the annual carnival to be held at the National Home, July 10, and all members were urged to attend.

Next regular meeting of the Auxiliary will be July 11 with the newly elected officers taking their respective offices.

**Waterloo Methodist Women Plan July Ice Cream Social**

Waterloo Village United Methodist Women met at the home of Vera Reithmiller, June 8, for a pot-luck dinner at noon. Eight members and two guests were present for the occasion.

The meeting opened with a prayer recited by President Eloise Schulz. Then, a thank-you note received by the group was read to those in attendance.

Members were reminded that Bible School will begin June 20 at the church schoolhouse. In other upcoming events, an ice cream social was scheduled for July 30.

It was announced that four members of the group assisted with the cleaning of the church, June 2, and the meeting closed with a benediction.

Next meeting will be a dessert luncheon at the home of Vernita Prentice on July 13.

**Co-Op Nursery Plans Sesame St. Fun Workshop**

"Sesame Street Fun," a special workshop for four- and five-year-olds, will give local children an opportunity to channel their knowledge of Sesame Street characters into creative outlets, Wednesday, June 29. Sponsored by Chelsea Co-op Nursery, the workshop will be conducted from 9 a.m. to 11 a.m. at the nursery, 11000 Dexter-Chelsea Rd.

Workshop activities will include decorating Cookie Monster cookies, making Big Bird puppets, listening to stories, singing songs and participating in other craft activities.

Because the class size will be limited to 18 members, parents are urged to call in reservations for their children as soon as possible. Reservations may be made by contacting Dottie SchAAF at 426-8863, or Kathryn Bradbury at 475-8316. Fee for the workshop is \$2 per child.

**LIMA CENTER EXTENSION**

Lima Center Extension Club met at Lima Township Hall with 30 members and guests. Mrs. Ted Spence conducted the short business meeting at 10 a.m.

The group will hold its annual picnic at the hall on Wednesday, July 13 at 12 noon with a "white elephant" sale in the afternoon. Hostesses for the day are Mrs. Adeline Stone, Mrs. Blythe Johnson, Mrs. Kathryn Reddemann, Mrs. Elaine Second and Mrs. Charlotte Inglis.

Bonnie and Phyllis from the Chelsea Country Craftique demonstrated punch needle for ruff hooking and punch embroidery showing many different articles that could be made with them besides rugs and pillows. Each member tried her skill with a small punch needle on a small piece of material.

Twenty-nine ladies attended the luncheon at Schumm's Restaurant at 1:30 p.m.

**OLYMPICS POSTER WINNERS:** Mike Higgins, program representative for Michigan Special Olympics, puts the final tack into a display of winning entries for the 1977 Summer Games poster contest. Leonard Carlson of Chelsea High school won first place with his poster at lower right. Gina Goldspink of Cass City High school received second-place honors (lower left), and third place went to Barb Jedele, also of Chelsea High, (top). Carlson's entry will be printed on the cover of the Summer Special Olympics program and used in the first Michigan Special Olympics Yearbook.

## CHS Student Wins Top Award In Special Olympics Art Contest

Leonard Carlson, a 17-year-old student at Chelsea High school, has been named winner of the 1977 Michigan Special Olympics Art Contest. Carlson's entry was chosen from entries submitted by students throughout the state. Theme of this year's contest was "The Olympics gave me the will to succeed." The winning poster will be used on the cover of this year's Summer Special Olympics program for the games scheduled for June 3-5 at Central Michigan University, Mt. Pleasant. It will also be printed on the cover of the first Special Olympics Yearbook to be produced later this year. Second-place winner in the competition was Gina Goldspink, a student at Cass City High school, while third place went to Barb Jedele, also of Chelsea High school.

## Postill Acquitted On Assault Charges

After deliberating for less than 30 minutes last Friday, June 10, a 12-member Washtenaw County Circuit Court jury acquitted former Sheriff Frederick J. Postill of felonious assault charges. The charge against Postill stemmed from a brawl which erupted during a wedding reception for one of Postill's deputies at the Chelsea Fairgrounds last summer. The verdict, returned to Circuit Court Judge Patrick J. Conlin by the jury of eight women and four men, came in the wake of three days of testimony from 32 witnesses, and arguments of prosecution and defense attorneys. It ended an 11-month legal battle for Postill which began July 11. The prosecution had charged that during a fight at the reception for then Lt. Leonard A. Dexter and his bride, Virginia, Postill choked Deputy Basil O. Baysinger with a pair of handcuffs. Witnesses said that the brawl involved Postill, Frank Donley, jail administrator under Postill, Baysinger and some civilian guests at the party. Postill's defense attorney said prosecution did not prove "beyond reasonable doubt" that Postill used the handcuffs to assault Baysinger during the sheriff's attempt to "ar-

## Detroit Man Nabbed on Fraud Charge

In what Police Chief George Meranuck termed "a case of good police work," Chelsea police arrested a 43-year-old Detroit man Sunday, June 12, after they learned the man was wanted on a felony warrant issued by Detroit police. The arrest came as a result of police response to an emergency road call on I-94. In police custody is Edwin Arnold Jackson, who was driving a black 1970 Chrysler Imperial westbound on I-94 about 1 p.m. Sunday when the car caught fire just east of the Pierce Rd. exit. According to police reports, Chelsea Patrolman Gerald Ringe was dispatched to the scene of the fire where he found the car had overheated after the vehicle's fan belt broke. During the course of the investigation, Patrolman Ringe noticed that there were no keys or an ignition switch in the auto, and that the trunk lacked a lock tumbler. The officer asked Jackson for his operator's license and proof of registration for the car. Upon receiving the information, Patrolman Ringe ran a file check which revealed that Detroit police were holding a valid felony warrant on Jackson. He was then taken to Chelsea police headquarters and lodged for pick-up by Detroit police. Further evidence collected in the case showed that the plates on Jackson's disabled vehicle were last registered to a 1977 Cadillac listed in his name, but he could not produce proof of ownership for the 1970 Imperial he was driving. The Chrysler was confiscated by police and is being held in police possession until proper proof of ownership is presented. Low girthweight (5½ pounds or less) is the underlying or contributing cause of half our infant deaths, says the March of Dimes. It's a much more frequent cause of early infant death than any single birth defect. The risk of prematurity or low birthweight drops sharply with proper prenatal care.

## CHELSEA VILLAGE COUNCIL PROCEEDINGS

June 7, 1977  
Regular Session.  
The meeting was called to order at 7:40 p.m. by President Wood.  
Present: President Wood, Administrator Weber, Clerk Neumeyster.  
Trustees Present: Borton, Brown, Chriswell, Schaeffer, Schardein, Sweet.  
Others Present: Police Chief Meranuck, Zoning Inspector Gotsch, Fire Chief Gaken, Charles Winans, II, Village Attorney Flintoft, Civil Defense Director Wade, R. A. Steger, Charles Burleigh, W. G. Nuffer, Pat Merkel, Robert Scheir.  
The minutes of the May 17, 1977 meeting were read and approved.

Pat Merkel requested on behalf of the American Legion a one day beer license for the Chelsea Fairgrounds for July 4, 1977. There was discussion. The police department voiced no objections.  
Motion by Schaeffer, supported by Chriswell, to approve request of the American Legion to apply for a one day beer license for the Chelsea Fairgrounds for July 4, 1977. Roll call: Yeas all. Motion carried.

The Police Report and Fire Report for the Month of May were received.  
Charles Burleigh made a presentation outlining the advantages and procedures for issuing Industrial Development Revenue Bonds. Discussion of Industrial Development Revenue Bonds followed with the Village Attorney, auditor Burleigh, and the council.  
Motion by Schaeffer, supported by Borton, to adopt a resolution allowing the sale of Industrial Development Revenue Bonds. Roll call: Yeas all. Motion carried.

Village Attorney Flintoft advised the council of procedures pursuant to annexation proceedings for the inclusion of the Village's Wastewater Treatment Plant within the Village limits.  
Mr. Robert Scheir, Right-of-Way Engineer for Michigan Department of Highways informed the council that two Village signs along I-94 are non-conforming and must be removed. The state will pay \$4,519.00 for the two signs plus \$168.00 for the Village to remove the signs themselves.  
Motion by Schardein, supported by Schaeffer, to accept the offer of the State Highway Department of \$4,519.00 plus \$168.00 for removal of the signs by Village crews and to hold the money until such time as a decision is made on which worthy community project(s) shall receive such funds. Roll call: Yeas—Borton, Brown, Schaeffer, Schardein, Sweet, Nays—Chriswell. Motion carried.

R. A. Steger presented a preliminary Audit Report.  
A letter was received from the Chelsea School Board informing the village of the termination or change in the Recreation Agreement between the Village of Chelsea and Chelsea School District in 30 days unless the millage passes.  
Motion by Brown, supported by Schardein, to write a letter to the Chelsea School Board expressing dissatisfaction over the receipt of a letter from the School Board notifying the Village of the hasty action taken by the School Board, namely the termination or change in the Recreation Agreement and requesting a renegotiation of said agreement to prevent any such action in the future. Roll call: Yeas all. Motion carried.

Motion by Borton, supported by Schardein, to adopt a resolution to accept the Municipal Maintenance contract with the Michigan State Highway Commission for the period of July 1, 1977 to June 31, 1978; designating Frederick Weber as the Maintenance Superintendent; and authorizing the Village President to sign on behalf of the Village. Roll call: Yeas all. Motion carried.  
Motion by Sweet, supported by Chriswell, to accept the Washtenaw County Tax Systems Agreement for 1977. Roll call: Yeas all. Motion carried.

Motion by Chriswell, supported by Sweet, to approve payment No. 2 in the amount of \$4,870.34 from the Capital Improvement Fund to Warren, Wayne & Allen for work completed on Section B Trunk Sanitary Sewers during the month of May. Roll call: Yeas all. Motion carried.  
Motion by Schardein, supported by Brown, to authorize the trans-

fer of \$2,459.00 from the General Fund to the Library Fund. Roll call: Yeas all. Motion carried.  
No bids were received for the lift stations alarm system. One late bid was forthcoming. Consensus opinion of the council dictated that the late bid be reviewed by Flinkebeiner, Pettis, and Strout and by the council when received.  
New assessed valuations were received from the State necessitating a change in the millage rate previously set. The change will cause the millage rate to decrease.  
Motion by Sweet, supported by Brown, to rescind the motion of May 17, 1977 setting the millage rate at 9.50 mills for the 1977-78 fiscal year and to set the new rate at 9.30.

Various committee reports were given.  
Motion by Schaeffer, supported by Schardein, to purchase a used pick-up truck from Village Motor Sales for \$1,000.00 for use at the landfill provided it meets the approval of the Village Mechanic. Roll call: Yeas all. Motion carried.  
Administrator Weber reported on a meeting with Consumers Power Co. which is a preliminary step to raising wholesale electric rates.  
Motion by Brown, supported by Sweet, to authorize the Village President and Clerk to sign the DNR Discharge Permit Agreement provided the amendment made by the Village is acceptable to the DNR. Roll call: Yeas all. Motion carried.

Motion by Chriswell, supported by Schardein, to pay bills as presented. Roll call: Yeas all. Motion carried.

Motion by Brown, supported by Borton, to adjourn. Roll call: Yeas all. Motion carried. Meeting adjourned.  
Thomas Neumeyster, Clerk.

**ZONING BOARD OF APPEALS**  
Minutes June 7, 1977  
The meeting was called to order at 7:30 by Chairman Wood.  
Present: Chairman Wood, Secretary Neumeyster.  
Trustees Present: Borton, Brown,

Chriswell, Sweet, Schaeffer, Schardein.  
Others Present: Administrator Weber, Charles Winans, II, representatives of Chelsea Baptist Church.

The minutes of the May 17, 1977 meeting were read and approved.  
The meeting was opened as a public hearing on a variance application filed by Chelsea Baptist Church from the provisions of Section 4.2.2.C2a of Ordinance No. 79 (Zoning).

## Sen. Bursley Named to Appropriation Comm.

State Senator Gilbert Bursley will serve as a member of the Senate Appropriations Committee for the next two years. The Ann Arbor Republican was recently named to the post by the Senate Committee on Committees to fill a vacancy resulting from the election of former Senator Carl Pursell to the U.S. Congress. A 10-year veteran of the legislature, Senator Bursley enters his new assignment well-prepared having served on the Senate Appropriations Committee from 1959 to 1966.

The Senate Appropriations Committee, in conjunction with a companion House Committee, effectively controls the state's pursestrings as it hammers out each year a balanced state budget, as mandated by the Michigan Constitution.

Thomas Neumeyster, Secretary

**HISTORICAL POINTS VISITED:** Intermittent drizzle and cloudy skies failed to mar the Washenaw County Historical Society's tour of Chelsea, Saturday. Shrouded in rain gear, many of the group's 40 participants are pictured above, examining the exterior of Chelsea's train depot. In addition to the depot, highlights of the tour included stops at St. Paul United Church of Christ, Chelsea Community Hospital, Chelsea High School, the Chelsea United Methodist Retirement Home, First Congregational church, McKune Memorial Library, Chelsea's 14th District courthouse, the Glazier clock tower, Sylvan Town Hall, The Chelsea Standard and the Hiram Pierce house, the first dwelling built in Sylvan township. Acting as tour guides were Katie Chapman and Harold Jones. Mrs. Chapman narrated the tour explaining in detail the historical background of those buildings visited by the group. According to reports, tour participants found their excursion both enjoyable and educational. At the end of the tour, a chicken dinner was served to all participants at North Lake United Methodist church.

**WARMING UP BEFORE THE RIDE TO HELL:** Area bicyclists meet regularly in Ann Arbor to get in shape for "One Helluva Ride" to be hosted by the Ann Arbor Bicycle Touring Society July 16. The ride is expected to draw bicyclists from throughout the Midwest. Three routes for the ride will all pass through Hell, Mich.

## Midwest Bikers Prepare for Ride to Hell and Back in July

Chelsea biking enthusiasts have been invited to don their pedal straps and join colleagues from the entire Midwest area in a ride to Hell and back Saturday, July 16. Billed as the first annual "One Helluva Ride" by the Ann Arbor Bicycle Touring Society which is hosting the event, the ride will loop from Dexter to Hell, Mich., then back to Dexter. Hell is located just east of Eden and about 400 miles south of Paradise.

Participants will be able to choose from three routes according to their ability. The routes will include a metric half-century loop of 31 miles; a metric century loop of 62 miles; and a one hundred mile loop.

At the end of the ride, the Women's Auxiliary of the Dexter

American Legion will serve a chicken dinner with all the fixings to cyclists in the ride.

In addition, each rider who completes the ride will receive an original seven-color souvenir patch.

Wayne Malburg of Canton, a member of AABTS and one of the area's most experienced bicycle riders, designed the three bike routes to be used in the cycling event. "The three routes pass through some of southeastern Michigan's most scenic areas," said Dave Knox, "One Helluva Ride" co-ordinator.

"It's a challenging course with equal amounts of flat, gently rolling and hilly sections," Knox added.

A roving van and sag wagon will tour the routes to pick up

riders unable to complete the ride. Also, bike repairs will be made without a labor charge, although riders will be expected to pay for any needed parts.

Advance registration for "One Helluva Ride" is due before July 2. The \$8 registration fee includes dinner at the end of the event. For further information and an application form, call Dave Knox at 935-5778, or write to the Ann Arbor Bicycle Touring Society, 1921 Norway, Ann Arbor 48104.

### David P. Winans On Honor Roll At U. of Montana

David P. Winans, son of Mr. and Mrs. David S. Winans of 232 South St., was among 1,403 University of Montana students named to the winter honor roll at the University in Missoula, Mont. Names of the students on the honor roll were released recently by the office of Dr. Phillip T. Bain, director of admissions and records.

The U-M honor roll is computed on a 4.0, or straight-A basis. To be eligible for honor roll status, a student must have either a minimum of 54 grade points with an index of 3.0, or B average, or a minimum of 42 grade points with an index of 3.5 or B-plus. No student is eligible for the honor roll if he receives a grade of F for the quarter.

Students at the University of Montana, on the winter honor roll, represent 16.7 percent of the winter quarter net enrollment of 8,381 students.

## Cops for Kids Bowl To Return Aug. 6

After a suspension of several years, the "Cops for Kids Bowl," pitting gridiron grapplers from the Washtenaw County Sheriff's Dept. against those from the Ypsilanti Area Police, will return to Eastern Michigan University's Rynear Stadium Saturday, Aug. 6 at 7 p.m.  
Originally called the "Pig Bowl," the football game became an annual event during former Sheriff Douglas J. Harvey's last term but was suspended during the term of Frederick Postill. Under the administration of current Sheriff Thomas Minick, the game

is back with the sponsorship of the Ypsilanti Area Jaycees.

Proceeds will go toward financing several Jaycee youth projects in the area. Tickets are available now at the Dexter station of the Washtenaw County Sheriff's Dept.

Some 233,000 babies are born each year weighing less than 5 1/2 pounds, reports The National Foundation - March of Dimes. These babies often have problems with breathing, heart action, and control of temperature and blood sugar.

## Beef Referendum Registration Begins

On May 13, the U. S. Department of Agriculture (USDA) announced June 6 as the beginning of a two-week registration period for the Beef Research and Information Order Referendum and issued rules for the referendum.

Anyone who was a cattle producer during 1976 may register to vote, either in person or by mail, at the Washtenaw County Agricultural Stabilization and Conservation Service (ASCS) Office between June 6 and June 17, according to Dorothy M. Howard, acting county executive director.

A list of those who register will be posted daily at the ASCS offices and a final listing will be posted five days after registration closes. Those registered can vote between July 5 and July 15 at the ASCS office. For approval of the Beef Research and Information Order, at least 50 percent of those registered must vote, and two-thirds of them must favor it.

The order that producers will consider in the upcoming referendum would authorize a Research and Information Program administered by a Beef Board of up to 68 producers. Board members would be appointed by the Secretary of Agriculture from nominations submitted by producer organizations. Each state or geographic area would be represented in proportion of its cattle production.

The Beef Board could initiate a broad spectrum of projects to improve beef production, distribution, and marketing. Such a

It's Rampy's theory that if you spend time, effort and money to see that your customers are satisfied, they'll come back again... and again.

That's exactly why Rampy recently bought the most modern computer diagnostic system available. The Sun 2001. It's one of the few things in this world that seems to make everyone happy.

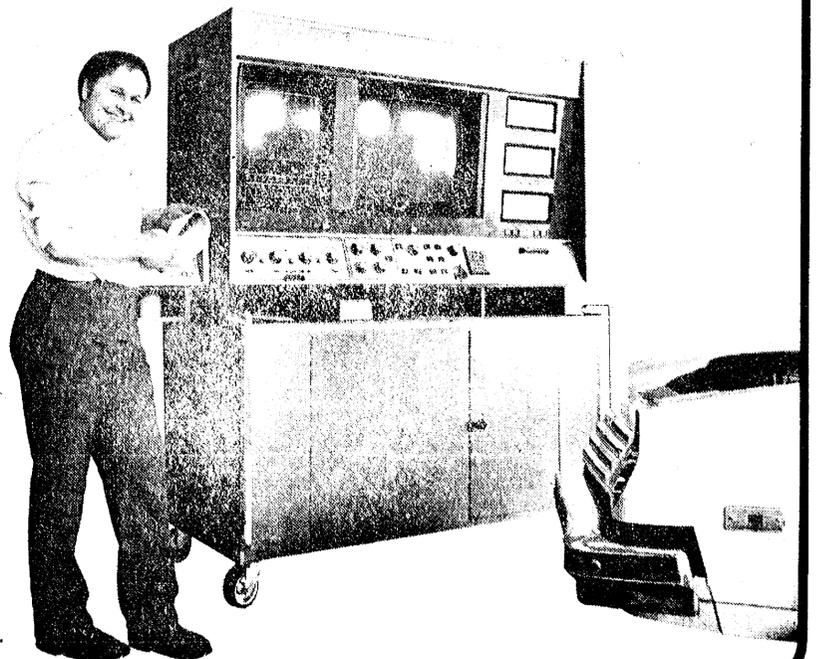

The mechanics like it because it makes their job easier... it can spot a small problem before it develops into a big one... and it saves a lot of sweat looking for problems that just don't want to be found.

Customers like it because the computer print-out they receive allows them to see just exactly what was needed to get their cars running at peak performance. And, that means fewer service calls in the long haul. The real problems are spotted right away.

And Rampy likes it because he can see it helps keep his customers satisfied.

Bring your car in for a taste of the future today... the Sun 2001... at Rampy Chevrolet.

He is survived by two sisters, one living in Wayne and the other in Detroit and several cousins. Among those are Harold Eschelbach and Mrs. LeRoy Satterthwaite of Chelsea and Mrs. Edwin (Marie) Schill of Ann Arbor.

### H. W. Guenther Dies in Tragic Farm Accident

A 62-year-old Dexter man was killed Saturday, June 11 when the front end of the bucket loader he was working on came down on him accidentally, crushing him to death.

According to a report at the Dexter substation of the Washtenaw County Sheriff's Dept., Harold William Guenther, 62, was apparently attempting to release the bucket on his loading machine at his farm at 5150 Dexter-Townhall Rd. when he accidentally activated the down lever, bringing the heavy bucket smashing down onto his head. A second theory was that he may have fallen and in attempting to get up inadvertently grabbed hold of the release lever, activating the mechanism. He was found by William Quigley, a farm worker employed by Guenther, who with the help of others succeeded in raising the bucket.

Guenther was taken by ambulance to University of Michigan Hospital, where he was pronounced dead on arrival.

following Shauna's tragic death in a bicycle-car accident May 8.

According to Shauna's mother, Mrs. J. Marlis Williams, the family's plans are to purchase a memorial stone for Shauna's grave with proceeds from the fund, and to use any remaining amount in the fund to help offset funeral expenses.

Donation forms are still available at Chelsea State Bank for any residents interested in adding to the memorial contributions already received.

ate the need for service in their community.

Miss Currie was hired as director for the youth volunteers this summer through a vocational internship program advertised in the Michigan Christian Advocate earlier in the year. She is a sophomore attending John Wesley College in Owsosso, where she is majoring in Christian education. Originally from the Flint area, she will reside in Chelsea through August.

### Sgt. Mark Brigham Stationed in England

Now serving at Lakenheath RAF station, England, with a U.S. Air Force unit in Europe is Air Force Staff Sergeant Mark C. Brigham, son of Mr. and Mrs. John Brigham of 6103 Merkle Rd., Dexter. The sergeant is a 1967 graduate of Dexter High school.

WORKING AS A TEAM behind the dispensing counter in Chelsea Pharmacy are, from left, U-M College of Pharmacy's internship program which gives pharmacy students practical experience in their chosen profession.

## Chelsea Pharmacy Participating In U. of M. Internship Program

An innovative internship program instituted for University of Michigan pharmacy students has recently left its mark on the Chelsea area.

The program provides senior pharmacy students with an opportunity to confront practical situations in their chosen profession and apply their classroom knowledge to the situation.

Working in partnership with 10 selected pharmacies around Michigan, including Chelsea Pharmacy at 101 N. Main, the U-M College of Pharmacy sends individual seniors and a professor to the various community establishments on a rotational basis.

There, according to Professor Norman Lacinia, the students are taught not only how to select, identify or compound drugs, but also gain experience in working with the patients who will take the medications. Chelsea Pharmacy was described by Lacinia as "one of the key pharmacies participating in the program."

Dale Schumann, who operates Chelsea Pharmacy in partnership with Daniel Murphy, acknowledged that the two-year-old U-M program also benefits the pharmacies which participate. Schumann said the presence of the professor gives him ready access to new ways to improve his professional services. One of these improvements, instituted by Lacinia, is a patient drug profile, or a filing system listing together all the medications taken by each patient.

The drug profile enables the pharmacist to monitor the type of medications a patient is taking and helps him avoid unwanted and sometimes dangerous reactions between drugs.

Another U-M inspired innovation at Chelsea Pharmacy is a

hypertension mailing system which is used as an alert to patients who have failed to refill their regular prescriptions for high blood pressure.

Fifth year student Sharon Pasick, in Chelsea Pharmacy on a recent rotation, said she was impressed by this kind of professional concern. Although her first career stop will probably be a hospital in Detroit, she said "I definitely want to spend some time in a community pharmacy. Places like this are really inspiring."

She added that she was pleasantly surprised at how well patients accepted, and even welcomed, the drug counseling pharmacists are now urged to offer whenever it seems appropriate.

U-M pharmacy students are taught to determine if the patient understands how the drug acts on the body, how they are supposed to take it, and what other medicine, foods, etc., they may have to avoid. "Detecting the level of understanding of each patient is a key part of the experience," Eddie Boyd, director of the College's Internship program, said. "The student learns to give the patient the information he must have to take the prescribed drug properly without burdening him with technical information."

A faculty member is present in the pharmacy to do much of the actual teaching and supervising of the senior student, instead of trying to assign this responsibility exclusively to the pharmacist.

When time permits, the professor and the pharmacist may switch roles, allowing the pharmacist to do more teaching.

The pharmacy internship course is required of all College

of Pharmacy seniors and lasts 12 weeks. Professors Lacinia, Boyd, and Leslie Schimp make up the faculty.

Michigan State University's Kellogg center for Continuing Education hosts some 600 conferences and educational meetings on a wide variety of topics which attract up to 50,000 participants each year.

## Michael Check Granted Robbins Memorial Award

John Michael Check, son of Mr. and Mrs. John Check of 171-75 Fahrner Rd., was awarded the Mike Robbins Memorial Award during the morning worship services Sunday, June 12 at St. Paul United Church of Christ, 14600 Old U.S.-12. The award was established by the family of Mike Robbins, who died in a drowning accident in 1971.

The award is given to a graduating senior member of the congregation who had during the high school years participated in the life of the church in special and significant ways as well as demonstrated the Christian faith in daily living. The recipient is chosen on recommendation of the pastor, the St. Paul Church Scholarship Committee and Mr. and Mrs. Bill Robbins, parents of the late Mike Robbins.

The award consists of a letter of recognition, inscription of the recipient's name on a plaque and a cash gift of \$100.

All seniors present were recognized and received a copy of the book "Notes to Myself" from the Board of Christian Education of St. Paul church presented by Mrs. Tim Whitesall, advisor to the Senior Youth Fellowship and a member of the Board of Christian Education.

**TAKING OVER A GI LOAN**

VA loans are partially guaranteed by the Veterans Administration and hence, like FHA loans, involve less risk for the lenders than conventional loans and carry lower interest rates. Many low-interest VA loans have been made with little or no down payment which makes them real bargains to assume when buying a home financed in this manner.

A veteran can now normally transfer a GI loan with no strings attached if the VA approves the new owner's credit, and the new owner assumes the veteran's loan obligation.

But there are legalities to observe and pitfalls to avoid. For example, shifting the debt to the

new owner doesn't automatically erase the seller's responsibility for repayment of the loan in case of default. But this can be arranged with just a little extra effort. In these matters, it's wise to have the professional guidance of a Realtor.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

**McKune Library Receives New Books**

The official arrival of summer on June 21 conjures up a multitude of images, including one with four parts—sunshine, an idyllic breeze, a hammock and a book.

MSU GRAD: Barbara L. Boylan, daughter of Mr. and Mrs. Keith L. Boylan of 245 Park St. graduated cum laude from the Michigan State University School of Nursing, June 11. Miss Boylan was one of 89 graduates to receive a bachelor of science degree in nursing. She is a member of the Sigma Theta Tau National Honor Society of Nursing, and a 1973 graduate of Chelsea High school.

While perfect weather and a hammock may not be readily available, McKune Memorial Library can supply the last requirement, having recently received a shipment of new books containing a broad spectrum of topics to interest everyone.

Among the new arrivals are just about all the fiction and non-fiction books currently on the best seller list. These include "Oliver's Story," Erich Segal's continuation of everybody's favorite, "Love Story"; "The Valhalla Exchange" by Harry Patterson, who wrote such thrillers as "The Eagle Has Landed" and "Storm Warning," under the pen name of Jack Higgins; and Robert Ludlum's latest work, "The Chancellor Manuscript," already number five on the list of top-sellers in fiction.

Non-fiction counterparts include a few older titles which still remain popular. Foremost among these are two self-help, applied psychology books, "Passages," and "Your Erroneous Zones."

Several biographies of wide-spread popular appeal have also been received. These are Susan Hayward's "Haywire," which chronicles the Hayward family; "Majesty," an account of Queen Elizabeth II and the House of Windsor; and "Changing," Liv Ullmann's life story.

On the humorous side is Erma Bombeck's newest look of life in suburbia, "The Grass Is Always Greener Over the Septic Tank."

For children, and parents with a magical eye, Wallace Tripp's "Granfa' Grig Had A Pig" is a must to read this summer. Discover the oldest Mother Goose rhymes accompanied by Tripp's newest, cutest and superbly artful illustrations. For those clever enough to notice, Tripp has inserted plenty of great jokes for adults to enjoy while reading to their young ones.

McKune Memorial Library is open Mondays, 10-5 and 7-9; Tuesdays, 12-5; Wednesdays, 12-5 and 7-9; Thursdays, 10-3; Fridays, 12-5 and 7-9; and Saturdays, 12-5.

**Mary Beth Detting Granted Olivet Degree**

Mary Beth Detting, daughter of Mr. and Mrs. John C. Detting, Sr., of 340 Pierce St., is a 1977 graduate of Olivet College, Olivet. She majored in psychology and was Head Resident of Dole Hall, a women's dormitory on the Olivet campus.

**ST. BARNABAS CELEBRANTS:** Helping to bring St. Barnabas Day celebrations to a festive climax last Sunday, June 12, were lay leaders, ushers, choir members, Altar Guild members, and other officials at Chelsea's St. Barnabas Episcopal church. Special services at the church began with a prelude and processional hymn by Mrs. Helen Goltra, and concluded with a recessional hymn and postlude by John Parsons. DSS Olive Robinson, who had preached the first sermon for the mission church of St. Barnabas in 1854, again participated in a landmark occasion for the church, delivering Sunday's sermon offertory. In addition to honoring the church's patron saint on the 23rd anniversary of the founding of St. Barnabas church last week-end, members of St. Barnabas celebrated the burning of the church's mortgage. Principal participants in the St. Barnabas celebration, pictured above, are: Front row, from left, Eric Bettner, Robin Settles, Geoff Settles and Edward Kline; second row, from left, John Parsons, Kim Brown, Doug Beaumont, Helen Goltra, Pat Settles, Mary Lindauer and Mona Molnar; back row, from left, Rosalie Caine, Marjorie Beaumont, the Rev. Jerrold Beaumont and DSS Olive Robinson.

**WCC Commencement Scheduled Saturday**

Some 33 area students will be among 535 graduates honored during the 10th Washtenaw Community College Spring Commencement Saturday, June 18, 10 a.m., on the green adjacent to the Exact Science Building on the WCC campus.

Pinckney students receiving their degrees are James E. Deveny, Evonne V. Lamson, Frank Martinez, Jr., John Morys, III, Sandra D. Plumadore and Jon E. Smith.

Degree recipients from Manchester include Bess H. Bate, Jane E. Bucholtz, Kurt P. Lentz and Thomas E. Mawby.

State Representative Gary M. Owen will address the graduates of the 10th graduating class.

Representative Owen, a Democrat, was elected to the House of Representatives in 1972, 1974 and 1976. He represents the 22nd District which consists of Ypsilanti, Belleville, a portion of Romulus, and Ypsilanti and Van Buren townships.

Owen was a member of the first Washtenaw Community College graduating class in 1967 and a former Washtenaw Community College instructor. He taught state and local government during the fall semester of 1971 and the winter semester of 1972.

College President Gunder A. Myran will preside over the graduation ceremonies, while Board of Trustees Chairman Anthony J. Prochinski will deliver the charge to the graduates. Degrees and certificates will be presented by John P. Wooden, dean of general studies.

Degree recipients from Chelsea include William W. Colvin, Bettina L. Cotton, Robert H. Gordon, Steven F. Harris, Thomas W. Hepburn, Karen C. Lindow, George E. Navin, Roger J. Ottoman, Doug R. Schrottenboer, Robert T. Smith and Paul M. Weber.

**Historical Data Sought From Area Residents**

The Washtenaw County Historic District Commission has launched a drive to enlist the help of Sylvan township residents knowledgeable of earlier times in the area; in developing two projects of interest and value to Sylvan township as well as the rest of the county.

One of these projects is the recording of an oral history of Sylvan township.

According to Lydia Muncy, chairman of the Washtenaw County Historic District Commission, many township residents are well versed in the interesting events which have taken place in Sylvan over the years. She states the commission is interested in meeting these residents and tape recording their recollections of life in Sylvan township.

The second project involves the identification of historical landmarks in Sylvan. An historical landmark may mean a monument, a tree, a wood lot, a river, a stream, a building or any other site or object which holds significance for people in the township.

Old timers, or members of younger generations who have inherited knowledge suitable for either of the two projects, are directed to contact any member of the Sylvan Township Board or The Chelsea Standard to submit their name and the nature of their knowledge.

# Here's Your 1977 Summertime Guide to 381 Privately Operated Campgrounds in Michigan

With more than 70,000 campsites available, Michigan's camping industry is ready for what could be its busiest summer ever, according to Automobile Club of Michigan.

"Many operators are finding that people can't wait to get outdoors after the state's worst winter. Private campground use so far this spring is up an average 10 percent and the increase is likely to carry into summer," stated Joseph Ratke, Auto Club touring manager.

A six-percent business increase at government-operated sites for the second consecutive year supports private campground operators' claims.

"But while crowds continue to increase, the added spaces listed this year should ensure adequate sites to handle demand," Ratke, Auto Club's 1977 guide lists 381 private campgrounds with 32,957 sites—14 percent more sites than last year and representing roughly half the 70,000 campsites available state-wide.

State forest campgrounds sites have increased by 11 percent and now total 3,427. State park and federal sites remain at 13,976 and 2,300, respectively. The 8,200 county, township and city park sites also have not increased.

To encourage energy conservation, Ratke said that approximately 70 percent of the private campgrounds listed this year offer off-site storage facilities. "Fuel consumption and freeway congestion, which always increase in summer, can be cut by storing recreational vehicles near vacation destinations for as little as \$2 weekly," Ratke said.

To help conserve other energy forms, at least one campground, Point Aux Barques near Thompson in the Upper Peninsula, generates much of its electricity with windmills. Two small hydroelectric dams are being built and solar collectors are planned to provide power and hot water for future campers.

More than half the campgrounds listed by Auto Club offer swimming at pools or in lakes and ponds. Most campgrounds also take reservations, Auto Club noted. Telephone numbers of most parks are listed in the 1977 guide, and an accompanying reference code helps identify features found at each camp.

The state park campground reservation system, now in its third year, can guarantee accommodations at half of the almost 14,000 spaces available at 70 state parks if stays of four nights or more are planned.

Reservation applications must be received by a park at least 15 days before arrival and must include a \$2 fee plus all camping fees ranging from \$2.50 to \$4 per night.

Applications may be obtained at most Department of Natural Resources offices, or by writing to: Department of Natural Resources, Parks Division, Mason Building, Lansing, Michigan 48926.

Reservations cannot be made at state or national forest campgrounds or at most county, township and city parks.

Campers can help guarantee a site at most Michigan campgrounds by following these steps: —Arrive at government-operated campsites before noon Friday.

—If planning to stay at a private campground, obtain reservations whenever possible.

—Campers may receive latest state park site availability information May 25-27 and from mid-June through Labor Day during normal working hours by dialing: (313) 256-2760; (517) 275-5151, or (617) 373-1235. Campground information also is available through state Tourist Information Centers.

—Auto Club members may obtain week-end campsite information Monday through Saturday between 6 a.m. and midnight from Memorial Day through Labor Day week-end by calling the organization's Travel Information Center.

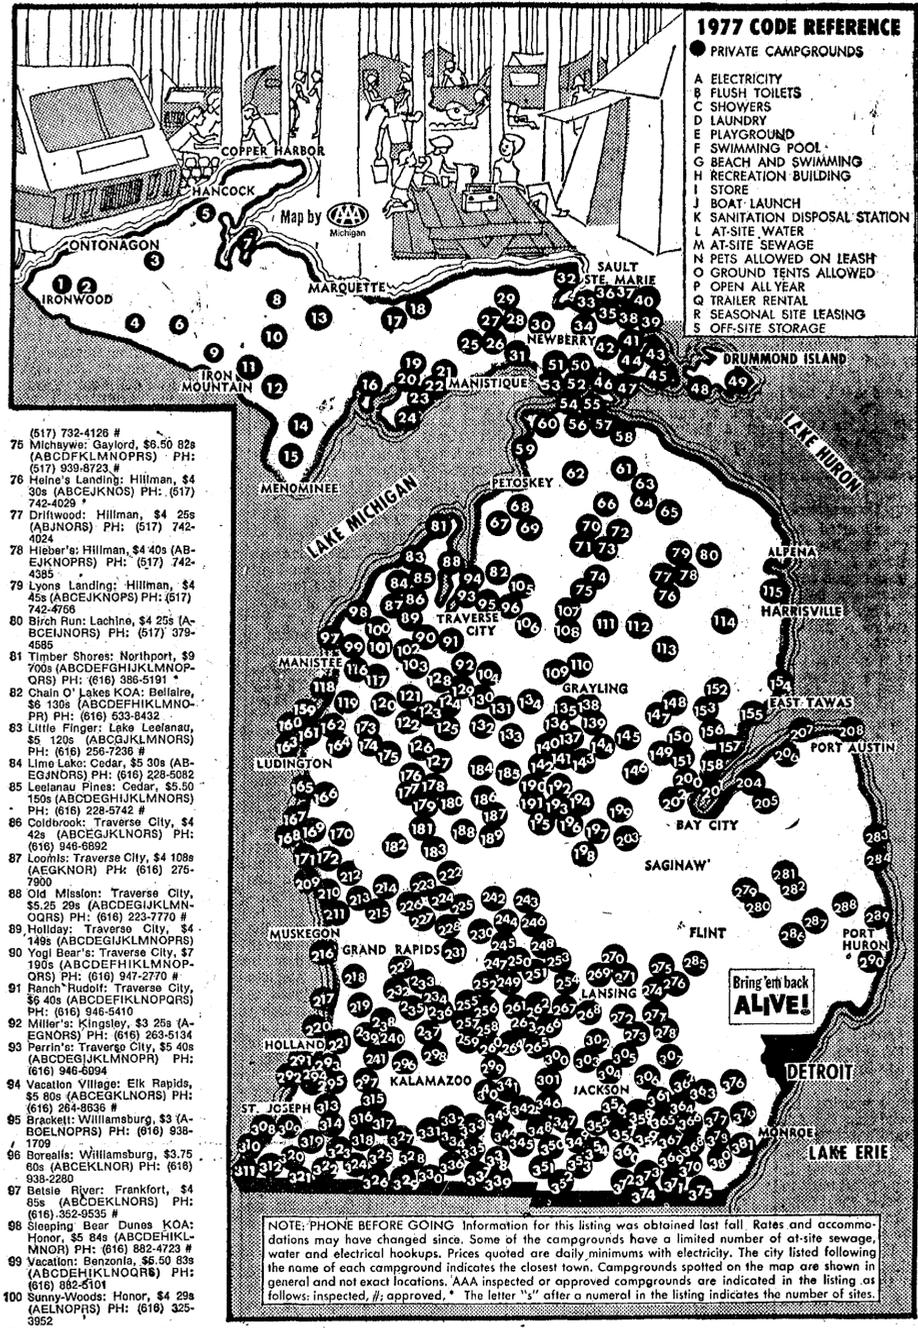

—If without a reservation, always choose several alternate campgrounds and carry public and private park guides.

**READY TO ROLL:** An historical piece of artillery, owned by the Chelsea American Legion, will be ready for the road by July 4, thanks to Chelsea's Chrysler Proving Grounds. The new 9.00x20 tires have been donated to the Legion by Chrysler, through Harold Halliburton, and will be fitted to the wheel axles of the Legion's 75-mm cannon. The original cannon tires, which had been flat for approximately 20 years, had given Legionnaires some anxious moments to and from parades in the past. The new tires are being installed by Glen's Service of Chelsea. Pictured above with the soon-to-be mobile cannon are Legionnaires Don Schultz, through Harold Halliburton, center, and Pat Merkel, right.

**Major Farm Survey Now Underway**

Planted acreages for 1977 and the latest livestock numbers will be developed from a major nation-wide survey to be conducted in late May and early June by the U. S. Department of Agriculture. The survey, using a representative sample of agriculture, will include personal interviews with some 80,000 producers and mail responses from thousands of other farmers.

The program will be directed here by the Michigan Crop Reporting Service headed by C. A. Hines. The goal of the survey, Hines said, is to provide farmers with current information to assist them with production and marketing plans. Crop and livestock estimates help stabilize market conditions and prices for producers by removing uncertainties caused by rumors and trade guesses.

The survey will be the basis for a report to be issued by USDA June 30, estimating spring planted acreages and acreages for harvest for major crops both nationally and by states. This information will serve as the foundation for a series of yield and production estimates starting July 12 and available monthly during the growing season. The number of hogs and pigs in the country will be published in late June and cattle numbers a month later to provide indications of marketings in the second half of 1977 and early 1978.

Producers co-operation is essential in pulling together a reliable set of estimates for use by all farmers.

**Pinckney Plans Hot Air Balloon Festival**

Some folks were accusing the Pinckney Area Chamber of Commerce of being full of hot air around this time a year ago.

The Pinckney chamber folks were planning their first hot air balloon festival as a summer fund-raising promotion, but some thought it would never get off the ground.

How wrong they were. The first Pinckney Balloon Festival was a smashing success, attracting 25,000 persons over a June week-end to a village of 1,200.

Recognizing a good thing when it hits them between the eyes, Chamber members decided to do it again this June, only bigger and better this time.

The Chamber, along with Pinckney Recreation Association, Masonic Building Fund and Pinckney Kiwanis, is holding the second annual Pinckney Balloon Festival on June 17-18-19.

Some 25 hot air balloons from Michigan, Indiana and Ohio will be the main attractions, participating in five racing and navigational events.

This year there'll be a lot more to do than watch hot air balloons floating in the strata, sipping liquid refreshment in the beer tent and shopping for bargains in beautiful downtown Pinckney.

Also planned are a carnival with 12 major rides and 30 con-

cessions, an art fair, flea market, a bike-a-thon, steak fry and chicken barbecue, pancake breakfasts and even a strolling Dixieland band for entertainment. It sounds like a fun week-end. You'd better leave now to get a parking place.

**Building Materials Stolen from Two Construction Sites**

The Washtenaw County Sheriff's Dept. reported that an estimated \$1,663 in building materials were stolen from lots in two area subdivision construction projects Tuesday, June 7.

On that date, according to a report filed by the Guenther Building Co., 1470 Bardstown Rd., Ann Arbor, an unknown person or persons removed nearly 300 sheets of plywood from the Loan Oak subdivision on Strieter Rd. and the Carriage Hills project on Dexter-Pinckney Rd.

Deputies investigated the two scenes, but reported that because of a two-day delay in reporting the crime, no castings were taken of the many tire tread marks that criss-crossed the area.

**Letters to the Editor**

To the Editor:  
 The voters of Lima township who elected Bob Musolf as Township Supervisor would do well to learn what is going on at the Township Board meetings. Going to the polls and voting for "your man" is not enough. He needs your continuing support to perform effectively. He has not received support from the board.

I have been attending the Township Board meetings over the past several months and have come to the conclusion that the board members, one of whom is not a property owner, whose salaries are paid, in part, by my tax dollars, are not interested in having well-qualified respected citizens on the Planning Commission chosen by the supervisor.

According to the law, Mr. Musolf, the supervisor, is to appoint all members of the Planning Commission with approval of the rest of the board. This is similar to the procedure where the President appoints members to his cabinet, the courts, etc., with the approval of the Senate. When the Senate has good reasons in their belief for not approving the appointments, they so state. They do not then turn around and tell the President who he shall appoint. This is what occurred at the Township Board meetings on June 6th and June 13th.

It appears that the board does not understand its functions. On Monday night they refused to approve the persons Mr. Musolf placed up for their consideration for appointment, and then turned around and told him who they wanted him to appoint. As a matter of fact, one trustee made a motion that the board appoint David Bacon to the Commission. Mr. Wirtz had vocal support of his motion from the floor by former members of the board, Fusilier and Leila Bauer. This motion by a member of the board was an illegal maneuver and was not accepted by the supervisor.

This is the most flagrant of maneuvers I have seen in the last few months by the members of the board. I repeat, you people who elected Bob Musolf because you wanted a change in your township government must learn what is going on at your Township Board meetings, Planning Commission meetings, and Board of Appeals meetings. It would amaze you!

Miriam Klemmer.

**Elizabeth Belser Earns Degree at Kalamazoo College**

Elizabeth A. Belser, daughter of Mr. and Mrs. Frederick C. Belser of 216 Park St., was among 238 members of the Kalamazoo College Class of 1977 who participated in commencement ceremonies held Saturday, June 11, at the College.

A mathematics major with a history minor, Miss Belser is seeking a position teaching math or history, and plans to obtain her master's degree in mathematics or instructional media.

During her senior individualized project quarter at Kalamazoo College, Miss Belser student taught at Chelsea High school under Joseph Rossi, and helped advise the forensics team and the yearbook staff.

From September, 1975, to March, 1976, Miss Belser studied in Munster, Germany, under Kalamazoo College's foreign study program. She would like to eventually return to Germany to teach in an American independent school there.

While a student at Kalamazoo College, Miss Belser was a photographer for the College yearbook, served as an Instructional Services media assistant, and was a member of the film society.

At Saturday's commencement ceremonies, seniors and their families heard keynote speaker Joseph Papp, New York theatre producer and director, address the topic "Creative Individuals: Creative Society." Papp also received an honorary degree from Kalamazoo College along with special guests George W. Rickey, internationally acclaimed sculptor, and Mrs. Dorothy U. Dalton, long-time friend and supporter of the College's theatre arts program.

**Applications Due for Wheat Allotments**

A new farm wheat allotment may be established for the 1978 crop of wheat acreage for farms that did not have a 1977 allotment, if they meet eligibility requirements, Raymond Gibrach of the Washtenaw County ASC Committee announced today.

A 1978 wheat allotment will be established automatically for most farms that had a wheat allotment in 1977.

To be eligible for a new farm allotment, the operator must expect to receive more than 50 percent of his income from farming. Neither the owner nor an operator may have an interest in any other farm which has a 1978 wheat allotment, and the person making application must have had at least one year production experience in a prior year.

Applications for a new farm allotment must be filed in the county ASCS office on or before July 1, 1977. Any interested producer who can meet these requirements should contact the county office before the final date for filing an application.

A Dexter man is in custody charged with arson after being stopped by Washtenaw County Sheriff's deputies on Dexter-Chelsea Rd. Saturday, June 11.

A report at the Dexter station states that deputies stopped Edwin Eugene Egeler, 7160 Marshall Rd., while he was driving past the Huron Farm Supply. Upon running a routine check, according to the report, they learned that there was a warrant out for Egeler's arrest on a charge of arson. He was immediately taken into custody.
