United Way Campaign Dinner Slated Oct. 5

Leaders of the 1977 Chelsea United Way fund drive will meet for a campaign dinner Wednesday evening, Oct. 5, in the dining room of Chelsea Community Hospital.

BARBARA BLANDEN

Originally planned for Sept. 29, the dinner was postponed to Oct. 5 to take advantage of the hospital's hospitality, according to Will Connelly, 1977 campaign chairman.

Keynote speaker at the dinner will be Barbara Blenden of Tecumseh. She is a consultant to United Way of Michigan, and a former member of the public relations department of the United Foundation in Detroit.

Other portions of the dinner program are being organized by Judy Steinhauer and Daphne Hodder in co-operation with Darrell Beal, manager of dietary services for the hospital. Music will be provided by members of the Chelsea Band.

Connelly further announced that Marty Neumeyer has agreed to assume leadership for the solicitation of funds from Chelsea area clubs, civic and fraternal organizations. This responsibility was originally undertaken by Pat Christwell and Connie Schwarm. AS board members of Chelsea United Way, they will now concentrate on other aspects of the 1977 campaign.

According to Chelsea United Way president, Gerald Dresselhouse, nearly 200 persons will participate in the solicitation for funds in Chelsea area industrial plants, businesses, organizations, homes and farms. Major local agencies to benefit from public contributions include the Chelsea Recreation Council, Chelsea Social Service, Chelsea Home M.E. Service, the Chelsea Band, the Boy Scouts, Girl Scouts, Salvation Army, Catholic Social Services, and the Red Cross.

Volunteer workers are needed. Village volunteers are asked to call Pat Whitesall, 475-2538. Rural volunteers are asked to call Linda Mayer, 475-7063, or Marge Nusca, 75-1589.

JV Gridders Lose, 36-8, To Brighton

Brighton exploded with five touchdowns Thursday to decimate Chelsea's junior Bulldogs, 38-6, after teaming to an early lead in the first encounter.

"We just did not play a good game," was Chelsea Coach Jon Chaffner's reaction following the game.

Brighton opened the scoring with a nine-yard touchdown run, followed by a successful two-point conversion.

Teachers, Board Reach Agreement

Jamies Moore, Chief Negotiator for the Board of Education, and Leonard Solomon, Chief Negotiator for the Chelsea Education Association, announced that the Chelsea School District and the CEA reached a tentative agreement on a two-year contract for 1977-78 and 1978-79 at a meeting on Tuesday, Sept. 27.

Tentative agreement on the economic issues was reached on Sept. 6. Ratification votes by the Board and CEA are scheduled for Oct. 10. No details will be released until after the ratification vote.

Lions Club Begins Drive For Member

With October designated as membership drive month by the International Lions Club, local Lions Club members are seeking to increase the size of their ranks.

A community service organization, Lions sponsor the annual White Cane Week and support Leader Dog schools as part of their program.

Chelsea Lions meet the first and third Tuesday of every month at Chelsea Community Hospital. The group has no special age requirements or other pre-requisites for membership.

Anyone interested in joining the Chelsea Lions, or simply in finding out more about the organization, should call Bob Stafford at 475-1537.

APPLE CIDER MAKING the way it was done in "the good ole days," required team effort but that did not present a problem for the apple press operators pictured above. All are united under the banner of the Michigan GOP party and were at Chelsea Fairgrounds Sunday, working the press to provide cider for their colleagues in the Republican Party during the annual GOP Picnic.

Using Dexter Township Supervisor John Tandy's 1874 cider mill, these men produced enough cider to arrest the thirst of area politicians. Confused Crab Apple Tree In Blossom

Apparently even Mother Nature was fooled into thinking the past two rain-spattered weeks were an indication of spring, rather than fall.

Apple cider notwithstanding, the mix-up in seasons was confirmed last week with the emergence of new blossoms on a crab apple tree in the yard of Mr. and Mrs. Richard Smith, 109 Wilkinson St. "At least a dozen new blossoms have appeared," Mrs. Smith reported Monday. "We pruned the tree in the spring and maybe it was the wrong time, because several new shoots have come out within the last month, followed by the blossoms."

Wondering if her blooming crab apple tree is a biological phenomenon, Mrs. Smith continued, "It's just a tiny tree—not more than five years old." She said the tree had already blossomed once in the spring, and even though new ones are out, the tree is also full of tiny apples.

Recall Committee Replies to Supervisor Musolf's Statement

Charges and countercharges have been sweeping Lima township in the past month as residents of this once politically quiet community draw their battle lines on the issue of whether or not to recall Supervisor Robert Musolf in the upcoming Oct. 25 election.

Recall petitions claim Musolf, elected for a two-year term as supervisor last November, has done nothing for the township, has violated the state constitution by assessing real property over 50 percent, has shown favoritism to some and bias to others in his assessing practices, refuses to work with other board members and appointed committees, lacks integrity in dealing with people, distorts and stretches the truth regarding township matters, did not submit a true and accurate statement of his election expenses, and has lost credibility in conducting township matters.

Musolf answered these charges in the Sept. 22 issue of The Leader and called the recall effort "a blatant attempt by Fusilier

(former township supervisor and trustee Wallace Fusilier) to get the job he did not win in a fair election."

Containing that Musolf's response "amounted to nothing more than an attempted smear campaign on a number of honest, hard-working people who deserve a greater reward than this," the recall committee was prompted to issue the following statement.

"Because Musolf has little fact and truth on his side, it must be difficult to respond in any direct honest fashion. Instead he is forced to divert the issues away from the charges. Because of the seriousness of the charges, they must be answered. We the Citizens' Committee for the Recall of Robert Musolf, will attempt to do so in this report with as little diversion as possible, so that the real issues can be addressed.

"First, this response is a product of the recall committee with virtually no input from Fusilier except to comment on the accuracy of statements of which he has knowledge. Because of the alleged influence Fusilier has over 'everyone,' it is important to state that this response is a bipartisan effort of concerned individuals with no 'axe to grind,' except for truth and honesty in government.

"We believe the allegations made against the board in general and Fusilier in particular are without foundation. True, Fusilier has appeared at most board meetings (not all, as sweepingly claimed by Musolf). This is in line with his representation of Lima township at all SEMCOG meetings where he is actively fighting the Mill Creek Park issue. He also represents the township and is involved with Washtenaw County officials in attempting to minimize the encroachment of regional government at the township level. Any who have been present at township meetings could not in fair conscience conclude that Fusilier has been leading the board members in making their decisions." This statement unfairly puts down the intelligence of the board members regarding their ability to independently make decisions. This committee would like to point out that Musolf often asks Fusilier for advice or comments from the floor. Does Musolf thus intend to impugn himself?

"To finally clear the air before addressing the recall issues, a closing point shall be made. Musolf states that the whole recall is a blatant attempt by Fusilier to gain the supervisor's seat for himself. Musolf claims that Fusilier is openly stating 'he will be the next supervisor.' This, as virtually all other claims by Musolf, is untrue. Knowing that a simple denial of this allegation would hardly be accepted in the political arena, Mr. Fusilier has posted a \$1000 bond, payable to Lima township, to be turned in and cashed in the event that he runs for, campaigns or otherwise solicits or accepts the supervisor's position, in either the temporary or permanent slots, in the event that Musolf is recalled on Oct. 25, or resigns before that date.

"Although Fusilier is alleged to be openly stating he is going to be the next supervisor, this committee has been unable to verify even a single instance where this is true. It is with great interest that we thus openly challenge Musolf to post a similar bond, said

"There are certain aspects of township government that I would like to discuss with you as they are not to be found in any book. I am extremely interested in the Lima Township Board of Trustees doing as good a job as it possibly can. I will always be willing, as I have in the past, to help you and the rest of the board to achieve this goal. It is in the best interest of the people who elected us."

"Does this sound like an uncooperative attitude? "To finally clear the air before addressing the recall issues, a closing point shall be made. Musolf states that the whole recall is a blatant attempt by Fusilier to gain the supervisor's seat for himself. Musolf claims that Fusilier is openly stating 'he will be the next supervisor.' This, as virtually all other claims by Musolf, is untrue. Knowing that a simple denial of this allegation would hardly be accepted in the political arena, Mr. Fusilier has posted a \$1000 bond, payable to Lima township, to be turned in and cashed in the event that he runs for, campaigns or otherwise solicits or accepts the supervisor's position, in either the temporary or permanent slots, in the event that Musolf is recalled on Oct. 25, or resigns before that date.

Bulldog Grid Team Defeated By Brighton

A grueling season lies ahead for Chelsea High's varsity grid squad as they attempt to buck a losing streak that began with their opener three weeks ago and reached a monumental high last Friday when they surrendered to Brighton, 42-6.

Brighton scored in all four quarters compared to a lone Chelsea touchdown in the final period. Chelsea's six-points came on a two-yard quarterback sneak by Jeff Powell after he threw 37 yards to split-end Chuck Broderick to set up the play.

Statistically, the local Bulldogs had five first downs as opposed to Brighton's 12, and 105 yards pass-

ing next to Brighton's 99, but they were left way behind in rushing as they gained only 58 yards compared to Brighton's 278.

According to Coach Phil Bareis, Chelsea's defense played most of the game, led by James Bollinger with 14 tackles. Other defensive standouts were Alan Augustine with 12 tackles; Tom Bareis, 8; Phil Steinhauer, 6; and Gary Packard, 6. Victor Verchereau and Rick Beeman each had a fumble recovery.

Chelsea will attempt to balance its losses tomorrow, Sept. 30, when the team travels to South Lyon for another league confrontation. Game time is 7:30 p.m.

Child Care Center Will Soon Be Opened

A year-long period of organizational delays will end Monday, Oct. 17, when Chelsea Community Hospital opens its Child Care Center at St. Paul United Church of Christ, 14600 Old US-12.

Although it has been established primarily for children of hospital employees, the Center will have some space available for children of families in the community-at-large.

The Child Care Center will be licensed by the State of Michigan to care for youngsters from 2 1/2 to 7 years of age. Center hours will be from 6:30 a.m. to 5 p.m., Monday through Friday.

An educational program based on the philosophy that each child is a unique human being with special talents and interests will form the core of the Center.

In line with this program, the Center will strive toward the health development of the total child—his or her social, emotional, intellectual and physical development.

Center Director, Corrine Gillan, and her assistant, Sandy Ryder, will share teaching duties at the center. The nursery at St. Paul's and a special playground area (Continued on page three)

Jaycees Preparing For Fall Barbecue

For the past 17 years, the annual transition from summer to fall has been traditionally observed with a Jaycee Chicken Barbecue and Fall Color Tour in the first week of October. And, as with fine old traditions, this year will be no exception.

Chelsea Jaycees have been shining their barbecue grills and counting their coals in preparation for this Sunday's 18th annual rite, to be held at the corner of M-52 and Old US-12.

For the first time, master chefs Jim Gaken and Art Steinaway will be joined in their duties by novice Tim Ortring, who is replacing his father, veteran chef Hank Ortring. The trio will serve

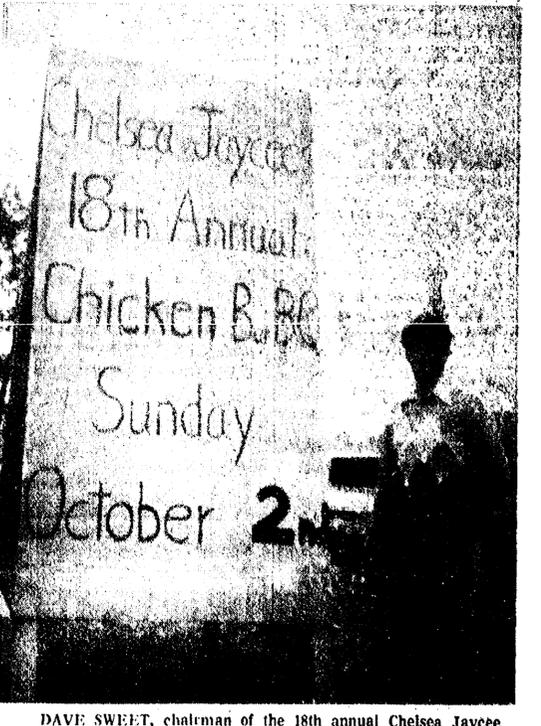

up a culinary "tour de force" of barbecued chicken, dinner rolls, potato chips, and cole slaw, beginning at 11 a.m.

For those who wish to proceed from the barbecue site to an afternoon of color touring, the lunches will be boxed upon request. Jaycees will also provide maps and poster routes of the Waterloo and Pinckney Recreation Areas.

A total of 1,500 chicken dinners have been reserved for the event. Proceeds from the annual barbecue will be used to finance Jaycee community service projects. Chairman of this year's chicken barbecue is Dave Sweet.

ALL-STAR SOCCER TEAM: With what looks like an all-star line-up, the Chelsea-Manchester Special Olympics soccer team, pictured above, will open its season tomorrow, Sept. 30, at High Point in Ann Arbor, beginning at 12:30 p.m. Members of the team have been limbering up their legs and practicing their plays in preparation for what they anticipate will be a winning year. In the front row, from left, are Team Aide Debbie Bargman, Theresa Murphy, Lori Brown, Linda Alher and John Winans. In the back row, from left, are Pat Brady, Matt Schnaldt, Glenn Passow, Chris Williams, Steve Lawrence, Ryan Sweeney and Coach Nancy Cooper. Missing from the photo are Kathy Buck, Leonard Carlson and Kathy Young.

DAVE SWEET, chairman of the 18th annual Chelsea Jaycee Chicken Barbecue, is dwarfed by a towering sign on M-52 near the Old US-12 intersection, which reminds residents of the upcoming community-wide chicken roast. In addition to selling chicken, cole slaw, potato chips and dinner rolls, the Jaycees will have maps of nearby recreation areas available for autumn color touring. All proceeds from the barbecue will be used to finance Jaycee community service projects.

Uncle Lew from Lima Says:

DEAR MR. EDITOR: You won't believe this, but my old lady is winding up her Christmas shopping. She's got all her cards addressed and she asks me if she could put em on layaway at the post office. She figgers she could save one postage hike, maybe two, if you could get em in now and mailed out later. I'll have to admit the idea ain't half bad. If folks can set in them highrise offices and watch lights flash across a board and buy and sell wheat and corn that ain't planted yet and git rich doing it, I don't see why we can't play the mail futures market. I thought about it up one side and down the other, Mister Editor, and I'm of a mind that it won't work because it would save the customer a few cents. That ain't the way Government is geared. The feller that runs the country store told us recent that he didn't pre-pay enuff income tax. He sends the IRS money ever quarter that ain't due until the next year, and he had to pay interest on how much he didn't send em in advance. That makes as much sense as solving the drain on Social Security by pushing back the retirement age to 68 or 90, I reckon, but it's hard for a feller with any common sense to figger. But gitting back to my old lady, she has bought most of her present too. One item she found porbable will be hotter this season than pet rocks and hermit crabs. She has bought her sister's old man a pair of electric nose hair snippers. He loves gadgets, Mister Editor, but he's been down in the mouth since he tried to corner the market on Spiro

Agnew watches. These snippers will perk him up. I've seen em and they really work, and the company says they will take the place of tweezers. They sell for under \$10, and that's like saying two feet a quarter 10 years ago, and for my money anybody brave enuff to pull hairs out of his nose with tweezers won't flinch at laying out 10 bucks to do the job painless. I mentioned the nose hair snippers during the session at the country store Saturday night. The feller that runs that store said he's got to do some research before he stocks any. The first thing he's got to find out, he said, is whether wimmen realize they got them ugly hairs up their noses. If we can get them embarrassed by their nose hair, we're in business, he said, and the men don't matter that much. If he took out a ad for the new snippers, he would start by telling wimmen how to Practical speaking, you got to create the demand for the product, he said, then you come with the products. It works that way with everything, including hair on legs and no hair on eyes, not to mention dishpan hands and ever other part that shows that you can do somepin to that cost money, Ed said. Zeke Grubb was full agreed with the store feller. Zeke recalled back when his old lady come home crying cause she was the only woman in church with seams in her stockings. What woman, Zeke ask, wants to be the one with hairs in her nose? Yours truly, Uncle Lew.

Veto Override Unlikely Governor Milliken's perfect record on vetoes is in jeopardy upon the Legislature's return to the Capitol. One of the first items on the calendars is a veto message on a bill to revise the administrative rules process which would give the Legislature more direct control over rules written by bureaucrats to administer law after enactment. The act would require affirmative action by joint legislative committee before rules implementing the law could take effect. Forces, both Democrats and Republicans alike, are beginning to rally to gain the necessary two-thirds vote in both chambers which would put the act on the books over objections of the governor. Milliken has never had a veto turned back by the legislature during his nine years in office, while no veto override attempt has enjoyed success since May, 1951. Legislative leaders on both sides argue the legislation is completely non-partisan. Sponsors say the proposed law would force the bureaucracy to justify the need for any rules rather than place the burden on the legislature to prove the rules are necessary, harmful or inadequate. Currently all administrative rules take effect 60 days after being submitted to the joint committee whether action is taken or not. Milliken maintains such a change could have a debilitating effect on the ability of agencies to perform their functions. He suggested further the act may be unconstitutional in that it attempts to usurp some of the authority of the executive and judicial branches of government. The bill is similar to a 1976 measure which also was vetoed in January but too late for any legislative action as the 79th Legislature was sworn in and all pending matter died. Pigeon River Drilling After nearly five years of legal maneuvering, drilling for oil and gas in the Pigeon River Country Forest appears no closer with an Appeals Court decision for immediate consideration to determine whether the court should accept the case. The appellate court ruling came after Ingham County Circuit Judge Thomas Brown dismissed a request by environmental groups for a preliminary injunction against any drilling. Brown added a his order a 24-hour stay before any work could begin on the sites to allow the opposing groups time to file an appeal. While considering whether to take the case, the Appeals Court continued the stay on permits prohibiting any access roads, site preparation and exploratory work. Whatever the outcome during the next three months, the state's Supreme Court is expected to decide the case. Federal courts will then undoubtedly hear from the losing side. Susan Pfeifle, Lee Ferguson, II, Wed in Chelsea Methodist Church

Susan Marie Pfeifle of Ypsilanti, daughter of Mrs. Jack Q. Pfeifle, South Lyon, married Lee Ferguson, II, son of Mr. and Mrs. Lee H. Ferguson of Dexter, Tuesday, Sept. 24, in First United Methodist church. The 7:30 p.m. ceremony was performed by the Rev. Marvin McCullum.

Special vocalists for the occasion were Susan Leach, Kathy Leado, Nancy Hepburn, Michelle Guthrie, Doug Beaumont, Dennis Auer and Brock Rasmussen. They sang "Oh Lord Increase My Faith," and "May the Lord Bless You and Keep You."

The bride appeared before the altar in a full-length, white tulle and rayon gown with lace trim and full leg-of-mutton sleeves. A fingertip veil was accented with a white bow and streamers. She held a bouquet of multicolored mums, carnations, and various other smaller flowers. Long, trailing streamers fell from the base of the bouquet.

Matron of honor was Mrs. Garry (Lynn) Klink of Chelsea. She wore a full-length, gold-colored tulle gown with an off-white lace cape. An off-white bonnet with a tulle bow and streamers to

match the gown completed her attire. She carried one large, off-white mum with gold streamers.

Serving as bridesmaids were Mrs. Marilyn Pajot Robertson, sister of the bride; Mrs. Jean Pajot Smith, sister of the bride, and Elizabeth Pfeifle, also a sister of the bride. Each wore a gown similar to that worn by the matron of honor, but in colors of green, rose and violet. Each also carried one large off-white mum with streamers to match the color of their dresses.

Mrs. Pfeifle, mother of the bride, chose a pink knit, street-length dress for her daughter's wedding, while Mrs. Ferguson, mother of the bridegroom, appeared in a blue stretch knit, street-length dress.

Best man was Garry Klink of Chelsea. Ushers included John Funk of Monroe, Tom Smith of Taylor, and Randall Harris of Chelsea. Ronald Harris was giver of the bride.

At the wedding reception, held at the Chelsea Fairgrounds Service Center, Mrs. Lee Ferguson cut the cake.

Child Study Club Makes Final Plans For Flea Market

Chelsea Child Study Club met Sept. 27 at the home of Ann Schaffner. Guests for the evening were Carol McElroy, Bonnie Murray, and Kay Redding.

During the short business meeting finance chairman Betty Cox reported final plans for the Flea Market "Goodies Galore" to be held Oct. 22 at Sylvan Town Hall, 9 a.m. to 2 p.m.

Speaker for the evening was Allyn Seltz who gave a very informative talk on "Scholarship Know How."

Co-hostesses for the meeting were Carol Collins and Betty Cox.

Next meeting will be at 8 p.m. Oct. 11 at the home of Nita Mills with a speaker from Michigan Kidney Foundation. Guests are welcome at this meeting.

Jaycee Auxiliary Plans Fall Events

Jeanne Messing, of 521 Wilkinson, hosted the Sept. 20 meeting of the Chelsea Jaycee Auxiliary. Barb Baker opened the meeting with her president's report and then called for agenda approval.

Old business included reports on the fun-filled Family Picnic which featured a vigorous volleyball game, the successful District LIA Workshop and a leadership program for the membership attended by Alberta Colby, Carol Smith and Sue Zink.

A request was repeated for old greeting cards so that the Hospital Scrapbook can be organized and completed. This child-oriented picture book will be given to the North Territorial Clinic for their waiting room.

Because of public concern and interest in high blood pressure, the Auxiliary will sponsor another testing clinic in the near future. Plans were made once again to assist the Jaycees with their Chicken Barbecue to be held Oct. 2.

Chelsea Jaycees were invited to participate in the District Softball Challenge, also Oct. 2.

As part of new business, it was decided to take on a project involving the Washtenaw County Humane Society, with Sue Zink as chairman. The project will be a District effort, and it is planned to collect much needed supplies for the Society, such as food, and to educate the community on its services.

It was announced to the membership by the Board that a Kidnap Breakfast had also been scheduled.

Catching up on the "Girl of the Month" award, certificates were given to Ginny Wheaton for her Florida project in June, to Sandy Meyer for work on the Family Campout in July, and to Carol Smith for running the Fair Booth in August. The 1977-78 "90 Day Wonder" award consists of a silver dish engraved with the four winning names to be given to the President at the year's end. First quarter achiever was Lou Tudor because of her many outstanding contributions to the Auxiliary during that period.

A new award was created called the "Boobie." Pam Lewis was the first recipient of the size 54-D cup bra. She was so overwhelmed, the meeting had to be immediately adjourned.

Following the business meeting Mrs. Nancy Dunn, Chelsea's representative on the Washtenaw Cancer Board, and Barbara Lipshutz, a local physician's assistant, were introduced. They presented a film on breast cancer detection and answered questions on the topic from members of the group.

Coffee and cookies were served by Mrs. Mildred Eeles and Mrs. Monica Hanna.

Next meeting will be Oct. 3, 7:30 p.m., with the Rev. Fr. McAllister, chaplain of St. Joseph Mercy Hospital, as the featured speaker.

Martha Earles, chairperson, called the meeting to order and then led the group in devotions and prayer. Devotions were based on a quotation from Leslie Weatherhead, "To Make God Real."

Miss Earles announced future events to be sponsored by the local UMW at local, district and conference levels.

Mrs. Donna Gaunt and Mrs. Elaine McCalla presented the proposed budget for 1978. Upon motion, the two circles accepted the budget.

Mrs. Gaunt also led the pledge service, after which the members made their pledges.

Each circle then met separately for individual meetings. Next general meeting of the UMW is Oct. 5 and will be hosted by Ruth Circle. Volunteers from Ruth Circle who will perform the hosting duties are Mrs. Elaine McCalla, Iva Martin, Audrey McKea and Mary Lou Haas.

The secretary's report was read and accepted with one correction.

Mr. and Mrs. Gregory G. Hebden

Cynthia L. Leach, Gregory Hebden Wed at Congregational Church

Cynthia Lou Leach and Gregory George Hebden of Williamston were wed Saturday, Aug. 27, in First Congregational church, Chelsea, by the Rev. Carl Schwarm.

The 6:30 p.m. evening service was attended by 300 guests.

The bride is the daughter of Mr. and Mrs. Melvin Leach of 40 Cavanaugh Lake and the bridegroom is the son of Mr. and Mrs. Chris Hebden of Mason.

Vocalist for the occasion was Susan Leach of Chelsea, sister of the bride. She sang "Songbird," and "Evergreen."

The bride wore a gown of white tulle, fashioned with a cameo yoke which was outlined with Venice lace applique. Lace applique also formed the crown collar of the gown, edged the long tapered sleeves, and encircled the empire waistline. Lace trimmed the bottom of her A-line skirt and train which swept chapel length. Her short mantilla was edged with matching lace.

Matron of honor was Mrs. Kathy Harat of Ypsilanti, sister of the

bride. She appeared in a soft-colored gown with a V-neckline, draped bodice and full cap sleeves. An A-line skirt fell from the empire waistline.

Serving as bridesmaids were Karen Grimshaw of Ypsilanti, sister of the bride; Marsha Hebden of Lansing, sister of the bridegroom; and Leslie Lixey of Chelsea; and Leslie Hillman of Ann Arbor. Their coral-colored gowns were also designed with a V-neckline, draped bodice, full cap sleeves and an empire waistline.

For her daughter's wedding, Mrs. Leach chose a mint green floor-length knit, while Mrs. Hebden, mother of the bridegroom, wore a yellow chiffon over yellow satin gown fashioned with an empire waistline and yellow chiffon float.

Best man was Rick Hebden, brother of the bridegroom. Ushers included Scott Wood of Okemos; Dennis Forsberg of Holt; Dan Steketee of Mason; and Dave De Rose of Okemos.

The wedding reception, co-hosted by the parents of the bride, was held at St. Louis school. Marsha Boznango, the bridegroom's aunt, poured punch, while Mrs. Marsha Moore, another aunt of the bridegroom, cut the cake. Jody Farley and Debbie Collins tended to the guest book.

Following a three-week wedding trip to South America, the newlyweds returned to Williamston where they now make their home.

The former Miss Leach is a graduate of Chelsea High school and Lansing Business University. Her husband received his associate's degree from Lansing Community College and is now completing his degree in hotel and restaurant management at Michigan State University. He is a 1972 graduate of Okemos High school.

Recall Committee Replies to Supervisor Musolf's Statement

(Continued from page one)

bond to be returned at such time as he can produce and document witnesses to the alleged statement by Fusilier.

"The following comments address the responses made by Musolf in the Sept. 22 issue of this paper.

"PETITION CHARGE: By his own admission, he has stated that he has done nothing for the township.

"FACT: Musolf refers to the board minutes of that meeting for his defense. He does not point out, however, that that portion of the text was a later addition to the minutes. It was added at the next board meeting, one month later, by board resolution. That exchange was included due to the fact that it was a directed question to the supervisor. The text, as recorded in the minutes, is the clerk's best recollection of the exchange as reconstructed one month later.

"The exchange was in fact tape recorded, as was all of the July 11, meeting. The tape clearly records that the following was said:

"Pat Trinkle: Bob, I'm a taxpayer in this township—have been for not quite 20 some years. I'd like you to answer me one question only, and it'll only take maybe one sentence. You've been in this office six months. I'd like to know what you have done for Lima township, that I'm a resident of?"

"Musolf: Nothing. Nothing. Nothing. Nothing. That's what I've done."

"The above taped exchange, as well as other facts discussed herein, can be heard by any interested person. Trustee Wirtz has the tape and anyone is welcome and encouraged to listen to it.

"It is important with this, as other, charges to not lose sight of the initial intent. Although the facts support the charge as it stands, we don't want to get caught up in word games. The real issue is what has Musolf done in his 9 months in office?"

"The answer is obviously, something. Unfortunately, however, it is very little. Most recently it took him almost a week and three attempts just to correctly put his name, position, date, and signature to a Federal Revenue Sharing document. In the various attempts, he wrote on the wrong copy, then only signed but did not bother to check the other requirements. Finally, on the third try, he got it. And this was an easy task! Other

reports and businesses of the township are often similarly retarded.

"On Dec. 15, he was given five letters to sign and mail regarding township business. After three months he had still not gotten around to it. Finally one board member stood over him in March, made him take the time to sign them, and then personally mailed the letters.

"Is this an efficient, concerned, business-like manner of getting things done? Is this the way we want our township run?"

"PETITION CHARGE: He has shown favoritism to some and bias to others in his assessing practices.

"FACT: Musolf plays well with words. It has never been claimed that the supervisor has done anything that deviated from the tax guidelines set up by the state. What is at issue is the way the guidelines are applied. As you can well imagine there is a lot of latitude in their application.

"One out-of-favor resident, for instance, has a driveway assessed at \$4,000. We challenge Musolf to show evidence of that assessing practice applied to other similar structures."

"Regarding Musolf's statement that the Board of Review has approved all assessing decisions, we wonder how many favorably treated residents have protested to the board that their assessments are too low."

"Finally we would like to comment on the supervisor's invitation to examine the tax roll. Three members of this committee attempted to do just that last week. They were not admitted until Musolf was reminded of the freedom of information act, and until Musolf's family made several phone calls to round up 'witnesses.' When we were finally admitted, after standing outside for 10-15 minutes, we were shown into his living room and directed to a seat on the sofa with the tax roll placed on the coffee table. Arranged in a semicircle facing the sofa and coffee table were a dozen or so chairs for the witnesses to sit in. Under these somewhat intimidating circumstances we were allowed to examine the roll while 4 or 5 witnesses, plus Musolf and family members observed and questioned us.

"Is this the kind of open, honest government we want?"

"Any persons contesting tax assessments in past years can verify that past supervisors did not

subject residents to this sort of treatment.

"PETITION CHARGE: He refuses to work constructively with other board members and appointed committees for the benefit of the township.

"FACT: Fifty percent of the board has been replaced since Musolf took office. The two new members have stated that they find Musolf as difficult to work with as the previous ones did, and it is this committee's opinion that they have honestly tried to work with the supervisor. We also cite the letter from Fusilier at the beginning of this reply as evidence of the desire to co-operate. Does this sound like board members blocking progress, or does the supervisor find people difficult to work with because he can't accept or ask for help and co-operation?"

"Is the whole army out of step, or the one soldier?"

"PETITION CHARGE: He consistently distorts and stretches the truth regarding township matters."

"FACT: While there are a great number of instances when the truth has been distorted, the committee can document a significant number just from the tape-recorded events of the July 11 meeting. We cite the following:

"Question from Arlene Barcis: 'What is the status of your assessor's certificate at this point?'"

"Answer from Musolf: 'What is the status? I haven't taken the exam. I have one coming up the 25th of July.'"

"FACT: He wrote the level 1 assessor's certificate examination on April 13, (almost 3 months prior) at the Washtenaw Community College and did not receive a passing score. He was evidently attempting to hide this fact as he had already been reimbursed for tuition. He denied over the next several minutes of the tape that he had said he hadn't taken the exam, and called Township Treasurer Jean Tilt a liar for pointing out that he had said it.

"Statement from Musolf: 'There was 20 people that took the exam and only I passed it out of 20. Does that tell you anything?'"

"FACT: Truly only I passed, however, according to Mr. LaRose from the state assessor's board, only 6 people (not 20) took the exam.

"There are a number of other such 'inaccuracies of truth' on the tape. We invite you to hear them and decide for yourself. A copy of the tape is available for listening at Trustee Wirtz's house.

"PETITION CHARGE: He has violated the state constitution by assessing real property over 50 percent."

"FACTS: Musolf has consistently refused to address the recall charge regarding his assessing practices. Musolf's assessment analysis, as calculated by the County Equalization Department (Form L-4023, page 1) shows an over-all real property assessment ratio of 50.29 percent.

"It is true that the final over-all equalized (not assessed) value is 49.22 percent. This, however, represents a County Equalization Department bookkeeping procedure that shifts numbers to satisfy State Tax Commission requirements. This is part of the equalization process, not the assessing process.

"Hardest hit by Musolf's assessing was the residential class which was assessed at 52.2 percent of true cash value. This means that residential class taxpayers are paying \$22,158 more in taxes this year than they fairly should assuming a 43 mill taxation level. Over the next 10 years this could amount to more than one quarter million dollars in excessive property tax. Yet Musolf refuses to admit or correct his error.

"Had all classes been equally treated this year, the average taxpayers increase would have been about \$43. We believe this is a small price to pay for honest and fair government."

"It is worth commenting here that some concerned citizens have felt that if we recall the supervisor-assessor, the township will have a major unplanned-for expense next year to hire an outside assessor. This is not true. A number of small townships do not have assessors. In this case the county equalization department has the responsibility to adjust the tax roll to the 50 percent valuation level as prescribed by law. Typically there is no charge for this action. Should there be one, an outside assessor working with the newly elected supervisor could update the tax rolls for an estimated \$1,000 or less. It has been done in Lima township in recent years at a cost of \$400."

"In fact, had the county adjusted our tax rolls this year, township residents would have saved \$5,044 in actual taxes, due to the fact that Supervisor Musolf over-stated all real property at 50.29 percent of true value. This is an over-estimate of \$234,605 in cash value of our agricultural, residential, commercial and industrial properties.

"Over-all, Musolf has over-stated the worth of this township by \$1,030,606. Is everyone willing to live with that?"

"PETITION CHARGE: He did not submit a true and accurate statement of election expenses in violation of Michigan Election Law.

"FACT: Musolf 'imagines' the recall committee 'probably was referring to his large newspaper ad.' It's hard to understand why the supervisor has to 'imagine' what we are talking about as it has been freely discussed at open recall meetings with persons from both sides present.

"Yes, Mr. Musolf, we are referring to the ad. Your election expense statement shows an expenditure of \$52.08 for newspaper advertising. That covers your small campaign ads but not your large 1/2-page ad run on July 29, 1976. We find it amazing that a 1/2-page ad which costs over \$100 and comprises about one-third of your campaign budget is totally unknown to you. We suggest that in the open, honest style of government you state you support, it would be in the best interests of the citizens of this township for the person, or persons, paying for your ad to step forward. Certainly there is nothing to hide.

"A word about the legality of your report. The county prosecutor's office advises us that legally hidden campaign contributions of this sort are difficult to prosecute. It is the intent of the law, however, that all contributions be reported. The form you signed, states that the report is a record of all known disbursements made in connection with the campaign. You certainly knew what the ad cost whether or not the money went through your campaign fund. Who placed the ad is irrelevant.

"Even if you had no malice in mind closed doors."

Used Toy Collection Started By Boy Scouts

Good and repairable used toys will be the object of a community-wide search Oct. 8 by members of Chelsea Boy Scout Troop 478.

The Boy Scouts will be assisting Chelsea Social Services in their drive to collect used toys, which will then be given to Senior Citizens and Girl Scouts for repairs. Once the repairs are complete, the toys will be ready for delivery to needy families at Christmas.

Any type of toy is acceptable except for stuffed toys. Anyone in the area who would like some toys picked up by members of Boy Scout Troop 478 should call 475-1526, 475-2850 or 475-8461 before Oct. 7.

"We think the facts presented herein are true and accurate and urge all citizens to verify them for themselves. The recall meetings are open to all, as are the identities of all participating. We encourage the supervisor and his committee to do the same. If they are really for open government, then let them come out from behind closed doors."

"To paraphrase Musolf, this committee wants 'open, clean, honest government.' That, Mr. Supervisor, means actions, not lip service."

"Closing: The other recall charges not itemized in this report relate to the matters herein discussed. To keep this reasonable in length, we have omitted their redundant comments. All charges can be supported in the same detail submitted throughout this document, however.

STOP. DETOUR

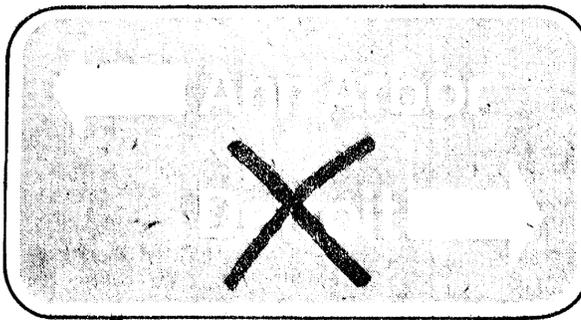

Unless you're crazy about the drive, there's no real reason to drive into Detroit looking for new car bargains. Rampy Chevrolet in Ann Arbor is a lot closer and you'll get the same low prices you find in Detroit—maybe even lower. At Rampy you'll also find the kind of careful, competent, come again service you expect from small town folks who know their neighbors.

You see, Rampy's not just the biggest Chevrolet dealer in Washtenaw County, he's got the biggest dealership of any kind in the country. That means that he's governed by the same kind of high volume economics you've been driving all the way into Detroit to find.

On the other hand, Ann Arbor is a town where people do know each other. Word gets around. And the word is that Rampy gives good service after the sale. As a matter of fact, Rampy's service department has been used as a model for training other Chevrolet dealers.

Isn't it time you took a detour? Before you drive all the way into Detroit looking for a new car... stop at Rampy. We don't think you'll go any further.

Volunteers Needed To Help at Special Olympics Soccer Meet

On Saturday, Oct. 15, the State Special Olympic Soccer Tournament will be held at High Point Center in Ann Arbor.

Sponsored by the Joseph P. Kennedy Foundation, the special Olympics are an athletic competition for the mentally retarded. Ann Arbor is hosting the competition for more than 27 teams of mentally retarded students state-wide.

Douglas Cooper, Washtenaw County director, is organizing the event and is in great need of volunteers to help that day. Officials, runners, timers for skill contests, people to help serve the lunch, McDonald's is providing, and huggers are all in demand. A volunteer need not know anything about soccer to help, but if he or she does, their services

would be all the more valuable. Volunteers may be of any age, male or female.

Nancy Cooper, Chelsea-Marchester Special Olympics coach, has a team that will be in the state meet. She may be contacted by anyone wanting to work as a volunteer. Competition will be from 9 a.m. to 4 p.m. Volunteers will be provided lunch. Mrs. Cooper is available at Chelsea High school, 475-9131, Ext. 49 or by calling 495-2670. Ann Arbor volunteers may contact Doug Cooper at 769-6322 or 498-2679.

Other area teams competing are Dexter High school under the direction of Arlene Winn; Chelsea Junior High, coached by Lynn Zander; St. Louis school and Com-

munity Mental Health coached by Johnny Hill.

Volunteers should try to contact the Coopers before Oct. 7.

JV Gridders Lose, 36-8, To Brighton

(Continued from page one) conversation. They legitimized their lead to 14-0 in the same quarter, this time scoring on a 30-yard running play.

Chelsea marshaled its forces to stop the Brighton attack in the second quarter, but succeeded only in keeping the period scoreless.

Returning from the half-time intermission, Brighton again scored on a seven-yard carry for an impressive 20-0 lead. Brighton's extra point was blocked by Chelsea's Dave Morris.

The local Bulldogs attempted a comeback later in the third period when Shawn Murphy collected six points for Chelsea on a one-yard quarterback sneak. Mike Wood capped the effort with a successful run for extra points, narrowing the gap to 20-8.

The fourth quarter belonged to Brighton as they deposited 16 more points on the scoreboard with touchdowns and two conversion attempts. A 40-yard run opened the set, followed by a three-yard conversion run, an eight-yard touchdown run, and another three-yard run for the final two points.

Defensively, Chelsea was led by Louie Jahnke with 12 tackles; Dave Gawlak, 11; Dave Morris, 11; Sinn Joo Kim, 8; Mike Killea, 7; Dan Kolander, 7; Dan Paggiarini, 6; John LaBarbara, 6; Andy Weir, 5; George Egeler, 5; Brad Knickerbocker, 3; Karl Albrecht, 1; Jeff Boyer, 1; Mark Cole, 1; and Todd Wright, 1.

Mike Killea and Dave Gawlak each intercepted a Brighton pass, while Brad Knickerbocker recovered a Brighton fumble.

This week, we hope to get turned around," Coach Schaffner declared. The JV Bulldogs will face South Lyon, today, Sept. 29, 7 p.m., on their home field.

Gridders of the Week

TOM BAREIS (77) is only a junior, but is already serving his second year on Chelsea's varsity football squad. The 6'1", 248-lb. tackle summed up his job on the field with the phrase, "I have to make sure I block my men!" Although Bareis said the Bulldogs were "in a slump" now, he said the team would use the rest of the season "to go out and stop" the opposition. "We hope to win the rest of our games," he declared. Bareis pointed to Chelsea's game with Novi as the brightest spot in the season thus far. "Although we lost, we played an all-around good game," he recalled. Bareis, who also wrestles for Chelsea High, is the son of Mr. and Mrs. Oscar Bareis of 306 Grant St.

proved in the past week. "We're getting our offense to work, and we've stopped switching plays, which was our downfall," he said. "Now we're sticking with the same thing." Powers is the son of Mr. and Mrs. H. C. Powers of 12650 Scio Church Rd.

JAMES BOLLINGER (79), a tackle for Chelsea's varsity grid team, has always been stationed on defense during his lengthy football career. A second-year veteran of the varsity squad, the 6'1", 250-lb. senior also maintained Novi was Chelsea's best game this season. He blamed "small mistakes by our specialities" for the loss after praising the team's defensive and offensive work. "Our defensive line really did a job against them and our offense moved the ball," he said. As a tackle on the defensive line, Bollinger listed his duties as "watching the ball, keeping blockers off, keeping oil my feet, and moving for the ball." He proclaimed that Chelsea should make a comeback and win its remaining games of the season because "our three toughest games are now out of the way." He predicted if the Bulldog offense succeeded in moving the ball this Friday, Chelsea would win against South Lyon. In addition to football, Bollinger is a member of Chelsea High's wrestling team and the FFA. He is the son of Mr. and Mrs. Paul Bollinger of 19430 Bush Rd.

GROHNERT HONORED: Gerald D. Grohnert of 7129 Bush Rd., is shown with his son, Francis D., at the annual banquet of the State Bar of Michigan, where he was honored for his 50 years of practice in law. He was one of 55 attorneys in Michigan who received plaques from the bar association in Detroit on Wednesday, Thursday and Friday, Sept. 14-16. Grohnert maintains a law office in Dexter.

Real Estate

REALTOR

BE CAUTIOUS WITH DEEDS

Probably the deed to your property is filed away, all but forgotten. Probably you've never checked it since the day it served to pass title from the previous owner to you. Perhaps you didn't even check it then. There may have been no urgent reason to. Nevertheless, an apparently secure deed can turn out to be a worthless piece of paper.

Any of these defects—as well as many others—could make your deed invalid. But defective deeds are the exception, not the rule, so don't be frightened. Just be cautious. And the best way to be cautious is to deal with a reputable real estate professional and a knowledgeable real estate lawyer.

For instance, suppose the deed states the name of the seller, but doesn't contain his signature? Suppose the seller was under 21? Suppose the seller died before you received the deed? Suppose there's an error in the way the deed describes the property?

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

Only 5 Days Left for PP and K Registration

Only five days remain for youngsters in Chelsea to register for the local Punt, Pass & Kick competition.

Palmer Ford is sponsoring the popular youth activity in this area, with Lyle Chriswell, dealership sales manager, directing the local contest. The Chelsea PP&K Competition is scheduled for 6:30 p.m., Monday, Oct. 3, on the high school athletic field.

"Although time is growing short, any youngster 8 through 13 years of age can still compete," said Chriswell. "All a contestant need do is come into our showroom, accompanied by a parent or guardian, and fill out the PP&K registration form." No entry fee or special equipment is required, and participation does not impair a youth's amateur standing.

Chriswell pointed out that trophies will be awarded for 1st, 2nd and 3rd place in the local competition in each of six age groups. Increasing a youngster's chances of winning one of the 18 trophies is the fact that each contestant competes only against

others of the same age. Because there is no body contact, an entrant's size is not as important as his ability to punt, pass and place kick for distance with accuracy.

"Winners can continue on up through the Zone, District, Area and Division contests to the National Finals," the Ford Dealer said. "It's possible that one or more of our local winners could wind up in the finals."

When contestants register, each entrant receives a free PP&K Tips Book. It contains helpful pointers from the pros on punting, passing and kicking. In the 1977 edition are suggestions from NFL stars Marv Bateman, Ken Stabler and others who have taken part in PP&K rules and suggested conditioning exercises for contestants are also included.

This is the 17th anniversary year for PP&K. From its inception the youth activity has been sponsored by the Ford Dealers of America in co-operation with the National Football League. In that time more than 14 million youngsters have taken part in PP&K, making it one of the largest activities of its kind in America.

Girls Cage Team Loses To Brighton

Brighton traveled here Tuesday and caught the Chelsea girls' varsity basketball team on an off-night. Chelsea sank a poor percentage of shots and lost to the one of the league title contenders by a score of 60-32.

The local Bulldogs started strong, finishing the first quarter with a 11-6 lead. However, they then fell prey to poor shooting percentages while Brighton began to take control. Brighton shot 50 percent from the floor.

Leading scorers for Chelsea were Shelley Warren and Nanette Push with 9 points each. Sue Heydlauff scored 6 points, Penny Collinsworth 4, and Tracy Hawker and Tammy Collinsworth scored 2 each. Leading rebounders were Shelley Warren, Tracy Hawker and Nanette Push.

The Chelsea girls' varsity basketball team handed Stockbridge their fifth straight loss prior to the Brighton encounter. Chelsea built their lead from 21-36 at the half to 30-52 at the end of the third quarter. The final score was 64-53.

CATS Offering Bus Ride to Nature Center

Chelsea Area Transportation System, better known as CATS, will initiate a new service for senior citizens and handicapped persons in the local area beginning Oct. 6.

On that date, CATS will operate its first weekly shuttle to the Waterloo Nature Center and Waterloo Recreation Area, with the bus leaving Chelsea at 9:30 a.m., 10:30 a.m. and 11:30 a.m.

Because only three times have been set, those wishing to tour the nature center and surrounding outdoor areas for more than one hour should plan to leave Chelsea at the earliest of the three times and be ready for a return trip to Chelsea at the latest time.

Rides will be booked in groups of eight, and as with regular CATS service, reservations must be made by Wednesday, Oct. 5 or any day prior to Oct. 5, by calling 475-8582 between 9 a.m. and 12:30 p.m. Persons calling to book a ride to the Nature Center should ask for Betty Koch.

Cost of a round-trip ride from Chelsea to the Nature Center and back will be 50 cents.

The Waterloo Nature Center officially opened Sept. 17. A main building on the grounds houses an office and library, a small theater room for showing slides and movies

two larger exhibit areas and restroom facilities.

Primarily the exhibits and the slide show acquaints visitors with the area, giving a little of its background and history, (especially the role played by glaciers) the wildlife and habitat, the plants, and placed to go.

Among the exhibits are a habitat study around a mounted pair of sandhill cranes and the story of glaciation which formed in the Waterloo area. "Live" exhibits include a glass-enclosed working bee-hive, an ant colony, and a case containing 100 turtle eggs in the process of hatching.

There is also an exhibit of Indian artifacts collected by Chelsea's J. V. Burg family over a period of many years. It was donated to the state for display at Waterloo. Old-timers may remember the exhibit, which was once on display in the Chelsea Pharmacy.

Outside of the Nature Center building is a short, black-topped trail leading from the parking lot to the center which is suitable for those in wheel chairs and serves as a nature trail for the handicapped. Eventually, interpretive signs will be put on this trail to explain its natural features.

Seven different foot trails lead off from this entrance path and provide between 6 and 7 miles of hiking through various habitats, including an old field, an "oak woods," and "lowland woods," a trail emphasizing geology in the Waterloo Recreation Area Headquarters, and one to a spring pond.

Two others, to a bog and beech woods, are reserved for naturalist-conducted tours since they are more fragile.

Printed guides to the trails are available at the center or at the Waterloo Recreation Area Headquarters on McClure Rd.

Harriers Split With Northwest, Brighton

Chelsea harriers ended their second week of action with a split Thursday when they returned from a 26-31 triumph over Jackson Northwest to clash in a losing cause with league power Brighton. Brighton thundered by the local Bulldogs, 16-47.

Placing for Chelsea in Thursday's meet were Dave Dawson, 5th, 16:47; Scott Beyer, 11th, 18:15; Steve Kvarnberg, 14th, 18:27; Randy Harris, 17th, 18:39; and Mark Beyer, 20th, 19:05.

"Captain Dave Dawson ran extremely well in a race where the first three Brighton runners broke the Inverness course record," Coach Pat Clarke praised. "The record was lowered from 16:18 to 16:02."

Dawson, along with junior Chris Minick, were singled out by Coach Clarke as the two runners primarily responsible for Chelsea's win over Jackson, Sept. 20. Dawson finished first with his best (Continued on page nine)

Evangelist To Speak At N. Sharon Church

Dr. Jim Lyons, Evangelist from Garland, Tex., will speak each evening, Oct. 2-7, 7 p.m., at North Sharon Bible church, corner of Sylvan and Washburn Rds., near Grass Lake. The Rev. Ronald C. Purkey is parish pastor.

A native of Texas, Dr. Lyons resigned a position as division buyer for the Kraft Foods Co. to enter the ministry. He first served as associate pastor at Miller Road Baptist church in Garland, then known as the "fastest growing church in the world."

Evangelist Lyons was next reassigned as associate pastor to Dr. Jack Hyles at the famous First Baptist church, Hammond, Ind., where he served for five years. This church now has the largest Sunday school in the United States.

Dr. Lyons has been in the evangelistic field since 1965 and has conducted meetings in more than 25 states. He has traveled as far east as the West Indies Islands and as far west as Hawaii, conducting a total of more than 250 meetings.

When asked about his beliefs, Dr. Lyons replied, "You can put me in the same category as Billy Sunday and D. L. Moody. I believe in a Bible that is flawless, a Christ who was virgin born and literally resurrected from the grave, a heaven with streets of gold and a hell with eternal fire. If I didn't believe that I would have the integrity to get out of the ministry."

DR. JIM LYONS

The public is invited to attend these meetings. A nursery will be provided for every service. More information may be obtained by calling the church office at 428-7222.

North Sharon Bible church Sunday services, Oct. 2, with Dr. Lyons as guest minister, will be at 10 a.m., 11 a.m., and 7 p.m.

GOP LEADERS in the area flocked to Chelsea Fairgrounds Sunday for the annual Republican Party Picnic where they participated in informal party talks and fun. The event drew a cross-section of Republican officials from Lansing, as well as nearby community areas. Some of the more noteworthy individuals attending the get-together are pictured above. Front row, from left, are State Representative Roy Smith, Washtenaw County Commissioner Wendell Allen, Congressman Carl Pursell, District Judge

Thomas Shea, Sheriff Tom Minick, Undersheriff Curt Orsinger, Ann Arbor City Councilman Lou Belcher and State Representative Mike Conlin. Back row, from left, are District Judge S. J. Elden, Washtenaw County Commissioner Herbert Ellis, Dexter Township Supervisor John Tandy, State Highway Commission Chairman Peter Fletcher and Washtenaw County Republican Chairman Ray Smit.

Cager of the Week

TRACY HAWKER (20), a forward for Chelsea High's girls basketball team, said she "went out for basketball" three years ago just because she "liked it." The 5'7" cager is now entering her second year as a member of the varsity squad and predicts this year's team "will end up in one of the top spots" in the SEC league. Hawker estimates that Chelsea's game with Milan Oct. 11 will be its toughest one to date. But, she claims her team will be up to the competition because "we're really passing the ball, hustling, and getting the ball down the court." Hawker contributes to the team effort as a leading rebounder and further aids the team with her ability to shoot from under the basket. She declared that Chelsea's game against Dexter has been the team's best this season because rebounding and scoring percentages were high. In addition to basketball, Hawker is a co-captain for Chelsea High's softball team and is one of the head flag bearers in the CHS band. She is the daughter of Mr. and Mrs. Larry Hawker of 16919 Heim Rd.

Apple Butter Festival Slated at Unadilla

Apple butter, to be made on sight in an old-fashioned copper kettle, will be the featured attraction of the 1977 annual Apple Butter Festival, sponsored by the Unadilla Presbyterian church.

This year's event will be Saturday, Oct. 1, 10 a.m. to 5 p.m. in Unadilla (between Chelsea and Lansing), just north of the Unadilla Store.

In addition to freshly made apple butter, donuts, home-made baked goods, a flea market, bazaar items, refreshments and cider will be offered.

The public is invited to attend this unique function, and witness one of the area's most timeless arts.

The United States signed its first treaty on Sept. 17, 1778 with the Delaware Indians. Later treaties featured specially minted medals, many of which are on display at Henry Ford Museum, Dearborn.

Rebekkah Lodge Resumes Meetings

Following a two-month recess, officers and members of Chelsea Rebekkah Lodge No. 130 gathered Sept. 20 for their first meeting of the 1977-78 year. Noble Grand Helen Harris was her own refreshment committee.

Committee women Mrs. Jo Hochrein and Mrs. Lucille Alstaetter reported on their summer projects. Mrs. Hochrein directed the sale of dishcloths and Mrs. Alstaetter directed cutlery sales.

Another report followed on the luncheon for Jackson's Cascadettes, who marched in the Community Fair Parade. Rebekkah Lodge hosted the marching unit after their performance in the parade.

Members were informed that several persons who had been suffering from various illnesses were now on the recovery list. They included Mrs. Clara Johnson, who had open heart surgery; Mrs. Eva Barber, who had been hospitalized; and Carl Sanderson, who had also been hospitalized.

The group is planning a rummage sale for Oct. 28 in Sylvan Town Hall. The sale was originally scheduled for another time, but because of the limited availability of the Town Hall, the original date was changed. Members were reminded to tell their friends and relatives about the date change.

Members of the local Lodge have been invited to Dexter Harmony Lodge for the District Officers' Visitation, Monday, Oct. 3.

In other announcements, PNG club will meet at the home of Mrs. Mary Ann Coltre, Oct. 11, for a pot-luck and business session, beginning at 6:30 p.m. Next regular meeting of Rebekkah Lodge will be Oct. 4, with Mrs. Jo Hochrein and Mrs. Marian Pickell serving as co-chairmen for the meeting.

Those in the local Lodge who recently celebrated birthdays are Mrs. Lillian Sanderson, Mrs. Mary Ann Coltre, Mrs. Flora Weber and Ruth Perkins.

Letters to the Editor

To the Editor:
Out in Lima township there is a great deal of heated discussion, a pending recall election, and 9 months of wasted time have gone by. If there is anyone thing that Bob Musolf is guilty of, it is that he did not act with enough vigor and expediency at township meetings. Bob is not alone in this error. In fact, he is not as responsible as the board members who hold office with him. These public servants made it known by action and word some time ago that they had decided not to support Bob, that board meetings were not where they intended to get meaningful matters settled, and that they would agree to "get Bob out."

There is a joke, that is not funny going around about Lima board meetings being better than a Barnum & Bailey Circus. Anyone should be ashamed to be a part of this kind of public meeting. Several people, including board members, are apparently enjoying this as they add to it. Cheers, foul language, note passing, statements bordering on slander, and just plain loud-mouthed actions do not give Bob Musolf much basis for conducting productive business.

A board agenda must be prepared prior to the meetings. Three to five minute presentations on pending matters should be arranged for by residents prior to the agenda printing. The total board must then sanction and adhere strictly to the agenda with the dissidents being "thrown out of the meeting room." When this happens, Lima township business can be handled by the elected board and the township residents will be satisfied that at least five people have tried!

In order to get Lima government working for the people by the people, vote NO on the recall of Bob Musolf. Then support him by letting the entire board know that they must work for you by having business meetings, not side shows.

Jack Bradbury.

To the Editor:
I have read Robert Musolf's "answers" to the charges stated in the Recall Petition, the first time with much amusement as the answers sounded like something a 5th or 6th grade child would come up with. A little later I re-read the "answers" only this time in anger!

In the first place, I do not need Wally Fusilier or anyone else to think for me as Mr. Musolf implied was true for all the Recall Committee. I have a mind of my own, can reach what I feel are fair, honest judgements without anyone telling me what to say or do, what to support or not to support. Lima township residents that have been attending the regular monthly meetings are aware of what is true and what is false.

For many years the Lima Township Board has worked in close harmony. A short time after Mr. Musolf took office, everything went to pot. To attend a regular meeting was like going to a circus. When Mr. Musolf backed himself into a corner, he would refuse to discuss the issues and on at least two occasions, just said meeting adjourned and walked out. We do not need a person who walks out when the going gets rough—we need someone to get the job done.

Since Mr. Musolf has become aware that recall proceedings have been started, the regular monthly meetings have run so smooth that it is sickening—to learn a person can be so two-faced!

To me the campaign funds spent by Mr. Musolf aren't legal but as far as I am concerned, should not be a major issue. I can almost live with that. What I cannot live with is a person, in any position, being dishonest with the people his position entitles him to govern.

On occasion I have heard Mr. Musolf say "I am the Supervisor of Lima township and I will run it the way I see fit." If this is government for the people and by the people—then our township is in serious trouble.

Residents of Lima township don't just sit on your fannies—if you really and truly don't know the facts and issues; there are people that do—pick up your phone—make some calls. Make it your business to find out. Weekly meetings of the Recall Committee are being held every Monday evening at 7:30 at Lima Town Hall except the Oct. 3 meeting will be held on Tuesday, Oct. 4, at 7:30 p.m. Everyone is welcome to attend we need all the support you can give us. After you have learned the facts, make sure you and your neighbors are registered and get out and vote to remove Mr. Musolf from office—heaven help us all if we fail!

America's future. Dairy Farmers want to be a part of it. and we hope the feeling is mutual.

Mutual effort is what makes Michigan Milk Producers Association work. For the dairy farmers who make up MMPA. For you, the consumer.

For sixty-one years, we have been a cooperative owned and controlled by the dairy farmers we serve. And we're still working together to keep our farms and marketing system productive and efficient.

Though there are now only about one-third as many Michigan dairy farms as there were twenty years ago, our cooperative efforts and advancements in dairy farming technology continue to assure you an adequate supply of quality milk, delivered where and when it's needed. We at MMPA believe the dairy farmer is important to America's future. Just as you are important to the future of the dairy farmer.

But preserving the American dairy farming industry requires a mutual, united effort. That's why dairy farmers of MMPA work to stay together.
