Lima Board, Supervisor In Deadlock

An hour-long stand-off between Lima Township Board members and Lima Supervisor Robert Musolf, who faces a recall election Oct. 25, ended in a walk-out by the supervisor during Monday evening's regular board meeting.

Shortly after the meeting got underway, Treasurer Jean Tilt, Clerk Arlene Bareis and Trustees Harold Gross and Robert Wirtz asked Musolf to explain his statements, published in the Chelsea Standard and The Dexter Leader, which assailed the competence of the board members and accused them of failing to co-operate.

These statements had been made by Musolf in his response to charges leveled against him by the recall committee. The committee charges Musolf with violation of the State Constitution in his past property assessments, showing favoritism to some and bias to others in his assessing practice, refusing to work with board members, showing a lack of integrity in dealing with people, distorting the truth in dealing with township matters, and doing nothing for the township.

Musolf, elected to a first term last November, denies the charges, claiming he has evidence to disprove them, while the committee says it can document the charges and proceeded to do so to some extent in last week's issues of The Standard and The Leader.

"Is this going to be 'Get Musolf out'?" the supervisor inquired

sarcastically Monday evening following the board's questions.

"I don't intend to answer any questions," he continued, adding "this is not township business."

"Yes it is, attacking the board," Tilt countered. When she later asked Musolf where he would answer the board's questions if not at the meeting, Musolf said, "I can do it in the newspapers."

Tilt motioned that no township business be conducted until the supervisor answered the board members' questions, but Musolf claimed the motion was "out of order." A check of Robert's Rules of Order revealed that the motion was indeed correct, and that the meeting could not proceed until the board's questions were answered.

However, Musolf continued to call for the minutes of the last meeting, saying, "Let's get the meeting going. I'm not answering any questions until after the recall."

"These questions need to be answered first," Tilt replied. "Do you think we'd lie down and let you walk over us?"

In the meantime, some of the 50 people present at the meeting began urging the supervisor to respond to the motion. When Musolf refused to budge from his stand on the motion, one Lima resident asked him to at least explain why he would not. Musolf's response was again to state the

Fortune Industries Workers End Strike

A six-week strike at Fortune Industries, 11770 Dexter-Chelsea Rd., ended last Friday when union workers at the local abrasives manufacturing firm voted 23-11 to ratify a new three-year contract. The strike had affected 43 UAW Local 37 workers at the plant.

Terms of the new pact include a shift from the second and third year monies to the first year in a three-year total wage increase, an additional 5 cents per hour to the company's original \$2.03 per hour pay increase over three years, and a clearly spelled out Christmas package, according to Larry Howard, president of the UAW Local 437 unit at Fortune Industries.

Leonard Fortune, manager of Fortune Industries, refused to comment on the terms of the new contract agreement, but indicated the company was satisfied with the accord that had been reached.

"It was a dispute over the increase in first-year monies that had been stopping our progress toward an agreement," Howard reported in discussing the strike which was the first to hit Fortune Industries and one which broke all

longevity records for strikes at plants in the local area.

The settlement came after a state arbitrator, and both the international representative and the assistant regional representative for UAW Local 437, agreed to sit in on contract talks.

Concern on the part of Fortune that the lengthy labor dispute would result in the loss of a substantial amount of the local firm's business appeared unfounded according to a comment made by Howard following the settlement. "We haven't lost that much business because the workers seem pretty busy at the present time," he said.

During the course of the strike, several acts of vandalism were reported by management and salaried workers who continued to report for work. The disturbances led to the company's employment of two off-duty Sheriff's deputies to patrol the plant grounds nightly for the duration of the strike.

Fortune Industries is owned by Life Resources, Inc. (LRI), headquartered in Colton, Calif. The company was founded by the current plant manager 25 years ago.

NEW CHELSEA KIWANIS CLUB OFFICERS for the 1977-78 year were installed into office Monday by Kiwanis Division 10 Lt. Governor Jesse Knight of Howell during a special ceremony in the dining room of Chelsea Community Hospital. From left, are Tony Raduazzo, director; Homer Kuhl, director; Floyd Fowler, secretary; Paul Frisinger, past president; Eugene "Lucky" Duhamel, president; Lt. Gov. Knight; Weldon Harbough, vice-president; James Liebeck, past Lt. Governor; Harold W. Rickerman, Jr., treasurer; and Jack Dettling, past treasurer. Vice-president Elmer Kiel was not present for the photo.

Mobil Station Robbed By Lone Gunman

An otherwise quiet week for Chelsea Police was marred early Wednesday, Sept. 28, by the report of an armed robbery at Mauzy's Mobil Service, 1629 Chelsea-Manchester Rd. Taken in the alleged hold-up were \$275 in small denominations and a number of Mobil Credit cards receipts.

The theft was reported to Chelsea Police at 3:45 a.m. Wednesday by John B. Longnecker of Jackson, who was working as a station attendant at the time.

According to Longnecker, he was approached by a man, described as about 5'3", weighing 130 lbs., and wearing an Army fatigue jacket and pants, black gloves, and a white mask over his head, after the man entered the station through the front door.

The man pointed a small black steel automatic pistol at the station attendant demanding money "and to hurry it up," Longnecker reported. Not waiting until the till or cash register was empty, the thief grabbed the larger bills, dropping a \$10 bill and two \$1 bills on the floor behind the counter.

Longnecker said the robber then ran out the back door, heading north, turned east behind the station, ran down a hill, and disappeared into the wooded area behind the station.

The attendant returned to the station and used the telephone to summon police.

Within a minute, Chelsea Patrolman Dave Peebles had responded to the call and arrived at the Mobil Station along with a patrol unit from the Washtenaw County Sheriff's Department. After receiving a description of the suspect and the direction of his escape,

Open House Slated for Fire Prevention Week

In conjunction with National Fire Prevention Week, Oct. 9-15, the Chelsea Fire Department will conduct an open house at the local fire station, Oct. 15, from 1 to 5 p.m.

Area residents are invited to visit the station to find out how to prevent common household fires and to watch firemen demonstrate the use of various pieces of firefighting equipment, including a tool commonly called "jaws," which is used to extricate accident victims from steel or heavy metal enclosures.

Also as a part of Fire Prevention Week, local firemen will join approximately 150 firemen from 17 area fire departments in the parking lot of Meijer's Thrifty Acres in Ann Arbor, Saturday, Oct. 8, to publicly demonstrate the latest techniques for combatting fires and performing rescue operations.

First Kiwanis Travel Film Slated Saturday

The land, people and culture of Sweden, as documented by Ric Dougherty, a world traveler and nationally known filmmaker, will be the focus of "Sweden—A Midsummer Dream," the opening presentation in the Chelsea Kiwanis Club's 17th annual Travel and Adventure series. The film and accompanying commentary will begin at 8 p.m. this Saturday, Oct. 8, in the Chelsea High school auditorium.

Highlights of the travelogue presentation will include visits to Stockholm's Deer Park, Royal Palace and the bustling Stockholm Harbor. Viewers will discover why Stockholm is called the "Venice of the North," and will experience the Swedish countryside, festivals, traditions and interesting crafts such as glass making.

Along with Stockholm, visits to Goteborg, Helsingborg, Malmo and Kiruna will be part of Saturday night's itinerary.

Dougherty, who will narrate the film presentation, was born in Indianapolis, Ind. At the age of 14, he enlisted in the Marines and spent five years of World War II with the Fleet Marine Force in the Pacific.

After the war years, Dougherty

RIC DOUGHERTY

pursued a career in furniture manufacturing and importing. It was through this occupation that he was drawn to the field of travelogue filmmaking.

While he was traveling abroad during the course of his work, Dougherty found real enjoyment in seeing new places, and especially

JV Gridders Down S. Lyon In 3rd Quarter

It took Chelsea's JV gridders only nine minutes to resolve last Thursday's league battle, with South Lyon as they took the Lions' third-quarter kickoff 64 yards, ended the drive with a one-yard touchdown plunge, and then collected on a two-point conversion to blank South Lyon, 8-0.

Chelsea's defense played a superb game as South Lyon gained only 68 yards all night. Chelsea Coach Jon Schaffner said.

The game got off to a slow start as neither team moved on offense in the first period, and instead relied on the power of their defensive lines.

In the second quarter, Chelsea broke the deadlock by moving deep into South Lyon territory, but a penalty stopped their drive at the five-yard line.

The Bulldogs came back in the third quarter with the 64-yard march and Shawn Murphy's one-yard touchdown run. Mike Wood carried the ball for the two-point conversion.

South Lyon attempted to close the gap in the final period, intercepting a pass on the Chelsea 27 and then moving the ball to the Chelsea 8. However, the Bulldogs defense stopped the Lions and forced them to retire in defeat.

Leading tacklers for Chelsea were Lou Jahnke and Mike Kilelea with 14 each; followed by John LaBarbara, 9; Keith Stillion, 7; Dave Morris, 6; Dave

Bulldogs Down South Lyon for First Victory

Chelsea High's varsity grid squad erupted with two fourth-quarter touchdowns Friday night to upset the previously unbeaten South Lyon Lions, 14-13, and break a three-game losing streak.

Jeff Powell's five-yard touchdown run climaxed a 48-yard Bulldog drive to tie the score at 1:56 to go in the game. Bob Gottfried then kicked his second extra point of the evening for the victory.

After a scoreless first-half, South Lyon was first on the board with a 16-yard run by Jeff Bridson at 2:54 in the third quarter. The Lions then kicked for the extra point but the effort fell wide to the left.

In the fourth period, the Bulldogs recovered a fumbled punt and drove 14 yards to score early

in the period on a seven-yard sprint by Al Augustine. Chelsea edged ahead of South Lyon when Gottfried kicked in his first extra point in the game.

However, some three minutes later, South Lyon collected seven more points on another touchdown run by Bridson and an extra point kick by Randy Lewis. But the effort was eclipsed by Chelsea's last-minute touchdown play.

Leading tacklers for the Bulldogs were Phil Steinhauer with 8; Al Augustine, 7; Dave Schrotenboer and Steve Pennington, 5 each; Scott Powers, 4; and Rick Beeman 2. Don Harris recovered the South Lyon fumble in the fourth quarter.

Now 1-3 for the season, the Bulldogs will face Milan here Friday for their Homecoming Game.

Golf Team Boasting 8-3 Season Record

Chelsea High's golf team completed an outstanding week of competition Monday to raise its season record to 8-3. If the Bulldogs win their remaining three league matches, they will enter their conference meet with 1 win and 3 losses and will contend with Milan and Saline for the conference title.

Chelsea opened the week by placing second among an eight-team field in the Dexter Invitational, Monday, Sept. 26.

The following day the team traveled to South Lyon for a closely played triangular contest with South Lyon and Milan. The Bulldogs defeated their hosts, but were edged two strokes by Milan.

On Wednesday, Sept. 28, Chelsea avenged an earlier loss to Saline by plunging past the Hornets as well as Dexter in a meet played on the local course at Inverness.

Chelsea won two more Thursday when the team traveled to Novi. Novi and Lincoln were no match for the hot shooting Bulldogs, according to Coach Pat Wade.

Chelsea golfers invaded Pinckney Monday to wrap up the week in a strong 10-team tournament. When the day had ended, Chelsea found itself in a second place tie with Pinckney. Powerful Grand Ledge, a Class "A" school, won the contest. Charlie Bridges and

Free Blood Pressure Clinic Slated Saturday

Chelsea Jaycee Auxiliary will sponsor a free blood pressure screening clinic Saturday, Oct. 8, in co-operation with the American Red Cross. The clinic will be conducted from 9 a.m. to 1 p.m. in the VFW Hall at 105 N. Main St.

Purpose of the clinic is to underscore the need for proper health care, and to make people aware of their blood pressure count, whether it is low, normal or high.

Registered nurses will measure the blood pressure of those attending the clinic. Results of the check will determine whether or not further medical attention is warranted.

All area residents are urged to participate in this free opportunity which could well prevent the rise of future medical problems. Auxiliary members co-chairing the blood pressure clinic are Jeanne Messing and Louise Pente.

CHICKEN BARBECUE: Although business was described as "slower than in past years" by Jaycee Mitch Zink, he added that Sunday's annual Jaycee Chicken Barbecue and Fall Color Tour was still an undisputed success as the 1,500 roasted chicken sales sold out shortly after 5 p.m. Sunny skies and crisp fall weather brought out a fairly steady stream of people, many of whom chose to pick up

L. Lancaster Buys Card and Gift Store

Chelsea Card & Gift Store, located at 116 S. Main St., officially changed hands Oct. 1, when it was purchased by Laurie Lancaster from Murphy, Lancaster & Schumann, current owners of Chelsea Pharmacy.

Miss Lancaster, who termed the store "well-supported in the community," stated she intends to make no immediate changes in the business, but indicated she would make alterations as she "sees fit" in the future.

Miss Lancaster further stated she will continue operating the business under the name of Chelsea Card & Gift Shop for the present time.

As the new owner, Miss Lancaster will continue to employ two former staff members, Mable War-

ner and Gayle Murphy. However, Eve Policht, former store manager has decided to remain working for Murphy, Lancaster & Schumann, and as a result, will supervise the cosmetics department at Chelsea Pharmacy.

Miss Lancaster gained her retail experience while employed by Chelsea Pharmacy several years ago. Prior to assuming ownership of Chelsea Card and Gift, she was employed as an executive secretary by Dr. Michael Papo at Chelsea Medical Center.

Originally from Chelsea, Miss Lancaster now resides in Ann Arbor.

Chelsea Card & Gift was once the location of Fenn's Drug Store and later, the Budgetwise Discount Store.

MEN OF VISION: Dale Schumann, of Chelsea Pharmacy, accepts a canister for the collection of old eyeglasses and hearing aids from Chelsea Lions Sight Conservation Committee member Lou Depping, right. The local Lions Club is collecting reading glasses and hearing aids to be sent to Tanzania where they will be matched with prescriptions and distributed to those with sight problems. In addition to Chelsea Pharmacy, canisters for the collection of the eyeglasses and hearing aids have been placed in Chelsea

State Bank, Chelsea Chrysler Proving Grounds, Federal Screw Works, Chelsea Products, Chelsea Lumber Co., Chelsea Milling Co., Ann Arbor Federal and Savings in Chelsea, Winans Jewelry Store, Chelsea's Rockwell Plant, Central Fibre Products, and Dr. William Hawk's office in Chelsea Medical Center. Dr. G. H. Daya, an International Lions Club member and chairman of the Tanzania Society for the Blind, will be responsible for distribution of the glasses and hearing aids.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

The fellows had what you might call a routine session at the country store Saturday night. The took up Congress, banking, budgets and, natural, they found room for wimmen on the agenda. And when all was said and done, a heap more was said than done. The fellows dug straight to the root of all evils facing man in the world today, and they come up with their usual remedy. They viewed with alarm, they denounced and deplored and they set back to wait for things to get better.

Bug Hookum said Congress deals with inflation that way. He said Congress controls inflation the way farmers control the weather. Both take what comes, and then they pass the blame and claim the credit. Bug called this following the natural course of events, and he allowed he keeps his cows in the pasture using this system. Since 80 percent of the cows never think about getting out, it ain't hardly worth the effort to mend the fences for the rest. And if there's just one or two breaks in the fence, Bug said it still is solid enough to satisfy the majority.

Congressmen give high prices this same treatment, Bug said. They wait the situation out, and one morning they pick up the paper and find the wholesale index, or whatever they go by, went up a tenth of a per cent less this month than last month. Then they hurry to the office and put out a state-

ment for the folks back home, saying their hard work is paying off and that they knowed all the time that the country is "fundamentally sound."

A unusual turn at the session was that Republican Ed Doolittle and Democrat Clem Webster found a little patch of common ground to stand on. Clem allowed that he never understood all the noise over Banker Bert, the President's recent departed budget man. Clem said that right down the line, as far as he could read, Bert had stayed within the law in his bank dealings, and he doubted anybody in high level finance could come much cleaner. Ed said he wasn't ready to buy the line that all Bert done is common banking practice, but he would agree with Clem that all that come out about Carter's budget chief proved he was the man for the job. If anybody ought to be expert at using loans to stand good for more loans and using the same loan to cover two more it's the fellow that makes up the U.S. budget, was Ed's words.

It was Zeke Grubb that said understanding how wimmen think about budgets probable is the first step to getting a line on Government financing formulators. For instance, Zeke said, a man wouldn't think in terms of \$200 when he bought a pair of socks, but a woman does. If she spots a pair of \$5 earrings on sale for \$3.98, to her mind that's the start of a chain reaction. You got to have

Tight Lobbyist Control Expected

Not if, but just how much regulation should be imposed on lobbyists will be a major question facing the legislature during the fall session.

Everyone, even lobbyists themselves, seem to agree there should be regulations, but debate will center around who should be included under the definition of a lobbying requirements should be.

Currently a bill is pending in the Senate Municipalities and Elections Committee requiring registration, filing quarterly statements or total expenditures, listing names and addresses of public officials for whom at least \$1 was spent on food and drink and reporting of all financial transactions between the lobbyist and public officials or family involving more than \$500. Similar lobbyist reform was struck down in a 1975 Supreme Court ruling which made the omnibus political reform act unconstitutional on grounds the act embodied more than one subject area.

Testimony during a recent series of public hearings was generally supportive of the registration provision.

However, objections surfaced over an exemption of government lobbyists such as representatives of the governor's office, other staff lobbyists from various state departments and religious groups. The \$1 expenditure reporting was also criticized in that it would ultimately impair the public's right to know as more significant expenditures would become more deeply buried in the great number of smaller items on file.

Tighter control on lobbyists appears inevitable. Who is to be covered, the degree of control and penalties are yet to be hammered out. A new law, however, is expected to be on the books by early 1978.

Lemon/Aid

Consumers were given another tool for filing complaints against automobile dealers when vehicles are believed to be not operating properly and no satisfactory solution has been reached between the consumer and the individual dealer.

a hat to go with the earrings, and shoes to match the hat and you can't go out with all that new stuff on wearing an old frock, so there you are. And the beauty of the whole arrangement, Zeke went on, is that she can pay Yours truly,
Uncle Lew.

Promising to "provide something for everyone," Tom Balistreri, varsity basketball coach at Chelsea High school, was appointed director of the Chelsea Area Recreation Council last night. He replaces Ken Larson who resigned recently.

Land proposed for Mill Creek Park was the soil that grew Sylvester Weber's pumpkin that measures 76 inches in circumference. Weber, whose pumpkin is presently on display at Jiffy Market, declares, "We say save the good farm land and develop some of the thousands of acres of park land we already have."

At the turn of the century, Chelsea firefighters were actually bucket-brigade who managed to secure water for their rubber pants from hopefully nearby wells or cisterns. By the approval of the Village Council last Tuesday, Chelsea Fire Department, which now possesses five trucks of varying ages, will begin to accept bids for an all-new model truck to better serve the needs of the community.

Waterloo Recreation Area park manager Jim Andrus, who a little less than a year ago predicted for himself "a pleasant tour of two to six years before the travel bug bites again," has been promoted to the district park supervisor position for the Gaylord area. Mr. and Mrs. Walter Mohrlock and Mr. and Mrs. Lloyd Heydlauff returned Saturday night from a 10-day hunting expedition to Long Lac, in northern Ontario, Canada, with a 1,000-lb. cow moose Mohrlock had downed Thursday. Ralph Guenther, who had spent the week nearby, trucked the moose to Chelsea.

Eight candidates are vying for the 1963 Homecoming Queen title. Crowning ceremonies will take place at half-time during the Chelsea-Pinckney game tomorrow night. The eight are Sue Gardner, Beverly Arnett, Rose Porter, Linda Meehan, Lauralyn Johnson, Cathy Taylor, Carolyn Smith and Lynne Heard.

The Chelsea Recreation Commission has announced its plans for classes in auto mechanics, men's physical education, guitar

Drinking Age

Voters may have the opportunity to return the legal drinking age to 21 by constitutional amendment if a petition drive is successful.

Responding to problems of alcohol in the schools and the legislature's inactivity of increasing the legal age from 18, a newly formed "Coalition for 21" will seek to collect 400,000 signatures to place the question on the 1978 ballot.

Major support is expected from educational groups such as PTAs and the Michigan Education Association.

The Senate has approved legislation to raise the legal age to 19 but coalition feels the issue will die in the House Civil Rights Committee, a panel they contend is unsympathetic to the issue.

Almost 5 million recipients of Veterans Administration compensation and pension checks are being encouraged to have their monthly payments deposited electronically in their banks.

Gridders of the Week

GARY THORNTON (86), a first-year member of the varsity Bulldog grid squad, is an offensive end for the team, a position he has played since he began football four years ago. While a member of Chelsea's freshman squad three years ago, the 6'0", 155-lb. junior was voted Most Valuable Player. As an end, Thornton describes his job as "doing a lot of passing and blocking." The gridder speculated that Chelsea's game with South Lyon was probably the team's best this season "because we won." Prior to the game, South Lyon had been undefeated. Thornton claimed that although the Bulldog defensive line was the most improved part of the team since the season began, it has also been Chelsea's greatest asset in keeping the margin of defeat low in losses. As a person I best game this year, Thornton cited Chelsea's opening game with Tecumseh "because over-all, I did better in that game than any others." With four of their toughest opponents behind them, Thornton predicts Chelsea griders will "probably come out third in the league when the 1977 season ends. In working towards that goal, Thornton declared that the Bulldogs would beat Milan during their homecoming game Friday "because Milan is mostly a passing team and our defense should have no problem with that strategy." Thornton is the son of Mr. and Mrs. Robert Thornton of 14215 Riker Rd.

DOUG CLARK (24), a veteran halfback, also joined Chelsea's varsity football squad for the first time this season. As a halfback, he said his responsibility is "mostly to run with the ball and to block once in a while." Along with last week's South Lyon game, the 5'8", 120-lb. junior pegged Chelsea's game with Novi as one of the team's best this season. "We did well against Novi and should

have won," he noted. Out with an injury since the season opened, Clark was back in action for the first time last week against South Lyon. He predicts Chelsea will do well during the remainder of the year because "now that we've won a game, we know we can do it." Joining Thornton in his assessment that Chelsea will defeat Milan this Friday, Clark also claimed that the Bulldogs "have a good pass defense and Milan is mostly a passing team." He added that Chelsea "was getting fired up" and would be "ready to play" in the contest. Describing this year's over-all competition as "pretty tough, but average," Clark said Chelsea was still a threat to rivals because "we have pretty good size, speed and all-around talent." He is the son of Mr. and Mrs. Richard Clark of 12810 Lulick Dr.

JEFF EIBLER (85), a first-year member of the varsity squad along with his two teammates in the photo, claimed Chelsea's biggest improvement as a team this season has been "we don't make mistakes anymore." He added that this was the reason the Bulldogs edged out South Lyon last Friday. The 6'0", 160-lb. junior is an end this season, a position he began playing when he first started football as a member of Chelsea's inter-mural squad. As an end, Eibler said, "I first must catch the ball and then make sure I run with it." He cited the team's game with Novi as his best this season, defining that choice by saying he played most of the game and made few mistakes. Acknowledging this year's competition as "pretty good with a lot of tough guys out there," Eibler joined his teammates in predicting a victory for Chelsea against Milan this Friday. Eibler is the son of Mr. and Mrs. John Eibler of 13752 Edgewater Dr., Gregory.

Ground Broken Saturday for New Girl Scout Troop House

Ground was broken Saturday, Oct. 1, for construction of a \$120,000 troop house by the Huron Valley Girl Scout Council. The construction contract was awarded by the organization's board of directors Tuesday, Sept. 20, for the troop house which will be built at the organization's 50-acre Camp

Crawford at 8483 Crane Rd., in Washtenaw county. The 32-member board reviewed elevation drawings of the 4,100-square foot structure designed by architect Donald D. McCullan of Ann Arbor. The construction contract was awarded to B-V Construction Co. of Milan, Walter Zaszczurynski.

The building is to be financed by a \$40,000 grant from the Detroit United Foundation Capital Funds Drive as well as profits from the 1978 Girl Scout Cookie Sale and funds accumulated from prior years' sales. The building is scheduled to be completed in the spring of 1978.

The combination troop house and caretaker apartment has a number of energy-saving features including a rock-heat sink which can store heat caught by solar panels which will be placed in the roof when additional funding is found.

The troop house interior space will be divided into a 28-foot by 32-foot assembly hall, two 18-foot by 28-foot bunk rooms, and a complete kitchen.

"We are delighted we can build this troop house near the center of our membership. It will be a busy place, since we plan adult training sessions and conferences for mid-weeks during the winter, troop camping on winter weekends and group camping in the summertime," said Mrs. Frances Bauer of Plymouth, Council president.

Camp Crawford includes woods and marshes as well as open fields and has been popular with area Girl Scouts for nature study and day camping.

The Huron Valley Girl Scout Council also owns Camp Hilltop in Ann Arbor and Camp Linden in Livingston county.

Architect MacMullen has designed most of the buildings at Camp Linden, including three troop houses, a bathroom, a shower house, and a caretaker's house as well as the Hunter Lodge dining and assembly hall. As a volunteer this past summer, he designed two storage buildings for the 400-acre site. MacMullen has designed industrial buildings, churches, nursing homes, schools, and residential buildings since opening his Ann Arbor office in 1966.

The Huron Valley Girl Scout Council is a United Way Agency.

Dental Society Auxiliary Plans Fashion Show

With a theme of "Autumn Highlights," the Women's Auxiliary to the Washtenaw District Dental Society will present a fashion show Thursday, Oct. 13, 1 p.m. at Weber's Inn. Jacobson's will provide the fashions and Lucy Dobson of Radio WPAG will do the commentary. King's Keyboard House will provide the background music. A variety of French pastries, coffee and tea will be served prior to the show. Door prizes will be awarded during the show. Models will be members of the auxiliary and their children. Proceeds from the show are the only means of support for the Children's Dental Clinic which was founded in 1952 and is now located at Mack school in Ann Arbor. County dentists volunteer their time to treat needy elementary school children who are referred by their school nurses. Members of the Washtenaw County Hygienist Association also do volunteer work at the clinic. The Women's Auxiliary provides funds for one dental assistant, equipment and supplies. Children treated at the clinic pay nominal fees to help defray the cost of supplies.

Tickets which are tax deductible, may be obtained from Mrs. Kenneth Carpenter, phone 971-1762, from other auxiliary members and at the door.

Goat Destroyed Following Attack By Pair of Dogs

A Washtenaw County Sheriff's deputy was forced to destroy a pet goat early Monday, Oct. 3, after a pair of dogs attacked the animal in its owner's yard on Steinbach Rd., severely injuring it, according to a report at the Dexter substation.

The report stated that the goat's owners were aroused from bed at 1:30 a.m. to find what was described as two hound-type dogs attacking the goat in the yard. The owners chased the dogs away by throwing stones at them, it was reported, after which the Sheriff's Department was called.

Upon the owners' request, the deputy shot the goat, which was severely injured and bleeding about the shoulders and hindquarters, it was reported.

**FORD'S BETTER
IDEAS FOR '78**
featuring the new Fairmont...the Ford in your future.

The Fairmont idea. Fairmont... a new car built for today, but designed for the years ahead. Fairmont combines fuel efficiency, space efficiency and cost efficiency. It's trim outside, and easy on gas, yet it's roomy inside. Stylish, but it doesn't cost a lot. With impressive ride and handling. That's Fairmont—a whole new line of better ideas.

Fuel efficient. Fairmont sedans offer the best mileage ratings in their class.

4-Speed Manual	Automatic Transmission
33 MPG (Hwy)*	33 MPG (Hwy)*
23 MPG (City)*	22 MPG (City)*

*EPA estimates with 2.3 litre engine. Your mileage may vary depending on your car's condition, optional equipment, and how and where you drive. California and Wagon ratings are lower.

Space efficient. More than 90% of the head room, leg room, shoulder room of most large cars. Fairmont is not a little car. It's engineered to be space efficient with 90% of the room in key areas of most large cars. And Fairmont's roomy trunk holds ten assorted pieces of luggage.

Cost efficient. Fairmont sticker prices will be competitive. And Fairmont is designed to keep scheduled maintenance costs down. Compare Fairmont's excellent combination of high mileage ratings, roominess, and low sticker price with any other car sold in America. You'll see why we call it the Ford in your future.

More new 1978 Ideas to brighten your future driving.

1978 THUNDERBIRD. The new Thunderbird is ready for takeoff. With all the styling, luxury and fine engineering that you expect in a Thunderbird. Most surprising is its down-to-earth price—even with V-8 power, automatic transmission, power steering, power front disc brakes, AM radio, standard.

NEW GRANADA ESS. Can you tell its looks from a \$20,000 Mercedes-Benz 280SE? Our new ESS is styled in the tradition of expensive sports sedans. With special luxury inside and exquisite touches throughout. And five-passenger comfort. It's the flagship of our popular Granada line.

1978 FORD PINTO PONY. Pinto Pony offers American style and comfort at a sticker price competitive with the leading imported economy cars.

1978 MUSTANG II. Your Ford Dealer's price news covers the T-Root, elegant Ghia and 3-door Hatchback. Go Mustang. Catch the sporty spirit.

NEW FORD FIESTA. Europe's most successful new car... Imported from Germany. 1st During Ford Fiesta's first six months of sales, it outsold every new nameplate ever introduced in Europe. Engineered to give its driver dramatic performance. With front-wheel drive.

1978 FORD LTD. The roomy Ford that many families need. If you're one of the millions of people who need a standard-size car, the Ford LTD could be just the car for you. It has a deep-well, easy-to-load trunk. And stretch-out comfort for six that you expect from a Ford LTD.

PARK BENCHES PROVIDED: Members of Chelsea's Modern Mother's Child Study Club warm a park bench at the Waterloo Nature Center which was purchased by a donation club members gave to the center. A \$200 gift from the club was used to purchase two benches. The donation represented a portion of the club's proceeds from the sale of their Craftbook earlier this year. The benches will be permanently installed along the entrance walk to the Nature Center to allow persons a pleasant rest on their way to the main building at the center.

The parking lot is located a considerable distance from the Nature Center building. Club members seated in the front row, from left, are Pat Coelius, Lois Garmian and Carol Flintoff. Standing in the back row, from left, are Craftbook chairman Gloria Greenleaf, Pat Whitesall, Phyllis Tillman, and Bob Ingraham, Waterloo Recreation Area Park Manager. Members of Modern Mother's Child Study Club missing from the photo are Sandie Mayer, June Flanigan, Jane Lehmann, Lenore Mattoli, Sherrie Plank, and Lois Shively.

Frosh Grid Team Rolls Over S. Lyon

The Bulldog freshman football team scored once in each half to defeat South Lyon, 16-6, last Tuesday.

The game got off to a sloppy start with each team losing fumbles before Chelsea's offense finally got into gear and marched from their 40 to the Lion 15. From there Jeff Dils hit Jeff Price with a pass for the touchdown. Then, Dils came right back to Price for the conversion and an 8-0 lead.

Some excellent punting and coverage kept South Lyon in their own end and provided another scoring chance as Mark Steinaway covered a dropped kick late in the half. Time ran out before the Bulldogs could capitalize on their advantage.

The Lions came up with a drive of their own as the third quarter ended and scored early in the final period. But Chelsea's freshman defense came up with another of its big plays when the extra point run was stopped short of the goal. Steve Wilson, Brian Dault and Craig Thams led the charge.

Bill Freeman provided the final margin of victory with a 40-yard dash in the final period. Jeff Dils ran the extra points to cap the 16-6 victory.

"We get stronger and smarter every week," said Coach Bill Bainton following his team's victory. "This was a rewarding win, but I still don't think we're as good as we can be."

This afternoon the freshmen will be in Jackson for a 4 p.m. game against a very tough Luman Christi team.

Next week's game with Dexter has been rescheduled from Tuesday to Wednesday, Oct. 12, 7 p.m. at Chelsea.

All nearby areas were searched, as well as get-away routes, but neither the suspect nor an escape vehicle was located. After 1½ hours, the search effort was abandoned.

A polygraph test has been set for the station attendant, and the case remains open pending further investigation.

Dairy Farmers want to be a part of it.
and we hope the feeling is mutual.**

Mutual effort is what makes Michigan Milk Producers Association work. For the dairy farmers who make up MMPA. For you, the consumer.

For sixty-one years, we have been a cooperative owned and controlled by the dairy farmers we serve. And we're still working together to keep our farms and marketing system productive and efficient.

Though there are now only about one-third as many Michigan dairy farms as there were twenty years ago, our cooperative efforts and advancements in dairy farming technology continue to assure you an adequate supply of quality milk, delivered where and when it's needed.

We at MMPA believe the dairy farmer is important to America's future. Just as you are important to the future of the dairy farmer.

But preserving the American dairy farming industry requires a mutual, united effort. That's why dairy farmers of MMPA work to stay together.

Fitness Trail Opening Saturday Morning

A ribbon cutting ceremony at 10 a.m., followed by an inaugural run, will officially mark the opening of the new Chelsea Fitness Trail this Saturday. The ceremony will be conducted at the entrance to the trail in the rear of Pierce Park.

The one and three-fourths mile woodchip trail was designed for use as a jogging course, an exercise and running trail, or for taking nature hikes. Fifteen exercise stations at intervals along the trail describe what exercise to do, how to do it, and the number of times it should be done.

Organizations contributing funds and labor to the fitness trail project were Chelsea Child Study Club, the Chelsea Jaycees, the Chelsea Village Council, Chelsea Community Hospital, Washtenaw County Parks and Recreation, and the Chelsea Recreation Council. Project director was Alice Tite.

Area residents are invited to attend Saturday's opening ceremony and to participate in the inaugural run.

Lima Board, Supervisor In Deadlock

(Continued from page one) questions presented by the board elected to the recall election and he would not answer them.

Tilt pointed out that none of the board members were in any way involved in the recall and that the board simply wanted an explanation from Musolf for his attack.

Recall committee chairman Dick Pavitt, who was present at the meeting, confirmed Tilt's statement that none of the board members were involved in the recall. "In fact," he said, "Trustee Gross, who was accused by Musolf of supporting Wally Fusilier, signed a recall petition against Fusilier earlier this year."

Fusilier, former supervisor and trustee, was the object of a recall drive this spring after some residents took issue with the method by which he was elected. He was elected by 17 write-in votes. Musolf contends the present recall against him is being directed by Fusilier who "wants the job he (Fusilier) failed to win in a fair election."

Gross, who has been involved in township government for the past 25 years, was apparently quite disturbed by Musolf's attack. His wife addressed Musolf at one point saying, "I'm ashamed of what you have done. My husband can't sleep at night."

As tension and bickering developed with audience participation, Musolf declared to the board and members of the audience, "If you wanted a court of law tonight, you should have let me know, I would have come prepared."

The supervisor received some respite when one township resident criticized the audience and the board for being childish and having petty grievances, and urged the meeting to proceed.

Another resident stood up to defend Musolf and said the meeting should proceed because the supervisor had dealt with the motion when he maintained he would not answer the board's questions because they were related to the recall.

When the stand-off continued, Musolf finally said, "I tried to conduct a business meeting tonight, but I guess I will have to leave so some business can be accomplished."

As he stood up to go, Tilt said, "I see no future with this board unless you either sit down or send in your resignation."

Musolf proceeded to leave and in his absence, Gross was appointed acting chairman for the remainder of the meeting.

Township business completed that night included holding a hearing on the request of MacDee, Inc., for an industrial development district under Public Act 198, reducing the township tax levy from 1.16 mills to 1.14 mills, sending a resolution to SEMCOG in support of Proposal 4 to retain local control of water quality management, and agreeing to interview an applicant for the township zoning inspector vacancy. A list of county roads in the township needing repair was also directed to the Washtenaw County Road Commission.

INVESTING IN LAND

One of the nice things about investing in land is that it rarely presents management problems. However, since it will produce no income, it should be bought only if you are financially able to carry the debt.

For the typical investment, you have to put down cash amounting to 25% to 50% of the total cost of the land, with regular payments on the remainder until the entire debt is paid. But if you prefer to pay taxes on a long-term capital gain, rather than ordinary income, then land can be an attractive investment.

The key to a good land investment is predicting land needs of the future. Here is where

the experience of a good, local Realtor comes in. He has intimate knowledge of community needs, and can forecast, far better than the layman, what will be required for future land use and the best areas for growth potential.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

New Recreation Dept. Classes Start Oct. 12

A number of events involving the Chelsea Recreation Council have been scheduled for the coming week, according to Recreation Director Tom Neumeier.

On Saturday, Oct. 8, the Chelsea Fitness Trail will officially open at 10 a.m. Following a ribbon-cutting ceremony at the entrance to the trail in the back of Pierce Park, several joggers will be on hand to run the course. The public is invited to join in the festivities.

Two fall classes will also begin this week. Tapestry Weaving, one of the two classes, will start Wednesday, Oct. 12, 7-9 p.m. in the junior high school home economics room. Looms will be provided by the instructor, but other materials must be purchased by the student. To register, call Heather Logston at 475-7155.

With the holiday season fast approaching, the second of the two recreation classes, Holiday Foods Demonstration, will also get underway Wednesday, Oct. 12. Meeting times will be decided by a vote of the majority once classes be-

gin. To register, call Lenore Mattoft at 475-7078.

Basketball players are reminded that it's time to begin thinking about the roundball season. An organizational meeting to reform the Chelsea Men's Recreation Basketball Leagues has been slated for Oct. 28, 7:30 p.m. in the Recreation office. For further information, call Neumeier at 475-1703.

JA Recruiters Will Visit Chelsea High

Some 320 new companies will open for business Oct. 17 when the 1977-78 Junior Achievement Program gets underway in southeastern Michigan.

JA recruiters will visit Chelsea High school classrooms Tuesday, Oct. 11, to describe the JA program and enlist new members in Chelsea's JA chapter. The recruiters will include Al Wines of the J. L. Hudson Co., Bill Mitchell of the Chelsea Chrysler Proving Grounds, and Ken Kuzon of Chelsea's Dana Corp.

JA offers high school students a venture into the business world and first-hand practical experience in running a company. Local JA members meet every Monday, 7 to 9 p.m. in the woodworking shop at Beach Middle school where they form and operate their own small-scale corporations. Kuzon is the local program advisor, while Dana sponsors the program.

JA members sell stock, then make and sell their own company products while learning the principles of salesmanship, leadership and business. This practical economics program runs through April. Under the expert guidance of professionals, teens get first-hand experiences in business techniques.

During the JA year several contests and social events are held and local competition may lead to national recognition. Regional conferences and the National Junior Achievers Conference always draw large numbers of JA members representing every state.

There are 26 JA chapters located throughout southeastern Michigan. A non-profit organization, JA is supported by more than 6,000 businesses.

The JA program was started in 1919 in Springfield, Mass. by Horace Moses, then chairman of the Strathmore Paper Co.

Girls Basketball Team Beats S. Lyon, Mason

Chelsea's girls varsity basketball team came through with their best over-all performance of the season Tuesday to defeat a previously unbeaten South Lyon team.

The Lions came out with a quick 7-0 lead at the start but Chelsea stayed in there working it down to a 19-17 score at half-time. Playing a consistent, steady game, the Bulldogs took the lead in the fourth quarter and held on to dump the Lions, 41-39.

High scorer for Chelsea was Penny Collinsworth with 12 points. Shelly Warren scored 9. Nanette Push 8, Sue Heydlauff 6, Sheryl Keil 4 and Lori Miles, 2 points. High rebounding, one of the keys to the victory, was led by Shelly Warren, Warren, Tracy Hawker and Cheryl Keil.

"An outstanding game was played by all," Coach Cheryl Vogel remarked following the game.

Earlier in the week, the Chelsea girls varsity basketball team defeated a weak Mason team, 36-23. After a slow beginning, the Chelsea girls took control in the second quarter, scoring 12 points to Mason's 6, then came back in the third quarter to begin a much improved second half, shutting out the Mason girls, 15-0.

High scorer for Chelsea was Shelly Warren with 10 points. Penny Collinsworth scored 7, Nan-

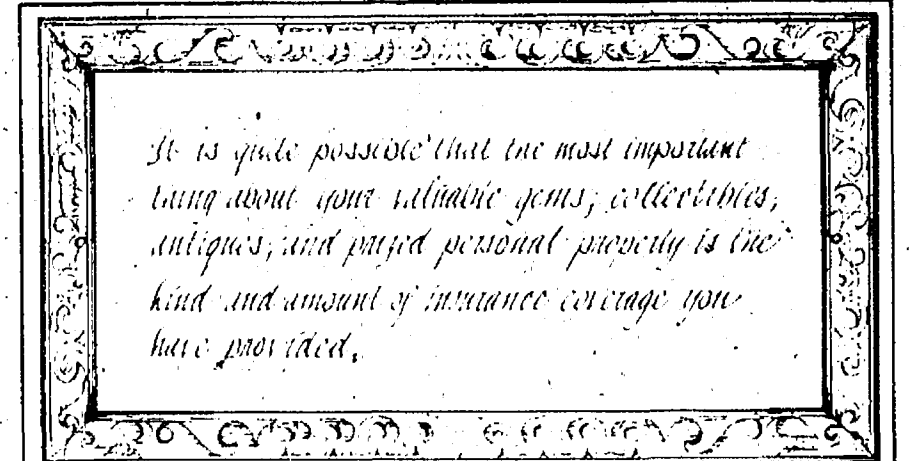

Harriers Drop Dual Meet to South Lyon

Although three Chelsea harriers placed among the top four finishers in a dual meet with South Lyon last Thursday, lack of a fifth man gave South Lyon a decisive edge as the Lions nudged ahead of the Bulldogs, 28-29. The loss evened Chelsea's record at 3-3.

Bulldog Captain Dave Dawson turned in his usual fine performance, taking first-place in a course record time of 16:07. Juniors Chris Minick and Scott Beyer both ran well in spite of a preceding week-long illness, and placed 3rd (17:03) and 4th (17:17), respectively.

Also scoring were Steve Kvarnberg, 9th, 17:37; and John Whitaker, 12th, 18:12.

"This loss was disappointing, but not fatal," Coach Pat Clarke remarked following Thursday's meet. "We plan to be back in form against Milan this week."

We suggest that you make a serious, detailed estimate of the replacement cost of your valuables, not when you bought them but NOW, and then give us a call at 475-8065. We're here in Chelsea at 107 1/2 South Main Street.

Cards of Thanks

CARD OF THANKS
The family of Arthur Grau wishes to thank all their friends and relatives for flowers and food and kind words and deeds shown during the loss of our father. A special thanks to Chelsea Community Hospital and to Pastor Morris for his comforting words. These acts of kindness will long be remembered.
Mr. and Mrs. Lloyd Grau and family.
Mr. and Mrs. Loren Koengeter and family.

CARD OF THANKS
I wish to thank all the people who sent beautiful cards and flowers and all the people who came to see me, especially my relatives and Mrs. Gertrude O'Dell for walking all the way from her home to come and see me, and Mrs. Jay Hopkins and Lena Duerr. I wish to thank all the nurses and aides for being so good to me.
Mrs. Ethel Reed.

TODAY'S THOUGHT
By LOUIS BURGHARDT

"I believe..." Do you? Really? It might be helpful to examine some common beliefs. For example, people believe proper nutrition is needed for good health. But, lots and lots of people disregard the belief by eating improperly. People generally believe seat belts and shoulder straps in cars is a good idea, but few people exercise that belief by taking precaution. Most people have a righteous attitude toward morality, but that attitude is ignored quite often in present day society. Lots of people profess a belief in religion, but remain detached from anything that requires responsibility and/or sacrifice in their religion. Most people believe in the 10 Commandments, yet people circumvent or violate the mandates... And probably the most mistaken belief of all is the widespread belief in God by people who frequently act like they never heard of Him.

Other odd situations could be mentioned of course. The question seems proper: "Why do people believe one thing and do something else? Should it not be realized belief is one thing and action is quite another?"... Can you explain why beliefs are coupled with contradictory action — so often?... BURGHARDT FUNERAL HOME, 214 East Middle St., Chelsea, Mich. Phone 475-1551.

Cager of the Week

TAMMY COLLINSWORTH (50) joined Chelsea High's girls varsity basketball team this season as a guard. The 5'4" junior began playing basketball her freshman year for fun and exercise, and because she witnessed the benefits of the sport first-hand when her older sister, Penny, first started playing. As a guard, Collinsworth is responsible for helping to bring the ball down the court to give the Bulldogs a better shot at the basket. According to the cager, last Tuesday's game with South Lyon was the varsity team's best to date. "We worked the ball well and passed well," she said. Collinsworth's personal best game of this season was against Brighton two weeks ago. "I scored in that one," she explained. With two games per week, the Chelsea girls practice the remaining three days per week to perfect their skills. Collinsworth is the daughter of Mr. and Mrs. Luke Collinsworth of 18810 Ivey Rd.

Council for Performing Arts Receives Grant

Senator Gilbert E. Bursley (R-Ann Arbor), announced today a Community Arts Council Grant to Ann Arbor Council for Performing Arts from Michigan Council for the Arts in the amount of \$1,400.

Grants in this category are provided on a matching basis to assist Community Arts Council in developing new activities, professionalizing administration and providing ongoing support.

Funds to support this project are part of an ongoing community arts program sponsored by

the Michigan Council for the Arts, a state agency which derives its financial support from the State Legislature, the National Endowment for the Arts and private contributions.

The Michigan Council was established in 1966 and assists a wide variety of cultural programs and services sponsored by community organizations and other groups throughout the state.

Senator Bursley serves on the Long-Range Planning Committee for the Michigan Council for the Arts and on the Board of Directors of Artlink.

Thornton Realtors
Open in Ann Arbor

Robert H. Thornton Jr., P.C. Realtors, a Chelsea based real estate firm has announced the opening of a Real Estate office at 3370 Washtenaw Ave., Ann Arbor.

Mrs. Lou Binder, a seven-year veteran of the Ann Arbor real estate market has been appointed broker manager of the new office. A native of Nebraska and a resident of Washtenaw county since 1953 Mrs. Binder is a graduate of Stephens College, Columbus, Mo. and the University of Nebraska. She has furthered her education in real estate by becoming a member of Real Estate Alumni of Michigan as well as completing the SRA Appraisal Course. Mrs. Binder, a million dollar producer every year since 1973, has four years experience as a broker and has been active in the Ann Arbor Real Estate industry, currently being on the Board of Directors of the Student Building Program for Ann Arbor Schools and previously serving two years as a director of the Ann Arbor Board of Realtors, being its secretary in 1976.

Mrs. Gail Stephens has been appointed office manager for the Thornton firm and will be responsible for the processing of all transactions. A graduate of Chelsea High school, Mrs. Stephens has been licensed in real estate for more than 2 years, and after acquiring four years experience in the banking community joined the Thornton organization in April 1976.

In making the announcement, Thornton commented, "We have found there is considerable growth taking place within Washtenaw county. As family circumstances change there is a large movement of families within the county. This along with the growth of Washtenaw county based industries going national, we are finding a large number of families will leave Washtenaw County for two to five years and then return. During this period their family structure has changed, their life style has changed and their community needs have changed. These are the families that in order to provide them with the Real Estate services they are accustomed to receiving, an Ann Arbor-Ypsilanti based office has become necessary for the continued service to our customers as well as the continued growth of our organization."

Thornton has had more than 10 years of real estate experience in Washtenaw county, starting his

own firm in Chelsea in 1970. A branch office in Stockbridge was opened in 1975. An active member of the Ann Arbor Board of Realtors, Thornton served as its president in 1976. He is also a member of the Jackson Board of Realtors and active in the Michigan Association of Realtors of which he is a director, chairman of its Public Relations Committee as well as a trustee and treasurer of the Realtors Political Action Committee.

Carla W. Cherry, Secretary

Boy Scouts Conducting Used Toy Collection

Good and repairable used toys will be the object of a community-wide search Oct. 8 by members of Chelsea Boy Scout Troop 478. The Boy Scouts will be assisting Chelsea Social Services in their drive to collect used toys, which will then be given to Senior Citizens and Girl Scouts for repairs. Once the repairs are complete, the toys will be readied for delivery to needy families at Christmas.

Any type of toy is acceptable except for stuffed toys. Anyone in the area who would like some toys picked up by members of Boy Scout Troop 478 should call 475-1528, 475-2350 or 475-8481 before Oct. 7.

A STRANGE IDEA OF HUMAN RIGHTS

If you are an American, "human rights" means freedom. Freedom to worship as you believe, go where you please, vote for (or against) your representatives in government—in short, to make your own decisions about your own life.

But "human rights" means something quite different to the United Nations. The UN has never condemned the Communists for assaulting religious freedom in Latvia, destroying the sanctity of the family in China, abrogating property rights in Cuba, or abolishing free elections in Hungary. Instead, the UN has always ignored Communist violations of human rights. Even worse, the UN itself has a history of suppressing basic rights and glorifying tyrants.

In 1961, for instance, UN troops in the Congo massacred

civilians, bombed hospitals, destroyed churches, and slaughtered women and children. In 1971, the UN expelled the government of Free China and welcomed into its midst the bloody Communist Chinese, the murderers of millions of their own people. In 1974, Yasser Arafat—the leader of the same terrorist P.L.O. that committed blooded murder at the Munich Olympic Games—addressed the UN General Assembly amid enthusiastic applause. And in 1975, the UN condemned our rights in Guam—American sovereign territory.

The UN hypocrisy on human rights is another compelling reason why we should get out of the United Nations. And why, October 24, the anniversary of the UN, should be proclaimed

a United Nations "Day of Shame"

Letters to the Editor

To the Editor:

The United Nations was promoted and sold to the American people in 1945 as an organization to prevent wars and establish peace forever in the world. After the second world war, with its devastation and heart-break, the American people thought it a good idea and agreed to join. The real purpose of the organization was to form a power group so strong that they could bring about a social change in the world.

At the inception of the United Nations, 45 countries joined, most of them the so-called free nations. Since then, 100 more governments have joined, the majority of them Communist. Communism which denies all human rights, the right to own property, the right to work where you want, the right to worship freely or protest government policy is now setting the guide-lines by which the world is being reformed.

Through the United Nations Educational, Scientific, Cultural organization, UNESCO, education policies are being set. The World Bank is a devised plan to redistribute the world's money, the World Food Bank to re-route the world's food, the International Monetary Fund, which is causing world inflation, to control the world's money, these are all institutions of the United Nations.

The United States' vote in the United Nations is by far in the minority and Communist policies ermine them that agree with them. Always prevail. Just as our federal government cuts off funds to local governments that don't obey, so the United Nations with a Communist majority favors governments that don't agree with them. Therefore, more and more governments become Communist, to benefit from the United Nations largesse.

As a Christian I fear the day when these brutal Communist regimes bring their full weight of power against the world. We all know the mass slaughter of innocents in Russia, China, Cuba, Cambodia, and it could happen here. It is late, but not too late for the United States to withdraw from the United Nations. All it would take would be for the American people to protest loudly and clearly to their Senators and Representatives in Washington demanding that we get out. As a Christian Nation we should be defending our faith and not helping to establish atheistic Communism in the world.

Mrs. L. G. Rickert.

New Nurse Joins Medical Center Staff

Kathleen Davis, pediatric nurse practitioner, has joined the staff of Territorial Family Medical Center in Dexter.

Mrs. Davis received a Bachelor of Science degree in Nursing from the University of Michigan School of Nursing in 1969, and completed the U-M Pediatric Nurse Practitioner course in 1974. Prior to coming to Dexter, she had been an instructor of nursing with the Mercy School of Nursing in Detroit.

In her role as pediatric nurse practitioner, Mrs. Davis is pre-

pared to conduct physical examinations of children up to 18 years old, conduct developmental assessments and counseling, and independently manage common childhood problems. The focus of the pediatric nurse practitioner is on the maintenance of health and the philosophy that better-informed parents can have a less difficult time of raising their child.

Mrs. Davis will receive patients for well-child visits in conjunction with all four physicians at the Territorial Family Medical Center and will be available for ap-

pointments and telephone counseling on Wednesdays.

Flea Market Set By Child Study Club

"Goodies Galore" is the theme of a flea market to be sponsored by Chelsea Child Study Club, Oct. 22, from 9 a.m. to 2 p.m. in Sylvan Town Hall, located on W. Middle St. Proceeds from the event will be donated to McKune Memorial Library and Chelsea's Meals on Wheels program.

Items to be sold at the flea market will fall into five distinctive categories. These include plants, food, toys and sports equipment, crafts and miscellaneous.

Plants will be labeled with names and directions for care, and will

be sold in a variety of containers. Food booths will feature baked goods, pickles, jams, jellies and fudge, while a variety of knitted and crocheted items, Christmas ornaments, pillows, macrame and needlepoint will highlight the crafts booths. All toys, sports equipment, and miscellaneous objects will be of good quality and condition.

Donuts and coffee will be available both to serious buyers and those just interested in browsing. The upcoming flea market was planned by Chelsea Child Study Club's finance committee. Mem-

bers of the committee are Nancy Erickson, Barbara Branch, Marti Neumeyer, Pat Stirling, Carol Kuzon and Betty Cox.

United Fund Workers Attend Dinner Rally

Division leaders and team captains for Chelsea United Way were guests of Chelsea Community Hospital Wednesday at a dinner meeting and rally for their 1977 campaign.

An entertainment highlight for the campaigners was a mini-concert by the Chelsea High school string orchestra under the direction of Karey Haas.

Principal dinner speaker was Barbara Blanden of United Way of Michigan who talked of the human needs served by the 37 Chelsea, Washtenaw county, state and national social service agencies.

Will Connelly, 1977 general chairman, reminisced about his 50 years of experience in raising money for a variety of causes. President Don Wood urged support of the 1977 campaign, and Gerald Dresselhouse, president of Chelsea United Way, discussed the need for increased charitable giving as a means of keeping pace with inflation.

"A donor who gave \$100 as a standard donation in the past two years will be giving as little as

\$38 real 'help power' to United Way with a \$100 pledge in 1977," he said. "For our 1977-78 needs, the same donor should try to give Chelsea United Way \$115 or more."

Dale Schumann, Chelsea parmacist and a director of Chelsea United Way, was master of ceremonies.

Chelsea Milling Co. provided take-home gift packages of Jiffy mix muffins, cake and frosting mix to the United Way diners.

N. Lake Co-Op Nursery Holding Conz Show

North Lake Co-op Nursery will present a "Gong Show," Nov. 11-12, 8 p.m. to 9:30 p.m., in the Chelsea High school auditorium. First, second, and third prizes will be awarded.

Auditions for the show are open to any area resident of any age and will be conducted the week of Oct. 24-30. Each act will be limited to three minutes, with any act under three minutes also acceptable.

New Members Being Sought By Lions Club

With October designated as membership drive month by the International Lions Club, local Lions Club members are seeking to increase the size of their ranks.

A community service organization, Lions sponsor the annual White Cane Week and support Leader Dog schools as part of their program.

Chelsea Lions meet the first and third Tuesday of every month at Chelsea Community Hospital. The group has no special age requirements or other pre-requisites for membership.

Anyone interested in joining the Chelsea Lions, or simply in finding out more about the organization, should call Bob Statton at 475-1537.

HERE ARE SOME DECORATING IDEAS FROM JACK MERKEL AND B.J. HOHNKE

- Use a tight, nylon twist tweed such as "Country Charm" for a heavy traffic hallway . . . pick up colors from the tweed for plush carpetings in the bedrooms . . . a totally charming and coordinated effect.
- Order extra yardage of your family room carpet and cover a wood cube to make a handy footrest or child's TV seat.
- Run your carpeting up the wall . . . besides great decorating drama, it will add sound-proofing and insulation to the room.
- Create built-in seating for your recreation room by running your carpet up and over rough wooden forms attached to the walls.
- The Merkel staff of interior design consultants has hundreds of creative ideas for your home . . . and their expert guidance is always yours at no extra charge.

**brighten your home's outlook
with custom-made draperies
and woven wood shades**

Now through October 15, have draperies and woven woods custom made to measure. Hundreds of fabrics for your selection. Expert installation.

The naturals have it this fall. Everywhere, you'll see the colors of earth and desert sand, of sky and sunset. Batiks, homespuns, denims, Haitian cottons, nubby textures and quilted prints in squashy overstuffed upholstery that transcends traditional, colonial and modern styling. You'll find the natural look softening the divisions between styles. Traditional is less formal. Bamboo and rattan accenting the woods. Colonial is now country chic with gingham and paisleys and pale natural "unstained" looking wood. Modern chrome and glass is naturalized with butcher block, wicker and cane, touched with soft, velvety cottons. You don't have to throw out all your furnishings to naturalize your home for the hospitality season ahead. Start by bringing in the out-of-doors . . . a dried arrangement of flowers from the garden . . . cat tails and rushes from the fields . . . set a basket of apples on the family room coffee table. Group baskets on tables, bookshelves, floors . . . hang them like pictures on the walls. Retire a large picture and replace it with a framed piece of fabric. Use an area rug over your carpet or hang one on the wall. The indian, oriental, african or modern designs and colorations of these rugs can revitalize a tired room quickly.

"MI CASA ES SU CASA"

A Spanish expression of hospitality meaning "my house is your house" . . . and certainly the motto of the Merkel family of interior design experts. You always receive a homecoming welcome whether you're just browsing, or furnishing an entire house from floor to ceiling. There is no extra charge for professional decorator consultations. We can help you coordinate color schemes, floor plans, fabrics, furniture, accessories, carpeting, vinyls, wall papers, draperies, window shades, even paint. Our unique locations give us practically unlimited resources. Because we shop wisely and well, constantly comparing and keeping abreast of the "new", we can help you find the best values whether your budget is large or small. Ask us to help make your house a more inviting place to come home to. Free delivery, always.

WE GUARANTEE WHAT WE SELL

Our motto has always been: "Merkels make it right." If you are unhappy with your purchase, let us know and we will make every fair consideration . . . to make things right. Just call our 'Hot Line': 475-8621 and ask for Jack or Bob Merkel.
