Varsity Cagers Romp Over Lincoln, 79-47

Consistency on both offense and defense, and control of the game for nearly four full periods gave Chelsea's varsity cagers their first victory since the holiday break Friday when they blitzed a winless Lincoln team, 79-47.

"We knew we were quicker than they were so we started out with a full court press in the first quarter," Coach Robin Raymond explained. "As a result of that press, the Bulldogs ascended to an early 21-8 lead at the end of the first period with Dave Schrottenboer contributing nine of those 21 points.

Lincoln returned in the second quarter to outscore Chelsea by one point, 15-14, but the attempted comeback was short-lived as the Bulldogs rallied with a 28-point third quarter to put the game away. Lincoln racked up only 11 points in that fateful period to trail Chelsea, 34-63.

The Bulldogs continued to increase their lead in the final period scoring 16 points to Lincoln's 13.

"The key to the game was the consistency with which we played both on offense and defense," Coach Raymond said. "This was the best balance we had all year." "Outside of a three-minute stretch at the end of the second quarter, we controlled the game," he added.

Statistically, Chelsea shot 44 percent from the floor, good shooting by high school standards and a team high for the year to date, according to Coach Raymond. The Bulldogs also forced Lincoln into 38 turnovers as a result of their press, and outscored the Rail-splitters, 62-41.

Jerald Benjamin paced Chelsea with 14 rebounds, followed by Jesse Coburn with 7.

In another record-breaking performance, the Bulldogs finished the game with five players in double figures, besting their previous total of three players in the double figure bracket.

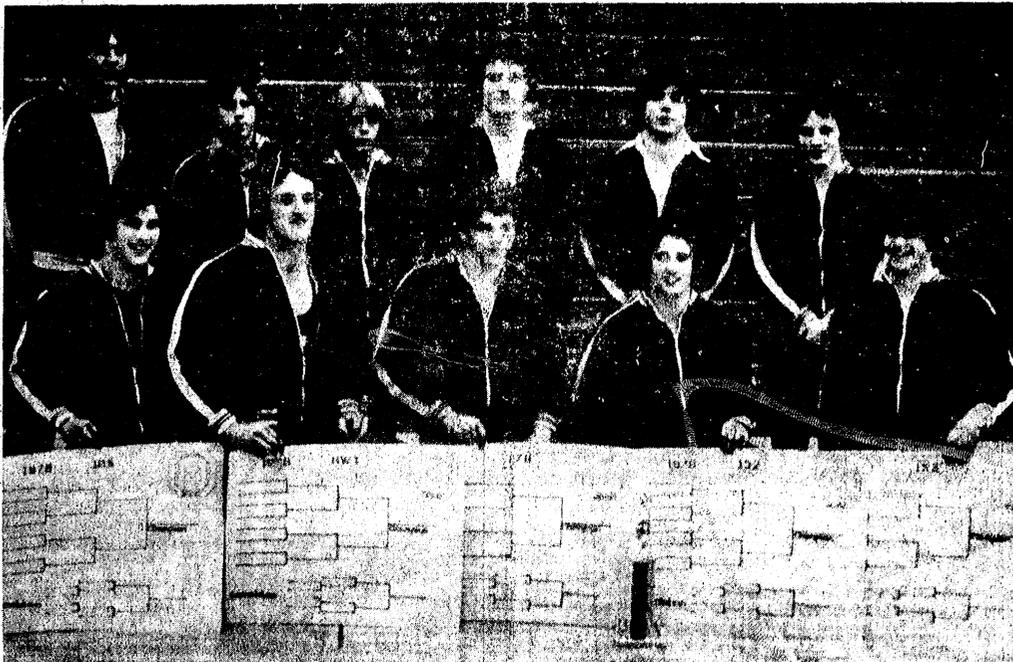

Chelsea's scoring aces were Marc Feeney with 18 points, Dave Schrottenboer with 11, Jerald Benjamin, Charlie Bridges and Randy Harris with 10 each, and Mike Machesky with 7.

In commenting on yet another outstanding aspect of the game, Coach Raymond said "the seniors on the team displayed more leadership against Lincoln than they have in our last two or three games." He acknowledged that the Bulldogs had been lacking someone who could pick the team up psychologically when Chelsea was down.

"That's a vital part of basketball," Coach Raymond declared. "It's a team game all the way." Chelsea is now 4-2 in Southeastern Conference action and 5-6 on the year while the Railsplitters are 7-0.

Although Coach Raymond noted Chelsea could still have a shot at the SEC title this year, he admitted a third-place finish was a more realistic goal with a second-place finish an outside possibility.

Chelsea's next game will be against Novi Friday, 8 p.m. The Bulldogs will host their opposition in what is expected to be a tight game. "We defeated Novi by only two points in our first match of the season," Coach Raymond said.

TOURNAMENT CHAMPS: These 11 members of Chelsea High's varsity wrestling squad put on a fine performance Saturday to win the eight-team Mason Invitational Tournament with a total of 139 points. In the process, the five front-row grapplers added tournament championship titles to their individual records this season. Showing off the final winning results of their performances

in their respective weight classes are, front row, from left, Brian VanReeseema, Leon Brown, Todd Headrick, Mike Young and Terry Thompson. In the back row, from left, are Al Augustine, Scott Dalton, Adrian Saarinen, Bart Bauer, John Whitaker and Chuck Young.

CHS Matmen Win Mason Tournament

In a wrestling turnaround from their loss to Dexter Thursday, Chelsea's varsity wrestlers came from behind Saturday to win the Mason Invitational, their first tournament title of the season.

Final team standings were Chelsea 139, Holt 133½, Mason 128½, Lansing Everett 109, Okemos 102½, Marshall 62½, Ovid-Elsie 59½, and Michigan Center 32½.

Earning championships for Chelsea were Mike Young (132 lbs.), Terry Thompson (135 lbs.), Brian Van Reeseema (165 lbs.), Todd Headrick (178 lbs.) and Leon Brown (HW). Chuck Young contributed a sec-

ond-place finish to the winning cause, Bart Bauer finished third, and John Whitaker followed with a fourth-place award.

"It was winning five out of six matches in the finals that made the difference, and it was very nice to see," Chelsea Coach Richard Bares said. "Our men wrestled very well and only Todd Headrick had a close match with a 3-1 score."

In the contest, Mike Young scored a 15-2 decision, Terry Thompson an 11-4 win, and Brian Van Reeseema an 8-1 decision. Leon Brown took the heavyweight crown with a default victory.

Wrestlers Point for Win Over Saline

A lack of team balance caused Chelsea High's wrestling squad to fall at the hands of Dexter last Thursday, 36-30.

"Our better wrestlers won their matches but we were not able to come up with some badly needed surprises in the other weight classes," Chelsea Coach Richard Bares said.

Collecting a decision win for the Bulldogs was Chuck Young at 119 lbs., while pin wins were recorded by Mike Young, Brian Van Reeseema and Todd Headrick. John Whitaker wrestled to a 4-4 draw at 145 lbs. and Tom Bares was handed a forfeit win in the heavyweight class to round out the action for Chelsea.

"In all, it was a very disappointing performance by our team," Coach Bares added. "We lost matches I felt we could have won, and if not that, we could have at least performed better."

In junior varsity action against Dexter, Bill Freeman scored a

pin win and Chris Umstead won a 7-4 decision.

Chelsea's varsity grapplers will go up against Saline tonight with a 2-2-1 league record. "That will really put us in a bad way in league standings," Coach Bares said. "Our only hope is for an upset over Saline and an outstanding performance in our upcoming league meet."

Mill Creek Park Discussion Slated

Representatives from the Washtenaw County Planning Commission and members of the Lima Township Board will meet with representatives of the Huron-Clinton Metropolitan Authority (HCMA) Tuesday, Jan. 24, 8 p.m., at Lima Township Hall.

Purpose of the meeting is to discuss the Mill Creek Park issue. The public is invited.

National Jaycee Week Being Observed Here

National Jaycee Week, Jan. 16-22, proclaimed an official observance in Chelsea Monday by Mayor Don Wood, may be nearing its end today, but there is no end to the good deeds and civic commitment which have character-

ized the local group since its initial date of the charter 24 years ago.

Last year, Chelsea Jaycees sponsored a Blood Drive in conjunction with the American Red Cross and collected 101 pints of blood from area donors. As a result of this project, co-chaired by Norm Colby and "Bucky" O'Dell, a sufficient supply of blood existed to treat holiday accident victims in Washtenaw county.

Annually, the Jaycees also sponsor a Community Distinguished Service Award Banquet to honor active and dedicated community leaders, provide manpower for the local Ford-sponsored Punt, Pass and Kick contest, aid needy children and families at Christmas, and sponsor a "Trees for Fatherless Boys" program, also at Christmas.

Other special Jaycee projects are the annual Community Easter Egg Hunt in which some 100 dozen eggs are hidden for children of all ages to find; "Jelly Week," a time when Jaycees sell jelly and donate the proceeds to local "Career Day," in which Jaycees arrange for high school seniors to visit a local business or company to observe professionals at work in their fields; and the Hoop and Shoot Contest, basketballs answer to the Punt, Pass and Kick Contest.

Among the more memorable Jaycee events are the annual Chicken Barbecue and Fall Color Tour, which sold out 1,600 chicken dinners last year; the Spring Rummage Auction, always rife with irresistible bargains; and Fair Bingo during the Chelsea Com-

Dennis Bauer Now Wrestling For U. of M.

Dennis Bauer, a 1976 graduate of Chelsea High school and now a University of Michigan sophomore majoring in pre-law, has been named to the 10-man U-M varsity wrestling squad, coached by Bill Johansen.

Bauer made his debut with the team last Saturday in Michigan's dual meet with Northwestern University and the University of Colorado, held on the Northwestern campus in Evanston, Ill.

In the meet, Bauer overpowered his Colorado opponent with an 11-3 decision win, but fell to his Northwestern counterpart while competing in the 190-lb. class. He is scheduled to wrestle again Saturday, Jan. 21, 4 p.m., in Ann Arbor's Crisler Arena when Michigan faces the University of Indiana.

Bauer was a state qualifier both his junior and senior years while wrestling for Chelsea High, and finished third in the state as a high school senior.

He is the son of Mr. and Mrs. Norman Bauer, 19017 Waterloo Rd.

School Board To Determine Millage Figure

The Chelsea Board of Education will hear the recommendations of a board-appointed finance committee Monday, Jan. 23, to determine the amount of the school millage request to be presented to area voters in the March 6 special election.

The public is invited to attend this regular board meeting, scheduled for 8 p.m. in the Chelsea High school board room.

Prior to the millage discussion, Chelsea school administrators and the Board of Education will meet

Interlochen Band Concert Slated Friday

The 78-piece Interlochen Arts Academy Band, under the direction of Dennis Johnson, will be in Chelsea tomorrow, Jan. 20, to present a concert in the Chelsea High school auditorium.

Tickets to the 8 p.m. concert will cost \$1 and will be available at the door.

Members of the band, who are traveling to the local area to perform at the Midwest Music Education Convention in Ann Arbor on Saturday, will be housed overnight in the homes of Chelsea music students.

Dana Junior Achievement Group Plans Open House for Monday

Chelsea Junior Achievers will observe Junior Achievement Week-1978, Jan. 22-28 throughout Southeastern Michigan, with a special open house Monday, Jan. 23, 7 to 9 p.m., in the Beach Middle school woodworking shop.

In addition to bringing the JA program of economic education for high school students into the focus of public attention, the open house will provide Chelsea's 16 achievers with an opportunity to display and sell the product being marketed by their JA company this year.

This year's product, insulated thermal cups, retails for \$3 and may be monogrammed with a buyer's initials, name, or any other requested label.

According to Ken Kuzon, local Junior Achievement advisor, sales from the business venture, now

entering its third month, have been "good."

A series of events planned on the regional scale during Junior Achievement Week-1978 will not only spotlight the efforts of Chelsea achievers, but also those of their counterparts at 25 other Junior Achievement centers throughout the seven-county area of Wayne, Oakland, Macomb, Washtenaw, Livingston, Monroe and St. Clair.

Mayors and other government officials from the seven-county area plan to add their support to Junior Achievement Week with proclamations to be issued on or before Tuesday, Jan. 24.

Other special events will include a luncheon at the Economic Club of Detroit on Monday, Jan. 23. The luncheon will honor 10 outstanding students in the Junior Achievement program who will receive the recognition of many

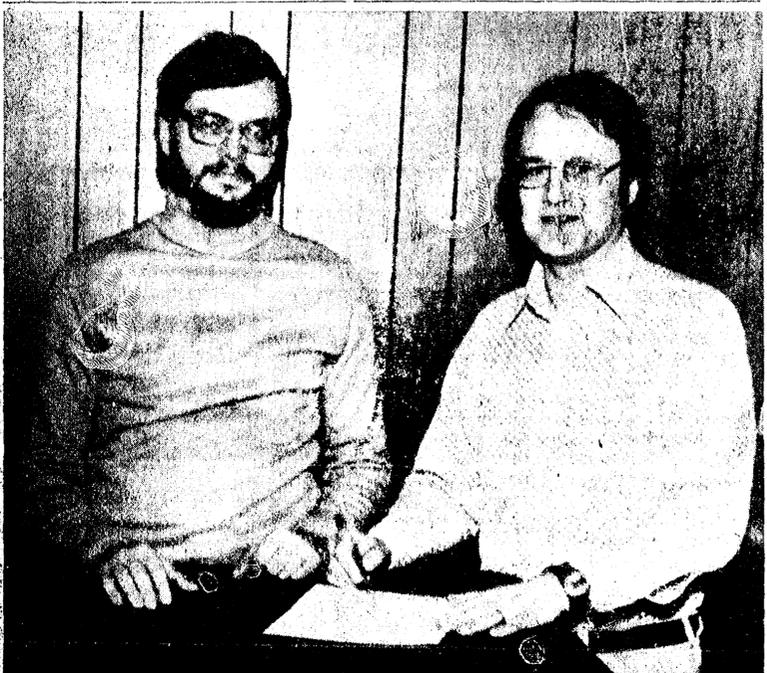

of Detroit's top business people.

The best Junior Achievement project of 1978 will be selected Wednesday afternoon, Jan. 25, at the Engineering Society of Detroit. Sales and marketing officials will choose from the top 10 products on display, taking into account basic marketability factors.

The last and most anticipated event of the week is the Outstanding Businessman and Businesswoman Contest to be held Saturday, Jan. 28, following a luncheon at the Fairlane Manor in Dearborn. Eight finalists will be interviewed and one boy and one girl will be named to receive the prestigious titles.

Forty-eight semi-finalists, including Jeff Wilkins and Judi Hess, both juniors at Dexter High school, voted best businessman and businesswoman at their respective

FARMER PROTEST: With signs proclaiming "American Agriculture on Strike" in the cabs of their tractors and trucks, a group of more than 50 area farmers converged upon the Michigan Livestock Exchange near Manchester Sunday to form picket lines in a protest over low prices offered for farm products.

Their protest action continued into Monday and halted the weekly livestock trading at the local exchange. For the most part the "strike" action was peaceful with only one young farmer taken into police custody Monday afternoon. He was later released.

Farmers Picket Livestock Exchange in Support of Demands for Higher Farm Prices

Michigan State Police briefly open a driveway blocked with farm implements.

Many farmers took issue with the clearance order and their feelings were summed up in the words of one: "We got permission from the general manager (Harold Lein) to picket, so we arrived here yesterday with our signs; we're not causing any trouble and we're not blocking entries."

"Now we're being told to get everyone out by 2 p.m. or the state cops will start busting heads," he added.

The same spokesman for the group said between 25 and 30 officers from the Manchester Police Department, the Washtenaw County Sheriff's Department, and the Clinton State Police Post arrived Monday afternoon to enforce the 2 p.m. clearance deadline.

When 18-year-old Fred Davenport of Tipton voiced an objection, Lt. James McGaffigan, Clinton State Police Post commander, ordered him taken into custody, according to McGaffigan and witnesses. Davenport was later released.

One farmer at the scene claimed police were also looking for one of the protest leaders in order to arrest him and bring the protest to a halt. "He hasn't broken any law, they're just trying to drum up the excuse that his fighting police," the farmer said.

Several of the more than 50 farmers who reportedly showed up in tractors and pick-up trucks to picket the livestock exchange remained on the scene Monday afternoon and said they would likely return next Monday to again

picket the weekly MLX beef auction, which usually involves 800 to 1,000 head of cattle.

Monday's protest action by farmers received criticism from at least two directions.

Although MLX general manager Harold Lein said the exchange was sympathetic with farmers, he himself provided coffee and donuts for the farmers picketing (in Monday's chilly temperatures). Lein said he didn't agree with their methods of shutting down livestock auctions.

That tactic also drew reproach from the Michigan Farm Bureau, which blamed labor unions for grabbing the lion's share of food costs that ought rightfully go to growers.

Lein did admit, though, that the

Tandem Tankers Banned After yet another fiery death, tandem tankers carrying gasoline have been banned from the counties of Oakland, Macomb and Wayne for 18 hours a day.

The 6 a.m. to 10 p.m. ban will last probably six months under emergency rules recently filed with the secretary of state.

Tandem tankers have been the object of legislative and public outcry following numerous accidents, but until the last death there was more talk about the ban.

The legislature is in recess and the tanker ban will receive renewed scrutiny when the membership returns in mid-January.

Responding to extreme pressure and the fifth death in recent months, Governor William Milliken used emergency powers under

the Department of State Police to impose the ban.

Milliken repeated he favors an outright ban of the rigs unless compelling evidence to the contrary is produced by a study of all types of tanker trucks now being conducted by the University of Michigan.

The ban may include other metropolitan areas besides the three counties. The Public Service Commission and the State Police are to report to Milliken within 14 days as to whether the ban should include additional areas.

Gasoline prices will probably rise because of the emergency ban on the double-bottoms, Milliken reported. He said the ban would have an impact on the entire state economy, but if a decision has to be made between eco-

nomics and the safety of the state, the decision must come down on the side of safety.

When announcing the ban, Milliken repeated he didn't think his office had the powers to make the order. The power came instead from a complex reading of the state fire safety rules which indicated the governor could invoke the menace aspects of the rule to ban the rigs.

There is little doubt that the double-bottoms on the state's highways are a menace.

Prior to the outright ban, an inspection program was mounted which found a large majority of the tankers on the highways were unsafe. That program, however, did not have the desired effect and the frequency of accidents had gone beyond something controllable to a hazardous menace.

Environmental Enforcement

The Department of Natural Resources' own report card on its environmental law enforcement need of sweeping revision to improve effectiveness.

A report by a special in-house committee noted the department's Bureau of Environmental Protection has not had a strong enforcement program and it sought only to curtail pollution when violations were flagrant or repetitive.

The report said the department must act as a regulatory agency and must be more responsive to the public interest in environmental protection that the interests of industry in excessive, detrimental use of the natural resource of the state.

The report concluded that all environmental enforcement activities should be consolidated in a new division and additional staff be assigned to environmental protection. Further, the report said, a continuing audit of DNR compliance and enforcement functions should be initiated.

Consumer Protection Guidelines Set

Attorney General Frank J. Kelley has announced guidelines specifying what types of actions will be viewed as violations under the Consumer Protection Act. The guidelines cover the areas of bait

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

I see by the papers where the N. C. Department of Public Instruction has set a two-day seminar this month on what to do about fear of math. The item said the department knows students and adults have "a unnatural fear of math" that hinders them in a world filled with numbers. I am full agreed that folks are scared of numbers, but to my way of thinking the feller that ain't is the one to worry about.

Mister Editor, fear is a perfect natural emotion, and in a heap of cases it'll git us out of tight places our weak conscience and stupidity get us in. You take away a man's fears and you got a man standing naked and defenseless before the world is the way I look at it. Fer instant, I've thought a good deal about what we mean when we say so and so, is a "God-fearing man." Do we mean he ought not to be, or that he is a good man because he is, or that he's a feller with sense enough to know the difference? I thought it up one side and down the other, and I'm of a mind that what we're saying is that here is a man who respects God and his fellow man.

A healthy fear is a source of strength in a time of trouble, I allus say. So I figger people are afraid of math because it usually means trouble. You git a few figgers out of place in your checkbooks, and the bank falls on you. You git a decimal out of place on your income tax form, and the next thing you know the Infernal Revenue has your house surrounded and your books locked up and the agents are wanting to know who can back up your story about that \$50 in cash you give when the new church roof turned out to be bigger than the budget. You mess up the numbers and you're guilty until proven innocent ever time, and you got to prove it with more math. Yessir, if there's anything it's natural to be scared of, it's numbers.

I mentioned this fear of math seminar at the country store Saturday night, and it got the fellers started. I didn't git to say much during the discussion, but I got the idea that fear is right up there with love and hate as far as its place in our lives. Most of the fellers talked of their fears

like they would be crazy not to have em. Bug Hookum, fer instant, said he sees ever now and then where they have classes to help folks overcome fear of flying. He said as far as he is concerned, wanting to git over that fear makes as much sense as feeling guilty about being afraid to walk in front of a moving train. The only fear Bug said he could think of that it's natural to git rid of is the panic all boys feel when they git near soap and water.

Ed Doolittle said flat out that the whole country runs on fear, and it's a two-sided sword. He said it's a tossup which is more powerful in this country, the drive to succeed or the fear of failure. Either way you go, Ed allowed, we all spend most of our time building one and trying to git rid of the other, and we ain't never sure which is which.

General speaking, these fear seminars can open a can of worms. If we got to fear is fear worms. If all we got to fear is fear itself, that's aplenty.

Rebekah Lodge Officers Installed Monday Evening

Chelsea's Rebekah Lodge No. 130 held a joint installation of new officers with Harmony Rebekah Lodge No. 460 in Dexter on Jan. 16. Performing the installation ceremony was the Earl Grays Degree Staff.

Some 85 Lodge members from Districts No. 10 and 12 and their guests attended the joint installation.

Elected and appointed officers from Chelsea installed into their respective stations were Helen Harris, noble grand; Marian Pickell, vice-grand; Eulahlee Packard, secretary; Nina Lehmann, financial secretary; Dorothy Keezer, treasurer; Elsie Hinz, three-year trustee; Olla Voelm, junior past noble grand; Eire Hale, warden; Jo Hochrein, conductor; Mary A. Coltre, right supporter to the noble grand; and Elsie Hinz, left supporter to the noble grand.

Also, Lucile Altstatter, chaplain; Lulu Sweeney, right supporter to the vice-grand; Lina Reule, left supporter to the vice-grand; Lillian Sanderson, inside guardian; Mabel Neal, outside guardian; and Velma Wolfe, musician.

The degree team which conducted the ceremony is composed mostly of members from Belleville, South Lyon and Dexter.

At the local Lodge on Tuesday, Jan. 17, Past Matron Noble Grand Helen Harris was presented with her Past Noble Grand Certificate and a gift in appreciation for her past year's work. Members of her Lodge made the presentation.

Birthdays celebrated by lodge members during January were those of Helen Harris, Elsie Hinz, Jo Hochrein and Dorothy Pasquit. Committee members for the Jan. 17 meeting were Olla Voelm and Eulahlee Packard.

Varsity Swim Team Loses to Marysville

Members of Chelsea High's boys varsity swimming team traveled more than 100 miles to Marysville this past week where they lost a tough meet to their opposition in a 49-33 decision.

"Marysville is one of the better teams we have competed against this season, and we had a real chance to beat them, but we beat ourselves with mental mistakes," Chelsea Coach Larry Reed said.

Although Chelsea took the top two spots in the medley relay, both teams were disqualified. Then the 200-yd. freestyle was lost in a close decision, as was the 200-yd. individual medley and another D.Q.

"At this point we should have been ahead by six points, but instead were losing by four," Coach Reed reported.

Although Chelsea was unable to take command of the meet, the Bulldogs came up with many excellent performances.

School records were broken in the 200-yd. and 500-yd. freestyles by Phil Hoffman, in the 100-yd. butterfly by Tom Rudd, and in the backstroke by Henri Vanderwaard.

Also performing well were Jim Dowhal in the breaststroke and Randy Koch in diving.

In other swimming results, Chelsea played host to Detroit-Northern High school Tuesday only to dump the visitors with a 95-76 come-from-behind victory.

New school records were established for Chelsea in the meet by Henri Vanderwaard in the 200-yd. individual medley and the 100-yd. backstroke; by Tom Rudd in the 100-yd. butterfly; and by Phil Hoffman in the 100-yd. freestyle.

Other Bulldog winners included Randy Koch (diving), Jim Dowhal (breaststroke), Jeff Rudd (freestyle relay) and Todd Oxner (freestyle relay).

Swimming well were Joe Vaillencourt (butterfly), Scott Prohaska (individual medley and 500-yd. freestyle), Tom Gaunt (back-

stroke), Doug Pichlik (500-yd. freestyle), Kirk Myers (backstroke) and Dan Bourget (breaststroke). Chelsea's record is now at 4-3 on the season.

The Bulldogs next meet will be today, Jan. 19, 7 p.m., against a tough Erie-Mason team.

Baby Photo Contest Set By Hospital Auxiliary

A baby contest, sponsored by the Chelsea Community Hospital Auxiliary, will begin Feb. 1 when canisters are placed in various local business firms.

Each canister will have the photograph of a child attached, and residents may vote for the candidate of their choice by placing their pennies in the appropriate container.

The contest will officially close Feb. 18, with winners to be announced Feb. 21. Each winner—one boy and one girl—will receive a \$25 savings bond.

To enter a child in the contest, send a photograph no larger than 5x7 of the youngster, 3-years-old or under, with his or her name, age, address and telephone number to: Debbie Spalding, 765 Taylor St., Chelsea.

Entries must be postmarked no later than Jan. 30. Photos can be returned only if a stamped, self-addressed envelope is included with the entry.

IMPORTED BULBS

Will the weather co-operate? Only mother nature knows for sure... but each year approximately 164,000 bulbs in eight varieties are imported from the Netherlands by the city of Holland to bloom for the annual Tuliptime festival in May, according to the Travel Bureau, Michigan Department of Commerce.

Farmers Picket...

(Continued from page one) withholding of beef from market may have something to do with the recent upswing in finished cattle prices.

Current sales are for around 45 cents per pound of live meat, a price at which farmers can realize some of their first real profits in several years, according to Lein.

As a result, farmers seem unready to give up the protests and picketing which began nationwide last December.

"We're doing this because the only way to get to people is through their pockets and their stomachs," one of the picketing

farmers at the Manchester Livestock Exchange declared. "All we're asking for is to compete with everyone on what we buy, and at worst, get a break-even price on what we sell."

Methodist Home Receives Gift Books

Three copies of a devotional book, "God Within," authored by Jean T. Dibden, were presented to the Chelsea Methodist Retirement Home on W. Middle St., Dec. 31 by the Rev. Roger and Josephine Dibden Merrell.

Published by Cokesbury Press, the 200-page paperback was recently reviewed by Don Doten, book critic for the Christian Advocate magazine, and was commended for its simplicity and clarity in dealing with the subject of spirituality.

The Rev. Ira Wood, chaplain at the Methodist Home, accepted the books on behalf of the Methodist Home stating he predicted they would be extensively read by Methodist Home residents.

The author, Mrs. Dibden, is the daughter of the late Olive Thompson, also an author of religious books. A graduate of Boston University, Mrs. Dibden taught high school English in Maine, Massachusetts and Illinois. While a graduate student at Columbia University in 1951, she met Arthur James Dibden, a noted theologian and educator. They were married in 1954.

Since the death of her husband in 1969, Mrs. Dibden has been primarily devoted to raising her two children, Jane and Paul, but has also maintained an active role in her Farmington, Maine church. In addition to holding local and district offices in the United Methodist Women's Society, she has published magazine articles on spiritual life.

Chelsea Co-Op Students Experiment With Electricity

Four-year-olds at the Chelsea Co-op Nursery school took a flashlight apart recently to discover how it works. They did several experiments to find out what conducts electricity by taping two batteries together and adding a wire and a lightbulb. Static electricity experiments proved a little tingly. A switch connected to a battery-operated doorbell provided some fun also.

The three-year-olds listened to the record "Frosty the Snowman" and created their own Frosty. There will be no school on Thursday morning, Jan. 19, as Fathers' Night is scheduled for that evening from 7 to 8 p.m.

Universe Grows Larger

Future star wars or space travel between distant galaxies will be tougher than science fiction buffs would like to believe because the universe will always expand, growing larger and larger, forever and ever.

New evidence from Michigan State University physicist Sam Austin, tends to confirm that the universe does not contain enough mass and therefore not enough gravitational force to reverse its current outward expansion.

"Scientists have known for some time," Dr. Austin explains, "that the universe has been growing ever larger since the 'big-bang'—a colossal explosion occurring about 12 or 13 billion years ago.

Child Study Club Hears Talk on Depression Glass

Attends Chiropactic Health Care Seminar
Dr. Jerald L. Flinn of Chelsea recently returned from Las Vegas, Nev., where he attended a four-day health care seminar sponsored by the Parker Chiropactic Research Foundation.
More than 4,000 physicians, wives and chiropactic assistants, from the United States and Canada, and several overseas countries, were present at the Jan. 12-15 event held at the MGM Grand Hotel.
The program featured such notables as Wayne Dyer, Ph.D., author of the best-seller "Your Erroneous Zones"; Philip Zimbaro, author of the popular new book, "Shyness"; and Robert Schuller, D.D., world-renowned pastor of California's Garden Grove Community church, author, and popular television minister.
Guest classroom instructors included Dr. Russell Erhardt, prominent researcher and lecturer in the field of chiropactic X-ray interpretation, and Dr. George Goodheart, one of the scientific world's most acclaimed researchers and authorities in applied kinesiology.

Junior Achievement Week Observed

(Continued from page one)
A centers, will be honored guests at the luncheon.
Winners selected from the group of finalists will receive travelships to the National JA Conference in Bloomington, Ind., in August. They will also serve on the JA Board of Directors for the remainder of the program year.
General chairman of Junior Achievement Week-1978 is Jack Allen, general manager of WWJ-TV in Detroit.
Junior Achievement is a non-profit business education program founded in 1919 for the purpose of teaching young people the basics of business and the benefits of the private enterprise system. It is primarily supported by the business community and operates in all 50 states.
In Chelsea, Junior Achievement is supported by the Dana Corp. Students are recruited for the program following a JA presentation made to students at Chelsea High school at the beginning of each academic year. Local students may also join Junior Achievement at a later time by visiting Chelsea's JA center at Beach Middle school.

NOTICE OF PUBLIC HEARING on Proposed Amendment to the Chelsea Village Zoning Ordinance

Notice is hereby given that the Chelsea Village Council will conduct a public hearing as the statute in such case provides for the amendment of the Chelsea Village Zoning Ordinance (Ordinance No. 79); that is, the zoning map, which will provide that the area hereinafter described will be zoned "C-5 CENTRAL BUSINESS DISTRICT." The area to be agected is described as:

SEC ROUND-UP:

Milan Rallies To Down Brighton, Retaining Conference No. 1 Spot

SALINE 70, SOUTH LYON 35-
All but one of the 12 Hornets scored Friday night as Saline had little problem protecting its number one spot in the SEC with a 70-35 romp over South Lyon.

Saline outscored the Lions, 25-10, in the first quarter and managed to hold South Lyon to less than 10 points in each of the following quarters.

Joe Chase scored 15 points to lead the Hornets and Mike McGlyre added 10 as the team improved its season record to 7-2 and remained undefeated in league play with a 6-0 record.

Milan is now 5-3 on the season while Brighton is 3-7.

"We're improving a little bit each game," Coach Marty Lingberg said of his Brighton team. "Milan was just too aggressive and physically too strong for us."

Nevertheless it was a full-fledged contest Friday night as Brighton took a 31-26 half-time lead. Milan continued to battle the Bulldogs and then took command in the final quarter, out-scoring Brighton, 12-5.

Jeff Genyk led Milan with 22 points, while Rich Close was the pacesetter for Brighton with 20.

The game was close until the closing minutes of the third quarter when Dexter's full court press suddenly started to work and allowed the Dreadnaughts to fire off 15 straight points and take a 14-point lead going into the fourth quarter.

Ianni, a 6'3" guard with a deadly outside shot, scored 31 points, while Lavalli, a 6'0" forward scored 29. Novi's Mike Pisha also enjoyed his finest night ever, scoring 29.

MILAN 54, BRIGHTON 47-
Brighton nearly forced a major SEC upset Friday evening as second-place Milan had to stage a second-half rally to reach a narrow 54-47 decision over the Bulldogs.

DEXTER 87, NOVI 68-
Mike Ianni and Rusty Lavalli each came through with their best offensive games ever as the two combined for 60 points in leading the Dexter Dreadnaughts to an 87-68 win over Novi.

AGRICULTURE IN ACTION
MICHIGAN FARM BUREAU

★ Good, Bad News For Farmers in '78

Now that we are in the new year, it is natural to take a look ahead as well as back. And there is good news and bad news.

The good news is that supplies of fuel, fertilizer, seed and equipment have been adequate and will continue to be in good supply in 1978.

Farmers are happy about that and they are smiling about the fact that they received attention as "inflation fighters." It seems that the labor unions took more of the food dollar than producers. And new efforts are now being made in agricultural research—something that always helps down on the farm.

Now for the bad news: Continued deficit government spending concerns farmers because it feeds inflation. As the biggest consumers of goods, farmers are faced with skyrocketing prices for the inputs they must buy at a time when income is low. Many of the farm products are selling at levels comparable to prices paid 20 years ago.

Most farmers are not looking for the government to "bail them out." They have experienced government-controlled pricing before with stable, low incomes.

And farmers are discouraged too, about the trend in farm and food policies being determined by those removed from agriculture and economics. Those same regulating mire of country life non-farm decisions makers are regulating more of country life by way of environmental, safety and health rules based more on emotion than reason.

But 1978 could be a good year in agriculture if farmers are allowed to produce for the market instead of government, if the federal budget is balanced, if we work harder to develop export markets for farm products, and if we get a new appreciation for economics and the private enterprise system.

The first national organization of federal employees was the National Association of Letter Carriers, established in 1890, according to "Labor Firsts in America," published by the U. S. Department of Labor.

DECORATING TIPS: Members of Chelsea Girl Scout Cadet Troop No. 98 proved to be an attentive group Monday evening when they visited Merkel Home Furnishings on S. Main St., to hear a presentation on decorating tips for their bedrooms given by DuWana Berke, a long-time Merkel employee. Shown in the midst of furniture and fabric, carpet and paint samples are, front

row, from left, Sherry Machnik, Barb Vallencourt, DuWana Berke, Tammy Schultz, Cathy Boonin, Joanne Killelea, Kelly Easton and Michelle Alexander. In the back row, from left, are troop leader Phyllis Vallencourt, Donna Alexander, Cheryl Ann Schultz, troop leader Janet Schulz, Kim Forner and Sue Herrst.

Girl Scouts Receive Decorating Tips

Members of Chelsea Girl Scout Troop No. 98 spent nearly two hours Monday evening at Merkel Home Furnishings on S. Main St., where they received numerous decorating tips from DuWana Berke, a long-time Merkel employee.

Co-leaders Phyllis Vallencourt and Janet Schulz, along with several mothers, accompanied the troop to the local home furnishings store.

The girls listened while Mrs. Berke explained the many ways in which bedrooms could be decorated and color-coordinated. Carpet and fabric samples were used to illustrate the different decorating techniques.

Following the presentation, the girls browsed through the store and then returned to First United

Methodist church for refreshments. Monday's visit to Merkel's added a learning experience to the growing list of activities undertaken by Cadet Troop No. 98 in the past year. Summer camping, educational trips outside the community, and participation in service projects also frequent the list. In June, the troop plans to visit Washington, D.C.

That visit will be financed entirely by fund raising such as the upcoming Girl Scout Cookie Sale, a rummage sale in March, and a car wash when weather permits.

The U. S. Department of Labor was established as a separate cabinet agency with William B. Wilson as its first secretary in 1913, according to "Labor Firsts in America," published by the Department.

DEATHS

Mrs. John Machnik
Chelsea Men's Mother Dies Friday in Ann Arbor

Sophia B. Machnik, 65, of Ann Arbor, died Friday, Jan. 13, at her home. She was born Nov. 6, 1912, in Detroit, the daughter of John and Mary Sienkiewicz.

In 1929, she married John E. Machnik in Detroit. He preceded her in death in April, 1964.

Survivors include two sons, Richard J. and Frederick D., both of Chelsea; one daughter, Joanne M. Kerr, of Rives Junction; two brothers, Anthony Sienkiewicz, of Capac, and Edward Sienkiewicz, of Detroit; two sisters, Estelle Emmer, of Madison Heights, and Dorothy Vigor, of Detroit; five grandchildren; and several nieces and nephews.

Funeral services were held Tuesday, Jan. 17, 8:45 a.m. at Skruppey Funeral Home, Hamtramck. Burial followed in Mt. Olivet Cemetery, Detroit.

Louey Touche

Chelsea Man's Brother Dies at Detroit Hospital

Louey Touche, 74, of Highland Park, died Tuesday, Jan. 10, at Detroit Osteopathic Hospital, Detroit. Born May 8, 1903, in Monessen, Pa., he was the son of Frank and Rose Salamone Tucci. His wife, Alta, preceded him in death on Jan. 1, 1971.

Mr. Touche had lived and worked in Chelsea for a short time before moving to Highland Park.

Survivors include three brothers, Thomas Tucci, of Chelsea; Alexander Touche, of Port Richey, Fla.; and Peter T. Salamone, of Frederick, Md.; and five sisters, Mrs. Leonard (Josephine) Stevens, of Chicago, Ill.; Mrs. Eugene (Margaret) Forgarty, of Harrisburg, Pa.; Mrs. Irwin (Theresa) Johnson, Mrs. William (Lucille) Eller, and Mrs. Clyde (Virginia) Patterson, all of Monessen, Pa.

Funeral services were held Friday, Jan. 13, 11 a.m., at St. Mary Catholic church with the Rev. Fr. David Philip Dupuis officiating. Burial followed in Oak Grove Cemetery, Chelsea.

Arrangements were by Staffan Funeral Home.

BIRTHS

A daughter, Lindsay Caroline, Jan. 18 to Bill and Marybeth Ledor of Farmington. Grandparents are Vassel Ledor of Chelsea and Mrs. Carrie Stanlake of Crawford, Tenn.

Citizens Advisory Committee To Meet Monday

All interested residents of the Chelsea School District have been invited to attend the next meeting of the Citizens Advisory Committee for Better Schools, scheduled for 7:30 p.m., Monday, Jan. 23, in the Chelsea High school board room.

The Citizens Advisory Committee, which operates as an open group, was active last year in recommending improvements in the operation and financing of Chelsea public schools.

The committee is now meeting to follow-up on recommendations made to the Chelsea Board of Education.

Contests Set To Spur Jiffy Boxtop Drive

In an effort to step up donations to their Jiffy Mix Boxtop Drive, members of the Chelsea Jaycee Auxiliary are sponsoring a boxtop collection contest this month at both North and South Elementary schools.

The boxtop drive was organized by the Auxiliary last fall, in conjunction with Chelsea Milling Co., to raise money for a community emergency dental fund.

Classrooms at both North and South Elementary will compete for first, second and third-place cash prizes to be awarded on the basis of the number of boxtops each classroom collects.

"We are hoping the kids will get out there and really help us," an Auxiliary spokesperson said.

Parents are urged to begin collecting their Jiffy Mix boxtops and sending the mto school with their children.

Area residents may aid in the drive to establish an emergency dental fund in Chelsea by depositing Jiffy Mix boxtops in the drop-boxes located at Jiffy Market and Polly's.

10th-Year Reunion Plans Started By CHS Class of '68

Chelsea High's Class of 1968 has scheduled a meeting this month to organize plans for a 10-year class reunion later this year.

The meeting will be held Jan. 22, 3 p.m. at the home of Bob and Janice Taylor, 11 Maple Ct., Chelsea.

All class members are invited to attend the planning session prepared with ideas for the reunion and a willingness to work.

For more information, call 475-9439.

Under the Blue Pacific

Communication took a leap forward in January, 1903, as the first cable across the Pacific Ocean was completed. The 2,620 miles of cable stretched from Honolulu to San Francisco, landing on the mainland on Jan. 1. The cable was opened for public use four days later. Henry Ford Museum, Dearborn, exhibits the deep sea cable sheathing machine which wound 2,600 miles of cable across the Atlantic more than half a century earlier.

PROCLAMATION JUNIOR ACHIEVEMENT WEEK

Jan. 22-28, 1978

WHEREAS this nation traditionally encourages individual effort in business and industry as well as in science, government and the arts and

WHEREAS Junior Achievement supports and helps to sustain the free enterprise system by encouraging and directing high school students in a practical program of business economics and

WHEREAS over the past quarter century more than 196,500 teen-agers have benefited by Junior Achievement training in Southeastern Michigan and

WHEREAS nearly 1,000 representatives from area business and industry serve as volunteer advisors to guide young adults in the operation of their first corporate ventures and

WHEREAS JA helps develop tomorrow's leaders by creating incentives, providing challenges and instilling pride in good citizenship and responsibility.

THEREFORE, as president of the Village of Chelsea, I proclaim Jan. 22-28, 1978, Junior Achievement Week in Chelsea, and urge all our citizens to encourage and support our ambitious young people and their dedicated advisors and to visit their JA business centers during this week.

Don D. Wood,
President, Village of Chelsea.

Contact Sports Good For Teen-Age Girls

Women who want to bring up their daughters with a sense of social equality and personal assertiveness would do well to get them into contact sports during junior and senior high school.

"Young women who have been on basketball and other school teams," says Mary Pollock, director of women's programs at Michigan State University, "are much more comfortable when they find themselves in the inevitable kinds of confrontations which occur in the world of work."

Assertiveness is necessary in the career world, Pollock said, and it comes easier when competitiveness and competence have been given early encouragement.

Real Estate

REALTOR

THE IMPACT OF EXTERNAL APPEAL

The external appearance of your home has an important impact on potential buyers. You will never get a prospect interested unless he stops to look. Don't rely on the inside of your home "selling" it. Your prospect may be "turned off" before he reaches the front door. So look at the exterior with a critical eye.

Give the house a fresh coat of paint if needed. Replace any broken or cracked windows. Replace loose shingles. Fix the fence. Keep the lawn mowed and the shrubs trimmed to give your house that "well-cared-for" look. Make sure your screen or storm door is in top shape and your wooden door is inviting with a fresh coat of paint or varnish. It is not uncommon to see a hundred dollars worth of improvements and some elbow grease increase the value of a house over a thousand dollars.

Put yourself in the buyer's shoes. He is looking for charm, comfort, location and a bargain. Give him the best show for the money.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

Metric Workshop Scheduled for Public

Interest in the special Metric Workshop to be conducted at Beach Middle school the end of this month is steadily growing, according to James Hoffmeyer, a 7th grade science teacher at Beach school and co-ordinator of the workshop program.

Purpose of the event is to inform and educate the general public in Chelsea as to the meaning and use of the metric system of measurements, universally regarded as an international standard.

According to tentative program arrangements, those attending the workshop will have the option of being weighed in kilograms upon arrival, and having their height measured in centimeters.

Graduated cylinders and beakers, marked in milliliters, will also be on display, and participants will work a metric crossword puzzle to gauge their knowledge of the metric system.

A general talk is planned to give participants a brief explanation and history of the weights

and measures system. Participants will then be divided into smaller groups under the direction of a group leader for more discussion and questions.

"The object of the workshop is for residents to learn more about the metric system and become familiar in the use of such things as metric tools and 'recipes,'" Hoffmeyer explained.

The workshop, which is being sponsored by the Beach school staff, is slated for Monday, Jan. 30, 8 to 10 p.m., in the Beach Middle school science rooms. There will be no charge for the event and refreshments will be served.

Those planning to attend are asked to call Beach school at 475-9131 before Jan. 27 so that program planners will know approximately how many people to expect.

If enough interest is exhibited in the workshop, more sessions will be planned for the future.

Dimes Fund Offers Five Scholarships

Seniors in Washtenaw county high schools, including Chelsea High school, may apply now for 1978 March of Dimes \$500 college scholarships, the Washtenaw County Chapter of the National Foundation-March of Dimes has announced.

Applications to be returned no later than March 1 may be obtained from high school counselors or from Mrs. Jerry Klein, 705 Mt. Vernon, Ann Arbor 48103.

To qualify, applicants must be planning major college work in nursing, pre-medicine, social work, medical technology, occupational therapy or special education.

Applicants will be evaluated on the basis of academic achievement in high school, financial need, personal qualifications and professional promise, according to Evelyn Phillips, chapter public relations chairman. Winners of the five, \$500 scholarships will be announced no later than April 15.

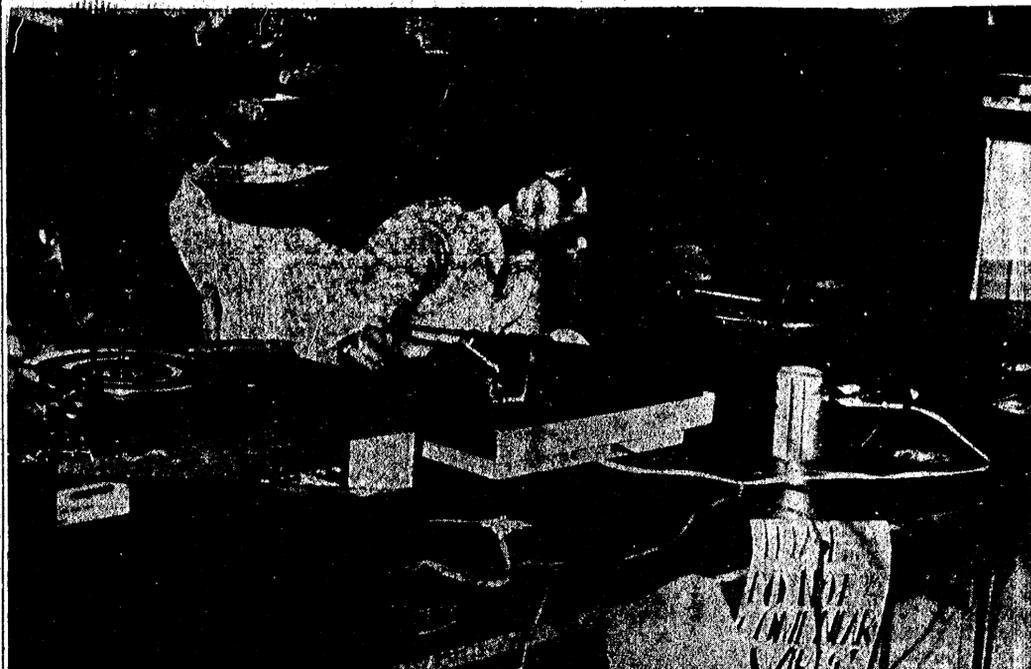

Funds for the scholarships come from the annual Mother's March in February and other fund raising activities by the chapter, whose members strive to help, subsidize, with defects, research, education and treatment, and local "well baby" clinics.

MARATHON DISC JOCKEY: Nancy Tison, a Chelsea High Junior Class officer, takes a turn at playing disc jockey during this past week-end's Dance Marathon at the high school. The marathon, sponsored by the Junior Class, was held as a fund-

raising event to help finance the upcoming Junior-Senior Prom. Some 23 contestants entered the marathon, including the partially obscured Dave Schrotenboer, at right in the photo.

FUN EVENT: A mixture of freshmen, sophomores, juniors and seniors at Chelsea High school move to the beat of some non-stop music that filled the Chelsea High school cafeteria for 45 hours this past week-end during the Dance Marathon. Organized

by Penny Wood, Mary Stoll and Sue Heller, all juniors, the marathon was held to raise money for the upcoming Junior-Senior Prom. A total of more than \$1,000 was realized from the event.

Junior Class Nets \$1,100 in Dance Marathon

Endurance was the key word around Chelsea High school this past week-end as 23 freshmen, sophomores, juniors and seniors attempted to keep their feet moving and their bodies grinding away in the 45-hour Dance Marathon sponsored by the Junior Class.

The event began at 10:30 p.m. Friday, and by 7 p.m. Sunday only six dancers remained on the floor.

Winners included Karen Moore, freshman, Tammy Sabo, sophomore, and Gary Dils, Jim Brown, Sue Rudd and Mary Hanna, all juniors.

According to Sue Heller, Mary Stoll and Penny Wood, organizers of the event and members of the Junior Class, participants in the marathon combined to form a spirited group that simply "kept going."

Parents and various volunteers kept the dancers supplied with food and beverages, and were even known to massage sore muscles during a few of the 15-minute breaks in dancing that came every hour.

Termed both "well-attended" and "a huge success," the marathon added in excess of \$1,100 to the coffers of the Junior Class. These funds will be used to sponsor the upcoming Junior-Senior Prom.

Helping to make the event a success was CHS junior Nancy Tison, who supervised the marathon with the help of several teacher-chaperones.

Cards of Thanks

IN MEMORIAM
In memory of Clifton R. Brooks and Ania G. Brooks. God's golden gates stood open one year ago today. With words left unspoken they quietly slipped away.

Beloved son Tony, wife Mary, grandchildren William, Donna, Tracie and Martin.

THANK YOU
A simple thank you is not enough for all the calls, gifts, cards, flowers and fruit sent by my relatives and friends while I was in the Chelsea Community Hospital and since my return home. Special thanks to the nursing staff and doctors at the hospital and the Rev. McCallum.

Gladys Klumpp.

CARD OF THANKS
The family of John Paul Phinney would like to say thanks to everyone who comforted us in our time of great sorrow. A special note of thanks to North Sharon Bible church, to Pastor Ronald Purkey, the North Sharon Youth Group, to Mr. Cole and Mr. D. Haul of Burghardt-Cole Chelsea Chapel. A special thanks to the ladies of North Sharon who provided food. The memorial contributions will be used to purchase a bus at North Sharon where John worked as a bus minister to bring children to church. Matt. Ch. 5, verse-10: Blessed are they who are persecuted for righteousness sake for theirs is the Kingdom of God.

Florence Phinney, James Phinney, Kathy, Chris and Jimmie.

CARD OF THANKS
To the Chelsea Jaycees. Because of you the youth of this town realize their worth to themselves and others. Because of you local people who care are given the recognition they deserve. Because of you some boy had a happier Christmas. Because of you an accident victim had access to enough blood. Because of you this community is educated in ways that really matter. Because of you our children grow and learn under the Jaycee experience. Because of you we are better human beings. And because of you we exist. Thank you and congratulation on your 24th year.

Your Auxiliary.

THANK YOU
We would like to thank those people who helped make the Junior Class Dance Marathon a great success. The contestants, who worked very hard, Mary Kalmbach, Shari Robards, Rae Apilado, Todd Wurster, Judy Jones, Kim Barth, Karen Moore, Angie Tomita, Mary Hanna, Sue Rudd, Mary Stoll, Gary Dils, Tammy Sabo, Laurie Spear, Cheryl Johnson, Greg Slocum, Paula Ellenwood, Kirk Heard, Tammy Patrick, Valerie Gordon, Sue Heller, Dave Schrotenboer, Jim Brown. The teachers who contributed their time to chaperone, Mr. Wade, Mr. Dimanian, Mr. Bechtelheimer, Mrs. Lazebnik, Miss Quinn, Miss Schreiner, Mr. Chandler, Mr. and Mrs. Bares, Mr. Bainton, Mr. Bergmann, Mr. Larson, Mr. Groesser, Mrs. O'Hagen, Ms. Shave, and Mr. Williams.

The mothers who provided meals, Mrs. Schrotenboer, Mrs. Heller, Mrs. Stoll, Mrs. Wood, and Mrs. Seitz. Doug Beaumont, Dennis Petsch, Jim Marshall, and Rod Sweeney for helping with the records. Thank-you to those Juniors who stayed most or all week-end to work. And thank-you to all of those who sponsored a dancer. A very special thanks should be directed to a man who has helped our class push ahead and given us spirit to go on. We appreciate and love him, our class advisor Mr. "Bud" Janich. Thank you, John Whitaker, president, Nancy Tison, vice-president, Penny Wood, secretary.

THANK YOU
I would like to thank all my friends, neighbors and relatives for the thoughtful remembrances received during the holidays. Ella Kuhl.

A Night at the Cabaret Planned By Zion Lutheran

Zion Lutheran church, 3050 S. Fletcher Rd., has scheduled a special program of entertainment Sunday evening, Jan. 22.

Entitled "A Night at the Cabaret," the program will feature games, singing, fellowship and a brief devotional for husbands, wives and their guests. Dinner will also be served.

The Rev. John R. Morris, pastor of Zion Lutheran, promises "a good time will be had by all who attend."

"A Night at the Cabaret" will begin 6 p.m. Sunday in the Zion Fellowship Hall. Tickets are available at the church.

Members of the organizing committee for the upcoming event are Sonja Wackenhut, Betty Wade, Edna Wenk, Arlene Bares and Linda Jacob.

Driver Loses Control

Turning into Driveway
Wagner Rd. was the scene of an accident involving a single vehicle Friday morning, Jan. 13, it was reported by the Washtenaw County Sheriff's Department.

Richard Don Lowell, 18, of 3685 Dexter Rd., Ann Arbor, told deputies he was attempting to make a right turn into a driveway while southbound on Wagner Rd. at 11:46 a.m. when his vehicle went off the edge of the driveway, plunged a steep embankment and came to rest on its side. Deputies reported that he was going too fast to make the turn.

Lowell escaped injury.

The first labor union to use a union label was the Cigar Makers' International Union in San Francisco in 1874; the union wanted to distinguish its cigars from those made by Chinese workers, according to "Labor Firsts in America," published by the U. S. Department of Labor.

CARD OF THANKS
The family of Bill Dehn sends their grateful thanks to his many friends and acquaintances for their gifts of flowers, food and money, but especially for your love and sympathy. A special thank-you to our North Lake neighbors for their care for our bodily comfort in providing food, and shelter after the services; to the Rev. Ira Wood for his comforting words; and to Burghardt-Cole Chelsea Chapel.

Shirley, Peggy, Bill and Tom, and families.

TODAY'S THOUGHT

By DONALD COLE
Propaganda is usually viewed in a dim light. It is a shade which obscures truth. When used for deception, it is a means for destruction and constructive of nothing worth while. Communists, crooked officials, and even unscrupulous advertisers are masters of propaganda. Consequently, it is difficult at times to distinguish whether propaganda represents truth or deception.

It is said Pope Gregory XV first coined the word to mean "To spread the faith." In his use of propaganda there were no imputations of bias or half truths. Since then, propaganda has served other purposes to poison minds by diverting thoughts through Satanic strategy.

At times it is extremely difficult to discern credible truth. News releases, claims, denials, accusations, exaggerations and deliberate falsehoods are showered upon us daily. Careful consideration and common sense must be used to accept or reject what is seen or heard. As long as propaganda informs fairly accurately, without bias or undue persuasion, truth will be served. NOTICE OF SALE OF REAL ESTATE UNDER EXECUTION CIVIL ACTION NO. 77-2860-CK

SYLVAN TOWNSHIP ORDINANCE NO. 001

AN ORDINANCE LIMITING THE POWERS OF TOWNSHIP CONSTABLES, AUTHORIZING THE SERVICE OF PROCESS BY TOWNSHIP CONSTABLES AND PROVIDING FOR MINIMUM EMPLOYMENT STANDARDS FOR TOWNSHIP CONSTABLES.

The Township of Sylvan Ordains: An ordinance to restrict or limit the powers and duties prescribed by State Law for township constables; to require minimum employment standards imposed by 1965 PA 203, as amended; to establish liability for violations of the provisions of this Ordinance, and to repeal all ordinances or parts of ordinances in conflict with this ordinance.

SECTION I. Pursuant to authority vested in the Sylvan Township Board by Public Act No. 426 of the Public Acts of 1976 of the State of Michigan, no elected or appointed constable of the Township of Sylvan shall exercise any power or assume any duty prescribed by the laws of the State of Michigan, except as follows:

1. Township constables shall be authorized to serve all criminal warrants or other criminal process lawfully directed to them by this Township Board or the Township Supervisor.

2. Township constables shall be authorized to serve all civil notices and processes lawfully directed to them by this Township Board or the Township Supervisor.

3. Township constables shall be authorized to serve any writ, process or order lawfully directed to them in the townships within the County in which this Township is situated.

4. Township constables shall be authorized to perform such other duties or powers of their office when so directed by the Township Board or the Township Supervisor.

SECTION II. When a township constable pursuant to the authority of this ordinance is required to perform both statutory criminal and civil duties, such township constable shall comply with the minimum employment standards established by the law enforcement officer training council pursuant to Section 9 of Act 203 of the Public Acts of 1965, as amended, being Section 28.609 of the Michigan Compiled Laws.

SECTION III. Any elected or appointed township constable who shall violate any provision of this Ordinance shall thereby assume sole responsibility and liability for any damages resulting from such action constituting said violation.

SECTION IV. This Ordinance shall take effect on the 2nd day of February, 1978. All Ordinances or parts of Ordinances in conflict herewith are hereby repealed.

State of Michigan County of Washtenaw, ss: I, DANIEL MURPHY, Sylvan Township Clerk, do hereby certify that the foregoing is a true and complete copy of the Ordinance adopted by the Sylvan Township on the 3rd day of January, 1978 at a regular meeting of the Board, and said Ordinance was adopted by the following roll call vote:

Ayes: 5 Nays: none. DANIEL MURPHY, Sylvan Township Clerk. Attest: DONALD SCHOENBERG, Sylvan Township Supervisor. Dated: Jan. 3, 1978.

Chairman Named for Girl Scout Cookie Sale

Barb Seabury, 2180 S. Fletcher Rd., and Barbara Wolfgang, 2340 S. Fletcher Rd., will serve as area co-chairmen for the 1978 annual Girl Scout Cookie Sale which begins Monday, Jan. 30.

Cookie Sale is a good way to support Girl Scouting in their community. These girls are among the nearest 7,000 Girl Scouts, ages 9 to 18, within the Huron Valley Girl Scout Council who will be setting out to reach this year's goal of 400,000 boxes of cookies sold.

Funds also underwrite camp maintenance and development for Camp Linden in Livingston county, and Camps Crawford and Hilltop in Washtenaw county. In addition, the sale raises money for troop service projects, trips and equipment. This year's sale features a new cookie—the Snow Drop, a chocolate cake cookie topped with marshmallow frosting. The other five traditional favorites: Peanut Butter Patties, Thin Mints, Vanilla Sandwich Creams, Shortbread and P.B.'s (oatmeal cookies filled with peanut butter frosting) will also be available.

NOTICE OF PUBLIC HEARING to Amend Lyndon Township Zoning Ordinance

Take notice that a public hearing will be held before the Lyndon Township Planning Commission at Lyndon Township, North Territorial and Townhall Roads, on the 16th day of February, 1978, at 8:00 p.m., for the purpose of hearing all interested parties on the petition of the Planning Commission to amend the Zoning Ordinance and Official Zoning Map of Lyndon Township by rezoning the properties hereinafter described;

Run-Away Bureaucracy

The U. S. News and World Report of Oct. 3, reported that total Federal civilian employment on June 30, 1950 was 1,960,708 and had increased to 2,901,973 in July 1977. The figures reveal that there is some decrease from a peak of approximately 3 million employed in June of 1970. Annual salaries and wages of federal civilian workers in 1950 were \$7.0 billion and this figure has increased to \$48.5 billion, estimated for 1977. The article reveals that some of these workers really do not have a job, they simply occupy a place and receive pay.

Athletic Boosters Review Projects

A discussion of the Chelsea Invitational Wrestling Tournament, held Dec. 17 at Chelsea High school, dominated discussion at the December meeting of the Chelsea Athletic Boosters Club.

During the tournament, the Boosters spent the entire day providing food and snacks for the wrestlers, including a breakfast of eggs, sausage, rolls and juice, a lunch of hot dogs and chili, and a supper of hot roast beef sandwiches.

Also at the December meeting, the Boosters agreed to supply oranges and other treats for athletic teams at half-time, and allocated \$50 to each athletic team at Chelsea High to be used in financing a dinner for each team after their last game of the season.

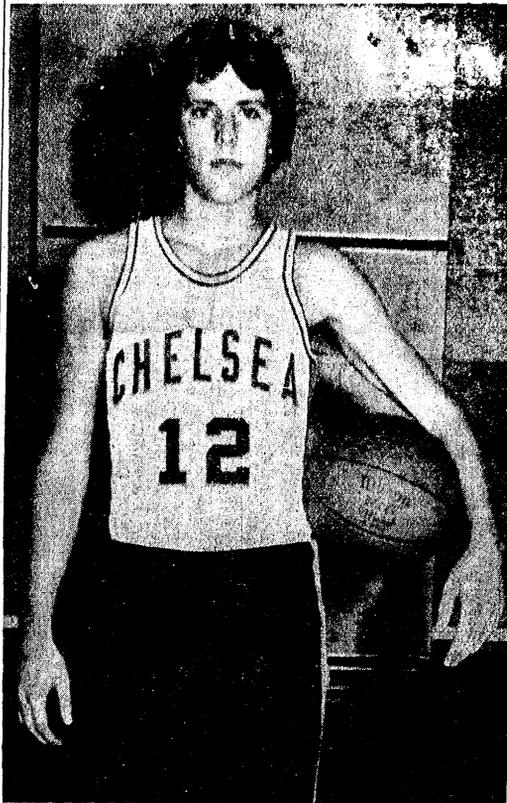

Other Booster Club activities during the past month have included painting equipment in the weight room and selling hot German pretzels at home wrestling meets and basketball games.

A proposal currently being discussed by Booster Club members is whether or not to purchase Booster Club jackets. A committee has been assigned to look into the possibilities of this proposal.

The club is continuing its on-going drive to solicit more input from interested parents or others in the community interested in supporting athletics. Those who fit either category are invited to attend the next meeting, scheduled for Jan. 23, 8 p.m. at Chelsea High school.

In addition to the natural phenomenon of the Kitchitiki Springs and the restored townsite of Fayette in the area of Manistique visitors also marvel at the man-made phenomenon of the Siphon Bridge, whose road bed is actually below the level of the Manistique River. The bridge is supported by water pressure from the river itself, according to the Travel Bureau, Michigan Department of Commerce.

Cager of the Week

JOHN DANIELS (12) guard for Chelsea's varsity basketball squad, returned to basketball this season after a one-year lay-off. Prior to that, the 6'0", 150-lb. senior had been both a guard and captain of Chelsea's JV basketball team. Noting he's been "a guard all the way through," Daniels said his major responsibilities while out on the court are "running the offense and leading the offense while running it." Chelsea's third guard behind Randy Harris and Marc Feeney, Daniels says he averages about five points per game. However, in his best game this season against South Lyon on Dec. 10, the cager sank a total of 11 points. "I played an all-around good game that time," he confirmed. Even though the Bulldogs lost to Saline two weeks ago, Daniels pointed to that game as Chelsea's "all-around best, minus the first five minutes." He said Saline was Chelsea's toughest match this season but added there has been "excellent competition" elsewhere in the conference. "I don't predict we'll finish first this year, but if we do exceptionally well, we could finish second in the SEC," Daniels said. Helping to bring that possibility into sharper focus, according to Daniels, is Chelsea's "good, solid defense." Although Daniels not only joined the varsity squad as a newcomer this year, but also had to adjust to a totally new game this season, he admitted he likes Chelsea's fast break offense better than conservative ball. "It's more exciting, for one thing," he asserted. In addition to basketball, Daniels plays baseball for Chelsea High, and does a lot of snow and water skiing outside of school. He is the son of Mr. and Mrs. Robert Daniels, 665 Washington St.

JV Cagers Romp Over Lincoln, 61-56

Control of the boards led to control of the game and a 61-56 victory for Chelsea's junior varsity cagers in their clash with Lincoln Friday.

"We played a very good first half," Coach Jon Schaffner reported as he described how the junior Bulldogs netted a season high of 45 points in the first two quarters of the encounter.

Chelsea bounded to a 45-22 half-time lead by scoring 17 points in the first period and 28 more in the second. Lincoln responded with only 10 points in the first quarter and 12 in the follow-up period.

The Bulldogs came up with 10 more points in the third quarter to steady their lead at 29 points, and then began clearing their bench in the final quarter. The move opened the way for a big comeback by Lincoln in the fourth, but the Railsplitters were still prevented from commanding a lead.

In the second half, Lincoln opened with 11 points in the third quarter and then proceeded to more than double that scoring total with 23 points in the fourth.

Leading Bulldog cagers in the contest were Don Schrotenboer with 16 points, 12 rebounds, 5 blocked shots, 2 assists and 1 steal; and Brad Knickerbocker with 16 points, 4 rebounds, 2 steals, and 2 assists.

Also in double figures was Mike Killelea with 10 points. He added 6 rebounds, 2 assists and 1 steal to his over-all contribution.

Other standouts in the game were Dave Seyfried with 8 points, 11 rebounds, 1 assist and 1 blocked shot; Mike Wood with 7 points, 5 rebounds, 1 assist and 1 blocked shot; John Dunn with 2 points, 4 assists, 2 steals, and 2 rebounds; Troy Koepf with 2 points; Karl Albrecht with 7 rebounds and 1 blocked shot; and Brad Flanigan with 3 rebounds.

As a result of Friday's win, the Bulldogs raised their over-all record for the season to 8-3, and their conference record to 5-1.

JV Cagers Annihilate Manchester

In a non-league encounter Tuesday evening, Chelsea's junior varsity cagers returned from a hotly-contested first half to annihilate Manchester, 62-35.

Although the win left Chelsea's conference at 5-1, it raised the team's over-all mark to 9-3 on the year.

"It was a close first half as Manchester kept hanging in there," Chelsea Coach Jon Schaffner said, "but in the second half it was Chelsea all the way as our superior height and shooting took over."

The Bulldogs finished the first quarter, 12-11, ahead of Manchester, and then stretched their lead to 23-17 at half-time. A 13-6 third period and 26-12 fourth put the game away for Chelsea.

The Bulldogs were led by Brad Knickerbocker with 14 points, 1 rebound, 1 steal and 1 assist; Don Schrotenboer with 10 points, 14 rebounds, 2 steals, 2 assists and 5 blocked shots; Jeff Dils with 9 points, 2 rebounds, 3 steal and 3 assists; and Dave Seyfried with 8 points, 7 rebounds and 2 steals.

Also contributing to the win were Mike Wood with 6 points and 1 blocked shot; John Dunn with 4 points, 2 rebounds and 2 steals; Karl Albrecht with 3 points and 3 rebounds; Mike Killelea with 2 points, 7 rebounds, 3 steals and 6 assists; Brad Flanigan with 2 points and 1 rebound; Jim Cobb with 2 points and 1 assist; and Dan Alber with 2 points and 1 steal.

Brad Knickerbocker sank 7 of 8 field goal attempts for an outstanding 88 percent shooting average from the field.

8th Grade Cagers Divide Pair for Week

Working with a tight defense, and playing their best game of the season, Chelsea's 8th grade cagers avenged an earlier 22-point loss to Manchester this past week with a stunning 34-20 win over the Flying Dutchmen.

The two keys to the victory, according to Chelsea Coach Ken Larson, were the outstanding defensive play of the Bullpups and their ability to run the ball up the floor.

"We shot an outstanding 40 percent from the floor and played good defense to hold Manchester to 20 points," Coach Larson said. Manchester scored 52 points against Chelsea earlier this season.

Scoring for Chelsea were Darrow Keezer with 14 points, Mike Bareis 8, Geoff Shaw, 4, John Welton, 2, Doug Henson, 2, Phil Powers, 2 and Sam Coomes, 2.

Leading rebounders were Keezer with 10, Shaw 7, Toby Boyd, 7, and Henson and Welton, 4 each.

Coach Larson singled out Boyd, Keezer, Bareis and Todd Sprague as the Bullpups' outstanding defensive men.

Chelsea's record is now 2-3 on the year.

In other action this past week, Chelsea's 8th grade basketball squad traveled to Milan Wednesday Jan. 11, where they lost a hotly-contested battle to Milan by a narrow 31-27 decision.

Although Chelsea was trailing Milan by only two points at half-time, 13-15, cold shooting attacked the Bullpups in the third quarter and they were able to come up with only two points.

"As a result of that quarter, we shot a dismal 18 percent from the floor in the game," Coach Larson said.

Scoring for Chelsea were John Welton with 8 points, Darrow Keezer, 7, Mike Bareis, 7, Dave Peterson, 2, Geoff Shaw, 2 and Toby Boyd with 2.

Darrow Keezer was Chelsea's leading rebounder with 9.

"Although we lost, everyone on the team played well defensively," Coach Larson noted.

The first national labor organization whose membership was open to workers of every craft, creed or color was the Knights of Labor, established in 1869, according to "Labor Pirs in America," issued by the U.S. Department of Labor.

Volleyball Team Loses Two Matches

The Jan. 6 debut of Chelsea's 1978 girls volleyball team, with their new head coach Walter Keppler, and assistant coach Elaine Rapin, was one of anxious moments and surprise.

The varsity played nervously in its loss to Stockbridge here Friday. However, bright spots in the contest included the good offensive plays of Captain Kathy Starkey, Michelle Sarbach, and Denise Robbins, and a super defensive effort by Alison Hovater.

The junior varsity volleyball squad played well to run away with one game, equating all of last season's mark. Nevertheless the JV players eventually lost the match when Stockbridge jumped to an early lead in the final game of the match.

Returning to action Friday, Jan. 13, Chelsea's varsity volleyball squad again came up on the short end of both a 10-15 and 8-15 decision while pitted against a more experienced South Lyon team.

However, the Bulldogs showed improvement as they played their most consistent game to date.

Veronika Satterthwaite, Diane Ottoman and Captain Kathy Starkey accounted for eight of Chelsea's 10 points, while strong defensive plays by Diane Ottoman kept South Lyon jumping.

In the second game of the match, powerful serving by Tammy Patrick resulted in almost half of Chelsea's points.

In JV action that same afternoon, the junior Bulldogs put on a fine display of talent even though they were unsuccessful in dumping their South Lyon counterparts. Final scores in the three-game series were Chelsea 7, South Lyon 15; Chelsea 15, South Lyon 12; and Chelsea 11, South Lyon 15.

Strong servers for Chelsea were Krysta Steinhauer (14 points) and Molly Bacon (10 points).

"The girls played well defensively, but failed to generate a strong offense," Coach Keppler reported.

The junior Bulldogs will face Novi on Friday, 4 p.m., at Novi. Chelsea's next home volleyball game will be against Brighton Friday, Jan. 27, at 4 p.m.
