## Legion Sponsored Winter Carnival Scheduled Feb. 3-4

Chelsea Legionnaires are gearing up for their fifth annual Winter Carnival, which this year will include a carnival dance and free concert by SCAT, in addition to the usual fishing derby, euchre tournament and snowmobile activities.

The event is scheduled to take place Feb. 4-5, at the Herbert J. McKune American Legion Post No. 31 Home on Cavanaugh Lake. Kick-off time for the carnival will be 7 p.m. Friday with the euchre tournament scheduled to begin shortly thereafter at 7:30 p.m.

Starting time for the annual fishing derby, a traditional carnival favorite, will be 8 a.m. Saturday. First, second and third prizes in perch, pike and panfish categories will be awarded to derby winners at the finish of the contest Sunday, 5 p.m.

Also Sunday evening, euchre tournament winners will be recognized and presented with prizes.

Because of the increasing popularity of the euchre tournament, Legionnaires were prompted to move the starting time to Friday evening, giving way to an inaugural carnival dance Saturday evening, Jan. 5. The dance, which is already sold out, will begin at 9 p.m.

Daytime entertainment Saturday for those passing up the chance to compete in either the euchre tournament or fishing derby will be provided by "Stretch" Tressler at the piano on the Legion home's upper deck.

More entertainment will follow Sunday afternoon when the four-member group, "SCAT," arrives to present a free concert. Members of the group include Chelseaite Chris Alber, and Wynn Kanten, also a local resident.

The concert by this highly versatile band was arranged by the Legion to celebrate the opening of its newly-expanded Post. A (Continued on page three)

**FARMERS' NIGHT:** Playing key roles in the success of the annual Farmer's Night meeting sponsored by the Chelsea Kiwanis Club Monday evening were members of this distinguished group of men. Some 90 area farmers joined the more than 40 Kiwanians at the dinner meeting for an educational entertainment program presented by Dr. Gordon Guyer, director of Michigan Extension Services. Choosing as his topic, "Agriculture in Red China," Dr. Guyer showed slides of two trips he has taken through Red China which were arranged through his association with a group of American entomologists invited there for a visit. Dr. Guyer was formerly head of Michigan State University's Entomology Department. With Dr. Guyer, second from left in the photo, are Herman Koehn, far left, Kiwanis co-chairman of Farmer's Night; Sylvester Weber, center, a life-long farmer in the Chelsea area; Dr. Mitch Geasler, second from right, director of Agricultural Programs for Michigan Extension Services; and Tom Bust, Kiwanis co-chairman of Farmer's Night and a one-time vocational agriculture instructor for Michigan Extension Services. Each year, all farmers in the Chelsea area are invited to attend the Kiwanis program in their honor. Any farmer omitted from this year's guest list was not intentionally excluded, and should contact Tom Bust at Chelsea Hardware to place his or her name on next year's list.

## Cagers Win Over Novi in Final Seconds

Four consecutive free throws during the final 52 seconds enabled Chelsea's varsity cagers to grab the winning edge in their 53-50 league triumph over Novi here last Friday.

Although Chelsea jumped out to a 4-0 lead early in the first quarter, that proved to be the team's only lead in the game—up until the final 48 seconds.

Novi pounced back to tie the score at 14-14 at the end of the first period, and then stretched out to a 27-23 advantage at intermission.

"Both teams played good defense during the first half," Chelsea Coach Robin Raymond noted. "By the end of the third quarter, Novi was ahead of the Bulldogs, 40-34, and seemed to have the game put away."

However, in the final period Chelsea exploded with 19 points, as opposed to Novi's 10, to walk off with the victory.

In that fatal period, Chelsea was down, 47-48, when Marc Feehey struck home with a 15-foot jump shot that put the Bulldogs up, 49-47. Novi clutched and missed its shot, giving Jerald Benjamin a chance to claim the rebound. In the process, Benjamin was fouled.

Benjamin then calmly went to the charity line and sank two free throws to boost Chelsea to a 51-47 advantage. Novi came back to cut the Bulldogs lead to 51-50.

At this point, Chelsea went into a delay game which made Novi desperate to get the ball. Randy Harris was fouled in the process and went to the charity stripe to finish off Novi with two successful free throws.

"We hung in tough even though we were always down by four to five points in the game," Coach Raymond said. "That was close enough so that when the opportunity came we could strike, which is just what happened at 1:52 left in the game."

"Over-all, Novi took our running game away by controlling the rebounds," Coach Raymond added. "Even though we matched

Novi with 43, theirs were mostly defensive, while we had 25 offensive rebounds. With only 18 defensive rebounds, we weren't able to run a fast-break like we wanted to."

Raymond blamed most of Chelsea's inability to get untracked on Novi's two big men, Dave Pisha, 6'4", who collected 24 rebounds for Novi alone, and Duane Ridenour, 6'4", who claimed 12 rebounds.

"Those two controlled the tempo of the game," Coach Raymond claimed. "They allowed Novi to fall into the slowed down, patterned offense it likes."

Nevertheless, Chelsea was able to make up for its disadvantages with an outstanding free throw performance. In the final period, the Bulldogs were 9 for 10 from the charity line, and 15 for 23 in the game over-all. Novi was 8 for 18 from the line over-all, but outscored Chelsea from the field, 21-19.

"The key to our victory was we kept our composure and hit our free throws and shots at the right time," Coach Raymond said. "That, plus the players never thought we would lose; they had confidence all the way that we'd win the game."

(Continued on page eight)

## Wrestlers Rally, Pin First Loss on Saline

Chelsea wrestlers closed out their dual meet season with a fine 8-2-1 record which was highlighted by a fine 30-28 victory over previously undefeated Saline this past week.

Chelsea fell behind in the Saline match, 26-0, before Mike Young started things rolling with a pin victory. Bart Bauer followed at 138 lbs. with a fine 9-3 decision. At 145 lbs. John Whitaker scored three points late in the third period to gain a 3-2 decision win.

Terry Thompson kept things going with a close 4-3 decision win at 155, and Brian Van Reema followed with a 12-6 win at 165 lbs. At 178 lbs. Todd Headrick brought the score to 26-24 with a second period pin.

Alan Augustine then provided one of the most exciting matches of the evening, when he fought to a 6-6 draw with his Saline opponent. Leon Brown sealed the victory with a 13-4 win in the heavyweight class.

"It has to be the best come back that I have seen in wrestling," said Chelsea Coach Richard Bareis. "We knew we would have a chance, but there were a lot of doubts when it got to 26-0."

He added that all the heavier weights wrestled well and singled out Alan Augustine, for an outstanding effort in gaining a 6-8 draw. Augustine returned to action against Saline after being sidelined by illness.

In what Chelsea Coach Richard Bareis termed "a lackluster match at Lumen Christi last week, Chelsea wrestlers returned home with a 34-21 win.

Bob Beeman started things off right with a 10-1 decision win. After losing by pins at 105 and 112 lbs., Chelsea gained points when Chuck Young scored an 11-1 decision.

John Bullock followed at 126 lbs. with a pin at 3:50, and Mike Young scored a big 26-second pin. Then, Bart Bauer came up with a second period pin and John Whitaker added a 14-10 decision.

Chelsea lost at 155 lbs. and 165 lbs. before Todd Headrick scored a 12-1 decision. Leon Brown closed out Chelsea's scoring with a 6-2 decision win.

Chelsea rolled over Lincoln by a score of 68-6 in yet another go on the mats last week.

Pin wins were recorded by Bob Beeman at 93 lbs., Tony Wisniewski at 138 lbs., and (Continued on page eight)

## Friends of McKune Library Recognize Life Members

As a result of a project spawned in October of 1978, Friends of the Library life members were recently accorded some measure of public recognition for their unflagging support of McKune Memorial Library.

Previously, knowledge of that support had reached near-legendary proportions only among McKune staff and board members.

Cause for the sudden change is a hand-carved, walnut plaque, fitted with brass nameplates containing the names of the 13 life members which now hangs on the west wall, near the north end of the library as one approaches the fiction section.

The 12"x24" plaque was donated to the library by the Friends following approval by the Library Board more than one year ago. Jim Daniels, who was commissioned by the Friends to execute

the project, designed, hand-planed and carved the plaque from a piece of walnut he found lying outdoors behind a barn near his home. The project took him more than 100 work hours to complete.

In addition to the 13 names already inscribed on the plaque, 35 blank brass plates remain for names of future Friends of the Library life members.

The 13 names currently appearing on the plaque are Donald and Jerry Bacon, Warren and Gertrude Daniels, Edwin and Jean Eaton, Henry and Marie Scheider, Mr. and Mrs. M. W. McClure and Leonard Fortune.

Also, Jim and Phyllis Daniels, Mr. and Mrs. Mark E. McKernan, Mr. and Mrs. George Palmer, George and Jeanette Winans, Mrs. George W. Walworth, Bob and Marjorie Daniels, and David and Catharine L. Beach.

It was Marion Sprague who first proposed the idea for a permanent plaque to be hung in the library which would point out the names of life members. She presented the idea to the Friends at one of their meetings nearly two years ago. Approval by both the Friends and the Library Board followed. The rest is now history.

What exactly the life members have achieved to deserve recognition can be found in a short examination of the history of the Friends.

The organization was formed 28 years ago, in October of 1949, for the purpose "of enlisting citizens as active friends of Chelsea

to help support the library and further all projects that naturally integrate with the library, its facilities, and its educational aims." The group met in the Village Municipal Building until July of 1939 when it moved to its present meeting location at McKune. The Friends eventually became dormant, and stayed that way until 1972 when interest was reactivated.

Since 1972, the organization has undertaken a variety of projects to upgrade the quality of the library with many of the life members playing key roles in these projects. Their accomplishments include carpeting the library, landscaping the grounds, refurbishing the Club Room on the second floor, installation of a new front door with a book drop, and replacing the old chimneys.

This past year, a new furnace was installed and insulation of the outside walls and Fiction Room was completed.

Current Friends of the Library officers are Nancy Erickson, president; Marti Neumeyer, vice-president; Allyn Seitz, secretary-treasurer; and Marion Sprague, executive committee head.

Each spring the Friends sponsor a membership drive to recruit new members for any one of five categories—Family, Student, Patron, Business-Industry, or Life-Memorial.

Persons interested in more information about the group or memberships are urged to call Marian Sprague at 475-7290.

## Youths Sentenced for Police Car Vandalism

A pair of Chelsea youths were each sentenced to pay \$225 and put on probation last Monday by 14th District Court Judge Henry Arkison after the two confessed to vandalizing a village-owned car early Monday morning, Jan. 16.

According to Chelsea police, a blue, 1975 four-door Plymouth owned by the village was left parked in front of the Municipal Building at 104 E. Middle St. Monday, Jan. 16, when sometime between 2:50 a.m. and 3:15 a.m. some red paint was poured over it, mixing with some black paint that was poured over the hood and grill of the vehicle.

Officers discovered the paint-damaged car before the paint had time to dry and were thus able to remove it without sanding and repainting the vehicle.

They then examined the area and discovered a trail of paint drippings leading to an apartment on the 100 block of E. Middle St.

Continuing their investigation, police apprehended Karl Cherry, 18, of 114 N. Main St., and Morgan D. Wireman, 20, of 524 Ar-

thur St. Under questioning, both youths admitted to splashing paint on the car.

The two said they had poured paint on the vehicle as a prank, and Wireman added he did it because he was intoxicated at the time.

Both Cherry and Wireman appeared in court Monday where each was sentenced to pay fines and costs of \$75, to pay restitution costs of \$150, and to six months probation. The two were also sentenced to five days on the Chelsea Police Department work program.

## Village Caucus Slated Feb. 13

Chelsea Village Council has set Feb. 13 as the date for an Independent Party caucus to nominate candidates for the March 20 general election.

Persons will be nominated for the offices of president, treasurer, assessor and trustee.

The caucus will be held at 8 p.m. in the council chambers.

## Board Reports To Citizen's Committee

Chelsea's Citizens Advisory Committee for Better Schools expressed satisfaction with progress reported made by the Chelsea Board of Education Monday evening which detailed the board's action on various recommendations made by the committee last spring.

Among the issues of principal concern to committee members were the board's progress on curriculum reforms in Chelsea schools, and its progress in hiring a curriculum co-ordinator for the 1978-79 school year.

The board assured the Citizens Advisory Committee that a special (Continued on page three)

## School Board Votes To Renew Tax

The decision to ask for renewal of 3.8 mills, rather than an increase in that figure, was made during the regular Jan. 23 meeting of the board.

In a special election March 6, the Chelsea Board of Education will seek a three-year renewal of the 3.8-mill tax for school operating costs passed by voters in the Chelsea School District last August.

A total of 33.62 mills is now levied.

**LIFE MEMBERS RECOGNIZED:** Marian Sprague, left, Friends of the Library Executive Committee head, and Debi Leabu, head librarian at McKune Memorial Library, pose with a 12"x24" walnut plaque made by Jim Daniels and donated to the library by the Friends. Mounted on the plaque are brass plates containing the names of 13 Friends of the Library life members who have given the

library unparalleled support during past years. Mrs. Sprague first proposed the idea for such a plaque to the Friends who then received approval from the Library Board to proceed with the project. Daniels was selected to design and carve the lasting memorial. According to Daniels, it took him more than 100 working hours to complete the plaque.

**STATE TOURNAMENT BOUND** are these members of Chelsea High's varsity debate squad, pictured with their coach, William Coelius. The team earned its berth in the Feb. 9-11 State Championship Tournament last Thursday with victories over Mar-

shall, Jackson Northwest, North Farmington and Novi in the District Tournament at Williamston High school. Seated, from left, are Julie Prohaska and Andy Anderson, while standing, from left, are Tammy Puglisi and Carolyn Meyer.

## Varsity Debaters Qualify for State Championship Tourney

Chelsea High's varsity debate squad, which qualified for the February State Championship Tournament last Thursday by scoring victories over Marshall, Jackson Northwest, North Farmington and Novi in the District Tournament held at Williamston High school.

Of the nine teams entered in the

district competition, only three, in addition to Chelsea, came up with the required 42 minimum record for the day to advance to the state finals.

The three other qualifying teams were Lansing Waverly, Marshall and Saline. Arguing the affirmative for Chelsea's varsity squad in the district tournament were Julie Prohaska and Tammy Puglisi, while upholding the negative were Andy Anderson and Carolyn Meyer.

All four will represent Chelsea at the State Championship Tournament, scheduled for Feb. 9-11 in Grand Rapids.

**4 Years Ago...**

Thursday, Jan. 31, 1974—

A \$1.2 million funding campaign to further development at Chelsea Community Hospital will begin in six months, the governing board of the hospital announced today.

Paul E. Mann, chairman of the 12-member citizen board which controls the hospital, said the fund drive announcement is the first step of an informational project which will precede the fund raising effort.

Local science whiz David Klemer, a Chelsea High school senior, has been included in the honors group of the 33rd annual Science Talent Search, the nation's top science competition for high school students. Holography, roughly defined as three-dimensional laser photography, is Klemer's subject of study.

Mrs. Eva Carpenter, who is gradually making her way through the telephone book to determine the need for a telephone reassurance program to reach shut-in members of the community, has found that transportation seems to be a major concern of senior citizens in particular.

In a match that was billed as

a battle of the giants, Chelsea and Dexter wrestling squads, both previously undefeated, met this past week to determine a conference title winner between them. Final score in the contest saw the Bulldogs still undefeated and far out in front, 42-9.

**14 Years Ago...**

Thursday, Jan. 30, 1964—

Village Councilman Larry Chapman, assigned to handle matters pertaining to the skating ponds provided by the village, announced this week that sheltered benches have been constructed and put in place at ponds at Pierce Park, South school and Veteran's Memorial Park.

The "Bowl for Polio" project, concluded Sunday night at both the Chelsea Lanes and Sylvan Lanes, netted the Chelsea March of Dimes campaign a total of \$273. That amount was donated by bowlers in tournaments the past two weeks.

Mrs. Herbert Paul leads the list of perfect attendance records at St. Paul United Church of Christ, according to announcement of the records made this past week. She has accumulated 20 years of perfect attendance, 13 of which have been consecutive.

**24 Years Ago...**

Thursday, Jan. 28, 1954—

Herbert D. Vogel has been promoted from the rank of colonel in the regular Army to the rank of brigadier-general, according to a telegram received here Tuesday.

Members of Lyndon and Sylvan townships are scheduled to meet with Washtenaw County Road Commission officials next Thursday to discuss the county's "match-money" plan. Under the "match-money" plan, a \$40,000 appropriation by the county is divided among townships in the area for road repairs with the stipulation the townships match the amounts.

A number of copies of the proposed Chelsea village zoning ordinance will be made available within the next few days so that community residents may borrow them for examination, according to Village President Anton Nielsen.

Mark McKernan was elected president of the Chelsea Columbus Federal Credit Union at the annual meeting held in the K. of C. Hall Wednesday evening of last week. Also at the meeting, a two percent dividend was declared for the credit union's shareholders.

**34 Years Ago...**

Thursday, Jan. 27, 1944—

Lewis Bernath and Lloyd Heydlauff have purchased the Wilkinson building on N. Main St. from A. W. Wilkinson, and have started remodeling for the installation of a frozen food locker plant. Present plans call for 400 lockers.

In co-operation with the Chelsea War Bond committee, Dillon Wolverson will donate the facilities of the Sylvan Theatre for a Bond Premiere Tuesday evening, Feb. 15. Admission will be granted with a ticket presented with the purchase of an "E" bond of \$50.

Radical changes in the operation of the Waterloo Recreation (Continued on page seven)

By Warren M. Hoyt, Secretary, Michigan Press Association

**Legislature Must Meet Problems**

The legislature during the 1977 session became better recognized for lack of action than action.

With the opening of the second half of the 79th Legislature, the drafting board is packed with priority items set forth by both the governor and the Democratic-controlled legislature leaders.

The legislature must waste no time this year in beginning to deal with the massive state budget and other major items dealing with the people's problems and the state's future.

Another pressure point facing members is the 1978 election year which finds the governor's office up for grabs along with all 148 Senate and House seats open. The pressure to complete Lansing business will be felt as lawmakers will want to write an impressive record at the earliest possible date

and get back to home districts to campaign to retain current offices or attain higher ones.

Governor Milliken offered no surprises in his State of the State address when he listed as top priority items transportation, energy, worker's compensation and crime. The same items were outlined last year with little final results gained on any of the issues.

House Speaker Bobby Crim stressed passage of a state-wide transportation package to increase financing for roads and public transit systems. However, 1978 will not be a good year for such programs as they include gasoline and weight tax increases and legislators always get gun shy when considering anything resembling tax hikes during an election year.

The legislature must collectively

show fortitude and place re-election in the backs of their minds to deal with the state's problems now and for the future betterment of the state. A year's delay could prove disastrous to the over-all well-being of the people.

The Senate must act quickly on major bills to keep pornography away from minors, tougher drug penalties for major drug dealers, rewrite and consolidate the state's health code, and revamp nursing home regulations.

The House faces less weighty problems as that chamber has completed action on those matters, but immediately facing the lower chamber is a series of bills to tighten up the state's campaign finance law. Minority Republicans are charging foul, claiming Democrats are using their collective power to restrict political power of business under the guise of cleaning up definitions and closing loopholes in the law.

**Highway Guidance**

John Woodford, director of the Department of State Highways and Transportation, notes that Michigan has been selected as one of three states to participate in a documented Federal Highway Administration demonstration program known as Positive Guidance. The program is a proposed tool for both problem analysis and solution development which can result in an increased level of safety to the motoring public without undertaking the expense of reconstruction.

Positive Guidance combines the traffic engineering and human performance capabilities under varying traffic operational facilities and conditions.

In helping to eliminate system failures by providing information which will increase the probability that the driver will select the speed and path proper for the operating conditions of the highway, Positive Guidance can provide high-payoff, short-range solutions to safety and operational problems at relatively low cost.

**Driver Facts**

Michigan has 6,449,001 licensed drivers of records, of which 2,993,135 are female. The median age of drivers is 35 years.

Of the 5,887,812 drivers whose records are studies, 91.3 percent 86.2 percent were violation-free drivers.

**Uncle Lew from Lima Says:****DEAR MISTER EDITOR:**

The fellows at the country store studied the situation up one side and down the other Saturday night, and they agreed with Zeke Grab that what this country needs is a President with a year-round hobby. The matter came up after Zeke allowed that what is wrong with the Carter Administration is that you can't play football in Washington all the time. This time of year there is too much news of the President working and not enough of him playing, was Zeke's words.

Zeke explained that reports of any politician working worries folks, and a President working night and day is downright frightening. It's bad enough knowing that the Congress puts in three days a week spending as hard as it can, Zeke said, but when you got the President setting up nights flinging new ways to irritate the Congress you got a real mess in the making. Zeke said he was thinking particular of the President cutting out the Christmas ball this year. On top of that, he went personal and ask some Congressmen to hang around a few days after their holiday started to work on an energy plan that nobody believes will amount to much.

Clem Webster was agreed with Zeke that all work and no play makes Jimmy a hard feller to deal with. Clem recalled back in the summer the papers would carry items regular about the ball games the President played, and nary a discouraging word was heard. Now that bad weather has got him inside, the President has more time to pick on Congress. You got them Congressmen riled and they're sure to cost us money. Clem declared.

Republican Ed Doolittle said the trick is to get the President's mind off his work. He recalled back when Ike was in office there was few times when the President riled anybody, and the same with Hoover. Ike would take off to the golf course and Hoover would go fishing, and let the world shift for itself a few days, Ed said. When they come back they usual found the problem had solved itself. Ed recommended that Carter take up fishing, cause he said the Lord don't count the time a man spends fishing, and from what he reads the President needs to slow down.

Ed got static on his stand. Clem said we ain't talking about locking up the store and going home, and that's what Ike and Hoover done. We got to come to a reasonable balance. Truman use to take off a hour and go for a walk, Clem said, and he'd come back refreshed and raring to go. We need somepon like that to give Carter a break, and to give the reporters a chance to write "color stories" about the Presidential skateboard instead of brother Billy's beer and little Amy's tree-house.

Furthermore, broke in Zeke, a President on a skateboard is sure to take our minds off reports that Jimmy is getting old fast. Whenever a President spends time with reporters they're bound to say he's got tired eyes, deeper wrinkles and, in general, the job is getting him down. What's getting him down is reporters saying the job is, was Zeke's words.

Yours truly,  
Uncle Lew.

**Contributions Sought  
For S.A.F.E. House**

The Domestic Violence Project has announced that S.A.F.E. House (Shelter Available for Emergencies) will be available for client referrals from community agencies on March 1. Efforts by numerous groups and agencies to provide a shelter for battered spouses and families in crisis are close to being a reality. The lease has been signed, and community organizations, businesses and individuals support and are making donations to furnish the shelter.

On Jan. 14, more than 30 volunteers made stops to homes throughout Washtenaw county to pick up donations to S.A.F.E. House. Many items were donated including three refrigerators, one stove, 17 single bed mattresses, two double beds, a crib, four beautiful reclining chairs from Ann Arbor La-Z-Boy Furniture Store, and kitchen utensils.

On Saturday, Feb. 11, another pick-up is planned. Anyone wanting to donate items should call 985-5460, Monday through Friday from 9 a.m. to 5 p.m., to arrange a pick-up. Still needed are bunk bed frames, single bed frames, a clothes dryer, towels, sheets, bed pads, silverware, firewood, clothes dressers and drinking glasses.

Financial contributions remain a critical need, as the shelter will be supported primarily through contributions from the community.

Checks may be sent to 1917 Washtenaw, Ann Arbor, payable to Domestic Violence Project—S.A.F.E. House. All donations are tax deductible.

**REDUCE YOUR TAXES**

There is still time  
to take your  
1977 IRA Tax  
Deduction!

Federal regulations now permit you to add to your IRA tax deferred retirement account or to open a new 1977 IRA account through February 14, 1978.

If you do not now participate in a qualified private or government plan, now is the time to start saving for your retirement and at the same time reduce your taxes. You can deposit 15% of your earned income (up to \$1500) each year in an AAFS passbook certificate account and deduct the full amount on your federal income tax return. Even the tax on the interest earned is deferred. And you'll earn our top 7% annual interest compounded

monthly for an effective rate of 8.03%. You can also set up a special IRA account for your non-working spouse.

You can make deposits periodically or in a lump sum. You can open your IRA account with any amount, up to \$1500. With drawings can be started at age 59½. Withdrawals made prior to age 59½ are subject to penalties. Take advantage of this tax shelter now and accumulate a sizable retirement fund. Your money will grow much faster in a tax sheltered IRA account. See an Ann Arbor Federal Savings IRA specialist for details.

**DALRYMPLE-KLEMER:** Prof. and Mrs. Jean M. Dalrymple of Calumet have announced the engagement of their daughter, Gayle Dianne, to David P. Kiemer, son of Mr. and Mrs. Earl M. Kiemer, of 13483 Trinkle Rd. The bride-elect is a 1976 graduate of Calumet High school, and is currently a sophomore attending the University of Michigan College of Engineering. She is associated with Alpha Gamma Delta, a social sorority. Her fiancé is a 1974 graduate of Chelsea High school and a 1977 graduate of the University of Michigan where he received his Bachelor of Science degree in electrical engineering. He is currently enrolled as a graduate student in the U-M Rackham School of Graduate Studies. He is associated with Tau Beta Pi and Eta Kappa Nu, both honorary engineering societies. An April 29 wedding is planned in Ann Arbor.

## School Board Reports To Citizens Committee

(Continued from page one)

committee had been appointed to evaluate school curricula and that the new superintendent would be instrumental in determining what action the board would take based on the committee's findings.

The new superintendent will also be consulted in the hiring of a curriculum co-ordinator.

The board further reported course offerings books in the upper grades have been reviewed and revised with better course descriptions to help students select their classes. The newly-revised books will be printed by the high school graphic arts department.

ment in late February or early March, and will then be distributed to students.

In other action, the board announced to the committee that it had deferred its decision to move student lockers at the high school from a special room to the halls because the discipline problems that had prompted the recommendation no longer existed in the locker room.

The board also pointed out the move would require a substantial amount of money. Given the present situation of limited funds, the board felt the money could be better spent in other ways.

Before adjourning, the board informed the Citizen's Advisory Committee that it had increased its expenditures for teaching supplies and textbooks.

The Fair Labor Standards Act is enforced by the Wage and Hour Division of the U. S. Department of Labor. Among its provisions are that learners, apprentices, and handicapped workers and full-time students may be paid special sub-minimum wage rates under certain conditions. Special certificates must be obtained by employers from the Wage and Hour Administration.

## Woman's Club Hears Doctor Speaking on Cancer

The Woman's Club of Chelsea met Tuesday, Jan. 24, at McKune Memorial Library.

Mrs. Win Schumann of the Chelsea Chapter of the American Cancer Society introduced Dr. Rowe, a consultant at the University of Michigan Medical School.

Dr. Rowe spoke of new techniques in the detection and treatment of cancer as well as new developments in research and therapy. A question and answer period followed.

A brief business meeting was held at which plans were discussed for the Valentine Tea to be held at the Methodist Home, on Feb. 14.

Hostesses for the evening were Jo Spade and Gladys Peterson. The next meeting will be held Feb. 28, at McKune Memorial Library. A book review will be presented.

## Ruth Circle Discusses Program For Coming Year

Ruth Circle of United Methodist Women met Tuesday afternoon, Jan. 17, in the Crippen Building to discuss programs for the coming year and hear a special presentation on "Hunger."

Wilda Bradley and Marjorie North co-hosted the meeting attended by 28 members and their guests. All were seated around tables centered with a vase of daisies and were served refreshments.

Mrs. Audrey McKee, newly-elected chairperson, called the meeting to order. It was reported that several members were ill or had suffered accidents.

The group then discussed several special project topics for the coming year and decided to make the Chelsea United Methodist Retirement Home its special project for 1978.

Mrs. Ethel Fleenor, program chairperson, distributed 1978 program booklets printed by former church members.

Devotions followed, led by Mrs. Helen Harpe. Members closed devotions with an African prayer.

At the conclusion of the business session, Martha Earles began her presentation on "Hunger." She focused on hunger in the world, women and hunger, and women in the church working to alleviate hunger. Miss Earles and Mrs. Fleenor used a Litany to emphasize these needs.

At Tuesday's meeting, Mrs. Clara Hickok and Mrs. Francis Fleming joined the Circle.

**MARTIN-DOWHAL:** Mr. and Mrs. Rock J. Martin of Saline have announced the engagement of their daughter, Catherine Lynn, to Paul Alexander Dowhal of Ann Arbor, son of Mr. and Mrs. Alexander Dowhal, of 4250 S. Fletcher Rd. The bride-elect is a graduate of Saline High school. She attended Western Michigan University where she was affiliated with Phi Mu, a social sorority, and currently attends Washtenaw Community College where she is studying commercial design. Her fiancé is a graduate of Chelsea High school. He currently attends Washtenaw Community College but is planning to transfer to the University of Michigan in September where he plans to study architectural engineering. He is employed by Rectron, Inc., in Ann Arbor. A July 21 wedding is planned.

## Schiller-Parker Engagement Told

Mr. and Mrs. Marvin Schiller of 311 Madison St., have announced the engagement of their daughter, Wanda, of Brooklyn, to Robert Parker, Jr., son of Mr. and Mrs. Robert Parker, Sr., of Chelsea. They will be married Feb. 4.

capacity crowd of 200 will be able to enjoy the concert program in carpeted comfort with a panoramic view of Cavanaugh Lake, according to Pat Merkel, carnival chairman.

Also during the afternoon, outdoor enthusiasts are invited to participate in a multitude of snow-

mobile activities to be conducted by co-chairmen Frank Hill and "Blacky" Freyre. The duo will provide snowmobilers with trail maps and guides upon request.

Altogether, Feb. 4-6 promises to be a fun-packed week-end for Winter Carnival participants. All area residents, their families, and their friends are invited to join Chelsea's Legionnaires at the upcoming winter extravaganza.

## Susan I. Osentoski, John Bauer Speak Vows at St. Mary Church

Susan I. Osentoski and John M. Bauer, both of Lansing, exchanged marriage vows Saturday, Jan. 14, 2 p.m., in St. Mary Catholic church before a gathering of 200 guests.

The Rev. Fr. David Philip Dupuis performed the ceremony uniting the daughter of Mr. and Mrs. Arthur J. Osentoski, of 2310 S. Fletcher Rd., with the son of Mr. and Mrs. Robert Bauer of Lansing.

Vocalist for the wedding was Sister Patricia Weigang who sang "Hail Mary" and "Take Our Bread."

As the bride approached the altar she was wearing a white nylon gown with a fitted bodice, long fitted sleeves, and a full skirt and train. The bodice, sleeves and skirt were all trimmed with seed pearls and applied lace flowers. Her finger-tip length veil, which was edged in lace, was attached to a Juliet cap edged in seed pearls. She carried a cascade bouquet of white and pink roses and baby's breath.

Maid of honor was Cynthia Rademacher of Lansing. She appeared in a five-tiered, pink chiffon gown and held a bouquet of two red roses, one pink rose, and baby's breath tied together with a pink ribbon.

Serving as bridesmaids were Mrs. William Pfau of Manchester, Mrs. John Rosentreter of Chelsea, Mrs. Richard Wrzensinski of Lansing and Mrs. Kevin Brandon of Jackson. All wore five-tiered, sapphire blue chiffon gowns. Each of their bouquets contained three pink roses and baby's breath, tied together with a pink ribbon.

## VFW Auxiliary Will Assist at VA Hospital Party

The Ladies Auxiliary of Chelsea VFW Post No. 4076 met Jan. 23 with nine members in attendance. Originally the meeting had been planned for Jan. 9, but it was postponed to the later date because of inclement weather.

During the Jan. 23 business session, Donna McAllister was elected to membership.

Several announcements followed, including one informing members of the 6th District meeting to be held in Brighton Sunday, Feb. 5, with Auxiliary No. 4076 hosting the affair.

Also, the Washtenaw County Council of Veterans will sponsor a party for all veterans in the Ann Arbor Veterans Administration Hospital on Jan. 30, and it was announced the local Auxiliary plans to assist with the party.

Members of the group then voted to pay an annual cancer insurance premium of \$344 and 6th District dues of \$10 per member. Plans for a pre-Easter bake sale were discussed. The sale will be conducted March 25 in the VFW Hall.

A report was given by those attending the Jan. 7 wild game pot-luck supper. All called the event a huge success.

The group's next joint pot-luck supper with Chelsea's VFW Post will be organized around a golden anniversary theme as this is the golden anniversary year of the local Auxiliary's parent organization.

Before the meeting adjourned, Eulalie Packard, Americanism chairman, informed members that flags will be presented to three Manchester Scout troops.

Next regular meeting of the local Auxiliary will be Feb. 14, 8 p.m., in the VFW Hall.

## Preston Undefeated in Beach I-M Basketball

"Close and hotly-contested" was the name of the game as boys and girls intramural basketball entered its third week last Friday at Beach Middle school.

Preston remained undefeated to fortify its lead in the boys league race, while Kiel and Thornton ended the week tied as frontrunners in the girls league. Prior to last Friday's games, four girls teams stood at the top of the league with even records.

In boys league action Preston played to a 19-13 win over Murphy, while Robbins edged Vandervoort, 13-12.

Leading scorers were Phil Powers with 11 points, John Preston with 9, and Dave Nicola with 6. Preston now heads the boys league with a comfortable 4-0 record, followed by Murphy with a 2-2 record, Robbins with a 1-3

mark, and Vandervoort also 1-3 on the season.

In the girls league, Hastings nipped Eisele, 10-8; Kiel held off Troutman for a 12-9 win; and Thornton nudged by Weber, 6-4. Karen Kiel and Maggie Sweet paced the league with 6 points each.

Kiel and Thornton top the league with identical 3-1 records. Eisele and Weber are close behind with even 2-2 records, and Hastings and Troutman round out the league with equal 1-3 marks.

Preston will go against Robbins, and Murphy against Vandervoort in the boys league tomorrow, while Thornton will battle it out with Kiel for the number one spot. Eisele will face Weber, and Hastings will take on Troutman in the girls league.

Intramural basketball league director is Pat Clarke.

## Hockey Team Posts Win Over Kalamazoo

Chelsea High's hockey team outplayed the Junior Bronco hockey team from Kalamazoo Sunday at Jackson Ice Arena. The Bulldogs came out hitting and clearly dominated the game.

At 4:25 of the first period Dennis White put the puck into the net for Chelsea with assists by Brian Burg and Gary Keleman. This was the only goal of the period.

Pat Stevenson got the only goal of the second period, picking up the puck just outside the Chelsea zone. He skated around the Kalamazoo defense and beat their goalie for an unassisted goal at 7:53 of the period.

Kalamazoo got on the scoreboard at 3:45 of the third period when Frank Haumerson scored, but Chelsea came back when Pat Stevenson scored another unassisted goal at 6:22. That goal proved to be the game winner.

Daye Burg added an insurance goal for Chelsea when he took a rebound from Dennis White and beat the Kalamazoo goalie. John Dahl scored Kalamazoo's final goal in the game at 10:49 of the period.

The final score of the game was Chelsea 4, Kalamazoo 2.

"This was a good win for the Chelsea team, as it put the boys back into a winning streak," team manager Richard Glasson said.

Chelsea is now at the top of its division but the Jackson Western team is right behind, only one game down.

The Bulldogs will play Hanover-Horton this Sunday, 6 p.m., at Jackson. Hanover is a much-improved team from the one the Bulldogs played earlier this season, and Chelsea will have its hands full. Chelsea will have to win to stay ahead of Western in the league race.

## Pucksters Blanked By Powerful Jackson

Sunday, Jan. 15, the Chelsea Bulldogs hockey team played the powerful Jackson High Vikings. The final score of the game was 5-0 in favor of Jackson.

Chelsea played a good game but couldn't keep Jackson out of scoring position. Jackson outshot Chelsea 21 to 4 with three of Chelsea's shots coming in the third period.

"Not even the Chelsea cheerleaders, Ellen Bury, Lisa Bauer, Jeanne Bury, Tammy Downer, or Captain Cindy Klobucker could rally the Chelsea squad," team manager Richard Glasson reported.

The following Saturday, Jan. 21, six Chelsea players were chosen to play in the All-Star game.

Team captain Dave Dawson, alternate captains Mark Stevenson and Steve Check, league scoring leader Pat Stevenson, star defense man Kevin Houle and star goalie Dave Baldwin represented the Chelsea Bulldogs in the contest.

The Banner team won the game, 10-5, and Pat Stevenson was a standout with two goals and two assists. Kevin Houle and Dave Dawson played on this team and played very well.

Dave Baldwin started in goal for the Toland Team and although the Banner All-Stars scored four goals on him, when he was replaced half way through the game by Ed Heethius, the Banner team also scored six times on the reliever.

Mark Stevenson, who also played for the Toland Team, picked up

## Volleyball Team Falls To Novi Rally

Chelsea's varsity girls volleyball team took on Novi's varsity girls and boys volleyball team there Friday, and won their first game of the season, although the Bulldogs dropped the match.

Chelsea started off very slowly in losing the first game, 4-15. However, paced by the serving of Mary Jo Eisele's six points, for a thrilling second-game win, 15-9.

The momentum was still with Chelsea at the start of the final game as they led at one point, 6-3. But strong serving and defense by the Wildcats was just too much for the Bulldogs and they ended up on the losing end of the 7-15 decision.

Balanced offensive scoring by Mary Jo Eisele, 6 points, Michele Sarbach and Veronica Satterthwaite, 5 points each, Nancy Knott and Kathy Starkey, 4 points each, along with an improved defense, should result in some tough competition for Brighton when they come to Chelsea Friday at 4 p.m., according to Chelsea Coach Walt Keppler.

Have you often wondered what happened to all those cancelled government checks? Each year, some 787 million government checks are recycled, producing about 54 million rolls of toilet paper. One way or the other, the government will get you in the end.

Donald A. Roth, Community Relations Manager, Ann Arbor, offers you this telephone tip:

**Teach your children how to use the phone in an emergency!**

Anyone can have an emergency at home that calls for fast, intelligent use of the phone... a sudden illness, accident, fire. Hopefully, you already have a list in your phone book or elsewhere near the phone, giving the numbers of your doctor, hospital, poison control, police, fire department and your home address. But, if you have children at home, would they know how to use the phone in an emergency? Make sure they do.

Show them where you keep the emergency numbers and how to call the operator, if necessary. Your babysitter should be told who to call, too. Know if 911 can be dialed for fire, medical and police help in your area. Nobody likes to think about emergencies at home. But, it's better to give it a little thought now, than be sorry you didn't later. Why not check out the family on your emergency phone call procedure right now?

## Cager of the Week

MATT FEENEY (10), guard and first-year member of Chelsea's varsity basketball squad, was described by his coach, Robin Raymond, as "a hard worker in practice whose passing is much improved over the beginning of the year." The 5'8", 125-lb. junior began his basketball career in 4th grade, and said he has "pretty much always been a guard." In that position, Feeney explained his principal responsibilities are "to get the fast-break moving and get the ball inside to the big men." Although he is not usually billed as a starter in Chelsea's games, Feeney noted his playing time has been increasing as the season progresses. The cager's best scoring game this season came when the Bulldogs went up against Milan. "I scored three points in the game," he said. Feeney also performed well in Chelsea's encounter with Manchester last Tuesday. "I came up with a steal right when we needed it," he said. Chelsea's best game effort this season, according to Feeney, was against Brighton early this year when the Bulldogs "played four quarters of basketball without any let-ups." In assessing Chelsea's competition, Feeney described the conference as "better than it has been in past seasons, but not the best I've seen." He added that Milan and Saline are the current league favorites and if they tie for first place, Chelsea will finish as runner-up in the league. When asked if he thought Chelsea could upset either of the two league leaders, Feeney announced: "We have an excellent chance of beating Saline. That should be our hottest game of the season." Even with a victory over Saline, he predicts Chelsea will complete the basketball year in either second or third place in the conference. "Anything less than that and I'd consider it a disappointment," he acknowledged. Using the new fast-break offense and high pressure defense introduced by Coach Raymond this season, Feeney claimed the Bulldogs have come together more as a team. "We had a slower, more conservative game before, but the new way is both more fun to play and to watch," he said. Feeney who has also played baseball for Chelsea in the past, is the son of Mr. and Mrs. J. Michael Feeney, of 249 Park St.

## Mock Emergency To Test Communications

Earthquake tremors will jolt Washtenaw county and other Michigan areas sometime Saturday morning, Jan. 28, but there is no cause for alarm.

They will be part of a simulated disaster to test the effectiveness of amateur radio emergency communications, not only in the local county area, but also throughout the rest of Michigan and the United States.

On Jan. 28 and 29, several dozen members of the Washtenaw County Amateur Radio Emergency Service (ARES), which includes members of the Chelsea Communications Club, will join thousands of other amateur radio operators in the U.S. and Canada in an exercise to test their communications abilities and equipment, and provide valuable experience under simulated emergency conditions.

The Washtenaw county ARES is composed entirely of FCC-licensed radio amateurs who volunteer their time, stations, and equipment in the public interest.

Directing the local effort is David Prohaska of Chelsea, W8-LMT, American Radio Relay League emergency co-ordinator for Washtenaw county, who has been a licensed amateur for 26 years.

"We will imagine the devastating effects of a moderate earthquake with resultant injuries, looting, and structural damage to buildings, water mains, power and telephone systems, railroads, and roadways," Prohaska explained. "Red Cross will co-ordinate pub-

lic shelters and Civil Defense will handle inter-agency activity and damage reports. Amateurs will activate their home stations as well as mobile and emergency-powered portable units to handle messages for all public service agencies."

Prohaska added that the entire Michigan Amateur Radio Emergency Service will participate in the simulated earthquake theme. An amateur radio station will be set up at Michigan State Police headquarters in Lansing, and will operate during the test period, maintaining contact with other amateur locations in all parts of the state.

Messages and communications from Washtenaw county will be exchanged with adjacent counties such as Jackson and Wayne, and messages going outside of the immediate area will be handled through the National Traffic System—a network of amateur radio stations organized to relay communications anywhere in the country.

During last year's simulated Emergency Test (SET), 44 amateurs participated from the Washtenaw county area and handled 205 messages going to all parts of the country. This effort contributed substantially to Michigan achieving number-one ranking nationally on a point evaluation system, beating Ohio which had held top position for several years.

The SET is sponsored by the American Radio Relay League, a bi-national organization of radio amateurs.

## 8th Grade Cagers Lose Two Thrillers

Chelsea's 8th grade cagers lost a thrilling 44-41 over-time contest to Dexter, Tuesday, Jan. 17, and then returned to the court the following day only to be nipped by Stockbridge, 33-31.

In Tuesday's game, Chelsea and Dexter exchanged the lead several times with neither team gaining more than six points over the other in any of the four quarters.

"The game was extremely close from the start to finish," Chelsea Coach Ken Larson confirmed.

Scoring for Chelsea were John Welton with 16 points, Geoff Shaw with 10, Dave Peterson with 6, Darrow Keezer with 5, and Toby Boyd and Doug Hensen, both with 2.

Against Dexter, Darrow Keezer collected a season high of 18 rebounds. He was followed by Geoff Shaw with 7.

In contrast to Tuesday's game, which was hotly-contested all the way, Chelsea came out cold against Stockbridge Wednesday, scoring only three points the entire first half. Only one Chelsea shot from the floor fell through the hoop.

However, the Bullpup defense managed to hold Stockbridge close, limiting the opposition to only 16 points in the two pre-intermission periods.

Then, "we came to life in the second half and really made a game of it," Coach Larson said in explaining Chelsea's sudden rise to its 31-point finish behind Stockbridge's 33.

Leading scorers for Chelsea in

the contest were Dave Peterson with 10, Mike Bareis with 9, John Welton with 6, Darrow Keezer with 4, and Doug Hensen with 2.

Grabbing rebounds for Chelsea were Darrow Keezer, 7, Doug Hensen, 6, and Toby Boyd, 5.

Two other Bullpups, Todd Sprague and Jeff Rowe, were singled out by Coach Larson for playing good games.

Chelsea's 8th graders are now 2-5 on the season.

## Junior High Wrestlers in Competition

In their first competition ever, six Beach Middle school wrestlers came away from the Jackson Northwest Junior High Wrestling Tournament Saturday, Jan. 21, with award-winning finishes after downing opposition from 13 other junior high grappling squads.

Taking second place in the tournament at 160 lbs. was Rick Poljan. He was followed by third-place finisher John Preston at 141 lbs., and Bob Varga and Mike Stahl, both of whom tied for third-place in the 95-lb. division.

Placing fourth in the contest were Scott Dault at 88 lbs. and Bob Schiede at 161 lbs.

"All 21 members of our team wrestled well for their first time on the mats, but I was particularly pleased with the performance of the six place winners," Chelsea Coach Bill Wescott reported.

## Grass Lake Man Graduates With Honors From Non-Com School

Staff Sergeant Ronnie C. Bobbett, son of Mr. and Mrs. Charles R. Bobbett of 500 South St., Grass Lake, has graduated with honors from the Pacific Air Force Non-commissioned Officers Leadership School at Kadana AB, Japan.

The sergeant received the Speech Award for outstanding public speaking.

The sergeant, who was trained in military management and supervision, is a missile systems maintenance technician at Kwang Ju AB, Republic of Korea.

## LYNDON TOWNSHIP ROAD ORDINANCE

BE IT RESOLVED AND IT IS HEREBY RESOLVED, that the Lyndon Township Board does hereby adopt and promulgate an Ordinance regulating Private Roads and Streets and the use thereof, traffic and vehicles thereon, the construction and maintenance of Private Roads and Streets, within Lyndon Township, to provide for the administration, enforcement, and fees to defray administrative and enforcement costs incident thereto, as follows:

The Township of Lyndon Hereby Ordains:

An Ordinance under the provisions of Public Act 246 of 1945, as amended, to regulate the construction, maintenance and use of Private Streets and Roads within Lyndon Township for residential or similar use, the use thereof by traffic, the parking of vehicles thereon, the administration and enforcement thereof, fees to defray the administrative and enforcement costs incident thereto, and to insure that residences and buildings within the Township of Lyndon may be accessible to police and fire protection, and for other purposes, as follows:

### SECTION 1. INTENT

The Lyndon Township Board hereby finds that unobstructed, safe, and continuous access to lots and parcels of real estate is necessary to promote and protect the health, safety and welfare of the public through police and fire protection and ambulance service. The Lyndon Township Board further finds that such access is necessary to insure that such services can safely and quickly enter and exit private property at all times. The Lyndon Township Board further finds that access to the interior of various sections within Lyndon Township should be promoted through the orderly development of the Township and that such access should meet standards and specifications to permit the subsequent upgrading and dedication of such access rights of way by the Washtenaw County Board of Road Commissioners or other municipal corporations, when public dedication is desirable or required, without future undue and unnecessary costs to abutting property owners. The procedures, standards and specifications hereinafter set forth are determined to be the minimum procedures, standards and specifications necessary to meet the intention of this Ordinance.

### SECTION 2. GENERAL REQUIREMENT

Every lot or parcel of real estate in Lyndon Township which is improved with a building, shall either: (1) abut upon a street or road dedicated to the public; or, (2) abut upon a Private Street or Road which meets the requirements of this Ordinance; and, (3) have access for ingress and egress for all the vehicular traffic including fire, police, and ambulance services and vehicles by means of such public or private street or road. No lot or parcel of real estate shall be improved with a building subsequent to date of adoption of this Ordinance, unless a permit in accordance with this Ordinance has been issued. All lots and parcels of

real estate which have been improved with a building prior to the date of adoption of this Ordinance shall comply with the provisions of this Ordinance. If the Township Board, by Resolution, subsequently determines that such compliance is necessary to protect and promote the public health, safety and welfare of specified lots and parcels of real estate in accordance with the purposes set forth in Section 1 above, No private street or road shall be constructed or maintained without compliance with the requirements of this Ordinance and an access easement permit as hereinafter provided.

### SECTION 3. APPROVING AUTHORITY

The Lyndon Township Board shall have the authority to approve or deny applications for access easement permits. No other permit issued by any Township Official or body, including the Zoning Inspector, Planning Commission, or Zoning Board of Appeals, or Washtenaw County Official or Board, including the Washtenaw County Building Inspector, shall be a substitute for such access easement permit. If an access easement permit is necessary under the requirements of the Lyndon Township Zoning Ordinance or any other Ordinance, the Township Board may refer such application to the Planning Commission or other appropriate body for review or comment. The Township Board may refer the application to the Township Engineer for review and recommendation. If the facts do not establish that the easement and roadway conforms to the standards and specifications of this Ordinance, the Township Board shall not grant an access easement permit. In the approval of any access easement permit, the Township Board shall impose such conditions as it deems necessary to meet the intention and to achieve the objectives of this Ordinance. The breach of any such condition shall automatically invalidate the permit therefor. The Township Board shall establish, by Resolution, a schedule of fees to defray the costs of inspection, administration and enforcement of this Ordinance. The Township Board may require that the applicant for an access easement permit deposit with the Clerk of the Township a sum of money, or in lieu thereof a performance bond, upon such conditions as determined by the Township Board, which shall insure that the applicant shall perform the terms and conditions of the access easement permit, including the payment of any administrative or enforcement costs. Upon the completion of the easement and roadway the applicant shall be entitled to a refund of such portions of the deposit which have not been expended for such administrative or enforcement costs. The access easement permit shall be in a form as approved by a Resolution of the Lyndon Township Board. The permit shall be signed and issued to the applicant by the Clerk of the Township. The Clerk shall not issue the permit until all fees and deposits have been paid.

### SECTION 4. APPLICATION REQUIREMENTS

The application shall be made in writing and accompanied by the following information:

A. A legal description of the lot or parcel to be served by the easement, a legal description of the easement, the names and addresses of all persons or parties owning an interest in the title to the lots, parcels, and easement area.

B. A survey drawing showing the outline of the proposed easement, the dimensions and bearings thereof, the existing topographical contours at two (2) foot intervals of the easement area and all adjacent land within ten (10) feet of the easement area, and all other bodies of water within ten (10) feet of the easement area, existing buildings within twenty (20) feet of the proposed easement, the proposed easement in relation to the nearest property lines and the location of all proposed improvements to the easement area. The survey drawing shall be prepared by a Registered Land Surveyor or Civil Engineer and shall bear the seal of the same.

C. The plans and profile drawings and cross sections of the proposed improvements showing clearly all materials, grades, and dimensions, and a statement of anticipated costs of such improvement. Such drawings and cross sections shall be prepared by a Registered Civil Engineer and shall bear the seal of the same.

D. A statement of the applicant detailing the parties who shall be responsible for the maintenance of the easement and roadway and the means by which such maintenance shall be accomplished.

E. A complete statement of all of the terms and conditions of the proposed easement, including all agreements or intended agreements regarding the maintenance and improvement of the easement and roadway.

F. The fee as established by Resolution of the Township Board.

G. The application shall be signed by the applicant or his agent, in which case, it shall be accompanied by a duly executed and notarized Power of Attorney, and shall represent that the applicant is making the application on behalf of all persons having an interest in the easement or the abutting lots or real estate, and shall be made under penalties of perjury.

H. Tentative permit approval from the County Road Commission for road intersection.

### SECTION 5. SPECIFICATIONS

Each access easement and its roadway shall conform to the following specifications:

A. The specifications of the Washtenaw County Board of Road Commissioners for streets and roadways which are to be dedicated to the public, or

B. Such specifications as shall be subsequently adopted by Resolution of the Lyndon Township Board, and

C. The following minimum requirements and specifications:

(1) The easement shall have a width of sixty-six (66) feet.

(2) The surface shall be processed gravel, limestone or slag, or paved and shall have a minimum width for vehicular traffic of: twenty-two (22) feet, when it serves six (6) or less single family residential units, or thirty (30) feet, when it serves any other building or buildings which produce a greater amount of vehicular traffic.

(3) The sub-base material shall have a minimum thickness of six (6) inches of compacted sand spread to a minimum width sufficient to extend to the front slope of the roadside ditch.

(4) Aggregate base material shall consist of eight (8) inches of process gravel, crushed limestone or slag and shall be placed in two (2) courses of equal thickness. Each course shall be thoroughly compacted. The minimum width of the base shall be sufficient to meet the finished width of a gravel road.

(5) If the road is paved, the pavement shall be two and one-quarter (2 1/4) inches bituminous aggregate 4.11 and to the width as hereinbefore specified.

(6) The maximum length of a dead end access shall be one thousand (1,000) feet and the minimum length of a dead end access shall be one hundred forty (140) feet, as measured from the centerline of the public street to which it connects to the centerline of the turning circle or turnaround area. The turning area shall be provided at the end of dead end access easement which shall be sufficient to permit the quick and unobstructed change in direction of police and fire vehicles. The turning circle, when used, shall have a minimum radius of seventy five (75) feet for the easement and a minimum radius of fifty (50) feet for the roadway surface. A "T" type turnaround may be substituted for a turning circle, if the applicant can show that it will meet the standards hereinbefore set forth for a turning circle.

(7) The roadway surface and turning area shall be centered within the easement area.

(8) The connection between the access easement and public street shall conform to the standards and specifications of the Washtenaw County Road Commission and the applicant shall obtain a permit issued by said Road Commission prior to the approval of any access easement by the Lyndon Township Board.

(9) Underground cross - road drainage shall be provided where the proposed access easement crosses a stream or other drainage course. Necessary culverts and erosion treatments shall be provided in accordance with the specifications and recommendations of the Washtenaw County Board of Road Commissioners.

(10) The easement and roadway shall be adequately drained so as to prevent flooding or erosion of the roadway. Ditches shall be located within the access easement and shall have a minimum grade of five-tenths (0.5) percent. Grades of five-tenths (0.5) percent to four percent shall be sodded or otherwise stabilized. Front and back slopes shall have a minimum slope of one (1) on four (4). Grades exceeding four (4) percent shall be rip-rapped. Roadway drainage shall be constructed so that the runoff water shall be conveyed to existing water courses. The discharged water shall not be cast upon the land of another property owner unless the water is following an established water course. Connection to county drains shall be approved by the Washtenaw County Drain Commission prior to the issuance of a permit under this Ordinance.

(11) The minimum grade of the roadway surface shall be five-tenths (0.5) percent. The maximum grade of the roadway surface shall be seven (7) percent. The minimum sight distance at a point where the access easement roadway intersects a public street shall be at least seven hundred fifty (750) feet, in each direction, unless a lesser distance is approved by the Washtenaw County Road Commission. Sight distances shall be measured as specified by the Washtenaw County Road Commission standards and specifications. Horizontal curves shall have a minimum radius of two hundred thirty (230) feet. Vertical curves shall be designed with a minimum length of one hundred (100) feet for changes in gradient of two (2) percent or more.

(12) Necessary road identification signs and stop signs shall be provided. The United States Post Office and Washtenaw County Road Commission shall be notified of road name.

(13) Applicant is responsible for obtaining any necessary permits from other governmental agencies prior to issuance of a permit under this Ordinance.

### SECTION 6. INSPECTION

Roadway improvements shall be inspected by the Lyndon Township Engineer at various stages of construction. The Township Engineer shall make a final inspection upon completion of the construction and he shall certify the fact of completion in accordance with the terms and provisions of the permit. No final certificate of zoning compliance or certificate of occupancy shall be issued by the Lyndon Township Zoning Inspector or Washtenaw County Building Inspector for buildings upon lots or parcels of real estate which are to be provided access by means of a private roadway until the final inspection and certification by the Township Engineer has been given. The results of the final inspection shall be in writing. The certificate of completion by the Township Engineer shall be in a form as provided by the Lyndon Township Board and a copy shall be delivered to the Lyndon Township Clerk and the applicant. The costs of inspection including compensation of the Township Engineer shall be paid by the applicant prior to the issuance of the certificate of completion. The Township Board shall

establish and determine the costs of inspection. If the Board shall establish and determine the costs of inspection, the applicant does not directly pay the costs of inspection, the same shall be paid from the deposit established by the Township Board and held by the Township Clerk, and the balance if any shall be returned to the applicant.

### SECTION 7. EXPIRATION OF APPROVAL

An access easement permit shall be valid for a period of one (1) year from the date of issuance, or such longer period as determined by the Township Board. If the improvement has not been completed upon the expiration of said one (1) year or such longer period of time, then the permit shall be void and of no force and effect and all deposits shall be forfeited to the Township.

### SECTION 8. RECORDING

All access easements shall be recorded in the Office of the Register of Deeds for Washtenaw County prior to issuance of a final certificate of completion, or the issuance of any zoning permit, including a final certificate of zoning compliance or a certificate of occupancy.

### SECTION 9. BUILDING PERMITS

No zoning building permit shall be issued for any lot or parcel of real estate subject to the provisions of this Ordinance unless an access easement permit has been issued by the Township Board and as-built plans are on file with the Washtenaw County Road Commission.

### SECTION 10. VARIANCES

Where there are practical difficulties or unnecessary hardship in the way of carrying out the strict letter of this Ordinance, the Township Board shall have the power to vary or modify the application of the provisions of this Ordinance so that the intent and purpose of the Ordinance shall be observed, public safety secured and substantial justice done. Any applicant may apply for a variance from any provision of the Ordinance in which case the Township Board shall hold a public hearing upon such application within thirty (30) days from its filing, give due notice thereof to all parties, and decide the application within thirty (30) days after hearing. Upon the hearing any party may appear in person or by agent or by attorney. The Township Board shall keep a record of said hearing and shall render a written decision. The Township Board may attach reasonable conditions in granting any variance from any provision of the Ordinance, and the breach of any conditions or the

failure of any applicant to comply with the conditions shall void the variance. It is the intent of this provision of the Ordinance that easements and rights-of-way which have been established, recorded, constructed, or maintained prior to the date of adoption of this Ordinance and which can not be brought into conformity with the provisions of this Ordinance without unnecessary hardship or where such rights-of-way and easements by reason of soil conditions, topographical considerations, or other factors can not be brought into conformance with the Ordinance without practical difficulties, that variances shall be granted and conditions attached to the variance to facilitate the upgrading of such prior nonconforming easements and rights-of-way as is reasonable practical to the standards of the Ordinance.

### SECTION 11. VIOLATIONS.

Any person who violates any provision of the within Ordinance shall be guilty of a misdemeanor and shall be subject to a fine not exceeding FIVE HUNDRED (\$500) DOLLARS or by imprisonment not exceeding ninety (90) days, or by both such fine and imprisonment. Any access which is used in violation of the terms of this Ordinance and the same is hereby declared to be a nuisance per se, and such use may be abated, restrained, enjoined, and prohibited, upon the commencement of an appropriate action in the Circuit Court.

### SECTION 12. EFFECTIVE DATE

The within Ordinance shall be effective thirty (30) days after publication.

BE IT FURTHER RESOLVED, that the Township Clerk be and she is hereby directed to cause a true copy of the within Ordinance to be published within the Chelsea Standard on or before thirty (30) days after date of adoption of said Ordinance.

I, CARLA W. CHERRY, do hereby certify that the above Resolution and Ordinance was duly adopted by the Lyndon Township Board on the 17th day of January, 1978, at a regular meeting upon the motion of Thomas B. Lancaster, seconded by Barbara Roderick, with the following roll call vote: Ayes 5; Nays 0.

Dated: January 18, 1978.

LYNDON TOWNSHIP

Carla W. Cherry, Clerk.

### SCOTLAND SKYSCRAPERS

Scotland had skyscrapers more than 300 years ago. At that time, some buildings in Edinburgh were built from 10 to 14 stories tall.

# Psychology Award

Leslie Gilbreath, a Chelsea High school senior, was named recipient of the Psychology Student of the Month Award at Chelsea High this week.

She was selected for the award by her classmates who cited her outstanding academic achievement in the class and her excellent class participation as reasons for their choice.

In her study of psychology at Chelsea High, Miss Gilbreath found "it was a difficult class, but it was also interesting and I enjoyed attending the class."

Upon graduation from Chelsea High, Miss Gilbreath plans to attend Michigan State University. She has two older sisters and one younger brother, and is the daughter of Mr. and Mrs. Gerald Gondek, of 8216 Beeman Rd.

LESLIE GILBREATH

# 34 Years Ago...

(Continued from page two)

Area in Washtenaw and Jackson counties are being planned by the Department of Conservation which recently took over control of the land, it was announced in Lansing last week by P. J. Hoffmaster, Director of Conservation. Among the changes planned are to open large tracts of land to public hunting and fishing.

At a general meeting of local Federal Screw Works employees Sunday afternoon, Webb Magnor and Emerson Barringer, UAW-CIO representatives, pointed out the benefits of a union shop as regards wages, hours and sanitary conditions. Both also stated how the labor union should take part in civic affairs by helping to sponsor homes for children of working mothers, and by organizing educational and recreational centers.

Sharon Township Board regular meeting first Thursday of each month, 8:30 p.m. adv421f

### Laundromat Attendant Reports Theft

Chelsea police are continuing their search for a man they believe removed \$20 from the purse of an attendant at the Wash 'n' Dry laundromat on W. Middle St. late Monday morning, Jan. 23.

According to reports, Gloria Jeffery of Chelsea was on duty at the laundromat at about 11:15 a.m. Monday when she noticed a man, described as in his late 20s, between 5'7" and 5'10" tall, with a heavy build and brown, collar-length hair, wearing a green parka, in the main laundry room area.

She told police she did not pay much attention to the man because she had seen him in the laundromat before and thought he was there doing his laundry.

After the man left the laundromat, a woman came up to Mrs. Jeffery and asked her if she had anything of value in the back room. When Mrs. Jeffery asked why, the woman explained she had seen the man coming from there, tucking in his shirt.

Mrs. Jeffery immediately went into the back room where she had left her purse upon arriving for work and checked the contents to see if anything was missing. She discovered \$20 had been taken from her wallet.

Mrs. Jeffery left the laundromat to look for the man and saw him leave the area in a blue vehicle which had been parked in the rear parking lot behind the laundromat. She then notified police of the theft.

Telephone Your Club News To 475-1371.

## DEATHS

### Mrs. Robert Tobin Mother of Six Dies Tuesday At Chelsea Hospital

Margaret Tobin, 41, of 312 S. Main St., died Tuesday, Jan. 24, at Chelsea Community Hospital. She was born Aug. 29, 1936, in Jackson county. On Nov. 3, 1956, she married Robert Tobin. He preceded her in death on June 2, 1973.

Mrs. Tobin was a 1956 graduate of Jackson Community College. Since 1967, she had been employed as a computer programmer by Chelsea's Dana Corp.

Survivors include one son, Kevin, at home; and five daughters, Elizabeth, Karen, Eileen, Maureen and Joann, all also at home. Funeral services will be held Friday, Jan. 27, 11 a.m. at St. Mary Catholic church with the Rev. Fr. David Phillip Dupuis officiating. Burial will follow in Mt. Olivet Cemetery.

The Rosary will be recited tonight, 7 p.m., at Staffan Funeral Home, where friends may call.

### Mrs. Charles Barnes Methodist Home Resident Dies at Ann Arbor Hospital

Vinnie M. Barnes, 80, a Chelsea United Methodist Retirement Home resident, died suddenly, Jan. 22, at St. Joseph Mercy Hospital, Ann Arbor. She was born Feb. 5, 1897, in Reading, the daughter of Winslow and Esther E. Barber Humphrey.

She married Charles Barnes on June 3, 1920. He preceded her in death on May 1, 1964.

Mrs. Barnes moved to the Methodist Home from Grosse Pointe Woods on July 5, 1973.

She is survived by two daughters, Mrs. Robert (Maxine) Elrod of Rochester, and Mrs. Thomas (Sharon) Claire of Rocky River, O.; five grandchildren; and six great-grandchildren.

Funeral services were held Thursday, Jan. 26, 10:30 a.m., at the Chelsea United Methodist Retirement Home Chapel with the Rev. Ira Wood officiating. Burial followed in Forest Lawn Cemetery, Detroit.

Arrangements were by Staffan Funeral Home.

### Mrs. Charles Evans Former Chelsea Woman's Sister Dies in Florida

Dorothy L. Evans, 67, of Cocoa, Fla., died Jan. 19 at Adare Medical Center, Rockledge, Fla., following a lengthy illness. She was born March 2, 1910, to Robert and Lucille Norvell Arnold.

She was married to Charles Evans, who preceded her in death in 1968.

Mrs. Evans had been a Florida resident for the past eight years. Survivors include two sisters, Mrs. Harold (Eleanor) Waller, formerly of Chelsea and now living in Cocoa, Fla., and Mrs. Harry (Elizabeth) Yates of Riverside, Calif.

Mrs. Evans laid in state at Staffan Funeral Home until noon Monday, Jan. 23, when she was taken to Oakland Hills Memorial Gardens, Novi, for burial. Graveside services were conducted by the Rev. Fr. Jerrold Beaumont of St. Barnabas Episcopal church.

### Youths Charged With Breaking, Entering Vehicle

An Ann Arbor Police surveillance team seized three Chelsea youths Monday night after they allegedly broke into a car parked in the Briarwood shopping center.

Police said that a special team of officers spotted the three tampering with a parked car at about 9:30 p.m.

Apprehended by police were Nate A. Johnson, 19, of 139 E. Summit St., Alan J. Stiles, 19, of 7171 Lakeshore Dr., and Anthony M. Robards, 18, of 13204 Luick Dr.

The three were arraigned Tuesday in 15th District Court, Ann Arbor, on charges of breaking and entering a vehicle. Exam has been set for Feb. 1.

### Wrestlers Win ... (Continued from page one)

ski at 165 lbs., John Bullock at 126 lbs., Mike Young at 132 lbs., Chris Umstead at 138 lbs., John Whitaker at 145 lbs., Terry Thompson at 155 lbs., Brian Van Reese at 165 lbs., Todd Headrich at 178 lbs., and Leon Brown at heavy-weight.

Decision wins were gained by Scott Dalton 11-2, and Chuck Young 11-0.

"It was nice to see all of the wrestlers win but Chelsea's big challenge will be Saturday when the league meet takes place at Dexter," Coach Bareis said. Wrestling will begin at 10:30 a.m.

## Directors Elected to United Way Board

Seven new members were elected to the Chelsea United Way Board of Directors at the organization's annual meeting Wednesday, Jan. 18 in Chelsea Village Hall.

Elected for three-year terms were Tom Vandergrieff, Linda Montgomery, Paul Schaible, Jr., Frank Renton, Rita Collins, Daphne Hodder and Robert Kozma. All seven are replacing directors whose terms had expired.

United Way officers for 1978 were also elected at the annual meeting. They are Gerald Dreselhouse, president; Will Connolly, vice-president; Kathy Frisinger, secretary; Dale Schumann, finance chairman; and Connie Schwarm, treasurer.

At the regular January meeting of the local United Way board, held immediately following the annual meeting, Tom Vallencourt was elected director to fill the one-year unexpired term of Oren Wirman who resigned because of a change in his business duties.

Also during the regular board meeting, members were asked to volunteer for service on one or more of the organization's standing committees. The five committees are nominating, finance, campaign, budget and public relations.

### Christine Duerr on Nazareth Honor List

A student from Chelsea has been named to the Dean's List at Nazareth College, Kalamazoo, according to an announcement made by Nazareth's Department of Communications and College Relations.

Christine Duerr was named to the list in recognition of her outstanding academic achievement during the fall semester of 1977.

Because Friday's game with Brighton has been postponed until Feb. 21, the Bulldogs' next game will not be until Saturday, Jan. 28, 8 p.m., in the Chelsea High school gymnasium. Chelsea will be hosting South Lyon in what Coach Raymond predicts will be a close game. "We beat them by 12 points last time, but they've improved tremendously since," he said.

In other action last week, Chelsea's varsity cagers steamed to a

## Cagers Nip Novi...

(Continued from page one)

Chelsea is now third in the conference with a 5-2 record, and 7-6 over-all.

Because Friday's game with Brighton has been postponed until Feb. 21, the Bulldogs' next game will not be until Saturday, Jan. 28, 8 p.m., in the Chelsea High school gymnasium. Chelsea will be hosting South Lyon in what Coach Raymond predicts will be a close game. "We beat them by 12 points last time, but they've improved tremendously since," he said.

In other action last week, Chelsea's varsity cagers steamed to a

75-68 victory over Manchester on Tuesday, Jan. 17. The rematch allowed the Bulldogs to avenge their 65-72 loss to the Dutchmen earlier this season.

REALTOR

### REDUCE TAXABLE SALE PROFIT

If you sell your home and make a profit, Uncle Sam will expect to get a share of that profit in the form of income taxes. That is, unless you reinvest your proceeds in another home or are over 65.

Therefore, those who profit from a home sale, put the check in the bank and rent an apartment, should not overlook any legitimate expenses which would reduce the size of the taxable gain.

Expenses such as the Realtor's commission, deed preparation, legal and appraisal fees, and any

escrow fees, can be taken off the top.

So-called "fix-up" expenses also can lead to tax savings. This "fix-up" work must be done during the 90 day period before the sale and payment must be made no later than 30 days after the sale.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea, Mich. Phone: 475-8681; evenings 475-2621. We're here to help!

## Swim Team Continues To Set New Records

Chelsea's boys high school swimming team won one and lost one in last week's competition series. In both meets many records were broken as times continued to improve.

The splashers first lost to Eriemason, a team which three years ago finished third in the state, by a score of 72-101.

In that meet varsity records were set by the medley relay team composed of Henri Vanderward, Jim Dowhal, Tom Rudd, and Dan Peterson. Vanderward also set records in the 50 free and 100 breaststroke.

In the 100 fly, Tom Rudd set varsity and freshman records, while in the 100 free, Phil Hoffman also broke both sets of records. And finally, in the 100 back, Tom

Gaunt set a freshman record. On Tuesday the swim team hosted Southeastern Conference rival Lincoln and won, 104-86.

Winners for Chelsea were Vanderward, Charles Weisner, Tom Rudd, Peterson in the medley relay, Hoffman (200 and 500 free), Scott Prohaska (individual medley), Vanderward (50 free and breaststroke), Tom Rudd (fly), Jeff Rudd (100 free).

Others who performed well in these meets were Randy Koch, Kirk Myers, Dan Bourget, Joe Vaillencourt, Mike Mason, Doug Pichlik, Todd Oxner, and Jon Oesterle.

The team will try and raise its record to 6-4 with a win over Ecorse at home tonight. The meet will start at 7 p.m.

## Beach Swimmers Make Good Showing

Beach Middle school swim team competed in one of the top junior high swim meets in the state last week-end and produced some excellent performances.

Although no team scores were kept, Chelsea proved to be one of the best teams at the meet when nearly every member of the squad returned home with at least one medal.

Turning in outstanding performances for Chelsea were Dave Nicola with a first-place finish in the breaststroke and an excellent time as a member of the third-place medley relay team; Dave Mason as a member of the third-place medley relay, in the butterfly, and the 400 freestyle relay; Kirk Hawks as a member of the medley relay and in the backstroke; Craig Wirtz in diving and as a member of the 400 free relay; Kristen in the 100 freestyle, 200 freestyle and the 400 freestyle relay; Amy Hume in the 400 free relay; and Sean Oxner in the 100 freestyle.

### Gregory Area Youth Promoted With Army

Richard J. Haggerty, son of Mr. and Mrs. Richard J. Haggerty, 8870 W. Coon Lake Rd., Gregory, recently was promoted to Army specialist four while serving as a helicopter repairman with the 13th Corps Support Command at Ft. Hood, Tex.

Spec. Haggerty entered the Army in September 1976.

# THE CHELSEA STANDARD

CHELSEA, MICHIGAN, THURSDAY, JANUARY 26, 1978

Pages 9-14

**AMERICANISM AWARD:** Chelsea's Herbert J. McKune American Legion Post No. 31 was recently the recipient of an American Legion Department of Michigan Americanism Award for 1977. The award was presented to the local post in recognition of its active role in inspiring patriotism through sponsorship of patriotic observances, work with youth groups such as Boy Scouts of America, and sponsorship of youth activities such as the Student Trooper Program, Boys' State, School Award Medals, State Oratorical Contest and Washtenaw Youth Government Day. This is the

third award presented to American Legion Post No. 31 this month. The first recognized the post's outstanding membership recruitment efforts, and the second its accomplishments in the area of community service. Local post members pictured above with their Americanism Award are, front row, from left, Mike Kushmaul, Tom Franklin, Herman Reed and Ray Lutovsky; second row, from left, Walt Bolanowski, Gary Grossman, Vern Welch, Al Guenther and Tom Dunlap; third row, from left, Ron and Larry Gaken, Vern Salsburg and Jim Carruthers.

## Recreation Basketball Play Gets Underway

Men's basketball, sponsored by the Chelsea Recreation Council, sprang into action last week with Chelsea State Bank snatching up two victories to gain a slight edge in the league race. But the real triumph last week

was not reserved for any one team; rather, it encompassed the entire league.

Recreational basketball was revived this season after lying idle last year when Chelsea's school millage proposal was defeated.

That millage loss closed schools to all non-academic and recreational uses.

And the year before, the men's basketball league "was just not up to a good league standard," according to Dave Lukasiak.

However, Lukasiak, who is serving as league director this year, believes the league is finally ready to organize and take hold.

"We have plenty of good men here as witnessed by last week's opening games," he said. "We just have to offer them a good recreational program in Chelsea."

That, apparently is well on its way. Although Chelsea State Bank began the past week by coasting to what seemed an easy 51-38 win over Wolverine Tuesday, Jan. 17, Lukasiak expects Wolverine to emerge as a tough contender when the team "smoothes out its wrinkles."

Among the individual standouts in the contest, Eppen for Wolverine was high for both teams with 21 points and 12 rebounds, while "old man" Tom Balistrere poured 13 points through the hoop for the Wolverine's opposition. Wayne Welton followed with 12 points, also for Chelsea State Bank.

In more basketball play last Thursday, Rockwell International fell to Mark IV, 31-54. Randy Guenther led all scorers with 18 points, while Ron Sweeny pointed for 13 with 15 rebounds. Clyde Whitaker from Rockwell scored 11.

The second game Thursday saw the Chelsea Bankers surge to a 56-34 win over Lithocrafters. Balistrere showed again that youth is just a word in the dictionary as he fired in 17 big ones to lead all scorers. Jim Miller bucketed 16 for the "printers."

More men's league play is scheduled for today and Tuesday, 8 and 9:15 p.m., in the Beach Middle school gymnasium.

Also coming up this season is a newly-introduced one-on-one match-up with a winner's purse going to the victor. Pro rules will govern the contest.

MEN'S BASKETBALL LEAGUE		
Standings as of Jan. 19		
	W	L
Chelsea State Bank	2	0
Mark IV	1	0
Wolverine	0	1
Rockwell	0	1
Lithocrafters	0	1

### SCHEDULE FOR JAN. 26-FEB. 2

Thursday, Jan. 26	Rockwell vs. Chelsea State Bank 8 p.m.
Wolverine vs. Mark IV, 9:15 p.m.	
Tuesday, Jan. 31—	Rockwell vs. Lithocrafters, 8 p.m.
Thursday, Feb. 2—	Chelsea State Bank vs. Mark IV, 8 p.m.
Wolverine vs. Rockwell, 9:15 p.m.	

## Metric Workshop Slated Next Monday

Ever tell someone you had a Centigrade thermometer? According to James Hoffmeyer, 7th grade science teacher at Beach Middle school, this is only one example of the common misuse of metric terms.

"It's not the thermometer that is Centigrade," he said. "Centigrade refers to the scale on the thermometer."

In an attempt to clear up such misconceptions, as well as inform and educate the general public as to the meaning and use of the metric system of measurements, Hoffmeyer and several other Beach school staff members are conducting a free Metric Workshop Monday, Jan. 30, 9 to 10 p.m., in the Beach school science rooms.

Those attending the workshop will have the option of being weighed in kilograms upon arrival, and having their height measured in centimeters.

Graduated cylinders and beakers, marked in milliliters, will also be on display, and participants will work a metric crossword puzzle to gauge their present knowledge of the metric system.

A general talk is planned to give participants a brief explanation and history of the international weights and measures system, and participants will then be divided into smaller groups under the direction of a group leader for more discussion and questions.

"The object of the workshop is for residents to learn more about the metric system and become familiar in the use of such things as metric tools and recipes," Hoffmeyer explained.

For those skeptical about the chances of metrics gaining everyday use in the future, Hoffmeyer had the following words to say: "It's definitely coming, whether or not the system is accepted of."

### Cribbage Tourney Starts Feb. 6 At Beach School

Cribbage aficionados in the Chelsea area will have an opportunity to test their skills in the competitive arena next month when a community-wide Cribbage Tournament, sponsored by the Chelsea Jaycee Auxiliary, gets underway. The tournament will be conducted (Continued on page 13)

The highest noise levels in the typical home are likely to be found in the kitchen, according to hearing specialists.

## School Board Briefs

At a regular meeting of the Chelsea Board of Education Monday, Jan. 23, present were Daniels, Hodgson, Feeney, Schafer, Tobin, Heller, Superintendent Cameron, Principals Williams, Conklin, Wojcik and Benedict, and Assistant High School Principal Schave. John Koepele was a guest.

Meeting was called to order at 9:45 p.m. by President Daniels. The usual 8 p.m. starting time was delayed because the board was still in session with the Citizens Advisory Committee for Better Schools.

The minutes of the Jan. 9 meeting were approved as presented. The board voted to ask for a renewal of 3.8 mills for school operating costs for a period of three years in the March 6 millage election.

The board will conduct a public meeting Feb. 27, 8 p.m., in the

high school board room to discuss the March 6 millage election with residents of the Chelsea School District.

The board explained the policy for conducting student assemblies at Chelsea High school.

Trustee Feeney reported that 74 applications for the position of superintendent have been received and more are expected before the Jan. 31 deadline. The board will meet Feb. 6 with placement directors from five Michigan universities for assistance in screening the applicants. Only 12 applicants will be interviewed and a final choice is expected by March.

Trustee Hodgson reported on progress being made with regard to publication of the Chelsea Challenge. The next issue should be in the mail within 10 days.

Superintendent Cameron commended CHS Principal Williams and CHS Assistant Principal Schave on the smoothness of the registration process for the second semester.

Meeting adjourned at 10:45 p.m.

## Cribbage Tournney

(Continued from page nine)

ed Monday evenings, 7 p.m., in the Beach Middle school cafeteria. Contestants will be required to pay a \$2 entry fee the first night of play, Feb. 6. Registration will begin at 6:30 p.m. that evening. All those competing in the tournament must come equipped with their own cribbage boards and cards. Score sheets will be provided.

## Two Chelsea Students On Albion Honor List

Two students from Chelsea have been named to the Dean's List at Albion College for their outstanding academic performance during the fall semester.

The two are David C. Alber, an Albion Junior, son of Mrs. Dolores Alber, of 754 Flanders St., and Donald Alber of Dexter; and Mike Kozminski, an Albion sophomore, son of Mr. and Mrs. Ike Kozminski, of 6478 Peckins Rd.

To be named to the Dean's List at Albion, a student must achieve a 3.4 or better grade point average, based on a 4.0 system, and carry a full class load.

## JOHN, GARY, ELMER & BURT...

## Now there's a team.

We'd be willing to bet that if your car's got a problem that our mechanics can't fix... it can't be fixed. They're specialists and each one has at least ten year's experience in the field.

John Widmayer has 27 year's experience and his specialty is preparation and new car conditioning. Cars are a little like babies. If you can't start them off right, you're bound to have trouble later. John sees that every new car that comes in is right before it rolls out.

Burt Root has been working with brakes for 23 years. He considers himself a safety specialist... you will too. He knows how to give you that extra margin of safety that perfectly working brakes give any driver.

Ask for Gary's opinion when it comes to overhaul, rear end and engine problems. That's Gary Lettridge. He's been repairing them for over 16 years and loving it.

Elmer Culver is your man for transmissions... and in 30 years he's just about seen them all. We're willing to bet he knows more about transmission strength, quirks and weaknesses than any other mechanic in the area.

John, Gary, Burt and Elmer are pros. And they're just four of the 16 top mechanics at Rampy Chevrolet. Remember,

Rampy's not just selling cars, he's selling service.

**Rampy CHEVROLET**  
CORNER JACKSON & WAGNER RDS., ANN ARBOR, PHONE 663-3321

Rampy sponsors the Huron Valley Corvette Club. For information, call 482-3303.

**NEW BOOKSHELVES** for McKune Memorial Library are scheduled for purchase with the check for \$542 presented by Chelsea Child Study Club to Robert Merkel, president of the McKune Library Board, on Monday. The check presentation was made by Chelsea Child Study Club president, Nancy Grau, left, and club finance chairman, Betty Cox.

**HOME MEAL SERVICE HELPED:** Using a portion of the proceeds from its Goodies Galore Sale conducted last October, Chelsea Child Study Club presented a check for \$68 to Home Meal Service of Chelsea Monday. Presenting the check to Caralee Hoffmeyer, seated at right, and Mary Ann Merkel, standing at right, are Betty Cox, seated at left, and Nancy Grau. Mrs. Hoffmeyer and Mrs. Merkel are both Chelsea Home Meal Service board members, while Mrs. Cox and Mrs. Grau are finance chairman and president, respectively, of Chelsea Child Study Club.

## Senior Citizens Offered Tax Help

For the fourth consecutive year, the Chelsea Kiwanis Club will sponsor a community service program Monday, Jan. 30, to assist area senior citizens and handicapped individuals fill out their annual tax claims for a partial refund of property tax or rent paid during 1977.

The partial tax relief program applies to senior citizen property owners, seniors who rent apartments or other dwellings, totally disabled veterans, the blind, paraplegics, and quadriplegics.

All area residents who qualify for the partial property tax or rent rebate and would like assistance from Kiwanians in filling out their forms should report to the Chelsea Community Hospital cafeteria at 7:45 p.m. Monday evening.

Those attending the meeting must come prepared with their social security number and that of their spouse; a list of all household income including wages, interest, dividends, pensions, social security payments, rental income and net farm income; the amount of health and accident insurance premiums paid for themselves and members of their family; if property owners, the amount of village or township tax paid; and if renting, the total amount of rent paid for the year or that portion of the year property was rented.

Last year, the Kiwanis Club helped 41 people with their 1976 tax claim forms, and combined refunds totaled \$14,558.14. Kiwanis members anticipate a substantial increase in the number of persons seeking assistance this year.

A second meeting will be held March 6 for those unable to attend the January tax help session. For further information, call 475-1502.

According to the U.S. Department of Agriculture, 1.3 million acres are added to the nation's cropland base each year. In addition, about a half-million acres of farm land go into urban uses each year, too.
