## Independents Unopposed in Village Election

Nine unopposed Independent Party candidates for village office will seek a vote of confidence and the approval of Chelsea voters in the Monday, March 13 village election to be conducted in Sylvan Township Hall.

The candidates were selected during the Feb. 13 village caucus to fill the expiring terms of village president, four trustees, treasurer, assessor, and two Library Board members.

Heading up the Independent Party ballot is incumbent Don Wood who is seeking a second term as village president. The 36-year-old Chelsea native graduated from Chelsea High school and received his bachelor's degree in business administration from Cleary College.

Prior to his first term as president, Wood served as village trustee for a period of four years. Regional Planning Commission. He has also been a member of the Michigan Board of Directors of the Michigan Alliance of Small Communities.

Wood has been employed as a senior systems analyst by St. Joseph Mercy Hospital for the past eight years.

A member of St. Mary Catholic church, he and his wife, Sue, reside at 307 Taylor Lane with their two daughters, Penny and Kim.

Candidates for the three two-year terms as trustee are Harold Radey and incumbents Walter Brown and James Schardein.

A 15-year veteran of the Ann Arbor Police Department, Radey, 41, is running for his first political office now that an Ann Arbor Police Department ruling discouraging involvement by personnel in community organizations or politics has been revoked. He is employed as a detective-sergeant in charge of the department's Juvenile Division.

## School Millage Approved By 818-658 Edge

Voters in the Chelsea School District Monday approved the Board of Education's request for three-year renewal of the 3.8-mill tax increase for school operating costs passed by the district voters for a one-year period last August.

Some 818 votes were cast in favor of the renewal, 656 opposed, and three ballots were declared spoiled for a total voter turnout of 1,477.

Board members expressed pleasure both with the number of people voting in the millage election, and with the results of the election which will allow the district to maintain the current quality of both academic and extracurricular programs in Chelsea schools.

A native of Detroit, Radey graduated from Pinckney High school and then attended Michigan State University, Washtenaw Community College, and Eastern Michigan University.

He is a four-year veteran of the U. S. Air Force, past-president of the Washtenaw Youth Officers Association, and a member of the Chelsea Kiwanis Club.

He and his wife, Lorrie, are the parents of one daughter, Jennifer, and one son, Pat.

Brown is a native of Little Falls, N.Y. After graduating from high school in Little Falls, he enrolled in the Rochester Institute of Technology where he received his Bachelor of Science degree.

An 18-year employee of the Xerox Corp., Brown currently serves as manager of facilities at University Microfilms, Ann Arbor.

He was an active member of the Chelsea Jaycees for many years, holding a number of offices from director through president at the local level. He was a national Jaycee director from 1972-73.

Michigan Jaycee administrative executive vice-president from 1973-74, and Michigan JCI senate president from 1974-75.

He was awarded the JCI Senatorship 14156 in 1972, and the Clint Dunagan Award as Outstanding U.S. Jaycee Director in 1973.

Active in Chelsea United Way, Ann Arbor United Way, and the United Way drive at University Microfilms, Brown was elected secretary of the United Way Board of Directors for a two-year term in 1971.

He was a member of the Chelsea Planning Commission from 1970-76, serving as chairman of the commission during his last two years; has served on the Vocational Study Committee at Chelsea High school; and was active in Boy Scouts for a number of years.

Brown, and his wife, Sandy, live at 18 Chestnut Dr. with their four children, Linda, Jim, Kathy and Pam. They are members of St. Mary Catholic church.

Schardein, the third candidate for a two-year term as trustee, was born in Mt. Airy, Ia. He attended Iowa State University where he received his Bachelor of Arts degree in 1956, and his Master of Science degree in 1958. The 44-year-old Schardein is employed as a research scientist by Parke-Davis & Co., Ann Arbor.

A former member of the Library Board, the Village Planning Commission, and the Chelsea Board of Education's Ad Hoc Committee, Schardein is also an active member of First Congregational church where he has served as both a moderator and deacon.

He and his wife, Mary, are the parents of three daughters, Laura, Carolyn, and Barbara. They live at 345 Washington St.

Jack Patrick is seeking election as a trustee for a one-year term following his appointment to that

**9th GRADE BAND:** Chelsea High school band director, Steve Bergmann, seated at center, reads off a few of the comments made by judges at the District 12 High School Band Festival last Saturday in their critique of Chelsea's 9th grade band to members of the group standing around him. Judges congratulated the musicians for their "fine appearance and performance," for the "ac-

complishment that was evident" in their performance, and for "playing accurately and musically." Saturday marked the first time in known history that the 9th grade band received straight Division I ratings in concert performance. Because the band received an over-all I at the festival, the group is now eligible to compete in the State Band Festival at Chelsea High school April 29.

## McDonald's Hits Snag In Zoning Problems

Negotiations between village officials and a private real estate firm in Southfield have been underway for the past month with regard to the construction of a McDonald's fast-food restaurant on M-52, between Our Savior Lutheran church and the A&W Drive-In.

At a special hearing Tuesday evening before the Village Zoning Board of Appeals, Franchise Realty Interstate Corp. of Southfield, representing McDonald's, petitioned for approval of a set-back variance to proceed with their plans for construction of the restaurant,

but according to Village Administrator Frederick Weber, the request was denied.

"The corporation's petition for the variance was not approved because the Board of Appeals did not see where a land-use hardship existed with regard to that particular piece of property," Weber said.

Among the alternatives now facing McDonald's are to either amend their construction plans to fit the zoning ordinance, or to seek another building site where existing construction plans would conform to village or township ordinance.

## Forensics Team Set For District Tourney

Some 250 students at Chelsea High school competed in a week-long forensics contest at the high school which ended Monday with the announcement of the winners who will now represent Chelsea in district competition.

Teachers and administrators at Chelsea High judged contestants in preliminary rounds, while Irene Ziegler, an Eastern Michigan University faculty member and former national collegiate champion in public address and interpretive reading, judged the contest finals.

In the public address category, contest winners were Julie Botsford, first, and Sarah Haselschwardt, second, in informative speaking I; John Koepele, first, and Sue Heller, second, in informative speaking II; Andy Anderson, first in impromptu speaking;

and Scott Prohaska, first, and Cindy Bareis, second in radio newscasting.

Interpretive events winners were Kelly Headrick, first, and Theresa Hoffman, second, in storytelling I; Mary Stoll, first, and Gary Dills, second, in storytelling II; Arnel Mlinix, first, and Chris Kruger, second, in humorous reading; and Gayle Albrecht, first, and Connie Connelley, second, in serious reading.

In the dramatic duo category, Dave Schrotenboer and Todd Wurster took top honors, while finishing second were Jim Fitzsimmons and Mark Schanz.

Finishing first with their rendition of "The Last Clock" in the multiple reading division were Dave Dawson, Karl Stonebreaker;

## Cagers Lose In Finals of District Play

Chelsea High's varsity cagers were stopped short of a Class B district tournament title Saturday by the Willow Run Flyers who sailed to a 79-51 win over the Bulldogs in the tournament finals at Willow Run.

Chelsea got to the finals by edging Dexter, 64-60, in the opening round of the tournament, and defeating a stubborn Pinckney squad, 58-57, in an overtime thriller Wednesday, March 1.

Though Chelsea was billed the underdog in Saturday's contest, the team was paid a tribute by Willow Run Coach Ron Tarrant who said, "Chelsea is by far the best team we faced in the district."

Chelsea Coach Robin Raymond was even more adamant in his praise of the Bulldogs. "I thought the team did a good job," he said. "We were in the game the first 2 1/2 quarters and all the players continued to work hard until the final buzzer."

"Even though we lost by 25 points," Coach Raymond continued, "the game had to be one of the top two or three this season."

The contest was pretty much decided early in the third quarter when the Flyers, ahead 42-32, ran off a string of unanswered points. That, coupled with their outstanding rebounding and shooting performance, forced the Bulldogs into playing a game of catch-up that was sabotaged each time the Flyers got their hands on the ball.

Willow Run outrebounded Chelsea, 43-24, and was 32 of 60 from the field for a 53 percent shooting average. Chelsea was 18 of 53 from the field for 34 percent.

"Those two statistics were the keys to our loss," Coach Raymond noted. "We knew before the game even started that if we were to have a chance, we needed to control the boards."

The Bulldogs started out with a 10-9 lead three minutes into the game, giving rise to the hope that it would be a close one all the way. But then, Willow Run exploded with eight consecutive points and finished the quarter

23-25 ahead of the Bulldogs. The Flyers extended their lead to 42-20 at half-time.

During intermission, Chelsea reviewed its strategy and decided to put more defensive pressure on the Flyers to force them into making turnovers.

The tactic seemed to work as the third quarter opened and the Bulldogs scored six points to cut Willow Run's lead to 42-32. But the Flyers returned to put the game away with their 12 consecutive points.

Scoring for Chelsea in the contest were Marc Feeney with 12 points, Dave Schrotenboer also with 12, Jesse Coburn with 9, Mike Machesky with 5, Randy Harris with 4, Charlie Bridges with 3, and Jerald Benjamin with 2. Benjamin and Schrotenboer led the team with 5 rebounds each, followed by Feeney with 4, and Harris and Coburn with 3 each.

The Bulldogs ended their season with a 12-1 record.

"We improved tremendously over the season," Coach Raymond reported as he assessed his team's performance during the year. "We had two key games, the first being our 52-50 win over Novi, and the second, our 44-50 loss to Milan."

Coach Raymond said the Novi game proved to the Bulldogs they could win, while the Milan game was close enough to show Chelsea it could play with the good teams.

"The Milan game gave us the confidence to keep improving and achieve more consistency in our play," he explained. "Self-confidence is a big part of winning; it helps players to come back when they're down."

Having established the fact that Chelsea is now competitive in basketball, Coach Raymond said he is looking forward to next year when he expects even greater improvement.

Five seniors, Marc Feeney, Randy Harris, Dave Schrotenboer, Jerald Benjamin and John Daniels, will be leaving the team, but seven other varsity cagers will be returning to the squad.

## Symphony Band Sweeps Regional Meet

A standing ovation and perfect scores greeted members of the Chelsea High School Symphony Band at the end of their performance in the District 12 High School Band Festival at Ypsilanti Lincoln last Saturday.

Competing as a Class B school, but playing Class AA music, or music ranked most difficult in degree for high school students, the band received three Division I ratings and straight A's from each of their three festival judges.

Judges were lavish in their praise of the group, which performed under the direction of Steve Bergmann, high school band director.

Glenn Smith, University of Michigan low brass instructor, wrote in his critique that he was "very favorable impressed with the overall musicianship and brilliant playing exhibited by the band," while Al Cumman, Vandercook College music instructor, summed up the performance as "a beautiful job."

Calling the band's performance "truly excellent," Joe Parker, a Kentucky college music instructor cited the group for "excellent technique, musicianship, dedication and leadership."

Not to be outdone by the Sym-

phony Band, Chelsea High's 9th-grade band also came up with a superb showing in the festival, earning straight Division I ratings in concert performance for what is believed to be the first time in the history of the group.

The 9th grade musicians added a Division II rating in sight reading to their concert honor, but because concert performance was considered two-thirds of the group's over-all rating, the band finished the day with a final Division I score.

In his critique of the 9th grade band, Parker wrote: "You display some fine elements of march style." Cumman praised the group for "a very nice job," and noted the musicians showed "good potential," while Smith congratulated the band for its fine appearance and performance, and for "playing accurately and musically."

Bergmann also directs the 9th grade band.

Both the symphony band and the 9th grade band are now eligible to compete in the State Band Festival, April 29, at Chelsea High school. Chelsea was one of only six high schools in the state selected to host the prestigious event.

## Suspect Arrested in Polly's Market Theft

A Jackson couple was taken in to police custody last Sunday after officers were called to Polly's Market, 1101 S. Main St., to investigate a complaint of larceny and attempted assault.

According to Chelsea Police reports, Kim R. Humbert, 22, of Jackson, was observed entering Polly's with a male companion shortly before 3:45 p.m. Sunday.

She proceeded to the meat counter at the grocery where a witness said she noticed Humbert stuffing something into her purse.

The witness went in search of a store employee to report what she believed was a theft in progress, but was unable to find an employee in the rear of the store.

As the witness then came to the front of Polly's, she saw the Jackson woman leaving the store with several items in her purse and brought it to the attention of a check-out clerk.

The check-out clerk promptly followed Humbert outside and attempted to detain the woman on suspicion of shoplifting.

clerk promptly followed Humbert confronted her with a knife when waylaid, and the employee returned inside to summon police.

Other witnesses told police the Humbert woman then dumped a ham and a package of steaks into a snowbank and began walking in a northerly direction along Main St.

When officers arrived at the scene, they were told what had transpired, recovered the food, and went in search of the Jackson woman after taking George Wade of Jackson, the man seen entering the store with Humbert, into custody on suspicion of aiding and abetting a crime.

Officers intercepted Humbert on Main St. and she was identified by witnesses as the person they had seen stealing food and threatening the check-out clerk with a knife.

Humbert and Wade were transported to police headquarters for questioning. Wade was later released.

## Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Ed Doolittle used up just about the whole session at the country store Saturday night reviewing court cases. Ed allus has held that you can't tell what way the country is heading unless you know what course the courts are taking, and he brung some strong evidence before the gentlemen of the jury. After hearing Ed's testimony, the fellers was agreed the courts has jumped in the saddle and galloped off in all directions.

For instant, Ed had saw where a Superior Court in Florida says all peeping tom laws are unconstitutional ipso facto a pluribus unum. We got peeping persons, and all peepers and peepes are equal. Exactly why equals want to peep at one another opens a whole new can of worms that he wasn't ready to stir, Ed said.

And while one court is giving wimmen equal peeping opportunities, another judge in another court was gitting in a few ticks of his own. Ed had this clipping where a Superior Court judge in California turned a woman called Jerry jury duty out of his court. His honor told his old lady she wouldn't listen to anything he said at home, she was bullheaded

and never heard but one side of a issue, and he wasn't about to let her get in judgment of anybody in his court. Ed said the piece didn't say whether she appealed the verdict, got out a class action suit, or just overruled the judge with a frying pan when she got him home.

Meanwhile, Ed reported where a feller called to jury duty in Arkansas was being questioned by the lawyer for the defense. When the lawyer ask was the man married or single, he said he'd been married 10 year. Then the lawyer wanted to know if the feller had formed or expressed an opinion in the case at hand. The feller said he hadn't expressed an opinion on nothing in the past 10 year.

Actual, declared Ed, you can set in a courtroom and see mankind on parade. He recalled the feller in Georgia a few years back that was charged with speeding. He said he was hurrying home to take his mother-in-law to prayer meeting. The judge fined him \$35 for speeding and \$15 for lying. This judge in North Carolina looked over his bench at one of his regulars that had tied one on and spent the night on the sidewalk in freezing cold. He didn't look any worse than usual, so the judge offered to strike a bargain. He said he wouldn't lock the poor devil up, or fine him if he'd will his body to science. The judge said he was convinced the feller's antifreeze was good for 20 below, "and you've got a lot to teach the rest of us."

Personal, Mister Editor, I think our court decisions are a heap like our economic decisions. I recall when Hoover come to the White House he was going to economize. One of his first savings was to move Coolidge's saddle horse from the capitol grounds to Fort Meyer. When Cal heard about it he ask if the horse would eat less hay at Fort Meyer. In most problems we deal with the same hay, we just move the horse around.

Yours truly,  
Uncle Lew.

### Implementing Emergency Energy Measures

The state is preparing to implement emergency energy conservation measures because of coal supplies that are rapidly approaching critical levels.

The emergency measures would be imposed if voluntary conservation methods fail.

State energy officials have, meanwhile, informed Governor William G. Milliken they doubt there have been significant savings so far because of voluntary conservation. They maintain, however, significant savings can be obtained if consumers can be convinced the situation is critical or near critical.

Diversion of energy to other states will have a major impact when mandatory orders would be needed. Energy officials from Michigan and neighboring states, which have more critical problems, have asked federal officials to let them work out between themselves any shared power arrangements.

Milliken said he remains opposed to sharing power with other states except for health and safety reasons.

Public Service Commission Chairman Daniel Demlow said he still believes measures already in effect will stretch coal supplies an additional seven days per month. He said, however, he expects Canada, now constituting about

1-6 of the total output of Consumers Power and Detroit Edison, to be particularly vulnerable to federal diversion orders.

Utility officials say diversion of that power would have a major impact on when mandatory conservation curtailments would become necessary. If more than 50 percent of the power is diverted, Demlow said immediate curtailment of power would likely be needed.

Without the diversion and with continued conservation of coal supplies, a 45-day supply will be reached by the end of February.

Demlow recommended to the governor that he ask at that time discontinued use of outdoor advertising and decorative lighting, street lights, display and window lighting and lighting in public buildings where possible, and that residential electric customers be asked through personal appeal to reduce consumption.

### Auto Lemon Bill Readied

The Michigan Senate will try again this year to pass an auto holder-in-the-course doctrine permitting consumers to stop payment on malfunctioning automobiles.

The proposal was defeated two years ago in the Senate by a one-vote margin.

Before the Senate Judiciary Committee sent the bill to the floor for final action, an amendment was attached requiring that

payments could legally be withheld for only the first two years of the loan and give the courts authority to establish escrow accounts.

The legislation affects the holder-in-the-course doctrine, under which financial institutions purchase installment sales contracts from automobile dealers.

Under current state law, consumers who attempt to withhold payments to force dealers to repair defect-plagued cars face repossession proceedings from the banks.

The Federal Trade Commission has modified its rules in this regard, permitting a remedy before that body. However, the rules are being challenged and the agency is urging states to change their laws, relative to home appliances and other consumer goods have already been changed.

### Statewide Tanker Ban

A May 1 statewide ban on double bottom tankers carrying hazardous materials was recently approved by the Michigan Senate. A companion bill also was passed that would prohibit any vehicle from carrying more than 9,000 gallons of hazardous material, primarily gasoline.

The vote came over objections that the legislation could add to fuel shortages and it could cause an increased highway danger because of more vehicles would be forced onto the highways.

Sen. William Fitzgerald, bill sponsor and chairman of the Highways and Transportation Committee, said the bills responsibility meet the public outcry that followed a series of accidents involving the tandem tankers last year.

He added the 9,000 gallon limit was introduced in an effort to forestall a new round of competition in building super large single bottoms and to equalize the haulers and large companies.

Double bottoms could still be present on state highways but carry only other liquid material, such

## Tree, Shrub Seedlings Now Available

Orders are now being accepted for tree and shrub seedlings by the Washtenaw County Soil Conservation District. The seedlings are available for a nominal cost to anyone who desires them.

Evergreen seedlings available from the District include: Austrian Pine, Red Pine, Scotch Pine, White Pine, Colorado Blue Spruce, Norway Spruce, White Spruce, and Douglas Fir.

Hardwood seedlings available are the fast growing Tulip Poplar and the Black Walnut. Black Walnut seeds may also be obtained.

Wildlife fruit-bearing shrubs include Multiflora Rose, Autumn Olive, and Silky Dogwood. Two types of Wildlife Packets are available. These include a variety of shrubs and evergreens.

District Director Robert Heller of Chelsea, related that the Annual Tree and Shrub Program is part of the District's effort to further conservation plantings. The seedlings are intended primarily for natural beauty, hedgerows, windbreaks, erosion control, wildlife habitat improvement and reforestation.

For further information and order forms, please contact the Soil Conservation District office at 6101 Jackson Rd., Ann Arbor 48103. Phone 781-6721. Office hours are from 8 a.m. to 4:30 p.m., Monday through Friday.

## County Parks Commission Reschedules Annual Meeting

The annual meeting of the Washtenaw County Parks and Recreation Commission (WCPARC) has been rescheduled for Thursday, March 30, and the dedication of Park Lyndon South for June 24, according to Nelson K. Meade, commission president. The original Jan. 30 annual meeting date had to be cancelled because of snow.

Harlow Whittemore, renowned landscape architect and an honorary member of the commission, will speak at the annual meeting on "The History of Parks in Washtenaw County." Genevieve Gillette, well-known throughout the state for her interest in conservation and recreation and also an honorary member of the commission, will speak at the June

dedication on "Recollections Before and After Park Lyndon." Presentations will also be given at the annual meeting on 1977 highlights and 1978 plans for Park Lyndon, the County Farm, the recently acquired Independence Lake County Park site and the proposed Rolling Hills County Park. In addition there will be a report on the commission's recreation programs and a special tour of WCPARC's new Recreation Center which is the location for the annual meeting. The June meeting, to be held at Park Lyndon, will feature, in addition to Miss Gillette's talk, a tour of the new developments now under construction there and scheduled for completion mid-June.

## Truck Weight Restrictions

of this Board and by virtue of the applicable sections of the Michigan Vehicle Code being Act 300, Public Acts of 1949 as amended, we impose springtime axle load restrictions effective at 6:00 a.m. Wednesday, March 8, 1978.

The Washtenaw County Road Commission deems it necessary to preserve the roads under the jurisdiction. The allowable truck loadings are as follows:

MAXIMUM ALLOWABLE GROSS AXLE LOADINGS		
Spacing Between Axles	Concrete	Black-Top & Gravel
9 feet or over	13,500 pounds	11,700 pounds
More than 3 1/2 feet, but less than 9 feet	9,750 pounds	8,450 pounds
When less than 3 1/2 feet the combined weight shall not exceed	13,500 pounds	11,700 pounds
Maximum load on any wheel shall not exceed:		
(pounds per inch of tire width)	525 pounds	480 pounds

### MAXIMUM TRUCK SPEED

No truck tractor or tractor with trailer, nor any combination of such vehicles with a gross weight loaded or unloaded in excess of 5,000 pounds shall exceed a speed of 50 miles per hour which shall be reduced to 35 miles per hour during the period when reduced loadings are being enforced.

# Your 1978 Tax Break

Save up to \$1500 each year, defer the taxes until you retire.

If you do not now participate in a qualified private or government pension plan, you may be eligible to start saving for your retirement and at the same time reduce your taxes. You may deposit up to 15% of your earned income (maximum of \$1500 annually) in an IRA tax deferred retirement account at Ann Arbor Federal Savings. Deposits may be deducted from your current income when you compute your income taxes. You pay income tax only on withdrawals made after retirement at which time you probably will be in a lower tax bracket. Interest earned is also tax deferred.

AT THE END OF	WITH TAX SHELTER	WITHOUT TAX SHELTER	YOUR GAIN WITH TAX SHELTER
10 Years	\$21,762	\$14,844	\$6,918
20 Years	\$68,881	\$41,488	\$27,393
30 Years	\$170,903	\$89,308	\$81,595

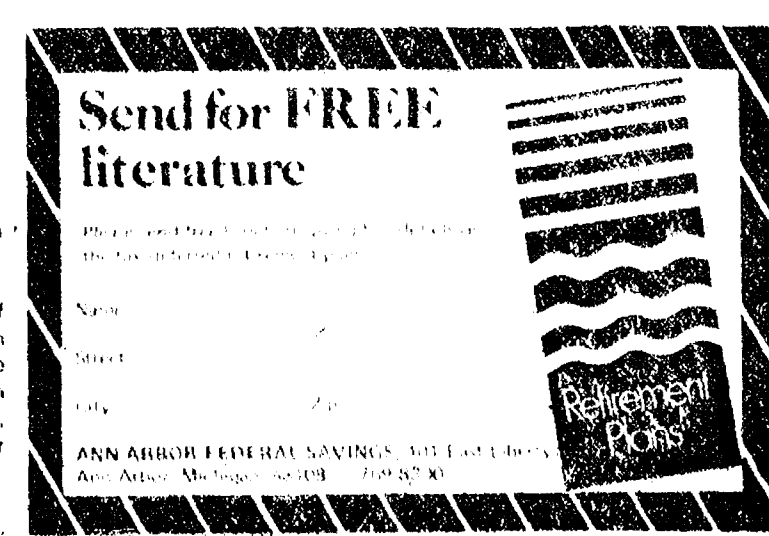

The third shows how your interest accumulates without the help of a tax sheltered plan and the fourth shows the difference.

The figures in the above chart assume that the total contribution of \$1500 is made on the first day of each year, and that the taxpayer is in the 28% tax bracket. You can, however, make deposits throughout the year in amounts of \$1 or more and you may open an IRA account with as little as \$1. The current annual interest rate used above is 7.5%, compounded monthly. Effective annual rate is 8.03%, and term is for three years of more.

You can start making withdrawals at age 59. Earlier withdrawals,

unless you are permanently disabled, are subject to penalties. Withdrawals must begin the year in which you reach age 70. Deposits in excess of \$1500 are also subject to penalty.

You can open your retirement account at any Ann Arbor Federal Savings office. For tax or financial information, contact your attorney or tax advisor.

## Audrey Heard, Joe Crout Wed at Fairgrounds Service Center

Audrey Heard, daughter of Mr. Mrs. Hubert L. Heard, 1475 Chester Rd., and Joe Nathan Crout, son of Mr. and Mrs. Nathan Crout, of Ypsilanti, were married Feb. 18 in the Chelsea Fairgrounds Service Center by the Rev. Anthony Robinson, pastor of Paul Missionary Baptist church, Arbor.

Music for the ceremony was provided by the church. For her wedding, the bride chose a white A-line gown trimmed with a matching lace veil. Maid of honor was Myra Heard, sister of the bride. The bride appeared in a pink caped gown, with an A-line skirt. Serving as bridesmaids were Kim Gordon of Chelsea; Kim Ann Arbor, sister-in-law of the bride; Linda Crout of Ypsilanti, sister of the bridegroom; and Aida Ochoa of Ann Arbor. The bridegroom was wearing a burgundy A-line suit with attached matching cape.

Mrs. Heard, mother of the bride, wore a coral chiffon gown with a neckline and flowing chiffon sleeves. A gold jeweled belt complemented her attire.

Mrs. Crout, mother of the bridegroom, appeared in a pink, lined jersey gown with a matching sheer cape and white accessories.

Lower girl was Deanna Richardson, cousin of the bride, while ending as ring bearer was Tony Crout, brother of the bridegroom. The bridegroom was best man. Ushers included Mitchell, Curtis Kirk Heard, all of Chelsea. Mothers of the bride, Lee and Eddie Patterson.

Immediately following the wedding, a reception was held at the Service Center, given by the parents of the bride. Gwen Phelps was in charge of the guest book. Charlene Glaze served punch, Flora Cheek cut the cake. JoAnne Bennett and Jane Price served food, and Harvet Geddas acted as director.

The newlyweds traveled to the Bahama Islands for a week-long wedding trip before returning to Ypsilanti where they now reside. For her traveling costume, the bride selected a light blue printed skirt with a light blue blouse and matching shawl.

The new Mrs. Crout is a 1974 graduate of Chelsea High school. Her husband is employed by General Motors Hydramatic in Ypsilanti.

GIRL SCOUTS

**BROWNIE TROOP 678**  
At our meeting Tuesday, March 7, we thanked Sandy Schmunk for helping last week and Ramona Wikman for helping this week. We made sunshine cards for the Methodist Home and then said our pledge to the American flag. We also made flowers for the Father and Daughter Banquet, and worked on our window display at Vogel's during Girl Scout Week. Laura Johnston and Linda Mullison, scribes.

**CORRECTION**  
Because a line was omitted from an article on the Chelsea Community Hospital Auxiliary's Baby Photo Contest, which appeared on page 6 of the March 2 issue of The Standard, it was incorrectly stated that the canister for Lisa Hughes, one of the contest entries, was located at Vogel's. Her canister was instead located at Gambles, while that of Jacqueline Crawford, another contest entry, was the one placed at Vogel's.

## Janis Fitzsimmons, D. Andariese Speak Vows at Unadilla Church

Janis Ann Fitzsimmons and Dennis Richard Andariese exchanged marriage vows Saturday, Feb. 25, in a candlelight ceremony at Unadilla Presbyterian church.

The Rev. Harvey T. Liang conducted the 6 p.m. ceremony uniting the daughter of Mr. and Mrs. Jack Fitzsimmons of 14165 North Territorial Rd., with the son of Mr. and Mrs. Richard Andariese of Rutherford, N.J.

Special music for the occasion was provided by vocalist Kristy Del Prete, who sang, "Til There Was You," and "The Lord's Prayer," accompanied by Doug Foreman on organ.

As she approached the altar, the bride was wearing a setaustre organza gown, styled with an empire waistline, an A-line skirt, and a flounced hemline. The gown was trimmed with Venice lace and featured a brushed train. A half-camelot fingertip veil, attached to a cap of Venice lace, completed her attire. She carried a cascade bouquet of yellow sweetheart roses, white miniature carnations, and green ferns.

Matron of honor was Deborah Kay Scott of Munith, sister of the bride. She appeared in a forest green velvet gown, also styled with an empire waistline. Her accessories included a white fur hat and muff, and a forest green choker necklace. Yellow sweetheart roses adorned the muff.

For her daughter's wedding, Mrs. Fitzsimmons wore a burgundy velvet floor-length dress with pearl jewelry accents. On her shoulder was a white gardenia corsage with a white bow.

Mrs. Andariese, mother of the bridegroom, chose a winter white floor-length dress with a matching lace jacket. Her corsage was an

arrangement of green-tinted miniature white carnations.

Serving as best man was Richard W. Andariese, father of the bridegroom. Ushers included Eric Andariese, brother of the bridegroom, and Jose Cabrera, Jr.

Following the wedding, a reception was held at Inverness Country Club. Assisting at the affair were Mrs. Rick Gilmore, cousin of the bride, who was in charge of the guest book; Mrs. Jose Cabrera, Jr., who baked, decorated and cut the wedding cake; and Mrs. Betty Quigg, who helped serve dinner to the guests in attendance. Mrs. David Stoll provided the flower arrangements at each table, while entertainment was provided by Jim Gaken's band.

Special guests at both the wedding and reception were Mrs. Mabel Jobson of Rutherford, N.J., and Mr. and Mrs. Walter Andariese of Whiting, N.J., all grandparents of the bridegroom.

Upon their return from a wedding trip to Michigan, the newlyweds will reside in Gregory. For her traveling costume, the bride chose a red, white and blue plaid blazer and vest, with a white blouse and blue slacks. She also wore a corsage of white miniature carnations.

The new Mrs. Andariese is a 1968 graduate of Chelsea High school and is employed by Chelsea's Dana Corp. Her husband is a 1965 graduate of Rutherford High school, Rutherford, N.J., and of Kearny State College, Kearny, Neb.

## Chelsea Co-Op Children Visit U-M Museum

On Monday, Feb. 27, the four-year-olds at the Chelsea Co-Op Nursery visited the Exhibit Museum in Ann Arbor and toured the section on dinosaurs. There, the children discovered how to tell the difference between the two meat-eating dinosaurs on display by examining their front feet. Allosaurus had three "fingers" with sharp claws but Tyrannosaurus only had two.

The plant-eating dinosaurs proved interesting, especially when a comparison was made showing how tall the children were when standing beside the big bones of the huge Brontosaurus.

Back at the nursery school, the children made their own paper-mache models of dinosaurs, which they painted.

On Tuesday, March 2, the 3-year-olds visited the Waterloo Interpretive Center in Chelsea. The children sat on deerskin rugs while the Ranger showed them a variety of mounted animals, including squirrel, muskrat, beaver, skunk, racoon, fox, and porcupine. The children found it exciting to touch the animals and to decide which had the softest fur. On Thursday, April 6, the children will make a return trip to the Center to learn about frogs.

## Child Study Club Hears Speaker on Exterior Decorating

Chelsea Child Study Club met Tuesday, Feb. 28 at the home of Shirley Chapman with 20 members present. Guest for the evening was Ginger Haugen.

After a short business meeting, guest speaker Rick Haugen of Chelsea was introduced and spoke on "Exterior Decorating." Slides were shown of different types of plant life to be used for beauty in landscaping and to provide food for birds and animals.

Co-hostess for the evening were Helen Thomas and Ruth Dils.

Next meeting will be held at Chelsea Community Hospital with Dr. Nathan Rowe speaking on "Advancements in Cancer." Meeting will be at 8 p.m. with tour of hospital at 7:30 p.m. on March 14. Guests are welcome.

## Nutt - White Engagement Told

Mrs. Georgia Pontney of Jackson has announced the engagement of her daughter, Betha Nutt, to Frank White, son of Mr. and Mrs. Kenneth Piatt of Grass Lake. The couple plans a March 18 wedding to be followed by a two-week wedding trip to Hawaii in April. After their marriage, the new Mr. and Mrs. White will reside at 935 S. Main St.

The first state legislation promulgated was the Keating-Owens Act of 1916, declared unconstitutional two years later, according to "Labor Firsts in America," issued by the U.S. Department of Labor.

**ABDON-ROBERTS:** Mrs. Evelyn White and Robert Abdon, both of Chelsea, have announced the engagement of their daughter, Teresa Lynn Abdon, to James Gary Roberts, son of the late Mrs. Olive Churchill of Stockbridge. The bride-elect is a 1974 graduate of Chelsea High school, and is employed by Sycor, Inc., Ann Arbor. Her fiancé attended Stockbridge High school. He is co-owner of Roberts Paint & Body, Inc., Chelsea. A summer wedding is planned.

## MODERN MOTHERS

Modern Mothers, their husbands, and their guests participated in a cardio-pulmonary resuscitation course at Chelsea Community Hospital Feb. 28 and March 1.

The group found the experience unique and informative, and extended its thanks to Bob Powloski and the hospital for making the course available to the club.

Michigan is the home of the Michigan Arttrain, unique art gallery on wheels which tours the country aboard six railroad cars.

**CORRECTION**  
In an article announcing plans for the Chelsea Jaycees' Distinguished Service Award Banquet, which appeared on page 5 of the March 2 issue of The Standard, it was incorrectly reported that Ted Orbring would cater the banquet dinner. The correct name of the caterer is Tim Orbring, chef at the Flaming Pit restaurant in Ann Arbor.

## INDEPENDENT PARTY PLATFORM

- To continue to maintain the orderly and controlled growth of the Village in accordance with our newly adopted Comprehensive Development Plan.
- The Independent Party will continue to work for the improvement of the present sewer system. We continue to believe that the improvement of the present system is the responsibility of the residents of the Village but that extension of the system is the responsibility of the developer.
- The Independent Party is in favor of a cooperative approach to the problems of recreation and supports the Village's participation in the coordinated group effort to draw together all of the local groups and agencies interested in recreation for the Chelsea area residents.
- The Independent Party is in opposition to the proposed Mill Creek Metropolitan Park as now proposed by Huron-Clinton Metropolitan Authority. This park offers little, if any, benefits to the local area residents. It will probably cause many problems for the area and added costs to the local taxpayers.
- The Independent Party is in favor of continued support of the Village Planning Commission.

### D. Foreman Appearing in U-M Musical

Keeping two rival street gangs under control at a high school dance will be the job of Chelsea's Doug Foreman as Mr. Gladhand in the 1978 University of Michigan Musical production of "West Side Story."

From a group of 250 auditioning for roles in the musical, Foreman and three others were each selected for one of the production's four character parts.

Foreman's task will be to keep peace between the Sharks and the Jets, whose actions set the plot in motion when Tony and Maria, the two leading characters and each a member of one of the rival groups, fall in love.

Dancing by the Sharks and the Jets was described as "phenomenal" by those previewing "West Side Story" last week, while the acting of those playing the roles of Tony and Maria was found to be outstanding.

"West Side Story" is being called "West Side Story" has been a cultural event of the year. It will be staged at the Power Center for the Performing Arts in Ann Arbor, March 16-19.

Foreman, a 1977 graduate of Chelsea High school, is a University of Michigan freshman majoring in speech and communications. He is the son of Mr. and Mrs. Louis Foreman of Gregory.

### Injured in Head-On Crash on Donovan Rd.

A 22-year-old Dexter woman sustained possible injuries from a head-on collision on Donovan Rd. Friday afternoon, Feb. 24, according to the Washtenaw County Sheriff's Department.

Deputies said Phyllis Lori Jedele, 13175 North Territorial Rd., Gregory, and Gerhard Helmut Kremicus, 49, of 8435 Donovan Rd., Dexter, were each driving over the center of Donovan Rd. in opposite directions when they collided two miles north of North Territorial Rd. at 5:30 p.m.

Kremicus was uninjured, it was reported, and damage to his vehicle was slight, although the Jedele vehicle was removed by a wrecker belonging to the Dexter Body Shop. Foot-high snowbanks on the traveled portion of the road were blamed for the accident, which took place on the crest of a hill.

## Beach Swim Team Has Perfect Season

Beach Middle school swimmers remained undefeated as they wrapped up their season last week with a 93-62 win over Erie-Mason.

"The success of the team this year has been characterized by many outstanding performances and the Erie-Mason meet was no exception," Beach school Coach Jim Tallman said.

In a unique display of strength, Beach school swimmers managed to defeat their Erie-Mason counterparts even though several key swimmers on the team were forced to sit out the meet because of illness.

Taking top honors in the meet for Chelsea were Kirk Hawks, Dave Nicola, Dave Mason and Nancy Hastings in the medley relay; Kristin Thomas in the 200-yd. and 100-yd. freestyles; Dave Mason in the 100-yd. individual medley and 50-yd. butterfly; Dave

Nicola in the 50-yd. freestyle and 100-yd. breaststroke; and Brent Martin, Kristin Thomas, Sean Oxner and Kirk Hawks in the 100-yd. freestyle relay.

Also placing for the Bulldogs were Sean Oxner, second in the 200-yd. and 100-yd. freestyles; Dave Cooley, second in the butterfly and backstroke; Nancy Hastings, third in diving; Kathy Degener, third in the breaststroke; Janine Hoffman, fourth in the 100-yd. backstroke; Brent Martin, fourth in the 50-yd. freestyle and the 100-yd. freestyle; and Mark Brosnan, fourth in the breaststroke.

Coach Tallman complimented the team on its outstanding performance this season, and added being associated with the group had been a truly rewarding experience.

"I'm sure there are great things ahead for all members of the team," he concluded.

She and her husband, Frederick, have four children, Curtis, Betsy, Charles and Jane. They reside at 216 Park St.

Also seeking a three-year term on the Library Board is Patricia Chriswell, a newcomer to politics.

Born in Union City, Tenn., Chriswell graduated from Battle Creek Central High school in 1952. She received her Bachelor of Science degree in nursing from the University of Michigan in 1956, and her Master of Arts degree in educational psychology from Michigan State University in 1965.

She was employed as a graduate psychiatric nurse by Langley Porter Neuropsychiatric Institute in San Francisco, Calif., before joining the faculty at Jackson Community College in 1961. She is now an assistant professor of nursing at JCC.

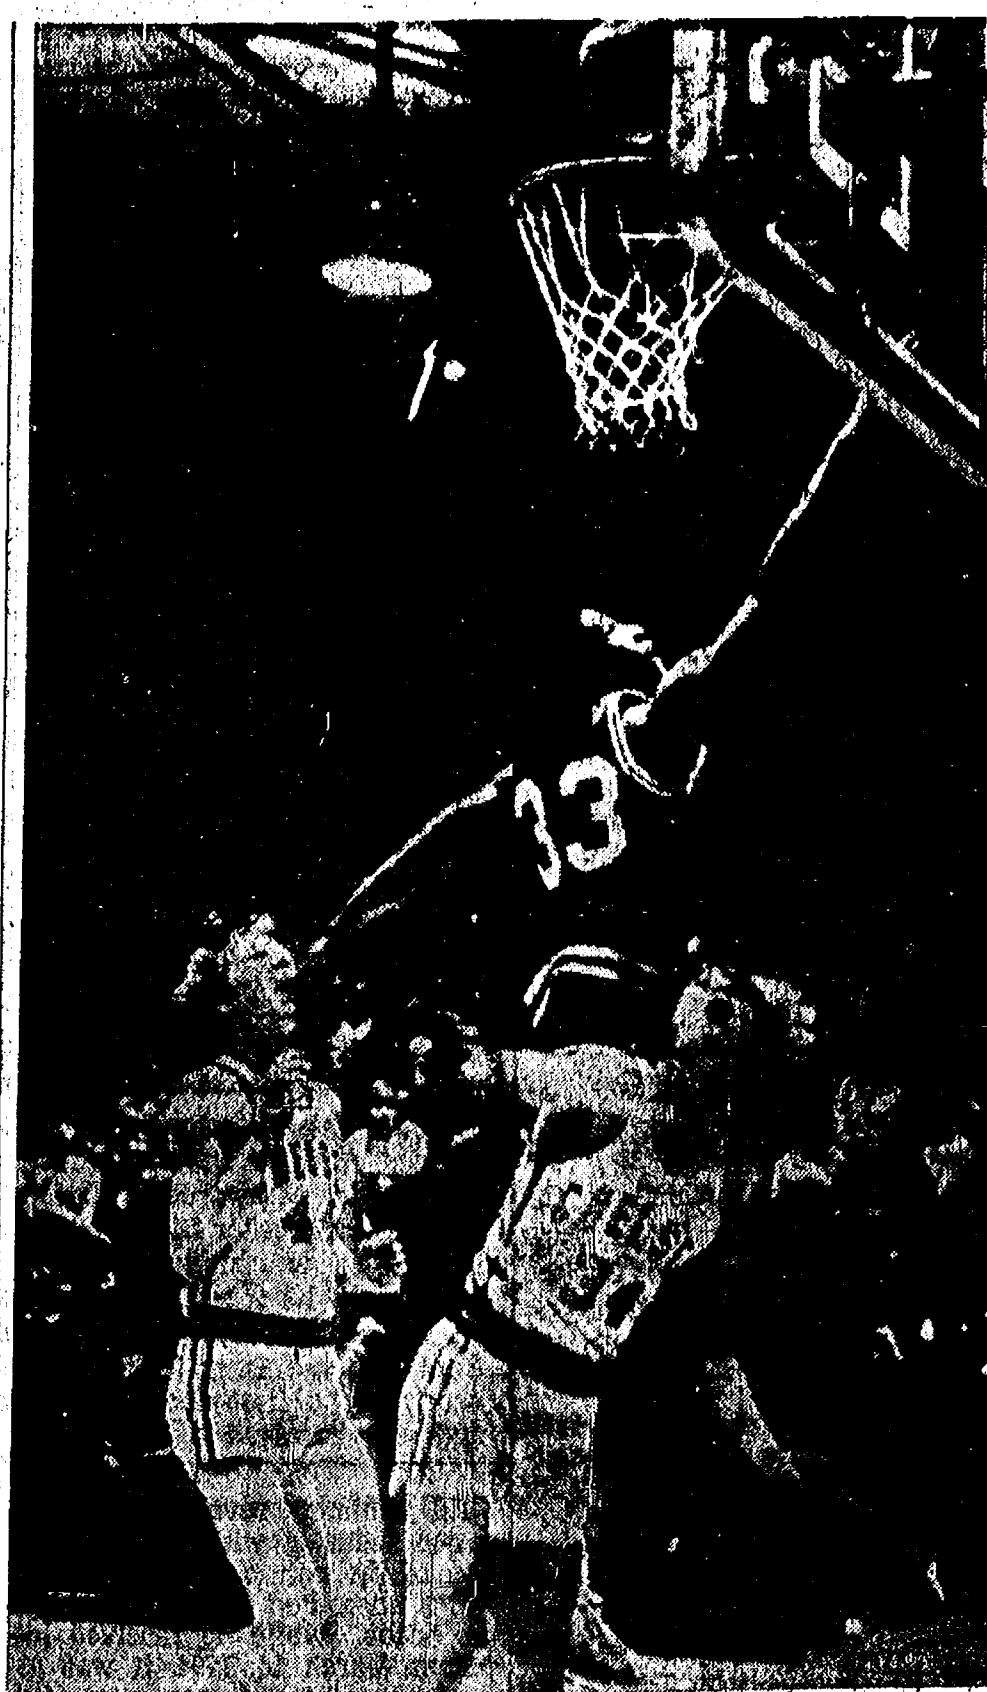

Chriswell is a member of the Jackson Community College Faculty Association, National Education Association, the Michigan Education Association, the American Nurses Association, and the Michigan Nurses Association.

She has served as vice-president of the Friends of the Library, and is a member of the Chelsea United Way Board of Directors.

She and her husband, Lyle, are members of First Congregational church. They reside at 201 Wilkinson St.

Voting will begin Monday, March 13, at 7 a.m. and continue until 8 p.m.

Because there is no visible impairment connected with a hearing loss, the hard-of-hearing seldom are shown the concern extended to persons with other types of handicaps, point out hearing specialists.

BLASTING A PATH between Chelsea's Don Schrottenhoer (44) and Charlie Bridges (34) is Willow Run Flyer Keith Gardner (44), and he completes a successful lay-up in last Saturday's Class B District Tournament finals at Willow Run. Willow Run sailed to a 76-51 victory over Chelsea in the contest to win the district championship and advance to regional play.

## Girl Scout Cookie Sale Tops Goal

Highest profits in the history of the Huron Valley Girl Scout Council's annual cookie sales have been recorded by area Girl Scouts this year, according to Ruth Weber of Ann Arbor, who served as 1978 Council Cookie Sale chairman.

The goal for this year's sale, which began the end of January and continued through the middle of February, was 400,000 boxes sold. However, the final tallies showed that 451,464 were sold, for a total of \$323,796.76 in Girl Scout profit.

Of this total, the Huron Valley Girl Scout Council receives \$232,503.96 for camping scholarships, maintenance of its three camps, and office and general operations of the organization.

The balance, \$90,292.80, goes to the participating troops for their own projects, community service work, purchase of camp and other troop equipment.

As in the past year, Thin Mints were again the most popular of the six Girl Scout cookies. Of the more than 30,800 cases sold, almost 12,000 cases—or approximately 143,304 boxes—were the Thin Mints. The second most popular cookie was the Peanut Butter Patties, with 8,071 cases sold, or 96,852 boxes.

"The success of the sale must be attributed to the hard work of our adult volunteers and the nearly 7,000 Girl Scouts who participated in the sale," said Mrs. Weber.

Profits from the sale go to provide Girl Scouting for nearly 18,000 Girl Scouts in the Huron Valley Girl Scout Council, which covers Washtenaw, Livingston, western Wayne and northern Monroe counties.

The sale is authorized by the State of Michigan under license number 9054; the Huron Valley Girl Scout Council is a United Way agency.

Chelsea's annual village election will be held next Monday, with two complete tickets in the field for the first time in several years. Although a heated campaign was anticipated, it seems many of the candidates are unwilling to put forth much effort to win positions in the village government and the campaign has "developed into a stalemate."

Bluejacket Thomas J. Lyons, 18, son of Mr. and Mrs. H. H. Lyons of Chelsea, graduated recently from the Naval Training School (Radio) on the campus of the University of Chicago, Chicago, Ill., with eligibility to try for the petty officer rate of radio-man third class.

Pvt. Carl D. Schneider of Chelsea, upon graduation today from a highly specialized combat and administrative Quartermaster training course at the Quartermaster School, Camp Lee, Va., is now qualified to serve as a key non-commissioned officer of the U. S. Army in the vital battle of supply.

## Special Olympics Cagers Lose Again to St. Louis

The combined Chelsea-Dexter Special Olympics basketball team traveled to St. Louis school for a rematch March 1, but once again St. Louis school demonstrated its prowess on the court by handing out losses to both the boys and girls divisions of its opposition.

Chelsea-Dexter's boys team opened the two-game series against members of the St. Louis varsity squad. The contest was close all the way with St. Louis edging Chelsea-Dexter, 27-24.

High scorer in the game was Kevin Thomas of Dexter with 11 points, followed closely by Terry Wilkows with 7. Netting two points each were Glenn Passow of Chelsea, Karl Pauley of Dexter, and Lee Wilke, also of Dexter.

Playing, but not scoring, were Matt Schnaidt and Ryan Sweeney,

both of Chelsea, and Wayne Wilke and Robert McCrindle, both of Dexter.

Chelsea-Dexter girls faced the second string from St. Louis to complete the two-game series, only to be stunned by the St. Louis squad, 21-11.

Sue Armstrong of Chelsea was high scorer for her team with 9 points, while Bonnie Stillion of Dexter scored 2. Others playing for Chelsea-Dexter in the contest were Theresa Murphy, Kathy Young and Linda Albor, all of Chelsea, and Debbie Wilson of Dexter.

Coaches Nancy Cooper of Chelsea and Arlene Winn of Dexter expressed pleasure with the performance of all teams in the two games.

Chelsea-Dexter's next appointment on the court will be March 16 during the Special Olympics

The Michigan State Fair was the first state fair in the United States.

When the Michigan legislature was moved from Detroit, in 1847, to its new location in Lansing township, a problem arose in choosing a name for the capital city. Some of the choices included El Dorado, Thorburn, Houghton and Frogville, but the legislators finally settled on Michigan, Michigan. After several months of confusion, the name was officially changed to Lansing, for an early founder, the Travel Bureau, Michigan Department of Commerce.

## DEATHS

### Homer Howard

Former Chelsea Resident Dies Feb. 21 in Kentucky

Homer Howard, a former resident of Chelsea, died unexpectedly Tuesday, Feb. 21, at his residence in La Grange, Ky.

Mr. Howard had been in ill health for several years. His death was attributed to a heart attack.

Mr. Howard was retired from the Kentucky State Police and from the Kentucky State Reformatory.

A native of Magoffin county, Kentucky, he was a deacon and member of the Buckner Baptist church. He is survived by his widow, the former Elma Crace; three daughters, Mrs. James (Ethel) LaRoe of Ann Arbor, Mrs. Harland (Mabel) Crawford of Homestead, Fla., and Mrs. Kellie (Joan) Allen of Chelsea; eight grandchildren; six great-grandchildren; his mother, Mrs. Martha Howard, of Ashland; and two brothers, Edgar Howard and Fred Howard of Ashland.

Funeral services were conducted in LaGrange with interment in the Howard family cemetery, Royalton, Magoffin county, Ky.

### FFA Seeks Help In Locating Past Presidents Names

A recent project undertaken by the Chelsea Chapter of the Future Farmers of America (FFA) appears headed toward a stalemate unless area residents are able to assist members of the chapter in their search for information.

The local FFA chapter is currently researching the history of the group but is unable to locate the names of several former presidents and DeKalb Award winners.

Needed are the names of presidents who served the following terms: 1935-36, 1937-38, 1939-40, 1943-44, 1945-46, 1947-48, 1949-50, 1951-52, 1959-60, 1960-61, 1961-62, 1962-63 and 1965-66.

DeKalb Award winners for the years, 1934-49, and 1965-71, are also being sought.

Anyone knowing the names of the former presidents and award winners requested, or having information which may help in the search, is asked to call Cindy Welshans at 475-7432 after 8 p.m.

American Legion hospital equipment is available by contacting Larry Gaken at 475-7891.

## Tornado Season Near With Spring Coming

The week of March 5-11 was designated as Michigan Tornado Season Week by Governor Milliken, and residents of Chelsea are again reminded to become familiar with the local "Take Cover" signal.

The "Take Cover" signal is one long, unwavering, blast of the Chelsea fire siren, lasting one minute, and repeated at 10-second intervals, for three soundings. This signal is given whenever an official "Tornado Warning" is placed in effect for the area, or when local weather conditions are severe enough to require residents to take protective action.

During severe weather or tornado watch situations residents are also reminded to listen for weather bulletins issued over radio

or TV in order to be alerted to approaching weather conditions. A Tornado Watch is issued to warn that approaching weather conditions may become severe enough to cause a tornado; a Tornado Warning is only issued when an actual tornado in the vicinity has been confirmed.

To avoid confusion with the local fire alarm signals, there will not be an "All Clear" signal locally. Residents are advised to be aware of weather conditions in their area, and to listen for weather bulletins to become advised as to an all clear condition.

### Spring Flower Show Planned By ABWA

"Swinging into Spring" is the theme of the spring flower show to be sponsored by the Chelsea Chapter of the American Businesswomen's Association, March 16, 8 p.m., in Sylvan Township Hall.

The flower show is the local ABWA chapter's only fund-raising event held to raise money for the group's scholarship fund.

Demonstrator for the flower show will be Mrs. Jeanette Otto. Following her presentation, refreshments will be served and door prizes awarded.

Tickets to the event are now on sale and may be purchased from any Chelsea ABWA chapter member.

**TOP SALESMEN:** Roger Schrotenboer, center, Chelsea Athletic Boosters president, completes a presentation of awards to Chelsea's top four salesmen in the Booster Club's recent candy sale. With total sales amounting to \$7,200, some \$3,000 in profits will be funneled into athletic programs at all Chelsea schools. Salesmen and their awards, from left, are Doug Nutt, who sold \$470 worth of candy to be first-place finisher at Chelsea High, and who received a Sanyo cassette recorder for

his efforts; Tony Emmons, who sold \$560 worth of candy to be the Beach Middle school champion, and who received a Sanyo black and white television as his prize; Bob Aldrich, who sold \$380 worth of candy to finish in second place at the high school and who thereby received an AM-FM portable radio; and Will Rosentrter, who sold \$480 worth of candy for second place at Beach school and who was awarded a cassette recorder.

### Cagers Progress Rapidly Throughout Season

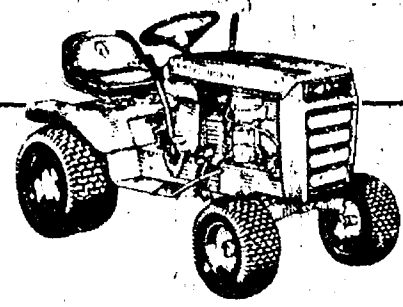

(Continued from page one)

Three of the graduating seniors and one junior on this year's varsity squad will have particular reason to remember the 1977-78 season. Marc Feeney, a Bulldog guard, was selected for sec-

ond team all-league honors, while receiving all-league honorable mentions were Dave Schrotenboer, center, junior Jesse Coburn, forward, and Randy Harris, guard. All members of the team will be honored March 22 at Chelsea High's Winter Athletic Banquet.

## Real Estate

By PAUL FRISINGER

### DON'T HELP REALTOR SELL

One of the best ways to move your house off the market in a hurry is to keep out of it when it is being shown! You should first tell the Realtor everything he should know about the house, especially unique features, and then let him do the selling.

If you must be around when the house is being shown, greet the prospect graciously, take the children and the pets and retire.

This may sound like uncharitable advice but, believe me, it's sound. The Realtor is a skilled negotiator; he has the experience and know-how to bring a buyer to an acceptable price without showing the emotional involvement which could put the seller at a disadvantage.

There are times when personality conflicts between buyer and seller have eliminated bargaining effectiveness and even lost sales. Not often — but it can and has happened. Why take the chance?

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-808; evenings 475-2621. We're here to help!

## Hockey Team Loses To Jackson Western

Chelsea High's hockey team closed out the 1977-78 season on a losing note last Sunday as the Jackson Western Panthers battled their way to a 4-1 decision over the Bulldogs to win the league championship.

Chelsea was first to score in the hard-hitting game when Dave Burg knocked the puck into the net early in the first period following an assist from Steve Check. However, Western came back with four unanswered goals to put the game away.

"We played a good, tough game, but Western was up for this one and outplayed us," Chelsea Coach Jerry Ringe said.

He praised the work of his team throughout the season, adding, "The players have done everything asked of them and have always given us 110 percent."

Although the regular hockey season has ended, Chelsea will play the second-place winner in the Banner Division next week in the first round of the MSCCHL Tournament.

## Junior High Bands Going to District Festival

Members of the 7th and 8th grade bands at Beach Middle school will travel to Saline Saturday, March 11, to compete in the District 12 Junior High School Band Festival where they will perform music presented to a local

audience during last Thursday's Mid-Winter Concert.

At the festival, each band will be rated by three judges in concert performance, and by one judge in sight reading. Scores from the four judges will then be combined to determine each band's over-all grade.

Members of the 7th grade band will be entered as a Class C school and will perform at 8:50 a.m. Parents are reminded that buses will load at 7:15 a.m. outside the Beach Middle school band room, and leave for the festival at 7:30 a.m.

Members of the 8th grade band will be entered as a Class B school in the festival. Their performance time will be 1:10 p.m., so buses will load at 11:30 a.m. outside the Beach school band room. Departure has been set for 11:45 a.m.

Warren Mayer is director of both the 7th and 8th grade bands.

### Free Auto Safety Inspection Offered As Service Project

A free automobile safety clinic, organized by Bill Burgess as a community service project toward his Eagle Scout Award, will be conducted Saturday, March 25, 8:30 a.m. to 4:30 p.m., at the front of Ann Arbor Savings and Loan Association, 1135 S. Main St.

Assisting Burgess at the clinic will be members of Chelsea Boy Scout Troop 476 and several other volunteers.

Area residents are invited to bring their cars to the clinic any time Saturday for a free inspection.

## Swim Team Posts 11-5 Dual Meet Record

Chelsea High varsity swimming team wrapped up its season Tuesday, Feb. 28, with an 11-5 dual meet record, a 7th-place finish in the Eastern Michigan University Relays Invitational, and a 3rd-place finish in its own invitational.

In its final two dual meets, Chelsea defeated Inkster, 99-58, and won over Ecorse in a forfeit.

In the dual meet with Inkster, excellent performances were turned in by Henri VanderWaard (100 freestyle record), Joe Vaillencourt (100 butterfly), Scott Prohaska (200 freestyle and 500 freestyle), Tom Gaunt (200 I.M. and backstroke), Phil Hoffman and Kirk Myers (butterfly), Mike Mason (200 I.M. and 100 freestyle), Doug Pichlik (200 and 500 freestyle), Todd Oxner (500 freestyle), and Jon Oesterle, Charles Wiesner and Dan Bourget (breaststroke).

Wiesner's breaststroke time set a new freshman record.

In the Chelsea Invitational, Milan, a perennial swimming power, scored 373 points to outdistance a strong Willow Run team, which finished second with 316 points. Chelsea took 3rd-place honors with 185 points, followed by Marysville, 4th, with 179 points, and Lincoln, 5th, with 135 points.

Chelsea's varsity swimming coach, Larry Reed, expressed pleasure with the efforts and performance of his team in the invitational, but chided himself for making a mental error which he said caused Chelsea's "B" freestyle relay team to be disqualified in the contest.

"A stupid mistake on my part almost cost us our 3rd-place finish," Coach Reed said.

Pacing the Bulldogs in the invitational was Henri VanderWaard, who received silver medals in the 200 I.M. and the breaststroke. Tom Gaunt, who had the most dramatic times of any Chelsea swimmer, finished third in the backstroke.

"We had one of our smallest

teams ever entered in the event, but every swimmer, with the exception of one, placed in all three allowable events," Coach Reed noted.

Results were as follows: Gaunt, Bourget, Myers and Randy Koch, 7th, medley relay; VanderWaard, Wiesner, Oesterle and Dan Peterson, 4th, medley relay; Phil Hoffman, 9th, 200 freestyle; VanderWaard, 2nd, Oxner, 6th, (new freshman record), Gaunt, 10th, and Prohaska, 11th, 200 I.M.; Mason, 8th, Peterson, 9th, and Wiesner, 11th, 50 freestyle; Koch, 9th, diving; Oesterle, 8th, Myers, 10th,

and Vaillencourt 14th, 100 butterfly; Mason, 10th, freestyle; Prohaska, 5th, Oxner, 6th, and Hoffman, 8th, 500 freestyle; Gaunt, 3rd, (new school and freshman record), and Myers, 11th, 100 backstroke; VanderWaard, 2nd, (new school record), Oesterle, 6th, Wiesner, 7th, and Bourget, 8th, 100 breaststroke; and Mason, Prohaska, Oxner and Hoffman, 4th, freestyle relay.

The "B" freestyle relay team of Gaunt, Vaillencourt, Peterson and Bourget finished 9th before being disqualified for an error in substitution.

## Swim Teams All Have Very Good Season

Chelsea's youngest sport, swimming, is off and moving well. This year's varsity girls finished the season with an 11-2 record and won their Chelsea Invitational; the varsity boys were 11-5, and finished third in their invitational; and Chelsea's junior high team was 6-0 and won the state's largest junior high invitational.

The swim club is currently 8-2, and won its league championship in December.

That gives the four teams a total record of 36-9, three first-place invitational finishes, and one third-place.

The varsity girls broke every freshman and varsity record, while the high school boys did the same, except for the diving records. The junior high and the swim club have both also lowered their records.

The next swim club session will begin in April.

### Cards of Thanks

THANK YOU  
To my relatives and friends, to each of you, I say thanks. Everyone of you are something very special to me.

Mary Eder.

THANK YOU  
We would like to express our thanks to our children, grandchildren and great-grandchildren. Also all our relatives, friends and neighbors for all of the lovely gifts, cards and flowers which we received on our 50th wedding anniversary. It was very memorable for both of us. God bless all of you. Sincerely,  
Norma and Walter Schittenhelm.

CARD OF THANKS  
A sincere thank-you from the bottom of my heart to our family and friends for all the beautiful flowers, gifts, fruit, cards and visits during my stay in the hospital and since my return home. A special thanks to my nephew and niece, Jim and Ginger, for the beautiful red roses and to Ivy and Aretus Sexton, and Gene and Flossie Hageman, for the delicious food since I've been home. Dollie Gullett.

CARD OF THANKS  
I wish to thank my family and friends for the cards and well wishes during my stay at the hospital. Special thanks to Father Dupuis, Dr. Papo and Dr. White, to the nurses and nurses aids and all of the helpers. God bless you. Agnes Cook.

Deputy Clerk.

**Neil Cockerline Touring With Alma College Band**

Neil C. Cockerline, an Alma College freshman from Chelsea, will join other members of the Alma College Kiltie Band in a 14-concert tour of Michigan, Ohio and Illinois, March 4-10. The tour will coincide with Alma's winter term break.

Twice the schedule includes three concerts on a single day.

A 1977 graduate of Chelsea High School, Cockerline plays bass clarinet in the band. He is the son of Mr. and Mrs. Raymond Cockerline of 68 Cedar Lake.

MARY K. BALLANTINE

**Mary K. Ballantine Seeking GOP State House Nomination**

Mary K. Ballantine, a Republican Jackson County Commissioner, has announced her candidacy for the 23rd District House seat being vacated by Mike Conlin.

Mrs. Ballantine, a Jackson resident, has served on the Jackson County Board of Commissioners for eight years, and is the current vice-chairman. She has chaired the Region II Manpower Consortium and the County Salary and Labor Committee, as well as serving on most other major committees.

She is married and has two children, a son 21, and a daughter, 18; her husband, Bob, is an officer with the National Bank of Jackson. Ballantine is running largely because her friends and associates have been encouraging her to represent local interests at the state level. She describes this as her major interest, claiming the trend has long been to remove local interests from government decisions.

Mrs. Ballantine notes the bulk of her support is from Jackson

county where she is well known, but she has received encouragement from residents of Washtenaw county as well. Frequent visits have made her familiar with Washtenaw residents and politics.

Ballantine supports human service legislation and individual rights. She believes government should provide assistance to the private sector to meet human needs, instead of eliminating private sector functions. She emphasizes the need to decentralize state agencies and increase local control.

She sees tax reform as a major issue in this campaign, but is equally concerned with issues that affect local education, business and agriculture. Mary K. Ballantine is an elder in the First Presbyterian church in Jackson. She has recently been named to the Citizens Commission on Federal Paperwork, one of only 36 citizens across the nation who have been selected. This organization works to reduce paperwork for government officials and businessmen.

**Arts & Crafts Fair Scheduled Saturday**

Is winter getting to you? The fifth annual Dexter Area Historical Society Arts and Crafts Fair is guaranteed to lift your spirits and reassure you winter is almost over.

At her booth, Mrs. Jan Schmidt will demonstrate how to assemble lamps from tin cans, Mason jars and bottles. The public is invited to bring in items they wish to have made into lamps. For a fee of \$5, Mrs. Schmidt will assemble the lamp. There will also be a charge of \$4 to \$6.50 for parts, depending on what is needed for assembly. A few old canning jars will be for sale to be used in making the lamps which are so popular at this time. Some fully assembled lamps, with hand-stencilled shades will be for sale. There will also be a few hand-stencilled shades for sale.

Mary Rush will be present making and selling her corn husk dolls. Mrs. Rush has made the

elegant lady you will be seeing on the posters displayed around town. This doll will be first prize in a drawing.

Others on hand will include Harry Wilsner carving wooden birds. Doug Van Aken will be doing a different type of wood carving. Margie Hanning will again be showing pressed caning, and Bill's Blindery will have personnel present to show the art of book binding. Newcomers to Dexter, the Potters, will show pottery making. Dorothy Abbott will demonstrate theorem (stencilling on velvet). Amy Owsley, an 8th grader, will demonstrate tatting.

These are but a few of the craftsmen who will be present in the Dexter High school gym to share their crafts with the public.

The fair will take place Saturday, March 13. Hours are 10 a.m. to 4 p.m. Admission is \$1 for adults; 50 cents, grades 9 to 12; free for grades 1 to 8.

BART BAUER applies make-up to the face of Heidi Apostol during the March 3 "Fun Fair" at South Elementary school. Sponsored by the South School Parent-Teacher Group, the fair was conducted to raise funds for South school activities and new supplies for the math lab at the school. A spook house and a variety of contests were conducted, along with the make-up clinic, purely for the entertainment of youngsters attending the fair.

KEVIN BELL prepares to pitch a ring in the ring toss contest held last Friday at South Elementary school during the school's first annual "Fun Fair." In addition to the ring toss, several other contests were conducted for youngsters, who also had a chance to paint disguises on their faces in the make-up room and tour the spook house at the fair. The event was sponsored by the Parent-Teacher Group at South school to raise money for additional math lab supplies and to fund other South school activities.

NEARLY DWARFED by the basketball she is holding is Tina Hassett, a contestant entered in the basketball throw at South school last Friday. The contest was one of many conducted during the school's first annual "Fun Fair." Other games included a ring toss, bingo, and a cake walk, but the major attraction at the fair was the spook house staffed by teachers. The fair was organized by the South School Parent-Teacher Group, under the direction of chairman Debbie Spalding. A bake sale featuring pies, breads and cookies donated by parents turned out to be a favorite among adults in the crowd attending. Proceeds from the fair will be used for the math lab at South school and to finance future South school projects. Helping Tina lift the basketball is her mother, Pat Hassett.

SOME GRINNED and some snarled, but all the spooks in the spook house at last Friday's "Fun Fair" at South school managed to hold the interest of youngsters attending the event as the children were kept busy trying to guess which one was their teacher. The fair, which also featured contests, a hot dog stand, a bake sale and a make-up room for the entertainment of youngsters and adults alike, was sponsored by the South School Parent-Teacher group as a fund raising activity. Proceeds will be used for new math lab equipment and to finance other South school projects. Pictured in the front, from left, are 1st grade teacher Dorothy Thodeson, Robert Kornexl, and 1st grade teacher Suzanne Devries. In the back, from left, are Lori Kornexl, Kathy Jorgenson, and Jim "Made Ape" Holfeka.

## Volleyballers Pounded By Grass Lake

In a rematch with Grass Lake Tuesday, Feb. 24, members of Chelsea High's varsity volleyball squad were again the victims of a strong-serving opposition as they lost the contest in two consecutive games, 3-15, and 7-15.

In their first encounter with Grass Lake this season, the Bulldogs had pounded their way through three, extremely close games before finally accepting a loss, but an improved Grass Lake team was determined to hasten the win Tuesday.

In the first game of the match, the lead changed hands several times before Chelsea finally emerged, 7-6, ahead of Grass Lake. But the bulldog climb was broken in ensuing minutes of the game as Grass Lake pulled away slowly to finish on top of the 15-8 decision.

The second game started out much the same as the first with Chelsea leading, 7-6, midway through the contest. But when Grass Lake regained the serve, the team reeled off eight unanswered points to hold the Bulldogs at bay. Unable to narrow the gap, Chelsea was forced to accept the 15-7 loss only moments later.

Offensive player of the game for Chelsea was Allison Hovater while defensive player of the game was Mary Jo Eisele.

## Resource Persons Sought for North School Project

Are you an amateur stargazer or birdwatcher? Do you know a few facts about the Civil War? Do you have a shell collection? You could talk about it. Do you whistle, knit, paint, or collect stamps? Have you visited or lived in another country? If so, North Elementary school needs you.

Mrs. Susan Miller, co-ordinator of special projects at North school, is building a resource file of volunteers willing to visit the school and discuss their special interest with students studying that particular subject area.

Volunteers need not be expert lecturers, but simply interested in sharing their hobbies and talents with children at North school. To volunteer your time and talent, call North school at 475-9131.

## Special Olympics Cage Tournney Set in Chelsea

A Special Olympics Regional Basketball Tournament will be held at Chelsea High school March 16, 9:30 a.m. to 2 p.m., with teams from nine schools and centers in the Washtenaw, Livingston, Wayne and Lenawee county areas scheduled to compete in the event.

The tournament is being co-ordinated by Nancy Cooper, EMI (educable mentally impaired) instructor at Chelsea High, and David Sweet, St. Louis School for Exceptional Boys basketball coach.

The directors have named the event the "Poor People's Tournament" because schools entered in the event are those which could not afford to go to the State Special Olympics Basketball Tournament in Muskegon, March 17-18.

Schools to be entered in the "Poor People's Tournament" include Chelsea High, Dexter High, St. Louis, High Point Center, Northwest Jackson Junior High, Livingston County Center, Porter Educational Center of Lenawee, Harrison Center of Livonia, and Howe Center of Dearborn.

All athletes scheduled to play in the tournament are either mentally impaired but educable, trainable, or severely impaired.

Referees for the contest will include volunteers from Chelsea's varsity basketball team and the Rev. Marvin McCallum of Chelsea's First United Methodist church.

Coaches of the teams planning to compete are David Sweet (St. Louis), Arlene Winn (Dexter), Doug Cooper (High Point), Randy Mills (Porter), Gary Stelzer (Jackson), Wally LeBlanc (Livonia), Rickey Gans (Livonia), and Larry Dokham (Dearborn Howe).

In addition to the Regional Basketball Tournament, other events planned for Washtenaw County Special Olympics in upcoming months include a swim meet, March 10, at High Point Center; the State Bowling Tournament, April 15; the County Gymnastics Meet, April 21; and the County Track & Field Meet at the University of Michigan, Ann Arbor, April 27.

Basketball tournament information may be obtained by calling Nancy Cooper at 475-9131. Ext. 49, while information about the

# "HEY, THAT'S MY DODGE."

## '78 DODGE ASPEN COUPE.

That's what folks are saying these days. Because more and more people are discovering what Dodge has to offer. Like Aspen, the biggest sales success story in Dodge's history. And no wonder! Aspen has been styled, sized, and priced right.

Aspen gets the right kind of mileage, too. EPA mileage estimates for Aspen coupe with six-cylinder engine and manual transmission are 28 mpg highway and 20 mpg city. Your actual mileage may vary according to your car's condition, its equipment, and your driving habits.

One more thing... a 1976 Aspen coupe offers greater resale value than Chevy Nova, Buick Skylark, or Olds Omega. This comparison is based on average resale values of comparably equipped one-year-old vehicles as listed in the AMR Guide Book dated October 5, 1977.

So if you're looking for a comfortable, roomy, good-looking, smooth-riding car, look into a new Aspen coupe, sedan, or wagon today.

In no time at all, you'll be saying... "That's my Dodge!"

## Psychology Award

Jim Botsford, a Chelsea High school senior, is the first recipient of the Psychology Student's Award for the second semester of the 1977-78 school year.

The award is presented bi-monthly to a psychology student in recognition of his or her outstanding preparation, participation and academic average in the class. Award recipients are selected by their classmates.

Purpose of the award is to give positive reinforcement to the award winner and to help motivate other psychology students to work hard in the class.

During the past few weeks, psychology students have been discussing why positive reinforcement has a better effect than negative reinforcement on learning.

Botsford was selected for the award because his fellow students felt he participated the most in class discussions and expressed a high degree of interest in the class. They also felt he was receiving the best grades in the class.

When asked for his opinion of the psychology class, Botsford replied, "It is one of the more interesting ones I am taking because it pertains to everyday situations."

Botsford, who plans to study pre-veterinary medicine at Michigan State University upon graduation from Chelsea High, is the son of Mrs. J. Botsford, 19500 Sibley Rd.

### CHS Class of '68 Seeks Addresses For Classmates

Another planning session has been scheduled by the Chelsea High School Class of '68 Reunion Committee to prepare for the group's 10-year class reunion this summer.

All class members are invited to the meeting which will be held Sunday, March 19, 3 p.m., at the home of Russ Beeman, 16610 Waterloo Rd.

Persons planning to attend the summer reunion are reminded a \$15 deposit fee must be submitted to Beeman by March 20.

Also, the Reunion Committee is still seeking addresses for the following class members: Maude Bell, Linda Farmakis, Archie Machnik, Arlene Wengren, Mike Hendricks, Richard and Robert Aikin, Rocky Mayne, Sidney Reid, Don Rich, Patty Sears, Wanda Fletcher, Paul Schnake, Gary Gillespie, Donna Studebaker and Ralph Thomas.

Anyone knowing the current address of any of those listed is asked to call Janice Taylor at 475-9439, or Wanda Koenigster at 475-1089.

The first state legislation requiring factory safeguards was in Massachusetts in 1877, according to "Labor Firsts in America," a U.S. Department of Labor publication.

## 4-H Achievement Day Scheduled Saturday

Washtenaw County 4-H Youth and their projects will be on display for the public enjoyment during the 1978 Spring Achievement. The annual event will be held this year at Chelsea High school on Saturday, March 11.

Spring Achievement is highlighted by two fashion revues. The 2 p.m. revue features the young models from ages 7 to 12. The evening program, which begins at 7:30 p.m., includes the junior and senior 4-H members plus 30 young models chosen to return from the afternoon revue.

Projects created by 4-H members in the Leathercraft and Woodworking project areas will be on display. Evaluations will be conducted during the morning with the outstanding projects receiving honors during the evening revue. Also, of special interest, will be demonstrations given by 4-H members throughout the day and a booth on the Foods and Nutrition project area.

The Washtenaw County 4-H Youth Program welcomes the public to attend.

## Letters to the Editor

To the Editor:  
 Just want to share this with you.  
 Last Friday morning I was cleaning the snow off the walk at Chelsea Pharmacy. Along came this teen-ager. He said "Mrs. White, let me do that for you."  
 He cleaned the walk, and he did a beautiful job. He would not take any pay. I finally tucked a dollar in his pocket, this he did not want, but I insisted.  
 Very few of us ever give the young people due credit for the many kind deeds they do.  
 Laurne White.

Dear Editor:  
 Last Friday night we saw a basketball game between the teachers from Beach Middle school and the teachers from Chelsea High school. It's always a thrill to see professionals do what they do best; in this case, clowning around.  
 Anonymous vote for the MVP award went to Al Conklin for his ah, performance. Also, honorable mention went to Charlie Waller, for tricking the audience into thinking that he scored a few points.  
 By popular demand, next year's rematch will be held in Stockbridge.

## School Board Briefs

At a regular meeting of the Chelsea Board of Education Monday, March 6, present were Daniels, Stirling, Feeney, Hodgson, Tobin, Heller, Schafer, Superintendent Cameron, Business Manager Mills, Principals Williams, Conklin and Wojcik. Several guests attended the meeting.

Meeting called to order at 8 p.m. by President Daniels in the Beach School Cafeteria.

Minutes of the meetings of February were approved as presented.

William Coeltz reported on the forensics program at the high school.

Trustee Stirling reported that the Curriculum Committee will meet on March 9.

The Board received a report that snow removal for the January storm cost \$3,742.50 and that reimbursement from the federal government will be \$2,808.88.

The Board certified the results of the election to renew 3.8 mills for operating expenditures for 1978, 1979 and 1980.

The Board directed the Superintendent to continue investigating the Community Education concept and to study the present program of adult education, high school completion, recreation, etc.

Washtenaw Community College Trustees will meet in the Chelsea Board of Education room on March 28.

Meeting adjourned at 8:58 p.m.

**Trapped for An Hour Following Auto Crash**

Following an hour-long ordeal during which he was trapped in his damaged automobile, a 23-year-old Chelsea man was transported by ambulance to Chelsea Medical Center with injuries sustained in an accident on Huron River Dr. Friday afternoon, Feb. 24, it was reported by the Washtenaw County Sheriff's Department.

According to the report, Thomas Duane Winans, 232 South St., Chelsea, was westbound on Huron River Dr., seven-tenths of a mile west of Zeeb Rd., at 5 p.m. when he failed to negotiate a curve because of the icy road surface and speeding too fast for the conditions, skidded across the centerline, jumped a snow-covered embankment on the south side of the road, and came to rest at the bottom of a ravine.

Since the vehicle could not be seen easily from the road, it was reported, Winans remained trapped until he was spotted by chance and officers were summoned.

The nation's most comprehensive program devoted to research of teaching is being conducted at Michigan State University under a \$3.5-million grant from the National Institute of Education.

Thornton, 14215 Riker Rd.

### Grass Lake Youth Promoted in Marines

Marine Lance Corporal Dennis J. Younkin, son of Jann C. Younkin of 832 S. Union St., Grass Lake, has been promoted to his present rank while serving at the El Toro Marine Corps Air Station, Santa Ana, Calif.

A 1975 graduate of Grass Lake Junior-Senior High school, he joined the Marine Corps in October 1975.

The first state legislation prohibiting discrimination in employment on the basis of race, creed or color was the Ives-Quinn Act in New York in 1945, according to the U.S. Department of Labor's "Labor Firsts in America."

### K. of C. Fund Drive To Aid Retarded

Helping mentally retarded children and adults in the Chelsea area will be the goal of a fund drive to be conducted March 17-19 by Chelsea's Knights of Columbus Council.

Council members, their wives, families and friends, will station themselves at various locations throughout the community the week-end of the drive, wearing special aprons emblazoned with the words, "Help the Mentally Retarded."

They will carry canisters in the shape of a giant Tootsie Roll, and will distribute free Tootsie Rolls to those donating funds to aid the mentally handicapped.

According to Jerry Hamerschmidt, chairman of the drive, all money raised by the Knights of Columbus will be divided between Special Education in Chelsea schools and St. Louis School for Exceptional Boys on Old US-12.

Last year, a similar drive to aid the mentally handicapped netted more than \$2,300, but Council members hope to surpass that figure this year so that funds will be available to help send mentally disabled children in Chelsea to the Special Olympics at Mt. Pleasant in June.

### Personal Notes

Mr. and Mrs. Floyd E. Gentner, of 316 Jackson St., entertained their son and family, Mr. and Mrs. Ronald F. Gentner, and daughter, Tracey Ann, all of Ypsilanti, at a Sunday dinner March 5. The dinner was organized as a bon voyage celebration in honor of Tracey, who will depart for a week-long stay in Paris, France this month with 12 other members of her French class at Belleville High school.

### Special Olympic Cagers Upset Monroe Teams

Chelsea-Dexter Special Olympics traveled to Monroe County Education Center Friday, March 3, where they upset both the boys and girls basketball teams of Monroe in two hotly-contested games.

The Chelsea-Dexter boys team, a combined team organized for basketball because neither school had a sufficient number of players to form a complete squad, avenged a Jan. 6 loss to Monroe with a 24-22 double overtime win.

According to Chelsea-Dexter Coach Nancy Cooper and Arlene Winn, Glenn Passow of Chelsea emerged as the star in the game, as he "hit like never before and rebounded in an even bigger way." Passow scored 13 points for his team.

Also scoring for Chelsea-Dexter was Kevin Thomas of Dexter with 6 points, while providing some valuable offensive and defensive assistance were Leonard Carlson, Steve Lawrence, Ryan Sweetney and Matt Schmaidt, all of Chelsea, and Lee Wilke, Wayne Wilke, Karl Pauly and Robert McCrindle, all of Dexter.

The Chelsea-Dexter girls team followed the boys onto the court to edge the Monroe girls, 19-16. Scoring for Chelsea-Dexter were Sue Armstrong with 9 points, Kathy Young with 2, Bonnie Stil-

ton also with 2, and Lori Brown with 6.

Also contributing to the win were Theresa Murphy, Debbie Wilson, Lynn Vencil and Linda Alber.

### U-M Hospital Seeks Lease On Clinic

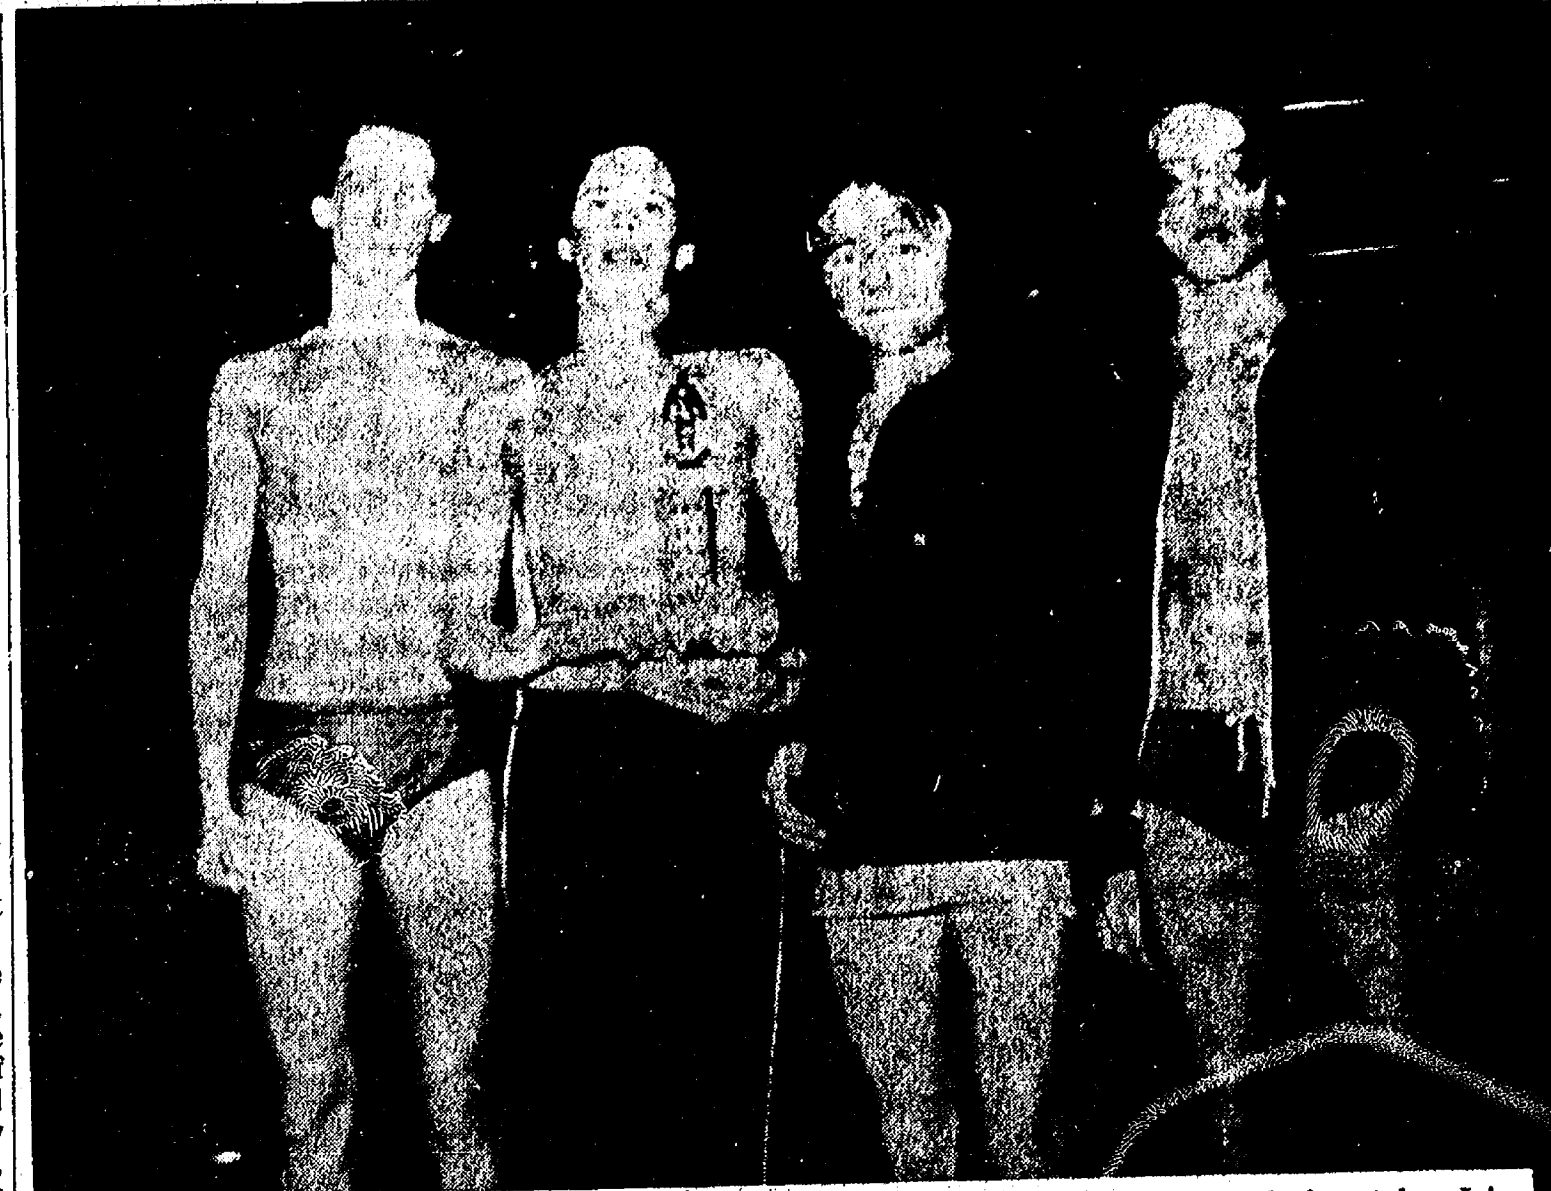

University Hospital, Ann Arbor, has asked the State for approval to lease the Chelsea Medical Clinic, 775 S. Main St., from Ann Arbor Bank & Trust Co., current holders of the lease.

If approved, the leasing of the facility would not represent a change in service but only a change in responsibility for provision of the services. The project would permit continuation of the primary care services in the Chelsea area, and would also provide a future site for the location of a model Family Practices Program.

It is estimated that the cost would be \$140,000 and the lease would become effective with State approval.

In keeping with Federal regulations that require prior to any change in service, University Hospital has applied for a Certificate of Need. The application is on file with the Division of Health Facility Planning and Construction, Michigan Department of Public Health.

Blossom Umstead, formerly of Stockbridge Convalescent Center, Stockbridge, now resides at Cedar Knoll Rest Home, Grass Lake. She will celebrate her 83rd birthday March 15.

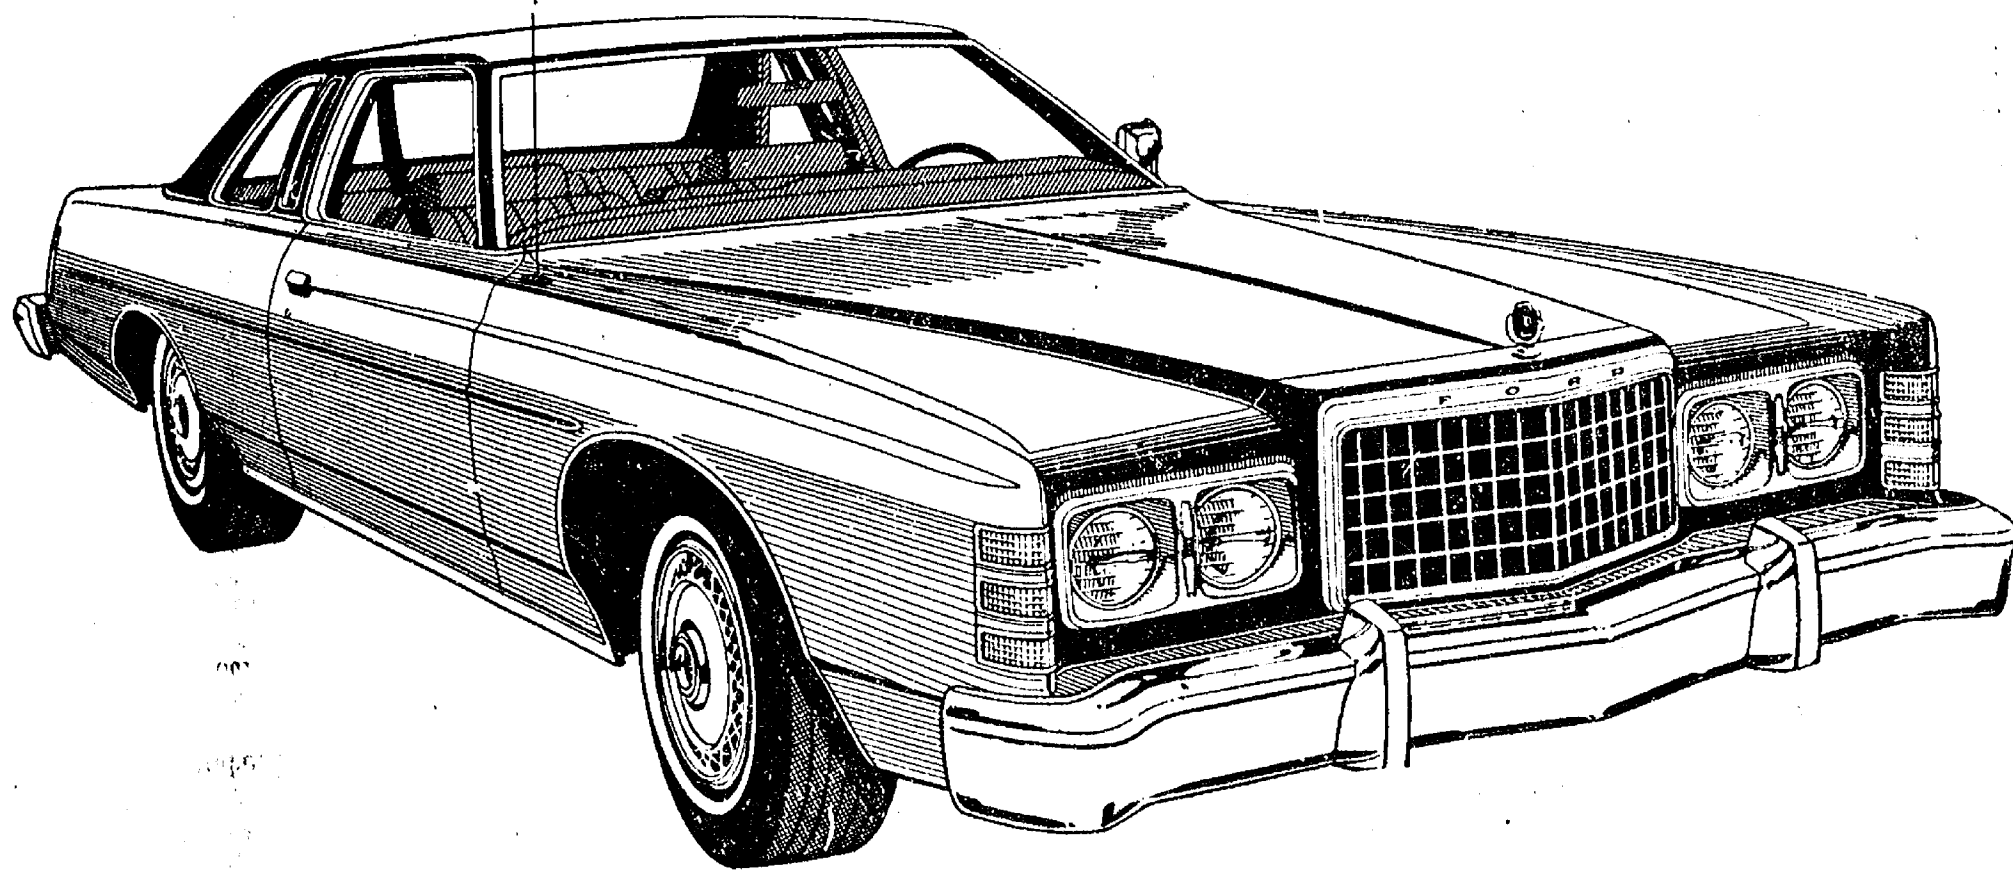

**SWIMMERS OF THE WEEK:** Selected for swimming honors this week are these four Beach Middle school students who helped lead Chelsea to victory in the recent Mason Invitational, the state's largest junior high swimming meet. The four combined to finish with three 1st-place awards, one 2nd-place award, two 3rd-place awards, two 5th-place awards, and one 10th-place award in the meet. From left, they are Dave Nicola, a 7th grader at Beach school, who placed first in the breaststroke, and second in the 50-yd. freestyle; John Robbins, a Beach school 8th grader, who placed first in the backstroke and fifth in the individual medley; Dave Mason, also an 8th grader, who placed third in both diving and the butterfly; and Kirk Hawks, another 8th grader, who placed fifth in the butterfly and 10th in the backstroke. The swimmers teamed up to win the medley relay, and a team trophy for their school.

Michigan ranks fifth or higher among the 50 states in production of 22 food crops.

In 1929 the Michigan State Police established the first state police radio system in the world.

Sault Ste. Marie, established in 1668, is the oldest town between the Alleghenies and the Rockies.

## New Amana

### 2 PLUS 2½ Energy Saving Refrigerators are engineered to save money on your electric bills.

Conventional refrigerator designs use only 1¾" of foam wall insulation. Amana packs 2" of foam wall insulation around the refrigerator section **PLUS 2½"** around the zero-degree freezer section

Model ESRFC-18A (18.2 cu. ft.)  
Shown with doors removed for illustration. Ice maker optional at extra cost.

And built into this Amana Free-O-Frost 2 PLUS 2½ Refrigerator are these quality features:

- Exclusive Amana 3-position Energy Saver Control regulates heater strips that minimize condensation around the freezer section during high humidity. If your home is air conditioned or the humidity is low, keep the switch on "LO" for maximum savings. "HI" is for high humidity while "EX. HI" is for extremely hot, steamy conditions.
- "Refrigerator-within-a-refrigerator" keeps meat fresh longer than ordinary meat pans because super cold air surrounds the outside without drying the meat.
- Five half-width cantilever shelves, four of which adjust in height.
- Convertible doors let you change from right- to left-hand door opening anytime.
- Add an automatic ice maker anytime you choose (optional at extra cost).
- Two automatic cold controls. One for the freezer. One for the refrigerator. Set one independent of the other.

Free-O-Frost models also available in 14 cu. ft. size.

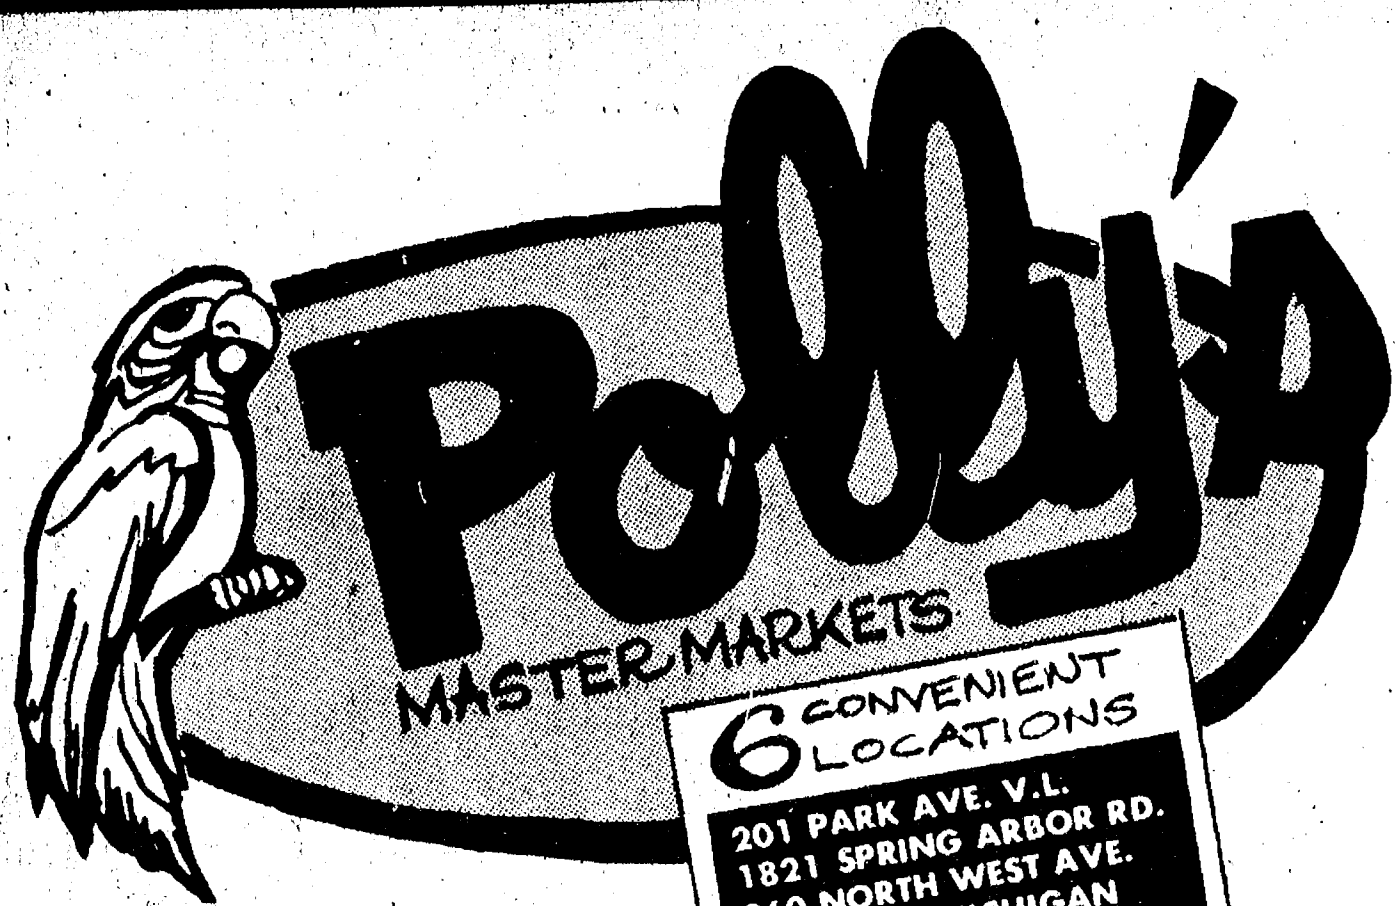

Save even more energy with two 12 and 14 cu. ft. models which require occasional defrosting of the freezer section only.
