Independents Win No-Contest Village Election

Mild temperatures and partly sunny skies didn't keep 56 of Chelsea's estimated 700 registered voters from going to the polls in Monday's annual village election. Voters cast ballots this year for the uncontested positions of president, treasurer, assessor, three full term trustees, one trustee to fill vacancy, and two library board trustees.

Returning to office for his second consecutive term as president is Don D. Wood who collected 51 votes for a two-year term. Replacing 19 year incumbent treasurer Wallace Wood who has retired, is Richard Barnhill. His 50 votes will see him through a two-year term.

Dr. Papo Is Hospital Chief of Medicine

Dr. Michael Papo has been elected new Chief of Medicine for Chelsea Community Hospital by the medical staff and will remain in medical practice at the Chelsea Medical Center, it was announced Tuesday.

DR. MICHAEL PAPO

Petitions Available for School Board Nominees

School Board elections are coming June 12 and to date only one person, Dale Schumann, has obtained a petition to run, while incumbents Thomas Hodgson and Robert Daniels have decided to let their terms expire in peace.

Persons planning to circulate petitions for school board nominees must obtain the signatures of at least 20 qualified and registered school electors. Any qualified voter in the school district is eligible to run for school board. Qualifications of school electors include being: at least 18 years of age, a citizen of the U.S., a resident of the school district, and a registered voter of the school district. Signatures on a petition must all be from the same township, and petition circulators must be registered electors of the Chelsea School District.

OPENING TONIGHT: Mark Shippey, the man behind the stand, leads the cast and chorus in Chelsea High's spring musical production of "Bye, Bye Birdie" through a few bars of the song "Put on a Happy Face." The cast and chorus are seen during a recent rehearsal of the play. Among the outstanding performers to be performed during the musical, March 16-18 in the school auditorium, are "How Lovely To Be A Woman," "Put

SEAMSTRESSES COMPETE: Members of the Terrific Tailors 4-H group in Chelsea competed in sewing and modeling at a county-wide event Saturday at the high school. In the front row, from left to right, are Wendy Wolfgang, Beth Heller, Amy Wolfgang, Laurel

Inglis, Laurie Heller and Diane Bareis. In the middle row are Laurie Jines, Linda Bristle, Nancy Heller, Angie Inglis, Mary Noah and Sue Heller. Mary Anderson, Beth Bush, Sue Inglis and Cheryl Bareis are in the back row.

High School Faculty Art Show Slated

Chelsea High School faculty has combined efforts and talents to produce an Art Show this week. In addition to being open during the school day, the art work will be on display from 7:15 p.m. to 8 p.m. on Thursday, Friday and Saturday this week before the High School musical begins. Admission is free.

Chelsea 4-H Clubs Score Well In Spring Achievement Program

Both the Freer Acres 4-H club and the Terrific Tailors 4-H club walked off with numerous awards in last Saturday's Spring Achievement program held at Chelsea High School.

This year more than 300 county-wide 4-H club members took to needle and thread, hammer and nail, or awl and leather in competition for the coveted prizes awarded by the Washtenaw County 4-H Co-operative Extension Service.

Freer Acres purple ribbon (highest award) winners in the modeling competition include: beginner Michelle LaVigne, young miss, Sue Young, and senior miss, Denise Robbins. Beginners and young misses Michelle LaVigne, Julie Thompson, and Sandra Young placed in the top 10 modelers while junior miss Bethel Snyder and senior miss Denise Robbins also placed in the top 10 modelers.

CHS Forensics Team Scores in Tournament

Chelsea High school forensics team gave an outstanding performance at an invitational tournament Saturday, March 11 at Kalamazoo Central High school. Finishing fifth out of 33 in an event dominated by Class "A" schools, Chelsea finished far ahead of larger schools, including Ann Arbor Huron and Ann Arbor Pioneer High.

Qualifying for the finals were Kelly Headrick in storytelling, Cindy Bareis in radio news, Julie Botsford in informative speaking, and Dana Murphy also in informative speaking. Students who qualified for the semi-finals were Arnel Minix in humorous reading, Gary Dils in story telling and a multiple read-

BASKETBALL AWARDS for the recently completed season were awarded Tuesday evening by Coach Robin Raymond to wrap up a year which saw tremendous strides being made in rejuvenating the local sport. Named Most Valuable

was Marc Feeney; Captain-Elect for next year, Jesse Coburn; and Most Improved, Mike Machesky. Shown above, left to right, are Feeney, Coburn and Machesky with Coach Raymond. (See other award winner photos on page five.)

Two Men Take Van for Test, Don't Return

Two men posing as prospective car buyers drove a 1977 Chevrolet van loaded with options off Lloyd Bridges Chevrolet Main St. lot last Wednesday for a test drive and never returned, according to police reports.

Special Awards Given at Winter Sports Banquet

The annual Winter Athletic Banquet was held Tuesday evening and awards for Most Valuable Players and Most Improved Players were presented to deserving athletes.

Easter Egg Hunt Slated March 25

With Easter only a hop, skip and a jump away, the Easter Bunny is expected to arrive on schedule Saturday morning, March 25, to host the annual Jaycee Easter Egg Hunt.

As usual, Mr. Cottontail will make his 11 a.m. entrance on the high school athletic field. He'll be ushered in on a Chelsea fire truck. Prior to his arrival, he will have hidden more than 100 dozen eggs in nesting spots around the field. Children will be divided into

CHS Student Council Collecting Funds for Muscular Dystrophy

Student Council of Chelsea High school will be holding a collection drive for Muscular Dystrophy on Saturday, March 18.

Co-captains for the 1978-79 season are Chuck Young and John Whitaker. Boy's swimming awards were given to Henri vanderAard for Most Valuable player and to Scott Prohaska for Most Improved player. The coach's and captain award went to Jon Oesterle, while Phil Hoffman was chosen Most Valuable Freshman, and Tom Gaunt, Most Improved Freshman.

In varsity basketball Jon Riemenschneider walked off with awards for Most Valuable Player, Leading Scorer (188), and Leading Rebounder (170). Most Improved Player is Sean Peterson and Jeff Price was given the Team Spirit award.

Junior varsity basketball awards go to Jeff Dils for Most Valuable Player, Brad Flanigan for

Mr. and Mrs. Mark R. Stapish

Deborah Gross, Mark Stapish Exchange Vows at Dexter Church

Deborah Kay Gross and Mark R. Stapish were married Tuesday at St. Andrew's United Methodist Church in Dexter. The bride, daughter of Mr. and Mrs. L. Gross of 691 N. Main St., was given away by her father. The groom, son of Mr. and Mrs. Charles Stapish of 18500 Wagon Lake Rd., Chelsea, was given away by his father. The officiating minister was Rev. Kenneth Edwards. The wedding party included as bridesmaids were Knickerbocker of Dexter;

the bride's niece, Erika Ganzhorn of Dexter; Coleen Tomshany of Dexter; and Eileen Stapish of Chelsea, the bridegroom's sister. The junior bridesmaid was Beckie Gross, niece of the bride. Groomsmen for the wedding were Michael Stapish, brother of the bridegroom; Matthew Stapish, brother of the bridegroom; and Tim Gross, brother of the bride. The junior groomsmen were Butch Gross, nephew of the bride. The wedding reception was held at the Chelsea Community Fair Center. The couple will reside in Dexter.

FOOT POWER GENERATOR
Moselem Springs, Pa.—Twenty science students at the Richmond Township Elementary school here have a home-made generating plant which provides lighting via "foot power." The plant is actually a stationary bicycle hooked up to a small electric generator. Michigan has a greater variety of minerals—metallic and non-metallic—than any area of comparable size in the world.

Ukrainian Egg Decorating Shown To Woman's Club

The folk art of Ukrainian egg decorating was demonstrated for the Women's Club Tuesday evening by Carolyn Sauter of Manchester with many of the beautiful eggs done by Mrs. Sauter and her sons on display.

A brief history of the revival of the art in this country, along with some of the folk tales told to the children during the lenten season was presented.

Guests for the evening included Joanna Alter, Thelma Harris, Martha Earls and Gretchen Vogel.

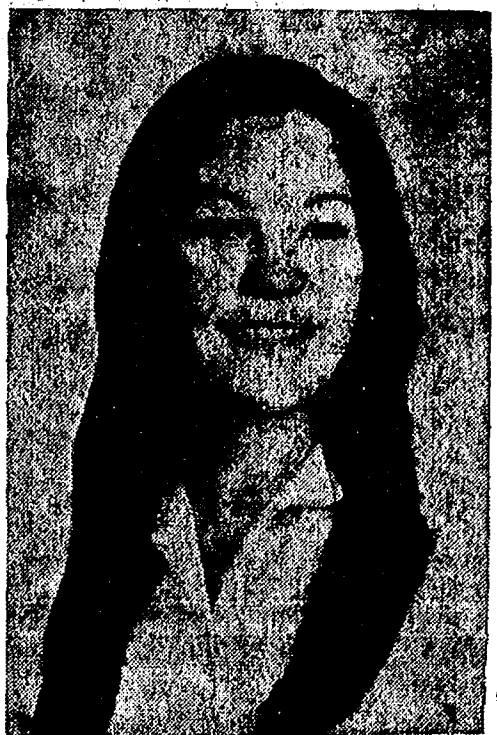

Hostesses for the evening were Gene Werdehoff and Joyce Vogel.

The next meeting will be held March 28 at the library. A program on "Savings on Income Tax and Guaranteed Investments" will be presented. Husbands and other guests are welcome.

Kinder Klub Members Discuss State Spring Meet

Kinder Klub met March 14 at the home of Jean Hafner.

Attendance at the Michigan Child Study Association Spring Planning meetings was discussed. Following the business meeting, Helen Bulick gave a very stimulating and interesting talk on "What Is Happening to Tradition." Her remarks brought forth many questions and lively discussions. Co-hostess Helen Bulick served a delicious dessert.

STANTON, WELLNITZ: Mr. and Mrs. Henry Stanton of Walled Lake have announced the engagement of their daughter, Mary Patrice, to Barton Scott Wellnitz, son of Mr. and Mrs. Jack Wellnitz of Cedar Lake. The bride-elect is a graduate of Walled Lake Eastern High school and attends Oakland University. Her fiancé is a graduate of Chelsea High school and is also attending Oakland University. The couple is planning a June 16 wedding.

Town & Country Women's Club Enjoys Ceramic Workshop

Town and Country Women's Club met Tuesday, March 14 at the home of Karen Street. Joanne Waller served as co-hostess. Karen Pfife was a guest at the meeting.

After a brief business meeting, Carol McLaughlin of Topsy's Ceramics Nook conducted a workshop on ceramic Easter decorations. Each club member painted her own decoration as part of the workshop experience.

The March 28 meeting of Town and Country Women's Club will be a pretzel-bending workshop held at the United Methodist church kitchen. Guests are welcome.

BIG STEEL TROUBLES
Bethlehem, Pa.—Bethlehem Steel, troubled by foreign competitors and natural disasters, has announced that it lost more than \$400 million during 1977.

Mrs. William R. Sawyer, Jr.

Sara Johnson, W. R. Sawyer, Jr., Speak Vows at Methodist Church

Sara Ellen Johnson and William R. Sawyer, Jr., were joined in marriage during a candlelight double-ring ceremony at the First United Methodist church of Chelsea, by the Rev. Marvin McCallum on Saturday, March 11.

The bride is the daughter of Mr. and Mrs. Gilford R. Johnson of Howard Rd., and was wearing a white silesta wedding gown, the bodice of which was trimmed with Alencon lace and pearls, with long sleeves appliqued with lace. The gown had an empire waist, circular skirt and caplet back. Diamond and sapphire earrings, a gift from the bridegroom, and a matching jersey turban with chiffon veil completed her outfit. Miss Johnson carried a trailing arrangement of white cymbidians, orchids, stephanotis and English ivy.

Miss Terri Knickerbocker of Chelsea, as maid of honor, was dressed in a pearl green qiana tunic styled gown with draped bodice and cap sleeves. Her flowers were a bouquet of miniature white and green carnations, pink rosebuds and babies breath.

The mother of the bride wore a jade green street-length dress with a cascade of white gardenias.

The mother of the bridegroom was dressed in peach polyester silk. Her flowers were white gardenias.

Attending the bridegroom as best man was Don Murray of Ann Arbor. Serving as ushers were Michael Grambau of Stockbridge, and Chris Royer of Southgate.

The bridegroom is the son of Mr. and Mrs. William Roberts

Sawyer of Saline and is a 1975 graduate of Chelsea High school. He is employed by Campus Printers, of Ann Arbor.

The new Mrs. Sawyer graduated from Chelsea High school in 1976 and earned an Associate Degree in Applied Arts at Miss Wade's Fashion Merchandising College of Dallas, Tex.

Following the ceremony, a reception was held at Weber's Inn in Ann Arbor with out-of-town guests attending from Eldridge, Ia., and San Francisco, Calif.

A rehearsal dinner was hosted by Mr. and Mrs. Sawyer at the Briarwood Hilton on Friday evening. Among the other pre-nuptial festivities was a kitchen shower given for the bride-to-be by Mrs. Vito LaBarbara of Chelsea.

The new couple will reside at Pheasant Run Circle in Ann Arbor.

The first union of federal employees was formed by New York City letter carriers in 1883, according to the U.S. Department of Labor's "Labor Firsts in America."

VFW Auxiliary Makes Plans for Spring Activities

The regular monthly business meeting of the VFW Ladies Auxiliary was held Monday, March 13 with nine members in attendance. Applications of Sarah Heldt and Donna Cozzani were presented and they were elected to membership. June Walz, who was previously elected, was also present along with Sarah Heldt and were initiated into the group.

Elizabeth Smith, hospital chairman, announced there is to be a party for the veterans at Ann Arbor V.A. Hospital on May 23. She also announced, as National Home chairman, the group should keep in mind the carnival for the children to be held at the National Home the second Sunday in July.

Americanism chairman Eulalie Packard stated four flags are to be presented to Manchester Cub Scout troops on March 22, postponed from late January because of the bad weather, and requested some assistance of the assembly. She also informed the group that the national VFW does not approve of the term "chairperson" and only recognizes the terminology of "chairman."

Lucy Platt, Buddy Poppy chairman, reported on poppy contest coming up for the state convention. She also reminded members that the local poppy day, May 19, is fast approaching and she will need volunteers.

Eulalie Packard reported on the March 11, pot-luck supper, which was carried out in gold in celebration of the parent organization's 50th year.

A blood bank sponsored by the VFW Post and Auxiliary will be held May 16, in the UAW Hall. Workers and donors were requested by Elizabeth Smith.

The group was reminded of the bake sale to be held March 25, from 9 to 3 in the local VFW Hall.

The Post and Auxiliary are planning a rummage sale for April 21 and 22, in the VFW Hall. Plans for the May 7, sixth district meeting were formulated, the local Post and Auxiliary will host the affair at the Chelsea Fairgrounds.

The next regular meeting will be April 10, 8 p.m., with election of officers and district delegates.

FLU VACCINE IN PRODUCTION

A major manufacturer of influenza vaccines has said his firm is producing Russian flu vaccine, but the shots won't be ready before the end of the present flu season which normally runs its course before May.

ROWE - HUGHES: Mr. and Mrs. Duane Rowe, of 18530 Bush Rd., have announced the engagement of their daughter, Lowene, to Jeffrey L. Hughes, son of Mr. and Mrs. Ceber Hughes, of 6651 Werkner Rd. The bride-elect is a graduate of Chelsea High school and is employed by the Washtenaw Urology Clinic, Ann Arbor. Her fiancé is also a graduate of Chelsea High school and is employed by the City of Ann Arbor. A wedding date has not yet been set.

BUCK-BORDEN: Mr. and Mrs. Carol Buck, 617 S. Main St., have announced the engagement of their daughter, Kathy JoAnne, to Michael D. Borden, son of Samuel Borden of Ann Arbor, and Patricia Boden of San Antonio, Tex. The bride-elect graduated from Chelsea High school in 1975 and works at Chelsea Community Hospital. Her fiancé is a graduate of Pioneer High school, Ann Arbor, in 1975 and is employed at Chrysler Proving Grounds. A Sept. 9 wedding is planned.

Social Security Withdrawal Plans Canceled By States

Twenty-nine state and local government employers with more than 424,000 workers, including over 390,000 New York City employees, now have canceled earlier plans to end social security coverage for their employees, Robert E. Kehoe, social security district manager in Ann Arbor, announced today.

Kehoe reported that the Social Security Administration has received this year cancellations of the earlier notices of intent to terminate coverage filed on behalf of those 424,000 workers.

"We at social security are gratified that the governing bodies of these states and local governments have had second thoughts about taking a step which, in most cases, would have seriously eroded the income security protection of their employees," Kehoe said.

"In many cases, these governmental entities decided to continue their social security coverage after they received advice from independent actuaries that they could not duplicate social security benefits through private insurers at comparable cost."

Unlike most American workers, who have mandatory coverage, state and local employees are covered by social security through group voluntary agreements between their state and the federal government. States can ask for cancellation of coverage for a group after the group has been covered for five years. The state must give two years' notice before termination can take place. Once an employee group has dropped social security, it cannot get back in.

The largest municipality to give notice is New York City. Termination notices were filed in the spring of 1976 for workers in 10 New York City employee groups. All but three of these groups cancelled their termination notices during June and July, 1977.

The State of Alaska, which had filed a termination notice in December, 1975, for its 12,600 state employees, cancelled that notice May 31, 1977.

Of the estimated 12,280,000 state and local government employees in the nation, about nine million are covered by social security, and the number has been rising steadily. About 72 percent of all state and local employees are

covered both by social security and by an employer retirement system. State and local employees and their employers paid \$2.2 billion in contributions to the social security trust funds in 1976.

From 1959 through June, 1977, 45 groups with about 67,000 employees terminated social security coverage. In the same period, another 10,344 groups with about 460,000 employees entered the program.

Kehoe noted that employees whose coverage is terminated lose their disability insurance protection after a few years. In addition, many younger employees who have not worked long enough to be insured for retirement benefits and Medicare will be denied those benefits (unless they leave their jobs for work covered under social security). Even older workers who are already insured for retirement benefits and Medicare will receive a substantially smaller retirement check if they drop out than if they continued coverage.

The Ann Arbor social security office is at 200 E. Liberty St. in the Federal Building, downtown Ann Arbor. Office hours are 9 a.m. to 4:30 p.m. weekdays.

Pinckney Driver Tips Auto Friday On Island Lake Rd.

Washtenaw County Sheriff's deputies arrested a 28-year-old Pinckney man early Friday, March 10, for driving under the influence of liquor following an accident in which he "tipped" over his automobile on Island Lake Rd., according to a report at the Dexter substation.

The report stated that Paul Dean Henes, 9611 Portage Lake Ave., Pinckney, was travelling at excessive speed west of Island Lake Rd. at 2:05 a.m. when he shot off the edge of the road four-tenths of a mile west of Dexter-Pinckney Rd., struck a snowbank, lost control of his vehicle, and rolled over.

Deputies said Henes was uninjured, but that his automobile had to be towed away by a wrecker belonging to the Dexter Body Shop.

NO FREE SAMPLES HERE! Curious children facts about alcohol abuse are presented in an gather around the "Alcohol Truth Booth" where easy-to-understand fashion.

NO FAIR PEEKING! Unusual foods such as rutabagas and avacados are examined by touch and smell in order to guess the vegetable's name. The game helps children become aware of foods they're unfamiliar with.

FOOD BOOTHS took the cake at Tuesday's ground peanut butter, made right before their fair. Here children taste the true flavor of freshly eyes.

Social Security Info Recording Available to Blind

A phonograph recording of four social security information publications is available to blind and handicapped people who cannot read regular print free at the Blind and Physically Handicapped Library at the Michigan Department of Education, 735 E. Michigan Ave., Lansing 48913.

The recording is a 9-inch, 8 RPM disc produced by the Social Security Administration. It includes narrations of "Your Social Security," "Disability Benefits for Blind People," "Supplemental Security Income for the

Aged, Blind and Disabled," and "Your Medicare Handbook." Special phonographs capable of playing the 8 RPM discs are supplied by the Library of Congress and made available free by regional libraries to eligible blind and physically handicapped readers.

People may get information about borrowing the recording by calling the library at (517) 373-1590, or the Ann Arbor social security office at 668-2125.

The first national labor organization open to workers of every craft, creed and color was the Knights of Labor in 1869, according to the U.S. Department of Labor's "Labor Firsts in America."

Thank You...

Thanks to you, our fellow citizens, who came out to cast your ballot in support of the Independent candidates for election to Village office. Your vote of confidence in Independent candidates is very much appreciated.

Milan Youth Returns To Help USAF Recruiter

Airman Basic Matthew Walters, a recent graduate of the Air Force's Technical Training Center at Sheppard Air Force Base, Tex., and a 1977 graduate of Milan High school, has returned home to assist his recruiter under the Recruiter Helper program.

Recruiter Helpers enables selected first-term airmen the opportunity of returning to their hometowns for temporary periods of time to discuss Air Force opportunities with potential enlistees.

"AB Walters, 18, son of Mr. and Mrs. Bernard Walters, 12431 Sanford, Milan, has volunteered to assist us in our recruiting efforts," said Technical Sergeant Judge Allen, Air Force recruiter here. "It has long been our contention that no one can communicate better what Air Force life is really like than those who have completed basic military and technical training at one of our centers. Recruiter Helper Program allows our first-termers the chance of sharing their experiences with other potential enlistees."

AB Walters selected training as a Cargo Specialist prior to entering the Air Force's Delayed Enlistment Program in December 1976. Prior to attending Sheppard Technical Center he completed six weeks of basic military training at Lackland Air Force Base, Tex. He is presently assigned to Norton Air Force Base, Calif.

"While here," explained T-Sgt. Allen, "Airman Walters will be visiting his old high school with me and answering any questions interested students may have about the Air Force. He will also be available at my office at 3003 Washtenaw or may be reached by calling 972-1830."

Special Athletic Awards

VOLLEYBALL AWARDS: Most Valuable Player award for Chelsea High school volleyball team went to Kathy Starkey, left, and Mary Jo Eisele, third from left. Nancy Knott, second from left, was voted the Most Improved Player award. Coach Walt Keppler, right, stated he was "very pleased with the dedication and hustle the girls showed all season."

WRESTLING AWARDS presented Tuesday evening included Mike Young, Most Valuable; Charles Young and John Whitaker, Captains-Elect for next year; and Brian VanReesema, Most Improved. Shown above, front row, left to right, are Mike Young, Charles Young and Whitaker. Back row, from left, are Coach Sam Vogel, Van Reesema, and Coach Rich Barejs.

SWIMMING AWARDS were presented at Tuesday evening's Winter Sports Banquet by Coach Larry Reed, fourth from left. Tim Gaunt, left, was designated Most Improved freshman; Henri vanderWaard, second from left received Most Valuable title; Jon Oesterle, third from left, received the Captain's Award; Scott Prohaska, fifth from left, was named Most Improved on varsity team; and Phil Hoffman, was voted Most Valuable on freshman team.

How Instructions Become Distorted

Dexter Fire Chief Keith Hoatlin, who has been studying the proper way in which to transmit orders to subordinates, says that it is easy for instructions to become distorted if due care is not taken when handing them down. As an example, he offers this educational anecdote:

A fire chief issued the following directive to his assistant chiefs: "Tomorrow evening at approximately 2000 hours Haley's Comet will be visible in this area, an event which occurs only once every 75 years. I will present a brief lecture on this rare phenomenon to all those who wish to assemble on the training grounds at the training center. Those attending should be in dress of the day. In case of rain, we will not be able to see anything, so assemble the men in the training center auditorium and I will show them films of it."

Assistant Chief to Battalion Chief: "By order of the Chief tomorrow at 2000 hours, Haley's Comet will appear above the training center area. If it rains, all those planning to attend will be marched to the theater where this rare phenomenon will take place. Something which occurs only once every 75 years."

Battalion Chief to the Captain: "By order of the Chief at 2000 hours tomorrow evening the phenomenal Haley's Comet will appear in the theater. In case of rain in the training center area, the Chief will give another order, something which occurs only once every 75 years."

Captain to Lieutenant: "Tomorrow at 2000 hours the Chief will appear in the theater with Haley's Comet, something which happens every 75 years. If it rains, the Chief will order the comet into the training center area."

Lieutenant to crew: "When it rains tomorrow at 2000 hours the phenomenal 75-year-old Chief Haley will drive his Comet through the training center area."

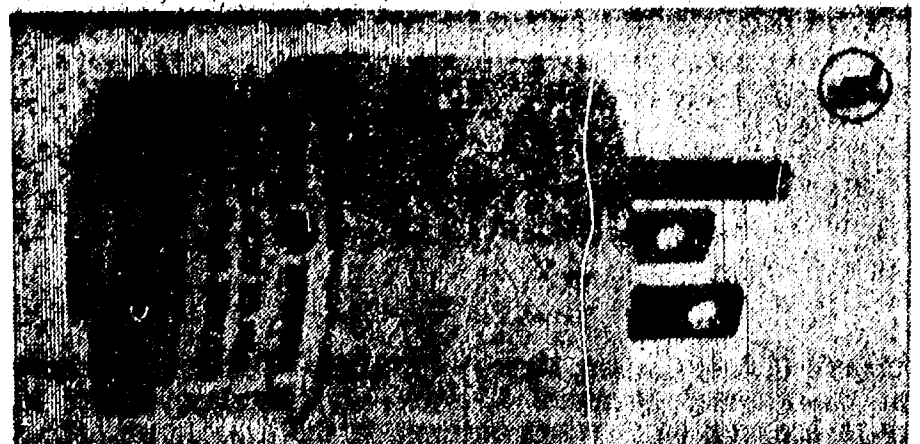

Chelsea Co-Op Nursery Children Visit Museum

Three-year-olds at Chelsea Co-Op Nursery visited the Exhibit Museum in Ann Arbor on Tuesday, March 7 and toured the exhibit on animals. They especially enjoyed the timber wolf, the snowy owl, the eagle, and the rabbits, plus a quick tour of the dinosaur exhibit.

A visit to the Waterloo Recreation Area by the four-year-olds proved very exciting. Most of the children touched the live pet snake and turtle that the ranger showed them. The ranger took the children outside to see a woodpecker at the bird feeder. They also found some cocoons in the trees. Back at the nursery school, the children made clay animal homes.

The four-year-olds are now enjoying some special adventures and each child has painted a cardboard rocket to take home.

The first President to act as a mediator in a labor dispute was Theodore Roosevelt, who personally tried to settle the anthracite strike of 1902, according to the U.S. Department of Labors "Labor Firsts in America."

DEATHS

Mrs. Ralph Sutton Former Flint Resident Dies at Methodist Home

Mrs. Freda H. Sutton, 84, died at the Chelsea United Methodist Retirement Home, March 8. A resident of Chelsea since 1936, Mrs. Sutton was born July 23, 1893, in Davison, to Archie and Jessie Elmore Jones. On April 18, 1916 she married Ralph P. Sutton. He preceded her in death in 1972.

Mrs. Sutton lived most of her life in Flint and was a member of the Court St. United Methodist church for 48 years. She was also a life member of the Order of the Eastern Star in Flushing. She is survived by one son, Charles E. Sutton of Blissfield, one daughter-in-law, Helen Storkbakken, and five grandchildren, Sue of Oakland, Calif., Nancy and Stephanie of Dayton, O., David of Bowling Green, O., and Mark of Blissfield. Services were held at the Chelsea United Methodist Retirement Home Chapel with the Rev. Ira Wood officiating. Interment was in Davison Cemetery, Davison. The family requests that any tributes be in the form of contributions to the Chelsea United Methodist Retirement Home.

BIRTHS

Mr. and Mrs. Thomas Wojcicki of Metamora announce the birth of a son, Robert James, on Feb. 16. Grandparents are Mr. and Mrs. Russell Gardner of Stanton and Mr. and Mrs. Syl Wojcicki are Mrs. Bertha Kasenchuk of Chelsea and Mr. and Mrs. G. D. Mullreed of Belleville.

Free Auto Safety Inspection Offered As Eagle Scout Project

A free automobile safety clinic, organized by Bill Burgess as a community service project toward his Eagle Scout Award, will be conducted Saturday, March 25, 8:30 a.m. to 4:30 p.m., at the front of Ann Arbor Savings and Loan Association, 1135 S. Main St. Assisting Burgess at the clinic will be members of Chelsea Boy Scout Troop 476 and several other volunteers.

Area residents are invited to bring their cars to the clinic any time Saturday for a free inspection.

American Legion hospital equipment is available by contacting Larry Gaken at 475-7891.

Lyndon Township Planning Commission meets the second Thursday of the month at the Township Hall, 8 p.m. adv42tf

WINSOME THREESOME: Members of the Terrific Tailors 4-H group in Chelsea captured several top awards Saturday at the high school in county-wide sewing and modeling competition. From left to right are Amy Wolfgang and Nancy Heller, who both were among the top 10 models in their age groups, and Sue Heller, who won second place in the construction of her garment. This is considered one of the most outstanding awards in personal appearance competition.

GIRL SCOUT Donna Alexander, center, visits with members of Chelsea's newest Girl Scout Troop No. 777 after dinner Monday evening. Senior Cadette Troop 98 hosted Troop 777 who are all residents of the Chelsea Methodist Home, at the event.

Cadette Girl Scout Troop Entertains New Senior Group

An adult Girl Scout group, one of only two others in the country, shared a pot-luck dinner with another Chelsea Scout troop Monday evening at the First United Methodist church, 128 Park St.

The adult group, with 15 members present, was organized last November. Members are required to be residents of the Chelsea Methodist Home, 805 W. Middle St. The troop, No. 777, is similar to groups in Cincinnati, O., and Great Falls, Mont.

The older scouts were guests of Girl Scout Cadette Troop 98. The leader of that group is Phyllis Vallencourt, assisted by Janet Schulze. Adult troop leaders are Connie Amick and her assistant Sandra Rogers, both from Ann Arbor.

Philosophy of the senior troop, according to spokeswoman Mildred Grams, is "We are never too old to learn, grow and do things."

Stolen Van...

(Continued from page one)

van there would be no criminal charges brought against them—technically known as larceny by conversion. If, however, the men were apprehended with the van, they would be charged with grand larceny for intent to keep an unpaid for vehicle.

Each dollar received by cattleman directly generates an additional \$5.6 of business activity.

Volleyballers Lose To Irish, Tecumseh

Chelsea girls' volleyball team traveled to Ann Arbor Tuesday, March 7 to take on Gabriel Richard, with little success.

The first game was evenly played for the first few points, but then the Irish broke it open with their third and sixth serves, winning 15-4.

In the second game Chelsea took an early lead, 8-4, and extended it to a 10-6 lead. However, the Irish were not to be denied, fighting back to take the game, 15-10.

Offensive player of the game was Tammy Patrick. Her powerful serving and spiking sparked the Bulldogs in the early going. Defensive player of the game was captain Kathy Starkey.

Chelsea played host to Tecumseh Wednesday, March 8 in a pre-regional match. Chelsea combined its varsity and junior varsity; however, it was not enough to stop the always strong Tecumseh squad who took the match in two games, 15-3, 15-5.

Tecumseh has a good serving team; not overpowering, but deceptive. They also did a better job in setting up their offense.

Being the last game of the season, almost everyone had a chance to play.

"This being my first season as coach of the Chelsea girls volleyball team is one which I will never forget," Coach Walter Keppler commented. "Some people measure the success of one's season by how many matches they have won. To be realistic you have to take into account so many things, such as your starting point. You have to build and change with each day."

"Last year," Keppler continued, "the junior varsity won only one game. This year they won almost half their matches. The varsity didn't pull together back to back victories to win a match, however, they did play much better, improving with each game, winning more games than they did last year."

"With the strong group of young girls coming up next year, and

with those who have gained another year's experience, I feel that the Chelsea girls volleyball team will be a contender in the very near future!

"Some may measure the success of our season by how many matches we won. I say you should measure our success by how far we have come," Keppler continued.

Volleyball Top Honors Awarded

Chelsea girls volleyball team voted for their most valuable and most improved players this week. On the junior varsity team most improved was Cindy Gerstler. Most valuable was Cristie Thomson.

Varsity player voted most improved was Nancy Knott. For most valuable player there was a tie, Mary Jo Eisele and captain Kathy Starkey.

SCHOOL LUNCH MENU

Week of March 20-24

Monday, first day of Spring—Hamburgers on a bun, cole slaw, french fries, ginger bread with topping, milk.

Tuesday—Spaghetti with cheese, mixed vegetables, hot rolls and butter, Jell-O with vanilla pudding, milk.

Good Friday—Half-day of school. No lunch program.

Interlochen Center for the Arts is one of the world's greatest facilities for developing youth talent in the creative arts.

This refrigerator uses
less electricity per day
than a 75-watt light bulb.

Model ESR-14A (14.1 cu. ft.)

The new
Amana 2 PLUS 2 1/2
Energy Saving Refrigerator.
Engineered to save money on your electric bills.

Instead of the usual 1 1/2" foam wall insulation, Amana packs 2" of foam wall insulation around the refrigerator section PLUS 2 1/2" around the zero-degree freezer section where it's needed most.

But Amana didn't stop there. There's also the seamless one-piece insuliner™ PLUS Magna-seal door gaskets PLUS superior door insulation. All help seal out the heat and keep electric bills down.

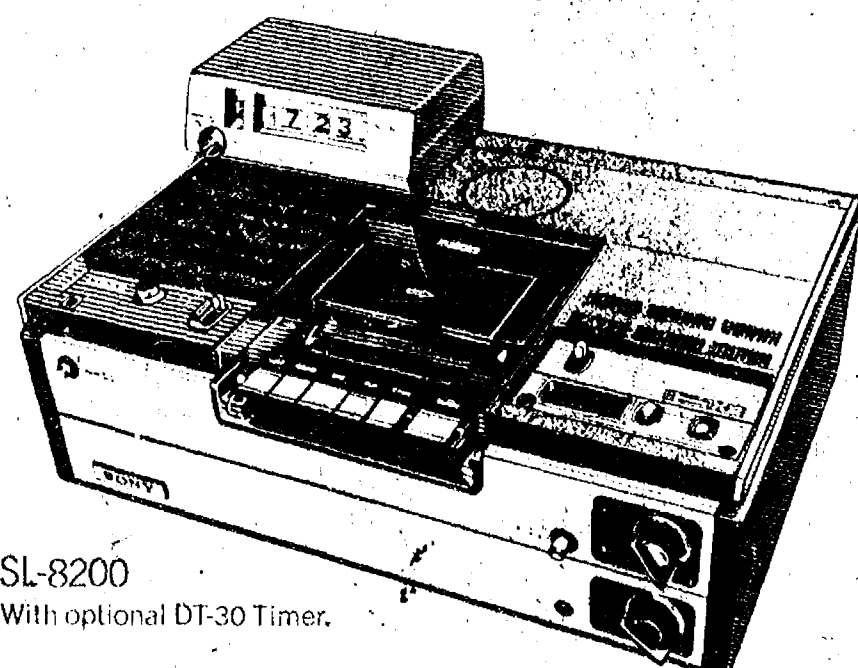

Save even more energy with the exclusive Amana 3-position Energy Saver Control. It regulates heater strips that minimize condensation around the freezer section during high humidity. If your home is air conditioned or the humidity is low, keep the switch on "LO" for maximum savings. "HI" is for high humidity while "EX. HI" is for extremely hot, steamy conditions.

Two Free-O-Frost models also feature five half-width cantilever shelves, four of which adjust in height to meet your changing needs.

See the Amana 2 PLUS 2 1/2 Refrigerators today... Choose from six models. Four models (14 and 16 cu. ft.) are completely Free-O-Frost. Two (12 and 14 cu. ft.) require occasional defrosting of the freezer section only.

Real Estate

By PAUL FRISINGER, REALTOR

HOW CAN REALTOR HELP?

Selling your home through a Realtor will bring you as much or more profit — with none of the attendant problems and headaches you can expect when you try to sell it on your own.

Besides his knowledge of the market and the skill to suggest realistic prices, the Realtor has built up a list of prospects that no homeowner can possibly match. . . prospects who are honestly interested in finding a home and financially able to buy. . . not casual lookers. He knows how long to hold out, whether to take a second mortgage, how to handle earnest money, whether to lease with option to buy or sell on contract.

He's prepared to arrange the intricacies of financing and has the "know-how" necessary to close the transaction properly. Believe me — listing with a Realtor will save you time and make you money.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

School Board Briefs

At a regular meeting of the Chelsea Board of Education Monday, March 13, present were: Daniels, Schafer, Stirling, Hodgson, Feeney, Tobin, Heller, Superintendent Cameron, and Business Manager Mills.

Meeting called to order at 8:10 p.m. by President Daniels.

Trustee Heller discussed building maintenance requirements for the district.

The problem of student parking at the high school was discussed.

The board went into executive session at 8:35 p.m. and the meeting was called back to order at 10:27 p.m.

The board continued its discussion of candidates for the position of Superintendent of Schools. (Continued on page 11)

7th GRADE BAND: Warren Mayer, left, director of the 7th and 8th grade bands at Beach Middle School.

stands proudly with his 8th grade Division I rated band members. Judges at the District 12 Band Festival in Saline last Saturday praised the 58 members for their "good basic sound, excellent dynamics, and good phrase endings."

High School Scheduling Begins Soon

The first, and perhaps most important, step in the Chelsea High School scheduling process will begin next week.

Counselors will be visiting various classes at the high school to distribute Course Offering booklets, Course Selection sheets, and provide information for requesting classes for next school year.

Selections that are made will, to a great extent, determine the future of the students. This is why it is essential for parents to become involved in this process to help guide their children in their choices. It is most important that the course request sheets be returned to the high school no later than Wednesday, March 29, and that they are signed by the parent.

These requests provide information to help determine what classes will be offered next year. An arena scheduling procedure is being planned for the latter part of May at the high school.

Research is the key to beating our number one killer—heart disease. That's why our largest single expenditure each year is for heart research. We're the American Heart Association, and we're fighting for your life.

Norm Colbry Honored By State Jaycees

Norm Colbry, 13926 Bramble Brae, has been chosen to receive the Jaycee's "Sparkplug of the Month" award for February by the state Jaycee organization.

The award honors Colbry's work over 1,100 other Jaycee members, notable for his organizing and conducting a series of group discussions on the topic of Personal Dynamics, for local Jaycee members, according to Jaycee member Bob Meyer. "These discussions provided much insight and direction to participating members Meyer said.

Colbry, a past president and five-year member of the Jaycees, has also planned a new series of discussions in communications to be presented soon.

The award will be presented at the April 13 regional meeting in Ann Arbor.

Lt. David McGibney Awarded Air Force Commendation Medal

The U. S. Air Force Commendation Medal was presented to Second Lieutenant David P. McGibney, son of Mr. and Mrs. Philip F. McGibney, III, of 511 W. Middle St., Chelsea, in recent ceremonies at Keesler AFB, Miss.

Lieutenant McGibney, a communications systems officer, was decorated for meritorious service at Bayshore, Mich.

The lieutenant now serves at Keesler with a unit of the Air Training Command.

Lieutenant McGibney, a 1966 graduate of Chelsea High school, received a B.S. degree in 1971 at Central Michigan University, Mt. Pleasant. He received his commission in 1977 upon completion of Officer Training School, Lackland AFB, Tex. His wife, Laura, is the daughter of the Rev. and Mrs. Richard L. Clemans of St. James, Mo.

Grade School Children Attending Extensive Health Fair This Week

Children and their parents from South and North Elementary schools are getting a taste this week of nutritious food and basic good health practices at a fun health fair sponsored by several community agencies.

The fair is being held in two

installments; one held Tuesday for the 605 children of South school on Pierce St., and the second fair today between 10 a.m. and 3 p.m. for the 526 North school students on McKinley Rd.

Colorful booths deck the school gyms and invite the children's

curiosity to explore the mysteries of digestive tracts, examine "creepy crawlies" under microscopes, and guess the names of mystery foods while blindfolded.

Students were also exposed, (often for the first time,) to the causes of tooth decay, poor appetites, and accidents. Other booths beckoned children to learn sound steps to good health, including tips on exercise and cautions against smoking and alcohol abuse.

Sponsoring the fair (Chelsea's first) are the Chelsea Community Hospital Auxiliary, the Washtenaw County Health Department, the Washtenaw County Co-operative Extension Service, the Michigan Lung Association, and the American Cancer Society.

In preparation for the health fair, children made posters and decorations for display along with the other booth exhibits.

Library Conference Scheduled at WCC

Library lovers who want their ideas heard on improving libraries and information centers will have a chance Saturday, April 8, at Washtenaw Community College.

The free conference for Washtenaw and Livingston county residents will offer "a chance for all citizens to exchange ideas and to put their thoughts on record about libraries—the way they are and the way they should be," according to Gene Wilson, director of the Ann Arbor Public Library.

Included in the program will be small discussion groups followed by a public hearing session during which statements by citizens and organizations will be received, recorded, and transmitted to the upcoming Michigan Conference on Libraries and Information Services this fall.

The conference will also hold elections for delegates to represent the two-county area at the Michigan Conference. In turn, delegates to the 1979 White House Conference will be chosen from the state conference.

Free Blood Pressure Clinic Stated Saturday

Washtenaw County Council on Aging and the Michigan Heart Association continue to sponsor free blood pressure clinics on the third Saturday of every month from 9 a.m. to noon at the Heart Information Center, 3800 Packard Rd., Ann Arbor. The next clinic takes place Saturday, March 18.

Cards of Thanks

THANK YOU
I wish to thank all my relatives, neighbors and friends, the Salem Grove United Methodist Women, the Rebekah Lodge, Past Noble Grand Club for the flowers, gifts, cards and visits. A special thank you to the Rev. Gerald Parker for his many visits and prayers, also the doctors and nurses at Chelsea Community Hospital and St. Joseph Mercy Hospital for the wonderful care I received. May God bless you all.
Velma Wolfe.

THANK YOU
I thank all my relatives, friends and neighbors for visits, gifts, flowers, and cards, during my stay in the hospital and since I have been home. All was greatly appreciated.
Walter Rothfuss.

THANK YOU
I want to thank everyone who contributed to the baby photo contest to help me win.
Danny O'Dell.

Legals

NOTICE BY PURCHASER UNDER TAX SALE
To the Owner or Owners of Any and All Interests in, or Liens Upon the Land Herein Described:

TAKE NOTICE, That sale has been lawfully made of the following described land for unpaid taxes thereon, and that the undersigned has little, under tax deed or deeds issued therefor, and that you are entitled to a reconveyance thereof, at any time within 6 months after return of service of this notice, upon payment to the undersigned or to the register in chancery of the county in which the lands lie of all sums paid upon such purchase, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1968 and 1969 and the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1970 and 1971, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1972 and 1973, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1974 and 1975, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1976 and 1977, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1978 and 1979, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1980 and 1981, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1982 and 1983, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1984 and 1985, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1986 and 1987, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1988 and 1989, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1990 and 1991, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1992 and 1993, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1994 and 1995, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1996 and 1997, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 1998 and 1999, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2000 and 2001, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2002 and 2003, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2010 and 2011, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2012 and 2013, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2014 and 2015, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2016 and 2017, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2018 and 2019, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2020 and 2021, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2022 and 2023, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2024 and 2025, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2026 and 2027, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2028 and 2029, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2030 and 2031, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2032 and 2033, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2034 and 2035, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2036 and 2037, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2038 and 2039, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2040 and 2041, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2042 and 2043, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2044 and 2045, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2046 and 2047, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2048 and 2049, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2050 and 2051, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2052 and 2053, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2054 and 2055, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the year 2056 and 2057, the sum stated in such notice as a condition of reconveyance shall only be all sums paid at a condition as to the tax sale, together with the costs and charges thereon, and the fees of the sheriff for the service or cost of publication of this notice, to be computed on a general service of a declaration as commencement of suit, and the further sum of 5 dollars for each description without other additional cost or charges: Provided, That with respect to purchasers at the tax

IRS Offers Free Tax Computation For Some Low Income Groups

The Internal Revenue Service again this year is offering free income tax computation to qualifying taxpayers requesting the service.

Persons wishing the IRS to figure their tax should check their instructions to insure they qualify and then complete their return to the line which says "If you want IRS to figure your tax, stop here and sign below." Both spouses must sign a joint return, even if only one had income.

The IRS urges the use of the name and address label which was mailed to taxpayers to avoid mistakes and speed processing. The IRS will also compute Earned Income Credit for eligible persons. To apply for this tax benefit, available to parents who earn

less than \$8,000 in 1977 and provided a home all year for their child, individuals should complete Form 1040A to the line indicated.

Planning to go hunting this year? As a Michigan sportsman, you probably know all the gun safety precautions already. But we'd like you to know some heart safety tips too. Hunting in cold weather can put an added strain on your heart. Remember—never hunt alone, dress in several layers of light, warm clothes, rest when you begin to tire, and get help to drag your catch back to camp. We want you back alive. We're the Michigan Heart Association and we're fighting for your life.

WANTED LYNDON TOWNSHIP RESIDENTS

To serve as Election Inspectors for primary in August 1978 and election in November 1978. Please contact Carla W. Cherry, Clerk, 11129 Royce Road, Grass Lake, Michigan 49240, telephone (313) 475-2004.

LYNDON TOWNSHIP

Signed: **CARLA CHERRY**
Township Clerk.

Dated: March 9, 1978.

UFO's NOT NEW HERE:

Close Encounters in Dexter

By Loren D. Estleman

"We are not alone . . ."

That, in case you've spent the last couple of months incommunicado in some deep dungeon, is the publicity tag for the current box-office hit, "Close Encounters of the Third Kind." This motion picture, together with "Star Wars," seems to have re-awakened an interest, which was never really dormant, in the subject of extra-terrestrial phenomena and the possibility that they have visited earth.

Here, at least, is one area in which Dexter was a dozen years ahead of the rest of the nation. March 17 marks the 12th anniversary of the issue of The Dexter Leader which reported upon the first sighting of an unidentified flying object (UFO) in the area. The article, a small item buried at the bottom of the front page, told of "six disc-shaped, star-like blue and green (or red, white and blue, depending upon who reported them) objects" which were seen "flying in a northwest direction, moving left and right in swift, jutting movements" in Washtenaw, Livingston and Monroe counties.

The sightings began at 3:15 a.m. Monday, March 14, 1966, when Dexter Police Officer Robert Runawell saw four of the objects flying in formation, and later, two flying alone. At 4:15 a.m., the Washtenaw County Sheriff's Department asked Dexter Police to investigate a similar sighting at Dexter-Pinckney Rd. At about that same time, a patrol car in Livingston county radioed in its own UFO report.

By the following week, the story had moved up to the lead column on the front page as Frank Mannor and his 19-year-old son Ronald reported seeing an object "pyramid-shaped with blue and white lights on each side and having a pitted-like coral center" hovering above their McGinnis Rd. property at 7:30 p.m. Sunday, March 20.

"Look at that horrible thing!" shouted Ronald, whereupon the lights went out and the object disappeared. Soon afterwards the object was said to have been seen again in a nearby valley, followed by "a weird sound like a bullet ricocheting off a rock," heard over Mannor's house.

Mannor's was one of 14 sightings reported that Sunday. On Thursday, March 31, 90 percent of the Dexter Leader's front page was devoted to reports of further sightings, including photographs taken of the UFO's by Officer Runawell. Dr. J. Allen Hynek, world-famed UFO investigator for the U.S. Air Force, was pictured conferring with Air Force officers in Chelsea. A CBC unit from Montreal, Canada arrived to televise one-minute spot interviews with many of Dexter's citizens. "Look" and "Life" magazines were represented, as were reporters and photographers from newspapers and press services across the country.

"I wasn't no hulla-balooshuns," Frank Mannor was quoted as saying in an interview published in "Life."

It was at about this time that Dr. Hynek, when asked during a press conference for his explanation regarding the sightings, frowned, re-adjusted his spectacles, and pronounced two fatal words which nearly cost him his scalp:

"Swamp gas."

Not since Marie Antoinette said "Let them eat cake" had such a simple statement caused so great a furor. Farmers and hunters who were familiar with the eerie, reflective qualities of the methane gas which some swamps emit insisted that the objects they had seen winging their way through the early-morning and evening air were as solid as Hynek's head. It wasn't too long afterwards that the skeptical doctor, faced with overwhelming evidence in support of the UFO theory, became a believer, and as a result was dismissed from his duties by the Air Force. It seems that the Air Force was worried that the "enemy" might use the sightings to frighten the United States into submission.

UFO witnessings began to slack off during the waning days of March, but public interest continued to mount. The Sunday, April 3 edition of The Detroit Free Press featured one of Runawell's photos three days after they had appeared in The Dexter Leader and The Chelsea Standard. "Life" magazine ran a story about a Frank Mannor nobody recognized. "Time" magazine identified Dexter as the "lonely hills northwest of Ann Arbor."

For a brief period, then, the eyes of the nation were fixed upon Dexter. It was not to last; once the sightings had ceased, other events of national importance were quick to shove a farming community of approxi-

mately 2,000 residents out of the limelight. But the sightings are part of public record, and can be found buried in the ever-swelling files of the U.S. Air Force's UFO research. There is even a possibility that Dexter will be included in Jaci Webb's new documentary television program based upon those files.

The nation has done a lot of growing up in the past 12 years. Pyramid Power and ancient astronauts are discussed in the most intellectual circles. The supermarket is a highly saleable commodity, with more money going for items which support the bizarre than for those which seek to debunk it. Although UFO sightings are still laughed at in some quarters, the laughter isn't quite as loud as it once was. Dexter may not be able to take the credit for this revolution in modern thinking, but it can consider itself a pioneer who had the courage to speak out in the face of public ridicule. Where it led, others followed.

What was it that visited the area in the spring of 1966? Aliens from another planet? Observers from our own future? Atom-age spooks? The question remains unanswered. "Flying Saucers," "Unidentified Flying Objects," "Extra-terrestrial Phenomena"—call them what you will, of all the exotic places to be found on earth, they chose to come down in Dexter. Maybe they were after apple cider.

Fuel, Weight Tax Revenues Increase

Gasoline sales in Michigan edged up 2.7 percent in the last quarter of 1977 compared with the same three months a year earlier, the State Highway Commission has reported.

The small increase—less than half the 6.1 percent growth between the same quarters of 1976 and 1977—probably reflects increased registrations of lighter weight automobiles and improved engine performances. The number of motor vehicles registered in Michigan rose by about 270,000 to a record 6.14 million from mid-1976 to mid-1977.

Revenues from the nine-cent-a-gallon gas tax totaled \$103,171,539 in the October-December quarter last year, an increase of \$2,878,323 from the comparable period of 1976. In the same period, the seven-cent-a-gallon diesel fuel tax produced \$8,106,982, up by \$508,036, or nine percent, accounting for an over-all three percent increase in motor fuel tax revenues.

Weight taxes from the sale of license plates to resident motorists totaled \$28,282,586, an increase of \$2,128,913, or 8.1 percent. The great bulk of license plate sales takes place between Jan. 1 and March 31, the deadline for license plate renewals.

Fuel and weight taxes, plus interest earned and miscellaneous revenues, produced \$142,516,379 for Michigan's Motor Vehicle Highway Fund, an increase of \$5,589,773, or 4.1 percent.

Proceeds are being distributed to the state, the counties and the municipalities after deductions of \$13,549,476 for various grants and collection costs.

These include \$1,280,086 to the State Waterways Fund, \$5,621,963 to the General Transportation Fund for bus and rail programs and \$6,397,843 for collection costs.

Of the \$128,966,902 being distributed, the Department of State Highways and Transportation received \$57,449,921 as its share for

the state highway system. The 83 county road commissions will collect \$48,217,967 as their portion and the 531 municipalities \$25,589,013.

The amount distributed to Jackson county during the fourth quarter of 1977 was \$835,923, compared to \$804,722 distributed to the county during the same period of 1976. Washtenaw county received \$971,404 during the fourth quarter of 1977, compared to \$927,513 received during the same period of 1976.

Fourth quarter distribution amounts to area cities and villages, compared to the same period in 1976, were \$426,228 to Ann Arbor in 1977, compared to \$406,394 in 1976; \$16,067 to Chelsea in 1977, compared to \$15,355 in 1976; \$7,900 to Dexter in 1977, compared to \$7,550 in 1976; \$6,145 to Grass Lake in 1977, compared to \$5,870 in 1976; \$8,868 to Manchester in 1977, compared to \$8,570 in 1976; \$5,385 to Pinckney in 1977, compared to \$5,043 in 1976; \$19,030 to Saline in 1977, compared to \$17,898 in 1976; and \$100,356 to Ypsilanti in 1977, compared to \$95,988 in 1976.

Pinckney Man Promoted at EMU

David J. Costanza, program analyst in Eastern Michigan University Computing since 1976, has been promoted to co-ordinator of divisional programming in University Computing.

His promotion was approved Feb. 15 by the EMU Board of Regents at its regular monthly meeting.

Costanza, 27, is a 1975 graduate of Eastern Michigan, where he studied economics and computer sciences. He currently is working on a master's degree in administration at Eastern.

A resident of Pinckney, Costanza joined Eastern's staff as a student computer programmer in 1974. He worked as a senior programmer from 1975 until his promotion to program analyst in 1976.

The first labor official to be elected to Congress was Ely Moore, president of the General Trade Union of New York and of the National Trades Union, in 1834, according to the U.S. Department of Labor's "Labor Firsts in America."

Sylvan Township Board Proceedings

Minutes of Sylvan Township meeting, March 7, 1978.

Meeting was called to order by Supervisor Schoenberg with the following members present: Trustees Lesser and Carruthers and Clerk Murphy.

Minutes of the February meeting were read and approved.

Correspondence was read from Wash. Co. Road Comm. regarding the proposed Ridge Road project.

Harry Mertens was re-instated as zoning inspector upon presentation of a letter from his physician.

Notice was received from the Village of Chelsea that the land-fill agreement was terminated because of high cost of operation. The Township will continue to cooperate with the Village in this matter.

Motion by Lesser, supported by Carruthers, to enter into an agreement with Washtenaw County to prepare tax statements as provided previously. Carried.

Motion by Murphy, supported by Carruthers, to appoint J. Raymond Steinbach and Douglas Robinson to fill vacancies on Board of Review. Motion carried. Steinbach is an instructor at Washtenaw Comm. College and Robinson is employed by Hastings Mutual Insurance Co.

Motion by Carruthers, supported by Lesser, to pay bills as presented. Carried.

Use of Federal Revenue Sharing funds was discussed and no new ideas were presented at the meeting in regards to how this revenue is spent.

Ray Steinbach gave his zoning report.

Motion to adjourn.
Daniel J. Murphy,
Township Clerk.

Dexter Township Board Proceedings

Meeting called to order by the supervisor, John Tandy, at 7:30 p.m., Tuesday, March 7, 1978. Members present: John Tandy, Arlene Howe, William Eisenbeiser, Lorenda Jedele, John Miller.

The minutes of the Feb. 21, 1978 meeting were read and accepted.

Moved by Howe, supported by Miller, to write a letter to the Sheriff's Dept. registering a complaint regarding the lack of action in serving warrants in the Shofka, Brooks, Pustay and Boulton zoning violation cases, and a request of a date they will be served. If the Sheriff's reply or action are not satisfactory, then alternative methods should be used to serve the warrants. Carried.

Moved by Miller, supported by Eisenbeiser, that the Dexter Township Board request the Board of Review of Dexter Township to schedule one meeting in the evening. Carried.

Moved by Howe, supported by Miller, to increase the office and mileage budget item from \$300 to \$600, and the fire protection budget item from \$20,000 to \$20,600. Carried.

Moved by Miller, supported by Howe, to pay bills as submitted. Carried.

Moved by Howe, supported by Eisenbeiser, to adjourn. Carried. Meeting adjourned.

Respectfully submitted,
William Eisenbeiser, clerk.

Consumer Price Index Records Sharp Jump in January

Consumer prices rose 0.8 percent in January, the largest increase since February, 1977, the Department of Labor has announced.

"About two-thirds of this rise was due to price increases of 1.2 percent for food and beverages and 0.8 percent for housing," the Department said.

Specifically, the increase for food and beverages was due to higher prices for most types of food purchased in grocery stores, for restaurant meals and alcoholic beverages. "Among grocery store foods, meat prices advanced sharply; poultry, eggs and fresh fruit and vegetable prices also showed large increases."

The first national black labor organization was the Colored National Labor Union in 1860, according to the U.S. Department of Labor's "Labor Firsts in America."

Lyndon Township Federal Revenue Sharing Funds PUBLIC HEARING

A Public Hearing will be held on April 1, 1978, 1:00 p.m., Lyndon Townhall, to hear comments on the intended use of Federal Revenue Sharing Funds.

Total funds available	\$8,775.59
Intended use:	
Chelsea Recreation Council	\$ 700.00
McKune Memorial Library	200.00
Township roads	7,875.59
Total	\$8,775.59

NOTICE OF PUBLIC HEARING

ON ADOPTION OF GENERAL DEVELOPMENT PLAN FOR SYLVAN TOWNSHIP

TAKE NOTICE that the Sylvan Township Planning Commission will hold a Public Hearing on March 22, 1978 at the Sylvan Township Hall, 110 West Middle Street, at 7:30 p.m. on the Adoption of a General Development Plan under the provisions of Public Act 186 of 1959 as amended. All interested parties will be heard. Copies of the proposed General Development Plan for Sylvan Township are on file and available for inspection at the Office of the Sylvan Township Clerk, Daniel Murphy, Chelsea Pharmacy, Main and Middle Streets, Chelsea, Michigan, during regular business hours.

Dated: February 10, 1978.

SYLVAN TOWNSHIP PLANNING COMMISSION

JAMES R. LIEPECK, SECRETARY

Pinchney Area Girl

Completes Marine Corps Recruit Training

Marine Private Karen M. Jones, daughter of Mr. and Mrs. W. M. Broderick French of 3550 W. Main St., Pinchney, has completed recruit training at the Marine Corps Recruit Depot, Parris Island, S.C.

During the eight-week training cycle, she was introduced to the typical daily routine that she will experience during her enlistment, and studied the personal and professional standards traditionally exhibited by Marines.

She participated in an active physical conditioning program and gained proficiency in a variety of military skills including close order drill and first aid. Teamwork and self-discipline were emphasized throughout the training cycle.

A 1977 graduate of Pinchney High School, she joined the Marine Corps in September 1977.

Beaumont-Majors Awarded Third Canadian Contract

Beaumont-Major & Associates has landed its third Canadian contract in little over four months, according to Jerrold F. Beaumont, president of the firm.

Awarded by The Ministry of Industry of the Province of Ontario, the new contract requires the firm to make studies of small and medium sized businesses and industries in Northern Ontario.

Beaumont-Major & Associates will recommend improvements in management skill and/or systems and controls based on their findings.

Beaumont-Major & Associates, and its Canadian affiliate, Beaumont-Major & Associates Canada, Ltd., is a management consulting firm specializing in small and medium-sized businesses and industries.

Gregory Youth Enters Air Force on Delayed Plan

Mark Edward Reilly, 17, has entered the Air Force's Delayed Enlistment Program (DEP), according to his recruiter, Technical Sergeant Judge Allen, of 3003 Weyburn Ave. Mark is the son of Mrs. Patricia Reilly, 15800 Rappke Rd., Gregory.

Reilly's entry into the DEP serves two purposes, Allen said. First, it allows the Air Force to schedule an opening for him to attend basic military training and be assigned to a job or skill area. Second, the DEP enables Reilly to complete his high school education and wrap up personal affairs before commencing four years active duty.

Now is the time to make your garden plans for spring.

"HEY, THAT'S MY DODGE"

'78 Dodge Diplomat Medallion four-door.

You sure hear that a lot lately. Seems a lot of people are finding that Dodge has just the car they're looking for. Like Diplomat. The manageable sized car that's manageably priced, too. And loaded with luxury.

There's luxury you can see. In Diplomat's clean, sculptured lines. And handsome interior appointments. Luxury you can feel. Diplomat is trim, yet underway it feels like a big car... smooth and assured.

And based on a comparison of manufacturers' suggested retail prices... the Dodge Diplomat Medallion four-door is priced less than these comparably equipped cars. Buick Century Limited four-door. Olds Cutlass Salon Brougham four-door. And Pontiac Grand LeMans four-door. When you consider everything Diplomat has to offer, we're sure you'll end up buying or leasing one.

AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU

Life Is A Risk . . .

Looking down the road toward the growing season on the farm, the question of chemicals comes up. And with the Environmental Protection Agency riding herd on every farm chemical manufacturer, farmers wonder which they will be able to use.

Obviously, chemicals pose some risks. But, as one chemical company put it, if we eliminated every substance that might be hazardous under any circumstances, the world would be a barren waste. If we get real technical, nothing can be considered safe; risk is a way of life.

Water is a chemical that is usually considered safe, but the risk of drowning is still there. DDT, used properly, can help control heart disease; used imprudently, it can kill.

So the scientists have modified the word risk and prefer using the term "acceptable risk." This means that a certain degree of risk is permitted because the probability for harm is low or there is no alternative to fulfill the need.

It is an acceptable risk for someone who knows how to swim to go into water. It is not an acceptable risk for a non-swimmer to dive headlong into a deep pool. It is an acceptable risk to eat natural food which contains very small amounts of harmful chemicals. It is not an acceptable risk to pick and eat a wild mushroom if you are not an expert on mushrooms.

It is an acceptable risk to use a toxic chemical substance provided it is safely and properly handled and controlled. It is not an acceptable risk to use just any chemical substance for just any purpose. Gasoline works well in an automobile engine; it is dangerous as a cleaning fluid, as many hospital files can attest. And just as two sleeping pills may be prescribed by a doctor, 20 of them could be harmful to your health.

So the whole point is that there is a risk in everything, but chemicals that are handled properly can be useful tools in almost every phase of our society—and agriculture is an important example. The risk of not being able to use needed chemicals on the farm is high—an insufficient amount of high-quality food for all of us.

Household workers were brought under coverage of the Fair Labor Standards Act for the first time on May 1, 1974. The Act is enforced by the Wage and Hour Division, Employment Standards Administration, U. S. Department of Labor.

Michigan is fourth nationally in both grape and wine production.

DONALD H. KENNEY

Donald Kenney Seeking Probate Judge Position

Donald H. Kenney, Ann Arbor attorney, has announced his candidacy for Washtenaw County Juvenile Probate Judge to fill the seat presently held by retiring Judge Francis L. O'Brien who will not seek re-election because of an age limitation imposed by the Michigan Constitution.

Kenney praised Judge O'Brien as "a dedicated, conscientious jurist who has contributed much to our community and has introduced many innovative programs into the Juvenile Court. I will carry forward with these programs and will seek to improve them to meet the ever-changing needs of our society," Kenney said.

"Several critical proposals are pending in the legislature and courts regarding juvenile and family law. I intend to discuss these issues during the coming campaign. I will seek to apply my 20 years of experience in criminal and family law and general practice in Washtenaw county to finding practical, fair and effective improvements in the sensitive area of our legal system that deals with our most precious asset, our youth. I believe the challenge requires a person of youthfulness, but mature enthusiasm and interest."

Kenney, 45, received a Bachelor of Arts degree in 1954 and a Doctor of Law (J.D.) degree in 1957, from the University of Michigan. Following graduation he was commissioned a first lieutenant in the U.S. Army Judge

Advocate General's Corps, where he served as a prosecutor in Kaiserslautern, Germany, and Chief Defense Counsel, Headquarters, U. S. Army Europe, Heidelberg, Germany. After completing military service as a captain, he returned to Ann Arbor where he has been in private practice for the past 17 years. He was a partner in the firm of Thayer and Kenney, and later a partner with Conlin, Kenney, Green, O'Hagen and Henry. Presently he heads his own office.

Kenney is also a member of the national panel on the American Arbitration Association where he has been active as a professional arbitrator and in dispute settlement procedures, including new programs being developed utilizing arbitration techniques for the resolution of family conflicts and improving and simplifying divorce proceedings.

Kenney is a member of the Washtenaw County Bar Association, the State Bar of Michigan, the American Bar Association, the Association of Trial Lawyers of America, the Michigan Trial Lawyers Association, the American Judicature Society. He is a member of the Probate and Trust Law Section, the Corporation, Finance and Business Law Section, the Family Law and Criminal Law Section of the Michigan Bar Association. He is also a member of the Real Property, Probate and Trust Law, Criminal Justice Family Law and Corporation, Banking and Business Law and Judicial Administration Division Sections of the American Bar Association.

In 1963 he was appointed by Governor George Romney as Washtenaw County Public Administrator, an office connected with the State Attorney General's office involving the probate of special estates and properties. Kenney has been married for 23 years to Carol Laybourn Kenney, a prominent pianist and teacher. They have four children, James, Paul, Laura and Matthew, ranging in age from 6 to 18. They are active members of the First Presbyterian church of Ann Arbor.

Kenney has been involved in many civic, educational, business and professional activities including publishing a newspaper, parent-teacher organizations, Ann Arbor People to People, Ann Arbor Society for Musical Arts, Washtenaw County Council on Alcoholism, Ann Arbor Symphony Orchestra Board of Directors, Charter President, Kiwanis Club of Ann Arbor Southeastern, Ann Arbor Amateur Hockey Association, Greenpeace, Ann Arbor Chamber of Commerce, Ann Arbor Tomorrow, and many others.

The Fair Labor Standards Act is enforced by the Wage and Hour Division of the U. S. Department of Labor. Among its provisions are that learners, apprentices, and handicapped workers and full-time students may be paid special sub-minimum wage rates under certain conditions. Special certificates must be obtained by employers from the Wage and Hour Administration.

Wild Game, Fish Recipe Book Offered By MUCC

"Wildlife Chef," one of the most unusual collections of wild game and fish recipes, is now available in a new, expanded edition, according to officers of the Michigan United Conservation Clubs.

MUCC, the nation's largest state conservation club, has again compiled an outstanding variety of campsite and gourmet recipes featuring trophies of field and stream—many of them contributed by outdoor enthusiasts from every corner of the United States.

Wildlife Chef is conveniently divided into sections devoted to big game, small game, fish, game birds, sauces, breads and desserts—containing, altogether, nearly 400 recipes calculated to delight the most fastidious gourmet as well as the most rugged outdoorsman.

Each section is prefaced with valuable tips on the preparation, storage and cooking of the type of game covered. Some examples:

"Venison should always be served piping hot because deer fat tends to congeal even while it is still warm . . .

"The secret of deliciously browned pan-broiled fish is dry heat—using very little fat in the pan . . .

"It is easiest to 'dry pluck' a game bird when the body temperature is still high—pluck feathers in the same direction they are growing to avoid tearing the skin . . .

"Because small game contains more fat than large game it will not keep in the freezer as long—small game should be cooked within three months of freezing."

Single copies of Wildlife Chef are available at \$3.95 each, postpaid, from Michigan United Conservation Clubs, P. O. Box 30235, Lansing 48909.

We grow almost all of the country's navy beans.

Literacy Council Schedules Workshop

The Literacy Council of Washtenaw County, a group of volunteers to tutor illiterate adults, will hold a training workshop Friday, March 17, 7 to 10 p.m., and Saturday, March 18, 9 a.m. to 5 p.m. in the new conference room at the Ann Arbor Public Library, corner of S. 5th Ave. and E. William St.

Cost for the workshop is \$15 which includes materials for tutoring, for both the tutor and student and the instruction fee.

Persons interested in learning to tutor the illiterate may contact Doris Green at 663-0418, evenings or Betsy Lawrence, 683-8726, also in the evening.

The workshop will be conducted by Mrs. Alice Weber who is a certified tutor trainer.

The first investigation into the relationship between child labor and school attendance was in Massachusetts in 1825, according to a U.S. Department of Labor publication, "Labor Firsts in America."

Area Realtor Designated Brokerage Manager

In recognition of his proven professionalism, Oren F. Nelson, owner of Oren Nelson Real Estate, 9163 Main St., Whitmore Lake, has been designated a certified real estate brokerage manager and certified residential specialist by the Realtors National Marketing Institute in Chicago.

Those eligible for this status have completed an intensive course of study, demonstrated their skills and specialized knowledge, and concluded a comprehensive personal interview conducted by specialists in their field of real estate.

Oren F. Nelson has been in real estate for 23 years and is a member of the Ann Arbor Board of Realtors. He has been active and prominent on several committees on the board and also on

the Michigan Association of Realtors, and represents the Ann Arbor board on the Detroit Metro Council of Realtors.

A life-long resident of the area, Nelson has served as president and secretary of the Whitmore Lake Rod and Gun club, sat on the financial advisory board of the Whitmore Lake Clinic, and is vice-president of the Whitmore Lake Scholarship Fund.

Research is the heart of our continuing fight against heart disease—our nation's number one killer. We're the American Heart Association and we're fighting for your life.

Stand anywhere in Michigan and you are within 85 miles of one of the Great Lakes.

If your water is hard, corrodes pipes, stains fixtures, tastes bad—then nothing in a can, box, or bottle can correct it.

Culligan can.

If the water in your house looks cloudy, stains wash and porcelain, tastes or smells bad, spots dishes or glass-ware, we'll test it for you free of charge.
We'll tell you exactly what the trouble is and recommend the best, most economical way to get clean, clear filtered water.
Water conditioning is our full time business. We are local specialists backed by the world's leading maker of water conditioning products.

CHELSEA VILLAGE COUNCIL PROCEEDINGS

Regular Session, March 7, 1978

The meeting was called to order at 8:10 p.m. by President Wood. Present: President Wood, Administrator Weber, Clerk Neumeyer. Trustees Present: Brown, Chriswell, Patrick, Schaeffer, Sweet. Absent: Schardeln.

Others Present: Police Chief Meranuck, Civil Defense Director Wm. Wade, Richard Barnhill, Harold Rady.

The minutes of the February 21, 1978 Regular Session and the February 28, 1978 Special Session were read and approved.

The meeting was opened as a public hearing on the proposed General Fund Budget for the period ending February 28, 1979.

There was discussion of the proposed 1978-1979 General Fund Budget.

Motion by Schaeffer, supported by Brown, to adopt the General Fund Budget for the period February 28, 1979 as proposed. Roll call: Yeas all. Motion carried.

There was discussion of Village Personnel Policies.

Motion by Brown, supported by Patrick, to reimburse those village employees 100% who presently have over 90 sick days accrued. Roll call: Yeas all. Motion carried.

Purchase of a Service Agreement with Ann Arbor Transportation Authority was discussed. No action taken.

Motion by Patrick, supported by Sweet, to adopt the Salary and Wage Schedule as presented for the 1978-1979 Fiscal Year. Roll call: Yeas all. Motion carried.

Motion by Sweet, supported by Brown, to establish the position of Project and Grant Director for the Village. Roll call: Yeas all. Motion carried.

Motion by Chriswell, supported by Sweet, to approve the annual Tax Systems Agreement with Washtenaw County. Roll call: Yeas all. Motion carried.

Correspondence was received from Finkbeiner, Pettis, and Strout, consulting engineers, providing information regarding permitted additional flow to the wastewater treatment plant.

Motion by Sweet, supported by Chriswell, to approve payment in the amount of \$1,167.00 from the Water Bond & Interest Account to the Detroit Bank & Trust Co. for interest and fees due on the General Obligation Bonds dated March 1, 1959. Roll call: Yeas all. Motion carried.

Motion by Brown, supported by Schaeffer, to approve payment in the amount of \$10,928.00 from the Debt Service Fund to the City National Bank for interest and fees due on General Obligation Bonds dated January 1, 1973. Roll call: Yeas all. Motion carried.

Motion by Schaeffer, supported by Patrick, to approve payment in the amount of \$3,392.65 from the Sewer Bond & Interest Fund to City National Bank, for interest and fees due on General Obligation Bonds dated October 1, 1959. Roll call: Yeas all. Motion carried.

Motion by Brown, supported by Chriswell, to set March 21, 1978

as the date for a Public Hearing in the allocation of Federal Revenue Sharing Funds. Roll call: Yeas all. Motion carried.

Motion by Chriswell, supported by Sweet, to pay ConRail in the amount of \$1,787.53 for moving the signal foundation to permit construction of a sewer forced main at Frper Road. Roll call: Yeas all. Motion carried.

There was discussion of landfill fees.

Motion by Schaeffer to pay bills as submitted. Roll call: Yeas all. Motion carried.

Motion by Sweet, supported by Brown, to adopt a resolution commending Wallace Wood for 19 years of service to the Village of Chelsea in the office of Treasurer. Roll call: Yeas all. Motion carried. Resolution adopted.

Motion by Schaeffer, supported by Sweet, to adjourn. Roll call: Yeas all. Motion carried. Meeting adjourned.

quest of Franchise Realty Interstate Corporation, representing McDonald's, for a variance from the provisions of Section 5.2.6 (Signs) and Section 5.3d4B (Parking Requirements) of Ordinance No. 79. Dae Abrams presented the variance request.

Art Jarve, representing Our Savior Lutheran Church, voiced objection to the proposed variance from the parking requirements of the Ordinance.

The recommendation of the Planning Commission was as follows: 1) The variance from 5.2.6 (Signs) is not necessary because the proposed signs will not be visible from off the property and therefore is not considered a sign according to the definition of "Signs" in the Ordinance. 2) A 15-foot setback variance from provisions of Section 5.3d4B on the North side of the property was recommended since the abutting property to the North is not a residential use.

Motion by Brown, supported by Chriswell, to adopt a resolution denying the variance request of Franchise Realty Corp. as there is not sufficient reasons to grant such a request. Roll call: Yeas all. Motion carried.

A request was received from Zoning Inspector Goltra for an interpretation of the Zoning Ordinance relevant to Section 4.4.4A2 of Ordinance No. 79.

Motion by Chriswell, supported by Patrick, to adjourn. Roll call: Yeas all. Motion carried. Meeting adjourned.

Thomas Neumeyer, Secretary.

RESOLUTION

WHEREAS, THE CHELSEA AUXILIARY POLICE organization has completed 20 years of assistance to the Chelsea Police Department and the community, and

in Saline. Calling their music "very fine sounding," judges in Saline thanked the band and said "the ensemble plays with good musicianship." Warren Mayer, lower left, director of the 7th and 8th grade

bands at Beach Middle school said, "I am proud, happy and looking to the future."

LEGISLATIVE LOG

An Overview of Action on Bills
In the Michigan Legislature
Week of March 6-10

In the Senate . . .

The Senate passed and sent to the House this week a major bill providing more than \$5 million in additional revenue for schools and local governments, primarily in Northern Michigan. The bill increases from 58 cents to \$2 per acre the payment-in-lieu-of-taxes on state tax-reverted lands.

Senate approval was also given to a House-passed bill which would allow people whose cars turn out to be defective to stop payment on the vehicles and to defend in court their refusal to pay, and to a pair of bills aimed at easing arson investigations and co-ordinating efforts to prosecute arsonists.

Final legislative approval was given to a bill establishing vehicle noise limits, but the Senate defeated another bill which would have required motorists to turn on their headlights when their windshield wipers are in use. The full Senate voted to refer to the Senate Appropriations Committee, for fiscal analysis, a bill providing annual tuition grants for students at private colleges and universities.

In committee action this week, the Judiciary Committee reported to the full Senate for debate a bill seeking to decriminalize the use and possession of small amounts of marijuana. The measure, which is identical to one defeated by the House several months ago, would retain the present maximum fine of \$100 for smoking marijuana, but would eliminate the 90-day jail term. Also reported from Senate committees this week were bills to earmark state lottery revenues for education, and to provide tax credits for income taxes paid to Canada.

Among the major measures introduced in the Upper Chamber this week was a bill which would allow local units of government to enact their own anti-pornography ordinances.

In the House . . .

Two bills raising the minimum drinking age in Michigan from 18 to 19 for a trial period of three years won House approval this week. The higher drinking age will probably take effect this December. The measures make it a misdemeanor to give alcohol to persons under 19, to buy liquor if under 19, to lie about age to purchase liquor, or to furnish identification for use by others. The bills cleared the Senate last May. Also passed by the House this

state income tax returns for political contributions. Resolutions setting up special committees to study state hiring procedures and alleged abuses at mental health institutions were also reported, while a series of bills prohibiting the location of Project ELF, the scaled-down Project Seafarer, in the UP were referred to the House Appropriations Committee for study.

From the Governor . . .

Governor Milliken signed several new laws this week, including one designed to avoid a reduction in property tax credits for senior citizens. The new law directs the State Treasury Department to ignore the \$50 federal home heating grants, awarded to Michigan's senior citizens last winter, when computing applicants' eligibility for property tax credits.

Just as a musical drum can be broken if struck by an excessive force, the human ear drum can be ruptured if exposed to excessively loud sounds, according to hearing specialists.

Please Notify Us
In Advance of

Also signed into law were bills enabling local units of government to reduce speed limits to 25 miles per hour on streets within school zones; authorizing the sale of certain lands in the state and transferring other parcels of property; and setting compensation procedures for various county boards of commissioners. In addition, a bill was signed allowing municipalities or counties which operate ambulance services to defray all or part of their costs either by collection of fees or special assessments.

The Governor also presented his Annual Economic Report to the legislature this week, predicting that Michigan's economy will continue to expand, although at a slower rate this year than last. He pointed out that personal income is expected to increase by 9.6 percent, and that the unemployment rate should average 7.2 percent during 1978, one full percentage point lower than 1977.

Chair

Twice a month the AATA Board meets at City Hall to discuss policy matters and make planning and budget decisions.

Large photo:

Ed Pear, an attorney, is Chairman of the Board this year.

The other board members are:

Photo 1- Joyce Chesbrough, a junior high school English teacher.

Photo 2- Robert Bring, a vice-president at Ann Arbor Bank and Trust.

Photo 3- Willie Horton, a hospital technician

Photo 4- William McConnell, an executive at the Ford Motor Company

Photo 5- Cecil Ursprung, the marketing director of a non-profit agency.

Dear Citizens of the Ann Arbor-Ypsilanti Area:

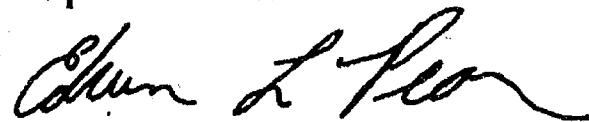

In this annual report the Ann Arbor Transportation Authority highlights our activities of last year and looks to our future tasks. We are indeed fortunate. Our predecessors have done their work well, building a fully implemented bus system from almost nothing in a little less than ten years. Our task now will be to refine and make the system more efficient, balancing passenger needs against available resources. A recently completed survey, now being carefully reviewed, showed that community support for public transit has never been higher, and while most people want improvements, the general level of satisfaction is also very high. Growing ridership on Ypsilanti area line buses and out-county Dial-A-Ride suggests similar results there.

Since 1976 when the implementation of the original TELTRAN plan was completed, the Authority has added several new fixed route services--the Huron River Route linking Ann Arbor and Ypsilanti and providing access to the new St. Joseph Hospital, and routes in Ann Arbor serving the West Stadium, Pontiac/Arrowood, Woodbury and Plymouth neighborhoods. Our plans call for further expansion of neighborhood line routes in Ann Arbor as well as more lines for the Ypsilanti area as local government funding becomes available. Higher frequencies on main arteries like Miller, Huron, Washtenaw, Plymouth and Packard are also projected.

Also in 1977, the Outcounty Dial-A-Ride, providing essential transportation for elderly and handicapped persons, became a permanent part of our regular service. We are now concentrating on bringing more governmental units into this program, which should eventually become county-wide. Combining essential transportation for elderly and handicapped groups with overlapping trips for the general public will result in increased efficiency and lower costs per ride.

The Board in its policy role will ensure that the AATA remains fiscally responsible, and that the services provided are the ones that the public sees as most desirable. As citizen representatives, our role is to translate public demands into ongoing policy for the AATA.

We appreciate the efforts of citizens who provide opinions and data as we discuss policy issues and work done by the staff and employees who see to it that those recommendations result in on-the-road service. We feel that our present plans for the system will help shape it to meet both the present and future transportation needs of our community. We urge you to help us in planning and guiding public transit growth, by making your suggestions and concerns known. Together, we can achieve the goal of a truly balanced transportation system, with buses playing a major role in serving our area's mobility requirements.

Edwin L. Pear
Chairman

About the Board

The Ann Arbor Transportation Authority Board is appointed by the Ann Arbor City Council. Seven citizen members serve five year terms, with one or two of the seats being filled each year. Current members include a local attorney, a junior high school teacher, a bank vice president and a hospital technician, an executive at Ford Motor Company, and the marketing director of a non-profit agency. They meet twice a month at Ann Arbor City Hall to discuss policy matters and make decisions about the budget and planning for future service. The public is welcome at the meetings, on the first and third Wednesdays of each month, and time is set aside at the beginning of each meeting to listen to comments from the audience.

get you there

In this report we highlight the achievements of the past year. There are many—ridership growth; significant expansion of specialized service for the elderly and handicapped; institution of service standards to measure our performance; and a comprehensive survey of community attitudes which shows a high level of public support and satisfaction with the transit system. We celebrated completion of our fixed facilities as well, with the hope that relatively modest additions to the present plant will suffice for many years to come. We completed the fiscal year with more customers, more service, greater reliability and stronger public support than ever before.

Funding considerations assumed the dominant position in our thinking this past year. Wage and salary costs, which constitute sixty-one percent (61%) of our spending, are rising faster than income sources under our latest labor contract. That contract was settled only after a work stoppage and intervention of the Michigan Employment Relations Commission. The Board took an important step in raising fares ten cents so that income might more closely follow the inflationary trend.

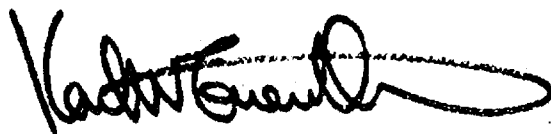

Funds from local governmental units, other than the City of Ann Arbor, increased dramatically as our services beyond the city limits grew. However, we have not been similarly successful at State and Federal levels, and we face the months to come with uncertainty as to how much increase there will be in these important funding sources. A final sobering observation is that we incurred a \$200,000 deficit in our operating fund for Fiscal Year 1976-1977, which required additional Federal funds to offset.

***“ We have reached a limit
in our ability to expand
and offer new services,
unless our funding from
all sources is increased.”***

All of this does not necessarily mean a bleak future for public transit in our area. It does mean slower growth rates and a careful look at income sources. We have reached a limit in our ability to expand and offer new services, unless our funding from all sources is increased.

Since 1973 AATA has firmly established a reliable, well-used public transit system in the Ann Arbor/Ypsilanti area. We must not be satisfied with this achievement, however. There are many unmet needs for public transit throughout the county. Many of us still hold to the vision of vastly increased transit ridership in the ten to fifteen year future. In the past, community action has been the key to achieving public transportation goals. I firmly believe that this is still true, and that through concerted community action we will secure the funding we need—at Federal, State and Local levels—to move transit ahead in this next year and the years to come.

Karl W. Guenther

Executive Director

Karl Guenther has been Executive Director of the AATA since August of 1973. In that time, the number of riders has tripled, and the amount of service has increased to 4420.5 hrs. a week.

Football Shuttle

One exciting cooperative effort in 1977 was a shuttle service from Weber's, Holiday Inn/West Bank and the Ramada Inn, before and after each home football game. The city provided space next to the west entrance of the Stadium to park up to three buses, and the motels provided tokens to their guests. Others could board for 25¢ after parking at the motels. Police directing traffic gave priority to the shuttles to speed their travel through the pre- and post-game traffic, and by the end of the season, the buses were packed with game-goers avoiding the hassles of driving. We will be expanding this popular service for the 1978 Wolverines' Season!

***"...Michigan football fans...
enjoyed this easy,
convenient way to and
from the games."***

Robert Hacker
Conference
Servicing Chairman

Christmas Park And Ride

At Christmastime the Chamber of Commerce arranged with the University of Michigan to allow general public parking at the lot at the old St. Joseph Mercy Hospital. Once a person had paid the parking fee, they were given two tokens to be used to get to and from their shopping. The Washtenaw Bus, the Plymouth Bus and the downtown Circulator (evenings) ran next to the lot.

The Football Shuttle, a cooperative effort with the westside hotels and the Ann Arbor Conference and Visitors Bureau, carries football fans to the Michigan-Ohio State game.

e cent fare.

Our Fare Deal

What's the deal? In the past year, the average car owner spent \$3,000 just to keep his car on the road. And that didn't include parking—a major expense these days.

What's the alternative? For only 35¢ you can use the Ann Arbor Transportation Authority system to get anywhere in Ann Arbor. Or, if you live in Ypsilanti, a line bus will take you most places in your city. And for 70¢, you can get almost anywhere in Ypsilanti from Ann Arbor, or anyplace in Ann Arbor from Ypsilanti.

How much of a savings is it? For the cost of running an automobile, you can take 8,571 trips at 35¢ apiece. That's 23 trips a day, each day for a whole year! Even at 6 trips a day, the difference between taking the bus and using your car is \$2,233.50. A difference we think, that only makes sense...and saves dollars.

Passes—Our Great Deal

You can save one third or more on the cost of fares by buying an individual monthly pass. If you are a twice-a-day commuter, you spend about \$15.05 a month in 35¢ fares. By paying only \$10 for an unlimited use individual pass, you save \$5.05, or about one third the straight-fare cost. You save even more if you ride the bus on weekends or simply make more than 29 one-way intown trips in a month.

***“I like the convenience
and the savings of a
monthly pass!”***

Similar savings are available to households in the form of purchasing a pass for \$15 a month. With this pass, a household member can make a trip individually, or several members making the same trip can board the bus together.

Normally, passes are purchased at our office at 3700 Carpenter Road. During 1977, we offered our riders the opportunity to buy passes downtown. The response to this special two-day sale was overwhelming, encouraging us to plan another one in early 1978.

An illustration of several ways to pay for your ride—35¢ exact change, an individual monthly pass, and a household monthly pass.

Many riders took advantage of a special 2-day sale of passes in downtown Ann Arbor.

You ride and make t

he system grow

Outcounty Dial-A-Ride

1977 marked the end of the State Demonstration Grant which had funded the first year of transportation services for the elderly and handicapped in Washtenaw County. The AATA agreed to continue Dial-A-Ride services in those sections of the county where local governmental units were willing to provide a local share of funding to be used for matching funds for getting State and Federal operating money. Washtenaw County and the Area Agency on Aging provided more than half the local funds, and townships, villages and cities which wanted to participate were asked to contribute an amount based upon the use citizens of their area had made of the service in the first year. Outcounty Dial-A-Ride is open to the general public, but senior citizens and handicappers have first priority in making reservations.

Many handicappers, like John Welr, rely on the AATA for transportation.

Neighborhood Routes

As ridership on Ann Arbor Dial-A-Ride grows, there comes a time when all vans are full in a certain neighborhood at certain times. When this overflow pattern continues for a number of months, the AATA tries to accommodate the riders by providing neighborhood routes and line buses running at scheduled times on published routes. These are generally rush-hour services and do not replace Dial-A-Ride. Instead, the routes are run along the paths where the most frequent requests for service have come, freeing the vans to pick up people in more distant parts of the neighborhoods. This year we have added four such lines, one of which was a temporary service while Ellsworth Road was under construction, and the Packard Bus was detoured away from the housing areas along that section of its route.

Other neighborhoods where increasing ridership has led to neighborhood services are the West Stadium area, Pontiac Trail and the Plymouth area.

Here, John works in his office at the Ann Arbor Center for Independent Living.

me sun or snow

Huron River Route

In May, when St. Joseph Mercy Hospital opened its new facility on Huron River Drive in Ann Arbor-Superior Township, AATA was already running regular half hour service on our newest route: the Huron River Route. Following the Huron River Valley between Ann Arbor and Ypsilanti, this new line became the second downtown to downtown link between the two cities of Ann Arbor and Ypsilanti. It serves the new hospital and Washtenaw Community College, as well as the Veteran's Administration Hospital on Fuller Road.

Ypsilanti Service

Ypsilanti has greatly increased its transportation services in the past year. Not only the Huron River Route, but full Saturday service along the Washtenaw Route was added. Now six-day-a-week travel is possible along the main connecting route between Ypsilanti and Ann Arbor. The Northeast, Southeast and Southwest routes run weekdays in Ypsilanti to give most areas of the city line bus service. In addition, in Ypsilanti, Dial-A-Ride service is available, with priority for elderly and handicap citizens.

Buses, rerouted to special "snow routes" during severe winter road conditions, continue serving you despite inclement weather.

If you see this "Detour" sign on a bus stop, call the AATA at 973-0300 for information about the temporary route the bus is using.

It's people power ma

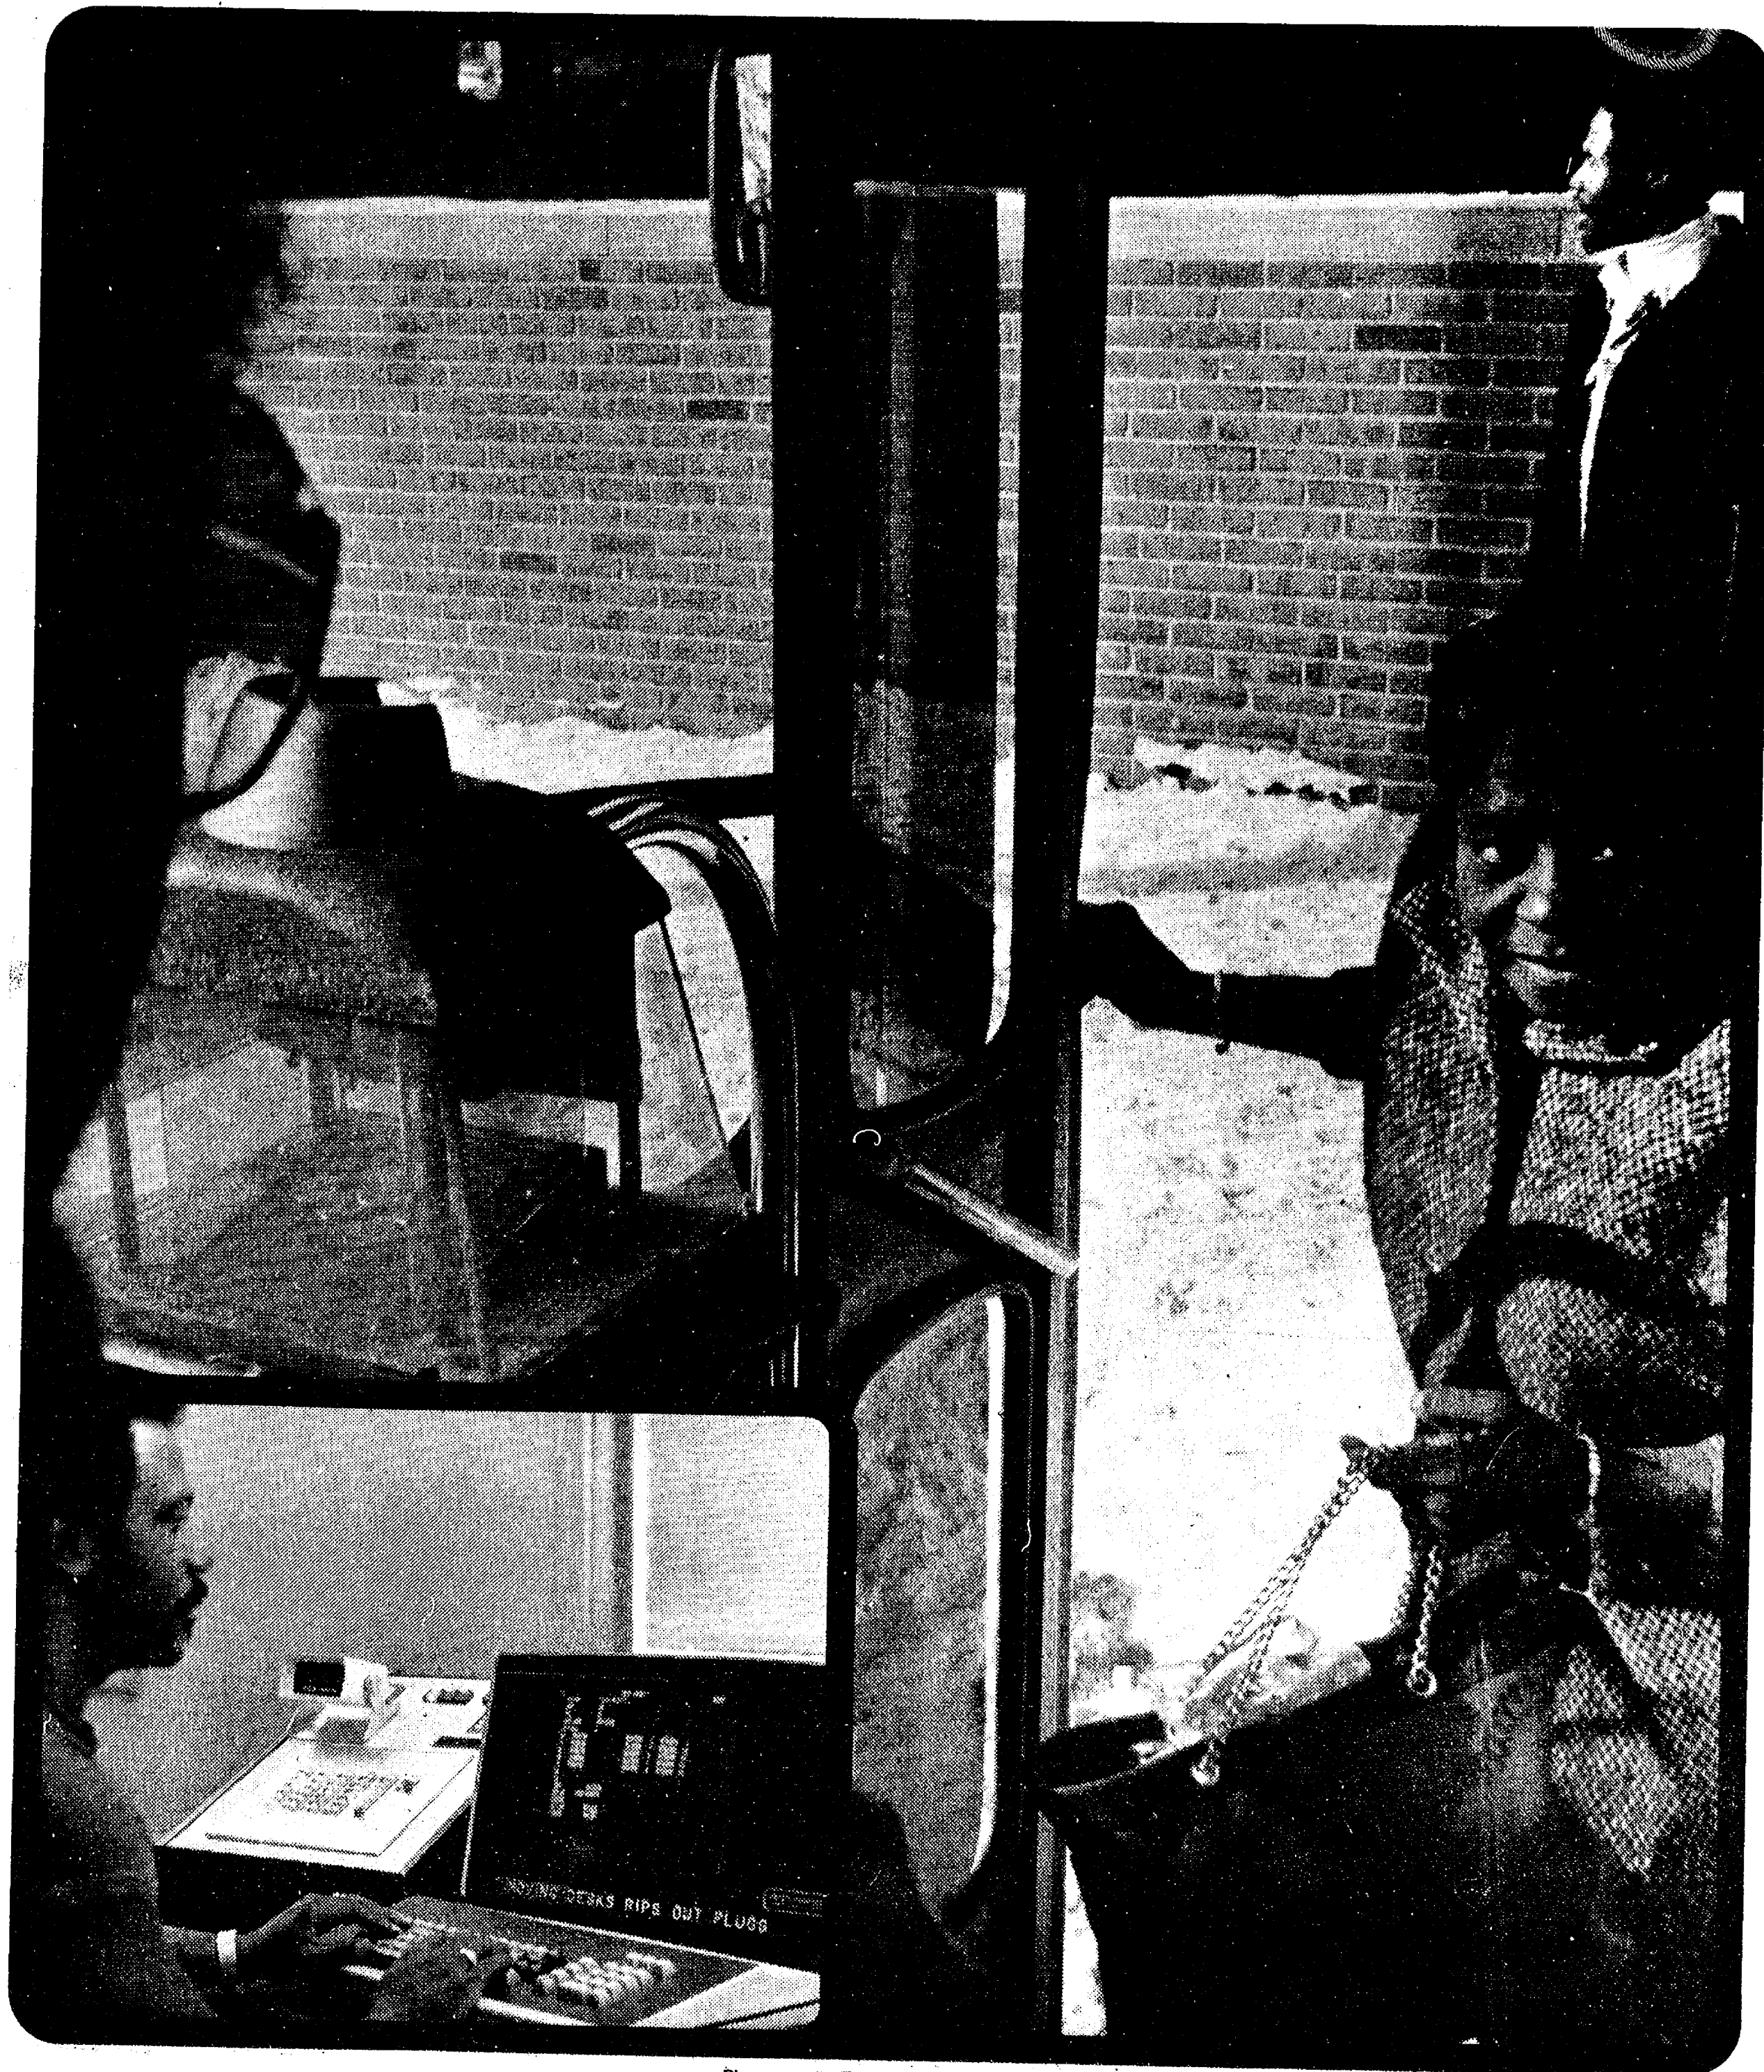

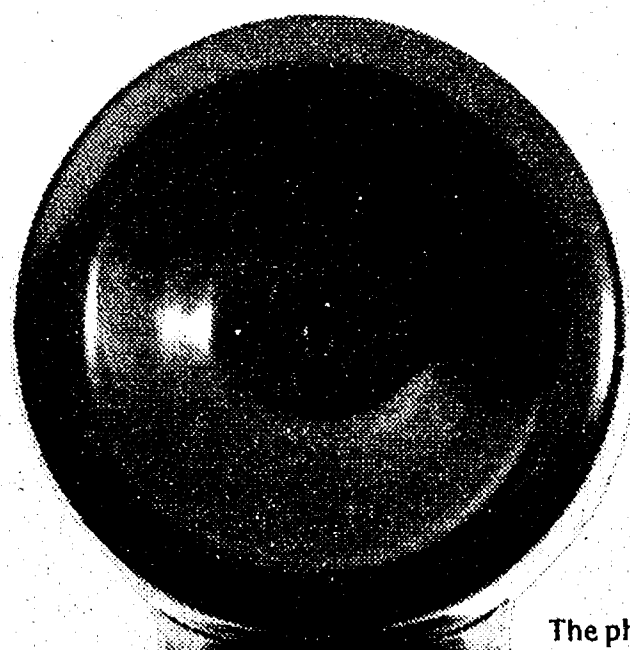

Photo credit: Robert Cameron

How the system works

The phone is the first link in the AATA transportation network. Through it, the rider books Dial-A-Ride trips and receives general information on how to use the system.

Henrietta Feldman is one of our helpful information people. When you call, Mrs. Feldman can tell you which line bus, Dial-A-Ride van, or line bus /Dial-A-Ride combination to use in order to reach your destination quickly.

When you call Dial-A-Ride at 971-1611, a dispatcher takes your call and assigns a van to cover your trip. This information is stored in the computer and retrieved when the van is ready to leave on its tour (schedule of trips).

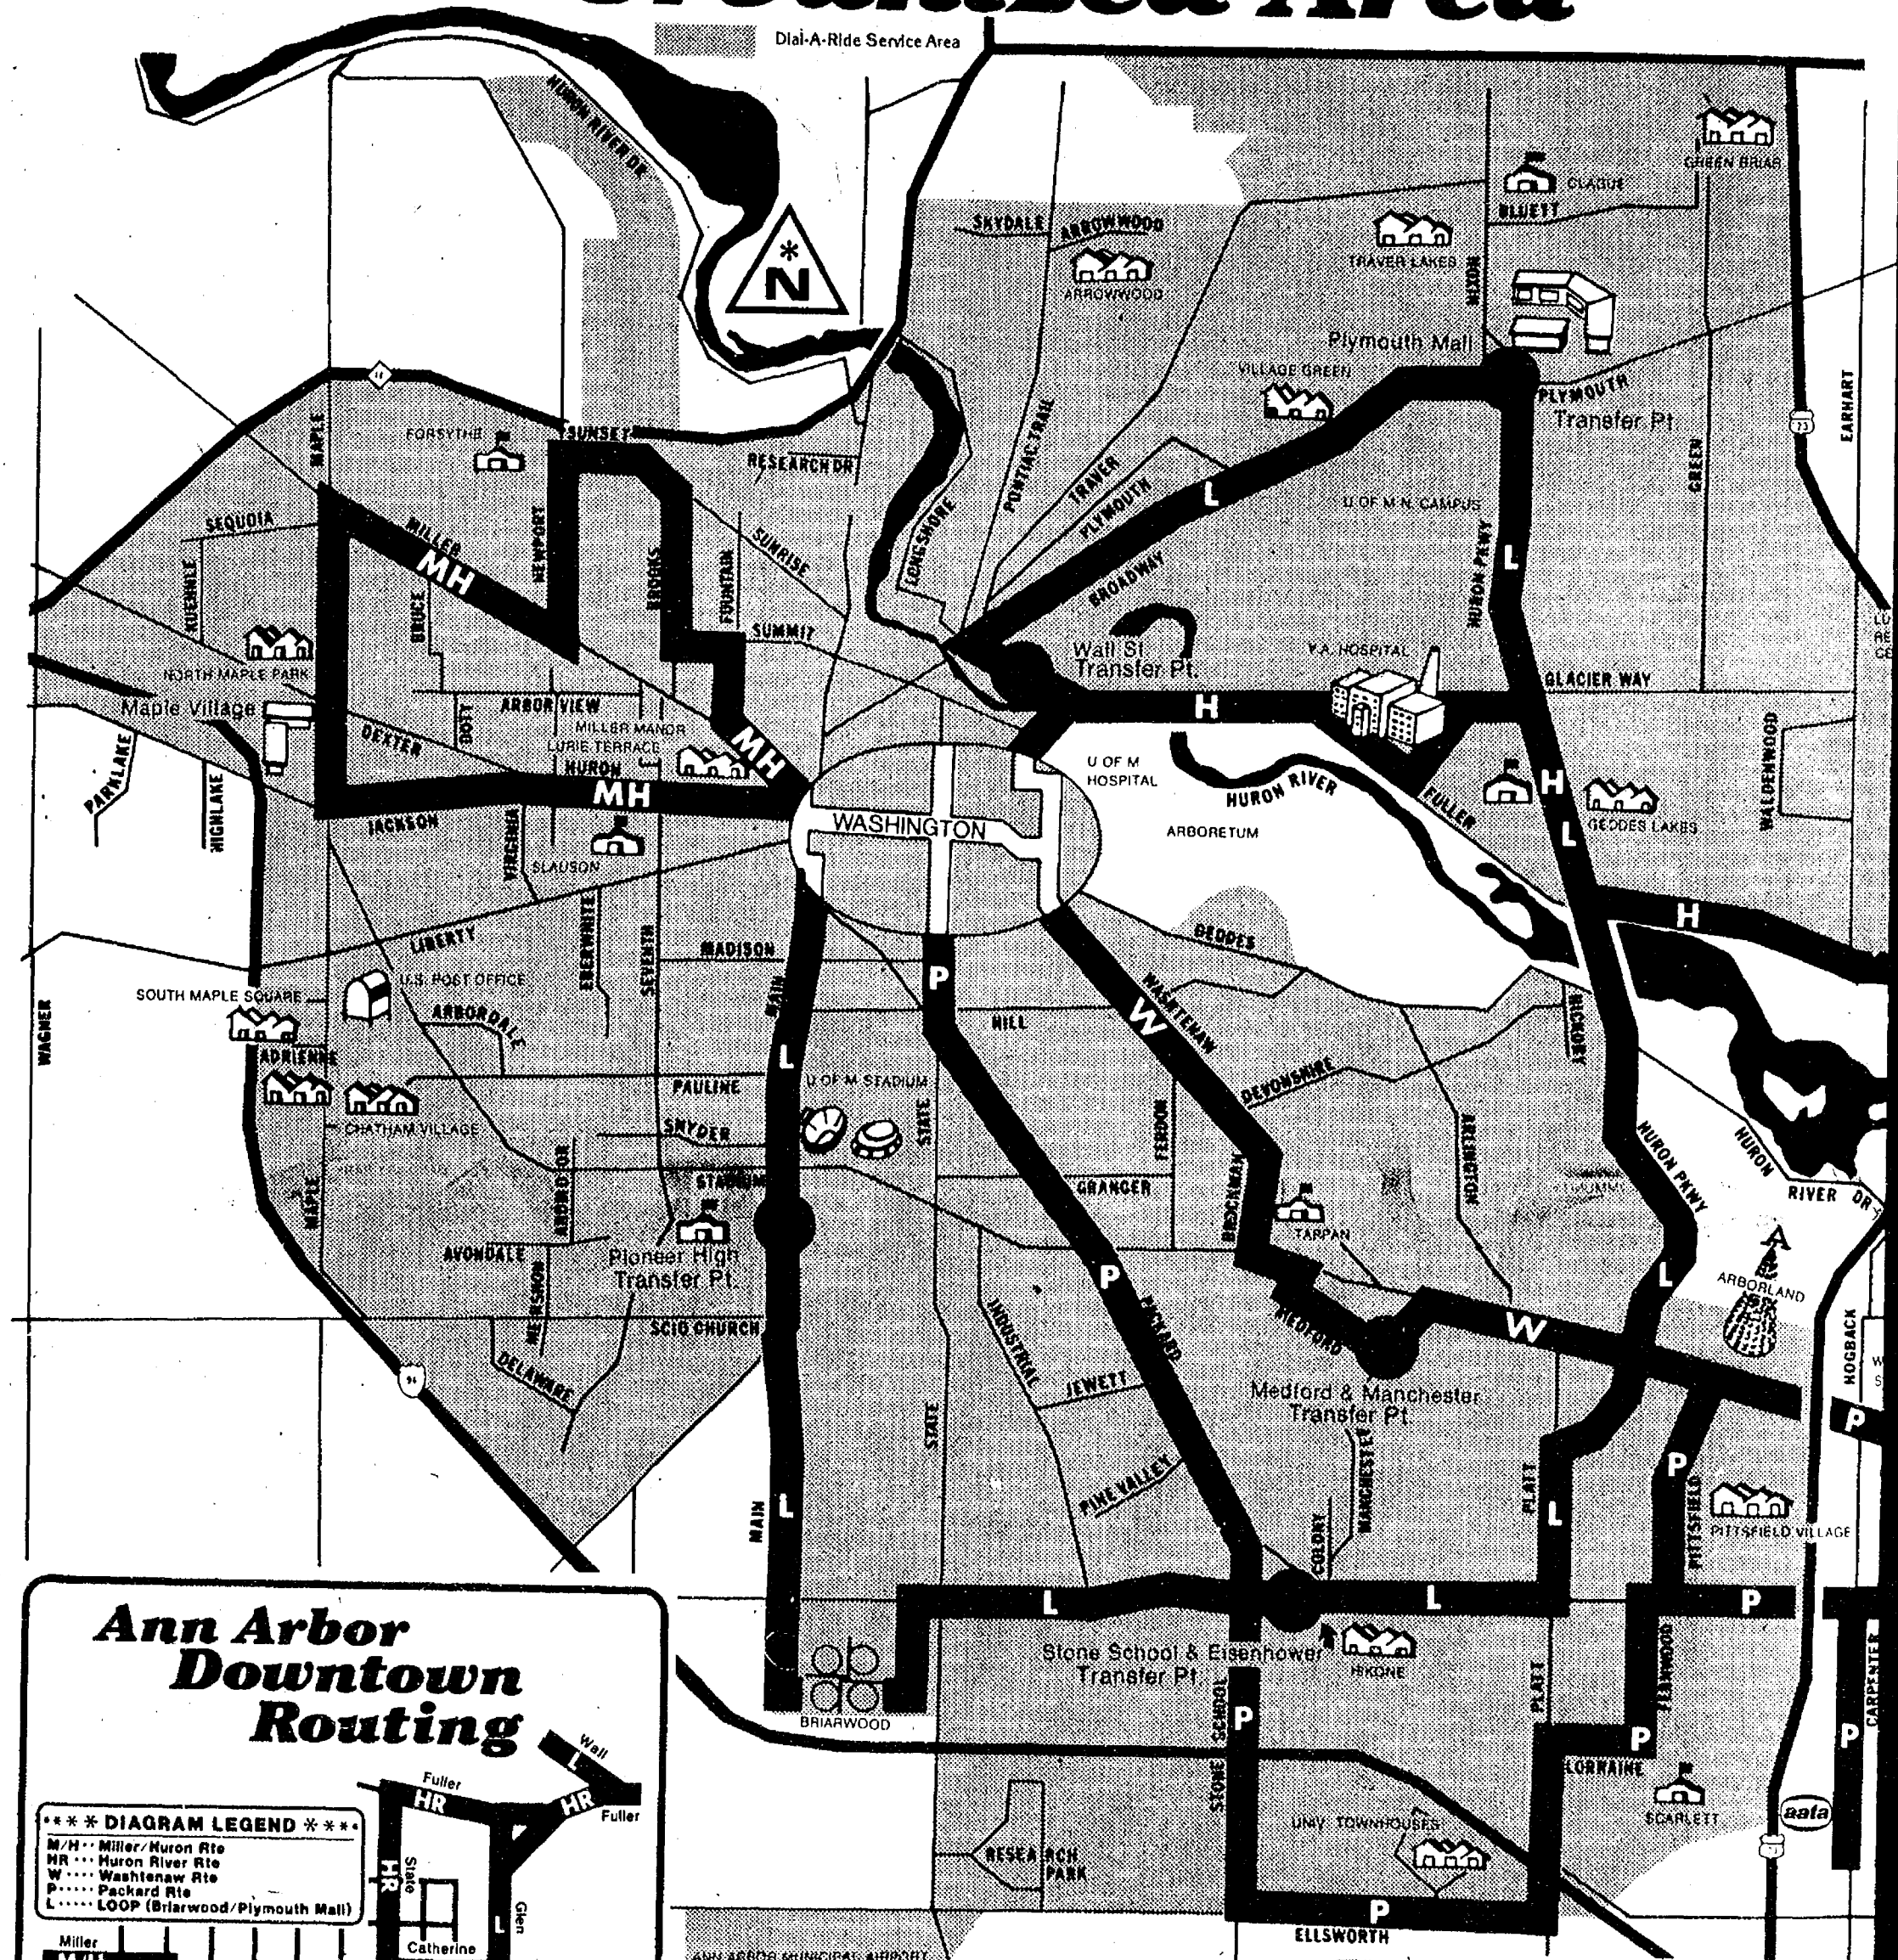

Carol Ernst, one of our friendly Dial-A-Ride drivers, may be the one to welcome you on board.

Keep this section for future reference.

What you need to know

The System

The Ann Arbor Transportation Authority provides service to much of Washtenaw County. Service is available to the township and village, if the township board or village council votes to provide the local share of funding. These funds are used to match state and Federal dollars on a one to one basis.

The maps show where various services are available. **The Outcounty Dial-A-Ride system** provides service to all citizens in the service areas, giving priority to seniors and handicappers. These vans have lifts, so we can pick up wheelchair users. If you want to arrange a trip, call 971-4114 a day ahead of time. The dispatcher will tell you if there is a reservation available at your requested time and, if not, the closest time we could pick you up.

The line buses serve most of the people who live in Ypsilanti or Ann Arbor. There are three routes in Ypsilanti, two connecting Ann Arbor and Ypsilanti, and three routes in Ann Arbor. These routes serve as direct lines to the major business districts, hospitals, schools and work places. Schedules show which streets the buses use and what time they arrive at certain stops and are available by calling 973-0300. The information operators at that number will also help you with any questions you may have about your trip.

Within the city limits of Ann Arbor, a 2.5 mil property tax helps pay for an extensive **Dial-A-Ride service**. Vans assigned to each neighborhood pick people up at home and take them either on short trips within the neighborhood or to the nearest transfer point to connect them with the line buses for fast, direct service to other areas of town. Dial-A-Ride dispatchers for Ann Arbor can be reached at 973-1611, if you want to make a reservation. Please call at least one hour ahead of time. If you need a lift-equipped Dial-A-Ride van, because of handicap, be sure you ask for it when you talk to the dispatcher. At pay phones in Ann Arbor, dialing 973-9000 will return your coins at the end of your conversation with the dispatcher.

Times and Fares

The Outcounty Dial-A-Ride service is available Monday through Friday, 7:30 a.m. to 5:00 p.m. Saturday trips can be arranged, if you call before 12:00 Friday. Saturday service is from 9:30 a.m. until 5:00 p.m. The fare is \$1.00 for a short trip (within a single township, city or village, or to/from a village adjoining a township) and \$2.00 for a long trip (origin and destination cross one or more township boundaries). Handicappers pay half fares (50¢ short trip; \$1.00 long trip). Since part of their fare is covered by a grant from the Area Agency on Aging, seniors are also asked to donate only half the fare.

Line buses run Monday through Friday, 6:00 a.m. to 6:00 p.m. from Ypsilanti; 6:45 a.m. to 6:15 p.m. from Ann Arbor, every half hour. On Saturdays, all Ann Arbor line buses (Miller/Huron, Briarwood, Plymouth, Packard) run from 8:15 a.m. to 6:15 p.m. within the city limits. In addition, the Washtenaw runs to downtown Ypsilanti and the Huron River route goes as far as St. Joseph Mercy Hospital.

Dial-A-Ride operates at all times that the line buses are running and, in addition, operates from 6:45 p.m. until 9:50 p.m., Monday through Friday nights. Sunday service in Ann Arbor is all Dial-A-Ride, from 8:00 a.m. until 6:00 p.m. The fare is 35¢ for a trip within Ann Arbor or Ypsilanti. From either Ann Arbor or Ypsilanti, you can get to both St. Joseph Mercy Hospital and Washtenaw Community College for 35¢. If you stay on the bus past St. Joseph (coming from Ann Arbor) or past Washtenaw Community College (coming from Ypsilanti), you must pay the additional 35¢. You must pay an additional 35¢ if your trip crosses Golfside on the Washtenaw bus. Transfers to a Dial-A-Ride van or another bus are free.

What You Need to Know

If you are trying to catch a line bus, you need to be waiting at a bus stop sign and wave your arm at the driver as the bus approaches. Have the exact fare (35¢) ready when you get on, since the driver cannot make change. If you have a pass, show it then, too. Sit down quickly so the driver can start safely. Please remain seated during your trip. Relax, read, enjoy the ride. And remember—the safest drivers are the ones who are concentrating on their job. Please don't distract them with jokes or unnecessary conversation. It's not that they wouldn't like to talk with you—it's just that they need a quiet atmosphere in which to work. So, please keep the volume down, both when speaking to other passengers and on any radio you may have with you.

We like you to use our bus system for shopping, but because of the other passengers, we cannot accommodate large packages on the bus. Also, only bring on as much as you can carry by yourself. Assisting passengers on and off the vehicles would considerably lengthen the trip for everyone concerned. As you approach your stop, pull the buzzer cord (only once, please!) about half a block away to let the driver know you want to get off. Exit by the rear door, so passengers getting on can do so quickly.

If you need a transfer, ask the driver. She/he will give you one marked for the time that the next bus or van is scheduled to arrive. You cannot wait for another bus, or your transfer will not be valid. The fare covers one continuous ride, and if you take time out to go buy something, you must pay the 35¢ again.

If you are using Dial-A-Ride, you must be waiting by the door, ready to go. The driver can only wait sixty seconds for you, since the vans must get back to the transfer point in time to meet the line bus.

Service Standards

The Ann Arbor Transportation Authority Board has adopted a set of service standards which tell you what can be expected from us as standards for normal operations.

1. AATA telephones shall not be busy more than 5% of the time.
2. 95% of the time, callers will not have to wait more than 3 minutes to speak with an operator.
3. Dial-A-Ride trips should be arranged at least one hour before needed.
4. The arrival time for a Dial-A-Ride van shall be a ten minute interval. No more than 5% of the time shall the van arrive later than this interval.
5. 95% of all coordinated transfers shall be completed without the customer waiting outside a vehicle.
6. 90% of all trips shall be completed within a certain length of time as follows:
 - a. 30 minutes for a trip within a neighborhood.
 - b. 40 minutes for a trip from a neighborhood to downtown.
 - c. 60 minutes for a cross-town trip within Ann Arbor.

These are for NORMAL operations. Standards are waived during emergencies such as extreme weather conditions (snow, ice, wind, rain, etc.), special events or civil emergencies, system-wide failures such as radio, telephones or electricity, or other unforeseen or uncontrollable disruptions.

Other Services

For regular riders, we offer a **pass** which can be bought, instead of paying fares each time. The passes are \$10.00 per month, a \$5.00 saving over cash fares. Call 973-0300 for more information. The passes are good for unlimited travel within either Ann Arbor or Ypsilanti, for a calendar month.

For Ann Arbor handicappers, we offer a **lift equipped van**. Call the regular Ann Arbor Dial-A-Ride number, 973-1611 for information.

For special trips, we offer **charter services**. Call 994-2895 to find out if we have the buses available.

Ann Arbor Transportation Authority

akes us go!

I.S.R. Survey

In February of 1977, the Institute for Social Research conducted an extensive survey of 1,200 Ann Arbor Residents to find out what impact the Ann Arbor Transportation Authority had had on their travel patterns. Each respondent spent almost an hour answering 600 questions about how they got to work, school, shopping and so on; whether they used the buses for these trips; what they thought some of the strengths and weaknesses of the service were; and whether they would support continued AATA services. The results of the survey show an overwhelming support for public transit in Ann Arbor, strong acceptance of the Authority's innovative mix of Dial-A-Ride and line bus service and re-affirmation (by a margin of over four to one) of the Ann Arbor citizens' willingness to support transit through a local property tax. The massive data banks and thorough analysis of that information will be useful to the community in general and the AATA Board in particular in making well-informed decisions based upon how the Ann Arbor residents feel about bus services. The survey will also be useful as a reference point for future surveys.

"In general, public transit in Ann Arbor is considered to be an important public activity which offers good service."

Institute for Social Research

Service Standards

The AATA is one of the few agencies in the country to have written standards for the quality of service that we provide. In the past year we measured the service that was actually being provided against the standards that had been set. We succeeded in keeping down the number of busy signals people get when they call the AATA, and in getting people to their destination quickly after they got on the bus. The picture was not all positive, however. Too many people had to wait a long time for someone to answer their call, and a large minority of Dial-A-Ride vans did not show up at predicted times. The results of these standards are helping guide the AATA Staff as they work to improve current service.

The AATA couldn't go very far without you, the riders who have made us "an important public activity."

When you call Dial-A-Ride at 971-1611, a dispatcher takes your call and assigns a van to cover your trip. This information is stored in the computer and retrieved when the van is ready to leave on its tour (schedule of trips).

We're getting better

day by day

Safe Drivers

In 1977 the Ann Arbor Transportation Authority accident rate dropped 14.3% from 1976. We were already well below the national average of 55.53 accidents per million miles of operation, and this drop brought us to 38.3 accidents per million miles of operation, 31% below most other bus systems.

Most of the credit goes to the Motor Coach Operators who are exceptionally skilled at defensive driving. The efforts of the training staff and our internal Defensive Driving course helped the drivers achieve this record. The program combines parts of the Greyhound training program, trucking industry and other professional driving training. New drivers go through a five to six week course on basic vehicle skills and operation of buses under all kinds of conditions, along with teaching the routes and zones themselves. There is a very low student to instructor ratio, too.

After drivers have some experience on the road, they take an eight to ten hour defensive driving course. There is a section which is specifically directed to transit bus operators which emphasizes developing a professional driving attitude.

Our Accident Review Board discusses each accident involving an AATA vehicle, and decides whether it was preventable or non-preventable. Special counseling is provided to drivers involved in preventable accidents.

All drivers who work a full year without a preventable accident receive our Safe Driver Award. This year, 72 drivers received badges, which identify them as "SAFE DRIVERS", and \$50 in cash.

The AATA Staff and drivers have put a lot of effort into making it better on the bus through our increased safety efforts. The dramatic 14.3% decrease in accidents is a rewarding sign that we are achieving that goal.

Plaques, and a \$50 cash award, are given to drivers without a preventable accident during the calendar year.

Bus Facilities

A major capital improvement program finally came to a close in 1977. Construction of the bus garage and storage facilities at 3700 Carpenter Road was completed, and an open house was held to celebrate. All cleaning, maintenance and repair work on the buses and vans is done here, so a new bus washer and preventive maintenance bay, as well as a new machine shop were built as part of the capital improvement program.

Bus Stop Signs

To make catching a bus easier for riders, we began a program of installing bus stop signs along every route. Most signs are in place, and when the crews finish installations in early 1978, we will begin a policy of only stopping at marked spots to pick up passengers. To make boarding more convenient in downtown Ann Arbor, an exception to this policy will be each corner between Fourth Avenue and State Street.

New Transfer Point Construction

In addition to the sign program, we began construction on three new bus transfer points. Space for vehicles to pull off the roadway while passengers get on and off and shelters for waiting passengers are included in the Federal grant which financed these improvements.

Cliff Elam, AATA mechanic, helps to ensure a prompt and safe trip for all riders by keeping the coaches and vans in good working order.

Russell Howard sees to it that the buses stay clean for the passengers.

AATA employee, **Gus Georginis**, makes sure the buses are filled and ready to go.

Lawrence Harman, Lead Mechanic, discusses a vehicle's electrical problem with mechanics, Kwang Hur and Cliff Elam.

u will say...

Future Plans

The Ann Arbor Transportation Authority is working on bus service for the future. Some plans look ahead as far as 1990, although the most detailed ones are for the next five years.

During that time, the Ann Arbor Transportation Authority would like to extend line bus routes to Dexter, Saline, Dixboro and other communities in the area. Expanded service hours for Outcounty Dial-A-Ride are also planned. Inside Ann Arbor, Authority planners see expanded neighborhood line bus service, higher frequency service on main lines and a downtown circulator bus as the priorities for the next few years.

***“ Our goal is better mobility
and an improved
environment for the
community.”***

In addition to more bus service, passenger amenities concern us. Plans for a downtown Ann Arbor bus terminal have been in process for about a year, and almost fifty new passenger shelters will be put up in the near future including a large shelter in downtown Ypsilanti.

Park and Ride

One way to ease the parking situation in downtown Ann Arbor is to have drivers (especially commuters) park in lots on the edges of town and bus them in. This idea is called “Park and Ride.”

Ann Arbor Transportation Authority planners are currently surveying commuters at downtown parking garages to see if park and ride could work in Ann Arbor. If there is enough interest, they will look for the best parking lots to use and the best way to run buses downtown. This will result in easier access to the downtown area for shoppers.

The Staff

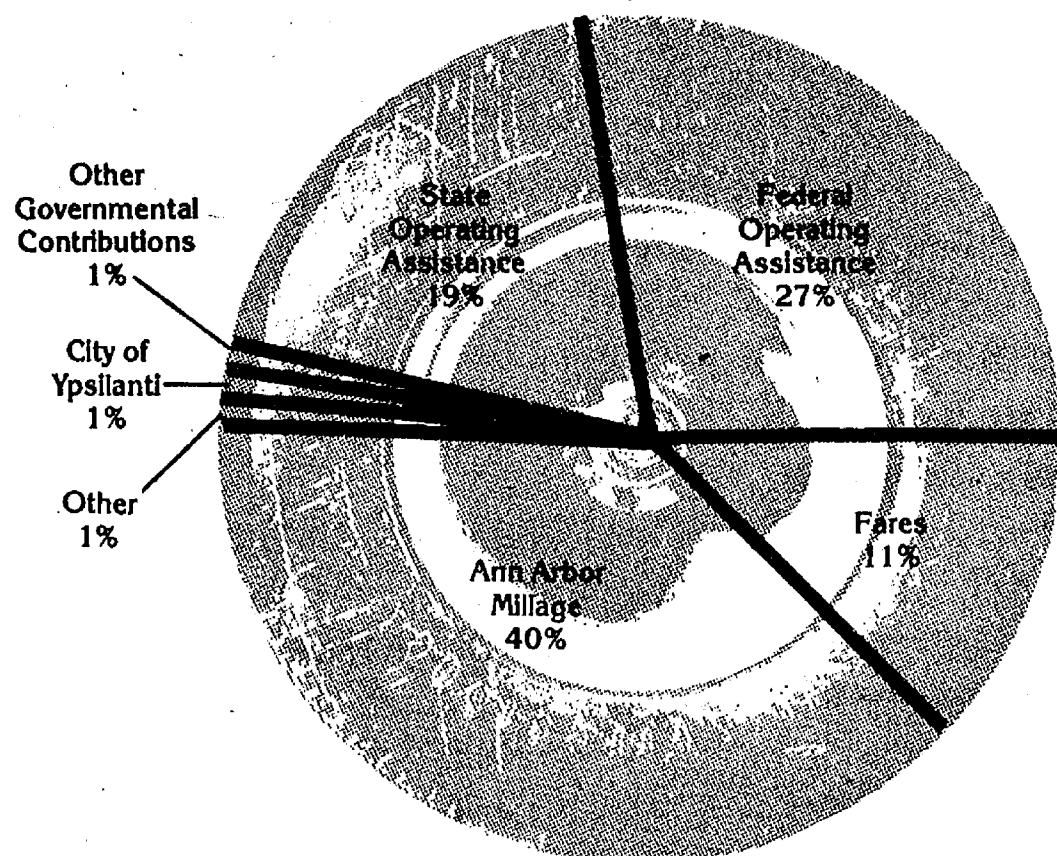

The AATA is proud of staff members who have progressed to management positions. Many of them are young; most have professional training in their area.

Lead Dispatchers are our first level of supervision in Operations. By supervising the activities of M.C.O.'s and Dispatchers and by making the decisions necessary for the minute-to-minute operation of the system, they play an essential role in providing the best possible service to the community. The Operations Supervisors, in turn, coordinate the work of the Lead Dispatchers and monitor the overall performance of the system. Our Customer Service Representative is a Lead Dispatcher, specially assigned to help customers use our service, handling specialized information, lost articles, complaints and suggestions.

Other staff in financial, administrative, planning, training and public service areas see to it that the AATA functions smoothly as an organization and that the public is kept up to date on our current service and future plans.

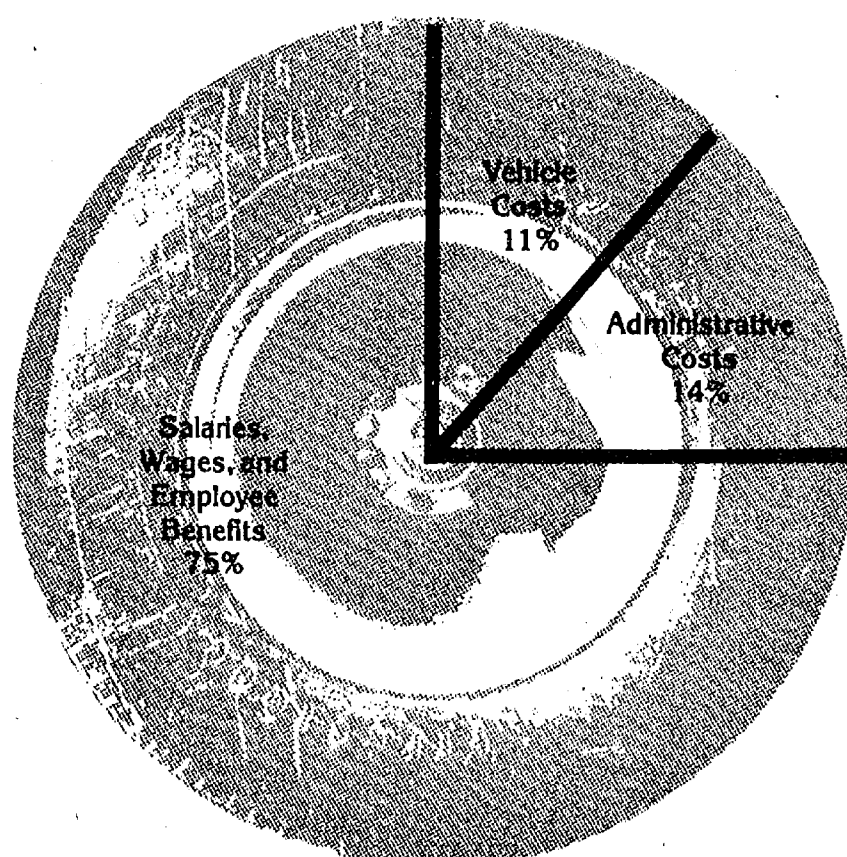

The entire staff is concerned with providing better transportation to the entire AATA service area, and they often take special courses or training to improve their skills in various professional areas. This professional approach to management has resulted in better organizational structure and a more efficient system as a whole.

Financial Highlights

Income

Fares	\$477,314.00
Other	\$39,512.00
Ann Arbor Millage	\$1,764,577.00

Expenses

Salaries, Wages, and Employee Benefits	\$3,482,048.00
Vehicle Costs	\$492,136.00
Administrative Costs	\$635,279.00
TOTAL	\$4,609,463.00

The AATA budget for 1976-1977 was \$4,609,463, an increase of nearly 1,000,000 over Fiscal 1976, and reflected the increased service provided with line routes and Outcounty Dial-A-Ride. Ridership increased 19% over the same period, reaching 2,155,000 trips (see chart below).

Recognizing the increasing costs, the Board voted a 10¢ per trip fare increase that went into effect December 1977. Fares, however, are not the main source of revenues (see charts at left).

Dial-A-Ride Service Area: Ann Arbor 21.8 sq. miles
Outcounty 576 sq. miles

Total Annual Passenger One-Way Trips: 2,155,155

Total Annual Miles Operated: 3,010,663

Total Annual Hours Operated: 215,601

Productivity (passengers per vehicle hour): 10.0

Employees (active): 232

Vehicles: 101

Farebox Revenue: \$477,314

Cost per Passenger Trip: \$2.14

To the Members of the Board
Ann Arbor Transportation Authority
Ann Arbor, Michigan

We have examined the accompanying combined balance sheets of the Ann Arbor Transportation Authority Operating Fund and Service Agreement Escrow Fund as of June 30, 1977 and 1976, and the related combined statements of income, changes in contributions and deficit and changes in financial position for the years then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures, including those prescribed by the state treasurer, as we considered necessary in the circumstances. These combined statements were prepared from the separate statements of the Operating Fund and the Service Agreement Escrow Fund previously issued, along with our opinion thereon, dated October 17, 1977.

In our opinion, the combined financial statements mentioned above present fairly the financial position of the Ann Arbor Transportation Authority funds at June 30, 1977 and 1976, and the results of operations and changes in financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

Icerman, Johnson & Hoffman

NOTES TO FINANCIAL STATEMENTS
June 30, 1977

NOTE 1. Significant Accounting Policies

The Ann Arbor Transportation Authority is a non-profit Michigan corporation. Its purpose is to provide a mass transportation system within and beyond the corporate limits of the City of Ann Arbor.

The accounting policies relative to the carrying value of inventory and plant and equipment are indicated in the captions on the balance sheet. Depreciation is computed by the straight-line method over the useful lives of the assets.

The Authority uses the accrual basis of accounting, recognizing all revenue when earned and all expenses when incurred.

NOTE 2. Grants Receivable

The Authority recognizes amounts due under approved grants as project expenditures are incurred and grant monies earned. The following grant monies were earned but not received as of June 30, 1977:

Michigan State Highway Department:	
Out-County Dial-A-Ride	\$ 78,596
Purchase and improvement of garage facilities	19,065
Buses and related equipment	6,831
Marketing	2,622
Trolley feasibility study	986
Subscription bus feeder	372
Southeastern Michigan Council of Governments:	
Development grant	64,907
	<u>\$173,379</u>

The Authority has applied for and received an advance of \$23,508 on a capital grant from the Urban Mass Transportation Administration. This represents money received in advance of the related expenditures and is reflected on the balance sheet in the liability section.

NOTE 2. Grants Receivable (Concluded)

Unearned balances of \$291,293 remain on the above grants. The following unearned grants were also approved as of October 17, 1977:

Urban Mass Transportation Administration:	
Capital grant	\$1,029,300
Michigan State Highway Department:	
Capital grant	257,325
Southeastern Michigan Council of Governments:	
Development grant	153,200
	<u>\$1,439,825</u>

In addition, as of October 17, 1977 the Authority has received commitments totalling approximately \$150,000 for funding of the Out-County Dial-A-Ride Program for fiscal year 1977-78. This money will come principally from other governmental units and agencies.

NOTE 3. Other Receivables

The Authority has agreed to provide technical assistance in design, monitoring and dispatching to the City of Jackson. The total contract amount will be based on actual costs incurred by the Authority, but will not exceed \$8,000. As of June 30, 1977 \$416 has been billed but not received. Also included in other receivables is \$90,301 of Federal Operating Assistance for fiscal year 1976-77 which has not been received as of June 30, 1977.

NOTE 4. Law Suits

AATA has been awarded \$157,623 through a suit filed in Circuit Court by Sally Vinter, et al. This sum represents a judgment against the City of Ann Arbor of \$138,049 and legal expenses of \$19,574; \$54,405 of this \$157,623 has been repaid, leaving an uncollected balance at June 30, 1977, of \$103,218. This is to be repaid in three approximately equal annual installments, with the next such installment due October 31, 1977.

The AATA is currently contesting before the Michigan Tax Tribunal the payment of approximately \$30,000 in 1975 real and personal property taxes which were paid to Pittsfield Township. For the year ended June 30, 1977, \$15,032 of this is reflected in administrative costs.

NOTE 5. Note Payable

The Authority has signed a \$300,000 promissory note with Ann Arbor Bank and Trust Company. This unsecured note dated June 15, 1977 carries an interest rate of 2.98% and is due September 1, 1977.

NOTE 6. Contracts Payable

In connection with a number of federal and state grants the Authority has, as of October 17, 1977, entered into the following contracts:

	Total Contract	Amount Billed	Amount Paid	Contract Payable	Balance of Contract
Metroscan	\$ 544,138	386,453	373,953	12,500	157,685
Metroscan	62,950	15,255	15,255	-0-	47,695
DeKoning Construction Co.	421,980	421,980	421,480	500	-0-
Bivins Winchester Corp.	54,378	51,525	51,525	-0-	2,853
University of Michigan—					
Institute of Social					
Research	79,999	63,671	57,677	5,994	16,328
Chase Mogdis	10,000	986	-0-	986	9,014
City of Ann Arbor	24,915	-0-	-0-	-0-	24,915
DeKoning Construction Co.	134,614	134,614	122,045	12,569	-0-
Upkeep, Inc.	18,773	15,757	15,257	500	3,016
	<u>\$1,351,747</u>	<u>1,090,241</u>	<u>1,057,192</u>	<u>33,049</u>	<u>261,506</u>

NOTE 7. Commitments and Contractual Obligations

The Authority has entered into a contract effective July 1, 1977, with the City of Ann Arbor to receive various services which are performed by City departments. In return for these services, the Authority has agreed to pay to the City 1% of the annual millage, payable at the time of collection. In addition, for the fiscal year ended June 30, 1978, the Authority will pay the City \$42,000 for special services which include, but are not limited to, maintenance of accounting records and certain legal and engineering services.

NOTE 8. Unemployment Compensation Reserve

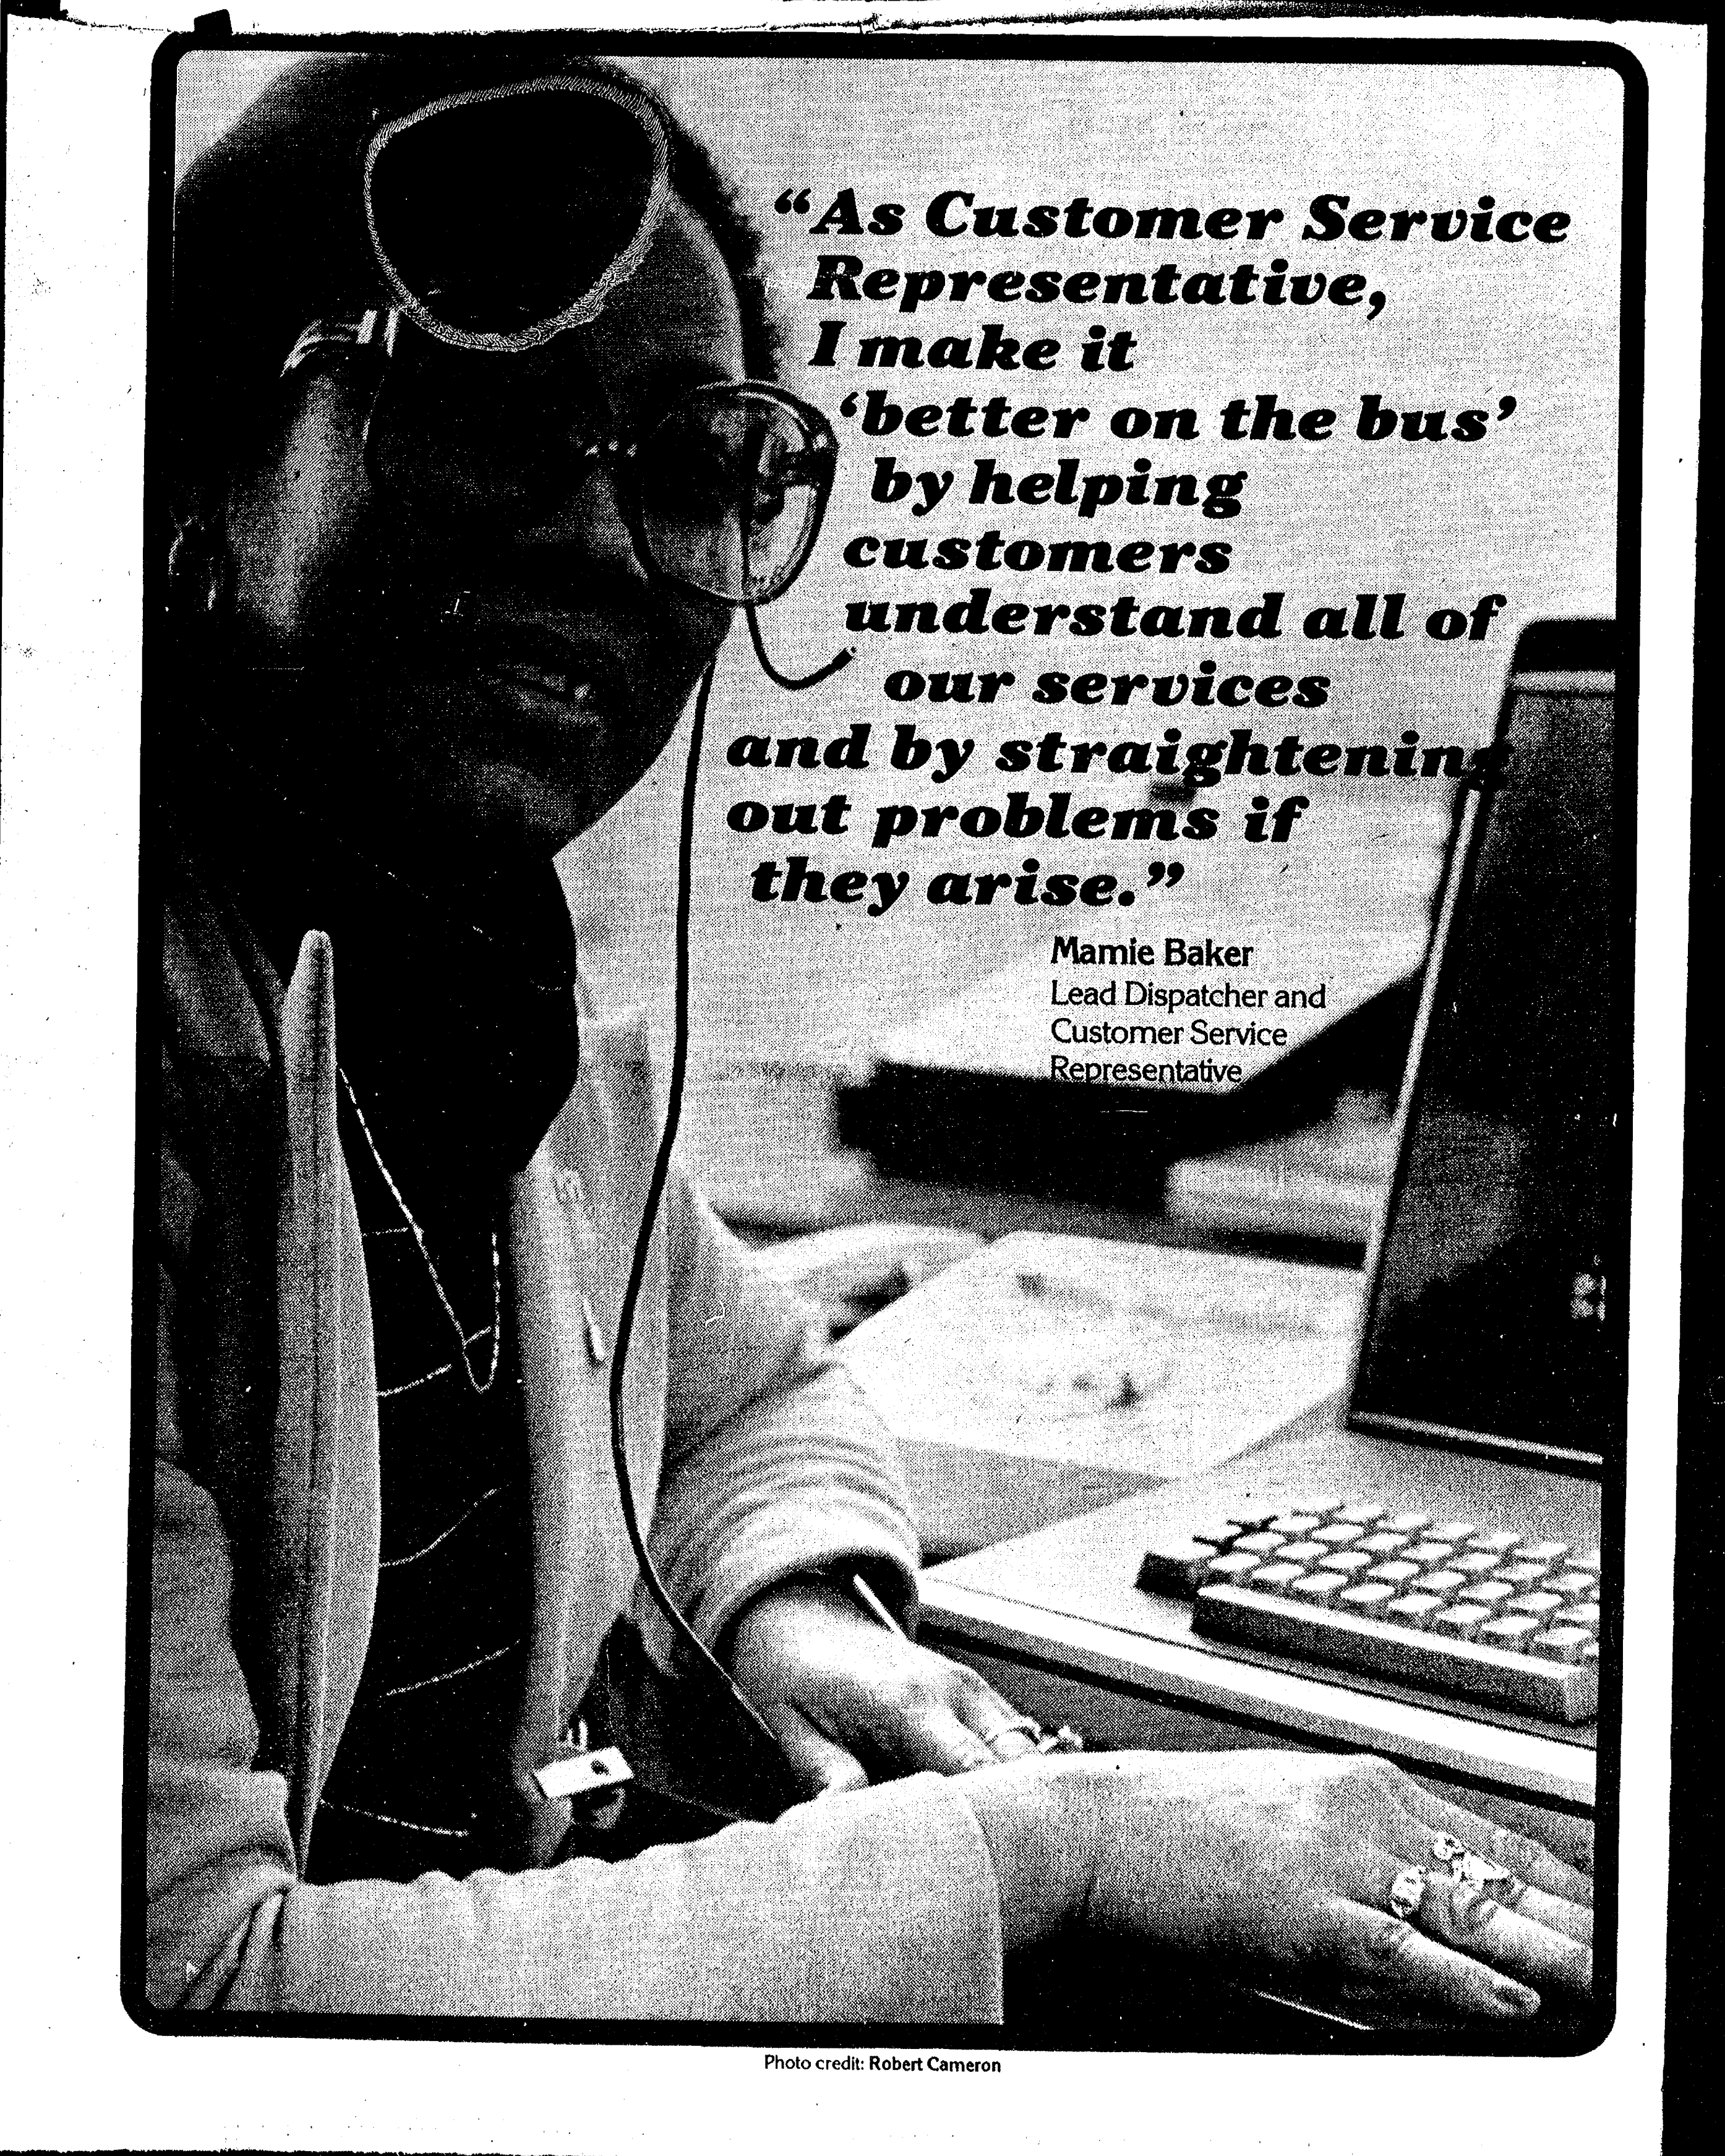

Effective January 1, 1975, the Board approved the option of being billed by the Michigan Employment Security Commission for actual unemployment benefits paid rather than making quarterly payments based on a fixed percentage of gross payroll. Income is charged and the reserve is credited for amounts that would have been paid under the "percentage of gross payroll" option. Billings from MESC are charged against the reserve.

NOTE 9. Reserve for Capital Acquisitions

On June 15, 1977, the Board approved the establishment of a reserve to fund future acquisitions of equipment. This reserve is to be increased each year by an amount equal to the depreciation taken that year on assets purchased with local funds. Capital acquisitions requiring local funding will be paid from this reserve. As of June 30, 1977 the reserve was set up for 1976-77 depreciation by a charge of \$72,979 against retained earnings. Cash transfers from operating funds should be made to fund this reserve.

NOTE 10. Employees Pension Plan

The Authority has approved a pension plan effective January 7, 1974, which covers substantially all of its employees. The Authority's contribution to the plan is based on a fixed percentage of employee gross earnings and amounted to \$137,737 in the current year and \$78,240 in the prior year. All benefits paid are based on contributions to the plan; therefore, there are no unfunded past service costs.

***“As Customer Service Representative,

Ford's Better Ideas Keep Coming.

Your Ford Dealer presents his colorful
spring lineup of Better Ideas for 1978.

Ideas for growing families

Ideas for every budget

Ideas for the future

Ideas for good mileage ratings

Ideas for sporty styling

Ideas for having fun

Ideas for tough truckin'

No two people have exactly the same driving needs. That's why Ford has created a lineup of Better Ideas big enough to give every American driver freedom of choice. There are family cars, sporty cars, luxury cars, high mileage cars, roomy vans and wagons. From Ford Fairmont, the best-selling new car nameplate ever introduced in America (for the first four months Oct. 1977 thru Jan. 1978)... to Ford Fiesta, which in its first twelve months (Sept. 1976 thru Aug. 1977) became Europe's best-selling new car nameplate in history... to Ford Trucks, the best-selling truck line in U.S. history, based on 1977 calendar year retail deliveries. So stop in at your local Ford Dealer and find the better idea that's just right for you.

More about mileage ratings. All ratings quoted are based on EPA estimates. Your actual mileage may vary depending on your vehicle's condition, optional equipment and how and where you drive.

One of your Ford Dealer's best ideas is to make car buying easier—he offers:

- Full financing on all cars and trucks
- Complete service at over 5,400 dealers nationwide
- The option to buy or lease any vehicle at most dealers
- Personal test drives at your convenience

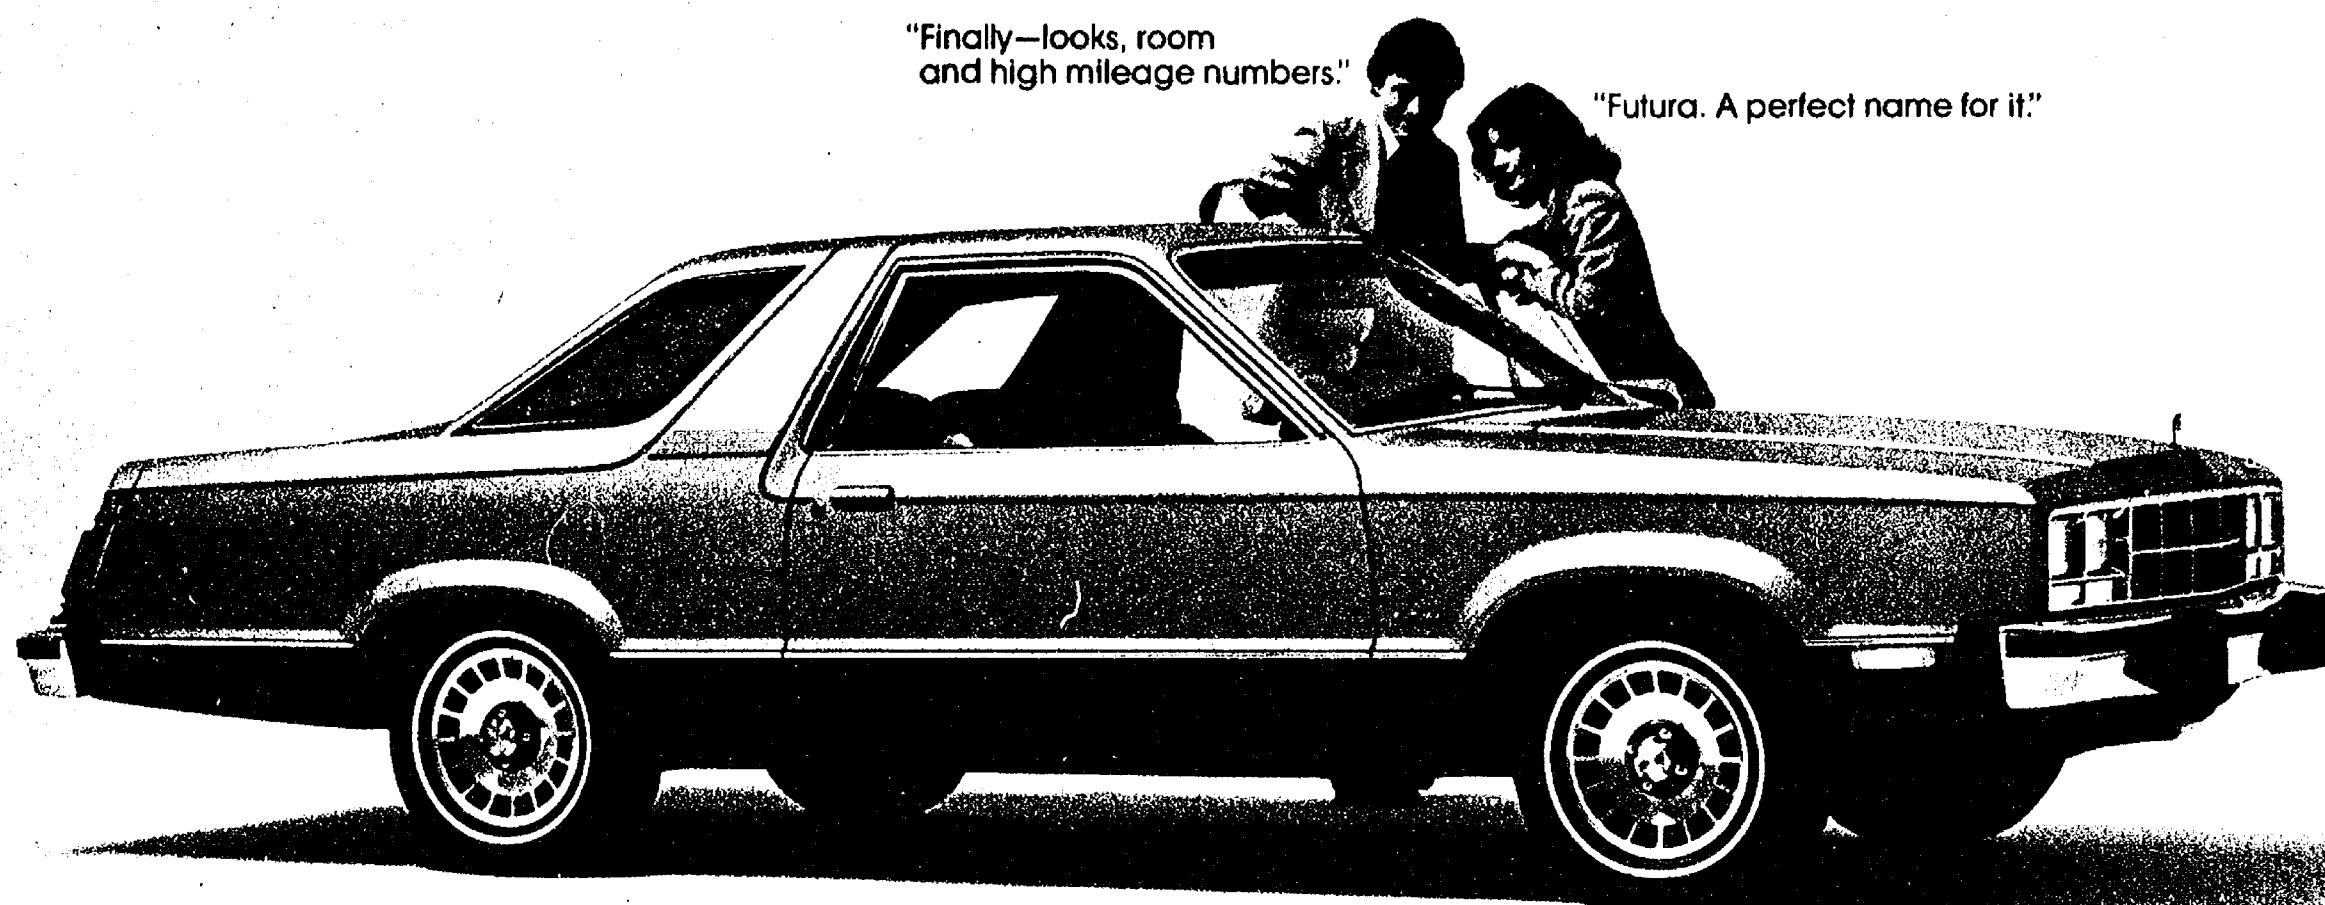

Product Changes. Ford Division reserves the right to change specifications any time without incurring obligations.

The Futura.

Here is a car designed for the automotive future. With dynamic styling inside and out. Comfort for five passengers, yet fuel and cost efficiency for the years ahead. A car realistically priced for today. The new Ford Fairmont Futura. A dramatic combination of styling and technology for 1978... and beyond.

EPA Ratings: 33 mpg hwy., 23 mpg city (see inside front cover)
Engine: 2.3 litre OHC, manual transmission

"Finally—looks, room
and high mileage numbers."

"Futura. A perfect name for it."

Fairmont Futura in Silver and Grey Metallic Tu-Tone with Russet vinyl interior.

"Frankly, the biggest surprise
was Futura's sticker price."

"It's right down to earth, where we needed it.
And our Ford Dealer even handled the financing."

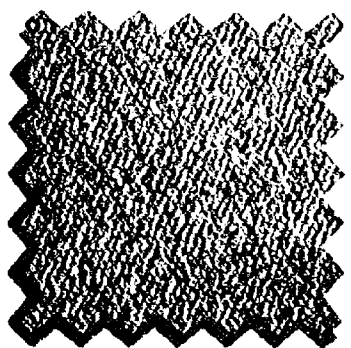

The Fairmonts.

Ford Fairmont has become the best-selling new car nameplate ever introduced in America (for the first four months Oct. 1977 thru Jan. 1978). Here's why. Fairmont has the highest mileage rating of any mid-size car... the most room for the money of any car... and the lowest sticker price of any mid-size car, based on comparison of U.S. Government's EPA index and sticker prices. Could it be the car in your family's future?

EPA Ratings: 33 mpg hwy., 23 mpg city (see inside front cover)
Engine 2.3 litre OHC manual transmission

"Well, Fairmont's got the highest mileage ratings in its class... the most room for the money of any car, what else do we need?"

"The low scheduled maintenance requirements are what surprised me."

Fairmont 4-Door shown in Dark Brown Metallic with Chamois vinyl roof and Chamois Shannon cloth and vinyl interior.

and you can buy or lease
your new Fairmont!

Hey that's something
I hadn't thought of.
Tell me more.

The test drive is what sold us

"You might buy it for mileage . . . I bought it for the sporty lines."

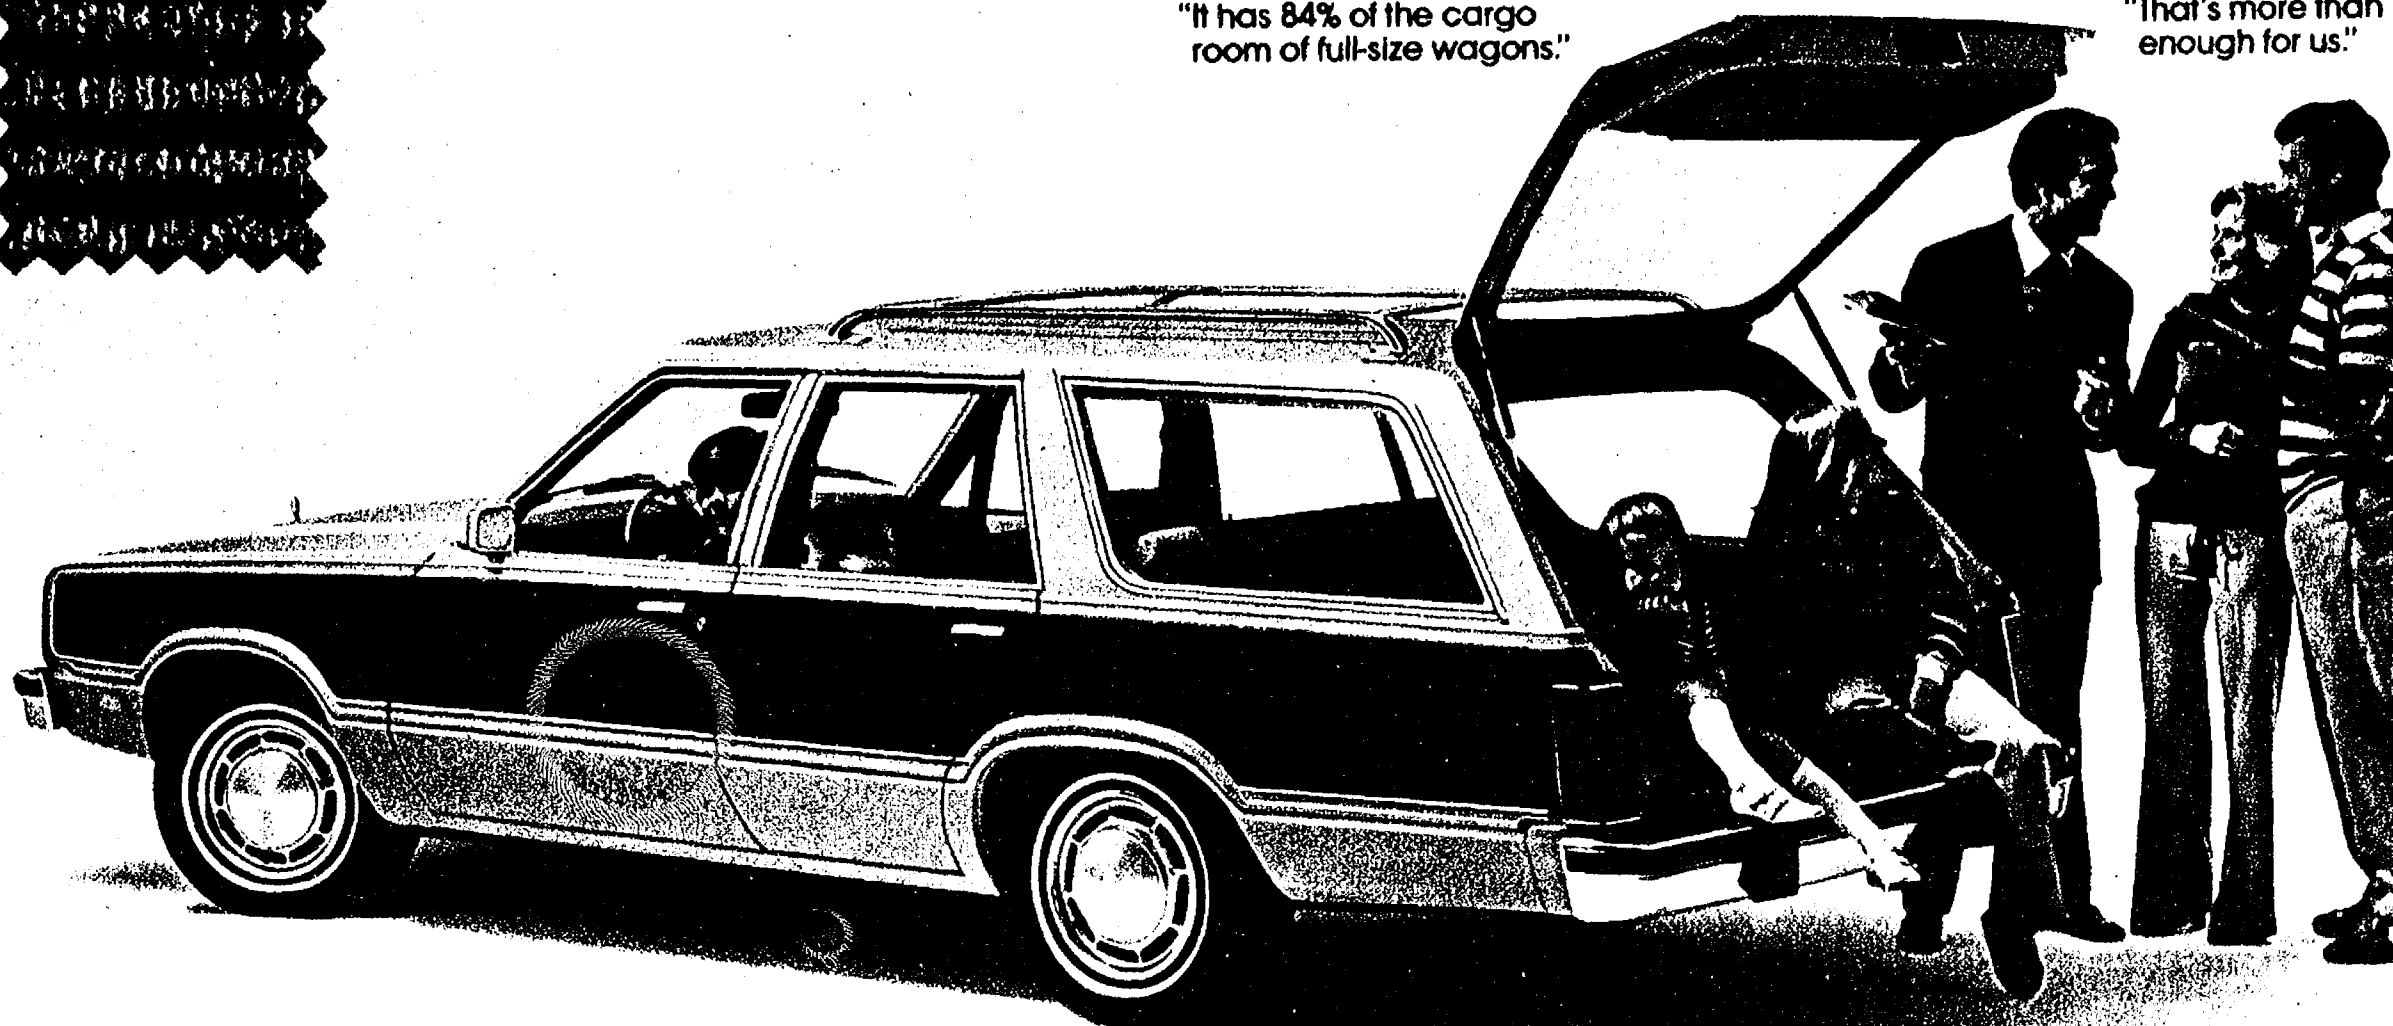

Fairmont ES option in Silver Metallic with Chamols and Black Corinthian vinyl bucket seats.

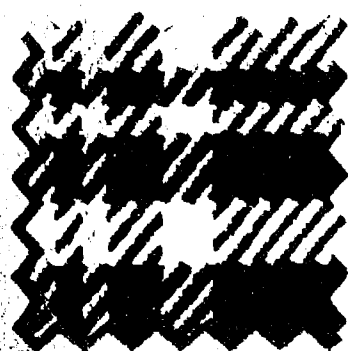

"It has 84% of the cargo room of full-size wagons."

"That's more than enough for us."

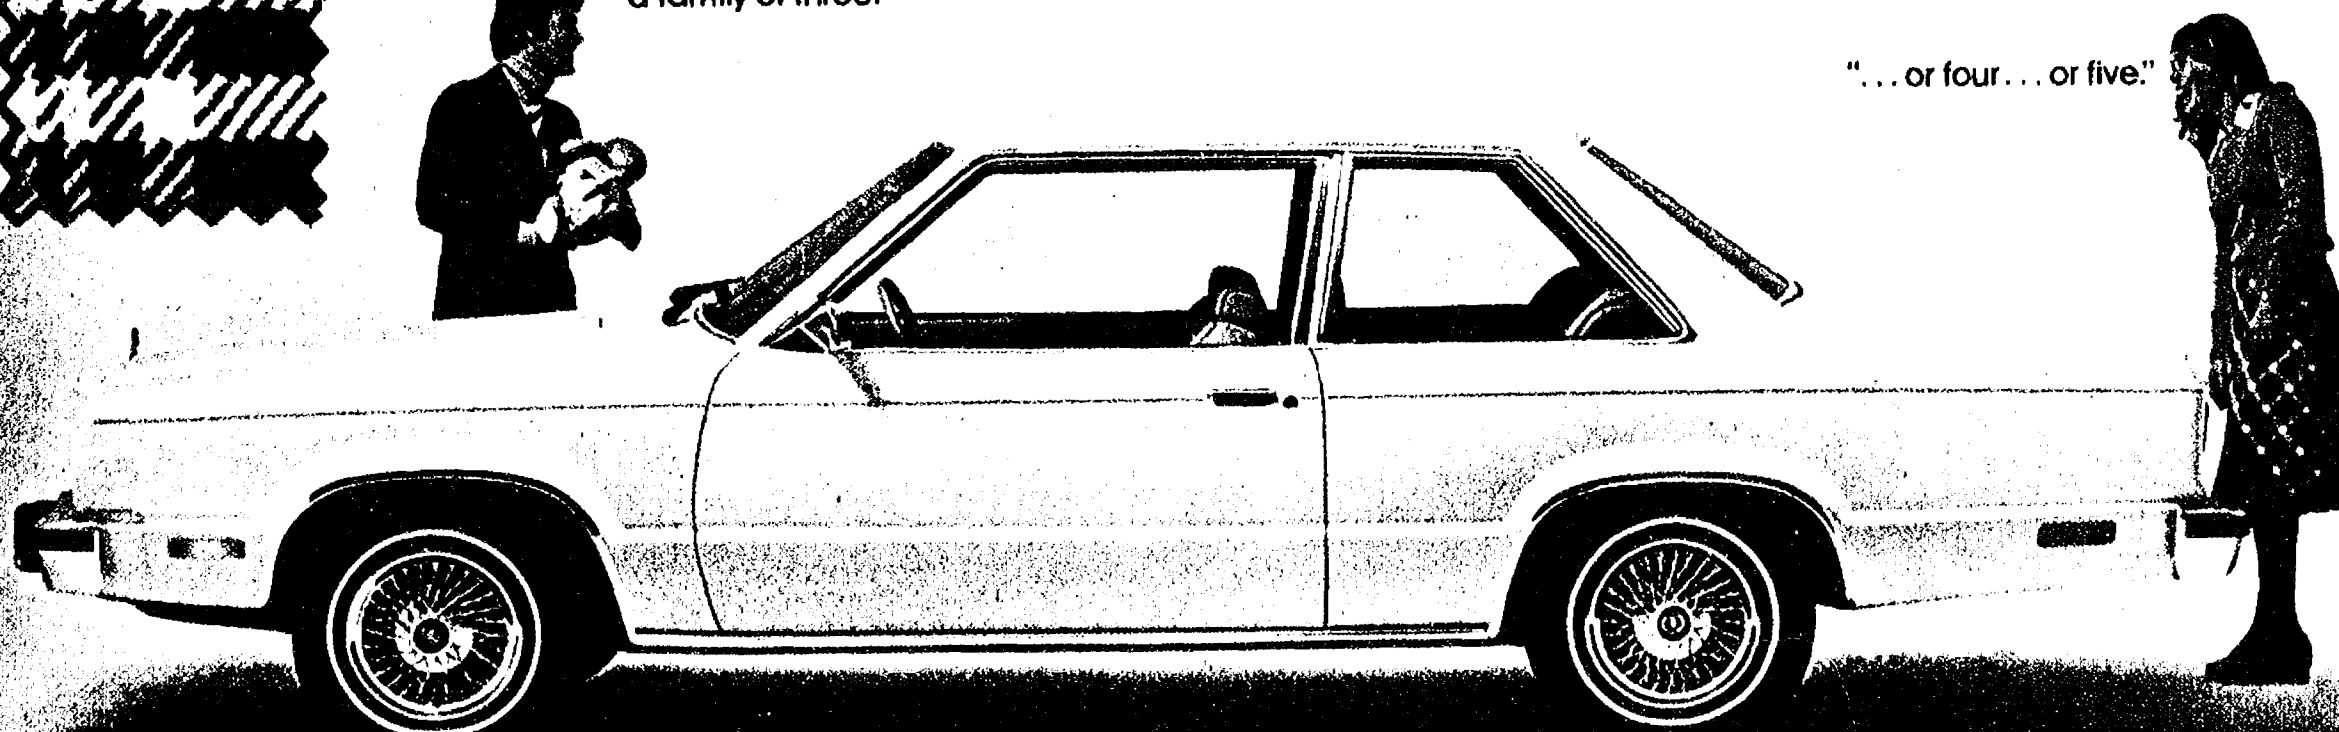

Fairmont Squire Wagon shown in Light Chamols with matching Chamols Castala cloth and vinyl interior.

"Plenty of room for a family of three."

"... or four . . . or five."

Fairmont 2-Door in Creme with Chamols Logan cloth and vinyl bucket seats.

The Pintos.

Since Ford Pinto's introduction there have been more Pintos sold than any other subcompact in America. The reasons for Pinto's success include... sporty styling, good gas mileage ratings and a low sticker price. Now Pinto has more standard features than ever offered before. Pinto is a great little idea that just keeps getting better and better.

EPA Ratings: 34 mpg hwy., 25 mpg city (see inside front cover)
Engine: 2.3 litre OHC, manual transmission

"This'll make shopping a lot easier."

"Come on, admit it, it's the sunroof you really like."

Pinto 3-Door in Polar White with accent tape stripe and Tangerine vinyl interior.

"Like it?" "Love it!"

"He says he bought it for its practical roominess."

"Right. Room for all my sports gear."

The Cruising Wagon in Silver Metallic with three-color paint/tape and Black cloth and vinyl interior.

Pinto proves small can be beautiful

"Sporty styling... inside too."

Pinto 2-Door with Rallye Appearance Package in Dark Blue Metallic with Blue Alpine cloth and vinyl interior.

"There's plenty of room for the kids and pets... and groceries..."

"And you sure won't have any trouble parking it."

Pinto Squire Wagon in Tangerine with Tangerine Alpine cloth and vinyl interior.

The Fiestas.

In its first twelve months (Sept. 1976 thru Aug. 1977) Ford Fiesta became Europe's best-selling new car nameplate in history. And now Fiesta is an American success. Assembled by Ford in Germany, Ford Fiesta features the exceptional traction and solid cornering of front wheel drive, surprising interior room, easy maintenance and the highest mileage ratings offered by any American manufacturer. One test drive can show you why Fiesta is Europe's best-selling new car in history.

EPA Ratings:
46 mpg hwy., 34 mpg city

(see inside front cover)
Engine: 1.6 litre, manual transmission

"Front wheel drive... now you're talkin' Fiesta."

Fiesta Sport shown in Orange with flip-up sunroof and unique Coda cloth and vinyl interior.

"How do you like those mileage ratings?"

"How do you like this interior?"

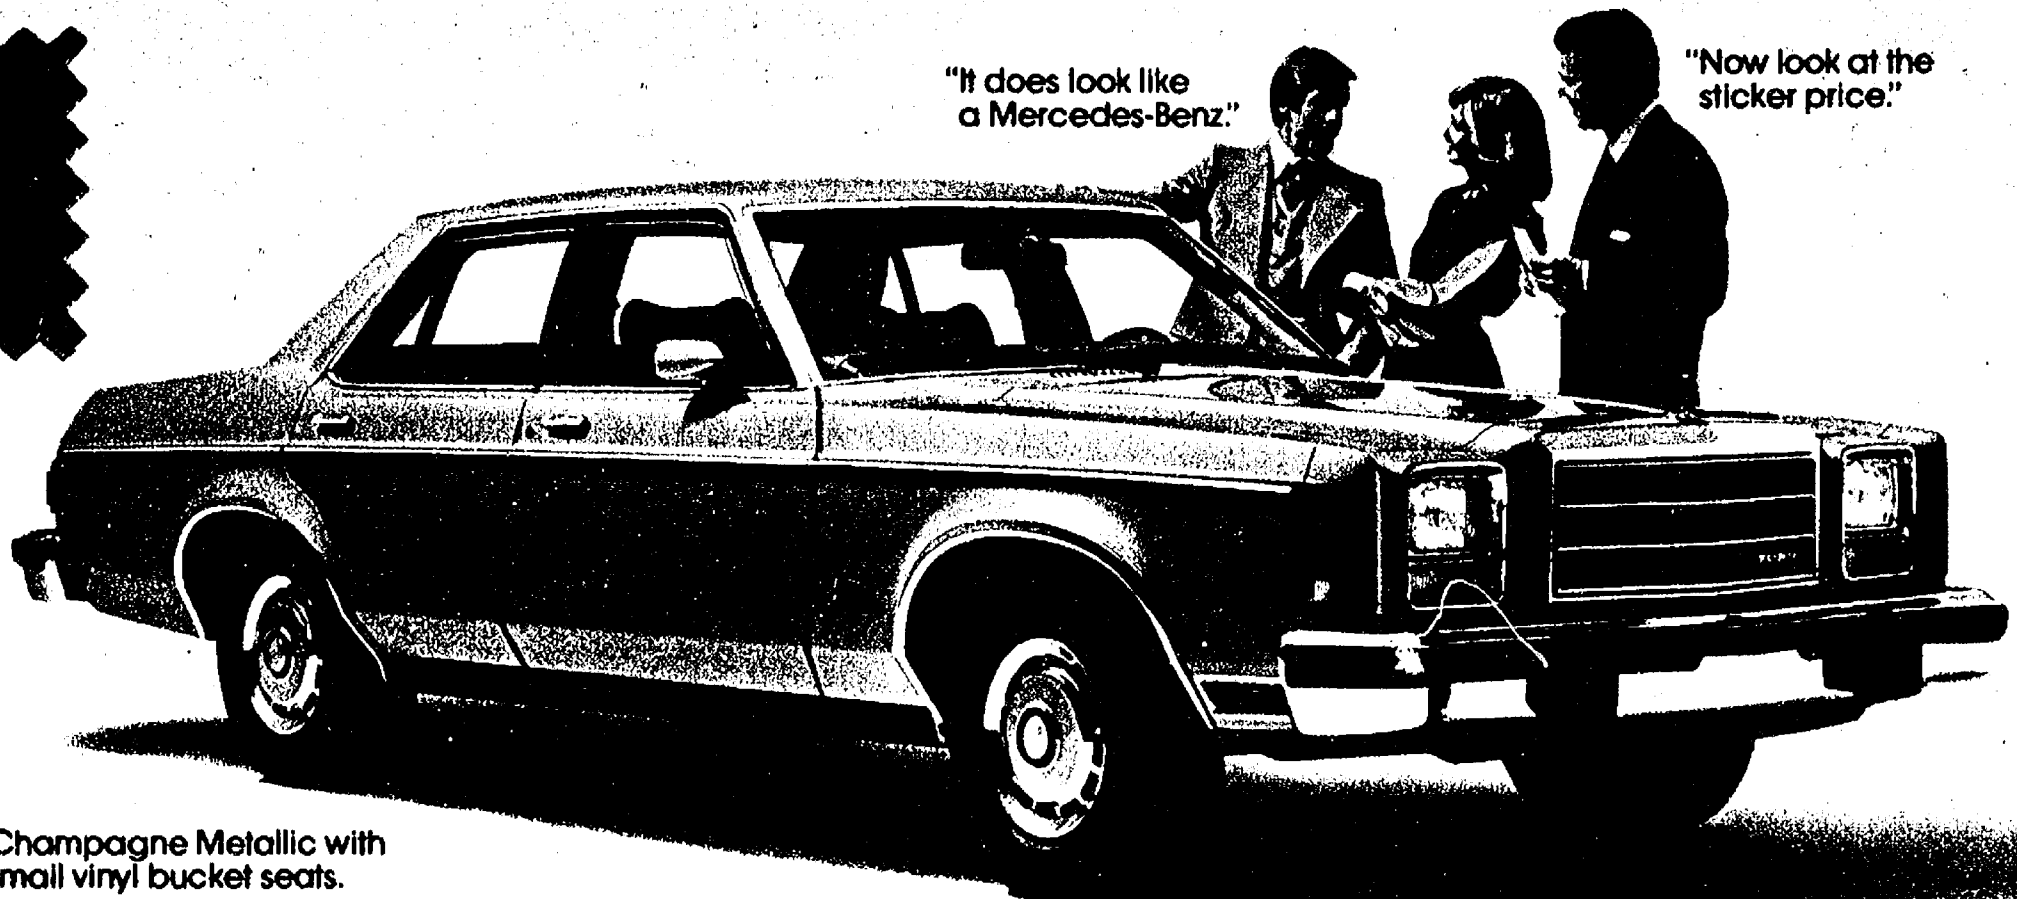

Fiesta Ghia in Oyster ClearCoat Metallic with Tan Velour cloth and vinyl interior.

The Granadas.

Ford Granada offers great fuel efficiency without sacrificing style and comfort. Compare Ford Granada with cars costing four times as much. Then you'll know why it's one of the best-selling cars in America. Special Value News: Right now your Ford Dealer has specially equipped Granadas at lower sticker prices.

EPA Ratings: 26 mpg hwy., 18 mpg city (see inside front cover). Engine 4 1/2 liter (260 CID) 5-cyl. manual transmission with overdrive.

"It does look like a Mercedes-Benz."

"Now look at the sticker price."

Granada ESS in Champagne Metallic with Cordovan Chainmail vinyl bucket seats.

The Thunderbirds.

A legend in its own time. And now Thunderbird is a more affordable legend with an impressive list of standard features that complement its unique styling and luxurious appointments. Yet Thunderbird still answers today's need for efficient engineering. Don't just drive an automobile. Drive a legend.

EPA Ratings: 22 mpg hwy., 15 mpg city (see inside front cover). Engine 5.0 liter (302 CID) V-8 automatic transmission.

"I've waited long enough. This is my year for a T-Bird."

The stunning new Thunderbird in Pastel Beige/Brown Tu-Tone with Brown vinyl roof and Saddle Ardmore cloth and vinyl interior.

The LTD's.

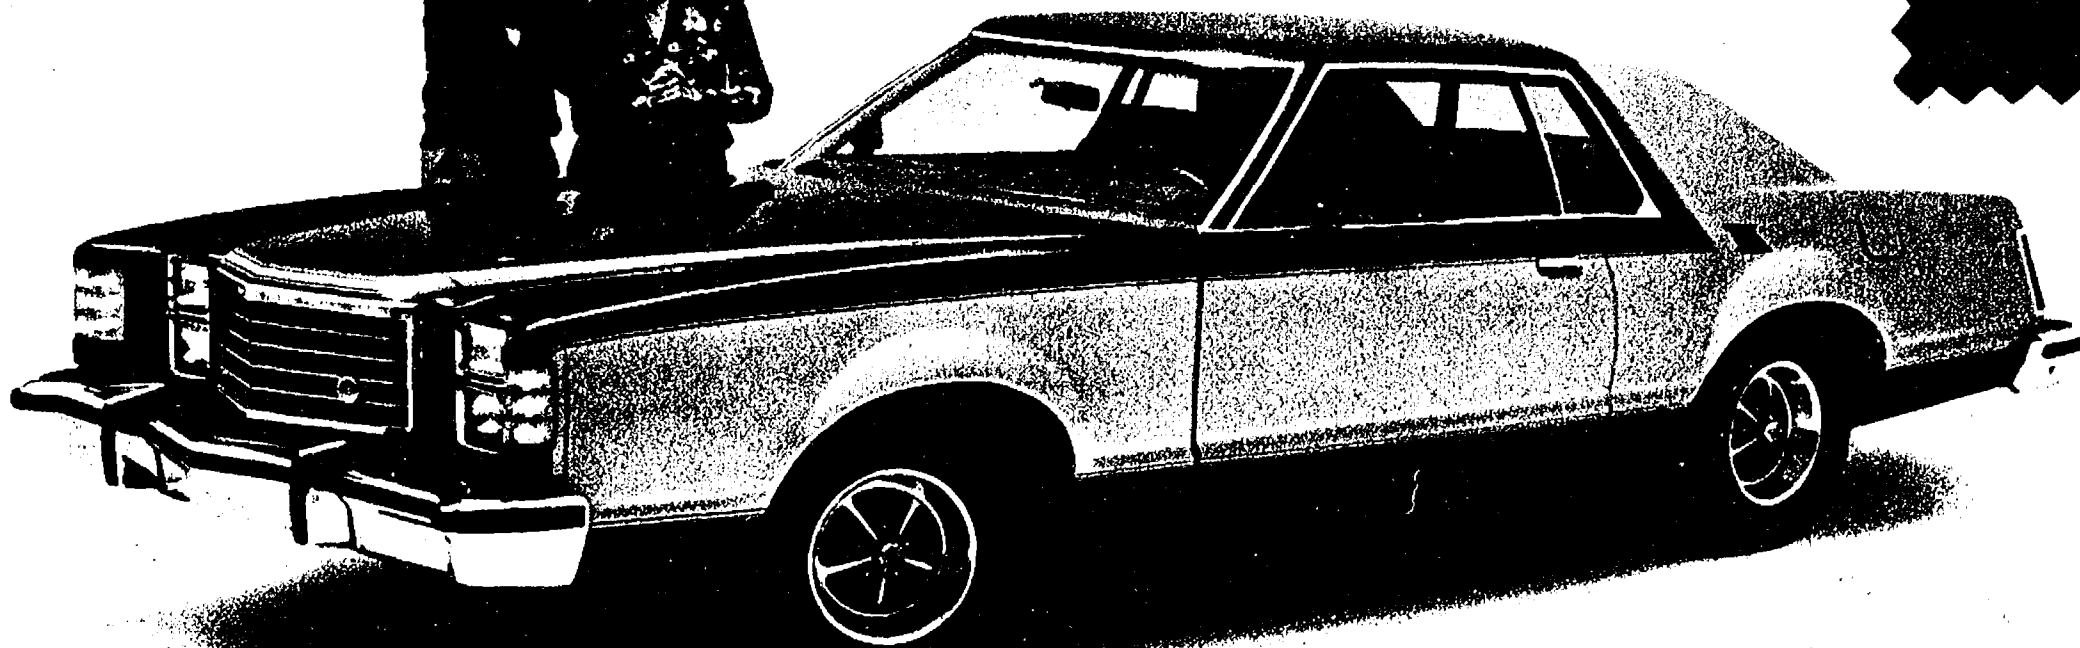

There is no substitute for the room of a big car. If that's what you need, Ford offers you a choice: the luxurious, traditional, full-size Ford LTD, and the sportier, trimmer Ford LTD II.

Special Value News: Right now your Ford Dealer has specially equipped full-size Ford LTD's at lower sticker prices.

EPA Ratings: 22 mpg hwy., 15 mpg city (see inside front cover). Engine 5.0 litre (302 CID) V-8, automatic transmission

"I wanted a sporty car...
you wanted a family car..."

"We both found what we wanted!"

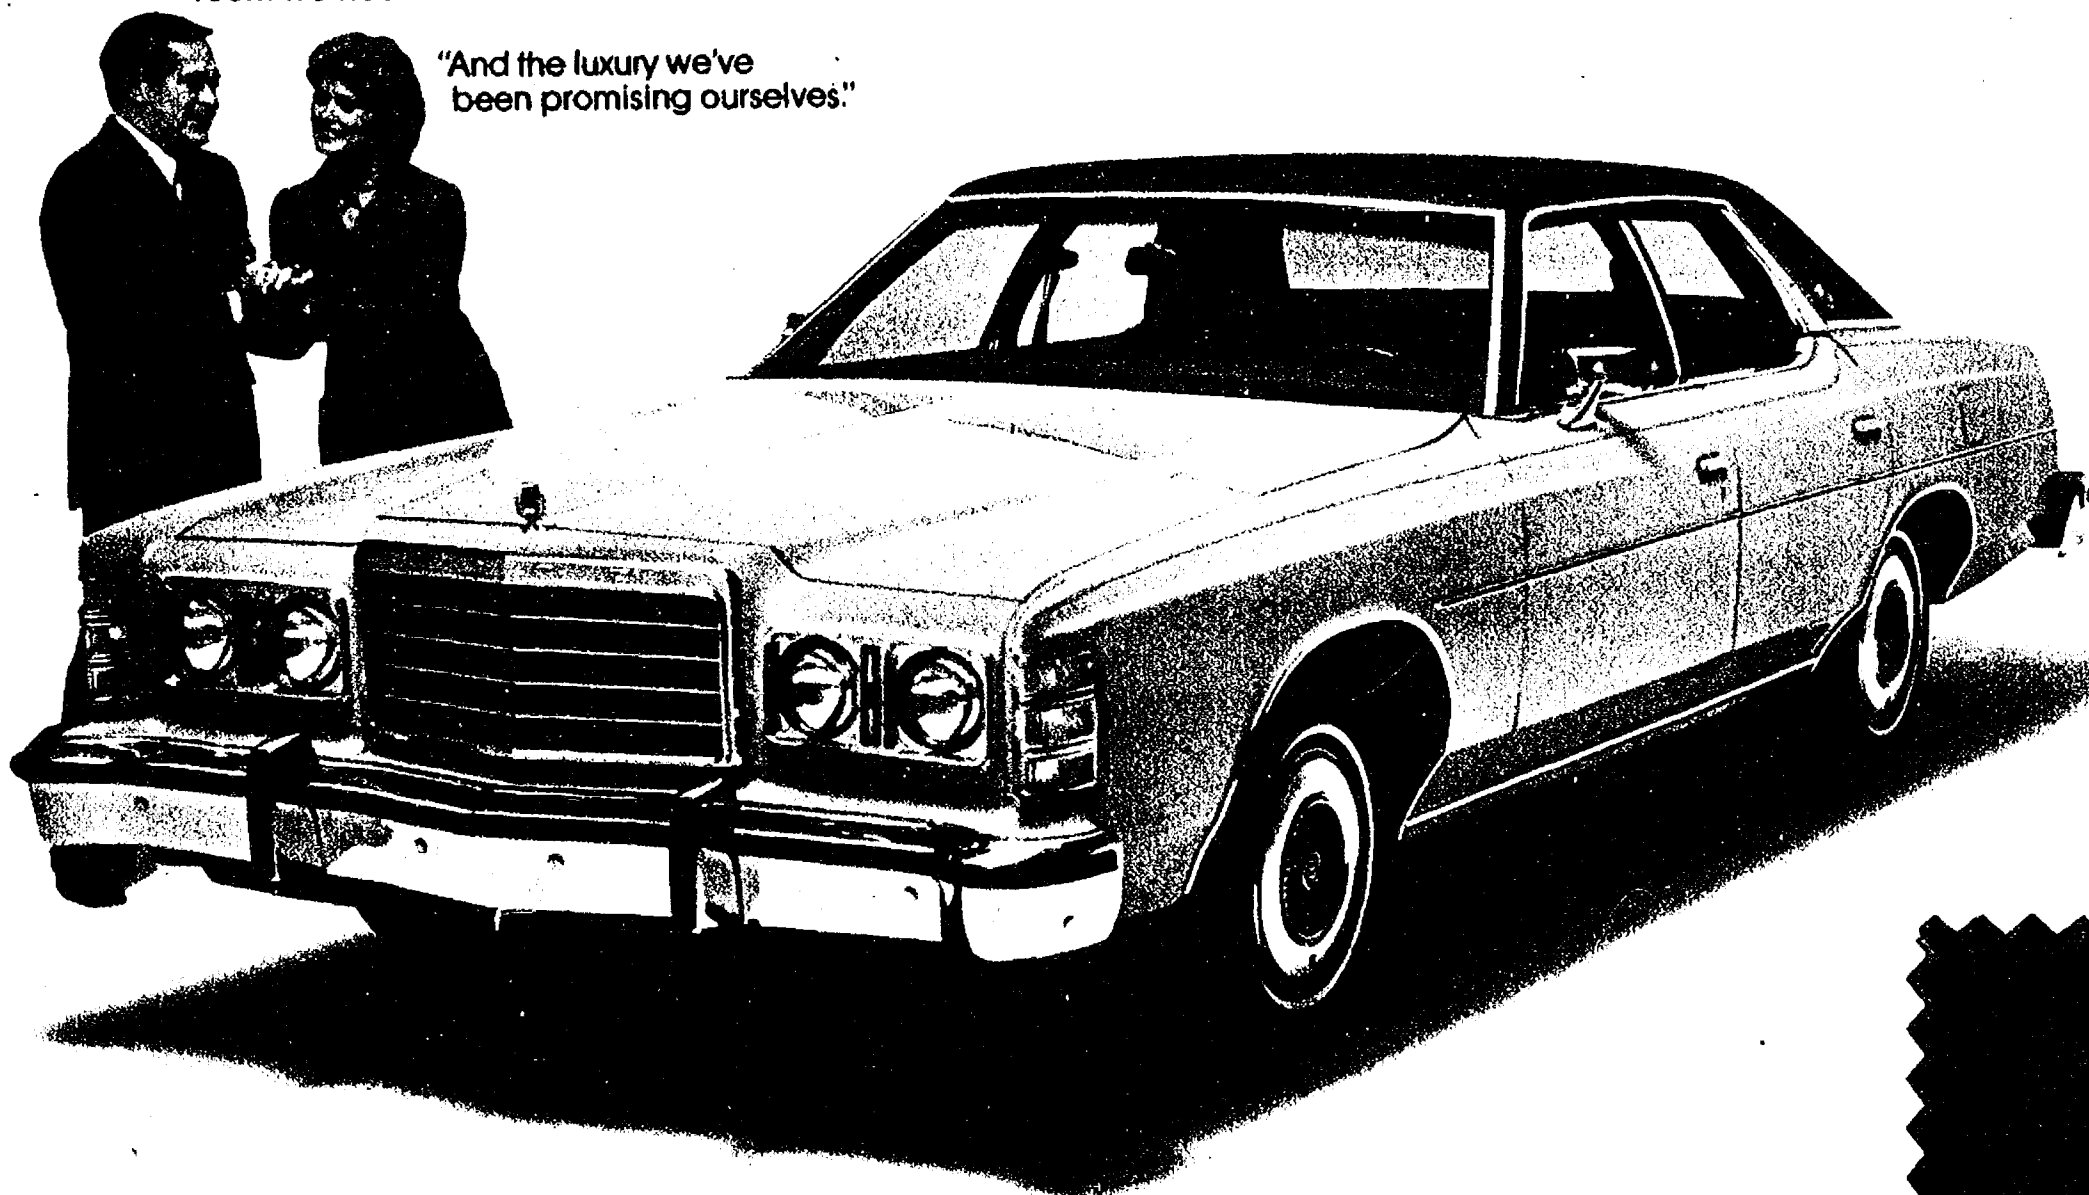

FORD LTD II

LTD II—2-Door with Sports Touring Package in Light Chamais and Dark Brown Metallic, Saddle Lamar vinyl bucket seats.

"It's sure got the
room we need."

"And the luxury we've
been promising ourselves."

FORD LTD

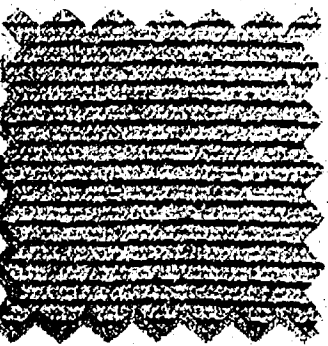

LTD 4-Door in Dove Grey with Red vinyl roof, inside plush split bench seats in Red Ardmore cloth and vinyl.

The Mustangs.

What's in a name? Plenty. When it's the name that has appeared on some of the most exciting cars in American automotive history. From the Ford Mustang II Ghia to the Mustang II King Cobra, this great stable of Mustang IIs offers a package of handling features no other domestic car in its class can match, including rack and pinion steering, front disc brakes, 4-on-the-floor staggered shocks and a rear stabilizer bar.

Special Value News: Your Ford Dealer has specially equipped Mustang IIs at lower sticker prices.

EPA Ratings: 33 mpg hwy., 23 mpg city (see inside front cover). Engine 2.3 litre OHV manual transmission.

"I've wanted a Mustang II since I learned that you can have good looks and good mileage, too."

Mustang II Ghia in Medium Chestnut Metallic with Chamois vinyl roof, inside contoured bucket seats covered in Chamois Wilshire cloth and vinyl.

"Four-on-the-floor, tachometer and T-Roof. This I've got to drive."

"I just happen to have the keys."

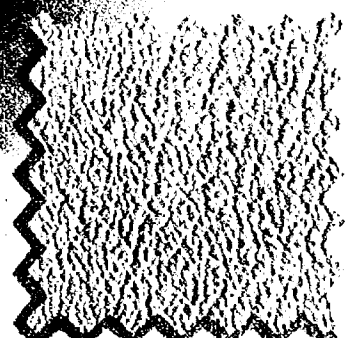

The sporty T-Roof Mustang II in Tangerine with White vinyl interior.

"Wow! A 5.0 litre V-8, power steering, adjustable shocks, the works!"

Mustang II King Cobra in full dress Dark Midnight Blue, including Chamois vinyl buckets.

Vans, Trucks and 4-wheelers.

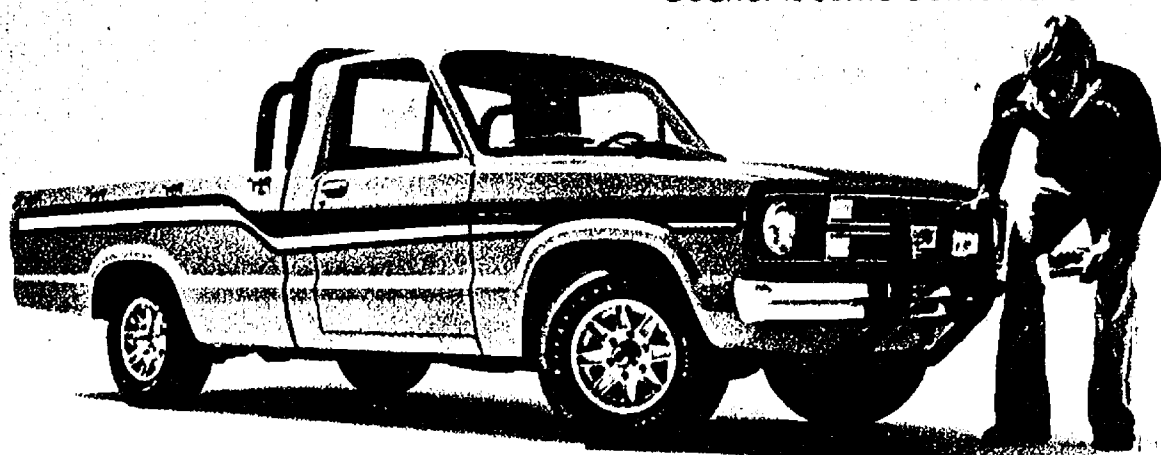

Here they are, tough Ford Trucks, America's best-selling truck line. Better ideas make them the best-selling truck line in U.S. history, based on 1977 calendar year retail deliveries. Ideas like building tough trucks with winning gas mileage ratings:⁺

- Best V-8 pickup*—26 mpg hwy., 17 mpg city. 5.0 litre (302 CID) V-8, manual transmission.
- Best "Six" mileage ratings in a conventional pickup—28 mpg hwy., 19 mpg city. 4.9 litre (300 CID) Six, manual transmission.
- Courier: Best gas mileage ratings of four top-selling compacts—38 mpg hwy., 29 mpg city. 1.8 litre, manual transmission.

⁺See inside front cover

*Comparisons exclude car-truck and diesel engines

"5-speed overdrive,
7-foot box, Free Wheelin' looks...
Courier is some combination!"

The new high mileage Courier.

"Twin-I-Beam suspension up front—
you're gonna need that where we're goin', Flareside."

Tough-built, tough-looking F-150 Flareside.

"Since when did 4-wheel drive
get so... comfortable inside?"

"Since Bronco."

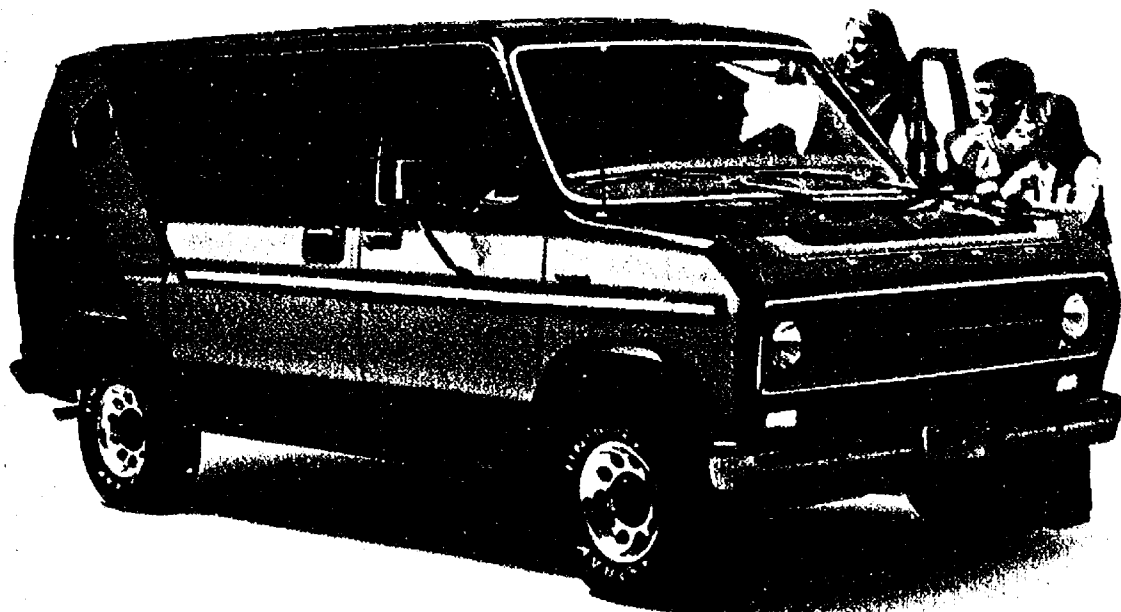

Tough new 4-Wheelin' Bronco.

"This is one tough truck! No wonder Ford's
number one in pickups."

The F-100 Styleside Ranger.

"Comes already customized.
Ford doesn't miss a trick."

The Cruising Van. Inside, Tan vinyl "Captain's Chairs."

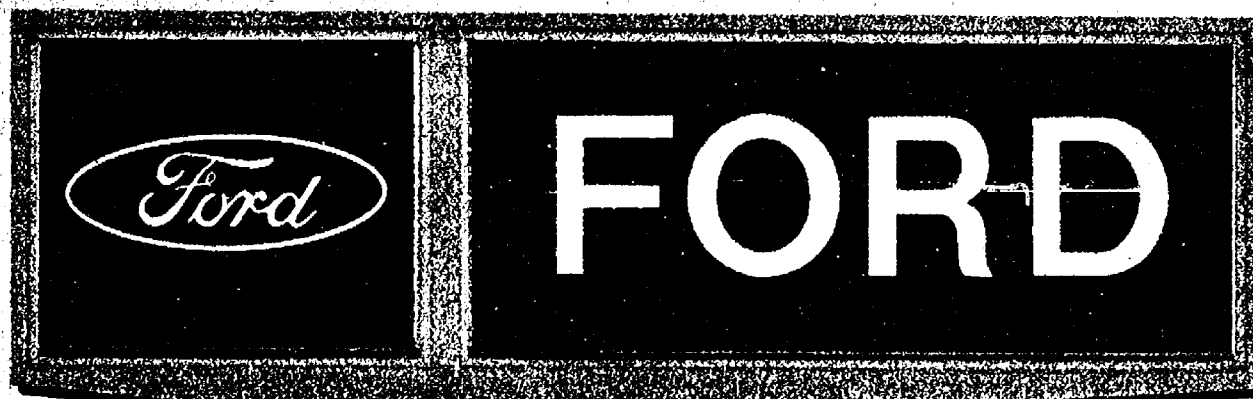

"Hey, 20 inches longer
loadspace inside."

"That'll make our job a lot easier."

New Super Van E-250.

Your Local Ford Dealer invites you to come in and see his better idea cars.
