Fair Board Sets New Admission Schedule

Timing of events and admission rates were discussed and rates adopted during the April 20 (Thursday) regular Fair Board meeting.

Officers present included Lloyd Grau, president; Ed Keezer, Fair Board secretary; Ruth Leach, Fair secretary; Earl Heller, executive vice-president; and Jerry Heydayoff, vice-president.

Directors present were Reuben Lesser, Jr., Art Steinaway, Joe Merkel, III, Richard Bollinger, Robert Heller, Jerry Herrick, John Klink, Charles Staphis, Charles Koenn, Harold Gross, Keith Bradbury, and Harold Trinkle.

Others present were Pat Merkel, David Rowe, Jim Schultz, and John Wellnitz.

Absent were Kay Poljan, treasurer; Archie Bradbury, Ralph McCalla, Dick Poljan, Frank Renton, and Frank Sweeney.

The minutes of the last meeting were read and accepted.

In addition to discussing the timing of events, David Rowe discussed the Fair's insurance program. Because of insurance premiums using 3,000 to 5,000 gate admissions, the admissions have had to be adjusted as follows:

Daily—\$1. This enables the purchaser to enter and attend all activities at the fair for the day. Parking in lots is free. All children 14 years old and under, free.

Wednesday only, Senior citizens, \$5 and older, free. Tuesday, and Wednesday after 4 p.m. \$2. Holder of season pass, no additional fee. Season pass, \$5. This enables the purchaser to enter and attend all activities at the fair any number of times, parking in lots only. Students with high school ID, \$3. Exhibition pass, \$4. This enables exhibitor to enter and park on the fairgrounds to care for exhibits. These are available at the fair office.

Bucket Drive Funds Are for Scholarships

Approximately 70 junior and senior honor society students from Chelsea High school will be collecting donations for the Chelsea Scholarship Committee May 5 and 6.

Students will be carrying buckets near the Chelsea downtown shopping area, Polly's Market, and the Chelsea State Bank from 2 to 6 p.m. on Friday, and 9 a.m. to noon on Saturday.

In recent years, the Chelsea Scholarship Committee has awarded more than \$3,600 a year to de-

serving students from money collected from the bucket drive in addition to private contributions and business donations.

Amounts ranging from \$50 to \$500 are given to students based on either their scholastic ability or financial need. The average scholarship is between \$200 and \$300.

Any student who plans to attend a trade school, two-year program, or four-year program is eligible to apply for a scholarship, according to a spokesperson for the Scholarship Committee.

Six Meet Records Set in Chelsea Relays

Good weather and an exceptional field were responsible for new records in seven of the 11 events in the third annual Chelsea girls relays Saturday.

Monroe St. Mary's won two events and scored in five more to win the team title with 49 points. Carleton Airport was second with 46 and host Chelsea finished ninth with 10 points.

"The meet was the closest of the three held so far, and the competition the best," Coach Bill Bainton said after the meet.

The Bulldogs got their points in the two-mile relay where Teresa Hoffman, Angie Merkel, Nancy Heller, and Shelley Warren combined for a 10:21.1 time. Although this was 11 seconds under the

meet record it was only good enough for second place.

Hoffman, Merkel, Warren, and Pris Drew ran the distance medley in 13:49.4, again well under the previous record but only enough to place fourth. Drew anchored this race with a fine 5:51.6 mile.

"I told our team Thursday night this was the toughest field ever assembled for this meet. We beat some meet records and still didn't win," Bainton said.

The long jump of Pris Drew and Laurie Hastings missed placing by three inches. The rest of the Chelsea team didn't fair as well. "Although none managed to place, all ran well, coming in with improved times and gaining valuable experience," Bainton said.

HISTORICAL BOOK PRESENTED: Debbie Overbey, librarian at McKune Library, accepts the recently published "Settling of Waterloo Michigan" by Dr. Donald E. Katz from Mr. James Nicola of the Chelsea Historical Society. Standing from left to right are Dr. and Mrs. Donald E. Katz, Debbie Overbey, Mrs. James Nicola and her 3-year-old daughter Sara, Mrs. Thomas Smith of the historical society, and Mrs. Martin Steinbach whose husband is a second cousin to Dr. Katz. The book is a detailed documentation of Dr. Katz's maternal grandparents, John and Matilde Benter Schnackenberg and traces the history of his family from the 1850's to the present. In its 500 pages and numerous photographs, the book also traces the history of families who live in the southeastern Michigan area. Dr. Katz spent six years collecting material for the book, making two trips to Germany. He is a professor emeritus of chemical engineering at the University of Michigan where he taught for 41 years. He has also written a book on the history of his paternal grandparents which was published in 1957. The library has a copy of the book for circulation and also a book for library use only in the Historical Room.

Gala Reunion Banquet Plans for June 3 Include 'Charlie Cameron Roast'

Wait—A few of us got to talking about taking Charlie and his wife out to celebrate his retirement—you know—wine, dine, and say something nice about him. The wine and dine part looked easy but the "something nice" . . . well, we enlarged our group . . . maybe we knew him too well! Set up a meeting, added more people and ended up with quite a crowd. Finally we decided to forget Charlie and throw a party on a nice June week-end. Ran into weddings and graduation—everything rented. Checked with Fred Mills about school availability—was told Charlie had rented only available Saturday night in June in case anyone wanted to honor his "many years of service to the youth of our community." We took it even under these conditions. Maybe

you can help spread the word in the following letter to the editor. Dear Editor:

I've been reading in your fine paper about the many honors bestowed upon our retiring superintendent, Charles Cameron. It seems only fitting and proper that an opportunity be made available for the entire community to get together with Charlie and express our appreciation for his "many years of service to the youth of our community."

With this thought in mind, plans are well underway for a reception and testimonial dinner to be held in our high school Saturday evening, June 3.

Wait, we needed more people to make it look like a big affair. Decided against anything as dishonest as advertising it as a speaker under these conditions. Maybe

Varsity Tennis Team Opens With 3 Wins

After having their opening match with Ann Arbor Greenhills rained out last Tuesday, April 18, the varsity tennis team opened the season on Thursday, April 20 with a 4-3 win over Novi.

The match was decided when Jeff Stirling, playing number four singles, was able to win the third set of his match, 6-4.

Jeff had lost the first set, 1-6, but was able to come back and win the next two sets.

Chelsea was able to win all four singles positions, while losing the three doubles positions.

On Friday, April 21 Chelsea traveled to Saline to win their second match of the season, 4-3. Chelsea won three of the single matches and one doubles match. Chelsea's number one singles player, Tom Severn, lost to a worthy Saline opponent, Mike McClure. However, Chelsea's number one

collected their third victory of the season with a 6-1 win over Stockbridge on Monday.

With the exception of first singles, Chelsea had an easy match as several sets were won against Stockbridge, 6-0.

Stockbridge fielded a young and inexperienced team against Chelsea.

Stockbridge was able to avoid a shut-out when their best player, an experienced Steve Zick, was able to defeat Chelsea's number one player, Tom Severn in a close match, 6-4, 6-3.

Winning matches for Chelsea were single players Jon McCormick, Mike Hagen and Jeff Stirling.

Doubles matches were won by the teams of Marc Feeney and Bruce Rabbitt, Dave Parks and Steve Wilson, and David Boyer and Steve Wolack.

Track Team Overwhelmed By Brighton

With a score of 105-53, Brighton defeated the Chelsea High school boys track squad during Thursday's (April 20) home meet in this spring's ever present cold and wet weather.

Chelsea, however, more than held their own in the sprints, relays, and hurdles, but were completely overwhelmed in the distances (33-0 in the 880, mile- and two-mile runs) plus Brighton had a large lead from the field events.

"Even though Brighton won by a lop-sided score we were pleased with many of our performances and, with a little luck, could have won two or three more events than we did," Coach Bert Kruse commented following the meet.

Leading the Chelsea scoring was Bob Ball who won both the shot put and the discus throw. Steve Pennington won the 330 low hurdle event and Scott Stafford the 100-yard dash for the other individual victories.

In addition, the 880-yard relay team of Blaine Suliman, Matt Fisher, Jim Peterson, and Pat Stevenson won, as did the 440-yard relay team made up of Scott Stafford, Pete Huston, Randy Harris, and Matt Fisher.

"With three meets coming up this week—Lumen Christi and Jackson Northwest at home on Tuesday, at South Lyon on Thursday, and at home again on Friday against Hillsdale, we should have a much better idea as to where we want to place people and how effective we will be for the rest of the season," Kruse said.

"What we would like now is some good weather so the athletes have a better chance to improve their times and distances," he added.

Lions Club Observing White Cane Week

Dedicated to those with slight handicaps, Chelsea Lions Club members will be in full force April 23 and 29 at many Chelsea businesses selling miniature white canes to raise funds to help the blind.

Governor William G. Milliken and Chelsea Village President Pro Tem James Scharden have proclaimed the week of April 23 through May 6 as Lions White Cane Week.

Also during White Cane Week the Chelsea Lions Club will be celebrating their first anniversary April 29.

Since their first White Cane Sale last year Chelsea Lions Club members have provided numerous donations to many services, clubs, and people in need.

Their most notable contribution

went to Theresa, Murphy, a blind and handicapped student at Chelsea High school, who received a \$600 electronic calculator equipped with a voice.

The club also provided funds to purchase eye glasses for three Chelsea students and a hearing aid for a Chelsea resident as well as supported the Michigan Special Olympics, and Chelsea Social Services.

During the Chelsea Community Fair, the club raised money with their extremely popular "dunk 'ank" where for a mere 25 cents a good eye and strong arm could dunk a best friend or worst enemy in a pool of water.

The club has also sponsored a Girl Scout troop in Chelsea and provided donations to Leader Dogs

Baseball Team Wins Over Milan, Dexter

Chelsea chalked up two SEC victories by edging Milan, 3-2, on Monday and then Dexter, 2-0, on Tuesday.

At home Monday senior Kurt Owings pitched extremely well as he gave up only two runs on four hits, struck out nine, and walked only three.

Owings gave up just two hits until the seventh inning when the Big Reds bunched two singles and an error to score the second run.

Offensively, the Bulldogs managed only three hits by Steve Check, Al Augustine, and Brad Knickerbocker.

In the fourth inning, Mike Sweezy walked, took second on a sacrifice by Augustine and scored on a single by Check. After Milan tied the score in the sixth inning, Chelsea used a walk by Sweezy, a single by Augustine, and two errors by Milan to score two runs.

Tuesday, junior Mike Machesky needed only 63 pitches to defeat Dexter, 2-0. Machesky did not yield a walk and gave up only six hits. He was in trouble in

only the fourth inning as the Dreadnaughts used an error and a single to put men on second and third base with only one out.

Then, on a close play at home, Augustine made a great play by scooping up a low throw, blocking the plate, and tagging the sliding runner. With two outs, Machesky then struck out the next hitter to end the inning.

Chelsea pushed a run across in the sixth inning on a double by Sweezy who moved to third on a ground out and scored on a passed ball.

The Bulldogs used the same method in the seventh inning as Chris Kruger hit a triple and then scored on a passed ball. The only other hit was stroked by senior Don Aldrich.

Chelsea is now 3-0 in SEC play and 5-3 overall.

Tomorrow, the Bulldogs host Saline in an SEC game and then tangle with Jackson Northwest Saturday in a non-conference double header with the first game beginning at 11 a.m. on the Chelsea baseball diamond.

CHS Baseball Team Edges Past Novi, 2-1

Chelsea boys varsity baseball team opened SEC play Wednesday, April 19 with a tense, hard-fought extra inning victory over Novi, 2-1, on the Novi field.

Junior right-hander Mike Machesky pitched the entire nine innings and "was excellent," according to Coach Paul Terpstra. He gave up only four hits and walked just two.

The lone Wildcat score was unearned as Novi capitalized on a Bulldog error to push across a run. With the score tied at 1-1 in the top of the ninth inning, Kurt Owings drew a walk and stole second.

Then, with two out, Junior Roger Moore hit a line drive to center field for his second hit of the

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:
The fella's took up the matter of saving time Saturday night during the session at the country store and at the end of the discussion time was general agreed that time is like the weather. Everybody talks about it, but nobody does anything about it. Zeke Grubb said this business about Daylight Saving Time is using words like women do that talk about permanent waves. The savings in time is as much as the wave in the hair is permanent, Zeke allowed, but it sounds a heap better than to call it a temporary

wave. As far setting our clocks ahead a hour, 'Zeke said he can see some advantage for town folks ahead an hour, Zeke said he can't see that work and quit by the clock, but country folks that work by the sun don't pay no mind.
Clem Webster told Zeke he was just being stubborn about new ideas. Nowdays, Clem said, folks have more time away from their jobs, and giving them a reason to start early in the morning gives them more time in their yards, on the golf courses and waiting in traffic with everybody trying to do the same thing. For farmers and ranchers, you might as well convince him you can cut a piece off one end of a blanket and sew it on the other to make it longer. Their roosters ain't going to change their clocks, and their cows ain't going to change their milking time.

Zeke said he was set in his ways, sure enough. He said a fella's got to be to stay married and stay on the farm to boot. For the first 20 years of his life a man's Ma is forever asking him where he's been and where he's going, and for the next 40 or 50 years his old lady pester him with the same question. And when he's dead everybody he left behind wonders the same thing. It ain't no wonder, Zeke said, that when a fella's got a chance to make up his mind about somepon he is subject to stick to it in spite of all evidence to the contrary.

General speaking, the fella's sided with Zeke on the stubborn issue, but Ed Doolittle allowed that there is a good deal of that stuff in everybody. For instant, Ed said he had saw where stubborn folks in Europe are finding a way around the high cost of booze. With whiskey bringing \$20 a fifth and taxed by everybody up and down legal line, moonshining is on the sharp increase. Ed said he wouldn't be surprised to see this lead to a new kind of foreign exchange. We can send some of our experienced bootleggers over there, and they can send us medical students that can't get in school at home because so many Americans have gone over there because they couldn't git in school here.

Practical speaking, declared Bug Hookum, Ed's plans makes as nu sense as the federal Government working both sides of the street. For instant, he said, it supports booze and tobacco production, then taxes the product to raise money to discourage us from using the product. Usual, Bug allowed, these programs spend \$2 to take in \$1, which is one way of saying it don't matter how far the value of the dollar falls, it'll never git as low as folks will stoop to grab it.

Yours truly,
Uncle Lew.

MICHIGAN MIRROR

Auto Theft Target

The secretary of state's office is suggesting its own program to curb auto thefts.
The program includes several far-ranging proposals to toughen enforcement of Michigan's vehicle title system through state legislation, the establishment of a strong nationwide vehicle identification numbers (VIN) system and better co-operation among local, state and federal agencies.

Statistics show that car theft in the United States cost the public \$2 billion a year. In 1967, 86 percent of all stolen cars were recovered. Last year, the recovery rate was under 60 percent.

Making suggestions at a statewide Michigan Anti-Theft meeting, Secretary of State, Richard H. Austin, said the statistics speak for the increasing professionalism of the auto theft and requires legislation to increase the security and efficiency of the state's current title system.

He supported passage of legislation which would make tampering with an auto title a felony instead of a misdemeanor.
Austin also advocated a salvage title or distressed title law for Michigan to head-off the increasing problem of the theft for vehicles for parts which he described as a "big-profit, low-risk business."

He said legislation is needed to require that an insurance company obtain a salvage certificate of title for any vehicle obtained as a result of an accident before the vehicle is disposed of. Salvage dealers and salvage pools would be licensed under the proposal and records would be required to identify every vehicle bought and sold by the dealer.

Austin also noted that the combination of vehicle title and registration files was under way which will improve accuracy and ability to detect fraudulent title or registration applications. He said that in 1976 alone, work by the research unit of the Department of State had resulted in recovery of 91 vehicles with a combined value of some \$617,000.

At the same time, Austin said that of the 68 persons arrested, only 18 criminal warrants were finally obtained, adding that this is why he feels auto theft is a high profit, low risk business.

Austin urged a concerted effort on the part of the auto manufacturers, government agencies, insurance companies and others in helping to improve Michigan's system at a savings of million of dollars.

Private Colleges To Receive Funds
With Governor William G. Milliken's signature on legislation last week, Michigan's private colleges and universities could receive up to \$600 for each freshman entering colleges and institutions next fall.

The subsidies will be totally phased-in for all students attending private school within four years, costing state taxpayers an additional \$25-\$35 million per year.

The new law is an attempt to minimize the high differences in tuition between public and private institutions of higher education. A continuing disparity could force

Chelsea's Argentine foreign exchange student, Maria Antonia Kovacovich, was surprised when she discovered snow at Metropolitan Airport on Dec. 23.

"When I left Buenos Aires, it was so hot—we were carrying all my luggage, and it was so hot!" she exclaims, rolling her eyes at the memory of the cold she then encountered. "It is cold in Argentina in the winter, but December is summer, and I was wearing sandals when I got off the plane. My feet were so cold..."

Maria is spending this term at Chelsea High school and living with the E. Russell Severn family on Butternut Ct.

There's nothing but good news from Chelsea's varsity track team this week—although in both cases the outcome could have been bad.

In Saturday's Albion Relays, Bulldog trackmen repeated as Section III winners with a total of 47 points by edging out Niles Brandywine in the final event of the afternoon. In Thursday's meet with the Novi Wildcats, Chelsea prevailed, 55-28, although the meet featured a Bulldog disqualification and a trio of local runners falling.

'Space World' Slated In Ypsilanti Township

Gov. William G. Milliken announced Monday that a \$40 million entertainment center, called Space World, will be built in Ypsilanti township, 30 miles west of Detroit.

The center will draw an estimated 1.3 million visitors a year. Milliken said the Michigan Travel Bureau of the Michigan Department of Commerce has worked closely for two years with the developer, Space World, Inc., of Livonia.

"When it is completed, Space World will bring millions of dollars a year to southeastern Michigan," Milliken said. "The Space World project is another demonstration that private industry and state government can work together to create jobs and boost Michigan's economy."

Slated for completion in 1980, Space World will create 150 full-time jobs and 1,100 seasonal jobs in the park itself—plus another 225 full-time and 1,600 seasonal jobs in the Ypsilanti area.

In addition, Space World will create 700 jobs in the construction trades. Construction will continue after completion of the park—with an average of \$2 million in displays being changed each year.

Milliken said the Michigan Travel Bureau has provided a \$32,000 grant to the Greater Ypsilanti Chamber of Commerce for a study to determine what facilities and programs are needed in the Ypsilanti area to meet the convention and tourism needs created by Space World.

Space World will be an awareness and entertainment center rather than purely an amusement park.

Milliken said the new law—part of his 1973-79 budget recommendation and a proposal in this year's state of the state message—demonstrates that Michigan recognizes the contributions made by private colleges and universities to the education of its citizens. He added it, most importantly, provides direct financial assistance to students and families of students attending private colleges and universities.

The Chelsea Jaycee Auxiliary held its election dinner meeting Friday, April 21 in a small banquet room at Jackson's Point East restaurant. President Barb Baker welcomed the members, followed with an invocation by vice-president Carol Smith.

After dinner, self-introductions were called for and then new members Kathy Sprawka and Shirley Weatherwax were installed. Wearing a yellow rose and baby's breath corsage, the two professed to uphold the Auxiliary's purpose during the candlelight ceremony. A welcome toast was offered by membership chairman Carol Smith.

Year-end reports were presented by the officers and old business was gone over quickly. Wrap-up reports were made on Jiffy Boxes, Special Night-In, Crazy Cards and Meal Drivers Recognition projects. Progress reports were given on the Kidney 50-50 ticket sales and the Flea Market.

Breaking from business, former district vice-president Alberta Colbry was welcomed home. A chorus line was formed and kazooes were incorporated as the group sang "Hello Turtle" to the tune of "Hello Dolly."

Officers for 1978-79 were elected as follows: president, Sandy Meyer, vice-president, Carol Smith, treasurer, Nan Rowe; and secretary, Denise Martell. Installation of new officers and the awards banquet was announced for April 29.

Under new business a P.J. Orientation was announced for new members to take place on May 12. Carol Smith volunteered to take on the Buckle-Up Babes community service project and Sue Zink discussed the possibility of a camping social called "Backwoods Encounter." Alberta Colbry agreed to assist the Jaycees with their upcoming horse show and Nan Rowe took on the Auxiliary concession stand for the event. Shirley Weatherwax will look into taking the Jaycee kids to the zoo sometime in May.

Ending the evening, Sandy Meyer was named "Girl of the Month" for March and also the "90 Day Wonder" for her dedication to the Auxiliary. The meeting was adjourned with the Creed.

One frequently underestimated problem faced by residents of metropolitan areas is the noise level that can be encountered on large city streets. In many cases, hearing specialists warn, the noise levels not only are annoying but are hazardous to the human hearing mechanism.

VFW Blood Drive Scheduled May 6

"Let's help our community." is this year's theme for the third annual VFW Post 4076 Blood Drive on behalf of the American Red Cross Saturday, May 6 at the UAW Union Hall, 218 S. Main.

From 9 a.m. to 3 p.m., 10 American Red Cross Nurses who specialize in taking blood will be on hand to help the expected 100 Chelsea blood donors roll up their sleeves.

The procedure for donating blood, according to an American Red Cross spokesperson, "is relatively painless. Persons who have reactions usually have them because of nervousness," she said comfortingly.

To qualify, a person must be between 18 and 66 or have parental permission if 17 years old, or a doctor's permission if older than 66. "There must be an eight-week waiting period between each donation with not more than five donations a year," according to the spokesperson. A person must also weigh more than 110 pounds.

"The entire process takes about 45 minutes to an hour, although the actual blood taking lasts only 10 to 15 minutes," a nurse explained. A donor first is asked for statistical information concerning age, height, weight, etc. Next, a Red Cross nurse takes the donor's personal medical history, blood pressure, and hemoglobin count. After the donor's arm has been scrubbed the "bleed in" begins while the donor lies on a bed. "We

provide juices and water and usually cookies after it's over to help the donor relax and regain body fluids," a nurse explained. "That's all there is to it."

Blood collected at the drive will be processed in Detroit and distributed to six hospitals in South-eastern Michigan.

Last year the VFW collected 82 pints of blood and the year before that 67 pints. "This year we plan to top 82 pints and get as much as possible," explained Byron Smith, VFW chairman for the blood drive. "Let's help the community," he added.

The concept that a hearing loss is equatable to a general breakdown in physical or mental capabilities is a myth. Hearing specialists point out that while hearing loss is most common among senior citizens, it can and does strike persons of all ages.

Bulldog Sluggers of the Week

SENIOR STEVE CHECK, left, is playing his second year on varsity for Chelsea and his 10th year in baseball. This year Check plays either right or left field which he says he enjoys more than playing second base which he did last year. "I'm a lot freer in outfield. I get a better angle of the game and there seems to be more running involved," the 5'3", 145-pound player said. Check played in Saturday's doubleheader against Stockbridge and hit 3 for 6 in both games combined. "I like to hit the ball more than anything else," he commented. Check said the team's strength during Saturday's games was in good fielding and good hitting. "We didn't make too many errors and everyone was quick in the infield and there were good arms in the outfield," he said. "Our team is a little weak in base stealing, base running, and bunting," he added. Check believes the team should strive towards playing offensively and aggressively. One way, Check says, is to have designated hitters for pitchers so that "they can keep their mind on one thing as they sit it out." Check was a designated hitter once during the Stockbridge game. Bunting, Check says, is another form of offense—the team could be good at. In addition to having played baseball for 10 years, Check has also played ice hockey for a decade. He plans to enter Western Michigan University after graduating from Chelsea and study engineering and drafting. He is now studying physics and trigonometry in preparation. He is the son of Mr. and Mrs. John Check, 17145 Fahrner Rd.

PLAYING HIS SECOND YEAR ON VARSITY for Chelsea, senior Mike Sweeney, right, says he's a natural for shortstop. "I've played shortstop practically since the time I learned what the word meant," the 6 foot, 190-pound player said. "I've got a good arm for making the long throws to first base from third base and I like being in the middle of all the action. Playing shortstop can keep anyone really busy with all the ground balls and pop flies coming your way during the game," Sweeney said of his position. Sweeney has played in every game this season which has given the Bulldogs a 3-3 record so far. "We're looking pretty good now with our hitting coming around and our defense holding up. If we keep doing these things right, and our pitching is good, we're going to have a good season." Although Sweeney doesn't see the Bulldogs' hitting as being spectacular "We did get 19 hits in the doubleheader against Stockbridge on Saturday and I think that although we may not overwhelm them with our scoring we can hit enough to win." Right now Sweeney says the team is working hard on their defense. "That's where we can stop them and hold them down." Sweeney's most memorable game was last year's last game with Saline. "It was very exciting to be part of that game because it was so important to knock Saline out of the title contest." Sweeney works part-time at the Lane Animal Hospital gaining valuable experience in the field he plans to pursue at Michigan State University after he graduates from Chelsea. He is the son of Mr. and Mrs. George Sweeney, 138 Owen Ct.

LYNWOOD E. NOAH

Lynwood Noah Seeks District Court Post

Lynwood E. Noah, Washtenaw County Senior Assistant Prosecuting Attorney in charge of the 14th and 15th District Courts, has announced his candidacy for 14th District Judge. Noah has been on the prosecutor's staff over nine years and as chief trial attorney has tried numerous Circuit Court jury trials.

One of those cases went to the United States Supreme Court where the verdict won by Noah was affirmed. Noah is admitted to practice in all Michigan Courts, the United States District Court for the Eastern District of Michigan, the United States 6th Circuit Court of Appeals and the United States Supreme Court.

Noah, 41, has been a particularly effective prosecutor and has represented Washtenaw County in District Court, Circuit Court, the Michigan Court of Appeals, the Michigan Supreme Court, the United States District Court and the United States Supreme Court.

Noah has also maintained a modest private practice and recently completed a protracted zoning trial in Circuit Court. In announcing his candidacy, Noah said: "Courts need to crack down on robbers, rapists, murderers and others who commit assaultive type crimes. In addition, jurors and witnesses should not have to wait as long as they do and should be treated with more consideration and respect."

Noah is a lifelong resident of Washtenaw County, a graduate of Chelsea High School, Eastern Michigan University and the Detroit College of Law. He is a veteran of the U.S. Navy and a member of the American Legion.

Prior to becoming a lawyer, Noah had extensive administrative experience with Parke-Davis & Co. and the University of Michigan. Noah received an "Outstanding Alumnus" award from Eastern Michigan University College of Business in 1977. He has been a criminal law instructor at Washtenaw Community College since 1975.

Noah is married to the former Camilla Kerkhoff, a teacher and founder of the North Lake Co-Op Nursery. The Noahs have three daughters; Mary Lynn, Alicia and Sara.

game to score Owings with the lead run. Machesky then held Novi in the bottom of the ninth to preserve the win.

In addition to Moore's two hits, Don Aldrich, Chris Kruger, and Owings also stroked one hit each. Saturday, Chelsea entertained Stockbridge in a non-conference doubleheader. "Although the Bulldogs started to hit much better, they couldn't get the key hits as they dropped both games, 5-2 and 7-4," according to Terpstra.

In the opener, senior John Daniels made his first start but had difficulty with control as he walked four and was behind on many others. However, "Chelsea should have scored more than two runs as they banged out nine hits but left seven runners on base," Terpstra commented.

Heading the offense was senior Mike Sweeney as he collected two

hits, including a long home run. Also collecting two hits each were Steve Check and Joe Ewald. One hit each went to Don Aldrich, Al Augustine, and Kurt Owings.

In the second game, senior Joe Ewald started and also had control problems as he walked 12. Junior Mike Eisele pitched the sixth and seventh innings, did not give any hits and walked only one.

Offensively, Sweeney led the way with his second home run of the day (three-run shot) and a single. Aldrich gathered three hits. Owings two, and Moore, Augustine, Check and Mike Wood one each as Chelsea totaled 11 safes but, again, left too many men on base.

This double defeat left Chelsea with a 3-3 record and 1-0 in SEC play.

Friday, April 23 Chelsea hosts Saline at 4:30 p.m. and then on Saturday, April 29 entertains Jackson Northwest in a non-conference doubleheader at 11 a.m.

Sixth Graders Enjoy 'Camp Classroom'

Lash, a teacher from Washtenaw Community College orienteering where students learned how to utilize landmarks when hiking through woods, and a variety of art classes including toy making out of natural material, candle dipping, and outdoor sketching, to name just a very few.

Sports were also among the day's activities, and students played volleyball, football, soccer, softball and went fishing in Mill Lake.

"We didn't have much luck catching fish but no one seemed to mind that," Warburton said.

Also on hand as a teacher was Dr. Lane, a veterinarian from Chelsea who explained the proper care and handling of household pets. "Most of the students have or have had a pet and found the class very informative," Warburton said.

"One of the most interesting classes was 'Life in a Bog' where the students explored the inner workings of plant and animal life in the Camp's fenced off natural bog," he said. Science teacher Alice Steinhach explained how Native American Indians who once lived in the area used the bog moss for many purposes.

In a local history class students

examined epitaphs on tombstones in an old cemetery and by reading them were able to piece together facts about the lives of people, such as their nationality and how many families were wiped out by disease. Combining history with art, students made rubbings of the tombstones.

"The camp is a fantastic experience for all of us," Warburton said. "Students are not only able to witness nature first-hand, but also see their teachers in a new light," he added.

Warburton, for example, was seen mopping floors and even the principal from their school, Alah Conklin, was seen wielding a fishing pole instead of a pen.

"If it wasn't for all the hard work of teachers, parents, and everyone involved the trip wouldn't have provided the meaningful experience that it did," Warburton said.

Although many persons are referred to the Lions Club through the Chelsea Social Services and teachers, "anyone who is in need of help can call a Lion Club member," according to Russ Severn, president of the Chelsea club.

White Cane week, according to Severn, is more than just raising money. "We are working to acquaint the public with its obligations to the people who use Leader Dogs or White Canes and to assure public recognition and observance of the law protecting persons using these symbols."

"We also want people to know that they are welcome to join our

Club members will be collecting at the Jiffy Milling Co., Chelsea State Bank, Polly's Chelsea Drug Store, Chelsea Lumber Co., the Post Office, the Chelsea Dump, and Great Lakes Federal Savings.

George Matthews, from governmental affairs of Detroit Edison Company, spoke to the Board. Wanted to report to the Board that we have about a fifty-day supply of coal on hand. We're able to stretch this very nicely due to a number of reasons. Excellent help from everyone in conserving electricity. We have excellent ties with Ontario Hydro and they are feeding a lot of electricity to us. We are now using some union mine coal that we are receiving at one of our key plants which is an independent unit, it's union and they have settled their differences and we are receiving some coal. There are a lot of things going on that are enabling us to stretch this coal out. But, as you know when we get down to the thirty-day supply then we must take more drastic action. A week from tomorrow we will begin a series of meetings with the appropriate governmental officials

representing all the communities in Washtenaw County so that we can share with them what these plans involve, how they affect different circuits, what circuits are exempt, what are non-exempt and so on.

GO, MONTE GO! While it doesn't sound very much like the name of a wine, a Paw Paw wine company is thinking of dedicating the name to a wine they produce in honor of Monte Cudd, Sr., (pictured). Monte set off Saturday, April 22 from Chicago in a fund-raising 300-mile marathon run to Detroit where he arrived Monday, April 23. Purpose of his run is to raise \$75,000 for a track at Paw Paw High school. "I think most of all, I want the track built so people will have a safe place to jog, run or walk," said the 54-year-old former track coach.

Chicago-Detroit Run May Fund Track for Paw Paw

Monte Cudd, a 53-year-old former track coach from Paw Paw, is out to prove his doctor wrong and raise \$75,000 in pledges for a new track while doing it.

Monte is running a personal marathon from Chicago's City Hall where he started Saturday morning, to Detroit's City Hall, where he arrived Monday.

He averaged 33 miles a day along Old US-12 and arrived in Chelsea Friday, 6 p.m.

Last year Monte was told by his doctor that because of arthritis in his knees and back he probably would not be able to do much running.

The money he raises will be used for a track in Paw Paw

(Falen Field) for student athletes there.

A wine company in Paw Paw said that they may name a wine after Monte, to be named, Go, Monte, Go.

Pledges may be made to the Falen Field Fund, Paw Paw High school, Paw Paw 49079.

"There will also be clowns, lots of home-made baked goods, and old fashioned popcorn," according to Jim Fitzsimmons, carnival chairperson.

REALTOR

WHAT IS AN APPRAISAL?

True, a REALTOR can suggest a selling price for your home if you intend to list it with his office. This is common practice and part of the value of selling through a REALTOR. But this should not be construed as an official appraisal.

An appraisal is the valuation of your property by a qualified Appraiser for a fee. This fee is based solely on the amount of work involved — not the market value of the property. His detailed written instrument will carry its full weight as documentation if used in any official capacity such as for tax or legal problems.

An Appraiser will provide you with a dated document which will cover in detail all the elements which go into the valuation.

tion such as: prices of comparable properties that have sold, value of location, construction, age and depreciation of the property, zoning, restrictions and reproduction cost. If it is income property he will capitalize the present and future income potential. Qualified Real Estate Appraisers will probably be members of the American Institute of Appraisers.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER-REALTY CO., 935 S. Main St., Chelsea, Phone: 475-8682; evenings 475-2621. We're here to help!

JV Softball Team Downs Novi, Milan

Chelsea's junior varsity softball team got their season off to a fine start last Wednesday as they traveled to Novi and defeated Novi, 26-8, behind the one-hit pitching of freshman Cara Feeney.

Feeney gave up only one hit while walking 10. Coach Waller said that it was a fine first outing for the young pitcher.

The hitting attack was led by Anita Powell with three hits and Jamie Atkinson and Donna Alexander with two hits each. In the field, Jennifer Ringe and Anita Powell both played noteworthy games as did the entire team as they committed only three throwing errors and no fielding errors.

Monday, the JV team met Milan in their first home game of the season and won by a narrow margin of 11-10. This was an outstanding win for the young freshmen laden team as Milan had an excellent young pitcher in Kim Humphrey. Coach Waller said that Milan had the best JV pitcher in the league last year and looks like they have another fine one this year.

"By defeating Humphrey, the Chelsea girls proved that they can face a good pitcher and still win," Waller said.

Diane Thompson started the game and pitched extremely well for the first four innings, getting relief help from Jennifer Ringe. Paula Haist, Jamie Atkinson, and Debbie Steinaway all turned in fine games in the field with Ringe and Steinaway cutting down the tying run at the plate in the top of the seventh inning with the bases loaded.

The two big hits for Chelsea were delivered by Cheryl Nadeau in the first inning, driving in three runs, and by Anita Powell, in the fourth inning, again driving in three runs.

Coach Waller said that it looks like the JV's should have a good team this year with three fine young pitchers and a good defense.

Bishop To Confirm St. Barnabas Class

Bishop Mayson of Detroit will be coming to Chelsea to confirm Laurie Beck, Michael Brown, Edward Kime, and Charles Francis Waller at St. Barnabas Episcopal church on April 30.

A native of Cleveland, O., Bishop Mayson was ordained to the diaconate in June of 1951 and was ordained to the priesthood in December of that year.

Since that time he has been a member of numerous governing boards, and committees and was instrumental in initiating an anti-poverty program in Summit county, O., which earned him the Sergeant Shriver Award in 1969 for his work.

He was also one of the founders of Fair Housing Contact Service which broke up the segregated housing pattern of Akron and Summit counties in Ohio.

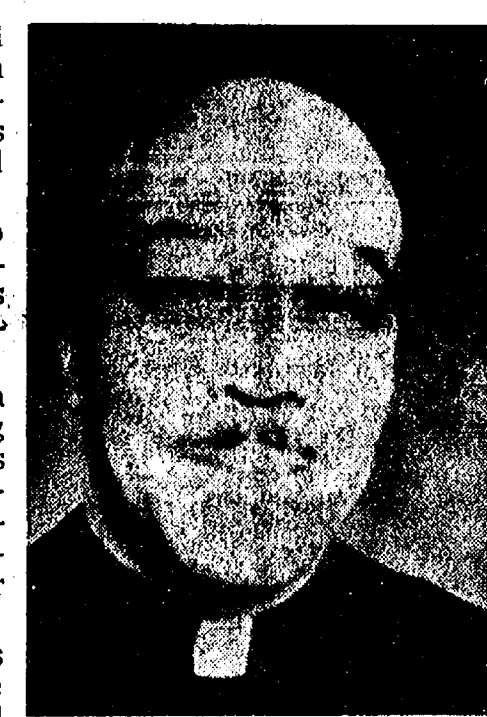

He was elected Suffragan Bishop at a Special Convention of the Diocese of Michigan held at the Cathedral Church of St. Paul on May 22, 1976 and was assigned to continue as the Head of the Wayne District.

Bishop Mayson and his wife, Alma, are the parents of two children, Heather, a student at the University of Michigan, and a 14-year-old son Michael. Mrs. Mayson teaches music at Western High school in Detroit.

Following the service he will meet with the Bishop's committee and the congregation at a reception in his honor.

Lake Superior is the second largest lake in the world, surpassed in size only by the Caspian Sea. Lakes Huron and Michigan are fifth and sixth largest.

Michigan's estimated population is 9,098,000, according to the U.S. census.

Girls Track Team Squeaks Past Novi

It took some juggling, and a win in the last event, but the girls track team was up to the challenge as they defeated Novi 60 1/2-66 1/2 Tuesday.

With Novi leading, 61 to 59, half-miler Shelley Warren won the 220 and Dawn McDowell, tied for fourth to give the Bulldogs a 66 1/2 to 64 1/2 lead going into the final event, the mile relay.

With the winner of the relay taking the meet, lead-off runner Angie Merkel opened a lead which was increased by Nancy Heller and Pris Drew and finished off by Teresa Hoffman giving Chelsea their second victory and first in the league.

The big surprise in the meet for Chelsea was Dawn McDowell who finished second in the two-mile with a fine 14:26 on her first try; at the event, then tied for fourth in the 220.

Shelley Warren paced the Bulldogs by winning the 800 and discus as well as the 220 and taking second in the high jump.

Other placers in the fine team effort were Mary Boylan second

in discus, first in shot put; Pris win in the last event, but the girls track team was up to the challenge as they defeated Novi 60 1/2-66 1/2 Tuesday.

Chelsea Co-Op Nursery Notes

Chelsea Co-op Nursery children visited the Paul Kleinschmidt farm on Thursday and Friday mornings, April 21 and 22. The children were excited by the smells and sounds of the farm. Mrs. Kleinschmidt held a squealing piglet for the children to touch. In the cow barn the children smelled the silage that is fed to the cows and most of the children got a chance to touch a cow. Honey Girl and Black Beauty were two of the horses visited. The children decided it was a wonderful farm.

Three Eagle Scout Awards Will Be Presented Saturday

David Hall, William Burgess, and Joseph Vaillencourt will be honored Saturday, April 29 at a special Court of Honor at St. Paul United Church of Christ when the three boy scouts will be presented with the coveted Eagle Scout Award.

The award culminates many long and arduous hours of work by each scout including the accumulation of 24 merit badges in addition to a special community project.

Hall, Burgess, and Vaillencourt all became involved in scouting at the same time nearly seven years ago and have belonged to Troop 476, led by Duane Hall, for the past 5 1/2 years.

David is the son of Mr. and Mrs. Duane Hall, 7019 Glen Circle; William is the son of Mr. and Mrs. Charles Burgess, 717 Taylor; and Joseph is the son of Mr. and Mrs. Thomas Vaillencourt, 12345 Jackson Rd. The three scouts are sophomores at Chelsea High school.

To meet the requirements for the Eagle Scout Award, each scout had to select, organize, and carry out a special community project.

Hall, for example, had as a project a Citizen's Band Radio registration under the auspices of the

Chelsea Communications Club. Owners of CB radios were given an opportunity to bring in their radios to be inscribed with their driver's license number and have their radio listed with the Chelsea Police Department.

Burgess, last March, carried out a free auto safety check where car owners were provided with minor auto inspections of the electrical system, tires, steering control, and windshield wipers.

Vaillencourt's project involved cleaning up Hatt Cemetery on Loveland Rd., in Sylvan township. Vaillencourt directed and helped with the work of removing overgrown brush and small trees, mowing the grass, and raking leaves.

Each scout also needed to earn 24 merit badges as part of the requirements for achieving the Eagle Scout status. Several of

these included learning emergency preparedness, first aid, wilderness survival, traffic safety, citizenship in the community, nation, and world, and public health.

Presenting the awards on Saturday will be Harold "Uncle Bill" Baker, a former scoutmaster in Chelsea and currently a teacher in Detroit.

More than 150 persons, friends and relatives of the scouts, are expected to attend the 5 to 10 p.m. affair to be held in the Fellowship Hall at St. Paul's church. A banquet will be served and the scout's parents will give a reception following dinner with coffee, punch, and an Eagle cake made by Mrs. Sumner Osterle who also made last year's cake.

The 3 awards will bring the 21 year-old Troop 476 number of Eagle Scouts to 24.

Noted Author To Speak on 'Coping With Bereavement'

Harriet Sarnoff Schiff will be speaking at Chelsea High Auditorium April 28, at 7:30 p.m. She wrote the book, "The Bereaved Parent," which has been so widely received, that it is in its seventh printing.

Who can better help someone who is grieving, than someone who has already been through it. Mrs. Schiff offers knowledgeable support for anyone who faces this experience and this is something everyone has, or will have to face.

Just like most anything else, grieving has predictable stages. Mrs. Schiff recognizes and defines these stages and she can give helpful suggestions on how to reconstruct your life, to laugh again and enjoy the company of other people again.

Come and hear what this speaker has to say, it is knowledge that may be used someday; something you can fall back on if you are ever hit with the grief of losing a loved one; reassurance that you can survive it and live again.

Tickets will be sold at the door or are available in advance at Vogel's or Country Craftique. The program is being sponsored here by Modern Mothers Child Study Club.

The GI Bill, which has cost nearly \$41 billion since World War II, is only one of many veterans' programs administered by Max Cleland, Administrator of Veterans Affairs, the VA said today.

Softball Team Gets 2 Big Wins

This past week the Chelsea girls varsity softball team ran its record to 4-0. "Our quick start has to do with our strong offensive attack," says Coach Bill Westcott. "Right now our girls are hitting the ball real well."

In the first four games, Captain Tracy Hawker has nine singles, three doubles, and one home run for a batting average of .850. Nanette Push has chalked up three pitching wins and has struck out 24 hitters in the 24 innings she has pitched. Freshman Jenny Ringe was credited with the other pitching victory.

Chelsea opened its season on Wednesday, April 19 defeating Novi, 6-2. Chelsea was behind, 2-0, before a four run rally in the fifth inning. Cathy Volta made four put-outs in right field and Chelsea came up with 13 hits to Novi's five. Nanette Push started and finished the seven-inning affair.

On April 22 Chelsea swept a doubleheader against Ann Arbor Greenhills, 28-3 and 26-9. In the first contest Tracy Hawker and Patty Hume both belted home runs.

Nanette Push struck out eight and was credited with the victory. Shortstop Molly Eisele rapped three base hits to pace Chelsea to their 28-3 win.

In the second game Cathy Volta's grand slam and a home run by Nanette Push paced Chelsea to a 26-9 win over Greenhills. Jennifer Ringe was the winning pitcher for Chelsea.

On Monday, April 24, the girls varsity softball team downed Milan by a score of 16-7. Amanda Schwarze, Molly Eisele, Patty Hume, and Tracy Hawker had two hits each. Nanette Push was the winning pitcher, striking out seven Milan hitters in the SEC game.

Chelsea is now 2-0 in the Southeastern Conference and will take on the Saline Hornets at Saline this Friday. After Saline the Chelsea girls will tackle Ypsilanti Lincoln on Tuesday, May 2.

Girls Track Team Loses To Brighton

Brighton won every event but the half-mile last Thursday as their girls track team defeated Chelsea, 100 to 30, with their prominent talent and great depth. They left the Bulldogs no doubt as to why they are picked to repeat as SEC champions.

Chelsea did have one bright spot in the half-mile with Shelley Warren winning and Nancy Heller placing second. Brighton had two double winners: Sue Brown in the mile and two mile and Joy Lancour in the sprints.

Other placers for Chelsea were shot put, Mary Boylan second and Lorrie Vandegrift third; discus, Shelley Warren second; high jump, Shelley Warren second; two-mile, Gayle Beyer second; 440, Theresa Hoffman second; mile, Pris Drew, third; Gayle Beyer, fourth; and 220, Debbie Honbaum, third.

RUBBISH PICK-UP: Chelsea residents proved their strength Sunday as they carried to the curb every last piece of junk (or treasure, depending on which side of the curb you stood) for the annual spring clean-up. Pictured are, from left to right, Joe Brannham (on the truck), Chuck Stoddard, Bill Paul, and Fred Petsch, director of the DPW. Also working were Chip Winans, John Houle, Dave Bulson, Ellis Petsch, and Mark Brennam. Fred Petsch begins clearing off the 30-foot long pile in front of the E. Middle St. apartment building owned since last November by Chuck Walters. Walters and his tenants worked together last week-end clearing out "at least 10 years worth of previous tenants' belongings left behind," Walters said. "The clean-up is a really unique service the

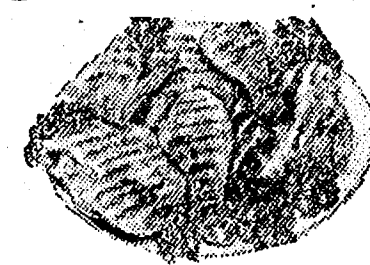

village provides and I'm sure it makes homes a lot safer with less junk, like old paint, hanging around." Walter added that "we made a lot of people happy with the stuff we threw away." One girl, he said, "was thrilled when she found a set of casters to use on her old-fashioned hand washing machine." Someone else is going to have sound in his TV, thanks to the clean-up, when he discovered a television like his own there and removed its speaker. Petsch also said he found a perfectly good sump pump for his home and would like to "thank whoever threw it away." This year the clean-up took nearly three days to complete with more than 70 truck loads carried off to the dump. "We had a great time, good weather, and came away with some good stuff again this year," Petsch said.
