

OLD US-12 IMPROVEMENT: New curbs and gutters are only part of the road work being done on Old US-12. The road will be widened from 20 feet to 36 feet from Wilkinson St. east to M-52,

and new sidewalks will be installed. "Eventually we will be able to establish a regular parking program on Old US-12," Fred Weber said.

FEDERAL DOLLARS AT WORK: Across from the Chelsea fairgrounds on Old-US, a back hoe prepares the ground work for street widening and new curbs, gutters and sidewalks. Once the work is completed (by mid-June) "people who live in the area will have an

easier time walking to Main St. and to the fair," according to Fred Weber, village administrator. The road project is being funded through a special federal grant with no cost to the village.

Two Chelsea Bands Compete in Festival

Beach Middle school 9th grade band members, and the Chelsea High school symphony band, directed by Steve Bergmann, competed in the State Band Competition held in Chelsea Saturday, April 29.

The 9th grade band received a Division I rating, two Division II ratings in concert, and a Division II rating in sight reading for an over-all rating of Division II.

The Symphony Band received two Division I ratings, a Division II rating in concert and a Division I rating in sight reading for an over-all Division I rating.

"I would like to commend the 9th grade band in particular as they were competing against 9-12 graders and were the only 9th grade band at the festival. I am proud that they did so well. The Symphony Band is a fine band and they proved their superior

ability," director Bergmann commented following the festival.

On Thursday, May 11, in a Symphony Band concert exchange, the Chelsea Symphony Band will be traveling to Groveton High school in Alexandria, Va., and returning Sunday, May 14. "We are anticipating that the concert exchange will become an annual event," Bergmann said.

Band members will spend Thursday night in Pittsburgh, Pa., Friday night in Washington, D.C., at the Quality Inn at the Pentagon, and Saturday night performing with the Groveton band. They will travel all night Saturday so that they will arrive in time for Mother's Day, Bergmann said.

Through candle sales during the Christmas season and by having their marching band camp at home this year, the band members have financed their own trip, Bergmann added.

Girls Track Team Swamps South Lyon

Chelsea girls track team had a much easier time than expected Thursday, April 27, as they downed South Lyon, 91-45.

Leading the Bulldogs were Debbie Honbaum who won both dashes and anchored the winning 440 relay, and Shelley Warren who won the 880, the high jump, and ran on the winning mile-relay.

The meet was close through the first six events but the girls be-

gan pulling away with the 880 which Warren won, followed by Teresa Hoffman and Nancy Heller, all with excellent times.

Honbaum won the 100 with Sue Heller who placed third and Betsy Ball tying for fourth. Lori Miles and Sherry Cherry ran 1-2 in the hurdles and Angie Merkel and Shelley Warren ran 1-2 in the 400. Miller Pris Drew ran a fine

Cameron Roast Tickets Available

Tickets for the June 3 "Charlie Cameron Roast" are now available at numerous Main Street businesses, according to Bob Foster, ticket chairman for the honorary dinner. They are priced at \$6.50 each.

The evening promises to be both a testimonial to the man who has served Chelsea and Chelsea schools for the past 41 years as well as an opportunity for former Chelsea students to gather in an impromptu reunion, according to Rolly Spaulding, chairman for the event.

A reception sponsored by the Chelsea Kiwanis Club, will be held in the high school cafeteria and a sumptuous banquet will be served in the gymnasium. Master of Ceremony will be Al Johnsen, for-

CHURCH ANNIVERSARY: "Built entirely of fieldstone, with broad unbroken front, constructed somewhat on the plan of an old Scotch church, low, with crowstepped gables, the church is undoubtedly the finest, for its cost, in Southern Michigan," so said an account of the First United Methodist church on Park St., at its dedication Feb. 25, 1900.

On Sunday, May 7, the church will celebrate its 125th anniversary and the public is invited to attend the worship services at 10 a.m. and the 2 p.m. historical program which will include a chronological historical view of the church, accompanied by a choreography of fashion and music reflecting world history in relation to church history.

Methodists Celebrating 125th Anniversary of Chelsea Church

An unusual memorial gift, and a special presentation by student church members will be featured during the 125th anniversary celebration of the First United Methodist church on Park St., Sunday, May 7.

In memory of the Rev. W. Scott Westerman Sr., who attended the church and lived in the Methodist Retirement Home until his death in 1977, a set of 25-note Malmark hand bells will be given to the church.

"The bells are cast in bronze and very finely tuned," according to choir director Mrs. Clare Warren. "The Rev. Westerman was very interested in the music program (he was a trained musician) he added. As a result of the gift, Warren said that a number of new chairs will be formed to see the art of playing the hand bells.

"They produce a lovely sound and will be a beautiful addition to our music program," Warren said. "Each bell produces a single note and any number of players can join to play music. The Rev. McCallum calls the bells intergenerational and hopes to see a choir of all age groups form.

Celebration of the anniversary will begin with morning worship at 10 a.m., followed by an 11:15 coffee fellowship hour and a planned pot-luck dinner at noon.

At 2 p.m. a historical program entitled "Celebrating Our Heritage," written by Donna Palmer, narrated by Mrs. Edwin Brown and William Coelius, music by John Schenk and a closing solo by Beverly Slater, will be presented.

A Vesper service will be held at 4 p.m. led by the church candidate for the ministry, David Sweet. A meditation will be given by the Rev. King Hanna of Marquette.

Students of Beach Middle school and Chelsea High school who are members of the church will highlight the narration of the church history by dressing in the styles and customs of each period, according to Donna Palmer.

"Twelve students will depict the times and feelings of our church history as they correspond to the happenings of the world," she said. "The music played during the narration will also represent the style of music popular over the years."

To capture the essence of a period, students will appear dressed in flapper outfits which dominated the 1920's, military uniforms of the 1940's, blue jeans and picket signs which prevailed during the 1960's, and the styles of today reflecting what Palmer describes as "nostalgic."

Music will range from early

blues and jazz to the sounds of Glenn Miller's band and rock-and-roll.

The committee for the celebration planning includes general chairman, Donna Palmer; services, the Rev. Marvin McCallum; invitations, Joanne Weber; cleaning, Janis Miller; history, Louise Gaunt; planned pot-luck dinner, Pam Lewis; and grounds cleanup, Jim Hoffmeyer.

Louise Gaunt, the church historian and active member of the congregation since 1910, will be recognized during the anniversary as she celebrates her 79th birthday. Singing for the services will be the Kinder, Pratic, and Chancel Choirs and former pastors will travel to Chelsea to take part in both the morning worship service and the afternoon program.

Included on the list are the Rev. and Mrs. S. D. Kinde, the Rev. James Craig and family, the Rev. and Mrs. Robert Worgess, the Rev. Clive Dickens and family, and the Rev. and Mrs. King Hanna. Mrs. Orville Morrow is also on the guest list.

The Chelsea Methodist church was founded in 1853 by the Rev. B. A. Hedger, who was pastor of what was then the Lima Center Methodist church. The Rev. Ebenezer Steel was the first assigned

Major Street Improvement Projects Start

Chelsea streets and sidewalks will soon be in a state of great upheaval but everyone from the Michigan Bell Telephone Co. to the village office is promising that the work will go as quickly as possible and "there should be no reason for delays," Village Administrator Fred Weber said.

Work has already begun by Michigan Bell along Main St., beginning at Summit St. and continuing on the east side of M-52 until they cross over to the car wash and continue on the west side of M-52 to within 600 feet north of I-94.

Already two weeks into their work, the telephone company is in the midst of a \$244,000 project of burying conduits (pipes) for major trunk lines. In short time the staked-out area on Main St. will be completely torn up in three or four foot widths—grass, sidewalk, and all—for the conduit trenches.

"Our work will be accomplished with the least amount of inconvenience to the public as possible," Ma Bell promises.

Purpose of the major project, according to Dan Roth, communications manager for the telephone company, is two-fold. "The new trunk lines will improve the quality of connections between Chelsea and such places as Ann Arbor and Manchester, and they will help accommodate the new subscriber growth that we are expecting," he explained.

"We will be responsible for complete restoration of the area following our work which will include replacing all of the sidewalks, pavement, and lawns that are disturbed. You will hardly know we were there," he added.

Roth said that Chelsea residents who have any questions about the project may call, collect, the Michigan Bell Conduit Department at 537-9757.

While Michigan Bell's contractors are completing their work, the village will be completing three major road projects, two of which were started last fall. The village will also begin, sometime in June, the recently approved Street Improvement Plan for seven local streets.

The project will be funded in part by the village—\$40,000 from weight and gas tax revenue, and approximately \$106,000 to be paid for by the Michigan State Department of Highways and Transportation (MSDHT).

The first project involves widening M-52 beginning 600 feet south of Old US-12 and ending 1,845 feet north near the Chelsea Community Hospital entrance. There will also be widening of Old US-12 200 feet west of M-52 and 500 feet east of M-52.

June 1 is the expected starting date and the project should be completed by the end of July. "Because of variable weather conditions we cannot give an exact

finishing date, but two months is a fair estimate," according to a spokesperson for the road construction company, Cunningham & Gooding, from Ypsilanti.

Specifically, M-52 will be widened from its current 20-foot width to three 12-foot lanes which will include a left-turn lane. Old curbs and gutters will be removed and replaced with new ones, new drive approaches will be replaced where required, and the road surface will be capped with 2 1/4 inches of bituminous concrete. There will also be sidewalks installed equipped with wheelchair ramps near the Chelsea Medical Center entrance.

Work on Old US-12 will involve widening the west side to 36 feet for three lanes, including a left turn lane, and widening the east side to 43 feet near the intersection to accommodate both a right and left turn lane. The island there now will be redesigned for traffic turning right onto M-52. New curbs and gutters will be installed and the road capped with bituminous concrete.

"Eventually, although we can't say when exactly, a traffic signal will be put up at the intersection of M-52 and US-12," according to an official at MSDHT. "The signal is on order but there are only two crews for the whole state of Michigan who install traffic lights and it is impossible to say when they will come to Chelsea," he added.

In 1975 the MSDHT did a study of accidents at the intersection and recorded 17 accidents in a 20-month period. Nine persons injured minor injuries according to the study.

"A common misconception of traffic lights is that they will reduce accidents," according to Larry Surbaski of the MSDHT traffic department. "Accidents, however, actually go up when a signal is installed."

There is, he explained, a difference in the type of accident. "Without a signal there are more right-angle collisions where a driver runs a stop sign and collides with a car on an oncoming lane. With a signal there are more rear-end accidents. Injuries, he said, are fewer in a rear-end collision than a right-angle accident.

While the M-52, US-12 construction is in progress, the village will be at work on their own Old US-12 Capital Improvement Program.

From the point where MSDHT inches on Old US-12 West, the village will begin widening the 30-foot-wide road to 36 feet west to Wilkinson St. "For the past few weeks we have been busy laying a sand base for the sidewalks," Fred Weber said. In addition to new sidewalks, the village will be replacing old curbs and gutters and resurfacing the road with bituminous concrete.

BOSS OF THE YEAR: Paul G. Schaible, executive vice-president and cashier at the Chelsea State Bank, has been chosen as this year's "Boss of the Year" by the Chelsea chapter of the American Business Women's Association (ABWA). Schaible was nominated by Jackie Schiller who has been with the Chelsea bank for six years. Schaible "was very pleased and very surprised" by his selection

during the award presentation Tuesday, April 25. Schaible began working for the bank in 1956 and has served as president of the Kiwanis, Jaycees, and St. Paul church. Schiller described her employer as "conscientious, fair, and truly caring. It is how he handles the everyday problems that arise with the employees and customers that truly matter to me," Schiller commented.

Chelsea's varsity track squad made its six consecutive dual meet victories last Thursday, trouncing Brighton by a lopsided score of 96-27. The win puts the Bulldogs record at 4-0 in the Southeastern Conference, where they are lodged in a two-way tie for first place with South Lyon.

Two new tennis courts were dedicated last Friday at the North Elementary school. Financing the courts were the Chelsea Child Study Club (\$600), and the Chelsea Board of Education which donated land and \$2,500.

On the market as of Sunday, May 12, is the product of work by Chelsea High school's building trades class. Students were involved in all phases of construction of the three-bedroom ranch from excavation for the basement to the landscaping of the site.

A group of 11 students from Chelsea School District's special education class, taught (and coached, in this case), by Nancy Oswald, earned a big total of 34 ribbons in last week-end's regional Special Olympics in Milan.

In their league opener, Chelsea's girls softball squad defeated Lincoln, 13-11, at Lincoln Tuesday afternoon.

Quality of Representation

Legislators are human and, as humans, they are capable of and allowed to err.

However, some mistakes, as they have recently been surfacing in the Michigan Legislature, cannot be tolerated and serve only to further erode confidence in elected officials.

Currently, five members of the legislature are having difficulties, either legal problems per se or problems with public appearance which lead to feelings that they may not be as "clean" as they would like the public to believe—especially during important election years.

Sen. Earl Nelson (D-Lansing) is struggling to repolish his public image following reports of a personal loan received from a dog race

ing lobbyist just weeks before he introduced legislation to legalize the sport in the state.

Nelson, in requesting a Senate in-house investigation into the loan, claims no wrongdoing and his only crime is that he is not independently wealthy so he would never have to borrow any money.

Granted, no impropriety may be involved, but Nelson, who holds a position of public trust, failed to apply the final test of appearance of the loan before accepting the \$5,000.

Another state senator, Arthur Cartwright (D-Detroit) is currently under indictment on expense account fraud involving public tax money.

Senate leaders say there will be no move to force him out of office while the charges are pending and Cartwright may very well

be a candidate for re-election next year.

The House of Representatives, meanwhile, is struggling to determine whether or not a convicted felon should remain a member following his conviction which was not one of a "breach of public trust."

Rep. Monte Gerald (D-Madison Heights) was recently convicted of embezzlement of funds from a law client. He has been disbarred from further practice of law, but his legislative colleagues cannot decide his future as a representative of the people.

The matter has simply been referred to a standing committee where some resolution is expected within 30 days.

Meanwhile, two other members—Sen. Basil Brown (D-Highland Park) and Rep. Dennis Dutko (D-Warren)—continue writing their histories of drunk driving arrests.

The trust of the people has been divested to these and all members of the legislature by the electorate. Disregarding whether a person in such a position is convicted, waiting trial or just exercising bad judgment, voters must take a serious look before returning these people and all incumbents to office.

In all cases, the people, through their right to vote, must make these important decisions. Voters must take a long, hard look at all candidates presenting themselves for public office.

The ultimate decision rests with the voter of who and what caliber of individuals will serve as their elected, trusted representative to carry out the business of the people.

Teacher Licensure Delayed

Legislation on teacher licensure or certification has been delayed indefinitely by the House Education Committee. A subcommittee that was to develop proposed changes in the current system of certification was unable to make recommendations with such divergent positions of various members of the educational community.

Rep. William Keith (D-Garden City), chairman of the subcommittee, said a recommendation for no action was the result of deep and widespread distrust of proposed bills and totally opposite views on the issue held by the state's major teacher organizations.

"The subcommittee has found little or no willingness to compromise on any of the points of difference between groups representing teachers and groups representing school governance," Keith said.

The proposed changes would have created a licensing commission dominated by teachers with

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Folks that got skinned down to one pair of pants and their vote at income tax time last month probably know how Naam Hankins felt the other day in the police station in Porter, Indiana. They don't feel like they got a friend left in the world. Clem Webster had a clipping at the session at the county store Saturday night that told about Naam and his problems.

It seems Naam had a spat with his old lady, went out and got drunk, got in a fight and got arrested. He told the law he wanted to use the telephone call he had coming to call God, the only friend he had left. The item said the officer didn't let Naam make his call because it was long distance.

Mister Editor, the fellows got started on a discussion of the hot line upstairs, but they realized right off they were in over their heads. It was Clem that insisted God is a local call, but he went on to allow that poor Naam would of been in worst shape if he had got through and hadn't got a answer, or got a busy signal. Zeke Grubb said he figured Naam was able to make his own connection as soon as he sobered up, and, besides, he was more concerned with word that the buck don't stop at President's Carter's desk. Zeke had saw where reporters noticed that Carter had President Truman's sign took off his desk after he borrowed it from the Truman Library when he first took office.

Furthermore, Zeke said, the sign now is next to a bronze bust of Truman on a side table in the Oval Office. You can read all kinds of things into this, allowed Zeke, beginning with the chance that the cleaning lady moved the sign when she was dusting and forgot to put it back. More likely, Zeke went on, Carter is tired of hearing all the talk about how his performance so far has been all flash and no cash, and he's fixing to improve on Truman's slogan. There's no need for the sign when Carter can create a Department of Buck Analysis and Recommendation with a flick of his pen. When he runs across a buck passed to him in the morning mail, he can tell his secretary to send it to BAR, and Hamilton Jordan will handle it, cause he's always there.

Actual, said Ed Doolittle, the President moved his sign at a good time, with the country pretty well split on whether Carter and Congress sold America down the canal, or give Panama its canal back. Either way, Ed said, it looks like a job for BAR. No telling what folks will do if the President gets federal agencies writing regulations in plain English. If Americans start understanding what their Government is doing, they're libel to find all kinds of things to complain about, was Ed's words.

Personal, Mister Editor, I hope Carter can handle this fixation we got on Panama and get on with some of the other "ations" that keep the country nervous. We got inflation, taxation, education, immigration and segregation, fer starters.

Yours truly,
 Uncle Lew.

Scout-O-Rama Slated On EMU Campus

Dedication to self improvement and development of leadership skills will be celebrated by area Boy Scouts May 20 during the Washington District of the Wolverine Council's Scout-O-Rama, 1978.

The event, to take place from 11 a.m. to 7 p.m. in Bowen Fieldhouse on the Eastern Michigan University campus, will showcase achievements of individual troops and packs within the council during the past year.

Scouts will also begin mapping out future goals in a reflection of the Scout-O-Rama theme, "Directions '78."

Between 35 and 40 Boy Scout units from Washtenaw, Livingston, Monroe and Lenawee counties will be participating in the program

jurisdiction of credentials for regular and specialized areas. The commission would set licensure qualification.

Currently, teachers obtain certificates from the Department of Education after completing a teacher instruction course.

and have already reserved space for indoor and outdoor display.

Included among these will be pinewood derby, aviation, camping, badge work, and special projects exhibits, as well as several public service displays. Some races have also been planned.

Chairing the day-long program for the Washtenaw District will be William C. Rogers, owner of Plymouth Colony, Inc., an Ypsilanti realty firm.

Rogers called Scout-O-Rama "a multi-purpose event organized to give scouts an opportunity to take pride in their accomplishments, and to familiarize the public with scout activities."

Awards will be presented to outstanding unit displays and individual scouts, with judging to be done by the Ypsilanti Breakfast Optimists Club.

Invitations to Scout-O-Rama have been extended to public officials and several are expected to attend. The officials will address scouts, their parents and friends at the awards ceremonies.

Tickets to Scout-O-Rama are now

Conlin Bill Will Outlaw 'Fuzz Busters'

"Fuzz busters," those electronic devices designed to detect police speed monitoring equipment, will become illegal if legislation introduced recently by State Representative Mike Conlin (R-23 District) becomes law.

Conlin's bill, House Bill 9228, amends the Michigan penal code to outlaw the devices and makes their possession or sale a misdemeanor punishable by 90 days in jail, or a fine of \$500, or both.

"I think the legislature's position on this issue should be clearly evident, and I predict this bill will pass without any trouble at all," he said.

being sold by area Boy Scouts. Proceeds from their sale will be used to support the programs of area Boy Scout units and troops throughout the coming year.

Mr. and Mrs. David J. Boham

Karen D. Salyer, David Boham Are Wed in Fitchburg Church

Karen D. Salyer and David J. Boham were married March 31 by the Rev. Charles E. Roark at the Trinity Pentecostal church in Fitchburg. The bride was given away by her uncle, Charles E. Salyer of Chelsea.

Karen is the daughter of Mrs. Vergilinda and the late Alonzo Salyer of 18504 M-52, Chelsea. David is the son of Mr. and Mrs. Donald Boham, 20080 Brown Dr., Chelsea.

The bride wore a white silesta knit gown with a high neckline and a back and front bodice featuring cut-out venise lace. The long fitted sleeves also had a cut-out lace detail. The cowl draped back became a hood etched with silk venise lace. She carried a bouquet of pink sweetheart roses, white carnations, and baby's breath.

Maid of honor was Donna Salyer, sister of the bride and the bridesmaid was Theresa Dyer, niece of the bride. They both wore blue knit gowns with a high neckline, and a front and back bodice cut-out with venise lace and carried bouquets similar to the bride's.

Hospital Volunteers
Plan Card Party
Volunteers of Chelsea Community Hospital are busy preparing for their annual card party to be held at the Hospital Dining Room on May 11. Reservations may be made by calling: Ella Aldrich, 475-7087, or Marilyn Poulter, 426-4038. Also they will be giving a tea June 1 for the people playing Marathon bridge.

June 6, at 9:30 a.m. there will be a membership meeting at the hospital for all volunteers. Robert Wojtowicz will be the speaker, followed by a business meeting and lunch.

VFW Post Planning
Trip to Tiger Game
June 11 has been designated by the management of the Detroit Tiger Baseball Park as Veterans of Foreign Wars Day.

Chelsea VFW Post No. 4076 has started plans to purchase a block of tickets for the game between the Tigers and the Kansas City Royals which will begin at 1:30 p.m.

Chairmen Jim Finch and Fremont Boyer said they will make all arrangements for the trip and remind members to notify them by May 12 for their reservations.

Secretary of Labor Ray Marshall has cautioned young people thinking of dropping out of school that a high school education has become the minimum standard of entry for almost all jobs.

Methodist Church...

(Continued from page one)
During a special Quarterly Conference in 1933, authorization was given to proceed with the plans to build a 13-room education building. After the successful raising of \$35,000 in contributions and pledges, chairman of the building committee William Freeman said, "It is, indeed, a cause for much joy and truly amazing that this great work for the church could be done. It should prove to be a deep satisfaction to everyone who had a part in the project. The friendly spirit of workers and contributors alike, is, in itself, proof of a spirit of Christian fellowship which is heartwarming."

In 1971, during the pastorate of the Rev. Clive Dickens, a new parsonage at 10 Sycamore Dr., was purchased for \$45,000. The old parsonage, after serving a brief time as an OEO teen center, was removed and the area filled in. A pine tree was planted in 1977 in memory of Mrs. Alice Semmunk who was an active church member until her death more than a year ago.

From a congregation in 1853 of 316 members, the church has grown to a membership of 549. Among them are Blanche Mohrlock, 92 years old, who joined in 1911; Irven and Fern Weiss, who were married 66 years ago in Chelsea by the Methodist minister who came to their home in a horse and buggy; Rena Roedel Walworth, 86 years old, who joined in 1902 and still remembers the old church; Neva Prudden, 83 years old and remembers joining in 1920; Louise Gaunt, 79 years old, and joined in 1910; and Mrs. Gaunt's sister, Florence Ives who joined in 1912.

Writing the on-going church history are Mrs. Matthew Betz, Mrs. S. D. Kinde, Mrs. Edwin Gaunt, and Mrs. Barbara Brown.

When the church celebrated its centennial Dr. Frank L. Fitch, the district superintendent, and Dr. Otto Nall, editor of "The Christian Advocate," participated in the morning worship service. Special music was provided by organist Claude Isham and Jay Thompson, soloist.

Of special interest during the 100th anniversary was a display of old hymnals and Bibles one of which had belonged to Judson Collins (1832-1852), the first Methodist missionary to China, and a native of this vicinity.

In 1954, extensive repairs to the church were made, including a new roof, pointing of all stone work, and the leading of all windows. The church sanctuary, nave, and adjoining rooms were redecorated and in 1955 the first floor was completely recarpeted.

Chelsea Teacher Will Direct Tri-County Special Olympics

FOR A BRIEF MOMENT, Nancy Cooper relaxed from her duties as special education teacher and athletic coach for Chelsea Special Olympians and smiled as she told of her acceptance to become the tri-county regional director for the Michigan Special Olympics. "I should have done this long ago, and I'm very pleased to accept the position," Cooper said. Cooper will assume the duties of co-ordinator for Monroe, Livingston, and Washtenaw counties immediately and said she is "working hard to get Monroe and Livingston counties as active as Washtenaw is now." "I'm especially looking forward to being involved in the International Special Olympics in 1979," she added. The international competition will be held in New York and the Roman Meal Bread Co. is raising funds to send Michigan special athletes to the event.

National Rosary March Slated Sunday in Ypsi

Rain or shine the National Rosary March, Prayer For America Sunday will be held by St. John the Baptist Parish in Ypsilanti at 2:30 p.m., Sunday, May 7. The assembly will begin at 2:30 p.m. with a call to prayer at 3 p.m. There will be a rosary, congregation singing, consecration to the Blessed Mother, and the regional clergy will participate. Also participating will be the Blue Army, Legion of Mary, Knights of Columbus, Daughters of Isabella, Girl and Boy Scouts, and Rosary makers. All faiths are invited to join. Directions from the west: Take I-94 to US-23, take Ypsilanti exit to Washtenaw Ave. to Ballard St. Turn left on Ballard and cross W. Cross. Parking lot will be on the right. Directions from the east: Take I-94 to Ypsilanti exit, bear right onto Huron St. to W. Cross. Turn left on W. Cross and enter parking lot just after church.

Honored By Girl Scout Council

Two volunteers from Chelsea, along with several other women from the neighboring communities, were honored for their contributions to the Girl Scout Council at the recent annual Council Meeting of the Huron Valley Girl Scout Council held at Camp Linden. A record crowd attended the meeting where Connie Amick, troop leader of the Chelsea Methodist Home Troop No. 777 was presented an award for developing a productive partnership between girls and adults. Troop No. 777 girl members' average age is over 80 years. Also recognized for her work was Bert Hinz of Chelsea who was elected as national Council delegate.

Council OKs Agreement on Bus Service

Chelsea Village Council approved a \$800 service agreement for one year with the Ann Arbor Transit Authority (AATA) during the regular meeting April 18.

Although the exact date of when the blue and maize busses will appear in the Chelsea area, is not yet set "we will probably start sometime in June," Karl Guenther, director of AATA said.

Funded, in part, by a special grant from the Michigan Department of Highways and Transportation (MSDHT) the AATA will be strictly for senior citizens and handicapped persons and "in no way will interfere with the existing CATS service now provided in Chelsea," Guenther said.

Where the CATS system provides transportation within the village, the new AATA service will provide transportation outside the village to such places as Manchester, Dexter, and Ann Arbor.

Guenther said that there will be daily runs but because they have not yet received the grant from MSDHT they are unable to set a date for beginning the service.

Guenther added that although senior citizens and the handicapped have priority making reservations for Dial-A-Ride, "it may be possible at times for the general public to use the system." This, he said, might happen if a bus is not filled to capacity by senior citizens or handicapped riders and an extra space is available.

Kindergarten Round-Up Slated Tonight

Registration for fall kindergarten classes will be held tonight, 6:30 to 8 p.m. in the South Elementary school cafeteria. It is important that children beginning school this fall to register at this time so kindergarten classes may be planned.

To register, a child must be five years old by Dec. 1. The state requires parents to present school registrars with a birth certificate from the county clerk's office of the county of their child's birth.

Upon registering their child, parents will receive a school medical form to be used in recording information about a child's physical examination, immunizations and health history. The form must be returned to the school office prior to the beginning of the school year.

School officials will provide information about transportation, health, school readiness and other pertinent data at the time of registration.

Any parent unable to attend the May 4 registration meeting may call either South or North school at 475-9131, to register. Arrangements to complete the required registration forms should also be made at that time.

Car Wash Planned

Chelsea Girl Scout Cadette Troop No. 98 is busy planning their car wash for Saturday, May 6 at the Great Lakes Savings parking lot from 9 a.m. to 5 p.m. The car wash will help the troop raise money for their trip to Washington in June. Scouts and their parents will be washing cars.

Trackmen Down Lumen Christi, Jackson NW

Chelsea High school boys track team ran Jackson Lumen Christi and Jackson Northwest Tuesday April 23 and on a double dual most easily defeated Lumen Christi, 80-78, and Northwest, 108-47.

Lumen Christi defeated North west, 118-35. On a triangular scale, Lumen Christi scored 77, Chelsea 74 and Northwest 10. On a dual meet basis Chelsea was able to up its record to three wins and five losses.

The meet saw a number of personal bests for Chelsea athletes as the weather co-operated for the first time. Plus many of the meet are beginning to feel the benefits of conditioning and the team is beginning to come together overall. Coach Bert Kruse commented.

Leon Brown set a new school record in the discus, 130'11", breaking Bob Ball's mark of 134'9". Ball just missed his own record in the shot put by 1/4 inch, winning with a toss of 51'1/4".

Rod Sweeney had a personal best of 6' in the high jump. Randy Harris had four personal bests in the high jump, hurdle events and a leg of a relay.

All three relay teams had their best times of the year with the 380-yd. relay team of Blaine Sullivan, Matt Fisher, Jim Peterson, and Pat Stevenson running 3:39.9, and the 440-yd. relay team of Scott Stafford, Pete Huston, Blaine Sullivan and Matt Fisher running 4:49. The mile-relay team of Steve Pennington, Jim Peterson, Randy Harris and Pat Stevenson ran 3:39.9 in an exciting race.

Other highlights of the meet were a 1-2-3 finish in the 220-yd. dash (Sullivan, Huston, and Ken Bauer); and 1-2-4 finishes in the discus and 100-yd. dashes. This, however, was offset by Lumen Christi's very strong finishings in the 880, mile and two-mile.

Winners, Chelsea Placers Shot Put—1st, Bob Ball (C), 51'1/4"; 3rd, Leon Brown, 47'2".

Discus—1st, Leon Brown (C), 130'11"; 2nd, Bob Ball, 131'6"; 4th, John LaBarbara, 115'7". Long Jump—1st, Pat Stevenson (C), 17'10". High Jump—1st, O'Dowd, (L.C.), 32"; 2nd, Rod Sweeney (C), 6'; 3rd, Randy Harris (C), 5'8". Pole Vault—1st, DeWitt, (L.C.), 20'; 3rd, Blaine Sullivan, 9'6"; 4th, Pat Murphy (C), 8'0". Two-Mile Run—1st, Don Floro (L.C.), 10:06.2.

300 Low Hurdles—1st, Brian Daly (L.C.), 41.3; 2nd, Steve Pennington (C), 42.2; 3rd, Randy Harris (C), 42.8.

880-yd. Relay—1st, Chelsea, 3:39.9; 2nd, L.C., 3:40.3.

100-yd. Dash—1st, Scott Stafford (C), 10.7; 2nd, Pete Huston (C), 10.8; 4th, Matt Fisher (C), 11.1.

120-yd. High Hurdles—1st, Brian Daly (L.C.), 15.3; 2nd, Randy Harris (C), 17.5.

440-yd. Dash—1st, Paul DeWitt (L.C.), 53.8; 2nd, Pat Stevenson (C), 54.7.

Mile Run—1st, Mike Houghton (L.C.), 4:35.0.

440-yd. Relay—1st, Chelsea, 4:49. 220-yd. Dash—1st, Blaine Sullivan (C), 24.8; 2nd, Pete Huston (C), 24.85; 3rd, Ken Bauer (C), 25.6.

Mile Relay—1st, Chelsea, 3:39.9.

ARBOR DAY PROJECT: Doing what children do best—playing in the dirt—these North school students are making sure their school will look its best for their class and classes to come. Surrounding the evergreen shrub they have carefully planted in honor of Arbor Day, April 23, are students from Mrs. Hafer's and Mrs. Cummins' 4th grade class. Kneeling from left to right are John O'Bryan, Paul Robbins, Mark Watson and Donald Merkel. Standing are Jennifer Kapelka, Frances Schmidt, Jill Schaffner, Paula Kuzon, John Heim, Andrea Gawlak, and Ann Albricht.

Youth for Understanding Seek Homes for Iranians

Mrs. Sandy Cook of Pinckney has recently accepted the position as area representative for Youth for Understanding, the nation's largest international exchange student program.

Sandy will be initially involved in the Iranian Project, a special program developed to accommodate high school students from Iran in a five-state region of the Midwest: Ohio, Indiana, Illinois, Wisconsin and Michigan. The first group of Iranian students will arrive in the United States this summer. They will undergo an intensive language and orientation program for several weeks before being placed in the homes of American families.

Sandy is looking for responsible families willing to enlarge their horizons and open their hearts and homes to an Iranian teen-ager.

(aged 14 to 18) during the coming school year.

Youth for Understanding host families are volunteers who provide room and board for the student and offer him or her the same guidance and love they give to their own children. During this unique family experience, American host families treat the international student as a normal family member, not as a guest or tourist. Each student will attend an American high school and share life with an American family.

Families who wish more information on how they can participate may contact Sandy through P.O. Box 304, Pinckney 48169, or call 878-9396.

Families wishing information on students from other countries may contact Barbara Krick, 683-6472.

Psychology Award

SUE GERMAN

Telephone Your Club News To 475-1371.

Sue German, a Chelsea High School senior, has been named the fifth recipient of this semester's Outstanding Psychology Student Award.

Award winners are selected every two weeks by the students in Mr. Terpetra's psychology class.

In choosing Sue for the award, her classmates noted she participates well in class, is interested during discussions, and has achieved a good grade average in the class.

The psychology class is now studying intelligence, I.Q.'s, and behavior development.

Sue says she "likes the class and finds it challenging."

In addition to her classroom studies, Sue has been a variety cheerleader and is a present member of the National Honor Society.

Sue's future plans include attending the University of Michigan where she will study business. She is the daughter of Mr. and Mrs. Robert German of 7081 Lakeshore Dr.

A Soaring Idea

Man has tried to reach for the stars for ages and some of the methods have proved truly unique. Some innovative fellow was granted patent No. 363037 on May 17, 1887, for a balloon which was to be propelled by "Eagles or Vultures." All that was needed, the inventor claimed, was to strap the fowl into his specially designed corsets and attach them to the balloon. A "bird conductor" would steer the creatures, based on conversation with a pilot on a different level. More significant advances in aviation are evident in the Transportation Collection of Henry Ford Museum, Dearborn, which includes historic biplanes, monoplanes and important trimotor vehicles.

THANK YOU

Words cannot express how much we thank and appreciate all the special prayers that have gone out and the lovely cards and phone calls that we have received from our many friends in Washtenaw county during John's illness. It has meant so very much to know that all our dear friends at Immanuel Bible have been with us in prayer, the friends at the County Building who remembered him, so many Chelsea and Dexter friends who mean so much to us. Please pray for continued healing and again thank you so very very much.

Feed Grain, Wheat Program Sign-Up Deadline Extended

Washtenaw county farmers will now have additional time to enroll in the 1978 Wheat and Feed Grain Set-Aside Program. The sign-up has been extended through May 15, according to Dorothy M. Howard, county executive director of the Washtenaw County ASC Committee.

Farmers are reminded that wheat and other fall seeded crops must be reported by June 16 and corn and other spring seeded crops must be reported by July 14. Any farmer who signed-up before the additional set-aside for payment was made available can return to the ASCS office and revise their set-aside intentions.

The first investigation into the relationship between child labor and school attendance was in Massachusetts in 1825, according to a U.S. Department of Labor publication, "Labor Firsts in America."

Each dollar received by cattleman directly generates an additional \$5.6 of business activity.

Sharon Church Tries For Record Crowd

North Sharon Bible church on Washburne and Sylvan Rds. in Grass Lake will attempt to break last year's record Sunday school attendance of 623 when a record crowd of adults and youngsters are expected at the 10 a.m. Bible teaching hour on May 7.

Those attending the affair will receive an all-church picture, four books by Evangelist Oliver Green will be given away, and lapel pins or pendants will be presented to everyone who brings three visitors to Sunday school.

In addition, four church trophies will be given to the top church workers. The leaders for these awards are Rodney Boomer of Grass Lake, Richard Rudd of Chelsea, Dick Bunney of Manchester, and Tom Butterfield of Jackson.

On Monday, May 8, the Liberty Baptist College Singers will present a concert at North Sharon. This select 12-voice team is a part of the Jerry Fallwell ministries and there is no charge for the 7 p.m. concert.

The public is invited to these two special services and bus transportation will be provided to the May 7 Sunday school by calling Lawrence McAtee at the church office.

Pinckney Area Man Arrives in Germany For Air Force Duty

Captain Mark A. White, son of Mr. and Mrs. Hollis G. White of 481 M-36, Pinckney, has arrived for duty at Kapaun Air Station, Germany.

Captain White, a communications staff officer with a unit of the Air Force Communications Service, previously served at Keesler AFB, Miss.

The captain, a 1958 graduate of Pinckney High school, received his BS degree in 1966 from Indiana University and his MS degree in 1969 from Rensselaer Polytechnic Institute, Troy, N.Y.

His wife, Ursula, is the daughter of Mrs. Madeleine Tucker of 8144 Clarinda, Pico Rivera, Calif.

First Non-Stop Flight Across U. S. in 1923

Averaging little more than 100 mph, the intrepid air duo of Lts. Oakley Kelly and John MacReady became the first men to fly across the United States non-stop. Using a Fokker T2 monoplane, the team left Roosevelt Field in New York on May 2, 1923, and landed 26 hours and 50 minutes later in Coronado Beach, Calif. Many historic aircraft, including the Fokker Trimotor Admiral Byrd used on his North Pole flight, are on exhibit in the Transportation Collection of Henry Ford Museum, Dearborn.

RICHARD POLJAN, JR., of Chelsea is shown using the Soil Conservation District's no-till seeder to make a new pasture planting.

'No-Till' Pasture Planting Possible

"No-till" pasture planting is a recent innovation, made possible by adapted equipment and chemicals. It makes possible the establishment of forages without exposing the soil to erosion.

According to District Conservationist Clark Eacker with the Soil Conservation Service, "No-till" is especially well-suited to much of

the hilly land in Washtenaw county used for grazing. If planted in the conventional manner it would be subject to severe erosion.

There are several steps involved in "No-till" seeding. The first is to soil test to determine lime and fertilizer needs. Lime should be applied about six months before seeding. Two weeks before planting, a combination of chemicals is applied to suppress grass and weed growth. Alfalfa or an alfalfa-grass mixture is then planted, using a special "No-till" implement. The Washtenaw County Soil Conservation District owns a "No-till" planter which they will make available at a very nominal cost to anyone who wants to use this new planting machine.

After a new planting is made,

it must be managed properly for maximum production. Grazing by livestock should be delayed until the forage has reached a height of eight inches. Every other year the pasture should be fertilized according to a soil test. This will help insure a substantial yield of high quality forage.

District Conservationist Eacker summarizes his feelings about "No-till" pasture planting this way: "I am convinced there is a place for no-till pasture planting in Washtenaw county. Much of our rolling land is used for grazing livestock but the quality of the forage is poor. Conventional pasture planting is difficult and the potential for erosion on these hilly soils is great. No-till pasture planting, in my opinion, is a conservation tillage method that has tremendous possibilities."

Pitch, Hit, Run Now Open Registration

All boys and girls between the ages of 9 and 12 (as of July 11, 1978) are encouraged to register for the 1978 Pitch, Hit and Run Youth Competition. Major league baseball's official youth program registration begins May 1 and ends on Saturday, May 13.

The second annual national competition is sponsored by Thom McAnn, the National Recreation and Parks Association, the President's Council on Physical Fitness and Sports, the Ann Arbor Recreation Department, and Sigma Rho Chapter, Omega Psi Phi Fraternity, Inc. There is no charge to enter.

Registration forms and Tip Books are available from the Thom McAnn store in Briarwood Mall or from the Ann Arbor Recreation Department, 2250 S. Seventh St. The Tip Book contains information on pitching, hitting, and running. Major League Stars Jim Palmer, Jor Morgan, and Rod Carew.

Local competition will be held Saturday May 20 at 10 a.m., on the Lawton School Playground. Lawton may be reached from Merston or S. Seventh St., south of Scio Church Rd. The four local winners will compete in the District Competition which will be held in Toledo, O., June 3 or 4.

1977 local winners were: 9-year-old Christopher Hoffman, 2642 Esch St., Ann Arbor; 10-year-old Tim Conlinson, 263 W. Bennett St., Saline; 11-year-old Niles N. Maynard, 3642 Central St., Dexter; 12-year-old John Narlin, 1629 Scio Church, Ann Arbor.

Bulldog Sluggers of the Week

ROGER MOORE, left, junior and first year varsity player, and Mark "The Bird" Fidyrc have a lot in common it seems. Except where The Bird likes to talk to his ball, Moore likes to talk to the pitcher during a game. "If we're just standing around and not talking it sounds as if we're dead out in the field. We like to talk to the pitcher, make a lot of noise, and make it sound like we're tough and ready to go," Moore said. Moore can relate to the pitcher's position of constant action since he pitched in his freshman and sophomore years. Moore, however, likes "outfield the best" where he feels secure in his ability to handle the grounders and fly balls that come his way. Moore has played in every game this season and says "the team is doing very well but we could improve on hitting a little more. Our pitching is probably the best part of the team." The most exciting game this year for Moore was the April 19 game against Novi. In that game, when the score was 1-1 in the bottom of the ninth inning, Moore hit a ball which let Kurt Owings score and win the game. Moore plans on working this summer part-time in a garage. He is the son of Mr. and Mrs. Arthur Moore, 13493 Sager Rd.

JEFF JAHNKE, right, senior, is back playing left field for the Bulldogs after a one-year absence from high school baseball. "It's good to be on a team that has so much spirit and unity," Jahnke stated. During his freshman and sophomore years Jahnke played right and center field. Jahnke sees the team's strong points in pitching and defense. "Our batting is fast becoming a strong point also," he said citing the doubleheader on Saturday, April 29 against Jackson Northwest. Jahnke played the first game and part of the second game and said that it was the Bulldogs' hitting which won the games. He also said that the team has been good in not making very many errors during games. One problem Jahnke observes about the team is "we have a hard time pulling ourselves up once we get behind. This happened in the Saline game on Friday," he said. Although he believes that improved batting will help the Bulldogs to a SEC victory, "I think the team's spirit and unity will pull us through the rough spots." Jahnke is looking forward to the Dexter and Saline games. "If we play well we'll have a good chance for the title," he said. Jahnke is currently studying math, government, and auto mechanics and intends to pursue a math career or continue his interest in auto mechanics after graduation. He is the son of Mr. and Mrs. Jerome Jahnke, 7990 Mester Rd.

Sluggers Chalk Up 4th Conference Win

Chelsea chalked up its fourth SEC win in five games as they outlasted Lincoln 9-6 Tuesday, May 2.

The Bulldogs used 12 walks, seven errors and nine hits to score nine runs.

Leading the offense was Don Aldrich as he connected for three singles.

Roger Moore and Kurt Owings had two hits each. Other hits were stroked by Jeff Jahnke and Chris Kruger.

Owings pitched the entire game, giving up five earned runs on nine hits, two walks and nine strike-outs. His over-all record is now 3-2.

Chelsea is now 4-1 in SEC play and 8-4 over-all. Friday they host Novi at 4:30. Saturday they meet Gabriel Richard in a doubleheader at 11 a.m.

JV Softball Team Divides Two Games

Chelsea junior varsity softball team ended the month of April by splitting games between Dexter and Saline.

Playing on two cold afternoons, the JV extended its record to 3-0 with an exciting game at Dexter on Tuesday, April 25 before bowing to an undefeated Saline team on Friday, April 28.

At Dexter, Chelsea had to come from behind to defeat Dexter, 20-19, in nine innings. Diane Thompson, pitching in relief for Cara Feeney who suffered from control trouble, kept Chelsea in the game by refusing Dexter any big scoring innings over the last six innings of the game.

Dexter loaded the bases in the last three innings but could not put the game away. Thompson was credited with her second win of the season when Anita Powell made an excellent fielding play, diving for a short line drive behind shortstop, for the final out of the game.

Denise Geddes with two walks and two hits and Anita Powell with four hits led a balanced attack.

The JV's took their first loss of the season Friday, losing to Saline at home, 28-16. Jennifer Ringe started the game but failed to get the ball over the plate as she took her first loss of the season.

Chelsea once again gave their opponents an early lead, but for the first time were not able to come back.

"It was our turn to leave the runners on base as we failed to get the big hit when we needed it," Coach Waller commented.

Chelsea left the bases loaded in the third, fourth, fifth, and sixth innings. This, combined with giving up 26 walks, was just too much to overcome. Jennifer Ringe, Paula Haist, Gina Van Riper had outstanding days at the plate. Anita Powell, however, had a fantastic day as she had five hits and a walk to reach base all six times at the plate.

Chelsea lost its first SEC game of the season as the Bulldogs dropped an 8-4 decision to undefeated Saline, Friday, April 28.

Saturday, however, the boys varsity baseball team rebounded to grab both ends of a twin bill from Jackson Northwest, 8-2 and 11-1.

On Friday, the Bulldogs held a 4-1 lead after two innings. In the first inning, while trailing 1-0, Roger Moore walked, Don Aldrich sacrificed Moore to second and was safe on first base when Mike Sweeney lined a single to left to fill the bases. Junior catcher Al Augustine drove home two runs with a single.

Chelsea scored two more in the second inning as Chris Kruger, Moore, and Aldrich all singled. In the fourth inning, however, Saline hopped on senior Kurt Owings for four runs and a 6-4 lead and then added single runs in the fifth and sixth inning to make the final score 8-4.

Saturday, Chelsea received excellent pitching from senior John Daniels as he limited Jackson Northwest to five hits and one earned run. He struck out 12 and walked two.

Hitting in the first game were Sweeney with three, Steve Check with two, and one each for Moore, Aldrich, Kruger, Dave Schrotenboer, and Brad Knickerbocker.

In the second game the Bulldogs used Mountie wildness (12 walks) and timely hitting to rout Northwest, 11-1. Hitting were Aldrich and Kruger with two each, and Sweeney, Check, and Jeff Jahnke with one each.

Kruger had four RBI's, Check three, Sweeney two, and Jahnke two.

Mike Elise pitched four strong innings to pick-up the win while Joe Ewald relieved and held off Northwest the rest of the way.

The Bulldogs' record to date is 2-1 in SEC play and 7-4 over-all. They will play Novi at home Friday, May 5 at 4:30 p.m. and Ann Arbor Gabriel Richard Saturday, May 6 in a doubleheader beginning at 11 a.m.

Varsity Tennis Team Extends Win Streak

Chelsea's varsity tennis team extended their winning streak to four matches with a 6-1 win over Brighton High school Tuesday, April 25.

While the final score was one-sided, there were several close matches. The four hours it took to play the seven-point match on Chelsea's four courts indicated that there were few runaway games.

Chelsea player Jon McCormick had an easy time winning 6-0, 1-1, as did Mike Hagen who won 2-2, 6-3. Tom Severn was able to win his match 7-5, 6-4.

The fourth singles player, Jeff Stirling, had a more difficult match, winning in three sets, 6-2, 3-3, 6-3.

First double players Marc Feeney and Bruce Stubbs also won in three sets, 6-3, 1-8, 6-4. Chelsea's sixth point was won by third doubles David Boyer and Steve Wolack, 6-4, 6-2.

Tennis Team Extends Win Streak to 6

Chelsea's varsity tennis team extended their winning streak to 6-0 with a win over Ann Arbor Huron's reserves and Ann Arbor Gabriel Richard.

Chelsea defeated Ann Arbor Huron Thursday, April 27, 5-2. Winning for Chelsea were the following singles: Tom Severn, Jon McCormick, Mike Hagen, and Jeff Stirling. Winning doubles were Marc Feeney and Bruce Rabbitt.

Chelsea also defeated Gabriel Richard Monday, May 1, by a score of 5-2. Winning for Chelsea were Tom Severn, Jon McCormick, Mike Hagen and Jeff Stirling all playing singles. Randy Bohl and Steve Wolack were the winning doubles.

Chelsea will travel to Greenhills on Friday, May 5, for their next match.

MITCHELL ZINK was presented with the highest award given by the Chelsea Jaycee chapter at their awards banquet Saturday, April 29. Zink is the sixth recipient of the Jaycee International Senatorship Award in the 23-year history of the Chelsea Jaycees. The award is given by the chapter to the member they feel qualifies as a "remarkable individual and a credit to the community." As a member of the chapter for eight years Zink has served on the board the past seven years, one of those years as chapter president. Last year Zink served as District No. 2 Director of Jaycees for the state of Michigan. He is a lifetime resident of this area and lives with wife, Sue, who is an active Jaycette, and sons Eric and Trevor, at 13362 North Lake Rd., Gregory.

Horseless Carriage Featured in 1896 Circus

The Barnum and Bailey Circus began its 1896 season with a rousing performance at Madison Square Garden in New York City on April 1896. Their main attraction was an animal or aerial act, but new-fangled invention, the 1896 Duryea Motor Wagon. A visit to Henry Ford Museum, Dearborn, offers a chance to see both an 1896 Duryea and an early circus callopie in the Museum's vast Transportation Collections.

Noah Webster's First Dictionary Published in 1828

Americans were excited and Englishmen upset when Noah Webster released the first edition of his famous dictionary on April 14, 1828. Containing more than 70,000 entries, Webster's volume was the first dictionary to include rapidly developing Americanisms in speech and accept their inclusion in the language. Webster worked on the project for 20 years, much of the time in a New Haven, Conn. house which can now be visited in Greenfield Village, Dearborn.

Free Racing Jacket

When you buy any four Gabriel heavy-duty shocks

Owner: Jim Hall. Driver: Al Unser. Shock Absorbers: Gabriel

This may be the most exciting new Indy car on the USAC circuit this year. Jim Hall of Chaparral fame prepared it. Two-time Indy 500 winner Al Unser will drive it. Gabriel engineered the racing shocks.

Jim Hall's Gabriel shocks, of course, are built especially for his car. Each one is made by hand and costs \$1,000.

More control
At Gabriel we don't just race for the publicity. We race to improve the shocks we make for you.

And the lessons learned from racing help us make your car an easier—more controllable—one to drive.

Free racing jacket
As still another reason to find out what a set of Gabriel shocks can do for your driving, we'll give you—free—a racing jacket like the ones Jim and Al are wearing.

It's a handsome nylon jacket with a zipper front. It comes in blue or white, in children's and adult sizes. It's yours when you buy any four Gabriel heavy-duty shocks.

So come down to your participating Gabriel dealer, and join the Gabriel team.

Selden Auto Patented In 1877 But Not Built Until 1907

George Baldwin Selden filed a patent May 8, 1877, on a self-propelled vehicle powered by an internal combustion engine. Satisfied with that step at the time, he went no further. In later years, with the rise of many different auto manufacturers, Selden went to court to prove he held the sole patent. He went so far in 1907 as to build a working, full-size model of his vehicle to prove it, but all to no avail. Henry Ford and the Duryeas were allowed to continue their fledgling businesses. Selden's 1907 model of the 1877 patent machine is on exhibit in the Transportation Collection of Henry Ford Museum, Dearborn.

Street Improvements

(Continued from page one)
"The new sidewalks will make walking downtown and to the community fair much nicer for the people who live in the area," Weber said. "We will also be able to establish a regular parking program along US-12 in the near future," he added.

With no cost to the village the US-12 Capital Improvement Program is being funded entirely through a Federal Economic Development Grant, established in 1976 as part of an anti-recession fiscal assistance program aimed at putting people to work immediately.

To qualify for the grant, the village had to submit a road project already planned within 30 days of receiving the application. Work had to begin within 90 days of being approved.

The grant also stipulated that 10 percent of the project be completed by a minority contractor or supplier. Saez Construction Co. of Lansing was awarded the bid for the project's storm sewer system, according to Weber.

The remainder of the project will be completed by the Ann Arbor Construction Co. of Whitmore Lake who will do all the concrete work for the sidewalks, curbs, and gutters, and Tom Robinson & Sons of Jackson for the street paving work.

According to Weber the village has until the middle of June to complete the widening of US-12 to Wilkinson St. and said "there should be no reason for delays." A second Economic Development Grant project in its final completion stages is a relief storm sewer system in the North and Buchanan St. area.

At a cost of \$34,900, funded by the grant, 1,050 feet of drainage pipe was laid in the area last fall and the village is now replacing the sidewalk, curbs, and lawns which were disturbed during the work.

According to Weber the original storm sewer system had become overloaded and the new system will provide the opportunity for further development in the area.

Beginning May 15, the village will accept bids for the work to be done for the 1978 Street Improvement Program on seven local streets. The estimated cost of the work, according to Weber, is \$15,086.65 including the cost of materials, labor, engineering fees, and \$1,000 in contingencies.

Specifically, Garfield St. will be capped with one inch of bituminous concrete; the approach to South St. and Congdon St. will be repaired; and slurry seal will be applied to the full length of South St., E. Middle St., and Dewey St., and Park St. east to Madison.

The Street Improvement Program will be funded through weight and gas tax revenues of which the

Irene Claire is in charge of inviting past teachers and school board members and a committee is actively contacting Chelsea alumni. Special class tables will be arranged for the banquet, Spaulding said.

"We want to make this a big affair," Spaulding said, and added humorously, "we've heard so many good things about Charlie that we want to bring him back to earth so that we'll be able to live with him. There's a rumor now that he wants his wife to rise when he enters the room."

Veterans with service-connected disabilities will receive monthly compensation payments totaling \$5.3 billion in Fiscal Year 1979, according to VA statistics.

MOTIVATIONS FOR BUYING

Strong forces are keeping the single home market very much alive despite the increasing price trend over the past several years. A probe of the motivations behind current sales has found that buyers are convinced that home ownership is worth the financial sacrifice for environmental reasons. A better place for their children to live and the farther from the city the better.

A second powerful influence is inflation. Buyers are convinced that the housing inventory is too short to see any significant over supply or reduction in value in their lifetime.

Another influence, not to be ignored, is retirement. In many cases, home ownership offers the only hope to enter retirement in a condition other than poverty. Since Social Security was designed as a supplement and not sufficient to live on, a free and clear home, or the investment potential of home equity, provides a solid base for retirement.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea, Phone: 475-8683; evenings 475-2621. We're here to help!

JCs, Auxiliary Hold Installation Banquet

The 1977-78 Chelsea Jaycee and Auxiliary Installation and Awards Banquet was held Saturday, April 28, at Weber's Inn, Ann Arbor.

Special guests for the evening were Chelsea former Jaycee and Auxiliary presidents, Dick and Sue Call; newly elected District No. 2 director, Paul and Sue Staley; and Stockbridge Jaycees, Dennis Cobb and Gary Baldwin with their wives, Robbin Cobb and Linda Baldwin.

Alist in attendance were Chelsea Jaycee old-timers Walt and Sandy Brown and Art and Anne Steinaway.

Following dinner, outgoing Auxiliary President Barb Baker thanked the members for their friendship and a very special year, and presented awards to the board for Outstanding Project; Carol Smith for Outstanding Chairman and for Outstanding Spokette; Sandy Meyer for Outstanding Jaycette; and Sue Zink for Keywoman. Bob Smith was given the Flower Power award for his help to the Auxiliary.

Outgoing Jaycee President Bob

Ponte announced Jerry Martell for Spoke of the Year; North Colby or Spark of the Year; Morgan Rowe for Outstanding Director; Dave Sweet for Outstanding Project Chairman; Bob Smith for Jaycee of the Year; and Bob Meyer for Keyman. Sandy Meyer was given the Suzie Award for her help to the Jaycees.

Recognizing her outgoing board, Barb Baker installed Sandy Meyer as the Auxiliary president for 1978-79, who, in turn, installed her board: vice-president, Carol Smith; secretary, Denise Martell; and treasurer Nan Rowe.

Also recognizing his board was Bob Ponte who installed Chelsea Jaycee president for 1978-79, Bob Smith. The new president then gave the oath of office to administrative vice-president and treasurer, Bob Meyer; internal vice-president, Jerry Martell; external vice-president, Morgan Rowe; secretary, Charlie Spawka; and directors Carl Goins, Ted Lewis and Doug Weatherwax.

Sandy Meyer thanked Lou T. Jor, Sue Zink and Alberta Colby for their part in her Jaycette career and concluded by assuring the Jaycees of Auxiliary support for the coming year.

Bob Smith thanked the members for their support and stressed that team effort is a must. He also stated the need for increased membership and Auxiliary relations.

An announcement was made of the five-year sponsorship by the Chelsea Jaycees of the state "Speak Up Award" in the name of past president Walt Brown, and first lady Carol Smith was given a survival kit.

Long time Chelsea Jaycee member, Mitch Zink was roared by the group and presented with a "JCI Senatorship" for his dedication to the Jaycees. He is the sixth recipient in the 23-year history of the Chelsea Jaycees.

Carol Ewald Earns Degree at Northern

Carol Ewald will be awarded a degree in Special Education during the May 6 Northern Michigan University spring commencement.

Carol is a 1973 graduate of Chelsea High School and is the daughter of Mr. and Mrs. Dan Ewald, 803 Flanders.

A sudden, or rapidly progressing loss of hearing in one ear can be a symptom of a serious medical problem, warn hearing specialists. Anyone encountering this problem should immediately seek medical advice.

RENOVATION UNDERWAY: Once an Inn and home of the late Mrs. Edwin McKune, McKune Memorial Library is fast losing the white paint which has characterized the building "as long as anyone can remember," Mrs. Frederick Wagner said. The decision on whether to leave the brick as is or to repaint will be made when the work is completed. "The decision will be based on the condition of the brick," Mrs. Wagner said. Although brick cleaning has

an initially high cost (\$9,000 for this project) painting a building has to be repeated every two or three years at an average cost of \$3,000, according to librarian Debbie Overbey. "When we realized the amount of money we were spending on paint we decided that no matter what, we should go down to the original brick, see how we liked it, and determine if the brick is in condition to be left in its natural state," she said.

Beach Band Going to State Music Festival

Having received Division I ratings in the District 12 band festival last March, 51 Beach Middle School 8th grade students are diligently practicing for the State Festival to be held May 6 in the Michigan Center just outside of Jackson.

Chelsea band members will be playing with five class B schools including Jackson Northwest, Sturgis, Grand Ledge Beagle, Kinawa, and Oakwood, according to Warren Mayer, band director.

Students will be judged on their performances in three areas Mayer said, including a warm-up march, concert playing and sight reading.

"We will be leaving Chelsea at 1:15 Saturday afternoon, playing at 3:15 p.m., and back by 5:45 p.m.," Mayer said.

Students are practicing "Bandology" by Osterling, "Kensington Overture" by Wheat, and "Overture for Winds" by Carter for the festival.

Ear aches and severe head colds never should be treated with self-prescribed medication, according to hearing specialists. Improper medication, for such maladies can lead to tragic and permanent hearing loss.

McKune Memorial Library Paint Being Removed to Original Brick

Like the peeling of an artichoke to reach its heart, layers and layers of age-old paint are being blasted off, the exterior walls of McKune Memorial Library.

Donated in 1958 to the village of Chelsea by Mrs. Edwin McKune, the library has been painted "as long as anyone around here can remember," according to Mrs. Frederick Wagner, niece of the late Mrs. McKune.

But, while the library is receiving 50 compliments to three "I hate it" remarks on the new look, "we have not yet decided whether we will leave the brick in its

natural state," librarian Debbie Overbey said.

Overbey said that the paint removal was necessary because the peeling was so bad it had to come off if they were going to paint it again.

"Personally I love the look of the natural brick, and so do most of the people I have spoken to. Our decision to paint or not to paint will depend on the condition of the brick after the work is completed," she said.

Sermac Systems By Advance, Inc., Ann Arbor, is doing the work at a cost of \$9,000. Last year the village of Chelsea authorized \$11,975 for restoration of the library and the remaining funds will be used in the future for trim painting and insulation and wood-siding of the library's cement block addition. "The work on the addition is still in the planning stages," Overbey said.

Sermac began the sand-blasting Tuesday, April 25, and, although they are a little behind schedule, are expected to be finished by May 5.

"It is unfortunate that we are using the sand-blasting method," a spokesperson for Sermac said, "but at some point in the library's history a coating of mortar had been applied and our normal chemical method of paint removal would not have been effective," she explained.

In addition to removing the paint, the library will tuck-point the brick (repair the mortar between bricks) and will paint the trim in white.

"It is exciting to see the brick and we are anxious to find out if we will leave the brick in its natural state," Overbey commented.

Cub Scouts Hold Pinewood Derby

On the evening of April 27, 35 Cub Scouts and their families gathered at South school for their annual Pinewood Derby race.

The colorful gravity-powered race cars, of numerous shapes and styles, were all given a pre-race inspection to see if they met the size and weight requirements.

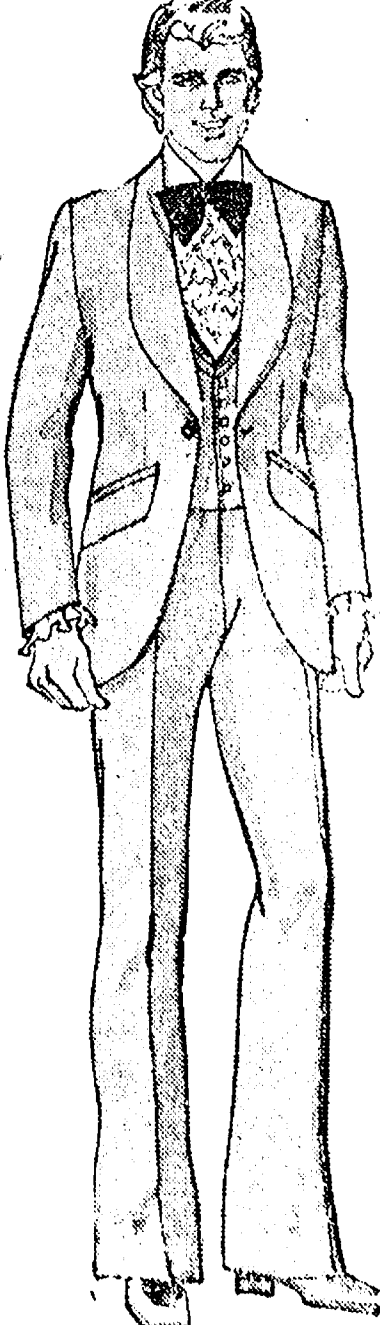

Excitement ran high as each boy entered his car in the elimination heats.

Each Cub Scout received a blue ribbon and trophies were awarded to first-place winner, Kurt Roberts, second-place winner, Chris Tarasow, and third-place winner, Steve Petty. Another trophy for Best of Show was awarded to Robby McDowell.

Persons living with unalleviated hearing losses frequently are under a constant strain to hear what is going on in social situations. This, advises hearing specialists, is why the hard-of-hearing often become introverted.

FFA Chapter Collects Awards at Convention

Chelsea Future Farmers of America (FFA) has been active and working hard in the past month receiving awards and earning money for chapter projects.

At the state FFA convention the chapter was awarded for their membership and contributions to the scholarship fund.

The Parley Pro team, which was competing at the state finals, received a silver rating which is the highest the team has done in their last four years of participation. Team members were Becky Bollinger, chairman, Cindy Welshans, Michelle Napier, Shelly Hatt, Mark Lesser, Kent Bollinger, and Brian Koepele.

Also receiving awards at the state convention were Tim Welshans and Shelly Hatt. Welshans received the Silver State Farmer award. The State Farmer award is won by the top two percent of the State FFA membership of nearly 10,000 members. He was awarded for his work in agriculture, leadership and scholarship.

Shelly Hatt received the award of Outstanding Junior Award, presented by Alpha Gamma Rho Fraternity of Michigan State. This award is given to the top 38 juniors in the state.

Chelsea FFA Chapter recently held its annual slave sale at the high school cafeteria. This year's sale was well received by the community and very well supported setting a record as FFA members were purchased to do eight hours work for a total of more than \$1,000 to go into the fund for FFA activities.

The top sale of the night also set a record as Vic Verchereau, president of the chapter, sold for \$85 to Mrs. Picklesimer.

Loren Heller acted as auctioneer for the event.

At the last FFA meeting the officers were chosen for the coming year. They are: Shelly Hatt,

"HEY, THAT'S MY DODGE!"

'78 DODGE ASPEN COUPE.

That's what folks are saying these days. Because more and more people are discovering what Dodge has to offer. Like Aspen, the biggest sales success story in Dodge's history. And no wonder! Aspen has been styled, sized, and priced right.

Aspen gets the right kind of mileage, too. EPA mileage estimates for Aspen coupe with six-cylinder engine and manual transmission are 28 mpg highway and 20 mpg city. Your actual mileage may vary according to your car's condition, its equipment, and your driving habits.

One more thing . . . a 1976 Aspen coupe offers greater resale value than Chevy Nova, Buick Skylark, or Olds Omega. This comparison is based on average resale values of comparably equipped one-year-old vehicles as listed in the *AMR Guide Book* dated October 5, 1977.

So if you're looking for a comfortable, roomy, good-looking, smooth-riding car, look into a new Aspen coupe, sedan, or wagon today.

In no time at all, you'll be saying . . . "That's my Dodge!"

Chair Murray stated that the next item on the agenda came from the Committee on Department Heads Salary Increases meeting, held April 4th. The Building Inspector came to the committee yesterday and indicated that he has been offered another job at a considerable salary increase and he wanted to discuss this matter with the Board of Commissioners. He had to know by Friday and we thought the Board should have some opportunity to respond to this matter.

Director of Building Inspection, David Anderson, spoke to the Board. I've had another offer from another County. I'm somewhat reluctant to leave my position here with Washtenaw County. I have enjoyed my job and enjoyed the people I have dealt with and this is the area I grew up in. Before I make a final decision to accept that offer, I felt the Board of Commissioners should have an opportunity to review my position. I indicated to Robert Guenzel earlier in the week and the committee yesterday, that I would be available to a counter offer. Basically that is why I'm here tonight. I would like to get the Board's feelings on whether or not you would like me to continue in my present position and what kind of an offer the Board would be willing to make. Discussion ensued.

Comm. Israel supported by Comm. Taylor moved that we deny the request and that the consideration be sent back to the Committee on Department Head Salaries and that if Mr. Anderson receives that as a no to an increase, that we also give him a letter of recommendation. More discussion.

It was the consensus of the Board that this position is underpaid, that the special committee is studying this matter and the position will be reclassified, but at this time an amount could not be set at tonight's meeting.

The motion was withdrawn.

78-0173 Comm. Merkel supported by Comm. Fojtk moved that the resolution approving the relocation of the County Parks & Recreation Administration Offices from the NSF Building to the Recreation Center Building at the County Service Center; approving the remodeling plans; authorizing the transfer of \$3,500 from the Building Fund Reserve to the Building Operations Remodeling Account and the transfer of \$4,700 from the Building Fund Reserve to the Recreation Center Barrier Free Remodeling Account for this purpose, be adopted. Roll call vote: YEAS: 11. NAYS: none. ABSENT: 4. Motion carried.

78-0174 Comm. Merkel supported by Comm. McClary moved that the resolution authorizing the Washtenaw County Building Inspector to prepare a Community Development Block Grant Pre-Application to be submitted to the Department of Housing and Urban Development (HUD) on or before May 15, 1978; directing the Director of Building Inspection to contact those local communities that have shown interest in the past in being part of a grant to determine their current interest and directing the Physical Plant Committee to select the participating communities and supervise the pre-application details for said Community Development Block Grant Program, be adopted. Roll call vote: YEAS: 10. NAYS: 1. ABSENT: 4. Motion carried.

Comm. Merkel moved that the communications be received and filed and dealt with as recommended. Carried.

Citizen Participation:
Sue Schwab who works for the Michigan Nurses Association, spoke to the Board on behalf of the Washtenaw County nurses. They asked me to speak because last year we negotiated a contract with you in December. It took about four or five sessions. It was successfully done in December. We had no problems. This year we started again in December and we're still at it. It's four months. We have had four mediation sessions. I really don't want to get into the key issues. I don't think that's the role that I have here tonight. I think you're aware of a couple of outstanding problems that still exist. We can't seem to reach an agreement. I would like to say that there is a lot of dissatisfaction with the nurses because there can't be any resolution at this point. We would ask for your intervention in this matter. Just to bring you up to date: on March 7th your County representative gave us what they call the final offer that we reviewed with them in mediation. Two days later myself and the three collective bargaining team members took it to the nurses. It was overwhelmingly voted down. The next day I contacted the mediator to let him know that there still had to be negotiations. It wasn't until last Friday that we were able to get together again to negotiate. At that time your representatives presented to us a written package which had a cover letter and the cover letter said that this was the same package that had been presented

before, and it was the final offer again. It asked us at the end of the letter that we reconsider our ratification vote. We did that Sunday night in a meeting and unanimously decided not to reconsider. We would like to discuss the issues with you. Our side should be heard.

Discussion ensued. Comm. Walter suggested that the nurses put in writing what their objections are and then in Executive session the Board of Commissioners will deal with it. Comm. O'Connor stated they should list each point on which they differ and why.

Report of the Chair of the Board of Commissioners:

When Mr. Gotthauer was here last Friday, we discussed with him how he wanted to proceed with the selection of a Personnel Director. It was his recommendation that we take four of the people out of the original fifteen who were interested in interviewing. He suggested that before we take the fifth person who is from Spokane, Washington, that we interview the four people from Michigan. He would like to be present on April 28th to interview these four people and then he would make a recommendation to us on which one he thinks would be most reasonable. If we don't like any of the four, then we could ask the one from out of state to come for an interview.

Chair Murray suggested that we have a motion to allow Rhema Bolen from Personnel to set up interviews with the four people and arrange them so that they are here and we will know the times when they will be interviewed. It will be on Friday afternoon, April 28th. Mr. Gotthauer will also be here the following weekend, both Friday and Saturday.

78-0175 Comm. Taylor supported by Comm. Shultz moved to instruct the Personnel Department, Rhema Bolen to set up an interview with the four people from Michigan who have applied for the position of Personnel Director on April 28th. Roll call vote: YEAS: 13. NAYS: none. ABSENT: 2. Motion carried.

Chair Murray stated there is a letter from MAC telling about a Commissioner exchange day on May 21st. There is also a letter in the communications packet tonight from Jay Bradbury, re: his resignation from the Mental Health Board. Would like to deal with that at the next Board meeting. Chair has a letter from Saul Cooper stating they would like a representative from the same area appointed to fill Bradbury's position.

Robert Guenzel, Corporation Counsel, spoke to the Board concerning an Agreement for Consent Election with the Washtenaw County Public Defender's Association.

78-0176 Comm. Israel supported by Comm. Taylor moved that the resolution approving the Agreement for Consent Election with the Washtenaw County Public Defender's Association and authorizing the Chair of the Board to sign said agreement, be adopted. Roll call vote: YEAS: 13. NAYS: none. ABSENT: 2. Motion carried.

R-244 Letter from the Department of Commerce, re: Energy Conservation Award was distributed tonight and will be in the packet for the next Board meeting. Last year we decided not to apply for this grant because two people would be needed for the program. \$15,000 was the amount that would be received from the grant and that was not enough to hire two competent people.

Reports of Standing Committees:

Comm. Taylor supported by Comm. Ellis moved that the Special Committee of the Whole Report dated March 10, 1978, be received. Carried.

Comm. Taylor supported by Comm. Ellis moved that the Physical Plant Committee Report dated March 13, 1978, be received. Carried.

78-0172 Comm. Shultz supported by Comm. Ellis moved that the resolution authorizing the appointment of Commissioners as representatives to the Washtenaw County Comprehensive Employment, Training and Planning Council for 1978, in compliance with the Comprehensive Employment and Training Act of 1973 and applicable federal rules and regulations, be adopted. Roll call vote: YEAS: 13. NAYS: none. ABSENT: 2. Motion carried.

Comm. McClary supported by Comm. Walter moved that the resolution approving the establishment of a Probation Department by the 14th District Courts pursuant to MCLA 800.8314 effective June 1, 1978 and directing the 14th District Court Judges, Circuit Court Judges and Administrator, the Corporation Counsel and Washtenaw County Court Employees Association to meet and make recommendation to the Washtenaw County Board of Commissioners concerning the details involved in the transfer of this function from the Circuit Court, be adopted.

4th GRADE PROJECT: Enjoying one of the few beautiful days this spring, Mrs. Peggy Moore's 4th graders from North school observed Arbor Day, Friday, April 25, by planting the fruits of their labors. For the past year, Mrs. Moore's students have been selling home-made baked goods and raised nearly \$70 to purchase plants and shrubs for the school grounds. Helping in the project are Jeff Wheaton, Phyllis Bodnar, Kim Kaminski, Scott Salyer, Steven

Moore, Amy Oxner, Diana Parker, Renee Yeliter, Mark Edick, Marcia Henderson, Karen Hawks, Audra McClean, Sean Cook, Joy Palmieri, Kevin Morris, Kevin Marshall, Steven Rosentreter, Ron Heydlauff, Jennifer Colvin, Carol Cordell, Matt Ryan, Matt Koenn, Peter Hanna, Chuck Downer, Teresa Carlson, Shanda Friday, and Laura Ramsey.

VARSITY SOFTBALL TEAM: With a 5-0 SEC record and a 7-0 record over-all, the Chelsea varsity girls softball team "still has the two tough teams of South Lyon and Brighton to play," according to Coach Bill Wescott. "We have been playing extremely well and much better than last year," he added. Last year the girls finished fourth in the SEC. On the team this year are, seated, left

to right, Veronica Satterthwaite, Tracey Hawker, Patti Hume, Amanda Schwarze, Jenny Clark, Molly Eisele, and Annie Umstead. Standing in back are Ann Eisele, manager; Nanette Push, Cathy Volta, Cindy Bareis, Kim Wood, Michelle Sarbach, Tammy Collinsworth, and Coach Bill Wescott.

Softball Team Runs Win Streak to Six

The varsity girl's softball team won two more games last week to extend their present winning streak to six games. Chelsea defeated Dexter and Saline to place the Bulldogs on top of the SEC.

On Tuesday, April 25, Chelsea defeated Dexter by a score of 16-10. Nanette Push was the winning pitcher for Chelsea, while Andrews was tagged with the loss. Push gave up seven base hits and struck out eight Dexter hitters.

Molly Eisele, Amanda Schwarze and Kim Wood each collected two hits for the Bulldogs. At the end of five innings Dexter was ahead by a score of 9-6 but Chelsea came from behind to score nine runs in the sixth inning.

In the sixth inning Chelsea sent 12 hitters to the plate and scored nine of their runs on only two hits and eight walks. Andrews struck out four Chelsea hitters,

the most any pitcher has struck out this season.

On Friday, April 28, Chelsea again won, defeating a winless Saline team, 22-13. Freshman Molly Eisele, and sophomores Kim Wood and Patty Hume each collected two hits.

Chelsea's bats exploded in the sixth inning pushing across eight runs. The rally was capped off by a solo home run hit by pitcher Nanette Push, her second of the season.

Push was the winning pitcher for Chelsea making her record 5-0 this season. Ann Stepsky was the losing pitcher for Saline. Chelsea is now 4-0 in the SEC and 6-0 over-all.

Nanette Push now has pitched 37 2-3 innings and fanned 38 batters. Kim Wood has the highest batting average hitting .667.

Catcher Patti Hume leads the

team in walks with 12. Shortstop Molly Eisele leads the team in singles with 13.

Coach Bill Wescott has been very pleased with the team's performance this season.

"We have really been scoring the runs this season and that's a good sign. South Lyon is also

undefeated in league competition and they seem to have their hitting act together. I would think that for our kids to continue their winning streak their defensive skills must improve. You can't just go out and give up 13 and 10 runs a game without it catching up to you," Wescott said.

Cadet Knickerbocker Receives ROTC Honor

Cadet Deborah K. Knickerbocker of Manchester and ROTC senior from Eastern Michigan University, Ypsilanti, was recently presented with the George C. Marshall ROTC Award in Lexington, Va., April 21.

Commenting upon attending this event, Knickerbocker stated "It was a good experience and learning activity prior to commissioning and active duty."

Among her accomplishments are being named to the Dean's List

and designation as a Distinguished Military Student. She is the daughter of Mr. and Mrs. Clare A. Knickerbocker, former residents of Chelsea.

Most hearing losses appear gradually—so gradually the victim frequently is not aware of the problem until the loss becomes severe and even handicapping in on-the-job and in social situations; according to hearing specialists.

Track Team Posts 3-1 Week's Record

Ending the week of April 24 with a 3 and 1 dual record, the Chelsea High school boys track team downed Lumen Christi and Jackson Northwest on Tuesday, April 24, and South Lyon on Thursday, April 26, 89% to 63% in a South-eastern Conference contest.

On Friday, April 27, however, the team lost a heart-breaking 80-78 decision to non-conference foe Hillsdale.

The week's activities left Chelsea with a 2 and 1 record in the SEC and 4-6 over-all.

The South Lyon victory saw Bob Ball as the only double winner, taking the shot put and discus. Blaine Sullivan took a first in the 220-yard dash, second in the 440, and a third in the pole vault. He also ran on the winning 880-relay team to lead the point scorers.

"We did some event switching in this meet, plus we were a little flat so our times and distances weren't real good. The sprinters and hurdlers were also hindered by a strong headwind," Coach Bert Kruse explained.

In the Hillsdale contest Chelsea met a somewhat stronger team than expected. "They were supposed to be young, but they managed to set two track records and once again, clearly dominated the distance events which have been our weak point all year," Kruse said.

"Although we had several chances to win the meet in the last few events we came up short," he added.

Pat Stevenson was the leading scorer in the Hillsdale meet, winning the 440- and 220-yard dashes, finished second in the long jump, and ran on the winning 880-yard relay team.

Rod Sweeney turned in two good performances, winning the high jump at 6 feet and finishing second in the 120-yard high hurdles in 16.6.

Steve Pennington got off a good leap of 19'8 1/2" to win the long jump, placed second in the 330-yd. low hurdles, and ran on the winning mile-relay team.

"We are entering a very critical part of the season with two big dual meets coming up on Thursday, May 4 with Milan and Tuesday, May 9 with Dexter," Kruse said.

"Milan has one of the area's best track athletes in Bob Belmare who is an excellent long jumper, low hurdler and dash man," he added.

Dexter also has some strong individuals. Both meets are home events and begin at 4 p.m. "If we are to finish second in the league we will have to get by both of these teams," according to Kruse.

"In addition, we are entering the relay portion of our schedule and are nearing the regional and conference meet periods," he said. Chelsea will meet Saline at home on Thursday, May 11 and Lincoln on Tuesday, May 16.
