

Community Fair Offers Several New Changes This Year

With preparation in full swing for the Aug. 22-26, 41st annual Chelsea Community Fair, organizers for the event announce the availability of Premium Books and several new changes for this year.

Available free for the asking, the Premium Books will be in abundance at the Fair office in the Service Center basement on the fairgrounds. Hours are on

Wednesdays, Aug. 2 and Aug. 9, from 10 a.m. to 2 p.m. From Aug. 14-18 the office will open everyday from 10 a.m. to 4 p.m. and on Aug. 17 and 18, it will be open from 10 a.m. to 4 p.m. and 7 p.m. to 9 p.m.

Books are also in supply at Farmers' Supply Co., a special booth at the Sidewalk Art Fair, Aug. 4-5, in front of the Parts Peddler on E. Middle St., and

at a number of downtown Chelsea businesses. Season and student passes may be purchased at the office or at the booth during the sidewalk fair.

An exciting change this year offers fairgoers two thrilling nights—not one but two—of the extremely popular Rotoff International Demolition Derby. On Tuesday, Aug. 22 and Wednesday, Aug. 23, spectators will

be treated to four heats each night in the crazy antics of demolition derby driving beginning at 8 p.m. The event is open to both men and women (two women have roared off with second place for two consecutive years) and registration forms are available at the fair office during the hours listed above. Admission to the bang-up affair is \$2.

Other changes include the moving of the livestock auction to Thursday night at 7 p.m. from last year's Wednesday night; a pygmy goat division to accompany the regular goat division; different rock-and-roll bands on the grounds every night; and the price of some admissions. While daily fees will stay the same (\$1 for a daily

entrance and \$2 for Tuesday and Wednesday after 4 p.m.) the season pass has increased from \$4 to \$5, the student pass (with ID) is up to \$3 from \$2, and the Exhibitor pass is now \$3 from \$4 last year.

The earliest deadline for entries in the fair is Friday, Aug. 4 for horse division exhibitors. They should contact Darlene Var-

go at 475-9661 to reserve a horse stall.

Poultry division exhibitors must have their entries in to Lyle Jones by Aug. 11. His address is 12350 Curtis Rd., Grass Lake, (517) 522-4144.

All livestock exhibitors should contact superintendents of their division by Aug. 10 to arrange for their entries. Future dead-

lines will be announced as they approach.

A final change includes the rescheduling of entry judging. In the past, judging has been done during the fair but this year all exhibits in the Red Barn must be brought in by Monday, Aug. 21 and the judging will be completed before noon on Tuesday when the fair officially opens.

Sidewalk Sale, Street Art Fair Slated Aug. 4-5

Chelsea downtown streets will be loaded with arts, crafts, bargains, and gastronomic delights as the sixth annual Sidewalk Sale and Art Fair gets underway Friday, Aug. 4 and continues until Saturday, Aug. 5. Festival hours are from 8:30 a.m. to 8:30 p.m. on Friday and 8:30 a.m. to 5:30 p.m. on Saturday.

Highlighting the week-end fair, an auction featuring more than 25 items is slated for 8:30 p.m. Friday in the municipal parking lot with Loren Heller as auctioneer. Sponsored by the Chelsea Merchants Association, the auction proceeds will go to the merchants who have donated the items, according to Sam Johnson, chairman for the event. Working with Johnson are Jeff Flintoft, Dave Strieter, and George Winans.

On the auction block this year will be an upright freezer, solid maple butcher block, bentwood rocking chair, whirlpool bath, and several gift certificates.

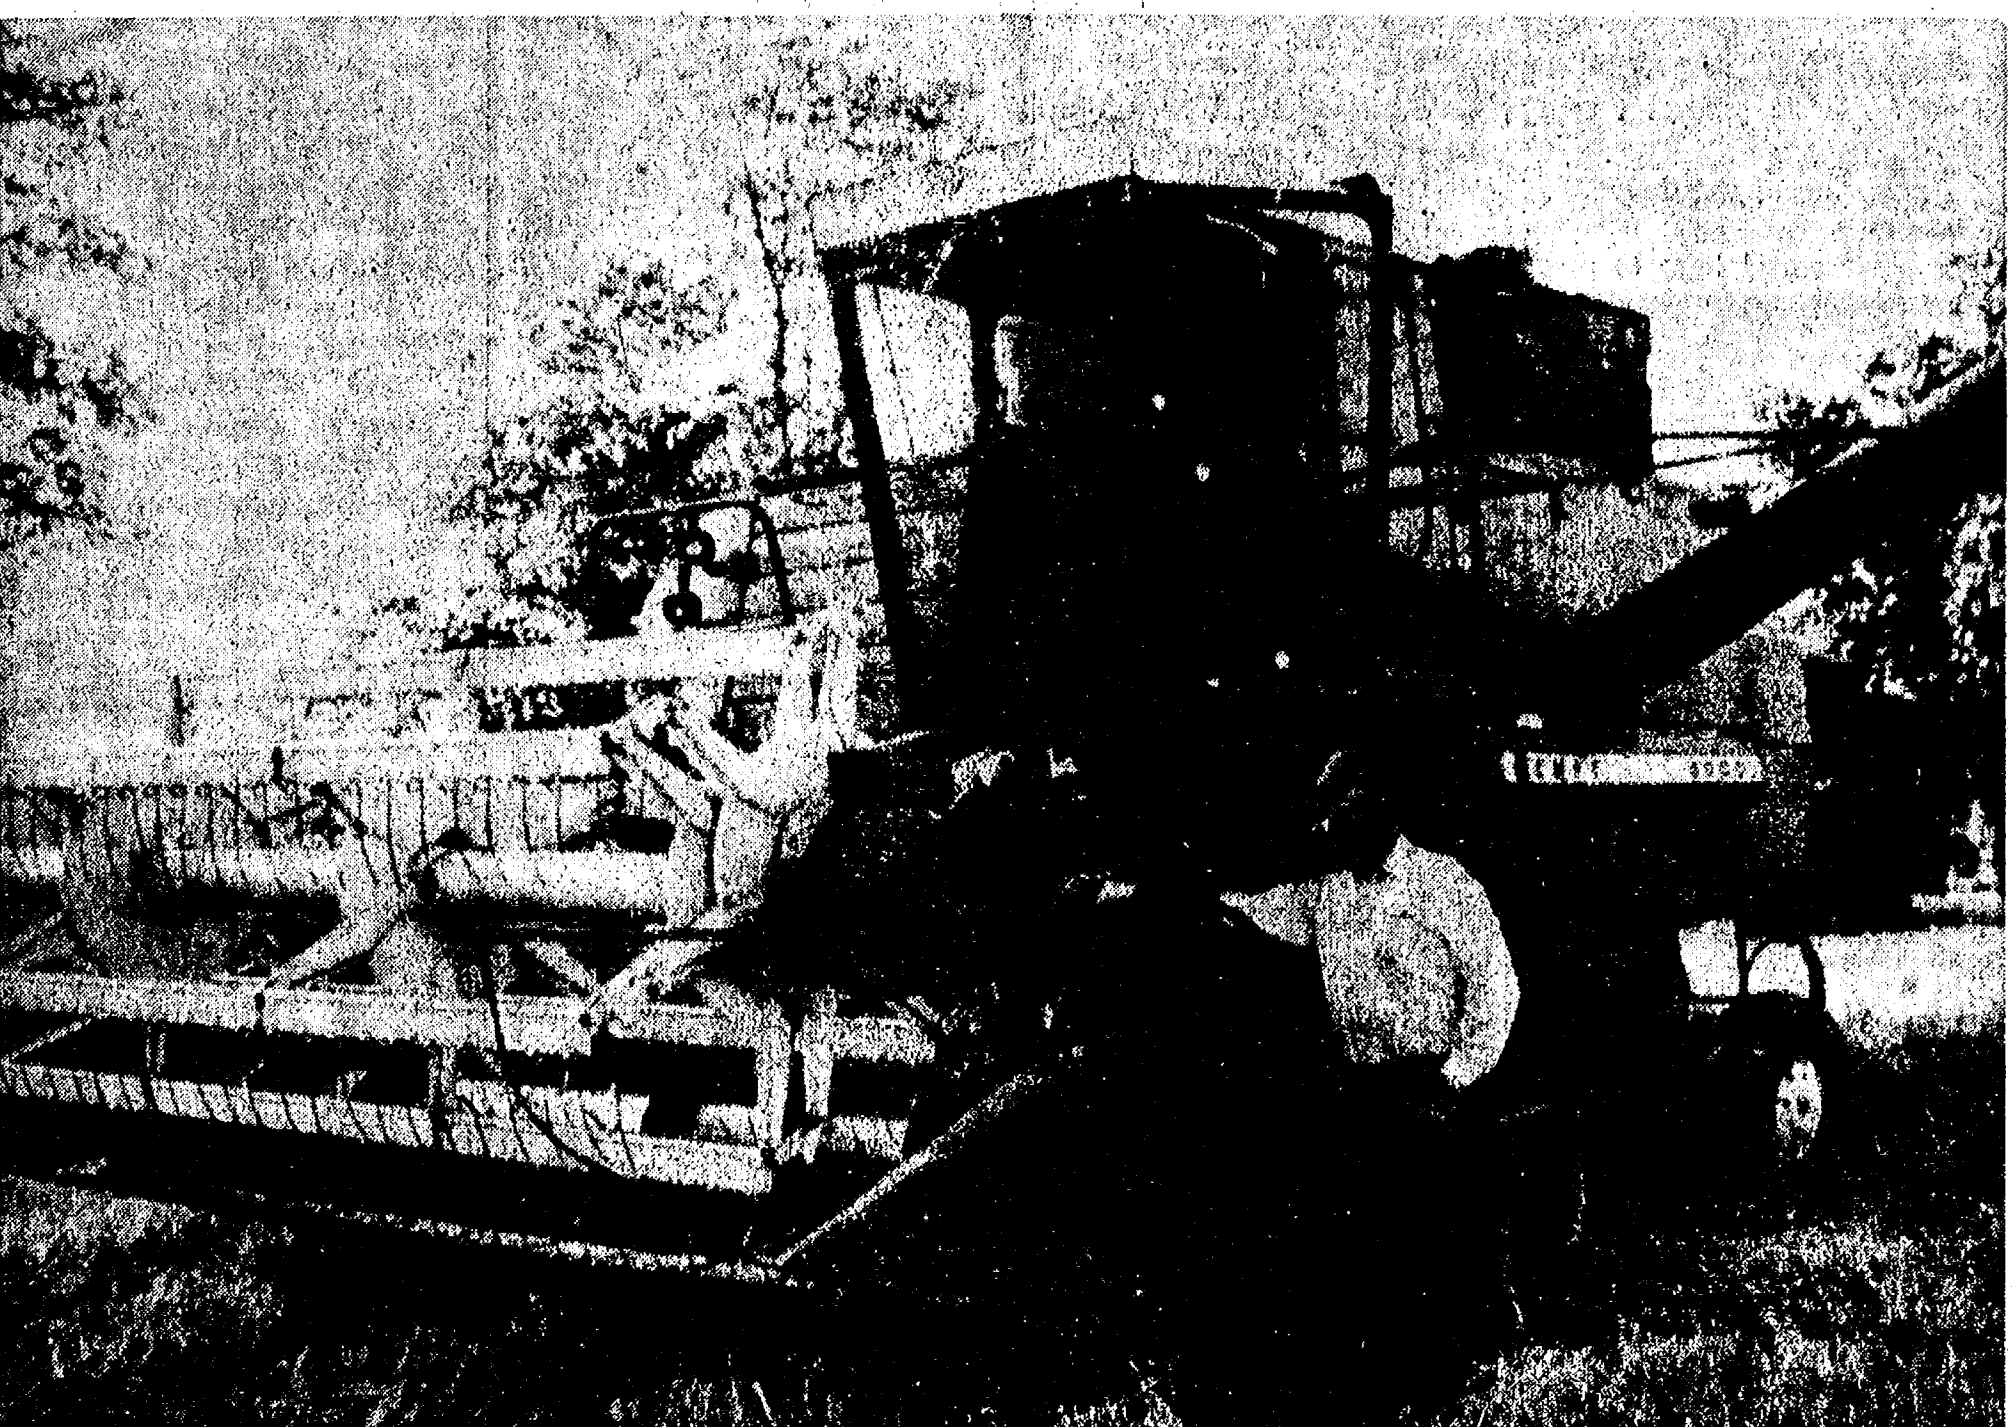

According to Karen Johnson, who this year is single-handedly managing the sidewalk and art fair, nearly 95 artists and craft designers will display their hand-

made creations. Well-known Earl Whitney will be back with his jewelry, along with needlepoint by Sherry Lawton, hand puppets by Sherry Duffy, and hand-made dolls by Judy Beckett. Many of the artists, Johnson said, come from the Jackson area. Not coming this year is Peter Severn, glass blower from the University of Michigan.

Situated between the booths of jewelry, water colors, pottery, glasswork, and sculpture, food booths will be handy for the hungry shopper. E. Middle St. will have the highest concentration, although booths will be located on Main St. as well. Included are the Chelsea Kiwanis Club's knock-wurst wagon with grills and a popcorn machine, the high school band snow cone booth, Chelsea Jaycee Auxiliary taco stand, and a honey stand.

Merchants will have merchandise on sale both inside and outside their downtown business locations and all art and craft booths have been juried prior to the event.

The Sidewalk Sale and Art Fair is being sponsored by the Chelsea Retail Merchants Association.

THEY USED TO CALL THIS HARD WORK. Dorr Whitaker takes advantage of a dry spell Tuesday afternoon to harvest the Scharphorn wheat field on N. Fletcher Rd. with his two-year-old \$60,000 John Deere 6800 combine. Equipped with bucket seat, air conditioning, radio, tinted glass, power steering and hydraulic power, harvesting is a far cry from the methods used 10 years ago. Dorr's machine travels six to seven miles per hour on an average field, has a 13-foot cut and can handle 25 acres in less than two hours. A farmer all his life, Dorr and his son Edson operate Whitaker Farms on Old US42 and somehow finds time to do custom combining and corn picking for others. Late planting, a late spring, and recent wet weather have both delayed harvesting and reduced this year's production to 35 percent of last year's harvest, according to experts.

Wheat Acreage Down, Yield 'Excellent'

Unco-operative weather, dominated by rain and humidity, has interrupted this year's wheat harvest with everyone guessing as to when it will end.

Honegger's & Co., Inc. reported their first load of small red wheat brought in by Floyd Balmer on Monday, July 17 at 8 a.m. According to Jerry Heydlauff, manager at Honegger's, the moisture content of that load was approximately 14. Another early delivery was received by the Chelsea Milling Co., when Keith Sharland of Stockbridge arrived on the same day with a load of No. 1 white wheat testing in at better than 13 1/2. Average moisture is about 13.

"All of the wheat we have seen has been very good. As a matter of fact, excellent," Dudley Holmes, Sr., co-owner of the Chelsea Milling Co., said. "There is no bet-

Pappillon' Second in Its Class at Mackinac

In what has been estimated as the longest Port Huron to Mackinac Island race, Dr. Michael Papo's 57-foot custom built aluminum yawl, "The Pappillon" reached port in second place in its division, safely, and without a sick member on board.

"Weather was incredibly rough the first 15 hours of the race and many boats dropped out. We heard that some crew members were sick for 20 hours because of the weather," Dr. Papo said. "It was a fantastic experience, though, and one that I am anxious to be again next year," he added.

Papo said the winds were "extremely rough and fierce" for the first 15 hours of the race. But, while sail boats thrive on wind, these winds headed directly into the bow of the ship, something that "out boat was not built for," he explained.

Once the winds had subsided, not even a breeze stirred the still sails or cooled the brow of a sweating sailor. "We drifted for 15 or 16 hours along the Canadian shore hoping to catch a wind but without luck," Dr. Papo said. We drifted all the way to Cove Island and on noon Monday the winds came."

From that point "The Pappillon" sailed faster than the winds and reached the island in what Papo said must have been a record time. "The boat is designed to create its own wind so that when winds are at 10 1/2 to 11 knots strong the Pappillon can go 11 1/2 knots. We sailed the last half of the trip (140 miles) in 15 hours and 40 minutes. I don't believe that anyone has sailed the entire distance of 230 miles in less than 33 hours," he said.

Girls Softball Team 2nd in State Tourney

Chelsea's 16-18-year-old Girls Fast-Pitch team finished second in the State Amateur Softball Tournament held in Petoskey July 22-23. Chelsea, led by Nanette Push, daughter of Mr. and Mrs. Melvin Push, opened the single elimination tournament by defeating Jittner-Wiechman from the Saginaw A.S.A. League, 4-1.

Nanette fanned eight Saginaw batters while walking only one and giving up only four hits in an outstanding performance.

Chelsea jumped out in front in the first inning as Amanda Schwarze walked, stole second base and then scored on a passed ball.

Chelsea came back again in the third inning, scoring twice as Cathy Taylor of Pinckney reached base on an error, Patti Hume walked, and both scored as Nanette Push tripled. Chelsea scored their fourth run of the game as Hume walked in the sixth inning and scored on Cathy Volta's double. Jittner-Wiechman scored their only run in the seventh inning with the game out of reach.

Chelsea opened the second day of the tournament as they faced Perfect Glass of Dexter, defeating them, 13-8. Roxanne Johns and Cathy Taylor, both of Pinckney, opened the game for Chelsea, with Johns on the mound and Taylor behind the plate. Roxanne and Cathy were added to the Chelsea roster for the tournament competition.

Johns picked up her first tournament victory with relief help from Nanette Push in the fourth inning.

Chelsea featured a well balanced hitting attack scoring in the first six innings. Tracy Hawker, Jennifer Ringe, and Roxanne Johns each had two hits while Cathy Taylor led the attack with two singles and a triple. Dee Carpenter pitched well for Dexter in a losing cause, as Dexter could produce only four hits off the combined pitching of Johns and Push.

The state final began with Chelsea facing Pro-Am Sports of Saginaw for the tournament title in pouring rain. Nanette Push started for Chelsea and opened strong

as Chelsea lost the flip of the coin to become the visitors. Chelsea scored early to take a 5-0 lead at the top of the third inning. Pro-Am Sports, however, came back in the bottom of the third inning to score four runs on a walk, two errors and a single.

Push settled down and held until the fifth inning when she hurt her knee attempting to field a chopped ball back to the mound. Nanette continued to pitch well in spite of the painful injury.

Chelsea's bats were cold after the third inning and Pro-Am Sports came back in the bottom of the sixth inning to score three runs to put the game away.

Mary Endsley was the winning pitcher for Pro-Am Sports and pitched an excellent game. Coach Wescott said, "I don't think I have ever been happier or prouder of the team. They played well during the entire tournament and Nanette Push was a real winner and threw her heart out, even in a losing cause."

Chelsea collected only four hits in the championship game, two of which were bunt singles. Coaches Pat Clarke, Bill Wescott, and Charles Waller all were happy with Chelsea's first showing in a state tournament. "We were all disappointed that we lost, but the girls played well and have shown a great deal of improvement this summer. Chelsea will also get another chance to face championship competition at the National Great Lakes Regional in Ann Arbor on Aug. 4, 5, 6," Waller said.

Chelsea's 13-15-year-old Girls Fast-Pitch team competed in the A.S.A. State Tournament July 22-23 in Petoskey. The 13-15-year-old girls drew last years champions, Art's East from Lansing for their opening game. Diane Thompson pitched well for Chelsea in a losing cause as Chelsea went down to their first defeat of the year, 11-1.

Art's East went on in the tournament to win their second straight state championship. The Chelsea girls played well against a superior team and held Art's East to

(Continued on page seven)

CHELSEA DEFENSIVE UNIT: Standing in back, from left to right, are Cindy Barels, Molly Ertle, Jennifer Ringe, and Kim Wood. Sitting are Amanda Schwarze and Tammy Collingsworth. Aiding the fine infield constituent of the Chelsea ASA 16-18-year-old fast-pitch softball team, these girls helped Chelsea place second in last week-end's tournament play in Petoskey.

Punch Card Voting Coming for Aug. 8 General Primary Election

Voters face a double challenge Tuesday, Aug. 8 in the primary election when they enter the halls to cast ballots, or rather punch them.

In addition to deciding between dozens of candidates for governor, state representative and senator, township officials, judges, and so on, they will be greeted for the first time with punch card voting.

A number of townships are offering demonstrations prior to the primary election. Sylvan township clerk Daniel Murphy will be in the township hall on Saturday, Aug. 5 from 10 a.m. to 2 p.m. Lima township clerk Arlene Baris will be available Thursday, July 27 in the township hall from 8 p.m. on.

Lyndon township will hold a demonstration Thursday, Aug. 3 at 7 p.m. in the hall and Dexter will hold theirs Tuesday, Aug. 1 from 7 to 7:30 p.m., at the Township Hall.

For those unable to attend these lessons, Murphy said that several practice units will be set up on election day in the hall to be used prior to the actual voting. "People may practice as often as they like before casting the final ballot and there will be voting officials on hand to answer all questions and help people learn the new techniques," Murphy said.

Despite the controversies and skepticism surrounding the new way of voting—as there were when

voters switched from paper ballots to voting machines—punch card voting is as easy as punching a hole.

"Because it is new, some people are convinced that it will be harder to use than the machines, when in fact it is much less confusing and even fun to do," Murphy commented.

To begin with, instead of searching all over the board in a voting machine for candidates names (statistics show that many overlook the proposals on top or a candidate over to the side) the punch card voting system utilizes a book which voters leaf through page by page, thus avoiding the chance of missing anything.

The book is attached to a 16 inch by 12 inch plastic tray which has a slot in the top middle where a long narrow punch card is inserted. At the top of the card are two holes which, after the card is inserted all the way, will fit neatly over two little red balls on the tray to secure it in position.

Once secured, the voter will open the book to page one where the political party is listed at the top and positions and candidates' names are listed below. Next to each name is a number (the number is unimportant except to the computer which reads the card later) and a hole. To choose a candidate, take the punching tool (located on the tray to the right) and punch a hole—a good strong

TRACY HAWKER: The Chelsea Amateur Softball Association 16-18-year-old Girls Softball team's oldest member approaches the plate with a triple up her sleeve. Tracy collected two hits during the ASA State Tournament in Petoskey last week-end, helping the team to place second in the event. She is the daughter of Mr. and Mrs. Larry Hawker.

4 Years Ago...

Thursday, Aug. 1, 1974—

Chelsea Education Association and the Chelsea School District have arrived at a tentative contract agreement for Chelsea teachers, it was announced Tuesday.

Final steps to begin Chelsea School District's building program, approved last Dec. 17 by voters, were taken at Monday's Board of Education meeting, when working, drawings, and specifications were approved.

The dormitory building project is moving ahead rapidly at St. Louis school where a two-story wing is being attached to the rear of the existing school building.

Included are nine bedrooms, each designed to accommodate five boys, to create "a more family type atmosphere."

14 Years Ago...

Thursday, July 30, 1964—

Scott Foster, 11-year-old son of Mr. and Mrs. Robert L. Foster, 515 Wilkinson St., will be competing in the Ann Arbor Community Soap Box Derby Saturday, Aug. 1.

George A. Staffan is Scott's local sponsor.

Rockwell-Standard Corp. has opened a new highly-mechanized plant at 418 W. Washington St., Ann Arbor, for large volume production of torsion rods for the Marsh, general manager of the Rockwell-Standard spring plant in Chelsea, will also serve as general manager of the new Ann Arbor operation.

Two Chelsea businesses located in the same building on Main St. are observing their 50th anniversary this year. They are Strie-

ter's Men's Wear, at 121 S. Main St., and Schneider's Grocery next door at the corner of S. Main St. and Park St.

24 Years Ago...

Thursday, July 29, 1954—

Mr. and Mrs. Anton Nielsen, who spent the past five weeks visiting relatives in Denmark, returned home by plane Monday evening. They were met at Willow Run by a group of Chelsea friends.

Wheat harvesting in this area is practically completed, according to local elevator operators. Howard Holmes, at Chelsea Milling Co., estimated the harvest 50 percent completed Saturday, which was the 12th day that grain had been coming in. Holmes stated that this year's crop is smaller, both in quantity and yield per acre, while quality was not up to last year's crop.

There has come into being within the last few months a new organization known as the Washtenaw County Agricultural Council, formed to help farmers become better acquainted with their farm organizations and for the farm organizations, in turn, to better help the farmers.

Washington newspapers have stated in articles printed during the past week that sources indicate that Brigadier General Herbert D. Vogel, son of Mr. and Mrs. L. P. Vogel of Chelsea, is almost certain to be appointed chairman of the Tennessee Valley Authority board by President Eisenhower.

34 Years Ago...

Thursday, Aug. 3, 1944—

Word had been received by Mrs. Blanche Barkley that her son Cpl. James Barkley has arrived safely in England.

Mrs. Alice Lytle has leased the Weber building on W. Middle St. and will open a sandwich shop there as soon as remodeling work is completed.

After operating Kolb's Restaurant for the past 24 years, Wm. G. Kolb has sold the business to Mrs. Sue Moore and daughter Shirley.

After receiving messages from the War Department to the effect that their son, Pvt. Neil Foster was killed in action in France, Mr. and Mrs. Terrance Foster received word from the Adjutant General which informed them that a mistake had been made saying "I deeply deplore grief caused by previous report but share in your joy that your son is alive."

Girls Softball Tournament Scheduled

Scheduled

Van Buren Township Park and Recreation Department will be presenting a Double Elimination Girls' Softball Tournament on Aug. 12-13. Any Michigan (Class B) amateur softball team is eligible to enter. There will be 1st, 2nd and 3rd place team trophies and 1st and 2nd place individual trophies.

ASA rules will govern the plays. Entrance fee per team is \$60 and this, plus a roster of your team, has to be submitted no later than Aug. 2.

A copy of the rules and scheduling of teams and times for games will be sent back to you upon completion of the roster and entrance fee. Any questions, please contact Mark Ratrick at (313) 699-2001.

A series of summer carillon concerts are presented annually at Michigan State University's Beaumont Tower which houses a 47-bell carillon.

Product Liability Insurance

During the whirlwind wrap-up session of the legislature prior to the summer recess, much important legislation was overshadowed by the concentrated work on the 1978-79 fiscal year budget.

One such item of consumer interest is the House of Representatives' last day approval of product liability legislation which includes two bills establishing guidelines on legal actions regarding product liability insurance.

One measure (HB 5088) provides evidence that a particular product, presumably met safety standards will be admissible in a court case. Also, in a case involving a product's safety, a person could get an award, even if the person was partially at fault in an accident because of negligence.

In such circumstances, however, any award will be reduced by the degree of negligence involved.

Cases involving injury or death must be brought within three years after the accident. The three-year statute of limitation is also stipulated for basic product liability cases.

Under the bills, if a product is used more than 10 years it would no longer be presumed safe. A person then would have to prove that a specific defect on the product was responsible for any injury or death.

To guard against nuisance suits, claims a judge finds frivolous can be dismissed, with legal fees assessed against the party bringing the suit.

A second bill (HB 6541) requires insurance companies in their annual reports, to list the premiums collected and losses incurred for product liability insurance.

Also required would be materials on any complaint seeking damages against a policy because of injuries. An insurance company would have to file a report on a defective product with the Insurance Bureau within 30 days after filing an answer to a complaint in court.

The bills were drafted after a series of public hearings and discussions were held with lawyers, insurance officials and business leaders on the difficulties of obtaining product liability insurance.

Supporters of the legislation indicate the bills will give manufacturers and businesses better chances to protect themselves in court, while also allowing consumers the right to make legitimate complaints.

Supporters also hope the bills may help make product liability insurance more available and at a lower rate.

Home Improvement Program
The Michigan State Housing Development Authority has inau-

gurated a home improvement program designed to help low and moderate income families to upgrade older homes with low-interest loans.

The program, authorized last year by the legislature, will expend up to \$100 million in three years to assist up to 20,000 homeowners, according to Housing Development Authority Director Richard Helmbrecht.

At the outset of the program, currently loans are available only through 13 lending institutions, scattered throughout the state.

The only large cities represented in the program are Detroit and Grand Rapids. Helmbrecht said the authority has contacted banks in Flint, Lansing, Saginaw and other

large cities and hoped they would get involved as the program got underway to make the program available statewide.

Persons participating in the program could get loans with as little as one percent interest if their gross income is less than \$7,999. Interest rates increase gradually as income rises above that. The largest interest charged is 9 percent to persons whose income is between \$17,000 and \$17,830.

To qualify, a person must own the home and be a reasonable credit risk.

The home must be either older than 20 years or damaged through a natural disaster. Loans can also be made to correct health or safety hazards or to make energy conservation improvements.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

It's been so hot out our way that I ain't ventured far from the front porch. You can't suit some folks. I complained about the cold last winter, like I do ever-winter, and now I'm changing with the seasons. I ain't as bad off as Listerine. During my reading on the porch I found out the folks that make the mouthwash has got to spend \$10 million on advertising to say their advertising is a lie.

In this case, the Federal Trade Commission is ordering Listerine to say the stuff won't help prevent colds or sore throat like it's been saying since 1921. The FTC challenged the claim in 1941, and this year the appeals got to the U.S. Supreme Court, where Listerine lost. Usual in false advertising cases they just got to quit saying the product will do what it won't do, but because Listerine has been saying it for so long the FTC and the court say it has got to spend its money to tell folks it ain't as good as they think it is.

Mister Editor, I see all kind of trouble here. Can you hear the head of the Listerine company telling the stockholders he promoted the product so good the company is broke. I don't see any difference between Listerine telling us to gargle with the stuff when we got a cold and one of them outlaws that make "tiny time pills" claiming relief is released in our blood streams slowly and we feel better all day. If you take all that medicine you can cure a cold in a week, and if you leave the cold alone it'll clear up in seven days. Any relief from a head cold is all in the head anyway.

I mentioned this to the fellows at the country store Saturday night, and they was full agreed, fer onct. Clem Webster said it would turn the whole economy of this country around if folks had to prove their products will do what they claim. Clem said he would like to see what really happens when you drink gusto, and if toothpaste draws boys to girls like ants on a picnic. If the courts were to order these whisky companies to prove how people that drink their brand have more friends and more fun, we ought to see some interesting ads, was Clem's words. As for the talking tigers and balanced diets that come out of cereal boxes, Clem went on, he would just as soon go on deciding what to believe about Listerine.

Speaking of misleading ads, Ed Doolittle wanted to know about unfair advantage. He said the FTC ought to look into the sale of Weight Watchers the other day. This company that is in the business of taking off fat was swallowed up by another company that puts it on. The Heinz people that make at least 57 varieties of goodies paid \$70 million for the chance to catch people the second time around. If Heinz wants to be real honest about it, they can use a new ad slogan like "we fatten em first, then fast em," Ed allowed. The chances of that kind of truth in advertising are about as good as President Carter's promise to streamline the Government.

Yours truly,
Uncle Lew.

Diabetes Mellitus is a chronic, metabolic disorder which adversely affects the body's ability to manufacture and/or utilize insulin, a chemical needed for the conversion of carbohydrates into energy.

Camel Was Tried for U. S. Desert Travel

America's first camel race took place in Agricultural Park, Sacramento, Calif., on April 7, 1884. History does not record who, if anyone, was the winner. The camel was brought to America in 1856 as part of an experiment in using the dromedary for desert travel. It never replaced the horse. Twentieth century visitors to Greenfield Village in Dearborn have an opportunity to relive some of the early modes of travel in America. While there are no camels, there are horse-drawn carriages.

ON IRA & KEOGH TAX DEFERRED RETIREMENT PLANS

Our IRA and KEOGH tax deferred retirement plans now earn the highest savings interest allowed by law...8.00% per annum. Minimum term is just 36 months. You can open an IRA or KEOGH account with as little as \$1 and make deposits throughout the

year of \$50, \$100 or whatever. Total deposits for the year, of course, are limited to 15% of earned income, or a maximum of \$1500 with IRA and \$7500 with KEOGH.

Existing IRA and KEOGH accounts automatically receive the new higher interest rate. Interest is paid quarterly and compounded monthly for an effective annual rate of 8.30%. At this rate your money doubles in approximately 8 years and 8 months.

Your accounts are insured with an agency of the federal government and federal regulations require a substantial interest penalty for early withdrawals.

Jaycee Auxiliary Hosts District Presidents Meeting

On Monday, July 17, Chelsea Jaycee Auxiliary hosted District No. 28 and N-2 joint presidents meeting in the banquet room at Inverness Inn. Project, chaired by Albert A. Cobey, began with an introduction and a welcome by Chelsea Jaycee Auxiliary president, Mary Meyer.

Reviewing Jaycee business, N-2 officer Paul S'aley talked of extensions and visitations. A report was given on the progressing softball tournament and probable increase in state dues was announced.

Discussing auxiliary reports, District No. 23 vice-president Sandra Kind went over issues to be noted on at the upcoming state meeting in Marquette. The Woodhaven officers' orientation was declared a success and a district began was decided upon. The Chelsea extension to Stockbridge was discussed and a workshop on CORE was announced for the next meeting.

Special guest and speaker for the evening was Carl Gansler, former Michigan Jaycee vice-president. He talked on Jaycee and auxiliary relations, stressing the necessity of communications.

Attending the meeting were representatives of the Auxiliary from Milan, Saline, Dexter, Ann Arbor and Ypsilanti. Present were Chelsea members, president Sandy Meyer, Sue Zink, Alberta Colbry and first-timer Shirley Weatherax. Stockbridge, Ypsilanti and Ann Arbor members represented the Jaycees. Attending from Chelsea were Bob Smith, president, Mitch Zink and Jerry Martell.

LYNDON EXTENSION
Lyndon Extension Club met at the home of Carla Cherry, Thursday, July 20. Luncheon was served to 16 members, two guests, and no children.

A surprise baby shower was given to member Kathy Sprawka and Mrs. Cherry demonstrated the use of punch cards which will be used on the Tuesday, Aug. 8 primary election.

Next meeting will be Aug. 17.

Mr. and Mrs. Michael Wayne Walz

Sherri Lynn Wahl, Michael Walz Wed in Waterloo Church

Sherri Lynn Wahl, daughter of Mr. and Mrs. Lester Wahl of Grass Lake was given in marriage by her father to Michael Wayne Walz, son of Mr. and Mrs. Duane Walz of Munith, in a candlelight service Saturday, July 15, at the First United Methodist church of Waterloo. The Rev. James Varner of Trinity United Methodist church in Jackson was assisted by Pastor Larry Nichols of the First United Methodist church of Waterloo.

Deborah Wahl, sister of the bride, was maid of honor. Bridesmaids were Wendy and Amy Walz, sisters of the bridegroom, from Munith; Julie Boes, cousin of the bride, from Gregory; and Denise Bodell from Stockbridge. Flowergirl was Keri Lee, cousin of the bride, from Lansing.

The bride's gown was princess

style with an A-line skirt that flowed into a chapel train. It had a lace bodice with mandarin collar and long chiffon sleeves with lace-trimmed cuffs. The veil was chapel length with lace trim. The bridesmaids dresses were periwinkle blue, the maid of honor's dress was light blue with ruffle neck. The flowergirl's dress was light blue background with white flowers.

Doug Walz, brother of the bridegroom, from Munith, was best man. Ushers were Denny and Rusty Walz, brothers of the bridegroom, of Munith; Mike Wahl, brother of the bride, from Grass Lake; Gordon Kunzelman of Gregory; Wade Broessamle, cousin of the bride, from Munith. Todd Whitaker, cousin of the bridegroom from Waterloo, was the ringbearer.

The bride carried a bouquet of cascading white and pink roses. The attendants carried a single white rose surrounded by baby's breath.

After a reception at the Stockbridge American Legion Hall, the couple left for a wedding trip to northern Michigan. They will reside at Portage Lake.

Chelsea Co-Op Nursery Children Play Pretend Farmer

Children at the Chelsea Co-Op Nursery school had a good time being "pretend farmers" at The Farmer in the Dell workshop on Wednesday, July 19. The children made miniature farms, ate a snack of corn on the cob and apples, and played the game, The Farmer in the Dell.

Children who attended the workshop included Amy and Steven Everett, Tim Bowers, Karen Bradbury, Jason Martell, Gabe Bernhardt, Ryan Skelly, Danny and Erin Olberg, Danny Vaughn, Josh Machnik, Jeremy Guenther, Monica Hanson, Packy Pinson, Sara Nicola, Lynn Stephenson, Keith Raney, and Melanie Broughton.

FARM LEAGUE ROYALS: With an even 4-4 record, team members have made tremendous advances on the field since the season's first game according to their coach John Baker. Kneeling in front, from left to right, are Mike Taylor, Doug Williams, Darren Girard, Bryan Kidd, Chad Pax-

ton, and Dave Kvarnberg. In back are Chris Burkell, Lee Redding, Todd Rowe, Mike Merkel, Coach John Baker, Scott Baker, and Todd Starkey. Missing from the photo are Ron Heydlauff, Eric Bell, and Chris Zangara.

Allen-Mshar Vows Spoken in California

James Allen of Sylvania, O., has announced the marriage of his daughter, Lori Lynn to Thomas Donald Mshar of Toledo, O., son of Mr. and Mrs. Don Mshar, 841 E. Whitcomb, Glendora, Calif., former residents of Chelsea.

The couple were married at Romantic Chapel in Norwalk, Calif., on Friday, June 30, and are now residing at 300 E. Bennett Ave., Apt. 10, Glendora, Calif. The bridegroom's grandparents are Mr. and Mrs. Howard Miller of Chelsea and Mr. and Mrs. Alex Mshar of Munith.

Chelsea Co-Op Nursery School Plans Busy August

August will be a busy month for the Chelsea Co-Op Nursery school, beginning with a bake sale during the Chelsea Sidewalk sales, Aug. 4-5.

Open House will be held on Sunday, Aug. 13 from 2 to 4 p.m. Bring your family for cookies, lemonade, and fun. Meet the new board members and the teacher.

For all moms and dads, a get-acquainted coffee will be held at the nursery school on Monday, Aug. 21, from 10 to 11 a.m.

A float will be entered in the Chelsea Fair parade by the nursery school. The float will be filled with toys, children and parents from the nursery. In order to get the float ready a "painting" party will be held at the nursery on Tuesday, Aug. 22 from 10 to 11 a.m. The nursery school children are invited to help paint a cardboard box red to ride proudly on the float as a red brick nursery school. Just bring mom and a couple of paint brushes.

The float will be decorated Friday, Aug. 25, at Sue Machnik's at 9:30 a.m. Come and help decorate!

The U.S. Labor Department under Title III of CETA offers special federal employment and training assistance to Indians, migrant and seasonal farmworkers, older workers, and others with particular job disadvantages.

The three bones of the middle ear are the smallest bones found in the human body, according to hearing specialists.

Fairgrounds Arena Extended to West

Regular Fair Board meeting was held Tuesday, July 20 and called to order by President Lloyd Grau. Those officers present were Lloyd Grau, president, Jerry Heydlauff, vice-president, Kay Poljan, treasurer, Ed Keezer, fair board secretary Earl Heller, executive vice-president, and Ruth Leach, fair secretary.

Board members present were Frank Sweeney, Frank Renton, Charles Staphis, Harold Gross, Jerry Herrick, Archie Bradbury, Harold Trinkle, Art Steinaway, and Reuben Lesser, Jr. Others present were Mark Staphis, Dan Grau, John Wellnitz, Dale Koch, and Merle Leach.

Absent were Robert Heller, Keith Bradbury, Richard Bollinger, John Klink, Charles Koenn, Ralph McCalla, Joe Merkel, III, and Dick Poljan.

After several men, along with Lloyd Grau, broadcast seed, which Grau furnished, on the land west of the Firestone plant, they pulled posts and rolled up the fence so that the arena would be longer to the west. Refreshments were served by Frank Sweeney.

After this work was done with the help of Mark Staphis, Dan Grau, and Dale Koch, the board meeting was called to order and the minutes of the last meeting were read and accepted. There was further discussion about the fair insurance program.

The fair party was set for Sept. 23. Wellnitz was delegated to get two bicycles from Gambles to be displayed in Foster's Mens Wear and Dancer's as has been done in the past.

Representatives will be present at the Aug. 1 public hearing during the village council meeting to determine whether the fair banner can be hung across the Main St. This is the first time a hearing has been required. Firemen will wash both Little

Red and the Merchants Building. They have done this for many years prior to the fair which will be held this year Aug. 22-26. Come to the fair!

Persons exposed to intense noise can experience temporary hearing losses, and, warns hearing specialists, prolonged or repeated exposure to such noise can lead to permanent hearing losses.

Early and regular prenatal care seems to be one important factor in preventing low birthweight, infant disease and infant death, reports The National Foundation-March of Dimes.

PROPOSITIONS THAT MAY BE SUBMITTED.

THE POLLS of said election will be open at 7 o'clock
a.m. and will remain open until 8 o'clock p.m. of said
day of election.

WILLIAM EISENBEISER, Township Clerk

LEGISLATIVE LOG

An Overview of Action on Bills
In the Michigan Legislature
Week of June 26-July 1

Winning Final Approval Other Legislative Action

The legislature's final week of session prior to the summer recess was a busy one in which the bulk of the budget bills for the upcoming fiscal year were approved and sent to the Governor for his signature. A balanced budget totaling \$4.2 billion was appropriated to carry the state through the 1978-79 fiscal year, which runs from Oct. 1, 1978 through Sept. 30, 1979. Included in next year's budget is a \$104 million allotment for the state's Budget Stabilization Fund.

In between their deliberations on the budget, state lawmakers also tackled a number of other issues. Winning final legislative approval this week were measures which: codify all of Michigan's public health statutes into one massive document; ban double-bottom tanker trucks on Detroit Metropolitan Area roads effective Aug. 1 and state-wide within three years; increase from 58 cents to \$1.50 per acre the payment-in-lieu-of-taxes on state tax-reverted lands; expand coverage under the state's PBB testing program to include all farm livestock and poultry; and exempt dairy farmers from the PBB testing program when 15 percent of their herds have been found free of contamination.

In addition, Senate and House members okayed bills this week to: increase the state tax on liquor by about one percent to provide additional funds for alcoholic treatment programs; guarantee employees access to their personnel files; establish guidelines for the development and use of electronic money systems; transfer jurisdiction over the State Fair from the State Agriculture Department to the State Department of Natural Resources to collect unemployment benefits; allow warrantless arrests of persons who are involved in accidents if they appear to be under the influence of alcohol or drug and fund battered spouse abuse centers.

All of these measures now await consideration by the Governor.

Members of the Senate and House also reached agreement on a proposed constitutional amendment which would allow judges to deny bail for violent and/or habitual criminals, thus assuring the proposal a spot on the November ballot. The fate of a bill, making county sheriffs responsible for secondary roads patrols and appropriating state funds for this purpose, remains uncertain at this time, however. The Senate voted to override the Governor's veto of the bill, but the House decided to wait until the fall session to take any further action on the measure. Lawmakers hope to reach a compromise on the county sheriff's funding issue over the summer.

Although lawmakers spent most of their time this week ironing out the differences between the Senate and House versions of the budget and other bills, they also took initial action on various other measures. The Senate passed, and sent to the House, bills which would require local taxing units to hold hearings on increased property tax assessments, and provide income tax credits for conducting retraining programs for persons displaced from their jobs as a result of the non-returnable bottle ban. The House approved and sent to the Senate, measures to increase the probationary period for new drivers; prohibit lie detector tests as a condition of employment; create a railroad development authority; and establish guidelines on lease actions pertaining to product liability insurance. These measures may be considered by the alternate chamber during the fall session.

From the Governor

Topping the Executive Office's news this week was the Governor's veto of a bill which would have provided a formula for the distribution of state funds for county sheriffs' road patrols in Michigan. The Governor issued his veto upon the basis of his belief that the county sheriffs' funding measure would dilute local control over sheriffs' departments and create the possibility of dilution of support for the State Police in the future. He vowed to work with lawmakers and interested parties over the summer in an attempt to reach a compromise on this issue.

Governor Milliken affixed his signature to a number of other bills this week, however. New laws he signed include measures which: ban all but minimal fireworks in Michigan; create a State Commission for the Blind; insure that senior citizens, handicapped, eligible veterans and others with annual income below \$10,000, who have deferred summer property taxes, do not have to pay interest or penalties during the deferral period; provide low-interest loans to Michigan farmers who have suffered financial losses as a result of livestock contamination; and expand the services which credit unions may legally offer.

In addition, the Governor extended for six months the emergency rules banning the transportation of hazardous materials during certain hours in Wayne, Oakland, and Macomb Counties. The tanker ban bills, approved by the legislature during the final week of the 1978 Regular Session, will supersede the rules, however, once they are signed into law.

Area Students on Ferris State Honors List

Dorothy L. Stoll of Dexter, Julia A. Chapman, Teri P. Lutovsky, Stephen A. Snyder, and Lisa A. Walworth of Chelsea have been included in the academic honors list at Ferris State College in Big Rapids for the winter term.

In order to qualify for the list, students must achieve at least a 3.5 average on a 4.0 scale.

ask the GOVERNOR

by William C. Milliken

Question: I am going to purchase a major appliance. How can I make sure I get the most for my money and an energy-efficient model?

Governor: The Michigan Consumers Council was established in 1968 to answer and help consumers with questions like yours. The council is responsible for programs to protect consumers from harmful products and fraudulent commercial practices, for recommending legislation necessary to protect consumers, and for advising the Attorney General of practices which may violate the law. The council prepares information which teaches persons to make educated purchases.

On July 10, 1978, I signed a bill into law which enable consumers to call a toll free number for information about consumer concerns and complaints. The toll free line, operated by the Michigan Consumers Council, will provide information and used to refer consumers to the appropriate federal, state, local or private agencies to help them with specific complaints. The council is training personnel to handle the toll free line and is working with various agencies to set up the line as quickly as possible. Until the line is operable, you may write to the Michigan Consumers Council, 414 Hollister Building, Lansing 48913.

The number of the toll free line will be made available as soon as the equipment has been installed and the personnel trained. The Consumers Council hot line is another means of making government more responsive and accessible to the citizens it serves. For your information there are seven other hot lines:

Department of Commerce: Pro Business office, 1-800-292-9544; Consumer Assistance, 1-800-292-5943; Public Service Commission Utilities Section, 1-800-292-9555; Travel Commission, 1-800-292-2520; Out-of-State, 1-800-248-5456.

Department of Public Health: PBB, call collect 616-799-3514.

Department of Social Services: Medicaid, 1-800-292-2550; Medicaid Fraud, 1-800-292-5404.

Question: I heard recently you signed a couple of rainmaking laws. Is this a joke?

Governor: It certainly isn't a joke. As our technology grows and the ability to modify our environment becomes more commonplace, it becomes increasingly obvious that all of society has a stake in activities such as weather modification. We are all affected by changes in atmospheric conditions. Society must take steps to ensure that those who engage in the practice of weather modification are qualified and that all concerned parties have a voice in decisions about particular projects.

One of the laws I signed prohibits weather modification activities without a permit. The second law, which is effective until the end of 1983, permits county board of commissioners to authorize weather modification projects for agricultural or other purposes.

The Michigan Department of Agriculture will now issue rules regulating activities aimed at making artificial changes in the atmosphere, establish permit qualifications and standards to minimize public health or environmental problems.

I understand that the federal government is also considering national laws on this topic as well.

Question: Where can I go to learn more about Michigan's agricultural products?

Governor: The Department of Agriculture has just prepared a new booklet, "A Cook's Tour of Good Things Growing in Michigan." This booklet contains 12 different tours throughout Michigan, each highlighting a particular product of the various regions. There are cards with maps explaining the location of the regions and how to get there and the products of the region. There are also recipes on the back of the cards to be used for the foods and fruits of Michigan. You may obtain a copy by writing:

Michigan Dept. of Agriculture
Lewis Cass Building
Post Office Box 30017
Lansing, Michigan 48909.

Happy Eating and Happy Touring!

New MSU Band Director Named

Stanley E. DeRusha, director of bands at the University of Wisconsin, has been named director of bands.

DeRusha, who has held the UW-Milwaukee post since 1974 and has become widely known as a conductor, solo saxophonist and clinician, will succeed Kenneth G. Bloomquist, who was named chairman of the MSU music department.

He is the sixth person to hold the director of bands' title at MSU in its 108-year history of the MSU band program. He will be responsible for the 250-member Spartan Marching Band as well as the Symphonic Band, Wind Ensemble, and several other band groups.

Michigan State University's College of Education has been rated a "high producer" because of its research and development productivity according to an Indiana University team which studied colleges of education across the country. MSU was among the "top 24."

The Chelsea Standard, Thursday, July 27, 1978

In addition to presbycusis, which is a loss of hearing ability due to the aging process, hearing specialists point out that a relatively new condition called sociocusis—a loss of hearing due to environmental conditions—has begun to afflict man.

by Chriswell, to allow the Disabled American Veterans to conduct their annual "Forget-Me-Not" sale within the village on September 8 and 9, 1978. Roll call: Yeas all. Motion carried.

A letter from Cummins-Barnard, consulting engineers, regarding large customer electric rates was read. Motion by Rady, supported by Chriswell, to instruct the administrator to engage Cummins-Barnard to study the large user rates. Roll call: Yeas all. Motion carried.

Thomas Neumeyer, Secretary.

St. Patrick's Dedicates New Parish Center

Kenneth J. Povish, Bishop of Lansing, dedicated and blessed the newly completed Parish Center of St. Patrick's parish, Northfield township, on Sunday afternoon, July 16. The dedication, which took place at 4 p.m., culminates several years of planning for the parishioners of St. Patrick's.

The need for a new building became apparent when the parish ran out of room for the 250 children attending religious education classes. In addition to the church, the parish was forced to find teaching space in the church basement, the rectory, the church balcony and even the parish garage. Three years ago, the Parish Council began serious discussions about a new educational and social facility for the parish.

The new Parish Center is a multi-purpose building. It contains two halls, each of which can seat 500 people. Through the use of moveable walls, the upper hall can be divided into nine classrooms for religion classes. The Parish Center also contains an office wing for the parish offices, a smaller meeting room, and a complete professional kitchen.

The Center was built at the cost of \$300,000. All of the construction, with the exception of the basic shell, was completed by volunteers from the parish. Bishop Povish broke ground for the Center in May of 1977, on the occasion of the celebration of the centennial of the laying of the cornerstone of the present church. Construction began in August of 1977, and was completed this month.

The Rev. Fr. Patrick A. Jackson is the pastor of St. Patrick's. One of the historic parishes in the area, St. Patrick's was the first Catholic parish in Michigan to be established for English speaking Catholics. It was founded as a parish in 1831. The parish now has a membership of 325 families.

Local clergy and friends were invited to join the parishioners of St. Patrick's for the Dedication Sunday. The short ceremony was followed by a dinner for the parishioners and guests.

Correction Issued on Ferris State Winter Academic Honors List

Four Chelsea students were honored by Ferris State College as they were named to the Academic Honors list for the winter semester, 1977-78. A previous list which had been published was inaccurate according to the college which furnishes the list.

Students were Julia A. Chapman, Teri P. Litovsky, Stephen A. Snyder, and Lisa A. Walworth.

JCs, Auxiliary Hold Joint Summer Meeting

On Tuesday, July 18 Chelsea Jaycees and Auxiliary held their joint summer dinner meeting. Officiated by presidents Bob Smith and Sandy Meyer, the night started off with a pot-luck supper enjoyed by the members and their children at Park Lyndon.

After business was called for, the Auxiliary gave final reports on the fluoride clinic, state income tax reform petitions, and poison control letter. The outings, Cedar Point and jogging were announced. A success. A progress report was given on the Stockbridge extension by chairman Sue Zink. Nan Rowe volunteered to oversee the look-into at the upcoming side-walk sales and Alberta Colby started plans to host the fall district meeting in October. A motion passed to change the next meeting date of Aug. 15 to Aug. 22.

Before discussing their business, the Jaycees made a special presentation to the Auxiliary on behalf of their 22nd birthday. President Sandy Meyer accepted a hand-made poster on behalf of the group. The Jaycees then heard final reports on their youth horse show, cross-country race, side of beef raffle and the garden tractor pull. It was decided to take on the cushioned athletic seats project and it was announced that the bingo tent at the community fair would be held again and that a pig roast social was being looked into for September. Arrangements were made to purchase more sand for the sand for this project.

For her dedication to the fluoride program, Ginny Wheaton was named the Auxiliary's "Girl of the Month." For his outstanding work on the youth horse show, chairman Dan Bieske was given the "Jaycee of the Month" award. Nan "Dynamite" Rowe received the "Presidential Pepper Award" for her enthusiastic work within the Auxiliary. The Jaycees concluded by naming Morgan Rowe "Jaycee of the Quarter." Rowe is presently external vice-president and in addition to his board duties has personally chaired many projects for the Jaycees.

The meeting was adjourned after both groups took turns repeating their creeds.

In communicating with a hard of hearing person, speaking distinctly can be as helpful—or even more beneficial—than speaking loudly, according to hearing specialists.

LEAGUE CHAMPS: Enjoying a spectacular season with a 12-0 record, members of the Ann Arbor Centerless team grin and pose proudly with their trophy. From left to right in front are Brian Bingel and Gordon Beeman; in the middle are Jim Ticknor, Gary White, Cal Poe, and bat boy Eric Beeman; and bringing up the rear Amy Ticknor, scorekeeper; Ron Klumpp, Bill Pidd, Paul Fite, sponsor; Dan Rendell, and Oren Wireman. Missing are Harry Swersky, Dennis Bingel, Phil Boham, and Dennis White.

Adult Softball Teams In Tournament Play

Regular season ended last week for both fast pitch and slow pitch adult softball. In fast pitch, Ann Arbor Centerless managed to survive a scare by Hackney Hardware and finish the season with a perfect 12-0 record.

Jiffy Mix defeated 3-D to cause a three-way tie among the remaining teams. The four teams played the first round of a single elimination tournament Wednesday evening, July 19 with the winners meeting Saturday, July 22 at 5:30.

In slow pitch, the top eight teams advanced to a play-off for the League Championship. Astro Cap won their final two games and then defeated Montagne in a play-off to determine the eighth spot. On Tuesday, July 25 Astro Cap upset top seeded Unadilla, 18-12, knocking Unadilla out of the play-offs. Astro Cap scored six times in the second inning and seven in the fourth inning, paced by Richard Bobo, Chuck Rogers, and Tommy Devlin.

Jiffy Mix knocked out Chelsea Bank-Greenhouse, 9-8, scoring 14 runs in the bottom of the seventh inning with John Lixey knocking in the winning run.

McCalla's ended Wolverine Bar's hopes with a come-from-behind 9-8 victory as they scored twice in the bottom of the sixth inning on RBI's by Craig Coltre and Curt Miller, who also made several fine defensive plays.

The fourth team to survive the first round was Village Motors who defeated Federal Screw, 10-6. Village Motors was led by the pitching of Jim Lyerla who also hit a home run to help his cause.

On Wednesday night, July 26, Jiffy Mix met Astro Cap in a double elimination play-off. The win-

ners of those games will play to-night, Thursday, July 27 at 6 with the losers meeting at 7:30. The loser's bracket championship will follow at 9 p.m. Finals for both slow and fast pitch will begin Saturday, July 29 at 4 p.m.

Lubahn's Sell Their Mullet Lake Camp

Doris and Bill Lubahn, former residents of Chelsea and owners of The Pub, have retired from operating the East Mullet Lake Campground this year. The Lubahns moved to Indian River in 1969 and built and managed the campground until this year. They sold it on June 9 and are now living on the Black River.

Physical Exams Scheduled for All School Athletes

Physical exams for all Chelsea High school and Beach Middle school athletes will be given Monday, Aug. 7.

Girls will receive their physicals at the Chelsea Medical Clinic beginning at 8:30 a.m., Aug. 7. They are asked to be there no later than 9:15 a.m.

Boys will receive theirs at the high school locker room at 7 p.m. on Aug. 7. They should be there no later than 7:45 p.m.

This service is being given through the co-operation of the Family Practice Center, the North Territorial Clinic, and the Chelsea High school. The fee is \$3 per athlete.

Canning Center Calendar

Washtenaw County Co-operative Extension Service offers free participation workshops for area families to learn the correct and safe way to home can foods. Participants are required to bring their own jars, lids, and produce and use the Center's canning equipment.

Watch this space each week for the schedule of sessions. Pre-registration is requested. To register or for more information call 973-9510. Sessions begin at 9:30 a.m.

Tuesday, Aug. 1—"Waterbath Canning of Blueberries and Blueberry Jam."

Thursday, Aug. 3—"Waterbath Canning of Tomatoes."

Methodist Vacation Church School Sessions Start Next Monday

Chelsea United Methodist church will conduct its annual Vacation Church School beginning Monday, July 31 through Aug. 10.

Classes will be held on Monday through Thursday of each week from 9 to 11:30 a.m. All children ages 2 years through sixth grade are invited to attend. Many special events in addition to games, singing, snacks, and prizes are planned.

Registration will be held the first morning and a fee of \$1 per child or a maximum of \$3 per family will be charged.

When the U.S. Labor Department was created in 1913, the average workweek was about 50 hours, and earnings averaged about 22 cents an hour.

FULFILLING A LIFE-LONG AMBITION, Al Nixon, left, accompanied by his father, Home, 71, who served as caddy, recently completed a hopefully record-setting round of golf by playing nine holes in each of the 48 continental United States in 26 days. Al, a 1961 graduate of Chelsea High school, and his father, who had lived in Chelsea until 1977 when he moved to Lantana, Fla., left Sunday, July 11 from the younger Nixon's Kimball Lake home near Newaygo for their country-wide tour. Along the way they encountered rain, hail storms, 101 degree heat and "a lot of nice people," Nixon said. Originally, Nixon thought the 8,731-mile trip would take 35 days, traveling in his father's car and staying in motels. Nixon said

he believed his accomplishment is the first attempt known but "I'm not sure the Guinness Book of World Records will acknowledge it. They said to do it and then let them know. I'm sending them a set of score cards, but I'm still not sure it will be recognized." He added that it may take weeks or months before the official word comes in. A school teacher for the past 12 years in Grant, Nixon said he walked nearly 100 miles through 414 holes of golf. "I really enjoyed myself, but I began to get tired of golfing toward the end. The rest of the summer I'm going to take it easy, and probably golf once in a while," he said.

Attend Orientation

Dexterites Michelle Muhling, Tracy Ritt, and Pamela Stoffer have completed their three-day summer orientation program at Western Michigan University in Kalamazoo.

In groups of approximately 200, students visited campus buildings, took tests, conferred with faculty advisors, and registered for classes.

Girls Softball...

(Continued from page one)

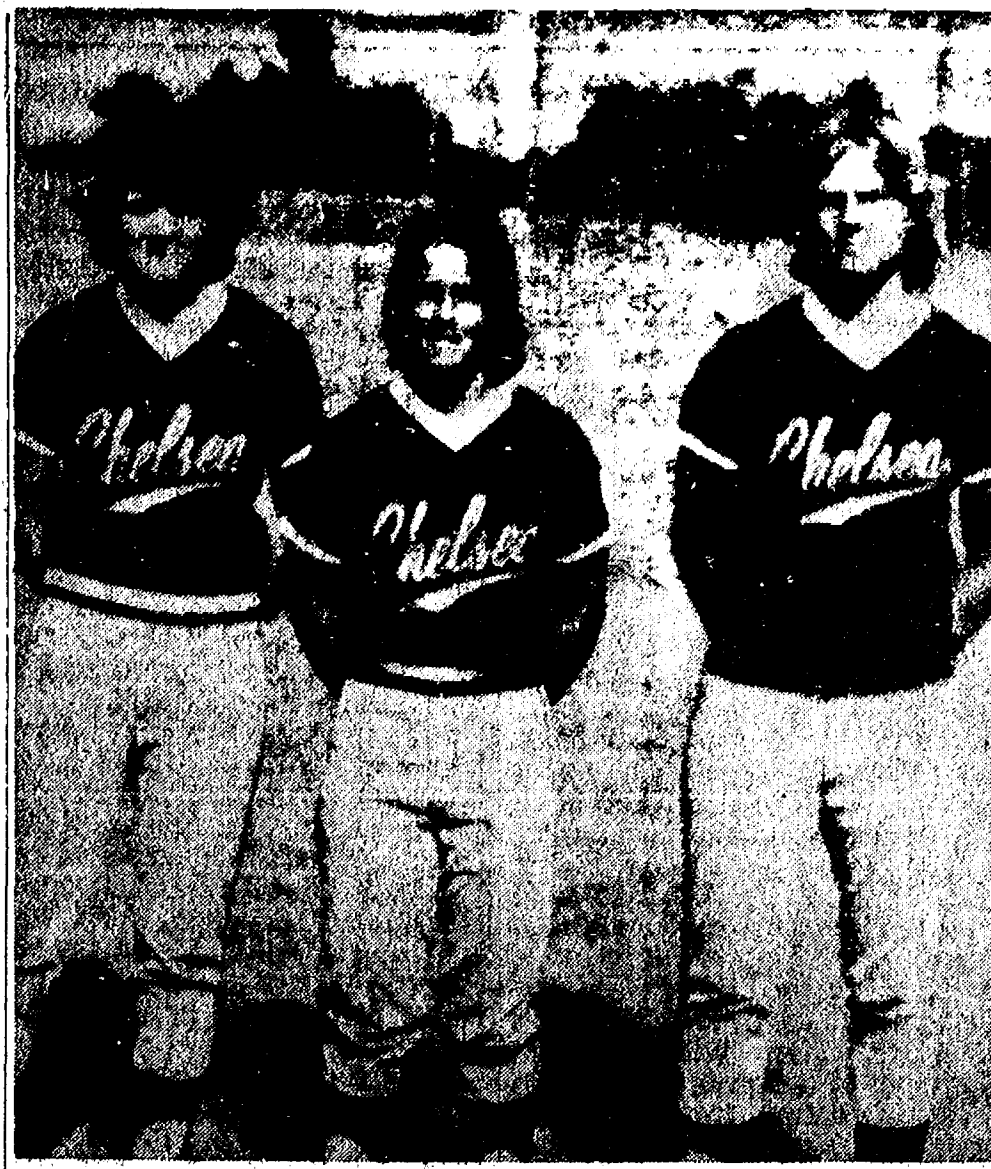

their lowest run production of the tournament.
Chelsea played again later in the day against the Prep Road Runners in the consolation, losing, 20-4. After making a fine effort in the first game Chelsea failed to rebound and played a weak game. Coach Waller commented that the girls appeared to be demoralized after the first game and did not play up to their potential. "It was a good experience for the young girls to face the quality competition, and taught us that if we are to compete on the level we still have a long way to go. Anita Powell, Diane Thompson, and Paula Hlast all played well for Chelsea," Waller said.

Peter Fletcher Reappointed To Michigan Collection Practices Advisory Board

Gov. William G. Milliken Friday announced the reappointment of Peter B. Fletcher of Ypsilanti to the Collection Practices Advisory Board, for a term effective July 22, 1978, and expiring July 24, 1981. Fletcher, 302 S. Huron St., chairman of the State Highway Commission, was first appointed to the board in 1975. He is president of the Ypsilanti Credit Bureau.

FIRST CHURCH OF CHRIST, SCIENTIST

Every Sunday—
10:30 a.m.—Sunday school, morning service.

CHELSEA STANDOUTS: From left to right, Kim Wood, Patti Hume, and Nanette Push break from the vigorous competition in last week-end's Amateur Softball Association state tournament in Petoskey. Wood plays first base for the Chelsea 16-18-year-old fast-pitch softball team and collected three key hits. She is the daughter of Mr. and Mrs. Don Wood. Hume is a fine defensive catcher and is the daughter of Mr. and Mrs. Phil Hume. Push pitched 17 innings during the tournament, struck out 17 batters and walked only eight. She is the daughter of Mr. and Mrs. Melvin Push.

Punch Card Voting Being Tried...

(Continued from page one)

United States Labor Party listed on the next general election ballot. Even though there are no candidates listed for any of these parties, if a voter votes in this section he or she may not vote for any of the Republican or Democratic candidates, but may still vote for the two Judge positions.

Write-in candidates are still possible in punch-card voting. The name of the candidate may be written on the inside flap of the envelope provided the voter along with the punch card.

Murphy added that if, during the actual voting, a voter makes a mistake he or she may ask for a new card and begin over again.

DEATHS

Mrs. J. MacDougall

Dies Thursday at Hospital Following Extended Illness

Mrs. Jeremiah (Edith Rose) MacDougall, 58, 140/5 Edgewater Dr., Gregory, died Thursday, July 20 at Chelsea Community Hospital following an extended illness.

Born Oct. 15, 1919 in Alta, Ia., she was the daughter of Michael and Ava (Hunker) Tonkonogy. She had been a resident of the Chelsea area for the past 24 years. She married Jeremiah F. MacDougall in 1943. He survives. Mrs. MacDougall was a member of St. Barnabas Episcopal church; a member of ECW at St. Barnabas; and a member of the Chelsea Woman's Club. She served in the U.S. Navy during World War II and graduated from Queens College in New York.

She is survived by one son, Robert of Canton township; one daughter, Mrs. William (Ava) Frisinger of Issaquah, Wash.; three granddaughters; two grandsons; one sister, Nathalie MacDougall of Lansing; and two nieces.

Memorial services were held Saturday, July 22 at 2 p.m. at St. Barnabas Episcopal church. The Rev. Fr. Jerrold F. Beaumont officiated. Cremation took place.

Memorial contributions may be made to St. Barnabas Episcopal church. Arrangements were handled by the Burghard-Cole Chelsea Chapel.

Ira E. Uphaus

Methodist Home Resident Dies at Chelsea Hospital

Ira E. Uphaus, 87, of the Chelsea United Methodist Retirement Home, died early Friday morning, July 21 at the Chelsea Community Hospital following a brief illness.

Born March 31, 1291 in Manchester, he was the son of Henry and Catherine Uphaus. On Oct. 15, 1941 he married Mildred Berke in Manchester. She preceded him in death on July 10, 1974.

Mr. Uphaus was an active member of the Westside United Methodist church in Ann Arbor. He was employed with the Ford Agency, now Gene Butman Ford of Ypsilanti, for 65 years before retiring in 1973. During World War I he served with the Army in France. He and his wife had lived all of their life in Washtenaw county.

He is survived by one son, Neil Uphaus of Ann Arbor; and close relatives, Mark L. Harris, Sr., Mark L. Harris, Jr., and Dr. James E. Harris, all of Ann Arbor.

Funeral services were held Monday, July 24 at the Westside United Methodist church with the Rev. William Cardwell Pratt officiating. Burial followed in Rows Corners Cemetery in Manchester.

Memorial contributions may be made to the Westside Methodist church, the Sharon United Methodist church, or the Chelsea United Methodist Retirement Home. Muehlig Chapel of Ann Arbor cared for the arrangements.

Mrs. Raymond Renz

Lima Township Resident Dies at Ann Arbor Hospital

Mrs. Raymond (Muriel) Renz, 61, 1010 S. Steinbach Rd., Lima township, died Monday, July 24, at St. Joseph Mercy Hospital, Ann Arbor. She was 61.

Born April 15, 1917 in Medford, Mass., she was the daughter of Andrew and Mary (Gray) Urquhart. She had been a resident of the Chelsea, Dexter, Ann Arbor area for 55 years and was a member of Salem Evangelical Lutheran church.

She graduated from Dexter High school in 1935 and married Raymond L. Renz on Oct. 14, 1950 in Ann Arbor. He survives.

Other survivors include one son, John L. Renz of Chelsea; two nieces; and two nephews. She was preceded in death by two brothers, William and John Urquhart.

Funeral services were held Wednesday, July 26 at 2 p.m. at the Salem Evangelical Lutheran church. The Rev. Lyle A. Hallauer officiated.

Burial followed in the Salem Church Cemetery, Lodi township.

Memorials may be made to the Salem Evangelical Lutheran church in Mrs. Renz's name.

Arrangements were made by the Hosmer Funeral Home, Dexter.

Conditioning Sessions Set For Gridders

While most of us are still in the thick of summer activities, Chelsea High school football players will begin their first week of conditioning Monday, Aug. 14.

Emphasis during the first week will be on football skill and condition and players will wear helmets and shoes. Phil Bareis, football coach, said. Also during that week, varsity players will attend camp while the sophomores and freshmen are to report to the high school gym at 9 a.m., Aug. 14. Their week's schedule will be announced at that time, Bareis said.

For those needing football shoes, a salesman will be at the high school Monday, Aug. 7, during physical exams, from 7 to 8:30 p.m. Shoes will range in price from \$13 to \$30.

Chelsea will play its first game on Sept. 8.

JCs Report Successful Pizza Project

Without a single complaint about a cold pizza (temperatures Friday and Saturday night were in the high 80's) Chelsea Jaycees claim their pizza delivery project a success and are planning a second one this fall.

Judy Granger, a Chelsea Standard employee, remembered the project Saturday night when "it was just too hot to even think about cooking. We called Thompson's Pizza and in less than half an hour Mitch Zink (Jaycee member) was at our door with dinner," she said.

"The response was very good and six members were busy both nights. I don't think anyone waited very long for delivery," Bob Smith, chairman for the event and Jaycee president said.

The seriousness of urban noise levels can be seen in government estimates that as many as 40 million Americans may be exposed to noise levels potentially damaging to the human hearing mechanism, according to hearing specialists.

Carpenter's choice

Famous Red Wing fit and cellulose cushion insole make these the most comfortable boots you can wear. Inch-wide steel shank and choice of cushioned sole and heel or tough Neoprene sole and heel. Try a pair today.

VOGEL'S & FOSTER'S
Ph. 475-1606 Chelsea, Mich.

NEW PASTOR AND FAMILY: Mearl L. Bradley was installed as the new pastor of the Chelsea Free Methodist church Sunday, July 23. He and his wife Joyce and two sons, Jeff, 15, and Jared, 11, will reside on E. Middle St. Pastor Bradley is the first full-time pastor for the church.

Free Methodist Church Has Full-Time Pastor

Chelsea Free Methodist church, organized Sept. 25, 1977, welcomes Pastor Mearl L. Bradley and family as their first full-time pastor. Chelsea Free Methodist church worships regularly in the facilities of the St. Barnabas Episcopal church Sunday afternoons with worship at 4 p.m. and Sunday school for all ages at 5 p.m.

Previous to Pastor Bradley's appointment by the Southern Michigan Conference of the Free Methodist church, Pastor William Cryderman, pastor of the Ypsilanti Free Methodist church, served as supply pastor.

Pastor Bradley is a graduate of Greenville College, Greenville, Ill., and Asbury Theological Seminary, Wilmore, Ky. He has been a pastor for 15 years serving the Free Methodist church in Three Oaks for nine years and the Charlotte Free Methodist church for the past six years.

Michigan State University's Capital Enrichment Campaign recently received \$100,000 from the General Motors Foundation Inc. and the Frank E. Gannett Newspaper Foundation. The Gannett Foundation contribution of \$150,000 will go toward MSU's planned State Center for the Performing Arts.

The productivity of one segment of agriculture—the cattle industry—has doubled over the past 20 years. This type of improvement has kept food prices from rising as much as other prices most of the time.

Pastor Bradley is also a volunteer chaplain for the Michigan State Police. Pastor and Mrs. Bradley (Joyce) have been married for 17 years and have two sons, Jeff, 15 and Jared, 11.

Pastor Bradley was installed as the new pastor by Superintendent Ralph Cleveland on Sunday, July 23. He and his family will be residing at 203 E. Middle St. in a rented home provided for them by the Chelsea congregation.

Little League Tournament Starts Monday

A single elimination tournament for all Little League teams will be held by the Chelsea Recreation Department beginning Monday, July 31 and ending Thursday, Aug. 3.

"Over the past few years the tournament has been the scene of many upsets and has given many players a shot at showing the improvement in their skills of the game," Joe Rossi, director of the Little League said.

The tournament has also been the means of many teams to advance an earlier loss. Competition and desire are at a peak and everyone is invited to cheer a team to victory. Play begins at South school on Monday, July 31 at 5:30 p.m.

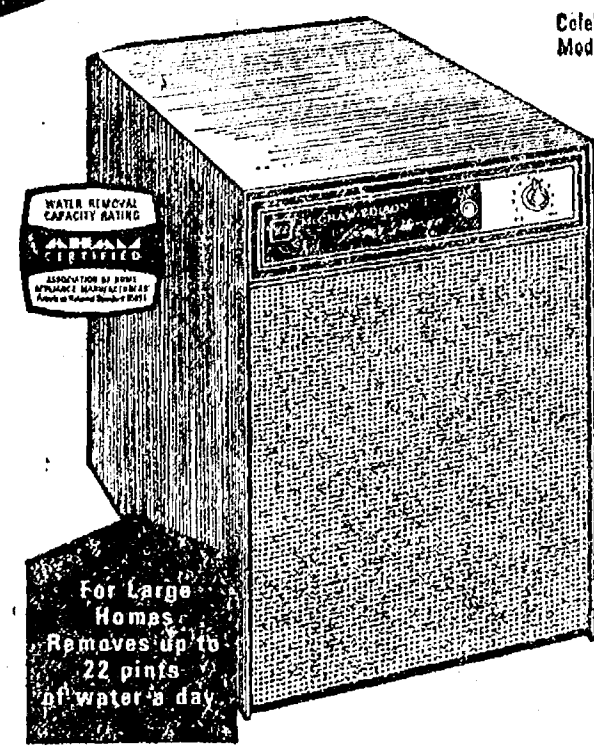

HEAD START PRE-SCHOOL HOME BASED PROGRAM

Is now enrolling families for 1978-79 school year. Families who are eligible: Have children ages 3 to 5; Have handicapped children; Are low income; Receive public assistance.

This program is free for those who qualify.

Real Estate

By PAUL FRISINGER

REALTOR

PLUMBING ECONOMICS

Installing an additional bathroom or even a sink can be an expensive proposition if there are not existing pipes, drains and vents in the location you have selected. Why?

Putting in long new runs of pipe, knocking out and later patching holes in walls and ceilings, involves considerable work. You can make life easier—and less costly—if you locate new outlets so the fixtures can be tied into existing supply pipes, drains and vents.

The ideal way to do this is to place a new bathroom or sink back-to-back with an existing bathroom. This way, both sets of fixtures can be connected to the same pipes by short spurs. The next best solution is to

place the new bathroom beside an old one or directly above or below it.

Wait! This expansionist thinking indicates your family is outgrowing its present home. It might be wiser to consider buying a larger home and save yourself the money and inconvenience.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8881; evenings 475-2621. We're here to help!

Aquatic Club Finishes Season in First Place

Chelsea Aquatic Club finished their summer season with a victory over Lakeview Country Club of Ypsilanti, 404 to 335. This win brings Chelsea's record to four wins and one loss, leaving them first in their division.

The following medley relay teams placed in the Lakeview swim meet. 8-year-olds and under boys: John Cattell, Ted Lewis, Jeff Mason, and Darren Girard, first place; 8-year-olds and under girls: Susan Schmunk, Jenny Pichlik, Sara Weis, and Karen Grau, first place; Sharon Colombo, Kim Degener, Cathy Hoffman, and Allison Brown, placed second.

9- and 10-year-old boys: Gary Callison, Danny Degener, Ricky Proctor, and Tracy Guard, placed second; 9- and 10-year-old girls: Paula Colombo, Melanie Gunn, Jennifer Cattell, and Tina Padock, placed first.

11- and 12-year-old boys: Phil Sweet, Sean Oxner, Kevin Colombo, and John Hoffman, placed first; 11- and 12-year-old girls: Dawn Borders, Sue Gunn, Margie Rawson, and Beth Fahey, placed

second. 13- and 14-year-old boys: Tom Gaunt, Dave Nicola, Dave Mason, and Phil Hoffman, placed first. Kent Noll, C. B. Wiesner, Todd Oxner, and Mike Mason placed second.

13- and 14-year-old girls: Janine Hoffman, Kathy Degener, Teresa Degener, and Mary Bacon placed first. 15- and 16-year-old girls: Michelle Alexander, Shannon Springer, Sara Borders, and Sue Cobb, placed first.

In the individual event free style 8-year-olds and under swam 25 meters, and 9-year-olds and older swam 50 meters. The following swimmers placed in the freestyle. 3-year-olds and under boys: John Cattell with a winning time of 18.4; J. Mason, second; Dave Karns, third; T. Lewis, fifth; Bobby Rawson, sixth. 8-year-olds and under girls: S. Schmunk placed first with 22.9; C. Hoffman, second; S. Colombo, third; K. Degener, fourth; and A. Brown, fifth.

9- and 10-year-old boys: T. Guard placed fifth, and G. Callison placed fourth. 9- and 10-year-old girls: Paula Colombo placed first with 39.0; M. Gunn, second; J. Cattell, third; C. Stirling, fourth; B. Padock, fifth; C. Guard, sixth.

11- and 12-year-old boys: John Hoffman placed first with 35.3 and K. Colombo second. 11- and 12-year-old girls: M. Rawson, second with 32.9; D. Borders, fifth; and Becky Schulpe, sixth.

13- and 14-year-old boys: Mike Mason placed first with 29.9; C. B. Wiesner, second; D. Mason, third; and K. Noll, fourth. 13- and 14-year-old girls: K. Degener, fourth; J. Hoffman, fifth; and Sandy Schultz, sixth.

15- and 16-year-old boys: Scott Prohaska, second; Kirk Meyers, fourth; and Doug Pichlik, fifth. 15- and 16-year-old girls: Shelly Springer placed first with 31.2; S. Borders, second; and S. Cobb, third.

In the specialty stroke events, 3-year-olds and under swam 100 meters, freestyle; 9 through 12-year-olds swam 100 meters, individual stroke; 13-year-olds and older swam 200 meters, individual medley. The following individuals placed in these events.

8-year-olds and under: J. Cattell, second; J. Mason, third; T. Lewis, fourth; D. Girard, fifth; and D. Karns, sixth. 8-year-olds and under girls: Jenny Pichlik, first with 1:43.2; S. Weis, second; and K. Grau, third.

9- and 10-year-old boys: Danny Degener, first, with 1:49.2; and R. Proctor, second; 9- and 10-year-old girls: S. Schmunk, first, with 2:22.9; C. Hoffman, second; S. Colombo, third; K. Degener, fourth; and A. Brown, fifth.

Schools Begin Comprehensive Energy Conservation Program

A comprehensive energy conservation program, initiated by Chelsea School District Superintendent Raymond Van Meer, has been approved by the Board of Education and is expected to be in full swing by this Aug. 1, according to Van Meer.

Composed of several phases, the program is Van Meer's first enterprise since assuming duties July 1. "This (the energy project) was one of the first issues to grab my attention as I was touring the school facilities. There were several examples of energy waste that I thought could be easily remedied if a program were established," he explained.

Minimizing energy waste, in all five school district buildings—four schools and the bus garage—is at the crux of Van Meer's two page (printed on both sides) memorandum to all school district employees. "Loss of energy occurs without most people aware that it's happening—but it happens constantly," Van Meer said.

Listed on the memorandum are 29 ways to cut heat and energy loss. Included are such simple measures as turning off lights when not in use (cards have been printed which say "when not in use, cut the juice" to be posted near light switches and other appropriate locations) to more complex planning such as consolidating evening community education programs in fewer schools, where possible, and delaying building warm-up cycles in the winter.

"Each item requires conscious thinking on the part of everyone, from custodial workers to teachers, students and the administrative staff. Once the program gets off the ground, the conservation methods will become second nature to employees," Van Meer commented.

Examples from the list include moving objects which obstruct heat and air return openings, banning use of exterior doors leading from a classroom to the outside,

turning thermostats to an absolute minimum in vacant rooms, decreasing lighting in parking lots, eliminate decorative lighting, keeping classroom doors to the corridors closed, regular checks of heating units, install insulation and weather stripping, reduce intake of fresh air into heating system whenever possible, reduce hot water thermostat to 120 degrees (except in the kitchen) and reduce temperature settings to 70 degrees

in general areas during the winter and raising the setting to 76 degrees in the summer.

These measures, however, are just one part of Van Meer's conservation goals. "We are now compiling a five-year historical energy analysis for each building which shows, year by year, electrical and gas consumption. There will also be a month-by-month analysis of last year's energy use," (Continued on page 12)

Dan Klemer Attends Summer Youth Program On Mich. Tech Campus

Dan Klemer, a Beach Middle school 8th grader, spent the past week on the campus of Michigan Tech University where he was enrolled in the Summer Youth Program Advanced Electronics course.

Summer Youth Program includes a wide spectrum of explorations to provide opportunities to learn about academic fields not usually studied in junior and senior high schools, and to explore the opportunities, challenges, and activities of certain career fields.

Dan is the son of Mr. and Mrs. Earl Klemer of Trinkle Rd.

Not Related As Cause Of Heart Disease

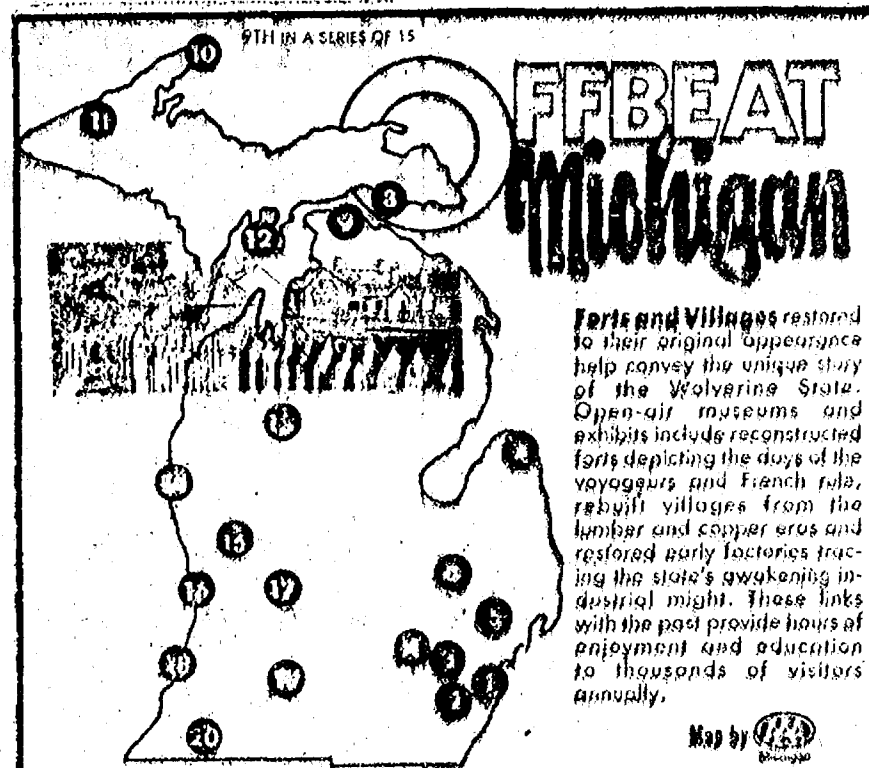

Dr. William A. Nolen, in an article in McCall's magazine entitled "A New Look at Cholesterol and Heart Disease," comes to the conclusion that egg consumption and the possibility of arteriosclerosis are not related.

He cites a study conducted by the University of Minnesota Medical School in which half of one group of patients was put on low-cholesterol diets; the other half was fed diets typical of those eaten by the average American

—diets relatively rich in cholesterol.

At the end of four years, says Nolen, the average blood-cholesterol level in those patients on the restricted diet was about 20 percent lower than that of those in the second group. However, the evidence of arteriosclerosis was the same in both groups.

What this means, according to Nolen, is that a high blood cholesterol level is probably a sign, rather than a cause, of arteriosclerosis. Diet, for example, egg consumption, has nothing to do with it. Good news for egg farmers—and consumers!

Fort and Villages restored to their original appearance help convey the unique story of the Wolverine State. Open-air museums and exhibits include reconstructed forts depicting the story of the voyageurs and French fur traders; restored early log cabins; the state's awakening in the industrial age. These forts with the past provide hours of enjoyment and education to thousands of visitors annually.

SAFETY TIP:
Reduce your speed at night. Five out of 10 fatal traffic accidents in Michigan occur in darkness, so stay alert.

Michigan History Told in Restored Villages, Forts

Restored outposts, homesteads and factories across Michigan mirror a time when life was simpler but by no means easier, according to Automobile Club of Michigan.

Attractions in 20 communities were chosen by Auto Club because they help preserve the Wolverine State's past. The exhibits show the way it was from the time of the first settlers and during the heyday of French rule to when Michigan laid its foundation as an industrial giant.

The more than 85 homes and buildings of Dearborn's Greenfield Village provide a 300-year panorama of American life. Among the historic structures from Michigan and other states are Thomas Edison's laboratory and the birthplace and tiny workshop of pioneer Henry Ford.

At Flint, a steam locomotive ride through Crossroads Village exposes visitors to more than a dozen local 19th Century buildings plus a recreation area and lake. The village is open Memorial Day to Labor Day.

Fort Michilimackinac at Mackinaw City is one of four structures that tell of the state's military history. It was built by the French in 1715 and has been under construction since 1939.

Fort Mackinac on Mackinac Island was garrisoned by the British in 1780. Its officers' stone quarters is the oldest original military building in the Midwest and is open May 13-Oct. 22.

At the tip of Upper Michigan's Keweenaw Peninsula stands the original wooden fort east of the Mississippi River. Fort Wilkins, built in 1844, is part of a state park east of Copper Harbor.

Detroit's Fort Wayne overlooks Canada and served as an Army post from the Civil War through the Vietnam conflict. Daily from June through October, visitors may stroll restored stone ramparts along the Detroit River.

While not a fort, Niles' Fort St. Joseph museum contains artifacts from the site of a former military post built in 1691 and used by French, British and Spanish troops.

Visitors can get a bird's-eye view of the Lake Michigan shoreline and imagine what it was like to live in a fort by visiting the block house at Muskegon State Park.

The history of Michigan's copper era is told daily via tours through three restored log cabins at 100-year-old Victoria, an Upper Peninsula ghost town south of Ontonagon. Fayette, in Fayette

State Park near Garden in the Upper Peninsula, was an 1880's iron-smelting center. Five buildings there, including an opera house and lime kiln, are open Memorial Day-Oct. 15.

Guides in pioneer dress at Hastings' Charlton Park Village & Museum tell the 1880's story of small-town Michigan. The 10 buildings there include a circa-1880 state-coach inn, a blacksmith shop and bank. The attraction is open Memorial Day through September.

Northville's Mill Race Historical Village is open Sundays and holidays and features a cottage where work by the Northville Weavers' Guild may be purchased. Livonia's Quaker Acres features an 1841 farm-museum and is open Wednesdays and Sundays in summer.

Tours at Muskegon's Heritage Village take visitors through elegant homes of two 19th-Century lumber towns. Ludington's Pioneer Village is built on a Lake Michigan bluff and includes that city's first home. Exhibits at Muskegon and Ludington are open Memorial Day to Labor Day, with Pioneer Village also open over Christmas.

At Fremont's Windmill Gardens, nine restored mills remind us that Michigan farms did not always run on electric power. That attraction is open in summer and features a century-old windmill.

Holland's Dutch heritage is highlighted by two parks. A 200-year-old Dutch windmill is the centerpiece of Windmill Island and wooden shoes are among the most popular souvenirs at nearby Dutch Village. Windmill Island is open May through October. Dutch Village operates mid-April to mid-October.

At Rockford's Dquire Street Square, visitors may dine inside a covered mill or buy blown glass, handmade candles and leather goods at 30 restored shops. Lake City's Guest Country Store Museum consists of three old school buildings that house exhibits, including a logging-era display.

The Octagon House is just one of 10 structures dating to the 1860's that visitors may tour at the Apple Barrel Farms near Washington. Huron City in the thumb was destroyed by fire in 1881. Rebuilt several years later, it is today's Restored Lumber Town featuring a museum, 19th-Century general store and Coast Guard station.

Rail Car Shortage Brings Harvest Crisis

Michigan shippers of grain, dry edible beans and other agricultural commodities are experiencing the most severe shortage of rail cars in history, according to R. Dale Ball, director of the Michigan Department of Agriculture.

Contributing to the rail car shortage are: cars being removed from service faster than they can be replaced or built; railroad industry problems in moving loaded cars to destination; and increased world demand for U.S. feed grains causing rail car back-ups at eastern ports.

"Complaints that railroads serving terminal and country elevators are not furnishing a sufficient number of rail cars to ensure a steady movement of grains and dry edible beans to market are constantly received by the Michigan Department of Agriculture," Ball said.

Michigan grain and bean elevator operators appear to be utilizing the few cars available to best advantage. Cars are loaded promptly and elevator operators are asking receivers to unload quickly so they may be reused with minimum delay.

Director Ball added that Michigan farmers rely on local country elevators as a marketing outlet for their grains and dry edible beans. If the 1977 crop is not moved out of the elevators, there will be no room for the 1978 harvest and farmers will have no market for their crops.

In an attempt to determine the

current rail car situation, MDA recently conducted a survey of Michigan grain and bean elevators. Results of the survey show 2,501 rail cars were received within the last three months although an additional 1,384 cars were on order. However, because of the approaching harvest season, the number of cars needed within the next three months will increase to 4,725.

Officials of MDA have contacted railroad officials. Interstate Commerce Commission personnel and Senators and Congressmen in Washington to ask for their assistance in this crisis.

A telephone "hot-line" has been established at the U.S. Department of Agriculture in Washington to shippers and grain and bean elevator operators can alert USDA to serious rail car shortages. The hot-line number is 202-447-6794, Ball reported.

Pinckney Area Man Arrives in Germany For Air Force Duty

Captain Mark A. White, son of Mr. and Mrs. Hollis G. White of 481 M-36, Pinckney, has arrived for duty at Kapaun Air Station, Germany.

Captain White, a communications staff officer with a unit of the Air Force Communications Service, previously served at Keesler AFB, Miss.

The captain, a 1958 graduate of Pinckney High school, received his BS degree in 1966 from Indiana University and his MS degree in 1969 from Rensselaer Polytechnic Institute, Troy, N.Y.

His wife, Ursula, is the daughter of Mrs. Madeleine Tucker of 3144 Clarinda, Pico Rivera, Calif.

The U.S. Labor Department conducts or supports research to increase knowledge of the nature and causes of employment and training problems.

TAX LIMITATION FOR MICHIGAN ELECT JERRY KLEIN

YOUR EAR IN THE 18TH DISTRICT...
YOUR VOICE IN LANSING
MORE JOBS... MORE BUSINESS
CONSTITUTIONAL LIMITATION ON TAXES

"The lack of common sense in our government can be seen in our taxing and spending. They want to tax us 2 cents a gallon for gasoline to build a subway in Detroit. But they do not spend enough on our mental hospitals to insure patients are not abused. We are paying the highest taxes in our history and for what? Terrible streets and roads... sewage systems that are inadequate... a snarled legal system... an exploding welfare burden. Our government isn't solving problems—it is causing problems.

"We cannot hope to reduce the tax load overnight. We must move ahead on three fronts. Firstly, we must establish a business climate that will attract new business to the state and which will encourage the growth of business here. Added business means more jobs, higher incomes for all and less of a tax burden. Secondly, we must reduce the cost of government and shift spending from unessential to essential activities. Lastly, we must impose limits on the amount of taxes that may be collected and the amount of borrowing by government. Only with limits on what can be collected will there be limits on spending."

ELECT JERRY KLEIN

"There is something fundamentally wrong in the way our government and our society are being run. We are being eaten alive by rising taxes, rising prices, and inflation. Government is growing faster than the rest of society and its overspending pushes up taxes and causes inflation. Further, we the people are being forced to do the bidding of the bureaucrats and the politicians, instead of government serving the people.

"We are being treated as if we are nothing or as numbers on some huge list. Politicians are trying to run our lives. I, for one, am sick and tired of being shoved and manipulated and this is why I am running for office. I intend to shove back for the people."

"Good Management Does Not Cost — It Pays"

LIMA TOWN HALL as it was during the early '20s and preserved by this photo will soon be partially restored to its original appearance through the efforts of volunteer Lima township residents. "Because the hall may be included in a National Registry Rural Historic District, care will be taken to preserve its 19th century rural character," Virginia Denham, committee member, said. This photo shows the hall prior to a cyclone which ripped through Lima Center in the early '20s. The steeple was removed because of roof leakage caused by the cyclone.

Volunteer Workers Will Begin Renovation of Lima Town Hall

With the possibility of having their town hall included in the National Registry Rural Historic District, volunteer residents of Lima township will begin renovating the Lima Town Hall Saturday, Aug. 12 at 9 a.m.

During the township's April annual meeting, \$10,000 was reserved and a committee formed to plan the restoration, set priorities and a work schedule. Chaired by Garry Tilt, the committee listed insulation to reduce fuel bills, replace badly worn and out-dated wiring, increased lighting and wall outlets, improve appearance of the main hall, and meet state fire codes and handicapped needs as the essential, immediate needs.

Work starting Aug. 12 will include removal of beaver board, masonite wall boards, and acoustic ceiling tiles in preparation for insulation, new wiring, and dry wall.

"Removal of a test piece revealed a wainscot of hand-painted imitation wood grain boards estimated to be from the 19th century and possibly preservable. Other old details will be preserved whenever possible," committee member Virginia Denham said.

Other plans call for renovation of the entrance doors, access ramp for the handicap, storage areas for township papers and folding chairs, interior painting, and eventually new exterior siding and painting.

"Some work will be contracted for, although much will be done by volunteers," Denham said. Persons with old pictures that show either exterior or interior details who are willing to loan them for reproduction may contact Jean Tilt, Margaret Sias, Virginia Denham, Martha Powers or other committee members. Pictures will be returned.

"Because the hall may be included in a National Registry, care will be taken to preserve its 19th century rural character even though it must necessarily be modernized to meet today's needs," Denham explained.

White, Jones Win at Thunder Rd. Speedway

On Saturday, July 22, seven area race cars traveled to Cass City's Thunder Road Speedway for a night of fun.

Sportsman No. 43's fan went through the radiator during hot laps, leaving No. 43 unable to run, with only one hour to go until time trials. Refusing to give up, Ray Jones, owner of 43, and Carl Jones, driver, left the track in search of another radiator. They located another radiator at a near by junkyard and hurried back to the race track only to discover that time trials were nearly over. With the assistance of many hands they quickly put in the replacement radiator.

Track officials at Thunder Road Speedway were extremely courteous, delaying the closing of time trials by 10 minutes just to let No. 43 qualify. Carl Jones took No. 43 on the track to qualify, and turned the fastest time for the area cars, getting 20.88 seconds on the 1/2 mile semi-banked dirt track.

As a courtesy to our area drivers, Thunder Road Speedway allowed the five Sportsman drivers to compete in a race by themselves. These following cars participated. Ron Pustay in No. 33, Carl Jones in No. 43, Tom Stevens in No. 73, Len Jones in No. 85 and Fred Worden

Volunteers for the Aug. 12 work session should be at the hall at 9 a.m. A pot-luck lunch will be served to workers and contributors to the lunch should contact Martha Powers to find out which foods are needed.

in No. 94. The drivers drew numbers out of a hat to determine the starting positions. The following is a summary of the finish of that race.

Carl Jones, No. 43, 1st; Ron Pustay, No. 33, 2nd; Len Jones, No. 85, 3rd; Tom Stevens, No. 73, 4th; Fred Worden, No. 94, 5th.

There were two Late Models present from our area, No. 22, Fred White, and No. 90, Tom Steele. In the Pursuit race, Fred White did a fantastic job of driving to hold off Tom Steele, and bring home a win. The following is a summary of the finishes of the area cars.

Four Car Dash (Sportsman) — No. 43, Carl Jones, 3rd.

First Heat (Sportsman) — No. 94, Fred Worden, 5th; No. 43, Carl Jones, 6th.

Second Heat (Sportsman) — No. 33, Ron Pustay, 2nd; No. 73, Tom Stevens, 3rd; No. 85, Len Jones, 5th.

Feature (Sportsman) — No. 43, Carl Jones, 3rd; No. 33, Ron Pustay, 5th; No. 94, Fred Worden, 6th; No. 73, Tom Stevens, out; No. 85, Len Jones, out.

First Heat (Late Model) — No. 90, Tom Steele, 3rd; No. 22, Fred White, 5th.

Pursuit Race (Late Model) — No. 22, Fred White, 1st; No. 90, Tom Steele, 2nd.

Feature (Late Model) — No. 90, Tom Steele, 3rd; No. 22, Fred White, out.

Bacteria and viruses of head colds, influenza, measles, scarlet fever, meningitis and similar maladies can settle in the ear and can cause hearing losses, according to hearing specialists. They point out such infections are a prime cause of hearing loss among persons from infancy through the teen years.

★ District Court Proceedings ★

Week of July 14-20

Brian Jay Cox pled guilty to possession of open intoxicants. Fines and costs, \$35.

SAFETY TIP: Use directional signals when changing lanes on freeways or other multi-lane roadways. It lets other drivers know your intentions and will help prevent accidents.

"A table by the window, please" is a request guaranteed to make dining out in Michigan an adventure at a restaurant high atop a building or at an airport terminal, reports Automobile Club of Michigan.

Sky-high restaurants which revolve to give diners a well-rounded look at Metropolitan Detroit are the Summit on the 71st floor of the Renaissance Center's Detroit Plaza Hotel and the Holiday Inn of Southfield's Rönne-View and the Hyatt Regency of Dearborn's Rotunda, both 16 floors up.

It takes about one hour for the restaurants to make a circle. There are several sky-high eateries which have great views but don't budge an inch. Detroit's Top of the Pontiac on the 25th floor of the Pontchartrain Hotel overlooks the Detroit River, while the Fogcutter in Port Huron is high above the St. Clair River. Both restaurants overlook Canada.

Others great for ship-watching are the Top of the Park at the Park Place Motor Inn overlooking Grand Traverse Bay and the Crow's Nest in the Old Marquette Inn at Marquette, offering a bird's-eye view of Lake Superior.

In Southfield, nighttime diners at the Coach and Four in Stouffer's Northland Inn are fascinated by the twinkling lights of the metropolitan freeway system. The University of Michigan campus is the panorama seen through the windows of the Sandalwood Restaurant and Lounge at the Ann Arbor Inn.

The Grand River's meandering path through the city and surrounding countryside can be traced by diners at two 10th floor eateries in Grand Rapids—the Pentland Hotel's Penthouse and the Final (meaning crowning ornament), atop the Union Bank Building.

Giant jets take off and land in full view of diners at Detroit Metropolitan Airport in Romulus. The Metro Airport runways can be seen from two dining spots—the Innkeeper Restaurant at the Host International Hotel of the Michigan Host Coffee House in the South Terminal.

At Oakland Pontiac Airport, small planes taxi almost to the door of the Voyager restaurant and

ASTROS: Playing on the Chelsea Recreation Department girls 11-14-year-old fast-pitch team are, in front, from left to right, Jane Verwey, Joyce Roberts, Cheryl Harker, Debbie Morris, Karen Wilson, and Sam Collinsworth. In the back row are Beth Unterbrink, Kathy Morris, Coach Ken Unterbrink, Amy Unterbrink, and Maggie Sweet. Missing are Penny Syria, Ann Stock, and Amy Ziegler. "They are a bunch of super ball players and are

fast learning the ins and outs of organized baseball," Coach Unterbrink commented on his team. The Astros got off to a delayed start this season as a coach couldn't be found until the last minute. "Our standing to date is 3-3 with four more games left to play," Unterbrink said. Because there are only three teams in girls league, tournament games may not be held this year.

Area Residents Protest Webster Landing Strip

If Webster township officials agree with a coalition of Strawberry Lake Rd. residents, the Dekter Air Force will be left homeless and hopes of escalating plain Cackleberry Farm to the lofty status of Cackleberry International Airport will be nipped in the bud.

Residents in the vicinity of John Witte's air strip at 7150 Strawberry Lake Rd., among them James Jaworski and Hans Skjaerlund, have formed a loose organization to protest attempts to turn the strip into an airport on the grounds that local zoning forbids it, and have submitted the argument in writing to the Webster Township Planning Commission. "It started out as a small air

strip," said Jaworski, "but now they've got a four-plane hanger and five or six planes there all the time. It's getting out of hand."

The field has within the past year gained local fame as the headquarters of the tongue-in-cheek Dexter Air Force, which has in turn lent its name to a number of popular tee-shirts bearing the effigy of a demolished duck.

"A thing like that is all very well," Jaworski continued, "but not when you live at the end of the strip. We don't want everyone who buzzes around the skies over Strawberry Lake Rd. to think he can come roaring in any time he feels like it."

The Webster Township Planning

Commission agreed to look into the zoning question and said that it would announce its decision at the Wednesday night, July 26 meeting.

businessmen can be seen arriving and departing in company jets.

Other airport terminal restaurants include Sonny's Weather Station at Detroit City Airport, the Press Box Too at Muskegon County Airport and Prophet Foods at Capital City Airport in Lansing.

Two restaurants bearing the Golden Eagle name are at Kent County International Airport in Grand Rapids and at St. Clair County International Airport in Port Huron.

Other appropriately named restaurants include the Prop-Stop at Kirsch Municipal Airport in Sturgis, the Coldwater Airport Inn at Branch County Memorial Airport, the Kitty Hawk at Kellogg Regional Airport in Battle Creek and the Sky Room at Freeland's Tri-County Airport.

The Wheelmakers at Flint's Bishop Airport is a tribute to the city's automotive history.

MSU's Dean Smuckler To Head New Agency

Dr. Ralph Smuckler, professor of political science and dean of International Studies and Programs at Michigan State University, has been named director of the planning office for establishing the Foundation for International Technological Cooperation (FITC).

The foundation was announced by President Carter in his speech to the Venezuelan Parliament in March as a means of improving technological cooperation with developing countries.

JERRY FARMER SPEAKS ON THE ISSUES:

1. The Court must treat serious offenses in a serious fashion providing reassurance to the community that the Court will act effectively.
2. The Court must create programs to assist offenders in changing their behavior which include visits to prisons, state mental hospitals, remedial education and restitution programs.
3. The Court must teach accountability and responsibility to our young people.
4. The Court must exert leadership in working with youthful offenders, victims, parents, school officials and other interested members of the community in fashioning programs and solutions.

WHAT PEOPLE SAY ABOUT JERRY FARMER:

TOM MINICK, Sheriff, Washtenaw County: "I agree with Jerry that we have to take the problem of juvenile crime seriously. His ideas make him my choice for Probate Judge."

WILLIAM F. DELHEY, Prosecuting Atty., Washtenaw County: "Jerry Farmer is an experienced trial attorney and a specialist in the criminal justice field. We need a man with his background and concepts as Probate Judge."

BO SCHEMBECHLER, U-M football coach: "Jerry Farmer believes young people must be taught respect for the rights of others and to respect themselves. He will make an excellent judge for Probate Court."

NEIL MAST, former County Commissioner: "Jerry Farmer is a hard-working and experienced public servant."

ELAINE MONCUR, Music Specialist, Handicapped Children: "Jerry Farmer has the desire and ability to initiate effective reform programs for juveniles. I believe in his methods. He is direct and flexible."

JOHN NORDLINGER, Director of Athletics, Huron High School: "Jerry has a genuine interest in the needs of young people."

GEORGE W. PARKER FOR DISTRICT JUDGE

"A judge must safeguard the rights of all people charged with crime in order to protect the innocent ones, but once guilt is determined it is the judge's duty to protect society from repeat offenders..."

- ★ 10 years as a Trial Attorney, including broad civil trial experience
- ★ Former Assistant Washtenaw County Prosecuting Attorney
- ★ Michigan Trial Lawyers Association
- ★ Association of Trial Lawyers of America
- ★ Chelsea resident and Kiwanis Club Member.

Paid for by the COMMITTEE TO ELECT GEORGE W. PARKER 14th DISTRICT JUDGE, Terrence J. O'Hagan, chairperson, 330 E. Liberty, Ann Arbor, Michigan 48104. 761-5937.

OLD-FASHIONED HARD LABOR is provided by these Chelsea Kiwanians who nearly fall all over themselves putting up the tent for the Rosier Players vaudeville production on the Chelsea High School grounds. Three nights of entertainment remain in the schedule; tonight, tomorrow, and Saturday beginning at 8:30 p.m.

with the doors open at 7:30 p.m. Included on the program are songs, dances, skits, plays, and a Roaring Twenties Revue on Saturday. The Rosier Players date back to 1885 when they were known as the Henderson Stock Co. of Mason.

Astros Win Babe Ruth Title with 12-0 Record M. Williams Wins in National Drag Race

Highlighting Babe Ruth League action last week, the Astros secured the league title as they won two games to boost their record to 12-0 over-all.

Good pitching prevailed again with Tom Malcolm, aided by Gary Reed and Dave Malcolm, trouncing the Orioles, 21-3. In a second game, Jeff Catanesse won a shut-out against the Dodgers, 10-0, with relief by Dave Malcolm. Jeff Nick Krzyzaniak, and Dave Van Deven chipped in strong hitting to produce the necessary runs.

In a valiant effort to pressure the leaders, the Reds won two games to up their record to 8-2. They battered the Yankees, 20-5, with a strong hitting attack which featured two hits each by Todd Aeschilman, Rob Ianni, Dave Kennedy, Randy Rairford and Tom McCormick.

In a much closer game, the Reds slipped by the Pirates, 8-5. Rob Ianni produced three hits, driving in the winning runs while Jeff Hollister presented four scoreless innings of relief work. As a consequence of the wins, the Yankees had a five game winning streak broken by the Reds.

Other action saw the Orioles win their second game by defeating the Royals, 9-5. Dave Wojcicki was the winning pitcher, aiding his own cause with two hits. Jon Riemenschneider broke out of a hitting slump with a double and Mike Wade supplied two hits. Tim Whitesall contributed four RBI's with a single and a double.

Chelsea's Athletics, now in a tied position for second with Dexter's Reds, won three games in succession last week, bringing their record to 8-3. On Tuesday they played the Chelsea Pirates, winning, 5-2. John Welton pitched the seven-inning game, giving up only six hits. Leading scorers were Randy Luick with two, and John Welton, Toby Boyd, and Tom Headrick with one each.

On Thursday they played the Dexter Dodgers, winning in a short four-inning game, 10-2. Striking out 10 batters, Jim Stock was the winning pitcher. Carl Schwarze

scored three times, Dave Parks twice, and once each by Jim Stock, Dave Thayer, Bob Trevino, Toby Boyd, and Matt Villenure.

Saturday's game saw Welton again as the winning pitcher in a five-inning game against the Dexter Yankees, winning, 12-2. Jeff Fouty relieved Welton and leading Chelsea scorers were Jim Stock with three runs, Carl Schwarze, Jeff Fouty, Dave Thayer, and Randy Luick, each with two runs, and Tom Headrick with one.

On Sunday the 13-year-old All-Stars participated in a rain-delayed district tournament. In the first game Chelsea came from behind in the last half of the seventh inning to score two runs and win, 6-5, over Jackson.

David Wojcicki pitched well for four innings and was relieved by Walt Edwards who shut off the opponents. Todd Aeschilman doubled and singled while other hits were supplied by Matt Villenure, Jamie Owings, Tim Whitesall, Walt Edwards, and Jim Krzyzaniak.

Advancing to round two, Chelsea defeated Belleville, 6-3, with surprise pitching by Bob Trevino and Randy Krichbaum, and fine defense by everyone. Todd Aeschilman and Dave Wojcicki doubled while Pete Johnson, Jim Krzyzaniak, Walt Edwards and Matt Villenure contributed singles.

The championship game found Chelsea facing Ypsilanti who had not played that day while Chelsea had one game completed. Walt Edwards and Dave Wojcicki worked hard but a rash of errors allowed the opponents to score eight unearned runs to win, 10-0.

Twice Chelsea left the bases loaded and in all, 11 runners were stranded. Despite the bitter loss, the Chelsea 13-year-old All-Stars showed a lot of class and perhaps are a promising note of future talent to watch.

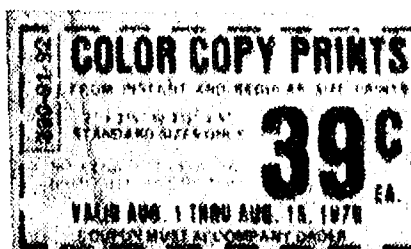

On Thursday, Aug. 3 the Chelsea Babe Ruth League will feature its own All-Star game at the Chelsea High school field at 3 p.m.

J. Marlis Williams of Chelsea won the Pro Comp class in his Double B Funny Car during the Sunday International Hot Rod Association's Hires-Northern National drag race at Milan Dragway, but not without a few hot words from his opponent (and good friend) Dale Armstrong.

Armstrong tripped the red light by rolling across the starting line and before the green light came on.

"It looked like Williams had jumped the starting line before Armstrong did but actually Armstrong was closer to the starting line than he thought and moved across it too early," Dave Bohl, Williams' partner, explained.

Armstrong, however, wasn't

blaming Williams for tripping the light but rather the electronic system used in the race. "He wasn't mad at us but at what he thought was faulty equipment," Bohl said.
