Cagers Defeat Dexter, 72-68, With Late Rally

Odds are that when a team holds the lead, however marginal, through three and a half quarters, the team ahead will claim the game.

Dexter's Dreadnaughts, once believed in such odds but then Chelsea drew a pair of wild cards to turn the tables and emerge the victor, 72-68.

Jeff and Gary Dils both connected for jump shots at the five-minute mark in the final quarter to tie the game up for the first time all evening, 57-57. Before that Dexter had held a five- to eight-point lead over the Bulldogs.

"It changed the momentum of the game and really sparked us," Coach Robin Raymond said.

The first three quarters saw Chelsea playing consistently but playing catch-up. Dexter took an 18-14 lead in the first period and then outscored the Bulldogs, 20-19, in the second stanza for a 39-33 half-time edge. Third quarter was more of the same.

Following the Dils' ignition, Chelsea and Dexter exchanged the lead several times before the Bulldogs took a three-point margin with one minute left. Matt Feeney completed one of two free throws with 45 seconds remaining when Dex-

ter came down for an open lay up only 15 seconds before the buzzer. Bulldog John Dunn blocked the shot which would have tied the score 68-68. Dexter took the ball inbound, but Don Schrotenboer got the rebound just seconds before Matt Feeney was fouled. Pressure notwithstanding, Feeney stood cool at the line for two good shots.

Charlie Bridges took scoring honors with 16. Jeff and Gary Dils were good for 13 each; Mike Machesky, 11; Don Schrotenboer, six; John Dunn, four; Matt Feeney, four; Brad Knickerbocker, three; and Jesse Coburn, two.

From the floor, Chelsea made 31 of 74 for 42 percent while Dexter completed 22 of 58 for 28 percent. Keeping the Dreadnaughts in the game was their free throw average as they made 24 of 30 for 80 percent. Bulldogs made 10 of 20 for 50 percent.

Chelsea out-rebounded Dexter, 48-27. Bridges had 11; Schrotenboer, 10; Gary Dils, eight; Jesse Coburn, six; and Mike Machesky, four.

Both teams accumulated 21 turnovers while Chelsea added up 24 fouls and Dexter had 16. Bulldogs host Saline on Friday, Feb. 23.

Fred Pearsall Retires from Gas Company

Fred Pearsall, 59, after 29 years with the Michigan Consolidated Gas Co., retired from his duties as office manager at the Ypsilanti branch on Feb. 1.

A native of Ann Arbor, Pearsall joined the company as a teller on May 20, 1950 in the Ann Arbor office. He soon became a cashier of the entire Ann Arbor district and in 1965 was transferred to Chelsea as office manager.

With his transfer, Pearsall moved from Ann Arbor to Chelsea and managed the office located next to the Chelsea Pharmacy on N. Main St., until 1973 when the office closed. He was then transferred to the Ypsilanti office where he worked until his retirement.

Pearsall said that he will now devote his time to his duties as Sylva township treasurer on a full-time basis; a position he has held for the past 10 years.

He, and his wife Beatrice, reside at 34 Sycamore Dr.

Fire Destroys Home on Glazier Rd.

Fire swept through the two-story home at 703 Glazier Rd., and completely consumed the building in spite of efforts by 14 Chelsea volunteer firefighters on Tuesday afternoon, Feb. 20.

Chelsea's fire whistle blew at 2:45 p.m. Tuesday calling most of the fire department's men to the scene. Nearly three hours were spent trying to quell the flames.

According to Fire Chief James Gaken no one was home at the time and no one was injured. The fire's origin is unknown at this time he reported.

The house is owned by John Gores of Livonia and rented by Mark Houle and Dave Norris.

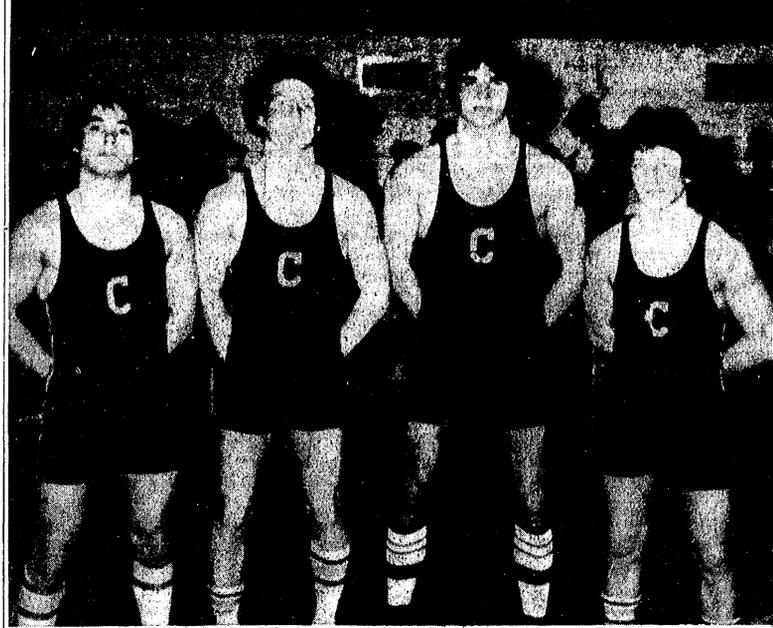

Jeff Dils Leads EMU to Championship

Jeff Dils and the Eastern Michigan track team came away from the Central Collegiate Championships in Normal, Ill., as the outstanding performers.

Dils was named the outstanding athlete of the meet and Eastern won the team championship with a total of 92 points.

The junior from Chelsea led his Huron teammates to victory by winning the 55-meter hurdles in :07.38 plus a sensational effort in the 500-meter run.

Dils won the 500 meters in 1:02.35 which is the fifth fastest time ever in this event. This time also qualified him for the 600-yard dash in next month's NCAA Indoor Championships in Cobo Hall.

REGIONAL COMPETITION QUALIFIERS: Four Chelsea High school varsity wrestlers will compete in the Regional match Saturday, Feb. 24, at Willow Run. They are, from left, John Whitaker, 21-6 in the 155-lb. division; Bart Bauer, 26-10 in the 145-lb. division; Alan Augustine, 23-7 in the 191-lb. division; and Chuck Young, co-captain, 30-5 in the 132-lb. division. They are coached by Richard Bareis.

Four Chelsea High Wrestlers Qualify for Regional Contest

This Saturday, Feb. 24, four Chelsea wrestlers will compete at Willow Run in the Class B Regional Tournament for the privilege of going to the state finals at Mt. Pleasant.

Chelsea's qualifiers were led by co-captain Chuck Young who boosted his record to 30-5 in winning the 132-lb. weight class, during district competition in Hartland last Saturday.

Finishing third were Alan Augustine, who moved his record to 23-7 by winning three times and losing once, and John Whitaker, whose record is now 24-6. John provided one of the outstanding comebacks of the afternoon when he came up with five points in the last 20 seconds of his third-place match.

Bart Bauer won his first two matches and then lost two matches

and finished fourth. Chelsea's only other victory was by Tom Bareis who pinned his first opponent and then was eliminated in the second round by the eventual champion.

Chelsea placed ninth out of 20 teams. Coach Richard Bareis noted that Chuck Young wrestled the best he has all year and that John Whitaker really gave a courageous performance.

Fair Board Offers Site for Ambulance

John Fontana of the Fontana-Taylor Ambulance Service and Earl Heller, executive vice-president of the Chelsea Community Fair, are expected to meet in the next few days to discuss the possible location of an ambulance sub-station in "Little Red," it was reported recently.

No date has been set although Heller anticipated "we will meet in the very near future." Fontana-Taylor has been looking for a suitable location for its over-sized ambulance unit since they were awarded the county contract in December, 1978. The contract is for five years and stipulates that Fontana-Taylor locate two ambulances west of the north-south access of Ann Arbor-Saline and Wagner Rds. They have a deadline of March 6.

The previous contract with Horne-Vinson was more specific and stated that an ambulance be located within the village of Chelsea.

"We have received eight or 10 phone calls since the recent publicity concerning our plight," Fontana said, "and one of those calls was from Earl Heller who offered us the use of a building on the fairgrounds," he added.

Since the two have only had a brief telephone conversation, both declined to speak specifically on the offer.

"Little Red," as it is known, is a pole barn measuring 40'x100' with a concrete floor and access to water and sewer connections which were there when the site housed

the one-room school. During the fair, the building holds agricultural exhibits.

According to Fontana, it is the responsibility of his company to find suitable housing both for its ambulance and crew. "We would be willing to renovate the building at our expense; share the renovation; or lease a building," he explained.

"Right now we are investigating some of the offers that have been made before we make a final decision," Fontana added.

Heller explained that "our offer was made because we don't want to see Chelsea without a ready ambulance. As a group we are concerned with the health and safety" of Chelsea and area residents.

Currently an ambulance call from Chelsea means a 20-25 minute wait. If the emergency is serious, the Chelsea Fire Department has four emergency medical technicians who may be called to the scene to help stabilize a victim until the ambulance arrives. The Chelsea volunteers are trained at least on a par with ambulance attendants and are capable of all but transporting victims.

Because all calls for a fire, police, or ambulance are handled by the same dispatcher at the Chelsea Police Department, it is possible for someone with an emergency to make only one phone call for a variety of services including a request for an ambulance and having the Chelsea Rescue Squad called to the scene.

School Board OKs Curriculum Changes

Chelsea Board of Education approved several changes in the 1979-80 high school curriculum and with an eye on the future, approved the initial stage of contract negotiations with the district's teachers.

During its regular meeting Monday, Feb. 19, the board approved the elimination of three classes, combining two classes, and adding three new classes for the upcoming school year.

To be eliminated are agricultural mechanics, foundry, and short story, while ancient literature and British literature will be combined. New classes included advanced soils, plants, animals and farm management; advanced welding and fabrication; and introduction to journalism.

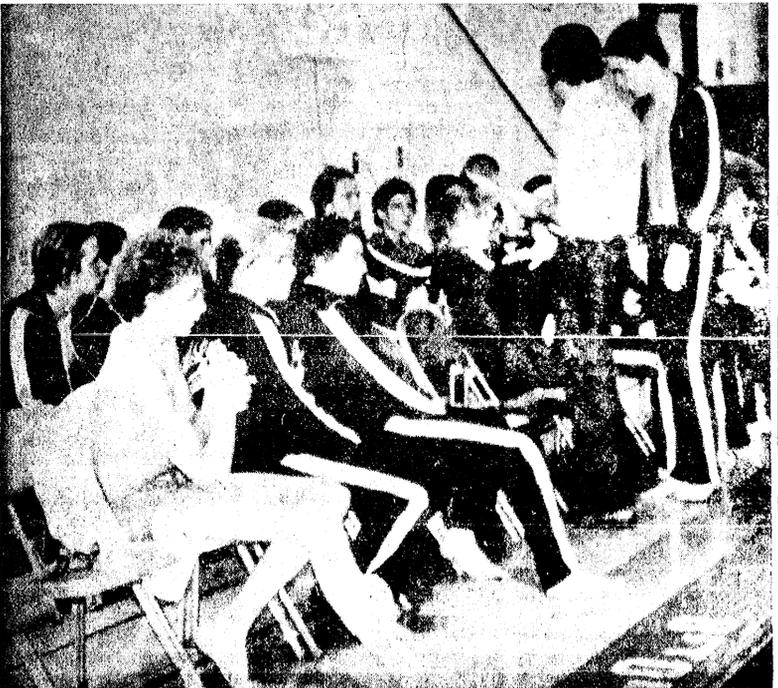

According to Superintendent Raymond Van Meer the agricultural mechanics class was offered on an irregular basis while little interest was shown by the students in the foundry class. "The report of the curriculum committee suggested that these be dropped in favor of offering advanced courses in classes with widespread student interest," he explained.

Currently the high school offers soils, plants, animals, and farm management class and a combined welding and fabrication class. The advanced class will be the natural sequence to those existing classes offering in-depth study.

The committee also suggested that the ancient literature and British literature classes, now offered individually for one semester, be combined as a one-semester class. "The two classes have a common theme for easy adaptation to this plan. When offered separately there is barely enough material to be presented in a full semester," Van Meer said.

With what Van Meer described as a "growing interest on the part of students for a regularly published student newspaper," an introduction to journalism class will be added "hopefully in the spring," he said.

Currently the high school has a one-semester publications class. "Our intentions are to offer the journalism class in the spring and the publications class in the beginning of the school year to provide students with a continuous program (Continued on page five)

SWIMMERS OF THE WEEK: Because of the fine performances turned in by all members of the boys varsity swim team, Coach Larry Reed decided to bestow the weekly honor on all of the team's members. Chelsea defeated the power Class B Willow Run and the team from Marysville to increase their record to 11-2 to date. The team is about to wrap up the season and head for the state meet preliminaries and finals in early March.

Dana Cagers Retain Lead in Rec. League

Dana Corp. cagers retained the upper hand in last Sunday's Adult Recreation Basketball competition by edging past Banner, Spring, and 4 Slide, 50-47, and upping their season standing to 4-0.

Dan Krysko and Dave Kaiser each sank an even dozen points for the winners while a whopping 26 tallies were contributed by Bob Dash in next month's NCAA Indoor Championships in Cobo Hall.

Ann Arbor Centerless clobbered Chelsea Independents, 73-34, with high scorers John Houle and Mike Tobin offering 13 points each. Stan Starky also had 13 for the independents.

Wolverine Bar slipped past Utrogs in an overtime game, 40-39. Jeff Bruenster for the Bar netted 15 while Jim Marshall of Utrogs contributed nine.

Standings to date are Dana Corp., 4-0; Ann Arbor Centerless, 3-1; Chelsea State Bank, 2-1; Wolverine Bar, 2-2; Banner, Spring, and 4 Slide, 1-2; Chelsea Independents, 0-3; and Utrogs, 0-3.

Shrove Tuesday Pancake Supper Set By Methodists

Chelsea United Methodist church Praise Choir will hold its "Shrove Tuesday" Pancake supper on Tuesday, Feb. 27 from 5 to 7 p.m. in the church social center.

The old English word for "confess" was "shrove." People who confessed were "shrove." The day became known as Shrove Tuesday which became known in English as Pancake Day.

Fat, as well as meat, eggs, and leavened bread were not used in the Lenten menus. Rather than throw out the leaven and other foods, all were used up in one big pancake supper. The pancakes reminded people of the little flat whendcakes eaten by early Christians.

Proceeds from the supper will go toward a choir retreat. Tickets are available at the door or by calling Joanne Weber, 475-2741.

Girl Scout Cookie Sale Starts Friday

Chelsea Junior and Cadette Girl Scouts will be calling to take your order, Friday, Feb. 23-March 16. Chelsea residents have always been most generous when ordering their cookies and cookie sale chairmen hope they will continue to be.

Proceeds received by the troops make it possible to fulfill many varied goals such as trips, camping, community service programs, etc. Girls also profit from the annual sale in a very special way. They acquire adult skills in meeting the public, keeping accurate records and handling sums of money.

Troop cookie chairmen are Marge Wilson, Junior Troop 58, 475-9830, Jean Bollinger, Cadette Troop 98, 475-7007, Mrs. Robert Martin, Junior Troop 719, 475-1678, Janet Shaw, Junior Troop 82,

475-7096, and Linda Cattell, 475-8488, and Phyllis Muncer, 475-1751, both of Junior Troop 689. If no one calls on you and you would like some of these cookies, feel free to contact one of these ladies or the area cookie chairman Roberta A. Hinz, 475-8211 or Linda Dyer, 475-1038.

The symphony band has scheduled "Gallant Seventh" by Sousa; "American Civil War Fantasy" by Bilik; and "Suite of Old American Tunes" by Bennett.

Assisting this year are student teachers Mrs. Ruth McCormick of Eastern Michigan University and Mike Filkins of the University of Michigan.

Varsity Swim Team Defeats Willow Run

Combining 19 lifetime bests, two varsity records, and two freshman records, Chelsea outdistanced the Class B power Willow Run, 95-75, in high school varsity swimming action.

Bulldogs also defeated Marysville, 105-66, taking all but one event. Chelsea now stands at 11-2, a record in the team's history.

"Our first victory was without a doubt the most important for the team. Willow Run was 7th in the state meet last year and graduated only one of their swimmers since then. They are expected to finish in the top 10 of the state meet," Coach Larry Reed stated.

Leading the way against Willow Run, which has defeated Chelsea twice in as many years, was Todd Oxner with tremendous improvement in the 100-yard freestyle with :54.7 and 200-yard freestyle with 1:59.7.

John Robbins collected two freshman records in the 200-yard IM with 2:22.1 and the 100-yard backstroke with 1:03.9. Phil Hoffman recorded victories in the 100-yard freestyle and a varsity record in the 50-yard freestyle with :23.7.

Notable performances were turned-in by Charles Wiesner, :32.7 in the 50-yard breaststroke and :59.0 in the 100-yard freestyle; Craig

Wirtz, :26.9 in the 50-yard freestyle and Mike Mason, :24.7 in the same event; Doug Pichlik, 88.6 points in diving and 1:24.5 in the 100-yard breaststroke; Paul Schumann, 6:12.7 in the 500-yard freestyle; Scott Prohaska, :53.9 in the 100-yard freestyle; and Andy Weir, :28.5 in the 50-yard freestyle, 1:06.6 in the 100-yard freestyle.

Chelsea took all but the 50-yard freestyle event against Marysville but took second, third and fourth to outscore the opponents, 9-7 in that event.

Bulldog times were posted by Andy Weir, 1:06.5 in the 100-yard freestyle and 2:32.7 in the 200-yard freestyle; Phil Hoffman, :52.8 in the 100-yard freestyle for a varsity record; Scott Prohaska, 5:17.9 in the 500-yard freestyle; Todd Oxner, 5:24.1 in the 500-yard freestyle; Mike Mason, 5:47.2 in the 500-yard freestyle; Kirk Myers, 1:11.7 in the 100-yard backstroke; and Craig Wirtz, 1:00.1 in the 100-yard freestyle.

According to Reed, "the team as it now appears will qualify both the medley and freestyle relays for the state meet plus swimmers in the 200-yard freestyle, the 200-yard IM, 50-yard freestyle, the 500-yard freestyle, the backstroke, and in diving." (Continued on page four)

Legislature To Begin Work On Property Tax Overhaul

The legislature has targeted Michigan's property taxes as an immediate area of reform as the new session gets underway.

The House Taxation Committee plans to begin work almost immediately on a \$450 million tax shift proposal shifting from property taxes to income taxes.

The Senate Finance Committee also has listed property tax relief among its top priorities for the year and is expected to begin deliberations concurrently with House discussions.

Under the plan proposed in the House, the personal income tax rate will be increased from the present 4.6 to 5.5 percent. Offsetting that will be an increase in the personal exemption, from \$1,500 to \$1,800 and increased property tax relief.

The proposed changes would come in the circuit breaker concept. The circuit breaker grants income tax credits for property taxes for anything over 3.5 percent of household income. Taxpayers would, under the proposal, determine the credit from a flat rate table instead of calculating 3.5 percent of income.

The proposal would increase the state credit to 75 percent of the taxes in excess of 3.5 percent, from the current allowance of 60 percent, and the amount of rent considered to be allocated for property taxes would go to 20 percent, from the current 17 percent.

For senior citizens and disabled persons, who get 100 percent credit for taxes paid over the income limit, the proposal provides those credits at the time property taxes are issued in December, instead of on income tax returns.

Legislative leaders are pressing for adoption of the plan by April, so the state can start withholding the new income tax rate. This would give the state time to collect enough money to begin paying out credits with the December tax statements.

Criticism of the plan is expected to center around claims the plan is an attempt to create a graduated income tax, a concept voters have repeatedly rejected in Michigan.

Also the plan is expected to be criticized as a possible tool for school administrators to promote more millages. However, to discourage higher local millages, the plan calls for tax credits paid only on a certain portion of school millage.

Mills collected above the limit will be ineligible for the credit.

The proposal is similar to one drafted last year, but not formally discussed by the legislature. Under the original plan, the income tax rate was to be increased to 3.6 percent, the exemption increased to \$1,700 and the circuit breaker increased to provide a total tax shift of about \$300 million.

House Taxation Committee Chairman Rep. George Montgomery (D-Detroit), author of the tax shift proposal, said he was not totally satisfied with the new plan and hopes to persuade committee members to give all property own-

ers a 100 percent tax credit. He suggested age is not a satisfactory qualification for setting a property tax credit.

Life Insurance Tips

The Insurance Bureau, Department of Commerce, declares that consumers should be aware of all facts and make careful comparisons before they cash in a life insurance policy or replace one with another.

To help in the decision-making process, the bureau has prepared a booklet called "Consumer Alert" of brief tips about life insurance replacement and a two-page information statement to actually compare an existing policy with a proposed new policy.

Insurance companies and agents are required by the insurance commissioner to furnish these materials to all policyholders interested in revising their life insurance and to sign the forms after they are completed.

Copies of the materials are available from the Insurance Bureau, P. O. Box 30220, Lansing.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Clem Webster and Ed Doolittle drug their sunset law discussion back to the country store Saturday night, but before Ed could rattle off many more places where Government ought to be trimmed Zeke Grubb came up with a motion to strike straight at the root of the evil. Why not cut back on them groups that come up with all the laws about cutting back everywhere except where they're standing at the trough, was Clem's question. He said he was talking about state legislatures, but mostly about Congress. The way to cut down on Government is to cut down on them that decide how big and how much.

This notion got the fellers so stirred up Clem and Ed never did get back to the item they had carried over from the agenda of the week before. In general, the fellers was of a mind that what Clem had in mind couldn't be done cause it sounded to good. But it was Josh Clooppper, that don't have much to say at the sessions, that give the best reason to do it. Josh allowed that we got a heap of fine and honest folks in Government, and we got some that ain't so fine. If we thin them out, Josh said, we'll have a better chance of telling which is which. Bug Hookum was full agreed with Josh. Bug said it looks like the gravy is gitting to thick to stir, and about the only way taxpayers can thin it down it to thin out them they send to watch the pot.

For instant Bug said, he had saw where 22 state legislatures have come out of foursquare for a constitutional amendment to force legislators in Washington to

balance the federal budget. Without fail, Bug went on, ever one of them states come out at the same time fer trimming their state budgets while keeping up services by putting in fer more money from Washington. North Caroline, fer one, gits a fourth of its budget from federal programs, but the governor is pushing for the amendment; lower state taxes and a state budget built on \$2.5 billion in federal funds. And Congress keeps changing tax laws so more big companies can slip through more loopholes.

Zeke said the Constitution started us off with 26 Senators and 65 Representatives, and now we got 100 Senators and 435 Representatives. He said we could cut our present number in half and take a big step towards balancing that budget. Ever one of them 535 in Congress has got more staff than they know what to do with, declared Zeke, so the fewer the more useful work to go around. There's got to be somepon to plush about a \$47,000-a-year job a man will spend \$6 million to keep, like Sen. Jesse Helms did last year, said Zeke, and then after he was elected he begged more money to pay off campaign debts.

Final, Mister Editor, the fellers caucused and come up with a good two-point program. First cut Congress in half. Then tell them that's left to cut out last week of ever session. That's when the pork barrel full of \$10 million bills to pay fer all the little wheel-greasing projects back home slip through in the rush to close up shop.

Yours truly,
 Uncle Lew.

Your children could save a life, with a little help from you and your telephone.

Michigan Bell... people who enjoy serving people.

If you, have children at home, would they know who to call in case of a fire, accident or sudden illness? Be sure you have listed near your phone the numbers of your doctor, hospital, poison-control, police, fire department and other emergency numbers. Show your children how to find those numbers, how to dial them (if they don't already know), how to call the operator; let them know if 911 can be dialed for fire, medical or police help in your area. Write down your home address near these numbers, too, so your children or your baby-sitter can give it to people who need to find your home in a hurry. (But, for safety's sake, you should instruct them not to give your address or other information to strangers on the phone.) Your telephone can be a lifesaving help in an emergency. Teach your children how to use it for their protection and yours.

"My company is too small to offer a retirement plan, but now, thanks to Great Lakes Federal I'll be able to retire with \$124,229 plus my social security benefits."

That's right. John Smith will have \$124,229 when he retires thanks to Great Lakes Federal Savings IRA tax deferred retirement plan.

And he'll save a bundle on income taxes each year. Here's how this great plan works.

IRA accounts are for people who do not have a plan available where they work. They can be opened with as little as \$1, and you can make deposits throughout the year to fit your individual income. . . \$50, \$100 or whatever is best for you. You can contribute 15% of your earned income to an IRA account up to a maximum of \$1500 each year. Your yearly contribution can be deducted from your current taxable income. You do not pay taxes on this money until you begin withdrawing it after age 59½. At this time your income tax rate will probably be substantially less.

Your IRA account can earn the high interest rate of 8% per annum. Interest is paid quarterly and compounded monthly for an effective annual rate of 8.30%. At this rate your money doubles in approximately 8 years and 8 months. Minimum term 36 months. Your account is insured with an agency of the federal government to \$100,000.

YOU STILL HAVE TIME TO CUT YOUR 1978 INCOME TAX

That's right. You can open a 1978 IRA account or add funds to your present IRA account up to your maximum for 1978 until April 15, 1979.

Federal regulations require a substantial interest penalty for early withdrawals.

The name and profession of the person in this ad is fictitious and solely an example of the benefits of a retirement account at Great Lakes Federal Savings.

If you contributed \$1,500 each year to an IRA account earning 8% annual interest, compounded monthly, you would have

| No. of Years | Total Deposit | Total Earnings | Total Retirement Funds |
|--------------|---------------|----------------|------------------------|
| 5 | \$ 7,500 | \$ 2,089 | \$ 9,589 |

World Day of Prayer Set Friday, March 3

On Friday, March 2, women all over the world will be celebrating World Day of Prayer. Church Women United, official sponsor of World Day of Prayer in the United States, will hold an ecumenical service on that day at the Chelsea Congregational church beginning at 1 p.m.

Caratee Hoffmeyer will lead this service using the theme "Spiritual Growth." Women of Africa have written this year's program which emphasizes growth in knowledge, hope and love of Jesus Christ.

Special music will be provided by June Warren. Short meditations will be given by Mary Helen Brown, Joy Stacey and Doretha Pielemeier. Catherine Hilts is coordinator at the Congregational church. A nursery will be available for infants and following the service there will be refreshments and fellowship.

World Day of Prayer dates back to 1887 and this year 140 countries and 33 islands will unite in prayer on this historic day. Each year women in a different nation are asked to write the Prayer Service based on themes chosen by the International Committee for World Day of Prayer.

This year African women at a leadership training school in Kitwe, Zambia have prepared the service. They send this message: "Our warm greetings to all the Christians around the world who are coming together from differ-

ent places for the World Day of Prayer in 1979. We hope that the voices of women at the Pan-African leadership course in Mindolo may be heard in solidarity with the voices of women throughout the world as we pray together."

Contrary to a misconception held by some employers, hearing impaired individuals make good workers, according to hearing specialists. The specialists add that, of course, a person with an unalleviated hearing loss should not be given a job where the handicap could pose a safety threat.

On Saturday evening the Five Outstanding Young Women and Young Men banquet was held. Nancy Cooper, special education teacher from Chelsea, was one of the FOYM recognized by the Michigan Jaycees and Auxiliary.

Chelsea Jaycees were recognized for their first-place project,

November joint membership night. The Auxiliary received a first place in chapter programming.

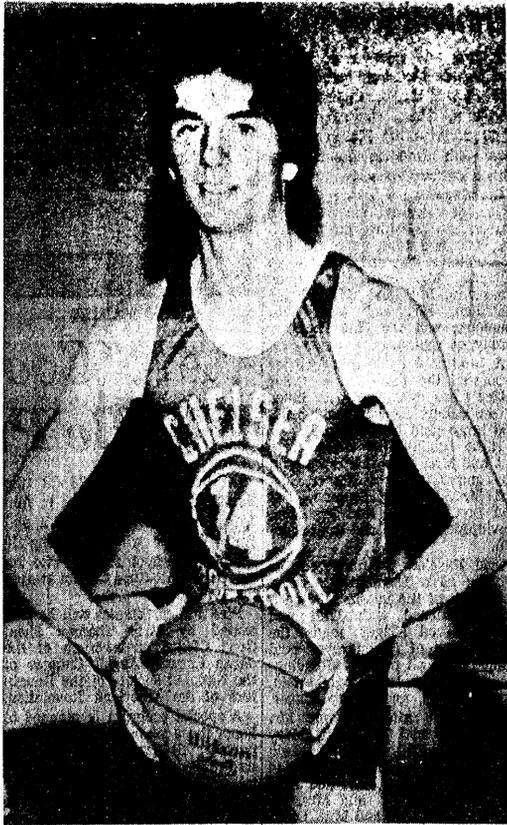

Individual members recognized were Norm Colby with Spark Plug of the Quarter; Jerry Martell, individual development; and Morgan Rowe, for community service.

The Jaycees were also awarded honorary mention in chapter management while the Auxiliary received recognition for their Bowl for Impact on Burns project. Member Chris Wagner was presented with the National Springboard award.

Cager of the Week

GARY DILS (14) is a senior playing his second year on the varsity basketball team as a guard and forward. According to Coach Robin Raymond, Dils has been averaging eight to nine points a game and six rebounds. He is second in assists with 45 and is also second in blocked shots with 16. "Dils is a good inside player. At 6'2" he makes a fine offensive rebounder. He is very quick which works to let him get the rebound and then turn around and go right up for the shot," he commented. Dils described his job at forward as "boxing out the opponent and keeping him from getting the rebound. There is more contact than in the guard position," he explained. A guard, Dils said "gets the ball and goes. He's the main man for the fast break offense," he said. Dils views the early Novl match as the team's best because "everybody was playing great. Everyone was aggressive and consistent at the same time and we saw some of our best balance of the year," he commented. His best game was with Stockbridge, describing himself as "hot." "I knew I had it that night and all I wanted to do was get the ball and shoot it," he said. Dils was a member of the varsity baseball team positioned on first base and as pitcher. He is the son of Mr. and Mrs. Arthur Dils, 650 N. Main St.

Fair Board Reviews Plans for New Arena

Regular meeting of the Chelsea Community Fair was called to order Feb. 15 by Lloyd Grau, president. Other officers present were Kay Poljan, treasurer; Earl Heller, executive vice-president; and Frank Renton, fair board secretary.

The secretary's and treasurer's report of the Jan. 18 meeting were read and accepted.

Board members present were Harold Gross, Mark Stapish, Jerry Herrick, Jim Dault, Reuben Lesser, Jr., Bill Stoffer, Archie Bradbury, and Charles Koehn.

Also present were Dennis Petsch, John Wellnitz (correspondent), Dale Lindemann, and Herbert Banter, representative of the Southern Michigan Trappers Association. Dennis Petsch will assume responsibility for children's entertainment after the Kiddies Parade with games, contests, etc.

Herbert Banter asked about the use of the fair for the Trapper's meeting in June. A lengthy discussion followed his presentation.

Those members absent, because of bad weather, were Jerry Heydlauff, vice-president; Dick Bollinger, Robert Heller, John Klinsk, Ed Keezer, Dick Kolander, Ralph McCalla, Joe Merkel III, Dick Poljan, Charles Stapish, Art Steinaraw, Frank Sweeney, and Harold Trinkle.

Old and new business was disposed of in an orderly manner. Thank you notes from people were read and posted on the bulletin board.

A print of the fairgrounds, with location of the new arena and tentative changes in arrangement of outside attractions was reviewed with favorable comment by board members.

Also discussed during the meeting was the conversation between Earl Heller and John Fontana of Fontana-Taylor Ambulance Service as related by John Wellnitz.

"As the public knows, the time for an ambulance to get to your homes is between 20-25 minutes now. There is no place available yet in Chelsea for ambulances and crews. This time—20 to 25 minutes—is a long time in case of

an emergency. It can literally mean life or death for you or a loved one. So, on Feb. 14 after a conversation between myself and Earl Heller, Heller called Fontana-Taylor and offered them fair facilities for their use. His offer was received with enthusiasm because an ambulance base on the fairgrounds would cut down answer time drastically. The fair board asked Heller to investigate more thoroughly because there would be necessary changes to make. The public, the village, and any one who might need emergency transportation should support him and the fair board," he stated. During the latter part of the board meeting, Archie Bradbury's 33rd birthday was observed with

a cake, valentine candies, a very large and very good mince pie, and hot coffee.

The next board meeting will be March 18, the third Thursday in March.

School Board OKs Curriculum Changes

(Continued from page one)
 gram," Van Meer stated. "One semester of publications is not enough time for students to learn the ways and means of putting out a paper on a regular basis. With the added class a bi-weekly publication will be far more feasible," he said.

The Board also approved authorization for the Administrator to enter into formal contract negotiations with the Michigan Association of School Boards Labor Relations Services. This is the first part of a series of steps to be taken in drawing up a new teacher contract. The current two-year teacher contract expires on June 30, 1979. With the Board's approval to enter into formal negotiations with a MASH mediator, talks are expected to begin in mid-March, Van Meer said.

In an information report on the North Central Evaluation of Chelsea High school, the board learned that the high school received five citations, three of which were dropped upon clarification. The two citations which remain

"are not serious," Van Meer reported. They include a shortage of approximately \$100 for the media budget and a shortage of preparation time for three teachers. "According to the NCE we should be spending about \$100 more on our media department but that figure is based on student enrollment from last year. Because we had a drop in enrollment this year, I don't think we have a problem here," Van Meer said.

As for the teacher preparation time, the NCE suggests that teachers have two hours a day to prepare for their classes. "This is not always possible and is not a serious problem," Van Meer commented. If the three teachers were to be given an extra hour a day for preparation then another teacher would have to be hired to cover their classes during the day.

Jackie Rogers, director of the Community Education Department, presented the board with a report on the second semester of Community Education. The winter term has nearly 100 classes with 1,500 students enrolled, almost double that of the fall term.

BUCKLED UP BABE: Jason Sprawka, five-month-old son of Mr. and Mrs. Charlie Sprawka, is buckled up in one of the Chelsea Jaycee Auxiliary infant restraint seats to keep him safe while traveling. The Auxiliary is now ready to rent, for a small fee, a similar seat to area residents.

Child Restraint Devices Available from Jaycettes

Many children in the Chelsea area will be much safer because of a new project being launched by the Chelsea Jaycee Auxiliary. Called "Buckle Up Babes," the project is intended to increase the number of area children who are buckled up in child restraint devices while riding in motor vehicles. The Auxiliary will be telling parents how important restraints are and will be renting seats to residents.

"Car crashes are the leading cause of death to young children," said Carol Smith, chairman of the Buckle Up Babes project. "But safely constructed restraint devices can reduce or prevent most of these tragedies. Our job is to convince parents of the need to use these restraints and then help them get good ones. That's what we're going to do," she said.

Smith pointed out that in 1976, 27 children 4-years-old or younger died while riding as passengers in automobiles on Michigan highways. Another 4,140 youngsters in this age group were reported as injured. But the total number of injuries is actually much higher since many young children are hurt in sudden stops or swerves. These injuries are not always reported to the police.

"If more people know how effective child restraint devices are in protecting their children, we are certain more children would be buckled up," Smith continued. "A safely constructed restraint device can reduce the probability of death in a crash by as much as 90 percent. The probability of serious injury can be reduced by 78 percent," she said.

Since some people may resist buying a restraint device because of the cost, a major part of the Buckle Up Babes program is loaning restraints for a small rental fee. They will have 12 restraints which may be rented by anyone in the area for a small fee. These restraints are designed for infants from birth to 20 pounds.

In the future, more restraint devices will be acquired through donations by members of the community and through purchasing new restraints.

Volleyball Team Ends Losing Streak

Chelsea varsity volleyball team traveled to Lincoln Monday, Feb. 19 and defeated its conference opponent in three games.

The first game started out slowly for the Bulldogs as they waited until their fifth server to score. With the scrapping defense the Bulldogs exhibited earlier in the season, they kept the score close.

When the offense did come around they were not out of the game. With the score, 5-8, and Michelle Sarbach serving, Chelsea scored four consecutive points which helped to break the ice. Bulldogs only gave up one more point after that and went on to win the first game, 15-10.

The second game found Chelsea having problems with their serves. Although at one point Chelsea led, 5-2, the Railsplitters kept chipp-

ing away at the score until they found victory, 15-11.

In the third and deciding game the Bulldogs once again had problems with their serve, but so did the Railsplitters. It was the serving of Marie Klink (7 points) and Kelly Hense (4 points) that came to the aid of the Bulldogs, which now held a 13-6 advantage. However, the Railsplitters were not to be denied, retreating with four points of their own, making the score 13-10.

With the momentum apparently on the side of Lincoln, Chelsea called time-out after which Chelsea broke Lincoln's serve, and with Krystn Steinhauer at the line, ended the game, 15-10.

Chelsea's last home game of the year is next Thursday, March 5-2, the Railsplitters kept chipp-

Career Planning Program Instituted for CHS Juniors

Chelsea High school juniors, with the help of their guidance counselors and the ACT career planning program, will be building bridges during the week of March 19.

Bridges, that is, constructed of student experiences, abilities, plans and related interests, which will close the gap between high school graduation and that ever elusive career decision.

According to Susan Carter of the guidance department, the week will be devoted to collecting information from each student who participates which will be developed into a report. "The student will receive the report to help them relate this information about themselves to career options and the world of work," Carter explained.

"The reports will be reviewed with students in group and individual counseling sessions. This is the first step in laying the foundation of each student's career journey," she added.

Counselors at Chelsea High school pointed out that national studies reflect that 11th grade students rank "help with career planning" as their most important need.

"In many school settings this need is not being addressed. It is in response to this need that Chelsea High school instituted the opportunity to participate in the

Cheker Oil Zoning Appeal Is Heard

Variances requests by the Cheker Oil Co., on S. M-52 were heard by the Chelsea Zoning Board of Appeals during a meeting on Tuesday, Feb. 20.

The Board denied the front yard request variance but approved the total lot area, a five-foot side yard variance, and the width area.

Cheker Oil Co. has been working for three years on plans to demolish the present building and construct a new cashier's office and restroom-storage area. The Zoning Board of Appeals' denial of the front yard request, which was needed to erect a canopy structure extending from the new building, will mean that Cheker Oil Co. "must go back to the drawing board to find a plan which will satisfy the Zoning Board of Appeals," according to Jerry Fuller, district supervisor of the Cheker Co.

"The new plan, whatever it turns out to be, won't be as good as originally planned but we will be back with a new plan," Fuller stated.

The U. S. Employment Service provides specialized services for various groups such as veterans, youth, older workers, the handicapped, rural residents and workers, and disadvantaged individuals, as well as employers.

Real Estate

By PAUL FRISINGER
REALTOR

EQUITY GROWS WITH AGE

What is equity? Quite simply, it's the portion of your home you own — the part that isn't mortgaged. To start with, it's your down payment. Then it grows each month by the amount of principal you repay on your mortgage.

For example, let's assume you're in the first year of paying off a \$25,000 mortgage you got at 9% for 25 years. Your monthly payments for principal and interest are \$210.00, of which about \$24 is principal, the rest interest. At the end of the year you own about \$280 more of your home than when you started — sort of a forced savings

account. (And you've got a hefty \$2,256 in interest charges to deduct from your taxable income.)

The further along you get in your mortgage payments, the faster your equity grows. In the tenth year, your \$210 buys equity at \$53 per month rate and in your 20th year it's up to about \$130 per month.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8682; evenings 475-2621. We're here to help!

JV Cagers Continue 7-Game Win Streak

A victory on Tuesday and one on Friday brought the Chelsea junior varsity cagers to a seven-game winning streak and a 9-3 SEC record.

Chelsea defeated Carlton Airport 64-47, and Dexter, 62-51.

Carlton Airport came to Chelsea Tuesday, Feb. 13 with a 9-1 record in their conference, a 12-2 over-all record and two members with 18-point averages.

"Chelsea looked as if they were in for a long night when Airport opened up with a 6-4 lead in the first quarter," Coach Jon Schaffner commented. Junior Bulldog added another four points before the quarter's end to help close the gap.

Schaffner realized he had little to worry about in the second quarter when Chelsea outpaced Airport, 23-8. "This was a fine victory against a very good team," he commented.

While Chelsea missed their first two shots they made 10 in succession before a miss at the end of the second quarter. Junior Bulldog defense held Airport to zero field goals while they made three free throws and Airport had eight. Scoring for Chelsea were Riemenschneider, six; Jeff Price, two; and Carl Simpson, two.

When Chelsea came out after half-time they ran off 15 points against four by Airport in the first five minutes. By the end of the period Junior Bulldogs led, 52-35.

Final quarter action saw both teams play evenly, tallying 12 points each.

Jon Riemenschneider shone with 29 points. Karl Albrecht contributed 10; Carl Simpson, eight; Jeff Price, four; Sean Peterson, four; Mike Wade, three; Carl Schwarze, three; Mike Lazarz, two; and Chris Heaton, one.

Top honors in rebounds went to Albrecht with 18. Riemenschneider, Lazarz, and Tobin, each added three.

Albrecht worked for four steals

Carl Schwarze, four; Carl Simpson and Sean Peterson, three. Mike Lazarz assisted in six baskets; Carl Schwarze, four; Carl Simpson, three; and Karl Albrecht, three. Albrecht added three blocked shots.

Chelsea led in rebounds, 35 to 27, and accumulated only 18 turnovers compared to Airport's 26.

Against Dexter, the Junior Bulldogs shot below 40 percent for the first time in five games but they more than made up the difference with a hustling defense.

Chelsea bounded to a 16-13 lead in the first quarter and ended the second quarter ahead, 24-20.

"The defense was a key factor in this game as it created 33 turnovers and helped us get off many more shots than Dexter, 74-48," Coach Schaffner said.

Chelsea outscored the Dreadnaughts, 56-34, from the field but Dexter outscored Chelsea, 17-6, from the free throw line. Dexter went to the line 30 times to Chelsea's 13.

Leading scorer for the Junior Bulldogs was Albrecht with 14 while Riemenschneider followed closely with 13. Peterson tallied 11; Lazarz, eight; Carl Schwarze, six; Chris Tobin, four; and two each by Simpson, Mark Steinaway, and Heaton.

Albrecht also led in rebounds with 16. Riemenschneider added nine; Lazarz, four; and Schwarze, three.

Peterson worked for four steals and Heaton, three. A total of 19 assists were turned in. Peterson had seven; Lazarz, six; Simpson, three; and Albrecht, three. Albrecht completed three blocked shots.

This Friday, Feb. 23, Chelsea hosts first-place Saline. Friday is "sports cushion night" sponsored by the Jaycees. A cushion will be given on a first-come basis prior to the junior varsity game commitments of the service club and local merchants and businesses.

Special Olympians Lose In California Tournament

Eleven Special Olympians representing three areas of Michigan didn't return from California with roses but did come back with a once in a lifetime experience as they adventured to the San Diego, Calif., Invitational Floor Hockey Tournament on Feb. 16-18.

Flying out of Metro Airport on Friday were Chelsea's Terry Walkow and Chris Williams who subbed for the ill Ryan Sweeney, and their coaches Doug Cooper and K. C. Reuman.

Nancy Cooper was also unable to attend because of her participation at the Michigan Jaycee Convention. Representing High Point were Russell Sellers and Ron Phelps. For three of these Michigan Special Olympic Floor Hockey team members, the trip was their first experience on a jet aircraft.

After conceding defeat in their first two floor hockey games in the first round of opening play, the group decided to forfeit their two remaining games for a sight-seeing tour.

Cars were rented and the entire Michigan team set out under sunny skies and 67-degree temperatures to see California. Their first stop on Saturday evening was at the historic Hotel De Coronado. The team visited the ocean, collected shells, and learned about the tides.

Sunday morning, three hours were spent visiting the famous San Diego Zoo in Balboa Park. The art museum was explored followed by various historic memorials.

From the Cabrillo Monument the team saw Mexico and the headquarters for the Pacific fleet of the U. S. Navy along with many destroyers, aircraft carriers, and submarines, all in beautiful San Diego Bay. Traveling north up the coast enroute to Mission Bay, the team stopped to climb the cliffs overlooking the Pacific Ocean.

Each team member was given a plaque to represent their participation in the tournament.

THANK YOU We would like to thank the merchants of Chelsea and Dexter, namely Dr. and Mrs. J. L. Flinn, Mr. Dan Murphy, Mr. and Mrs. Ben (Mary Lou) Bower, Mr. Sheridan Springer and Mr. Charles Kleinschmidt, Mr. and Mrs. Rick (Lisa) Foytik, and Mr. Bill Sprenhall for sending us the beautiful baby's plate commemorating Peter William's birth. It's nice to have others share in the joy of the birth of our child. Thank you again!

THANK YOU Having just returned from the Michigan Jaycee Convention in Troy where I was a guest, I wish to make a few comments about the organization and especially about the Chelsea Jaycees and the Jaycee Auxiliary. I am proud to know them. They are truly a dedicated, giving, and hardworking bunch. I cannot thank them enough for the honors they gave me and for allowing me to take part in their fellowship. Their dedication to service in this community is far reaching and truly an uplift for the spirit. It renews my optimism—the world, and especially the Jaycees—is still filled with compassionate and decent people. I especially want to thank Bob and Sandy Meyer and Norm and Alberta Colby for their faith in me and for their warmth. The Jaycees should be proud—they're a great group of people.

First Pencil With Eraser Patented in 1858.
The first pencil with an attached eraser was patented by Hyman L. Lipman of Philadelphia on March 30, 1858. Realizing the students' propensity for errors, Lipman provided a pencil with a groove at one end in which a piece of prepared rubber was glued. This freed pupils from the clumsy slate-and-chalk methods of earlier schooling. The primitive one-room schoolhouse atmosphere may be revisited at any of three different schools in Greenfield Village, Dearborn. They range from a log cabin structure to a sturdy clapboard building to a rather modern 100-year-old brick school, where Henry Ford once attended classes.

The Bible-The Light from Heaven
Since the beginning of time, man has been reluctant to accept his measure of responsibility. The duties of life cannot be performed by proxy. The Bible reveals very clearly individual responsibility. In the great Book we learn: That each man is responsible for his own sins. (Ezekiel 18:4; Luke 15:21). That primary obedience to the gospel is a personal responsibility. (John 8:12-13; Acts 2:37, 38). That each Christian must work out his own salvation. (Philippians 2:12; Matthew 25:14-30). That giving of one's means is an individual responsibility. (I Cor. 16:1, 2). That each child of God must keep his own garment pure and spotless. (I Timothy 2:19; James 1:27). That every man must bear his own burden. (Galatians 6:5). And in the day of judgment each one must answer for himself. (Romans 14:12). The great Rewarder shall "render to each man according as his work is." (Revelation 22:12; 2 Corinthians 5:10).

Identification Of Stolen Items Made Easier

Washtenaw County Sheriff's Deputies remind area residents that recovery of stolen property is only part of the involved process of returning the items to their rightful owners. Before that can be accomplished, the items must be identified.

As part of "Operation Identification," the Sheriff's Department advises the public to engrave the owner's name and Social Security number on valuable items or copy down the make, model and serial numbers of those valuables that have them. Thieves tend to stay away from engraved property, deputies claim, and being able to identify missing items can speed up their recovery considerably.

Kits for engraving and for preserving information on valuables are available from the Sheriff's Department. For additional in-

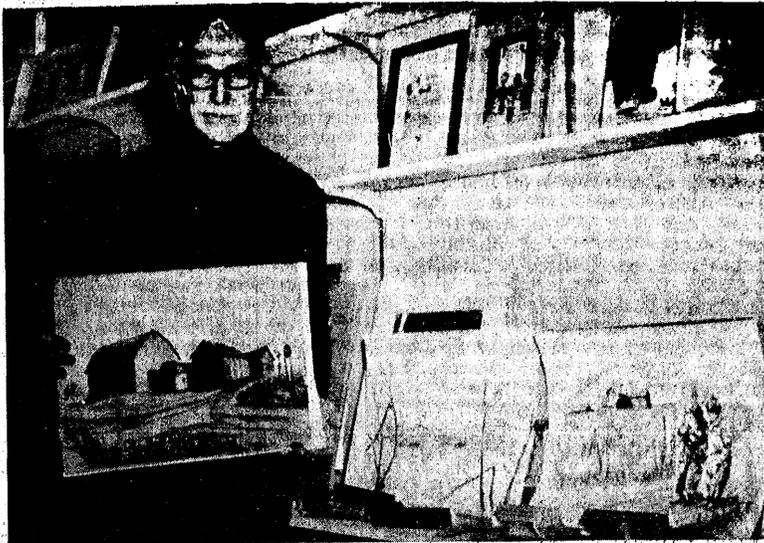

Fire Chief Urges Reflective Address Signs for Homes

Dexter Fire Chief Keith Hoatlin has made an appeal to area residents to display their addresses prominently in front of their homes, preferably with light-reflecting numerals.

"Any time we get an emergency call," he explained, "we're required to record it and investigate whether it turns out to be a false alarm or not. Even though the barn fire report on Walsh Rd. Saturday, was called off while we were on the way there, we continued and spent more than 20 minutes looking for the place. We had trouble finding the address after dark.

"The reflecting signs, he added, when displayed near the road, can save precious minutes in locating the scene of an emergency.

Information on this program, call the department at 971-8400.

LOCAL ARTIST TO DEMONSTRATE: Chelsea's Benjamin Bower, shown above with some of his paintings done with water-soluble pencils, will demonstrate the technique at the sixth annual Pioneer Arts and Crafts Fair Saturday, March 17. He will join more than 60 other artists and craftsmen who plan to exhibit their skills in the Dexter High school gym from 10 a.m. to 5 p.m.

Arts & Crafts Fair Assured of At Least 50 Craftsmen Exhibiting

Dexter Area Historical Society will present the sixth annual Pioneer Arts and Crafts Fair Saturday, March 17 at Dexter High school. The hours, 10 a.m. to 5 p.m. are one hour longer this year by popular demand.

The fair has been growing in popularity each year with many different crafts presented for your pleasure. This year will be even better than in the past, with a minimum of 50 craftsmen on hand to demonstrate their skills. Participation in the Fair is by invitation and each year the Fair committee strives to add new and different crafts to the program, while keeping those that have proven to be favorites. Many craftspeople phone asking to be included, but sometimes must be turned down for various reasons. Demonstrations of a particular craft is a pre-requisite, with selling of secondary importance.

Benjamin Bower of Chelsea will again be on hand to show how he paints with pencils. Bower is well known throughout the area for his classes in picture framing. The pencils Bower uses in his paintings are of a water-soluble, indelible colored type. Bower discovered these by accident while serving in

the South Pacific during World War II. A friend received some of these pencils from home and showed them to Ben. He was so intrigued with them that he began painting the tropical flowers surrounding the area and has continued using them. For 25 years Bower worked in the Waterloo Recreation Area headquarters, running the information center and dealing with financial matters. Upon retiring, Ben has concentrated on his painting and on teaching framing classes. At present he is recuperating from surgery and is using the time to perfect the usage of children in his drawings.

A newcomer to the fair this year is John Wooden, who will demonstrate the age-old craft of catlogne (weaving with rags) using

a 150-year-old loom. Also appearing for the first time will be Linda Kotarba and her daughter, Laurie. Linda will be showing how to do fraktur (a Pennsylvania Dutch style of decorating marriage licenses, baptismal certificates, etc.) and Laurie will show how to make a band box.

The Dexter Heritage Guild will again have a bake sale. The Guild will also be in charge of the luncheon that has proved so popular. The Dexter Area Museum will have a table with some of the lovely gifts that are for sale in the Museum gift shop, along with recipe books compiled by the Heritage Guild.

As in the past, there will be a drawing for three prizes. First prize will be a dried colonial arrangement; second will be a can-

First Steam Engine Brought from England

The first steam engine in America was put into operation on March 12, 1765, at the copper mines of Col. John Shuyler in New Jersey. The engine had been brought from England by Josia Hornblower to pump water from the mines, and Hornblower has since been recognized as this nation's first steam engineer. The Power Machinery Collection at Henry Ford Museum, Dearborn, affords a chance to see such early engines as Watt's mill engine of 1788 and the Newcomen atmospheric engine, which dates to around 1760.

die pot with stained glass inserts; and third is a hand-made, long handled round broom.

The fair has been chaired for several years by Mrs. Jack Brigham, assisted by Mrs. Wendall Young, Mrs. Pete Walker, and Mrs. Ray Henning. Pictures are by courtesy of Wendall Young.
