Independents Unopposed in Village Voting

Chelsea's annual village election will be held Monday, March 12 at Sylvan Township Hall for the purpose of filling the expiring terms of village clerk, three village trustees, and two Library Board trustees.

Six Independent Party candidates will appear on the ballot, the result of nominations accepted during the nine-minute village caucus held on Feb. 12. The candidates are unopposed but write-in candidates are possible.

On the ballot for two-year terms as trustee are incumbents Mike Sweet and Lyle Chriswell, and newcomer John Popovich who was nominated to fill the expired term of Jack Patrick.

Incumbent Thomas Neumeyer is seeking his second full term as village clerk while contenders for the three-year terms as Library Board Trustees are incumbents William Chandler and Jean Eaton.

Both Chriswell and Sweet are seeking their second full term as trustees.

John Popovich, 46, resides at 519 McKinley St., with his wife Lynne and two children, ages 9 and 11. A native of Chelsea, he graduated from Chelsea High school class of 1950, and attended Cleary College, Ypsilanti, for three years. Popovich is employed as general manager of Faist-Sprague Buick-Olds, Inc., and is a member of St. Mary Catholic church.

Popovich spent eight-and-a-half years in service with the U. S. Air Force in the Korean and Vietnam wars. He was discharged as a S-Sgt. He was commander of the American Legion for one year and is presently treasurer of that organization.

Mike Sweet, 40, lives at 745 S. Main with his wife, Jeanette. He is the father of eight children. Sweet was born in Stockbridge and graduated from Stockbridge

High school in 1957. He attended Jackson Junior College for two years and has been employed by the Chelsea Milling Co. for the past 16 years as shipping and sales coordinator. Sweet is a member of St. Mary Catholic church.

Sweet has served in a variety of community activities including vice-president of the Chelsea Recreational Council for one year; treasurer of Chelsea Band Boosters for five years; treasurer of Chelsea United Methodist church for two years; and bowling league president for one year.

His civic involvements include one year as reporter for area Cub Scouts; two years as reporter and member of the Board of Directors of the Chelsea Junior Chamber of Commerce; and four years as a coach for local children's sports. He served in the U. S. Army for three years stationed in Korea.

Lyle Chriswell, 48, lives at 201 Wilkinson St. with his wife, Patricia. Born in Chelsea, Chriswell graduated from Chelsea High school in 1948 and has been employed by Palmer Motor Sales, Inc., for the past 22 years, currently as sales manager.

Chriswell is a member of the First Congregational church of Chelsea and a former member of the Chelsea Jaycees. He was president of the Jaycees in 1974 and served two three-year terms as a Chelsea United Way committee chairman. He was a seaman with the U. S. Navy from 1952-54, stationed in San Diego, Calif.

Thomas Neumeyer, 29, lives at 722 S. Main with his wife Martha, two sons, ages 6 and 3 and their one-year-old daughter. Born in Detroit, Neumeyer graduated from Lutheran High East, Detroit, in 1967. He received a BA degree from Concordia Teacher's College, (Continued on page seven)

BAND OF THE DAY: 43 9th grade students, under the direction of Steven Bergmann, earned straight Division I (superior) ratings during the annual District 12 Band Festival on Saturday, March 3 in Livonia. Judges lavished words of praise on the 9th graders' performance—"I like this band very much. It shows excellent training and skill development and plays musically. They have good dynamic control and style as well," one judge commented. The group earned the top ratings for all three required selections as well as for the sight reading.

BEACH MIDDLE SCHOOL STRING ORCHESTRAS returned from the District 12 Orchestra Festival in Ypsilanti last Saturday, March 3 with three Division I (superior) ratings and an excellent Division II rating in sight reading. Sitting in front, from left, are Mike Neibauer, Hallie Schmidt, Ted Merkel, Jeff Koepfle, Robbie Friday, Ed Mullaly and Jon Bentley. In the middle row from left, are Brenda Hoelzer, Linda Wiedmayer, Kristin Thomas, Amy Poljan, Russell Harris, Margie Rawson, Deann Colvia, Felicia Passow, Lorrie Wright, and Angie Kovach. Bringing up the rear are Susan Barelis, Margaret Merkel, Carrie Puglisi, Eric Myers, Neal Vorus, Mike Cox, David Wojcicki, Bill Merkel, Todd Guenther, and Director Karey Johnson. Chelsea Bands Rated Tops in District Meet

Compliments flowed as eloquently as the music which had inspired them following the performances of Chelsea High school 9th grade band and symphony band on Saturday, March 3.

Perfect scores of 1's were earned by the 73-member symphony band and the 43-member 9th grade band, both directed by Steven Bergmann. The students participated in the annual District 12 Band Festival at Livonia Clarenceville High school along with 17 other area schools.

Judges issued only five Division I ratings among the 18 schools, two of which were received by Chelsea. According to Bergmann it is the first time in known history that both the 9th grade and symphony bands were given straight I ratings in all four categories.

Each school was required to perform three selections of prepared music, followed by the impromptu performance of two additional numbers to test sight reading abilities. Students were given seven minutes in which to study sheet music for the selections.

Praising the freshmen musicians was Charlene Colegrove, sight reading judge who said "they offered a fine interpretation. Their phrasing was outstanding and they followed the director so well."

Tom Course, one of three judges who scored the 9th grade students on each of the three musical selections, commented, "I like this band very much. It shows excellent training and skill development and plays musically. They have good dynamic control and style as well."

Applauding the symphony band was Judge Larry Dickenson. "This is an outstanding group in any class level. You and the director represent the best in what instrumental music is all about. You were a privilege to listen to."

While Chelsea is listed as a Class B school, it plays Class A and Class AA music.

9th grade musicians performed "Burst of Flame," by Bowles; "Music for A Ceremony," by Morresy; and "Chelsea Suite," by Thielman.

Selections played by the symphony band included "The Gallant Seventh," by Sousa; "American Civil War Fantasy," by Bilik; and "Suite of Old American Dances," by Bennett.

As a result of the exceptional performance by the symphony band, members have qualified to play in the state band competition to be held in the Lansing area on April 28.

"I am extremely proud of both bands. Their hard work and dedication to music has more than paid off," Bergmann commented.

Contrary to what might be expected, Chelsea faced the team they defeated twice already this year with some uneasiness.

"We knew there was a large revenge factor on the part of Dexter and it is always hard to defeat a team three times in one season," Coach Robin Raymond said.

The first evening of tournament play on Tuesday, March 6 did see the Dreadnaughts put on a strong showing in the first quarter, taking a 17-11 lead, but a tough Bulldog defense kept the rivals to 58 points while a hustling offensive found the baskets easy for a 73-58 win.

Chelsea has now qualified to compete against South Lyon in the second round of the Willow Run tournament on Thursday, March 8 at Willow Run. Winner of that game will advance to the championship game and meet the winner of the Willow Run-Lincoln game on Saturday, March 10.

Tuesday's game was nearly identical to the Bulldog-Railsplitter encounter with Chelsea handing in a final quarter free throw extravaganza. For the evening, Bulldogs earned a 71 percent from the free throw line, thanks in large part to Charlie Bridges who collected 12 of 16—eight of them in the final period.

Chelsea pressed man-to-man full court in all four quarters. "It really paid off in the last quarter when we outscored Dexter, 26-14," Raymond commented.

Bridges shot his highest game of the year on Tuesday, earning 26 points. Three other Bulldogs scored in double digits including Jeff Dils with 13, and 10 each by Mike Machesky and Jesse Coburn.

Also scoring were Matt Feeney, John Dunn, and Don Schrottenboer with four each and two from Karl Albrecht.

Bulldogs out-rebounded the Dreadnaughts, 39-32, with points earned by Charlie Bridges, nine; Karl Albrecht, eight; John Dunn, five; and Jesse Coburn, five.

Swim-A-Thon Raises \$4,500 to Benefit Pool

Nearly 150 boys and girls accounted for more than 225 miles worth of swimming and \$4,500 in pledges during the third annual Chelsea Aquatic Club Swim-A-Thon on Friday, Feb. 23.

"All of the money we collect from the pledges is turned directly into pool equipment and supplies to improve the total recreational and educational facilities of the pool," according to Larry Reed, pool director and coach.

Only a handful of the 150 swimmers failed to swim 100 lengths (1/4 miles) Reed reported.

Shannon and Shelly Springer led the group in pledges with \$200 each. Prizes will be awarded to those who turn in the most money including an electronic digital stop watch for those with more than \$150; choice of a warm-up top or electronic game for those with \$100 or more; and trophies for those with more than \$50.

Reed stated that the money earned will be used this year for about 120 hooded sweat shirts for the younger swimmers who are not part of the school team, and a back-up system for the electronic timing system to increase the accuracy of swimmer's times.

Search Continues for Ambulance Substation

Fontana - Taylor Ambulance Service of Ann Arbor is "looking fast and furiously" for a suitable ambulance substation in the Chelsea-Manchester area as its March 6th deadline passed unsuccessfully by.

In the meantime, Fontana has, and will have, an ambulance "driving back and forth between Chelsea and Manchester day and night until we find the right place," according to Nancy Fontana, co-owner of the service.

Fontana-Taylor began the search more than 90 days ago when they were awarded the five-year county contract replacing the services of Horne-Vinson. "We have run into insurmountable problems along the way," Fontana commented.

Only last week, Fontana reported that they had found a pole barn and house for sale half-way between Chelsea and Manchester and has made an offer. "It was perfect. The location was good for both villages with an answer time of just five minutes to either town and we could have renovated the pole barn for the ambulance and crew in less than a month," Fontana stated.

A few days later, however, Fontana-Taylor learned that the deed had restrictions and that they would have to apply for a condi-

tional use permit from Sharon township—a process that would take at least six weeks. There is no final word on that piece of property, reported Fontana.

A number of other offers, including one by the Chelsea Community Fair, have been put on the back burner or removed from consideration entirely because of Fontana-Taylor's wishes to remain in close proximity of Chelsea and Manchester.

While Fontana has had several offers from local community groups and individuals, most of their search efforts have been directed through real estate companies. "What we are finding, however, are parcels of land in chunks of 50 to 100 acres and owners are not willing to chop off a five or 10-acre parcel," Fontana said.

The ambulance company, which has full responsibility for finding, renovating, or building a substation, is looking for a 30'x50' building with at least a 12'x12' opening to accept the truck-size ambulance and house a crew of two.

They are searching for property within the boundaries of Baker Rd., Jackson Ave., M-52, and Dexter-Chelsea Rd.

Currently, Fontana has seven ambulances in service (two more (Continued on page eight)

Cagers Defeat Dexter in First Tourney Game

'Brigadoon' Opens March 15 at CHS

"Brigadoon," the haunting musical fantasy about a Scottish town that has gone to sleep and awakes on a single day once each hundred years, will be the next attraction at Chelsea High school.

It will open on March 15 and play through March 17, with Todd Wurster, Pat Powers, and Tracy Cattel in the three leading roles that were sung in the movie version of this stage success by Gene Kelly, Van Johnson and Cyd Charisse.

Written by Alan Jay Lerner and Frederick Loewe, who are also the authors of the greatest success of the century, "My Fair Lady," "Brigadoon" won the N.Y. Critics' Circle prize as the best musical of its first New York stage season, 1946-47.

The wistful tale told in this spell-binding musical revolves about a sudden landing near a Scottish village—a quiet place that appears on no maps. It is a community of idyllic peace where the inhabitants know no strife. It comes to life one day every century, and then dissolves again into mist. It is an oasis of dreams, and the breaking of the peace by one disgruntled soul, would suffice to make it disappear forever.

From this mystic and poetic bit of legend Lerner has spun his dreamy tale of a romance between one of the 20th century Americans and a 17th century girl who is still only 19 years old. Loewe has composed songs that blend with the mood thus conjured up. The sparkling and joyous score has remained ever fresh, and is as full of song-hits as it ever was.

The daintiest of them all, "Come to Me, Bend to Me," is one of the great favorites of our time. Some of the other hits of the show are "The Heather on the Hill," "Almost Like Being in Love," "From But for You, Go I," and "There This Day On." One of the funniest songs, "My Mother's Wedding Day," relates the doings of one of the most sophisticated wedding-parties ever known, and "Down on McConaughy Square" is (Continued on page eight)

Laetrile Treatment Approved
 By House Committee
 Cancer patients may soon have the option in Michigan to get laetrile on a prescription basis under legislation approved by the House Committee on Public Health.

The bill is virtually identical to a measure passed overwhelmingly by the House last December but the legislation died when the 97th Legislature adjourned.
 Under the bill, doctors cannot be disciplined by the state for prescribing laetrile when requested by a patient.
 Before receiving the drug, the patient must sign a waiver saying that he or she recognizes that laetrile is not approved by federal authorities and that there are other forms of cancer treatment available.

Laetrile could only be dispensed by licensed pharmacists after receiving a prescription. All laetrile containers would have to carry a notice that the drug is not approved by the Federal Food and Drug Administration.
 The bill also allows the manufacture of the drug in the state.
 Bill sponsor Rep. John Kelsey (D-Warren), whose wife died of cancer, said the principle effect of the bill is to give a person a choice of treatment. "It places a legal and moral obligation on the part of the physician that when he diagnoses a person as terminal he has to tell the patient about laetrile, even though he might not believe in it," Kelsey said.

Credit Unions Can Offer
 Checking Services
 An Ingham County Circuit Court has affirmed a ruling by the state Financial Institutions Commissioner allowing state-chartered credit unions to offer share draft accounts, services similar to bank checking accounts.

Judge Thomas Brown said the decision was supported by competent, material and substantial evidence.
 Credit unions pay interest on dividends on the share draft accounts which are offered by 221 of the 585 state-chartered credit unions.
 The ruling may bring about banks paying interest on checking account balances in order for them to be competitive with the credit unions in this area.

Commission Recommends
 Changes To Handle Divorce Cases

A preliminary report from the legislative commission on the courts has established a set of alternatives designed to unclutter the circuit court system of divorce cases and make divorce proceedings more humanistic and provide greater protection for children.
 Among the alternatives suggested is a domestic relations agency, existing independently of the court structure, which any married couple could turn to, even if they are not contemplating divorce, for problem counseling.
 The agency could also provide pre- and post-divorce counseling and arbitration settlements.

The report also suggests that children of divorcing couples be represented to ensure their protection and rights.

Auto No-Fault Law
 Under Scrutiny

Hearings on revisions to the no-fault insurance law will begin next month by the Senate Commerce Committee.
 The Supreme Court last June said the law is conditionally constitutional, but gave the legislature until December of this year to remedy certain portions of the law.
 The proposed revisions are designed to make insurance available to all drivers at fair and reasonable rates and to review cases of motorists whose policies have been cancelled.
 Committee Chairman Sen. Arthur Miller (D-Warren) said the committee's goal is to rewrite the law to establish reasonable rate-setting procedures which will protect the rights of both drivers and insurance companies.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:
 My old lady was struck sudden with a talking spell after supper the other night. I was surprised then, and I ain't at all sure I understand it now. Usual she limits her general discussions to other wimmen in the church, either at the church or during the circles they form at the house from time to time. She calls me in to pass down direct instructions and to list what I'm doing wrong and not doing right. I make it my business to stay out of their business altogether when they swarm, and when my old lady has choice words for my ears alone I pick up early warning signals and try to keep a outside door to my back at all times.

But the other night she wanted to talk to me about wimmen, of all things, and we got into a right enjoyable talk about how life is and how it was. She said some material had been handed out to wimmen in the church about Equal Rights Amendment, and she was having a hard time deciding which side of this issue to come down on. She said her first feeling was dead agin the ERA, but after second and third thoughts she was seeing some of the reasons other wimmen are pushing it.
 The truth is, she said, that she has done with her life about what she wanted to. She had made it home, and even if we weren't blessed with children she had shared the happiness of other children. Her life has been full, she said, and she never had cause to feel she was being denied anything because she is a woman. But she has come to feel strong about young wimmen that have other goals in life.
 Fer instant, she said she don't hold with wimmen having babies unless they're married. She said this is the way the Good Lord worked out the arrangement, and she has found no reason to change it. At the same time, she said,

it is just as much contrary to the Lord's plan to be a single father as a single mother, but the sad fact is that even in today's everything-goes world the girl has to carry a unfair share of the load in this mistake. She was thinking particular about the girl who had all the problems feeding her baby the natural way during her work as a fireman. She wondered if a man fireman that wanted to take care of his litter of beagle pups at the fire station would have run into the same trouble.
 On the other hand, she said, she has no sympathy at all for these wimmen that live with men without marrying em, then get replaced and go to court for payment for services rendered. "She was strong of the mind that they went into these deals asking fer everthing they ain't getting."
 Fer my part, Mister Editor, I told her of the two lines at the Pearly Gates, one fer men that had been dominated by their wiver and the other fer wimmen that had dominated their wiver. Since there was just this one scrawny little feller in the wife-dominating line, St. Pete was curious and asked him why he was standing there by hisself. The feller said all he knowed was that this was the line his wife told him to git in when he got there.

Yours truly,
 Uncle Lew.

"My company is too small to offer a retirement plan, but now, thanks to Great Lakes Federal I'll be able to retire with \$124,229 plus my social security benefits."

That's right. John Smith will have \$124,229 when he retires thanks to Great Lakes Federal Savings IRA tax deferred retirement plan.
 And he'll save a bundle on income taxes each year. Here's how this great plan works.
 IRA accounts are for people who do not have a plan available where they work. They can be opened with as little as \$1, and you can make deposits throughout the year to fit your individual income. \$50, \$100 or whatever is best for you. You can contribute 15% of your earned income to an IRA account up to a maximum of \$1500 each year. Your yearly contribution can be deducted from your current taxable income. You do not pay taxes on this money until you begin withdrawing it after age 59½. At this time your income tax rate will probably be substantially less.
 Your IRA account can earn the high interest rate of 8% per annum. Interest is paid quarterly and compounded monthly for an effective annual rate of 8.30%. At this rate your money doubles in approximately 8 years and 8 months. Minimum term 36 months. Your account is insured with an agency of the federal government to \$100,000.
YOU STILL HAVE TIME TO CUT YOUR 1978 INCOME TAX
 That's right. You can open a 1978 IRA account or add funds to your present IRA account up to your maximum for 1978 until April 15, 1979.
 Federal regulations require a substantial interest penalty for early withdrawals.
 The name and profession of the person in this ad is fictitious and solely an example of the benefits of a retirement account at Great Lakes Federal Savings.

If you contributed \$1,500 each year to an IRA account earning 8% annual interest, compounded monthly, you would have

No. of Years	Total Deposit	Total Earnings	Total Retirement Funds
5	\$ 7,500	\$ 2,089	\$ 9,589

Varsity Cagers Hold On As Lincoln Rallies

Varsity Bulldogs towered over the Lincoln Rail Splitters with a 21-point lead and only six minutes left on the clock but were almost brought to their knees when the Splitters rushed for 24 points before the buzzer.

Chelsea kept its cool in the Lincoln heat wave, however, as Brad Knickerbocker, Jeff Dils, and Charlie Bridges combined for seven of 10 free throws and the 63-59 Bulldog victory.

"The score was close but we had control of the entire game even when we were up by only two points. Lincoln never had a chance to take the lead," Coach Robin Raymond commented.

Because the game was the last one of the regular season, Raymond attempted to have everyone play as much as possible. "I did a lot of substituting all through the game to give everyone some of the action," he said.

Raymond also brought up Karl Albrecht from junior varsity to play in the second quarter and received two points from the 63rd junior.

Bulldogs took a 14-10 lead in the first quarter and steadily increased the margin for the next two periods, 31-24 by half-time and 50-35 by the end of the third.

"Lincoln put on a full court press two minutes into the fourth quarter and forced us into five turnovers. We combined this with an 0 for 5 from the floor for a bad showing," Raymond said.

It was only a partial bad showing, though, after Chelsea made good on seven of 10 freethrows in the last 1:58 of the game.

Brad Knickerbocker started the run with one good shot out of two tries, while Jeff Dils completed two. Lincoln made a five-point play to bring the score to 59-55 when Knickerbocker returned to the key line for two more points. Lincoln edged closer with two points and a 61-59 score but Charlie Bridges sealed the win with his two points.

Don Schrotenboer with 15 points and Jeff Dils with 11 led the Bulldogs in scoring. John Dunn, Mike Machesky, and Jesse Co-burn each added eight; Matt Fee-ney, six; Brad Knickerbocker, three; and two each from Charlie Bridges and Karl Albrecht.

Lincoln outrebounded Chelsea, 50-31 but the Bulldogs made up the difference from the free throw line completing 19 of 26 for 73 percent compared to the Splitters' low 37 percent.

From the floor, Chelsea had 39 percent and Lincoln, 35 percent. Bulldogs collected 19 fouls, three less than Lincoln, and 16 turnovers, one less than the Splitters.

JV Cagers Edged By Lumen Christi

A mighty offensive push in the last three quarters of the game against Jackson Lumen Christi failed to save the day for the Chelsea junior varsity cagers as their eight-game winning streak snapped with a 72-64 decision.

Christi hit Chelsea with a press in the first quarter, running up a 12-point lead. Junior Bulldogs settled down to break the press and outplayed Jackson the rest of the game.

"Our defense broke down for the first time all year. The most they had given up before was 63 points in one game while the other games saw teams held to less than 60 points," Coach Jon Schaffner commented.

In the second quarter Chelsea outscored Jackson, 19-12, to close the gap to six points but then stumbled in the third quarter, taking 14 fouls to Christi's 18.

Top scoring went to Jon Riemenschneider with an impressive 22 points. Chris Heaton tallied 14; Sean Peterson, 13; Jeff Price six; Mike Lazarz, six; and Mark Steinaway, three.

Riemenschneider again took honors in rebounds with 10. Heaton added seven, and Peterson three. Lazarz made seven steals and Carl Schwarze, four. Assisting were Schwarze with eight; Peterson, six; Riemenschneider, four; and Lazarz, three.

Entering the final conference game of the season with a 10-3 SEC record, Chelsea was in a make or break situation for second place—a long way from the first half of the year when the junior Bulldogs were 3-7.

An excellent performance by Riemenschneider paved the way for the 52-46 victory over Lincoln last Friday and second place in spite of a poor shooting night and mish mish ball handling which saw Chelsea chalk up 27 turnovers.

During the first half, junior Bulldogs gathered a 15-10 lead in the first quarter and a 26-19 lead by the half-time. Riemenschneider out-rebounded the entire Lincoln team, 15-14 during the first half. For the night, Riemenschneider starred in scoring with 19 and an equal number of rebounds.

Chelsea again outscored Lincoln, 16-12, in the third quarter

but dropped to 10 points in the fourth period while Lincoln gained 15.

Chris Tobin also scored in double digits with 11 as did Peterson with 10. Carl Schwarze contributed 6; Carl Simpson, two; Mark Steinaway, two; and Chris Heaton, two.

No one came close to Riemenschneider in the rebounding department. Tobin chipped in seven; Schwarze, six; Heaton, five; Peterson, five; and Steinaway, four.

Tobin, Peterson, and Schwarze each collected three steals while Peterson assisted in five shots; Schwarze, three; and Riemensch-

neider, three. Tobin and Schwarze each made two blocked shots.

Following Friday's game, Chelsea earned the second-place berth in the SEC, one game behind Saline and one game ahead of Milan.

"The season seemed to be divided into two halves. The first was very disappointing as we were 3-7 and lost three conference games. The second half was much more exciting as we went 9-1 and defeated all three teams in the SEC which had defeated us earlier. Our only loss the second half was to a fine Lumen Christi team," Schaffner commented.

Cagers on the junior varsity team were Chris Tobin, Jeff Price, Sean Peterson, Carl Simpson, Carl Schwarze, Mike Wade, Jeff Beaver, Mike Lazarz, Mark Steinaway, Jon Riemenschneider, Eric Heaton, Karl Albrecht, Chris Heaton, and Ken Hopkins.

HOW FAR IS TOO FAR?

You've gone too far by far when you drive all the way into Detroit looking for a new car bargain. Too far is taking all day for service when a few hours is all it should take. Too far is having to stop to eat lunch when you're shopping for a used car. Too far is driving to Detroit when you could go to Rampy Chevrolet in Ann Arbor.

Somehow a lot of people have gotten the idea that just because they make cars in Detroit, it's the best place to buy one. Not so.

Rampy has always been competitive in pricing both his new and used cars. That's how he got to be the biggest dealership in Washtenaw County. And at Rampy, the sale is only the beginning of a mutually satisfactory relationship. Service is a big part of his business. At Rampy, service is second to none. Rampy has hired top professionals and given them the best possible equipment to both diagnose and fix your car's problems expertly and efficiently.

How far is too far? The distance it takes to go anywhere but Rampy Chevrolet.

River Forest, Ill., and has been enrolled in graduate courses at Eastern Michigan University for several years.

Neumeier was a sixth grade teacher for the Chelsea Public Schools for six years and is now a manufacturer's representative for Magna International, Inc., based in Southfield. He was a two-year member of the Michigan High School Football Coaches Association and a six-year member of the National Education Association.

The 1979 platform of the Independent Party has remained the same since 1977 and includes five major points:

—To continue to maintain the orderly and controlled growth of the village in accordance with our adopted comprehensive plan.

—To continue to work for the improvement of the present sewer system. The party believes that the improvement of the present systems is the responsibility of the residents of the village but that

the extension of the system is the responsibility of the developer.

—In favor of a co-operative approach to the problems of recreation and supports the village's participation in the co-ordinated group effort to draw together all of the local groups and agencies interested in recreation for Chelsea residents.

—Opposition to the proposed Mill Creek Metropolitan Park as proposed by Huron-Clinton Metropolitan Authority. The party cites that the park offers little if any benefits to local area residents and believes it will probably cause many problems for the area and added costs to local taxpayers.

—In favor of continued support of the Village Planning Commission.

The Independent Party dates back at least 50 years although it experienced a time of inactivity in the late 40s. Around 1952 it was reactivated and has continued to stand as an unchallenged local political body.

Polls will be open from 7 a.m. to 8 p.m.

8th GRADE SPIKERS: Concluding their season with a victory over Clinton on Monday, March 5, these volleyball team members posted a 5-4 record for the year. The 1979 season was the first year that Beach Middle school had an organized school squad. In front, from left, are Jean Folsom, Jane Nusbach, Donna Popovich, and Amy Poijan. In the middle, from the left, are Cathy Morris, Lisa Beeman, Marty Kovich, Deanne Colvia, and Cathy Doll. In the back row are Terry Schreiner, coach; Kim Forner, Venus Roberts, Carrie Heaton, Kim Williams, Amy Hume, Annette Green and Manager Julie Thompson. Also coaching for the 7th and 8th grade teams was Kathy Opoka.

Beach Girls Volleyball Teams Close Out Season With Wins

Beach Middle school 7th and 8th graders finished their first volleyball season with final wins over Clinton on Monday, March 5.

7th graders finished off the Clinton opponents in just two games with scores of 15-4 and 15-1. The win was accomplished through the fine serving of Donna Mahoney, Debbie Morris, Julie Dunlap, and Brenda Hoelzer. The Clinton victory brought the 7th grade record to 6 and 3 with losses only to Saline and Manchester.

Some of the players who have excelled this season are Leslie Koepf and Donna Mahoney for serving. These two players accounted for most of the points both during league play and in the Lincoln tourney last week-end.

Donna Mahoney also did well in defensive play. The two most improved players on the 7th grade team are Debbie Morris and Julie Dunlap. Others showing a great deal of improvement are Marie Stajish, Joyce Robards, Lavonne Kruse, Brenda Hoelzer, and Tracy Evisizer.

The 8th grade team also finished their season with a win over Clinton after three games. The first team composed of Amy Hume, Cindy Connell, Venus Roberts, Donna Popovich, Marty Kovich and Jean Folsom won the first game with good serving and defensive play.

The second game was close but the second team couldn't pull it out and lost, 15-10. The Bullpups who comprise the rest of the 8th grade team are Carrie Heaton, Kim Williams, Deanne Colvia,

Kathy Morris, Cathy Doll, Claudette Bucholz, Amy Poijan, Jane Nusbach, and Annette Green.

These players gave the 8th grade team a great deal of depth and an excellent job for their first year of volleyball. The first string came back in for the third game and defeated Clinton, 15-10.

This brought the 8th grade record to 5-4. "I can't say too much about the fine work, desire, and enthusiasm for the game. This is an entirely new game for these students this year and yet they stood up against several schools with another year of experience. Bad weather and inability to re-schedule a second game with some of the schools created a short season and little chance to better our record," according to Coaches Terry Schreiner and Kathy Opoka.

For the 8th grade Bullpups, outstanding offensive play was led by Amy Hume, Cindy Connell, Marty Kovich, Lisa Beeman, Donna Popovich, and Carrie Heaton. The defense was also headed up by Hume and Kovich but was stabilized by the other first string players: Connell, Roberts, Beeman, Popovich, and Folsom.

"This summer we plan to take one of the four in Ann Arbor and move it to Dexter so that we can cover the lake areas," according to Fontana.

Dana Cagers Still Unbeaten In Rec. League

Adult basketball action on Sunday, March 4 saw Dana Corp. retain its unblemished record of 5-0 by smothering Chelsea State Bank, 72-55. Dan Krysko was the leading Dana scorer with 28 points, while Todd Sprague collected a sizeable 21 for CSB.

Banner, Spring, and 4-Slide in a close encounter with Ann Arbor Centerless fell, 49-42. Jeff Van Ripper took leading honors with 11 points for Ann Arbor Centerless. Bob Davis, with 21 points, led Banner.

Utrops obliterated Chelsea Independents, 62-20, with Jeff Miller as their top scorer with nine. Carter Blockman shot 12 points for the Independents.

League standings as of Sunday are Dana Corp., 6-0; Ann Arbor Centerless, 4-1; Chelsea State Bank, 3-2; Wolverine Bar, 3-2; Banner, 1-4; Utrops, 1-4; and Chelsea Independents, 0-5.

THE DIFFERENCE CONDOMINIUM - COOPERATIVE -

Did you ever wonder about the difference between a condominium and a cooperative? In a condominium, you get actual title to the space within your unit plus an undivided interest along with other owners to the structure, grounds and common elements (pool, parking area, hallways, recreational area, etc.)

In a cooperative, the "co-op" corporation owns everything within the complex including your unit and you get stock in the corporation plus a lease to your unit. In effect, co-ops do not enjoy the same favorable mortgage treatment by banks as you get when you own and have title to your condominium or home.

Another difference between having title to your home or apartment, and owning stock in a co-op, is that your mortgage taxes and maintenance charges are completely independent from other unit owners and you have no responsibility for your neighbor's mortgage, taxes or charges if he should default. In a co-op, all the stockholders are responsible if one stockholder defaults on his mortgage, taxes, etc.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8683; evenings 475-2621. We're here to help!

Varsity Swimmers Win Their Own Invitational League Meet

Chelsea High school varsity swimmers won their own league invitational this past Saturday with many record-shattering performances.

The team won five of 11 events totaling 363 points to second place Brighton's 294; Dundee (the 4th rated Class "C" team in the state) 240; Marysville, 157; and Lincoln, 142.

Chelsea kicked off with Craig Wirtz's upset victory over team mate Dave Mason with a school and freshman record of 292 points in diving. The second victory came from Phil Hoffman who participated in one meet and three varsity records. Hoffman won the 50-yard and 100-yard freestyle races, and anchored the second place medley relay.

In the 100-yard butterfly, Dave Mason broke the freshman school and meet records by winning the event in :58.7.

The fifth Chelsea victory came from the freestyle relay composed of Mike Mason, Craig Wirtz, Todd Oxner, and Scott Prohaska.

Each Chelsea swimmer swam lifetime bests and placed in a minimum of two events. Eight

varsity records were broken. The medley relay of Hoffman, Dave Mason, Charles Wiesner, and Tom Gaunt broke the varsity record by nine-tenths of a second with 1:50.1.

In the 200-yard freestyle, Scott Prohaska broke the school record with a time of 1:54.6, and the 500-yard record with a clocking of 5:07.2. In the 200-yard I.M. Tom Gaunt broke the school record with a 2:11.3 performance.

Also in the I.M., John Robbins broke the freshman record with a time of 2:18.0. This combined with his freshman records in the 50-yard backstroke, :28.7, and 100-yard backstroke, 1:02.4.

Other tremendous performances were turned in by Chelsea's "B" medley relay of Robbins, Henri Vanderwaard, Kirk Myers, and Andy Weir, who dropped 3.1 seconds from their best time and finished fifth in the meet.

In the 200-yard freestyle Todd Oxner improved two tenths of a second to 1:59.5 for third, Paul Schumann dropped from 2:19.6 to 2:12.5 for 11th place, and Doug Pichlik dropped from 2:37.0 to 2:23.2 for 16th place. In the I.M. Myers dropped from 2:29.8 to 2:23.4 for 6th place. In the 50-yard freestyle Mike Mason dropped from :25.1 to :24.6 for 4th place, and Wiesner dropped from :26.4 to :25.5 for 7th place.

In diving, Shawn Pierson improved his score to 157.2 points for 12th place. Myers cut his time in the 100-yard butterfly from 1:05.9 to 1:04.6 for third place. In the 100-yard freestyle, Mike Mason improved from :55.0 to :53.7 for 3rd place, and Wirtz improved from 1:00.1 to :57.7 for 9th place. Andy Weir also dropped from 1:06.6 to 1:03.7 for 13th place. Paul Schumann dropped from 6:12.9 to 5:56.5 for 6th place in the 500-yard freestyle. This combined with Prohaska's second and Oxner's 5:25.5 for third place.

In the backstroke, Gaunt was second in 1:00.7 and Robbins was fourth.

The 100-yard breaststroke has been a weak event for Chelsea all year but Saturday four Chelsea swimmers reduced their times and all placed in the event. Henri Vanderwaard dropped from 1:11.9 to 1:11.5 for fifth; Charles Wiesner dropped from 1:13.6 to 1:10.9 for fourth; Shawn Pierson dropped from 1:31.0 to 1:17.2 for 10th; and Doug Pichlik dropped from 1:24.0 to 1:20.5 for 12th place.

In the meet's final event, the 400-yard freestyle relay, Chelsea's "A" team was first with a time of 7:42.7, a 12-second improvement from its preliminary swim.

The Bulldog "B" team finished eighth improving its time by 14 seconds to 4:16.9. The swimmers on the "B" team were Weir, Schumann, Pichlik and Pierson.

In two weeks the team will take the following swimmers and divers to the state meet: Tom Gaunt, Charles Wiesner, Dave Mason, Phil Hoffman, John Robbins, Henri Vanderwaard, Kirk Myers, Paul Schumann, Scott Prohaska, Craig Wirtz. Chelsea has qualified participants in nine of the 11 events.

SWIMMERS SPARKLE: Taking five of 11 events in the Chelsea Invitational Tournament Saturday, March 3, Bulldogs totaled 363 points, more than enough to win against second-place Brighton with 294; Dundee, 240; Marysville, 157; and Lincoln, 142. In front, from left, are Dave Mason, Phil Hoffman co-captain; Scott Prohaska, co-captain; John Robbins, and Craig Wirtz. In the middle are Henri Vanderwaard, Mike Mason, Todd Oxner, Tom Gaunt, Charles Wiesner, and Assistant Coach Jon Oesterle. Bringing up the rear are Coach Larry Reed, Andy Weir, Shawn Pierson, Paul Schumann, Kirk Myers, Doug Pichlik, and Assistant Coach Dave Johnson.

David Boyer 6th in Youth State Bowling Tourney

David Boyer, competing in the NCB Michigan Youth Bowling Association All-American Youth Singles state tournament last week-

David, the sixth best bowler in his division in the state, is a 16-year-old junior at Chelsea High school and the son of Judy Granger and Fremont Boyer, both of Chelsea.

Competitors were drawn from the five highest scorers in tournament play on Feb. 10-11. Placing first in the tourney held in Charlotte was Dan Alber with 1,165 pins while Boyer placed fourth with 1,139 pins.

During play on Saturday, Boyer placed sixth out of 68 bowlers with handicap scores of 148, 161, and 202 in the first three games for a 511 series, and 222, 218, and 217 in the second three games for a 657 series and a total of 1,168.

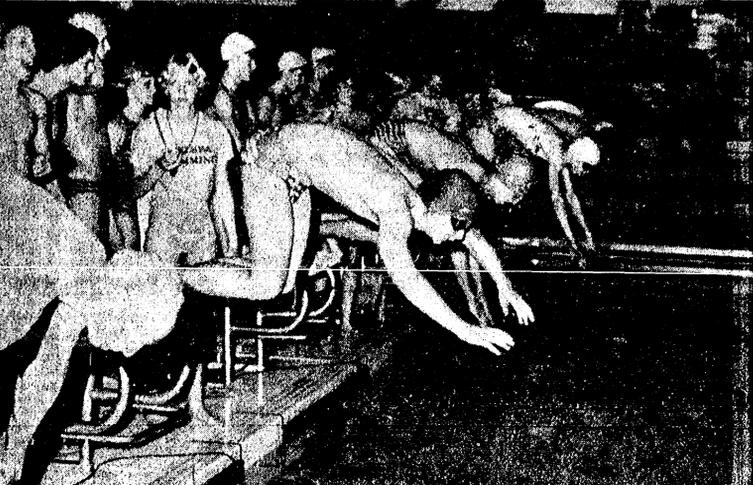

Boyer then advanced to competition on Sunday and earned scores of 143, 187, 227, 225, 160, and 157 for a total, with handicap, of 1,099 pins and sixth place.

Was First To Hold More Than One Patent

Sam Mulliken of Philadelphia became the first person to hold more than one patent when he was issued four patents simultaneously on March 11, 1971. Mulliken's inventions included a thrasher, hemp machine, marble polisher, and a cloth napper. As prodigious as he was in inventions, Mulliken did not match the more than 1,000 patents held by Thomas Edison, which include the phonograph and a century old light bulb. Greenfield Village, Dearborn, celebrates Edison's centennial of light along with its own 50th anniversary at the same Menlo Park, N. J., laboratory where Edison did his famed work. Other Edison-related buildings in the village include his West Orange, N. J., laboratory, his grandfather's Ontario, Canada, homestead and the Smith's Creek Station in Michigan where he was ejected as a child.

The Bible-The Light from Heaven

The Bible—the light from heaven reveals to man that God has always stressed obedience to his will. In the Old Testament this requirement was made to Adam and Eve (Genesis 3). To Noah (Genesis 6:14-22). To King Saul (I Samuel 15:1-23). The New Testament teaches Jesus was obedient to his Father in heaven. (John 8:28; Luke 22:42; Philippians 2:8; Hebrews 5:8). Jesus taught obedience. (Matthew 7:21-27). And Christ saves the obedient (Hebrews 5:9). In the book of Revelation chapter 22 and verse 14, the apostle John wrote, "Blessed (happy) are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city." Obedience shows confidence. We show our confidence in our doctor by doing what he instructs us to do. Abraham showed his confidence in God by obeying God's will. (Hebrews 11:8). Abraham was called God's friend. (James 2:23). The Bible says God will take vengeance on the disobedient. (I Peter 4:17, 18; 2 Thessalonians 1:8, 9). "For the time is come that judgment must begin at the house of God: and if it first begin at us, what shall the end be of them that obey not the gospel of God? And if the righteous scarcely be saved, where shall the ungodly and sinner appear?"

VOLUNTEER MATH LAB: Teachers, volunteers and the South School Parent-Teacher organization added up their resources and subtracted from the PTS operating fund to provide children of all ages an opportunity to physically explore the world of math. While the math lab has seen an abundance of enthusiasm on the part of the students, organizers are finding fewer and fewer parents to help out with volunteer time. Currently, the lab is open one day a week, but nearly everyone involved would like to see it working every day.

A & W Restaurant Remodeling Complete

The old has become the new with the completion of a freshly remodeled A&W Family Restaurant located at 1555 M-52.

Locally owned and operated by Leonard and Marian Centofanti, A&W is a modern looking brick building featuring fresh new landscaping, a dining room with more than 60 seats and a newly remodeled kitchen.

The building is easily recognized, even from a distance, with the familiar A&W orange roof and nation-wide known A&W logo signage.

For added convenience, curbside car service in the shade of a canopy is offered, while inside, fast and efficient in-booth phone ordering is available.

The restaurant's menu will still feature the famous A&W root beer, served in frosty glass mugs, as well as hamburgers, hot dogs, milk shakes, french fries, onion rings and dessert specialties aimed at every appetite.

"We have been anxious to have the new facility completed. Everyone has been so helpful, and it has been very worthwhile," said A&W owner and operator Leonard Centofanti. "Quality has always been our main concern in the restaurant, and now we have made dining even more comfortable and pleasant for all of our customers."
